

Petitioner hereby files this Motion for Expedited Consideration of the Petition for Certiorari (the “Petition”) and incorporates the Petition as if set forth herein.

This case arises out of a contest over presidential electors in Arizona, and asks the Court to declare unconstitutional the dates/deadlines of December 8<sup>th</sup>, 2020 and December 14<sup>th</sup>, 2020 as applied to state-court litigation over presidential electors. The urgency of the matter is self-apparent. Petitioner therefore requests expedited consideration.

Respectfully submitted,
