**NOTICE REGARDING DEFENDANTS' POSITION
ON ISSUES RAISED BY THE COURT**

At a status conference on January 28, 2022, the Court asked the parties to report on their positions concerning the use of Richard Allen as a Special Master, and Dr. Nathaniel Persily as a demographer, in the event the Court retains such officials. Defendants respond as follows:

Defendants have no objection to Richard Allen serving as special master if needed. Defendants likewise have no objection to Dr. Persily serving as a demographer if needed, provided he is paired with a special master such as Mr. Allen who is familiar with Alabama and her communities of interest, and provided he has not discussed this case with counsel for any party or publicly taken a position on the preliminary injunction.

Defendants note that the district court has provided the Legislature until February 7 to pass a remedial plan and that Defendants on January 28, 2022, filed with the Supreme Court an emergency application for a stay of this Court's preliminary injunction order. *See Merrill v. Milligan*, No. 21A375; *Merrill v. Caster*, No. 21A376. The Supreme Court ordered responses from the Plaintiffs by Wednesday, February 2 at noon ET. The Court could issue a stay at any time thereafter, or an administrative stay before that time. Thus, because any special master or map-drawer hired by this Court will be paid for at Defendants' expense,

Defendants object to any Court-retained experts incurring costs until after February 7, 2022.
