11:13:04 3 If my memory serves me correct, there was a

11:13:09 4 request, a written request, that was mailed to that

11:13:15 5 registrant to provide us with proof of citizenship.

11:13:21 6 Q. And then did the person provide proof of

11:13:24 7 citizenship?

11:13:25 8 A. In the instance with regards to that person

11:13:34 9 answering "no" on the juror's questionnaire to -- to him

11:13:43 10 having information that he was a U.S. citizen, if my memory

11:13:47 11 serves me right, there was proof of citizenship that was

11:13:51 12 provided to us.

11:13:52 13 Q. Okay. So that person did provide -- so in this

11:13:56 14 case, there was a specific person who said "I'm not a U.S.

11:14:00 15 citizen" on the jury questionnaire, but then you sent a

11:14:04 16 notice and that person provided proof of citizenship?

11:14:07 17 A. That's correct.

11:14:08 18 Q. Do you know about how long ago that was or when

11:14:12 19 that was?

11:14:13 20 A. I want to say it was in March -- March, April of

11:14:20 21 this year.

11:14:21 22 Q. Okay. And, again, without disclosing that

11:14:24 23 person's name, was this -- do you know how recent the jury

11:14:31 24 questionnaire had been?

11:14:35 25 A. No, I don't.

11:14:38 1 Q. Do you know if the jury questionnaires where the
11:14:42 2 person that you're talking about from March said "no" -- do
11:14:45 3 you know when they said "no" on the jury questionnaire?

11:14:49 4 A. No, I don't.

11:14:50 5 Q. Okay. Did the person offer an explanation as to
11:14:59 6 why they did not -- or why they had marked "no" on the jury
11:15:06 7 questionnaire as to U.S. citizenship?

11:15:12 8 A. I don't know.

11:15:14 9 Q. And did you or your staff determine that that
11:15:21 10 person from March who said "no" on the jury
11:15:24 11 questionnaire -- did you determine that what they sent in
11:15:26 12 later for proof of citizenship was valid proof of
11:15:29 13 citizenship?

11:15:31 14 A. When I followed up with Angel, he had told me that
11:15:35 15 he did --

11:15:36 16 Q. Okay. And so --

11:15:38 17 A. -- provided --

11:15:39 18 Q. -- was that person someone who was registering to
11:15:43 19 vote or had already been registered to vote?

11:15:46 20 A. Had already been registered to vote.

11:15:48 21 Q. I see.

11:15:50 22 So that person remained registered to vote
11:15:54 23 after you asked for the proof of citizenship?

11:16:01 24 A. I believe so.

11:16:01 25 Q. Okay. Now, could we go to another exhibit. It's

11:16:11 1 Exhibit G in our folder.

11:16:20 2 And, Ms. Moreno, I'm showing you again

11:16:22 3 something I showed you earlier. It's a prior marked

11:16:25 4 Deposition Exhibit 21 and -- from a prior deposition. And

11:16:30 5 it is, again, House Bill 2243. And if we can go to the

11:16:55 6 page 4 of the document?

11:17:00 7 Do you see under the Number 9, the small

11:17:04 8 letter (b), lowercase (b) at line 36?

11:17:12 9 A. Yes.

11:17:12 10 Q. Okay. And do you see where it says, "Receives a

11:17:16 11 summary report from the jury commissioner or jury manager

11:17:20 12 pursuant to Section 22-314 [sic] indicating" that that

11:17:25 13 person -- "that the person has stated that the person is

11:17:28 14 not a resident of the county"?

11:17:32 15 Do you see that?

11:17:33 16 A. Yes.

11:17:40 17 Q. And are you -- have you ever reviewed this -- this

11:17:43 18 part of the law?

11:17:54 19 A. Yes.

11:17:56 20 Q. Okay. And now let's go to page 5 of the document,

11:18:17 21 so the next page down, please.

11:18:20 22 And do you see the Subsection 10, which

11:18:27 23 starts on line 5?

11:18:28 24 A. Yes.

11:18:31 25 Q. And it says, "When the county recorder obtains

11:18:34 1 information pursuant to this section and confirms that the
11:18:37 2 person registered is not a United States citizen, including
11:18:39 3 when the county recorder receives a summary report from the
11:18:43 4 jury commissioner or jury manager pursuant to
11:18:49 5 Section 21-314 indicating that a person who is registered
11:18:52 6 to vote has stated that the person is not a United States
11:18:56 7 citizen."

11:18:56 8 And is that kind of what you were referring
11:19:02 9 to that your office did for someone?

11:19:04 10 A. Yes.

11:19:05 11 Q. Okay. Then the -- this section continues, "Before
11:19:10 12 the county recorder cancels a registration pursuant to this
11:19:14 13 paragraph, the county recorder shall send the person notice
11:19:18 14 by forwardable mail that the person's registration will be
11:19:22 15 cancelled in thirty five days unless the person provides
11:19:26 16 satisfactory evidence of United States citizenship pursuant
11:19:29 17 to Section 16-166."

11:19:35 18 Do you see that?

11:19:35 19 A. Yes.

11:19:35 20 Q. Okay. And in the -- in the case that you
11:19:36 21 mentioned from March of this year where someone had marked
11:19:40 22 "no" on their -- on the jury questionnaire as to U.S.
11:19:43 23 citizenship, is it this section that you were
11:19:47 24 implementing -- that your office was implementing in terms
11:19:49 25 of sending them a notice and asking for proof of

11:19:51 1 citizenship?

11:19:53 2 A. Yes.

11:19:55 3 Q. And now, I'm going to continue here.

11:20:00 4 It says -- or rather, I'm going to go back to

11:20:09 5 the top.

11:20:10 6 "When the county recorder obtains information

11:20:13 7 pursuant to this section and confirms that the person

11:20:15 8 registered is not a United States citizen, including

11:20:19 9 when" -- and then it goes into the jury part.

11:20:22 10 So what would be other types of information

11:20:28 11 that would lead you to be able to confirm that the person

11:20:33 12 is not a United States citizen, putting aside the jury

11:20:38 13 questionnaire instance?

11:20:40 14 MR. LANGHOFER: Calls for a legal conclusion.

11:20:52 15 THE WITNESS: I don't know.

11:21:13 16 BY MR. HERRERA:

11:21:13 17 Q. Okay. And let's -- I'm going to go down -- I want

11:21:19 18 to look at a different section here. Could we go to page 6

11:21:33 19 of the document but it's page 5 of the bill. And then go

11:21:38 20 down to line 41. Okay. And we're looking at Subsection F

11:21:47 21 of this HB 2243.

11:21:50 22 And it says, "Each month the secretary of

11:21:52 23 state shall compare the statewide voter registration

11:21:56 24 database to the driver license database maintained by the

11:22:00 25 Department of Transportation."

11:22:02 1 And then it says, "The secretary of state
11:22:04 2 shall notify the appropriate county recorder if a person
11:22:07 3 who is registered -- registered to vote in that county has
11:22:11 4 changed the person's residence address or is not a United
11:22:14 5 States citizen."

11:22:16 6 Do you see that?

11:22:17 7 A. Yes.

11:22:20 8 Q. Okay. Have you ever received information from the
11:22:24 9 secretary of state that a person is not a United States
11:22:29 10 citizen based on their comparison of the statewide voter
11:22:35 11 registration database to the driver license database?

11:22:43 12 A. I'm sure I have.

11:22:44 13 Q. What makes you sure that you have received that?

11:22:46 14 A. It's just information -- there's some information
11:23:01 15 that's periodically sent to us besides that one example I
11:23:05 16 gave you with regards to the citizenship --

11:23:08 17 Q. Okay.

11:23:09 18 A. -- of that potential juror, so -- and I know Angel
11:23:21 19 handles --

11:23:23 20 Q. Do you know when your office -- how long your
11:23:26 21 office has been receiving that other information besides
11:23:30 22 the jury questionnaire?

11:23:34 23 A. As I mentioned, there is -- there are periodically
11:23:42 24 requests for information provided by the SOS with regards
11:23:47 25 to a -- a reg- -- voter registrant.

11:23:50 1 Q. And does that information that you get from the
11:23:54 2 secretary of state say that certain people are not United
11:23:58 3 States citizens or may not be United States citizens?

11:24:05 4 A. I'm not sure.

11:24:17 5 Q. Would -- would Mr. Aguilar know the answer to that
11:24:21 6 question?

11:24:22 7 MR. PIERCE: Foundation.

11:24:23 8 THE WITNESS: Possibly, yes.

11:24:27 9 BY MR. HERRERA:

11:24:27 10 Q. Okay. But -- because you said -- you said he --
11:24:30 11 that he handles that information that comes in from the
11:24:34 12 Secretary of State's Office; right?

11:24:35 13 A. Correct.

11:24:36 14 Q. Okay. So it's possible that he knows based on --
11:24:42 15 based on that?

11:24:43 16 A. Correct.

11:24:53 17 Q. Now I want to go back to -- well, let's see here.

11:25:07 18 Would anyone else in your office know whether
11:25:11 19 your office uses SAVE for any reason?

11:25:21 20 A. Angel. Angel Aguilar would probably know.

11:25:27 21 Q. Okay. Now, still, I want to look at a part --

11:25:40 22 another part of this bill that we have in front of us in

11:25:45 23 Exhibit 21.

11:25:47 24 MR. HERRERA: And can we go to page 7 of the

11:25:57 25 document but the sixth page of the bill. It's Section H.

11:26:03 1 You can zoom in to that. It starts on line 6.

11:26:09 2 BY MR. HERRERA:

11:26:10 3 Q. So, "To the extent practicable, each month the

11:26:12 4 county recorder shall compare persons who are registered to

11:26:17 5 vote in that county and who the county recorder has reason

11:26:20 6 to believe are not United States citizens and persons who

11:26:25 7 are registered to vote without satisfactory evidence of

11:26:28 8 citizenship as prescribed by Section 16-166 with the

11:26:34 9 Systematic Alien Verification for Entitlements program."

11:26:38 10 And then it says later "to verify the

11:26:45 11 citizenship status of the person registered."

11:26:47 12 Now, do you see that section?

11:26:50 13 A. I do.

11:26:50 14 Q. Okay. Now, looking at this Section H that -- that

11:26:58 15 we just looked at in Exhibit 21, what would be -- what

11:27:04 16 would give your office a reason to believe that a person is

11:27:09 17 not a United States citizen?

11:27:14 18 MR. HORLEY: Objection. Calls for a legal

11:27:19 19 conclusion.

11:27:19 20 THE WITNESS: The -- the notification that we

11:27:30 21 had talked previously that we received from the SOS in this

11:27:34 22 case when I first started back in February or March, April,

11:27:41 23 whatever -- when -- those months where we -- I first came

11:27:46 24 across a list for a registrant's name that he had indicated

11:27:54 25 in the juror's questionnaire that he was not a U.S.

11:27:56 1 citizen. So that would alert us if that person is -- is

11:28:06 2 not a U.S. citizen.

11:28:16 3 BY MR. HERRERA:

11:28:16 4 Q. That's -- that's one example.

11:28:18 5 Besides that example, is there anything else

11:28:21 6 that would give you reason to believe that someone is not a

11:28:24 7 U.S. citizen, someone who is -- and that person is already

11:28:30 8 registered to vote in your county?

11:28:32 9 MR. LANGHOFER: Same objection.

11:28:36 10 THE WITNESS: By information provided by the

11:28:39 11 neighbor, like you said, the information provided by an

11:28:44 12 anonymous call, the information that we might receive

11:28:51 13 through the mail.

11:28:53 14 BY MR. HERRERA:

11:28:53 15 Q. So those -- those examples you just listed, those

11:28:55 16 would give you reason to believe that someone's not a

11:28:59 17 United States citizen?

11:29:01 18 MR. LANGHOFER: Same objection.

11:29:04 19 THE WITNESS: It would give me -- it's

11:29:08 20 something that I have to act upon. But as I mentioned

11:29:13 21 before, I don't know how to act upon it at this point right

11:29:20 22 now at this minute.

11:29:24 23 BY MR. HERRERA:

11:29:25 24 Q. So --

11:29:25 25 A. So --

11:29:34 1 Q. -- when you say "act upon it," do you mean what to
11:29:36 2 do once you receive something like a phone call or an email
11:29:40 3 about someone [overlapping]?

11:29:42 4 A. That's correct. That's correct.

11:29:42 5 Q. And what --

11:29:42 6 THE COURT REPORTER: Can you finish the end?
11:29:42 7 I didn't hear the end. "Like a phone call or an email
11:29:42 8 about" --

11:29:49 9 MR. HERRERA: Sure. So let me -- let me
11:29:50 10 just -- let me just ask the question again.

11:29:50 11 BY MR. HERRERA:

11:29:52 12 Q. So if you received a phone call or an email saying
11:29:58 13 that someone is not a United States citizen, you may not
11:30:04 14 know how to -- to -- what to do with that information; is
11:30:11 15 that right?

11:30:11 16 A. That's correct.

11:30:12 17 Q. And why is that?

11:30:14 18 A. At this -- at this minute, I don't know what I
11:30:19 19 would do if -- if I can't find it for myself here, I would
11:30:25 20 go to legal counsel.

11:30:27 21 Q. Okay. So if you -- you are the county recorder
11:30:32 22 and you're working with your staff.

11:30:36 23 How do you all interpret this "reason to
11:30:39 24 believe" language in Section H in Exhibit 21?

11:30:43 25 MR. LANGHOFER: Same objection.

11:30:45 1 MR. PIERCE: Calls for a legal conclusion.

11:30:47 2 THE WITNESS: For me personally, I -- I, at

11:30:58 3 this point -- I wouldn't -- I need to do something. I need

11:31:03 4 to do something with this information, so it is something

11:31:10 5 that I need to look into as to what the law is telling me

11:31:16 6 to do.

11:31:18 7 BY MR. HERRERA:

11:31:18 8 Q. And why would you -- why would you need to seek

11:31:21 9 legal counsel for --

11:31:25 10 A. Well, what I'm saying is if I can't find it

11:31:29 11 here -- here with the tools that I have, then I would have

11:31:33 12 to go elsewhere.

11:31:35 13 Q. Okay. And by tools that you have here, what are

11:31:43 14 you referring to?

11:31:49 15 A. The EPM.

11:31:52 16 Q. Does your office have any access to the Social
11:32:01 17 Security Administration database for purposes of voter
11:32:08 18 registrations?

11:32:08 19 A. I don't think so.

11:32:15 20 Q. What makes you say that you don't think so?

11:32:21 21 A. I don't think this has ever come up in
11:32:24 22 conversation with my staff.

11:32:26 23 Q. Okay. Might someone in your -- in your office
11:32:30 24 know the answer to that question?

11:32:35 25 A. Possibly.

11:32:36 1 Q. Are you familiar with the Electronic Registration

11:33:14 2 Information Center, or ERIC?

11:33:21 3 A. Yes.

11:33:21 4 Q. Okay. And what is that?

11:33:23 5 A. I understand that that would be a nationwide

11:33:33 6 information center that was established for the intention

11:33:39 7 of cross-referencing voters if -- that's what I understand

11:33:53 8 it to be.

11:33:54 9 Q. Okay. And do you know if your office uses ERIC

11:33:58 10 for U.S. citizenship verification?

11:34:01 11 A. I don't know.

11:34:03 12 Q. Have you ever heard of the National Association

11:34:18 13 for Public Health Statistics and Information Systems?

11:34:18 14 A. I don't -- I don't think I've come across that

11:34:29 15 name. National -- can you repeat that, please?

11:34:33 16 Q. Sure.

11:34:34 17 National Association for Public Health

11:34:37 18 Statistics and Information Systems.

11:34:44 19 A. No.

11:34:45 20 Q. Have you ever heard of the Electronic Verification

11:34:49 21 of Vital Events system?

11:34:54 22 A. Huh-uh.

11:35:17 23 MR. HERRERA: I think we've been going for

11:35:18 24 another hour. I think it might be time for another --

11:35:22 25 another break.

11:35:23 1 Do we want to take maybe a five-minute break
11:35:28 2 and go off the record?

11:35:32 3 THE WITNESS: I'm fine with that.

11:35:33 4 MR. PIERCE: That's fine with me.

11:35:35 5 What's our -- I mean, from a lunch
11:35:37 6 standpoint, what's your plan?

11:35:39 7 MR. HERRERA: I think we could probably
11:35:41 8 finish before lunch, but I'd have to confer with the other
11:35:45 9 plaintiffs here. So if we -- let's -- let's come back in
11:35:48 10 five minutes and before we go back on the record -- we're
11:35:50 11 off the record; right?

11:35:50 12 THE VIDEOGRAPHER: Not yet.

11:35:53 13 MR. HERRERA: Oh, could we go off the
11:35:55 14 record, please.

11:35:56 15 THE VIDEOGRAPHER: We're off the record.

11:35:58 16 Time on the video monitor is 11:35 a.m.

11:36:03 17 (A recess ensued.)

11:45:45 18 THE VIDEOGRAPHER: We are on the record.

11:45:54 19 Time on the video monitor is 11:45 a.m. This begins
11:45:58 20 Media 2.

11:45:59 21 BY MR. HERRERA:

11:46:01 22 Q. Ms. Moreno, earlier you -- I asked you about the
11:46:06 23 word -- the word "information" in one of the laws, in 2492.
11:46:11 24 And then I asked you about reason to believe in the law
11:46:17 25 22 -- 2243. And I asked about some examples -- potential

11:46:25 1 examples of information about someone not being a U.S.
11:46:30 2 citizen. And I asked about the example of, say, an
11:46:35 3 anonymous phone call or an email from someone saying, "That
11:46:39 4 person is not a U.S. citizen."

11:46:43 5 Would it -- would it be fair to say that that
11:46:47 6 kind of information from an email or a phone call might
11:46:52 7 be -- might be a reason to believe someone is not a U.S.
11:46:56 8 citizen but not information?

11:47:04 9 MR. LANGHOFER: Same objection.

11:47:05 10 MR. HORLEY: Objection; form.

11:47:11 11 THE WITNESS: I'm sorry. You're going to
11:47:17 12 have to repeat that question.

11:47:18 13 BY MR. HERRERA:

11:47:19 14 Q. Okay. So earlier, you did say that if someone
11:47:24 15 made an anonymous phone call or sent an email saying that a
11:47:28 16 registered voter was not a U.S. citizen, that that might
11:47:33 17 give you a reason to believe that that person is not a U.S.
11:47:36 18 citizen.

11:47:39 19 That's what you testified earlier; right?

11:47:40 20 A. Yes.

11:47:40 21 Q. Okay. Would that same kind of phone call or email
11:47:47 22 saying that someone's not a U.S. citizen who was registered
11:47:49 23 to vote -- would that also say to you -- or give you --
11:47:54 24 would that be information that says that that person is not
11:47:58 25 a U.S. citizen?

11:48:01 1 MR. HORLEY: Same objection.

11:48:09 2 THE WITNESS: I would suppose so. It's

11:48:16 3 something that -- that -- I'm not going to put it to one

11:48:22 4 side, but it's an inquiry. I need to find out what it is

11:48:27 5 that I need to do.

11:48:30 6 BY MR. HERRERA:

11:48:30 7 Q. Okay. Now, I think this may seem like a dumb

11:48:36 8 question, but there are laws or statutes that currently

11:48:41 9 prohibit a person who is not eligible from registering to

11:48:45 10 vote; right?

11:48:46 11 A. Yes.

11:48:47 12 Q. Okay. And you are aware that -- you are aware of

11:48:57 13 those laws, of when someone's not eligible to vote, they

11:49:02 14 can't register to vote; right?

11:49:06 15 A. When someone is not allowable to vote?

11:49:09 16 Q. When someone is not eligible.

11:49:11 17 A. Oh, eligible to vote. That's correct.

11:49:13 18 Q. Okay. So what does your office do to identify any

11:49:18 19 instances of voter fraud?

11:49:26 20 A. I haven't had any experience with that. I would

11:49:39 21 think that the office would be in communication with the

11:49:42 22 secretary of state and our county attorney.

11:49:48 23 Q. Since you've been in office as the county

11:49:55 24 recorder, have you come across any instances of voter

11:49:59 25 fraud?

11:50:04 1 A. No. No.

11:50:09 2 Q. Has your office dealt with any instances of
11:50:15 3 non-U.S. citizens actually casting a vote?

11:50:23 4 MR. LANGHOFER: Objection; form, foundation.

11:50:31 5 THE WITNESS: I don't know. I don't know.

11:50:34 6 I -- I don't know.

11:50:36 7 BY MR. HERRERA:

11:50:36 8 Q. Has your office ever -- did your office come
11:50:43 9 across any instances of non-U.S. citizens voting in the
11:50:48 10 November 2022 federal elections?

11:50:51 11 MR. LANGHOFER: Form, foundation.

11:50:53 12 THE WITNESS: I don't know.

11:50:54 13 BY MR. HERRERA:

11:50:58 14 Q. And why -- why is it that you don't know?

11:51:04 15 A. I have not experienced -- or I did not work in the
11:51:12 16 '22 elections, and I don't recall a conversation in my
11:51:21 17 office with regards to that in the '22 election.

11:51:49 18 Q. Are you aware of the National Voter Registration
11:51:59 19 Act?

11:51:59 20 A. Yes.

11:52:00 21 Q. Okay. And are you aware of its requirements?

11:52:06 22 A. I'm getting familiar with that.

11:52:09 23 Q. Okay. And what -- what do you -- what do you know
11:52:12 24 about the National Voter Registration Act's requirements?

11:52:21 25 MR. PIERCE: Form.

11:52:33 1 THE WITNESS: Can you refresh my memory?

11:52:38 2 BY MR. HERRERA:

11:52:39 3 Q. Sure.

11:52:40 4 So there are provisions in the NVRA about --
11:52:49 5 that mention the words "non-" -- that mention the words
11:52:52 6 "uniform" and "nondiscriminatory."

11:52:57 7 Does that ring any bells?

11:53:01 8 A. No.

11:53:10 9 Q. Are you aware of any restrictions around the
11:53:15 10 90-day time frame -- 90 days before a federal election?

11:53:22 11 A. The 90-day is establishing, I believe, residency
11:53:27 12 prior to the 90-day election -- I mean, the -- the 90-day
11:53:34 13 time frame before election.

11:53:36 14 Q. Right. Well, it's a provision in the NVRA that
11:53:43 15 applies to systematic removals from the voter registration
11:53:49 16 lists within 90 days before a federal election.

11:53:53 17 Are you familiar with that provision?

11:53:57 18 A. I've heard about it.

11:54:04 19 Q. Okay. And -- but do you know what the
11:54:06 20 requirements are around that provision?

11:54:13 21 A. No.

11:54:15 22 MR. HERRERA: Could we pull up Exhibit K from
11:54:19 23 our folder. And this is -- this is a new exhibit. So
11:54:40 24 could we mark this as Exhibit 100. Thank you.

11:54:40 25 (The document was marked as Exhibit 100

11:54:40 1 for identification.)

11:54:40 2 BY MR. HERRERA:

11:54:46 3 Q. And, Ms. Moreno, I'm showing you a document. It's

11:54:48 4 a -- it is a couple of pages long. And at the top, as you

11:54:57 5 can see, it's an email thread. Now, it's possible that

11:55:03 6 you've never reviewed this.

11:55:05 7 So I'll ask you: Have you ever seen an email

11:55:07 8 from June 16, 2021, from Bob Christie to Alma Schultz?

11:55:17 9 A. No.

11:55:17 10 Q. Okay. Do you know who Suzie Sainz is?

11:55:22 11 A. She was the county recorder. She -- she's the one

11:55:30 12 that retired in this -- in my position.

11:55:34 13 Q. Do you know who Alma Schultz is?

11:55:38 14 A. She's the election director here in Santa Cruz

11:55:43 15 County.

11:55:43 16 Q. Is she still the election director?

11:55:46 17 A. She is.

11:55:47 18 Q. How long has Alma Schultz been the election

11:55:51 19 director in Santa Cruz County?

11:55:53 20 A. I don't know.

11:55:56 21 Q. Does -- does Alma Schultz deal with voter

11:56:05 22 registration at all?

11:56:07 23 A. No.

11:56:09 24 Q. What -- what part of elections does Alma Schultz

11:56:12 25 work on?

11:56:15 1 A. She -- she does the -- the tallying of the
11:56:20 2 ballots. The intake of the ballots, once we receive them,
11:56:29 3 they are -- she takes over. She also is the clerk of the
11:56:36 4 board with the board of supervisors, but on the election
11:56:40 5 end of it, she takes care of the candidates' packages.

11:56:48 6 Q. Okay. Now, below this top email, there -- well,
11:56:57 7 let's go down to the very bottom of the -- of this
11:57:03 8 document. Not the very bottom of the document but the --
11:57:09 9 let's see -- second page at the bottom, please.

11:57:16 10 And do you see an email, Ms. Moreno, that is
11:57:21 11 June 15, 2021, at 2:03 p.m.?

11:57:24 12 A. Yes.

11:57:24 13 Q. Okay. And that's from Bob Christie?

11:57:27 14 A. Yes.

11:57:28 15 Q. Email address Bchristie@ap.org to --

11:57:33 16 A. Yes.

11:57:33 17 Q. -- Suzie Sainz and Alma Schultz.

11:57:37 18 Do you see that?

11:57:37 19 A. Yes.

11:57:37 20 Q. Okay. And the subject is "Records request from
11:57:37 21 The Associated Press."

11:57:41 22 Do you see that?

11:57:41 23 A. Yes.

11:57:44 24 Q. And then it says, in the body of the email after
11:57:48 25 addressing Ms. Sainz and Ms. Schultz, "The Associated Press

11:57:51 1 is collecting information on instances that have been
11:57:54 2 identified or flagged by the county election officials as
11:57:57 3 potential voter fraud stemming from the Nov. 3, 2020,
11:58:04 4 general election."
11:58:05 5 Do you see that?
11:58:06 6 A. Yes.
11:58:06 7 Q. Okay. And then if we look at the third page of
11:58:12 8 the email -- if we go to that page, do you see that there
11:58:21 9 is a signature at the bottom of this paragraph for
11:58:26 10 Mr. Christie -- or Bob Christie, and it has a signature,
11:58:30 11 Bob Christie, under the letters "AP"?
11:58:33 12 A. Yes.
11:58:33 13 Q. Okay. And so do you -- do you -- would it be fair
11:58:38 14 to gather from this that Mr. Christie was a reporter for
11:58:46 15 The Associated Press?
11:58:46 16 A. Yes.
11:58:47 17 MR. LANGHOFER: Foundation.
11:58:49 18 BY MR. HERRERA:
11:58:50 19 Q. Do you have any reason to doubt that that would --
11:58:53 20 at that time, that that person is a member of The
11:59:02 21 Associated Press?
11:59:02 22 A. I don't believe so.
11:59:05 23 Q. Okay. Let's go up to the first page of this
11:59:10 24 document, please.
11:59:16 25 And do you see that Ms. Schultz is -- in the

11:59:22 1 second email on the thread, Ms. Schultz writes to Bob

11:59:27 2 Christie on June 16th, 2021, at 2:00 p.m. an email.

11:59:33 3 Do you see that?

11:59:34 4 A. I do.

11:59:34 5 Q. Okay. And do you see in the body of the email

11:59:39 6 that it says, "Mr. Christie, The Santa Cruz County

11:59:44 7 Elections Department has not had cases identified/flagged

11:59:48 8 as possible voter fraud in connections with the

11:59:53 9 November 3rd, election."

11:59:54 10 Do you see that?

11:59:56 11 A. I do.

11:59:57 12 Q. Okay. Do you know if that statement by

12:00:01 13 Ms. Schultz is accurate?

12:00:12 14 MR. LANGHOFER: Form, foundation.

12:00:13 15 THE WITNESS: I would think so.

12:00:15 16 BY MR. HERRERA:

12:00:16 17 Q. Okay. Do you have any reason to doubt the

12:00:21 18 accuracy of Ms. Schultz's email here?

12:00:23 19 A. No.

12:00:24 20 Q. Okay. And since you've come into office, have

12:00:31 21 there been any -- has Santa Cruz County Elections

12:00:36 22 Department had any cases identified or flagged as possible

12:00:40 23 voter fraud in connection with the -- with any election?

12:00:51 24 A. I don't know.

12:00:58 25 Q. Do you know -- I think you mentioned that -- the

12:01:03 1 position of elections director, you mentioned that earlier.

12:01:08 2 Is that under the county recorder, or is that

12:01:11 3 a separate office?

12:01:11 4 A. It's a separate office.

12:01:13 5 Q. Okay. So -- all right.

12:01:29 6 MR. HERRERA: I think those are all my

12:01:31 7 questions for you today, Ms. Moreno. Thank you very much

12:01:34 8 for your time.

12:01:34 9 I'm going to pass it over to one of my

12:01:36 10 colleagues here.

11 THE WITNESS: Thank you.

12 MR. FERGUSON: Thanks very much.

14 EXAMINATION

15 BY MR. FERGUSON:

12:01:44 16 Q. Good morning, Ms. Moreno. My name is Brent

12:01:46 17 Ferguson, and I'm an attorney representing the LUCHA

12:01:49 18 plaintiffs. I'll just have a short set of questions for

12:01:55 19 you today.

12:01:59 20 So we talked -- you talked some earlier today

12:02:02 21 about the new laws, including HB 2492.

12:02:08 22 Are you aware of the provision in HB 2492

12:02:11 23 that requires registration applicants to list their place

12:02:15 24 of birth on the voter registration application form?

12:02:28 25 A. In the previous question with regards to 2492, I

12:02:32 1 had mentioned that I need to familiarize myself with these
12:02:38 2 bills and -- and, you know, to -- to direct your question
12:02:45 3 to -- to answer your question -- I'm sorry -- in speaking
12:02:53 4 with Mr. -- or answering Mr. Herrera's question, there
12:02:59 5 is -- there's some more information that's coming to me
12:03:02 6 with regards to that bill.

12:03:05 7 Q. Okay. So do you recall that -- that specific
12:03:14 8 provision of the bill that I mentioned requiring applicants
12:03:17 9 to list their place of birth?

12:03:20 10 A. Yes.

12:03:21 11 Q. Okay. And we've talked about some -- about which
12:03:28 12 parts of HB 2492 have been implemented.

12:03:33 13 Do you know whether your office is requiring
12:03:37 14 that right now, requiring that provision that applicants
12:03:42 15 list their place of birth?

12:03:48 16 A. I have not come across the new registration form,
12:03:54 17 but I believe -- I believe we -- I believe my office is
12:03:59 18 implementing it.

12:04:00 19 Q. Okay. So if your office receives an application
12:04:05 20 form that does not list a place of birth, it rejects that
12:04:13 21 application?

12:04:16 22 A. I -- I don't know. I don't know.

12:04:24 23 Q. Okay. And who in your office would know the
12:04:28 24 answer to that question?

12:04:30 25 A. Angel Aguilar.

12:04:32 1 Q. Okay. Do you know whether your office has access
12:04:38 2 to any database that would be able to confirm a person's
12:04:43 3 identity by using their birthplace?

12:04:54 4 A. The only one that I can think of right now would
12:05:07 5 be ERIC.

12:05:07 6 Q. You think that ERIC might have the ability to do
12:05:10 7 that?

12:05:11 8 A. Possibly.

12:05:12 9 Q. Okay. Do you have a -- so you said "possibly."
12:05:15 10 Is there -- what's the reason for believing
12:05:18 11 that ERIC might have the ability to do that?

12:05:22 12 A. Because what I understand it to be, it's a
12:05:24 13 nationwide database. It's not mandatory that all states
12:05:34 14 use it. So therefore, if -- if that information is in one
12:05:44 15 of our partnered states, we may be able to access.

12:05:49 16 But again, I'm not -- I've never done it.
12:05:51 17 I've never looked for it. But it's -- it's a possibility
12:05:56 18 that another state might have the date -- or the place of
12:06:01 19 birth that their database might have through the ERIC
12:06:05 20 program that we may be able to use.

12:06:10 21 Q. Are you aware of your office ever accessing the
12:06:15 22 ERIC database?

12:06:17 23 A. I am not aware of it.

12:06:19 24 Q. Okay. Have you ever yourself accessed the ERIC
12:06:27 25 database?

12:06:28 1 A. I have not.

12:06:30 2 Q. Okay. Okay. I'd like to continue with some

12:06:43 3 questions about the use of the state voter registration

12:06:47 4 form and the federal voter registration form.

12:06:51 5 You're aware of those two different forms

12:06:54 6 that people can use in Arizona to register?

12:06:58 7 A. Yes.

12:06:59 8 Q. Okay. And do you know the relative breakdown

12:07:05 9 between the number of state form applications you receive

12:07:09 10 versus the number of federal form applications that you

12:07:12 11 receive at your office?

12:07:14 12 A. I know that the federal forms are a lot less, but

12:07:21 13 I have no idea about -- about statistics or numbers. I

12:07:27 14 don't.

12:07:27 15 Q. Sure. That's fine. Just trying to get a general

12:07:30 16 ballpark.

12:07:31 17 So you would say that there are substantially

12:07:34 18 more state forms that come in than federal forms?

12:07:37 19 A. Yes.

12:07:38 20 Q. Okay. And you spoke a little bit earlier about

12:07:43 21 the National Voter Registration Act, the NVRA.

12:07:47 22 And are you aware of any NVRA agencies in

12:07:54 23 Santa Cruz County that provide voter registration services?

12:08:01 24 MR. HORLEY: Objection; foundation.

12:08:04 25 THE WITNESS: No. The -- the ones that I

12:08:08 1 know that are active are just the parties.

12:08:15 2 BY MR. FERGUSON:

12:08:15 3 Q. Okay. Okay. Do you know if there are any public
12:08:20 4 assistance agencies or things like that that provide voter
12:08:26 5 registration forms?

12:08:30 6 A. I know that the Arizona Department of Economic
12:08:36 7 Security, I believe, is one of the agencies that could
12:08:41 8 provide, but I haven't seen -- or that I know of that have
12:08:46 9 come through our office.

12:08:47 10 Q. Okay. So do you know whether that agency or any
12:08:52 11 others provides the state registration form or the federal
12:08:56 12 registration form in its office?

12:09:01 13 A. Arizona Department of Economic Security,
12:09:06 14 ServiceArizona, Motor Vehicle Division.

12:09:13 15 Q. So for those -- for those agencies that you just
12:09:15 16 mentioned, do you know whether they provide the state
12:09:19 17 registration form or the federal registration form?

12:09:24 18 A. It would be the state.

12:09:26 19 Q. And do you -- does your office give those forms to
12:09:31 20 those agencies?

12:09:35 21 A. I believe that the individual goes online to
12:09:44 22 register, or I have seen the forms come from those
12:09:50 23 agency -- or Motor Vehicle -- the ServiceArizona, a
12:09:55 24 handwritten -- a handwritten form.

12:09:58 25 Q. Okay. And then you mentioned earlier, I believe,

12:10:03 1 your office provides registration forms to political
12:10:07 2 parties; is that correct?
12:10:10 3 A. That's correct.
12:10:11 4 Q. And do you also provide them to third-party groups
12:10:16 5 that -- you know, that are not political parties but
12:10:18 6 they're organizations that assist with voter registration?
12:10:25 7 A. And individuals, yes.
12:10:26 8 Q. And individuals.
12:10:27 9 And when you provide those forms, do you
12:10:32 10 provide the state registration form or the federal
12:10:36 11 registration form?
12:10:36 12 A. The state.
12:10:37 13 Q. Okay. Are you aware of any -- any of those groups
12:10:43 14 or parties that use the federal registration form when they
12:10:48 15 provide voter registration services?
12:10:51 16 A. I'm not aware.
12:10:52 17 Q. Okay. And then I'd like to move on to one final
12:10:59 18 provision of HB 2492, which we've been discussing.
12:11:04 19 Are you aware of the requirement in HB 2492
12:11:08 20 that requires voter registration applicants to provide
12:11:15 21 documentary proof of residency, or DPOR it's often referred
12:11:21 22 to?
12:11:24 23 A. Yeah, I believe that -- yes, I think it could be
12:11:34 24 in the form of a utility bill.
12:11:37 25 Q. Okay. So your office -- is your office currently

12:11:46 1 requiring applicants to provide that documentary proof of
12:11:51 2 residence when they register to vote?

12:11:57 3 A. I don't know.

12:12:01 4 Q. Okay.

12:12:02 5 A. I don't know.

12:12:03 6 Q. Are you aware of the requirement in the law that
12:12:17 7 currently people need to require their -- sorry -- include
12:12:21 8 their residential address? And you mentioned that earlier
12:12:27 9 I think with -- with the case of one specific applicant who
12:12:29 10 didn't provide a correct address. So separately from the
12:12:33 11 documentary proof of residency, but just providing their
12:12:37 12 address on the form?

12:12:40 13 A. Yeah, it was -- it was all misspelled. That's
12:12:44 14 what it was.

12:12:44 15 Q. Sure. Okay.

12:12:47 16 Have you ever encountered a situation where
12:12:49 17 someone doesn't have a numbered street address and so they
12:12:58 18 provide a description of where they live or a drawing of
12:13:04 19 that?

12:13:04 20 A. No.

12:13:08 21 Q. Are you aware of the option to do that in the
12:13:17 22 current law even if you --

12:13:18 23 A. Yes.

12:13:19 24 Q. -- even if you haven't seen it?

12:13:20 25 A. Yes.

12:13:23 1 Q. Is there someone in your office who has -- who you
12:13:33 2 think is familiar with that requirement?

12:13:38 3 A. Yes.

12:13:39 4 Q. And who would that be?

12:13:41 5 A. Angel Aguilar.

12:13:43 6 Q. Okay. And are you aware of Mr. -- if Mr. Aguilar
12:13:51 7 has received voter registration applications that fit that
12:13:56 8 description, that don't have a numbered address but have
12:14:01 9 some kind of description or drawing of where they live?

12:14:04 10 A. I don't know.

12:14:05 11 Q. Okay. And if someone were required to provide
12:14:14 12 documentary proof of residence and they did not have a
12:14:18 13 numbered street address -- let's say, for example, someone
12:14:22 14 who lived in a rural community without a numbered address
12:14:26 15 on their home -- do you know how they would provide
12:14:31 16 documentary proof of residence?

12:14:35 17 A. Well, the --

12:14:43 18 MR. LANGHOFER: Form. Calls for a legal
12:14:48 19 conclusion.

12:14:48 20 THE WITNESS: If -- if it came across me
12:14:51 21 personally, I would go to the tax rolls and confirm the
12:14:59 22 address.

12:15:02 23 BY MR. FERGUSON:

12:15:02 24 Q. Okay. So aside from confirming the address that
12:15:11 25 they gave, if they didn't have a numbered street address at

12:15:18 1 all and so they provided a description on the registration
12:15:21 2 form, are you aware of any way they could provide
12:15:26 3 documentary proof?

12:15:29 4 You mentioned a utility bill before that
12:15:31 5 could be used presumably for a home with a numbered street
12:15:39 6 address. Are you aware of any kind of documentation or way
12:15:43 7 that they would show their proof of residence?

12:15:51 8 MR. HORLEY: Form.

12:15:52 9 MR. LANGHOFER: Form.

12:15:58 10 THE WITNESS: I would -- I -- they would have
12:16:05 11 an internet bill. They would have a -- an electrical bill,
12:16:11 12 a water bill.

12:16:14 13 BY MR. FERGUSON:

12:16:14 14 Q. Okay. Thank you.

12:16:17 15 And just one final question, going back on --
12:16:20 16 on what we covered at the beginning. You mentioned the
12:16:23 17 ERIC database.

12:16:24 18 I'd just like to confirm that you don't have
12:16:28 19 personal experience with the ERIC database or in entering
12:16:35 20 anyone's birthplace in the ERIC database; is that correct?

12:16:39 21 A. That's correct.

12:16:40 22 MR. FERGUSON: Okay. Those are all the
12:16:42 23 questions I have. Thank you very much.

12:16:45 24 THE WITNESS: Thank you, sir.

12:16:55 25 MR. HERRERA: Before we -- before we pass --

12:16:58 1 I think before plaintiffs pass the witness, I think I'd
12:17:01 2 like to put on the record that we want to keep this
12:17:04 3 deposition potentially -- or keep it open for a potential
12:17:08 4 later date based on the witness's knowledge.

12:17:23 5 MR. LANGHOFER: Tim, do you want to go first?
12:17:25 6 Unless there's anyone else on the plaintiffs' side.

12:17:29 7 MR. HORLEY: Yeah, I'm happy -- happy to
12:17:30 8 defer to you, Kory. If you prefer going first, you can go
12:17:33 9 first. I'm happy to go first.

12:17:36 10 MR. LANGHOFER: Why don't you go ahead. I'll
12:17:38 11 make sure my notes are in order to start up as soon as you
12:17:40 12 wrap up.

12:17:42 13 MR. HORLEY: Okay. Very good. And then
12:17:44 14 also, I know we had a conversation about taking a break for
12:17:47 15 lunch. Do you folks want to go off the record for a minute
12:17:49 16 just to touch base on that, make sure we're all good there?

12:17:58 17 MR. PIERCE: Unless we're -- I mean, I don't
12:18:00 18 mind staying on the record unless there's a lot -- I'd
12:18:00 19 prefer just to go through and -- unless you're going for a
12:18:04 20 really long time, I'd rather just get through it.

12:18:09 21 MR. LANGHOFER: That's my preference as well.
12:18:10 22 I don't -- probably don't have more than ten minutes of
12:18:12 23 questions.

12:18:13 24 MR. HORLEY: Okay. Very good. I will try to
12:18:15 25 get through quickly. I do have some documents that I plan

12:18:19 1 to introduce that have not been shared yet.

12:18:22 2 So, Cindy, just let me know what the best way
12:18:26 3 is to do that. I can attach them in the chat, or I could
12:18:30 4 just share -- screen-share them and we can enter them in
12:18:33 5 later once they're marked.

12:18:33 6

12:18:40 7 EXAMINATION

12:18:41 8 BY MR. HORLEY:

12:18:41 9 Q. Good afternoon, Ms. Moreno. My name is Tim
12:18:41 10 Horley.

12:18:44 11 A. Hello.

12:18:45 12 Q. I represent the Arizona attorney general and the
12:18:48 13 State of Arizona in this case. So thank you for your time
12:18:52 14 and patience for answering the questions so far.

12:18:54 15 So I'm just going to ask a few questions on
12:18:57 16 the topics that you discussed today.

12:19:02 17 A. Yes.

12:19:02 18 Q. So I want to turn to the topic of verifying
12:19:19 19 citizenship. And I would like to bring up a document that
12:19:26 20 I have, and I can do it over my screen share, if that works
12:19:28 21 for everybody.

12:19:44 22 Okay. Assuming everybody can see this at
12:19:49 23 this point. So this is a document with Bates Number
12:19:55 24 SCCR000207 and it runs through number 000701.

12:20:04 25 Do you see the number at the lower left of

12:20:07 1 this document, Ms. Moreno -- or lower right? Excuse me.

12:20:14 2 A. The SCC number?

12:20:19 3 Q. Yes.

12:20:19 4 A. Yes.

12:20:20 5 Q. Okay. And so this document was produced by your
12:20:25 6 office in response to the plaintiffs' request for
12:20:27 7 production?

12:20:28 8 A. I believe so.

12:20:32 9 THE COURT REPORTER: Mr. Horley, do you want
12:20:35 10 to mark this Exhibit 101?

12:20:38 11 MR. HORLEY: Yes, I would like to mark this
12:20:40 12 as Exhibit 101.

12:20:40 13 (The document was marked as Exhibit 101
12:20:40 14 for identification.)

12:20:40 15 BY MR. HORLEY:

12:20:45 16 Q. So, Ms. Moreno, can you explain -- let me zoom us
12:20:49 17 in here a little bit more.

12:20:51 18 Do you recognize this document?

12:20:56 19 A. Yes.

12:20:59 20 Q. Okay. And could you explain to me what
12:21:01 21 information this document contains?

12:21:07 22 A. There is a voter registrant. There was a change
12:21:12 23 in their status. And you have to briefly state the reason
12:21:25 24 for the change.

12:21:30 25 Q. Okay. Very good.

12:21:32 1 So this -- this column here on the left where
12:21:35 2 it says "Status," that shows what the voter's status is?

12:21:38 3 A. Yes.

12:21:40 4 Q. And then this second column here that says "Status
12:21:45 5 Reason," that shows why their status was listed as that?

12:21:49 6 A. Yes.

12:21:50 7 Q. Okay. Great.

12:21:53 8 And then I see over on these columns over on
12:21:55 9 the right here, we have three different dates. There's one
12:22:00 10 that says "Registration Date," another that says "County
12:22:00 11 Registration Date."

12:22:04 12 Am I reading that correctly?

12:22:05 13 A. Yes.

12:22:06 14 Q. So those dates show when a person registered to
12:22:10 15 vote?

12:22:10 16 A. Yes.

12:22:11 17 Q. And then this last column, it says, "Effective
12:22:16 18 Date of Change"; is that right?

12:22:18 19 A. Yes.

12:22:18 20 Q. So that shows the date that someone was moved to
12:22:23 21 the status that they currently have; is that right?

12:22:26 22 A. Yes.

12:22:26 23 Q. Okay. Great.

12:22:30 24 So now I would like to draw your attention to
12:22:37 25 page 222 here. So I'm going to scroll. Okay. Here we

12:22:49 1 are.

12:22:49 2 And so I'm going to draw your attention to
12:22:53 3 the fifth row. And there in the first column, it says that
12:23:00 4 the person's status is "Canceled"; correct?

12:23:03 5 A. Yes.

12:23:03 6 Q. So that shows that this person's registration was
12:23:08 7 canceled?

12:23:08 8 A. Yes.

12:23:09 9 Q. And then in the second column, it says, "Invalid
12:23:14 10 Citizenship Proof"; correct?

12:23:16 11 A. Yes.

12:23:16 12 Q. And so does that suggest that they were canceled
12:23:21 13 because they didn't have valid proof of citizenship?

12:23:27 14 MR. HERRERA: Foundation.

12:23:29 15 THE WITNESS: Yes.

12:23:30 16 BY MR. HORLEY:

12:23:32 17 Q. Okay. So does this mean that the person's status
12:23:36 18 was canceled because they did not have proof of
12:23:40 19 citizenship?

12:23:43 20 MR. HERRERA: Objection; foundation, form.

12:23:46 21 THE WITNESS: So for me, never have worked on
12:24:00 22 this list and looking at it, that's what it's saying.

12:24:07 23 BY MR. HORLEY:

12:24:10 24 Q. Okay. Okay. Thanks.

12:24:14 25 So could it suggest that the person's

12:24:19 1 provided some proof but it just wasn't valid proof?

12:24:24 2 MR. HERRERA: Objection; foundation.

12:24:26 3 THE WITNESS: Yes.

12:24:36 4 BY MR. HORLEY:

12:24:37 5 Q. Okay. And could it suggest that this person was
12:24:40 6 not a U.S. citizen?

12:24:42 7 MR. HERRERA: Objection; form.

12:24:45 8 THE WITNESS: Yes.

12:24:53 9 BY MR. HORLEY:

12:24:56 10 Q. Okay. So I will just represent to you, I've gone
12:25:01 11 through this document and I have identified several other
12:25:06 12 rows like this that has something that says someone was --
12:25:09 13 you know, their registration was canceled and then it says
12:25:11 14 "Invalid Citizenship Proof." So I'm not going to make you
12:25:15 15 go through each one of those, so -- because that would be
12:25:18 16 very tedious, would take a long time.

12:25:20 17 So just want to ask you: Is it fair to say
12:25:24 18 that if it says in this form someone's registration was
12:25:27 19 canceled and then it says reason "Invalid Citizenship
12:25:32 20 Proof," that means their registration was canceled because
12:25:35 21 of invalid citizenship proof?

12:25:38 22 MR. HERRERA: Objection; form, foundation.

12:25:45 23 THE WITNESS: Yes.

12:25:56 24 BY MR. HORLEY:

12:25:56 25 Q. Okay. Thanks.

12:25:58 1 So now I want to draw your attention to one
12:26:02 2 other page here down on page 572. So about halfway down, I
12:26:36 3 see an entry that says "NOT ELIGIBLE" under the status
12:26:42 4 column.

12:26:43 5 Am I reading that right?

12:26:44 6 A. Yes.

12:26:48 7 Q. Okay. And then once again, it says that the
12:26:51 8 reason that they're not eligible is "Invalid Citizenship
12:26:54 9 Proof"?

12:26:56 10 A. Yes.

12:26:57 11 Q. Okay. And then, you know, it's -- in some of
12:27:02 12 these other entries -- the one we looked at before, for
12:27:05 13 example -- it says that the person's status was "Canceled"
12:27:09 14 and this one says it's "NOT ELIGIBLE."

12:27:11 15 Do you know if there's a difference between
12:27:14 16 canceled and not eligible?

12:27:20 17 A. No, I don't.

12:27:24 18 Q. Okay. But does noneligible mean that that person
12:27:29 19 is not eligible to vote?

12:27:40 20 MR. HERRERA: Objection; foundation.

12:27:42 21 THE WITNESS: Yes.

12:27:43 22 BY MR. HORLEY:

12:27:47 23 Q. I'm sorry. I didn't catch your answer.

12:27:48 24 Did you -- did you have an answer,

12:27:50 25 Ms. Moreno?

12:27:51 1
12:27:53 2
12:27:58 3
12:28:01 4
12:28:05 5
12:28:05 6
12:28:06 7
12:28:06 8
12:28:11 9
12:28:13 10
12:28:14 11
12:28:18 12
12:28:22 13
12:28:27 14
12:28:27 15
12:28:28 16
12:28:35 17
12:28:40 18
12:28:44 19
12:28:46 20
12:28:50 21
12:28:55 22
12:28:58 23
12:29:08 24
12:29:09 25

A. Yes.

Q. Okay. Thank you. Now I want to draw your attention -- looking over to these date columns here. So in the first two columns, there's a date of September 13th, 2018.

Am I reading that right?

A. Yes.

Q. Okay. And as we talked about before, these dates show when a person registered; correct?

A. Yes.

Q. Okay. And then in the last column, we have a date of 2022. And as we talked about before, that's the date that the person's status was changed to not eligible; correct?

A. Yes.

Q. Okay. So for about four years, from 2018 to 2022, it appears that this person was registered, and then their registration was ruled not eligible in 2022; is that right?

A. Yes.

Q. Okay. So is there a way to tell whether that person voted in that time period while not being eligible?

MR. HERRERA: Objection; foundation.

THE WITNESS: I think there -- I believe so.

BY MR. HORLEY:

Q. Okay. And is it -- is it possible that this

12:29:11 1 person voted while not being a citizen?

12:29:17 2 MR. HERRERA: Objection; foundation.

12:29:22 3 THE WITNESS: I guess it's possible.

12:29:31 4 BY MR. HORLEY:

12:29:33 5 Q. Okay. Thank you. All right. That is all I have
12:29:36 6 for that document.

12:29:38 7 So there's one other document -- well,
12:29:43 8 actually, there's a few more documents I'd like you to look
12:29:45 9 at. So do let me know if you would like to take a break at
12:29:49 10 any time.

12:29:49 11 The next one I would like to look at is Bates
12:29:53 12 Number SCCR 1128. So I'm going to pull that up now on the
12:30:03 13 screen share.

12:30:04 14 Can you see this document?

12:30:05 15 A. I can.

12:30:05 16 Q. Okay. And so you see the number down here in the
12:30:08 17 lower right-hand corner?

12:30:10 18 A. Yes.

12:30:11 19 Q. So was this produced by your office in response to
12:30:16 20 plaintiffs' request for production?

12:30:19 21 A. Yes.

12:30:24 22 Q. Okay. Great.

12:30:25 23 MR. HORLEY: I would like to mark this as
12:30:27 24 Exhibit 102, I believe. Okay.

12:30:27 25 (The document was marked as Exhibit 102

12:30:27 1 for identification.)

12:30:27 2 BY MR. HORLEY:

12:30:37 3 Q. Now I would like to draw your attention to
12:30:39 4 page 1130.

12:30:44 5 So you -- you mentioned before that Ms. Sainz
12:30:46 6 was the former Santa Cruz County recorder; is that right?

12:30:51 7 A. Yes.

12:30:52 8 Q. And is this an email dated February 2, 2021, from
12:30:58 9 Ms. Sainz?

12:30:58 10 A. Yes.

12:31:00 11 Q. And it's to someone named Dakota Bixler; correct?

12:31:05 12 A. Yes.

12:31:06 13 Q. And do you know who Dakota Bixler is?

12:31:11 14 A. No.

12:31:12 15 Q. Okay. So you're not aware if she has any
12:31:17 16 connection to Santa Cruz County government or your office?

12:31:22 17 A. No.

12:31:24 18 Q. Okay. So I want to just give you a moment to just
12:31:29 19 review this email very quickly, and you can just let me
12:31:32 20 know once you've read it.

12:31:36 21 A. Okay.

12:31:54 22 Q. So is Ms. Sainz describing a situation where a
12:32:02 23 voter's ballot should have been canceled but the ballot,
12:32:06 24 quote, had already been opened and tabulated?

12:32:10 25 A. Yes.

12:32:10 1 Q. Okay. And the matter was under -- under
12:32:14 2 investigation by the county sheriff's office; is that
12:32:17 3 right?

12:32:17 4 A. Yes.

12:32:18 5 Q. And then Ms. Sainz asked Dakota Bixler to explain
12:32:23 6 the situation; yes?

12:32:25 7 A. Yes.

12:32:30 8 Q. Okay. So now turning to page 1129, is this a
12:32:35 9 February 2nd email from Dakota Bixler back to Ms. Sainz?

12:32:45 10 A. Yes.

12:32:45 11 Q. Okay. And then same thing with this one, if you
12:32:47 12 want to just take a moment to review it and let me know
12:32:49 13 when you're finished.

12:33:12 14 A. I'm finished.

12:33:18 15 Q. Okay. Thank you.

12:33:19 16 So in this email, does Ms. Bixler state that
12:33:28 17 the voter in question, whose name is redacted, died on
12:33:32 18 September 13th, 2020?

12:33:35 19 A. Yes.

12:33:36 20 Q. And the voter's registration was then canceled
12:33:40 21 because the voter was deceased?

12:33:43 22 A. Yes.

12:33:45 23 Q. And then the voter's -- that voter's mail-in
12:33:50 24 ballot was nonetheless returned after the date of death, on
12:33:56 25 October 21st, 2020; is that right?

12:33:56 1 A. Yes.

12:33:57 2 Q. Okay. And then does Ms. Bixler state, quote,

12:34:03 3 "There was no glitch in the AVID system"?

12:34:08 4 A. Yes.

12:34:09 5 Q. So based on this email, it appears there was no

12:34:13 6 clerical error here; correct?

12:34:17 7 A. Correct.

12:34:18 8 Q. So this didn't happen because someone in your

12:34:22 9 office did anything wrong; correct?

12:34:29 10 A. Correct.

12:34:31 11 Q. Okay. Now I'm going to turn your attention back

12:34:35 12 to page 1130 at the top of the page. And this is

12:34:39 13 continuing from Ms. Bixler, and she wrote, quote, "I hope

12:34:43 14 the County Sheriff's Office is able to get to the bottom of

12:34:46 15 the matter of who voted" -- redacted -- "ballot."

12:34:50 16 Did I read that right?

12:34:52 17 A. Yes.

12:34:52 18 Q. So based on the information in this email, does it

12:34:57 19 seem like there was a possible instance of voter fraud

12:35:01 20 here?

12:35:01 21 A. Yes.

12:35:01 22 Q. It was someone sending in the ballot of someone

12:35:05 23 who had decea- -- who had died?

12:35:08 24 A. Yes.

12:35:10 25 Q. And based on the dates given, this would have been

12:35:15 1 in the 2020 election; correct?

12:35:18 2 A. Yes.

12:35:19 3 Q. Okay. Great.

12:35:22 4 I wanted to go back and quickly look at
12:35:29 5 Exhibit 100, which was already entered. And this was an
12:35:31 6 email from -- that you looked at before that was sent by
12:35:35 7 Ms. Schultz, the Santa Cruz elections director.

12:35:39 8 That's right; right?

12:35:41 9 A. Correct.

12:35:41 10 Q. And in that email, she said that the elections
12:35:46 11 department has not had cases identified or flagged as
12:35:49 12 possible voter fraud in connection with the November 3rd
12:35:53 13 election; right?

12:35:54 14 A. Correct.

12:35:55 15 Q. And she was referring to the 2020 election?

12:35:59 16 A. That's correct.

12:36:00 17 Q. But as you mentioned before, Ms. Schultz does not
12:36:06 18 work for your office; correct?

12:36:08 19 A. That's correct.

12:36:09 20 Q. Right. It's a -- the elections department is a
12:36:13 21 separate entity?

12:36:14 22 A. It is.

12:36:17 23 Q. Okay. Great. All right. One more document --
12:36:23 24 well, let me see here. I want to look at just one more
12:36:35 25 document. Thank you again for your patience as we go

12:36:38 1 through all this.

12:36:42 2 So this is document with Bates Number 001309.

12:36:51 3 Do you see the numbers in the lower

12:36:53 4 right-hand corner of this document?

12:36:54 5 A. I do.

12:36:55 6 Q. And your office produced this in response to

12:36:58 7 plaintiffs' request for production; correct?

12:37:01 8 A. Correct.

12:37:02 9 Q. And then turning to this next page, page 1310, is

12:37:11 10 this an email from Saibet Gastelum?

12:37:14 11 A. Yes.

12:37:16 12 Q. And she used to work in your office; correct?

12:37:19 13 A. Yes.

12:37:22 14 Q. And she is emailing Russ Smith at the Arizona

12:37:26 15 Secretary of State's Office; correct?

12:37:28 16 A. Yes.

12:37:29 17 Q. And that email is dated August 30th, 2022?

12:37:38 18 A. Yes.

12:37:38 19 Q. And the email says that Ms. Gastelum, quote, "ran

12:37:45 20 the HAVA check on this particular voter (image is

12:37:49 21 attached), and it was verified as a hard match but its

12:37:53 22 status appears as not eligible. The voter registration

12:37:56 23 form was completed with the SSN, or Social Security number,

12:37:59 24 and the driver license number. Please advise."

12:38:01 25 Did I read that right?

12:38:02 1 A. Yes.

12:38:02 2 Q. Okay. Now looking at page 1309, this is an
12:38:13 3 August 31, 2022, response to Ms. Gastelum's email; correct?

12:38:17 4 A. Yes.

12:38:21 5 Q. Okay. And Russ Smith states that he looked
12:38:23 6 through the MVD information on this voter; correct?

12:38:25 7 A. Correct.

12:38:26 8 Q. And the MVD, quote, "has this person listed as a
12:38:31 9 Non-US Citizen"; right?

12:38:33 10 A. Correct. Yes.

12:38:37 11 Q. And this person is instead a green card holder;
12:38:44 12 correct?

12:38:44 13 A. Yes.

12:38:45 14 Q. Okay. And then looking lower in the email, Russ
12:38:49 15 Smith notes that the person, quote, "is not a US Citizen";
12:38:54 16 correct?

12:38:54 17 A. Yes.

12:38:55 18 Q. And thus, "they do not qualify to participate in
12:39:00 19 the elections"; correct?

12:39:02 20 A. Yes.

12:39:02 21 Q. And then he says, "So AVID is behaving as expected
12:39:07 22 by marking the voter as Not Eligible"; correct?

12:39:10 23 A. Correct.

12:39:11 24 Q. So is it fair to say this email describes a
12:39:15 25 situation where someone who was not a U.S. citizen tried to

12:39:18 1 register and was not able to?

12:39:20 2 MR. HERRERA: Objection; foundation.

12:39:22 3 THE WITNESS: Yes.

12:39:32 4 BY MR. HORLEY:

12:39:35 5 Q. Do you think this suggests that the MVD database
12:39:39 6 works properly?

12:39:41 7 MR. HERRERA: Objection; form.

12:39:42 8 Sorry, go ahead.

12:39:43 9 BY MR. HORLEY:

12:39:44 10 Q. I'm sorry. I'll repeat the question.

12:39:45 11 So does this email suggest that the MVD
12:39:48 12 database works properly to check people's citizenship?

12:39:53 13 MR. HERRERA: Objection; form.

12:39:58 14 THE WITNESS: I don't know.

12:40:00 15 BY MR. HORLEY:

12:40:01 16 Q. Okay. But do you agree with Russ Smith that if
12:40:05 17 the MVD database shows that someone is a green card holder
12:40:08 18 rather than a citizen, that that shows that person is not a
12:40:11 19 U.S. citizen?

12:40:13 20 MR. HERRERA: Objection; form and foundation.

12:40:17 21 THE WITNESS: Yes.

12:40:18 22 BY MR. HORLEY:

12:40:23 23 Q. Okay. So just a final question here.

12:40:24 24 So is it fair to say we've looked at several
12:40:27 25 documents suggesting that people registering to vote in

12:40:30 1 Santa Cruz County were not eligible because they lacked
12:40:34 2 proof of citizenship?

12:40:39 3 MR. HERRERA: Objection; form, foundation.

12:40:50 4 THE WITNESS: Yes.

12:40:52 5 MR. HORLEY: Okay. Thank you very much,
12:40:53 6 Ms. Moreno. I really appreciate your time. That's all I
12:40:55 7 have.

12:40:55 8 THE COURT REPORTER: You did want to mark
12:40:59 9 that as Exhibit 103; correct?

12:41:02 10 MR. HORLEY: I'm sorry. Yes, please mark
12:41:03 11 that as Exhibit 103. Thank you.

12 12 (The document was marked as Exhibit 103
13 13 for identification.)

14 14

15 15 EXAMINATION

16 16 BY MR. LANGHOFER:

12:41:10 17 Q. Good afternoon, ma'am. My name is Kory Langhofer,
12:41:11 18 and I'm a lawyer for the Republican National Committee.
12:41:14 19 I've just got a handful of questions for you here, mostly
12:41:17 20 in the way of clarification of things that you've been
12:41:20 21 asked already.

12:41:24 22 You were asked some questions on direct about
12:41:26 23 the usefulness of the birthplace information. And if
12:41:35 24 someone puts their birthplace on a voter registration form
12:41:38 25 currently, that information makes its way into the voter

12:41:44 1 file, doesn't it?

12:41:47 2 A. Yes.

12:41:47 3 Q. And so I want to imagine a situation where you've
12:41:53 4 got a new voter registration form that comes in and it has
12:41:56 5 a common name. Let's say it's John Smith. And there's a
12:42:02 6 birthday -- it doesn't matter what the day is, but we'll
12:42:05 7 just say it's January 1st, 1950. And you -- that -- and
12:42:12 8 that person is already in the voter file and you receive a
12:42:15 9 new voter registration form also for a John Smith, also
12:42:19 10 born January 1st, 1950.

12:42:22 11 In this situation, if the John Smith who's
12:42:27 12 already in the voter file has his birthplace in the voter
12:42:32 13 file, could you use the birthplace information on the new
12:42:37 14 voter registration form to determine whether this is the
12:42:41 15 same John Smith or a different John Smith?

12:42:47 16 A. Yes. Because the -- the -- if I'm -- if my memory
12:42:54 17 serves me right, the registration would have the last four
12:42:58 18 digits of the Social Security number. And that's one way
12:43:06 19 of determining that we're not talking about the same
12:43:10 20 person.

12:43:11 21 Q. And wouldn't birthplace be another way of
12:43:14 22 determining whether you're talking about the same person?

12:43:17 23 A. That's correct.

12:43:19 24 Q. Does your office have access to any more accurate
12:43:26 25 databases to confirm eligibility to vote that you're not

12:43:30 1 currently using?

12:43:34 2 A. Not that I'm aware of.

12:43:37 3 Q. Does your office have access to any more
12:43:39 4 up-to-date or current databases to confirm eligibility to
12:43:44 5 vote that you're not currently using?

12:43:47 6 A. Not that I'm aware of.

12:43:53 7 Q. When a voter gives a -- submits a voter
12:44:01 8 registration form but they don't attach documentary proof
12:44:03 9 of citizenship and you can't confirm their citizenship
12:44:09 10 through the HAVA checks so your office sends them a letter
12:44:13 11 saying that you're missing the DPOC, do you know what
12:44:17 12 percentage of those voters write back and send in their
12:44:23 13 DPOC?

12:44:25 14 A. I don't know.

12:44:26 15 Q. Do you know whether it's more or less than half?

12:44:33 16 A. I don't know.

12:44:37 17 Q. When a statute in -- concerning elections is
12:44:46 18 ambiguous, does the -- has the EPM been helpful to your
12:44:54 19 office in understanding that statute?

12:44:58 20 A. Yes. Yes. Again, I have to familiarize myself
12:45:12 21 with -- with the -- with the EPM and also with statutes
12:45:23 22 that change, that are changing, or that when you -- that --
12:45:34 23 I just have to familiarize myself with the statutes.

12:45:38 24 Q. And when -- in order to understand the statutes
12:45:41 25 and interpret them, does your office rely on EPM?

12:45:45 1 A. Yes.

12:45:54 2 Q. When -- does your office receive voter
12:46:00 3 registration forms that contain false information?

12:46:07 4 MR. HERRERA: Objection to the form.

12:46:16 5 BY MR. LANGHOFER:

12:46:16 6 Q. I can give you an example if you'd like.

12:46:22 7 A. I'm sure -- I'm sure we have. As I mentioned
12:46:27 8 before, what I -- my experience has been with -- with an
12:46:33 9 incorrect address, a misspelling of an address. But I'm
12:46:41 10 sure it's possible, yes.

12:46:46 11 Q. Do you have a sense to the frequency with which
12:46:49 12 you get voter registration forms with false information?

12:46:53 13 A. I have no -- no, I don't. I have no idea.

12:46:58 14 MR. LANGHOFER: And I appreciate your time
12:46:59 15 and attention today in letting us go, you know, well after
12:47:02 16 the normal lunch hour here. That's all the questions I
12:47:02 17 have.

12:47:06 18 THE WITNESS: Thank you.

12:47:08 19 MR. HERRERA: If no one else has any from the
12:47:10 20 defendants' side, I do have a couple of follow-ups.

12:47:17 21 No one else? Okay.

12:47:17 22

12:47:18 23 FURTHER EXAMINATION

12:47:18 24 BY MR. HERRERA:

12:47:18 25 Q. So sorry, Ms. Moreno. A couple more questions.

12:47:21 1 MR. HERRERA: Can we pull up what was marked
12:47:22 2 as Exhibit 103.

12:47:34 3 THE VIDEOGRAPHER: Is there a specific
12:47:36 4 document you're asking me to pull up?

12:47:37 5 MR. HERRERA: Yes. It was an email -- a Russ
12:47:42 6 Smith email, I think. It's Exhibit 1-0-3. 103. That's
12:47:44 7 what it was.

12:47:48 8 MR. HORLEY: Sorry. This is --

12:47:54 9 MR. HERRERA: It's not one of mine.

12:47:54 10 MR. HORLEY: Yeah. I'm sorry. This is Tim
12:47:55 11 Horley. I can send that over the chat. I don't think it's
12:47:58 12 in the Dropbox.

12:47:58 13 MR. HERRERA: Oh, okay.

12:48:00 14 MR. HORLEY: Give me one second and I will
12:48:02 15 send that so that the reporter can pull it up.

12:48:17 16 MR. HERRERA: I can pull it up too and share
12:48:19 17 it if you put it in the chat.

12:48:23 18 MR. HORLEY: Yeah, I will send it right now.

12:48:38 19 Okay. That should be the one.

12:48:56 20 BY MR. HERRERA:

12:48:57 21 Q. Ms. Moreno, I'm doing a screen share of a document

12:49:01 22 that Mr. Horley showed you earlier. And it was marked as

12:49:04 23 Exhibit 103 -- 103.

12:49:07 24 A. Yes.

12:49:08 25 Q. So do you recall this document we were looking at

12:49:11 1 just a few moments ago?

12:49:14 2 A. Yes.

12:49:14 3 Q. Okay. And you recall the line in the email -- the

12:49:18 4 lines in the email that say, "As this person is not a US

12:49:20 5 Citizen they do not qualify to participate in the

12:49:23 6 elections"?

12:49:26 7 Do you see that?

12:49:26 8 A. Yes.

12:49:27 9 Q. Okay. So this is -- earlier you said that you

12:49:34 10 don't -- you aren't familiar with HAVA checks; right?

12:49:37 11 A. I need to -- to learn how to maneuver it better,

12:49:49 12 familiar to the function or -- or how to retrieve or how to

12:49:58 13 get into AVID, yes. But it's a little bit more complex

12:50:04 14 than -- than I thought it would be.

12:50:10 15 Q. Okay. Are you familiar -- it says -- in the

12:50:14 16 email, it says this person is "Authorized Presence of 2,"

12:50:19 17 and then it has an em dash. And then it says, "Green Card

12:50:19 18 Holder."

12:50:24 19 Do you know what a green card is?

12:50:25 20 A. It's -- it's the resident alien -- resident alien

12:50:37 21 card. I guess that's what you call it.

12:50:40 22 Q. Okay. Are you familiar with the process of

12:50:44 23 naturalization to become a U.S. citizen?

12:50:50 24 A. Not -- not really, but I do know that the -- that

12:51:02 25 the fact that we -- to become a U.S. citizen, the -- it's

12:51:06 1 not an overnight process. And I know there's classes to be
12:51:11 2 taken and a test to be taken and a graduation -- I guess,
12:51:18 3 that's what you call it -- or a ceremony.

12:51:22 4 Q. And are you aware of what kind of immigration
12:51:30 5 status green card indicates for somebody?

12:51:36 6 A. It is the -- it gives you authority to -- to work
12:51:44 7 in the -- to live -- to work in the United States.

12:51:49 8 Q. Do you know if it's possible that someone who has
12:51:51 9 a green card can become a U.S. citizen?

12:51:56 10 A. Yes.

12:51:57 11 Q. Okay. Now, if we look at this -- this information
12:52:01 12 is coming from the MVD; right? Do you understand that to
12:52:04 13 be the Motor Vehicle Division?

12:52:06 14 A. That's correct, yes.

12:52:08 15 Q. Do you see where it says, "MVD Record Date"?

12:52:15 16 A. Yes.

12:52:15 17 Q. Do you see that it says January 24th, 2019?

12:52:20 18 A. Yes.

12:52:20 19 Q. However, the email from Mr. Smith to Saibet
12:52:26 20 Gastelum is August 31st; right?

12:52:32 21 A. Yes.

12:52:32 22 Q. Is it possible that someone can become a U.S.
12:52:35 23 citizen within -- is it possible that this person here,
12:52:42 24 since January 2019 -- between January 2019 and August 2022,
12:52:47 25 became a U.S. citizen?

12:52:53 1 A. It's possible.

12:52:54 2 Q. Okay. Do you know if that -- if your office asked

12:52:59 3 or sent a notice to see if this person had documentary

12:53:02 4 proof of citizenship?

12:53:06 5 A. I don't know.

12:53:08 6 Q. So it's possible that your office confirmed that

12:53:13 7 this person was a U.S. citizen later; right?

12:53:19 8 A. Yes.

12:53:21 9 Q. And it's possible that this person in Exhibit 103

12:53:26 10 is actually a U.S. citizen?

12:53:29 11 A. It's possible.

12:53:30 12 Q. Okay.

12:53:31 13 MR. HERRERA: Thank you. Those are all my

12:53:33 14 questions. Thank you.

12:53:41 15 MR. LANGHOFER: Shayna, do you have anything?

12:53:45 16 MS. STUART: No, I don't. Thank you.

12:53:50 17 MR. LANGHOFER: Okay. Justin?

12:53:51 18 MR. PIERCE: No. We'll read and sign. We're

12:53:53 19 done.

12:53:54 20 MR. LANGHOFER: Ernest, you guys are done for

12:53:57 21 the plaintiffs?

12:53:57 22 MR. HERRERA: Yes. I -- Brent? Yeah, I

12:54:00 23 think so. I am.

12:54:02 24 MR. FERGUSON: I'm done. Thanks.

12:54:04 25 MR. LANGHOFER: All right. Dan, I guess

TRANSCRIPT OF PROCEEDINGS

ERIC RUSSELL JORGENSEN,
the witness herein, being first duly sworn,
was examined and testified as follows:

EXAMINATION

BY MR. HERRERA:

Q. Good morning. Is it Mr. Jorgensen or Jorgensen?

A. Jorgensen.

Q. Good morning, Mr. Jorgensen. My name is Ernest
Herrera, and I'm an attorney at the Mexican American Legal
Defense and Educational Fund. I represent plaintiffs
Promise Arizona and Southwest Voter Registration Education
Project in this litigation.

Can you please state and spell your name for
the record.

A. Eric, E-r-i-c; Russell, R-u-s-s-e-l-l; Jorgensen,
J-o-r-g-e-n-s-e-n.

Q. And have you been known by any other names?

A. No.

Q. Is that a no?

A. No.

Q. What other names -- sorry. You already said no.

Are you represented by an attorney today?

09:15:08
09:15:22
09:15:34
09:15:43

1 A. Yes.

2 Q. And who is your attorney?

3 A. Josh Whitaker of the Attorney General's Office.

4 Q. Have you ever had your deposition taken before?

09:15:54 5 A. Yes.

6 Q. How many times?

7 A. I think once.

8 Q. Okay. And when was that?

09:16:14 9 A. Several years ago. Probably '19, '18 -- 2019,
10 2018.

11 Q. And what was the -- the nature of the case?

12 A. It was an authorized presence case for ability to
13 receive state benefits.

14 MR. MORGAN: Mr. Herrera.

09:16:34 15 MR. HERRERA: Yes.

16 MR. MORGAN: Just since there was a lull
17 there because the court reporter asked him to slow down,
18 can we get on the record -- I don't think we have -- the
19 same agreement we've had throughout this deposition, which
09:16:45 20 is that an objection for one party -- an objection for one
21 defendant constitutes an objection joined by all
22 defendants? That way, we're not all objecting today.

23 Is that -- is that okay with everyone?

24 MR. HERRERA: That's okay with me.

09:17:01 25 MR. WHITAKER: Good idea.

1 MR. MORGAN: Any objections? All right.

2 Hearing none, that is the stipulation on the
3 record. Thank you.

4 BY MR. HERRERA:

09:17:11

5 Q. And in that case about driver licenses -- or
6 benefits, would it be fair to say that you were a witness
7 for the defendant or on the -- a party as a defendant?

8 A. Yes.

09:17:27

9 Q. Okay. Let me go over a few ground rules so that
10 we're on the same page about how to conduct this
11 deposition. The court reporter has put you under oath,
12 which means that you are under an obligation to tell the
13 truth. Do you understand that?

14 A. Yes.

09:17:36

15 Q. Although we are in a somewhat informal
16 environment, that oath has the same force and effect as if
17 you were testifying in a court of law in front of a judge
18 or jury. Do you understand that?

19 A. Yes.

09:17:49

20 Q. The court reporter will take down everything you
21 say and anything that anyone else says unless we go off the
22 record. Do you understand that?

23 A. Yes.

09:18:01

24 Q. During the course of this deposition, I am going
25 to ask you some questions and you are going to give me your

1 answers to those questions. Because the court reporter
2 will be typing everything that we say here today, it is
3 important that you give audible answers to my questions, no
4 "uh-huhs" or shaking your head. Okay?

09:18:17

5 A. Okay.

09:18:32

6 Q. And I'll try not to talk too fast. It is also
7 very important that we do not talk over each other. It
8 happens all the time in normal conversation because we
9 can't anticipate when the other person is going to be
10 finished. But in this situation, the court reporter can
11 only write what one person is saying at a time. So let's
12 try to help her out. Okay?

13 A. Yes.

09:18:45

14 Q. If you do not understand a question, please tell
15 me that you don't understand and I'll rephrase the
16 question. Okay?

17 A. Okay.

09:18:58

18 Q. I don't want you to guess. If you don't know the
19 answer to a question, simply state that you don't know.
20 However, I am entitled to your best estimate. So for
21 example, if I ask you if you know the date that something
22 happened, you may not know the exact date, but if you can
23 estimate that it happened after Christmas but before
24 Valentine's Day, I'm entitled to know your estimate. Do
09:19:14 25 you understand?

1 A. Yes.

2 Q. Throughout the course of the deposition, your
3 attorney may make objections. Even if your attorney
4 objects, unless he specifically instructs you not to answer
09:19:27 5 the question, you still must answer that question. He is
6 simply preserving his right to object to the question. Do
7 you understand?

8 A. Yes.

9 Q. Sometime after we complete your deposition, unless
09:19:40 10 you waive this, you will receive a typed transcript of this
11 deposition. You'll have an opportunity to review the
12 transcript and correct any errors you see, and then you
13 will sign it under penalty of perjury. However, I will
14 warn you that if you make anything more than clerical
09:19:57 15 changes like correcting typos, attorneys in this case will
16 be able to comment on those changes at trial, which could
17 affect your credibility before the judge or jury in the
18 future. So please try to give the best testimony you can
19 here today. Do you understand that?

09:20:12 20 A. Yes.

21 Q. If you need to take a break for any reason, please
22 let me know and we can take a break. However, if there is
23 a question pending that you have not answered, I will ask
24 you to answer the question first and then we can take a
09:20:26 25 break. Okay?

1 A. [Nodded up and down.]

2 Q. Is there any reason that you cannot give your best
3 testimony here today?

4 A. No.

09:20:33

5 Q. Have you consumed any substances in the past
6 24 hours or medications that would prevent you from giving
7 your best testimony here today?

8 A. No.

09:20:50

9 Q. What, if anything, did you do to prepare for this
10 deposition?

11 A. I reviewed some of the information that we
12 provided in the past, the interrogatories and some of the
13 emails.

09:21:07

14 Q. I'd like to open up one exhibit. This is the --
15 I'm going to share it in the Zoom -- or a document. And on
16 the Zoom on the screen in front of you -- I'm going to send
17 it to the court reporter. We're going to share it in the
18 chat as well.

09:21:58

19 MR. HERRERA: I'd like to mark this as
20 Exhibit 104, please.

21 (The document was marked as Exhibit 104 for
22 identification.)

23 BY MR. HERRERA:

09:22:07

24 Q. And do you recognize this document from the title
25 there?

1 A. Yes.

2 Q. Okay. And what is this document?

3 A. I'm not sure I know how to describe it legally.

4 Q. Sure. Is this the -- is this the notice to appear
09:22:29 5 today for a deposition?

6 A. Yes.

7 Q. Okay. So I'm going to go down to the third page
8 of this document. And it starts with Exhibit A. And then
9 I'm going to go down a little further to page 3 where it
09:22:47 10 says "Topics."

11 Mr. Jorgensen, have you reviewed these
12 topics?

13 A. Yes.

14 Q. Are you familiar with these topics listed here?

09:22:58 15 A. Yes.

16 Q. Are you prepared to testify about these topics
17 today?

18 A. Yes.

19 Q. Okay. Are there any that you would not be able to
09:23:09 20 testify to?

21 A. No.

22 MR. WHITAKER: Objection on that last
23 question. Possible overbreadth. To the extent that it
24 talks about, for example, all communications -- for
09:23:33 25 example, Number 7 is -- is, as worded, rather broad. So I

1 just wanted to lodge the possible overbroad objection. I
2 think reasonable efforts is the standard.

3 MR. HERRERA: Okay.

4 BY MR. HERRERA:

09:23:55 5 Q. So earlier you mentioned, Mr. Jorgensen, that you
6 reviewed some documents in -- that you produced in response
7 to plaintiffs' requests; is that right?

8 A. Correct.

09:24:11 9 Q. Okay. What -- so you reviewed -- did you review
10 any particular set of them, or did you look through all of
11 them?

12 A. I looked through what we had produced as part of
13 both interrogatories and the -- and the request for
14 production. So I at least leafed back through them.

09:24:28 15 Q. Outside of those documents, did you review any
16 other documents in preparation?

17 A. No.

18 Q. Besides reviewing documents, what did you do to
19 prepare for your deposition today?

09:24:47 20 A. I asked staff to walk me back through the process
21 of obtaining the license with authorized presence so that I
22 was once again familiar with some of the details on that.

23 Q. And when you say "obtaining a license with
24 authorized presence," can you say what you mean by that?

09:25:06 25 A. So if -- what exactly we need to do to show that a

1 person has authorized presence so we can issue the license,
2 whether that's because they are a citizen or not a citizen
3 but with authorized presence.

09:25:25

4 Q. And without disclosing any conversations with
5 attorneys, can you tell me with whom you spoke to walk you
6 through that process?

7 A. Madelene Carbajal.

8 Q. And who is Madelene Carbajal?

9 A. She is our policy specialist for drivers.

09:25:46

10 Q. And what are Ms. Carbajal's duties?

11 A. She is in charge of making sure that we all
12 understand what the policies, laws, and requirements are
13 around things related to drivers.

09:26:15

14 Q. Okay. And so besides speaking with Ms. Carbajal,
15 did you do anything else to prepare for your deposition?

16 A. No.

17 Q. Besides Ms. Carbajal, did you speak with anyone
18 else who works for ADOT besides any attorneys?

09:26:43

19 A. I did have a conversation with another Madeline
20 Kinder, who helps with some of the technical aspects of the
21 system, to specifically refresh on how some of the system
22 pieces work, actually.

09:27:02

23 Q. And, I'm sorry, I should have said this earlier,
24 but I said "ADOT." I meant Arizona Department of
25 Transportation. Is -- how do people usually abbreviate --

1 A. ADOT.

2 Q. Okay. Besides Ms. Kinder and Ms. Carbajal, anyone
3 else with ADOT with whom you spoke to prepare?

4 A. No.

09:27:23 5 Q. The court reporter is going to hand you a document
6 which we'll mark as Exhibit 105.

7 (The document was marked as Exhibit 105
8 for identification.)

9 BY MR. HERRERA:

09:28:18 10 Q. And, Mr. Jorgensen, do you recognize this
11 document?

12 A. Yes.

13 Q. And what is this document?

09:28:32 14 A. This was the interrogatory request with our
15 response.

16 Q. Okay. So you could take a second to review it,
17 but to confirm, this does contain the responses of ADOT;
18 right?

19 A. It does.

09:28:44 20 Q. And did you prepare the answers to these
21 interrogatories?

22 A. Yes.

23 Q. Did anyone else assist you in preparing the
24 answers to these interrogatories?

09:29:04 25 A. Yes.

1 Q. And besides any attorneys, who assisted you in
2 preparing these answers?

3 A. That would be Madelene Carbajal, who I mentioned
4 before, and Madeline Kinder, who I mentioned before.

09:29:19 5 Q. Did you review all of the answers to these
6 interrogatories?

7 A. Yes.

8 Q. And now we're going to hand you an exhibit that I
9 would like to mark as Exhibit 106.

09:29:52 10 (The document was marked as Exhibit 106
11 for identification.)

12 BY MR. HERRERA:

13 Q. And do you recognize this document, Mr. Jorgensen?

14 A. Yes.

09:30:15 15 Q. And what is this document?

16 A. This is the request for production in this case
17 with our responses.

18 Q. Okay. Would that be plaintiffs' requests for
19 production to ADOT and ADOT's responses?

09:30:31 20 A. Yes.

21 Q. Okay. And did you prepare the responses to these
22 requests for production?

23 A. Yes.

09:30:41 24 Q. Okay. Did anyone assist you in preparing these
25 responses?

1 A. Yes.

2 Q. Okay. And who were those people?

3 A. It would be Madelene Carbajal, Madeline Kinder,
4 and Amanda Kindle.

09:30:50

5 Q. And who is Amanda Kindle?

6 A. Amanda Kindle leads our change control process and
7 helps -- helped gathering the documents.

8 Q. What is -- what does "change control
9 process" mean?

09:31:08

10 A. Every time we make a change to process, procedure,
11 system, we go through a change control, and she manages
12 that process, the documents, what the change is.

13 Q. Is that -- when you say a "change in process" and
14 "procedure," is that an -- is she more on the technical

09:31:30

15 side or more on the regulatory side or both or something?

16 A. She would coordinate both the business and
17 technical aspects of the change -- of the recording of the
18 change.

19 Q. Okay. And does she do that just for -- or across
20 the board for ADOT?

09:31:46

21 A. For the Motor Vehicle Division of the Arizona
22 Department of Transportation, yes.

23 Q. And did you review the responses and the documents
24 produced in response to these requests for production?

09:32:04

25 A. Yes.

1 Q. Okay. So I'm going to ask you a little bit about
2 your current employment.

3 Where are you employed?

4 A. I am employed at the Motor Vehicle Division of the
09:32:24 5 Arizona Department of Transportation.

6 Q. And what is your position?

7 A. I'm the director of the Motor Vehicle Division.

8 Q. And how long have you held your position at the
9 Arizona Department of Transportation?

09:32:39 10 A. Just over eight years.

11 Q. What does your role as director of Motor Vehicle
12 Division entail?

13 A. I guide the policies, strategy, and operations of
14 the Motor Vehicle Division in its functions of providing
09:33:02 15 customer service at our offices as well as the back-office
16 things that are associated with that provision of service.

17 Q. I'm going to hand you what is marked as -- what
18 has been marked as Exhibit 107.

19 (The document was marked as Exhibit 107
09:33:48 20 for identification.)

21 BY MR. HERRERA:

22 Q. And do you recognize this document?

23 A. Yes.

24 Q. And what is this document?

09:33:59 25 A. This is an organizational chart of ADOT.

1 Q. And to your knowledge, is this -- you could take a
2 minute to review it, but is this document accurate or
3 current?

4 A. Yes.

09:34:12

5 Q. And so the Motor Vehicle Division falls under the
6 deputy director of MVD and compliance Wayde Webb? Is that
7 right?

8 A. Correct.

09:34:42

9 Q. And who else -- under the Motor Vehicle Division,
10 who else -- who else leads the Motor Vehicle Division
11 besides you as director?

12 A. So I would report directly to Wayde Webb, the
13 deputy director. So I'm not sure if that's what you're
14 asking.

09:35:05

15 Q. Yes. Do you have an executive team within the
16 Motor Vehicles Division?

17 A. I do.

18 Q. Okay. And who are they?

09:35:20

19 A. That would be two deputy directors, one -- two
20 people who oversee internal support, and one person who
21 does our customer service -- customer experience
22 coordination.

23 MR. HERRERA: Could we take a minute -- could
24 we go off the record for a minute.

09:35:51

25 MR. WHITAKER: Sure.

1 (An off-the-record discussion ensued.)

2 BY MR. HERRERA:

3 Q. We're back on the record.

4 And, Mr. Jorgensen, sorry for that
09:39:40 5 interruption. We are -- you were telling me about the
6 people who work in the Motor Vehicle Division as part of
7 the leadership of the Motor Vehicle Division. How many
8 people are employed at the Motor Vehicle Division?

9 A. I don't have an exact number. It's about 860.

09:40:11 10 Q. And what is the Enforcement and Compliance
11 Division?

12 A. That is a separate division of ADOT that does
13 investigation of -- internal investigations, fraud
14 investigations, external fraud investigations, and handles
09:40:29 15 things like ports of entry, some of those items.

16 Q. Do any of the other departments listed on this org
17 chart deal with driver license and driver license data?

18 A. Yes.

19 Q. Okay. And which ones would those be?

09:40:45 20 A. You would have it under the Law and Policy segment
21 here. So the Executive Hearing Office, for example, hears
22 cases -- disputed cases and would have access to that
23 information. In a broader -- not to -- to the information
24 as part of the system, but as a -- engaged in the topic,
09:41:16 25 you would see our government relations as well.

1 Q. Okay. And I should have clarified this earlier,
2 but which part of this organizational chart manages driver
3 license data for ADOT?

4 A. The Motor Vehicle Division does.

09:41:37

5 Q. Okay. Now, you said that the Motor Vehicle
6 Division -- you mentioned that the -- you just said that
7 the Motor Vehicle Division manages driver license data;
8 right?

9 A. Yes.

09:42:04

10 Q. Who -- who manages other identification data for
11 Arizona state identifications?

12 A. I'm sorry. I don't understand.

13 Q. Are there other kinds of credentials or
14 identifications besides driver licenses?

09:42:20

15 A. So, yes, there are state-issued IDs as well.
16 Broadly, we call them all credentials, and they're managed
17 by the Motor Vehicle Division.

18 Q. And what data does MVD manage pertaining to driver
19 licenses?

09:42:43

20 A. MVD manages the motor vehicle record, including
21 the applications that are made, the dispositions of those
22 applications, and the status of what those records are, the
23 maintenance and upkeep of those records.

09:43:09

24 Q. What is the system called that MVD uses to manage
25 driver license data?

1 A. Broadly, we'll call that system MAX.

2 Q. And does MAX stand for anything?

3 A. No.

4 Q. And how many employees at MVD work on managing the
09:43:24 5 MAX system?

6 A. I'm not sure I understand what you mean
7 by "managing."

8 Q. Are there -- well, can you describe more about
9 what the MAX system is?

09:43:43 10 A. Sure. MAX system is -- it's actually a
11 conglomeration of many systems together, many different
12 databases and functionality that allow the division to
13 provide services to the public. So at the front line -- at
14 the -- in one of our offices or in one of our third
09:44:04 15 parties, it's -- it's the front end of that is the system
16 that the customer service representative would use to issue
17 licenses to a customer. At the same time, it is the system
18 that is behind the portal that we have in our -- for
19 self-service by customers from their home, which we call
09:44:24 20 Azmvdnow.gov.

21 And it also manages the record more broadly.
22 So any enforcement actions or court actions or anything
23 that's taken against it, a driver is managed through that
24 system as well. And we broadly refer to all of those
09:44:42 25 things as our MAX system because there's one way to access

1 that.

2 Q. I see.

3 So would it be inaccurate to say that MAX
4 system is a database?

09:44:57

5 A. I think that's the common way people would refer
6 to the system, but structurally it is much more than a
7 database. There are -- there are thousands of databases,
8 tables, and pieces that make up different aspects of the
9 system.

09:45:17

10 Q. Okay. So when we're talking about -- we've been
11 talking about driver licenses. How does the MAX system --
12 or rather, how is data about individuals' driver licenses
13 stored in the MAX system?

09:45:41

14 A. There are multiple tables within the MAX system in
15 SQL databases for most of those records that would be where
16 the data is stored, depending on database structure.

17 Q. And so are there -- are there multiple tables for
18 different types of driver licenses? Or why are there
19 different tables for driver licenses?

09:46:11

20 MR. WHITAKER: Objection. Compound.
21 BY MR. HERRERA:

22 Q. Why are there multiple tables for driver licenses?

09:46:24

23 A. We will -- we'll quickly get beyond my technical
24 depth on that question. It has to do with the choices of
25 how we organize data for efficient retrieval of the

1 information.

2 Q. Is there a set of fields and values that are
3 uniform across all driver license holders in -- in MAX?

4 A. Yes.

09:46:48

5 Q. Okay. And what is -- when did ADOT begin using
6 the MAX system?

7 A. We went into production April 20th, 2020.

8 Q. When was production completed?

9 A. That was -- that was our go-live.

09:47:10

10 Q. And what is the difference between the MAX system
11 and the legacy ADOT data system for driver license and
12 identification customer information?

13 A. The legacy system was a mainframe system and used
14 mainframe technologies; did not use, for example,

09:47:36

15 relational databases to maintain data integrity and those
16 kinds of things. It was a 40-year-old -- in some pieces
17 40-year-old, 30-year-old system as compared to MAX, which
18 is a modern SQL back end for most pieces of it with .NET

09:48:13

19 architecture, cloud-based in the Azure Google cloud -- or
20 Azure government cloud.

21 Q. And what are all of the different kinds of
22 credentials that MVD manages?

23 A. Broadly there are two types of credentials: There
24 are driver's licenses and IDs. There are differences and
25 limitations, subclassifications of each of those.

09:48:38

1 Q. So the nondriver identification credentials, those
2 are also managed using the MAX system?

3 A. Correct.

4 Q. When information is stored for a customer in MAX,
09:49:03 5 is there a customer ID or number?

6 A. There is.

7 Q. Okay. And what is the proper name for that
8 number?

9 A. Customer number.

09:49:13 10 Q. And this may -- I'm not trying to be esoteric, but
11 what is -- what is a customer for MVD?

12 A. So it can mean several things. It could be
13 somebody who comes in and requests a driver's license. So
14 every person that comes in and goes through a driver's
09:49:37 15 license process and creates a record that way would be a
16 customer. But in our database we'll also have things where
17 the customer didn't directly request something. So, for
18 example, getting a ticket and having the court send us a
19 notice of the -- of penalty of some sort or another can
09:49:58 20 also create a customer record in our database with whatever
21 information the court sends to us. So that would also --
22 and if we can match them, then they would be one record,
23 but if we can't, then they might -- that might create
24 another record, either because they don't exist in the
09:50:12 25 database or they exist somewhere else.

1 So it's -- a customer for us is any -- any
2 individual or organization with whom we have some needed
3 business that we report their -- some aspect of a record in
4 our system.

09:50:29

5 Q. Can there be more than one customer number in the
6 MVD MAX system for the same individual person?

7 A. Yes.

8 Q. Okay. And how can that happen?

09:50:48

9 A. So it shouldn't happen because we should be able
10 to find the same customer, match them up, but sometimes we
11 don't always have matching data between two different
12 sources. If something comes in from the courts and they
13 didn't have much enough information to match it with
14 another record that we already had, that might create a
15 duplicate record which we might find and correct or we
16 might not find.

09:51:05

17 Q. And when someone is issued a driver license in
18 Arizona, is there a number associated with that driver
19 license?

09:51:18

20 A. There is.

21 Q. And what is that number called in the MAX system?

22 A. That's called the driver license number, or DLN.

23 Q. Is the driver license number different than a
24 customer ID number for a single individual?

09:51:33

25 A. It is.

1 Q. Okay. So can there be a single individual who has
2 a customer number that is different than their current
3 valid driver license number?

09:51:49

4 A. Every customer number will be different than their
5 driver license number. They are not the same.

6 Q. And what is the purpose of the customer number?

09:52:08

7 A. The customer number is to identify a -- supposed
8 to be to identify a unique customer. This is a common
9 number across all the records that we have and know about
10 that unique customer.

11 Q. And so you mentioned that someone could be
12 assigned a customer number if they perhaps have a run-in
13 with the law or if they have a driver license. Will they
14 also be assigned -- will someone who just has a Arizona
15 non-driver license identification credential also have a
16 customer number?

09:52:34

17 A. Yes.

18 Q. So let's first talk about -- in terms of who can
19 get these credentials that we're talking about, for a
20 driver license, broadly speaking, can -- I assume U.S.
21 citizens can receive a driver license in Arizona?

09:52:58

22 A. If they meet all of the proper requirements.

23 Q. Okay. Can a naturalized U.S. citizen receive a
24 driver license in Arizona?

09:53:21

25 A. With the same stipulation, yes.

1 Q. Okay. Can a non-U.S. citizen get a driver license
2 in Arizona?

3 A. Yes, depending on whether they can show authorized
4 presence.

09:53:36 5 Q. Okay. And what is "authorized presence"?

6 A. My understanding is it's not defined anywhere
7 other than to say that it's something that shows that they
8 have a legal right to be in the country.

09:53:57 9 Q. Okay. And how does MVD determine that someone has
10 authorized presence for the purpose of getting a driver
11 license?

12 A. We review the documents they bring in to support
13 that claim.

09:54:26 14 Q. So would someone with a green card -- so,
15 therefore, someone who is a lawful permanent resident -- be
16 able to get a driver license in Arizona?

17 A. Assuming they met all the other requirements and
18 the card was not expired, valid, ready to go, yes.

09:54:46 19 Q. Can someone who has deferred action for childhood
20 arrivals get a driver license in Arizona?

21 A. With the same stipulations, yes.

22 Q. Can someone on different types of visas get a
23 driver license in Arizona?

09:55:07 24 A. Yes. There are many different types of visas that
25 are allowed to have presence as long as their -- and that

1 would get very complex very quickly. But, yes, for the
2 most part, I believe so.

3 Q. And we're going to hand you an exhibit that has
4 been marked as 108. Exhibit 108.

09:55:44 5 (The document was marked as Exhibit 108
6 for identification.)

7 BY MR. HERRERA:

8 Q. And, Mr. Jorgensen, do you recognize this
9 document?

09:56:08 10 A. Yes.

11 Q. And what is this document?

12 A. This is what we would call our One Source
13 document, which is a detail of -- it's basically the
14 instructions for a CSR to -- customer service
09:56:27 15 representative to process.

16 Q. And what would a CSR be processing?

17 A. A driver's license application or other credential
18 application.

19 Q. What is a -- what is an Arizona "credential
09:56:48 20 number"?

21 A. That is the same thing that I referred to earlier
22 as a driver license number, but it's broad enough to
23 include both driver license and a nondriving ID.

24 Q. Can a single customer -- can someone with the same
09:57:05 25 customer -- under one customer ID number have more than one

1 Arizona credential number?

2 A. Only in one specific case they can. Most cases,
3 no.

4 Q. What's that case?

09:57:22

5 A. Law allows for someone who has what we would call
6 a travel ID -- or in other words, something that is
7 compliant with the REAL ID Act of 2005 -- can have both a
8 driver's license and ID card where one is compliant and the
9 other is not with the REAL ID Act. It's the only place in
10 which they should have two credential numbers.

09:57:48

11 Q. Now, what happens -- what happens if someone under
12 one customer ID -- so one customer -- for some reason can
13 no longer have a driver license but they can have an
14 Arizona nondriver ID? What happens in terms of their
15 credential number?

09:58:15

16 A. I'm not sure.

17 Q. Okay.

18 MR. WHITAKER: Could you repeat that
19 question?

09:58:24

20 MR. HERRERA: Sure.

21 BY MR. HERRERA:

22 Q. So I guess maybe I'll ask it in a more leading
23 way.

09:58:33

24 If someone changes from having a valid driver
25 license to having a valid Arizona ID that's not a driver

1 license, does that same customer now still only have one
2 credential number that's active?

3 A. They would only have one active credential number.
4 I don't know that they would be the same number.

09:58:54 5 Q. Okay. So the credential number might stay the
6 same but it's a different credential?

7 A. And that's the part I'm not sure about. I don't
8 know if the number will change or not.

9 Q. Okay. All right. Well, let's look at the
09:59:11 10 document I put in front of you and forgot to ask you more
11 about.

12 Exhibit 108 is -- you said it's part of MVD
13 One Source. What overall is -- MVD One Source, you said,
14 is something that CSRs use to give them instructions?

09:59:32 15 A. It's part of the MAX system and it contains
16 policies, procedures, additional information, help files.
17 It's -- by its name, it's the one source they're supposed
18 to go to to answer questions about how to process any work
19 that they're doing.

09:59:54 20 Q. And who can access the MVD One Source?

21 A. Any of our CSRs, our customer service
22 representatives, and any third-party customer service
23 representatives can access that, as well as their
24 management.

10:00:13 25 Q. And I imagine based on the requests for production

1 responses that -- what I have handed you is not the entire
2 MVD One Source; right?

3 A. Correct.

4 Q. Okay. And which portion did I -- did I hand you?

10:00:27 5 And you can take a second to review it.

6 A. So this is a section entitled "Acceptable
7 Documents for Non-Commercial Credentials."

8 Q. And have you reviewed this section of MVD One
9 Source before?

10:00:41 10 A. Yes.

11 Q. So at the top of this document, it says,
12 "Acceptable Documents"; right?

13 A. Yes. "Acceptable Documentation."

14 Oh, yes, "Acceptable Documents" in the
10:00:56 15 subheader, yes.

16 Q. And what does "Acceptable Documents" refer to?

17 A. These are the documents that we can accept to
18 prove different requirements, including authorized
19 presence, name, address, Social Security number.

10:01:18 20 Q. And what is an "original credential"?

21 A. When we refer to an original credential, we mean
22 the first issuance of a credential and not a subsequent
23 renewal or reinstatement of the same credential.

24 Q. Are there credentials other than original?

10:01:49 25 MR. WHITAKER: Objection. Ambiguous. I'm

1 not sure whether you are referring to a distinction other
2 than what the witness just used to --

3 BY MR. HERRERA:

10:02:02

4 Q. So are there -- if someone renewed -- if someone
5 got a driver license for the first time, is that what an
6 original credential would be?

7 A. That would be an example of an original
8 credential.

10:02:14

9 Q. Okay. And what if that same person got -- renewed
10 their driver license? Would that still be an original
11 credential?

12 A. If they are renewing the same credential, no.
13 Then that is no longer what we would call an original
14 credential.

10:02:25

15 Q. Okay. So in the first sentence in the first
16 paragraph on ADCT00004, it mentions that primary forms of
17 identification are used to establish various things about a
18 customer, including authorized presence in the U.S.

10:02:54

19 And we went over what authorized presence
20 means for MVD purposes; right?

21 A. [Nodded up and down.]

22 Q. Is that correct?

23 A. Yes.

10:03:07

24 Q. Later in that same paragraph, on ADOT00004, it
25 says that in addition to a form of primary identification,

1 "the customer must provide their full social security
2 number."

3 Are there any numbers that can be used
4 instead of a Social Security number?

10:03:21 5 A. I'm sorry. I don't see where you were reading.

6 Q. It says in the first paragraph at the last -- in
7 the last clause of the last sentence, "the customer must
8 provide their full social security number for verification
9 purposes."

10:03:55 10 A. In the case that they -- that a person has a
11 status that doesn't allow a Social Security number --
12 doesn't allow them to have one, yes, then a separate
13 number.

14 Q. Okay. And what -- what other numbers can be used
10:04:08 15 there?

16 A. In that case, we'd rely on the document that
17 provided the authorized presence to be the identifier.

18 Q. Okay. And how does MVD use a Social Security
19 number for identification verification?

10:04:36 20 A. The Social Security number is collected and it is
21 run against a federal system called Social Security Online
22 Verification, or SSOLV, to make sure that it is the correct
23 number and it is associated with that individual.

24 Q. Okay. And what information does -- what happens
10:04:56 25 when that verification is done by MVD?

10:05:09

1 A. I'm not sure I understand.

2 Q. What is -- what is the response that MVD gets back
3 from that verification service?

4 A. It's a positive or negative response. Did it
5 match or did it not match?

6 Q. Does it give MVD any other information about a
7 person other than the yes or the no?

8 A. No. It's a yes or no.

10:05:39

9 Q. Let's go to ADOT000006, so page 3 of this document
10 we're looking at, of Exhibit 108.

11 Do you see the heading that says "Acceptable
12 Primary Documents"?

13 A. Yes.

10:05:54

14 Q. Okay. Is this list under "Acceptable Primary
15 Documents" on page 3 of Exhibit 108 a complete list of
16 acceptable primary documents that can show authorized
17 presence in the United States?

18 A. No.

10:06:08

19 Q. Okay. What are -- what are some other documents
20 that you can show?

21 A. They would be very specific edge case-type
22 authorized presence documents issued by the federal
23 government. So different -- different types of visas or
24 something along those lines that don't fall into the norm,
10:06:30 25 and somebody may present those and then they would be

1 reviewed more on a case-by-case basis.

2 Q. Okay. So if one -- but someone can present a U.S.
3 certificate of naturalization as an acceptable primary
4 document to get a -- an Arizona driver license?

10:06:46

5 A. Correct.

6 Q. And someone can present a U.S. citizen -- a
7 certificate of citizenship as primary -- as a primary
8 document to receive an Arizona driver license; right?

9 A. Correct.

10:07:03

10 Q. Someone can present an I-94 form with an unexpired
11 foreign passport and an unexpired U.S. visa as acceptable
12 primary documents to establish authorized presence to get
13 an acceptable -- or to get an Arizona driver license;
14 right?

10:07:23

15 A. Correct.

16 Q. And someone can present a permanent resident card
17 as an acceptable primary document in order to get a Arizona
18 driver license?

19 A. Correct.

10:07:48

20 Q. Do identifications showing authorized presence in
21 the U.S. have to be nonexpired other than if you're using
22 an expired U.S. passport?

23 A. In most cases, yes.

10:08:06

24 Q. Okay. Do you know of any cases where that's not
25 the case?

10:08:26 1 A. So, for example, a permanent resident card will be
2 good for ten years now. And if you come in and have an
3 expired permanent resident card and we've issued on that
4 before, we can do, for example, a one-year extension while
5 you're renewing your card, but it then turns it into a
6 limited term -- a reduced term of what we would issue.

7 Q. And you mentioned this a little bit earlier, but
8 what is a REAL ID?

10:08:46 9 A. The REAL ID Act of 2005 is a federal act that
10 required certain documents to be provided in the licensing
11 process if that license was going to be used for the
12 purpose of federal identification, such as at TSA in the
13 airports or federal buildings or nuclear power plants.

10:09:03 14 Q. And I rather gather from your earlier testimony
15 that Arizona MVD does issue REAL IDs?

16 A. We issue REAL IDs as well noncompliant IDs.

17 Q. Does the list of acceptable primary documents
18 change if someone is applying for a REAL ID versus a
19 non-REAL ID?

10:09:46 20 A. I'm trying to remember if there are any exceptions
21 to it in a legacy. There -- it is possible that there are
22 some legacy -- when I say "legacy," I mean a
23 noncompliant -- noncompliant with REAL ID. There may be a
24 couple other documents that we might be able to use because
10:10:06 25 they're not regulated by the federal government. But

1 again, they would be edge cases and reviewed on a kind of a
2 one-off. If somebody doesn't have one of these and they
3 have something else that they could produce, we might be
4 able to accept something else.

10:10:22

5 Q. Can someone who presents a U.S. certificate of
6 naturalization use that as an acceptable primary document
7 to get a REAL ID?

8 A. Yes.

10:10:39

9 Q. Can someone who has a permanent resident card use
10 that as an acceptable primary document to get an Arizona
11 REAL ID?

12 A. Yes.

10:10:58

13 Q. Can someone present an I-94 form with an unexpired
14 foreign passport and an unexpired U.S. visa to get a REAL
15 ID in Arizona?

16 A. Yes.

17 Q. Are you familiar with the Systematic Alien
18 Verification for Entitlements program run by the United
19 States Citizenship and Immigration Services?

10:11:20

20 A. Yes.

21 Q. Okay. And do you know this program as SAVE,
22 S-A-V-E, if I refer to it with that acronym?

23 A. Yes.

10:11:34

24 Q. Does ADOT use SAVE for verification of authorized
25 presence when someone applies for an Arizona credential

1 such as a driver license?

2 A. Yes.

3 Q. For which types of customers or applicants does
4 ADOT use SAVE?

10:11:49

5 A. We will use it for any noncitizen authorized
6 presence category if it's REAL ID-compliant, and we may use
7 it if it's not REAL ID-compliant.

8 Q. And what would be a case where you don't use it if
9 it's non-REAL ID-compliant?

10:12:15

10 A. We might not use it -- we more likely -- in
11 practice, many CSRs will always use SAVE because they've
12 just gotten used to using it. It's not required for a
13 non-REAL ID license. If there's any question about the
14 document, if anything is illegible on the document or hard
15 to read, it would be verified in the -- in the SAVE system.
16 If there's any suspicion of the document, it would be -- it
17 would be verified through the SAVE system.

10:12:39

18 Q. Does ADOT have an agreement with USCIS for use of
19 SAVE?

10:12:53

20 A. Yes.

21 Q. And does ADOT use SAVE for anyone who comes into
22 or who presents a United States birth certificate as their
23 primary document?

24 A. No.

10:13:08

25 Q. Why not?

1 A. It's not verifiable in SAVE, as far as I know.

2 Q. When you say "it's not verifiable in SAVE," a U.S.
3 birth certificate, what do you mean by that?

10:13:23

4 A. The purpose of SAVE is to verify documents issued
5 by the federal government to say whether or not they are
6 here -- whether it's a foreign national coming in or a
7 foreign person coming in with -- and then having an
8 authorized presence in the United States. And the birth
9 certificate would be a natural-born citizen, so they

10:13:41

10 don't -- they don't report back on birth certificates.

11 Q. And just to be clear -- I think you said this
12 earlier -- but what is a CSR?

13 A. Customer service representative.

10:13:53

14 Q. Okay. And a customer service representative would
15 be someone who works in an MVD office anywhere in the
16 state; right?

17 A. Correct. Whether that is our office or a
18 third-party -- authorized third-party office.

10:14:07

19 Q. Are there authorized third-party offices where you
20 can go get a driver license?

21 A. There are.

22 Q. And there would be a -- CSRs who work there too?

23 A. Correct.

10:14:19

24 Q. So a CSR is someone to whom you would show one of
25 these primary documents; right?

1 A. Correct.

2 MR. WHITAKER: Can you clarify that last
3 question? The word "you," do you mean the applicant?

4 MR. HERRERA: Oh, sure.

10:14:31 5 BY MR. HERRERA:

6 Q. So an applicant for a -- an Arizona credential
7 would present their primary document to a CSR; right?

8 A. Correct.

9 Q. Okay. Does ADOT ever use SAVE for anyone who is a
10 natural-born U.S. citizen?

11 A. We should not.

12 Q. Why not?

13 A. Because it wouldn't show any information for that
14 natural-born U.S. citizen.

10:15:04 15 Q. What are the restrictions in place for ADOT's use
16 of SAVE, if any?

17 A. It's to be used for the licensing application
18 process.

19 Q. Okay. And does that mean that you can't use it
10:15:24 20 for any purpose other than licensing?

21 A. By "licensing" I'm going to include
22 identification. So it's for the issuing and maintenance of
23 credential records. So . . .

24 Q. What are the requirements in place for ADOT's use
10:15:47 25 of SAVE in terms of the verification process?

1 A. I'm not sure I understand.

2 Q. So an ADOT use -- you mentioned that CSRs and
3 perhaps others at ADOT will use SAVE; right?

4 A. [Nodded up and down.]

10:16:03

5 Q. What are the guidelines in place for those
6 individuals to use SAVE?

7 A. Are you talking about what guidelines we put in
8 place for our employees?

9 Q. That's right.

10:16:18

10 A. Okay. Like anything in the system, they're only
11 allowed to use it for official purposes, and their official
12 purposes would, therefore, be limited in that moment to
13 processing an application or validating some documentation
14 for the customer to be able to process their transaction.

10:16:35

15 Q. And is a -- is a CSR supposed to accept the first
16 response that they get back from SAVE?

17 MR. WHITAKER: Objection. Incomplete
18 hypothetical.

19 MR. HERRERA: Sure.

10:16:56

20 BY MR. HERRERA:

21 Q. Well, is a CSR supposed to do any further
22 verification beyond the initial results given to them
23 through the use of SAVE?

24 MR. WHITAKER: Same objection.

10:17:10

25 THE WITNESS: If we're presented a document

10:17:29

1 and we run it through SAVE and it comes back with a final
2 response on it, then that would be it. That would be the
3 end of it. Sometimes it does come back and it says further
4 research needed and we have to wait for the federal
5 government to operate SAVE to do further research to give
6 us an answer and we'll have to go back in and check on it.
7 But from a standpoint of what SAVE says, we take and we
8 don't do further research on it.

10:17:43

9 BY MR. HERRERA:

10 Q. That helps.

11 What is a "final result"? Or will it -- how
12 is that indicated in SAVE that it's a final result?

10:18:01

13 A. It will no longer be a pending. It will not have
14 a pending status. It has the ability to go to an
15 enhanced -- or I forget what the actual term in SAVE is,
16 but there is a -- "additional review" I think is what it's
17 called, and it will go through. And it's not something
18 that we do. It's something that the feds do, and then we
19 have to go back and check it. And when it says it's final,
20 that's when we will accept it, whether it was on the first
21 one or after it went through additional review.

10:18:15

22 Q. Is -- does ADOT ever use SAVE in order to verify
23 someone when that person is applying to register to vote
24 through MVD?

10:18:39

25 A. I'm not sure I understand what you mean by

1 "applying to register to vote."

2 MR. WHITAKER: I think we might be straying
3 outside of the 30(b)(6) topics. I'm not sure. I guess for
4 now I'll lodge an objection that I'm questioning whether
10:18:59 5 that particular question is within the 30(b)(6) notice.

6 BY MR. HERRERA:

7 Q. Do -- does -- can someone register to vote at MVD?

8 A. We accept -- part of our driver's license and
9 credential application process, we do accept applications
10:19:23 10 for registering to vote, and we forward those applications
11 to the secretary of state. We also allow those
12 applications to be submitted via our website, our customer
13 website. It can go to the secretary of state. Motor
14 Vehicle Division does not actually register them to vote.
10:19:41 15 We transmit the application to the secretary of state.

16 Q. Okay. What if a credential shows -- excuse me.

17 So if someone's credential -- Arizona
18 credential shows one type of authorized presence and then
19 SAVE shows a different result, what does MVD do?

10:20:28 20 MR. WHITAKER: Objection. May assume facts
21 not in evidence.

22 THE WITNESS: I'm not sure I understand the
23 scenario.

24 BY MR. HERRERA:

10:20:38 25 Q. So when does -- is SAVE used only upon application

1 for an original credential?

2 A. No. It's also used for renewal. But, yes, it's
3 only used upon an application.

10:21:00

4 Q. Okay. And when -- so if someone does it in the
5 case of renewal, what happens if the existing credential
6 prior to the renewal credential has one -- is based on one
7 authorized status type but then SAVE shows a different
8 authorized status type?

9 A. SAVE --

10:21:18

10 MR. WHITAKER: Same objection. Go ahead.

11 THE WITNESS: SAVE would -- we use SAVE to
12 validate the document that they present. So if they're
13 presenting a document and SAVE cannot validate that
14 document because it's no longer valid, then we wouldn't
15 issue.

10:21:31

16 BY MR. HERRERA:

17 Q. So earlier you mentioned that sometimes the result
18 you get back from SAVE is that additional information is
19 needed or investigation -- I forgot what you said exactly.
20 What was it?

10:21:53

21 A. I don't remember.

22 Q. Is it additional verification, perhaps?

23 A. Something along those lines, yes.

10:22:05

24 Q. So how much time does ADOT give for SAVE to do
25 additional verification before making a decision about

1 someone's credential issuance?

2 A. We will wait until we have that final -- or until
3 the person decides that they no longer want the credential.

10:22:27

4 So if it -- as long as it takes the federal government to
5 respond, we'll keep that open and pending.

6 Q. Does that ever -- does that additional
7 verification ever take longer than 30 days?

8 A. Yes.

9 Q. Does it ever take longer than 30 days?

10:22:40

10 A. I'm not sure. I know that it can take a very long
11 time.

12 Q. Okay. So let's go back to Exhibit 105. And
13 Exhibit 105, that was the exhibit marked which was ADOT's
14 responses to the plaintiffs' first set of interrogatories;
15 right?

10:23:20

16 A. Correct.

17 Q. Let's look on page 4 of the answers to the
18 interrogatories. And do you see Interrogatory Number 4?

19 A. Yes.

10:23:37

20 Q. And once someone is issued an original credential
21 by MVD, is that customer categorized as one of the
22 categories listed in response to Interrogatory Number 4?

23 A. Yes.

10:24:12

24 Q. I'm not going to make you read them all, but there
25 are two non-foreign -- sorry -- the two non-foreign

1 subcategories that MVD currently uses are U.S.

2 citizen/non-foreign and naturalized citizen; right?

3 A. Correct.

4 Q. So a naturalized citizen is someone who is -- who

10:24:32 5 naturalized as a U.S. citizen; right?

6 A. It's someone who presented a certificate of -- of

7 naturalization as their proof of authorized presence.

8 Q. And so a naturalized citizen as -- categorized as

9 non-foreign in -- for MVD; right?

10:24:52 10 A. Correct.

11 Q. Then U.S. citizen/non-foreign means citizens who

12 are born in the U.S., U.S. territories, or U.S.

13 possessions; right?

14 A. Correct.

10:25:13 15 Q. Now, the three foreign subcategories -- strike

16 that.

17 The three foreign subcategories for MVD

18 customers are resident/permanent alien, temporary INS, and

19 Canada; right?

10:25:31 20 A. Correct.

21 Q. Is there such a thing as an F-type license in

22 the -- for MVD?

23 A. Not anymore. Not in the new system. We don't

24 classify things that way.

10:25:47 25 Q. Okay. What happened to F-type license?

1 A. F-type was pre-MAX, so before April 20th of 2020
2 in the legacy system. That was -- that was how we would
3 categorize what is now listed in the foreign.

10:26:42

4 Q. And how did customers who had credentials
5 qualified as an F-type license get recategorized when ADOT
6 made that transition?

7 A. I'm -- they all became part of the foreign
8 category. I'm not sure how we would have categorized them
9 between the three subcategories. Not positive.

10:27:16

10 Q. Would -- would anyone who is an F-type -- rather,
11 I'll ask it this way.

12 Everyone who had an F-type license prior to
13 April 20, 2020, was recategorized, assuming it was still
14 valid, as one of the three now foreign types or foreign
15 subcategories?

10:27:38

16 A. They would have been categorized into the -- the
17 foreign category.

18 Q. Okay. So anyone who had an F-type, assuming they
19 didn't change status or their license didn't expire, was
20 changed to either resident/permanent alien, temporary INS,
21 or Canada; right?

10:27:52

22 A. Correct.

23 Q. And when you look -- what is the field that you
24 would look at in the MAX system to find these -- these
25 subcategories?

10:28:17

1 So for authorized -- for the different
2 authorized presence types, where would you find that
3 information in -- in MAX?

4 A. So that would be part of our application process.

10:28:34

5 As you're going through and presenting a document, you
6 would tell us what kind of document you're presenting, and
7 that would allow you to designate what -- which, you know,
8 pop-up box would appear to allow you to designate which
9 category that that belonged to.

10:28:51

10 Q. Is there a field in the MAX system where you --
11 where you can find that info about somebody or about a
12 customer?

13 A. Yes.

10:29:01

14 Q. Okay. And what is that -- do you know what that
15 field is called?

16 A. Offhand, I can't remember what the name is, but it
17 is in the interrogatories -- or in the request for
18 production, there would be the name of it.

10:29:28

19 Q. And is it -- is there a single field that would
20 show the person's authorized presence subcategory?

21 A. Yes.

22 Q. Okay. And what are -- what do the actual values
23 in the MAX system say for these different subcategories?

24 A. They are numerical.

10:29:43

25 Q. Okay. Do you know what -- I'm not trying to test

1 you, but what are the different numbers assigned for the
2 different subcategories for authorized presence?

3 A. Naturalized citizen is 1; U.S. citizen/
4 non-foreign is 4; and the other three are -- the other
5 three, I don't remember what order they are in.

10:30:03

6 MR. WHITAKER: I want to make a general
7 observation. I think we marked parts of this information
8 as confidential when we were producing documents. So I
9 think I'll designate, under the supplemental protective
10 order, parts of the transcript that relate to specific
11 fields in systems as confidential. I wanted to note that
12 on the record.

10:30:23

13 MR. HERRERA: Is that for individual
14 customers or . . .

10:30:39

15 MR. WHITAKER: I believe it has to do with --
16 part of the concern is not wanting to make public all the
17 details of how the system works for security purposes, not
18 just individual information. So we would like to designate
19 parts of the transcript -- I understand the supplemental
20 protective order will allow us to go back and specify which
21 parts. But I'm noting on the record that we're getting
22 into territory that we will want to mark confidential under
23 the supplemental protective order because it talks about
24 specific parts of ADOT's system and there are, as I
25 understand, some security concerns about publicizing a lot

10:31:03

10:31:20

1 of the internal ADOT system.

2 MR. HERRERA: Is that security concern
3 different than the Driver Privacy Protection Act concerns?

10:31:38

4 MR. WHITAKER: Yes. Yes. You will notice
5 that when we produce some documents, we mark them
6 confidential, and that was part of the reason. I don't
7 want to -- I'm just noting that now. Feel free to proceed.

8 MR. HERRERA: Okay. I ask because --

10:32:00

9 MR. MORGAN: Counsel -- Mr. Whitaker, I don't
10 know about others; I cannot hear you very well at all.

11 MR. WHITAKER: Okay. Sorry.

12 MR. MORGAN: You're soft-spoken even in front
13 of the microphone, brother, so if you could --

10:32:11

14 MR. HERRERA: Can we go off the record?
15 Let's go off the record.

16 (An off-the-record discussion ensued,
17 followed by a recess.)

10:54:57

18 MR. HERRERA: I wanted to put on the record
19 earlier about the driver license voter registration
20 objection. That is -- driver license voter registration
21 Section 16-112 is amended by HB 2492.

22 MR. WHITAKER: Oh.

23 MR. HERRERA: I believe our Topic 1 touches
24 on 2492 -- or deals with 2492 broadly.

10:55:43

25 MR. WHITAKER: I'm not sure that HB 2492

1 amends 16-112 in a substantive way along the lines of
2 this -- in a substantive way along the lines of your
3 question, but, I mean, we'll just state the objection and
4 keep going. I'm not instructing the witness not to answer.

10:56:05

5 MR. HERRERA: Okay. Yeah. Okay.

6 BY MR. HERRERA:

7 Q. All right. Let's -- can we look, Mr. Jorgensen,
8 at Exhibit 106, which were the requests for production
9 responses. Please turn to RFP Number 8, which is on
10 page 6.

10:56:39

11 And do you see that the response to RFP
12 Number 8 in Exhibit 106 goes on to the next page?

13 A. Yes.

14 Q. Or begins on the next page, page 7; right?

10:57:03

15 A. Yes.

16 Q. Okay. And in the response, you gave some figures;
17 correct?

18 A. Correct.

19 Q. Were those the numbers that were current as of
20 your response to these requests for production?

10:57:17

21 A. Correct.

22 Q. And that was on July 14th, 2023; right?

23 A. Correct.

24 Q. Okay. So under D it says: "The Department no
25 longer uses F-type credentials (see Response to

10:57:38

1 Interrogatory Number 4). The number of credential holders
2 with a foreign authorized presence status who will be 18 or
3 older by renewal is 339,505." Right?

4 A. Correct.

10:57:56

5 Q. And then if you look at F, it says: "The
6 Department no longer uses F-type credentials. The number
7 of credential holders with a foreign authorized presence
8 status over the age of 18 is 336,766." Right?

9 A. Correct.

10:58:26

10 Q. And the reason that the D number is larger is that
11 it includes people who, by the time of their renewal, will
12 be 18 or older?

13 A. Correct.

10:59:04

14 Q. Okay. How does MVD, if at all, retain information
15 about the types of documents or identification shown when
16 that person applies for an Arizona credential originally?

17 A. Of the authorized presence documentation?

18 Q. Yes.

10:59:22

19 A. It is recorded in the MAX system as to what
20 document was presented, and then all documents that were
21 used in support of that are scanned into the system and
22 attached to the record.

10:59:38

23 Q. How long are the documents that are scanned into
24 the system regarding authorized presence retained in the
25 MAX system?

1 A. I believe it is ten years, but I can't quite -- I
2 can't remember if that's correct or not.

3 Q. So where might we be able to find that answer?

4 A. That would be in our retention policy.

10:59:59 5 Q. Okay. But it might -- might be ten years?

6 A. Yeah. I don't want to guess on that one. It
7 would be consistent with our retention policy.

8 Q. What types of -- and to clarify, when you said the
9 documents presented for authorized presence that are
11:00:37 10 scanned in, what types of documents would be scanned in to
11 show authorized presence?

12 A. It would be whatever the customer presented. So
13 whether it was a birth certificate, certificate of
14 naturalization, employment authorization card, EAC, EAD --
11:00:55 15 whatever they were showing, that -- that would be scanned
16 into the system.

17 Q. All right.

18 MR. HERRERA: So we're going to move to
19 another document here. And this is -- this one we're going
11:01:24 20 to mark as Exhibit 109. Exhibit 109 for those listening.

21 (The document was marked as Exhibit 109
22 for identification.)

23 MR. HERRERA: For the record, this exhibit is
24 Bates-stamped ADOT001081 through ADOT001130.

11:02:26 25 BY MR. HERRERA:

1 Q. Do you recognize this document?

2 A. Yes.

3 Q. Okay. And what is this document?

4 A. This is another One Source document regarding the
5 process for processing an application for credential.

11:02:35

6 Q. Okay. And let's go to 1088. So the ADOT numbers
7 on the bottom have -- they're called Bates stamps. So
8 let's go to the one that says ADOT001088. It would be
9 page 8 of this One Source.

11:03:05

10 Do you see where it says "Names Section"?

11 A. Yes.

12 Q. Does this describe how a customer's name is
13 entered when processing a credential?

14 A. Yes.

11:03:18

15 Q. This section on 1088 provides some requirements
16 for names in MAX; right?

17 A. Correct.

18 Q. Do you see in the first gray box on 1088 that
19 "Names with an accent mark"? And then it lists some in a
20 parentheses. Then it says "above letters like ñ are not
21 permitted in MAX."

11:03:41

22 A. Yes.

23 Q. What does MVD do when processing someone with an
24 accent mark letter or something like an "ñ" in their name?

11:03:56

25 A. It processes it excluding the accent mark so that

1 it is one of the 26 letters of the English alphabet.

2 Q. Okay. And what does MVD do when processing a
3 customer with other types of characters in their names
4 besides Latin?

11:04:17 5 A. They're converted -- they have to be converted to
6 Latin characters.

7 Q. And still looking at this ADOT001088 page, what
8 does MVD do when processing someone with a hyphenated last
9 name?

11:04:58 10 A. A hyphen is -- is an allowed character.

11 Q. Okay. Does the hyphen in a last name that is
12 hyphenated ever get changed to a space in MVD?

13 A. The instruction is that it should always appear as
14 it is in the document that is showing the name; so it
15 should not.

11:05:17 16 Q. So if someone's name is hyphenated in their last
17 name, it won't get also combined into one name; right?

18 A. I'm not --

19 Q. As in -- as in if it's -- if the name is
11:05:39 20 Johnson-Smith, it won't get turned into all one word:
21 Johnsonsmith?

22 A. It should not.

23 Q. Okay. What does MVD do when processing someone
24 with two last names that are not hyphenated?

11:05:58 25 A. It includes both last names.

1 Q. And are those two last names included in the --
2 in -- both in the last name field?

3 A. They should be, yes.

4 Q. Okay. Does -- I see that you said "should be" for
11:06:15 5 several of these.

6 Does MVD ever do any kind of audit to make
7 sure that the names reflect what is in the documents?

8 A. We do.

9 Q. Okay. And how often does that happen?

11:06:27 10 A. We do a sampling on a weekly basis of transactions
11 processed.

12 Q. So I think from your earlier -- from your earlier
13 answer, I gather that a space is an allowed character in a
14 name?

11:07:02 15 A. It is, yes.

16 Q. Okay. When do Arizona driver licenses expire?

17 A. It depends on several factors from the type of the
18 license that it is to the documents that were used to prove
19 authorized presence or meet other requirements. So it
11:07:32 20 varies.

21 Q. Do REAL IDs expire?

22 A. They do. They have a maximum term of eight years
23 but might be at a smaller term based on the underlying
24 documentation or other limitations.

11:07:53 25 Q. Outside of REAL IDs, are there any non-REAL

1 Arizona driver licenses that can be valid for longer than
2 eight years without needing renewal?

3 A. Yes.

11:08:14

4 Q. Are there any non-REAL ID Arizona credentials that
5 can be valid for longer than ten years?

6 A. Yes.

7 Q. We're going to look at another document here. And
8 this document begins -- we're going to mark this as 110,
9 Exhibit 110.

11:08:35

10 (The document was marked as Exhibit 110
11 for identification.)

12 BY MR. HERRERA:

13 Q. The Bates stamp on this document is -- the Bates
14 stamp on this document is ADOT000102.

11:09:13

15 And what is this document?

16 A. This is another One Source document, this one on
17 the subject of credential renewal.

18 Q. And what is a renewal of a license?

11:09:36

19 A. An original credential is issued for a specific
20 period of time, and then it must be renewed, which means
21 that we have to reprocess it, although it requires less
22 things to reprocess that application. And then every --
23 they're all limited in term, so each time that it expires,
24 it's the process of going through and updating it once

11:09:57

25 again.

1 Q. And does this document shown in Exhibit 110, this
2 MVD One Source, show some of the requirements and rules for
3 renewals?

4 A. Yes, it does.

11:10:25

5 Q. Do you know if this document in Exhibit 110
6 reflects the law around driver license and ID renewals as
7 amended by the challenged laws HB 2492 and 2243?

8 MR. WHITAKER: Objection. Calls for a legal
9 conclusion.

11:10:52

10 THE WITNESS: We did not change any of the
11 process around doing the renewal, so it's the same before
12 and after.

13 BY MR. HERRERA:

11:11:07

14 Q. Okay. Do you see on the first page of ADOT000102
15 that there's a heading that says "Credential Renewal
16 Requirements"?

17 A. Yes.

18 Q. One of the requirements of credential renewal is
19 primary identification; right?

11:11:21

20 A. Correct.

21 Q. Also a customer, upon renewal, will get a new
22 expiration date for the credential; right?

23 A. Correct.

11:11:32

24 Q. For foreign authorized presence customers renewing
25 a credential, they get an expiration date based on their

1 provided foreign authorized presence documents; right?

2 A. Correct. Up to the maximum time allowed by the
3 license itself.

4 Q. And would a person who showed a permanent resident
11:11:49 5 identification originally have to show proof of permanent
6 residence again upon renewal?

7 A. Yes.

8 Q. Okay. And why is that?

9 A. The permanent residence card expires after ten
11:12:06 10 years.

11 Q. Is that all permanent resident cards?

12 A. My understanding is they didn't use to, but all
13 the ones that are being issued now are, to the best of my
14 knowledge.

11:12:17 15 Q. Okay. Let's go to page 2 of this exhibit, or
16 Bates stamp ADO1000103.

17 What does the information under the section
18 titled "Renewal Time Frames" describe?

19 A. This is how long a license can be renewed for, so
11:12:39 20 what the time period following the renewal would be.

21 Q. So the one -- the head- -- under that, there's a
22 heading that says "The following are renewable for 55 years
23 at a time." What does that part mean?

24 A. So in the sub-bullets you'll see who that applies
11:12:58 25 to. For example, after a customer's 60th birthday, instead

1 of having -- so a nonlegacy license today -- or a legacy
2 license today would be good for -- until you were 65 in its
3 most -- in its broadest use; right? So after your 60th
4 birthday, we don't allow you to go beyond that. And then
11:13:21 5 every time you renew after your 60th birthday, it's only
6 good for a five-year period in the renewal.

7 Q. I see.

8 And so is that the same for a person who's an
9 out-of-state student?

11:13:32 10 A. Yes.

11 Q. Do these categories of people listed under
12 "renewable for five years at a time" have to renew at least
13 every five years?

14 A. If they want to maintain their license, yes.

11:13:52 15 Q. When must someone who does not fall within one of
16 these categories renew their driver license?

17 A. Again, depends on the driver license type that
18 we're talking about. For a REAL ID-compliant driver's
19 license, that would be eight years. For a legacy driver's
11:14:13 20 license, a noncompliant driver's license, that would be the
21 -- in most cases, up to the 65-year time frame, and then
22 every five years thereafter.

23 Q. Is there any reason someone younger than 60 and
24 not within one of the categories under renewable for five
11:14:31 25 years at a time on page 2 of Exhibit 110 would have to

1 renew their license?

2 A. Yes.

3 Q. Okay. What would that reason --

4 A. For example, authorized presence. If the document

11:14:44 5 is not valid for a time period longer than that -- longer

6 than the -- that's less than this time frame, then it would

7 only be issued for the time period where it was valid. Sex

8 offenders are another one. Someone who's categorized as a

9 sex offender can only register for one year. So those are

11:15:04 10 some examples of . . .

11 Q. And then you already said the REAL ID requirement

12 is eight years?

13 A. Eight years.

14 Q. So if someone did not fall into one of the

11:15:24 15 "renewable for five years at a time" category and had a

16 REAL ID, then their license could be good -- could be good

17 for up to eight years, assuming it's not one of the

18 authorized presences that expires sooner?

19 A. As long as there's not some underlying factor that

11:15:40 20 says it's only valid for this, such as expiring authorized

21 presence, yes.

22 Q. Earlier -- I'm -- I forgot to ask this one.

23 On the names -- "allowable names in MAX,"

24 someone who has in their last name an apostrophe, is

11:16:00 25 that -- does that also go into the system, or is that

1 changed in any way?

2 A. I do not remember whether -- whether an apostrophe
3 is allowed or not.

4 Q. Would that also be somewhere in the One Sources?

11:16:47 5 A. It's possible, or it might just be rejected by the
6 system to say it's not allowed. So it might not -- if it's
7 not allowed, it might be entirely controlled by the system
8 and it might not be in the One Source documentation.

9 Q. Okay. So -- sorry. To go back to the exhibit we
11:17:08 10 were looking at, 110, can we look at Bates stamp
11 ADOT000105. And that would be page 4 of the exhibit.

12 Do you see that section with the heading
13 "Authorized Presence Credential Renewal"?

14 A. Yes.

11:17:31 15 Q. And please review the paragraph -- the first
16 paragraph under "Authorized Presence Credential Renewal."

17 Now, that paragraph says that "The Foreign
18 credential expiration date shall coincide with the
19 customer's assigned authorized presence expiration date."

11:18:04 20 And then it says, "unless an indefinite status or duration
21 of status has been granted." And I paraphrased a little
22 bit there. But I wanted to ask: What is an "indefinite
23 status"?

24 A. So one example that -- might be the prior
11:18:25 25 permanent resident that did not expire, so if they had that

1 originally, that would be a case where . . .

2 Q. Are you referring to perhaps an -- an older
3 permanent residence card?

4 A. Correct. Yeah.

11:18:47

5 Q. Okay.

6 A. Or any case where there's not an expiration date
7 on the documentation.

8 Q. Okay. Sorry.

9 MR. HERRERA: Just to check with everyone
10 online . . .

11:19:15

11 BY MR. HERRERA:

12 Q. Are permanent residents categorized as customers
13 with indefinite status?

14 A. Because the card expires at ten years, it's --
15 it's for a maximum of ten years.

11:19:33

16 Q. Okay. Does someone who has a foreign authorized
17 presence credential and has indefinite status -- so it
18 would have to be one of the older types of permanent
19 residence -- not have to renew if they do not fall into one
20 of the categories on page 2 that we reviewed a bit ago with
21 regard to every five years?

11:19:50

22 A. They would renew whenever the license expired. So
23 if it was a legacy credential, it would renew at 65.

24 Q. Now, if someone has a foreign authorized
25 precedence -- presence Arizona credential and has

11:20:12

1 indefinite status or another foreign authorized presence
2 status in the MVD MAX system, what happens if that customer
3 seeks to get a renewed license and shows documentation
4 establishing that they have naturalized as a U.S. citizen?

11:20:32

5 A. Then we would change their status to naturalized
6 and record the naturalization.

7 Q. And what happens to a foreign authorized presence
8 credential customer's categorization in MAX once that
9 customer renews and shows proof of naturalization as a U.S.
10 citizen?

11:20:47

11 A. I'm sorry?

12 Q. What happens in MAX when someone shows that
13 they've naturalized?

14 A. It's recorded as naturalized, so it will now be a
15 Category 1 under the non-foreign.

11:21:01

16 Q. And does that happen instantaneously or whenever
17 it's entered?

18 A. Correct.

19 Q. Okay. And for customers -- for customers who are
20 currently categorized under a foreign authorized presence
21 subcategory, what does Arizona law require of that person
22 with regard to his or her driver license if he or she
23 naturalizes as a U.S. citizen?

11:21:25

24 MR. WHITAKER: Objection. Calls for a legal
25 conclusion.

11:21:42

1 THE WITNESS: To my knowledge, there is no
2 requirement for them to do anything.

3 BY MR. HERRERA:

4 Q. Okay. Does MVD law or the MVD -- I'm sorry.
5 Strike that.

11:21:57

6 Does Arizona law, to your understanding, or
7 the MVD require someone who is naturalized as a U.S.
8 citizen to do anything relating to their driver license if
9 his or her driver license is unexpired and valid but was
10 obtained prior to naturalization?

11:22:14

11 MR. WHITAKER: Calls for a legal conclusion.

12 THE WITNESS: No.

13 BY MR. HERRERA:

14 Q. That's a "no"; right?

11:22:22

15 A. No.

16 Q. Does the MVD or ADOT track whether customers with
17 valid credentials based on foreign authorized presence have
18 naturalized -- as a U.S. citizens upon -- excuse me. Let
19 me start that again.

11:22:37

20 Does MVD or ADOT track whether customers with
21 valid credentials based on foreign authorized presence
22 whether they have naturalized as U.S. citizens upon the
23 point of their naturalization?

24 A. No, we do not.

11:23:02

25 Q. Okay. Does the MVD or ADOT notify customers who

1 naturalize as U.S. citizens but still have an unexpired
2 valid credential based on foreign authorized presence?

3 A. I'm not sure I understand.

4 Q. Does MVD or ADOT send any kind of notification to
5 someone who has naturalized or once they have naturalized
6 but they still have a -- an unexpired valid credential
7 based on foreign authorized presence?

8 A. We wouldn't know that they had naturalized.

9 Q. So you don't send any --

10 A. So we wouldn't send anything, no.

11 Q. Okay. Is there any requirement that someone with
12 an unexpired foreign authorized presence driver license or
13 credential renew his or her license upon naturalization as
14 a U.S. citizen?

15 MR. WHITAKER: Possibly calls for a legal
16 conclusion, depending on how the question is interpreted.

17 THE WITNESS: Not that I'm aware of.

18 BY MR. HERRERA:

19 Q. Okay. Is there any requirement that someone with
20 an unexpired foreign authorized presence driver license or
21 credential renew his or her license soon after
22 naturalization as a U.S. citizen?

23 MR. WHITAKER: Same objection.

24 THE WITNESS: Not that I'm aware of.

25 BY MR. HERRERA:

1 Q. How many people update their driver licenses or
2 credentials immediately after naturalization as a U.S.
3 citizen besides when renewal is required?

4 MR. WHITAKER: Foundation.

11:24:30

5 THE WITNESS: I wouldn't know.

6 BY MR. HERRERA:

7 Q. How many people update their driver licenses or
8 credentials upon naturalization as a U.S. citizen as part
9 of their renewal process?

11:24:51

10 A. I -- I don't know that offhand.

11 Q. If someone who -- if someone who is naturalized as
12 a U.S. citizen does not show proof of naturalization but
13 must renew his or her license due to expiration, does that
14 person have to update their categorization from foreign
15 authorized presence to non-foreign authorized presence?

11:25:14

16 A. The person would have to demonstrate authorized
17 presence somehow. So if their existing one was expired and
18 that's why they -- the license was expiring, they would
19 have to show something that -- to prove authorized
20 presence.

11:25:31

21 Q. What license type does a naturalized citizen have
22 if that person does not renew the license and show evidence
23 of naturalization?

24 A. I don't understand the question.

11:25:43

25 Q. So if someone -- what license type would someone

1 with a foreign authorized presence driver license have if
2 that person does not renew the license and show evidence of
3 naturalization?

11:26:01

4 A. They would continue to have a foreign-type
5 license.

6 Q. If you obtained a license before -- excuse me.

7 Does anyone at ADOT track how many people
8 update driver's licenses upon naturalization?

9 A. That is not a report that we run, no.

11:26:16

10 Q. If you obtained a license before naturalization,
11 therefore as -- likely as a foreign authorized presence
12 customer, is it easier to renew your license without
13 updating your status than to renew it and update your
14 status?

11:26:42

15 MR. WHITAKER: Objection. Incomplete
16 hypothetical.

17 THE WITNESS: It would -- it would -- it goes
18 back to the same point that I made before. If their
19 license is expiring because their proof of authorized
20 presence is expiring, they're going to have to show
21 something, and if they don't have another piece, then the
22 only thing you could do was show they naturalized, the
23 proof of naturalization.

11:27:00

24 BY MR. HERRERA:

11:27:12

25 Q. And what is required to show -- to prove that

1 someone's a naturalized citizen, can they show a copy of
2 their naturalization certificate?

3 A. No. We need an original document.

4 Q. Okay. Can it be a -- can someone who is trying to
11:27:29 5 establish that they are a naturalized U.S. citizen for
6 Arizona driver's license purposes show a replacement copy
7 of their naturalization certificate?

8 A. They would need to show an official copy of it.
9 As long as it's still an official copy and can be validated
11:27:48 10 through SAVE, then it would be fine.

11 Q. How many customers in the MVD MAX system currently
12 have an unexpired foreign authorized presence credential
13 but are now naturalized U.S. citizens?

14 A. We have no way of knowing that.

11:28:10 15 Q. How does the MVD change practices when there is a
16 new law affecting MVD operations?

17 A. We begin with establishing a change control team
18 that will review the law, understand what the implications
19 would be, decide who needs to be involved. It goes through
11:28:45 20 our change process board -- change control board where we
21 discuss how this is going to change it. If the system and
22 things that need to be done, those get assigned an IT
23 ticket to go in and do an update. Then it's all brought
24 back and tested -- the process is tested through, One
11:29:07 25 Source is updated, policy is updated as needed. And then

1 it's -- as we approach the deadline for the implementation,
2 that whole change process is approved and implemented.

3 Q. And how does the MVD change practices when there
4 is a new law affecting voting?

11:29:27

5 A. That's part of the same process.

6 MR. MORGAN: Form.

7 BY MR. HERRERA:

8 Q. Who is involved in examining changing the MVD's
9 practices when there is a new law affecting MVD operations?

11:29:46

10 A. It would be -- it would depend upon what the
11 operation -- the operational effect is, but it would be our
12 policy experts, the people who are impacted, the business
13 people that are impacted, the product owners for the
14 different systems, and IT resources.

11:30:08

15 Q. You mentioned something about the change board.
16 Where in ADOT does the -- is the change board?

17 A. That is within the Motor Vehicle Division.

18 Q. And who is -- who are the members of the change
19 board?

11:30:27

20 A. That would be permanently the members of the
21 executive team. Amanda Kindle, who I mentioned before, is
22 the head of -- she's the organizational lead to make sure
23 that happens. Then it would depend on specifically who --
24 what the change was to see who else would be on the -- on

11:30:50

25 the change review team.

1 Q. Does -- does the MVD have legislative liaisons or
2 other legislative advocates?

3 A. Yes.

4 Q. And who are they?

11:31:09

5 A. Our current legislative liaison is Anthony
6 Casselman.

7 Q. Anyone else?

8 A. I think he's the only one.

9 Q. All right.

11:31:30

10 MR. HERRERA: I don't have a copy of it, but
11 I am going to pull up on the screen here and share a copy
12 of the -- what has previously been marked as an exhibit,
13 but it's House Bill 2492. So I'm going to pull that up.
14 Someone is going to put it in the chat. Sorry about that.

11:33:39

15 So I'm showing on the big screen here in
16 front of -- in front of the witness what has been
17 previously marked in a prior deposition as Exhibit 19.

18 BY MR. HERRERA:

19 Q. And it is -- do you recognize this document?

11:33:56

20 A. Yes.

21 Q. And what is this document?

22 A. That is the chaptered version of House Bill 2492.

23 Q. And have you -- you have reviewed House Bill 2492?

24 A. I have.

11:34:07

25 Q. Okay. What changes, if any, has ADOT made to --

1 to its operations after the passage of HB 2492?

2 A. Sometimes it's a little hard to separate the two
3 bills.

4 Q. Okay. Well, let's -- let me walk you through some
11:34:28 5 of them. I'm going to the second page of Exhibit 19. And
6 one of them amends A.R.S. 16-101.

7 And do you see that there is a change that
8 says: "Is a citizen of the United States," and then the
9 language is added, "AND HAS PROVIDED SATISFACTORY EVIDENCE
11:35:00 10 OF CITIZENSHIP AS PRESCRIBED IN SECTION 16-166"?

11 A. Yes.

12 Q. And then do you -- I'm trying to go to another
13 part that might -- there's also a section that talks about
14 a proof of location of residence. Do you see that?

11:35:40 15 A. Yes.

16 Q. And then do you see in Section E, I've highlighted
17 there at the end: "THE COUNTY RECORDER OR OTHER OFFICER IN
18 CHARGE OF ELECTIONS SHALL NOTIFY THE APPLICANT THAT THE
19 COUNTY RECORDER OR OTHER OFFICER IN CHARGE OF ELECTIONS
11:36:13 20 COULD NOT VERIFY THAT THE APPLICANT IS A UNITED STATES
21 CITIZEN AND THAT THE APPLICANT WILL NOT BE QUALIFIED TO
22 VOTE IN A PRESIDENTIAL ELECTION OR BY MAIL WITH AN EARLY
23 BALLOT."

24 Do you -- does that help refresh your memory
11:36:26 25 as to which bill this is?

1 A. It -- it does.

2 Q. Okay. So what changes, if any, has ADOT made to
3 its operations after the passage of HB 2492?

11:36:48

4 A. So I believe this bill required us to provide --
5 in that it required the secretary of state to consult with
6 the -- I think it -- what it termed in here was the MVD --
7 or ADOT database, driver license database, which meant that
8 we had to implement a way for them to review the records
9 that we had.

11:37:08

10 Q. And by -- what do you mean by allow the secretary
11 of state to access the data?

12 A. I don't remember which section it is in here,
13 but . . .

14 Q. Let's see. I'll try to search.

11:37:36

15 A. Or I may be thinking of the other bill still.

16 Q. Let's look at the -- let's look at the other bill.
17 So I'm going to pull up what was marked in a
18 prior deposition as Exhibit G. And -- I'm sorry,
19 Exhibit 21.

11:38:14

20 So Exhibit 21, do you see that it says at the
21 top House Bill 2243?

22 A. I don't.

23 Q. Oh. I'm not sharing it.

11:38:28

24 All right. So now I'm showing -- do you see
25 there at the bottom there's a sticker that says "Petty

1 Exhibit Number 21"?

2 A. Yes.

3 Q. Okay. So this was marked in a prior deposition as

4 Exhibit 21. And do you recognize that this is House

11:38:41 5 Bill 2243?

6 A. Yes.

7 Q. Okay. And I'm going to go down to -- at the top

8 here, there's one section that amends of the -- the Arizona

9 Revised Statutes, and then I'm going to go down to page 3

11:38:59 10 of the bill. And do you see that there's some changes to

11 Arizona Revised Statute 16-165?

12 A. Yes.

13 Q. Okay. And then I'm going to go down to

14 Section F -- Subsection F of 16-165 as shown in this bill.

11:39:23 15 Do you see the Section F there?

16 A. Yes.

17 Q. Okay. So "EACH MONTH THE SECRETARY OF STATE SHALL

18 COMPARE THE STATEWIDE VOTER REGISTRATION DATABASE TO THE

19 DRIVER LICENSE DATABASE MAINTAINED BY THE DEPARTMENT OF

11:39:37 20 TRANSPORTATION. THE SECRETARY OF STATE SHALL NOTIFY THE

21 APPROPRIATE COUNTY RECORDER IF A PERSON WHO IS REGISTERED

22 TO VOTE IN THAT COUNTY HAS CHANGED THE PERSON'S RESIDENCE

23 ADDRESS OR IS NOT A UNITED STATES CITIZEN."

24 Do you see that?

11:39:50 25 A. Yes.

1 Q. Okay. Now, now that we've seen the two bills,
2 let's go back to 2492. Has ADOT changed its operations at
3 all to comply with the changes made by HB 2492?

4 A. So to the best of my recollection, we -- we
11:40:12 5 handled these two bills in parallel, so there was some
6 crossover, but I don't -- my recollection is that the other
7 bill didn't have anything that we needed to change in our
8 processes. And everything -- all the changes we made I
9 believe were consistent with the second bill.

11:40:30 10 MR. WHITAKER: And I'll just note for the
11 record that the witness doesn't have a hard copy of 2492 in
12 front of him which may help if he flips through it to
13 remind him or refresh his memory. I -- you identified
14 specific parts of it, but . . .

11:40:50 15 MR. HERRERA: I don't know if I have one.

16 MR. WHITAKER: I'm not trying to be
17 difficult; it's just they're complex bills. So far, he's
18 only seen parts of HB 2492 right now.

19 MR. HERRERA: Well, let's -- let's come back
11:41:05 20 to it, then.

21 BY MR. HERRERA:

22 Q. After the passage of these two bills, has ADOT
23 given the county recorders any new access to data after the
24 passage of these two laws?

11:41:17 25 A. To county recorders? Not directly.

1 Q. And when you say "directly," what do you mean?

2 A. Historically, all of our access to county
3 recorders comes through the Secretary of State's Office,
4 not directly to the counties.

11:41:35 5 Q. And so is there any other access that counties
6 have that is new as of the passage of these bills?

7 A. No.

8 Q. Okay. Is there any access to data that county
9 recorders had -- any access to ADOT data that county
10 recorders had prior to the passage of these bills?

11 A. My understanding and best of my knowledge, the --
12 all of the voter registration data access goes through the
13 Secretary of State's Office. We connect to the Secretary
14 of State's Office. The county connects to the secretary of
11:42:14 15 state. And that's where all the interchange happens.

16 MR. WHITAKER: I'm not sure that question
17 falls within the 30(b)(6) topics. I'm not instructing the
18 witness not to answer but noting that observation.

19 BY MR. HERRERA:

11:42:29 20 Q. Has ADOT given the secretary of state any new
21 access to ADOT's data after HB 2492 or 2243's passage?

22 A. Yes.

23 Q. Okay. And what is that new access the secretary
24 of state has?

11:42:42 25 A. We created two files that would assist them in

11:43:09

1 doing the necessary comparisons; one file being a complete
2 customer extract, including the current authorized presence
3 status and address information; the other being a -- and
4 this might be from the other -- from the first bill -- a
5 list of any credential that we received that is -- that has
6 been canceled due to a credential being issued in another
7 jurisdiction.

11:43:29

8 Q. Besides the two files you said -- send to the
9 secretary of state, is there any new access that the
10 secretary of state has to ADOT's data besides those two
11 extracts?

12 A. Not in response to implementing this bill, no.

11:43:48

13 Q. In response to implementing the two bills, did
14 ADOT modify any access to ADOT's data that the secretary of
15 state has?

16 A. Not beyond the provision of those two, no. I
17 don't believe.

11:44:19

18 Q. So the two -- has ADOT given the attorney general
19 any new access to data after the passage of these two
20 bills?

21 A. No.

22 Q. Has the Attorney General's Office requested access
23 to ADOT's MVD data at all?

11:44:37

24 A. There's been no request for any new access to our
25 data.

1 Q. Okay. Has the Attorney General's Office requested
2 access to any of ADOT's data?

3 A. Can you clarify?

4 Q. Sorry about that. I'll strike that one.

11:45:00 5 Now, I'm going to come back to the two files
6 you mentioned that are sent to the secretary of state.

7 What was ADOT's role in voter registration
8 before the passage of the two challenged laws?

9 A. ADOT has a responsibility that during a qualified
11:45:25 10 transaction, we allow a voter to register, submit an
11 application for registration through MVD. So whether
12 that's a driver's license application or an ID application
13 or an address change, something along those lines, we'll
14 ask questions of the voter if they want to register or
11:45:53 15 update their voter registration.

16 Additionally, we operate the ServiceArizona
17 website, which has a standalone application on it that
18 allows a voter to go online to submit a voter registration
19 application. We pass that through to the secretary of
11:46:15 20 state. In all cases we pass the data through to the
21 secretary of state.

22 Q. And since the passage of House Bills 2492 and
23 2243, has ADOT changed how it processes or passes on those
24 applications for voter registration to the secretary of
11:46:36 25 state?

1 A. Not as a result of implementing these laws, and
2 beyond that, unless there are minor technical changes. And
3 I don't remember if we've done some minor tweaks or
4 adjustments to it, but . . .

11:46:54 5 Q. Okay. Do you know if there are recent technical
6 tweaks or changes to processing of voter registration
7 applications through MVD?

8 MR. WHITAKER: I'm going to object. I think
9 that does fall outside of the 30(b)(6) topics, but I'm not
11:47:09 10 going to instruct the witness not to answer.

11 You can answer if you understand the
12 question.

13 THE WITNESS: I don't believe so, but I
14 didn't specifically review to make sure that that wasn't
11:47:16 15 the case.

16 BY MR. HERRERA:

17 Q. Okay. What existing access does the secretary of
18 state have to Arizona Department of Transportation data
19 prior to the passage of House Bills 2492 and 2243?

11:47:34 20 MR. WHITAKER: Same objection.

21 THE WITNESS: Those are listed in the
22 interrogatories, and -- or I think it was in the
23 interrogatories, request for production. So there is a
24 list of them there. But offhand, there are -- I don't have
11:47:47 25 that in front of me to make sure I catch everything, but

1 there are -- there are several interfaces that we use. As
2 I mentioned, we pass through all the data for new voter
3 registration or updates. There's a file that goes over for
4 that. There is a --

11:48:12

5 BY MR. HERRERA:

6 Q. Actually, can you pull up Exhibit 105. It's the
7 responses to plaintiffs' interrogatories.

8 A. Yeah.

11:48:31

9 Q. And do you see on page 4 the answer to
10 Interrogatory Number 3?

11 A. Sorry. Were you asking about county recorders?

12 Q. I was not, but I would like to look at this
13 interrogatory. I asked about the secretary of state.

14 A. Okay.

11:48:50

15 Q. But here in Interrogatory Number 3, it says,
16 "Describe in detail the processes by which County recorders
17 will access the driver license data maintained by the
18 Department and use those data to verify an Arizona voter's
19 U.S. citizenship under A.R.S. 16-165(K) as amended by
20 HB 2243, or under A.R.S. Section 16-121.01(D)(1) as amended
21 by HB 2492."

11:49:10

22 Do you see that?

23 A. Yes.

11:49:28

24 Q. And then your response was: "County recorders
25 access customer data provided to the Secretary of State via

1 the Secretary of State's Office."

2 A. Correct.

3 Q. Okay. So what is the nature of that access that
4 is provided to the secretary of state and therefore also
11:49:44 5 provided to the county recorders?

6 A. Right. So that -- that would be the files that we
7 put on, the new files that we discussed earlier that were
8 created for the responsiveness. So those go onto a secure
9 FTP server for the secretary of state to receive. And then
11:50:06 10 I don't know how they process beyond that.

11 Q. Okay. Is there any kind of lookup ability that
12 county recorders or the secretary of state have in ADOT's
13 data?

14 A. The secretary of state --

11:50:22 15 MR. MORGAN: Form.

16 THE WITNESS: The secretary of state does
17 have a lookup capability. We call it the "HAVA check."
18 And its parameters are outlined in one of the requests for
19 response.

11:50:40 20 BY MR. HERRERA:

21 Q. In the -- would that be in the request for
22 production responses?

23 A. Yeah.

24 Q. Okay. So let's look at the Request for Production
11:51:23 25 Number 7. And this is in Exhibit 106.

1 Okay. And do you see Request for Production

2 Number 7?

3 A. I do.

4 Q. Yeah. I'm not going to reread it all.

11:51:45 5 But the response is on page 6 of Exhibit 106.

6 And do you see that it says: "Data is stored and shared

7 with the Secretary of State via various files and API

8 connections. File layouts and API interface specifications

9 are being included to show all information that is stored

11:52:07 10 and shared with the Secretary of State. These

11 specifications have been gathered and are in the process of

12 being produced"?

13 What is an API interface?

14 A. That is a -- basically, it would be the lookup

11:52:22 15 tool. It's a way for their system to connect to ours

16 directly to request a specific set of data within a

17 specific set of parameters that they provide, and we return

18 to them over that same connection the data that they were

19 requesting.

11:52:38 20 Q. What does API stand for?

21 A. I can't remember off the top of my head. It's a
22 technical -- IT technical term.

23 Q. It's -- it's a common -- I can't remember it
24 either, but is it not a common term for -- in data access?

11:52:57 25 A. Correct. It's a -- it's a -- describing a

1 protocol of making a connection.

2 Q. Okay. So what is -- in the API interface that is
3 referenced here for the secretary of state, what -- how
4 does that work?

11:53:17

5 A. The secretary of state provides a -- via this
6 connection, which is established between their system and
7 MAX -- they formulate a request, send us a -- tell us what
8 request they're making and send certain data parameters to
9 us. We process the request and return records based on

11:53:43

10 their -- on their input value of whatever they sent to us.

11 Q. Okay. And is the -- are the data requests by the
12 secretary of state through this API interface always the
13 same in terms of fields, or is it always a different
14 request?

11:54:08

15 A. I -- I don't understand.

16 MR. WHITAKER: Objection. Ambiguous.

17 BY MR. HERRERA:

18 Q. Yeah. So you're saying that you give data to the
19 secretary of state.

11:54:14

20 A. Uh-huh.

21 Q. What is the data that the secretary of state can
22 get through the API interface?

23 A. So that is detailed in the specification, and that
24 would probably be the best place to look at that to --

11:54:26

25 which I believe we provided.

1 Q. Okay. Does the secretary of state -- can the
2 secretary of state access citizenship data through the API
3 interface?

4 A. I'd want to verify in the specification. I
11:54:45 5 believe it's there, but I would want to verify in the
6 specification.

7 MR. MORGAN: Form.

8 BY MR. HERRERA:

9 Q. Go ahead. Were you finished?

11:54:53 10 A. Yeah.

11 Q. Okay. Can the secretary of state look up
12 authorized presence information about a customer using the
13 API interface?

14 A. We'd have to consult the specification.

11:55:09 15 Q. You don't -- you don't recall right now?

16 A. I don't recall off the top of my head. There's a
17 lot of fields in there. I think it's in there, but I'd
18 want to -- I'd want to consult the specification.

19 Q. And earlier you mentioned the HAVA checks. What
11:55:30 20 is a HAVA check?

21 A. That's the same thing.

22 Q. That's the same thing. Okay.

23 And what is HAVA?

24 A. Helping America Vote Act.

11:55:38 25 Q. Okay. And what is a HAVA check?

11:55:54

1 A. It's a lookup of a customer. So it's using this
2 check to make sure that the customer -- which is why I said
3 I think that it's in the specification, but we'd want to
4 check to make sure. It's something to verify that the
5 customer is -- that the information that we have meets
6 their needs.

7 Q. Did -- did the HAVA checks exist prior to the
8 passage of HB 2492 and 2243?

9 A. Yes.

11:56:13

10 Q. And did this -- did ADOT change the HAVA check or
11 API interface at all to comply with those bills?

12 A. Not to my knowledge. The only thing we did to
13 comply with the two files.

11:56:32

14 Q. The only thing you've done to comply with the laws
15 are produce the two files --

16 A. Correct.

17 Q. -- or customer extracts?

18 A. [Nodded up and down.]

19 Q. Is that a "yes"?

11:56:50

20 A. Yes.

21 MR. HERRERA: I think we can take a break
22 now.

23 (A recess ensued.)

24 BY MR. HERRERA:

12:19:36

25 Q. Okay. Mr. Jorgensen, we're going to --

1 All right. Mr. Jorgensen, I'm going to hand
2 you what we'll mark as Exhibit 111.

3 (The document was marked as Exhibit 111
4 for identification.)

5 MR. HERRERA: Bear with me. I'm finding a
6 copy for Josh here.

7 BY MR. HERRERA:

8 Q. All right. Mr. Jorgensen, I'm showing you a
9 document that's been marked as Exhibit 111. And the first
10 page, as you can see at the very bottom -- it's a little
11 blurry, but it has -- it says ADOT001400.

12:21:02

12 Do you see that?

13 A. Yes.

14 Q. Okay. What is this document?

12:21:13

15 A. This is the technical specifications for the
16 answer to the request for production.

17 MR. WHITAKER: I'll quickly note this, as
18 well as other documents, have been marked confidential
19 according to the protective order. So noting that on the
20 record.

12:21:30

21 MR. HERRERA: Understood.

22 BY MR. HERRERA:

23 Q. And what -- what do we see on the first page of
24 this document?

12:21:45

25 A. This is the fields layout for the new customer

1 extract file and the new canceled out-of-state file that we
2 provided in response to implementing these bills.

3 Q. Now let's go to page 3, which here the Bates stamp
4 would be ADOT001402. Do you see that?

12:22:15

5 A. Yes.

6 Q. And what is "File: ERIC 60-day"?

7 A. There is a -- Arizona participates in the ERIC
8 program, and every 60 days we send a file to the Secretary
9 of State's Office that is used to participate in that
10 program.

12:22:41

11 Q. That's a file sent to the secretary of state?

12 A. Correct.

13 Q. And is that something that existed prior to the HB
14 2492 and 2243?

12:22:54

15 A. It is, yes.

16 Q. Okay. And has ADOT's sending of that file,
17 processing of that file changed since the passage of those
18 two laws?

19 A. No.

12:23:07

20 Q. To go back one page, look at ADOT001401. Do you
21 see that, that it says, "File: Nightly Full Voter
22 Registration/Update"?

23 A. Yes.

24 Q. What is that?

12:23:32

25 A. That is the file description for the file that we

1 produced each night that would have all new voter
2 registration and update information that we collected from
3 customers.

12:23:53 4 Q. And so that is -- that reflects all of the -- does
5 that only reflect people who registered to vote through
6 DMV -- or MVD? Sorry.

7 A. It would reflect any customer who said that they
8 wanted to update or register to vote. So it would be the
9 information from their application.

12:24:10 10 Q. Is this Nightly Full Voter Registration/Update
11 something that was provided to the secretary of state by
12 ADOT prior to House Bills 2492 and 2243?

13 A. Yes, it was.

14 Q. Has any part of this layout of this file changed
12:24:33 15 since the passage of HB 2243 or 2492?

16 A. I do not believe so.

17 Q. You said -- do you -- is that because you don't
18 know for sure?

19 A. It's -- it certainly wasn't part of the
12:24:51 20 implementation of those bills. And I'm not positive that
21 we haven't made any change to it, but I don't recall any
22 changes being made to it.

23 Q. Now, on -- also on 1402, ADOT001402, underneath
24 the "ERIC 60-day," there's a different heading that says
12:25:41 25 "API specifications." What is that?

1 A. So this is the -- basically the instructions of
2 how to form a request via the API process.

3 Q. And who would -- who would make a request?

4 A. That would be the Secretary of State's Office.

12:26:01

5 Q. Okay. So this is -- these are instructions for
6 the secretary of state to make any request about ADOT data?

7 A. So these would be very specific. So under the --
8 under that, you see what the request has to look like, and
9 then you see what our response would look like.

12:26:24

10 Q. Is this -- under the "API Specifications" heading,
11 it says "API:" -- and then I'm just going to read the words
12 and not all of the code stuff. But it says:

14 EligibilityLookup." And then there's an em dash, and it
15 says "returns a single customer."

12:26:50

16 Do you see that?

17 A. Yes.

18 Q. And what -- what is that?

19 A. So this is a single customer lookup that the
20 secretary of state can perform. They provide the data
21 that's shown under the "Request," and we return the data
22 that's shown under the "Return." And it's one single
23 customer. It's a full match.

12:27:00

24 Q. So under the "Return" part, are those all of the
25 different -- does the secretary of state actually get data

12:27:17

1 from all of these data fields for the single lookup person?

2 A. They do.

3 MR. MORGAN: Foundation.

4 BY MR. HERRERA:

12:27:34

5 Q. Now, when the secretary of state makes a request
6 through this API that we've just looked at, the "returns a
7 single customer" API, what is -- do you know what the
8 interface actually looks like for the secretary of state?

9 A. I do not.

12:27:52

10 Q. Okay. Is that something that the Secretary of
11 State's Office has available to it through a single
12 computer? Multiple computers?

13 MR. WHITAKER: Foundation.

14 MR. MORGAN: Foundation.

12:28:10

15 THE WITNESS: I don't know.

16 BY MR. HERRERA:

17 Q. How does the secretary of state access this API
18 "returns a single customer"?

19 MR. MORGAN: Foundation.

12:28:25

20 THE WITNESS: I'm not sure I understand.
21 What do you mean?

22 BY MR. HERRERA:

23 Q. How does the secretary of state do this? Is it
24 like a browser search bar or something, or what is it?

12:28:35

25 MR. WHITAKER: Foundation.

1 MR. MORGAN: Foundation.

2 THE WITNESS: This would be something that

3 they -- that they in their own computer system --

4 BY MR. HERRERA:

12:28:39

5 Q. Yeah.

6 A. -- would put in code to run this -- this search.

7 Q. I see.

8 A. That's why from our side we don't know what it

9 looks like on their side.

12:28:52

10 Q. I see.

11 Is there an overall system that the secretary

12 of state has either in the form of a program or a cloud

13 access to all of these APIs and data files that we're

14 looking at in this exhibit?

12:29:15

15 MR. WHITAKER: Foundation.

16 MR. MORGAN: Foundation, form.

17 THE WITNESS: I'm not aware of how they -- I

18 know they have a program called AVID, and I know that we

19 make connections -- like these connections exist through

12:29:27

20 it. I don't know how they implement any of the other files

21 that they use.

22 BY MR. HERRERA:

23 Q. Okay. So if these exist, how -- how does the

24 secretary of state -- how -- rather, how does ADOT work

12:29:45

25 with the secretary of state, if at all, to set up the

1 access to these?

2 A. So for the APIs?

3 Q. For the -- let's focus on the APIs, yeah.

4 A. So we would provide the -- the access to our side

12:30:03 5 to be able to make the calls. We describe to them --

6 that's what this information is here is --

7 Q. You're pointing at which page?

8 A. -- is the API -- so this is the -- ADOT001402,

9 under "API Specifications" where it says "API:" and then

12:30:23 10 it's got some text, that is the location that their system

11 would point to. It is -- and then it -- using standard API

12 protocol language, the request -- you see where it's got

13 the curly brackets and the -- that would describe to them

14 how they make that call. So they would insert this as code

12:30:52 15 in their system, and that would send the request to us.

16 And we would have to have -- basically what we do is we

17 white-list their address that they're coming from and allow

18 them to make that connection to us.

19 Q. What does that mean to say that you "white-list

12:31:14 20 the address that they're coming from"?

21 A. It's the security between the servers to say

22 what -- what connections can be allowed into our system.

23 And so we have a secure connection between the secretary of

24 state and our servers.

12:31:30 25 Q. And how, on the secretary of state's end, does the

1 secretary of state enter a request for a -- for this API
2 "returns a single customer" on 1402?

3 MR. WHITAKER: Foundation.

4 MR. MORGAN: Foundation.

12:31:58

5 THE WITNESS: I'm not familiar with their
6 system, so I don't know what it looks like on their side to
7 do the actual data entry for it.

8 BY MR. HERRERA:

12:32:13

9 Q. Does anyone at -- at ADOT know what the secretary
10 of state's interface looks like on their end for accessing
11 this API "returns a single customer"?

12 A. I couldn't say if anybody's ever been over and
13 seen it and would know that, but it's not part of what we
14 would generally know or do as part of -- of how we do the
15 implementation.

12:32:33

16 Q. On page -- on ADOT001402, for the single customer
17 API, does the secretary of state have to put in every
18 single piece of that info to make a request?

12:33:10

19 MR. WHITAKER: Just to clarify -- note my
20 objection. Do you mean going on to the next page too?

21 MR. HERRERA: Well, sorry. So yes.

22 BY MR. HERRERA:

12:33:24

23 Q. Beginning on page ADOT001402, under "returns a
24 single customer" and then "Request," there are a list of
25 items there before the word "Return."

1 Do you see those?

2 A. Yes.

3 Q. What -- what are those lines?

4 A. Those are the items that you can send as part of

12:33:37 5 the request.

6 Q. Does the secretary of state have to enter

7 something in every one of those fields or pieces of

8 information in order to get a return?

9 A. I do not believe that they have to do all of them.

12:34:12 10 But I cannot say for sure.

11 Q. Does ADOT do any testing of this API "returns a

12 single customer" on its end to see whether you would need

13 to input some combination of these request fields in order

14 to get a return?

12:34:39 15 A. Yes. That would be something that we'd define as

16 part of our system.

17 Q. Okay. Do you know where that would be defined?

18 A. I'd have to ask somebody. I don't -- I don't know

19 precisely.

12:34:51 20 Q. And who would -- do you know who you would ask for

21 that?

22 A. I'd ask Madeline Kinder.

23 Q. Madeline Kinder.

24 Does -- does -- when you're actually making

12:35:08 25 the request here with these fields under "returns a single

1 customer," do -- do all of these -- do all of the values
2 that you put into these fields have to actually match for
3 the same customer in order to get a -- a return on
4 somebody?

12:35:30 5 A. To clarify, you mean the request -- do the request
6 values have to all be for the same customer? I'm sorry.

7 Q. Yeah. Yeah.

8 A. I don't understand.

9 Q. Yeah. Well, first of all, let me back up a
12:35:48 10 second.

11 Under "Request" -- under "returns a single
12 customer," one of these request lines says
13 "customerNumberId," and it's all one word; right?

14 A. Uh-huh.

12:36:00 15 Q. What would you -- what would you call this
16 generally?

17 A. That's the field name.

18 Q. That's the field name. Okay. I'm not too far off
19 when I say "field"?

12:36:09 20 A. Right.

21 Q. So what would be something that you put into the
22 field in this request form? What would you call that?

23 A. The data element.

24 Q. Okay. So if -- does the secretary of state -- I
12:36:26 25 know you already answered this, but I'm going to ask it

1 with the correct words.

2 Does the secretary of state have to enter the
3 correct combination of data elements in these fields under
4 "Request" on 1402 in order to get a return?

12:36:45

5 MR. WHITAKER: To clarify, you mean 1402 and
6 1403?

7 MR. HERRERA: 1402 and 1403, yeah.

8 THE WITNESS: If I enter data into these
9 fields, yes, it has to match what is in the system to be
10 able to produce a record back. If we can't find a record
11 that matches the data elements entered into the system,
12 then we would not return a record.

12:37:04

13 BY MR. HERRERA:

14 Q. And under this "returns a single customer" API,
15 does the secretary of state have to enter someone's last
16 four -- last four digits of their Social Security number in
17 order to get a return?

12:37:33

18 A. That was the part that I'm not sure if all pieces
19 of information have to be entered or not.

12:37:49

20 Q. And so there we would ask Madeline Kinder?

21 A. Uh-huh.

22 Q. Okay. So before I move on to the -- to the next
23 API, I just want to make sure I understand what -- what the
24 secretary of state sees in terms of return, if they do

12:38:26

25 indeed get a valid return, among all of these fields listed

1 under "Return" that begins on 1403 but continues all the
2 way to 1406.

3 So what -- what does the secretary of state
4 see in a valid response to a -- or a return to a request
12:38:52 5 among the fields listed beginning on 1403 and continuing to
6 1406?

7 A. So they would see the field name, and they'd also
8 see the value that we returned from that field in a
9 format -- this format's called the JSON file.

12:39:06 10 Q. Okay.

11 A. And -- and that is what they would get back.
12 The -- the -- if you see on 1403, under "Return," you see
13 "result." It says "customer ID" in quotes, colon, then
14 it's a number, a zero, indicating that the return value
12:39:30 15 will be a number; whereas the next one is "firstName,"
16 colon, and you see a value that says "string," indicating
17 it will be a string as the return value for that field.

18 Q. And so one of the values -- or one of the -- the
19 secretary of state, if they received a valid return to a
12:40:00 20 single customer API request, they would get -- or the
21 secretary of state would get, for example, information
22 about that person's authorized presence?

23 A. That is correct. That's shown several fields down
24 from the top. Maybe it's ten fields down from the top,
12:40:18 25 "authorizedPresenceTypeId" with the number. So it would

1 give a number. Those are the -- the numbers that we
2 discussed before; 1 for naturalized, 4 for citizen, and I
3 don't remember offhand what the -- each one of the foreign
4 ones was.

12:40:32 5 Q. Also in response to an API single customer request
6 by the secretary of state in this API, the secretary of
7 state could get -- would get in a -- in a return the voter
8 registration purpose; right?

9 A. Yes. It would get a field entitled
12:40:57 10 "voterRegistrationPurpose," and it's a Boolean, so it would
11 be either true or false.

12 Q. And what is "voterRegistrationPurpose"?

13 A. I do not know.

14 Q. Under the "Return" fields for this API we're
12:41:19 15 looking at between 1403 and 1406, the secretary of state
16 would also receive the "credentialIssueDate" and
17 "credentialExpirationDate"; right?

18 A. Correct.

19 Q. What is the "credentialIssueDate"?

12:41:39 20 A. That is the date that the record is updated in our
21 system as having become the new current active credential.

22 Q. And then "credentialExpirationDate," that field is
23 when the credential expires?

24 A. Correct.

12:41:54 25 Q. And still looking at this single customer API that

1 the secretary of state has available to it, what, if
2 anything, involved in this API formats the return in the
3 way of an evaluation of the data besides a presentation of
4 the data itself?

12:42:34

5 A. I'm not sure I understand.

6 Q. So let's look at 14 -- ADOT001406.

7 A. Okay.

8 Q. And if you refer from 1403 to 1406, you can see
9 that this is still the "Return" portion or specifications
10 of the API lookup "returns a single customer"; right?

12:43:01

11 A. [Nodded up and down.]

12 Q. Under -- is that correct?

13 A. Yes.

14 MR. WHITAKER: Do you mean list of customers?

12:43:14

15 I missed the question.

16 MR. HERRERA: No.

17 BY MR. HERRERA:

18 Q. So under "returns a single customer" API, the

19 "Return" fields begin on 1403 and continue to 1406. And

12:43:29

20 then on 1406, there is something called

21 "validationResults."

22 Do you see that?

23 A. Yes.

24 Q. Okay. What -- what is that?

12:43:38

25 A. These are -- are codes used to make sure that

12:44:04

1 the -- the connection -- the return data went through the
2 system properly and there weren't any errors in the pulling
3 of -- in the connection in the reading of the data. So
4 it's to validate back to secretary of state you sent a
5 request and we're sending this request in response to it
6 and everything connected and you got everything the way it
7 was supposed to come back.

12:44:20

8 Q. Okay. And then right above "validationResults" on
9 1406, it says, "matchCriteria." What does that mean?

10 A. I'm not sure.

11 Q. Then one more question on this API.

12 On ADOT001402, under "Request," one of the
13 fields, as you can see, says, "customerNumberId."

14 Do you see that?

12:44:47

15 A. Yes.

16 Q. Okay. Does the secretary of state, in order to
17 use the "returns a single customer" API, have to have the
18 ADOT customer ID to look someone up?

19 A. I don't know.

12:45:09

20 Q. And who would know that?

21 A. That's Maddie.

22 Q. Maddie Kinder?

23 A. Kinder. Yes.

24 Q. Is that Maddie Kinder?

12:45:17

25 A. Yes.

1 Q. So let's look at ADOT001406. And do you see the
2 bold heading that says "API:"? And then in the brackets

4 "/Customer/Voter/EligibilityDetailLookup"?

12:45:46

5 A. Yes.

6 Q. Then em dash, "returns a list of customers"?

7 A. Yes.

8 Q. What is that?

12:45:56

9 A. So this is a very similar one, but instead of
10 returning a single customer, it will return anybody who
11 matches to the criteria.

12 Q. Now, did -- did these APIs exist before 2492 and
13 2243?

14 A. Yes.

12:46:12

15 Q. Okay. Is either one of these -- well, both you
16 can tell me, but is either one of these what is used by the
17 secretary of state for HAVA checks?

18 A. Yes.

19 Q. Okay. Did -- are both used for HAVA checks?

12:46:26

20 A. Yes.

21 Q. Have these APIs, the one that begins on 1402 --
22 ADOT001402 and the one that begins on ADOT001406 -- has
23 either of these changed since the passage of House
24 Bills 2492 and 2243?

12:46:53

25 A. I do not believe so.

1 Q. Okay. So focusing on the API "returns a list of
2 customers" that begins on ADOT001406, under the "Request"
3 portion, again we have a list of fields; right?

4 A. [Nodded up and down.]

12:47:11 5 Q. So for the "returns a list of customers" request
6 on the API, what minimum number of these fields does the
7 secretary of state have to input in order to -- to make a
8 valid request that would get a return?

12:47:32 9 A. I know that they don't have to do all of them for
10 the list of customers, but I don't know if there is a
11 minimum they have to do for it.

12 Q. It sounds like for a "returns a list of
13 customers," they don't have to have a value for all of the
14 fields; is that right?

12:47:48 15 A. Correct.

16 Q. That's correct.

17 A. Yes.

18 Q. Sorry. I'm going to jump back to the API "returns
19 a single customer."

12:48:00 20 Are you familiar with the matching -- how
21 ADOT -- how the match is actually made to the data that is
22 being looked up by the secretary of state?

23 A. I'm not sure I understand the question.

12:48:27 24 Q. Is there an algorithm that guides the matching
25 between the values that -- or the data elements that the

1 secretary of state puts in a request and the return values
2 that ADOT produces?

3 A. Right. Yeah. So some of them are full match. So
4 for example, customer number ID would -- if you put in a
12:48:49 5 value, it's going to do an exact match to it. Same thing
6 with the last four of Social Security number and driver's
7 license number. I am not sure if the date of birth has to
8 be exact or not. And then we would -- we always have some
9 sort of matching first name, last name, but I -- I'm not
12:49:11 10 exactly sure which -- which criteria we would use in this
11 particular check.

12 Q. Can the secretary of state use a Boolean search
13 language in order to get a "return to a single customer"
14 API request?

12:49:33 15 A. I don't believe so.

16 MR. MORGAN: Form.

17 THE WITNESS: And to clarify that, meaning
18 it's not accepted criteria on the API call. What their
19 system does to accept a Boolean and make multiple requests,
12:49:57 20 I couldn't say.

21 BY MR. HERRERA:

22 Q. So is it possible that there is additional --
23 there are additional specifications that the secretary of
24 state puts onto their use of this API?

12:50:11 25 A. Certainly there would be -- however they implement

1 it would have its own parameters.

2 Q. Earlier, a second ago, you were -- you were
3 talking about an exact match on the last four of Social
4 Security number. What do you mean by "an exact match"?

12:50:30

5 A. The last four numbers of the Social Security
6 number would have to match the exact same order as the --
7 same value and order as the -- what we have on file for
8 them.

12:50:55

9 Q. Are you -- do you know for a fact that for -- that
10 for all Social Security number holders, the last four
11 digits of the Social Security number are unique?

12 A. I'm not sure I understand.

12:51:13

13 Q. So is it possible that if you looked up in this
14 API the last four digits of a Social Security number, that
15 you would get more than one person?

12:51:30

16 A. So that's -- that's -- that comes down to that
17 question of that's why I don't know if all of these are
18 required on a single customer lookup versus the multiple
19 customer lookup where we know that you can have multiple
20 returns. So I don't know if there's a -- if that's
21 required or not, but obviously there's more than 10,000
22 Social Security numbers out there, which means the last
23 four are always -- there are multiple customers with the
24 same last four.

12:51:45

25 Q. Right. Because we're working off the idea that if

1 you just go by the last four, there's only so many
2 combinations of the last four digits; right?

3 A. Correct.

12:51:58

4 Q. And there's way more Social Security numbers than
5 there are last four digits of Social Security numbers?

6 A. Correct.

12:52:20

7 Q. Do you know if -- or -- or can this API for a
8 single customer on the secretary of state's end be
9 automated, or does it -- do you have to make a manual
10 search every time?

11 A. It's automated.

12 Q. And how do you know that?

12:52:35

13 A. That's the way the API functions is it's a call
14 into the system, and the call automatically generates a
15 response. It does its own lookup. There's no manual
16 intervention on any of our APIs.

12:52:54

17 Q. And I think I the know answer because of your
18 earlier answers, but how does this API "returns a single
19 customer" look in terms of the interface? How does it look
20 for the county recorders?

21 A. I have no idea.

22 Q. So let's go back to the API "returns a list of
23 customers," which begins on ADOT001406.

12:53:28

24 So do you know if the -- or rather, are the
25 fields that come up in the "Results" for the "returns a

1 list of customers" API the same fields that are available
2 in the "returns a single customer" API?

3 A. They are.

4 Q. And then for the "returns a list of customers"

12:53:55

5 API, is there a matching algorithm that ADOT created in
6 order to produce the returns to a request?

7 A. Yes.

8 Q. Okay. Are you familiar with that algorithm?

9 A. Not in detail.

12:54:13

10 Q. Okay. And who would know that?

11 A. That would be Maddie -- Maddie Kinder, yes.

12 Q. And so does the secretary of state -- I think you

13 said earlier -- you confirmed that the secretary of state

14 uses the "returns a list of customers" API in order to

12:54:49

15 conduct HAVA checks?

16 A. They can, yes.

17 Q. Do you know if they do?

18 A. We know that both of them are used. That's the

19 purpose for them. So I don't -- I guess couldn't speak to

12:55:08

20 the purpose every time that they run the check, but that's

21 why we give it to them. That's why they have the API.

22 Q. Does ADOT ever offer assistance to the Secretary

23 of State's Office upon request for clarification of any of

24 the return data in response to the -- either of these two

12:55:46

25 APIs?

1 A. Yes.

2 Q. Okay. How often does that happen?

3 A. I don't know.

4 Q. Okay. And what is the kind of assistance that

12:55:54

5 ADOT offers in terms of clarification of return data in --
6 in this API?

7 A. Generally it would be technical, making sure that

8 they understand why they're seeing something. So it would

9 be a technical "can you validate that this record returned

12:56:11

10 properly" type of request.

11 Q. And what does that clarification look like from --

12 on ADOT's end when sending to -- when doing something like

13 that for the secretary of state?

14 A. We would review the record, make sure that, you

12:56:31

15 know -- kind of pull it ourselves, make sure it matches to

16 what's actually in the record, and we could tell them, you

17 know, what we found.

18 Q. Now, are any of -- were any of the fields listed

19 in the response -- or, rather, the "Return" portions of

12:57:24

20 either of these APIs in this document created for the

21 purpose of these APIs rather than something that's just for

22 ADOT's internal use?

23 MR. WHITAKER: Outside the scope of 30(b)(6)

24 topics, but I'm not going to instruct the witness not to

12:57:47

25 answer.

1 THE WITNESS: Could you repeat the question
2 for me?

3 BY MR. HERRERA:

12:58:09

4 Q. So were any of these -- any of the fields in
5 either of these APIs in this document created just for the
6 purposes of these APIs rather than something that ADOT uses
7 just for its own -- its own purposes?

8 MR. WHITAKER: Same objection.

12:58:27

9 THE WITNESS: I'm -- I'm sorry, I'm afraid I
10 don't understand the question.

11 BY MR. HERRERA:

12:58:40

12 Q. So under "customerNumberId," which is part of the
13 return that comes through these -- through the API
14 requests -- "customerNumberId," that's something that ADOT
15 uses as -- every day -- right? -- for its own data
16 purposes?

17 A. Correct.

12:58:54

18 Q. Okay. Same thing for "credentialIssueDate,"
19 that's something that ADOT uses for its own purposes;
20 right?

21 A. Correct.

22 Q. Are any of these other fields things that were
23 just created for these APIs?

24 MR. WHITAKER: Same objection.

12:59:01

25 THE WITNESS: I'm sure the validation fields

1 would be created for the purpose of this and not for
2 regular use by ADOT. All the error messaging that occurs
3 down below is specifically for the API.

4 MR. HERRERA: And I just want to put on the
12:59:37 5 record our response to the objections about the scope. So
6 we did -- one of the topics asks for -- asks about the
7 responses to the discovery requests. And this document
8 was, as you said, part of the discovery responses. The
9 other part is that I think it's clear from the county
13:00:03 10 recorder depositions, Josh, that these things are being
11 used by the counties and may be part of implementation of
12 the two challenged laws, including 2243. So we do think
13 that they are within the scope of our topics here today.

14 MR. WHITAKER: Understood.

13:00:26 15 BY MR. HERRERA:

16 Q. Besides -- so looking at these -- all of these
17 fields, under "authorizedPresenceType," do you know why
18 authorized presence is a piece of data that is needed for a
19 HAVA check?

13:01:09 20 A. I do not. I'm not -- I'm not familiar with what
21 the HAVA check on the actual voter's side is. We're just
22 the provision of the information.

23 Q. So don't know what -- so you -- is there a --
24 strike that.

13:01:24 25 When were these APIs set up in the first

1 place?

2 A. I'm not sure but it's been many, many years.

13:01:48 3 Q. Sorry. Just to clarify, these APIs that are on
4 pages ADOT 1402 and ADOT 1406, these were set up many years
5 ago?

6 A. Let me clarify. These specific implementations
7 were set up as part of the new system, so they went live
8 with the system. There were ways to do that prior to going
9 live with our new system. So these specific APIs would
13:02:03 10 have been 4/20 of 2020.

11 Q. So on April 20th of 2020, were there any new
12 fields available through these APIs that were not available
13 when the legacy system was in place?

14 A. Because the -- because fields changed, yes. Most
13:02:21 15 certainly there were changes to what the fields would be.
16 I'm not sure what those details would be, though.

17 Q. Was any authorized presence or citizenship data
18 available before April 20 of 2020 through the analogs to
19 these APIs for the secretary of state?

13:02:44 20 A. Because it's here, it is likely, but I can't speak
21 for sure. I don't have the specifications of how that
22 worked before.

23 Q. Did ADOT go through any kind of process with the
24 secretary of state in terms of approving which types of
13:03:03 25 data to give the secretary of state in response -- or as

1 part of these APIs?

2 A. Yes.

3 Q. And do you know when that process happened?

4 A. It would have been prior to our go-live at some
13:03:17 5 point. It would have been prior to 4/20 of 2020,
6 significantly -- because I know they had to do their own
7 upgrades as well.

8 Q. Were you involved in that process?

9 A. Not directly.

10 13:03:27 Q. Do you know who was involved?

11 A. I don't at this point. I don't know exactly which
12 staff would have been involved in doing it.

13 Q. Are you aware of any discussion of authorized
14 presence or citizenship data being discussed as part of the
15 13:03:53 approval of which data to give the secretary of state
16 through these APIs?

17 A. Can you repeat the question?

18 Q. Sure.

19 So through these APIs -- and you mentioned
13:04:05 20 there was a process for setting them up; right?

21 A. Correct.

22 Q. And was there any discussion of whether or not to
23 provide -- let me strike that.

24 So in setting up these APIs, in that process
13:04:20 25 with the Secretary of State's Office, was there any

1 discussion of the reasoning of why they needed the
2 authorized presence or citizenship information as part of
3 the returns?

13:04:35 4 A. I don't know if there was any discussion about
5 reason for using different pieces of data.

6 Q. Are you aware that -- are you -- are you aware of
7 whether the county recorders used these APIs to determine
8 if a voter registrant is a citizen -- U.S. citizen or not?

13:05:01 9 A. To the best of my knowledge, the county recorders
10 don't have direct access to this. So if they're accessing
11 it, it would be through the secretary of state system. And
12 I don't know how they use that information once they have
13 it.

14 Q. So you don't know whether the secretary of state
13:05:15 15 uses the information returned through these APIs -- whether
16 they actually look at the citizenship or authorized
17 presence data?

18 A. I'm unfamiliar with what use they make of this
19 data, correct.

13:05:39 20 MR. HERRERA: I think I'm at a good stopping
21 point for lunch.

22 Let's go off the record, please. Thank you.

23 (An off-the-record discussion ensued.)

24 MR. HERRERA: So I just want to put on the
13:06:39 25 record that it appears that Madeline Kinder is someone who

1 may be more knowledgeable about some of these topics asked
2 about this morning. Is it possible to make her available?
3 That would be my request to you. I know that you can't
4 necessarily answer that now, but . . .

13:06:56

5 MR. WHITAKER: So one -- I would need to talk
6 with the witness, but one thought I had during those
7 questions is whether it would be possible to try to contact
8 her on a break because we don't -- under 30(b)(6), you just
9 need to prepare whoever is the designee. It doesn't need
10 to be the person who's most knowledgeable. Do you have any
11 reaction to that thought to try to educate the current
12 designee?

13:07:16

13 MR. HERRERA: My -- my initial reaction is
14 that based on the responses, because it seems pretty
15 technical, that it may require her. That's my only -- my
16 only reaction.

13:07:32

17 MR. WHITAKER: Yeah. We'll think about it.
18 Because I hear what you're saying. There were several
19 questions about it.

13:07:44

20 MR. HERRERA: Yeah. And with all respect to
21 Mr. Jorgensen, it's very technical-sounding stuff, so --
22 yeah. Because I know that people are specialized in
23 certain things.

24 We can go off the record.

13:07:55

25 (A recess ensued.)

1 MR. WHITAKER: During the break,
2 Mr. Jorgensen had an opportunity to talk with Maddie
3 Kinder --

4 MR. HERRERA: Yes.

14:12:40

5 MR. WHITAKER: -- about some of the questions
6 that were asked earlier to try to fill in his knowledge. I
7 think it would be an efficient use of time for him to try
8 to answer those questions now. So I'm thinking of just
9 having the witness say what he learned over break.

14:12:59

10 MR. HERRERA: Okay.

11 MR. WHITAKER: Is that all right?

12 MR. HERRERA: Yes. If you want to just --
13 okay. That's fine.

14:13:06

14 MR. WHITAKER: Okay. It was about the API
15 interfaces.

16 THE WITNESS: Correct.

17 MR. HERRERA: Okay.

18 MR. WHITAKER: So I'm not sure we need to do
19 question by question.

14:13:29

20 I think, Eric, if you don't mind, if you
21 could just sort of explain what you learned about the API
22 interface.

23 THE WITNESS: All right. So we had some
24 question about what the lookup criteria was, how the

14:13:48

25 matching criteria was, and what was required. So for the

1 single customer or the list, it responds -- the lookup
2 criteria is the same. If it has a customer number ID, if
3 that's in there, it will look up on that. So if that is
4 provided, it will go and it will find that customer number
14:14:09 5 regardless of what else is provided. It will find that
6 customer and return that match.
7 If a customer number is not provided, then it
8 will be -- it will go to the driver's license number and
9 to -- see if it can find a match on the driver's license
14:14:25 10 number. If it cannot, it will then kick out to last name
11 and date of birth.
12 And if not, then it will try last name and
13 first name. The code is not currently configured to use
14 the last four of SSN, so even while it's an -- it's an
14:14:51 15 allowed input, it's not looked up.
16 Everything is an exact match.
17 BY MR. HERRERA:
18 Q. Did Ms. Kinder refer to any documents when she was
19 providing you this information?
14:15:05 20 A. She actually had a conversation with one of the
21 developers to -- who explained.
22 Q. Who is the developer?
23 A. I'm not sure who she talked to.
24 Q. Is it an outside party or a developer who works
14:15:19 25 for ADOT?

1 A. It's a developer who works for ADOT but would be a
2 contractor.

3 Q. Has ADOT done -- this is in case you were able to
4 talk to Ms. Kinder about it.

14:15:38

5 With regard to the APIs that we were
6 discussing that the secretary of state has access to, has
7 ADOT done any analysis of -- with regard to how reliable
8 the match is when someone -- when a search is made?

9 A. How --

14:15:59

10 Q. How reliable a match is when you put in
11 information for people.

12 A. So there -- there -- it requires an exact match on
13 them -- on the -- on the lookup. So I'm not sure if that
14 answers the question or not.

14:16:17

15 Q. Does -- does ADOT do any analysis of the
16 reliability of the matches -- well, let me -- let me strike
17 that.

14:16:50

18 Has ADOT done -- with regards to the APIs,
19 has ADOT done any analysis of how accurate authorized
20 presence data are in the data that the APIs return?

21 A. So the API returns -- it returns whatever the
22 current recorded authorized presence is for that record.

23 Q. Okay.

14:17:08

24 A. There's actually a little bit more if you would
25 like me to continue.

1 Q. Oh, please, please.

2 A. The other -- another piece that we -- that we had
3 talked about was the difference between what got returned
4 on the -- on the single customer versus the multiple
14:17:21 5 customer. And to clarify, the API that returns a single
6 customer will only return one customer. So if you put in
7 data that would identify more than one customer, it will
8 tell you you've got too many results. And so it will only
9 return the value when you get down to one single
14:17:42 10 identifiable customer.

11 On the other hand, the -- the other one will
12 return multiple. So it will return everything that we can
13 find, but it is limited at 50. So if there are more than
14 50 records that would match, it will say, "You need to
14:17:55 15 provide more data to shrink the results," so that we're
16 only providing 50 of those.

17 There is also a question about voter
18 registration purpose and what that meant. To clarify that,
19 there are certain criteria that were established by the
14:18:17 20 secretary of state for us to return true versus false as to
21 whether this could be used for voter registration purposes.
22 So some flags that would be associated with that is are
23 they over 16? Do we have a valid county code? Is there a
24 residential address? Do we have authorized presence data
14:18:38 25 for them? So if something is there that would keep them

1 from being -- from this being able to be used for voter
2 registration purposes, that flag would return a false;
3 otherwise, it returns a true.

4 These -- I think you asked about these
14:18:58 5 validation result fields. That is for the program itself
6 to determine whether or not a valid request was made. So
7 it's a validation of the request being made.

8 And the match criteria is -- as I described,
9 there was a hierarchy to the matching, so the matching
14:19:26 10 criteria describes what was used to do the actual matching.
11 And it's a numerical value, and each one has its own --
12 each number tells you what kind of match was made.

13 Q. All right. What are the different kinds of
14 matches?

14:19:42 15 A. For example, was it done off the customer number
16 versus last name and date of birth versus DLN, those
17 combinations.

18 Q. Will the match criteria at all tell you if there
19 is more than one person returned?

14:20:02 20 A. So that would be in the -- in the results
21 themselves. For -- for the single customer, that would
22 return in the error message from it that there are too many
23 results. That's how you would tell. And then if it was --
24 on the other one -- on the multiple returns, they would --
14:20:25 25 actually, all the results would show up in the same JSON

1 file.

14:20:48 2 Q. When you -- when you are using the single-use
3 API -- or the single return API, does the API ask you --
4 or, rather, does the API tell you what additional criteria
5 would be needed for an exact match?

6 A. No. No. It just tells you that you -- that you
7 had too many pieces -- too many returns.

8 Q. Okay. And then for -- and why wouldn't the API
9 have something like that that tells you what to put in?

14:21:12 10 MR. WHITAKER: Objection; foundation.

11 THE WITNESS: So, I mean, there could be
12 multiple different things that would resolve that; right?
13 So if you -- for example, I mean, if you only put in a
14 first name, you're going to get, you know, millions of --
14:21:34 15 well, hundreds of thousands of errors. And there are
16 multiple things that would allow to you put in different
17 pieces. So -- and because the call identifies what the
18 potential inputs are, the user knows what they could put
19 in -- right? -- what could be there to be put in to reduce
14:21:57 20 it.

21 So it's never going back. Like, if you put
22 in a last name and date of birth and it might return 5 or 6
23 of those -- right? -- with somebody that has the same last
24 name, same date of birth. There might be multiple ways to
14:22:16 25 resolve that. So it's not like the program goes back out

14:22:33

1 and tries to figure out what are all the differences. It
2 just tells you try something -- add some data. What data
3 do you have? And that allows the operator on the other
4 side to be able to look at what data they actually have
5 that might be useful and try that.

6 BY MR. HERRERA:

14:22:53

7 Q. Is there any feature of the -- of the multiple
8 customer returned API, if you get a match -- if you get
9 more than 50 matches, does it tell you what -- which
10 criteria to add to try to get a better match?

11 A. No. It wouldn't know what to -- how to do that.
12 It wouldn't know how to do that.

14:23:27

13 Q. So is there any data available through the --
14 either of the APIs that allows the secretary of state or
15 county recorders to compare the date documentation of
16 authorized presence -- sorry.

14:24:09

17 Okay. So for -- for -- is there any data
18 available through the API that allows the secretary or
19 county recorder to compare the date of the documentation of
20 authorized presence aside from U.S. citizenship with the
21 date of the voter registration application?

14:24:39

22 A. Because we only collect documentation as part of a
23 credentialing event, that date of the issuance would be the
24 date that we collected the authorized presence
25 documentation.

1 Q. I see. So the -- you don't have a different date
2 for the collection of the authorized presence document --
3 that date is not different -- strike that.

4 The collection date of the authorized
14:24:56 5 presence document is not a different one than the
6 credential issuance date?

7 A. Correct.

8 Q. Okay. And there is no other data field in MVD's
9 data that would show collection of a document proving --
14:25:19 10 proving authorized presence?

11 A. It would show --

12 Q. The date of collection of the authorized presence
13 document.

14 A. There is likely metadata -- like whenever we do a
14:25:31 15 scan, there's metadata associated with the scan of when the
16 scan was created, but it's always created as part of that
17 credentialing piece, so we don't track it separately. So
18 there's no -- there's no data field for it of when this was
19 necessarily captured. It's -- it's the same as the -- as
14:25:52 20 the issuance.

21 Q. Okay. Are there instances where a person can be
22 reissued a credential without providing proof of authorized
23 presence?

24 A. Are you speaking like of a duplicate credential or
14:26:43 25 a replacement credential?

1 Q. Yes. Well, replacement or perhaps a photo change.

2 A. For a REAL ID-compliant card, it requires -- it
3 requires someone to reverify their information every time.

4 For a non-REAL ID-compliant card, it does not. So you can
14:27:13 5 do this if you're -- if it's not a REAL ID-compliant, we

6 don't require you to every time come in and re-prove if
7 it's still within the time period. So you could issue a
8 replacement license or something along those lines.

9 Q. So if you lose your REAL ID after having presented
14:27:29 10 your authorized presence document for the original REAL ID
11 or the one you lost, then to get a replacement REAL ID, you
12 have to show your authorized presence document again?

13 A. Correct.

14 Q. For a non-REAL ID, if you're replacing a lost
14:27:46 15 credential that is a non-REAL ID, then you don't have to
16 show the authorized presence document again?

17 A. If it's not expired, correct.

18 Q. If the authorized presence is not expired?

19 A. Correct.

14:27:59 20 Q. Now, I know that you can update your photograph on
21 your Arizona credential; is that right?

22 A. Yes.

23 Q. Okay. When you update your photograph, assuming
24 you're not doing a renewal of your credential, do you have
14:28:21 25 to show your -- prove your authorized presence again?

14:28:45

1 A. When you -- when you're doing a photo, it's
2 typically done as part of something else; Right? So I --
3 and anytime you come into the office to request a new
4 credential, whether it's a duplicate or anything like that,
5 that's like when we would ask for a photo to be redone
6 because you're there and it will keep your photo fresh.

14:29:09

7 So REAL ID requires, whenever we issue a new
8 credential, that we check -- we check the -- the authorized
9 presence documentation, if it's still good or not. So in
10 all of those cases, yes, we'd have to check the
11 documentation. But if it's not REAL ID-compliant, then we
12 wouldn't check the documentation.

14:29:35

13 Q. In terms of the loss of a -- or, rather, when
14 someone wants to change the address -- change their address
15 and have that reflected on a credential, does that person
16 have to show their authorized -- prove their authorized
17 presence again with a new document or with a document?

14:29:58

18 A. I believe the answer is the same on all these
19 questions. The REAL ID requires, every time we issue a new
20 one, to re-prove it, and non-REAL ID-compliant does not.

14:31:24

21 Q. One second. Sorry.
22 I'm going to show you what we looked at
23 earlier, which is Exhibit I from a previous -- I'm sorry --
24 Exhibit 19 from a previous deposition. And it is -- I'm
25 going to go to the top. It's House Bill 2492. So it's

1 showing -- showing up on the screen there.

2 So as you can see, that's Exhibit 19 on the

3 first page. I'm going to go down to one of the sections

4 here. And on page 4 -- so this is a subsection to

14:31:51 5 amended -- or how the bill amends A.R.S. 16-121.01,

6 "Requirements for proper registration; violation;

7 classification." If we go down to Subsection D, there is a

8 paragraph here that says: "WITHIN TEN DAYS AFTER RECEIVING

9 AN APPLICATION FOR REGISTRATION ON A FORM PRODUCED BY THE

14:32:20 10 UNITED STATES ELECTION ASSISTANCE COMMISSION THAT IS NOT

11 ACCOMPANIED BY SATISFACTORY EVIDENCE OF CITIZENSHIP, THE

12 COUNTY RECORDER OR OTHER OFFICER IN CHARGE OF ELECTIONS

13 SHALL USE ALL AVAILABLE" -- "AVAILABLE RESOURCES TO VERIFY

14 THE CITIZENSHIP STATUS OF THE APPLICANT AND AT A MINIMUM

14:32:42 15 SHALL COMPARE THE INFORMATION AVAILABLE ON THE APPLICATION

16 FOR REGISTRATION WITH THE FOLLOWING, PROVIDED THE COUNTY

17 HAS ACCESS." And there's a colon there.

18 And then if we go on to the next page, one of

19 these numbers -- well, the first one is "THE DEPARTMENT OF

14:33:00 20 TRANSPORTATION DATABASES OF ARIZONA DRIVER LICENSES OR

21 NONOPERATING IDENTIFICATION LICENSES."

22 Do the APIs that are available -- do county

23 recorders use the APIs that are available to the secretary

24 of state in order to comply with the section that I just

14:33:25 25 read?

1 MR. WHITAKER: Foundation.

2 THE WITNESS: I don't know how county

3 recorders use that. My understanding is that it's the

4 secretary of state that we actually connect to. The county

14:33:36 5 recorders would connect through the secretary of state to

6 use any of those resources.

7 BY MR. HERRERA:

8 Q. Do you know if the county recorder -- in that

9 case, do you know if the county recorder could do what this

14:33:47 10 part of the law says by using those APIs available to the

11 secretary of state?

12 MR. WHITAKER: Calls for a legal conclusion.

13 THE WITNESS: The return from that does

14 include authorized presence, the authorized presence

14:34:07 15 number. So if that -- if the county recorder felt that

16 that was sufficient to do what they needed to, then I

17 suppose that they could.

18 BY MR. HERRERA:

19 Q. This paragraph here says -- okay.

14:34:22 20 So would something -- would the authorized

21 presence value in a driver license customer's record

22 establish under this statute -- or this part of the

23 statute, or -- or would it verify the citizenship status of

24 the applicant?

14:34:46 25 MR. WHITAKER: Calls for a legal conclusion

1 and compound.

2 THE WITNESS: What it provides is what

3 document they used when they applied for services with us,

4 driver's license or ID. So it would tell them at that

14:34:59 5 point in time what document was used and the validity

6 period, potentially, because it can't extend beyond the

7 date of the license.

8 BY MR. HERRERA:

9 Q. So it would not verify the citizenship; it would

14:35:15 10 just -- the API would be able to confirm what data ADOT has

11 on authorized presence; right?

12 A. That would be correct.

13 Q. Now, I'm going to go down to also this

14 subsection -- of 16-121.01, Subsection E, which in the

14:35:42 15 middle of this paragraph here, I've kind of highlighted it.

16 There's Subsection E: "IF THE COUNTY

17 RECORDER OR OTHER OFFICER IN CHARGE OF ELECTIONS MATCHES

18 THE APPLICANT WITH INFORMATION THAT THE APPLICANT IS NOT A

19 UNITED STATES CITIZEN, THE COUNTY RECORDER OR OTHER OFFICER

14:35:58 20 IN CHARGE OF ELECTION SHALL REJECT THE APPLICATION, NOTIFY

21 THE APPLICANT THAT THE APPLICATION WAS REJECTED BECAUSE THE

22 APPLICANT IS NOT A UNITED STATES CITIZEN AND FORWARD THE

23 APPLICATION TO THE COUNTY ATTORNEY AND ATTORNEY GENERAL FOR

24 INVESTIGATION."

14:36:14 25 Do you know if the county recorders used the

1 APIs available to the secretary of state through -- from
2 ADOT to look up this kind of information mentioned here in
3 the part that I just read?

4 MR. MORGAN: Form.

14:36:40

5 THE WITNESS: We know that the county
6 recorders, through the secretary of state, use the
7 information accessed through the API. I -- I don't have
8 information as to what they do with that information.

9 BY MR. HERRERA:

14:37:04

10 Q. Okay. Now let's go back to the exhibit that had
11 the extracts, which are -- and the APIs, which is the
12 ADOT001400, Exhibit -- I forget the exhibit number. Oh,
13 111. Exhibit 111.

14 A. Okay.

14:37:32

15 Q. All right. And so on the first page there is
16 something that says a "Customer Extract." Do you see that?

17 A. Yes.

18 Q. Okay. So on page ADOT001400, under "File:
19 Customer Extract," what is this?

14:37:57

20 A. This is the file that we created to give to the
21 secretary of state on a monthly basis so that they could
22 implement the legislative changes.

23 Q. And by legislative changes that -- so that they
24 could implement them, is that in reference to the monthly
25 comparison of the voter registration database and Arizona

14:38:18

1 Department of Transportation driver license database?

2 A. Yes.

3 Q. And then underneath that, there is a different

4 "File: Credentials Canceled Out of State." What is that?

14:38:38

5 A. That is another file that was created at the same
6 time. It is a listing of every credential, driver license,
7 or ID that we canceled because we received notice from

8 another state that they issued something in another state.

9 Again, it was created for the purpose of implementing this

14:38:56

10 legislation.

11 Q. And when did ADOT begin sending those -- when did

12 ADOT create these two extracts?

13 A. It was in the fall of 2022.

14 Q. If you know, when did the secretary of state begin

14:39:18

15 to receive those two file extracts referenced on

16 ADOT001400?

17 A. We began placing --

18 MR. MORGAN: Form.

19 THE WITNESS: We began placing it on the FTP

14:39:35

20 site on -- in end of November, and I believe the first time
21 the secretary of state picked it up was in December.

22 BY MR. HERRERA:

23 Q. What is the FTP site?

24 A. It's a secure site that -- File Transfer Protocol

14:39:53

25 site to allow us to exchange very large files between us.

1 Q. And how long has the -- this FTP been set up
2 between ADOT and the secretary of state?

3 A. Several years.

4 Q. What was the purpose that this FTP site was
5 created?

14:40:19

6 A. To exchange large files. So prior to these large
7 files, we also have the nightly voter file and the ERIC
8 file. That's where those files are placed.

9 Q. Now, looking at -- let's focus on ADOT001400.

14:40:47

10 Under the "Customer Extract," the last field here says --
11 it's all one word: "NonCitizen." Do you see that?

12 A. Yes.

13 Q. In parenthesis it says: "(Will be marked 'Y' if
14 ADOT records indicate the person is a noncitizen; this will
15 otherwise be blank)"; right?

14:41:15

16 A. Correct.

17 Q. How is -- under this file extract on the
18 "NonCitizen" field, what will cause a -- what will cause
19 the value Y to be entered in that field?

14:41:38

20 A. If the authorized presence value is anything other
21 than 1 or 4, which would be naturalized or citizen, not
22 foreign.

23 Q. And are there other values for that field besides
24 "Y" for the "NonCitizen" field?

14:42:02

25 A. No.

1 Q. For someone who does have an authorized presence
2 value of 1 or 4, meaning that in ADOT's data they're shown
3 as a U.S. citizen, what is the value that will be put in
4 the "NonCitizen" field?

14:42:30

5 A. It will be empty.

6 Q. "Empty" as in nothing will be there?

7 A. Correct.

8 Q. Now, this customer extract that is -- that ADOT
9 created in the fall of 2022 to send to the Secretary of
10 State's Office, how many customers does that include?

14:42:53

11 A. It's about 7.3 million customers.

12 Q. And what are the parameters of who is included in
13 that customer extract?

14 A. It would be any customer with the driver's license
15 or identification card that we would have.

14:43:12

16 Q. So this customer extract that you send to the --
17 that ADOT sends to the Secretary of State's Office, it
18 includes persons who do not have a value entered under the
19 "NonCitizen" field?

14:43:40

20 A. Yes.

21 Q. Okay. Now, every month when ADOT sends this
22 customer extract to the Secretary of State's Office, is it
23 always the full set of customers with a credential in the
24 ADOT system?

14:44:10

25 A. Yes.

1 Q. Therefore, the secretary of state receives --
2 well, is there anything -- and you may have answered this
3 question just now, but is there anything that prevents ADOT
4 from sending some subset of customers that it has sent in a
14:44:32 5 previous month in the next month's extract -- customer
6 extract?

7 MR. WHITAKER: Ambiguous.

8 THE WITNESS: I'm not sure I understand.

9 BY MR. HERRERA:

14:44:43 10 Q. I guess I'm trying to figure out the timing here.
11 Do you -- you're always -- is -- is the
12 customer extract all of the active credential holders in
13 ADOT's system as of the date of the creation of the
14 extract?

14:45:03 15 A. So, yeah, it's always a full extract of our
16 customer database of those credential holders. So it's
17 going to pull all the credential holders at that given
18 time. It's always a full extract, not just an update.

19 Q. If someone has updated their authorized presence
14:45:25 20 from one of the foreign authorized presence values to
21 non-foreign, will that be reflected in a -- in the next
22 month's extract?

23 A. Yes.

24 Q. Is there any lag time that you know of in updating
14:45:44 25 the authorized presence field between extracts?

1 A. No. That's the real-time change to the file. As
2 soon as it's -- as soon as that credential is issued with
3 the new authorized presence, that's how it will be
4 reflected in the system.

14:46:03 5 Q. Does the customer extract include any expired --
6 customers with expired credentials?

7 A. Yes.

8 Q. Okay. Does the customer extract that the -- that
9 we're looking at here on ADOT001400 include -- and I'm
10 hoping this is the right word -- revoked credentials?

11 A. Yes.

12 Q. What is the -- in terms of the "NonCitizen" field
13 in the customer extract that we're looking at in
14 ADOT001400, what will the "NonCitizen" field be marked if
15 SAVE -- if a SAVE check being run by ADOT on a customer is
16 awaiting verification from SAVE?

17 A. It will depend on what the customer already had in
18 the database. So until there's an issuance, until we have
19 a SAVE return, we don't do a new issuance. So it won't
20 show any new data. It will show whatever was there prior
21 to us running the SAVE check.

22 Q. Okay. So if someone is -- if someone has applied
23 for a credential and they are -- and it's their original
24 credential, meaning they have not had a credential before,
25 and you are awaiting verification from SAVE, will that

1 person be reported in this customer extract --

2 A. No.

3 Q. -- at all?

4 A. They will not.

14:47:57 5 Q. So it does not -- the customer extract does not
6 include any -- anyone who is awaiting a decision -- well,
7 let me strike that.

8 Would it be fair to say that the customer
9 extract that ADOT sends to the secretary of state does not
14:48:18 10 include anyone who has not yet been issued an original
11 credential?

12 A. Yes. Correct.

13 Q. So if there's someone who is attempting -- a
14 customer who is attempting to renew a credential and they
14:48:36 15 are presenting an authorized presence document that is for
16 a foreign subtype and they're awaiting verification from
17 SAVE, what -- what will it show in the "NonCitizen" field?

18 A. On the renewal of credential, it will show the
19 existing credential as it exists.

14:49:08 20 Q. Now, if someone -- let's take another example
21 or -- well, if someone who is a -- who had a foreign
22 subtype authorized presence credential and is attempting to
23 get a new credential that would reflect that they have
24 naturalized as a U.S. citizen but there is a pending SAVE
14:49:44 25 verification being done by ADOT of that naturalization

1 proof, how would that person appear in the "NonCitizen"
2 field in the customer extract?

3 A. Because it would be pending, we wouldn't have
4 issued a new authorization type. So they would still
14:50:02 5 appear as one of the foreign subtypes.

6 Q. So if someone's credential has expired due to
7 their authorized -- their foreign authorized presence
8 document expiring itself but the customer has presented a
9 document that shows naturalized -- naturalization but you
14:51:29 10 are awaiting a SAVE verification there, how would that
11 person show up in the "NonCitizen" field of the customer
12 extract?

13 A. In the same way that -- since the SAVE hasn't
14 completed, we haven't issued a new license, so it will
14:51:45 15 still show as foreign.

16 Q. Okay. And so even though they're expired, they'll
17 still show up in the customer extract?

18 A. Yes.

19 Q. Was the -- now I can't remember if I asked this.
14:52:17 20 Was the "NonCitizen" field in the customer
21 extract on ADOT001400 created specifically for this
22 customer extract?

23 A. Yes.

24 Q. And so that would have been created in summer or
14:52:42 25 fall of 2022?

1 A. Because it's part of the -- the report itself, so
2 it's just a derived field from other sources, yes. So it
3 was created at the same time this report was created.

14:53:01 4 Q. Does the -- does ADOT query any outside sources of
5 information in order to answer the NonCitizen -- put a
6 value in the "NonCitizen" field in the customer extract
7 that we're talking about?

14:53:19 8 A. The only time we will query an outside source is
9 at the time of issuance, we'll query SAVE, as we've been
10 discussing. Outside of that, no.

11 Q. Therefore, ADOT does not search records of any
12 naturalization ceremonies, for example, before filling out
13 the "NonCitizen" value in the customer extract that we're
14 looking at?

14:53:41 15 A. We do not.

16 Q. Does the -- does ADOT send -- along with the
17 customer extract on ADOT001400, does ADOT send any
18 documents or data about the authorized presence documents
19 presented by the customer to the secretary of state?

14:54:47 20 A. No.

21 Q. Sorry about that. I'm trying to see what still
22 might or might not be necessary to ask you.

23 MR. WHITAKER: Do you want to go off the
24 record for a few minutes?

14:56:11 25 MR. HERRERA: Yeah. Let me -- can we go off

1 the record.

2 (A recess ensued.)

3 BY MR. HERRERA:

15:08:45 4 Q. Mr. Jorgensen, I'm going to show you another
5 document that I would like to mark as Exhibit 112.

6 (The document was marked as Exhibit 112
7 for identification.)

8 BY MR. HERRERA:

15:09:31 9 Q. Mr. Jorgensen, you've been handed what's been
10 marked as Exhibit 112. And the Bates stamp from the
11 production is ADOT001464. Do you recognize this document?

12 A. Yes.

13 Q. Okay. What is this document?

15:09:52 14 A. This is an email discussing the implementation of
15 the files that we've been discussing.

16 MR. WHITAKER: Noting for the record that it
17 is marked confidential.

18 MR. HERRERA: Noted.

19 BY MR. HERRERA:

15:10:04 20 Q. Who is Anthony Previte?

21 A. Anthony is one of our contractors that is a
22 developer on our team.

23 Q. And what is he a contractor for?

24 A. He does development in the MAX system.

15:10:20 25 Q. Who is Bronco Briggs?

1 A. He is another contractor that works on the MAX
2 system.

3 Q. What is the MAX Operations Support?

4 A. That is the team that does the daily operations
15:10:46 5 for the whole MAX system to make sure that everything is
6 running correctly. Also in charge of -- like when a new
7 job like these would begin to occur, it makes sure that it
8 happens properly.

9 Q. Now, this -- in this document, do you see that on
15:11:05 10 November 15, 2022, Mr. Previte says to Mr. Briggs and MAX
11 Operations Support that, quote: "This job is switched on
12 now along with the related batch job for sending monthly
13 driver license cancellations."

14 Do you see that?

15:11:21 15 A. Yes.

16 Q. What is the "this job" referring to?

17 A. That would be the file created to do the
18 comparisons. So the big customer extract file.

19 Q. Okay. If we could go to the last -- well, let's
15:11:37 20 go to the second page of this email thread. Do you see an
21 email that's kind of buried in there from Anthony Previte
22 on August 15th at 2:18 p.m.?

23 A. August 15?

24 Q. August 15, 2022, at 2:18 p.m. It's in the middle
15:12:05 25 of the page.

1 A. Okay. Yes.

2 Q. And this is on ADOT001465. And what is in that
3 email from Mr. Previte there?

15:12:25

4 A. This is -- this is the plans to implement the
5 customer extract file.

6 Q. And by "customer extract file," you're talking
7 about the one ADOT sends to the secretary of state monthly
8 with the "NonCitizen" fields?

9 A. Correct.

15:12:38

10 Q. Now, from August 15th, 2022, to today, has the
11 customer extract with the "NonCitizen" fields changed at
12 all?

13 A. I'm not sure. We could easily compare the -- the
14 file elements that were in this document with -- with
15 what's in there. But it looks at first blush to be the
16 same.

15:13:11

17 Q. Now, if the job was switched on on November 15th,
18 2022, when would the first customer extract have been sent
19 to the secretary of state?

15:13:28

20 A. It would have been at the beginning of December.

21 Q. And I think you might have said this earlier, but
22 how is the customer extract sent to the secretary of state?

23 A. It is placed on a secure FTP server, and the
24 secretary of state has access to it.

15:13:48

25 Q. Has -- has ADOT sent a customer -- the same

1 customer -- not the same -- well, strike that.

2 Has ADOT sent a customer extract with the

3 same specifications every month since December 2022?

4 A. Yes.

15:14:06 5 Q. Do you know what the MVM report database is?

6 A. MVM stands for Motor Vehicle Modernization. It's
7 our project that does all of the MAX implementation. And
8 the report database is a -- it's just a collection of
9 different reports that are produced and can be run on -- on
10 request.

15:14:47

11 Q. Do you know what a -- what an LECU designation is?

12 A. I do.

13 Q. What is that?

14 MR. WHITAKER: We're going to designate this
15 part of the deposition for counsel only. So I think it's
16 just counsel on the line.

15:15:11

17 MR. HERRERA: Well, our expert --

18 MR. MORGAN: Wait. Wait. Why are we
19 designating it for counsel only?

15:15:30

20 MR. WHITAKER: Well, I take it that the
21 answer may be highly confidential. I guess I defer to you.

22 MR. MORGAN: I say that because my client
23 representative may be on the line. I don't remember.

24 But -- so let's follow through.

15:15:46

25 MR. WHITAKER: Do you consider the answer to

1 his question highly confidential?

2 THE WITNESS: Yes.

3 MR. WHITAKER: Then I think we should
4 designate this particular part of the deposition for
15:15:55 5 counsel only. So is it possible for those who are not
6 counsel to hop off and hop back on? It's a short answer.

7 MR. HERRERA: Okay. Yeah, I think we can ask
8 our expert to get off.

9 Dr. McDonald, we can text you in a second.

15:16:20 10 MR. MORGAN: I'm going to reserve the right
11 to challenge that designation. I don't understand why
12 we're designating it that, but . . .

13 MR. HERRERA: We're reserving the right to
14 challenge it too.

15:16:28 15 MR. MORGAN: I hear you. I hear you. I --
16 I -- it's highly unusual in the middle of a deposition to
17 require a party to leave. But to the extent Ms. Connor is
18 on the line, I'm going to ask her to hang up and I'll let
19 her know when it's okay to hop back on. I don't know if
15:16:48 20 she's on the line or not.

21 MR. HERRERA: Our person is off.

22 BY MR. HERRERA:

23 [REDACTED]
24 [REDACTED]
15:17:03 25 [REDACTED]

1 MR. WHITAKER: That's it. We don't need to
2 designate the rest of it.

3 MR. HERRERA: I don't have any other
4 questions about that.

15:17:12 5 MR. WHITAKER: Okay. Yeah, people can come
6 back on. It's just that particular -- that particular
7 piece of information was highly confidential. People can
8 come back on.

9 MR. LANGHOFER: This is Kory for RNC. We'd
15:17:44 10 be fine with the redaction. I don't think it's relevant,
11 and if it reduces risk to anyone to a marginal degree --

12 MR. WHITAKER: That's a fair point. Sure.

13 MR. HERRERA: I think we can discuss after.
14 I don't know that we'd have a different answer. We'd have
15:17:56 15 to confer after, but yeah.

16 MR. MORGAN: Yeah, I'm okay with the
17 redaction too.

18 MR. WHITAKER: Should we -- should I -- I
19 don't want to use your guys' time while we're waiting for
15:18:30 20 your expert to come back on. Should we go off the record
21 for, like --

22 MR. HERRERA: I think we can just keep going.

23 MR. WHITAKER: Okay.

24 BY MR. HERRERA:

15:18:38 25 Q. So I did -- to jump back to a different subject

1 outside of the extract, earlier I may have asked you what
2 Help America Vote Act is; right?

3 A. Yes.

15:18:54 4 Q. Do you know what Help America Vote Verification
5 is?

6 A. That is the HAVV check, the H-A-V-V check, and
7 that's what we use the APIs for.

8 Q. And does -- so MVD -- Arizona MVD participates in
9 or uses HAVV?

15:19:15 10 A. Yeah. We are the conduit for it.

11 Q. What information does ADOT receive from HAVV?

12 A. I'm not sure because we simply pass it through to
13 the secretary of state.

14 Q. Do you know if there is any authorized presence or
15:19:31 15 citizenship data that comes from HAVV?

16 A. I do not. I couldn't say for sure.

17 Q. Do you know if any information about someone's
18 social security comes through HAVV?

19 A. It does.

15:19:46 20 Q. Okay. And do you know what information that is?

21 A. It's a verification of their Social Security
22 number.

23 Q. Okay. Did -- did ADOT conduct any testing of the
24 customer extract before beginning to send it to the
15:20:35 25 Secretary of State's Office?

1 A. Yes.

2 Q. And what was that -- what did that testing consist
3 of?

15:20:45

4 A. We would actually run test files. So we -- we'd
5 start in a limited environment, run small files, and then
6 build up to running full files in our preproduction
7 environment, which is basically a copy of our regular,
8 normal production environment.

9 Q. What was the purpose of that testing?

15:20:59

10 A. It was to make sure that all the records pulled
11 properly and formatted properly and then the file would
12 then be readable by the secretary of state.

13 Q. Were -- were there any changes made because of
14 testing to the customer extract?

15:21:20

15 A. I couldn't say for sure. There's often a change
16 that will occur to match the actual specification to make
17 sure that it comes out correct. We didn't change the -- I
18 would say we wouldn't -- we didn't change the format that
19 we were producing, but we may have changed something to
20 make sure that it worked and came out.

15:21:38

21 Q. Has ADOT discussed with the secretary of state any
22 safeguards to prevent any data mismatches in the customer
23 extract or the -- either of the customer extracts being
24 sent to the secretary of state?

15:22:05

25 A. Can you clarify "data mismatch"?

1 Q. Any mismatches regarding the identity of a person.

2 A. So our -- our discussions have been limited to
3 here is -- here's the information that you will need to do
4 a check, but we haven't discussed how they actually use it
15:22:28 5 on their side to do that or what -- what they would be
6 looking at to compare to make sure that they got the right
7 customer.

8 Q. So in those discussions, did the secretary of
9 state make certain requests for certain types of
15:22:43 10 information?

11 A. Yes.

12 Q. And what were those requests?

13 MR. MORGAN: Form.

14 THE WITNESS: So the -- the entire outline of
15:22:52 15 the file would be what was necessary to make the change --
16 or to make the matches in our -- in our discussions between
17 us and the secretary of state. And whether -- you know, I
18 can't tell you that one came up from us versus them. We've
19 done matching for a very long time, so we know what to
15:23:11 20 start with from a basis. But all of it was -- was subject
21 to the discussion of what would be needed to do some sort
22 of match.

23 BY MR. HERRERA:

24 Q. You said that matching has been done for some
15:23:25 25 amount of time by ADOT. What kind of matching are you

1 talking about?

2 A. So when I refer to that is like -- like the
3 existing APIs, like the files that we already send over to
4 them for ERIC, for example, all of those were created in
15:23:41 5 concert to make sure that they could match to our system.

6 Q. What, if anything, does ADOT have to do with the
7 comparison that the secretary of state is supposed to
8 conduct under HB 2243 between the voter registration
9 database and the MVD's data for noncitizen identification
15:24:04 10 purposes other than sending the data extracts?

11 A. Nothing.

12 Q. Does ADOT participate at all in helping the
13 secretary of state conduct database comparisons for
14 purposes of HB 2243 compliance other than sending the data
15:24:21 15 extracts?

16 A. Only to the extent that if they had a question and
17 needed us to answer something, then we could answer
18 questions. We'd always be available to do that.

19 Q. And has the secretary of state had any questions
15:24:34 20 about the customer extract?

21 A. Not to my knowledge, but I wouldn't know all of
22 the questions.

23 Q. Is there someone who is in contact with the
24 secretary of state who might have received such questions?

15:24:47 25 A. It could come in through a variety of places. I

1 assume that our technical teams would probably talk to each
2 other.

3 Q. And who are the -- who is the technical team at
4 MVD who talks to the secretary of state?

15:25:00

5 A. Could be a variety of people depending on what the
6 issue was.

7 Q. But you are not aware of any questions the
8 secretary of state has had for ADOT about the customer
9 extracts?

15:25:15

10 A. I am not. We do meet regularly with the secretary
11 of state. Nothing has come up in that regard.

12 Q. Has ADOT offered any technical assistance to the
13 secretary of state for conducting database comparisons for
14 purposes of HB 2243 compliance other than sending the data
15 extracts?

15:25:31

16 A. Again, other than answering an -- if this was a
17 specific question, we always have that as an open offer,
18 but we did not -- we're not helping to design any of the
19 match, no.

15:25:45

20 Q. Well, this may be related to your answer, but has
21 ADOT given any matching criteria to the secretary of state
22 for conducting database comparisons for purposes of HB 2243
23 compliance other than sending the data extracts?

24 A. No.

15:26:00

25 Q. Has ADOT given any algorithms to the secretary of

1 state for conducting database comparisons for purposes of
2 HB 2243 compliance other than sending the data extracts?

3 A. Not to my knowledge.

4 Q. Who is Russ Smith?

15:26:37 5 A. He is an employee of secretary of state -- or at
6 least was.

7 Q. So I'm going to show you another document. I
8 don't think I have the paper version, but I'll put it in
9 the chat here.

15:27:03 10 (The document was marked as Exhibit 113
11 for identification.)

12 BY MR. HERRERA:

13 Q. And we're going to open up this file here.

14 Do you recognize -- sorry.

15:27:57 15 Now I'm sharing my screen to show you
16 Exhibit 113, which are -- which is -- begins with
17 AZSOS-267124 and then it goes through all the way to
18 AZSOS-267128. Do you see that?

19 A. Yes.

15:28:29 20 Q. Okay. So I'm going to go to the top here.

21 And I will say for the record I think this
22 does mention LECU, so I don't know if we want to --

23 MR. WHITAKER: Let's just not say what that
24 means.

15:28:45 25 MR. HERRERA: Right. Okay.

1 BY MR. HERRERA:

2 Q. And I'm not asking about it. It's just that I
3 think it's in here.

4 And so have you ever seen this email before?

15:28:59 5 A. I am not familiar with this specific email.

6 Q. And this is an email from Russ Smith to various
7 ADOT people on December 19, 2022; right?

8 A. Correct.

9 Q. And the email says: "Hi Bronco. Thank you for
15:29:26 10 the clarification. I know that we would be looking at
11 running close to 50,000 checks once a month."

12 Do you know what Mr. Smith is referring to in
13 this email?

14 A. I do not.

15:29:41 15 Q. If we go down to the email below that from Bronco
16 Briggs to Russ Smith and others, it says: "Good Afternoon
17 Russ, I have assigned the research to a developer for this
18 Sprint to review the end point and determine the effort to
19 return additional status values. I should have a response
15:30:06 20 ready for you at the beginning of the New Year. Question
21 for you - what do you anticipate the number of 'peak'
22 validations to be performed per day/hour/minute?"

23 Do you know what Mr. Briggs is referring to
24 there?

15:30:22 25 A. I -- I do not. Looks like an API call, though, of

1 some sort.

2 Q. An API what?

3 A. It appears to be an API call, but I don't know
4 what call it is. But when he says "end point," that's
15:30:32 5 usually what we mean.

6 Q. It's API call -- what --

7 A. Yeah, an API. So like we've talked about the
8 different APIs before. End point is the location --
9 that's -- that's the terminology for the location that we
15:30:45 10 would use to connect. But I'm not sure what API we would
11 be talking about here.

12 Q. Do you know if ADOT has talked to the Secretary of
13 State's Office about setting -- setting up any new APIs
14 besides the two APIs that we were discussing earlier?

15:31:01 15 A. Yes.

16 Q. Okay. And what are those new APIs that are being
17 discussed with the Secretary of State's Office?

18 A. Currently? We are talking --

19 MR. WHITAKER: That's -- that's, I think,
15:31:12 20 outside the scope of the 30(b)(6) topics. I'm not going to
21 instruct him not to answer.

22 You can answer in your personal capacity.

23 MR. HERRERA: Okay. I can -- maybe this will
24 help.

15:31:20 25 BY MR. HERRERA:

1 Q. Are any of the new APIs being discussed with the
2 Secretary of State's Office part of complying with either
3 HB 2492 or 2243?

4 A. No.

15:31:31

5 Q. Okay. Obviously subject to the objection, what
6 are the purposes of the new APIs being discussed?

7 A. To give voters more information about the current
8 registration status when they go in to do an update of
9 their information.

15:32:18

10 Q. Actually, I'm going to pull it up again, that
11 document we were just looking at, Exhibit 113. I want to
12 go down to an email further down. It's on the second page
13 of this document. So on the second page. And it's an
14 email from Russ Smith, also on December 19, 2022, to
15 Christy Hood at ADOT and Kevin Kumpf, and then other people
16 are copied there.

15:32:43

17 And do you see that it says in the middle
18 sentence: "I know Bronco was going to check with his team
19 on what it would be" -- "what it would look to increase the
20 bandwidth to the amount of Authorized Presence validations
21 that can be run through our End-Point at the same time. He
22 was also going to verify what DL/ID Statuses other than
23 Active we can request visibility to through our End-Point."

15:33:01

24 And why -- why is authorized presence being
25 discussed here?

15:33:23

1 MR. WHITAKER: Foundation.

2 THE WITNESS: So that looks like a discussion
3 about the APIs that we discussed earlier because that's the
4 ones that would have that information. But I don't have
15:33:41 5 any context for that discussion, the date being after the
6 time that we put in the file. So I don't -- I don't know
7 what the impetus of that discussion was.

8 MR. WHITAKER: Ernest, I printed -- this was
9 among the exhibits you had put in the Dropbox late last
15:34:09 10 night.

11 MR. HERRERA: Yeah.

12 MR. WHITAKER: I printed a copy. Would it
13 help if I just gave this to the witness so he can read --

14 MR. HERRERA: Oh, yeah. I'm sorry. I
15:34:16 15 thought he had a copy. That's my fault.

16 MR. WHITAKER: Oh, do you already have one?
17 I think you mentioned this was one you were
18 just going to share.

19 Why don't you read that from the beginning
15:34:26 20 and then you can get some context.

21 If that's all right with you.

22 MR. MORGAN: While -- you know what? Can
23 someone tell me, while he's doing that, where we are in the
24 email, what page?

15:34:36 25 MR. HERRERA: We were looking at page 2,

1 which is AZSOS-267125.

2 MR. MORGAN: Thanks.

3 BY MR. HERRERA:

4 Q. Let's scroll down further. Do you see on -- I'm

15:35:17 5 going to go down to AZSOS-267127, so the last -- or the

6 second to last page of this exhibit. And it says on

7 "Tuesday, December 6, 2022, at 12:17 p.m., Bronco Briggs

8 wrote: Two new batch jobs were developed by the" capital D

9 "Driver's team in early fall for the new legislation. The

15:35:48 10 two requested files are available now for SOS to download

11 from the DMZ SFTP server. We will review the API endpoint

12 for the third request. Please advise if there are any

13 questions. The jobs are currently scheduled to run on the

14 first Monday of each month. The data here is from

15:36:05 15 November."

16 Is there any new API, having seen this, that

17 ADOT is developing for the secretary of state in relation

18 to HB 2492 or 2243?

19 A. No.

15:36:33 20 Q. Then do you know why there would be a question

21 about bandwidth to address the amount of authorized

22 presence validations that can be run through SOS's end

23 point?

24 A. So this looks like it's discussing the existing

15:36:49 25 end point that we have, the one that we have -- that we

1 talked about earlier.

2 Q. So the -- perhaps the -- well, so you're talking
3 about it might have to do with one of the two existing
4 APIs?

15:36:59 5 A. Correct.

6 Q. Do you know what Swagger is?

7 A. I don't.

8 Q. Okay. That's not something that ADOT has? Or is
9 it?

15:37:11 10 A. No. Not to my knowledge. I won't make a joke.

11 I will -- Swagger is a -- it's an IT program,
12 but I don't think it's an ADOT IT program.

13 MR. HERRERA: Okay. Maybe we could get some
14 clarification or confirmation of that after of it -- if
15:37:49 15 Swagger is an ADOT program or software?

16 MR. WHITAKER: I'll take that back. I don't
17 know enough about it to know whether it is fairly within
18 the 30(b)(6) topics, but, you know, we're trying to --

19 MR. HERRERA: Okay. I don't either.

15:38:17 20 BY MR. HERRERA:

21 Q. I'm going to hand you what -- you're being handed
22 what has been marked as Exhibit 114.

23 (The document was marked as Exhibit 114
24 for identification.)

15:39:08 25 MR. HERRERA: And for the record, Exhibit 114

1 are ADOT001493 through 1494.

2 MR. WHITAKER: Also noting on the record it's
3 marked confidential.

4 BY MR. HERRERA:

15:39:36 5 Q. Do you know -- have you seen this document before?

6 A. I'm not sure. I don't remember seeing this
7 before.

8 Q. And who is Chelsie Padilla?

9 A. Chelsie works for the -- she's a contractor, works
15:40:13 10 on the MAX development team. She's an administrative
11 project manager-type person.

12 Q. I'm going to mark another exhibit, but I'm pretty
13 sure I don't have a paper copy of this one, unless Josh
14 does, for to you look at. But this is -- we're going to
15:41:07 15 mark as Exhibit 115 AZSOS-255142.

16 (The document was marked as Exhibit 115
17 for identification.)

18 MR. HERRERA: And I'm going to show it on the
19 screen here.

15:41:35 20 MR. WHITAKER: Was that one that was in the
21 Dropbox?

22 MR. HERRERA: It was, but it might have been
23 a bit late for you to print it.

24 MR. WHITAKER: Okay. I'm not seeing it among
15:41:44 25 the stuff I printed.

1 MR. HERRERA: You might have -- it might have
2 been too late.

3 BY MR. HERRERA:

4 Q. Okay. So this is a document. It's about three
15:41:57 5 pages. And it appears to be a printout from Microsoft
6 Viva, which I'm not -- I don't know how to use. I don't
7 know what that is. But it appears to be from Microsoft
8 Viva to Russ Smith.

9 Do you see that?

15:42:13 10 A. Yes.

11 Q. And do you see underneath it says: "Subject:
12 Your daily briefing"?

13 A. Yes. I can't quite see it. Yes.

14 Q. And do you see underneath: "Prepare for today's
15:42:32 15 meeting, 3:00 to 4:00 PM MVD/SOS 2243 Meeting"?

16 And then it says "Organizer" and then "2
17 emails may be related."

18 And under that is an email ostensibly from
19 you, Eric Jorgensen. And then it has an out-of-office
15:42:54 20 reply.

21 Did you attend a meeting on December 5th,
22 2022, with the Secretary of State's Office? On
23 December 5th, 2022?

24 A. I would have to check my calendar. I don't -- I
15:43:12 25 don't remember. It's possible. We meet regularly. I'm

1 not sure.

2 Q. Okay.

3 MR. WHITAKER: Oh, I do have a hard copy of
4 this.

15:43:22

5 MR. HERRERA: Oh, okay.

6 MR. WHITAKER: It's 255142?

7 MR. HERRERA: Yes.

8 BY MR. HERRERA:

15:43:37

9 Q. If you go to the second page of this exhibit,
10 Mr. Jorgensen, there is another note here. And of course I
11 can't speak to the layouts here or the -- who's saying
12 what. But it says: "Yesterday, 'Hi Bronco and Madelene, A
13 few months ago we had a meeting where we started to discuss
14 the proposed upcoming changes in 2243 that the courts are
15 working on. I wanted to set up a time on Monday (possibly
16 3:00pm) to continue our conversation on the . . ." And
17 then it cuts off.

15:43:58

18 Do you recall what you might have discussed
19 in December of 2022 with Russ Smith about HB 2243?

15:44:16

20 A. No.

21 Q. Who is Mali Manjarrez-Bautista?

22 A. I do not know.

23 Q. Do you know who Alex Trinh is?

15:44:41

24 A. Yes. Alex Trinh works for us. He's on the MAX
25 operations team.

1 Q. All right. What was -- what was the policy of
2 ADOT toward HB 2492 during the legislative session in 2022
3 during which the bill was being considered?

4 MR. WHITAKER: Objection. Broad.
5 You can answer.

6 THE WITNESS: Of which bill?

7 BY MR. HERRERA:

8 Q. HB 2492, the earlier of the two bills.

9 A. That's the one that requires us to do the
10 out-of-state credential list.

11 Q. That would be the later bill, yeah.

12 A. Okay. The one that does the comparison. The
13 department --

14 Q. Well, 2243 has both the database comparisons and
15 the out-of-state, so . . .

16 A. Okay. The department was neutral -- took a
17 neutral position on both those bills.

18 Q. Okay. And did ADOT give any input to the
19 legislature on HB 2243?

20 A. I know that we gave input on some of the bills
21 about it not -- yes, we did on some of them.

22 Q. Okay. And do you know what the input was to the
23 legislature?

24 A. We had some concerns about how we could actually
25 implement it and what information was actually available

1 and what -- you know, what practically we could provide.

2 And so we made those concerns clear.

3 Q. And what were -- what were those concerns about
4 what you could provide?

15:46:27

5 A. Some of it was limitations in what we actually
6 record when a credential is canceled out of state. There
7 was some -- there was -- I believe early on there was a
8 requirement about we needed to provide the new address that
9 the person -- out of state, which we don't have information
10 on that. So it was that type of -- of feedback of if we
11 don't have that information or, you know, it's -- it's
12 limited in its availability.

15:46:48

13 Q. Did you give any input to the legislature during
14 the consideration of either of these bills about ADOT's
15 limitations in terms of data related to authorized presence
16 or citizenship?

15:47:10

17 A. Meaning the validity of -- of that or --

18 Q. Anything about citizenship or authorized presence.

19 A. I don't remember us giving any -- any feedback on
20 that specifically.

15:47:39

21 MR. HERRERA: I'm going to mark another
22 exhibit, this one as Exhibit 116. I don't have a printout,
23 but it is ADOT001594.

24 (The document was marked as Exhibit 116
25 for identification.)

15:48:02

1 BY MR. HERRERA:

2 Q. So can you see that this is a three-page document?
3 I'm going to scroll through it really quickly. It's
4 consecutively marked ADOT 1594 to 1596. Do you see that?

15:48:39

5 A. Yes.

6 Q. I'm going to go back to the top.

7 And at the top is an email from Jessica Byrd
8 to Madelene Carbajal on July 7, 2022, and the subject is
9 "Re" -- regarding -- "HB2243." Do you see that?

15:48:56

10 A. Yes.

11 Q. Okay. Who is Jessica Byrd?

12 A. She is a business analyst with MVD.

13 Q. I'm going to go down here in the emails. And
14 there is an email on July 7, 2022, at 8:13 a.m. from

15:49:24

15 Madelene Carbajal. And she wrote: "Just a heads up that
16 this was just signed. Page 5. Ugh."

17 Do you know why that would have been the
18 reaction of Ms. Carbajal to this bill passing, 2243?

19 A. I don't.

15:49:54

20 Q. Did you ever have discussions during the
21 legislative session with Ms. Carbajal about 2243?

22 A. Yes.

23 Q. And what were -- what did you discuss with her?

24 A. It would have been how we would do the

15:50:10

25 implementation were it to -- were it to come to pass. If

1 there was any concerns, she would have been one of the
2 people that would help us identify if there were things
3 that we couldn't do that were required in the bill.

4 Q. I think we can take -- well, one more -- several
15:50:29 5 more questions.

6 What is ADOT's position today on continued
7 compliance with HB 2492 and 2243?

8 MR. WHITAKER: Objection. Overbroad,
9 ambiguous.

10 THE WITNESS: Currently it's the law as
11 written --

12 MR. MORGAN: Form.

13 THE WITNESS: -- and that's -- and that's
14 what we're implementing.

15:50:54 15 BY MR. HERRERA:

16 Q. Are there any new -- is there any new access that
17 ADOT is going to give or has given to the Attorney
18 General's Office to ADOT's data in order to comply with HB
19 2492 and 2243?

15:51:20 20 A. We would -- we will give access to the Attorney
21 General's Office if they decide that they need something
22 different than what they might be able to get today.

23 Q. And what is it that the attorney general has
24 access to today from ADOT's data for purposes of voter
15:51:39 25 registration?

1 A. Many government agencies can request MVRs, motor
2 vehicle records, things of that nature through a portal
3 process. And I don't know if that's sufficient for what
4 they would need or not. And, of course, they always have
15:51:58 5 the ability to call directly to us and ask for specifics
6 about a specific customer if they needed to.

7 Q. Is there anything -- we discussed earlier the HAVA
8 checks; right?

9 A. Uh-huh.

15:52:31 10 Q. Okay. Is there anything -- is there such a thing
11 as a soft match in a HAVA check?

12 A. I've heard that term used before, but I'm not sure
13 exactly what it refers to.

14 Q. Okay.

15:52:56 15 MR. HERRERA: I think -- could we take a
16 break and confer with the plaintiffs and see what other
17 questions we might have?

18 MR. WHITAKER: Yeah.

19 (A recess ensued.)

16:09:19 20 BY MR. HERRERA:

21 Q. Mr. Jorgensen, I'd like to go back to an exhibit
22 we looked at earlier, Exhibit 112, which is ADOT001464.
23 And if you could please turn to the third page of that
24 document, and it says ADOT001466.

16:09:49 25 And do you see in the middle paragraph with

1 the text -- but after Number 1, it says: "To comply with
2 Subsection F, a new report titled 'SOS Customer Extract':
3 a monthly extract of all customers with an active DL or ID
4 that contains Address Last-Change dates and
16:10:11 5 Non-Citizen-Status information"?

6 Earlier you testified that the extract being
7 sent to the Secretary of State's Office every month with
8 the noncitizenship data contains expired and revoked
9 licenses. Why does it say "active DL or ID" here?

16:10:50 10 A. I'm not sure. That may be a change. This was
11 from August to the point that we actually implemented it.
12 So we may have gone on to implement not just active, and it
13 also might be what we consider active, meaning --

14 Q. I see. So active -- is it possible that active
16:11:14 15 includes expired and revoked?

16 A. It could be active record with it. I would have
17 to go back and check on that.

18 Q. So you would have to check that?

19 A. Yeah.

16:11:23 20 Q. Okay. But you're not sure right now?

21 A. Yeah, I'm not -- I'm not -- the thing that makes
22 me think about it is it has 7.3 million records in it,
23 which is more than the active number of driver's licenses
24 that we have. So driver's licenses and IDs. So, I mean,
16:11:41 25 that's almost our entire population.

1 Q. Right. So that's what makes you think that the
2 extract includes revoked and expired licenses and the IDs?

3 A. So a revoked license or a suspended license,
4 something that has some sort of -- of prohibition on it
16:12:01 5 would still be an active license. Even an expired could
6 potentially be an active license, whereas like a canceled
7 out of jurisdiction would be an inactivated record. So I'd
8 have to clarify exactly what they meant by "active" on
9 that.

16:12:18 10 Q. Okay. But to confirm, the current extract that
11 ADOT sends to the Secretary of State's Office does contain
12 IDs and driver's licenses records that have expired,
13 revoked, and suspended licenses?

14 A. That is my understanding and I can confirm that.

16:12:43 15 MR. HERRERA: Well, we'd like a confirmation
16 for -- I'll just put that on the record.

17 Okay. Those are all of my questions for you
18 today. However, I think one of the other plaintiffs -- a
19 couple of the other plaintiffs might have questions for you
16:12:58 20 now via Zoom.

21

22

EXAMINATION

23 BY MS. COHEN:

24 Q. Hi, Mr. Jorgensen. This is Michelle Kanter Cohen.
16:13:12 25 I am with Fair Elections Center, and I represent the Poder

1 Latinx plaintiffs in this matter.

2 Can you hear me okay?

3 A. Yes.

4 Q. Great.

16:13:22

5 MS. COHEN: I want to -- Darrell, if you
6 could pull up the document that is Bates-labeled Pima
7 County 0032. I'd like to mark this -- I think we're at
8 Exhibit 117; is that right?

9 THE COURT REPORTER: Yes,

16:13:50

10 (The document was marked as Exhibit 117
11 for identification.)

12 BY MS. COHEN:

13 Q. I'm not sure if your counsel has a paper copy of
14 this one for you or not, so . . .

16:13:52

15 MR. HERRERA: Michelle, Niyati is pulling up
16 the -- the file. There you go.

17 MS. COHEN: Okay.

18 BY MS. COHEN:

16:14:17

19 Q. So, Mr. Jorgensen, are you able to see this on the
20 screen?

21 A. Yes.

22 Q. Okay. Do you recognize this document?

23 A. That is a -- one of our standard government data
24 access agreements.

16:14:33

25 Q. And this is an access agreement with the Pima

1 County Recorder's Office VR; correct?

2 A. That's what it is showing, yes.

3 Q. Okay. And "VR" is voter registration; is that
4 right?

16:14:48

5 A. I mean, that's a good assumption. I don't -- I
6 don't have any way of confirming that, but that's what it
7 looks like.

16:15:37

8 Q. Okay. If we could scroll down to Bates
9 Number 0045, please. Okay. Go down to the signature on
10 this document.

11 Okay. So you see the signature of the Pima
12 County Recorder --

13 A. Yes.

16:15:52

14 Q. -- Gabriella Cazares-Kelly? And Robert Smith,
15 administrator for the Motor Vehicle Division?

16 A. Correct.

17 Q. Okay. And if we scroll down to the director's
18 authorization, is that -- is that your signature down at
19 the bottom --

16:16:04

20 A. Yes.

21 Q. -- there on -- was it June 25 -- sorry -- 2022?

22 A. Yes, it is.

23 Q. Okay. And so why did ADOT establish this
24 agreement with the Pima County Recorder's Office?

16:16:21

25 A. Would it be okay if we scrolled up to the top of

1 that?

2 Q. Sure. Take your time. Yeah.

3 A. Top of the previous page. Right there. Down just
4 a little bit. Okay. This is an agreement to allow access
5 to a government agency, in this case the Pima County
6 Recorder's Office, to request through the MVRRS

16:16:45

7 application, which is a -- it is a portal hosted by the
8 Department of Administration that is used for records
9 requests. And they actually pull the records from us at
10 ADOT. And this was to allow them the ability to get a
11 39-month driving -- driver record and a 5-year certified
12 driver record. So they can request those and have those.

16:17:10

13 Q. Do you know why they requested access to those?

14 A. I'm not aware of what their -- their use of that
15 is or how they're using it.

16:17:39

16 Q. When they are being authorized to access the ADOT
17 data through MVRRS, is that also using an API?

18 A. So that's actually going directly to a portal that
19 is used by -- or -- or maintained by the Department of
20 Administration. And it produces, actually, a PDF of a
21 driver -- of an official driver record.

16:18:10

22 Q. So this would allow them to access records one at
23 a time; is that right?

24 A. Correct. An interactive version like that would
25 be one record at a time.

16:18:30

1 Q. How would Pima County search for a particular
2 record in this portal?

3 A. They would need some information around a driver
4 license number, date of birth, just a couple different
16:18:53 5 record pieces that they can use to try to find something
6 around the driver record.

7 Q. Do you know what else other than driver's license
8 and date of birth they could use?

9 A. Not offhand. I don't remember what DOA's search
16:19:11 10 criteria are for that.

11 Q. Would anyone else at ADOT know?

12 A. I mean, we could go back and find the answer.

13 MR. WHITAKER: I would note for the record
14 that -- my objection that this appears to be outside the
16:19:28 15 scope of the 30(b)(6) topics, or at least I don't see how
16 it falls within the 30(b)(6) topics.

17 MS. COHEN: Well, let's take a look at the Bates
18 page labeled 0056. It's in the same document. I'm sorry.
19 The Pima County 0056. Sorry about that.

16:20:01 20 BY MS. COHEN:

21 Q. Okay. And let's scroll up so we can see the
22 heading on that page.

23 And this is headed -- this is all part of the
24 same document that's -- was produced as the ADOT Government
16:20:28 25 Agency Electronic Data Access Agreement. Is this -- this

1 is labeled "SAVE Quick Start Guide for New Super Users."

2 Did I read that right?

3 A. That's what I see the title as.

4 Q. Do you recall whether this is an attachment to the
16:20:46 5 agreement that starts on 0032 we were just discussing?

6 A. I do not believe so. I don't recognize this as
7 being something that we provided.

8 Q. Okay.

9 MR. WHITAKER: Can I just quickly ask was
16:21:06 10 this in the Dropbox last night?

11 MS. COHEN: Yes. There was an initial error
12 in terms of the way I saved the document. I did make a
13 mistake with it, so the Bates number was there and then I
14 had to swap out the correct PDF. So it's possible that --
16:21:24 15 I'm not sure when you -- when you looked at it. It's
16 possible that the incorrect PDF was up there.

17 MR. WHITAKER: Okay. I was going to say I
18 recall a Pima County document that looked identical to the
19 secretary of state document. So that may have been when I
16:21:39 20 looked at it.

21 MS. COHEN: Okay. Yeah. That was the --
22 that was the PDF in error.

23 MR. WHITAKER: Okay.

24 MS. COHEN: Okay. Let's -- let's go ahead
16:21:53 25 and take down this exhibit. I'll move on. Darrell, if you

1 could pull up AZSOS-102956, please. It's also in the
2 Dropbox.

3 MR. WHITAKER: Okay. This one I do have a
4 copy of.

16:22:17 5 MS. COHEN: Great.

6 (The document was marked as Exhibit 118
7 for identification.)

8 BY MS. COHEN:

9 Q. So this is an email from Christy Hood at ADOT to
10 Yolanda Morales at SOS, to other folks, and copied to
11 Madelene Carbajal and Lisa Moore at ADOT as well; correct?

12 A. Correct.

13 Q. And looking at the email, Christy says: "Happy
14 Monday! I was able to confirm that the Secretary of State
15 has an existing AZ MVD Now account and MVRRS account. AZ
16 MVD Now user access is managed by the Secretary of State
17 account administrator."

18 Did I read at that right?

19 A. Yes.

16:23:19 20 Q. What is "AZ MVD Now"?

21 A. That is our customer portal. So it is a website
22 that -- in this case, it would be what the secretary of
23 state could access as a customer of MVD, and it would give
24 them services specific to them as a user.

16:23:43 25 Q. And what would the secretary of state be able to

1 access through AZ MVD Now?

2 A. It looks like in this they're specifically looking
3 at what we call the "Application Viewer," which is a
4 special service we provide to the secretary of state that
5 allows them to look up what the actual scanned paper
6 application of an applicant for a credential looks like so
7 they could see what exactly was marked on the application
8 of "Do you wish to register to vote or update your address
9 or update your information with the secretary of state?"

10 So they can actually read that by using this site.

11 Q. And the MVRRS account referenced in the same
12 sentence is the system we were just speaking about with the
13 previous document; correct?

14 A. That's correct.

15 Q. What other counties that you know of have access
16 to -- other than Pima, to the MVRRS directly?

17 MR. WHITAKER: I'll just quickly interject.
18 I think this is also outside the scope of the 30(b)(6)
19 topics, but the witness is free to answer.

20 THE WITNESS: I believe most counties have
21 access to it, but I would have to check to make sure.

22 BY MS. COHEN:

23 Q. Is that a tool that counties use or can use to
24 access citizenship information or authorized presence
25 information?

1 A. The -- I don't believe that the driver license
2 record has anything about citizenship information on it.
3 It would have things like address or current license
4 status, the license number, things more broadly about it --
16:25:49 5 I believe verification of age and residential address and
6 location.

7 Q. Thank you.

8 MS. COHEN: We can take this one down.

9 Darrell, could you pull up AZSOS-017979. We're going to
16:26:21 10 mark this as Exhibit 119, please.

11 This was in the Dropbox, so hopefully you
12 have a paper copy.

13 (The document was marked as Exhibit 119
14 for identification.)

15 BY MS. COHEN:

16 Q. And this is a 2022 -- sorry -- March 30th, 2022,
17 email from Yolanda Morales at the Secretary of State's
18 Office to Russ Smith and some other folks at the Secretary
19 of State's Office; correct?

16:27:03 20 A. Yes. That's what it appears to be.

21 Q. Okay. And what I want to do is -- if we can go to
22 the second -- I'm sorry -- the first paragraph, the third
23 sentence starting "The reason why." I'm not going to
24 mention the person's name, but "The reason why" this person
16:27:24 25 voter "is not able to use ServiceArizona is because his

1 'Authorized Presence Value' with MVD is Resident/Permanent
2 Alien, 'Green Card' holder. He should be advised to make
3 an appointment with MVD to update his citizenship status.
4 He is currently registered with Maricopa and provided DPOC
16:27:55 5 in 2018. Until MVD has proof of citizenship on file he
6 will not be able to use SAZ."

7 Just to clarify, "DPOC," to your
8 understanding, would be documentary proof of citizenship;
9 correct?

16:28:10 10 A. Yes.

11 Q. And "SAZ" is ServiceArizona?

12 A. Correct.

13 Q. So this is an example of a citizen whose
14 information in MVD is still resident/permanent alien;
16:28:27 15 correct?

16 A. It would appear so, yes.

17 MR. WHITAKER: Again I'll interject. I think
18 this is beyond the scope of the 30(b)(6) topics, but I'm
19 not instructing the witness not to answer.

16:28:36 20 BY MS. COHEN:

21 Q. How frequently do you think this situation of a
22 citizen whose information is out of date as to their status
23 in MVD occurs?

24 MR. MORGAN: Form.

16:28:55 25 MR. WHITAKER: Foundation also.

1 THE WITNESS: We really would have no way of
2 knowing that.

3 BY MS. COHEN:

16:29:08

4 Q. I want to take you to the next paragraph, last
5 sentence. This says: "As we get closer to the Primary and
6 General election this type of situation will be a daily
7 occurrence requiring the use of Swagger and MVD tools to
8 figure out the situation."

9 Do you see where it says that?

16:29:26

10 A. Yes.

11 Q. Is it your understanding that the Secretary of
12 State's Office personnel here, Ms. Morales, was indicating
13 that this type of out-of-date information would be a daily
14 occurrence?

16:29:45

15 MR. WHITAKER: Same objection about --

16 MR. MORGAN: Object to form, foundation.

17 MR. WHITAKER: Same objection to the 30(b)(6)
18 scope and foundation.

19 BY MS. COHEN:

16:29:58

20 Q. You can answer.

21 A. To be honest, I'm not sure what exactly she's
22 referring to because she also refers to a link being out of
23 date. And so I'm not -- I'm not sure which -- which
24 concern she has. So I don't know.

16:30:18

25 Q. Okay. But just to clarify, this is a person who

1 provided documentary proof of citizenship in 2018, and this
2 email is dated 2022; correct?

3 MR. MORGAN: Asked and answered.

4 THE WITNESS: That's what I'm reading.

16:30:38

5 BY MS. COHEN:

6 Q. I'm sorry, I didn't hear the response.

7 A. That's what I'm reading here as well.

8 Q. And it says there: "He should be advised to make
9 an appointment with MVD to update his citizenship status."

16:30:50

10 Would you agree with that advice?

11 MR. MORGAN: Object to form.

12 MR. WHITAKER: Outside the scope.

13 THE WITNESS: So the -- the only way you can
14 use ServiceArizona to do that, to register online, is to

16:31:04

15 have the correct authorized presence status, either a 1 or
16 a 4 with us. So if he wants to register using

17 ServiceArizona, he would have to get a new license that now
18 uses the new citizenship status and he'd have to prove

19 that. That's the only way he'll be able to use that. That
20 is a correct interpretation of why it was not working.

16:31:27

21 BY MS. COHEN:

22 Q. And that's an in-person appointment; correct?

23 A. Yes. That would need to be to be done in person,
24 meaning providing --

16:31:43

25 Q. He would have to bring -- I'm sorry.

1 A. Sorry. Meaning providing the documentation and
2 getting a new license, that is an in-person, yes.

3 Q. And he would have to bring his documentary proof
4 of citizenship to that appointment; right?

16:31:56 5 A. Correct. Correct.

6 MS. COHEN: I'm just going to take a minute
7 to check my notes. Let's take five minutes. Go off the
8 record, please.

9 (A recess ensued.)

16:38:38 10 MR. WHITAKER: Michelle, Eric -- the witness
11 got an answer from a question that he couldn't answer in
12 Ernest's questioning. If you don't have more questions, I
13 was thinking of returning to that to try to supplement the
14 record, but I leave that to your judgment.

16:39:04 15 MS. COHEN: That's fine. I don't have more
16 questions, so we can return to that.

17 MR. WHITAKER: Okay. I believe the --

18 MR. LANGHOFER: Before we --

19 MR. WHITAKER: Sorry. Kory?

16:39:15 20 MR. LANGHOFER: This is Kory for the RNC. I
21 want to -- I think this has been the third break we've
22 taken in the last hour. I think this has been the third
23 break we've taken in the last hour, and we're rounding
24 third on eight hours of, you know, clock time. That's not
16:39:38 25 all questioning time. And I appreciate people need time to

1 questioning figure out their questions and such, but I
2 don't think by taking serial breaks it's okay to sort of
3 extend almost indefinitely the seven-hour clock here. So
4 we're not going to make a motion right now, but it's been
16:39:53 5 kind of a running issue at these depositions. I want to mention
6 it so we're aware of it going forward.

7 MS. COHEN: I think it is important for us to
8 be able to, you know, streamline here and actually in the
9 end conserve our witnesses' time and our co-counsel. So I
16:40:12 10 think we're endeavoring to coordinate and make sure that --
11 that we're doing that.

12 MR. LANGHOFER: Our position is that it's
13 certainly not conserving co-counsel's time; right? Like,
14 we're all sitting here waiting on these breaks; seems like
16:40:26 15 every ten minutes we take another break. And your position
16 is, of course, it doesn't come out of the witness's time,
17 but I don't think that by potentially shifting what should
18 have been depo prep time to break time in the middle of a
19 deposition that's an appropriate use of the seven-hour
16:40:41 20 allotment. So we don't need to draw swords about this.
21 I'm just -- I mentioned the issue, and I've sort of said my
22 piece. We'll see what happens in the future.

23 MR. MORGAN: Well -- this is Craig Morgan for
24 the secretary of state. I tend to appreciate -- I
16:40:53 25 appreciate Mr. Langhofer's point, and I do think it's

1 something that I'm going to ask everyone to think about and
2 address before my client's representative is deposed
3 because I am not okay with the way time has been running
4 today.

16:41:13 5 MR. WHITAKER: Thank you both.

6 So I believe Ernest's question was about a --
7 was it Exhibit 112, ADOT001464, about what "active" meant;
8 is that right?

9 THE WITNESS: Correct.

16:41:34 10 MR. WHITAKER: So go ahead, Eric, with what
11 you've learned since.

12 THE WITNESS: So it is just confirming what I
13 said before. When it says "active," it doesn't necessarily
14 mean it means an active record with us. So it can be an
16:41:47 15 expired or canceled or revoked or suspended state. So
16 it's -- it's not necessarily that the credential itself has
17 to be totally pristine. It's just that -- that the record
18 is active with us.

19 MR. HERRERA: Understood. No follow-up
16:42:07 20 there.

21 MR. WHITAKER: Okay. Who's next for
22 questioning? Is there another plaintiffs' counsel?

23 MS. BRAILEY: Yes.

24 EXAMINATION

16:42:13 25 BY MS. BRAILEY:

1 Q. Hi, Mr. Jorgensen. I'm Emily Brailey. I
2 represent the United States here. I have only a few
3 follow-up questions for you.

16:42:28

4 If we could go back to Exhibit 111, which I
5 believe was ADOT 1400. And if you could go to 1406, which
6 is the page that has the "API" and ends in "returns a list
7 of customers." Are you with me?

8 A. Yes.

16:42:54

9 Q. Great. So you mentioned that it is possible under
10 one circumstance for a customer to have two customer IDs.
11 And I'm wondering what does that look like if you look that
12 customer up in -- using this API, would you have a result
13 of both customer IDs or what would that look like?

16:43:18

14 A. So it would depend on how you look the customer
15 up. If you go by customer number, then yes, it would
16 return -- it would be -- you would be able to see both IDs.
17 If you look it up by the ID number, then you'd only see the
18 ID that was -- that you had queried on.

19 Q. Got it.

16:43:37

20 And so you mentioned there's a circumstance
21 where one customer could have multiple IDs. Is there --
22 has there ever been a situation where -- where two
23 customers can have the same ID or multiple customers can
24 have the same ID?

16:43:55

25 A. There should never be a scenario where multiple

1 customers have the same ID.

2 Q. And to the extent you know the answer to this, if
3 we're talking about driver license numbers and not customer
4 IDs -- I'm wondering about the scenarios with driver
16:44:13 5 license numbers. Has there ever been a situation where
6 multiple customers could be given the same driver license
7 number?

8 A. The system is set up to prevent that. So there
9 should not be a case where multiple customers have the same
16:44:29 10 DL or ID number generally.

11 Q. I see. Okay. So back to the scenario when we're
12 looking people up using the API. And if there are multiple
13 records that are produced as a result of the query, how
14 would -- I guess, does ADOT have a procedure in place
16:44:52 15 that -- to determine whether these are the same individuals
16 or different individuals if the information you put into
17 the query comes back with multiple hits?

18 A. So if they have different customer ID number -- or
19 customer number IDs, then the system considers them to be a
16:45:13 20 different individual. So that's -- that's how we identify
21 what we believe to be a unique individual.

22 Q. So there would never be a situation where in the
23 hierarchy, for example, you don't have customer ID, you
24 don't have -- you know, you're going down the hierarchy and
16:45:35 25 you're down to maybe the name and birth date, or, you know,

1 one of the names and the birth date or something, in -- in
2 that situation when -- if you have a hit, is it possible
3 for those hits not to be associated with customer IDs?

16:45:57 4 A. So every record that we have will return a
5 customer ID. So each one, you'll be able to see it. That
6 will be able to tell you whether or not we believe that's a
7 separate individual or the same person.

8 Q. Okay. Got it.

16:46:15 9 And I noticed in the request there are six --
10 six criteria that you can use to find a record. Do you
11 know why those were the six criteria chosen to be able to
12 identify records in MAX?

16:46:37 13 A. That would have been done in consultation with the
14 secretary of state to say what -- what would be a viable
15 search methodology.

16 MR. WHITAKER: And I will note that question,
17 I think, is outside the scope of the 30(b)(6) topics, but
18 the witness can and has answered it.

19 BY MS. BRAILEY:

16:46:53 20 Q. Do you know when that consultation would have
21 happened?

22 A. So these -- these APIs, as they exist today, were
23 created in 2020. And I -- as I've said before, I don't
24 know what the prior ones looked like. And so I imagine
16:47:12 25 that they're built off of those prior ones. I can't tell

1 you exactly when that consultation would have occurred.

2 Q. Got it.

3 So just so that I'm clear, it would have been
4 some kind of communication with the secretary and the
16:47:24 5 secretary would have said something to the effect of these
6 are the types of criteria that would be the best to be able
7 to identify a record in the system. Is that my
8 understanding of how this would have happened?

9 A. Typically, we would work it by saying here's the
16:47:43 10 information that we have and here's the information that
11 you have and let's work together to see what would work for
12 a match.

13 Q. Got it.

14 And you told us multiple times that other
16:47:55 15 than the two files that are indicated -- excerpt files, I
16 guess, indicated in this exhibit, there are no other
17 programming changes as a result of HB 2492 or 2243. So
18 does that also mean that there are no programmatic updates
19 coming to the types of information that would be requested?
16:48:19 20 Like, you're not going to add, for example, place of birth
21 as a criteria?

22 A. Well, correct. We don't have any other
23 discussion. Place of birth isn't something that we store,
24 so we would never have that as a criteria.

16:48:34 25 Q. Got it. That's helpful.

1 Okay. So just a couple really, really small
2 questions. So MAX, if -- if my understanding is correct,
3 it's behind tons and tons of other portals. So is it -- so
4 it's also behind ServiceArizona?

16:48:54

5 A. Correct.

6 Q. Okay. So any information that's in ServiceArizona
7 would be -- strike that. I'm going to move on.

16:49:20

8 Okay. And you spoke a little bit about the
9 kind of information that the counties have access to with
10 MVRRS. Other than MVRRS and other than information that
11 comes in the purely PDF type of record, is there any other
12 data that counties have access to from ADOT?

13 MR. WHITAKER: Outside the scope. The
14 witness is free to answer if he has knowledge.

16:49:41

15 THE WITNESS: I'm not aware of anything else
16 that's a direct connect to us.

17 BY MS. BRAILEY:

18 Q. What information is shared between other states
19 and ADOT?

16:49:56

20 MR. WHITAKER: Same objection.

21 THE WITNESS: For -- can you clarify that?
22 I'm not sure what you mean by . . .

23 BY MS. BRAILEY:

24 Q. Yes.

16:50:07

25 So my understanding from what you said today

1 is there's an interaction between ADOT and other states
2 through maybe ERIC and -- is that correct?

3 A. That's correct. We do participate in the ERIC
4 program.

16:50:22

5 Q. Okay. And so if we go to -- I believe what has
6 been marked as Exhibit -- I believe this was 115. It's the
7 exhibit that begins with AZSOS-255142. And if you go to
8 the page that ends in AZSOS-255143.

9 Do you have that in front of you?

16:50:56

10 A. Yes.

11 Q. And so there's a message on here that says "3 days
12 ago they asked, 'Could you please provide me with the
13 contact information for the following states?'" And then
14 there are three state names. Do you see that --

16:51:11

15 A. Yes.

16 Q. -- on the page?

17 What is that in reference to?

18 MR. WHITAKER: Again, outside the scope.

19 He's free to answer if he has knowledge.

16:51:21

20 THE WITNESS: I don't know. That wasn't
21 between any of us.

22 BY MS. BRAILEY:

23 Q. Got it.

24 Do you have any idea, to the extent of your
16:51:30 25 experience and your knowledge, whether there would be, I

1 guess, any other information shared between states and ADOT
2 that is not related to ERIC?

3 MR. WHITAKER: Same objection.

4 THE WITNESS: Could you clarify what you mean
16:51:44 5 by -- states share a lot of information for all of the
6 driver license and vehicle services that we do. I'm not
7 sure what you're referring to.

8 BY MS. BRAILEY:

9 Q. I guess I'm just wondering if there's any kind of
16:52:01 10 system or portal or way that states are sending
11 identification information on individuals who, you know,
12 maybe they had an Arizona license and they canceled it in
13 that state or whatnot, if there's just an interchange of
14 information that's outside of ERIC between other states'
16:52:23 15 departments of transportation and ADOT.

16 A. Sure. Yes, there are -- there are a couple
17 systems that we use that help us know where a license is
18 and that can be used to electronically provide us with a,
19 you know, notification that -- that they have now
16:52:40 20 registered a license in another state. Not all states
21 participate in those systems, but there is some ability to
22 do that.

23 Q. And -- and so whatever information you would get
24 from those states, I guess, would that be part of MAX?

16:52:58 25 A. So if we get a record through, for example, the

1 State-to-State system to say, "Hey, I've now moved" --
2 that's the official name of the -- of that program is
3 State-to-State -- "I've now moved to New Mexico, and I've
4 gotten a New Mexico license," and they send us a
16:53:17 5 State-to-State message, yes, then we would cancel it in MAX
6 and that would become part of the record of MAX.

7 Q. That's helpful.

8 MS. BRAILEY: Okay. Those are the -- and
9 that is end of my questioning. Thank you so much,
16:53:39 10 Mr. Jorgensen.

11 And I will pass this along to anybody else,
12 if there is somebody else.

13 MR. WHITAKER: This is -- this is Josh. I
14 don't plan to ask any questions. So I guess I'll ask
16:53:53 15 whether -- I take it that no other plaintiff wants to ask
16 questions. Does anyone on the defense side want to ask
17 questions to ADOT's 30(b)(6) witness?

18 MR. WOODFIN: I have a few, if you don't
19 mind.

16:54:09 20 MR. WHITAKER: Well, my preferences aren't
21 what governs here. Go ahead.

22 MR. WOODFIN: Thank you.

23

24 EXAMINATION

16:54:11 25 BY MR. WOODFIN:

1 Q. Mr. Jorgensen, can you hear me okay?

2 A. Yes, I can.

3 Q. Okay. My name is Conor Woodfin. I represent the
4 Republican National Committee. And this should only take a
16:54:27 5 few minutes.

6 Let's start with the MAX system. Earlier
7 this morning, Mr. Herrera asked you whether you do any
8 audits of the MAX databases. And if you recall, you
9 mentioned you do weekly sampling. What do you check for
16:54:42 10 during that sampling process?

11 A. So that would be a review to make sure that we go
12 back through whatever was provided by the applicant and
13 make sure that all of that matches what was entered into
14 the system and that it was all done correctly and then the
16:55:02 15 product itself, whether driver's license or whatever, was
16 issued properly.

17 Q. Do you find errors when you do that process?

18 A. Yes, there are errors that we will find in that
19 process.

16:55:16 20 Q. Do you have any idea what the error rate is?

21 A. Right now, it runs -- we -- the error rate runs in
22 the high 80s -- well, the correct rate runs in the high
23 80s, so . . .

24 Q. Can you explain what that means?

16:55:33 25 A. 80 percent -- high 80 percent, so 85 to 89 percent

1 range is where we're typically at with the driver's license
2 error rate.

3 Q. Does -- does that mean that of the sample that you
4 pulled, 80 percent of those within the sample are errors?

16:55:52

5 A. Are error-free.

6 Q. Are error-free. Thank you.

7 And then I assume you correct the errors?

8 A. Correct.

16:56:03

9 Q. Would you characterize the databases in the MAX
10 system as accurate?

11 MR. WHITAKER: Objection. Overbroad.

12 THE WITNESS: When we -- when we look at the

13 MAX system itself and the errors, typically the types of
14 errors that we find is that something wasn't properly

16:56:20

15 scanned in or something along those lines. Typically, it's
16 not something that would be -- that -- that would
17 invalidate the data that is in the system. Largely, yes,
18 the system is accurate.

19 BY MR. WOODFIN:

16:56:35

20 Q. Is the MAX system more accurate than the legacy
21 system?

22 A. I would say that the MAX system has more checks
23 and balances into it, making it harder to do certain
24 errors. It's certainly -- certainly makes it harder to
16:56:58 25 enter. The old system was fairly free-form in the way that

1 you would enter it. So there was a lot more in the way of
2 typos and those kind of things that could occur in the old
3 system, which would lead the new system to be more accurate
4 from that respect.

16:57:17 5 Q. Is the customer extract data that you provide to
6 the secretary of state accurate?

7 A. It is an accurate reflection of what we have in
8 the system.

9 Q. Do you know of any practical steps you could take
16:57:31 10 to make that extract data more accurate?

11 A. No.

12 Q. No. So then are you confident that the data you
13 share with the secretary of state is as reasonably accurate
14 as possible?

16:57:46 15 A. It is --

16 MR. WHITAKER: I'm going to object.
17 Ambiguous. Go ahead.

18 THE WITNESS: It is -- again, like I said,
19 it's an accurate reflection of whatever is in the database.
16:57:56 20 Yes, I am very confident that it accurately reflects what
21 we have recorded.

22 BY MR. WOODFIN:

23 Q. Do you know when Arizona began requiring
24 documentary proof of citizenship to obtain a driver's
16:58:09 25 license?

1 MR. WHITAKER: Objection outside the scope,
2 and I think calls for a legal conclusion.

3 MR. HERRERA: Objection. Misstates the
4 testimony, I think, too.

16:58:17 5 BY MR. WOODFIN:

6 Q. I'll ask it this way: Do you know when ADOT began
7 requiring documentary proof of citizenship?

8 MR. WHITAKER: Same objection.

9 MR. HERRERA: Same objection. Misstates the
16:58:26 10 testimony.

11 THE WITNESS: I -- I do not offhand know when
12 that happened.

13 BY MR. WOODFIN:

14 Q. Does ADOT have access to any database that
16:58:38 15 contains a record of every United States citizen?

16 MR. MORGAN: Form.

17 MR. WHITAKER: And outside the scope.

18 THE WITNESS: I'm not aware of a database
19 that contains every United States citizen.

16:58:56 20 BY MR. WOODFIN:

21 Q. Not aware of any database?

22 A. No.

23 Q. If someone is unable to show authorized presence
24 documents, would you conclude that that person is not a
16:59:08 25 U.S. citizen?

1 MR. WHITAKER: Objection. Incomplete
2 hypothetical.

3 THE WITNESS: If a person doesn't show
4 authorized presence documentation, then we would not issue
16:59:22 5 a license for them. So we would -- based on the fact that
6 you have to provide documentation to get a license. I'm
7 not sure if that answers your question.

8 BY MR. WOODFIN:

9 Q. Maybe a different way of asking this is do you
16:59:37 10 have access to any other information that would
11 affirmatively prove that someone who is unable to provide
12 authorized presence documents is not a U.S. citizen?

13 MR. MORGAN: Form.

14 MR. WHITAKER: Join.

16:59:52 15 MR. MORGAN: And vague as to what "any other
16 information" means.

17 THE WITNESS: Yeah. I'm not sure I
18 understand the question.

19 BY MR. WOODFIN:

16:59:59 20 Q. All right. I'll try one more time, and then we
21 can move on.

22 Other than the absence of evidence that
23 someone is a U.S. citizen, what other information do you
24 have within the databases that would show that someone is
17:00:15 25 not a U.S. citizen?

1 MR. MORGAN: Form. Vague as to
2 "information."

3 THE WITNESS: So I'll put it this way: From
4 our perspective, what is important is that the customer
17:00:31 5 provide proof that they are. And outside of that, we --
6 there's nothing else that we do other than receive the
7 documentation from the customer and validate it. That's
8 the only thing that we do.

9 MR. WOODFIN: Okay. That's all I have.
17:00:45 10 Thank you.

11 MR. WHITAKER: Okay. I think that is
12 everyone, but I'll -- I'll give one last chance. It's
13 5:00 p.m. on a Friday. Anyone want to extend their Friday
14 longer?

17:00:58 15 MR. HERRERA: No questions from Promise
16 Arizona.

17 MR. MORGAN: Nothing from me other than
18 thanks a lot for being patient and considerate in all of
19 your time today. Really appreciate it.

17:01:18 20 MR. WHITAKER: Thank you very much.
21 We will read and sign.

1 CHARLOTTE ASRARYNEZAMI,
2 the witness herein, being first duly sworn,
3 was examined and testified as follows:

09:06:47 5 MR. FERGUSON: Thank you.

09:06:47 6

09:06:48 7 EXAMINATION

09:06:48 8 BY MR. FERGUSON:

09:06:48 9 Q. Good morning, Ms. Asrarynezami. Please let me
09:06:52 10 know if I'm not getting your name right. Thanks so much
09:06:55 11 for being here today.

09:06:56 12 We're just going to start off by talking
09:06:59 13 about a few basics about you and the background of this
09:07:04 14 deposition.

09:07:05 15 So could you start by just stating your name
09:07:08 16 for the record and spelling it.

09:07:09 17 I know you did that before we were on the
09:07:12 18 record, but if you would just do it one more time, that
09:07:14 19 would be helpful.

09:07:15 20 A. Charlotte Asrarynezami, A-s-r-a-r-y-n-e-z-a-m-i.

09:07:23 21 Q. Thanks so much. So a little bit about how the
09:07:25 22 deposition will work, do you understand that you're
09:07:29 23 testifying under oath today?

09:07:31 24 A. Yes.

09:07:31 25 Q. Excellent.

09:07:33 1 And you understand that a court reporter is
09:07:35 2 transcribing the deposition?

09:07:37 3 A. Yes.

09:07:37 4 Q. Okay. Great.

09:07:40 5 So just to make it easier for the court
09:07:44 6 reporter, if every time you answer a question, if you could
09:07:47 7 answer it audibly rather than nodding or shaking your head
09:07:51 8 and say things like "yes" or "no" rather than saying
09:07:53 9 "uh-huh." Does that work?

09:07:54 10 A. Okay. Yes.

09:07:55 11 Q. Great.

09:07:56 12 And if you don't understand a question that I
09:07:58 13 ask, please let me know. And I can repeat it, or I can
09:08:02 14 rephrase it.

09:08:03 15 So if you do answer the question, I'll assume
09:08:06 16 you did understand it. Do you understand that?

09:08:08 17 A. Yes.

09:08:09 18 Q. Okay. Great.

09:08:11 19 So as I'm asking questions, you might hear
09:08:14 20 your attorney or other attorneys object to a question I
09:08:18 21 ask. So if that happens, then please let them finish the
09:08:21 22 objection. Then after they finish, you can still answer
09:08:25 23 the question.

09:08:26 24 You should still answer it unless they --
09:08:28 25 unless your attorney directs you not to answer it. Do you

09:08:32 1 understand that?

09:08:32 2 A. Yes.

09:08:33 3 Q. Okay. Great.

09:08:34 4 Is there any reason that you can't give full,
09:08:39 5 complete, and truthful testimony today?

09:08:41 6 A. No.

09:08:44 7 Q. Great.

09:08:45 8 Have you taken any medications in the last
09:08:47 9 24 hours that would affect your ability to testify today?

09:08:50 10 A. No.

09:08:52 11 Q. Great. So I'll probably take a couple breaks
09:08:56 12 throughout this deposition. If you would like to take a
09:08:58 13 break, just let me know.

09:08:59 14 The only thing I would ask is that if I've
09:09:02 15 already asked a question and you want to take a break,
09:09:05 16 please answer that question first before we take the break.

09:09:11 17 Do you understand that?

09:09:11 18 A. Yes.

09:09:12 19 Q. Great.

09:09:16 20 Have you ever been deposed before?

09:09:17 21 A. No.

09:09:17 22 Q. Okay. And once again for the record -- I know you
09:09:21 23 mentioned this -- could you tell us where you're physically
09:09:25 24 located today?

09:09:26 25 A. I'm at 1400 East Ash Street in Globe, Arizona

09:09:29 1 85501.

09:09:32 2 Q. Excellent.

09:09:33 3 Did you bring any materials with you to the

09:09:36 4 deposition?

09:09:37 5 A. No. I have -- I have the deposition folder

09:09:46 6 Dropbox.

09:09:47 7 Q. Excellent. Yeah. The one that I sent?

09:09:50 8 A. Yes.

09:09:50 9 Q. Okay. Great.

09:09:52 10 Do you have any -- so all those documents

09:09:56 11 we'll look at later. Do you have any other documents in

09:09:58 12 front of you right now?

09:10:00 13 A. No.

09:10:00 14 Q. Okay. Great.

09:10:03 15 So now we'll just talk briefly some about

09:10:06 16 your background. And we can start with your educational

09:10:10 17 background.

09:10:11 18 Can you tell me about any school or degrees

09:10:14 19 you've completed after high school?

09:10:17 20 A. I have an AA in general science.

09:10:20 21 Q. Okay. And where is that from?

09:10:22 22 A. The Gila Pueblo Community College.

09:10:26 23 Q. Excellent.

09:10:28 24 And a little bit about your professional

09:10:31 25 background. Can you tell me your current title at the

09:10:36 1 County Recorder's Office?

09:10:37 2 A. I'm a chief deputy recorder.

09:10:39 3 Q. And how long have you been in that position?

09:10:42 4 A. Since 2016.

09:10:43 5 Q. Okay. And did you have any other job within the

09:10:49 6 County Recorder's Office before you were chief deputy?

09:10:52 7 A. Yes.

09:10:52 8 Q. Okay. What position was that?

09:10:55 9 A. As -- I've been a clerk, a recorder clerk senior,

09:10:59 10 the office supervisor, and a voter registration

09:11:02 11 coordinator.

09:11:02 12 Q. Okay. A lot of positions.

09:11:05 13 So when did you join the County Recorder's

09:11:08 14 Office?

09:11:08 15 A. In 2010.

09:11:11 16 Q. Okay. So you've been working there about

09:11:14 17 13 years?

09:11:15 18 A. Yes.

09:11:15 19 Q. Okay. Excellent.

09:11:18 20 And so before 2010, can you tell me what jobs

09:11:25 21 you held?

09:11:26 22 A. Oh, gosh, I had a job as a janitor for a really

09:11:33 23 long time. I've worked for the Globe justice court.

09:11:40 24 Q. Okay.

09:11:43 25 A. Yeah.

09:11:43 1 Q. And did you have any jobs before you were at the
09:11:50 2 County Recorder's Office that involved any kind of voter
09:11:53 3 registration or voting or anything similar to that?

09:11:56 4 A. No.

09:11:56 5 Q. Okay. And have you previously used any names
09:12:04 6 other than your current one?

09:12:06 7 A. My maiden name, which is Williams.

09:12:09 8 Q. Okay. And when did you change your name from
09:12:11 9 Williams?

09:12:12 10 A. 2018.

09:12:14 11 Q. Okay. So you were known as Charlotte Williams,
09:12:20 12 after you became chief -- chief deputy recorder, for a
09:12:23 13 couple years --

09:12:24 14 A. Yes.

09:12:25 15 Q. -- is that correct?

09:12:25 16 A. Yes.

09:12:28 17 Q. Okay. Excellent.

09:12:31 18 Now we're going to move on to just what
09:12:32 19 you've done to prepare for the deposition today. So I'm
09:12:35 20 going to pull up Document A in the Dropbox.

09:12:40 21 And what I'm going to try to do is share my
09:12:43 22 screen just to make sure we're all looking at the same
09:12:46 23 thing. So I'm going to -- I know you have it too. But I'm
09:12:55 24 going to do that and make sure.

09:12:56 25 Can you see that?

Q. Okay. Excellent. Let me pull it up right now.

Okay.

So do you recognize this document?

A. Yes.

Q. Okay. Can you tell me what it is?

A. The notice of -- the plaintiffs' notice of deposition.

THE COURT REPORTER: Do you want to mark this?

MR. FERGUSON: Yes, please. I think we're on 128; is that correct?

THE COURT REPORTER: 129.

MR. FERGUSON: 129. Okay. Can we please mark it as Exhibit 129.

(The document was marked as Exhibit 129 for identification.)

MR. FERGUSON: Thanks very much.

MR. MAKKER: Hey, Brent, just to jump in, I think -- don't we have, like, two going today? I don't know if --

MR. FERGUSON: We do.

MR. MAKKER: Okay. I don't know if you guys coordinated that, so just wanted to make sure.

MR. FERGUSON: Yeah, the other one going on

09:13:42 1 today is starting in a few hours. And we're --

09:13:47 2 MR. MAKKER: Okay. Got it.

09:13:47 3 MR. FERGUSON: -- making an effort --

09:13:47 4 MR. MAKKER: Got it. Yep.

09:13:50 5 MR. FERGUSON: Thanks for inquiring on that,

09:13:51 6 though. Appreciate it.

09:13:56 7 BY MR. FERGUSON:

09:13:57 8 Q. Let's go down -- I'm going to scroll down on this

09:14:05 9 to the top of page 5.

09:14:06 10 Do you see where it says "Topics" on the top

09:14:10 11 of page 5 of that document?

09:14:12 12 A. Yes.

09:14:12 13 Q. Great.

09:14:13 14 And have you reviewed the topics that are

09:14:17 15 listed here?

09:14:18 16 A. Yes.

09:14:19 17 Q. And are you prepared to discuss all the topics

09:14:26 18 listed here today?

09:14:27 19 A. Yes.

09:14:28 20 Q. Excellent. Okay. Thanks very much.

09:14:33 21 Are there any topics that you don't feel

09:14:36 22 prepared to address?

09:14:39 23 A. No.

09:14:40 24 Q. Okay. Excellent.

09:14:43 25 Do you understand that you have been

09:14:48 1 designated to be the deponent for -- on behalf of the Gila

09:14:55 2 County Recorder's Office today?

09:14:55 3 A. Yes.

09:14:56 4 Q. And so as part of that, I may sometimes use the

09:15:00 5 word "you" or "your." And unless I say otherwise, I'm

09:15:04 6 referring to the County Recorder's Office generally.

09:15:10 7 Do you understand that?

09:15:11 8 A. Yes.

09:15:12 9 Q. Okay. Excellent.

09:15:17 10 Okay. So let's talk a little bit more about
09:15:19 11 your preparation for the deposition.

09:15:23 12 First of all, if you discussed anything with
09:15:25 13 your attorney about this deposition, please don't tell me
09:15:27 14 the substance of what you discussed. But it's okay to say
09:15:31 15 that you did meet with your attorney.

09:15:35 16 So can you tell me if you met with anyone in
09:15:38 17 your office to prepare for the deposition?

09:15:42 18 A. Does that include my county attorney?

09:15:46 19 Q. Yes.

09:15:47 20 You can tell me just that you -- if you had a
09:15:49 21 meeting. But please don't tell me what you discussed.

09:15:52 22 A. Yes.

09:15:52 23 Q. Okay. Great.

09:15:54 24 And how many meetings did you have with the
09:15:56 25 county attorney?

09:15:57 1 A. We've had maybe two meetings and a couple phone
09:16:04 2 calls.

09:16:06 3 Q. Okay. Excellent.

09:16:09 4 And how long were those meetings?

09:16:11 5 A. Oh, gosh, I couldn't -- I couldn't say.

09:16:16 6 Q. Yeah, nothing exact. But if you give me, you
09:16:18 7 know, a rough idea --

09:16:19 8 A. Anywhere from 2 minutes to 40 minutes.

09:16:23 9 Q. Okay. That was two meetings, you said anywhere
09:16:28 10 between 2 and 40 minutes -- anywhere between 2 and 40
09:16:34 11 minutes?

09:16:34 12 A. Yes. Yes.

09:16:35 13 Q. Okay. And did you meet with anyone else other
09:16:40 14 than your attorney about the deposition?

09:16:42 15 A. I had met with the recorder.

09:16:44 16 Q. Okay. And was that just one meeting?

09:16:48 17 A. Two.

09:16:50 18 Q. Two meetings.

09:16:51 19 Can you tell me what you talked about with
09:16:55 20 the county recorder to prepare for the deposition in those
09:16:57 21 meetings?

09:16:58 22 A. We went over these topics.

09:17:02 23 Q. The topics listed on the document we're looking
09:17:04 24 at?

09:17:05 25 A. Yes.

09:17:06 1 Q. Okay. Excellent.

09:17:07 2 Is there any particular topic that you
09:17:14 3 recall, from those meetings, discussing?

09:17:20 4 A. Nothing in particular.

09:17:21 5 Q. Okay. And did you review any other documents in
09:17:30 6 preparation for the deposition?

09:17:32 7 A. I have reviewed the Election Procedures Manual and
09:17:38 8 the -- the Election Procedures Manual.

09:17:41 9 Q. Okay. And is that the 2019 version of the EPM --

09:17:45 10 A. Yes.

09:17:45 11 Q. -- that you're referring to?

09:17:47 12 A. Yes.

09:17:47 13 Q. Great.

09:17:49 14 And then do you have an idea of what this
09:17:53 15 lawsuit is about?

09:17:55 16 A. I have an idea, yes.

09:17:58 17 Q. Okay. Can -- of course, you don't need to know
09:18:02 18 exactly or talk about specific claims. But can you just
09:18:05 19 give me your general understanding of what it's about?

09:18:10 20 A. I believe it is about requiring people to put
09:18:20 21 their place of birth as a requirement for the voter
09:18:25 22 registration and kind of what -- that's one part of it --
09:18:28 23 and what that would look like for voter registration.

09:18:35 24 Q. Okay. Excellent. So I'm going to pull up a
09:18:39 25 different document now, if you'll bear with me one moment.

09:19:00 1 Can you see the document that's on the screen
09:19:01 2 now?
09:19:02 3 A. Yes.
09:19:02 4 Q. And do you recognize this document?
09:19:06 5 A. Yes.
09:19:06 6 Q. Okay. Can you tell me what it is?
09:19:10 7 A. It's the interrogatories.
09:19:14 8 Q. Okay. And those are -- and you've seen this
09:19:18 9 document before --
09:19:18 10 A. Yes.
09:19:21 11 Q. -- and read those interrogatories; is that
09:19:22 12 correct?
09:19:22 13 A. Yes.
09:19:22 14 Q. Okay. Excellent.
09:19:23 15 Now I'll just quickly go to one more just to
09:19:29 16 make sure you've seen that.
09:19:35 17 THE COURT REPORTER: Sorry. While you're
09:19:36 18 doing that, do you want to mark that?
09:19:39 19 MR. FERGUSON: Yes. Thank you for that. We
09:19:39 20 were on 129; is that correct? So this is Exhibit 130.
09:19:49 21 THE COURT REPORTER: Yes, this is 130.
09:19:49 22 (The document was marked as Exhibit 130
09:19:49 23 for identification.)
09:19:50 24 (An off-the-record discussion ensued.)
09:19:50 25 MR. FERGUSON: I'm going to pull up right now

09:19:58 1 Document C. So if we could mark that as 131, that would be
09:20:02 2 great.

09:20:05 3 (The document was marked as Exhibit 131
09:20:09 4 for identification.)

09:20:09 5 BY MR. FERGUSON:

09:20:10 6 Q. Can you see the document that I just pulled up
09:20:12 7 now?

09:20:13 8 A. Yes.

09:20:14 9 Q. Okay. And can you tell me what that document is?

09:20:16 10 A. Those are our responses to the interrogatories.

09:20:20 11 Q. And were you involved in preparing those
09:20:22 12 responses?

09:20:23 13 A. Yes.

09:20:23 14 Q. Okay. Can you tell me what you did to prepare
09:20:27 15 those responses?

09:20:30 16 A. I consulted with my legal counsel and the recorder
09:20:35 17 and our Election Procedures Manual.

09:20:37 18 Q. Okay. And can you tell me about how much time you
09:20:43 19 spent on preparing those responses?

09:20:46 20 A. Oh, gosh, several days.

09:20:48 21 Q. Okay. All right. For now, I'm going to pull that
09:20:55 22 down off the screen.

09:20:57 23 And I just want to move on to just generally
09:21:01 24 a few things about what your office does and
09:21:05 25 responsibilities.

09:21:06 1 So can you just describe for me generally
09:21:09 2 what the County Recorder's Office does with respect to --
09:21:14 3 with respect to elections in the county?
09:21:17 4 A. So we take the voter registration forms that are
09:21:22 5 given to us by voters throughout the county. We enter them
09:21:25 6 into our system. And we process them. We maintain those
09:21:30 7 rolls. And we are responsible for mailing out early
09:21:33 8 ballots and the signature verification of those early
09:21:37 9 ballots.

09:21:38 10 Q. Okay. And is there anyone else within your office
09:21:43 11 that works on the election side performing those -- those
09:21:47 12 duties that you just described besides you and the county
09:21:50 13 recorder?

09:21:50 14 A. Yes.

09:21:53 15 Q. How many people is that?

09:21:57 16 A. We try to cross-train. So a lot of the employees
09:22:01 17 have a little bit of experience. But I would say maybe one
09:22:04 18 other employee who does the majority of voter registration.

09:22:10 19 Q. Okay. And what's that person's name?

09:22:12 20 A. Katie Judd.

09:22:14 21 Q. Katie Judd.

09:22:15 22 Okay. You said there are a few other people
09:22:17 23 that might do a little bit. Could you tell me their names
09:22:22 24 too, please?

09:22:23 25 A. Taylor Holland and Stephanie Johnson.

09:22:27 1 Q. Okay. And you mentioned Katie Judd. Can we go
09:22:35 2 over her responsibilities a little bit more?

09:22:38 3 You might have started to mention it, but can
09:22:41 4 you tell me what she does in the office?

09:22:42 5 A. She processes the daily mail that comes through
09:22:48 6 and the EZ voters. So she does a lot of the day-to-day
09:22:52 7 transactions.

09:22:52 8 Q. Okay. So is she the main person who is receiving
09:22:57 9 and reviewing voter registration forms that come in?

09:23:00 10 A. Yes.

09:23:00 11 Q. And do you do that yourself also?

09:23:04 12 A. Yes.

09:23:05 13 Q. Okay. So you share that responsibility. Is that
09:23:11 14 shared about 50-50, or does -- do either one of you do the
09:23:14 15 primary amount of that?

09:23:16 16 A. Katie does the primary -- the primary amount of
09:23:21 17 it.

09:23:21 18 Q. Okay. Excellent.

09:23:23 19 Okay. I'd like to move on now to the
09:23:29 20 Election Procedures Manual that you mentioned a few moments
09:23:33 21 ago. So I will -- I'm going to pull up that document as
09:23:37 22 well. Give me just a moment.

09:23:51 23 So scrolling to the top, this is Document F,
09:23:55 24 and it's already been marked as -- sorry for that. It's
09:24:01 25 already been marked as Petty Exhibit 6.

09:24:07 1 Do you recognize this as the 2019 Election
09:24:11 2 Procedures Manual?
09:24:11 3 A. Yes.
09:24:12 4 Q. Great. And I'll refer to that as the "EPM."
09:24:17 5 Can you tell me just how your office uses the
09:24:20 6 EPM?
09:24:24 7 A. We use it as a reference guide.
09:24:33 8 Q. Sure. And do you refer to it when you're
09:24:36 9 implementing voter registration rules, things like that?
09:24:41 10 A. Yes.
09:24:41 11 Q. And I think we mentioned this before.
09:24:46 12 Is the 2019 version still the operative
09:24:50 13 version?
09:24:53 14 A. Yes, I believe.
09:24:54 15 Q. So that's the one that -- is this the only one you
09:24:57 16 refer to --
09:24:58 17 A. Yes.
09:24:58 18 Q. -- in your job today? Okay.
09:25:03 19 And is -- is the EPM binding on your office,
09:25:05 20 meaning you're required to follow it?
09:25:08 21 A. I believe so.
09:25:15 22 MR. FERGUSON: Okay.
09:25:19 23 MR. LANGHOFER: Form. Calls for a legal
09:25:21 24 conclusion.
09:25:21 25 BY MR. FERGUSON:

09:25:22 1 Q. Okay. Now we'll move on to one more document

09:25:30 2 here. So just one moment.

09:25:44 3 Okay. And this is Document G, which has

09:25:47 4 already been marked Exhibit 35. Do you recognize this

09:25:51 5 document?

09:25:51 6 A. Yes.

09:25:54 7 Q. Okay. Can you tell me what it is?

09:25:54 8 A. It's the draft of the -- of the procedures manual

09:25:59 9 for the -- for June 2023.

09:26:03 10 Q. Okay. Excellent.

09:26:04 11 So you've seen this document before; is that
09:26:06 12 correct?

09:26:06 13 A. Yes.

09:26:07 14 Q. Okay. And have you provided any comments on this
09:26:14 15 draft or previous drafts to the Secretary of State's Office
09:26:18 16 or anyone else?

09:26:20 17 A. No.

09:26:20 18 Q. Okay. Have you attended any meetings or trainings
09:26:31 19 with the secretary of state about this document?

09:26:38 20 A. Yes.

09:26:39 21 Q. Okay. Can you tell me about that meeting?

09:26:44 22 A. We've had a couple of Teams meetings to go over
09:26:48 23 comments and go over their draft of the procedures manual.

09:26:56 24 Q. Okay. And were those -- can you tell me roughly
09:26:59 25 when those meetings were?

09:27:02 1 A. Oh, I think -- I think we have one -- I want to
09:27:06 2 say once a month --
09:27:07 3 Q. Okay.
09:27:08 4 A. -- if not twice a month.
09:27:11 5 Q. And so that's been for the last six months or the
09:27:17 6 last year that you've had once-a-month meetings?
09:27:20 7 A. I don't -- I don't remember. I don't recall.
09:27:22 8 Q. And you said that your office hasn't provided
09:27:25 9 input on this draft or previous drafts though; is that
09:27:30 10 right?
09:27:30 11 A. No.
09:27:30 12 Q. Okay. But have -- in those meetings, have other
09:27:38 13 county recorders or other people in those meetings provided
09:27:42 14 comments? Is that what was happening at those meetings?
09:27:47 15 A. Other counties have provided comments, yes.
09:27:49 16 Q. Okay. Great.
09:27:51 17 And are you -- just to the extent that you
09:27:54 18 know or remember, can you tell me what those comments were
09:27:58 19 about, which subjects of the EPM those were about?
09:28:05 20 MR. MORGAN: Form.
09:28:05 21 THE WITNESS: I couldn't tell you. I don't
09:28:07 22 remember. It's a lot of detail.
09:28:08 23 BY MR. FERGUSON:
09:28:10 24 Q. Okay. Do you have any recollection of topics that
09:28:16 25 were covered in these meetings or changes to the EPM that

09:28:21 1 were covered in these meetings?

09:28:24 2 A. No.

09:28:25 3 Q. Do you remember discussing, for example, a
09:28:32 4 provision in newly enacted law that requires a registration
09:28:38 5 applicant to list their place of birth on an application?

09:28:44 6 MR. MORGAN: Form.

09:28:46 7 THE WITNESS: I don't -- I don't recall
09:28:48 8 specifically.

09:28:49 9 BY MR. FERGUSON:

09:28:49 10 Q. Okay. Is there anyone else in your office that's
09:28:54 11 been attending these meetings?

09:28:57 12 A. Yes.

09:28:57 13 Q. Okay. Can you tell me who that is?

09:29:00 14 A. All of the ones I've listed before.

09:29:02 15 Q. Okay. So the county recorder attends them, and I
09:29:09 16 believe it was -- Ms. Judd attends them as well?

09:29:12 17 A. Yes.

09:29:12 18 Q. Okay. Okay. I'd like to just move on to the laws
09:29:23 19 that are being challenged in this lawsuit.

09:29:29 20 So are you aware of the two laws that are
09:29:32 21 being challenged here: That's HB 2492 and HB 2243?

09:29:39 22 A. Yes.

09:29:40 23 Q. Okay. And have you received any guidance from the
09:29:47 24 secretary of state or anyone else within the state about
09:29:51 25 implementation of those laws?

09:29:52 1 A. No.

09:29:53 2 Q. Okay. The meetings that you mentioned a moment

09:30:04 3 ago, those have not involved any -- any kind of guidance

09:30:12 4 about implementation?

09:30:13 5 A. No.

09:30:14 6 Q. I'm going to pull up one more document right now.

09:30:23 7 And this is Document I in the folder, which I believe we do

09:30:26 8 need to mark as a new exhibit. I think -- is that 131 or

09:30:34 9 132?

09:30:34 10 THE COURT REPORTER: 132.

09:30:34 11 (The document was marked as Exhibit 132

09:30:34 12 for identification.)

09:30:40 13 MR. FERGUSON: Okay. Thanks very much.

09:30:40 14 BY MR. FERGUSON:

09:30:40 15 Q. Do you recognize this document?

09:30:43 16 A. Yes.

09:30:45 17 Q. Okay. Can you tell me what it is?

09:30:47 18 A. It's an email from Kori.

09:30:51 19 Q. An email from Kori Lorick?

09:30:54 20 A. Yes.

09:30:54 21 Q. And is Kori Lorick from the Secretary of State's

09:31:01 22 Office?

09:31:01 23 A. Yes.

09:31:05 24 Q. Did you receive this email, or have you seen it

09:31:08 25 before?

09:32:34 25

A. Yes.

Q. Okay. Can you tell me what it's referring to or what it's about?

A. I believe it's about a call we had. And we discussed the implementation of the house bills and the effective date of those.

Q. Okay. And so this document refers to a training that was on August 25th, 2022; is that correct?

A. Yes.

Q. And do you remember if you or anyone from your office attended that?

A. I don't remember.

Q. Okay. Do you remember if this training or other ones contained material about implementation of -- of those two laws that we just mentioned: 2492 and 2243?

MR. MORGAN: Form.

THE WITNESS: Can you repeat that?

BY MR. FERGUSON:

Q. Sure.

Do you remember if this training or any others contained material about implementing the challenged laws, which are HB 2243 and 2492?

MR. MORGAN: Form.

THE WITNESS: I -- I don't remember. I don't recall.

09:32:34 1 BY MR. FERGUSON:

09:32:34 2 Q. Okay. Has the Secretary of State's Office

09:32:45 3 directed you to implement any parts of HB 2492?

09:32:53 4 A. No.

09:32:53 5 Q. Okay. And has the Secretary of State's Office

09:32:58 6 directed you to implement any parts of HB 2243?

09:33:02 7 A. No.

09:33:02 8 Q. Okay. Are you implementing any part of HB 2492?

09:33:15 9 A. I don't believe so.

09:33:23 10 Q. Okay. Give me just a moment. I'm going to pull

09:33:34 11 up one more document here.

09:34:10 12 Okay. And we just talked about 2492.

09:34:15 13 Is your office implementing any portion of

09:34:18 14 HB 2243?

09:34:20 15 A. No.

09:34:21 16 Q. Okay. I'm going to pull up what we had before as

09:34:28 17 Document B.

09:34:31 18 MR. FERGUSON: I think we marked that as

09:34:33 19 Exhibit 130; is that correct?

09:34:37 20 THE COURT REPORTER: Yes.

09:34:43 21 BY MR. FERGUSON:

09:34:45 22 Q. Okay. And this is the set of interrogatories that

09:34:49 23 you saw a few moments ago. I'm going to go to the top of

09:34:54 24 page 10 of this document, which is Interrogatory Number 8.

09:35:03 25 Okay. So do you see that right there on the

09:35:09 1 screen --

09:35:09 2 A. Yes.

09:35:09 3 Q. -- Interrogatory Number 8?

09:35:12 4 Okay. I'm going to read for the record just

09:35:14 5 the beginning of that interrogatory.

09:35:16 6 "Identify and describe each method by which

09:35:21 7 Registered Voters or Voter Registration Applicants can

09:35:22 8 appeal, contest, or cure decisions by Your office based on

09:35:26 9 a finding of non- -- noncitizenship or absence of DPOC or

09:35:30 10 failure to check the Citizenship Checkbox."

09:35:37 11 Is that what it says right there?

09:35:39 12 A. Yes.

09:35:39 13 Q. Okay. And do you remember this interrogatory from

09:35:46 14 -- from answering it?

09:35:46 15 A. Yes.

09:35:49 16 Q. Okay. Excellent. Now I'm going to once again

09:35:51 17 share the -- your office's answers to those

09:35:58 18 interrogatories.

09:36:08 19 So can you see that on the screen now?

09:36:11 20 A. Yes.

09:36:12 21 Q. So I'm going to go down to the answer to

09:36:17 22 Interrogatory Number 8. Can you see that there? I'm

09:36:23 23 highlighting it.

09:36:23 24 A. Yes.

09:36:24 25 Q. Okay. Could you just read for me the -- what's

09:36:28 1 highlighted there that's the beginning of the answer to
09:36:32 2 Interrogatory Number 8?

09:36:33 3 A. I can't see the first part.

09:36:39 4 Q. I'm sorry about that. Okay. Can you see it now?

09:36:41 5 A. Yes.

09:36:43 6 Q. Okay. Sorry. I'll just let you read the first
09:36:48 7 sentence without highlighting it.

09:36:48 8 A. "They either provide their DPOC or provide a voter
09:36:51 9 registration with a box checked."

09:36:53 10 Q. Okay. Excellent.

09:36:54 11 So does this answer indicate that if someone
09:36:58 12 submits a voter registration form without the citizenship
09:37:02 13 box checked, then you will contact them and ask them to
09:37:07 14 resubmit the form with the box checked?

09:37:11 15 A. If they haven't provided DPOC; if -- if they've
09:37:21 16 answered "no" as well.

09:37:25 17 Q. If they've -- so that's if they've entered "no"
09:37:31 18 in -- where would they have entered "no"?

09:37:35 19 A. On the voter registration form.

09:37:43 20 Q. If they've answered "no" to the question that they
09:37:46 21 are -- asking whether they're a U.S. citizen?

09:37:47 22 A. Correct.

09:37:48 23 Q. Okay. Under -- so under your current practice, if
09:37:53 24 they have -- if they've had -- have answered "yes" to that
09:37:57 25 question or if they've signed -- if they've signed the box

09:38:03 1 saying that they are a U.S. citizen but they have not
09:38:08 2 checked the checkbox that asks whether the person is a U.S.
09:38:14 3 citizen, how does your office handle those applications
09:38:19 4 currently?

09:38:21 5 A. Can you repeat that?

09:38:22 6 Q. Sure.

09:38:22 7 If someone submits a voter registration form
09:38:27 8 and they have answered "yes" that they are a U.S. citizen
09:38:32 9 or they have indicated that they are by signing the form at
09:38:35 10 the bottom under penalty of perjury but separately they
09:38:40 11 have failed to check the box saying "I am a U.S. citizen,"
09:38:45 12 how does your office treat those applications?

09:38:51 13 A. Well, they -- they would have -- they would -- in
09:39:00 14 order for them to indicate they were -- in order to -- that
09:39:04 15 box says that they are a citizen if they check it.

09:39:10 16 I'm not sure I understand the question.

09:39:12 17 Q. Okay. Sure. Let me -- let me try that one more
09:39:16 18 time.

09:39:17 19 If someone submits a voter registration
09:39:22 20 form -- let's use the federal form, for example. Are you
09:39:26 21 familiar with the federal voter registration form?

09:39:29 22 A. Yes.

09:39:29 23 Q. Okay. So if someone fills out the federal voter
09:39:37 24 registration form and they've completed the form in its
09:39:40 25 entirety with everything that's required except they have

09:39:46 1 not checked the box that asks if they are a U.S. citizen,
09:39:52 2 how does your office treat that application?
09:39:57 3 A. We would enter it. And we would run it through
09:40:01 4 the HAVA checks. And it may provide a proof of citizenship
09:40:06 5 that way. If not, we would send them a letter.
09:40:11 6 Q. Okay. So you would run a HAVA check. And would
09:40:17 7 you treat that form the same way if it had that -- that
09:40:24 8 checkmark next to the citizenship checkbox -- you would run
09:40:26 9 those same checks that you mentioned?
09:40:28 10 A. Yes.
09:40:28 11 Q. Okay. Okay. So do you treat the form any
09:40:35 12 differently if it has the citizenship checkbox checked or
09:40:40 13 if it doesn't have it checked?
09:40:43 14 A. We send a letter if the box is not checked and we
09:40:53 15 can't provide proof of citizenship through the HAVA checks.
09:40:58 16 Q. Okay. And do you also send that letter if the box
09:41:03 17 is checked but you can't find proof of citizenship through
09:41:08 18 the HAVA checks that you mentioned?
09:41:13 19 A. Can you repeat that?
09:41:14 20 Q. Sure.
09:41:15 21 If the box is checked and then you can't find
09:41:21 22 proof of citizenship through those HAVA checks that you
09:41:24 23 mentioned, do you also send that letter?
09:41:27 24 A. Yes.
09:41:28 25 Q. Okay. So if I'm understanding correctly, you go

09:41:33 1 through the same process currently regardless of whether
09:41:37 2 that box is checked?
09:41:41 3 A. Yes.
09:41:46 4 Q. Okay. Thank you very much. Give me just a
09:41:54 5 moment.
09:42:03 6 If you do receive an application without the
09:42:07 7 citizenship box checked either on the federal form or the
09:42:11 8 state voter registration form and you find through HAVA
09:42:19 9 checks or elsewhere an indication that the person is a U.S.
09:42:24 10 citizen, do you accept that form or do you reject that
09:42:28 11 form?
09:42:29 12 A. We accept that.
09:42:31 13 Q. Okay. Excellent. Okay. I'm going to move on to
09:42:41 14 your office's use of databases in performing your job.
09:42:47 15 Does your office use the Arizona Motor
09:42:52 16 Vehicles Division, or MVD, database?
09:42:56 17 A. Yes. I believe it interfaces with our voter
09:42:59 18 registration system.
09:42:59 19 Q. Okay. And what is that system called?
09:43:02 20 A. AVID.
09:43:02 21 Q. Okay. So you use the AVID system which interfaces
09:43:07 22 with the MVD database; is that correct?
09:43:09 23 A. Correct.
09:43:11 24 Q. And what do you use that system for?
09:43:15 25 A. It -- it -- it's the one that checks for

09:43:20 1 citizenship.

09:43:20 2 Q. Okay. Can you just walk me through how that

09:43:24 3 process goes in your office using someone's application and

09:43:29 4 running it through that AVID check system?

09:43:32 5 A. We would enter a voter registration form, enter

09:43:36 6 all the data, and then we would hit the HAVA check button.

09:43:39 7 It runs it through the motor vehicle database. It also

09:43:42 8 runs it through, I believe, the vital statistics database

09:43:47 9 as well.

09:43:48 10 Q. Okay.

09:43:50 11 A. And then update it and --

09:43:50 12 Q. Okay.

09:43:54 13 A. -- based on those results.

09:43:55 14 Q. And in talking about those results, can you tell

09:43:58 15 me what are the possible results that your office could get

09:44:03 16 once you run that?

09:44:04 17 A. You would have a full registered voter who's a

09:44:10 18 citizen, or you could have the fed ID or the fed no ID

09:44:16 19 statuses.

09:44:18 20 Q. Okay. Is one possibility that it would show that

09:44:21 21 the applicant has an F-type driver's license?

09:44:24 22 A. Correct.

09:44:25 23 Q. Okay. And can you tell me what an F-type license

09:44:29 24 is?

09:44:29 25 A. I can't.

09:44:36 1 Q. Okay. Is it -- does it refresh your recollection
09:44:43 2 that an F-type license is one that tells you whether the
09:44:48 3 person was a U.S. citizen at the time they received a
09:44:52 4 driver's license?

09:44:53 5 A. Can you say that again?

09:45:00 6 Q. Sure. Let's -- let me withdraw that question for
09:45:04 7 now. And I want to pull up the EPM again, so I'm going to
09:45:09 8 share my screen once more.

09:45:19 9 Okay. Can you see the EPM -- the 2019 EPM up
09:45:24 10 here again?

09:45:25 11 A. Yes.

09:45:26 12 Q. It's been marked as Exhibit 6. Okay. I'm going
09:45:29 13 to scroll down to page 3 of the EPM. Bear with me for a
09:45:43 14 moment.

09:45:44 15 Okay. Could you -- if you can -- can you see
09:45:46 16 the bottom of page 3 there?

09:45:48 17 A. Yes.

09:45:49 18 Q. Okay. And I'm highlighting it. Hopefully --
09:45:53 19 well, it's going to block your view again.

09:45:55 20 If you could just take a moment to look at
09:45:59 21 that second to last paragraph that begins with "an Arizona
09:46:05 22 driver's license."

09:46:06 23 Do you see the paragraph I'm talking about?

09:46:07 24 A. Yes.

09:46:11 25 Q. I'll just give you a moment to look at that.

09:46:21 1 Okay. Do you see the part of that paragraph
09:46:24 2 where it refers to -- it says, "The verification must not
09:46:27 3 return a result that indicates noncitizenship" or an
09:46:30 4 "'F-type' license"?

09:46:31 5 A. Yes.

09:46:32 6 Q. Okay. Does that help you recall what an F-type
09:46:36 7 license is?

09:46:36 8 A. Yes.

09:46:37 9 Q. Okay. Can you tell me your understanding of it
09:46:40 10 now?

09:46:41 11 A. That they -- yes, that they're not a citizen.

09:46:45 12 Q. Okay. And to your knowledge, if someone has an
09:46:50 13 F-type license, does that indicate that they were not a
09:46:56 14 U.S. citizen only when they received that driver's license?

09:47:08 15 A. Can you repeat that?

09:47:11 16 MS. BOUGHTON: Foundation.

09:47:11 17 BY MR. FERGUSON:

09:47:12 18 Q. Sure.

09:47:13 19 To your knowledge, does the fact that someone
09:47:17 20 has an F-type license indicate that they were not a U.S.
09:47:22 21 citizen when they received that driver's license?

09:47:29 22 MR. LANGHOFER: Form.

09:47:30 23 THE WITNESS: Yes.

09:47:31 24 BY MR. FERGUSON:

09:47:35 25 Q. And so is it -- when you're processing voter

09:47:40 1 registration applications and you use the AVID database,
09:47:45 2 have you seen a result come up that someone has an F-type
09:47:48 3 license?
09:47:49 4 A. I have.
09:47:50 5 Q. Okay. And do you know whether it happens that
09:47:56 6 someone receives an F-type license and later is naturalized
09:48:04 7 and becomes a U.S. citizen?
09:48:13 8 A. Can that happen? Is that what --
09:48:15 9 Q. Yeah, that's the question.
09:48:17 10 A. Yes --
09:48:18 11 Q. Okay.
09:48:20 12 A. -- I would think.
09:48:23 13 Q. Okay. And if someone is -- when you're running
09:48:28 14 that AVID check through the MVD, do you send a notice
09:48:31 15 letter to people who are deemed ineligible by that check?
09:48:37 16 A. Yes.
09:48:37 17 Q. Okay. And do people sometimes provide their proof
09:48:44 18 of citizenship after receiving such a letter?
09:48:53 19 A. I'm sure they have.
09:48:55 20 Q. Okay. Is there someone in your office that would
09:49:00 21 handle those situations other than you?
09:49:04 22 A. The recorder.
09:49:07 23 Q. Okay. If someone provides proof of citizenship
09:49:14 24 after receiving one of those letters, would it be Ms. Judd
09:49:20 25 who normally would -- would receive and handle those

09:49:26 1 documents?

09:49:27 2 A. She could, yes.

09:49:32 3 MR. FERGUSON: Okay. Okay. So I'd like to
09:49:37 4 move on to one more document right now. And I'll share my
09:49:47 5 screen once more. I'm going to pull up Document L.

09:49:53 6 This one does need to be marked, I believe.
09:49:59 7 I think that will be Exhibit 133?

09:50:01 8 THE COURT REPORTER: Yes.

09:50:01 9 (The document was marked as Exhibit 133
09:50:03 10 for identification.)

09:50:03 11 BY MR. FERGUSON:

09:50:06 12 Q. Can you see the document on the screen there?

09:50:09 13 A. Yes.

09:50:10 14 Q. Okay. And do you recognize the document?

09:50:13 15 A. Yes.

09:50:13 16 Q. Okay. And starting at that middle of the page
09:50:20 17 where it says "Press Release," could you describe what that
09:50:26 18 press release is?

09:50:32 19 A. There was a data -- there was an error that
09:50:36 20 affected some of the federal-only voters --

09:50:40 21 Q. Okay.

09:50:46 22 A. Or full-ballot voters, I guess it affected them.

09:50:51 23 Q. Okay. Great. I will read for the record just one
09:50:56 24 part of that press release from the Secretary of State's
09:51:00 25 Office.

09:51:01 1 "My office found and corrected a database
09:51:05 2 error in concert with the Motor Vehicle Division which led
09:51:08 3 to less than a quarter of 1 percent of voters to be
09:51:11 4 registered as federal-only voters when they should have
09:51:15 5 been registered as full-ballot voters."

09:51:17 6 Do you remember this incident?

09:51:23 7 A. I do.

09:51:24 8 Q. Okay. And can you tell me how it affected voters
09:51:32 9 in Gila County?

09:51:33 10 A. I don't recall. I don't recall how many we had
09:51:39 11 affected by this --

09:51:39 12 Q. Okay.

09:51:41 13 A. -- if any.

09:51:44 14 Q. You do remember that some voters were affected by
09:51:47 15 it?

09:51:47 16 A. Correct.

09:51:49 17 Q. And do you remember the steps your office took to
09:51:56 18 try to correct that error?

09:52:00 19 A. I -- I -- I don't recall if we had any voters
09:52:06 20 affected by this.

09:52:06 21 Q. Okay. You don't recall for sure?

09:52:08 22 A. Yeah.

09:52:09 23 Q. Do you remember receiving the -- or did -- sorry.
09:52:16 24 Withdrawn.

09:52:16 25 Did you receive this email that's on top of

09:52:20 1 the press relief -- release on the first page of this
09:52:23 2 document?

09:52:36 3 A. I'm sorry. Can you repeat that?

09:52:37 4 Q. Sure.

09:52:38 5 I'm just asking if you received this email
09:52:42 6 that's at the top of the document we're looking at,
09:52:47 7 Document L, that I think is marked 133 right now.

09:52:53 8 A. Yes.

09:52:53 9 Q. Okay. And did you correspond with the Secretary
09:53:01 10 of State's Office at all in response to this email or about
09:53:06 11 this incident?

09:53:08 12 A. I -- I don't know.

09:53:23 13 Q. You don't remember?

09:53:25 14 A. I don't recall.

09:53:26 15 Q. Okay. Do you think anyone else in your office
09:53:33 16 would recall?

09:53:35 17 A. No.

09:53:36 18 Q. Okay. I'm going to take that document off the
09:53:53 19 screen.

09:53:53 20 So we talked a little bit about AVID and the
09:53:57 21 MVD database. I want to talk about the Systematic Alien
09:54:04 22 Verification for Entitlements, which I'll call "SAVE."

09:54:07 23 Are you familiar with the SAVE program?

09:54:09 24 A. Yes.

09:54:12 25 Q. And can you tell me what it is?

09:54:14 1 A. We -- we use it to verify citizenship.

09:54:21 2 Q. Okay. And can you describe the process of how you

09:54:25 3 use it to verify citizenship?

09:54:28 4 A. We enter information, and it runs it against --

09:54:32 5 I'm not really 100 percent sure on the logistics of it.

09:54:36 6 But we enter the, like, alien registration number and the

09:54:40 7 name. And it runs it and tells us if we have results or

09:54:44 8 not.

09:54:44 9 Q. Okay. And you mentioned the alien registration

09:54:47 10 number. Is it correct that you can only use SAVE if you

09:54:54 11 have an alien registration number or a citizenship

09:54:58 12 certificate number or a naturalization certificate number?

09:55:04 13 A. I believe so, but I am not sure.

09:55:09 14 Q. Okay. Have you -- have you personally used the

09:55:14 15 SAVE system?

09:55:14 16 A. I have, but not a lot.

09:55:17 17 Q. Sure.

09:55:19 18 Just to your -- to your memory, does it

09:55:21 19 require putting in one of those numbers that I mentioned?

09:55:28 20 A. I don't recall if it requires it.

09:55:30 21 Q. Okay. But you don't know of any other way to use

09:55:35 22 SAVE other than putting in one of those numbers; is that

09:55:40 23 correct?

09:55:40 24 A. I have put those numbers in before.

09:55:45 25 Q. Okay. So is the only situation in which your

09:55:57 1 office uses SAVE a situation in which someone who's

09:56:04 2 applying to register to vote provides one of -- an A-number

09:56:09 3 or one of those numbers that we've been talking about?

09:56:12 4 A. I believe so.

09:56:13 5 Q. Okay. You can't think of any other situations in

09:56:19 6 which your office would use the SAVE system; is that

09:56:24 7 correct?

09:56:24 8 A. No.

09:56:27 9 Q. Okay. So if you enter someone's A-number into

09:56:35 10 SAVE, what are the potential results you could get back

09:56:41 11 from the SAVE system?

09:56:44 12 A. It would just verify whether or not they were a

09:56:47 13 citizen or not.

09:56:49 14 Q. Okay. And let's say you enter that information

09:56:56 15 and you got a result saying that the person is not a U.S.

09:56:59 16 citizen. You know, maybe it identifies them as a legal

09:57:03 17 permanent resident. What do you do with regard to that

09:57:08 18 application?

09:57:10 19 A. If it comes back as a -- I think it is -- I think

09:57:29 20 it's not eligible, invalid citizenship.

09:57:34 21 Q. Okay. And so if you do get that -- if you get

09:57:38 22 that answer, that they're not a citizen, do you take any

09:57:45 23 other steps within the SAVE database to determine whether

09:57:51 24 they're a citizen?

09:57:53 25 A. No.

09:57:54 1 Q. And do you use any other kind of database to
09:58:00 2 determine whether they're a citizen after you get that --
09:58:03 3 that result?

09:58:05 4 A. No.

09:58:09 5 Q. Okay. Do you send them -- if you get that
09:58:13 6 negative result saying that they're not a U.S. citizen, do
09:58:16 7 you send them a letter?

09:58:18 8 A. Yes.

09:58:18 9 Q. And let's say you're using the SAVE system and it
09:58:24 10 returns no match so it can't tell you whether they're --
09:58:30 11 whether they're a citizen or not. How do you process those
09:58:33 12 applications?

09:58:35 13 A. We would ask for more information.

09:58:37 14 Q. Okay. You ask for more information from the
09:58:41 15 voter?

09:58:42 16 A. Correct.

09:58:43 17 Q. Okay. If you ask for more information and don't
09:58:48 18 hear back, do you register them as a federal-only voter?

09:58:55 19 A. I believe so.

09:59:01 20 Q. Okay. And then I'll ask the same question I asked
09:59:08 21 a moment ago.
09:59:08 22 If you -- if you get that initial response
09:59:13 23 from -- from SAVE saying that there's no match, are there
09:59:17 24 any other steps that you take within the SAVE database to
09:59:22 25 try to determine if they're a citizen or not?

09:59:25 1 A. I don't believe so within the SAVE -- SAVE
09:59:31 2 database.
09:59:31 3 Q. Okay. And -- and then you mentioned sending a
09:59:33 4 letter.
09:59:36 5 Are there any other databases that you would
09:59:38 6 look at to try to determine if they're a U.S. citizen?
09:59:45 7 A. You would use AVID as well.
09:59:47 8 Q. Okay. Okay. Now I'd like to move on to talk a
09:59:58 9 little bit about the two challenged laws we've been talking
10:00:02 10 about already.
10:00:04 11 The first one we'll talk about is HB 2492.
10:00:10 12 And I will pull that up onto the screen one more time.
10:00:26 13 Okay. And this is Document J, which is marked as
10:00:31 14 Exhibit 19.
10:00:33 15 Do you recognize that as HB 2492?
10:00:35 16 A. Yes.
10:00:36 17 Q. Okay. And I believe you mentioned this before,
10:00:40 18 but are you aware of the provision in 2492 that requires
10:00:46 19 registration applicants to list their place of birth on the
10:00:49 20 application form?
10:00:51 21 A. Am I aware of it?
10:01:01 22 Q. Right. Sorry. You don't need to look at it yet
10:01:05 23 for -- for that. I'm just asking generally if you're aware
10:01:08 24 of --
10:01:09 25 A. Yes.

10:01:09 1 Q. -- the provision. Okay. Great.

10:01:12 2 And is your office implementing that

10:01:15 3 requirement right now?

10:01:16 4 A. No.

10:01:17 5 Q. Okay. Does your office have access to any kind of

10:01:21 6 database that would confirm a person's identity by using

10:01:26 7 their place of birth?

10:01:29 8 A. No.

10:01:30 9 Q. Okay. So separately from the birthplace

10:01:38 10 requirement, are you aware of the provision in 2492 that

10:01:43 11 requires voter registration applicants to provide

10:01:47 12 documentary proof of their residence?

10:01:53 13 A. Yes.

10:01:53 14 Q. Okay. And are you implementing that requirement?

10:01:56 15 A. No.

10:01:56 16 Q. Okay. So as it is right now before implementing

10:02:02 17 that requirement, is it correct that applicants have to

10:02:06 18 provide on their application either a residential address

10:02:11 19 or some kind of description or drawing of their residence?

10:02:15 20 A. Yes.

10:02:17 21 Q. Okay. And if -- so if that happens within your

10:02:22 22 office, if you receive an application that has either a

10:02:26 23 description of someone's residence or a drawing, how do you

10:02:32 24 locate where that residence is?

10:02:35 25 A. We work with our GSI [sic] department, and then

10:02:42 1 we -- that typically happens for our reservation addresses
10:02:49 2 so we kind of just have an idea of where those places are.

10:02:56 3 Q. Okay. Excellent.

10:02:58 4 And are you normally able to locate the
10:03:03 5 residence using that method?

10:03:07 6 A. Normally.

10:03:08 7 Q. Okay. Great.

10:03:12 8 So you mentioned -- I think you just
10:03:14 9 mentioned this about reservations. But there are some
10:03:19 10 people in Gila County that lack a standard residential
10:03:23 11 street address; is that correct?

10:03:25 12 A. Correct.

10:03:26 13 Q. And you said that typically happens on Native
10:03:30 14 American reservations?

10:03:31 15 A. Yes.

10:03:32 16 Q. Okay. Which reservations are in the county?

10:03:40 17 A. We have the White Mountain Apache reservation. We
10:03:45 18 have the Tonto -- Tonto Apache, and we also have the San
10:03:52 19 Carlos Apache reservation.

10:03:54 20 Q. Okay. And do you ever get -- withdrawn.

10:04:06 21 So from your experience, applicants from one
10:04:10 22 of those reservations are less likely to have a standard
10:04:14 23 residential street address?

10:04:16 24 A. Correct.

10:04:16 25 Q. Okay. And are -- do you ever get applications

10:04:20 1 from people outside reservations that are -- also lack a
10:04:26 2 residential street address?

10:04:31 3 A. Not typically.

10:04:32 4 Q. Okay. Okay. So talking more about that
10:04:39 5 documentary proof of residence requirement -- I'll call
10:04:43 6 that "DPOR." We also spoke a little bit previously about
10:04:50 7 the federal voter registration form. To your -- sorry.

10:04:57 8 To your knowledge, will that new DPOR
10:05:00 9 requirement apply to the federal registration form?

10:05:07 10 MS. BOUGHTON: Form. Calls for a legal
10:05:08 11 conclusion.

10:05:11 12 THE WITNESS: Would it apply to the federal
10:05:13 13 form --

10:05:14 14 BY MR. FERGUSON:

10:05:14 15 Q. Right.

10:05:14 16 A. -- DPOR -- providing DPOR?

10:05:18 17 Q. Yeah.

10:05:18 18 A. I would assume.

10:05:21 19 Q. Okay. And you're aware that on the federal form,
10:05:27 20 each state has an individual set of instructions that helps
10:05:32 21 people complete the federal form?

10:05:36 22 A. I am not aware.

10:05:38 23 Q. Okay. Are you aware of any requests that the
10:05:43 24 state has made to -- regarding instructions on the federal
10:05:50 25 form?

MR. MORGAN: Form.

THE WITNESS: I am not aware.

BY MR. FERGUSON:

Q. Okay. If the DPOR requirement is applied to the federal form -- sorry. Strike that, please.

Do you know whether the federal registration form currently requires someone to provide DPOR when they submit it?

A. Do I know if it's required?

Q. Correct.

A. I do not -- I do not believe it is required.

Q. Okay. So if it were required, would that result in the federal form being rejected?

MS. BOUGHTON: Form.

THE WITNESS: I -- I wouldn't know.

BY MR. FERGUSON:

Q. Okay. We talked a moment ago about people who are unable to provide a street address because they lack a standard residential address.

How would someone who lacks a standard residential address be able to provide DPOR?

A. I don't know.

Q. Okay. Is it unclear to you?

A. Yes.

Q. And what -- what types of documents would be

10:07:29 1 acceptable as DPOR?

10:07:34 2 MR. LANGHOFER: Form. Calls for a legal

10:07:35 3 conclusion.

10:07:37 4 THE WITNESS: I wouldn't know.

10:07:40 5 MR. FERGUSON: Okay. I'm going to pull up

10:07:43 6 one more document here. And this is Document R, which has

10:07:51 7 been marked as Exhibit 24 already.

10:07:51 8 BY MR. FERGUSON:

10:08:05 9 Q. Can you see that document on the screen?

10:08:07 10 A. Yes.

10:08:07 11 Q. Okay. Great.

10:08:09 12 Have you seen this document before?

10:08:10 13 A. Yes.

10:08:10 14 Q. Can you describe to me what it is?

10:08:13 15 A. It would be what constitutes the document -- what

10:08:17 16 constitutes the DPOR.

10:08:19 17 Q. Okay. Great.

10:08:21 18 Where did you get this document?

10:08:24 19 A. It was in an email.

10:08:29 20 Q. Okay. Do you know who the email was from?

10:08:33 21 A. I don't recall.

10:08:34 22 Q. Okay. Do you recall if it was from the Secretary

10:08:40 23 of State's Office?

10:08:40 24 A. I don't recall.

10:08:42 25 Q. Okay. Do you know if the -- this chart was made

10:08:47 1 by the Secretary of State's Office?

10:08:50 2 A. I can't say for certain. I don't recall.

10:08:57 3 Q. Okay. Do you recall whether you've -- whether you
10:09:05 4 received this document from someone within the County
10:09:12 5 Recorder's Office?

10:09:12 6 A. I -- I did not receive it from someone within the
10:09:15 7 County Recorder's Office.

10:09:17 8 Q. Okay. Do you recall if it was from someone --
10:09:23 9 strike that.

10:09:24 10 So if you could look at the document. And if
10:09:32 11 you could look at the third box down on the left where it
10:09:35 12 says, "Tribal identification card."

10:09:44 13 Would you accept a tribal identification card
10:09:45 14 as documentary proof of residence?

10:09:49 15 A. I would.

10:09:50 16 Q. Okay. And is the answer the same for a utility
10:09:56 17 bill? You can see that on the fifth box down on the left.

10:10:00 18 A. I would, yes.

10:10:01 19 Q. Okay. And then if you look at the last box down
10:10:05 20 on the bottom left that says, "Written confirmation signed
10:10:08 21 by the registrant that they qualify to register," would you
10:10:15 22 accept that as documentary proof of residence?

10:10:18 23 A. Yes.

10:10:18 24 Q. Okay. Great.

10:10:21 25 Are there -- I'll pull that off the screen

10:10:25 1 for now.

10:10:25 2 Are there agencies in the county that provide
10:10:31 3 voter registration services pursuant to the National Voter
10:10:36 4 Registration Act that you're aware of?

10:10:38 5 A. Are there what?

10:10:41 6 Q. Are there agencies within the county that provide
10:10:48 7 voter registration services other than the County
10:10:51 8 Recorder's Office but -- public assistance agencies, for
10:10:54 9 example?

10:10:54 10 A. Yes.

10:10:55 11 Q. And to your knowledge, has there -- has anyone
10:11:04 12 helped educate those agencies on the DPOR requirement that
10:11:09 13 we've been discussing?

10:11:13 14 A. I have no idea.

10:11:14 15 Q. Okay. Great.

10:11:19 16 I'm going to take us back to HB 2492, so I'll
10:11:25 17 pull that document up one more time and share my screen.

10:11:38 18 Okay.

10:11:38 19 Can you see 2492 up here again?

10:11:41 20 A. Yes.

10:11:41 21 Q. Great. And that's Exhibit 19 once more.

10:11:46 22 Okay. I want to look at a provision on

10:11:53 23 page 5 of this document. I'm going to read this for the

10:12:03 24 record off of page 5.

10:12:05 25 It says, "If the county recorder or other

10:12:08 1 officer in charge of elections matches the applicant with
10:12:12 2 information that the applicant is not a United States
10:12:15 3 citizen, the county recorder or other officer in charge of
10:12:19 4 elections shall reject the application."

10:12:24 5 Do you see that -- that part that I just
10:12:28 6 read?

10:12:28 7 A. Yes.

10:12:29 8 Q. Okay. Let's focus on the word "information" in
10:12:34 9 that sentence I read.

10:12:35 10 Have you received any guidance about what
10:12:39 11 constitutes information that a person is not yet --
10:12:42 12 sorry -- that the applicant is not a U.S. citizen?

10:12:48 13 A. Have I received any guidance -- can you repeat
10:12:51 14 that?

10:12:52 15 Q. Sure.

10:12:53 16 Have you received any guidance about what
10:12:59 17 qualifies as information that the applicant is not a U.S.
10:13:03 18 citizen?

10:13:07 19 A. No.

10:13:15 20 Q. Okay. And is it -- is that clear to you right now
10:13:23 21 what qualifies as information that someone is not a U.S.
10:13:27 22 citizen?

10:13:27 23 A. No.

10:13:28 24 Q. Okay. If you were to run an AVID check, that we
10:13:36 25 mentioned, through the MVD database and it shows that the

10:13:42 1 person was issued an F-type license 20 years ago and
10:13:49 2 therefore were not a citizen 20 years ago, would that
10:13:55 3 constitute information that someone is not a U.S. citizen?

10:14:01 4 MS. BOUGHTON: Form.

10:14:03 5 THE COURT REPORTER: What was the answer?

10:14:04 6 THE WITNESS: Yes.

10:14:06 7 BY MR. FERGUSON:

10:14:06 8 Q. It would? Okay.

10:14:08 9 So using that same example, if -- if someone
10:14:22 10 received that license 20 years ago and they were not a
10:14:27 11 citizen at that time, could that person have naturalized
10:14:32 12 and become a U.S. citizen since they --

10:14:32 13 MS. BOUGHTON: Form.

10:14:32 14 BY MR. FERGUSON:

10:14:36 15 Q. -- received that license 20 years ago?

10:14:43 16 A. I guess it's possible.

10:14:47 17 Q. What are some other sources of information that a
10:14:53 18 person is not a U.S. citizen that your office could use in
10:14:58 19 making that determination?

10:15:01 20 MR. LANGHOFER: Form. Calls for a legal
10:15:06 21 conclusion.

10:15:06 22 THE WITNESS: We would just -- I think we
10:15:09 23 would just have the MVD database to use.

10:15:15 24 BY MR. FERGUSON:

10:15:16 25 Q. Okay. So for example, if your office received a

10:15:20 1 letter from the neighbor of a voter registration applicant
10:15:25 2 and that letter claimed that the person is not a U.S.
10:15:29 3 citizen, would that qualify as information that a person is
10:15:34 4 not a U.S. citizen?

10:15:37 5 MR. LANGHOFER: Same objection.

10:15:38 6 THE WITNESS: No.

10:15:40 7 BY MR. FERGUSON:

10:15:42 8 Q. What about if you received an email with a list of
10:15:46 9 people who are allegedly not U.S. citizens and that email
10:15:50 10 was sent to you by an individual or a private organization?

10:15:56 11 MR. LANGHOFER: Same objection.

10:16:00 12 THE WITNESS: No.

10:16:03 13 MR. FERGUSON: Okay. Okay. I'd like to move
10:16:06 14 on now to HB 2243. I'll pull that up on the screen in a
10:16:14 15 moment.

10:16:14 16 BY MR. FERGUSON:

10:16:33 17 Q. Okay. Do you see HB 2243 on the screen?

10:16:33 18 A. Yes.

10:16:37 19 Q. Okay. And that's been marked as Exhibit 21.

10:16:43 20 I'd like to go to the top of page 3 here.

10:16:51 21 And I'd like to look at Section 165.

10:16:55 22 So do you see on line 6, the highlighted

10:16:58 23 portion that says, "The county recorder shall cancel

10:17:02 24 registration"?

10:17:06 25 A. Yes.

10:17:06 1 Q. And then there's a list of numbers below that.

10:17:09 2 And I'm going to scroll down to page 4 until we get to

10:17:13 3 Number 10.

10:17:16 4 Do you see Number 10 there that's

10:17:17 5 highlighted?

10:17:18 6 A. Yes.

10:17:20 7 Q. If you can just take a moment to read that. I'll

10:17:23 8 give you a second.

10:17:37 9 Okay. And I'll -- I'll read the first part

10:17:39 10 of that into the record here.

10:17:41 11 "When the county recorder obtains information

10:17:44 12 pursuant to this section and confirms that the person

10:17:48 13 registered is not a U.S. citizen" -- so as we did with the

10:17:57 14 last provision, let's focus on the phrase "obtains

10:18:01 15 information."

10:18:04 16 Do you have a clear idea of what it means to

10:18:06 17 obtain information that someone is not a U.S. citizen?

10:18:13 18 MR. LANGHOFER: Form. Calls for a legal

10:18:14 19 conclusion.

10:18:15 20 MR. FERGUSON: Counsel. Sorry. Counsel, if

10:18:17 21 you want to -- I'll be asking a few questions on these

10:18:19 22 topics. If you want to stipulate that same objection for

10:18:23 23 the next few minutes, that's fine.

10:18:24 24 MR. LANGHOFER: That would be great. Thank

10:18:26 25 you.

10:18:27 1 MR. MORGAN: Let us know, please, when you're
10:18:29 2 done asking these questions when the stipulation ends.

10:18:33 3 MR. FERGUSON: Will do.

10:18:34 4 Sorry about that interruption. I will repeat
10:18:37 5 that question.

10:18:37 6 BY MR. FERGUSON:

10:18:38 7 Q. Do you have a clear idea of what it means to
10:18:41 8 obtain information that someone is not a U.S. citizen?

10:18:48 9 A. I believe so.

10:18:49 10 Q. Okay. Can you tell me what -- what that is?

10:18:56 11 A. Well, in this example, it would be information
10:19:00 12 from the jury commissioner.

10:19:02 13 Q. Okay. And that's the -- the lines of
10:19:09 14 Subsection 10 there that refer to the jury commissioner, is
10:19:12 15 that what you're referring to here?

10:19:14 16 A. Yes.

10:19:15 17 Q. Okay. Are there any other methods that you would
10:19:20 18 use to obtain information that someone is not a U.S.
10:19:23 19 citizen?

10:19:28 20 A. The AVID database and the SAVE database.

10:19:33 21 Q. Okay. Are those -- are those the only methods
10:19:40 22 that you know of right now?

10:19:43 23 A. I believe so, yes.

10:19:44 24 Q. Okay. And has your office received any guidance
10:19:51 25 about what it means to obtain information that someone is

10:19:55 1 not a U.S. citizen?

10:19:57 2 A. I don't believe so.

10:19:59 3 Q. Okay. Now I'd like to just scroll down to the top

10:20:05 4 of page 6 of 2243.

10:20:08 5 Do you see Subsections G through J

10:20:14 6 highlighted there?

10:20:16 7 A. Yes.

10:20:16 8 Q. I'll give you, once again, just a few minutes --

10:20:20 9 sorry -- a few moments to look. You don't have to read the

10:20:24 10 whole thing in detail but just -- you can take a second to

10:20:27 11 look and get a sense of what it's saying there.

10:20:47 12 Okay. Is it correct that the Subsections G

10:20:50 13 through J, these describe monthly checks against different

10:20:55 14 databases that the county recorder is required to perform;

10:20:59 15 is that correct?

10:21:00 16 A. Correct.

10:21:01 17 Q. And those databases listed here include the Social

10:21:08 18 Security Administration, or SSA, database and the SAVE

10:21:11 19 program that we discussed before; is that correct?

10:21:13 20 A. Yes.

10:21:14 21 Q. Okay. So going back to that phrase "obtains

10:21:21 22 information" that we've just been talking about, would

10:21:26 23 these databases listed here, such as the Social Security

10:21:31 24 Administration database, the SAVE program -- would they be

10:21:35 25 methods used to obtain information that someone is not a

10:21:38 1 U.S. citizen?

10:21:41 2 A. Yes.

10:21:42 3 Q. Okay. Once again, if a person's neighbor sent you

10:21:53 4 -- sent your office a letter saying that they were not a

10:21:58 5 U.S. citizen, would that be obtaining information that

10:22:04 6 someone is not a U.S. citizen?

10:22:07 7 A. No.

10:22:08 8 Q. Okay. And then the question I asked before about

10:22:12 9 receiving an email from an individual or private

10:22:17 10 organization with a list of people who are allegedly not

10:22:21 11 U.S. citizens, would that be obtaining information?

10:22:24 12 A. No.

10:22:25 13 Q. Okay. And if you could look down again at

10:22:38 14 Subsection J that's on the screen. I'll read it for the

10:22:44 15 record.

10:22:44 16 "To the extent practicable, the county

10:22:47 17 recorder shall review relevant city, town, county, state

10:22:51 18 and federal databases to which the county recorder has

10:22:56 19 access to confirm information obtained . . ."

10:23:03 20 Are there any other relevant city, town,

10:23:08 21 county, state, or federal databases that you could use to

10:23:11 22 obtain information that someone is not a U.S. citizen?

10:23:16 23 A. Not that I have access to.

10:23:18 24 Q. Okay. Can you think of databases that you don't

10:23:23 25 have access to that could be used for that?

10:23:30 1 A. I -- I can't.

10:23:31 2 Q. Okay. And then finally on the same section we've

10:23:37 3 been talking about, we talked about the phrase "obtains

10:23:40 4 information." I'm going to read Subsection 10 again, the

10:23:48 5 first sentence.

10:23:49 6 "When the county recorder obtains information

10:23:53 7 pursuant to this section and confirms that the person

10:23:55 8 registered is not a U.S. citizen" -- do you have a clear

10:24:03 9 idea of how you confirm that the person is not a U.S.

10:24:06 10 citizen?

10:24:07 11 A. Yes.

10:24:08 12 Q. Okay. Can you tell me how to do that?

10:24:12 13 A. Either through the MVD database or the SAVE

10:24:14 14 database.

10:24:14 15 Q. Okay. And so a few moments ago, we talked about

10:24:20 16 obtaining information. And I think you mentioned those

10:24:25 17 same databases you could use: MVD or SAVE.

10:24:29 18 And so if you referred to those databases,

10:24:35 19 that would constitute both obtaining information and

10:24:39 20 confirming that the person registered is not a U.S.

10:24:42 21 citizen; is that correct?

10:24:44 22 A. Yes.

10:24:45 23 Q. Okay. Now let's go to page 6 once more. Okay.

10:25:04 24 I'd like to look in particular at Subsection H near the

10:25:11 25 top. If you could just take a moment to look at that, and

10:25:16 1 then I'll read it.

10:25:34 2 Okay. So I'll read the subsection.

10:25:38 3 "To the extent practicable, each month the

10:25:42 4 county recorder shall compare persons who are registered to

10:25:44 5 vote in that county and who the county recorder has reason

10:25:49 6 to believe are not United States citizens."

10:25:54 7 Do you have a clear idea of what it means to

10:25:58 8 have "reason to believe" that someone is not a U.S.

10:26:01 9 citizen?

10:26:03 10 A. Yes.

10:26:04 11 Q. Can you describe to me your understanding of that?

10:26:08 12 A. If the recorder was presented with information to

10:26:19 13 suspect that this person wasn't a citizen, we would

10:26:22 14 research that.

10:26:23 15 Q. Okay. And can you tell me what kind of

10:26:32 16 information might lead you to do that research?

10:26:37 17 A. For example, like you were saying, if we got an

10:26:41 18 email, we could research that. But we wouldn't --

10:26:45 19 Q. Sure.

10:26:47 20 So under your understanding, if you received

10:26:50 21 the email that I mentioned before from a private

10:26:56 22 organization or individual claiming that a certain person

10:27:01 23 or people were not U.S. citizens, that would give you

10:27:06 24 reason to believe that someone is not a U.S. citizen?

10:27:09 25 A. We would research it.

10:27:10 1 Q. Okay. And would that lead you to check the SAVE

10:27:18 2 database to see if that person was a U.S. citizen?

10:27:22 3 A. We could use that tool, yes.

10:27:24 4 Q. Okay. If someone is on the list of federal-only

10:27:38 5 voters in Gila County, is that a reason to believe that

10:27:41 6 they're not a U.S. citizen?

10:27:54 7 A. I'm not sure.

10:27:56 8 Q. Okay. That's unclear to you?

10:27:59 9 A. Yes.

10:27:59 10 Q. Okay. Okay. Let's move on to discuss a couple of

10:28:09 11 these databases in more detail.

10:28:15 12 And I want to go back to the SSA database

10:28:20 13 that's mentioned in Subsection G here at the top of the

10:28:23 14 screen.

10:28:24 15 Does your office currently use the SSA

10:28:28 16 database for anything?

10:28:30 17 A. I believe it's part of the HAVA checks.

10:28:36 18 MR. FERGUSON: Okay. Just one moment.

10:28:39 19 Sorry.

10:28:39 20 I think we're at the point where we can stop

10:28:47 21 that stipulation about objections probably. Is that good

10:28:47 22 with everyone?

10:28:52 23 BY MR. FERGUSON:

10:28:52 24 Q. Okay. Sorry to interrupt.

10:28:54 25 You think the SSA database comes up as part

10:28:57 1 of the HAVA checks? Is that what you said?

10:29:01 2 A. Yes.

10:29:02 3 Q. Okay. And does your office use the SSA database
10:29:09 4 directly?

10:29:10 5 A. If you're asking if we log in to the Social
10:29:18 6 Security database on our own, no, we do not.

10:29:21 7 Q. Yeah, that is what I was asking. Thank you.

10:29:24 8 But you believe that the Social Security
10:29:31 9 database is somehow incorporated into the HAVA check
10:29:39 10 system? Is that what you meant by your previous answer?

10:29:41 11 A. Yes.

10:29:43 12 Q. Do you know exactly how that works?

10:29:47 13 A. Not exactly, no.

10:29:48 14 Q. Okay. And do you have any plans to gain access
10:29:56 15 directly to the SSA database so your office could log in
10:30:00 16 directly and do that?

10:30:02 17 A. No.

10:30:02 18 Q. Okay. And are you aware of how the SSA database
10:30:09 19 can be used -- sorry. Strike that.

10:30:12 20 Are you aware of whether it can be used to
10:30:16 21 verify citizenship?

10:30:19 22 A. AVID interfaces with it, so it can be used to --

10:30:32 23 Q. Okay. I'd like to also look at the database
10:30:39 24 mentioned in Subsection I, which is now at the top of the
10:30:43 25 screen in HB 2243 on page 6. I'll give you just a moment

10:30:50 1 to look at that.

10:31:01 2 And I'll read into the record part of

10:31:08 3 Subsection I.

10:31:09 4 "The county recorder shall compare the
10:31:12 5 Electronic Verification of Vital Events system maintained
10:31:17 6 by a National Association for Public Health Statistics and
10:31:21 7 Information Systems."

10:31:24 8 Are you aware of that database mentioned
10:31:27 9 there, the Electronic Verification of Vital Events
10:31:30 10 database?

10:31:33 11 A. I believe it also interfaces with AVID.

10:31:36 12 Q. Okay. But once again, your office doesn't have
10:31:42 13 direct access to the database?

10:31:50 14 A. No.

10:31:50 15 Q. And do you know -- and you don't have any plans to
10:31:53 16 gain direct access to it?

10:31:55 17 A. No.

10:31:55 18 Q. Okay. And do you know if it can be used to verify
10:32:04 19 citizenship?

10:32:10 20 A. Yes.

10:32:10 21 Q. It can be used for that purpose?

10:32:14 22 A. Yes.

10:32:15 23 Q. Okay. And is that belief based on your belief
10:32:23 24 that it interfaces with the AVID system?

10:32:26 25 A. Yes.

10:32:27 1 Q. Okay. But you don't know directly how that works?

10:32:33 2 A. Correct.

10:32:34 3 Q. Okay. Both for this database, the EVVE database,
10:32:42 4 and the SSA database, are you directly aware of instances
10:32:46 5 in which those databases have been used to verify an
10:32:52 6 applicant's citizenship?

10:32:54 7 A. What was the first one?

10:32:55 8 Q. The two that we've just been talking about, so the
10:33:01 9 Electronic Verification of Vital Events and the SSA.

10:33:05 10 A. And I'm sorry. What was the question?

10:33:07 11 Q. No problem.

10:33:08 12 Are you aware of any specific instance in
10:33:13 13 which these databases have been used to verify someone's
10:33:17 14 citizenship?

10:33:19 15 A. Yes.

10:33:20 16 Q. Okay. Can you tell me about those specific
10:33:23 17 instances?

10:33:25 18 A. I am not sure.

10:33:36 19 Q. And when I say "specific instances," I mean an
10:33:40 20 application coming into the office in which one of those
10:33:45 21 databases was used to verify citizenship. Are you
10:33:50 22 recalling a specific one?

10:33:54 23 A. Well, I recall the motor vehicle one.

10:33:57 24 Q. Okay. Okay. So you're aware that -- of specific
10:34:03 25 instances in which the MVD database has been used to verify

10:34:07 1 citizenship; is that correct?

10:34:09 2 A. Yes.

10:34:09 3 Q. But you're not aware of how the SSA database would
10:34:15 4 have been used as part of that process?

10:34:17 5 A. No. I am aware.

10:34:19 6 Q. Okay. Can you tell me how it was used as part of
10:34:23 7 that process?

10:34:24 8 A. It will -- it's part of the HAVA checks. It's
10:34:27 9 ran, and it will obtain the -- the last four of the Social
10:34:30 10 Security number or not.

10:34:33 11 Q. Okay. And let's go back to specific instances.

10:34:40 12 You're aware of a specific applicant whose
10:34:45 13 citizenship was checked in that manner that you just
10:34:48 14 described?

10:34:51 15 A. I'm not -- I'm not aware of a specific one, no.

10:34:54 16 Q. Okay. And then same question with regard to the
10:35:00 17 Electronic Verification of Vital Events system. Are you
10:35:04 18 aware of a specific applicant in which -- for which that's
10:35:09 19 happened?

10:35:09 20 A. No.

10:35:10 21 MR. FERGUSON: Okay. I'd like to move on to
10:35:21 22 something called the Electronic Registration Information
10:35:27 23 Center. And that's not mentioned right here on this text,
10:35:30 24 so I'm going to stop sharing the screen.

10:35:30 25 BY MR. FERGUSON:

10:35:36 1 Q. Are you aware of the Electronic Registration
10:35:40 2 Information Center that's called ERIC sometimes?

10:35:42 3 A. Yes.

10:35:43 4 Q. Okay. And can you describe to me what ERIC is?

10:35:50 5 A. It is information that we get from other states
10:35:57 6 that we use to -- we use it as a list maintenance tool.

10:36:03 7 Q. Okay. And does your office in particular use
10:36:10 8 ERIC --

10:36:11 9 A. Yes.

10:36:11 10 Q. -- or is it just used statewide? You're -- sorry
10:36:14 11 to cut you off.

10:36:15 12 Your office in particular uses it?

10:36:17 13 A. Well, it is statewide.

10:36:19 14 Q. Right.

10:36:19 15 But -- but your office accesses ERIC
10:36:25 16 directly?

10:36:26 17 A. We receive a spreadsheet.

10:36:30 18 Q. Okay. And who do you receive that spreadsheet
10:36:34 19 from?

10:36:35 20 A. The secretary of state.

10:36:37 21 Q. Okay. And you said that that information is used
10:36:44 22 to update the voter rolls?

10:36:48 23 A. It's -- yes. It can be used to maintain the list,
10:36:52 24 yes.

10:36:55 25 Q. And what would that spreadsheet indicate on it?

10:36:58 1 What does it contain?

10:37:04 2 A. Names and number of -- their voter registration
10:37:10 3 number. It contains a match score. And then depending on
10:37:15 4 what report we request or what it -- it depends on what
10:37:19 5 kind of a process we'll use for it.

10:37:22 6 Q. Okay. And when you say "match score," can you
10:37:27 7 tell me what you mean by that?

10:37:31 8 A. So my understanding is that there's a score that
10:37:40 9 is given to the data based on a program that ERIC has so
10:37:46 10 that there's really no personal identifying information
10:37:48 11 that gets released. And so they make matches based on
10:37:54 12 that.

10:37:55 13 Q. Okay. And is that often related to if someone has
10:38:01 14 registered to vote in a different state?

10:38:04 15 A. It can be, yes.

10:38:06 16 Q. Okay. Are there any other things that it contains
10:38:11 17 other than someone who's registered in a different state?

10:38:15 18 A. There is a deceased record or deceased report that
10:38:21 19 we could receive as well, I believe.

10:38:25 20 Q. Okay. And does it ever contain information on
10:38:29 21 whether people are U.S. citizens?

10:38:33 22 A. I don't believe so.

10:38:34 23 Q. Okay. Do you know of any way to use ERIC to
10:38:39 24 verify whether someone's a U.S. citizen?

10:38:43 25 A. No, I don't.

10:38:47 1 Q. Okay. Now I'd like to talk a little bit about the
10:38:53 2 state registration form and the federal form that we've
10:38:57 3 talked about a few times. You're aware of the difference
10:39:06 4 between those two types of forms; is that correct?

10:39:09 5 A. Yes.

10:39:10 6 Q. Can you give me the relative breakdown between the
10:39:13 7 number of state form applications your office receives
10:39:16 8 versus federal form applications you receive?

10:39:20 9 A. I cannot.

10:39:21 10 Q. Okay. And I'm not asking for exact numbers. But
10:39:25 11 can you tell me, like, whether the -- the majority are
10:39:29 12 state forms?

10:39:32 13 A. The majority would be state forms, yes.

10:39:35 14 Q. Okay. Would you say it's substantially more state
10:39:41 15 forms than federal forms?

10:39:44 16 A. Yes.

10:39:44 17 Q. Okay. And we -- we talked a little bit ago about
10:39:52 18 those -- those agencies, such as public assistance
10:39:56 19 agencies, that are designated to provide voter registration
10:40:00 20 services.

10:40:03 21 Are you aware of any of those agencies that
10:40:08 22 use the federal form?

10:40:15 23 A. I am not aware.

10:40:16 24 Q. Okay. Do you know whether they use the state form
10:40:21 25 or federal form?

10:40:23 1 A. I do not.

10:40:25 2 MR. MORGAN: Foundation.

10:40:27 3 BY MR. FERGUSON:

10:40:28 4 Q. Sorry. I didn't get your answer.

10:40:29 5 A. I do not.

10:40:30 6 Q. Okay. And your office provides registration forms

10:40:38 7 to -- to third-party voter registration groups; is that

10:40:44 8 correct?

10:40:44 9 A. Yes.

10:40:45 10 Q. Okay. And when you provide those forms, do you

10:40:49 11 provide the state form?

10:40:52 12 A. Yes.

10:40:53 13 Q. Okay. Do you know whether those groups normally

10:40:59 14 use the state form?

10:41:05 15 A. I believe that they normally use the state form.

10:41:07 16 Q. Okay. And are you aware of any -- any such groups

10:41:12 17 that use the federal form?

10:41:14 18 A. I am not aware.

10:41:17 19 Q. Okay. Does your office process state form

10:41:24 20 applications any differently from federal form

10:41:28 21 applications?

10:41:29 22 A. No.

10:41:30 23 Q. Okay. So you use the same verification procedures

10:41:38 24 for documentary proof of citizenship regardless of whether

10:41:42 25 the applicant uses the state form or federal form?

10:41:45 1 A. Correct.

10:41:54 2 Q. Okay. I'd like to talk a little bit about

10:41:57 3 instances of voter fraud in the county or -- and how your

10:42:02 4 office handles it.

10:42:04 5 Can you just tell me in general what your

10:42:07 6 office does to identify instances of voter fraud?

10:42:16 7 A. We use the ERIC report.

10:42:21 8 Q. Okay. Can you describe in a little more detail

10:42:27 9 how that works?

10:42:28 10 A. There's a report we can request that will give us

10:42:33 11 information on people who may have voted in other states.

10:42:37 12 Q. Okay. And is that -- I suppose is that the only

10:42:43 13 way that you identify instances of fraud?

10:42:49 14 A. We -- it's -- I guess if they were brought to our

10:42:52 15 attention, we could research them.

10:42:54 16 Q. Okay. And so you perform investigations -- if --

10:43:01 17 if you receive information about potential fraud, you

10:43:05 18 perform an investigation?

10:43:08 19 A. I believe it has to be a formal challenge. I'm

10:43:11 20 sorry.

10:43:12 21 Q. No problem.

10:43:15 22 It needs to be a formal challenge. Can you

10:43:19 23 describe what you mean by "formal challenge"?

10:43:22 24 A. Like an early ballot challenge. There's a

10:43:28 25 process, I believe, and we would have to start that.

10:43:31 1 Q. So if someone wants your office to initiate an
10:43:35 2 investigation, they would have to file a formal challenge;
10:43:39 3 is that correct?
10:43:40 4 A. I believe so, yes.
10:43:42 5 Q. Okay. And if you were to receive any type of
10:43:49 6 challenge and perform an investigation, who would lead that
10:43:54 7 investigation within your office?
10:43:57 8 A. Myself or the recorder.
10:43:59 9 Q. Okay. And has that happened recently?
10:44:05 10 A. We have had an instance of a double voter -- a
10:44:10 11 potential double voter that we did research, yes.
10:44:14 12 Q. And can you tell me the outcome of that research?
10:44:17 13 A. I don't -- I don't know the outcome. I did
10:44:22 14 consult with the other state. So I don't know the outcome,
10:44:26 15 though.
10:44:27 16 Q. Okay. So this is an instance in which you
10:44:32 17 believed it was possible that someone had voted both in
10:44:36 18 Gila County and in another state in the same election?
10:44:40 19 A. We had received notification, yes, that that was
10:44:43 20 possible.
10:44:47 21 Q. And what was the source of that notification that
10:44:50 22 you received?
10:44:52 23 A. I believe it was the ERIC report.
10:44:54 24 Q. Okay. And is that the only investigation that you
10:45:03 25 are aware of that you performed since you became deputy

10:45:08 1 recorder?

10:45:10 2 A. I'm -- I will -- I guess I should say there are

10:45:17 3 two results. But one indicated that it wasn't an actual --

10:45:24 4 there was no -- it was a -- someone who was claimed to be

10:45:29 5 deceased when they voted, but that -- that wasn't true.

10:45:32 6 Q. So this was a separate -- a second investigation?

10:45:35 7 A. Yes.

10:45:36 8 Q. And you received information that they were

10:45:40 9 deceased; you investigated and found that it was not

10:45:46 10 correct?

10:45:46 11 A. Yeah, I believe they had died. They had voted and

10:45:49 12 then passed away. And so, therefore, they were valid.

10:45:52 13 Q. Okay. So those are the two -- are there any other

10:45:59 14 investigations that you performed into voter fraud or

10:46:05 15 similar incidents like that?

10:46:06 16 A. No.

10:46:11 17 Q. Are you aware of instances of noncitizens voting

10:46:15 18 in Gila County?

10:46:18 19 A. I am not aware --

10:46:21 20 Q. Okay.

10:46:22 21 A. -- of any.

10:46:23 22 Q. And are you aware of instances of noncitizens

10:46:27 23 registering to vote in Gila County?

10:46:31 24 A. I am not aware of any.

10:46:33 25 Q. Okay. Give me just a moment. I'm going to pull

10:46:53 1 up one additional document here. Okay. Can you see that
10:47:23 2 document up here?

10:47:24 3 A. Yes.

10:47:25 4 MR. FERGUSON: This is Document N -- the PDF
10:47:28 5 of Document N from the Dropbox. And this one, I believe,
10:47:32 6 does need to be marked as an exhibit. I think we're at
10:47:36 7 134?

10:47:37 8 THE COURT REPORTER: Yes.

10:47:37 9 (The document was marked as Exhibit 134
10:47:38 10 for identification.)

10:47:38 11 BY MR. FERGUSON:

10:47:42 12 Q. Do you recognize this email?

10:47:43 13 A. Yes.

10:47:44 14 Q. And this was sent to you; is that correct?

10:47:46 15 A. Yes.

10:47:47 16 Q. Okay. And can you describe to me what this email
10:47:53 17 is?

10:47:54 18 A. It's an email from Ian Camacho, who was letting us
10:48:00 19 know that he'd found several voters that appeared to be
10:48:04 20 illegally registered at addresses.

10:48:09 21 Q. And did you do any follow-up on this email?

10:48:13 22 A. We did.

10:48:14 23 Q. Okay. Can you tell me what follow-up you did?

10:48:21 24 A. We sent them letters.

10:48:23 25 Q. Okay.

10:48:25 1 A. A lot of them were -- a lot of them ended up to be
10:48:28 2 people who were registering at like a PostNets. And so we
10:48:33 3 let them know that they needed to provide a residential
10:48:35 4 address.

10:48:36 5 Q. Okay. So it appeared that the problem was they --
10:48:41 6 by "PostNets," do you mean they registered at a post office
10:48:44 7 box?

10:48:44 8 A. Right. Well --

10:48:47 9 Q. Sorry. Go ahead.

10:48:49 10 A. -- it's not really a post office box per se. I
10:48:52 11 guess it's like a place that you could -- I guess -- I
10:48:56 12 guess so, yes.

10:48:57 13 Q. Okay. Something -- something similar to a P.O.
10:49:01 14 box?

10:49:01 15 A. Yes.

10:49:01 16 Q. Okay. And you followed up with them to inform
10:49:09 17 them that they needed to register at -- using their home
10:49:15 18 residential address; is that correct?

10:49:17 19 A. Correct.

10:49:18 20 Q. Okay. And did you identify any instances of fraud
10:49:26 21 when you did the follow-up to this email?

10:49:28 22 A. No.

10:49:29 23 Q. Okay. Do you think your office's work in
10:49:40 24 preventing voter fraud in Gila County is effective?

10:49:47 25 A. I believe so.

10:49:48 1 MR. FERGUSON: Okay. Okay. I'm going to
10:49:52 2 stop sharing that document. I think it's probably a good
10:49:58 3 time for a break. Are you ready for a break?

10:50:02 4 THE WITNESS: Sure.

10:50:04 5 MR. FERGUSON: Okay. Does ten minutes work
10:50:07 6 for everyone? And we can restart at 11:00 Arizona time.

10:50:16 7 MR. LANGHOFER: Sounds good.

10:50:18 8 MR. FERGUSON: We can go off the record.

10:50:20 9 THE VIDEOGRAPHER: We are off the record.
10:50:22 10 Time on the video monitor is 10:50 a.m.

10:50:27 11 (A recess ensued.)

11:00:59 12 THE VIDEOGRAPHER: We are on the record.
11:01:15 13 Time on the video monitor is 11:01 a.m.

11:01:19 14 MR. FERGUSON: Okay. Thanks very much.
11:01:25 15 I'm just going to continue for a little bit
11:01:28 16 more and then pass it off to one of my colleagues.
11:01:32 17 So I'd like to bring up Document D from the
11:01:37 18 folder. And I'll share my screen so everyone can see that.

11:01:37 19 BY MR. FERGUSON:

11:01:59 20 Q. Okay. Can you see that document on the screen?
11:02:01 21 A. Yes.
11:02:02 22 Q. And have you seen this one before?
11:02:04 23 A. Yes.
11:02:05 24 Q. And can you tell me what that is?
11:02:10 25 A. Our responses to the request for productions.

11:02:16 1 Q. Great. And so you did send documents in response
11:02:24 2 to this request for production; is that correct?

11:02:27 3 A. Yes.

11:02:28 4 Q. Okay. Can you, I guess, describe to me your
11:02:34 5 process for locating documents that would be responsive to
11:02:42 6 these requests for production?

11:02:45 7 A. So we did some searching of our emails. We used,
11:02:56 8 I believe, the procedures manual. We did -- we used AVID
11:03:07 9 for some searching results.

11:03:13 10 Q. Okay. And did you search through your office's
11:03:18 11 computer files?

11:03:22 12 A. Computer -- what do you mean by "computer files"?

11:03:29 13 Q. Files that are on your computer or the computer of
11:03:36 14 any other employee in the office.

11:03:39 15 A. I searched my emails.

11:03:41 16 Q. Okay. Do you have a shared drive on your -- on
11:03:51 17 the county recorder's computer system --

11:03:54 18 A. Yes.

11:03:55 19 Q. -- that all the employees have access to?

11:03:59 20 Did you perform any search on that drive?

11:04:02 21 A. I did not.

11:04:03 22 Q. Okay. And did you perform any search on the files
11:04:08 23 of your -- just your own computer or that of anyone else?

11:04:12 24 A. The recorder did hers as well.

11:04:15 25 Q. Okay. And what -- do you know if that was her

11:04:18 1 emails or just her computer itself?

11:04:21 2 A. Her emails.

11:04:22 3 Q. Okay. What search terms did you use when
11:04:32 4 performing those searches?

11:04:33 5 A. I used birthplace, citizenship checkbox, and the
11:04:39 6 house bill numbers.

11:04:41 7 Q. Okay. Birthplace, citizenship box, and the house
11:04:45 8 bill numbers?

11:04:45 9 A. Yes.

11:04:46 10 Q. Okay. And only those four things?

11:04:48 11 A. Yes.

11:04:49 12 MR. FERGUSON: Okay. I'm going to pull up
11:04:58 13 Document C right now.

11:05:00 14 THE COURT REPORTER: Would you like to mark
11:05:03 15 that one as 135?

11:05:04 16 MR. FERGUSON: Yep. Sorry about that.

11:05:04 17 (The document was marked as Exhibit 135
11:05:04 18 for identification.)

11:05:25 19 MR. FERGUSON: I apologize. I'm going to
11:05:26 20 pull up Document B first and then C. So give me just one
11:05:34 21 moment. Okay.

11:05:34 22 BY MR. FERGUSON:

11:05:50 23 Q. Can you see that Document B once again on the
11:05:54 24 screen?

11:05:54 25 A. Yes.

11:05:55 1 Q. And do you see Interrogatory Number 11 there?

11:06:03 2 A. Yes.

11:06:03 3 Q. Okay. And I'll read it into the record.

11:06:06 4 "For every Request for Production served on

11:06:08 5 You in this matter, please describe the methodology for

11:06:11 6 your search for responsive documents and productions,

11:06:15 7 including but not limited to identifying the individuals

11:06:19 8 who assisted in the search, custodians, search terms, date

11:06:23 9 ranges."

11:06:29 10 Did I read that correctly?

11:06:29 11 A. Yes.

11:06:30 12 Q. Okay. Great. Now I'll switch back to Document C.

11:06:47 13 Okay.

11:06:47 14 Now do you see Document C up here?

11:06:50 15 A. Yes.

11:06:51 16 Q. Okay. So do you see Answer to Interrogatory 11?

11:06:57 17 A. Yes.

11:06:57 18 Q. Could you read that to me?

11:06:59 19 A. "The knowledge of the Recorder's chief deputy."

11:07:03 20 Q. Okay. Is it true that you also performed searches

11:07:09 21 for files in this case?

11:07:11 22 A. Yes.

11:07:12 23 Q. Do you still think that that answer is correct?

11:07:16 24 A. No.

11:07:17 25 Q. Okay. Do you want to give a new answer to that

11:07:25 1 interrogatory?

11:07:26 2 A. Sure. Yeah, we used the search terms that I spoke

11:07:32 3 about before, and we searched the emails --

11:07:34 4 Q. Okay.

11:07:35 5 A. -- of both the chief deputy recorder and the

11:07:40 6 recorder.

11:07:40 7 Q. Okay. Thank you. I'm going to take that document

11:07:47 8 off the screen and introduce one more. I'm going to pull

11:08:02 9 up Document E on the screen.

11:08:16 10 Did that come up for you?

11:08:17 11 A. Yes.

11:08:18 12 Q. Okay. Great.

11:08:19 13 Do you recognize this document?

11:08:21 14 A. I -- I don't recognize it.

11:08:32 15 MR. FERGUSON: Okay. And I do think we need

11:08:33 16 to mark this one as Exhibit -- I think it's 136.

11:08:38 17 THE COURT REPORTER: Yes.

11:08:38 18 (The document was marked as Exhibit 136

11:08:43 19 for identification.)

11:08:43 20 BY MR. FERGUSON:

11:08:45 21 Q. You said you don't recognize this document?

11:08:47 22 A. I -- I do.

11:08:50 23 Q. You do?

11:08:51 24 A. Yes.

11:08:51 25 Q. Okay. Can you tell me what it is?

11:08:53 1 A. I believe it is the -- it is a response to one of
11:09:09 2 the interrogatories.

11:09:12 3 Q. Okay. But you're not sure which one?

11:09:16 4 A. No.

11:09:17 5 MR. FERGUSON: Okay. Let me -- maybe I'll
11:09:21 6 just pull up that document requesting production one more
11:09:27 7 time to make it more clear.

11:09:27 8 BY MR. FERGUSON:

11:09:57 9 Q. Okay. Did that document come up for you?

11:10:01 10 A. Yes.

11:10:02 11 Q. Okay. So do you see where it says Answer for --
11:10:05 12 to Request for Production 3?

11:10:08 13 A. Yes.

11:10:10 14 MR. FERGUSON: Great. And for the record,
11:10:11 15 this is Document D, the answers to requests for production.

11:10:19 16 BY MR. FERGUSON:

11:10:20 17 Q. Could you just take a moment to read after it
11:10:27 18 says "Request for Production 3."

11:10:37 19 And so I'll read the first part of that into
11:10:43 20 the record.

11:10:44 21 "Any and all Documents and Communications
11:10:46 22 relating to -- including but not limited to a complete list
11:10:50 23 of -- Registered Voters whose registrations were canceled,
11:10:54 24 suspended, removed, placed on Congressional-only or
11:10:58 25 federal-only status."

11:11:00 1 Is that what it says at the beginning of
11:11:03 2 that?

11:11:03 3 A. Yes.

11:11:03 4 Q. Okay. And then I believe these are your answers
11:11:10 5 closer to the bottom of page 4 in bold; is that correct?

11:11:14 6 A. Yes.

11:11:14 7 Q. Okay. I'll give you a moment to read those.

11:11:27 8 A. Okay.

11:11:28 9 Q. Okay. Great.

11:11:29 10 And so the first answer says, "As to
11:11:32 11 Documents and Communications regarding cancellation,
11:11:35 12 suspension, placement on Congressional-only or
11:11:38 13 federal-only" -- it continues to say -- "see the Google
11:11:41 14 Drive link."

11:11:42 15 A. Yes.

11:11:42 16 Q. Did I read that correctly? Okay.

11:11:46 17 Does that refresh your memory about what that
11:11:49 18 spreadsheet we looked at is?

11:11:51 19 A. Yes.

11:11:51 20 Q. Okay. I'll pull that up as we're talking so we
11:11:57 21 can look at it again.

11:12:00 22 But can you tell me now what that spreadsheet
11:12:04 23 is that's Document E that I think we marked as 136?

11:12:09 24 A. Anyone who was -- their status changed from -- I
11:12:16 25 believe it was January 2022.

11:12:27 1 Q. You said anyone who -- sorry. Were you -- were
11:12:29 2 you still talking?

11:12:30 3 A. No.

11:12:30 4 Q. Okay. You said anyone whose status changed
11:12:35 5 starting with January 1st, 2022?

11:12:42 6 A. Whatever the date was provided on the --

11:12:44 7 Q. Sure. Sure. But it's a listed -- a list of
11:12:47 8 voters whose status changed?

11:12:50 9 A. Correct.

11:12:50 10 Q. Okay. And that -- so that's a total of five
11:12:55 11 voters in that time period?

11:13:00 12 A. Yes.

11:13:01 13 Q. Okay. And --

11:13:03 14 A. I think it was -- I think this list is actually
11:13:06 15 only people who were federal-only is who's changed.

11:13:12 16 Q. Okay. So it's a list of people who were
11:13:16 17 federal-only voters and then their status changed after
11:13:20 18 that?

11:13:21 19 A. Correct.

11:13:21 20 Q. Okay. Do you have a list of all federal-only
11:13:31 21 voters in Gila County?

11:13:33 22 A. Yes.

11:13:33 23 Q. Okay. Do you know if -- sorry. Go ahead.

11:13:38 24 A. Sorry. I could have one.

11:13:41 25 Q. Okay. Do you know if you produced that list in

11:13:47 1 response to this question that we read?

11:13:50 2 A. No, I don't think --

11:14:03 3 Q. Okay.

11:14:04 4 A. -- provided that separately, no.

11:14:06 5 Q. Do you know if there would have been a reason not
11:14:08 6 to provide that?

11:14:09 7 A. No. Other than I guess I didn't understand the
11:14:14 8 question -- the request.

11:14:14 9 MR. FERGUSON: Sure.

11:14:19 10 Counsel, if you are able to access that list,
11:14:21 11 we'd appreciate seeing it.

11:14:25 12 BY MR. FERGUSON:

11:14:25 13 Q. Do you know about how many people in Gila County
11:14:28 14 are registered as federal-only voters?

11:14:32 15 A. About -- about -- less than 70, I believe.

11:14:36 16 Q. Less than 70. Okay.

11:14:39 17 And do you know how many total are
11:14:44 18 registered, not just federal-only, but everyone?

11:14:47 19 A. About 36,000.

11:14:49 20 Q. Okay. So about 70 out of 36,000?

11:14:52 21 A. Uh-huh.

11:14:53 22 Q. Okay.

11:14:54 23 A. Yes.

11:14:58 24 MR. FERGUSON: I'm going to stop sharing my
11:15:00 25 screen. Okay. That concludes my questions for now.

11:15:03 1 Thanks very much for your time. I appreciate
11:15:05 2 it.

11:15:06 3 We're going to move on to some questions by
11:15:08 4 Mr. Hirschel.

11:15:10 5

11:15:19 6 EXAMINATION

11:15:19 7 BY MR. HIRSCHEL:

11:15:20 8 Q. Hi. Good afternoon.

11:15:22 9 A. Hello.

11:15:22 10 Q. I suppose good morning in Arizona. As

11:15:26 11 Mr. Ferguson said, my name is Andrew Hirschel. I'm with

11:15:30 12 Arnold & Porter. I represent Poder Latinx. I'm going to

11:15:33 13 try my best to make this take very little of your time.

11:15:36 14 Just a few questions.

11:15:37 15 So my first question is about the EPM.

11:15:43 16 Mr. Ferguson asked if the EPM is legally binding, and you

11:15:47 17 said you believe so. Does that apply to the -- to the

11:15:50 18 entire EPM?

11:15:53 19 MR. LANGHOFER: Form. Calls for a legal
11:15:54 20 conclusion.

11:15:56 21 THE WITNESS: I would assume so, yes.

11:15:59 22 BY MR. HIRSCHEL:

11:16:01 23 Q. Can legally binding guidance be conveyed by the

11:16:05 24 Secretary of State's Office to the County Recorder's Office

11:16:09 25 in any other way besides the EPM?

11:16:14 1 MR. LANGHOFER: Form; foundation.

11:16:15 2 MR. MORGAN: Calls for a legal conclusion.

11:16:17 3 THE WITNESS: I am not aware of that.

11:16:20 4 BY MR. HIRSCHHEL:

11:16:21 5 Q. You're not aware of any other way that legally

11:16:23 6 binding guidance could be conveyed by the secretary of

11:16:26 7 state?

11:16:26 8 A. I don't know --

11:16:27 9 MR. MORGAN: Asked and answered.

11:16:29 10 THE COURT REPORTER: Can you repeat your

11:16:30 11 answer?

11:16:31 12 THE WITNESS: I don't know.

11:16:34 13 BY MR. HIRSCHHEL:

11:16:34 14 Q. Okay. I'm going to move on. I have a couple

11:16:36 15 questions about the MVD.

11:16:40 16 You can use the MVD to confirm that someone

11:16:43 17 is a citizen; right?

11:16:45 18 A. Correct.

11:16:46 19 Q. And I just want to clarify. Can you use the MVD

11:16:53 20 to confirm that someone is not a citizen?

11:16:57 21 A. Correct.

11:16:58 22 Q. How would you use the MVD to confirm that someone

11:17:02 23 is not a citizen?

11:17:04 24 A. The results would come back, and they would say

11:17:07 25 they were an F-type license.

11:17:08 1 Q. When -- when you discussed F-type licenses with
 11:17:12 2 Mr. Ferguson earlier, I believe you discussed how an F-type
 11:17:21 3 license reflects a person's citizenship status at a certain
 11:17:26 4 point in time but not necessarily their current citizenship
 11:17:30 5 status.

11:17:31 6 Do you recall testifying to that?

11:17:33 7 A. Yes.

11:17:34 8 Q. So if you do a check in MVD and it comes back that
 11:17:41 9 the person has an F-type license, isn't it possible that a
 11:17:47 10 person could have naturalized between the time that they
 11:17:50 11 got their F-type license and now?

11:17:55 12 A. I guess it could be true.

11:17:57 13 Q. So you can't -- you can't use the MVD to
 11:18:03 14 conclusively determine that someone is not a citizen right
 11:18:07 15 now; isn't that right?

11:18:11 16 A. Can you repeat that?

11:18:13 17 Q. Because of the possibility that someone could
 11:18:17 18 naturalize between the time they obtained an F-type license
 11:18:20 19 and today, wouldn't it be the case that you cannot use the
 11:18:26 20 MVD to conclusively determine that someone is not a citizen
 11:18:31 21 today?

11:18:33 22 MS. PORTER: Form.

11:18:36 23 THE WITNESS: I think that could be true.

11:18:36 24 BY MR. HIRSCHER:

11:18:39 25 Q. So you cannot use the MVD to confirm that someone

11:18:41 1 is not a citizen?

11:18:46 2 MS. BOUGHTON: Form.

11:18:49 3 THE WITNESS: If -- I guess if they had

11:18:51 4 naturalized between the two times, no.

11:18:57 5 BY MR. HIRSCHTEL:

11:19:01 6 Q. A number of the provisions in the two laws we've

11:19:04 7 been talking about require the county recorder to do things

11:19:08 8 -- it uses the language "to the extent practicable."

11:19:12 9 You looked at this, some of these sections,

11:19:14 10 before. And we could pull them up if you want to.

11:19:18 11 Do you understand what "to the extent

11:19:20 12 practicable" means?

11:19:25 13 MR. LANGHOFER: Form. Calls for a legal

11:19:27 14 conclusion.

11:19:27 15 THE WITNESS: I don't.

11:19:33 16 BY MR. HIRSCHTEL:

11:19:34 17 Q. Do you know who in your office would decide

11:19:36 18 whether something is practicable?

11:19:41 19 A. I would assume my county attorney would.

11:19:50 20 Q. In your opinion, is it practicable for the County

11:19:53 21 Recorder's Office to use MVD driver license and

11:19:57 22 nonoperating ID license information -- or nonoperating ID

11:20:02 23 -- excuse me -- information to verify voter citizenship?

11:20:07 24 MR. MORGAN: Form.

11:20:07 25 MR. LANGHOFER: Same objection.

11:20:10 1 THE WITNESS: I don't have an opinion on
11:20:12 2 that.

11:20:12 3 BY MR. HIRSCHTEL:

11:20:13 4 Q. Okay. I've got a couple questions about the SAVE
11:20:15 5 database.

11:20:15 6 You talked previously about A-numbers and
11:20:18 7 naturalization certificate numbers. How do you obtain
11:20:22 8 those numbers?

11:20:24 9 A. They're provided by the voter.

11:20:27 10 Q. In what form are they provided by the voter?

11:20:30 11 A. The voter registration form.

11:20:33 12 Q. If someone provides a naturalization certificate,
11:20:36 13 does that satisfy the DPCC requirement?

11:20:39 14 MR. LANGHOFER: Same objection.

11:20:42 15 THE WITNESS: I believe it would.

11:20:43 16 BY MR. HIRSCHTEL:

11:20:44 17 Q. So if someone provides a naturalization
11:20:47 18 certificate, do you have to check the number in the SAVE
11:20:50 19 system or are they set?

11:20:53 20 A. We check it.

11:20:55 21 Q. When you check a naturalization certificate number
11:20:58 22 in the SAVE system, do you also check A-numbers?

11:21:05 23 A. If it's provided.

11:21:07 24 Q. Is that to say that sometimes you only check one
11:21:11 25 of those numbers but not both?

11:21:15 1 A. To be -- to be honest, I don't -- I haven't used
11:21:18 2 the SAVE program that often so I -- I can't -- I can't
11:21:27 3 recall what it actually requires.

11:21:29 4 Q. Can you use the -- moving on to the Social
11:21:37 5 Security database, can you use that database to confirm
11:21:40 6 that someone is a citizen?

11:21:44 7 A. We can confirm that they have a Social Security
11:21:46 8 number or not.

11:21:51 9 Q. And can you use the Social Security database to
11:21:54 10 confirm that someone is not a citizen?

11:21:58 11 A. We can confirm that they have a Social Security
11:22:02 12 number.

11:22:04 13 Q. But that's all?

11:22:06 14 A. Correct.

11:22:07 15 Q. Do you know if USCIS has an alternative
11:22:14 16 verification citizen -- system -- excuse me -- for
11:22:17 17 citizenship?

11:22:17 18 A. I have no idea.

11:22:18 19 Q. So you've never used a USCIS alternative
11:22:22 20 verification system for citizenship?

11:22:25 21 A. I don't believe -- I don't know what that is, so I
11:22:31 22 don't know.

11:22:32 23 Q. Okay. In HB 2243, there are a couple places where
11:22:46 24 the county recorder is supposed to compare voter rolls to
11:22:49 25 other databases each month. Are you familiar with that

11:22:52 1 language?

11:22:53 2 A. Yes.

11:22:54 3 Q. Is it practicable to compare the voter rolls to
11:22:59 4 other databases each month?

11:23:02 5 MR. LANGHOFER: Same objection.

11:23:06 6 THE WITNESS: I don't know.

11:23:06 7 BY MR. HIRSCHER:

11:23:15 8 Q. Do you think it would be possible to do that?

11:23:18 9 A. I'm sure it might be possible. I don't know how
11:23:21 10 long it would take.

11:23:24 11 Q. Thinking about how long it would take, there's a
11:23:27 12 point in HB 2492 where it says that the attorney general
11:23:33 13 should use, quote, "all available resources to verify the
11:23:38 14 citizenship status" of each applicant.

11:23:42 15 Would it be possible to use all of your
11:23:44 16 office's available resources to -- to perform those checks?

11:23:55 17 A. I guess it could be possible.

11:23:56 18 Q. Would there be any downsides that you can think of
11:23:59 19 to doing that?

11:24:01 20 A. Time.

11:24:02 21 MR. MORGAN: Form.

11:24:04 22 BY MR. FERGUSON:

11:24:04 23 Q. Anything else?

11:24:07 24 A. Staff.

11:24:09 25 Q. What do you mean by "staff"?

11:24:11 1 A. Having enough staff to do that.

11:24:17 2 Q. Okay. Just a few more questions.

11:24:22 3 You spoke with Mr. Ferguson previously about

11:24:27 4 what the language in HB 2492 and 2243 -- scratch that.

11:24:36 5 Strike that.

11:24:36 6 You spoke previously about information that

11:24:40 7 someone is not a U.S. citizen. The -- these laws use the

11:24:45 8 word "information." I want to just identify a few

11:24:49 9 examples. And my question for you is whether this would

11:24:55 10 constitute information that someone is not a U.S. citizen?

11:25:01 11 So my first example is anything besides a

11:25:05 12 government database, could anything else be information

11:25:10 13 that someone is not a U.S. citizen?

11:25:20 14 MS. BOUGHTON: Form.

11:25:20 15 THE WITNESS: I guess it could be. I'm

11:25:22 16 not --

11:25:22 17 BY MR. HIRSCHER:

11:25:23 18 Q. What about if a voter called your office and said

11:25:26 19 they're not a citizen? Would that be information that

11:25:29 20 they're not a citizen?

11:25:32 21 MR. LANGHOFER: Same objection. Asked and

11:25:33 22 answered.

11:25:37 23 THE WITNESS: I suppose we could look into

11:25:39 24 that.

11:25:40 25 ///

11:25:40 1 BY MR. HIRSCHTEL:

11:25:40 2 Q. What if they emailed your office?

11:25:42 3 MR. LANGHOFER: Same objection. Asked and
11:25:44 4 answered.

11:25:44 5 THE WITNESS: We could look into that.

11:25:46 6 BY MR. HIRSCHTEL:

11:25:47 7 Q. What about if a voter's family member called the
11:25:50 8 office and said that someone else is not a citizen? Would
11:25:53 9 that be valid information that they're not a citizen?

11:25:56 10 MR. LANGHOFER: Same objection.

11:26:00 11 THE WITNESS: We would look into it. We
11:26:01 12 wouldn't take anything at face value.

11:26:06 13 MR. HIRSCHTEL: Counsel, should we stipulate
11:26:07 14 the objection to -- I'm going to just do a few more of
11:26:10 15 these.

11:26:12 16 MR. LANGHOFER: Yeah. I think that is good.
11:26:14 17 The objection's form and calls for a legal conclusion.

11:26:17 18 Go ahead.

11:26:18 19 MR. MORGAN: Can you just let us know when
11:26:19 20 you're done asking questions subject to the stipulation.

11:26:23 21 MR. HIRSCHTEL: Happy to.

11:26:24 22 BY MR. HIRSCHTEL:

11:26:25 23 Q. What about a phone call from a law enforcement in
11:26:28 24 Arizona? Would that provide information that someone is
11:26:31 25 not a citizen?

11:26:35 1 A. Not -- not that we would act on alone, no.

11:26:39 2 Q. How about a phone call from law enforcement in

11:26:42 3 another state?

11:26:46 4 A. That would be the same answer.

11:26:49 5 Q. What about an email or a letter from law

11:26:52 6 enforcement in Arizona?

11:26:59 7 A. Same answer.

11:27:00 8 Q. Email or letter from law enforcement in another

11:27:02 9 state?

11:27:03 10 A. We would definitely -- we would look into things.

11:27:10 11 Q. What do you mean you would look into things?

11:27:13 12 A. I guess we would, you know, run their -- run their

11:27:14 13 information through the HAVA check again to see if that's

11:27:19 14 -- if they're a citizen or not, if we got any different

11:27:23 15 results from the first time.

11:27:25 16 Q. So an email or letter from law enforcement in

11:27:26 17 another state, is your answer that that would constitute

11:27:29 18 information that someone's not a citizen?

11:27:31 19 A. We would look into it.

11:27:34 20 Q. So is that -- is that information, then?

11:27:38 21 A. It could be considered -- if it -- sure.

11:27:43 22 Q. What if you received an anonymous call, someone

11:27:47 23 said, "I know this other person is not a citizen"? Would

11:27:50 24 that be information that that other person is not a

11:27:53 25 citizen?

11:27:56 1 A. It could be considered that.

11:27:59 2 Q. Would your office act on that?

11:28:02 3 A. We would -- I don't -- we wouldn't act on it. We

11:28:12 4 wouldn't cancel someone based on that.

11:28:13 5 Q. What about if you received an anonymous email?

11:28:18 6 A. We wouldn't cancel someone based on that.

11:28:21 7 Q. Okay. I'm going to ask you many of those same

11:28:25 8 examples now. So the stipulation continues as to the

11:28:29 9 objection.

11:28:31 10 But this time, instead of information, I want

11:28:34 11 to ask whether it would give you reason to believe that

11:28:37 12 someone is not a citizen since the laws also use that

11:28:40 13 language.

11:28:42 14 Could anything besides a government or voter

11:28:45 15 registration database give you a reason to believe that

11:28:48 16 someone is not a citizen?

11:28:51 17 A. We wouldn't cancel based on that.

11:29:09 18 Q. How about a phone call from a voter? Could that

11:29:24 19 give you reason to believe that someone is not a citizen?

11:29:30 20 A. No.

11:29:35 21 Q. What about an email from a voter?

11:29:38 22 A. We would -- we wouldn't -- we wouldn't cancel

11:29:44 23 based on that.

11:29:45 24 Q. Could a signed letter from a voter give you reason

11:29:50 25 to believe that someone is not a citizen?

11:29:53 1 A. No.

11:30:01 2 Q. What about a phone call from a voter's family

11:30:05 3 member?

11:30:08 4 A. We -- we would research all of these things.

11:30:13 5 Q. So is that to say that they would give you a

11:30:15 6 reason to believe that these people are not citizens?

11:30:21 7 A. No.

11:30:23 8 Q. What about a phone call from law enforcement in

11:30:27 9 Arizona?

11:30:30 10 A. No.

11:30:31 11 Q. Or an email or letter from law enforcement in

11:30:35 12 Arizona?

11:30:36 13 A. No.

11:30:37 14 Q. A phone call, email, or letter from law

11:30:40 15 enforcement outside of Arizona?

11:30:43 16 A. No.

11:30:46 17 Q. How about an anonymous phone call?

11:30:50 18 A. No.

11:30:51 19 Q. Or an anonymous email address?

11:30:56 20 A. No.

11:30:56 21 Q. If a voter put their first name in the last name

11:31:03 22 box, put their last name in the first name box on their

11:31:06 23 registration form, would that give you reason to believe

11:31:08 24 that they're not a citizen?

11:31:11 25 A. No.

11:31:11 1 Q. What if they put a foreign place of birth on their
11:31:16 2 registration form? Is that a reason to believe they're not
11:31:19 3 a citizen?

11:31:20 4 A. No.

11:31:24 5 Q. If you identify a registered voter who has
11:31:28 6 satisfied the DPOC requirement but has an F-type license,
11:31:33 7 is there a reason to believe they're not a U.S. citizen?

11:31:39 8 A. No.

11:31:42 9 Q. What about registered voters who are exempt from
11:31:46 10 the DPOC requirement because they registered prior to the
11:31:49 11 DPOC requirement going into effect? Would there be reason
11:31:52 12 to believe that they're not U.S. citizens?

11:31:55 13 A. No.

11:31:56 14 Q. Has your office received any guidance from the
11:32:00 15 secretary of state on what would constitute a reason to
11:32:04 16 believe or would give you a reason to believe that a voter
11:32:07 17 is not a citizen?

11:32:08 18 A. I don't believe so.

11:32:16 19 MR. HIRSCHER: Can we go off the record.

11:32:18 20 THE VIDEOGRAPHER: We are off the record.

11:32:26 21 Time on the video monitor is 11:32 a.m.

11:32:32 22 (An off-the-record discussion ensued.)

11:33:27 23 THE VIDEOGRAPHER: We're on the record. Time

11:33:37 24 on the video monitor is 11:33 a.m.

11:33:42 25 MR. HIRSCHER: That's all my questions.

11:33:44 1 Thank you very much for your time.

11:33:50 2 MR. LANGHOFER: Craig and Kathryn, I'll defer
11:33:52 3 to you guys, being representatives of the government.

11:33:54 4 MR. MORGAN: Yeah. Craig Morgan for the
11:33:56 5 secretary of state. I don't have any questions.

11:33:57 6 I just want to say thank you. You were very
11:33:59 7 brave and very honest. We appreciate your time.

11:34:02 8 THE WITNESS: No problem. Thank you.

11:34:02 9

11:34:02 10 EXAMINATION

11:34:02 11 BY MS. BOUGHTON:

11:34:05 12 Q. Good afternoon. I do have a few quick questions.
11:34:08 13 And I echo Craig. Thanks for your time today.

11:34:12 14 Again, my name is Kathryn Boughton. I
11:34:15 15 represent the state and attorney general in this case.

11:34:18 16 So I wanted to talk to you about the
11:34:23 17 citizenship checkbox. You may recall plaintiffs' counsel
11:34:27 18 -- Mr. Ferguson asked you some questions about what your
11:34:29 19 office does when the box is or isn't checked.

11:34:33 20 Do you recall that?

11:34:34 21 A. Yes.

11:34:35 22 Q. Do you think that the citizenship checkbox
11:34:42 23 provides your office with information about whether the
11:34:45 24 voter is a citizen?

11:34:48 25 A. That I -- I don't have an opinion on that.

11:34:56 1 Q. If the citizenship checkbox is not marked, your

11:35:08 2 office runs the HAVA check; correct?

11:35:10 3 A. We run HAVA checks regardless.

11:35:14 4 Q. And on the HAVA check, we discussed how the AVID
11:35:30 5 system interfaces with MVD data; correct?

11:35:33 6 A. Yes.

11:35:34 7 Q. And is it your opinion, the office's opinion, that
11:35:40 8 that data is generally reliable?

11:35:42 9 A. Yes.

11:35:45 10 MR. FERGUSON: Objection. Calls for
11:35:48 11 speculation.

11:35:48 12 BY MS. BOUGHTON:

11:35:48 13 Q. Are you aware of any instances in which HAVA
11:35:51 14 returned inaccurate data regarding whether a voter -- or an
11:35:54 15 applicant was a noncitizen?

11:35:57 16 A. I guess we could say that's -- the email regarding
11:36:00 17 the press release would say that, yes.

11:36:05 18 Q. And did I -- was I -- do I recall your testimony
11:36:09 19 correctly that you were not sure if Gila County had any
11:36:13 20 voters affected by that?

11:36:14 21 A. I don't recall if we did.

11:36:16 22 Q. Okay. But generally is it a common occurrence
11:36:22 23 that the MVD's data -- do you have frequent instances where
11:36:25 24 the data is -- returns inaccurate information to your
11:36:29 25 knowledge?

11:36:29 1 A. Not to my knowledge.

11:36:30 2 Q. And similarly, with the SAVE database, do you find
11:36:37 3 that information to be generally reliable?

11:36:41 4 A. Yes.

11:36:41 5 Q. The state form has a place for voters --
11:36:49 6 applicants to put their birthplace; correct?

11:36:52 7 A. Yes.

11:36:52 8 Q. Do voters generally submit that information?

11:37:00 9 A. Generally.

11:37:04 10 Q. And if a voter submits -- lists their birthplace,
11:37:08 11 is that entered into AVID?

11:37:09 12 A. Yes.

11:37:10 13 Q. If at some point there were two applications
11:37:17 14 submitted to your office and they had the same name, the
11:37:20 15 same address, but they listed two different places of
11:37:24 16 birth, how would your office handle that?

11:37:29 17 MR. MAKKER: Objection. Incomplete
11:37:32 18 hypothetical.

11:37:32 19 THE WITNESS: We would just enter the
11:37:33 20 information as it came in.

11:37:36 21 BY MS. BOUGHTON:

11:37:39 22 Q. Would you do any -- contact the voter who
11:37:42 23 submitted the application?

11:37:45 24 MR. MAKKER: Same objection.

11:37:46 25 THE WITNESS: No.

11:37:48 1 MR. LANGHOFER: This "incomplete
11:37:49 2 hypothetical" objection is not recognized under the Federal
11:37:53 3 Rules of Procedure, so I just want to flag it as potential
11:37:57 4 witness coaching.

11:38:14 5 MR. MAKKER: Okay.

11:38:14 6 BY MS. BOUGHTON:

11:38:15 7 Q. One thing I wanted to loop back on just to
11:38:18 8 clarify -- one of plaintiffs' counsels was asking you some
11:38:23 9 questions about what might give the office a reason to
11:38:26 10 believe that the voter was not a U.S. citizen.

11:38:29 11 And I think that you testified that if
11:38:31 12 somebody was listed as a federal-only voter, that you
11:38:35 13 weren't sure if that might be a reason to believe they were
11:38:39 14 not a U.S. citizen.

11:38:40 15 Did I hear that correctly?

11:38:42 16 A. Can you say it again, please?

11:38:48 17 Q. Sure. So I guess I'll rephrase my question.

11:38:53 18 If a voter submits a federal application,
11:38:59 19 voter registration form, they attest that they're a U.S.
11:39:02 20 citizen; correct?

11:39:03 21 A. Yes.

11:39:25 22 MS. BOUGHTON: That's all I have for you
11:39:27 23 today. Thank you so much. I really appreciate your time.

11:39:29 24 THE WITNESS: You're welcome.

11:39:29 25

11:39:29 1 EXAMINATION

11:39:29 2 BY MR. LANGHOFER:

11:39:34 3 Q. Good morning, ma'am. My name is Kory Langhofer,

11:39:34 4 and I represent the RNC. I have really just a handful of

11:39:37 5 questions that haven't been touched on yet.

11:39:40 6 When your office receives a state

11:39:46 7 registration form without DPOC and you can't find evidence

11:39:50 8 of citizenship in the MVD system so you send out a notice

11:39:55 9 to the voter saying that you need this DPOC, do you know

11:40:00 10 roughly how many of those -- what percentage of those end

11:40:03 11 up responding with DPOC?

11:40:07 12 A. I don't know exact numbers, no.

11:40:08 13 Q. Do you have a rough order of magnitude, you know,

11:40:11 14 like generally what we're talking about?

11:40:13 15 A. I -- we have very few federal voters, so the

11:40:17 16 majority of them probably.

11:40:19 17 Q. Okay. So you -- do you mean -- just want to make

11:40:26 18 sure we're clear on this -- a majority of the folks who get

11:40:27 19 the notification letter are able to respond and give you

11:40:29 20 the DPOC?

11:40:30 21 A. Correct.

11:40:30 22 Q. Okay. And does your office have access to any

11:40:41 23 databases that are more reliable than the MVD database and

11:40:47 24 SAVE database that you guys use currently?

11:40:50 25 A. No.

11:40:51 1 Q. And do you have any access to any databases that
11:40:55 2 for purposes of checking citizenship are more up to date
11:40:59 3 than those two databases?

11:41:01 4 A. Not that I'm aware of.

11:41:05 5 Q. If you're required, then, to perform some sort of
11:41:08 6 citizenship check, do you have any better tools than what
11:41:12 7 you're currently using?

11:41:14 8 A. Not that I'm aware of.

11:41:15 9 Q. Does your office receive voter registration forms
11:41:24 10 with false information?

11:41:31 11 MR. MAKKER: Objection. Lacks foundation.

11:41:35 12 THE WITNESS: I don't know.

11:41:37 13 BY MR. LANGHOFER:

11:41:38 14 Q. Why do you say that?

11:41:40 15 A. For -- I guess, for instance, I can't verify a
11:41:46 16 place of birth. So I wouldn't know if they were -- if that
11:41:51 17 was false information or not.

11:41:53 18 Q. Have you received voter registration forms from
11:41:56 19 convicted felons, for example?

11:42:05 20 A. I'm sure we have, but they -- we do get -- there
11:42:14 21 is a felony check that's run as well so . . .

11:42:18 22 Q. And do you ever identify, as part of that check,
11:42:21 23 people who have already been convicted of felonies?

11:42:26 24 A. I haven't seen one personally.

11:42:29 25 Q. Do you know them to have happened inside the

11:42:33 1 office?

11:42:33 2 A. I can't -- I couldn't tell you.

11:42:36 3 Q. Bear with me just one second here. I want to make
11:42:45 4 sure that -- I don't want to ask any questions that have
11:42:48 5 already been done, but I don't want to skip anything
11:42:50 6 either.

11:42:50 7 The October 2022 incident where the MVD
11:42:53 8 database, the AVID system had a problem with the
11:42:57 9 citizenship checks, are you aware of anyone in your county
11:42:59 10 who was disenfranchised as a result of that?

11:43:04 11 A. I am not aware.

11:43:07 12 MR. LANGHOFER: All right. Ma'am, I
11:43:08 13 appreciate your time. Those are all the questions that I
11:43:10 14 have.

11:43:12 15 THE WITNESS: Thank you.

11:43:12 17 EXAMINATION

11:43:12 18 BY MR. MAKKER:

11:43:12 19 Q. I had one follow-up.

11:43:14 20 Do you know how many of the letters that you
11:43:16 21 send out when somebody had not provided DPOC are not
11:43:21 22 responded to?

11:43:24 23 A. I am not aware of that number offhand.

11:43:29 24 MR. MAKKER: Okay. Thank you.

the record?

MR. LANGHOFER: I think we're done. Does anyone else have anything further?

MR. MORGAN: I don't think we need to go off the record yet. If there's nobody else, we can just end the deposition.

I assume counsel for the witness is going to read and sign; right?

MR. DALTON: Yes.

THE VIDEOGRAPHER: We're off the record. Time on the video monitor is 11:44 a.m. This ends Volume 1, Media Number 2, of the 30(b)(6) deposition of Gila County Recorder, designed by Charlotte Asrarynezami.

1 MATT JACKSON WEBBER,
2 the witness herein, being first duly sworn,
3 was examined and testified as follows:
4

13:05:37 5 EXAMINATION

13:05:37 6 BY MR. SHERMAN:

13:05:42 7 Q. Good afternoon, Mr. Webber. Thank you for being
13:05:45 8 with us and taking the time for this deposition.

13:05:48 9 Could I ask that you please state your full
13:05:50 10 name for the record and your full title.

13:05:53 11 A. Matt Jackson Webber. And my full title is program
13:06:01 12 manager for voter registration and early voting.

13:06:06 13 Q. How long have you been in that position?

13:06:07 14 A. Since December.

13:06:09 15 Q. And how long have you been with the Yavapai County
13:06:13 16 Recorder's Office?

13:06:13 17 A. Since 2017.

13:06:15 18 Q. And what are the different positions you've held
13:06:18 19 since 2017?

13:06:20 20 A. I started as -- I'm trying to remember the exact
13:06:28 21 job title, but it was dealing with the mailing and early
13:06:33 22 voting. And then I became a voter registration specialist
13:06:40 23 II and then moved up into what we now call the registrar of
13:06:47 24 voters, but you have my official title.

13:06:49 25 Q. Thank you.

13:06:50 1 Are you represented by an attorney today?

13:06:52 2 A. Yes.

13:06:53 3 Q. And who is that?

13:06:54 4 A. Michael Gordon.

13:06:57 5 Q. Thank you.

13:06:57 6 For today's deposition, I want to make sure
13:06:59 7 the record is clear on a couple of points.

13:07:02 8 Do you understand you are testifying under
13:07:03 9 oath today?

13:07:04 10 A. Yes.

13:07:06 11 Q. Do you understand the court reporter is
13:07:07 12 transcribing this deposition?

13:07:09 13 A. Yes.

13:07:09 14 Q. With that in mind, please answer questions audibly
13:07:12 15 and clearly. Please let me know if you do not understand a
13:07:15 16 question or need me to repeat any part of it. If I ask the
13:07:19 17 question and you answer the question, I will assume that
13:07:22 18 you understood the question. If you do not understand a
13:07:24 19 question, please tell me so. Is that all okay?

13:07:29 20 A. Yes.

13:07:29 21 Q. Great.

13:07:30 22 During this deposition, attorneys may make
13:07:33 23 objections. Even if they make objections, unless your
13:07:36 24 attorney specifically instructs you not to answer a
13:07:39 25 question, you must still answer the question. Do you

understand?

A. Yes.

Q. Any reason you can't testify truthfully today?

A. No.

Q. Is there any reason that you can't give full, complete, and accurate testimony today?

A. No.

Q. Are you on any medications or experiencing any condition that would prevent you from giving full and truthful testimony today?

A. No.

Q. If at any time you need to take a break, please let me know. The only thing I ask is that if I've already asked a question and that question is pending, please finish answering that question before taking the break. Do you understand?

A. Yes.

Q. Great.

Have you ever been deposed before?

A. No.

Q. For today's deposition, where are you physically located?

A. I am at 1015 Fair Street in Prescott, Arizona.

Q. And who else is in the room with you?

A. Michael Gordon.

13:08:27 1 Q. Did you bring any materials with you to the
13:08:29 2 deposition?

13:08:30 3 A. I have hard copies of the production materials
13:08:36 4 that we produced.

13:08:38 5 Q. Great.

13:08:39 6 Anything else?

13:08:42 7 A. I -- well, I have a notepad that's blank and my
13:08:48 8 phone.

13:08:48 9 Q. Great.

13:08:49 10 Do you have any documents in front of you?

13:08:51 11 A. The documents, again, it was the documents we
13:08:55 12 produced at the request, but there's no other documents
13:09:01 13 than that.

13:09:02 14 Q. Great.

13:09:03 15 Could I ask you to take a look at Exhibit A
13:09:05 16 of the Yavapai County recorder deposition exhibits?

13:09:11 17 A. I will have to find it. That's not organized
13:09:13 18 so . . .

13:09:15 19 THE COURT REPORTER: Do you want to mark this
13:09:15 20 as Exhibit 137?

13:09:21 21 MR. SHERMAN: Yes, I do want to mark it as
13:09:23 22 Exhibit 137.

13:09:23 23 BY MR. SHERMAN:

13:09:24 24 Q. I just want to clarify. This is in the SharePoint
13:09:27 25 folder that you're using for the potential deposition

13:09:31 1 exhibits, so if --

13:09:32 2 A. That may be easier to find there. Let me pull
13:09:34 3 that up.

13:09:35 4 Q. Yeah. I think pulling it up on your laptop screen
13:09:39 5 might be just easier.

13:09:39 6 (The document was marked as Exhibit 137
13:10:08 7 for identification.)

13:10:08 8 THE WITNESS: So I want to make sure I'm
13:10:09 9 looking at -- this was Exhibit A from the -- not the one --
13:10:15 10 we produced an Exhibit A, I think, in our first request for
13:10:19 11 production.

13:10:19 12 BY MR. SHERMAN:

13:10:19 13 Q. Yeah. Those -- those numbers -- those -- that
13:10:22 14 lettering from the -- what you produced is not what I'm
13:10:24 15 using. I'm just --

13:10:24 16 A. Okay.

13:10:25 17 Q. --referring to --

13:10:25 18 A. That -- I think we're in the right place.

13:10:28 19 THE COURT REPORTER: I need one at a time,
13:10:29 20 please, so I can get you all on the record.

13:10:29 21 MR. SHERMAN: Yeah. Sorry, Cindy.

13:10:33 22 THE WITNESS: So it's -- it's a court
13:10:35 23 document.

13:10:37 24 BY MR. SHERMAN:

13:10:37 25 Q. Okay. So what is this document?

13:10:38 1 A. It's Plaintiffs' Second Amended Notice of
13:10:42 2 Deposition of Yavapai County Recorder's Office Pursuant to
13:10:46 3 Rule 30(b)(6).

13:10:49 4 Q. Great. We've marked this as Exhibit 137.
13:10:53 5 Have you seen this before today?

13:10:54 6 A. Yes.

13:10:54 7 Q. Do you understand you've been designated as a
13:10:57 8 representative to testify on behalf of the Yavapai County
13:11:02 9 Recorder's Office, not in your individual capacity?

13:11:04 10 A. Yes.

13:11:04 11 Q. Can we stipulate that whenever I say "you" or
13:11:06 12 "your," that will be the equivalent of saying "your office"
13:11:09 13 or "your office's"?

13:11:11 14 A. Yes.

13:11:12 15 Q. Can we also stipulate that unless it is otherwise
13:11:14 16 specified, your use of the words "I" or "me" shall refer to
13:11:18 17 the Yavapai County Recorder's Office?

13:11:20 18 A. Yes.

13:11:21 19 Q. Can we turn to Schedule A in this -- this is
13:11:25 20 basically the list of "Topics" starting at the bottom of
13:11:29 21 page 4.

13:11:32 22 A. Okay.

13:11:33 23 Q. Have you had a chance to review this list of the
13:11:37 24 28 topics?

13:11:37 25 A. Yes.

13:11:38 1 Q. And are you prepared to address each of these

13:11:41 2 today?

13:11:42 3 A. Yes.

13:11:42 4 Q. Great.

13:11:43 5 What did you do to prepare for today's
13:11:47 6 deposition?

13:11:48 7 A. I printed out the documents. I read them. I did
13:11:53 8 go back over the documents that we had given in production
13:12:00 9 and the -- and the answers to the interrogatories and just
13:12:04 10 reviewed those.

13:12:06 11 Q. Great.

13:12:07 12 Let's take a look at Exhibit B in your folder
13:12:15 13 -- the SharePoint folder.

13:12:18 14 What is this document?

13:12:19 15 A. It's, again, another legal document that just
13:12:29 16 says, "To plaintiff." I don't see an actual title on it --
13:12:34 17 or interrogatories.

13:12:38 18 Q. Do you see the title to the right on the first
13:12:40 19 page in bold?

13:12:44 20 A. Oh, okay. Defendant Yavapai County Recorder's
13:12:47 21 Answers to Plaintiffs' First Set of Interrogatories.

13:12:50 22 Q. Great.

13:12:53 23 And you prepared this document in
13:12:55 24 consultation with your counsel?

13:12:57 25 A. Yes.

13:13:00 1 MR. SHERMAN: Can we mark this as

13:13:06 6 Q. And you verified this document at the time it was

13:13:09 8 A. Yes.

13:13:09 9 Q. Did you confer with anyone else in the office in
13:13:15 10 preparing this document?

13:13:17 11 A. Yes. I conferred with the Yavapai County Recorder
13:13:22 12 Michelle Burchill and the Chief Deputy Karen McCracken.

13:13:27 13 Q. And any update to your responses since this was
13:13:31 14 served?

13:13:40 15 A. Not to my knowledge.

13:13:42 16 Q. Okay. Can we take a look at Exhibit C.

13:13:52 17 And what is this document?

13:13:54 18 A. Defendant Yavapai County Recorder's First Amended

13:14:18 6 Q. And you consulted the same people in preparing
13:14:22 7 this document?

13:14:24 8 A. Yes.

13:14:24 9 Q. And upon review of this before the deposition, did
13:14:31 10 you see any updates to your responses that you want to
13:14:34 11 inform us of?

13:14:36 12 A. No.

13:14:38 13 Q. Okay. Can we take a look at Exhibit D. What is
13:14:50 14 Exhibit D?

13:14:52 15 A. Defendant Yavapai County Recorder's First

13:15:16 3 Q. Can we take a look at Exhibit E. What is Exhibit

13:15:37 8 Q. And you worked on this document in consultation

13:15:59 21 Q. Can we take a look at Exhibit F. Just two more of

BY MR. SHERMAN:
Q. And you verified this document at the time it was served?
A. Yes.
Q. And you prepared it in consultation with the county recorder and -- in consultation with the county recorder?
A. Yes.
Q. Anyone else?
A. The chief deputy county recorder.
Q. Any updates to your responses in these answers to the consolidated plaintiffs' interrogatories?
A. No.
Q. Okay. Thanks very much.
So I want to ask you a few questions about the Election Procedures Manual. Is this -- is the version of the -- the 2019 version of the Election Procedures Manual, is that still the currently operative version of the EPM that your office follows?
A. Yes.
Q. Is your office legally required to follow the EPM?
MS. STUART: Form.
THE WITNESS: We follow the EPM as it is backed by statute. I think there are some issues with -- it's part of the new EPM. Part of it was not actually

13:18:15 1 authorized by statute, but we -- we follow it as guidance

13:18:20 2 if it's not in statute.

13:18:22 3 BY MR. SHERMAN:

13:18:22 4 Q. So to the extent there's no conflict with the

13:18:25 5 statute, are you legally required to follow the EPM?

13:18:28 6 A. Yes.

13:18:29 7 MS. STUART: Form.

13:18:30 8 MR. LANGHOFER: Calls for a legal conclusion.

13:18:30 9 BY MR. SHERMAN:

13:18:33 10 Q. To the extent you perceive -- strike that.

13:18:36 11 Are all parts of the EPM legally binding on

13:18:40 12 your office?

13:18:43 13 MS. STUART: Form.

13:18:43 14 MR. LANGHOFER: Same objection.

13:18:46 15 BY MR. SHERMAN:

13:18:46 16 Q. You can answer. They're just --

13:18:47 17 A. No.

13:18:48 18 Q. -- objecting for the record.

13:18:48 19 Which parts of the EPM are not legally

13:18:50 20 binding on your office?

13:18:51 21 A. The forms particularly would not be binding. We

13:18:55 22 do not have to use the forms that they have. There may be

13:19:01 23 other things that are recommended but not required.

13:19:08 24 Q. And how do you know if those parts of the EPM are

13:19:12 25 not required?

13:19:13 1 A. The only way we would know is, if we had a
 13:19:17 2 question, we would ask that question to someone -- maybe
 13:19:22 3 the Secretary of State's Office, maybe our legal counsel --
 13:19:25 4 and get guidance on that.

13:19:28 5 Q. Okay. And your legal counsel might advise in some
 13:19:32 6 places that a particular part of the EPM conflicts with
 13:19:36 7 Arizona statutes or the Arizona Constitution, and in that
 13:19:39 8 case, you wouldn't need to follow that part of the EPM?

13:19:42 9 A. That would probably be the recommendation that
 13:19:46 10 would be given to the county recorder. And then it would
 13:19:50 11 be the county recorder's decision what path to take.

13:19:56 12 Q. Understood.

13:19:56 13 Is Chapter 1 on "Voter Registration" legally
 13:20:01 14 binding on your office?

13:20:03 15 MR. LANGHOFER: Same objection.

13:20:05 16 MR. HORLEY: Objection.

13:20:06 17 THE WITNESS: Yes.

13:20:06 18 BY MR. SHERMAN:

13:20:07 19 Q. Can legally binding guidance be conveyed by the
 13:20:09 20 Secretary of State's Office to your office by any means
 13:20:12 21 outside of the EPM?

13:20:15 22 MS. STUART: Form.

13:20:16 23 MR. LANGHOFER: Same objection.

MR. LANGHOFER: Jon, is this a good time to put on the record our stipulation that an objection by one defendant will be treated as an objection by all?

MR. SHERMAN: Of course.

MR. LANGHOFER: Thanks.

BY MR. SHERMAN:

Q. So before, you testified that you may need to consult the Arizona Secretary of State's Office where there's a perceived conflict between Arizona statutes or the Arizona Constitution and parts of the EPM. Would an Arizona Secretary of State's -- would a response from the Secretary of State's Office by way of a memorandum or an email, would that be binding -- legally binding guidance to your office?

MS. STUART: Form.

MR. LANGHOFER: Same objection.

THE WITNESS: I don't believe so.

BY MR. SHERMAN:

Q. Okay. Are you aware of any counties that do not believe Chapter 1 on voter registration procedures is binding know?

A. Not to my knowledge.

MR. LANGHOFER: Foundation.

BY MR. SHERMAN:

13:21:19 1 Q. Okay. Are you currently enforcing any part of HB

13:21:26 2 2492?

13:21:26 3 A. No.

13:21:27 4 Q. Is your office holding voter registration

13:21:29 5 applications in an indefinite pending status while you're

13:21:33 6 awaiting guidance from the Secretary of State's Office on

13:21:36 7 HB 2492?

13:21:37 8 A. No.

13:21:38 9 Q. Are you currently enforcing any part of HB 2243?

13:21:42 10 A. No.

13:21:43 11 Q. Has your office seen the draft 2023 EPM?

13:21:47 12 A. Yes.

13:21:48 13 Q. Have you provided comments on it to the Secretary
13:21:53 14 of State's Office?

13:21:53 15 A. Yes.

13:21:53 16 Q. Did that 2023 EPM, in your view, contain guidance
13:22:03 17 -- sufficient guidance on HB 22 -- 24 -- 2492 and 2243?

13:22:12 18 MR. LANGHOFER: Same objection.

13:22:13 19 THE WITNESS: I can't answer the question. I
13:22:16 20 did not evaluate that part on the sufficiency of the
13:22:18 21 guidance. I knew it was there, but knowing everything
13:22:22 22 else, it's in the air.

13:22:26 23 BY MR. SHERMAN:

13:22:27 24 Q. Understood.

13:22:27 25 Has your office been provided any other draft

13:22:32 1 guidance or document beyond the draft 2023 EPM that
13:22:36 2 elaborates on interpretation or implementation of HB 2492
13:22:41 3 or HB 2243?

13:22:42 4 A. There have been some documents -- I believe we
13:22:46 5 provided them in production -- where there was discussion
13:22:50 6 with the Secretary of State's Office on what their
13:22:54 7 interpretation of that statute was. And then we actually
13:23:01 8 did some work in our AVID system that if we have to
13:23:06 9 implement it, how that would be done.

13:23:10 10 Q. Have most of those documents focused on the juror
13:23:14 11 questionnaire piece of HB 2492 or HB 2243?

13:23:20 12 A. There -- most of it was on the juror
13:23:23 13 questionnaire. There is some of the work that we --
13:23:26 14 preliminary work we did in the AVID system dealing with how
13:23:30 15 we would deal with the MVD portion of it. So there's both.

13:23:37 16 Q. Has your office been part of any communications
13:23:40 17 with the Secretary of State's Office regarding
13:23:42 18 interpretation or implementation of HB 2492?

13:23:47 19 A. Yes.

13:23:49 20 Q. How many would you say?

13:23:51 21 A. I -- I don't know. There have been many threads
13:23:58 22 going back and forth at different times. And even before I
13:24:03 23 was in my position, I think I've seen some of those threads
13:24:07 24 in what we produced.

13:24:08 25 Q. Beyond the email traffic, have you had in-person

13:24:12 1 meetings or meetings by Zoom that aren't recorded in the
13:24:17 2 email?

13:24:18 3 A. No. The only meetings that I have had that deal
13:24:23 4 with these issues would be in our AVID enhancement
13:24:27 5 committee and dealing with the software application of how
13:24:31 6 to implement those statutes if they get implemented.

13:24:36 7 Q. Do you know if Ms. Burchill has had such meetings
13:24:40 8 about the implementation of HB 2492?

13:24:44 9 A. Not to my knowledge.

13:24:45 10 Q. Has your office been a part of any communications
13:24:47 11 or meetings with the Arizona Secretary of State's Office
13:24:49 12 regarding interpretation or implementation of HB 2243?

13:24:53 13 A. Yes.

13:24:54 14 Q. And how many discussions have there been?

13:24:58 15 A. Again, several. You would see, again, in the
13:25:02 16 threads that we -- that we provided. And then also we
13:25:09 17 would have some -- it would be discussed from time to time,
13:25:13 18 I believe, on the secretary of state calls. And then,
13:25:20 19 again, we did have some things, I believe, in the AVID
13:25:23 20 enhancement about implementing those into the software
13:25:27 21 system.

13:25:28 22 Q. Gotcha.

13:25:30 23 Have there been additional -- has your office
13:25:35 24 provided feedback on HB 2243 in some of these in-person
13:25:41 25 meetings or telephone calls or Zoom meetings?

13:25:44 1 A. I know we have provided input into some of the
13:25:50 2 AVID software things. I don't recall a time when we've
13:25:58 3 given input in those calls.

13:26:01 4 Q. Okay. In 2021, was the draft EPM adopted?

13:26:07 5 A. No.

13:26:08 6 Q. Is it possible there will be no agreement on a
13:26:11 7 revised and updated EPM this year?

13:26:13 8 A. Yes.

13:26:15 9 Q. If there's no approved revised EPM by this time
13:26:18 10 next year, will your office nevertheless be obligated to
13:26:22 11 enforce the portions of HB 2492 and HB 2243 that are
13:26:26 12 directed at county recorders?

13:26:28 13 MR. LANGHOFER: Same objection.

13:26:31 14 THE WITNESS: Yes.

13:26:31 15 BY MR. SHERMAN:

13:26:31 16 Q. And your office opposed the enactment of HB 2492
13:26:36 17 and HB 2243 last year; correct?

13:26:38 18 A. Yes.

13:26:39 19 Q. Do you recall what the basis of your office's
13:26:45 20 opposition to HB 2492 was?

13:26:48 21 A. I get them messed up. I know the -- the past
13:26:56 22 county recorder, Leslie Hoffman, was opposed to -- I
13:27:01 23 believe -- is that the one with the documenting proof of
13:27:03 24 residency? Is that -- am I thinking of the right number?

13:27:07 25 Q. So 2492 has a variety of provisions sort of on the

13:27:12 1 front end of voter registration.

13:27:15 2 A. Okay.

13:27:15 3 Q. And HB 2243 is sort of the back end with currently
13:27:22 4 registered voters. But we'll take a look at both, and you
13:27:24 5 can refer to both. Might be good to pull those -- pull
13:27:27 6 those out, if you have them printed out. It's Petty
13:27:30 7 Exhibits 19 and 21.

13:27:33 8 A. Okay. I will pull those up.

13:27:35 9 Q. Actually, we're going to look quickly at one other
13:27:37 10 document. If you're pulling it up on your computer, why
13:27:41 11 don't we direct you first to Exhibit R in the potential
13:27:46 12 exhibits folder.

13:27:52 13 A. Okay.

13:27:56 14 Q. What is -- sorry?

13:27:57 15 A. I -- it may be in a different folder here. It may
13:28:00 16 be in the new folder. I don't have an R. I have looked in
13:28:20 17 here because I have two different folders that I was sent.

13:28:57 18 Q. Do you see the full list of exhibits in that
13:28:59 19 folder? Should go through Z and A, AA, BB --

13:29:04 20 A. Yes. Yes, I'm in --

13:29:04 21 Q. Okay.

13:29:06 22 A. I had a previous folder.

13:29:07 23 Q. Okay. So if you could go to Exhibit R, please.

13:29:11 24 A. Sure.

13:29:12 25 Q. Thank you.

13:29:15 1 And what is this document?

13:29:20 2 A. Let me see if I can make it a little bigger.

13:29:27 3 It says, "Voter Registration; verification;

13:29:31 4 citizenship," HB 2492.

13:29:35 5 Q. Do you recognize this document, what this is?

13:29:39 6 A. I have seen this -- I reviewed this document the

13:29:47 7 other day. I don't know the origin of this. I -- I would

13:29:56 8 just have to be guessing as to the origin of the document

13:30:01 9 itself.

13:30:02 10 Q. What does it appear to be?

13:30:04 11 A. It appears to be comments given to maybe the

13:30:12 12 recorders association or the county's association on -- on

13:30:20 13 that bill so . . .

13:30:22 14 MR. SHERMAN: Can we mark this as

13:30:23 15 Exhibit 144.

13:30:23 16 (The document was marked as Exhibit 144

13:30:23 17 for identification.)

13:30:28 18 BY MR. SHERMAN:

13:30:28 19 Q. And if you scroll down to the bottom of page 2, I

13:30:36 20 believe this is where Leslie Hoffman of Yavapai County is.

13:30:39 21 Do you see that?

13:30:40 22 A. Yes.

13:30:40 23 Q. And do you see where it shows the "Suggested

13:30:44 24 Position"?

13:30:46 25 A. Yes.

13:30:46 1 Q. And that was opposed; correct?

13:30:49 2 A. Yes.

13:30:49 3 Q. And above that it says, "Programmatic Impact."
13:30:54 4 "Significant" was what was recorded; correct?

13:30:56 5 A. Yes.

13:30:57 6 Q. Can you elaborate on why your office recorded the
13:31:03 7 programmatic impact of HB 2492 as significant?

13:31:08 8 A. It would change a lot of the things that we would
13:31:10 9 do and make it difficult in some cases to -- to get people
13:31:19 10 registered to vote. And, again, I believe from what I know
13:31:32 11 of speaking with the past county recorder that it seemed to
13:31:41 12 be a lot of work for very little gain, I guess, would be
13:31:46 13 the way I would phrase it.

13:31:49 14 Q. Could you elaborate on that? Why did your office
13:31:53 15 believe that it would -- HB 2492 would provide very little
13:31:59 16 gain?

13:32:00 17 A. Well, it's -- we just didn't see how -- and again,
13:32:04 18 I'm thinking of 2492. And again, I get -- I get the two
13:32:08 19 confused sometimes -- was the --

13:32:11 20 Q. Before you answer then, why don't we take a look
13:32:14 21 at the statute so you can refresh --

13:32:17 22 A. Yes.

13:32:17 23 Q. And it would be good if on a break maybe your
13:32:20 24 counsel could print those two out so you have those
13:32:23 25 separate and apart from your laptop exhibits.

13:32:26 1 A. Yeah. I have them. I need to pull them out so --
13:32:28 2 but we will do that. And I pulled them out, but I keep
13:32:32 3 confusing which one is which. I look at the clauses and
13:32:37 4 not the actual numbers.

13:32:38 5 Q. Gotcha. You know what? Why don't we do that.
13:32:40 6 Can we take a two- or three-minute break and go off the
13:32:44 7 record so you can have those handy, printed out in front of
13:32:47 8 you?

13:32:47 9 A. Sure.

13:32:49 10 Q. I have a number of questions about that.

13:32:51 11 A. Yeah.

13:32:57 12 THE VIDEOGRAPHER: We are off the record.

13:33:00 13 Time on the video monitor is 1:33 p.m.

13:33:11 14 (A recess ensued.)

13:35:39 15 THE VIDEOGRAPHER: We're on the record. Time
13:35:53 16 on the video monitor is 1:35 p.m.

13:35:57 17 MR. SHERMAN: Thanks.

13:35:57 18 BY MR. SHERMAN:

13:35:59 19 Q. Mr. Webber, you were testifying a moment ago that
13:36:06 20 your office didn't believe that HB 2492 would provide very
13:36:11 21 much gain; that it would provide very little gain and
13:36:15 22 wasn't worth the burden it would impose on your office.
13:36:19 23 Did I capture that correctly?

13:36:21 24 A. Yes.

13:36:21 25 Q. And can you elaborate on that? With -- now that

13:36:25 1 you have HB 2492 in front of you, can you elaborate on what
13:36:28 2 your office's thinking was there?

13:36:30 3 A. There were a number of parts in that bill and
13:36:38 4 statute now that asked for us to check different databases
13:36:44 5 that we had no access to and could not get access to.
13:36:51 6 They're not our databases.

13:36:55 7 And I think then really probably the biggest
13:36:58 8 issue that I remember us having with that was the
13:37:06 9 documentary proof of residence. We do have some people
13:37:10 10 living in rural places. We have people who live in places
13:37:16 11 maybe, let's say, with their parents that may have a great
13:37:20 12 deal of difficulty producing that proof.

13:37:24 13 Q. Any other issues of interpretation or
13:37:31 14 implementation that your office foresaw reviewing HB 2492?

13:37:37 15 A. I believe there were questions on whether -- with
13:37:46 16 the citizenship where we had had people grandfathered in
13:37:50 17 with their driver's license from before, would they now not
13:37:56 18 be considered to have proven citizenship and then have to
13:38:00 19 go back and do that? And would we have to put them in
13:38:06 20 suspense or some other category if they did not do that.

13:38:09 21 Q. Understood.

13:38:11 22 So back on Exhibit 144, which we just marked,
13:38:17 23 Leslie Hoffman reported her opposition to -- your office's
13:38:17 24 opposition to HB 2492.

13:38:22 25 And the "Description of Provisions" said,

13:38:24 1 "Agree with all. There is so much wrong with this
13:38:27 2 including that he's obviously unaware of the LULAC case and
13:38:30 3 federal laws. Once again trying to impose felonies on us."

13:38:33 4 Do you recall what federal law violations
13:38:36 5 your office saw in HB 2492?

13:38:43 6 MR. LANGHOFER: Same objection.

13:38:45 7 THE WITNESS: I don't recall specifically.

13:38:49 8 BY MR. SHERMAN:

13:38:50 9 Q. Okay. Can we look briefly at Exhibit X.

13:39:03 10 Once you have that up, if you could tell me
13:39:05 11 what -- what does this document appear to be?

13:39:07 12 A. It appears to be a list of bills of -- with a
13:39:14 13 title -- what position the Arizona Association of Counties
13:39:20 14 had and sponsored, the status, and looks like responses --
13:39:29 15 and it looks like it -- I would see people's first name
13:39:34 16 there. I would imagine "Leslie" would be -- have been
13:39:39 17 Leslie Hoffman, but I cannot be positive on that.

13:39:42 18 Q. And you produced this document to us --
13:39:44 19 correct? -- your office?

13:39:46 20 A. Yes.

13:39:46 21 Q. And do you see on -- I think it's page 8 of 12 --
13:39:50 22 here where HB 2492 is mentioned?

13:40:02 23 MR. SHERMAN: While you're looking for that,
13:40:03 24 can we mark this as Exhibit 145.

13:40:03 25 (The document was marked as Exhibit 145)

13:40:09 1 for identification.)

13:40:09 2 THE WITNESS: Yes, I can see that now.

13:40:11 3 BY MR. SHERMAN:

13:40:11 4 Q. Great.

13:40:12 5 And do you see that there was -- opposition

13:40:16 6 was recorded; correct?

13:40:17 7 A. Yes.

13:40:18 8 Q. And you see Leslie's comment "Agree with all.

13:40:21 9 There is so much wrong with this including that he's

13:40:23 10 obviously unaware of the LULAC case and federal laws"?

13:40:29 11 This is the same comment as in the other

13:40:31 12 document we were just looking at; is that correct?

13:40:34 13 A. Yes. Although I think -- well, there's Lynn right

13:40:41 14 behind it that says "opposed," but -- and I don't think

13:40:43 15 that was in the original comment.

13:40:44 16 Q. Understood. Thanks for that clarification.

13:40:47 17 So in both HB 2492 and HB 2243, the term

13:40:53 18 "information" is used. What is information that a person

13:40:57 19 is not a United States citizen?

13:41:04 20 MR. LANGHOFER: Same objection.

13:41:07 21 THE WITNESS: We would have no access to

13:41:10 22 information that someone is not a U.S. citizen unless we

13:41:16 23 actually went in and -- during our checks with the Motor

13:41:24 24 Vehicle Division, that -- and it showed up that they had --

13:41:28 25 they were a foreign national. That would be the only

13:41:30 1 information we would have.

13:41:32 2 BY MR. SHERMAN:

13:41:32 3 Q. When you run a HAVA check and ascertain that
13:41:35 4 someone was issued an F-type license, say, 15 years ago, is
13:41:40 5 that information that the person is not a U.S. citizen in
13:41:43 6 the present day?

13:41:46 7 MR. LANGHOFER: Same objection.

13:41:47 8 THE WITNESS: No.

13:41:48 9 BY MR. SHERMAN:

13:41:48 10 Q. It's -- it's -- is it conclusive evidence of a
13:41:51 11 lack of U.S. citizenship?

13:41:54 12 MR. LANGHOFER: Same objection.

13:41:56 13 THE WITNESS: No.

13:41:56 14 BY MR. SHERMAN:

13:41:56 15 Q. So what does your office do when the HAVA check
13:42:00 16 reflects that the applicant was issued an F-type license at
13:42:03 17 some point in the past?

13:42:04 18 A. We ask them to produce some proof of citizenship
13:42:10 19 to register them.

13:42:12 20 Q. And do you ask for alien registration numbers?

13:42:17 21 A. We -- it is one of the things we could ask for,
13:42:20 22 yes.

13:42:21 23 Q. Is it one of the things you do ask for?

13:42:23 24 A. Yes.

13:42:23 25 Q. Do you also ask for naturalization certificates,

13:42:28 1 either a copy of it or the number on the certificate, the

13:42:33 2 naturalization certificate number?

13:42:35 3 A. Actually, we look for a copy of it. We cannot

13:42:40 4 check a number on a naturalization certificate.

13:42:42 5 Q. There are two numbers on a naturalization

13:42:45 6 certificate; correct?

13:42:46 7 A. I believe so.

13:42:47 8 Q. And that's -- and what are those two numbers?

13:42:50 9 A. I believe there's the alien registration number,

13:42:53 10 and then there is the certificate number.

13:42:55 11 Q. And you -- why can't you check the naturalization

13:42:59 12 certificate number?

13:43:03 13 A. In our SAVE system that we are provided, there is

13:43:06 14 no place to actually enter that. And we do have people

13:43:11 15 provide it, and we ask them to give us the other number

13:43:14 16 that is on that certificate.

13:43:16 17 Q. And by "the other number," you mean the alien

13:43:20 18 registration number or A-number; correct?

13:43:21 19 A. Yes.

13:43:22 20 Q. Can we take a look -- just backtracking a little

13:43:25 21 bit, can we look at Exhibit H here in your folder.

13:43:38 22 A. Okay.

13:43:39 23 Q. What is this document?

13:43:41 24 A. It's an email with the subject "Forward HB 2492."

13:43:41 25 MR. SHERMAN: Could we mark this --

13:43:41 1
13:43:52 2
13:43:54 3
13:43:58 4
13:44:00 5
13:44:00 6
13:44:06 7
13:44:06 8
13:44:06 9
13:44:11 10
13:44:15 11
13:44:19 12
13:44:22 13
13:44:25 14
13:44:26 15
13:44:37 16
13:44:39 17
13:44:46 18
13:44:51 19
13:44:53 20
13:44:53 21
13:44:55 22
13:44:58 23
13:45:03 24
13:45:05 25

BY MR. SHERMAN:

Q. Who's it from?

A. It is from Leslie Hoffman.

MR. SHERMAN: And can we mark this as Exhibit 146.

(The document was marked as Exhibit 146 for identification.)

BY MR. SHERMAN:

Q. If I could have you look at -- before we switch away from this document, this document at the top right has Leslie Hoffman saying, quote, "We decided rather than try to hash our concerns with HB 2492 over the phone, we would compile our notes and send to the SOS"; is that correct?

A. Yes.

Q. And if we could look at Exhibit K in your folder, what does this document appear to be?

A. It's an email from Leslie Hoffman on the subject of HB 2492.

Q. If you need to toggle between the two, that's fine.

Is this the same -- part of the same chain that we were just looking at?

A. Yes, I believe so.

MR. SHERMAN: Could we mark this as Exhibit 147.

13:45:05 1 (The document was marked as Exhibit 147
13:45:08 2 for identification.)
13:45:08 3 BY MR. SHERMAN:
13:45:09 4 Q. So sticking with this part of the chain,
13:45:12 5 Exhibit 147, do you see on this page under the comments on
13:45:16 6 page 5 it reads, "The only time we know or presume a
13:45:22 7 registrant is not a foreign citizen it would show as an
13:45:25 8 F-type DL. However in our experience, these people have
13:45:30 9 been naturalized and just forgot to change their DL."
13:45:34 10 Did I read that correctly?
13:45:34 11 A. Yes.
13:45:35 12 Q. Could you elaborate on what your -- what Leslie
13:45:37 13 Hoffman was expressing in that sentence -- in those two
13:45:42 14 sentences?
13:45:43 15 A. It is not uncommon when we have an F-type license
13:45:48 16 that the person had not updated their driver's license and
13:45:53 17 they had become a naturalized citizen. And because they
13:45:58 18 had not updated their driver's license, when we run the
13:46:02 19 HAVA checks, they still come back up with the foreign
13:46:06 20 national designation.
13:46:08 21 Q. And is that why you have to take further steps
13:46:10 22 with the SAVE system?
13:46:13 23 A. Yes. If -- if we get an alien registration
13:46:17 24 number, we -- we would do that. They may provide an
13:46:22 25 updated driver's license or a passport that could -- or

13:46:27 1 give us an actual -- show us the certificate. And we could
13:46:32 2 then process that.

13:46:34 3 Q. Understood.

13:46:34 4 So leaving aside the MVD databases, if some
13:46:38 5 other government database contained data showing that a
13:46:42 6 person in question was not a citizen some 20 years in the
13:46:47 7 past, that wouldn't be information that the person has a --
13:46:52 8 is -- in the present day, lacks citizenship; correct?

13:46:55 9 MR. LANGHOFER: Objection.

13:46:58 10 THE WITNESS: Yes, that's correct.

13:47:00 11 MR. HORLEY: Calls for a legal conclusion.

13:47:01 12 BY MR. SHERMAN:

13:47:01 13 Q. Would you need to follow similar follow-up
13:47:04 14 procedures to confirm or deny whether that person is a U.S.
13:47:09 15 citizen in the present day?

13:47:10 16 A. Yes.

13:47:12 17 Q. So government databases that contain old
13:47:22 18 information on transactions completed with a voter
13:47:28 19 registration applicant or a particular registered voter,
13:47:31 20 can they ever be conclusive as to present day U.S.
13:47:35 21 citizenship?

13:47:37 22 A. No.

13:47:43 23 Q. What are valid -- I'm going to ask about what --
13:47:46 24 you know, sort of valid sources of information.

13:47:49 25 MR. SHERMAN: And, Kory, do you want to enter

13:47:51 1 our usual standing agreed-upon objection for form and calls
13:47:56 2 for a legal conclusion here?

13:47:57 3 MR. LANGHOFER: Yes. Thanks, Jon.

13:48:00 4 MR. SHERMAN: All right. I'll tell -- I'll
13:48:01 5 note when we're coming out of that.

13:48:01 6 BY MR. SHERMAN:

13:48:01 7 Q. So what are -- what are some valid sources of
13:48:03 8 information that someone is not a U.S. citizen? Could it
13:48:06 9 be anything beyond a government or voter registration
13:48:10 10 database?

13:48:10 11 A. Not -- not to my knowledge.

13:48:14 12 Q. Could a phone call from the voter in question
13:48:18 13 constitute information that they are not a U.S. citizen?

13:48:24 14 A. Not that we would use, no.

13:48:26 15 Q. Could an email from that voter in question or
13:48:30 16 voter registration applicant constitute information that
13:48:33 17 they are not U.S. citizens?

13:48:35 18 A. No. Same -- same. We would not use that.

13:48:39 19 Q. How about a signed letter from that voter or voter
13:48:42 20 registration applicant?

13:48:42 21 A. No.

13:48:44 22 Q. How about a phone call from a member of the voter
13:48:47 23 or voter registration applicant's family?

13:48:50 24 A. No.

13:48:51 25 Q. What about a letter from a neighbor of the voter

13:48:54 1 or voter registration applicant?

13:48:56 2 A. No.

13:48:57 3 Q. Would a phone call from law enforcement in Arizona

13:49:02 4 or any state constitute information that the voter or voter

13:49:08 5 registration applicant is not a U.S. citizen?

13:49:13 6 A. In that situation, I believe we would ask for --

13:49:15 7 if they could produce evidence of that if it was from a

13:49:21 8 governmental agency.

13:49:22 9 Q. And what sort of evidence could law enforcement in

13:49:27 10 Arizona or another state provide that would constitute

13:49:30 11 evidence of a lack of U.S. citizenship?

13:49:35 12 A. That I do not know specifically.

13:49:37 13 Q. Okay. Have you ever been provided with guidance

13:49:43 14 from the U.S. -- from the Arizona Secretary of State's

13:49:46 15 Office as to what would constitute evidence of a lack of

13:49:49 16 U.S. citizenship in such circumstances?

13:49:53 17 A. I don't believe so. Not to my recollection.

13:49:57 18 Q. Would an email or letter from law enforcement in

13:50:01 19 Arizona or in another state constitute information that the

13:50:05 20 voter or voter registration applicant was not a U.S.

13:50:09 21 citizen?

13:50:10 22 A. No.

13:50:12 23 Q. How about an anonymous call or an anonymous email?

13:50:16 24 A. No.

13:50:17 25 Q. And what about lists provided by third-party

13:50:21 1 organizations like True the Vote?

13:50:23 2 A. No.

13:50:27 3 MR. SHERMAN: So that will end the
13:50:30 4 agreed-upon objection. We'll just be on standard operating
13:50:33 5 procedure now.

13:50:35 6 MR. LANGHOFER: Noted. Thanks.

13:50:36 7 BY MR. SHERMAN:

13:50:36 8 Q. So for HB 2492, by what means could you -- could
13:50:41 9 your office confirm the authenticity of information that a
13:50:46 10 voter registration applicant is not a U.S. citizen?

13:50:51 11 A. I don't believe -- beside what's in here in 2492,
13:50:57 12 I don't think there's anything we could use to confirm they
13:51:02 13 were not a citizen. Just --

13:51:07 14 Q. Sorry. Go ahead. I didn't mean to interrupt.

13:51:08 15 A. Again, just our HAVA checks, you know, as we spoke
13:51:11 16 about before, is the only thing we have.

13:51:17 17 Q. By -- under HB 2243, by what means can you confirm
13:51:22 18 the accuracy -- excuse me. Let me strike that.

13:51:26 19 Under HB 2243, by what means can you confirm
13:51:30 20 the authenticity of information that a registered voter is
13:51:34 21 not a U.S. citizen?

13:51:37 22 A. It would -- I believe that is the one where they
13:51:56 23 may put that they're not a citizen on a juror form. I'm
13:52:08 24 looking through the --

13:52:09 25 Q. Let me -- let me withdraw this question. We'll

13:52:11 1 come back to this. I'll talk more about this more
13:52:11 2 specifically in a second.

13:52:15 3 Has the Secretary of State's Office ever
13:52:17 4 given you -- your office a list of information that
13:52:19 5 constitutes evidence of a lack of U.S. citizenship?

13:52:26 6 A. Only in the Elections Procedures Manual with
13:52:33 7 finding the HAVA check with the -- what used to be called
13:52:36 8 F-type license.

13:52:38 9 Q. Okay. Has he given -- has the Secretary of
13:52:42 10 State's Office given a more comprehensive list of
13:52:45 11 everything that would constitute evidence of a lack of U.S.
13:52:48 12 citizenship?

13:52:49 13 A. Not to my knowledge.

13:52:51 14 Q. What if you identify a registered voter who has
13:52:54 15 already satisfied the DPOC requirement -- withdraw that
13:52:59 16 question.

13:53:00 17 What if you identify a registered voter who
13:53:03 18 is exempt from the DPOC requirement because they were
13:53:05 19 grandfathered in under that provision in the DPOC law
13:53:09 20 because they registered prior to 2005 when DPOC went into
13:53:14 21 effect, would their lack of having shown DPOC at any point,
13:53:18 22 would that be information tending to show that they're not
13:53:21 23 a U.S. citizen?

13:53:22 24 A. No.

13:53:29 25 MR. HORLEY: Same objection. Calls for

13:53:36 1 legal conclusion.

13:53:36 2 BY MR. SHERMAN:

13:53:36 3 Q. HB 2492 uses the phrase "any other state, city,

13:53:43 4 town, county, or federal database and any other database

13:53:47 5 relating to voter registration."

13:53:50 6 What is a database relating to voter

13:53:53 7 registration?

13:53:54 8 MR. LANGHOFER: Same objection.

13:53:57 9 THE WITNESS: The only one I know of is our

13:53:59 10 actual database we use, the AVID system.

13:54:02 11 BY MR. SHERMAN:

13:54:02 12 Q. And beyond AVID, could a list of voters received

13:54:06 13 from an Arizona agency, another state's government agency,

13:54:10 14 a private group or a private citizen -- could that

13:54:13 15 constitute a database relating to voter registration?

13:54:18 16 MR. LANGHOFER: Same objection.

13:54:21 17 THE WITNESS: I don't know how to answer that

13:54:22 18 question. I don't know if it does or does not.

13:54:23 19 BY MR. SHERMAN:

13:54:24 20 Q. Is it clear or unclear?

13:54:26 21 A. It's unclear.

13:54:31 22 Q. Let's take a look at HB 2492 -- excuse me -- HB

13:54:39 23 2243. I apologize.

13:54:42 24 And if you could scroll down to

13:54:48 25 Subpart A(10) -- 16-165 A(10), which is on page -- my

13:54:58 1 apologies -- top of page 4.

13:54:58 2 A. Yes.

13:55:02 3 Q. And you see that it says, "When the county

13:55:03 4 recorder obtains information pursuant to this section and

13:55:07 5 confirms that the person registered is not a United States

13:55:10 6 citizen."

13:55:13 7 Do you see that section?

13:55:15 8 A. Yes.

13:55:15 9 Q. And I read that language correctly?

13:55:17 10 A. Yes.

13:55:18 11 Q. And do you see at the bottom of page 5 through --

13:55:23 12 onto page 6 Subparts F through J? If you could take a

13:55:34 13 moment just to review Subparts F through J.

13:55:37 14 A. Okay.

13:56:09 15 Q. Just let me know when you're done.

13:56:11 16 A. I've -- I've looked it over.

13:56:13 17 Q. Great.

13:56:14 18 So this Section A(10) that we were just

13:56:18 19 looking at before requires cancellation when the county

13:56:22 20 recorder obtains information pursuant to the section and

13:56:24 21 confirms that the person registered is not a United States

13:56:27 22 citizen.

13:56:28 23 Do you understand how you would obtain that

13:56:32 24 information that a person registered is not a United States

13:56:34 25 citizen?

13:56:37 1 A. No, I don't know how we would actually ascertain
13:56:40 2 that.

13:56:41 3 Q. Are the enumerated database matching requirements
13:56:45 4 or procedures in F through J, are those -- are those the
13:56:49 5 means by which your office would be required to obtain
13:56:53 6 information of a lack of citizenship?

13:56:56 7 MR. LANGHOFER: Same objections.

13:56:57 8 MR. HORLEY: Same objection.

13:56:58 9 THE WITNESS: I believe -- if we had access
13:57:00 10 to those and it would provide us that information, I
13:57:06 11 believe we would have to do it.

13:57:08 12 BY MR. SHERMAN:

13:57:13 13 Q. So how would your office then confirm the
13:57:16 14 information that it had separately obtained?

13:57:20 15 Are -- are these provisions in F through J --
13:57:23 16 these database matching provisions, are they intended for
13:57:27 17 confirmation of information that is separately obtained?

13:57:33 18 MR. LANGHOFER: Foundation.

13:57:34 19 THE WITNESS: I believe so.

13:57:34 20 BY MR. SHERMAN:

13:57:35 21 Q. So are you supposed to obtain information of a
13:57:37 22 lack of citizenship using F through J or confirm
13:57:44 23 information of a lack of citizenship using F through J?

13:57:47 24 MR. LANGHOFER: Form. Calls for a legal
13:57:51 25 conclusion.

13:57:51 1 THE WITNESS: I would say that what they're
13:57:58 2 asking for is to probably confirm it because it's already
13:58:05 3 in our database to confirm that citizenship.

13:58:08 4 BY MR. SHERMAN:

13:58:12 5 Q. Is it clear or unclear whether you're supposed to
13:58:14 6 use Subparts F through J to obtain information of a lack of
13:58:18 7 citizenship or to confirm information of a lack of U.S.
13:58:22 8 citizenship?

13:58:22 9 MR. LANGHOFER: Same objection.

13:58:26 10 THE WITNESS: I -- I believe it's to confirm
13:58:31 11 those who are already registered who -- by -- I believe are
13:58:40 12 either citizens, that have proven citizenship or, as we
13:58:43 13 would say, are fed-only voters. They have attested that
13:58:47 14 they are citizens.

13:58:48 15 BY MR. SHERMAN:

13:58:49 16 Q. Well, let's look back at A -- A and A(10). And
13:58:53 17 maybe we should just start at the top of the statute on --
13:58:59 18 16-165 begins at the top of page 3.

13:59:03 19 A. Okay.

13:59:04 20 Q. And this says, "A, The county recorder shall
13:59:08 21 cancel a registration"; correct?

13:59:11 22 A. Yes.

13:59:12 23 Q. In line 6.

13:59:12 24 So this statute only applies to removal or
13:59:17 25 cancellation of a registration of an existing registered

13:59:21 1 voter; correct?

13:59:21 2 A. Yes.

13:59:22 3 Q. All right. So in Subpart A(10) on page 4, the
13:59:28 4 circumstance in which the county recorder is to remove or
13:59:30 5 cancel that registration is when the county recorder
13:59:34 6 obtains information pursuant to the section and confirms
13:59:38 7 that the person registered is not a United States citizen;
13:59:41 8 is that correct?

13:59:42 9 A. Yes.

13:59:42 10 Q. And the -- do you understand how this provision
13:59:48 11 interrelates and operates in conjunction with F through J
13:59:54 12 below?

13:59:55 13 A. I -- I'm not particularly clear on that, to be
14:00:01 14 quite honest with you.

14:00:03 15 Q. All right. Could we take a look at Exhibit I.
14:00:17 16 What is Exhibit I?

14:00:18 17 A. House Bill 2617.

14:00:24 18 MR. SHERMAN: Can we mark this as -- I
14:00:26 19 believe this is Exhibit 148.
14:00:26 20 (The document was marked as Exhibit 148
14:00:29 21 for identification.)

14:00:29 22 BY MR. SHERMAN:

14:00:29 23 Q. And this is the "Senate Engrossed" version of that
14:00:33 24 House Bill; correct?

14:00:33 25 A. Yes.

14:00:34 1 Q. Was this the -- was this bill the precursor to HB
14:00:38 2 2243?
14:00:39 3 A. I believe so.
14:00:40 4 Q. Did you have conversations about HB 2617 as well?
14:00:45 5 A. I -- I don't remember if it was specifically this
14:00:50 6 bill or the items in the bill that got carried over to the
14:00:58 7 surviving bill, I guess I would put it.
14:01:02 8 Q. Understood.
14:01:05 9 A. Yeah.
14:01:05 10 Q. And was this bill vetoed?
14:01:07 11 A. I believe so, yes.
14:01:07 12 Q. And was that -- was it vetoed in May 2022? Do you
14:01:12 13 recall?
14:01:12 14 A. I do not recall when it was vetoed.
14:01:14 15 Q. Fair enough.
14:01:17 16 Could we take a look at Exhibit Q.
14:01:28 17 What is Exhibit Q?
14:01:30 18 A. Went back to -- there we go. Exhibit Q, it says,
14:01:42 19 "HB 2617 - Voter registration; cancellation; causes."
14:01:48 20 Q. And could you scroll down -- oh, sorry.
14:01:51 21 MR. SHERMAN: I should mark this as
14:01:52 22 Exhibit 149.
14:01:52 23 (The document was marked as Exhibit 149
14:01:53 24 for identification.)
14:01:53 25 BY MR. SHERMAN:

14:01:54 1 Q. Could you scroll down to Yavapai County, bottom of
14:01:59 2 page 2, Leslie Hoffman of Yavapai County.

14:02:01 3 A. Yes.

14:02:02 4 Q. And do you see that it listed under "Programmatic
14:02:05 5 Impact" "Significant"?

14:02:07 6 A. Yes.

14:02:09 7 Q. And why did your office believe this would have a
14:02:11 8 significant programmatic impact?

14:02:14 9 A. Well, from, I believe, our standpoint, how we
14:02:20 10 would get the data from the MVD and whether they could
14:02:24 11 actually get the data. And then how do we match it up with
14:02:28 12 what we have in ours.

14:02:32 13 And then there were questions about --
14:02:35 14 they're talking about databases, and we had no idea which
14:02:38 15 actually ones those would be. So . . .

14:02:41 16 Q. And you see -- and so that was the basis for the
14:02:44 17 opposition to this bill?

14:02:46 18 A. I believe so, yes.

14:02:47 19 Q. And do you see under "Description of Provisions"
14:02:51 20 where Leslie Hoffman recorded "What city, town, and federal
14:02:56 21 databases are they talking about? I could go on and on"?

14:02:57 22 A. Yes.

14:03:06 23 Q. If you could flip back to HB 2617, which we marked
14:03:09 24 as Exhibit 148, but it's Exhibit I in your folder. If you
14:03:23 25 could flip down to page -- I think it's bill page number 3.

14:03:30 1 Yeah. Page number 4 of the -- at the bottom of the bill,
14:03:36 2 it's page number 3.

14:03:37 3 A. Okay. I'm there.

14:03:38 4 Q. And F through J, provisions Subpart F through J
14:03:44 5 are somewhat similar; right? Or quite similar to what was
14:03:48 6 included in HB 2243; is that correct?

14:03:51 7 If you want to take a moment to review,
14:03:53 8 that's fine.

14:03:53 9 A. I will take a moment. Yes, they appear similar.

14:04:15 10 Q. If we could take a look at Exhibit 77. This was
14:04:20 11 previously marked in Hilary Hiser's deposition. So Hiser
14:04:25 12 Exhibit 77.

14:04:35 13 A. Okay. Different folder.

14:04:53 14 Q. Just let me know when you're there.

14:04:58 15 A. Okay. I'm there.

14:04:59 16 Q. And this is a series of emails from Karen
14:05:06 17 McCracken; correct?

14:05:07 18 A. Yes.

14:05:08 19 Q. And if you can scroll down to where she's talking
14:05:11 20 about 10 (F) .

14:05:16 21 A. Yes.

14:05:16 22 Q. On -- at the bottom of page 1 -- let's do that
14:05:19 23 first.

14:05:19 24 Bottom of page 1, this email from Karen
14:05:22 25 McCracken, the Subject is "Forward: ASAP - Need feedback

14:05:25 1 on revised 2617."

14:05:28 2 What is Karen referring to by using the
14:05:32 3 phrase "revised 2617"?

14:05:37 4 A. I don't know.

14:05:38 5 Q. Is that the bill that became 2243?

14:05:43 6 A. Again, I don't know. I --

14:05:46 7 Q. Okay.

14:05:46 8 A. I wouldn't doubt it, but I do not know.

14:05:49 9 Q. But 2617 is the bill we were just looking at that
14:05:55 10 was vetoed; correct?

14:05:57 11 A. Yes.

14:05:58 12 Q. And you see under Item 10(F), she wrote, "What are
14:06:01 13 we supposed to do with this information? Send a notice?
14:06:04 14 We certainly cannot change their voter registration."

14:06:08 15 Do you recall what Karen -- Karen's thinking
14:06:12 16 was in writing that?

14:06:14 17 A. No, I do not recall what her thinking was.

14:06:17 18 Q. Do you know what idea she was expressing here?

14:06:23 19 A. I'd have to look back at 10(F). If 10(F) is --

14:06:27 20 Q. That's fine. It's Exhibit I again.

14:06:32 21 A. Okay.

14:07:09 22 Q. Do you see 10(F)?

14:07:10 23 A. Yes.

14:07:10 24 Q. Okay. So this is the provision that deals with
14:07:13 25 the MVD; correct?

14:07:14 1 A. Yes.

14:07:14 2 Q. And so when Karen said, "We certainly cannot

14:07:18 3 change their voter registration," what was she expressing?

14:07:23 4 A. I believe that it's -- was that if they say

14:07:29 5 someone has changed their residence address, that we -- we

14:07:36 6 can't just go change their voter registration because of

14:07:38 7 that; or is not a United States citizen, we can't just go

14:07:47 8 change that voter registration.

14:07:51 9 Q. That would not be a base -- if the MVD database

14:07:55 10 contained information showing they had an F-type license at

14:07:58 11 some point in the past, your testimony is that Karen was

14:08:02 12 expressing that you couldn't just remove someone from the

14:08:05 13 rolls based on that old information; is that correct?

14:08:08 14 A. That was -- that would be correct, because we

14:08:11 15 would have updated information of the proof that they had

14:08:15 16 given us.

14:08:17 17 THE COURT REPORTER: I'm sorry. Kory, did

14:08:18 18 you object?

14:08:21 19 MR. LANGHOFER: I did.

14:08:24 20 THE COURT REPORTER: If you could just pause

14:08:26 21 a moment to make sure I get the objections, that would be

14:08:29 22 great.

14:08:31 23 BY MR. SHERMAN:

14:08:31 24 Q. If you could just take a quick look at 10(G).

14:08:33 25 "To the extent practicable, each month the

14:08:38 1 county recorder shall compare the county's registration
14:08:38 2 database to the Social Security Administration database."
14:08:42 3 Back on the Hiser Exhibit 77 -- if you could
14:08:46 4 go back to that, please.
14:08:47 5 A. Okay.
14:08:49 6 Q. Do you see on page 2 where Karen McCracken wrote,
14:08:56 7 "What are we supposed to do with this information? What
14:08:58 8 are we looking for?"
14:09:01 9 A. Yes.
14:09:02 10 Q. Do you understand how Social Security databases
14:09:05 11 could be used for citizenship verification?
14:09:08 12 A. I do not. I don't know that -- I know noncitizens
14:09:17 13 can have a Social Security number. I don't know if there's
14:09:22 14 a way to use that.
14:09:24 15 Q. Do you know anything about what citizenship data
14:09:28 16 is included in SSA's databases?
14:09:33 17 A. No.
14:09:34 18 Q. And I take it you don't know of -- I'll strike
14:09:37 19 that.
14:09:40 20 Okay. If we could look back at HB 2243,
14:09:43 21 which I believe you have in front of you.
14:09:45 22 A. Yes.
14:09:46 23 Q. If you look down at 16-165(A)(H) -- excuse me --
14:09:56 24 just H -- 16-165(H). Just let me know when you're there.
14:10:15 25 Should be on page 6.

14:10:17 1 A. Yes. I'm there.

14:10:18 2 Q. "To the extent practicable, each month the county

14:10:21 3 recorder shall compare persons who are registered to vote

14:10:24 4 in that county and who the county recorder has reason to

14:10:26 5 believe are not United States citizens . . . with the

14:10:31 6 Systematic Alien Verification for Entitlements program

14:10:34 7 maintained by the U.S. Citizenship and Immigration Services

14:10:38 8 to verify the citizenship status of the persons

14:10:41 9 registered."

14:10:43 10 What would give your office a reason to

14:10:45 11 believe a person is not a United States citizen?

14:10:48 12 MR. LANGHOFER: Same objection.

14:10:49 13 MR. HORLEY: Calls for a legal conclusion.

14:10:52 14 THE WITNESS: We -- I don't know of anything

14:10:56 15 that would as far as the checks and things that we have

14:11:00 16 that would give us a notion that someone is not a U.S.

14:11:05 17 citizen.

14:11:05 18 BY MR. SHERMAN:

14:11:05 19 Q. Has the Secretary of State's Office provided your

14:11:08 20 office with a list of what would give you or your staff a

14:11:12 21 valid reason to believe someone is not a United States

14:11:14 22 citizen?

14:11:17 23 A. Only in the Election Procedures Manual with a

14:11:22 24 F-type license.

14:11:23 25 Q. Okay. Has the Secretary of State's Office ever

14:11:25 1 provided your office with a list of what will not give you
14:11:29 2 or your staff a valid reason to believe someone is not a
14:11:32 3 United States citizen?

14:11:32 4 A. I don't believe so.

14:11:35 5 Q. Is this language "has reason to believe are not
14:11:40 6 United States citizens" -- is that clear or unclear?

14:11:46 7 MR. LANGHOFER: Same objection.

14:11:49 8 THE WITNESS: It is unclear.

14:11:50 9 BY MR. SHERMAN:

14:11:51 10 Q. I'm going to provide you with the same scenarios
14:11:53 11 as before. We're just going to focus on this language in
14:11:56 12 Subpart H.

14:11:57 13 MR. SHERMAN: Kory, do you want to enter the
14:11:59 14 form and calls for a legal conclusion objections for this
14:12:02 15 series?

14:12:03 16 MR. LANGHOFER: Yes. Thanks, Jon.

14:12:05 17 BY MR. SHERMAN:

14:12:06 18 Q. Would anything beyond a government or voter
14:12:09 19 registration database give your office reason to believe
14:12:11 20 that a registered voter is not a United States citizen?

14:12:16 21 A. No.

14:12:17 22 Q. Can a phone call from the voter in question give
14:12:21 23 you reason to believe that that voter is not a United
14:12:24 24 States citizen?

14:12:26 25 A. No.

14:12:27 1 Q. How about an email from the voter in question?

14:12:29 2 A. No.

14:12:29 3 Q. A signed letter from the voter in question?

14:12:32 4 A. No.

14:12:32 5 Q. How about a phone call from a member of that

14:12:35 6 voter's family?

14:12:36 7 A. No.

14:12:37 8 Q. A letter from a neighbor of that voter?

14:12:40 9 A. No.

14:12:40 10 Q. Would a phone call from law enforcement in Arizona

14:12:45 11 give your office reason to believe that a voter, a

14:12:49 12 particular voter, is not a United States citizen?

14:12:52 13 A. Again, I would ask for them to produce some

14:12:55 14 evidence of that before we could do anything with that.

14:12:59 15 Q. Understood.

14:13:00 16 But would it give your office reason to

14:13:02 17 believe that they're not a United States citizen such that

14:13:06 18 you would perform this SAVE system check outlined in

14:13:09 19 Subpart H?

14:13:10 20 A. No.

14:13:12 21 Q. Would a email or letter from -- excuse me. Let me

14:13:21 22 back up one.

14:13:21 23 Would a phone call from law enforcement in

14:13:23 24 another state give you or your office reason to believe

14:13:27 25 that someone is not -- a registered voter is not a U.S.

14:13:31 1 citizen?

14:13:34 2 A. Again, we would ask for evidence, but the SAVE

14:13:37 3 system would not -- we would not check the SAVE system. It

14:13:41 4 wouldn't do us any good, so . . .

14:13:44 5 Q. So this -- this statutory provision that we just

14:13:49 6 read -- right? -- would require your office to conduct a

14:13:52 7 SAVE system check if you had reason to believe a registered

14:13:56 8 voter is not a U.S. citizen; is that correct?

14:13:58 9 A. Yes.

14:13:59 10 Q. Would a phone call from law enforcement in Arizona

14:14:03 11 or another state give you reason to believe that someone is

14:14:06 12 not a U.S. citizen such that you would have to perform that

14:14:09 13 SAVE system check?

14:14:13 14 A. Quite possibly, yes.

14:14:16 15 Q. Would an email or letter from law enforcement in

14:14:19 16 Arizona or another state give your office reason to believe

14:14:23 17 that that registered voter is not a U.S. citizen such that

14:14:26 18 you would have to perform this SAVE system check?

14:14:30 19 A. Again, quite possibly, yes.

14:14:32 20 Q. How about an anonymous call or an anonymous email?

14:14:35 21 A. No.

14:14:36 22 Q. What about lists provided by third-party

14:14:40 23 organizations like True the Vote?

14:14:41 24 A. No.

14:14:41 25 Q. What if the registered voter transposed their

14:14:45 1 first and last name on the registration form such that
14:14:47 2 their first name was in the last name field and the last
14:14:50 3 name was in the first name field? Would that give you
14:14:54 4 reason to believe that that registered voter was not a U.S.
14:14:56 5 citizen?

14:14:58 6 A. No.

14:15:01 7 Q. What if the registered voter recorded a foreign
14:15:04 8 place of birth on their form?

14:15:06 9 A. No.

14:15:06 10 Q. What if you identify a registered voter who has
14:15:11 11 already satisfied the DPOC requirement but still holds an
14:15:13 12 F-type license in the MVD database? Is that reason to
14:15:17 13 believe they are not, in fact, U.S. citizens?

14:15:19 14 A. No.

14:15:19 15 Q. What about voters who are exempt from the DPOC
14:15:24 16 requirement under that safe harbor provision of the DPOC
14:15:28 17 law, would that failure or exemption from the DP- --
14:15:31 18 failure to show DPOC -- would that give your office a
14:15:34 19 reason to believe they're not U.S. citizens?

14:15:35 20 A. No.

14:15:36 21 Q. Has your office received any guidance on when your
14:15:40 22 office -- strike that. Covered that already.

14:15:45 23 If we could look back at Hiser Exhibit 77.
14:15:49 24 You may still have that up on your screen.

14:15:51 25 A. Yes, I have it.

14:15:52 1 Q. Okay. Great. Let me scroll back to that real
14:15:56 2 quick.
14:15:56 3 Do you see under 10(H) -- Item 10(H) on
14:16:00 4 page 2?
14:16:01 5 A. Yes.
14:16:01 6 Q. Karen McCracken wrote, "What would give us reason
14:16:04 7 to believe they are not a citizen? An anonymous tip?"
14:16:10 8 Do you know -- do you share her skeptical
14:16:15 9 view of this provision?
14:16:17 10 A. Yes.
14:16:19 11 Q. If we could look at Petty Exhibit 20. Goes back a
14:16:36 12 little ways.
14:16:39 13 Do you want to take a moment to review this
14:16:41 14 email from Stephen Richer?
14:16:45 15 A. Petty Exhibit 20?
14:16:50 16 Q. And what's -- and just take a look first at the
14:16:53 17 Subject line here "Re: ASAP - need feedback on revised
14:17:00 18 2617."
14:17:01 19 So Stephen Richer was responding to the same
14:17:04 20 legislative proposal; correct?
14:17:06 21 A. I believe so.
14:17:07 22 Q. And he wrote: "Does this get rid of the situation
14:17:11 23 whereby any person can submit us lists that we" have --
14:17:14 24 "then have to check. E.g.," quote, "Hi, I used my super
14:17:18 25 secret research program to figure out that these 300,000

14:17:21 1 people are not citizens. Please check the citizenship of
14:17:24 2 every single one of them right now."
14:17:27 3 Do you think that HB 2243's reason-to-believe
14:17:34 4 provision still leaves open this risk or threat that a
14:17:39 5 third-party group could provide your office with a list of
14:17:43 6 people they suspect are not citizens and thereby obligate
14:17:47 7 your office to check all of them?
14:17:53 8 A. I don't know.
14:17:56 9 Q. Is it clear or unclear?
14:17:58 10 A. It is unclear what is reason to believe. What is
14:18:05 11 the standard of that? I -- I don't know what the standard
14:18:08 12 is.
14:18:09 13 Q. It's possible that it could be interpreted to
14:18:14 14 allow third-party groups to give your office a list of
14:18:19 15 registered voters that you would then have to run through
14:18:21 16 the SAVE system?
14:18:23 17 A. It is possible.
14:18:25 18 Q. Thank you.
14:18:27 19 A number of these provisions in HB 2243, such
14:18:32 20 as, I believe, F -- let me just go back to it.
14:18:43 21 A number of these provisions, like G, H, and
14:18:46 22 J on page 6, use the phrase "to the extent practicable."
14:18:54 23 Do you see that language?
14:18:55 24 A. Yes.
14:18:55 25 Q. Do you understand who would make the call as to

14:18:59 1 whether it's practicable or not?

14:19:02 2 A. No.

14:19:04 3 Q. Could it be your office?

14:19:06 4 A. It certainly could be.

14:19:08 5 Q. Could it be the Arizona Secretary of State's

14:19:11 6 Office?

14:19:11 7 A. That's a possibility.

14:19:13 8 Q. Could it be some other agency or entity?

14:19:17 9 A. Again, I don't know how broad that can be

14:19:22 10 interpreted.

14:19:24 11 Q. Is this language "to the extent practicable" clear

14:19:27 12 or unclear?

14:19:30 13 A. It is unclear.

14:19:31 14 Q. If we could look quickly at Exhibit J. And what

14:19:44 15 does this appear to be?

14:19:46 16 A. It -- it's an email from Leslie Hoffman to

14:19:51 17 Jennifer Marson on -- re: "HB 2617 - Does the Amendment

14:19:57 18 Change Your Position?"

14:20:00 19 MR. SHERMAN: Could we mark this as

14:20:01 20 Exhibit 150.

14:20:01 21 (The document was marked as Exhibit 150

14:20:01 22 for identification.)

14:20:01 23 BY MR. SHERMAN:

14:20:03 24 Q. And if you scroll down -- so up top, you can see

14:20:07 25 Leslie Hoffman wrote, "Still oppose. Agree with Robyn and

14:20:11 1 Patty"; correct?

14:20:11 2 A. Yes.

14:20:11 3 Q. And down below, the email that preceded it asks --
14:20:19 4 asked your office to review whether the phrases "if
14:20:23 5 practicable" or "if the county has access" changed anything
14:20:28 6 for them in terms of their opposition to 2617; is that
14:20:31 7 correct?

14:20:31 8 A. Yes.

14:20:32 9 Q. And do you recall the thinking at the office -- at
14:20:37 10 your office as to why those -- the addition of those
14:20:41 11 phrases didn't change the office's opposition to 2617?

14:20:46 12 A. I believe, if my recollection is correct, that it
14:20:51 13 was still unclear. And it would have been a lot if we had
14:20:58 14 to do these things. Many of them would be a complete waste
14:21:01 15 of time because those databases aren't going to give us the
14:21:05 16 information that it seems someone thought they would.

14:21:09 17 Q. If we could look at HB 2492 again. And I just
14:21:17 18 want to direct your attention to provision on page 7. This
14:21:29 19 is A.R.S. 16-143. You see that? If you can just take a
14:21:37 20 moment to review that language.

14:21:57 21 So this -- this provision, 16-143, required
14:22:03 22 the secretary of state and each county recorder to make
14:22:07 23 available to the general attorney a list of all individuals
14:22:10 24 who are registered to vote and who have not provided DPOC;
14:22:13 25 is that correct?

14:22:13 1 A. Yes.

14:22:14 2 Q. And there was a deadline of October 31st, 2022;

14:22:18 3 correct?

14:22:18 4 A. Yes.

14:22:18 5 Q. Now that that deadline has come and gone, is your

14:22:23 6 office no longer obligated to provide these lists?

14:22:31 7 MR. LANGHOFER: Same objection.

14:22:32 8 THE WITNESS: I don't see a requirement that

14:22:34 9 we need to provide the list.

14:22:36 10 BY MR. SHERMAN:

14:22:38 11 Q. If we could take a look quickly at Exhibit K. Oh,

14:22:53 12 I'm sorry. We've introduced this before.

14:22:54 13 Just for the record, this is -- it will be

14:22:57 14 Exhibit K in your folder. It's the correct exhibit. But

14:23:02 15 for others' reference, this is 147.

14:23:07 16 And do you see at the bottom here under

14:23:14 17 "Comments" on page 7 where it says, "But: 16-143A - if we

14:23:21 18 read this right, this is a one-time report as a specific

14:23:25 19 date was given. If this entire law was extended to

14:23:29 20 12-31-22," we will -- "will we never have to provide the

14:23:33 21 report?"

14:23:34 22 Do you see that language?

14:23:35 23 A. Yes.

14:23:35 24 Q. Did your office ever get an answer or resolution

14:23:40 25 to this question?

14:23:45 1 A. Not to my knowledge.

14:23:46 2 Q. Is it clear or unclear whether you need to provide
14:23:49 3 that list to the AG?

14:23:51 4 MR. LANGHOFER: Same objection.

14:23:52 5 THE WITNESS: I -- I don't understand the
14:23:58 6 question as to the timing of providing that, that list.

14:24:04 7 BY MR. SHERMAN:

14:24:04 8 Q. Okay. I'll withdraw the question.

14:24:06 9 MR. SHERMAN: We've been going for a fair
14:24:09 10 amount of time. Would now be a good time to take a 10- or
14:24:13 11 15-minute break before we move onto the next session?

14:24:16 12 THE WITNESS: Sure.

14:24:17 13 MR. SHERMAN: Why don't we take 15 and come
14:24:18 14 back at what, I believe, will be 2:39 your time.

14:24:24 15 Okay. We can go off the record.

14:24:26 16 THE VIDEOGRAPHER: We're off the record.
14:24:27 17 Time on the video monitor is 2:24 p.m.

14:24:32 18 (A recess ensued.)

14:39:51 19 THE VIDEOGRAPHER: We are on the record.
14:40:11 20 Time on the video monitor is 2:40 p.m.

14:40:15 21 MR. SHERMAN: Thank you.

14:40:15 22 BY MR. SHERMAN:

14:40:17 23 Q. Mr. Webber, earlier we were talking about HAVA
14:40:20 24 checks that are conducted against the MVD database;
14:40:25 25 correct?

14:40:25 1 A. Yes.

14:40:26 2 Q. Besides F-type licenses, are there any other
14:40:32 3 license types that would require your office to follow up
14:40:34 4 and seek additional documentary proof of citizenship?

14:40:38 5 A. Not to my knowledge.

14:40:40 6 Q. Is there any other kind of result from the HAVA
14:40:44 7 check that could prompt your office to seek additional
14:40:49 8 valid DPOC?

14:40:51 9 A. No. And what happens now -- I don't believe
14:40:55 10 they're actually still called F-type licenses, because they
14:41:00 11 all used to start with an F. We will get -- when -- in
14:41:03 12 that HAVA check, it will come back -- either it will say
14:41:07 13 "U.S. citizen" or "naturalized citizen," or I believe it
14:41:10 14 says "foreign national" or something of that sort. And
14:41:14 15 that's what it -- when it comes back as foreign, that's
14:41:18 16 what will flag it for us as not having citizenship.

14:41:22 17 Q. Do you know what the name of the new type of
14:41:25 18 F-type license is? Is it called a foreign authorized
14:41:29 19 presence license or something else?

14:41:31 20 A. Yeah, it may be. I know we do get, I believe, in
14:41:37 21 -- when we check the verification, I believe it does say
14:41:40 22 foreign authorized presence, but it may say something
14:41:44 23 slightly different than that.

14:41:46 24 Q. Understood.

14:41:46 25 And that will only tell you that that person

14:41:49 1 was not a citizen at some point in the past; correct?

14:41:53 2 A. Yes.

14:41:55 3 Q. And that's why you follow up with a notice letter

14:41:59 4 and asking for DPOC; is that correct?

14:42:02 5 A. Yes.

14:42:02 6 Q. How often do you encounter registrants with F-type

14:42:06 7 or foreign authorized presence licenses?

14:42:10 8 A. Not too often. I don't have any statistics on it.

14:42:16 9 Most of the time when we -- we are sending our DPOC

14:42:20 10 letters, it's because they didn't provide a license number

14:42:24 11 at all. But again, I do not have data on how many are

14:42:29 12 actually the foreign presence license.

14:42:32 13 Q. And earlier, we were talking about exhibit that

14:42:35 14 showed -- right? -- that your office tends to think those

14:42:37 15 are people who just didn't update MVD after they

14:42:42 16 naturalized; is that correct?

14:42:43 17 A. That's what we found in most cases, yes.

14:42:45 18 Q. And how often do applicants provide DPOC in

14:42:50 19 response to the notice letter you send out after you see

14:42:54 20 they have an F-type or foreign authorized presence license?

14:42:57 21 A. Again, it's not something we track. It's

14:43:02 22 anecdotal, I believe, almost all the time. I cannot say

14:43:09 23 all the time.

14:43:11 24 Q. But almost all the time?

14:43:12 25 A. Yes, I believe so.

14:43:14 1 Q. So in asking for DPOC, the applicant can present a
14:43:21 2 naturalization certificate; correct?

14:43:22 3 A. Yes.

14:43:24 4 Q. And they can also present a alien registration
14:43:27 5 number; correct?

14:43:28 6 A. Yes.

14:43:28 7 Q. Why don't we take a look quickly at some of the
14:43:33 8 form letters that you, your office, produced. This is
14:43:35 9 Exhibit AA in your folder down towards the bottom.

14:43:45 10 A. Okay.

14:43:52 11 Q. And I believe -- so what is -- what is this --
14:43:53 12 this is a few different documents all combined into one, 12
14:43:58 13 pages. What are these documents?

14:44:01 14 A. I'm still pulling it up. I have a couple folders
14:44:06 15 here.

14:44:06 16 Q. My apologies.

14:44:08 17 A. And I have to find the right one. Okay.

14:44:13 18 So, yes, these are all one -- this one, the
14:44:14 19 first one in AA is actually -- it's an address letter. We
14:44:20 20 can't confirm the address of -- of the person.

14:44:24 21 This person would have had probably DPOC
14:44:30 22 already so -- but this is -- would be an address letter if
14:44:35 23 we can't confirm where they live to precinct them
14:44:40 24 correctly.

14:44:40 25 Q. More generally, if you could just scroll down

14:44:43 1 through all 12 pages and just tell me generally what --

14:44:48 2 A. Okay.

14:44:49 3 Q. -- what these are.

14:44:50 4 A. The second one is an ID card for someone who has

14:44:55 5 not provided citizenship, but they are on the active early

14:44:58 6 voting list.

14:45:00 7 Third one is they haven't proven citizenship,

14:45:07 8 and they are on -- they are not on the active early voting

14:45:08 9 list.

14:45:11 10 The fourth one is what we would call fed, no

14:45:15 11 ID. They haven't provided citizenship and nor do we have a

14:45:19 12 Social Security number to prove -- prove that they're

14:45:22 13 actually a human being, which is what we use Social

14:45:25 14 Security numbers for.

14:45:29 15 So then the next one, "Voter Registration

14:45:32 16 Form Box 22." It's -- didn't respond to the questions in

14:45:40 17 Box 22. And this would be if we do not have either the --

14:45:48 18 well, if they didn't put a birth date. But mostly if they

14:45:52 19 didn't put anything in the citizenship checkbox, and they

14:45:55 20 did not -- we couldn't find -- couldn't find -- verify

14:46:01 21 their citizenship through HAVA checks, they would get that

14:46:03 22 letter.

14:46:03 23 And here's what we would send to federal-only

14:46:09 24 voters. That, again, this is not people who would have a

14:46:14 25 -- come back as a foreign national. But again, they would

14:46:17 1 be federal voters. We would send this out explaining to
14:46:23 2 them what they need to do to become eligible.
14:46:27 3 Q. Which one of these do you send when you see an
14:46:30 4 F-type license? Is that the one all the way at the bottom?
14:46:36 5 A. Let me find it. Yes. Yeah, the "Not Eligible."
14:46:46 6 Q. Okay. And this -- the portion of this notice
14:46:52 7 letter -- sorry. Let me back up one sec.
14:46:54 8 MR. SHERMAN: Can we mark this as
14:46:56 9 Exhibit 151.
14:46:56 10 (The document was marked as Exhibit 151
14:46:57 11 for identification.)
14:46:57 12 BY MR. SHERMAN:
14:46:58 13 Q. This last notice letter in the series calls for an
14:47:01 14 alien registration number; correct?
14:47:03 15 A. Yes.
14:47:04 16 Q. That's one of the forms of DPOC that can be
14:47:07 17 provided?
14:47:08 18 A. Yes.
14:47:09 19 Q. Does it ask for or suggest to the applicant that
14:47:16 20 they can provide a naturalization -- a copy of their
14:47:19 21 naturalization certificate?
14:47:20 22 A. No, it does not.
14:47:22 23 Q. And why not?
14:47:24 24 A. Probably because we just forgot it.
14:47:27 25 Q. And it doesn't ask for a naturalization

14:47:30 1 certificate number. Is that -- earlier, you testified

14:47:34 2 that's because you can't search -- query for that in the

14:47:38 3 SAVE system; is that correct?

14:47:39 4 A. Yes.

14:47:39 5 Q. If you were to be provided with a copy of a
14:47:44 6 naturalization certificate and you verified it as DPOC,
14:47:50 7 that trumps the record of an F-type license in the MVD
14:47:54 8 database; correct?

14:47:55 9 A. Yes.

14:47:56 10 Q. I just wanted to confirm that.

14:47:59 11 But if you get a naturalization certificate
14:48:03 12 number -- well, that you can't search -- strike that.

14:48:07 13 If you get an alien registration number, that
14:48:10 14 you have to take a further step to verify; correct?

14:48:13 15 A. Yes.

14:48:13 16 Q. And that's -- and what do you do with the alien
14:48:16 17 registration number?

14:48:17 18 A. That -- that's in the SAVE system.

14:48:20 19 Q. And do you ever -- there's -- there's no place for
14:48:24 20 you to input a naturalization certificate number
14:48:27 21 whatsoever?

14:48:27 22 A. No.

14:48:28 23 Q. If I could have you take a look at Exhibit P in
14:48:37 24 your folder. Okay.

14:48:41 25 And what is this document? You might want to

14:48:43 1 read it from bottom to top just so it's clear.

14:48:47 2 A. Okay. So it is a -- it's an email chain. And

14:48:59 3 I -- I remember this email chain so . . .

14:49:03 4 Q. You were on this email chain; yes?

14:49:05 5 A. Yes. Yes, I do remember this. And this is

14:49:08 6 something that happens when people are -- they register to

14:49:14 7 vote at a naturalization ceremony. And there are actually

14:49:20 8 specially marked forms for those ceremonies. And they will

14:49:23 9 -- the people there who are doing the naturalization

14:49:28 10 ceremony will actually mark those paper forms "citizenship

14:49:34 11 checked" because they will not come back in the SAVE

14:49:38 12 system, even with an alien registration number, very

14:49:42 13 quickly because they haven't been put into the system yet.

14:49:47 14 MR. SHERMAN: Can we mark this as

14:49:49 15 Exhibit 152.

14:49:49 16 (The document was marked as Exhibit 152

14:49:50 17 for identification.)

14:49:50 18 BY MR. SHERMAN:

14:49:51 19 Q. And so a couple questions on this.

14:49:53 20 When a registration's occurring at the

14:49:57 21 naturalization ceremony, your office is reviewing a copy of

14:50:01 22 the naturalization certificate at the ceremony?

14:50:05 23 A. No. No. It's --

14:50:07 24 Q. What is it based on?

14:50:09 25 A. It is based on a registration form, a paper

14:50:14 1 registration form. There are specially coded registration
14:50:18 2 forms that come from naturalization ceremonies.

14:50:23 3 And again, it's common practice. They will
14:50:26 4 have the people fill them out after the ceremony, and they
14:50:32 5 will mark them "citizenship checked," you know, the people
14:50:37 6 at the ceremony themselves that are performing the
14:50:41 7 ceremony. And then we will get those registration forms.

14:50:44 8 Q. Is it a special Arizona registration form or a
14:50:48 9 copy -- a special Arizona voter registration form?

14:50:51 10 A. It is an Arizona voter registration form. There
14:50:54 11 are codes on them that tell us where that registration form
14:50:59 12 originated, and there's a special code for naturalization
14:51:03 13 ceremonies.

14:51:04 14 Q. Understood.

14:51:05 15 And in this circumstance, you're saying a
14:51:09 16 variety of the county recorder staff on this email are all
14:51:13 17 chiming in to say, "You can override the HAVA check in this
14:51:19 18 circumstance"; correct?

14:51:20 19 A. Yes.

14:51:21 20 Q. Because -- and why is that?

14:51:24 21 A. Because they have had their citizenship checked
14:51:28 22 and -- at the -- and filled out the form at the
14:51:32 23 naturalization ceremony.

14:51:33 24 Q. And you were testifying earlier that there's a bit
14:51:42 25 of a lag between when a naturalization occurs and when

14:51:47 1 that's updated in the SAVE system; is that correct?

14:51:49 2 A. Yes.

14:51:50 3 Q. Do you know what kind -- what -- how long that lag
14:51:53 4 can be?

14:51:53 5 A. I really do not.

14:51:56 6 Q. Have any -- has -- anyone in your office have some
14:52:04 7 familiarity with that?

14:52:05 8 A. We may have one person who may have a sense of it.
14:52:12 9 I -- I can't say that she knows exactly how long the lag
14:52:17 10 might be. We don't get a lot of these, so it's not a --
14:52:21 11 it's not common.

14:52:23 12 Q. Suffice it to say, though, if you were to check
14:52:26 13 the SAVE system right after a naturalization ceremony, the
14:52:29 14 person would still not -- their citizenship -- U.S.
14:52:33 15 citizenship would not be reflected in that?

14:52:36 16 A. I would believe it's safe to say that, yes.

14:52:37 17 Q. Does your existing agreement with ADOT's Motor
14:52:42 18 Vehicle Division cover the uses outlined in HB 2492 and
14:52:46 19 HB 2243 that we've been discussing?

14:52:49 20 A. I don't believe Yavapai County has an agreement
14:52:53 21 with the MVD.

14:52:54 22 Q. Okay.

14:52:55 23 A. I believe that's through the Secretary of State's
14:52:58 24 Office.

14:52:58 25 Q. Understood.

14:52:59 1 Do you know whether that agreement with the
14:53:01 2 Secretary of State's Office covers the uses mandated in
14:53:07 3 2492 and 2243?

14:53:07 4 A. I do not know.

14:53:09 5 Q. Have you -- has your office ever encountered
14:53:13 6 instances where a voter registration applicant who is a
14:53:16 7 U.S. citizen was flagged erroneously as a noncitizen in the
14:53:20 8 MVD database?

14:53:22 9 A. We assume that there -- it was erroneous to
14:53:28 10 provide DPOC and they had had an F-type license, or the
14:53:32 11 foreign presence license, yes.

14:53:35 12 Q. Do you recall an incident from last year where
14:53:37 13 database matching produced erroneous results and caused the
14:53:41 14 downgrading of thousands of voters to federal-only voting
14:53:44 15 status?

14:53:48 16 A. I remember hearing about that, yes.

14:53:49 17 Q. Can we take a look at Exhibit L.

14:53:58 18 What is this document?

14:54:02 19 A. It's from AVID Help on MVD, HAVA checks,
14:54:12 20 follow-up.

14:54:14 21 MR. SHERMAN: Can we mark this as
14:54:16 22 Exhibit 153.

14:54:16 23 (The document was marked as Exhibit 153
14:54:16 24 for identification.)

14:54:16 25 BY MR. SHERMAN:

14:54:20 1 Q. And did you receive a copy of this last October?

14:54:25 2 A. I'm not sure if I received a copy of it or the
14:54:30 3 current registrar received a copy of it. I was aware of
14:54:35 4 the issues.

14:54:37 5 Q. What -- what happened in this incident?

14:54:48 6 A. I think there were records coming over from the
14:54:50 7 MVD that didn't have an authorized presence value or
14:54:57 8 citizenship that would say that they were citizens. And so
14:55:04 9 it would -- if it doesn't come back as that, I believe it
14:55:08 10 would say that the citizenship was not proven.

14:55:12 11 Q. But these turned out to actually be folks who had
14:55:15 12 shown DPOC in the past; correct?

14:55:17 13 A. Yes, I believe so.

14:55:19 14 Q. And so they were erroneously downgraded to
14:55:23 15 fed-only voting status; correct?

14:55:26 16 A. I don't know if -- how many were downgraded. If
14:55:32 17 they had already proven citizenship prior to that, we would
14:55:38 18 not have done it. I don't believe it was -- it did it
14:55:42 19 immediately through the system. And I know we had people
14:55:48 20 check. And I don't even know if we had any that that had
14:55:52 21 happened to. But I know it did happen in the system.

14:55:55 22 Q. Can you take a look at paragraph 3 of this letter.

14:55:58 23 A. Yes.

14:55:59 24 Q. Just review that, and I'll ask you about it once
14:56:03 25 you're done.

14:56:03 1 A. Okay. Okay.

14:56:18 2 Q. How many voters in your county were erroneously
14:56:21 3 flagged as fed-only?

14:56:24 4 A. I don't recall the number.

14:56:28 5 Q. Based on this, you can't -- you can't say?

14:56:33 6 A. Based on this, no, I cannot say.

14:56:37 7 Q. Okay. It says, "Your county has 4 records that
14:56:40 8 returned a hard-match with unauthorized presence indicating
14:56:43 9 citizenship in 25 records that might be a soft-match."
14:56:48 10 Do you see that?

14:56:48 11 A. I think I may have been looking at the wrong
14:56:50 12 paragraph.

14:56:53 13 Q. Third full paragraph after "Dear Yavapai."

14:56:58 14 A. Okay. Yeah, I was looking at the wrong paragraph.

14:57:01 15 Q. Sorry.

14:57:01 16 A. Okay.

14:57:03 17 Q. Take a look at that.

14:57:12 18 A. Okay. All right. Yeah, I see that four.

14:57:21 19 Q. So how many voters in your county were erroneously
14:57:24 20 flagged as fed-only due to this incident?

14:57:28 21 A. I'm trying to interpret it. It's actually not
14:57:51 22 very clear.

14:57:51 23 Q. Okay.

14:57:52 24 A. Said we had four records that "returned a
14:57:55 25 hard-match with the authorized presence indicating

14:57:57 1 citizenship in 25 records that might be a soft-match."

14:58:01 2 Q. We can move on.

14:58:02 3 In the last sentence, though, it says "6
14:58:05 4 records in your county have an active early ballot
14:58:08 5 associated with them."

14:58:09 6 Does that mean six ballots -- six fed-only
14:58:12 7 early ballots went out prior to you receiving this notice?

14:58:17 8 A. It is possible.

14:58:21 9 Q. Okay. In light of this incident, this database
14:58:24 10 error, what does this say to you about the reliability of
14:58:28 11 database matching to assess a person's current U.S.
14:58:32 12 citizenship status?

14:58:33 13 A. It's possible it could be problematic.

14:58:37 14 Q. What does it say to you about the reliability of
14:58:39 15 database matching for determining whether someone has
14:58:43 16 previously shown DPOC?

14:58:46 17 MR. LANGHOFER: Form.

14:58:50 18 THE WITNESS: I really don't understand about
14:58:53 19 the -- the question. I don't understand the database and
14:59:00 20 the previous provided DPOC.

14:59:02 21 BY MR. SHERMAN:

14:59:02 22 Q. I'll rephrase.

14:59:03 23 In light of this incident, what does it say
14:59:06 24 to you about the reliability of relying on the MVD database
14:59:10 25 to determine whether voters have previously shown

14:59:14 1 documentary proof of citizenship?

14:59:17 2 MR. LANGHOFER: Form.

14:59:18 3 THE WITNESS: I -- it shows me that the MVD,
14:59:22 4 again, can be problematic as far as if they previous --
14:59:27 5 previously showed a county or us that DPOC. I don't think
14:59:33 6 -- that's not a matching issue that -- we have that in our
14:59:37 7 records.

14:59:37 8 So again, I'd have to look at this more
14:59:42 9 closely to determine exactly what happened. And -- but it
14:59:47 10 does show that it is -- can be problematic with the MVD.

14:59:51 11 BY MR. SHERMAN:

14:59:57 12 Q. Is it feasible to use MVD data to conclusively
15:00:02 13 determine a lack of U.S. citizenship?

15:00:06 14 A. I wouldn't say "conclusively." That's why we
15:00:10 15 would send a letter to allow them to provide us other
15:00:17 16 documentation.

15:00:18 17 Q. In terms of resources, access, and training, is it
15:00:21 18 practicable for your office to use MVD databases for
15:00:25 19 citizenship verification?

15:00:29 20 A. I believe it's really the only database we have
15:00:35 21 that contains that unless we get an A-number and can use
15:00:39 22 the SAVE can be.

15:00:40 23 THE COURT REPORTER: Did someone object in
15:00:44 24 the middle?

15:00:45 25 MR. LANGHOFER: I did.

15:00:46 1 BY MR. SHERMAN:

15:00:47 2 Q. HB 2243 requires you to compare your county's

15:00:50 3 voters to the MVD databases on a monthly basis; is that

15:00:54 4 practicable?

15:00:55 5 A. No.

15:00:56 6 MR. LANGHOFER: Form.

15:00:57 7 BY MR. SHERMAN:

15:00:58 8 Q. Has your office ever been given a specific list of

15:01:01 9 means by which a voter registration applicant can be deemed

15:01:04 10 or proven a noncitizen?

15:01:06 11 A. No.

15:01:07 12 Q. Same question for registered voters.

15:01:11 13 A. No.

15:01:12 14 Q. We've already talked some about the SAVE system.

15:01:17 15 And you use that for purposes of following up with voter

15:01:23 16 registration applicants who have come back as holding an

15:01:26 17 F-type license in the MVD database; is that correct?

15:01:30 18 A. Only if we have an A-number.

15:01:33 19 Q. So if they -- if the applicant provides an

15:01:35 20 A-number, then you can use the SAVE system; correct?

15:01:39 21 A. Yes.

15:01:40 22 Q. Do you currently have A-numbers for all -- you

15:01:49 23 don't have A-numbers for all -- let me strike that

15:01:51 24 question.

15:01:52 25 How frequently do you use the SAVE system?

15:01:58 1 A. I imagine it may be used weekly. I don't actually
15:02:06 2 enter them in. Another person does that. It's not
15:02:11 3 infrequent, but it's neither really frequent. It's just as
15:02:16 4 needed.

15:02:17 5 Q. Who in your office actually conducts the SAVE
15:02:21 6 verification checks?

15:02:22 7 A. Usually it's Celeste Audis.

15:02:25 8 Q. What was her last name again?

15:02:27 9 A. Audis, A-u-d-i-s.

15:02:32 10 Q. Is it common for people -- registrants to put down
15:02:36 11 A-numbers or naturalization certificate numbers on their
15:02:39 12 Arizona voter registration form themselves?

15:02:43 13 A. It's not common unless, I believe, if they -- if
15:02:50 14 they have one, they'll put it on, and sometimes, not
15:02:55 15 always, if they have an A-number.

15:02:58 16 Q. And there's just one field for that; right?

15:03:01 17 A. Yes.

15:03:02 18 Q. So if a person puts down their naturalization
15:03:05 19 certificate number instead of their A-number, you can't do
15:03:08 20 anything with the naturalization certificate number;
15:03:10 21 correct?

15:03:10 22 A. Yes. That's -- we contact them to ask them for
15:03:15 23 their A-number.

15:03:16 24 Q. Do you know if the Arizona Secretary of State's
15:03:19 25 Office has ever communicated to county recorders that

15:03:26 1 naturalization certificate numbers are unusable in the SAVE

15:03:30 2 system?

15:03:30 3 MR. LANGHOFER: Form, foundation.

15:03:33 4 THE WITNESS: Not to my knowledge.

15:03:35 5 BY MR. SHERMAN:

15:03:36 6 Q. Do you know if that's conveyed to registration
15:03:41 7 applicants using the Arizona voter registration form?

15:03:45 8 A. I would have to actually look at the form and see
15:03:48 9 what is in the form, if it said -- I believe it says
15:03:53 10 actually alien registration number, but it may say also
15:03:57 11 something else, and I just can't recall.

15:04:00 12 Q. Got it.

15:04:01 13 Could we take a quick look at Exhibit M.

15:04:16 14 A. Okay.

15:04:17 15 Q. And what is this document?

15:04:19 16 A. This is the 2023 Election Procedures Manual. This
15:04:25 17 is the draft from June 2023.

15:04:29 18 Q. And is this the version you annotated with your
15:04:32 19 comments?

15:04:32 20 A. Yes.

15:04:33 21 Q. Okay.

15:04:35 22 MR. SHERMAN: Could we mark this as

15:04:38 23 Exhibit 154.

15:04:38 24 (The document was marked as Exhibit 154

15:04:39 25 for identification.)

15:04:39 1 BY MR. SHERMAN:

15:04:40 2 Q. And if you scroll down to page 9, bottom right,

15:04:51 3 page 9, do you see your comment there where you wrote,

15:04:56 4 "Does SAVE allow you to check the Citizenship Certificate

15:04:58 5 Number or Naturalization Certificate Number? Our person

15:05:01 6 who does our SAVE check say these do not work, only the

15:05:06 7 Alien Registration Number works"?

15:05:07 8 A. Yes.

15:05:08 9 Q. And you wrote that; correct?

15:05:09 10 A. Yes.

15:05:10 11 Q. And that reflects what Celeste Audis told you?

15:05:14 12 A. Yes.

15:05:21 13 Q. Just to be clear, you don't have alien

15:05:25 14 registration numbers for all naturalized citizens in your

15:05:29 15 county; correct?

15:05:30 16 A. Correct.

15:05:36 17 Q. What is -- what does your office do if the SAVE

15:05:40 18 system search matches to a record reflecting a lack of U.S.

15:05:43 19 citizenship?

15:05:47 20 A. I -- I don't believe we've seen that. We -- we

15:05:51 21 may get a nonmatch if the person's name does not match with

15:05:55 22 the number. I don't believe we've ever seen it come up

15:06:01 23 saying, you know, this is a foreign national or -- or --

15:06:04 24 you know, or anything like that. It's -- if the -- if the

15:06:08 25 A-number doesn't match that person's name and date of

15:06:11 1 birth, I think it just comes up not a match.

15:06:15 2 Q. What do you do in those circumstances where you
15:06:17 3 get a nonmatch?

15:06:19 4 A. Well, then we would contact that registrant and
15:06:23 5 say, "You know, this didn't match." You know, they can
15:06:29 6 transpose numbers and things such as that.

15:06:32 7 And we try to find a different way or a good
15:06:35 8 alien registration number to see if we can verify their --
15:06:41 9 their citizenship.

15:06:44 10 Q. And do such individuals typically complete the
15:06:48 11 registration process ultimately? Are you able to work
15:06:50 12 through those issues?

15:06:51 13 A. Again, I believe so. We do not track how many
15:06:55 14 have or have not. You know, we can look at and see how
15:06:59 15 many people have not, you know, or listed as not
15:07:02 16 registered. But we have no way of tracking how many people
15:07:04 17 have actually fixed that registration form and become a
15:07:09 18 full-registered voter.

15:07:11 19 Q. To the best of your knowledge, when your office
15:07:13 20 has used SAVE system queries, you've either confirmed the
15:07:19 21 applicant's naturalization or just gotten no match at all?

15:07:23 22 A. Yes.

15:07:23 23 Q. Okay. And have you ever had to use USCIS's
15:07:28 24 alternative verification process?

15:07:31 25 A. I'm not even aware of the alternative verification

15:07:36 1 process.

15:07:37 2 Q. So you're not sure what steps you would need to

15:07:40 3 follow if the SAVE query returned information showing the

15:07:46 4 person was not a citizen at some point in the past?

15:07:50 5 A. No.

15:07:53 6 Q. Does the -- does your office have an agreement

15:07:57 7 directly with USCIS?

15:08:00 8 A. With the SAVE system, yes.

15:08:02 9 Q. Okay. Let's take a look at Exhibit O. You can

15:08:12 10 ignore the -- we could have removed, I guess, the Exhibit C

15:08:16 11 at the top here. That was your Exhibit C. But here it's

15:08:18 12 in your folder as Exhibit O.

15:08:20 13 A. Okay. Yes.

15:08:22 14 Q. Okay. What is this document?

15:08:24 15 A. That is the agreement between Yavapai County, the

15:08:29 16 secretary of state for reimbursing for SAVE usage.

15:08:34 17 MR. SHERMAN: Can we mark this as

15:08:38 18 Exhibit 155.

15:08:38 19 (The document was marked as Exhibit 155

15:08:38 20 for identification.)

15:08:38 21 BY MR. SHERMAN:

15:08:42 22 Q. And do you see under the "Recitals," Recital C

15:08:42 23 says, "The Parties desire for the County Recorders to have

15:08:46 24 access to the SAVE program for the purpose of verifying the

15:08:49 25 citizenship and immigration status information of

15:08:52 1 non-citizen and naturalized or derived U.S. citizen

15:08:56 2 registrants when they register to vote"?

15:08:58 3 Did I read that correctly?

15:08:58 4 A. Yes.

15:08:59 5 Q. Does this agreement only cover SAVE system usage

15:09:04 6 at the point of registration?

15:09:08 7 A. It covers it at the point where we are registering

15:09:14 8 them in our office.

15:09:16 9 Q. Does it cover the uses outlined in HB 2243 to

15:09:21 10 compare registered voters against the SAVE system?

15:09:25 11 MR. LANGHOFER: Form. Calls for a legal

15:09:28 12 conclusion.

15:09:28 13 THE WITNESS: No. It does not seem to.

15:09:32 14 BY MR. SHERMAN:

15:09:42 15 Q. If you return information in the SAVE system

15:09:44 16 showing that the person was not a U.S. citizen at some

15:09:47 17 point in the past, would you determine that that was

15:09:50 18 conclusive evidence that the person is not a U.S. citizen

15:09:54 19 in the present?

15:09:55 20 A. I don't believe the SAVE system would return that.

15:10:01 21 It tells us -- either it matches with their alien

15:10:05 22 registration number or it doesn't. That's -- it's A or B.

15:10:11 23 Q. That's been your experience. But hypothetically,

15:10:13 24 if an alien registration -- if querying a particular

15:10:17 25 A-number returned information that the person was a foreign

15:10:20 1 national, what would you do with that information?

15:10:26 2 A. I -- I would probably be talking to a lot of
15:10:28 3 people and wondering what exactly that was because it would
15:10:33 4 be incredibly unusual.

15:10:38 5 Q. Would you agree that SAVE can be used to confirm
15:10:41 6 naturalization but cannot be used to confirm a lack of
15:10:44 7 naturalization?

15:10:45 8 A. The way we use it, yes.

15:10:48 9 Q. HB 2243 would require you to compare all of your
15:10:58 10 county's voters whom you had reason to believe are not U.S.
15:11:00 11 citizens to the SAVE system on a monthly basis. Is that
15:11:04 12 practicable?

15:11:06 13 A. No.

15:11:07 14 MR. LANGHOFER: Form. Calls for a legal
15:11:13 15 conclusion.

15:11:13 16 THE WITNESS: And I did answer "no."

15:11:14 17 BY MR. SHERMAN:

15:11:15 18 Q. If we could take a look at Hiser Exhibit 77 again.
15:11:30 19 I don't have too much more.

15:11:32 20 A. Okay. We're doing fine.

15:11:36 21 Q. So we've looked at this before. If you could
15:11:38 22 scroll down to item 10(H) again.

15:11:42 23 Karen McCracken wrote -- additionally, on
15:11:45 24 Item 10(H), she wrote, "Also, how are we to compare all of
15:11:48 25 our registered voters to a federal database of millions

15:11:51 1 upon millions?"

15:11:54 2 Do you see that sentence?

15:11:55 3 A. Yes.

15:11:55 4 Q. And would it be possible to compare all of the

15:12:06 5 county's registered voters against the SAVE system?

15:12:11 6 A. Not without a lot more employees and, well, alien

15:12:15 7 registration numbers. So practicably, no.

15:12:19 8 Q. Thank you.

15:12:22 9 Could we take a quick look at Exhibit 79.

15:12:26 10 This is also from the Hiser deposition.

15:12:33 11 And do you see under the fourth bullet point

15:12:36 12 where Leslie Hoffman wrote: "When we check alien

15:12:39 13 registration numbers for naturalization through DHS,

15:12:42 14 we supply the number to check against their database. They

15:12:45 15 don't just provide their whole database to us and I highly

15:12:49 16 doubt that they would"?

15:12:50 17 A. Yes, I see that.

15:12:51 18 Q. Do you agree with that statement?

15:12:53 19 A. Yes.

15:12:54 20 Q. Both of these challenged laws refer to the

15:13:01 21 National Association for Public Health Statistics and

15:13:04 22 Information Systems. Do you have any familiarity with

15:13:06 23 them?

15:13:06 24 A. No.

15:13:08 25 Q. Have you ever heard of the Electronic Verification

15:13:13 1 of Vital Events database?

15:13:14 2 A. No.

15:13:15 3 Q. Have you ever used that database, or has your

15:13:19 4 office ever used that database?

15:13:20 5 A. No.

15:13:21 6 Q. Do you know if it can be used for U.S. citizenship

15:13:26 7 verification?

15:13:27 8 A. I do not know.

15:13:28 9 Q. Okay. Are you familiar with the Electronic

15:13:33 10 Registration Information Center?

15:13:33 11 A. Yes.

15:13:34 12 Q. Do you know if ERIC's data contains any U.S.

15:13:40 13 citizenship data?

15:13:41 14 A. Not that I know of.

15:13:43 15 Q. Is it possible to use ERIC for U.S. citizenship

15:13:47 16 verification?

15:13:47 17 A. I do not believe so.

15:13:49 18 Q. Do you have the ability to search or interface

15:13:53 19 with any other government databases with U.S. citizenship

15:13:56 20 data?

15:13:58 21 A. Only the MVD and then the SAVE system.

15:14:02 22 Q. Has your office been communicating with any other

15:14:05 23 person or entity regarding the use of any other database

15:14:07 24 for citizenship verification?

15:14:09 25 A. No.

15:14:10 1 Q. Do you see in the last bullet still on Exhibit 79
15:14:21 2 Leslie Hoffman wrote: "What city, town and federal
15:14:24 3 databases are they talking about that we are supposed to
15:14:27 4 run our voter rolls against? Do they know something about
15:14:30 5 people keeping track of us in citizenship status that we
15:14:33 6 don't?"

15:14:34 7 Do you share the -- does your office still
15:14:37 8 share the sentiment expressed in this bullet point?

15:14:41 9 A. Yes.

15:14:41 10 MR. LANGHOFER: Form

15:14:43 11 BY MR. SHERMAN:

15:14:44 12 Q. Has your office -- if these laws were to go into
15:14:48 13 effect, they would require comparing of voter registration
15:14:51 14 applicant or registered voters' information against many
15:14:56 15 different databases.

15:14:57 16 Has your office been provided any guidance
15:15:00 17 whatsoever on how you would resolve conflicting information
15:15:03 18 on citizenship from those different databases?

15:15:06 19 A. No.

15:15:08 20 Q. Just one other area I wanted to ask you about and
15:15:13 21 then I'll finish. My colleagues may have additional
15:15:16 22 questions.

15:15:18 23 If a registered voter is removed from the
15:15:21 24 rolls under HB 2243, based upon an erroneous determination
15:15:26 25 that they're not a U.S. citizen, can that voter be added

15:15:30 1 back to the rolls if the registration deadline has already
15:15:33 2 passed?
15:15:34 3 A. I don't know.
15:15:38 4 Q. Is that laid out anywhere in the EPM or elsewhere?
15:15:42 5 A. Not that I know of.
15:15:45 6 Q. So it could potentially vary from county to county
15:15:48 7 based on what folks are doing with that individual?
15:15:52 8 MR. LANGHOFER: Form.
15:15:53 9 THE WITNESS: It -- yes, it could. And I
15:15:58 10 believe it becomes, in the end, a judgment call from the
15:16:03 11 county recorder if someone was erroneously canceled, what
15:16:07 12 should happen with that.
15:16:08 13 BY MR. SHERMAN:
15:16:09 14 Q. So it would be a judgment call is your testimony?
15:16:11 15 A. I -- I believe so.
15:16:12 16 MR. LANGHOFER: Form.
15:16:13 17 BY MR. SHERMAN:
15:16:15 18 Q. Currently, if someone were erroneously identified
15:16:18 19 as having committed a felony -- excuse me. Let me rephrase
15:16:25 20 this.
15:16:25 21 If someone were erroneously identified as
15:16:28 22 having been convicted of a felony and therefor
15:16:30 23 disenfranchised under Arizona law, but the information
15:16:33 24 about the error didn't come out until after the
15:16:36 25 registration deadline, how would your office currently deal

15:16:39 1 with that situation?

15:16:42 2 A. Again, it would be a judgment call. I would

15:16:46 3 imagine the person would be restored to full-voting rights

15:16:52 4 if it was erroneous on our part that we -- we canceled a

15:16:58 5 voter who shouldn't have been canceled.

15:17:01 6 Q. But it would be a judgment call of each county

15:17:05 7 recorder's office?

15:17:05 8 A. I -- I believe it would be.

15:17:06 9 Q. Okay.

15:17:08 10 MR. SHERMAN: All right. Thank you very much

15:17:08 11 for your time, Mr. Webber. Other plaintiffs' counsel may

15:17:13 12 have questions for you, but I'm done. Thank you.

15:17:17 13 THE WITNESS: Thank you.

15:17:17 14

15:17:17 15 EXAMINATION

15:17:17 16 BY MR. ATKINS:

15:17:22 17 Q. Hi, Mr. Webber. My name is Alex Atkins, and I

15:17:24 18 represent plaintiffs Mi Familia and Voto Latino. I don't

15:17:30 19 have many questions for you, but I do have a few.

15:17:35 20 First of all, am I correct that in Arizona,

15:17:39 21 voters can register both using the state registration form

15:17:43 22 and the federal registration form?

15:17:46 23 A. Yes.

15:17:47 24 Q. And the federal form is the registration form that

15:17:55 25 states are required to accept and use to register voters

15:18:00 1 for federal elections under the NVRA; right?

15:18:03 2 A. Yes.

15:18:03 3 Q. And in Arizona, voters can be registered either as
15:18:14 4 federal-only voters or as full-ballot voters; is that
15:18:19 5 right?

15:18:19 6 A. Yes.

15:18:29 7 (An off-the-record discussion ensued.)

15:18:29 8 BY MR. ATKINS:

15:18:48 9 Q. What's the difference between a federal-only voter
15:18:51 10 and a full-ballot voter?

15:18:53 11 A. The difference, as far as registering goes, is a
15:18:59 12 proof of citizenship. Have they given us documentary proof
15:19:04 13 of citizenship? In the election, they would vote only for
15:19:08 14 those federal offices. They would not vote for state or
15:19:11 15 local offices or questions.

15:19:14 16 Q. Understood.

15:19:17 17 So is it fair to say that Arizona then has a
15:19:27 18 dual-registration system?

15:19:30 19 A. Yes.

15:19:33 20 Q. Now, and the dual-registration system hasn't
15:19:41 21 always been in place; correct?

15:19:43 22 A. That's correct.

15:19:45 23 Q. So when the dual-registration system was adopted
15:19:51 24 in Arizona, is it correct that there were already many
15:19:57 25 people who were registered to vote in Arizona who had not

15:20:00 1 shown any DPOC?

15:20:04 2 A. I believe so.

15:20:06 3 Q. And those voters would have been registered to

15:20:11 4 vote both in state and federal elections; correct?

15:20:13 5 A. Again, I believe so.

15:20:16 6 Q. And do you know -- when the dual-registration

15:20:21 7 system was adopted, those already-registered voters, were

15:20:25 8 they required to provide DPOC after the fact?

15:20:31 9 A. I do not believe so.

15:20:33 10 Q. But since the adoption of the dual-registration

15:20:40 11 system, if a registrant wants to be able to vote in all

15:20:45 12 elections, they must provide DPOC; correct?

15:20:50 13 A. Yes.

15:20:50 14 Q. Do you know if it is the case today in your county

15:20:57 15 that there are registered voters who are permitted to vote

15:21:02 16 a full ballot who have never provided any DPOC?

15:21:07 17 A. I don't know any specific examples, but I believe

15:21:10 18 we probably have many.

15:21:12 19 Q. And do you know approximately how many of those

15:21:18 20 voters are in Yavapai County?

15:21:21 21 A. No, I do not have a number.

15:21:23 22 Q. But you said you believe there's many?

15:21:26 23 A. Yes. I do believe we do have many.

15:21:30 24 Q. Do you know how many voters in your county are

15:21:34 25 currently registered as federal-only voters?

15:21:39 1 A. We had our last quarterly report on July 1st. We
15:21:47 2 had about 340. But that would be active and inactive
15:21:52 3 federal voters.

15:21:53 4 Q. And approximately how many registrants does the
15:21:58 5 county have in total?

15:22:00 6 A. We have about 187,000 active and inactive
15:22:06 7 registrants.

15:22:07 8 Q. Understood.

15:22:09 9 So it sounds like it's fair to say that the
15:22:12 10 federal-only voters make up a very small percentage of your
15:22:17 11 registrants?

15:22:17 12 A. Yes.

15:22:18 13 Q. So I'd like to talk a bit about your office's
15:22:35 14 current practices for handling registrations who use the
15:22:41 15 state form. And I understand that you've already testified
15:22:46 16 that your office has not implemented any aspect of HB 2492
15:22:55 17 or 2243. I'm only asking about what the office is
15:22:59 18 currently doing, not taking into account those laws.

15:23:05 19 So first of all, if an applicant submits a
15:23:14 20 state registration form and they provide adequate DPOC, but
15:23:19 21 they don't provide their place of birth, is it correct that
15:23:24 22 your office would still register that applicant to vote?

15:23:27 23 A. Yes.

15:23:28 24 Q. And that's because birthplace is not currently,
15:23:37 25 absent 2492, required to register to vote; correct?

15:23:42 1 A. Correct.

15:23:42 2 Q. And you understand that under HB 2492, a state

15:24:00 3 form applicant must include their place of birth or the

15:24:05 4 form cannot be accepted for registration; right?

15:24:07 5 A. Yes.

15:24:08 6 Q. Does your office have any means of accurately

15:24:14 7 confirming that the place of birth that a registrant

15:24:19 8 provides is correct?

15:24:21 9 A. No.

15:24:23 10 Q. Would your office be able to verify a person's

15:24:29 11 citizenship using their place of birth?

15:24:31 12 A. No.

15:24:32 13 Q. So is it fair to say that Yavapai County cannot

15:24:39 14 use birthplace information to determine whether an

15:24:43 15 applicant is qualified to vote?

15:24:46 16 A. Yes.

15:24:47 17 Q. And just to confirm, your office hasn't received

15:24:56 18 any guidance from the secretary of state about how to

15:25:01 19 implement the birthplace requirement; right?

15:25:03 20 A. Yeah. Not to my knowledge, no.

15:25:07 21 Q. Are you aware of any other state that requires

15:25:10 22 birthplace information in order to register a voter?

15:25:14 23 MR. LANGHOFER: Form; foundation.

15:25:18 24 THE COURT REPORTER: What was the answer?

15:25:18 25 THE WITNESS: No.

15:25:21 1

15:25:22 2

BY MR. ATKINS:

15:25:23 3

Q. Okay. Shifting gears a little bit, I'd like to

15:25:26 4

talk about the citizenship checkbox that appears on both

15:25:32 5

the state form and the federal form.

15:25:36 6

So first of all, the citizenship checkbox on

15:25:40 7

both forms has been in existence for a while; correct?

15:25:47 8

It's not a new --

15:25:48 9

A. Yes.

15:25:54 10

Q. And is it correct that your office follows the

15:25:58 11

2019 EPM when it comes to the citizenship checkbox?

15:26:04 12

A. Yes.

15:26:30 13

Q. If an applicant submits a state registration form

15:26:36 14

and they don't provide DPOC and they don't mark the

15:26:41 15

citizenship checkbox, but you're able to confirm their

15:26:46 16

citizenship via their driver's license number or an

15:26:51 17

A-number, for example, would you still register them to

15:26:55 18

vote?

15:26:56 19

A. Yes.

15:26:57 20

Q. So is it fair to say that completing the

15:27:02 21

citizenship checkbox is not necessary for your office to

15:27:07 22

confirm that an applicant is a citizen?

15:27:10 23

MR. LANGHOFER: Form.

15:27:12 24

THE WITNESS: In cases where we can have

15:27:18 25

evidence of citizenship through driver's license or alien

15:27:22 1 registration number, we would not need that to be checked.

15:27:25 2 BY MR. ATKINS:

15:27:26 3 Q. And to be clear, if a state form applicant

15:27:30 4 provided DPOC, you would not reject their application

15:27:36 5 simply for them failing to check the citizenship checkbox;

15:27:41 6 right?

15:27:41 7 A. No. No.

15:27:46 8 Q. Turning to federal form applicants, applicants who

15:27:53 9 complete the federal registration form establish their

15:27:58 10 citizenship by affirming their citizenship under penalty of

15:28:03 11 perjury on the federal form; correct?

15:28:06 12 A. Yes.

15:28:07 13 Q. And accordingly, if an applicant submits a federal

15:28:15 14 form and signs that citizenship affirmation, your office

15:28:21 15 has accepted such applications even if they fail to mark

15:28:26 16 the citizenship checkbox; right?

15:28:27 17 A. Yes.

15:28:28 18 Q. On either form -- state or federal -- what use, if

15:28:43 19 any, does your office make an applicant having checked the

15:28:51 20 citizenship checkbox?

15:28:53 21 A. The only use would be if we could not find

15:28:58 22 citizenship or weren't provided documentary proof of

15:29:02 23 citizenship on the state form. Because there's not the

15:29:05 24 attestation on the state form, we would need to have that

15:29:09 25 checked for them to attest that they are a citizen.

15:29:13 1 Q. And so if someone submitted a state form without
15:29:22 2 DPOC and without checking the checkbox, what would be your
15:29:27 3 protocol for handling that application?

15:29:30 4 A. We would send them the letter that said they need
15:29:34 5 to fill out that checkbox to make that attestation.

15:29:39 6 Q. Understood.

15:29:41 7 And you understand that under HB 2492, your
15:30:03 8 office would be required to reject both state and federal
15:30:07 9 forms if the applicant failed to check the citizenship
15:30:11 10 checkbox regardless of what other information they might
15:30:17 11 provide; right?

15:30:18 12 A. Yes.

15:30:18 13 Q. So if the citizenship checkbox becomes mandatory
15:30:25 14 under HB 2492, do you know if your office has any plans for
15:30:32 15 how they would change the processing of applications or the
15:30:37 16 review of the citizenship checkbox?

15:30:40 17 A. We don't have plans for that at this moment. But
15:30:44 18 we would have to, obviously, design some if that becomes
15:30:50 19 what we have to do.

15:30:52 20 Q. So shifting -- shifting away from the registration
15:31:01 21 applications, I just have a few more general questions.

15:31:07 22 First of all, you would agree with me --
15:31:10 23 right? -- that even prior to HB 2492 and 2243, it has been
15:31:18 24 illegal for a person who is not a U.S. citizen to register
15:31:21 25 to vote in Arizona?

15:31:23 1 A. Yes.

15:31:24 2 Q. And would you also agree that there are existing
15:31:29 3 policies, laws, or procedures in place to prevent
15:31:33 4 noncitizens from voting?

15:31:35 5 A. Yes.

15:31:37 6 Q. And isn't it a felony in Arizona for a person to
15:31:45 7 register when they know they're not entitled or qualified
15:31:49 8 to register?

15:31:50 9 A. Yes.

15:31:53 10 Q. Is it correct that you are not aware of any
15:32:07 11 instances of noncitizens registering or voting in Yavapai
15:32:14 12 County?

15:32:14 13 A. Yes, I am not aware of any.

15:32:18 14 Q. And you're not aware of any documents or
15:32:23 15 communications in your office's possession that pertain to
15:32:29 16 alleged instances of noncitizen registration or voting?

15:32:33 17 A. Yeah, I am not aware of any.

15:32:36 18 Q. All right. Finally, I just have a few questions
15:32:43 19 about voting by mail in Arizona.

15:32:48 20 So first of all, in Arizona, absentee ballots
15:32:53 21 are referred to as early ballots; right?

15:32:55 22 A. Yes.

15:32:56 23 Q. And currently, Arizona allows all registered
15:33:02 24 voters to vote by early ballot; right?

15:33:05 25 A. No. A federal-only voter who has not proven their

15:33:10 1 identity will have to vote the first time at a polling
15:33:15 2 place to prove their identity.

15:33:19 3 Q. Understood.

15:33:20 4 But with the exception of that kind of
15:33:26 5 limited pool of first-time voters, aside from that
15:33:34 6 exception, all registered voters are permitted to vote
15:33:37 7 early by mail; correct?

15:33:38 8 A. Yes.

15:33:40 9 Q. And do you know how long that's been the case?

15:33:45 10 A. No, I don't actually have the number of years that
15:33:51 11 it's been in place. I know it's been quite a long time.

15:33:58 12 Q. And the right to vote by an early ballot has not
15:34:05 13 historically depended on which registration form an
15:34:10 14 applicant used; right?

15:34:11 15 A. Correct.

15:34:13 16 MR. LANGHOFER: Form.

15:34:18 17 BY MR. ATKINS:

15:34:19 18 Q. And -- and, you know, similarly, any registered
15:34:26 19 voter can request to be put on the early active voting list
15:34:31 20 regardless of which form they use to register; right?

15:34:35 21 MR. LANGHOFER: Form.

15:34:36 22 THE WITNESS: Yes.

15:34:38 23 BY MR. ATKINS:

15:34:40 24 Q. And if a voter is on the active early voting list,
15:34:45 25 does that mean that they're automatically sent a ballot by

15:34:48 1 mail for each election for which they're eligible without
15:34:53 2 having to request it each time?

15:34:54 3 A. Yes.

15:34:55 4 MR. LANGHOFER: Form.

15:34:56 5 BY MR. ATKINS:

15:34:58 6 Q. And those voters stay on the active early voting
15:35:02 7 list unless they fail to vote in two subsequent elections;
15:35:07 8 right?

15:35:08 9 MR. LANGHOFER: Form. Calls for a legal
15:35:09 10 conclusion.

15:35:09 11 THE WITNESS: Yes. Unless they remove
15:35:13 12 themselves.

15:35:14 13 BY MR. ATKINS:

15:35:17 14 Q. Is it fair to say that voting by early ballot by
15:35:21 15 mail is commonly used in Arizona?

15:35:26 16 A. Yes.

15:35:28 17 Q. Most Arizonans vote via mail; right?

15:35:33 18 A. I can't speak to all Arizonans. The vast majority
15:35:37 19 of Yavapai County voters vote by mail.

15:35:41 20 Q. Do you happen to know roughly what percentage of
15:35:45 21 Yavapai County voters voted by early ballot in 2022?

15:35:51 22 A. I -- I believe it was over 80 percent. I don't
15:35:56 23 have the exact number, but it was a high number.

15:36:01 24 Q. Based on your experience as a Yavapai County
15:36:08 25 election official, are there benefits to voters being able

15:36:13 1 to vote early by mail?

15:36:16 2 A. I believe so, yes.

15:36:18 3 Q. Can you elaborate on what those benefits are?

15:36:24 4 A. They get to have their ballot at home and can look

15:36:28 5 at all the things on the ballot and study them, research

15:36:32 6 them, and then fill it out and -- at their leisure instead

15:36:39 7 of trying to -- especially our longer ballots -- trying to

15:36:42 8 get through it all, you know, at a vote center where it may

15:36:46 9 be quite busy and they might feel pressure to do that.

15:36:50 10 It's also convenience for them. And some

15:36:55 11 people don't want to go and stand in line and do those

15:36:59 12 things or -- and may not be capable of doing so. So those

15:37:03 13 are some of the major benefits of voting by mail.

15:37:09 14 Q. So someone who votes early by mail, they don't

15:37:14 15 even need to figure out where their polling place is;

15:37:20 16 right?

15:37:20 17 A. No. Yeah, they don't need that.

15:37:22 18 Q. And early ballots in Yavapai County have prepaid

15:37:28 19 return postage; right?

15:37:29 20 A. Yes.

15:37:30 21 Q. So an early voter can simply fill out their ballot

15:37:36 22 and drop it in the mail, and their ballot's effectively

15:37:42 23 been cast; right?

15:37:42 24 A. Yes. Once we've received it.

15:37:46 25 Q. You mentioned that some voters might not have the

15:37:49 1 ability to vote at a polling place. Why would someone be
15:37:56 2 unable to vote in person at a polling place?

15:37:59 3 A. Well, I think it would be -- it's easier for some
15:38:02 4 people not to go to the voting place. I -- I can't say
15:38:06 5 that they could not vote at the voting place. But I think
15:38:10 6 it would be much easier on them if they have mobility
15:38:14 7 issues and things that they may choose to vote by mail
15:38:17 8 instead.

15:38:20 9 Q. And it's the case that sometimes voters are out of
15:38:23 10 the county or out of the state when it's election day;
15:38:28 11 correct?

15:38:28 12 A. Correct.

15:38:31 13 Q. So is it fair to say that another advantage of
15:38:33 14 voting early by mail is not having to be physically in the
15:38:38 15 county on election day?

15:38:40 16 A. Yes.

15:38:47 17 Q. Do you understand that under HB 2492, voters who
15:38:51 18 fail to provide DPOC will not be permitted to vote early by
15:38:58 19 mail?

15:38:59 20 A. Yes.

15:39:00 21 Q. And so under 2492, a voter who fails to provide
15:39:09 22 DPOC, they would lose all the benefits we've discussed of
15:39:14 23 voting early by mail; correct?

15:39:16 24 A. Yes.

15:39:22 25 MR. ATKINS: Thank you very much. That's all

15:39:23 1 the questions I have.

15:39:29 2 MR. MESSER: I think I'm up next, Mr. Webber.

15:39:31 3 But before I dive in -- we've been going another hour or
15:39:33 4 so. Do you need a break, or are you okay pressing forward?

15:39:33 5 THE WITNESS: I'm doing okay, surprisingly.

15:39:39 6 MR. MESSER: Okay. If that changes at any
15:39:40 7 point, just let me know. I'm happy to let you take a break
15:39:43 8 for a drink of water or something.

15:39:43 9

15:39:43 10 EXAMINATION

15:39:45 11 BY MR. MESSER:

15:39:45 12 Q. It's been a long time now, but I mentioned earlier
15:39:48 13 my name is Josh Messer. I represent the Tohono O'odham
15:39:51 14 Nation, the Gila River Indian Community, and several
15:39:54 15 individuals. It's nice to meet you this afternoon. Thank
15:39:56 16 you for taking the time.

15:39:58 17 Can you hear me okay?

15:39:59 18 A. Yes.

15:40:00 19 Q. Okay.

15:40:03 20 MR. MESSER: And, Cindy, can you hear me
15:40:04 21 okay?

15:40:04 22 THE COURT REPORTER: Yes.

15:40:04 23 MR. MESSER: Perfect.

15:40:07 24 BY MR. MESSER:

15:40:07 25 Q. I have a fairly discrete set of questions about

15:40:12 1 someone who's a registrant -- or applying to register to
15:40:14 2 vote's residential address and the documentary proof of
15:40:18 3 location of residence requirement that you -- that you
15:40:20 4 mentioned earlier. So I'll -- we'll start at the beginning
15:40:23 5 of the process.

15:40:25 6 Does an applicant need to provide their
15:40:27 7 residential address in order to register to vote?

15:40:30 8 A. The registrant needs to give us information on
15:40:34 9 where they reside, whether it's an actual standardized
15:40:41 10 address or something else where we can put them in the
15:40:43 11 right precinct and split so we can get them the right
15:40:47 12 ballot.

15:40:47 13 Q. What is something else if it's not a standardized
15:40:51 14 residential address?

15:40:52 15 A. It may -- it may be a parcel number. It may be a
15:40:57 16 latitude, longitude. It could be a Google Plus code. You
15:41:03 17 know, and we will take any of those where we can actually
15:41:07 18 locate where the person is and get them registered.

15:41:14 19 Q. Could a -- could an applicant provide, like, a
15:41:19 20 description of where their residence is on their
15:41:22 21 application form?

15:41:23 22 A. There is a place on the paper form to do that.
15:41:28 23 And we accept that if, again, given that map or
15:41:33 24 description, we can actually locate where they're at.

15:41:36 25 Q. All right. So we'll take the next set of

15:41:44 1 questions in sort of two -- two phases: one, if they
15:41:46 2 provide a standardized residential address or just
15:41:49 3 residential address, and then if they provide a
15:41:52 4 description.

15:41:53 5 On the residential address, does a P.O. box
15:41:58 6 satisfy the residential address requirement?

15:41:59 7 A. No.

15:42:01 8 Q. How does the county recorder's office use the
15:42:06 9 residential address as part of this voter registration
15:42:09 10 application?

15:42:10 11 A. We take the voter -- the address and it -- it goes
15:42:14 12 into our system, which we have all the standardized county
15:42:23 13 addresses in our system. And if it matches up to one, then
15:42:26 14 that will automatically put them in the precinct and split,
15:42:29 15 and those various districts they get to vote in. And so we
15:42:32 16 assign them that for their balloting purposes.

15:42:37 17 Q. What if it doesn't match something in the
15:42:40 18 database?

15:42:41 19 A. Well, there's a number of things that we will do.
15:42:45 20 We will look into our GIS system and see if there's a
15:42:50 21 person of that name. And, you know, did they transpose a
15:42:54 22 number? Did they do something? And -- and look and see if
15:42:59 23 we can actually locate them.

15:43:01 24 We'll also look if -- if it just doesn't
15:43:03 25 match our -- you know, matches a road in a direction and

15:43:08 1 everything but the number is off, we may look in the USPS
15:43:13 2 to see do they have a -- that mailing address is something
15:43:16 3 that might be the same location but not match what we have
15:43:21 4 in our county database. And that does happen from time to
15:43:24 5 time.

15:43:26 6 If it's -- again, if it's a more rural area,
15:43:32 7 you know, then -- then we have to look at descriptions and
15:43:36 8 those types of things. It could be -- in our situation, we
15:43:41 9 have a very large rural area that has phases and then lots
15:43:47 10 and, you know, what phase, what lot, and those types of
15:43:50 11 things. And we can locate people that way.

15:43:53 12 And again, sometimes they'll put a latitude
15:43:56 13 and longitude or a Google Plus code and, you know, those
15:44:00 14 types of things. As long as we determine where they're at,
15:44:03 15 we will register them.

15:44:05 16 Q. How often does it come up that someone's
15:44:12 17 residence -- the address they provide on the application
15:44:15 18 form doesn't match something in the database and you have
15:44:17 19 to take these extra steps?

15:44:19 20 A. It happens several times a day.

15:44:23 21 Q. Can you quantify that as a percentage of
15:44:29 22 applications?

15:44:30 23 A. I don't have hard enough numbers on it to do a --
15:44:35 24 do the math on it to give you a percentage. But we do get
15:44:39 25 some every day. Probably out of -- out of 100, we'll get a

15:44:44 1 couple that we have to do a little extra work on.

15:44:48 2 Q. And how much is a little extra work? Or in other
15:44:56 3 words, how much effort do you put in to trying to find
15:45:00 4 someone if their address doesn't match up with something
15:45:03 5 that's already in the database?

15:45:05 6 A. Again, it depends. Sometimes they're easy to
15:45:09 7 match up, and it doesn't take very long at all, and we
15:45:12 8 stop.

15:45:13 9 But we will go through the entire process of
15:45:15 10 looking them up in our GIS, looking up the USPS. I mean,
15:45:19 11 we will look at Google Street View. We will, you know, do
15:45:24 12 all the things that we have and we can do. And if we can't
15:45:29 13 finally match them, that's when we will send them the
15:45:33 14 letter that says we have no idea where you actually live.

15:45:36 15 Q. And I think you jumped to my next question.

15:45:39 16 So once you've gone through all these --
15:45:41 17 these extra efforts, you send the applicant a letter
15:45:45 18 saying, "We can't locate your residence address"?

15:45:48 19 A. Yes.

15:45:48 20 Q. And where do you send that letter?

15:45:50 21 A. To their mailing address.

15:45:53 22 Q. And is that -- or can that be different from their
15:45:57 23 residential address?

15:45:57 24 A. Yes.

15:45:58 25 Q. Do you have a sense of how often those follow-up

15:46:05 1 letters are returned as undeliverable or returned to your
15:46:09 2 office for some other reason?

15:46:11 3 A. I -- I don't have a percentage. I know that there
15:46:16 4 are some, not too many. But there will be some that will
15:46:20 5 be returned undeliverable. We get -- if we have --
15:46:25 6 sometimes someone will put an address down in a rural area
15:46:31 7 that we know does not give residential service from the
15:46:35 8 USPS, and they won't put down a P.O. box. And we pretty
15:46:40 9 much know that letter will -- will be coming back. We'll
15:46:44 10 send it anyway. And hopefully, maybe it will get there.
15:46:48 11 But -- but we do see that. But not too often.

15:46:53 12 Q. On these circumstances where they're in a more
15:46:56 13 rural area where you know or are pretty sure that the
15:46:59 14 letter is not going to get to them because there's not USPS
15:47:04 15 service or -- for whatever reason, are there any other
15:47:05 16 steps that your office takes to notify the voter that their
15:47:10 17 residence address isn't matching up with your databases?

15:47:12 18 A. Well, if they have a phone number or an email
15:47:15 19 address, we'll use that to try to contact them.

15:47:18 20 Q. Do you do that in addition to sending the letter,
15:47:23 21 or only if the letter doesn't work in the first --

15:47:26 22 A. Basically if the letter doesn't work.

15:47:31 23 Q. And if after all this process you've gone through
15:47:41 24 searching through the database, you sent the letter, you
15:47:44 25 followed up through other means, if those are available, if

15:47:47 1 you still don't hear from the voter or the voter doesn't
15:47:50 2 provide information confirming where their residence
15:47:54 3 address is, will that voter ultimately be registered?

15:47:57 4 A. No. They -- at the time when have -- we do the
15:48:01 5 initial processing and if we can't find them, they're
15:48:07 6 placed in suspense. And waiting verification is the
15:48:09 7 reason. And they will remain in that status until that
15:48:14 8 issue is cleared up.

15:48:16 9 Q. And if they do get back in touch with you and
15:48:18 10 they're able to confirm, "Yes, this is where I live," does
15:48:24 11 your office update a database? Or how does at that play
15:48:28 12 into the broader system?

15:48:29 13 A. Well, we -- we would take the -- the registrant
15:48:33 14 and make them an active, valid registrant. And if you --
15:48:39 15 and in our county, most of the time it's a parcel number
15:48:42 16 just because of the way our county is. But we would
15:48:45 17 actually put -- drop a pin on our map where they're at and
15:48:52 18 mark that as in some way where -- again, usually it's the
15:48:57 19 parcel number where we know we can go right back to it.

15:49:01 20 Q. And is the map your GIS system or is it a --

15:49:04 21 A. No. The map is -- is called TotalAddress. It's
15:49:09 22 part of our AVID voter registration system. The address
15:49:13 23 points do come from our GIS and are imported into it.

15:49:18 24 Q. Thank you.

15:49:19 25 So now we'll shift gears a little bit to sort

15:49:38 1 of the other method of figuring out where someone lives.

15:49:41 2 We were talking about them providing an address.

15:49:43 3 You also -- we also earlier discussed them
15:49:45 4 providing a description of their location. So how does
15:49:48 5 your office make use of a description of the location of
15:49:52 6 someone's residence?

15:49:54 7 A. Well, again, it's the more descriptive, the easier
15:49:58 8 it is. It may be coming to looking at a map and going,
15:50:03 9 okay, you know, three miles down this road. And, you
15:50:07 10 know -- and if there's landmarks and those types of things,
15:50:12 11 we -- we will try to do that.

15:50:16 12 And it's actually sometimes, when we call
15:50:18 13 people or they call us, we will go through on a map. You
15:50:23 14 know, have a -- like a satellite map and go: "All right.
15:50:27 15 You're down over by here. All right. Let's -- you're on
15:50:29 16 this road. Which way do you go?" And we go find actually
15:50:32 17 the place where they live.

15:50:34 18 So sometimes it does take actually talking to
15:50:38 19 people. And we will sometimes send them a satellite map of
15:50:41 20 an area if we think it's -- you know, it's somewhere in
15:50:45 21 here, but we have no idea which one it is and let them
15:50:49 22 maybe mark a parcel.

15:50:51 23 Q. And when you say send them -- send them a map -- a
15:50:53 24 satellite map, are you sending that through mail?

15:50:57 25 A. Usually it's mail. But we can -- if we have an

15:51:01 1 email, we can email it too.

15:51:02 2 Q. And is that -- I think you gave an example of sort
15:51:06 3 of what a description would look like. "It's three miles
15:51:09 4 down this road but past this landmark."

15:51:11 5 Are there other descriptions that your office
15:51:13 6 has seen when people provide a description rather than an
15:51:17 7 address?

15:51:17 8 A. Sometimes they will draw a -- sometimes a very
15:51:24 9 poor map that doesn't work very well for us.

15:51:28 10 They will go, you know, "Up Highway 89 six
15:51:31 11 miles, and then you're going to just take this road." And
15:51:35 12 they kind of just do a squiggly line and put an X. And
15:51:41 13 that's -- that's difficult unless their name is on the
15:51:44 14 property and we can figure that out.

15:51:47 15 Q. In the circumstances where some -- an applicant
15:51:53 16 provides a description of where they live, how often are
15:51:57 17 you able to ultimately, you know, identify where they live
15:52:00 18 and register that -- move that voter into the active voter
15:52:04 19 list?

15:52:05 20 A. Again, it just depends on the description. If
15:52:09 21 they provide -- obviously, if they provide you something
15:52:13 22 very specific, we have a very good shot at doing it. The
15:52:17 23 less specific it is, the less chance we have of finding
15:52:23 24 that in that initial pass.

15:52:25 25 We don't have statistics on it, you know, but

15:52:30 1 again, it's very reliant on what information we get.

15:52:38 2 Q. Does it also turn on how rural that particular
15:52:44 3 applicant is? In other words, are there parts of the
15:52:48 4 county where it's harder to be specific with a description
15:52:50 5 of where somebody lives?

15:52:53 6 A. I don't think so. The roads generally have names.
15:52:59 7 And again, we get into an area and -- and all of our
15:53:04 8 nongovernmental land has -- has individual parcel numbers.
15:53:11 9 And then governmental land, like forest service land stuff,
15:53:16 10 will generally be larger parcels.

15:53:19 11 We actually have one registrant on a -- we --
15:53:23 12 we put the baseline and meridian, you know, what -- what
15:53:29 13 township and all that kind of stuff in -- as their address.
15:53:31 14 So -- but most of the time, it's a parcel number for us.
15:53:35 15 We're fortunate in that way in Arizona for -- for our part
15:53:38 16 of Arizona that we have that.

15:53:40 17 Q. And when you get an application that uses a
15:53:45 18 description of location of residence rather than an
15:53:48 19 address, how often does that description match what that
15:53:53 20 person might have on their driver's license or whatever
15:53:56 21 other identifying documentation they're registering with?

15:54:00 22 A. Many times it's -- actually, if it comes out of
15:54:05 23 the electronic system from ServiceArizona, it will be
15:54:08 24 exactly what's on their driver's license.

15:54:11 25 But sometimes it's close. And again,

15:54:19 1 sometimes we may have something completely different. They
15:54:23 2 maybe have not changed their driver's license yet if they
15:54:26 3 moved from one location to another and submitted the paper
15:54:32 4 form. So it's, again, very dependent on that application.

15:54:39 5 Q. Excuse me. But in some cases, do you see examples
15:54:42 6 where someone provides a description of their residence,
15:54:47 7 "the third house past the second right on this road," and
15:54:50 8 that's also how they define their address on their driver's
15:54:54 9 license?

15:54:54 10 A. Usually not in that detail on the driver's
15:54:59 11 license. I think it's space. I mean, but you will have
15:55:04 12 some that's like, you know, five miles down this road on
15:55:08 13 the right, you know. So that's -- you can see --

15:55:15 14 And again, if we can locate it, we'll drop
15:55:19 15 our point. And a lot of times, we will tell the person,
15:55:22 16 "It's this parcel," and we'll tell them what parcel number
15:55:25 17 it is so they have that for future reference.

15:55:29 18 Q. And this is not just your office but your
15:55:34 19 knowledge about the broader county apparatus. Do you know
15:55:38 20 if there's a county department that provides addresses for
15:55:43 21 residences that don't already have them?

15:55:46 22 A. Yes. And so in cities and towns, the city and
15:55:50 23 towns take care of that.

15:55:52 24 If it's outside of a city and town, our
15:55:54 25 county development services can provide people addresses.

15:55:58 1 They generally -- I believe they apply for an address.

15:56:03 2 They would like to have a road named. Some roads aren't

15:56:07 3 named. But they'll want to have a road named or address

15:56:09 4 number assigned, and they will do that.

15:56:12 5 Q. Do you have a sense of how long it takes to get an
15:56:17 6 address assigned after someone applies?

15:56:20 7 A. I do not.

15:56:23 8 Q. And does your office have any role in that process
15:56:32 9 in assigning an address to somebody?

15:56:34 10 A. No.

15:56:35 11 Q. Do you know whether voter registration is lower in
15:56:51 12 the native communities -- Native American communities in
15:56:53 13 Yavapai County versus the rest of the county?

15:56:56 14 A. I do not know.

15:56:58 15 Q. Does your office do -- have any particular efforts
15:57:03 16 focused or aimed at increasing voter registration in the
15:57:07 17 Native American community?

15:57:08 18 A. Not specifically, no.

15:57:11 19 Q. And I -- by "not specifically," do you mean you
15:57:14 20 have more general voter registration campaigns that
15:57:17 21 target --

15:57:18 22 A. We -- we have -- you know, we put out information
15:57:22 23 for people to register and when elections are and those
15:57:27 24 types of things.

15:57:29 25 Both of our native communities -- well, one

15:57:33 1 is just -- it's about a mile here from where I'm sitting.
15:57:38 2 So it's in Prescott itself. And the other one is right in
15:57:42 3 the middle of the Verde Valley.

15:57:44 4 We don't have the big rural areas of
15:57:48 5 reservation land that some counties have. That's not what
15:57:53 6 we have in Yavapai County.

15:57:55 7 Q. And I -- corollary to that, do you have a sense of
15:57:59 8 how many native voters have nonstandard addresses or would
15:58:06 9 provide a description of their location of residence versus
15:58:10 10 an actual residential address?

15:58:13 11 A. We have on both the -- here in Prescott and over
15:58:19 12 by Camp Verde, they have assigned street addresses in those
15:58:23 13 areas. So it's not really an issue. Every once in a
15:58:27 14 while, you may have someone moving onto a place that --
15:58:31 15 that doesn't have -- they haven't assigned an address yet.
15:58:35 16 And then we will have -- you know, we will find where
15:58:38 17 that's at and drop our point.

15:58:41 18 Q. I think those are my background questions.

15:58:46 19 I'd like to shift to talking about HB 2492,
15:58:51 20 which I know you've answered a lot of questions about
15:58:53 21 today. So you should be very familiar with it by now.

15:58:57 22 A. Okay.

15:58:57 23 Q. For the record, this was also Petty Exhibit 19.

15:59:03 24 And, Mr. Webber, if I could have you turn to
15:59:07 25 page 5 -- well, it's page 5 in my version. I hope it's

15:59:11 1 page 5 in your version.

15:59:13 2 A. The 16-123?

15:59:16 3 Q. Exactly, yes.

15:59:18 4 A. Okay.

15:59:23 5 Q. Mr. Atkins was asking you about the distinction
15:59:27 6 between federal and state form voters. Do you remember
15:59:28 7 that?

15:59:29 8 A. Yes.

15:59:30 9 Q. Do you have an understanding of whether this
15:59:33 10 specific Section 16-123 would apply to both federal form
15:59:39 11 and state form voters?

15:59:42 12 MR. LANGHOFER: Form. Calls for a legal
15:59:43 13 conclusion.

15:59:50 14 THE WITNESS: I don't -- it doesn't seem to
15:59:58 15 vary upon what form, so not -- not to my knowledge. I
16:00:05 16 don't think they're -- they would treat forms any
16:00:07 17 differently.

16:00:10 18 BY MR. MESSER:

16:00:10 19 Q. So to your knowledge then, based on that, would it
16:00:14 20 -- earlier, when you were discussing with Mr. Atkins, you
16:00:17 21 discussed the sort of two-track approach: Those who
16:00:21 22 completed the federal form without documentary proof of
16:00:24 23 citizenship were able to vote in federal elections only;
16:00:28 24 those who did provide documentary proof of citizenship
16:00:32 25 could vote in all elections. Do you remember that?

16:00:36 1 A. Yes.

16:00:36 2 Q. Is it your understanding then that 16-123 would
16:00:39 3 create a similar sort of two-tracking where those who
16:00:44 4 registered but didn't provide documentary proof of
16:00:46 5 residence would be eligible to vote in federal elections
16:00:49 6 but not state elections?

16:00:51 7 MR. LANGHOFER: Same objection.

16:00:54 8 THE WITNESS: I do not know if -- because we
16:01:02 9 haven't applied this -- would we actually register that
16:01:05 10 person or put them in suspense where they would not be
16:01:08 11 registered to vote without that documentary proof.

16:01:12 12 BY MR. MESSER:

16:01:15 13 Q. Okay.

16:01:15 14 A. It seems to be independent of citizenship in my
16:01:18 15 reading of it, although, again, we haven't applied it and
16:01:22 16 dug deep so . . .

16:01:24 17 Q. And I realize now that I've done this a little bit
16:01:26 18 out of order.

16:01:27 19 I was talking about documentary proof of
16:01:30 20 residence. Do you know what I mean when I say that?

16:01:33 21 A. Yes.

16:01:33 22 Q. And what's your understanding of documentary proof
16:01:35 23 of residence?

16:01:36 24 A. That they would have to provide some documentation
16:01:41 25 that they actually live, you know, where they have put --

16:01:46 1 placed on their registration form.

16:01:51 2 And we -- I think when we looked at it, we

16:01:55 3 felt that, like, if they have their Arizona driver's

16:01:58 4 license, they would be fine. Or an Arizona identification

16:02:01 5 card, they would be fine. You know, they may have to

16:02:05 6 provide some type of bill or something like that to show,

16:02:11 7 you know, where they live.

16:02:14 8 We had a list of documents. I can't quote

16:02:16 9 them off the top of my head. But things that would be

16:02:19 10 proof. And I believe it's in part of the statute.

16:02:23 11 Q. And when you say "when we looked at it," who do

16:02:27 12 you mean?

16:02:27 13 A. Myself, the county recorder, and the deputy county

16:02:36 14 recorder.

16:02:36 15 Q. And I think you also mentioned a "they" in terms

16:02:42 16 of providing guidance or feedback. Do you know who

16:02:46 17 "they" was, or can you tell me who "they" is?

16:02:50 18 A. If we're looking for guidance, I mean, it could

16:02:54 19 come from -- from a court. It could come from the

16:03:00 20 Secretary of State's Office, you know, about what would be

16:03:05 21 and wouldn't be, you know, in their opinion what is

16:03:11 22 acceptable documentary proof of citizenship.

16:03:14 23 We started off -- and we didn't get very far

16:03:17 24 with it because we just stopped because we weren't going to

16:03:21 25 put it into effect. But we started with actually part of

16:03:25 1 our ID requirements for -- for going to a vote center and
16:03:31 2 what -- what's a good idea and a good ID to go and vote and
16:03:37 3 started to base it off of that.

16:03:39 4 Q. And what were some of those examples?

16:03:42 5 A. Well, it may be, you know, you could have a
16:03:52 6 different government issued ID that had the address on it.
16:03:54 7 Or you had an ID and some type of utility bill or something
16:04:00 8 addressed to that house from voter registration.

16:04:05 9 Or again, there were a number of different
16:04:07 10 things. Off the top of my head, I -- I couldn't get them
16:04:10 11 to you. I think they're probably in some of our production
16:04:12 12 documents somewhere. But yeah.

16:04:16 13 Q. Have you received guidance from the Secretary of
16:04:19 14 State's Office on what some of the documents that would
16:04:22 15 satisfy 16-123 are?

16:04:25 16 A. I believe there was one document that came out and
16:04:31 17 discussing it quite early after it had passed. It wasn't
16:04:37 18 really a guidance document. I think it was more of "let's
16:04:41 19 look at this to see whether this" -- you know, to begin
16:04:45 20 maybe providing something that make a guidance document.
16:04:50 21 And again, I believe it's in the production somewhere.

16:04:53 22 Q. And I think you're right. So if I could have you
16:04:56 23 look at Petty Exhibit -- oh, gosh -- 24.

16:05:05 24 A. Let me find that. Petty 24.

16:05:22 25 Q. It should have a cover page that says "Exhibit J."

16:05:25 1 A. Yes. Yes.

16:05:26 2 Q. Then the second page is a chart. Do you see that?

16:05:30 3 A. Yes.

16:05:31 4 Q. Is that the document you remember?

16:05:31 5 A. Yeah, I believe it was part of a larger document.

16:05:37 6 And it actually went over two pages, if I remember when I

16:05:40 7 saw it, but I could be wrong on that. But that's -- I

16:05:44 8 think it was part of a larger discussion of a number of

16:05:49 9 different things for different bills that had passed.

16:05:52 10 Q. But is this the -- oh, I'm sorry. I didn't mean

16:05:54 11 to cut you off.

16:05:55 12 A. No. But this was the chart that was in that

16:05:58 13 document.

16:05:59 14 Q. Okay. Thank you.

16:06:00 15 So I think we've touched on a few of these,

16:06:05 16 but I just want to walk through some of them quickly.

16:06:09 17 Both you and the chart mention that an

16:06:12 18 Arizona driver's license would work to satisfy the

16:06:15 19 documentary proof of residence requirement; correct?

16:06:17 20 A. Yes.

16:06:17 21 Q. Do you know whether driver's licenses can list

16:06:22 22 P.O. boxes rather than a residence address?

16:06:25 23 A. Yes, they can list P.O. boxes.

16:06:28 24 Q. So would a driver's license that lists a P.O. box

16:06:33 25 still work to satisfy 16-123?

16:06:38 1 A. That I would have to look at more specifically.
16:06:42 2 It would seem like it should not because -- well, for the
16:06:46 3 obvious reason, because it's not a residence address. But
16:06:50 4 I'd have to look specifically at the language whether it
16:06:54 5 actually required it to have a residential address. And I
16:06:58 6 don't remember off the top of my head.

16:07:02 7 Q. There's also the -- from the "Copy of valid,
16:07:08 8 unexpired AZDL" cell down, it also lists "Tribal
16:07:12 9 identification card, census card, tribal ID card, tribal
16:07:17 10 enrollment card." Do you see that?

16:07:18 11 A. Yes.

16:07:18 12 Q. If you go to the right, in the bottom of that box,
16:07:21 13 it says, "Pursuant to Gonzalez, a tribal ID does not
16:07:25 14 require an address be listed." Do you see that?

16:07:27 15 A. Yes.

16:07:29 16 Q. Do you -- are you familiar with the Gonzalez
16:07:33 17 stipulation?

16:07:33 18 A. Yes, I am.

16:07:34 19 Q. And under that stipulation, do tribal IDs have to
16:07:40 20 list residential address to be accepted valid forms of ID
16:07:45 21 to register to vote?

16:07:47 22 MR. LANGHOFER: Form. Calls for a legal
16:07:49 23 conclusion.

16:07:49 24 THE WITNESS: No, they do not.

16:07:49 25 BY MR. MESSER:

16:07:56 1 Q. So would a -- in your opinion, does a tribal ID
16:07:58 2 card that doesn't list a residence address satisfy 16-123?

16:08:04 3 MR. LANGHOFER: Same objection.

16:08:06 4 THE WITNESS: I don't know. I don't know.

16:08:09 5 BY MR. MESSER:

16:08:30 6 Q. And if -- the very bottom cell says, "Written
16:08:34 7 confirmation signed by the registrant that they qualify to
16:08:37 8 register" -- "that they qualify to register pursuant to
16:08:40 9 16-166(B) (providing an address at a homeless center; USPS
16:08:45 10 General Delivery; Courthouse."

16:08:47 11 Do you see that?

16:08:48 12 A. Yes.

16:08:48 13 Q. Is that essentially someone signing a declaration
16:08:51 14 that they reside in the county and are able to vote; they
16:08:56 15 just might be experiencing homelessness?

16:08:59 16 A. I believe so, yes.

16:09:00 17 Q. And has your office drafted a version of that
16:09:04 18 declaration?

16:09:05 19 A. No.

16:09:06 20 Q. Is that something your office would draft?

16:09:10 21 A. Quite possibly, yes.

16:09:12 22 Q. Is it something that might come from the secretary
16:09:16 23 of state?

16:09:16 24 A. Again, it -- it might.

16:09:18 25 Q. And do you know -- excuse me.

16:09:20 1 Do you know whether the secretary of state
16:09:22 2 has drafted a version of that declaration?

16:09:25 3 A. Not to my knowledge.

16:09:34 4 Q. And then if I could also have you look real quick
16:09:43 5 at what I think is Exhibit G in your -- in your files and
16:09:48 6 was earlier marked as Exhibit 143.

16:10:01 7 A. The other file folder.

16:10:02 8 Q. You're going to be a pro at this by the end of the
16:10:02 9 day.

16:10:05 10 A. Well, if I'd have known how this was going to
16:10:07 11 work, I would have organized these files a little
16:10:09 12 differently. But live and learn.

16:10:15 13 Q. These should be "Yavapai County Recorder's Answers
16:10:20 14 to Consolidated Plaintiffs' First Set of Interrogatories."

16:10:22 15 A. Yes.

16:10:23 16 Q. All right. If I could have you turn to page 6 of
16:10:27 17 that document.

16:10:33 18 A. Okay.

16:10:33 19 Q. That should be Interrogatory 7. Do you see that?

16:10:36 20 A. Yes.

16:10:37 21 Q. All right. I'll just -- rather than read through
16:10:42 22 it, I'll just ask you to read through what Interrogatory
16:10:44 23 Number 7 is. And let me know when you've done that.

16:10:53 24 A. Okay.

16:11:05 25 Q. And then your office's response was that "Yavapai

16:11:10 1 County has not implemented any of the challenged laws.
16:11:12 2 However, pursuant to A.R.S. Section 16-123, the items
16:11:17 3 identified in A.R.S. Section 16-579(A)(1) are considered
16:11:22 4 satisfactory proof of residency."

16:11:24 5 Did I read that correctly?

16:11:25 6 A. Yes.

16:11:26 7 Q. Do you know what sort of documents 16-579(A)(1)
16:11:32 8 identifies or lists?

16:11:34 9 A. Not -- not off the top of my head. I believe it
16:11:37 10 may be some of the ID requirements for in-person voting.

16:11:44 11 Q. And are there other documents that 16-578 --
16:11:52 12 579(A)(1) doesn't list that would be acceptable to prove
16:11:56 13 location of residence?

16:11:58 14 A. Not to my knowledge.

16:12:02 15 Q. All right. I think I'm very close to done. I
16:12:08 16 just have one thing to -- to loop back to.

16:12:10 17 Earlier when you were speaking with
16:12:13 18 Mr. Sherman, you were discussing some of your -- your
16:12:18 19 office's opposition to 2492 as it was working its way
16:12:23 20 through the legislature. And I believe I heard you say
16:12:27 21 that part of the opposition was that providing proof,
16:12:30 22 documentary proof, of location of residence would be very
16:12:33 23 hard for some voters. Do you remember that?

16:12:35 24 A. Yes.

16:12:35 25 Q. And you listed students as one of those -- one of

16:12:40 1 those groups of people; correct?

16:12:42 2 A. Yes.

16:12:42 3 Q. Very rural voters, do I have that correct?

16:12:46 4 A. Yes.

16:12:46 5 Q. What about voters who may be experiencing

16:12:50 6 homelessness?

16:12:52 7 A. Again, that could be an issue, although, again, I

16:12:59 8 believe that we would have to have some type of attestation

16:13:01 9 or something to basically waive that requirement and

16:13:11 10 that -- it would be difficult maybe for some of them to get

16:13:16 11 ahold of and fill out. But, yeah, homelessness could be an

16:13:21 12 issue.

16:13:22 13 Q. Are there any other groups of people that you

16:13:25 14 haven't talked about and I haven't talked about that you

16:13:27 15 think this documentary proof of location of residence

16:13:30 16 requirement would be particularly onerous for?

16:13:33 17 A. Well, it could be any person who may live at a

16:13:37 18 residence but have nothing in their name at that residence.

16:13:41 19 Maybe they are, you know -- they're just living in a room

16:13:46 20 there, and they're not related to the people. You know,

16:13:49 21 how do they now prove that they're at that -- that place?

16:13:56 22 And you can look at a lot of different

16:13:59 23 situations like that where the person doesn't own the

16:14:02 24 property, doesn't get mail in their name, you know, like a

16:14:08 25 utility bill or something like that that's listed in their

16:14:11 1 name at that address. How -- how do they prove that they
16:14:16 2 are -- you know, that they reside there? It could be
16:14:19 3 difficult for all kinds of people.

16:14:23 4 MR. MESSER: Thank you. I appreciate that.
16:14:25 5 I think that is my last question. So thank you so much for
16:14:27 6 your time this afternoon. I appreciate it.

16:14:30 7 You've got -- soon your first deposition will
16:14:33 8 be over. Others might have questions for you. But
16:14:35 9 otherwise, it was nice to meet you. Thank you so much.

16:14:39 10 THE WITNESS: Thank you.

16:14:39 11

16:14:39 12 EXAMINATION

16:14:40 13 BY MR. JOHNSON:

16:14:41 14 Q. Mr. Webber, my name is Hayden Johnson. I
16:14:42 15 represent the LUCHA plaintiffs. I have a couple, you know,
16:14:46 16 minutes of questions.

16:14:46 17 Would you like to take a quick break before
16:14:49 18 we dive into those?

16:14:50 19 A. No. I'm actually doing well.

16:14:51 20 Q. Okay. Great.

16:14:52 21 And I was wondering: Would it be helpful if
16:14:55 22 I screen share the documents that we're talking about so
16:14:57 23 you have them up right away and don't have to search? I'm
16:15:02 24 happy to do that.

16:15:02 25 A. Either way is fine with me. I can -- I can read

16:15:05 1 it on my screen if you provide it or if I have to go find
16:15:08 2 it, so . . .

16:15:09 3 Q. That sounds good. Well, let's start with you
16:15:12 4 searching for it. And if that proves to be difficult, then
16:15:14 5 we can pull them up.

16:15:15 6 A. Okay.

16:15:16 7 Q. So I would like to talk a little bit about --
16:15:20 8 follow up a little bit about how your -- how Yavapai County
16:15:22 9 treats state forms versus federal forms and the LULAC
16:15:27 10 settlement.

16:15:28 11 So I guess first, can you give me a sense of
16:15:30 12 what is the relative breakdown between the number of state
16:15:34 13 form applications versus federal form applications that
16:15:37 14 your office receives?

16:15:39 15 A. I don't have that data right in front of me, but
16:15:42 16 it is -- the vast, vast majority are state forms, either
16:15:46 17 the paper form or electronic. You know, it's not -- we
16:15:51 18 don't get that many federal forms, but we definitely do get
16:15:54 19 some.

16:15:55 20 Q. Okay. Thank you.

16:15:57 21 And does your office currently process state
16:16:02 22 form voter registration applications different in any way
16:16:05 23 from federal form applications?

16:16:08 24 A. No.

16:16:10 25 Q. Okay. So I'd like to turn to one of the

16:16:14 1 documents. It's marked as Exhibit T in the folder.

16:16:19 2 MR. JOHNSON: And we'll mark it. I think

16:16:20 3 we're at 156 at this point. This is a new document.

16:16:20 4 (The document was marked as Exhibit 156

16:16:20 5 for identification.)

16:16:34 6 THE WITNESS: Okay. I have it open.

16:16:34 7 BY MR. JOHNSON:

16:16:35 8 Q. All right. What is this document?

16:16:36 9 A. These are instructions that we have for our people

16:16:42 10 who enter our forms, so especially newer people we're

16:16:49 11 training to enter our forms.

16:16:51 12 Q. Okay. And this is for -- am I right? This is for

16:16:56 13 Arizona state registration forms?

16:16:58 14 A. This is for an Arizona registration form -- state

16:17:01 15 registration form.

16:17:02 16 Q. Okay. And if you don't mind scrolling down to

16:17:06 17 page 4 for me. Do you see item number 9 on page 4?

16:17:10 18 A. Yes.

16:17:12 19 Q. And that says, Click on "Run HAVA Checks"; is that

16:17:15 20 right?

16:17:15 21 A. Yes.

16:17:16 22 Q. So is that currently used for state form

16:17:20 23 applicants to do a HAVA check for potential U.S.

16:17:23 24 citizenship information?

16:17:24 25 A. It's used for every registrant.

16:17:29 1 Q. But it -- one purpose of that is checking for U.S.
16:17:31 2 citizenship information; is that right?
16:17:32 3 A. Yes. Yes.
16:17:33 4 Q. And that's for a state form?
16:17:35 5 A. Yes.
16:17:37 6 Q. Okay. And then if you go to -- if you don't mind
16:17:41 7 pulling up Exhibit V, which we'll now mark as 157.
16:17:41 8 (The document was marked as Exhibit 157
16:17:41 9 for identification.)
16:17:41 10 BY MR. JOHNSON:
16:17:41 11 Q. When you have that up, would you mind letting me
16:17:57 12 know what that document is?
16:18:02 13 A. "National Registration Forms."
16:18:05 14 Q. Is this basically the same instruction set but for
16:18:08 15 national registration -- the federal form?
16:18:12 16 A. Yes. I believe so. I believe it covers the exact
16:18:17 17 same thing. It's put into the system the exact same way.
16:18:20 18 Q. Okay. If we scroll down again to page 4, item
16:18:25 19 number 9, do you see where it says, "Click on 'Run HAVA
16:18:28 20 Checks' "?
16:18:28 21 A. Yeah.
16:18:29 22 Q. And so does that function the same way currently
16:18:33 23 as for your processing state forms?
16:18:35 24 A. Yes.
16:18:36 25 Q. So is there -- is there any information you

16:18:42 1 receive on the state form that is not on the federal form
16:18:46 2 that have a bearing on your determination of whether the
16:18:49 3 applicant is a U.S. citizen?

16:18:52 4 MR. LANGHOFER: Form.

16:18:54 5 THE WITNESS: It -- there may be -- if they
16:18:58 6 put their driver's license number on a state form, it --
16:19:01 7 it's much more likely to come up as a match with something
16:19:07 8 existing with the MVD.

16:19:10 9 If they don't have it on the federal form,
16:19:12 10 then it's looking at, you know, their name, date of birth
16:19:17 11 to try to see if we can come up with a match. So I believe
16:19:22 12 that just with a driver's license number, it's easier to
16:19:25 13 get an MVD match, which is where we have the citizenship
16:19:31 14 information.

16:19:31 15 BY MR. JOHNSON:

16:19:32 16 Q. So from your perspective, can you think of any
16:19:36 17 reason why a voter submitting a state form instead of a
16:19:38 18 federal form would be any less qualified to vote in federal
16:19:42 19 elections?

16:19:43 20 A. No.

16:19:44 21 MR. LANGHOFER: Form.

16:19:45 22 BY MR. JOHNSON:

16:19:49 23 Q. Let's pull up now what's listed as Exhibit K in
16:19:54 24 your folder, but it's been marked as Exhibit 147.

16:20:08 25 A. 147. I don't -- oh, Exhibit K?

16:20:10 1 Q. Yeah. In your folder, it's K.

16:20:13 2 A. Okay. All right. Too many numbers rolling around

16:20:15 3 here.

16:20:15 4 Q. We've already talked about this document a little

16:20:17 5 bit --

16:20:19 6 A. Okay.

16:20:19 7 Q. -- with my colleague, Mr. Sherman.

16:20:21 8 A. Okay. I have it up.

16:20:25 9 Q. Do you remember talking about this document a

16:20:27 10 minute ago?

16:20:28 11 A. Yes.

16:20:28 12 Q. So on page 1 in the header where it says "Page 4,"

16:20:37 13 do you see that paragraph?

16:20:38 14 A. Yes.

16:20:38 15 Q. What is that paragraph talking about?

16:20:42 16 A. It's talking about entering a person with an

16:20:51 17 incomplete state form into our system, because we have to

16:20:55 18 do that to generate them their notice.

16:21:00 19 And then what do we do with -- you know, what

16:21:06 20 status do we put them in?

16:21:09 21 You know, tracking it, again, our system

16:21:12 22 doesn't track this very well. And, you know, it's -- so

16:21:21 23 it's not -- we're not rejecting an application. We're just

16:21:26 24 marking it as something maybe in suspense or could be not

16:21:31 25 registered, not eligible, depending on the reasoning, and

16:21:36 1 that we do run HAVA checks on every applicant regardless.

16:21:42 2 And we still do that.

16:21:44 3 Q. And is that one you're referring to -- you see the
16:21:48 4 second to last sentence "We're required by LULAC to run a
16:21:52 5 HAVA check on every application even if DO- -- DPOC is not
16:21:57 6 included"? Is that what you're referring to?

16:21:58 7 A. Yes.

16:21:59 8 Q. And that just -- what's -- what's "required by
16:22:01 9 LULAC" mean?

16:22:02 10 A. Well, it was an -- I believe a settlement in
16:22:09 11 court.

16:22:09 12 Again, I've never seen the actual document of
16:22:14 13 the settlement. But it was something where we would run --
16:22:19 14 I think the results were we would run citizenship checks on
16:22:23 15 all of our applicants. And if they came up with proof of
16:22:29 16 citizenship, then we would make them full voters.

16:22:32 17 Q. And what you mean by "all of our applicants" is
16:22:35 18 state form applicant, federal form applicant, anybody who
16:22:38 19 applies, you do the same process?

16:22:40 20 A. Yes.

16:22:41 21 Q. Okay. And do you see the final sentence of that
16:22:44 22 paragraph where it says, "But now if do this, we are guilty
16:22:48 23 of a class 6 felony"? Do you see that?

16:22:50 24 A. Yes.

16:22:51 25 Q. Is that your office's understanding that if you

16:22:54 1 follow that LULAC process, you may have committed a Class 6
16:22:59 2 felony under this law?

16:23:00 3 A. That -- that could certainly be a possibility.

16:23:04 4 Q. All right. Next is another document you've
16:23:12 5 already seen. It's listed as Exhibit M under your -- in
16:23:16 6 your folder, but it's been marked as Exhibit 154.

16:23:20 7 Let me know if you have that up.

16:23:23 8 A. I have it up.

16:23:28 9 Q. All right. And if you don't mind scrolling down
16:23:31 10 to page 24.

16:23:56 11 A. Okay. I'm on page 24.

16:23:58 12 Q. And just to remind us, what is this document?

16:24:01 13 A. This is the draft Election Procedures Manual from
16:24:05 14 this year.

16:24:06 15 Q. This has your comments on it; right?

16:24:09 16 A. I believe so.

16:24:11 17 Q. Okay. And this comment on page 24, do you see
16:24:14 18 that on the right side?

16:24:16 19 A. We should put the page numbers on the -- 24 -- I
16:24:26 20 don't see the comment bubble. I remember making a comment
16:24:31 21 on it, though.

16:24:34 22 Q. Let's see. I'll share my screen quickly here and
16:24:37 23 then --

16:24:37 24 A. Okay.

16:24:38 25 Q. -- you can see that.

16:24:41 1 Do you see that up now?

16:24:42 2 A. Yes.

16:24:42 3 Q. Do you see the comment bubble here on the --

16:24:45 4 A. Yes.

16:24:45 5 Q. -- right side?

16:24:48 6 And I'll say -- the comment says, "Doesn't

16:24:50 7 the LULAC consent decree preclude this?" Do you see that?

16:24:54 8 A. Yes.

16:24:54 9 Q. Okay. And that's the same LULAC case we've been

16:24:57 10 talking about; right?

16:24:58 11 A. Yes.

16:24:59 12 Q. You're saying that the LULAC consent decree

16:25:03 13 precludes treating different types of applications -- state

16:25:06 14 form versus federal form -- differently; right?

16:25:06 15 MR. LANGHOFER: Form. Calls for legal

16:25:06 16 conclusion.

16:25:12 17 THE WITNESS: Yes.

16:25:14 18 BY MR. JOHNSON:

16:25:14 19 Q. Great. Thank you.

16:25:15 20 And that's the position of your office;

16:25:18 21 right?

16:25:19 22 MR. LANGHOFER: Same.

16:25:20 23 THE WITNESS: Yes.

16:25:20 24 BY MR. JOHNSON:

16:25:28 25 Q. So next, we have Exhibit N in your folder.

16:25:32 1 MR. JOHNSON: I don't think this one has been

16:25:34 2 marked. So it can be 158.

16:25:34 3 (The document was marked as Exhibit 158

16:25:43 4 for identification.)

16:25:43 5 BY MR. JOHNSON:

16:25:43 6 Q. Do you have that one pulled up, Mr. Webber?

16:25:46 7 A. I am pulling it up right this second.

16:25:50 8 Okay. I have it pulled up.

16:25:52 9 Q. What is this document?

16:25:56 10 A. I am not actually sure what this document is.

16:26:07 11 Q. This is one of the documents that your office

16:26:10 12 produced in response to a request in this litigation;

16:26:12 13 right?

16:26:13 14 A. Yes. We did produce this document. I'm not sure

16:26:18 15 exactly where it came from.

16:26:21 16 Q. What, in a general sense, does it appear to be?

16:26:24 17 A. It appears to be a questioning on the -- the

16:26:35 18 legality or the -- I don't know the -- the -- how wise

16:26:42 19 certain bills are. And it may be that that bill that we're

16:26:49 20 talking about -- what -- 2492, but it doesn't state that.

16:26:57 21 I'd have to go back and look at the line

16:26:59 22 numbers and try to compare it, but that's what I believe it

16:27:02 23 is.

16:27:03 24 Q. Okay. Does this appear to be just discussing some

16:27:05 25 of the -- your office's perceived defects in the law?

16:27:09 1 A. Yes. Yes.

16:27:11 2 Q. And does that include some references to the LULAC
16:27:15 3 consent decree that you can see on the page?

16:27:18 4 A. Yes.

16:27:18 5 MR. LANGHOFER: Same objection.

16:27:21 6 THE WITNESS: Yes, I can see that. I can see
16:27:25 7 on the page -- under the page 3 and then C.

16:27:31 8 BY MR. JOHNSON:

16:27:31 9 Q. Do you see under where it says page 6, "Again, we
16:27:34 10 are not in compliance with LULAC"? Do you see that?

16:27:39 11 MR. LANGHOFER: Same objection.

16:27:40 12 THE WITNESS: Yes, I do see that.

16:27:43 13 BY MR. JOHNSON:

16:27:45 14 Q. And do you see just above page 6 where it says:
16:27:47 15 "People using different forms are being treated
16:27:49 16 differently. This is what LULAC was preventing?" Do you
16:27:54 17 see that?

16:27:54 18 MR. LANGHOFER: Same objection.

16:27:55 19 THE WITNESS: Yes, I do see that.

16:27:57 20 BY MR. JOHNSON:

16:27:58 21 Q. And is that still your office's position that
16:28:01 22 these are defects in the bill?

16:28:03 23 MR. LANGHOFER: Same objection.

16:28:05 24 THE WITNESS: Yes.

16:28:10 25 MR. JOHNSON: All right. Next, let's pull up

16:28:17 1 Exhibit CC, which has not been marked yet. So we can mark
16:28:22 2 that as 159, please.

16:28:22 3 (The document was marked as Exhibit 159
16:28:30 4 for identification.)

16:28:30 5 THE WITNESS: I have it up.

16:28:34 6 BY MR. JOHNSON:

16:28:35 7 Q. What is this document?

16:28:36 8 A. It looks like it's meeting notes from a secretary
16:28:44 9 of state and county meeting from May 11th of 2023.

16:28:52 10 Q. Do you see your email on the CC line there?

16:28:56 11 A. No. It's very small. I -- I do not doubt it
16:29:03 12 whatsoever. I see it now.

16:29:05 13 Q. Do you recall attending this meeting on May 11?

16:29:09 14 A. After I looked at the meeting notes. I might not
16:29:15 15 specifically remember what I did on May 11th.

16:29:18 16 Q. Okay. Do you want to just take a quick look at
16:29:23 17 the meeting notes to refresh your recollection here?

16:29:25 18 A. Yeah. Yes. I remember the meeting.

16:29:42 19 Q. Okay. I'd like to direct your attention down to,
16:29:48 20 let's see, page 4. It starts at the top "Recorder
16:30:15 21 Cazares-Kelly." Do you see that?

16:30:16 22 A. Yes.

16:30:16 23 Q. Do you see the bullet point that says, "DPOC:
16:30:19 24 Proof of citizenship and ID's"?

16:30:20 25 A. Yes.

16:30:21 1 Q. What does the next bullet point say, just in
16:30:24 2 general terms?

16:30:25 3 A. The secretary will compare LULAC litigation to new
16:30:30 4 statute and report back to the group.

16:30:33 5 Q. Okay. And what -- did you ever get a report back?

16:30:37 6 A. I don't believe so.

16:30:38 7 Q. Okay. So from your experience, will the different
16:30:51 8 processing -- strike that.

16:30:53 9 From your experience, will the different
16:30:58 10 processing of state form applications versus federal form
16:31:02 11 applications -- if HB 2492 goes into effect, will that
16:31:06 12 increase the burdens on your office?

16:31:09 13 MR. LANGHOFER: Form.

16:31:10 14 THE WITNESS: Yes.

16:31:13 15 BY MR. JOHNSON:

16:31:13 16 Q. Does that include the risk of criminal penalties
16:31:15 17 like we just discussed?

16:31:18 18 MR. LANGHOFER: Form --

16:31:20 19 THE WITNESS: Yes.

16:31:21 20 MR. LANGHOFER: -- and foundation.

16:31:21 21 BY MR. JOHNSON:

16:31:22 22 Q. From your experience, will the different
16:31:24 23 processing of state form applications versus federal form
16:31:27 24 applications under this law increase the likelihood that
16:31:31 25 your office may reject registrations from eligible

16:31:33 1 applicants?

16:31:36 2 MR. LANGHOFER: Form.

16:31:38 3 THE WITNESS: Yes.

16:31:38 4 BY MR. JOHNSON:

16:31:41 5 Q. All right. I'd like to talk about another
16:31:45 6 document here, Exhibit W in your folder.

16:31:53 7 MS. STUART: Hayden, I'm so sorry to
16:31:53 8 interrupt. I know you guys want to keep going, but I do
16:31:55 9 need to use the restroom. So if we're going to look at a
16:31:58 10 new document, would now be a good time to do that, a little
16:32:01 11 break?

16:32:02 12 MR. JOHNSON: Thank you, Cindy. I'm so sorry
16:32:03 13 I wasn't thinking about that. Let's go off the record
16:32:05 14 here.

16:32:07 15 THE VIDEOGRAPHER: We're off the record.
16:32:10 16 Time on the video monitor is 4:32 p.m.

BY MR. JOHNSON:
Q. When you see Exhibit W, can you let me know?
A. I have it open.
Q. Great.
And does this document appear to be an email exchange between different Yavapai County officials -- Yavapai County recorder officials?
A. It's Yavapai County officials, I believe. It's not just recorder.
Q. So that would include county board of supervisors officials; is that right?
A. We have county -- assistant county attorney. We have some people from the courts, from the schools, looks like assessor and treasurer and sheriffs. So, yeah, it looks like -- like a leadership group from the county.
Q. Okay. And if we scroll down to page 2, do you see where the header says, "Legislative Update"?
A. Yes.
Q. And the second paragraph there, do you see where it references HB 2492?
A. Yes.
Q. Do you see the reference describing HB 2492 to -- this will -- I'm quoting now -- "in part will relitigate the 2013 Arizona v. Inter Tribal Council of Arizona

16:39:09 1 decision by the U.S. Supreme Court under a new court"? Do

16:39:13 2 you see that passage?

16:39:16 3 MR. LANGHOFER: Form. Calls for legal

16:39:19 4 conclusion.

16:39:19 5 THE WITNESS: Yes.

16:39:19 6 BY MR. JOHNSON:

16:39:19 7 Q. What do you understand that passage to mean?

16:39:23 8 MR. LANGHOFER: Same.

16:39:24 9 THE WITNESS: It appears that this is

16:39:27 10 bringing up subjects that have already been litigated and

16:39:32 11 would seem to be relit- -- have to be relitigated under the

16:39:38 12 new statute.

16:39:41 13 MR. JOHNSON: Okay. Thank you.

16:39:42 14 Let's pull up Exhibit S, which I don't think

16:39:53 15 has been marked yet. If so, that's 161.

16:39:53 16 (The document was marked as Exhibit 161

16:39:53 17 for identification.)

16:40:11 18 THE WITNESS: I have it open.

16:40:13 19 BY MR. JOHNSON:

16:40:13 20 Q. All right. We're going back to some of the

16:40:16 21 questions my colleague, Mr. Messer, was asking.

16:40:19 22 Do you see a couple paragraphs down where it

16:40:22 23 starts "HB 2492 would require proof of residence location"?

16:40:26 24 Do you see that?

16:40:26 25 A. Yes.

16:40:27 1 Q. I guess I should back up.

16:40:30 2 What is this document?

16:40:31 3 A. It is a letter from our past county recorder to

16:40:38 4 the governor of Arizona.

16:40:39 5 Q. What kind of letter is it?

16:40:42 6 A. It's a letter commenting upon HB 2492, and it's

16:40:49 7 asking that it be vetoed.

16:40:54 8 Q. And so that passage I just referenced requires

16:40:57 9 proof of residence location. Is that the DPOR requirement

16:41:01 10 you discussed with Mr. Messer?

16:41:04 11 A. Yes.

16:41:04 12 Q. And do you see the line where it says, "This is

16:41:08 13 another burden on potential qualified voters who wish to

16:41:11 14 have their voices heard"? Do you see that?

16:41:14 15 A. Yes.

16:41:15 16 Q. So do you think that DPOR will make it more

16:41:18 17 difficult for qualified voters to get registered?

16:41:22 18 A. Yes.

16:41:24 19 MR. LANGHOFER: Form; foundation.

16:41:26 20 BY MR. JOHNSON:

16:41:27 21 Q. And the next paragraph there, do you see that

16:41:30 22 paragraph?

16:41:31 23 A. Yes.

16:41:33 24 Q. Where it says, "HB 2492 criminalizes election

16:41:37 25 officials for completing our job duties"?

16:41:41 1 A. Yes.

16:41:42 2 Q. Is that, again, referencing the potential criminal

16:41:47 3 risks that Yavapai election officials might face

16:41:47 4 [indiscernible]?

16:41:47 5 A. Yes.

16:41:47 6 THE COURT REPORTER: I'm sorry. Can you

16:41:47 7 repeat the end? "Election officials might face . . ."

16:41:58 8 MR. JOHNSON: -- under this law.

16:42:05 9 THE WITNESS: And the answer was "yes."

16:42:05 10 BY MR. JOHNSON:

16:42:10 11 Q. All right. Just two more documents, Mr. Webber.

16:42:13 12 I'm sorry I'm making you shuffle around here.

16:42:16 13 Let's pull up Exhibit U in your folder. And

16:42:19 14 that's going to be marked as 162.

16:42:19 15 (The document was marked as Exhibit 162

16:42:30 16 for identification.)

16:42:30 17 THE WITNESS: I have it up.

16:42:32 18 BY MR. JOHNSON:

16:42:32 19 Q. What is this document?

16:42:34 20 A. That's a -- that's an instruction document for

16:42:37 21 people who are learning or doing our registration forms and

16:42:43 22 our -- for our paper forms.

16:42:45 23 Q. And is this sort of similar to the instructions

16:42:50 24 from Exhibit T and Exhibit V that we looked at a minute

16:42:53 25 ago?

16:42:54 1 A. Yes.

16:42:55 2 Q. Okay. And what is "Box 22"?

16:42:59 3 A. Box 22 is where the checkboxes for being a citizen

16:43:06 4 and being of at least 18 years of age on the registration

16:43:11 5 form.

16:43:12 6 Q. Okay. So when processing an application regarding

16:43:15 7 Box 22, what happens if someone leaves the citizenship box

16:43:22 8 blank?

16:43:23 9 A. Currently, if we find through the HAVA check

16:43:29 10 citizenship or if there's an alien registration number, the

16:43:34 11 SAVE system, and they have a date of birth that makes them

16:43:42 12 18, we -- we basically ignore if they're not checked.

16:43:46 13 Q. So if you do a HAVA check or a citizenship check

16:43:51 14 and find proof of U.S. citizenship, that checkbox doesn't

16:43:55 15 add anything to your processing of the registration right?

16:43:59 16 MR. LANGHOFER: Form.

16:43:59 17 THE WITNESS: Yeah. Correct.

16:44:02 18 BY MR. JOHNSON:

16:44:03 19 Q. And in cases where the voter has submitted

16:44:06 20 documentary proof of citizenship with their application,

16:44:09 21 does the checkbox there add anything to your processing of

16:44:13 22 the registration?

16:44:14 23 MR. LANGHOFER: Form.

16:44:15 24 THE WITNESS: No.

16:44:15 25 BY MR. JOHNSON:

16:44:21 1 Q. All right. I did -- I did promise this would be
16:44:23 2 the last document.

16:44:24 3 So we have Exhibit Z in your folder, which
16:44:29 4 will be marked as 163.

16:44:29 5 (The document was marked as Exhibit 163
16:44:37 6 for identification.)

16:44:37 7 THE WITNESS: Okay. I do have it open.

16:44:43 8 BY MR. JOHNSON:

16:44:43 9 Q. All right. And what is this document?

16:44:45 10 A. This is another instruction sheet for adding a
16:44:50 11 registrant that would be a new registrant or if we don't
16:44:55 12 know they're already a current registrant. It depends on
16:44:58 13 how it turns out but --

16:45:00 14 Q. Was part of the processing for a new registrant
16:45:03 15 determining if they are already on the rolls?

16:45:06 16 A. Yes.

16:45:07 17 Q. Okay. And if you go to page 2, do you see the
16:45:11 18 search field there?

16:45:13 19 A. Yes.

16:45:13 20 Q. What are the search fields there to search if
16:45:18 21 someone's already in the system?

16:45:19 22 A. Last name, first name, the last four of their
16:45:23 23 Social Security number, their date of birth, and their
16:45:26 24 Arizona driver's license or ID number.

16:45:29 25 Q. Is birthplace one of those fields?

16:45:32 1 A. No.

16:45:33 2 Q. Do you use birthplace to determine if someone's

16:45:36 3 already on the voter registration rolls?

16:45:39 4 A. No.

16:45:40 5 Q. Do you use birthplace to determine a voter's

16:45:43 6 identity in this way?

16:45:45 7 A. No.

16:45:49 8 MR. JOHNSON: All right. That's all my
16:45:50 9 questions, Mr. Webber. I don't know if other plaintiff
16:45:53 10 groups will be asking questions, but I really appreciate
16:45:55 11 your time. Thank you.

16:45:57 12 THE WITNESS: Thank you.

16:46:12 13 MR. LANGHOFER: Anything else from the
16:46:12 14 plaintiffs, or should the defense go?

16:46:16 15 MR. JOHNSON: I think that's it for us.
16:46:18 16 Thank you.

16:46:21 17 MR. LANGHOFER: Tim and Shayna, I'm happy to
16:46:24 18 defer to you guys if you want to go first.

16:46:27 19 MR. HORLEY: Likewise. Shayna, did you have
16:46:29 20 anything you wanted to ask?

16:46:31 21 MS. STUART: Not at this time, but I'll let
16:46:34 22 you guys go ahead. And if I have any follow-up, I'll go
16:46:37 23 after you or Kory. Thank you.

16:46:42 24 MR. HORLEY: Okay. Kory, I'm happy to have
16:46:43 25 you take the first go.

16:46:45 1 MR. LANGHOFER: Yeah.

16:46:46 2

16:46:47 3

EXAMINATION

16:46:47 4

BY MR. LANGHOFER:

16:46:47 5

Q. All right. Mr. Webber, my name is Kory Langhofer, and I'm counsel for the RNC. And thank you for your time today.

16:46:49 6

16:46:55 7

16:46:56 8

Let me -- bear with me. I'm going to try to pull up a different program to have my questions in front of me.

16:47:01 9

16:47:03 10

16:47:06 11

All right. So let's start with this. Your office lobbied against the two bills in question, did it not?

16:47:11 12

16:47:15 13

16:47:15 14

A. Yes.

16:47:17 15

Q. And you have also failed to implement both of the bills; correct?

16:47:25 16

16:47:26 17

A. Yes.

16:47:26 18

Q. Which court authorized you to not implement these bills?

16:47:31 19

16:47:32 20

A. We did not have an opinion of the court. We did seek our own legal counsel.

16:47:37 21

16:47:39 22

Q. So you -- you've chosen to not implement a statute without a court order authorizing that?

16:47:44 23

16:47:45 24

A. Yes.

16:47:48 25

Q. And you testified that you think this -- these

16:47:53 1 bills are illegal?

16:47:55 2 A. I believe so.

16:47:57 3 Q. Is it fair to say then that you're on the
16:48:01 4 plaintiffs' side in this litigation?

16:48:04 5 A. We have not taken a side, but we do look at
16:48:10 6 difficulties that it will give us in some legal aspects
16:48:14 7 with implementing these laws.

16:48:16 8 Q. Well, you say you're not taking a side. Let's
16:48:19 9 just pause a minute.

16:48:20 10 You lobbied against the bill. You failed to
16:48:21 11 implement it. You've said on the record under oath you
16:48:23 12 think it's illegal. In what way have you not taken a side
16:48:29 13 with the plaintiffs in this litigation?

16:48:33 14 MR. ATKINS: Objection. Asked and answered.

16:48:33 15 BY MR. LANGHOFER:

16:48:36 16 Q. No, I'm asking for clarification.

16:48:37 17 In which way have you not taken a side?

16:48:39 18 A. Well, we have not filed any documents, I
16:48:42 19 believe -- and this may be more of a question for my legal
16:48:47 20 counsel -- any documents saying that we want, you know, to
16:48:53 21 -- to file on the side of the plaintiffs.

16:48:57 22 Q. Okay. So in the sense that you've not filed
16:48:59 23 something, that's how you failed to take a side on -- in
16:49:02 24 support of the plaintiffs?

16:49:03 25 A. Yeah.

16:49:04 1 Q. Okay. You're also -- you also expressed some
16:49:09 2 concerns that the -- about the substance of the bill. I
16:49:12 3 think one of your concerns was that there were criminal
16:49:14 4 penalties potentially for county recorders who violate it.
16:49:18 5 Did I get that right?

16:49:19 6 A. Yes.

16:49:20 7 Q. And did you say -- I don't remember this from your
16:49:23 8 direct.

16:49:24 9 Did you say you think it violates the
16:49:26 10 Gonzalez settlement?

16:49:27 11 A. I'm trying to remember what is -- what we're
16:49:31 12 looking at the Gonzalez settlement. And I'm trying to
16:49:37 13 recollect exactly what area it was. And I think it was
16:49:44 14 documentary proof of residency, but I can't remember
16:49:48 15 exactly what that was.

16:49:49 16 Q. If you didn't testify to that, then it doesn't
16:49:52 17 matter, I suppose.

16:49:52 18 You disagree with what the bill is doing
16:49:54 19 substantively on DPOC; correct?

16:49:58 20 A. Yeah, I disagree because I believe we already have
16:50:04 21 a -- have a court case on that. And it puts us in the
16:50:07 22 middle. That's really -- a lot of the stuff puts us in the
16:50:11 23 middle of current -- already-issued rulings and state
16:50:16 24 statute, and we'd really rather not be in the middle.

16:50:20 25 Q. And you disagree [indiscernible] substantively on

16:50:24 1 DPOR?

16:50:24 2 THE COURT REPORTER: Can you repeat that,

16:50:25 3 Kory?

16:50:25 4 BY MR. LANGHOFER:

16:50:26 5 Q. You disagree substantively with what the bill is

16:50:28 6 doing -- the bills are doing with respect to DPOR?

16:50:32 7 A. Yes.

16:50:32 8 Q. And you don't like the countywide list maintenance

16:50:38 9 requirements?

16:50:38 10 A. We don't feel that the countywide list maintenance

16:50:42 11 processes are even possible the way they're written. We

16:50:47 12 don't have access to the databases. We do not -- you know,

16:50:53 13 they're asking us to do things that we actually cannot do.

16:50:57 14 Q. So you don't like what the bill requires with

16:51:01 15 respect to countywide list maintenance?

16:51:02 16 A. Yes.

16:51:04 17 Q. When you say it's not possible, don't you mean

16:51:06 18 it's not possible with the current systems you have?

16:51:10 19 A. It's not possible with any of the databases that

16:51:14 20 we have access to.

16:51:16 21 Q. But if you were given additional resources, like

16:51:20 22 an API, for example, to check this stuff with automation

16:51:24 23 rather than manually, it may then be possible?

16:51:27 24 MR. ATKINS: Objection. Calls for

16:51:31 25 speculation.

16:51:31 1 THE WITNESS: If we had access to the actual
16:51:33 2 databases and what databases those were. You know, if it
16:51:40 3 says a local database, we don't know what that is.

16:51:44 4 BY MR. LANGHOFER:

16:51:46 5 Q. Do you -- is your position that you need more
16:51:49 6 monetary resources to implement this bill?

16:51:51 7 A. I think we would need monetary resources and a lot
16:51:56 8 of clarification and cooperation from a lot of other
16:52:01 9 governmental agencies in state, local, federal to be able
16:52:08 10 to implement this.

16:52:09 11 Q. Okay. Now, these -- all these concerns you have
16:52:15 12 with the bill, you were represented at the Capitol by a
16:52:18 13 lobbyist; correct?

16:52:19 14 A. I believe so.

16:52:20 15 Q. Jen Marson?

16:52:22 16 A. I believe she's with the Arizona Association of
16:52:26 17 Counties, yes.

16:52:27 18 Q. So she represented you indirectly there?

16:52:30 19 A. Yes.

16:52:30 20 Q. She does a good job; right? Jen's good at her
16:52:33 21 job?

16:52:33 22 A. I believe so.

16:52:34 23 Q. She expressed all these concerns to the Senate
16:52:37 24 while she was there?

16:52:39 25 A. I would imagine so.

16:52:41 1 Q. Did she persuade a majority of the Senate to vote
16:52:44 2 against this bill?

16:52:45 3 A. No.

16:52:46 4 Q. Did she express these concerns to the House while
16:52:49 5 she was there?

16:52:50 6 A. I, again, would imagine so.

16:52:52 7 Q. Did she persuade a majority of the House that
16:52:55 8 these substantive concerns should result in the bill being
16:52:59 9 rejected?

16:53:00 10 A. Does not appear so.

16:53:01 11 Q. And you all communicated with the governor's
16:53:04 12 office?

16:53:04 13 A. Yes. The county recorder did send a letter to the
16:53:09 14 governor's office.

16:53:10 15 Q. And the concerns you wanted to raise were
16:53:12 16 contained in that letter?

16:53:14 17 A. Yes.

16:53:14 18 Q. Did the governor veto the bill?

16:53:18 19 A. The governor, I believe, signed the bill.

16:53:21 20 Q. So no -- your substantive concerns were raised in
16:53:25 21 the House, the Senate, and at the governor's office, and
16:53:28 22 none of the political branches agreed with your assessment?

16:53:31 23 A. Yes.

16:53:31 24 Q. You said a few minutes ago that you think this
16:53:33 25 bill is going to increase the likelihood of you rejecting

16:53:37 1 eligible applicants. I want to be clear about that because
16:53:42 2 I don't think you mean those words literally.

16:53:45 3 If I understand it correctly, what you mean
16:53:46 4 is increase the likelihood that you would reject someone
16:53:50 5 who, if they followed the correct procedures, could, in
16:53:54 6 fact, successfully register to vote but not -- you don't
16:53:56 7 mean rejecting people who actually comply with the laws as
16:53:59 8 written; am I correct?

16:54:03 9 MR. JOHNSON: Objection. Misstates.

16:54:04 10 THE WITNESS: I believe -- to state it
16:54:05 11 correctly, I believe we will be rejecting voters who, under
16:54:10 12 past laws, would be currently eligible, especially with the
16:54:13 13 documentary proof of residency. I think that would be an
16:54:16 14 accurate statement.

16:54:18 15 BY MR. LANGHOFER:

16:54:18 16 Q. Okay. So it's not that you're going to violate
16:54:20 17 the statute that's written; it's just that you'll be
16:54:21 18 rejecting applications that might have been accepted under
16:54:25 19 different statutes?

16:54:28 20 MR. JOHNSON: Objection. Misstates
16:54:29 21 testimony.

16:54:29 22 And, Cindy, it might be a good opportunity
16:54:31 23 for us to just clarify for the record that if plaintiffs
16:54:35 24 make an objection, that is an objection for all the
16:54:37 25 plaintiffs.

16:54:39 1 MR. LANGHOFER: The stipulation as to
16:54:40 2 objections is fine with us.

16:54:40 3 MR. JOHNSON: Thank you.

16:54:43 4 BY MR. LANGHOFER:

16:54:43 5 Q. Sir, do you remember the question?

16:54:44 6 A. Could you repeat it, please?

16:54:46 7 Q. Yeah. I don't want to put words in your mouth,
16:54:50 8 and I don't want to mischaracterize your testimony. I
16:54:51 9 really want to get what you're saying precisely here.

16:54:54 10 I think what you're saying is the new law
16:54:57 11 would require you to reject applications that may have been
16:55:00 12 accepted before, but you're not saying that you're just
16:55:03 13 going to misapply the new laws and reject people who comply
16:55:07 14 with the new registration requirements?

16:55:10 15 A. No. We would not misapply the new law to reject
16:55:15 16 anyone.

16:55:16 17 Q. You mentioned a moment ago problems with DPOR.
16:55:20 18 You think that's, you know, particularly likely to result
16:55:22 19 in rejected applications. Homeless people will be able to
16:55:28 20 register under the new statute, won't they?

16:55:31 21 A. To submit a registration form or --

16:55:33 22 Q. To successfully register.

16:55:36 23 A. If they provide documentary proof of residency.

16:55:41 24 Q. So that could include, for example, proof that
16:55:46 25 they're staying at a homeless shelter; correct?

16:55:50 1 A. It could.

16:55:52 2 MR. MESSER: Assumes facts.

16:55:53 3 BY MR. LANGHOFER:

16:55:53 4 Q. Or if -- failing all else, they could do a
16:55:57 5 declaration that they live at a particular intersection;
16:56:00 6 correct?

16:56:00 7 A. Yes, they could.

16:56:01 8 Q. Okay. So even where someone has no traditional
16:56:04 9 address and no home, the DPOR requirement would not bar
16:56:10 10 voter registration?

16:56:10 11 MR. MESSER: Assumes facts. Calls for
16:56:11 12 speculation.

16:56:15 13 THE WITNESS: Again, from what I looked at --
16:56:17 14 and I believe that the part of having the declaration for
16:56:23 15 people who were homeless and -- were -- was more referring
16:56:25 16 to as people who may be in a very rural area and don't own
16:56:30 17 the property, don't have utility bills. They may not have
16:56:34 18 any of the documents that's required of them, and they're
16:56:39 19 not homeless. They just live in a place that it is very
16:56:45 20 difficult for them to get documentation.

16:56:47 21 BY MR. LANGHOFER:

16:56:48 22 Q. Okay. So let's think precisely about who that
16:56:51 23 would include. That would include someone who doesn't have
16:56:54 24 a driver's license with their residential address on it,
16:56:57 25 doesn't have a lease, doesn't have mail at that address,

16:57:01 1 doesn't have utilities at that address, and can't sign a
16:57:05 2 declaration about where they live, also can't draw a map.
16:57:08 3 Am I getting that right?

16:57:10 4 A. No. I -- again, from my interpretation, the
16:57:13 5 declaration is for people who are homeless and, you know,
16:57:20 6 have a general delivery address. I'd have to look
16:57:24 7 specifically at it, but we have people in here -- and
16:57:27 8 again, as I look at it, I look at someone who has a P.O.
16:57:33 9 box and lives in a rural area -- let's say by Ash Fork and
16:57:37 10 Seligman -- they don't own the property; some of them don't
16:57:41 11 even have utilities -- I think it would be very difficult
16:57:44 12 for them to comply with that law.

16:57:47 13 And I may be misapplying the law about the
16:57:50 14 declaration, but it was my thought that it was only for
16:57:55 15 people who basically did not have a residence. These
16:57:58 16 people have a residence, but they have a -- would have a
16:58:02 17 very hard time proving it.

16:58:04 18 Q. It sounds like we agree then that what's doing a
16:58:07 19 lot of work in your analysis is the idea that if you have a
16:58:10 20 residence, the declaration option is not available to you?

16:58:14 21 A. That's -- that was my interpretation of it.

16:58:17 22 Q. Okay. So if that's available to everyone, do you
16:58:22 23 still think the DPOR requirement is going to be a
16:58:24 24 significant problem for people in this situation?

16:58:26 25 A. If it was available to all people who just say "I

16:58:31 1 can't provide it" or what -- I mean, I don't know how --
16:58:33 2 what format would be. But that would certainly alleviate
16:58:38 3 much of the burden.

16:58:39 4 Q. Okay. So at that point, you'd be left with people
16:58:42 5 who don't have a driver's license with their residential
16:58:44 6 address, don't have a lease, don't have utilities, don't
16:58:46 7 have mail, and can't file a declaration?

16:58:49 8 A. Yes. And if -- with a declaration, if we could
16:58:53 9 accept that, then that would be probably the only people
16:58:57 10 who would then be disenfranchised from what we do
16:59:03 11 currently.

16:59:04 12 Q. Can you think of anyone who would fit in that
16:59:06 13 category?

16:59:07 14 A. No.

16:59:08 15 Q. You said that someone who fills out the federal
16:59:15 16 form is no more or less qualified than one who fills out
16:59:20 17 the state form. And I want to put that to you slightly
16:59:24 18 differently.

16:59:25 19 What if there are two people sitting next to
16:59:29 20 each other -- and I guess the sort of hypothetical you were
16:59:30 21 thinking of is one's got a federal form, one's got a state
16:59:34 22 form; otherwise, they're identical. And they -- they may
16:59:35 23 have a different outcome to filling out those forms.

16:59:38 24 What if two people are filling out the forms
16:59:40 25 next to each other; one of them has a pen that works, and

16:59:41 1 one of them has a pen that doesn't. We agree there would
16:59:44 2 be a different outcome for the registration forms if they
16:59:47 3 submitted them; correct?

16:59:48 4 A. Sure.

16:59:48 5 Q. What's your reaction to that problem?

16:59:52 6 A. If they have a -- if one can't fill out the form
16:59:58 7 because their pen is -- doesn't work?

17:00:00 8 Q. That's right.

17:00:01 9 A. We wouldn't accept the form because it would be
17:00:01 10 incomplete.

17:00:07 11 Q. Oh, okay. So we do agree that filling out forms
17:00:10 12 completely and properly is important legally?

17:00:13 13 A. Yes.

17:00:20 14 Q. Bear with me. I'm going to check through my notes
17:00:24 15 here.

17:00:24 16 You also said that you're unaware of any
17:00:28 17 foreign national who has tried to register in your county.
17:00:34 18 But I think you also said you're unaware of how many people
17:00:38 19 receive the notification that are saying they failed to
17:00:41 20 submit DPOC and then never get back to the county and
17:00:47 21 provide that DPOC. Am I remembering your testimony
17:00:48 22 correctly?

17:00:48 23 A. Yes.

17:00:49 24 Q. Do you know whether people who don't respond to
17:00:52 25 that were or were not U.S. citizens?

17:00:55 1 A. We do not know that.

17:00:58 2 Q. So it's not that you know that no foreign
17:01:02 3 nationals have tried to register in your county; it's just
17:01:04 4 that it's an unknown?

17:01:06 5 A. Yeah. I -- I have no knowledge of any doing it,
17:01:09 6 so -- of any foreign nationals trying to register in the
17:01:14 7 county.

17:01:14 8 Q. This October 2022 incident where there was a
17:01:17 9 problem with the AVID system, was anyone in your county
17:01:22 10 disenfranchised as a result of that?

17:01:24 11 A. I do not believe so.

17:01:26 12 Q. Okay. And I think you were asked a question that
17:01:30 13 I objected to about whether this tells you anything about
17:01:33 14 the reliability of these systems. And I believe you were
17:01:40 15 -- you offered your opinion on that. I want to sort of
17:01:44 16 turn that around.

17:01:44 17 If you believe that the AVID system is
17:01:50 18 unreliable and you use AVID partly to confirm citizenship,
17:01:54 19 wouldn't you then have some value in someone checking a box
17:01:57 20 and swearing under penalty of perjury that they are a U.S.
17:02:01 21 citizen?

17:02:03 22 A. Yes.

17:02:17 23 MR. LANGHOFER: Mr. Webber, that's all the
17:02:18 24 questions I have for you. Thanks very much.

17:02:21 25 THE WITNESS: Thank you.

17:02:21 1

17:02:21 2

EXAMINATION

17:02:21 3

BY MR. HORLEY:

17:02:27 4

Q. Hi, Mr. Webber. My name is Tim Horley. I am with

17:02:31 5

the State of Arizona and the Arizona Attorney General's

17:02:34 6

Office. I do have a few questions for you. And I'm

17:02:38 7

probably going to introduce a few documents. I'm going to

17:02:41 8

try not to go too long here because I know we're getting

17:02:42 9

late in the day.

17:02:43 10

I wanted to see -- before we do that, would

17:02:44 11

you like a short break before we dive in?

17:02:46 12

A. No. I'm doing okay.

17:02:49 13

Q. Okay. Fantastic.

17:02:50 14

All right. So there's been a lot of

17:02:54 15

discussion so far about your office's position on these

17:02:57 16

laws. I just wanted to clarify one thing.

17:03:00 17

Will your office adhere to whatever a court

17:03:03 18

orders regarding the implementation of these laws?

17:03:06 19

A. Yes.

17:03:07 20

Q. Okay. Right.

17:03:09 21

And then you mentioned that some of the

17:03:12 22

phrases in HB 2492 and 2243 are unclear; correct?

17:03:19 23

A. Yes.

17:03:20 24

Q. But guidance from the secretary of state could be

17:03:23 25

useful to clarify that?

17:03:26 1 A. Yes, it could be.

17:03:28 2 Q. And then perhaps that could come in the form of an
17:03:31 3 updated EPM?

17:03:33 4 A. Yes.

17:03:35 5 Q. And the EPM generally provides guidance on a lot
17:03:39 6 of different voting laws -- right? -- including ones on
17:03:41 7 topics that aren't even relevant to the ones we've talked
17:03:44 8 about today; yes?

17:03:46 9 A. Yes.

17:03:46 10 Q. And do you generally rely on the EPM to help
17:03:50 11 implement those other voting laws?

17:03:52 12 A. Yes, we do.

17:03:53 13 Q. And so would it be easy to implement other voting
17:03:57 14 laws without the EPM?

17:04:00 15 A. It -- it would probably make it more difficult.
17:04:05 16 We could do it, but it would make it more difficult.

17:04:09 17 Q. So there are other voting laws that are difficult
17:04:11 18 to implement without guidance from the secretary of state;
17:04:15 19 correct?

17:04:15 20 A. Yes.

17:04:16 21 Q. So the same thing is true for these laws that is
17:04:20 22 true for those other laws; correct?

17:04:22 23 A. Yes.

17:04:24 24 Q. Okay. Thank you.

17:04:25 25 I wanted to ask you a few questions about

17:04:28 1 verifying or checking citizenship.

17:04:31 2 So does your office do anything to verify
17:04:34 3 DPOC when it is received; so, for example, when someone
17:04:37 4 sends you a birth certificate or a passport, like a
17:04:40 5 photocopy?

17:04:41 6 A. No.

17:04:44 7 Q. Okay. So you don't take any steps to verify the
17:04:47 8 authenticity of those?

17:04:48 9 A. No. We -- we accept it at face value.

17:04:51 10 Q. Okay. All right. I want to ask about the
17:04:58 11 checkbox. So for state forms, if a registrant were to mark
17:05:02 12 "no" in the citizenship checkbox but also provide a copy of
17:05:08 13 a citizenship document, like a birth certificate, what
17:05:10 14 would your office do in that situation?

17:05:12 15 A. If they checked "no," we would actually probably
17:05:17 16 return the form to them to -- to fix it. If it's an actual
17:05:22 17 check "no," if they -- you know, could very well be a
17:05:26 18 mistake, but they would have to correct that.

17:05:29 19 Q. Okay. Understood.

17:05:30 20 Could it suggest that there might be some
17:05:32 21 problem with the proof of citizenship that they provided?

17:05:37 22 A. It could.

17:05:39 23 Q. Okay. And then is it possible for a registered
17:05:43 24 voter to submit a copy of a citizenship document, like a
17:05:46 25 birth certificate, that is defective in some way, for

17:05:50 1 example, it's blurry or it's difficult to read?

17:05:52 2 A. If -- if we could not, you know, determine what it
17:05:57 3 was, if it was -- we would not accept it. We would require
17:06:01 4 something that was legible.

17:06:04 5 Q. Okay. So, yeah, if there was a problem with
17:06:08 6 legibility or if it belonged to someone who has a similar
17:06:12 7 name or birth date, could that raise issues?

17:06:15 8 A. Yes. Yeah. If it doesn't match up, it would
17:06:19 9 raise issues.

17:06:19 10 Q. So in those situations, would it be helpful to
17:06:22 11 know how the voter answered the citizenship checkbox?

17:06:27 12 A. Yes. Yes.

17:06:28 13 Q. Okay. All right. So now I do want to look at one
17:06:33 14 of the documents that your office shared in response to
17:06:37 15 plaintiffs' request for production. I didn't see it in the
17:06:40 16 Dropbox.

17:06:40 17 So if it's all right with you and with
17:06:42 18 everybody else, I'm just going to screen share it, and we
17:06:45 19 can just look at it together.

17:06:46 20 A. Sure.

17:06:47 21 Q. Okay. One moment.

17:06:53 22 MR. JOHNSON: What Bates number, Tim?

17:06:56 23 MR. HORLEY: There is no Bates number for
17:06:57 24 this. This is Exhibit B from the Equity Coalition's
17:07:02 25 Request for Production. I believe it was responsive to

17:07:05 1 Request for Production 4 and 5. But it's just a -- it's a
17:07:09 2 spreadsheet, as you'll see.

17:07:09 3 MR. JOHNSON: Thanks.

17:07:19 4 MR. HORLEY. This one is not previously
17:07:19 5 marked. So once we've got it authenticated, I'd like to
17:07:21 6 mark it as Exhibit 164, I believe.

17:07:21 7 (The document was marked as Exhibit 164
17:07:21 8 for identification.)

17:07:21 9 (An off-the-record discussion ensued.)

17:07:21 10 BY MR. HORLEY:

17:07:38 11 Q. Okay. Mr. Webber, can you see this?

17:07:41 12 A. Yes.

17:07:42 13 Q. Okay. Excellent. One moment. Okay.

17:07:51 14 Can you still see the spreadsheet here?

17:07:53 15 A. Yes.

17:07:54 16 Q. Okay. So do you recognize this document?

17:07:59 17 A. Yes, I do.

17:08:00 18 Q. And could you describe what this document shows?

17:08:06 19 A. It was a document we produced for production. And
17:08:12 20 it was -- I can't remember exactly which one it was, but we
17:08:21 21 removed the personally identifiable information out of it.
17:08:29 22 And I would have to go back and look to see exactly, but it
17:08:35 23 looks like we have all kinds of different registrants.

17:08:39 24 So it may be the entire list, but I'm not
17:08:41 25 sure. I'd have to go back and look at their production

17:08:45 1 request and see if we did pare it down any, so . . .

17:08:51 2 Q. Yeah. Understood.

17:08:53 3 Just -- if you could just describe in a
17:08:55 4 nutshell what this document shows us?

17:08:58 5 A. Okay.

17:08:58 6 So the first column is the "Status," what the
17:09:02 7 registration status is.

17:09:03 8 Second column is "Status Reason." Third
17:09:07 9 column is how they registered.

17:09:11 10 The fourth column is "Source of
17:09:15 11 Registration," where that registration came from.

17:09:19 12 Citizenship is -- is -- I believe it's the "Citizenship
17:09:25 13 Verified." Yes. And then federal -- probably there's
17:09:31 14 "Federal-ID" and "Federal-no ID," I would believe. And
17:09:36 15 then "PEVL," which is now AEVL.

17:09:39 16 And then there's a -- their original
17:09:43 17 registration date in the state, their county registration
17:09:45 18 date, and then the effective date of change, which is the
17:09:49 19 last change in their record.

17:09:53 20 Q. Okay. Very good. Thank you. That's very, very
17:09:54 21 helpful.

17:09:55 22 So in the first column, it says "Status," and
17:09:57 23 that refers to their current registration status; correct?

17:10:00 24 A. Yes.

17:10:01 25 Q. So if, for example -- like here on Row 4, it says

17:10:05 1 "canceled," that means that person's registration has been
17:10:08 2 canceled; is that right?

17:10:09 3 A. Yes.

17:10:10 4 Q. Okay. And then this in the "Status Reason" column
17:10:14 5 here, it says why that status exists; correct?

17:10:17 6 A. Yes.

17:10:17 7 Q. Okay. So in this example, it says "NVRA is the
17:10:24 8 status reason. Can you explain what that means?

17:10:26 9 A. That's National Voter Registration Act. This
17:10:31 10 person would have been canceled. We would have -- we've
17:10:34 11 gotten return mail, and it had gone the two federal
17:10:38 12 election cycles without them correcting their address. And
17:10:41 13 then they would be canceled after that.

17:10:43 14 Q. Thank you. That is helpful.

17:10:48 15 Now I'm going to take us down to Row 3963.
17:10:52 16 So just a moment while I get us there.

17:11:17 17 Okay. Here we are. So do you see this row
17:11:20 18 this I'm highlighting here?

17:11:21 19 A. Yes.

17:11:22 20 Q. And this person's status is listed as "not
17:11:26 21 eligible"; correct?

17:11:27 22 A. Yes, it is.

17:11:28 23 Q. So what is the difference between determining that
17:11:31 24 someone is not eligible and then rejecting their
17:11:35 25 application?

17:11:37 1 A. A "not eligible" would be a rejected application
17:11:45 2 because -- and again, with this one it's -- there was
17:11:48 3 invalid citizenship proof or -- invalid citizen- -- I don't
17:11:52 4 think proof. I think it -- they probably showed up with
17:11:54 5 the F-type license, the foreign national, you know,
17:12:03 6 designation on their MVD.

17:12:05 7 Again, with different -- I'd have to look at
17:12:09 8 a specific record, but that's usually what it is. They
17:12:12 9 come up as not being a U.S. citizen in the HAVA checks.
17:12:16 10 And this is how they are put, at least until they provide
17:12:22 11 citizenship proof.

17:12:25 12 Q. Okay. So in this case, someone's -- their
17:12:31 13 registration was rejected because they didn't have
17:12:34 14 citizenship proof?

17:12:34 15 A. Yes.

17:12:35 16 Q. And is it possible that there -- you mentioned the
17:12:41 17 F-type license. Is it possible that there could be some
17:12:43 18 other reason that they would be rejected on this basis?

17:12:46 19 A. I -- I don't believe so. I believe that is the
17:12:49 20 only time we go to "not eligible" is if they come up in our
17:12:55 21 HAVA checks as a foreign national. And that's from the
17:12:58 22 F-type license in the MVD.

17:13:00 23 Q. Okay. So if someone just failed to submit proof
17:13:04 24 of citizenship, what would their status be?

17:13:08 25 A. They would be active and valid if that was the

17:13:13 1 only issue, but they would be a federal voter.

17:13:16 2 Q. Okay. And then in those cases, you would send
17:13:19 3 them a notice, as you mentioned?

17:13:21 4 A. Yes.

17:13:22 5 Q. Okay. And then is it possible that this person or
17:13:26 6 someone with these similar status and reason would be a
17:13:31 7 non-U.S. citizen?

17:13:33 8 A. It is possible.

17:13:34 9 Q. Okay. But there's no way to tell just from
17:13:36 10 looking at this spreadsheet?

17:13:38 11 A. No.

17:13:40 12 Q. Okay. Then I wanted to clarify a couple more
17:13:46 13 things about this spreadsheet.

17:13:49 14 So we talked about before in Column E, there
17:13:52 15 is an entry for whether their citizenship was verified?

17:13:56 16 A. Yes.

17:13:56 17 Q. Is that right? Okay.

17:13:58 18 And then these three columns -- I could
17:14:01 19 scroll back up to the top, but I just wanted to confirm
17:14:03 20 those are for the dates of registration and then the date
17:14:06 21 that their status was updated?

17:14:07 22 A. Yes.

17:14:10 23 Q. Thank you very much. That is all I have for that
17:14:12 24 document. So I'm going to stop that screen share.

17:14:20 25 Okay. So I did want to ask you a few more

17:14:23 1 questions about the database issue and the MVD database.

17:14:27 2 So earlier, you were asked about some errors
17:14:30 3 in the MVD system. And that was at Exhibit 153, which in
17:14:35 4 your Dropbox is Exhibit L.

17:14:55 5 A. Okay. I have it open.

17:14:57 6 Q. Okay. Fantastic.

17:14:58 7 So do you recall this document? Was this
17:15:02 8 issue with the MVD database voters getting downgraded in
17:15:07 9 the database?

17:15:07 10 A. Yes.

17:15:09 11 Q. So you told my colleague, Mr. Langhofer, that
17:15:12 12 nobody was disenfranchised based on this; correct?

17:15:14 13 A. To my knowledge, no one was disenfranchised.

17:15:18 14 Q. Then as we talked about before, it was a little
17:15:20 15 unclear, but you thought maybe six voters were affected by
17:15:25 16 this issue; is that right?

17:15:27 17 A. It looks like from their analysis that they came
17:15:33 18 up with six records that did. Again, whether we had caught
17:15:40 19 it before or not, I don't know. But it looks like six
17:15:45 20 records were affected by this.

17:15:49 21 Q. Okay. And then you said that there are about
17:15:52 22 187,000 registered voters in Yavapai County; is that right?

17:15:56 23 A. Yes.

17:15:57 24 Q. So this affected a very small proportion of
17:16:01 25 Yavapai County voters; is that right?

17:16:02 1 A. Yes.

17:16:04 2 Q. And then are the type of problems that arose here
17:16:08 3 common?

17:16:09 4 A. Not common. They're not unknown. And it's not
17:16:14 5 necessarily authorized presence. It's -- we had -- we've
17:16:19 6 had issues with the MVD having not cleared mailing
17:16:26 7 addresses and things. So we have had problems with the MVD
17:16:31 8 database from time to time, not common. But generally,
17:16:36 9 they have an impact.

17:16:39 10 Q. Okay. So would you say that overall, the MVD
17:16:43 11 database is reliable?

17:16:44 12 A. Overall, yes.

17:16:46 13 Q. Okay. Great.

17:16:48 14 Then would you say the same for the SAVE
17:16:51 15 database?

17:16:52 16 A. As far as I know, the SAVE database works quite
17:16:57 17 well.

17:16:58 18 Q. Yes. And you mentioned before that if a
17:17:03 19 naturalized citizen status hasn't been updated with the
17:17:06 20 MVD, for example, if they had what was called an F-type
17:17:09 21 license -- now it's called something else. I forget what
17:17:12 22 it's called -- but if -- in that situation, they can
17:17:15 23 reconcile that matter by just providing your office with
17:17:18 24 documentation of the naturalization; is that right?

17:17:21 25 A. Or any other type of thing. Let's say a passport

17:17:26 1 they have. Anything that will prove citizenship would do
17:17:30 2 it.

17:17:30 3 Q. Okay. Great.

17:17:33 4 And then I wanted to ask one question about
17:17:36 5 Social Security. You mentioned before that, you know,
17:17:39 6 someone having a Social Security number wouldn't be proof
17:17:42 7 of citizenship. If someone did not have a Social Security
17:17:47 8 number, could that suggest the person is not a U.S.
17:17:49 9 citizen?

17:17:51 10 A. If they didn't put it on their -- their form, no.
17:17:58 11 We have a lot of people that won't put them on their forms.
17:18:02 12 They don't like them out there so . . .

17:18:05 13 Q. But if you were to look at a Social Security
17:18:08 14 check, for example, and you found there is no Social
17:18:11 15 Security number associated with that person, might that
17:18:13 16 suggest that person is not a U.S. citizen?

17:18:16 17 A. It -- it might suggest that that person isn't who
17:18:19 18 they're claiming to be. And that would -- that actually
17:18:23 19 comes up as -- in our system that we couldn't verify their
17:18:28 20 identity. And that's another thing where they get a
17:18:33 21 letter.

17:18:33 22 So -- and we do get those that don't match
17:18:37 23 from time to time. I don't know if any of them were issues
17:18:44 24 besides people, you know, just writing down the wrong
17:18:47 25 number. But we do get those, and we do send them the

17:18:50 1 letters that they haven't provided proof of identity.

17:18:54 2 Q. Okay. Understood.

17:18:58 3 And then I wanted to clarify, if an
17:19:00 4 individual fails to provide DPOC but checks the
17:19:05 5 "citizenship" box on the form, are they registered as a
17:19:08 6 full-ballot voter?

17:19:11 7 A. If -- if we cannot discover DPOC and they didn't
17:19:19 8 provide it, but they checked it, they would still be a --
17:19:22 9 they would it be a federal voter. It's only if we have the
17:19:25 10 documentary proof that they become the full voter.

17:19:30 11 Q. Okay. Thank you. Thanks for clarifying that.

17:19:32 12 Now I wanted to ask you a bit about jury
17:19:36 13 questionnaires. This came up a little bit earlier in your
17:19:39 14 testimony.

17:19:39 15 A. Yes.

17:19:39 16 Q. So you're aware of these questionnaires that
17:19:43 17 report whether someone says they were a citizen or a
17:19:46 18 noncitizen?

17:19:46 19 A. Yes.

17:19:47 20 Q. And your office receives those reports?

17:19:50 21 A. Yes.

17:19:53 22 Q. And if you received information from a jury report
17:19:55 23 that someone was not a U.S. citizen, would you consider
17:19:59 24 that reason to believe that the applicant was not a U.S.
17:20:01 25 citizen?

17:20:03 1 A. I believe it's something that we should check on

17:20:08 2 to make sure, you know, that -- because they did tell a

17:20:14 3 court that they're not a U.S. citizen.

17:20:16 4 Q. So that could be a reason to believe that they are

17:20:19 5 not a U.S. citizen?

17:20:20 6 A. Yes. Yes.

17:20:21 7 Q. Great.

17:20:23 8 And then I did want to have you take a look
17:20:27 9 at one more document, which I don't think is in the Dropbox
17:20:30 10 and, I believe, has not been shared yet. So I am going to
17:20:35 11 go ahead and do another screen share on that one.

17:20:54 12 Do you see this document, Mr. Webber?

17:20:57 13 A. Yes.

17:21:00 14 Q. Okay. And do you see the numbers here in the
17:21:03 15 lower right-hand corner?

17:21:05 16 A. Yes.

17:21:05 17 Q. So is this something that your office produced in
17:21:09 18 response to plaintiffs' request for production?

17:21:13 19 A. Yes.

17:21:16 20 Q. Okay. Great.

17:21:17 21 MR. HORLEY: So I would like to mark this as
17:21:20 22 Exhibit Number 165. And I will share this in the chat at
17:21:25 23 the end of the deposition or at the end of my questions.

17:21:25 24 (The document was marked as Exhibit 165
17:21:25 25 for identification.)

17:21:25 1 BY MR. HORLEY:

17:21:25 2 Q. I'm going to turn to pages 289 and 290 here.

17:21:40 3 Do you see this email from Ashish Puri?

17:21:45 4 A. Yes.

17:21:46 5 Q. Do you recognize who that is?

17:21:48 6 A. Yes. I know who that is.

17:21:50 7 Q. Who is Mr. Puri?

17:21:54 8 A. He is -- he works with the company who programs

17:21:59 9 our database, the AVID database.

17:22:05 10 Q. Okay. Great. Thank you.

17:22:07 11 And then do you see your name here in the

17:22:11 12 middle of this?

17:22:13 13 A. I'm sure it's there. There we go, yes. There I

17:22:19 14 am.

17:22:20 15 Q. Okay. So that's your name and email address.

17:22:24 16 Okay.

17:22:24 17 So I'm just -- it's kind of on two pages

17:22:32 18 here. But would you just take a quick moment to review

17:22:35 19 this email from Ashish Puri.

17:22:42 20 A. Okay.

17:22:43 21 Q. Okay. So -- and is Mr. Puri asking for feedback

17:22:49 22 about the juror questionnaire process?

17:22:52 23 A. Yes. In particular, how we would implement it in

17:22:58 24 the software system with -- if the state got the

17:23:03 25 questionnaire data, how they would roll it out to the

17:23:07 1 counties.

17:23:09 2 Q. Okay. Thank you.

17:23:10 3 And then moving up here. Again, we're kind
17:23:13 4 of on two pages here. But is this an email that you wrote
17:23:18 5 in response to that?

17:23:19 6 A. I believe so, yes. Yes, it is.

17:23:27 7 Q. Okay. Yes. Thank you.

17:23:28 8 And then if you wouldn't mind taking a moment
17:23:30 9 to review -- I'll try to get all of the text here. Just
17:23:34 10 let me know when you're finished reading over this.

17:23:42 11 A. Okay. Yes. And I do remember this.

17:23:45 12 Q. Okay. So could you explain what concerns you were
17:23:49 13 discussing in this email?

17:23:50 14 A. Well, it was if, let's say, we had a situation
17:23:56 15 where someone with -- who had put on their jury form they
17:24:01 16 were not longer a resident of the county.

17:24:04 17 And the way the system works is that it gets
17:24:08 18 put on a clock. You mark it. You send them -- you would
17:24:12 19 send them a notice they would have so many days to reply,
17:24:15 20 again, from the statute. And you -- but what -- you know,
17:24:21 21 the question here is: "What if they were already in the
17:24:26 22 NVRA process; they had already had other returned mail?"
17:24:30 23 We couldn't have two clocks going and require us to do two
17:24:34 24 different things with the record.

17:24:37 25 And that would be you -- how do we settle

17:24:42 1 this conflict, you know, because they're already in a -- in
17:24:49 2 the NVRA process from the National Voter Registration Act.
17:24:52 3 Well, now if they get into the juror process for saying
17:24:57 4 they're not a resident, you know, we -- we have -- we have
17:25:02 5 a problem. The system won't be able to do both.

17:25:10 6 And so it's -- you know, how do we -- how do
17:25:15 7 we deal with that in the system? What is the process to
17:25:18 8 make sure that we just don't muck everything up and things
17:25:23 9 can't get processed at all?

17:25:25 10 Q. Okay. Thank you for explaining that. Appreciate
17:25:27 11 that.

17:25:28 12 So I'm going to move us up here a little bit.

17:25:32 13 So here, this is Mr. Puri responding to your
17:25:36 14 email; is that right?

17:25:36 15 A. Yes.

17:25:37 16 Q. Okay. And then Mr. Puri says, "In my view,
17:25:41 17 someone claiming to not be a citizen on a Jury call is more
17:25:45 18 serious than just undeliverable mail NVRA process"; is that
17:25:49 19 right?

17:25:49 20 A. Yes.

17:25:50 21 Q. And do you agree that that kind of concern is more
17:25:54 22 serious than the NVRA process?

17:25:57 23 A. I don't know if it is being that if the NVRA
17:26:05 24 process is something called by federal law and, obviously,
17:26:09 25 the jury one is something in state law, this would be

17:26:14 1 something that would have to be -- I don't know if it would
17:26:18 2 be litigated or not. But we would have to get some
17:26:21 3 opinions on would one trump the other so . . .

17:26:29 4 Q. Okay. Understood. All right. I think that is
17:26:31 5 all I have on that particular document.

17:26:34 6 Now I wanted to just circle back to the
17:26:42 7 birthplace issue really quickly.

17:26:44 8 So for the state form, your office does not
17:26:47 9 actively track whether a voter provides a correct or
17:26:51 10 incorrect birthplace on their form; is that right?

17:26:54 11 A. Yes.

17:26:55 12 Q. And I understand there's probably no tracking of
17:26:59 13 this. But generally, do most voters include their
17:27:06 14 birthplace when they're filling out the form?

17:27:10 15 A. I don't know a percentage. A lot of them do. We
17:27:14 16 can actually pull that data, but I don't think I've ever
17:27:17 17 pulled it and examined it. But I know it's -- it's common
17:27:21 18 to find it, but I don't know how common.

17:27:25 19 Q. Okay. And then does your office ever use
17:27:29 20 birthplace as part of a voter's personal identifying
17:27:32 21 information? So, for example, if a voter called you over
17:27:35 22 the phone and you needed to identify them, could you use
17:27:38 23 that?

17:27:38 24 A. Yes. Yes, that is -- that is the purpose that we
17:27:41 25 really use it for, to identify them.

17:27:45 1 Q. Okay. I'm sorry.

17:27:50 2 So if there was a discrepancy between two
17:27:53 3 applications -- so let's suppose they had the same name,
17:27:55 4 same address, but listed two different places of birth, how
17:27:59 5 would the County address that situation?

17:28:02 6 A. Well, we would take -- if everything else matched
17:28:06 7 up, I mean, the same date of birth -- you know, a lot of
17:28:11 8 times you'll have the same Social Security, same driver's
17:28:14 9 license, and they'll put something different. We -- we
17:28:17 10 take the latest one because there's not -- there's not a
17:28:21 11 procedure to use if they decided to change what they wrote
17:28:26 12 down on their place of birth.

17:28:30 13 Q. Okay. Understood.

17:28:31 14 And if a court or the secretary of state
17:28:34 15 issued guidance that your office should change how it uses
17:28:38 16 birthplace information, would -- would your office follow
17:28:41 17 that instruction?

17:28:42 18 A. Yes.

17:28:43 19 Q. Okay. And so if a registrant were to write on his
17:28:48 20 or her form that she was born in State 1 -- let's say New
17:28:54 21 York, for example -- but also provided a copy of a birth
17:28:57 22 certificate that was from a different state -- let's say
17:29:00 23 Florida -- what would your office do?

17:29:06 24 A. You know, I don't know if we would actually
17:29:12 25 compare that. We don't look at the place of birth

17:29:16 1 generally. We enter it into the database, but it's not one
17:29:20 2 of those things that we look at to compare with anything
17:29:23 3 else. So I -- I believe it would probably just go right on
17:29:27 4 through.

17:29:29 5 Q. Okay. So it wouldn't raise a red flag that, you
17:29:32 6 know, either their form is wrong or the birth certificate
17:29:36 7 is wrong?

17:29:37 8 A. No. I believe if the birth certificate looks on
17:29:41 9 its face to be valid, we would accept it.

17:29:46 10 Q. Okay. Let me just take one quick look at my notes
17:29:53 11 if you don't mind.

17:30:01 12 MR. HORLEY: All right. I believe that is
17:30:01 13 all I have for you, Mr. Webber. Thank you very much for
17:30:04 14 your time. Really appreciate it.

17:30:07 15 THE WITNESS: Thank you.

17:30:23 16 THE VIDEOGRAPHER: Is that everything from
17:30:25 17 everybody?

17:30:25 18 MR. LANGHOFER: Shayna, do you have
17:30:30 19 questions?

17:30:31 20 MS. STUART: No, I do not. Thanks.

17:30:33 21 MS. PORTER: I also don't have any questions.
17:30:35 22 Thank you for your time today, Mr. Webber.

17:30:38 23 THE WITNESS: Thank you.

17:30:38 24 MR. ATKINS: I just have a few additional
17:30:41 25 questions. This is Alex Atkins again, representing Mi

17:30:42 1 Familia Vota and Voto Latino.

FURTHER EXAMINATION

17:30:43 4

BY MR. ATKINS:

17:30:43 5

Q. Mr. Horley was just asking you about the

17:30:54 6

birthplace information provided on applications. And is it

17:30:59 7

correct that you said that it's sometimes used to confirm a

17:31:05 8

voter's identity when they call in to your office?

17:31:07 9

A. Yes.

17:31:08 10

Q. But to be clear, it's not a piece of information

17:31:14 11

that's used to determine whether they are qualified to

17:31:18 12

vote; correct?

17:31:19 13

A. Yes.

17:31:21 14

Q. And are there other pieces of information that

17:31:25 15

your office uses to confirm a voter's identity over the

17:31:31 16

phone?

17:31:31 17

A. We would -- may use -- there's a "parent name"

17:31:35 18

box. We can actually look and, you know, do other things.

17:31:41 19

I mean, I'll ask the last four of their Social Security

17:31:44 20

number, you know, confirm your date of birth, confirm --

17:31:47 21

you know, any of the pieces of information that aren't

17:31:50 22

generally available to the public, we could use any of that

17:31:55 23

information to confirm who they are.

17:32:00 24

MR. ATKINS: Thanks. That's all my

14:35:49 17 DONNA CASNER,
14:35:49 18 the witness herein, being first duly sworn,
14:35:49 19 was examined and testified as follows:

14:35:49 20
14:35:56 21 EXAMINATION

14:35:56 22 BY MR. ATKINS:

14:36:00 23 Q. Good afternoon, Ms. Casner. Thank you for your
14:36:04 24 patience.

14:36:07 25 Just to start, could you state your full name

14:36:10 1 for the record.

14:36:11 2 A. Donna Casner.

14:36:13 3 Q. What's your full title?

14:36:16 4 A. Coconino County chief deputy recorder.

14:36:19 5 Q. And how long have you been the chief deputy
14:36:22 6 recorder?

14:36:24 7 A. Since January 2013.

14:36:28 8 Q. And have you held any other roles with the
14:36:31 9 Coconino -- Coconino County Recorder's Office?

14:36:34 10 A. Yes. I've been employed with the recorder's
14:36:37 11 office since June of 2004 in various roles, mostly with
14:36:42 12 voter registration.

14:36:52 13 Q. And I won't go through all the kind of prefatory
14:36:55 14 questions that you already heard with Ms. Hansen, but just
14:36:58 15 to confirm, you understand that you're testifying under
14:37:01 16 oath?

14:37:02 17 A. Yes.

14:37:02 18 Q. And is there anything that would prevent you from
14:37:08 19 giving full, complete, and accurate testimony today?

14:37:12 20 A. No.

14:37:13 21 Q. Have you ever been deposed previously regarding
14:37:19 22 voter registration in Coconino County?

14:37:21 23 A. No.

14:37:22 24 Q. Can you please describe your responsibilities in
14:37:37 25 your role?

14:37:39 1 A. Yes. I oversee the voter registration and early
14:37:43 2 voting division, so basically everything to do with any
14:37:50 3 kind of voter registration, list maintenance. We also
14:37:55 4 process petitions related to elections and conduct all
14:38:01 5 aspects of early voting.

14:38:03 6 Q. So one question that I think we haven't been able
14:38:11 7 to get a complete answer to yet is: Do you -- are you able
14:38:17 8 to give us a sense of the proportion of state form voter
14:38:23 9 registration applicants versus federal form applicants?

14:38:27 10 A. As far as applicants, not -- no. But I can tell
14:38:34 11 you that -- I can tell you the approximate number of actual
14:38:41 12 federal-only voters versus -- is that what you're looking
14:38:43 13 for?

14:38:44 14 Q. That would be helpful.

14:38:46 15 A. So since July of this -- July 1st of 2023, this
14:38:53 16 year, we had 591 active federal-only voters and 1,167
14:39:01 17 inactive federal-only voters. And I think we have
14:39:06 18 approximately 89,000 total active voters right now. So
14:39:12 19 it's -- it's a small number, but it's still -- it's in the
14:39:16 20 hundreds.

14:39:18 21 Q. So the vast majority of active registrants in
14:39:22 22 Coconino County are full-ballot voters?

14:39:25 23 A. Correct.

14:39:27 24 Q. Ms. Hansen and I spoke briefly about VRAC, and I'm
14:39:41 25 wondering if you have any insights into whether VRAC has

14:39:46 1 done any work or made any proposals regarding HB 2492 or
14:39:54 2 2243.

14:39:54 3 A. I believe that for 2243, there were two VRAC
14:40:01 4 papers proposed, but nothing has been finalized yet on how
14:40:09 5 we would go forward with processing the jury
14:40:13 6 questionnaires, the nonresident and the noncitizen jury
14:40:16 7 questionnaires. So there were two issues: one for
14:40:21 8 nonresident and one for noncitizen.

14:40:22 9 Q. Understood.

14:40:24 10 And so jury questionnaire matters are the
14:40:31 11 only issue or only component of the challenged laws that
14:40:35 12 VRAC has taken up at this point?

14:40:38 13 A. To my knowledge, yes.

14:40:39 14 Q. And do you know what the basic substance of VRAC's
14:40:47 15 proposal was regarding citizenship vis-a-vis the jury
14:40:55 16 questionnaire?

14:40:57 17 A. I know that the VRAC papers were based off of if
14:41:04 18 the new laws are followed, so basically the same as what's
14:41:11 19 going to be put in the new EPM if the laws are upheld.

14:41:17 20 Q. Understood.

14:41:18 21 Separately, are you aware if either the state
14:41:24 22 or federal registration forms have been revised at all as a
14:41:30 23 result of HB 2492 or 2243?

14:41:35 24 A. I am not aware. I know that I -- I have the most
14:41:42 25 recent copy of the registration form and it was revised on

14:41:52 1 the bottom -- it was provided by the secretary of state,
14:41:55 2 revised September of 2022. So that's the most recent form
14:42:00 3 we are using, and I believe that is the most recent form
14:42:04 4 available.

14:42:06 5 Q. Understood. One moment.

14:42:23 6 Is it correct that voter registration
14:42:27 7 applicants who complete the federal registration form must
14:42:34 8 affirm their citizenship under the penalty of perjury?

14:42:42 9 A. Yes.

14:42:45 10 Q. And under federal law, does that affirmation of
14:42:54 11 citizenship -- is that sufficient to confirm the
14:43:00 12 applicant's citizenship?

14:43:02 13 MR. LANGHOFER: Calls for a legal conclusion.

14:43:05 14 THE WITNESS: For the federal form, yes.

14:43:06 15 BY MR. ATKINS:

14:43:13 16 Q. So if a federal form applicant completes the
14:43:16 17 citizenship affirmation but does not respond to the
14:43:21 18 citizenship checkbox, does your office register that voter
14:43:27 19 for federal elections?

14:43:30 20 A. For federal elections, yes. If -- if they did not
14:43:35 21 provide DPOC but they checked "yes" to the citizenship box,
14:43:40 22 they will be a federal-only voter.

14:43:44 23 Q. And -- and what if they did not provide DPOC and
14:43:52 24 did not check "yes" or "no" but did complete the
14:43:55 25 citizenship affirmation that comes along with them signing

14:43:59 1 the federal form?

14:44:02 2 A. So we follow the EPM. So we would put them in
14:44:05 3 suspense -- a suspense status and send them a letter to
14:44:10 4 confirm that they are a U.S. citizen.

14:44:14 5 Q. Give me just one moment, please.

14:44:42 6 Some questions about the various databases
14:44:48 7 that have been discussed today thus far.

14:44:52 8 First, AVID. At a high level, could you just
14:44:58 9 describe how AVID is utilized in the voter registration
14:45:02 10 process?

14:45:06 11 A. Yes. So AVID is our voter registration database.
14:45:09 12 It holds all of the information about our voters. It also
14:45:14 13 holds all of their voting history and early ballots being
14:45:21 14 issued, things like that. When we enter a registration, it
14:45:26 15 also runs what we call the HAVA checks to check against
14:45:31 16 the -- the other databases that are connected to it for
14:45:36 17 things like citizenship proof and identity.

14:45:41 18 Q. And when the AVID database runs the HAVA check, is
14:45:51 19 it querying databases other than the MVD ADOT database?

14:45:57 20 A. Yes. It queries the MVD database and also the
14:46:03 21 Social Security Administration, the -- the state health
14:46:08 22 department for death records, and any -- I'm not sure
14:46:15 23 exactly which courts, but it checks for felony records
14:46:21 24 through the courts as well.

14:46:24 25 Q. And am I correct that Ms. Hansen testified

14:46:30 1 earlier -- and maybe you can confirm -- that the HAVA check
14:46:37 2 utilizing the Social Security database is confirming
14:46:44 3 identity as opposed to confirming citizenship; is that
14:46:51 4 right?

14:46:51 5 A. That's correct.

14:46:51 6 Q. So is it correct that the MVD data is the only
14:46:56 7 data that HAVA is querying that provides information on
14:47:01 8 citizenship?

14:47:03 9 A. That is correct.

14:47:04 10 Q. What is the AVID Enhancement Committee?

14:47:11 11 A. It is a group of AVID users from the county that
14:47:19 12 are very well versed in AVID and also the secretary of
14:47:25 13 state and the actual AVID, like, software developers. And
14:47:32 14 what we do is we -- we bring ideas for enhancing the
14:47:38 15 system, making it either easier for us to use or if there's
14:47:44 16 a bug or -- or a new law that we have to implement, we
14:47:51 17 would go through that committee to make decisions on what
14:47:56 18 needs to be done.

14:48:02 19 Q. And to your knowledge, has the AVID Enhancement
14:48:05 20 Committee had any meetings or done any work relating to
14:48:09 21 implementation of HB 2492 or 2243?

14:48:15 22 A. I know that they have started plans on
14:48:18 23 implementing the jury one, not 2492 -- the other one, the
14:48:26 24 jury questionnaire -- to go along with the VRAC papers that
14:48:31 25 I had mentioned before. So there is some preliminary,

14:48:36 1 like, just brainstorming on how AVID would have to change
14:48:41 2 with that but nothing has been implemented yet or accepted
14:48:48 3 by the VRAC steering committee, which is -- which has to
14:48:51 4 accept all of our enhancements.

14:48:55 5 Q. When you use the AVID system to run the HAVA check
14:49:05 6 and -- and it queries MVD's data, what are the different
14:49:15 7 possible results you can get back from that inquiry to --
14:49:19 8 into MVD data? Like, what are the possible outcomes?

14:49:26 9 A. There's U.S. citizen and then I believe it's
14:49:31 10 something like resident alien or -- it's whatever we use
14:49:38 11 that we know they're not a citizen. I'd have to look it up
14:49:41 12 for the exact wording. It has something to do with
14:49:49 13 resident: legal resident, something like that. And that's
14:49:54 14 how we know that they were not -- they did not show
14:49:59 15 citizenship proof when they got their driver's license.

14:50:02 16 Q. Understood.

14:50:07 17 And am I correct that the inquiry into the
14:50:15 18 MVD data takes place whether the applicant provides a
14:50:20 19 driver's license number or not?

14:50:23 20 A. Right. We have to run a HAVA check every time we
14:50:28 21 enter a registration or do an update to a registration.

14:50:35 22 Q. So if they happen to provide a driver's license
14:50:38 23 number, that's an additional piece of data that's used
14:50:43 24 to -- to query the MVD database; but if not, the other
14:50:49 25 information about themselves that they provided is -- is

14:50:52 1 what's used to get a result from MVD?

14:50:59 2 A. Right. Even if they don't put a driver's license

14:51:02 3 down on their form, it will still do a query and let us

14:51:06 4 know if something is found in MVD based on the other --

14:51:10 5 like the date of birth, the name.

14:51:14 6 Q. Can you describe how your office uses ERIC with
14:51:30 7 regard to voter registration?

14:51:35 8 A. Yes. So we will receive -- and this comes from --
14:51:39 9 organized by the Secretary of State's Office. But we
14:51:43 10 receive lists from other states on possible matches. And
14:51:50 11 then we have to compare things like the effective date of
14:51:55 12 change. Did the voter register at the other state later
14:52:02 13 than us and -- to determine if we need to cancel them here.

14:52:09 14 Q. Is ERIC used at all in determining or verifying
14:52:15 15 whether a voter is a U.S. citizen?

14:52:19 16 A. Not that I know offhand. We use it for list
14:52:24 17 maintenance in regards to if they move to another state,
14:52:30 18 and we also compare if they voted in more than one state.

14:52:35 19 Q. Do you know if ERIC even hypothetically could be
14:52:39 20 used with regard to citizenship inquiries?

14:52:44 21 A. I do not.

14:52:45 22 Q. Switching over to talk a bit about the SAVE
14:52:56 23 database.

14:52:58 24 First, do you know how long the Coconino
14:53:05 25 County Recorder's Office has been using SAVE?

14:53:11 1 A. I would say at least five or six years. It's
14:53:14 2 whenever they had agreement that all the states could use
14:53:23 3 it. Prior to that, I believe it was only Maricopa County
14:53:26 4 that had a separate agreement to use it. So we fell under
14:53:33 5 the blanket of the secretary of state's agreement is my
14:53:39 6 understanding.

14:53:39 7 Q. And under -- under that agreement, are there
14:53:43 8 certain processes that you're required to follow when using
14:53:49 9 the SAVE database?

14:53:51 10 A. I mean, it's -- it's fairly straightforward. It
14:53:55 11 does mention in the EPM that we are to use it to verify
14:54:02 12 citizenship if they provided a naturalization number.
14:54:06 13 That's the reason that we would use SAVE -- is to confirm
14:54:11 14 that that natural -- well, to use that naturalization
14:54:14 15 number to confirm that they are a U.S. citizen.

14:54:19 16 Q. And the same goes for if they provide an alien
14:54:24 17 registration number?

14:54:26 18 A. Right. I guess, I -- but -- yes.

14:54:31 19 Q. Do you know if the secretary's existing agreement
14:54:41 20 regarding SAVE would cover the contemplated uses of SAVE
14:54:46 21 under HB 2492 and 2243?

14:54:51 22 A. I don't know. I don't -- I don't know if I
14:54:56 23 understand the question.

14:55:01 24 Q. That's fine. We can -- we can move past it.

14:55:04 25 Is it correct that SAVE can only be utilized

14:55:16 1 in conjunction with a naturalization number or an A-number?

14:55:23 2 A. That's my understanding, yes.

14:55:27 3 Q. And so SAVE can only be utilized to confirm

14:55:31 4 whether someone has become a U.S. citizen as opposed to

14:55:38 5 confirming a natural-born U.S. citizen; right?

14:55:41 6 A. Correct.

14:55:42 7 Q. What is your office's policy if the SAVE search

14:55:53 8 returns no match?

14:55:59 9 A. We follow up with the voter and we ask them for

14:56:04 10 further documentation. A lot of times, they can show us

14:56:09 11 their actual naturalization papers because my understanding

14:56:15 12 is there is a lag time that SAVE will update their

14:56:22 13 information.

14:56:25 14 Q. And so if you ask an applicant for additional

14:56:30 15 documentation, do you then provide that documentation to

14:56:38 16 USCIS through SAVE so that they can look into it further,

14:56:42 17 or do you look into it further independently?

14:56:47 18 A. If they show us their naturalization document, we

14:56:51 19 take it at face value.

14:56:55 20 Q. And what if, for example -- well, strike that.

14:57:05 21 Are you familiar with USCIS's alternative

14:57:11 22 verification procedures through SAVE?

14:57:16 23 A. No, I am not.

14:57:18 24 Q. Are you aware of any circumstances where SAVE did

14:57:25 25 not return a match and you were never ultimately able to

14:57:33 1 confirm the applicant's citizenship status?

14:57:38 2 A. I am not aware of that situation.

14:57:49 3 Q. Is SAVE used by your office only at the point of
14:57:53 4 voter registration, or is it also used for any sort of
14:57:58 5 ongoing maintenance or -- or, I guess, post hoc checks into
14:58:03 6 a person's citizenship status?

14:58:07 7 A. It's only used at initial registration when we
14:58:12 8 need to check that number to get proof of citizenship.

14:58:25 9 Q. Other than the MVD database through AVID --
14:58:30 10 through AVID and the HAVA check process and the SAVE
14:58:34 11 database, are there any other databases that your office
14:58:37 12 uses to inquire into a registrant's citizenship status?

14:58:44 13 A. No.

14:58:46 14 Q. Are you aware that HB 2492 would require your
14:58:51 15 office to also utilize, quote, "any other state, city,
14:58:57 16 town, county, or federal database and any other database
14:59:01 17 relating to voter registration"?

14:59:05 18 A. I did read that, yes.

14:59:07 19 Q. Do you have any idea what databases that language
14:59:11 20 is referring to?

14:59:13 21 MR. LANGHOFER: Calls for legal conclusion.

14:59:17 22 THE WITNESS: No.

14:59:18 23 BY MR. ATKINS:

14:59:18 24 Q. Are you aware of any other databases that you're
14:59:21 25 not currently using that would be useful to your office's

14:59:26 1 voter registration efforts?

14:59:29 2 A. No.

14:59:30 3 MR. LANGHOFER: Asked and answered.

14:59:34 4 Alexander, she isn't a representative for the
14:59:37 5 whole office. So I think we've already asked these
14:59:38 6 questions of someone else from the same office; right? I
14:59:42 7 mean -- I mean, to the extent --

14:59:47 8 MR. ATKINS: I don't -- you know, she --
14:59:48 9 she's been designated as the witness that is most
14:59:51 10 knowledgeable on these questions. So to the extent
14:59:55 11 Ms. Hansen spoke to them, I don't think that precludes me
14:59:57 12 from ensuring that we have full and complete answers from
15:00:00 13 the office.

15:00:01 14 MR. LANGHOFER: Yeah, it's your depo time.

15:00:04 15 MR. ATKINS: It is.

15:00:05 16 BY MR. ATKINS:

15:00:14 17 Q. We talked briefly about how the Social Security
15:00:18 18 Administration data is utilized as part of the HAVA check
15:00:21 19 for confirming an applicant's identity.

15:00:26 20 Aside from that use, have you ever utilized
15:00:31 21 the Social Security data in any other context in your
15:00:36 22 position?

15:00:38 23 A. No.

15:00:40 24 Q. Do you know if Social Security Administration data
15:00:44 25 could be used to verify citizen -- citizenship status?

15:00:48 1 A. I am not aware of that.

15:00:53 2 Q. Are you familiar with the National Association for

15:01:00 3 Public Health Statistics and Information Systems, or

15:01:01 4 NAPHSIS?

15:01:02 5 A. I've never heard of that.

15:01:06 6 Q. So you're not familiar with any of its databases,

15:01:10 7 then?

15:01:11 8 A. Correct. I am not.

15:01:17 9 MR. ATKINS: I don't have any further

15:01:19 10 questions for you, but I'm sure some of my colleagues do.

15:01:22 11 Thank you very much for your time.

15:01:25 12 THE WITNESS: Thank you.

15:01:31 13 MS. LANG: Should we take a short break?

15:01:34 14 MR. ATKINS: Yeah. Can we -- can we take a

15:01:37 15 ten-minute break to see what else we have for Ms. Casner?

15:01:48 16 MR. MORGAN: Sounds good. Do you think it's

15:01:50 17 possible, at least for the plaintiffs -- we're going to --

15:01:52 18 I have -- I have obligations to my children at 5:30. I

15:01:57 19 just want to make sure we're on track to be done.

15:02:06 20 THE COURT REPORTER: Do you want to --

15:02:08 21 MR. ATKINS: Are we off the record?

15:02:08 22 MR. MORGAN: Sure.

EXAMINATION

BY MR. PATTERSON:

Q. Thank you for your time today again, Ms. Casner. Hopefully we'll be able to wrap this up shortly and have you on your way.

I have a few follow-up questions regarding the MVD database and the USCIS's SAVE system. So I'd like to begin with the MVD databases.

Do you recall an incident from last year that was flagged by the Arizona Secretary of State's Office where database matching produced erroneous results and caused the downgrading of thousands of voters to federal-only voting status?

A. Yes, I do.

Q. What happened?

A. So basically, the secretary of state notified us that the MVD was erroneously not letting us know that the voter was a citizen, so they were being put as fed-only voters for a period of time.

And then we received instructions from the secretary of state on how to rectify them. We got a list

15:14:07 1 to review and then a letter that we sent out -- a template
15:14:13 2 letter that we sent out to those voters letting them know.
15:14:17 3 Q. Do you recall what was the cause of the error that
15:14:23 4 downgraded these voters to federal-only status?
15:14:29 5 A. I do not.
15:14:31 6 Q. And how many voters were affected in Coconino
15:14:37 7 County?
15:14:37 8 A. I do have a copy of the email that I sent to the
15:14:45 9 secretary of state with our findings. And I can just read
15:14:50 10 that off if --
15:14:55 11 Q. Yes.
15:14:57 12 A. So two records had already been sent a fed-only
15:15:05 13 ballot. We changed them from fed-only to full-ballot
15:15:08 14 status and we reissued a full ballot with a letter. So
15:15:12 15 that was two voters.
15:15:13 16 Five records were determined to not be a
15:15:16 17 match with the MVD record, the list, so they remained in
15:15:21 18 their original fed-only status.
15:15:26 19 16 records were changed from fed-only to
15:15:28 20 full-ballot status. And by doing so, they were added to
15:15:32 21 the AEVL and are now being sent a full ballot. They were
15:15:36 22 previously not sent a ballot.
15:15:40 23 86 records were changed from fed only to full
15:15:42 24 ballot, but they were not on AEVL, so they were not sent a
15:15:47 25 ballot.

15:15:53 1 Q. In your professional capacity, what does this
15:16:01 2 error say to you about the reliability of database matching
15:16:04 3 to assess a person's current U.S. citizenship status?

15:16:08 4 A. Databases may sometimes have an error. But in my
15:16:19 5 experience, it's been quickly caught and rectified, as it
15:16:23 6 was with this.

15:16:25 7 Q. And what does it say to you about the reliability
15:16:30 8 of database matching to assess whether voters have
15:16:34 9 previously satisfied the DPOC requirement?

15:16:41 10 A. I'm comfortable with the databases performing the
15:16:47 11 function that they need to.

15:16:50 12 Q. Is it feasible to use MGB -- MVD driver's license
15:16:59 13 and nonoperating ID databases to conclusively determine a
15:17:04 14 lack of U.S. citizenship?

15:17:10 15 A. I'm confident that if the driver's license is
15:17:22 16 flagged as non-U.S. citizen, then the database will let me
15:17:27 17 know that.

15:17:30 18 Q. Okay. And is it practicable -- scratch that.
15:17:42 19 By statute, your office is required to check
15:17:54 20 MVD databases for citizenship verification on a monthly
15:17:58 21 basis. Is this practicable?

15:18:03 22 MR. LANGHOFER: Calls for a legal conclusion.

15:18:06 23 THE WITNESS: I don't have an opinion on
15:18:11 24 that. I follow the procedures.

15:18:15 25 BY MR. PATTERSON:

15:18:22 1 Q. But in -- with regard to the resources of your
15:18:29 2 office, are you capable of checking against the MVD
15:18:37 3 database for citizenship verification on a monthly basis?

15:18:43 4 A. It depends on how it's done. If it's an
15:18:47 5 automatic -- which I assume it would be an automatic
15:18:52 6 function of AVID, then yes, it would be capable.

15:18:58 7 Q. Okay. Thank you.

15:18:59 8 Moving on to the SAVE system, is it common
15:19:07 9 for people to put down an alien registration number or a
15:19:12 10 naturalization certificate number on their Arizona voter
15:19:16 11 registration form?

15:19:18 12 A. It's not common. We see very few in the
15:19:26 13 percentage of overall registrations.

15:19:28 14 Q. Are you able to provide a ballpark percentage?

15:19:33 15 A. I -- I don't see every form that comes through our
15:19:39 16 office, but I would say, if I had to ballpark, maybe one or
15:19:44 17 two a month.

15:19:46 18 Q. Okay. Thank you.

15:19:49 19 If just an alien registration number or a
15:19:53 20 naturalization certificate number is provided, does your
15:19:56 21 office check that using the SAVE system?

15:20:00 22 A. If there are no other -- if there is no other DPOC
15:20:07 23 provided, then yes. If we are able to -- from, like, a
15:20:11 24 driver's license or something like that, then we don't need
15:20:17 25 to. But if that's the only DPOC, then we run it through.

15:20:25 1 Q. Can you check both the alien registration number
15:20:29 2 and naturalization certificate number at the same time in
15:20:33 3 the same -- in the SAVE system?

15:20:36 4 A. My understanding is the SAVE system will take
15:20:39 5 either one.

15:20:42 6 Q. By "either one," does that mean that you -- in
15:20:46 7 order to check those numbers, you'd have to do either/or,
15:20:51 8 or would you be able to put in both of those numbers
15:20:55 9 simultaneously?

15:20:55 10 A. Either/or.

15:20:57 11 Q. Okay. Do you have alien registration numbers or
15:21:03 12 naturalization certificate numbers for all naturalized
15:21:06 13 registered voters in Coconino County?

15:21:07 14 A. No. Only if they actually provide that on their
15:21:11 15 form.

15:21:12 16 Q. And what does your office do if the SAVE system
15:21:17 17 search matches to a record reflecting a lack of U.S.
15:21:21 18 citizenship?

15:21:23 19 A. We will follow up with the voter and ask for proof
15:21:27 20 of citizenship.

15:21:29 21 Q. And how frequently does this occur?

15:21:34 22 A. Very seldom. I would have to actually do some
15:21:39 23 research to even find any of those situations.

15:21:44 24 Q. When you run a SAVE system search and in the case
15:21:51 25 where it indicates a record reflecting a lack of U.S.

15:21:57 1 citizenship, is that conclusive? Is that the end of the
15:22:02 2 road for that voter registration applicant or registered
15:22:08 3 voter?

15:22:09 4 A. No. That's when we would follow up with them and
15:22:12 5 ask either to see their naturalization documents or let us
15:22:19 6 know, you know -- give us a different form of citizenship
15:22:23 7 proof.

15:22:25 8 Q. Do you take -- in addition to that, do you take
15:22:29 9 any other steps to verify that individual citizenship
15:22:34 10 status if initial verification fails to verify U.S.
15:22:39 11 citizenship?

15:22:41 12 A. Well, we -- we do all of our checks, MVD, you
15:22:45 13 know, everything through AVID. And then if that comes back
15:22:51 14 with nothing and the SAVE program comes back as noncitizen,
15:22:55 15 that's when we would reach out to them and let them know
15:22:58 16 that we need another form of citizenship proof.

15:23:03 17 Q. Do you have any familiarity with USCIS's
15:23:06 18 additional verification procedures --

15:23:08 19 A. I do not.

15:23:09 20 Q. -- following the initial search?

15:23:12 21 A. No.

15:23:16 22 Q. Okay. And -- and in the case where you contact
15:23:30 23 individuals following a search which indicates a lack of
15:23:35 24 citizenship, do these individuals typically complete the
15:23:40 25 registration process by providing DPOC after receiving your

15:23:43 1 notice letter?

15:23:45 2 A. I -- I couldn't say how many, but I do recall at
15:23:53 3 least a few instances of them saying that they were very
15:23:58 4 recently naturalized. I would have to do some research to
15:24:01 5 actually find those scenarios, though. But it's -- the
15:24:07 6 amount that we have to follow up on is so small that it
15:24:13 7 doesn't happen very often.

15:24:14 8 Q. Okay. Thank you. I only have two more questions.
15:24:19 9 Would you agree that SAVE can be used to
15:24:22 10 confirm U.S. citizenship but cannot be used to confirm a
15:24:25 11 lack of U.S. citizenship?

15:24:28 12 A. Yes. Because if it -- if it is -- if there is a
15:24:39 13 lapse in when they became a citizen and it's still showing
15:24:44 14 that they are not, then -- then I can't 100 percent use
15:24:53 15 that as they are not a citizen.

15:24:57 16 Q. Thank you.

15:24:58 17 And has your office been communicating with
15:25:01 18 the USCIS about HB 2492 and HB 2243?

15:25:09 19 A. Not that I'm aware of.

15:25:12 20 Q. Okay.

15:25:13 21 MR. PATTERSON: Thank you very much. That
15:25:14 22 completes my questions.

15:25:17 23 THE WITNESS: Thank you.

15:25:23 24 MR. LANGHOFER: Tim, do you have some
15:25:25 25 questions?

15:25:26 1 MR. HORLEY: Yes, I do have a few questions,
15:25:30 2 hopefully not too many.

15:25:30 3

15:25:30 4 EXAMINATION

15:25:30 5 BY MR. HORLEY:

15:25:33 6 Q. But I do have a few documents I wanted to look at
15:25:36 7 with you, Ms. Casner, if that's all right.

15:25:42 8 So yes, Ms. Casner, I'm -- my name is Tim
15:25:43 9 Horley. I'm with the Arizona Attorney General's Office.
15:25:46 10 Thanks for sticking with us through the afternoon today.

15:25:49 11 So I just have a few questions I wanted to
15:25:53 12 follow up on. If a registrant were to mark "no" in the
15:26:00 13 citizenship checkbox but also provide a purported copy of a
15:26:04 14 citizenship document, like a birth certificate, what would
15:26:07 15 your office do in that situation?

15:26:10 16 A. According to our current procedures manual, we
15:26:14 17 would take the DPOC as proof of citizenship and register
15:26:19 18 them.

15:26:21 19 Q. Okay. So even if they say "No, I'm not a citizen"
15:26:26 20 on the form, as long as there's DPOC, you accept DPOC at
15:26:30 21 face value?

15:26:31 22 A. Right. We will follow up with them as well, but
15:26:37 23 the EPM does specifically say that even if they checked
15:26:42 24 "no," we will still register them as long as DPOC says
15:26:46 25 otherwise.

15:26:48 1 Q. Okay. And so you say you would follow up with

15:26:51 2 them.

15:26:51 3 Is that like a set procedure or just

15:26:54 4 something you might --

15:26:56 5 A. You know, it -- it happens so seldom I can't even

15:27:01 6 think of a time when it has, but I would have to look into

15:27:06 7 it to see. I think we have -- may have a letter that we

15:27:10 8 send them about that.

15:27:13 9 Q. Okay. And one other thing that Ms. Hansen

15:27:18 10 mentioned you might know more about is whether it's

15:27:21 11 possible for a registrant to submit a purported copy of a

15:27:26 12 citizenship document like a birth certificate or a passport

15:27:29 13 that was somehow defective; for example, it was blurry or

15:27:32 14 difficult to read.

15:27:34 15 What would you do in that situation?

15:27:37 16 A. If we couldn't make out enough to match it to the

15:27:43 17 voter's form, the information on their form, then we would

15:27:47 18 ask for a clarifying copy. I cannot recall a time when

15:27:54 19 that has happened.

15:27:56 20 Q. Okay. What about if it looked like the document

15:28:02 21 maybe belonged to someone else who was registered who had a

15:28:04 22 similar name, like if it was someone named John Smith, for

15:28:10 23 example?

15:28:10 24 A. We would also match other identifying information

15:28:15 25 like date of birth to make sure.

15:28:20 1 Q. Okay. And so in those situations, would it be

15:28:25 2 helpful to know how the voter answered the citizenship

15:28:28 3 checkbox?

15:28:31 4 A. I don't see that as helping.

15:28:38 5 Q. All right. I now want to ask you about one of the

15:28:42 6 documents that your office produced. It is a spreadsheet.

15:28:45 7 So I'm going to do what I did before and just screen-share,

15:28:49 8 and then I will send it around to everybody in the chat.

15:29:07 9 Okay. Can you see this document, Ms. Casner?

15:29:10 10 A. Yes.

15:29:11 11 Q. And do you recognize this document?

15:29:15 12 A. I do.

15:29:17 13 Q. And did your office produce this in response to

15:29:21 14 plaintiffs' request for production?

15:29:23 15 A. Yes.

15:29:24 16 Q. Okay.

15:29:26 17 MR. HORLEY: I would like to mark this as

15:29:30 18 Exhibit -- I believe we're at 180.

15:29:32 19 THE COURT REPORTER: Yes.

15:29:33 20 MR. HORLEY: Okay. Thank you.

15:29:33 21 (The document was marked as Exhibit 180

15:29:38 22 for identification.)

15:29:38 23 BY MR. HORLEY:

15:29:39 24 Q. So could you tell me sort of in a nutshell what

15:29:43 25 does this document show us?

15:29:44 1 A. This is a list from our AVID database for any
15:29:52 2 registrant in a suspense status, a not-eligible status, or
15:29:57 3 a not-registered status as of the time that it was
15:30:01 4 produced.

15:30:03 5 Q. Okay. Thank you. And then I'm going to ask you a
15:30:09 6 little bit about just these columns.

15:30:11 7 So I see this first column says "Status," so
15:30:13 8 that shows someone's voter registration status; is that
15:30:17 9 right?

15:30:17 10 A. Correct.

15:30:18 11 Q. And then the "Status Reason," that gives the
15:30:22 12 reason for their current registration status; is that
15:30:28 13 right?

15:30:28 14 A. Right.

15:30:29 15 Q. Okay. Great. I'm just going to expand these so
15:30:31 16 they're a little easier to read.

15:30:33 17 And then this next column shows the date of
15:30:36 18 registration?

15:30:38 19 A. Correct.

15:30:39 20 Q. And then this column here, Column E, shows the
15:30:44 21 date that -- of change, so that would show the date that
15:30:47 22 this current status was listed?

15:30:53 23 A. Usually the -- the effective date of change is the
15:30:59 24 last time something significant happened with the record.
15:31:03 25 So I couldn't say that it's always just when the status was

15:31:09 1 changed, but when the status changed, it does affect that
15:31:17 2 effective date, if that makes sense.

15:31:21 3 Q. Okay. Yes, I think so. Just trying to get an
15:31:23 4 idea of what we're looking at here.

15:31:27 5 So -- okay. And then I want to draw your
15:31:28 6 attention to Row Number 25. And it says this person's
15:31:32 7 status is "Not Registered." And then it says the status
15:31:34 8 reason is "Purged."

15:31:35 9 Am I reading that right?

15:31:36 10 A. Yes.

15:31:37 11 Q. Can you explain what "purged" means in this
15:31:43 12 context?

15:31:46 13 A. Those are from a very long time ago. We don't use
15:31:51 14 that status anymore, but if -- if I were to say -- I mean,
15:32:01 15 the only time they are purged is if they were in a
15:32:07 16 not-registered status for so long -- or a canceled status,
15:32:12 17 I should say, for so long that they became not registered.
15:32:19 18 I would have to look into it to see exactly what happened
15:32:23 19 with those records.

15:32:27 20 But one way or another, "purged" means that
15:32:33 21 they were removed, essentially, from the list of -- of
15:32:40 22 voters into a not-registered state because they were either
15:32:44 23 in suspense for so long or in rejected status for so long.
15:32:51 24 That -- that's my best thought. But I would have to look
15:32:57 25 back. That status has not been used for a very long time.

15:33:01 1 Q. Okay. Understood. Thank you.

15:33:03 2 Now I want to draw your attention to Row 44
15:33:07 3 here.

15:33:12 4 A. Yes.

15:33:12 5 Q. I'll move it up a little bit.

15:33:12 6 So here it says that the status is "Not
15:33:14 7 Eligible"; right?

15:33:16 8 A. Correct.

15:33:16 9 Q. And then the reason is "Invalid Citizenship
15:33:20 10 Proof"; correct?

15:33:20 11 A. Yes.

15:33:22 12 Q. Okay. So what does this status reason mean?

15:33:27 13 A. This could mean either that they marked "no" on
15:33:34 14 the -- on the box and we did not have DPOC or we received
15:33:43 15 notification from the MVD that they were not a citizen or
15:33:51 16 we received information from the SAVE program that they
15:33:55 17 weren't a citizen and we were not able to receive any DPOC.

15:34:02 18 Q. Okay. So in this situation, would you follow up
15:34:06 19 with a voter before you determined they were not eligible,
15:34:09 20 or does -- does that process happen without giving notice
15:34:14 21 first?

15:34:16 22 A. For these specific ones where we are getting that
15:34:21 23 information from the database that they are not a citizen,
15:34:26 24 we change them to not eligible and then follow up.

15:34:31 25 Q. Okay. And is there a reason why it's listed as

15:34:33 1 not eligible rather than, for example, suspense?

15:34:38 2 A. Yes. The suspense are for federal -- federal form
15:34:49 3 voters that did not answer the checkbox -- checkbox
15:34:56 4 question and did not provide DPOC.

15:35:02 5 Q. Okay. I think you're sort of getting at my next
15:35:04 6 question, which is: Why would someone in this situation
15:35:07 7 not be listed as a fed-only voter? Why would they be
15:35:12 8 considered not eligible?

15:35:14 9 A. If they used the state form and they said "no" and
15:35:23 10 they didn't have DPOC.

15:35:27 11 Q. Okay. So is this -- does this suggest that this
15:35:32 12 person may not be a U.S. citizen when they attempted to
15:35:36 13 register to vote?

15:35:39 14 A. Without any other proof, yes.

15:35:48 15 Q. Okay. I know Ms. Hansen mentioned there have been
15:35:50 16 some situations like at voter registration drives, for
15:35:54 17 example, when someone may have filled out a form trying to
15:35:59 18 enter someone else's information or otherwise falsely
15:36:03 19 filling out a form.

15:36:04 20 Could this be that kind of situation?

15:36:09 21 A. No. No.

15:36:09 22 THE COURT REPORTER: I'm sorry. Did someone
15:36:21 23 object?

15:36:21 24 MS. LANG: I did. I had an objection for
15:36:22 25 calls for speculation and lack of foundation.

15:36:22 1 (An off-the-record discussion ensued.)

15:36:22 2 BY MR. HORLEY:

15:36:22 3 Q. Okay. Thank you.

15:36:37 4 Now I want to look to a row that is much
15:36:39 5 lower down, so just one moment while I get us there.

15:36:53 6 Okay. Actually, I think I'm done asking
15:37:06 7 questions about this document. I just wanted to ask you
15:37:12 8 about one other thing that Ms. Hansen mentioned.

15:37:15 9 She said that you have someone who checks the
15:37:19 10 voter list to determine whether people have moved to a
15:37:21 11 different jurisdiction; is that right?

15:37:26 12 A. Someone who checks?

15:37:29 13 Q. Yes. Someone in your office whose responsibility
15:37:33 14 is to look at current voter lists and see whether that
15:37:36 15 person has moved out of Arizona or moved to a different
15:37:40 16 county.

15:37:41 17 A. I -- I don't recall that. I don't -- we don't
15:37:46 18 have anyone who does that.

15:37:50 19 Q. Oh, okay. Maybe I --

15:37:51 20 A. It may have been -- you may have misunderstood,
15:37:53 21 maybe.

15:37:55 22 Q. Okay. It's possible. I thought she mentioned
15:37:58 23 something about that.

15:37:58 24 Okay. I have another document I would like
15:38:02 25 to look at. This one, it will just be a quick one. Okay.

15:38:25 1 Can you see this document, Ms. Casner?

15:38:27 2 A. Yes.

15:38:28 3 Q. And do you recognize this document?

15:38:31 4 A. Yes.

15:38:31 5 Q. And did your office produce this in response to
15:38:35 6 plaintiffs' request for production?

15:38:37 7 A. Yes.

15:38:40 8 MR. HORLEY: All right. I'd like to mark
15:38:42 9 this as Exhibit 181.

15:38:42 10 (The document was marked as Exhibit 181
15:38:47 11 for identification.)

15:38:47 12 BY MR. HORLEY:

15:38:49 13 Q. Okay. Could you please explain in a nutshell what
15:38:52 14 this spreadsheet shows?

15:38:54 15 A. Yes. This is a voter list out of our AVID
15:39:01 16 database of records in canceled status, anything other than
15:39:09 17 moved out of jurisdiction. I believe I separated those out
15:39:13 18 and there's a different spreadsheet for those.

15:39:18 19 Q. Got it. All right.

15:39:20 20 So similar to before, we have this "Status"
15:39:23 21 column and a "Status Reason" column, and same thing applies
15:39:26 22 here, shows their current status and why?

15:39:30 23 A. Yes.

15:39:31 24 Q. Okay. Thank you. All right. I'm going to go
15:39:34 25 down -- I'm going to go to this row here, which is

15:39:50 1 Row 15409.

15:39:53 2 Do you see that, Ms. Casner?

15:39:54 3 A. Yes.

15:39:56 4 Q. And here it says that the person's status is
15:39:59 5 "Canceled"; correct?

15:40:01 6 A. Correct.

15:40:01 7 Q. And the reason that their registration was
15:40:04 8 canceled was "Involuntary Cancellation"; is that right?

15:40:06 9 A. Yes.

15:40:08 10 Q. Can you explain what that means?

15:40:11 11 A. Yes. Involuntary cancellation is when they stated
15:40:18 12 on a jury questionnaire that they were -- I believe it is
15:40:23 13 that they were not a citizen. I know it has to do with the
15:40:28 14 jury questionnaire. And I don't know if that status reason
15:40:33 15 is even used anymore or if it's something else in the
15:40:38 16 system now, but that's what we used to use as perjury
15:40:44 17 questionnaires.

15:40:46 18 Q. Got it. Okay.

15:40:47 19 Then I see here in Column E it says May 18,
15:40:52 20 2022; is that right?

15:40:53 21 A. Yes.

15:40:53 22 Q. So --

15:40:54 23 A. So likely, it is still -- yeah, it is still the
15:40:57 24 status that we use, then.

15:40:59 25 Q. Okay. Understood.

15:41:00 1 So -- so your testimony, just for -- to be
15:41:03 2 clear, is that if it says "Involuntary Cancellation,"
15:41:06 3 that's because it came from a jury report or someone --

15:41:06 4 A. Yes.

15:41:10 5 Q. -- reported they were not a citizen?

15:41:14 6 Okay. Thank you. That is all I have on that
15:41:15 7 one.

15:41:19 8 Okay. Another quick document that I
15:41:24 9 discussed briefly with Ms. Hansen -- and she mentioned that
15:41:27 10 you might be the person to ask about, so I'm going to pull
15:41:30 11 that up really fast.

15:41:41 12 Okay. Do you see this document, Ms. Casner?

15:41:44 13 A. I do.

15:41:45 14 Q. Okay. And this was previously marked as
15:41:50 15 Exhibit 178.

15:41:53 16 And so do you recognize this document?

15:41:57 17 A. I do.

15:41:58 18 Q. And Ms. Hansen mentioned that your office
15:42:02 19 participated in a SAVE tutorial.

15:42:06 20 Did you participate in that tutorial?

15:42:08 21 A. Yes.

15:42:09 22 Q. Okay. Was this guidance part of that tutorial?

15:42:15 23 A. I cannot say for certain. What I recall about the
15:42:22 24 tutorial was they went through how to look up a voter's
15:42:29 25 citizenship status. I don't recall them talking about

15:42:35 1 initiating a case involving a fraudulent document. They
15:42:40 2 provided this information separate from the actual
15:42:46 3 tutorial.

15:42:50 4 Q. Okay. So does this document address what to do if
15:42:57 5 you receive a document that might be a fraudulent
15:43:02 6 immigration document?

15:43:08 7 A. Yes, I would say that, just looking at it, that's
15:43:15 8 what it does.

15:43:18 9 Q. And so is -- have you ever encountered people
15:43:21 10 submitting fraudulent naturalization documents or other
15:43:25 11 immigration-related documents?

15:43:27 12 A. No.

15:43:34 13 Q. Okay. And then Ms. Hansen mentioned that -- and I
15:43:38 14 think you mentioned as well that your office takes
15:43:41 15 naturalization documents at face value; is that right?

15:43:44 16 A. Yes.

15:43:45 17 Q. And in your view, is that consistent with this
15:43:48 18 guidance?

15:43:51 19 MS. LANG: Objection. Lack of foundation.

15:43:57 20 THE WITNESS: I -- I don't have -- I don't
15:43:59 21 know.

15:44:00 22 BY MR. HORLEY:

15:44:01 23 Q. Okay. But there is a possibility that someone
15:44:04 24 could submit a fraudulent naturalization document?

15:44:09 25 MS. LANG: Objection. Lack of foundation.

15:44:11 1 Calls for speculation.

15:44:14 2 THE WITNESS: I don't know.

15:44:15 3 BY MR. HORLEY:

15:44:18 4 Q. Okay. That is all I have on that one. Just a few
15:44:21 5 more questions for you. Thank you for your patience.

15:44:25 6 So I just want to ask a few more questions
15:44:28 7 here.

15:44:29 8 If you received information from MVD that
15:44:31 9 someone was not a U.S. citizen, would you consider that a
15:44:34 10 reason to believe that the person was not a U.S. citizen?

15:44:37 11 A. It's -- it's a reason to follow up with the voter
15:44:46 12 and make sure we get proof of citizenship.

15:44:51 13 Q. And same question for SAVE.

15:44:54 14 If you -- if the SAVE check showed that
15:44:56 15 someone was not a citizen, would that be a reason to
15:44:58 16 believe that someone was not a U.S. citizen?

15:45:02 17 A. It would be a reason to follow up with the voter
15:45:06 18 and get proof of citizenship.

15:45:09 19 Q. And you mentioned -- and Ms. Hansen also discussed
15:45:15 20 the jury questionnaire process. And -- that, you know, you
15:45:21 21 received these reports that -- where someone says they were
15:45:24 22 not a U.S. citizen. And Ms. Hansen indicated that you
15:45:27 23 might have more information on what happens next in your
15:45:30 24 office when you get those reports.

15:45:32 25 Could you just walk me through that process?

15:45:38 1 A. We have only started receiving those lists
15:45:45 2 recently. And then we -- we used to receive notifications
15:45:53 3 a long time ago and that's where the involuntary
15:45:57 4 cancellations come from. I don't see them every day, but
15:46:02 5 what we do is we send them a letter letting them know that
15:46:09 6 they need to confirm with us whether or not they're a
15:46:13 7 citizen and that's when they go into involuntary
15:46:18 8 cancellation status.

15:46:21 9 Q. Understood. So if they -- if they get back to you
15:46:25 10 and say, "Yes, I am a U.S. citizen," is them saying that
15:46:29 11 enough or do you require some DPOC or other proof?

15:46:35 12 A. We -- we will -- I believe we will require DPOC in
15:46:46 13 that situation.

15:46:52 14 Q. Okay. I think I am at my last question.

15:47:00 15 So last question is on the topic of
15:47:03 16 birthplace. So Ms. Hansen mentioned you might know a
15:47:08 17 little bit about this.

15:47:09 18 If someone called into your office and you
15:47:13 19 needed to verify their identity, could you use their
15:47:16 20 birthplace listed on the form as a way to verify that
15:47:19 21 identity?

15:47:23 22 A. We could use it to verify we're pulling up the
15:47:28 23 correct person, but that's after we ask for their name and
15:47:31 24 their date of birth at least. If it's a common name, we
15:47:38 25 could ask them that, but it's not specifically in any

15:47:42 1 instructions for our staff to ask for that.

15:47:45 2 Q. Okay. Could you use it as, like, a sort of

15:47:48 3 security question to make sure that the person on the other

15:47:50 4 end of the line is who they say they are?

15:47:53 5 A. We could.

15:47:54 6 Q. Does your office ever do that?

15:47:57 7 A. No, not that I'm aware of.

15:48:00 8 Q. Okay.

15:48:01 9 MR. HORLEY: That is all my questions. Thank
15:48:03 10 you very much.

15:48:05 11 THE WITNESS: Thank you.

15:48:05 12

15:48:05 13 EXAMINATION

15:48:05 14 BY MR. LANGHOFER:

15:48:10 15 Q. Hi, Donna My name is Kory Langhofer, and I'm --
15:48:12 16 I represent the RNC in this. I think I've only got two
15:48:15 17 questions for you because we got to almost everything else
15:48:18 18 before.

15:48:18 19 So the first question was: When you all send
15:48:22 20 out the notices to someone who has submitted a state form
15:48:26 21 and doesn't have DPOC saying, "Hey, we still need your
15:48:31 22 DPOC," what percentage of them respond and provide the
15:48:37 23 DPOC?

15:48:40 24 A. I -- I could not say offhand. I would have to
15:48:47 25 compare the voter list that -- I mean, we have provided the

15:48:53 1 federal-only voter list. I would have to go through and
15:48:58 2 see, like, a period of time from one period to the next.
15:49:07 3 But I -- I don't even want to speculate on how many without
15:49:13 4 actually looking at our database and giving a concrete
15:49:17 5 answer.

15:49:17 6 Q. Do you know whether it would be more or less than
15:49:19 7 half?

15:49:20 8 A. I -- if I had to say, I would say less than half.

15:49:25 9 Q. Well, if it's not too much trouble, if that's the
15:49:30 10 sort of data that you can pull easily, it would be nice to
15:49:33 11 get that and follow up. I don't think we need to reconvene
15:49:37 12 everyone for that, obviously, though.

15:49:38 13 The second question -- let me find it in my
15:49:42 14 notes here. I think that Ms. Hansen suggested we ask this
15:49:45 15 of you.

15:50:04 16 MR. LANGHOFER: In fact, it looks to me like
15:50:10 17 Tim already asked my second question. So you get off easy
15:50:14 18 today. Thanks very much.

15:50:15 19 Are there any other questions on the defense
15:50:18 20 side?

15:50:23 21 MR. MORGAN: Nothing from the secretary of
15:50:27 22 state.

15:50:27 23 MR. LANGHOFER: All right. Any redirect from
15:50:29 24 the plaintiffs?

15:50:31 25 MR. ATKINS: I have just one follow-up

15:50:33 1 question.

15:50:33 2

15:50:34 3 FURTHER EXAMINATION

15:50:38 4 BY MR. ATKINS:

15:50:39 5 Q. Just to clarify, the checkbox requirement on the
15:50:48 6 federal form, isn't it the case that the EPM provides that
15:50:58 7 failure to answer the checkbox or providing a "no" answer
15:51:03 8 does not invalidate the form so long as they swear or
15:51:07 9 affirm their citizenship in Box 9 of the federal form?

15:51:16 10 A. I would have to look at the actual wording. My
15:51:21 11 understanding, without looking at that, is that it's
15:51:25 12 specifically about the checkbox. If it -- if it was not
15:51:32 13 checked but DPOC was provided, then that's enough to make
15:51:39 14 them a full voter.

15:51:41 15 Q. Can we please look at Petty Exhibit 6, which is
15:51:45 16 the 2019 EPM.

15:51:55 17 A. Okay. I am looking at the "Failure to Properly
15:51:59 18 Answer Citizenship Question" section.

15:52:03 19 Q. If you could just read that -- that first
15:52:06 20 paragraph.

15:52:09 21 A. "A registrant's failure to answer the citizenship
15:52:12 22 question or 'no' answer to the citizenship question on the
15:52:16 23 State or Federal Form does not invalidate the form so long
15:52:21 24 as there is some other appropriate indicator that the
15:52:23 25 registrant is a U.S. citizen."

15:52:27 1 Do you want me to go on?

15:52:28 2 Q. I guess, the part that's of interest to me is down
15:52:34 3 below.

15:52:34 4 It says, quote, "Other appropriate indicators
15:52:37 5 of U.S. citizenship include providing valid DPOC," which is
15:52:42 6 consistent with your answers, "or a signature
15:52:46 7 swearing/affirming that the registrant is a U.S. citizen
15:52:50 8 (e.g., Box 9 on the Federal Form)."

15:52:53 9 So I guess that's what I'm referring to where
15:52:58 10 it seems that the EPA is -- or the EPM is instructing your
15:53:03 11 office to not reject a form for failure to complete the
15:53:08 12 checkbox so long as they swear or affirm their citizenship
15:53:13 13 in Box 9.

15:53:16 14 A. Okay. That makes sense to me now that you said
15:53:19 15 that.

15:53:22 16 Q. So is it perhaps the case that your office has
15:53:27 17 been placing federal form applicants into suspense for
15:53:36 18 failure to complete the checkbox unnecessarily?

15:53:42 19 A. That is possible, yes.

15:53:44 20 Q. But you would agree with me that, pursuant to this
15:53:48 21 paragraph of the EPM, it would appear that so long as they
15:53:52 22 complete the citizenship affirmation in Box 9, their
15:53:57 23 failure to complete the checkbox or to mark "no" is not
15:54:01 24 grounds for invalidation?

15:54:03 25 A. Yes, that makes sense.

15:54:08 1 MR. ATKINS: Okay. Thank you. I don't have
15:54:09 2 any other questions.

15:54:16 3 MR. LANGHOFER: Rose, read and sign?

15:54:19 4 MS. WINKELER: What's that?

15:54:20 5 MR. LANGHOFER: Are you guys going --

15:54:20 6 MS. WINKELER: Oh, read and sign, yes.

15:54:22 7 Sorry.

15:54:22 8 THE VIDEOGRAPHER: We are off the record.
15:54:23 9 Time on the video monitor is 3:54 p.m. This ends Volume 1,

2
09:15:09 3 THE VIDEOGRAPHER: We are on the record.
09:15:10 4 Time on the video monitor is 9:15 a.m. Here begins
09:15:16 5 Volume 1, Media Number 1, in the 30(b)(6) deposition of

1 PATTY HANSEN,

3 was examined and testified as follows:
4

09:18:02 5 EXAMINATION

09:18:02 6 BY MR. ATKINS:

09:18:18 7 Q. Good morning, Ms. Hansen. As you just heard, my
09:18:21 8 name is Alex Atkins. I represent the plaintiffs, Mi
09:18:23 9 Familia Vota and Voto Latino, in this lawsuit. And thank
09:18:27 10 you for taking the time to speak with us this morning.

09:18:31 11 A. Good morning.

09:18:33 12 MR. ATKINS: A few things just to get on the
09:18:35 13 record out of the gate; namely, any objections raised by
09:18:42 14 either side will apply to all parties on that side.

09:18:48 15 I also want to note that this 30(b)(6)
09:18:52 16 deposition of Coconino County recorder is -- the witness
09:18:58 17 designated is Ms. Hansen, but there is also Donna Casner,
09:19:07 18 who will be offering testimony after Ms. Hansen.

09:19:11 19 BY MR. ATKINS:

09:19:11 20 Q. Ms. Hansen, if I ask you a question that is more
09:19:15 21 appropriately answered by Ms. Casner, just please let me
09:19:19 22 know that and -- and we can flag it and ask it later when
09:19:22 23 we switch witnesses.

09:19:24 24 Does that make sense?

09:19:25 25 A. Yes.

09:19:26 1 Q. Okay. So as I'm sure you know, there's various
09:19:32 2 plaintiff groups that have brought legal challenges against
09:19:37 3 HB 2492 and HB 2243, and those cases have all been
09:19:42 4 consolidated together into this lawsuit. So I'm going to
09:19:47 5 be doing the initial questioning today, and then when I'm
09:19:49 6 done, counsel for some of the other plaintiff groups and
09:19:54 7 potentially defendants and intervenors will likely have
09:19:58 8 additional questions for you as well.

09:20:00 9 A. Okay.

09:20:01 10 Q. Could you please state your full name for the
09:20:04 11 record.

09:20:04 12 A. Patty Hansen.

09:20:07 13 Q. And what is your current title?

09:20:10 14 A. I'm the Coconino County recorder.

09:20:14 15 Q. And how long have you been the county recorder in
09:20:18 16 Coconino County?

09:20:18 17 A. Since January 2013.

09:20:23 18 Q. Have you held any other roles with the county
09:20:27 19 recorder's office?

09:20:27 20 A. Yes. In 2003 until I became recorder, I was the
09:20:32 21 election administrator in the recorder's office.

09:20:38 22 Q. So you have 20 years of election administration
09:20:41 23 experience in Coconino County; is that correct?

09:20:46 24 A. That is correct.

09:20:46 25 Q. And could you just describe at a high level what

09:20:49 1 your responsibilities are as recorder?

09:20:54 2 A. As recorder, I'm responsible for voter

09:20:58 3 registration, early voting, petition signature

09:21:04 4 verification, also overseeing the official record of

09:21:09 5 property records in the county.

09:21:13 6 Q. Understood.

09:21:14 7 And are you represented by an attorney here

09:21:16 8 today?

09:21:17 9 A. Yes, I am. Rose Winkeler.

09:21:20 10 Q. And she's in the room with you?

09:21:22 11 A. Yes.

09:21:23 12 Q. So before we jump into questions, just a couple of

09:21:30 13 points I want to make sure we're all clear on.

09:21:34 14 You understand that you're testifying under

09:21:36 15 oath today?

09:21:37 16 A. Yes, I do.

09:21:38 17 Q. And do you understand that the court reporter is

09:21:42 18 transcribing this deposition?

09:21:44 19 A. Yes.

09:21:46 20 Q. So with that in mind, and especially because we're

09:21:48 21 here on Zoom, please make sure you answer questions audibly

09:21:53 22 and clearly. Please let me know if you don't understand a

09:21:58 23 question or need me to rephrase or repeat any part of it.

09:22:03 24 A. Okay.

09:22:04 25 Q. If -- if I ask you a question and you answer it,

09:22:08 1 I'll assume that you understood it. So if you don't

09:22:11 2 understand, just please let me know.

09:22:13 3 A. Okay.

09:22:14 4 Q. And so throughout the deposition, attorneys may
09:22:21 5 make objections to questions that are asked of you. So it
09:22:25 6 will help if you just give a short pause after the question
09:22:28 7 is asked before you answer so that any attorneys have an
09:22:32 8 opportunity to object, but you're still able to answer the
09:22:39 9 question despite the objections unless your attorney
09:22:41 10 instructs you not to answer.

09:22:43 11 Does that make sense?

09:22:44 12 A. Yes, it does.

09:22:45 13 Q. Is there any reason today that you aren't able to
09:22:51 14 give full, complete, and accurate testimony?

09:22:55 15 A. No.

09:22:59 16 Q. If at any point during the deposition you need to
09:23:02 17 take a break for any reason, please just let me know. The
09:23:06 18 only thing I ask is that if there's a question pending,
09:23:10 19 we'll finish answering that question and then we can take a
09:23:14 20 break.

09:23:16 21 A. Okay.

09:23:17 22 Q. Have you ever been deposed before?

09:23:21 23 A. Yes.

09:23:22 24 Q. Approximately how many times?

09:23:25 25 A. That, I can't remember. I'm sorry.

09:23:31 1 Q. I take it it's -- it's a significant number,
09:23:34 2 though?

09:23:35 3 A. Yes. I also worked in another -- in two other
09:23:40 4 states and have been involved in lawsuits there.

09:23:45 5 Q. So in terms of depositions having to do with the
09:23:51 6 Coconino County Recorder's Office and specifically voter
09:23:59 7 registration or -- or list maintenance activities, have you
09:24:03 8 been deposed in that capacity on those subjects?

09:24:07 9 A. I believe so. There's been cases like the
09:24:13 10 Gonzalez case and things like that. But I -- I guess I
09:24:19 11 can't say for sure -- remember exactly what the depositions
09:24:23 12 were about.

09:24:24 13 Q. Sure.

09:24:25 14 But you were deposed in the Gonzalez case?

09:24:28 15 A. I believe so.

09:24:33 16 Q. Okay. And just for the record, where are you
09:24:37 17 physically located today?

09:24:39 18 A. In the county recorder's office.

09:24:43 19 Q. And who else is in the room with you?

09:24:46 20 A. My Chief Deputy, Donna Casner, and my legal
09:24:52 21 counsel, Rose Winkeler.

09:24:55 22 Q. And did you bring any materials with you to the
09:24:59 23 deposition?

09:25:00 24 A. Yes.

09:25:01 25 Q. And what are those materials?

09:25:06 1 A. Some notes, copies of the interrogatories, my
09:25:11 2 letter to the governor, and then responses that we sent
09:25:22 3 to -- in regards to the court cases, the discovery request,
09:25:28 4 the responses -- not the actual materials for the
09:25:32 5 discovery, but the responses that we sent along with it.

09:25:36 6 Q. I understand.

09:25:38 7 So I believe you said you have some notes
09:25:40 8 with you. Are you able to describe what those notes are or
09:25:46 9 where they came from?

09:25:46 10 A. Yeah. They were notes that Donna and I had made
09:25:51 11 on who would probably have the most knowledge about the
09:25:56 12 questions that you had sent for the deposition.

09:26:04 13 Q. Okay. All right. Thank you very much.

09:26:06 14 I'd like to introduce as our first exhibit
09:26:12 15 what is labeled in the folder as Exhibit A.

09:26:21 16 You can let me know when you have that
09:26:26 17 document in front of you, Ms. Hansen.

09:26:29 18 A. Yes, I do.

09:26:31 19 Q. Okay.

09:26:31 20 MR. ATKINS: And I'd like to mark this as
09:26:33 21 Exhibit 166.

09:26:36 22 (The document was marked as Exhibit 166
09:26:38 23 for identification.)

09:26:38 24 BY MR. ATKINS:

09:26:38 25 Q. Have you seen this document before today?

09:26:41 1 A. Yes.

09:26:42 2 Q. And what do you understand this document to be?

09:26:49 3 A. Let me see. This is our -- let me see, the notice
09:26:54 4 of deposition for the recorder's office today.

09:27:01 5 Q. And do you understand that you've been designated
09:27:03 6 as a representative to testify on behalf of the Coconino
09:27:10 7 County Recorder's Office as opposed to in your individual
09:27:12 8 capacity?

09:27:13 9 A. Yes.

09:27:15 10 Q. And can we stipulate, therefore, that whenever I
09:27:19 11 say "you" or "your," that that will be the equivalent of
09:27:22 12 saying "your office"?

09:27:25 13 A. Yes, that's fine.

09:27:27 14 Q. And can we also stipulate that unless you specify
09:27:32 15 otherwise, if you use the word "I" or "me," that shall
09:27:38 16 refer to the Coconino County Recorder's Office?

09:27:41 17 A. Okay. Yes.

09:27:43 18 Q. All right. If you can please turn to page 4 of
09:27:52 19 Exhibit 166, the deposition notice.

09:28:01 20 A. Okay.

09:28:02 21 Q. So starting at the bottom of page 4 is a list of
09:28:07 22 28 topics for today's deposition.

09:28:11 23 Did you review this list prior to the
09:28:14 24 deposition today?

09:28:17 25 A. Yes, I did.

09:28:17 1 Q. Now, I understand that there may be topics that

09:28:22 2 Ms. Casner is prepared to address as opposed to you.

09:28:27 3 Are -- are you aware of specific topics that

09:28:30 4 you are not prepared to address today?

09:28:34 5 A. Yes. When it talks about the AVID voter

09:28:38 6 registration system and the specifics for the procedures

09:28:43 7 for the staff in the office, Donna is much more

09:28:49 8 knowledgeable of the forms and she's the one who does the

09:28:53 9 day-to-day supervision of those staff and uses those

09:28:58 10 materials.

09:29:00 11 Q. Understood.

09:29:01 12 So with the exception of those topics, are

09:29:07 13 you prepared to address the remaining topics on the

09:29:10 14 deposition notice?

09:29:11 15 A. Yes, I am.

09:29:14 16 Q. And did you discuss today's deposition with anyone

09:29:20 17 else outside of your office, besides Ms. Winkeler?

09:29:25 18 A. No.

09:29:29 19 Q. And other than the documents that you have with

09:29:32 20 you there, did you review any other documents in

09:29:34 21 preparation for the deposition?

09:29:37 22 A. Yes. I looked over some emails that I had

09:29:45 23 received and I think were part of the discovery.

09:29:49 24 Q. Understood.

09:29:50 25 Okay. I'd like to pull up our next exhibit,

09:29:56 1 which is marked as Exhibit B in the folder. Please let me
09:30:05 2 know when you have that document in front of you.

09:30:12 3 A. It's in front of me.

09:30:14 4 Q. And do you recognize this document?

09:30:17 5 A. Yes, I do.

09:30:18 6 Q. And what do you recognize it to be?

09:30:22 7 A. It's the request for production of documents that
09:30:27 8 we had in our office in relation to the Asian American
09:30:36 9 Native Hawaiian and Pacific Islanders for Equity
09:30:41 10 Coalition's case.

09:30:43 11 Q. Thank you.

09:30:44 12 I know that plaintiff, their name is a bit of
09:30:48 13 a mouthful. We tend to -- to refer to them as simply "the
09:30:52 14 Equity Coalition," so feel free to -- if you need to use
09:30:56 15 their name again.

09:30:58 16 So just to be clear for the record, these are
09:31:02 17 your responses to Equity Coalition's first requests for
09:31:08 18 production, which you submitted on February 10th, 2023; is
09:31:16 19 that correct?

09:31:16 20 A. That is correct.

09:31:17 21 Q. And were you involved in preparing these
09:31:23 22 responses?

09:31:23 23 A. Somewhat. Donna Casner pulled the list and things
09:31:32 24 like that and pulled the materials together.

09:31:37 25 Q. Did you review this response before today's

09:31:44 1

deposition?
A. Yes.
Q. Are there any updates to the responses contained
in this document that you would like to make at this time?
A. No.
Q. Okay. If we can next pull up what's marked as
Exhibit C in the folder.
THE COURT REPORTER: And just for the record,
you wanted to mark the previous one as Exhibit 167?
MR. ATKINS: Yes. Apologies.
THE COURT REPORTER: No problem.
MR. ATKINS: Thank you.
(The document was marked as Exhibit 167
for identification.)
THE WITNESS: It's -- I have it in front of
me.
MR. ATKINS: Okay. Let's please mark this as
Exhibit 168.
(The document was marked as Exhibit 168
for identification.)
BY MR. ATKINS:
Q. And what do you recognize this document to be?
A. This is our response to the first set of
interrogatories for the Mi Familia Vota, et al., case.
Q. Understood.

09:32:50 1 And so for the record, this is Coconino
09:32:54 2 County recorder's answers to Equity Coalition's
09:32:57 3 interrogatories, which you submitted in this case, again,
09:33:01 4 on February 10th, 2023; correct?
09:33:04 5 A. Yes. Correct.
09:33:09 6 Q. Did you verify the responses to the
09:33:12 7 interrogatories in this document?
09:33:15 8 A. Yes, I did.
09:33:18 9 Q. I just want to note for the record that the -- I
09:33:21 10 noticed last night that the verification page for this
09:33:25 11 document has your name but doesn't actually have your
09:33:28 12 signature.
09:33:30 13 So I just want to confirm that you did, in
09:33:34 14 fact, verify these responses and intended to sign the
09:33:38 15 verification page?
09:33:39 16 A. Yes.
09:33:40 17 Q. And were you involved in preparing these
09:33:46 18 responses?
09:33:51 19 A. Yes, working with my legal counsel, Rose Winkeler,
09:33:56 20 and with Donna.
09:33:58 21 Q. And are there any updates or changes that you
09:33:59 22 would like to make to these responses?
09:34:02 23 A. No.
09:34:08 24 Q. All right. Let's please pull up what's marked as
09:34:11 25 Exhibit D in the folder.

09:34:21 1 A. Okay. It's in front of me.

09:34:25 2 MR. ATKINS: Let's please mark this as

09:34:26 3 Exhibit 169.

09:34:26 4 (The document was marked as Exhibit 169

09:34:29 5 for identification.)

09:34:29 6 BY MR. ATKINS:

09:34:31 7 Q. And what do you recognize this document to be?

09:34:35 8 A. This is our response for the request of production

09:34:41 9 of documents that was -- let me see. I don't see a date on

09:34:49 10 here. But I think it was our second request for documents

09:34:56 11 so --

09:34:58 12 Q. So --

09:34:59 13 A. June 29th of 2023.

09:35:03 14 Q. Great.

09:35:05 15 So this is your office's responses to

09:35:08 16 consolidated plaintiffs' request for production submitted

09:35:12 17 June 29, 2023?

09:35:14 18 A. That's correct.

09:35:15 19 Q. And were you involved in preparing these

09:35:19 20 responses?

09:35:23 21 A. Yes.

09:35:23 22 Q. And are there any updates that you would like to

09:35:26 23 make to these responses?

09:35:27 24 A. No.

09:35:28 25 Q. All right.

09:35:33 1 A. We did send supplemental because we found Donna
09:35:38 2 was able to find my comments that I had made to the Arizona
09:35:46 3 Association of Counties in their ALTO system. And I'm
09:35:49 4 sorry. I don't remember which discovery request that would
09:35:51 5 go to. But I know that Rose Winkeler sent those to you.

09:35:58 6 Q. Yes. Confirmed. We received several supplemental
09:36:04 7 documents produced by your office, I believe, on Monday of
09:36:10 8 this week.

09:36:10 9 A. Okay.

09:36:11 10 Q. So other than supplementing the production in
09:36:14 11 conjunction with this response, you don't have any updates
09:36:17 12 or changes to make to the responses in this document?

09:36:23 13 A. No.

09:36:24 14 Q. All right. Just one more of these. If we can
09:36:26 15 please pull up what's marked as Exhibit E.

09:36:34 16 A. Okay. And this is response to interrogatories --
09:36:42 17 the first set of interrogatories that was sent to us.

09:36:48 18 MR. ATKINS: Let's please mark this as
09:36:49 19 Exhibit 170.

09:36:49 20 (The document was marked as Exhibit 170
09:36:54 21 for identification.)

09:36:54 22 BY MR. ATKINS:

09:36:54 23 Q. These are your office's responses to consolidated
09:36:56 24 plaintiffs' interrogatories dated June 29, 2023?

09:37:03 25 A. Yes.

09:37:03 1 Q. And did you verify these responses?

09:37:08 2 A. Yes, I did.

09:37:09 3 Q. Note for the record that the verification is

09:37:13 4 signed on this document by Ms. Hansen.

09:37:17 5 And you were involved in preparing these

09:37:20 6 responses as well?

09:37:24 7 A. Yes. Along with Donna Casner and Rose Winkeler.

09:37:26 8 Q. And do you have any updates or changes to make to

09:37:29 9 these responses?

09:37:30 10 A. No.

09:37:30 11 Q. Okay. Thank you.

09:37:36 12 Switching gears a bit, just want to discuss

09:37:39 13 the responsibilities of your office with respect to voter

09:37:45 14 registration and elections.

09:37:47 15 A. Okay.

09:37:48 16 Q. Can you just say again what your responsibilities

09:37:53 17 are with regard to voter registration and elections?

09:37:59 18 A. Okay. Our office is responsible for processing

09:38:04 19 and maintaining the list of registered voters and also

09:38:10 20 conducting early voting and signature verification for

09:38:18 21 petitions. And that's in regards to elections.

09:38:22 22 Q. And who in your office specifically is responsible

09:38:26 23 for processing voter registration applications?

09:38:30 24 A. The person responsible for supervising the staff

09:38:36 25 and overseeing our voter registration division is Donna

09:38:39 1 Casner.

09:38:41 2 Q. And who is responsible for maintaining the list of

09:38:47 3 registered voters?

09:38:48 4 A. Legally responsible is me.

09:38:51 5 Q. And is there someone else who actually performs

09:38:55 6 that function underneath you?

09:38:57 7 A. Yes. That would be Donna Casner.

09:39:03 8 Q. And who is responsible for and who administers the

09:39:09 9 early voting tasks that you described?

09:39:13 10 A. Donna Casner also does that.

09:39:16 11 Q. And for early voters in Coconino County, am I

09:39:22 12 correct that they can submit their ballots in person?

09:39:27 13 A. Yes, they can.

09:39:29 14 Q. And they can also submit them by mail?

09:39:36 15 A. Yes.

09:39:36 16 Q. Is it also possible for them to submit them

09:39:39 17 through dropboxes?

09:39:40 18 A. Yes. We do have dropboxes in areas of the county.

09:39:45 19 Q. And is Ms. Casner responsible for processing those

09:39:48 20 early ballots?

09:39:51 21 A. Yes, she is.

09:39:52 22 Q. Approximately how many staff members in your

09:40:04 23 office work on voter registration and list maintenance?

09:40:15 24 A. I think five or six.

09:40:16 25 Q. And are those individuals supervised by you and

09:40:21 1 Ms. Casner?

09:40:23 2 A. Yes. And also, our voter registration manager --
09:40:28 3 or supervisor, Sedona Stone.

09:40:31 4 Q. And can you describe that individual's role and
09:40:39 5 how it differs from your own?

09:40:40 6 A. I think Donna would probably be able to give you
09:40:45 7 more information since she directly supervises Sedona, but
09:40:50 8 they, I know, divide duties and that. And Donna -- or
09:40:56 9 Sedona is more working directly with the -- our
09:41:01 10 administrative specialist I's that are actually doing the
09:41:05 11 data entry. She's checking their work. She oversees the
09:41:10 12 function of our Flagstaff Mall office.

09:41:13 13 Q. Are you familiar with the Voter Registry Advisory
09:41:13 14 Committee?

09:41:13 15 A. Voter Registry?

09:41:22 16 Q. Or VRAC?

09:41:25 17 A. Oh, VRAC. I am, yes.

09:41:25 18 Q. And can you just, at a high level, explain what
09:41:28 19 that committee is?

09:41:29 20 A. That committee discusses procedures and also how
09:41:37 21 AVID, the state voter registration system, should function.
09:41:44 22 VRAC was first created to create uniform procedures across
09:41:50 23 the state when we went on the statewide system back in the
09:41:56 24 early 2000s after the Help America Vote Act went into
09:42:01 25 effect.

09:42:05 1 Q. And do you have a role on the VRAC committee?

09:42:08 2 A. I'm a member.

09:42:09 3 Q. And am I correct that VRAC puts out issue papers?

09:42:19 4 A. Yes.

09:42:19 5 Q. And what is the purpose of those issue papers?

09:42:25 6 A. I think the main purpose is to provide uniformity

09:42:28 7 across the counties; that we're doing things in the same

09:42:34 8 manner.

09:42:37 9 Q. And -- and who drafts VRAC issue papers?

09:42:44 10 A. In the past, it was -- the Secretary of State's

09:42:48 11 Office would draft them and then bring them to the

09:42:50 12 committee, and then the committee would vote on them.

09:42:52 13 It seems to me right now that there's some

09:42:56 14 change that the secretary of state would prefer that the

09:42:59 15 VRAC committee come up with the issue papers that they

09:43:03 16 bring forward. But from my recollection, that has not been

09:43:08 17 finalized if that change is going to come about.

09:43:12 18 Q. Understood.

09:43:15 19 So is it fair to say that VRAC works with the

09:43:22 20 secretary's office to try and create uniformity across the

09:43:25 21 county recorders' offices?

09:43:27 22 A. Yes. And it's in how we process registrations and

09:43:35 23 also in how the AVID system works.

09:43:41 24 Q. So I'd like to discuss one of the laws being

09:43:46 25 challenged in this litigation, HB 2492.

09:43:50 1 Are you familiar with that law?

09:43:52 2 A. Yes.

09:43:53 3 Q. And am I correct that your office opposed HB 2492

09:43:59 4 last year?

09:44:01 5 A. Yes.

09:44:03 6 Q. If I can ask you to look at what's marked as

09:44:10 7 Exhibit F in the folder.

09:44:21 8 A. Maybe just a sec. The computer went to sleep.

09:44:27 9 Q. Take your time.

09:44:39 10 A. Okay.

09:44:39 11 Q. So let's mark --

09:44:42 12 A. It's in front of me.

09:44:44 13 Q. Great.

09:44:44 14 And what is this document?

09:44:45 15 A. This is the letter that I sent to Governor Ducey's

09:44:50 16 office asking him to veto 2492.

09:44:55 17 MR. ATKINS: So let's mark this as

09:44:57 18 Exhibit 171.

09:44:57 19 (The document was marked as Exhibit 171

09:45:00 20 for identification.)

09:45:00 21 BY MR. ATKINS:

09:45:01 22 Q. And did you write this letter?

09:45:03 23 A. Yes, I did.

09:45:04 24 Q. If I can direct you to the second paragraph of the

09:45:11 25 letter. You wrote, quote, "I am concerned that the

09:45:15 1 legislation runs afoul of some provisions of the National
 09:45:21 2 Voter Registration Act of 1993 (NVRA) and the U.S. Supreme
 09:45:25 3 Court decision in the Arizona v. Inter Tribal Council of
 09:45:29 4 Arizona . . . Case," with a citation.

09:45:31 5 Did I read that correctly?

09:45:33 6 A. Yes, you did.

09:45:34 7 Q. And does this continue to be your view of 2492
 09:45:40 8 today?

09:45:42 9 MR. HORLEY: Objection. Calls for a legal
 09:45:45 10 conclusion.

09:45:46 11 MR. BASILE: Objection.

09:45:47 12 BY MR. ATKINS:

09:45:48 13 Q. You can answer.

09:45:48 14 A. Yes.

09:45:50 15 Q. If I can next direct you to paragraph 4 at the
 09:45:56 16 bottom of the page.

09:45:59 17 You wrote, quote, "The bill also requires
 09:46:02 18 proof of residence location. This would be very difficult
 09:46:05 19 for Native American voters that reside on the Hopi and
 09:46:10 20 Navajo reservations. Many of the citizens that live on the
 09:46:11 21 reservation do not have a street address. When they
 09:46:13 22 register to vote they put a narrative description of the
 09:46:15 23 location of their residence. This allows us to determine
 09:46:18 24 their voting precinct, school district and hospital
 09:46:22 25 district. They do not have a deed or rental agreement for

09:46:24 1 their residence. Sadly, some of the Native American
 09:46:27 2 citizens do not have access to public utilities so they do
 09:46:31 3 not have utility bills that they could use to prove the
 09:46:34 4 location of their residence. This requirement would make
 09:46:37 5 it extremely difficult for them to register to vote."

09:46:41 6 Did I read that correctly?

09:46:42 7 A. Yes, you did.

09:46:45 8 Q. And does this also continue to be your view today?

09:46:50 9 MR. HORLEY: Same objection.

09:46:55 10 MS. WINKELER: You can go ahead and answer.

09:46:56 11 THE WITNESS: Yes

09:46:57 12 BY MR. ATKINS:

09:46:57 13 Q. And finally, if I can direct you to the fifth
 09:47:00 14 paragraph on the next page, you wrote, quote, "I have
 09:47:05 15 worked in the field of voter registration and election
 09:47:08 16 administration for 35 years, and this bill is trying to
 09:47:11 17 address problems that just do not exist. It will create
 09:47:15 18 barriers for our citizens to have to overcome to exercise
 09:47:19 19 their right to vote," end quote.

09:47:22 20 Did I read that correctly?

09:47:24 21 A. Yes.

09:47:24 22 Q. And does that also continue to be your view today?

09:47:30 23 MR. HORLEY: Same objection.

09:47:32 24 THE WITNESS: Yes, it is.

09:47:33 25 BY MR. ATKINS:

09:47:35 1 Q. What did you mean when you referred to, quote,

09:47:39 2 "problems that just do not exist"?

09:47:43 3 A. I just don't see that we are having people

09:47:47 4 register to vote that don't have a residence in our county.

09:47:56 5 Q. What -- what problems, if any, do you think that

09:48:06 6 HB 2492 is trying to address?

09:48:11 7 MR. HORLEY: Same objection.

09:48:12 8 THE WITNESS: That, I don't know for sure.

09:48:20 9 It -- citizenship questions and also residence. But I

09:48:35 10 can't say what the legislators were trying to accomplish

09:48:41 11 with this.

09:48:42 12 BY MR. ATKINS:

09:48:42 13 Q. And in the final quote of yours from the letter

09:48:44 14 that I read you, you referred to HB 2492 creating barriers

09:48:52 15 for your citizens that they will have to overcome to

09:48:55 16 exercise the right to vote.

09:48:57 17 Can you elaborate at all on what barriers you

09:49:02 18 believe HB 2492 creates for your citizens?

09:49:07 19 A. It's requiring additional activities, producing

09:49:11 20 documents that are not required now, and I don't think

09:49:18 21 really serves a purpose in voter registration.

09:49:24 22 Q. And how does the requirement that voters produce

09:49:29 23 additional documents create a barrier that they have to

09:49:33 24 overcome?

09:49:35 25 MR. HORLEY: Same objection.

09:49:38 1 THE WITNESS: If they don't have an Arizona
09:49:40 2 driver's license or state ID, they're going to have to
09:49:45 3 somehow make copies of the utility bill or a bank statement
09:49:51 4 or certificate of Indian blood or tribal ID, and it's just
09:50:00 5 an additional requirement that is -- they're going to have
09:50:06 6 to meet to be able to register to vote.

09:50:11 7 BY MR. ATKINS:

09:50:12 8 Q. If I can finally direct you to the last paragraph
09:50:14 9 of your letter, you wrote, quote, "These are just a few of
09:50:20 10 the concerns that I have with HB2492."

09:50:28 11 Did I read that correctly?

09:50:28 12 A. Yes.

09:50:31 13 Q. Are there additional concerns that you have with
09:50:37 14 2492 that you did not address in this letter?

09:50:40 15 A. Yes, in regards to citizenship. And I -- I do
09:50:49 16 apologize. I get 2492 and 2243 mixed up, but --

09:50:56 17 Q. I'll admit that I do as well sometimes, so no need
09:51:00 18 to apologize.

09:51:02 19 A. So requiring a box to be met on citizenship, which
09:51:08 20 is -- I believe is in 2492, it -- that we would reject a
09:51:14 21 form because it's not marked is contrary to -- if you
09:51:20 22 provided proof of citizenship, it seems to be that it's
09:51:24 23 just an error in filling out the form. It's not an
09:51:29 24 error -- or it's not proving that you're not a U.S. citizen
09:51:33 25 to vote.

09:51:35 1 So there's things like that that

09:51:39 2 procedurally -- and having to cancel registrations that --

09:51:44 3 within a certain time period goes against some of the NVRA

09:51:52 4 requirements. Because the information is secondhand

09:51:54 5 information, they should be made inactive and kept on the

09:51:58 6 rolls for two federal general elections and then canceled.

09:52:02 7 Q. Understood.

09:52:03 8 So in addition to the concerns you raised in

09:52:07 9 your letter, you also have concerns about the citizenship

09:52:12 10 checkbox requirement; correct?

09:52:16 11 A. Yes.

09:52:16 12 Q. And you also have concerns about the requirement

09:52:21 13 that certain registrations are canceled within a period of

09:52:27 14 time?

09:52:27 15 A. Yes.

09:52:30 16 Q. We'll likely discuss both of those issues further

09:52:33 17 a little later in the deposition, but before we move on,

09:52:36 18 are there any additional concerns other than those two and

09:52:41 19 the ones in the letter that you have with either law?

09:52:49 20 A. Not that I can think of it right now.

09:52:51 21 Q. Okay. So let's talk a little bit about the other

09:52:53 22 law being challenged, HB 2243. If we can please look at

09:53:02 23 what's marked as Exhibit G.

09:53:18 24 A. Okay.

09:53:19 25 Q. And do you recognize this document?

09:53:22 1 A. Yes, I do.

09:53:23 2 Q. And can you describe what it is?

09:53:26 3 A. It's the comments that I put into the AACo ALTO

09:53:32 4 system in regards to what position -- or in regards to the

09:53:40 5 Bill 2243.

09:53:45 6 MR. ATKINS: So let's please mark this

09:53:47 7 document as Exhibit 172.

09:53:47 8 (The document was marked as Exhibit 172

09:53:50 9 for identification.)

09:53:50 10 BY MR. ATKINS:

09:53:57 11 Q. And AACo refers to the Arizona Association of

09:54:02 12 Counties; correct?

09:54:03 13 A. That is correct.

09:54:04 14 Q. And can you just briefly describe what AACo is?

09:54:10 15 A. AACo is an organization made up of elected county

09:54:17 16 officials across the state. And they do the majority of

09:54:23 17 our lobbying at the legislature for each of the affiliates.

09:54:31 18 The recorders' association is an affiliate of AACo.

09:54:41 19 Q. Thank you.

09:54:42 20 So at the bottom of the page of this

09:54:44 21 document, there's a box that starts on the first page and

09:54:48 22 continues onto the second page. This box contains your

09:54:54 23 analysis and comments on HB 2243; right?

09:54:58 24 A. That is correct.

09:54:59 25 Q. So at the top of the second page under "Projected

09:55:05 1 Impact," your comment reads, quote, "I don't think this
09:55:09 2 accomplishes anything. We follow list maintenance
09:55:12 3 requirements which identify people that have moved out of
09:55:15 4 state. We end up canceling them through the list
09:55:18 5 maintenance procedures. Adding a sentence to the voter
09:55:22 6 registration form isn't going to do anything."
09:55:27 7 Did I read that correctly?
09:55:28 8 A. Yes, you did.
09:55:29 9 Q. And does that continue to be your view today?
09:55:35 10 MR. HORLEY: Objection to the extent it calls
09:55:37 11 for a legal conclusion.
09:55:40 12 THE WITNESS: Yes.
09:55:40 13 BY MR. ATKINS:
09:55:44 14 Q. All right. If we can now look at what's marked as
09:55:48 15 Exhibit H.
09:55:48 16 A. It's in front of me.
09:55:48 17 (The document was marked as Exhibit 173
09:55:48 18 for identification.)
09:55:48 19 BY MR. ATKINS:
09:56:10 20 Q. And am I correct that this is -- also comments
09:56:13 21 that you've provided to AACo, but this time on HB 2617?
09:56:20 22 A. Yes.
09:56:23 23 Q. And am I correct that HB 2617 was a predecessor
09:56:28 24 bill to HB 2243?
09:56:31 25 A. Yes, I believe so.

09:56:34 1 Q. So again, the box at the bottom of the page
09:56:39 2 contains your comments and analysis on HB 2617; right?
09:56:45 3 A. Yes, it does.
09:56:46 4 Q. So under "Projected Impact," your comment reads,
09:56:51 5 quote, "It appears that this legislator thinks we do not
09:56:58 6 verify U.S. citizenship. We already have a process in
09:57:00 7 place that checks a registrant's citizenship. Checking if
09:57:04 8 someone has a driver's license in another state should not
09:57:07 9 trigger a cancellation in our state. This would cause
09:57:11 10 major problems for military voters. This also goes against
09:57:15 11 the NVRA and will result in us being tied up in a court
09:57:19 12 case. This is another example of a solution to a problem
09:57:22 13 that does not exist. It is too bad the legislator doesn't
09:57:27 14 take the time to read the elections procedures manual,
09:57:30 15 state statutes and federal laws to understand what is
09:57:33 16 already required and in place."
09:57:37 17 Did I read that correctly?
09:57:38 18 A. Yes, you did.
09:57:40 19 Q. And does that statement continue to represent your
09:57:45 20 perspective today?
09:57:46 21 MR. HORLEY: Same objection.
09:57:48 22 MR. BASILE: Objection.
09:57:48 23 THE WITNESS: Yes, it does.
09:57:50 24 BY MR. ATKINS:
09:57:52 25 Q. Can you briefly explain how your office already

09:57:56 1 verifies U.S. citizenship?

09:57:59 2 A. U.S. citizenship is verified through the AVID

09:58:04 3 system, which runs it against the Motor Vehicle Division's

09:58:10 4 database. And we also will verify if they have included

09:58:19 5 documentation, such as a photocopy of their passport, or if

09:58:27 6 they have a state driver's license that has -- indicates

09:58:32 7 that they have proven citizenship in that state and also

09:58:37 8 through the state program.

09:58:41 9 Q. Understood.

09:58:42 10 So to summarize, there are a number of

09:58:46 11 different documents or pieces of information that a

09:58:51 12 registrant can provide to your office that you then use to

09:58:55 13 verify their citizenship; is that right?

09:58:58 14 A. Yes, that is correct. I forgot to mention also

09:59:02 15 birth certificate.

09:59:04 16 Q. And based on your comments in the document we're

09:59:10 17 looking at, is it your position that those existing methods

09:59:15 18 for verifying citizenship are already sufficient?

09:59:22 19 A. Yes, it is.

09:59:24 20 Q. And so is it your position that the additional

09:59:31 21 requirements for citizenship verification proposed in

09:59:37 22 HB 2617 are unnecessary?

09:59:43 23 A. Yes.

09:59:44 24 Q. In your statement, you referred to this bill being

09:59:52 25 "another example of a solution to a problem that does not

09:59:55 1 exist."

09:59:57 2 Can you explain what you meant by that

10:00:00 3 statement?

10:00:03 4 A. In my now 36 years of doing voter registration, I

10:00:10 5 have not seen any proof that non-U.S. citizens are

10:00:14 6 registering and voting.

10:00:23 7 Q. Returning to HB 2492, has your office discussed

10:00:29 8 how to interpret that law with anyone?

10:00:33 9 A. Just with each other a little bit. Mainly what

10:00:39 10 we're doing is waiting for guidance from the Secretary of

10:00:45 11 State's Office.

10:00:45 12 Q. So when you discussed it amongst yourselves in the

10:00:51 13 office, what specifically did you discuss?

10:00:56 14 A. Questions about federal-only voters, as I recall,

10:01:05 15 versus congressional-only voters. Also, we don't -- none

10:01:15 16 of us seem to know the additional database they talk about

10:01:19 17 running the information against. I think it's something

10:01:23 18 with public health.

10:01:25 19 And that's about it. The main thing is that

10:01:28 20 we find the legislation confusing, and we're waiting for

10:01:32 21 guidance from the Secretary of State's Office.

10:01:36 22 Q. And is your office currently enforcing any

10:01:40 23 provisions of HB 2492?

10:01:43 24 A. No.

10:01:44 25 Q. And is your office handling voter registration

10:01:51 1 applications differently as a result of HB 2492?

10:01:57 2 A. No.

10:01:58 3 Q. Similarly, has your office discussed how to

10:02:06 4 interpret HB 2243?

10:02:13 5 A. Just like I said with -- previously for 2492.

10:02:21 6 Q. And is it the case that you are also not currently

10:02:24 7 enforcing any provisions of 2243?

10:02:27 8 A. That is correct.

10:02:28 9 Q. To your knowledge, are all the counties in Arizona
10:02:36 10 adhering to the secretary of state's advice on what to
10:02:41 11 implement and what not to implement from those laws at this
10:02:44 12 time?

10:02:45 13 MR. HORLEY: Objection; foundation.

10:02:47 14 THE WITNESS: That, I cannot say.

10:02:51 15 BY MR. ATKINS:

10:02:52 16 Q. Are you aware of any counties that are currently
10:02:55 17 implementing any provisions of 2492?

10:03:00 18 MR. HORLEY: Same objection.

10:03:00 19 THE WITNESS: I have not discussed it with
10:03:03 20 any of the counties.

10:03:07 21 BY MR. ATKINS:

10:03:15 22 Q. All right. I'd like to have you look at an
10:03:19 23 existing exhibit from a previous deposition. This is Petty
10:03:24 24 Exhibit 6.

10:03:38 25 A. Which letter is it?

10:03:39 1 Q. So --

10:03:41 2 A. I'm sorry.

10:03:41 3 Q. So this exhibit is not in the folder that I

10:03:45 4 emailed. It's underneath -- it's within the -- the Dropbox

10:03:50 5 link that was also in my email.

10:03:50 6 A. Oh.

10:04:39 7 Q. Are you all able to pull that up, or should we

10:04:42 8 take a short break?

10:04:43 9 A. I think we should take a short break.

10:04:46 10 MR. ATKINS: All right. Can we please go off

10:04:48 11 the record.

10:04:49 12 THE VIDEOGRAPHER: Of course. We are off the

10:04:55 13 record. Time on the video monitor is 10:04 a.m.

10:05:09 14 (A recess ensued.)

10:12:29 15 THE VIDEOGRAPHER: We are on the record.

10:12:44 16 Time on the video monitor is 10:12 a.m.

10:12:48 17 BY MR. ATKINS:

10:12:52 18 Q. Ms. Hansen, do you now have Petty Exhibit 6 in

10:12:56 19 front of you?

10:12:58 20 A. Yes.

10:12:59 21 Q. And can you tell me what this document is?

10:13:03 22 A. It's the 2019 Elections Procedures Manual.

10:13:08 23 Q. And is that also referred to as the EPM?

10:13:13 24 A. Yes, it is.

10:13:15 25 Q. Is the 2019 EPM still the operative version of the

10:13:21 1 Elections Procedures Manual?

10:13:23 2 A. Yes.

10:13:26 3 Q. Is your office required to follow the EPM?

10:13:32 4 A. Yes, we are.

10:13:34 5 Q. Are all parts of the EPM binding on your office?

10:13:40 6 MR. MORGAN: Objection. Calls for a legal

10:13:44 7 conclusion.

10:13:44 8 THE WITNESS: Yes.

10:13:45 9 BY MR. ATKINS:

10:14:00 10 Q. Can binding guidance be conveyed to your office by

10:14:05 11 the Secretary of State's Office by any other means other

10:14:08 12 than the EPM?

10:14:10 13 MR. HORLEY: Same objection.

10:14:14 14 THE WITNESS: Not that I'm aware of. They

10:14:17 15 will share with us best practices and guidances. Like, if

10:14:24 16 there's a court decision, they will also provide an

10:14:26 17 addendum to the EPM if it's needed, but that would be

10:14:33 18 binding.

10:14:34 19 BY MR. ATKINS:

10:14:36 20 Q. Has -- has your office seen the draft 2023 EPM?

10:14:43 21 A. Yes, we have.

10:14:44 22 Q. And have you provided comments on the 2023 EPM?

10:14:50 23 A. Yes. The only comment I think we provided was in

10:14:55 24 regards to including forms -- if we were going to include

10:15:01 25 all the forms in the appendix.

10:15:09 1 Q. Did you provide any comments on the 2023 EPM
10:15:14 2 concerning HB 2492 or HB 2243?

10:15:20 3 A. No, not that I recall.

10:15:23 4 Q. If we can please look at what's marked as I in the
10:15:35 5 potential exhibits folder.

10:15:41 6 A. Okay.

10:15:41 7 (The document was marked as Exhibit 174
10:15:41 8 for identification.)

10:15:42 9 BY MR. ATKINS:

10:15:42 10 Q. Do you recognize this document?

10:15:46 11 A. Not as a document.

10:15:51 12 Q. What do you recognize it as?

10:15:53 13 A. It says it's part of the Teams chat with the
10:15:59 14 discussion -- I guess, a discussion with Secretary of
10:16:07 15 State's Office. I don't know if it's from the Hobbs
10:16:12 16 administration or the Fontes administration.

10:16:16 17 Q. Would you like to take a moment to -- to look at
10:16:20 18 the document and see if it's familiar to you?

10:16:22 19 A. Sure.

10:16:29 20 Oh, it must be from July 18th of this year.
10:16:33 21 So it's the Fontes.

10:16:40 22 Q. So am I -- am I correct that this is a chat log
10:16:44 23 from a Microsoft Teams meeting with the secretary's office
10:16:49 24 to discuss the 2023 EPM?

10:16:54 25 A. I assume so, yes.

10:16:59 1 Q. Did your office participate in this meeting?

10:17:01 2 A. Yes, we did.

10:17:02 3 Q. Did you participate in the meeting?

10:17:06 4 A. I think so.

10:17:08 5 Q. Do you have any recollection of what was discussed

10:17:12 6 during this meeting?

10:17:15 7 A. Not specific to this. We've had several Teams

10:17:19 8 meetings.

10:17:21 9 Q. If you can turn to the fourth page of the

10:17:28 10 document. At the top of the page, it says, "Pinal agrees!"

10:17:37 11 A. Okay.

10:17:38 12 Q. So just underneath that, do you see a message with

10:17:46 13 your name from July 18th at 1:50 p.m.?

10:17:51 14 A. Yes.

10:17:52 15 Q. So the message says, quote, "If we have DPOC we

10:18:02 16 should not reject for the box not being checked."

10:18:05 17 Did I read that correctly?

10:18:07 18 A. Yes, you did.

10:18:09 19 Q. And "DPOC" stands for documentary proof of

10:18:14 20 citizenship; right?

10:18:16 21 A. Yes.

10:18:18 22 Q. And do you typically refer to it as DPOC?

10:18:25 23 A. Sometimes. Usually I say "proof of citizenship,"

10:18:31 24 but yeah, DPOC is a common use among the counties.

10:18:37 25 Q. So if I refer to it as DPOC, you'll understand

10:18:39 1 what I'm referring to?

10:18:40 2 A. Yes.

10:18:41 3 Q. Did you write that message that we just read?

10:18:52 4 A. Yes.

10:18:55 5 Q. Can you explain what was being discussed and what

10:18:59 6 you meant by your message?

10:19:03 7 A. I'm assuming that it was in response to talking

10:19:08 8 about if the citizenship box is not checked on the

10:19:15 9 registration form, that we would have to reject the

10:19:21 10 document. But I believe, as I stated earlier, that proof

10:19:25 11 of citizenship should be enough. You shouldn't have to

10:19:31 12 check the box too on the registration form.

10:19:39 13 Q. And do you see underneath your message it says,

10:19:46 14 quote, "like 4"?

10:19:50 15 A. Yes.

10:19:50 16 Q. Do you know what that means?

10:19:54 17 A. I'm thinking that probably is four people liked my

10:19:58 18 comment.

10:20:01 19 Q. Do you know who on this meeting liked your

10:20:05 20 comment?

10:20:05 21 A. No, I don't.

10:20:07 22 Q. Has the Fontes administration provided your office

10:20:22 23 with any other draft guidance or documents beyond the 2023

10:20:29 24 EPM that elaborate on interpretation or implementation of

10:20:36 25 HB 2492 or 2243?

10:20:40 1 A. I don't believe so. I know we had the written
 10:20:47 2 document from the Hobbs administration, Kori Lorick, but I
 10:20:53 3 don't recall receiving anything else from the Fontes
 10:20:57 4 administration so far than what we have in the EPM -- or
 10:21:02 5 draft EPM.

10:21:03 6 Q. And the document that you're referring to from the
 10:21:07 7 Hobbs administration, am I correct that that's the
 10:21:13 8 December 2022 communication that advised the counties not
 10:21:19 9 to implement certain provisions of the laws?

10:21:28 10 A. Yes.

10:21:29 11 Q. Have there been any VRAC proposals made regarding
 10:21:35 12 HB 2492 or 2243?

10:21:39 13 A. I'm sorry, I don't remember. Donna may be able to
 10:21:46 14 remember that better.

10:21:49 15 I have had to miss some meetings in the past
 10:21:52 16 couple months, so I'm not as up to date on what's been
 10:21:59 17 discussed at the meetings.

10:22:02 18 Q. That's fine.

10:22:06 19 Is it possible that there will not be
 10:22:10 20 agreement on a revised EPM and there, thus, will not be a
 10:22:16 21 new operative EPM this year?

10:22:22 22 MR. MORGAN: Form, foundation.

10:22:25 23 THE WITNESS: I -- I don't know. It has to
 10:22:30 24 have agreement between the governor's office, the Attorney
 10:22:34 25 General's Office, and the secretary of state's, from my

10:22:37 1 understanding, but I don't know what kind of discussions of
 10:22:40 2 that are going on. It has happened in the past with not
 10:22:48 3 having an approved new EPM, but I'm hopeful that we will
 10:22:55 4 have a new one.

10:22:56 5 BY MR. ATKINS:

10:22:58 6 Q. If there's not an approved new EPM by this time
 10:23:02 7 next year in 2024, will your office nonetheless be
 10:23:09 8 obligated to enforce HB 2492 and HB 2243?

10:23:17 9 MR. HORLEY: Objection. Calls for legal
 10:23:19 10 conclusion.

10:23:19 11 THE WITNESS: I would need to ask my legal
 10:23:21 12 counsel on that.

10:23:23 13 BY MR. ATKINS:

10:23:27 14 Q. So let's change gears a little bit and talk about
 10:23:29 15 the voter registration process.

10:23:33 16 So in Arizona, voters can register using
 10:23:36 17 either the state voter registration form or what's known as
 10:23:40 18 the federal form; correct?

10:23:43 19 A. Yes.

10:23:44 20 Q. And the state form is prepared by the Secretary of
 10:23:50 21 State's Office; right?

10:23:50 22 A. Yes.

10:23:51 23 Q. Whereas, the federal form is the registration form
 10:23:57 24 that states are required to accept and use to register
 10:24:01 25 voters for federal elections; right?

10:24:05 1 A. Yes.

10:24:06 2 Q. And that requirement comes from the National Voter

10:24:12 3 Registration Act, or NVRA?

10:24:16 4 A. Yes.

10:24:17 5 Q. Am I correct that neither the state form nor the
10:24:21 6 federal form has been updated to reflect any of the new
10:24:25 7 requirements under 2492 or 2243?

10:24:32 8 A. That, I'm not sure on. There was the additional
10:24:36 9 language that if you register to vote in another state,
10:24:41 10 your registration would be canceled in Arizona, as I
10:24:46 11 recall. And I don't know if that's on the new form or not.

10:24:52 12 Q. When you're referring to that new language, is
10:24:56 13 there somewhere where you are aware that that new language
10:25:00 14 is present?

10:25:02 15 A. No. I haven't looked at the registration forms
10:25:08 16 and we have not -- as I recall, we have not ordered new
10:25:12 17 ones yet. Donna Casner would be able to answer that better
10:25:17 18 than me.

10:25:18 19 Q. Is it the case that Arizona voters are registered
10:25:29 20 as either federal-only voters or full-ballot voters?

10:25:35 21 A. Yes.

10:25:36 22 Q. And full-ballot voters can vote in state and local
10:25:49 23 elections in addition to federal elections; correct?

10:25:53 24 A. That is correct.

10:25:54 25 Q. Is whether someone is registered as a federal-only

10:26:05 1 or full-ballot voter dependent on whether the registrant

10:26:08 2 provides DPOC when they register?

10:26:11 3 A. Yes.

10:26:12 4 Q. If I use the term "dual-registration system," can

10:26:22 5 we agree that I'm referring to this system that

10:26:27 6 distinguishes between federal-only and full-ballot voters?

10:26:31 7 A. Yes.

10:26:37 8 Q. Do you know how long the dual-registration system

10:26:40 9 in Arizona has been in place?

10:26:47 10 A. No. It came out of the court -- a court case, and

10:26:51 11 I think it was the ITCA case. I can't re- -- I get the

10:26:55 12 cases mixed up, so I'm sorry.

10:26:59 13 Q. Not a problem.

10:27:00 14 Is it fair to say that the dual-registration

10:27:02 15 system has been in place for multiple presidential election

10:27:08 16 cycles?

10:27:09 17 A. I would say at least two, maybe three.

10:27:15 18 Q. And is it the case that Arizona voters were not

10:27:18 19 always required to provide DPOC when they registered to

10:27:22 20 vote?

10:27:25 21 A. That is correct.

10:27:26 22 Q. And so prior to DPOC being required, voters were

10:27:35 23 registered to vote in state, local, and federal elections

10:27:41 24 regardless of whether they provided DPOC; right?

10:27:44 25 A. That is correct.

10:27:47 1 Q. The dual-registration system doesn't require those
10:27:56 2 voters who had previously registered without DPOC to come
10:28:01 3 back and provide DPOC in order to maintain their
10:28:04 4 full-ballot status, does it?

10:28:08 5 A. No, it does not.

10:28:09 6 Q. But under the dual-registration system, every
10:28:16 7 applicant now has to provide DPOC if they want to vote in
10:28:20 8 state, local elections; right?

10:28:22 9 A. That is correct.

10:28:23 10 Q. Today, there are voters who remain registered as
10:28:29 11 full-ballot voters who never provided DPOC; correct?

10:28:34 12 A. Yes.

10:28:35 13 Q. Do you know approximately how many of those voters
10:28:38 14 there are in Coconino County?

10:28:40 15 A. No, I do not.

10:28:42 16 Q. Do you know approximately how many voters in
10:28:45 17 Coconino County are currently registered as federal-only
10:28:50 18 voters?

10:28:50 19 A. Donna could tell you that. She runs our
10:28:55 20 statistics.

10:29:06 21 Q. What does your office currently do if a voter
10:29:11 22 registration applicant fails to provide DPOC when they
10:29:14 23 register?

10:29:14 24 A. We try to contact them to tell them they need to
10:29:23 25 send us the DPOC to be able to vote for a full ballot, and

10:29:31 1 that's done with a letter. If it's close to the voter
10:29:38 2 registration deadline, we may try to reach them by phone.
10:29:46 3 And we do that prior to every election that we're going to
10:29:51 4 be conducting so they're aware that if they wanted to vote
10:29:54 5 a full ballot, that they will need to supply that DPOC.
10:30:00 6 Q. And to be clear, is a voter in that situation
10:30:05 7 registered to vote in federal elections?
10:30:10 8 A. Yes. Not in the presidential preference election.
10:30:17 9 Q. But all other federal elections other than the
10:30:20 10 presidential preference?
10:30:22 11 A. That's correct.
10:30:25 12 THE WITNESS: Is that correct, Donna? Sorry.
10:30:28 13 BY MR. ATKINS:
10:30:28 14 Q. We can -- we can double-check with her when we
10:30:30 15 switch.
10:30:31 16 A. Yeah, check with her.
10:30:32 17 Q. If we can please look at the document marked J.
10:31:12 18 A. Okay.
10:31:13 19 MR. ATKINS: Let's mark this as Exhibit 175.
10:31:13 20 (The document was marked as Exhibit 175
10:31:16 21 for identification.)
10:31:16 22 BY MR. ATKINS:
10:31:17 23 Q. Is this the letter that you were just referencing
10:31:19 24 that you send to voters who failed to provide DPOC when
10:31:23 25 they register?

10:31:24 1 A. Yes.

10:31:26 2 Q. And this letter has bullet points listing

10:31:31 3 different forms of DPOC that the applicant can provide;

10:31:34 4 right?

10:31:35 5 A. Yes.

10:31:41 6 Q. Let's please look at Document K.

10:31:57 7 A. Okay.

10:32:03 8 MR. ATKINS: Let's please mark this as

10:32:05 9 Exhibit 176.

10:32:05 10 (The document was marked as Exhibit 176

10:32:07 11 for identification.)

10:32:07 12 BY MR. ATKINS:

10:32:13 13 Q. What is this document?

10:32:14 14 A. This, I'll have you refer to Donna. This is part

10:32:21 15 of the letter that she sends out -- or our office sends

10:32:25 16 out, and she's much more familiar with how we deal with

10:32:29 17 that.

10:32:32 18 Q. Sure.

10:32:35 19 But can I just ask you: Is this a form that

10:32:39 20 accompanies the letter we were just looking at?

10:32:42 21 A. Yes.

10:32:42 22 Q. So I'd like to talk now a bit about your office's

10:33:06 23 current practices for applicants who register using the

10:33:11 24 state form.

10:33:13 25 A. Okay.

10:33:14 1 Q. If we could please turn back to Exhibit 169. This
10:33:27 2 is your office's June 29th responses to consolidated
10:33:36 3 plaintiffs' requests for production.

10:33:42 4 A. Okay.

10:33:42 5 Q. If I can please have you look at Request for
10:33:45 6 Production Number 1, which is on the second page.

10:33:51 7 A. Okay.

10:33:52 8 Q. So RFP 1 asks for "All documents and
10:33:58 9 communications from January 1, 2017, to the present
10:34:03 10 relating to the use of birthplace and Citizenship Checkbox
10:34:06 11 on the State Form, including but not limited to whether
10:34:11 12 Voter Registration Applicants were required to provide
10:34:13 13 birthplace or complete the Citizenship Checkbox to be
10:34:17 14 registered to vote, whether Voter Registration Applicants
10:34:21 15 actually did provide such information, how frequently Voter
10:34:26 16 Registration Applicants actually did provide a correct or
10:34:31 17 incorrect birthplace, fail to provide a birthplace,
10:34:35 18 complete or fail to complete the Citizenship Checkbox, or
10:34:38 19 make errors in completing the Citizenship Checkbox, and
10:34:42 20 whether Voter Registration Applicants were rejected for
10:34:45 21 failing to provide this information."

10:34:49 22 The request goes on, but we can stop there.

10:34:51 23 Did I read that correctly?

10:34:53 24 A. Yes.

10:34:57 25 Q. And if I can direct you to your response to RFP 1,

10:35:05 1 it reads, quote, "The Recorder follows the processes and
10:35:08 2 procedures regarding a voter registration applicant's
10:35:11 3 failure to check the citizenship checkbox on a state form
10:35:15 4 set forth in the 2019" EPM "Chapter 1, Section IV(C) (4) and
10:35:24 5 does not use information related to the birthplace of a
10:35:28 6 voter registration applicant to verify such person's
10:35:31 7 eligibility to vote. Further, the Recorder does not
10:35:36 8 maintain a distinct record as to whether Applicants check
10:35:38 9 the Citizenship" checkbox "or provide birthplace
10:35:42 10 information and do not have a way to obtain that
10:35:45 11 information other than reviewing every Application."
10:35:50 12 And the response goes on.
10:35:52 13 But did I read that part correctly?
10:35:53 14 A. Yes, you did.
10:35:57 15 Q. So currently, if an applicant submits a state
10:36:00 16 registration form and provides adequate DPOC but no
10:36:06 17 birthplace information, your office still registers the
10:36:10 18 applicant to vote; correct?
10:36:12 19 A. Yes, that is correct.
10:36:19 20 Q. And is that because birthplace is not currently
10:36:22 21 required to register applicants to vote?
10:36:25 22 A. It's an optional field.
10:36:28 23 Q. So if the applicant does include birthplace
10:36:32 24 information, your office doesn't keep track of that
10:36:38 25 information; correct?

10:36:40 1 A. That's correct.

10:36:42 2 Q. So now, if we can turn to Exhibit 170, which is

10:36:57 3 your office's June 29th, 2023, responses to consolidated

10:37:02 4 plaintiffs' interrogatories.

10:37:08 5 A. Okay.

10:37:09 6 Q. And if we can look at Interrogatory Number 1.

10:37:17 7 So this interrogatory asks you to "Identify

10:37:20 8 and describe each way that Your office uses or would use

10:37:24 9 information related to the birthplace of a Voter

10:37:27 10 Registration Applicant -- including Applicants for whom you

10:37:30 11 already have DPOC -- to verify such person's eligibility to

10:37:34 12 vote, including but not limited to each way in which a

10:37:39 13 Voter Registration Applicant's failure to provide their

10:37:41 14 birthplace affects or would affect Your ability to confirm

10:37:46 15 the Voter Registration Applicant's identity or determine

10:37:49 16 whether that person is eligible to register and vote in

10:37:53 17 Arizona."

10:37:54 18 Did I read that part of the interrogatory

10:37:58 19 correctly?

10:37:58 20 A. Yes, you did.

10:37:59 21 Q. And your response to Interrogatory 1 reads, quote,

10:38:06 22 "The Coconino County Recorder does not currently and does

10:38:10 23 not anticipate using birthplace information to verify or

10:38:14 24 confirm Voter Registration Applicant's identity or

10:38:17 25 eligibility to register and vote in Arizona. Further, the

10:38:21 1 Coconino County Recorder believes this requirement to be in
 10:38:24 2 violation of the Civil Rights Act of 1964," 52 U.S. Code
 10:38:30 3 Section 10101(a)(2)(B), "consistent with guidance provided
 10:38:35 4 by the Arizona Secretary of State's Office in December
 10:38:39 5 of 2022, and unless and until it receives contradictory
 10:38:42 6 guidance from the Secretary of State or a court order
 10:38:45 7 saying otherwise, it does not intend to require provision
 10:38:49 8 of this information to complete voter registration
 10:38:52 9 applications."

10:38:53 10 Did I read that correctly?

10:38:54 11 A. Yes, you did.

10:38:56 12 Q. And is that still your position today?

10:39:00 13 MR. HORLEY: Objection to the extent it calls
 10:39:04 14 for a legal conclusion.

10:39:04 15 THE WITNESS: Yes, I'll still follow the
 10:39:07 16 guidance from Secretary of State's Office.

10:39:10 17 BY MR. ATKINS:

10:39:13 18 Q. So you don't use birthplace information to verify
 10:39:18 19 or confirm voter identity or eligibility; correct?

10:39:23 20 A. That's correct.

10:39:24 21 Q. And you believe that requiring a citizen to
 10:39:31 22 provide birthplace information in order for their
 10:39:35 23 application to be accepted violates the Civil Rights Act;
 10:39:40 24 correct?

10:39:40 25 A. According --

10:39:41 1 MR. HORLEY: Same objection.

10:39:43 2 THE WITNESS: According to what we received

10:39:45 3 from the Secretary of State's Office. I think it was Kori

10:39:52 4 Lorick's memo that she sent out to us.

10:39:52 5 BY MR. ATKINS:

10:39:56 6 Q. So you agree with Kori Lorick's memo in that

10:40:00 7 regard?

10:40:03 8 A. Yes.

10:40:04 9 Q. Do you understand that under HB 2492, a state form

10:40:07 10 applicant must include their place of birth on the form or

10:40:11 11 it cannot be accepted by your office?

10:40:14 12 BY MR. HORLEY: Same objection.

10:40:18 13 THE WITNESS: Yes, I believe that's in there.

10:40:21 14 BY MR. ATKINS:

10:40:22 15 Q. Does your office have any means of accurately

10:40:25 16 confirming that a voter's stated place of birth is

10:40:30 17 accurate?

10:40:33 18 A. No, we do not.

10:40:36 19 Q. Would your office be able to verify a registrant's

10:40:41 20 citizenship using their place of birth?

10:40:45 21 A. Not necessarily. I worked in a state where we

10:40:49 22 were -- where people had to supply birthplace not for proof

10:40:55 23 of citizenship, but we had -- we would have people that

10:40:59 24 would be born in Germany, they were children of military

10:41:05 25 personnel. And just because you're born in another

10:41:09 1 country, it doesn't mean that you are not a U.S. citizen if

10:41:13 2 your parents are U.S. citizens.

10:41:17 3 Q. So is it fair to say that Coconino County cannot

10:41:20 4 use birthplace information to verify whether an applicant

10:41:24 5 is qualified to vote?

10:41:27 6 A. That is correct.

10:41:29 7 Q. And other than the communication from Ms. Lorick
10:41:42 8 in December 2022 and the draft EPM, have you received any
10:41:49 9 guidance from the secretary of state about how to implement
10:41:53 10 the birthplace requirement if the law goes into effect?

10:41:58 11 A. No.

10:42:00 12 Q. Are you aware of any other state that requires
10:42:03 13 birthplace information in order to register to vote?

10:42:09 14 MR. LANGHOFER: Calls for a legal conclusion.

10:42:12 15 THE WITNESS: When I worked in Nebraska,
10:42:14 16 birthplace was one of the info -- pieces of information
10:42:17 17 that was asked for. So I know Nebraska required it. I
10:42:24 18 don't know that they still do or not.

10:42:26 19 BY MR. ATKINS:

10:42:26 20 Q. Do you know if Nebraska would reject voter
10:42:31 21 registration applications that failed to provide birthplace
10:42:33 22 information?

10:42:33 23 MR. LANGHOFER: Same objection.

10:42:39 24 THE WITNESS: That, I cannot remember. I do
10:42:40 25 know we had to follow up with the registrants if they would

10:42:46 1 list another country to find out if their parents were U.S.
10:42:49 2 citizens or if they were naturalized citizens. They did
10:42:54 3 not have to provide proof of that. We would just -- we
10:42:58 4 could verify it either through a letter or over the phone.

10:43:04 5 BY MR. ATKINS:

10:43:04 6 Q. Did Nebraska at that time have a DPOC requirement
10:43:08 7 like Arizona does?

10:43:09 8 MR. LANGHOFER: Same objection.

10:43:12 9 THE WITNESS: No, it did not.

10:43:14 10 BY MR. ATKINS:

10:43:15 11 Q. I'd like to shift gears and speak again about the
10:43:19 12 citizenship checkbox, which appears on both the state form
10:43:25 13 and the federal form; right?

10:43:28 14 A. Yes.

10:43:28 15 Q. And I'm correct that the citizenship checkbox on
10:43:36 16 both forms is -- is not new. It's been there for a while;
10:43:43 17 right?

10:43:43 18 A. Yes, that is correct.

10:43:45 19 Q. But your office hasn't historically rejected voter
10:43:51 20 application forms simply because a person failed to check
10:43:55 21 the checkbox; correct?

10:43:59 22 A. That is correct. If they provided DPOC or if it
10:44:07 23 was a federal-only voter and we could confirm identity for
10:44:15 24 being able to vote by mail or in person. You have to mark
10:44:23 25 the box -- if you did not -- on a federal form if you

10:44:27 1 didn't provide DPOC.

10:44:32 2 Q. Your office follows the 2019 EPM when it comes to
10:44:38 3 the citizenship checkbox; right?

10:44:40 4 A. Yes, we do.

10:44:42 5 Q. And the 2019 EPM provides that failure to answer
10:44:48 6 the checkbox or a "no" answer doesn't invalidate the form
10:44:55 7 if there is some other appropriate indicator of
10:44:59 8 citizenship; is that right?

10:45:01 9 MR. LANGHOFER: Same objection.

10:45:04 10 THE WITNESS: If the person marked "no" on
10:45:05 11 the form that they're not a U.S. citizen but they provided
10:45:09 12 proof of -- or provided DPOC, we would go ahead and
10:45:14 13 register them.

10:45:14 14 Now, if they marked "no" and they did not
10:45:18 15 provide DPOC, then we would not be able to.

10:45:27 16 BY MR. ATKINS:

10:45:27 17 Q. And you understand that under HB 2492, an
10:45:30 18 applicant using either the state form or the federal form
10:45:34 19 must affirmatively check the box confirming that they are a
10:45:37 20 citizen or their registration will be rejected; right?

10:45:41 21 MR. LANGHOFER: Same objection.

10:45:43 22 MR. HORLEY: Objection.

10:45:45 23 THE WITNESS: I believe that's how it reads.

10:45:48 24 BY MR. ATKINS:

10:45:48 25 Q. And to confirm, your office is not currently

10:45:52 1 implementing that requirement; right?

10:45:55 2 A. That is correct.

10:45:58 3 Q. So right now, if an applicant submits the state

10:46:01 4 form and provides DPOC but does not mark the citizenship

10:46:05 5 checkbox, your office accepts the application; correct?

10:46:10 6 A. Yes.

10:46:11 7 Q. So is it fair to say that completing the
10:46:29 8 citizenship checkbox is not necessary to your office
10:46:36 9 confirming that a state form applicant is a citizen?

10:46:44 10 MR. LANGHOFER: [Indiscernible.]

10:46:44 11 THE COURT REPORTER: Kory, I couldn't hear
10:46:46 12 you.

10:46:47 13 MR. LANGHOFER: Same objection.

10:46:51 14 THE WITNESS: Could you repeat that?

10:46:55 15 BY MR. ATKINS:

10:46:56 16 Q. Yeah. Let me -- let me back up a little bit.

10:46:58 17 It's the case -- right? -- that state form

10:47:03 18 applicants have to provide DPOC with their registration;

10:47:07 19 right?

10:47:09 20 A. Yes.

10:47:09 21 Q. So if a state form applicant submits their form

10:47:17 22 with DPOC, their completing the citizenship checkbox is not

10:47:22 23 necessary for your office to confirm that they're a

10:47:25 24 citizen; right?

10:47:27 25 A. Yes, that is correct.

10:47:28 1 Q. Now, turning back to federal form applicants, am I
10:47:38 2 correct that the federal form contains an affirmation of
10:47:44 3 citizenship under the penalty of perjury at the bottom of
10:47:49 4 the form?

10:47:52 5 A. I don't remember. I'm sorry. I believe Donna
10:48:08 6 could answer that better than me.

10:48:23 7 Q. Let's shift gears away from voter registration.
10:48:31 8 And I just have a few more questions about the challenged
10:48:36 9 laws.

10:48:38 10 Am I correct that prior to HB 2492 and 2243,
10:48:42 11 it was illegal for a person who was not a U.S. citizen to
10:48:48 12 register to vote in Arizona?

10:48:50 13 MR. LANGHOFER: Same objection.

10:48:53 14 THE WITNESS: Yes.

10:48:54 15 BY MR. ATKINS:

10:48:56 16 Q. And would you also agree that prior to 2492 and
10:49:01 17 2243, Arizona had policies, laws, or procedures in place to
10:49:08 18 prevent noncitizens from voting?

10:49:13 19 A. Yes.

10:49:14 20 MR. LANGHOFER: Same objection.

10:49:15 21 BY MR. ATKINS:

10:49:19 22 Q. In fact, isn't it a felony for a person to
10:49:23 23 register when they know that they're not entitled to
10:49:26 24 register?

10:49:27 25 MR. LANGHOFER: Same objection.

10:49:29 1 THE WITNESS: I believe it is a felony, yes.

10:49:31 2 BY MR. ATKINS:

10:49:38 3 Q. So if we can continue looking at Exhibit 170, your
10:49:44 4 office's responses to consolidated plaintiffs'
10:49:48 5 interrogatories. If I can have you look at Interrogatory
10:49:55 6 No. 9, which starts on the bottom of page 7.

10:50:15 7 A. Okay.

10:50:18 8 Q. So I won't go through reading out the requests and
10:50:23 9 your response with this one, but looking it over, do you
10:50:26 10 see that this interrogatory concerns instances of voter
10:50:33 11 fraud having to do with whether or not the person is a U.S.
10:50:39 12 citizen or a resident of the county?

10:50:45 13 A. Yes.

10:50:46 14 Q. And your response on page 8 provides that your
10:50:53 15 office isn't aware of any instances or any records
10:50:59 16 providing evidence of such instances of noncitizens or
10:51:05 17 nonresidents registering or voting; is that right?

10:51:10 18 A. That is correct.

10:51:11 19 Q. And is that still the case today, that your office
10:51:13 20 is not aware of any instances of noncitizens registering or
10:51:18 21 voting in the county?

10:51:21 22 A. Yes.

10:51:23 23 Q. Almost done. Just want to ask a few questions
10:51:30 24 about voting by mail.

10:51:37 25 Arizona currently allows all registered

10:51:39 1 voters to vote by early ballot; correct?

10:51:45 2 A. Not by mail. Federal-only voters that have not
10:51:49 3 provided an identity have to vote the first time in person.

10:51:55 4 Q. But other than first-time federal form voters, all
10:52:02 5 other registered voters are entitled to vote early by mail;
10:52:07 6 right?

10:52:07 7 A. That is correct.

10:52:09 8 Q. And do you know how long that's --

10:52:13 9 MR. LANGHOFER: [Indiscernible.]

10:52:13 10 THE COURT REPORTER: I didn't hear you, Kory.

10:52:17 11 MR. LANGHOFER: I just said, "Same
10:52:19 12 objection."

10:52:20 13 BY MR. ATKINS:

10:52:22 14 Q. And do you know how long it's been the case
10:52:24 15 that -- aside from that one exception, that all Arizona
10:52:28 16 registered voters have been able to vote early by mail?

10:52:33 17 MR. LANGHOFER: Same objection.

10:52:35 18 THE WITNESS: I know it's been at least the
10:52:37 19 20 years I have been here. I don't know when "no-excuse"
10:52:43 20 early voting went into effect.

10:52:46 21 BY MR. ATKINS:

10:52:46 22 Q. So during your time as an election administrator,
10:52:51 23 the -- the right to request an early ballot has not
10:52:59 24 depended on which form a voter uses to register, noting the
10:53:03 25 exception that you raised about first-time federal-only

10:53:03 1 voters?

10:53:07 2 MR. LANGHOFER: Same objection.

10:53:07 3 THE WITNESS: That is correct.

10:53:11 4 BY MR. ATKINS:

10:53:20 5 Q. So if a voter is on the active early voting list,
10:53:25 6 that means that they're automatically sent a ballot by mail
10:53:28 7 for each election without them having to request it each
10:53:32 8 time; right?

10:53:34 9 A. Not for unaffiliated voters in the partisan
10:53:42 10 primary election. They need to tell us which party ballot
10:53:45 11 they want -- wish to vote. Otherwise, it won't be mailed
10:53:49 12 to them.

10:53:51 13 Q. But for affiliated voters and for all voters in
10:53:55 14 general elections, if they're on the active early voting
10:53:59 15 list, they're automatically sent their ballot by mail;
10:54:03 16 correct?

10:54:03 17 A. Yes, that is correct.

10:54:04 18 Q. And those voters stay on the active early voting
10:54:11 19 list unless they fail to vote in two subsequent elections;
10:54:14 20 right?

10:54:17 21 MR. LANGHOFER: Same objection.

10:54:18 22 THE WITNESS: I believe it's two state
10:54:22 23 elections, like, two election cycles right now.

10:54:27 24 BY MR. ATKINS:

10:54:28 25 Q. Understood.

10:54:29 1 Is it fair to say that voting by early ballot

10:54:34 2 by mail is commonly used in Arizona?

10:54:39 3 A. Yes, it is.

10:54:41 4 Q. Most Arizona voters vote by mail; right?

10:54:46 5 A. A large percentage do.

10:54:49 6 Q. And is that true in your county?

10:54:52 7 A. Yes.

10:54:53 8 Q. Do you happen to know roughly what percentage of

10:54:57 9 Coconino County voters voted by early ballot by mail in the

10:55:04 10 2022 general election?

10:55:06 11 A. I can't remember. I'd have to look the

10:55:11 12 information up. I know that it was over 80 percent, as I

10:55:17 13 recall, that voted early, but some of those early voters

10:55:21 14 voted in person early.

10:55:24 15 Q. Understood.

10:55:25 16 Based on your significant experience as an
10:55:31 17 election official, are there benefits to voters being able
10:55:37 18 to vote using an early ballot?

10:55:43 19 A. As an election administrator, you know, it's up to
10:55:52 20 the voter whether they want to or not.

10:55:56 21 Q. Do you -- do you think that the ability to vote
10:56:00 22 early by mail provides benefits to the voter?

10:56:06 23 A. I think to some voters, they definitely believe
10:56:11 24 that.

10:56:11 25 Q. The early ballots that your office sends out have

10:56:15 1 prepaid return postage; right?

10:56:19 2 A. That is correct.

10:56:21 3 Q. So a voter can simply complete their ballot and
10:56:25 4 drop it in the mail; right?

10:56:27 5 A. That is correct.

10:56:30 6 Q. And voters who cast early ballots by mail don't
10:56:35 7 need to visit a polling location or arrange time off or
10:56:41 8 transportation to get there; right?

10:56:45 9 A. That -- that is correct -- majority. You may, if
10:56:49 10 you live in the rural parts of the area, have to -- and you
10:56:53 11 don't have a car, make arrangements to get to the postal
10:56:57 12 areas because they're not delivered to their home. But the
10:57:00 13 majority of the voters, yes.

10:57:02 14 Q. Do you agree that some voters face obstacles to
10:57:06 15 voting in person on election day?

10:57:13 16 A. I would say some voters do.

10:57:18 17 Q. And do you agree that those voters benefit from
10:57:24 18 the flexibility of an early ballot and being able to vote
10:57:28 19 by mail?

10:57:31 20 A. Yes.

10:57:35 21 Q. Do you understand that under HB 2492, voters who
10:57:41 22 fail to provide DPOC will not be permitted to vote by mail
10:57:47 23 with an early ballot?

10:57:50 24 MR. HORLEY: Objection. Calls for a legal
10:57:52 25 conclusion.

10:57:52 1 THE WITNESS: Yes, that's how I believe it

10:57:54 2 reads.

10:57:55 3 BY MR. ATKINS:

10:57:57 4 Q. And so do you agree that those voters would then

10:58:02 5 lose the benefits of early voting by mail that we've

10:58:06 6 discussed?

10:58:10 7 A. Yes.

10:58:13 8 Q. All right.

10:58:17 9 MR. ATKINS: I believe that's all the
10:58:19 10 questions I have for you, Ms. Hansen. So we can switch
10:58:26 11 over to speaking with Ms. Casner.

10:58:33 12 Would you -- would you or anyone like to take
10:58:35 13 a short break before we switch over?

10:58:40 14 THE WITNESS: Yes, please.

10:58:41 15 MR. ATKINS: All right. Does ten minutes
10:58:46 16 work or -- or would longer be helpful?

10:58:50 17 THE WITNESS: I think ten minutes is fine.
10:58:52 18 Thank you.

10:58:53 19 MR. MORGAN: Real quick, I don't have any
10:58:55 20 questions for Ms. Hansen. And thank you, by the way,
10:58:57 21 Ms. Hansen, very much. But to the extent others do, does
10:59:00 22 it make sense to let that happen before we switch to the
10:59:03 23 next witness?

10:59:10 24 MR. LANGHOFER: That's customary.

10:59:13 25 MR. MORGAN: Yeah, I think that's customary.

10:59:14 1 Yeah.

10:59:14 2 MR. ATKINS: Okay. That's -- that's fine
10:59:16 3 with me.

10:59:18 4 MR. MORGAN: After the break.

10:59:21 5 MR. ATKINS: Yeah. So why don't we take our
10:59:22 6 ten-minute break and reconvene at ten past the hour again.
10:59:25 7 And, at that time, if other plaintiffs and then other
10:59:31 8 parties have questions, they can address them with
10:59:34 9 Ms. Hansen.

10:59:35 10 MR. MORGAN: Thank you.

10:59:36 11 THE VIDEOGRAPHER: We are off the record.
10:59:38 12 Time on the video monitor is 10:59 a.m. This ends Media 1.

11:13:10 13 (A recess ensued.)

11:13:10 14 THE VIDEOGRAPHER: We are on the record.

11:13:20 15 Time on the video monitor is 11:13 a.m. This begins
11:13:25 16 Media 2.

11:13:25 17

11:13:25 18 EXAMINATION

11:13:25 19 BY MR. PATTERSON:

11:13:28 20 Q. Thank you again for your time, Ms. Hansen. I just
11:13:32 21 have some questions for you related to the provisions in
11:13:39 22 HB 2492 and 2243.

11:13:44 23 Earlier, you stated that your office opposed

11:13:47 24 the enactment of HB 2492; is that correct?

11:13:54 25 A. Yes.

11:13:54 1 Q. And what was the basis of that opposition?

11:13:58 2 A. The main was con- -- conflicting on requirements

11:14:05 3 with the NVRA and also the proof of residency.

11:14:12 4 Q. And --

11:14:19 5 (Video disturbance.)

11:14:19 6 THE COURT REPORTER: I didn't hear the end of
11:14:21 7 answer. "Proof of residency" and -- I'm sorry. I thought
11:14:24 8 you said something.

11:14:26 9 THE WITNESS: No. The NVRA and proof of
11:14:30 10 residency requirement.

11:14:34 11 BY MR. PATTERSON:

11:14:34 12 Q. And can you tell me -- within HB 2492 and 2243,
11:14:45 13 what is information that a person is not a United States
11:14:50 14 citizen?

11:14:52 15 MR. HORLEY: Objection. Calls for a legal
11:14:55 16 conclusion.

11:14:55 17 BY MR. PATTERSON:

11:14:55 18 Q. You can answer the question.

11:14:57 19 A. Okay. I'm sorry. Would you repeat that?

11:15:01 20 Q. What would be information that would indicate that
11:15:05 21 a person is not a United States citizen under HB 2492 and
11:15:11 22 HB 2243?

11:15:13 23 MR. HORLEY: Same objection.

11:15:18 24 THE WITNESS: Well, if you mark the box "no,"
11:15:23 25 that's real clear you're not a U.S. citizen. I guess --

11:15:30 1 BY MR. PATTERSON:

11:15:31 2 Q. Has your -- oh, sorry.

11:15:34 3 A. Yeah, that's -- I don't know -- I don't really
11:15:38 4 understand what you're asking, I guess.

11:15:41 5 Q. Has your office ever been given a specific list of
11:15:49 6 means or criteria in which a voter registration applicant
11:15:55 7 can be deemed or proven to be a noncitizen?

11:16:00 8 A. Well, if it comes back through the AVID check with
11:16:09 9 Motor Vehicles and they've been issued a F-license, then
11:16:14 10 that indicates that they're not a U.S. citizen. That would
11:16:17 11 be one way we knew we needed to follow up with the person.

11:16:21 12 And I think the "F" stands for foreign or --
11:16:26 13 non-U.S. citizens could get a driver's license, so it
11:16:29 14 indicates to us -- if their records show they're not a U.S.
11:16:34 15 citizen, then it would alert us.

11:16:37 16 Q. And besides, if someone were to check that they
11:16:44 17 are not a U.S. citizen on -- on the form or the
11:16:50 18 information -- information coming up in the AVID check that
11:16:53 19 would indicate that they're a noncitizen, is there any
11:16:56 20 other types of information that your office would consider
11:17:03 21 or find to be indicative that a person is not a U.S.
11:17:10 22 citizen?

11:17:11 23 MR. HORLEY: Objection; form. Calls for a
11:17:13 24 legal conclusion.

11:17:14 25 THE WITNESS: If they mark on their jury

11:17:16 1 questionnaire that they're not a U.S. citizen, that would
11:17:20 2 alert us. So my experience has been that people that do
11:17:25 3 that mark it because they don't want to serve on the jury,
11:17:28 4 not because they're in the U.S. citizens.

11:17:28 5 BY MR. PATTERSON:

11:17:35 6 Q. Thank you.

11:17:40 7 Is the data in a government database showing
11:17:43 8 noncitizenship 20 years ago information that the person is
11:17:49 9 not a U.S. citizen today?

11:17:52 10 MR. HORLEY: Same objection.

11:17:58 11 THE WITNESS: We wouldn't have a database
11:18:01 12 that's 20 years old that I know of.

11:18:07 13 Are you asking if you registered to vote
11:18:09 14 prior to the proof of U.S. citizenship requirement, would
11:18:15 15 we know if they were a U.S. citizen or not?

11:18:19 16 BY MR. PATTERSON:

11:18:19 17 Q. Sorry. Let me restate.

11:18:20 18 If -- if there was information showing that
11:18:24 19 an individual was a noncitizen, say, many years ago -- so
11:18:32 20 not that the database itself is 20 years old, but that a
11:18:36 21 doc- -- a document within the database was indicative that
11:18:39 22 an individual had not been a citizen 20 years ago -- would
11:18:44 23 that information be valid in demonstrating that a person is
11:18:50 24 not a U.S. citizen today?

11:18:52 25 MR. HORLEY: Form. Calls for a legal

11:18:55 1 conclusion.

11:18:56 2 THE WITNESS: I don't know that we would have
11:18:58 3 a document in our database that would show somebody's not a
11:19:02 4 U.S. citizen because we only -- from 20 years ago, anybody
11:19:13 5 who was not registered is not in our database right now.

11:19:27 6 BY MR. PATTERSON:

11:19:28 7 Q. How recent does a document -- scratch that.

11:19:41 8 Where's the line? When is information too
11:19:44 9 old to be information that is relevant to the consideration
11:19:50 10 of whether someone is not a U.S. citizen in the present
11:19:54 11 day?

11:19:55 12 MR. HORLEY: Same objection.

11:19:58 13 THE WITNESS: I don't know.

11:20:02 14 BY MR. PATTERSON:

11:20:02 15 Q. Okay. Thank you.

11:20:06 16 And moving on, what are valid sources of
11:20:09 17 information that someone is not a U.S. citizen?

11:20:14 18 MR. HORLEY: Same objection.

11:20:17 19 THE WITNESS: They tell us they're not a U.S.
11:20:20 20 citizen or they mark it on the form. I don't know any
11:20:27 21 other documents out there that would show you're not a U.S.
11:20:34 22 citizen that anybody would present to us or that we would
11:20:38 23 have.

11:20:39 24 BY MR. PATTERSON:

11:20:40 25 Q. Would -- would anything beyond a government or

11:20:48 1 voter registration date -- registration database be able to
11:20:54 2 be a source of information that could indicate that someone
11:20:59 3 is not a U.S. citizen?

11:21:00 4 MR. HORLEY: Same objection. Also
11:21:02 5 foundation.

11:21:10 6 THE WITNESS: We check -- I guess it is with
11:21:11 7 governmental databases -- is what we would check against
11:21:18 8 and information the registrant would provide. That's all
11:21:26 9 I --

11:21:26 10 BY MR. PATTERSON:

11:21:26 11 Q. Would --

11:21:27 12 A. I -- I haven't had people come to me and say, you
11:21:30 13 know, that registrants are not a U.S. citizen, you know,
11:21:36 14 and they should not be registered as specific registrant.
11:21:41 15 So yeah, I don't know.

11:21:42 16 Q. So a phone call from another voter would not be
11:21:47 17 information that would be a valid source for whether or not
11:21:52 18 someone is a U.S. citizen, then?

11:21:56 19 MR. HORLEY: Same objection. Form.

11:21:59 20 THE WITNESS: The DPOC, if they've proven
11:22:03 21 citizenship. We're not going to go on secondhand
11:22:05 22 information on somebody's citizenship status.

11:22:10 23 BY MR. PATTERSON:

11:22:10 24 Q. And -- and that would include an email or signed
11:22:15 25 letter from another voter; correct?

11:22:19 1 MR. LANGHOFER: Form.

11:22:21 2 THE WITNESS: I haven't received those that I

11:22:23 3 know of. We have a gentleman that is checking our

11:22:29 4 databases, but as I recall, most of those are people he

11:22:34 5 thinks has moved or do not live in Arizona.

11:22:40 6 BY MR. PATTERSON:

11:22:40 7 Q. What about a phone call from a law enforcement

11:22:47 8 officer in Arizona?

11:22:51 9 MR. HORLEY: Same objection.

11:22:53 10 THE WITNESS: I would probably talk to my

11:22:55 11 legal counsel and say, "What's up on this?"

11:23:00 12 BY MR. PATTERSON:

11:23:00 13 Q. And what about a phone call from law enforcement

11:23:03 14 in another state?

11:23:07 15 MR. HORLEY: Same objection.

11:23:07 16 THE WITNESS: Same thing. I would check with

11:23:09 17 my legal counsel.

11:23:12 18 BY MR. PATTERSON:

11:23:16 19 Q. And what about information or lists provided by

11:23:21 20 third-party organizations, like True the Vote or Look Ahead

11:23:26 21 America?

11:23:26 22 MR. HORLEY: Same objection.

11:23:28 23 THE WITNESS: Those are not acceptable

11:23:30 24 sources under the NVRA to start list maintenance

11:23:38 25 procedures, so no.

11:23:41 1 BY MR. PATTERSON:

11:23:48 2 Q. And what about an anonymous call or email?

11:23:54 3 MR. HORLEY: Same objection.

11:23:58 4 THE WITNESS: No. I don't take anonymous
11:24:01 5 requests.

11:24:02 6 BY MR. PATTERSON:

11:24:09 7 Q. By what means can you confirm the authenticity of
11:24:12 8 such information that a voter registration applicant is not
11:24:16 9 a United States citizen?

11:24:25 10 A. If they mark "no" on the registration form or if
11:24:28 11 it comes back through our citizenship checks that indicate
11:24:34 12 that they're not a U.S. citizen and the procedures manual,
11:24:44 13 those checks.

11:24:44 14 Q. And has the Secretary of State's Office ever given
11:24:47 15 your office a list of information that constitutes as
11:24:50 16 evidence of a lack of U.S. citizenship?

11:24:55 17 A. No. Not that I'm aware of, no.

11:25:01 18 Q. What if you identify a registered voter who has
11:25:05 19 already satisfied the DPOC requirement but still holds an
11:25:09 20 F-type license? Is that information that the registered
11:25:14 21 voter is not, in fact, a U.S. citizen?

11:25:17 22 MR. HORLEY: Same objection.

11:25:19 23 THE WITNESS: No. In fact, I know of a case
11:25:21 24 where a county employee had become a naturalized citizen
11:25:27 25 and it kept coming back through Motor Vehicles that he was

11:25:32 1 not a U.S. citizen. And so he provided us copies of our --

11:25:39 2 or showed us that he was a naturalized citizen.

11:25:41 3 So there was a lag there, but we follow up

11:25:45 4 with people registering to make sure that they have not --

11:25:52 5 that they are, indeed, not a U.S. citizen and they have not

11:25:56 6 become a naturalized citizen.

11:25:59 7 BY MR. PATTERSON:

11:26:06 8 Q. And what if you identify a registered voter who is

11:26:09 9 exempt from the DPOC requirement and has never shown DPOC

11:26:13 10 because they registered prior to when DPOC went into

11:26:17 11 effect? Is that information showing that they are not a

11:26:20 12 U.S. citizen?

11:26:22 13 MR. HORLEY: Same objection.

11:26:25 14 THE WITNESS: No. Because we weren't asking

11:26:30 15 at the time they registered.

11:26:33 16 BY MR. PATTERSON:

11:26:37 17 Q. Thank you.

11:26:38 18 Moving on, what is a database related to

11:26:44 19 voter registration?

11:26:50 20 A. Our system is AVID. It is our statewide voter

11:26:55 21 registration system.

11:27:02 22 Q. And for clarification, this comes from A.R.S.

11:27:10 23 16-121.01(D)(5), "Any other state, city, town, county, or

11:27:15 24 federal database, and any other database relating to voter

11:27:18 25 registration."

11:27:20 1 Could it be a list of voters you received

11:27:22 2 from another Arizona agency?

11:27:26 3 MR. HORLEY: Same objection.

11:27:32 4 THE WITNESS: Not to register to vote. If

11:27:36 5 you're one of the NVRA agencies that have to do

11:27:40 6 registration, like Motor Vehicles or Department of Economic

11:27:46 7 Security programs or programs that assist voters with

11:27:52 8 disabilities, it comes through our AVID system.

11:27:56 9 BY MR. PATTERSON:

11:27:57 10 Q. Outside of AVID, are there other databases that

11:28:03 11 relate to voter registration under the statute?

11:28:10 12 A. We're part of the ERIC, Electronic Registration

11:28:16 13 Information Center, I think. It -- it's a group of states

11:28:20 14 that have gotten together where they compare voter

11:28:26 15 registration databases to see if there has been people who

11:28:30 16 have moved to another state after they were registered in

11:28:36 17 our state so we know to follow up with them to make sure if

11:28:41 18 they have -- if that is indeed them; that we cancel them

11:28:46 19 here in our state.

11:28:50 20 Is that what you mean by databases? I mean,

11:28:52 21 we check -- there's also -- we can check through the SAVE

11:28:57 22 program U.S. citizenship or, like, Motor Vehicles

11:29:04 23 Department. But we don't deal with any other agencies or

11:29:08 24 that -- well, Social Security, I think the AVID system does

11:29:12 25 run a check against in regards to identity, looking for the

11:29:18 1 last four digits of the Social Security and the name and
11:29:22 2 birth date.
11:29:23 3 But they're all governmental except for ERIC,
11:29:26 4 which is quasi-governmental, in that it's -- states are
11:29:32 5 working together to try to keep their list clean. And
11:29:32 6 also --
11:29:39 7 Q. I'm sorry.
11:29:40 8 A. They also check to make sure people don't vote in
11:29:43 9 two states in the same election -- ERIC does.
11:29:49 10 Q. What about a list of registered voters provided by
11:29:53 11 a private group, would that be a database related to voter
11:29:59 12 registration?
11:29:59 13 A. No, I would not use that.
11:30:05 14 MR. HORLEY: Form.
11:30:06 15 BY MR. PATTERSON:
11:30:06 16 Q. And what about data provided from another state
11:30:15 17 government agency, say, a California county sheriff's
11:30:21 18 office? Would that be a database related to voter
11:30:27 19 registration?
11:30:27 20 MR. HORLEY: Same objection.
11:30:30 21 THE WITNESS: No. I don't know why they
11:30:32 22 would contact us.
11:30:33 23 BY MR. PATTERSON:
11:30:52 24 Q. Please take a moment -- if we could take a moment
11:30:54 25 to look at -- if we can take a moment to look at 16-165(A).

11:31:06 1 The statute states, "The county recorder
11:31:08 2 shall cancel registration"; is that correct?

11:31:18 3 MS. WINKELER: Can you give us a minute to
11:31:20 4 pull up the statute?

11:31:21 5 MR. PATTERSON: Absolutely.

11:31:25 6 THE WITNESS: Would you please restate the --

11:31:25 7 BY MR. PATTERSON:

11:31:28 8 Q. Yes. It's 61-165 Sub A. It's in HB 2243. Oh,
11:31:51 9 and (A) (10). Sorry. A Sub 10.

11:32:54 10 A. Okay. So it's in regards to canceling the
11:32:57 11 registration from information from the jury commissioner.

11:33:04 12 Q. Yes.

11:33:04 13 A. Yeah.

11:33:05 14 Q. So at the beginning of 16-165(A), it states, "The
11:33:10 15 county recorder shall cancel a registration"; correct?

11:33:18 16 A. Yes.

11:33:19 17 Q. And after that language, HB 2243 lists the number
11:33:23 18 of ways a voter registration can be canceled; true?

11:33:27 19 A. That's correct.

11:33:28 20 Q. And now if we can skip to 16-165(A) (10), on
11:33:36 21 page 4.

11:33:37 22 Read together, this provision reads, the
11:33:41 23 county recorder shall cancel a registration "when the
11:33:46 24 county recorder obtains information pursuant to the section
11:33:50 25 and confirms that the person registered is not a United

11:33:53 1 States citizen"; is that correct?

11:33:57 2 A. Yes.

11:33:58 3 Q. Under this provision, how does one obtain

11:34:02 4 information that a person registered is not a United States

11:34:06 5 citizen?

11:34:08 6 MR. LANGHOFER: Same objection.

11:34:09 7 MR. HORLEY: Calls for a legal conclusion.

11:34:11 8 THE WITNESS: The jury commissioner sends out

11:34:16 9 questionnaires. And one of the questions is: "Are you a

11:34:20 10 U.S. citizen?" And if they marked "no," then we get a

11:34:24 11 report from them. We used to get, as I recall, the actual

11:34:30 12 questionnaire, but now it's a report that lists who's

11:34:37 13 responded. And if they say they're not a U.S. citizen,

11:34:41 14 then we would know that.

11:34:43 15 Now, our experience has been the majority of

11:34:47 16 those that mark "no," they're not a U.S. citizen are not

11:34:51 17 registered to vote, but we have come across instances when

11:34:55 18 we've followed up with people where they marked "no,"

11:34:59 19 they're not a U.S. citizen, and they are registered when we

11:35:02 20 contact them, we find out that they marked "no" to get out

11:35:06 21 of jury duty.

11:35:09 22 BY MR. PATTERSON:

11:35:09 23 Q. And outside of the -- besides the jury

11:35:17 24 questionnaire, are there any other ways that your office

11:35:23 25 obtains information that a person is -- that is registered

11:35:29 1 is not a U.S. citizen?

11:35:32 2 MR. HORLEY: Same objection.

11:35:32 3 THE WITNESS: Not that I can think of right

11:35:34 4 now.

11:35:35 5 BY MR. PATTERSON:

11:35:37 6 Q. Thank you.

11:35:37 7 May you please take a moment to review 16-165

11:36:06 8 Sub G through J. We can take a moment while you review

11:36:12 9 that. Sorry. F through J.

11:36:59 10 A. Okay.

11:37:00 11 Q. Are the listed databases outlined in Subsections F

11:37:05 12 through J the means on how one obtains information of

11:37:11 13 noncitizenship?

11:37:12 14 A. I don't believe J is implemented right now. I

11:37:18 15 think that's listed in 2492 maybe and in 2243, Public

11:37:30 16 Health Statistics and Information System.

11:37:30 17 Q. If J were implemented, would that be a database in

11:37:38 18 which one would obtain information of noncitizenship?

11:37:43 19 MR. HORLEY: Objection. Calls for a legal

11:37:44 20 conclusion. Calls for speculation.

11:37:48 21 THE WITNESS: These databases are set up

11:37:50 22 through the Secretary of State's Office, how they run them

11:37:53 23 through, except for the jury commission. So even that, I

11:37:58 24 believe -- that, I'll have to ask Donna if that does come

11:38:01 25 through the Secretary of State's Office or directly to us

11:38:04 1 from the jury commissioner.

11:38:07 2 But it's set up through the AVID system, the
11:38:12 3 checks. So if it's part of the EPM and that's one of the
11:38:17 4 things that we -- that the secretary of state is required
11:38:21 5 to set up, we would use that.

11:38:25 6 BY MR. PATTERSON:

11:38:34 7 Q. But is it -- are these databases that are outlined
11:39:01 8 in the statute in -- the intended means for how one obtains
11:39:07 9 information of noncitizenship?

11:39:13 10 MR. LANGHOFER: Calls for a legal conclusion.
11:39:14 11 Calls for speculation.

11:39:19 12 THE WITNESS: It's how our state is set up to
11:39:22 13 check for citizenship.

11:39:24 14 BY MR. PATTERSON:

11:39:27 15 Q. Can the Arizona MVD driver's license and
11:39:32 16 nonoperating ID database be used to obtain information that
11:39:37 17 a registered voter is not a U.S. citizen?

11:39:41 18 MR. HORLEY: Same objection.

11:39:44 19 THE WITNESS: It's being used now.

11:39:56 20 BY MR. PATTERSON:

11:39:57 21 Q. It's being used to obtain information that a
11:40:02 22 registered voter is not a U.S. citizen? That's what you're
11:40:05 23 saying?

11:40:05 24 A. Yes. If it comes back that it indicates a foreign
11:40:11 25 national has the driver's license and the person would be

11:40:16 1 registered, we would need to follow up with that person to
11:40:19 2 see if the information is current.
11:40:23 3 You don't have to update your driver's
11:40:26 4 license, I don't believe -- I'm not an expert on driver's
11:40:30 5 licenses -- when you become a U.S. citizen. But you can't
11:40:32 6 register to vote until you become a naturalized citizen.
11:40:37 7 So there is -- could be a discrepancy between the driver's
11:40:42 8 license and registration, which is why we follow up to make
11:40:46 9 sure the information is accurate and up to date.
11:40:50 10 BY MR. PATTERSON:
11:40:52 11 Q. Is there anything beyond a database -- can your
11:40:58 12 office obtain information that a person registered is not a
11:41:02 13 United States citizen through any other means?
11:41:05 14 MR. HORLEY: Same objection.
11:41:08 15 THE WITNESS: No. I've never seen anything
11:41:13 16 that would be another way of showing a person's not a U.S.
11:41:17 17 citizen. I've never come across that and I don't -- I
11:41:23 18 can't think of anything, but I'm not an expert on
11:41:28 19 citizenship.
11:41:29 20 BY MR. PATTERSON:
11:41:29 21 Q. Has your office received any guidance on how one
11:41:32 22 obtains information that a person registered is not a U.S.
11:41:35 23 citizen under 16-165(A)(10)?
11:41:40 24 A. We do through the EPM.
11:41:44 25 Q. And has your office received any guidance on how

11:41:50 1 to order -- checking these databases?

11:42:01 2 A. Well, we got a tutorial for how to use the SAVE
11:42:06 3 program. That's all I'm aware of.

11:42:09 4 Q. What happens if there is conflicting data between
11:42:14 5 databases?

11:42:17 6 A. I have not come across that.

11:42:20 7 Q. Okay. So now, how would your office confirm that
11:42:28 8 a person registered is not a United States citizen under
11:42:31 9 16-165 (A) (10)?

11:42:36 10 MR. HORLEY: Calls for a legal conclusion.

11:42:39 11 THE WITNESS: We confirm citizenship. We
11:42:41 12 don't confirm noncitizenship.

11:42:44 13 BY MR. PATTERSON:

11:42:59 14 Q. What would give your office a reason to believe
11:43:00 15 that a person is not a U.S. citizen?

11:43:06 16 MR. HORLEY: Same objection.

11:43:07 17 MR. LANGHOFER: Same objection.

11:43:10 18 THE WITNESS: They mark "no" on the voter
11:43:12 19 registration form, or we would get an indication from Motor
11:43:20 20 Vehicles that they have an F-license, or from the jury
11:43:25 21 commissioner that they marked "no" on the questionnaire.

11:43:30 22 BY MR. PATTERSON:

11:43:36 23 Q. And if -- if we could take a moment to look at

11:43:45 24 A.R.S. 16-165 Sub I.

11:44:07 25 A. Okay.

11:44:08 1 Q. Based on 16-165 Sub I, is there anything else that
11:44:23 2 would give your office a reason to believe that a person is
11:44:26 3 not a U.S. citizen?

11:44:28 4 MR. HORLEY: Same objection.

11:44:33 5 THE WITNESS: I think I stated what we would
11:44:37 6 consider an indication of non-U.S. citizenship.

11:44:43 7 BY MR. PATTERSON:

11:44:47 8 Q. Has the Secretary of State's Office provided your
11:44:51 9 office with a list of what would give you or your staff a
11:44:55 10 valid reason to believe someone is not a U.S. citizen?

11:45:00 11 A. The only guidance we received from the secretary
11:45:05 12 of state's in the EPM.

11:45:07 13 Q. And in the EPM, was the secretary of state
11:45:13 14 provided any guidance on what your office should consider a
11:45:19 15 valid reason to believe that someone is not a U.S. citizen?

11:45:25 16 A. Not that I recall. We confirm citizenship. We
11:45:31 17 don't confirm noncitizenship.

11:45:35 18 Q. Has the Secretary of State's Office provided your
11:45:40 19 office with a list of what will not give you or your staff
11:45:44 20 a valid reason to believe someone is not a U.S. citizen?

11:45:50 21 A. Not that I'm aware of, except through if it's
11:45:53 22 mentioned in the EPM. And I don't recall anything in the
11:45:57 23 EPM that specifically talks about confirming people being
11:46:05 24 noncitizens, except what I've already mentioned for
11:46:08 25 confirming citizenship.

11:46:11 1 Q. I'm going to provide you with the same scenario
11:46:15 2 that we went over earlier.

11:46:18 3 MR. PATTERSON: But before doing so, I would
11:46:22 4 like to stipulate to -- I'm assuming that there's going to
11:46:28 5 be an objection to this as there was before. I'm willing
11:46:31 6 to stipulate to a global objection to these following
11:46:34 7 questions, if that is all right with defense counsel.

11:46:40 8 MR. LANGHOFER: Sounds good.

11:46:40 9 MR. MORGAN: That's fine with me.

11:46:41 10 MR. LANGHOFER: The objections, I suppose,
11:46:43 11 are calls for a legal conclusion and form?

11:46:47 12 MR. PATTERSON: Yes.

11:46:50 13 BY MR. PATTERSON:

11:46:51 14 Q. So would anything beyond a government or voter
11:46:59 15 registration database?

11:47:12 16 A. Prove noncitizenship? Is that what you're asking?

11:47:20 17 Q. Is there -- sorry. Is -- let's take a step back.

11:47:22 18 So is there anything beyond a government or
11:47:30 19 voter registration database that would give your office a
11:47:34 20 reason to believe that a person is not a U.S. citizen?

11:47:38 21 A. Just if they marked "no" on the registration form.

11:47:44 22 Q. Can a phone call from a voter -- would a phone
11:47:54 23 call from a voter be a reason to believe a person is not a
11:48:02 24 U.S. citizen?

11:48:03 25 A. No.

11:48:05 1 Q. How about an email from the voter?

11:48:11 2 A. From a -- another voter than the person?

11:48:15 3 Q. I'm sorry. Yes.

11:48:16 4 An email from --

11:48:19 5 A. No.

11:48:20 6 Q. Sorry. No. The same. From the same voter. My

11:48:27 7 apologies. So an email from the voter saying that they are

11:48:36 8 not a citizen.

11:48:39 9 A. The voter themselves saying they're not a citizen?

11:48:41 10 Q. Yes. The voter themselves, yes.

11:48:43 11 A. Yes.

11:48:45 12 Q. And --

11:48:45 13 A. We would want to make sure it is the voter asking

11:48:49 14 questions and stuff.

11:48:52 15 I've had instances where a spouse tried to

11:48:54 16 kill off another spouse with a registration, and so I do

11:49:00 17 know that you can't go by secondhand information. You need

11:49:04 18 to talk to the actual person.

11:49:10 19 Q. And for the sake of clarity, I wanted to ask the

11:49:22 20 previous question again, because now that we have -- are of

11:49:22 21 the same understanding.

11:49:30 22 So if you received a phone call from the

11:49:32 23 voter that they are not a citizen, would that give your

11:49:36 24 office reason to believe that they are not?

11:49:39 25 A. Yes. We ask them to confirm some information so

11:49:43 1 we verify that they are the actual registrant. But yes,

11:49:48 2 that would be enough.

11:49:49 3 Q. And what about a signed letter from the voter?

11:49:53 4 A. Yes.

11:49:54 5 Q. How about a phone call from a member of the
11:50:00 6 voter's family?

11:50:02 7 A. No.

11:50:03 8 Q. Would a letter from a neighbor provide your office
11:50:12 9 a reason to believe that the voter is a noncitizen?

11:50:16 10 A. No.

11:50:17 11 Q. What about a phone call from law enforcement in
11:50:23 12 Arizona?

11:50:26 13 A. That, I'd have to ask legal counsel. I haven't
11:50:30 14 had that situation come up.

11:50:34 15 Q. And what about a phone call from a law enforcement
11:50:42 16 in another state?

11:50:44 17 A. I'd ask legal counsel for guidance.

11:50:48 18 Q. Would an email or letter from law enforcement in
11:50:53 19 Arizona provide your office reason to believe that a voter
11:50:58 20 is a noncitizen?

11:50:59 21 A. I would, again, ask legal counsel.

11:51:02 22 Q. And what about an email or letter from law
11:51:06 23 enforcement in another state?

11:51:08 24 A. Same thing. I'd ask legal counsel for guidance.

11:51:12 25 Q. How about an anonymous call?

11:51:15 1 A. No.

11:51:17 2 Q. And -- or an anonymous email?

11:51:22 3 A. No.

11:51:24 4 Q. What about lists provided by third-party
11:51:30 5 organizations, like True the Vote?

11:51:31 6 A. No.

11:51:33 7 Q. Okay. Thank you.

11:51:37 8 MR. PATTERSON: We will be moving on to other
11:51:38 9 questions, so at this point the global objection can end.

11:51:43 10 MR. LANGHOFER: Thanks.

11:51:44 11 BY MR. PATTERSON:

11:51:45 12 Q. What if the registered voter transposed the first
11:51:48 13 and last name of their registration application form?
11:51:54 14 Would that give your office reason to believe that they
11:51:59 15 were a noncitizen?

11:52:00 16 MR. HORLEY: Same objection.

11:52:06 17 THE WITNESS: No.

11:52:06 18 BY MR. PATTERSON:

11:52:08 19 Q. What if the registered voter recorded a foreign

11:52:16 22 THE WITNESS: No.

11:52:17 23 BY MR. PATTERSON:

11:52:17 24 Q. What if you identify a registered voter who has
11:52:21 25 already satisfied the DPOC requirement but still holds an

11:52:24 1 F-type license? Is that a reason to believe they are not,

11:52:29 2 in fact, a U.S. citizen?

11:52:31 3 MR. HORLEY: Same objection. Calls for a

11:52:33 4 legal conclusion.

11:52:34 5 THE WITNESS: No.

11:52:34 6 BY MR. PATTERSON:

11:52:37 7 Q. What about registered voters who are exempt from

11:52:41 8 DPOC under the safe harbor provision because they

11:52:44 9 registered prior to the DPOC requirement going into effect

11:52:48 10 in 2005? Would that failure to show DPOC under this

11:52:53 11 exemption give your office a reason to believe they are not

11:52:56 12 U.S. citizens?

11:52:59 13 MR. HORLEY: Same objection.

11:52:59 14 THE WITNESS: No.

11:53:01 15 BY MR. PATTERSON:

11:53:01 16 Q. Has your office received any guidance on when your

11:53:05 17 office would have reason to believe that a registered voter

11:53:07 18 is not a U.S. citizen?

11:53:12 19 A. Only through the EPM.

11:53:15 20 Q. Thank you.

11:53:16 21 Moving on, a number of provisions in both

11:53:21 22 laws only obligate your office to the extent they are

11:53:26 23 practical -- practicable. Who makes that call?

11:53:33 24 MR. HORLEY: Same objection.

11:53:36 25 THE WITNESS: I would believe that if it's

11:53:38 1 procedures in regards to voter registration, the Secretary
11:53:47 2 of State's Office.

11:53:47 3 BY MR. PATTERSON:

11:53:47 4 Q. And do you meant -- do you understand what is
11:53:51 5 meant by "practicable" within these laws? Is it clear or
11:54:01 6 unclear?

11:54:01 7 MR. LANGHOFER: Same objection.

11:54:03 8 MR. HORLEY: Same objection.

11:54:06 9 THE WITNESS: No, not really. It's a -- a
11:54:11 10 vague term.

11:54:13 11 BY MR. PATTERSON:

11:54:16 12 Q. In terms of resources access -- scratch that.
11:54:23 13 Moving on. If a registered voter is removed
11:54:29 14 from the rolls under HB 2243 based upon an erroneous
11:54:34 15 determination that they are not a U.S. citizen, can that
11:54:37 16 voter be added back to the rolls if the registration
11:54:40 17 deadline has already passed?

11:54:47 18 A. If it's our mistake, yes.

11:54:51 19 Q. And what are the mechanics of adding the voter
11:54:57 20 back to the rolls?

11:55:01 21 A. That, I'd have to ask the legal counsel on the
11:55:06 22 best approach.

11:55:11 23 MR. PATTERSON: Thank you, Ms. Hansen. That
11:55:14 24 completes my questions for you on behalf of Poder.

11:55:20 25 THE WITNESS: Okay. Thank you.

11:55:24 1 MR. PATTERSON: At this point, do we want to
11:55:26 2 take another break or --

11:55:33 3 MR. LANGHOFER: Do you think there will be
11:55:34 4 more questions from the plaintiffs?

11:55:35 5 MR. PATTERSON: Yes. I believe there's one
11:55:37 6 other party that has about 10 to 15 minutes of questions, I
11:55:41 7 believe, but I don't want to speak for them.

11:55:46 8 MS. LANG: That's me. I'm happy -- it is
11:55:46 9 going to be short. And I'm happy to go if Ms. Hansen is
11:55:49 10 ready to go. And I'm also happy for us to take a short
11:55:52 11 break. It's entirely up to you, Ms. Hansen.

11:55:57 12 THE WITNESS: I'm fine.

11:55:58 13 MS. LANG: And everybody else okay with that?

11:56:02 14 THE WITNESS: And I -- I've seen your name
11:56:04 15 many times so . . .

11:56:07 16 MS. LANG: Likewise, actually. So very good
11:56:08 17 to see you.

11:56:09 18 Is that okay with everybody else? All right.

11:56:09 19

11:56:09 20 EXAMINATION

11:56:14 21 BY MS. LANG:

11:56:14 22 Q. Well, with that, thank you so much for your time
11:56:16 23 today, Ms. Hansen. My name is Danielle Lang, and I
11:56:18 24 represent the LUCHA plaintiffs in this matter.

11:56:21 25 And as was represented earlier, I really have

11:56:24 1 a very brief set of questions that I want to go through
11:56:27 2 with you, and then we will hopefully wrap -- wrap up your
11:56:33 3 testimony soon.

11:56:34 4 I want to talk a little bit about kind of
11:56:38 5 state versus federal forms and their usage. And most
11:56:44 6 importantly, I'd like to get to an understanding of kind of
11:56:48 7 the relative breakdown of usage between state and federal
11:56:52 8 forms.

11:56:53 9 Would you say that the majority of voter
11:56:56 10 registration forms that you receive in your office are the
11:56:59 11 state form rather than the federal form?

11:57:02 12 A. Yes, I would.

11:57:05 13 Q. Like by a substantial margin? Is that fair to
11:57:11 14 say?

11:57:11 15 A. It depends on the election time. I know that
11:57:17 16 there's been organizations that registered voters on the
11:57:21 17 college campus that use the federal form more and some were
11:57:28 18 -- it's -- they're usually out-of-state organizations that
11:57:31 19 come in. And also, if they're going to be registering
11:57:36 20 voters where it may be several counties at the event. But
11:57:43 21 most of the organizations locally use the state form.

11:57:47 22 Q. Okay. And sometimes your office would provide
11:57:53 23 voter registration forms to groups that are doing voter
11:57:56 24 registration drives; is that right?

11:57:57 25 A. Yes.

11:57:58 1 Q. And in that case, does your office provide state
11:58:01 2 forms rather than federal forms?
11:58:03 3 A. Yes.
11:58:04 4 Q. Okay. And your office also receives voter
11:58:12 5 registration forms from agencies that are required to
11:58:15 6 conduct voter registration under the NVRA; is that right?
11:58:18 7 A. Yes.
11:58:21 8 Q. Not talking about the MVD but the other agencies
11:58:24 9 that are required to do voter registration, do they use the
11:58:27 10 state form in helping individuals register to vote at the
11:58:31 11 agencies?
11:58:32 12 A. Yes, they do. But as I recall, they need to have
11:58:35 13 the federal form available too. But I --
11:58:40 14 Q. Okay.
11:58:40 15 A. What we receive mostly is state forms.
11:58:44 16 Q. Got it.
11:58:45 17 And I understand from your testimony earlier
11:58:55 18 that right now, your office kind of processes forms
11:59:00 19 identically, whether they're state form or federal form; is
11:59:04 20 that right?
11:59:04 21 A. That's correct.
11:59:05 22 Q. Okay. It's also my understanding that it's -- if
11:59:09 23 the provisions of HB 2492 were to go into effect and be
11:59:14 24 implemented, that it would require you to treat state and
11:59:18 25 federal forms differently.

11:59:20 1 Is that your understanding?

11:59:21 2 A. That is my understanding.

11:59:23 3 Q. Okay. And is that one of the objections you had

11:59:27 4 to this bill when it was pending?

11:59:30 5 A. Yes, it is.

11:59:33 6 Q. And based on your experience, is there any kind of

11:59:39 7 reason why you would process a voter registration form

11:59:42 8 differently simply because of whether it's on a federal

11:59:47 9 form or a state form?

11:59:50 10 A. No. It's -- has the same information. I don't

11:59:57 11 see it -- it being filled out on a different type of paper,

12:00:00 12 why that would matter how you would be treated.

12:00:04 13 Q. Thank you.

12:00:11 14 And so from your experience, if you had to

12:00:15 15 treat state forms versus federal forms differently and

12:00:18 16 reject fed- -- state forms in their entirety if they did

12:00:23 17 not include DPOC, would that likely lead to you rejecting

12:00:27 18 more applications?

12:00:29 19 A. Yes.

12:00:30 20 Q. And then my next set of questions are briefly

12:00:39 21 about the documentary proof of residence requirements in

12:00:44 22 the law.

12:00:46 23 And you already testified earlier about your

12:00:49 24 veto letter where you specifically identified your concerns

12:00:53 25 about documentary proof of residence; is that right?

12:00:56 1 A. Yes.

12:00:57 2 Q. And can you just elaborate a little bit about what

12:01:00 3 your concern was with respect to that requirement and

12:01:04 4 especially as it applies to native voters?

12:01:08 5 A. Well, on the reservations, they don't have -- not

12:01:14 6 everybody has street addresses and not everybody has

12:01:19 7 utilities. We have people that live in -- have living

12:01:25 8 situations where they haul their water. They may have

12:01:27 9 solar, if they do have electricity, and they're not going

12:01:32 10 to have utility bills. I don't know if everybody, you

12:01:38 11 know, would have a bank statement. Internet is not

12:01:46 12 available throughout the reservation or even cell phone

12:01:49 13 service.

12:01:51 14 So I do know several of the people I've

12:01:54 15 talked to on the reservation have TracFones, so that

12:02:00 16 wouldn't have a bill coming to them. So it's difficult for

12:02:03 17 them to get the necessary ID, possibly, to be able to even

12:02:12 18 submit when they register.

12:02:15 19 And also, you need a photocopier if you're

12:02:19 20 sending copies. And so it would be an additional

12:02:23 21 requirement they would have to do if they didn't have an

12:02:28 22 Arizona driver's license or state ID.

12:02:33 23 Q. Thank you.

12:02:34 24 And, you know, one of the concerns you

12:02:37 25 raised, there is, obviously, issues with residential

12:02:40 1 addressing. But you also mentioned the kind of practical
12:02:43 2 difficulties even for someone who does have a residential
12:02:47 3 address to kind of obtain the documentation of that
12:02:50 4 address.

12:02:51 5 Is that what I understand your testimony to
12:02:53 6 be about? Is that right?

12:02:54 7 A. Some people, yeah.

12:02:54 8 Q. Yeah.

12:02:56 9 A. I think there's a problem.

12:02:58 10 Q. And would -- would those concerns potentially
12:03:01 11 extend not only to native voters but also some other rural
12:03:05 12 or low-income voters in your county?

12:03:09 13 A. Yes, I think so. We have people that we say live
12:03:13 14 off the grid. They may be living in a fifth wheel kind of,
12:03:20 15 you know, RV-type unit in the forest or something. And
12:03:25 16 they're eligible to register to vote if that's where
12:03:28 17 they're residing. But again, they don't have the access to
12:03:37 18 a lot of these IDs that other -- those of us that live in
12:03:41 19 the city or more urban areas would have.

12:03:45 20 Q. And in your experience, is it possible that
12:03:49 21 students might also have difficulty obtaining this type of
12:03:52 22 documentation and then getting copies of that type of
12:03:55 23 documentation?

12:03:56 24 A. Yes. If you live in the dormitory, unfortunately,
12:04:02 25 a student ID does not work because it doesn't have your

12:04:06 1 residence on it. And the -- they don't pay utilities.

12:04:15 2 It's included in the dorms or whatever. That's why I know

12:04:19 3 a lot of the college students end up voting early instead

12:04:24 4 of going to a polling place because it's -- they don't have

12:04:28 5 the necessary ID to show to either vote early in person or

12:04:33 6 to vote at the polling place on election day.

12:04:39 7 Q. Thank you.

12:04:42 8 And just talking a little bit about kind of

12:04:45 9 how you process residential addresses, and it -- my

12:04:50 10 understanding is that on a voter registration form, folks

12:04:53 11 have two options as far as providing their residence. They

12:04:56 12 can either provide a traditional street address or they can

12:05:01 13 draw a location or kind of provide other information about

12:05:05 14 their location of residence if they don't have a tradition

12:05:07 15 street address; is that right?

12:05:09 16 A. That is correct.

12:05:11 17 Q. Okay. So starting with that first option, if --

12:05:15 18 if a street address is provided and you input that address

12:05:21 19 into your system, is it sometimes the case that that

12:05:24 20 address is not recognized by your system?

12:05:29 21 A. Yes. Especially, like, in new housing

12:05:32 22 developments or that, we would have to add the street and

12:05:36 23 the address to the system.

12:05:39 24 Q. And can you just talk through a little bit how

12:05:42 25 that's done?

12:05:44 1 A. It's a GIS-type-based system. So we would put a
12:05:50 2 dot to indicate where the residence is at, and then we go
12:05:56 3 in and add it to the system by putting in the address and
12:06:01 4 what districts they were in. Though, since it's GIS-based,
12:06:06 5 a lot of that districting automatically comes in because of
12:06:10 6 the layer with the -- the layers within the GIS system.

12:06:15 7 Q. And so sometimes if that address comes in as kind
12:06:19 8 of not recognized within your system, does that require
12:06:21 9 additional follow-up to the voter?

12:06:24 10 A. Sometimes if it's not -- like, if it's a -- not a
12:06:30 11 street address at all, we will try to contact the voter to
12:06:36 12 see if they could give us more information if we cannot
12:06:40 13 determine where on the map they would be located. Because
12:06:44 14 the residence determines what's going to be on your ballot,
12:06:48 15 what districts you live in. And so that's why our
12:06:54 16 nonstandard addressing a lot of times will not be a street
12:07:00 17 address; we give it an artificial address.

12:07:04 18 So let's say that we could determine that
12:07:08 19 your -- you live in the Leupp precinct and you're in the
12:07:13 20 Flagstaff school district, and then we would give you a
12:07:18 21 0-Leupp-0, which tells us what ballot style you would get.
12:07:23 22 And we know the general area where you reside. And if --
12:07:29 23 Leupp is also in the Tuba City school district, so if
12:07:35 24 you're on the other side of the line in the school
12:07:37 25 district, we would give you 0-Leupp-1.

12:07:41 1 But sometimes if it's on -- really close to
12:07:44 2 the dividing line from their description, we have to call
12:07:47 3 them and try to locate them on exactly where they're at to
12:07:53 4 know which address to give them.

12:07:58 5 That's probably a -- more detail than you
12:08:01 6 wanted.

12:08:01 7 Q. No. It was actually perfect.

12:08:03 8 If we could open up the document in the
12:08:06 9 potential exhibits folder that is labeled L and mark that
12:08:11 10 as the next exhibit.

12:08:11 11 (The document was marked as Exhibit 177
12:08:23 12 for identification.)

12:08:23 13 BY MS. LANG:

12:08:28 14 Q. When you have it open, just let me know if you
12:08:30 15 recognize the document.

12:08:31 16 A. Yes.

12:08:34 17 Q. And can you just identify for me what that
12:08:37 18 document is?

12:08:38 19 A. This is the letter we send when we have questions
12:08:43 20 in regards to registrations.

12:08:43 21 Q. And --

12:08:51 22 A. If it was damaged or the residence is missing or
12:08:53 23 we can't find it.

12:08:54 24 Q. And so I see here that one of the options is the
12:09:00 25 information regarding your residence is missing or unclear;

12:09:03 1 is that right?

12:09:04 2 A. Yes.

12:09:05 3 Q. And so is this the form you would use if your --

12:09:10 4 if the address provided is, you know, not coming up in your

12:09:14 5 system or that you otherwise are unable to kind of pinpoint

12:09:17 6 the location of residence for a voter?

12:09:20 7 A. Yes.

12:09:21 8 Q. Okay. And what kind of -- kind of response from a

12:09:28 9 voter is sufficient to kind of resolve these types of

12:09:32 10 issues?

12:09:34 11 A. Usually they would give us a call or -- and help

12:09:39 12 us find where they're located, or they could respond by

12:09:45 13 giving us a -- like, if they're not on the reservation,

12:09:50 14 their parcel number and lot number, longitude or latitude.

12:09:55 15 So a lot of people don't have that. And sometimes, we're

12:10:00 16 now getting some of the Google codes that also help us

12:10:05 17 locate them.

12:10:09 18 Q. Sounds like there's a lot of different kind of

12:10:11 19 options. Is that fair to say?

12:10:12 20 A. Yes, there is.

12:10:13 21 Q. And you don't provide -- and you don't require

12:10:16 22 those voters to provide any documentation, but rather they

12:10:21 23 can provide this information for -- by the phone for

12:10:24 24 example; is that right?

12:10:24 25 A. Yes. Yeah, they wouldn't have any documentation

12:10:29 1 really that would show it. I mean, if they were the
12:10:32 2 property owner, maybe they could, you know -- we could
12:10:37 3 check with the assessor's office, but otherwise, no. If
12:10:42 4 you're renting, you're not going to know that information.

12:10:46 5 Q. And -- and I think you've already testified to
12:10:49 6 this. But is it more likely that native voters living on
12:10:53 7 reservations in your county are more likely to encounter
12:10:57 8 kind of non- -- have nonstandard addresses?

12:11:00 9 A. Yes, that's correct. It's been left up to each
12:11:03 10 chapter whether they're going to be implementing 911
12:11:07 11 addresses, and it's been a very slow process. And
12:11:14 12 unfortunately, they just don't have street addresses.

12:11:19 13 Q. And in your experience, is it common for these
12:11:26 14 kind of nonstandard addressing markers, like a longitude or
12:11:32 15 latitude or Google codes and these other forms of
12:11:36 16 nonstandard addressing, to a full -- to appear on
12:11:40 17 identification documents, like your driver's license or
12:11:45 18 tribal ID?

12:11:47 19 A. No.

12:11:48 20 Q. Okay.

12:11:50 21 A. I know for tribal ID, it would be more their
12:11:53 22 chapter. And we do try to make our precincts follow
12:11:58 23 chapter lines, but they're not necessarily consistent or
12:12:04 24 set in stone. Like, we can't get a map of the exact ones
12:12:08 25 because people can change their chapters and things like

12:12:12 1 that.

12:12:15 2 Q. And I notice in your interrogatory responses that
12:12:18 3 you mentioned that sometimes your office might help to
12:12:22 4 assign an address.

12:12:25 5 By that, did you mean the kind of, like,
12:12:28 6 assignment that you make might make internally just for
12:12:30 7 your own purposes, or does your office actually help folks
12:12:34 8 get a 911 address, for example?

12:12:36 9 A. No. It's the artificial address that we give
12:12:41 10 internally, which tells us the ballot style. So we know
12:12:44 11 what ballot either to be issued to them at a polling place
12:12:48 12 or what ballot for early voting.

12:12:52 13 Q. Do you know what office within the county is
12:12:55 14 responsible for helping individuals get a standard address
12:12:58 15 if they want one?

12:13:00 16 A. If they're not on the reservation, it would be
12:13:05 17 through our GIS department right now, as I recall. And on
12:13:11 18 the reservation, it's like Navajo Nation. From what I
12:13:16 19 understand, it's left up to each of the chapters. And
12:13:18 20 chapters are kind of how they divide the reservation and --
12:13:22 21 for their governing.

12:13:24 22 And I'm not sure what the Hopi Tribe -- how
12:13:30 23 they do their addressing, but it would be through the
12:13:35 24 reservation. The county does not assign addresses on
12:13:40 25 reservation land or also in the national parks, so . . .

12:13:53 1 Q. In Coconino County, do you know, is the voter
12:13:57 2 registration rate among native voters lower than the rate
12:14:01 3 overall of voter registration in the county?

12:14:05 4 A. I have not checked that against the census
12:14:10 5 numbers. So no, I can't say.

12:14:13 6 Q. I'd like to look at the exhibit that's been marked
12:14:30 7 Exhibit 24.

12:14:38 8 MS. LANG: Do you have access to that, Rose?

12:14:40 9 MS. WINKELER: Yeah, if you could just give
12:14:41 10 me a minute.

12:14:42 11 MS. LANG: Yes, of course.

12:15:14 12 THE WITNESS: Okay.

12:15:15 13 BY MS. LANG:

12:15:16 14 Q. And if you can look at the second page in this
12:15:20 15 document.

12:15:21 16 Have you seen this document before?

12:15:23 17 A. Yes. I think it was included in the information
12:15:27 18 that Kori Lorick sent out.

12:15:32 19 Q. And do you know when that was?

12:15:33 20 A. When that was?

12:15:35 21 Q. Yes.

12:15:37 22 A. I'm thinking, well, it must have been at the end
12:15:39 23 of 2022 because it was prior to the Fontes administration.

12:15:45 24 Q. Okay. And is it your understanding that if the
12:15:54 25 DPOR requirement were to be implemented, that this chart

12:15:57 1 would help you determine what forms of documentation could

12:16:01 2 be accepted under that requirement?

12:16:04 3 A. Yes. I would assume that it would be included in

12:16:09 4 the EPM.

12:16:11 5 Q. Okay. So -- but right now, your office has not

12:16:16 6 implemented the DPOR requirement at all; is that correct?

12:16:19 7 A. That is correct.

12:16:19 8 Q. Okay. I just wanted to ask briefly about the

12:16:28 9 document listed, kind of -- the very last document on this

12:16:32 10 chart, written confirmation signed by the registrant that

12:16:35 11 they qualify to register. And then in the parenthesis, it

12:16:40 12 explains, like, for -- for folks who are at a homeless

12:16:43 13 center or are using the courthouse as their kind of

12:16:49 14 residence.

12:16:52 15 Do you know if there is currently a kind of

12:16:56 16 document available that such voters could use as written

12:16:59 17 confirmation of their residence?

12:17:03 18 A. No, I'm not familiar with any document like that.

12:17:09 19 Q. Okay. Are you familiar with any kind of document

12:17:19 20 promulgated by the secretary of state or otherwise that

12:17:22 21 would allow voters to kind of affirm their residence as a

12:17:27 22 way to provide documentary proof of residence?

12:17:31 23 A. Not now, no.

12:17:33 24 Q. Okay. Outside of this chart, have you received

12:17:37 25 any additional guidance about how you would implement the

12:17:41 1 DPOR -- how you should implement the DPOR requirements if

12:17:45 2 they are implemented?

12:17:46 3 A. No.

12:18:00 4 MS. LANG: I don't have any further questions
12:18:01 5 for you, Ms. Hansen. Thank you so much for your time.

12:18:05 6 THE WITNESS: Thank you.

12:18:15 7 BY MR. HORLEY: Hi, Ms. Hansen. I am Tim
12:18:15 8 Horley with the State of Arizona and the Arizona Attorney
12:18:18 9 General's Office. I don't know if any other plaintiffs
12:18:21 10 have any other questions. Also, I'm not sure if folks
12:18:27 11 would like to take a short break. Up to you, Ms. Hansen,
12:18:27 12 on that.

12:18:28 13 Cindy, I see a hand.

12:18:28 14 THE COURT REPORTER: Please.

12:18:34 15 Okay. Is everybody okay with a short break
12:18:36 16 here?

12:18:37 17 MR. MORGAN: At this hour, I think we ought
12:18:39 18 to have lunch.

12:18:44 19 MR. HORLEY: I have no problem with a lunch
12:18:45 20 break, but up to you, Ms. Hansen and Rose, what your
12:18:52 21 thoughts are about that.

12:18:55 22 THE COURT REPORTER: Do you want to go off
12:18:58 23 the record for this?

12:18:58 24 MR. HORLEY: Sure.

12:18:59 25 THE VIDEOGRAPHER: We are off the record.

12:19:00 1 Time on the video monitor is 12:18 p.m.

12:19:04 2 (A recess ensued.)

13:24:51 3 THE VIDEOGRAPHER: We are on the record.

13:25:08 4 Time on the video monitor is 1:25 p.m.

13:25:12 5

13:25:14 6 EXAMINATION

13:25:14 7 BY MR. HORLEY:

13:25:14 8 Q. All right. Hello, Ms. Hansen. Thanks for your
13:25:17 9 time.

13:25:17 10 As I mentioned before, my name is Tim Horley.

13:25:21 11 I'm with the state attorney general's office.

13:25:23 12 So I do have a few questions that I wanted to
13:25:25 13 follow up -- follow up on, a few topics. And I may
13:25:28 14 introduce a couple different documents that haven't been
13:25:32 15 introduced yet. And if there are any that you think would
13:25:35 16 be better addressed to Ms. Casner, just let me know and I
13:25:40 17 will plan to ask those questions of her at that time.

13:25:43 18 A. Okay.

13:25:43 19 Q. So you mentioned that your office was opposed to
13:25:49 20 the passage of these laws and sent Governor Ducey a letter
13:25:53 21 asking him to veto them; is that correct?

13:25:55 22 A. I sent a letter to -- asking him to veto 2492.

13:26:02 23 Q. Okay. Great.

13:26:03 24 And then -- but I just wanted to confirm that
13:26:07 25 -- will you adhere to whatever a court orders regarding the

13:26:10 1 implementation of these laws?

13:26:12 2 A. Oh, Yes.

13:26:14 3 Q. And you mentioned that some phrases in HB 2492 and
13:26:20 4 2243 are unclear; correct?

13:26:23 5 A. Yes.

13:26:23 6 Q. And guidance from the secretary of state on those
13:26:28 7 unclear provisions would be helpful?

13:26:30 8 A. That's correct.

13:26:31 9 Q. And that could come in the form of an updated EPM,
13:26:36 10 for example?

13:26:37 11 A. Yes.

13:26:38 12 Q. And the EPM provides guidance on a lot of
13:26:41 13 different voting laws, including laws on topics that aren't
13:26:45 14 relevant to the laws we're talking about here; correct?

13:26:49 15 A. Yes.

13:26:50 16 Q. And do you generally rely on the EPM to help
13:26:55 17 implement those other voting laws?

13:26:57 18 A. Yes, I do.

13:26:58 19 Q. And would it be easy to implement those other
13:27:02 20 voting laws without the EPM?

13:27:06 21 A. Not necessarily. I refer to it quite often to
13:27:13 22 make sure that we're doing things correctly.

13:27:16 23 Q. Okay. So it's fair to say that there are
13:27:19 24 different voting laws that are also difficult to implement
13:27:22 25 without further guidance from the secretary of state; is

13:27:26 1 that right?

13:27:26 2 MR. MORGAN: Form.

13:27:27 3 THE WITNESS: That's correct. Especially in
13:27:29 4 regards to court decisions.

13:27:31 5 BY MR. HORLEY:

13:27:32 6 Q. Okay. So same thing is true for these laws that
13:27:35 7 is true for those other laws; correct?

13:27:38 8 A. That's correct.

13:27:40 9 Q. Okay. Great.

13:27:41 10 And then I wanted to look once again at the
13:27:44 11 exhibit that's been marked number 172. I believe it's
13:27:48 12 noted as Exhibit G in the zip file.

13:28:00 13 A. Okay.

13:28:01 14 Q. Okay. And then if you look down at the bottom of
13:28:04 15 page 1, top of page 2, there's a part where it says,
13:28:09 16 "Suggested position"; is that right?

13:28:12 17 A. Yes.

13:28:13 18 Q. And then there it says, "Take no position"; is
13:28:17 19 that right?

13:28:17 20 A. Yes.

13:28:18 21 Q. So does that mean that you wanted the AACo not to
13:28:23 22 take a position on these laws?

13:28:25 23 A. At -- on this specific bill as it was introduced,
13:28:30 24 yes.

13:28:31 25 Q. Okay. So that is different than saying you

13:28:34 1 opposed the law; correct?

13:28:37 2 A. Yes.

13:28:38 3 Q. Okay.

13:28:40 4 A. At that time, I thought it was asking for things
13:28:45 5 that we already -- that were covered with other procedures.
13:28:50 6 But as I recall, another bill was -- amendments
13:28:57 7 incorporated in, but I may be wrong on that because there's
13:29:01 8 so many pieces of legislation.

13:29:03 9 Q. Okay. Understood.

13:29:03 10 But just in this document, you did not oppose
13:29:07 11 HB 2243; is that right?

13:29:08 12 A. That's correct.

13:29:10 13 Q. Okay. Great. Thank you.

13:29:11 14 And then I wanted to touch base on the topic
13:29:16 15 of verifying or checking citizenship.

13:29:19 16 So do the recorders -- does your office do
13:29:22 17 anything to verify DPOC when it is received?

13:29:28 18 A. No.

13:29:30 19 Q. Okay. So it's just taken at face value?

13:29:34 20 A. Yes, it is.

13:29:35 21 Q. Okay. And is DPC -- DPOC normally provided as a
13:29:42 22 photocopy?

13:29:42 23 A. For the documents like the -- a birth certificate
13:29:48 24 or pages out of the passport, yes. Or sometimes, they'll
13:29:52 25 take a picture of it on their phone and then send it to us.

13:29:57 1 Q. Okay. And then you noted in your testimony that
13:30:04 2 the citizenship checkbox is not relevant if the recorder
13:30:08 3 has DPOC from the applicant already; is that right?

13:30:12 4 A. That's correct.

13:30:13 5 Q. Okay. What if the recorder does not have DPOC?

13:30:20 6 A. Then it would not meet the requirements under the
13:30:23 7 current state law.

13:30:25 8 Q. Okay. Would the citizenship checkbox be relevant
13:30:27 9 in that case?

13:30:30 10 A. It depends -- there's the affirmation at the
13:30:34 11 bottom of the form where they're saying, you know, that
13:30:38 12 they meet the qualifications.

13:30:41 13 Prior to Prop 200, which had put in the proof
13:30:45 14 of citizenship, the affirmation was enough. But currently,
13:30:50 15 with us now, we would make them a federal-only voter if
13:30:53 16 they -- well, hold it. No. If they marked the federal --
13:30:59 17 if they did not mark the box -- I'll have to defer to Donna
13:31:02 18 on that. I'm sorry. I'm getting my stuff confused.

13:31:05 19 Q. Okay. No worries. I'll just make a note of that
13:31:08 20 to follow up with Ms. Casner.

13:31:10 21 And so maybe this will be helpful, a more
13:31:16 22 specific question.

13:31:17 23 If the registrant were to mark "no" in the
13:31:21 24 citizenship checkbox but provided a purported copy of a
13:31:26 25 citizenship document, like a copy of a birth certificate,

13:31:28 1 for example, what would your office do in that situation?

13:31:33 2 A. We would follow up with the registrant to see what
13:31:36 3 the issue is.

13:31:41 4 Q. Okay. And would that issue possibly raise a red
13:31:44 5 flag about either the checkbox being marked wrong or
13:31:48 6 perhaps the proof of citizenship document being faulty?

13:31:52 7 A. My guess is it's the checkbox would probably be
13:31:57 8 what it is. But I think people can become citizens of
13:32:03 9 other countries and give up their U.S. citizenship. But,
13:32:08 10 you know, since it conflicts, we would want some kind of
13:32:11 11 verification from the registrant on why there's a
13:32:18 12 discrepancy there.

13:32:19 13 Q. Okay. Understood.

13:32:23 14 And another question on this. Is it possible
13:32:25 15 for a registered voter to submit a copy of a citizenship
13:32:29 16 document -- again, like a birth certificate or a passport
13:32:31 17 -- that is defective in some way; for example, maybe it's
13:32:35 18 blurry or hard to read?

13:32:38 19 A. We would ask them to send one that is clear.

13:32:43 20 Q. Okay. So does that -- in your experience, does
13:32:46 21 that happen frequently that there's something wrong with
13:32:50 22 the -- the document that they submit?

13:32:52 23 A. I'd have to defer to Donna on that. I don't
13:32:55 24 handle the citizenship paperwork that comes in very often.

13:33:00 25 Q. Okay. Understood.

13:33:02 1 But in those situations, if there was an
13:33:04 2 issue with the document, would it be helpful to know how
13:33:07 3 the citizen or the -- excuse me -- how the voter answered
13:33:10 4 the citizenship checkbox?

13:33:14 5 A. Yes. Because if they mark "no," we'd have to
13:33:17 6 definitely follow up with them.

13:33:20 7 Q. Okay. Understood.

13:33:22 8 And then I had some more specific questions
13:33:25 9 on this that refer to some spreadsheets with voter --
13:33:31 10 registered voter data that your office produced. And my
13:33:34 11 guess is that might be better directed toward Ms. Casner.

13:33:39 12 Do you think that's right?

13:33:39 13 A. Yes.

13:33:40 14 Q. Okay. Okay. Very good. So I'll just skip over
13:33:44 15 those for now.

13:33:45 16 I did want to ask you a few questions about
13:33:52 17 the databases that your office uses to verify citizenship.

13:33:56 18 So does your office use the HAVA check system
13:34:01 19 across the AVID database?

13:34:02 20 A. Yes, we do.

13:34:03 21 Q. And then that uses the MVD's data; correct?

13:34:11 22 A. Yes.

13:34:12 23 Q. Okay. And then you said that your office does use
13:34:15 24 the SAVE system as well?

13:34:18 25 A. Yes.

13:34:18 1 Q. And does the recorder's office consider the MVD
13:34:23 2 data to be generally reliable?

13:34:26 3 A. Yes. Generally. There was a glitch, as I recall,
13:34:35 4 that was found in October maybe of 2022 that the secretary
13:34:43 5 of state notified us about. And we had to go back and
13:34:47 6 double-check on those. And I know Donna can tell you, you
13:34:52 7 know, what we found during that time period where there was
13:34:58 8 some problems with the citizenship match with the MVD.

13:35:04 9 Q. Okay. Understood.

13:35:07 10 And in your experience, are those kinds of
13:35:10 11 incidents common?

13:35:11 12 A. No.

13:35:12 13 Q. Okay. And if a naturalized citizen status has not
13:35:18 14 yet been updated with the MVD -- like we talked about
13:35:22 15 before, if someone has an F-type license from a long time
13:35:25 16 ago, for example, they can easily reconcile that matter by
13:35:28 17 providing your office with documentation of their
13:35:31 18 naturalization; correct?

13:35:32 19 A. Yes.

13:35:35 20 Q. And does the recorder's office generally consider
13:35:38 21 the SAVE data to be reliable?

13:35:42 22 A. Yes.

13:35:42 23 Q. Okay. I did want to take a look at one document
13:35:47 24 that hasn't been marked as an exhibit yet. So I think
13:35:51 25 probably the easiest way for me to do this -- but anybody

13:35:54 1 who disagrees can chime in -- is just to share it on my
13:35:57 2 screen, and then I will send it in the Zoom chat or by
13:36:02 3 email so that we can have it entered in for everybody else.

13:36:05 4 Does that sound okay to you, Ms. Hansen?

13:36:08 5 A. Yes, it does.

13:36:09 6 Q. Okay. Can you see this document that I have
13:36:34 7 shared, Ms. Hansen?

13:36:34 8 A. Yes.

13:36:38 9 Q. And you mentioned before that your office was
13:36:41 10 involved in some tutorials on how to use the SAVE system;
13:36:46 11 is that right?

13:36:46 12 A. Yes.

13:36:46 13 Q. And did you participate in those tutorials?

13:36:50 14 A. No, I did not.

13:36:52 15 Q. Okay. And do you recognize this document?

13:37:02 16 A. I saw it in the -- what we sent to you. Donna was
13:37:04 17 the one that supplied this. Donna and Sedona were the two
13:37:10 18 that I know that had -- went through the tutorial.

13:37:10 19 Q. Okay. Very good.

13:37:10 20 But you recognize this as a document that
13:37:19 21 your office produced in response to the plaintiffs'
13:37:21 22 requests for production?

13:37:22 23 A. Yes.

13:37:23 24 Q. Okay. Very good.

13:37:25 25 MR. HORLEY: Then I would like to mark this

13:37:26 1 as exhibit -- I believe we're at 178 now. Is that right?

13:37:29 2 THE COURT REPORTER: Yes.

13:37:29 3 MR. HORLEY: Okay. I'd like to mark it as
13:37:32 4 that exhibit. I may have more questions on that for
13:37:36 5 Ms. Casner as well.

13:37:36 6 (The document was marked as Exhibit 178
13:37:36 7 for identification.)

13:37:36 8 BY MR. HORLEY:

13:37:39 9 Q. And just to take a quick look, if you don't mind
13:37:44 10 reviewing it really quickly. I see here at the top, it
13:37:46 11 says, "How to Initiate a Case Involving a Potentially
13:37:49 12 Fraudulent Document"; is that right?

13:37:54 13 A. Yes, that's what it says.

13:37:55 14 Q. Do you know if your office has had to use this
13:37:57 15 guidance because they've received potentially fraudulent
13:38:00 16 documents?

13:38:02 17 A. That, I'll have to ask Donna -- respond. I'm not
13:38:06 18 aware that we have. It wasn't brought to my attention.
13:38:10 19 But Donna is the one that works with it.

13:38:13 20 Q. Okay. Thank you. I will stop that screen share.

13:38:22 21 Another question on the topic of databases.
13:38:25 22 You mentioned sometimes using Social Security information
13:38:30 23 or that -- that's part of what the MVD database checks; is
13:38:34 24 that right?

13:38:34 25 A. Yes. Well, it's -- it's through the HAVA system.

13:38:40 1 And I -- that's to match for the federal-only voters' proof
13:38:46 2 of identity.

13:38:49 3 Q. Okay. Understood. So that's HAVA system and it's
13:38:54 4 used to show identity. Okay.

13:38:55 5 So if a voter does not have a Social Security
13:38:59 6 number when one of the checks is run, could that suggest
13:39:02 7 that that person is not a U.S. citizen?

13:39:05 8 A. No. It means they didn't fill out the
13:39:08 9 information, didn't have an Arizona driver's license, and
13:39:14 10 they didn't provide any of the DPOC.

13:39:19 11 Q. Understood.

13:39:20 12 So they wouldn't have provided their Social
13:39:22 13 Security number when they applied for a driver's license?

13:39:26 14 A. No. Driver's license would show up if there's a
13:39:30 15 match. But there's some people that are not -- don't have
13:39:37 16 Arizona driver's license. They use the federal-only -- the
13:39:41 17 federal form or national form to register.

13:39:46 18 And the Social Security number would -- if it
13:39:50 19 had a match in the Social Security system, would prove
13:39:53 20 their identity essentially. The NVRA has it in there about
13:40:00 21 identity on what -- if you -- if we accept it or they've
13:40:06 22 proven identity, they can vote an early ballot, from what I
13:40:09 23 understand, and they don't have to show up in person to
13:40:13 24 vote. But if they have not, they will have to show up in
13:40:16 25 person to vote for the first time. And then after the

13:40:21 1 first time, it's -- they could vote by mail.

13:40:26 2 Q. Okay. So I -- just to be clear, if that check was
13:40:30 3 run and there just was no Social Security number, what
13:40:34 4 would happen then?

13:40:36 5 A. They would be put as a federal-only voter and ID
13:40:42 6 required. I think we call it "fed ID." And they would not
13:40:49 7 be mailed an early ballot if they had requested one.

13:40:55 8 Q. Okay. Understood.

13:40:58 9 And then just one point of clarification. If
13:41:01 10 an individual fails to provide DPOC but does check the
13:41:06 11 citizenship box "yes," are they registered as a full-ballot
13:41:10 12 voter?

13:41:10 13 A. No. They would be a federal-only voter.

13:41:17 14 Q. Okay. Understood.

13:41:19 15 I wanted to ask you a little bit more about
13:41:22 16 the jury questionnaire reports that your office receives.

13:41:25 17 A. Okay.

13:41:26 18 Q. You mentioned that most people submitted -- you
13:41:30 19 know, said on their questionnaire that they're not a U.S.
13:41:33 20 citizen just to get out of jury duty; is that right?

13:41:36 21 A. Some -- yeah, some people. That's where I -- it's
13:41:41 22 not a large number of people, but when we've followed up
13:41:46 23 with them, that's what they have been -- they say. So I
13:41:52 24 have verified recently that there is an oath now -- I don't
13:41:56 25 know if it wasn't on in the past -- that they're swearing

13:42:02 1 or affirming that the information on the jury questionnaire
13:42:06 2 is truthful.

13:42:09 3 Q. Yes. So if they -- you mentioned that they -- you
13:42:14 4 think that in most cases, they're just, for lack of a
13:42:19 5 better term, lying on the form to try to get out of jury
13:42:21 6 duty. Does your office confirm that? Like, what's the
13:42:25 7 process for making sure that it was just a
13:42:29 8 misrepresentation?

13:42:30 9 A. We would send a letter or try to call them and see
13:42:36 10 why they marked -- are they indeed not a U.S. citizen.
13:42:41 11 Because some people that are not U.S. citizens have a
13:42:45 12 driver's license and they may be in the jury pool -- to
13:42:51 13 have the jury pool. And so those cases, they can't serve
13:42:57 14 on a jury either.

13:43:00 15 Q. So there are some cases where that -- that answer
13:43:04 16 they gave on the questionnaire is truthful and they are not
13:43:06 17 U.S. citizens?

13:43:08 18 A. Not if they're registrants. I'm not aware of --
13:43:13 19 and that's what -- when we get the list -- Donna is more
13:43:18 20 familiar with this.

13:43:20 21 From what I understand, when it says "not
13:43:22 22 U.S. citizen" on the jury list, when they check it, they
13:43:26 23 find out they're not registered voters. But Donna is much
13:43:31 24 more familiar with the jury list processing than I am.

13:43:35 25 Q. Okay. I just had one more question on that.

13:43:40 1 You mentioned that when you -- when you get
13:43:46 2 this information, you reach out to the -- to the voter and
13:43:49 3 you -- or the person who put this on there, the registrant,
13:43:52 4 and you confirm with them. At that point, do you just take
13:43:56 5 their word for it at face value -- if they say, "Oh, no --
13:44:00 6 yes, I'm a citizen. I just put that down on the jury
13:44:04 7 form," is that the end of the inquiry, or do you ask for
13:44:07 8 some kind of verification?

13:44:08 9 A. It would be the end of the inquiry if they had
13:44:11 10 supplied DPOC.

13:44:13 11 Q. Okay. And if they hadn't supplied DPOC --

13:44:17 12 A. Then they would have to submit something.

13:44:21 13 Q. Okay. Thank you.

13:44:22 14 A. I don't know if we've had that situation ever come
13:44:25 15 up, though.

13:44:26 16 Q. Understood. Okay.

13:44:28 17 And now, I wanted to talk a little bit about
13:44:32 18 birthplace.

13:44:33 19 You mentioned that you used to work as an
13:44:35 20 elections official in the state of Nebraska; is that right?

13:44:38 21 A. Yes.

13:44:39 22 Q. And you mentioned that their voters were required
13:44:43 23 to list birthplace on their applications?

13:44:46 24 A. Yes.

13:44:46 25 Q. And so if they -- if they didn't -- if they listed

13:44:52 1 a birthplace that was outside of the United States, your
13:44:55 2 office would have to follow up with them to confirm that
13:44:59 3 they were eligible to vote?

13:45:01 4 A. Yes.

13:45:02 5 Q. Okay. Did you find that process to be burdensome
13:45:08 6 on voters?

13:45:10 7 A. No. Because we would take their word for it if
13:45:14 8 they said they were naturalized.

13:45:16 9 Now, if they were naturalized citizens, we
13:45:19 10 did ask for the date of their nat- -- naturalization. And
13:45:24 11 if they said that a parent was a U.S. citizen, they didn't
13:45:28 12 have to provide any additional proof or anything.

13:45:33 13 Q. Okay. And did you -- in your view, was that
13:45:35 14 process discriminatory toward any group of voters?

13:45:39 15 A. No. Not in Nebraska, no.

13:45:44 16 Q. Okay. Thank you.

13:45:45 17 And I just wanted to confirm, your office
13:45:50 18 doesn't track whether voters provide correct or incorrect
13:45:54 19 birthplaces on the form as it exists now; correct?

13:45:56 20 A. That is correct.

13:45:57 21 Q. And I understand there's probably no easy way to
13:46:01 22 determine this, but generally, in your experience, do
13:46:05 23 voters commonly list their birthplace even though it's not
13:46:08 24 required?

13:46:10 25 A. They will put a lot of times -- I'll have to look

13:46:14 1 at the form, but I think it says "county," and sometimes
13:46:19 2 they'll put country, like USA on it, or instead of a state
13:46:25 3 or, you know, where they were registered -- I mean where
13:46:31 4 they were born.

13:46:32 5 Q. Okay. So it's fairly common for people to include
13:46:36 6 that on their form?

13:46:37 7 A. Yeah. The forms I have processed, I see that
13:46:41 8 filled out.

13:46:42 9 Q. Okay. And then does the county ever use that as a
13:46:49 10 way to help identify a voter over phone? For example, if
13:46:51 11 they call and they say, "I'm so and so," and you can ask,
13:46:53 12 "Are you the so and so who was born in this place?"

13:46:57 13 A. That, I would have to ask Donna. I don't ask for
13:47:05 14 birthplace when I ask for confirmation, but I'm not
13:47:11 15 positive what our current written procedures are for our
13:47:16 16 staff in the office. Since it's not required, my guess is
13:47:21 17 they don't, but Donna could answer that better.

13:47:24 18 Q. Okay. Thank you.

13:47:25 19 And if a court or the secretary of state
13:47:28 20 issued guidance that a county should change how it uses
13:47:33 21 birthplace information, would the recorder follow that
13:47:35 22 instruction?

13:47:35 23 A. Yes.

13:47:42 24 Q. And let's -- let's imagine a scenario where a
13:47:44 25 registrant were to write on his or her form that she was

13:47:48 1 born in one state -- for example, New York -- but then
13:47:51 2 provided a copy of the birth certificate that was from a
13:47:54 3 different state -- let's say Florida -- what would your
13:47:57 4 office do in that situation?

13:48:02 5 MS. LANG: Form.

13:48:02 6 THE WITNESS: That, I don't know. I'm not
13:48:03 7 aware we've ever had that situation come up.

13:48:03 8 BY MR. HORLEY:

13:48:07 9 Q. Could that situation potentially raise a red flag
13:48:10 10 about that voter's identity?

13:48:16 11 A. Yeah, I guess. I'd probably want to ask legal
13:48:20 12 counsel on, you know, that because I don't know if it would
13:48:24 13 indicate the type of fraud or what. But, yeah, I'm not
13:48:31 14 aware that the -- a lot of times, they will put Arizona --
13:48:36 15 they -- like, if they put Arizona as their birthplace for
13:48:40 16 one and then the birth certificate was somewhere else --
13:48:44 17 people don't fill out forms very well, and they're like,
13:48:48 18 "I'm in Arizona," and they just write the state they're in.

13:48:53 19 Q. Understood.

13:48:54 20 A. That would be, I think, more common than if it was
13:48:57 21 like a New York or Florida situation.

13:49:02 22 Q. Okay. Thank you.

13:49:04 23 I wanted to quickly go over some documents
13:49:08 24 that haven't been entered yet. These are emails and
13:49:12 25 attachments that you were involved in. So I'm going to do

13:49:14 1 the same screen sharing thing.

13:49:17 2 A. Okay.

13:49:17 3 Q. So just one moment while I pull those up.

13:49:43 4 Okay. Can you see this document?

13:49:45 5 A. Yes. But I can't really read it.

13:49:50 6 There, that's good.

13:49:51 7 Q. Better. Okay.

13:49:53 8 And then I am going to -- well, first, let me

13:49:57 9 ask: So -- so you -- do you recognize this -- this

13:49:59 10 document?

13:50:00 11 A. Yes.

13:50:02 12 Q. And did your office produce this in response to

13:50:06 13 plaintiffs' request for production?

13:50:08 14 A. Yes.

13:50:08 15 Q. Okay.

13:50:10 16 MR. HORLEY: Okay. I would like to mark this

13:50:11 17 as Exhibit 178.

13:50:21 18 THE COURT REPORTER: 179.

13:50:26 19 MR. HORLEY: I'm sorry. 179.

13:50:26 20 (The document was marked as Exhibit 179

13:50:31 21 for identification.)

13:50:31 22 BY MR. HORLEY:

13:50:32 23 Q. Okay. So I'm going to scroll down here toward the

13:50:37 24 bottom of page 1, top of page 2.

13:50:40 25 Do you recognize this email from Ian Camacho?

13:50:45 1 A. Yes.

13:50:45 2 Q. And I'll give you just a quick second to review
13:50:49 3 the text of that email.

13:50:55 4 A. Okay.

13:50:56 5 Q. Okay. And then scrolling up here, I see in your
13:51:01 6 response that you said, "Mr. Camacho, we looked into the
13:51:05 7 list registrants you sent to us and have taken the
13:51:08 8 necessary actions under law to address the issues that we
13:51:10 9 found"; is that right?

13:51:11 10 A. Yes.

13:51:11 11 Q. So could you just tell me a little bit more about
13:51:16 12 what happened with this email?

13:51:21 13 A. We checked what he -- what's -- what he sent and
13:51:25 14 we found that he didn't have all the information, as I
13:51:33 15 recall. Most of the registrants had either moved out of
13:51:37 16 state and had already been canceled or were -- I'll have to
13:51:44 17 ask Donna more. Donna and Sedona are the two that checked
13:51:49 18 that. But I don't take his information for cancellation.

13:51:56 19 What we would do if we did have a question is
13:51:59 20 we would send probably a voter ID card -- so Donna will
13:52:03 21 confirm this -- to an address where we think somebody may
13:52:08 22 have moved and see if it comes back to us with a different
13:52:11 23 address or undeliverable.

13:52:14 24 Q. Okay. Understood.

13:52:17 25 And has your office received a lot of these

13:52:21 1 kinds of emails and things like this from -- from

13:52:25 2 Mr. Camacho?

13:52:26 3 A. Yes. He seems to be quite regular at sending it.

13:52:31 4 Q. And from other voters as well?

13:52:35 5 A. I can't recall from other voters, no.

13:52:37 6 Q. Okay. Do you think that having more sort of

13:52:43 7 robust authentication procedures in the registration

13:52:48 8 process might help to cut down on these sorts of inquiries

13:52:51 9 from -- from folks like Mr. Camacho?

13:52:55 10 A. No. I think he doesn't understand all of the

13:53:04 11 laws. Like, you can stay registered to vote in Arizona,

13:53:08 12 and if you're working, you know, in Washington, D.C. --

13:53:13 13 people have two residences. So they can kind of decide on

13:53:17 14 their own. And he doesn't have that information.

13:53:20 15 And he looks at stuff like it's zoned

13:53:24 16 commercial property, and it turns out there is an apartment

13:53:29 17 or a living space at the commercial property. He's kind of

13:53:33 18 a -- I don't know. He wants to -- he wants to do our job,

13:53:39 19 I guess, for us. So that's why I never respond what we

13:53:45 20 find out to him.

13:53:49 21 Q. Understood. All right. Thank you. That's all I

13:53:52 22 have on that document.

13:53:55 23 MR. HORLEY: And I believe those are all the

13:53:57 24 questions I have for you. Thank you, Ms. Hansen.

13:53:58 25 I think maybe some of my colleagues on the

13:54:00 1 defense side might have further questions.

13:54:03 2 THE WITNESS: Okay. Thank you.

13:54:06 3 MR. LANGHOFER: Thanks, Tim. I'm happy to go
13:54:07 4 unless another one of the defense counsel wants to go
13:54:11 5 first.

13:54:11 6

13:54:11 7 EXAMINATION

13:54:11 8 BY MR. LANGHOFER:

13:54:11 9 Q. All right. Hearing none, Ms. Hansen, I'm Kory
13:54:14 10 Langhofer. I -- I don't know that we've ever talked --

13:54:19 11 A. Yeah, we've met. I recognize your name too.

13:54:21 12 Q. Yeah. Yeah, I think we've communicated a lot in
13:54:24 13 writing. Nice -- nice to connect, even if it's virtually
13:54:27 14 here.

13:54:28 15 A. Nice to see you.

13:54:28 16 Q. I represent the RNC in this case. And, you know,
13:54:34 17 you've, obviously, endured hours of questions here. I
13:54:36 18 don't have much to add to that, but I have just a couple --
13:54:39 19 a handful, I should say.

13:54:40 20 So has your office ever referred anything to
13:54:46 21 law enforcement that arose out of voter registration
13:54:51 22 issues?

13:54:51 23 A. Yes, we have.

13:54:53 24 Q. Can you tell me about those?

13:54:56 25 A. You're asking me to remember details.

13:54:58 1 It seems to me it was in regards to the town
13:55:04 2 of Tusayan and a person who voted twice -- or attempted to
13:55:13 3 vote twice. Those are the ones that I remember that we
13:55:19 4 would refer to.

13:55:21 5 Q. Did they have issues with folks in Tusayan
13:55:25 6 registering or attempting to register to vote there even
13:55:27 7 though they didn't live there?

13:55:29 8 A. Well, Tusayan is an interesting community in that
13:55:33 9 the -- most of the property is owned by businesses and
13:55:40 10 that, and so there's not a lot of private ownership of
13:55:44 11 property. And so the people who work there live in housing
13:55:46 12 provided by their employer or in a campground there. And
13:55:53 13 it's, unfortunately, a community that there has been a lot
13:55:58 14 of disagreement with different groups and there's been a
13:56:02 15 lot of accusations about people not residing there and
13:56:06 16 being ineligible to vote and -- from the two sides up there
13:56:12 17 that are in disagreement.

13:56:15 18 Q. And have you been able to definitively resolve
13:56:18 19 whether those folks actually reside where they came to
13:56:21 20 reside?

13:56:22 21 A. Well, it's been my experience people -- if there's
13:56:26 22 a question on residency, we have them -- we read them the
13:56:31 23 statute or have them read the statute and say where
13:56:36 24 you're -- you know, saying is your residence, do you meet
13:56:41 25 it. And we take their word for it.

13:56:41 1 Q. So --

13:56:43 2 A. And it's hard in that case because, like I said,
13:56:47 3 it's tied -- some people tie it to their employment. So if
13:56:52 4 they lose their job, they may move into the campground.
13:56:56 5 And it's -- it's a unique community.

13:57:03 6 Q. Those disputes in Tusayan have been going on for
13:57:06 7 quite a few years; am I right?

13:57:08 8 A. Yes, they have.

13:57:09 9 Q. At least -- at least eight years? Am I right
13:57:13 10 about that?

13:57:14 11 A. At least eight, yeah.

13:57:16 12 Q. Okay. Does your office have access to any
13:57:22 13 databases that you could use to check citizenship that are
13:57:28 14 more accurate than the MVD database and the SAVE database?

13:57:37 15 A. Not right now that I'm aware of, no. The one I
13:57:42 16 think is -- I have the most trust in is the SAVE database,
13:57:47 17 but that's not if you're born in the U.S. type things.
13:57:53 18 It's more -- from what I understand, that would be more
13:57:56 19 naturalization or things like that.

13:58:00 20 I don't know how it works. I know some
13:58:03 21 businesses check for -- if they're documented, I guess.
13:58:10 22 But those kind of databases, it is whether you're -- you've
13:58:14 23 entered the country with the correct documentation or if
13:58:19 24 you have not, so . . .

13:58:23 25 Q. Do you have -- apart from the MVD database and the

13:58:27 1 SAVE database, do you have access to anything that is more
13:58:32 2 current and reflects on citizenship status, any more up to
13:58:38 3 date?

13:58:38 4 A. No.

13:58:39 5 Q. Okay. When your office gets a state voter
13:58:49 6 registration form and there's no DPOC in the system -- so
13:58:53 7 you send out a notice to the voter saying, "You're missing
13:58:58 8 the DPOC," do you know what percentage of them respond and
13:59:01 9 provide the DPOC?

13:59:03 10 A. No, I don't. Donna may have a better idea of that
13:59:07 11 since she's the one that sends out the letters --

13:59:10 12 Q. Yeah.

13:59:11 13 A. -- or her staff does.

13:59:13 14 Q. I'll probably ask her about it.

13:59:14 15 Do you have a rough order of magnitude sense?
13:59:17 16 Are we talking like -- you know, do you have any even "wet
13:59:20 17 finger in the air" idea?

13:59:22 18 A. No. It depends on how many, like, federal-only
13:59:31 19 register -- or the federal forms we can get in, that's what
13:59:34 20 -- those forms -- we have that missing a lot more, I think,
13:59:38 21 than we do on the state forms.

13:59:40 22 Q. Yeah. The -- I want to talk about the checkbox,
13:59:49 23 because I think I've got a couple questions about the
13:59:51 24 checkbox briefly.

13:59:54 25 You had said that there were some problems

13:59:56 1 with the MVD database. I think in October of 2022 is when
14:00:00 2 they had that glitch, so -- but you'd also said that you
14:00:05 3 think, generally, it's a reliable system. Am I remembering
14:00:07 4 that right?

14:00:09 5 A. Yes.

14:00:09 6 Q. So it's reliable but imperfect. And you'd also
14:00:15 7 mentioned something -- I don't think I'd even thought of it
14:00:18 8 before, but the process of renouncing your citizenship.

14:00:20 9 You could provide DPOC and then the next day
14:00:23 10 or years later renounce your citizenship, theoretically.
14:00:28 11 So if we know that there are sometimes errors in the MVD
14:00:31 12 database or someone could lose their citizenship status, in
14:00:35 13 those sorts of circumstances, wouldn't there be at least
14:00:38 14 some value in having someone check a citizenship box and
14:00:41 15 say, like, "No, whatever your database says, whatever I put
14:00:44 16 in the database years ago through the MVD process, I am
14:00:48 17 currently a citizen"?

14:00:50 18 A. Well, one of my problems with the citizenship box
14:00:55 19 is it's buried in a small area. My personal opinion, if
14:01:00 20 they would put it really big in a giant box at the top --
14:01:04 21 "Are you a U.S. citizen, yes or no?" -- you wouldn't have
14:01:08 22 people missing it.

14:01:10 23 Q. So --

14:01:11 24 A. So that's -- it's -- the design of the form, I
14:01:19 25 think, leads to people missing things. It's right above,

14:01:24 1 as I recall, the signature box. It's a little bitty print.
14:01:28 2 And people -- I don't know. Since I've been doing this
14:01:34 3 36 years now, people used to fill out forms better than
14:01:38 4 they do now.

14:01:40 5 Q. I guess I'm not surprised to hear that. You know,
14:01:44 6 having employed some people younger than me, I'm not
14:01:46 7 shocked to hear you say that.

14:01:49 8 Well -- okay. So that's an interesting
14:01:53 9 point. Maybe there's a formatting issue there. What if we
14:01:56 10 could -- what if we could, you know, spend some hours and
14:01:58 11 reformat that document so that it was really prominent and
14:02:03 12 very clear, the citizenship answer is necessary and it was
14:02:10 13 very -- the wording was very simple so people can
14:02:12 14 understand it?

14:02:14 15 So basically, I'm imagining a world where we
14:02:17 16 could take out your formatting concerns. If we could do
14:02:21 17 that, would you agree that there would be some
14:02:23 18 informational value in having the answer from people, like
14:02:26 19 having them say that they are still citizens?

14:02:30 20 MS. LANG: Objection. Calls for speculation.

14:02:33 21 THE WITNESS: If they supply the proof of
14:02:37 22 citizenship, you've met the requirement. The point of both
14:02:42 23 of those -- the box and the DPOC -- is we're trying to find
14:02:47 24 out: Are you a U.S. citizen? Yes or no?

14:02:50 25 And I think both things -- you know, if we

14:02:55 1 could take it that the box is checked "yes" and you don't
14:02:59 2 have to supply the DPOC, you know, it would be, we take you
14:03:04 3 at your word in signing the affirmation. If you supply the
14:03:10 4 DPOC, you've supplied proof of citizenship. So why do you
14:03:13 5 have to check a box too, I guess. That's what -- it seems
14:03:19 6 kind of redundant.

14:03:20 7 BY MR. LANGHOFER:

14:03:20 8 Q. Let's walk through that.

14:03:21 9 So if someone provides you a DPOC, let's say
14:03:30 10 they attach a copy of their birth certificate but they
14:03:34 11 don't check the box, it would be possible, wouldn't it,
14:03:37 12 that they have renounced their citizenship since they were
14:03:41 13 born; right? So even if they've got a -- they've got DPOC,
14:03:46 14 they -- in order to really know whether they're a citizen,
14:03:49 15 you need them to currently indicate whether they're a
14:03:52 16 citizen. Do you agree with that?

14:03:53 17 MS. LANG: Objection. Calls for speculation.

14:03:59 18 THE WITNESS: I don't know how many people
14:04:01 19 renounce citizenship.

14:04:06 20 BY MR. LANGHOFER:

14:04:06 21 Q. Not many.

14:04:07 22 A. I mean, you know, it's -- I've never seen it
14:04:10 23 happen personally but . . .

14:04:13 24 Q. Yeah, I think that's a fair point.

14:04:14 25 A. I mean, I don't like -- I don't think it's good to

14:04:18 1 have a procedure in place where you may put a block for any
14:04:27 2 what-if scenario, no matter how minute the reason it's
14:04:33 3 there, that may keep eligible people from being able to
14:04:37 4 exercise their right to vote.

14:04:39 5 Q. Well, so I understand what you're saying. And
14:04:45 6 the -- I think what you're saying is, this is why you would
14:04:48 7 vote against the bill. And I think you've articulated that
14:04:52 8 really well, and I think you -- I think you articulated
14:04:54 9 that to the governor as well as anyone. So I understand
14:04:59 10 why you think it's a bad idea.

14:05:01 11 I'm asking a little bit different question,
14:05:03 12 though, which is: You know, it is theoretically possible
14:05:09 13 that someone could obtain DPOC at some point? They have a
14:05:13 14 naturalization certificate; they have a birth certificate;
14:05:13 15 a passport. And after getting that, they're either
14:05:18 16 forcibly denaturalized -- there is a process for that -- or
14:05:21 17 they renounced their citizenship.

14:05:23 18 And so if we're not requiring them to say, "I
14:05:27 19 am currently a U.S. citizen," isn't there some chance
14:05:30 20 you're letting someone register who's, in fact, not a
14:05:33 21 citizen?

14:05:33 22 MS. LANG: Objection. Calls for speculation.
14:05:36 23 Asked and answered.

14:05:39 24 THE WITNESS: It could be a possibility but
14:05:44 25 not a probability.

14:05:46 1 BY MR. LANGHOFER:

14:05:47 2 Q. So --

14:05:47 3 A. In my opinion. And this is my opinion.

14:05:51 4 Q. Yeah, I -- I totally understand that.

14:05:54 5 So similarly, if the MVD system has had
14:05:58 6 problems -- you know, in October of 2022, there was a
14:06:01 7 problem. I think it lasted only a week or so. But if it
14:06:05 8 has had problems -- and for many of these voters, the DPOC
14:06:10 9 that you're relying on is just in the system, which
14:06:13 10 apparently has some problems. For those folks, isn't it
14:06:17 11 also valuable to have a current avowal from the registrant
14:06:23 12 that they are a U.S. citizen?

14:06:25 13 MS. LANG: Objection. Lack of foundation.
14:06:28 14 The problem that was identified in the MVD database is
14:06:34 15 not --

14:06:34 16 MR. LANGHOFER: Speaking objections are not
14:06:34 17 allowed. You don't get to coach the witness. You've made
14:06:34 18 your objection.

14:06:38 19 THE WITNESS: Well, at the time there was the
14:06:41 20 problem, there were new databases being created. AVID was
14:06:47 21 new or, you know, updated -- well, AVID essentially was new
14:06:51 22 because it was PowerProfile before and that -- that's my
14:06:55 23 problem with databases. Any database is possible to get a
14:07:01 24 glitch in, no matter which ones you look at.

14:07:01 25 BY MR. LANGHOFER:

14:07:06 1 Q. Those glitches -- those glitches don't all go one
14:07:09 2 way; they don't all indicate that someone is not a citizen
14:07:12 3 when they actually are; they could also indicate that
14:07:13 4 someone is a citizen when there's not evidence of that;
14:07:16 5 fair?

14:07:16 6 MS. LANG: Objection. Lack of foundation.
14:07:17 7 Calls for speculation.

14:07:20 8 THE WITNESS: I guess if there's a glitch.
14:07:22 9 BY MR. LANGHOFER:

14:07:23 10 Q. Yeah. And so because you're partially worried
14:07:26 11 about glitches, wouldn't the requirement that a proposed
14:07:32 12 registrant has to say, "I currently am a citizen" add some
14:07:37 13 informational value?

14:07:38 14 MS. LANG: Objection. Calls for speculation.
14:07:42 15 Asked and answered

14:07:43 16 THE WITNESS: Yeah, they provided it if they
14:07:46 17 provided DPOC.

14:07:47 18 BY MR. LANGHOFER:

14:07:49 19 Q. But -- but the evidence of DPOC in [indiscernible]
14:07:49 20 database --

14:07:49 21 THE COURT REPORTER: I'm sorry. You cut out.
14:07:49 22 You cut out. "The evidence of DPOC" --

14:07:49 23 BY MR. LANGHOFER:

14:07:58 24 Q. -- is, for some people, just what's in the
14:08:00 25 database, which we're acknowledging here could be

14:08:03 1 unreliable?

14:08:04 2 MS. LANG: Objection. Argumentative.

14:08:06 3 Objection. Asked and answered. Calls for speculation.

14:08:13 4 THE WITNESS: We've had the instance, as I
14:08:17 5 mentioned, the county employee that I know who got
14:08:21 6 naturalized, but the Motor Vehicles still did not have him
14:08:26 7 in as a citizen.

14:08:31 8 BY MR. LANGHOFER:

14:08:31 9 Q. So in that case, would there have been some
14:08:35 10 informational value in him saying on the form that he's a
14:08:38 11 citizen?

14:08:38 12 A. I think he did.

14:08:40 13 Q. Okay. And there was informational value in that?

14:08:45 14 A. We couldn't take it as proof of citizenship.

14:08:49 15 Q. That's not what I asked.

14:08:51 16 A. Yeah. And our procedures in the EPM was to --
14:08:57 17 that -- as I recall, is that if it was a -- indicated in an
14:09:04 18 MVD, we could not take that "Yes, I'm a U.S. citizen" as
14:09:09 19 proof of citizenship and we had to follow up with him.

14:09:14 20 Q. We -- we definitely understand that you oppose
14:09:18 21 these laws. I mean, that's a matter of public record.
14:09:20 22 You've testified to it already. I'm not asking whether you
14:09:23 23 think it's right.

14:09:23 24 A. Yeah.

14:09:24 25 Q. What I'm saying is, if you know that these

14:09:27 1 databases can have errors and the errors could say that
14:09:30 2 someone has provided DPOC when, in fact, they haven't,
14:09:33 3 isn't there informational value in asking them to swear
14:09:37 4 that they are, in fact, citizens?

14:09:39 5 MS. LANG: Objection. Asked and answered.
14:09:42 6 Argumentative. Speculative.

14:09:43 7 Mr. Langhofer, you've asked this question at
14:09:45 8 least four times now and you've gotten an answer.

14:09:48 9 MR. LANGHOFER: Danielle, she's dodged it.
14:09:52 10 No, she -- she has not -- I have not gotten an answer.
14:09:52 11 She's answered a different question, which is basically
14:09:53 12 whether she thinks it's a good policy. And she definitely
14:09:56 13 doesn't think it's a good policy.

14:09:58 14 But she does have an answer for this
14:09:59 15 question, which I will get before we're done here.

14:10:03 16 THE WITNESS: Well, you're asking my opinion
14:10:05 17 and I don't -- I don't think --

14:10:08 18 BY MR. LANGHOFER:

14:10:09 19 Q. Is it your position that there is no informational
14:10:11 20 value in this checkbox even when you know that for some
14:10:15 21 people, their DPOC indication in the database could be
14:10:19 22 wrong?

14:10:19 23 MS. LANG: Objection. Lack of foundation.
14:10:22 24 Asked and answered. Argumentative. Calls for speculation.

14:10:26 25 THE WITNESS: I think it's informational if

14:10:29 1 they mark "no." For me, that's information that I would
14:10:35 2 find useful.

14:10:36 3 BY MR. LANGHOFER:

14:10:37 4 Q. And if someone marks "yes," you don't think that
14:10:39 5 has any informational value?

14:10:40 6 A. Not if they provided DPOC.

14:10:42 7 Q. And what if they refused to answer it? Wouldn't
14:10:44 8 that --

14:10:45 9 A. Then they're a federal-only voter because of the
14:10:49 10 decision in the court case.

14:10:51 11 Q. If someone refuses to answer a question, couldn't
14:10:54 12 it imply that the answer is not advantageous to them?

14:10:58 13 MS. LANG: Objection. Calls for speculation.
14:11:00 14 Lack of foundation.

14:11:02 15 THE WITNESS: Can I ask my legal counsel a
14:11:06 16 question?

14:11:08 17 BY MR. LANGHOFER:

14:11:08 18 Q. Yeah, you can. I mean, I think the custom which
14:11:11 19 they --

14:11:15 20 A. I -- you know, you're asking me if I have an
14:11:18 21 opinion on whether that information would be useful to us
14:11:25 22 to process registrations; right?

14:11:27 23 Q. No. I'm asking whether there's information value
14:11:30 24 there. Whether -- whether it's useful to you is kind of
14:11:32 25 something that the Court will be looking at eventually.

14:11:39 1 A. I'm not seeing the difference, I guess, is my
14:11:41 2 problem.

14:11:43 3 Q. I think the question -- the last question I asked
14:11:46 4 was: Is it your position that there is no informational
14:11:49 5 value when someone says -- refuses to say whether they're a
14:11:54 6 citizen?

14:11:55 7 MS. LANG: Objection. Lack of foundation.
14:11:57 8 Calls for speculation. Asked and answered. Argumentative.

14:12:03 9 THE WITNESS: I guess not.

14:12:07 10 BY MR. LANGHOFER:

14:12:09 11 Q. I'm sorry.

14:12:09 12 Are you saying that's not your position or
14:12:11 13 it's not informational value?

14:12:13 14 A. It's -- information -- you've signed an oath that
14:12:17 15 says an affirmation that the information is -- you meet the
14:12:22 16 qualifications to register to vote, which is listed on the
14:12:25 17 registration form. You've provided DPOC. So I -- yeah.

14:12:32 18 Q. So --

14:12:32 19 A. I'm sorry.

14:12:33 20 Q. I'm sorry. You're getting confused.

14:12:35 21 You just said -- I was about to take your
14:12:38 22 answer as your final position, but then you said, "You've
14:12:40 23 provided DPOC." And I was trying to limit this to people
14:12:43 24 for whom the database says they provided DPOC, but we have
14:12:48 25 already discussed the database could be wrong.

14:12:50 1 So you've got the database. Could be right,
14:12:54 2 could be wrong -- probably right -- and they refuse to
14:12:58 3 check the box saying they're a citizen. Are you saying the
14:13:01 4 absence of that information has no informational value?

14:13:06 5 MS. LANG: Objection. Lack of foundation.
14:13:08 6 Calls for speculation. Asked and answered. Argumentative.

14:13:14 7 THE WITNESS: Like I said, if you mark "no,"
14:13:22 8 we're going to assume you're not. So I -- if you mark
14:13:28 9 "yes," it's the same as providing the DPOC or not providing
14:13:32 10 it. You're a fed-only voter.

14:13:32 11 BY MR. LANGHOFER:

14:13:35 12 Q. And if someone refuses to mark the box --

14:13:38 13 A. You don't know if they're refusing or if they
14:13:41 14 missed it while filling it out. Unless the person is in
14:13:47 15 front of me and I'm asking them, "Are you a U.S. citizen?"
14:13:50 16 The only way I would know they refused is they tell me, "I
14:13:55 17 refuse to answer that."

14:13:59 18 So I guess that's where I'm coming from.

14:14:03 19 Q. If I understand it correctly then, you would
14:14:06 20 attribute nonresponsiveness to voter error and overlook it?

14:14:14 21 A. That's how I would look at it, yes.

14:14:16 22 Q. What if a voter put their name but nothing else on
14:14:20 23 the form, would you attribute that silence to voter error
14:14:23 24 and register them?

14:14:23 25 A. No. We --

14:14:24 1 MS. LANG: Objection. Lack of -- objection;
14:14:29 2 form.

14:14:30 3 THE WITNESS: In the EPM, it spells out what
14:14:33 4 is needed, and also in the statute, what is required to
14:14:37 5 register. So if you don't have an address, you don't have
14:14:40 6 your birth date, you don't have a signature, we can't
14:14:45 7 register you.

14:14:45 8 BY MR. LANGHOFER:

14:14:46 9 Q. Okay. And if the statute says you've got to have
14:14:49 10 a check in that box, you would ignore that part of the
14:14:52 11 statute?

14:14:53 12 MS. LANG: Objection. Lack of foundation.
14:14:55 13 Misstates testimony.

14:14:57 14 THE WITNESS: We would follow what the Court
14:15:01 15 rules in this case

14:15:03 16 BY MR. LANGHOFER:

14:15:03 17 Q. Okay. Let's move on, mostly to save Ms. Lang's
14:15:10 18 vocal cords from further objections.

14:15:13 19 MS. LANG: Thank you.

14:15:15 20 MR. LANGHOFER: Yeah.

14:15:23 21 MR. MORGAN: I think we've also learned when
14:15:23 22 Kory says he has a handful of questions, he has huge hands.

14:15:28 23 BY MR. LANGHOFER:

14:15:28 24 Q. All right. So I think this is my last question.

14:15:32 25 So we've heard from some other counties that

14:15:34 1 sometimes there's these voter registration drives and
14:15:38 2 they'll get a whole bunch of forms in. And then
14:15:40 3 occasionally, on -- they'll have -- it appears to be some
14:15:44 4 bad apples, folks who are filling out voter registration
14:15:47 5 forms with the same information multiple times, maybe
14:15:49 6 handwriting is all the same, kind of suspicious patterns in
14:15:53 7 these voter registration forms.

14:15:54 8 Have you had anything like that in Coconino
14:16:03 9 County?

14:16:03 10 MS. LANG: Objection. Lack of foundation.

14:16:04 11 THE WITNESS: Yeah, we've had registrations
14:16:05 12 where it's obvious that somebody was trying to register
14:16:10 13 someone else; that it was not filled out by the
14:16:13 14 registrants.

14:16:17 15 BY MR. LANGHOFER:

14:16:17 16 Q. How is it obvious?

14:16:19 17 A. Well, a lot of it is the -- if there -- if it's a
14:16:22 18 reregistration, they'll have wrong information, like birth
14:16:26 19 dates. And the best way for us to check these things is
14:16:30 20 when we put it in the system and they run the HAVA check
14:16:35 21 against Motor Vehicles, it comes back and it's -- there's
14:16:39 22 no match or it's, like, somebody else's. Usually it's no
14:16:45 23 match because they don't know what the driver's license
14:16:48 24 number would be and such.

14:16:56 25 That's -- but Donna is much more familiar

14:16:58 1 with this since she does the majority -- or oversees the
14:17:01 2 majority of voter registrations processing.

14:17:03 3 Q. All right.

14:17:04 4 A. But it's -- we haven't seen a lot of it, but we've
14:17:08 5 seen some. I know some counties have had more problems
14:17:13 6 than we have had here, thank goodness.

14:17:15 7 Q. Do you have any sense of how many we're talking
14:17:17 8 about in your county?

14:17:19 9 A. I'd have to ask Donna on that.

14:17:23 10 MR. LANGHOFER: Thank you, ma'am. That's all
14:17:24 11 the questions I have.

14:17:25 12 Are we going to ask questions of Donna now?

14:17:48 13 MR. MORGAN: Yeah, I don't -- I don't pretend
14:17:50 14 that I'm in charge or anything, but, I guess, does anybody
14:17:54 15 else have questions for the recorder?

14:17:58 16 MS. LANG: I have just a couple follow-up
14:18:00 17 questions for Ms. Hansen, but I don't have big hands like
14:18:02 18 Kory, so I do mean just a couple of questions, if that's
14:18:02 19 all right.

14:18:10 20 I don't know if any of the other plaintiffs
14:18:11 21 have any follow-up. Alex very well may.

14:18:15 22 Is it okay with you, Alex, if I just go
14:18:18 23 ahead?

14:18:20 24 MR. ATKINS: Yeah, that's just fine.

14:18:20 25 MS. LANG: Great.

14:18:20 1 FURTHER EXAMINATION

14:18:20 2 BY MS. LANG:

14:18:20 3 Q. Thanks, Ms. Hansen.

14:18:23 4 I just -- you'll have to forgive me. I'm not
14:18:26 5 familiar with the place. But you were talking about a town
14:18:30 6 with Mr. Langhofer -- Tusayan?

14:18:33 7 A. Tusayan.

14:18:34 8 Q. Tusayan. Okay.

14:18:36 9 And I think you testified that there maybe
14:18:40 10 have been one or two referrals there related to double
14:18:44 11 voting; is that right?

14:18:45 12 A. Yes.

14:18:48 13 Q. And you had -- you had agreed with Mr. Langhofer
14:18:51 14 that there had been some disagreements about residents
14:18:56 15 there about the residency status of some of those
14:18:59 16 individuals.

14:19:01 17 Have you actually had any referrals for
14:19:03 18 anyone who was actually found to not reside there that was
14:19:09 19 claiming to reside there?

14:19:12 20 A. Well, we turned it over to the county attorney's
14:19:14 21 office for investigation, so they would be the ones to
14:19:20 22 check with on it -- or the sheriff. I think the sheriff
14:19:25 23 would be -- do follow-up on that.

14:19:27 24 Q. Okay. And you mentioned that a number of the
14:19:30 25 people in this town live on campgrounds; is that right?

14:19:34 1 A. Well, they live in either a campground -- but the
14:19:37 2 campground would be the private area, where they're living
14:19:41 3 actually in something, you know, like a tent or an RV that
14:19:47 4 they own. Or they live in company housing. Like,
14:19:52 5 McDonald's has a -- there has a dormitory, and it's a lot
14:19:57 6 of motels. So the motels would have living situations for
14:20:03 7 their employees.

14:20:05 8 Q. And many of those folks that reside on campgrounds
14:20:08 9 or in dormitories are legitimate residents that are
14:20:12 10 eligible to vote in the state of Arizona; correct?

14:20:15 11 A. Yes.

14:20:16 12 Q. And would those folks, based on your experience,
14:20:19 13 have easy access to any documentation of their residence if
14:20:24 14 they're living on a campground or an RV?

14:20:28 15 A. Well, they, I would think, would have a more
14:20:31 16 difficult time. So now there would be -- I guess I'm
14:20:40 17 trying to think for utilities and that. I don't -- I'd
14:20:45 18 have to ask Donna if she -- how many she would see that was
14:20:49 19 coming from that area that may not have the proof of
14:20:58 20 citizenship or -- but residency, I think, would be harder.

14:21:02 21 I do know Tusayan, as I recall, has an
14:21:06 22 awfully high number of people on the active early voting
14:21:09 23 list. And so they don't have to show ID to vote. So if
14:21:19 24 you're voting by mail, we check your signature. So since
14:21:24 25 we don't do the document -- the proof of residency yet, I

14:21:31 1 don't know.

14:21:33 2 MS. LANG: Thank you. I don't have any
14:21:34 3 further questions.

14:21:35 4 MR. ATKINS: I think I have just two.

14:21:35 5

14:21:40 6 FURTHER EXAMINATION

14:21:40 7 BY MR. ATKINS:

14:21:40 8 Q. Ms. Hansen, how long has it been since you worked
14:21:45 9 in election administration in the state of Nebraska?

14:21:49 10 A. I worked in the state of Nebraska starting in
14:21:52 11 April 1st, 1987, through 1999.

14:21:57 12 Q. And are you up to date on Nebraska's requirements
14:22:02 13 for voter registration?

14:22:05 14 A. No.

14:22:07 15 MR. ATKINS: I don't have any other
14:22:08 16 questions. Thank you. Thanks so much.

14:22:13 17 MR. MORGAN: All right. If there are no more
14:22:15 18 questions, I -- unlike Kory's hands, I have a relatively
14:22:19 19 small bladder. Can we take five minutes as we transition
14:22:22 20 to the next witness?

14:22:26 21 MS. WINKELER: That's good for us.

14:22:27 22 THE WITNESS: That's good.

14:22:28 23 MR. MORGAN: Thank you.

14:22:28 24 THE VIDEOGRAPHER: We are off the record.

14:22:29 25 Time on the video monitor is 2:22 p.m.

20
21 EXAMINATION

22 BY MR. SHERMAN:

12:10:39 23 Q. Good morning. I should say "good afternoon."
12:10:42 24 Good morning to folks in Arizona, but good afternoon to
12:10:45 25 Ms. Slattery, Ms. Doolittle, and Mr. Filighera. Thank you

12:10:48 1 for being with us.

12:10:50 2 Again, my name is Jon Sherman. I'm with Fair
12:10:54 3 Elections Center. I represent the Poder Latinx plaintiffs
12:10:56 4 in this consolidated case.

12:10:58 5 I have some basic questions at the beginning
12:11:00 6 of this deposition. And I think it -- given that we have
12:11:05 7 three designees all testifying at once, I think we should
12:11:10 8 just establish an order of response. So if we could just
12:11:12 9 go Ms. Slattery, Ms. Doolittle, Mr. Filighera for these
12:11:16 10 intro questions, I think that would be most efficient.

12:11:20 11 Could you each please state your full name
12:11:21 12 and title for the record.

12:11:24 13 MS. SLATTERY: Good afternoon, everyone. My

12:11:48 21 Q. Thank you.

12:11:48 22 How long have you been in these roles?

12:11:48 23 MS. SLATTERY: I've currently been in the
12:11:55 24 role since June 20th, 2023.

12:11:57 25 MS. DOOLITTLE: I have been officially in

12:13:45 8 USCIS, I was an attorney in practice in the public
12:13:48 9 defender's office in Maricopa County, Arizona.

12:13:53 10 MS. DOOLITTLE: I've been with USCIS for
12:13:55 11 about 12 years in the MPA role, in the product owner role,
12:13:59 12 and now a supervisor role. Prior to that, I was a
12:14:03 13 government contractor for the Army, and prior to that, U.S.
12:14:09 14 Army reserve.

12:14:13 15 MR. FILIGHERA: With USCIS, as mentioned
12:14:14 16 prior, I started in 2009. Previous to the 2009 start with
12:14:19 17 USCIS, since 1994 up to 2009, I was with the Internal
12:14:26 18 Revenue Service.

12:14:26 19 BY MR. SHERMAN:

12:14:26 20 Q. Thank you.

12:14:27 21 Are you represented by an attorney today?
12:14:30 22 And who is that?

12:14:33 23 MS. SLATTERY: We are represented by USCIS
12:14:38 24 Office of Chief Counsel. Persons present in the room are
12:14:40 25 Bruce Burkley and Philip Busch.

12:14:42 1 BY MR. SHERMAN:

12:14:42 2 Q. Great. Thank you. For today's deposition, I want
12:14:44 3 to make sure the record is clear on a couple of points.

12:14:47 4 Do you each understand you are testifying
12:14:49 5 under oath today?

12:14:51 6 MS. SLATTERY: Yes.

12:14:52 7 MS. DOOLITTLE: Yes.

12:14:53 8 MR. FILIGHERA: Yes.

12:14:55 9 BY MR. SHERMAN:

12:14:57 11 this deposition?

12:14:59 12 MS. SLATTERY: Yes.

12:15:00 13 MS. DOOLITTLE: Yes.

12:15:01 14 MR. FILIGHERA: Yes.

12:15:01 15 BY MR. SHERMAN:

12:15:01 16 Q. With that in mind, please answer questions audibly
12:15:04 17 and clearly. Please let me know if you do not understand a
12:15:07 18 question or need me to repeat any part of it.

12:15:09 19 If I ask a question and you answer the
12:15:12 20 question, I will assume that you understood the question.

12:15:15 21 If you did not understand the question, though, just please
12:15:17 22 tell me. Do you understand?

12:15:19 23 MS. SLATTERY: Yes.

12:15:21 25 MR. FILIGHERA: Yes.

12:15:22 1 BY MR. SHERMAN:

12:15:23 2 Q. During this deposition, attorneys may make
12:15:25 3 objections. Even if they make objections, unless your
12:15:28 4 attorneys specifically instruct you not to answer the
12:15:31 5 question, you must still answer the question. Do you
12:15:31 6 understand?

12:15:33 7 MS. SLATTERY: Yes.

12:15:59 25 MS. SLATTERY: No.

12:16:00 1 MS. DOOLITTLE: No.

12:16:01 2 MR. FILIGHERA: No.

12:16:01 3 BY MR. SHERMAN:

12:16:03 4 Q. If at any time you need to take a break, please
12:16:05 5 let me know. The only thing I ask is if there's a pending
12:16:08 6 question, that you answer the question before we take the
12:16:10 7 break. Do you understand?

12:16:12 8 MS. SLATTERY: Yes.

12:16:24 17 BY MR. SHERMAN:

12:16:26 18 Q. For today's deposition, where are each of you

12:16:30 20 MS. SLATTERY: I am located at 5900 Capital

12:16:52 3 MS. SLATTERY: As stated before, I'm joined
12:16:54 4 in the room by Bruce Burkley and Philip Busch, with USCIS
12:17:00 5 OCC.

12:17:00 6 MS. DOOLITTLE: I have no one in the room

12:17:04 10 BY MR. SHERMAN:

12:17:05 11 Q. Did you bring any materials with you to the
12:17:07 12 deposition? And if so, what?

12:17:10 13 MS. SLATTERY: I have printouts of the
12:17:12 14 materials that were provided by counsel in this case as the
12:17:16 15 materials for discussion today. I have blank paper and
12:17:19 16 pens, my cell phones, and a snack.

12:17:24 17 MS. DOOLITTLE: I have what was provided
12:17:28 18 previously on my computer. And my cell phones are in the
12:17:34 19 room with me as well.

12:17:36 20 MR. FILIGHERA: I have what was provided
12:17:40 21 previously on my computer and a notepad and pen.

12:17:40 22 (In the Q/A format, Ms. Slattery is.

12:17:40 23 answering the questions; Ms. Doolittle and
12:17:40 24 Mr. Filighera will be represented as

12:17:44 25 "MS. DOOLITTLE" and "MR. FILIGHERA.")

12:17:44 1 BY MR. SHERMAN:

12:17:45 2 Q. Great. Thank you.

12:17:46 3 I want to turn to -- for the Dropbox and the
12:17:51 4 depo- -- and the deposition exhibits that were provided,
12:17:53 5 everything is a document that USCIS provided to us except
12:17:58 6 for these first two that I'm going to ask you about. If
12:18:02 7 you could just refer to, either on your computers or if you
12:18:05 8 have it printed, the subpoena that appeared first in the
12:18:11 9 Dropbox.

12:18:14 10 And I'll ask -- for each of the deposition
12:18:17 11 exhibits, because, Ms. Slattery, you'll be speaking first,
12:18:21 12 I'll ask you first if you can authenticate it, and we can
12:18:25 13 introduce it as an exhibit. If you want to pass that off
12:18:28 14 to Ms. Doolittle or Mr. Filighera at any point, just let me
12:18:32 15 know.

12:18:33 16 So, Ms. Slattery, what is this document?

12:18:39 17 A. The first exhibit is labeled "Subpoena to Testify
12:18:41 18 at a Deposition in a Civil Action." In the "to" line, it
12:18:46 19 lists U.S. Citizenship and Immigration Services. The top
12:18:48 20 header is that it is a document of the United States
12:18:51 21 District Court for the District of Arizona.

12:18:53 22 Q. Thank you.

12:18:54 23 MR. SHERMAN: Can we mark this as
12:18:55 24 Exhibit 182.

12:18:55 25 (The document was marked as Exhibit 182

12:18:55 1 for identification.)

12:18:55 2 BY MR. SHERMAN:

12:19:04 3 Q. And, Ms. Slattery, if you could also look at the
12:19:05 4 second exhibit that was in the Dropbox. What is that
12:19:09 5 document?

12:19:12 6 A. The next document I have, unless this was an
12:19:14 7 attachment to the subpoena itself, is an extract of the
12:19:17 8 Federal Rules of Civil Procedure, Rule 45(c), (d), (e), and
12:19:25 9 (g).

12:19:25 10 MR. MORGAN: Hey, Jon, before we get too
12:19:26 11 deep, can we go ahead and put on the record our stipulation
12:19:30 12 with respect to the objections?

12:19:31 13 MR. SHERMAN: For sure. Do you want to
12:19:33 14 restate that?

12:19:34 15 MR. MORGAN: Yeah, I got it. Thanks.

12:19:36 16 The parties -- the defendants agree that an
12:19:39 17 objection by one defendant will constitute an objection on
12:19:43 18 behalf of all defendants. And similarly, the plaintiffs
12:19:46 19 agree that an objection by one plaintiff will constitute an
12:19:49 20 objection on behalf of all plaintiffs so that everyone is
12:19:54 21 able to reserve objections without inundating the court
12:19:58 22 reporter with tons of objections to claim on the record.

12:20:00 23 Is everybody -- does anyone disagree with my
12:20:02 24 statement?

12:20:05 25 MR. SHERMAN: No.

12:20:07 1 MR. MORGAN: Excellent. Thanks, Jon. I'm
12:20:09 2 sorry about that.

12:20:09 3 MR. SHERMAN: No, it's all good.

12:20:10 4 BY MR. SHERMAN:

12:20:11 5 Q. So, Ms. Slattery, just to rehearse, the document
12:20:15 6 you're looking at, again, if you could just restate it for
12:20:20 7 the record.

12:20:20 8 A. Sure. The previous document is an extract from
12:20:22 9 the Federal Rule of Civil Procedure. It appears to be a
12:20:26 10 Rule 45, Subset (c), (d), (e), and (g), effective date
12:20:31 11 12/1/13.

12:20:32 12 Q. I think that might just be part of the subpoena --
12:20:34 13 the form subpoena. If you could look at the attachment
12:20:38 14 that we provided, Exhibit A.

12:20:40 15 A. Sure. The next item is a pleading in the United
12:20:45 16 States District Court, District of Arizona as -- listed as
12:20:47 17 Exhibit A for USCIS A0888a Subpoena.

12:20:54 18 Q. Great.

12:20:55 19 MR. SHERMAN: Can we mark this as
12:20:57 20 Exhibit 183.

12:20:57 21 (The document was marked as Exhibit 183
12:20:57 22 for identification.)

12:20:57 23 BY MR. SHERMAN:

12:21:01 24 Q. Do you understand that you have been designated as
12:21:03 25 representatives to testify on behalf of USCIS, not in your

12:21:06 1 individual capacities?

12:21:09 2 MS. SLATTERY: I do.

12:21:10 3 MS. DOOLITTLE: I do.

12:21:11 4 MR. FILIGHERA: I do.

12:21:12 5 BY MR. SHERMAN:

12:21:12 6 Q. Can we stipulate that whenever I say "you" or

12:21:15 7 "your," that will be the equivalent of saying "USCIS" or

12:21:18 8 "USCIS's"?

12:21:22 9 MS. SLATTERY: Yes.

12:21:23 10 MS. DOOLITTLE: Yes.

12:21:23 11 MR. FILIGHERA: Yes.

12:21:24 12 BY MR. SHERMAN:

12:21:24 13 Q. Can we also stipulate that unless it is otherwise

12:21:27 14 specified, your use of the words "I" or "me" shall refer to

12:21:30 15 USCIS?

12:21:32 16 MS. SLATTERY: Yes.

12:21:33 17 MS. DOOLITTLE: Yes.

12:21:34 18 MR. FILIGHERA: Yes.

12:21:34 19 BY MR. SHERMAN:

12:21:35 20 Q. Great.

12:21:35 21 And if we could look on pages -- effectively,

12:21:40 22 I guess it's page 2, but it's labeled 1. 1 and 2, as

12:21:45 23 recorded on the bottom of this document, those are the 10

12:21:48 24 topics for this 30(b)(6) deposition.

12:21:52 25 Did you -- did each of you review this list

12:21:54 1 prior to this deposition?

12:21:56 2 MS. SLATTERY: Yes.

12:21:57 3 MS. DOOLITTLE: Yes.

12:21:58 4 MR. FILIGHERA: Yes.

12:21:59 5 BY MR. SHERMAN:

12:22:00 6 Q. And are you collectively prepared to address each
12:22:02 7 of these today?

12:22:04 8 MS. SLATTERY: Yes.

12:22:04 9 MS. DOOLITTLE: Yes.

12:22:05 10 MR. FILIGHERA: Yes.

12:22:06 11 BY MR. SHERMAN:

12:22:07 12 Q. Great.

12:22:08 13 What did each of you do to prepare for
12:22:11 14 today's deposition?

12:22:12 15 MS. SLATTERY: I reviewed the documents
12:22:14 16 provided, and we also looked at USCIS historical
12:22:20 17 information related to the questions asked and outlined in
12:22:23 18 the subpoena and reviewed that information as well as
12:22:26 19 looked at and provided a briefing for the group that is
12:22:30 20 present on this call regarding the SAVE system and the
12:22:33 21 initial questions that were asked.

12:22:35 22 MS. DOOLITTLE: I looked at the document as
12:22:40 23 well. I saw what questions may be applicable to me and my
12:22:44 24 scope. And I then talked to some of the subject matter
12:22:49 25 experts at USCIS to confirm some of my knowledge for today

12:22:59 1 for the questions.

12:22:59 2 MR. FILIGHERA: Similar. I looked at the
12:23:02 3 documents that were presented for today, reviewed the
12:23:06 4 questions, and -- and reviewed materials and background
12:23:11 5 based on those questions for our policy and procedures.

12:23:15 6 BY MR. SHERMAN:

12:23:15 7 Q. And did each of you meet with your counsel to
12:23:19 8 prepare for today's deposition?

12:23:22 9 MS. SLATTERY: Yes.

12:23:23 10 MS. DOOLITTLE: Yes.

12:23:24 11 MR. FILIGHERA: Yes.

12:23:26 12 BY MR. SHERMAN:

12:23:28 13 Q. So for the balance of the deposition, I think the
12:23:31 14 most efficient way to do this is Ms. Slattery will respond
12:23:36 15 first to the question, and then if she decides to designate
12:23:42 16 one of the other two designees, Ms. Doolittle or
12:23:45 17 Mr. Filighera, she can pass it off after she answers
12:23:49 18 substantively or in lieu of her answering the question
12:23:54 19 substantively.

12:23:55 20 There's no need to have all three people
12:23:58 21 testify on all questions. Ms. Slattery, if you -- if
12:24:04 22 the -- if USCIS's answer is complete with your response,
12:24:07 23 that can be the end. But otherwise, please -- if it's
12:24:13 24 incomplete, please pass it off to Ms. Doolittle or
12:24:14 25 Mr. Filighera to complete the agency's response.

12:24:19 1 So the most basic question, what -- what is
12:24:21 2 the SAVE system?

12:24:23 3 A. The SAVE system is an online system that is
12:24:26 4 available for use by federal, state, and local
12:24:29 5 benefit-granting agencies. The purpose of the system is to
12:24:34 6 provide immigration status information that will enable
12:24:36 7 those agencies to make a benefits determination about the
12:24:39 8 particular benefits that they administer.

12:24:43 9 Q. And is it also to verify citizenship status?

12:24:47 10 A. Among the statuses that SAVE can provide is
12:24:51 11 confirmation of citizenship status, either naturalized or
12:24:55 12 acquired, or those citizens through -- who have a
12:24:59 13 DHS-issued record. So those are citizens that have gone
12:25:02 14 through a naturalization ceremony or have acquired
12:25:06 15 citizenship through operation of law and they have a record
12:25:08 16 with DHS systems.

12:25:10 17 Q. Thank you.

12:25:11 18 And I will keep moving, in the interest of
12:25:13 19 time, but just please cut me off if you had intended -- or
12:25:17 20 if, Ms. Doolittle or Mr. Filighera, you had more to say,
12:25:20 21 just cut me off and let me know I'm moving too quickly to
12:25:24 22 the next question.

12:25:25 23 Is SAVE a system, a database, or a program?
12:25:29 24 And what are the differences in any implications to
12:25:33 25 those -- the differences in those labels, if so?

12:25:36 1 A. SAVE is a system. It is not a database or a
12:25:39 2 system of record origin. While SAVE does maintain
12:25:43 3 transactional data for the information that is put into the
12:25:46 4 SAVE system and the record of a transaction being
12:25:49 5 completed, SAVE does rely on source record systems that are
12:25:53 6 maintained by different DHS agencies, including USCIS.
12:25:58 7 Those are the systems of record that are
12:26:01 8 housing the immigration information that SAVE bounces
12:26:04 9 against in order to make an information match based against
12:26:08 10 information that is provided by the user agency.

12:26:12 11 Q. Does the SAVE system draw upon many databases at
12:26:15 12 once, or is all the data stored in one unified database?

12:26:15 13 A. I actually will defer to Mariah on this question
12:26:24 14 regarding the organization of the data systems.

12:26:24 15 MS. DOOLITTLE: Sure. So SAVE primarily will
12:26:29 16 go against one database, but there are two that we
12:26:34 17 traditionally pull from. The other systems that we rely
12:26:38 18 on, a lot of those are transactional records as well, so a
12:26:41 19 lot of that information is pooled towards indexes.

12:26:51 20 THE COURT REPORTER: "Towards" what?

12:26:51 21 MS. DOOLITTLE: It's pooled within indexes.

12:26:51 22 We refer to them as data links.

12:26:54 23 BY MR. SHERMAN:

12:26:55 24 Q. Who owns the database or the information contained
12:26:59 25 therein?

12:27:01 1 MS. DOOLITTLE: The owner of it depends on
12:27:02 2 the division, what their mission is, because it is
12:27:07 3 collected over a lot of encounters. So if somebody has an
12:27:11 4 encounter with USCIS, it depends on how they have that
12:27:14 5 encounter, or with DHS, what system might have a record of
12:27:19 6 that person, such as a pending application.

12:27:19 7 BY MR. SHERMAN:

12:27:25 8 Q. Are all the owners subunits of DHS?

12:27:31 9 MS. DOOLITTLE: Yes. All owners are subunits
12:27:34 10 of DHS, outside of -- potentially, when we go into manual
12:27:42 11 for reviews, there could be an instance where it could be
12:27:46 12 Department of State.

12:27:48 13 BY MR. SHERMAN:

12:27:48 14 Q. Understood.

12:27:49 15 What forms of U.S. citizenship is it possible
12:27:53 16 for SAVE to verify? Alternatively, what can the SAVE
12:27:57 17 system be used for?

12:27:59 18 A. Within the SAVE system, as it comes to citizenship
12:28:02 19 again, it is either a naturalized citizen or a person who
12:28:06 20 has acquired citizenship by operation of law firm and that
12:28:09 21 person has a record within DHS systems.

12:28:11 22 We do not verify U.S.-born citizens. We do
12:28:14 23 not use Social Security systems for verification, and we do
12:28:18 24 not use U.S. passports for verification. It is dependent
12:28:21 25 on those DHS records.

12:28:24 1 Q. Understood.

12:28:24 2 So it's impossible for the SAVE system to
12:28:27 3 verify citizenship based on state department documents;
12:28:34 4 correct?

12:28:34 5 A. SAVE system does not currently verify based on
12:28:37 6 state department documentation, no. It is DHS-issued
12:28:41 7 documentation.

12:28:41 8 Q. And it can't verify U.S.-born citizenship based on
12:28:45 9 U.S. birth certificates; correct?

12:28:46 10 A. Correct. USCIS does not have a record of those --
12:28:51 11 those documents.

12:28:52 12 Q. So as you stated, the SAVE system can only be used
12:28:59 13 to verify naturalized or derived U.S. citizenship; correct?

12:29:02 14 A. Correct.

12:29:03 15 Q. Okay. Beyond verification for public benefits or
12:29:06 16 assistance, what are some of the other contexts in which
12:29:09 17 SAVE is used?

12:29:11 18 A. SAVE can also be used for licensure verification.
12:29:15 19 Department of Motor Vehicles does use it for REAL ID
12:29:19 20 purposes related to driver's licenses. FAA also has an
12:29:22 21 agreement with us to do licensure for persons who are
12:29:25 22 having unescorted access to secure areas in federal
12:29:30 23 facilities that are aviation-based.

12:29:33 24 Q. Are those -- is that for security clearances?

12:29:35 25 A. It can be, yes.

12:29:37 1 Q. Okay. Is -- is there any other context in which
12:29:40 2 it's used for security clearances?

12:29:42 3 A. For federal employment purposes, it is often used
12:29:45 4 for background security clearances.

12:29:47 5 Q. Any other contexts we haven't gone over?

12:29:52 6 A. Not to my recollection, no.

12:29:56 7 Q. Is it used in the voter registration context?

12:30:01 8 A. Yes. It can be used under circumstances where an
12:30:05 9 agency is doing voter verification and they have signed a
12:30:10 10 memorandum of agreement with USCIS that is based on legal
12:30:15 11 authority to conduct the verification and that we have a
12:30:18 12 grounding purpose for the verification being conducted.

12:30:22 13 Q. How many states and/or counties are using -- let's
12:30:28 14 start with states.

12:30:28 15 How many states are using it nationwide for
12:30:29 16 voter registration?

12:30:30 17 A. I believe we have less than ten states total, and
12:30:34 18 only a handful of those are actively using it for voter
12:30:38 19 verification at this time.

12:30:40 20 Q. Do you know which are using it actively?

12:30:43 21 A. I don't have the list in front of me currently,
12:30:45 22 no. I know Arizona, which is the subject of this
12:30:49 23 conversation, is one of the states that does use the
12:30:52 24 system. And under their MOA, they have -- the secretary of
12:30:57 25 state is the principal authority there, and there are five

12:30:59 1 counties with whom we have reimbursable agreements as well.

12:31:02 2 Q. Understood.

12:31:03 3 MR. MORGAN: For the record, "MOA," does that
12:31:06 4 mean memorandum of understanding, ma'am?

12:31:08 5 MS. SLATTERY: It is a memorandum of
12:31:09 6 agreement.

12:31:11 7 MR. MORGAN: Okay. Thank you.

12:31:13 8 BY MR. SHERMAN:

12:31:13 9 Q. What is a "user agency" in the SAVE system's
12:31:17 10 terminology?

12:31:17 11 A. A user agency is an agency, as I indicated just a
12:31:21 12 moment ago, that has approached SAVE to request use of the
12:31:25 13 system. They have provided the legal authorities under
12:31:29 14 which they would be authorized to verify immigration status
12:31:32 15 and the purpose for that verification. They have entered
12:31:36 16 into an agreement, our memorandum of understanding, with
12:31:40 17 USCIS, and they have entered into a reimbursable agreement
12:31:44 18 that discusses how payment for use of the system will be
12:31:48 19 made.

12:31:49 20 Q. What is an "applicant" in the SAVE program's
12:31:52 21 terminology?

12:31:52 22 A. An applicant in this case would be an individual
12:31:55 23 who is seeking a state, federal, or local benefit and has
12:32:00 24 applied to an agency who is a user of the SAVE system in
12:32:03 25 order to achieve that benefit.

12:32:05 1 Q. So just so the record is clear, how do the terms
12:32:07 2 "user agency" and "applicant" translate or map onto the
12:32:13 3 voter registration context?

12:32:13 4 A. The agency would be the organization that has the
12:32:17 5 agreement with SAVE. The user would be a member of the
12:32:21 6 organization who is accessing the SAVE system in order to
12:32:24 7 run a verification case. The benefit applicant in this
12:32:28 8 case would be the individual about whom the verification is
12:32:30 9 being conducted.

12:32:33 10 Q. Does --

12:32:34 11 A. If I may, in some cases, depending on how a system
12:32:38 12 is set up, a benefit applicant may be entering information
12:32:42 13 directly.

12:32:43 14 Q. How many user agencies are there currently for the
12:32:47 15 SAVE system nationwide?

12:32:48 16 A. There are about 1,200 organizations nationwide.
12:32:52 17 We do have principal organizations. Out of the 1,200,
12:32:56 18 there are also some organizations that have subagencies
12:32:59 19 through which -- which work through them, but we count them
12:33:02 20 as 1,200 agencies at present.

12:33:04 21 Q. Understood.

12:33:05 22 And only six of those are using it -- using
12:33:07 23 the SAVE system for any kind of election administration
12:33:10 24 purpose; right?

12:33:11 25 A. Yes.

12:33:12 1 Q. Is there anything in federal law that requires
12:33:18 2 USCIS to enter into MOAs with particular user agencies?

12:33:28 3 MR. BURKLEY: I'll say that, you know, this
12:33:29 4 is a legal question. I don't know if you want to answer a
12:33:34 5 legal question or --

12:33:34 6 MS. SLATTERY: It's a legal question. There
12:33:36 7 are a number of different laws that were put in place that
12:33:38 8 authorize the use of SAVE and the purposes for which SAVE
12:33:41 9 can be used. They are outlined in our MOAs and in the
12:33:46 10 documentation, the user guide that relates to the program.

12:33:50 11 BY MR. SHERMAN:

12:33:50 12 Q. Maybe stated another way, does USCIS have some
12:33:53 13 discretion as to -- let me rephrase the question.

12:33:57 14 Does USCIS have discretion as to which user
12:34:00 15 agencies to enter into MOAs with?

12:34:03 16 A. When USCIS is approached by a user agency, as I
12:34:07 17 indicated, we will look at the legal authorities under
12:34:09 18 which they're authorized to use the program and the purpose
12:34:12 19 for the verification. If, after legal review, those things
12:34:16 20 are present, USCIS will be in the memorandum of agreement
12:34:20 21 process.

12:34:22 22 Q. Could you list all the sources of data that the
12:34:25 23 SAVE system can draw upon when a user agency attempts to
12:34:29 24 verify a particular individual applicant's naturalized or
12:34:31 25 derived U.S. citizenship?

12:34:34 1 A. As indicated, those are DHS-related systems.

12:34:36 2 MS. SLATTERY: I'll ask Mariah, please, to
12:34:39 3 speak about those.

12:34:40 4 MS. DOOLITTLE: Are you asking for the
12:34:42 5 systems, or are you asking for the data points we use to
12:34:46 6 pull information from our data sources?

12:34:46 7 BY MR. SHERMAN:

12:34:49 8 Q. The data points. What -- what sources of data,
12:34:52 9 you know, are accessed by SAVE?

12:34:54 10 MS. DOOLITTLE: For a case creation, which is
12:34:57 11 the information that we would care about, it's first name,
12:35:00 12 last name, middle name if they have, their date of birth,
12:35:04 13 and then the enumerators. The enumerators are DHS
12:35:09 14 enumerators, such as an E-number, a USCIS number, a
12:35:13 15 naturalization number.

12:35:13 16 BY MR. SHERMAN:

12:35:15 17 Q. Sorry. I accidentally jumped ahead.

12:35:17 18 I meant to -- I meant to ask you what -- what
12:35:20 19 are the various sources of data that the SAVE system can
12:35:24 20 draw upon when a query is made? Sorry about that.

12:35:27 21 MS. DOOLITTLE: So at a high level, when a
12:35:30 22 case is entered with the -- with the fields that I just
12:35:34 23 spoke about for case creation, the systems will go out and
12:35:38 24 they will check the -- if they have records and find record
12:35:43 25 of somebody's inputted information. So they'll take that

12:35:46 1 total package of what is in that case and they'll go out to
12:35:51 2 the systems to say can we find the last name, first name,
12:35:54 3 date of birth, and enumerator associated with that person?

12:35:58 4 At some point, there could be a photo that
12:36:00 5 needs to be brought back as well for that review, or it
12:36:05 6 could be applications -- either approved applications or
12:36:08 7 pending applications and also removal orders; however, that
12:36:17 8 usually happens during manual review for that last one.

12:36:17 9 BY MR. SHERMAN:

12:36:22 10 Q. Earlier you testified that the SAVE system's data
12:36:26 11 is limited to just DHS databases. Are there any other
12:36:29 12 federal government databases included within the SAVE
12:36:32 13 system?

12:36:34 14 MS. DOOLITTLE: Not --

12:36:37 15 MS. SLATTERY: Go ahead, Mariah.

12:36:38 16 MS. DOOLITTLE: Shannon, you can go ahead.

12:36:43 17 MS. SLATTERY: I would say that we also do on
12:36:46 18 occasion check Executive Office of Immigration Review data.
12:36:50 19 I would defer to Mariah on whether that's a direct feed of
12:36:53 20 data or whether that's something that we verify during
12:36:56 21 manual review.

12:36:59 22 MS. DOOLITTLE: That is -- I'll actually ask
12:37:02 23 Russ: Is that something that we verify on manual review?

12:37:05 24 MR. FILIGHERA: We have access to those
12:37:07 25 records in manual review, but in the context of derived

12:37:12 1 citizen or naturalized citizen, I'm not sure if that would
12:37:15 2 even be an occurrence. No recollection for that.

12:37:15 3 BY MR. SHERMAN:

12:37:20 4 Q. Fair enough.

12:37:20 5 Any other data sources ingested and available
12:37:23 6 to the SAVE system?

12:37:29 7 A. Unless Russ has additional data sources he'd like
12:37:31 8 to mention for manual review, no.

12:37:36 9 Q. Okay. Is the SAVE system's data fixed or
12:37:38 10 continuously updated?

12:37:44 11 MS. DOOLITTLE: Shannon, I can answer that
12:37:46 12 one if you want.

12:37:46 13 MS. SLATTERY: Please.

12:37:47 14 MS. DOOLITTLE: It's continuously updated
12:37:58 15 [video disturbance].

12:37:58 16 THE COURT REPORTER: I'm sorry. You're
12:37:58 17 cutting out for me. I'm sorry. Ms. Doolittle, you're
12:37:58 18 cutting out.

12:38:00 19 I heard "It's continuously updated."

12:38:03 20 MS. DOOLITTLE: Yes. It's continuously
12:38:05 21 updated, so if an application goes from pending to
12:38:09 22 approved, that would be updated within the systems. If
12:38:13 23 somebody's status had changed, that would be updated in the
12:38:16 24 systems. If an applicant went to update their own
12:38:20 25 information, that would also be updated within the systems.

12:38:23 1 It is not stagnant. It is not a solid record
12:38:28 2 where the applicant only has one chance at it. There's
12:38:32 3 multiple ways within an immigration journey that someone's
12:38:37 4 information gets updated.

12:38:37 5 BY MR. SHERMAN:

12:38:40 6 Q. Is SAVE a data retrieval system or something else?
12:38:44 7 And what does that mean?

12:38:47 8 A. SAVE is a system that, again, intakes data and
12:38:50 9 matches that data against other record systems. So again,
12:38:54 10 the applicant or the agency would enter information into
12:38:57 11 SAVE. As Mariah described earlier, SAVE would bounce that
12:39:00 12 data against the data sources that we use as an agency, and
12:39:03 13 those are the sources that are outlined in our system of
12:39:06 14 record notices that are publicly available. And then that
12:39:09 15 information would result in a response being given back to
12:39:13 16 the user agency.

12:39:15 17 Q. What, if any, are the limitations of such a data
12:39:19 18 retrieval system?

12:39:21 19 A. The limitations are, I would say, first and
12:39:24 20 foremost, the quality of the data entered into the system.
12:39:26 21 In order to match against a record, the quality of the data
12:39:30 22 needs to be sufficient in order to allow that match to take
12:39:34 23 place. The SAVE system does have processes in place where
12:39:36 24 if that initial automated match is not capable of being
12:39:41 25 achieved, that we will go in and do manual review

12:39:44 1 processes, but really it's the quality of the data.
12:39:46 2 And I think there are certain circumstances
12:39:49 3 where we've had issues with data feeds happening. That is
12:39:54 4 a common situation -- where you have system-to-system
12:39:57 5 interactions, there can be times where something in that
12:39:59 6 connection doesn't work properly. However, those things
12:40:02 7 are generally quickly identified and rectified such that we
12:40:05 8 could get the information and we would not return a
12:40:08 9 response until we were confident that we had done the
12:40:10 10 search properly.

12:40:13 11 Q. And when you say "a data feed problem," what --
12:40:16 12 what does that actually cause?

12:40:17 13 A. So it can -- and I'll defer to Mariah here in just
12:40:20 14 a moment, but it can cause either us not to be able to
12:40:23 15 retrieve data or that we are looking at data that perhaps
12:40:25 16 is incomplete for a response.

12:40:28 17 MS. SLATTERY: Mariah, would you like to add
12:40:29 18 to that?

12:40:30 19 MS. DOOLITTLE: There also could be the
12:40:35 20 implication of lag time between systems when the data gets
12:40:39 21 entered by an agency -- either an outside agency or USCIS,
12:40:45 22 such as if somebody went through a naturalization process,
12:40:49 23 and that can cause discrepancies between the systems
12:40:54 24 because the records have to be updated over time for SAVE
12:41:00 25 to be able to pull that as that person's status. But that

12:41:05 1 is actually why we have the manual review in place for
12:41:07 2 agencies. So if it does not come back of what the external
12:41:13 3 agency is expecting, we have manual reviewers that can
12:41:16 4 retrieve that information.

12:41:20 5 BY MR. SHERMAN:

12:41:20 6 Q. Understood. Yeah, I have a number of questions
12:41:21 7 about additional verification later.

12:41:22 8 Just so I understand, for the data field
12:41:25 9 errors, it might cause certain data not to be updated;
12:41:32 10 correct?

12:41:32 11 A. We could see situations where we see a latency lag
12:41:34 12 in data systems. Again, SAVE is a point-in-time
12:41:38 13 verification system. But if we are aware that the latency
12:41:41 14 exists or we become aware that it exists, there are steps
12:41:44 15 taken to rectify that. And again, if at any time an agency
12:41:46 16 does not see a result they are expecting, they can push the
12:41:49 17 case for additional verification and ask us to review that
12:41:52 18 information.

12:41:52 19 Q. How long does it usually take to identify these
12:41:56 20 data feed errors?

12:41:57 21 A. Often, we're seeing them quickly because someone
12:41:59 22 will report it to us. We also monitor data on a regular
12:42:02 23 basis and are able to identify with our OIT teams when
12:42:07 24 there are latency issues with systems.

12:42:09 25 Q. Understood.

12:42:10 1 But just so I under- -- the record is clear,
12:42:12 2 is it a day, a week, several weeks, a month, two months,
12:42:15 3 three months?

12:42:15 4 A. Typically, it's hours to days. Unless there's a
12:42:19 5 complex issue with a problem, it's generally very quickly
12:42:21 6 identified and rectified.

12:42:22 7 Q. Okay. How frequently is SAVE system data updated?
12:42:28 8 Is it just dynamic and continuously updated?

12:42:31 9 A. Again, SAVE does not maintain an independent data
12:42:35 10 record of systems. We are moving and working against data
12:42:38 11 systems that are monitored and managed by other components.
12:42:41 12 So we are drawing data that is updated as those systems are
12:42:45 13 updated.

12:42:47 14 MS. SLATTERY: And, Mariah, you can correct
12:42:48 15 me if I'm wrong, but we do generally receive feeds from
12:42:50 16 those systems, and we're doing verifications, I think, most
12:42:54 17 of the time on a 24-hour basis?

12:42:56 18 MS. DOOLITTLE: Correct.

12:42:59 19 BY MR. SHERMAN:

12:42:59 20 Q. Following naturalization, how long does it take
12:43:02 21 for that record or data on naturalization to be available
12:43:05 22 and accessible within the SAVE system?

12:43:08 23 A. Once the record has been entered into the system,
12:43:11 24 it's typically within 24 hours. Where we can see
12:43:16 25 point-of-time lags is if there are -- let me back up a

12:43:20 1 step.

12:43:21 2 There are two types of ceremonies that take
12:43:23 3 place within the naturalization arena: One is an
12:43:26 4 administrative ceremony that is under the control of USCIS;
12:43:28 5 the other is a judicial ceremony where we are working with
12:43:31 6 the courts to conduct naturalization. Depending on the
12:43:34 7 time of the ceremony, the size of the ceremony, and how
12:43:37 8 quickly records can get updated, we can see some delays in
12:43:42 9 getting information into systems.

12:43:43 10 We do not want to complete those record
12:43:45 11 updates until the ceremony is completed because we do have
12:43:48 12 instances where someone doesn't appear for a ceremony or we
12:43:51 13 have a just-in-time check that indicates the ceremony
12:43:54 14 should not go forward, so those persons would not have gone
12:43:56 15 through final naturalization.

12:43:58 16 And just to give you a sense of scope, we
12:44:00 17 have small ceremonies that take place with one or two
12:44:02 18 people in an office up to ceremonies of thousands that take
12:44:05 19 place in arenas, and it just depends on the jurisdiction
12:44:07 20 that we're in. We do make every effort to get that
12:44:10 21 information into the systems and updated as quickly as
12:44:13 22 possible.

12:44:14 23 Q. So for ceremonies with naturalized citizens in the
12:44:20 24 thousands, how long does it generally take to get all of
12:44:22 25 that data into usable format for the SAVE system?

12:44:28 1 A. Typically, again, it happens very quickly.
12:44:30 2 Offices are well trained to do this and they're very
12:44:34 3 systematic in how the work gets completed. So generally we
12:44:37 4 would not expect more than a day or two delay.

12:44:40 5 Q. Have you seen delays in that input before?

12:44:44 6 A. I have not personally experienced that, no.

12:44:46 7 Q. Have any of the witnesses?

12:44:52 8 MS. DOOLITTLE: I have not experienced that
12:44:53 9 delay, but I know that some of our applicants think there's
12:44:57 10 a delay because they go to a different agency, create a
12:45:00 11 case before it gets updated, so there could be things like
12:45:04 12 a federal working day -- might have been that the ceremony
12:45:08 13 was on Friday, that Monday is a federal working day, a
12:45:12 14 national holiday -- anytime that the federal government
12:45:15 15 would be closed during that time, the applicant might get
12:45:20 16 ahead of the process by going to an external agency,
12:45:23 17 creating that SAVE case, and the information is not there.
12:45:27 18 That's not a data latency issue. That's a time issue that
12:45:30 19 Shannon described.

12:45:32 20 BY MR. SHERMAN:

12:45:32 21 Q. Understood.

12:45:33 22 So have -- have any of you seen a lag of
12:45:36 23 weeks or months to upload naturalization data -- input
12:45:43 24 naturalization data?

12:45:46 25 A. No.

12:45:46 1 MS. DOOLITTLE: We would also not be privy to
12:45:49 2 that because that is not under our purview, adjudication.
12:45:51 3 The verification division does not adjudicate. The SAVE
12:45:55 4 system does not adjudicate, so those timelines aren't
12:45:58 5 something that we would be aware of.

12:45:58 6 BY MR. SHERMAN:

12:46:01 7 Q. Okay. So just so I'm clear, you're not able to --
12:46:02 8 the three -- the three of you are not able to testify to
12:46:06 9 that question; correct?

12:46:11 10 MS. DOOLITTLE: I am not able to.

12:46:14 11 MS. SLATTERY: Based on my former position
12:46:15 12 with field operations, I can -- and having had experience
12:46:20 13 in a field office that conducted naturalization ceremonies,
12:46:22 14 I can tell you, as a representative of USCIS in that
12:46:25 15 capacity, that was not an experience that I had.

12:46:25 16 BY MR. SHERMAN:

12:46:31 17 Q. Have you ever had to create any work-arounds for
12:46:35 18 particular individuals whose data is not -- naturalization
12:46:37 19 data is not showing up in the system?

12:46:40 20 And let's put it this way: If an election is
12:46:43 21 fast approaching and they need to be verified so they can
12:46:46 22 vote, has there ever been an instance where USCIS has had
12:46:50 23 to develop some kind of other work-around to confirm that
12:46:55 24 naturalization data?

12:46:59 25 A. For purposes of the SAVE system, I am not aware

12:47:02 1 that we have created a work-around for that purpose.

12:47:07 2 Q. It's basically the -- the applicant would just
12:47:09 3 have to submit their naturalization certificate in that
12:47:12 4 circumstance?

12:47:14 5 A. I'm not sure I understand the circumstance that
12:47:16 6 you're describing. So this is a person who -- who is
12:47:19 7 seeking to register to vote, has a naturalization
12:47:23 8 certificate, and you're indicating that there is some sort
12:47:27 9 of delay in the system whereby that person was not able to
12:47:31 10 be verified?

12:47:32 11 Q. Correct. Correct.

12:47:33 12 A. So again, in that circumstance -- and I'll ask
12:47:37 13 Russ to chime in here in just a moment -- SAVE has the
12:47:40 14 manual verification process. So we have the automated
12:47:42 15 process at first step, at which we would match the data and
12:47:45 16 seek to match the data.

12:47:47 17 If that returned an unexpected result, the
12:47:50 18 agency would have the option of providing and requesting
12:47:53 19 additional verification. At that second step of the
12:47:56 20 process, they can submit a document.

12:48:00 21 If they -- if we were still not able to match
12:48:03 22 at that the second step and the agency failed to submit a
12:48:05 23 document and they went to third step in the process, we
12:48:08 24 would require them to submit a copy of the document. And
12:48:10 25 that document would allow us to do a deeper records search.

12:48:14 1 And with that, I'll turn it over to Russ to
12:48:16 2 talk about what that processing is.

12:48:19 3 Q. I -- we could hold off on that for now. I have a
12:48:21 4 bunch of questions on additional verification, so we can --
12:48:24 5 we can defer on those for the moment, but thank you.

12:48:26 6 Could I ask you to take a look at USCIS SAVE
12:48:30 7 Bates Stamp 1. The rest of the documents I'll refer to --
12:48:37 8 the rest of the exhibits are all Bates-stamped by your
12:48:40 9 office. So I'll just refer to the Bates stamp number.

12:48:46 10 What is this document?

12:48:49 11 A. Per the item Bates Stamp marked USCIS SAVE 00001,
12:48:53 12 it is the Memorandum of Agreement Between USCIS and the
12:48:56 13 Office of the Arizona Secretary of State.

12:49:00 14 MR. SHERMAN: Can we mark this as
12:49:01 15 Exhibit 184, please.

12:49:01 16 (The document was marked as Exhibit 184
12:49:01 17 for identification.)

12:49:06 18 BY MR. SHERMAN:

12:49:06 19 Q. When was this MOA executed?

12:49:08 20 A. The final signature of execution on this MOA took
12:49:09 21 place on October 31st, 2018.

12:49:12 22 Q. And this is still currently operative?

12:49:13 23 A. It is.

12:49:14 24 Q. And is this a voter registration MOA, also known
12:49:18 25 by the acronym VRMOA?

12:49:20 1 A. It is.

12:49:21 2 Q. Currently, does USCIS have an MOA with each of the
12:49:24 3 county recorders in Arizona or just with the Arizona
12:49:28 4 Secretary of State's Office?

12:49:28 5 A. Currently, there is a VRMOA with the Arizona
12:49:32 6 secretary of state. We do have RMOAs, which are
12:49:34 7 reimbursement MOAs, with five counties that are for billing
12:49:40 8 purposes.

12:49:41 9 Q. Is the Arizona Secretary of State's Office the
12:49:43 10 super user that grants access to the user agencies or are
12:49:47 11 county recorder's offices and users -- i.e. staff -- in
12:49:51 12 those offices?

12:49:52 13 A. My understanding is that it is the Arizona
12:49:55 14 secretary of state that is the super user that would enroll
12:49:59 15 sub-users.

12:50:00 16 Q. So there's -- there's not a designated super user
12:50:03 17 for each of the county recorder offices?

12:50:06 18 A. I would have to confirm records on that. I don't
12:50:07 19 have that information in front of me at this moment.

12:50:10 20 Q. If we could just take a look at -- look at another
12:50:14 21 exhibit, maybe this will clarify it. 755. Once you're
12:50:45 22 there, just let me know.

12:50:46 23 A. So you're looking at 755, which is an email
12:50:50 24 exchange between SAVE registration and Hilary Hiser?

12:50:53 25 Q. Correct. Yes.

12:50:54 1 MR. SHERMAN: Could we mark this as
12:50:55 2 Exhibit 185.

12:50:55 3 (The document was marked as Exhibit 185
12:50:59 4 for identification.)

12:50:59 5 BY MR. SHERMAN:

12:51:00 6 Q. If you can take a moment just to review this and
12:51:02 7 see if this clarifies whether county recorders have super
12:51:06 8 users within them.

12:51:11 9 A. This is a request from Ms. Hiser to be established
12:51:22 10 as a super user for the Pima County Recorder's Office.

12:51:26 11 Q. Okay. So you don't know if this was granted or
12:51:29 12 not; correct?

12:51:34 13 A. I believe the following page 756 indicates that
12:51:47 14 the request was not granted to participate separately in
12:51:51 15 the SAVE program and no agency super user.

12:51:55 16 Q. I think that email might precede, but it's fine.
12:51:58 17 If it's unclear, we can move on. I think that email
12:52:01 18 precedes the one at top.

12:52:03 19 But in any event, according to USCIS's
12:52:07 20 terminology, what are the "departments," quote/unquote, in
12:52:10 21 Arizona?

12:52:13 22 A. The department in Arizona would be the Arizona
12:52:16 23 secretary of state, I believe.

12:52:18 24 Q. And are the county recorder's offices also
12:52:22 25 departments?

12:52:27 1 A. I don't know the answer to that question in this
12:52:29 2 moment. I can confirm as needed.

12:52:32 3 Q. All right. What -- what are the "groups" in --
12:52:39 4 using USCIS's terminology?

12:52:43 5 A. Within the SAVE system, there are super users;
12:52:47 6 there are departments; there are agencies; and then there
12:52:50 7 are groups within the agencies which, my understanding,
12:52:53 8 represents the users within that agency.

12:52:56 9 Q. Okay. So the users are the sort of end of the
12:53:02 10 line -- the actual staff at the county recorder's offices
12:53:04 11 that are doing SAVE verif- -- inputting data in the SAVE
12:53:09 12 system; correct?

12:53:10 13 A. Correct.

12:53:11 14 Q. Okay. And then groups -- "groups" are groups of
12:53:14 15 those users?

12:53:20 16 A. Again, I don't have the definitions in front of me
12:53:22 17 at that moment, so I would like to confirm that.

12:53:25 18 Q. Okay. All right. We'll just skip this one.

12:53:36 19 Can the Arizona Secretary of State's Office
12:53:39 20 make verification requests itself through the SAVE system?

12:53:43 21 A. My understanding is that the Arizona secretary of
12:53:46 22 state does not make requests through the system itself. It
12:53:49 23 is the recorder's offices that do so.

12:53:52 24 Q. Okay. And do the -- Maricopa and Pima County, do
12:54:00 25 they have independent access to the SAVE system?

12:54:05 1 A. My understanding, again, is that the way this is
12:54:08 2 structured is that the access is through the secretary of
12:54:10 3 state system and that Maricopa and the other counties that
12:54:13 4 have a separate MOA, that that is a reimbursable MOA.

12:54:17 5 Q. Understood.

12:54:17 6 So all -- all counties are accessing SAVE
12:54:21 7 through the Arizona secretary of state's account; is that
12:54:25 8 correct?

12:54:25 9 A. That is my understanding, yes.

12:54:27 10 Q. Okay. If I could have you look at 1744. It
12:54:52 11 should be the last -- last document in the production.

12:54:54 12 A. Got it.

12:54:55 13 Q. Great.

12:54:56 14 What is this document?

12:54:58 15 A. These documents are data table charts labeled "Inq
12:55:04 16 9," relating to Subpoena Inquiry 9, and "Inq 10."

12:55:10 17 Q. And how were they produced?

12:55:13 18 A. These were produced based on information compiled
12:55:16 19 by the SAVE data team.

12:55:22 20 Q. And that was in response to the subpoena issued to
12:55:26 21 USCIS?

12:55:26 22 A. Correct.

12:55:28 23 MR. SHERMAN: So could we mark USCIS SAVE
12:55:32 24 Bates Stamp 1744 as Exhibit 186.

12:55:32 25 (The document was marked as Exhibit 186)

12:55:35 1 for identification.)

12:55:35 2 BY MR. SHERMAN:

12:55:39 3 Q. And could you also please look, Ms. Slattery, at

12:55:42 4 1743.

12:55:47 5 A. Yes.

12:55:48 6 Q. What is -- what is recorded in 1743? What is this

12:55:52 7 document?

12:55:53 8 A. This, again, is a data table labeled "Inq 10,"

12:55:58 9 referencing Item 10 of the subpoena list. It is a data

12:56:02 10 table that indicates the year and data information relating

12:56:07 11 to the Arizona office's use of SAVE.

12:56:12 12 MR. SHERMAN: Could we mark that as

12:56:12 13 Exhibit 187.

12:56:12 14 (The document was marked as Exhibit 187

12:56:14 15 for identification.)

12:56:14 16 BY MR. SHERMAN:

12:56:15 17 Q. So for both of these tables that we were just

12:56:19 18 looking at -- Maricopa County, Pima County, and Yavapai

12:56:24 19 County -- the recorder's offices for each of them have

12:56:27 20 separate entries, and then there is an entry for the office

12:56:30 21 of the secretary of state.

12:56:33 22 What -- what -- does this mean that the other

12:56:36 23 12 county recorders' offices' data is what's reflected in

12:56:40 24 those record entries for the office of the secretary of

12:56:43 25 state?

12:56:44 1 MR. MORGAN: Form.

12:56:51 2 BY MR. SHERMAN:

12:56:51 3 Q. I can ask -- I'll ask it a different way.

12:56:52 4 What's -- what is the activity reflected in
12:56:57 5 the record entries for Arizona Office of the Secretary of
12:57:01 6 State if the secretary of state doesn't have the authority
12:57:04 7 to perform verifications in SAVE?

12:57:08 8 A. My understanding is that there are smaller
12:57:10 9 counties in Arizona that are coming through the secretary
12:57:13 10 of state in order to conduct the verification, so then it
12:57:15 11 shows up under the secretary of state's user ID.

12:57:18 12 Q. Understood.

12:57:19 13 So Maricopa and Yavapai and Pima County
12:57:23 14 recorders' data, that's reflected in separate entries, and
12:57:26 15 then the other 12 entries -- the other 12 counties are
12:57:29 16 reflected in the Office of the Secretary of State lines;
12:57:32 17 correct?

12:57:32 18 A. I think -- yes. And that's due to the -- the
12:57:35 19 manner in which we are tracking the billing for purposes so
12:57:38 20 that the counties that are being billed separately and have
12:57:41 21 RMOAs are identified based on their user traffic versus the
12:57:45 22 secretary of state's MOA, which for billing purposes is
12:57:47 23 treated as a separate entity.

12:57:50 24 Q. Understood. If you could take a look -- going
12:57:52 25 back to the MOA, if you could look -- take a look at

12:57:57 1 page 2. Sorry in advance for making you flip back and

12:58:03 2 forth. I have lots of questions on the MOA --

12:58:03 3 A. Okay.

12:58:05 4 Q. -- the SAVE Program Guide.

12:58:08 5 Do you see on page 2 of the MOA where it says

12:58:11 6 the purpose of this MOA's granting SAVE access to the

12:58:15 7 Arizona secretary of state and the county recorders is for

12:58:18 8 citizenship verification, quote, "when applicants" -- I'm

12:58:27 9 subbing in -- "when applicants register to vote"?

12:58:29 10 A. Yes. It's in paragraph 1

12:58:31 11 Q. Right.

12:58:32 12 "When they register to vote," meaning the

12:58:34 13 applicants; correct?

12:58:34 14 A. Correct.

12:58:36 15 Q. Do you also see on page 4 of the MOA where it says

12:58:42 16 the purpose of this MOA is granting SAVE access to --

12:58:42 17 excuse me.

12:58:49 18 Do you see Subpart (g) where it says, "Use

12:58:54 19 any information provided by DHS-USCIS under this MOA solely

12:59:00 20 for the purpose of determining the eligibility of persons

12:59:03 21 applying for the benefit"?

12:59:04 22 Did I read that correctly?

12:59:04 23 A. You did.

12:59:07 24 Q. Is a currently registered Arizona voter applying

12:59:10 25 for any benefit?

12:59:13 1 A. I'm not sure I understand your question.

12:59:16 2 Q. If --

12:59:20 3 MR. WHITAKER: Objection. Arguably calls for
12:59:22 4 a legal conclusion.

12:59:23 5 BY MR. SHERMAN:

12:59:24 6 Q. Is a currently registered Arizona -- not -- excuse
12:59:24 7 me.

12:59:28 8 Is a currently registered Arizona voter, not
12:59:30 9 a voter registration applicant who's first applying to
12:59:35 10 register to vote -- is a currently registered Arizona voter
12:59:39 11 applying for a benefit?

12:59:42 12 MR. LANGHOFER: Same objection.

12:59:44 13 MR. BURKLEY: I'm going to object also
12:59:49 14 because I think maybe the definition of what a benefit is
12:59:51 15 is in play here. So I don't know if that's the same thing
12:59:58 16 that we're thinking about or that you're thinking about at
13:00:01 17 this point. So I would object. Calls for a legal
13:00:02 18 conclusion.

13:00:03 19 BY MR. SHERMAN:

13:00:03 20 Q. What is -- what is a benefit under this VRMOA?

13:00:07 21 MR. LANGHOFER: Same objection.

13:00:15 22 MS. SLATTERY: For purposes as defined in the
13:00:18 23 MOA, as outlined in the first paragraph under Section 3,
13:00:20 24 "Purpose," this would be the benefit that -- for which SAVE
13:00:24 25 is to be used is for confirming the status information of

13:00:28 1 individuals who are registering to vote.

13:00:32 2 BY MR. SHERMAN:

13:00:32 3 Q. Okay. So the benefit issued by the user agency

13:00:35 4 under Subpart (g) is voter registration; correct?

13:00:40 5 MR. LANGHOFER: Same objection.

13:00:43 6 MS. SLATTERY: That is the way the MOA is

13:00:48 7 drafted and as stated in the "Purpose" section.

13:00:51 8 BY MR. SHERMAN:

13:00:52 9 Q. Okay. Thank you.

13:00:52 10 And so if someone is already registered to

13:00:55 11 vote in Arizona, they're not applying for voter

13:01:00 12 registration; i.e., the benefit under this MOA; correct?

13:01:03 13 A. I would defer that question to the Arizona

13:01:08 14 secretary of state in terms of how they define registering

13:01:10 15 to vote.

13:01:11 16 For purposes of SAVE, we have authorized the

13:01:14 17 secretary of states in related counties to use SAVE for the

13:01:18 18 purpose of verifying individuals who are registering to

13:01:20 19 vote.

13:01:21 20 Q. Understood.

13:01:22 21 Are -- is USCIS the ultimate authority on

13:01:27 22 interpreting this MOA?

13:01:30 23 A. USCIS has entered into this MOA, and for purposes

13:01:34 24 of its use, it would be the authority on the MOA.

13:01:38 25 Q. Okay. So if there's a dispute between USCIS and

13:01:41 1 the Arizona Secretary of State's Office as to the meaning
13:01:45 2 of terms in this MOA, who decides -- who resolves that
13:01:49 3 dispute?

13:01:50 4 MR. LANGHOFER: Same objection.

13:01:51 5 MS. SLATTERY: USCIS would work with the
13:01:59 6 agency to ensure common understanding of the terminology
13:02:01 7 and would be, as the owner of the SAVE system, determining
13:02:05 8 whether the system is being used for its intended purpose
13:02:08 9 as defined in the MOA.

13:02:08 10 BY MR. SHERMAN:

13:02:10 11 Q. And if there's an ultimate disagreement, who would
13:02:12 12 be the final word on the meaning of the MOA?

13:02:16 13 MR. LANGHOFER: Same objection.

13:02:17 14 MS. SLATTERY: It's USCIS's system and use,
13:02:23 15 and we would make a determination of whether the terms of
13:02:26 16 the MOA are being followed or being violated.

13:02:29 17 BY MR. SHERMAN:

13:02:29 18 Q. Thank you.

13:02:30 19 Can we take a look at SAVE 655 -- USCIS SAVE
13:02:35 20 655.

13:02:50 21 And when you're there, what is this document?

13:03:31 22 A. Can you give us a minute? I don't have a printed
13:03:33 23 document.

13:03:33 24 Q. Yes. For sure. You could -- you could pull it up
13:03:35 25 on your laptop, too, in the Dropbox folder if you don't

13:03:39 1 have it printed out. Again, this is 655.

13:03:48 2 A. So the document marked with the Bates Number 655
13:03:52 3 is labeled as the "Reimbursement Memorandum of Agreement
13:03:55 4 Between the Department of Homeland Security, USCIS, and the
13:03:59 5 Pima County Recorder's Office."

13:04:00 6 Q. Thank you.

13:04:01 7 MR. SHERMAN: And if we could please mark
13:04:02 8 this as 188, Exhibit 188.

13:04:02 9 (The document was marked as Exhibit 188
13:04:02 10 for identification.)

13:04:02 11 BY MR. SHERMAN:

13:04:05 12 Q. So do you see under II(A) on the first page here
13:04:08 13 that it says, "The Arizona MOA governs the provision of
13:04:11 14 SAVE verification services to the User Agency for the
13:04:14 15 purpose of verifying citizenship and immigration status
13:04:17 16 information of non-citizen and naturalized or derived U.S.
13:04:22 17 citizen registrants (registrants) when they register to
13:04:25 18 vote (benefit)"?

13:04:31 19 A. I do.

13:04:32 20 Q. Thank you.

13:04:34 21 And these RMOAs have been signed with which
13:04:39 22 Arizona counties?

13:04:40 23 A. There are five counties. I believe they are
13:04:43 24 Maricopa, Pima, Yavapai -- I don't remember the last two.

13:04:56 25 Q. That's fine. We can -- we can move on.

13:04:58 1 If you could take a look at the SAVE Program
13:05:02 2 Guide as well. I'm looking specifically at page -- Bates
13:05:07 3 stamp page -- Bates Stamp 87.

13:05:18 4 First, when you're there, I'll ask you what
13:05:20 5 this is.

13:05:28 6 A. You said page 87 -- or Bates Stamp 87?

13:05:31 7 Q. Right.

13:05:31 8 Before you flip there, what is this document?

13:05:34 9 A. So the document marked as Bates Stamp

13:05:37 10 USCIS SAVE 79 is the SAVE Program Guide.

13:05:42 11 Q. Great.

13:05:43 12 MR. SHERMAN: Could we mark this as

13:05:44 13 Exhibit 189.

13:05:44 14 (Reporter clarification.)

13:05:44 15 (The document was marked as Exhibit 189

13:05:54 16 for identification.)

13:05:54 17 BY MR. SHERMAN:

13:05:56 18 Q. If you could flip to page 87 or -- excuse me --

13:05:58 19 Bates Stamp 87 here.

13:06:00 20 A. Yes.

13:06:00 21 Q. Do you see where it says -- this is under 3.4.1 --

13:06:09 22 "Users may run SAVE verification only on benefit

13:06:14 23 applicants"? Do you see that in paragraph --

13:06:17 24 A. Yes. It's paragraph 2, Section 3.4.1.

13:06:20 25 Q. In USCIS's view, is an existing registered voter a

13:06:24 1 benefit applicant, given what we've reviewed in the SAVE

13:06:29 2 Program Guide and the MOA and the RMOA?

13:06:32 3 MR. WHITAKER: Same objections.

13:06:38 4 MS. SLATTERY: Can you tell me what your

13:06:38 5 definition of "existing" is in this question?

13:06:42 6 BY MR. SHERMAN:

13:06:42 7 Q. A currently -- currently registered voter.

13:06:45 8 A. A currently registered voter would be past the

13:06:48 9 point of registering to vote, so it would appear to be

13:06:50 10 outside the terms of the MOA.

13:06:52 11 Q. Okay. Does the language we reviewed in the MOA,

13:07:00 12 the RMOA, and the SAVE Program Guide mean that once a

13:07:04 13 person is registered to vote, the user agency cannot use

13:07:07 14 the SAVE system as a tool to call into question and

13:07:11 15 investigate the citizenship of currently registered voters?

13:07:14 16 MR. WHITAKER: Same objection.

13:07:17 17 MS. SLATTERY: The activity as you outlined

13:07:23 18 in your question would be outside the terms of the MOA as

13:07:23 19 written.

13:07:24 20 BY MR. SHERMAN:

13:07:25 21 Q. Does the Arizona attorney general -- sorry.

13:07:29 22 Withdraw that question.

13:07:29 23 One other question on the SAVE Program Guide

13:07:33 24 before I move on.

13:07:41 25 Is the SAVE Program Guide incorporated by

13:07:44 1 reference into the MOA?

13:07:47 2 A. It is.

13:07:49 3 Q. Anything else incorporated by reference into the
13:07:53 4 MOA such that it's binding on the signatories?

13:07:57 5 MR. LANGHOFER: Same objection.

13:08:11 6 MR. BURKLEY: You want her to take time to go
13:08:13 7 through the entire MOA and --

13:08:16 8 MR. SHERMAN: Well --

13:08:17 9 MR. BURKLEY: -- look at references?

13:08:18 10 MR. SHERMAN: I'll ask some more specific
13:08:20 11 questions about that later. We can move on for now.

13:08:22 12 BY MR. SHERMAN:

13:08:23 13 Q. Does the Arizona Attorney General's Office have an
13:08:26 14 existing MOA with USCIS?

13:08:28 15 A. Not at this time.

13:08:30 16 Q. Does it need one, or can the Arizona Secretary of
13:08:34 17 State's Office give the AG access to the SAVE system?

13:08:34 18 MR. LANGHOFER: Same objection.

13:08:41 19 MS. SLATTERY: Agencies cannot independently
13:08:42 20 give agencies access to SAVE for purposes other than as
13:08:47 21 outlined in the MOA. If the Arizona attorney general
13:08:51 22 wished to use SAVE for a specific purpose, they would need
13:08:53 23 to approach SAVE to register as a user and provide the
13:08:57 24 legal authorities and purpose for the verification and sign
13:09:00 25 an MOA with the SAVE program.

13:09:03 1 BY MR. SHERMAN:

13:09:03 2 Q. So the existing MOA with the Arizona Secretary of
13:09:07 3 State's Office can't just be updated to include the Arizona
13:09:09 4 attorney general; it has to be a new MOA with the AG's
13:09:15 5 office; correct?

13:09:15 6 MR. LANGHOFER: Same objection.

13:09:17 7 MS. SLATTERY: If the Arizona secretary of
13:09:20 8 state approached USCIS to make a bilateral modification to
13:09:24 9 the MOA with the appropriate legal authorities, that is
13:09:27 10 allowable under the terms of the MOA, but the MOA, as it is
13:09:32 11 drafted, applies to the agency for which it was drafted.

13:09:34 12 BY MR. SHERMAN:

13:09:35 13 Q. Okay. Understood.

13:09:35 14 Has USCIS discussed extending access to the
13:09:40 15 Arizona Attorney General's Office?

13:09:42 16 A. There was an exchange of emails, and my
13:09:45 17 understanding is a conversation with regard to the
13:09:48 18 potential for extending use of SAVE to the -- to the
13:09:52 19 Arizona Attorney General's Office -- as outlined in my
13:09:55 20 previous response, the information conveyed was that there
13:09:58 21 would either have to be a bilateral modification of the
13:10:00 22 existing MOA or the Attorney General's Office would need to
13:10:04 23 pursue an independent MOA.

13:10:06 24 Q. When was this conversation?

13:10:11 25 A. I believe it was in 2018 or 20- -- I would have to

13:10:14 1 look at the email references.

13:10:17 2 Q. Was it after the challenged laws in this case were
13:10:21 3 enacted?

13:10:24 4 A. I don't know the answer to that question. We'd
13:10:27 5 have to look at the date.

13:10:28 6 Q. Do you know the outcome of those discussions?

13:10:32 7 A. Can you be more specific about what you mean as
13:10:35 8 "the outcome of those discussions"?

13:10:36 9 Are you asking me if the Attorney General's
13:10:39 10 Office has applied for an MOA?

13:10:40 11 Q. Yes.

13:10:41 12 A. To my knowledge, they have not.

13:10:46 13 Q. Can we take a look at USCIS SAVE 001524. Just let
13:11:05 14 me know when you're -- when you've found it.

13:11:07 15 You can also it pull up on your laptop if
13:11:09 16 that's easier. For some documents, I thought it would be
13:11:12 17 easier to have in front of you. That's why I suggested
13:11:15 18 printing them off. But if it's more efficient to pull them
13:11:18 19 up on your laptop, by all means.

13:11:25 20 And what is this document?

13:11:26 21 A. 1524 is an email. It is from Kori Lorick to
13:11:33 22 Walter Russell and others regarding the Arizona Office of
13:11:40 23 the Secretary of State SAVE agreement. The email is dated
13:11:43 24 June 28th, 2022.

13:11:46 25 MR. SHERMAN: Can we mark this as

13:11:46 1 Exhibit 190.

13:11:46 2 (The document was marked as Exhibit 190
13:11:48 3 for identification.)

13:11:48 4 BY MR. SHERMAN:

13:11:49 5 Q. If you want to take a moment just to review this
13:11:53 6 exchange, particularly Thursday, June 9th, 2022,
13:12:00 7 12:24 p.m., at the bottom of 1525.

13:12:14 8 What does that email from George Sauter
13:12:17 9 reflect?

13:12:18 10 A. The information reflects that the contact is with
13:12:23 11 the Arizona secretary of state and has asked for voter
13:12:28 12 registration. They seem to be asking if the Arizona
13:12:30 13 attorney general can access SAVE for the investigation of
13:12:33 14 voter registration eligibility per their stated law,
13:12:36 15 HB 2492. Will they need their own separate account or use
13:12:41 16 the secretary of state's account?

13:12:43 17 Q. Thank you.

13:12:43 18 So there were email exchanges and
13:12:45 19 conversations about Arizona attorney general access after
13:12:50 20 HB 2492 was enacted; correct?

13:12:53 21 A. That is what the email reflects.

13:12:55 22 Q. Okay. Could we take a look at USCIS SAVE 632.

13:13:18 23 And what is this document?

13:13:20 24 A. This document marked 632 is also an email. In
13:13:25 25 this case, it is from Jon Mills to "Klorick" at the

13:13:31 1 Secretary of State's Office and "Achan" at the Secretary of
13:13:34 2 State's Office. It is titled "SAVE Voter Registration
13:13:37 3 Agreement with Secretary of State's Office," dated
13:13:40 4 Wednesday, July 13, 2022.

13:13:43 5 Q. Great. Thank you.

13:13:43 6 And there's a second email in this chain
13:13:48 7 preceding it; correct?

13:13:52 8 A. Yes. It is -- it is an earlier email. It is
13:13:55 9 marked as 633. That email is dated July 12. It is from
13:14:01 10 Grenville Harrop to "Klorick" and "Achan" at the azsos.gov
13:14:08 11 email address. The subject is "SAVE Addendum Request."

13:14:11 12 MR. SHERMAN: Could we mark this as
13:14:12 13 Exhibit 191.

13:14:12 14 (The document was marked as Exhibit 191
13:14:13 15 for identification.)

13:14:13 16 BY MR. SHERMAN:

13:14:15 17 Q. So in the first -- in the Jonathan Mills email up
13:14:19 18 top, what was Jon Mills telling the Arizona Secretary of
13:14:29 19 State's Office regarding the AG's use of SAVE?

13:14:34 20 A. This email reflects that the information -- SAVE
13:14:44 21 use can only be conducted by the Arizona county recorders,
13:14:46 22 according to the MOA; that in the event that the Arizona
13:14:50 23 Attorney General's Office, which is not currently an
13:14:51 24 authorized user, wishes to use SAVE for an investigative
13:14:54 25 purpose, it is not authorized under the current MOA; and

13:14:58 1 that the attorney general would -- we would need to add a
13:15:04 2 bilateral modification as described previously, or that
13:15:08 3 there would need to be an independent MOA for the Arizona
13:15:12 4 Attorney General's Office. There is a recommendation at a
13:15:15 5 minimum that they be separated for purposes of billing and
13:15:17 6 to make tracking usage easier in the event the Arizona
13:15:24 7 Attorney General's Office wishes to pursue an MOA.

13:15:24 8 Q. And an investigative purpose is not one of the
13:15:26 9 authorized purposes under the current MOA with the Arizona
13:15:31 10 Secretary of State's Office; is that correct?

13:15:32 11 MR. LANGHOFER: Same objection.

13:15:33 12 MR. WHITAKER: Same objection.

13:15:36 13 MS. SLATTERY: That is not currently
13:15:37 14 reflected in the secretary of state's MOA. Correct.

13:15:40 15 BY MR. SHERMAN:

13:15:41 16 Q. So in the -- and then in the earlier --
13:15:45 17 sequentially earlier email, 633 -- I should say
13:15:49 18 chronologically earlier email -- this was sent by Grenville
13:15:56 19 Harrop; correct?

13:15:56 20 A. Correct.

13:15:57 21 Q. And this -- this email says there are -- does this
13:16:00 22 email say that there are no agencies anywhere in the
13:16:03 23 country with SAVE MOAs and access to SAVE for what can be
13:16:08 24 construed as, quote, "law enforcement purposes"?

13:16:13 25 A. That is what paragraph 1 of the email reflects,

13:16:15 1 yes.

13:16:16 2 Q. Is that accurate?

13:16:19 3 A. I think I'd like to make sure that we're being
13:16:30 4 clear about what we're describing as law enforcement
13:16:32 5 purposes and whether or not it includes security and
13:16:35 6 background checks because, again, there are circumstances
13:16:37 7 where we do have agencies that are conducting it for
13:16:40 8 background checks and security purposes.

13:16:44 9 Q. Do you want to take a look at paragraph 3 of this
13:16:47 10 email?

13:16:48 11 This says, "SAVE does have agreements for
13:16:50 12 background investigation agencies" --

13:16:52 13 A. Correct.

13:16:52 14 Q. -- "but based on the narrow context of granting an
13:16:55 15 individual a security clearance after verification of their
13:16:58 16 immigration status. The clearance would be granted either
13:17:01 17 for on-boarding for employment or to grant access to secure
13:17:04 18 information or facility."

13:17:06 19 Beyond those contexts, are there any other
13:17:10 20 user agencies out there that have a SAVE MOA for "law
13:17:14 21 enforcement purposes," quote/unquote?

13:17:15 22 A. I did not have an opportunity to review every MOA,
13:17:18 23 but to my knowledge, they are not --

13:17:20 24 Q. Understood.

13:17:21 25 A. -- being used for that purpose at this time.

13:17:24 1 Q. So if the Arizona Attorney General's Office was
13:17:28 2 granted access for the purposes outlined in the challenged
13:17:33 3 laws in this case, they would be the first agency in the
13:17:37 4 country to secure a SAVE MOA for a, quote, "law enforcement
13:17:40 5 purpose"?

13:17:46 6 A. As they have not either approached us or provided
13:17:48 7 legal authority for that purpose, if they were to be
13:17:52 8 granted an MOA, they would potentially be the first, yes.

13:17:57 9 Q. Why is it that to date no user agencies anywhere
13:18:01 10 in the country have been granted access to SAVE for, quote,
13:18:04 11 "law enforcement purposes"?

13:18:06 12 MR. WHITAKER: Objection. Calls for
13:18:08 13 speculation.

13:18:16 14 MR. SHERMAN: Agree to disagree, but we'll
13:18:19 15 let the witness answer.

13:18:29 16 MS. SLATTERY: Can you restate the question,
13:18:30 17 please?

13:18:31 18 BY MR. SHERMAN:

13:18:31 19 Q. Of course.

13:18:32 20 Why is it that to date no user agencies have
13:18:35 21 been granted access to SAVE for law enforcement purposes,
13:18:38 22 as used in this email?

13:18:41 23 MR. WHITAKER: Same objection.

13:18:43 24 MS. SLATTERY: I'm afraid I can't answer why
13:18:44 25 agencies would have not requested access to SAVE.

13:18:48 1 And again, I would need to review all of our
13:18:51 2 MOAs to confirm the question that you're asking with regard
13:18:53 3 to whether we have any agencies that are using it for law
13:18:56 4 enforcement purposes.

13:18:57 5 BY MR. SHERMAN:

13:18:58 6 Q. Have any agencies -- state or local agencies
13:19:02 7 approached USCIS to enter into an MOA and be granted SAVE
13:19:08 8 access for a law enforcement purpose before these recent
13:19:12 9 conversations with the Arizona Attorney General's Office?

13:19:16 10 MR. LANGHOFER: I think this is outside the
13:19:18 11 scope of the noticed deposition.

13:19:23 12 MS. SLATTERY: I do not have any information
13:19:24 13 to confirm or answer that question in front of me. And I
13:19:28 14 have only been with the program for 45 days, so I can state
13:19:31 15 conclusively that during my tenure, I have not received a
13:19:33 16 request. And I would need to conduct additional research
13:19:36 17 if that is something you'd like us to reply to.

13:19:39 18 BY MR. SHERMAN:

13:19:39 19 Q. Understood.

13:19:39 20 Does federal law authorize using SAVE for law
13:19:49 21 enforcement purposes?

13:19:51 22 MR. LANGHOFER: Calls for a legal conclusion.

13:19:56 23 MR. BURKLEY: We object. Calls for a legal
13:19:58 24 conclusion.

13:20:02 25 MR. SHERMAN: Are you instructing her not to

13:20:03 1 answer, or can she proceed?

13:20:10 2 MR. BURKLEY: Can you rephrase the question?

13:20:12 3 BY MR. SHERMAN:

13:20:12 4 Q. Are there any federal statutes that explicitly
13:20:15 5 authorize using the SAVE system for law enforcement
13:20:18 6 purposes?

13:20:20 7 MR. LANGHOFER: Same objection.

13:20:24 8 MR. BURKLEY: Answer as best you can.

13:20:27 9 MS. SLATTERY: I am not aware of one at this
13:20:28 10 time, no.

13:20:29 11 BY MR. SHERMAN:

13:20:31 12 Q. Okay. And what are the specific federal statutes
13:20:35 13 that authorize the use of the SAVE system for citizenship
13:20:40 14 verification purposes in the voter registration context?

13:20:44 15 MR. LANGHOFER: Same objection.

13:20:48 16 MS. SLATTERY: I would refer back to the
13:20:49 17 terms of the MOA which outline the specific legal
13:20:53 18 authorities under which the MOA is agreed to and that
13:20:56 19 support the use of the SAVE system in the voter
13:21:01 20 verification context. They're outlined on page 1 of the
13:21:03 21 MOA.

13:21:04 22 BY MR. SHERMAN:

13:21:11 23 Q. Document that -- the document that we were just
13:21:12 24 discussing, Exhibit 191, Bates Stamp 633, this email
13:21:17 25 reflects that the Arizona Attorney General's Office has

13:21:19 1 been referred to ICE's Law Enforcement Support Center; is
13:21:25 2 that correct?

13:21:25 3 A. Correct. The information provided was that
13:21:28 4 agencies who -- who seek immigration information for law
13:21:33 5 enforcement purposes can coordinate with ICE's LESC, the
13:21:36 6 Law Enforcement Support Center, for that purpose.

13:21:39 7 Q. And do you see the line in bold at the top of that
13:21:42 8 paragraph that reads, "Previous requests for SAVE access
13:21:45 9 from law enforcement agencies have been referred to the Law
13:21:50 10 Enforcement Support Center"? Do you see that?

13:21:52 11 A. I apologize. I shifted documents, so I'm trying
13:21:54 12 to --

13:21:54 13 Q. No worries. I'll give you a second to get back
13:21:54 14 there.

13:21:57 15 A. Yes, I do see the line in bold in the email.

13:21:59 16 Q. And so does that mean that previous applicants for
13:22:04 17 SAVE access for law enforcement purposes have all been
13:22:07 18 denied?

13:22:10 19 A. I would say that the statement in the email is the
13:22:15 20 statement that it is. I do not have information to suggest
13:22:18 21 that all requests have been routed this way. As I
13:22:21 22 indicated, though, I can say that I am not aware currently
13:22:24 23 of SAVE being used for law enforcement purposes or --

13:22:24 24 Q. I see.

13:22:29 25 A. -- or that we have an agency for that purpose.

13:22:34 1 Q. Okay. And is the Arizona Attorney General's
13:22:37 2 Office separately pursuing an MOA at this time with your
13:22:38 3 office?

13:22:39 4 A. I am not aware that they have requested one, no.

13:22:42 5 Q. Have you been having conversations with the
13:22:45 6 Arizona Attorney General's Office about this?

13:22:48 7 A. I have not, no.

13:22:50 8 Q. And when -- when I say "you," I mean USCIS.

13:22:54 9 A. Correct. And as the SAVE program chief, I would
13:22:57 10 be aware of conversations to that -- to that nature.

13:23:00 11 Q. Understood. I just wanted to confirm so the
13:23:02 12 record is clear.

13:23:03 13 A. Sure.

13:23:03 14 Q. Is the Arizona Secretary of State's Office
13:23:08 15 negotiating with your office on the AG's behalf?

13:23:13 16 A. I am not aware that they are at this time. I
13:23:16 17 think the last engagement we had on that was back in '22.

13:23:20 18 Q. Understood.

13:23:22 19 Has USCIS discussed revising the existing MOA
13:23:27 20 with their office -- with the Arizona Secretary of State's
13:23:30 21 Office since the challenged laws in this litigation were
13:23:32 22 enacted?

13:23:34 23 A. To my knowledge, the last engagement with the
13:23:36 24 Arizona Secretary of State's Office is what's represented
13:23:39 25 in the 22 emails and the related phone call where the

13:23:43 1 requirements about the use of the program by the Arizona --
13:23:47 2 the U.S. Attorney General and the secretary of state were
13:23:50 3 outlined regarding the current MOA and its use for voter
13:23:56 4 registration verification.

13:23:57 5 Q. Can I ask you to take a look at 632 again, the
13:24:01 6 previous email in that document.

13:24:06 7 A. Yes.

13:24:07 8 Q. Before -- the second to last sentence in Jon
13:24:11 9 Mills' email says, "We could also discuss, if necessary,
13:24:14 10 expansion of the existing SAVE MOA to include voter list
13:24:18 11 maintenance activities by Arizona County Recorders, as long
13:24:21 12 as those activities are consistent with law, rules,
13:24:24 13 regulations and DHS guidance."

13:24:26 14 Did I read that correctly?

13:24:28 15 A. Yes.

13:24:30 16 Q. What has been the outcome, if any -- have you --
13:24:35 17 excuse me. Let me withdraw that question.

13:24:37 18 Have you had those conversations about
13:24:39 19 modifying the SAVE MOA in the way described in this email?

13:24:43 20 A. To my knowledge, the exchange that is represented
13:24:45 21 in this email and the related conversation which reflected
13:24:51 22 the same contents as the email is the last engagement that
13:24:54 23 has been had on this subject.

13:24:56 24 Q. Understood.

13:24:57 25 Who would decide whether the proposed use of

13:25:05 1 the SAVE system is, quote, "consistent with laws, rules,
13:25:08 2 regulations and DHS guidance"?

13:25:10 3 A. Again, as part of the request to join the SAVE
13:25:14 4 system as a registered agency, the -- the requesting agency
13:25:18 5 would have to submit documentation of the legal authorities
13:25:20 6 that would be required -- that would allow them to conduct
13:25:24 7 the verifications and the proposed use of the system. That
13:25:27 8 would be reviewed within USCIS by the Office of Chief
13:25:32 9 Counsel as well as the SAVE personnel. And after that
13:25:35 10 review, we would make the determination whether the agency
13:25:39 11 could register for SAVE purposes. So USCIS, the components
13:25:44 12 of it collectively, would make that determination.

13:25:46 13 Q. Understood.

13:25:47 14 And if a proposed purpose, pursuant to a new
13:25:52 15 state law, is the subject of litigation such as this
13:25:55 16 litigation, does USCIS have a policy of holding off on a
13:26:00 17 new MOA or granting or expanding access to the SAVE system
13:26:04 18 until the resolution of that litigation?

13:26:08 19 A. I think anytime we would be approaching a
13:26:12 20 registration where there was a question of law that was
13:26:13 21 unsettled, we would take a look at what was happening at
13:26:18 22 the time. It would be a case-by-case determination.

13:26:22 23 Q. So USCIS has the discretion to hold off on
13:26:26 24 granting SAVE access until the litigation over the proposed
13:26:33 25 uses of the SAVE system has been resolved?

13:26:38 1 A. I think it's fair to say that, again, we would
13:26:40 2 look at a situation, then make a determination about
13:26:42 3 whether the authority to use the system was clear and
13:26:47 4 whether it supported use for the purpose requested.

13:26:51 5 Q. The MOA refers to compliance with -- well, strike
13:27:00 6 that. I'll get -- I'll get to that in a minute.

13:27:02 7 So going back to the MOA with the Arizona
13:27:06 8 Secretary of State's Office, what is the Verification
13:27:10 9 Information System, or VIS?

13:27:12 10 A. That is the system that SAVE uses in order to do
13:27:15 11 the data logic and matching for the information that's
13:27:18 12 input into the SAVE system.

13:27:20 13 MS. SLATTERY: And I can ask Mariah to add on
13:27:23 14 to that if I misstated -- or can correct anything.

13:27:25 15 MS. DOOLITTLE: You stated that correctly,
13:27:28 16 Shannon.

13:27:28 17 BY MR. SHERMAN:

13:27:29 18 Q. Is it the application program interface, or API,
13:27:32 19 that Arizona county recorders use?

13:27:36 20 MS. DOOLITTLE: In layman's terms, they go
13:27:38 21 through the browser. So somebody that has access would be
13:27:40 22 going through the browser to access SAVE versus our web
13:27:45 23 service agencies that have to build out to.

13:27:45 24 BY MR. SHERMAN:

13:27:49 25 Q. Understood.

13:27:49 1 Is VIS just the system itself that makes all
13:27:53 2 naturalized or derived citizenship status data available,
13:27:55 3 or it's just the API?

13:27:58 4 MS. DOOLITTLE: It's a -- I would call it a
13:28:02 5 suite of systems, SAVE, which is -- within part of VIS,
13:28:08 6 doesn't have that information, so we go out to do the data
13:28:12 7 calls. When an agency enters a case and what they're using
13:28:17 8 to enter, then it will go out to bring back that
13:28:21 9 information in a payload to give to the verification system
13:28:26 10 and then match it to a response that the agency would
13:28:31 11 receive on that applicant.

13:28:31 12 BY MR. SHERMAN:

13:28:31 13 Q. Thank you.

13:28:34 14 How do user agencies such as county
13:28:37 15 recorder's offices in Arizona query the SAVE system for a
13:28:40 16 benefit applicant's naturalized or derived citizenship?

13:28:43 17 And I'm referring here to page 2 of the MOA
13:28:46 18 if that's helpful.

13:28:46 19 A. Can you restate your question, please?

13:28:46 20 Q. Sure.

13:28:58 21 How do user agencies such as county
13:29:01 22 recorder's offices in Arizona query the SAVE system for a
13:29:03 23 benefit applicant's naturalized or derived citizenship?

13:29:07 24 A. So the state agency, as Mariah said, typically
13:29:11 25 would come into the verification system one of two ways.

13:29:12 1 There is the online system that USCIS maintains, which is
13:29:17 2 our browser system. In that case, the user would come in
13:29:20 3 directly onto the -- the website and enter the agency
13:29:24 4 information for the applicant after going through and
13:29:27 5 providing the user's password and user ID. That
13:29:32 6 information would then be entered into the system, and then
13:29:35 7 they would click "submit," and the data would move into the
13:29:38 8 SAVE system.

13:29:40 9 Q. And there's an additional verification process as
13:29:42 10 well; correct?

13:29:43 11 A. Correct. If -- so the first stage of the
13:29:47 12 verification process is automated. Once that data is
13:29:50 13 entered into SAVE, it goes through an automatic matching
13:29:53 14 process.

13:29:53 15 If, for some reason, we are unable to provide
13:29:55 16 a status match at first step, the automated level, or if
13:30:01 17 the agency determines that the response received at the
13:30:04 18 automated level is not answering their need for an
13:30:08 19 eligibility determination, then a case can be pushed for
13:30:10 20 additional verification.

13:30:12 21 Q. What are --

13:30:12 22 A. There are also -- there are also some instances
13:30:14 23 where SAVE will identify to the agency that the case needs
13:30:17 24 to go to additional verification because there may have
13:30:20 25 been information missing in the initial data submission.

13:30:23 1 Q. Thank you.

13:30:24 2 What information do user agencies have to
13:30:27 3 input for the SAVE system's initial verification?

13:30:30 4 A. They have to input a first name, a last name, a
13:30:34 5 date of birth, an immigration enumerator. At least one --
13:30:39 6 these are typically unique identifier numbers that are
13:30:42 7 associated with a USCIS-issued document, such as an alien
13:30:46 8 registration number, an A-number; an I-94 number, which is
13:30:51 9 the arrival/departure document; a receipt issued by USCIS;
13:30:56 10 or a related document.

13:30:58 11 Q. If we could take a look at USCIS SAVE 13.

13:31:13 12 When you're there, what is this document?

13:31:16 13 A. This document is titled "Fact Sheet, Information
13:31:20 14 for Voter Registration Agencies: Conducting Verifications
13:31:22 15 Through SAVE."

13:31:24 16 MR. SHERMAN: Can we mark this, please, as
13:31:25 17 Exhibit 192.

13:31:25 18 (The document was marked as Exhibit 192
13:31:27 19 for identification.)

13:31:27 20 BY MR. SHERMAN:

13:31:29 21 Q. And -- and the information you were just
13:31:31 22 describing about what needs to be input into SAVE to start
13:31:35 23 an initial verification, that's reflected at the bottom of
13:31:37 24 page 1 onto page 2; correct?

13:31:39 25 A. Correct.

13:31:40 1 Q. Can SAVE match applicants without a numeric
13:31:40 2 identifier?

13:31:49 3 A. No. SAVE is unable to do a verification with just
13:31:51 4 name and date of birth information.

13:31:53 5 Q. Could I have you also look at USCIS 663. You
13:32:09 6 might want to keep the MOA out, the SAVE Program Guide. At
13:32:10 7 this point, I would pull out the MOA. To make your life
13:32:11 8 easier, I would pull out the MOA, the SAVE Program Guide,
13:32:14 9 and 663. A lot of the other documents you could keep --
13:32:22 10 we've probably gone through already, and those are the main
13:32:24 11 ones I'll focus on, at least for this section. Thank you.

13:32:34 12 So what is 663, when you're there?

13:33:12 13 If it's easier to pull it up on Dropbox to,
13:33:16 14 you --

13:33:16 15 A. We're going to have to.

13:33:18 16 Q. Sorry about that.

13:33:19 17 A. No, it's all good.

13:33:22 18 Document 663 is a one-page document titled
13:33:23 19 "How to Initiate a Case." I'm sorry. Three pages,
13:33:27 20 three-page document.

13:33:27 21 Q. Great.

13:33:28 22 MR. SHERMAN: Could we mark this as
13:33:29 23 Exhibit 193.

13:33:29 24 (The document was marked as Exhibit 193
13:33:32 25 for identification.)

13:33:32 1 BY MR. SHERMAN:

13:33:33 2 Q. And the information you were just describing that
13:33:35 3 you need to enter into the SAVE system as a user agency is
13:33:38 4 reflected in Step 2; correct? First name, last name, date
13:33:41 5 of birth, and at least one enumerator; correct?

13:33:43 6 A. Correct.

13:33:43 7 Q. And what does it mean that SAVE is now, quote,
13:33:48 8 "enumerator-based rather than document-based," end quote?

13:33:52 9 A. So when we made some updates to SAVE in the 2017,
13:34:01 10 2016, 2018 time period, we moved away from having
13:34:04 11 individuals submit documents solely and started across the
13:34:10 12 agency using the enumerators of the documents.

13:34:13 13 So each document within DHS bears certain
13:34:17 14 identifying information. It can be an A-number; it can be
13:34:20 15 a particular type of document number; it could be a receipt
13:34:23 16 number. But what we have found is tracking the information
13:34:27 17 to the enumerator makes searching the records more
13:34:31 18 efficient. And so having the name and date of birth
13:34:34 19 information as well as the enumerator allows us to match
13:34:37 20 the information in the most effective way possible.

13:34:39 21 Q. So for the, quote, "current immigration document
13:34:42 22 number," end quote, what document numbers can be used to
13:34:45 23 initiate initial verification?

13:34:48 24 A. There's a whole variety of documents that can be
13:34:51 25 used. They are outlined in our SAVE user guide information

13:34:56 1 as well as information available on our commonly used
13:34:59 2 immigration documents pages.

13:35:01 3 The most common for U.S. citizens would be
13:35:04 4 the certificate of naturalization or the certificate of
13:35:06 5 citizenship.

13:35:09 6 Q. And only an America identifier issued by DHS or
13:35:13 7 INS before it can work; correct?

13:35:15 8 A. Correct. We would not be verifying information
13:35:17 9 such as a Social Security number or a U.S. passport number
13:35:21 10 issued by an outside agency.

13:35:26 11 Q. For purposes of identifying naturalized or derived
13:35:33 12 citizenship status, what are all the viable options the
13:35:36 13 user agency can input?

13:35:37 14 A. I'm sorry. Can you repeat your question?

13:35:39 15 Q. For sure.

13:35:40 16 For purposes of verifying naturalized or
13:35:43 17 derived citizenship status, what are all the viable options
13:35:46 18 the user agency can input?

13:35:49 19 A. The most common will obviously be the certificate
13:35:52 20 of naturalization, the certificate of citizenship.

13:35:54 21 I'll ask Russ to chime in at this stage,
13:35:57 22 because there are other documents that we can use in the
13:35:59 23 immigration history that we can track information with.
13:36:01 24 Russ.

13:36:04 25 MR. FILIGHERA: In some instances there could

13:36:10 1 be older documents, I want to say, besides the certificate
13:36:14 2 of naturalizat- -- certificate of naturalization,
13:36:17 3 certificate of citizenship. In the past, there was old
13:36:21 4 form numbers previous to -- I want to say there was a form
13:36:26 5 for identification cards for residents. There's also
13:36:31 6 another document about birth abroad -- I mean birth
13:36:34 7 within the -- abroad that -- for a U.S. citizen.

13:36:38 8 So on those form numbers, if I recollect, one
13:36:41 9 of them was a 179 identification card. The other form,
13:36:46 10 though, can only be used -- it's an older-age document --
13:36:50 11 if the person was not a born U.S. citizen, of course, and
13:36:55 12 they have to have a collaborating D- -- record in our DHS
13:37:01 13 databases, the databases we access.

13:37:02 14 So again, it's just the -- the document
13:37:04 15 itself might lead to identifying information: name, date
13:37:08 16 of birth, that numeric ID that could be found in a record.

13:37:11 17 BY MR. SHERMAN:

13:37:11 18 Q. Thank you.

13:37:12 19 Can a SAVE system query be performed with
13:37:15 20 just a single document number or numeric identifier?

13:37:19 21 A. At least one enumerator must be input into the
13:37:22 22 system; however, we do recommend to agencies that they
13:37:25 23 input as many enumerators as they have available because it
13:37:28 24 does assist with identifying the records.

13:37:30 25 Q. Can naturalized or derived citizenship be verified

13:37:33 1 through SAVE without any of the following: an A-number,
13:37:36 2 naturalization certificate number, or citizenship
13:37:38 3 certificate number?

13:37:39 4 Mr. Filighera, was that what you were
13:37:41 5 describing? Those were some of the alternatives you were
13:37:45 6 just listing?

13:37:45 7 MR. FILIGHERA: So we base manual
13:37:48 8 verification or additional verification on name, date of
13:37:49 9 birth, and numeric ID, that numeric identifier. In some
13:37:53 10 cases, when we request a document to be provided, that
13:37:57 11 document would also have to be something that -- you know,
13:37:59 12 that can be found in the DHS records. So over the history
13:38:03 13 of time, there's some older documents beyond the most
13:38:06 14 current certificates that you would see issued today.

13:38:09 15 BY MR. SHERMAN:

13:38:09 16 Q. And naturalization certificates contain both an
13:38:12 17 A-number and a naturalization certificate number; correct?

13:38:17 18 A. Current versions of them do. There are some, I
13:38:20 19 believe, older versions that may have one or the other but
13:38:22 20 not necessarily both.

13:38:24 21 Q. Understood.

13:38:26 22 And the user agency is able to plug in both
13:38:27 23 of those numbers into the SAVE system API to initiate
13:38:33 24 verification; correct?

13:38:34 25 A. The enumerators that are available can be entered

13:38:37 1 into the system, and the system will accept more than one.

13:38:40 2 Q. Does the likelihood of matching and verifying the
13:38:43 3 applicant increase if the user agency plugs in more than
13:38:47 4 one identifying number from a DHS document?

13:38:49 5 A. Yes. As I stated, the minimum practice is to
13:38:51 6 include one unique enumerator. We do recommend that as
13:38:56 7 many as the agency has available be entered for purposes of
13:39:00 8 making the automated verification as easily as possible and
13:39:02 9 also to assist with tracking records if we need to move to
13:39:04 10 a manual verification.

13:39:06 11 Q. And back on 663, which we marked as Exhibit 193,
13:39:12 12 close to the bottom of that document, it says, "This means
13:39:16 13 you may send as many enumerators as are available,
13:39:19 14 regardless of document type, which increases the chance of
13:39:22 15 receiving an affirmative response at initial verification";
13:39:26 16 is that correct?

13:39:26 17 A. Yes.

13:39:27 18 Q. And that's what we were just talking about?

13:39:30 19 A. Yes.

13:39:30 20 Q. And does that obviate the need or minimize the
13:39:37 21 need for additional documentation?

13:39:41 22 A. It can make it easier. Again, the more
13:39:43 23 enumerators we're able to have access to and can support
13:39:47 24 automated verification, it reduces the need to request a
13:39:50 25 document if we have to move to manual verification.

13:39:54 1 Q. The Yavapai County Recorder's Office has testified
13:39:58 2 in this case that it cannot query the naturalization
13:40:00 3 certificate number. Any reason why they say that?

13:40:06 4 MR. MORGAN: Foundation.

13:40:12 5 BY MR. SHERMAN:

13:40:12 6 Q. Assume for purposes of this question that I'm
13:40:14 7 repeating their transcript -- deposition transcript
13:40:18 8 accurately.

13:40:26 9 A. I would have to confirm on the naturalization
13:40:27 10 certificate.

13:40:30 11 MS. SLATTERY: Mariah, are you aware of a
13:40:30 12 reason that wouldn't be available?

13:40:32 13 MS. DOOLITTLE: If they had a number
13:40:35 14 available to them on it -- an older certificate that you
13:40:37 15 spoke to before that wouldn't have one, then they, of
13:40:42 16 course, can't enter something that has nothing on it. But
13:40:45 17 outside of that, they should be able to enter it.

13:40:50 18 BY MR. SHERMAN:

13:40:50 19 Q. There's -- the user interface they're looking at
13:40:52 20 in the Yavapai County Recorder's Office should have a field
13:40:55 21 to put in the naturalization certificate number; correct?

13:41:09 22 A. I would -- I would like to go back and confirm
13:41:12 23 with specificity that the naturalization certificate
13:41:15 24 number, which I believe can be entered but I will confirm,
13:41:19 25 is an available data field. I'm unable to see it on the

13:41:22 1 document at the moment.

13:41:23 2 Q. Okay. If you want to take a moment just to
13:41:26 3 confirm that if it will take just a minute to look.

13:41:30 4 MS. DOOLITTLE: [Indiscernible] of that can
13:41:30 5 be added.

13:41:30 6 THE COURT REPORTER: I'm sorry. Say that
13:41:30 7 again.

13:41:34 8 MS. DOOLITTLE: It's correct that
13:41:35 9 naturalization numbers and citizenship numbers can be added
13:41:40 10 within the SAVE system.

13:41:51 11 MR. MORGAN: Jon, if that's the answer, I
13:41:53 12 guess you could move on. But if it's not the answer and
13:41:55 13 Ms. Slattery's still looking, I propose we take a
13:41:58 14 five-minute break so some of us can maybe use the services.

13:42:03 15 MS. SLATTERY: No, I can just confirm that
13:42:04 16 the alien number and the naturalization citizenship number
13:42:06 17 are separate fields.

13:42:06 18 BY MR. SHERMAN:

13:42:08 19 Q. Okay. But both are available to the county
13:42:08 20 recorders?

13:42:12 21 A. We would need to check their account specifically
13:42:14 22 to determine that it was available, but it is a standard
13:42:16 23 field.

13:42:17 24 MR. SHERMAN: Okay. Ms. Slattery,
13:42:20 25 Ms. Doolittle, Mr. Filighera, is it okay if we keep going

13:42:24 1 for another 15, 20 before taking a break, or should we take
13:42:28 2 a break now?

13:42:35 3 MS. SLATTERY: We can keep going.

13:42:36 4 BY MR. SHERMAN:

13:42:37 5 Q. Okay. What are the possible results of the
13:42:39 6 initial verification for naturalized or derived
13:42:42 7 citizenship? What does the user see on screen?

13:42:48 8 And you can refer to 665, if helpful, in the
13:42:55 9 document we've been looking at I think on your laptop.

13:43:08 10 What does -- what does the user agency see if
13:43:10 11 naturalized or derived citizenship is confirmed?

13:43:20 12 A. They would see the confirmed response indicating
13:43:23 13 U.S. citizenship.

13:43:27 14 Q. Is that a light green box at the top of the screen
13:43:30 15 as shown in the top of 665?

13:43:39 16 A. Yes. This -- in the case of the document, this
13:43:47 17 does reflect a lawful permanent resident status, but that
13:43:52 18 is how the -- how a response would be returned.

13:43:53 19 And then underneath that, you'll see the
13:43:55 20 response details, including the case verification number
13:43:58 21 and the related information, along with the country code, a
13:44:02 22 class of admission code, and date information as
13:44:07 23 appropriate.

13:44:08 24 Q. And if additional verification is needed, what
13:44:10 25 does the user see on screen?

13:44:12 1 A. There would be a button at the bottom of the
13:44:16 2 screen which -- there's first a button -- a box at the top
13:44:23 3 of the screen with a yellow triangle that says, "Institute
13:44:25 4 Additional Verification."

13:44:26 5 At the bottom of the screen, there is a green
13:44:29 6 button that allows the user to click to institute that
13:44:31 7 additional verification.

13:44:33 8 Q. So the user agency gets a notice saying
13:44:37 9 additional -- additional verification is required and all
13:44:39 10 they need to do to initiate additional verification is
13:44:42 11 click that yellow button at the bottom of the screen --
13:44:46 12 excuse me -- green button at the bottom of the screen?

13:44:48 13 A. They can also add additional comments. You'll see
13:44:52 14 a "Special Comments" field where they can provide
13:44:55 15 information to USCIS regarding information they may be
13:44:58 16 seeking.

13:44:59 17 There are also "Additional Request
13:45:00 18 Information" where they may be looking for information
13:45:04 19 related to specific status information that they can also
13:45:08 20 click that would indicate to us additional information that
13:45:11 21 they may be seeking. And then they can upload a document
13:45:14 22 at this stage or a file, and then they could click
13:45:17 23 additional -- "Institute Additional Verification."

13:45:21 24 Q. So those are the steps that are required to
13:45:24 25 initiate additional verification; correct?

13:45:26 1 A. Those are the data fields that are available for
13:45:29 2 the agency to provide additional information, yes.

13:45:31 3 Q. They don't need to fill those out; those are just
13:45:34 4 helpful for manual review; correct?

13:45:38 5 A. They are helpful for manual review, and we would
13:45:45 6 encourage states to fill them out -- or agencies to fill
13:45:47 7 them out as much as possible.

13:45:49 8 Q. And then clicking the green button at the bottom,
13:45:51 9 that initiates additional verification regardless of
13:45:55 10 whether the comments and the other information have been
13:45:57 11 provided; correct?

13:46:01 12 MS. SLATTERY: Mariah, can you confirm that?
13:46:01 13 I believe it does.

13:46:02 14 MS. DOOLITTLE: I believe it does as well.
13:46:05 15 I'm more on the back end of the system than the front-end
13:46:09 16 portion.

13:46:11 17 Potentially, Russ might be able to verify,
13:46:13 18 but . . .

13:46:16 19 MR. FILIGHERA: Will you repeat that
13:46:18 20 question.

13:46:19 21 BY MR. SHERMAN:

13:46:20 22 Q. Does clicking -- yes.
13:46:21 23 Does clicking the green button marked
13:46:24 24 "Initiate Additional Verification" -- does that start the
13:46:28 25 additional verification process?

13:46:30 1 MR. FILIGHERA: I'm under the impression,
13:46:31 2 based on my recollection, that upon hitting that button, it
13:46:35 3 would then go on to additional verification and get placed
13:46:38 4 into our queue of cases to work.

13:46:43 5 BY MR. SHERMAN:

13:46:43 6 Q. Understood.

13:46:44 7 And IAV -- or initial additional
13:46:44 8 verification, or IAV, response upon initial verification,
13:46:54 9 that -- excuse me. Let me back up. I misstated one word.

13:46:56 10 An initiate additional verification, or IAV,
13:47:00 11 response, that isn't -- that doesn't necessarily mean that
13:47:04 12 the applicant is ineligible to receive the benefit;
13:47:07 13 correct?

13:47:07 14 A. Correct. In fact, we would say to agencies that
13:47:11 15 if they have any reason to question the result that was
13:47:14 16 received, that they should initiate additional verification
13:47:18 17 and that it, you know, again, should not be determined to
13:47:22 18 be an indication of eligibility if it does not provide the
13:47:25 19 information that the agency needs to do that eligibility
13:47:28 20 determination.

13:47:29 21 Q. If we could look back at page 4 of the MOA. These
13:47:35 22 are the user agency obligations.

13:47:46 23 Is the user agency bound to comply with the
13:47:48 24 MOA?

13:47:51 25 MR. MORGAN: Calls for a legal conclusion.

13:47:56 1 MS. SLATTERY: Yes. This is the contract
13:47:58 2 between the agency and USCIS, the terms of which we would
13:48:01 3 expect them to follow.
13:48:02 4 BY MR. SHERMAN:
13:48:02 5 Q. And SAVE system access is contingent upon
13:48:06 6 following the terms of the MOA; correct?
13:48:08 7 A. Correct.
13:48:09 8 Q. Is the user agency bound to comply with the SAVE
13:48:14 9 Program Guide?
13:48:14 10 A. Yes.
13:48:16 11 Q. The SAVE voter registration fact sheet?
13:48:20 12 A. That's a fact sheet for informational purposes.
13:48:22 13 It does reflect the requirements that are consistent with
13:48:26 14 the SAVE system as well as the user guide.
13:48:29 15 Q. How about the template notice letters to
13:48:32 16 applicants on correcting, updating, renewing, or obtaining
13:48:35 17 a record?
13:48:38 18 A. The expectation of an agency is that they would
13:48:40 19 provide information to a benefit applicant if they needed
13:48:43 20 to correct the record, yes.
13:48:45 21 Q. Are they bound by the terms in those fact sheets
13:48:50 22 on correcting, updating, renewing, or obtaining records?
13:48:54 23 MR. LANGHOFER: Same objection.
13:48:56 24 MS. SLATTERY: To which fact sheet are you
13:48:58 25 specifically referring? I'd like to look at the language.

13:49:00 1 BY MR. SHERMAN:

13:49:01 2 Q. For sure.

13:49:13 3 Oh, I know what this is. This is 11/12 at

13:49:17 4 the end of the MOA: "Information for Registrants:

13:49:22 5 Verification of Citizenship Status and How to Obtain Your

13:49:26 6 Document or Correct Your Record with USCIS."

13:49:28 7 This is part of Exhibit 184, the MOA. So

13:49:32 8 it's just appended to the end of the MOA.

13:49:45 9 A. This is an information worksheet for a benefit

13:49:47 10 applicant that explains how to obtain correction of

13:49:51 11 documents with USCIS. As part of the terms of the MOA, the

13:49:55 12 agency would be required to provide information to the

13:49:59 13 benefit applicant about how to go about correcting the

13:50:01 14 record.

13:50:02 15 Q. And would they provide this sheet?

13:50:06 16 A. This sheet is one of the options an agency would

13:50:08 17 have to provide information. This one is the one that is

13:50:11 18 attached to this MOA as part of this package.

13:50:14 19 There is additional information available at

13:50:17 20 uscis.gov. And we also have benefit applicant fact sheets

13:50:20 21 that are available within the SAVE system to user agencies.

13:50:23 22 So there are multiple resources that can provide

13:50:25 23 information about records correction updates.

13:50:29 24 Q. Is this effectively incorporated into the terms

13:50:32 25 and conditions of the MOA?

13:50:32 1 MR. LANGHOFER: Same objection.

13:50:46 2 MS. SLATTERY: It is provided as part of this
13:50:49 3 MOA and can be provided to benefit applicants.

13:50:52 4 BY MR. SHERMAN:

13:50:52 5 Q. Is the web-based tutorial that USCIS provides --
13:50:56 6 is that binding on the user agency?

13:50:59 7 A. The tutorial is training and guidance information
13:51:02 8 about how to use the system. It reflects information
13:51:04 9 that's outlined in the MOA regarding the terms and
13:51:07 10 conditions of use.

13:51:09 11 Q. Can I have you look at B(1)(d) on page 4 of the
13:51:18 12 MOA.

13:51:18 13 A. Yes.

13:51:19 14 Q. Do you see that it says, "User agency agrees
13:51:22 15 to:"?

13:51:23 16 Subpart (d) says, "Ensure all users
13:51:25 17 performing verification procedures comply with all
13:51:28 18 requirements contained in the SAVE Program Guide, SAVE
13:51:31 19 Voter Registration Fact Sheet, web-based tutorial, and this
13:51:34 20 MOA, and updates to these requirements"?

13:51:37 21 A. Yes.

13:51:37 22 Q. Does that mean the user agency is bound by all
13:51:40 23 sources?

13:51:41 24 A. Yes. And as updates are made to them, they would
13:51:44 25 be required to stay aware of those updates and incorporate

13:51:48 1 them into their user practices.

13:51:50 2 Q. Great. Thank you.

13:51:51 3 Below that, if I could direct your attention

13:51:53 4 to Subpart 1(f), which says, "Ensure all Users perform any

13:51:59 5 additional verification procedures the SAVE program

13:52:03 6 requires and/or the registrant requests after the User

13:52:07 7 Agency initiates a request for verification. For voter

13:52:11 8 registration verification, User Agency must institute

13:52:15 9 additional verification for any registrant that does not

13:52:18 10 verify as a naturalized or derived citizen on initial

13:52:21 11 verification, including in all cases where the User Agency

13:52:25 12 receives any SAVE response other than that of naturalized

13:52:29 13 or derived citizen."

13:52:30 14 This -- this paragraph obligates the user

13:52:35 15 agency to initiate additional verification procedures that

13:52:39 16 the SAVE program requires and/or the registrant requests

13:52:44 17 after initial verification fails to confirm naturalized or

13:52:48 18 derived citizenship; correct?

13:52:50 19 MR. LANGHOFER: Same objection.

13:52:53 20 MS. SLATTERY: That is what is stated in

13:52:55 21 subparagraph (f).

13:52:56 22 BY MR. SHERMAN:

13:52:56 23 Q. How would you characterize the obligation in

13:52:58 24 Subpart (f)?

13:53:00 25 A. Unless a user agency has an alternative means to

13:53:03 1 verify citizenship as outlined in the SAVE user guide, we
13:53:07 2 would expect agencies to complete the verification process
13:53:10 3 through all steps as necessary.

13:53:12 4 Q. This paragraph is binding on the Arizona Secretary
13:53:17 5 of State's Office and Arizona county recorders?

13:53:19 6 A. As a term of the --

13:53:21 7 MR. MORGAN: Calls for a legal conclusion.

13:53:23 8 THE COURT REPORTER: Can you repeat the
13:53:25 9 answer?

13:53:25 10 MS. SLATTERY: It is a term of the MOA that
13:53:27 11 is signed by that agency, yes.

13:53:30 12 BY MR. SHERMAN:

13:53:33 13 Q. Is -- is there some alternative process in Arizona
13:53:36 14 that exempts them from Subpart (f)?

13:53:40 15 MR. MORGAN: Calls for a legal conclusion.

13:53:43 16 MS. SLATTERY: I am not aware of an
13:53:45 17 alternative process and would defer to Arizona to be
13:53:48 18 responsive to their process.

13:53:53 19 MR. WHITAKER: Jon, if you could find a
13:53:55 20 moment for a break, that would be great.

13:53:57 21 MR. MORGAN: Same here.

13:53:58 22 MR. SHERMAN: For sure. Let me just ask one
13:54:02 23 follow-up question to this. Well, we were going to move on
13:54:07 24 to another document, so . . .

13:54:09 25 BY MR. SHERMAN:

13:54:09 1 Q. But I just want to -- I want to be just clear on
13:54:10 2 this point.

13:54:11 3 Has the Arizona Secretary of State's Office
13:54:13 4 ever sought an exemption from USCIS based on some
13:54:18 5 alternative process in Arizona law procedures?

13:54:25 6 A. I am not aware of one.

13:54:27 7 MR. SHERMAN: Okay. Thanks.

13:54:28 8 Why don't we take -- is a 15-minute break
13:54:32 9 appropriate at this point?

13:54:36 10 MR. LANGHOFER: I'm fine with that. Let's go
13:54:38 11 off the record. Let's talk about time after we're off the
13:54:40 12 record.

13:54:40 13 MR. SHERMAN: Okay. We can talk off the
13:54:40 14 record, yeah.

13:54:42 15 THE VIDEOGRAPHER: We're off the record.
13:54:43 16 Time on the video monitor is 1:54 p.m. This ends Volume 1,
13:54:48 17 Media 1.

13:54:51 18 (A recess ensued.)

14:13:17 19 THE VIDEOGRAPHER: We are on the record.
14:13:29 20 Time on the video monitor is 2:13 p.m. This begins media
14:13:34 21 number -- Volume Number 1, Media Number 2.

14:13:43 22 MR. SHERMAN: Mr. Morgan, did you want to
14:13:45 23 just state something --

14:13:46 24 MR. MORGAN: Sure. We have attempted to
14:13:50 25 reach Mr. Langhofer, counsel for the RNC, who is not

14:13:55 1 present. I placed a telephone call to Mr. Langhofer.
14:14:02 2 Something has unexpectedly required him to step away for a
14:14:05 3 moment. He did tell me that we should proceed without him,
14:14:08 4 so we're just putting that on the record. Thanks.

14:14:14 5 MR. SHERMAN: Thank you.

14:14:14 6 BY MR. SHERMAN:

14:14:18 7 Q. So I want to revisit the requirement for
14:14:23 8 additional verification. If we can turn to the SAVE
14:14:23 9 Program Guide.

14:14:31 10 And, Ms. Slattery -- actually, all the
14:14:32 11 witnesses, for a -- most of the questions for the next
14:14:35 12 handful -- many pages in my outline are about the MOA, the
14:14:37 13 SAVE Program Guide, and Bates Stamp Number 13 through 16.
14:14:44 14 So if you want to take a moment to pull those three
14:14:47 15 documents out, I think that might help speed things along.

14:14:53 16 The next question is on the SAVE Program
14:14:58 17 Guide at USCIS SAVE 87. Just let me know when you're
14:15:05 18 there.

14:15:15 19 A. I have it.

14:15:15 20 Q. Excellent. Thank you.

14:15:20 21 So you see the bottom paragraph -- I'll just
14:15:23 22 read it. This is at the bottom of 87.

14:15:25 23 "Users must perform any and all additional
14:15:27 24 verification procedures SAVE requires and/or the applicant
14:15:31 25 requests when SAVE returns a response of 'Institute

14:15:36 1 Additional Verification, 'Resubmit Doc' or otherwise
14:15:40 2 indicates that additional verification is required, or the
14:15:43 3 benefit applicant requests additional verification, the
14:15:46 4 user must continue the verification process to ensure that
14:15:49 5 SAVE can conduct the necessary research on behalf of the
14:15:53 6 benefit applicant. This is necessary because user agencies
14:15:56 7 may not rely on a SAVE response to deny an application for
14:16:00 8 benefits unless the agency has followed all SAVE
14:16:04 9 verification procedures. Following SAVE verification
14:16:08 10 procedures requires user agencies to respond to a request
14:16:11 11 for additional review when prompted by SAVE or requested by
14:16:14 12 the applicant by submitting any additional information or
14:16:18 13 documents and receiving SAVE's final response regarding the
14:16:22 14 applicant's immigration status or records. Otherwise, the
14:16:25 15 user agency may deny eligible persons benefits that they
14:16:30 16 are lawfully entitled to receive. Accordingly, SAVE
14:16:33 17 requires the agency to have instituted additional
14:16:36 18 verification and followed all verification steps before it
14:16:39 19 can deny a benefit based on the SAVE response."

14:16:43 20 Did I read that correctly?

14:16:44 21 A. All but the last sentence.

14:16:49 22 Q. I'll try one more time.

14:16:51 23 "Accordingly, SAVE requires the agency to
14:16:53 24 have instituted additional verification and followed all
14:16:56 25 verification steps before it can deny a benefit based on

14:17:01 1 the SAVE response."

14:17:01 2 The last sentence I'll return -- of this
14:17:03 3 paragraph I will return to in a moment. I won't leave that
14:17:06 4 out.

14:17:07 5 But did I read -- did I read everything there
14:17:10 6 just correctly?

14:17:12 7 A. Yes. The words you read are what is represented
14:17:16 8 in the program guide.

14:17:17 9 Q. Is this binding on SAVE user agencies?

14:17:21 10 A. As outlined in the MOA, it is one of the items we
14:17:29 11 require users to follow.

14:17:29 12 Q. So additional verifications are mandatory and not
14:17:36 13 discretionary for user agencies; correct?

14:17:38 14 A. Yes. Unless they have an alternative procedure,
14:17:41 15 as outlined in the last sentence of that paragraph.

14:17:43 16 Q. So turning to that last sentence at the top of 88
14:17:47 17 of the SAVE -- USCIS SAVE 88, top of the page, bottom final
14:17:54 18 sentence of that paragraph I was reading, "If an agency has
14:17:57 19 alternative processes upon which to base its decision to
14:18:00 20 grant or deny a benefit, additional verification in SAVE is
14:18:05 21 not required."

14:18:05 22 What does that mean in the context of Arizona
14:18:08 23 voter registration procedures?

14:18:11 24 A. I'm not sure I understand the question you're
14:18:13 25 asking me.

14:18:13 1 Q. What is the -- what is the alternative process in
14:18:21 2 Arizona voter registration procedures that -- well, let
14:18:24 3 me -- let me phrase it a different way.

14:18:26 4 What is a type of alternative process that
14:18:28 5 would exempt a user agency from the requirement to engage
14:18:35 6 in additional verification?

14:18:38 7 MR. MORGAN: Calls for a legal conclusion.

14:18:44 8 MS. SLATTERY: The specifics of the
14:18:47 9 alternative process would be within the realm of the agency
14:18:49 10 to answer. Certainly, there are documents that an agency
14:18:53 11 could look at, such as a certificate of naturalization.

14:18:56 12 For acquired citizens, there are some who
14:18:58 13 don't have a DHS document or who might have a DHS document
14:19:02 14 but who would also have a U.S. passport. So there are
14:19:04 15 alternative document verifications that an agency could do
14:19:07 16 with the documents in front of them should they choose to
14:19:10 17 do so.

14:19:11 18 BY MR. SHERMAN:

14:19:11 19 Q. Assuming that the applicant hasn't provided some
14:19:14 20 other form of valid documentary proof of citizenship to the
14:19:18 21 user agency and the user agency is really relying on the
14:19:22 22 SAVE system for verification of naturalized or derived
14:19:27 23 citizenship, there is no alternative; correct? There is no
14:19:31 24 alternative process; correct?

14:19:36 25 MR. WHITAKER: Form.

14:19:38 1 MR. LANGHOFER: Same objection.

14:19:39 2 MS. SLATTERY: I think in the question as you

14:19:41 3 have constructed it, because of the innate assumption,

14:19:42 4 there would not be. However, I would say in return, that a

14:19:47 5 state would have the opportunity and ability to request

14:19:50 6 information as needed. And they would also have the

14:19:53 7 opportunity and ability to do that when pursuing SAVE

14:19:56 8 additional verification in order to acquire documentation,

14:19:59 9 should it be necessary.

14:19:59 10 BY MR. SHERMAN:

14:20:00 11 Q. Has any user agency ever been exempted from the

14:20:03 12 requirement for additional verification?

14:20:08 13 A. Not to my knowledge.

14:20:10 14 Q. Has USCIS ever had a conversation or email

14:20:15 15 exchange, ever formalized an agreement to exempt a user

14:20:19 16 agency from additional verification?

14:20:23 17 A. I am not individually aware of one, but I

14:20:38 18 understand, based on historical information, we may have an

14:20:41 19 agency that is exempt. I don't have further details at

14:20:44 20 this time.

14:20:44 21 Q. But that isn't the Arizona Secretary of State's

14:20:48 22 Office or any Arizona county recorder's office, is it?

14:20:51 23 A. It is not.

14:20:52 24 Q. So just so the record is clear here, is additional

14:20:57 25 verification required of Arizona county recorders pursuant

14:21:00 1 to their -- the MOA with the Arizona Secretary of State's

14:21:05 2 Office?

14:21:05 3 A. Under the terms of the SAVE MOA, additional

14:21:07 4 verification is required if the agency does not get the

14:21:11 5 information it needs from the SAVE verification process and

14:21:14 6 if they are not instituting alternative procedures.

14:21:17 7 Q. Do you do any monitoring or compliance to check if
14:21:23 8 they have alternative procedures?

14:21:26 9 A. We do have monitoring and compliance capabilities.
14:21:28 10 I am not aware that we've spoken specifically to that
14:21:33 11 issue.

14:21:33 12 Q. How do you enforce this requirement to pursue
14:21:36 13 additional verification procedures?

14:21:38 14 A. Typically, we would look at the data available in
14:21:42 15 the agency's transactional history. And we have agency
14:21:45 16 relationship managers who are responsible for coordinating
14:21:48 17 with agencies to look at and ask questions about use if we
14:21:52 18 notice patterns that indicate terms of the MOA are not
14:21:56 19 being followed.

14:21:59 20 Q. What are the consequences for noncompliance with
14:22:01 21 terms of the MOA compliance?

14:22:04 22 A. Typically, there's an escalation process where we
14:22:06 23 would first look to engage with the agency and encourage
14:22:09 24 compliant behavior, including continuing training,
14:22:13 25 providing additional information.

14:22:14 1 We could escalate to meeting with
14:22:16 2 administrative officials of the agencies to talk about what
14:22:18 3 we're seeing as current issues. At the ultimate step of
14:22:23 4 escalation, we could remove an agency from SAVE use.

14:22:28 5 Q. Is there any documentation of compliance with the
14:22:31 6 additional verification requirement, or is it just data
14:22:33 7 stored in the -- metadata stored in the SAVE system?

14:22:37 8 A. I'm not sure I understand your question.

14:22:41 9 Q. How do you keep track of compliance with the
14:22:46 10 additional verification requirement?

14:22:48 11 A. We would look typically at the data.

14:22:49 12 Q. If we look back at page 87 -- Bates Stamp 87, just
14:23:00 13 the page before. Right above the paragraph I read before,
14:23:03 14 there's the sentence "Failure to follow this requirement
14:23:06 15 violates the MOA and may result in the individual user of
14:23:10 16 the entire agency losing access to SAVE."

14:23:13 17 I understand that's referring to a different
14:23:15 18 term of the MOA.

14:23:16 19 Does that also apply to noncompliance with
14:23:20 20 the additional verification requirement?

14:23:23 21 MR. MORGAN: Calls for a legal conclusion.

14:23:25 22 MS. SLATTERY: SAVE may terminate a user
14:23:31 23 agency for behavioral violations of the MOA. As I
14:23:33 24 indicated, it is an escalation process, and that would be a
14:23:37 25 course of last resort if we could not achieve compliant

14:23:40 1 behavior.

14:23:41 2 BY MR. SHERMAN:

14:23:41 3 Q. Can I direct your attention back to page 4 of the
14:23:44 4 MOA. This is again within the user agency obligations.

14:23:57 5 Do you see Subpart (g) on page 4?

14:24:02 6 A. Yes.

14:24:02 7 Q. This obligates the user agency to, quote, "Use any
14:24:05 8 information provided by DHS-USCIS under this MOA solely for
14:24:09 9 the purpose of determining the eligibility of persons
14:24:12 10 applying for the benefit issued by the user agency and
14:24:15 11 limit use of such information in accordance with this and
14:24:19 12 all other provisions of this MOA"; is that correct?

14:24:23 13 A. That is what the term states, yes.

14:24:25 14 Q. Am I right to read that language to mean that this
14:24:27 15 MOA binds user agencies to use SAVE just at the point of
14:24:32 16 processing a new voter registration application and not for
14:24:36 17 checking registered voters en masse?

14:24:40 18 MR. MORGAN: Calls for a legal conclusion.

14:24:41 19 MS. SLATTERY: As outlined in paragraph 1 on
14:24:47 20 page 2, the purpose of this MOA does authorize use of SAVE
14:24:53 21 for the purpose of verifying citizenship and immigration of
14:24:56 22 status information of noncitizens -- noncitizen and
14:24:59 23 naturalized or derived U.S. citizen registrants when they
14:25:03 24 registered to vote.

14:25:04 25 MR. MORGAN: Jon, so I don't have to keep

14:25:06 1 interrupting you, because I don't like to, can we stipulate
14:25:08 2 that with respect to any question where you ask the witness
14:25:12 3 to determine or state what the contract means or requires,
14:25:16 4 that I have a standing legal conclusion objection?

14:25:21 5 MR. SHERMAN: With respect to any question
14:25:25 6 regarding the meaning of the MOA --

14:25:27 7 MR. MORGAN: Yes.

14:25:28 8 MR. SHERMAN: -- I think we can stipulate to
14:25:30 9 that, yes.

14:25:31 10 MR. MORGAN: Great. Thank you.

14:25:32 11 BY MR. SHERMAN:

14:25:34 12 Q. Just more generally, Ms. Slattery, is conduct
14:25:37 13 out -- is user agency conduct outside the scope of the MOA
14:25:42 14 or for a purpose not authorized by the MOA -- is that
14:25:46 15 permissible or not under the MOA?

14:25:49 16 A. The terms of the MOA define the permissible use of
14:25:52 17 SAVE. So if -- if it is not defined in terms of the MOA,
14:25:55 18 it would be outside of the MOA.

14:25:57 19 Q. And if it's outside the scope of the MOA's
14:26:00 20 purposes, then it's a violation of the MOA, just to be
14:26:02 21 clear?

14:26:03 22 A. It's not a permissible use of SAVE.

14:26:07 23 Q. Consistent with the MOA's defined user agency
14:26:11 24 obligations, could the SAVE system be used just against
14:26:14 25 individuals that county recorders have reason to believe

14:26:18 1 lack U.S. citizenship?

14:26:23 2 MR. WHITAKER: Calls for a legal conclusion.

14:26:26 3 MS. SLATTERY: I'm sorry. I don't understand
14:26:26 4 the question.

14:26:26 5 BY MR. SHERMAN:

14:26:27 6 Q. Let's assume for argument sake -- and I'm not --

14:26:30 7 I'm not asking you to interpret any of the challenged state

14:26:34 8 laws in this case. We're just focused on the MOA.

14:26:36 9 Let's assume for argument sake that a state

14:26:38 10 law directs election officials to verify the citizenship

14:26:42 11 status of any registered voter anytime they suspect a

14:26:46 12 particular registered voter lacks U.S. citizenship. Is

14:26:50 13 acting on the basis of mere suspicion consistent with

14:26:54 14 USCIS's standard VRMOA that the Arizona Secretary of

14:27:00 15 State's Office signed?

14:27:00 16 MR. LANGHOFER: Calls for a legal conclusion.

14:27:04 17 MR. BURKLEY: I agree, but if you're

14:27:05 18 comfortable trying to answer with the knowledge you have,

14:27:08 19 go ahead.

14:27:10 20 MS. SLATTERY: As part of SAVE's MOA and as

14:27:14 21 through the intent and purpose of the program, SAVE should

14:27:15 22 not be used for any purpose other than as authorized,

14:27:18 23 including discrimination or any other type of use.

14:27:26 24 BY MR. SHERMAN:

14:27:30 25 Q. Let's -- let's take the focus off Arizona, which

14:27:33 1 just has the authorized use of using the SAVE system at the
14:27:40 2 point of voter registration.

14:27:42 3 You have other states that are using the SAVE
14:27:44 4 system for voter list maintenance purposes. Could one of
14:27:48 5 those states use the SAVE system for voter list
14:27:51 6 maintenance -- i.e., voter removal -- based on a reason to
14:27:57 7 believe that certain registered voters are not U.S.
14:28:01 8 citizens?

14:28:02 9 MR. LANGHOFER: Same objection and scope.

14:28:12 10 MS. SLATTERY: For voter list maintenance
14:28:13 11 purposes, the terms of use would be defined in the MOA and
14:28:17 12 would allow agencies to verify registered and enrolled
14:28:21 13 voters that are currently on the list.

14:28:25 14 BY MR. SHERMAN:

14:28:25 15 Q. Can those states act on mere suspicion of a lack
14:28:28 16 of citizenship?

14:28:30 17 MR. LANGHOFER: Same objections.

14:28:32 18 MS. SLATTERY: I don't -- I don't understand
14:28:34 19 what you mean by "mere suspicion." I don't know what would
14:28:37 20 prompt the state to take that action.

14:28:39 21 BY MR. SHERMAN:

14:28:41 22 Q. So we don't have this in front of us, but you have
14:28:45 23 separate MOAs for voter list maintenance; correct?

14:28:48 24 A. Correct.

14:28:49 25 Q. Under those voter list maintenance MOAs, what is

14:28:54 1 the defined scope of using the SAVE system?

14:29:01 2 A. I don't have that MOA in front of me at this time.

14:29:04 3 Q. Okay.

14:29:05 4 MR. BURKLEY: I'm going to -- I think we're
14:29:06 5 getting outside of the 30(b)(6) topics a bit, but I'll let
14:29:10 6 the witness answer.

14:29:10 7 MR. SHERMAN: I mean, it's related -- it's
14:29:15 8 related to HB 2243 in this case and whether or not
14:29:19 9 Arizona's permissions will be extended to cover HB 2243,
14:29:24 10 which is a voter list maintenance purpose.

14:29:24 11 BY MR. SHERMAN:

14:29:27 12 Q. But let me -- let me bring -- let me bring the
14:29:28 13 focus back. And I just want to ask this in a way that
14:29:31 14 hopefully clarifies it.

14:29:33 15 Could -- if -- if HB 2243 were implemented
14:29:37 16 and Arizona were to seek expansion of their existing MOA to
14:29:45 17 include the provisions in HB 2243, which has been
14:29:49 18 challenged in this case, would it be permissible,
14:29:53 19 consistent with that MOA's terms, to act on a mere reason
14:29:58 20 to believe and use the SAVE system to investigate the
14:30:02 21 citizenship of individual registered voters that they have
14:30:07 22 reason to believe are not U.S. citizens?

14:30:11 23 MR. MORGAN: Objection to form.

14:30:13 24 MR. BURKLEY: Objection to the extent it
14:30:14 25 calls for speculation.

14:30:14 1 MR. WHITAKER: And legal conclusion.

14:30:26 2 MR. MORGAN: Yeah, that too.

14:30:26 3 MS. SLATTERY: I have not studied the terms
14:30:28 4 of the law that you are referencing and would not be able
14:30:32 5 to answer that question in the manner it was posed.

14:30:37 6 BY MR. SHERMAN:

14:30:37 7 Q. Fair enough.

14:30:38 8 Can I direct your attention to Subpart (k) on
14:30:43 9 page 5 of the MOA.

14:30:49 10 This reads that the user agency, quote,
14:30:52 11 must -- must, quote, "Comply with federal laws prohibiting
14:30:56 12 discrimination against registrants and discriminatory use
14:30:59 13 of the SAVE Program based upon the national origin, color,
14:31:03 14 race, gender, religion, or disability of the registrant,
14:31:06 15 including but not limited to the National Voter
14:31:10 16 Registration Act, 52 U.S.C. 20501, as amended, the Help
14:31:14 17 America Vote Act, 52 U.S.C. 20901, as amended, the Voting
14:31:19 18 Rights Act, as amended, and the Civil Rights Act of 1960,
14:31:22 19 as amended."

14:31:24 20 Does USCIS do any independent evaluation as
14:31:30 21 to whether or not a proposed use of the SAVE system would
14:31:35 22 violate these federal laws, or are you waiting essentially
14:31:37 23 on federal courts to find a violation of these federal
14:31:41 24 laws?

14:31:42 25 A. I'm not sure I understand the question. We do do

14:31:47 1 an evaluation of the legal authorities under which system
14:31:51 2 use is requested both for the authority to view and request
14:31:58 3 immigration status as well as to use the SAVE system.

14:32:02 4 Q. Do you evaluate federal election-related statutes,
14:32:06 5 federal voting-related statutes?

14:32:11 6 A. In looking at the agency's authorities, that would
14:32:15 7 be one of the statutes that would be considered when it
14:32:17 8 comes to voter registration questions and registration.

14:32:17 9 (Reporter clarification.)

14:32:17 10 BY MR. SHERMAN:

14:32:29 11 Q. So if a user agency -- just to take an easy one,
14:32:32 12 the -- the National Voter Registration Act -- let's just --
14:32:35 13 for argument sake, it does -- it prohibits removing voters
14:32:41 14 90 days before -- within 90 days of a federal election. So
14:32:44 15 if a user agency came -- approached USCIS and said, "We
14:32:49 16 wanted to remove voters from the rolls every month,
14:32:53 17 including in the months leading up to a federal election,"
14:32:57 18 would your office identify that as a violation and exclude
14:33:02 19 that as a permissible use under the MOA?

14:33:06 20 MR. LANGHOFER: Form. Calls for legal
14:33:07 21 conclusion. Compound.

14:33:09 22 MS. SLATTERY: As outlined in the MOA, the
14:33:15 23 applicable provisions of the law would be incorporated into
14:33:18 24 the MOA by reference, so those provisions would be
14:33:23 25 considered in determining the agency's use.

14:33:23 1 BY MR. SHERMAN:

14:33:26 2 Q. Okay. So you're not just waiting on judicial
14:33:29 3 determinations finding a violation of federal law; you do
14:33:32 4 an independent evaluation of federal statutes, federal
14:33:36 5 civil rights and voting rights statutes; is that correct?

14:33:39 6 A. Again, as we look at an agency's eligibility to
14:33:43 7 use SAVE, we would look at all of the relevant legal
14:33:46 8 provisions under which the use is requested and the intent
14:33:49 9 and purpose of the request.

14:33:53 10 Q. Lastly, for the MOA, at least for now,
14:33:57 11 Subparts (l) and (m) under -- on page 5, these read --
14:34:06 12 well, I'll just ask you: What are the user agency's
14:34:08 13 obligations under these two provisions: (l) and (m)?

14:34:13 14 A. Under Subsection (l), the user agencies are
14:34:16 15 required to -- and I quote -- "provide all registrants who
14:34:20 16 do not verify as a citizen under the terms of the MOA with
14:34:25 17 adequate written notice that their citizenship could not be
14:34:28 18 verified and the information necessary to contact DHS-USCIS
14:34:34 19 (see attachment 1: Fact Sheet 'Information for
14:34:37 20 Registrants,' which is subject to revision and reposting on
14:34:40 21 the SAVE Website and Online Resources) so that individuals
14:34:43 22 may obtain a copy of their Naturalization Certificate or
14:34:46 23 Certificate of Citizenship, or correct their records in a
14:34:49 24 timely manner, if necessary."

14:34:54 25 Q. Does an Arizona documentary proof of citizenship

14:34:58 1 deficiency notice letter satisfy this requirement, or do

14:35:02 2 the counties have to send the SAVE fact sheet that USCIS

14:35:06 3 provides?

14:35:06 4 MR. LANGHOFER: Same objection.

14:35:16 5 MS. SLATTERY: The term of the MOA calls for

14:35:17 6 adequate written notice. Certainly, we would like to see

14:35:20 7 the SAVE information in USCIS records correction and

14:35:24 8 information explicitly included as part of that; however,

14:35:27 9 should an agency separately reference that, the information

14:35:31 10 is publicly available and could be -- both that fact sheet

14:35:34 11 or reference to the uscis.gov website with regard to record

14:35:40 12 correction information.

14:35:40 13 BY MR. SHERMAN:

14:35:40 14 Q. So an Arizona county recorder could satisfy this

14:35:44 15 requirement as long as they make reference to the document

14:35:47 16 on how to correct and update one's records even if that

14:35:52 17 particular document wasn't included?

14:35:57 18 MR. WHITAKER: Same objections.

14:36:06 19 MS. SLATTERY: The preference -- and strong

14:36:08 20 preference I think would be to include the fact sheet

14:36:11 21 information for registrants. The terms, as written, do

14:36:13 22 indicate that the information necessary to contact

14:36:17 23 DHS-USCIS be included in the notice letter.

14:36:17 24 BY MR. SHERMAN:

14:36:19 25 Q. But beyond a strong preference, would they be

14:36:22 1 violating the terms of the MOA if they didn't provide the
14:36:25 2 SAVE fact sheet on how to correct and update one's records?
14:36:29 3 MR. LANGHOFER: Same objection.
14:36:43 4 MS. SLATTERY: Sorry. I'm looking at the
14:36:52 5 language.
14:36:52 6 BY MR. SHERMAN:
14:36:53 7 Q. For sure. We could also bring in -- for the
14:36:55 8 purpose of this -- answering this question, you could take
14:36:57 9 a look at page 8 -- Bates stamp page 88 of the SAVE Program
14:37:05 10 Guide.
14:37:05 11 Under 3.4.3, "Due process," it reads, "All
14:37:09 12 applicants who are denied benefits based solely or in part
14:37:13 13 on the SAVE response must be provided with adequate written
14:37:16 14 notice and the information necessary to contact DHS so that
14:37:20 15 they may correct their records in a timely manner. SAVE
14:37:23 16 has Fact Sheets that user agencies should give to all of
14:37:26 17 their applicants who they deny a benefit based on SAVE's
14:37:30 18 response regarding their immigration status."
14:37:32 19 Earlier, you testified that the SAVE Program
14:37:35 20 Guide is incorporated by reference into the MOA and
14:37:38 21 therefore binding.
14:37:39 22 So I'll ask again: Are the SAVE fact sheets
14:37:44 23 on how to correct and update one's records binding on the
14:37:48 24 user agencies?
14:37:58 25 MR. LANGHOFER: Same objection.

14:37:58 1 MS. SLATTERY: In reviewing the language of
14:38:00 2 both documents, the fact sheets that agencies should give
14:38:03 3 to all of their applicants -- again, all of these fact
14:38:06 4 sheets are currently available in forms that can be
14:38:11 5 accessed by user agencies. And in addition, we also have
14:38:14 6 information available on the USCIS website. So the
14:38:18 7 information -- this information should be provided to users
14:38:22 8 so that they can -- I'm sorry -- to benefit applicants so
14:38:25 9 that they can update their records correction information.
14:38:25 10 BY MR. SHERMAN:
14:38:28 11 Q. And would it violate the terms of the MOA to fail
14:38:31 12 to do so?
14:38:33 13 MR. LANGHOFER: Same objection.
14:38:34 14 MS. SLATTERY: Are you asking about failure
14:38:35 15 to provide a specific document or failure to provide
14:38:38 16 information -- failure to provide information?
14:38:40 17 BY MR. SHERMAN:
14:38:43 18 Q. Failure to provide the information contained in
14:38:46 19 the document on how to correct and update one's records.
14:38:46 20 MR. LANGHOFER: Same objection.
14:38:53 21 MS. SLATTERY: Failure to provide access to
14:38:54 22 information regarding how to correct records would prove to
14:38:59 23 be outside the terms of the MOA. It would be a violation
14:39:01 24 of the MOA.
14:39:02 25 BY MR. SHERMAN:

14:39:02 1 Q. Okay. Thank you.

14:39:03 2 I'm going to shift for a couple minutes --

14:39:06 3 and maybe this will give you a break, Ms. Slattery. This

14:39:10 4 section is all on the data issues that SAVE has seen.

14:39:15 5 So what are some of the data integrity issues

14:39:17 6 that SAVE has encountered over the years that can lead to

14:39:20 7 failures to verify applicants as naturalized or derived

14:39:23 8 citizens?

14:39:27 9 A. Principally, data integrity issues stem largely

14:39:31 10 from the way data is entered into a system. Oftentimes we

14:39:37 11 find users transpose data; numbers and letters may be out

14:39:42 12 of sequence. There are a lot of typographical errors.

14:39:46 13 So with that information, we do allow -- we

14:39:50 14 do include steps in the process whereby an agency can and

14:39:54 15 is actually prompted to review the information to ensure

14:39:57 16 that it is being entered into the system accurately.

14:40:00 17 We also provide guidance information,

14:40:03 18 recommending strongly to agencies that they enter

14:40:05 19 information exactly as it appears on immigration document

14:40:09 20 information. And again, that's because that allows us to

14:40:10 21 make the most accurate records match within DHS systems.

14:40:15 22 Q. USCIS records are not fully electronic yet; right?

14:40:19 23 A. No. We are in process of moving towards

14:40:23 24 electronic records. We do have a significant number of our

14:40:26 25 records that have already been moved to electronic data

14:40:28 1 systems.

14:40:30 2 Q. And so there is still -- at this time, there is

14:40:33 3 still human error in input of DHS records; correct?

14:40:40 4 A. Can you restate your question?

14:40:41 5 Are you asking me: Are we data entering by

14:40:43 6 hand USCIS historic records?

14:40:46 7 Q. Any USCIS records.

14:40:49 8 A. So there is always a potential for data entry to

14:40:52 9 be a factor when you're dealing with transposition of data

14:40:55 10 from hard copy to systems.

14:40:58 11 Q. Okay. So is the answer that there -- yes, that

14:41:01 12 there is some human error when it comes to inputting --

14:41:05 13 A. There can be.

14:41:06 14 Q. Okay. Any computer errors?

14:41:12 15 MS. SLATTERY: Mariah, do you want to talk

14:41:12 16 about computer matching?

14:41:19 17 THE COURT REPORTER: You're muted.

14:41:22 18 MS. DOOLITTLE: We're only as good as our

14:41:24 19 records. So if somebody sends us an immigration record, we

14:41:30 20 will try to match that with the records that we have

14:41:33 21 available to us. If we cannot make a match based on what

14:41:38 22 they've sent, which, to what Shannon alluded to, could be a

14:41:43 23 typo on their side, transposed numbers, not putting in

14:41:48 24 enumerators, that's where we then can fall back onto our

14:41:50 25 manual verification of the records that we have on hand.

14:41:54 1 At that point, there is a number of systems that could be
14:41:58 2 searched, depending on that person's initial record or what
14:42:03 3 we have at USCIS for them.

14:42:06 4 BY MR. SHERMAN:

14:42:06 5 Q. Could you speak to some of the data errors you see
14:42:09 6 with respect to name discrepancies?

14:42:13 7 MS. DOOLITTLE: Sure. So some of the data
14:42:16 8 errors for name discrepancies could be that the name is too
14:42:19 9 long; the string of characters could be too long for the
14:42:24 10 system. Because of that, with older system records, it
14:42:28 11 could have been truncated, or if there was a hyphenated
14:42:31 12 name, that would have caused issues in the past.

14:42:34 13 We are now modernizing. And as Shannon
14:42:37 14 stated, we are trying to bring all of our records either
14:42:40 15 digitized or electronically captured to try to stop some of
14:42:46 16 those related issues to our records.

14:42:46 17 BY MR. SHERMAN:

14:42:49 18 Q. Are there issues with similar -- similar names
14:42:53 19 leading to a false match?

14:42:56 20 MS. DOOLITTLE: There could be related to
14:43:01 21 that false match. However, that would be low based on last
14:43:04 22 name, first name -- middle initial could be added, their
14:43:09 23 date of birth, and the enumerators that are there for them.
14:43:13 24 It could happen, but it does not -- there's not a high rate
14:43:18 25 of that happening, I should say.

14:43:20 1 BY MR. SHERMAN:

14:43:21 2 Q. What about first and last name transpositions?

14:43:25 3 MS. DOOLITTLE: Our algorithms actually
14:43:27 4 account for that. So we have what we call fuzzy matching.
14:43:31 5 So if somebody puts a last name in the place of the first
14:43:33 6 name, a first name in place of the last name, and also of a
14:43:37 7 date of birth as well, we have the ability to go out and
14:43:41 8 search those records in a myriad of combinations based on
14:43:46 9 what's entered.

14:43:47 10 If it goes above a certain threshold, we will
14:43:50 11 bring that information back. And again, if it can't
14:43:53 12 because there's conflicting info, it would then go for that
14:43:57 13 manual review where people would go out to search the
14:44:00 14 systems to try to match, or we will contact the agency to
14:44:03 15 ask them to give us more information on their applicant.

14:44:03 16 BY MR. SHERMAN:

14:44:08 17 Q. What about compound, unhyphenated last names?

14:44:15 18 MS. DOOLITTLE: That is very dependent on our
14:44:16 19 source systems. As Shannon stated before, SAVE is not a
14:44:21 20 data repository, and so if their systems -- that I can't
14:44:23 21 attest to -- have issues with that, that could cause
14:44:26 22 issues.

14:44:28 23 BY MR. SHERMAN:

14:44:28 24 Q. What about name changes subsequent to when
14:44:33 25 immigration or citizenship documentation was issued; so for

14:44:37 1 instance, marriage and a change of a maiden name subsequent

14:44:40 2 to naturalization?

14:44:40 3 A. In the event --

14:44:45 4 MS. SLATTERY: I'm sorry. Go ahead, Mariah.

14:44:46 5 MS. DOOLITTLE: No, you can go. I think

14:44:47 6 we're probably going to say the same thing.

14:44:49 7 MS. SLATTERY: In the event there's a name

14:44:51 8 change that hasn't been reported to USCIS, we would not

14:44:53 9 have a record of the name change.

14:44:56 10 MS. DOOLITTLE: Exactly. And it could be the

14:44:59 11 external agency that would have to ask that person to

14:45:01 12 update their records.

14:45:04 13 BY MR. SHERMAN:

14:45:04 14 Q. I would imagine the situation is fairly common.

14:45:08 15 Has that been your experience?

14:45:11 16 MR. WHITAKER: Objection. Leading.

14:45:15 17 BY MR. SHERMAN:

14:45:15 18 Q. How common is this experience?

14:45:19 19 A. Certainly when you deal with, you know, nearly a

14:45:21 20 million naturalizations every year, there's an opportunity

14:45:24 21 for changes to occur between the time a person is

14:45:27 22 naturalized and the next opportunity they have to encounter

14:45:31 23 USCIS. I don't have a percentage of frequency, but I can

14:45:35 24 tell you we are communicating to benefit applicants

14:45:39 25 regularly that when changes occur, they should update their

14:45:42 1 information with us.

14:45:44 2 Q. Are there any particular vulnerabilities for data
14:45:47 3 integrity that pop up on the SAVE system's end?

14:45:53 4 A. I'm sorry. Can you give me an example of what
14:45:55 5 you're asking about?

14:45:56 6 Q. I'm not -- I'm not sure of all the possibilities
14:46:00 7 that you might confront. A number of -- a number of the
14:46:03 8 data integrity issues we've been discussing have been on
14:46:07 9 DHS agency ends, human error and input. Are there any
14:46:11 10 other vulnerabilities for data integrity that we haven't
14:46:17 11 discussed?

14:46:19 12 MS. SLATTERY: Mariah?

14:46:21 13 MS. DOOLITTLE: Let me think on that one for
14:46:23 14 a while. I'm unsure if there is if we haven't gone over
14:46:27 15 them because we're only as good as our records. So for the
14:46:29 16 SAVE program, we have to match on what gets sent to us for
14:46:34 17 that agency. So I think we've covered all of them. If I
14:46:40 18 think of one, though, I will . . .

14:46:43 19 BY MR. SHERMAN:

14:46:44 20 Q. Okay. Have you experienced any temporary glitches
14:46:46 21 that resulted in feeding inaccurate data for a short -- you
14:46:53 22 know, any amount of time?

14:46:56 23 MS. DOOLITTLE: Yes. There's been times
14:46:58 24 where somebody's class of admission has changed due to a
14:47:02 25 pending application or a group -- a population gets

14:47:08 1 temporary protective status. And so if SAVE doesn't have
14:47:12 2 access to those records or those changes in a timely manner
14:47:16 3 when that person filed with an agency, that could result in
14:47:21 4 a mismatch of information.

14:47:22 5 And at that point, that is when the agency
14:47:26 6 that submitted the case is to work with that benefit
14:47:29 7 applicant to ensure that their information is correct with
14:47:33 8 USCIS and that they've submitted their most recent
14:47:36 9 immigration documents and given us all relevant
14:47:39 10 information.

14:47:40 11 BY MR. SHERMAN:

14:47:41 12 Q. What are some data integrity issues that you have
14:47:43 13 observed on the user agency's end?

14:47:51 14 MS. DOOLITTLE: Again, we're only as good as
14:47:53 15 what is entered into the system. So if any agencies happen
14:47:57 16 to enter in any information that doesn't apply directly to
14:48:05 17 that applicant, that could definitely cause issues with
14:48:09 18 getting the proper response back for that person.

14:48:13 19 BY MR. SHERMAN:

14:48:13 20 Q. Any systematic computer errors that you've
14:48:16 21 observed on user agencies' end?

14:48:21 22 MS. DOOLITTLE: If there are errors that
14:48:23 23 occur, we work with the agency; we test with the agency to
14:48:26 24 ensure that -- that they're able to use our system. If we
14:48:32 25 do have anything such as outages, we do let our systems

14:48:36 1 know, but our systems are queueing systems, so cases could
14:48:39 2 still go in without being impacted. It would just not be
14:48:43 3 the three seconds to get that automated response back for
14:48:47 4 that person.

14:48:49 5 BY MR. SHERMAN:

14:48:50 6 Q. Any other data integrity issues that we haven't
14:48:53 7 discussed?

14:49:00 8 A. I can't think of any at this time.

14:49:02 9 Q. Okay. So I want to shift back to USCIS's
14:49:05 10 additional or -- or alternative verification procedures
14:49:08 11 that we've been discussing periodically and just drill down
14:49:11 12 into this.

14:49:13 13 So USCIS does have this additional
14:49:16 14 verification process if SAVE cannot verify the voter
14:49:20 15 registration applicant as a naturalized or derived citizen
14:49:23 16 upon the initial query; is that right?

14:49:27 17 A. That is correct. If the automated first response
14:49:30 18 returns anything unexpected or is unable to return a
14:49:33 19 response, it would shift to a manual verification process.

14:49:36 20 Q. Got it.

14:49:36 21 So that -- that's the same additional
14:49:39 22 verification process if there's no match whatsoever; right?

14:49:45 23 A. Correct.

14:49:46 24 Q. Is it more appropriate to call this "additional
14:49:49 25 verification" or "alternative verification"?

14:49:53 1 A. The term we use to describe this is "institute
14:49:56 2 additional verification."

14:49:58 3 Q. How is additional verification triggered?

14:50:03 4 A. Again, as we covered earlier, it can be done where
14:50:06 5 SAVE sends a response to the user agency asking them to
14:50:10 6 institute additional verification. Similarly, if an agency
14:50:14 7 receives a response that is unexpected or doesn't comport
14:50:17 8 with the information they believe to be accurate, they can
14:50:21 9 request additional verification through the system.

14:50:25 10 MS. DOOLITTLE: I would add to that if the
14:50:29 11 applicant is denaturalized, deceased, or deported or has a
14:50:32 12 removal order that we are able to potentially access on
14:50:38 13 them at that time of the -- and just for when that case is
14:50:42 14 created, that could then trigger institute additional
14:50:45 15 verification.

14:50:49 16 BY MR. SHERMAN:

14:50:49 17 Q. So that's -- if you've verified someone is a
14:50:52 18 citizen, you may still have to put them into an additional
14:50:58 19 verification process in those circumstances?

14:51:00 20 MS. DOOLITTLE: Not verify them as a citizen.
14:51:03 21 Just an applicant's information moving through, if it came
14:51:07 22 back that they were deceased, institute additional
14:51:11 23 verification would happen or denaturalized or deported.

14:51:11 24 BY MR. SHERMAN:

14:51:11 25 Q. Understood.

14:51:17 1 And would you also initiate additional
14:51:20 2 verification if there was a resubmit response -- a resubmit
14:51:23 3 doc response?

14:51:26 4 MS. SLATTERY: Russ, do you want to talk
14:51:27 5 about when resubmit docs comes into play and what that
14:51:28 6 looks like?

14:51:31 7 MR. FILIGHERA: Yeah. So additional
14:51:33 8 verification comes in two forms; it could be with
14:51:37 9 documentation or without. So we call additional
14:51:40 10 verification without documentation almost like a
14:51:43 11 second-step process where when it comes into the system,
14:51:46 12 we'll have the same data the agency entered originally on
14:51:50 13 the applicant. In some instances, they may actually add
14:51:53 14 additional comments, such as maybe they'll add another
14:51:57 15 identifying number, or if they caught something, they can
14:51:59 16 add a comment that.

14:52:01 17 That information is taken. We go into core
14:52:04 18 database systems similar to what you heard today, some of
14:52:07 19 them direct access, some through a query into a system that
14:52:13 20 queries multiple at the same time. If we're able to match
14:52:15 21 name, date of birth, numeric ID, they could receive at that
14:52:21 22 second step, without the documentation, a United States
14:52:23 23 citizenship response, USC response.

14:52:26 24 If by some chance that information we cannot
14:52:29 25 match or in an instance where somebody indicates the

14:52:33 1 document certificate and we're not finding that information
14:52:37 2 to match, we will go back with a response that -- as you
14:52:40 3 just indicated in your question, of resubmit with
14:52:43 4 documentation, which is a way to notify the agency through
14:52:47 5 the SAVE program that we are requesting a document. And at
14:52:50 6 that point, that goes onto the additional third step with
14:52:52 7 the document for matching from there.

14:52:55 8 BY MR. SHERMAN:

14:52:55 9 Q. Thank you.

14:52:57 10 And you would also initiate additional
14:53:01 11 verification if the applicant is concerned about the
14:53:03 12 response and requests additional verification; is that
14:53:10 13 right?

14:53:10 14 MR. FILIGHERA: I'm sorry. Shannon, do you
14:53:13 15 want me to take this?

14:53:13 16 MS. SLATTERY: Actually, I was going to ask
14:53:14 17 to repeat the question. I missed the last half of it.

14:53:16 18 BY MR. SHERMAN:

14:53:17 19 Q. Would you also initiate additional verification if
14:53:19 20 the applicant is concerned about the response and requests
14:53:22 21 additional verification?

14:53:23 22 A. Yes. An applicant can ask the agency to institute
14:53:27 23 additional verification if the response is unexpected or if
14:53:29 24 there's another reason they would want additional
14:53:31 25 verification.

14:53:32 1 Q. Okay. In the document Bates-stamped 13 -- it's
14:53:39 2 actually on the second page, which is Bates-stamped 14.
14:53:51 3 The first full paragraph after that quote from the MOA
14:53:55 4 says, "To comply with the VRMOA, a user agency cannot
14:54:01 5 terminate the SAVE verification process after initial
14:54:04 6 verification when an individual does not verify as a U.S.
14:54:06 7 citizen."
14:54:09 8 And later on it says, "It is not appropriate
14:54:13 9 to conduct" -- this is -- two paragraphs below that, it
14:54:18 10 says, "It is not appropriate for a user agency to conduct
14:54:21 11 verifications if it does not intend to complete the
14:54:24 12 verification process."
14:54:26 13 Why does this document say that?
14:54:41 14 Sorry. You're muted.
14:54:44 15 A. Sorry. Our expectations for SAVE users is that
14:54:47 16 when they use the SAVE system, that they will follow the
14:54:49 17 additional verification processes when necessary or when
14:54:52 18 information is returned that is unexpected.
14:54:56 19 Q. And it's a requirement of the MOA to initiate
14:55:01 20 additional verification in the circumstances we were just
14:55:04 21 discussing; correct?
14:55:05 22 A. The SAVE process is a three-step process, and if
14:55:08 23 institutional ver- -- additional verification is
14:55:10 24 recommended or warranted, we would ask agencies to follow
14:55:13 25 through with that per the terms of the MOA.

14:55:15 1 Q. Is the responsibility for the initiating
14:55:19 2 additional verification on the user agency or USCIS?

14:55:23 3 A. Typically, it's on the user agency. USCIS can
14:55:26 4 indicate to the agency that additional verification is
14:55:30 5 recommended, and so they'll receive the "institute
14:55:33 6 additional verification" response as part of certain
14:55:35 7 responses.

14:55:37 8 Q. And is the responsibility for carrying out
14:55:39 9 additional verification on the user agency or USCIS?

14:55:43 10 A. It's not an either/or. The responsibility of the
14:55:48 11 user agency is to initiate the additional verification.
14:55:51 12 The responsibility for executing the additional
14:55:54 13 verification is on the USCIS.

14:55:56 14 Q. Thank you.

14:55:57 15 And I'm referring in this question to the
14:55:58 16 bottom of the page we were just looking at, USCIS SAVE 14.

14:56:03 17 When, if ever, is it permissible for the user
14:56:06 18 agency to not pursue additional verification?

14:56:11 19 A. Again, as a general course, we would expect
14:56:13 20 agencies to pursue through all of the SAVE steps unless, as
14:56:17 21 outlined in the user guide, there is an alternative
14:56:19 22 verification procedure available that satisfies the state's
14:56:22 23 benefit eligibility determination.

14:56:25 24 Q. Do those alternatives include the three bullet
14:56:29 25 points listed at the bottom of page 2, which is USCIS SAVE

14:56:33 1 Bates Stamp 14?

14:56:34 2 A. Yes.

14:56:35 3 Q. Great.

14:56:36 4 What does second-level verification entail?

14:56:43 5 MS. SLATTERY: Russ, do you want to talk

14:56:45 6 about second-step verification?

14:56:45 7 MR. FILIGHERA: Sure. So second-step

14:56:49 8 verification is additional verification where the -- we

14:56:52 9 take a look at the data the agency entered on the

14:56:55 10 applicant -- name, date of birth, numeric identifier -- in

14:57:00 11 addition to any comments that they added when they

14:57:04 12 escalated it to additional verification.

14:57:07 13 The process entails taking that data and

14:57:10 14 going into source systems and outside of the SAVE program,

14:57:14 15 as mentioned, depending on the records from USCIS, to see

14:57:18 16 if we can make a match based on that information to the

14:57:22 17 most current status.

14:57:24 18 In the case for these questions, if it's a

14:57:27 19 derived or naturalized U.S. citizen and we can find the

14:57:31 20 records, we will provide that response. As I mentioned in

14:57:35 21 a previous question, if they indicate at second step that

14:57:39 22 the document is a certificate number and we're not coming

14:57:41 23 up with a derived U.S. citizen, we will actually ask for

14:57:45 24 the document to see what they're having -- to see if there

14:57:47 25 was a data discrepancy of some sort or another data entry.

14:57:51 1 Or in cases where we cannot find a matching record to
14:57:55 2 provide based on the information entered, data alone, we go
14:57:59 3 back with resubmit, and that's where the document comes in
14:58:02 4 and we go into the third-step process.

14:58:05 5 BY MR. SHERMAN:

14:58:05 6 Q. I'll ask separately about, yeah, third level, but
14:58:07 7 just to stick with second level for a second, just so I'm
14:58:10 8 clear, what information and/or documents does the user
14:58:13 9 agency need to provide to USCIS at the second level?

14:58:17 10 MR. FILIGHERA: So the document -- the
14:58:20 11 information doesn't change from the basics of name, date of
14:58:24 12 birth, numeric IDs. The information that carried over from
14:58:29 13 the SAVE program through our cases that we're working on at
14:58:30 14 manual is the same with the exception that there is a
14:58:35 15 "Agency Comment" field that can be used in the SAVE program
14:58:37 16 where you can provide additional information. So for
14:58:40 17 example, maybe an agency realizes that they forgot an ID or
14:58:44 18 made a mistake or added a name, they can pass a message
14:58:47 19 along that we could take into consideration, and we will
14:58:50 20 take that information into consideration.

14:58:53 21 BY MR. SHERMAN:

14:58:54 22 Q. What information does the user agency need to
14:58:56 23 provide to the applicant at second-level verification?

14:59:00 24 MR. FILIGHERA: So from this standpoint, the
14:59:04 25 user agency has already submitted the original, so -- I

14:59:09 1 believe in previous questions you showed in one of your
14:59:11 2 documents how they can institute additional verification.
14:59:15 3 So at that point, I can only speak to the data entry point,
14:59:18 4 and that would be they would -- the agency submits it for
14:59:22 5 additional verification. What they advise their applicant
14:59:25 6 I couldn't speak to.

14:59:26 7 BY MR. SHERMAN:

14:59:29 8 Q. Ms. Slattery, are you able to speak to that?

14:59:32 9 A. Typically, again, the verification process at this
14:59:34 10 stage isn't complete on -- for purposes of SAVE. Often, we
14:59:39 11 find that benefit applicant -- benefit agencies are sharing
14:59:42 12 with applicants that their case is still in progress. And
14:59:45 13 benefit applicants also have the opportunity to use the
14:59:48 14 SAVE CaseCheck system. So they can actually see their
14:59:52 15 system -- their case as it moves through the process and
14:59:53 16 through the system.

14:59:55 17 Q. Do you contact the registrant to obtain
15:00:00 18 documentary proof of citizenship at the second-level
15:00:03 19 verification?

15:00:03 20 A. We do not contact the benefit applicant during the
15:00:06 21 process. That is done by the user agency.

15:00:09 22 Q. Does the --

15:00:10 23 A. So they would contact the applicant and then
15:00:12 24 submit and upload the document or direct the applicant to
15:00:15 25 do so.

15:00:15 1 Q. And do they contact the registration applicant to
15:00:21 2 obtain documentary proof of citizenship before or after
15:00:26 3 second-level verification fails?

15:00:28 4 A. That would depend on the agency process. They can
15:00:33 5 contact at any point in time for SAVE purposes, and the
15:00:38 6 document may be uploaded at second step, although it is not
15:00:42 7 required. It would be required for third-level
15:00:44 8 verification.

15:00:44 9 Q. And this is -- this is not an automated process;
15:00:48 10 right? This is conducted by USCIS employees?

15:00:52 11 A. Which process are you speaking of?

15:00:55 12 Q. Is second-level verification conducted by USCIS
15:00:58 13 employees?

15:01:00 14 A. It is.

15:01:00 15 Q. Do you contact the -- does the user agency contact
15:01:04 16 the registration applicant to correct or update their
15:01:08 17 records or obtain a copy of the records prior to
15:01:11 18 second-level verification?

15:01:15 19 A. I would have -- we would have to defer to the
15:01:16 20 agency regarding their specific procedures.

15:01:20 21 Q. Does the MOA speak -- or any of the fact sheets
15:01:22 22 speak to this?

15:01:28 23 If you could take a look, actually, at page 5
15:01:30 24 of the MOA, Subpart (1), which we were looking at before.
15:01:50 25 I'm not sure that makes it clear.

15:01:52 1 Fact sheet -- the fact sheet that's at USCIS
15:01:56 2 SAVE page 15 -- at the top of page 15, it says, "Every user
15:02:08 3 agency that enters into a VRMOA must prepare standard
15:02:14 4 notification correspondence and provide it for DHS
15:02:16 5 approval. This provision becomes significant after a
15:02:19 6 second-step additional verification is conducted; the
15:02:22 7 individual does not verify as a U.S. citizen; and the user
15:02:26 8 agency does not have a copy of the necessary immigration
15:02:29 9 document."

15:02:29 10 A. Correct. And that's because the document is
15:02:32 11 required for third-level verification. It is an optional
15:02:35 12 capability for second-level verification.

15:02:37 13 Q. Understood.

15:02:38 14 So typically the user agency won't contact
15:02:40 15 the registrant -- registration applicant for these
15:02:45 16 documents or to correct or update the records until after
15:02:48 17 second- -- second-level verification fails; is that
15:02:51 18 correct?

15:02:51 19 A. The requirement for SAVE purposes would be to have
15:02:54 20 that document for third-level verification. What the
15:02:58 21 agency typically does would be for the agency to answer.

15:03:01 22 Q. If I could have Ms. Slattery and Mr. Filighera --
15:03:06 23 if you could both look at the SAVE Program Guide again on
15:03:10 24 page 93.

15:03:12 25 This is describing second-level verification.

15:03:15 1 I'm not going to read all of this, but if you could just
15:03:19 2 take a look at the additional information that the user may
15:03:25 3 submit. It's at the top of Bates Stamp USCIS SAVE 93.

15:03:30 4 A. Uh-huh. We have it.

15:03:34 5 Q. Are all of these just guidelines for the user
15:03:38 6 agency? Are they recommendations, or are they obligated to
15:03:41 7 send any and all of that following information if they have
15:03:44 8 it available?

15:03:47 9 A. It's additional information. They may submit that
15:03:52 10 information. They can also put the "Initiate Additional
15:03:58 11 Verification" button without that additional information,
15:04:00 12 but it will make us -- we will move this case to third step
15:04:04 13 or send back to the agency for additional information.

15:04:07 14 Q. So if you don't have the additional information
15:04:09 15 listed here on page Bates Stamp 93, it will make it harder
15:04:14 16 to complete -- successfully complete the second-level
15:04:20 17 verification; is that right?

15:04:20 18 A. Since we would be working with the same set of
15:04:23 19 information with which we ran the automated verification,
15:04:26 20 you know, the -- the verifiers would be dependent on that
15:04:30 21 information.

15:04:31 22 I'll defer to Russ regarding situations where
15:04:35 23 it becomes -- where the difference is the manual
15:04:38 24 verification and the fact that we can search systems
15:04:40 25 differently.

15:04:41 1 MR. FILIGHERA: So in -- to go back to your
15:04:44 2 original question, the failure to add these -- this
15:04:47 3 additional information leaves us with the same data for
15:04:51 4 information that was run initially.

15:04:53 5 Now, we do go into core systems and do a
15:04:56 6 thorough research still, even if they do not add the
15:05:00 7 comments, to see if there's anything that is be able to
15:05:05 8 found in our core systems. There could be a transposed
15:05:08 9 digit or other examples such as that that -- for -- in the
15:05:12 10 core system we're able to find the records, and we would
15:05:15 11 provide them. But again, it -- it is much greater and
15:05:19 12 easier for us to match at second step with the additional
15:05:23 13 information versus trying to go with what was run
15:05:25 14 initially.

15:05:26 15 BY MR. SHERMAN:

15:05:26 16 Q. Understood.

15:05:27 17 Now maybe is as good a time as any to direct
15:05:31 18 you to USCIS SAVE 381, which was in the Dropbox. I just
15:05:41 19 have a quick question about this document once we
15:05:44 20 authenticate it.

15:05:50 21 Mr. Filighera, it may be a question for you.
15:05:52 22 Do you have it up?

15:05:55 23 MR. FILIGHERA: It's coming up right now.
15:05:56 24 Sorry. I'm downloading it.

15:05:58 25 BY MR. SHERMAN:

15:05:58 1 Q. No, no, it's all good.

15:05:58 2 MR. FILIGHERA: I am looking at the document,
15:05:58 3 yes.

15:05:58 4 BY MR. SHERMAN:

15:06:03 5 Q. What is this document?

15:06:07 6 MR. FILIGHERA: I believe -- and Shannon can
15:06:09 7 also add to this -- this is a document provided on -- a
15:06:11 8 guide on how you can institute additional verification with
15:06:15 9 a document And a -- I'm sorry -- and a response received
15:06:23 10 with the document. I'm sorry.

15:06:28 11 MR. SHERMAN: Can we mark this as
15:06:29 12 Exhibit 194.

15:06:29 13 (The document was marked as Exhibit 194
15:06:31 14 for identification.)

15:06:31 15 BY MR. SHERMAN:

15:06:31 16 Q. Ms. Slattery or Mr. Filighera, what -- what is
15:06:33 17 this additional response: "Institute Additional
15:06:37 18 Verification with Document"?

15:06:40 19 How does this differ, if at all, from the
15:06:42 20 regular institute additional verification?

15:06:45 21 A. So again, when this is issued to an agency, the
15:06:50 22 purpose of this -- of this notification is to ask the
15:06:53 23 agency to submit a document, meaning the data that's been
15:06:56 24 provided isn't sufficient to make the match and we would
15:07:00 25 like to see the documentation that's been provided or could

15:07:02 1 be provided by the benefit applicant in order to match that
15:07:05 2 against available systems.

15:07:08 3 Q. So this is essentially skipping straight to the
15:07:10 4 third-level verification?

15:07:12 5 A. Yes.

15:07:14 6 Q. And in what circumstances would you just skip the
15:07:16 7 second-level verification and go to third level?

15:07:20 8 A. Again, it would be a situation where we are unable
15:07:23 9 to match the data and have -- for purposes of verification,
15:07:27 10 would require the document to make any further research.

15:07:32 11 Q. I guess I'm just a little bit confused as to when
15:07:34 12 you do simple IAV versus skip to the third level. How do
15:07:40 13 you make that determination? Or how does the system --

15:07:45 14 MS. SLATTERY: Mariah, are you able to talk
15:07:46 15 about that from a system standpoint?

15:07:50 16 MS. DOOLITTLE: I'm not. I know the
15:07:52 17 intention of it is to ensure you have a document because
15:07:56 18 you're -- you're reviewing that information on second
15:07:59 19 stop -- or second step and you may or may not have a
15:08:02 20 document there. For third-step, the document is required.

15:08:02 21 BY MR. SHERMAN:

15:08:12 22 Q. Okay. I'm not sure I totally understand, but we
15:08:14 23 can move on.

15:08:18 24 If we could take a look at USCIS SAVE 562.
15:08:28 25 This might take a minute. It's a lengthy document. You

15:08:31 1 may want to -- if you don't have it printed, you could just
15:08:34 2 pull it up on the screen. 562 is down a ways in this
15:08:37 3 PowerPoint.

15:08:55 4 A. The current tutorial slide "SAVE Training
15:08:59 5 Opportunities"?

15:09:00 6 Q. Yes.

15:09:01 7 Could we -- so this is -- is this the SAVE
15:09:02 8 User Forum PowerPoint?

15:09:04 9 A. It is. The 2018 Forum PowerPoint.

15:09:08 10 MR. SHERMAN: Could we mark this as
15:09:09 11 Exhibit 195.

15:09:09 12 (The document was marked as Exhibit 195
15:09:12 13 for identification.)

15:09:12 14 BY MR. SHERMAN:

15:09:12 15 Q. And is this -- on page 5 -- Bates stamp page 562,
15:09:17 16 is this the screen that a user agency will see at the
15:09:21 17 second step?

15:09:26 18 A. The item marked Bates Stamp 562 is -- in my deck
15:09:31 19 is a current tutorial on SAVE training opportunities. I'm
15:09:41 20 looking at 552. My apologies.

15:09:43 21 Yes, this -- this -- for the 2018 version of
15:09:49 22 the screen, this is the sample second-step response for
15:09:51 23 instituting additional verification.

15:09:52 24 Q. Great.

15:09:53 25 A. It hasn't changed substantially since this time.

15:09:56 1 Q. And on the next page, 563, what is that screen?

15:10:01 2 Is that for third-level verification?

15:10:03 3 A. It is.

15:10:05 4 Q. How long does second-level verification take?

15:10:11 5 A. Typically, in a normal business year where we

15:10:14 6 don't have a backlog, second- and third-step response will

15:10:19 7 take about three to five days. At present, SAVE has a

15:10:24 8 backlog that we are currently at about 20 days for each

15:10:27 9 step of the ver- -- the manual verification process.

15:10:31 10 Q. You said 20 days?

15:10:32 11 A. Yes. Approximately. It can be more for complex

15:10:37 12 cases or cases that require additional research.

15:10:40 13 Q. How much longer?

15:10:41 14 A. Depends on the complexity of the case and how much

15:10:44 15 research we have to do.

15:10:46 16 Q. How many cases are in the queue; like, just real

15:10:51 17 number?

15:10:54 18 A. I don't remember the precise number. I want to

15:10:57 19 say we're in the 120,000 range in the backlog presently.

15:11:01 20 Q. How long has this backlog existed?

15:11:07 21 A. Since about midyear 2021.

15:11:10 22 Q. And cases for all different types of user agencies

15:11:17 23 are in the queue; right?

15:11:18 24 A. Correct. We operate on a first in, first out

15:11:22 25 system, so the cases, as they are moved through the

15:11:24 1 process, will be in the order that they were received at
15:11:27 2 each step.

15:11:29 3 Q. Is there any priority given to specific user
15:11:33 4 agencies like voter registration agencies?

15:11:39 5 A. At this time, it is not. We are again working to
15:11:43 6 queue on a first in, first out basis.

15:11:45 7 MS. SLATTERY: Russ, is there anything you'd
15:11:46 8 like to add on that one?

15:11:48 9 MR. FILIGHERA: No. I agree. Right now,
15:11:51 10 there is no current practice on agencywide priority of
15:11:56 11 caseload.

15:11:56 12 BY MR. SHERMAN:

15:11:56 13 Q. So just to be -- so the record is clear, a voter
15:11:59 14 registration applicant who's sent to second-level
15:12:03 15 verification, the backlog means they're at the back of the
15:12:05 16 queue; correct?

15:12:08 17 MR. FILIGHERA: Correct.

15:12:09 18 MS. SLATTERY: No. Actually, I would -- I
15:12:11 19 would -- go ahead, Russ.

15:12:12 20 MR. FILIGHERA: So if it goes to institute
15:12:14 21 additional verification, it would go into the SVS queue
15:12:20 22 and -- Status Verification System is our case management
15:12:22 23 system with SAVE that we are assigned the case for. So
15:12:26 24 when Shannon mentioned the queue of cases, it goes into
15:12:30 25 that queue and gets assigned first in, first out, as cases

15:12:34 1 are constantly coming in from all our user agencies.

15:12:38 2 BY MR. SHERMAN:

15:12:38 3 Q. Understood.

15:12:39 4 At any given moment, how many are in that
15:12:42 5 particular queue?

15:12:46 6 MR. FILIGHERA: When you say "particular,"
15:12:47 7 you mean to -- to clarify, you're saying just the
15:12:51 8 second-step additional versus third step?

15:12:54 9 BY MR. SHERMAN:

15:12:54 10 Q. Yeah, just for second step right now.

15:12:56 11 MR. FILIGHERA: It's a combined queue total,
15:12:59 12 so I don't have that amount on hand.

15:13:03 13 BY MR. SHERMAN:

15:13:03 14 Q. Ballpark?

15:13:05 15 MR. FILIGHERA: I actually don't know offhand
15:13:11 16 the actual exact amount, but I could actually give you a
15:13:14 17 ballpark in a second. It's roughly right now around
15:13:26 18 100,000 additional verification cases in our queue right
15:13:30 19 now at second step that you requested.

15:13:34 20 BY MR. SHERMAN:

15:13:35 21 Q. At second step. And that's first in, first out?

15:13:38 22 MR. FILIGHERA: Correct.

15:13:40 23 BY MR. SHERMAN:

15:13:40 24 Q. Has USCIS ever had a backlog like this?

15:13:45 25 A. This is an unprecedented backlog for USCIS. As I

15:13:48 1 said, typically our -- our normal course of business for
15:13:51 2 second- and third-step verifications is in the three- to
15:13:54 3 five-day range.

15:13:55 4 Q. And what's the trend line here? Is it getting
15:13:58 5 better, worse, or staying about the same?

15:14:00 6 A. It's getting much better. We actually reduced the
15:14:03 7 backlog by more than half and continue to make reductions.
15:14:06 8 And the time to service has dropped from a high of about
15:14:12 9 36 days to right about 20 days right now. And we continue
15:14:15 10 to make improvements on a regular basis.

15:14:18 11 Q. So if a registration applicant registers, though,
15:14:22 12 under current circumstances, just before the deadline in
15:14:26 13 Arizona about, say, 35 days before the election and then
15:14:31 14 they do not verify as a naturalized or derived citizen and
15:14:34 15 are forced to go through second-level verification, it's
15:14:38 16 possible that that additional verification procedure won't
15:14:41 17 be complete by the registration deadline; correct?

15:14:47 18 A. Again, the current process is taking about
15:14:50 19 20 days. So depending on where that queue falls in the
15:14:54 20 time frame that you are identifying, there is the potential
15:14:56 21 to go outside of it. And certainly, we are trying to work
15:15:00 22 as efficiently as possible to get all cases through as
15:15:03 23 quickly as we can.

15:15:05 24 Q. What does third-level verification entail if
15:15:09 25 you -- if USCIS cannot verify the applicant at second-level

15:15:18 1 verification?

15:15:18 2 MR. FILIGHERA: Shannon, I could take that if

15:15:19 3 you would like.

15:15:21 4 For third-level verification, it's institute

15:15:24 5 additional verification with document. Or third level,

15:15:26 6 that means, again, the case will come over into our case

15:15:30 7 management system to -- with the same information that was

15:15:34 8 entered by the agency when they instituted that additional

15:15:38 9 verification with document; so in other words, name, date

15:15:42 10 of birth, numeric identifier, additional comments, and then

15:15:46 11 they will also have a document attached.

15:15:49 12 So the process at that point, then, now that

15:15:53 13 we have a document in addition to the data or comments that

15:15:57 14 they've made where we can look at the document and go into

15:15:59 15 systems to see if we find other discrepancies -- maybe that

15:16:02 16 the agency made a data entry -- and the information in the

15:16:06 17 document should be more exact to the actual record as long

15:16:11 18 as nothing has changed in the applicant's record that they

15:16:13 19 did not update USCIS databases with.

15:16:17 20 BY MR. SHERMAN:

15:16:17 21 Q. In addition to scanning and uploading -- right? --

15:16:19 22 there's also something called Form G-845. Could you

15:16:23 23 explain what that is?

15:16:25 24 MR. FILIGHERA: G-845 process was a paper

15:16:29 25 form that -- SAVE actually went under some modernization

15:16:34 1 efforts to try to go paperless. So for the most part,
15:16:40 2 cases to date that I can recollect, we haven't actually had
15:16:43 3 a physical G-845 case in some time -- I would even say a
15:16:48 4 year. It is still in the -- the guidance, but for the most
15:16:52 5 part, the quickest way an agency will always get responses
15:16:56 6 is to follow the electronic process and upload the
15:16:58 7 document.

15:16:59 8 BY MR. SHERMAN:

15:17:00 9 Q. Is there anything -- I'm sorry.

15:17:02 10 A. No, I was going to say, just to add on to that,
15:17:05 11 currently, agencies need to contact SAVE in order to be --
15:17:09 12 to be allowed to submit a paper G-845; otherwise, we do
15:17:13 13 require agencies to go through the system process.

15:17:15 14 Q. Understood.

15:17:16 15 Is there anything the registration applicant
15:17:18 16 needs to do at third-level verification?

15:17:21 17 A. Not with regard to SAVE. They would be
15:17:24 18 interacting with the agency to ensure the agency has the
15:17:27 19 information or to receive instruction from the agency on
15:17:30 20 how to upload the document.

15:17:31 21 Q. And what information does the user agency need to
15:17:34 22 provide to the applicant at third-level verification?

15:17:37 23 A. Similar to second step, they would be able to
15:17:40 24 provide the applicant information about the fact that their
15:17:43 25 case is still being processed and refer the case to the

15:17:46 1 SAVE CaseCheck system in order for the applicant to
15:17:48 2 directly take a look at how their case is moving through
15:17:50 3 the process.

15:17:52 4 Q. And third-level verification is also conducted by
15:17:55 5 USCIS employees; right?

15:17:58 6 A. Correct.

15:17:58 7 Q. How long does third-level verification take?

15:18:06 8 A. As we just discussed in the previous response
15:18:10 9 regarding the backlog, right now we're averaging about 20
15:18:14 10 days for each of the manual verification steps. We do
15:18:15 11 do -- make every effort to make the cases go through the
15:18:19 12 system as efficiently as possible.

15:18:20 13 Q. So is the backlog identical for second- and third-
15:18:24 14 verificat- -- third-level verification?

15:18:26 15 A. I think the volume levels are slightly different
15:18:29 16 in that we have perhaps more cases at second-step than at
15:18:32 17 third because, again, we're doing those verifications
15:18:35 18 first. And I don't mean first in terms of order, but
15:18:38 19 second step comes before third, so they're being worked in
15:18:41 20 parallel.

15:18:41 21 MS. SLATTERY: Russ, do you want to speak
15:18:42 22 more about how the second- and third-step distribution
15:18:45 23 works?

15:18:46 24 MR. FILIGHERA: Sure. Second- and third-step
15:18:47 25 cases technically have a separate queue within our case

15:18:50 1 management system, but as Shannon mentioned, historically
15:18:54 2 we'll see more second-step cases than third-step cases.
15:18:57 3 It's earlier in the process.

15:18:58 4 The case queues, though, allow our verifiers
15:19:02 5 or examiners to process manual cases to go into the system
15:19:08 6 and request workload. That workload gets assigned to them
15:19:13 7 first come, first served. So you can get a mix of these
15:19:16 8 cases based on how long they've been in the queue, based on
15:19:21 9 their receipt date.

15:19:22 10 Some staff can be profiled in the system
15:19:26 11 based on you, you know, experience or -- or levels where
15:19:30 12 they might only be working on the second-step queue or
15:19:34 13 many -- the most experienced people could be working
15:19:36 14 simultaneously on both the second and third step at the
15:19:38 15 same time. It is two separate queues in a way, but users
15:19:44 16 in case management can pull down the oldest cases out of
15:19:48 17 both in some instances.

15:19:49 18 MS. SLATTERY: And just to add an additional
15:19:51 19 factor as we're talking about the backlog and the process,
15:19:54 20 we are not only having our employees who are currently
15:19:58 21 assigned to permanent positions that are working in our
15:20:02 22 manual verification work group -- the legal instrument
15:20:05 23 examiners -- but we also have a volunteer core from across
15:20:08 24 the verification division who are trained personnel that
15:20:12 25 are working cases on overtime.

15:20:12 1 BY MR. SHERMAN:

15:20:12 2 Q. Understood.

15:20:14 3 How many total people are on the teams that
15:20:17 4 are working on second- and third-level verification?

15:20:22 5 MS. SLATTERY: Russ, do you want to talk
15:20:23 6 about permanent staff and then I can add on top?

15:20:25 7 MR. FILIGHERA: Sure. Right now, currently
15:20:27 8 on last check, our staff that's dedicated to the queues in
15:20:32 9 our status verification operations are called legal
15:20:35 10 instrument examiners. Roughly, right now it's at 113
15:20:38 11 people that are working out of three main operation centers
15:20:42 12 we have.

15:20:43 13 In addition to that, there's roughly 17
15:20:46 14 supervisory examiners that can actually also assist in
15:20:49 15 processing cases. And we do have some part-time workload
15:20:54 16 that could be done from management program analysts at our
15:20:57 17 headquarters SVO branch, or status verification operations
15:21:01 18 branch, but they're not 100 percent dedicated. That group
15:21:04 19 roughly reports directly to me or their supervisors. It's
15:21:08 20 roughly, like, 23 currently or so.

15:21:10 21 And then Shannon mentioned that due to the
15:21:13 22 current queues, we went out and received a series of
15:21:16 23 volunteers, formerly trained people, that are in other
15:21:20 24 parts of the organization right now as well as others that
15:21:23 25 took on training to work second-step cases. That's roughly

15:21:27 1 30 people that have been doing that portion. Some of them
15:21:30 2 can do it on regular time if workload permits, but we've
15:21:33 3 been offering overtime to maximize as much as we can to try
15:21:38 4 to alleviate the queues.

15:21:39 5 BY MR. SHERMAN:

15:21:39 6 Q. And so given the backlog, total time for
15:21:42 7 additional verification can exceed 40 days; is that
15:21:49 8 correct?

15:21:49 9 MR. FILIGHERA: Each step of the process,
15:21:51 10 both at the second step without document and then
15:21:53 11 additional with document, correct, they are separate -- you
15:21:57 12 know, at least around 20 days or so, and it can fluctuate,
15:22:01 13 as Shannon mentioned, on incoming workload.

15:22:01 14 BY MR. SHERMAN:

15:22:04 15 Q. 20 days is an average, you said; correct?

15:22:06 16 MR. FILIGHERA: Yes. So technically, we've
15:22:09 17 seen a trend that's going down, but -- and again, in this
15:22:11 18 example -- and I believe that's what your question is --
15:22:14 19 for second step, it could be 20 days or so, depending on
15:22:17 20 the situation of the incoming and outgoing. And then if
15:22:22 21 you were asked to provide document, you would go back in
15:22:26 22 the queue and it could take another additional, on top of
15:22:27 23 that, 20 days.

15:22:28 24 BY MR. SHERMAN:

15:22:28 25 Q. And both second- and third-level verification

15:22:31 1 could be more than 20 days each? That's just an average
15:22:34 2 number?

15:22:34 3 A. Currently, it's an -- it's not necessarily an
15:22:39 4 average number, but as we have applied more researches and
15:22:44 5 with the overtime and with the staffing -- and what we're
15:22:46 6 trying to do from a staffing perspective then is the more
15:22:49 7 cases you work more than are coming in, of course, you can
15:22:54 8 see a trend, and sometimes that it goes down. So the
15:22:55 9 reason why we say that, it -- we have, as mentioned, 1,200
15:22:58 10 agencies loading cases in, so we're -- we're working as
15:23:02 11 much staffing as we can. So to give you an exact date at
15:23:06 12 any moment in time, it could fluctuate.

15:23:08 13 BY MR. SHERMAN:

15:23:08 14 Q. What happens if USCIS cannot verify the applicant
15:23:11 15 at third-level verification?

15:23:15 16 MR. FILIGHERA: Shannon, if you're okay, I'm
15:23:16 17 going to take this.

15:23:18 18 So at third-level verification, now that we
15:23:21 19 have a document, we go through a very thorough research.
15:23:23 20 And after we go through that research, we do not present a
15:23:29 21 response that says that they're not a United States
15:23:32 22 citizen, for example.

15:23:33 23 What -- we would go back where -- is an
15:23:36 24 unable to verify that document or that information. And
15:23:40 25 then we apply comments to the agency that refers that

15:23:44 1 applicant that says, "Please refer the applicant to the
15:23:48 2 USCIS website," or "Contact our national contact operations
15:23:54 3 center," in that regards to hopefully go in and update the
15:23:58 4 records if need be.

15:23:59 5 BY MR. SHERMAN:

15:24:00 6 Q. Is there a message that appears for the user
15:24:03 7 agency that says, "Unable to verify; advise applicant to
15:24:08 8 visit local USCIS office to inquire"?

15:24:13 9 MR. FILIGHERA: They receive an "unable to
15:24:14 10 verify" response from our system. How it shows exactly, I
15:24:17 11 think on the front end -- I might need Shannon to add to
15:24:21 12 it, but we put a comment -- a standard comment that we
15:24:22 13 advise our -- our processors, our verifiers to state,
15:24:27 14 "Please refer applicants to USCIS contact center" number,
15:24:32 15 and we provide the 800 number, or "Go to the USCIS
15:24:34 16 website."

15:24:34 17 BY MR. SHERMAN:

15:24:38 18 Q. I was just quoting from the bottom of
15:24:40 19 USCIS SAVE 000093. This is in the SAVE Program Guide.

15:24:45 20 It says instructions -- "Examples of such
15:24:47 21 responses and instructions include 'Unable to Verify,
15:24:51 22 Advise Applicant to visit local USCIS office to inquire.'"

15:24:54 23 I understand that's just an example.

15:24:56 24 Do you know what the current language is?

15:25:01 25 MR. FILIGHERA: I believe it's along the

15:25:02 1 lines of "Please refer the applicant to" -- and it's the
15:25:07 2 call number, the 800 number, and -- or the USCIS website.
15:25:12 3 And it's -- it's a standard what we call comment that we
15:25:15 4 add, so they'll see "unable to verify" is the major
15:25:18 5 response we provide. And that is in the comments.

15:25:21 6 BY MR. SHERMAN:

15:25:23 7 Q. So I understand your testimony, USCIS is not able
15:25:26 8 to resolve all cases where additional verification is
15:25:30 9 initiated; correct?

15:25:33 10 MR. FILIGHERA: We will come across cases
15:25:34 11 that, after thorough research, including all electronic
15:25:38 12 records as well as physical records, if need be, if we are
15:25:41 13 unable to verify matching to the information on the
15:25:45 14 documents presented, we will provide an "unable to verify"
15:25:49 15 response in some cases.

15:25:50 16 BY MR. SHERMAN:

15:25:51 17 Q. And for cases that you -- for additional
15:25:54 18 verifications that you are able to resolve, what has USCIS
15:25:59 19 discovered are the typical reasons that prevented a
15:26:04 20 nonmatch or caused an erroneous match to -- upon initial
15:26:11 21 verification?

15:26:13 22 MR. FILIGHERA: Statistically, I wouldn't
15:26:14 23 have that figure at my fingertips, but as mentioned
15:26:17 24 multiple times, we are really reliant on two things: the
15:26:20 25 data that the agency enters and what the record shows.

15:26:23 1 So when you go to additional verification,
15:26:26 2 it's the same process as initial and second and third. It
15:26:29 3 is as good as the data that they're entering and what the
15:26:32 4 records show.

15:26:32 5 In the manual process, the only -- third
15:26:35 6 step, the only addition is the document. That document
15:26:38 7 does help show us in some cases where an agency maybe did
15:26:42 8 not touch the error of their data entry compared to what
15:26:46 9 the record actually shows. So that -- that's one example.

15:26:48 10 BY MR. SHERMAN:

15:26:51 11 Q. Understood.

15:26:51 12 For cases that are never resolved, are they
15:26:53 13 left open indefinitely, like unsolved cases, or do they
15:26:59 14 time out at some point?

15:27:01 15 MR. FILIGHERA: Once a case has gone to
15:27:03 16 additional verification in our application, it -- it must
15:27:06 17 be worked. It doesn't go to a queue where it never gets
15:27:06 18 resolved.

15:27:11 19 It could mean a positive response like
15:27:12 20 "United States citizen" or a response "unable to verify"
15:27:15 21 where it -- that will close the case out on our manual
15:27:19 22 third-step level. Then it's up to the applicant at that
15:27:23 23 point. They get the instructions, as well as the agency,
15:27:25 24 on that response on how to handle next steps from there in
15:27:28 25 regards to my part of the procedure.

15:27:30 1 BY MR. SHERMAN:

15:27:30 2 Q. Understood.

15:27:31 3 So I guess the question more specifically is:

15:27:34 4 Do you work under a deadline to resolve the additional

15:27:39 5 verification case, or can it be kept open for years and

15:27:42 6 years and years?

15:27:45 7 MR. FILIGHERA: We always try to maximize our

15:27:48 8 turnaround times on cases that -- even if you're taking

15:27:50 9 longer to research or for record purposes, we're constantly

15:27:54 10 monitoring those queues of cases. So we do not keep cases

15:27:58 11 open for years.

15:28:00 12 It -- now, that time frame depends on the

15:28:02 13 downstream partners or partners we deal with in the

15:28:05 14 records, if there's an inquiry or something we're trying to

15:28:08 15 determine. But I would not say that it would be years.

15:28:12 16 You can have cases that are a little bit extended beyond

15:28:15 17 the time frame due to the complexity or the records that

15:28:18 18 we're researching.

15:28:19 19 BY MR. SHERMAN:

15:28:20 20 Q. Understood.

15:28:20 21 How do you know when to give up?

15:28:33 22 MR. FILIGHERA: It's not necessarily that we

15:28:37 23 give up. It's a situation where we do thorough research in

15:28:42 24 electronic databases, and if we're able to find it, we, of

15:28:46 25 course, resolve.

15:28:47 1 If somebody provides us a naturalization
15:28:49 2 or -- or a certificate of citizenship, that information, if
15:28:55 3 not found in electronic database, we will even go further
15:28:58 4 to pull physical files if need to be. That's where the
15:29:02 5 complexity comes in.

15:29:04 6 We'll reach out to the file holder, which can
15:29:08 7 include field offices at USCIS that have the current file,
15:29:09 8 or it could be with our national records center, or it can
15:29:13 9 actually be retired files based on the age of the
15:29:15 10 naturalization or certificate application. And we will go
15:29:18 11 to that extent to pull those records.

15:29:21 12 We will, in addition, based on that
15:29:23 13 information, even reach out to jurisdictions. If they
15:29:26 14 naturalize through the courts and we see CIS records but
15:29:29 15 maybe not updated -- so we -- we turn over every
15:29:32 16 possibility. We will reach out to our office of records
15:29:36 17 management with additional resources even on historical
15:29:39 18 records. But at that point, once we cannot confirm in
15:29:44 19 electronic databases or physical file information, then we
15:29:52 20 would be resolved to unable to verify.

15:29:52 21 BY MR. SHERMAN:

15:29:52 22 Q. How many currently open cases do you have in the
15:29:57 23 additional verification queue?

15:30:00 24 So you told us how large the backlog is, but
15:30:01 25 I assume not all of those are open cases.

15:30:04 1 MR. FILIGHERA: When you say "open" --

15:30:06 2 BY MR. SHERMAN:

15:30:06 3 Q. Currently being worked.

15:30:09 4 MR. FILIGHERA: So at any moment, if we have
15:30:10 5 113 people processing cases, barring, you know, leave and
15:30:15 6 things and all the additional numbers I gave you -- they're
15:30:20 7 actually first come, first served, so they're working that
15:30:23 8 case as the assignment.

15:30:24 9 If they have to look further, we will send
15:30:29 10 information out behind the scenes to our records centers by
15:30:34 11 sending messages over so they can place that case in what
15:30:38 12 we call case continue to process. Those cases -- continue
15:30:43 13 to process will allow the person working cases to see that
15:30:46 14 they have continued cases while they work on the more
15:30:49 15 active cases while they're waiting for messages to come
15:30:52 16 back.

15:30:52 17 So you can have active cases that you work
15:30:54 18 right away, first in, first out. You can pause some cases
15:30:58 19 and continue to process while you're reaching out for
15:31:01 20 further information.

15:31:02 21 But I know Shannon's already mentioned when
15:31:04 22 it's in that continue-to-process stage, the agency is, on
15:31:08 23 their end, seeing that there's a verification still in
15:31:11 24 process. It's not a completed answer; just means it's
15:31:14 25 still with us and we're working on it.

15:31:14 1 BY MR. SHERMAN:

15:31:16 2 Q. And you don't have statistics on, like, how -- how
15:31:18 3 many cases any one of those 130 people has open at any one
15:31:24 4 time, do you?

15:31:24 5 MR. FILIGHERA: No. Usually -- what we do in
15:31:26 6 our case management system currently is they can pull down
15:31:30 7 anywhere from 10 to 20 cases at a time just to put into the
15:31:34 8 queue to work. But we don't hold them overnight.

15:31:36 9 Our case management systems allow for them to
15:31:38 10 put them back in the queue or something like that to make
15:31:40 11 sure they're getting picked up so no case gets stuck behind
15:31:44 12 or throughout the day.

15:31:45 13 So at any point, you would just have to
15:31:50 14 extrapolate based on the amount of users -- people are
15:31:52 15 pulling on -- on cases out of the queue and resolving them
15:31:53 16 right away.

15:31:55 17 BY MR. SHERMAN:

15:31:55 18 Q. Thank you.

15:31:55 19 So earlier I asked -- I think it was
15:31:57 20 Ms. Slattery -- whether the SAVE system can only be used to
15:32:01 21 verify naturalized or derived U.S. citizenship. And the --
15:32:07 22 she answered in the affirmative. So now I'm going to ask
15:32:11 23 just a mirror image of that question.

15:32:12 24 Can the SAVE system be used to verify a lack
15:32:16 25 of naturalized or derived citizenship?

15:32:20 1 A. SAVE doesn't verify the absence of information.
15:32:23 2 What we would do is, as Russ has described, through our
15:32:27 3 case verification process, we would exhaust all avenues to
15:32:30 4 determine if there is a USCIS record that could be
15:32:34 5 confirmed. If there is not, we would return the "unable to
15:32:37 6 confirm" response.

15:32:39 7 Q. Understood.

15:32:41 8 MR. SHERMAN: So I want to switch gears to --
15:32:45 9 and just for purposes of planning, I have about --
15:32:48 10 something like six and a half pages left. So at some point
15:32:52 11 in these six and a half pages of outline, we can stop for
15:33:00 12 lunch, the 20-minute lunch for Arizona folks. Does that
15:33:05 13 make sense?

15:33:10 14 MR. WHITAKER: I think that's fine.

15:33:14 15 MR. BURKLEY: We object.

15:33:14 16 MR. BUSCH: Yeah, we're not interested in
15:33:15 17 lunch here in Maryland. We want to get this done as soon
15:33:19 18 as possible.

15:33:20 19 MR. SHERMAN: Right. I know.

15:33:21 20 MR. MORGAN: Yeah, I don't need lunch. Maybe
15:33:24 21 a five-minute bathroom break at some point. Beyond that,
15:33:28 22 I'm fine.

15:33:28 23 MR. SHERMAN: Should we do -- should we do a
15:33:30 24 10- or 15-minute break now and just power through to the
15:33:33 25 end?

15:33:35 1 MR. MORGAN: I'm okay with that.

15:33:37 2 MR. SHERMAN: I mean, that would be the end

15:33:38 3 of my questions. Then --

15:33:40 4 MR. MORGAN: Oh, we're well aware, Jon.

15:33:43 5 MR. SHERMAN: Well, I want to just make the

15:33:45 6 witness --

15:33:47 7 MR. MORGAN: Okay. Let the record reflect

15:33:51 8 everybody was smiling.

15:33:54 9 MR. SHERMAN: So we can go off the record.

15:33:56 10 Why don't we do a ten-minute break now.

15:34:00 11 THE VIDEOGRAPHER: We're off the record.

15:34:01 12 Time on the video monitor is 3:34 p.m. This ends Media 2.

15:50:00 13 (A recess ensued.)

15:50:00 14 THE VIDEOGRAPHER: We are on the record.

15:50:16 15 Time on the video monitor is 3:50 p.m. This begins Volume

15:50:25 16 1, Media 3.

15:50:25 17 MR. SHERMAN: Thank you.

15:50:25 18 BY MR. SHERMAN:

15:50:26 19 Q. Ms. Slattery, earlier we were talking about this

15:50:29 20 document USCIS SAVE 11. This is attached to the MOA that

15:50:36 21 your office provided. This is Information for Registrants:

15:50:41 22 Verification of Citizenship Status and How to Obtain Your

15:50:45 23 Document or Correct Your Record with USCIS.

15:50:48 24 I'd ask that you keep that document in front

15:50:51 25 of you. This series of questions is all about correcting,

15:50:53 1 updating, renewing, obtaining, or replacing records.

15:50:58 2 And the other one that I wanted to introduce

15:51:00 3 is 18 -- USCIS SAVE 18. What is this document?

15:51:17 4 A. Document 18 bears the SAVE logo in the upper left

15:51:22 5 corner. The title of the document is "Records: Fast Facts

15:51:24 6 for Benefit Applicants."

15:51:26 7 MR. SHERMAN: Can we mark this as

15:51:27 8 Exhibit 196.

15:51:27 9 (The document was marked as Exhibit 196

15:51:31 10 for identification.)

15:51:31 11 BY MR. SHERMAN:

15:51:32 12 Q. What -- when are these two documents provided to

15:51:35 13 benefit applicants?

15:51:38 14 A. So these are documents that agencies can share

15:51:40 15 with benefit applicants with regard to next steps if SAVE

15:51:47 16 cannot verify status, particularly the fast facts for

15:51:50 17 benefit sheet. This provides the applicants information --

15:51:54 18 and both documents do provide the applicants with

15:51:56 19 information about steps they can take to correct records

15:51:58 20 with USCIS.

15:52:00 21 Q. Are applicants who fail to verify as naturalized

15:52:03 22 or derived citizens also sent a notice letter asking for

15:52:06 23 additional documents to establish their citizenship?

15:52:10 24 A. Sent by whom?

15:52:11 25 Q. Sent by the --

15:52:12 1 A. USCIS sends a document?

15:52:14 2 Q. Sent by the user agency. Sorry.

15:52:16 3 A. The user agency should be communicating with the

15:52:19 4 benefit applicant under the terms of the MOA to advise them

15:52:22 5 that their citizenship was unable to be confirmed by SAVE

15:52:27 6 and what the next steps are that they can take to correct

15:52:30 7 their record with USCIS if they believe that status -- that

15:52:33 8 response to be an error.

15:52:35 9 Q. Should the user agency also be sending a notice

15:52:39 10 letter to the applicant telling them "Here are some other

15:52:43 11 ways you can establish your U.S. citizenship with a -- with

15:52:47 12 documentary proof"?

15:52:50 13 A. You mean outside of the information that's already

15:52:53 14 provided as part of these sets of information?

15:52:56 15 Q. Correct.

15:53:01 16 Maybe let's take a look at 1586 and 1588. I

15:53:10 17 don't have a ton of exhibits left, if that's any

15:53:13 18 consolation.

15:53:23 19 What is -- when you have it out, what is

15:53:25 20 USCIS SAVE 1586?

15:53:29 21 A. 1586 is a document titled "Citizenship Proof

15:53:44 22 Needed -- State Voter Registration Form."

15:53:48 23 MR. SHERMAN: Can we mark this as

15:53:49 24 Exhibit 197.

15:53:49 25 (The document was marked as Exhibit 197

15:53:49 1 for identification.)

15:53:54 2 BY MR. SHERMAN:

15:53:54 3 Q. And when -- when is this -- did your office create
15:53:57 4 this?

15:53:57 5 A. This is not a USCIS document, no.

15:54:01 6 Q. Okay. Is this something that Arizona -- the
15:54:06 7 Arizona Secretary of State's Office provided to USCIS?

15:54:09 8 MR. MORGAN: Foundation, form.

15:54:15 9 MS. SLATTERY: I don't have the ability to
15:54:17 10 answer that question as this occurred before I became part
15:54:19 11 of the SAVE program.

15:54:22 12 BY MR. SHERMAN:

15:54:22 13 Q. So you're not sure of the origin of this document?

15:54:27 14 A. I am not.

15:54:28 15 Q. Okay. And you're not sure how it's used?

15:54:32 16 A. Based on the content of the document, it appears
15:54:34 17 to serve as notification to a voter registrant applicant
15:54:40 18 that they -- that their information was not able to be
15:54:44 19 verified or that they have not yet received documentation
15:54:50 20 for U.S. citizenship -- of U.S. citizen status for the
15:54:54 21 purpose of voter verif- -- voter registration.

15:54:55 22 Q. And you're not sure if USCIS has approved this
15:54:58 23 document in any way?

15:55:03 24 A. I am not aware that we have approved the document.
15:55:05 25 My understanding is, at the time Arizona was in

15:55:09 1 conversation with USCIS about the MOA, that members of the
15:55:13 2 SAVE staff may have reviewed documents. I am uncertain if
15:55:17 3 these are those documents or that these are final copies of
15:55:20 4 what was produced.

15:55:22 5 Q. If you could take a look at 1588, please.

15:55:29 6 A. Okay.

15:55:30 7 Q. What is this document?

15:55:31 8 A. 2nd Notice That Citizenship Documentation
15:55:33 9 Needed -- State Voter Registration Form.

15:55:36 10 MR. SHERMAN: Can we mark this as
15:55:37 11 Exhibit 198.

15:55:37 12 (The document was marked as Exhibit 198
15:55:37 13 for identification.)

15:55:37 14 BY MR. SHERMAN:

15:55:41 15 Q. Do you know the origin of this document?

15:55:45 16 A. I do not.

15:55:46 17 Q. What does it appear to be? Strike that. You
15:55:52 18 already answered that.

15:55:53 19 Are you -- do you know when it's used?

15:55:59 20 A. As directed, it would be a notice to a voter
15:56:04 21 registration applicant that the agency requesting
15:56:07 22 information has not yet received documentation from that
15:56:10 23 applicant of their United States citizenship status.

15:56:14 24 Q. Under the MOA, does USCIS have to approve

15:56:16 25 Arizona's documentary proof of citizenship deficiency

15:56:19 1 notice letters?

15:56:24 2 A. We do not have to approve them.

15:56:26 3 Q. How would an applicant learn of an issue with the
15:56:30 4 SAVE -- their SAVE query such that they would need to
15:56:32 5 correct, update, renew, obtain, or replace the records in
15:56:36 6 the SAVE system to obtain the benefit they're seeking from
15:56:39 7 the user agency?

15:56:42 8 A. The benefit applicants typically can communicate
15:56:44 9 with the user agency. They also would have access to the
15:56:48 10 SAVE CaseCheck system, which does provide information about
15:56:52 11 where the case is in the process.

15:56:54 12 Q. Back on USCIS SAVE 00011, which is appended to the
15:57:05 13 MOA, I just want to ask a few questions about this
15:57:09 14 document.

15:57:12 15 Is this a template that can be modified, or
15:57:15 16 is this what county recorders are actually required to
15:57:22 17 send?

15:57:23 18 A. This document is not a template.

15:57:26 19 Q. And what does this document notify voter
15:57:30 20 registration applicants of?

15:57:31 21 A. This document is titled "How to Obtain Your
15:57:35 22 Document or Correct Your Record with USCIS." So it
15:57:36 23 contains information as of its revision date of
15:57:41 24 October 2018 as to how an individual could request records
15:57:45 25 correction from USCIS.

15:57:46 1 Q. Can the SAVE system be used to correct, update,
15:57:49 2 renew, or replace records in USCIS?

15:57:52 3 A. No. SAVE does not do any records correction
15:57:55 4 activity. That would be through the USCIS systems of
15:57:58 5 record or the DHS system of record, depending on the
15:58:01 6 document.

15:58:01 7 Q. So how does an applicant go about correcting or
15:58:03 8 updating their records with DHS?

15:58:06 9 A. The applicant would need to make contact with the
15:58:09 10 agency that issued the record. So for purposes of USCIS
15:58:12 11 records, they would contact us typically through -- they
15:58:17 12 have a couple different channels, depending on the nature
15:58:19 13 of the correction that's needed.

15:58:20 14 So if they're not sure where to start, they
15:58:22 15 can call the national customer service center, which is our
15:58:24 16 800 number. At that point, they will be either directed to
15:58:28 17 complete a form -- such as if they need a replacement
15:58:31 18 certificate, you'll see that the form ends -- 565 is listed
15:58:34 19 on the fact sheet.

15:58:35 20 If it's a different type of record
15:58:37 21 correction, they may be referred to a USCIS field office in
15:58:41 22 order for that office to verify identity and to take the
15:58:45 23 record correction request.

15:58:47 24 At that point, they also would have an
15:58:48 25 opportunity to file a request through FOIA. And then the

15:58:52 1 FOIA process, in order to request records correction, this
15:58:56 2 document does reflect that they could directly schedule an
15:58:58 3 appointment for in-person interview at local USCIS. That
15:59:02 4 is no longer -- InfoPass is no longer in use. That's a
15:59:06 5 modified process now, so they would contact the national
15:59:09 6 customer service center in order to schedule an
15:59:12 7 appointment.

15:59:12 8 Q. Understood.

15:59:13 9 A. Or as the last item states, they can just send us
15:59:16 10 a letter directly and then that letter will be routed
15:59:18 11 appropriately for a records correction request.

15:59:21 12 Q. Okay. So I want to make sure I understand all of
15:59:23 13 the different avenues.

15:59:24 14 So they can file a form to obtain a
15:59:26 15 replacement naturalization certificate; that's one option
15:59:29 16 that's listed here; correct?

15:59:31 17 A. Correct.

15:59:31 18 Q. How much does that generally cost?

15:59:34 19 A. It depends on the nature of the correction. If
15:59:37 20 it's a USCIS error, I believe the form can be submitted
15:59:40 21 without a fee.

15:59:40 22 If it's an update or a change or it's a lost
15:59:43 23 or destroyed certificate, there would be a fee associated
15:59:46 24 with the form. And the most recent fee is published with
15:59:49 25 the form along with instructions on when the fee is

15:59:52 1 required on our website.

15:59:54 2 Q. How long does that process take?

15:59:56 3 A. It depends again on the nature of the correction.

15:59:59 4 Right now, the 565 processing times are posted on the USCIS
16:00:03 5 website under the processing times information page.

16:00:07 6 Q. And so you said before you can't schedule an

16:00:11 7 appointment anymore for an in-person --

16:00:13 8 A. You can no longer directly schedule an
16:00:15 9 appointment.

16:00:15 10 Q. Okay.

16:00:16 11 A. There was a period of time where we had a system
16:00:18 12 called InfoPass that applicants could go into to request a
16:00:21 13 specific appointment at a field office. That system was
16:00:24 14 phased out a couple of years ago. Now individuals would
16:00:30 15 call the USCIS customer contact center that will do an
16:00:31 16 intake process with the applicant and then schedule an
16:00:34 17 appointment as necessary.

16:00:35 18 Q. How quickly can an applicant get an appointment?

16:00:39 19 A. It depends on the field office and the
16:00:41 20 availability of the appointments. If there's an urgency --
16:00:44 21 urgent need for an appointment, that can be relayed to the
16:00:47 22 customer contact center and they can contact the field
16:00:49 23 office to see if a more recent appointment can be made
16:00:52 24 available.

16:00:52 25 Q. Does getting registered to vote in time for an

16:00:55 1 election qualify as an urgent need?

16:00:58 2 A. I don't know if that is a specifically labeled

16:01:00 3 item in the call center scripts.

16:01:03 4 Q. Okay. How quickly can the USCIS office act to

16:01:06 5 correct or update the person's record?

16:01:09 6 A. It depends on the nature of the correction.

16:01:12 7 Q. Ballpark?

16:01:15 8 A. It -- again, it would depend on the nature of the

16:01:17 9 correction, whether retrieval of the physical file is

16:01:20 10 required, whether there is data matching that has to be

16:01:22 11 done to look at different files and different records.

16:01:26 12 Again, it depends on the type of correction that's being

16:01:29 13 requested.

16:01:29 14 Q. For some corrections, could it take weeks or

16:01:32 15 months?

16:01:33 16 A. Depending on the complexity of the correction,

16:01:35 17 potentially, but that would be, I think, more unusual than

16:01:38 18 not.

16:01:41 19 Q. So another option is they could submit a

16:01:43 20 request -- the request in writing to correct the record.

16:01:46 21 How long does that method take to correct or update the

16:01:49 22 record?

16:01:50 23 A. Again, it would vary depending on the time for

16:01:53 24 intake of the request, the nature of the request, and how

16:01:55 25 the request would need to be routed to get to the

16:01:58 1 appropriate office for action.

16:01:59 2 Q. Are there any other means to correct or update a
16:02:03 3 record in the SAVE system?

16:02:04 4 I'll ask about the FOIA in a second.

16:02:06 5 A. Well, again, you would not be updating records in
16:02:09 6 the SAVE system. The record would be updated in the USCIS
16:02:11 7 system of record, and then SAVE would be able to access
16:02:15 8 that record when additional verification was performed.

16:02:20 9 Q. So if the applicant doesn't know the information
16:02:22 10 they need to correct, they first need to submit a FOIA
16:02:25 11 request; is that correct?

16:02:26 12 A. That is correct. That is the records process
16:02:28 13 through which applicants can access their immigration
16:02:31 14 record.

16:02:32 15 Q. How long do those FOIA requests generally take?

16:02:34 16 A. FOIA has a multitiered process for requests. They
16:02:38 17 would be able to submit a request for expedited. I don't
16:02:41 18 recall off the top of my head what the time period is for
16:02:44 19 the expedite request, but all of the information is
16:02:46 20 published on the FOIA pages on the USCIS website.

16:02:48 21 Q. Would they expedite a request for voter
16:02:53 22 registration purposes if there's an upcoming election?

16:02:55 23 A. Expedite is case-by-case determination. So it
16:02:58 24 would be reviewed in context and based on the factors and
16:03:01 25 justifications submitted.

16:03:03 1 Q. How easy or hard would you say that FOIA process

16:03:06 2 is for an applicant who isn't represented by counsel?

16:03:14 3 MR. MORGAN: Speculation.

16:03:19 4 BY MR. SHERMAN:

16:03:19 5 Q. You can answer.

16:03:20 6 A. As with all processes, it would depend on the

16:03:23 7 person's ability to navigate the process. Certainly, there

16:03:26 8 are barriers that could occur like language issues and

16:03:28 9 understanding, but our role is always to put processes

16:03:31 10 together that can be navigated by people who are

16:03:35 11 unrepresented; in fact, the majority of our processes are

16:03:37 12 designed to be used for people who are unrepresented. So

16:03:40 13 everything is publicly available; information is available

16:03:44 14 and the process is outlined online.

16:03:46 15 Q. How easy or hard would you say the correction or

16:03:49 16 updating process is for someone with a high school

16:03:52 17 education and high school literacy level?

16:03:55 18 MR. MORGAN: Calls for speculation.

16:03:58 19 MS. SLATTERY: Again, USCIS designs

16:04:01 20 communication materials to be readily understood by the

16:04:04 21 public accessing our systems.

16:04:06 22 BY MR. SHERMAN:

16:04:07 23 Q. Is this document USCIS SAVE 11 and also 12, the

16:04:13 24 back or reverse side -- is this available in translation?

16:04:17 25 A. It is not.

16:04:21 1 Q. Do you ensure that user agencies provide the same
16:04:25 2 information in translation?

16:04:27 3 A. That is not a requirement of the MOU.

16:04:31 4 Q. Are there any documents, fact sheets, notice
16:04:35 5 letters that the SAVE program requires that are available
16:04:40 6 in translation?

16:04:44 7 A. I am not aware of any at this time. I will say
16:04:48 8 that USCIS does have a Spanish-language website and that we
16:04:53 9 do have a multilingual web page that offers a variety of
16:04:58 10 resources. I do not recall whether any of the SAVE
16:05:01 11 resources are published to that site.

16:05:02 12 Q. So as far as you're aware, are there any
16:05:07 13 SAVE-related materials that are available in translation?

16:05:13 14 A. We do not currently have any published on the SAVE
16:05:16 15 system resources that agencies have access to.

16:05:21 16 Q. Do user agencies have any SAVE-related materials
16:05:25 17 that are available in translation?

16:05:28 18 A. I am not aware of any. That does not mean they
16:05:31 19 don't exist. I'm just not aware of them.

16:05:35 20 Q. Are any of the other witnesses aware of any such
16:05:41 21 materials?

16:05:47 22 MS. DOOLITTLE: I am not.

16:05:48 23 MR. FILIGHERA: I am not aware.

16:05:51 24 BY MR. SHERMAN:

16:05:52 25 Q. I think we've been over this before, the maiden

16:05:55 1 name issue, but the SAVE Program Guide, on page 93, if I

16:06:07 2 could ask you to just look back at that under second-level

16:06:23 3 verification, top of USCIS SAVE 93.

16:06:25 4 A. I have it.

16:06:26 5 Q. These instructions on second-level verification

16:06:29 6 explicitly call for unverified applicants' maiden names; is

16:06:34 7 that correct?

16:06:34 8 A. It indicates that it is one option that can be

16:06:36 9 added in the comments field in order to provide additional

16:06:39 10 information that would be able to be researched in -- in

16:06:42 11 DHS systems.

16:06:43 12 Q. Does that suggest that it is a common problem that

16:06:47 13 user agencies face or that the SAVE system faces?

16:06:52 14 A. I think it's reasonable to say that a change of

16:06:55 15 name particularly due to marriage is something that we

16:06:58 16 would encounter on a regular basis. And so being that that

16:07:02 17 would be one of the more common types of name change or

16:07:05 18 documentary changes that people would need to notify USCIS

16:07:08 19 of, that that's the reason it's included here.

16:07:11 20 Q. Just to make this concrete, can you just walk me

16:07:15 21 through again the steps an applicant would need to take to

16:07:18 22 create or update a DHS record that still has their maiden

16:07:23 23 or premarital name?

16:07:23 24 A. So I don't think we walked through the specific

16:07:25 25 steps. However, the steps that they would take was they

16:07:27 1 would need to contact the agency through one of the
16:07:30 2 appropriate channels; they would need to advise us of the
16:07:33 3 need of correction; and they would need to provide
16:07:35 4 documentary evidence showing the correction to be made. So
16:07:38 5 in the case of marriage, it would be a copy of a marriage
16:07:40 6 certificate indicating the change of name, or if they had
16:07:44 7 gone through a court procedure to change name, the order
16:07:48 8 documenting the change of name.

16:07:51 9 Q. How long does the process take once the voter
16:07:55 10 registration applicant submits the request and
16:07:57 11 documentation, like a marriage certificate?

16:07:58 12 A. Again, it would depend on the -- how the
16:08:02 13 information was submitted, the nature of the change, and
16:08:04 14 the process required in order to execute the change. So
16:08:07 15 again, if we have to pull a hard file in order to verify
16:08:11 16 information, that could take longer than something we're
16:08:13 17 able to do just through a systems check.

16:08:17 18 Q. How long does it take to renew a record that is
16:08:21 19 accessed within the SAVE system?

16:08:25 20 A. Do you mean a record that's been updated?

16:08:30 21 Q. Correct.

16:08:32 22 A. So I'll ask Mariah to jump in here as well.

16:08:36 23 Typically, I think once the record correction is updated
16:08:38 24 and it's available in the source systems, we would
16:08:42 25 generally expect -- have access to that record within about

16:08:45 1 24 hours of the system update based on how we connect to
16:08:49 2 that system.

16:08:51 3 MS. SLATTERY: Mariah, could you add?

16:08:52 4 MS. DOOLITTLE: Correct. Within 24 hours is
16:08:55 5 when we do -- we do multiple data refreshes, but that is
16:08:59 6 the basic timeline for us to get information from our data
16:09:02 7 links, which compose the information coming out from those
16:09:07 8 source systems.

16:09:07 9 BY MR. SHERMAN:

16:09:09 10 Q. How long does it take a benefit applicant to
16:09:11 11 obtain or replace a record that is accessed within the SAVE
16:09:16 12 system?

16:09:16 13 A. Can you repeat the question, please?

16:09:18 14 Q. How long does it take a benefit applicant to
16:09:20 15 obtain or replace a record that is accessed within the SAVE
16:09:25 16 system?

16:09:25 17 A. A USCIS record?

16:09:27 18 Q. Yes.

16:09:28 19 A. A DHS record? Again, it would depend on the
16:09:32 20 applicant making the record request for USCIS records.
16:09:34 21 That would be -- for a FOIA process, the processing
16:09:36 22 guidelines are published on the web page. I can't speak
16:09:39 23 for other agencies and their FOIA processes. However, they
16:09:44 24 usually publish their information to the web as well. I
16:09:48 25 don't know what their FOIA processing timelines are.

16:09:51 1 Q. Is one able to correct a name associated with an
16:09:54 2 alien registration number?

16:09:58 3 A. Can you say more about the question you're asking?
16:10:01 4 So if you have a record that contains an A-number and a
16:10:05 5 name and there's a name correction to be made?

16:10:08 6 Q. Correct.

16:10:09 7 A. Typically, that would be within a record confine.
16:10:13 8 So the information as it relates to the individual or the
16:10:17 9 form that is being updated or the output from that form --
16:10:22 10 so a receipt notice, a certificate -- those records would
16:10:25 11 all be related. And so the information update would be
16:10:28 12 made in the record.

16:10:30 13 Q. Okay. Last section. Just have a handful more
16:10:36 14 questions.

16:10:36 15 How long have Arizona election officials been
16:10:39 16 using the SAVE system for purposes of citizenship
16:10:42 17 verification upon receipt of a new voter registration
16:10:45 18 application?

16:10:47 19 A. The current MOA was signed in 2018.

16:10:51 20 Q. And before that point?

16:10:54 21 A. I don't know the original date. Was it 2016? It
16:11:01 22 would have been the counties, not the state. The state
16:11:03 23 would have been 2018.

16:11:05 24 Q. Okay. How many other states are using the SAVE
16:11:08 25 system for this purpose? I think you said earlier.

16:11:10 1 A. We've covered that already. Yeah, it was less
16:11:13 2 than ten. I think we determined that there were six total.

16:11:17 3 Q. Are any other state or county election authorities
16:11:20 4 anywhere in the nation using the SAVE system to investigate
16:11:23 5 currently registered voter citizenship status?

16:11:29 6 A. We do have, I believe, at least one state that is
16:11:46 7 using SAVE for voter list maintenance.

16:11:50 8 Q. In your view, is that the same as investigating
16:11:54 9 currently registered voter citizenship status?

16:12:03 10 A. What is your definition of "investigation" for
16:12:05 11 purposes of your question?

16:12:07 12 Q. That they would be plugging in registered voters'
16:12:12 13 information -- name, numeric identifiers -- into the SAVE
16:12:17 14 system to investigate their citizenship status.

16:12:21 15 A. Well, again, SAVE would not be providing anything
16:12:25 16 back but the citizenship information, so for purposes of
16:12:28 17 SAVE for -- and depending on the terms of the MOA, which I
16:12:32 18 don't have in front of me, SAVE would allow submission of
16:12:37 19 data for purposes of verifying information in association
16:12:42 20 with the terms of the MOA.

16:12:44 21 Q. Is it advisable to run the same person through the
16:12:48 22 SAVE system multiple times a year?

16:12:55 23 MR. WHITAKER: Objection. Ambiguous. Go
16:12:56 24 ahead.

16:12:59 25 MS. SLATTERY: We can have situations where

16:13:02 1 someone is run through SAVE's -- SAVE for different
16:13:05 2 purposes in a year. Again, we have applicants who may be
16:13:09 3 going to multiple benefit agencies for different purposes,
16:13:13 4 so we may in fact have information for those applicants
16:13:15 5 being submitted to SAVE.

16:13:18 6 BY MR. SHERMAN:

16:13:28 7 Q. Is USCIS able to monitor compliance with
16:13:31 8 requirements to send notices to the voter registration
16:13:33 9 applicants?

16:13:35 10 A. That's not a component of the SAVE system, no. We
16:13:40 11 don't currently monitor that through our system.

16:13:42 12 Q. How does USCIS enforce the additional verification
16:13:46 13 requirements?

16:13:48 14 A. We, again, have an escalating process where we
16:13:52 15 work with agencies to point out deficits in compliant
16:13:57 16 behavior and then to work with them to bring behavior into
16:14:00 17 compliance through our escalation process.

16:14:05 18 Q. Well, maybe I'll ask this concretely for Arizona.
16:14:07 19 Have you done monitoring and -- engaged in any monitoring
16:14:09 20 or reviewing of records on county recorders' usage of SAVE?

16:14:14 21 A. We have not done any since I joined the SAVE
16:14:19 22 program. I understand that in 2018 there was a proposed
16:14:24 23 opportunity to go out and do a desk audit. That was
16:14:28 24 suspended at the time while the negotiations about the MOA
16:14:30 25 were under way.

16:14:31 1 Q. Have there been any desk audits or site visits for
16:14:36 2 Arizona county recorders' offices?

16:14:39 3 A. I am not personally aware of any.

16:14:41 4 Q. Have there been any other audits of any Arizona
16:14:47 5 county recorder's activity regarding SAVE under the MOA?

16:14:51 6 A. Again, we have agency account relationship
16:14:53 7 managers that are in regular contact with agencies when
16:14:57 8 they have questions or issues or if we see an issue that we
16:15:00 9 need to reach out to the agency about, but specifically to
16:15:02 10 desk audits or site visits, I am not aware of any.

16:15:06 11 Q. Have there been any other systemic monitoring and
16:15:11 12 compliance activities focused on Arizona's use of the SAVE
16:15:14 13 system for purposes of voter registration?

16:15:20 14 A. I am not aware of any.

16:15:22 15 Q. Have you identified any noncompliance on the part
16:15:24 16 of the Arizona Secretary of State's Office or Arizona
16:15:28 17 county recorders?

16:15:37 18 I'll come back to this question in a minute.

16:15:39 19 We can -- we can pass on this for now.

16:15:40 20 What are the consequences for a user agency
16:15:43 21 if it does not comply with the MOA or other requirements?

16:15:46 22 A. As previously discussed, there's an escalating
16:15:49 23 process that we work through with agencies where we can and
16:15:52 24 often do require no -- revisiting training, completing
16:15:57 25 tutorials. We may talk with administrators of the agency

16:16:00 1 to ensure compliant behavior up to and including
16:16:04 2 terminating an agency from SAVE if the behavior is not
16:16:07 3 corrected.

16:16:08 4 Q. Have you ever suspended a user agency temporarily?

16:16:12 5 A. I am not aware individually of that occurring, but
16:16:18 6 I believe we have done so historically.

16:16:20 7 Q. Have you ever terminated a user agency's MOA and
16:16:24 8 access to SAVE?

16:16:25 9 A. Yes.

16:16:25 10 Q. How many?

16:16:27 11 A. I don't know the answer to that question.

16:16:29 12 Q. Why did you terminate them, if you remember some
16:16:36 13 of the reasons?

16:16:37 14 A. I don't know the answer to that question at this
16:16:39 15 time.

16:16:40 16 Q. Okay. Do you know if it was generally for
16:16:43 17 violation of the terms of their MOAs?

16:16:46 18 A. I don't know the answer to that question.

16:16:49 19 Q. I think you basically covered this, but just to
16:16:53 20 ensure: Have you ever engaged with any Arizona county
16:16:57 21 recorders directly about noncompliance with any part of the
16:16:59 22 MOAs?

16:17:01 23 A. Again, in 2018 there was the beginnings of a desk
16:17:04 24 audit process with the organization -- I believe it was --
16:17:09 25 I don't recall which county it was. We do have emails

16:17:12 1 showing that there was plans in the works to conduct a desk
16:17:16 2 audit. That was tabled pending completion of the MOA
16:17:19 3 negotiations.

16:17:21 4 Q. What triggered that conversation, exploring a desk
16:17:26 5 audit?

16:17:26 6 A. I don't have that information.

16:17:29 7 Q. If would could take a look at 1744 and 1743.
16:17:33 8 These were previously marked as Exhibit 186 and
16:17:36 9 Exhibit 187.

16:17:59 10 Just to rehearse, what are these two
16:18:02 11 spreadsheets again? And how were they created?

16:18:05 12 A. So 1744 is labeled "Inq 9," which relates to
16:18:12 13 Inquiry 9 of the subpoena in this proceeding. 1743 is
16:18:17 14 labeled "Inquiry 10" and relates to Inquiry 10 of the
16:18:20 15 subpoena. These documents are data tables showing
16:18:26 16 information about the use of the Arizona recorders' offices
16:18:30 17 and secretary of state and their SAVE cases.

16:18:34 18 Q. And you're attesting to the accuracy of this data;
16:18:37 19 correct?

16:18:37 20 A. Yes.

16:18:38 21 Q. And again, the Arizona Secretary of State's Office
16:18:43 22 is listed here because it's a stand-in for the other 12
16:18:49 23 counties that are using the SAVE system through its
16:18:51 24 account?

16:18:52 25 A. Correct.

16:18:54 1 Q. Did the data contained in these spreadsheets come
16:18:59 2 to USCIS's attention in preparing these documents in
16:19:02 3 response to the subpoena, or has this history been
16:19:06 4 documented previously and brought to your attention?

16:19:09 5 A. These tables were consolidated for purposes of
16:19:12 6 this proceeding.

16:19:18 7 Q. Have the -- well, if I could just clarify the
16:19:19 8 question.

16:19:20 9 So you were -- were you aware of the
16:19:22 10 information that's contained in these tables -- these
16:19:25 11 spreadsheets before they were compiled?

16:19:31 12 A. The first time I had access to this data was when
16:19:35 13 these spreadsheets were put together.

16:19:36 14 Q. Having now reviewed the data in 1744 and 1743 --
16:19:41 15 and you could take a minute or two to look back through
16:19:44 16 it -- would you say that Arizona's county recorders have
16:19:47 17 been complying with the additional verification procedure
16:19:49 18 requirements?

16:19:52 19 A. The data indicates that for purposes of using the
16:19:56 20 SAVE system for additional verification, for second step,
16:19:58 21 and third step, that cases have not been routinely
16:20:01 22 submitted and completed through those steps.

16:20:08 23 Where we do see consistent use -- and this is
16:20:12 24 on Table 9 for the Pima County Recorder's Office -- the
16:20:18 25 cases that were submitted for additional verification, we

16:20:22 1 do have completed responses either confirming or showing a
16:20:24 2 lack of additional -- a lack of verification for all cases
16:20:28 3 submitted.

16:20:28 4 Q. I want to drill down into this some.

16:20:33 5 For Maricopa, Pima, Yavapai, would you agree
16:20:38 6 that these entries show very, very low compliance with the
16:20:41 7 additional verification requirement and in some cases zero
16:20:45 8 compliance with that requirement?

16:20:47 9 A. The data indicates that cases were not submitted
16:20:49 10 to second step or third step in the SAVE system.

16:20:53 11 Q. For example, in 2020, there were over 1,000 cases
16:20:59 12 out of Maricopa that could not be verified upon initial
16:21:02 13 verification; is that correct?

16:21:03 14 A. That is correct.

16:21:05 15 Q. And the Maricopa County Recorder's Office
16:21:08 16 submitted just three of those to SAVE for additional
16:21:12 17 verification; correct?

16:21:13 18 A. Which document are you looking at?

16:21:15 19 Q. Sorry. 1744. If you look at line 2020 -- year --
16:21:20 20 the year is 2020 for Maricopa County Recorder's Office.

16:21:24 21 A. Yes. It indicates three cases were submitted for
16:21:27 22 additional verification. All three were determined to be
16:21:32 23 confirmed citizens after the additional information was
16:21:35 24 provided.

16:21:36 25 Q. And that's 3 out of over 1,000 cases that were

16:21:40 1 submitted for additional -- 3 out of -- 3 out of 1,000
16:21:45 2 cases that were not verified upon initial verification; is
16:21:50 3 that correct?

16:21:50 4 A. The 1,800 cases in Column 2 represents those
16:21:56 5 records that were confirmed at initial verification.

16:21:59 6 Q. So subtracting that --

16:22:01 7 A. So that would be the remainder, yes.

16:22:03 8 Q. Subtracting that from the total cases submitted to
16:22:05 9 SAVE by Arizona agencies, you agree that there were about
16:22:09 10 1,000 -- over 1,000 cases that did not verify upon initial
16:22:14 11 verification; correct?

16:22:16 12 A. Numerically, that's the difference between the two
16:22:18 13 numbers, yes.

16:22:18 14 Q. And only 3 of those 1,000-plus cases were
16:22:22 15 forwarded to additional verification; correct?

16:22:24 16 A. Through the SAVE system, yes.

16:22:26 17 Q. And then in 1743, in the same year, 2020, for the
16:22:37 18 Maricopa County Recorder's Office, there were 1,037 cases
16:22:43 19 where SAVE requested Arizona to provide additional
16:22:46 20 information but none was provided. Do you see that?

16:22:50 21 A. I do.

16:22:51 22 Q. And then of those, two cases were submitted to
16:22:56 23 additional verification?

16:23:00 24 A. That's what's indicated in the data, yes.

16:23:01 25 Q. And back on 1744, is it correct that for the

16:23:07 1 current year, 2023, that Maricopa, Pima, and all the other
16:23:14 2 counties represented in the last line, the Office of the
16:23:17 3 Secretary of State, no county has submitted any case for
16:23:20 4 additional verification this year?

16:23:23 5 A. That's what the data indicates, yes.

16:23:25 6 Q. Is there a lag in when this data is recorded, or
16:23:28 7 is what I just said accurate?

16:23:32 8 A. The data is accurate as of the date it was run,
16:23:35 9 which was in July of this year. If there were additional
16:23:38 10 submissions after that date, they would not be reflected in
16:23:40 11 the data that's in front of us today.

16:23:42 12 Q. Understood.

16:23:44 13 So in the best-case scenario in this chart,
16:23:47 14 in 1744, in 2020, Pima submitted a little under half of its
16:23:51 15 cases for additional verification where USCIS requested
16:23:55 16 additional verification; is that correct?

16:23:58 17 A. And you're looking at the 1744 for 2020 for Pima
16:24:05 18 County?

16:24:05 19 Q. Correct.

16:24:06 20 A. Yes. Indicates there were 107 cases submitted for
16:24:12 21 additional verification.

16:24:14 22 Q. So even in the best case, Pima County -- Pima
16:24:18 23 County Recorder's Office failed to initiate additional
16:24:20 24 verification in over half of the cases where your agency
16:24:23 25 requested it; correct?

16:24:24 1 A. The data indicates only 107 cases were submitted.

16:24:29 2 Q. Do you agree that these spreadsheets we've been
16:24:31 3 looking at show this noncompliance with additional
16:24:35 4 verification procedures has been ongoing from 2016
16:24:38 5 through 2023?

16:24:41 6 MR. WHITAKER: Objection. Ambiguous and
16:24:43 7 calls for a legal conclusion.

16:24:50 8 BY MR. SHERMAN:

16:24:50 9 Q. Let me back up one step.

16:24:52 10 Do you agree that these spreadsheets we've
16:24:55 11 been looking at show a history of noncompliance?

16:25:00 12 MR. WHITAKER: Same objection.

16:25:03 13 MR. LANGHOFER: Legal conclusion.

16:25:07 14 MS. SLATTERY: Again, I think we would
16:25:08 15 need -- the data, as it is laid out, indicates what it
16:25:12 16 indicates. We would need to look more deeply at the data
16:25:15 17 and take a look at the agency's history and do a compliance
16:25:20 18 consultation with them to understand fully what the data
16:25:23 19 indicates and whether there were any actions taken outside
16:25:25 20 of SAVE.

16:25:26 21 BY MR. SHERMAN:

16:25:27 22 Q. What do you mean when you say "actions taken
16:25:29 23 outside of SAVE"?

16:25:31 24 A. Again, per the SAVE user guide, agencies may not
16:25:35 25 need to continue with second or third step if they have

16:25:37 1 used alternate verification procedures.

16:25:40 2 Q. And so you have -- USCIS doesn't have knowledge or
16:25:45 3 data on whether these alternative procedures have been
16:25:48 4 used; correct?

16:25:49 5 A. We would not.

16:25:50 6 Q. So in some instances, perhaps if you -- if you
16:26:04 7 generate an additional verification, an IAV notice,
16:26:11 8 institute additional verification notice, or response
16:26:13 9 through the SAVE system, the county recorder's office is
16:26:19 10 obligated to take that step -- correct? -- at that time?

16:26:22 11 A. They would be --

16:26:23 12 MR. WHITAKER: Objection. Calls for legal
16:26:25 13 conclusion.

16:26:26 14 MS. SLATTERY: The user would be prompted by
16:26:32 15 the system to complete that next step in the process and
16:26:35 16 would receive the institute additional verification
16:26:39 17 notification.

16:26:39 18 BY MR. SHERMAN:

16:26:46 19 Q. Over this -- so in 1744, this goes back to 2018;
16:26:53 20 in 1743, this goes back to 2016. In all this time, has
16:26:58 21 USCIS taken steps to investigate whether there were
16:27:03 22 alternative procedures that were -- that were used by
16:27:07 23 Arizona county recorder offices in lieu of initiating
16:27:11 24 additional verification?

16:27:13 25 A. As previously mentioned, in 2018 the organization

16:27:17 1 was in the process of putting together a desk audit and a
16:27:20 2 site visit with some of the agencies. That audit was
16:27:24 3 terminated -- or postponed, I would say, due to the MOA
16:27:28 4 negotiations that were undergoing -- under way.

16:27:31 5 Q. And then after 2018, there's been noncompliance --
16:27:37 6 at least on paper, it looks like noncompliance with the
16:27:41 7 additional verification requirement.

16:27:43 8 Did USCIS take any steps over the last five
16:27:46 9 years to investigate whether the county recorders' offices
16:27:49 10 were instituting additional verification procedures or
16:27:55 11 using alternative means --

16:27:56 12 MR. WHITAKER: Objection.

16:27:57 13 BY MR. SHERMAN:

16:27:57 14 Q. -- in lieu of them?

16:28:01 15 MR. WHITAKER: Sorry. Objection.
16:28:02 16 Argumentative to the first part of the question.

16:28:04 17 MR. SHERMAN: I didn't mean to be
16:28:06 18 argumentative at all. I can restate it if necessary.

16:28:13 19 MR. BURKLEY: Can you answer it?

16:28:14 20 MS. SLATTERY: I'm not aware of specific
16:28:16 21 actions that have been taken to follow up on whether
16:28:19 22 additional alternative procedures are being used.

16:28:21 23 BY MR. SHERMAN:

16:28:22 24 Q. Thank you. I appreciate that. That's all I was
16:28:24 25 trying to figure out.

16:28:25 1 Have there been any warnings or notices

16:28:31 2 issued to Arizona county recorders based on the data

16:28:34 3 reflected in these spreadsheets?

16:28:37 4 A. I am not aware of any at this time.

16:28:39 5 Q. Any corrective measures?

16:28:45 6 A. I'm not aware of any at this time.

16:28:47 7 Q. Any suspensions or terminations?

16:28:51 8 A. I am not aware if there have been any suspensions

16:28:55 9 or terminations at this time.

16:28:55 10 Q. Would this past apparent noncompliance with the

16:29:00 11 additional verification requirement factor into USCIS's

16:29:02 12 willingness to modify or expand the MOA to cover new uses

16:29:06 13 required by Arizona law, such as using SAVE to investigate

16:29:10 14 the current citizenship status of currently registered

16:29:13 15 voters?

16:29:15 16 MR. WHITAKER: Objection to the phrase

16:29:17 17 "apparent noncompliance." It's argumentative.

16:29:23 18 MS. SLATTERY: We would look at the new MOA

16:29:26 19 negotiations. We would, of course, be looking at the legal

16:29:29 20 authorities and the purpose for which the verification is

16:29:31 21 being proposed and would be looking at whether those

16:29:36 22 purposes are clearly outlined in the legislation.

16:29:40 23 BY MR. SHERMAN:

16:29:40 24 Q. Would USCIS need to assure itself that alternative

16:29:45 25 processes account for the shortfall in additional

16:29:49 1 verification reflected in 1744 and 1743?

16:29:55 2 A. I'm not sure I understand the question. Can you
16:29:58 3 restate, please?

16:29:58 4 Q. Before -- I'll restate it.

16:29:59 5 Before engage- -- before modifying or

16:30:02 6 expanding Arizona's existing MOA to use the SAVE system,

16:30:08 7 would USCIS need to investigate whether or not there have

16:30:15 8 been alternative processes that explain the shortfall in

16:30:22 9 additional verification procedures that have been -- that

16:30:24 10 are reflected in 1744 and 1743?

16:30:30 11 MS. PORTER: Form

16:30:37 12 MS. SLATTERY: As I don't have a current

16:30:39 13 request from -- for expansion in front of me and this data

16:30:42 14 is data I learned about through the course of this

16:30:45 15 proceeding, we would be evaluating any new requests on a

16:30:48 16 case-by-case basis, considering all the factors in front of

16:30:51 17 us at the time.

16:30:51 18 BY MR. SHERMAN:

16:30:53 19 Q. And what would those factors be?

16:30:54 20 A. Again, we would be looking at the legal

16:30:56 21 authorities and the proposed use of the system.

16:31:01 22 Q. Would some of the factors include this history

16:31:04 23 reflected in 1744 and 1743?

16:31:26 24 A. Sorry. I'm thinking.

16:31:27 25 Q. Take your time.

16:31:30 1 A. Potentially.

16:31:32 2 Q. In this circumstance, the SAVE system and USCIS's
16:31:37 3 additional verification procedures are gatekeepers not for
16:31:42 4 public assistance but for applicants to exercise their
16:31:44 5 right to vote.

16:31:46 6 Given the history and the data reflected here
16:31:49 7 in 1744 and 1743, is USCIS comfortable with expanding
16:31:54 8 the -- the use of the SAVE system by Arizona election
16:31:58 9 officials to encompass the removal of voters from the
16:32:02 10 rolls?

16:32:02 11 A. We do not have --

16:32:12 12 (Reporter clarification.)

16:32:12 13 MS. PORTER: Form.

16:32:15 14 MS. SLATTERY: We don't currently have a
16:32:16 15 request in front of us proposing expanded use of the
16:32:19 16 Arizona MOA. We're proposing a new MOA by another Arizona
16:32:24 17 user.

16:32:25 18 BY MR. SHERMAN:

16:32:25 19 Q. Right. I understand you don't currently, but if
16:32:27 20 Arizona laws have changed -- if you were to have such a
16:32:32 21 proposal in the future? Same question.

16:32:39 22 MS. PORTER: Form.

16:32:40 23 MR. LANGHOFER: Form. Scope. Speculation.

16:32:43 24 MS. SLATTERY: Again, we would take into
16:32:44 25 consideration the facts present before us at the time a

16:32:47 1 request would come to us. We do not currently have a
16:32:50 2 request in front of us asking for changes to the MOA or for
16:32:54 3 a new user to be added to SAVE for the purposes you
16:32:58 4 described.

16:32:58 5 BY MR. SHERMAN:

16:33:01 6 Q. So are you aware that HB 2243, as enacted in
16:33:05 7 Arizona, requires the use of the SAVE system to check any
16:33:12 8 person that county recorders or their staff have reason to
16:33:16 9 believe is not a U.S. citizen?

16:33:20 10 A. I'm aware that the legislation exists. Again, we
16:33:23 11 do not have a request in front of us to use SAVE for that
16:33:26 12 purpose.

16:33:27 13 Q. Is USCIS required by federal law to expand the
16:33:38 14 Arizona MOA to include such voter removal or voter list
16:33:44 15 maintenance activities?

16:33:47 16 MR. LANGHOFER: Calls for a legal conclusion.

16:33:51 17 MR. BURKLEY: Objection. Calls for a legal
16:33:51 18 conclusion.

16:33:53 19 I'll let you answer if you're comfortable
16:33:56 20 with it.

16:34:07 21 (Inaudible conversation.)

16:34:07 22 MR. MORGAN: I don't know that we're picking
16:34:09 23 her up, Counselor.

16:34:12 24 MS. SLATTERY: Can you repeat the question,
16:34:15 25 please?

16:34:15 1 BY MR. SHERMAN:

16:34:16 2 Q. Sure.

16:34:16 3 Is USCIS required by federal law to expand
16:34:22 4 Arizona's MOA to include the purpose -- the activity I just
16:34:27 5 described from HB 2243?

16:34:30 6 MR. LANGHOFER: Same objection.

16:34:31 7 MR. WHITAKER: Another objection I'll add is
16:34:32 8 I think we're pretty far beyond the scope of the
16:34:35 9 30(b)(6) -- I mean the -- yeah, the deposition topics,
16:34:37 10 unless I'm mistaken.

16:34:41 11 MR. BURKLEY: If you don't know --

16:34:41 12 MR. BUSCH: Yeah, I mean, are you asking her
16:34:41 13 to basically testify as -- like an expert witness about
16:34:49 14 what federal law requires in a future hypothetical
16:34:51 15 situation?

16:34:51 16 MR. SHERMAN: Well, the law has been passed.
16:34:53 17 It's enacted. It's not been implemented yet. Inevitably,
16:34:57 18 the SAVE system is going to get this request. I'm just
16:35:03 19 trying to ascertain how you would evaluate that request
16:35:06 20 when inevitably it comes to you, barring some court --
16:35:09 21 barring some injunction against the law.

16:35:13 22 MR. BUSCH: She answered that at least three
16:35:16 23 or four times.

16:35:18 24 MR. SHERMAN: Okay. Fair enough.

16:35:18 25 BY MR. SHERMAN:

16:35:21 1 Q. Does USCIS -- when a -- when a state enacts a new
16:35:28 2 law, how do you evaluate requests for an MOA from that
16:35:33 3 state to fulfill the purposes of that new law?

16:35:37 4 A. Again, as I've already outlined, we would ask --
16:35:41 5 A, the state would have to come to us for purposes of
16:35:43 6 registering for SAVE. As part of that, they would be
16:35:46 7 required to submit the legal authorities under which they
16:35:51 8 are able to verify immigration status as well as -- sorry.
16:35:57 9 There are two factors. I lost the second one.

16:36:00 10 The purpose for using SAVE and the legal
16:36:03 11 authority to verify immigration status, they would need to
16:36:06 12 provide documentation of those requirements to us. That
16:36:10 13 information would go through a legal review with the Office
16:36:13 14 of Chief Counsel and with SAVE personnel, and then we
16:36:17 15 would -- if both of those things prove to be true and the
16:36:19 16 authorization is there, we would move into MOA discussions.

16:36:24 17 Q. Do you think that given -- given SAVE is sort of
16:36:28 18 the ultimate arbitrator of whether certain people can
16:36:33 19 register to vote in Arizona, do you think that calls for
16:36:37 20 greater enforcement of the additional verification
16:36:40 21 requirement as -- as presented in the MOA?

16:36:44 22 A. First, I'd like to clarify your statement that
16:36:46 23 SAVE is an arbitrator.

16:36:48 24 MR. WHITAKER: Yeah, I was going to object.
16:36:50 25 I was going to object as argumentative to that part of it.

16:36:53 1 MR. LANGHOFER: And scope.

16:36:54 2 BY MR. SHERMAN:

16:36:54 3 Q. I can -- I can rephrase the question.

16:36:56 4 Given -- given the SAVE system ultimately
16:37:02 5 will dictate whether certain individuals can register and
16:37:07 6 vote in Arizona, does that, to your mind, call for greater
16:37:11 7 enforcement of the additional verification requirement in
16:37:14 8 the MOA?

16:37:15 9 MR. LANGHOFER: Scope.

16:37:18 10 MS. PORTER: Form.

16:37:20 11 MS. SLATTERY: Again, SAVE does not make
16:37:23 12 eligibility determinations. SAVE provides information that
16:37:27 13 the benefit agency may use in making an eligibility
16:37:30 14 determination.

16:37:32 15 BY MR. SHERMAN:

16:37:33 16 Q. Understood.

16:37:34 17 Given that Arizona county recorders are
16:37:36 18 relying on the SAVE system to determine whether or not
16:37:40 19 registration applicants -- and if HB 2243 goes into effect,
16:37:45 20 registered voters can continue to vote in Arizona -- does
16:37:49 21 that call for greater enforcement of the additional
16:37:52 22 verification requirement?

16:37:54 23 MR. LANGHOFER: Scope.

16:37:56 24 MR. MORGAN: Calls for a legal conclusion.

16:38:02 25 MS. SLATTERY: Again, SAVE provides

16:38:04 1 information that is used by state agencies in eligibility
16:38:08 2 benefit determinations. SAVE will follow through with the
16:38:11 3 terms of the MOA and will execute our compliance activities
16:38:16 4 as outlined.

16:38:18 5 BY MR. SHERMAN:

16:38:19 6 Q. Do you know if a third-party benefit applicant can
16:38:25 7 sue to enforce the terms of the MOA?

16:38:28 8 MR. LANGHOFER: Calls for legal conclusion.
16:38:29 9 Scope.

16:38:34 10 BY MR. SHERMAN:

16:38:35 11 Q. If you want to refer to the MOA, page 8,
16:38:38 12 Section VI(D). This is my last question.

16:38:48 13 Page 8, there's a section on third-party
16:38:52 14 liability. It says, "Each party of this MOA shall be
16:38:53 15 solely responsible for its own defense against any claim or
16:38:57 16 action by third parties arising out of or related to the
16:39:00 17 execution and/or performance of this MOA, whether civil or
16:39:04 18 criminal, and retain responsibility for the payment of any
16:39:06 19 corresponding liability."

16:39:13 20 Do you know if -- do you know if third-party
16:39:17 21 benefit applicants can sue to enforce the terms of the MOA?
16:39:23 22 Have they done so?

16:39:25 23 MR. LANGHOFER: Same objections. Plus
16:39:26 24 compound.

16:39:29 25 MS. SLATTERY: I am not aware of any suits in

16:39:32 1 that regard. And the document, as you outlined, speaks for
16:39:34 2 itself.

16:39:35 3 BY MR. SHERMAN:

16:39:36 4 Q. Okay.

16:39:36 5 MR. SHERMAN: Thank you very much,
16:39:38 6 Ms. Slattery, Ms. Doolittle, and Mr. Filighera. Those are
16:39:44 7 all the questions I have.

16:39:47 8 I think other plaintiffs' counsel might have
16:39:50 9 an additional question or two, and then we can move on to
16:39:53 10 the defendants' counsel. Thank you again for your time
16:39:56 11 today.

16:40:07 12 MR. HERRERA: Would it be possible to take a
16:40:09 13 five-minute break to confer with counsel -- with counsel?
16:40:15 14 It's just -- I may not have any questions, but just to
16:40:18 15 verify.

16:40:19 16 MR. MORGAN: The answer from my perspective
16:40:20 17 is of course. Of course, you can have five minutes to
16:40:27 18 talk.

16:40:27 19 MR. HERRERA: All right. Thanks.

16:40:27 20 Can we go off the record.

16:40:28 21 THE VIDEOGRAPHER: We are off the record.

16:40:29 22 Time on the video monitor is 4:40 p.m.

16:49:31 23 (A recess ensued.)

16:49:31 24 THE VIDEOGRAPHER: We are on the record.

16:49:52 25 Time on the video monitor is 4:50 p.m.

16:49:58 1 MR. HERRERA: Ernest Herrera for Promise
16:50:00 2 Arizona's plaintiffs. Good afternoon. I don't -- I don't
16:50:02 3 have any questions for you. So I'm going to pass the
16:50:05 4 witness.

16:50:05 5 Sorry. That was a little anticlimactic, but
16:50:08 6 thank you.

16:50:15 7 MR. MORGAN: Are there any questions from any
16:50:18 8 other plaintiffs?

16:50:20 9 MS. LANG: No, there are not any further
16:50:22 10 questions from other plaintiff groups. So this can be
16:50:25 11 passed to the defendants at this point.

16:50:26 12 MR. MORGAN: Good deal. Anybody on the
16:50:28 13 defense side have any questions for these folks?

16:50:30 14 MR. WHITAKER: I do. Sorry. On a -- late on
16:50:33 15 a Friday. But it will be a lot shorter, I promise. I'm a
16:50:38 16 very short person.

16:50:40 17 MR. MORGAN: I swear if you say "handful,"
16:50:41 18 I'm going to throw my monitor at a window.

16:50:47 19 MR. WHITAKER: I won't use that word.

16:50:47 20

16:50:47 21 EXAMINATION

16:50:47 22 BY MR. WHITAKER:

16:50:49 23 Q. I did want to ask about -- first of all, thank you
16:50:54 24 very much for your time. And I'll try to be as sensitive
16:50:56 25 to your time as possible.

16:50:59 1 I did want to ask about -- and this is -- I
16:51:03 2 did want to ask about a document USCIS SAVE 000666. I
16:51:10 3 don't know whether that's one you printed or not or whether
16:51:12 4 I need to pull it up and share my screen.

16:51:17 5 A. It's not currently printed, but we have it up on
16:51:19 6 the computer.

16:51:20 7 Q. Okay.

16:51:23 8 MR. WHITAKER: And then the court reporter,
16:51:24 9 do you have it? Or will you be able to have access to it?

16:51:36 10 (An off-the-record discussion ensued.)

16:51:36 11 MR. WHITAKER: I think -- well, let me
16:51:39 12 authenticate it first.

16:51:46 13 THE COURT REPORTER: And we'll mark this
16:51:46 14 Exhibit 199?

16:51:48 15 MR. WHITAKER: Yeah.

16:51:48 16 (The document was marked as Exhibit 199
16:51:49 17 for identification.)

16:51:49 18 BY MR. WHITAKER:

16:51:50 19 Q. So this document is titled "How to Initiate a Case
16:51:54 20 Involving a Potentially Fraudulent Document"; is that
16:51:58 21 right?

16:51:58 22 A. That is the document I'm looking at, yes.

16:52:00 23 Q. And can you explain a little bit about the purpose
16:52:04 24 of this document?

16:52:06 25 A. So this is an information sheet that SAVE produced

16:52:10 1 in order to advise agencies of a new capability within the
16:52:14 2 SAVE system that would allow them to identify documents
16:52:19 3 that they believe may be of a questionable nature.

16:52:22 4 Q. And what do you mean by "questionable nature"?

16:52:26 5 A. If there's something about the document that the
16:52:28 6 agency doesn't think looks legitimate.

16:52:31 7 Q. What would be the example of that?

16:52:34 8 A. It could be anything, I suppose. There's a
16:52:39 9 watermark that doesn't look right; there's a photograph
16:52:41 10 that appears to have been altered; there is information on
16:52:45 11 the document that appears to have been altered; it doesn't
16:52:48 12 appear to be legitimate based on what they know to be a
16:52:52 13 legitimate document issued by the agency.

16:52:54 14 Q. And this is an update in 2019.

16:52:57 15 Was there a process before 2019 by which a
16:53:00 16 user agency could alert USCIS to this sort of document?

16:53:07 17 A. USCIS has a variety of different capabilities
16:53:10 18 where people can report information to us. There are tip
16:53:16 19 lines that work through our FDNS teams. They can send
16:53:16 20 letters to the agency. As with all communication,
16:53:21 21 applicants can always send us something or agencies can
16:53:23 22 send us something if they're concerned about information.

16:53:26 23 Q. I see the first sentence of this document says,
16:53:32 24 "The 2019 update of the SAVE interface has made it possible
16:53:37 25 to flag potentially fraudulent documents at initial

16:53:40 1 verification."

16:53:40 2 So was the idea here that before there wasn't
16:53:45 3 an easy way to do that at the initial verification through
16:53:48 4 SAVE and after 2019 there is?

16:53:51 5 A. It's a system capability that was added in the
16:53:54 6 SAVE system so there's a way to do it as part of submitting
16:53:57 7 data into the system.

16:53:59 8 Q. And why was that update made in 2019?

16:54:05 9 A. I wasn't present when that information was added
16:54:09 10 to the system. Based on the information in the document in
16:54:14 11 front of me today, it was an additional capability that we
16:54:16 12 either probably had received requests from user agencies,
16:54:19 13 because we do modify the system in response to feedback, or
16:54:24 14 it was an identified need that the agency identified.

16:54:27 15 Q. Okay. So to the best of your knowledge anyway, it
16:54:32 16 was probably based on either agency users asking for this
16:54:35 17 sort of system or someone within USCIS asking for this sort
16:54:44 18 of mechanism; is that fair?

16:54:46 19 A. Those are two of the primary ways through which we
16:54:49 20 would begin the process for making system updates. There
16:54:52 21 are other avenues through which we can receive information
16:54:54 22 or recommended updates.

16:54:58 23 Q. Do you know whether the secretary of state or
16:55:10 24 recorders in Arizona have access to this mechanism?

16:55:14 25 A. I do not know specifically. This is a feature

16:55:16 1 that is available in the online browser system, though, so
16:55:20 2 if they're using it through the USCIS SAVE browser system,
16:55:23 3 it is a feature that's available.

16:55:26 4 Q. Is it a standard feature?

16:55:29 5 MS. SLATTERY: Mariah, can you chime in on
16:55:31 6 that?

16:55:31 7 MS. DOOLITTLE: Yes. So when somebody is
16:55:34 8 accessing SAVE through the web browser, that means any
16:55:37 9 agency that accesses it that way, any of their users that
16:55:41 10 access it that way, any of their groups that access it that
16:55:44 11 way, it's the same package. So it -- it's no different
16:55:48 12 than if you go to any website, you're going to see the same
16:55:52 13 thing as somebody else.

16:55:54 14 We don't have a subscriber service or
16:55:57 15 anything like that where you get better features or not.
16:55:59 16 It's just the same for users or web browser users. They
16:56:06 17 would have access to it.

16:56:06 18 BY MR. WHITAKER:

16:56:08 19 Q. Have any agency users used this mechanism since
16:56:11 20 2019?

16:56:14 21 MR. MORGAN: Foundation.

16:56:17 22 MS. SLATTERY: I don't have any --

16:56:17 23 (Reporter clarification.)

16:56:21 24 MS. SLATTERY: I don't have any data
16:56:25 25 responsive to that question in front of me. I'm not able

16:56:27 1 to answer.

16:56:28 2 BY MR. WHITAKER:

16:56:32 3 Q. Does any other witness know whether an agency user
16:56:35 4 has used this mechanism since it was implemented in 2019?

16:56:46 5 MS. SLATTERY: Russ or Mariah, do you have
16:56:47 6 any responsive information?

16:56:49 7 MR. FILIGHERA: I don't have statistics, but
16:56:50 8 I have seen the flag on a case before. But to what extent,
16:57:00 9 how often, and who, I could not answer.

16:57:07 10 BY MR. WHITAKER:

16:57:07 11 Q. And then just to close the loop on that, Mariah,
16:57:09 12 is it fair to say you don't -- you know you know?

16:57:11 13 MS. DOOLITTLE: Yes. That feature predates
16:57:13 14 me. I wouldn't be tracking it as to how often somebody
16:57:16 15 would be using it.

16:57:16 16 But to Russ, when cases do go to manual
16:57:19 17 verification, which that would -- as he indicated, he has
16:57:24 18 seen the flag when that happens. But without any data in
16:57:27 19 front of any of us, it would be hard to say if there's an
16:57:31 20 upward trend, downward trend, if it's never used, always
16:57:34 21 used. It would just be hard to say.

16:57:37 22 BY MR. WHITAKER:

16:57:37 23 Q. I see that on that first page there's a Step 2
16:57:41 24 that says, "Request Fraud & Continue."

16:57:47 25 I'll read the second sentence in that

16:57:48 1 paragraph. It says, "You must have a document to proceed
16:57:51 2 with initial verification for all cases you suspect are
16:57:55 3 fraudulent."

16:57:58 4 Does -- does the SAVE system offer guidance
16:58:01 5 as to what counts as a case that is suspected to be
16:58:05 6 fraudulent?

16:58:08 7 A. I am not aware at this time of specific guidance
16:58:21 8 regarding fraudulent information. As an agency, USCIS does
16:58:25 9 share information about fraud that can occur, and we do
16:58:29 10 have outreach efforts to benefit applicants to talk to them
16:58:33 11 about not engaging with persons who would give them
16:58:36 12 fraudulent information or assist them in filing fraudulent
16:58:39 13 documents. I'll stop there.

16:58:49 14 Q. If I wanted to see that guidance, where would I go
16:58:52 15 to look for it?

16:58:57 16 A. For the agency?

16:58:58 17 Q. Yeah.

16:58:58 18 A. Typically, it would be on our USCIS website.

16:59:05 19 Q. Do you know whether the agency lists all
16:59:09 20 circumstances that could count as a case suspected to be
16:59:13 21 fraudulent?

16:59:17 22 A. No. I think that there's likely to be more
16:59:22 23 exemplar information. An exhaustive list could be
16:59:28 24 extensive.

16:59:29 25 Q. Do you think it would be practical to try to

16:59:31 1 create an exhaustive list of all situations that could
16:59:35 2 count as cases suspected to be fraudulent?

16:59:47 3 A. Again, "exhaustive" by its mere definition
16:59:51 4 suggests that it would be an enormous effort. And given
16:59:53 5 the variety of ways that things can be changed or altered,
16:59:58 6 I would hesitate to say that we could complete an
17:00:00 7 exhaustive list from that.

17:00:04 8 Q. I'll go to the next page, Step 4: "Case escalated
17:00:10 9 to third-level verification."

17:00:11 10 It says, "When a fraud case is initiated, it
17:00:14 11 bypasses initial verification and is escalated for manual
17:00:18 12 verification."

17:00:20 13 I think earlier the testimony was along the
17:00:22 14 lines that manual verification is thorough; it refers -- it
17:00:26 15 involves potentially electronic and physical document
17:00:30 16 review. Is that right?

17:00:33 17 A. Yes, it does.

17:00:34 18 And Russ can provide detailed information
17:00:37 19 about the process that's undertaken.

17:00:40 20 MR. FILIGHERA: Yes. So when we say
17:00:43 21 "physical document," it's not physical document of what's
17:00:48 22 been uploaded into the manual case. The case, when it gets
17:00:54 23 escalated to additional with document, is a scanned image.

17:00:58 24 Earlier, I believe what you were referencing
17:01:00 25 is our thorough research we do in regard to the databases;

17:01:05 1 that if we're still not finding the information and it
17:01:09 2 appears that document has information where it could show
17:01:13 3 that the physical file -- like, what we call an A-file or
17:01:18 4 certificate file -- exists in our records department,
17:01:21 5 that's what's meant by "physical review."

17:01:23 6 We're not in personal contact of an
17:01:27 7 applicant's documents. It's, rather, an image of what they
17:01:30 8 provided through the agency, but then we will use that in a
17:01:33 9 way to reach out to physical file office locations to that
17:01:37 10 way make sure that the electronic databases for some reason
17:01:42 11 were not reflecting to match the actual physical record
17:01:45 12 that we have.

17:01:46 13 BY MR. WHITAKER:

17:01:48 14 Q. And I -- I recall Mariah saying near the beginning
17:01:51 15 that sometimes the state department is a source consulted
17:01:56 16 in manual review; is that right?

17:01:59 17 MR. FILIGHERA: The databases that we
17:02:01 18 research in the manual process are all within the USCIS for
17:02:07 19 naturalization or certificate of naturalization. What
17:02:09 20 records might feed into those records, I wouldn't know, you
17:02:13 21 know, all the possibilities.

17:02:15 22 But from a USCIS standpoint, if a person
17:02:20 23 becomes a naturalized citizen either through the courts or
17:02:22 24 through USCIS application processes or certificate of
17:02:27 25 citizenship application, we -- we rely on those DHS

17:02:33 1 records. So we do not -- so Department of State, we do
17:02:37 2 not, as I mentioned earlier, verify U.S. passports. We do
17:02:43 3 not verify born U.S. citizens. It is derived citizens or
17:02:49 4 naturalized citizens that have an immigration record or DHS
17:02:52 5 record that we can rely on to confirm based on the
17:02:55 6 information the agency provides or the document provided.

17:03:00 7 BY MR. WHITAKER:

17:03:01 8 Q. Mariah, was I right earlier that you mentioned the
17:03:03 9 state department as part of the manual review? And if so,
17:03:06 10 can you explain what you meant by that?

17:03:09 11 MS. DOOLITTLE: Yes. Within our data
17:03:11 12 repositories that we have, sometimes we can get access to
17:03:18 13 visas and other elements of -- Department of State,
17:03:21 14 sometimes we have to work with them for instances like
17:03:25 15 United for Ukraine, for instance. That was a -- outside of
17:03:30 16 DHS -- DHS was not the only runner of that. It was also
17:03:34 17 Department of State. So in instances like that, sometimes
17:03:36 18 we do have to work with other agencies in processing people
17:03:41 19 for immigration.

17:03:41 20 BY MR. WHITAKER:

17:03:46 21 Q. Step 5 on this document says, "Case is Resolved."
17:03:50 22 What are the possible resolutions that --
17:03:54 23 that would show when a case is resolved after this process?

17:03:59 24 MS. SLATTERY: Russ, you want to take that?

17:04:02 25 MR. FILIGHERA: So in the manual process, if

17:04:04 1 somebody indicated that -- the counterfeit that you're
17:04:09 2 talking about and the possible response, in the manual
17:04:12 3 process, it doesn't change what we do. We process as
17:04:15 4 normal the case.

17:04:17 5 So if it came in at third step, additional
17:04:20 6 verification with a scanned image, the possible responses
17:04:23 7 would include everything matches, United States citizen or
17:04:27 8 derived United States citizen or naturalized citizen. It
17:04:30 9 could result in unable to verify, extending an applicant
17:04:37 10 into -- based on comments to the agency, stating to contact
17:04:41 11 our -- our customer service line or go to the website to
17:04:44 12 update their record.

17:04:45 13 In rare cases, there is a response where
17:04:51 14 something can go back in our response side that says
17:04:54 15 "appears counterfeit," but again, we're looking at an image
17:04:58 16 of a document. So with a certificate or naturalization
17:05:03 17 certificate, the absence of information does not mean
17:05:07 18 necessarily counterfeit. It would be unable to verify in
17:05:12 19 that instance. So that way the applicant has a chance to
17:05:18 20 go and update their records.

17:05:21 21 BY MR. WHITAKER:

17:05:21 22 Q. Understood.

17:05:22 23 Do you have a sense for -- I guess you
17:05:25 24 haven't been at the agency as long as some others, Russ,
17:05:28 25 but do you have a sense for how often the "appears

17:05:31 1 counterfeit" comment gets returned?

17:05:34 2 MR. FILIGHERA: I do not have the statistic
17:05:36 3 how often at my fingertips, no.

17:05:42 4 BY MR. WHITAKER:

17:05:45 5 Q. There's two other documents. They should be even
17:05:49 6 faster. One is -- I think it was Exhibit 184. This is the
17:05:56 7 MOA.

17:06:08 8 So there were some questions about the last
17:06:10 9 two pages of the MOA. It's a -- well, it's actually, I
17:06:13 10 guess, a document appended to the MOA on USCIS SAVE 11 and
17:06:19 11 12. Those are the page numbers.

17:06:25 12 Do you see that document I'm referring to?

17:06:31 13 A. Yes, we have it.

17:06:35 14 Q. Okay. And remind me just generally -- I
17:06:40 15 understood the testimony to be along the lines that if --
17:06:44 16 this is a document that could be given to an applicant if
17:06:47 17 they want to try to correct their -- their records as a
17:06:54 18 result of what happens in SAVE. Is that right?

17:06:57 19 A. Correct. If SAVE returns a response indicating
17:07:00 20 they're unable to verify as part of the process, the user
17:07:04 21 agency should be providing the benefit applicant
17:07:07 22 information about how to correct their records. This is
17:07:10 23 one form that that records correction information could
17:07:14 24 take.

17:07:15 25 Q. Got it.

17:07:16 1 And the last page, there's a list of bullets.

17:07:20 2 And above it says, "We recommend that you include the
17:07:23 3 following information in your submission, if available."

17:07:26 4 Do you see that?

17:07:28 5 A. Yes.

17:07:28 6 Q. And is that "we" being USCIS and "you" being the
17:07:35 7 applicant?

17:07:36 8 A. Yes.

17:07:38 9 Q. And the fourth bullet point there says, "Date and
17:07:41 10 place of birth." Do you see that?

17:07:44 11 A. Yes.

17:07:45 12 Q. Why does USCIS recommend that the applicant
17:07:50 13 include place of birth in their submission?

17:07:57 14 A. I don't know why that was included in this
17:08:01 15 particular document.

17:08:02 16 Q. Is it -- is it fair to infer that whoever created
17:08:09 17 this document thought that place of birth would be a useful
17:08:15 18 piece of information?

17:08:19 19 MR. ATKINS: Objection; foundation.
17:08:22 20 Speculation.

17:08:22 21 MS. LANG: Same objections.

17:08:28 22 MS. SLATTERY: Based on its inclusion in the
17:08:29 23 document, I would say it was considered to be a factor that
17:08:33 24 could be of use in making a records correction update or
17:08:37 25 additional information available to the agency that would

17:08:39 1 assist us in confirming a record or making an update.

17:08:42 2 BY MR. WHITAKER:

17:08:51 3 Q. All right. I'll turn to one more document. This
17:08:59 4 is the fact sheet. I believe it was Exhibit 192. Starts
17:09:08 5 on USCIS SAVE 13.

17:09:19 6 A. Got it.

17:09:23 7 Q. Now I'm on page 2 of that document. The last full
17:09:29 8 paragraph, I think there were some questions about this,
17:09:34 9 but I wanted to drill down just a little bit more.

17:09:37 10 The last sentence says, "The following are
17:09:41 11 examples of when a user agency may not need to conduct
17:09:45 12 additional verification after contacting the individual
17:09:48 13 being verified."

17:09:49 14 Do you see that?

17:09:50 15 A. I do.

17:09:52 16 Q. Now, are the bullet points that follow meant to be
17:09:56 17 an exhaustive list or just illustrations of when the user
17:10:00 18 agency may not need to conduct additional verification?

17:10:05 19 A. They're primarily illustrative. Another bullet
17:10:09 20 that could have been added is when an individual withdraws
17:10:12 21 a request for voter registration and so the verification
17:10:15 22 would no longer be needed.

17:10:18 23 Q. Are these sorts of examples things that could
17:10:22 24 explain why, say, a county recorder makes an initial
17:10:29 25 request to SAVE but then doesn't request additional

17:10:32 1 verification?

17:10:34 2 A. As the document indicates, if an agency has one of
17:10:38 3 these things and is satisfied with that for purposes of
17:10:40 4 eligibility, the additional verification step is not
17:10:44 5 required.

17:10:45 6 Q. The first bullet point is "When the individual
17:10:49 7 returns an authorized attestation form stating that the
17:10:53 8 individual is not a United States citizen."

17:10:56 9 Do you see that?

17:10:57 10 A. Yes.

17:10:59 11 Q. Why is that an example of when the user agency may
17:11:04 12 not need to conduct additional verification?

17:11:08 13 A. For purposes of the voter verification, the
17:11:13 14 operative status that the agency would be receiving is U.S.
17:11:17 15 citizen. If the individual provides documentary evidence
17:11:20 16 attesting to the fact that they are not one, there would be
17:11:23 17 no purpose with continuing for the verification for the
17:11:25 18 purpose of receiving a U.S. citizen response.

17:11:29 19 Q. So for example, if there were a form that said,
17:11:33 20 "Are you a citizen; yes or no? You have to answer under
17:11:37 21 penalty of perjury," is that something that if the
17:11:40 22 applicant said "no," that would be a -- that would be an
17:11:43 23 example of when the user agency may not need to conduct
17:11:47 24 additional verification?

17:11:51 25 MR. HERRERA: Object to form.

17:11:53 1 MS. LANG: Lack of foundation. Calls for
17:11:53 2 speculation.

17:12:03 3 MS. SLATTERY: I think it would depend on the
17:12:06 4 entirety of the form. And I would say that depending on
17:12:09 5 whether it's considered an attested form and how the agency
17:12:13 6 would view the form would determine if they would proceed
17:12:17 7 to next steps.

17:12:22 8 BY MR. WHITAKER:

17:12:22 9 Q. When this document uses the phrase "authorized
17:12:25 10 attestation form," is it referring to a specific form that
17:12:30 11 USCIS requires to be used or is that a general guideline
17:12:34 12 that -- that state agencies could fill in with their own
17:12:39 13 forms?

17:12:40 14 A. There is not a U.S. definition that I am aware of
17:12:45 15 for "authorized attestation form."

17:12:48 16 Q. That last bullet point, "When the individual does
17:12:56 17 not respond within applicable time frames to the user
17:12:59 18 agency inquiry for attestation or proof of
17:13:02 19 citizenship," what -- what is that referring to?

17:13:06 20 A. The issuing agencies have their own policies and
17:13:09 21 procedures that govern their process for eligibility
17:13:13 22 determination. If there are guidelines that they follow
17:13:17 23 for purposes of requiring responses of applicants, this
17:13:21 24 would refer to that process, and it would vary by agency.
17:13:24 25 That is not a USCIS- or SAVE-controlled timeline.

17:13:30 1 Q. So if a -- if an agency user, for example, said to
17:13:35 2 an applicant "You need to give us a document within
17:13:38 3 30 days" and the applicant doesn't respond within 30 days,
17:13:43 4 can the -- can the agency user -- is that an example when
17:13:47 5 the user agency may not need to conduct additional
17:13:50 6 verification?

17:13:52 7 A. I think the document speaks for itself with regard
17:13:54 8 to what it says about the agency response timelines.
17:13:56 9 That's a hypothetical.

17:14:05 10 MR. WHITAKER: I think that's all the
17:14:06 11 questions I have. I understand the RNC's counsel may have
17:14:12 12 more.

17:14:12 13 MR. LANGHOFER: Thanks, Josh.

17:14:13 14 Good afternoon, everyone. I'm Kory
17:14:15 15 Langhofer. I represent the RNC. I think I've only got
17:14:18 16 nine questions, although sometimes, you know, there's a
17:14:20 17 little bit of follow-up on this and that.

17:14:21 18

17:14:21 19 EXAMINATION

17:14:21 20 BY MR. LANGHOFER:

17:14:22 21 Q. In how many states is the SAVE system used to
17:14:26 22 confirm citizenship for purposes of voter registration?

17:14:31 23 A. I believe at this time there are six states that
17:14:34 24 have voter MOAs with us.

17:14:37 25 Q. Would USCIS authorize that use of the SAVE system

17:14:41 1 if it believed the system were unreliable for that purpose?

17:14:46 2 MR. HERRERA: Objection to form.

17:14:50 3 MS. SLATTERY: I'm not sure I understand the
17:14:51 4 question you're asking.

17:14:53 5 Are you asking me whether the SAVE system is
17:14:55 6 unreliable for a specific purpose, or are you asking me
17:14:59 7 what we would do to verify an agency's intended use and
17:15:01 8 registration request for SAVE?

17:15:03 9 BY MR. LANGHOFER:

17:15:03 10 Q. More the former. Let -- let me ask it perhaps a
17:15:05 11 little bit more directly.

17:15:06 12 Is the SAVE system reliable for purposes of
17:15:09 13 determining citizenship status for naturalized and derived
17:15:13 14 citizens?

17:15:13 15 A. As you heard us describe, the SAVE system will
17:15:16 16 return the data and information that we are able to confirm
17:15:19 17 in systems as they currently exist. It is a point-of-time
17:15:22 18 verification. The information that we have is based on the
17:15:25 19 information that is in DHS systems of record.

17:15:31 20 Q. And in your experience, is that a reliable system?

17:15:38 21 A. Tell me what you mean by "reliable."

17:15:39 22 Are we able to return verifications in a
17:15:42 23 majority of cases? Yes.

17:15:44 24 Q. And those verifications are accurate?

17:15:46 25 A. We return a verification response in majority of

17:15:49 1 cases. If at any point an agency or user believes that a
17:15:52 2 response is inaccurate, they are requested to submit the
17:15:54 3 case for additional verification and we'll go through the
17:15:54 4 steps that you've heard already described today.

17:16:01 5 Q. Have you done any -- do you have an understanding
17:16:03 6 of how often the system returns an inaccurate answer on the
17:16:08 7 question of citizenship?

17:16:10 8 A. I do not have that data in front of me, no.

17:16:13 9 MS. SLATTERY: Mariah, do you have any data
17:16:18 10 on that?

17:16:21 11 MS. DOOLITTLE: I don't. That would be
17:16:22 12 something that we would probably do in an audit to see, but
17:16:26 13 I have not heard that to ever be an issue.

17:16:30 14 So if it turned out to be an issue -- if a
17:16:33 15 lot of agencies started to report they were seeing that,
17:16:35 16 then we would definitely audit the system to see what that
17:16:39 17 particular cause might be. But since I've been here, I
17:16:42 18 have not seen that or heard that to be an issue.

17:16:47 19 BY MR. LANGHOFER:

17:16:47 20 Q. Have there been any such audits?

17:16:55 21 A. I'm not aware of any particular ones right now.

17:16:57 22 MS. DOOLITTLE: No. I would say -- Russ,
17:17:01 23 have you ever been asked to audit for U.S. citizenship?

17:17:02 24 MR. FILIGHERA: I cannot recall, for initial
17:17:04 25 processing and auditing, just the U.S. citizenship.

17:17:09 1 MS. DOOLITTLE: It's slightly an odd request
17:17:10 2 because we don't have access to U.S. citizenship records
17:17:15 3 except for the acquired citizenship or derived or that --
17:17:21 4 and not every derived citizen has records with us because
17:17:24 5 they might not have ever had to get a citizenship document.
17:17:31 6 It's a slightly odd request.

17:17:32 7 BY MR. LANGHOFER:

17:17:35 8 Q. How many requests do you receive every year to
17:17:37 9 correct the citizenship status information in the system
17:17:41 10 for derived or naturalized citizens?

17:17:44 11 A. SAVE would not receive any requests because we
17:17:48 12 don't do the records correction. As for the agency, I
17:17:50 13 can't speak to that number.

17:17:52 14 Q. Would you be able to see in the system when the
17:17:58 15 agencies had corrected information pursuant to such a
17:18:01 16 request?

17:18:03 17 MS. SLATTERY: Mariah, you want to talk about
17:18:05 18 what we see when the data requests are updated?

17:18:08 19 MS. DOOLITTLE: We generally wouldn't see a
17:18:11 20 request. We would get that information back -- so when a
17:18:15 21 system is updated, it matters if we have a case in our
17:18:19 22 system or coming through because, as Shannon pointed out
17:18:23 23 earlier, it's a point in time for that.

17:18:28 24 So it would be something that I would think
17:18:29 25 more on the manual side of review that they would be

17:18:32 1 tracking down to see if it's a pending application,
17:18:34 2 potentially what state it's in, but I -- it's out of my
17:18:38 3 scope.

17:18:39 4 BY MR. LANGHOFER:

17:18:42 5 Q. Is there a national system to confirm citizenship
17:18:46 6 status for derived and natural citizens that is more
17:18:49 7 accurate than the SAVE system?

17:18:52 8 A. I'm not aware.

17:18:56 9 MR. HERRERA: Objection to form. Sorry.

17:18:58 10 BY MR. LANGHOFER:

17:18:59 11 Q. I'm not sure that I heard the answer, ma'am.

17:19:01 12 A. I'm not aware of one right now. USCIS and DHS is
17:19:03 13 the repository for naturalized and acquired citizen
17:19:07 14 information. The time, as Mariah indicated, where we would
17:19:11 15 not have access to that record information is for acquired
17:19:14 16 citizens who did not have an encounter with USCIS in order
17:19:16 17 to get documentary proof of their citizenship status.

17:19:20 18 Q. Is there a nationwide system to confirm
17:19:23 19 citizenship for derived or natural citizens that is more up
17:19:26 20 to date than the SAVE system?

17:19:28 21 A. Again, SAVE is not a system of record. We are
17:19:32 22 pinging against DHS data systems that contain the
17:19:35 23 naturalized and acquired citizen information.

17:19:40 24 Q. Is there a way of accessing that information that
17:19:44 25 is more current or more up to date than the SAVE system?

17:19:48 1 A. I'm not sure I understand your question.

17:19:51 2 Q. I guess in -- one of the issues in the case is
17:19:54 3 whether the timing of the data that you access through the
17:20:02 4 SAVE system is delayed such that it's unreliable or
17:20:05 5 inaccurate.

17:20:05 6 I guess I'm -- what I'm trying to get at is:
17:20:07 7 Is there some other way of getting that information that is
17:20:11 8 more current or more up to date than working with the SAVE
17:20:14 9 system?

17:20:15 10 A. To my knowledge, there is not an alternate system
17:20:15 11 that pings DHS data sources in the same manner that SAVE
17:20:15 12 does at present.

17:20:15 13 (Reporter clarification.)

17:20:24 14 MS. SLATTERY: There is not an alternate data
17:20:26 15 system that accesses DHS records in the manner that SAVE
17:20:29 16 does.

17:20:31 17 BY MR. LANGHOFER:

17:20:31 18 Q. What does the system do in the case of a
17:20:33 19 denaturalization or renunciation of citizenship?

17:20:37 20 A. Again, that would be a record update in DHS data
17:20:41 21 systems. It's not a record update that SAVE handles
17:20:45 22 independently.

17:20:46 23 MS. SLATTERY: Mariah, do you want to talk
17:20:47 24 about what we might see in systems for denats/
17:20:51 25 renunciations?

17:20:54 1 MS. DOOLITTLE: For -- I'm trying to think
17:20:58 2 of -- in IRIES, we might just see a code, or it could be
17:21:03 3 something to do with -- with deportation. But it's not
17:21:09 4 really in depth. It's just -- it's showing us that that is
17:21:11 5 the status of that person at that time.

17:21:11 6 BY MR. LANGHOFER:

17:21:19 7 Q. And you said, I think, for "IRIES"? Did I hear
17:21:20 8 that right?

17:21:21 9 MS. DOOLITTLE: Yes. That would be the
17:21:22 10 system that we are -- we are going against for that.

17:21:26 11 THE COURT REPORTER: Can you spell that?

17:21:28 12 MS. SLATTERY: Yes. Give me one moment. I
17:21:43 13 don't want -- I-R-I-E-S.

17:21:43 14 BY MR. LANGHOFER:

17:21:47 15 Q. Do you know what that stands for, Ms. Doolittle?

17:21:49 16 MS. DOOLITTLE: I don't, unfortunately.

17:21:49 17 BY MR. LANGHOFER:

17:21:52 18 Q. You were just looking at something now to get the
17:21:53 19 answer. Do you mind if I ask you what you were looking at?
17:21:56 20 Just a customary question.

17:21:57 21 MS. DOOLITTLE: I was just looking at one of
17:21:59 22 our confluence pages.

17:22:02 23 BY MR. LANGHOFER:

17:22:02 24 Q. And that's within the USCIS system, then, like one
17:22:07 25 of your official records?

17:22:10 1 MS. DOOLITTLE: Yes.

17:22:10 2 BY MR. LANGHOFER:

17:22:10 3 Q. Okay. So for a denaturaliz- -- denaturalized or
17:22:16 4 renounced citizenship, would -- what would the county
17:22:23 5 recorders see if they're querying the system for that
17:22:26 6 individual's citizenship status?

17:22:29 7 A. As a response?

17:22:32 8 Q. Correct.

17:22:32 9 Would it indicate that they're a citizen, or
17:22:34 10 would it indicate that they're a noncitizen?

17:22:39 11 A. Again, we don't typically indicate someone is a
17:22:43 12 noncitizen. We would indicate whether we were able to
17:22:45 13 verify the citizenship information, as Mr. Filighera has
17:22:48 14 described, or we would return unable to verify.

17:22:53 15 Q. And what would it say in these cases of
17:22:55 16 denaturalization and renunciation?

17:23:00 17 MS. SLATTERY: Russ, do you know the answer
17:23:02 18 to that? I don't know that I've seen a case within a
17:23:04 19 renunciation or revocation.

17:23:04 20 MR. FILIGHERA: I have not come across many
17:23:07 21 in that regard. But what you stated, we would do our
17:23:09 22 research based on the information provided in the manual
17:23:12 23 process.

17:23:14 24 That case would most likely go to document
17:23:17 25 requested. And in that case, if we're not able to verify

17:23:20 1 that they're in that current status, they would -- they
17:23:23 2 would receive unable to verify.

17:23:24 3 In some cases, if they don't hold any
17:23:27 4 immigration status whatsoever, we can provide a "no
17:23:30 5 status" response. Again, I'm not too sure how often that
17:23:37 6 has actually happened over time.

17:23:40 7 MS. DOOLITTLE: I agree. I just know that
17:23:43 8 it's possible.

17:23:46 9 BY MR. LANGHOFER:

17:23:46 10 Q. And would it go to this manual process that you
17:23:49 11 were discussing, Mr. Filighera, only if they request
17:23:53 12 additional verification, or would that happen just
17:23:56 13 automatically?

17:23:58 14 MR. FILIGHERA: Mariah, at first step, do
17:24:01 15 you -- at initial query, do you know in that regards?

17:24:06 16 I know in the manual process, if we came
17:24:08 17 across, at the additional verification step, a situation
17:24:11 18 where we cannot verify a current status and we would have
17:24:18 19 access to records that possibly show this, we would go back
17:24:21 20 with the resubmit response that was mentioned earlier and
17:24:24 21 request documents.

17:24:25 22 And then at that point, it would go on to the
17:24:27 23 third-step level verification. And based on the documents
17:24:32 24 again presented, it should be the most current immigration
17:24:36 25 documents. And if we cannot verify that they're in that

17:24:38 1 status and they have a document presented, it could be
17:24:43 2 unable to verify and request them to go and either contact
17:24:46 3 the national customer service line or the USCIS website
17:24:50 4 about updating the records.

17:24:52 5 BY MR. LANGHOFER:

17:24:52 6 Q. I think I -- I think I understand that. Thanks
17:24:57 7 for that.

17:24:57 8 I'm wondering whether -- I think you said at
17:25:00 9 the beginning of your answer that if you became aware of
17:25:02 10 that, this is the process you'd follow. I'm wondering
17:25:06 11 whether you'd become aware of that automatically when the
17:25:08 12 county recorders start searching a person in the system or
17:25:11 13 whether the county recorders might get an indication that
17:25:16 14 that person's citizenship has been verified against a
17:25:18 15 system and if they fail to request additional verification,
17:25:23 16 whether the county recorder essentially would not be aware
17:25:25 17 that there's a denaturalization or renunciation situation.

17:25:33 18 MS. DOOLITTLE: That would be -- that's a
17:25:36 19 hypothetical that we would have to run a test case through
17:25:39 20 our system just to see, because immigration is complex. So
17:25:44 21 that person might have a different status or no status, as
17:25:50 22 Russ indicated. So that would be impossible to say right
17:25:56 23 now just doing a hypothetical.

17:25:57 24 If that person was going through that
17:25:59 25 process, we wouldn't know where they are in that process of

17:26:03 1 your hypothetical. Are they -- did they denounce? Is that
17:26:06 2 completely done and adjudicated? Have we received the
17:26:09 3 record? Can we get the record?

17:26:11 4 It's too hypothetical to say this is the
17:26:14 5 response that they would get if they could get a response
17:26:18 6 on initial with that.

17:26:19 7 BY MR. LANGHOFER:

17:26:20 8 Q. Thank you. I think I get it. Thank you.

17:26:22 9 When there are errors in the SAVE system due
17:26:30 10 to -- let's say data entry error, for example -- would
17:26:35 11 those errors necessarily indicate that a citizen is a
17:26:42 12 noncitizen or could you also have the error that a
17:26:45 13 noncitizen is mistakenly indicated to be a citizen?

17:26:50 14 MS. LANG: Objection; form.

17:26:55 15 MS. SLATTERY: As we outlined earlier, there
17:26:59 16 is always a possibility that an error can occur and a
17:27:06 17 mistake in status could be returned.

17:27:08 18 I'll ask Mariah momentarily to talk about the
17:27:11 19 matching logic and how -- the fact that we try really, both
17:27:15 20 through the automated process and through the manual
17:27:18 21 process, to ensure that we are matching the information as
17:27:21 22 accurately as possible.

17:27:23 23 As Mariah mentioned earlier, there are
17:27:26 24 factors built into the system in a way where we can look at
17:27:30 25 data that may have been transposed, such as names being

17:27:33 1 reversed or numbers being reversed. And when that fails,
17:27:36 2 then we are in the manual verification process where Russ
17:27:40 3 and his team would actually take a really good look at the
17:27:42 4 documents.

17:27:43 5 The possibility for error is always with us,
17:27:46 6 but certainly we are doing everything we can to mitigate
17:27:49 7 that to the greatest extent possible.

17:27:52 8 Mariah, did you want to add anything?

17:27:54 9 MS. DOOLITTLE: I would just add for somebody
17:27:57 10 that is submitting a case, if they have their immigration
17:28:01 11 documentation or they know their status and they received
17:28:04 12 that and were contacted by that agency, the agency is then
17:28:09 13 supposed to push it to additional verification where we
17:28:13 14 would then be able to catch that error. Without that step,
17:28:16 15 we would have no way of knowing that there was an error in
17:28:19 16 the first place. It would just look like a case that went
17:28:21 17 through on initial to us.

17:28:26 18 BY MR. LANGHOFER:

17:28:27 19 Q. So if we think of a citizen, someone who's
17:28:30 20 recently naturalized, for example -- when you run them
17:28:34 21 through the system, due to some error along the way that
17:28:37 22 might get sorted out eventually but there was an error and
17:28:40 23 it initially indicates the person is not a citizen; their
17:28:41 24 citizenship status can't be verified -- let's think of it
17:28:44 25 as a false negative; right? It says, "No, not verified,"

17:28:47 1 so it's -- but it's false. It's a false negative. Could
17:28:49 2 there be false positives where somebody who's not yet
17:28:54 3 naturalized has, due to whatever error, apparent
17:28:57 4 verification in the system?

17:29:00 5 MS. DOOLITTLE: There's -- as Shannon said,
17:29:02 6 there's always a possibility of the error. I have not seen
17:29:06 7 a -- I can't remember any circumstance where I've seen that
17:29:12 8 where they were said to be a U.S. citizen when they were
17:29:15 9 not a U.S. citizen, even if they were pending citizenship
17:29:18 10 or potentially the records hadn't caught up for that.

17:29:23 11 BY MR. LANGHOFER:

17:29:25 12 Q. So last question.

17:29:26 13 The -- more broadly, we've been talking about
17:29:30 14 the SAVE system, but I'm wondering if -- is there a
17:29:33 15 database of all the biographical information for all U.S.
17:29:39 16 citizens? Does such a thing exist?

17:29:41 17 MS. LANG: Objection. Scope. Lack of
17:29:44 18 foundation.

17:29:47 19 MS. SLATTERY: Are you asking if USCIS
17:29:49 20 maintains such a database or if one exists generally?

17:29:49 21 BY MR. LANGHOFER:

17:29:54 22 Q. If one exists generally.

17:29:56 23 A. I am not aware and cannot speak to anything
17:29:58 24 outside of the USCIS data systems related to
17:30:00 25 naturalization.

17:30:03 1 Q. Ms. Doolittle?

17:30:05 2 MS. DOOLITTLE: Same response. If it does
17:30:08 3 exist, I don't know about it and we wouldn't be able to
17:30:11 4 speak to it.

17:30:14 5 BY MR. LANGHOFER:

17:30:14 6 Q. Mr. Filighera?

17:30:15 7 MR. FILIGHERA: Same response. I'm not aware
17:30:16 8 of one.

17:30:17 9 MR. LANGHOFER: Okay. Thanks very much for
17:30:18 10 your time. I really appreciate it.

17:30:21 11 Anything else on the defense side?

17:30:26 12 MR. MORGAN: Craig Morgan for the secretary
17:30:28 13 of state. I don't have any questions.

17:30:29 14 I just want to -- I think I speak for
17:30:31 15 everyone when I say thank you for your time and your
17:30:33 16 patience and your thorough preparation. That goes to your
17:30:38 17 counsel too.

17:30:41 18 MS. PORTER: I don't have any questions
17:30:43 19 either. Thank you, everyone.

17:30:48 20 MR. SHERMAN: For my part, no further
17:30:49 21 questions from this plaintiff group. I don't know if
17:30:51 22 anyone else intends any other redirect.

17:30:59 23 MR. HERRERA: No, not here. Thank you for
17:31:01 24 your time.

17:31:02 25 MS. LANG: Likewise. Thank you.

17:31:04 1 MR. SHERMAN: Thank you very much for your
17:31:06 2 time. I think we kept it relatively short. 5:30. Thanks
17:31:13 3 again for spending -- spending the time. We know you're

09:07:41 4 MR. MORGAN: Great. Thanks.

09:07:43 5

09:07:43 6 EXAMINATION

09:07:43 7 BY MR. HERRERA:

09:07:48 8 Q. Good morning, Ms. Munoz and Ms. Johnston. My name
09:07:51 9 is Ernest -- I'm sorry. Was there someone else?

09:07:55 10 My name is Ernest Herrera, and I'm an
09:07:58 11 attorney at the Mexican American Legal Defense and
09:08:01 12 Educational Fund. I represent plaintiffs Promise Arizona
09:08:04 13 and Southwest Voter Registration Education Project in this
09:08:09 14 case.

09:08:09 15 Can you please state and spell your name.

09:08:14 16 MS. MUNOZ: Joann Munoz; J-o-a-n-n,

09:08:14 17 M-u-n-o-z.

09:08:14 18 BY MR. HERRERA:

09:08:21 19 Q. And, Ms. Johnston, could you also state and spell
09:08:22 20 your name. I may not have questions for you for a while,
09:08:25 21 but just this one.

09:08:26 22 MS. JOHNSTON: Yes. Sarah Johnston,

09:08:26 23 S-a-r-a-h.

09:08:31 24 BY MR. HERRERA:

09:08:31 25 Q. And can you spell the --

09:08:34 1 MS. JOHNSTON: Johnston, J-o-h-n-s-t-o-n.

09:08:37 2 BY MR. HERRERA:

09:08:37 3 Q. Thank you.

09:08:38 4 And has either of you been known by any other
09:08:45 5 names?

09:08:48 6 MS. MUNOZ: I have.

09:08:48 7 MS. JOHNSTON: Same.

09:08:48 8 BY MR. HERRERA;

09:08:48 9 Q. Okay. Please -- can you please state what your
09:08:50 10 other -- other names you've been known by.

09:08:52 11 MS. MUNOZ: Joann Dominguez and Joann Avila.

09:08:57 12 BY MR. HERRERA:

09:08:57 13 Q. And, Ms. Johnston?

09:08:59 14 MS. JOHNSTON: Sarah Howard.

09:08:59 15 (In the Q/A format, Ms. Munoz is
09:08:59 16 answering the questions; Ms. Johnston will
09:08:59 17 be represented as "MS. JOHNSTON.")

09:09:02 18 BY MR. HERRERA:

09:09:02 19 Q. And, Ms. Munoz, are you represented by an attorney
09:09:06 20 today?

09:09:07 21 A. Yes.

09:09:08 22 Q. Okay. Who is that?

09:09:11 23 A. William Kerekes.

09:09:12 24 Q. And he is there in the room with you; right?

09:09:15 25 A. Yes.

09:09:15 1 Q. For today's deposition, where are you physically
09:09:21 2 located?

09:09:21 3 A. We are at the Yuma County Recorder's Office, 102
09:09:25 4 South Main Street, Yuma, Arizona 85364.

09:09:29 5 Q. And, Ms. Munoz, have you ever had your deposition
09:09:32 6 taken before?

09:09:33 7 A. No.

09:09:34 8 Q. And let me go over a few ground rules since you
09:09:40 9 haven't had your deposition taken before so that we are on
09:09:44 10 the same page about how the deposition will go.

09:09:48 11 The court reporter has put you under oath,
09:09:50 12 which means that you are obligated to tell the truth. Do
09:09:53 13 you understand that?

09:09:53 14 A. Yes.

09:09:54 15 Q. And, Ms. Johnston, do you understand --
09:09:58 16 Ms. Johnston, do you understand that?

09:10:00 17 MS. JOHNSTON: Yes.

09:10:01 18 BY MR. HERRERA:

09:10:01 19 Q. Although we are conducting this deposition in an
09:10:04 20 informal setting, that oath has the same force and effect
09:10:07 21 as if you were testifying in a court of law in front of a
09:10:10 22 judge or a jury. Do you understand that, Ms. Munoz?

09:10:12 23 A. Yes.

09:10:13 24 Q. And, Ms. Johnston?

09:10:15 25 MS. JOHNSTON: Yes.

09:10:18 1 BY MR. HERRERA:

09:10:18 2 Q. Because the court reporter is taking down
09:10:20 3 everything we're saying, it's important that you provide
09:10:23 4 audible answers to my questions; for examples, no uh-huhs
09:10:28 5 or shaking your head. Do you understand that, Ms. Munoz?

09:10:30 6 A. Yes.

09:10:31 7 Q. And, Ms. Johnston?

09:10:32 8 MS. JOHNSTON: Yes.

09:10:34 9 BY MR. HERRERA:

09:10:34 10 Q. If you do not understand a question, please tell
09:10:36 11 me that you don't understand and I will rephrase the
09:10:39 12 question. Also, feel free to ask me to repeat the
09:10:43 13 question. Okay, Ms. Munoz?

09:10:45 14 A. Yes.

09:10:46 15 Q. And, Ms. Johnston?

09:10:48 16 MS. JOHNSTON: Yes.

09:10:55 17 BY MR. HERRERA:

09:10:55 18 Q. Are we on the same page -- well, let's try not to
09:11:00 19 speak over each other. It happens in natural conversation
09:11:06 20 because we don't know when the other person is going to
09:11:08 21 stop speaking. But in this case, let's try to not speak
09:11:12 22 over each other. So let me finish my question, and I will
09:11:15 23 not interrupt your answer. Is that okay, Ms. Munoz?

09:11:20 24 A. Yes.

09:11:20 25 ///

09:11:20 1 BY MR. HERRERA:

09:11:21 2 Q. And, Ms. Johnston?

09:11:22 3 MS. JOHNSTON: Yes.

09:11:24 4 BY MR. HERRERA:

09:11:25 5 Q. If I ask a question -- excuse me.

09:11:29 6 During this deposition, attorneys may make
09:11:31 7 objections. Even if they make objections, unless your
09:11:35 8 attorney specifically instructs you not to answer the
09:11:37 9 question, you must still answer the question. Do you
09:11:41 10 understand that, Ms. Munoz?

09:11:42 11 A. Yes.

09:11:44 12 Q. And, Ms. Johnston?

09:11:46 13 MS. JOHNSTON: Yes.

09:11:46 14 BY MR. HERRERA:

09:11:50 15 Q. Sometime after we complete your deposition, you
09:11:53 16 will receive a typed transcript of this deposition. You'll
09:11:56 17 have an opportunity to review the transcript and correct
09:11:59 18 any errors that you see, and then you will sign in under --
09:12:03 19 sign it under penalty of perjury.

09:12:05 20 However, I will warn you that if you make
09:12:07 21 anything more than clerical changes, like correcting typos,
09:12:11 22 attorneys in this case will be able to comment on those
09:12:14 23 changes at trial, which could affect your credibility
09:12:17 24 before the judge or jury in the future. So please try to
09:12:21 25 give your best testimony you can here today. Do you

09:12:23 1 understand that, Ms. Munoz?

09:12:24 2 A. Yes.

09:12:25 3 Q. And, Ms. Johnston?

09:12:27 4 MS. JOHNSTON: Yes.

09:12:27 5 BY MR. HERRERA:

09:12:28 6 Q. If you need a break for any reason, please let me
09:12:30 7 know and we can take a break. However, if there is a
09:12:34 8 question pending that you have not answered, I will ask you
09:12:36 9 to answer the question first and then we can take a break.
09:12:38 10 Okay, Ms. Munoz?

09:12:40 11 A. Yes.

09:12:40 12 Q. And, Ms. Johnston?

09:12:42 13 MS. JOHNSTON: Yes.

09:12:42 14 BY MR. HERRERA:

09:12:43 15 Q. And one more thing is we're under a little bit of
09:12:48 16 a time constraint, so I may speak fast at times. I will
09:12:50 17 try to slow myself down. Okay.

09:12:54 18 Is there any reason that you cannot give your
09:12:57 19 best testimony here today, Ms. Munoz?

09:13:00 20 A. No.

09:13:01 21 Q. Okay. And, Ms. Johnston?

09:13:02 22 MS. JOHNSTON: No.

09:13:03 23 BY MR. HERRERA:

09:13:03 24 Q. Okay. Have -- Ms. Munoz, have you consumed any
09:13:10 25 substances or medication in the past 24 hours that would

09:13:13 1 prevent you from giving your best testimony here today?

09:13:16 2 A. No.

09:13:17 3 Q. Okay. And, Ms. Johnston, have you consumed
09:13:21 4 anything, including medications, in the past 24 hours that
09:13:25 5 would prevent you from giving your best testimony here
09:13:27 6 today?

09:13:28 7 MS. JOHNSTON: No.

09:13:29 8 BY MR. HERRERA:

09:13:32 9 Q. Ms. Johnston -- I'm sorry.

09:13:34 10 Ms. Munoz, what, if anything, did you do to
09:13:36 11 prepare for this deposition?

09:13:39 12 A. I looked over our topics in the interrogatories.

09:13:43 13 Q. Okay. And by "topics," do you mean 30(b)(6)
09:13:47 14 notice topics?

09:13:50 15 A. They are the ones that are in our -- I have them
09:13:55 16 right here -- in our notice of deposition.

09:14:01 17 Q. I think you're looking at something, but I'm going
09:14:03 18 to show something on the screen. I'll introduce it a
09:14:06 19 little bit early.

09:14:07 20 MR. HERRERA: But could we mark this as
09:14:09 21 exhibit -- Cindy, what exhibit number are we on?

09:14:11 22 THE COURT REPORTER: 200.

09:14:12 23 MR. HERRERA: Okay. I'm going to mark this
09:14:15 24 as Exhibit 200 and put it in the chat here. One moment.
09:14:54 25 So that -- I'm going to show a document on the screen here.

09:14:57 1 And there's -- also in the chat for people watching here.
09:14:57 2 (The document was marked as Exhibit 200
09:14:57 3 for identification.)
09:14:57 4 BY MR. HERRERA:
09:15:23 5 Q. Okay. So I'm showing you what has been marked as
09:15:25 6 Exhibit 200.
09:15:27 7 This is -- and do you see at the top it says
09:15:29 8 "Plaintiffs' Amended Notice of Deposition of Yuma County
09:15:33 9 Recorder's Office Pursuant to Rule 30(b)(6)"?
09:15:36 10 A. Yes.
09:15:39 11 Q. Do you see that?
09:15:42 12 A. Yes.
09:15:44 13 Q. All right. And are -- Ms. Munoz, are these the
09:15:47 14 topics that you were just referring to?
09:15:50 15 A. Yes.
09:15:51 16 Q. Okay. And in preparation for your deposition
09:15:59 17 today, did you review the topics that are on page --
09:16:06 18 beginning on page 5 of Exhibit 200?
09:16:09 19 A. Yes.
09:16:10 20 Q. All right. Now, Ms. Munoz, did -- did you review
09:16:28 21 any documents besides this Exhibit 200 in preparation for
09:16:33 22 your deposition?
09:16:34 23 A. I just looked over the other one that I -- that --
09:16:38 24 you know, that I had -- was the consolidated -- the
09:16:43 25 answers -- the recorder's answers to consolidated.

09:16:48 1 Q. Would that be the interrogatories -- to the
09:16:51 2 interrogatories?

09:16:52 3 A. Yes.

09:16:53 4 Q. Okay. And did you look over any other -- any
09:17:00 5 other documents in preparation for your deposition?

09:17:03 6 A. Just the house bills that were in the topics.

09:17:08 7 Q. Okay. And are you familiar with those house
09:17:11 8 bills?

09:17:11 9 A. I'm familiar.

09:17:12 10 Q. Okay. And do you know -- is it House Bills 2492
09:17:17 11 and 2243 that you reviewed?

09:17:20 12 A. Yes.

09:17:22 13 Q. Now, in preparation for your deposition, did you
09:17:27 14 meet with anything [verbatim] besides speaking with the
09:17:31 15 attorney?

09:17:32 16 A. No.

09:17:33 17 Q. Okay. Did you speak with anyone else within the
09:17:40 18 Yuma County Recorder's Office in preparation for your
09:17:43 19 deposition?

09:17:44 20 A. Just counsel and Mrs. Sarah Johnston and our
09:17:47 21 recorder.

09:17:48 22 Q. Okay. And who -- can you say who the recorder is?

09:17:52 23 A. Richard Colwell.

09:17:53 24 Q. And do you know -- since you reviewed the -- the
09:18:05 25 bills that you just mentioned, do you know what this

09:18:08 1 litigation is about generally?

09:18:11 2 A. I'm familiar with it.

09:18:13 3 Q. Okay. And can you -- well, let's go into a little
09:18:19 4 bit of your background.

09:18:20 5 Can you tell me about your educational
09:18:22 6 background?

09:18:23 7 A. High school diploma.

09:18:27 8 Q. And, Ms. Johnston?

09:18:29 9 MS. JOHNSTON: High school diploma, some
09:18:30 10 college credits, and CERA graduate

09:18:35 11 BY MR. HERRERA:

09:18:36 12 Q. And, Ms. Munoz, what is your professional
09:18:39 13 background?

09:18:42 14 A. Here at the recorder's office?

09:18:44 15 Q. Yes.

09:18:45 16 Let's start with: How long have you worked
09:18:47 17 at the County Recorder's Office?

09:18:50 18 A. 13 years.

09:18:51 19 Q. And just to be clear, that's the Yuma County
09:18:54 20 Recorder's Office; right?

09:18:57 21 A. Yes.

09:18:57 22 Q. And what is your current role within the Yuma
09:19:02 23 County Recorder's Office?

09:19:02 24 A. Voter services coordinator.

09:19:04 25 Q. And, Ms. Johnston, what is your current role?

09:19:06 1 MS. JOHNSTON: My current role, I am a legal
09:19:08 2 secretary for Yuma County.
09:19:12 3 BY MR. HERRERA:
09:19:14 4 Q. Okay. So are you -- do you work for the County
09:19:16 5 Recorder's Office any longer?
09:19:17 6 MS. JOHNSTON: No. I consult for them,
09:19:19 7 though.
09:19:20 8 BY MR. HERRERA:
09:19:20 9 Q. Did you work at the County Recorder's Office
09:19:23 10 before?
09:19:24 11 MS. JOHNSTON: Yes.
09:19:24 12 BY MR. HERRERA:
09:19:24 13 Q. And how long did you work there?
09:19:26 14 MS. JOHNSTON: Five years.
09:19:28 15 BY MR. HERRERA:
09:19:41 16 Q. And, Ms. Munoz, before your current position, what
09:19:45 17 was your prior role with Yuma County Recorder's Office?
09:19:49 18 A. The lead voter specialist.
09:19:53 19 Q. And what is -- in your current role, what are --
09:19:59 20 what are your duties?
09:20:01 21 A. I run reports for parties. I supervise three --
09:20:08 22 four other employees. We do the voter registration form.
09:20:25 23 Q. Do you -- besides the voter registration forms,
09:20:28 24 what else are your -- does -- do your duties include?
09:20:32 25 A. Running reports, being in contact with the parties

09:20:38 1 that I run the reports for.

09:20:41 2 Q. And by "reports" -- what do you mean by "running
09:20:43 3 reports"?

09:20:44 4 A. Quarterly reports.

09:20:50 5 Q. And do those quarterly reports go to anyone in
09:20:55 6 particular? Are they sent to anyone?

09:20:57 7 A. They get sent to the state -- secretary of state.

09:21:03 8 Q. And what is contained in the quarterly reports to
09:21:06 9 the secretary of state?

09:21:07 10 A. Our voter registration numbers.

09:21:11 11 Q. And by "voter registration numbers," what is
09:21:17 12 included in those?

09:21:18 13 A. The list of voters.

09:21:29 14 Q. So besides voter registration forms and running
09:21:32 15 reports, do you work on anything else? And -- and then you
09:21:39 16 supervise some staff. Do you work on anything else in Yuma
09:21:45 17 County Recorder's Office?

09:21:45 18 A. We do the testing in our AVID system, the
09:21:51 19 enhancements.

09:21:51 20 Q. And when you said -- did you say "AVID"?

09:21:53 21 A. Yes.

09:21:53 22 Q. And is that A-V-I-D?

09:21:58 23 A. Yes.

09:21:58 24 Q. And what does -- what is testing in the AVID
09:22:02 25 system?

09:22:04 1 A. Any enhancements that may be needed.

09:22:15 2 Q. And can you give -- can you give some examples of
09:22:18 3 some enhancements that you've tested in the AVID system?

09:22:22 4 A. Sure. We went from PEVL to AEVL. And we just had
09:22:28 5 to make sure it was in all of our -- on all of our tabs
09:22:33 6 that we have, making sure it was appearing as it should be.

09:22:37 7 Q. And -- and just for the sake of the court
09:22:41 8 reporter, can you say what "PEVL" and "AEVL" are?

09:22:43 9 A. PEVL is the permanent early voting list; and it
09:22:47 10 went to AEVL, which is the absentee early voting list --
09:22:58 11 active. I'm sorry. Active early voting list.

09:23:02 12 Q. And in your prior role, I think you said it was a
09:23:08 13 voter service specialist -- or correct me if I'm --

09:23:11 14 A. Lead voter service specialist.

09:23:17 15 Q. Okay. And what did that job entail?

09:23:19 16 A. Entering voter -- voter registration forms, UOCAVA
09:23:26 17 voters.

09:23:30 18 Q. And entering -- when you say "entering voter
09:23:39 19 registration forms," what would -- do you mean you would
09:23:42 20 enter them into the voter registration system?

09:23:46 21 A. Yes. Into our AVID system.

09:23:49 22 Q. And is AVID the -- the statewide voter
09:23:53 23 registration system?

09:23:54 24 A. Yes.

09:23:54 25 Q. Okay. Now, Ms. Johnston, what did you work on

09:23:59 1 when you worked in your prior role at the Yuma County
09:24:03 2 Recorder's Office?
09:24:03 3 MS. JOHNSTON: I was previously the voter
09:24:06 4 services coordinator. And I supervised four voter services
09:24:12 5 staff, including Ms. Munoz, when she was the lead voter
09:24:15 6 services specialist.
09:24:17 7 I ran quarterly reports for the secretary of
09:24:22 8 state, which is the voter registration figures broken down
09:24:26 9 by the political parties and their districts.
09:24:29 10 I also handled all public records requests
09:24:33 11 that pertained to voter registration. I administered and
09:24:39 12 supervised early voting throughout the 27 days and
09:24:46 13 conducted any post-election reports for the political
09:24:51 14 parties and for the Secretary of State's Office as well as
09:24:55 15 any reports that needed to go for canvassing.
09:24:59 16 BY MR. HERRERA:
09:25:06 17 Q. And when did you -- when did that role end for
09:25:16 18 you, Ms. Johnston?
09:25:17 19 MS. JOHNSTON: January of 2023.
09:25:34 20 BY MR. HERRERA:
09:25:34 21 Q. Ms. Munoz, we've already looked at Exhibit 200, so
09:25:38 22 I'm going to bring that back up on the screen here.
09:25:58 23 And as we were looking at before, on page 5
09:26:02 24 of Exhibit 200, the 30(b)(6) topics begin; right?
09:26:06 25 A. Yes.

09:26:07 1 Q. And you can kind of see the first one, just as an
09:26:14 2 example: "Your plans and policies, procedures, materials,
09:26:20 3 guidance, instructions, training materials."

09:26:23 4 Do you see that language in Topic 1?

09:26:25 5 A. Yes.

09:26:26 6 Q. Okay. Now, do you understand, Ms. Munoz, that you
09:26:33 7 have been designated as one of the representatives or
09:26:36 8 witnesses to testify on behalf of the Yuma County
09:26:40 9 Recorder's Office, not in your individual capacity? Do
09:26:44 10 you understand that?

09:26:44 11 A. Yes.

09:26:44 12 Q. Okay. And, Ms. Johnston, do you understand that
09:26:48 13 you have also been designated as a representative to
09:26:51 14 testify on behalf of the Yuma County Recorder's Office, not
09:26:56 15 in your individual capacity?

09:26:57 16 MS. JOHNSTON: Yes.

09:26:58 17 BY MR. HERRERA:

09:26:58 18 Q. And, Ms. Johnston, did you also review the topics
09:27:01 19 in the 30(b)(6) deposition notice that we're looking at?

09:27:04 20 MS. JOHNSTON: Yes.

09:27:05 21 BY MR. HERRERA:

09:27:05 22 Q. Okay. And, Ms. Munoz, can we stipulate that
09:27:14 23 whenever I say "you" or "your," that unless I specify, we
09:27:19 24 will be -- it will be the equivalent of me saying "your
09:27:23 25 office" or the "Yuma County Recorder's Office"? Do you

09:27:29 1 understand that?

09:27:29 2 A. Yes.

09:27:29 3 Q. And, Ms. Johnston, as well?

09:27:31 4 MS. JOHNSTON: Yes.

09:27:32 5 BY MR. HERRERA:

09:27:36 6 Q. Ms. Munoz, are you prepared to address each of the
09:27:40 7 topics in the 30(b)(6) notice today?

09:27:44 8 A. Yes.

09:27:45 9 Q. Are there any topics that you're not prepared to
09:27:51 10 discuss today?

09:27:58 11 A. No.

09:28:01 12 Q. And Ms. -- well, I think we'll -- for
09:28:05 13 Ms. Johnston, I'll ask you later perhaps because I think
09:28:09 14 you're maybe here in case there's something that was from
09:28:12 15 before.

09:28:15 16 But, Ms. Johnston, would you be prepared to
09:28:19 17 answer questions regarding these topics?

09:28:21 18 MS. JOHNSTON: Yes.

09:28:26 19 MR. HERRERA: So we're going to pull up
09:28:27 20 another document. We're going to mark this as Exhibit 201.
09:28:27 21 (The document was marked as Exhibit 201
09:29:10 22 for identification.)

09:29:10 23 BY MR. HERRERA:

09:29:10 24 Q. Ms. Munoz, do you recognize the first page of this
09:29:13 25 document?

09:29:14 1 A. Yes.

09:29:14 2 Q. Okay. And it says "Yuma County Recorder's Answers

09:29:19 3 to Consolidated Plaintiffs' First Set of Interrogatories."

09:29:23 4 You see that; right?

09:29:25 5 A. Yes.

09:29:27 6 Q. Okay. Now I'm going to scroll through just to

09:29:29 7 show you that the document is complete. So there's

09:29:34 8 pages 4, 5, and then it ends on page 12 with the signature

09:29:47 9 of Mr. Colwell.

09:29:53 10 Now, did you help prepare the answers to

09:29:59 11 these -- these answers to these interrogatories?

09:30:02 12 A. No.

09:30:04 13 Q. Do you know who prepared them?

09:30:06 14 A. Yes.

09:30:06 15 Q. Okay. Who prepared the answers?

09:30:09 16 A. It was Mrs. Johnston and Mr. Colwell.

09:30:14 17 Q. So is that true, Mrs. Johnston, that you helped to

09:30:17 18 prepare these answers with Mr. Colwell?

09:30:20 19 MS. JOHNSTON: Yes.

09:30:20 20 BY MR. HERRERA:

09:30:20 21 Q. Okay. I'm going to go to Interrogatory Answer

09:30:43 22 Number 10.

09:30:52 23 And the question, as you can see, it says,

09:30:57 24 "Identify all state and county interests that you believe

09:31:00 25 are furthered by the Challenged Laws." And that's how the

09:31:05 1 question begins, but there's more.

09:31:07 2 Do you see that interrogatory?

09:31:08 3 A. Yes.

09:31:09 4 Q. Okay. And, Ms. Munoz, do you see that -- do you

09:31:18 5 see the response on the next page to that interrogatory?

09:31:22 6 A. Yes.

09:31:22 7 Q. Okay. And it says there, "The Recorder believes

09:31:28 8 that requiring the implementation of the challenged laws

09:31:31 9 may lead to conflicts between state and federal laws,

09:31:34 10 potentially exposing the Recorder's Office to liability."

09:31:38 11 Can you explain what is meant by that answer,

09:31:40 12 Ms. Munoz?

09:31:42 13 MR. LANGHOFER: Calls for a legal conclusion.

09:31:44 14 MR. HORLEY: Calls for a legal conclusion.

09:31:47 15 MS. MUNOZ: No, I cannot.

09:31:49 16 BY MR. HERRERA:

09:31:50 17 Q. Ms. Johnston, do you -- do you know why the answer

09:31:53 18 says, "The Recorder believes that requiring the

09:31:57 19 implementation of the challenged laws may lead to conflicts

09:32:00 20 between state and federal laws, potentially" --

09:32:04 21 MR. LANGHOFER: Same objection.

09:32:05 22 BY MR. HERRERA:

09:32:07 23 Q. -- "potentially exposing the Recorder's Office to

09:32:09 24 liability"?

09:32:09 25 MR. LANGHOFER: Same objection.

09:32:12 1 MS. JOHNSTON: Yes.

09:32:12 2 BY MR. HERRERA:

09:32:12 3 Q. Okay. Why does it say that? Or can you expand on

09:32:17 4 that?

09:32:17 5 MS. JOHNSTON: Sure. One of the --

09:32:18 6 MR. LANGHOFER: Same objection.

09:32:23 7 MS. JOHNSTON: -- one of the bills, 2492, I

09:32:28 8 believe, conflicts with LULAC, which is a federal law, from

09:32:37 9 my understanding.

09:32:41 10 BY MR. HERRERA:

09:32:42 11 Q. And are there -- is there anything else there that

09:32:45 12 you think is part of that -- the reason for that answer?

09:32:49 13 MR. LANGHOFER: Same objection.

09:32:50 14 MR. HORLEY: Same.

09:32:53 15 MS. JOHNSTON: I believe that some of the

09:32:58 16 implications of these bills would conflict with current

09:33:03 17 processes and things that are already put in place that

09:33:09 18 suffice obtaining citizenship.

09:33:12 19 BY MR. HERRERA:

09:33:13 20 Q. And can you explain what those -- what those --

09:33:17 21 what those are?

09:33:18 22 MR. LANGHOFER: Same objection.

09:33:19 23 MS. JOHNSTON: Sure. Yes. When we register

09:33:23 24 a voter or when staff registers a voter here in Yuma

09:33:27 25 County, we run what's called HAVA checks, which is the Help

09:33:33 1 America Vote Act, and we obtain citizenship through the
09:33:37 2 interface with the MVD. And this bill would require voters
09:33:44 3 to present citizenship when registering to vote.

09:33:51 4 BY MR. HERRERA:

09:33:52 5 Q. When you say "present citizenship," what do you
09:33:54 6 mean by that?

09:33:56 7 MS. JOHNSTON: Either present a birth
09:33:59 8 certificate or a passport or naturalization documents.

09:34:06 9 BY MR. HERRERA:

09:34:06 10 Q. And that would -- and you say that would conflict
09:34:11 11 with current processes?

09:34:12 12 MS. JOHNSTON: Correct.

09:34:13 13 BY MR. HERRERA:

09:34:14 14 Q. How so?

09:34:15 15 MS. JOHNSTON: Well, yes and no. It's very
09:34:17 16 complex. Sorry. When a voter registers through our
09:34:23 17 office, we run, again, the HAVA checks through the MVD,
09:34:27 18 which will acquire the voter's or potential voter's
09:34:32 19 citizenship based off what they provided to the MVD.

09:34:35 20 If at that point we cannot obtain
09:34:40 21 citizenship, we take the next steps to -- to obtain that
09:34:45 22 information from the voter.

09:34:48 23 BY MR. HERRERA:

09:34:48 24 Q. Okay. And what would those next steps usually be?

09:34:52 25 MS. JOHNSTON: If the HAVA checks came back

09:34:54 1 that the Social Security was a match but does not have
09:35:00 2 citizenship information on file through the MVD, the voter
09:35:05 3 will become a federal-only voter, which now the new bill
09:35:10 4 would, I believe, not make them a federal-only voter. They
09:35:15 5 would just not be eligible to vote. And that's the
09:35:21 6 conflict.

09:35:23 7 BY MR. HERRERA:

09:35:23 8 Q. Besides those things that you just identified, are
09:35:27 9 there any other -- well, first of all, are there any other
09:35:29 10 processes that the challenged laws would disrupt or in any
09:35:35 11 way change for Yuma County Recorder's Office?

09:35:39 12 MS. JOHNSTON: The proof of residence.

09:35:39 13 BY MR. HERRERA:

09:35:43 14 Q. And how would the laws affect -- affect that?

09:35:47 15 MS. JOHNSTON: Currently, we do not have
09:35:49 16 voters bring in any kind of utility bill or ID when they
09:35:56 17 register to vote. They sign and affirm on the Arizona
09:36:03 18 state registration form that they are filling it out
09:36:05 19 completely and honestly.

09:36:08 20 BY MR. HERRERA:

09:36:12 21 Q. And this may be a question for Ms. Munoz, but I'll
09:36:17 22 ask both of you.

09:36:18 23 Is that something -- the proof of residency
09:36:22 24 in the form of a utility bill or something else, is that
09:36:25 25 something that Yuma County is now requiring of voters to

09:36:31 1 register?

09:36:33 2 A. No.

09:36:37 3 Q. And that was -- sorry.

09:36:38 4 Who was that? Was it Ms. Munoz?

09:36:40 5 A. Yes.

09:36:42 6 Q. Now, besides -- Ms. Johnston, besides these

09:37:01 7 processes that you identified, are there -- are there any

09:37:04 8 other conflicts that would occur between state and federal

09:37:13 9 laws that -- by -- by your understanding because of the

09:37:20 10 challenged laws?

09:37:21 11 MS. JOHNSTON: Not that --

09:37:22 12 MR. LANGHOFER: Same objection.

09:37:22 13 THE COURT REPORTER: I'm sorry. Can you

09:37:26 14 repeat that answer?

09:37:26 15 MS. JOHNSTON: Not that I can think of.

09:37:31 16 BY MR. HERRERA:

09:37:31 17 Q. I'm going to go to another answer to the

09:37:34 18 interrogatories here. I'm going to go to Interrogatory

09:37:38 19 Number 1. So I want to -- Ms. Munoz, if you can look at

09:37:38 20 the Interrogatory Number 1.

09:37:57 21 It says, "Identify and describe each way that

09:37:59 22 your office uses or would use information related to the

09:38:03 23 birthplace of a voter registration applicant."

09:38:06 24 Do you see that question?

09:38:07 25 A. Yes.

09:38:07 1 Q. Okay. And then in the answer, do you see -- are
09:38:12 2 you familiar with this answer? I'll give you a second to
09:38:15 3 look at it.

09:38:17 4 A. I am familiar with that answer.

09:38:19 5 Q. Okay. And, Ms. Munoz, do you see where it says,
09:38:28 6 "it should be emphasized that the birthplace information is
09:38:31 7 not required and does not affect a voter's ability to
09:38:35 8 register or cast a ballot"?

09:38:36 9 Do you see that?

09:38:36 10 A. Yes.

09:38:36 11 Q. And then do you see the next sentence where it
09:38:39 12 says, "The Yuma County Recorder's Office does not currently
09:38:42 13 use and does not plan to utilize birthplace information to
09:38:45 14 verify or confirm the identity or eligibility of Voter
09:38:49 15 Registration Applicants"?

09:38:51 16 Do you see that?

09:38:53 17 A. Yes.

09:38:53 18 Q. Okay. Is that still the case that Yuma County
09:38:56 19 doesn't plan to use that information on birthplace?

09:39:00 20 A. Yes.

09:39:01 21 Q. Okay. And do you know why that is that Yuma
09:39:06 22 County Recorder's Office does not plan to use -- utilize
09:39:08 23 that information on birthplace?

09:39:10 24 A. We are waiting for direction from the secretary of
09:39:13 25 state on that.

09:39:14 1 Q. I see.

09:39:17 2 And has the Yuma County Recorder's Office, in
09:39:23 3 your experience, ever used information on someone's
09:39:27 4 birthplace to determine eligibility to vote?

09:39:33 5 A. Not that I am aware of, no.

09:39:35 6 Q. And, Ms. Johnston, as far as you're aware, has the
09:39:39 7 Yuma County Recorder's Office ever used birthplace
09:39:42 8 information in order to determine eligibility to vote?

09:39:45 9 MS. JOHNSTON: No.

09:39:46 10 BY MR. HERRERA:

09:39:54 11 Q. And, Ms. Johnston, since you helped prepare the
09:39:57 12 answers to these interrogatories, I'll ask you: "Why is it
09:40:03 13 that Yuma County Recorder's Office does not plan to utilize
09:40:07 14 birthplace information to verify or confirm the identity or
09:40:11 15 eligibility of applicants?"

09:40:12 16 MS. JOHNSTON: I believe the recorder's
09:40:16 17 office will use it if it is a law and is put in place and
09:40:21 18 the Secretary of State's Office provides a new registration
09:40:24 19 form that makes it a required field.

09:40:35 20 MR. HERRERA: And -- sorry. For the people
09:40:38 21 at home, I did not put Exhibit 102 -- or sorry -- 201 in
09:40:49 22 the -- in the chat here. So I'll put that in here now for
09:40:52 23 your reference.

09:40:54 24 And I think all counsel should have the
09:40:56 25 Dropbox. So if I forget to put an exhibit here in the --

09:41:01 1 in the chat, please let me know. But you should have a
09:41:06 2 link that I sent out.

09:41:14 3 BY MR. HERRERA:

09:41:14 4 Q. Okay. Ms. -- Ms. Munoz, who is the current Yuma
09:41:19 5 County recorder?

09:41:20 6 A. Mr. Richard Colwell.

09:41:21 7 Q. All right. Sorry. You answered that one already.
09:41:24 8 But thank you for telling me -- telling me again.

09:41:27 9 But how -- how long has Mr. Colwell been in
09:41:31 10 office?

09:41:33 11 A. A little over a year. About a year -- 13 months.

09:41:40 12 Q. And who was the previous Yuma County recorder?

09:41:43 13 A. Ms. Robyn Stallworth-Pouquette.

09:41:47 14 Q. And when did Ms. Stallworth-Pouquette leave her
09:41:54 15 position?

09:41:55 16 A. July of 2022.

09:42:00 17 Q. Do you know why Ms. Stallworth-Pouquette left her
09:42:04 18 position as county recorder?

09:42:04 19 A. No, I do not.

09:42:05 20 Q. Ms. Johnston, do you know why

09:42:08 21 Ms. Stallworth-Pouquette left her position as county

09:42:13 22 recorder?

09:42:13 23 MS. JOHNSTON: I don't know exactly.

09:42:14 24 BY MR. HERRERA:

09:42:15 25 Q. Okay. And, Ms. Munoz, you said you -- you

09:42:34 1 supervised -- you supervise three individuals? Or are
09:42:37 2 there more?

09:42:41 3 A. As of right now, there's three.

09:42:43 4 Q. Okay. And how many people work in the county
09:42:45 5 recorder's office in Yuma?

09:42:47 6 A. As a whole?

09:42:48 7 Q. Yes, as a whole.

09:42:50 8 A. 10, 12. About 12.

09:42:57 9 Q. And how many of those 10 or 12 work on voter --
09:43:04 10 elections generally?

09:43:06 11 A. Elections -- elections and voter registration are
09:43:13 12 two different departments. Is that -- is that what you --

09:43:16 13 Q. Yes, that helps.

09:43:18 14 So if you combine elections and voter
09:43:21 15 registration -- well, let's take it one by one.

09:43:23 16 A. Okay.

09:43:24 17 Q. So in elections -- how many work in elections?

09:43:28 18 A. Three.

09:43:28 19 Q. And how many people work in voter registration?

09:43:31 20 A. Four.

09:43:32 21 Q. And then the rest of the 10 or 12, are those
09:43:36 22 people who work in other business of the Yuma County
09:43:40 23 Recorder's Office besides voting?

09:43:42 24 A. Yes.

09:43:43 25 Q. Okay. And in voter registration, is that -- are

09:43:54 1 those you plus the three people you supervise?

09:43:56 2 A. Yes.

09:43:57 3 Q. Okay. And what do -- what are the positions of

09:44:01 4 the other people you supervise?

09:44:05 5 A. One is the lead voter service specialist, and the

09:44:08 6 other two are our voter service specialists.

09:44:14 7 Q. Okay. And what is the -- what are the duties of a

09:44:17 8 voter service specialist?

09:44:18 9 A. A voter service specialist, they take care of

09:44:22 10 online registrations, which come from our EZ Voter, from

09:44:26 11 MVD. They work the front counter, taking in anything that

09:44:32 12 comes in. They handle the mail, voter registration forms

09:44:38 13 that are walk-ins. They answer the phone. They're in

09:44:47 14 charge of mailing out any notices that need to be mailed

09:44:50 15 out, ID cards.

09:45:19 16 Am I continuing?

09:45:20 17 Q. No. Sorry.

09:45:21 18 A. I'm sorry.

09:45:22 19 MR. HERRERA: I am pulling up another

10:02:48 14 referencing.

10:02:48 15 Q. Okay. And which one -- for 2492, how are you
10:02:54 16 familiar with that law? Or did -- let me -- let me strike
10:02:58 17 that. That was a confusing question.

10:03:00 18 HB 2492, what is that law generally about in
10:03:05 19 your mind?

10:03:06 20 A. Voter registration.

10:03:07 21 Q. And by "voter registration," is it about
10:03:13 22 processing applications or something else?

10:03:17 23 A. No. It's in regards to the verification of
10:03:20 24 citizenship.

10:03:24 25 Q. And then there's another bill that's the subject

10:03:27 1 of this lawsuit, HB 2243. Are you familiar with that law?

10:03:33 2 A. Yes.

10:03:34 3 Q. Okay. And which -- what is that law about?

10:03:36 4 A. It's about the residency of voters.

10:03:40 5 Q. The -- okay.

10:03:43 6 Anything else?

10:03:47 7 A. And the cancellation of voters.

10:03:50 8 Q. Does your office use the Arizona Motor Vehicle

10:04:24 9 Division's database at all?

10:04:26 10 A. Yes.

10:04:27 11 Q. Okay. And how does your office use the Arizona

10:04:30 12 Motor Vehicles Division database?

10:04:33 13 A. We receive voter registration forms from them for

10:04:36 14 people that go and register as they're getting their

10:04:40 15 driver's license.

10:04:44 16 Q. Okay. Besides getting registration -- voter

10:04:53 17 registration forms from the MVD, do you use the MVD

10:04:56 18 database for any other -- and by "MVD," I mean Motor

10:05:00 19 Vehicles Division.

10:05:01 20 Do you use the MVD database for anything

10:05:03 21 else?

10:05:04 22 A. We run our HAVA checks through there.

10:05:07 23 Q. And when you run a HAVA check, can you tell me --

10:05:15 24 walk me through what that -- what that looks like when you

10:05:18 25 use -- do a HAVA check?

10:05:19 1 A. So when you run a HAVA check on somebody, it's
10:05:23 2 giving you a hard match or a soft match on that voter.
10:05:28 3 Q. And can you explain the difference between those
10:05:30 4 two?
10:05:31 5 A. A hard match would give you the -- the -- it would
10:05:35 6 match it up with their social, date of birth, driver's
10:05:38 7 license, name. The soft match may be a name; it may be a
10:05:43 8 date of birth.
10:05:46 9 Q. Is there -- so on a soft match, is there kind of a
10:05:51 10 minimum number of fields or pieces of information that it
10:05:56 11 would match?
10:05:57 12 A. Yes.
10:05:58 13 Q. Okay. And do you know what that minimum is?
10:06:01 14 A. Just maybe their name.
10:06:04 15 Q. Okay. So it can be as little as matching a name
10:06:09 16 match for a soft match in a HAVA check?
10:06:12 17 A. Yes.
10:06:12 18 Q. Okay. What happens when -- when you're doing a
10:06:18 19 HAVA check as -- there's only a soft match?
10:06:23 20 A. So we'll -- we will not match it up with the
10:06:26 21 person that comes up on there. And we would create a new
10:06:29 22 record for that voter since it is not a hard match.
10:06:32 23 Q. And by "create a new record," what do you mean?
10:06:38 24 A. They get their own voter registration ID number.
10:06:44 25 Q. So what is -- what is the purpose of a HAVA check?

10:06:56 1 A. It is to verify citizenship and to verify that
10:07:00 2 they are a person.

10:07:02 3 Q. Okay. And is it -- when you say "verify that it
10:07:05 4 is a person," just to -- what does that mean?

10:07:08 5 A. That they do have a social; they do have a date of
10:07:12 6 birth; and driver's license.

10:07:15 7 Q. What happens if they don't come up in the MVD
10:07:21 8 database when you do a HAVA check?

10:07:24 9 A. It they do not come up --

10:07:26 10 Q. Yes.

10:07:26 11 A. -- in the database? We continue to register that
10:07:31 12 person.

10:07:33 13 Q. Now, when you're looking at a HAVA check, what
10:07:37 14 is -- what is the citizenship information that you receive
10:07:40 15 through that HAVA check?

10:07:42 16 A. The verification that they are a U.S. citizen.

10:07:46 17 Q. And what is that -- how is that -- how is
10:07:52 18 citizenship -- U.S. citizenship verified to you through the
10:07:55 19 HAVA check?

10:07:56 20 A. I believe they have to take their birth
10:08:01 21 certificate or passport or naturalization form to the
10:08:06 22 Department of Motor Vehicles, and they verify it there.

10:08:09 23 Q. Right.

10:08:10 24 What I mean is, on your end, what is the
10:08:12 25 information you get from the HAVA check about citizenship?

10:08:17 1 A. The verification form. We can see the
10:08:21 2 verification that DMV has verified that they are a U.S.
10:08:26 3 citizen.
10:08:26 4 Q. And what is -- tell me what the -- I imagine this
10:08:31 5 is on a computer screen or -- right?
10:08:32 6 A. Yes.
10:08:33 7 Q. Okay. What does it look like when it says that
10:08:36 8 citizenship has been verified for someone in a HAVA check?
10:08:44 9 A. It just says "citizenship verified."
10:08:50 10 Q. Does it give you any other -- does the HAVA check
10:08:52 11 give you any other information about the person besides
10:08:55 12 the -- saying "citizenship verified"?
10:08:59 13 A. It gives you the name, social, date of birth,
10:09:03 14 driver's license number.
10:09:04 15 Q. Does the HAVA check tell you why someone -- if --
10:09:07 16 in the instance where someone's citizenship is not
10:09:11 17 verified, what does it say in the HAVA check?
10:09:14 18 A. I can't really recall off the top of my head what
10:09:23 19 it says.
10:09:25 20 Q. Does it -- have you had an instance where
10:09:28 21 citizenship was not verified through a HAVA check?
10:09:31 22 A. Yes.
10:09:32 23 Q. Okay. And how frequently does that happen?
10:09:36 24 A. Not very frequently.
10:09:38 25 Q. Okay. And when -- what do you do when there is --

10:09:42 1 when it says that citizenship is not verified in a HAVA
10:09:48 2 check?

10:09:48 3 A. We will continue to process the form. We will
10:09:54 4 notify also the voter that we cannot prove citizenship. We
10:09:58 5 will send them a letter.

10:10:01 6 Q. And when you send that person a letter, what does
10:10:15 7 it say -- what does it say for that person when citizenship
10:10:22 8 is not verified? Does it say "not verified" or what?

10:10:25 9 A. Citizenship could not be verified and for them to
10:10:29 10 please provide anything that's listed, like a birth
10:10:32 11 certificate, passport, or naturalization papers.

10:10:38 12 Q. Does the -- when citizenship is not verified, what
10:10:42 13 is the reason that -- does the HAVA check give any reason
10:10:46 14 for why citizenship was not verified?

10:10:50 15 A. They just couldn't verify citizenship.

10:10:53 16 Q. Does it -- does the HAVA check tell you whether,
10:10:57 17 for example, someone has a certain type of driver's license
10:11:00 18 and that is why they're not being verified as a U.S.
10:11:03 19 citizen?

10:11:05 20 A. Yes.

10:11:05 21 Q. Okay. And -- okay.

10:11:07 22 So what is -- what does it say about that
10:11:10 23 person's type of license when they -- when they are not
10:11:13 24 verified as a U.S. citizen in a HAVA check?

10:11:15 25 A. It's an F-type license.

10:11:18 1 Q. And what is an F-type license?

10:11:21 2 A. Foreign.

10:11:25 3 Q. Does the HAVA check tell you when the F-type

10:11:30 4 license was obtained from the MVD when you get a non- --

10:11:35 5 someone who's not verified as a U.S. citizen?

10:11:37 6 A. Yes.

10:11:37 7 Q. Okay. And so it has the actual date of when that

10:11:45 8 person got the driver's license?

10:11:46 9 A. Yes. When the date was issued. The issue date,

10:11:50 10 yes.

10:11:51 11 Q. Date issued.

10:11:53 12 Now, you say you send a notice to the -- in

10:12:17 13 that instance where they have an F-type license and the

10:12:19 14 citizenship is nonverified, you send a notice to that

10:12:23 15 person; right?

10:12:24 16 A. Yes.

10:12:24 17 Q. Okay. And what does the notice say?

10:12:29 18 A. To please verify -- to please bring in their

10:12:32 19 passport, birth certificate, or naturalization documents.

10:12:35 20 Q. And do you recall the last time you had to do that

10:12:47 21 was?

10:12:48 22 A. No, I cannot recall.

10:12:51 23 Q. Do you recall what typically has happened when

10:12:57 24 you've sent out a notice like that to someone about their

10:13:00 25 citizenship not being verified in a HAVA check?

10:13:03 1 A. Some will come in contact with us and bring in
10:13:08 2 those three documents mentioned.

10:13:10 3 Q. And so some people have brought in proof of
10:13:13 4 citizenship and -- even though they had an F-type license
10:13:18 5 in the HAVA check?

10:13:19 6 A. Yes.

10:13:23 7 Q. Do you know why -- how is it that someone with an
10:13:27 8 F-type license would -- would also be able to have
10:13:30 9 documentary proof of citizenship?

10:13:32 10 A. They had not taken it to the Department of Motor
10:13:35 11 Vehicles yet to take that flag off of their driver's
10:13:39 12 license.

10:13:39 13 Q. I see.

10:13:40 14 So someone could become naturalized as a U.S.
10:13:45 15 citizen sometime after they got that F-type license; is
10:13:49 16 that right?

10:13:49 17 A. Yes.

10:13:50 18 Q. About how many times a month do you or your office
10:14:14 19 encounter someone who, in a HAVA check, has an F-type
10:14:19 20 license?

10:14:25 21 A. Maybe twice a month.

10:14:30 22 Q. Twice a month. Okay.

10:14:31 23 And for the people who actually bring in
10:14:34 24 their documentary proof of citizenship, what type of proof
10:14:38 25 of citizenship do they usually end up showing you?

10:14:43 1 A. The passport, birth certificate, or
10:14:46 2 naturalization.
10:14:47 3 Q. And when you say "naturalization," is that a
10:14:50 4 naturalization certificate or something --
10:14:52 5 A. Yes.
10:14:53 6 Q. -- else?
10:14:54 7 A. Their naturalization certificate.
10:15:01 8 Q. Now, when you get that -- when someone shows
10:15:03 9 that -- that document to show their citizenship after
10:15:06 10 receiving a notice because of a HAVA check, does Yuma
10:15:10 11 County keep a record of that document?
10:15:14 12 A. We do.
10:15:15 13 Q. Okay. And you make a copy of it?
10:15:18 14 A. We just usually verify it. If they mail it in
10:15:23 15 a -- by the mail, then we'll keep it. But if they just
10:15:27 16 bring it into our office, we will verify it in person.
10:15:30 17 Q. When you say "verify it in person," do you -- do
10:15:32 18 you make a copy of it and keep it?
10:15:34 19 A. No.
10:15:35 20 Q. Okay. And for the people who send in the copies,
10:15:39 21 where does that -- what happens to that copy of that
10:15:42 22 person's document?
10:15:43 23 A. We have to keep it for two years.
10:15:47 24 Q. So if someone comes and shows a proof of
10:15:52 25 citizenship document in person and you don't make a copy of

10:15:55 1 it, then you don't have that on record for two years;

10:15:58 2 right?

10:15:59 3 A. Right.

10:16:19 4 MR. HERRERA: I think since we've been going
10:16:20 5 for a little over an hour, we're going to take, I think, a
10:16:24 6 five- or ten-minute break -- maybe ten-minute break -- and
10:16:28 7 come back. Is that okay with everybody?

10:16:31 8 MS. MUNOZ: Yes.

10:16:32 9 MR. HERRERA: Let's go off the record,
10:16:33 10 please.

10:16:34 11 THE VIDEOGRAPHER: We're off the record.
10:16:35 12 Time on the video monitor is 10:16 a.m. This ends Media 1.

10:28:26 13 (A recess ensued.)

10:28:27 14 THE VIDEOGRAPHER: We are on the record.

10:28:34 15 Time on the video monitor is 10:28 a.m. This begins

10:28:39 16 Media 2.

10:28:40 17 BY MR. HERRERA:

10:28:40 18 Q. Ms. Munoz, earlier you mentioned -- I think both

10:28:46 19 of you discussed birthplace.

10:28:48 20 And, Ms. Munoz, you said that Yuma doesn't

10:28:51 21 have plans to use birthplace information; right?

10:28:57 22 A. No. Not until we get guidance from secretary of

10:29:00 23 state.

10:29:00 24 Q. Okay. And in terms of looking at birthplace for

10:29:07 25 someone's -- when someone has registered to vote, is there

10:29:13 1 any database that you could go look at to -- to use

10:29:19 2 birthplace information in order to determine that person's

10:29:23 3 eligibility to vote?

10:29:26 4 A. No.

10:29:27 5 Q. No?

10:29:27 6 A. No.

10:29:28 7 Q. Is there any database that you know of that would

10:29:34 8 allow you to learn anything more about a person's

10:29:38 9 eligibility to vote based on their birthplace?

10:29:43 10 A. No.

10:29:44 11 Q. Do you -- are you familiar with the United States

10:29:56 12 Citizenship and Immigration Services' SAVE program?

10:30:01 13 A. Yes.

10:30:01 14 Q. Okay. And SAVE meaning Systematic Alien

10:30:08 15 Verification for Entitlements?

10:30:10 16 A. Yes.

10:30:10 17 Q. Okay. And what is -- as far as you know, what is

10:30:14 18 the SAVE system?

10:30:16 19 A. Where we can verify citizenship if a voter writes

10:30:22 20 down an A-number on their form.

10:30:28 21 Q. And why -- are there any other instances besides

10:30:31 22 when someone writes down an A-number that you could use

10:30:34 23 SAVE to verify someone's citizenship?

10:30:36 24 A. No.

10:30:37 25 Q. Why not?

10:30:39 1 A. I've only used it for A-numbers that I'm -- I used
10:30:45 2 it for.

10:30:46 3 Q. And an A-number, just for -- so that we're clear
10:30:50 4 on the record, an A-number is an alien number; so it's a
10:30:54 5 citizen -- I'm sorry -- an immigration number?

10:30:56 6 A. Yes.

10:30:57 7 Q. Okay. How often does someone write down an
10:31:03 8 A-number in his or her voter registration application?

10:31:08 9 MR. MORGAN: Foundation.

10:31:09 10 MS. MUNOZ: Not quite often.

10:31:11 11 BY MR. HERRERA:

10:31:13 12 Q. And about how many times a year does someone
10:31:17 13 submit a voter registration application and write down an
10:31:21 14 A-number?

10:31:23 15 A. What was that question again? I'm sorry.

10:31:25 16 Q. Sure.
10:31:25 17 About how many times a year does someone give
10:31:29 18 an A-number in their voter registration application?

10:31:34 19 MR. MORGAN: Foundation. Speculation.

10:31:37 20 MS. MUNOZ: I can't answer that.

10:31:39 21 BY MR. HERRERA:

10:31:46 22 Q. And when you're using SAVE to verify someone's
10:31:49 23 citizenship, what happens when you put in that person's
10:31:55 24 information generally? What do you get back?

10:31:59 25 A. That they are a U.S. citizen.

10:32:03 1 Q. Have you ever had an instance where -- well, how
10:32:10 2 long does it take to get that result from SAVE?

10:32:13 3 A. Maybe a few seconds to a minute.

10:32:19 4 Q. Has there ever been an instance where, when using
10:32:23 5 SAVE for verification of citizenship, that you have had to
10:32:26 6 wait for further verification?

10:32:28 7 A. No.

10:32:37 8 Q. Have -- in SAVE -- when using SAVE, to your
10:32:46 9 knowledge, has SAVE ever not been able to verify someone's
10:32:51 10 U.S. citizenship?

10:32:52 11 A. No.

10:32:54 12 Q. And so every time you use -- you have used SAVE,
10:32:59 13 it has given that that -- it has verified that that person
10:33:03 14 is a citizen?

10:33:03 15 A. Yes.

10:33:05 16 Q. Does your office currently use -- oh, in -- in
10:33:16 17 relation to when someone applies to register to vote, when
10:33:21 18 would you use SAVE?

10:33:24 19 A. When they write down a number -- an A-number on
10:33:30 20 their form.

10:33:31 21 Q. Okay. About how long after the voter registration
10:33:34 22 application would you actually use SAVE? A week? Two
10:33:36 23 weeks? A month?

10:33:38 24 A. Right when I'm registering them or updating their
10:33:41 25 information, yes.

10:33:41 1 Q. Okay. Now, for someone who has already been
10:33:45 2 registered to vote for some period of time, have you ever
10:33:50 3 used SAVE to -- to verify someone's citizenship?

10:33:57 4 A. No.

10:33:59 5 Q. Okay. Does Yuma County plan to -- well, we'll get
10:34:04 6 to that in a second.

10:34:06 7 I'm going to show you a document that was
10:34:26 8 marked in a previous deposition as Exhibit 19.

10:35:03 9 And do you see that on the screen there's a
10:35:04 10 document and it says "House Bill 2492" at the top?

10:35:07 11 A. Yes.

10:35:07 12 Q. And it's -- and here it says Petty Exhibit 19. So
10:35:11 13 this is Exhibit 19 in this case.

10:35:15 14 As you said earlier you reviewed House
10:35:21 15 Bill 2492; right?

10:35:21 16 A. Yes.

10:35:22 17 Q. And I'll show you that this is the -- a copy of
10:35:28 18 the -- of the entire bill. So I'll just scroll through it.

10:35:31 19 Sorry for the fire engine noises.

10:35:36 20 We're going to go to page 5 of the bill. All
10:36:44 21 right. So I'm going to go to the middle of the -- this
10:36:49 22 language.

10:36:49 23 So here, if we look up before this section
10:36:53 24 that I was looking at, do you see where it says,
10:36:59 25 "16-121.01, Requirements for proper registration"?

10:37:02 1 A. Yes.

10:37:02 2 Q. Okay. The whole title of that heading that --

10:37:06 3 that section is "Requirements for proper registration;

10:37:10 4 violations; classification." So I'm going to scroll down

10:37:18 5 here to page 5.

10:37:25 6 And do you see this Subsection E, capital E?

10:37:30 7 A. Yes.

10:37:30 8 Q. Okay. And do you see the section that begins with

10:37:35 9 "After complying with Subsection D of this subsection" --

10:37:39 10 or "this section"?

10:37:39 11 A. Yes.

10:37:41 12 Q. Now, I'm going to go to -- in the middle here, it

10:37:46 13 says, "If the county recorder or other officer in charge of

10:37:51 14 elections matches the applicant with information that the

10:37:55 15 applicant is not a United States citizen, the county

10:37:58 16 recorder or other officer in charge of elections shall

10:38:01 17 reject the application."

10:38:03 18 Do you see that?

10:38:04 19 A. Yes.

10:38:07 20 Q. What is -- what is information that the applicant

10:38:15 21 is not a United States citizen?

10:38:18 22 MR. LANGHOFER: Objection.

10:38:19 23 MR. HORLEY: Objection. Calls for a legal

10:38:26 24 conclusion.

10:38:26 25 MS. MUNOZ: Can you repeat your question?

10:38:28 1 I'm sorry.

10:38:28 2 BY MR. HERRERA:

10:38:28 3 Q. Sure.

10:38:29 4 What is information that a voter registration

10:38:32 5 applicant is not a United States citizen?

10:38:36 6 MR. HORLEY: Same objection.

10:38:37 7 MS. MUNOZ: If it does not come back as a

10:38:41 8 citizen from our HAVA check or if they provide an A-number

10:38:44 9 on their form from SAVE.

10:38:50 10 BY MR. HERRERA:

10:38:54 11 Q. So earlier we mentioned an instance where, in the

10:38:59 12 HAVA check, someone's -- someone comes back with an F-type

10:39:03 13 license; right?

10:39:04 14 A. Yes.

10:39:05 15 Q. And in that instance, you'll ask them to -- you'll

10:39:09 16 send a notification; right?

10:39:10 17 A. Yes.

10:39:11 18 Q. Now, in your current operation, do you -- when you

10:39:15 19 send a notice, do you say that their application was

10:39:19 20 rejected?

10:39:23 21 A. No.

10:39:24 22 Q. Okay. So that's different than what this

10:39:31 23 subsection says; right?

10:39:39 24 MR. HERRERA: I can zoom in there. Sorry.

10:39:40 25 THE WITNESS: Yeah. So it's saying if the

10:39:42 1 applicant is not a United States citizen. So if it matches
10:39:47 2 it saying they're not a U.S. citizen, they get "not
10:39:50 3 eligible."

10:39:53 4 BY MR. HERRERA:

10:39:53 5 Q. Okay. Do you -- do you send that person a notice
10:39:59 6 to ask for proof of citizenship first, or do you reject the
10:40:03 7 application?

10:40:03 8 A. We put them in "not eligible, citizenship not
10:40:08 9 verified," and we do reach out to them in a letter.

10:40:12 10 Q. Okay. And do you tell -- do you tell the person
10:40:18 11 who you send the notice to that their application was
10:40:20 12 rejected?

10:40:22 13 A. No, we do not tell them that. We tell them that
10:40:26 14 it was -- that they are not eligible to register to vote.

10:40:31 15 Q. Does -- does someone having an F-type license
10:40:49 16 necessarily tell you that that person is not a U.S.
10:40:53 17 citizen?

10:40:56 18 A. The F-type license?

10:40:57 19 Q. Right.

10:40:59 20 A. Yes. That's an indicator.

10:41:03 21 Q. Okay. An indicator, does that tell you for
10:41:05 22 certain that that person is not a U.S. citizen?

10:41:08 23 A. I would say not for certain.

10:41:11 24 Q. And is data in a government's database showing
10:41:15 25 noncitizenship -- non-U.S. citizenship 20 years ago

10:41:21 1 information that the person is not a United States citizen
10:41:24 2 today?

10:41:25 3 MR. LANGHOFER: Calls for a legal conclusion.

10:41:27 4 MS. MUNOZ: I can't answer that question.

10:41:29 5 BY MR. HERRERA:

10:41:29 6 Q. Okay. And why not?

10:41:31 7 A. I don't recall from 20 years ago. I don't know --
10:41:35 8 maybe I'm misunderstanding the question.

10:41:37 9 Q. Sure.

10:41:38 10 So if you have -- if you have someone -- if
10:41:40 11 it shows someone's driver's license that was issued
10:41:46 12 20 years ago but it shows an F-type license, does that mean
10:41:49 13 that that person's not a U.S. citizen today?

10:41:53 14 MR. LANGHOFER: Same objection.

10:41:53 15 MR. HORLEY: Same.

10:41:54 16 MS. MUNOZ: I couldn't say.

10:41:56 17 BY MR. HERRERA:

10:41:56 18 Q. Why not?

10:41:57 19 A. I -- I don't know.

10:42:01 20 Q. And in terms of -- and in that case, you -- what
10:42:11 21 would you -- you would ask for more information from that
10:42:14 22 applicant; right?

10:42:16 23 A. Yes. I know at a time they are grandfathered in.

10:42:25 24 Q. What are -- and when you say -- sorry.

10:42:29 25 When you say "grandfathered in," what do you

10:42:32 1 mean?

10:42:32 2 A. By -- in our statute book, if they did -- if they
10:42:36 3 were registered by -- I can't recall the exact date --
10:42:42 4 either 1997 or 2004 -- that they were -- they were
10:42:48 5 grandfathered in to be a full-ballot voter.

10:42:51 6 Q. I see.

10:42:52 7 So that's -- is that versus a federal-only
10:42:57 8 voter?

10:42:59 9 A. What was that? I'm sorry.

10:43:01 10 Q. When you -- when you say a -- when you say they're
10:43:04 11 "grandfathered in to be a full-ballot voter," what do you
10:43:07 12 mean by that?

10:43:08 13 A. That they're able to vote a full ballot.

10:43:11 14 Q. And what would a non-full-ballot be?

10:43:14 15 A. A fed voter -- federal voter.

10:43:17 16 Q. Okay. So only federal elections; right?

10:43:19 17 A. Yes.

10:43:20 18 Q. Now, when someone registers to vote -- well, let
10:43:29 19 me strike that.

10:43:30 20 What are valid sources of -- besides SAVE and
10:43:47 21 HAVA, what are valid sources of information that someone is
10:43:50 22 not a U.S. citizen?

10:43:52 23 MR. LANGHOFER: Calls for a legal conclusion.

10:43:56 24 MS. MUNOZ: I'm sorry. Can you repeat the
10:43:57 25 question?

10:43:57 1 BY MR. HERRERA:

10:43:58 2 Q. Sure.

10:43:58 3 So besides SAVE and HAVA checks, which we've

10:44:01 4 discussed already, what are valid sources of information

10:44:06 5 that someone is not a United States citizen?

10:44:09 6 MR. LANGHOFER: Same objection.

10:44:10 7 MS. MUNOZ: That would be those two only.

10:44:13 8 BY MR. HERRERA:

10:44:19 9 Q. Beyond HAVA and SAVE, is there any -- would --

10:44:26 10 would a phone call from another voter about the applicant

10:44:33 11 be information that that person is not a U.S. citizen?

10:44:36 12 MR. LANGHOFER: Same objection.

10:44:38 13 MR. HORLEY: Same.

10:44:39 14 MS. MUNOZ: No.

10:44:39 15 BY MR. HERRERA:

10:44:40 16 Q. Why not?

10:44:41 17 MR. LANGHOFER: Same objection.

10:44:42 18 MS. MUNOZ: It can be an angry person calling

10:44:45 19 in.

10:44:49 20 BY MR. HERRERA:

10:44:50 21 Q. And would -- would an email or a -- would an email

10:45:06 22 from an outside organization writing to Yuma County, saying

10:45:12 23 that an applicant is not a U.S. citizen -- would that be

10:45:17 24 information that that person is not a U.S. citizen?

10:45:20 25 MR. LANGHOFER: Same objection.

10:45:21 1 MS. MUNOZ: No.

10:45:27 2 BY MR. HERRERA:

10:45:39 3 Q. Has the Secretary of State's Office -- again,

10:45:44 4 referring back to this text that I've highlighted about

10:45:48 5 information that the applicant is not a U.S. -- United

10:45:51 6 States citizen -- has the Secretary of State's Office ever

10:45:54 7 given your office a list of information that constitutes

10:45:58 8 evidence of a lack of citizenship?

10:46:01 9 A. Not that I recall.

10:46:03 10 Q. Now I'm going to go down to a different section of

10:46:26 11 the law here.

10:46:30 12 Do you see at the top of page -- or, rather,

10:46:59 13 at the top of the screen here, it says page 4 and then

10:47:02 14 Subsection D? Do you see that?

10:47:05 15 A. Yes.

10:47:06 16 Q. It says, "Within ten days after receiving an

10:47:09 17 application for registration on a form produced by the

10:47:12 18 United States Election Assistance Commission that is not

10:47:15 19 accompanied by satisfactory evidence of citizenship, the

10:47:19 20 county recorder or other officer in charge of elections

10:47:22 21 shall use all available resources to verify the citizenship

10:47:26 22 status of the applicant."

10:47:28 23 And do you see that?

10:47:29 24 A. Yes.

10:47:30 25 Q. And so I -- I didn't read the whole thing. But

10:47:34 1 then there's a list of things after that paragraph; right?

10:47:37 2 A. Yes.

10:47:39 3 Q. And do you see that Number 5 is -- it says, "Any

10:47:47 4 other state, city, town, county or federal database and any

10:47:52 5 other database relating to voter registration to which the

10:47:56 6 county recorder or officer in charge of elections has

10:47:59 7 access, including an Electronic Registration Information

10:48:04 8 Center database"?

10:48:06 9 Do you see that?

10:48:06 10 A. Yes.

10:48:08 11 Q. Okay. What are these other databases relating to

10:48:17 12 voter registration?

10:48:19 13 MR. HORLEY: Objection. Calls for a legal

10:48:21 14 conclusion.

10:48:21 15 MS. MUNOZ: None that I'm aware of.

10:48:23 16 BY MR. HERRERA:

10:48:24 17 Q. Okay. Now, if another state government agency --

10:48:36 18 are there any other state government agency databases that

10:48:41 19 you would look at for U.S. citizenship information?

10:48:45 20 A. None that I'm aware of.

10:48:48 21 Q. I'm going to go to a different part of the law

10:49:07 22 here. And we're on page 7 of the bill.

10:49:22 23 And do you see that under -- there's a

10:49:23 24 heading that says "16-143, Federal-only voters; attorney

10:49:29 25 general; investigation; report"?

10:49:34 1 A. Yes.

10:49:35 2 Q. Okay. Do you see that it says in section --

10:49:46 3 Subsection A, "The secretary of state and each county

10:49:50 4 recorder shall make available to the attorney general a

10:49:52 5 list of all individuals who are registered to vote and who

10:49:55 6 have not provided satisfactory evidence of citizenship

10:49:58 7 pursuant to Section 16-166 and shall provide, on or before

10:50:04 8 October 31st, 2022, the applications of individuals who are

10:50:09 9 registered to vote and who have not provided satisfactory

10:50:13 10 evidence of citizenship"?

10:50:17 11 Do you see that?

10:50:17 12 A. Yes.

10:50:17 13 Q. Did you provide this list before October 31st,

10:50:28 14 2022?

10:50:28 15 A. No.

10:50:30 16 Q. Okay. And, Ms. Johnston, since you were there

10:50:32 17 before, did you -- do you recall Yuma County providing this

10:50:36 18 list on or before October 31, 2022?

10:50:40 19 MS. JOHNSTON: No.

10:50:42 20 BY MR. HERRERA:

10:50:48 21 Q. Is Yuma County -- since that -- that date has

10:50:51 22 passed, October 31, 2022, is Yuma County planning to send

10:50:59 23 the attorney general a list of the voters as described in

10:51:02 24 this Subsection A of 16-143, Ms. Munoz?

10:51:07 25 A. We are waiting for guidance from the secretary of

10:51:07 1 state.

10:51:17 2 A. I'm going to show you another document, so please

10:51:20 3 bear with me for a second. So I'm going to share with you

10:52:00 4 another document on the screen here. And this is

10:52:03 5 Exhibit 21 from a prior deposition in this case.

10:52:11 6 And do you see at the top it says, "House

10:52:13 7 Bill 2243," Ms. Munoz?

10:52:14 8 A. Yes.

10:52:15 9 Q. And before, you said that you reviewed this

10:52:24 10 document; right?

10:52:25 11 A. Yes.

10:52:26 12 Q. So I'm going to show you, again, some provisions

10:52:33 13 from this bill like I did with the other bill.

10:52:36 14 Please take a moment to look at 16-165(A),

10:52:43 15 which I'm going to show you on the screen here.

10:52:55 16 And do you see at the top it says, "The

10:52:57 17 county recorder" -- first, let me say it's a section

10:53:03 18 amending Section 16-165, Causes for cancellation; report;

10:53:10 19 right?

10:53:10 20 A. Yes.

10:53:11 21 Q. Okay. And then it says, under Subsection A, "The

10:53:15 22 county recorder shall cancel a registration," and then

10:53:18 23 there's a number of -- a list of things after that; right?

10:53:24 24 A. Yes.

10:53:24 25 Q. Okay. And so after that Subsection A, "shall

10:53:33 1 cancel a registration," there is a list of ways or reasons

10:53:38 2 why voter registration should be canceled; right?

10:53:41 3 A. Yes.

10:53:41 4 Q. Okay. So let's go down to Number 10. And so a

10:53:53 5 voter registration shall be canceled -- and you see

10:53:56 6 Number 10.

10:53:57 7 It says in Number 10, "when the county

10:53:59 8 recorder obtains information pursuant to this section and

10:54:02 9 confirms that the person registered is not a United States

10:54:05 10 citizen."

10:54:08 11 Do you see that?

10:54:08 12 A. Yes.

10:54:09 13 Q. Okay. Now, I'll -- please take a moment to

10:54:18 14 review -- read through Section 10 -- or Subsection 10. Can

10:54:21 15 you do that for me?

10:54:22 16 A. Yes.

10:54:23 17 Q. Okay. Have you had a chance to review it?

10:55:08 18 A. Almost done.

10:55:09 19 Q. Sorry.

10:55:24 20 A. Okay.

10:55:24 21 Q. Okay. So under this provision that you just

10:55:28 22 reviewed, (A) (10) of 16-165, how does one, quote, "obtain

10:55:40 23 information," close quote, that a person registered is not

10:55:44 24 a United States citizen?

10:55:49 25 MR. LANGHOFER: Calls for a legal conclusion.

10:55:50 1 MS. MUNOZ: According to this, it says the
10:55:52 2 jury commissioner.
10:55:53 3 BY MR. HERRERA:
10:55:54 4 Q. Okay. Jury commissioner.
10:55:57 5 But do you see it says "including when"?
10:56:08 6 Right?
10:56:08 7 A. Yes.
10:56:08 8 Q. Okay. So are there any other -- as far as you
10:56:11 9 know, other ways to obtain information that a person
10:56:16 10 registered is not a United States citizen?
10:56:18 11 MR. LANGHOFER: Same objection.
10:56:20 12 MS. MUNOZ: None that I'm aware of.
10:56:20 13 BY MR. HERRERA:
10:56:23 14 Q. Okay. Now I'm going to go down to another -- so
10:56:29 15 still within -- we're still looking within this section,
10:56:33 16 which is Section 16-165. So I'm going to go to the next
10:56:37 17 page and go after Number 10 here.
10:56:40 18 And then there are -- do you see there are a
10:56:41 19 number of letters that are still under this section?
10:56:44 20 A. Yes.
10:56:45 21 Q. So I'm going to scroll down to page 5 of the bill.
10:56:50 22 And at the bottom of page 5 of the bill,
10:56:53 23 still within 16-165, do you see that it says, under
10:57:01 24 Subsection F, "Each month the secretary of state shall
10:57:04 25 compare the statewide voter registration database to the

10:57:07 1 driver license database maintained by the Department of
 10:57:12 2 Transportation"?

10:57:12 3 A. Yes.

10:57:15 4 Q. And then it says, "The secretary of state shall
 10:57:17 5 notify the appropriate county recorder if a person who is
 10:57:21 6 registered to vote in that county has changed the person's
 10:57:25 7 residence address or is not a U.S. citizen."

10:57:27 8 Do you see that?

10:57:29 9 A. Yes.

10:57:32 10 Q. Does Yuma County look at a comparison -- any data
 10:57:36 11 from a comparison of the MVD database to the voter
 10:57:42 12 registration database?

10:57:46 13 A. I am not sure.

10:57:50 14 Q. You're not sure -- you're not sure if you get data
 10:57:53 15 like that?

10:57:55 16 A. Yes.

10:57:55 17 Q. Okay. Now I'm going to go down to Section H.
 10:58:35 18 Do you see that it says, "To the extent
 10:58:37 19 practicable, each month the county recorder shall compare
 10:58:39 20 persons who are registered to vote in that county and who
 10:58:42 21 the county recorder has reason to believe are not United
 10:58:46 22 States citizens and persons who are registered to vote
 10:58:48 23 without satisfactory evidence of citizenship as prescribed
 10:58:52 24 by Section 16-166 with the Systematic Alien Verification
 10:58:59 25 for Entitlements program maintained by the United States

10:59:02 1 Citizenship and Immigration Services to verify the
10:59:05 2 citizenship status"?

10:59:09 3 Do you see that?

10:59:09 4 A. Yes.

10:59:10 5 Q. Okay. Does Yuma County currently, on a monthly
10:59:13 6 basis, run persons who are registered -- who are already
10:59:19 7 registered to vote through SAVE?

10:59:24 8 A. Do we run them through SAVE of people who are
10:59:27 9 registered to vote?

10:59:28 10 Q. Right. As this section says. And you can take a
10:59:30 11 second to read it again.

10:59:50 12 MR. HORLEY: I'm going to the object to the
10:59:52 13 extent it calls for a legal conclusion.

11:00:15 14 MS. MUNOZ: Okay. I reread it.

11:00:17 15 BY MR. HERRERA:

11:00:17 16 Q. Okay. So does Yuma County, on an -- every month
11:00:22 17 use SAVE in this way as described in Subsection H?

11:00:29 18 A. No.

11:00:30 19 MR. HORLEY: Objection to the extent it calls
11:00:30 20 for a legal conclusion.

11:00:33 21 BY MR. HERRERA:

11:00:33 22 Q. So Yuma County does not, on a monthly basis, run
11:00:39 23 people who it has reason to believe are not United States
11:00:42 24 citizens through SAVE?

11:00:44 25 A. No.

11:00:45 1 Q. Okay. Now, do you see this language that says --
11:00:50 2 I'm going to highlight it for you -- "who the county
11:00:54 3 recorder has reason to believe are not United States
11:00:56 4 citizens"?
11:00:58 5 Do you see that?
11:00:58 6 A. Yes.
11:00:58 7 Q. What would give your office a reason to believe a
11:01:11 8 person is not a United States citizen?
11:01:15 9 MR. LANGHOFER: Calls for a legal conclusion.
11:01:18 10 MS. MUNOZ: I would have to seek counsel on
11:01:18 11 that one.
11:01:20 12 BY MR. HERRERA:
11:01:21 13 Q. Okay. Has the Secretary of State's Office
11:01:23 14 provided you any information on how to interpret this part
11:01:27 15 of the law?
11:01:32 16 A. No.
11:01:33 17 Q. Would -- when you say that you would either --
11:01:41 18 seek counsel, what do you mean by that?
11:01:48 19 A. I don't understand the question. I don't -- I
11:02:06 20 don't think I'm understanding the -- that area right there.
11:02:09 21 Q. The "reason to believe" language, you don't
11:02:12 22 understand that?
11:02:12 23 (Reporter clarification.)
11:02:21 24 THE WITNESS: Yes, that's the area.
11:02:21 25 ///

11:02:22 1 BY MR. HERRERA:

11:02:22 2 Q. Okay. Now, why is it that you're having trouble

11:02:26 3 understanding what "reason to believe are not United States

11:02:29 4 citizens" is?

11:02:33 5 A. I understand what a United States citizen -- that

11:02:36 6 are not United States citizen. I just don't get "who the

11:02:39 7 county recorder has reason to believe are not United States

11:02:45 8 citizens."

11:02:47 9 Q. And do you know if anyone else in the Yuma County

11:02:53 10 Recorder's Office understands this language?

11:02:54 11 A. Mrs. Sarah Johnston might.

11:02:57 12 Q. Okay. Ms. Johnston, do you understand this

11:03:00 13 language?

11:03:00 14 MS. JOHNSTON: Yes.

11:03:01 15 BY MR. HERRERA:

11:03:01 16 Q. And what does this mean to you?

11:03:03 17 MR. LANGHOFER: Calls for a legal conclusion.

11:03:04 18 MS. JOHNSTON: Because this is the new

11:03:10 19 language that is being adopted, I would assume that it is

11:03:13 20 in regards to the jury list.

11:03:18 21 BY MR. HERRERA:

11:03:20 22 Q. I see.

11:03:21 23 So you think it's from the jury list. That's

11:03:22 24 where you would get the reason to believe?

11:03:24 25 MS. JOHNSTON: Correct. If a voter is

11:03:26 1 registered to vote and is an active registered voter, that
11:03:30 2 means they have met the minimum qualifications to be a
11:03:34 3 registered voter.

11:03:38 4 So therefore, we would not take hearsay
11:03:43 5 information that somebody's not a citizen. It would need
11:03:47 6 to be the jury list that the voter is marking that they are
11:03:51 7 not a citizen.

11:03:53 8 BY MR. HERRERA:

11:03:54 9 Q. When you say "hearsay," what do you mean by that?

11:03:56 10 MS. JOHNSTON: The county recorder will not
11:03:58 11 take a phone call from somebody and that person implying
11:04:04 12 that another person is not registered to vote.

11:04:08 13 BY MR. HERRERA:

11:04:08 14 Q. Okay. And where do you -- where do you get that
11:04:12 15 interpretation from?

11:04:13 16 MS. JOHNSTON: Well, if a voter has been
11:04:15 17 properly registered to vote, citizenship has already been
11:04:19 18 verified. Therefore, there would be no reason to revisit
11:04:26 19 that information unless it's coming from an official
11:04:31 20 document, such as the jury list.

11:04:33 21 BY MR. HERRERA:

11:04:36 22 Q. And do you think that additional guidance may be
11:04:43 23 needed on this "reason to believe" language?

11:04:47 24 MS. JOHNSTON: Yes.

11:04:48 25 MR. LANGHOFER: Calls for legal conclusion.

11:04:49 1 BY MR. HERRERA:

11:04:49 2 Q. And why is that?

11:04:51 3 MS. JOHNSTON: I would --

11:04:51 4 MR. LANGHOFER: Same objection.

11:04:53 5 MS. JOHNSTON: I would want clarification on

11:04:57 6 what reasons deem additional investigation on that person's

11:05:05 7 citizenship.

11:05:06 8 BY MR. HERRERA:

11:05:10 9 Q. Would you say that a Yuma County recorder voter

11:05:16 10 services specialist would be able to understand this

11:05:18 11 language from reading it: "reason to believe"?

11:05:21 12 MR. LANGHOFER: Form.

11:05:22 13 MR. MORGAN: Foundation. Speculation.

11:05:26 14 MS. JOHNSTON: I -- I guess that would be up

11:05:29 15 to how they -- no. No, I don't.

11:05:35 16 BY MR. HERRERA:

11:05:36 17 Q. Okay. And from the language, the way that the law

11:05:41 18 is written here, do you think that it's clear for a county

11:05:54 19 recorder employee to understand what is meant by "county

11:05:59 20 recorder has reason to believe are not United States

11:05:59 21 citizens"?

11:06:03 22 MR. LANGHOFER: Calls for --

11:06:03 23 MR. MORGAN: Speculation.

11:06:08 24 MS. JOHNSTON: No.

11:06:10 25 ///

11:06:10 1 BY MR. HERRERA:

11:06:13 2 Q. So I want to go back to some other language in
11:06:15 3 this bill, Ms. Munoz, and go back to Section (A)(10) -- or
11:06:29 4 Subsection (A)(10).

11:06:31 5 And if we go further, you -- you've read this
11:06:39 6 section before. But I want to focus on this first sentence
11:07:02 7 again: "When the county recorder obtains information
11:07:04 8 pursuant to this section and confirms that the person
11:07:07 9 registered is not a United States citizen."

11:07:14 10 What -- how would the Yuma County Recorder's
11:07:21 11 Office confirm that a person registered is not a United
11:07:22 12 States citizen under this section?

11:07:25 13 MR. LANGHOFER: Calls for a legal conclusion.

11:07:35 14 MS. MUNOZ: I don't see how we can confirm
11:07:41 15 that the person registered is not a United States citizen
11:07:44 16 unless we run it through the SAVE program or HAVA with --
11:07:49 17 if they provide that information needed.

11:07:51 18 BY MR. HERRERA:

11:07:52 19 Q. And for SAVE, you would need that person's -- you
11:07:57 20 would need an A-number or something like that; right?

11:07:59 21 A. Yes.

11:07:59 22 Q. Okay. Does -- when someone applies -- registers
11:08:06 23 to vote and they use an A-number, does -- and let's say
11:08:13 24 that person who had an A-number, you confirmed their
11:08:16 25 citizenship through some document. Does Yuma County save

11:08:21 1 that A-number later -- for later?

11:08:26 2 A. It's put in their record when we register them.

11:08:31 3 Q. And when you say "their record" when you register
11:08:34 4 them, is that in a database that Yuma County keeps, or is
11:08:38 5 that something that's in the state database?

11:08:40 6 A. It's in the state database.

11:08:42 7 Q. So could you go -- for someone who used an
11:08:44 8 A-number to register, could you go look up their A-number
11:08:47 9 again later on?

11:08:50 10 A. No. I would see no need for that.

11:08:54 11 Q. Would you be able to if you wanted to?

11:08:57 12 A. If I needed to, yes.

11:08:59 13 Q. Okay. Now focusing again on this
11:09:14 14 "confirms" language, I'm going to go down to some of these
11:09:21 15 other subsections we were looking at. So we looked at the
11:09:24 16 MVD.

11:09:25 17 Can the Arizona MVD driver license and
11:09:28 18 nonoperating ID database be used to confirm that a
11:09:31 19 registered voter is not a U.S. citizen?

11:09:35 20 MR. HORLEY: Same objection.

11:09:43 21 MS. MUNOZ: Can you -- can you repeat what
11:09:56 22 the question was? I'm sorry.

11:09:57 23 BY MR. HERRERA:

11:09:58 24 Q. Sure.

11:09:58 25 So we have this information above that -- or

11:10:01 1 this -- this language that says "when the county recorder
11:10:04 2 obtains information and confirms." Do you see that "and
11:10:09 3 confirms"?

11:10:10 4 A. Yes.

11:10:10 5 Q. Okay. So focus -- thinking about that, when we go
11:10:14 6 down to Section F -- or just generally, can the Arizona MVD
11:10:20 7 driver license database be used to confirm that a
11:10:24 8 registered voter is not a U.S. citizen?

11:10:27 9 MR. HORLEY: Calls for legal conclusion.

11:10:29 10 MS. MUNOZ: Yes.

11:10:30 11 BY MR. HERRERA:

11:10:32 12 Q. And how -- how do you do that? How do you use the
11:10:43 13 MVD database to confirm that someone is not a U.S. citizen?

11:10:46 14 A. The HAVA checks.

11:10:48 15 Q. And the -- but the HAVA checks show you if someone
11:10:52 16 has an F-type license; right?

11:10:54 17 A. Yes.

11:10:55 18 Q. Has your office received any guidance from the
11:11:00 19 Secretary of State's Office on how the county recorder's
11:11:06 20 office would confirm that a person registered is not a
11:11:08 21 United States citizen?

11:11:15 22 A. Not that I'm aware of.

11:11:20 23 Q. Would your office -- in order to implement House
11:11:25 24 Bill 2243, would your office need guidance on this section
11:11:29 25 of 16-165(A)(10) regarding -- regarding --

11:11:29 1 MR. HORLEY: Objection. Calls for a legal
11:11:29 2 conclusion.
11:11:41 3 THE COURT REPORTER: "Regarding" what? There
11:11:41 4 was an overlap.
11:11:41 5 BY MR. HERRERA:
11:11:46 6 Q. Regarding "confirms" -- the "confirms" language.
11:11:46 7 A. Yes.
11:11:50 8 Q. I can ask the whole question again.
11:11:52 9 So would your office prefer guidance on how
11:11:59 10 to implement 16-165(A)(10) with regard to this "confirms"
11:12:06 11 language?
11:12:08 12 A. Yes. We would need guidance from the secretary of
11:12:10 13 state on that.
11:12:12 14 Q. And why -- and why is that?
11:12:16 15 MR. HORLEY: Same objection.
11:12:19 16 MS. MUNOZ: We get the guidance from them.
11:12:19 17 (Reporter clarification.)
11:12:19 18 MR. HERRERA: Ms. Munoz, if you can give --
11:12:40 19 sorry -- just a little beat for the other attorneys to
11:12:41 20 object. Sorry about that.
11:12:41 21 BY MR. HERRERA:
11:12:57 22 Q. Now I want to go back to -- well, let's see here.
11:13:05 23 Looking again at this Section (A)(10) of
11:13:10 24 16-165, it says at the end here, "If the person registered
11:13:17 25 does not provide satisfactory evidence within thirty five

11:13:23 1 days, the county recorder shall cancel the registration and
11:13:25 2 notify the county attorney and attorney general for
11:13:28 3 possible investigation."

11:13:32 4 Do you see that?

11:13:32 5 A. Yes, I see that.

11:13:33 6 Q. And what do you -- what do you think this means:
11:13:41 7 "notify the county attorney and attorney general for
11:13:44 8 possible investigation"?

11:13:46 9 MR. HORLEY: Calls for a legal conclusion.

11:13:50 10 MS. MUNOZ: What do I think that -- what you
11:13:53 11 have highlighted means?

11:13:54 12 BY MR. HERRERA:

11:13:54 13 Q. Right.

11:13:56 14 A. It means that if we do not -- if there's -- that
11:14:11 15 if they cannot provide satisfactory proof of citizenship,
11:14:15 16 that they would have to forward it to the county attorney
11:14:19 17 or attorney general.

11:14:21 18 Q. And why -- why would you -- what do you think the
11:14:25 19 county attorney or attorney general would do in this
11:14:27 20 instance?

11:14:29 21 MR. MORGAN: Calls for speculation.

11:14:30 22 MS. MUNOZ: I cannot say.

11:14:33 23 BY MR. HERRERA:

11:14:34 24 Q. Do you think that someone might be criminally
11:14:37 25 prosecuted if you send their information under this

11:14:40 1 subsection to the county attorney or attorney general?

11:14:43 2 MR. LANGHOFER: Same objection.

11:14:43 3 MR. MORGAN: Calls far speculation.

11:14:47 4 MS. MUNOZ: It's possible.

11:14:50 5 BY MR. HERRERA:

11:14:50 6 Q. Now, again, this Subsection (A)(10), it talks

11:14:55 7 about 35 days you send a notice; right? And then they have

11:15:00 8 35 days to respond; is that right?

11:15:03 9 A. That's what it reads.

11:15:04 10 Q. Now I want to ask this kind of -- well, you're

11:15:11 11 not -- are you implementing -- is Yuma County implementing

11:15:14 12 this part of the law yet?

11:15:16 13 A. We are not.

11:15:17 14 Q. Okay. Do you ever cancel voter registrations for

11:15:27 15 people who have already been registered?

11:15:31 16 A. No, we do not.

11:15:33 17 Q. So if you were to implement this

11:15:36 18 Section (A)(10) -- if Yuma County was -- was to implement

11:15:41 19 this section and someone was removed from the voter rolls,

11:15:48 20 what do you think that Yuma County would do if you get

11:15:52 21 information after the 35 days that someone actually is

11:15:57 22 eligible? So they send in something late, what would you

11:16:00 23 do?

11:16:02 24 MR. HORLEY: Calls for speculation.

11:16:05 25 MS. MUNOZ: I don't -- I don't think I can

11:16:06 1 answer that. We're -- we're not doing that. We're waiting

11:16:09 2 for guidance from the secretary of state on this.

11:16:11 3 BY MR. HERRERA:

11:16:14 4 Q. And if a registered voter is removed from the
11:16:17 5 voter list or voter registration rolls under this section
11:16:21 6 based on an erroneous determination that they are not a
11:16:25 7 United States citizen, can that voter be added back to the
11:16:29 8 rolls if their voter registration deadline has already
11:16:32 9 passed?

11:16:34 10 MR. LANGHOFER: Calls for a legal conclusion.

11:16:40 11 MS. MUNOZ: I don't think I'm quite
11:16:41 12 understanding the question.

11:16:43 13 BY MR. HERRERA:

11:16:45 14 Q. So -- that's fine.

11:16:47 15 So you're not -- that's fine. We'll move on.

11:16:54 16 Have you received any information from the
11:17:03 17 Secretary of State's Office -- so putting aside HAVA
11:17:08 18 checks, have you ever received any information from the
11:17:12 19 Secretary of State's Office describing that someone might
11:17:15 20 not be a U.S. citizen based on use of MVD data?

11:17:23 21 A. Not that I'm aware of.

11:17:26 22 Q. Now I'm going to go to another subsection here of
11:17:33 23 this law -- of this bill. We're going to go down to G.

11:17:37 24 And do you see G here says, "To the extent
11:17:40 25 practicable, each month the county recorder shall compare

11:17:44 1 the county's voter registration database to the Social
11:17:50 2 Security Administration database"?

11:17:52 3 Do you see that?

11:17:52 4 A. I do see that.

11:17:53 5 Q. Does the Yuma County Recorder's Office ever use
11:17:58 6 the Social Security Administration database for voter
11:18:01 7 registration purposes?

11:18:05 8 A. No.

11:18:06 9 Q. Okay. Do you know if you would be able to get
11:18:14 10 citizenship information from the Social Security
11:18:18 11 Administration database?

11:18:21 12 A. No.

11:18:22 13 Q. Does the Yuma County Recorder's Office have access
11:18:26 14 to the Social Security Administration database?

11:18:29 15 A. No.

11:18:30 16 Q. Now -- sorry to jump back to a different topic.
11:18:36 17 We were talking about SAVE.

11:18:40 18 And do you recall the provision that says
11:18:43 19 that -- here, H, that says that "each month the county
11:18:48 20 recorder shall compare persons," and then it says with SAVE
11:18:54 21 here? Do you see that?

11:18:56 22 A. Yes, I do.

11:18:57 23 Q. Is it practicable for the Yuma County Recorder's
11:19:04 24 Office to run a list of people through SAVE every month?

11:19:08 25 MR. HORLEY: Calls for a legal conclusion.

11:19:09 1 MR. LANGHOFER: Calls for a legal conclusion.

11:19:12 2 MS. MUNOZ: No.

11:19:13 3 BY MR. HERRERA:

11:19:16 4 Q. Why not?

11:19:19 5 MR. LANGHOFER: Same objection.

11:19:19 6 MS. MUNOZ: I don't think I can answer that

11:19:25 7 question. I don't know if Mrs. Johnston is able to or not.

11:19:28 8 BY MR. HERRERA:

11:19:30 9 Q. Ms. Johnston, do you have an answer there?

11:19:32 10 MS. JOHNSTON: Sure. I think it's important

11:19:33 11 to note that in order to be a registered voter, once again,

11:19:37 12 you have to have met the minimum qualifications, which is

11:19:40 13 being a U.S. citizen.

11:19:42 14 If we cannot obtain citizenship on behalf of

11:19:46 15 the voter, the voter -- and also obtain that the voter is

11:19:51 16 not a citizen, they become a federal-only voter.

11:19:55 17 I believe what this language is saying is

11:19:57 18 that they would want or -- or whoever is implementing this

11:20:00 19 law would want the county recorder office to run the list

11:20:04 20 of federal-only voters through the SAVE program. Those

11:20:09 21 voters cannot be ran through the SAVE program without the

11:20:12 22 minimum information in order to run it.

11:20:14 23 So if we don't have a naturalization number

11:20:16 24 or an alien number, that information cannot be ran through

11:20:20 25 SAVE. You have to have one of those two.

11:20:26 1 BY MR. HERRERA:

11:20:26 2 Q. And so what does that mean for the ability of Yuma

11:20:29 3 County to be able to comply with this Subsection H, running

11:20:33 4 people through SAVE every month?

11:20:35 5 MS. JOHNSTON: I don't think Yuma County has

11:20:36 6 the --

11:20:38 7 MR. HORLEY: Same objection.

11:20:41 8 MS. JOHNSTON: -- staff and the resources to

11:20:45 9 run hundreds of federal-only voters through the SAVE

11:20:50 10 program. The staff would have to individually open up each

11:20:54 11 one of those records to see if a voter once provided a

11:20:59 12 A-number or a naturalization number.

11:20:59 13 BY MR. HERRERA:

11:21:03 14 Q. And now for -- and within that scenario where

11:21:06 15 you're doing this or where Yuma County is doing this, is

11:21:10 16 there any part of this law, from your understanding, that

11:21:13 17 would prevent you from -- "you" meaning the office -- from

11:21:20 18 running the same person? Say, they're a federal-only --

11:21:25 19 say, in -- say, in August they're a federal-only voter and

11:21:28 20 then next month, in September, they're also a federal-only

11:21:32 21 voter. Would -- would this law mean that you have to do it

11:21:33 22 again?

11:21:34 23 MR. LANGHOFER: Same objection.

11:21:37 24 MS. JOHNSTON: That's how I read it, yes.

11:21:39 25 ///

11:21:39 1 BY MR. HERRERA:

11:21:39 2 Q. Okay. So there's no limitation of how many times

11:21:42 3 you run a person on a monthly basis through SAVE; right?

11:21:47 4 MS. JOHNSTON: It's all -- it sounds like we

11:21:49 5 shall compare the persons once a month. So that's a must.

11:21:54 6 BY MR. HERRERA:

11:21:55 7 Q. Now, this -- Ms. Johnston, are you familiar with a

11:22:14 13 MS. JOHNSTON: Yes.

11:22:17 14 BY MR. HERRERA:

11:22:17 15 Q. Have you ever run into a case of someone

11:22:19 16 renouncing their U.S. citizenship?

11:22:20 17 MS. JOHNSTON: Never.

11:22:21 18 BY MR. HERRERA:

11:22:21 19 Q. Okay. Have you ever heard of someone's

11:22:26 20 citizenship being stripped or removed?

11:22:28 21 MS. JOHNSTON: No.

11:22:29 22 BY MR. HERRERA:

11:22:30 23 Q. Okay. And have you ever run into an instance of

11:22:34 24 that in Yuma County?

11:22:35 25 MS. JOHNSTON: No.

11:22:35 1 BY MR. HERRERA:

11:22:36 2 Q. And I should have asked this earlier. And maybe

11:22:39 3 I -- I don't know if Ms. Munoz would know this better or

11:22:41 4 Ms. Johnston.

11:22:43 5 How many federal-only voters does Yuma County

11:22:46 6 have approximately?

11:22:50 7 A. Approximately about 905.

11:23:04 8 Q. I'm going to go to another section here. And it

11:23:08 9 says -- it's Subsection I of -- we're still in HB 2243.

11:23:12 10 Subsection I of this amended version of 16-165, I'm going

11:23:19 11 to highlight it there.

11:23:24 12 And it says, "For persons who are registered

11:23:25 13 to vote without satisfactory evidence of citizenship, the

11:23:31 14 county recorder shall compare the Electronic Verification

11:23:35 15 of Vital Events system maintained by a national -- by a

11:23:39 16 National Association for Public Health Statistics and

11:23:44 17 Information Systems, if accessible, with the information on

11:23:46 18 the person's voter registration file."

11:23:48 19 Ms. Munoz, have you ever heard of the

11:23:57 20 NAPHSIS?

11:23:57 21 A. No.

11:23:58 22 Q. Do you have any familiarity with the NAPHSIS's

11:24:04 23 Electronic Verification of Vital Events?

11:24:07 24 A. No, I do not.

11:24:10 25 Q. Do you have any knowledge of the U.S. citizenship

11:24:14 1 status data that is available in the NAPHSIS EVVE database?

11:24:19 2 A. No.

11:24:21 3 Q. Do you currently use NAPHSIS EVVE database for
11:24:27 4 U.S. citizenship verification?

11:24:29 5 A. No.

11:24:30 6 Q. Do you know if Yuma County Recorder's Office has
11:24:35 7 any plans to use the EVVE database?

11:24:38 8 A. I do not.

11:24:44 9 Q. And then here it says section -- Subsection J, "To
11:24:48 10 the extent practicable, the county recorder shall review
11:24:51 11 relevant city, town, county, state, and federal databases
11:24:54 12 to which the county recorder has access to confirm
11:24:57 13 information obtained that requires cancellation of
11:25:00 14 registrations pursuant to this section."

11:25:03 15 Do you -- what other relevant city, town,
11:25:07 16 county, state, or federal databases does your office have
11:25:10 17 access to for the purposes of verifying citizenship?

11:25:16 18 MR. HORLEY: Calls for a legal conclusion.

11:25:18 19 MS. MUNOZ: None that I'm aware of besides
11:25:20 20 the HAVA and SAVE.

11:25:23 21 BY MR. HERRERA:

11:25:25 22 Q. Are you familiar with what ERIC is?

11:25:29 23 A. I've heard of it, yes.

11:25:31 24 Q. Electronic Registration Information Center?

11:25:33 25 A. Yes.

11:25:34 1 Q. Okay. Have -- have you ever -- does Yuma County
11:25:39 2 currently use ERIC for citizenship verification?

11:25:43 3 A. For citizenship verification? Not that I'm aware
11:25:47 4 of.

11:25:49 5 Q. Are there any laws or statutes currently
11:26:04 6 prohibiting a person who is not eligible to vote from
11:26:09 7 registering to vote as far as you're aware?

11:26:13 8 MR. LANGHOFER: Calls for a legal conclusion.

11:26:14 9 MS. MUNOZ: What was the question again? I'm
11:26:16 10 sorry.

11:26:16 11 BY MR. HERRERA:

11:26:16 12 Q. Sure.

11:26:17 13 So are there laws or statutes in Arizona that
11:26:20 14 prohibit a person who is not eligible to vote from
11:26:22 15 registering to vote?

11:26:26 16 MR. HORLEY: Same objection.

11:26:28 17 MS. MUNOZ: I -- I don't know.

11:26:31 18 BY MR. HERRERA:

11:26:31 19 Q. So how about this? Under state law, someone who's
11:26:35 20 not eligible to vote can't register to vote; right?

11:26:38 21 MR. LANGHOFER: Calls for legal conclusion.

11:26:41 22 MS. MUNOZ: Felons cannot register to vote.

11:26:45 23 BY MR. HERRERA:

11:26:46 24 Q. Well, let me ask it differently.

11:26:49 25 So what is your -- I'll ask a different

11:26:51 1 question.

11:26:51 2 What does your office do to identify any
11:26:54 3 instances of voter fraud?

11:27:02 4 A. Can you -- can you repeat that again? I don't
11:27:04 5 think I'm understanding it.

11:27:05 6 Q. Sure.

11:27:06 7 Are you aware of what voter fraud is
11:27:11 8 generally?

11:27:13 9 A. Generally, yes.

11:27:14 10 Q. Okay. And what would that -- what would voter --
11:27:17 11 some examples of voter fraud be?

11:27:19 12 A. What I would think would be voter fraud is
11:27:25 13 somebody trying to vote twice, living in one state and
11:27:30 14 voting in another.

11:27:34 15 Q. And does your office try to identify instances of
11:27:42 16 someone who is committing voter fraud?

11:27:46 17 A. We do.

11:27:47 18 Q. Okay. And how do you do that?

11:27:50 19 A. We get -- I'm trying to think here.

11:28:01 20 Can you -- can you repeat the question again?

11:28:03 21 Q. Sure.

11:28:04 22 You identified some instances of voter fraud.

11:28:12 23 What -- how does your office go about finding those --
11:28:15 24 those instances of voter fraud?

11:28:19 25 A. I don't think I have had instances. Mrs. Johnston

11:28:24 1 might have.

11:28:28 2 Q. And, Ms. Johnston, can you -- can you elaborate?

11:28:31 3 How -- what are ways that Yuma County has

11:28:37 4 sought to identify voter fraud?

11:28:39 5 MS. JOHNSTON: Sure. I guess we can start

11:28:42 6 with the registration forms. Here in Yuma County, we

11:28:48 7 receive thousands of third-party registration forms done by

11:28:54 8 third-party registration groups that are either incomplete

11:29:02 9 or have, in the past, provided information of multiple

11:29:08 10 people. For instance, theoretically, somebody could

11:29:14 11 register using my name, Joann's date of birth, and a

11:29:20 12 recorder's driver's license. That would be an initial

11:29:23 13 voter fraud. Somebody is basically lying on their

11:29:28 14 registration form.

11:29:29 15 That has happened several times in the past.

11:29:34 16 We catch those -- that information when -- Yuma is a very

11:29:39 17 small town, and sometimes we are familiar with some of the

11:29:41 18 people that they are trying to use information on.

11:29:47 19 Also, through the HAVA checks, when it comes

11:29:54 20 down to voting, the system has mechanisms in place to show

11:29:59 21 if somebody is attempting to vote twice. So if somebody

11:30:04 22 submits an early ballot, that early ballot is accounted for

11:30:08 23 in the system.

11:30:09 24 And then if they try to vote in person,

11:30:12 25 either during early voting or on election day, we will

11:30:17 1 receive a flag. And that voter will likely vote
11:30:22 2 provisionally. But it's still an attempt to vote twice;
11:30:26 3 therefore, voter fraud, and then also the ERIC data.
11:30:33 4 BY MR. HERRERA:
11:30:36 5 Q. And do any of those ways of looking for instances
11:30:43 6 of voter fraud involve looking for persons who are not U.S.
11:30:47 7 citizens?
11:30:48 8 MS. JOHNSTON: No.
11:30:48 9 BY MR. HERRERA:
11:30:48 10 Q. No?
11:30:53 11 MS. JOHNSTON: No. Again, to be registered
11:30:54 12 to vote, we have already checked citizenship.
11:30:58 13 BY MR. HERRERA:
11:30:59 14 Q. Okay. Are you aware of any way that -- well, let
11:31:04 15 me strike that.
11:31:05 16 Can private citizens submit allegations about
11:31:16 17 potential voter fraud to your office?
11:31:18 18 MS. JOHNSTON: Have they?
11:31:20 19 BY MR. HERRERA:
11:31:20 20 Q. Yes.
11:31:22 21 MS. JOHNSTON: No.
11:31:22 22 BY MR. HERRERA:
11:31:23 23 Q. I asked, "Can they?" But have they?
11:31:25 24 MS. JOHNSTON: Have they? No. Can they?
11:31:28 25 Yes.

11:31:28 1 BY MR. HERRERA:

11:31:33 2 Q. In your experience, Ms. Johnston, or at -- strike
11:31:36 3 that.

11:31:37 4 Has the county recorder's office identified
11:31:42 5 voter fraud in the form of U.S. citizens who -- or non-U.S.
11:31:47 6 citizens who are registered to vote?

11:31:49 7 MS. JOHNSTON: No.

11:31:56 8 MR. HERRERA: I'm going to show another
11:31:58 9 document. And this is a document that was marked in a
11:32:19 10 prior exhibit [sic] as Exhibit 149 -- 149.

11:32:24 11 I'll just share it in the chat for everybody.

11:32:40 12 BY MR. HERRERA:

11:32:43 14 MS. JOHNSTON: Yes.

11:32:43 15 BY MR. HERRERA:

11:32:44 16 Q. Okay. And do you see that at the top it says
11:32:48 17 "Exhibit 149, HB 2617 - Voter registration; cancellations;
11:32:53 18 causes"?

11:32:53 19 MS. JOHNSTON: Yes.

11:32:53 20 BY MR. HERRERA:

11:32:54 21 Q. And do you see that it says, "Last action, May 27,

11:32:58 23 MS. JOHNSTON: Yes.

11:32:58 24 BY MR. HERRERA:

11:33:02 1 MS. JOHNSTON: Yes.

11:33:19 6 another state." Do you see that?

11:33:20 7 MS. JOHNSTON: Yes.

11:33:21 8 BY MR. HERRERA:

11:33:21 9 Q. And do you see that there is a -- under "Analysis

11:33:25 10 and Comments Responses," in January 27th, 2022, there was a

11:33:32 11 comment from Robyn Stallworth-Pouquette from Yuma County?

11:33:36 12 MS. JOHNSTON: Yes.

11:33:37 13 BY MR. HERRERA:

11:33:37 14 Q. Are you familiar with any comments submitted by

11:33:41 15 Ms. Stallworth-Pouquette in January of 2022 regarding this

11:33:46 16 bill?

11:33:47 17 MS. JOHNSTON: Some comments but not all.

11:33:49 18 BY MR. HERRERA:

11:33:50 19 Q. Okay. And do you see this first comment here?

11:33:54 20 It says, "Analysis/Comments, Robyn Pouquette

11:33:57 21 of Yuma County." Is that Robyn Stallworth-Pouquette?

11:34:02 22 MS. JOHNSTON: Yes.

11:34:03 23 BY MR. HERRERA:

11:34:03 24 Q. And do you see that it says, "Suggested Position:

11:34:08 2 BY MR. HERRERA:

11:34:08 3 Q. Do you recall the Yuma County Recorder's Office

11:34:14 5 MS. JOHNSTON: I don't recall.

11:34:15 6 BY MR. HERRERA:

11:34:15 7 Q. Okay. Do you see where it says "Oppose . . . This

11:34:21 8 is a significant impact on our offices and makes us

11:34:36 16 Q. With regard to HB 2243, do you think that --

11:34:42 17 Ms. Johnston, do you think that HB 2243 makes the personnel

11:34:48 18 in the Yuma County office constant investigators

11:34:52 20 MS. JOHNSTON: Yes.

11:34:52 21 BY MR. HERRERA:

11:34:54 22 Q. And, Ms. Munoz, do you think that -- I'll ask you

11:34:58 23 the same question.

11:34:59 24 Ms. Munoz, do you think that HB 2243's

11:35:02 25 provisions that we were reading makes the Yuma County

11:35:07 1 Recorder's Office constant investigators unnecessarily?

11:35:10 2 A. Yes.

11:35:11 3 Q. Okay. And, Ms. Munoz, in the next sentence, in

11:35:15 4 the comment from Ms. Pouquette, last year -- and this is,

11:35:18 5 of course, about a different bill. But I will represent to

11:35:21 6 you that HB 2617 became a lot of the language of 2243.

11:35:28 7 It says, "We do not have the capability to

11:35:31 8 expand our checks beyond the system, which does several

11:35:34 9 things to ensure we have clean rolls and we consistently

11:35:37 10 review these records but we cannot manually go through

11:35:40 11 cities, et cetera."

11:35:44 12 Would you agree with that statement with

11:35:46 13 regard to 2243?

11:35:58 14 A. Yes.

11:36:14 15 Q. Ms. Johnston, are you aware -- was -- are you

11:37:25 22 BY MR. HERRERA:

11:37:26 23 Q. Okay. And what do you recall?

11:37:28 24 MS. JOHNSTON: Just the discussion of how it

11:37:37 2 Q. Okay. And what was -- what was that discussion

11:38:23 16 opposition of it.

11:38:24 17 BY MR. HERRERA:

11:38:25 18 Q. Of both bills?

11:38:29 19 MS. JOHNSTON: I can't say for certain, but
11:38:32 20 from the last exhibit you provided, I would say yes to at
11:38:38 21 least 2243.

11:38:48 22 MR. HERRERA: Well, I think we could take
11:38:55 23 another break. I'm going to confer with my aligned

11:39:02 25 go off the record for about five minutes.

11:39:05 1 MR. LANGHOFER: I'm good.

11:39:06 2 THE VIDEOGRAPHER: We're off the record.

EXAMINATION

16 BY MR. PATTERSON:

17 Q. Ms. Munoz and Ms. Johnston, I have a few follow-up
18 questions. And I'd like to move through them quickly,
19 hopefully. So I hope not to waste much of your time.

11:49:46 20 So earlier you stated that the EPM is legally
11:49:51 21 binding guidance from the AZ secretary of state. Is there
11:49:57 22 any other methods in which the Arizona secretary of state
11:50:02 23 conveys legally binding guidance on your office other than
11:50:06 24 the EPM?

11:50:07 25 MR. LANGHOFER: Calls for a legal conclusion.

11:50:10 1 MR. MORGAN: Form.

11:50:13 2 MS. MUNOZ: We have our Arizona state

11:50:16 3 statutes.

11:50:19 4 BY MR. PATTERSON:

11:50:19 5 Q. Okay. And if there were to be no update to the

11:50:29 6 EPM, would your county still be obligated to enforce

11:50:36 7 HB 2492 and HB 2243?

11:50:40 8 MR. LANGHOFER: Calls for a legal conclusion.

11:50:43 9 MS. MUNOZ: I would have to ask counsel on

11:50:44 10 that.

11:50:45 11 BY MR. PATTERSON:

11:50:45 12 Q. Okay. Thank you.

11:50:48 13 What are sources of information -- I want to

11:50:53 14 go back to the topic of what are valid sources of

11:50:56 15 information that someone is not a U.S. citizen.

11:51:04 16 Are there any sources beyond a government

11:51:07 17 database or voter registration database that would provide

11:51:13 18 a valid source of information that someone is not a U.S.

11:51:16 19 citizen?

11:51:16 20 MR. LANGHOFER: Same objection.

11:51:19 21 MS. MUNOZ: None that I'm aware of.

11:51:22 22 BY MR. PATTERSON:

11:51:22 23 Q. If the voter themselves -- herself or himself were

11:51:28 24 to call your office and indicate that they were not a U.S.

11:51:34 25 citizen, would that be a valid source of information?

11:51:39 1 MR. LANGHOFER: Same objection.

11:51:42 2 MS. MUNOZ: If the voter themselves called

11:51:44 3 us?

11:51:44 4 BY MR. PATTERSON:

11:51:45 5 Q. Yes.

11:51:47 6 A. If we've already obtained proof of citizenship and

11:51:53 7 now they're telling me that they are not a U.S. citizen?

11:51:57 8 Q. Yes.

11:51:59 9 A. I would have to ask for guidance. Maybe

11:52:03 10 Mrs. Johnston would be able to answer that question better.

11:52:07 11 Q. Mrs. Johnston, what would your answer be?

11:52:10 12 MS. JOHNSTON: I think if the voter

11:52:12 13 themselves called and we verified that we were speaking

11:52:15 14 with the voter and they told us they were not a

11:52:19 15 citizenship -- or not a citizen, I would ask several

11:52:23 16 follow-up questions and ask them to bring in some kind of

11:52:28 17 documentation to show that they were, I would assume,

11:52:32 18 stripped of their citizenship, because we once had that on

11:52:36 19 file that they were a citizen.

11:52:38 20 BY MR. PATTERSON:

11:52:39 21 Q. Thank you.

11:52:40 22 How about if you received an email from the

11:52:44 23 voter?

11:52:45 24 MR. MORGAN: Calls for a legal conclusion.

11:52:47 25 Hey, Beauregard, can we have the same

11:52:49 1 stipulation we had last time you asked this line of
11:52:51 2 questioning? So it will be --

11:52:51 3 MR. PATTERSON: Yes, absolutely.

11:52:54 4 MR. MORGAN: -- standing calls for legal
11:52:54 5 conclusion objection on this line of questioning?

11:52:56 6 MR. PATTERSON: Absolutely.

11:52:58 7 MR. MORGAN: Thanks. I appreciate it.

11:53:00 8 BY MR. PATTERSON:

11:53:00 9 Q. So to restate the question, how about if your
11:53:03 10 office were to receive an email from the voter?

11:53:09 11 MS. JOHNSTON: I would say the office would
11:53:12 12 go the same route and request for that person to come in
11:53:16 13 person or to call us to obtain sensitive information that
11:53:22 14 is not a public record to verify that we are speaking with
11:53:26 15 the voter themselves.

11:53:28 16 BY MR. PATTERSON:

11:53:28 17 Q. And what if you were to receive a signed letter
11:53:34 18 from the voter?

11:53:34 19 MS. JOHNSTON: Like a notarized letter?

11:53:36 20 BY MR. PATTERSON:

11:53:36 21 Q. No. Just a letter bearing their signature.

11:53:41 22 MS. JOHNSTON: I would -- I would assume the
11:53:45 23 office would still request follow-up documentation.

11:53:53 24 BY MR. PATTERSON:

11:53:53 25 Q. Okay. Would a phone call from a member of the

11:53:58 1 voter's family constitute a valid source of information

11:54:03 2 that that voter is not a U.S. citizen?

11:54:08 3 MS. JOHNSTON: No.

11:54:10 4 BY MR. PATTERSON

11:54:10 5 Q. Could it -- a letter from a neighbor be a valid

11:54:14 6 source of information?

11:54:15 7 MS. JOHNSTON: No.

11:54:17 8 BY MR. PATTERSON:

11:54:17 9 Q. What about a phone call from law enforcement in

11:54:20 10 Arizona?

11:54:20 11 MS. JOHNSTON: Potentially.

11:54:26 12 BY MR. PATTERSON:

11:54:26 13 Q. Could you elaborate?

11:54:27 14 MS. JOHNSTON: I -- I would assume the office

11:54:35 15 would ask that police officer or -- or special agent for

11:54:45 16 documentation proving that the person is not a citizen and

11:54:48 17 not take it at face value.

11:54:51 18 BY MR. PATTERSON:

11:54:51 19 Q. Thank you.

11:54:52 20 How about a phone call from law enforcement

11:54:54 21 in another state?

11:54:58 22 MS. JOHNSTON: We would likely follow the

11:55:00 23 same route.

11:55:01 24 BY MR. PATTERSON:

11:55:02 25 Q. And what about an email or a letter from law

11:55:07 1 enforcement in Arizona or law enforcement from another
11:55:10 2 state?
11:55:11 3 MS. JOHNSTON: We would probably still ask
11:55:13 4 for some kind of verification proving that the voter they
11:55:17 5 are speaking about does not have citizenship.
11:55:19 6 BY MR. PATTERSON:
11:55:21 7 Q. How about an anonymous call?

11:55:25 9 BY MR. PATTERSON:
11:55:26 10 Q. An anonymous email address -- I mean, email from
11:55:30 11 a -- sorry.
11:55:33 12 How about an anonymous -- an email from an
11:55:37 13 anonymous source?
11:55:39 14 MS. JOHNSTON: No.
11:55:40 15 BY MR. PATTERSON:
11:55:40 16 Q. What about lists provided by third-party
11:55:44 17 organizations like True the Vote?
11:55:45 18 MS. JOHNSTON: No.
11:55:48 19 BY MR. PATTERSON:
11:55:49 20 Q. Thank you.
11:55:50 21 And what if you identify a registered voter
11:55:55 22 who has already satisfied the DPOC requirement but still
11:55:59 23 holds an F-type license? Is that information that a
11:56:02 24 registered voter is not in fact a U.S. citizen?
11:56:08 25 MR. LANGHOFER: Calls for a legal conclusion.

11:56:11 1 MS. JOHNSTON: Can you restate that, please?

11:56:14 2 BY MR. PATTERSON:

11:56:14 3 Q. Sorry.

11:56:15 4 What if you identify a registered voter who
11:56:17 5 has already satisfied DPOC but you find that they still
11:56:25 6 hold an F-type license? Would that information be
11:56:31 7 information that would indicate that they are not in fact a
11:56:34 8 U.S. citizen?

11:56:36 9 MS. JOHNSTON: No. Only if they are
11:56:40 10 reregistering from another county and their voter records
11:56:45 11 are not linked to each other.

11:56:47 12 BY MR. PATTERSON:

11:56:48 13 Q. What if you identify a registered voter who is
11:56:53 14 exempt from the documentary proof of citizenship
11:56:57 15 requirement and has never shown DPOC because they
11:57:01 16 registered prior to when DPOC went into effect? Is that
11:57:06 17 information showing that they are not a U.S. citizen?

11:57:11 18 MS. JOHNSTON: If the voter is registered to
11:57:14 19 vote and they were issued a driver's license I believe
11:57:18 20 before October of 1996, they have been deemed to have
11:57:24 21 submitted satisfactory evidence that they are a citizen.
11:57:29 22 Therefore, we would not require the voter to resubmit
11:57:35 23 citizenship unless they are a brand-new registered voter.

11:57:49 24 BY MR. PATTERSON:

11:57:49 25 Q. Thank you.

11:57:50 1 A.R.S. 16-165(A)(10), turning to that please,
11:57:59 2 it states, "When a county recorder obtains information
11:58:02 3 pursuant to this section and confirms that the person
11:58:06 4 registered is not a United States citizen, including when
11:58:10 5 the county recorder receives a summary report from a jury
11:58:12 6 commissioner or jury manager pursuant to Section 21-314
11:58:16 7 indicating the person who is registered to vote has stated
11:58:20 8 the person's not a U.S. citizen." I want to focus on the
11:58:24 9 word "confirm."

11:58:25 10 By what means can you confirm the
11:58:28 11 authenticity of such information that a voter registration
11:58:34 12 applicant is not a U.S. citizen?

11:58:38 13 MR. HORLEY: This is Tim Horley. I just want
11:58:39 14 to make sure the same stipulation applies that -- for
11:58:43 15 objecting to calls for a legal conclusion.

11:58:45 16 MR. PATTERSON: Yes.

11:58:45 17 MR. HORLEY: Okay.

11:58:47 18 MS. JOHNSTON: I think that is where our
11:58:50 19 office is having trouble interpreting this new law.

11:58:57 20 If a voter has provided DPOC and then is
11:59:03 21 called for jury duty and potentially wants to get out of
11:59:05 22 jury duty by marking "not a citizen," I believe our office
11:59:11 23 would not cancel the voter unless absolutely required.

11:59:15 24 I believe that we would prefer to put them in
11:59:19 25 suspense and then reach out to the voter and confirming why

11:59:26 1 they may be marked not a citizen since we already have DPOC

11:59:32 2 on file.

11:59:33 3 BY MR. PATTERSON:

11:59:36 4 Q. Okay. Excellent. Thank you.

11:59:38 5 Turning back to A.R.S. 16-165, I believe the

12:00:01 6 statutory subsections are F through J, which are the

12:00:07 7 databases that are listed to be used to obtain information.

12:00:15 8 Can the Arizona MVD driver's license and

12:00:22 9 nonoperating ID database be used to obtain information that

12:00:25 10 a registered voter is not a U.S. citizen?

12:00:28 11 MS. JOHNSTON: Yes.

12:00:30 12 BY MR. PATTERSON:

12:00:30 13 Q. Is there anything beyond a database that can be

12:00:34 14 used to obtain information that a registered voter is not a

12:00:37 15 U.S. citizen?

12:00:38 16 MS. JOHNSTON: Not at the moment. Unless the

12:00:50 17 voter is marking "no" on the jury list, no.

12:00:52 18 BY MR. PATTERSON:

12:00:53 19 Q. Thank you. And thank you for the clarification.

12:00:55 20 And has your office received any guidance on

12:00:58 21 how one obtains information that a person registered is not

12:01:02 22 a U.S. citizen under 16-165(A)(10)?

12:01:08 23 A. No, no. Sorry.

12:01:10 24 Q. Okay. Now, how would your office confirm that a

12:01:15 25 person registered is not a U.S. citizen under

12:01:19 1 16-165 (A) (10) ?

12:01:25 2 MS. JOHNSTON: We are not sure.

12:01:27 3 BY MR. PATTERSON:

12:01:27 4 Q. Thank you.

12:01:28 5 And based upon the database matching

12:01:38 6 requirements listed in 16-165(F) through (J) -- actually,

12:01:46 7 scratch that.

12:01:48 8 Looking at the database matching requirements

12:01:51 9 listed in 16-165(F) through (J), would it be through using

12:01:59 10 these databases that your office confirms that a person is

12:02:05 11 not a United States citizen?

12:02:07 12 MS. JOHNSTON: It could be.

12:02:09 13 BY MR. PATTERSON:

12:02:11 14 Q. Does -- scratch that.

12:02:15 15 Does the outlying subparts in (F) through (J)

12:02:37 16 below mean that your office is supposed to obtain

12:02:51 17 information regarding noncitizenship or that the database

12:02:54 18 matching is how one confirms information regarding

12:02:58 19 noncitizenship?

12:03:07 20 MS. JOHNSTON: I would prefer to read the

12:03:09 21 statute before answering.

12:03:11 22 BY MR. PATTERSON:

12:03:12 23 Q. Yes. Absolutely.

12:03:14 24 And is it clear or unclear to your office

12:03:26 25 how -- scratch that.

12:03:28 1 I believe that you have already answered
12:03:29 2 this, but just to be -- for the sake of clarification, is
12:03:35 3 it clear or unclear to your office how you would confirm
12:03:39 4 that a person is registered -- sorry.

12:03:44 5 How you would confirm whether a person
12:03:47 6 registered is not a United States citizen and whether --
12:03:53 7 and how to use the databases listed in 16-165(F) through
12:04:01 8 (J) as part of this process?

12:04:05 9 MR. HORLEY: Objection; form. Compound.
12:04:07 10 Calls for a legal conclusion.

12:04:09 11 MS. JOHNSTON: Would this pertain to somebody
12:04:13 12 who is already registered to vote with DPOC or a new
12:04:17 13 registered voter without DPOC?

12:04:19 14 BY MR. PATTERSON:

12:04:19 15 Q. Sorry. Let me reask the question.

12:04:23 16 Is it clear or unclear to your office how to
12:04:31 17 confirm that a person is registered -- sorry. Scratch
12:04:37 18 that.

12:04:38 19 Is it clear or unclear to your office how to
12:04:40 20 confirm whether a registered person is a United States
12:04:44 21 citizen?

12:04:46 22 MR. HORLEY: Calls for a legal conclusion.

12:04:50 23 MS. JOHNSTON: Currently, if a registered
12:04:52 24 voter -- if a -- if there is already a record for the
12:04:58 25 registered voter and they have DPOC on file, it is unclear

12:05:04 1 how we would obtain information proving they're not a
12:05:07 2 citizen if information was provided to us that they are not
12:05:11 3 a citizen.
12:05:13 4 BY MR. PATTERSON:
12:05:13 5 Q. Thank you.
12:05:14 6 Turning back to 16-165(H), what would give
12:05:20 7 your office a reason to believe a registered voter is not a
12:05:23 8 citizen?
12:05:25 9 MR. HORLEY: Same objection.
12:05:27 10 MS. JOHNSTON: If they marked they're not a
12:05:29 11 citizen on a jury list.
12:05:32 12 BY MR. PATTERSON:
12:05:32 13 Q. Is there any other reason -- sorry. Scratch that.
12:05:42 14 Is there any other way -- actually, scratch
12:05:45 15 that.
12:05:45 16 I'm going to provide you with the same
12:05:48 17 scenarios as we went over before.
12:05:53 18 Is there anything beyond a government or
12:05:56 19 voter registration database that you would pull information
12:06:02 20 that would give you reason to believe that a registered
12:06:05 21 voter is not a U.S. citizen?
12:06:06 22 MS. JOHNSTON: No.
12:06:07 23 BY MR. PATTERSON:
12:06:09 24 Q. Could a phone call -- sorry.
12:06:12 25 Can a phone call from the voter give you

12:06:17 1 reason to believe that that voter is not a U.S. citizen?

12:06:23 2 MR. HORLEY: This is Tim Horley. Just

12:06:24 3 confirming our same stipulation still applies. We've just

12:06:28 4 been jumping to a different part of the statute. So I just

12:06:30 5 want to make sure.

12:06:30 6 MR. PATTERSON: Yes. Yes, it does.

12:06:34 7 MS. JOHNSTON: I believe -- I believe we've

12:06:36 8 already answered this question. If a voter calls us saying

12:06:42 9 that they are no longer a citizen after we've already

12:06:46 10 acquired citizenship on their behalf or if they provided it

12:06:51 11 to us previously, we would want to confirm we are in fact

12:06:54 12 speaking with that voter. And we would ask them to provide

12:07:00 13 documentation proving that they are no longer a citizen.

12:07:04 14 If they are persistent on not being a

12:07:11 15 citizen, we would send them a letter to remove themselves

12:07:17 16 from the voter roll.

12:07:19 17 BY MR. PATTERSON:

12:07:21 18 Q. Thank you.

12:07:21 19 And with the understanding that we have gone

12:07:23 20 over these scenarios before and in a slightly different

12:07:26 21 context, I'm going to ask a couple of them combined for the

12:07:33 22 sake of time and with the understanding that your answers

12:07:36 23 may be the same.

12:07:38 24 So how about an email or signed letter from

12:07:41 25 the voter?

12:07:44 1 MS. JOHNSTON: We would want to confirm that
12:07:46 2 we are speaking with that voter before initiating any
12:07:51 3 cancellation of their record.
12:07:53 4 BY MR. PATTERSON:
12:07:53 5 Q. How about a phone call from a member of the

12:07:56 7 MS. JOHNSTON: No.
12:08:00 8 BY MR. PATTERSON:
12:08:00 9 Q. Would a letter from a neighbor give your office a

12:08:08 12 BY MR. PATTERSON:
12:08:08 13 Q. What about a phone call from law enforcement in

12:08:15 15 MS. JOHNSTON: Potentially.
12:08:16 16 BY MR. PATTERSON:
12:08:18 17 Q. Is there any distinction between whether or not
12:08:21 18 it's in-state law enforcement or out-of-state law
12:08:25 19 enforcement?
12:08:25 20 MS. JOHNSTON: No. I think potentially
12:08:27 21 either way.
12:08:29 22 BY MR. PATTERSON:
12:08:29 23 Q. Okay. What about an email or letter from law
12:08:33 24 enforcement in Arizona or from another state?
12:08:36 25 MS. JOHNSTON: We would ask for documentation

12:08:40 1 showing that the said voter was not a citizen.

12:08:44 2 BY MR. PATTERSON:

12:08:45 3 Q. How about an anonymous call? Would that -- or an

12:08:50 4 anonymous email? Would that give your office reason to

12:08:52 5 believe that a voter is a noncitizen?

12:08:54 6 MS. JOHNSTON: No.

12:08:55 7 BY MR. PATTERSON:

12:08:55 8 Q. And what about lists provided by third-party

12:08:59 9 organizations?

12:08:59 10 MS. JOHNSTON: Government entities or

12:09:05 11 non-government entities?

12:09:06 12 BY MR. PATTERSON:

12:09:06 13 Q. Non-government entities.

12:09:08 14 MS. JOHNSTON: No.

12:09:09 15 BY MR. PATTERSON:

12:09:09 16 Q. What if the registered voter transposed, so

12:09:12 17 reversed the order of, their first and last name on their

12:09:16 18 registration application form?

12:09:18 19 MS. JOHNSTON: Their information would be ran

12:09:21 20 through HAVA, and it would likely come back as a soft

12:09:27 21 match. And staff would determine if it's a true match

12:09:31 22 based off of other information provided.

12:09:34 23 BY MR. PATTERSON:

12:09:34 24 Q. So based on that, would that by itself be a reason

12:09:41 25 to believe that a voter is a noncitizen?

12:09:46 1 MS. JOHNSTON: No.

12:09:47 2 BY MR. PATTERSON:

12:09:49 3 Q. What if the registered voter recorded a foreign

12:09:54 5 MS. JOHNSTON: No.

12:09:55 6 BY MR. PATTERSON:

12:09:55 7 Q. What if you identify a registered voter who has
12:09:58 8 already satisfied the DPOC requirement but still holds an
12:10:02 9 F-type license? Would that create a reason to believe that
12:10:06 10 they are not in fact a U.S. citizen?

12:10:08 11 MS. JOHNSTON: No.

12:10:09 12 BY MR. PATTERSON:

12:10:10 13 Q. What about registered voters who are exempt from
12:10:12 14 DPOC under the safe harbor provision because they
12:10:16 15 registered prior to the DPOC requirement going into effect
12:10:18 16 in 2005? Would that failure to show DPOC under the
12:10:22 17 exemption give your office a reason to believe they are not
12:10:25 18 a U.S. citizen?

12:10:26 19 MS. JOHNSTON: Only if they are a brand-new
12:10:31 20 registrant.

12:10:32 21 BY MR. PATTERSON:

12:10:32 22 Q. Has your office received any guidance on when your
12:10:35 23 office would have reason to believe that a registered voter
12:10:37 24 is not a U.S. citizen?

12:10:40 25 MS. JOHNSTON: No.

12:10:41 1 BY MR. PATTERSON:

12:10:41 2 Q. Thank you. We just have a couple more questions.

12:10:43 3 Then I'll be done.

12:10:45 4 A number of provisions in both HB 2243 and

12:10:54 5 HB 2492 only obligate your office to the extent they are

12:11:01 6 practical. Who -- practicable. Who makes that call? So

12:11:06 7 who makes the call that it's practicable?

12:11:11 8 MS. JOHNSTON: I would say the county

12:11:13 9 recorder.

12:11:13 10 BY MR. PATTERSON:

12:11:15 11 Q. Do you understand -- does your office understand

12:11:20 12 what is meant by "practicable" in these laws?

12:11:24 13 MS. JOHNSTON: No.

12:11:30 14 BY MR. PATTERSON:

12:11:30 15 Q. And just for clarification, is it clear or

12:11:35 16 unclear?

12:11:36 17 MS. JOHNSTON: It's unclear.

12:11:37 18 BY MR. PATTERSON:

12:11:38 19 Q. Thank you.

12:11:38 20 If a registered voter is removed from the

12:11:41 21 rolls under HB 2243 based upon an erroneous determination

12:11:45 22 that they are not a U.S. citizen, can that voter be added

12:11:49 23 back to the rolls if the registration deadline has already

12:11:51 24 passed?

12:11:52 25 MS. JOHNSTON: Yes. So, one, you cannot

12:11:58 1 cancel somebody who is not eligible initially. So if a
12:12:03 2 voter does not hold DPOC and we run HAVA checks and it
12:12:08 3 comes back as a permanent resident or not a U.S. citizen,
12:12:15 4 the voter goes into the system as not eligible, invalid
12:12:20 5 proof of citizenship.

12:12:22 6 The voter can -- we do send out a letter to
12:12:25 7 the voter explaining that their eligibility has not been
12:12:30 8 met and they can reregister by filling out a new Arizona
12:12:35 9 state registration form and provide additional DPOC
12:12:39 10 information.

12:12:40 11 BY MR. PATTERSON:

12:12:41 12 Q. If HB 2243 were to take effect, would you still be
12:12:46 13 able to add that -- a voter who was erroneously removed
12:12:52 14 back onto the rolls after the registration deadline?

12:12:59 15 MR. HORLEY: Calls for speculation.

12:13:01 16 MS. JOHNSTON: I believe what the bill states
12:13:04 17 is after the 35 days, they don't provide DPOC, they shall
12:13:11 18 be removed from the voter rolls. Our county would have
12:13:14 19 them reregister anytime after the 35th day.

12:13:19 20 BY MR. PATTERSON:

12:13:22 21 Q. And even if the regist- -- would they be able to
12:13:24 22 reregister even if the registration deadline had passed?

12:13:30 23 MR. HORLEY: Same objection.

12:13:31 24 MS. JOHNSTON: No. It would have been past
12:13:33 25 the 35th day, which by law I believe is requiring us to

12:13:38 1 cancel the registration.

12:13:39 2 BY MR. PATTERSON:

12:13:42 3 Q. Is -- I have one final question.

12:13:51 4 Is this clearly laid -- are any of these

12:14:00 5 procedures clearly laid out in the EPM?

12:14:03 6 MS. JOHNSTON: No.

12:14:05 7 BY MR. PATTERSON:

12:14:06 8 Q. Is there anywhere else that these procedures are

12:14:08 9 laid out?

12:14:10 10 MS. JOHNSTON: Not procedures, no.

12:14:12 11 BY MR. PATTERSON:

12:14:13 12 Q. And could this practice vary from county to

12:14:16 13 county?

12:14:16 14 MS. JOHNSTON: Currently, yes.

12:14:20 15 MR. PATTERSON: Thank you. I have no more

12:14:22 16 questions, so I will pass it to my co-counsel -- or

12:14:29 17 co-plaintiffs.

12:14:29 18

12:14:29 19 EXAMINATION

12:14:29 20 BY MR. SNOW:

12:14:38 21 Q. Hello, Ms. Munoz and Ms. Johnston. My name is

12:14:40 22 Ryan Snow. I'm with the Lawyers' Committee, representing

12:14:43 23 the Tohono O'odham plaintiffs?

12:14:46 24 And I'm going to be asking a few questions

12:14:49 25 just focused on the documentary proof of residence

12:14:52 1 requirement in HB 2492.

12:14:56 2 And if you need me to repeat myself or speak
12:14:58 3 up, please let me know.

12:15:00 4 MR. SNOW: And that goes for our esteemed
12:15:02 5 colleagues who are recording as well as this.

12:15:02 6 BY MR. SNOW:

12:15:06 7 Q. So first, thanks so much for your work in election
12:15:10 8 administration and for being with us today.

12:15:13 9 So I have a few questions just about the
12:15:15 10 current practices concerning residential address.

12:15:19 11 So in order to register to vote, applicants
12:15:21 12 who are -- are currently required to provide their
12:15:24 13 residential address, or if they don't have a residential
12:15:26 14 address, a description or drawing of the location of the
12:15:29 15 residence; is that correct?

12:15:30 16 MS. JOHNSTON: Correct.

12:15:31 17 BY MR. SNOW:

12:15:31 18 Q. Thank you.

12:15:32 19 And a P.O. box can't be used to satisfy that
12:15:35 20 requirement; correct?

12:15:36 21 MS. JOHNSTON: Correct.

12:15:36 22 BY MR. SNOW:

12:15:40 23 Q. And why is residence address or location
12:15:44 24 information important for voter registration?

12:15:44 25 MS. JOHNSTON: Precincting and districting

12:15:44 1 the voter.

12:15:46 2 BY MR. SNOW:

12:15:46 3 Q. And can you describe a little bit more about that,
12:15:49 4 please?

12:15:49 5 MS. JOHNSTON: Sure. Depending on where the
12:15:51 6 voter lives, they will be assigned a precinct and a
12:15:57 7 congressional district, a legislative district, board of
12:16:00 8 supervisor district, and so forth.

12:16:02 9 BY MR. SNOW:

12:16:02 10 Q. Thank you.

12:16:04 11 So if someone provides a residential address,
12:16:07 12 how does the county use that information to locate the
12:16:09 13 residence for precincting and districting?

12:16:11 14 MS. JOHNSTON: AVID is the statewide database
12:16:15 15 that 13 of the 15 counties use. Within AVID, there is
12:16:22 16 something called TotalAddress which geocodes and drops a
12:16:27 17 pin on the address of the voter.

12:16:27 18 BY MR. SNOW:

12:16:32 19 Q. And so the geocode location, does that then become
12:16:36 20 part of the voter's record?

12:16:37 21 MS. JOHNSTON: Not the geocode, no. Just the
12:16:40 22 precinct information and the address.

12:16:40 23 BY MR. SNOW:

12:16:42 24 Q. So where is the geocode information stored?

12:16:44 25 MS. JOHNSTON: In the -- I would assume the

12:16:47 1 back end of TotalAddress.

12:16:47 2 BY MR. SNOW:

12:16:50 3 Q. And again, TotalAddress is part of AVID?

12:16:53 4 MS. JOHNSTON: Correct.

12:16:54 5 BY MR. SNOW:

12:16:54 6 Q. And so that's for a standard residential address

12:16:58 7 or a nonstandard residential address?

12:17:00 8 MS. JOHNSTON: Standard.

12:17:00 9 BY MR. SNOW:

12:17:01 10 Q. So what would be the process for someone providing

12:17:04 11 a nonstandard residence address? How would that work with

12:17:07 12 the system you just described?

12:17:08 13 MS. JOHNSTON: Typically, a nonstandard

12:17:11 14 address here in Yuma County would be on a reservation,

12:17:16 15 which is not -- does not fall under the jurisdiction of the

12:17:20 16 county. Therefore, our GIS department does not have the --

12:17:27 17 the longitude and latitude of those addresses. But we are

12:17:33 18 familiar with the area; therefore, we would manually drop a

12:17:39 19 pin in the area of the said address.

12:17:39 20 BY MR. SNOW:

12:17:44 21 Q. Thank you.

12:17:44 22 So how would you go about locating the

12:17:46 23 physical location of that address, the nonstandard address?

12:17:50 24 MS. JOHNSTON: Looking on a map.

12:17:50 25 ///

12:17:50 1 BY MR. SNOW:

12:17:52 2 Q. And that would be if the registrant or the
12:17:55 3 applicant just provided their nonstandard address without a
12:17:57 4 depiction or description; is that correct?

12:17:58 5 MS. JOHNSTON: Correct.

12:17:58 6 BY MR. SNOW:

12:18:00 7 Q. And so where do you -- where do you get the map
12:18:04 8 that you use to locate a nonstandard address?

12:18:06 9 MS. JOHNSTON: GIS.

12:18:06 10 BY MR. SNOW:

12:18:09 11 Q. So this is based on your familiarity with the
12:18:14 12 coordinates of locations on tribal land?

12:18:16 13 MS. JOHNSTON: Correct.

12:18:16 14 BY MR. SNOW:

12:18:17 15 Q. And what's the basis for your knowledge about
12:18:20 16 that?

12:18:20 17 MS. JOHNSTON: Typically, when somebody
12:18:25 18 provides us a nonstandard address, they are providing a
12:18:29 19 street name, and we are able to locate that street name on
12:18:33 20 the map. Although it's not in the jurisdiction, we still
12:18:37 21 have a map of the streets on reservation land.

12:18:37 22 BY MR. SNOW:

12:18:42 23 Q. And where did you get the map?

12:18:44 24 A. GIS.

12:18:45 25 Q. GIS.

12:18:46 1 So have you had any contact with the tribal
12:18:47 2 governments around -- around this?

12:18:49 3 MS. JOHNSTON: No.

12:18:49 4 BY MR. SNOW:

12:18:52 5 Q. Thank you.

12:18:52 6 And then so turning to -- if someone provides
12:18:54 7 a description or depiction of their address, what's the
12:18:59 8 process for locating them as far as their location for the
12:19:03 9 purposes of precincting and districting?

12:19:06 10 MS. JOHNSTON: So if someone is without a
12:19:10 11 home and draws a picture of where they're staying -- I
12:19:20 12 would say because Yuma is a fairly small town, we're very
12:19:24 13 familiar with our area. So if somebody were to draw a
12:19:29 14 picture of the Ocean-to-Ocean Bridge, we would have a very
12:19:34 15 good idea of where that's located, and we could manually
12:19:37 16 drop a pin in that area.

12:19:37 17 BY MR. SNOW:

12:19:40 18 Q. And so for a person who provides a description of
12:19:43 19 or depiction of their location residence, how is that
12:19:47 20 represented in their voter record?

12:19:49 21 MS. JOHNSTON: We would mark it as a
12:19:51 22 nonstandard address in the system, which will allow us to
12:19:57 23 bypass finding the geocode address.

12:19:57 24 BY MR. SNOW:

12:20:02 25 Q. And so then you would -- you would put the geocode

12:20:05 1 in yourself?

12:20:06 2 MS. JOHNSTON: We would manually drop the
12:20:09 3 pin, yes, which would geocode it.

12:20:09 4 BY MR. SNOW:

12:20:09 5 Q. Thank you.

12:20:12 6 And then, again, the geocode is part of, you
12:20:14 7 think, the back end of AVID, but it's not part of the
12:20:17 8 voter's record; is that correct?

12:20:18 9 MS. JOHNSTON: Correct.

12:20:18 10 BY MR. SNOW:

12:20:19 11 Q. So if the voter were to move -- sorry. Scratch
12:20:19 12 that.

12:20:23 13 If you were to reassign precincts and you
12:20:25 14 were to have to reassign individuals who already are in
12:20:27 15 your system as registered, how would you go about
12:20:31 16 redetermining their geolocation for the purposes of
12:20:33 17 precinct reassignment?

12:20:34 18 MS. JOHNSTON: Likely, the area that they are
12:20:37 19 in is not going to be split.

12:20:37 20 BY MR. SNOW:

12:20:40 21 Q. And why is that?

12:20:41 22 MS. JOHNSTON: For redistricting purposes,
12:20:46 23 they don't split, like, neighborhoods. I'm not completely
12:20:53 24 sure all the rules in redistricting, but it's very rare for
12:21:00 25 a neighborhood to be split into two different districts.

12:21:00 1 BY MR. SNOW:

12:21:07 2 Q. Okay. Thank you.

12:21:08 3 So have you ever encountered a case where a
12:21:12 4 standard residential address is not able to be located
12:21:14 5 using the process you just described?

12:21:15 6 MS. JOHNSTON: No. Not in Yuma County.

12:21:15 7 BY MR. SNOW:

12:21:19 8 Q. Have you ever encountered a situation where a
12:21:21 9 nonstandard resident's potential address is not able to be
12:21:25 10 located through the process you just described?

12:21:26 11 MS. JOHNSTON: No.

12:21:26 12 BY MR. SNOW:

12:21:27 13 Q. Have you ever encountered a situation where a
12:21:30 14 description or depiction of a location of residence is not
12:21:33 15 able to be located through the process you just described?

12:21:35 16 MS. JOHNSTON: No.

12:21:35 17 BY MR. SNOW:

12:21:37 18 Q. Thank you.

12:21:44 19 To your knowledge, is it more common for
12:21:46 20 applicants on Native American reservations to have a
12:21:51 21 nonstandard address?

12:21:52 22 MS. JOHNSTON: No. We don't have a lot of
12:21:57 23 nonstandard addresses here in Yuma County.

12:22:00 24 The -- the two major reservations that we
12:22:04 25 have here in Yuma, one is actually located in California,

12:22:10 1 but they typically commute here to Yuma since it's more --
12:22:14 2 it's closer to the city.

12:22:17 3 The Cocopah reservation, we don't have --
12:22:22 4 it's a very small couple roads. So we don't have any
12:22:25 5 issues being able to determine a location.

12:22:25 6 BY MR. SNOW:

12:22:29 7 Q. I'm sorry. That's the Cocopah reservation?

12:22:32 8 MS. JOHNSTON: The Cocopah, yes.

12:22:32 9 BY MR. SNOW:

12:22:32 10 Q. Cocopah.

12:22:33 11 And what about the Quechan?

12:22:36 12 MS. JOHNSTON: That is located in
12:22:37 13 Winterhaven, California.

12:22:38 14 BY MR. SNOW:

12:22:38 15 Q. So do you have any tribal land then that's located
12:22:42 16 in Yuma County?

12:22:45 17 MS. JOHNSTON: Can you repeat that?

12:22:46 18 BY MR. SNOW:

12:22:46 19 Q. Do you have -- so to your knowledge, do you have
12:22:47 20 any tribal land that's located in Yuma County?

12:22:50 21 MS. JOHNSTON: Just the Cocopah Nation.

12:22:50 22 BY MR. SNOW:

12:22:52 23 Q. Okay. So just to reiterate, so you wouldn't say
12:23:01 24 that in Yuma County applicants with nonstandard addresses
12:23:07 25 are more likely to reside on tribal land?

12:23:08 1 MS. JOHNSTON: I would not say that, correct.

12:23:11 2 I would say most people with a nonstandard address here in

12:23:15 3 Yuma County are without home.

12:23:15 4 BY MR. SNOW:

12:23:20 5 Q. Thank you.

12:23:21 6 So what would be the process for a voter if

12:23:24 7 their address couldn't be located or their location of

12:23:27 8 residence couldn't be located?

12:23:28 9 MS. JOHNSTON: If we could not locate

12:23:30 10 somebody's address, we would put the voter in suspense and

12:23:35 11 send correspondence to the mailing address that they

12:23:39 12 provide.

12:23:39 13 BY MR. SNOW:

12:23:41 14 Q. Would you take any other steps?

12:23:44 15 MS. JOHNSTON: No.

12:23:44 16 BY MR. SNOW:

12:23:48 17 Q. If they had a phone number listed, would you call

12:23:49 18 the phone number?

12:23:51 19 MS. JOHNSTON: Yes.

12:23:51 20 BY MR. SNOW:

12:23:53 21 Q. Would you ever attempt to conduct an in-person

12:23:55 22 visit?

12:23:55 23 MS. JOHNSTON: If we can contact them, yes.

12:23:58 24 BY MR. SNOW:

12:23:58 25 Q. So only if you can contact them first?

12:24:01 1 MS. JOHNSTON: Yes. Typically, somebody with
12:24:05 2 a nonstandard address, they would provide us a P.O. box
12:24:09 3 and we would send the notice to the P.O. box.

12:24:13 4 If they provide a phone number, we would be
12:24:16 5 able to also contact them by phone.

12:24:20 6 And then we would ask them to either come
12:24:24 7 down to the office and fill out a new registration form or
12:24:28 8 let them know we would be mailing them one. And they would
12:24:31 9 need to resubmit another registration form with a valid
12:24:38 10 address.

12:24:38 11 BY MR. SNOW:

12:24:43 12 Q. Sorry. What would be an example of an invalid
12:24:46 13 address?

12:24:46 14 MS. JOHNSTON: McDonald's.

12:24:46 15 BY MR. SNOW:

12:24:49 16 Q. I see.

12:24:49 17 So that would be the process for anybody
12:24:51 18 who's the -- whose -- whose registration address --
12:24:56 19 residence address could not be located; is that correct?

12:24:58 20 MS. JOHNSTON: Correct.

12:24:58 21 BY MR. SNOW:

12:24:59 22 Q. But in your experience, you haven't -- you haven't
12:25:02 23 encountered that situation; correct?

12:25:03 24 MS. JOHNSTON: Third-party registration forms
12:25:07 25 typically have some form of invalid address on it. We see

12:25:12 1 a pattern where people will register at a business, which
12:25:16 2 is not a valid residential address.

12:25:16 3 BY MR. SNOW:

12:25:19 4 Q. I see.

12:25:20 5 But if that applicant suggested that they
12:25:23 6 resided near that -- that business, that would be valid for
12:25:27 7 the purposes if they lacked a home?

12:25:29 8 MS. JOHNSTON: No.

12:25:29 9 BY MR. SNOW:

12:25:31 10 Q. What would they need to do to provide that
12:25:33 11 information?

12:25:33 12 MS. JOHNSTON: They would need to provide a
12:25:36 13 physical residential address or the area but not an address
12:25:42 14 of a business.

12:25:42 15 BY MR. SNOW:

12:25:44 16 Q. I see.

12:25:45 17 So could they say, you know, near the
12:25:47 18 McDonald's by such and such intersection?

12:25:49 19 MS. JOHNSTON: Yes.

12:25:49 20 BY MR. SNOW:

12:25:50 21 Q. Okay. Thank you.

12:25:52 22 MS. JOHNSTON: But we would have them put
12:25:55 23 that on the form. So we would put them in suspense and
12:25:56 24 require them to draw that picture in Box 23.

12:25:56 25 ///

12:25:56 1 BY MR. SNOW:

12:26:01 2 Q. Okay. Thank you.

12:26:12 3 To your knowledge, how long has Yuma County
12:26:13 4 used the process you described -- just described for
12:26:16 5 nonstandard addresses and depictions and descriptions?

12:26:20 6 MS. JOHNSTON: Definitely within the five
12:26:25 7 years that I worked for the county recorder's office.

12:26:31 8 MS. MUNOZ: Same. I've been on the voter
12:26:33 9 registration side since 2012, so since then.

12:26:38 12 And during that time, have you encountered
12:26:40 13 any issues with that process in terms of locating the
12:26:46 14 residences of voter registration applicants?

12:26:54 15 A. No.

12:26:58 16 Q. Thank you.

12:26:58 17 And have you ever encountered any complaints
12:27:01 18 from voters about that process?

12:27:04 19 MS. JOHNSTON: No.

12:27:04 20 BY MR. SNOW:

12:27:04 21 Q. Thank you.

12:27:23 22 Has anyone ever provided a document to your
12:27:27 23 office that contains a nonstandard address on that
12:27:31 24 document?

12:27:33 25 MS. JOHNSTON: Not that I'm aware of.

12:27:33 1 BY MR. SNOW:

12:27:35 2 Q. Has anyone ever provided your office a document
12:27:38 3 that contains a description or a depiction of their
12:27:42 4 residence?

12:27:43 5 MS. JOHNSTON: Other than the Arizona state
12:27:45 6 registration form, no.

12:27:45 7 BY MR. SNOW:

12:27:47 8 Q. Thank you.

12:27:48 9 Are you aware of documents that exist that

12:27:52 11 MS. JOHNSTON: No.

12:27:52 12 BY MR. SNOW:

12:27:58 13 Q. Do you know if Yuma County provides standard
12:28:01 14 addresses for homes in the county?

12:28:04 15 MS. JOHNSTON: Standard addresses, yes.

12:28:04 16 BY MR. SNOW:

12:28:07 17 Q. And what department provides addresses?

12:28:09 18 MS. JOHNSTON: Planning and zoning --

12:28:09 19 BY MR. SHOW:

12:28:15 23 BY MR. SNOW:

12:28:15 24 Q. Thanks.

12:28:19 25 And to your knowledge, what does that process

12:28:22 2 MS. JOHNSTON: I'm not sure. I don't work
12:28:24 3 for those departments.

12:28:24 4 BY MR. SNOW:

12:28:26 5 Q. Thank you.

12:28:26 6 To your knowledge, does the county ever
12:28:32 7 provide addresses for homes that are located on Native
12:28:35 8 American reservations?

12:28:36 9 MS. JOHNSTON: I am not sure.

12:28:36 10 BY MR. SNOW:

12:28:41 11 Q. Thank you.

12:28:42 12 So how much contact does your office have

12:28:48 14 MS. JOHNSTON: Minimal.

12:28:48 15 BY MR. SNOW:

12:28:50 16 Q. And what's -- what's the nature of that contact?

12:28:52 17 MS. JOHNSTON: I -- I think I've been reached
12:28:56 18 out to once in regards to a public records request from a
12:29:09 19 student who was doing some research.

12:29:12 20 They wanted to know the turnout of Native
12:29:20 21 Americans, and, unfortunately, we do not keep a record of
12:29:24 22 demographics based on race, religion, sexual -- gender and
12:29:32 23 how -- and if they vote or do not vote.

12:29:32 24 BY MR. SNOW:

12:29:36 25 Q. Thank you.

12:29:36 1 Does your office keep information based on
12:29:39 2 the location of a voter for different purposes and turnout
12:29:45 3 for those areas?

12:29:47 4 MS. JOHNSTON: Not specifically for those
12:29:48 5 areas. But our office maintains a list of voters who vote.
12:29:54 6 And it could, I'm sure, be filtered through Excel, looking
12:29:59 7 for specific addresses.

12:29:59 8 BY MR. SNOW:

12:30:02 9 Q. But you haven't undertaken that analysis yourself?

12:30:05 10 MS. JOHNSTON: No.

12:30:05 11 BY MR. SNOW:

12:30:07 12 Q. So you wouldn't be able to say whether voter
12:30:10 13 registration rates were lower on tribal land than in other

12:30:13 15 MS. JOHNSTON: No.

12:30:13 16 BY MR. SNOW:

12:30:19 17 Q. If the documentary proof of residence provision is
12:30:23 18 implemented, does your office currently have plans to reach
12:30:26 19 out to the tribes in your county to provide education on
12:30:29 20 the new requirement?

12:30:30 21 MS. JOHNSTON: Not currently.

12:30:30 22 BY MR. SNOW:

12:30:34 23 Q. Is that something that your office would
12:30:37 24 undertake?

12:30:37 25 MS. JOHNSTON: Once we receive guidance from

12:30:40 1 the state, yes.

12:30:41 2 BY MR. SNOW:

12:30:42 3 Q. And just to confirm, you have yet to receive
12:30:44 4 guidance from the state on the documentary proof of

12:30:47 6 MS. JOHNSTON: Correct.

12:30:47 7 BY MR. SNOW:

12:30:48 8 Q. And you're not currently enforcing that

12:30:50 10 MS. JOHNSTON: Correct.

12:30:50 11 BY MR. SNOW:

12:30:50 12 Q. So just a few more questions.

12:30:50 13 To your knowledge, will the documentary proof
12:30:58 14 of residence requirement in HB 2492 apply to the federal
12:31:01 15 form?

12:31:01 16 MS. JOHNSTON: Yes.

12:31:01 17 BY MR. SNOW:

12:31:07 18 Q. And the current federal form instructions do not
12:31:09 19 ask for documentary proof of residence; correct?

12:31:12 20 MS. JOHNSTON: Correct.

12:31:12 21 BY MR. SNOW:

12:31:13 22 Q. Are you aware of any request by the state to
12:31:15 23 update the Election Assistance Commission instructions on

12:31:18 25 MS. JOHNSTON: Can you restate that, please?

12:31:31 5 MS. JOHNSTON: I am not aware.

12:31:31 6 BY MR. SNOW:

12:31:34 7 Q. So if the documentary proof of residence
12:31:40 8 requirement were implemented for the federal form, those
12:31:45 9 who apply without providing documentary proof of residence
12:31:48 10 would have their federal form rejected under the current
12:31:51 11 law; correct?

12:31:51 12 MS. JOHNSTON: Correct.

12:31:53 13 MR. LANGHOFER: Legal conclusion.

12:31:53 14 BY MR. SNOW:

12:31:55 15 Q. Your office would reject those forms; correct?

12:32:01 16 MS. JOHNSTON: Once we receive guidance from
12:32:03 17 the state on how to implement these laws, if the state law
12:32:09 18 is requiring us to reject the registration form, we will
12:32:12 19 follow what state law requires us to do.

12:32:12 20 BY MR. SNOW:

12:33:47 2 MR. SNOW: Okay. Let's take a quick look at

10 Q. And this is a document that was provided to the

12:36:23 13 So just scrolling down to page 10, which is
12:36:26 14 marked Bates 20 -- sorry -- Bates 28 in the bottom

12:37:02 5 MS. JOHNSTON: Yes.

12:37:02 6 BY MR. SNOW:

12:37:04 7 Q. Then turning down to the next page, there's a

12:37:12 10 MS. JOHNSTON: Yes.

12:37:12 11 BY MR. SNOW:

12:37:14 13 Then below that, it says, "DPOR must

12:40:48 8 Q. Okay. Okay. Looking back to Exhibit 204 and

12:41:22 14 MS. JOHNSTON: Correct.

12:41:22 15 BY MR. SNOW:

12:41:23 16 Q. And then what does that written confirmation refer

12:41:27 18 MS. JOHNSTON: If a homeless voter is

12:41:55 1 BY MR. SNOW:

12:41:57 2 Q. And would that be contained on a voter
12:41:59 3 registration form or another document?

12:42:04 4 MS. JOHNSTON: A voter could write "Justice

12:42:09 6 is.

12:42:09 7 BY MR. SNOW:

12:42:17 8 Q. Okay. But it's -- your office would rely on the

12:42:30 14 And then looking back at this -- this list

12:42:42 16 to your office?

12:42:43 17 MS. JOHNSTON: Either in person or through
12:42:48 18 the mail.

12:42:48 19 BY MR. SNOW:

12:42:52 20 Q. Could they be submitted by email or fax?

12:42:56 21 MS. JOHNSTON: It would likely be attached to
12:43:07 22 their registration form, so no. We do not accept
12:43:13 23 electronic email versions of the registration form.

12:43:21 24 If somebody is registering through
12:43:23 25 ServiceArizona, which is electronic, they would have to

12:44:09 14 They're not providing any documentation -- well, is this
12:44:15 15 after the implementation of this bill?

12:44:15 16 BY MR. SNOW:

12:44:19 17 Q. Yeah. Yeah.

12:44:19 18 I'm asking how -- how would your office
12:44:21 19 handle a situation where somebody who's already provided
12:44:24 20 documentary proof of residency updates their voter
12:44:29 21 registration information other than their residence address
12:44:34 22 that they've already provided documentation for?

12:44:34 23 MS. JOHNSTON: We will wait for state
12:44:35 24 guidance.

12:44:36 25 THE COURT REPORTER: I didn't hear the

12:44:37 1 objection.

12:44:40 2 MR. HORLEY: I'm sorry. Calls for
12:44:42 3 speculation.

12:44:42 4 BY MR. SNOW:

12:44:50 5 Q. Your office currently requires documentary proof
12:44:54 6 of citizenship for registration using the state form; is
12:44:58 7 that correct?

12:44:58 8 MS. JOHNSTON: Using all forms, correct.
12:44:58 9 BY MR. SNOW:

12:45:03 10 Q. If somebody had -- if somebody who's registered
12:45:07 11 who's already provided their proof of citizenship updates
12:45:09 12 their voter registration form, do they have to provide
12:45:11 13 their proof of citizenship again?

12:45:14 14 MR. LANGHOFER: Calls for a legal conclusion.

12:45:15 15 MS. JOHNSTON: No. HAVA checks would be ran
12:45:19 16 on the record again. Every time a voter updates their
12:45:24 17 record, HAVA checks are ran. And if the voter provided
12:45:29 18 DPOC outside of their driver's license, our office would
12:45:35 19 have made note of that in the voter record; therefore, the
12:45:40 20 voter would not be required to resubmit DPOC.

12:45:40 21 BY MR. SNOW:

12:45:45 22 Q. Is there any equivalent process to a HAVA check
12:45:47 23 for checking documentary proof of residency?

12:45:52 24 MS. JOHNSTON: No.

12:45:52 25 ///

12:45:58 1 BY MR. SNOW:

12:45:58 2 Q. So again, your office would have to locate that --
12:46:02 3 that residence on a map and assign it a -- drop a pin to
12:46:06 4 assign it a geocode; is that correct?

12:46:07 5 MR. LANGHOFER: Asked and answered.

12:46:08 6 MS. JOHNSTON: Correct.

12:46:08 7 BY MR. SNOW:

12:46:12 8 Q. Looking at the documents in Exhibit 204, under
12:46:17 9 "What constitutes Documentary Proof of Residency?" would
12:46:20 10 any of these documents assist you in dropping that pin to
12:46:25 11 locate their geocode address?

12:46:28 12 MS. JOHNSTON: Yes.

12:46:28 13 BY MR. SNOW:

12:46:33 14 Q. And in -- in what way?

12:46:35 15 MS. JOHNSTON: Well, if they're providing a
12:46:36 16 driver's license, they're providing us a standard address.

12:46:36 17 BY MR. SNOW:

12:46:42 18 Q. Sorry. Let me be more specific. For someone with
12:46:44 19 a nonstandard address.

12:46:46 20 MS. JOHNSTON: Okay.

12:46:46 21 BY MR. SNOW:

12:46:47 22 Q. So in other words, let's look specifically at the
12:46:52 23 tribal identification card.

12:46:52 24 If someone has a nonstandard address and
12:46:54 25 they're providing a tribal identification card that doesn't

12:46:57 1 contain an address, does that -- does that documentation
12:47:02 2 assist you in dropping the pin on the map to find their
12:47:06 3 geocode?

12:47:08 4 MS. JOHNSTON: If the tribal ID does not have
12:47:10 5 the address, that would not help us in dropping a pin.

12:47:10 6 BY MR. SNOW:

12:47:16 7 Q. But again, you -- you haven't had any issues thus
12:47:19 8 far, in your experience, in terms of locating nonstandard
12:47:22 9 addresses to drop the pin?

12:47:23 10 MS. JOHNSTON: Correct.

12:47:24 11 MR. SNOW: Okay. I'm done. I really
12:47:27 12 appreciate your time and all of your work.

12:47:29 13 THE COURT REPORTER: If we could take a

12:47:48 16 THE VIDEOGRAPHER: We're off the record.
12:47:49 17 Time on the video monitor is 12:47 p.m. This ends Media 2.

13:34:23 19 THE VIDEOGRAPHER: We are on the record.
13:34:34 20 Time on the video monitor is 1:34 p.m. This begins
13:34:39 21 Media 3.

13:34:40 22 MR. HERRERA: Hi. This is Ernest Herrera, on
13:34:43 23 the record again.

13:34:46 24 After a break, I have no further questions at
13:34:50 25 this time. However, I don't know if any other plaintiffs

13:34:53 1 groups do. So barring any -- anyone piping up right now, I
13:35:00 2 think we can pass it to the defendants -- pass the witness
13:35:03 3 to the defendants.

13:35:05 4 MR. LANGHOFER: Thanks, Ernest.

13:35:05 5

13:35:05 6 EXAMINATION

13:35:05 7 BY MR. LANGHOFER:

13:35:08 8 Q. Looks like I'll be going first for the defendants.

13:35:10 9 My name is Kory Langhofer. And I represent
13:35:13 10 the Republican National Committee. And I have just a few
13:35:17 11 questions for you, not nearly as long as what you got from
13:35:21 12 the plaintiffs.

13:35:22 13 And then after that, I think the attorney
13:35:23 14 general is going to have a few questions for you and maybe
13:35:26 15 the secretary of state, the legislature, but probably just
13:35:28 16 two of us.

13:35:29 17 So let's just go through these. I believe it
13:35:37 18 was -- Ms. Johnston had mentioned some voter registration
13:35:40 19 forms that you all get in from third-party voter
13:35:44 20 registration drives that have incorrect information on
13:35:46 21 them.

13:35:47 22 Do you have any sense of how often you get
13:35:49 23 forms like that where the information is filled out so
13:35:54 24 incorrectly as to make you think that it was intentional?

13:36:00 25 MS. JOHNSTON: I would say more during big

13:36:05 1 election cycles, either midterm or presidential, and it's
13:36:10 2 pretty often.

13:36:12 3 BY MR. LANGHOFER:

13:36:12 4 Q. Do you have any idea of how many forms like that
13:36:14 5 you might get per presidential cycle?

13:36:17 6 MS. JOHNSTON: Hundreds.

13:36:21 7 BY MR. LANGHOFER:

13:36:22 8 Q. And what -- are those referred to the county
13:36:25 9 attorney and attorney general for prosecution?

13:36:28 10 MS. JOHNSTON: In the past, we have provided
13:36:30 11 them, yes.

13:36:31 12 And I know former recorder Robyn
13:36:37 13 Stallworth-Pouquette had -- also took them to the
13:36:39 14 legislature.

13:36:39 15 BY MR. LANGHOFER:

13:36:41 16 Q. Do you know whether she took that to the
13:36:42 17 legislature before these bills were passed?

13:36:46 18 MS. JOHNSTON: Yes. It would have been in
13:36:47 19 2016 and '18.

13:36:50 20 BY MR. LANGHOFER:

13:36:54 21 Q. All right. When someone puts their birthplace on
13:37:00 22 a voter registration form, do you put that information into
13:37:03 23 the voter file?

Q. And is that information that you can use to verify someone's identity when they call in to speak with you?

MS. JOHNSTON: We don't use it as a way to identify somebody over the phone.

BY MR. LANGHOFER:

Q. What do you use to identify someone over the phone?

MS. JOHNSTON: The last four of their social typically is what we would use.

BY MR. LANGHOFER:

Q. What about their birthday?

MS. JOHNSTON: And their full date of birth.

BY MR. LANGHOFER:

Q. Could you use the birthplace even if you don't currently?

MS. JOHNSTON: We could. But we have some voters who change that information almost every time they register to vote. So we don't really use it for verification purposes.

BY MR. LANGHOFER:

Q. So the same person might say that they were born in Los Angeles and the next time they register or change their address, they might say they were born in Idaho?

MS. JOHNSTON: Correct.

13:38:06 1 BY MR. LANGHOFER:

13:38:08 2 Q. Any idea why people would do that?

13:38:11 3 MS. JOHNSTON: No idea. Currently, it's not
13:38:15 4 a required form or a required field on the state
13:38:21 5 registration form. So most of the time it's left blank.

13:38:39 11 use the birthplace to determine whether it's the same
13:38:42 12 person or two different people?

13:38:44 13 MS. JOHNSTON: We would likely use the last
13:38:46 14 four of their social.

13:38:49 15 BY MR. LANGHOFER:

13:38:49 16 Q. What if they didn't provide a Social Security
13:38:51 17 number?

13:38:52 18 MS. JOHNSTON: It would have likely got
13:38:54 19 acquired through the HAVA checks.

13:38:56 20 BY MR. LANGHOFER:

13:38:57 21 Q. But the birthplace is something that you could use
13:39:00 22 in addition to Social Security to determine whether it's
13:39:01 23 the same person?

13:39:03 24 MS. JOHNSTON: We could use it, yes.

13:39:04 25 ///

13:39:04 1 BY MR. LANGHOFER:

13:39:05 2 Q. Okay. Do you guys have access to any databases
13:39:10 3 other than the HAVA checks and the SAVE database to
13:39:13 4 determine whether someone is a citizen?

13:39:15 5 MS. JOHNSTON: No.

13:39:16 6 BY MR. LANGHOFER:

13:39:24 7 Q. When someone registers using the state form and
13:39:29 8 they don't provide DPOC and you all send out a notification
13:39:34 9 letter saying, "Hey, we're missing your DPOC" -- in this
13:39:36 10 case, I guess I'm assuming that it's someone for whom
13:39:39 11 there's not DPOC in the HAVA check -- discovered in the
13:39:43 12 HAVA check. Of the folks who get those sorts of
13:39:47 13 notification letters, what percentage of them do you think
13:39:49 14 respond and end up providing satisfactory DPOC?

13:39:53 15 MS. JOHNSTON: I can't give a statistical
13:39:56 16 figure.

13:39:56 17 BY MR. LANGHOFER:

13:39:58 18 Q. Do you have a sense of -- is it more than half?

13:40:01 20 of people come back providing DPOC.

13:40:05 21 BY MR. LANGHOFER:

13:40:05 22 Q. So less than 25 percent?

13:40:09 23 MS. JOHNSTON: Yeah.

13:40:11 25 Q. Okay. The -- well, let me not get into that. I

13:40:35 2 with me one second. I'm just going to look through my
13:40:37 3 notes here, make sure we've touched on everything.

13:40:40 4 The -- we have heard from other counties
13:40:57 5 about this -- a problem apparently in October of 2022 of
13:41:02 6 the HAVA checks incorrectly indicating that some folks were
13:41:05 7 not citizens. Are you familiar with that?

13:41:07 8 MS. JOHNSTON: Yes.

13:41:08 9 BY MR. LANGHOFER:

13:41:09 10 Q. Do you know of anyone who was denied full
13:41:14 11 registration in your county because of that issue?

13:41:17 12 MS. JOHNSTON: It's possible, yes, but later
13:41:21 13 confirmed with the voter that they are a citizen after
13:41:25 14 sending the required correspondence and receiving either a
13:41:29 15 phone call from them saying that they're confused on why
13:41:34 16 and then they resubmit another registration form with
13:41:38 17 additional DPOC.

13:41:39 18 BY MR. LANGHOFER:

13:41:39 19 Q. Okay. So would all the voters who would have been
13:41:42 20 affected by that then have had a chance to get a full
13:41:45 21 registration instead of a federal-only?

13:41:47 22 MS. JOHNSTON: All of those voters would have
13:41:49 23 been able to rectify their -- their status, yes.

13:41:52 24 BY MR. LANGHOFER:

13:41:54 25 Q. Do you know whether it's possible for the HAVA

13:41:57 1 checks to not only incorrectly indicate that someone is not
13:42:00 2 a citizen but to incorrectly indicate that they are a
13:42:05 3 citizen?

13:42:05 4 MS. JOHNSTON: I suppose it's possible if
13:42:09 5 there was some glitch in the system. And let's say I ran
13:42:14 6 HAVA checks on Joann -- but what the staff does is they
13:42:19 7 look at the verification tab to make sure that the name
13:42:23 8 does match. I believe in the instance you were talking
13:42:26 9 about, it was returning a record for somebody else.

13:42:30 10 BY MR. LANGHOFER:

13:42:33 11 Q. And I didn't want to cut you off, ma'am. Do you
13:42:36 12 have more?

13:42:36 13 MS. JOHNSTON: No.

13:42:38 14 BY MR. LANGHOFER:

13:42:42 15 Q. Thinking about the possibility that it would
13:42:44 16 incorrectly indicate that someone's a citizen, would your
13:42:46 17 office find that's there informational value in having a
13:42:50 18 separate indication from the voter, the checkbox
13:42:52 19 specifically, confirming that they're a citizen?

13:42:54 20 MS. JOHNSTON: So yes, the voter has to mark
13:43:00 21 questions -- the two questions that are in Box 22,
13:43:03 22 affirming that they are or are not a citizen.

13:43:06 23 BY MR. LANGHOFER:

13:43:07 24 Q. And does that add value to your office?

13:43:11 1 MR. LANGHOFER: Thanks very much for your

13:43:18 7 EXAMINATION

13:43:18 8 BY MR. HORLEY:

13:43:21 9 Q. Hello, Ms. Munoz and Ms. Johnston. I am with the
13:43:24 10 State of Arizona and the Arizona Attorney General's Office.
13:43:28 11 I will not have too many questions?

13:43:31 12 Fortunately, Kory already covered some of the
13:43:33 13 things I wanted to discuss. But I do have a few documents
13:43:34 14 that we haven't looked at yet. So I will screen-share
13:43:38 15 those and then send them around in the chat once I'm done
13:43:42 16 speaking about them for everybody to look at.

13:43:47 17 So starting with some of your testimony --
13:43:52 18 and this is more for you, Ms. Johnston, because I think you
13:43:55 19 spoke about this a little bit more.

13:43:57 20 You mentioned that some phrases in the
13:44:01 21 challenged laws HB 2492 and 2243 are unclear; correct?

13:44:05 22 MS. JOHNSTON: Correct.

13:44:07 23 BY MR. HORLEY:

13:44:08 24 Q. And then you testified that it would be helpful to
13:44:10 25 have guidance from the secretary of state on how to

13:44:12 1 implement those parts; is that right?

13:44:15 2 MS. JOHNSTON: Correct.

13:44:15 3 BY MR. HORLEY:

13:44:17 4 Q. And that could come in the form of an updated EPM?

13:44:21 5 MS. JOHNSTON: Correct.

13:44:21 6 BY MR. HORLEY:

13:44:23 7 Q. And the EPM provides guidance on a lot of other
13:44:25 8 voting laws -- right? -- not just these laws?

13:44:28 9 MS. JOHNSTON: Correct.

13:44:29 10 BY MR. HORLEY:

13:44:30 11 Q. And do you generally rely on the EPM to help
13:44:32 12 implement those other voting laws?

13:44:34 13 MS. JOHNSTON: Yes.

13:44:36 14 BY MR. HORLEY:

13:44:36 15 Q. Okay. So would it be easy to implement those
13:44:39 16 other voting laws without the EPM?

13:44:42 17 MS. JOHNSTON: No.

13:44:43 18 BY MR. HORLEY:

13:44:44 19 Q. Okay. So other laws can also be difficult to
13:44:50 20 implement without further guidance from the secretary of
13:44:50 21 state; is that right?

13:44:52 22 MS. JOHNSTON: Not only further guidance, but
13:44:53 23 enhancements to the voter registration system to make sure
13:44:56 24 that those new laws are being implemented into the voter's
13:44:59 25 record.

Q. Okay. So same thing is true here that is true for a lot of these other voting laws: It's helpful to have guidance and also to update your systems to be able to implement them?

MS. JOHNSTON: Correct.

BY MR. HORLEY:

Q. Okay. Thank you.

And now I wanted to talk a little bit more about how you verify citizenship, specifically DPOC.

Does your office do anything to verify DPOC when it is received?

MS. JOHNSTON: Well, every voter is ran through the HAVA checks. So if Joann is registering to vote and she comes into the office with a birth certificate, we could bypass -- we could manually select "yes" on citizenship, but ultimately we would still be running HAVA checks.

BY MR. HORLEY:

Q. Okay. Understood.

But if someone submits, say, a copy of their birth certificate, is there anything that your office does to verify the accuracy of that document?

MS. JOHNSTON: No.

///

13:46:05 1 BY MR. HORLEY:

13:46:06 2 Q. Okay. So it's just accepted at face value?

13:46:10 3 MS. JOHNSTON: Along with the HAVA checks,
13:46:11 4 yes.

13:46:13 5 BY MR. HORLEY:

13:46:13 6 Q. Along with the HAVA checks. Okay. Thank you.

13:46:15 7 I believe -- so you talked a little bit about
13:46:22 8 the checkbox that appears on the voter forms.

13:46:26 9 If the recorder does not have DPOC, is the
13:46:31 10 information contained in that checkbox helpful?

13:46:34 11 MS. JOHNSTON: It is helpful, but it does not
13:46:39 12 suffice for DPOC.

13:46:41 13 BY MR. HORLEY:

13:46:42 14 Q. Okay. So in that case, if there's no DPOC, you
13:46:46 15 would still run a check and possibly reach out to the
13:46:49 16 voter?

13:46:49 17 MS. JOHNSTON: If there is -- so let me
13:46:53 18 rephrase this. If the voter provides a driver's license
13:46:57 19 number or enough information where we can run HAVA checks
13:47:01 20 and determine a true match, we would register the voter.

13:47:06 21 Now, if the voter marked "no," they are not a
13:47:09 22 citizen and they are a first-time registrant and they mark
13:47:13 23 "no" on the form, we would likely just put them in as not
13:47:17 24 eligible, invalid proof of citizenship, because they are
13:47:20 25 already telling us that they are not a citizen.

13:47:22 1 BY MR. HORLEY:

13:47:25 2 Q. Okay. Thank you.

13:47:25 3 You kind of anticipated where I was going.

13:47:27 4 So thank you for that. Then one other question about this.

13:47:31 5 If a -- is it possible for a registered voter
13:47:34 6 to submit a copy of a citizenship document, like a copy of
13:47:37 7 a birth certificate, that is defective in some ways; for
13:47:42 8 example, it's blurry or difficult to read?

13:47:44 9 MS. JOHNSTON: A voter can provide a
13:47:48 10 defective naturalization paperwork of some sort, and that
13:47:52 11 information could be verified through SAVE as long as we
13:47:55 12 can read the numeric information on the form.

13:48:01 13 BY MR. HORLEY:

13:48:02 14 Q. Okay. Same thing could be true for, say, a copy
13:48:04 15 of a passport or a birth certificate or something like
13:48:07 16 that?

13:48:08 17 MS. JOHNSTON: Yes. We can't run it through
13:48:13 18 a system. The only thing we can run through a system is an
13:48:17 19 alien number or a naturalization number. We cannot run a
13:48:23 20 U.S. passport or a birth certificate through any additional
13:48:26 21 checks.

13:48:27 22 BY MR. HORLEY:

13:48:29 23 Q. Okay. Understood.

13:48:30 24 And so if you had a situation where their
13:48:33 25 DPOC was defective in some way, would it be helpful to know

13:48:36 1 how the voter answered the checkbox?

13:48:39 2 MS. JOHNSTON: Sure.

13:48:42 3 BY MR. HORLEY:

13:48:43 4 Q. Okay. Thank you.

13:48:45 5 Okay. I have the first document that I want

13:48:48 6 to look at. So I'm going to screen-share it. One moment.

13:48:59 7 Okay.

13:49:00 8 Can you both see this document?

13:49:04 9 MS. JOHNSTON: Yes.

13:49:06 10 BY MR. HORLEY:

13:49:07 11 Q. And do you recognize what this document is?

13:49:10 12 MS. JOHNSTON: Yes.

13:49:10 13 BY MR. HORLEY:

13:49:12 14 Q. And did your office produce this in response to

13:49:15 15 plaintiffs' request for production?

13:49:17 16 MS. JOHNSTON: I believe so. I believe ours

13:49:22 17 had a -- an additional header, though, with maybe a time

13:49:28 18 date stamp, but I'm not quite sure. But it looks like

13:49:32 19 something we could have produced, yes.

13:49:35 20 MR. HORLEY: Okay. I would like to mark this

13:49:37 21 as exhibit -- I believe we're at Number 205. Is that

13:49:41 22 right, Cindy?

13:49:41 23 THE COURT REPORTER: Yes.

13:49:41 24 (The document was marked as Exhibit 205

13:49:47 25 for identification.)

13:49:47 1 BY MR. HORLEY:

13:49:49 2 Q. So I see here there's a column for "Status." Does
13:49:53 3 that say what someone's voter registration status is?

13:49:56 4 MS. JOHNSTON: Yes.

13:49:57 5 BY MR. HORLEY:

13:49:57 6 Q. And then here it says the "Status Reason." And
13:50:00 7 that tells us why that person has this status; is that
13:50:00 8 right?

13:50:04 9 MS. JOHNSTON: Correct.

13:50:16 10 BY MR. HORLEY:

13:50:18 11 Q. So I'd like to look quickly at a row down here.
13:50:29 12 Okay.

13:50:29 13 Do you see this row here, Row 491?

13:50:32 14 MS. JOHNSTON: Yes.

13:50:32 15 BY MR. HORLEY:

13:50:33 16 Q. It says that the person's status is "not
13:50:37 17 eligible," and the reason is "invalid citizenship proof";
13:50:40 18 is that right?

13:50:40 19 MS. JOHNSTON: Correct.

13:50:42 20 BY MR. HORLEY:

13:50:43 21 Q. Okay. So is this what you described earlier in
13:50:46 22 your testimony? And I forget whether it was Ms. Munoz or
13:50:49 23 Ms. Johnston on this.

13:50:51 24 But that -- when a HAVA check cannot verify
13:50:54 25 citizenship, is this that -- that sort of situation?

13:50:58 1 MS. JOHNSTON: If the HAVA check is ran and
13:51:00 2 the verification comes back as not a citizen or permanent
13:51:05 3 resident, the voter gets this status in "Status Reason."

13:51:12 4 BY MR. HORLEY:

13:51:12 5 Q. Is this a status that is something that can be
13:51:15 6 fixed; like, after you send the notice, you can update this
13:51:20 7 status, or is "not eligible" equivalent to canceling their
13:51:24 8 registration?

13:51:24 9 MS. JOHNSTON: In my opinion, it is not
13:51:27 10 equivalent. In order to cancel something, you have to have
13:51:30 11 been registered. This person was never registered. They
13:51:36 12 were entered into the system but did not meet the minimum
13:51:40 13 qualifications; therefore, they were never registered. So
13:51:43 14 there was nothing to cancel.

13:51:45 15 BY MR. HORLEY:

13:51:46 16 Q. Okay. Understood.
13:51:47 17 So is this sort of the same thing as
13:51:49 18 rejecting someone's application?

13:51:51 19 MS. JOHNSTON: Yes.

13:51:52 20 BY MR. HORLEY:

13:51:53 21 Q. Okay. Thank you.

13:51:56 22 And then I wanted to just look at these
13:51:59 23 columns here really quickly.

13:52:02 24 So these columns here tell us when the voter
13:52:05 25 registered; is that right?

13:52:06 1 MS. JOHNSTON: It would be the registration
13:52:08 2 date, their county registration date, and their effective
13:52:12 3 date of change, yes.

13:52:13 4 BY MR. HORLEY:

13:52:13 5 Q. Okay. And so that effective date of change is the
13:52:16 6 last time that this spreadsheet was updated?

13:52:18 7 MS. JOHNSTON: Correct.

13:52:19 8 BY MR. HORLEY:

13:52:20 9 Q. Okay. Thank you.

13:52:22 10 Now I want to look at another row. Do you
13:52:28 11 see this row, Row 145?

13:52:31 12 MS. JOHNSTON: Correct.

13:52:31 13 BY MR. HORLEY:

13:52:33 14 Q. So I see here it says that this person's status is
13:52:36 15 canceled, and the reason is invalid residence address; is
13:52:40 16 that right?

13:52:40 17 MS. JOHNSTON: Yes.

13:52:41 18 BY MR. HORLEY:

13:52:42 19 Q. So what does that mean?

13:52:45 20 MS. JOHNSTON: I'm going to assume this
13:52:46 21 record was done in the previous voter registration database
13:52:50 22 called PowerProfile, which is very different from the
13:52:55 23 current registration database.

13:52:58 24 So when we were in PowerProfile -- and laws
13:53:01 25 were different as well back in 2014 -- this person likely

13:53:07 1 submitted a registration form and either left the
13:53:12 2 residential address portion of the form blank or did not
13:53:15 3 provide or follow up with our office to give us a standard
13:53:20 4 or a nonstandard address, and eventually it just timed out.

13:53:28 5 So I believe the state law says that if a
13:53:30 6 voter does not respond within 90 days, they can go into the
13:53:37 7 system as basically rejected.

13:53:40 8 BY MR. HORLEY:

13:53:42 9 Q. Okay. So this is basically a rejection for having
13:53:46 10 no -- like, no certifiable address information?

13:53:49 11 MS. JOHNSTON: Correct.

13:53:50 12 BY MR. HORLEY:

13:53:51 13 Q. Could this be a situation like you mentioned
13:53:53 14 earlier where someone puts down a commercial address as
13:53:56 15 their address?

13:53:58 16 MS. JOHNSTON: Yes. They -- the voter would
13:54:01 17 have put -- been put into suspense if they were an active
13:54:05 18 voter; or even a brand-new voter, they would have been put
13:54:09 19 in suspense. Correspondence would have been sent to the
13:54:12 20 voter to obtain residential address. And after not hearing
13:54:17 21 from the voter for so many days, they would ultimately get
13:54:22 22 rejected.

13:54:22 23 BY MR. HORLEY:

13:54:23 24 Q. Okay. Great. Thank you. All right. I have one
13:54:25 25 more row in this document. Just get us there really

13:54:32 1 quickly.

13:54:38 2 Do you see this row here, Row 1064?

13:54:43 3 MS. JOHNSTON: Correct.

13:54:44 4 BY MR. HORLEY:

13:54:44 5 Q. In this row, it says that the person's status is
13:54:46 6 canceled, and the reason is involuntary cancellation; is
13:54:51 7 that right?

13:54:51 8 MS. JOHNSTON: It looks like it, yes.

13:54:52 9 BY MR. HORLEY:

13:54:53 10 Q. What does "involuntary cancellation" mean?

13:54:56 11 MS. JOHNSTON: Well, I wasn't here in 2006 to
13:54:58 12 know exactly what prompted the staff to do that, but if --
13:55:03 13 I can take a good guess. Maybe another record was created
13:55:11 14 erroneously and staff had to cancel that record, so that
13:55:14 15 way, the voter didn't have double record.

13:55:17 16 BY MR. HORLEY:

13:55:17 17 Q. Okay. Understood. Thank you.

13:55:18 18 All right. I'm going to close out of this
13:55:22 19 document. Okay.

13:55:29 20 And then I have another one here. Can you
13:55:40 21 see this document?

13:55:41 22 MS. JOHNSTON: Yes.

13:55:41 23 BY MR. HORLEY:

13:55:42 24 Q. Okay. Was this the one that you referred to
13:55:44 25 before that you thought, you know, that your office

13:55:47 1 produced?

13:55:48 2 MS. JOHNSTON: Yes.

13:55:48 3 BY MR. HORLEY:

13:55:49 4 Q. Okay. So this is something that your office
13:55:51 5 produced in response to plaintiffs' request for production?

13:55:55 6 MS. JOHNSTON: Yes.

13:55:55 7 MR. HORLEY: Okay. I would like to mark this
13:55:57 8 as Exhibit 206, please.

13:56:04 9 (Reporter clarification.)
13:56:04 10 (The document was marked as Exhibit 206
13:56:25 11 for identification.)

13:56:25 12 MR. MORGAN: Tim, who produced it?

13:56:28 13 MR. HORLEY: I believe it was Yuma County,
13:56:30 14 the Yuma County Recorder's Office.

13:56:32 15 MR. MORGAN: Okay. Great. Thanks.

13:56:36 16 BY MR. HORLEY:

13:56:39 17 Q. Okay. So this one has a bit more information.
13:56:43 18 But I want to turn to this column here where it says
13:56:49 19 "Status." That is someone's voter registration status;
13:56:52 20 correct?

13:56:52 21 MS. JOHNSTON: Correct.

13:56:53 22 BY MR. HORLEY:

13:56:54 23 Q. And then this gives you the status reason?

13:56:55 24 MS. JOHNSTON: Correct.

13:56:57 25 ///

13:56:57 1 BY MR. HORLEY:

13:56:58 2 Q. What is the difference between this spreadsheet
13:57:01 3 and the one that we just looked at?

13:57:03 4 MS. JOHNSTON: These are our federal-only
13:57:06 5 voters. If you see the header at the very bottom of that
13:57:10 6 worksheet . . .

13:57:10 7 BY MR. HORLEY:

13:57:13 8 Q. Yes. Okay. Okay.

13:57:16 9 And then what about -- let's take a look at
13:57:18 10 this sheet.

13:57:21 11 So what does this sheet describe?

13:57:24 12 MS. JOHNSTON: Canceled and -- canceled
13:57:27 13 voters and voters that are in suspense.

13:57:30 14 BY MR. HORLEY:

13:57:30 15 Q. Okay. And does this show voters whose
13:57:33 16 registration was canceled after they had registered?

13:57:37 17 MS. JOHNSTON: Yes. In order to be canceled,
13:57:46 18 you have to have been registered.

13:57:47 19 BY MR. HORLEY:

13:57:48 20 Q. Okay. So it is the case that sometimes your
13:57:50 21 office cancels people's registration after they have
13:57:54 22 registered?

13:57:54 23 MS. JOHNSTON: Correct. So as you can see,
13:57:57 24 some of these people are deceased; some of them moved maybe
13:58:02 25 out of state; or we got returned mail from them and they

13:58:08 1 did not follow up with us within four federal cycles.

13:58:12 2 BY MR. HORLEY:

13:58:15 3 Q. Okay. Understood.

13:58:15 4 Just going to look quickly here at Row 261.

13:58:26 5 This one says that the voter's registration was canceled
13:58:31 6 for invalid citizenship proof; correct?

13:58:33 7 MS. JOHNSTON: Correct.

13:58:34 8 BY MR. HORLEY:

13:58:34 9 Q. Would that be a similar circumstance where they
13:58:37 10 just never provided DPOC?

13:58:41 11 MS. JOHNSTON: Or HAVA checks were ran and it
13:58:46 12 came back as not a citizen.

13:58:51 13 I am assuming this was also done in
13:58:53 14 PowerProfile, which has different terminology than what
13:58:56 15 AVID uses.

13:58:58 16 BY MR. HORLEY:

13:58:58 17 Q. Okay. And so could this have been an instance of
13:59:01 18 someone attempting to register who is not a U.S. citizen?

13:59:04 19 MS. JOHNSTON: It could be, yes.

13:59:06 20 BY MR. HORLEY:

13:59:06 21 Q. Okay. And then one more row, this one.

13:59:17 22 So this one says the voter's registration was
13:59:22 23 canceled and it was involuntary cancellation; is that
13:59:25 24 right?

13:59:25 25 MS. JOHNSTON: Correct.

13:59:26 1 BY MR. HORLEY:

13:59:26 2 Q. And so would the same thing apply here, how you
13:59:30 3 described the other type of involuntary cancellation, or is
13:59:32 4 there any difference?

13:59:33 5 MS. JOHNSTON: I would assume that this
13:59:35 6 record was created by accident. And maybe the voter
13:59:38 7 already held an active record, so this one got canceled.

13:59:43 8 BY MR. HORLEY:

13:59:43 9 Q. Okay. Could it come from some other reason like,
13:59:46 10 for example, someone said they were not a citizen on a jury
13:59:49 11 questionnaire?

13:59:50 12 MS. JOHNSTON: No.

13:59:51 13 BY MR. HORLEY:

13:59:52 14 Q. Okay. Okay. Thank you. That is all I have for
13:59:55 15 that one.

14:00:04 16 Okay. So I wanted to talk a little bit about
14:00:06 17 one of the questions that my colleague Kory asked you.

14:00:10 18 He said that there -- you have noticed that
14:00:15 19 there are sometimes hundreds of instances where you get
14:00:20 20 voter registration applications with false information
14:00:23 21 around presidential and midterm election cycles; is that
14:00:27 22 right?

14:00:27 23 MS. JOHNSTON: Correct.

14:00:28 24 BY MR. HORLEY:

14:00:28 25 Q. And those come often from third-party registration

14:00:31 1 drives?

14:00:32 2 MS. JOHNSTON: Correct.

14:00:33 3 BY MR. HORLEY:

14:00:33 4 Q. And you mentioned that Yuma County is not a huge
14:00:36 5 place, so sometimes you know who people -- who these people
14:00:41 6 are who are putting false information on their
14:00:45 7 registration; is that right?

14:00:45 8 MS. JOHNSTON: Correct.

14:00:47 9 BY MR. HORLEY:

14:00:48 10 Q. Do you have any sense of why they would enter
14:00:52 11 false information on their registration applications?

14:00:54 12 MS. JOHNSTON: I personally believe that the
14:00:57 13 information could be getting data mined or people are
14:01:03 14 getting paid per form, the circulators are getting paid per
14:01:05 15 form.

14:01:05 16 BY MR. HORLEY:

14:01:09 17 Q. And so how would that lead to someone entering
14:01:12 18 false information on the form?

14:01:12 19 MS. JOHNSTON: If you're getting a dollar per
14:01:16 20 form and you want to make more money, there's potentially
14:01:21 21 people that will fill out fake registration forms to get
14:01:24 22 paid the dollar per form, but that's just an assumption of
14:01:30 23 mine.

14:01:30 24 BY MR. HORLEY:

14:01:31 25 Q. Okay. Thank you. Understood.

14:01:33 1 Is it possible that some of the people who
14:01:35 2 are submitting these false forms are not eligible to vote
14:01:39 3 in Yuma County?

14:01:41 4 MR. HERRERA: Objection; form.

14:01:44 5 MS. JOHNSTON: I am not sure of the
14:01:45 6 circulators' qualifications.

14:01:48 7 BY MR. HORLEY:

14:01:49 8 Q. And what about the people whose names are on the
14:01:52 9 applications?

14:01:53 10 MS. JOHNSTON: Can you repeat the question?

14:01:53 11 BY MR. HORLEY:

14:01:57 12 Q. So is it possible that the people who -- whose
14:02:00 13 names are on the applications that have the false
14:02:03 14 information -- is it possible that those people are not
14:02:07 15 eligible to vote?

14:02:09 16 MS. JOHNSTON: It is possible, sure.

14:02:13 17 BY MR. HORLEY:

14:02:15 18 Q. Is it possible that some of them are not U.S.
14:02:17 19 citizens?

14:02:18 20 MS. JOHNSTON: It is possible, but we would
14:02:20 21 find that out through the HAVA checks.

14:02:20 22 BY MR. HORLEY:

14:02:24 23 Q. Have you ever encountered a situation from those
14:02:28 24 third-party registrations where you do a HAVA check and it
14:02:30 25 turns out that person is not a U.S. citizen?

14:02:33 1 MS. JOHNSTON: It would likely not come back
14:02:34 2 with any information at all because there wouldn't be
14:02:37 3 enough matching information to determine a true match of
14:02:42 4 that person.

14:02:43 5 BY MR. HORLEY:

14:02:48 6 Q. Understood. I've got three more documents that we
14:02:53 7 will hopefully get through quickly here. Thank you for
14:02:55 8 your patience.

14:03:07 9 And can you see this document?

14:03:11 10 MS. JOHNSTON: Yes.

14:03:13 11 BY MR. HORLEY:

14:03:13 12 Q. Do you recognize this document?

14:03:15 13 MS. JOHNSTON: Yes.

14:03:16 14 BY MR. HORLEY:

14:03:18 15 Q. Did your office produce this in response to
14:03:20 16 plaintiffs' request for production?

14:03:21 17 MS. JOHNSTON: Yes.

14:03:23 18 MR. HORLEY: Okay. I would like to mark this
14:03:24 19 as Document Number 207 -- or Exhibit 207.

14:03:43 20 (An off-the-record discussion ensued.)

14:03:43 21 (The document was marked as Exhibit 207
14:03:48 22 for identification.)

14:03:48 23 BY MR. HORLEY:

14:03:48 24 Q. I'm going to zoom out a little bit and just give
14:03:52 25 you a moment to review this document. Just let me know

14:03:57 1 when you're finished reviewing or if you'd like me to
14:03:59 2 scroll down.

14:04:00 3 MS. JOHNSTON: I'm finished.

14:04:01 4 BY MR. HORLEY:

14:04:02 5 Q. Okay. Thank you.

14:04:04 6 So what is this document describing?

14:04:07 7 MS. JOHNSTON: This document is describing
14:04:12 8 some investigative work I did once I received the ERIC file
14:04:21 9 for cross-state participation, I believe it was called, and
14:04:27 10 which is -- I'm not really sure how ERIC obtains it. But
14:04:33 11 it's basically information letting us know that somebody
14:04:37 12 with a similar name, driver's license, social voted in our
14:04:42 13 county along with another state.

14:04:44 14 BY MR. HORLEY:

14:04:47 15 Q. Okay. And what was the result of that
14:04:53 16 investigation?

14:04:55 17 MS. JOHNSTON: A majority of the people on
14:04:58 18 the list that we investigated voted in Yuma County as well
14:05:06 19 as the referenced state.

14:05:08 20 BY MR. HORLEY:

14:05:08 21 Q. Okay. So for example, I see three people's names
14:05:14 22 here. And it looks like they voted in both Yuma County and
14:05:18 23 Washington state; is that right?

14:05:20 24 MS. JOHNSTON: Correct.

14:05:20 25 ///

14:05:20 1 BY MR. HORLEY:

14:05:22 2 Q. Okay. So did these people commit voter fraud?

14:05:25 3 MS. JOHNSTON: Yes.

14:05:26 4 BY MR. HORLEY:

14:05:27 5 Q. Okay. And then there's a fourth person on the

14:05:30 6 next page. Same thing here?

14:05:32 7 MS. JOHNSTON: Correct.

14:05:33 8 BY MR. HORLEY:

14:05:34 9 Q. Okay. Thank you. I'm going to move on to the

14:05:39 10 next document.

14:05:47 11 Can you see this document?

14:05:48 12 MS. JOHNSTON: Yes.

14:05:48 13 BY MR. HORLEY:

14:05:50 14 Q. And was this also produced by your office in

14:05:52 15 response to plaintiffs' request for production?

14:05:54 16 MS. JOHNSTON: Yes.

14:05:54 17 BY MR. HORLEY:

14:05:56 18 Q. And you recognize this document?

14:05:57 19 MS. JOHNSTON: Yes.

14:05:58 20 BY MR. HORLEY:

14:05:59 21 Q. And was this sent from you -- I remember you said

14:06:02 22 your name -- your last name used to be Howard.

14:06:05 23 MS. JOHNSTON: Yes.

14:06:06 24 MR. HORLEY: Okay. I'd like to mark this as

14:06:09 25 Exhibit Number 208.

14:06:09 1 (The document was marked as Exhibit 208
14:06:19 2 for identification.)
14:06:19 3 MS. JOHNSTON: Just to be clear, none of
14:06:21 4 these have anything to do with citizenship.
14:06:24 5 BY MR. HORLEY:
14:06:24 6 Q. Correct.
14:06:25 7 But these are people who voted when they,
14:06:27 8 like, voted in more than one jurisdiction; correct?
14:06:30 9 MS. JOHNSTON: Right.
14:06:30 10 BY MR. HORLEY:
14:06:33 11 Q. Okay. And so does this describe two incidences of
14:06:38 12 that?
14:06:38 13 MS. JOHNSTON: Yes.
14:06:40 14 BY MR. HORLEY:
14:06:40 15 Q. And this was a case where you had two voters who
14:06:42 16 voted in Yuma County and in the state of Oregon; is that
14:06:46 17 right?
14:06:46 18 MS. JOHNSTON: Correct.
14:06:46 19 BY MR. HORLEY:
14:06:48 20 Q. Okay. Thank you. All right. I'm going to now
14:06:53 21 look at the next document.
14:06:57 22 Do you recognize this document?
14:06:59 23 MS. JOHNSTON: Yes.
14:07:01 24 BY MR. HORLEY:
14:07:03 25 Q. And your office produced this in response to

14:07:04 1 plaintiffs' request for production?

14:07:06 2 MS. JOHNSTON: Yes.

14:07:08 3 MR. HORLEY: Okay. I'd like to enter this as
14:07:11 4 Exhibit 209.

14:07:11 5 (The document was marked as Exhibit 209
14:07:11 6 for identification.)

14:07:11 7 BY MR. HORLEY:

14:07:20 8 Q. And so here, I see there's an email from a special
14:07:24 9 agent at the Arizona Attorney General's Office. And he is
14:07:29 10 asking the former Yuma County recorder whether she has
14:07:35 11 continued to compile suspected fraudulent registrations and
14:07:40 12 if he could be updated with an updated spreadsheet about
14:07:42 13 that; is that right?

14:07:43 14 MS. JOHNSTON: Correct.

14:07:43 15 BY MR. HORLEY:

14:07:45 16 Q. And then I see here that the former recorder said
14:07:47 17 that there was one more instance noted in the spreadsheet?

14:07:50 18 MS. JOHNSTON: I replied that there was one
14:07:54 19 more.

14:07:55 20 BY MR. HORLEY:

14:07:55 21 Q. Oh, yes, that's right. You replied that there was
14:07:57 22 one more. Okay. Thank you.

14:07:59 23 And is this the spreadsheet to which you
14:08:04 24 referred?

14:08:04 25 MS. JOHNSTON: I believe so, yes. Yes.

14:08:09 1 BY MR. HORLEY:

14:08:12 2 Q. So these are all instances of potential fraud; is
14:08:16 3 that right?

14:08:16 4 MS. JOHNSTON: Correct.

14:08:17 5 BY MR. HORLEY:

14:08:19 6 Q. And can you tell from this what the basis to
14:08:23 7 believe that they were fraudulent was?

14:08:26 8 MS. JOHNSTON: Yes. So let's say -- let's
14:08:31 9 just go with the first one: Teresa Aguirre. She was
14:08:34 10 likely already a registered voter where -- it has under
14:08:38 11 column "Real Driver's License" and "Real Voter ID" number.
14:08:43 12 So she is already a real active voter participant.

14:08:50 13 We receive a registration form with similar
14:08:56 14 information but the date of birth. So a majority of these
14:09:00 15 had transposed date of birth.

14:09:04 16 So this is where I go back to the data
14:09:06 17 minding -- mining -- is that they have enough information
14:09:09 18 to transpose the information which, because we have
14:09:17 19 safeguards in place, they don't really make it through.
14:09:19 20 But in our opinion, this is them trying.

14:09:21 21 BY MR. HORLEY:

14:09:23 22 Q. I see.

14:09:23 23 So in most of these cases, is it fair to say
14:09:26 24 this is an example of someone trying to register twice?

14:09:31 25 MS. JOHNSTON: Not the same person. I

14:09:33 1 believe that these are third-party registration circulators
14:09:37 2 that are filling out the fake information on behalf of the
14:09:42 3 voter.

14:09:44 4 That's why -- if you see under "Issues," the
14:09:47 5 date of birth is likely because it transposed. The
14:09:51 6 signature is different from the signature we have from the
14:09:54 7 real voter, which also is on their record from the driver's
14:09:58 8 license. And their driver's license number may have been
14:10:00 9 transposed or be different.

14:10:01 10 BY MR. HORLEY:

14:10:03 11 Q. Okay. Understood.

14:10:04 12 So now I wanted to look at this row down here
14:10:09 13 for Jose Francisco Ybarra. It looks like the same date of
14:10:15 14 birth. Fake and real date of birth are the same; is that
14:10:19 15 right?

14:10:19 16 MS. JOHNSTON: It looks like it, yes. That
14:10:21 17 might have been a typo.

14:10:25 18 BY MR. HORLEY:

14:10:25 19 Q. Understood. Okay.

14:10:27 20 But it also could be someone who has -- that
14:10:31 21 wasn't the issue; the date of birth was in fact the same?

14:10:34 22 MS. JOHNSTON: They -- they could have put
14:10:38 23 3/12/1970. But I would need to look into that voter's
14:10:40 24 record to see what the discrepancy was.

14:10:43 25 ///

14:10:43 1 BY MR. HORLEY:

14:10:44 2 Q. Okay. It looks like here there's different
14:10:47 3 driver's license numbers; is that right?

14:10:48 4 MS. JOHNSTON: Correct.

14:10:48 5 BY MR. HORLEY:

14:10:51 6 Q. And then when you have some columns like here, for
14:10:56 7 example, where there is no fake date of birth but it says
14:11:01 8 "fake Social Security number," do you know what that --
14:11:06 9 what that signifies?

14:11:07 10 MS. JOHNSTON: If it's a blank field, it was
14:11:09 11 left blank on the form.

14:11:12 12 BY MR. HORLEY:

14:11:13 13 Q. Okay. Does that mean that it wasn't an issue of
14:11:16 14 the birthday being transposed?

14:11:19 15 MS. JOHNSTON: Correct.

14:11:19 16 BY MR. HORLEY:

14:11:20 17 Q. Okay. But someone's offered a false Social
14:11:22 18 Security number?

14:11:23 19 MS. JOHNSTON: Yes. Two different ones. So
14:11:25 20 it looks like that person maybe submitted two registration
14:11:31 21 forms for Brianda Tamal- -- I can't see that last name.

14:11:40 22 BY MR. HORLEY:

14:11:40 23 Q. Oh, yes. I think it's Talamantes.

14:11:43 24 MS. JOHNSTON: Yeah. If you can zoom in a
14:11:46 25 little bit, I could probably see it.

14:11:48 1 But it looks like they might have submitted
14:11:50 2 two. And that's why they provided two different fake
14:11:56 3 Social Security numbers compared to the one real.

14:11:59 4 BY MR. HORLEY:

14:12:00 5 Q. Okay. Is it possible that anyone listed on this
14:12:03 6 spreadsheet was not a U.S. citizen?

14:12:07 7 MR. HERRERA: Objection; form.

14:12:09 8 MS. JOHNSTON: I think it is not possible,
14:12:11 9 because I don't think these are real people.

14:12:14 10 BY MR. HORLEY:

14:12:14 11 Q. So you think all of these names are not real
14:12:18 12 people?

14:12:19 13 MS. JOHNSTON: I -- yeah. There's fake
14:12:23 14 information for all of these people, so correct.

14:12:27 15 BY MR. HORLEY:

14:12:29 16 Q. Okay. All right. Thank you. That's all I have
14:12:32 17 for that one. And then I do have one last one.

14:12:37 18 Do you recognize this document?

14:12:40 19 MS. JOHNSTON: Yes.

14:12:41 20 BY MR. HORLEY:

14:12:42 21 Q. And your office produced this in response to
14:12:45 22 plaintiffs' request for production?

14:12:46 23 MS. JOHNSTON: Yes.

14:12:49 24 MR. HORLEY: I'd like to mark this as
14:12:51 25 Exhibit Number 210.

14:12:51 1 (The document was marked as Exhibit 210
14:12:59 2 for identification.)
14:12:59 3 BY MR. HORLEY:
14:13:00 4 Q. This is another list of incidents of voting in
14:13:04 5 more than one jurisdiction; is that right?
14:13:06 6 MS. JOHNSTON: Yes.
14:13:07 7 BY MR. HORLEY:
14:13:09 8 Q. Okay. And I see that there are four incidents on
14:13:13 9 this page; is that right?
14:13:15 10 MS. JOHNSTON: Yes.
14:13:15 11 BY MR. HORLEY:
14:13:16 12 Q. Then on this page, there are two more?
14:13:19 13 MS. JOHNSTON: Yes.
14:13:19 14 BY MR. HORLEY:
14:13:22 15 Q. So this document records six total instances of
14:13:26 16 voting in more than one jurisdiction?
14:13:26 17 MS. JOHNSTON: Yes.
14:13:27 18 MR. HORLEY: Okay. Thank you. That is all I
14:13:31 19 have. Those are all my questions.
14:13:32 20 So thank you again for your time. I really

EXAMINATION

BY MR. MORGAN:

Q. Hi, my name is Craig. I represent the secretary of state. Thanks for taking the time to put up with a bunch lawyers. God knows I don't like to.

So just a moment ago, we were looking at some exhibits. I think you indicated -- one of you indicated that you thought it was all fraudulent or fake, false information. Do you recall that?

MS. JOHNSTON: Yes.

BY MR. MORGAN:

Q. Can you tell me -- are you saying that you think that someone just provided that information falsely but nobody voted based on it? No votes were cast based on that information; correct?

MS. JOHNSTON: Correct. They didn't meet the minimum qualifications because we couldn't verify HAVA checks with them.

MR. MORGAN: Okay. Thanks. I just wanted a clarification. I appreciate it.

No further questions for me.

MR. LANGHOFER: Anyone from the legislature?

All right.

How about redirect from the plaintiffs?

MR. HERRERA: No redirect from the

14:14:35 1 plaintiffs. This is Ernest Herrera. Reserve all remaining
14:14:39 2 questions for the time of trial.

14:14:44 3 MR. LANGHOFER: Sounds good. Bill, I guess
14:14:45 4 you guys would be reading and signing.

14:14:48 5 MR. KEREKES: Yes, we will.

14:14:50 6 MR. LANGHOFER: Great. I guess we'll go off
14:14:52 7 the record.

14:14:52 8 MR. MORGAN: Yeah, let's go off the record.

14:14:54 9 THE VIDEOGRAPHER: We are off the record.

14:14:55 10 Time on the video monitor is 2:14 p.m. This ends Volume 1,

1 WILLIAM KNUTH,
2 the witness herein, being first duly sworn,
3 was examined and testified as follows:
4

09:37:21 5 EXAMINATION

09:37:21 6 BY MR. DODGE:

09:37:22 7 Q. Good morning, Mr. Knuth. My name is Chris Dodge.
09:37:25 8 As you just heard, I represent the Mi Familia Vota and Voto
09:37:29 9 Latino plaintiffs in this matter.

09:37:30 10 Could you please state your full name for the
09:37:30 11 record.

09:37:32 12 A. Yes. It's William Knuth. That's K-n-u-t-h.

09:37:36 13 Q. And have you ever been deposed before, Mr. Knuth?

09:37:38 14 A. Yes, I have.

09:37:39 15 Q. Okay. I know you're familiar with depositions
09:37:42 16 then, but let's quickly go over some deposition ground
09:37:46 17 rules.

09:37:46 18 You understand that today we have a court
09:37:48 19 reporter here whose job it is to make a complete and
09:37:50 20 accurate record of what we are saying today?

09:37:52 21 A. Yes.

09:37:53 22 Q. So that the court reporter can accurately record
09:37:56 23 today's deposition, can we agree that you'll answer my
09:37:58 24 questions audibly and clearly?

09:38:00 25 A. Yes.

09:38:00 1 Q. And so that means no shaking your head or
09:38:03 2 responding with "uh-huh" or "huh-uh." Do you understand
09:38:06 3 that?

09:38:06 4 A. I do.

09:38:06 5 Q. Okay. And can we agree that today you will wait
09:38:09 6 for me to finish my question before answering so that we
09:38:12 7 don't talk over each other?

09:38:14 8 A. Yes.

09:38:14 9 Q. And if you do not understand or if a question is
09:38:16 10 confusing, can you please just let me know? And I will
09:38:19 11 either repeat it or try to ask it a different way.

09:38:22 12 A. Yes.

09:38:23 13 Q. If I do ask a question and you answer the
09:38:25 14 question, I will assume that you understood the question.
09:38:27 15 Does that sound fair?

09:38:28 16 A. Yes.

09:38:28 17 Q. If at any time today you would like to take a
09:38:31 18 break, please just let me know. The one thing I ask is
09:38:34 19 that if I have already asked a question, that you finish
09:38:36 20 answering that question before asking for a break. Does
09:38:38 21 that make sense?

09:38:39 22 A. Yes, it does.

09:38:40 23 Q. Okay. The court reporter asked you to take an
09:38:42 24 oath just a moment ago; correct?

09:38:44 25 A. Yes.

09:38:44 1 Q. And you took that oath and agreed to provide
09:38:47 2 truthful and complete testimony to the best of your ability
09:38:49 3 today; right?
09:38:50 4 A. Yes.
09:38:50 5 Q. Is there any reason you can't testify fully and
09:38:52 6 truthfully today?
09:38:54 7 A. No, there's not.
09:38:55 8 Q. You mentioned just a moment ago that you've been
09:38:58 9 deposed before; correct?
09:38:59 10 A. Yes.
09:38:59 11 Q. How many other times have you been deposed?
09:39:02 12 A. At least once, maybe twice. It's been several
09:39:07 13 years.
09:39:07 14 Q. And in either of those instances, did your
09:39:11 15 deposition concern elections?
09:39:12 16 A. No.
09:39:13 17 Q. Did you bring any materials with you to the
09:39:16 18 deposition today?
09:39:17 19 A. No.
09:39:17 20 Q. Do you have any documents in front of you?
09:39:20 21 A. No, I don't.
09:39:21 22 Q. You are currently employed by the Arizona Attorney
09:39:26 23 General's Office; correct?
09:39:26 24 A. Yes.
09:39:26 25 Q. And what is your role there?

09:39:29 1 A. I'm a lead specialist agent. My main focus is
09:39:33 2 election integrity investigation.

09:39:34 3 Q. How long have you been in that position?

09:39:37 4 A. I've been with the attorney general just over four
09:39:42 5 years. And I've been in that role in election integrity
09:39:45 6 for most of that time; maybe four or five months, less than
09:39:50 7 that.

09:39:50 8 Q. Okay. And what are your responsibilities in your
09:39:52 9 current role?

09:39:53 10 A. Mainly -- well, I'm in -- I'm a criminal
09:39:57 11 investigator as a whole, but I have kind of taken a
09:40:02 12 specialty to anything that comes in involving anything to
09:40:06 13 do with voter election integrity complaints.

09:40:09 14 Q. Who do you report to in that role?

09:40:11 15 A. My supervisor is Supervising Special Agent John
09:40:15 16 Hillmann.

09:40:17 17 Q. Anyone else?

09:40:18 18 A. Well, Chief Jim Cope.

09:40:22 19 Q. And does anyone report to you in your current
09:40:24 20 role?

09:40:24 21 A. Only in the absence of Hillmann because I'm -- I'm
09:40:28 22 a lead special agent, so I take over responsibilities when
09:40:31 23 he's not around sometimes.

09:40:32 24 Q. Understood.

09:40:33 25 And you mentioned that you had another role

09:40:34 1 at the Attorney General's Office for four or five months.

09:40:37 2 Can you tell me what role that was?

09:40:39 3 A. It was just general fraud investigation.

09:40:41 4 Q. And that was your first role at the Attorney
09:40:45 5 General's Office?

09:40:45 6 A. Yes, sir.

09:40:45 7 Q. And did you have any sort of investigative
09:40:49 8 position before you joined the Attorney General's Office?

09:40:51 9 A. Yes. I was involved in law enforcement for over
09:40:56 10 20 years. In that time period, I worked for several years
09:41:00 11 as a homicide investigator -- investigator in Pima County,
09:41:05 12 Tucson.

09:41:06 13 I also was a child crimes investigator, also
09:41:08 14 for Pima County Sheriff's Department, Tucson. I've been
09:41:12 15 involved in a handful of specialized units involved in
09:41:16 16 investigations of one kind or another.

09:41:18 17 Q. Great. Thank you.

09:41:20 18 You understand that today you're here as a
09:41:23 19 representative to testify on behalf of the Attorney
09:41:26 20 General's Office; correct?

09:41:26 21 A. Yes.

09:41:26 22 Q. And so if today I refer to "you" or "your," you
09:41:30 23 understand that I'll be referring to the Attorney General's
09:41:31 24 Office as a whole and not to you personally; correct?

09:41:34 25 A. Yes.

09:41:37 1 Q. Okay. I'm going to hand you what will be marked
09:41:39 2 as Exhibit 211, which is in the Dropbox in Number 1.
09:41:39 3 (The document was marked as Exhibit 211
09:41:39 4 for identification.)
09:41:39 5 BY MR. DODGE:
09:41:49 6 Q. Are you familiar with this document?
09:41:50 7 A. I have looked at it, yes.
09:41:51 8 Q. Can you tell me what this document is?
09:41:53 9 A. This is a -- forgive my lack of legalese. This is
09:41:59 10 the suit involving the -- your clients and -- and the other
09:42:08 11 assigned folks.
09:42:09 12 Q. Okay. And can you turn to page 4 of this
09:42:12 13 document.
09:42:14 14 You see where it says "Deposition Topics" at
09:42:17 15 the top?
09:42:17 16 A. Yes, sir.
09:42:18 17 Q. Have you reviewed these topics?
09:42:19 18 A. I have.
09:42:19 19 Q. Can you identify which of these topics you're
09:42:23 20 prepare to testify to today?
09:42:25 21 A. I believe that I can speak to 1 vaguely, somewhat
09:42:45 22 2, 3. Number 4 and 5 are more likely going to be
09:42:53 23 Mr. Thomas's area. And the rest I can just say I may have
09:43:02 24 general knowledge about. I don't know that I have anything
09:43:06 25 extra to offer in those areas.

09:43:07 1 Q. Okay. I appreciate that.

09:43:11 2 What did you do to prepare for today's
09:43:15 3 deposition?

09:43:16 4 A. Mainly just reviewed all the documentation that
09:43:19 5 was provided to me regarding, you know, emails and
09:43:24 6 interrogatories and responses and et cetera.

09:43:27 7 Q. And with the exception of any attorneys for the
09:43:30 8 Attorney General's Office, did you meet with anyone from
09:43:33 9 your office today to prepare for today's deposition?

09:43:36 10 A. Outside of my office, no.

09:43:38 11 Q. Did you discuss today's deposition with anyone
09:43:47 12 else outside of your office, excepting any legal counsel in
09:43:51 13 this case?

09:43:51 14 A. No.

09:43:52 15 Q. Did you meet with any attorneys in preparation for
09:43:57 16 today's deposition?

09:43:58 17 A. No, not outside my office.

09:44:02 18 Q. Did you meet with any attorneys within the
09:44:05 19 Attorney General's Office to prepare for today's
09:44:06 20 deposition?

09:44:06 21 A. Yes.

09:44:06 22 Q. How many times did you meet with them?

09:44:08 23 A. Twice.

09:44:10 24 Q. For about how long were those meetings?

09:44:12 25 A. Total of maybe a couple hours.

09:44:19 1 Q. I'm now going to ask some questions about the
09:44:26 2 enactment of HB 2492 and HB 2243. Are you prepared to
09:44:31 3 testify on those topics today?

09:44:34 4 A. To the best of my ability.

09:44:36 5 Q. Are you familiar with HB 2492?

09:44:39 6 A. Just generally. I reviewed it.

09:44:41 7 Q. And are you familiar with HB 2243?

09:44:44 8 A. Yes. Same -- same answer.

09:44:46 9 Q. If I refer to these bills today as the "challenged
09:44:50 10 laws," will you understand that I'm referring to HB 2492
09:44:54 11 and HB 2243?

09:44:54 12 A. Yes.

09:44:56 13 Q. Does the Attorney General's Office typically track
09:45:00 14 proposed legislation pending before the Arizona
09:45:02 15 legislature?

09:45:06 16 A. That would probably be a question better suited
09:45:10 17 for the attorney part of our agency. I can't really answer
09:45:15 18 that accurately, I don't feel.

09:45:18 19 Q. Are you aware of whether your office has a
09:45:20 20 legislative liaison?

09:45:22 21 A. I believe we do.

09:45:23 22 Q. Do you know what the duties of the legislative
09:45:26 23 liaison are?

09:45:26 24 A. I wouldn't want to speculate on that.

09:45:28 25 Q. Do you know who the current legislative liaison

09:45:39 1 is?

09:45:40 2 A. Unfortunately, I don't.

09:45:42 3 Q. In that case, I'd like to ask you some questions
09:46:12 4 about the interpretation and enforcement of HB 2492 and
09:46:19 5 HB 2243. Are you prepared to testify today on those
09:46:22 6 topics?

09:46:23 7 A. Yes.

09:46:23 8 Q. You would agree with me that prior to the
09:46:27 9 enactment of HB 2492 and HB 2243, it was illegal for a
09:46:33 10 person who was not a United States citizen to register to
09:46:34 11 vote in Arizona; correct?

09:46:37 12 A. Yes.

09:46:39 13 MR. LANGHOFER: Calls for legal conclusion.

09:46:39 14 BY MR. DODGE:

09:46:40 15 Q. And you would also agree with me that prior to the
09:46:43 16 enactment of HB 2492 and HB 2243, there were policies,
09:46:46 17 laws, and procedures in place in Arizona to prevent
09:46:49 18 noncitizens from voting; correct?

09:46:52 19 MR. LANGHOFER: Same objection.

09:46:54 20 THE WITNESS: There are -- yeah, there's
09:46:57 21 procedures and policies, yes.

09:46:57 22 BY MR. DODGE:

09:46:59 23 Q. And, in fact, your office --

09:47:01 24 MR. MORGAN: Counsel, since objections are
09:47:03 25 coming in, can we put on the record our ongoing stipulation

09:47:07 1 that an objection for one is an objection for all parties
09:47:10 2 on that side of the case?

09:47:12 3 MR. DODGE: That's fine with us.

09:47:14 4 MR. MORGAN: Thanks.

09:47:14 5 BY MR. DODGE:

09:47:16 6 Q. In fact, prior to HB 2492 and HB 2243, your
09:47:21 7 office, the Attorney General's Office, had policies and
09:47:22 8 procedures in place to prevent noncitizens from voting;
09:47:27 9 correct?

09:47:27 10 A. Interpreted through A.R.S. Title 16, I would say.
09:47:35 11 I don't know that the agency itself has a policy.

09:47:40 12 Q. But, for example, your office had the authority to
09:47:42 13 prosecute individuals who illegally registered or voter --
09:47:46 14 illegally registered or voted with felony charges; correct?

09:47:50 15 A. That's true.

09:47:51 16 Q. Did the Secretary of State's Office have any
09:47:55 17 policies in place to prevent noncitizen voting prior to the
09:47:58 18 enactment of the challenged laws?

09:47:59 19 MR. WHITAKER: Foundation.

09:48:02 20 THE WITNESS: I couldn't speak to the
09:48:04 21 Secretary of State's Office.

09:48:04 22 BY MR. DODGE:

09:48:06 23 Q. Did the county recorders' offices have any
09:48:09 24 policies in place to prevent noncitizen voting prior to the
09:48:12 25 enactment of the challenged legislation?

09:48:14 1 MR. WHITAKER: Foundation.

09:48:15 2 THE WITNESS: Again, I can't speak to the

09:48:17 3 recorder's office.

09:48:18 4 BY MR. DODGE:

09:48:19 5 Q. You would agree, however, that in Arizona it is a

09:48:21 6 felony for a person to register as an elector when they

09:48:24 7 know they are not entitled to such registration; correct?

09:48:29 8 MR. LANGHOFER: Calls for legal conclusion.

09:48:30 9 THE WITNESS: Yes.

09:48:31 10 BY MR. DODGE:

09:48:31 11 Q. And that was a felony before the challenged laws

09:48:34 12 were passed; correct?

09:48:35 13 A. Yes.

09:48:36 14 MR. LANGHOFER: Same objection.

09:48:37 15 BY MR. DODGE:

09:48:41 16 Q. And as the chief law enforcement officer of

09:48:43 17 Arizona, the attorney general has the authority to

09:48:45 18 prosecute noncitizens who register to vote despite knowing

09:48:48 19 they're not entitled to register; correct?

09:48:51 20 A. Yes.

09:48:52 21 Q. And that was true before the --

09:48:52 22 MR. LANGHOFER: Same.

09:48:52 23 BY MR. DODGE:

09:48:53 24 Q. -- enactment of challenged laws; correct?

09:48:58 25 MR. LANGHOFER: Same objection.

09:48:58 1 THE WITNESS: Yes.

09:48:58 2 BY MR. DODGE:

09:48:58 3 Q. And that remains true today as well; correct?

09:49:02 4 MR. LANGHOFER: Same objection.

09:49:03 5 THE WITNESS: Yes.

09:49:06 6 BY MR. DODGE:

09:49:07 7 Q. I'm going to hand you what will be marked as

09:49:10 8 Exhibit 212 and is in the Dropbox folder as Number 6.

09:49:10 9 (The document was marked as Exhibit 212

09:49:10 10 for identification.)

09:49:17 11 BY MR. DODGE:

09:49:17 12 Q. Are you familiar with this document?

09:49:24 13 A. I have seen it.

09:49:25 14 Q. Can you tell me what this document is?

09:49:27 15 A. This is the document that outlines the

09:49:31 16 interrogatories for refer- -- reference our office.

09:49:36 17 Q. And you reviewed your office's responses to the

09:49:38 18 interrogatories in preparation for today's deposition;

09:49:41 19 correct?

09:49:41 20 A. I did.

09:49:42 21 Q. Did you assist at all in preparing this document

09:49:44 22 on behalf of your office?

09:49:46 23 A. I did not.

09:49:47 24 Q. Do you know who in your office did assist in

09:49:49 25 preparing the responses to this document?

09:49:52 1 A. I would have to make assumptions on that. I'm not
09:49:56 2 certain, no.

09:49:56 3 Q. Okay. Can you turn to page 11 of this document
09:50:01 4 and review Interrogatory Number 2.

09:50:23 5 A. Okay.

09:50:23 6 Q. And you see that your office responded to
09:50:26 7 Interrogatory Number 2 a little below that; right?

09:50:27 8 A. Correct.

09:50:28 9 Q. And your office has chosen to break your response
09:50:31 10 to this interrogatory out into subparts; correct?

09:50:34 11 A. Correct.

09:50:34 12 Q. But those subparts were not part of the original
09:50:38 13 interrogatories as served on your office by the plaintiffs;
09:50:42 14 correct?

09:50:42 15 A. I do not believe so.

09:50:43 16 MR. WHITAKER: Objection. Arguably legal
09:50:46 17 conclusion.

09:50:46 18 BY MR. DODGE:

09:50:47 19 Q. Subpart 1 on page 11 asks your office to, quote,
09:50:51 20 "Identify all provisions of the challenged laws that you
09:50:54 21 intend to implement or enforce."

09:50:56 22 Did I read that correctly?

09:50:57 23 A. You did.

09:50:58 24 Q. As of the time of these responses, had your office
09:51:04 25 initiated any investigation under the challenged laws?

09:51:09 1 A. Not to my -- not that I'm aware of, no.

09:51:12 2 Q. And since your office served these responses, has

09:51:15 3 your office initiated any investigation under the

09:51:18 4 challenged laws?

09:51:18 5 A. I'm not aware of any, no.

09:51:20 6 Q. Your response to Subpart 1 says that your -- that

09:51:27 7 if your office, quote, "were to receive information or a

09:51:31 8 referral for investigation under the challenged laws, the

09:51:33 9 office would evaluate and consider investigations on a

09:51:36 10 case-by-case basis."

09:51:38 11 Do you see that?

09:51:39 12 A. Yes.

09:51:40 13 Q. So is it correct that your office is currently

09:51:44 14 ready to investigate, potentially prosecute a violation of

09:51:47 15 this provision if a referral is made?

09:51:51 16 MR. WHITAKER: Objection. Ambiguous.

09:51:53 17 THE WITNESS: As with any referral to our

09:51:57 18 agency, if we receive one, it will be evaluated and

09:52:02 19 determined whether an investigation is warranted.

09:52:04 20 BY MR. DODGE:

09:52:04 21 Q. So it's correct, then, that your office doesn't

09:52:07 22 presently have a stated policy of not investigating or

09:52:09 23 prosecuting alleged violations of the challenged laws; is

09:52:16 24 that right?

09:52:16 25 A. Yes, that would be correct.

09:52:17 1 Q. But it's also the case that your office has not
09:52:20 2 yet received any referrals under the challenged laws;
09:52:23 3 correct?

09:52:23 4 A. I'm aware of none.

09:52:25 5 Q. Understanding that any investigation would be
09:52:31 6 case-dependent, what would an investigation by your office
09:52:34 7 under the challenged laws look like?

09:52:37 8 MR. WHITAKER: Objection. Ambiguous and
09:52:40 9 arguably compound.

09:52:43 10 MR. LANGHOFER: Speculation.

09:52:46 11 THE WITNESS: I -- I handle all
09:52:48 12 investigations exact- -- well, me and the office handle
09:52:53 13 investigations exactly the same. They're received through
09:52:58 14 whatever the source may be. It's initially evaluated.
09:53:03 15 There's an evaluation made as to the merit of the
09:53:06 16 allegation, and then appropriate investigation is performed
09:53:10 17 after that.

09:53:11 18 BY MR. DODGE:

09:53:11 19 Q. Who conducts that evaluation?

09:53:14 20 MR. WHITAKER: Objection. Ambiguous and
09:53:16 21 compound.

09:53:17 22 THE WITNESS: I would say that that depends
09:53:20 23 on how -- how that was received -- how the complaint was
09:53:24 24 received to our office. We -- it could come through our
09:53:28 25 duty agent system where the initial evaluation falls on

09:53:32 1 them.

09:53:33 2 If it's -- sometimes a document will get

09:53:37 3 directly sent to us from an entity -- for example, social

09:53:42 4 secur- -- or secretary of state or recorder -- at which

09:53:45 5 time sometimes I will get that directly and then I'll

09:53:47 6 evaluate it. It's -- so it depends on how it gets to us

09:53:52 7 would be the best answer I --

09:53:53 8 BY MR. DODGE:

09:53:53 9 Q. Could you tell me how a referral might get to you

09:53:55 10 guys then?

09:53:56 11 A. Either through our intake portal or through our

09:54:00 12 duty agent line is typically the most common. I have

09:54:05 13 received direct complaints from an entity because I have

09:54:08 14 relationships with them.

09:54:09 15 Q. When you say "entity," what are you referring to?

09:54:11 16 A. I'm referring to somebody that -- you know, at

09:54:14 17 the Secretary of State's Office or the recorder's office or

09:54:16 18 something like that.

09:54:17 19 Q. A moment ago you mentioned an intake portal. Is

09:54:20 20 that the Election Integrity Unit portal?

09:54:23 21 A. It's -- my understanding, if I'm up to speed on

09:54:27 22 this, is that at one point it would have been; that we no

09:54:30 23 longer have an official election integrity intake portal,

09:54:34 24 so now it's just general -- a general intake portal.

09:54:37 25 Q. And so that general intake portal is on behalf of

09:54:41 1 your entire office and not specific to elections; is that

09:54:44 2 right?

09:54:44 3 A. Correct.

09:54:45 4 Q. You also mentioned a duty agent. Can you tell me

09:54:48 5 who the duty agent is?

09:54:49 6 A. We have two: Paul Hermanns and Robert Everett.

09:54:55 7 They work off set schedules so that somebody's available.

09:54:59 8 Q. And I apologize that I'm not as familiar with law

09:55:01 9 enforcement terminology.

09:55:01 10 Can you tell me what a duty agent is?

09:55:03 11 A. Basically, in this office they're a -- they're a

09:55:06 12 filter for -- you know, we get, as you may expect, several

09:55:11 13 complaints through our portal on a daily basis. They're

09:55:14 14 kind of that first wave to evaluate and see if there's

09:55:19 15 anything -- if the complaint can even be investigated; if

09:55:22 16 there's enough information for it to even go anywhere. So

09:55:26 17 they're just kind of the first-line evaluation.

09:55:28 18 Q. I see.

09:55:29 19 And their roles are not specific to

09:55:31 20 elections?

09:55:32 21 A. No.

09:55:34 22 Q. Okay. So you mentioned your office's intake

09:55:38 23 portal, the duty agents, direct referrals from entities

09:55:42 24 such as the secretary of states or the county recorders'

09:55:44 25 offices. Are there any other ways in which your office

09:55:48 1 might receive a referral for an investigation under
09:55:51 2 something like the challenged laws?
09:55:52 3 A. I mean, I can't say that there's no other way. I
09:56:00 4 mean, if a law enforcement agency, for example, reaches out
09:56:05 5 to somebody in our office, I mean, that could happen. It's
09:56:08 6 not very common, but, I mean, it could certainly happen.
09:56:10 7 Q. But those ones we discussed are the primary
09:56:12 8 methods of referrals?
09:56:13 9 A. I would say that's accurate.
09:56:15 10 Q. What sources would your office rely on to conduct
09:56:17 11 an investigation under the challenged laws?
09:56:19 12 MR. WHITAKER: Objection. Ambiguous.
09:56:22 13 Compound.
09:56:23 14 THE WITNESS: I would refer to a number of
09:56:28 15 databases or law enforcement-related information that I
09:56:32 16 have access to: Motor Vehicle records; criminal histories;
09:56:41 17 TLO is a popular one that we use. There's -- there's a
09:56:46 18 handful of law enforcement databases that we have access to
09:56:49 19 that are useful.
09:56:50 20 BY MR. DODGE:
09:56:52 21 Q. Okay. I'm going to ask some more questions about
09:56:54 22 those databases in a moment.
09:56:55 23 But for the time being, can you tell me about
09:56:57 24 any other sources besides databases your office -- your
09:57:00 25 office would rely on for an investigation like this?

09:57:04 1 MR. WHITAKER: Same objections.

09:57:05 2 THE WITNESS: I mean, I guess I would have to
09:57:09 3 include in that just standard investigative police work,
09:57:14 4 interviews with people, witnesses, evidence, you know,
09:57:19 5 those kind of things.

09:57:20 6 BY MR. DODGE:

09:57:20 7 Q. And who would you interview for an investigation
09:57:23 8 under the challenged laws?

09:57:24 9 MR. WHITAKER: Same objections.

09:57:26 10 THE WITNESS: I think that that's a difficult
09:57:28 11 question to answer because it would be case-by-case.

09:57:32 12 BY MR. DODGE:

09:57:33 13 Q. Is it likely you would investigate the individual
09:57:35 14 who was the subject matter of the investigation?

09:57:38 15 MR. WHITAKER: Same objections.

09:57:39 16 THE WITNESS: Ultimately, yes, I believe that
09:57:42 17 would be the case.

09:57:42 18 BY MR. DODGE:

09:57:43 19 Q. Would you interview any of their family members?

09:57:45 20 MR. WHITAKER: Same objections.

09:57:46 21 THE WITNESS: Again, it's case-by-case, but
09:57:49 22 yeah, potentially.

09:57:50 23 BY MR. DODGE:

09:57:51 24 Q. Would you interview their neighbors?

09:57:53 25 MR. WHITAKER: Same objection.

09:57:54 1 THE WITNESS: I have to give you the same
09:57:58 2 answer. I mean, case-by-case -- I would feel like that
09:58:01 3 would be more -- I would feel that I would have to have a
09:58:06 4 pretty good reason to do that. It seems like it may not be
09:58:10 5 useful for me, but I can't say that for sure.

09:58:12 6 BY MR. DODGE:

09:58:13 7 Q. If an individual -- strike that.

09:58:15 8 If someone has alleged that an individual is
09:58:18 9 not a United States citizen but has registered to vote or
09:58:22 10 cast a ballot, what types of witnesses would be helpful in
09:58:26 11 investigating that claim?

09:58:35 12 A. Well, certainly part of the investigation would be
09:58:40 13 contacting likely the recorder's office for -- to get some
09:58:46 14 evidence if there is a voting history or if it's a voter
09:58:48 15 registration -- we have to start there to begin with.

09:58:52 16 And then it -- again, I have to kind of fall
09:58:55 17 back on case-by-case, but, I mean, at some point or
09:58:59 18 another, the -- the alleged individual would need to be
09:59:02 19 spoken to, and, you know, research has to be done to see if
09:59:08 20 I can determine with certainty, you know, what somebody's
09:59:13 21 eligibility is, those kinds of things.

09:59:16 22 Q. Would you potentially interview a persons's
09:59:21 23 employer as part of an investigation into their
09:59:24 24 citizenship?

09:59:26 25 A. Yeah, it's definitely a possibility.

09:59:28 1 Q. Would you potentially interview members of any
09:59:31 2 organizations the person belongs to, like a church or a
09:59:34 3 civic group?

09:59:36 4 A. I can't give you a definitive answer on that. I
09:59:41 5 think it would be unlikely.

09:59:42 6 Q. But it's possible?

09:59:43 7 A. It could be.

09:59:44 8 Q. When an individual is the subject matter of an
09:59:49 9 investigation into something like an allegation that they
09:59:53 10 are a noncitizen trying to vote in Arizona, does that
09:59:56 11 individual receive any sort of notice from your office?

10:00:00 12 A. I'm sorry. I -- are you asking if they are
10:00:06 13 notified that they're being investigated?

10:00:08 14 Q. That's right.

10:00:09 15 A. No.

10:00:10 16 Q. At any point in the investigation?

10:00:12 17 A. Not typically, until I go knock on their door.

10:00:17 18 Q. Would it be possible that a person subject to an
10:00:29 19 investigation by your office would need to retain an
10:00:32 20 attorney to assist them in the course of your
10:00:35 21 investigation?

10:00:36 22 MR. WHITAKER: Objection. Ambiguous.

10:00:40 23 THE WITNESS: I mean, I -- certainly, they
10:00:46 24 have a right to do so. I'm certain it could happen. It's
10:00:50 25 a possibility.

10:00:51 1 BY MR. DODGE:

10:00:53 2 Q. Are you aware of an individual who you have been
10:00:56 3 investigating ever obtaining or seeking counsel to assist
10:01:00 4 them while you investigate them?

10:01:03 5 MR. WHITAKER: Objection. Ambiguous.

10:01:05 6 THE WITNESS: I've done hundreds of
10:01:09 7 investigations. I'm certain that at some point in time
10:01:12 8 somebody's gotten counsel.

10:01:14 9 BY MR. DODGE:

10:01:15 10 Q. Would an investigation under the challenged laws
10:01:19 11 differ in any way from the other kinds of investigations
10:01:22 12 your office conducts?

10:01:24 13 A. From my standpoint, no. My investigations are all
10:01:27 14 the same, the procedure -- you know, the procedural part.
10:01:32 15 Obviously, they're different in other ways.

10:01:35 16 Q. Has your office conducted any analysis into which
10:01:39 17 groups of voters might be most impacted by enforcement of
10:01:42 18 the challenged laws?

10:01:44 19 A. That would probably be a question better suited
10:01:49 20 for the -- like, the civil attorneys or the -- or lawyers.
10:01:56 21 I -- I'm not aware of anything. I can't really speak to
10:02:01 22 it.

10:02:03 23 Q. Are you aware of whether certain groups of voters
10:02:04 24 are more likely to be naturalized citizens than others?

10:02:10 25 A. I -- I wouldn't have an opinion on that.

10:02:13 1 Q. I'm not asking for an opinion, I guess.

10:02:18 2 Just in -- in the course of, you know, your
10:02:20 3 experience as an investigator in Pima County and with the
10:02:23 4 Attorney General's Office, are you aware of whether, for
10:02:26 5 example, Hispanics in Arizona are more likely to be
10:02:29 6 naturalized citizens than white people in Arizona?

10:02:36 7 A. I mean, again, that's not really -- that's not
10:02:39 8 really in purview. I mean, we have a high Hispanic
10:02:42 9 population in Arizona. Does that affect it? Possibly.

10:02:45 10 Q. Are you aware of whether Asians in Arizona are
10:02:50 11 more likely to be naturalized citizens than white people in
10:02:54 12 Arizona?

10:02:54 13 A. I -- this is definitely something I can't comment
10:02:57 14 on. I would have no idea.

10:02:59 15 Q. Are you aware of whether some groups of voters are
10:03:04 16 more likely to have nonstandard addresses than others?

10:03:08 17 MR. WHITAKER: Objection. Unclear as to
10:03:11 18 "nonstandard addresses."

10:03:15 19 THE WITNESS: I mean, I guess I should be
10:03:21 20 clear.

10:03:23 21 By "nonstandard address," you're referring
10:03:25 22 to, you know, no number or street, ZIP code-type situation?

10:03:32 23 BY MR. DODGE:

10:03:32 24 Q. That's right.

10:03:33 25 A. Okay. I can speak through experience that I

10:03:35 1 have -- I encounter that on reservation land sometimes, but

10:03:39 2 it's not the only place.

10:03:42 3 Q. But it's correct that certain groups of voters --
10:03:45 4 for example, those on reservations -- are more likely to
10:03:49 5 have nonstandard addresses than your typical citizen in
10:03:53 6 Arizona?

10:03:54 7 MR. WHITAKER: Objection; foundation.

10:03:56 8 THE WITNESS: I don't know if "more
10:03:58 9 likely" is fair. I mean, we have a lot of rural -- we have
10:04:00 10 a lot of rural areas in the counties of Arizona. And I --
10:04:02 11 and I'm not an expert. So I -- I don't think that I would
10:04:07 12 be comfortable with that analogy -- that statement.

10:04:11 13 BY MR. DODGE:

10:04:13 14 Q. Can you tell me about where, in your experience,
10:04:15 15 you've encountered nonstandard addresses then?

10:04:21 16 A. I've done investigations in Apache County where I
10:04:36 17 encountered that situation. I believe I ran into that
10:04:47 18 situation in an investigation in La Paz County perhaps at
10:04:51 19 one point. It's not a -- I haven't run across it that
10:04:54 20 often.

10:04:54 21 Q. That experience in Apache County, did that involve
10:04:58 22 reservation land?

10:04:59 23 A. Partially, yes.

10:05:00 24 Q. What do you mean by "partially"?

10:05:02 25 A. I mean, the -- yes, my investigation led me to

10:05:05 1 some areas like that, but it wasn't the entirety of the
10:05:08 2 investigation.

10:05:09 3 Q. But that part of the investigation that was on
10:05:13 4 reservation land, that was an example where you encountered
10:05:16 5 nonstandard addresses; correct?

10:05:18 6 A. Correct.

10:05:18 7 Q. And with respect to La Paz County, was that also
10:05:23 8 reservation land where you encountered nonstandard
10:05:26 9 addresses as part of your investigation?

10:05:29 10 A. Yes.

10:05:31 11 Q. The next set of questions I have are about access
10:05:42 12 to databases. My understanding is you're not going to be
10:05:45 13 testifying on that today; is that correct?

10:05:46 14 A. I feel like Keith Thomas may be better suited for
10:05:50 15 that.

10:05:59 16 Q. I'm going to hand you what has already been marked
10:06:20 17 as Petty Exhibit 19, which is in the Dropbox folder as
10:06:25 18 Number 7.

10:06:34 19 Are you familiar with this document?

10:06:35 20 A. I have seen it, yes.

10:06:37 21 Q. Can you tell me what this document is?

10:06:38 22 A. This is the verbiage of House Bill 2492.

10:06:45 23 Q. Did you review this document in preparation for
10:06:48 24 today's deposition?

10:06:49 25 A. I did. It's a lot, but I did.

10:06:55 1 Q. Fair enough.

10:06:56 2 Can you please turn to page 8 of this

10:06:58 3 document. Scratch that. Page 7.

10:07:06 4 A. Okay.

10:07:06 5 Q. Do you see, beginning at line 13, Section 7 of the

10:07:13 6 bill?

10:07:14 7 A. Yes.

10:07:15 8 Q. Just take a moment and review this section.

10:08:03 9 Section A of this provision requires the

10:08:05 10 secretary of state and each county recorder in Arizona to

10:08:08 11 supply your office with a list of all individuals who are

10:08:11 12 registered to vote and have not provided satisfactory

10:08:14 13 evidence of citizenship. Did I get that right?

10:08:16 14 A. Yes, that's correct.

10:08:18 15 Q. Did your office receive such a list from the

10:08:19 16 secretary of state?

10:08:21 17 A. Not to my knowledge.

10:08:22 18 Q. If your office were to have received such a list,

10:08:26 19 do you have idea how many individuals might be on it?

10:08:29 20 A. No.

10:08:30 21 Q. Did your office receive such a list from each

10:08:34 22 county recorder in Arizona?

10:08:35 23 A. Not to my knowledge.

10:08:37 24 Q. And if your office were to have received those

10:08:41 25 lists, do you have any idea how many individuals in

10:08:45 1 aggregate would have been on the county recorders' lists?

10:08:47 2 A. I would have no idea.

10:08:48 3 Q. Do you know how many people, at the time of

10:08:52 4 HB 2492's enactment, were registered to vote in Arizona but

10:08:56 5 had not provided documentary proof of citizenship?

10:08:59 6 A. I -- I would have no idea of that number.

10:09:01 7 Q. Do you know if there's an individual in your

10:09:04 8 office who would know whether or not you have received

10:09:07 9 these lists from the secretary of state and the county

10:09:12 10 recorders?

10:09:12 11 A. I -- I mean, I have to make the assumption that it

10:09:19 12 would have either come through -- well, it would have had

10:09:24 13 to have been delivered to us through our intake. And I --

10:09:27 14 I have no knowledge of that, so I don't know that there is

10:09:29 15 anybody that would.

10:09:30 16 Q. Okay. I just want to make sure I'm asking these

10:09:32 17 questions to the right individual.

10:09:34 18 A. Yeah, I understand.

10:09:34 19 Q. But it sounds like it's your understanding that

10:09:37 20 had these lists come into your office, you would have been

10:09:40 21 made aware of them?

10:09:40 22 A. I certainly hope so.

10:09:41 23 Q. Got it.

10:09:42 24 I just asked you about whether you're aware

10:09:46 25 of how many people at the time of HB 2492's enactment were

10:09:48 1 registered to vote in Arizona but had not provided
10:09:51 2 documentary proof of citizenship; is that right?

10:09:53 3 A. Yes.

10:09:54 4 Q. And you said you didn't know?

10:09:56 5 A. No.

10:09:56 6 Q. Do you know if that would be tens of thousand of
10:10:00 7 individuals?

10:10:03 8 A. I -- I don't feel comfortable speculating at all
10:10:09 9 on that. I really don't.

10:10:11 10 Q. Looking at Subsection B of Section 7, which begins
10:10:17 11 on line 24, can you please read aloud from line 24 to
10:10:23 12 line 27.

10:10:24 13 A. Yes.

10:10:25 14 It says, "B. The attorney general shall use
10:10:29 15 all available resources to verify the citizenship status of
10:10:32 16 the applicant and at a minimum shall compare the
10:10:35 17 information available on the application for registration
10:10:37 18 with the following."

10:10:41 19 Q. Then it lists some databases; correct?

10:10:43 20 A. It does.

10:10:44 21 Q. Okay. So this section states that the attorney
10:10:47 22 general, quote, "shall use all available resources to
10:10:49 23 verify the citizenship status of an applicant"; correct?

10:10:52 24 A. Correct.

10:10:53 25 Q. And "shall" is a command word; right?

10:10:56 1 A. It is.

10:10:56 2 Q. So there's no discretion about whether or not your

10:10:59 3 office adheres to this command under --

10:11:03 4 MR. WHITAKER: Objection.

10:11:03 5 BY MR. DODGE:

10:11:03 6 Q. -- the text of the law; correct?

10:11:03 7 MR. WHITAKER: Objection. Calls for a legal

10:11:07 8 conclusion.

10:11:07 9 THE WITNESS: I -- at face value, "shall"

10:11:11 10 tells me that I need to do it.

10:11:13 11 BY MR. DODGE:

10:11:13 12 Q. And your office was also commanded to use, quote,

10:11:15 13 "all available resources"; correct?

10:11:18 14 A. Yes.

10:11:18 15 Q. And what does "all available resources" mean?

10:11:22 16 MR. WHITAKER: Objection.

10:11:24 17 MR. LANGHOFER: Calls for a legal conclusion.

10:11:25 18 MR. WHITAKER: Join.

10:11:27 19 THE WITNESS: For me, all available resources

10:11:31 20 are those that -- that I, as a law enforcement

10:11:36 21 investigator, have access to that are -- or -- or -- and

10:11:44 22 not only that I directly have access to but that I can -- I

10:11:48 23 can reach out to other people and request information.

10:11:52 24 BY MR. DODGE:

10:11:52 25 Q. So it's essentially asking you to use maximum

10:11:56 1 effort in the --

10:11:57 2 A. That would be fair to say.

10:11:58 3 MR. WHITAKER: Objection. Calls for a legal
10:12:00 4 conclusion.

10:12:00 5 MR. LANGHOFER: Same objection.

10:12:02 6 BY MR. DODGE:

10:12:02 7 Q. Did your office, in fact, commit all available
10:12:05 8 resources to an investigation of this type?

10:12:09 9 A. Can you ask that again?

10:12:11 10 MR. LANGHOFER: Form

10:12:11 11 BY MR. DODGE:

10:12:14 12 Q. So Section B says, "The attorney general shall use
10:12:17 13 all available resources to verify the citizenship status of
10:12:20 14 the applicant," referring to the lists that were supposed
10:12:23 15 to be provided to your office; correct?

10:12:25 16 A. Okay. Yes.

10:12:26 17 Q. You've testified today that you're not aware of
10:12:29 18 your office receiving any of those lists?

10:12:31 19 A. I'm not.

10:12:31 20 Q. So are you aware of whether or not your office, in
10:12:34 21 fact, conducted any investigation as described in Section 7
10:12:40 22 of HB 2492?

10:12:43 23 A. I'm not aware of any, no.

10:12:45 24 Q. And is there anyone else in your office who would
10:12:51 25 be aware of whether the Attorney General's Office conducted

10:12:53 1 an investigation of the sort required under Section 7?

10:12:56 2 A. I think that's unlikely.

10:12:58 3 Q. Is Mr. Thomas the right individual to ask about
10:13:16 4 your office's use of the databases described in the
10:13:19 5 remainder of this section?

10:13:20 6 A. He -- he would be more knowledgeable. I mean, I
10:13:24 7 can give you general information, but he would be more
10:13:26 8 knowledgeable on the larger scope, I believe.

10:13:30 9 Q. Looking at line 42 on this page, can you read
10:13:47 10 Section D aloud.

10:13:49 11 A. Yes.

10:13:49 12 "The attorney general shall prosecute
10:13:52 13 individuals who are found to not be United States citizens
10:13:55 14 pursuant to Section 16-182."

10:13:58 15 Q. And this section also uses the command "shall";
10:14:01 16 correct?

10:14:01 17 A. It does.

10:14:02 18 Q. So the legislature's chosen text commanded your
10:14:08 19 office to prosecute individuals found not to be United
10:14:14 20 States citizens pursuant to Section 16-182; correct?

10:14:14 21 MR. LANGHOFER: Form.

10:14:16 22 THE WITNESS: That's -- that's what I take
10:14:17 23 here, yes.

10:14:19 24 BY MR. DODGE:

10:14:22 25 Q. Did your office, in fact, prosecute any

10:14:24 1 individuals for registering to vote as a noncitizen

10:14:28 2 pursuant to Subsection D of HB 2492?

10:14:35 3 A. That's a -- I think I need some clarity on that.

10:14:41 4 Q. Section 7 instructs your office to conduct an

10:14:45 5 investigation into individuals registered to vote in

10:14:49 6 Arizona who have not provided satisfactory evidence of

10:14:51 7 citizenship; correct?

10:14:52 8 A. Right.

10:14:53 9 Q. Your office did not, in fact, conduct that

10:14:58 10 investigation; correct?

10:14:59 11 A. Correct. Yeah, we have received nothing to

10:15:03 12 investigate.

10:15:03 13 Q. So then your office also would not have prosecuted

10:15:08 14 any individuals pursuant to the investigation described in

10:15:12 15 this subsection; correct?

10:15:13 16 A. That's correct.

10:15:14 17 Q. Subsection E of this section states that the

10:15:21 18 attorney general, quote, "shall submit a report to various

10:15:26 19 state officers on or before March 31, 2023, detailing all

10:15:30 20 findings relating to this investigation." [Quoted as read.]

10:15:33 21 Did I get that right?

10:15:35 22 A. Yes.

10:15:36 23 Q. Did your office, in fact, submit such a report?

10:15:40 24 A. I believe our office did. It's not -- it would

10:15:48 25 not come from me.

10:15:50 1 Q. So did you participate in the preparation of such
10:15:52 2 a report?

10:15:53 3 A. No.

10:15:56 4 Q. I'm going to hand you what will be marked as
10:16:00 5 Exhibit 213. It's in the Dropbox folder as 8.

10:16:00 6 (The document was marked as Exhibit 213
10:16:07 7 for identification.)

10:16:07 8 BY MR. DODGE:

10:16:07 9 Q. Can you tell me what this document is?

10:16:10 10 A. This is letterhead from my office to Secretary of
10:16:22 11 State Fontes, State Senator President Petersen, and Arizona
10:16:27 12 Speaker Toma. And it's regarding report under A.R.S.
10:16:31 13 Section 16-143 (E).

10:16:34 14 Q. Can you tell me who sent this correspondence?

10:16:38 15 A. This is signed by Josh Whitaker.

10:16:41 16 Q. And can you read aloud the body of this document,
10:16:45 17 beginning with "a statute enacted."

10:16:48 18 A. Sure.

10:16:49 19 "A statute enacted last year requires the
10:16:52 20 Attorney General to submit, on or before March 31st, 2023,
10:16:56 21 a report 'detailing all findings relating to the
10:17:00 22 citizenship status of individuals who are registered to
10:17:03 23 vote and who have not provided satisfactory evidence of
10:17:06 24 citizenship pursuant to Section 16-166' of the Arizona
10:17:13 25 Revised Statutes. A.R.S. Section 16-143 (E). The Attorney

10:17:19 1 General has no findings to report at this time."

10:17:23 2 Q. Thank you.

10:17:23 3 So the attorney general indicated here that
10:17:26 4 he, quote, "has no findings to report at this time";
10:17:29 5 correct?

10:17:29 6 MR. WHITAKER: Objection. Slightly misstates
10:17:31 7 the test- -- the record.

10:17:35 8 BY MR. DODGE:

10:17:35 9 Q. The letter indicates the attorney general, quote,
10:17:37 10 "has no findings to report at this time"; correct?

10:17:40 11 A. That is the verbiage, yes.

10:17:44 12 Q. Can you tell me what that means?

10:17:50 13 A. I mean, it -- it sounds to me that there -- I
10:17:57 14 don't know how else to say it. There's nothing to report.
10:18:00 15 We -- we don't have any information for you.

10:18:02 16 Q. So accurate to say, then, that this letter does
10:18:08 17 not identify any individuals registered to vote in Arizona
10:18:11 18 who, in fact, are not United States citizens?

10:18:15 19 A. No, this letter does not mention that.

10:18:18 20 Q. Is your office still -- strike that.

10:18:23 21 Does your office have any plans to engage in
10:18:27 22 the investigation described in Section 7 of HB 2492?

10:18:32 23 A. I guess the answer to that is yes, because our --
10:18:42 24 we currently conduct investigations of such, and so we will
10:18:45 25 continue to conduct investigations of such. When -- upon

10:18:47 1 referral from somewhere, we will do the investigation.

10:18:49 2 Q. My question is a little different.

10:18:51 3 HB 2492 instructs the secretary of state and

10:18:56 4 the county recorders to send you lists of individuals who

10:18:58 5 are registered to vote who have not provided satisfactory

10:19:02 6 evidence of citizenship; correct?

10:19:03 7 A. Yes.

10:19:03 8 Q. And the same provision also instructs your office

10:19:06 9 to investigate those lists if you receive them?

10:19:08 10 A. Correct.

10:19:09 11 Q. You have not yet conducted that investigation;

10:19:13 12 correct?

10:19:14 13 A. No.

10:19:14 14 Q. Do you have plans to conduct that specific

10:19:17 15 investigation in the future?

10:19:18 16 A. Certainly. If something is referred to us, yes.

10:19:20 17 Q. If the secretary of state were, tomorrow, to send

10:19:23 18 your office a list of individuals registered to vote in

10:19:26 19 Arizona who had not provided satisfactory proof of

10:19:30 20 evidence, you would accept that referral and investigate

10:19:32 21 the citizenship of those individuals?

10:19:34 22 A. Yes.

10:19:36 23 Q. If the county recorder sent you a similar list,

10:19:39 24 would you likewise investigate the citizenship of those

10:19:43 25 individuals?

10:19:45 1 A. Yes.

10:19:45 2 Q. Would your office prepare a report for the
10:19:54 3 secretary of state, the senate president, and the house
10:19:58 4 speaker detailing the findings of those reports -- those
10:20:02 5 investigations?

10:20:02 6 MR. WHITAKER: Objection; foundation.

10:20:05 7 THE WITNESS: I can certainly tell you that I
10:20:09 8 would not be responsible for that report. I -- if -- so I
10:20:14 9 really can't answer that with certainty. I can make an
10:20:18 10 assumption.

10:20:19 11 BY MR. DODGE:

10:20:22 12 Q. And your office is authorized to investigate the
10:20:27 13 citizenship of individual registered voters if such a
10:20:33 14 referral were to be made by the secretary of state or
10:20:35 15 county recorder's office; correct?

10:20:37 16 MR. WHITAKER: Objection. Ambiguous.

10:20:41 17 THE WITNESS: Yeah, I believe that, yes, we
10:20:42 18 are.

10:20:49 19 BY MR. DODGE:

10:20:50 20 Q. If you were to conduct such an investigation upon
10:20:53 21 a referral from the secretary of state or the county
10:20:58 22 recorder's office, would you be required to use all
10:21:00 23 available resources in the conduct of that investigation?

10:21:03 24 MR. WHITAKER: Objection. Calls for --

10:21:05 25 MR. LANGHOFER: Calls for a legal conclusion.

10:21:08 1 THE WITNESS: I can answer that by saying
10:21:10 2 that I will always use all available resources in my
10:21:13 3 investigation.
10:21:14 4 BY MR. DODGE:
10:21:26 5 Q. If one of these lists provided by the secretary of
10:21:30 6 state or the county recorder's office were to contain
10:21:35 7 hundreds of voters who had not yet provided satisfactory
10:21:40 8 proof of citizenship, what resources would be required to
10:21:45 9 investigate the citizenship of those individuals?
10:21:49 10 MR. WHITAKER: Objection. Ambiguous.
10:21:50 11 MR. LANGHOFER: Same objection.
10:21:52 12 THE WITNESS: If I'm understanding your
10:21:57 13 question correctly, you're asking what resources we would
10:22:03 14 need to do hundreds of investigations like that?
10:22:06 15 BY MR. DODGE:
10:22:07 16 Q. Basically.
10:22:08 17 A. I think that that's a question that needs to be
10:22:11 18 qualified by how long do we have to complete the
10:22:14 19 investigations? I mean, that's -- it's going to take
10:22:18 20 resources. It's a lot.
10:22:19 21 Q. You testified a moment ago that in any
10:22:22 22 investigation you use all available resources; correct?
10:22:24 23 A. Correct.
10:22:27 24 Q. And so if the secretary of state referred hundreds
10:22:28 25 of names to your office as individuals registered to vote

10:22:31 1 without satisfactory proof of citizenship, you would also

10:22:34 2 use all available resources to investigate those

10:22:37 3 individuals as well; correct?

10:22:39 4 MR. WHITAKER: Objection. Ambiguous.

10:22:43 5 THE WITNESS: Yes. The resources available

10:22:45 6 would be utilized in every investigation. I -- I took your

10:22:49 7 question to mean something different.

10:22:50 8 BY MR. DODGE:

10:22:54 9 Q. But it would be difficult for you alone to

10:22:55 10 investigate the citizenship of hundreds of individuals;

10:22:57 11 right?

10:22:59 12 A. With -- yeah, that's why I mentioned the time

10:23:02 13 frame. Yes, it would be.

10:23:02 14 Q. So would your office then reallocate investigators

10:23:06 15 from other divisions to assist with that investigation?

10:23:09 16 MR. WHITAKER: Objection. Ambiguous.

10:23:12 17 THE WITNESS: That's -- that's a decision

10:23:15 18 that would be made above my pay grade, but it wouldn't be

10:23:19 19 unheard of.

10:23:19 20 BY MR. DODGE:

10:23:22 21 Q. And those investigators would have to come from

10:23:25 22 separation divisions with separate responsibilities;

10:23:28 23 correct?

10:23:28 24 MR. WHITAKER: Objection; foundation.

10:23:32 25 THE WITNESS: I guess that they would have

10:23:36 1 to, being that I am the only dedicated election
10:23:43 2 investigator, so yes.
10:23:44 3 BY MR. DODGE:
10:23:54 4 Q. I'm going to hand you now what's previously been
10:23:57 5 marked as Petty Exhibit 21, which is in the Dropbox folder
10:24:03 6 at Number 9.
10:24:09 7 Are you familiar with this document?
10:24:11 8 A. Yes.
10:24:12 9 Q. Can you tell me what this document is?
10:24:14 10 A. This is the -- the verbiage of House Bill 2243.
10:24:25 11 Q. Can you please turn to page 4 of this document.
10:25:02 12 Can you review beginning at line 5, Section 10.
10:25:06 13 A. Yes. Okay.
10:25:49 14 Q. The final sentence of this section reads, "If the
10:25:52 15 person registered does not provide satisfactory evidence
10:25:56 16 within thirty five days, the county recorder shall cancel
10:25:59 17 the registration and notify the county attorney and
10:26:02 18 attorney general for possible investigation."
10:26:05 19 Did I read that right?
10:26:06 20 A. You did.
10:26:06 21 Q. What does the term "possible investigation" mean?
10:26:09 22 MR. WHITAKER: Objection. Calls for a legal
10:26:15 23 conclusion.
10:26:15 24 THE WITNESS: I would -- I would take -- I
10:26:18 25 would read that as a possible investigation into the --

10:26:27 1 into the -- whether this is a valid registered voter or
10:26:33 2 a -- yeah, I guess that's the best way to answer it: An
10:26:35 3 investigation into whether this person is a valid voter,
10:26:40 4 able to be registered.

10:26:41 5 BY MR. DODGE:

10:26:42 6 Q. Would your office conduct an investigation if it
10:26:44 7 received such a referral from a county recorder's office?

10:26:48 8 A. If we receive a referral, yes, we will.

10:26:50 9 MR. WHITAKER: Objection.

10:26:51 10 THE WITNESS: Or at least if it's -- if
10:26:54 11 it's -- warrants -- if it warrants investigation.

10:26:57 12 BY MR. DODGE:

10:26:58 13 Q. So your office will at least assess the referral,
10:27:02 14 which requires resources and time?

10:27:05 15 MR. WHITAKER: Objection. Ambiguous.

10:27:08 16 THE WITNESS: Yes.

10:27:09 17 BY MR. DODGE:

10:27:11 18 Q. And it will then make a judgment about whether or
10:27:15 19 not further investigation is warranted?

10:27:16 20 MR. WHITAKER: Same objection.

10:27:19 21 THE WITNESS: That's correct.

10:27:20 22 BY MR. DODGE:

10:27:20 23 Q. And if an investigation was warranted, your office
10:27:21 24 would again use all available resources to execute that
10:27:26 25 investigation?

10:27:26 1 MR. WHITAKER: Same objection.

10:27:29 2 THE WITNESS: Yes.

10:27:29 3 BY MR. DODGE:

10:27:31 4 Q. Can you refer back to what I believe is

10:27:33 5 Exhibit 212, which are your office's interrogatory

10:27:37 6 responses. I'll just say we'll be referring to this

10:27:40 7 document frequently, so it might be good to keep it handy.

10:27:47 8 Can you turn to page 14 and review Subpart 4

10:27:56 9 of your response there.

10:28:07 10 MR. LANGHOFER: Which item was this in the

10:28:09 11 Dropbox folder?

10:28:10 12 MR. DODGE: This was Number 6.

10:28:14 13 MR. LANGHOFER: Thank you.

10:28:35 14 THE WITNESS: Okay.

10:28:40 15 BY MR. DODGE:

10:28:40 16 Q. And your response to Subpart 4 -- this is still in

10:28:43 17 reference to Interrogatory Number 2, which we were

10:28:46 18 discussing earlier; correct?

10:28:48 19 A. Yes, I believe so.

10:28:49 20 Q. And this subpart asks about your plans for

10:29:02 21 implementation or enforcement of the challenged laws,

10:29:05 22 including whether such plans involve any possible

10:29:08 23 investigation under A.R.S. Section 16-165(A)(10) and what

10:29:14 24 such investigations will entail; correct?

10:29:17 25 A. Yes.

10:29:21 1 Q. And beginning a sentence into your response, your
 10:29:26 2 office writes, "If the Attorney General's Office were to
 10:29:28 3 receive information or a referral for investigation under
 10:29:32 4 the challenged laws, the office would evaluate and consider
 10:29:34 5 investigations on a case-by-case basis considering the
 10:29:37 6 facts of the referral, available resources, and whether the
 10:29:40 7 office has access to citizenship information."

10:29:43 8 Did I read that correctly?

10:29:44 9 A. You did.

10:29:45 10 Q. You mentioned a moment ago that your office would
 10:29:56 11 evaluate the credibility of such a referral in any
 10:30:00 12 instance; correct?

10:30:01 13 A. Yes.

10:30:02 14 Q. And would pursue an investigation if the referral
 10:30:07 15 was credible; correct?

10:30:10 16 MR. WHITAKER: Objection. Ambiguous.

10:30:13 17 THE WITNESS: That's fair to say, I think.

10:30:14 18 BY MR. DODGE:

10:30:16 19 Q. Are you aware of whether your office would be
 10:30:18 20 willing to prosecute a case under this provision?

10:30:25 21 MR. WHITAKER: Objection. Foundation and
 10:30:28 22 ambiguous.

10:30:30 23 MR. LANGHOFER: Speculation.

10:30:34 24 THE WITNESS: My best answer for that is if
 10:30:38 25 the -- if the investigation warrants such, then yes, we

10:30:43 1 prosecute.

10:30:44 2 BY MR. DODGE:

10:30:44 3 Q. Has your office received a referral under

10:30:48 4 A.R.S. Section 16-165(A)(10) yet?

10:30:54 5 A. Not that I'm aware of.

10:30:56 6 Q. Can you describe to me what investigation under

10:30:58 7 this section would look like?

10:31:09 8 A. I would feel -- feel more comfortable answering

10:31:36 9 that if I just feel like the questions -- the nature of the

10:31:41 10 investigation under that statute is kind of vague to me, so

10:31:45 11 I -- that's hard for me to answer.

10:31:47 12 Q. What's vague about it to you?

10:31:49 13 A. Well, I mean, I don't have A.R.S. 16-165(A)(10) in

10:31:54 14 front of me, so that's a start.

10:32:19 15 Q. Are you -- are you aware of what documents can

10:32:22 16 provide satisfactory proof of citizenship under HB 2243?

10:32:28 17 MR. LANGHOFER: Calls for a legal conclusion.

10:32:31 18 THE WITNESS: That -- that's really not a

10:32:36 19 question that I feel comfortable answering. I wouldn't

10:32:38 20 know the volume of those documents.

10:32:42 21 BY MR. DODGE:

10:32:43 22 Q. Okay. I'm going to hand you what will be marked

10:32:45 23 as Exhibit 214. It is in the Dropbox as Number 10.

10:32:45 24 (The document was marked as Exhibit 214

10:32:45 25 for identification.)

10:32:59 1 BY MR. DODGE:

10:32:59 2 Q. Will you accept my representation that this is a

10:33:01 3 true and correct copy of A.R.S. 16-166?

10:33:07 4 MR. LANGHOFER: Form.

10:33:09 5 THE WITNESS: As far as I can tell, yes.

10:33:11 6 BY MR. DODGE:

10:33:18 7 Q. Can you take a moment to review Subsection F.

10:33:40 8 A. Okay.

10:33:59 9 Q. This section of A.R.S. 16-166 identifies various

10:34:11 10 forms of identification that can be used to establish

10:34:14 11 citizenship; correct?

10:34:15 12 A. It does.

10:34:19 13 Q. The first is a driver's license issued in Arizona

10:34:21 14 after October 1, 1996, or in another state if the license

10:34:26 15 reflects that the person has provided satisfactory proof of

10:34:30 16 citizenship; correct?

10:34:31 17 MR. WHITAKER: Objection. Slightly

10:34:34 18 understates the report.

10:34:39 19 THE WITNESS: It does say "driver's license

10:34:42 20 number or nonoperating identification" and equivalent --

10:34:50 21 equivalent government -- governmental agency of another

10:34:53 22 state.

10:34:54 23 BY MR. DODGE:

10:34:54 24 Q. Okay. Thank you for that clarification.

10:34:56 25 Do you know what percentage of individuals in

10:34:58 1 Arizona have a driver's license?

10:35:01 2 A. I do not.

10:35:04 3 Q. Do you have a best guess?

10:35:08 4 MR. LANGHOFER: Foundation.

10:35:09 5 THE WITNESS: No, I really don't. I mean,

10:35:10 6 that's pretty -- with the older population, younger

10:35:15 7 population -- that would be very difficult to answer. I

10:35:18 8 even don't know if I'd guess that.

10:35:18 9 BY MR. DODGE:

10:35:19 10 Q. But fair to say not everyone in Arizona has a

10:35:22 11 driver's license?

10:35:22 12 A. No, of course not.

10:35:23 13 Q. And you just identified two populations that are

10:35:27 14 maybe more likely not to have driver's licenses; namely,

10:35:30 15 older individuals and younger individuals; is that fair?

10:35:33 16 A. I think so.

10:35:33 17 Q. Can you think of any other groups of people in

10:35:36 18 Arizona who might be less likely to have a driver's

10:35:41 19 license?

10:35:41 20 MR. LANGHOFER: Scope. Foundation.

10:35:42 21 THE WITNESS: I mean, I don't think you

10:35:46 22 can -- I think that there's not any large populations of

10:35:50 23 people that would be more likely to not have a license. I

10:35:54 24 mean, there's all kinds of factors involved, you know?

10:35:56 25 People that lost their license for whatever reason or --

10:35:59 1 you know, a number of different things, so --

10:36:01 2 BY MR DODGE:

10:36:01 3 Q. Would disabled people be more likely to not have a
10:36:04 4 driver's license?

10:36:05 5 MR. WHITAKER: Foundation.

10:36:08 6 THE WITNESS: I mean, I -- I don't -- I don't
10:36:12 7 if that's -- I don't know if I can answer that either
10:36:15 8 because it depends on -- "disability" is a large term. So
10:36:18 9 I don't know that I can answer that for you.

10:36:20 10 BY MR. DODGE:

10:36:21 11 Q. Do you know how much it costs to obtain a driver's
10:36:23 12 license in Arizona?

10:36:26 13 MR. LANGHOFER: Scope.

10:36:27 14 THE WITNESS: I don't know exactly. I think
10:36:29 15 it's -- I mean, I haven't gotten one in a while. I think
10:36:33 16 it's probably around 25 bucks or something. I don't know.

10:36:36 17 BY MR. DODGE:

10:36:36 18 Q. How often does a person have to renew their
10:36:39 19 driver's license in Arizona?

10:36:40 20 MR. WHITAKER: Foundation.

10:36:41 21 MR. LANGHOFER: Scope. Calls for a legal
10:36:48 22 conclusion.

10:36:48 23 THE WITNESS: I -- I mean, as far as I know,
10:36:55 24 I mean, driver's licenses are good for many years. So I
10:37:01 25 don't know if there's an actual -- to be honest with you, I

10:37:03 1 don't know if there's an actual time limit given on a
10:37:05 2 license.

10:37:06 3 BY MR. DODGE:

10:37:06 4 Q. So Arizona driver's license -- driver's licenses
10:37:08 5 are valid for a very long time?

10:37:10 6 A. Yes.

10:37:11 7 MR. WHITAKER: Foundation.

10:37:13 8 BY MR. DODGE:

10:37:13 9 Q. Do you know how long it takes to obtain a driver's
10:37:16 10 license?

10:37:16 11 MR. WHITAKER: Foundation and scope.

10:37:21 12 THE WITNESS: Not exactly. I mean, I
10:37:25 13 imagine, you know, the process takes however long it gets
10:37:30 14 to have one mailed to you or whatever to get a physical
10:37:32 15 license. I -- I don't know exactly.

10:37:34 16 BY MR. DODGE:

10:37:34 17 Q. Might take a few weeks?

10:37:36 18 A. Could.

10:37:37 19 Q. Returning to 16-166, the second document listed
10:37:41 20 here is "a legible copy of the applicant's birth
10:37:45 21 certificate that verifies citizenship to the satisfaction
10:37:48 22 of the county recorder."

10:37:50 23 Did I get that one right?

10:37:52 24 A. Yes.

10:37:53 25 Q. I think we discussed this earlier today, but you

10:37:57 1 would agree that there are citizens in Arizona who are not
10:38:00 2 born within Arizona; right?
10:38:03 3 A. Well, yeah, of course.
10:38:04 4 Q. And there are citizens in Arizona who weren't born
10:38:06 5 within the United States; correct?
10:38:08 6 A. Yes.
10:38:09 7 Q. An individual citizen in Arizona who's not born in
10:38:16 8 the United States would not have a birth certificate that
10:38:19 9 establishes their American citizenship, right?
10:38:24 10 A. I'm sorry. I lost you for a minute there. Can
10:38:26 11 you repeat that?
10:38:27 12 Q. A naturalized citizen living in Arizona who was
10:38:32 13 born outside of the United States would not possess a birth
10:38:35 14 certificate that could establish their United States
10:38:37 15 citizenship; correct?
10:38:39 16 MR. LANGHOFER: Calls for legal conclusion.
10:38:40 17 Foundation.
10:38:40 18 THE WITNESS: I mean, honestly, I don't know
10:38:45 19 if I can answer that. I don't think so.
10:38:47 20 BY MR. DODGE:
10:38:48 21 Q. If an individual was born in Mexico and became a
10:38:51 22 naturalized United States citizen living in Arizona, their
10:38:55 23 Mexican birth certificate would not assist in establishing
10:38:58 24 their American citizenship; right?
10:39:00 25 MR. LANGHOFER: Foundation. Speculation.

10:39:05 1 There's nothing about Mexican birth certificate.

10:39:05 2 THE WITNESS: I would say that's probably
10:39:07 3 true.

10:39:08 4 BY MR. DODGE:

10:39:09 5 Q. Could you imagine a situation where a non-United
10:39:12 6 States birth certificate would assist you in establishing
10:39:14 7 an individual's United States citizenship?

10:39:19 8 A. No.

10:39:20 9 Q. Would you agree that many individuals born within
10:39:25 10 the United States lack access to photocopies of their birth
10:39:29 11 certificates?

10:39:32 12 MR. LANGHOFER: Foundation.

10:39:33 13 THE WITNESS: I mean --

10:39:35 14 MR. LANGHOFER: Scope.

10:39:38 15 THE WITNESS: -- I'm sure there are people
10:39:40 16 that, for whatever reason, don't have access to their birth
10:39:43 17 certificate. I -- I wouldn't be able to give you much more
10:39:46 18 information about how many or how often that occurs.

10:39:48 19 BY MR. DODGE:

10:39:48 20 Q. It's the sort of thing a person could misplace
10:39:51 21 while moving or something; right?

10:39:52 22 A. Certainly.

10:39:54 23 Q. Do you know how much it costs to obtain a birth
10:39:59 24 certificate in Arizona?

10:40:02 25 MR. LANGHOFER: Foundation.

10:40:03 1 THE WITNESS: I have no idea.

10:40:03 2 BY MR. DODGE:

10:40:05 3 Q. Do you know how long the process is to obtain a
10:40:07 4 birth certificate in Arizona?

10:40:08 5 MR. LANGHOFER: Same objection.

10:40:09 6 THE WITNESS: Again, I have no knowledge of
10:40:11 7 that.

10:40:11 8 BY MR. DODGE:

10:40:12 9 Q. Do you know how much it costs to obtain a birth
10:40:14 10 certificate in California?

10:40:17 11 MR. LANGHOFER: Same objection.

10:40:17 12 THE WITNESS: Absolutely not.

10:40:18 13 BY MR. DODGE:

10:40:19 14 Q. And I assume you also don't know how long that
10:40:22 15 process would take; right?

10:40:23 16 A. That's correct.

10:40:24 17 MR. LANGHOFER: Same objection.

10:40:24 18 BY MR. DODGE:

10:40:26 19 Q. The third document listed in Section 166 is "a
10:40:33 20 legible photocopy of pertinent pages of the applicant's
10:40:33 21 United States passport identifying the applicant, the
10:40:35 22 applicant's passport number or presentation to the county
10:40:38 23 recorder of the applicant's United States passport."
10:40:40 24 Did I get that right?

10:40:42 25 A. Yes.

10:40:42 1 Q. Do you know what percentage of individuals in
10:40:45 2 Arizona have a valid United States passport?

10:40:51 3 MR. LANGHOFER: Same objection.

10:40:52 4 THE WITNESS: I would have absolutely no
10:40:54 5 idea.

10:40:54 6 BY MR. DODGE:

10:40:54 7 Q. Maybe half?

10:40:57 8 MR. WHITAKER: Speculation.

10:40:58 9 THE WITNESS: I really don't know.

10:40:59 10 BY MR. DODGE:

10:41:00 11 Q. Do you know how much it costs to obtain a
10:41:02 12 passport?

10:41:04 13 MR. LANGHOFER: Same objection.

10:41:06 14 THE WITNESS: No, I do not.

10:41:07 15 BY MR. DODGE:

10:41:08 16 Q. Do you know how long it takes to get a passport?

10:41:12 17 MR. LANGHOFER: Same objection.

10:41:13 18 THE WITNESS: From listening to people talk
10:41:17 19 about it, I hear it takes a long time, but I don't know
10:41:20 20 personally.

10:41:21 21 BY MR. DODGE:

10:41:21 22 Q. If we could briefly return to what was marked as
10:41:24 23 Petty Exhibit 21, which is the copy of HB 2243. If we
10:41:29 24 could return to page 4, Section 10.

10:41:44 25 Beginning on line 10 of that section, it

10:41:46 1 reads, "Before the county recorder cancels a registration
10:41:49 2 pursuant to this paragraph, the county recorder shall send
10:41:51 3 the person notice by forwardable mail that the person's
10:41:55 4 registration will be canceled in thirty five days unless
10:41:57 5 the person provides satisfactory evidence of United States
10:42:00 6 citizenship pursuant to Section 16-166"; correct?

10:42:04 7 A. That is what it says.

10:42:05 8 Q. That's the provision Section 16-666 -- strike
10:42:10 9 that.

10:42:11 10 We were just discussing Section 16-166;
10:42:14 11 correct?

10:42:14 12 A. Yes, prior to this.

10:42:18 13 MR. DODGE: Is now a good time for a break?

10:42:20 14 MR. WHITAKER: Sure.

10:42:20 15 MR. DODGE: We've been going about an hour.

10:42:21 16 MR. WHITAKER: Okay with you?

10:42:21 17 THE WITNESS: Fine with me.

10:42:24 18 MR. DODGE: Can we go off the record.

10:42:27 19 THE VIDEOGRAPHER: We're off the record.

10:42:28 20 Time on the video monitor is 10:42 a.m.

10:42:28 21 (A recess ensued.)

10:56:47 22 THE VIDEOGRAPHER: We are on the record.

10:57:01 23 Time on the video monitor is 10:56 a.m.

10:57:05 24 BY MR. DODGE:

10:57:06 25 Q. Welcome back, Mr. Knuth.

10:57:08 1 You'll recall that some time ago we were
10:57:12 2 discussing what sort of investigation your office would
10:57:15 3 conduct if you were to receive from either the secretary of
10:57:17 4 state or the county recorders a list of individuals
10:57:21 5 registered in Arizona who had not provided satisfactory
10:57:25 6 proof of citizenship. Do you recall that?

10:57:26 7 A. I do.

10:57:27 8 Q. If the secretary of state or the county recorder
10:57:33 9 office were to convey such a list to your office, would
10:57:36 10 that come through the duty agent?

10:57:40 11 A. It -- it could go two different ways, to be quite
10:57:51 12 honest. It could -- it -- given the -- that we're talking
10:57:56 13 about -- and this is -- this would be new. So if -- I
10:58:02 14 would think that a list like that would probably come
10:58:06 15 through our -- our civil level, because that's how the
10:58:18 16 Election Integrity Unit portal used to work, if that makes
10:58:22 17 sense. It's a little confusing.

10:58:24 18 The Election Integrity Unit's intake would
10:58:27 19 initially come into the civil entity of our agency and then
10:58:30 20 it would be sent down. So -- because it's such a -- I feel
10:58:35 21 like it would be such a vast -- or a -- you know, a large
10:58:38 22 document or a lot to offer, that it may come in that way.
10:58:42 23 I really -- I can't say for sure, though. I mean, it --
10:58:47 24 I'm really not -- not certain how it would get to us.
10:58:50 25 Q. You mentioned a second way it might come in.

10:58:53 1 Could you tell me what that is?

10:58:55 2 A. I was talking about the duty agent way.

10:58:57 3 Q. I see.

10:58:58 4 So focusing on the duty agents for a moment,

10:59:02 5 what would that look like?

10:59:05 6 A. That would come in via whatever sort of referral

10:59:09 7 we -- we would get into our -- into our online database or

10:59:18 8 online complaint form, something sent into the office. To

10:59:25 9 my knowledge, they get complaints from various -- various

10:59:29 10 ways.

10:59:31 11 Q. If the duty agent were to receive a list from the

10:59:34 12 secretary of state or county recorder's office with

10:59:36 13 hundreds of names on it, would they open a referral for

10:59:41 14 each of those individual names, or would it be a single

10:59:43 15 referral?

10:59:46 16 MR. LANGHOFER: Speculation.

10:59:50 17 THE WITNESS: My thought is that they would

10:59:53 18 likely hand that over to me in its entirety and allow me to

10:59:58 19 make such a decision or somebody on my level to make a

11:00:02 20 decision.

11:00:02 21 BY MR. DODGE:

11:00:03 22 Q. And in that case, what decision would you make?

11:00:08 23 MR. WHITAKER: Ambiguous.

11:00:09 24 MR. LANGHOFER: Speculation.

11:00:12 25 THE WITNESS: My assumption would be that I

11:00:14 1 have to address each individual as an individual and -- and
11:00:21 2 evaluate each individual case as its own case.
11:00:24 3 BY MR. DODGE:
11:00:25 4 Q. So such a referral from the Secretary of State's
11:00:28 5 Office or a county recorder's office could potentially
11:00:31 6 result in hundreds of new matters for you?
11:00:36 7 MR. WHITAKER: Ambiguous.
11:00:37 8 THE WITNESS: I think that potential exists.
11:00:40 9 BY MR. DODGE:
11:00:40 10 Q. It could be thousands of new cases for you?
11:00:44 11 MR. WHITAKER: Same objection.
11:00:45 12 THE WITNESS: Yeah, I can only speculate.
11:00:47 13 BY MR. DODGE:
11:00:53 14 Q. How would such a number of referrals impact your
11:00:59 15 workload as the investigator most responsible for
11:01:04 16 election-related investigations?
11:01:07 17 A. I mean, I think it's obvious I'm going to have
11:01:11 18 more -- more on my plate. I think that that's -- I think
11:01:15 19 that's a discussion that would have to be had with several
11:01:21 20 members of the Criminal Investigations Division about, you
11:01:24 21 know, how -- how are we going to handle this situation most
11:01:27 22 appropriately?
11:01:28 23 Q. How many active election-related investigations do
11:01:32 24 you have right now?
11:01:36 25 A. I think I have about ten right now.

11:01:41 1 Q. So receiving a referral with hundreds or thousands
11:01:44 2 of new cases would be an order-of-magnitude increase in
11:01:47 3 your workload; correct?

11:01:49 4 A. Potentially.

11:01:51 5 Q. If such referrals were made three months before an
11:01:58 6 election, would you attempt to complete those
11:02:02 7 investigations prior to the election?

11:02:05 8 MR. WHITAKER: Ambiguous.

11:02:06 9 MR. LANGHOFER: Speculation.

11:02:09 10 THE WITNESS: I think the best answer to that
11:02:11 11 question is I attempt to complete investigations as quickly
11:02:15 12 as I can.

11:02:20 13 BY MR. DODGE:

11:02:23 14 Q. Would it be feasible to complete that many
11:02:25 15 investigations accurately on such a time frame?

11:02:28 16 MR. WHITAKER: Ambiguous.

11:02:29 17 MR. LANGHOFER: Speculation.

11:02:31 18 THE WITNESS: That -- that would totally
11:02:34 19 depend on what -- what each investigation entailed and
11:02:37 20 how -- the depth that each investigation would have to
11:02:42 21 have.

11:02:42 22 BY MR. DODGE:

11:02:42 23 Q. You mentioned a moment ago that you currently have
11:02:44 24 ten active investigations roughly; right?

11:02:46 25 A. Somewhere right around there.

11:02:48 1 MR. WHITAKER: Objection. Slightly
11:02:49 2 mischaracterizes the record.

11:02:50 3 BY MR. DODGE:

11:02:51 4 Q. Is that a -- is that a typical workload for you at
11:02:53 5 any given time?

11:02:55 6 A. I don't think that there's a -- I don't think
11:02:57 7 there's a way to say that I have a typical workload. It's
11:03:01 8 ebb and flow, so . . .

11:03:04 9 Q. Not unusual to have about ten active cases at any
11:03:07 10 given time, though?

11:03:08 11 A. Absolutely not.

11:03:09 12 Q. Would it be unusual to have 50 active cases at a
11:03:13 13 given time?

11:03:17 14 A. Honestly, no, it wouldn't be unusual.

11:03:22 15 Q. How many investigations do you feel like you can
11:03:26 16 handle at any given time and feel like you're doing justice
11:03:30 17 and a good job on any individual investigation?

11:03:34 18 MR. LANGHOFER: Speculation.

11:03:37 19 THE WITNESS: I think that -- I think that
11:03:39 20 can't be accurately answered unless I know what each
11:03:42 21 investigation involves.

11:03:43 22 BY MR. DODGE:

11:03:44 23 Q. You would agree there is some outer bound at which
11:03:47 24 point you are no longer capable of holding yourself to the
11:03:51 25 investigative standard that you ordinarily would like to

11:03:53 1 achieve? Is that fair?

11:03:55 2 A. Yes.

11:03:56 3 Q. So in other words, there's a point at which

11:04:01 4 additional resources will be required from the Attorney

11:04:03 5 General's Office for justice to be done in any of these

11:04:05 6 investigations; right?

11:04:09 7 MR. WHITAKER: Ambiguous.

11:04:11 8 THE WITNESS: I think that's fair.

11:04:13 9 BY MR. DODGE:

11:04:18 10 Q. I want to ask a few more questions also about how

11:04:21 11 you came to your current role.

11:04:23 12 Why did you join the Attorney General's

11:04:30 13 Office?

11:04:30 14 A. I had retired after just over 20 years from Sedona

11:04:39 15 Police Department, and I -- I left there for reasons that

11:04:45 16 police officers leave the field. And I knew that I wasn't

11:04:49 17 done working, so I just -- I found a job here.

11:04:52 18 Q. And your first job here was in general fraud

11:04:55 19 investigations; correct?

11:04:56 20 A. Correct.

11:04:57 21 Q. Was there something specific about fraud that

11:04:59 22 interested you, or was it just the best position available

11:05:02 23 at the time?

11:05:03 24 A. It was -- it was an available job and it -- it

11:05:08 25 worked out for me at the time.

11:05:09 1 Q. And you pretty quickly transitioned into doing
11:05:13 2 election-related investigations; is that right?

11:05:15 3 A. Yes, pretty quickly.

11:05:16 4 Q. Can you tell me why you transitioned into an
11:05:18 5 election-related role?

11:05:20 6 A. The -- from -- from my low level, my understanding
11:05:26 7 is that the agency had been approved for an Election
11:05:33 8 Integrity Unit -- had been funded, and they needed to build
11:05:36 9 that team. And I was -- I offered to be the -- the
11:05:42 10 investigator on that team.

11:05:43 11 Q. And why did you offer yourself up for that role?

11:05:46 12 A. Just a general interest of mine.

11:05:48 13 Q. In investigation -- in elections and what?

11:05:51 14 A. And I -- yes, as being a -- kind of -- I don't
11:05:58 15 what's the best way to put it. I've just been active in
11:06:01 16 the elective process my whole life, since I was old enough
11:06:04 17 to vote. So it's just an interesting topic for me.

11:06:05 18 Q. So you just mean as a citizen, you've been an
11:06:06 19 active voter?

11:06:07 20 A. Yes.

11:06:08 21 Q. Have you been involved in elections in any other
11:06:10 22 capacity? Running for office? Volunteering?

11:06:12 23 A. No. No.

11:06:13 24 Q. You're just -- you're a good citizen?

11:06:16 25 A. I guess, if that's what you want to call it.

11:06:19 1 Q. And you vote regularly?

11:06:20 2 A. Yes.

11:06:20 3 Q. And you think elections are interesting?

11:06:22 4 A. I do.

11:06:23 5 Q. Any other reasons why you offered to join the
11:06:26 6 Election Integrity Unit?

11:06:30 7 A. No, not really.

11:06:32 8 Q. And just to understand the chronology there a bit,
11:06:36 9 the Election Integrity Unit, when was it created relative
11:06:40 10 to when you joined the Attorney General's Office?

11:06:43 11 A. I don't know that I can accurately tell you that.
11:06:47 12 I mean, again, I have to say that I was -- I would consider
11:06:52 13 myself still brand new to the agency, so I was still
11:06:57 14 adjusting to how things work around here.

11:06:59 15 So the -- the absolute timeline of when the
11:07:04 16 unit was approved and when they decided to make selections
11:07:07 17 and/or build the team and all that, I don't know that I can
11:07:11 18 accurately tell you that. I know when it was -- when it
11:07:16 19 came up and I heard about it, I went to my -- the
11:07:21 20 supervisor at the time and said that would be something I'm
11:07:24 21 interested in. That's -- that's what I can tell you.

11:07:27 22 Q. And do you recall the month and year you joined
11:07:28 23 the Attorney General's Office?

11:07:30 24 A. I believe it's September of 2019.

11:07:33 25 Q. And then you joined the Election Integrity Unit

11:07:36 1 approximately what month after that?

11:07:38 2 A. I get -- I get confused here. It's -- I believe I

11:07:44 3 was in place in that by -- by October. Actually, it may be

11:07:56 4 earlier than that. It may have even been summer of 2020

11:08:04 5 that I . . .

11:08:09 6 Q. So your best recollection is you joined the

11:08:12 7 Attorney General's Office in September 2019 and were

11:08:14 8 working in the Election Integrity Unit by the following

11:08:18 9 summer?

11:08:18 10 A. Yeah, that would be the best -- I don't want to

11:08:21 11 misspeak, so . . .

11:08:22 12 Q. Did you have any expectations as to whether the
11:08:27 13 unit would uncover certain kinds of fraud when you joined
11:08:32 14 it?

11:08:32 15 A. No, I don't think I had any expectations.

11:08:35 16 Q. What expectation did you have with respect to the
11:08:39 17 kind of investigations that you would be conducting?

11:08:43 18 A. I don't know that I had any expectations, because
11:08:46 19 it was a brand-new thing. Obviously, I can -- I can assume
11:08:52 20 that anything that is involved in the electoral process or,
11:08:57 21 you know -- you know, voter -- voter-related items would be
11:09:04 22 conning my way, but very generally -- I really didn't know
11:09:06 23 what to expect.

11:09:07 24 Q. Did you have any expectation about whether or not
11:09:08 25 the unit would focus more on elected officials as compared

11:09:12 1 to voters?

11:09:14 2 A. No. I think my assumption at the time would be
11:09:18 3 that it would be the totality of the -- of all of it.

11:09:23 4 Q. Any other expectations you had about what your
11:09:27 5 work at the unit would entail at the time?

11:09:30 6 A. No, not that I can recall.

11:09:32 7 Q. I now have questions about the Election Integrity
11:09:39 8 Unit itself. I understand you're sharing this duty with
11:09:41 9 Mr. Thomas.

11:09:45 10 I'd like to ask you questions about the
11:09:50 11 Election Integrity Unit's portal, the complaints it
11:09:54 12 generated, and the investigations that ensued. Are you
11:09:57 13 prepared to testify on that today?

11:09:59 14 A. I can do a pretty good job, I feel.

11:10:02 15 Q. That's great.

11:10:03 16 If we can go back to Exhibit 212, which are
11:10:13 17 your interrogatory responses. And if you could look at
11:10:16 18 page 5.

11:10:16 19 MR. DODGE: For those following at home, this
11:10:22 20 is still Number 6 in the Dropbox.

11:10:27 21 THE WITNESS: Did you say page 5? I'm sorry.

11:10:29 22 BY MR. DODGE:

11:10:30 23 Q. I did. I'm actually going to ask you to look at
11:10:33 24 page 4 instead. I skipped ahead a little bit.

11:10:36 25 If you could turn at page 4 and look at

11:10:37 1 Interrogatory Number 1 for a moment.

11:11:09 2 A. Okay.

11:11:10 3 Q. You see below that your office has again divided

11:11:15 4 this interrogatory into subparts; correct?

11:11:18 5 A. Yes.

11:11:19 6 Q. Could you turn to the next page and look at your

11:11:23 7 response to Subpart 2.

11:11:41 8 A. Yes.

11:11:42 9 Q. Okay. Your office has characterized Subpart 2 as,

11:11:47 10 quote, "Identify all evidence that supports the contention

11:11:49 11 that the Challenged Laws further the interests identified

11:11:52 12 above, including any evidence of voter fraud committed by

11:11:55 13 non-citizens in Arizona since January 1, 2016."

11:12:00 14 Did I get that correct?

11:12:03 15 A. Yes.

11:12:03 16 Q. Okay. Could you turn to the next page of this

11:12:09 17 document.

11:12:16 18 And looking at line 10, your office

11:12:20 19 responded, "The Attorney General's Office has compiled two

11:12:22 20 spreadsheets of complaints submitted via this portal with

11:12:25 21 redactions. These spreadsheets have been produced as

11:12:29 22 AG007958, AG011687."

11:12:35 23 Do you see that?

11:12:35 24 A. I do.

11:12:36 25 Q. Do you know what portal is being referred to

11:12:38 1 there?

11:12:42 2 A. When I hear "portal," my automatic assumption is

11:12:51 3 it's talking about the election integrity portal. I mean,

11:12:55 4 that -- I don't really see a lot of context and guarantee

11:13:00 5 that's correct, but that would be my assumption.

11:13:02 6 Q. Do you know when your office created the Election

11:13:13 7 Integrity Unit intake portal?

11:13:17 8 A. I believe it stated that it was 2020. I don't

11:13:22 9 know anything more specific than.

11:13:24 10 Q. Do you know why your office chose to create the

11:13:27 11 portal in 2020?

11:13:31 12 A. I -- I don't know. I mean, I -- again, it -- it

11:13:38 13 was the onset of the Election Integrity Unit, so it may be

11:13:43 14 related to that.

11:13:43 15 Q. Did any similar sort of election-focused portal

11:13:47 16 exist at the Attorney General's Office prior to 2020?

11:13:51 17 A. I wouldn't -- I wouldn't be aware if there were.

11:13:55 18 Q. I think you testified to this -- well, actually,

11:13:58 19 strike that.

11:13:58 20 You're not aware that -- of any earlier

11:14:02 21 portal related to elections; correct?

11:14:05 22 A. That would be correct.

11:14:06 23 Q. You testified to this a bit earlier, but is the

11:14:10 24 Election Integrity Unit online intake portal still

11:14:12 25 operating?

11:14:14 1 A. My -- my understanding is that it has been
11:14:17 2 removed. I can't tell you that for certain. I haven't
11:14:19 3 gone to the web page and witnessed that it's not there
11:14:23 4 anymore myself, but that was the plan.

11:14:26 5 Q. Do you know when it was removed?

11:14:35 6 MR. WHITAKER: Foundation.

11:14:37 7 THE WITNESS: I believe a discussion that I
11:14:41 8 was part of about removing that was approximately three or
11:14:50 9 four months ago, I believe.

11:14:53 10 BY MR. DODGE:

11:14:54 11 Q. Okay. You referred earlier to the plan to remove
11:14:57 12 the Election Integrity Unit intake portal. Can you tell me
11:15:01 13 who was responsible for any plan to remove it?

11:15:10 14 MR. LANGHOFER: Scope.

11:15:12 15 THE WITNESS: It was -- I'm not recalling a
11:15:20 16 name right now. It was a member of our team on the sixth
11:15:26 17 floor -- Hayleigh. I apologize. It was -- I was in the
11:15:39 18 meeting with one of our employees named Hayleigh, and
11:15:43 19 I'm -- her last name is escaping me right now.

11:15:44 20 BY MR. DODGE:

11:15:44 21 Q. Does the sixth floor mean anything in the context
11:15:47 22 of your office?

11:15:47 23 A. To me, it's the -- like, the civil entity.
11:15:49 24 That -- it's the best description I have for it. I don't
11:15:49 25 go up there very much.

11:15:53 1 Q. Okay. So it's where the civil office of the
11:15:55 2 Attorney General's Office is?
11:15:55 3 A. That's my belief, yes.
11:15:56 4 Q. Have you ever been to the sixth floor?
11:15:59 5 A. Maybe once or twice.
11:16:01 6 Q. Is it where the leadership of the civil office
11:16:04 7 sits?
11:16:04 8 A. That's my understanding.
11:16:09 9 Q. So the sixth floor just refers generally to the
11:16:12 10 civil office, or does it refer to the leadership of the
11:16:14 11 civil office?
11:16:14 12 A. No, I -- well, not for me.
11:16:15 13 Q. Okay. Is your office still investigating
11:16:18 14 complaints that have been filed in the Election Integrity
11:16:22 15 Unit portal?
11:16:23 16 A. Yes.
11:16:24 17 Q. These were complaints filed before it may have
11:16:29 18 been taken offline?
11:16:30 19 A. Yes.
11:16:42 20 Q. Turning back to your response to Interrogatory
11:16:45 21 Number 1, Subpart 2, your response indicated that there
11:16:48 22 were two spreadsheets that compile complaints reported
11:16:54 23 through the portal; correct?
11:16:56 24 A. Yes.
11:16:58 25 Q. And to date, how many complaints about voting and

11:17:03 1 election-related violations have been submitted to the
11:17:06 2 Election Integrity Unit through the online portal?
11:17:10 3 A. It's in the thousands. I couldn't -- I mean,
11:17:18 4 that's the best I can give you. A lot.
11:17:20 5 Q. Tens of thousands? Thousands?
11:17:23 6 A. I'm comfortable with "thousands." I really -- I'm
11:17:25 7 not sure.
11:17:27 8 Q. You chuckled a little bit when I asked that
11:17:30 9 question. Can I ask why?
11:17:31 10 A. No, just because it's a -- it's a very big number
11:17:34 11 that I, obviously, can't speculate on.
11:17:38 12 Q. Are you surprised at the number of complaints that
11:17:41 13 were submitted through the portal?
11:17:44 14 A. No.
11:17:48 15 Q. I'm going to ask you to now look at what will be
11:17:58 16 labeled as 216 -- 215, which is a large Excel file that I'm
11:18:07 17 going to ask you to look at on a computer if that's
11:18:10 18 possible.
11:18:11 19 MR. DODGE: I'm going to give you this just
11:18:11 20 to look at.
11:18:11 21 (Reporter clarification.)
11:18:28 22 MR. DODGE: It's Number 13 on the Dropbox.
11:18:28 23 Does the witness have access to that?
11:18:32 24 MR. WHITAKER: Let me think about that. You
11:18:35 25 can use this.

11:18:36 1 MR. DODGE: Would it help to go off the
11:18:38 2 record for a minute?
11:18:39 3 MR. WHITAKER: Yes. Can we do that?
11:18:40 4 MR. DODGE: Off the record for just a minute.
11:18:43 5 THE VIDEOGRAPHER: We are off the record.
11:18:44 6 Time on the video monitor is 11:18 a.m.
11:20:11 7 (An off-the-record discussion ensued.)
11:20:11 8 THE VIDEOGRAPHER: We are on the record.
11:26:03 9 Time on the video monitor is 11:26 a.m.
11:26:06 10 MR. DODGE: Okay. After much effort, we have
11:26:10 11 now managed to get this document up on the screen, which
11:26:15 12 I'll have marked as Exhibit 215.
11:26:15 13 (The document was marked as Exhibit 215
11:26:21 14 for identification.)
11:26:21 15 BY MR. DODGE:
11:26:22 16 Q. I'll represent to you that this was produced to us
11:26:24 17 as AG007958, which is one of the documents referenced in
11:26:30 18 the interrogatory response we were just discussing.
11:26:35 19 Can you tell me what this document is?
11:26:44 20 A. This -- what I have in front of me here? That's
11:26:49 21 what's up there?
11:26:50 22 Q. I believe so.
11:26:51 23 A. Well, it looks like a EIU spreadsheet, because the
11:26:56 24 EIU number is listed.
11:27:02 25 Q. And can you tell me what this document shows?

11:27:04 1 A. It has some EIU-assigned numbers. It looks like
11:27:18 2 the -- what the general complaint regards and then some
11:27:29 3 commentary. Looks like it's maybe some sort of a -- like a
11:27:42 4 summary of a complaint.

11:27:48 5 Q. Can you tell me where the entries in this
11:27:51 6 spreadsheet come from?

11:27:55 7 A. Given the -- the way it's laid out, I would think
11:28:06 8 this was probably generated by the then -- I guess we call
11:28:14 9 it the administrator of the election integrity portal
11:28:19 10 perhaps.

11:28:20 11 Q. Who was the administrator of the election
11:28:21 12 integrity portal?

11:28:23 13 A. Jen Wright.

11:28:26 14 Q. Is that a position that continued to exist after
11:28:33 15 Jen Wright departed your office?

11:28:36 16 A. No is the easy answer.

11:28:42 17 Q. Was the administrator of the portal an official
11:28:45 18 position or sort of a de facto role?

11:28:49 19 A. My -- my description -- as I understand it, Jen
11:29:01 20 Wright was the -- I call it the tip of the spear of the
11:29:08 21 Election Integrity Unit. So all -- all things came
11:29:11 22 through -- all portal items came through her. They came
11:29:14 23 into her and she was the one that received all that.

11:29:18 24 Q. So she was the individual most responsible for
11:29:22 25 reviewing complaints filed with the portal?

11:29:25 1 A. That would be fair to say, I believe.

11:29:26 2 Q. Do you know what time period is covered by the
11:29:32 3 spreadsheet we were just looking at?

11:29:35 4 A. I don't.

11:29:39 5 MR. WHITAKER: For the record, the witness, I
11:29:42 6 don't think, is looking at the spreadsheet anymore.

11:29:44 7 THE WITNESS: Yeah.

11:29:44 8 MR. DODGE: Sorry. I'm trying to download it
11:29:46 9 as a Excel file, which will make it easier to review, but
11:29:51 10 the mouse is being uncooperative.

11:30:02 11 I apologize. Can we go off the record again.

11:30:04 12 THE VIDEOGRAPHER: We are off the record.

11:30:07 13 Time on the video monitor is 11:30 a.m. This ends Media 1.

11:30:13 14 (An off-the-record discussion ensued.)

11:31:57 15 THE VIDEOGRAPHER: We are on the record.

11:32:11 16 Time on the video monitor is 11:32 a.m. This begins

11:32:16 17 Media 2.

11:32:17 18 BY MR. DODGE:

11:32:19 19 Q. Okay. After several breaks off the record,
11:32:22 20 Mr. Knuth, you can see why I became a lawyer and not an IT
11:32:26 21 person.

11:32:26 22 We are still looking at what was produced to

11:32:30 23 us as AG007958, which you previously described as a

11:32:35 24 compilation of referrals to the Election Integrity Unit

11:32:37 25 through the online intake portal; is that right?

11:32:40 1 A. Yes.

11:32:41 2 Q. And I believe I asked you if you knew what time
11:32:44 3 period was covered by this particular document. Do you
11:32:47 4 have any idea?

11:32:49 5 A. It -- based on the EIU number designation, it's --
11:32:55 6 these are from 2021, it appears.

11:33:00 7 Q. Would you dispute my representation that this
11:33:02 8 particular document includes complaints filed in the portal
11:33:06 9 from 2020 through about mid October 2021?

11:33:15 10 A. I'm not seeing any 2020 dates as of yet, so that's
11:33:19 11 hard for me to say that that's --

11:33:27 12 Q. So it looks like these are mostly complaints filed
11:33:30 13 in 2021?

11:33:30 14 A. Everything that I'm seeing is 2021 dated right
11:33:33 15 now.

11:33:33 16 Q. There's a large gap in this document between lines
11:33:40 17 96 and 2278. Do you have any idea why that gap exists?

11:33:47 18 A. I have no idea.

11:33:48 19 Q. So did you assist in preparing this document at
11:33:51 20 all?

11:33:51 21 A. No.

11:33:52 22 Q. Is this a document your office maintains in the
11:33:56 23 ordinary course?

11:33:57 24 A. If it -- if it's the EIU spreadsheet, then, yeah,
11:34:06 25 that would be accurate. I just -- I -- I don't -- I don't

11:34:12 1 deal in the EIU spreadsheet specifically, so it's hard for
11:34:17 2 me to say for sure.

11:34:19 3 Q. But these entries look familiar to you as --

11:34:22 4 A. I mean, yeah, I'm familiar with the format, yeah.

11:34:24 5 Q. Okay. I'm now going to ask you to look at what
11:34:30 6 I'll call Exhibit 216, which was produced to us as
11:34:39 7 AG001687.

11:34:39 8 (The document was marked as Exhibit 216
11:34:41 9 for identification.)

11:34:41 10 MR. MORGAN: Have we started yet?

11:34:43 11 MR. LANGHOFER: Yeah, I've not heard
11:34:43 12 anything. Are we on the record?

11:34:43 13 MR. MORGAN: I don't know if we're on the
11:34:43 14 record or not. They're on mute.

11:34:43 15 THE COURT REPORTER: Do you want to go off
11:34:55 16 the record?

11:34:55 17 MR. DODGE: Yeah, let's go off the record.

11:35:05 18 THE VIDEOGRAPHER: We're off the record.

11:35:06 19 Time on the video monitor is 11:35 a.m.

11:37:54 20 (An off-the-record discussion ensued.)

11:37:54 21 THE VIDEOGRAPHER: We are on the record.

11:40:45 22 Time on the video monitor is 11:40 a.m.

11:40:48 23 MR. DODGE: Okay. Just to put on the record,
11:40:51 24 we had some minor technical snafus over the last few
11:40:56 25 minutes where the individuals present in the room where the

11:40:59 1 deposition is occurring were on the record discussing
11:41:03 2 Exhibit 215 and 216, which are numbers 13 and 14 in the
11:41:07 3 Dropbox. Mr. Knuth offered some descriptions of the
11:41:12 4 exhibits. We believe the technical snafus have been worked
11:41:16 5 out, and we are all back on the record.

11:41:18 6 BY MR. DODGE:

11:41:19 7 Q. Mr. Knuth, we were just discussing exhibit --

11:41:22 8 MR. LANGHOFER: Before we move on -- Kory
11:41:24 9 Langhofer for the RNC. I'll just note that we'll preserve
11:41:28 10 any objections for the portion that we couldn't hear you
11:41:29 11 for, you know, later, if necessary.

11:41:29 12 MR. DODGE: So noted.

11:41:29 13 BY MR. DODGE:

11:41:32 14 Q. Mr. Knuth, we were looking at Exhibit 216, which I
11:41:37 15 just pulled up, which was produced to us as AG0011687. Can
11:41:45 16 you tell us what this document is?

11:41:49 17 A. Based on the formatting, I would assume that it's
11:41:51 18 an EIU, Election Integrity Unit, spreadsheet.

11:41:55 19 Q. So this is similar to Exhibit 215, which we were
11:41:59 20 just looking at; correct?

11:42:00 21 A. Yes.

11:42:00 22 Q. And do the entries on this spreadsheet also come
11:42:02 23 from the Election Integrity Unit intake portal?

11:42:05 24 A. That's my assumption by looking at them.

11:42:09 25 Q. And do you have any sense of what the time period

11:42:13 1 is covered by this spreadsheet?

11:42:16 2 A. Based on the designated EIU numbers, I'm seeing a

11:42:23 3 lot of 2022 numbers, but it's nothing more specific than

11:42:27 4 that.

11:42:28 5 Q. Do you see any --

11:42:29 6 A. Oh, there's '23.

11:42:32 7 Q. Some 2021s?

11:42:37 8 A. Yes, there are some 2021s.

11:42:37 9 Q. So it looks like it this spreadsheet covers some

11:42:40 10 portion of 2021 through sometime in 2023; is that right?

11:42:42 11 A. It looks that way, yes.

11:42:44 12 Q. Beyond the time period that they cover, is there

11:42:46 13 any difference between the information contained in

11:42:50 14 Exhibit 215, which I can pull up if you would like, and

11:42:53 15 Exhibit 216, which we're currently looking at?

11:42:57 16 A. Can you scroll right. It seems -- I don't know

11:43:06 17 about the header necessarily being exactly the same, but

11:43:10 18 the formatting looks about the same.

11:43:10 19 Q. Generally speaking, they appear to contain similar

11:43:14 20 kinds of information that might be included in a referral

11:43:16 21 to the EIU?

11:43:17 22 A. Yeah, that's fair.

11:43:18 23 Q. I'd like to understand some of the columns in

11:43:22 24 these spreadsheets.

11:43:24 25 Column A refers to, quote, "EIU Number." Can

11:43:29 1 you tell me what that refers to?

11:43:31 2 A. It's a unique identifier for each complaint that

11:43:36 3 is received through the election integrity portal.

11:43:41 4 Q. And so that number wouldn't have existed prior to

11:43:44 5 the creation of the portal?

11:43:47 6 A. No, I can't imagine it would.

11:43:50 7 Q. Column B includes the header "Submission ID." Can

11:43:55 8 you tell me what that refers to?

11:43:57 9 A. I -- I am not familiar with this spreadsheet, so

11:44:00 10 no, I can't tell you exactly what that is.

11:44:02 11 Q. What about Column C? Can you tell me what a

11:44:05 12 serial number is in this context?

11:44:08 13 A. I can see that they're sequential, but I don't

11:44:11 14 know exactly what they are.

11:44:14 15 Q. But those numbers appear to be for recordkeeping

11:44:18 16 purposes with respect to referrals?

11:44:18 17 A. I would assume so, yes.

11:44:20 18 Q. Looking at Column L, it says, "My complaint

11:44:24 19 alleges violations of election law related to."

11:44:31 20 Then you see in the entries below various

11:44:35 21 phrases: "Voter registration," "election administration,"

11:44:39 22 "early voting," "election day polling place issues."

11:44:45 23 Were these options offered on a list in the

11:44:48 24 portal?

11:44:50 25 A. I'm not positive of that. It's possible. I don't

11:44:58 1 know for sure.

11:45:00 2 Q. So bearing in mind both Exhibit 215 and
11:45:05 3 Exhibit 216, do you know whether any of the complaints in
11:45:08 4 these spreadsheets concern allegations of a noncitizen
11:45:11 5 registering to vote or voting in an election in Arizona?

11:45:18 6 A. If I understand correctly, with -- I mean, without
11:45:20 7 reviewing the entirety of the spreadsheet, I can't tell you
11:45:23 8 if there's any in there or not, no.

11:45:26 9 Q. Do you know whether or not any complaints referred
11:45:30 10 through the EIU intake portal involved allegations of
11:45:35 11 noncitizens registering to vote or voting in Arizona?

11:45:39 12 A. In -- in a broad time period, are you referring
11:45:44 13 to?

11:45:44 14 Q. In any time period.

11:45:45 15 A. Yes, there have been.

11:45:46 16 Q. And those -- would that have been between the time
11:45:50 17 period of 2020 and 2023?

11:45:54 18 A. I don't believe that the cases I'm aware of were
11:46:07 19 within that time frame. I think they were before that.
11:46:09 20 One of them may have been.

11:46:11 21 Q. So you're not sure, sitting here today, whether or
11:46:15 22 not any of the referrals compiled in Exhibits 215 and 216
11:46:20 23 involve allegations of noncitizens registering to vote or
11:46:23 24 voting in Arizona; correct?

11:46:25 25 A. That would be fair to say, yes.

11:46:27 1 Q. I'm going to return to Exhibit 215 and scroll to
11:46:33 2 line 2493. Okay.

11:46:45 3 This line number has the EIU Number
11:46:49 4 EIU-2021-26038-312. Do you see that?

11:46:54 5 A. I do.

11:46:55 6 Q. And I'm scrolling over to Column Y, which says,
11:47:09 7 "In early October 2020 a person living in Arizona who's not
11:47:12 8 a U.S. citizen and who's not a registered voter received a
11:47:16 9 ballot for voting in the 2020 election on November 3,
11:47:19 10 2020."

11:47:20 11 Did I read that correctly?

11:47:21 12 A. From what I -- I can't see the whole thing.

11:47:26 13 MR. WHITAKER: Can you see it up there?

11:47:28 14 THE WITNESS: Oh, sorry. That probably would
11:47:30 15 be easier. I apologize.

11:47:30 16 MR. WHITAKER: On the top -- the top part.

11:47:41 17 THE WITNESS: Okay. Yeah, I see what you're
11:47:43 18 saying there.

11:47:43 19 BY MR. DODGE:

11:47:43 20 Q. And I read that correctly?

11:47:45 21 A. Yes.

11:47:45 22 Q. Do you know whether or not your office ever
11:47:47 23 investigated this claim?

11:47:53 24 A. I -- I can't say with certainty. It's -- I mean,
11:48:05 25 again, the volume of cases is overwhelming, so I -- too

11:48:10 1 overwhelming to tell you for certain what happened with
11:48:12 2 that particular one.

11:48:14 3 Q. Do you know if your office would have made a
11:48:15 4 credibility determination as to this referral?

11:48:19 5 A. I'm sure we would have.

11:48:21 6 Q. Do you know what determination your office reached
11:48:26 7 with respect to whether or not this complaint was credible?

11:48:34 8 A. No. I -- I'm not intimately familiar with what
11:48:39 9 case this is, so . . .

11:48:41 10 Q. If you don't recall a referral alleging that a
11:48:48 11 noncitizen voted in an Arizona election, does that indicate
11:48:52 12 to you that the referral was never elevated for
11:48:56 13 investigation?

11:48:59 14 A. That's not necessarily the case, because I can't
11:49:03 15 tell you right now if this is one of the cases I mentioned
11:49:08 16 earlier that I do know we have a case on. I'm just not --
11:49:11 17 I'm not positive if it's one of those or not. So it's
11:49:16 18 difficult for me to make that --

11:49:17 19 Q. So no specific recollection as to this case?

11:49:19 20 A. No.

11:49:19 21 Q. You said a moment ago that the number of referrals
11:49:22 22 through the portal was overwhelming. Did I get that right?

11:49:25 23 A. It's a large number, yes.

11:49:27 24 Q. Were a large number of those referrals ultimately
11:49:31 25 not found to be credible by your office?

11:49:35 1 A. I mean, there are certain -- certainly complaints
11:49:40 2 that are found to not be credible. I -- as far as, like, a
11:49:44 3 percentage or anything, I couldn't tell you what it is, but
11:49:46 4 yes, certainly.

11:49:47 5 Q. Are most of the referrals made through the portal
11:49:52 6 ultimately found not credible?

11:49:55 7 A. I don't think "most of" is fair to say.

11:49:58 8 Q. Does your office investigate most of the claims
11:50:00 9 made through the portal?

11:50:02 10 A. At least initially.

11:50:03 11 Q. And that's just to make a determination of
11:50:06 12 credibility and whether or not follow-up is warranted;
11:50:10 13 right?

11:50:10 14 A. Correct.

11:50:11 15 Q. So beyond those preliminary steps, does your
11:50:14 16 office investigate -- has your office investigated most of
11:50:16 17 the claims in the portal?

11:50:20 18 A. Yeah, I think that's an accurate thing to say.

11:50:23 19 Q. I'm going to scroll to line 4061 in this
11:50:31 20 spreadsheet. And this has the EIU Number
11:50:42 21 EIU-2021-28104-1880. Do you see that?

11:50:44 22 A. Yes.

11:50:44 23 Q. Okay. And the complaint appears to have to do
11:50:48 24 with voter registration. Do you see that?

11:50:50 25 A. I do.

11:50:51 1 Q. And Column V, the referring individual provided
11:51:08 2 information: "The above-named person is a Canadian
11:51:11 3 citizen. He visits U.S. (Maricopa County) for a few months
11:51:16 4 per year. He received a ballot, non-solicited, his name on
11:51:20 5 it. My question: How many more thousands of ballots were
11:51:23 6 mailed out to nonvalid, noneligible persons?"

11:51:25 7 Did I read that correctly?

11:51:28 8 A. I'm not seeing that whole statement.

11:51:37 9 Q. It might be helpful if you look up top.

11:51:40 10 A. Thank you. I'm sorry.

11:51:42 11 Q. So you want take a moment to review that.

11:51:52 12 A. Okay. Yes, I see what you're saying now.

11:51:54 13 Q. Do you know if your office ever investigated this
11:51:58 14 claim?

11:52:02 15 A. I don't know for certain.

11:52:04 16 Q. Do you know if your office reached any
11:52:07 17 determination that this referral was credible?

11:52:11 18 A. I -- I don't have an opinion on that.

11:52:15 19 Q. Do you know whether or not your office ever
11:52:17 20 prosecuted the person named in this referral?

11:52:24 21 A. I don't.

11:52:25 22 Q. I'm going to scroll to line 4161 of Exhibit 215.

11:52:53 23 Okay. This -- this entry has the EIU Number
11:52:57 24 EIU-2021-28389-1980. Do you see that?

11:53:02 25 A. I do.

11:53:04 1 Q. This complaint also appears to concern voter
11:53:06 2 registration. Do you see that?

11:53:06 3 A. I do.

11:53:07 4 Q. And then the referring individual included the
11:53:12 5 information, quote, "Voting registration by illegals from
11:53:14 6 Mexico."

11:53:15 7 Did I read that correctly?

11:53:16 8 A. Yes.

11:53:16 9 Q. Do you know if your office investigated this
11:53:19 10 claim?

11:53:21 11 A. I -- that's pretty vague, so I have no idea, no.

11:53:25 12 Q. Would it be possible for your office to
11:53:27 13 investigate a claim like this?

11:53:29 14 A. Well, certainly, yes.

11:53:30 15 Q. How would you do so?

11:53:35 16 A. By -- beginning by determining the legitimacy of
11:53:46 17 the complaint. If there's enough information to support or
11:53:49 18 to give us a starting point to begin an investigation and
11:53:54 19 then the typical investigative process after that.

11:53:59 20 Q. Okay. This person provides a bit more color in
11:54:02 21 Column Y.

11:54:03 22 It says, "I personally witnessed a person
11:54:05 23 registering in or around 1996 between Clinton's first and
11:54:08 24 second term. It was a couple being registered by the
11:54:12 25 employees of Walmart, and I was concerned living next to

11:54:12 1 the Mexico border in Douglas, Arizona (where I was living
11:54:19 2 at that time) everyone registering was illegal citizens. I
11:54:21 3 knew one of the employees personally and asked her if they
11:54:26 4 are requiring proof of citizenship, and she said, no, they
11:54:26 5 weren't. I asked, how do you know if they are citizens?
11:54:29 6 And she replied that they signed the registration, which
11:54:33 7 requires an address. I said, they could put any relative's
11:54:36 8 address. And then Wendy said that everyone is verified in
11:54:40 9 the recorder's office. So I went on my way thinking anyone
11:54:42 10 registering illegal would be thrown out. On my way to the
11:54:44 11 car, I saw the couple that registered drive off with
11:54:48 12 Sonoran plates on their small, red car. You could verify
11:54:50 13 during that time there were driver's licenses that was
11:54:54 14 issued to illegals as well. Once anyone is registered,
11:54:57 15 they will always stay registered. So how many other
11:55:00 16 illegals have registered the same way and have driver's
11:55:02 17 license as their identification? With the amount of
11:55:05 18 illegals that are in our country, they can sway the
11:55:08 19 election here and in multiple states. If there's any way
11:55:10 20 to determine on the voting roles if they are illegal
11:55:13 21 citizens, that would be appreciated. Please no canned
11:55:14 22 letter, and take this suggestion seriously."

11:55:17 23 Did I read that correctly?

11:55:20 24 A. Appears to be, yes.

11:55:21 25 Q. How would you investigate a claim like this?

11:55:24 1 A. Well, I would -- just to make sure I'm accurate
11:55:27 2 here, if you could give me the EIU number again -- show me
11:55:32 3 that EIU number.

11:55:35 4 I'm -- I'm immediately seeing some
11:55:36 5 difficulties as the allegation is from 1996 in 2021. Makes
11:55:44 6 for a difficult start to investigation.

11:55:44 7 Q. So would your office consider a complaint like
11:55:46 8 this to be credible?

11:55:48 9 A. I find it hard to believe.

11:55:49 10 Q. Okay. And your best understanding sitting here
11:55:55 11 today is that your office would not have committed any
11:55:58 12 investigatory resources to this claim; correct?

11:56:00 13 A. I'm considering that to be not likely.

11:56:06 14 Q. I'll do a couple more of these. I'm going to go
11:56:09 15 to line 4337 in Exhibit 215.

11:56:19 16 This has the EIU Number EIU-2021-28946-2156.
11:56:26 17 Do you see that?

11:56:26 18 A. I do.

11:56:27 19 Q. This also appears to concern voter registration?

11:56:29 20 A. Yes.

11:56:29 21 Q. The person in Column B of this referral says,
11:56:35 22 "Person registered to vote in this election is not a U.S.
11:56:38 23 citizen."

11:56:39 24 Did I read that correctly?

11:56:39 25 A. You did.

11:56:40 1 Q. Then a couple columns over in Column Y, they add a
11:56:44 2 bit more color and they say, "My mother-in-law was
11:56:47 3 approached at a DMV while she was renewing her driver's
11:56:51 4 license and asked if she wanted to register to vote. She
11:56:52 5 said she didn't think she can vote since she is not a U.S.
11:56:55 6 citizen; only a permanent resident. They told her she
11:56:57 7 could register and did register to her -- her to vote as a
11:57:00 8 Democrat. She received her ballot in the mail, and I was
11:57:02 9 able to see that ballot because she is older and lives with
11:57:05 10 me and my wife. She didn't vote. And I forwarded this
11:57:08 11 information to the office of Katie Hobbs and it did not get
11:57:11 12 resolved. My problem is how do they allow people to
11:57:13 13 register non-U.S. citizens to vote in the first place? And
11:57:15 14 how does the Democrat party allow this? I do not want to
11:57:18 15 get my mother-in-law in trouble, but I would like to see
11:57:20 16 this process controlled a little better for fair and honest
11:57:23 17 election. I have attached a copy of the ballot to show my
11:57:26 18 evidence. Thank you. [Redacted.]"

11:57:28 19 Did I read that correctly?

11:57:29 20 A. Yes.

11:57:29 21 Q. Do you know if your office ever investigated this
11:57:33 22 claim?

11:57:34 23 A. I can't say with certainty whether -- whether we
11:57:44 24 did or not. I mean, I -- I don't have intimate information
11:57:49 25 about it -- or recollection, I should say.

11:57:53 1 Q. Do you know if your office made any credibility
11:57:55 2 determination with respect to this claim?

11:57:57 3 A. I would expect that we did.

11:57:58 4 Q. Do you have any idea what that assessment was?

11:58:04 5 A. Can you take it back to the dialogue, if you will?

11:58:21 6 Whether it's by familiarity -- I hate that word -- being
11:58:29 7 familiar with it or being familiar with the situation, I
11:58:36 8 can tell you that the first -- there's two keys here for
11:58:40 9 me. First is that we know that there was not a vote cast,
11:58:45 10 based on the verbiage, and likely, the prospective for me
11:58:52 11 would be to -- I don't know if it said what county. I'm
11:58:58 12 assuming Maricopa. I don't know if it's in there. But
11:59:00 13 anyway, let the appropriate county recorder's office know
11:59:03 14 about -- you know, that this -- we -- we have information
11:59:07 15 that this could be an invalid registration.

11:59:11 16 Q. So in other words, you're saying you might refer
11:59:13 17 something like this to a county recorder's office?

11:59:16 18 A. I don't know if refer -- "refer" is probably not
11:59:21 19 right. Provide them with the information so that they can
11:59:23 20 follow up on their end, reference the voter registration.

11:59:28 21 The -- the fact that the vote was never cast
11:59:36 22 makes this a little bit more difficult to go -- to conduct
11:59:42 23 an investigation and reach a prosecutory level because
11:59:44 24 there's no -- there's -- the registration is a factor that
11:59:48 25 is very difficult to follow up on, because they're a random

11:59:52 1 person who was out collecting registrations, and there's --
11:59:54 2 because no vote was cast, there's no crime that we can
11:59:57 3 really go after.

11:59:58 4 Q. Do you know if this referral would have resulted
12:00:01 5 in a prosecution or a conviction?

12:00:04 6 A. Based on what I'm reading here, I think it's
12:00:07 7 unlikely that it was prosecuted.

12:00:28 8 Q. Okay. I'm going to go to Row 444 in this
12:00:33 9 document.

12:00:37 10 MR. WHITAKER: Is this a new document?

12:00:46 11 MR. DODGE: This is Exhibit 215 still.

12:00:53 12 Scratch that. It is Exhibit 216.

12:01:03 13 BY MR. DODGE:

12:01:12 14 Q. Okay. This is EIU Number EIU-2022-66175-3244. Do
12:01:20 15 I have that correct?

12:01:21 16 A. Yes.

12:01:21 17 Q. This also appears to concern voter registration.

12:01:24 18 Do you see that?

12:01:25 19 A. I do.

12:01:25 20 Q. And in Column V, referring individual writes,
12:01:31 21 "People have to be citizens to vote. Federal voter
12:01:34 22 registration still says they are attesting to being legally
12:01:37 23 able to vote, I believe. Pima County Recorder's Office is
12:01:39 24 telling people they don't have to be citizens to vote."

12:01:44 25 Then Column Y, this individual write, "In

12:01:48 1 brief, while I was working at the Pima County Recorder's
12:01:50 2 Office on July 5th, the last day to register for primary, I
12:01:54 3 heard a staff member telling people coming in to register
12:01:56 4 that they 'don't have to be citizens to vote' (direct
12:02:00 5 quote). As a former commissioner of the Election Integrity
12:02:03 6 Commission here in Pima County, I wasn't happy hearing this
12:02:06 7 employee saying this without elaborating further. This
12:02:07 8 happened after she talked a person earlier out of changing
12:02:10 9 their voter registration form from Democrat to Republican.
12:02:14 10 She persuaded them they'd be better off registering as an
12:02:17 11 independent; they could still vote in the primary. Nothing
12:02:19 12 too terrible with that, but speaks to her own partisanship,
12:02:19 13 I think."

12:02:23 14 Did I basically that read correctly?

12:02:25 15 A. Yes.

12:02:25 16 Q. Do you know if your office ever investigated this
12:02:28 17 referral?

12:02:30 18 A. I can't say with certainty.

12:02:33 19 Q. Do you think it's likely, based on the information
12:02:36 20 we just read, that your office would have investigated?

12:02:38 21 A. I think we would have done an initial overview of
12:02:42 22 it to -- for credibility and the ability to follow up on
12:02:47 23 it.

12:02:47 24 Q. What credibility determination do you think your
12:02:50 25 office would have reached based on the information we

12:02:54 1 reviewed?

12:02:54 2 A. I -- again, I can -- I can speculate, but the
12:02:59 3 process likely would have been to contact the -- I'm sorry.
12:03:02 4 It was Pima County recorder?

12:03:04 5 Q. That's correct.

12:03:05 6 A. Yes. And try to get some determination of who
12:03:11 7 this employee was and if this conversation actually
12:03:15 8 occurred.

12:03:17 9 Q. Do you think it's likely this sort of a referral
12:03:20 10 would have resulted in a prosecution or a conviction?

12:03:22 11 A. I can't say. I have too little information.

12:03:26 12 Q. Okay. Continuing to look at Exhibit 216, I'm just
12:03:30 13 going to scroll down to the bottom.

12:03:32 14 It appears, based on this final line number,
12:03:34 15 that there are approximately 1,550 complaints in this
12:03:40 16 document; correct?

12:03:41 17 A. I mean, yeah, based on the number, I guess.

12:03:44 18 Q. Sitting here today, are you able to identify any
12:03:49 19 other entries in these spreadsheets alleging voting by a
12:03:52 20 noncitizen?

12:03:53 21 A. No.

12:03:54 22 Q. And I believe I asked you this earlier, but
12:03:58 23 sitting here today, with respect to how many complaints
12:04:02 24 about voting and election-related violations have been
12:04:05 25 submitted through the portal, your best recollection is

12:04:09 1 that it's in the thousands?

12:04:10 2 A. That's fair, yes.

12:04:12 3 Q. To your knowledge, would any complaints submitted

12:04:16 4 be -- any complaints submitted via the portal not be

12:04:19 5 included in the two spreadsheets we looked at?

12:04:21 6 A. Not to my knowledge.

12:04:24 7 Q. Do you know if any of the complaints or referrals

12:04:33 8 included in these two spreadsheets concern allegations of a

12:04:36 9 nonresident registering to vote or voting in an election in

12:04:40 10 Arizona?

12:04:46 11 A. Non- -- I would need a -- some sort of a

12:04:51 12 qualification as what you mean by "nonresident," because I

12:04:54 13 may have a different opinion about that than you do.

12:04:56 14 Q. Why don't you give me your understanding of the

12:04:58 15 term first.

12:04:59 16 A. A nonresident, to me, is a -- is a nonresident of

12:05:04 17 Arizona, so -- in which case, this spreadsheet very likely

12:05:10 18 has issues of nonresidents voting because they live in

12:05:13 19 another state and they voted in Maricopa County or in

12:05:15 20 Arizona. So -- so in that fashion, yes.

12:05:20 21 Q. And so your -- your definition of "nonresident"

12:05:23 22 would not include someone who, for example, voted in the

12:05:25 23 wrong county within Arizona but who is a bona fide Arizona

12:05:29 24 resident; is that right?

12:05:31 25 A. A non- -- a -- in example form, a Gila County --

12:05:43 1 Gila County voter who voted in Maricopa County I would also
12:05:47 2 call a nonresident because they didn't vote in their
12:05:50 3 jurisdiction.

12:05:51 4 Q. And would these two spreadsheets likely include
12:05:56 5 referrals or complaints regarding an individual in Arizona
12:06:02 6 voting in the wrong county in Arizona as well?

12:06:04 7 A. It's very likely.

12:06:08 8 Q. We talked a bit earlier about how your office
12:06:13 9 conducts sort of a preliminary assessment of a referral to
12:06:15 10 determine whether further investigation is warranted;
12:06:18 11 correct?

12:06:18 12 A. Right.

12:06:19 13 Q. And that's how you determine whether to
12:06:22 14 investigate one of these complaints; right?

12:06:25 15 A. Yeah.

12:06:26 16 Q. How many of the complaints in these spreadsheets
12:06:32 17 do you think your office has investigated, meaning, gone
12:06:35 18 beyond the initial assessment phase?

12:06:40 19 A. Given my lack of really detailed knowledge of
12:06:51 20 these particular spreadsheets, that's a very difficult
12:06:54 21 thing for me to answer. My assumption would be that we
12:07:00 22 investigated quite a few of them. I just -- but without
12:07:07 23 that intimate knowledge, I'm not -- I'm not comfortable
12:07:10 24 saying that.

12:07:11 25 Q. Beyond you, who else has been responsible for

12:07:13 1 investigating referrals made to the Election Integrity Unit
12:07:18 2 portal?

12:07:20 3 A. Well, the -- these -- the election integrity
12:07:32 4 spreadsheets that come into the portal were distributed by
12:07:39 5 Jen Wright, so some of these referrals I may not have ever
12:07:46 6 even known existed. That's where I'm having the difficulty
12:07:49 7 answering the question, if that makes sense.

12:07:51 8 Q. Was Ms. Wright responsible for making the initial
12:07:54 9 credibility assessment?

12:07:58 10 A. I don't know if "responsible" is fair. It did
12:08:04 11 occur.

12:08:06 12 Q. When you say "it did occur," does that mean she
12:08:11 13 always sort of made the initial determination or she
12:08:14 14 sometimes did?

12:08:15 15 A. Sometimes

12:08:17 16 Q. Who else would sometimes make that initial
12:08:21 17 determination?

12:08:22 18 A. The -- if it -- if it were forwarded to criminal
12:08:29 19 investigations, it would have gone through the pipeline
12:08:32 20 that consisted of Attorney Todd Lawson and myself.

12:08:36 21 Q. So beyond Jen Wright, yourself, and perhaps
12:08:42 22 Mr. Lawson, were there any other individuals responsible
12:08:45 23 for making an initial assessment with respect to the
12:08:49 24 credibility of any referrals through the portal?

12:08:52 25 A. No. Well, no, not through the portal. I'm sorry.

12:08:58 1 I apologize.

12:08:58 2 Q. So the referrals in these spreadsheets from the

12:09:00 3 portal that we've been discussing, the initial

12:09:02 4 credibility -- the initial credibility assessment for them

12:09:06 5 would have been made by one of you, Ms. Wright, or

12:09:09 6 Mr. Lawson?

12:09:09 7 A. I believe that's accurate to say, yes.

12:09:13 8 Q. Is it your understanding that Ms. Wright sometimes

12:09:19 9 would not refer on complaints to you and Mr. Lawson?

12:09:24 10 A. That's my belief.

12:09:26 11 Q. Do you know how often she chose to refer or hold

12:09:30 12 back a complaint from the portal to you and Mr. Lawson?

12:09:33 13 A. I -- I don't have an understanding of that.

12:09:37 14 Q. Do you know how many of the complaints in these

12:09:40 15 spreadsheets ultimately resulted in a prosecution?

12:09:44 16 A. I -- I could not accurately answer that.

12:09:48 17 Q. Do you have an estimate?

12:09:49 18 A. Well, again, I'd have to go back to the fact that

12:09:52 19 this spreadsheet is not something I'm -- it wasn't

12:09:58 20 something I had involvement in, so it's really hard for me

12:10:02 21 to say how many --

12:10:03 22 Q. Let me -- let me ask it at a different angle then.

12:10:05 23 How many election-related prosecutions are

12:10:07 24 you aware of from your office since the creation of the

12:10:11 25 portal approximately?

12:10:15 1 A. I mean, I know the figure -- I know the figure is
12:10:27 2 out there somewhere. I don't know it by -- I don't have it
12:10:31 3 ingrained to memory.

12:10:32 4 Q. I'm not asking --

12:10:33 5 A. I'm going to put it somewhere around 100.

12:10:35 6 Q. Okay.

12:10:39 7 MR. WHITAKER: Just for scope, I want to
12:10:41 8 reiterate that we have Todd Lawson as the designee.

12:10:44 9 MR. DODGE: I appreciate that. And I'll ask
12:10:45 10 Mr. Lawson these questions as well.

12:10:47 11 BY MR. DODGE:

12:10:48 12 Q. So your -- your best guess is that there are
12:10:51 13 around 100 prosecutions since the creation of the Election
12:10:56 14 Integrity Unit --

12:10:56 15 A. If I had to guess.

12:10:57 16 Q. -- best guess?

12:10:59 17 And you agree there are thousands of entries
12:11:00 18 in the spreadsheets we've looked at; correct?

12:11:03 19 A. True.

12:11:07 20 Q. Are you aware of any -- are you aware of whether
12:11:10 21 any of the referrals to the intake portal that resulted in
12:11:15 22 a prosecution concerned allegations of illegal registration
12:11:19 23 or voting by a noncitizen?

12:11:25 24 A. I'd have to answer that kind of back where I was
12:11:28 25 before; that we -- I do know of a couple of cases. I just

12:11:33 1 don't know if their scope was within the time of the
12:11:36 2 portal. So that's -- I can't really accurately say.

12:11:39 3 Q. Okay. So your -- your testimony is that you're
12:11:40 4 aware of a couple prosecutions involving allegations of
12:11:46 5 registration and voting by noncitizens, but you're not sure
12:11:49 6 if they came from the portal?

12:11:50 7 A. Correct. That's fair.

12:11:53 8 Q. Of the prosecution you're aware of, do you know if
12:11:56 9 any concerned allegations of illegal registration or voting
12:12:02 10 by a nonresident, using your understanding of the term?

12:12:08 11 A. I -- I don't know.

12:12:23 12 MR. DODGE: For the record, I'm going to stop
12:12:24 13 sharing my screen and put these documents aside for a
12:12:27 14 moment.

12:12:32 15 Can you folks still hear me remotely?

12:12:39 16 MR. LANGHOFER: Yes.

12:12:41 17 BY MR. DODGE:

12:12:42 18 Q. I'm going to hand you what will be marked as

12:12:44 19 Exhibit 217, which is in the Dropbox at Number 15.

12:12:44 20 (The document was marked as Exhibit 217

12:12:50 21 for identification.)

12:12:50 22 BY MR. DODGE:

12:12:53 23 Q. Can you tell me what this document is?

12:12:55 24 A. This looks like a complaint form that probably

12:13:01 25 would have been generated from our online complaint entity.

12:13:07 1 Q. When you say "online complaint entity," are you
12:13:09 2 referring to the portal?

12:13:11 3 A. My -- my knowledge of how the system works is not
12:13:19 4 fantastic, but I -- this could be through the -- the
12:13:25 5 general complaints where the duty agents would -- would be
12:13:30 6 involved.

12:13:31 7 Q. But this is a standard intake form?

12:13:33 8 A. It appears to be.

12:13:34 9 Q. And you're just not sure if it is a standard form
12:13:37 10 for the portal or a standard form that --

12:13:41 11 A. I --

12:13:41 12 Q. -- that a duty agent might complete when they
12:13:45 13 receive information?

12:13:45 14 A. My -- my belief would be that this came through
12:13:49 15 the duty agent route. Mainly, I say that because I'm not
12:13:54 16 aware that there's an actual form associated with the
12:13:56 17 online -- the EIU portal. But that -- I could be wrong on
12:14:00 18 that, but I'm not aware of a specific form.

12:14:02 19 Q. How are complaints in the portal stored?

12:14:09 20 A. That is a much better-suited question for an IT
12:14:16 21 person with the agency. I believe it goes into some sort
12:14:18 22 of a database or something.

12:14:19 23 Q. If you wanted to review a complaint made through
12:14:21 24 the portal and you wanted to call up a particular EIU
12:14:25 25 number, how would you go about doing that?

12:14:27 1 A. I would have not been able to look something
12:14:30 2 directly into the -- wherever the portal complaints came
12:14:33 3 in. I would not have access to that.
12:14:35 4 Q. So you would only have access to that information
12:14:37 5 if Ms. Wright chose to forward it to you?
12:14:40 6 A. Correct.
12:14:40 7 Q. And when she forwarded you that information, what
12:14:46 8 kinds of information were included when she forwarded the
12:14:49 9 referral?
12:14:49 10 A. Generally, it was the -- generally, it was the
12:14:58 11 duplication of the form that's filled out on the -- via the
12:15:03 12 portal, the -- you know, it's -- when you go in there and
12:15:07 13 make a complaint, it gives you a standardized form to fill
12:15:10 14 out the blanks or whatever. So usually, she would include
12:15:15 15 that, whatever that was -- was received.
12:15:19 16 Q. And complaints she didn't forward to you, do you
12:15:22 17 know if that information was saved anywhere?
12:15:24 18 A. I don't know.
12:15:26 19 Q. Returning to Exhibit 217, you said this appears to
12:15:31 20 be a standard duty agent intake form; is that right?
12:15:35 21 A. I -- it could be duty agent. It could be -- it's
12:15:39 22 an intake form, though. It's a complaint form.
12:15:42 23 Q. This complaint form appears to indicate that the
12:15:45 24 complaint was submitted anonymously; is that right?
12:15:48 25 A. Yes.

12:15:53 1 Q. In your experience, are many of the complaints
12:15:58 2 made to the Election Integrity Unit made anonymously?
12:16:03 3 A. It's not uncommon.
12:16:06 4 Q. Would you say most are submitted anonymously?
12:16:09 5 A. I wouldn't say most are.
12:16:11 6 Q. Substantial number?
12:16:14 7 A. Yeah, I guess that's -- I guess that's fair.
12:16:18 8 Q. Does whether a complaint is made anonymously
12:16:21 9 impact your assessment of its credibility?
12:16:24 10 A. Not at face value. I -- I would be remiss to say
12:16:28 11 that it doesn't make it harder.
12:16:31 12 Q. But it doesn't, in your opinion, bear on
12:16:34 13 credibility?
12:16:34 14 A. No, not right away.
12:16:36 15 Q. Does your office follow up on anonymous
12:16:40 16 complaints?
12:16:41 17 A. If we have enough information to do so.
12:16:43 18 Q. Do any anonymous complaints reach the
12:16:46 19 investigation stage?
12:16:49 20 A. I'm sure they do. I can't tell you for sure.
12:16:53 21 Q. Looking about halfway down this document where it
12:16:57 22 says, "Complaint details," the document says, "This person
12:17:04 23 brags about being illegal and being registered to vote in
12:17:07 24 Maricopa County. He voted in last year's national
12:17:09 25 election."

12:17:10 1 Did I read that correctly?

12:17:11 2 A. Yes.

12:17:11 3 Q. And I'll note that portions of this document are

12:17:14 4 redacted, including potentially the individual's name.

12:17:18 5 This form appears to indicate that the

12:17:22 6 complaint was not reported to a law enforcement agency. Do

12:17:26 7 I have that correct?

12:17:28 8 A. Yes.

12:17:30 9 Q. What does that mean exactly?

12:17:32 10 A. That -- that's a section that is -- occasionally,

12:17:39 11 from -- from time to time, somebody will make the same

12:17:45 12 complaint, if you will, to a sheriff's department and to

12:17:50 13 us. That would be where it would be noted that it was also

12:17:53 14 documented under Maricopa County Sheriff's Office number

12:17:56 15 blah, blah, blah.

12:18:02 16 Q. Do you know if your office ever made a credibility

12:18:05 17 determination with respect to this complaint?

12:18:10 18 A. I believe that this was handled at the duty agent

12:18:18 19 level, if I'm considering the right document.

12:18:22 20 Q. How do you know that?

12:18:25 21 A. Because I reviewed -- I've reviewed the case.

12:18:32 22 Q. When you say "handled at the duty agent level,"

12:18:34 23 what does that mean?

12:18:36 24 A. Means that they made a -- they did an initial

12:18:41 25 evaluation and found that there was no -- there was

12:18:44 1 something in -- there was something in the way of creating

12:18:49 2 an actual case number for this.

12:18:51 3 Q. Is there anything on this document that indicates

12:18:54 4 that the duty agent resolved this complaint?

12:18:58 5 A. No, not on here, there aren't.

12:19:00 6 Q. So you base that just based on your own

12:19:02 7 familiarity with this individual case?

12:19:04 8 A. Well, and the way the -- the process in which the

12:19:08 9 duty agents do things.

12:19:10 10 Q. Can you tell me what that -- what do you mean by

12:19:11 11 that?

12:19:11 12 A. I mean, that they -- he -- the duty agent did an

12:19:15 13 initial evaluation and determined that there was -- it

12:19:18 14 didn't need to be forwarded to anybody to create an actual

12:19:22 15 case.

12:19:24 16 Q. Okay. I'm going to hand you now what will be

12:19:31 17 marked Exhibit 218, which is Number 16 in the Dropbox.

12:19:31 18 (The document was marked as Exhibit 218

12:19:40 19 for identification.)

12:19:40 20 BY MR. DODGE:

12:19:44 21 Q. Can you tell me what this document is?

12:19:46 22 A. It's an attorney -- well, the top is Attorney

12:19:54 23 General's Office investigations case opening form.

12:19:56 24 Q. Is this a standard form in your office?

12:19:58 25 A. Yes.

12:19:59 1 Q. What is this form used for?

12:20:02 2 A. When a -- when a complaint is -- is turned into an

12:20:07 3 actual case, then this form is generated.

12:20:11 4 Q. When you say "an actual case," you mean once it

12:20:14 5 sort of moved past the credibility determination phase into

12:20:17 6 the investigation phase?

12:20:17 7 A. Correct.

12:20:18 8 Q. And looking about halfway down the front page of

12:20:20 9 this document, it looks like you were the agent assigned to

12:20:23 10 this case; correct?

12:20:24 11 A. That's what it says.

12:20:25 12 Q. Do you recall this particular case?

12:20:28 13 A. Yes.

12:20:35 14 Q. Can you turn to the third page of this document.

12:20:49 15 A. Third, yes.

12:20:54 16 Q. About halfway down the page it says, "Office of

12:20:57 17 Arizona Attorney General Mark Brnovich Election Complaint

12:21:01 18 Form." Do you see that?

12:21:01 19 A. Yes.

12:21:02 20 Q. Can you tell me what an election complaint form

12:21:04 21 it?

12:21:06 22 A. This would have come in through the portal and

12:21:09 23 filled out electronically.

12:21:12 24 Q. I see.

12:21:13 25 Is this something the portal generates

12:21:15 1 automatically based on the inputs a referring person makes?

12:21:19 2 A. That's my understanding. Again, I'm not the IT

12:21:23 3 person but --

12:21:23 4 Q. So this is a form you would have received from

12:21:25 5 Ms. Wright when she chose to pass on a referral?

12:21:28 6 A. Appears to be, yes.

12:21:31 7 Q. Can you look at the next page of this document.

12:21:49 8 And at the top it says, "State, in your own

12:21:52 9 words, what exactly transpired; specifically, when and

12:21:55 10 where did the events take place?" so forth.

12:21:58 11 Do you see that?

12:21:58 12 A. Yes, I do.

12:21:59 13 Q. And then in response, this complaining individual

12:22:01 14 wrote, "I witnessed this person fill out and sign an

12:22:03 15 election ballot last year in the general election of 2020.

12:22:06 16 I know for a fact that he is an illegal undocumented

12:22:08 17 alien."

12:22:09 18 Did I read that correctly?

12:22:09 19 A. You did.

12:22:10 20 Q. And going back to the prior page and maybe the

12:22:21 21 bottom of the page right before that, it looks like on

12:22:24 22 January 5th, 2022, Jennifer Wright referred this complaint

12:22:28 23 to Mr. Lawson. Do you see that?

12:22:31 24 A. Oh, January 5th, 2022. Yes, I see that.

12:22:35 25 Q. And then going back to the second page, Mr. Lawson

12:22:43 1 emails you and asks you to conduct an initial review of the

12:22:46 2 complaint. "If you find it to have merit, can you please

12:22:49 3 open an investigation? Thanks."

12:22:51 4 Did I get that correct?

12:22:52 5 A. You did.

12:22:52 6 Q. And then right above that, you write, "Todd, there

12:22:57 7 is no evidence to support the allegation that [name

12:23:00 8 redacted] is not a U.S. citizen. Thanks, Bill."

12:23:03 9 Did I get that right?

12:23:04 10 A. Yeah.

12:23:05 11 Q. What steps did you take to determine that this

12:23:08 12 individual was a U.S. citizen?

12:23:10 13 A. It's incorporated in the first page of this

12:23:13 14 document. It was -- I researched the individual. I

12:23:25 15 initially determined that he had a steady residence and a

12:23:30 16 steady employment in Arizona for many, many years prior.

12:23:33 17 He did have a valid driver's license.

12:23:36 18 I then followed up by contacting the Social

12:23:41 19 Security Administration and verif- -- verifying that the

12:23:43 20 Social Security number was related to that subject, and all

12:23:51 21 of those things were the case.

12:23:53 22 Q. And those are ordinary investigative steps you

12:23:56 23 take for a claim like this?

12:23:58 24 A. It is.

12:23:59 25 Q. Turning back to the second page, Mr. Lawson

12:24:01 1 responds to your email and says, "Ok. Can you please do an

12:24:04 2 open/close in SIS to document the complaint? I will remove

12:24:09 3 it from my coming-to-FSP tracking list. Thanks, T."

12:24:12 4 Did I get that right?

12:24:12 5 A. Yes.

12:24:14 6 Q. Can you tell me what SIS stands for?

12:24:18 7 A. Special Investigations Section.

12:24:19 8 Q. That's part of the Criminal Division at the

12:24:22 9 Attorney General's Office?

12:24:22 10 A. Yes.

12:24:22 11 Q. And how does the Election Integrity Unit relate to

12:24:25 12 SIS?

12:24:27 13 A. It's just a subpart, I guess is the best way to

12:24:30 14 say it.

12:24:31 15 Q. What is an open-close?

12:24:34 16 A. We use an open/close as a -- it's mostly a

12:24:43 17 tracking tool. It's more -- it's more easily tracked

12:24:49 18 and -- and serves better than just having a complaint

12:24:53 19 number. So that's the reason that -- like we talked about

12:24:56 20 the case opening form, that case opening form generates

12:24:59 21 that SIS number, and that's far easier to track.

12:25:04 22 And so even though I did an initial

12:25:06 23 investigation and found this -- that there wasn't anything

12:25:08 24 I could work with here, I wanted it to be able to be

12:25:11 25 documented statistically for future reference, so the SIS

12:25:16 1 number was created for better document tracking or
12:25:19 2 documentation.
12:25:20 3 Q. You ultimately determined that the allegation in
12:25:23 4 this complaint form was baseless; correct?
12:25:25 5 A. Yes.
12:25:26 6 Q. Are there instances where a claim is baseless
12:25:29 7 where you would not record a complaint using an open/close?
12:25:36 8 A. I -- honestly, I'm sure that it happens. It's my
12:25:40 9 practice to always do an open/close for tracking purposes.
12:25:45 10 I've made a habit out of it for several, several years.
12:25:48 11 Q. Even when the claim lacks merit?
12:25:48 12 A. Yes.
12:25:51 13 Q. What does Mr. Lawson mean when he says "my
12:25:54 14 coming-to-FSP tracking list"?
12:25:57 15 A. FSP is the -- the best way I can describe it is
12:26:06 16 the attorney's side of criminal investigations. So fraud
12:26:08 17 and special prosecutions is what that stands for. So he's
12:26:12 18 just saying, "I'm going to take it off" -- "I'm not going
12:26:15 19 to clutter myself, expecting this to come to me as a case,
12:26:19 20 because I know you're going to close it."
12:26:21 21 Q. Got it.
12:26:24 22 MR. DODGE: Why don't we go off the record.
12:26:26 23 THE VIDEOGRAPHER: We are off the record.
12:26:28 24 Time on the video monitor is 12:26 p.m.
12:26:33 25 (A recess ensued.)

12:32:52 1 THE VIDEOGRAPHER: We are on the record.

12:37:30 2 Time on the video monitor is 12:37 p.m.

12:37:34 3 BY MR. DODGE:

12:37:36 4 Q. Mr. Knuth, you testified earlier that you believe

12:37:40 5 the Election Integrity Unit had investigated most of the

12:37:47 6 referrals listed on Exhibits 215 and 216; correct?

12:37:51 7 A. I think I had some reservation in that answer

12:37:57 8 because I'm not really familiar with that spreadsheet.

12:37:59 9 It's not something that I had much to do with. My

12:38:03 10 assumption would be that, yeah, we investigated quite a few

12:38:06 11 of those.

12:38:07 12 Q. And you didn't have access to that spreadsheet in

12:38:10 13 part because referrals through the portal didn't come

12:38:14 14 directly to you; right?

12:38:15 15 A. Right.

12:38:16 16 Q. So you only received intake portal referrals that

12:38:20 17 were passed along by Ms. Wright?

12:38:23 18 A. Yes.

12:38:24 19 Q. And you're not sure how often Ms. Wright made the

12:38:27 20 determination to pass on a referral or to not pass it on;

12:38:31 21 right?

12:38:31 22 A. Right. I have no idea.

12:38:32 23 Q. Do you have a rough sense of how many referrals

12:38:34 24 Ms. Wright did pass on to you or Mr. Lawson when she was

12:38:39 25 responsible for overseeing the portal?

12:38:42 1 A. Man, I -- I would really, really be guessing at a

12:38:50 2 number there. It's a large number.

12:38:51 3 Q. Hundreds?

12:38:52 4 A. Yeah, I would say that's fair to say.

12:38:54 5 Q. Maybe thousands? More like hundreds?

12:38:59 6 A. It could be in the thousands.

12:38:59 7 Q. Low thousands maybe?

12:39:02 8 A. Yeah. I'll -- I mean, that's probably fairly

12:39:05 9 close.

12:39:06 10 Q. And so when you say that your office investigated

12:39:09 11 a majority of those referrals, are you referring

12:39:12 12 specifically to the ones that were passed on to you by

12:39:15 13 Ms. Wright?

12:39:17 14 A. Yes.

12:39:18 15 Q. So not necessarily --

12:39:19 16 A. Well, yes. Yes.

12:39:20 17 Q. So not necessarily every single thing that was

12:39:23 18 ever put in the portal ever; correct?

12:39:25 19 A. No. Yeah, I guess, that's fair to say.

12:39:28 20 MR. DODGE: Okay. I'm going to pass to

12:39:31 21 Mr. Herrera.

12:39:52 22 MR. HERRERA: Thank you for bearing with us

12:39:53 23 as we switch out seats.

12:39:54 24 THE WITNESS: No worries.

12:39:54 25 EXAMINATION

12:39:55 1 BY MR. HERRERA:

12:39:55 2 Q. Mr. Knuth, my name is Ernest Herrera, and I'm an
12:39:59 3 attorney for the group known as the Promise Arizona
12:40:01 4 plaintiffs. I just have a few questions for you.

12:40:06 5 You have a -- obviously, you have a law
12:40:18 6 enforcement background, as you discussed earlier; right?

12:40:19 7 A. Yes.

12:40:20 8 Q. Okay. Does the Attorney General's Office ever
12:40:25 9 work with county recorders' offices on election
12:40:30 10 investigations, including fraud investigations?

12:40:33 11 A. I guess for clarity, are you talking about working
12:40:38 12 in concert with one another, like a joint investigation?

12:40:42 13 Q. Either that or something like getting information
12:40:48 14 from the county recorder's office.

12:40:49 15 A. Yeah, that happens frequently.

12:40:51 16 Q. Okay.

12:40:51 17 A. We -- yes, we get referrals from recorders'
12:40:55 18 offices frequently.

12:40:56 19 Q. Now, do you ever, as part of your investigation,
12:40:58 20 go and talk with the county recorders' offices to get more
12:41:02 21 information?

12:41:03 22 A. Sure.

12:41:04 23 Q. Do you have regular meetings with county
12:41:09 24 recorders' offices on things like detecting fraud?

12:41:15 25 A. No. I will qualify that by saying I have had that

12:41:21 1 sort of contact with one of the counties in the state so
12:41:24 2 far, and it's a plan to incorporate that in the future.

12:41:27 3 Q. Okay. I see.

12:41:28 4 So what's -- what's that plan to incorporate
12:41:30 5 that in the future?

12:41:31 6 A. It's just a -- it's a -- we'll call it a goal.
12:41:36 7 It's a goal of the agency to have more outreach with the
12:41:44 8 county recorders' offices across the state.

12:41:46 9 Q. And --

12:41:47 10 A. Just communication basically.

12:41:48 11 Q. Can you say what -- which county that is?

12:41:51 12 A. That I've already done this in?

12:41:53 13 Q. Yes.

12:41:54 14 A. Apache.

12:41:55 15 Q. And with Apache County, would it be helping them
12:41:57 16 set up something like their own election integrity unit
12:42:01 17 or -- or something else?

12:42:01 18 A. No. No. It's really more of a -- it's more of a
12:42:09 19 familiarization, building lines of communication. It's
12:42:15 20 almost like a review for a test in school. We just go in
12:42:19 21 and we go through election law and election procedures and
12:42:22 22 say, "Hey, are we all on the same page here? Is everybody
12:42:26 23 doing what they're supposed to be doing?" That kind of
12:42:27 24 thing. It's very informal.

12:42:28 25 Q. I see.

12:42:29 1 That kind of relates to my next question,
12:42:31 2 which is: Does -- have you or has your office ever
12:42:37 3 conducted a training for county recorder personnel on how
12:42:41 4 to detect or investigate potential voter fraud?

12:42:45 5 A. To my knowledge, that hasn't happened. And also
12:42:47 6 to my knowledge, I believe that's under the scope of the
12:42:49 7 Secretary of State's Office, so I don't know if we would be
12:42:52 8 allowed to.

12:42:52 9 Q. Okay. And that probably answers my next question,
12:42:58 10 which is: Does your office or do you plan to conduct any
12:43:01 11 trainings on detecting or investigating potential voter
12:43:05 12 fraud with the county recorders?

12:43:08 13 A. I would say that I -- because I'm -- I don't
12:43:13 14 believe that we would have the jurisdiction to do that --
12:43:16 15 it would be something I would love to do, but I don't know
12:43:18 16 that we would be able to. And it -- it loosely may come up
12:43:22 17 in conversation if I do indeed get to go visit the counties
12:43:26 18 and talk to them all. I mean, it would be very informal,
12:43:30 19 though.

12:43:31 20 Q. However, you haven't had any discussion --

12:43:33 21 A. I haven't.

12:43:34 22 Q. -- about doing a training like that; right?

12:43:36 23 A. No.

12:43:36 24 Q. Okay. In your background as a law enforcement
12:43:39 25 official or officer, do you have to familiarize -- or did

12:43:43 1 you have to familiarize yourself with language of statutes?

12:43:47 2 A. Yes.

12:43:47 3 Q. And did you have to familiarize yourself with
12:43:52 4 language of case law, like legal case law?

12:43:57 5 A. A little bit. Not as much as statutes, but a
12:43:59 6 little, yes.

12:44:00 7 Q. Okay. I have family in law enforcement. I know
12:44:04 8 they do kind of a rudimentary Fourth Amendment training;
12:44:07 9 right? So anything like that?

12:44:09 10 A. Yeah, that would be fair.

12:44:10 11 Q. Okay. Now, a little while ago you had something
12:44:16 12 in front of you that -- Exhibit 21 -- and it was the House
12:44:21 13 Bill 2243. Can you -- not to make you go on a scavenger
12:44:24 14 hunt. Can you pull that up?

12:44:26 15 A. Yeah.

12:44:28 16 Q. So earlier we were looking at section --

12:44:35 17 Subsection (A) (10) of the amended 16-165. So in that

12:44:43 18 document you have there, Exhibit 21, it should be on

12:44:46 19 page --

12:44:50 20 A. Four?

12:44:51 21 Q. Yes. Four.

12:44:53 22 A. Okay.

12:44:54 23 Q. Thanks.

12:44:55 24 A. I'm there.

12:44:55 25 Q. Okay. So earlier Mr. -- Mr. Dodge was reading

12:45:01 1 through with you some of the language, and you saw the
12:45:03 2 language at the end that said, "The county recorder shall
12:45:08 3 cancel the registration and notify the county attorney and
12:45:11 4 attorney general for possible investigation."

12:45:14 5 Do you recall that?

12:45:14 6 A. Yes.

12:45:15 7 Q. Now, around that time in your testimony -- and
12:45:19 8 correct me if I'm wrong -- I believe you referred to -- and
12:45:24 9 it may have been about something else, but you referred to
12:45:26 10 something as "vague" or seeming vague. Do you recall that?

12:45:30 11 A. I remember asking for clarification because
12:45:34 12 something was vague, but I can't tell you what it was
12:45:36 13 about.

12:45:36 14 Q. Was it about one of our -- one of the questions of
12:45:39 15 the plaintiffs or something else or --

12:45:41 16 A. I believe so.

12:45:42 17 Q. Okay.

12:45:43 18 A. I don't remember.

12:45:44 19 Q. We'll move on.

12:45:46 20 So looking at this A(10), as you can see, at
12:45:54 21 the top, it says, "When the county recorder obtains
12:46:00 22 information pursuant to this section."

12:46:02 23 Do you see that?

12:46:02 24 A. Yes, I do.

12:46:03 25 Q. Okay. So now I'm going to -- if you go down to

12:46:08 1 the -- page 6 of the bill, which is the seventh page of
12:46:14 2 this Exhibit 21, do you see section -- you'll see a
12:46:19 3 Subsection H. It's about line 6 on page 6.
12:46:29 4 A. On page 6. If I can get the pages apart. Yes,
12:46:38 5 now I do.
12:46:38 6 Q. So do you see the section that says H?
12:46:43 7 A. Yes.
12:46:43 8 Q. Okay. Can you take a minute to read that one to
12:46:47 9 yourself, that Section H.
12:46:51 10 A. Okay.
12:47:07 11 Q. Okay. And have you ever read this part of HB 2243
12:47:13 12 before?
12:47:14 13 A. I reviewed all the documents so -- I didn't commit
12:47:17 14 them to memory, but I've reviewed everything here.
12:47:19 15 Q. Okay. And do you know what the Systematic Alien
12:47:27 16 Verification for Entitlements program is?
12:47:30 17 A. I have heard it referenced. I believe it's --
12:47:33 18 it's referred to as SAVE. I don't know much about it.
12:47:37 19 Q. Okay. And do you ever use SAVE in your -- as part
12:47:41 20 of your investigations?
12:47:42 21 A. No. My understanding is that we don't have access
12:47:45 22 to such a system.
12:47:46 23 Q. And by "we," you mean the AG's office?
12:47:49 24 A. Yes.
12:47:51 25 Q. And do you see the third line in that Subsection H

12:47:57 1 in -- on page 6 of Exhibit 21 where it says, "Who the
12:48:02 2 county recorder has reason to believe are not United States
12:48:05 3 citizens"?

12:48:07 4 A. Yes, I see that.

12:48:08 5 Q. Okay. Does the phrase "reason to believe" seem
12:48:14 6 familiar to you from any other context?

12:48:24 7 A. I mean, I -- obviously, I'm familiar with the
12:48:27 8 statement "reason to believe." I don't know if I
12:48:27 9 understand what your question is, though.

12:48:29 10 Q. I mean, have you -- have you seen it before --
12:48:32 11 elsewhere in the criminal law context?

12:48:39 12 A. I mean, "reason to believe" is -- I mean, that's
12:48:46 13 pretty generic. If you were asking me, you know, like,
12:48:48 14 reasonable doubt, that would be something I'd be more apt
12:48:52 15 to say, "Oh, yeah, I see that in law -- you know, law all
12:48:55 16 the time." But "reason to believe" is just kind of broad
12:48:59 17 and vague, you know. It's common. So I don't know. I
12:49:02 18 don't know that I'd say I see it frequently or anything.

12:49:05 19 Q. I see.

12:49:06 20 And by "vague," what do you mean by that?

12:49:08 21 A. That was a bad choice of words. It's just a
12:49:12 22 very -- it's just a very basic statement. I mean, to me --
12:49:16 23 to me, "reason to believe" is used frequently in all kinds
12:49:21 24 of context.

12:49:23 25 Q. And so it's -- it's not exactly, for example,

12:49:30 1 something you would have seen for -- in reasonable
12:49:35 2 suspicion or probable cause standard; right?
12:49:38 3 A. Yeah, I don't put it --
12:49:38 4 MR. WHITAKER: Calls for a legal conclusion.
12:49:39 5 THE WITNESS: Sorry. I don't put it in the
12:49:43 6 same box as that, to me.
12:49:45 7 BY MR. HERRERA:
12:49:45 8 Q. Okay.
12:49:45 9 A. I guess that's the best way I can say it.
12:49:50 10 Q. And has the Election Integrity Unit done any
12:49:59 11 training with county recorder personnel on what "reason to
12:50:03 12 believe" means in the context of this part of 2243 that we
12:50:07 13 just looked at?
12:50:08 14 A. No.
12:50:10 15 MR. HERRERA: Okay. I think those are all my
12:50:12 16 questions. Are we going off the record now for --
12:50:21 17 MR. DODGE: Do you want to see if any other
12:50:22 18 plaintiffs have questions?
12:50:24 19 MR. HERRERA: Oh, yeah.
12:50:24 20 MR. WHITAKER: And maybe also defendants
12:50:26 21 because -- because if Bill's going to go, we should
12:50:28 22 probably do that.
12:50:31 23 So first, any other plaintiffs want to ask
12:50:34 24 Mr. Knuth questions? Can the other plaintiffs hear us
12:50:44 25 still?

12:50:52 1 MR. DODGE: In the interest of efficiency,
12:50:54 2 anyone with questions for Mr. Knuth should ask them now
12:50:56 3 while he's here with us. If any other plaintiff groups
12:50:59 4 have questions for him on the topics he's spoken to, can
12:51:03 5 you indicate that now, please?

12:51:20 6 Hearing nothing from plaintiffs' counsel, I
12:51:22 7 guess we'll see if any defendants want to redirect with
12:51:25 8 Mr. Knuth now.

12:51:29 9 MR. LANGHOFER: This is Kory Langhofer for
12:51:30 10 the RNC. I have a couple questions, but it -- I imagine
12:51:34 11 that the AG's office probably has some. And their
12:51:38 12 questioning would be more organized since they've met with
12:51:40 13 the witness. Perhaps I should go after them if that's all
12:51:43 14 right with everyone.

12:51:43 15 MR. DODGE: That makes sense to me.

12:51:46 16 MR. WHITAKER: That's fine. I just had a
12:51:47 17 couple clarifying ones. So I guess I'll go if no one
12:51:47 18 objects.

12:51:47 19

12:51:51 20 EXAMINATION

12:51:51 21 BY MR. WHITAKER:

12:51:53 22 Q. Mr. Knuth, I believe you testified earlier that
12:51:56 23 you thought the intake portal may have been removed from
12:52:00 24 the website. Are you positive about that?

12:52:03 25 A. No. I actually had an opportunity to take a look,

12:52:09 1 and we -- we did have a meeting suggesting that it was
12:52:12 2 going to be removed, but apparently it is still there.

12:52:15 3 Q. Okay. So the way -- the best way to find out
12:52:18 4 whether the intake portal has been removed is to go on our
12:52:22 5 website. Is that fair?

12:52:23 6 A. Yes.

12:52:23 7 Q. And I think this was clear earlier, but I want to
12:52:29 8 make sure.

12:52:30 9 Are you aware of specific plans the office
12:52:33 10 has to investigate referrals -- referrals under the
12:52:36 11 challenged laws apart from just general investigative
12:52:39 12 practices?

12:52:40 13 A. No, I'm not.

12:52:45 14 MR. WHITAKER: That's really all the
12:52:46 15 clarifications I have.

12:52:47 16 So, Mr. Langhofer, over to you.

12:52:52 17 MR. LANGHOFER: Thanks, Josh.

12:52:52 18

12:52:52 19 EXAMINATION

12:52:52 20 BY MR. LANGHOFER:

12:52:58 21 Q. My name is Kory Langhofer, and I represent the
12:53:00 22 Republican National Committee. I have just a handful of
12:53:03 23 questions for you. I don't think it will take very long at
12:53:03 24 all.

12:53:06 25 Could you clarify the difference between

12:53:09 1 investigations in which you conclude there's a credible
12:53:14 2 complaint or credible allegation and ones in which someone
12:53:18 3 is eventually prosecuted?

12:53:26 4 A. I don't know if I understood. From what you're
12:53:28 5 asking, I think one leads to the other.

12:53:33 6 You're -- you're asking about when we
12:53:35 7 determine that a case has validity and needs to be
12:53:39 8 investigated and when a case would lead to prosecution? Do
12:53:45 9 I understand that correct?

12:53:46 10 Q. Well, the -- I think that, if I understand your
12:53:50 11 earlier testimony, when a complaint comes in through the
12:53:54 12 portal, for example, you first do an assessment to
12:53:57 13 determine whether it's credible and worth more time for an
12:54:01 14 investigation. Am I remembering that correctly?

12:54:04 15 MR. DODGE: Objection; form.

12:54:06 16 THE WITNESS: If it -- yeah, we're
12:54:09 17 determining if it -- if it's a viable case and it looks
12:54:11 18 like it has some merit to it.

12:54:13 19 BY MR. LANGHOFER:

12:54:15 20 Q. But that's different from a decision about whether
12:54:17 21 to prosecute; correct?

12:54:18 22 A. Yes. Absolutely.

12:54:19 23 Q. Okay. Can you talk about what -- what's left to
12:54:25 24 do after you determine it's a credible allegation until you
12:54:28 25 get to the point of deciding to prosecute?

12:54:31 1 A. Well, it's certainly case-by-case, so I'll -- in a
12:54:37 2 kind of generic form, once it's determined that there's the
12:54:44 3 validity to it and it's -- it can be investigated, all of
12:54:50 4 the investigative tools are used to get as much information
12:54:54 5 as we can to determine if indeed we have probable cause to
12:55:01 6 believe a crime has been committed. And if we do, at that
12:55:04 7 time, we forward it for potential prosecution.

12:55:07 8 Q. Is every case in which you believe the complaint
12:55:13 9 is credible ultimately prosecuted?

12:55:16 10 A. No.

12:55:18 11 Q. How many of the credible complaints do you think
12:55:21 12 result in prosecution?

12:55:29 13 MR. DODGE: Objection; foundation.

12:55:34 14 THE WITNESS: That's a very difficult
12:55:36 15 question to answer. I -- I think that there are probably
12:55:48 16 more cases that we do investigations on that end up not
12:55:56 17 satisfying what we believe we need for prosecution. But I
12:56:01 18 can't tell you, you know, if it's half and half or less.
12:56:04 19 It's -- you know, it's just a really difficult question to
12:56:08 20 answer, honestly.

12:56:10 21 BY MR. LANGHOFER:

12:56:11 22 Q. So if your office determines -- what's the
12:56:17 23 standard of proof for a criminal conviction?

12:56:22 24 A. We need to establish that -- excuse me --
12:56:25 25 establish that there's probable cause to -- to charge

12:56:28 1 somebody with a crime.

12:56:30 2 Q. And then in order for them to be convicted, it has
12:56:33 3 to be proven beyond a reasonable doubt; correct?

12:56:36 4 MR. DODGE: Objection; foundation. Calls for
12:56:37 5 a legal conclusion.

12:56:38 6 THE WITNESS: That's my understanding.

12:56:40 7 BY MR. LANGHOFER:

12:56:43 8 Q. Does your office bring all the cases for which it
12:56:46 9 has probable cause, or does it only bring the cases that it
12:56:49 10 believes it can prove beyond a reasonable doubt?

12:56:53 11 MR. DODGE: Objection; foundation.

12:56:56 12 THE WITNESS: I can -- I can speak for
12:56:58 13 myself, as an investigator, that if I believe there's
12:57:02 14 probable cause that a crime has been committed, then it is
12:57:04 15 forwarded for potential -- forwarded for potential
12:57:07 16 prosecution.

12:57:07 17 BY MR. LANGHOFER:

12:57:09 18 Q. Okay. And then from there, the decision is made
12:57:14 19 by Todd Lawson; is that right?

12:57:16 20 A. Typically, in the cases I'm involved in, yes.

12:57:20 21 Q. In your -- I want to -- you had a series of
12:57:28 22 questions on direct about individuals who couldn't provide
12:57:36 23 documentary proof of residency and citizenship.

12:57:39 24 In the investigations that you've been
12:57:40 25 involved in regarding improper registration, have you ever

12:57:46 1 encountered an individual who didn't have a driver's
12:57:51 2 license, a nonoperating identification issued by ADOT after
12:57:55 3 1996, a birth certificate, passport, naturalization papers
12:57:59 4 or naturalization number, BIA card number, tribal treaty
12:58:05 5 card number, or tribal enrollment number, like, none of
12:58:10 6 those eight things?

12:58:10 7 MR. DODGE: Objection. Compound.

12:58:12 8 THE WITNESS: That was a very hard question
12:58:13 9 to follow, sir. I -- I lost you with all those documents.

12:58:17 10 Can you -- can you bring that down to what
12:58:20 11 the question was and just say "these documents" so that I
12:58:23 12 can understand it easier?

12:58:24 13 BY MR. LANGHOFER:

12:58:25 14 Q. Yeah.

12:58:26 15 So I guess the question is: Have you ever
12:58:28 16 met someone who, even though he's a U.S. -- he or she is a
12:58:32 17 U.S. citizen, wouldn't be able to satisfy the documentation
12:58:35 18 requirement in Section 166? And so you looked at them
12:58:39 19 before, but I'll same them again. It includes driver's
12:58:43 20 license, nonoperating ID issued after 1996 by ADOT, birth
12:58:50 21 certificate, passport, naturalization papers or
12:58:53 22 naturalization number, BIA card number, tribal treaty card
12:58:58 23 number, or tribal enrollment number, any of those things.

12:59:01 24 MR. DODGE: Objection. Compound.

12:59:02 25 THE WITNESS: I -- for me to say that I've

12:59:07 1 never encountered somebody in my 25-year career that didn't
12:59:13 2 have any of those things would be -- that would be remiss.
12:59:19 3 I mean, I don't know how else to answer that.

12:59:22 4 BY MR. LANGHOFER:

12:59:23 5 Q. Can you think of anyone, as you sit here, that you
12:59:26 6 have encountered who, as you recall, had none of those
12:59:30 7 eight things?

12:59:31 8 A. Not specifically.

12:59:34 9 Q. Can you think of anyone you've heard about around
12:59:37 10 the office, like a case that has been discussed but you
12:59:40 11 weren't personally for, that would meet those criteria?

12:59:44 12 A. No.

12:59:44 13 MR. DODGE: Objection. Calls for
12:59:45 14 speculation. Foundation.

12:59:45 15 BY MR. LANGHOFER:

12:59:51 16 Q. Have you ever prosecuted someone for registering
12:59:56 17 or attempting to register without being a citizen only to
13:00:00 18 later find out the defendant was, in fact, a U.S. citizen?

13:00:06 19 A. I don't recall ever having involvement in a case
13:00:10 20 like that.

13:00:13 21 Q. Have you ever prosecuted a person for voting or
13:00:18 22 attempting to vote without being a U.S. citizen only to
13:00:21 23 later find out that the defendant is a U.S. citizen?

13:00:26 24 A. I don't recall any cases like that.

13:00:33 25 MR. LANGHOFER: Thanks very much, sir. Those

13:00:33 1 are all the questions I have for you.

13:00:38 2 MR. DODGE: I have just a couple more in
13:00:40 3 case -- unless there are any other defendants or
13:00:41 4 intervenors.

13:00:41 5 MR. WHITAKER: I was just going to say, let's
13:00:43 6 see if there are any other defendants --

13:00:45 7 MR. DODGE: Yeah, the floor is open for
13:00:47 8 defendants, but otherwise . . .

13:00:52 9
13:00:52 10 FURTHER EXAMINATION

13:00:53 11 BY MR. DODGE:

13:00:54 12 Q. Mr. Knuth, I promise we're getting close.

13:00:56 13 You testified just a moment ago that the
13:00:59 14 intake portal is, in fact, still alive; correct?

13:01:01 15 A. Yes.

13:01:01 16 Q. And you testified that you were involved in a
13:01:05 17 conversation sometime in the spring or thereabouts about
13:01:09 18 whether or not to potentially take it offline; is that
13:01:13 19 right?

13:01:13 20 A. Correct.

13:01:13 21 Q. Do you know why the decision was made ultimately
13:01:15 22 to keep it online?

13:01:17 23 A. I don't. All we had was a discussion about the --
13:01:22 24 no more Election Integrity Unit, so should the portal stay;
13:01:26 25 should it go? I was the under the impression it was going

13:01:28 1 to come down but . . .

13:01:29 2 Q. Mr. Langhofer just asked you some questions about

13:01:33 3 whether or not cases that you find to be credible are

13:01:39 4 always referred on for prosecution. Do you remember that?

13:01:41 5 A. Yes.

13:01:43 6 Q. When it comes to investigating a person's

13:01:45 7 citizenship, that's a fairly binary question from an

13:01:49 8 investigative standpoint; right?

13:01:53 9 A. Yeah, I mean, it's pretty cut and dried. They're

13:01:57 10 either a citizen or they're not.

13:01:57 11 Q. Are you aware of any case where your office

13:02:00 12 determined that an individual was, as a matter of fact, not

13:02:05 13 a U.S. citizen but either registered to vote or cast a

13:02:12 14 ballot where that case was not then referred on to a

13:02:16 15 prosecutor?

13:02:20 16 A. Not that I'm aware of.

13:02:22 17 Q. And that's in part because whether or not

13:02:24 18 someone's a citizen is a very simple question, and so if

13:02:27 19 you prove it as a matter of fact, there's not much of a

13:02:31 20 reason to doubt the ability to prove it beyond a reasonable

13:02:34 21 doubt; right?

13:02:36 22 MR. WHITAKER: Objection. Leading.

13:02:40 23 THE WITNESS: I mean, I think it's -- I think

13:02:43 24 if I satisfied in my mind that I have proven or disproven

13:02:48 25 somebody's a citizen, then I feel comfortable presenting

13:02:51 1 that case for prosecution.

13:02:52 2 BY MR. DODGE:

13:02:54 3 Q. Returning to the issue of credibility assessments,

13:02:57 4 can it be the case that your office receives a referral

13:03:01 5 where the complainant is credible but where their

13:03:05 6 allegation ultimately turns out to be incorrect?

13:03:08 7 A. Sure. Certainly.

13:03:09 8 Q. Could it be also then be the case that your office
13:03:12 9 receives a complaint that is deemed credible but where
13:03:16 10 ultimately you feel you can't meet the burden necessary to
13:03:21 11 refer for prosecution?

13:03:22 12 A. Yes.

13:03:24 13 MR. DODGE: Nothing further.

13:03:27 14 MR. WHITAKER: Nothing further from us.

13:03:31 15 MR. DODGE: Okay. Let's go off the record.

13:03:33 16 THE VIDEOGRAPHER: We are of the record.

13:03:41 18 (A recess ensued.)

25 TODD LAWSON,

1 the witness herein, being first duly sworn,
2 was examined and testified as follows:

13:43:37

4

EXAMINATION

13:43:37

5

BY MR. DODGE:

13:43:40

6

Q. Okay. Good afternoon, Mr. Lawson. My name is

13:43:43

7

Chris Dodge. I represent Mi Familia Vota and Voto Latino

13:43:47

8

in this matter.

13:43:48

9

Could you please state your full name for the

13:43:50

10

record, spelling your last name.

13:43:51

11

A. Sure. Todd Lawson, L-a-w-s-o-n.

13:43:54

12

Q. And have you ever been deposed before?

13:43:56

13

A. A couples times.

13:43:57

14

Q. Okay. Well, I know you're an attorney, and it

13:44:01

15

sounds like you've been deposed before, but just very

13:44:01

16

quickly, some ground rules.

13:44:03

17

You understand that we have a court reporter

13:44:04

18

here whose job it is to make a complete and accurate record

13:44:09

19

of what we're saying here today?

13:44:09

20

A. Yes, sir.

13:44:10

21

Q. And so that the court reporter can accurately

13:44:13

22

record today's deposition, can we agree that you'll answer

13:44:16

23

my questions audibly and clearly?

13:44:17

24

A. Yes, sir.

13:44:18

25

Q. And can we agree that you will wait for me to

13:44:20 1 finish my questions before answering so that we don't talk
13:44:23 2 over each other?

13:44:23 3 A. Yes, sir.

13:44:23 4 Q. If you do not understand a question or if a
13:44:28 5 question is confusing, please just let me know and I will
13:44:30 6 either repeat it or try to ask it a different way. Does
13:44:33 7 that sound fair?

13:44:34 8 A. Yes.

13:44:34 9 Q. But if I ask a question and you do answer it, I
13:44:37 10 will assume that you understood that question. That sound
13:44:40 11 fair?

13:44:40 12 A. Understood.

13:44:41 13 Q. If you would like to take a break at any time,
13:44:44 14 please just let me know. The only condition on that is
13:44:47 15 that I ask that you finish any pending question before
13:44:51 16 asking to take a break.

13:44:52 17 A. Sounds fair.

13:44:53 18 Q. The court reporter asked you to take an oath just
13:44:55 19 a moment ago; right?

13:44:57 20 A. Yes, sir.

13:44:57 21 Q. And you took that oath and agreed to provide
13:45:00 22 truthful and complete testimony to the best of your ability
13:45:03 23 today?

13:45:03 24 A. Yes, sir.

13:45:03 25 Q. Any reason why you can't testify fully and

13:45:06 1 truthfully today?

13:45:08 2 A. No, sir.

13:45:08 3 Q. You said you've been deposed once or twice before?

13:45:11 4 A. I believe twice, but it's been a long time.

13:45:15 5 Q. Did any of those depositions concern

13:45:18 6 election-related issues?

13:45:19 7 A. No, sir.

13:45:20 8 Q. Do you have any materials here with you today?

13:45:23 9 A. I brought a notepad and -- just so I can remember,

13:45:27 10 like, your name, but other than that, I don't have any

13:45:31 11 materials that I brought with me up here. I reviewed some

13:45:35 12 materials that were sent to me this morning, and I talked

13:45:38 13 with counsel. That's about it.

13:45:40 14 Q. And no notes in that notepad or anything of the

13:45:43 15 sort?

13:45:43 16 A. No, sir.

13:45:44 17 Q. You're currently employed by the Arizona Attorney

13:45:48 18 General's Office; is that right?

13:45:48 19 A. Yes, sir.

13:45:49 20 Q. What's your role with the attorney general?

13:45:51 21 A. I'm a senior litigation counsel in the Criminal

13:45:54 22 Division, assigned to the Fraud & Special Prosecutions

13:45:56 23 Section.

13:45:57 24 Q. How long how you served in that role?

13:45:59 25 A. Technically, since the end of the fiscal year. My

13:46:02 1 previous few years, I was assigned under a budget line for
13:46:06 2 the Election Integrity Unit, which was, again, attached to
13:46:09 3 the Criminal Division. And I was assigned Fraud & Special
13:46:14 4 Prosecutions Section. But I -- my understanding is, as of
13:46:17 5 July 1, that funding is lapsed and I'm now back on the
13:46:20 6 general fund. So that's the best of my knowledge there.

13:46:25 7 Q. You said "back on the general fund." Were you --
13:46:28 8 did you have a position with the Attorney General's Office
13:46:29 9 before you had that role at the Election Integrity Unit?

13:46:31 10 A. Yes. I've been with the Attorney General's Office
13:46:34 11 in one form or another since 1999.

13:46:37 12 Q. And I don't need your full history with the
13:46:40 13 Attorney General's Office, but what role did you have
13:46:42 14 before joining the Election Integrity Unit?

13:46:45 15 A. I was hired as -- actually, I started as an
13:46:48 16 intern. I was hired as a law clerk. I became an assistant
13:46:51 17 attorney general -- I started as a special assistant
13:46:54 18 attorney general in May of 2000.

13:46:57 19 And then when a position opened up, I became
13:46:59 20 an assistant attorney general. Remained that through 1990
13:47:03 21 -- excuse me -- remained that through 2019 when the
13:47:07 22 Election Integrity Unit was opened. And I took a senior
13:47:10 23 counsel position in connection with the formation of that
13:47:13 24 unit.

13:47:14 25 But essentially, my real estate didn't

13:47:16 1 change. My person I reported to didn't change. The only
13:47:20 2 thing that changed was the funding that paid for my
13:47:21 3 position.

13:47:22 4 Q. In your role as senior counsel to the Election
13:47:26 5 Integrity Unit, what responsibilities did you have?

13:47:28 6 A. The unit was set up unlike any other unit that I
13:47:32 7 have been aware of within our agency in that it was
13:47:35 8 divided. There were four separate positions there. One
13:47:39 9 was an investigator position that reported up a chain of
13:47:42 10 command through special investigations. Myself, I was
13:47:47 11 assigned to report to the same boss that I had been
13:47:50 12 reporting to for the preceding decade, which is the Fraud &
13:47:56 13 Special Prosecutions Section, chief counsel.

13:47:57 14 There was a support staff person who
13:48:01 15 essentially became a secretary in our unit, and she didn't
13:48:05 16 report to me or didn't -- I didn't even work with her. She
13:48:08 17 was assigned to a pool for the way they address such money.
13:48:13 18 And then Jennifer Wright was the other attorney assigned,
13:48:16 19 and she had an entirely different chain of command than I
13:48:20 20 did.

13:48:20 21 Q. So sounds like there were, excluding support
13:48:23 22 staff, three individuals who belonged to the Election
13:48:27 23 Integrity Unit during the time?

13:48:27 24 A. We were told it was four FTEs. So it was one who
13:48:31 25 was treated as a support staff, one who was an

13:48:34 1 investigator, and two were attorneys.

13:48:35 2 Q. What's an FTE?

13:48:37 3 A. Full-time equivalent. It's budget -- it's state
13:48:40 4 government budget-speak for person and the cost of all
13:48:43 5 their benefits.

13:48:44 6 Q. But each of you within the unit answered up to
13:48:47 7 someone outside the unit; is that right?

13:48:49 8 A. We -- again, what, in my mind, made it different
13:48:55 9 is -- like, for example, I've been attached to units
13:48:56 10 before, and the unit all works together. Here the unit
13:49:00 11 essentially existed on a budget and only on budget. The --
13:49:05 12 all the people essentially answer to different people and
13:49:09 13 not to each other, which was somewhat unique.

13:49:12 14 Q. So you didn't answer to Ms. Wright?

13:49:14 15 A. No.

13:49:15 16 Q. Who did Ms. Wright answer to?

13:49:18 17 A. I believe she was assigned in the Solicitor
13:49:21 18 General's Office, but her chain of command was never made
13:49:24 19 clear it me.

13:49:25 20 Q. Did anyone report to you in your role as senior
13:49:27 21 counsel?

13:49:28 22 A. Nope. I was a unit of one essentially. And
13:49:31 23 anything I did essentially went up the same chain of
13:49:34 24 command I had always had through the special counsel --
13:49:37 25 excuse me -- through the chief litigation counsel for the

13:49:39 1 Fraud & Special Prosecutions Section, which for most of the

13:49:43 2 time we're talking about here was Blaine Gadow.

13:49:49 3 Q. You understand that you're here today as a

13:49:50 4 representative to testify on behalf of the Attorney

13:49:53 5 General's Office; correct?

13:49:53 6 A. Yes. First time I've ever done that.

13:49:55 7 Q. You understand, then, that for purposes of this

13:49:57 8 deposition, if I refer to "you" or "your," I'll be

13:50:00 9 referring to the Attorney General's Office and not you

13:50:02 10 specifically?

13:50:02 11 A. I understand that. I will do my best to speak on

13:50:05 12 behalf of the agency to the extent that I know what the

13:50:07 13 agency was doing.

13:50:10 14 Q. You understand that -- as a corollary, that your

13:50:11 15 answers can be based not only on your personal knowledge

13:50:15 16 but information known or available to your office?

13:50:17 17 A. Yes.

13:50:17 18 Q. Okay. We actually -- do you have exhibits in

13:50:27 19 front of you that were left by Mr. Knuth?

13:50:30 20 A. Is that what these are? Are they numbered?

13:50:31 21 MR. WHITAKER: It appears so.

13:50:33 22 BY MR. DODGE:

13:50:34 23 Q. Would you find the one marked exhibit --

13:50:35 24 A. They're not marked.

13:50:39 25 Q. Would you mind handing them back to me, then, if

13:50:42 1 that's okay?

13:50:43 2 A. No problem.

13:50:47 3 Q. I'm going to hand you what was previously marked
13:50:49 4 as Exhibit 211.

13:50:53 5 A. Can I write on it so that I know it's 211?

13:50:58 6 Q. Sure.

13:50:58 7 A. All right. Go ahead.

13:50:59 8 Q. Are you familiar with this document?

13:51:00 9 A. I believe I have seen it before. Could I take a
13:51:03 10 moment to familiarize myself with it?

13:51:05 11 Q. Please do.

13:51:11 12 A. Yes, I've seen -- I recognize the middle couple
13:51:14 13 pages of here -- of this document here, so yes, I've seen
13:51:18 14 this before.

13:51:18 15 Q. Can you tell me what you recognize?

13:51:21 16 A. The part that I spent the most time working on
13:51:24 17 were the deposition topics. There are 14 numbered
13:51:28 18 paragraphs that appear on page 4 and 5.

13:51:30 19 Q. And you've reviewed these topics?

13:51:31 20 A. Yes.

13:51:32 21 Q. Can you indicate to me which of these topics
13:51:35 22 you're prepared to speak to today?

13:51:37 23 A. That was something that counsel indicated they had
13:51:43 24 agreement on what I was to speak on. I will tell you, as a
13:51:48 25 criminal practitioner, I'm not used to the whole objections

13:51:53 1 and then being told to answer the question anyway. And so
13:51:56 2 I'm prepared to at least have some form of an answer to
13:52:00 3 anything you ask me. To the extent that counsel here have
13:52:05 4 decided I'm not the person who will answer it, I'm going to
13:52:10 5 do the best I can and --

13:52:11 6 Q. Let me ask it a different way.

13:52:13 7 A. -- do what I can.

13:52:14 8 Q. Let me ask it a different way, then.

13:52:14 9 Are there any topics here that you feel you
13:52:16 10 are not prepared to testify to today?

13:52:18 11 A. There are certain things that, due to the way the
13:52:27 12 organization was structured and the responsibilities that I
13:52:31 13 had, happened entirely out of my purview and without any
13:52:36 14 consultation of me, and so there are certain decisions that
13:52:40 15 were made that did not involve active criminal prosecutions
13:52:45 16 or the review of criminal charges. And I was not involved
13:52:49 17 in those, and so my knowledge of those things is limited,
13:52:52 18 and my ability to testify to them is limited.

13:52:56 19 To the extent that certain documents exist
13:52:58 20 that I've been made available -- I can try to give you my
13:53:05 21 best knowledge of those. But there are certain topics in
13:53:09 22 that area where my knowledge is limited.

13:53:12 23 Q. I appreciate you making that clear.

13:53:16 24 Are there any topics here in particular,
13:53:22 25 though, that, based on that limitation you just described,

13:53:26 1 you feel in particular would not be appropriate to ask you
13:53:29 2 about?

13:53:34 3 MR. WHITAKER: I think --

13:53:35 4 THE WITNESS: Well, I can offer an example
13:53:37 5 unless . . .

13:53:38 6 MR. WHITAKER: Sure.

13:53:39 7 THE WITNESS: My example would be, like,
13:53:41 8 Number 12, the Election Procedures Manual was an item that
13:53:48 9 was -- in the division of work, was placed on Jennifer
13:53:51 10 Wright's responsibility; it was not given to me.

13:53:54 11 In my history with the office, I've only ever
