55 On March 25, 2021, Voting Bill SB202 was passed by the Georgia legislature. The
56 bill created oversight committees, that can and are being used to monitor and
57 takeover independent county agencies Election Boards. In reference to Boards, the
58 bill allows the creation of oversight committees. Such creation of these committees
59 has caused protest and threaten the peace and tranquility of Gwinnett County. It is
60 the duty of the Solicitor General of Gwinnett to prevent crime, prosecute crimes
61 and seek a means to uphold the Peace and Tranquility of Gwinnett. The listed
62 information is included to avoid disturbances or law violations in Gwinnett
63 County. The formation of such boards is in violation of the Georgia Law and
64 Georgia Supreme Court Case Law. Delay v Sutton: S18A0765 (2018) , 304 Ga.
65 338(2018), S.E. 2d 659 (2018) ,states,” Fundamental principles embodied in our
66 constitution dictate that the people control their government.” “All government of
67 right originates with the people, is found upon their will only and is instituted
68 solely for the purpose solely for the good of the whole.” “Public Officers are the
69 trustees and servants of the people and at all times amenable to them. O.C.G.A.
70 2-201”. “The people of Georgia have the inherent, sole and exclusive right of

71 regulating their internal government and the police thereof.” O.C.G.A. 2-202.
72 “This is accomplished through elected representatives to whom is delegated,
73 subject to constitutional limitations, the power to regulate and administer public
74 affairs, including the power to provide for the selection of public officers.” The
75 formation of these Governing boards conflicts with the listed case law. Therefore,
76 they have no legal basis. The Case Law is clear, representation is to be conducted
77 by local control. Local Officials voted for by local citizens. Local Control is
78 empowered by County Commissioners or Superior Court Judges, regarding
79 Formation, Discipline and all actions of Election Boards.

80 The Gwinnett County Solicitor states the SB202 Committee format, of Election
81 Board oversight, is in violation of Georgia law. It violates the principles of the
82 right of the people to have the inherent ability to regulate their local government.
83 This inherent power is enacted through voting for local officials. Solicitor Brian
84 Whiteside’s intent is to protect citizens and police from civil disturbances while
85 guarding the Georgia Constitution, Georgia Laws and the United States
86 Constitution.

116 3. The Bill SB 202 provisions of Committee oversight are void as a matter of
