Defendants.

MOTION TO DISMISS JOHNSON INTERVENOR-PLAINTIFFS' COMPLAINT BY THE WISCONSIN LEGISLATURE

The *Johnson* intervenor-plaintiffs' complaint alleges that the existing congressional and legislative districts in Wisconsin are unconstitutionally malapportioned. *See* Dkt. 73, *Johnson* Compl. They allege that their "lawsuit is already ripe," even though "the Legislature may yet draw, and the Governor may yet approve, maps that redress the Intervenor-Plaintiffs' injury." *Id.* at ¶7. They add that "this Court should stay any action herein until the Legislature has the opportunity to adopt a constitutionally adequate apportionment plan and the Wisconsin courts have ruled on any remaining dispute." *Id.* at ¶10; *see also id.* at p. 10 (asking to stay until "the Wisconsin courts have finally ruled on any and all issues" and asking for relief only "[i]f this matter is not fully resolved by either the Wisconsin Legislature or the Wisconsin courts").

For the same reasons that the *Hunter* and *BLOC* complaints should be dismissed for lack of jurisdiction, the Legislature moves to dismiss the *Johnson* complaint for lack of jurisdiction. Fed. R. Civ. P. 12(b)(1). The Legislature is currently redrawing the existing districts. And the Wisconsin

Supreme Court is now exercising its original jurisdiction to review the new maps and to resolve any redistricting disputes. See Dkt. 80, Order; Dkt. 81, Notice. There is thus no "realistic danger" that the existing districts that plaintiffs challenge as unconstitutional will be used again in next year's elections. Babbitt v. United Farm Workers Nat'l Union, 442 U.S. 289, 298 (1979); see also California v. Texas, 141 S. Ct. 2104, 2114 (2021) (standing requires "an injury that is the result of the statute's actual or threatened enforcement, whether today or in the future"). Any malapportionment claim about those existing districts is entirely "dependent on contingent future events that may not occur as anticipated, or indeed may not occur at all" in Wisconsin. Trump v. New York, 141 S. Ct. 530, 535 (2020) (quotation marks omitted). The complaint should therefore be dismissed.

Dated: September 30, 2021
