As a result of the Court's partial summary judgement order, Tohono O'odham Plaintiffs have moved unopposed to withdraw their constitutional challenge to the DPOR requirement. B. STATEMENT OF JURISDICTION/VENUE

Jurisdiction in this case is based on the Court's subject matter jurisdiction under 28 U.S.C. § 1331, federal question jurisdiction, because Plaintiffs' claims arise under the Constitution or laws of the United States, as well as 28 U.S.C. §§ 1343, 1357, and 1362. Venue is proper under 28 U.S.C. § 1391(b) because a substantial part of the events or omissions giving rise to the claims occurred in this judicial district and in this division. Plaintiffs seek declaratory and injunctive relief pursuant to 28 U.S.C. §§ 2201 and 2202.

C. NATURE OF ACTION

These consolidated cases challenge certain provisions of Arizona House Bill 2492 ("H.B. 2492") and Arizona House Bill 2243 ("H.B. 2243") that make changes to voter registration requirements, voter list maintenance procedures, and other aspects of voter registration and voting in Arizona. Plaintiffs' claims, which are described in further detail below, arise under the First, Fourteenth, and Fifteenth Amendments to the U.S. Constitution, 42 U.S.C. § 1983, the National Voter Registration Act of 1993 ("NVRA"), Section 101 of the Civil Rights Act of 1964, and Section 2 of the Voting Rights Act.

³ The Secretary of State is a nominal party. He participated in lengthy, costly, extensive discovery and took steps to try and ensure this action is adjudicated before the next general election. But he has not litigated the merits of this action, he has not taken a position on the merits, and he does not anticipate doing so at trial. His legal counsel, however, will attend trial as appropriate unless the Court grants them leave to be absent.

Plaintiffs do not agree that the Secretary of State is a nominal party in this matter.

1 **1. The Challenged Provisions**

2 Specifically, Plaintiffs challenge the following provisions of Arizona law enacted
3 through H.B. 2492 and H.B. 2243 (collectively, the “Challenged Provisions”)⁴:

- 4 • H.B. 2492 § 1, which amends A.R.S. § 16-101(A)(1), to make providing
5 “satisfactory evidence of citizenship” a qualification to register to vote in Arizona.
- 6 • H.B. 2492 § 3, which amends A.R.S. § 16-121(A), to include in the definition of a
7 “qualified elector” the requirement that the individual “has provided satisfactory
8 evidence of citizenship.”
- 9 • H.B. 2492 § 4, which amends A.R.S. § 16-121.01(A) and adds A.R.S. § 16-
10 121.01(C)-(E), to require that:
 - 11 (a) State-Form voter registration applicants include their place of birth for
12 the applicant to be presumed to be properly registered (the “Birthplace
13 Requirement”);
 - 14 (b) State- and Federal-Form voter registration applicants mark the “yes” box
15 next to the question regarding citizenship for the applicant to be presumed
16 to be properly registered and as a condition of being properly registered
17 to vote in any election (the “Checkbox Requirement”);
 - 18 (c) County Recorders reject any State-Form voter registration application
19 that is not accompanied by satisfactory evidence of citizenship; and
 - 20 (d) County Recorders “use all available resources to verify the citizenship
21 status of [a] [Federal-Form] applicant” whose application is not
22 accompanied by satisfactory evidence of citizenship, including “at a
23 minimum” by comparing the applicant’s information to a variety of listed
24 databases, provided the County has access.
 - 25 i. In the event the County Recorder matches the applicant to
26 “information that the applicant is not a United States citizen,” the
27 County Recorder shall “reject the application, notify the applicant that
28 the application was rejected because the applicant is not a United
States citizen, and forward the application to the county attorney and
attorney general for investigation.”
 - ii. In the event the County Recorder is unable to match the applicant with
“appropriate citizenship information,” the County Recorder shall
“notify the applicant that the [County Recorder] could not verify that
the applicant is a United States citizen and that the applicant will not
be qualified to vote in a presidential election or by mail with an early
ballot in any election until satisfactory evidence of citizenship is
provided.”

⁴ References herein to A.R.S. sections are from the currently-codified versions of the A.R.S. It should be noted that the chaptered version of H.B. 2243 uses different lettering for 16-165 in particular.

- 1 • H.B. 2492 § 5, which:
- 2 (a) adds A.R.S. § 16-123 to require a person who registers to vote to provide
- 3 documentary proof of the location of their residence (the “DPOR
- 4 Requirement”); and
- 5 (b) adds A.R.S. § 16-127, to prohibit any voter who has not provided
- 6 satisfactory evidence of citizenship from voting in presidential elections,
- 7 and to prohibit any voter who has not provided satisfactory evidence of
- 8 citizenship and who is eligible to vote only for federal offices from voting
- 9 by mail with an early ballot
- 10 • H.B. 2492 § 7, which adds A.R.S. § 16-143, to:
- 11 (a) Require the Secretary of State and County Recorders to provide the
- 12 Attorney General with a list of all registered voters who have not provided
- 13 satisfactory evidence of citizenship, and
- 14 (b) Require the Attorney General to use all available resources to verify the
- 15 citizenship status of these registered voters, including “at a minimum” by
- 16 checking a variety of listed databases; prosecute individuals who are
- 17 found to be non-citizens pursuant to A.R.S. § 16-182; and report all
- 18 findings relating to citizenship status to the Secretary of State, President
- 19 of the Senate, and the Speaker of the House.
- 20 • H.B. 2492 § 8, which added A.R.S. § 16-165(A)(10) to require the cancellation of
- 21 a voter’s registration “when the county recorder receives and confirms information
- 22 that the person registered is not a United States citizen.”⁵
- 23 • H.B. 2243 § 2, which amends A.R.S. § 16-165(A)(9)-(10) and adds A.R.S. §§ 16-
- 24 165(G), 16-165(H), 16-165(I), 16-165(J) and 16-165(K) to require that:
- 25 (a) When the County Recorders obtain information pursuant to A.R.S. §§ 16-
- 26 165 and confirms that a person registered is not a United States citizen,
- 27 County Recorders send the person notice that their registration will be
- 28 canceled in 35 days unless they provide satisfactory evidence of
- citizenship, and if the person does not provide such evidence within 35
- days, cancel the registration and notify the county attorney and Attorney
- General for possible investigation;
- (b) Each month the Secretary of State shall compare the statewide voter
- registration database to the driver license database maintained by the
- Department of Transportation. The Secretary of State shall notify the
- appropriate county recorder if a person who is registered to vote in that
- county is not a United States citizen. A.R.S. § 16-165(G);

⁵ H.B. 2243 further modified A.R.S. § 16-165(A)(10). Even though H.B. 2492’s version of this statutory provision is not the currently operative version, both are challenged, lest enjoining solely H.B. 2243’s version of A.R.S. § 16-165(A)(10) simply cause a reversion to H.B. 2492’s prior version.

- 1 (c) Each month, to the extent practicable, the County Recorders shall
2 compare their county’s voter registration database to the Social Security
3 Administration Database. A.R.S. § 16-165(H);
- 4 (d) Each month, to the extent practicable, the County Recorders shall
5 compare persons who are registered to vote in their county and who the
6 County Recorders have “reason to believe” are not United States citizens
7 and persons who are registered to vote without satisfactory evidence of
8 citizenship, with the USCIS Systematic Alien Verification for
9 Entitlements (“SAVE”) program to verify their citizenship status. A.R.S.
10 § 16-165(I);
- 11 (e) For persons who are registered to vote without satisfactory evidence of
12 citizenship, the County Recorder shall compare the Electronic
13 Verification of Vital Events System maintained by a national association
14 for public health statistics and information systems, if accessible, with the
15 information on the person’s voter registration file. A.R.S. § 16-165(J);
16 and
- 17 (f) To the extent practicable, the County Recorders shall review relevant
18 city, town, county, state, and federal databases to which the County
19 Recorders have access to confirm information obtained that requires the
20 cancellation of a registrant pursuant to A.R.S. § 16-165.

2. The Court’s Order on Partial Summary Judgment

21 In accordance with the Court’s instructions, the parties moved for partial summary
22 judgment on claims each side believed could be decided as a matter of law. ECF No. 534
23 at 6. The Attorney General and the Republican National Committee Intervenor filed
24 motions for summary judgment, joined by Arizona Speaker of the House Ben Toma and
25 Arizona Senate President Warren Petersen (“the Legislative Intervenor”), principally
26 addressing claims brought by Plaintiffs under the NVRA and the Materiality Provision of
27 the Civil Rights Act. ECF Nos. 364, 367, 369. Plaintiffs filed responses in opposition and
28 a limited set of motions and cross-motions, similarly focused on the NVRA and Civil
Rights Act claims. ECF Nos. 390, 391, 393, 394, 395, 396, 397, 398, 399.

On September 14, 2023, the Court entered an Order resolving those motions and granting summary judgment on the following claims:

- For Plaintiffs on the claims that Section 6 of the NVRA preempts H.B. 2492, §§ 4 and 5’s requirement that Federal-Form applicants submit DPOC in order to be able to vote in Presidential elections or to vote early by mail. ECF No. 534 at 9-15.
- For Plaintiffs on the claims that Section 6 of the NVRA preempts HB 2492 § 5’s DPOR Requirement as applied to Federal-Form applicants. *Id.*

- 1
- 2 • For Plaintiffs on the claims that H.B. 2243, § 2 violates Section 8(c) of the NVRA
- 3 which prohibits systematic purge provisions in voting laws within 90 days before a
- 4 federal election. ECF No. 534 at 15-18.
- 5 • For Plaintiffs on the claims that H.B. 2492, § 4 violates the Materiality Provision of
- 6 the Civil Rights Act by requiring County Recorders to reject an application where a
- 7 registrant who has already provided DPOC fails to complete the citizenship
- 8 checkbox. ECF No. 534 at 24-27.
- 9 • For Plaintiffs on the claims that the reference in A.R.S. § 16-123 to 16-579(A)(1)
- 10 are examples, not an exhaustive list, of the documents that can be used to satisfy
- 11 A.R.S. § 16-123 and that A.R.S. § 16-123 does not require a standard street address.
- 12 ECF No. 534 at 33.
- 13 • For Plaintiffs on the claims that in addition to the documents listed in A.R.S. § 16-
- 14 579(A)(1), the following documents satisfy A.R.S. § 16-123: (1) A valid unexpired
- 15 Arizona driver license or nonoperating ID (“AZ-issued ID”), regardless of whether
- 16 the address on the AZ-issued ID matches the address on the voter registration form
- 17 and even if it lists only a P.O. Box, (2) Any Tribal identification document,
- 18 including but not limited to a census card, an identification card issued by a tribal
- 19 government, or a tribal enrollment card, regardless of whether the Tribal
- 20 identification document contains a photo, a physical address, a P.O. Box, or no
- 21 address; and (3) Written confirmation signed by the registrant that they qualify to
- 22 register pursuant to A.R.S. § 16-121(B). ECF No. 534 at 33-34.
- 23 • For the Attorney General on the claims that H.B. 2492, § 4 violates the Materiality
- 24 Provision of the Civil Rights Act by ruling that the Checkbox Requirement does
- 25 not violate the Materiality Provision as applied to individuals who do not provide
- 26 DPOC. ECF No. 534 at 27-29.⁶
- 27 • For the Attorney General on the claim that H.B. 2243, regarding A.R.S. § 16-
- 28 165(A)(10) and (I), is void for vagueness. ECF No. 534 at 30-32.

The Court also declared that Arizona must abide by the LULAC Consent Decree and, specifically, must treat State Form and Federal Form applicants equally for purposes of registering for federal elections, namely by registering otherwise eligible State-Form applicants who do not provide DPOC for federal elections. ECF No. 534 at 21-22; *see also*

⁶ The Court also concluded that it “need not address” Plaintiffs’ claim that requiring federal-only voters to provide DPOC to vote in presidential elections and by mail violates the Materiality Provision, given the Court’s ruling on Section 6 of the NVRA. ECF No. 534 at 23 n.14.

1 *id.* at 22 n.13 (noting that, even absent the LULAC Consent Decree, the same requirement
2 would flow from the Court's NVRA Section 6 analysis).⁷

3 The Court expressly denied summary judgment to both Plaintiffs and Defendants as
4 to whether County Recorders may reject State-Form applications that do not list the
5 applicant's birthplace under Section 4 of H.B. 2492, finding that there were material issues
6 of fact that precluded summary judgment on this issue. ECF No. 534 at 29.

7 The Court denied (as moot) the Poder Plaintiffs' motion for summary judgment on
8 their 1964 Civil Rights Act claim under 52 U.S.C. § 10101(a)(2)(A), which prohibits the
9 application of different standards, practices, or procedures to determine voters'
10 qualifications. ECF No. 534 at 20 n.10, 35.

11 The Court denied Defendants' motion for summary judgment that Section 8(a) of
12 the NVRA prohibits removing non-citizens from voter rolls, stating that it was a factual
13 question whether the purge procedures mandated by Section 2 of H.B. 2243 will likely
14 result in unlawful cancellation of legitimate voter registrants under Section 8(a) of the
15 NVRA. ECF No. 534 at 18–19.⁸

16 The Court granted in part and denied in part Defendants' motion for summary
17 judgment on Plaintiffs' claim under Section 8(b) of the NVRA. As to the challenged
18 provisions governing new voter registration applications, the motion was granted. The
19 motion was denied as to the balance of the claim alleging non-uniformity and
20 discriminatory impact of the challenged provisions governing list maintenance and voter
21 registration cancellation. ECF No. 534 at 19-21, 34.

22 **3. Claims to be Presented at Trial**

23 The claims remaining for trial are as follows:

- 24 • Undue Burden on the Right to Vote challenge to:

25 ⁷ The LULAC Consent Decree also obligates the Secretary of State to check all State Form
26 applications submitted without DPOC to determine whether the MVD has DPOC on file
27 for the applicants, in which case such applicants must be made Full Ballot voters.

28 *Note: Plaintiffs added this footnote on the evening of the deadline for this filing, so
Defendants have not had an opportunity to consider it.*

⁸ The Court also concluded that it “need not address” parties’ arguments regarding the
effect of Section 8(a) on certain provisions in H.B. 2492 regarding DPOC and DPOR, given
the Court’s ruling on Section 6 of the NVRA.

- 1 (a) H.B. 2492 §§ 1, 3’s DPOC Requirement;
- 2 (b) H.B. 2492 § 4’s rejection of State-Form applications lacking DPOC⁹ or place of
3 birth;
- 4 (c) H.B. 2492 § 4’s citizenship verification, database check, notice, and criminal
5 investigation procedures;
- 6 (d) H.B. 2492 § 5’s prohibition on voting in presidential elections or early by mail
7 for registrants who lack DPOC;¹⁰
- 8 (e) H.B. 2492 § 5’s¹¹ DPOR Requirement in so far as Defendant’s implementation
9 of this Court’s Section 6 preemption holding results in the acceptance of Federal
10 Form applications without DPOR for federal-only elections but the rejection of
11 State Form applications without DPOR.
- 12 (f) H.B. 2492 § 7’s citizenship verification, database check, reporting, investigation,
13 and prosecution procedures;
- 14 (g) H.B. 2492 § 8’s voter cancellation procedures based on information regarding
15 citizenship; and
- 16 (h) H.B. 2243 § 2’s database check requirements, notice, cancellation, and criminal
17 investigation procedures
- 18 • Procedural Due Process challenge to:
 - 19 ○ H.B. 2492 § 5’s prohibition on voting in presidential elections or early by
20 mail for registrants who lack DPOC,¹²

21 ⁹ Defendants’ position is that the Court previously granted relief on alternative grounds
22 with respect to State-Form applications lacking DPOC, thereby obviating the need for trial
23 on that facet of the claim. *See* ECF No. 534 at 9-15, 21-22, 33-34.

24 ¹⁰ Defendants’ position is that the Court previously granted relief on alternative grounds
25 with respect to these prohibitions in H.B. 2492 § 5, thereby obviating the need for trial on
26 this claim. *See* ECF No. 534 at 9-15, 21-22, 33-34. Non-U.S. Plaintiffs’ position on this
27 issue is reflected in Non-U.S. Plaintiffs’ Response to Defendants’ Motion for Clarification,
28 ECF No. 556.

¹¹ Given the District Court’s rulings on partial summary judgment as to the DPOR
requirement, and the lack of any objection to those rulings from any Defendant, Plaintiffs
will limit their presentation of evidence on DPOR to two issues: (1) Plaintiffs’ standing to
challenge the DPOR requirement, and (2) any differential application of the DPOR
requirement between State and Federal Form applicants. Plaintiffs have decided not to
pursue alternative claims for relief where they are duplicative of the Court’s partial
summary judgment order because of Defendants’ lack of opposition to the Court’s relief
on this issue, unlike the other issues remaining in the case.

¹² Defendants’ position is that the Court previously granted relief on alternative grounds
with respect to these prohibitions in H.B. 2492 § 5, thereby obviating the need for trial on

- 1 ○ H.B. 2492 § 4’s criminal investigation procedures, allegedly without a
- 2 chance to contest or cure,

D. JURY/NON-JURY

The parties agree to a non-jury bench trial. No party demands a jury trial.

E. CONTENTIONS OF THE PARTIES

For each of the claims brought by the Plaintiffs, the elements of each and corresponding burdens of proofs are as follows:²⁰

1. UNDUE BURDEN ON THE RIGHT TO VOTE (First and Fourteenth Amendments’ protection of fundamental right to vote)

a. Provisions challenged by Plaintiffs under this claim:

- H.B. 2492 §§ 1, 3, 4, 5, 7, 8
- H.B. 2243 § 2

b. Elements or standards that must be proved for Plaintiffs to prevail:

Plaintiffs’ Position: This claim is evaluated using the *Anderson-Burdick* test, which requires an initial showing by plaintiffs, after which the burden shifts to defendants:

- First, plaintiffs must show that the challenged provision imposes a burden on the right to vote. *Anderson v. Celebrezze*, 460 U.S. 780, 789 (1983).

¹⁹ Per footnote 11, *supra*, Plaintiffs do not intend to present evidence with respect to the DPOR requirement beyond the limited issues identified in footnote 11.

²⁰ Plaintiffs must also demonstrate standing and ripeness. *See Lujan v. Defenders of Wildlife*, 504 U.S. 555, 560–62 (1992); *Thomas v. Anchorage Equal Rights Com’n*, 220 F.3d 1134, 1138–40 (9th Cir. 2000) (en banc). In addition, Plaintiffs must demonstrate that they satisfy the conditions for equitable remedies of injunctive and declaratory relief, including a sufficient likelihood of future injury. *See City of Los Angeles v. Lyons*, 461 U.S. 95, 105–13 (1983); *Hodgers-Durgin v. de la Vina*, 199 F.3d 1037, 1040–44 (9th Cir. 1999) (en banc).

- 1 • Once plaintiffs have established that the challenged provision imposes
- 2 a burden on the right to vote, no matter how slight, the burden shifts
- 3 to defendants to prove that the state’s interests in the specific
- 4 challenged provisions justify those burdens. *See id.*; *Ariz. Democratic*
- 5 *Party v. Hobbs*, 18 F.4th 1179, 1187 (9th Cir. 2021).
- 6 • The scrutiny that the state must meet in making the showing described
- 7 in (ii) above is determined by the Court based on its evaluation of
- 8 plaintiffs’ evidence regarding the burden imposed: if the Court finds
- 9 that the challenged provision imposes a severe burden on the right to
- 10 vote, the state must meet strict scrutiny and show a compelling interest
- 11 narrowly tailored to serve that interest. Lesser burdens have to meet
- 12 less demanding levels of scrutiny. ECF No. 304 at 20. However, in all
- 13 cases *Anderson-Burdick* imposes a “means-end fit framework,” *Pub.*
- 14 *Integrity All. v. City of Tucson*, 836 F.3d 1019, 1024 (9th Cir. 2016),
- 15 such that even where a burden is slight, it must be justified by relevant
- 16 and legitimate state interests sufficiently weighty to justify the
- 17 limitation. *See, e.g., Ariz. Democratic Party*, 18 F.4th at 1187;
- 18 *Crawford v. Marion Cnty. Election Bd.*, 553 U.S. 181, 191 (2008)
- 19 (Stevens, J., controlling op.).

20 Defendants’ Position: Plaintiffs must show that the challenged provision

21 imposes a burden on the right to vote.” *Anderson v. Celebrezze*, 460 U.S.

22 780, 789 (1983). The challenged law is subject to strict scrutiny only if the

23 Court finds that the burden is “severe.” “Lesser burdens, however, trigger

24 less exacting review, and a State’s ‘important regulatory interests’ will

25 usually be enough to justify ‘reasonable, nondiscriminatory

26 restrictions.” *Ariz. Democratic Party v. Hobbs*, 18 F.4th 1179, 1187 (9th Cir.

27 2021). “When a challenged rule imposes only limited burdens on the right to

28 vote, there is no requirement that the rule is the only or the best way to further

the proffered interests.” *Dudum v. Arntz*, 640 F.3d 1098, 1114 (9th Cir. 2011).

- c. **Relief requested:** Declaratory and injunctive relief enjoining Defendants from enforcing the challenged provisions of H.B. 2492 and H.B. 2243; an award of costs, expenses, and reasonable attorneys’ fees, pursuant to 42 U.S.C. § 1988, and any other applicable law; and such other and further relief as the Court deems just and proper.

2. PROCEDURAL DUE PROCESS CLAIMS (Fourteenth Amendment’s guarantee of procedural due process)

a. Provisions challenged by Plaintiffs under this claim:

- H.B. 2492 §§ 4, 5, 8
- H.B. 2243 § 2

b. Elements or standards that must be proved for Plaintiffs to prevail: This claim is also subject to the *Anderson-Burdick* standard, though Plaintiffs allege it specifically with respect to burdens imposed by procedural deficiencies in the challenged laws, which Plaintiffs allege are not supported by a sufficient state interest. ECF No. 304 at 27 (citing *Ariz. Democratic Party*, 18 F.4th at 1195; *Ariz. Democratic Party v. Hobbs*, 976 F.3d 1081, 1086 n.1 (9th Cir. 2020)). *See supra* Section E.1.b.

c. Relief requested: Declaratory and injunctive relief enjoining Defendants from enforcing the challenged provision of H.B. 2492 and H.B. 2243; an award of costs, expenses, and reasonable attorneys' fees, pursuant to 42 U.S.C. § 1988, and any other applicable law; and such other and further relief as the Court deems just and proper.

3. DISPARATE TREATMENT OF STATE FORM REGISTRANTS AND FEDERAL-ONLY VOTERS EQUAL PROTECTION CLAIM (Fourteenth Amendment's equal protection guarantee)

a. Provisions challenged by Plaintiffs under this claim:

- H.B. 2492 §§ 1, 3, 4, 5, 7
- H.B. 2243 § 2

b. Elements or standards that must be proved for Plaintiffs to prevail:

c. Plaintiffs' Position: This claim may also be analyzed under the *Anderson-Burdick* standard. *Obama for Am. v. Husted*, 697 F.3d 423, 430 (6th Cir. 2012) (“When a state regulation is found to treat voters differently in a way that burdens the fundamental right to vote, the *Anderson-Burdick* standard applies.”); *see also Dudum v. Arntz*, 640 F.3d 1098, 1106 n.15 (9th Cir. 2011). *See supra* Section E.1.b. In the Equal Protection context, however, courts also “rely . . . on the analysis in . . . prior election cases resting on the Equal Protection Clause of the Fourteenth Amendment.” *Dudum*, 640 F.3d at 1106 n.15 (quoting *Anderson*, 460 U.S. at 787 n.7). Further, the Supreme Court held in *Bush v. Gore* that “arbitrary and disparate treatment” in either the “allocation of the franchise” or “the manner of its exercise” is unlawful. 531 U.S. 98, 104-09 (2000).

Defendants' Position: Defendants believe that this claim should be analyzed under the *Anderson-Burdick* standard, *see supra* Section E.1.b, and that *Bush v. Gore*, 531 U.S. 98 (2000), does not supply an independent or freestanding claim or applicable doctrinal rubric.

d. Relief requested: Declaratory and injunctive relief enjoining Defendants from enforcing the challenged provisions of H.B. 2492 and H.B. 2243; an

1 award of costs, expenses, and reasonable attorneys' fees, pursuant to 42
 2 U.S.C. § 1988, and any other applicable law; and such other and further relief
 3 as the Court deems just and proper.

4 **4. ARBITRARY AND DISPARATE TREATMENT CAUSED BY**
 5 **CITIZENSHIP INVESTIGATION PROCEDURES:** (Fourteenth Amendment
 6 and *Bush v. Gore*)

7 **a. Provisions for which Plaintiffs have alleged these claims:**

- 8 • H.B. 2492 §§ 4, 7, 8
- 9 • H.B. 2243 § 2

10 **Elements or standards that must be proved for Plaintiffs to prevail:**
 11 Plaintiffs' Position: Plaintiffs must prove that the challenged provisions
 12 above, separately or in combination, are causing and, absent relief, will
 13 continue to cause arbitrary and disparate treatment of voter registration
 14 applicants and registered voters in Arizona. *See Bush v. Gore*, 531 U.S. 98,
 15 104 (2000) (prohibiting “arbitrary and disparate treatment” in either the
 16 “allocation of the franchise” or “the manner of its exercise”); *id.* at 104–09
 17 (concluding that “absence of specific standards” to implement vague “intent
 18 of the voter” standard caused “arbitrary and disparate treatment” in violation
 19 of Equal Protection Clause); *see also Hunter v. Hamilton Cnty. Bd. of*
 20 *Elections*, 635 F.3d 219, 235, 239–42 (6th Cir. 2011) (applying *Bush v. Gore*
 21 to conclude “lack of specific standards for reviewing provisional ballots” had
 22 resulted in unconstitutionally “arbitrary and uneven exercise of discretion”).
 23 This Court considered and rejected Defendants' position in its February 16,
 24 2023 order on the motion to dismiss. *See* ECF No. 304 at 22 n.11 (“[T]he
 25 authority Defendants cite for this assertion does not foreclose constitutional
 26 claims pled outside of the *Anderson-Burdick* framework.”).

27 Defendants' Position: Defendants believe that this claim should be analyzed
 28 under the *Anderson-Burdick* standard, *see supra* Section E.1.b, and that *Bush*
v. Gore, 531 U.S. 98 (2000), does not supply an independent or freestanding
 claim or applicable doctrinal rubric.

b. Relief requested: Declaratory and injunctive relief against the challenged
 provisions or, in the alternative, declaratory relief and an injunction against
 the Secretary of State's Office requiring it to adopt, issue, and communicate
 guidance to the County Recorders ensuring that the challenged provisions
 are administered in a non-arbitrary and uniform manner, failing which the
 Court should order its own. This claim also seeks an award of costs,
 expenses, and reasonable attorneys' fees, pursuant to 42 U.S.C. § 1988, and
 any other applicable law; and such other and further relief as the Court deems
 just and proper. This claim seeks relief as to all elections—federal, state, and
 local.

5. PROHIBITION ON NATIONAL ORIGIN OR ALIENAGE EQUAL PROTECTION CLAIM: (Fourteenth Amendment’s Prohibition on National Origin or Alienage Discrimination)

a. Provisions for which Plaintiffs have alleged these claims:

- H.B. 2492 §§ 1, 3, 4, 5, and 7
- H.B. 2243 § 2

b. Elements or standards that must be proved for Plaintiffs to prevail:

Plaintiffs’ Position: Plaintiffs can demonstrate that the challenged laws violate the Fourteenth Amendment by establishing that they (1) “expressly classif[y],” *Mitchell v. Washington*, 818 F.3d 436, 446 (9th Cir. 2016), based on national origin, and (2) do not serve a narrowly tailored to promote a compelling state interest. *Nunez v. City of San Diego*, 114 F.3d 935, 946 (9th Cir. 1997). Even a benign use of a suspect classification is subject to strict scrutiny if it is a factor in a government decision. *Mitchell v. Washington*, 818 F.3d 436, 445-46 (9th Cir. 2016). Plaintiffs can demonstrate that H.B. 2243, § 2, by establishing that the challenged provisions classify voters who are naturalized U.S. citizens differently than native-born citizens based on their former alienage. *See Faruki v. Rogers*, 349 F. Supp. 723, 729 (D.D.C. 1972) (U.S. citizens classified based on alienage “where the statute differentiates between native-born citizens and those who were once aliens”). In the alternative, if the Court does not find a classification, Plaintiffs can meet their burden by proving the challenged provisions were motivated by discriminatory intent under the factors outlined in *Arlington Heights*. *See infra* number 6 below.

Defendants’ Position: Because neither H.B. 2492 nor H.B. 2243 “expressly classifies,” *Mitchell v. Washington*, 818 F.3d 436, 446 (9th Cir. 2016), persons based on national origin or alienage, Plaintiffs must prove that the challenged provisions were motivated by an intent to discriminate based on national origin or alienage.

c. Relief requested: Declaratory and injunctive relief enjoining Defendants from enforcing the challenged provisions of H.B. 2492 and H.B. 2243; an award of costs, expenses, and reasonable attorneys’ fees, pursuant to 42 U.S.C. § 1988, and any other applicable law; and such other and further relief as the Court deems just and proper.

1 **6. INTENTIONAL RACE AND NATIONAL ORIGIN DISCRIMINATION:**
 2 (Fourteenth & Fifteenth Amendments)

3 **a. Provisions for which Plaintiffs have alleged these claims:**

- 4 • H.B. 2492 §§ 1, 3, 4, 5, 7, and 8
- 5 • H.B. 2243 § 2

6 **b. Elements or standards that must be proved for Plaintiffs to prevail:**

7 Plaintiffs' Position: Plaintiffs can demonstrate that the challenged laws
 8 violate the Fourteenth and Fifteenth Amendments by establishing that their
 9 enactment was motivated by a discriminatory purpose under the totality of
 10 the relevant facts, including “(1) the impact of the official action and whether
 11 it bears more heavily on one race than another; (2) the historical background
 12 of the decision; (3) the specific sequence of events leading to the challenged
 13 action; (4) the defendant’s departures from normal procedures or substantive
 14 conclusions; and (5) the relevant legislative or administrative history.” *Arce*
 15 *v. Douglas*, 793 F.3d 968, 977-78 (9th Cir. 2015); *Washington v. Davis*, 426
 16 U.S. 229, 242 (1976). Plaintiffs need not prove that “the discriminatory
 17 purpose was the sole purpose of the challenged action, but only that it was a
 18 motivating factor.” *Arce*, 793 F.3d at 977.

19 Defendants' Position: Plaintiffs cannot prove discriminatory intent using a
 20 “cat’s paw” theory to impute an individual bill sponsor or proponent’s
 21 allegedly improper motive to the legislative body as a whole. *Brnovich v.*
 22 *Democratic Nat’l. Comm.*, 141 S. Ct. 2321, 2350 (2021).

23 **c. Relief requested:** Declaratory and injunctive relief enjoining Defendants
 24 from enforcing the challenged provisions of H.B. 2492 and H.B. 2243; an
 25 award of costs, expenses, and reasonable attorneys’ fees, pursuant to 42
 26 U.S.C. § 1988, and any other applicable law; and such other and further relief
 27 as the Court deems just and proper.

28 **7. RACIAL AND NATIONAL ORIGIN DISCRIMINATION CLAIM:**

(Fourteenth and Fifteenth Amendment Prohibition on Unfettered Discretion in
 Voter Registration).

a. Provisions for which Plaintiffs have alleged these claims:

- H.B. 2243 § 2 (enacting A.R.S. § 16-165(I))

b. Elements or standards that must be proved for Plaintiffs to prevail:

Plaintiffs' Position: The Fourteenth Amendment’s Equal Protection Clause
 prohibits racial and national origin discrimination. To guard against this in
 the voting rights context, one rule that courts have enforced as a preventative
 measure is prohibiting the vesting of unfettered discretion upon voting
 registrars. *See Davis v. Schnell*, 81 F. Supp. 872, 878 (S.D. Ala. 1949), *aff’d*

1 336 U.S. 933 (1949) (holding that local registrars’ “arbitrary power” and
2 “unlimited discretion” in administering constitutional understanding test
3 amounted to a denial of equal protection of the law under Fourteenth
4 Amendment); *Hernandez v. State of Tex.*, 347 U.S. 475, 479 (1954)
5 (discrimination on basis of national origin violates Fourteenth Amendment).
6 Additionally, the Fifteenth Amendment prohibits racial discrimination
7 concerning “the right of citizens of the United States to vote.” U.S. Const.
8 amend. XV. The same rule has been applied in Fifteenth Amendment cases.
9 *Louisiana v. United States*, 380 U.S. 145, 152-53 (1965) (striking down
10 arbitrary constitutional understanding test for voter registration because laws
11 that are “completely devoid of standards and restraints” and thereby confer
12 unfettered discretion upon registrars *enable* racial discrimination). Racial
13 discrimination “is the *inescapable* effect of a *subjective requirement* . . .
14 barren of standards and safeguards, the administration of which rests in the
15 *uncontrolled discretion* of a registrar.” *United States v. Louisiana*, 225 F.
16 Supp. 353, 381 (E.D. La. 1963) (emphases added), *aff’d Louisiana v. United*
17 *States*, 380 U.S. 145 (1965). Having made no argument on this claim in their
18 motion to dismiss, ECF No. 304 at 25 n.14, Defendants now belatedly seek
19 its de facto dismissal by arguing it must be construed and analyzed as an
20 *Anderson-Burdick* claim. This is incorrect. *Louisiana* was decided under the
21 Fifteenth Amendment, but *Anderson-Burdick* does not implicate the
22 Fifteenth Amendment. In its February 16, 2023 Order on the motion to
23 dismiss, this Court applied *Louisiana*’s standard, not the *Anderson-Burdick*
24 or *Arlington Heights* frameworks. ECF No. 304 at 26 n.14.

25 Defendants’ Position: Defendants do not believe that this theory is
26 cognizable as an independent and freestanding claim under the applicable
27 case law. To the extent it alleges an undue burden on the right to vote or a
28 denial of procedural due process, it should be analyzed under the *Anderson-*
Burdick framework. *See supra* Section E.1.b. To the extent it alleges
intentional discrimination based on a suspect classification, it should be
analyzed under the standards that govern such claims. *See supra* Section
E.5.b and Section E.6.b.

- 29 **c. Relief requested:** Declaratory and injunctive relief against A.R.S. § 16-
30 165(I), or, in the alternative, declaratory relief and an injunction against the
31 Secretary of State’s Office requiring it to adopt, issue, and communicate
32 guidance to the County Recorders ensuring that A.R.S. § 16-165(I) is
33 administered in a non-arbitrary and uniform manner, failing which the Court
34 should order its own. This claim seeks relief as to all elections—federal,
35 state, and local. This claim also seeks an award of costs, expenses, and
36 reasonable attorneys’ fees, pursuant to 42 U.S.C. § 1988, and any other
37 applicable law; and such other and further relief as the Court deems just and
38 proper.

1 **8. MATERIALITY PROVISION CLAIMS (52 U.S.C. § 10101(a)(2)(B))**

2 **a. Provisions challenged by Plaintiffs under this claim:**

- 3 • H.B. 2492 § 4

4 **b. Elements or standards that must be proved for Plaintiffs to prevail:**

5 Plaintiffs' Position: Plaintiffs must show that state action denies individuals
6 the right to vote, as defined in the Civil Rights Act, based on errors or
7 omissions on “any record or paper relating to any application [or]
8 registration” that are not material to determining the individual’s
9 qualifications to vote under state law. 52 U.S.C. § 10101(a)(2)(B); *see also*
10 *Migliori v. Cohen*, 36 F.4th 153, 163-64 (3d Cir. 2022); *Martin v. Crittenden*,
347 F. Supp. 3d 1302, 1308 (N.D. Ga. 2018). Thus, Plaintiffs must show that
11 a prospective registrant’s place of birth is not material to determining
12 whether that individual is qualified to vote under state law, and that a failure
13 to provide the birthplace information results in a denial of the right to vote.

14 Plaintiffs can satisfy this standard by showing that the required information
15 is “unnecessary and therefore not material to determining an individual’s
16 qualifications to vote” under Arizona law. ECF No. 304 at 26 (quoting *La*
17 *Union del Pueblo Entero v. Abbott*, 604 F. Supp. 3d 512, 542 (W.D. Tex.
2022)); *see also* ECF No. 534 at 25-26 (“Congress intended materiality to
18 require some probability of actually impacting an election official’s
19 eligibility determination.”); *Migliori*, 36 F.4th at 164 (finding challenged
20 requirement immaterial where parties seeking to defend it “offered no
21 compelling reasons for how these dates . . . help determine one’s age,
22 citizenship, residency, or felony status”).

23 Defendants' Position: Plaintiff can satisfy this standard only by proving that
24 the required information lacks some “probability of actually impacting an
25 election official’s . . . determination” of an individual’s eligibility to vote
26 under Arizona law. ECF No. 534 at 26; *see also League of Women Voters of*
27 *Ark. v. Thurston*, No. 5:20-cv-05174, 2023 WL 6446015, at *17 (W.D. Ark.
28 Sept. 29, 2023) (explaining that “the Materiality Provision ‘does not establish
a least-restrictive-alternative test’ for the material information required,” and
“[t]he fact that [state] officials can (and sometimes do) establish voters’
identities with less information does not mean that they should be legally
required to do so”).

25 **c. Relief requested:** Declaratory and injunctive relief enjoining Defendants
26 from enforcing the challenged provision of H.B. 2492; an award of costs,
27 expenses, and reasonable attorneys’ fees for the non-United States plaintiffs,
28 pursuant to 42 U.S.C. § 1988, and any other applicable law; the United States
as a prevailing party is entitled to costs pursuant to 28 U.S.C. § 2412(a), and
such other and further relief as the Court deems just and proper.

1 **9. CIVIL RIGHTS ACT SECTION 10101(a)(2)(A) CLAIM:** (Civil Rights Act
2 Prohibition on Different Standards, Practices, or Procedures in Determining Voter
3 Qualifications).

4 **a. Provisions for which Plaintiffs have alleged these claims:**

- 5 • H.B. 2243 § 2 (enacting A.R.S. § 6-165(I))

6 **b. Elements or standards that must be proved for Plaintiffs to prevail:** To
7 establish a violation of 52 U.S.C. § 10101(a)(2)(A), Plaintiffs must prove that
8 (a) a person “acting under color of law”; (b) “in determining whether any
9 individual is qualified under State law or laws to vote in any election”; (c)
10 has applied “standards, practices, or procedures”; that are (d) “different from
11 the standards, practices, or procedures applied under such law or laws to
12 other individuals within the same county, parish, or similar political
13 subdivision who have been found by State officials to be qualified to vote.”

14 **c. Relief requested:** Declaratory and injunctive relief against A.R.S. § 16-
15 165(I), or, in the alternative, declaratory relief and an injunction against the
16 Secretary of State’s Office requiring it to adopt, issue, and communicate
17 guidance to the County Recorders ensuring that A.R.S. § 16-165(I) is
18 administered in a non-arbitrary and uniform manner, failing which the Court
19 should order its own. This claim seeks relief as to all elections—federal,
20 state, and local. This claim also seeks an award of costs, expenses, and
21 reasonable attorneys’ fees, pursuant to 42 U.S.C. § 1988, and any other
22 applicable law; and such other and further relief as the Court deems just and
23 proper.

24 **10. NATIONAL VOTER REGISTRATION ACT SECTION 6 CLAIM:** (NVRA
25 Requirement that States “Accept and Use” the Federal Form).

26 **a. Provisions for which Plaintiffs have alleged these claims:**

- 27 • H.B. 2243 § 2

28 **b. Elements or standards that must be proved for Plaintiffs to prevail:**
Plaintiffs can establish a violation of Section 6 of the NVRA by
demonstrating that the challenged law violates the requirement that the State
of Arizona accept and use the Federal Form for the registration of voters in
elections for Federal office.

c. Relief requested: Declaratory and injunctive relief enjoining Defendants
from enforcing the challenged provision of H.B. 2243; an award of costs,
expenses, and reasonable attorneys’ fees, pursuant to 52 U.S.C. § 20510, and
any other applicable law; and such other and further relief as the Court deems
just and proper.

1 **11. NATIONAL VOTER REGISTRATION ACT SECTION 8(b) CLAIM:**
2 (NVRA Requirement of Uniform and Nondiscriminatory List Maintenance
3 Programs).

4 **a. Provisions for which Plaintiffs have alleged these claims:**

- 5 • H.B. 2492 §§ 7, 8
- 6 • H.B. 2243 § 2

7 **b. Elements or standards that must be proved for Plaintiffs to prevail:**

8 Plaintiffs' Position: A list maintenance program or activity violates Section
9 8(b) of the NVRA if it is either non-uniform or discriminatory. Plaintiffs
10 must prove that the challenged provisions above, separately or in
11 combination, result in the use of a non-uniform program or activity in the
12 maintenance of Arizona's voter list. *See Project Vote v. Blackwell*, 455 F.
13 Supp. 2d 694, 703 (N.D. Ohio 2006) (violation of Section 8(b) based on law
14 that treated different classes of registration drive participants differently).
15 One basis for Plaintiffs to prevail includes showing that the challenged
16 citizenship investigation provisions have a non-uniform impact on
17 naturalized citizens as compared with other citizens. *United States v. Florida*,
18 870 F. Supp. 2d 1346, 1350-51 (N.D. Fla. 2012) (state purge program
19 "probably ran afoul of [NVRA section 8(b)] because its methodology made
20 it likely that newly naturalized citizens were the primary individuals who
21 would have to respond and provide documentation"). A distinct basis for
22 finding a violation under Section 8(b) requires Plaintiffs to prove a
23 discriminatory effect from the challenged provisions above on a group of
24 registered voters, here naturalized registered voters.

25 Defendants' Position: Defendants do not agree that the cited district court
26 cases or the sentences that follow the citations are applicable here.

27 **c. Relief requested:** Declaratory and injunctive relief against the challenged
28 provisions, an award of costs, expenses, and reasonable attorneys' fees,
 pursuant to 52 U.S.C. § 20510, and any other applicable law; and such other
 and further relief as the Court deems just and proper. Or, in the alternative,
 Poder Latinx Plaintiffs seek declaratory relief and an injunction against the
 Secretary of State's Office requiring it to adopt, issue, and communicate
 guidance to the County Recorders ensuring that the challenged provisions
 are administered in a uniform and non-discriminatory manner, failing which
 the Court should order its own. This claim seeks relief only as to federal
 elections.

1 **12. NATIONAL VOTER REGISTRATION ACT SECTION 7 CLAIM:** (NVRA
2 Mandate that Public Assistance Agencies Use a Form “Equivalent” to the Federal
3 Form):

4 **a. Provisions for which Plaintiffs have alleged these claims:**

- 5 • H.B. 2492 § 4

6 **b. Elements or standards that must be proved for Plaintiffs to prevail:**
7 Plaintiffs can establish a violation of Section 7 of the NVRA by
8 demonstrating that a State’s practices result in public assistance agencies
9 mandated to provide voter registration services failing to distribute either the
10 Federal Form or a voter registration form that is the “equivalent” of the
11 Federal Form.

12 **c. Relief requested:** Declaratory and injunctive relief against the Challenged
13 Provision as applied to applications received from public assistance agencies,
14 an award of costs, expenses, and reasonable attorneys’ fees, pursuant to 52
15 U.S.C. § 20510, and any other applicable law; and such other and further
16 relief as the Court deems just and proper.

17 **13. NATIONAL VOTER REGISTRATION ACT SECTION 6 AND 8(A)**
18 **CLAIMS REGARDING DPOR:**

19 **a. Provisions for which Plaintiffs have alleged these claims:**

- 20 • H.B. 2492 § 5 (DPOR requirement)

21 **b. Elements or standards that must be proved for Plaintiffs to prevail:**
22 Plaintiffs can establish a violation of the NVRA’s Section 6 by demonstrating
23 that the State uses its own mail voter registration form to register voters for
24 federal elections and that form fails to meet the criteria for the Federal Form,
25 as identified in 52 U.S.C. 20508(b). *See* ECF 534 at 22 fn. 13. Plaintiffs can
26 establish a violation of the NVRA’s Section 8(a) by establishing that the
27 State fails to “ensure that any eligible applicant is registered to vote in an
28 election” when they submit a facially valid voter registration form under the
29 NVRA’s requirements for voter registration. **Relief requested:** Declaratory
30 and injunctive relief requiring election officials to register otherwise eligible
31 voters as “federal only” voters if they submit a State Form without DPOR,
32 an award of costs, expenses, and reasonable attorneys’ fees, pursuant to 52
33 U.S.C. § 20510, and any other applicable law; and such other and further
34 relief as the Court deems just and proper.²¹

²¹ *Note: Plaintiffs added this statement of their claim on the evening of the deadline for this filing, so Defendants have not had an opportunity to consider it. Plaintiffs respond that these additions were made in response to an evolving understanding of the Parties’ differing interpretation of this Court’s partial summary judgment order and Plaintiffs made counsel for Defendants aware of likely revisions this morning.*

1 **14. VOTING RIGHTS ACT SECTION 2 CLAIM (52 U.S.C. SECTION 10301)**
 2 (Prohibition on Vote Denial):

3 **a. Provisions for which Plaintiffs have alleged these claims:**

- 4 • H.B. 2492 §§ 1, 3, 4, 5, 7, 8
 5 • H.B. 2243 § 2

6 **b. Elements or standards that must be proved for Plaintiffs to prevail:** A
 7 voting rule violates Section 2 of the Voting Rights Act if it “results in a denial
 8 or abridgement of the right of any citizen of the United States to vote on
 9 account of race or color” or language-minority status. 52 U.S.C. § 10301(a).
 10 Courts reviewing a Section 2 claim consider “the totality of circumstances”
 11 in each case and whether “the political processes leading to nomination or
 12 election in the State or political subdivision are not equally open to
 13 participation by members” of a protected class “in that its members have less
 14 opportunity than other members of the electorate to participate in the political
 15 process and to elect representatives of their choice.” *Id.* § 10301(b).
 16 Important factors include but are not limited to: the size of the burden
 17 imposed by the rule; “the degree to which the rule departs from what was
 18 standard practice when § 2 was amended in 1982;” the disparate impact on
 19 members of different racial and ethnic groups; “opportunities provided by a
 20 State’s entire system of voting;” and the strength of the State’s interests in
 21 imposing the rule. *Brnovich v. Democratic Nat’l Comm.*, 141 S. Ct. 2321,
 22 2338-39 (2021).

23 **c. Relief requested:** Declaratory and injunctive relief enjoining Defendants
 24 from enforcing the challenged provisions of H.B. 2492 and H.B. 2243; an
 25 award of costs, expenses, and reasonable attorneys’ fees, pursuant to 42
 26 U.S.C. § 1988, and any other applicable law; and such other and further
 27 relief as the Court deems just and proper.

28 **F. STIPULATIONS AND UNDISPUTED FACTS**

 Stipulations of fact and law proposed by Plaintiffs and agreed to by the Secretary of
 State, Attorney General, RNC, and Speaker Toma and President Petersen are attached
 hereto as **Exhibit 1**. Plaintiffs proposed that each of these Defendants individually indicate
 which proposed facts they were willing to stipulate to in order to most clearly identify
 outstanding disputes between the numerous parties attending trial. The Attorney General,
 Secretary of State, RNC, and Speaker Toma and President Petersen agreed to provide
 individual responses to Plaintiffs’ proposed stipulations but only agreed to include
 stipulations agreed to by all four Defendants in the JPTO. Plaintiffs agreed to this request

1 but intend to move *in limine* to admit these individual stipulations in order to streamline
2 trial proceedings by making clear which Defendants dispute which factual issues. *See infra*
3 Section N (Motions in Limine). Similarly, Plaintiffs offered more limited sets of proposed
4 stipulations of fact to the County Recorder Defendants, focusing specifically on facts
5 pertaining to the duties of the County Recorders or facts specific to a given county.
6 Plaintiffs intend to move *in limine* to admit these stipulations as well, again to further
7 clarify the scope of outstanding disputes of fact for trial.

8 Stipulations of fact proposed by Defendants and agreed to by Plaintiffs are attached
9 hereto as **Exhibit 2**.

10 **G. PLAINTIFFS' CONTENTIONS OF DISPUTED FACT**

11 **1.** Each Non-U.S. Plaintiff satisfies the requirements for organizational,
12 associational, and/or individual standing for each one of that Plaintiff's claims.

13 **2.** The Challenged Laws will substantially burden qualified individuals'
14 fundamental right to vote. Arizonans will have their registrations rejected (including
15 because immaterial information is required), cancelled, suspended, limited, or delayed by
16 the Challenged Laws. As a result, eligible Arizona voters will be unable to register and
17 vote or face substantial burdens in doing so.

18 **3.** The discriminatory treatment of State Form voter registrations—requiring
19 the rejection of State Forms lacking place of birth or documentary proof of citizenship
20 (“DPOC”) or documentary proof of location of residency (“DPOR”)—substantially burdens
21 eligible Arizonans; the vast majority of Arizonans that register by paper form use the State
22 Form and the State Form is more accessible to Arizonans.

23 **4.** Excluding “federal-only” voters from voting in presidential elections would
24 reduce voters' likelihood of voting in other elections, both in the immediate future and in
25 the longer term.

26 **5.** Excluding “federal-only” voters from voting by mail burdens the right to vote
27 because mail voting is significantly more accessible than voting in person for many eligible
28 voters; the vast majority of Arizonans vote by mail, which state law has allowed, excuse-
free, for more than 20 years.

6. Canceling voters' registrations without an adequate opportunity for the

1 cancelled voter to contest or cure the basis for cancellation burdens the right to vote by
2 depriving those voters of their previous voting rights without adequate procedures.

3 7. Rejecting voter registration applications and forwarding the applications to
4 the County Attorney and Attorney General for investigation without allowing the applicant
5 an opportunity to contest or cure burdens the right to vote by subjecting registrants to
6 potential criminal investigation.

7 8. The Challenged Laws' reliance on faulty and stale citizenship data from an
8 undefined set of sources to reject and/or cancel voter registrations substantially burdens
9 eligible Arizona voters and disproportionately burdens naturalized citizen voters.

10 9. No sufficiently weighty state interest justifies the burdens imposed by the
11 Challenged Laws, particularly as registration or voting by non-citizens in elections held in
12 Arizona is essentially non-existent.

13 10. The Challenged Laws are not meaningfully tailored to serve any legitimate
14 state interest.

15 11. Canceling voters' registrations without an adequate opportunity for the
16 cancelled voter to contest or cure burdens the right to vote by depriving those voters of
17 their previous voting rights without adequate procedures.

18 12. Rejecting voter registration applications and forwarding the applications to
19 the County Attorney and Attorney General for investigation without allowing the applicant
20 an opportunity to contest or cure burdens the right to vote by subjecting registrants to
21 potential criminal investigation.

22 13. No sufficiently weighty state interest justifies the burdens imposed by the
23 Challenged Laws, particularly as voting by non-citizens in elections held in Arizona is
24 essentially non-existent.

25 14. If implemented, the Challenged Laws would disproportionately affect racial
26 minorities and naturalized citizens.

27 15. If implemented, the Challenged Laws facially classify based on national
28 origin and/or alienage.

16. If implemented, H.B. 2492 treats similarly situated State-Form applicants
differently from Federal-Form applicants, including in violation of the *LULAC* consent

1 decree.

2 **17.** If implemented, H.B. 2492 mandates that “Federal-Only” voters be subject
3 to arbitrary restrictions on mail voting and voting in presidential elections not imposed on
4 other voter registration applicants.

5 **18.** No legitimate state interest justifies such discriminatory or differential
6 treatment, particularly as voting by non-citizens in elections held in Arizona is essentially
7 non-existent.

8 **19.** The Challenged Laws were enacted with discriminatory intent against voters
9 of color and naturalized citizens, as measured by the factors set forth in *Village of Arlington*
10 *Heights v. Metropolitan Housing Development Corp.*, 429 U.S. 252 (1977) and *Arce v.*
11 *Douglas*, 793 F.3d 968, 977-78 (9th Cir. 2015).

12 **20.** The challenged citizenship investigation procedures in H.B. 2492 §§ 4, 7,
13 and 8 and H.B. 2243 § 2, separately or in combination, cause the arbitrary and disparate
14 treatment of voter registration applicants and registered voters in Arizona.

15 **21.** Arizona’s fifteen County Recorder offices have significantly different views
16 on how to interpret, implement, and enforce the challenged citizenship investigation
17 procedures in H.B. 2492 §§ 4, 7, and 8 and H.B. 2243 § 2.

18 **22.** The proposed 2023 Arizona Election Procedures Manual, that has been
19 submitted to the Governor and the Attorney General for their approval—which could be
20 adopted at any time and without further revisions—contains no interpretations, definitions,
21 rules, or guidance that will ensure county recorders implement and enforce the challenged
22 citizenship investigation procedures in H.B. 2492 §§ 4, 7, and 8 and H.B. 2243 § 2 in a
23 non-arbitrary and uniform manner statewide.

24 **23.** Arizona’s fifteen County Recorder offices use the SAVE system and
25 USCIS’s other naturalized citizenship verification procedures in a non-uniform,
26 inconsistent, and disparate manner.

27 **24.** Arizona has no law, rule, regulation, or guidance in any current or draft
28 version of the Arizona Election Procedures Manual regarding what county recorders must
do when a registered voter is removed from the rolls due to an erroneous voting eligibility
determination, but that error is not discovered until after the voter registration deadline has

1 passed. Accordingly, what to do in such circumstances is left—and will continue to be
2 left—to the subjective judgment calls of fifteen county recorders and their staff.

3 **25.** If implemented, Section 2 of H.B. 2243 would exclude certain voters that
4 make lawful use of the Federal Form to register to vote from voting in presidential elections
5 and by mail in violation of Section 6 of the NVRA.

6 **26.** If implemented, the Challenged Laws will likely result in unlawful
7 cancellation of legitimate voter registrants.

8 **27.** If implemented, Section 8 of H.B. 2492 would allow systematic cancellation
9 of voter registration within 90 days of a Federal Election in violation of Section 8 of the
10 NVRA.

11 **28.** Given this Court’s Section 6 preemption ruling regarding DPOR, the
12 implementation of H.B. 2492’s remaining DPOR requirement will lead to arbitrary
13 treatment of voters based on their usage of the State Form or Federal Form.

14 **29.** Given that election officials can and must accept Federal Forms without
15 DPOR, the State cannot establish that DPOR is “necessary to enable the appropriate State
16 election official to assess the eligibility of the applicant and to administer voter registration
17 and other parts of the election process.”

18 **30.** The public assistance agencies in Arizona mandated to provide voter
19 registration services under Section 7 of the NVRA use the State Form in providing their
20 customers with voter registration services.

21 **31.** Under H.B. 2492, State Forms are not processed in an equivalent fashion to
22 Federal Forms.

23 **32.** If implemented, the Challenged Laws would create discriminatory and non-
24 uniform voter-roll maintenance programs and removals that violate Section 8 of the
25 NVRA.

26 **33.** The challenged laws, separately or in combination, result in the use of a non-
27 uniform program or activity in the maintenance of Arizona’s voter list.

28 **34.** The challenged citizenship investigation procedures in H.B. 2492 §§ 7 and 8
and H.B. 2243 § 2, separately or in combination, cause the non-uniform treatment of
registered voters as a whole and the non-uniform and discriminatory treatment of

1 naturalized registered voters in particular.

2 **35.** The challenged citizenship investigation provisions, separately or in
3 combination, have a non-uniform impact on naturalized citizens as compared with other
4 citizens.

5 **36.** The challenged citizenship investigation provisions, separately or in
6 combination, have a discriminatory effect on naturalized registered voters.

7 **37.** DPOC is not material establishing whether someone is eligible to vote in
8 Arizona.

9 **38.** Birthplace is not material to determining whether someone is qualified to
10 vote under Arizona law. An individual's place of birth is not determinative of their
11 citizenship status.

12 **39.** Completion of the citizenship checkbox on the State or Federal Form is not
13 material to determining whether someone is qualified to vote under Arizona law when
14 election officials have access to documentary proof of citizenship for the applicant.

15 **40.** A.R.S. § 16-165(I) (the "reason to believe" provision) requires Arizona's
16 election officials to apply standards, practices, and procedures in determining the voter
17 qualifications of registered voters they suspect lack U.S. citizenship that are different from
18 the standards, practices, and procedures applied to other registered voters within the same
19 county.

20 **41.** A.R.S. § 16-165(I) (the "reason to believe" provision) authorizes county
21 recorders and their staff to apply an extra citizenship investigation using the SAVE system
22 to registered voters they suspect lack U.S. citizenship.

23 **42.** The Challenged Laws will result in denial and abridgment of numerous
24 Arizonans' right to vote on account of their race, color, or language minority status. Those
25 Arizonans will have their registrations rejected, cancelled, suspended, limited, or delayed
26 by the Challenged Laws, and may face criminal prosecution. The totality of the
27 circumstances show that the political processes leading to nomination or election will not
28 be equally open to members of various protected classes of Arizonans (including Native
Americans, Latinos, voters of color, and members of language minority communities) due
to the Challenged Laws, in that their members will have less opportunity than others to

1 participate in the political process and elect representatives of choice.

2 **43.** The Challenged Laws' additional DPOC procedures and requirements;
3 requirement that applicants list place of birth on their registration forms; discriminatory
4 rejection and removal procedures (including those that rely on outdated, faulty, and
5 discriminatory databases); and provisions threatening naturalized citizens with criminal
6 investigation all create unusual burdens for and disparately impact Native Americans,
7 Latinos, voters of color, and members of language minority communities in Arizona.

8 **44.** The burdens and disparate impact created by the Challenged Laws are not
9 ameliorated by the opportunities provided by Arizona's voting system as a whole.

10 **45.** The requirements in the Challenged laws were not standard practice or
11 commonly used in Arizona or the United States when Section Two of the Voting Rights
12 Act was amended in 1982.

13 **46.** The State of Arizona has no strong or even legitimate interest justifying the
14 discriminatory burdens created by the Challenged Laws.

15 **H. DEFENDANTS' CONTENTIONS OF DISPUTED FACT**

- 16 **1.** Plaintiffs have not demonstrated an injury in fact that is both (a) concrete and
17 particularized and (b) actual or imminent.

18 Alternatively, Plaintiffs have not demonstrated that their injury is caused by
19 the Challenged Provisions.

20 Alternatively, Plaintiffs have not demonstrated that it is likely, rather than
21 speculative, that a favorable decision by the Court will redress their injury.

- 22 **2.** Plaintiffs have not demonstrated a likelihood of future injury.
- 23 **3.** Plaintiffs have not demonstrated that the Challenged Provisions impose an undue
24 burden on the right to vote.
- 25 **4.** Plaintiffs have not demonstrated that the Challenged Provisions have resulted in
26 insufficient notice to voters to the extent required by due process.
- 27 **5.** Plaintiffs have not demonstrated that the Challenged Provisions discriminate on the
28 basis of a protected status.
- 6.** Plaintiffs have not demonstrated that the Challenged Provisions were motivated by
an intent to discriminate on the basis of a protected status.

- 1 7. Plaintiffs have not demonstrated that the Challenged Provisions have been or will
2 be implemented arbitrarily.
- 3 8. Plaintiffs have not demonstrated that the Challenged Provisions are not material to
4 determining an individual's qualifications to vote.
- 5 9. Plaintiffs have not demonstrated that the Challenged Provisions impose standards,
6 practices, or procedures in determining whether an individual is qualified to vote,
7 which are different from the standards, practices, or procedures applied to other
8 individuals in the same county, parish, or similar political subdivision who have
9 been found qualified to vote.
- 10 10. Plaintiffs have not demonstrated, beyond what the Court has already decided, that
11 the Challenged Provisions require elections officials *not* to accept and use the
12 Federal Form for the registration of voters for federal office.
- 13 11. Plaintiffs have not demonstrated that the Challenged Provisions impose non-
14 uniform or discriminatory list maintenance programs or activities.
- 15 12. Plaintiffs have not demonstrated that the Challenged Provisions require public
16 assistance agencies to distribute a form that is not the equivalent of the Federal
17 Form.
- 18 13. Plaintiffs have not demonstrated that the Challenged Provisions result in a denial or
19 abridgement of the right of any citizen to vote on account of race or color.

20 I. ISSUES OF LAW IN CONTROVERSY

21 1. First and Fourteenth Amendments: Undue Burden on the Right to Vote

- 22 • Whether H.B. 2492 and H.B. 2243's DPOC Requirement, Birthplace
23 Requirement, database checks, notice procedures, and criminal investigation
24 procedures impose an undue burden on the right to vote.

25 2. Fourteenth Amendment: Denial of Procedural Due Process

- 26 • Whether H.B. 2492's DPOC Requirement, criminal investigation procedures,
27 and cancellation of voter registrations violate the right to due process.
- 28 • Whether H.B. 2243's removal of registered voters from the rolls without an
adequate opportunity to contest or cure violates a voter's procedural due process
rights.

1 **3. Fourteenth Amendment: Arbitrary and Disparate Treatment in Violation of**
 2 **Right to Equal Protection**

- 3 • Whether H.B. 2492’s DPOC Requirement violates the right to equal protection.
- 4 ○ Whether H.B. 2492’s disparate treatment of State and Federal Forms
- 5 violates the right to equal protection.
- 6 ○ Whether H.B. 2492’s restrictions on mail voting and voting in
- 7 presidential elections for voters who have not submitted DPOC violate
- 8 the right to equal protection.
- 9 • Whether H.B. 2492 and H.B. 2243’s Citizenship Investigation Procedures
- 10 (found in Sections 4, 7, and 8 of H.B. 2492 and in Section 2 of H.B. 2243) violate
- 11 the right to equal protection by causing “arbitrary and disparate treatment” of
- 12 voter registration applicants and registered voters.

11 **4. Fourteenth and Fifteenth Amendment Discrimination Claims**

- 12 • Whether H.B. 2492’s DPOC Requirement, Birthplace Requirement, and H.B.
- 13 2492 and H.B. 2243’s provisions subjecting voter registration applicants and
- 14 voter registrants to DPOC requirements, database comparisons, and potential
- 15 criminal investigations and prosecutions violate the prohibition on racial,
- 16 national origin, and alienage discrimination in the Fourteenth Amendment.
- 17 • Whether H.B. 2492’s DPOC Requirement, Birthplace Requirement and H.B.
- 18 2492 and H.B. 2243’s provisions subjecting voter registration applicants and
- 19 voter registrants to DPOC requirements, database comparisons, and potential
- 20 criminal investigations and prosecutions violate the prohibition on intentional
- 21 racial and national origin discrimination under the Fourteenth and Fifteenth
- 22 Amendment.
- 23 • Whether H.B. 2243’s “reason to believe” provision, Ariz. Rev. Stat. § 16-165(I),
- 24 violates the Fourteenth and Fifteenth Amendments’ prohibition on discretion in
- 25 voter registration which enables racial or national origin discrimination.

21 **5. Civil Rights Act Section 10101(a)(2)(B) Materiality Provision Claim**

- 22 • Whether H.B. 2492’s Birthplace Requirement is not material to determining a
- 23 prospective registrant’s qualifications to vote under Arizona law and whether
- 24 rejecting a voter registration form because a prospective registrant omits
- 25 birthplace information denies the right to vote.

25 **6. Civil Rights Act Section 10101(a)(2)(A) Claim**

- 26 • Whether H.B. 2243’s “reason to believe provision,” Ariz. Rev. Stat. § 16-165(I),
- 27 violates the Civil Rights Act’s prohibition on using different standards,
- 28 practices, or procedures in voter qualification determinations.

1 **7. National Voter Registration Act Section 6 Claim**

- 2 • Whether H.B. 2243’s Citizenship Investigation Procedures and removal of
3 registered voters from the rolls (found in Section 2) violate the National Voter
4 Registration Act’s requirement that the State of Arizona accept and use the
5 Federal Form for registration of voters in elections for Federal Office.

6 **8. National Voter Registration Act Section 8(b) Claim**

- 7 • Whether H.B. 2492 and H.B. 2243’s provisions subjecting voter registration
8 applicants and voter registrants to DPOC requirements, database comparisons,
9 and potential criminal investigations and prosecutions regarding currently
10 registered voters (found in Sections 7 and 8 of H.B. 2492 and in Section 2 of
11 H.B. 2243) violate the National Voter Registration Act’s requirement for
12 uniform and nondiscriminatory programs and activities in the maintenance of
13 voter registration rolls.

14 **9. National Voter Registration Act Section 7 Claims**

- 15 • Whether H.B. 2492’s mandate that all State Form applications be rejected absent
16 DPOC violates the National Voter Registration Act’s requirement that public
17 assistance agencies provide their customers with voter registration services using
18 the Federal Form or its “equivalent, as applied to State Forms submitted from
19 public assistance agencies

20 **10. National Voter Registration Act: Sections 6 and 8(a) Challenges to the DPOR
21 Requirement**

- 22 • Whether, in so far as Defendants’ implementation of this Court’s Section 6
23 preemption holding results in acceptance of Federal Form applications without
24 DPOR for federal-only elections but rejection of the State Form applications
25 without DPOR, that practice violates Section 6 and 8(a) of the NVRA.²²

26 **11. Section 2 of the Voting Rights Act.**

- 27 • Whether, under the totality of the circumstances, the Challenged Provisions
28 violate Section 2’s prohibition on voting procedures that “result[] in a denial or
29 abridgment of the right of an citizen of the United States to vote on account of
30 race or color.” 52 U.S.C. 10301.

²² Note: Plaintiffs added this statement of their claim on the evening of the deadline for this filing, so Defendants have not had an opportunity to consider it. Plaintiffs respond that these additions were made in response to an evolving understanding of the Parties’ differing interpretation of this Court’s partial summary judgment order and Plaintiffs made counsel for Defendants aware of likely revisions this morning.

1 **12. Standing/Ripeness**

- 2 • Whether Plaintiffs have demonstrated standing for their claims, and relatedly,
3 whether their claims are ripe. *Lujan v. Defenders of Wildlife*, 504 U.S. 555, 560–
4 62 (1992); *Thomas v. Anchorage Equal Rights Com’n*, 220 F.3d 1134, 1138–40
5 (9th Cir. 2000) (en banc).

6 **13. Private Right of Action to Enforce 52 U.S.C. § 10101(a)(2)**

- 7 • To the extent any non-US Plaintiff presents a claim under 52 U.S.C. §
8 10101(a)(2), whether they have a private right of action to do so. *Cf.* Doc. 534
9 at 35 (ruling that this issue is “moot”). Plaintiffs’ position is that whether a
10 private right of action exists is not an issue for the trial.

11 **14. Injunctive and Declaratory Relief**

- 12 • Whether, even if Plaintiffs have standing, they have satisfied the conditions for
13 the equitable remedies of injunctive and declaratory relief. *City of Los Angeles*
14 *v. Lyons*, 461 U.S. 95, 105–13 (1983); *Hodgers-Durgin v. de la Vina*, 199 F.3d
15 1037, 1040–44 (9th Cir. 1999) (en banc).

16 **J. SEPARATE TRIAL OF ISSUES**

17 The parties agree that there should be no separate trial of issues.

18 **K. WITNESSES**

19 The Plaintiffs’ witness list is attached hereto as **Exhibit 3**.

20 The Defendants’ witness list is attached hereto as **Exhibit 4**.

21 **L. EXPERTS**

22 **1. Plaintiffs’ Experts:**

23 **Dr. Lorraine C. Minnite:**

24 Dr. Minnite is a political scientist and associate professor in the Department of
25 Public Policy and Administration at Rutgers University-Camden. She received her
26 Bachelor of Arts degree in history from Boston University, and two Masters degrees and a
27 Ph.D. in Political Science from the City University of New York. Dr. Minnite’s research
28 focuses on American Politics with a specialization in elections and the political process.
Dr. Minnite is the author of *The Myth of Voter Fraud* (Cornell University Press, 2010),
which is the first and only peer-reviewed book that has been published on the frequency of
voter fraud in American elections. The Election Law Journal described it as “excellent”

1 and one that “should be read by political scientists, those interested in election
2 administration, and policymakers at the state and federal levels.”

3 Dr. Minnite will testify regarding the incidence of voter fraud in recent U.S.
4 elections, both nationally and in Arizona, and her conclusions that voter fraud is
5 exceedingly rare. Dr. Minnite will also testify about why H.B. 2492 and H.B. 2243 will not
6 reduce the incidence of voter fraud and how the Challenged Provisions are not justified by
7 the scant evidence of non-citizen or non-resident voting in Arizona. Dr. Minnite will also
8 testify about how false allegations of voter and election fraud harm our democratic
9 institutions by undermining the public’s confidence in the election system.

10 **Dr. Michael P. McDonald:**

11 Dr. Michael P. McDonald is Professor of Political Science at the University of
12 Florida. Dr. McDonald has published peer-reviewed articles specifically on the reliability
13 of voter registration files and matching algorithms as applied to voter registration files, and
14 he is co-author on a book concerning how limitations of computers to accurately store
15 numeric data can lead to erroneous statistical analyses. He has participated as an expert
16 witness in cases involving voter registration and other election administration issues. Dr.
17 McDonald has also worked directly with federal, state, and local election officials in
18 varying capacities, including election administration, absentee ballot management, data
19 protection and management and voter registration. Dr. McDonald will testify regarding the
20 impact of the challenged provisions of HB 2492 and HB 2243 on new and current voter
21 registrants. He will testify about how the database matching procedures enacted by HB
22 2243 and HB 2492 have multiple potential failure points and are likely to impact
23 individuals who are, in fact, eligible to vote and are, disproportionately, people of color.
24 He will also testify regarding the inconsistent and varying interpretation county recorders
25 have of how these new requirements should be enforced, and the likelihood that these
26 varying interpretations will lead to nonuniform treatment of registrants across Arizona
27 counties. He will also provide analysis of Arizona’s registered voters including
28 demographics and information voters provide regarding place of birth.

Dr. Eitan Hersh:

Dr. Hersh is a professor in the Department of Political Science at Tufts University

1 and has published extensively on elections and voting mechanics. His publications include
2 articles that analyze voting data and voter records that have been published in journals such
3 as the *Quarterly Journal of Political Science*, the *American Political Science Review*, and
4 the *Election Law Journal*. He has a Ph.D. in political science from Harvard University, an
5 M.A. in Political Science from Harvard University, and a B.A. in Philosophy from Tufts
6 University. Dr. Hersh has participated as an expert witness in four other voting cases since
7 2019.

8 Dr. Hersh will opine that the lack of standardization and accuracy in Arizona's
9 collection of birthplace information renders these data, in their current form, highly
10 unreliable as a way to identify voters. He will also opine on the utility of birthplace data
11 to identify voters in Arizona based on an empirical analysis of Arizona's statewide voter
12 registration database.

13 **Dr. Traci Burch**

14 Dr. Burch is an Associate Professor in the Department of Political Science at
15 Northwestern University and a Research Professor at the American Bar Foundation. She
16 earned a Ph.D. in Government and Social Policy from Harvard University and an A.B. in
17 Politics from Princeton University. Dr. Burch's research and writing focuses on U.S.
18 politics, political behavior and inequality, race and ethnic politics, social policy, and
19 criminal justice. In addition to her award-winning 2013 book entitled *Trading Democracy
20 for Justice: Criminal Convictions and the Decline of Neighborhood Political Participation*,
21 Dr. Burch has authored recent publications appearing in several peer-reviewed journals,
22 including *Political Behavior*, *Law and Society Review*, and *Criminology and Public Policy*.

23 Dr. Burch will testify regarding the burdens imposed by H.B. 2492 and H.B. 2243.
24 This will include analysis of the time, effort, expense, and psychological toll imposed by
25 these laws, particularly for individuals of lower socioeconomic status.

26 **Derek Chang, Ph.D.:**

27 Derek Chang is an Associate Professor of History and Asian American Studies at
28 Cornell University, where he has taught courses on Asian American history, Asian
American Studies, comparative race relations and racial formations, and immigration. He
earned a B.A. in History from Trinity College in 1991, and a Ph.D. in History from Duke

1 University in 2002, where he trained in the history of the modern United States, with a
2 specialization in the late-nineteenth and early twentieth centuries. During his time at
3 Cornell University, he has served as a director of the Asian American Studies Program on
4 multiple occasions, most recently, as interim director in the Fall of 2021. He is currently
5 the Director Undergraduate Studies in the Department of History, and serves as the interim
6 Director of the Public History Initiative.

7 Dr. Chang's testimony will focus on contextualizing H.B. 2492 and H.B. 2243
8 within the history of anti-Asian American and Pacific Islander ("AAPI") discrimination in
9 Arizona and the United States from the mid-nineteenth century to the present, showing that
10 the challenged laws are part of a broader history of efforts to limit AAPI voting rights.

Orville Vernon Burton, Ph.D.:

11 Dr. Orville Vernon Burton is the Judge Matthew J. Perry Distinguished Professor
12 of History, and Professor of Global Black Studies, Sociology and Anthropology, and
13 Computer Science at Clemson University. Dr. Burton received his undergraduate degree
14 from Furman University in 1969 and his Ph.D. in American History from Princeton
15 University in 1976. He has been researching and teaching American History, among other
16 subjects, at universities since 1971. He is the author or editor of more than twenty books
17 and nearly three hundred articles, including in numerous renowned history and political
18 science journals.

19 Dr. Burton will testify regarding Arizona's history of official discrimination that
20 touches the rights of minority voters to participate in the democratic process; the historical
21 patterns of discriminatory results against minority voters and the reality that those voters
22 bear the effects of discrimination in various socio-economic areas that hinder their ability
23 to participate in the political process; the voting restrictions commonly in place in 1982;
24 and the presence of overt or subtle racial appeals in campaigning in Arizona.

2. Defendants' and Intervenor-Defendants' Experts:

Robert Stein, Ph.D.:

25 Dr. Robert Stein is the Lena Gohlman Fox Professor of Political Science at Rice
26 University. He received his Ph.D. in Political Science from the University of Wisconsin-
27 Milwaukee in 1977. His research focuses on voting behavior and election administration.
28

1 His work includes collaborations with several states and local governments in designing
2 and implementing voting systems. He has provided expert testimony in a number of voting
3 rights cases.

4 Dr. Stein will testify primarily in response to Plaintiffs' proffered expert, Dr. Burch,
5 regarding burdens imposed by H.B. 2492 and H.B. 2243. He will testify that Dr. Burch's
6 conclusions are premature and based on an incomplete review of the relevant literature.
7 He will provide similar testimony in partial response to Plaintiffs' proffered expert, Dr.
8 McDonald, regarding long-term effects of H.B. 2492 and H.B. 2243 on voters. He will
9 testify that Dr. McDonald's conclusion in this regard is speculative.

10 **Dr. Mark Hoekstra:**

11 Mark Hoekstra, Ph.D., is a professor of economics at Baylor University. Dr.
12 Hoekstra has published more than 20 papers in peer-reviewed journals, and his work has
13 been featured in a leading graduate-level book on empirical methods used in
14 economics. His research focuses on analyzing assumptions underlying various research
15 designs used to assess the causal impact of policies, including methods used to test for
16 racial and gender bias in different settings. Dr. Hoekstra has served as a testifying or
17 consulting expert in nine proceedings, including election integrity litigation in Texas.

18 Dr. Hoekstra will testify in rebuttal to Plaintiffs' proffered experts Dr. McDonald,
19 Dr. Minnite, and Dr. Burch. Specifically, he will testify that their evidence cannot prove a
20 causal relationship between the challenged laws and reduced voter registration or voter
21 turnout—and indeed, that a reduction in voter registration or voter turnout is itself
22 speculative, and there is credible research indicating that a margin increase in voter turnout
23 (both overall and among minorities) may result. Dr. Hoekstra will discuss the plaintiffs'
24 reliance on methodologically flawed studies, the plaintiffs' mischaracterization of
25 research, and the plaintiffs' failure to recognize or deal with credible research that
26 undermines or conflicts with their preferred narrative and conclusions. Finally, he will
27 testify that Dr. Minnite dismisses the possibility of non-citizen voting by manipulating
28 definitions and relying on flawed research methods, and ultimately makes unsubstantiated
allegations about the legislative motivations for H.B. 2492 and H.B. 2243.

1 **Dr. Jesse Richman:**

2 Jesse Richman, Ph.D., is an associate professor of political science and international
3 studies at Old Dominion University. Dr. Richman has published 25 peer-reviewed articles
4 and two books, including a widely cited study estimating the prevalence of non-citizen
5 registration and voting in the United States, and has served as a testifying or consulting
6 expert in several election-related cases.

7 Dr. Richman will testify in rebuttal to Dr. McDonald and Dr. Minnite. Dr. Richman
8 will testify that Dr. McDonald's report contains a series of objective calculation errors and
9 that, coincidentally or not, each buttresses Dr. McDonald's conclusions. Dr. Richman will
10 further explain that Dr. McDonald fails to acknowledge or discuss important data,
11 variables, and alternative explanations. In addition, Dr. Richman will testify that Dr.
12 Minnite understates the rate of registration and voting by non-citizens, that "slightly below
13 one percent" of adult non-citizens attempt to register to vote, and that such non-citizen
14 participation can affect the outcome of statewide elections.

14 **M. EXHIBITS AND DEPOSITIONS**

15 The Plaintiffs' exhibit list, including Defendants' anticipated objections, is attached
16 hereto as **Exhibit 5**. The Plaintiffs' deposition designations, in the form of highlighted
17 transcripts, are attached hereto as **Exhibit 6**. Defendants' objections and counter-
18 designations are attached hereto as **Exhibit 7**.

19 Defendants' exhibit list, including Plaintiffs' anticipated objections, is attached
20 hereto as **Exhibit 8**. Defendants' deposition designations, in the form of highlighted
21 transcripts, are attached hereto as **Exhibit 9**. Plaintiffs' objections and counter-designations
22 are attached hereto as **Exhibit 10**.

23 **N. MOTIONS IN LIMINE AND REQUESTED EVIDENTIARY RULINGS**

24 **Plaintiffs' position:**

25 Plaintiffs anticipate a motion in limine to bar intervenor-defendants Ben Toma and
26 Warren Petersen from adducing any evidence at trial regarding the Arizona Legislature's
27 intent in passing Arizona House Bill 2492 or 2243 or any evidence regarding the state
28 interests supposedly advanced by either or both of those laws.

Plaintiffs anticipate a motion in limine to (i) exclude testimony from a proposed

1 defense witness not previously identified by Defendants in disclosures or discovery, and
2 (ii) exclude certain proposed defense exhibits that were not produced in discovery.

3 Plaintiffs anticipate a motion in limine to bar Defendants from offering argument or
4 evidence at trial regarding any alleged state interests supporting the challenged law not
5 previously disclosed during discovery, or from offering argument or evidence of any
6 alleged state interest that is hypothetical, unfounded in the record, or based upon material
7 unknown to the Arizona legislature at the time of the challenged laws' enactment.

8 Plaintiffs anticipate a motion in limine to admit stipulations individually agreed to
9 by the Secretary of State, the Attorney General, the RNC, and/or Speaker Toma and
10 President Petersen, but not agreed to by all Defendants who intend to actively participate
11 at trial, in order identifying outstanding disputes of fact for trial, including with respect to
12 which parties dispute which facts. *See supra* Section F (“Stipulations and Undisputed
13 Facts”). This motion in limine would also include stipulations individually agreed to by the
14 County Recorders.

15 **Defendants’ position:** At least one Defendant anticipates a motion in limine to
16 exclude documents or testimony reflecting the opinions of individuals or groups
17 concerning the legality of the challenged provisions of H.B. 2492 and H.B. 2243.

18 At least one Defendant anticipates a motion in limine to exclude testimony from
19 individual legislators regarding his or her personal views or motives in connection with his
20 or her vote on the Voting Laws as irrelevant and inadmissible to prove collective legislative
21 intent.

22 **O. PROBABLE LENGTH OF TRIAL**

The parties anticipate a maximum of 10 days for the trial.

23 **P. TRIAL DATE**

Trial has been set in this matter to begin on November 6, 2023. ECF No. 485.

24 **Q. PROPOSED FINDINGS OF FACT AND CONCLUSIONS OF LAW** shall be
25 filed and served by the parties on or before the date set for trial. Subject to this
26 Court’s orders, the parties may submit amended or supplemental proposed
27 findings of fact and conclusions of law after trial at a time yet to be decided.

28 **R. MISCELLANEOUS**

1 Set forth any other appropriate matters which will aid in the effective presentation
2 or disposition of the action.

3 **S. MODIFICATION OF ORDER**

4 The Court may modify the **Final Pretrial Order** as it deems just and proper to
5 prevent manifest injustice or for good cause shown at the trial of the action or prior
6 thereto upon good faith application of counsel for either party or motion of the Court.

RETRIEVED FROM DEMOCRACYDOCKET.COM

Exhibit i

RETRIEVED FROM DEMOCRACYDOCKET.COM

PLAINTIFFS' PROPOSED STIPULATIONS OF FACT AND LAW

Stipulations of Fact	
1.	The San Carlos Apache Tribe (“Tribe”) is a federally recognized Indian Tribe organized pursuant to Section 16 of the Indian Reorganization Act of June 18, 1934 (48 Stat. 984). 86 Fed. Reg. 7554.
2.	The San Carlos Apache Reservation (“Reservation”) in eastern Arizona is currently the tenth largest Indian reservation in the United States, covering an area of approximately 2,855 square miles, or 1.8 million acres.
3.	The Reservation was established (and subsequently diminished) by several Executive Orders and Acts of Congress, including Executive Orders of November 9, 1871 and December 14, 1872 (establishing the White Mountain and San Carlos Reservations). See Executive Orders of August 5, 1873; July 21, 1874; April 27, 1876; October 30, 1876; January 26, 1877; and March 31, 1877 (diminishing the White Mountain and San Carlos Reservations); and the Act of June 7, 1897, 30 Stat. 64 (creating the Fort Apache Reservation and establishing the Fort Apache Agency “to cover and have jurisdiction” over the Reservation).
4.	The Reservation spans across Gila, Graham, and Pinal Counties and is home to approximately 11,000 members, while the remainder of the Tribe’s members live off-Reservation.
5.	Tohono O’odham Nation is a federally recognized Tribe. 87 Fed. Reg. 4636, 4639 (January 28, 2022). The legislative and executive powers of the Tohono O’odham Nation are vested in the Tohono O’odham Council and the Office of the Chairman, respectively. <i>Constitution of the Tohono O’odham Nation</i> , art. V § 1 & art. VII § 1 (March 6, 1986). Among the enumerated powers of the Council and Chairman are the authority to promote, protect and provide for public health, peace, morals, education, and general welfare of the Tohono O’odham Nation and its members and to act as the official representative of the Tohono O’odham Nation. <i>Id.</i> , art. VI § (1)(c)(2) & art. VII § (2)(f).
6.	According to the 2020 Census, approximately 6,713 voting age individuals live on Tohono O’odham lands. U.S. Census, 2020 Census Redistricting Data (Public Law 94-171) Summary File, Race for the Population 18 Years and Older, Table P3 (Tohono O’odham Nation Reservation and Off-Reservation Trust Land, AZ).
7.	Gila River Indian Community is a federally recognized Tribe. 87 Fed. Reg. 4636, 4638 (January 28, 2022). The Community is governed by the Gila River Community Council, which has among its enumerated powers the authority to promote and protect the health, peace, morals, education, and general welfare of the Community and its members and to act for and on behalf of those members. <i>Constitution and Bylaws of the Gila River Indian Community of Arizona</i> , art. XV, § 1(a)(9) (codified by Gila River Indian Community Council on July 7, 2021).
8.	According to the 2020 Census, approximately 9,268 voting age individuals live on the Gila River Reservation. U.S. Census, 2020 Census Redistricting Data (Public Law 94-171) Summary File, Race for the Population 18 Years and Older, Table P3 (Gila River Indian Reservation, AZ).
9.	At the state level, Arizona’s voter registration information is maintained in the Access Voter Information Database (AVID).
10.	Both Maricopa and Pima counties maintain their own voter registration databases and then sync those databases with AVID. The other thirteen counties input voter registration data directly into AVID.

PLAINTIFFS' PROPOSED STIPULATIONS OF FACT AND LAW

Stipulations of Fact	
11.	Among other methods, voters may register to vote in Arizona using either the registration form prescribed by the Arizona Secretary of State, (the "State Form"), or the National Mail Voter Registration Form, provided by the U.S. Election Assistance Commission ("EAC") (the "Federal Form"). <i>See</i> Doc. 388, Ex. 9 (copy of the State Form); Doc. 388, Ex. 10 (copy of the Federal Form).
12.	Both the State Form and the Federal Form require a voter registration applicant to attest to their eligibility, including U.S. citizenship.
13.	In 2004, Proposition 200 amended the state's election code to require county recorders to "reject any application for registration that is not accompanied by satisfactory evidence of United States citizenship." A.R.S. § 16-166(F).
14.	States provide the EAC with state-specific instructions to voters who register to vote in their state using the federal form. <i>See</i> 52 U.S.C. § 20508(a); 11 C.F.R. § 9428.3.
15.	In 2005, Arizona requested that the United States Election Assistance Commission ("EAC") add its documentary proof of citizenship ("DPOC") requirement to Arizona's state-specific instructions on the Federal Form. The EAC divided 2-to-2 on the request, which meant that no action could be taken, and Arizona did not challenge that agency action (or rather inaction) by seeking APA review in federal court. <i>See Arizona v. Inter Tribal Council of Ariz., Inc.</i> , 570 U.S. 1, 6, 19 (2013)); SOS Ans. to LUCHA FAC ¶ 75, Doc.124.
16.	In 2013, Arizona requested that the EAC add its DPOC requirement to Arizona's state-specific instructions on the Federal Form. <i>See Kobach v. U.S. Election Assistance Comm'n</i> , 772 F.3d 1183, 1187-88 (10th Cir. 2014). In 2014, the EAC denied that request. Arizona, along with Kansas, sought judicial review of that denial. <i>Id.</i> at 1188-89. The Tenth Circuit upheld the EAC's agency action, <i>id.</i> at 1196, and the Supreme Court denied Arizona's petition for certiorari. <i>Kobach v. U.S. Election Assistance Comm'n</i> , 576 U.S. 1055 (2015).
17.	Since 2014, Arizona has required applicants to present DPOC in order to register to vote in state and local elections but not to register to vote in federal elections. Doc. 388, Ex. 6 (2019 EPM) at 3 (Ch. 1, Sec. II.A); <i>see also</i> A.R.S. §§ 16-121.01, 16-127; Ariz. Att'y Gen. Op. No. I13-011 (Oct. 7, 2013), available at https://www.azag.gov/sites/default/files/2018-06/I13-011.pdf (last visited Mar. 30, 2022); SOS Ans. to LUCHA FAC ¶ 77, Doc.124; AG Ans. to LUCHA FAC ¶ 77, Doc.328.
18.	The 2014 EPM provided that if a voter registration applicant submitted a State Form without DPOC, they would not be registered to vote at all. <i>See</i> Doc. 388, Ex. 11 (2014 Arizona Election Procedures Manual) at 17. If such an applicant submitted a Federal Form without DPOC, they were registered as a "federal only" voter. SOS Ans. to LUCHA FAC ¶¶ 79-81, Doc.124; AG Ans. to LUCHA FAC ¶¶ 79-80, Doc.328.
19.	In 2018, after litigation brought by Plaintiffs League of United Latin American Citizens of Arizona ("LULAC") and Arizona Students' Association, the Arizona Secretary of State agreed to, and this Court ordered, a consent decree (the "LULAC Consent Decree"). <i>See</i> Doc. 388, Ex. 12 (LULAC Consent Decree); SOS Ans. to LUCHA FAC ¶ 83, Doc.124.

PLAINTIFFS' PROPOSED STIPULATIONS OF FACT AND LAW

Stipulations of Fact	
20.	The LULAC Consent Decree was incorporated as an addendum to the then-operative EPM, which was distributed to the county recorders, and later incorporated into the currently operative 2019 EPM. <i>See</i> Doc. 388, Ex. 6 at 6; <i>see also</i> Doc. 388, Ex. 13 (copy of the 2019 Addendum to the 2014 Arizona Elections Procedures Manual); SOS Ans. to LUCHA FAC ¶ 85, Doc. 124; <i>see also League of United Latin American Citizens of Arizona, et al. v. Reagan, et al.</i> , Case No. 2:17-cv-4102-DGC, ECF No. 37.
21.	The current “State Form” advises applicants that they must provide DPOC to vote a “full ballot” and that, if they do not provide DPOC and their U.S. proof of citizenship cannot be acquired from the Arizona Motor Vehicle Division or statewide voter registration database, they will be registered to receive a “federal-only” ballot, which has only federal races. Doc. 388, Ex. 9; <i>see also League of United Latin American Citizens of Arizona, et al. v. Reagan, et al.</i> , Case No. 2:17-cv-4102-DGC, ECF No. 37.
22.	In Arizona, a “full-ballot” voter is entitled to vote for all federal, state, county, and local races as well as state and local ballot measures for which the voter qualifies. Petty Exhibit 6; MC 000017.
23.	The State Form provides instructions and information in English and Spanish only.
24.	The State Form requires applicants to attest that they are residents of Arizona. The Federal Form requires applicants to attest that they have reviewed their state’s instructions and meet all eligibility requirements. One eligibility requirement for Arizona is being a resident of Arizona. Doc. 388, Ex. 9 (State Form) § 22; Doc. 388, Ex. 10 (Federal Form) § 9.
25.	The County Recorders currently have access to certain databases for purposes of voter registration activities. They have access to the statewide voter registration database (AVID). Through AVID, they can also conduct checks against the Arizona Department of Transportation (“ADOT”) Motor Vehicle Division (“MVD”) database and the Social Security Administration (“SSA”) database, although they do not have direct access to either of those databases. They also receive data through Arizona’s membership in the Electronic Registration Information Center (“ERIC”). They also have access to the Systemic Alien Verification for Entitlements (“SAVE”) system through the Secretary of State’s agreement with USCIS.
26.	As of July 2023, there were 4,198,726 registered voters in Arizona. <i>See</i> https://azsos.gov/elections/results-data/voter-registration-statistics .
27.	Most Arizonans vote by mail. <i>See</i> Arizona Secretary of State, Voting By Mail: How to Get a Ballot-by-Mail, https://azsos.gov/votebymail .
28.	In 1991, Arizona began permitting any qualified elector to vote by absentee ballot. Before then, only some categories of qualified electors were permitted to vote by absentee ballot. <i>See</i> A.R.S. § 16-541.
29.	Approximately 88% of Arizona voters who voted in the 2020 General Election voted early (either by mail or early in-

	person). Secretary of State Answer to MFV Plaintiffs' Second Am. Compl., Doc. 123 ¶ 4.
30.	Arizona maintains an Active Early Voting List ("AEVL") that allows voters to sign up for a mail ballot to be automatically mailed to them for every election in which they are eligible to vote. <i>See</i> Arizona Clean Elections Commission, Ballot By Mail, https://www.azcleelections.gov/how-to-vote/early-voting/vote-by-mail .
31.	In addition to the AEVL, voters can submit a ballot-by-mail request for any individual election. <i>See</i> Arizona Secretary of State, Voting By Mail: How to Get a Ballot-by-Mail, https://azsos.gov/votebymail .
32.	Voters who are temporarily out of town during an election can request to have a ballot mailed to them at a temporary address provided they maintain permanent residency in Arizona. <i>See</i> Arizona Secretary of State, Voting By Mail: How to Get a Ballot-by-Mail, https://azsos.gov/votebymail .
33.	Voters who are serving in the military or residing overseas can request to have a ballot mailed to them. <i>See</i> Arizona Secretary of State, Voting By Mail: How to Get a Ballot-by-Mail, https://azsos.gov/votebymail .
34.	Early voting for an election in Arizona begins 27 days before that election, and voters who are signed up to receive a ballot by mail can expect to receive one shortly after the early voting period begins. <i>See</i> Arizona Clean Elections Commission, Ballot By Mail, https://www.azcleelections.gov/how-to-vote/early-voting/vote-by-mail .
35.	Arizona voters who receive a ballot by mail can return their ballot by mail. Postage is prepaid and no stamp is required to mail a completed ballot. <i>See</i> Arizona Clean Elections Commission, Ballot By Mail, https://www.azcleelections.gov/how-to-vote/early-voting/vote-by-mail .
36.	Arizona voters who receive a ballot by mail can, in lieu of mailing it, drop off their ballot at a voting location in their county. <i>See</i> Arizona Clean Elections Commission, Ballot By Mail, https://www.azcleelections.gov/how-to-vote/early-voting/vote-by-mail .
37.	Voters who return their completed ballot at a voting location in their county can do so at any time up until 7:00 PM on Election Day, which is also the deadline for mail-in ballots to be received. <i>See</i> Arizona Secretary of State, Voting By Mail: How to Get a Ballot-by-Mail, https://azsos.gov/votebymail .
38.	Mail-in voting in Arizona allows voters to cast a ballot without necessarily having to travel to a voting location on Election Day.
39.	Mail-in voting in Arizona allows voters to cast a ballot without necessarily having to arrange for transportation to vote at a polling place on Election Day.
40.	Mail-in voting in Arizona allows a voter to cast a ballot when they temporarily will not be in their county of residence during the early-vote period or on Election Day, including due to military service.
41.	Mail-in voting in Arizona allows voters to cast a ballot without necessarily having to stand in line at a polling place on Election Day.
42.	H.B. 2492 was introduced to the Arizona House of Representatives on January 24, 2022 and read for the first time. <i>See</i>

On March 30, 2022, then-Governor Doug Ducey signed Arizona House Bill 2492 (“H.B. 2492”) into law. <i>See</i> Doc. 388, Ex. 1 (March 30, 2022 Letter from Governor Ducey to Secretary Hobbs re: House Bill 2492 voter registration; verification; citizenship); Doc. 388, Ex. 2 (copy of H.B. 2492 (Chaptered Version)).
44.	On April 22, 2022, then-Governor Ducey signed Senate Bill 1638 (“S.B. 1638”), which made a technical amendment to H.B. 2492 and delayed the effective date for all of H.B. 2492’s provisions to December 31, 2022. Doc. 388, Ex. 3 (copy of S.B. 1638 (Chaptered Version)).
45.	H.B. 2492 went into effect on January 1, 2023. Doc. 388, Ex. 2; Doc. 388, Ex. 4.
46.	On April 6, 2022, the LUCHA Plaintiffs sent written notice to the Secretary of State, as required under the NVRA, providing notice of alleged NVRA violations arising from the enactment of H.B. 2492. SOS Ans. to LUCHA FAC ¶ 362, ECF No. 124; LUCHA NVRA Notice Letter, April 6, 2022; LUCHA NVRA Notice Letter, July 18, 2022.
47.	H.B. 2492 requires “the County Recorder or other officer in charge of elections” to compare voter registrations submitted via the Federal Form without satisfactory evidence of citizenship against databases, provided the county has access, including the Arizona Department of Transportation database of driver licenses or nonoperating identification licenses, the Social Security Administration database, the USCIS Systematic Alien Verification for Entitlements Program, and the National Association for Public Health Statistics and Information Systems Electronic Verification of Vital Events System. <i>See</i> A.R.S. § 16-121.01.

102.	An API interface is a way for the Secretary of State’s system to connect directly to ADOT’s MAX system, allowing the Secretary of State to request a specific set of data and have ADOT return the requested data, including records, to the Secretary of State. Jorgensen Tr. 86:4-19, 87:2-10.
103.	The Secretary of State has the ability to send a request to ADOT’s system via an API to query certain data for an individual customer. The API then returns specific customer information for matching records. This API is used for HAVA checks. Jorgensen Ex. 105; Jorgensen Tr. 105:1-20.
104.	When querying certain MVD data for an individual customer via an API, the Secretary of State will get information about that person’s authorized presence or citizenship status as it exists in MVD’s system. Jorgensen Tr. 101:18-102:4.
105.	ADOT currently provides two files the first Monday of each month to the Secretary of State. The files are Comma Separated Value (CSV) Text Files and are put on a Secure FTP server for the Secretary of State to retrieve. The first file is a customer extract, containing records of all ADOT credential holders along with their current documented authorized presence or citizenship status as documented to ADOT and their current and prior addresses. The second file contains a list of all credentials that ADOT has canceled due to having received notice that a credential was issued in another jurisdiction. ADOT began creating these files in Fall of 2022. Jorgensen Tr. 105; Jorgensen Tr. 132:11-13.

Otherwise, the user agency may deny eligible persons benefits that they are lawfully entitled to receive. Accordingly, SAVE requires the agency to have instituted additional verification and followed all verification steps before it can deny a benefit based on the SAVE response. 3.	Since 1979, the State Form contained a field for inputting place of birth, but until H.B. 2492's enactment, that field was optional. <i>See</i> Doc. 388, Ex. 9 (copy of the State Form); Doc. 365, ¶ 57 9.
4.	The 2019 EPM states that "failure to provide state or country of birth ... does not invalidate the State Form. ... When only optional information is missing, the registration form should be processed and the registrant should be entered into the voter registration database in an "active" status (assuming no other deficiencies)." Merriman Ex. 259; GRAHAM000783.
5.	The 2019 EPM provides: "The registrant must supply supporting legal documentation (such as a marriage certificate or court documented name change) if the name on the birth certificate or document is not the registrant's current legal name. If the registrant cannot provide supporting legal documentation to account for a different last name, a County Recorder must accept the birth certificate or document if at least the following information matches on both the birth certificate or document and the registration form: First name; Middle name; Place of birth; Date of birth; and Parents' name(s)." Merriman Ex. 259; GRAHAM000768-69.
6.	The 2019 EPM provides that a registrant may submit a legible copy of the pertinent pages of the registrant's U.S. passport as DPOC and provides that the pertinent pages of a U.S. passport are those that contain the photo, passport number, name, nationality, date of birth, gender, place of birth, and signature (if applicable). Merriman Ex. 259; GRAHAM000769.
7.	The 2019 EPM provides that "a County Recorder may <input type="checkbox"/> cancel a registrant's record if the County Recorder determines that the registrant is deceased based on other reliable sources, see A.R.S. § 16-165(A)(2), including, but not limited to, death notices received by the County Recorder's office and an affidavit of death from the registrant's next of kin. A County Recorder should match as much information as possible (including first name, last name, maiden name (if applicable), year of birth, place of birth, and city or town of residence) and be reasonably certain that a 'true match' exists before canceling a registrant." Merriman Ex. 259; GRAHAM000798.

STIPULATIONS PROPOSED BY DEFENDANTS AND ACCEPTED BY PLAINTIFFS

Stipulation	
8.	The 2019 EPM instructs that any ballot-by-mail request form created by County Recorders must contain an entry field for “State or country of birth, or another piece of information that, if compared to the voter’s record, would confirm the voter’s identity (such as the AZDL/ID# or SSN4, father’s name, or mother’s maiden name).” Merriman Ex. 259; GRAHAM000811.
9.	The EPM further instructs that to process a ballot-by-mail request, the request must contain “at least one of the following: The voter’s state or country of birth; or another piece of information that, if compared to the voter’s record would confirm the voter’s identity, such as the AZDL/ID# or SSN4, father’s name, or mother’s maiden name.” Merriman Ex. 259; GRAHAM000812.
10.	Since 2003, Arizona has placed a check box to affirm U.S. citizenship on the Arizona Voter Registration Form. See 2003 Ariz. Legis. Serv. Ch. 260 (S.B. 1075) (West) (revising A.R.S. § 16-152(A)(14)).
11.	The prior version of A.R.S. § 16-121.01(A) stated in part that “[a] person is presumed to be properly registered to vote on completion of a registration form as prescribed by section 16–152 that contains at least the name, the residence address or the location, the date of birth and the signature or other statement of the registrant ... and a checkmark or other appropriate indicator that the person answered ‘yes’ to the question regarding citizenship.” Defs.’ Ex. F, Doc. 365-1 at 73.

17

09:35:41 18

EXAMINATION

09:35:41 19 BY MS. LANG:

09:35:43 20 Q. All right. Good morning, Ms. Petty. Could you
09:35:46 21 state your full name for the record and spell your last
09:35:49 22 name?

09:35:49 23 A. Good morning. Janine Petty, P-E-T-T-Y.

09:35:53 24 Q. Great. Have you been deposed before,
09:35:58 25 Ms. Petty?

09:35:58 1 A. I have.

09:35:59 2 Q. Okay. So I'm going to go over some ground
09:36:01 3 rules, but they should be pretty familiar for you, but
09:36:03 4 let me know if you have any questions.

09:36:05 5 In order to make sure that the record is clear,
09:36:08 6 I want to ask that when we talk, we'll try not to talk
09:36:14 7 over each other like we might do in kind of normal
09:36:16 8 parlance. You'll wait for me to finish my question.
09:36:20 9 I'll always try to wait until you finish your answer.
09:36:22 10 Try to avoid saying things like huh-huh or uh-uh or
09:36:26 11 nodding your head or shaking your head no, but use yes
09:36:29 12 or no answers as well.

09:36:32 13 Do you understand that you're testifying under
09:36:33 14 oath today?

09:36:34 15 A. I do.

09:36:36 16 Q. And that a court reporter is transcribing this
09:36:39 17 deposition?

09:36:40 18 A. Yes.

09:36:42 19 Q. Okay. Is there any reason you can't testify
09:36:45 20 truthfully today?

09:36:46 21 A. No.

09:36:47 22 Q. Is there any reason that you can't give full,
09:36:49 23 complete and accurate testimony, any medications or
09:36:52 24 conditions that might prevent you from your full memory?

09:36:55 25 A. No.

09:36:58 1 Q. If at any time you'd like to take a break,
09:37:00 2 please let me know. The only thing I ask is that if
09:37:02 3 I've already asked a question, that you answer that
09:37:04 4 question, and then we'll go ahead and take a break.
09:37:06 5 Does that work?

09:37:07 6 A. Yes.

09:37:07 7 Q. Okay. So you mentioned that you have been
09:37:11 8 deposed before. Do you know how many times?

09:37:15 9 A. Two; twice, I believe.

09:37:16 10 Q. Okay. And in what capacity were you deposed in
09:37:20 11 those two instances?

09:37:22 12 A. At the Secretary of State's Office.

09:37:25 13 Q. And what was your role at the Secretary of
09:37:29 14 State's Office?

09:37:29 15 A. I was the Deputy State Elections Director.

09:37:32 16 Q. Okay. And in what cases were you deposed?

09:37:37 17 A. I don't remember the exact case, but it had to
09:37:39 18 do with publicity pamphlets.

09:37:42 19 Q. And both times that you were deposed, were they
09:37:44 20 about that same matter?

09:37:46 21 A. I believe so.

09:37:48 22 Q. Okay. And you've never been deposed in your
09:37:54 23 current role as a Maricopa County Recorder employee; is
09:37:58 24 that correct?

09:37:58 25 A. Correct.

09:38:00 1 Q. Okay. Did you bring any materials with you
09:38:02 2 today to the deposition, documents, things related to --

09:38:05 3 A. No.

09:38:08 4 Q. Okay. And you don't have any documents in
09:38:09 5 front of you today?

09:38:10 6 A. No.

09:38:12 7 Q. Okay. Can you briefly provide me a little bit
09:38:17 8 of information about your educational background?

09:38:19 9 A. Sure. I have, obviously, a high school
09:38:24 10 graduate. I have some college. I have my national
09:38:28 11 election administrative certification through Auburn
09:38:31 12 University and the Election Center.

09:38:34 13 I have most job on-the-job experience. I
09:38:37 14 worked for Yavapai County for over 18 years, mostly in
09:38:40 15 elections and voter registration. I worked for the
09:38:45 16 Secretary of State's Office for almost 6 years, and now
09:38:47 17 I have been here with Maricopa County almost 2 years.

09:38:48 18 Q. You mentioned some college. Where did you
09:38:50 19 attend --

09:38:51 20 MS. STUART: I'm sorry to interrupt. I
09:38:52 21 don't know if it's because of the fan or it's just
09:38:54 22 there's a lot of people on this side. Can you speak up
09:38:56 23 louder when you're answering?

09:38:57 24 THE WITNESS: Sure. Yes.

09:38:57 25 MS. STUART: And the same with you,

09:38:58 1 Danielle, just a little. Thank you.

09:39:00 2 MS. LANG: Okay.

09:39:00 3 THE WITNESS: Yavapai College.

09:39:03 4 BY MS. LANG:

09:39:03 5 Q. And you mentioned a certification from Auburn;

09:39:06 6 is that correct?

09:39:06 7 A. Yes.

09:39:07 8 Q. When did you receive that certification?

09:39:11 9 A. I want to say it was in two thousand and --

09:39:20 10 Q. An approximate is okay.

09:39:22 11 A. Somewhere in 2013.

09:39:25 12 Q. Okay. And what goes into kind of the education

09:39:28 13 for that certification?

09:39:30 14 A. There are a series of educational courses that

09:39:33 15 need to be taken that can take a few years to get

09:39:35 16 through those certifications. You have to fly back East

09:39:39 17 to attend the classes.

09:39:43 18 Q. And you reviewed some of your on-the-job

09:39:47 19 experience. I'm just going to delve into that a little

09:39:48 20 bit deeper. Starting with Yavapai, you mentioned that

09:39:53 21 you worked for Yavapai County for 18 years. Do you know

09:39:58 22 approximately how many of those were in elections?

09:40:02 23 A. From 2006 I did some temporary work, but then

09:40:09 24 in 2009 is when I completely started working for voter

09:40:13 25 registration and elections.

09:40:14 1 Q. And what was your role or roles over time at
09:40:19 2 the Yavapai County office?

09:40:20 3 A. I was a voter registration clerk. Then I
09:40:24 4 became the elections warehouse manager. From there I
09:40:28 5 was promoted to be the ballot programmer, and then from
09:40:31 6 there I was promoted to be the registrar of voters.

09:40:37 7 Q. And did you go from the Yavapai County office
09:40:43 8 to the Secretary of State's Office?

09:40:45 9 A. Yes.

09:40:45 10 Q. Okay. And when did you join the Secretary of
09:40:49 11 State's Office?

09:40:49 12 A. In 2015.

09:40:51 13 Q. Okay. And when you joined the Secretary of
09:40:54 14 State's Office, what was your role?

09:40:54 15 A. I was the Deputy State Elections Director for
09:40:57 16 Arizona.

09:40:58 17 Q. Okay. And did you maintain that role during
09:41:01 18 your entire tenure at the Secretary of State's Office?

09:41:05 19 A. Yes.

09:41:06 20 Q. Okay. And can you describe to me what your job
09:41:08 21 responsibilities were as Deputy Elections Director?

09:41:12 22 A. I oversaw the statewide voter registration
09:41:16 23 database. I also was part of the election equipment
09:41:19 24 advisory committee. I did all of the logic and accuracy
09:41:22 25 tests for every county prior to any large federal/state

09:41:26 1 election.

09:41:29 2 Q. Okay. And when did you join the Maricopa

09:41:34 3 County Recorder's Office?

09:41:36 4 A. 2021.

09:41:39 5 Q. When in 2021?

09:41:40 6 A. May, I believe.

09:41:44 7 Q. And did you join directly from the Secretary of

09:41:47 8 State's Office?

09:41:47 9 A. Yes.

09:41:54 10 Q. Okay. And what is your current role?

09:41:56 11 A. I'm the senior director of voter registration.

09:41:59 12 I oversee the Maricopa County voter registration

09:42:02 13 database for voter rolls

09:42:05 14 Q. Okay. And can you describe to me in a little

09:42:07 15 bit more detail what that means as far as your job

09:42:09 16 responsibilities within the office?

09:42:12 17 A. So I manage a team of about 20 people that do

09:42:16 18 the actual data entry. I make sure that our policies

09:42:20 19 and procedures are up-to-date, any new litigation or

09:42:24 20 legislation that impacts voter registration, you know,

09:42:27 21 I'm aware of, and then obviously the system that feeds

09:42:34 22 into AVID, which is a statewide voter registration

09:42:36 23 system, I am involved with all of that functionality.

09:42:40 24 Q. Great.

09:42:42 25 MS. LANG: I'm going to mark as Exhibit 1

09:42:45 1 plaintiff's notice of deposition.

09:42:55 2 (Deposition Exhibit 1 was marked for

09:42:57 3 identification.)

09:42:57 4 BY MS. LANG:

09:42:58 5 Q. Have you seen this document before?

09:43:00 6 A. Yes.

09:43:02 7 Q. And who provided it to you?

09:43:05 8 A. Maricopa County Attorney's Office.

09:43:08 9 Q. Okay. And turning to the second page that says

09:43:12 10 Exhibit A and the lengthy list thereafter, starting

09:43:19 11 where I've marked on a blue tab, there's a list of

09:43:22 12 topics. Have you reviewed the topics for this

09:43:24 13 deposition?

09:43:25 14 A. Yes.

09:43:27 15 Q. Okay. And you're prepared, to the best of your

09:43:29 16 ability, to address these topics today?

09:43:31 17 A. Yes.

09:43:34 18 Q. Okay. Did you meet with anyone from your

09:43:36 19 office to prepare for today's deposition?

09:43:39 20 A. From my office?

09:43:40 21 Q. Yes.

09:43:41 22 A. No.

09:43:46 23 Q. Okay. Did you meet -- without going into the

09:43:49 24 substance of your conversations, did you meet with your

09:43:52 25 attorney about this deposition?

09:43:55 1 A. Yes.

09:43:56 2 Q. How many times?

09:43:58 3 A. Once.

09:43:59 4 Q. Okay. And who did you meet with?

09:44:02 5 A. Jack and Anna.

09:44:07 6 Q. Okay. And about how long was that meeting?

09:44:11 7 A. 40 minutes.

09:44:12 8 Q. And when was that?

09:44:14 9 A. Last Friday.

09:44:19 10 Q. Okay. Was anyone else present other than

09:44:24 11 yourself, Jack and Anna?

09:44:25 12 A. No.

09:44:27 13 Q. Okay. Did you meet with anybody else other

09:44:30 14 than your attorneys in preparation for this deposition?

09:44:33 15 A. No.

09:44:39 16 Q. Okay. Did you review any documents to prepare

09:44:42 17 for this deposition?

09:44:46 18 A. No.

09:44:48 19 Q. Anything else that you did to prepare for

09:44:51 20 today's deposition?

09:44:53 21 A. I'm here with coffee.

09:44:56 22 Q. Fair enough.

09:44:59 23 And without getting into too many of the

09:45:01 24 details, what is your broad understanding of what the

09:45:04 25 lawsuit is about that brings us here today?

09:45:09 1 A. Broad understanding, there's two new bills that
09:45:11 2 have been signed into law that are being litigated in
09:45:16 3 reference to voter registration processing.

09:45:25 4 Q. Okay. And, second, I'll mark as Exhibit 2
09:45:37 5 the -- one of your first -- the first supplemental
09:45:41 6 response to the Equity Coalition request for
09:45:43 7 production.

09:45:47 8 (Deposition Exhibit 2 was marked for
09:45:53 9 identification.)

09:45:56 10 BY MS. LANG:

09:45:56 11 Q. Are you aware that your office has been asked
09:45:57 12 for various documents in this case?

09:46:00 13 A. Yes.

09:46:02 14 Q. And I don't know. Have you seen this document
09:46:04 15 before in particular?

09:46:06 16 A. I don't believe so.

09:46:07 17 Q. Okay. And I'll represent to you that this was
09:46:11 18 served on the plaintiffs as one of your responses to
09:46:14 19 those requests for production by your attorneys, and
09:46:19 20 this set of requests was issued in December and you
09:46:24 21 provided documents on a rolling basis.

09:46:28 22 Do you -- can you describe to me the steps that
09:46:34 23 your office has taken to respond to the requests for
09:46:38 24 documents that you've received?

09:46:42 25 MS. STUART: Form.

09:46:47 1 BY MS. LANG:

09:46:47 2 Q. I'll rephrase.

09:46:53 3 What steps has your office taken to search for
09:46:56 4 documents in your possession, custody or control
09:46:59 5 relevant to this lawsuit?

09:47:01 6 A. So our IT department did a search of documents
09:47:07 7 with keywords that were requested and pulled, any
09:47:14 8 documents that were -- that met the criteria for the
09:47:17 9 keyword searches that were done. I know that there was
09:47:20 10 some additional data requests that were made that we
09:47:23 11 were also requested of our IT department to pull the
09:47:27 12 data.

09:47:29 13 Q. Were you involved in the creation or -- of the
09:47:34 14 keywords for the searches?

09:47:35 15 A. Yes.

09:47:37 16 Q. Okay. And what did that process look like?

09:47:43 17 A. So I actually do remember. Some of this
09:47:46 18 document looks slightly different than what I initially
09:47:49 19 saw, but in reviewing the document, we would hit on the
09:47:52 20 key terms that like H.B. 2492, H.B. 2243.

09:48:00 21 Q. Okay. And I'll mark as Exhibit 3 another
09:48:04 22 response to requests for production. These requests
09:48:12 23 were issued by all the consolidated plaintiffs.

09:48:14 24 (Deposition Exhibit 3 was marked for
09:48:14 25 identification.)

09:48:14 1 BY MS. LANG:

09:48:22 2 Q. And does this document look familiar to you?

09:48:24 3 A. Yes.

09:48:28 4 Q. Okay. And was a similar process conducted to

09:48:32 5 find documents responsive to these requests as for the

09:48:36 6 other one that we just discussed?

09:48:38 7 A. Yes.

09:48:39 8 Q. Okay. And do you remember, were you also

09:48:44 9 involved in the keyword search development for this

09:48:48 10 request for production?

09:48:50 11 A. Yes.

09:48:51 12 Q. Okay. And do you recall -- do you recall when

09:49:06 13 your office did an additional search of records for this

09:49:10 14 request for production?

09:49:13 15 A. Can you say that again?

09:49:14 16 Q. Yeah. Do you recall when your office did the

09:49:17 17 keyword search to pull records for -- in response to

09:49:21 18 this request for production?

09:49:23 19 A. I don't remember the actual dates. I know that

09:49:25 20 there have been a couple productions that we've been

09:49:28 21 doing on a rolling basis.

09:49:29 22 Q. Okay. And do you have plans to kind of

09:49:32 23 continue doing rolling productions?

09:49:37 24 A. I believe that we produced everything that was

09:49:40 25 asked.

09:49:42 1 Q. Okay. So as far as you're aware, you're
09:49:44 2 finished with your productions at this point?

09:49:46 3 A. Yes.

09:49:50 4 Q. Okay. I'll mark as Exhibit 4 your office's
09:50:01 5 response to a first set of interrogatories issued by the
09:50:05 6 Equity Coalition.

09:50:10 7 (Deposition Exhibit 4 was marked for
09:50:10 8 identification.)

09:50:10 9 BY MS. LANG:

09:50:17 10 Q. Okay. And after you take a moment to look at
09:50:18 11 it, can you tell me if this is a document you recognize?

09:50:24 12 A. It is.

09:50:26 13 Q. Okay. And were you involved in helping prepare
09:50:29 14 the answers for these interrogatories?

09:50:32 15 A. Yes.

09:50:36 16 Q. Okay. And I believe you verified this document
09:50:38 17 with your signature; is that correct?

09:50:43 18 I'm not sure I have the verification page in
09:50:45 19 this, in this exhibit, but as I recall, you have
09:50:50 20 verified the interrogatories in this case; is that
09:50:53 21 correct?

09:50:53 22 A. Yes.

09:50:57 23 Q. Okay. And what steps did you take to prepare
09:51:00 24 your interrogatory responses here?

09:51:04 25 A. So I read what the interrogatory was asking and

09:51:09 1 I, through my position, did the research necessary. I
09:51:16 2 was already well-aware of H.B. 2492, and so just from my
09:51:26 3 on-the-job experience I was able to answer these
09:51:28 4 questions.

09:51:29 5 Q. Okay. Did you confer with anyone else in your
09:51:32 6 office in preparing the interrogatory responses?

09:51:35 7 A. No.

09:51:41 8 Q. And I'll mark as Exhibit 5 another set of
09:51:45 9 interrogatory responses, these ones from the
09:51:48 10 consolidated plaintiffs.

09:51:56 11 (Deposition Exhibit 5 was marked for
09:52:00 12 identification.)

09:52:00 13 BY MS. LANG:

09:52:00 14 Q. And after you have a moment to review, can you
09:52:02 15 let me know if you recognize this document?

09:52:10 16 A. I do.

09:52:11 17 Q. And my recollection is that you verified these
09:52:15 18 interrogatories as well, and I believe the last page is
09:52:17 19 your verification; is that correct?

09:52:27 20 A. Yes.

09:52:30 21 Q. Okay. And can you review with me the steps you
09:52:33 22 took to prepare these responses, understanding it may be
09:52:37 23 the same answer?

09:52:39 24 A. Yes. Again, I had knowledge of the two new
09:52:43 25 laws and I, through my position, know how we process

09:52:49 1 voter registration.

09:52:51 2 Q. And did you confer with anyone else in
09:52:53 3 preparing these responses other than your attorney?

09:52:56 4 A. No.

09:52:57 5 Q. Okay. Before we delve into some of the
09:53:07 6 specifics about this case I wanted to outline and get a
09:53:09 7 broad understanding of the Recorder's responsibilities
09:53:14 8 with respect to elections. So can you describe to me

09:53:17 9 what responsibilities fall within the County Recorder's
09:53:21 10 Office for helping to run elections for Maricopa County?

09:53:26 11 A. Sure. First and foremost, voter registration
09:53:29 12 falls under the Recorder's responsibilities, as well as
09:53:32 13 early voting.

09:53:37 14 Q. And does early voting include both in person
09:53:41 15 and by mail early voting?

09:53:43 16 A. It does.

09:53:43 17 Q. Okay. Does it include drop boxes?

09:53:48 18 A. Yes.

09:53:51 19 Q. Okay. And for in person early voting, is it
09:53:58 20 staff from the County Recorder's Office that manages
09:54:01 21 those sites?

09:54:03 22 A. So I don't oversee early voting, but it could
09:54:09 23 be County staff or it could be a City Clerk's Office,
09:54:12 24 depending on what the election is.

09:54:14 25 Q. Okay. And does the County Recorder's Office

09:54:18 1 process the early votes as well?

09:54:21 2 A. So we do signature verification on early

09:54:25 3 ballots.

09:54:32 4 Q. So can you help me understand the distinction

09:54:35 5 there? So a mail ballot comes into the office. Your

09:54:41 6 office is responsible for verifying the signature,

09:54:45 7 correct?

09:54:45 8 MS. STUART: Form.

09:54:48 9 THE WITNESS: Yeah, there's an early

09:54:50 10 voting team. The voter registration staff, which I

09:54:54 11 oversee, assists with doing signature verification, but

09:54:57 12 that's really on the early voting side.

09:55:06 13 BY MS. LANG:

09:55:06 14 Q. Okay. Can you describe to the best of your

09:55:09 15 understanding, and I recognize that this is not your

09:55:13 16 direct purview, the division of responsibilities with

09:55:18 17 the elections director and the County Recorder?

09:55:21 18 A. So there's two co-directors. One director does

09:55:27 19 the polling place election day. The other one does the

09:55:31 20 early voting and 90-day notices that get provided to

09:55:37 21 voters ahead of the federal election cycle. And that,

09:55:42 22 again, that falls under the purview of the Recorder,

09:55:45 23 that process. And so then voter registration is under

09:55:50 24 my directive.

09:55:55 25 Q. But just to be clear, the -- there is a

09:56:00 1 separate elections director that runs in person voting,
09:56:03 2 correct?

09:56:03 3 A. Election day voting, yes.

09:56:05 4 Q. Yes.

09:56:07 5 And what is the nature of the coordination
09:56:13 6 between the County Recorder's office and the election
09:56:16 7 director?

09:56:18 8 A. So there's an agreement that the elections
09:56:23 9 director follows with the Board of Supervisors and the
09:56:26 10 Recorder, and they outline in that agreement what the
09:56:29 11 distinctions are and responsibilities of each division.

09:56:35 12 Q. Great. And you mentioned that you manage a
09:56:41 13 staff of about 20. So I want to go into the staff and
09:56:46 14 organizational chart for the County Recorder's Office,
09:56:51 15 specifically for matters related to elections. I
09:56:54 16 understand the County Recorder handles other things, but
09:56:57 17 I'm just going to talk about elections.

09:57:00 18 My understanding is, you know, the person on
09:57:03 19 top of the organizational chart is the County Recorder
09:57:08 20 himself, Stephen Richer, correct?

09:57:09 21 A. Yes.

09:57:09 22 Q. Okay. Who is kind of the next person in the
09:57:14 23 organizational chart under County Recorder Richer?

09:57:18 24 A. So we have a Chief Deputy Recorder, which is
09:57:22 25 Darron Moffatt, and then we have a chief of staff, which

09:57:26 1 is Abby, and then there's me under voter registration.

09:57:34 2 Q. Do you have a counterpart on the early voting

09:57:38 3 side?

09:57:40 4 A. No.

09:57:41 5 Q. Okay. Who is in charge of the early voting

09:57:45 6 side of the responsibilities of the County Recorder?

09:57:49 7 A. The co-elections director, Rey Valenzuela.

09:57:57 8 Q. And does he work for the County Recorder's

09:58:01 9 Office?

09:58:01 10 A. Yes.

09:58:07 11 Q. Okay. And then within your division, can you

09:58:13 12 describe to me that 20 staff, who they are and what they

09:58:17 13 do?

09:58:18 14 A. Sure. I have a VR manager and then I have an

09:58:22 15 IT manager and then I have a compliance officer. Then

09:58:28 16 underneath that are our voter registration clerks and I

09:58:33 17 have two IT specialists.

09:58:39 18 Q. And who is the VR manager?

09:58:43 19 A. Carrie Dykstra.

09:58:44 20 Q. And who is the IT manager?

09:58:47 21 A. David Madsen.

09:58:49 22 Q. And who is the compliance officer?

09:58:50 23 A. William Crist.

09:58:55 24 Q. Next I'd like to discuss a little bit about the

09:58:58 25 relationship between the Secretary of State's Office and

09:59:01 1 the County Recorder's. Who or what entity is
09:59:10 2 responsible for interpreting Arizona's election laws in
09:59:14 3 the first instance?

09:59:17 4 A. Can you say that again?

09:59:19 5 MR. O'CONNOR: Objection, form.

09:59:22 6 MS. STUART: Form.

09:59:22 7 MR. BASILE: I just want to object. I
09:59:26 8 want to just make sure it's reflected on the record that
09:59:29 9 the RNC has agreed to automatically join objections by
09:59:34 10 any of the defense counsel to cut down on the number of
09:59:36 11 objections. I just want to make sure that's on the
09:59:38 12 record.

09:59:39 13 MR. O'CONNOR: Do we want to put that on
09:59:40 14 the record right now?

09:59:41 15 MS. LANG: Yes.

09:59:41 16 MR. O'CONNOR: Okay. Sorry.

09:59:41 17 So there's an agreement between the
09:59:43 18 Defendants Secretary of State, Attorney General's Office
09:59:46 19 State, Maricopa County Attorney, and the intervenors,
09:59:48 20 the Republican National Committee, that any objections
09:59:53 21 made are agreed to or are joined, and then if the State
10:00:02 22 Attorney General's Office and the Republican National
10:00:05 23 Committee can make their own independent objections as
10:00:08 24 well.

10:00:09 25 MS. STUART: For the Secretary of State as

10:00:11 1 well.

10:00:11 2 MR. O'CONNOR: Say that --

10:00:12 3 MS. STUART: You left Secretary of State

10:00:13 4 off. If we have --

10:00:13 5 MR. O'CONNOR: Oh, sorry.

10:00:14 6 MS. STUART: If we have an additional

10:00:14 7 objection, we'll make our own.

10:00:17 8 MS. LANG: Yes. Okay. Sounds good.

10:00:17 9 BY MS. LANG:

10:00:21 10 Q. Who or what entity is responsible for

10:00:24 11 interpreting Arizona's election laws?

10:00:29 12 A. My personal feeling is that it's the job of

10:00:32 13 everybody that's doing elections to understand the law,

10:00:35 14 and if they don't, they should seek legal counsel

10:00:38 15 advice.

10:00:41 16 Q. Okay. What role does the Arizona Secretary of

10:00:44 17 State's Office play in interpreting Arizona's election

10:00:48 18 laws?

10:00:49 19 A. The Secretary of State's Office would provide

10:00:52 20 guidance to the counties in order to maintain uniformity

10:00:57 21 throughout the state.

10:00:59 22 Q. And by what mechanisms or mechanism or

10:01:03 23 mechanisms does the Secretary of State's Office give

10:01:07 24 County Recorders guidance about application of Arizona's

10:01:11 25 election laws?

10:01:13 1 A. So they have regular meetings with the counties
10:01:17 2 and there's the elections procedures manual, which is
10:01:21 3 created in collaboration with the counties, and we also
10:01:24 4 have a VRAC committee, which is a voter registration
10:01:28 5 advisory committee, in which the Secretary of State's
10:01:32 6 Office historically has written papers for guidance to
10:01:38 7 the counties.

10:01:43 8 Q. With the exception of the election procedures
10:01:45 9 manual, which we'll discuss in a moment, are the County
10:01:53 10 Recorders bound by any other guidance or papers given by
10:01:57 11 the Secretary of State's Office about how to apply
10:02:01 12 election law?

10:02:02 13 MS. STUART: Form.

10:02:06 14 THE WITNESS: So the Secretary of State's
10:02:08 15 Office provides guidance. It is not legal binding.
10:02:12 16 It's guidance. I think that if a county had concerns
10:02:16 17 with the guidance, that they would seek their County
10:02:24 18 Attorney.

10:02:24 19 BY MS. LANG:

10:02:24 20 Q. Thank you.

10:02:24 21 So I think what I heard you say is that outside
10:02:27 22 of the elections procedures manual, the Secretary of
10:02:34 23 State's guidance is guidance only and is not legally
10:02:37 24 binding on the County Recorders, correct?

10:02:39 25 A. Correct.

10:02:45 1 Q. So now I do want to talk about the election
10:02:48 2 procedures manual, and so I will mark that as Exhibit 6.
10:02:55 3 The exhibit is only the front page, the
10:02:58 4 table of contents, and the chapter on voter
10:03:10 5 registration?
10:03:10 6 (Deposition Exhibit 6 was marked for
10:03:13 7 identification.)
10:03:13 8 BY MS. LANG:
10:03:13 9 Q. And I'll just note you'll want to keep this one
10:03:16 10 kind of handy throughout the deposition because we'll
10:03:19 11 probably refer back to it a number of times.
10:03:22 12 But, first, can you describe to me what
10:03:29 13 function the election procedures manual plays in
10:03:35 14 governing application of election law procedures?
10:03:39 15 A. The elections procedures manual is created in
10:03:43 16 collaboration with the counties. It offers guidance
10:03:46 17 that it has the force of law for making some statutes
10:03:51 18 that might not be clear. So it fully delineates
10:03:55 19 processes that the counties must follow in the
10:03:58 20 procedures manual.
10:04:00 21 Q. So I think you already said this, but just to
10:04:03 22 make the record crystal clear, unlike other guidance
10:04:06 23 from the Secretary of State's Office, the elections
10:04:09 24 procedure manual is binding on County Recorders; is that
10:04:13 25 correct?

10:04:13 1 A. That is --

10:04:13 2 MS. STUART: Form.

10:04:14 3 THE WITNESS: That's correct.

10:04:17 4 BY MS. LANG:

10:04:17 5 Q. And this is labeled the 2019 elections

10:04:20 6 procedures manual, correct?

10:04:23 7 A. Yes.

10:04:24 8 Q. And is this the operative version of the

10:04:27 9 election procedures manual at this time?

10:04:29 10 A. Yes.

10:04:32 11 Q. How often is the elections procedure manual

10:04:35 12 supposed to be updated?

10:04:37 13 A. Before every general election.

10:04:40 14 Q. Was it updated before the 2022 election?

10:04:44 15 A. No.

10:04:46 16 Q. And do you know why or why not?

10:04:48 17 MS. STUART: Form.

10:04:51 18 MS. BOUGHTON: Form.

10:04:51 19 BY MS. LANG:

10:04:52 20 Q. Do you know why not?

10:04:56 21 A. No.

10:05:06 22 Q. As I mentioned earlier, Chapter 1 of the manual

10:05:09 23 covers voter registration procedures. Is it your

10:05:15 24 understanding that Chapter 1 of the election procedures

10:05:18 25 manual is binding on you and all County Recorders?

10:05:24 1 A. Yes. I will say that there are new laws that
10:05:27 2 have since been implemented that are not in the 2019
10:05:31 3 manual.

10:05:32 4 Q. Okay. Understood.

10:05:39 5 Are you aware of any counties that do not
10:05:42 6 believe that this part of the elections procedures
10:05:46 7 manual, the voter registration chapter, is binding on
10:05:49 8 them?

10:05:51 9 MS. BOUGHTON: Form.

10:05:52 10 MR. O'CONNOR: Form.

10:05:52 11 BY MS. LANG:

10:05:52 12 Q. Are you aware of any counties that believe that
10:05:54 13 Chapter 1 of the elections procedures manual is not
10:05:56 14 legally binding on the County Recorders?

10:06:00 15 MS. STUART: Form.

10:06:01 16 BY MS. LANG:

10:06:01 17 Q. Go ahead.

10:06:02 18 A. I do not know of any counties that feel that
10:06:05 19 way.

10:06:10 20 Q. Are you aware of any counties that do not
10:06:13 21 follow the elections procedures manual Chapter 1
10:06:15 22 procedures on voter registration?

10:06:18 23 MS. BOUGHTON: Form.

10:06:19 24 MR. O'CONNOR: Form.

10:06:21 25 THE WITNESS: I can't speak for other

10:06:22 1 counties.

10:06:27 2 BY MS. LANG:

10:06:28 3 Q. You mentioned that there are new laws that are

10:06:31 4 not reflected in the 2019 manual. How does your office

10:06:37 5 reconcile the elections procedures manual and laws that

10:06:42 6 have been passed since the last elections procedures

10:06:47 7 manual was issued?

10:06:49 8 A. So we are aware of new laws that have been

10:06:54 9 implemented and we follow them. If we have questions,

10:06:56 10 we would seek our County Attorney's guidance. I think

10:07:00 11 most of the new laws that have happened since 2019 there

10:07:04 12 hasn't, until recently, hasn't had too many issues. I

10:07:07 13 mean they're pretty cut and dry.

10:07:09 14 Q. And does the Secretary of State provide

10:07:12 15 guidance on how to apply those new laws outside of the

10:07:19 16 elections procedures manual?

10:07:22 17 A. Yes.

10:07:22 18 MS. STUART: Form.

10:07:27 19 THE COURT REPORTER: You've got to be

10:07:28 20 louder. There's no mike.

10:07:34 21 MS. STUART: I will. Thank you.

10:07:34 22 BY MS. LANG:

10:07:35 23 Q. You mentioned the voter registration advisory

10:07:37 24 committee. Can you describe to me a little bit further

10:07:39 25 what that committee is and what it does?

10:07:43 1 A. Sure. It is made up of every County Recorder
10:07:48 2 or their designee and the Secretary of State or their
10:07:51 3 designee, and they meet and talk about laws that maybe
10:07:58 4 aren't as clear, that we need some guidance on how to
10:08:02 5 implement them uniformly so every county is doing it in
10:08:06 6 the same way.

10:08:10 7 Q. And what is your role on that committee?

10:08:16 8 A. So I would be just a subject matter expert. If
10:08:19 9 the Recorder has me be his proxy, then I would
10:08:23 10 potentially have a voting role in the meeting.

10:08:26 11 Q. Does the County Recorder sometimes send you as
10:08:32 12 his designee to those meetings?

10:08:33 13 A. Yes.

10:08:35 14 Q. Okay. What -- as a subject matter expert, how
10:08:43 15 do you contribute to the work of the voter registration
10:08:47 16 advisory committee?

10:08:50 17 A. So I am very well-versed in voter registration
10:08:53 18 processes and I also understand the functionality of the
10:08:57 19 statewide system, as well as Maricopa's voter
10:09:00 20 registration system, so I offer my input based on that
10:09:02 21 knowledge.

10:09:08 22 Q. I'm going to mark as Exhibit 7 a document
10:09:16 23 Bates-stamped MC 002195.

10:09:26 24 (Deposition Exhibit 7 was marked for
10:09:28 25 identification.)

10:09:28 1 BY MS. LANG:

10:09:28 2 Q. And I'll ask you to flip to the last page,

10:09:30 3 which is MC 002198. Do you see that?

10:09:35 4 A. I do.

10:09:36 5 Q. Are you familiar with this document?

10:09:38 6 A. Yes.

10:09:39 7 Q. And can you describe it to me?

10:09:41 8 A. So this is the mission and process for the

10:09:47 9 voter registration advisory committee.

10:09:50 10 Q. Okay. And under frequency of meetings it says

10:09:55 11 as needed, correct?

10:09:58 12 A. Yes.

10:09:59 13 Q. And in your experience, how frequent are those

10:10:03 14 meetings?

10:10:04 15 A. They're not very frequent.

10:10:07 16 Q. Okay. In a given year, how many times might

10:10:09 17 the committee meet?

10:10:13 18 A. Maybe a handful of times. It just really

10:10:17 19 depends on if there's an issue that needs to be

10:10:18 20 discussed. There may be months where there's no issue.

10:10:28 21 Q. And under the kind of issue papers process

10:10:32 22 here, I see in the fifth bullet point down that it says

10:10:38 23 VRAC must come to a consensus on the final issue paper

10:10:42 24 for it to be adopted; is that correct?

10:10:43 25 A. Yes.

10:10:44 1 Q. And so is it the case that if one county
10:10:48 2 objects to an issue paper, it will not be adopted by the
10:10:51 3 committee?

10:10:55 4 A. Yes.

10:11:04 5 Q. Okay. You mentioned that historically the
10:11:10 6 Secretary of State's office has taken a lead role in
10:11:13 7 drafting these issue papers; did I understand that
10:11:15 8 correctly?

10:11:16 9 A. Yes.

10:11:16 10 Q. Okay. Is that the case now?

10:11:19 11 MS. STUART: Form.

10:11:20 12 BY MS. LANG:

10:11:21 13 Q. Is it the case that currently the Secretary of
10:11:24 14 State is taking the lead role in drafting VRAC issue
10:11:29 15 papers?

10:11:29 16 MS. STUART: Form.

10:11:31 17 MS. LANG: Can you describe?

10:11:32 18 MS. STUART: Foundation. She's not at the
10:11:35 19 State's office anymore, Secretary of State's office, so
10:11:37 20 how would she be able to provide that information?

10:11:41 21 BY MS. LANG:

10:11:41 22 Q. To the best of your understanding --

10:11:46 23 MS. LANG: Well, to respond to your
10:11:47 24 question, she's part of -- she participates in the
10:11:50 25 committee and so would understand who is drafting the

10:11:55 1 issue papers.

10:11:56 2 MS. STUART: I think if -- sorry.

10:11:56 3 MS. LANG: Go ahead.

10:11:58 4 MS. STUART: Oh, I was going to say if you
10:12:00 5 cushion the question that way, I think it would be more
10:12:02 6 appropriate foundation-wise.

10:12:06 7 BY MS. LANG:

10:12:06 8 Q. Okay. Based on your work on the committee, who
10:12:10 9 is currently taking the lead on drafting VRAC issue
10:12:14 10 papers?

10:12:17 11 A. I feel right now that there has been a change
10:12:21 12 to the historical way that they have been drafted, and
10:12:25 13 there's been a push for the members to start drafting
10:12:28 14 papers and facilitating them to the Secretary of State's
10:12:33 15 for review.

10:12:35 16 Q. Okay. And so, for example, my understanding
10:12:37 17 from the review of the documents is that there is
10:12:40 18 currently an issue paper that has been drafted. I'm not
10:12:44 19 sure if it's been adopted yet, and we'll get to that,
10:12:47 20 about the new juror questionnaire process; is that
10:12:52 21 correct?

10:12:52 22 MS. STUART: Form.

10:12:54 23 BY MS. LANG:

10:12:54 24 Q. Is there currently an issue paper in
10:12:58 25 development on the new juror questionnaire process?

10:13:03 1 A. There was a draft that has since been revoked.

10:13:08 2 So there is not a draft any longer available to the

10:13:13 3 counties.

10:13:14 4 Q. Okay. Who produced that draft before it was

10:13:22 5 revoked?

10:13:23 6 MS. STUART: Form.

10:13:26 7 BY MS. LANG:

10:13:27 8 Q. Your understanding.

10:13:27 9 And to be clear, if I don't rephrase after

10:13:30 10 there's a form objection, you can go ahead and answer.

10:13:32 11 A. Okay. Colleen Connor is the state elections

10:13:37 12 director.

10:13:39 13 Q. Do you know, was it communicated to you why

10:13:44 14 that draft paper was being revoked?

10:13:48 15 A. Yes.

10:13:49 16 Q. And what was the reason given for the

10:13:51 17 revocation of the draft?

10:13:53 18 A. That the cases were being litigated and the

10:13:57 19 Secretary of State's Office did not want to provide

10:13:59 20 guidance at that point.

10:14:01 21 Q. Okay. What is the role -- well, what is your

10:14:18 22 understanding of what the Arizona Association of

10:14:21 23 Counties is?

10:14:23 24 A. So the Arizona Association of Counties

10:14:28 25 basically works with the county election directors, as

10:14:34 1 well as the County Recorders. They're an advocate, help
10:14:38 2 especially with new litigation and legislation.

10:14:45 3 Q. And what is Maricopa County -- what is the
10:14:49 4 Maricopa County Recorder's involvement with the Arizona
10:14:55 5 Association of Counties?

10:14:55 6 A. So they have affiliate meetings at conferences,
10:15:00 7 and when the Recorders are thinking about proposing new
10:15:04 8 laws, they work with the Association of Counties to
10:15:09 9 propose those.

10:15:11 10 Q. Would it be fair to say that the Arizona
10:15:14 11 Association of Counties often works as a lobbyist in
10:15:19 12 favor or against various election laws based on the
10:15:24 13 views of the counties?

10:15:24 14 MR. O'CONNOR: Form.

10:15:25 15 MS. STUART: Form.

10:15:25 16 BY MS. LANG:

10:15:26 17 Q. Go ahead.

10:15:26 18 A. Yes.

10:15:30 19 Q. Okay. And my understanding is that Recorder
10:15:33 20 Richer is on the legislative committee for the Arizona
10:15:36 21 Association of Counties; is that correct?

10:15:38 22 A. I don't know.

10:15:42 23 Q. Okay. Do you know what the Arizona Association
10:15:45 24 of Counties' position was on the challenged laws in this
10:15:48 25 case?

10:15:49 1
10:15:54 2
10:16:03 3
10:16:10 4
10:16:19 5
10:16:20 6
10:16:24 7
10:16:26 8
10:16:28 9
10:16:29 10
10:16:31 11
10:16:35 12
10:16:40 13
10:16:41 14
10:16:44 15
10:16:45 16
10:16:48 17
10:16:48 18
10:16:51 19
10:16:55 20
10:16:59 21

A. I don't recall.

Q. Okay. When the legislature is in session and considering election laws, who within the Arizona Association of Counties works on that legislation in collaboration with the counties?

MR. O'CONNOR: Form.

THE WITNESS: I can't remember her name off the top of my head right now.

BY MS. LANG:

Q. Okay. Is there a dedicated person at the Arizona Association of Counties that serves a primary role in communicating about current legislation?

A. Yes.

Q. Okay. And you just can't recall her name at the moment?

A. It just -- it's gone, yeah.

Q. Fair enough.

And what type of communications do you receive from the Arizona Association of Counties about pending legislation during the legislative session?

A. So I don't.

Q. Okay. Would that be communication that would go to the County Recorder himself?

A. Yes.

Q. Okay. Are you ever asked to provide input on

10:17:22 1 pending legislation to help form the Arizona Association
10:17:30 2 of Counties' position?
10:17:31 3 A. Yes.
10:17:34 4 Q. Okay. And what does that process look like?
10:17:38 5 A. So the proposed new legislation would be
10:17:42 6 provided to me for review and input, and I would review
10:17:46 7 it based upon my current knowledge; and, also, if it
10:17:50 8 would change the functionality of the system, how that
10:17:55 9 could potentially impact us.
10:17:58 10 Q. Okay.
10:18:02 11 A. Oh, I remember her name, Jen Marson. There it
10:18:05 12 is.
10:18:05 13 Q. Thank you very much.
10:18:10 14 And what is the AVID enhancement committee?
10:18:14 15 A. It's the access voter information database.
10:18:20 16 It's a committee that is set up by the AVID steering
10:18:23 17 committee, and they discuss any new enhancements to the
10:18:27 18 statewide system.
10:18:28 19 Q. And when you say enhancements, is enhancements
10:18:33 20 a term for any kind of modification or change to the
10:18:36 21 system?
10:18:38 22 A. Yes.
10:18:41 23 Q. Okay. And what is your role on that committee?
10:18:44 24 A. I am the co-chair.
10:18:46 25 Q. Okay. And who is your co-chair?

10:18:49 1 A. Holly Robinson.

10:18:50 2 Q. Okay. And she's with what office?

10:18:53 3 A. Pinal County Recorder.

10:18:57 4 Q. Got it.

10:19:02 5 And who or what is I-N-E-X-L, INEXL?

10:19:08 6 A. INEXL is the vendor for the statewide voter

10:19:14 7 registration system.

10:19:14 8 Q. Okay. So we've gone over a number of different

10:19:21 9 committees and ways in which the County Recorders and

10:19:25 10 the Secretary of State work together. Are there any

10:19:27 11 other means of collaborating and communicating with the

10:19:32 12 Secretary of State and fellow County Recorders about

10:19:36 13 voter registration that we have not discussed?

10:19:39 14 A. There is a superusers meeting every week with

10:19:44 15 the counties, most specifically voter registration

10:19:49 16 geared, just us, issues with the system or any updates

10:19:53 17 that we need to be aware of.

10:19:56 18 Q. Is there a listserv for communication between

10:19:59 19 the County Recorders and their voter registration staff?

10:20:03 20 A. Is there a list?

10:20:04 21 Q. A listserv or e-mail list or -- I'm just trying

10:20:08 22 to get at what other means of communication you all have

10:20:12 23 for sharing information and collaborating.

10:20:16 24 A. Yes, there's an e-mail list that goes out to

10:20:19 25 all the superusers of the system.

10:20:21 1 Q. And who would fall within the category of
10:20:25 2 superusers?

10:20:25 3 A. So these would be Chief Deputy Recorders,
10:20:31 4 people like registrar of voters, voter registration
10:20:35 5 directors.

10:20:43 6 Q. Okay. Next I'd like to walk through kind of
10:20:46 7 the voter registration process generally, how voters can
10:20:48 8 register to vote.

10:20:50 9 So what are the various methods that a
10:20:52 10 potential voter can use to register to vote?

10:20:54 11 A. There's the paper forms, the state form, the
10:20:58 12 national form. We have online registration through MVD.
10:21:02 13 We have the FPCAs for UOCAVA registration.

10:21:10 14 Q. And also federal write-in absentee ballots; is
10:21:15 15 that correct?

10:21:15 16 A. Yes, FWAB, yes.

10:21:19 17 Q. And getting into the online system, my
10:21:26 18 understanding is that there's kind of two different ways
10:21:28 19 that someone can register to vote online; is that
10:21:32 20 correct?

10:21:32 21 A. There's currently two different systems.

10:21:35 22 Q. Okay. Can you describe those two systems to
10:21:36 23 me?

10:21:37 24 A. So the first one would be Service Arizona. The
10:21:41 25 person can just go online specifically for voter

10:21:44 1 registration. And then there's also a program called
10:21:47 2 MVD Now, which would be somebody that's going to have an
10:21:51 3 MVD transaction and then also updates or registers to
10:21:54 4 vote during that process.

10:21:55 5 Q. Okay. And just for the record, MVD refers to
10:22:01 6 the Motor Vehicles Division, correct?

10:22:03 7 A. Yes.

10:22:07 8 Q. Okay. In addition to the methods we've just
10:22:09 9 discussed, can voters register to vote when they have an
10:22:13 10 in person interaction at the Motor Vehicles Division?

10:22:16 11 A. Yes.

10:22:20 12 Q. Okay. And is it the case that other agencies
10:22:24 13 within the state of Arizona also administer voter
10:22:29 14 registration?

10:22:29 15 A. Yes.

10:22:30 16 Q. And what are those agencies?

10:22:32 17 A. It would be our public assistance agencies;
10:22:37 18 DES, also AHCCCS.

10:22:44 19 Q. Okay. And what is the deadline for voter
10:22:48 20 registration in Arizona?

10:22:50 21 A. 29 days before an election.

10:22:55 22 Q. And can you walk me through the overall process
10:23:00 23 when the Recorder's Office receives a voter registration
10:23:04 24 application? And for the purposes of this discussion we
10:23:07 25 can assume that application is a paper form.

10:23:11 1 A. Okay. So the form would be received in our
10:23:13 2 office. It would go through a process to make sure that
10:23:18 3 it's complete. It gets scanned in, and then those scans
10:23:24 4 are processed in the system. The data entry is done.
10:23:29 5 Then it would go through a process of making
10:23:33 6 sure there's not a duplicate match in the current
10:23:37 7 system. If there was, then that voter registration
10:23:40 8 would be used to update. If there was not, then a new
10:23:43 9 record would be created.

10:23:44 10 From there a variety of different checks are
10:23:47 11 done. We check the deceased tables to see if the person
10:23:53 12 has already been listed as deceased. It would then go
10:23:56 13 through MVD for validation, if there was an Arizona
10:23:59 14 driver's license or identification number that was
10:24:01 15 provided or SSN.

10:24:06 16 And then from there, whatever the determination
10:24:07 17 would be. As long as there was no other deficiencies in
10:24:13 18 the form, the voter would be added to the rolls as
10:24:17 19 either a full ballot voter or federal only voter.

10:24:19 20 Q. Okay. Thank you.

10:24:19 21 For the data entry piece, is that done
10:24:22 22 manually?

10:24:23 23 A. Yes.

10:24:23 24 Q. Okay. So somebody looks at the application and
10:24:28 25 types in the name and the date of birth and all that?

10:24:30 1 A. Yes.

10:24:30 2 Q. Okay. And you mentioned the MVD check. What
10:24:43 3 is your understanding of how that MVD check occurs, and
10:24:45 4 what do you kind of see in your interface after that MVD
10:24:51 5 check occurs?

10:24:52 6 MR. O'CONNOR: Form.

10:24:55 7 BY MS. LANG:

10:24:55 8 Q. Go ahead.

10:24:56 9 A. So there's an interface that Maricopa County's
10:25:00 10 voter registration system ties into AVID, which then has
10:25:03 11 the interface with MVD. So when we send a transaction
10:25:06 12 up, we'll get a notification back, either there was a
10:25:08 13 match or there wasn't a match or there could be soft
10:25:13 14 matches.

10:25:13 15 And so from the signature, the date of birth,
10:25:16 16 other information, we would need to determine is this
10:25:19 17 the same person if it did not hard match with somebody
10:25:22 18 or do we not have enough information to make that
10:25:25 19 determination in a match with what MVD has provided.

10:25:29 20 If it is a match, then we would acquire and
10:25:31 21 validate that voter as a full ballot voter. In the case
10:25:34 22 where MVD comes back and says that there isn't a match,
10:25:37 23 then we would -- as long as it's not like a foreign-type
10:25:41 24 license where MVD is telling us that this person is
10:25:43 25 listed as a noncitizen in their database, that person

10:25:48 1 would be added to the rolls as a federal only, but we
10:25:50 2 would send them a notification asking them, like we
10:25:52 3 added you to the rolls, but if you want to be a full
10:25:54 4 ballot voter, you need to provide documentary proof of
10:25:59 5 citizenship.

10:25:59 6 But if we had a hit that said that's not a
10:26:01 7 validation, it's a noncitizen, then we would not add
10:26:04 8 them to the rolls and we would send a letter out
10:26:06 9 asking -- letting them know what we found.

10:26:08 10 Q. Thank you. And we'll get into some of those
10:26:12 11 details in a little bit.

10:26:15 12 If somebody provides a social security number
10:26:18 13 or, rather, the last four digits of their social
10:26:22 14 security number instead of a driver's license or
10:26:25 15 identification number, how is that check done?

10:26:31 16 A. So first it would go to MVD. MVD would try to
10:26:35 17 see if they had any information that they could help
10:26:37 18 provide for that voter. If not, they would send it
10:26:39 19 through to SSN. If the SSN was able to validate the
10:26:43 20 last four, then they will send it back to us and let us
10:26:46 21 know. Now, that only proves your identity. That does
10:26:49 22 not prove your citizenship.

10:26:50 23 Q. Got it.

10:26:52 24 But it is MVD that does that check with the
10:26:56 25 social security database, correct?

10:26:59 1 A. They facilitate it.

10:27:00 2 Q. Okay. And your office is not involved directly

10:27:03 3 with the Social Security Administration or its database?

10:27:07 4 A. No.

10:27:10 5 Q. Okay. Thank you.

10:27:23 6 I apologize. I have most of these in order,

10:27:25 7 but then I added some at the last minute, so...

10:27:54 8 I noticed in some of the records that sometimes

10:28:02 9 a communication will be made to a voter registration

10:28:05 10 application that there was an issue with their

10:28:08 11 signature, that it did not match; is that correct?

10:28:11 12 A. Yes.

10:28:12 13 Q. Okay. Can you explain to me what

10:28:14 14 signature matching is done at the voter registration

10:28:20 15 stage?

10:28:22 16 A. So it's one of the things that we do to help

10:28:26 17 maintain the integrity of a voter's record. So if we

10:28:30 18 have an existing voter in the system and we have

10:28:33 19 multiple registrations where they have a signature that

10:28:37 20 we have seen, we're familiar with, it's in their

10:28:39 21 database, and then all of a sudden we get a new form and

10:28:42 22 potentially the date of birth is transposed and the

10:28:45 23 signature looks nothing like it did in the prior years,

10:28:48 24 it kind of just raises a red flag with us. Then we

10:28:52 25 would contact the voter and make sure that they actually

10:28:55 1 submitted that registration form. We would not reject
10:28:58 2 the form based on that. It's just one of those things
10:29:00 3 that we do as part of best practices.

10:29:06 4 Q. Okay. I think I understand. So, for example,
10:29:12 5 if a voter is registering for the very first time, there
10:29:18 6 is not a signature match process for processing that
10:29:22 7 voter registration application; is that correct?

10:29:23 8 A. That would be correct.

10:29:25 9 Q. Okay. But if you receive an application that
10:29:30 10 has a match to the preexisting database, but there's a
10:29:35 11 signature mismatch, that's when you might elevate that
10:29:37 12 and communicate with the voter; is that correct?

10:29:39 13 A. That would be correct.

10:29:42 14 Q. In that circumstance where you identify a
10:29:44 15 signature mismatch, what are the steps that your office
10:29:48 16 takes?

10:29:49 17 A. It could be a variety. It depends, a
10:29:52 18 case-by-case basis. If we have a phone number, we would
10:29:54 19 call the voter. If we have an e-mail, we may e-mail
10:29:57 20 them. If there's no way to get ahold of them, we would
10:29:59 21 send a letter out requesting information.

10:30:02 22 Q. Okay. I'll mark as Exhibit 8 a document
10:30:12 23 labeled MC 000870.

10:30:20 24 (Deposition Exhibit 8 was marked for
10:30:22 25 identification.)

10:30:22 1 BY MS. LANG:

10:30:22 2 Q. And do you recognize this document?

10:30:24 3 A. Yes.

10:30:26 4 Q. And can you describe to me what this document
10:30:28 5 is?

10:30:29 6 A. So this is a document that was prepared by my
10:30:32 7 office that outlines suspended registrations, the
10:30:38 8 registration method, and then the reasons for suspense.

10:30:42 9 Q. And did your office create this document in
10:30:45 10 order to respond to requests from this litigation?

10:30:49 11 A. Yes.

10:30:52 12 Q. Okay. And referring to the suspended reasons
10:30:57 13 at the bottom here, where it says signature does not
10:31:00 14 match/missing signature, when there is a signature does
10:31:08 15 not match, rather than missing signature, does that
10:31:11 16 voter get put into a suspense category?

10:31:15 17 A. Yes.

10:31:16 18 Q. Okay. And what does that suspense category
10:31:19 19 mean for that voter's ability to participate in an
10:31:23 20 upcoming election?

10:31:25 21 A. It just means that we're waiting for
10:31:27 22 validation. In most cases it's a missing signature.
10:31:31 23 Now, if they provide the information, they will be
10:31:37 24 registered as of the date that they signed the form.

10:31:41 25 Q. Putting aside missing signature, which I

10:31:43 1 understand to be different, for signature does not match
10:31:47 2 suspense, what happens if a voter never responds to your
10:31:53 3 correspondence? What happens to their status?

10:31:57 4 A. They're -- if they're an existing voter, they
10:32:01 5 stay active with their record, and it's just the form
10:32:04 6 itself that is in suspense. So if they changed their
10:32:08 7 party or if they changed their address, that potentially
10:32:11 8 wouldn't be updated until we get validation from them,
10:32:14 9 but they're still an active registered voter.

10:32:18 10 Q. But, for example, if that new form had provided
10:32:20 11 a new address, they will not be -- they will not be
10:32:26 12 registered at that new address; is that correct?

10:32:28 13 A. Yes.

10:32:28 14 Q. Okay. And you mentioned that this category of
10:32:35 15 signature does not match/missing signature, I think you
10:32:41 16 mentioned that a large quantity of the individuals noted
10:32:44 17 here are missing signature; is that right?

10:32:47 18 A. I would say so.

10:32:48 19 Q. Okay. In the database, is there a way of
10:32:52 20 differentiating between signature does not match and
10:32:55 21 missing signature?

10:32:57 22 A. No.

10:33:00 23 Q. Okay.

10:33:00 24 A. It's just signature issue.

10:33:12 25 Q. Okay. While we're looking at this document, I

10:33:15 1 have a few other questions that are a little out of
10:33:17 2 order, but so as to not have to return to it. The top
10:33:21 3 of the document says that statistics in this section
10:33:24 4 include registration forms received between January 1,
10:33:31 5 2004 and January 24, 2023.

10:33:40 6 I guess one thing I'm trying to understand from
10:33:43 7 those numbers is, are these numbers -- hmm. How do I
10:33:51 8 phrase this question?

10:33:53 9 Perhaps I'll start with an example. For total
10:33:59 10 federal forms suspended, is it the case that there are
10:34:04 11 8,509 federal forms that were currently suspended as of
10:34:09 12 January 1-24-2023? Is that what this number indicates?

10:34:15 13 A. Yes.

10:34:17 14 Q. So there may have been other federal forms that
10:34:20 15 were suspended previously, but have been released from
10:34:24 16 suspense, correct?

10:34:25 17 A. Yes.

10:34:25 18 Q. All right. So these are the numbers of kind of
10:34:28 19 how many voters were in these categories as of the date
10:34:32 20 of this data pull; is that correct?

10:34:34 21 A. Yes.

10:34:35 22 Q. All right. Great.

10:34:53 23 You discussed what happens if a voter
10:34:56 24 registration application is approved. Can you describe
10:34:59 25 some of the reasons why a voter registration application

10:35:04 1 would not be approved?

10:35:07 2 A. So we wouldn't use approved. It would just be
10:35:10 3 processed. So we process all registrations. A reason
10:35:15 4 why the form may not be able to be fully processed is
10:35:19 5 there's an invalid address, there's missing information,
10:35:22 6 there's no date of birth, the name is not -- it's not
10:35:25 7 legible, the address maybe isn't legible, there's no
10:35:29 8 signature.

10:35:31 9 Q. Okay. And I saw in some of your responses some
10:35:35 10 language that said that the Maricopa County Recorder's
10:35:38 11 Office does not reject voter registration applications.
10:35:42 12 Can you explain what you mean by that?

10:35:45 13 A. What I mean is that we would not reject a form.
10:35:48 14 We always try to cure the forms. So if there's a
10:35:53 15 deficiency in the form, again, we would let the voter
10:35:56 16 know how they can cure it, but we would not say that we
10:35:59 17 rejected their application.

10:36:01 18 Q. Okay. Is there -- if at some point -- assuming
10:36:09 19 that a registration form could not be fully processed
10:36:12 20 because of one of the issues you identified and you
10:36:15 21 reach out to the voter to cure, is there a time at which
10:36:20 22 your office will not hold open that application any
10:36:29 23 longer?

10:36:31 24 A. There's actually a reference in the existing
10:36:34 25 procedures manual that says that we hold those until

10:36:37 1 after the next general election. If a voter has not
10:36:40 2 cured their registration before the general election,
10:36:45 3 then those would get -- they could not be cured and
10:36:48 4 revived. A voter would need to provide a brand-new
10:36:51 5 registration form.

10:36:52 6 Q. Okay. Okay. And what status -- what status
10:37:06 7 are those voters put into -- or scratch that.

10:37:10 8 What status are those applicants put into in
10:37:14 9 the database at that time when they can no longer cure
10:37:19 10 an error in the voter registration form?

10:37:21 11 A. So we would move them to like a dead end table,
10:37:24 12 and the status would just be dead ended or not eligible.

10:37:36 13 Q. Okay. So my understanding is that unlike some
10:37:47 14 of the other counties, both Maricopa County and Pima
10:37:51 15 County have their own voter registration databases, but
10:37:54 16 then interface with the state voter registration
10:37:57 17 database. Is that correct?

10:37:58 18 A. Yes.

10:38:01 19 Q. Okay. And what do you refer to your internal
10:38:05 20 system as?

10:38:08 21 A. VRAZ.

10:38:09 22 Q. VRAZ?

10:38:16 23 And in reviewing your interrogatory responses,
10:38:19 24 the system that Maricopa County uses was described as,
10:38:24 25 quote, developed and maintained by the county. Who

10:38:31 1 develops and maintains this database?

10:38:34 2 A. So I'm not quite sure who initially developed
10:38:37 3 it. It's very old. But it's overseen and managed by
10:38:41 4 the IT division.

10:38:45 5 Q. Okay. And do you know how old it is?

10:38:51 6 A. Decades.

10:38:59 7 Q. Are there any vendors that you work with in
10:39:03 8 maintaining the system, or is it all done internally?

10:39:06 9 A. Internal.

10:39:43 10 Q. If you can return to the election procedures
10:39:45 11 manual and turn to Page 16 of the manual, which is
10:39:50 12 labeled MC 000030.

10:40:02 13 There's a section labeled statewide voter
10:40:06 14 registration database, and I wanted to look at two
10:40:10 15 sentences here at about halfway down the paragraph that
10:40:14 16 says, "To the extent it is necessary for Maricopa and
10:40:18 17 Pima to use different terms, codes, and classifications,
10:40:21 18 they must correspond to the terms, codes, and
10:40:23 19 classifications in the state system."

10:40:26 20 Do you see that?

10:40:26 21 A. Yes.

10:40:28 22 Q. Are there places where the terms, codes and
10:40:33 23 classifications for VRAZ differ from AVID?

10:40:37 24 A. Yes.

10:40:38 25 Q. Okay. Can you provide some examples?

10:40:42 1 A. Sure. In the Maricopa system, when a voter
10:40:46 2 goes inactive, it's referred to as deactive. So it
10:40:51 3 would be coded through the interface to show inactive at
10:40:55 4 the state level.

10:40:58 5 Q. Okay. Any others?

10:41:02 6 A. Some of our status reasons might be slightly
10:41:08 7 different, but they are coded to match with the state's.

10:41:13 8 Q. Okay. And the next sentence here says that
10:41:16 9 Maricopa and Pima County must file a detailed and
10:41:19 10 complete explanation of their voter registration system
10:41:21 11 or program and any subsequent revisions with the
10:41:25 12 Secretary of State.

10:41:26 13 Do you see that?

10:41:26 14 A. Yes.

10:41:27 15 Q. Okay. And have you done that; has your office
10:41:30 16 done that?

10:41:31 17 A. No. It might have been done prior to me, when
10:41:35 18 the systems were initially done, but I have not provided
10:41:41 19 that. We haven't had huge revisions for the system.

10:41:45 20 Q. Okay. Are you aware of the existence of any
10:41:50 21 document that outlines the kind of ways in which codes
10:41:55 22 from VRAZ are matched to codes for AVID; for example,
10:42:05 23 deactive to inactive?

10:42:06 24 A. I do not know of any documentation.

10:42:12 25 Q. And if there were any change or revision to

10:42:18 1 VRAZ and its coding, how would you communicate that to
10:42:23 2 the Secretary of State's Office?

10:42:25 3 A. So we meet with the Secretary of State's
10:42:28 4 representatives, as well as INEXL, the vendor for AVID,
10:42:33 5 on a regular basis to talk about the interfaces and any
10:42:35 6 changes that need to be made to functionality.

10:42:38 7 Q. Okay. So your office provided us a few
10:42:52 8 different spreadsheets for different categories of
10:43:01 9 potential voters that are not active. In particular,
10:43:06 10 there were three spreadsheets provided, one labeled
10:43:10 11 canceled, another labeled dead end, and another labeled
10:43:13 12 suspense.

10:43:14 13 Can you walk me through what each of those
10:43:18 14 categories means, canceled, dead end, and suspense?

10:43:23 15 A. Yes. So canceled would be a voter that was
10:43:28 16 active at some point and now their registration has been
10:43:31 17 canceled, whether that's because of felony conviction,
10:43:34 18 death, through the NVRA process for reg ver process, or
10:43:41 19 they were adjudicated incapacitated and lost their right
10:43:44 20 to vote, they moved, they requested their voter record
10:43:48 21 to be canceled.

10:43:51 22 Suspense, again, that means that there was
10:43:53 23 something lacking in the voter registration form that
10:43:56 24 didn't allow us to fully process it and so they have
10:44:00 25 been put in a suspense status. Could be a variety of

10:44:04 1 different reasons; ineligible form, missing information,
10:44:09 2 we weren't able to pinpoint their address location.

10:44:11 3 And then dead end would be those registrations
10:44:13 4 that could not be revived.

10:44:25 5 Q. And one of the status reasons that I saw in
10:44:27 6 that spreadsheet for canceled, which is MC 979, one of
10:44:35 7 the status reasons said reg verification.

10:44:39 8 Can you tell me when that status reason would
10:44:45 9 be used for a canceled voter?

10:44:47 10 A. So that means that one piece of election mail
10:44:51 11 came back. Then a final notice was sent to either the
10:44:55 12 forwarding address provided by USPS or to the same
10:44:58 13 address that we have on file if a forwarding address was
10:45:01 14 not provided. The person was given 35 days to contact
10:45:04 15 us or re-register, and they didn't, so then they would
10:45:07 16 move to inactive status. They would stay in inactive
10:45:10 17 status for two federal cycles. And if we did not hear
10:45:12 18 from them and they did not vote, then their record would
10:45:16 19 be canceled for reg ver.

10:45:18 20 Q. Okay. And in that spreadsheet I saw 19
10:45:22 21 canceled entries for noncitizenship. Can you describe
10:45:31 22 to me the reasons why someone might be canceled for
10:45:36 23 noncitizenship?

10:45:37 24 A. So we would have received information that the
10:45:40 25 voter was a noncitizen, either by them telling us I'm

10:45:44 1 not a citizen or through notification from a jury duty
10:45:50 2 office questionnaire, where they have self-reported that
10:45:52 3 they are a noncitizen.

10:45:55 4 Q. Are those the only -- putting aside the new
10:45:59 5 laws, are those the only reasons you're aware of that
10:46:04 6 someone might be canceled due to noncitizenship?

10:46:07 7 A. Yes.

10:46:14 8 Q. Okay. So in the dead end spreadsheet there
10:46:38 9 were 266 records where the status reason for dead end
10:46:43 10 was voter must be a citizen, and what would be the
10:46:46 11 reasons why someone would end up in the dead end
10:46:49 12 category with a status reason of voter must be a
10:46:52 13 citizen?

10:46:53 14 A. So this would be the case in which we received
10:46:56 15 information that told us that the voter was a
10:46:58 16 noncitizen. Either a validation from SAVE, Homeland
10:47:03 17 Security, to validate alien registration numbers came
10:47:06 18 back and said that the person was a noncitizen or we got
10:47:08 19 a hit from MVD that indicated that the driver's license
10:47:11 20 was a foreign. And then we've sent them a letter and we
10:47:15 21 waited for a response or some kind of documentary proof
10:47:18 22 of citizenship, and it was never received.

10:47:20 23 Q. Okay. And after the next general election
10:47:23 24 those are moved from suspense to dead end; is that
10:47:25 25 correct?

10:47:25 1

A. Yes.

10:47:26 2

Q. Okay. Putting aside the new laws, are there

10:47:34 3

any other ways in which you would receive information

10:47:39 4

through the voter registration process that someone was

10:47:42 5

not a citizen other than from SAVE or MVD?

10:47:46 6

A. Or through a jury duty questionnaire form from

10:47:48 7

the courts.

10:47:53 8

Q. Okay. And I think that you've kind of answered

10:48:08 9

this at this point in time, but where there is a status

10:48:14 10

reason under suspense for voter must be a citizen, would

10:48:16 11

that be for the same reasons as it ends up in dead end,

10:48:20 12

but at a different point in the voter registration

10:48:22 13

process?

10:48:22 14

A. Yes.

10:48:23 15

Q. Okay. Returning to the document MC 870, which

10:48:43 16

was marked as Exhibit --

10:48:45 17

A. 8?

10:48:47 18

MR. O'CONNOR: 8.

10:48:48 19

BY MS. LANG:

10:48:50 20

Q. -- 8, I see under suspended reasons noncitizen

10:48:55 21

confirmed and a number of 11,730. Can you describe to

10:49:01 22

me kind of what that category of noncitizen confirmed

10:49:07 23

means?

10:49:08 24

A. So just means that we have received

10:49:11 25

information, either from the voter directly or from like

10:49:16 1 SAVE or MVD, that the person's listed as a noncitizen.

10:49:22 2 Q. So these are not people who just simply have

10:49:25 3 not provided documentary proof of citizenship, but,

10:49:29 4 rather, people for whom you've received some information

10:49:31 5 that suggests they are not a citizen; is that correct?

10:49:34 6 A. That is correct.

10:49:36 7 Q. And that information would come from MVD, SAVE,

10:49:39 8 or a jury questionnaire?

10:49:40 9 A. Yes, or from the voter directly themselves.

10:49:49 10 Q. Okay. And so we'll get into this a little bit

10:49:52 11 later, but where you say confirmed, that term is just

10:49:59 12 meant to indicate that you've received some information

10:50:03 13 from one of those sources saying that a person may not

10:50:06 14 be a citizen; is that right?

10:50:09 15 A. Saying that from the information that they're

10:50:12 16 saying -- that we are receiving, they are a noncitizen.

10:50:15 17 Q. Right. But is it the case that sometimes those

10:50:20 18 people are, in fact, citizens and that information is

10:50:28 19 either in error or outdated?

10:50:32 20 MR. O'CONNOR: Form.

10:50:35 21 THE WITNESS: That's a potential, yes.

10:50:35 22 BY MS. LANG:

10:50:38 23 Q. In your experience, are there some people who

10:50:40 24 come back from one of these sources of information

10:50:44 25 reported as a noncitizen that later provide documentary

10:50:47 1 proof of citizenship?

10:50:48 2 A. Yes.

10:50:51 3 Q. How frequently does that occur?

10:50:52 4 A. Not very frequently.

10:51:28 5 Q. So on Page 7 of the elections procedures
10:51:37 6 manual, under procedures for registrants with an F-type
10:51:43 7 license.

10:51:44 8 MR. O'CONNOR: Danielle, can you give us a
10:51:46 9 page number?

10:51:46 10 MS. LANG: Yes. It's Page 7 of the EPM
10:51:49 11 and it's MC 000021.

10:52:01 12 BY MS. LANG:

10:52:01 13 Q. Do you see the section labeled procedures for
10:52:05 14 registrants with F-type licenses?

10:52:05 15 A. Yes.

10:52:06 16 Q. And what does F-type license refer to?

10:52:08 17 A. That means MVD has that particular person
10:52:11 18 registered with a foreign-type driver's license for
10:52:14 19 noncitizen.

10:52:14 20 Q. Indicating -- and does that indicate that at
10:52:18 21 the time the person received their license, they were
10:52:23 22 not a citizen at that time?

10:52:26 23 A. Yes.

10:52:30 24 Q. Okay. And for those individuals the EPM says
10:52:34 25 that you should enter the registrant's information into

10:52:37 1 the voter registration database with a status of not
10:52:40 2 eligible or functional equivalent and a reason code of
10:52:43 3 invalid citizenship proof or functional equivalent.
10:52:46 4 What is your functional equivalent for invalid
10:52:51 5 citizenship proof?
10:52:52 6 A. So we have not eligible and invalid citizenship
10:52:59 7 proof.
10:53:03 8 Q. Okay. And so where I saw voter must be a
10:53:06 9 citizen, is that -- is that the same or is that a
10:53:09 10 different code than invalid citizenship?
10:53:12 11 A. That's the header row for when we pull the
10:53:16 12 data, but it means the same thing. So that's like the
10:53:20 13 back-system code for when the data pulls are made, but
10:53:23 14 if you looked up the voter, it would say not eligible,
10:53:28 15 invalid proof of citizenship.
10:53:29 16 Q. Thank you. That's very helpful.
10:53:56 17 Does your office also track where any voter
10:54:02 18 registration application comes from, its source?
10:54:04 19 A. Yes.
10:54:05 20 Q. Okay. And I'll introduce as Exhibit 9 a
10:54:16 21 document labeled MC 0002810.
10:54:27 22 (Deposition Exhibit 9 was marked for
10:54:33 23 identification.)
10:54:33 24 BY MS. LANG:
10:54:33 25 Q. And the first page of this is an e-mail from

10:54:37 1 yourself that indicates that attached is the latest VRAC
10:54:44 2 paper, and if you'll see, the page labeled MC 002812 is
10:54:51 3 a VRAC issue paper on adopting uniform voter
10:54:56 4 registration form, how registered and source codes; do
10:55:00 5 you see that?

10:55:00 6 A. I do.

10:55:00 7 Q. Okay. And under number 2 there is a list of
10:55:08 8 codes and what they mean. Are these the codes that your
10:55:12 9 office uses for tracking the source of any voter
10:55:17 10 registration application?

10:55:17 11 A. Yes.

10:55:18 12 Q. Okay. So is it fair to say that your office
10:55:22 13 follows this issue paper as to how to track the source
10:55:26 14 and how registered of individuals that register?

10:55:30 15 A. Yes.

10:55:48 16 Q. You mentioned that your homegrown voter
10:55:51 17 registration database links directly with the statewide
10:55:55 18 voter registration database. Does that happen in real
10:55:57 19 time, daily, or by -- does that happen in real time?

10:56:04 20 A. Yes.

10:56:09 21 Q. Okay. And do you have any contract or
10:56:11 22 memorandum of understanding with the Secretary of
10:56:15 23 State's Office about governing how that interaction
10:56:18 24 takes place?

10:56:22 25 A. In the past there was an agreement with the

10:56:27 1 counties. I don't know if there is an existing
10:56:31 2 agreement today.

10:56:32 3 Q. Okay. Are you -- does Maricopa County provide
10:56:39 4 any financial support for the statewide voter
10:56:43 5 registration database?

10:56:44 6 A. Yes.

10:56:48 7 Q. Do you know what agreement governs the kind of
10:56:51 8 financial contribution that the Maricopa County makes to
10:56:53 9 the AVID database?

10:56:56 10 A. I can speak to my time at the Secretary of
10:56:59 11 State's Office, in that there was an AVID steering
10:57:01 12 committee and they would vote what the distribution of
10:57:07 13 cost should be for the statewide system.

10:57:09 14 Q. Okay. And based on your knowledge from your
10:57:13 15 time at the Secretary of State's Office, how are those
10:57:20 16 costs kind of divvied up across the counties?

10:57:22 17 A. By the number of registered voters by a
10:57:25 18 particular deadline.

10:57:28 19 Q. Okay. Are you aware if that's still currently
10:57:30 20 the system for cost distribution?

10:57:33 21 A. It's my belief that it is.

10:57:43 22 Q. Okay. I'm going to keep trucking on here, but
10:57:45 23 if at any point you want to take a break or if anybody
10:57:49 24 else wants to take a break --

10:57:49 25 A. I'm okay.

10:57:51 1 Q. -- please do raise your hand and let me know.
10:57:54 2 I'm cognizant that we've been going for about an hour
10:57:57 3 and a half.

10:57:57 4 A. I'm okay.

10:57:59 5 Q. All right. So getting into some more of the
10:58:01 6 specifics about documentary proof of citizenship,
10:58:07 7 Arizona has a documentary proof of citizenship
10:58:10 8 requirement for new voter registration applications in
10:58:14 9 order to be a full ballot voter, correct?

10:58:17 10 MS. STUART: Form.

10:58:18 11 THE WITNESS: Yes.

10:58:18 12 BY MS. LANG:

10:58:20 13 Q. All right. And I'm going to refer to that as
10:58:21 14 the DPOC requirement. If I say that, will you
10:58:25 15 understand what I mean?

10:58:26 16 A. Yes.

10:58:26 17 Q. Okay. Do you know when the DPOC requirement
10:58:35 18 first went into effect?

10:58:38 19 A. There -- 20 -- 2000.

10:58:43 20 Q. In or around the 2000s?

10:58:45 21 A. 2000s, yeah.

10:58:47 22 Q. Okay. Were you working in voter registration
10:58:50 23 at the time that it went into effect?

10:58:54 24 A. No.

10:59:06 25 Q. Okay. We'll get into the kind of federal only

10:59:08 1 process in a moment, but first I want to just review one
10:59:12 2 of the ways in which folks can satisfy the DPOC
10:59:16 3 requirement in order to become a full ballot voter.

10:59:21 4 My understanding is that the first way is by
10:59:25 5 providing a driver's license or a nondriver
10:59:29 6 identification number from Arizona MVD; is that correct?

10:59:34 7 MS. STUART: Form.

10:59:35 8 THE WITNESS: Yes.

10:59:36 9 BY MS. LANG:

10:59:36 10 Q. Okay. Is that the most common way in which
10:59:39 11 voters satisfy the DPOC requirement?

10:59:42 12 A. Yes.

10:59:44 13 Q. Okay. And how -- you've talked about this a
10:59:47 14 little bit already, but how does that process for DPOC
10:59:53 15 verification work when a voter just provides a driver's
10:59:58 16 license or nondriver's license ID number?

11:00:03 17 A. That driver's license or ID number is entered
11:00:06 18 into the voter registration system, and it is then
11:00:10 19 pushed up the interface to AVID and then to MVD for
11:00:14 20 validation.

11:00:15 21 Q. Okay.

11:00:17 22 MS. LANG: In the future I'm just going to
11:00:18 23 say driver's license number, but can we all understand
11:00:21 24 that that would include any MVD number that is provided?

11:00:21 25 MR. O'CONNOR: That's fine.

11:00:26 1 MS. LANG: Everyone okay with that?

11:00:29 2 MR. O'CONNOR: Yeah.

11:00:30 3 MS. LANG: Okay. Just trying to cut down

11:00:31 4 on the number of words.

11:00:31 5 BY MS. LANG:

11:00:34 6 Q. So if the driver's license number goes up to

11:00:40 7 AVID and then it goes up to MVD, and then you get a

11:00:43 8 return on that verification; is that correct?

11:00:47 9 A. Yes.

11:00:48 10 Q. And what are kind of the options for the

11:00:54 11 responses you might get from MVD as to that

11:00:58 12 verification?

11:00:59 13 A. It's either a valid match or it's not.

11:01:04 14 Q. Okay. And so if it's a valid match, that

11:01:07 15 satisfies the DPOC requirement and the voter is

11:01:10 16 registered, is that -- as a full ballot voter, assuming

11:01:14 17 all other parts of the voter registration application

11:01:17 18 are complete and accurate?

11:01:18 19 MS. STUART: Form.

11:01:19 20 THE WITNESS: And assuming that it doesn't

11:01:20 21 come back as a match with a foreign-issued license.

11:01:25 22 BY MS. LANG:

11:01:25 23 Q. Okay. Thank you.

11:01:26 24 So it comes back as either a match or not a

11:01:28 25 match?

11:01:29 1 A. Yes.

11:01:30 2 Q. Okay. And then within the category of match,

11:01:33 3 what are the different pieces of information you might

11:01:37 4 get for those who do match with the MVD database?

11:01:41 5 A. It will either say it's verified or it will say

11:01:44 6 like Type F, you know, noncitizen.

11:01:49 7 Q. Okay. And my understanding is that after 2020

11:01:52 8 it's changed from F-Type to some other indicator; is

11:01:58 9 that correct?

11:01:58 10 A. I think -- yes. We still refer to it as the

11:02:01 11 Type F, but there is another, I think -- I forget what

11:02:05 12 the new code is, but it's a Type 4 from MVD is all

11:02:12 13 valid. Anything other than a Type 4 would be nonvalid

11:02:15 14 for citizenship.

11:02:18 15 Q. Okay. And as shorthand, do you still tend to

11:02:20 16 use the phrase F-Type?

11:02:22 17 A. Yes.

11:02:22 18 Q. Okay. I will adopt that as well, and if

11:02:27 19 there's anywhere where we require to dig in any deeper,

11:02:31 20 we can do that.

11:02:32 21 So if it comes back as a match and it's Type 4,

11:02:38 22 it's not F-Type, the voter becomes a full valid voter;

11:02:42 23 is that correct?

11:02:42 24 A. Assuming there's no other deficiencies, yes.

11:02:44 25 Q. Okay. If the match comes back --

11:02:52 1 MR. O'CONNOR: Hold on one second. The
11:02:54 2 Zoom went down.

11:03:01 3 THE VIDEOGRAPHER: Counsel, would you like
11:03:02 4 to go off the record?

11:03:03 5 MS. LANG: Yes.

11:03:04 6 THE VIDEOGRAPHER: We are off the record.
11:03:05 7 The time on the video monitor is 11:03 a.m. This ends
11:03:08 8 Media 1.

11:12:54 9 (A recess was taken.)

11:14:04 10 THE VIDEOGRAPHER: We are on the record.
11:14:05 11 The time on the video monitor is 11:14 a.m. This begins
11:14:08 12 Media 2.

11:14:10 13 BY MS. LANG:

11:14:10 14 Q. Okay. So when we went off the record, we had
11:14:14 15 kind of discussed what happens if the MVD match comes up
11:14:17 16 back as both a match and one that is verified for
11:14:21 17 citizenship. And so now I want to go on to the other
11:14:24 18 options that might happen from that MVD check.

11:14:29 19 What are the circumstances under which you
11:14:31 20 would get no match?

11:14:34 21 A. So maybe they transposed their driver's
11:14:36 22 license. It wasn't the correct number. It's an expired
11:14:40 23 license. So there wouldn't be a match and we would have
11:14:44 24 no DPOC. So we would add that voter to the rolls as
11:14:49 25 federal only and send them out a letter letting them

11:14:52 1 know they have been added to the rolls as federal only
11:14:55 2 and how they can cure the registration to become a full
11:15:00 3 ballot voter.
11:15:00 4 Q. Okay. Another option is that it comes back as
11:15:10 5 a true match and it comes back as either an F-Type
11:15:16 6 license or some sort of indicator that the person was
11:15:22 7 not a citizen when they received their driver's license,
11:15:26 8 correct?
11:15:26 9 A. Yes.
11:15:30 10 Q. And what happens to those folks?
11:15:36 11 A. So they would be put on a not eligible status
11:15:40 12 and they would get a letter sent out to them saying that
11:15:42 13 we were unable to add them to the rolls, that we need
11:15:46 14 DPOC in order to process the registration.
11:15:50 15 Q. Okay. And is that status of not eligible used
11:15:55 16 for any reason other than invalid citizenship?
11:16:03 17 A. I don't believe so.
11:16:05 18 Q. Okay. Now, as far as the information that
11:16:09 19 you're getting from MVD, the only information that MVD
11:16:13 20 has is the information about the citizenship status of
11:16:18 21 that person at the time that they interacted with MVD;
11:16:22 22 is that correct?
11:16:22 23 MS. STUART: Form.
11:16:24 24 MS. BOUGHTON: Form.
11:16:25 25 THE WITNESS: It's my understanding that's

11:16:28 1 correct, but I don't work for MVD.

11:16:31 2 BY MS. LANG:

11:16:32 3 Q. Okay. Do you know how long Arizona IDs are

11:16:36 4 valid for?

11:16:39 5 A. I want to say over ten years.

11:16:41 6 Q. Okay. And is it possible, based on your

11:16:48 7 experience, that someone will come back as indicating an

11:16:52 8 F-Type license, but they have naturalized and become a

11:17:00 9 citizen after getting their driver's license?

11:17:04 10 A. That's possible.

11:17:06 11 Q. And have you encountered that in cases where

11:17:09 12 you send out a notice to the voter and they come back

11:17:13 13 with documentary proof of citizenship that shows they

11:17:17 14 naturalized after they received their driver's license?

11:17:20 15 A. Yes.

11:17:22 16 Q. And if you know, which you may not, are people

11:17:28 17 required to update their citizenship status with MVD if

11:17:33 18 they change from, say, legal permanent resident to

11:17:37 19 naturalized citizen?

11:17:39 20 A. I do not know if that's a requirement.

11:17:47 21 Q. Okay. I'm going to mark as Exhibit 10 a

11:17:54 22 document that is interrogatory responses from the

11:18:00 23 Arizona Department of Transportation.

11:18:09 24 (Deposition Exhibit 10 was marked for

11:18:22 25 identification.)

11:18:22 1 BY MS. LANG:

11:18:23 2 Q. I've been asked to give a little bit more time
11:18:26 3 after introductions of exhibits for everyone to locate
11:18:29 4 them, so if that explains my pause.

11:18:36 5 Oh, and I'll add, I was also asked if you could
11:18:38 6 raise your voice even a little bit more.

11:18:40 7 A. Okay.

11:18:40 8 Q. Because these fans are loud.

11:18:49 9 Okay, I think it's resolved.

11:18:54 10 Okay. So I wanted -- I don't imagine that you
11:18:57 11 have seen this document before. Have you?

11:18:58 12 A. I have not.

11:18:59 13 Q. Okay. But I will represent to you that these
11:19:01 14 were responses to interrogatories received from the
11:19:04 15 Department of Transportation, and I just wanted to go
11:19:07 16 over with you their response to interrogatory number 4
11:19:11 17 to see if it kind of matches your understanding of the
11:19:15 18 MVD process.

11:19:18 19 So interrogatory number 4 asks them to describe
11:19:24 20 in detail the data fields and underlying documentation
11:19:27 21 that the department retains related to U.S. citizenship
11:19:29 22 or immigration status of individuals in the driver's
11:19:33 23 license database.

11:19:33 24 And they indicate that as of April 20th, 2020,
11:19:37 25 the department's system categorizes credential holders

11:19:40 1 based on the authorized presence documentation provided
11:19:44 2 and that there are two types of authorized presence,
11:19:48 3 non-foreign and foreign, and then broken into five
11:19:51 4 subcategories on the next page.
11:19:53 5 So this looks different to me than the kind of
11:19:58 6 F-Type license language I had seen before. Are these
11:20:03 7 kind of categories, non-foreign and foreign and then the
11:20:07 8 subcategories, familiar to you from how the information
11:20:12 9 comes to you from MVD?
11:20:15 10 A. Yes.
11:20:17 11 Q. Okay. So these first two categories are
11:20:20 12 categories that would be MVD-verified, correct?
11:20:24 13 A. Yes.
11:20:25 14 Q. And these latter three categories would be ones
11:20:28 15 where you would require additional DPOC for the person
11:20:35 16 to be registered to vote at all, correct?
11:20:37 17 A. Yes.
11:20:38 18 Q. All right. You mentioned briefly -- strike
11:20:49 19 that. I want to go back.
11:20:57 20 Do you know when MVD began collecting
11:21:00 21 citizenship documentation or authorized presence
11:21:05 22 documentation in their database?
11:21:08 23 A. October 1, 1996.
11:21:12 24 Q. Okay. So if someone has a driver's license
11:21:17 25 that was issued before 1996, what will happen when you

11:21:24 1 put that through to an MVD match?

11:21:27 2 MS. STUART: Form.

11:21:28 3 THE WITNESS: We would not be able to get

11:21:30 4 validation for DPOC unless they have subsequently come

11:21:34 5 in and revised something with MVD since 1996.

11:21:38 6 BY MS. LANG:

11:21:38 7 Q. Okay. And so how does that appear to you; kind

11:21:41 8 of like what status is given to you back from MVD in

11:21:43 9 those circumstances?

11:21:48 10 A. I actually don't remember what the specific

11:21:50 11 code is, but it would just say no match.

11:21:53 12 Q. Okay. In those circumstances that person, if

11:22:02 13 they have not provided other forms of DPOC, would become

11:22:06 14 federal only voters; is that correct?

11:22:07 15 A. Yes.

11:22:09 16 Q. All right. And how does your office treat

11:22:16 17 expired MVD records?

11:22:21 18 A. We don't get them from MVD.

11:22:25 19 Q. So if an individual put the driver's license

11:22:31 20 number on their voter registration form and that

11:22:36 21 driver's license is expired, when that goes up to MVD

11:22:40 22 for a match, it comes back as no match; is that correct?

11:22:44 23 A. It would say that there's no DPOC on file.

11:22:48 24 They wouldn't be able to validate that driver's license.

11:22:51 25 There would be no hits on it.

11:22:56 1 Q. Is that a different -- let me back up.

11:23:02 2 My understanding of the MVD match is that it

11:23:06 3 serves two purposes. One is to validate identity, and

11:23:11 4 the second is to validate citizenship. Is that correct?

11:23:14 5 A. In some cases, yes.

11:23:20 6 Q. So when someone has a pre-1996 driver's

11:23:26 7 license, for example, when you receive a response from

11:23:32 8 MVD, would that still validate identity, but not DPOC?

11:23:39 9 A. It's my understanding that we wouldn't have a

11:23:41 10 match with MVD because expired licenses aren't included

11:23:44 11 in the search.

11:23:46 12 Q. And are all pre-1996 driver's licenses expired?

11:23:51 13 MR. O'CONNOR: Form.

11:23:52 14 THE WITNESS: I don't know.

11:23:53 15 BY MS. LANG:

11:23:55 16 Q. Okay. Are you aware of circumstances where a

11:23:57 17 pre-1996 driver's license might come back as verified,

11:24:03 18 that there is a driver's license, a non-expired driver's

11:24:07 19 license for this individual, but no DPOC is on file?

11:24:11 20 A. That's a possibility.

11:24:12 21 Q. Okay. And what would that look like on your

11:24:17 22 end?

11:24:17 23 A. It would just tell us that there's not a way to

11:24:20 24 validate their proof of citizenship. So we would add

11:24:23 25 them as a federal only and send a letter out to the

11:24:26 1 voter asking for DPOC.

11:24:40 2 Q. Okay. Other than -- so we've been talking
11:24:42 3 about driver's license numbers as DPOC, but there are
11:24:46 4 other ways in which voters can provide DPOC, correct?

11:24:49 5 A. Yes.

11:24:50 6 Q. And one of those ways is through certain
11:24:55 7 out-of-state driver's licenses; is that correct?

11:24:57 8 A. Yes.

11:24:58 9 Q. And so how do you determine whether or not a
11:25:00 10 copy of an out-of-state -- let me back up.

11:25:04 11 For out-of-state driver's licenses, you don't
11:25:06 12 have any means to kind of check those numbers or those
11:25:11 13 driver's licenses against those other state databases,
11:25:16 14 correct?

11:25:16 15 A. Correct.

11:25:18 16 Q. So how do you determine whether or not a copy
11:25:21 17 of an out-of-state driver's license or ID card is
11:25:26 18 sufficient DPOC?

11:25:29 19 A. So we would follow the guidance in the
11:25:32 20 elections procedures manual related to out-of-state
11:25:35 21 driver's licenses.

11:25:37 22 Q. Okay. And if you could refer to Page 4 of the
11:25:40 23 elections procedures manual.

11:25:45 24 A. Is that the MC 4 or just Page 4?

11:25:47 25 Q. No, just Page 4 of the EPM. It's MC 18.

11:25:54 1 Is this the guidance that you're referring to?

11:25:56 2 A. Yes.

11:25:58 3 Q. Okay. And it indicates that out-of-state

11:26:01 4 driver's licenses can only be accepted if they have some

11:26:03 5 sort of specific citizenship indicator, which is often

11:26:08 6 this kind of United States flag; is that correct?

11:26:11 7 A. Yes.

11:26:14 8 Q. All right.

11:26:14 9 THE VIDEOGRAPHER: Counsel, sorry to

11:26:15 10 interrupt. The video feed on the Zoom -- the Zoom is

11:26:19 11 still live, but the video feed has gone off. Would you

11:26:25 12 mind if Jody --

11:26:26 13 And, Jody, would you mind clicking on the

11:26:34 14 video?

11:26:34 15 Sorry, Jody. There we go, I think.

11:26:35 16 Sorry.

11:26:35 17 MS. LANG: Thank you.

11:26:41 18 BY MS. LANG:

11:26:41 19 Q. Do you know if California driver's licenses

11:26:43 20 sometimes have this indicator of citizenship on them?

11:26:47 21 A. I don't know.

11:26:48 22 Q. Okay. Are you aware of which -- any states

11:26:51 23 that do and any states that do not, specifically?

11:26:56 24 A. I know some do and some don't. I don't have a

11:26:59 25 list.

11:26:59 1 Q. Okay. You don't know any specifics?

11:27:00 2 A. Well, I'm looking at Michigan and New York here

11:27:03 3 as examples, so...

11:27:04 4 Q. Okay. Other than Michigan and New York.

11:27:06 5 A. I don't know.

11:27:16 6 Q. Okay. All right, I'll mark as Exhibit 11 a

11:27:31 7 document labeled MC 002093.

11:27:43 8 (Deposition Exhibit 11 was marked for

11:28:18 9 identification.)

11:28:18 10 BY MS. LANG:

11:28:20 11 Q. Oh.

11:28:20 12 So this is an e-mail with meeting recap notes

11:28:29 13 from the Secretary of State's Office; is that correct?

11:28:34 14 A. Yes.

11:28:34 15 Q. And I see in the subject line that it says

11:28:37 16 "May 11, 2023 Bi-Monthly SOS/Recorders/Elections

11:28:43 17 Meeting." Is that correct?

11:28:43 18 A. Yes.

11:28:43 19 Q. So is this one of the kind of regular meetings

11:28:46 20 you were referring to earlier today between the various

11:28:50 21 actors in the voter registration process?

11:28:52 22 A. Yes.

11:28:54 23 Q. Okay. And on the very -- so there is all these

11:29:00 24 meeting recap notes, and on the last page I just wanted

11:29:03 25 to ask you about this note that says "DPOC: Proof of

11:29:07 1 citizenship and ID's."

11:29:10 2 And there's a question here, I believe, about

11:29:13 3 what you may call enhanced IDs, and community

11:29:20 4 organization -- it says, quote, Community organizations

11:29:23 5 that register voters want to know if the gold star on

11:29:26 6 driver's licenses is enough to prove citizenship."

11:29:29 7 Do you see that?

11:29:30 8 A. Yes.

11:29:30 9 Q. Are you aware -- were you at this meeting, to
11:29:34 10 your recollection?

11:29:34 11 A. I believe I was.

11:29:36 12 Q. Okay. And do you remember this discussion?

11:29:38 13 A. Yes.

11:29:41 14 Q. Okay. And do you know who raised this
11:29:43 15 question?

11:29:45 16 A. I believe it was Pima County.

11:29:50 17 Q. Okay. And is this a question that you have
11:29:51 18 received from community organizations as well or your
11:29:54 19 office?

11:29:54 20 A. I have not.

11:29:59 21 Q. Okay. And the first line of this bullet point
11:30:01 22 says, "The Secretary will compare LULAC litigation to
11:30:04 23 new statute and report back to the group."

11:30:06 24 Do you see that?

11:30:07 25 A. Yes.

11:30:07 1 Q. Have you heard back from the Secretary of
11:30:11 2 State's Office on this question?

11:30:12 3 A. Not that I'm aware of.

11:30:14 4 Q. And so, to your knowledge, do you know if the
11:30:18 5 gold star on driver's licenses is enough to prove
11:30:21 6 citizenship?

11:30:22 7 A. I would say from my position, as what I know
11:30:26 8 now, I would say I would refer again to the procedures
11:30:30 9 manual looking for the American flag as the notation.

11:30:33 10 Q. Okay. So based on your current knowledge, your
11:30:37 11 guidance would be that a gold star, rather than an
11:30:41 12 American flag, would not be sufficient for DPOC; is that
11:30:43 13 correct?

11:30:43 14 A. Yes.

11:30:52 15 Q. Okay. And I don't have any questions about
11:30:54 16 some of these next ones, but birth certificate is an
11:30:57 17 acceptable form of DPOC if it shows that the person was
11:30:59 18 born in the United States; is that correct?

11:31:00 19 A. Yes.

11:31:02 20 Q. Or if there's a consular report of a birth
11:31:07 21 abroad; is that correct?

11:31:08 22 A. Yes.

11:31:10 23 Q. Okay. And a U.S. passport is an acceptable
11:31:13 24 form of DPOC, correct?

11:31:15 25 A. Yes.

11:31:16 1 Q. All right. If someone puts a tribal ID number,
11:31:21 2 is that acceptable form -- an acceptable form of DPOC?

11:31:24 3 A. Yes.

11:31:26 4 Q. And my understanding is that there's no
11:31:29 5 database search; the tribal ID number is accepted on its
11:31:33 6 face. Is that correct?

11:31:34 7 A. Yes.

11:31:42 8 Q. And then the last category of forms of DPOC I
11:31:48 9 wanted to talk about is citizenship and immigration
11:31:52 10 documents.

11:31:53 11 One option that voters have for satisfying DPOC
11:31:57 12 is to just provide what we would call -- what's called
11:32:01 13 an A-Number; is that correct?

11:32:03 14 A. Yes.

11:32:04 15 Q. All right. We'll get -- I'm going to move on
11:32:11 16 in a moment to talk about what you do with those
11:32:13 17 A-Numbers.

11:32:14 18 Putting aside A-Numbers, if somebody provides a
11:32:18 19 naturalization certificate, is that sufficient DPOC?

11:32:22 20 A. Yes.

11:32:23 21 Q. And do you use the SAVE database for those
11:32:26 22 documents?

11:32:28 23 A. No.

11:32:29 24 Q. Okay. So if you have an actual copy of an
11:32:34 25 immigration document showing citizenship, do you accept

11:32:37 1 that on face value without any additional database
11:32:40 2 searches?

11:32:40 3 A. Yes.

11:32:41 4 Q. Okay. And if an A-Number is provided, that's
11:32:50 5 when you would use the SAVE system to verify
11:32:53 6 citizenship; is that correct?

11:32:54 7 A. Yes.

11:32:54 8 Q. Okay. And we'll talk more about that
11:32:57 9 momentarily.

11:33:08 10 One question I just want to clarify is we've
11:33:11 11 been talking about how you verify DPOC. Do you use the
11:33:18 12 same procedures for verifying DPOC regardless of whether
11:33:21 13 the person uses the federal or the state form?

11:33:25 14 A. Yes.

11:33:36 15 Q. Okay. If a voter did not provide a driver's
11:33:39 16 license number or a number or any other form of DPOC,
11:33:51 17 how does your office go about trying to acquire DPOC for
11:33:55 18 those individuals?

11:33:57 19 A. So the record would go to MVD for validation
11:34:00 20 and we would try to see if there's a match in the MVD
11:34:04 21 database with an existing driver's license; and if we
11:34:08 22 found a match with date of birth, address, name, we
11:34:12 23 could acquire the driver's license and have DPOC on file
11:34:17 24 on behalf of the voter.

11:34:18 25 Q. So even if an individual didn't provide their

11:34:21 1 driver's license number, if their other demographic data
11:34:26 2 matches enough to create a true match with the MVD
11:34:31 3 database, that could acquire DPOC for that individual;
11:34:35 4 is that correct?

11:34:35 5 A. Yes.

11:34:36 6 Q. All right. And you do that for all applicants
11:34:40 7 who don't otherwise have DPOC on file; is that correct?

11:34:42 8 A. Yes.

11:34:43 9 Q. All right. Okay. So if none of those options
11:35:22 10 satisfy DPOC, what -- scratch that.

11:35:30 11 If an applicant has no DPOC after all of these
11:35:34 12 efforts and there was no match that suggested
11:35:42 13 noncitizenship, what happens to that voter?

11:35:43 14 A. They are added to the rolls as a federal only
11:35:47 15 voter and are sent a letter letting them know they are
11:35:52 16 federal only voter and what they can do to provide DPOC
11:35:56 17 to become a full ballot voter.

11:35:58 18 Q. Okay. What languages are your notices sent in?

11:36:02 19 A. English and Spanish.

11:36:07 20 Q. And those are the only languages, correct?

11:36:09 21 A. Yes.

11:36:11 22 Q. All right. Is there any information on the
11:36:14 23 notice about kind of language assistance for folks who
11:36:18 24 don't speak English or Spanish?

11:36:20 25 A. We have information on how to contact our

11:36:22 1 office.

11:36:23 2 Q. And does your office use interpretation
11:36:27 3 services for folks who don't speak English or Spanish?

11:36:31 4 A. I have not had that happen, but I believe that
11:36:35 5 there's somebody that could translate, if necessary.

11:36:38 6 Q. And who would that somebody be?

11:36:40 7 A. I don't know.

11:36:42 8 Q. Okay. The notice that you send, is it by
11:36:49 9 forwardable mail or non-forwardable mail?

11:36:52 10 A. Non-forwarding.

11:37:16 11 Q. What circumstances does your office send
11:37:20 12 forwardable mail rather than non-forwardable mail?

11:37:24 13 A. If we have a cancellation letter that needs to
11:37:27 14 be sent, we would send that by forwarding.

11:37:33 15 Q. Are there any other notices that you send by
11:37:36 16 forwarding mail?

11:37:37 17 A. Not that I can think of.

11:37:40 18 Q. Okay. We'll mark as Exhibit 12 a document
11:37:57 19 labeled MC 000879.

11:38:13 20 (Deposition Exhibit 12 was marked for
11:38:20 21 identification.)

11:38:20 22 BY MS. LANG:

11:38:20 23 Q. Do you recognize this document?

11:38:21 24 A. Yes.

11:38:22 25 Q. Okay. What is this document?

11:38:24 1 A. This is Maricopa County's procedures for data
11:38:28 2 entry for new registrations.

11:38:31 3 Q. Okay. And I see on the bottom here that it
11:38:32 4 says "Revised: December 21, 2022." Is this the most
11:38:38 5 recent version of these instructions?

11:38:45 6 A. I think -- I believe so.

11:38:53 7 Q. Okay. And I just wanted to turn to Page 885,
11:39:08 8 and the very end of this has some instructions about
11:39:17 9 federal forms; do you see that?

11:39:21 10 A. Yes.

11:39:23 11 Q. Okay. I'm just going to read it aloud. It
11:39:25 12 says, "Note. When you have entered data for a federal
11:39:28 13 form, there will be a dialogue box that is displayed
11:39:32 14 after clicking save file that says you must suspend a
11:39:36 15 federal registrant. Click okay and then suspend record.
11:39:40 16 Voter will be successfully suspended, and you will hit
11:39:43 17 the enter key to get to the next record."

11:39:44 18 Do you see that?

11:39:45 19 A. Yes.

11:39:46 20 Q. Okay. Can you explain to me what this means
11:39:49 21 and how this affects federal -- voters who register
11:39:54 22 using the federal form?

11:40:05 23 A. I'm actually trying to recall this one. I'm
11:40:21 24 feeling like this is for the cases where we have
11:40:24 25 somebody coming back as a federal only voter and we are

11:40:29 1 putting them -- in the way the system works, like
11:40:36 2 putting them into suspense to try to get the
11:40:38 3 reactivation back to MVD; but there's also the federal
11:40:44 4 form that sometimes reference to the UOCAVA
11:40:48 5 registrations, and my office does not process UOCAVA
11:40:52 6 registration forms. That's done by the early voting
11:40:55 7 team. So I feel like that may have something to do with
11:40:59 8 it as well.

11:41:02 9 Q. Okay. And -- but sitting here today, it seems
11:41:08 10 like you're not quite sure what this refers --

11:41:10 11 A. I'm not quite sure what this is referring to at
11:41:13 12 this moment.

11:41:13 13 Q. Okay. But it should not be the case that
11:41:15 14 anyone who registers using a federal form would be --
11:41:18 15 would have their voter registration suspended, correct?

11:41:22 16 A. No. We --

11:41:22 17 MS. STUART: Form.

11:41:22 18 THE WITNESS: We would treat a federal
11:41:26 19 national registration form and a state registration form
11:41:29 20 exactly the same.

11:41:31 21 BY MS. LANG:

11:41:33 22 Q. Okay. Thank you.

11:41:41 23 And I think we've discussed this, but if you
11:41:43 24 get something back from MVD that indicates that at the
11:41:46 25 time that they received their driver's license that

11:41:48 1 person was not a citizen, those people are not
11:41:52 2 registered and sent a notice, correct?
11:41:53 3 A. Yes.
11:41:54 4 Q. And that notice is only in English and Spanish,
11:41:57 5 correct?
11:41:57 6 A. Yes.
11:41:57 7 Q. And it's sent by non-forwardable mail?
11:42:01 8 A. Yes.
11:42:02 9 Q. Okay. And what do you do if you get a
11:42:06 10 bounce-back for those notices?
11:42:09 11 A. If we receive a forwarding address, we would
11:42:13 12 potentially send to the forwarding address, but
11:42:15 13 otherwise we send one notice out.
11:42:20 14 Q. Okay. You said we would potentially send to
11:42:22 15 the forwarding address. When would you send it to the
11:42:25 16 forwarding address versus not send it to the forwarding
11:42:28 17 address?
11:42:29 18 A. I think it's on a case-by-case basis almost. I
11:42:32 19 would say that if we have time and we're not, you know,
11:42:35 20 at the end of a registration deadline, or if we were at
11:42:39 21 the end of a registration deadline, we would try to send
11:42:41 22 another letter, but in most cases our requirement is to
11:42:45 23 send one notice.
11:42:46 24 Q. Okay. So it's discretionary whether or not
11:42:49 25 another notice is sent to the forwarding address?

11:42:51 1 A. Yes.

11:42:51 2 Q. Okay. I'm going to mark as Exhibit 13

11:43:21 3 AZSOS-004107.

11:43:30 4 (Deposition Exhibit 13 was marked for

11:43:45 5 identification.)

11:43:45 6 BY MS. LANG:

11:43:46 7 Q. And so this is an e-mail chain between yourself

11:43:48 8 and members of the Arizona Secretary of State's Office;

11:43:52 9 is that correct?

11:43:52 10 A. Yes.

11:43:53 11 Q. And if we kind of start from the beginning of

11:43:58 12 this e-mail chain, which is on the last page, and I see

11:44:03 13 this is a Secretary of State employee reaching out to

11:44:07 14 you to say that they had identified someone who was

11:44:12 15 federal only in your system as a Maricopa County voter,

11:44:15 16 but that MVD was now providing a, you know, citizenship

11:44:24 17 status for; is that correct?

11:44:27 18 A. I believe that's what they're telling me.

11:44:31 19 Q. Okay. And there's a reference to a term called

11:44:34 20 Swagger. Do you know what Swagger is?

11:44:37 21 A. I had never heard that term before, so --

11:44:40 22 Q. Okay.

11:44:40 23 A. -- I really don't understand what they meant by

11:44:43 24 Swagger.

11:44:43 25 Q. Got it.

11:44:44 1 So do you under -- do you know why there might
11:44:56 2 be a circumstance where when you initially process
11:44:59 3 someone, they became a federal only voter, but later
11:45:03 4 AVID would indicate that they were a citizen?

11:45:08 5 A. I would not -- I am not familiar with that
11:45:11 6 process.

11:45:11 7 Q. Okay. Do you recall this particular instance?

11:45:18 8 A. Vaguely. I questioned why we would be using
11:45:22 9 Swagger to validate proof of citizenship outside of a
11:45:29 10 voter registration form request.

11:45:30 11 Q. Okay. And did you and -- did this voter become
11:45:38 12 a full ballot voter, to your knowledge?

11:45:40 13 A. I don't know.

11:45:42 14 Q. Okay. But as a general matter -- so as a
11:45:58 15 general matter, there is one time when your office does
11:46:02 16 the MVD check, and it is at the time of registration; is
11:46:06 17 that correct?

11:46:06 18 A. Yes.

11:46:08 19 Q. And your office and the Secretary of State's
11:46:12 20 Office don't do any regular kind of checking of the
11:46:15 21 federal only list against MVD to determine whether or
11:46:18 22 not the citizenship status has changed in the MVD
11:46:22 23 database; is that correct?

11:46:24 24 MS. STUART: Form.

11:46:24 25 MR. O'CONNOR: Form.

11:46:25 1 THE WITNESS: I'm not aware of a system
11:46:26 2 that does that.
11:46:28 3 BY MS. LANG:
11:46:28 4 Q. And you're not aware of any kind of systematic
11:46:30 5 way in which those checks would be done after the point
11:46:33 6 of registration; is that correct?
11:46:36 7 A. That's correct. However, this e-mail indicates
11:46:39 8 Swagger, which I am not familiar with.
11:46:41 9 Q. Okay. Okay. Now I'll mark as Exhibit 14
11:46:59 10 ARIZONASOS-240080.
11:47:08 11 (Deposition Exhibit 14 was marked for
11:47:17 12 identification.)
11:47:17 13 BY MS. LANG:
11:47:18 14 Q. So towards the bottom of this e-mail chain
11:47:23 15 on -- but still on the first page, there's an e-mail
11:47:27 16 from AVID Help to yourself and Stephen Richer discussing
11:47:32 17 an MVD issue that they had been investigating; is that
11:47:38 18 correct?
11:47:38 19 A. Yes.
11:47:40 20 Q. And we'll get into the specifics of this e-mail
11:47:43 21 in a moment, but as a general matter, what is your
11:47:48 22 understanding of the MVD issue that arose in October
11:47:53 23 2022?
11:47:58 24 A. I believe the issue was MVD was incorrectly
11:48:05 25 invalidating driver's licenses and giving us a null

11:48:10 1 value instead of a value of citizen or noncitizen.

11:48:16 2 Q. And do you know how long this issue was going

11:48:22 3 on?

11:48:24 4 A. I don't remember the specific time frame.

11:48:36 5 Q. Okay. And on the second page of this document,

11:48:40 6 2481, the Secretary of State's Office informed you in

11:48:46 7 the second -- the first full paragraph there that your

11:48:50 8 county had 155 records that returned a hard match with

11:48:54 9 an authorized presence, indicating citizenship, and

11:48:59 10 3,550 records that might be a soft match.

11:49:03 11 Do you see that?

11:49:04 12 A. Yes.

11:49:06 13 Q. What was done for those voters prior to the

11:49:11 14 2022 election?

11:49:13 15 A. So we would have rerun those through MVD to get

11:49:19 16 the authorization presence code to upgrade them to a

11:49:25 17 full ballot voter. We would have had to review the

11:49:29 18 3,550 records that were potential soft matches to see if

11:49:33 19 we could validate the voter. And then the 651 records

11:49:40 20 have an active early ballot potentially would have been

11:49:44 21 issued a full ballot if they were previously issued a

11:49:47 22 federal only ballot.

11:49:49 23 Q. Okay. Is it your understanding that your

11:49:53 24 office did complete the review of the 3,550 soft matches

11:49:58 25 prior to the 2022 election?

11:49:59 1 A. Yes.

11:50:00 2 Q. Okay. And do you know how many voters in your

11:50:08 3 county were affected by this error after reviewing those

11:50:12 4 soft matches?

11:50:13 5 A. I don't know the number.

11:50:16 6 Q. Okay. And you're not sure how long this MVD

11:50:31 7 error was ongoing prior to the Secretary of State

11:50:40 8 addressing it in October of 2022; is that correct?

11:50:42 9 A. I don't know.

11:50:43 10 Q. Okay. Is it possible that it could have

11:50:45 11 affected prior elections as well?

11:50:49 12 MS. BOUGHTON: Form.

11:50:50 13 THE WITNESS: I don't -- I don't know. I

11:50:51 14 feel like MVD and the Secretary of State's Office

11:50:55 15 monitors that, so issues are found and addressed early.

11:51:04 16 BY MS. LANG:

11:51:04 17 Q. Do you know how many voters statewide were

11:51:08 18 affected by this issue?

11:51:09 19 A. I do not know.

11:51:16 20 Q. Okay. And I'll mark as Exhibit 15

11:52:20 21 AZSOS-239348.

11:52:27 22 (Deposition Exhibit 15 was marked for

11:52:35 23 identification.)

11:52:35 24 BY MS. LANG:

11:52:35 25 Q. Do you recognize this document?

11:52:38 1 A. Yes.

11:52:39 2 Q. Okay. Can you tell me what this document is?

11:52:42 3 A. So this was a sample notice that was provided

11:52:48 4 to the counties from the Secretary of State's Office as

11:52:52 5 a letter to explain what happened with the MVD issue of

11:52:58 6 not validating valid driver's license for DPOC.

11:53:01 7 Q. And is this the template your office used for

11:53:05 8 sending out such notices in October 2022?

11:53:08 9 A. Yes.

11:53:10 10 Q. Okay. Did you hear back from any of these

11:53:13 11 voters?

11:53:13 12 A. I'm sure that we did. I don't remember how

11:53:21 13 many.

11:53:21 14 Q. Do you know or did you track anywhere the

11:53:24 15 number of people who returned their federal only ballot

11:53:28 16 first that were, in fact, eligible to be full ballot

11:53:33 17 voters?

11:53:33 18 A. That would have been handled on the early

11:53:36 19 voting side because they do early ballots.

11:53:39 20 Q. Okay. And more generally, in your database,

11:53:46 21 how do you track kind of correspondence with a voter

11:53:52 22 about any number of issues in their voter registration?

11:53:57 23 A. So there is a notice module where we can track

11:54:02 24 a notice was sent. So that there is that record, and

11:54:08 25 then additionally, that information is sent through the

11:54:12 1 interface to the statewide system.

11:54:14 2 Q. So that information about notices is

11:54:17 3 transferred to the AVID database as well?

11:54:19 4 A. Yes.

11:54:20 5 Q. Okay.

11:54:31 6 A. To clarify, though, those are notices that are

11:54:33 7 generated within the voter registration system itself.

11:54:36 8 This wouldn't have been generated from the voter

11:54:39 9 registration system, so it wouldn't have been logged in

11:54:41 10 the module.

11:54:42 11 Q. Thank you for that clarification.

11:54:45 12 Do you know if this was logged anywhere in the

11:54:47 13 system for these voters?

11:54:50 14 A. I don't believe so.

11:55:06 15 Q. You have mentioned a couple of times that there

11:55:08 16 are kind of cure procedures for people who have not

11:55:12 17 provided DPOC, correct?

11:55:13 18 A. Yes.

11:55:14 19 Q. They receive a notice, and then they're able to

11:55:16 20 cure that by providing some form of DPOC, correct?

11:55:18 21 A. Yes.

11:55:21 22 Q. Okay. And so I want to talk about those cure

11:55:24 23 procedures; first, talking only about federal only

11:55:26 24 voters, as opposed to those voters that have F-Type

11:55:29 25 licenses or some similar noncitizenship indicator,

11:55:33 1 okay?

11:55:33 2 A. Okay.

11:55:35 3 Q. So speaking about federal only voters, up until

11:55:40 4 when can voters provide DPOC in order to become a full

11:55:46 5 ballot voter and for any given election?

11:55:50 6 A. The Thursday before the election.

11:55:53 7 Q. Okay. And how can they submit that DPOC to

11:55:58 8 you?

11:55:58 9 A. They can mail it. They can scan it and e-mail

11:56:01 10 it. They can come and show us in person.

11:56:14 11 Q. If you look at the election procedures manual

11:56:17 12 on Page 7 of the manual, which is MC 21, there's

11:56:28 13 reference to a DPOC submission form. What is that form?

11:56:33 14 A. It's a letter that lets the voter know that

11:56:37 15 they have been registered as federal only and gives them

11:56:41 16 instructions how they can provide DPOC to become a full

11:56:46 17 ballot voter.

11:56:48 18 Q. Okay. And do you ever have any trouble kind of

11:56:51 19 linking the DPOC that is sent in from an individual

11:56:54 20 applicant to an applicant's record in the database?

11:56:58 21 A. Not usually.

11:57:25 22 Q. How often do federal only voters respond to

11:57:29 23 that notice by providing DPOC and becoming full ballot

11:57:34 24 voters?

11:57:35 25 A. I don't have statistics in front of me, but I

11:57:38 1 would say a lot of them come back and provide DPOC.

11:57:44 2 Q. Okay. Is that something your, like, database
11:57:53 3 would be able to provide statistics on?

11:58:01 4 A. I think if we did a data pull today and then
11:58:06 5 months from now we did another data pull, we could see
11:58:08 6 how many went from federal status to full, but that
11:58:11 7 would be the only way. There's not a tracking
11:58:13 8 mechanism.

11:58:14 9 Q. Thank you.

11:58:21 10 While we're looking at the election procedures
11:58:23 11 manual, on Page 8, MC 22, numeral 5 says "DPOC When
11:58:32 12 Moving Between Counties." I wanted to ask about the
11:58:40 13 second paragraph there, which says that registered
11:58:44 14 voters who submit valid DPOC to the County Recorder in
11:58:48 15 their county of residence need not resubmit evidence of
11:58:51 16 citizenship upon moving and registering to vote in a new
11:58:54 17 county in Arizona so long as the record of their
11:58:56 18 previously-submitted DPOC is accessible by the new
11:59:00 19 County Recorder.

11:59:04 20 How does your office access previously
11:59:07 21 submitted DPOC when a voter moves from another county to
11:59:13 22 Maricopa County?

11:59:14 23 A. So if we can see on the prior other county
11:59:19 24 record that they have a note that says birth certificate
11:59:21 25 was provided, it usually will pop up to us that the DPOC

11:59:26 1 has been validated by the other county. If the other
11:59:29 2 county did not do that, then there would be no way for
11:59:32 3 us to validate the notes.

11:59:35 4 Q. Are you aware of instances where counties do
11:59:39 5 not record DPOC in the voter registration system?

11:59:45 6 A. I don't know of specific instances, but I know
11:59:49 7 it's possible.

11:59:49 8 Q. Okay. Do you know if it happens, without
11:59:52 9 identifying specific instances; like have you heard of
11:59:54 10 it happening?

11:59:55 11 A. Yes.

11:59:56 12 Q. Okay. Have you heard of it being kind of a
12:00:00 13 systemic issue with any counties?

12:00:02 14 A. No.

12:00:14 15 Q. Okay. Do you know how many federal only voters
12:00:17 16 Maricopa currently has?

12:00:19 17 A. Not off the top of my head.

12:00:22 18 Q. Okay. Do you know if it's more or less than
12:00:28 19 10,000?

12:00:30 20 A. I want to say maybe 17,000-ish.

12:00:33 21 Q. Okay.

12:00:33 22 A. I'm not entirely sure.

12:00:47 23 Q. Can federal only voters be on the early voting
12:00:50 24 list?

12:00:51 25 A. Yes.

12:00:53 1 Q. Are many federal only voters on the early
12:00:55 2 voting list?
12:00:57 3 A. Yes.
12:01:02 4 Q. Okay. My understanding is that early voting is
12:01:06 5 very popular in Arizona. Is that correct?
12:01:08 6 A. That's correct.
12:01:10 7 Q. Okay. About what percentage of your voters
12:01:12 8 vote by mail?
12:01:14 9 A. I don't know.
12:01:15 10 MR. O'CONNOR: Form. Yeah.
12:01:17 11 BY MS. LANG:
12:01:27 12 Q. Okay. All right. Now I'm going to talk a
12:01:28 13 little bit about how your office uses the -- I think
12:01:34 14 it's systematic alien verification --
12:01:40 15 A. Say, entitlement?
12:01:44 16 Q. Oh, gosh. The SAVE system. Do you know what
12:01:46 17 I'm talking about when I --
12:01:47 18 A. I do.
12:01:48 19 Q. -- talk about the SAVE system?
12:01:49 20 A. Yes.
12:01:50 21 Q. And it's a system run by USCIS to assist
12:01:54 22 agencies in verifying citizenship information; is that
12:01:56 23 correct.
12:01:56 24 A. Yes.
12:01:58 25 Q. Okay. I apologize for my forgetting the

12:02:01 1 acronym precisely.

12:02:05 2 Do you know how long Maricopa County has been

12:02:08 3 using the SAVE system?

12:02:11 4 A. As long as I can remember.

12:02:13 5 Q. Okay. And my understanding is that originally

12:02:19 6 Maricopa County had an agreement directly with USCIS to

12:02:25 7 use SAVE. Is that correct?

12:02:30 8 A. That's my understanding.

12:02:31 9 Q. Okay. It's also my understanding now that your

12:02:37 10 current usage of the SAVE system is based on the Arizona

12:02:42 11 Secretary of State's agreement with USCIS; is that

12:02:50 12 correct?

12:02:50 13 A. Yes, with the exception that we still have our

12:02:53 14 own umbrella for how we pay for our searches.

12:02:59 15 Q. Okay. Do you have access to the memorandum of

12:03:06 16 understanding or memorandum of agreement between the

12:03:10 17 Secretary of State's Office and USCIS?

12:03:13 18 A. I don't.

12:03:13 19 Q. Have you ever seen that document?

12:03:15 20 A. I have.

12:03:16 21 Q. Okay. And did you see that document in your

12:03:20 22 capacity at the Secretary of State's Office?

12:03:23 23 A. Yes.

12:03:24 24 Q. Okay. Have you ever looked at that document in

12:03:28 25 your capacity as at the Maricopa County Recorder's

12:03:34 1 Office?

12:03:34 2 A. No.

12:03:37 3 Q. Okay. What guidance or training has the

12:03:41 4 Secretary of State provided regarding the SAVE system

12:03:43 5 and the processes the County Recorders need to follow

12:03:48 6 while using it?

12:03:48 7 A. What's in the elections procedures manual.

12:03:54 8 Q. Anything else?

12:03:54 9 A. No, not that I'm aware of.

12:04:09 10 Q. Okay. In order to use the SAVE system, do you

12:04:12 11 need to have a specific identification number for an

12:04:19 12 individual?

12:04:20 13 A. For a user of the system?

12:04:23 14 Q. No. I apologize. I was unclear.

12:04:26 15 If you wanted to try to verify citizenship for

12:04:28 16 an individual and your office was trying to do that, in

12:04:33 17 order to use the SAVE system and kind of identify

12:04:38 18 someone as either a citizen or noncitizen, do you need a

12:04:41 19 unique identification number for that individual?

12:04:44 20 A. Yes.

12:04:45 21 Q. Okay. What kind of number do you need for

12:04:47 22 those individuals in order to use the SAVE system?

12:04:50 23 A. There's a user name and password.

12:04:54 24 Q. I'm sorry, I'm being very unclear. But I

12:04:57 25 appreciate the answer.

12:04:58 1 Assuming you're kind of in the system and using
12:05:02 2 it and, you know, you want to find out if I, Danielle
12:05:07 3 Lang, am a citizen, can you just put in my name and date
12:05:14 4 of birth and get any information from the SAVE system?
12:05:16 5 A. It's my understanding you need to have an
12:05:19 6 A-Number to do the search.
12:05:20 7 Q. So you need to have a specific immigration
12:05:23 8 number --
12:05:23 9 A. Yes.
12:05:24 10 Q. -- in order to use the SAVE system at all?
12:05:26 11 A. That's my understanding.
12:05:27 12 Q. Okay. So for folks for whom you don't have an
12:05:34 13 A-Number, the SAVE system is not a useful system,
12:05:40 14 correct?
12:05:40 15 A. We wouldn't go down the SAVE route if we didn't
12:05:44 16 have an A-Number to validate.
12:05:46 17 Q. Okay.
12:05:46 18 A. We wouldn't know to do that.
12:05:48 19 Q. And one way you could receive an A-Number is
12:05:51 20 when an individual provides it, correct?
12:05:54 21 A. Yes.
12:05:55 22 Q. Are there any other ways in which you receive
12:05:58 23 A-Numbers?
12:06:01 24 A. Only from the voter.
12:06:02 25 Q. Okay. So the only time you use the SAVE system

12:06:06 1 is when a voter provides their A-Number on their voter
12:06:10 2 registration form; is that correct?

12:06:11 3 A. Yes.

12:06:16 4 Q. Okay. And you have no other way to obtain
12:06:18 5 A-Numbers except for from the voter, correct?

12:06:22 6 A. Yes.

12:06:23 7 Q. All right. Does your system track who has
12:06:38 8 provided DPOC through an A-Number in the SAVE system?

12:06:44 9 A. We can record in the voter's record that they
12:06:48 10 have provided DPOC, but there's not a report that
12:06:52 11 delineates that specific category.

12:06:56 12 Q. Okay. So you couldn't find out, for example,
12:07:00 13 how many people in the Maricopa County registration
12:07:05 14 database have provided DPOC in the form of an A-Number
12:07:09 15 that was validated by the SAVE system, correct?

12:07:15 16 A. That would be a special request that IT would
12:07:19 17 have to see if they could do. They would have to look
12:07:21 18 to see how many records have an A-Number in them, and
12:07:24 19 then from there try to break it down how many are, you
12:07:27 20 know, registered or fed or not.

12:07:30 21 Q. Okay. Do you have any sense of the kind of
12:07:40 22 volume of people that provide A-Numbers on their voter
12:07:45 23 registration form as their means of providing DPOC?

12:07:49 24 A. It's not a lot.

12:07:59 25 Q. Are there any records that would show kind of

12:08:02 1 everyone that you have searched for using the SAVE
12:08:09 2 system?

12:08:09 3 A. I am not that familiar with the search
12:08:11 4 functionality for reporting on what we've looked up in
12:08:14 5 SAVE. So if that exists, that's -- I don't know.

12:08:19 6 Q. Okay. And when you indicate in the voter
12:08:22 7 registration database that DPOC has been provided, does
12:08:30 8 that data entry include specifics about what kind of
12:08:34 9 DPOC has been provided or just that DPOC has been
12:08:36 10 provided?

12:08:40 11 A. If it's MVD, it -- there -- you can see that it
12:08:45 12 was validated to their MVD. If it's an A-Number and
12:08:49 13 it's been validated, we know it's SAVE. If the voter
12:08:52 14 provided something as a copy, they'll typically write on
12:08:55 15 the corner of the voter registration form itself like BC
12:08:57 16 for birth certificate or PSS for passport.

12:09:00 17 Q. Okay. But in those cases that would not
12:09:02 18 necessarily be in the database; is that correct?

12:09:04 19 A. Correct.

12:09:14 20 Q. And I think you mentioned this earlier, but
12:09:16 21 your office pays USCIS for use of the SAVE system; is
12:09:23 22 that correct?

12:09:23 23 A. Yes.

12:09:25 24 Q. Do you know what that cost looks like for the
12:09:29 25 Maricopa County Recorder's Office?

12:09:33 1 A. I don't. I think it's \$25 a month as a base,
12:09:36 2 and then depending on how many searches you've done, it
12:09:40 3 could be more.

12:09:43 4 Q. Okay. And how long does the search take?

12:09:46 5 A. Seconds.

12:09:49 6 Q. Okay. And what are the kind of options that
12:09:51 7 could come back after you put in a search, an A-Number
12:09:55 8 and the other demographic information for the voter?
12:09:57 9 You input it into the system, and what kind of responses
12:10:01 10 do you get?

12:10:02 11 A. So I haven't done SAVE search myself in a long
12:10:05 12 time.

12:10:06 13 Q. Okay.

12:10:06 14 A. But I will say that it would either come back
12:10:08 15 as validated citizen or noncitizen, still like an
12:10:14 16 immigration status.

12:10:21 17 Q. Okay. And is another option that there is no
12:10:25 18 match?

12:10:26 19 A. That's a potential, that the A-Number doesn't
12:10:29 20 exist or has been transposed and we can't match it.

12:10:35 21 Q. Okay. And so with respect to DPOC, if it comes
12:10:39 22 back from SAVE as validated as citizen, that's
12:10:43 23 sufficient DPOC, correct?

12:10:44 24 A. Yes.

12:10:45 25 Q. And if the SAVE system comes back and indicates

12:10:49 1 noncitizen, my understanding is that that voter would
12:10:53 2 receive notification that they cannot be registered at
12:10:57 3 all until they provide DPOC; is that correct?
12:10:59 4 A. Yes.
12:11:01 5 Q. Okay. And then in the case where the SAVE
12:11:05 6 system didn't provide -- didn't identify any match
12:11:07 7 because of potentially an error with the A-Number, what
12:11:11 8 would happen to that voter?
12:11:12 9 A. They would become a federal only voter.
12:11:15 10 Q. Okay. And they would receive the same notice
12:11:18 11 that federal only voters receive?
12:11:19 12 A. Yes.
12:11:21 13 Q. Okay. In your experience or to your knowledge,
12:11:38 14 is there ever a lag between when this SAVE system is
12:11:42 15 updated with a voter registration -- or with a
12:11:46 16 citizenship status and when the voter naturalized?
12:11:51 17 A. I have heard there could be lags.
12:11:54 18 Q. Okay. Do you know about how long those lags
12:11:57 19 can be?
12:11:57 20 A. I don't.
12:12:06 21 Q. And on Page 10 of the EPM or it's MC 24, if you
12:12:12 22 could look at the bottom here, there is a section called
12:12:16 23 verifying citizenship near voter registration deadlines,
12:12:20 24 and the first sentence says, "Often there is a delay
12:12:22 25 between when a registrant becomes a U.S. citizen and

12:12:25 1 when that registrant's citizenship status has been
12:12:29 2 updated in SAVE."
12:12:30 3 Do you see that?
12:12:30 4 A. I do.
12:12:30 5 Q. And so the rest of this section kind of puts
12:12:33 6 forward some procedures where you would have to kind of
12:12:36 7 check SAVE a few times prior to a voter registration --
12:12:44 8 prior to an election, rather, to see if SAVE has been
12:12:50 9 updated; is that correct?
12:12:50 10 A. Yes.
12:12:51 11 Q. Okay. And does your office follow those
12:12:54 12 procedures?
12:12:54 13 A. Yes.
12:12:55 14 Q. Okay. And -- okay.
12:13:16 15 And I see above that there's a section about
12:13:19 16 naturalization ceremonies; do you see that?
12:13:22 17 A. Yes.
12:13:23 18 Q. Does Maricopa County send representatives from
12:13:29 19 the Recorder's Office to naturalization ceremonies?
12:13:32 20 A. Yes.
12:13:34 21 Q. How regularly does the county do that?
12:13:38 22 A. I think we go four times a month.
12:13:42 23 Q. Okay. And does your office follow the
12:13:47 24 procedures outlined here for naturalization ceremonies?
12:13:50 25 A. Yes.

12:13:53 1 Q. Okay. And my understanding of this section is
12:13:56 2 that the County Recorders are kind of responsible for
12:14:00 3 making sure that all of those applications are kind of
12:14:03 4 affirming that DPOC is met for all of the individuals
12:14:07 5 who are registering at those naturalization ceremonies;
12:14:11 6 is that correct?

12:14:11 7 A. Yes.

12:14:11 8 Q. Okay. And this kind of cover letter from the
12:14:15 9 County Recorder representative is sufficient DPOC for
12:14:17 10 those individuals, correct?

12:14:18 11 A. Yes.

12:14:29 12 Q. Okay. On Page 11, MC 25, which is number 7,
12:14:35 13 I'd like to look at number 7, which is preservation and
12:14:38 14 protection of citizenship documentation. How and where
12:14:44 15 does your office store, you know, copies of DPOC that
12:14:50 16 you have in your possession?

12:14:52 17 A. We store it outside of the voter registration
12:14:55 18 system, and so then it's maintained. Then after two
12:15:01 19 years we destroy them.

12:15:05 20 Q. Okay. That was my next question, so thank you.
12:15:08 21 I know that it says here that you may destroy
12:15:10 22 citizenship documents after two years, and it is your
12:15:13 23 office's practice to do that; is that correct?

12:15:16 24 A. Yes.

12:15:16 25 Q. All right. Do you know if your office has

12:15:35 1 encountered instances where a voter registration
12:15:38 2 applicant is a U.S. citizen, but was flagged erroneously
12:15:43 3 by the SAVE system as a noncitizen?

12:15:45 4 A. I would not know that.

12:15:51 5 Q. Okay. So I went to a very useful webinar on
12:16:03 6 SAVE recently, and they kind of indicated that if there
12:16:10 7 is not a citizenship verification as that kind of first
12:16:15 8 step of the SAVE system, they can do kind of additional
12:16:18 9 verification steps that are more manual, where an
12:16:21 10 individual from USCIS kind of works to try to ascertain
12:16:27 11 the citizenship status of that individual. Are you
12:16:31 12 aware of those procedures?

12:16:33 13 A. I am not.

12:16:35 14 MS. BOUGHTON: Form.

12:16:36 15 BY MS. LANG:

12:16:37 16 Q. And has your office, to your knowledge, ever
12:16:40 17 used the SAVE system beyond that initial kind of
12:16:45 18 couple-seconds response from the SAVE system as to that
12:16:48 19 individual's status?

12:16:50 20 A. Well, as outlined in the procedures manual, if
12:16:53 21 it is close to an election, we will continually try to
12:16:56 22 run the number again to see if we can get a validation.

12:17:01 23 Q. Thank you.

12:17:04 24 But to your knowledge, the only use of the SAVE
12:17:06 25 system is kind of an input and then an immediate

12:17:10 1 response, and you're not aware of any additional
12:17:13 2 verification procedures that can be done through SAVE?
12:17:15 3 A. I'm not.
12:18:00 4 Q. I'm going to mark as Exhibit 16 a copy of the
12:18:03 5 state voter registration form that I want to refer to.
12:18:22 6 (Deposition Exhibit 16 was marked for
12:18:26 7 identification.)
12:18:26 8 BY MS. LANG:
12:18:29 9 Q. Okay. So does this document look familiar to
12:18:31 10 you?
12:18:31 11 A. Yes.
12:18:33 12 Q. It's a copy of the Arizona voter registration
12:18:37 13 form, what we would call the state form; is that
12:18:38 14 correct?
12:18:38 15 A. Yes.
12:18:39 16 Q. All right. And I see in box 22 there is a
12:18:43 17 separate question that says, "Are you a citizen of the
12:18:46 18 United States," and somebody has to check yes or no; is
12:18:49 19 that correct?
12:18:49 20 A. Yes.
12:18:53 21 Q. If someone fails to check any box on this form,
12:19:00 22 yes or no, but has otherwise completed the form, signed,
12:19:06 23 what does your office -- what impact does the lack of a
12:19:12 24 checkmark on that question have on the application?
12:19:16 25 A. So we would follow the elections procedures

12:19:19 1 manual, and that would not invalidate the form, just a
12:19:26 2 missed checkbox in itself.

12:19:29 3 Q. Okay. And so if a person didn't check that
12:19:34 4 box, but DPOC was provided or acquired, that person
12:19:39 5 would become a full ballot voter, assuming no other
12:19:42 6 issues with the registration?

12:19:43 7 A. Yes.

12:19:44 8 Q. Okay. If someone didn't check that box and
12:19:46 9 DPOC was not acquired or provided, what happens to that
12:19:51 10 voter?

12:19:53 11 A. Well, we would reach out to the voter and ask
12:19:55 12 them for DPOC. In most cases they would still be added
12:20:00 13 as a federal only voter.

12:20:02 14 Q. Thank you.
12:20:03 15 Why do you say in most cases there?

12:20:06 16 A. It depends on what else is in the form. If
12:20:09 17 there's any -- usually when we see things like that,
12:20:12 18 they're from third-party registration drives, and
12:20:15 19 there's more issues than just missing a checkbox. So
12:20:18 20 it's hard to categorize all of them into one box.

12:20:21 21 Q. But if the only issue is a missing checkbox and
12:20:24 22 there's no DPOC, the person would become a federal only
12:20:27 23 voter; is that correct?

12:20:28 24 A. Yes.

12:20:37 25 Q. Okay. I'll mark as Exhibit 17 the federal

12:20:39 1 form.

12:20:45 2 (Deposition Exhibit 17 was marked for

12:20:49 3 identification.)

12:20:49 4 BY MS. LANG:

12:20:50 5 Q. Is this document familiar to you?

12:20:51 6 A. Yes.

12:20:51 7 Q. And this is what we might call the national or

12:20:54 8 federal form, correct?

12:20:55 9 A. Yes.

12:20:55 10 Q. Okay. And I just quickly wanted to look at the

12:21:05 11 actual application itself, which is, I believe, the

12:21:11 12 third page, and at the top here there's a "Are you a

12:21:21 13 citizen of the United States," yes or no checkbox,

12:21:27 14 correct?

12:21:27 15 A. I don't think there's a checkbox.

12:21:30 16 Q. At the very top.

12:21:32 17 A. Oh, up here. Yes. Sorry.

12:21:34 18 Q. Yeah.

12:21:35 19 And then in box 9, once again it says, "I have

12:21:38 20 reviewed my state's instructions and I swear or affirm

12:21:42 21 that I am a United States citizen," and then other

12:21:45 22 criteria, correct?

12:21:45 23 A. Yes.

12:21:45 24 Q. And then the voter signs there, correct?

12:21:48 25 A. Yes.

12:21:48 1 Q. So if a voter has signed, but not marked the
12:21:55 2 checkbox, do you treat that the same as you would for
12:21:57 3 the state form?

12:21:57 4 A. Yes. Again, we follow the procedures manual,
12:22:00 5 and I would not invalidate the form just because of the
12:22:04 6 checkboxes.

12:22:06 7 Q. Okay. And in all of the cases where this
12:22:14 8 person would -- where an applicant would become a full
12:22:17 9 ballot voter, that means that regardless of the
12:22:19 10 checkbox, you have some sort of documentary proof of
12:22:22 11 citizenship or validation from MVD or SAVE; is that
12:22:27 12 correct?

12:22:27 13 A. Yes.

12:22:28 14 Q. Okay. In those circumstances where you have
12:22:31 15 either a verification from SAVE or from MVD or
12:22:37 16 documentary proof of citizenship, what value would that
12:22:42 17 checkbox add to that person's application?

12:22:45 18 MS. BOUGHTON: Form.

12:22:46 19 MR. O'CONNOR: Form.

12:22:48 20 BY MS. LANG:

12:22:48 21 Q. Go ahead.

12:22:49 22 A. It would be considered a fully complete form;
12:22:52 23 but as long as we have DPOC, it's not going to change
12:22:54 24 the voter's eligibility status.

12:22:57 25 Q. Okay. And in your view, would that kind of

12:23:00 1 checkbox really provide any additional information about
12:23:02 2 that person's citizenship status if you already have
12:23:05 3 DPOC for that person?

12:23:07 4 A. No.

12:23:17 5 Q. We'll mark as Exhibit 18 MC 2339.

12:23:36 6 (Deposition Exhibit 18 was marked for
12:23:37 7 identification.)

12:23:37 8 BY MS. LANG:

12:23:37 9 Q. And the first page of this exhibit is an
12:23:40 10 e-mail, and it attaches some VRAC legislative policy
12:23:47 11 updates from 2022; do you see that?

12:23:48 12 A. Yes.

12:23:50 13 Q. And have you seen this legislative policy
12:23:54 14 updates document before?

12:23:54 15 A. Yes.

12:23:56 16 Q. And if you could turn to Page 2349. Here
12:24:08 17 there's a header that talks about H.B. 2492, which is
12:24:11 18 one of the laws that's challenged here, and there's a
12:24:17 19 citizenship checkbox paragraph at the end of the page;
12:24:23 20 do you see that?

12:24:23 21 A. Yes.

12:24:25 22 Q. And here it says, "The checkbox is immaterial
12:24:27 23 and violates the CRA," which stands for the Civil Rights
12:24:31 24 Act, "by denying the right to register to vote to
12:24:34 25 eligible Arizonans who accidentally omit the checkmark

12:24:38 1 from their voter registration application."

12:24:40 2 Do you see that?

12:24:40 3 A. I do.

12:24:41 4 Q. And is that the position of the Maricopa County
12:24:41 5 Recorder's Office?

12:24:46 6 MS. CRITZ: Form.

12:24:46 7 MR. O'CONNOR: Form.

12:24:49 8 THE WITNESS: I would say we're, again,
12:24:51 9 following the elections procedures manual, and we would
12:24:53 10 not reject a registration based solely on missing a
12:24:58 11 checkbox.

12:24:58 12 BY MS. LANG:

12:24:58 13 Q. And who drafted this legislative policy updates
12:25:05 14 document?

12:25:05 15 A. I believe this was Kori Lorick, the prior state
12:25:09 16 elections director.

12:25:10 17 Q. Okay. And does the Maricopa County Recorder's
12:25:20 18 Office have a position on whether or not the checkbox is
12:25:23 19 immaterial?

12:25:27 20 MS. BOUGHTON: Form.

12:25:29 21 THE WITNESS: Again, we are following the
12:25:31 22 procedures manual on how to process registrations that
12:25:34 23 miss a checkbox.

12:25:47 24 BY MS. LANG:

12:25:47 25 Q. I appreciate your answer, and I understand that

12:25:49 1 that's the practice of the Maricopa County Recorder's
12:25:52 2 Office. I do want to ask a slightly different question,
12:25:55 3 which is do you -- you know, what the policy position is
12:25:58 4 of the Maricopa County Recorder's Office as to whether
12:26:02 5 or not the citizenship checkbox is material or
12:26:06 6 immaterial?

12:26:09 7 MS. BOUGHTON: Form.

12:26:10 8 MR. O'CONNOR: Asked and answered.

12:26:12 9 BY MS. LANG:

12:26:12 10 Q. Go ahead.

12:26:14 11 A. So we don't make the law, but we follow the
12:26:17 12 law, and so we are going to follow what's in the
12:26:20 13 procedures manual, and that is incorporated into our
12:26:25 14 policies and procedures.

12:26:31 15 Q. Is it fair to say then that your understanding
12:26:33 16 is that the Maricopa County Recorder's Office doesn't
12:26:36 17 have a -- its own position on the materiality of the
12:26:40 18 checkbox, but, rather, is just going to follow the
12:26:42 19 guidance given to it?

12:26:46 20 MS. CRITZ: Form.

12:26:47 21 THE WITNESS: I would say that we do our
12:26:50 22 job according to the law, federal/state, and policies.
12:26:54 23 So I -- again, I'm just going to stick with the fact
12:26:58 24 that we follow the law and the rules laid out in the
12:27:01 25 procedures manual.

12:27:04 1 BY MS. LANG:

12:27:04 2 Q. Okay. Is it recorded anywhere in the voter

12:27:14 3 registration database if the individual failed to check

12:27:17 4 the box for citizenship?

12:27:20 5 A. No.

12:27:20 6 Q. Okay. So there would be no way to track how

12:27:23 7 often --

12:27:23 8 A. No.

12:27:23 9 Q. -- folks miss that? Okay.

12:27:36 10 MS. LANG: I'm going to move on to a

12:27:38 11 different set of topics. Would folks prefer to take a

12:27:42 12 break now?

12:27:43 13 MR. O'CONNOR: Yes.

12:27:44 14 MS. LANG: Yes. I see yes. So we will

12:27:45 15 take a break. Thank you. We'll break for lunch.

12:27:47 16 THE VIDEOGRAPHER: We are off the record.

12:27:48 17 The time on the video monitor is 12:27 p.m. This ends

12:27:51 18 Media 2.

12:27:54 19 (A recess was taken.)

01:23:53 20 THE VIDEOGRAPHER: We are on the record.

01:23:55 21 The time on the video monitor is 1:23 p.m. This begins

01:23:58 22 Media 3.

01:24:00 23 BY MS. LANG:

01:24:01 24 Q. Good afternoon, Ms. Petty.

01:24:02 25 A. Good afternoon.

01:24:03 1 Q. Okay. I'm going to shift gears to talk more
01:24:09 2 now about the application of these new challenged laws.
01:24:15 3 I do understand, and we'll get into it more in detail,
01:24:18 4 that many of these -- many provisions in here have not
01:24:22 5 yet been implemented because of the pending litigation.
01:24:25 6 So I'll try to be clear about what I'm asking for, kind
01:24:28 7 of what would be the effect or what would be the
01:24:31 8 requirement versus current process. But with that, I'll
01:24:35 9 mark Exhibit 19 is House Bill 2492.

01:24:45 10 (Deposition Exhibit 19 was marked for
01:24:51 11 identification.)

01:24:51 12 BY MS. LANG:

01:24:51 13 Q. And so H.B. 2492, as you know, is one of the
01:24:55 14 laws that is being challenged in this litigation, and if
01:24:59 15 we look at Page 1, the first kind of full page of the
01:25:08 16 document, one of the first changes that the law makes to
01:25:13 17 the Arizona statutes is changing the code section about
01:25:17 18 the qualifications for registrants and adding that a
01:25:23 19 qualification of registration has provided -- is that
01:25:27 20 somebody has provided satisfactory evidence of
01:25:30 21 citizenship.

01:25:31 22 Do you see that there?

01:25:31 23 A. Yes.

01:25:33 24 Q. Have you received any guidance about if and
01:25:37 25 when H.B. 2492 is implemented, whether or not -- what

01:25:42 1 that would mean for individuals who register to vote
01:25:46 2 prior to the DPOC requirements?
01:25:49 3 A. I have not.
01:25:50 4 Q. Okay. And do you have any understanding of how
01:25:55 5 this -- how this provision might affect people who were
01:26:01 6 registered prior to the DPOC requirement?
01:26:04 7 A. No.
01:26:05 8 Q. Okay. Another part of this law is a
01:26:19 9 requirement that the citizen checkbox be marked; is that
01:26:24 10 your understanding?
01:26:25 11 A. Yes.
01:26:27 12 Q. Okay. So is it your understanding that if
01:26:29 13 H.B. 2492 is implemented, that would require changing
01:26:33 14 your current practices?
01:26:35 15 A. Yes.
01:26:36 16 Q. Okay. And what would the nature of that change
01:26:38 17 be?
01:26:40 18 A. That we would now follow this new law that says
01:26:42 19 that it has to be checked.
01:26:44 20 Q. And so that would mean rejecting voter
01:26:48 21 registration applications because of a missing checkmark
01:26:51 22 even if you had documentary proof of their citizenship
01:26:55 23 in your hands?
01:26:57 24 MS. BOUGHTON: Form.
01:26:58 25 THE WITNESS: That's my understanding.

01:27:01 1 BY MS. LANG:

01:27:01 2 Q. And is it your understanding that that
01:27:03 3 requirement would apply to both state and federal law --
01:27:07 4 or state and federal forms?

01:27:08 5 A. Yes.

01:27:10 6 Q. Earlier you testified that the current practice
01:27:24 7 of the state is -- strike that.

01:27:30 8 Earlier you testified that the current practice
01:27:32 9 of the Maricopa County Recorder's Office is that all
01:27:36 10 state and federal forms are processed the same way as it
01:27:39 11 applies to DPOC, correct?

01:27:40 12 A. Yes.

01:27:42 13 Q. What is your understanding of how H.B. 2492
01:27:46 14 would change that if it was implemented?

01:27:51 15 A. I have not received guidance on how we would
01:27:54 16 implement that.

01:27:56 17 Q. And looking at Page 4, the new blue Section C
01:28:05 18 says, "Except for a form produced by the United States
01:28:08 19 Election Assistance Commission, any application for
01:28:10 20 registration shall be accompanied by satisfactory
01:28:14 21 evidence of citizenship as prescribed in Section 16-166,
01:28:21 22 Subsection F, and the County Recorder or other officer
01:28:25 23 in charge of elections shall reject any application for
01:28:29 24 registration that is not accompanied by satisfactory
01:28:31 25 evidence of citizenship."

01:28:34 1 Do you see that?

01:28:34 2 A. I do.

01:28:35 3 Q. Okay. Is it your understanding that that means

01:28:37 4 that except for the federal form, anyone who does not

01:28:46 5 provide DPOC with their registration has to be denied

01:28:49 6 registration?

01:28:51 7 A. That's what it appears to say.

01:28:53 8 Q. Okay. And so would that preclude you from

01:28:56 9 doing the kind of acquiring of DPOC from MVD that you

01:29:01 10 have done in the -- up un -- you know, that you

01:29:04 11 currently do?

01:29:04 12 MS. BOUGHTON: Form.

01:29:06 13 THE WITNESS: I see that it would.

01:29:09 14 BY MS. LANG:

01:29:09 15 Q. Okay. And if someone used a state form to

01:29:15 16 register to vote under this provision and they did not

01:29:21 17 provide DPOC, they would no longer become a federal only

01:29:24 18 voter; is that correct?

01:29:26 19 MS. BOUGHTON: Form.

01:29:32 20 MR. O'CONNOR: Form.

01:29:32 21 THE WITNESS: I'm trying to read this

01:29:33 22 here, yeah.

01:29:39 23 That's what it appears to say.

01:29:40 24 BY MS. LANG:

01:29:41 25 Q. And so my understanding is that the application

01:29:43 1 of this provision would mean that federal and state
01:29:47 2 forms would be treated differently for DPOC; is that
01:29:50 3 fair to say?

01:29:50 4 MS. BOUGHTON: Form.

01:29:51 5 MR. O'CONNOR: Form.

01:29:53 6 BY MS. LANG:

01:29:53 7 Q. Go ahead.

01:29:53 8 A. Yes.

01:29:58 9 Q. And are you aware of any prior practice by the
01:30:03 10 Maricopa County Recorder's Office in which state forms
01:30:07 11 and federal forms were treated differently with respect
01:30:10 12 to DPOC?

01:30:13 13 A. There was a time that state forms and federal
01:30:15 14 forms were treated differently, yes.

01:30:21 15 Q. Okay. And when was that; do you know?

01:30:30 16 A. I don't remember exact time frame.

01:30:34 17 Q. Okay. And what led to the change in which
01:30:41 18 federal and state forms are now treated the same?

01:30:45 19 A. The case was litigated and we had a LULAC
01:30:49 20 agreement, which said that we had to treat the forms the
01:30:51 21 same.

01:30:51 22 Q. Okay. And that was the LULAC consent decree;
01:30:51 23 is that right?

01:30:54 24 A. Yes.

01:30:56 25 Q. Okay. And the LULAC consent decree provisions

01:30:58 1 have been incorporated in the 2019 EPM; is that correct?

01:31:02 2 A. Yes.

01:31:02 3 MR. O'CONNOR: Form.

01:31:02 4 THE WITNESS: Yes.

01:31:16 5 BY MS. LANG:

01:31:17 6 Q. Okay. Are you familiar with how many state

01:31:19 7 form applicants had been denied access to the federal

01:31:23 8 only list prior to the LULAC litigation and consent

01:31:26 9 decree?

01:31:27 10 A. I do not know.

01:31:32 11 MS. STUART: Just as a general reminder,

01:31:34 12 it's hard to hear you because of the fan.

01:31:37 13 THE WITNESS: Oh.

01:31:37 14 MS. STUART: Thank you.

01:31:42 15 BY MS. LANG:

01:31:42 16 Q. Sitting here today, can you think of any reason

01:31:44 17 why a voter submitting a state form versus a federal

01:31:49 18 form would be any less entitled to vote in federal

01:31:54 19 elections?

01:31:54 20 MR. O'CONNOR: Form.

01:31:55 21 MS. BOUGHTON: Form.

01:31:55 22 MS. STUART: Form.

01:31:56 23 THE WITNESS: Again, we follow the law, so

01:31:59 24 if the law says we treat them differently, we would. If

01:32:01 25 the law says we treat them the same, we would.

01:32:05 1 BY MS. LANG:

01:32:05 2 Q. Is the information that you receive about the

01:32:09 3 voter different from -- depending on whether or not you

01:32:14 4 receive a state or federal form?

01:32:17 5 A. There's certain optional information included

01:32:21 6 on the state form that would not be included on the

01:32:24 7 national form.

01:32:24 8 Q. Is there any information you receive on the

01:32:27 9 state form that would have a bearing on your

01:32:30 10 determination of whether or not someone is a citizen or

01:32:33 11 not that's not on the federal form?

01:32:35 12 MS. BOUGHTON: Form.

01:32:37 13 THE WITNESS: I don't believe so.

01:32:48 14 BY MS. LANG:

01:32:48 15 Q. Based on current practice, what's the breakdown

01:32:58 16 between the average number of kind of state forms you

01:33:02 17 receive versus federal forms?

01:33:05 18 A. I don't have those statistics in front of me.

01:33:09 19 Q. Do you receive more state forms than you do

01:33:11 20 federal forms?

01:33:12 21 A. Yes.

01:33:12 22 Q. Substantially more?

01:33:14 23 A. Yes.

01:33:21 24 Q. Does your office provide voter registration

01:33:27 25 applications to third-party groups that conduct voter

01:33:30 1 registration drives?

01:33:30 2 A. Yes.

01:33:31 3 Q. And when you provide those voter registration

01:33:34 4 applications to third-party groups, is that the state

01:33:36 5 form or the federal form?

01:33:37 6 A. The state form.

01:33:40 7 Q. And, to your knowledge, with respect to the

01:33:42 8 groups that conduct voter registration drives in

01:33:45 9 Maricopa County, do those groups typically use the state

01:33:50 10 form or the federal form?

01:33:52 11 MR. O'CONNOR: Form.

01:33:52 12 THE WITNESS: The state form.

01:34:01 13 BY MS. LANG:

01:34:10 14 Q. So when it comes to H.B. 2492, as we've

01:34:16 15 discussed, if it's a state form, but lacks DPOC, the law

01:34:20 16 requires you to reject that application. Subsection D

01:34:25 17 deals with how to process federal forms that are not

01:34:28 18 accompanied by DPOC; do you see that on Page 4?

01:34:34 19 A. Yes.

01:34:38 20 Q. And for those individuals it instructs that

01:34:41 21 within ten days after receiving the application, quote,

01:34:46 22 the County Recorder or other officer in charge of

01:34:48 23 elections shall use all available resources to verify

01:34:51 24 the citizenship status of the applicant; do you see

01:34:55 25 that?

Mi Familia Vota vs. Adrian Fontes

01:34:55 1 A. Yes.

01:34:56 2 Q. And then says, "At a minimum shall compare the
01:35:00 3 following information available on the application for
01:35:01 4 registration with the following, provided that the
01:35:03 5 county has access." Do you see that?

01:35:04 6 A. Yes.

01:35:13 7 Q. The first item is the Department of
01:35:18 8 Transportation. Is it your understanding that that
01:35:20 9 would be the kind of MVD check that your office already
01:35:24 10 does?

01:35:25 11 A. Yes.

01:35:34 12 Q. Okay. With respect -- so number 2 says, "The
01:35:36 13 Social Security Administration database." I think you
01:35:40 14 already testified about this, but do you have any direct
01:35:42 15 access to the Social Security Administration databases?

01:35:46 16 A. No.

01:35:50 17 Q. And I believe your testimony earlier was that
01:35:52 18 the only kind of social security check that's done is
01:35:55 19 done through MVD; is that correct?

01:35:57 20 A. Yes.

01:35:58 21 Q. Is it your understanding that that social
01:36:00 22 security check through MVD is ever used for purposes of
01:36:08 23 verifying citizenship information?

01:36:10 24 MS. BOUGHTON: Form.

01:36:12 25 THE WITNESS: My understanding is not used

01:36:15 1 for DPOC.

01:36:18 2 BY MS. LANG:

01:36:18 3 Q. So it's your understanding that the SSA check

01:36:20 4 the MVD does is not used for DPOC, correct?

01:36:22 5 A. Correct.

01:36:23 6 Q. Is it your understanding it's only used for

01:36:25 7 kind of verification of identity under the Help America

01:36:30 8 Vote Act?

01:36:30 9 A. Yes.

01:36:32 10 Q. Okay. To your knowledge, would any election

01:36:37 11 official in the state of Arizona have the ability to use

01:36:40 12 an SSA database to verify the citizenship of applicants?

01:36:45 13 MS. BOUGHTON: Form.

01:36:47 14 THE WITNESS: I'm not aware of any access.

01:36:57 15 BY MS. LANG:

01:36:57 16 Q. Other than the MVD check that we've already

01:36:59 17 discussed in great detail, do you have any other access

01:37:04 18 to kind of records from the Department of Transportation

01:37:08 19 for which you could verify citizenship?

01:37:10 20 A. No.

01:37:15 21 Q. For number 3 on the next page it refers to the

01:37:20 22 Systematic Alien Verification for Entitlements program,

01:37:24 23 the SAVE system. Yes?

01:37:26 24 A. Yes.

01:37:27 25 Q. We've already discussed your access to the SAVE

01:37:32 1 system, and I believe your testimony was that the SAVE
01:37:35 2 system is only useful if you have an A-Number for an
01:37:40 3 individual; is that correct?

01:37:41 4 A. Yes.

01:37:43 5 Q. Okay. And if you could look back at
01:37:47 6 Exhibit 17, which is the federal voter registration
01:37:53 7 form, and if you look at the application page itself, is
01:37:57 8 there any space by which an individual could provide an
01:38:00 9 A-Number?

01:38:04 10 A. Under box 6, ID number.

01:38:13 11 Q. Okay. And it says -- under box 6 it says, "See
01:38:16 12 item 6 in the instructions for your state." Is that
01:38:16 13 right?

01:38:20 14 A. Yes.

01:38:22 15 Q. Okay. And so if we could turn to the
01:38:24 16 instructions for Arizona, which I believe are on Page 3,
01:38:35 17 if you could review the instructions for number 6, is
01:38:38 18 there any mention of providing an A-Number?

01:38:45 19 A. No.

01:38:46 20 Q. Okay. The only numbers that are referenced in
01:38:48 21 these instructions are either a driver's license number,
01:38:52 22 a nondriving ID, or a social security number; is that
01:38:56 23 correct?

01:38:56 24 A. Yes.

01:38:59 25 Q. Okay. So there's no reason -- is it correct

01:39:04 1 that there's no reason to believe that federal -- that
01:39:08 2 you would have an A-Number for any individual that
01:39:11 3 provides a federal form to register to vote?

01:39:16 4 MS. STUART: Form.

01:39:17 5 THE WITNESS: I would say in my experience
01:39:20 6 I've seen people put all kinds of numbers in there, but
01:39:23 7 the instructions do say driver's license number.

01:39:26 8 BY MS. LANG:

01:39:59 9 Q. Okay. For number 4, "A National Association
01:40:02 10 for Public Health Statistics and Information Systems
01:40:05 11 Electronic Verification of Vital Events System," is that
01:40:10 12 a system that you have access to?

01:40:12 13 A. No.

01:40:14 14 Q. Are you aware of any Arizona election official
01:40:17 15 that has access to that data?

01:40:19 16 A. I'm not aware of any access to that.

01:40:21 17 Q. Okay. And number 5 says, "Any other state,
01:40:25 18 city, town, county or federal database," and kind of
01:40:33 19 instructs County Recorders to consult any such database
01:40:37 20 as to citizenship information.

01:40:42 21 Outside of SAVE and the MVD checks, are you
01:40:45 22 aware of any data that you would have access to that
01:40:50 23 could assist you in ascertaining the citizenship of
01:40:55 24 federal form applicants?

01:40:55 25 A. No.

01:41:18 1 Q. Backing up for just a moment, if we look back
01:41:21 2 at Page 4 and Section C that instructs you to deny voter
01:41:27 3 registration applications not accompanied by DPOC,
01:41:33 4 except for federal forms, do you see that there is a
01:41:37 5 sentence in here that says, "A County Recorder or other
01:41:40 6 officer in charge of elections who knowingly fails to
01:41:43 7 reject an application for registration as prescribed by
01:41:47 8 this Subsection is guilty of a Class 6 felony"?

01:41:51 9 A. Yes.

01:41:56 10 Q. Has this provision or any of the other felony
01:41:59 11 provisions in these new bills raised concerns among
01:42:03 12 election officials about potential prosecution?

01:42:09 13 MR. O'CONNOR: Form.

01:42:10 14 MS. BOUGHTON: Form.

01:42:12 15 BY MS. LANG:

01:42:12 16 Q. Go ahead.

01:42:13 17 A. I have heard some concerns about that.

01:42:17 18 Q. Who have you heard concerns from?

01:42:20 19 MR. O'CONNOR: Form.

01:42:22 20 THE WITNESS: Just folks that process
01:42:25 21 voter registration forms.

01:42:27 22 BY MS. LANG:

01:42:27 23 Q. Your staff?

01:42:28 24 A. Not necessarily my staff, no.

01:42:31 25 Q. Have any of your staff expressed concerns about

01:42:34 1 the felony provisions in these laws?

01:42:36 2 A. Yes.

01:42:39 3 Q. How many staff members have expressed concerns

01:42:42 4 about these felony provisions?

01:42:46 5 A. One or two.

01:42:48 6 Q. And what has the guidance been from your office

01:42:51 7 to the County Recorders -- or to your staff about these

01:42:58 8 felony provisions?

01:42:59 9 MR. O'CONNOR: Form.

01:43:01 10 THE WITNESS: Well, currently these

01:43:02 11 provisions have not been implemented, but general

01:43:07 12 guidance is that as long as you are doing your job to

01:43:10 13 the best of your ability and you're not knowingly

01:43:13 14 violating any laws, that we are doing a good job.

01:43:20 15 BY MS. LANG:

01:43:20 16 Q. Are you personally worried about the felony

01:43:24 17 provisions in these laws?

01:43:26 18 A. Personally, no.

01:44:01 19 Q. On Page 5, number 5, we talked about kind of

01:44:05 20 any other database language, and then at the end it says

01:44:09 21 "Including an electronic registration information

01:44:13 22 center database." Do you see that?

01:44:14 23 A. I do.

01:44:15 24 Q. Are you familiar with ERIC?

01:44:16 25 A. Yes.

Mi Familia Vota vs. Adrian Fontes

01:44:17 1 Q. Is Arizona a member of ERIC?

01:44:19 2 A. Yes.

01:44:20 3 Q. To your knowledge, does ERIC provide any

01:44:24 4 citizenship information about voter registration

01:44:29 5 applicants?

01:44:29 6 A. No.

01:44:48 7 Q. In number 5 there is language that says the

01:44:52 8 County Recorder should follow -- should apply, quote,

01:44:56 9 any other database relating to voter registration to

01:45:01 10 which the County Recorder Office in charge of elections

01:45:04 11 has access.

01:45:10 12 Do you think that this could broadly be applied

01:45:13 13 to materials that are provided to your office by private

01:45:18 14 citizens?

01:45:18 15 MR. O'CONNOR: Form.

01:45:19 16 MS. BOUGHTON: Form.

01:45:22 17 THE WITNESS: Because it says database, I

01:45:24 18 would say that a form is not a database.

01:46:23 25 Q. And this is an e-mail from June 15th, 2022 from

01:46:27 1 Stephen Richer of the County Recorder of Maricopa
01:46:31 2 County; is that correct?
01:46:31 3 A. Yes.
01:46:36 4 Q. And the e-mail chain is about kind of revisions
01:46:39 5 to, you know, potential bills along these lines, and
01:46:47 6 Recorder Richer writes, "Does this get rid of the
01:46:49 7 situation whereby any person can submit us lists that we
01:46:54 8 then have to check? E.g. Hi. I used my super secret
01:46:59 9 research program to figure out that these 300,000 people
01:47:02 10 are not citizens. Please check the citizenship of every
01:47:06 11 single one of them right now."
01:47:08 12 Do you see that?
01:47:09 13 A. I do.
01:47:12 14 Q. Is it your understanding that this concern was
01:47:14 15 about the language that is now in H.B. 2492 that would
01:47:19 16 require County Recorders to consult any database or any
01:47:25 17 information they have about citizenship?
01:47:27 18 MR. O'CONNOR: Form.
01:47:28 19 MS. STUART: Form, foundation.
01:47:32 20 THE WITNESS: That was my understanding.
01:47:34 21 BY MS. LANG:
01:47:34 22 Q. Has the County Recorder, Stephen Richer, spoken
01:47:38 23 to you about kind of a concern that this language could
01:47:41 24 be read so broadly as to encompass something like what
01:47:44 25 he wrote in this e-mail?

01:47:47 1 A. We have not had specific conversations about
01:47:50 2 that.

01:47:53 3 Q. Okay. If a private group provided you a
01:48:08 4 database of what they asserted was information about
01:48:11 5 people's citizenship, would you be required to consult
01:48:15 6 that database under number 5 of this law?

01:49:36 14 the applicant with information that the applicant is not
01:49:38 15 a United States citizen, the County Recorder or other
01:49:43 16 officer in charge shall reject the application."

01:49:45 17 Do you see that?

01:49:46 18 A. Sorry. Which line?

01:49:50 19 Q. Oh, that's a good point.

01:49:53 20 Line 14.

01:49:57 21 A. Yes.

01:49:59 22 Q. Okay. When it says that the County Recorder,
01:50:03 23 you know, matches the applicant with information that
01:50:06 24 the applicant is not a United States citizen, is it your
01:50:09 25 understanding that that just means that whatever

01:50:11 1 database was consulted provided some indication of
01:50:14 2 noncitizenship?

01:50:15 3 MS. BOUGHTON: Form.

01:50:15 4 MR. O'CONNOR: Form.

01:50:34 10 MR. O'CONNOR: Form.

01:50:36 11 THE WITNESS: I don't know because we have
01:50:37 12 not been given guidance.

01:51:09 13 BY MS. LANG:

01:51:09 14 Q. Okay. I think you've already testified to
01:51:11 15 this, but as to the implementation of the provisions
01:51:14 16 we've just been discussing, you haven't received any
01:51:17 17 guidance whatsoever on how to implement these; is that
01:51:19 18 correct?

01:51:19 19 A. That's correct.

01:51:25 20 Q. Okay. And your office is not currently
01:51:27 21 implementing these provisions; is that correct?

01:51:29 22 A. That is correct.

01:52:19 23 Q. Another provision in this law indicates that
01:52:22 24 anyone who does become a federal only voter cannot vote
01:52:25 25 by mail; is that correct?

01:52:27 1 A. Yes.

01:52:29 2 Q. Okay. And so I want to refer you to -- I'm

01:52:35 3 going to pull up as an exhibit MC 2195. It's Exhibit 7.

01:52:40 4 I apologize. If your counsel might be able to provide

01:52:45 5 you Exhibit 7 or if you have it.

01:52:47 6 Thank you.

01:53:09 13 Colleen Connor; is that correct, from April 27th, 2023?

01:53:14 14 A. Yes.

01:53:16 15 Q. Okay. And you were raising some questions

01:53:20 16 about the application of H.B. 2492 if it's implemented;

01:53:27 17 is that correct?

01:53:27 18 A. Yes.

01:53:28 19 Q. All right. And I just wanted to ask you, one,

01:53:33 20 generally, has there been any guidance in response to

01:53:37 21 the various issues you raised here?

01:53:41 22 A. There's been no guidance yet.

01:53:43 23 Q. Okay. On the number 1, issue number 2 that you

01:53:49 24 raised, it says, "If a federal only voters -- if a

01:53:56 25 federal only voter initially requests to be on the AEVL

01:54:01 1 but is restricted because of lack of DPOC, if the voter
01:54:06 2 later provides DPOC, do they need to re-request to be on
01:54:09 3 the AEVL, or do we add them based on their initial
01:54:15 4 request?"
01:54:15 5 Do you see that?
01:54:16 6 A. Yes.
01:54:16 7 Q. You haven't gotten any response on that?
01:54:18 8 A. No.
01:54:18 9 Q. And what is your thought on, you know, how that
01:54:20 10 would apply?
01:54:21 11 MR. O'CONNOR: Form.
01:54:23 12 MR. BASILE: Form.
01:54:24 13 BY MS. LANG:
01:54:24 14 Q. If you have one.
01:54:25 15 A. Well, I don't know what the thought would be.
01:54:28 16 That -- system functionality would need to change to
01:54:31 17 accommodate that.
01:55:04 18 Q. Referring back to H.B. 2492 again, on Page 5,
01:55:12 19 Section F instructs that the County Recorder or other
01:55:16 20 officer in charge of elections shall record the efforts
01:55:19 21 made to verify an applicant's citizenship status as
01:55:23 22 described in Subsections D and E of this section.
01:55:27 23 Do you see that?
01:55:27 24 A. Yes.
01:55:28 25 Q. Is there currently functionality in your

01:55:30 1 database or in AVID that would allow the County Recorder
01:55:35 2 to kind of record all of those efforts?

01:55:42 3 A. I think this is an area where we are also
01:55:46 4 requesting guidance, what do they mean by tracking all
01:55:50 5 the efforts.

01:55:52 6 Q. And so as you're sitting here today, you're not
01:55:54 7 sure what that will mean in practice for you or your
01:55:57 8 office?

01:55:58 9 A. Correct.

01:56:18 10 Q. If you look at Page 6, there's the section that
01:56:33 11 addresses the limitations on federal only voters,
01:56:37 12 indicating that federal only voters would not be
01:56:40 13 eligible for presidential elections and not eligible to
01:56:43 14 receive an early ballot by mail.

01:56:45 15 Do you see that?

01:56:45 16 A. Yes.

01:56:46 17 Q. And there's an exclusion in Subsection B that
01:56:50 18 says it does not apply to folks under UOCAVA; is that
01:56:55 19 correct?

01:56:55 20 A. Yes.

01:57:00 21 Q. What is your understanding, if any, of the
01:57:05 22 application of the rest of the parts of this law to
01:57:08 23 UOCAVA voters?

01:57:10 24 MR. O'CONNOR: Form.

01:57:15 25 THE WITNESS: I'm not sure what you mean.

01:57:17 1 BY MS. LANG:

01:57:18 2 Q. So, for example, there are all of these

01:57:21 3 requirements about checking databases that we just went

01:57:24 4 over.

01:57:24 5 A. Yes.

01:57:24 6 Q. Is it your understanding that those

01:57:26 7 requirements would apply to UOCAVA voters as well?

01:57:31 8 MS. BOUGHTON: Form.

01:57:32 9 THE WITNESS: That would be my

01:57:34 10 understanding.

01:57:34 11 BY MS. LANG:

01:57:59 12 Q. Okay. If under H.B. 2492 an application is

01:58:02 13 denied because of lack of DPOC, by when would a voter

01:58:13 14 have to provide DPOC in order to be able to vote in an

01:58:18 15 upcoming election?

01:58:19 16 MR. O'CONNOR: Form.

01:58:22 17 THE WITNESS: I don't know.

01:58:27 18 BY MS. LANG:

01:58:27 19 Q. And you haven't received any guidance on that?

01:58:29 20 A. No.

01:58:31 21 Q. I do apologize. There will probably be a lot

01:58:34 22 of questions about --

01:58:34 23 A. I know.

01:58:35 24 Q. -- what you have not received guidance on, and

01:58:38 25 it is just a matter of getting it clearly on the record.

01:58:38 1 A. That's okay.

01:58:42 2 Q. I understand it's a little repetitive.

01:59:02 3 I'm going to introduce as Exhibit 21 House

01:59:06 4 Bill 2243, which is the other law at issue in this case.

01:59:16 5 (Deposition Exhibit 21 was marked for

01:59:41 6 identification.)

01:59:41 7 BY MS. LANG:

01:59:41 8 Q. So on Page 3 and 4 there are changes to the

01:59:45 9 part of the statute that is Code Section 16-165, causes

01:59:51 10 for cancellation; do you see that?

01:59:53 11 A. Yes.

01:59:53 12 Q. And so this is the part of the election code

01:59:57 13 that delineates the reasons why a County Recorder would

02:00:01 14 cancel a voter registration; is that correct?

02:00:03 15 A. Yes.

02:00:04 16 Q. All right. And I want to look at

02:00:08 17 Subsection 10, which instructs that when the County

02:00:11 18 Recorder obtains information pursuant to this section

02:00:13 19 and confirms that the person registered is not a United

02:00:18 20 States citizen, including when the County Recorder

02:00:21 21 receives a summary report from the jury commissioner or

02:00:24 22 jury manager pursuant to Section 21-314 indicating that

02:00:29 23 a person who is registered to vote has stated that the

02:00:32 24 person is not a United States citizen.

02:00:34 25 So this is stating that one reason would be if

02:00:38 1 the County Recorder obtains information and confirms
02:00:41 2 that the person who's registered is not a United States
02:00:45 3 citizen; is that right?
02:00:45 4 A. Yes.
02:00:48 5 Q. Would County Recorders or would your office
02:01:03 6 have any way of confirming that a person is not a United
02:01:10 7 States citizen beyond the information that's received
02:01:13 8 from one of these sources?
02:01:16 9 A. Not to my knowledge.
02:01:18 10 Q. So when it says "confirms that the person
02:01:21 11 registered is not a United States citizen," to your
02:01:25 12 knowledge, based on the information currently available
02:01:27 13 to County Recorders, that would just be simply that a
02:01:32 14 database indicated that person was a noncitizen?
02:01:38 15 MS. BOUGHTON: Form.
02:01:39 16 THE WITNESS: Yes, or that the voter
02:01:41 17 self-reported themselves as a noncitizen.
02:02:03 18 BY MS. LANG:
02:02:04 19 Q. Have you received any guidance on how -- you
02:02:07 20 know, what level of match you would require between the
02:02:13 21 voter registration information and any of these
02:02:15 22 databases in order to confirm noncitizenship under this
02:02:21 23 section?
02:02:23 24 A. We have not received any guidance related to
02:02:26 25 matching regarding this section.

02:03:14 1 Q. On Page 6 of H.B. 2243, Section H, the law
02:03:21 2 indicates, "To the extent practicable, each month the
02:03:25 3 County Recorder shall compare persons who are registered
02:03:28 4 to vote in that county and who the County Recorder has
02:03:31 5 reason to believe are not United States citizens and
02:03:36 6 persons who are registered to vote without satisfactory
02:03:39 7 evidence of citizenship."

02:03:46 8 Has there been any guidance on what might
02:03:49 9 constitute a reason to believe someone is not a United
02:03:54 10 States citizen?

02:03:54 11 A. No.

02:04:12 12 Q. Are you aware of any restrictions on what a
02:04:16 13 County Recorder might decide is a reason to believe
02:04:22 14 someone is not a United States citizen?

02:04:24 15 MR. O'CONNOR: Form.

02:04:28 16 THE WITNESS: I -- I don't know.

02:04:30 17 BY MS. LANG:

02:04:30 18 Q. There hasn't been any -- well, strike that.

02:04:38 19 Would a County Recorder be permitted to
02:04:43 20 consider a place of birth outside the United States as a
02:04:47 21 reason to believe someone is not a United States
02:04:50 22 citizen?

02:04:50 23 MR. O'CONNOR: Form.

02:04:51 24 MS. STUART: Form.

02:04:53 25 THE WITNESS: And I don't know.

02:05:11 1 BY MS. LANG:

02:05:12 2 Q. Going back to Page 3, Subsection 9 deals with

02:05:25 3 jury information about noncitizenship; is that correct?

02:05:33 4 A. Section -- I'm sorry, what section?

02:05:34 5 Q. Sorry. Page 3 of H.B. 2243, Section 9(b), and

02:05:41 6 it starts at Line 36.

02:05:42 7 A. Okay. Yes.

02:05:44 8 Q. And this addresses kind of reports you might

02:05:47 9 get from jury commissioners or managers about people who

02:05:51 10 have self-reported as either not residents or not

02:05:55 11 citizens; is that correct?

02:05:56 12 A. Yes.

02:05:58 13 Q. Can you walk me through, and you may have

02:06:00 14 already done this a little bit, the current practice as

02:06:04 15 to reports from jury managers?

02:06:09 16 A. So if we receive a list from the jury office

02:06:13 17 indicating somebody has moved out of the county, we

02:06:17 18 would send a notice to the voter's address of record and

02:06:23 19 see if it gets returned undeliverable or if they -- if

02:06:26 20 they get returned undeliverable, then we would send a

02:06:29 21 final notice and we would start the NVRA process. If we

02:06:33 22 didn't get anything back, again, we would start then

02:06:41 23 with the 35 days would still be -- the clock would

02:06:43 24 still be starting to see if we get a response from the

02:06:47 25 voter.

02:06:47 1 Q. And if you don't get a response, does it go
02:06:49 2 into the NVRA process?

02:06:51 3 A. Yes.

02:06:52 4 Q. Okay. And what about if you get information
02:06:54 5 from a jury manager that someone has self-reported as
02:06:58 6 not a citizen?

02:06:59 7 A. So we would review the voter's record, and if
02:07:01 8 we had DPOC on file for the voter, we would do nothing.
02:07:04 9 If they were a federal only voter, then we would send
02:07:07 10 them a letter asking them to provide DPOC.

02:07:11 11 Q. And then what happens kind of after that
02:07:13 12 notice?

02:07:16 13 A. If we don't hear anything, nothing really
02:07:18 14 further happens.

02:07:20 15 Q. Okay. And is it your understanding that this
02:07:25 16 section, if implemented, would make changes to that
02:07:28 17 current practice?

02:07:28 18 A. Yes.

02:07:29 19 Q. Okay. And based on the review of some
02:07:37 20 documents and some of your testimony earlier today, at
02:07:42 21 some point this year election officials were working on
02:07:47 22 guidance to implement this part of the law; is that
02:07:52 23 correct?

02:07:52 24 MS. STUART: Form.

02:07:53 25 THE WITNESS: Yes.

02:07:57 1 BY MS. LANG:

02:07:57 2 Q. Okay. Can you describe for me the efforts and

02:08:02 3 work that went into starting to develop the processes

02:08:08 4 and AVID functionality for the new jury report process?

02:08:13 5 MR. O'CONNOR: Form.

02:08:16 6 THE WITNESS: There was a meeting with

02:08:18 7 VRAC, the voter and registration advisory committee, and

02:08:22 8 some of this was discussed, and then VRAC papers were

02:08:27 9 drafted by the Secretary of State's Office, and I don't

02:08:33 10 recall if they were sent to all counties. I know

02:08:37 11 Colleen sent them specifically to me to review.

02:08:44 12 BY MS. LANG:

02:08:44 13 Q. Under current practice, do you regularly

02:08:47 14 receive information from jury managers?

02:08:50 15 A. Yes.

02:08:53 16 Q. Okay. And is that received on a monthly basis,

02:08:55 17 or how is that information delivered to you?

02:08:58 18 A. Monthly.

02:09:37 19 Q. Okay. You testified earlier that the VRAC

02:09:40 20 draft on the jury report process has been revoked; is

02:09:46 21 that correct?

02:09:46 22 A. Yes.

02:09:47 23 Q. How was that revocation communicated to you?

02:09:53 24 A. I believe it was during a call with the

02:09:57 25 Secretary of State's Office and County Recordors.

02:10:00 1 Q. And when was that?

02:10:01 2 A. A few months ago.

02:10:08 3 Q. Okay. And given that, is it correct that this

02:10:14 4 part of H.B. 2243 is not currently being implemented by

02:10:17 5 your office?

02:10:19 6 A. That's correct.

02:10:33 7 Q. Okay. In addition to kind of drafting a VRAC

02:10:37 8 paper, did you and other county election officials work

02:10:45 9 with INEXL to start to develop the AVID functionality

02:10:50 10 for this new system?

02:10:53 11 A. I believe there was some discussions with INEXL

02:10:56 12 about system functionality, yes.

02:11:00 13 Q. To your knowledge, have those functions been

02:11:02 14 implemented in AVID, or are they on hold because of the

02:11:08 15 revocation of that paper?

02:11:11 16 A. I believe some development work had been done,

02:11:16 17 but has been put on hold.

02:11:18 18 Q. Okay. Have you received any guidance from the

02:11:25 19 Secretary of State's Office on kind of the timeline for

02:11:27 20 how long implementation will be on hold?

02:11:32 21 A. No.

02:12:27 22 Q. Okay. H.B. 2243, on Page 5, Section F, which

02:12:35 23 is at the bottom, Line 41, discusses a kind of monthly

02:12:40 24 comparison of the statewide voter registration database

02:12:44 25 against the MVD database and then reports to your

02:12:49 1 office. Has that been implemented so far?

02:12:53 2 A. Which section?

02:12:55 3 Q. It's Subsection F, Line 41 on Page 5.

02:13:00 4 A. Okay.

02:13:07 5 MS. STUART: Can you restate your

02:13:08 6 question?

02:13:08 7 MS. LANG: Yes.

02:13:08 8 MS. STUART: I'm sorry. Yeah, just repeat

02:13:10 9 it.

02:13:10 10 MS. LANG: Yes.

02:13:12 11 BY MS. LANG:

02:13:12 12 Q. This section discusses a monthly comparison

02:13:17 13 between the statewide voter registration database and

02:13:21 14 the driver's license database and then a report to

02:13:24 15 County Recorders based on -- based on that comparison as

02:13:29 16 to residents and citizenship; is that correct?

02:13:32 17 A. Yes.

02:13:34 18 Q. To the best of your knowledge, has that been

02:13:38 19 implemented thus far?

02:13:39 20 A. No.

02:13:41 21 Q. Have you received any reports based on any

02:13:44 22 monthly comparisons with the MVD database?

02:13:48 23 A. No.

02:14:05 24 Q. On Page 6, Subsection H, which is on Line 6,

02:14:11 25 and we reviewed this already, but envisions that monthly

02:14:16 1 the County Recorder would have to take the population of
02:14:19 2 federal only voters and anyone else they have a reason
02:14:22 3 to believe is not a United States citizen and check
02:14:26 4 those individuals against the SAVE system; is that
02:14:31 5 correct?

02:14:31 6 A. Yes.

02:14:35 7 Q. I think we've already -- we've already covered
02:14:38 8 this, but for many of these individuals you would not be
02:14:40 9 able to use the SAVE system because you don't have an
02:14:42 10 A-Number; is that correct?

02:14:43 11 A. That's my understanding, yes.

02:14:44 12 Q. Okay. What kind of resources would it require
02:14:49 13 for your office to every single month rerun all of these
02:14:53 14 individuals against the SAVE system?

02:14:56 15 MR. O'CONNOR: Form.

02:14:59 16 THE WITNESS: That's hard to answer. I
02:15:11 17 don't know.

02:15:11 18 BY MS. LANG:

02:15:12 19 Q. Is it fair to say that the requirements of
02:15:15 20 these sections that would require these monthly
02:15:17 21 comparisons against various databases would require the
02:15:22 22 County Recorder to expend substantial additional
02:15:24 23 resources?

02:15:25 24 MR. O'CONNOR: Form.

02:15:25 25 MS. BOUGHTON: Form.

02:15:27 1 THE WITNESS: It would definitely require
02:15:30 2 additional work.

02:15:31 3 BY MS. LANG:

02:15:32 4 Q. Do you have a lot of excess man or womanpower
02:15:35 5 in your office at the moment?

02:15:39 6 A. We're fully staffed. I don't -- it -- again, I
02:15:45 7 don't know how to answer that without guidance on what
02:15:48 8 all this fully means.

02:15:50 9 Q. Okay. Are you aware of any funding that came
02:15:53 10 along with H.B. 2243 to help assist County Recorders in
02:15:59 11 all these new requirements?

02:16:02 12 A. I'm not aware of any.

02:16:31 13 Q. I'd like to refer back to Exhibit 18, which was
02:16:34 14 MC 002339, and we've previously reviewed this document,
02:16:47 15 which has an e-mail that then attaches the VRAC
02:16:52 16 legislative policy updates from 2022, and I believe you
02:16:56 17 testified that someone from the Secretary of State's
02:17:02 18 Office authored this document; is that correct?

02:17:03 19 A. Yes.

02:17:07 20 Q. All right. And on Page 2347 I want to refer
02:17:13 21 you to number 4, which is about database comparisons,
02:17:21 22 and the second bullet point says, "SAVE does not permit
02:17:25 23 us to query the database for purposes other than initial
02:17:28 24 registration."

02:17:31 25 Do you see that?

02:17:31 1 A. Yes.

02:17:34 2 Q. Based on your knowledge, is that correct?

02:17:37 3 A. Yes.

02:17:39 4 Q. Okay. So is it your understanding that right

02:17:41 5 now you do not have permission from USCIS to use the

02:17:47 6 SAVE system for the purposes outlined in 2243?

02:17:51 7 MS. BOUGHTON: Form.

02:17:52 8 THE WITNESS: That's my understanding.

02:17:55 9 BY MS. LANG:

02:17:55 10 Q. Okay. And it says that if a county uses it for

02:17:58 11 more than this, meaning initial registration, Arizona's

02:18:02 12 membership may be revoked; is that correct?

02:18:04 13 MR. O'CONNOR: Form.

02:18:05 14 BY MS. LANG:

02:18:05 15 Q. Is that what it says?

02:18:06 16 A. That's what it says.

02:18:07 17 Q. Okay. And is that your understanding as well?

02:18:10 18 A. That is my understanding.

02:18:12 19 Q. Okay. And the next two sentences say, "Please

02:18:19 20 keep in mind that SAVE only contains data for

02:18:22 21 individuals who have become U.S. citizens. It will not

02:18:25 22 contain information on every U.S. citizen, so its

02:18:28 23 utility is extremely limited."

02:18:29 24 Is that what that says?

02:18:30 25 A. Yes.

02:18:31 1 Q. And is that your understanding as well?

02:18:32 2 A. Yes.

02:18:37 3 Q. Okay. You've already testified that the

02:19:21 4 Secretary of State has not given your office any

02:19:23 5 guidance as to what information would constitute a,

02:19:27 6 quote, reason to believe, end quote, someone is not a

02:19:31 7 United States citizen; is that correct?

02:19:33 8 A. Yes.

02:19:35 9 Q. On the flip side of that, has the Secretary of

02:19:39 10 State's Office provided election officials with any

02:19:41 11 information about what would not give you or your staff

02:19:45 12 a reason to believe someone's not a United States

02:19:48 13 citizen?

02:19:49 14 A. No.

02:19:52 15 Q. Okay. Can you describe to me your

02:20:08 16 understanding of the kind of 90-day rule in which your

02:20:12 17 office cannot, under the NVRA, conduct systematic list

02:20:18 18 maintenance prior to a federal election?

02:20:21 19 A. So we cannot do systematic cancellations under

02:20:25 20 the NVRA within 90 days of an election.

02:20:31 21 Q. Okay. Would you consider the various

02:20:33 22 provisions of H.B. 2243 that require you to cancel

02:20:38 23 voters to be systematic list maintenance?

02:20:44 24 MR. O'CONNOR: Form.

02:20:44 25 MS. BOUGHTON: Form.

02:20:46 1 THE WITNESS: I don't know.

02:20:47 2 BY MS. LANG:

02:20:47 3 Q. Does the County Recorder's Office have a

02:20:50 4 position on whether or not H.B. 2243 would require these

02:20:58 5 procedures to be followed in the 90 days before a

02:21:01 6 federal election?

02:21:02 7 MR. O'CONNOR: Form.

02:21:03 8 MS. BOUGHTON: Form.

02:21:04 9 THE WITNESS: I think that we have an

02:21:07 10 understanding that the state law conflicts with federal

02:21:10 11 law, potentially.

02:21:19 12 BY MS. LANG:

02:21:41 13 Q. Okay. In your application of the 90-day rule

02:21:46 14 for systematic list maintenance prior to a federal

02:21:50 15 election, does that mean that you can't begin sending

02:22:01 16 notices within those 90 days, or does it mean that you

02:22:08 17 cannot cancel voters within that 90 days?

02:22:16 18 MR. BASILE: Form.

02:22:17 19 THE WITNESS: It means you cannot cancel a

02:22:19 20 registrant's record.

02:22:21 21 BY MS. LANG:

02:22:21 22 Q. Okay. And so my understanding is that for most

02:22:24 23 forms of kind of cancellation that you might do there's

02:22:27 24 a notice period that comes before the cancellation; is

02:22:30 25 that correct?

02:22:30 1 A. Yes.

02:22:30 2 Q. A 35-day notice period?

02:22:33 3 A. 35 days for inactive status.

02:22:36 4 Q. Okay. And so if there's a notice period that

02:22:42 5 predates a cancellation, any notices would actually have

02:22:45 6 to be sent out approximately 125 days before a federal

02:22:52 7 election; is that correct?

02:22:55 8 A. That sounds correct.

02:23:04 9 Q. Looking at H.B. 2492, which is marked as

02:23:12 10 Exhibit 19, I'll refer you to Page 7. And this

02:23:38 11 Section 16-143, Section A on Line 17 says, "The

02:23:44 12 Secretary of State and each County Recorder shall make

02:23:47 13 available to the Attorney General a list of all

02:23:50 14 individuals who are registered to vote and who have not

02:23:53 15 provided satisfactory evidence of citizenship, dot, dot,

02:24:00 16 dot, the applications of individuals who are registered

02:24:07 17 to vote and who have not provided satisfactory evidence

02:24:10 18 of citizenship pursuant to Section 16-166."

02:24:14 19 Do you see that?

02:24:15 20 A. Yes.

02:24:15 21 Q. Okay. Did you provide that list to the

02:24:18 22 Attorney General?

02:24:19 23 A. No.

02:24:21 24 Q. Okay. Since the deadline for providing that

02:24:39 25 list has kind of come and gone, do you think that this

02:24:44 1 section will kind of require you to provide this list at
02:24:47 2 any future date --

02:24:48 3 MR. O'CONNOR: Form.

02:24:49 4 BY MS. LANG:

02:24:49 5 Q. -- or do you not know?

02:24:50 6 MS. BOUGHTON: Form.

02:24:50 7 MR. O'CONNOR: Form.

02:24:51 8 THE WITNESS: I don't know.

02:24:54 9 BY MS. LANG:

02:24:54 10 Q. Are you aware of any County Recorders that
02:24:57 11 provided this list to the Attorney General by
02:25:00 12 October 31, 2022?

02:25:01 13 MR. O'CONNOR: Form.

02:25:03 14 THE WITNESS: I'm not aware.

02:25:05 15 BY MS. LANG:

02:25:05 16 Q. Okay. Or after October 31, 2022?

02:25:07 17 A. I don't know.

02:25:08 18 Q. Okay. Do you know if the Secretary of State
02:25:10 19 provided this list to the Attorney General?

02:25:12 20 MS. STUART: Form.

02:25:13 21 THE WITNESS: I don't know.

02:25:44 22 BY MS. LANG:

02:25:44 23 Q. I'm going to move on to talk about residential

02:25:50 24 addresses and how your office manages kind of

02:26:00 25 residential addresses in your system, okay.

02:26:04 1 In order to register to vote, applicants are
02:26:08 2 required to provide their residential address, or if
02:26:11 3 they don't have a residential address, a description or
02:26:14 4 drawing of the location of their residence; is that
02:26:14 5 right?

02:26:17 6 A. Yes.

02:26:19 7 Q. Okay. And a P.O. Box cannot be used as your
02:26:23 8 residential address; is that also right?

02:26:24 9 A. Yes.

02:26:26 10 Q. Okay. And, briefly, can you describe why it's
02:26:29 11 important to have either a residential address or a
02:26:32 12 location for purposes of voter registration?

02:26:36 13 A. It's important because we need to properly
02:26:39 14 precinct a voter so they can receive the right ballot
02:26:43 15 style, so they're voting for districts and races that
02:26:46 16 they're eligible to participate in.

02:26:49 17 Q. Great. So first I'm going to ask some
02:26:51 18 questions about kind of how you process voter
02:26:54 19 registration forms when there's an address, and then
02:26:55 20 I'll talk a little bit about kind of the map or location
02:26:58 21 drawing option next.

02:27:02 22 If someone provides a residential address, how
02:27:05 23 does the county kind of use that residential address
02:27:10 24 information to do that precincting that you just
02:27:12 25 described?

02:27:14 1 A. So we have a very robust GIS system that has
02:27:21 2 all of the district boundaries, addressing. So when we
02:27:26 3 enter an address in, it's tied to that GIS system and it
02:27:30 4 can auto-code the address to confirm that it's a valid
02:27:33 5 address.

02:27:35 6 Q. Okay. That's very helpful. I'm going to
02:27:37 7 repeat back what I think is my understanding of your
02:27:41 8 testimony. You tell me if it's correct, which is that
02:27:45 9 your voter registration database is on the back end
02:27:49 10 linked with your GIS system, so that in most cases you
02:27:53 11 put in a voter's residential address and that kind of
02:27:58 12 precinct -- that like location work and precincting all
02:28:05 13 happens automatically?

02:28:06 14 A. Yes.

02:28:07 15 Q. Okay. And who manages the GIS system?

02:28:11 16 A. Gary Bilotta.

02:28:13 17 Q. Okay. And is that somebody within the County
02:28:18 18 Recorder's Office or someone else within the county?

02:28:20 19 A. He's not part of the County Recorder's Office.

02:28:24 20 Q. Okay. And so that's the ordinary case; you put
02:28:26 21 in the residential address and it kind of automatically
02:28:29 22 precincts.

02:28:30 23 Is it ever the case that a residential address
02:28:32 24 that's keyed in doesn't lead to kind of an automatic
02:28:37 25 precincting?

02:28:38 1 A. Yes.

02:28:39 2 Q. Okay. And so what would happen if there's --

02:28:43 3 if the GIS system is not able to kind of match with a

02:28:47 4 residential address in the voter registration database?

02:28:49 5 A. So then our staff would send an e-mail to our

02:28:56 6 GIS division, basically a ticket, saying we weren't able

02:28:59 7 to code, please help us look this address up; or in the

02:29:03 8 case of having a description, they would put the

02:29:05 9 description in, and the GIS team would look to see if

02:29:09 10 they could pinpoint based upon the information that was

02:29:12 11 provided.

02:29:15 12 Q. And what is the typical turnaround for a ticket

02:29:20 13 sent to the GIS system?

02:29:25 14 A. It kind of varies. Usually it's pretty quick;

02:29:28 15 I'd say within that day or the next day.

02:29:33 16 Q. Okay. And is it often the case that when

02:29:35 17 there's an address that doesn't kind of automatically

02:29:40 18 load, that the GIS system is able -- that the GIS folks

02:29:45 19 are able to identify that address?

02:29:47 20 A. In most cases.

02:29:48 21 Q. Okay. Is it the case that sometimes even after

02:29:54 22 the GIS folks look at it, based on the address provided,

02:29:58 23 they cannot locate the residence?

02:30:01 24 A. Yes.

02:30:02 25 Q. Okay. Is that more common in some areas of the

02:30:06 1 state as opposed to others?

02:30:10 2 MR. O'CONNOR: Form.

02:30:12 3 THE WITNESS: I don't have statistics on

02:30:13 4 that. I would -- so I don't know.

02:30:16 5 BY MS. LANG:

02:30:16 6 Q. Based on your understanding and experience, are

02:30:18 7 issues with residential addresses more common in rural

02:30:23 8 versus urban areas?

02:30:25 9 A. In my experience, yes.

02:30:27 10 Q. And in your experience, are residential address

02:30:33 11 issues more common on Native American reservations than

02:30:36 12 elsewhere?

02:30:40 13 A. In my experience there are -- there seem to be

02:30:45 14 more issues with addressing in Native American

02:30:48 15 populations.

02:30:49 16 Q. And are you aware that there are many

02:30:53 17 residences on Native American reservations that don't

02:30:56 18 have kind of traditional street addresses?

02:30:58 19 A. Yes.

02:31:17 20 Q. I'll refer you back to Exhibit 12.

02:31:25 21 MS. STUART: What is that?

02:31:26 22 MS. LANG: MC 879. Apologies.

02:31:41 23 THE WITNESS: It's got to be in here

02:31:44 24 somewhere.

02:31:49 25 MR. O'CONNOR: Here it is. It was just

02:31:51 1 stuck.

02:31:59 2 BY MS. LANG:

02:31:59 3 Q. So on Pages MC 880 and 881 there are some
02:32:06 4 instructions for how folks doing the data entry for
02:32:10 5 voter registration applications should deal with
02:32:12 6 residential addresses; is that correct?

02:32:14 7 A. Yes.

02:32:15 8 Q. Okay. And so on the second page there of those
02:32:20 9 instructions, on Page 881, it says, "when you are
02:32:24 10 alerted that the residential address is not valid, check
02:32:28 11 for errors in keying first."

02:32:30 12 So does that mean kind of check to see if there
02:32:32 13 was a transposed digit or there was like human error in
02:32:36 14 the kind of data entry?

02:32:38 15 A. Yes.

02:32:38 16 Q. Okay. And then it says, "Then check VMO7."
02:32:42 17 What is VMO7?

02:32:44 18 A. It's just one of our screens that has a search
02:32:48 19 functionality for searching for various parts of a
02:32:54 20 voter's record.

02:32:55 21 Q. Okay. And so where it says, "Check VMO7,
02:33:00 22 Assessor's website, USPS ZIP code lookup, Google,
02:33:03 23 et cetera, to see if the address exists and/or can be
02:33:05 24 keyed differently," what do you mean by keyed
02:33:11 25 differently?

02:33:12 1 A. So sometimes it may just be an issue with the
02:33:18 2 name, the street name got misspelled, you know, or the
02:33:21 3 ZIP codes are slightly different; just looking for other
02:33:26 4 avenues to help, you know, auto-code this address.

02:33:31 5 Q. Okay. So my understanding is this is kind of
02:33:35 6 finding obvious errors that wouldn't kind of change the
02:33:39 7 actual address for the voter; is that right?

02:33:41 8 A. Right.

02:33:41 9 Q. And so where you indicate that like if the ZIP
02:33:44 10 code is changed, the city must remain unchanged,
02:33:47 11 unchanged, is that a way to make sure that you're not
02:33:49 12 actually changing the voter's residential address?

02:33:52 13 A. Yes.

02:33:53 14 Q. Okay. And so there's a list of things that
02:33:58 15 cannot be changed. Is that for the same purpose?

02:34:02 16 A. Yes.

02:34:04 17 Q. Okay. And then it goes on to say that if that
02:34:09 18 doesn't work, then you contact GIS for a ticket; is that
02:34:09 19 right?

02:34:14 20 A. Yes.

02:34:14 21 Q. Okay. And so if GIS is unable to assist with a
02:34:22 22 residential address, what's the next step?

02:34:24 23 A. So at that point that voter registration form
02:34:28 24 would be moved to suspense and we would look for a way
02:34:33 25 to contact the voter. In some cases we'd have to send

02:34:37 1 to the address that they gave us if that's the only
02:34:39 2 thing. Sometimes they give us a mailing address and we
02:34:42 3 can send to the mailing address. If there's an e-mail
02:34:45 4 or phone number provided, that's also another way to try
02:34:48 5 to contact the voter.

02:34:49 6 Q. If an e-mail or phone number is provided, is it
02:34:53 7 your office's practice to send an e-mail or make a phone
02:34:58 8 call in these circumstances?

02:34:59 9 A. I would say traditionally we would send a
02:35:02 10 letter, if we could, first. E-mail and phone are
02:35:06 11 backups.

02:35:08 12 Q. Okay. So would e-mail and phone come after the
02:35:13 13 35-day window? When would you kind of turn to phone
02:35:18 14 calls or e-mails?

02:35:19 15 A. If we didn't have a good mailing address.

02:35:27 16 Q. Okay. I'll mark as Exhibit 22 MC 2998.
02:35:40 17 (Deposition Exhibit 22 was marked for
02:35:42 18 identification.)

02:35:42 19 BY MS. LANG:

02:35:42 20 Q. Are you familiar with this document?

02:35:43 21 A. Yes.

02:35:45 22 Q. And can you describe to me what this document
02:35:47 23 is?

02:35:48 24 A. This is a document that is generated out of the
02:35:52 25 voter registration system when we have a residential

02:35:55 1 address that was either incomplete or invalid in some
02:35:58 2 way or was a commercial address.

02:36:05 3 Q. Okay. And I see here that, you know, this
02:36:08 4 template has Mary Test Voter as the recipient and then a
02:36:12 5 date of 7-12-2023; is that right?

02:36:16 6 A. Yes.

02:36:16 7 Q. Is the date on there just the date in which you
02:36:19 8 generated this exemplar?

02:36:21 9 A. Yes.

02:36:22 10 Q. It's not, for example, the date on which you
02:36:25 11 kind of created this template?

02:36:26 12 A. No. It's a date that it was produced.

02:36:28 13 Q. Okay. Great. Thank you.

02:36:45 14 If you don't receive a response to this notice,
02:36:49 15 what happens next?

02:36:51 16 A. The voter registration form will remain in
02:36:53 17 suspense until we do hear from the voter.

02:36:58 18 Q. If it -- is there a point at which you switch
02:37:02 19 that voter from suspense to dead end or not registered?

02:37:06 20 A. That would be in compliance with the elections
02:37:10 21 procedures manual, which says if they don't cure it by
02:37:12 22 the next general election, that they have to basically
02:37:15 23 start all over again.

02:37:16 24 Q. Okay. And I just want to make sure I
02:37:21 25 understand next general election correctly. So if I

02:37:26 1 registered to vote in September 2022 and I did not cure
02:37:32 2 my voter registration application by election day
02:37:37 3 November 2022, is that when my status would be changed
02:37:40 4 from suspense to dead end or not registered?
02:37:51 5 A. I think so.
02:37:53 6 Q. Okay. You understand what I'm saying?
02:37:54 7 A. Yes.
02:37:54 8 Q. I'm wondering, is it the 2022 election that's
02:37:58 9 relevant there or the 2024 election that's relevant
02:38:01 10 there?
02:38:01 11 A. I believe it's the next federal election, but
02:38:05 12 we'd have to verify through the procedures manual on
02:38:08 13 this.
02:38:09 14 Q. Okay. I think the procedures manual just says
02:38:11 15 next general election.
02:38:12 16 A. Okay.
02:38:13 17 Q. Which is why I wanted to clarify.
02:38:17 18 To the best of your knowledge, it's just the
02:38:19 19 following general election --
02:38:19 20 A. Yes.
02:38:20 21 Q. -- even if that's only a couple months out?
02:38:22 22 A. Yes.
02:38:23 23 Q. Okay. And is this notice sent by forwardable
02:38:30 24 or non-forwardable mail?
02:38:32 25 A. Non-forwarding.

02:38:33 1 Q. And it would be sent in English and Spanish; is
02:38:36 2 that correct?

02:38:36 3 A. Yes.

02:38:50 4 Q. Refer you back to Exhibit 8 briefly, and that's
02:38:56 5 MC 870.

02:39:18 6 And so here it indicates that invalid
02:39:25 7 residential address has a total of 82,673 suspense
02:39:32 8 records; is that correct?

02:39:35 9 A. Yes.

02:39:36 10 Q. Okay. So based on at least this data, it seems
02:39:43 11 as though invalid residential address is one of the
02:39:50 12 biggest problems you see with voter registration
02:39:53 13 applications; is that correct?

02:39:55 14 A. That would be my assumption.

02:39:58 15 Q. Okay. And based on your experience as someone
02:40:01 16 who's worked in voter registration for a long time in
02:40:03 17 the state of Arizona, is that also the case based on
02:40:08 18 your experience?

02:40:08 19 A. Yes.

02:40:09 20 Q. Okay. Is it fair to say that it's not
02:40:16 21 infrequent that residential addresses don't match up
02:40:19 22 with the GIS system?

02:40:24 23 MS. STUART: Form, foundation.

02:40:28 24 BY MS. LANG:

02:40:28 25 Q. Based on your experience.

02:40:30 1 A. Can you repeat the question?

02:40:31 2 Q. Yes.

02:40:32 3 Based on your experience, is it not infrequent

02:40:36 4 that a residential address provided by a voter does not

02:40:41 5 neatly match onto the GIS systems available to County

02:40:45 6 Recorders?

02:40:45 7 A. It's not infrequent.

02:40:47 8 Q. Okay. Moving to the other option that voters

02:41:01 9 have available, which is to provide some sort of drawing

02:41:04 10 of the location of their residence, when a voter

02:41:09 11 provides a drawing rather than a residential address,

02:41:13 12 how does your office process those applications?

02:41:16 13 A. We would, again, need the assistance of the GIS

02:41:19 14 team to aid us in trying to pinpoint that location.

02:41:26 15 Q. So unlike the kind of automated system for

02:41:29 16 residential addresses, anytime there's a drawing, does

02:41:32 17 that mean you have to send a ticket to GIS?

02:41:34 18 A. Yes.

02:41:36 19 Q. Okay. And is the turnaround for those tickets

02:41:39 20 similar to the ones with residential addresses?

02:41:44 21 A. Most cases, yes. It just depends on how good

02:41:47 22 the drawing is.

02:41:49 23 Q. That's fair enough.

02:41:56 24 And if GIS comes back and says, yes, we've

02:41:59 25 found this location and provides you the precinct

02:42:02 1 information, then you can register that individual to
02:42:04 2 vote, correct?

02:42:04 3 A. Yes.

02:42:05 4 Q. All right. If GIS comes back and says we can't
02:42:07 5 figure this out, what's the next step?

02:42:11 6 A. So, again, we would go back to the voter
02:42:14 7 registration form, see if there's a mailing address that
02:42:16 8 we can send a letter to. If there's no mailing address,
02:42:20 9 then the next step would be looking for a phone number
02:42:22 10 or an e-mail.

02:42:24 11 Q. Okay. Is it sometimes the case that there's no
02:42:33 12 mailing address, no phone number, and no e-mail?

02:42:36 13 A. Yes.

02:42:38 14 Q. And what happens in that case?

02:42:41 15 A. Unfortunately, there's nothing that we can
02:42:44 16 really do to try to cure that form. It would just sit
02:42:49 17 in suspense.

02:42:50 18 Q. It would sit in suspense, and then after the
02:42:52 19 next general election it would go to dead end --

02:42:54 20 A. Yes.

02:42:55 21 Q. -- or not registered, correct?

02:42:56 22 A. Yes.

02:42:56 23 Q. Okay. Mark as Exhibit 23 MC 3002.
02:43:11 24 (Deposition Exhibit 23 was marked for
02:43:12 25 identification.)

02:43:12 1 BY MS. LANG:

02:43:12 2 Q. And are you familiar with this document?

02:43:21 3 A. I haven't seen this in a very long time.

02:43:24 4 Q. Fair enough.

02:43:27 5 What is this document, to the best of your

02:43:30 6 knowledge?

02:43:30 7 A. So this is in the case where we weren't able to

02:43:33 8 pinpoint. They're asking the voter to try again to help

02:43:39 9 aid us in providing additional information to precinct

02:43:43 10 them.

02:43:45 11 Q. Okay. And so this notice would be sent and

02:43:49 12 then the voter would remain in suspense until they

02:43:53 13 provide additional information; is that correct?

02:43:54 14 A. Yes.

02:43:56 15 Q. Okay. And then if a next general election

02:43:59 16 passes and they have not provided additional

02:44:02 17 information they become not eligible or a dead end,

02:44:08 18 correct?

02:44:08 19 A. Yes.

02:44:08 20 Q. Okay. One question I did have in looking at

02:44:10 21 these two notification -- these two notices side by

02:44:15 22 side, is it the case that if an individual had provided

02:44:20 23 a residential address in the first instance, that

02:44:23 24 they'll get the one that asked them for their

02:44:26 25 residential address, and if the voter had provided a

02:44:28 1 drawing in the first instance, look at the one that asks
02:44:32 2 for a drawing?

02:44:33 3 A. That's my understanding how the system works.

02:44:43 4 Q. Okay. In the years that you have been working
02:44:57 5 in voter registration in Arizona, has it always been an
02:45:00 6 option to draw a location of residence if you don't have
02:45:03 7 a residential address?

02:45:05 8 A. Yes.

02:45:13 9 Q. Okay. Do you believe that option kind of
02:45:22 10 undermines the security of your elections in any way?

02:45:26 11 MS. STUART: Form.

02:45:28 12 MR. O'CONNOR: Form.

02:45:28 13 THE WITNESS: I don't have an opinion.

02:45:36 14 BY MS. LANG:

02:45:36 15 Q. Based on your experience in voter registration
02:45:39 16 over these many years, is it your experience that Native
02:45:46 17 Americans or people living on Native American
02:45:48 18 reservations are more likely to kind of provide a
02:45:51 19 drawing than -- as compared to the rest of the
02:45:54 20 population?

02:45:55 21 A. In my experience, yes.

02:46:04 22 Q. Okay. In your experience looking at voter
02:46:08 23 registration documents and the various driver's license
02:46:11 24 copies and documents that voters provide, have you ever
02:46:16 25 seen a form of identification that includes kind of a

02:46:21 1 drawing of a residence?

02:46:24 2 A. In my experience, yes.

02:46:27 3 Q. And in what circumstances have you seen that?

02:46:30 4 A. On a voter registration form where they drew in

02:46:35 5 the box 23 their location.

02:46:37 6 Q. Other than voter registration applications,

02:46:39 7 have you ever seen kind of a driver's license that has a

02:46:43 8 picture instead of a residential address on it?

02:46:45 9 A. No.

02:46:46 10 Q. Or a utility bill that has a kind of picture of

02:46:49 11 a location of residence rather than a residential street

02:46:56 12 address?

02:46:56 13 A. In my experience, no.

02:46:57 14 Q. Okay. Are you familiar with any kind of

02:46:59 15 traditional identification documents that would have

02:47:02 16 kind of a location of residence drawing in lieu of a

02:47:08 17 residential street address?

02:47:09 18 A. I'm not familiar with that.

02:47:13 19 Q. In your experience, do those documents

02:47:16 20 sometimes have a P.O. Box on them?

02:47:19 21 A. Which documents?

02:47:20 22 Q. Identification documents, such as a driver's

02:47:23 23 license or a utility bill.

02:47:25 24 A. Yes, it can have P.O. Box.

02:47:35 25 Q. For individuals who don't have kind of

02:47:38 1 traditional street addresses and would like to get a
02:47:42 2 traditional street address, do you know if the county
02:47:44 3 provides any services to assist those individuals?

02:47:48 4 A. Yes. We try to work with communities and USPS
02:47:53 5 to help identify and give good addressing options to
02:47:58 6 assist them.

02:47:59 7 Q. Is that something you assist with, or is that
02:48:01 8 something you're just aware that the county works on?

02:48:06 9 A. Representatives from the Recorder's Office, as
02:48:10 10 well as I have been on the phone with USPS a couple of
02:48:12 11 times myself, but -- so yes.

02:48:19 12 Q. Okay. And it sounds like USPS is involved.
02:48:22 13 Kind of who at the county level would be kind of in
02:48:25 14 charge of providing someone with a traditional street
02:48:29 15 address?

02:48:31 16 A. I think it's a partnership. So GIS would be
02:48:35 17 involved. The Recorder's Office would be involved. In
02:48:39 18 some cases the elections division as well.

02:48:45 19 Q. Okay. And what are the circumstances under
02:48:47 20 which your office would kind of take that additional
02:48:50 21 step to kind of try to help provide a residential street
02:48:55 22 address for someone who does not have one?

02:48:59 23 A. I think that's just one of the things that our
02:49:03 24 office does to help facilitate voting opportunities,
02:49:07 25 especially if we see an ongoing issue with people in

02:49:10 1 those rural communities constantly going inactive
02:49:14 2 because of a bad address or location.

02:49:31 3 Q. This is taking us way back to the beginning,
02:49:33 4 but when you put together keyword searches for the
02:49:36 5 requests for documents, do you recall if any of those
02:49:39 6 keyword searches were about kind of these residential
02:49:43 7 address issues?

02:49:44 8 A. I don't recall.

02:49:54 9 Q. You referenced kind of work that you do with
02:49:55 10 the GIS folks and USPS and the Recorder's Office to help
02:50:01 11 with addressing issues; is that right?

02:50:03 12 A. Yes.

02:50:03 13 Q. Does some of that happen over e-mail?

02:50:06 14 A. Yes.

02:50:15 15 Q. Okay. More generally, can you describe some of
02:50:18 16 the efforts that the Maricopa County Recorder's Office
02:50:20 17 makes to conduct outreach to Native American communities
02:50:25 18 and increase their voter registration?

02:50:29 19 A. So voter outreach is under the umbrella of the
02:50:34 20 elections division, so I can't really speak to all the
02:50:38 21 things that they do. I know on the Recorder's side we
02:50:43 22 also have a deputy registrar program where we train
02:50:46 23 people on how to register people to vote.

02:50:53 24 Q. Based on your experience, you know, long
02:50:56 25 experience in voter registration, what are some of the

02:50:58 1 kind of greatest challenges that you see Native voters

02:51:02 2 have when they're trying to register to vote?

02:51:08 3 A. In my experience, again, I would say probably

02:51:10 4 the biggest obstacle are the addressing issues,

02:51:13 5 especially in those very rural areas.

02:51:19 6 Q. Based on your knowledge, is voter registration

02:51:22 7 lower in Native communities than the county average?

02:51:27 8 A. I don't have those figures in front of me.

02:51:30 9 Q. Does your office have those figures available

02:51:34 10 to it?

02:51:37 11 A. If we knew which precincts were part of that

02:51:42 12 community, we could.

02:51:43 13 Q. You could do that search based on kind of

02:51:43 14 the --

02:51:43 15 A. Location.

02:51:46 16 Q. -- location?

02:51:46 17 A. Yes.

02:51:48 18 Q. Okay. So under H.B. 2492 there is a, you know,

02:52:04 19 new requirement for voter registration that would

02:52:07 20 require documentary proof of residence. Is that your

02:52:11 21 understanding generally?

02:52:12 22 A. Yes.

02:52:12 23 Q. Okay. And I'm going to refer to that sometimes

02:52:14 24 as the DPOR requirement. Will you understand what I'm

02:52:17 25 saying if I say that?

A. Yes.

Q. Okay. And it's a good idea to be looking at the language.

MR. JOHNSON: It's 19.

MS. LANG: Thank you.

BY MS. LANG:

Q. And it's on Page 3, the DPOR requirement, that says that in addition to other requirements for voter registration, proof of location of residence has to be provided; is that right?

A. Yes.

Q. Have you received any guidance on the implementation of the DPOR requirement?

A. No.

Q. Is the DPOR requirement, to the best of your knowledge, in effect right now and being implemented?

MR. O'CONNOR: Form.

THE WITNESS: No. Sorry.

BY MS. LANG:

Q. That's okay. The form question -- the form was well-taken.

Is the DPOR requirement currently being implemented by the Maricopa County Recorder's Office?

A. No.

Q. Okay. To the best of your knowledge,

02:53:54 1 acknowledging that you have not received guidance, would
02:53:58 2 this DPOR requirement apply to all registrants,
02:54:03 3 regardless of whether or not they use the state or
02:54:05 4 federal form?

02:54:06 5 MR. O'CONNOR: Form.

02:54:07 6 MS. BOUGHTON: Form.

02:54:08 7 MS. STUART: Form.

02:54:08 8 THE WITNESS: That's my understanding.

02:54:16 9 BY MS. LANG:

02:54:17 10 Q. Okay. Based on your knowledge of the work of
02:54:20 11 the VRAC committee and your work with the Secretary of
02:54:26 12 State's Office, do you know if any request has been made
02:54:28 13 to the Election Assistance Commission to add information
02:54:31 14 about the DPOR requirement to the federal form
02:54:34 15 instructions?

02:54:35 16 MS. STUART: Form.

02:54:36 17 MS. BOUGHTON: Form.

02:54:37 18 THE WITNESS: I don't know.

02:54:42 19 BY MS. LANG:

02:54:47 20 Q. Okay. Has the state form been updated to
02:54:49 21 include the DPOR requirement?

02:54:53 22 A. No.

02:54:58 23 Q. Based on your understanding of this statute and
02:55:02 24 understanding that you have not received any guidance,
02:55:08 25 would failure to provide DPOR be treated the same as

02:55:12 1 kind of failure to provide DPOC, in that someone could
02:55:16 2 still become a federal only voter, or would lack of DPOR
02:55:20 3 mean somebody could not be registered at all?

02:55:25 4 MR. BASILE: Form.

02:55:26 5 THE WITNESS: I don't know.

02:56:06 6 MS. BOUGHTON: Counsel, I don't want to
02:56:07 7 interrupt your flow, but I think we've been going for
02:56:10 8 about 90 minutes, so if this is a good spot.

02:56:14 9 MS. LANG: This would be a fine spot to
02:56:15 10 take a break. Thank you.

02:56:16 11 THE VIDEOGRAPHER: We are off the record.
02:56:17 12 The time on the video monitor is 2:56 p.m. This ends

02:56:25 14 (A recess was taken.)

03:11:02 15 THE VIDEOGRAPHER: We are on the record.
03:11:03 16 The time on the video monitor is 3:11 p.m. This begins
03:11:08 17 Media 4.

03:11:09 18 BY MS. LANG:

03:11:12 19 Q. So I want to refer you to a document that I
03:11:14 20 have in front of you that we'll mark Exhibit 24, and
03:11:21 21 it's document labeled electronically 2C DPOR Chart.
03:11:25 22 I'll represent to you that this is a document that was
03:11:27 23 submitted by the State in this case, and they indicate
03:11:32 24 it's a chart created by the Secretary of State about
03:11:36 25 documentary proof of residency.

03:11:39 1 Have you ever seen this chart before?

03:11:42 2 A. No.

03:11:44 3 Q. Okay. So the guidance that's in this chart

03:11:46 4 about what would constitute documentary proof of

03:11:49 5 residency is not something that's gone out to the County

03:11:53 6 Recorders?

03:11:53 7 A. Not that I'm aware of.

03:12:07 8 Q. Much of this is self-explanatory, and I won't

03:12:10 9 make you kind of review it.

03:12:16 10 As to tribal identification card, this chart

03:12:19 11 says that pursuant to Gonzalez, a tribal ID does not

03:12:23 12 require an address be listed.

03:12:26 13 Do you know what Gonzalez is referring to

03:12:28 14 there?

03:12:28 15 A. There was a court case with Gonzalez.

03:12:31 16 Q. And in that case, was there a kind of -- a

03:12:34 17 stipulation about how tribal IDs would be used at the

03:12:39 18 voter ID stage?

03:12:41 19 A. Yes.

03:12:46 20 Q. Okay. And if you know, is it the case that the

03:12:48 21 Gonzalez stipulation indicated that while most voter ID

03:12:54 22 does require a residential address, tribal ID does not

03:13:00 23 require a residential address; is that correct?

03:13:03 24 A. I believe that's correct.

03:13:06 25 Q. All right. And so -- well, strike that.

03:13:27 1 The second to last box on this chart says, "Any
03:13:31 2 other document or piece of mail that is issued by a
03:13:34 3 government, educational institution, or place of
03:13:36 4 business that provides the person's name and address."

03:14:01 5 What limitations, if any, would you see in kind
03:14:04 6 of what you could accept as DPOR?

03:14:09 7 MS. STUART: Form.

03:14:09 8 MS. BOUGHTON: Form.

03:14:10 9 MR. O'CONNOR: Form.

03:14:10 10 BY MS. LANG:

03:14:10 11 Q. Based on your experience in voter registration
03:14:12 12 and these instructions.

03:14:14 13 MS. STUART: Form and foundation.

03:14:15 14 THE WITNESS: This is the first time I've
03:14:17 15 seen this guidance. I have not had time to fully digest
03:14:23 16 it all.

03:14:23 17 BY MS. LANG:

03:14:24 18 Q. Fair enough.

03:14:29 19 I understand that no written guidance has been
03:14:32 20 given to County Recorders. Have there been any
03:14:35 21 discussions during your various committee meetings and
03:14:39 22 meetings with the Secretary of State's Office about how
03:14:44 23 the DPOR requirement might be implemented?

03:14:46 24 A. No.

03:14:50 25 Q. Okay. So, to your knowledge, there's been

03:14:51 1 absolutely no discussion amongst the County Recorders or
03:14:54 2 with the Secretary of State about how to implement the
03:14:57 3 DPOR requirement?

03:15:00 4 A. There has been discussions about how -- what
03:15:03 5 the timeline is and how we're going to move forward, but
03:15:07 6 not specifically the implementation of this particular.

03:15:12 7 Q. So there have been discussions about the
03:15:14 8 process for implementation, but not the substance --

03:15:14 9 A. Yes.

03:15:17 10 Q. -- of the implementation?

03:15:18 11 A. Yes.

03:15:19 12 Q. Okay. And this last part of the chart says,
03:15:24 13 "Written confirmation signed by the registrant that they
03:15:27 14 qualify to register pursuant to" a statute code, and,
03:15:33 15 you know, it refers to a statute code that provide an
03:15:36 16 address at a homeless shelter.

03:15:40 17 Are you aware, and I think I know the answer,
03:15:43 18 of any kind of draft or template of what this
03:15:47 19 confirmation would look like?

03:15:48 20 A. No.

03:15:50 21 Q. Okay. Are you familiar with the kind of
03:15:56 22 statutory provision that allows individuals who are
03:15:59 23 experiencing homelessness to use a homeless shelter or a
03:16:04 24 courthouse as their residential address?

03:16:06 25 A. Yes.

03:16:07 1 Q. Okay. And when that's the case, do you use
03:16:12 2 that courthouse or that homeless shelter as the
03:16:16 3 residence for the purposes of precincting?

03:16:19 4 A. Yes.

03:16:19 5 Q. Okay. And a person experiencing homelessness
03:16:21 6 would also have the option of providing a location of
03:16:24 7 residence if, say, they were staying somewhere?

03:16:26 8 A. Yes.

03:16:34 9 Q. Okay. Based on your extensive experience in
03:16:37 10 voter registration, are there certain populations that
03:16:39 11 you believe will have more difficulty than others in
03:16:42 12 kind of providing documentation that has a residential
03:16:46 13 address on it?

03:16:51 14 A. In my experience I think that there would be
03:16:54 15 certain individuals that would have a harder time
03:16:57 16 providing that

03:16:59 17 Q. And would that include Native Americans for the
03:17:02 18 reasons we've discussed before?

03:17:04 19 A. Potentially, yes.

03:17:06 20 Q. What about students?

03:17:07 21 A. Yes.

03:17:10 22 Q. People experiencing homelessness?

03:17:12 23 A. Yes.

03:17:14 24 Q. Other low income people who perhaps move
03:17:19 25 frequently or are transient?

03:17:21 1

Q. Okay. Based on your experience working with groups that conduct voter registration drives, what kind of effect would a documentary proof of residence requirement have on those voter registration drives?

MS. BOUGHTON: Form.

THE WITNESS: Because this is a potential brand-new law, I don't know what that impact would be for a third-party registration drive.

BY MS. LANG:

Q. I think I know the answer to this, but do you know how these documents would be submitted; you know, would they be accepted by e-mail, fax, in person, et cetera?

MR. O'CONNOR: Form.

THE WITNESS: I do not know.

MS. LANG: Let's pause. I think we may have --

THE VIDEOGRAPHER: Would you like to go off the record?

MS. LANG: Yes.

THE VIDEOGRAPHER: We are off the record. The time on the video monitor is 3:18 p.m.

(A recess was taken.)

THE VIDEOGRAPHER: We are on the record.

03:20:27 1 The time on the video monitor is 3:20 p.m.

03:20:29 2 BY MS. LANG:

03:20:30 3 Q. Okay. I want to move on briefly to another

03:20:39 4 part of H.B. 2492. I don't think you have to look at

03:20:44 5 it, but we'll see. Which is the requirement that a

03:20:49 6 place of birth be provided on the voter registration

03:20:52 7 form.

03:20:53 8 Are you familiar generally with that new

03:20:55 9 requirement in H.B. 2492?

03:20:57 10 A. Yes.

03:20:58 11 Q. Okay. Prior to H.B. 2492 the place of birth

03:21:07 12 line on the state form has always been optional; is that

03:21:10 13 correct?

03:21:10 14 A. Yes.

03:21:12 15 Q. Okay. What use, if any, do you make of place

03:21:22 16 of birth?

03:21:22 17 MR. O'CONNOR: Form.

03:21:24 18 THE WITNESS: So we would use that

03:21:25 19 information, if provided, to help validate the identity

03:21:29 20 of a voter should they call our office asking

03:21:32 21 information about their own voter record.

03:21:35 22 BY MS. LANG:

03:21:35 23 Q. Okay. Outside of when an individual calls your

03:21:39 24 office, is there any other use of place of birth?

03:21:44 25 A. Not that I'm aware of.

03:21:47 1 Q. Okay. You don't require that information to
03:21:50 2 validate the identity of the individual through an MVD
03:21:53 3 check, do you?
03:21:53 4 A. No.
03:21:55 5 Q. Do you require that information to validate the
03:21:57 6 identity of an individual through the SSA check that
03:22:02 7 happens through MVD?
03:22:03 8 A. No.
03:22:06 9 Q. Okay. And is there any way in which, outside
03:22:10 10 of a phone call where you're just trying to quickly
03:22:13 11 match a person to the voter registration database, that
03:22:16 12 you use place of birth to kind of verify the legitimacy
03:22:23 13 of a voter registration application?
03:22:25 14 MR. O'CONNOR: Form.
03:22:25 15 THE WITNESS: No.
03:22:33 16 BY MS. LANG:
03:22:33 17 Q. If, under 2492, birthplace becomes a
03:22:37 18 requirement of voter registration, would that change
03:22:40 19 anything about how you actually process voter
03:22:44 20 registration applications?
03:22:44 21 MR. O'CONNOR: Form.
03:22:45 22 MS. BOUGHTON: Form.
03:22:46 23 THE WITNESS: Yes.
03:22:49 24 BY MS. LANG:
03:22:50 25 Q. How so?

03:22:52 1 A. Well, it would now be a required box.

03:22:56 2 Q. Yes. And so I poorly phrased my question,

03:22:59 3 which is, you would have to -- so let me back up.

03:23:02 4 Under H.B. 2492, if it were to be implemented,

03:23:06 5 you would have to reject the voter registration

03:23:08 6 application of any person who doesn't provide a place of

03:23:11 7 birth; is that correct?

03:23:12 8 A. That's my understanding.

03:23:13 9 Q. Okay. But for those who do provide place of

03:23:21 10 birth and you're registering them, under H.B. 2492,

03:23:24 11 would the fact that a place of birth has now become a

03:23:28 12 mandatory field change how you use place of birth in the

03:23:32 13 voter registration process?

03:23:34 14 MS. BOUGHTON: Form.

03:23:35 15 MR. O'CONNOR: Form.

03:23:35 16 THE WITNESS: I don't believe so.

03:23:38 17 BY MS. LANG:

03:23:38 18 Q. Okay. Are you aware of any way, additional

03:23:40 19 way, in which you would be able to use place of birth in

03:23:44 20 the voter registration process?

03:23:46 21 MS. BOUGHTON: Form.

03:23:50 22 THE WITNESS: If we had -- at that time

03:23:56 23 show soft match with a deceased individual and we're

03:23:59 24 trying to determine if that's the same person, if they

03:24:02 25 provided their place of birth and it was also included

03:24:04 1 in whatever obituary notice we found, that would be a
03:24:09 2 helpful tool to help us identify that that was the same
03:24:12 3 person.

03:24:18 4 BY MS. LANG:

03:24:18 5 Q. But the place of someone's birth -- scratch
03:24:24 6 that.

03:24:29 7 That's a useful example; but as a general
03:24:32 8 matter, in your kind of systematic processing of voter
03:24:38 9 registration information and verification of identity
03:24:41 10 through MVD and SSA, would your use of place of birth
03:24:44 11 change in any way?

03:24:46 12 MR. O'CONNOR: Form.

03:24:48 13 THE WITNESS: Not to my knowledge.

03:24:52 14 BY MS. LANG:

03:24:52 15 Q. Okay. To your knowledge, are you aware of any
03:24:54 16 other state that requires place of birth to register to
03:24:57 17 vote?

03:24:57 18 MR. O'CONNOR: Form.

03:24:58 19 MS. BOUGHTON: Form.

03:24:58 20 THE WITNESS: I don't know.

03:25:06 21 BY MS. LANG:

03:25:13 22 Q. Okay. Okay.

03:25:27 23 I'm going to move on to another topic, which is
03:25:29 24 how your office screens for, searches for, and addresses
03:25:36 25 any potential causes of voter fraud.

03:25:45 1 In your request for production responses, which
03:25:48 2 we can look at if we need to, but I don't think we will
03:25:51 3 need to, you were asked for kind of documents about all
03:25:57 4 voter fraud cases in your county since 2010, including,
03:26:01 5 but not limited to, identification of those cases
03:26:04 6 involving allegations of fraud based on a noncitizen
03:26:08 7 voting; and you indicated that you had no responsive
03:26:10 8 documents.

03:26:13 9 To your knowledge, is it correct that you just
03:26:15 10 don't have -- that you don't have any documents about
03:26:18 11 voter fraud cases?

03:26:20 12 A. We do not have any documents about voter fraud
03:26:23 13 cases.

03:26:25 14 Q. And do you have documents about allegations of
03:26:30 15 specific individual voter fraud matters?

03:26:37 16 A. We have information that has been given to us
03:26:44 17 about potential cases of voter fraud.

03:26:53 18 Q. To your knowledge, do you have any kind of
03:26:55 19 documents about potential cases of voter fraud that your
03:26:59 20 office finds credible or warranting additional
03:27:04 21 investigation?

03:27:05 22 MR. O'CONNOR: Form.

03:27:08 23 THE WITNESS: We have some cases that we
03:27:11 24 have referred to the Attorney General's Office for
03:27:14 25 investigation.

03:27:16 1 BY MS. LANG:

03:27:17 2 Q. Do you know about how many?

03:27:20 3 A. Under a hundred.

03:27:24 4 Q. Going back how far in that kind of under a
03:27:28 5 hundred number?

03:27:29 6 A. Since I started with the Recorder's Office.

03:27:33 7 Q. Okay. And, similarly, there was a request for
03:27:41 8 production about documents and communications concerning
03:27:46 9 actual or alleged misconduct, fraud, lack of voter
03:27:49 10 confidence, election security, or other problems related
03:27:53 11 to citizenship, residence location, or proof of
03:27:55 12 citizenship or residential address in voter
03:27:59 13 registration; and you indicated that you have no
03:28:01 14 responsive documents.

03:28:03 15 Can you tell me what, if you know, what kind of
03:28:06 16 searches were done to find documents that were
03:28:09 17 responsive to this request?

03:28:13 18 A. So we -- the voter registration division is not
03:28:16 19 a policing agency. We register voters and we conduct
03:28:20 20 list maintenance. So the cases where things have been
03:28:23 21 brought to our attention as possible voter fraud usually
03:28:27 22 relates to cases of double voting. We don't have
03:28:31 23 noncitizen voter fraud issues brought to our attention
03:28:37 24 in that way, so I don't believe we have responsive
03:28:41 25 documents related to those particular subjects.

03:28:47 1 Q. You're not aware of any documents where there
03:28:53 2 was discussion of alleged noncitizen voting?

03:28:57 3 A. I'm not aware of any.

03:28:59 4 Q. Okay. And understanding that some of this
03:29:08 5 might fall under the elections division, I'm going to
03:29:11 6 ask some more questions about kind of how your office
03:29:14 7 deals with allegations of voter fraud, and answer to the
03:29:17 8 best of your ability, I suppose. Is that okay?

03:29:19 9 A. Yes.

03:29:20 10 Q. All right. So what steps, if any, does your
03:29:25 11 office take to identify any instances of potential voter
03:29:30 12 fraud?

03:29:34 13 A. Our office does not take steps to identify
03:29:38 14 potential voter fraud.

03:29:43 15 Q. Are there a variety of kind of checks and
03:29:46 16 balances within the voter registration system to
03:29:50 17 preclude individuals from engaging in voter fraud?

03:29:56 18 A. I believe there are functionality within the
03:30:01 19 voter registration systems that would prohibit people
03:30:04 20 from registering multiple times or voting multiple
03:30:07 21 times.

03:30:10 22 Q. And is it also the case that things like the
03:30:14 23 MVD check or SSA check help to verify that an applicant
03:30:19 24 is a real person and verify the identity of that
03:30:24 25 applicant?

03:30:24 1

A. Yes.

03:30:33 2

Q. Okay. So I apologize if some of this is going

03:30:35 3

to be repetitive, but for my due diligence, does your

03:30:39 4

office conduct any investigations into potential voter

03:30:42 5

fraud?

03:30:43 6

MR. O'CONNOR: Asked and answered.

03:30:46 7

BY MS. LANG:

03:30:46 8

Q. There. But go ahead.

03:30:48 9

A. No.

03:30:57 10

Q. If your office were to suspect a case of

03:31:00 11

potential voter fraud, what steps would you take?

03:31:04 12

MR. O'CONNOR: Form.

03:31:07 13

THE WITNESS: Can I ask what type of voter

03:31:09 14

fraud, as an example?

03:31:14 15

BY MS. LANG:

03:31:14 16

Q. That's fair.

03:31:17 17

If there was an allegation that appeared

03:31:20 18

credible that a noncitizen had registered and voted,

03:31:25 19

what steps would your office take?

03:31:33 20

A. I can't think of a situation that had happened,

03:31:35 21

and I don't think that there's clear guidance on what

03:31:39 22

credible information is. Again, if we got something

03:31:42 23

from the jury's office that said the person

03:31:45 24

self-reported they're a noncitizen, we would look into

03:31:48 25

that from the information we have from the voter and

03:31:51 1 their database. If the documentation's there that they
03:31:54 2 are a citizen, then we do nothing.

03:31:58 3 Q. And earlier you testified that there have been
03:32:02 4 not many, but some instances of voter fraud or alleged
03:32:05 5 voter fraud, I should say, that you've referred to the
03:32:08 6 Attorney General's Office; is that correct?

03:32:10 7 A. Yes.

03:32:10 8 Q. So would it be fair to say that if your office
03:32:14 9 had some concern about an alleged case of voter fraud,
03:32:17 10 the step you would take is to refer it to the Attorney
03:32:22 11 General's Office?

03:32:22 12 A. I think I would consult with our County
03:32:25 13 Attorney, and then from there the Attorney General's
03:32:30 14 Office.

03:32:30 15 Q. Okay. But beyond referring the matter to
03:32:34 16 either your attorney or the Attorney General or a
03:32:36 17 prosecuting authority, does your office have any kind of
03:32:41 18 investigatory role on the issue of voter fraud?

03:32:45 19 A. We do not.

03:32:45 20 MR. O'CONNOR: Asked and answered.

03:32:45 21 THE WITNESS: We do not.

03:32:48 22 BY MS. LANG:

03:32:49 23 Q. I think you said we do not?

03:32:50 24 A. We do not.

03:32:52 25 Q. Okay. Is it the case that private citizens

03:32:58 1 could submit allegations to your office about what they
03:33:04 2 allege is potential voter fraud?

03:33:08 3 A. Yes.

03:33:08 4 Q. Does your office sometimes receive such
03:33:11 5 communications from private citizens?

03:33:15 6 MR. O'CONNOR: Form.

03:33:17 7 THE WITNESS: I have not seen

03:33:20 8 communications about another person saying a registered
03:33:24 9 voter is a noncitizen. I see other things.

03:33:26 10 BY MS. LANG:

03:33:27 11 Q. What are some other things that you see?

03:33:28 12 A. Like they're not -- they don't live where they
03:33:30 13 actually say they live.

03:33:35 14 Q. Okay. But you are not aware of any time that
03:33:37 15 you've been contacted where someone alleges that another
03:33:40 16 registered voter is a noncitizen?

03:33:42 17 A. Not to my knowledge, no.

03:33:44 18 Q. Okay. When you receive complaints that suggest
03:33:54 19 somebody doesn't live where they say they live, what
03:33:56 20 steps, if any, does your office take to respond to those
03:34:01 21 complaints?

03:34:03 22 MR. O'CONNOR: Form.

03:34:06 23 THE WITNESS: We do not have -- it's my
03:34:08 24 understanding we do not have an obligation to track any
03:34:12 25 of that down. However, depending on the resources

03:34:17 1 available in our office at the time, if we felt that it
03:34:22 2 was from somebody that we do regular, you know, business
03:34:26 3 with, voter registration people, we might take a little
03:34:30 4 bit of a deeper dive into it; but we have -- I guess we
03:34:34 5 all go back to the credible, what's credible.

03:34:38 6 BY MS. LANG:

03:34:39 7 Q. And as of now, you don't have any kind of
03:34:42 8 official guidance within your office about what counts
03:34:45 9 as credible; is that correct?

03:34:46 10 A. That's correct.

03:34:46 11 Q. It would be a judgment call; is that right?

03:34:48 12 A. Yes.

03:34:49 13 Q. Okay. I want to refer you to your responses to
03:35:20 14 the consolidated plaintiffs' rogs, which is Exhibit 5,
03:35:41 15 and on Page 13 I'll refer you to interrogatory number
03:35:51 16 10.

03:35:51 17 Interrogatory 10 asks you to identify all state
03:35:55 18 and county interests that you believe are furthered by
03:35:58 19 the challenged laws and all evidence that either
03:36:01 20 supports or undermines the contention that the
03:36:04 21 challenged laws further those interests.

03:36:05 22 Do you see that?

03:36:06 23 A. Yes.

03:36:07 24 Q. And the substance of your response at the
03:36:11 25 bottom, starting on Line 27, says, "Notwithstanding and

03:36:15 1 without waiving these objections, Maricopa County
03:36:18 2 Recorder's Office is unsure what county interests are
03:36:21 3 furthered by these challenged laws. In fact, Maricopa
03:36:24 4 County Recorder's Office believes that many of the
03:36:27 5 challenged laws' provisions conflict with federal law
03:36:29 6 which puts the county in a position of liability.
03:36:33 7 Additionally, the challenged laws may make access to
03:36:36 8 registration more difficult."
03:36:38 9 Do you see that?
03:36:39 10 A. Yes.
03:36:40 11 Q. Okay. Did you assist with the drafting of this
03:36:43 12 response?
03:36:43 13 A. Yes.
03:36:44 14 Q. And do you agree, sitting here today, you know,
03:36:49 15 this response continues to be an accurate reflection of
03:36:52 16 the Recorder's position?
03:36:53 17 MR. O'CONNOR: Form.
03:36:53 18 MS. BOUGHTON: Form.
03:36:56 19 THE WITNESS: My personal feelings is yes.
03:37:00 20 BY MS. LANG:
03:37:04 21 Q. Okay. And when you say that it puts the county
03:37:07 22 in a position of liability, can you explain what you
03:37:09 23 mean by that?
03:37:10 24 MS. BOUGHTON: Form.
03:37:13 25 THE WITNESS: I believe that some of this

03:37:16 1 challenged laws conflicts with federal law, so in
03:37:19 2 putting the county in a position of liability is which
03:37:21 3 law do you violate.
03:37:28 4 BY MS. LANG:
03:37:28 5 Q. And what are the potential consequences to the
03:37:32 6 County Recorder's Office of being put in that position
03:37:34 7 of liability?
03:37:36 8 A. We will be sued.
03:37:39 9 Q. Are there also concerns within your office
03:37:41 10 about potential prosecutions?
03:37:43 11 MR. O'CONNOR: Form.
03:37:46 12 THE WITNESS: Prosecutions of whom?
03:37:48 13 BY MS. LANG:
03:37:48 14 Q. Election officials, under the new statutes.
03:37:52 15 MR. O'CONNOR: Asked and answered.
03:37:55 16 THE WITNESS: I feel as if my team is
03:37:58 17 well-trained and they would do the job to the best of
03:38:01 18 their ability and not un -- not knowingly violate laws.
03:38:08 19 BY MS. LANG:
03:38:08 20 Q. Okay. And you say that the challenged laws may
03:38:10 21 make access to registration much more difficult; is that
03:38:19 22 correct?
03:38:19 23 A. Yes.
03:38:23 24 Q. In what ways will the challenged laws make
03:38:26 25 access to registration much more difficult?

03:38:28 1 MS. BOUGHTON: Form.

03:38:29 2 MS. LANG: Can you elaborate?

03:38:30 3 MS. BOUGHTON: Calls for speculation.

03:38:38 4 MS. LANG: I mean this is her answer. I'm

03:38:40 5 just asking her to expound on what she means by that.

03:38:43 6 MS. BOUGHTON: Understood.

03:38:44 7 BY MS. LANG:

03:38:45 8 Q. Okay. Go ahead.

03:38:45 9 A. It's my opinion that requiring the checkboxes

03:38:51 10 be checked, that requiring they put a place of birth,

03:38:53 11 and requiring proof of residency is an additional effort

03:38:58 12 that needs to be done by a registrant in order to have

03:39:01 13 them added to the rolls, which is something that's not

03:39:03 14 currently required.

03:39:12 15 Q. Okay. My next set of questions are all about

03:39:18 16 kind of prospective implementation plans, much of which

03:39:22 17 I think we have actually already covered, so I will do

03:39:25 18 my best to be pithy here.

03:39:31 19 My understanding from your testimony thus far

03:39:36 20 is that there have been discussions among County

03:39:41 21 Recorders and the Secretary of State about the potential

03:39:46 22 process for implementation, including timelines for

03:39:51 23 implementation. Is that correct?

03:39:57 24 A. Not timelines.

03:40:03 25 Q. Have people asked for timelines from the

03:40:07 1 Secretary of State's Office?

03:40:08 2 A. Yes.

03:40:09 3 Q. And have those timelines been provided?

03:40:10 4 A. No.

03:40:11 5 MS. STUART: Form.

03:40:18 6 BY MS. LANG:

03:40:18 7 Q. Okay. With respect to the DPOR requirement you

03:40:21 8 already testified that there's been no real discussion

03:40:24 9 about the substance of how that law would be

03:40:27 10 implemented; is that right?

03:40:28 11 A. Yes.

03:40:29 12 Q. Have there been discussions about kind of the

03:40:32 13 substance of how other parts of these laws would be

03:40:36 14 interpreted and implemented?

03:40:39 15 A. Some of them.

03:40:41 16 Q. Which ones?

03:40:43 17 A. The jury duty and the ADOT database.

03:40:47 18 Q. Okay. Outside of the jury duty and ADOT

03:40:51 19 database monthly checks, have there been any substantive

03:40:56 20 discussions about the other parts of the law and how

03:41:00 21 they would be implemented?

03:41:02 22 A. No.

03:41:05 23 Q. Okay. And you've already testified that the

03:41:28 24 voter registration form has not been updated to include

03:41:30 25 the DPOR requirement. Is it also true that it has not

03:41:34 1 been updated to change place of birth from optional to
03:41:37 2 mandatory?

03:41:38 3 A. Correct.

03:41:40 4 Q. Okay. And the voter registration form has also
03:41:43 5 not been updated to kind of change how DPOC will be
03:41:48 6 addressed with respect to state forms; is that correct?

03:41:51 7 A. Correct.

03:41:53 8 Q. All right. Another way of saying that is that
03:41:55 9 the state form just hasn't been changed as to the
03:41:59 10 challenged parts of these laws?

03:42:00 11 A. That's correct.

03:42:01 12 Q. Okay. Do you have any reason to believe, based
03:42:05 13 on your discussions with the Secretary of State, that
03:42:08 14 there are any imminent plans to update the state voter
03:42:13 15 registration form?

03:42:18 16 A. No.

03:42:43 17 Q. Okay. With respect to the jury summary report
03:42:47 18 and questionnaire portions of the law, when you receive
03:42:57 19 a report from the jury manager or commissioner, do you
03:43:03 20 receive each individual questionnaire from an individual
03:43:07 21 who self-reported as a noncitizen or nonresident, or do
03:43:11 22 you just receive a summary report?

03:43:15 23 A. We get a data file.

03:43:18 24 Q. Okay. And what does that data file look like?

03:43:21 25 A. It just lists the voter's name, information,

03:43:25 1 date of birth, address, and whether or not it was
03:43:30 2 self-reporting noncitizen or out of county.

03:43:32 3 Q. Okay. And I think you said that they come
03:43:35 4 monthly; is that right?

03:43:36 5 A. Yes.

03:43:37 6 Q. And is your understanding that that kind of
03:43:41 7 monthly system and that data reporting would stay the
03:43:44 8 same under the new laws?

03:43:47 9 A. That's my --

03:43:47 10 MR. O'CONNOR: Form.

03:43:47 11 THE WITNESS: That's my understanding.

03:43:50 12 BY MS. LANG:

03:43:53 13 Q. Okay. Do you know if the jury questionnaire is
03:43:56 14 answered under kind of penalty of perjury or anything
03:43:59 15 along those lines?

03:44:00 16 A. I don't know.

03:44:03 17 Q. Okay. And so I think you've answered this, but
03:44:08 18 in the jury summary report it sounds like you get name,
03:44:12 19 date of birth, address and, you know, whether or not
03:44:16 20 they self-reported as noncitizen or nonresident.

03:44:19 21 Is there any additional kind of data fields
03:44:22 22 that you get for those individuals?

03:44:27 23 A. I haven't looked at one of those files in a
03:44:29 24 long time, but I think that's the beef of it. I can't
03:44:33 25 remember any other additional fields.

03:44:34 1 Q. Okay. Thank you.

03:45:08 2 I'm going to mark as Exhibit 25 MC 1927.

03:45:21 3 (Deposition Exhibit 25 was marked for
03:45:29 4 identification.)

03:45:29 5 MR. O'CONNOR: Exhibit 25?

03:45:32 6 MS. LANG: 25, yes.

03:45:38 7 BY MS. LANG:

03:45:38 8 Q. And this is an e-mail from somebody at the
03:45:40 9 Arizona Secretary of State's Office to Monique Carter.
03:45:44 10 Who is Monique Carter?

03:45:46 11 A. She is somebody at one of the counties, Pinal
03:45:51 12 County.

03:45:51 13 Q. Okay. But you're copied here as well; is that
03:45:51 14 right?

03:45:53 15 A. Yes.

03:45:53 16 Q. Okay. And somebody -- Yolanda Morales from the
03:46:01 17 Secretary of State's Office says that the courts began
03:46:03 18 transmitting the juror questionnaire report to the
03:46:06 19 counties in February.

03:46:08 20 And I just wanted to ask about that. My
03:46:10 21 understanding is that you were already receiving reports
03:46:14 22 from the courts; is that right?

03:46:17 23 A. Yes.

03:46:17 24 Q. Okay. So was there any change in February of
03:46:20 25 this year as to the reports you were receiving?

03:46:24 1 A. My understanding, the issue here was the
03:46:28 2 NC/RN [sic], which is just a different naming convention
03:46:32 3 to clarify noncitizen/nonresident that the file's
03:46:36 4 supposed to have, but we've always had that information.
03:46:38 5 So I think it was just a terminology.

03:46:41 6 Q. Okay. So there was maybe some coding that was
03:46:43 7 changed, but the substance of the reports has remained
03:46:46 8 the same?

03:46:46 9 A. Yes.

03:46:46 10 Q. Okay. And I think we've already gone over
03:46:50 11 this, but the way in which you are processing those
03:46:53 12 reports has not changed?

03:46:54 13 A. Correct.

03:47:29 14 Q. Okay. I'll mark as Exhibit 26 MC 2981.

03:47:45 18 Q. And are you familiar with this document?

03:47:47 19 A. Yes.

03:47:47 20 Q. And what is this document?

03:47:50 21 A. So this is a letter that we received -- we send
03:47:54 22 out to a voter if they are a federal only voter and they
03:47:59 23 have self-reported they're a noncitizen.

03:48:03 24 Q. And by self-reported, you mean in the jury
03:48:05 25 context; is that correct?

03:48:06 1 A. On the jury duty questionnaire.

03:48:09 2 Q. Okay. So this is the notice you use when

03:48:12 3 you're canceling someone because of noncitizen reporting

03:48:17 4 on the jury questionnaire, correct?

03:48:19 5 A. And they do not have DPOC on their file, yes.

03:48:25 6 Q. Okay. And I think you've already testified

03:48:29 7 about this, but I don't remember the answer. When that

03:48:32 8 happens, is there first a kind of 35-day notice sent and

03:48:35 9 then this notice, or does it go straight to this notice?

03:48:39 10 A. It's this notice.

03:48:43 11 Q. Okay. Are there any circumstances where you

03:48:44 12 would use this notice other than where there's no DPOC

03:48:48 13 on file and there's a jury questionnaire self-reporting

03:48:52 14 noncitizenship?

03:48:53 15 A. Not that I can think of.

03:49:10 16 Q. Okay. You mentioned that there has been some

03:49:12 17 discussion about the substance of how the MVD monthly

03:49:18 18 reports will be implemented; is that right?

03:49:20 19 A. Yes.

03:49:21 20 Q. And what is your understanding of the kind of

03:49:24 21 status of those discussions and any efforts towards

03:49:29 22 implementation on that piece of the challenged laws?

03:49:32 23 A. There have been --

03:49:35 1 I don't believe. I believe everything's been put on

03:49:38 3 BY MS. LANG:
03:49:38 4 Q. Okay. Do you know if the Secretary of State is
03:49:41 5 receiving monthly reports from MVD?
03:49:42 6 MS. STUART: Form, foundation.
03:49:46 7 BY MS. LANG:
03:49:46 8 Q. If you know.
03:49:46 9 A. I don't know.
03:50:15 10 Q. I'm going to mark as Exhibit 27 MC 2984.
03:50:28 11 (Deposition Exhibit 27 was marked for
03:50:28 12 identification.)
03:50:28 13 BY MS. LANG:
03:50:49 14 Q. Are you familiar with this document?
03:50:50 15 A. Yes.
03:50:51 16 Q. And when would you use this notice, to send
03:50:54 17 this type of notice out to a voter?
03:50:57 18 A. If the driver's license was issued prior to
03:51:02 19 October 1 of 1996, then it did not prove DPOC.
03:51:06 20 Q. Okay. So one question I had about this is I
03:51:12 21 didn't see any mention here of kind of federal only
03:51:16 22 status. So if somebody had an ID that was issued prior
03:51:22 23 to October 1, 1996, are they processed as a federal only
03:51:28 24 voter?
03:51:32 25 A. Yes. But this one is saying that the number

03:51:35 1 that they gave us on the form was not what MVD had as
03:51:39 2 their driver's license number.

03:51:48 3 Q. Okay. I had read this sentence to mean either
03:51:52 4 there was a kind of non-matching number or the driver's
03:51:56 5 license had been issued prior to October 1, 1996. Is
03:52:00 6 that not correct?

03:52:01 7 A. I don't believe so. I think that we're trying
03:52:03 8 to actually figure out what their real driver's license
03:52:06 9 number is, and we are unclear.

03:52:08 10 Q. Okay. So this form is really only meant to be
03:52:11 11 for people who there's some sort of driver's license
03:52:14 12 number mismatch?

03:52:15 13 A. Mixup, yes.

03:52:16 14 Q. Okay. And for people who just have a pre-1996
03:52:21 15 driver's license, that would not count as DPOC, but they
03:52:24 16 could be a federal only voter; is that right?

03:52:27 17 A. As long as it didn't come back as a Type F,
03:52:27 18 yes.

03:52:30 19 Q. Yes. Thank you for that clarification.

03:52:40 20 I'll mark as Exhibit 28 2988.

03:53:00 24 Q. Are you familiar with this document?

03:53:04 25 A. Yes.

03:53:06 1 Q. Okay. And can you describe to me what this
03:53:08 2 notice is for?

03:53:09 3 A. This is actually an older notice, doesn't -- we
03:53:14 4 are looking to update it because harassment residence
03:53:17 5 doesn't make sense.

03:53:18 6 Q. That is why I wanted to ask you about it.

03:53:21 7 A. Right. So we don't -- we don't really use this
03:53:23 8 form at all anymore, but it was still part of the forms
03:53:26 9 that are included in the voter registration database.
03:53:29 10 But, basically, this was to say we need you to provide
03:53:32 11 us a good address.

03:53:34 12 Q. Okay. And we went over the notice that you do
03:53:36 13 actually --

03:53:36 14 A. Yes.

03:53:37 15 Q. -- use in that circumstance?

03:53:38 16 A. Yes.

03:53:38 17 Q. Okay. Thank you. I'm glad I wasn't the only
03:53:46 18 one confused.

03:54:14 19 We've talked extensively about the fact that
03:54:16 20 implementation of these challenged laws are on hold and
03:54:19 21 that your office is not implementing them. To your
03:54:24 22 knowledge, are any counties implementing the challenged

03:54:44 7 counties have taken a different approach in implementing
03:54:48 8 these laws?
03:54:49 9 A. No.
03:55:19 10 Q. We'll mark as Exhibit 29 MC 2986.

03:55:43 16 Q. And can you explain to me what this notice is
03:55:45 17 for?
03:55:48 18 A. So this is the letter that a person would get
03:55:52 19 if we -- if they provided an Arizona driver's license
03:55:55 20 and it matched with MVD as being a foreign, noncitizen.
03:56:02 21 Q. Okay. So this is only used when MVD comes back
03:56:06 22 with something that says noncitizen, rather than just no

03:56:51 6 Q. Okay. What communications have you received
03:56:52 7 from the Secretary of State's Office about their work on
03:56:58 8 a revised election procedures manual?
03:57:00 9 A. They have sent us drafts of the various
03:57:04 10 chapters, and we have reviewed and then met with their
03:57:07 11 office to go over comments and questions about those
03:57:12 12 drafts.
03:57:13 13 Q. Have they provided a draft of Chapter 1?
03:57:15 14 A. Yes.
03:57:16 15 Q. Okay. And have you met with the Secretary of
03:57:20 16 State's Office to discuss your comments and questions?
03:57:21 17 A. Yes.
03:57:23 18 Q. Okay. Have you provided any written feedback
03:57:26 19 on Chapter 1 to the Secretary of State's Office?
03:57:30 20 A. Yes.
03:57:41 21 Q. Okay. Does the revised Chapter 1 draft
03:57:46 22 currently implement any portions of the challenged laws
03:57:52 23 we have been discussing today?
03:57:54 24 A. Yes.
03:57:56 25 Q. Does it address and implement all of the

03:58:01 1 challenged revisions?

03:58:05 2 A. Yes.

03:58:07 3 Q. Okay. So does the new draft of the EPM, for

03:58:11 4 example, indicate the place of birth will be mandatory?

03:58:14 5 A. Yes.

03:58:16 6 Q. Okay. And does it indicate that federal only

03:58:23 7 voters will not be able to vote in presidential

03:58:26 8 elections?

03:58:26 9 A. Yes.

03:58:26 10 Q. And that federal only voters will not be able

03:58:29 11 to vote by mail?

03:58:31 12 A. I believe so.

03:58:32 13 Q. Okay. So to your understanding, the current

03:58:35 14 revised draft fully implements the challenged laws?

03:58:46 15 A. Yes, but there are some areas that have been

03:58:50 16 potentially modified to mirror the NVRA.

03:58:57 17 Q. And which areas are that?

03:59:00 18 MS. STUART: Form, foundation. To the

03:59:00 19 extent you know.

03:59:06 24 Q. Okay. And you say that based on your review of

03:59:10 25 the elections procedures manual, there are areas where

03:59:12 1 the challenged laws have been modified in a way to
03:59:16 2 accord with NVRA; is that right?

03:59:18 3 A. That's my understanding.

03:59:19 4 Q. Okay. And what are those areas?

03:59:21 5 A. In regards to notices and cancellations.

03:59:38 6 Q. So is it fair to say that your testimony has
03:59:43 7 certainly today been that you haven't received any
03:59:45 8 official guidance or substantive guidance on the
03:59:48 9 implementation of these laws right now, but that you
03:59:51 10 have seen a draft of how the Secretary of State might
03:59:58 11 prepare to implement these laws in the form of the
04:00:01 12 election procedures manual?

04:00:02 13 A. Yes.

04:00:04 14 Q. Okay. And what was -- can you outline for me
04:00:07 15 some of the questions or concerns you had when you met
04:00:12 16 with the Secretary of State's Office about Chapter 1 of
04:00:17 17 the EPM?

04:00:19 18 A. We questioned all of the implementation of the
04:00:24 19 new laws, and specifically DPOC, proof of residency, the
04:00:34 20 jury duty questionnaire timing. That's what part of the
04:00:37 21 discussion was about.

04:00:38 22 Q. And what did the Secretary of State's Office

04:02:27 17 Q. Okay. Do you recall who from the Secretary of

04:02:45 22 A. It was Teams.

04:02:48 23 Q. About how long was the meeting?

04:29:27 20 And earlier today, when we were talking about

04:29:29 21 your use of the SAVE system, if I recall correctly, you

04:29:35 22 referenced that, you know, you were not typically the

04:29:37 23 person who kind of uses the SAVE system; is that right?

04:29:40 24 A. Yes.

04:29:42 25 Q. Okay. Who is kind of the point person within

04:29:45 1 your office that would be most expert on kind of the use
04:29:50 2 of the SAVE system?

04:29:50 3 A. Rodney Yazzie.

04:29:52 4 Q. Okay. And who is that?

04:29:54 5 A. He is one of our IT specialists.

04:30:01 6 Q. Okay. When we -- way at the beginning of
04:30:05 7 today's testimony we talked about the different kind of
04:30:07 8 ways that voter registration forms might come to you,
04:30:10 9 and one of those ways is through public assistance
04:30:15 10 agencies and disability agencies that are required to
04:30:19 11 provide voter registration services under the NVRA; is
04:30:19 12 that right?

04:30:25 13 A. Yes.

04:30:29 14 Q. Okay. When you receive voter registration
04:30:32 15 forms from those agencies, are they state forms or
04:30:39 16 federal forms?

04:30:41 17 A. In most cases they're state forms.

04:30:46 18 Q. Okay. So, to your knowledge, the NVRA agencies
04:30:50 19 that are providing voter registration services use the
04:30:52 20 state form to provide those services; is that right?

04:30:55 21 A. Yes.

04:30:55 22 Q. Okay. Are you aware of any agencies that are
04:30:57 23 using the federal form instead of the state form?

04:31:05 24 A. It's an option. We may occasionally receive a
04:31:09 25 federal form.

04:31:14 1 Q. Fair enough. But your testimony is that
04:31:17 2 generally the NVRA agencies are using the state form --
04:31:20 3 A. Yes.
04:31:20 4 Q. -- for voter registration?
04:31:21 5 A. Yes.
04:31:22 6 Q. Okay. Earlier today we kind of talked about
04:31:28 7 the ways in which we might try to figure out, you know,
04:31:33 8 how many people who are federal only go ahead and cure
04:31:38 9 and become full ballot voters. Do you recall that
04:31:41 10 discussion?
04:31:42 11 A. Yes.
04:31:43 12 Q. And you had referenced that, you know, you
04:31:46 13 could take a snapshot from today and compare it to maybe
04:31:49 14 a snapshot a few months down the line and kind of
04:31:52 15 compare them to see who had, you know, quote/unquote,
04:31:56 16 cured their federal only status and become a full ballot
04:32:01 17 voter, right?
04:32:01 18 A. Yes.
04:32:03 19 Q. Okay. Do you have access to like -- outside of
04:32:09 20 if you were to take a snapshot today and then take a
04:32:11 21 snapshot a few months down the line, does your office
04:32:15 22 have kind of snapshots of what the database has looked
04:32:18 23 like at different points of time?
04:32:26 24 A. Yes; only in reference to public records
04:32:29 25 requests that have been previously provided at a certain

04:32:31 1 time frame in the system.

04:32:33 2 Q. Okay. And do those happen at relatively

04:32:39 3 regular intervals?

04:32:42 4 A. Public records requests? They come in daily.

04:32:46 5 Q. Okay. So how often, in general, is your office

04:32:49 6 kind of creating those snapshots and saving them?

04:32:55 7 A. Multiple times a week.

04:33:01 8 Q. Okay. I'm going to mark as Exhibit 30 MC 2742.

04:33:19 9 (Deposition Exhibit 30 was marked for

04:33:33 10 identification.)

04:33:33 11 BY MS. LANG:

04:33:33 12 Q. And do you recognize this document?

04:33:35 13 A. Yes.

04:33:36 14 Q. And what is it?

04:33:39 15 A. These are discussions about election law reform

04:33:43 16 ideas.

04:33:45 17 Q. Okay. And if I can understand this e-mail

04:33:53 18 chain correctly, this first page is an e-mail from you

04:33:58 19 to Stephen Richer from January 9, 2023, the first page

04:34:03 20 of the document; is that right?

04:34:05 21 A. Yes.

04:34:07 22 Q. Okay. And what's below, you know, there are

04:34:09 23 some questions and then bullet points, and if you look

04:34:13 24 at the last page of this document, it looks like the

04:34:19 25 questions originally came from County Recorder Richer,

04:34:23 1 and then the bullet points were drafted by you; is that
04:34:23 2 right?

04:34:26 3 A. Yes.

04:34:26 4 Q. Okay. I want to talk briefly about the third
04:34:39 5 bullet point under what else on the legislative front
04:34:42 6 for voter registration. And here you write that,
04:34:45 7 lastly, we currently have several new state laws that
04:34:48 8 violate federal law. Do you see that sentence?

04:34:50 9 A. Yes.

04:34:53 10 Q. What new state laws were you referencing here?

04:34:57 11 A. The ones that are -- we've been talking about
04:35:00 12 today.

04:35:01 13 Q. Okay. Any others, or were you specifically
04:35:03 14 talking about the laws at issue in this litigation?

04:35:06 15 A. Specifically the laws at issue here today.

04:35:12 16 Q. Okay. And you say, "I don't know if we need an
04:35:14 17 AG opinion, but I feel like many counties are confused
04:35:18 18 and seeking county legal guidance which makes sense,"
04:35:21 19 period.

04:35:21 20 Is that right?

04:35:22 21 A. Yes.

04:35:23 22 Q. And as you sit here today, does that continue
04:35:26 23 to be kind of your understanding and feeling about how
04:35:28 24 County Recorders are feeling?

04:35:30 25 MR. O'CONNOR: Form.

04:35:32 1 BY MS. LANG:

04:35:33 2 Q. Do you agree that many counties are confused
04:35:36 3 and seeking county legal guidance?

04:35:38 4 A. This was written in January. I feel now that
04:35:41 5 it's been made very clear that we are to be in a holding
04:35:44 6 pattern until guidance is received from the Secretary of
04:35:52 7 State's Office.

04:35:52 8 Q. Okay. That's very helpful. Thank you.

04:35:55 9 And so your next sentence kind of referred to a
04:35:59 10 concern that, you know, different counties would do
04:36:04 11 different things and that would lead to voters being
04:36:06 12 treated differently.

04:36:08 13 Has that concern -- do you continue to have
04:36:10 14 that concern, or has it been resolved by the more clear
04:36:16 15 guidance that you're in a holding pattern?

04:36:21 16 A. I feel that the guidance to hold is --
04:36:26 17 alleviated some of the concern. I think once guidance
04:36:29 18 is provided, then we will reevaluate.

04:36:34 19 Q. And then the next thing you say is, "We should
04:36:37 20 be able to use expired MVD credentials to confirm a
04:36:41 21 voter's citizenship, and we currently do not."

04:36:46 22 Can you explain why it is that you thought we
04:36:49 23 should be able to use expired MVD credentials to confirm
04:36:53 24 a voter's citizenship?

04:36:54 25 A. It's my personal opinion that we are looking to

04:36:57 1 validate DPOC, and regardless if somebody's driver's
04:37:02 2 license is expired, it should still be able to validate
04:37:05 3 the proof of citizenship.
04:37:07 4 Q. And that makes some sense to me, right, like
04:37:10 5 the citizenship status of that individual has not
04:37:13 6 changed just because their driver's license has expired,
04:37:17 7 correct?
04:37:17 8 MS. STUART: Form.
04:37:18 9 THE WITNESS: That's my opinion.
04:37:19 10 BY MS. LANG:
04:37:31 11 Q. Okay. This last section that says, "New law
04:37:34 12 that protects VR/Elections employee's personal
04:37:37 13 information, and party within the voter
04:37:40 14 registration database," why is it that you listed that
04:37:42 15 as a potential legislative item?
04:37:46 16 A. I think the nature of elections has changed
04:37:50 17 significantly, especially in the last couple years, and
04:37:53 18 we have had staff that have been concerned for their
04:37:56 19 safety; and so having something that would protect their
04:38:00 20 information from being released to the public would make
04:38:05 21 them feel better.
04:38:06 22 Q. Yeah. I don't think it will be a surprise to
04:38:09 23 anyone in this room that Maricopa County has been the
04:38:12 24 center of many kind of inflammatory rhetoric when it
04:38:30 25 comes to elections; is that fair to say?

04:38:32 1 A. That's a fair assessment.

04:38:35 2 Q. Okay. And your office -- I should not assume.

04:38:41 3 Let me ask.

04:38:42 4 Has your office kind of felt the impact of that

04:38:47 5 kind of inflammatory rhetoric around the elections

04:38:50 6 process in Maricopa County?

04:38:52 7 A. I feel it has.

04:38:54 8 Q. Okay. And can you expound on that a little

04:38:57 9 bit, like what -- what has the impact on you and your

04:39:00 10 staff been of being at the center of many of these

04:39:04 11 debates?

04:39:05 12 A. I don't want to speak necessarily for my staff,

04:39:08 13 although they have relayed that they feel putting their

04:39:13 14 residential address information out would -- could be

04:39:16 15 potentially harmful. You know, they're scared that

04:39:23 16 somebody's going to show up at their house. But there

04:39:26 17 is a new law now that has allowed, you know, certain

04:39:29 18 election officials that are certified to request their

04:39:33 19 record to be sealed.

04:39:36 20 Q. And do you think that has helped with some of

04:39:39 21 the concerns?

04:39:40 22 A. I think it's still very new, but I think it has

04:39:44 23 helped.

04:39:47 24 Q. Okay. And it's entirely fair that you don't

04:39:50 25 want to speak for your staff; but, you know, as the kind

04:39:52 1 of representative today for the Recorder's Office, I do
04:39:55 2 think you can speak more generally about kind of what
04:39:58 3 the impact has been.

04:40:01 4 And to that effect, you know, earlier today we
04:40:04 5 talked about kind of allegations of voter fraud that
04:40:08 6 your office may have received. And putting aside kind
04:40:13 7 of credibility or whether or not these are real or
04:40:18 8 serious allegations, has your office received a lot of
04:40:23 9 public comment about the elections process in the wake
04:40:28 10 of the 2020 election?

04:40:30 11 A. The Recorder's Office has, yes.

04:40:32 12 Q. Okay. And, you know, earlier today we looked
04:40:35 13 at a document that was an e-mail from County Recorder
04:40:42 14 Richer where he was concerned that an individual might
04:40:46 15 send, you know, a list of many thousands of individuals
04:40:48 16 that they wanted to question their citizenship status.

04:41:01 17 Based on your experience working in the office,
04:41:04 18 is that concern kind of borne out from the public
04:41:09 19 comments the Recorder's Office has received in recent
04:41:12 20 years?

04:41:13 21 MR. O'CONNOR: Form.

04:41:15 22 THE WITNESS: In my experience and my
04:41:17 23 opinion, yes.

04:41:24 24 MS. LANG: I don't have any further
04:41:25 25 questions right now. So we're going to go ahead and

04:41:28 1 take a break, and then the United States will ask some
04:41:32 2 questions.

04:41:33 3 THE WITNESS: Okay.

04:41:33 4 THE VIDEOGRAPHER: We are off the record.
04:41:35 5 The time on the video monitor is 4:41 p.m. This ends
04:41:47 6 Media 4.

04:41:54 7 (A recess was taken.)

04:47:10 8 THE VIDEOGRAPHER: We are on the record.
04:47:11 9 The time on the video monitor is 4:47 p.m. This begins
04:47:14 10 Media 5.

04:47:14 11

04:47:16 12 EXAMINATION

04:47:16 13 BY MS. BRAILEY:

04:47:18 14 Q. Hi, Ms. Petty. I'm Emily Brailey with the
04:47:22 15 United States, and I only have a few questions. It will
04:47:25 16 sort of bounce around some of the subject matter we've
04:47:28 17 covered today, just some follow-up questions to get a
04:47:30 18 few more details. So if you ever feel that you don't
04:47:33 19 understand where the question is going or you need to
04:47:36 20 refresh your memory on what we had spoken about, please
04:47:39 21 stop me and let me know, okay?

04:47:40 22 A. Okay.

04:47:46 23 Q. Does the Maricopa Recorder -- does your office
04:47:49 24 ever need to check voters for any reason against AVID,
04:47:57 25 specifically, before you check them against your own

04:48:00 1 voter system?

04:48:01 2 A. Yes, we do check voter records against AVID.

04:48:04 3 Q. And what fields do you use when you look up

04:48:07 4 those voters in AVID?

04:48:09 5 A. It's actual an automated process to look up

04:48:13 6 duplicates nightly to see if there's a voter registered

04:48:16 7 in Maricopa that is also potentially registered in

04:48:19 8 another county and somehow like their last name changed

04:48:22 9 or something was transposed on their date of birth. So

04:48:25 10 it's an overnight automated process that looks at all

04:48:28 11 the data fields from the form.

04:48:29 12 Q. And which fields must be a match for you to

04:48:32 13 confirm that it's a duplicate?

04:48:34 14 A. So we like to have at least four pieces of data

04:48:38 15 to confirm a hard match and three for a soft, and it

04:48:43 16 would include first name, last name, date of birth,

04:48:46 17 driver's license, SSN4.

04:48:55 18 Q. And in the AVID database there are several

04:48:58 19 columns. There are several columns, and I'm going to

04:49:15 20 ask you about four of those column names based on your

04:49:20 21 experience with AVID.

04:49:23 22 Are you familiar with the columns ID and VRAZ

04:49:28 23 Voter ID, the first two columns in the AVID system?

04:49:33 24 A. ID?

04:49:34 25 Q. Yeah.

04:49:35 1 A. So that's their voter registration identity
04:49:38 2 number.

04:49:38 3 Q. Right. And when or why, I guess, is that
04:49:46 4 number different from the VRAZ ID?

04:49:50 5 A. Because it -- Maricopa has its own voter
04:49:55 6 registration system and so we issue a Maricopa voter ID,
04:50:00 7 but it's also tied to their AVID ID, so you can search
04:50:03 8 the voter by either number in either system.

04:50:06 9 Q. Got it.

04:50:08 10 And then there are two other columns titled
04:50:11 11 Federal-ID Only and Federal-No ID. Can you tell me the
04:50:16 12 difference between those two field names?

04:50:18 13 A. The difference is a federal only voter has not
04:50:22 14 proven that they are at least a person. There's no
04:50:25 15 identity. Fed I means that they have at least provided
04:50:29 16 enough information to prove they are a person.

04:50:33 17 Q. And in the AVID database it doesn't say Fed I.
04:50:37 18 It says Federal-ID Only and Federal-No ID. So if it
04:50:41 19 says Federal-ID Only, those -- that column -- am I
04:50:47 20 correct that that column indicates that the person
04:50:50 21 provided identification; and then No ID means that the
04:50:54 22 person did not provide identification?

04:50:56 23 A. Yes.

04:50:58 24 Q. Okay. Thank you. That's helpful.

04:51:05 25 Has your office encountered duplicate driver

04:51:10 1 license numbers?

04:51:14 2 A. What do you mean?

04:51:16 3 Q. As in have you encountered non-unique driver's
04:51:23 4 license numbers that you -- strike that.

04:51:36 5 Let me ask a different question. I have two
04:51:43 6 sort of hypothetical questions for you about information
04:51:46 7 you might get about a voter and what status you would
04:51:52 8 give that voter.

04:51:53 9 So, for example, if you have two files, both
04:51:56 10 have the same name, both have the same birthday, both
04:52:01 11 have the same social security number, and they both have
04:52:04 12 the same driver's license number, but they have a
04:52:07 13 different birthplace, how would you interpret those two
04:52:09 14 records?

04:52:10 15 A. We would say that there was enough of the valid
04:52:13 16 matching data to say it is a match.

04:52:16 17 Q. So would that mean that the different
04:52:19 18 birthplace might be a mistake?

04:52:22 19 A. It would just become irrelevant.

04:52:38 20 Q. Okay. And then our second scenario, we have
04:52:43 21 two files. We have, again, the same name on each file.
04:52:47 22 We have the same birthday on each file. However, one
04:52:49 23 file provided social security number and a driver's
04:52:52 24 license number. The other did not. And they have the
04:52:55 25 same birthplace. How do you interpret those two files?

04:53:02 1 A. We would -- if we had three points of data, we
04:53:05 2 would say that it's a match.

04:53:20 3 Q. And so is there any reason that you would have
04:53:25 4 two files where it's the same -- sorry.

04:53:33 5 Would you ever have two files with different
04:53:36 6 voters who have the same driver's license number, or is
04:53:41 7 that merely an impossible scenario?

04:53:43 8 A. The only way that would happen is if there was
04:53:46 9 an error at the MVD office and they accidentally
04:53:49 10 assigned somebody the same driver's license or overrode
04:53:52 11 somebody else's driver's license number.

04:53:55 12 Q. That makes sense
04:54:10 13 So we reviewed some of the birthplace
04:54:13 14 information in the AVID database that we received from
04:54:16 15 the Secretary of State, and we noticed that there's not
04:54:19 16 a uniform way that people -- or, rather, there's not a
04:54:23 17 uniform way in which birthplace was displayed. Some
04:54:26 18 people wrote Nogales, and it could have been Arizona or
04:54:30 19 Mexico. Some people wrote AZ versus ARIZ. You know,
04:54:37 20 there were lots of different ways to record this. And
04:54:42 21 so I have some questions about how the birthplace is
04:54:48 22 entered into the voter file.

04:54:49 23 So, first, is there any guidance to voters on
04:54:53 24 how they should complete that field in the state form;
04:54:57 25 that field being the birthplace field?

04:54:59 1 A. I believe it says enter your place or state or
04:55:02 2 country of birth.

04:55:03 3 Q. Right. And so is there any guidance anywhere
04:55:06 4 that tells a voter whether they should indicate that as
04:55:09 5 two letters, for example, versus a full word versus an
04:55:15 6 abbreviation of some kind?

04:55:17 7 A. I don't believe so.

04:55:22 8 Q. And what answers do you accept in that field?

04:55:25 9 A. Whatever the voter puts.

04:55:31 10 Q. And how do you transcribe that, that being what
04:55:34 11 the voter puts, into the Maricopa database and then into
04:55:39 12 AVID?

04:55:40 13 A. So we would take exactly what they put in that
04:55:45 14 form in the voter registration database, Maricopa's
04:55:49 15 voter registration database, just exactly like they
04:55:52 16 provided it, and that automatically replicates up to the
04:55:55 17 state AVID system.

04:55:56 18 Q. And does your office confirm the birthplace of
04:56:00 19 anybody who's entered it into the state form?

04:56:02 20 A. No.

04:56:04 21 Q. Would there be a way to confirm it?

04:56:06 22 A. No.

04:56:07 23 Q. Is there a database that exists that you could
04:56:13 24 check somebody's birthplace against?

04:56:15 25 A. Not that I'm aware of.

04:56:20 1 Q. Are you aware of any guidelines to -- are you
04:56:27 2 aware of any guidelines that might be forthcoming about
04:56:31 3 how they should fill in that field should the counties
04:56:37 4 implement H.B. 2492?

04:56:39 5 A. We haven't received guidance on how to
04:56:41 6 implement that yet.

04:56:41 7 Q. Is that part of the drafting process for the
04:56:44 8 new EPM?

04:56:48 9 A. I don't recall that being called out in the
04:56:52 10 draft.

04:56:53 11 Q. And so I understand you haven't received
04:56:55 12 guidance. Have there been any conversations about this,
04:56:59 13 about how to instruct voters how they should fill out
04:57:03 14 the field of birthplace?

04:57:05 15 A. Not that I'm aware of.

04:57:23 16 Q. So currently my understanding is if a person
04:57:26 17 registers to vote using the state form and they do not
04:57:30 18 provide DPOC, but they have checked the box that they're
04:57:36 19 a citizen, they are registered as a federal only voter.
04:57:41 20 I have that correct?

04:57:42 21 A. That's correct.

04:57:42 22 Q. Okay. And so if they provide DPOC at a later
04:57:45 23 time, you know, up until the Thursday before the
04:57:47 24 election, they can vote a full ballot?

04:57:50 25 A. Yes.

04:57:52 1 Q. And how is that indicated in the system for
04:57:55 2 that voter once they provide a DPOC?

04:57:57 3 A. We process their DPOC and update their status
04:58:01 4 from federal only to active full ballot.

04:58:03 5 Q. And when you say status, that's their
04:58:06 6 registration status?

04:58:07 7 A. Yes.

04:58:08 8 Q. And is that done with the voter registration
04:58:10 9 update or with the admin update?

04:58:12 10 A. It would be a voter registration update.

04:58:14 11 Q. And that's because it's changing the status of
04:58:18 12 the person as registered to vote as a full ballot voter
04:58:22 13 versus a federal only voter?

04:58:24 14 A. It's a voter-initiated change so it would be
04:58:27 15 provided by the voter, so it would be a voter
04:58:30 16 registration update.

04:58:31 17 Q. Got it.

04:58:33 18 Does your office view DPOC then as a voter
04:58:37 19 registration requirement, no matter when it's provided?

04:58:42 20 A. Can you ask that again?

04:58:44 21 Q. Yes, absolutely.

04:58:46 22 So it seems that no matter when a voter
04:58:52 23 provides DPOC -- so it's not provided at the time of
04:58:55 24 registration. It's provided much later in the process.
04:58:57 25 But no matter when it's provided, it seems to be

04:59:00 1 considered part of their voter registration packet
04:59:04 2 application. So does that mean it's -- DPOC is a voter
04:59:09 3 registration requirement?

04:59:12 4 A. I would not say that DPOC is a voter
04:59:15 5 registration requirement. The attestation to the form
04:59:19 6 saying they are a United States citizen is the
04:59:21 7 requirement to get them added to the rolls as a federal
04:59:24 8 only voter. If they want to be a full ballot voter,
04:59:27 9 then, yes, DPOC would be required.

04:59:28 10 Q. So it's a voter registration requirement for
04:59:31 11 somebody to register as a full ballot voter?

04:59:33 12 A. Yes.

04:59:42 13 Q. Is there any other way that you would
04:59:44 14 categorize DPOC other than as a voter registration
04:59:48 15 requirement for full ballot voters?

04:59:52 16 A. I don't think I understand what you're asking
04:59:54 17 me.

05:00:04 18 Q. So in the context that we've been discussing,
05:00:08 19 DPOC is a voter registration requirement, right, for the
05:00:14 20 people who want to be registered as full ballot voters?

05:00:18 21 A. Yes.

05:00:19 22 Q. Is there -- one minute.

05:00:36 23 I think we can move on from that question.

05:00:42 24 Okay. So same question, but slightly
05:00:48 25 different. So somebody registers to vote using a

05:00:51 1 federal form and then they later provide DPOC. They are
05:00:55 2 then treated as a full ballot voter; is that correct?

05:00:58 3 A. Yes.

05:00:58 4 Q. And going forward, they continue to be treated
05:01:01 5 as a full ballot voter?

05:01:02 6 A. Yes.

05:01:05 7 Q. And that's true whether -- that's true even if
05:01:08 8 DPOC is provided the Thursday before the election, even
05:01:11 9 if they registered to vote months and months before
05:01:14 10 this?

05:01:14 11 A. Yes.

05:01:37 12 Q. Okay. And I think you may have answered this
05:01:39 13 in the very beginning. I apologize if you -- I
05:01:41 14 apologize if you have.

05:01:43 15 Have you encountered conflicting information in
05:01:49 16 one of the databases, let's say MVD, SSA, AVID, as
05:01:54 17 compared to a registration application that you receive?

05:01:59 18 A. In what context?

05:02:02 19 Q. So maybe there's conflicting information about
05:02:06 20 the person's -- as simple as everything matches except
05:02:15 21 for a part of a person's name or everything matches
05:02:18 22 except for one of the ID numbers. I guess I'm wondering
05:02:31 23 if it's possible for you to see conflicting information
05:02:34 24 on a voter registration application as compared to
05:02:39 25 something in the database that goes to the person's

05:02:41 1 identity?

05:02:45 2 A. Occasionally. Say somebody, as an example,
05:02:48 3 somebody has registered to vote with a new name, and the
05:02:56 4 prior information that we had, now we don't know that
05:03:01 5 they had actually provided a legal name change to the
05:03:04 6 MVD. So in that case we would go back out to MVD as
05:03:07 7 part of this new registration and confirm with MVD that
05:03:11 8 there was a legal name change for this voter on record
05:03:14 9 with them.

05:03:18 10 Q. And so then you're able to cure the conflicting
05:03:23 11 information by going to MVD, and that information then,
05:03:27 12 however you resolve it with MVD, is then edited into
05:03:32 13 that person's record --

05:03:33 14 A. Yes.

05:03:33 15 Q. -- in the system?

05:03:36 16 But your office cannot do those modifications
05:03:41 17 yourself; there's nobody who can go into the program and
05:03:45 18 edit those -- edit that conflicting information; it has
05:03:50 19 to be done through MVD?

05:03:52 20 A. No, our users -- once we get validation about
05:03:55 21 the conflicting information, our users would change the
05:03:59 22 record to mirror what the voter registration form was,
05:04:03 23 the newly submitted form.

05:04:04 24 Q. And who does that? Would that be the IT group
05:04:07 25 that you spoke about?

05:04:08 1 A. No, our voter registration clerks.

05:04:10 2 Q. The clerks can do it. Okay.

05:04:18 3 MS. BRAILEY: I believe that's all I have
05:04:20 4 for you. Thank you so much.

05:04:23 5 If we can go off the record for a second.

05:04:24 6 THE VIDEOGRAPHER: We are off the record.

05:04:25 7 Time on the video monitor is 5:04 p.m.

05:04:29 8 (A recess was taken.)

05:16:13 9 THE VIDEOGRAPHER: We are on the record.

05:16:14 10 The time on the video monitor is 5:16 p.m.

05:16:17 12 EXAMINATION

05:16:17 13 BY MR. HERRERA:

05:16:19 14 Q. Hi. Good afternoon, Ms. Petty. My name is
05:16:22 15 Ernest Herrera and I'm from MALDEF, and I represent
05:16:25 16 Promise Arizona and Southwest Voter Registration
05:16:29 17 Education Project, two of the plaintiffs in this case.
05:16:31 18 I just have a few questions for you.

05:16:34 19 Earlier you looked at Exhibit 21, which was a
05:16:38 20 copy of House Bill 2243, and first I'd like to direct
05:16:45 21 your attention to Page 6 of that.

05:16:55 22 And under Page -- on Page 6 of Exhibit 21 there
05:17:06 23 is the language there under Section H referring to
05:17:11 24 reason to believe, right? Do you recall that?

05:17:14 25 A. Section H?

05:17:15 1 Q. Section H.

05:17:16 2 A. Yes.

05:17:19 3 Q. Now, earlier you said that you don't have

05:17:22 4 guidance on how to decide if there is reason to believe

05:17:26 5 that someone is not a United States citizen for purposes

05:17:30 6 of implementing the new law that calls on County

05:17:35 7 Recorders to use SAVE under this Section H; do you

05:17:37 8 remember that?

05:17:37 9 A. Yes.

05:17:40 10 Q. Why is it that you await guidance on how to

05:17:43 11 implement that Section H about a reason to believe

05:17:47 12 someone is not a United States citizen before

05:17:50 13 implementing it?

05:17:51 14 A. Because I don't feel that it's clear about what

05:17:54 15 reason to believe means.

05:17:57 16 Q. And what about it do you not think is clear?

05:18:02 17 A. I'll give you an example. If somebody walks

05:18:05 18 into my office and says that they believe their

05:18:08 19 next-door neighbor is not a United States citizen, is

05:18:11 20 that credible? I don't know.

05:18:13 21 If there's a list that somebody from anywhere

05:18:18 22 provided that said these list of people are not United

05:18:22 23 States citizens, do I know if that's credible or not?

05:18:26 24 Does that make me believe what they said just because

05:18:28 25 they provided it? I don't know. I need guidance on

what makes it credible to make me believe it.

Q. Now, earlier you talked about -- I think you said you supervise about 20 staff?

A. Yes.

Q. How many of those staff work on voter registration database maintenance?

A. Everybody's trained on how to do this maintenance.

Q. What would you hope that guidance includes regarding how to implement that Section H about reason to believe someone is not a United States citizen before implementing it?

MR. O'CONNOR: Form.

THE WITNESS: I would just hope that whatever guidance is provided, that it's clear.

BY MR. HERRERA:

Q. Do you think that a County Recorder employee would need that guidance on how to implement that section about reason to believe someone is not a United States citizen?

A. Yes.

Q. And why is that?

A. Because we would add it to our policies and procedures for them to understand how to implement it.

Q. Are you aware of any other state voter

05:19:42 1 registration law or voter registration guidance that
05:19:45 2 requires a County Recorder employee to decide if he or
05:19:49 3 she has reason to believe whether a registered voter
05:19:52 4 meets one of the eligibility requirements for voting?

05:19:55 5 MS. BOUGHTON: Form.

05:19:56 6 THE WITNESS: Are you saying our state or
05:19:58 7 another state?

05:20:00 8 BY MR. HERRERA:

05:20:01 9 Q. Your state.

05:20:03 10 A. If I -- I think I understand what you're
05:20:06 11 asking. We would believe a voter's signed affidavit
05:20:10 12 under penalty of perjury that they meet the eligibility
05:20:13 13 requirements until we get information that says
05:20:15 14 otherwise.

05:20:20 15 Q. Are you aware of any other state law provisions
05:20:22 16 or guidance from the Secretary that has language similar
05:20:27 17 to reason to believe?

05:20:30 18 A. Not off the top of my head.

05:20:33 19 Q. Earlier you testified that the County
05:20:36 20 Recorder's Office is not a policing agency. Would you
05:20:39 21 consider the determination of whether there is reason to
05:20:42 22 believe someone is not a United States citizen more akin
05:20:45 23 to a determination to be made by a policing agency?

05:20:48 24 MS. BOUGHTON: Form.

05:20:53 25 THE WITNESS: I would defer to my County

05:20:56 1 Attorney on that determination.

05:20:57 2 BY MR. HERRERA:

05:20:58 3 Q. Okay. From your understanding, would it be

05:21:00 4 something that you thought that a policing agency should

05:21:02 5 determine?

05:21:05 6 A. I would think that that would be outside the

05:21:08 7 purview of what my division would do.

05:21:12 8 Q. And, now, you testified earlier today that for

05:21:16 9 H.B. 2492 provisions you would not send out any notices

05:21:21 10 yet, right?

05:21:23 11 A. That has not been implemented, correct.

05:21:26 12 Q. With regard to the provisions related to

05:21:29 13 H.B. 2243 as reflected in Exhibit 21, is there anything

05:21:35 14 to prevent you or anyone at the County Recorder's Office

05:21:40 15 from sending out a notice for Section F regarding the

05:21:44 16 comparisons between the voter registration database and

05:21:48 17 the Department of Transportation database?

05:21:55 18 A. To my knowledge, there has not been a

05:21:58 19 comparison, so I would not be able to do that even if

05:22:02 20 the data -- if I -- if I was allowed to do it.

05:22:07 21 Q. Right. Is there a -- are there any rules right

05:22:11 22 now in place from the Secretary or anyone else saying

05:22:14 23 not to send out notices for that with regard to that

05:22:18 24 provision?

05:22:20 25 A. This provision has been put on hold with the

05:22:23 1 rest of the newly -- this new law.

05:22:28 2 Q. Okay. And for that reason you would not send
05:22:30 3 out a notice to someone based on a comparison because
05:22:35 4 it's not been implemented yet?

05:22:37 5 A. Correct.

05:22:38 6 Q. Okay. And to go to the SAVE checks using the
05:22:44 7 SAVE system under Section H of 2243, is there anything
05:22:50 8 to prevent you or anyone else at the County Recorder's
05:22:54 9 Office from sending out a notice after using SAVE in
05:23:01 10 accordance with that provision?

05:23:07 11 A. We haven't implemented this provision, so we
05:23:11 12 are not sending letters in regards to Section H.

05:23:16 13 Q. Are you aware of -- and I'm sorry to go back
05:23:19 14 here, but going back to the questions about reason to
05:23:22 15 believe, you mentioned -- you discussed earlier a
05:23:27 16 meeting that happened recently, a Teams meeting,
05:23:31 17 discussing revisions to the elections procedures manual.
05:23:37 18 Did any of -- did any of that meeting discuss or --
05:23:43 19 during that meeting, did you discuss anything about
05:23:45 20 reason to believe someone is not a United States citizen
05:23:49 21 for purposes of implementing Section H in 2243?

05:23:54 22 A. I do not believe that was specifically
05:23:57 23 discussed.

05:24:00 24 MS. LANG: Can we go off the record for a
05:24:01 25 moment? I'm told that we've lost the streaming.

05:24:04 1 MR. HERRERA: That's fine. I'm done with
05:24:06 2 mine.

05:24:06 3 MS. LANG: Oh, I'm sorry. I didn't mean
05:24:08 4 to cut you off.

05:24:10 5 THE VIDEOGRAPHER: We are off the record.
05:24:11 6 Time on the video monitor is 5:24 p.m.

05:26:29 7 (A recess was taken.)

05:26:41 8 THE VIDEOGRAPHER: We are on the record.
05:26:43 9 Time on the video monitor is 5:26 p.m.

05:26:46 10

05:26:46 11 EXAMINATION

05:26:46 12 BY MR. DODGE:

05:26:47 13 Q. Good afternoon, Ms. Petty, or perhaps good
05:26:50 14 evening at this point. My name is Chris Dodge. I
05:26:52 15 represent the Mi Familia Vota plaintiffs in this matter.

05:26:55 16 I just have a few questions for you about
05:26:58 17 Maricopa County's experiences with allegations of fraud
05:27:02 18 in its recent elections, which I know we've discussed a
05:27:05 19 little bit already tonight.

05:27:06 20 Before that I just have a couple questions for
05:27:08 21 you about provisional ballots. What are the most common
05:27:11 22 reasons why a provisional ballot might be rejected in
05:27:14 23 Maricopa County?

05:27:16 24 A. The person wasn't registered to vote by the
05:27:20 25 29-day deadline; they hadn't updated their address on

05:27:25 1 the roster in time; they -- well, we have vote centers,
05:27:33 2 so it couldn't be wrong precinct. I think those are the
05:27:37 3 big ones.

05:27:37 4 Q. If a person who had their provisional ballot
05:27:39 5 rejected, received a message saying you are not eligible
05:27:42 6 to vote in this election, what would that mean?

05:27:45 7 A. That would most likely mean they were not
05:27:47 8 registered by the deadline, so they're not eligible for
05:27:50 9 that election.

05:27:50 10 Q. And any other reasons why they might receive
05:27:52 11 that message?

05:27:56 12 A. If it was a partisan election and they were an
05:28:01 13 independent.

05:28:02 14 Q. Okay.

05:28:02 15 A. And it was a PPE. So independents are not
05:28:07 16 allowed -- they're not eligible.

05:28:09 17 Q. That makes sense. Any other possible reasons
05:28:11 18 why they would receive that message?

05:28:13 19 A. I can't think of any right now.

05:28:14 20 Q. Okay. In that case I'm going to hand you what
05:28:19 21 I will call Exhibit 31.

05:28:29 22 (Deposition Exhibit 31 was marked for
05:28:34 23 identification.)

05:28:34 24 BY MR. DODGE:

05:28:34 25 Q. Are you familiar with this document?

05:28:35 1 MS. STUART: I'm sorry to interrupt. Are
05:28:37 2 these on the Dropbox?

05:28:38 3 MR. DODGE: Can we go off the record for
05:28:40 4 half a second?

05:28:43 5 THE VIDEOGRAPHER: We are off the record.
05:28:45 6 Time on the video monitor is 5:28 p.m.

05:29:06 7 (An off-the-record discussion ensued.)

05:29:06 8 THE VIDEOGRAPHER: We are on the record.
05:29:07 9 Time on the video monitor is 5:29 p.m.

05:29:11 10 BY MR. DODGE:

05:29:12 11 Q. Returning to Exhibit 31, can you tell me what
05:29:14 12 this document is?

05:29:16 13 A. This is a document that was put together by the
05:29:22 14 elections department for Maricopa County.

05:29:25 15 Q. And can you tell me what the purpose of the
05:29:27 16 document was?

05:29:28 17 A. The purpose, I believe, was to go into an
05:29:33 18 analysis about what happened on election day, as it
05:29:37 19 states here, Correcting the Record.

05:29:39 20 Q. That makes sense.

05:29:40 21 And did you have a role in preparing this
05:29:42 22 document?

05:29:44 23 A. I had -- yes, I was part of creating some of
05:29:48 24 this.

05:29:50 25 Q. Is it fair to say the purpose of this document

05:29:52 1 was to combat misinformation about Maricopa County's
05:29:57 2 2020 general election, right?

05:29:59 3 A. Yes.

05:30:01 4 Q. Okay. If you could turn to Page 2 of this
05:30:05 5 document, about halfway down this page there's a
05:30:17 6 paragraph that reads "Many allegations about the
05:30:20 7 November 2020 general election made their way to court
05:30:24 8 and Maricopa County clearly presented the facts to
05:30:26 9 judges at both the state and federal level. Fourteen
05:30:29 10 different times complaints alleged election fraud,
05:30:31 11 manipulation, or tampering in Maricopa County's 2020
05:30:34 12 general election. No claim succeeded. For a complete
05:30:38 13 listing of all court cases, see Exhibit - Court Cases."
05:30:42 14 Did I read that correctly?

05:30:42 15 A. Yes.

05:30:43 16 Q. Is it accurate to say that every legal
05:30:47 17 challenge concerning election fraud and manipulation or
05:30:50 18 tampering in Maricopa County's 2020 general election
05:30:53 19 failed?

05:30:54 20 A. Yes.

05:30:55 21 Q. Do you see at the end of that paragraph where
05:30:57 22 it says "Exhibit - Court Cases"?

05:30:59 23 A. Yes.

05:31:00 24 Q. Do you know what that's referring to?

05:31:04 25 A. An exhibit. I have not seen it.

05:31:14 1 Q. Producing what I'll call Exhibit 32.

05:31:29 2 (Deposition Exhibit 32 was marked for

05:31:32 3 identification.)

05:31:32 4 BY MR. DODGE:

05:31:32 5 Q. Are you familiar with this document?

05:31:33 6 A. This is the first time I've seen it.

05:31:35 7 Q. Does it appear to be the Exhibit - Court Cases

05:31:39 8 that we previously discussed?

05:31:40 9 A. Yes.

05:31:42 10 Q. And on this document there are some bullets

05:31:45 11 describing various lawsuits against Maricopa County; do

05:31:49 12 you see that?

05:31:49 13 A. Yes.

05:31:51 14 Q. And are you familiar with any of these

05:31:53 15 lawsuits?

05:31:54 16 A. A few of them.

05:31:58 17 Q. And it's fair to say that each of these

05:31:59 18 lawsuits ultimately did not prevail in their challenges

05:32:03 19 to Maricopa County's 2020 election?

05:32:04 20 A. Yes.

05:32:06 21 Q. Just starting at the top, are you familiar with

05:32:10 22 what the subject matter was in the Aguilera v. Fontes

05:32:15 23 litigation?

05:32:15 24 A. No.

05:32:16 25 Q. What about -- well, which ones are you familiar

05:32:19 1

with?

05:32:19 2

A. I'd actually have to see. There's a lot of

05:32:22 3

duplicates here, so I don't -- I don't know. I'd have

05:32:24 4

to see a breakdown. I am not involved in much of these

05:32:28 5

court cases unless it's specifically related to voter

05:32:33 6

registration.

05:32:33 7

Q. Are you aware if any of these lawsuits

05:32:35 8

concerned the use of Sharpies to mark ballots in the

05:32:38 9

2020 general election?

05:32:39 10

A. I understand there was a case regarding

05:32:42 11

Sharpies.

05:32:42 12

Q. And are you aware if any of these cases

05:32:45 13

involved the hand-counting of ballots?

05:32:49 14

A. There's a couple cases with hand-counting of

05:32:52 15

ballots.

05:32:52 16

Q. And several of these were also election

05:32:54 17

challenges, correct?

05:32:55 18

A. Correct.

05:32:57 19

Q. And at least one had to do with private funding

05:33:00 20

of elections, is that also correct?

05:33:03 21

A. I believe so.

05:33:05 22

Q. And at least one also concerns an audit of

05:33:09 23

Dominion voting equipment for the election, correct?

05:33:11 24

A. Yes.

05:33:12 25

Q. And in addition to the Correcting the Record

05:33:20 1 document we were just looking at, is it correct that
05:33:22 2 Maricopa County has also published information about
05:33:24 3 these lawsuits on the County Recorder's website?

05:33:29 4 A. I don't know.

05:33:31 5 Q. Do you know whether or not the Maricopa County
05:33:33 6 Recorder has published anything on its website
05:33:38 7 concerning alleged election myths in either the 2020 or
05:33:42 8 2022 general elections?

05:33:44 9 A. I know that on the election site there are
05:33:49 10 Just the Facts information. When I think of the
05:33:54 11 Recorder's website, I think of more like the voter
05:33:57 12 registration section. So like that's more of on the
05:33:58 13 election side.

05:33:59 14 Q. Fair enough.

05:33:59 15 But you're aware on the public-facing
05:34:02 16 Recorder's website that there's a portion called Just
05:34:04 17 the Facts --

05:34:04 18 A. Yes.

05:34:05 19 Q. -- which discusses election myths?

05:34:06 20 A. Yes.

05:34:07 21 Q. And do you have any familiarity with those
05:34:09 22 election myths and what they are at a high level?

05:34:11 23 A. I will be brought in if there's something that
05:34:13 24 needs to be discussed regarding voter registration and
05:34:17 25 our processes.

05:34:17 1 Q. And suffice to say, the Recorder's website goes
05:34:20 2 through how and why each of those myths is, at the end
05:34:23 3 of the day, false, correct?

05:34:24 4 A. Yes.

05:34:26 5 Q. Okay. If we could go back to Exhibit 31 and
05:34:29 6 turn to Page 5. At the top of that page it says, "Our
05:34:40 7 analysis found 37 instances where a voter may have
05:34:44 8 unlawfully cast multiple ballots. We have forwarded the
05:34:46 9 these instances to the Arizona Attorney General's Office
05:34:49 10 for further investigation. We also found 50 instances
05:34:52 11 in which a ballot was potentially double counted. In
05:34:55 12 total, we found fewer an 100 potentially questionable
05:34:58 13 ballots cast out of 2.1 million. This is the very
05:35:02 14 definition of exceptionally rare."

05:35:04 15 Did I read that correctly?

05:35:05 16 A. Yes.

05:35:09 17 Q. So correct to say that your office, after an
05:35:11 18 extensive review, found fewer than 100 potentially
05:35:14 19 questionable ballots out of 2.1 million in the 2020
05:35:17 20 general election in Maricopa County?

05:35:18 21 A. Yes.

05:35:19 22 Q. And what were those potentially questionable
05:35:22 23 ballots attributable to?

05:35:24 24 A. I don't remember.

05:35:25 25 MR. O'CONNOR: Form. Sorry.

05:35:26 1 BY MR. DODGE:

05:35:26 2 Q. According to Exhibit 31 and the portion we just
05:35:29 3 read, can you say what those fewer than 100 potentially
05:35:34 4 questionable ballots were attributable to?

05:35:39 5 A. I -- I don't know where that -- where the
05:35:43 6 breakdown is. I don't -- I didn't -- I didn't prepare
05:35:46 7 this section.

05:35:47 8 Q. Do you know if any of these allegedly
05:35:49 9 improperly cast ballots led to a criminal conviction?

05:35:51 10 A. I do not know.

05:35:53 11 Q. To your knowledge, how many of those
05:35:55 12 questionable ballots were cast by noncitizens?

05:35:57 13 A. I do not know.

05:36:01 14 Q. So you don't know if a single one of those
05:36:04 15 questionable ballots was allegedly cast by a noncitizen?

05:36:07 16 A. I don't know.

05:36:10 17 Q. Based on your knowledge of the Correcting the
05:36:13 18 Record report, does the report discuss allegations of
05:36:15 19 voting by noncitizens at all?

05:36:19 20 A. It's been a long time since I read this. I
05:36:22 21 don't remember if it does or not.

05:36:33 22 Q. All right. I'm going to hand you what I'll
05:36:35 23 call Exhibit 33.

05:36:45 24 (Deposition Exhibit 33 was marked for
05:36:54 25 identification.)

05:36:54 1 BY MR. DODGE:

05:36:54 2 Q. Are you familiar with this document?

05:36:59 3 A. I have seen it, yes.

05:37:01 4 Q. Can you tell me what the document is?

05:37:05 5 A. It's a write-up by the Recorder regarding

05:37:10 6 elections.

05:37:12 7 Q. Can you tell me what's located in the lower and

05:37:15 8 right-hand corner of the cover page of this document?

05:37:21 9 A. You mean the Recorder's seal and the County

05:37:25 10 seal.

05:37:25 11 Q. That's right.

05:37:26 12 So those are the Recorder's seal and the County

05:37:28 13 seal?

05:37:28 14 A. Yes.

05:37:28 15 Q. So does that suggest that this document is a

05:37:32 16 publication of the Recorder's Office rather than

05:37:34 17 Mr. Richer in his personal capacity?

05:37:37 18 MR. O'CONNOR: Form.

05:37:40 19 THE WITNESS: It would appear that way.

05:37:43 20 BY MR. DODGE:

05:37:44 21 Q. Can you turn to Page 2 of this document? And

05:37:49 22 do you see where it says Section 1 about halfway down

05:37:54 23 the page?

05:37:55 24 A. Yes.

05:37:56 25 Q. And it reads under that, "Nobody stole Maricopa

05:38:00 1 County's election. Elections in Maricopa County aren't
05:38:02 2 rigged. Governor Doug Ducey agrees. Former Republican
05:38:07 3 Governor Jan Brewer agrees. Republican Arizona Attorney
05:38:09 4 General Mark Brnovich agrees, and his office has an
05:38:12 5 election integrity unit that presumably receives all
05:38:14 6 evidence of widespread fraud. Former Republican
05:38:18 7 Recorder Helen Purcell agrees. Election directors in
05:38:21 8 every other Arizona county agree."

05:38:23 9 Did I read that correctly.

05:38:23 10 A. Yes.

05:38:24 11 Q. Do you agree with Recorder Richer's statement
05:38:30 12 here that nobody stole Maricopa County's 2020 election?

05:38:34 13 MR. O'CONNOR: Form.

05:38:36 14 THE WITNESS: I agree that all federal and
05:38:41 15 state laws were adhered to in the conducting of that
05:38:44 16 general election in 2020.

05:38:58 17 BY MR. DODGE:

05:38:58 18 Q. Can you turn to the next page of this? And at
05:39:04 19 the top of the second paragraph it says, "So too did the
05:39:08 20 14 courts who heard eight complaints against Maricopa
05:39:11 21 County's election. All of those complaints failed, even
05:39:14 22 after some appeal to the Arizona Supreme Court. Six
05:39:17 23 complaints lost on their merits, only two lost on
05:39:19 24 standing."

05:39:20 25 Did I read that correctly?

05:39:20 1 A. Yes.

05:39:21 2 Q. And those are the same lawsuits we've

05:39:23 3 previously discussed?

05:39:24 4 A. Yes.

05:39:34 5 Q. Okay. I'm going to hand you what I'll call

05:39:37 6 Exhibit 34.

05:39:56 7 MS. STUART: This has already been marked.

05:40:00 8 MR. DODGE: Oh. Does anyone know what

05:40:02 9 exhibit it is?

05:40:03 10 MS. STUART: Yeah.

05:40:04 11 MR. O'CONNOR: Do you know which one the

05:40:07 12 consolidated -- oh, do you have it, Shayna?

05:40:11 13 MS. FROST: I'm pretty sure it's

05:40:13 14 Exhibit 5.

05:40:13 15 MS. STUART: Yeah.

05:40:16 16 MR. DODGE: You can set that aside,

05:40:18 17 actually. It was the wrong exhibit. I apologize for

05:40:21 18 that. We can mark this Exhibit 34.

05:40:40 19 (Deposition Exhibit 34 was marked for

05:40:42 20 identification.)

05:40:42 21 BY MR. DODGE:

05:40:44 22 Q. Are you familiar with this document?

05:40:53 23 A. I don't think so.

05:40:54 24 Q. Can you turn to the top of Page 1 of this

05:40:59 25 document? In the first paragraph it says, "Pursuant to

05:41:02 1 Arizona Rule of Civil Procedure 7.3 and this Court's
05:41:08 2 May 26th and 27th, 2022 orders, Defendants," it then
05:41:12 3 lists a number of County Recorders, one of whom is
05:41:15 4 Maricopa County Recorder Stephen Richer; do you see
05:41:18 5 that?

05:41:18 6 A. Yes.

05:41:21 7 Q. Is it fair to say that this a legal filing on
05:41:23 8 behalf of Recorder Richer in the case identified on the
05:41:27 9 cover page of the document?

05:41:29 10 A. Yes.

05:41:34 11 Q. Could you turn to the bottom of Page 2 of this
05:41:37 12 document?

05:41:37 13 A. Yes.

05:41:38 14 Q. At Line 15 it says, "This system of no-excuse
05:41:43 15 early voting is incredibly popular. Beginning in 2007,
05:41:46 16 the state implemented the permanent early voting list,
05:41:49 17 through which voters may sign up to receive an early
05:41:52 18 ballot in the mail for every election in which the voter
05:41:54 19 is entitled to vote. Use of early voting has grown
05:41:59 20 steadily, especially since implementation of the
05:42:00 21 permanent early voting option. For the 2020 general
05:42:01 22 election, more than three million Arizona voters,
05:42:05 23 88 percent of those who voted, voted by early ballot.
05:42:07 24 No county had fewer than 60 percent of its voters vote
05:42:12 25 early, and more than half of the counties had 80 percent

05:42:15 1 or more of their voters use early ballots."

05:42:18 2 Did I read that correctly?

05:42:18 3 A. Yes.

05:42:19 4 Q. Do those numbers look accurate to you?

05:42:22 5 A. Yes.

05:42:23 6 MR. O'CONNOR: Form.

05:42:24 7 BY MR. DODGE:

05:42:25 8 Q. Do you agree that no excuse early voting is

05:42:28 9 incredibly popular in Maricopa County?

05:42:30 10 A. Yes.

05:42:31 11 Q. Is it the case that no excuse early voting

05:42:33 12 generally accounts for a substantial majority of ballots

05:42:38 13 cast in most Maricopa County elections --

05:42:41 14 MR. O'CONNOR: Form.

05:42:42 15 BY MR. DODGE:

05:42:42 16 Q. -- in the past few years?

05:42:44 17 A. Yes.

05:42:47 18 Q. The next paragraph on Page 3 reads, "These

05:42:49 19 numbers are important not simply because they show the

05:42:52 20 overwhelming popularity of early voting, but because

05:42:54 21 they form the basis of county election officials'

05:42:57 22 election planning," and then cites to a section of

05:43:01 23 Arizona law and the elections procedures manual.

05:43:06 24 Can you tell me why these numbers are important

05:43:10 25 for forming the basis of county election officials'

05:43:13 1 election planning?

05:43:17 2 A. I am not the elections director, so I can't

05:43:20 3 speak to what they do. However, from my experience, it

05:43:25 4 would be important because you want to predict how many

05:43:28 5 early ballots are going to need to be sent, how many

05:43:33 6 people might show up to vote early in person, how many

05:43:36 7 locations you need, how many poll workers you're going

05:43:39 8 to need. It's an essential part of the planning.

05:43:41 9 Q. So it's essential because it informs election

05:43:44 10 officials what sort of logistical needs they'll have to

05:43:47 11 meet both before and on election day?

05:43:49 12 A. Yes.

05:43:53 13 Q. You can set that aside. Last exhibit. Can we

05:43:56 14 go back to Exhibit 5, which I reintroduced need be,

05:44:08 15 but...

05:44:09 16 And if it helps, this is the Maricopa County

05:44:12 17 Recorder's response to plaintiff's consolidated

05:44:14 18 interrogatories.

05:44:16 19 A. Got it.

05:44:19 20 Q. If you could turn to Page 12 of this document,

05:44:23 21 specifically to interrogatory number 9.

05:44:30 22 Interrogatory number 9 reads "Identify and

05:44:32 23 describe each instance" -- strike that.

05:44:35 24 "Identify and describe each instance in which

05:44:37 25 you have established that a non-U.S. citizen or

05:44:39 1 non-county resident has registered to vote or has voted
05:44:43 2 in your county from January 1st, 2013, to present,
05:44:46 3 including but not limited to any supporting evidence
05:44:48 4 thereof."

05:44:49 5 Did I read that portion of the interrogatory
05:44:52 6 correctly?

05:44:52 7 A. Yes.

05:44:52 8 Q. Can you just take a minute to review the County
05:44:56 9 Recorder's response to that interrogatory?

05:45:09 10 A. Yes.

05:45:11 11 Q. Is it accurate to say that your office's
05:45:13 12 response did not identify a single instance of
05:45:16 13 noncitizen voting between 2013 and the present?

05:45:19 14 A. Yes.

05:45:23 15 MR. DODGE: Thank you very much for your
05:45:24 16 service to Maricopa County. I have no more questions.

05:45:28 17 THE WITNESS: Thank you.

05:45:31 18 THE VIDEOGRAPHER: Would you like to
05:45:32 19 conclude the deposition?

05:45:33 20 MS. LANG: No. We'd like to go off the
05:45:35 21 record, though.

05:45:35 22 THE VIDEOGRAPHER: We are going off the
05:45:37 23 record. The time is 5:45 p.m.

05:45:41 24 (A recess was taken.)

05:51:37 25 THE VIDEOGRAPHER: We are on the record.

05:51:38 1 The time on the video monitor is 5:51 p.m.

05:51:43 2

05:51:44 3 RE-EXAMINATION

05:51:44 4 BY MS. LANG:

05:51:44 5 Q. Thank you so much, Ms. Petty, for your patience
05:51:46 6 today, and I'm just going to go back over some
05:51:52 7 additional questions I have about the draft 2023
05:51:57 8 elections procedures manual.

05:51:59 9 So during one of the breaks a copy of the draft
05:52:05 10 2023 elections procedures manual was produced, and it is
05:52:12 11 the version that is marked Arizona Secretary of State
05:52:17 12 2023 Elections Procedures Manual - June 2023 Draft.

05:52:21 13 Do you have that document in front of you?

05:52:28 14 A. AZS0S-477022, what's in front of me?

05:52:33 15 Q. Yes.

05:52:34 16 A. Okay. Yes.

05:52:37 17 Q. And this is the version of the manual, as I
05:52:42 18 understand it, that includes your comments that you
05:52:46 19 provided to the Secretary of State's Office; is that
05:52:51 20 correct? You can see, for example, it's on --

05:52:53 21 A. Yes.

05:52:53 22 Q. Yea. Okay.

05:52:55 23 And so did you -- you mentioned earlier that
05:53:00 24 you had a meeting with the Secretary of State's Office
05:53:03 25 and other County Recorders about this draft; is that

05:53:08 1 right?

05:53:08 2 A. Yes.

05:53:08 3 Q. And that meeting happened sometime recently,
05:53:11 4 although you couldn't recall the date; is that right?

05:53:13 5 A. Yes. It was July 11th, 12th, somewhere in
05:53:18 6 there.

05:53:18 7 Q. Okay. Did you send these comments to the
05:53:21 8 Secretary of State's Office prior to that meeting or
05:53:25 9 after that meeting?

05:53:26 10 A. Prior.

05:53:27 11 Q. Okay. Have you seen any other comments,
05:53:33 12 written comments, that were provided to the Secretary of
05:53:35 13 State from other County Recordors?

05:53:37 14 A. No.

05:53:39 15 Q. Do you know if other County Recordors have sent
05:53:42 16 written comments to the Secretary of State's Office?

05:53:46 17 A. I know other County Recordors have submitted
05:53:50 18 feedback. I don't know in what capacity it was.

05:53:51 19 Q. And which County Recordors in particular do you
05:53:54 20 know have provided feedback?

05:53:58 21 A. I don't actually know which specific ones.
05:54:01 22 Just from the call it was said, oh, this was submitted
05:54:05 23 by another county.

05:54:06 24 Q. Got it.
05:54:08 25 And I think we covered this before I added my

05:54:13 1 earlier questioning, but I know you testified that you
05:54:17 2 expect there to be a kind of new draft that will
05:54:20 3 incorporate some feedback and then you'll receive
05:54:22 4 another draft; is that right?

05:54:23 5 A. That's my understanding.

05:54:25 6 Q. And were you given any kind of timeline for
05:54:28 7 when that might occur?

05:54:30 8 A. I believe there is a timeline about when
05:54:35 9 certain things are going to happen as far as public
05:54:38 10 comment period, but I don't know about if it was
05:54:41 11 specific to when the revised draft would come back out.

05:54:45 12 Q. Okay. Do you know when the Secretary of
05:54:49 13 State's current timeline is for seeking public comment?

05:54:53 14 A. I felt like it was sometime in August.

05:54:58 15 Q. Was that timeline communicated to you in
05:55:01 16 writing or --

05:55:01 17 A. Yes.

05:55:02 18 Q. Okay. Do you know who would have communicated
05:55:12 19 that timeline to you?

05:55:14 20 A. I believe it was included in a Secretary of
05:55:19 21 State's Office bulletin.

05:55:23 22 Q. And what is a Secretary of State's bulletin?

05:55:27 23 A. So it's an e-mail that gets sent out that
05:55:31 24 highlights current events, issues that happen. It could
05:55:35 25 be anything from elections to voter registration to

05:55:37 1 educational opportunities, jobs opening up. It's just a
05:55:41 2 big bulletin.

05:55:41 3 Q. Got it.

05:55:47 4 Okay. So what I'm going to try to do here is
05:55:49 5 largely just run through some of the comments that you
05:55:51 6 provided on the draft EPM and hear your kind of feedback
05:55:57 7 in your own words and also any responses you received
05:55:59 8 from the Secretary.

05:56:01 9 So the first comment that I see is on
05:56:10 10 AZSOS-477026, which is Page 6 of the manual.

05:56:15 11 A. Yes.

05:56:16 12 Q. So this is the section that discussed voter
05:56:19 13 registration requirements, and language has been added
05:56:23 14 that says, "Is a United States citizen," and this is the
05:56:27 15 added language, "and has provided satisfactory evidence
05:56:31 16 of citizenship as prescribed by ARS Section 16-166."

05:56:37 17 Do you see that?

05:56:37 18 A. Yes.

05:56:37 19 Q. Okay. And you provided a comment that said the
05:56:43 20 individuals can register without DPOC; is that right?

05:56:47 21 A. Yes.

05:56:49 22 Q. Okay. Was this one of the comments that was
05:56:53 23 discussed during your meeting with the Secretary of
05:56:56 24 State's Office?

05:56:56 25 A. Yes.

05:56:56 1 Q. And what was the kind of response to your
05:56:59 2 comment?

05:57:01 3 MS. STUART: Form.

05:57:01 4 THE WITNESS: The discussion was that the
05:57:03 5 new laws that we're discussing today have been
05:57:07 6 incorporated into this draft, and they will be there as
05:57:11 7 a hold until these court cases are decided, and at that
05:57:15 8 point the procedures manual will be updated according to
05:57:19 9 whatever the outcome is.

05:57:21 10 BY MS. LANG:

05:57:22 11 Q. Okay. Was there any discussion about how this
05:57:25 12 addition would affect individuals who had registered
05:57:30 13 prior to the DPOC requirement?

05:57:32 14 A. No.

05:57:33 15 Q. Is there anything in the manual that addresses
05:57:35 16 kind of the impact of this addition to the EPM?

05:57:40 17 A. I don't think so.

05:57:47 18 Q. Okay. Under the citizenship requirement
05:57:52 19 section on the same page you have another comment that
05:57:55 20 asks the reason for -- what is the reason to eliminate
05:57:59 21 the reference to court cases. And I assume that that
05:58:04 22 means that there used to be kind of more court case
05:58:08 23 references in this section that had been removed; is
05:58:10 24 that correct?

05:58:10 25 A. Yes.

05:58:11 1 Q. And did you discuss that comment with the
05:58:15 2 Secretary of State's Office?

05:58:16 3 A. We touched on it.

05:58:17 4 Q. And what was the response?

05:58:20 5 MS. STUART: Form.

05:58:20 6 MS. LANG: Is it the same hearsay
05:58:23 7 objection? Hearsay is not a proper objection for a
05:58:26 8 deposition.

05:58:28 9 MS. STUART: I'm just preserving the
05:58:29 10 objection. You can -- she's answering your question.

05:58:29 11 MS. LANG: No, I understand.

05:58:32 12 MS. STUART: I'm just going to continue to
05:58:33 13 have a running objection to this line of questioning.
05:58:36 14 You have a 30(b)(6) witness from the Secretary of
05:58:38 15 State's Office coming here. So she's answering the
05:58:40 16 question.

05:58:41 17 MS. LANG: Okay.

05:58:45 18 THE WITNESS: I believe that it was stated
05:58:46 19 to give the specific court references that were
05:58:48 20 eliminated later and they would look at putting them
05:58:55 21 back in, potentially.

05:59:03 22 BY MS. LANG:

05:59:03 23 Q. Okay. On Page 7, your comment number 4 is
05:59:08 24 referring to the use of a driver's license or non-driver
05:59:13 25 ID number for DPOC, and you have this question that

05:59:16 1 we've touched on earlier about whether or not that can
05:59:20 2 be an expired license.

05:59:24 3 Did you discuss that comment with the Secretary
05:59:25 4 of State's Office?

05:59:28 5 A. Yes.

05:59:28 6 Q. And what was the response?

05:59:30 7 MS. STUART: Form.

05:59:30 8 THE WITNESS: They would look into that.

05:59:33 9 BY MS. LANG:

05:59:34 10 Q. Okay. Have you heard anything further on that
05:59:35 11 question?

05:59:35 12 A. No.

05:59:59 13 Q. Okay. On Page 9 of the EPM, towards the bottom
06:00:07 14 of that page there's a section labeled DPOC requirement
06:00:11 15 for full ballot voter designation; do you see that?

06:00:13 16 A. Yes.

06:00:16 17 Q. And it says, "Regardless of the type of voter
06:00:21 18 registration form submitted, a County Recorder must make
06:00:24 19 a registrant a full ballot voter for the next election
06:00:27 20 if:"

06:00:28 21 The first bullet point is the registrant
06:00:31 22 provides DPOC, and the second bullet point is if the
06:00:34 23 County Recorder acquires DPOC on the registrant's
06:00:37 24 behalf.

06:00:38 25 Do you see that?

06:00:39 1 A. Yes.

06:00:40 2 Q. Okay. Are there other places in the EPM where
06:00:45 3 it suggests that this would -- this second option of
06:00:49 4 acquiring DPOC would not be an option for state form
06:00:53 5 applicants?

06:00:53 6 A. I don't remember seeing that.

06:00:55 7 Q. Okay. So is it your understanding that at
06:00:58 8 least this draft of the EPM would indicate that your
06:01:02 9 office can continue to, quote, acquire DPOC for all
06:01:07 10 applicants?

06:01:08 11 A. That would be my understanding.

06:01:19 12 Q. Okay. On Page 11, I want to go to your comment
06:01:23 13 JP(5), and it's under the section labeled procedures for
06:01:31 14 registrants with a noncitizen AZDL/ID number. And under
06:01:37 15 number 3 there's an instruction that says, you know,
06:01:42 16 that this information -- that these types of individuals
06:01:47 17 will remain in the database with a status of not
06:01:50 18 eligible until the voter provides valid DPOC.

06:01:54 19 And then the next sentence says, "The statewide
06:01:58 20 voter registration system automatically archives these
06:02:00 21 records after five years."

06:02:02 22 Do you see that?

06:02:02 23 A. Yes.

06:02:04 24 Q. And I see that you have a question now about
06:02:06 25 whether or not this might change the kind of time period

06:02:10 1 during which DPOC issues can be cured; is that right?

06:02:13 2 A. Yes.

06:02:15 3 Q. Okay. And so previously we've talked about the

06:02:18 4 guidance being after the next general election; is that

06:02:21 5 right?

06:02:21 6 A. Yes.

06:02:22 7 Q. And now there's this guidance about archiving

06:02:25 8 after five years that raised a question for you; is that

06:02:25 9 right?

06:02:27 10 A. Yes.

06:02:28 11 Q. And did you discuss that question with the

06:02:31 12 Secretary of State's Office?

06:02:32 13 A. Yes.

06:02:32 14 Q. And what was the response from the Secretary of

06:02:35 15 State?

06:02:35 16 MS. STUART: Form.

06:02:37 17 THE WITNESS: She, Colleen Connor, would

06:02:42 18 take a look at that and see if there was a way to

06:02:44 19 clarify that to be more consistent to the current

06:02:47 20 practice.

06:02:48 21 BY MS. LANG:

06:02:48 22 Q. Okay. And what does it mean for records to be

06:02:53 23 archived in the voter registration system?

06:02:56 24 A. So it's in statute that after a record is

06:03:00 25 canceled after five years it should be archived and

06:03:03 1 moved out of the table.

06:03:05 2 Q. Okay. And then your next comment, JP(6), is to
06:03:22 3 the same paragraph, and it says, "Making them registered
06:03:25 4 as of the date of the original registration."

06:03:30 5 What is that comment in reference to?

06:03:32 6 A. So I am looking for clarification on if that
06:03:37 7 voter is in a not eligible status for up to five years,
06:03:42 8 if at year four they come in and cure it, are they
06:03:45 9 registered to vote as of the date of that original
06:03:48 10 registration form.

06:03:48 11 Q. And the current status of that question is that
06:03:52 12 Colleen Connor is going to look into these questions and
06:03:55 13 get back to you, right?

06:03:56 14 A. Yes. Yes.

06:03:56 15 Q. And you haven't heard anything back further
06:03:58 16 since then?

06:03:59 17 A. No.

06:04:08 18 Q. On the bottom of Page 11, that same page, I
06:04:10 19 want to look at comment JP(8), and that is in reference
06:04:16 20 to the last sentence on that page that says, "A
06:04:21 21 registrant may become a federal only voter regardless of
06:04:25 22 the type of voter registration form."

06:04:26 23 Do you see that?

06:04:26 24 A. Yes.

06:04:27 25 Q. And your comment is that this is conflicting

06:04:29 1 with other parts of the section, this section; is that
06:04:29 2 right?

06:04:32 3 A. Yeah, I felt like there was an area that it was
06:04:35 4 conflicting with when they were breaking it down between
06:04:39 5 state and the federal form.

06:04:43 6 Q. And if you want to go all the way down to
06:04:51 7 Page 24. Let me know when you get there.

06:05:02 8 A. Okay.

06:05:04 9 Q. Here there is a section that's about minimum
06:05:09 10 information required on voter registration forms, and
06:05:14 11 the very last paragraph of that section says that except
06:05:17 12 for a form produced by the United States Election
06:05:20 13 Commission -- or Assistance Commission, any application
06:05:24 14 for registration shall be accompanied by satisfactory
06:05:27 15 evidence of DPOC, and the County Recorder shall reject
06:05:31 16 any application for registration that is not accompanied
06:05:34 17 by DPOC.

06:05:37 18 Do you see that?

06:05:37 19 A. Yes.

06:05:37 20 Q. And is this one of the areas that you thought
06:05:40 21 conflicted with the language we just discussed above?

06:05:42 22 A. Yes.

06:05:43 23 Q. Okay. Did you discuss that kind of conflict
06:05:47 24 with the Secretary of State's Office during that
06:05:48 25 meeting?

06:05:49 1 A. Yes.

06:05:50 2 Q. And what was their response?

06:05:51 3 MS. STUART: Form.

06:05:52 4 THE WITNESS: She was going to look into

06:05:54 5 that.

06:05:56 6 BY MS. LANG:

06:05:57 7 Q. Okay. And you have -- have you heard anything

06:05:58 8 since then?

06:05:59 9 A. No, but this was like last week.

06:06:01 10 Q. Right. In no way is it suggesting any delay.

06:06:04 11 I just want to make sure we have all the information.

06:06:06 12 And you also noted that this requirement that

06:06:15 13 any application for registration other than a federal

06:06:18 14 form shall be accompanied by satisfactory evidence of

06:06:21 15 DPOC appears to be in conflict with the LULAC agreement;

06:06:21 16 is that right?

06:06:26 17 A. Yes.

06:06:26 18 Q. Okay. And did you discuss that comment as

06:06:28 19 well?

06:06:28 20 A. Yes.

06:06:29 21 Q. And what was the response from the Secretary's

06:06:32 22 Office?

06:06:32 23 MS. STUART: Form.

06:06:32 24 THE WITNESS: Again, taking it under

06:06:34 25 advisement.

06:06:37 1 BY MS. LANG:

06:06:38 2 Q. Okay. Is it -- well, yeah.

06:06:39 3 And then later on -- well, let me go back.

06:06:53 4 Let's go all the way back to Page 11.

06:06:56 5 A. 11?

06:06:56 6 Q. Yes. That's where we left off.

06:07:14 7 A. Okay.

06:07:44 8 Q. Actually, I'll have you go ahead down to

06:07:47 9 Page 16, in the Section labeled residency requirements

06:07:52 10 for registration.

06:07:57 11 A. Yes.

06:07:59 12 Q. And your comment there is to note that the

06:08:02 13 residency requirements are currently being litigated; is

06:08:05 14 that correct?

06:08:05 15 A. Yes.

06:08:06 16 Q. Okay. And so I did want to kind of review what

06:08:11 17 guidance was provided here. And I think the new

06:08:19 18 additional guidance about documentary proof of residence

06:08:25 19 is that second paragraph that starts with "Except for

06:08:28 20 UOCAVA registrants." Do you see that?

06:08:30 21 A. Yes.

06:08:31 22 Q. Okay. So it says, "Except for UOCAVA

06:08:34 23 registrants, a person who registers to vote shall

06:08:36 24 provide an identifying document that establishes proof

06:08:39 25 of location of residence," and has the citation to the

06:08:41 1 relevant law. And then it says, "Any of the identifying
06:08:44 2 documents prescribed in ARS Section 16-579(A)(1)
06:08:51 3 constitute satisfactory proof of location of residence."

06:08:54 4 Is that right?

06:08:54 5 A. Yes.

06:08:57 6 Q. Okay. Earlier today we looked at a chart that
06:09:00 7 provided potential additional guidance about what would
06:09:05 8 count as documentary proof of residence, and none of
06:09:10 9 that guidance is included in this manual; is that right?

06:09:13 10 A. Correct.

06:09:15 11 Q. Okay. And no guidance is given about what
06:09:19 12 documents establish proof of location of residence
06:09:21 13 except for the reference to ARS 16-579(A)(1)?

06:09:27 14 A. Yes.

06:09:31 15 Q. Do you think that -- what kind of guidance
06:09:37 16 would you hope to receive from the Secretary of State's
06:09:40 17 Office about what documents establish proof of location
06:09:44 18 of residence?

06:09:45 19 MR. O'CONNOR: I believe asked and answer.

06:09:49 20 BY MS. LANG:

06:09:49 21 Q. Okay.

06:09:49 22 A. Clear and concise guidance about what is
06:09:52 23 acceptable.

06:09:53 24 Q. Okay. And would you consider this current
06:09:56 25 guidance to be sufficient?

06:09:59 1 A. No.

06:10:01 2 Q. Okay. And why not?

06:10:04 3 A. I think there's a lot of questions still.

06:10:07 4 Q. What are some of your outstanding questions?

06:10:11 5 A. I think while the statute makes a blanket

06:10:16 6 statement of what's allowed, I think we would need to go

06:10:18 7 into greater detail, because right now it's just

06:10:20 8 referencing what you would need to provide as proof of

06:10:23 9 identification when you go to the polls.

06:10:25 10 Q. Okay. And it kind of says that those IDs are

06:10:29 11 sufficient, but it doesn't include the entire universe

06:10:32 12 of documents that would be sufficient; is that correct?

06:10:34 13 A. Yes.

06:10:35 14 Q. Okay. And nothing in the manual kind of

06:10:37 15 elaborates on that; is that right?

06:10:39 16 A. Not in its current state.

06:10:42 17 Q. Okay. The draft manual, I should say.

06:10:52 18 And nothing in this section indicates any kind

06:10:56 19 of delineation between state and federal forms or state

06:10:59 20 and federal elections when it comes to application of

06:11:02 21 the residency -- or of the DPOR requirement; is that

06:11:02 22 right?

06:11:07 23 A. I feel like there was some sections that were

06:11:09 24 specific to state form and some that were specific to

06:11:14 25 the national form, but I don't know if it was specific

06:11:18 1 to the DPOC requirement.

06:11:22 2 Q. DPOR, right, we're talking about?

06:11:25 3 A. Or -- yes. Yes. Sorry.

06:11:27 4 Q. I just want to clarify for the record.

06:11:34 5 This is mostly for my own edification, but on

06:11:52 6 Page 21 there's a reference to the Arizona voter

06:11:58 7 information database, AVID, and you indicate a comment

06:12:00 8 that asks about formally changing the name.

06:12:04 9 Is there a discussion of changing the AVID

06:12:06 10 name?

06:12:07 11 A. No. I think they inadvertently just called it

06:12:10 12 Arizona, but on the contract it is Access.

06:12:13 13 Q. Got it. Thank you.

06:12:20 14 And on the next page, Page 22, your comment

06:12:25 15 JP(14) talks about -- is in reference to the six

06:12:28 16 recognized status codes in the statewide database, and

06:12:34 17 those six statuses are listed as active, inactive,

06:12:38 18 suspense, canceled, not eligible, and not registered; is

06:12:38 19 that right?

06:12:43 20 A. Yes.

06:12:43 21 Q. And you asked if we should add merged or

06:12:45 22 archived; is that right?

06:12:47 23 A. Yes.

06:12:47 24 Q. I think we've talked about what archived means,

06:12:49 25 and can you say something about what the merged status

06:12:53 1 means?

06:12:53 2 A. It's basically the two voter records that have
06:12:57 3 been merged, so a surviving record is now active and the
06:13:01 4 old record is listed as merged.

06:13:03 5 Q. Got it.

06:13:16 6 And then -- and this may be the section
06:13:18 7 you're referring to. If you go to Page 23, there is a
06:13:21 8 section that says specifically the minimum required
06:13:23 9 information on state voter registration forms; do you
06:13:27 10 see that?

06:13:27 11 A. Yes.

06:13:28 12 Q. Okay. And so does this refresh your
06:13:30 13 recollection that this was the section that kind of was
06:13:32 14 state form specific?

06:13:33 15 A. Yes.

06:13:36 16 Q. Okay. And one of the requirements that's
06:13:38 17 listed here is proof of location of residence; is that
06:13:38 18 right?

06:13:41 19 A. Yes.

06:13:42 20 Q. And you indicate that this is not something
06:13:44 21 that's currently being implemented, correct?

06:13:46 22 A. Yes.

06:13:47 23 Q. I assume that the discussion during the
06:13:51 24 Secretary of State meeting was similar as to this issue,
06:13:54 25 in that the Secretary of State's Office said that this

06:13:57 1 was kind of a placeholder guidance that will kind of be
06:14:02 2 updated depending on the outcome of this litigation; is
06:14:04 3 that correct?

06:14:04 4 A. Yes.

06:14:07 5 Q. Was anything else kind of discussed about the
06:14:10 6 addition of the proof of location of residence
06:14:14 7 requirement?

06:14:14 8 A. No.

06:14:18 9 Q. Okay. And is your testimony the same as to
06:14:21 10 kind of the addition of the place of birth requirement
06:14:23 11 here?

06:14:24 12 A. Yes.

06:14:29 13 Q. And the next comment is that there's an
06:14:32 14 addition that a signature or other statement of the
06:14:35 15 registrant is required, and you note that this is a
06:14:39 16 confusing statement?

06:14:40 17 A. Yes.

06:14:41 18 Q. I would agree.

06:14:43 19 Was that comment discussed during your meeting
06:14:45 20 with the Secretary of State's Office?

06:14:47 21 A. Yes.

06:14:48 22 Q. And what was the response?

06:14:49 23 MS. STUART: Form.

06:14:50 24 THE WITNESS: That she would take another
06:14:52 25 look at it to try to make it less confusing.

06:14:56 1 BY MS. LANG:

06:14:56 2 Q. Okay. Do you know what they might be trying to
06:14:59 3 get at with that or other statement of the registrant?

06:15:03 4 MR. O'CONNOR: Form.

06:15:04 5 MS. STUART: Form.

06:15:04 6 THE WITNESS: I don't know.

06:15:08 7 BY MS. LANG:

06:15:08 8 Q. Okay. There's also an addition of the
06:15:11 9 checkmark requirement here under signature; is that
06:15:11 10 right?

06:15:15 11 A. Yes.

06:15:17 12 Q. I noticed, just because you did such a diligent
06:15:20 13 job of noting, that you don't have a comment there; but
06:15:23 14 this is another place where that is not currently being
06:15:26 15 implemented, correct?

06:15:27 16 A. Correct.

06:15:28 17 Q. All right.

06:15:34 18 A. I highlighted it in the next one, though.

06:15:36 19 Q. Fair enough. You got it. You're right.

06:15:45 20 And just to follow up on that, so, yes, the
06:15:51 21 following paragraph says that any application for a
06:15:54 22 registration must contain a checkmark or other
06:15:57 23 appropriate mark in the yes box next to the question
06:16:00 24 regarding citizenship, correct?

06:16:00 25 A. Yes.

06:16:01 1 Q. And you note that this an area that's being
06:16:04 2 litigated and is not being implemented, correct?

06:16:06 3 A. Correct.

06:16:06 4 Q. And then you added an additional comment that
06:16:12 5 asked "Confirming that even if we have DPOC verified but
06:16:15 6 the box is not checked we are to reject."

06:16:18 7 I think we talked about this a little bit
06:16:20 8 earlier, but is it fair to say that this comment
06:16:24 9 reflects your concern that where you have documentary
06:16:28 10 proof of citizenship, the checkmark cannot add any
06:16:33 11 additional value to knowing whether or not that person
06:16:35 12 is a citizen?

06:16:36 13 MR. O'CONNOR: Form.

06:16:38 14 THE WITNESS: Yes.

06:16:39 15 BY MS. LANG:

06:16:39 16 Q. Okay. And did you discuss that comment during
06:16:43 17 the conversation with the Secretary of State's Office?

06:16:48 18 A. I think it was still just under the whole we
06:16:50 19 kind of skipped through that because we know that this
06:16:53 20 is being litigated still.

06:16:54 21 Q. Got it.

06:17:04 22 And on Page 24, you know, there's a note that
06:17:09 23 any registration that does not include the required
06:17:12 24 information, including the information we just
06:17:16 25 discussed, you know, that the County Recorder shall not

06:17:20 1 register the voter until all the information is
06:17:22 2 provided. And you have a comment that asks "Does this
06:17:24 3 mean they move to nonregistered status or just
06:17:27 4 suspense."
06:17:27 5 Was this a comment you discussed during the
06:17:30 6 meeting?
06:17:31 7 A. Yes.
06:17:31 8 Q. And what was the response there?
06:17:33 9 MS. STUART: Form.
06:17:34 10 THE WITNESS: That it would be reviewed to
06:17:37 11 see if there needed to be a new status updated in the
06:17:41 12 system or if we would use an existing status.
06:17:44 13 BY MS. LANG:
06:17:48 14 Q. Okay. And there's been no follow-up on that
06:17:50 15 yet, right?
06:17:50 16 A. Not yet.
06:17:57 17 Q. Okay. And we've already gone over this
06:18:01 18 section, but on Page 24 is that language that says that
06:18:04 19 anything but a federal form has to be rejected with
06:18:09 20 respect to DPOC. Your testimony as to that is the same
06:18:13 21 as the other litigated portions; is that right?
06:18:15 22 A. Yes.
06:18:20 23 Q. Under Subsection D you have a question about
06:18:24 24 whether or not like the documentary proof of residence
06:18:28 25 requirement, if upheld, would apply to federal voter

06:18:36 1 registrations --

06:18:36 2 A. Yes.

06:18:37 3 Q. -- is that correct?

06:18:37 4 And was that a comment that you all discussed?

06:18:45 5 A. I think it was another one of just holding off

06:18:47 6 until we see.

06:19:04 7 MR. O'CONNOR: Don't take that as a sign,

06:19:06 8 Danielle, that you have to wrap it up.

06:19:10 9 MS. LANG: It's a sign we're all being too

06:19:12 10 still.

06:19:14 11 MR. O'CONNOR: If you say so.

06:19:27 12 BY MS. LANG:

06:19:27 13 Q. On Page 26, your comment JP(28) is in reference

06:19:35 14 to a section that discusses what a County Recorder

06:19:39 15 should do if they have information that an applicant is

06:19:41 16 not a citizen. It says it should reject the

06:19:45 17 application, and then further says that there should be

06:19:47 18 a notification sent. And you ask if this would mean

06:19:53 19 putting them in a kind of not registered status or

06:19:56 20 suspense status; is that right?

06:19:57 21 A. Yes.

06:19:57 22 Q. And was that comment discussed during your

06:20:00 23 meeting?

06:20:00 24 A. Yes. They would review and get back.

06:20:04 25 Q. And that review is still ongoing, as far as you

06:20:07 1 know?

06:20:07 2 A. Yes.

06:20:11 3 Q. And then there is -- so there's language here

06:20:18 4 that says that if the County Recorder is unable to match

06:20:21 5 the applicant with DPOC -- let me back up.

06:20:28 6 This is under a subsection titled (a),

06:20:31 7 information that applicant is not a U.S. citizen. So

06:20:33 8 this section is about not just people where you don't

06:20:36 9 have a DPOC, but that you actually have some reason to

06:20:40 10 believe the person's not a citizen; is that right?

06:20:43 11 A. Yes.

06:20:43 12 Q. And then there's this last paragraph that says

06:20:45 13 that if the County Recorder is unable to match the

06:20:48 14 applicant with DPOC, the County Recorder shall notify

06:20:51 15 the applicant that the County Recorder could not verify

06:20:54 16 that the applicant is a United States citizen and that

06:20:57 17 the applicant will not be qualified to vote in a

06:21:00 18 presidential election or by mail with an early ballot in

06:21:02 19 any election until satisfactory evidence of citizenship

06:21:05 20 is provided.

06:21:07 21 Do you see that?

06:21:08 22 A. Yes.

06:21:09 23 Q. So I'll confess I was a little confused in

06:21:12 24 reading this, because my understanding is that for

06:21:16 25 people for whom you have, you know, affirmative

06:21:19 1 information that someone is not a citizen, those are not
06:21:22 2 people who go on the federal only list; is that correct?

06:21:24 3 MS. STUART: Form.

06:21:26 4 THE WITNESS: Yes.

06:21:30 5 BY MS. LANG:

06:21:33 6 Q. Okay. And my understanding of 2492 and our
06:21:37 7 discussion of 2492 earlier is that this restriction on
06:21:40 8 mail voting and presidential elections is meant to apply
06:21:44 9 to federal only voters, not to the category of voters
06:21:49 10 where the applicant is not a -- where there's
06:21:52 11 affirmative information that the applicant is not a U.S.
06:21:56 12 citizen; is that right?

06:21:57 13 A. Yes. So that section was confusing to me as
06:21:59 14 well, so that's why I was saying that it's not
06:22:02 15 registered or is this suspense, like it wasn't clear to
06:22:05 16 me.

06:22:06 17 Q. Okay. And do you recall if there was any
06:22:07 18 discussion about this particular section during the
06:22:10 19 meeting?

06:22:12 20 A. I don't remember.

06:22:17 21 Q. Okay. Would it make more sense to you if this
06:22:20 22 section was under, you know, a discussion about federal
06:22:24 23 only voters, the restriction on presidential and mail
06:22:29 24 voting?

06:22:29 25 A. Yes.

06:22:36 1 Q. Okay. And I think we touched on this a little
06:22:38 2 bit earlier in your testimony, but on Page 26 you have a
06:22:41 3 comment at the end about the instruction of the Recorder
06:22:46 4 shall record the efforts made to verify an applicant's
06:22:49 5 citizenship status as prescribed. And you ask "What
06:22:52 6 does this mean exactly? Does the VR system attempting
06:22:57 7 to confirm with MVD meet the requirement? What about
06:23:00 8 SAVE - does this require a note?"
06:23:04 9 Is that right?
06:23:05 10 A. Yes.
06:23:05 11 Q. Okay. And do you recall having any discussions
06:23:07 12 about that during your meeting?
06:23:10 13 A. I think that she was going to go back and
06:23:14 14 review.
06:23:15 15 Q. But there was nothing in this draft that kind
06:23:19 16 of provided any explanation of what this recording
06:23:23 17 requirement would be besides saying that you shall
06:23:26 18 record the efforts; is that right?
06:23:28 19 A. Right.
06:23:28 20 MS. STUART: Form.
06:23:29 21 BY MS. LANG:
06:23:29 22 Q. And it was your hope that there would be
06:23:31 23 additional information provided about how that recording
06:23:35 24 should take place; is that right?
06:23:39 25 A. Yes.

06:23:57 1 Q. Okay.

06:23:57 2 MS. STUART: What's the time?

06:24:00 3 THE VIDEOGRAPHER: 6 hours and 37 minutes.

06:24:02 4 MS. STUART: Thank you.

06:24:43 5 BY MS. LANG:

06:24:43 6 Q. On Page 43 I want to look at comment JP(40).

06:25:03 7 A. Yes.

06:25:03 8 Q. And the instructions here are that if the

06:25:09 9 registrant has no DPOC on file, then there will be a

06:25:12 10 letter sent if there is information from the juror

06:25:18 11 report that someone self-reported as a noncitizen; is

06:25:21 12 that right?

06:25:21 13 A. Yes.

06:25:22 14 Q. And a notice will go out, and then if they do

06:25:29 15 not submit DPOC within 35 days, the registrant's record

06:25:33 16 will be canceled; is that right?

06:25:34 17 A. Yes.

06:25:35 18 Q. And how does that differ from the current

06:25:38 19 practice?

06:25:42 20 A. If -- if -- the current practice is if we -- if

06:25:48 21 they're -- again, if they say they're a noncitizen, but

06:25:51 22 we have DPOC on file, we do nothing. If they are a

06:25:58 23 federal only voter, we would send a notice. I don't --

06:26:03 24 I'm getting tired. I don't remember.

06:26:05 25 Q. I understand.

06:26:07 1 A. The 35-day requirement is usually tied to the
06:26:11 2 NVRA process, so I think that's why I flagged it.

06:26:15 3 Q. Okay. Very well. I don't have any more
06:26:48 4 specific questions about this document.

06:26:50 5 I guess one kind of overarching question I had
06:26:53 6 for you is that over the course of today's testimony we
06:26:57 7 identified a lot of gray areas about how these laws
06:27:00 8 would be applied; is that right?

06:27:01 9 A. Yes.

06:27:02 10 Q. And a lot of open questions that you were still
06:27:05 11 looking for guidance on; is that right?

06:27:06 12 A. Yes.

06:27:07 13 Q. What would the reason to believe standard be is
06:27:11 14 one example?

06:27:13 15 A. Say that again?

06:27:15 16 Q. Is how the reason to believe standard would
06:27:18 17 apply one of those gray areas?

06:27:20 18 A. Yes.

06:27:20 19 Q. What documents might satisfy the DPOR
06:27:24 20 requirement is another one of those gray areas?

06:27:26 21 A. Yes.

06:27:27 22 Q. Okay. In reviewing this draft EPM, was there
06:27:34 23 much guidance in the draft that would help you fill in
06:27:39 24 those gray areas?

06:27:41 25 A. Not in this draft, no.

06:27:44 1 Q. Okay. And is that something that you're hoping
06:27:45 2 to get out of future drafts of the EPM if these laws
06:27:50 3 need to be implemented?

06:27:50 4 A. Yes.

06:27:52 5 Q. Okay. Would this EPM on its own provide you
06:27:55 6 enough guidance to go forward and implement these parts
06:27:58 7 of the law?

06:27:59 8 MR. O'CONNOR: Form.

06:28:01 9 THE WITNESS: I don't believe so.

06:28:04 10 MS. LANG: Let's take a quick break and
06:28:05 11 make sure nobody has any further questions and then I
06:28:09 12 can wrap, but let's just take a very brief break.

06:28:12 13 THE VIDEOGRAPHER: We are off the record.
06:28:13 14 The time on the video monitor is 6:28 p.m.

06:31:45 16 THE VIDEOGRAPHER: We are on the record.
06:31:46 17 The time on the video monitor is 6:31 p.m.

06:31:50 18 MS. LANG: One last cleanup item, doesn't
06:31:52 19 involve a question for you at all, is that we've been
06:31:55 20 discussing at length the Arizona Secretary of State 2023
06:32:00 21 Elections Procedures Manual - June 2023 draft, that I
06:32:04 22 will note is marked confidential for the record, and we
06:32:09 23 will mark that exhibit as Exhibit 35.

06:32:12 24 And with that, I have no further
06:32:15 25 questions, and thank you so much, Ms. Petty, for all

06:32:17 1 your patience and testimony.

06:32:21 2 THE VIDEOGRAPHER: We are off the record.

06:32:22 3 The time on the --

06:32:26 4 MS. LANG: Defendants will have a few
06:32:29 5 follow-ups, I believe.

06:32:29 6 MS. BOUGHTON: Can you hear me?

06:32:29 7 THE WITNESS: No.

06:32:43 9 EXAMINATION

06:32:43 10 BY MS. BOUGHTON:

06:32:54 11 Q. Hello. A little hard to get on. Apologies.

06:32:56 12 Good afternoon, Ms. Petty. My name is Kathryn
06:32:58 13 Boughton. I'm an attorney representing the Arizona
06:33:00 14 Attorney General, State of Arizona in this matter.

06:33:03 15 Thank you again for all your time and patience today. I
06:33:06 16 will be very brief, just a few issues that I wanted to
06:33:10 17 circle back to regarding plaintiffs' questions.

06:33:13 18 One of them, you talked at length with
06:33:16 19 plaintiff about the databases that the Recorder's Office
06:33:21 20 uses to verify citizenship, and the plaintiffs' counsel
06:33:24 21 asked you about instances where that information may not
06:33:26 22 be accurate.

06:33:27 23 I did want to ask, based on your experience,
06:33:30 24 does the Recorder's Office consider the MVD database to
06:33:34 25 be generally reliable as to citizenship information?

06:33:37 1 A. Yes.

06:33:37 2 Q. And does the Recorder's Office consider SAVE

06:33:42 3 data when an A-Number is available to be generally

06:33:44 4 reliable as to citizenship information?

06:33:46 5 A. Yes.

06:33:48 6 Q. Okay. Thank you.

06:33:53 7 Regarding -- we talked about what reason to

06:33:55 8 believe might be and some of your concerns about that

06:33:59 9 language in the law. I wanted to ask you, if the county

06:34:04 10 had conducted its normal citizenship verification checks

06:34:08 11 and it received no match on MVI data and no response

06:34:13 12 from a voter after outreach, would you consider that

06:34:17 13 that voter -- that you had a reason to believe that

06:34:20 14 voter was not a U.S. citizen?

06:34:22 15 A. No.

06:34:24 16 Q. Okay. And why not?

06:34:25 17 A. Because we did not get an affirmation back that

06:34:31 18 they were a noncitizen, and we are taking the voter's

06:34:35 19 signed affidavit that they are eligible and that they

06:34:38 20 are a U.S. citizen.

06:34:39 21 Q. Okay. Would you consider a -- if the county

06:34:42 22 received an affirmative no match from AVID or SAVE,

06:34:46 23 would you consider that a reason to believe that the

06:34:48 24 individual was not a citizen?

06:34:50 25 A. Well, AVID wouldn't give us information about

06:34:54 1 citizenship.

06:34:55 2 Q. Pardon me. I misspoke. MVD or SAVE.

06:34:58 3 A. If they gave us information that it was a

06:35:01 4 foreign license, yes, we would have reason to believe

06:35:03 5 that person was a noncitizen.

06:35:06 6 Q. Okay. Thank you.

06:35:09 7 Turning briefly to Exhibit 27, which is

06:35:20 8 MC 002984. We looked at this earlier. This is the form

06:35:24 9 that's sent out to individuals who had a different

06:35:28 10 driver's license from the one listed on the voter

06:35:31 11 registration that was issued prior to 1996.

06:35:34 12 I'd like to draw your attention to the bottom

06:35:37 13 half of the form, and it reads, quote, Help us uniquely

06:35:43 14 identify your registration. Please complete the

06:35:45 15 following information, end quote. And one of the

06:35:47 16 requested fields is place of birth; is that right?

06:35:51 17 A. Yes.

06:35:52 18 Q. So is this an example of the county proactively

06:35:54 19 seeking out birthplace information to, quote, uniquely

06:35:58 20 identify a voter registration?

06:36:01 21 A. I think this is the county's way of trying to

06:36:05 22 identify the voter, and that is just one piece of

06:36:08 23 optional information that could be provided by the voter

06:36:11 24 to help in doing so.

06:36:14 25 Q. Okay. Thank you.

06:36:19 1 If a court or the Secretary of State issued
06:36:22 2 guidance that the county should change how it uses
06:36:25 3 birthplace information, would the Recorder follow that
06:36:28 4 instruction?

06:36:28 5 A. Yes.

06:36:30 6 Q. Thank you.

06:36:42 7 MS. BOUGHTON: That's all I have for you
06:36:43 8 today. Thank you very much.

06:36:45 9 MS. LANG: I do have just a couple
06:36:47 10 follow-ups. I apologize.

06:36:48 11

06:36:49 12 FURTHER EXAMINATION

06:36:49 13 BY MS. LANG:

06:36:50 14 Q. Following up on that very last question that
06:36:51 15 you had, which was if there was new instructions from
06:36:56 16 the Secretary of State's Office on how to use place of
06:36:59 17 birth in the voter registration process, you would
06:37:01 18 follow it; is that correct?

06:37:03 19 A. I would imagine our County Attorneys would be
06:37:06 20 involved in that, but as long as they were in approval,
06:37:10 21 yes, we would follow guidance from the Secretary of
06:37:13 22 State's Office.

06:37:13 23 Q. Was there any guidance in this draft EPM that
06:37:16 24 would suggest that the Secretary of State is suggesting
06:37:18 25 a change in how place of birth is used in the voter

06:37:22 1 registration process?

06:37:24 2 MR. O'CONNOR: Form.

06:37:27 3 THE WITNESS: I go back to my previous
06:37:28 4 answer, that they have incorporated the new laws into
06:37:31 5 the draft in the event that they will be added in after
06:37:36 6 the litigation is concluded.

06:37:38 7 BY MS. LANG:

06:37:38 8 Q. Yes. So my question is just the EPM draft says
06:37:44 9 that place of birth will be required, but does anything
06:37:47 10 in the draft suggest that other than requiring it, that
06:37:52 11 your usage of that information would change?

06:37:56 12 A. I don't think that was clear.

06:37:59 13 Q. Okay. And Ms. Boughton referred you to a
06:38:04 14 document that kind of asked for place of birth as a
06:38:08 15 piece of data could help you identify who the person was
06:38:12 16 in the voter registration database; is that right?

06:38:14 17 A. Yes.

06:38:16 18 Q. And I just want to clarify what you mean by
06:38:18 19 identify there. So you mean there that that information
06:38:21 20 would help you find which record is the relevant record
06:38:26 21 in the voter registration database; is that right?

06:38:28 22 A. Yes.

06:38:29 23 Q. And it's one piece of optional information that
06:38:34 24 could be of assistance; is that right?

06:38:36 25 A. Yes.

06:38:37 1 Q. Is it often the case that you can identify
06:38:40 2 individuals based on other uniquely identifying
06:38:43 3 information, such as date of birth and --

06:38:47 4 A. Yes.

06:38:48 5 Q. Okay. And that does not mean that you use
06:38:55 6 place of birth in any way to validate the identity of a
06:39:00 7 voter registration application; is that right?

06:39:05 8 MS. BOUGHTON: Form.

06:39:08 9 THE WITNESS: We -- no, not for identity.

06:39:13 10 BY MS. LANG:

06:39:14 11 Q. Okay. And, finally, you testified that you
06:39:16 12 consider SAVE information generally reliable, but
06:39:22 13 earlier today we discussed a portion of the EPM that
06:39:25 14 specifically states that there is a lag in time between
06:39:29 15 when someone naturalizes and when that information is
06:39:34 16 entered into the SAVE system; is that correct?

06:39:36 17 A. Yes.

06:39:38 18 Q. So your understanding is that there is a
06:39:41 19 well-known lag time between naturalization and the SAVE
06:39:46 20 system's information?

06:39:48 21 A. There's a potential for a lag time.

06:39:50 22 Q. Okay. So you are aware of the possibility that
06:39:55 23 that information is not up-to-date?

06:39:59 24 A. Yes.

06:39:59 25 Q. Okay. And you also testified that the driver's

06:40:05 1 license information only reflects the information
06:40:08 2 provided by the individual at the time that they
06:40:11 3 interacted with the driver's license agency, correct?
06:40:15 4 A. Correct.
06:40:17 5 Q. And that driver's licenses in Arizona can be
06:40:22 6 valid for a very long time; is that right?
06:40:24 7 A. Yes.
06:40:26 8 Q. And is it your understanding that people
06:40:29 9 naturalize in the state of Arizona very regularly?
06:40:32 10 MR. O'CONNOR: Form.
06:40:33 11 BY MS. LANG:
06:40:34 12 Q. There are new naturalized citizens that are
06:40:37 13 residents and citizens of the state of Arizona being
06:40:39 14 created very regularly?
06:40:42 15 A. Yes.
06:40:42 16 MS. BOUGHTON: Form.
06:40:44 17 BY MS. LANG:
06:40:44 18 Q. In fact, your office regularly visits
06:40:46 19 naturalization ceremonies to register voters; is that
06:40:49 20 correct?
06:40:49 21 A. Yes.
06:40:50 22 Q. Okay. And your experience is that sometimes
06:40:56 23 when you get an F-Type license match, you'll send that
06:41:01 24 notice out and you will get DPOC in return; is that
06:41:05 25 correct?

06:41:05 1 A. Yes.

06:41:06 2 Q. Does that happen frequently?

06:41:07 3 A. Yes.

06:41:09 4 Q. So does that suggest to you that that
06:41:11 5 information is not always reliable?

06:41:14 6 A. I'd say --

06:41:14 7 MR. O'CONNOR: Form.

06:41:15 8 THE WITNESS: The majority of the time it
06:41:19 9 is reliable.

06:41:20 10 BY MS. LANG:

06:41:20 11 Q. But very frequently you send out notices and
06:41:23 12 you receive DPOC back; is that correct?

06:41:24 13 A. Yes.

06:41:26 14 MS. LANG: All right. I have no further
06:41:27 15 questions.

06:41:28 16 MS. STUART: I just have a couple. I'll
06:41:30 17 be quick.

06:41:30 18

06:41:31 19 EXAMINATION

06:41:31 20 BY MS. STUART:

06:41:32 21 Q. So they're all going to deal with this
06:41:39 22 Exhibit 35.

06:41:40 23 Exhibit 35 that we've just been looking at,
06:41:43 24 that's a draft of the EPM, correct?

06:41:45 25 A. Correct.

06:41:46 1 Q. And the Secretary of State is taking feedback
06:41:49 2 from the counties with regards to this draft?

06:41:52 3 A. Correct.

06:41:54 4 Q. And you also testified today, I think, that the
06:41:59 5 Secretary of State is also planing on taking -- or
06:42:02 6 getting feedback from the public with regards to this
06:42:04 7 draft of the EPM; is that correct?

06:42:05 8 A. Correct.

06:42:07 9 Q. Okay. So Exhibit 35, fair to say -- oops. I'm
06:42:12 10 not going to hand it to you.

06:42:13 11 Exhibit 35, fair to say, is not the final form
06:42:15 12 of the EPM?

06:42:16 13 A. That's correct.

06:42:17 14 Q. Okay. So the language in this draft could
06:42:19 15 change?

06:42:20 16 A. Yes.

06:42:20 17 Q. And ultimately the final EPM could look
06:42:23 18 different than Exhibit 35 that we reviewed today, right?

06:42:25 19 A. Yes.

06:42:26 20 Q. Okay. And it can change by either adding
06:42:29 21 information, moving information, or taking information
06:42:32 22 out, right?

06:42:32 23 A. Yes.

06:42:35 24 Q. Could the EPM also have exhibits attached to
06:42:38 25 it?

06:42:39 1 A. Yes.

06:42:40 2 Q. Could it also reference other materials?

06:42:42 3 A. Yes.

06:42:42 4 Q. Could it also reference other laws or guidance?

06:42:46 5 A. Yes.

06:42:52 6 Q. And, lastly, just to clarify something that

06:42:57 7 maybe I was confused on, but none of the provisions at

06:43:00 8 issue in this litigation have been implemented by

06:43:03 9 Maricopa County?

06:43:03 10 A. That's correct.

06:43:05 11 Q. Okay. And Maricopa County has not received any

06:43:09 12 communications from the Secretary of State's Office to

06:43:13 13 start implementing the laws at issue in this case,

06:43:16 14 right?

06:43:16 15 A. Correct.

06:43:16 16 Q. And to the best of your knowledge, has the

06:43:20 17 Secretary told any of the other counties to start

06:43:22 18 implementing the laws at issue in this case?

06:43:24 19 A. Not to my knowledge.

06:43:26 20 MS. STUART: Thank you. I have no further

06:43:28 21 questions.

06:43:30 22 THE VIDEOGRAPHER: Counsel, do you have

06:43:31 23 any further questions?

06:43:33 24 MS. LANG: No further questions. Thank

06:43:35 25 you so much, Ms. Petty.

1 JOSE LERMA,
2 a witness herein, having been first duly sworn by the
3 Certified Reporter to speak the truth and nothing but the
4 truth, was examined and testified as follows:

5

6

EXAMINATION

7

BY MR. ROSENBAUM:

09:16:04

8

Q. Good morning, Mr. Lerma.

09:16:05

9

A. Good morning.

09:16:06

10

Q. I'm David Rosenbaum, as I mentioned off the

09:16:10

11

record. I represent the Tohono O'odham Nation, Gila River

09:16:15

12

Indian Community, and three individual plaintiffs,

09:16:18

13

including LaDonna Jacket, who happens to be a member of

09:16:23

14

the Hopi Tribe, which, obviously, the Reservation includes

09:16:29

15

some parts of Navajo County.

09:16:33

16

I'm going to begin with the questioning today.

09:16:36

17

I don't anticipate going more than a couple of hours.

09:16:38

18

That's not a promise, it's just a guess. And then, when

09:16:41

19

I'm finished, counsel for some of the other parties will,

09:16:45

20

I believe, likely have additional questions for you as

09:16:49

21

well.

09:16:49

22

Let me put on the record the discussion that

09:16:52

23

counsel had a few minutes earlier, and that is an

09:16:57

24

objection stated by one defendant need not be repeated by

09:17:03

25

the others. They will all be deemed to have made that

09:17:09 1 objection.

09:17:11 2 Would you please state your full name for the

09:17:13 3 record, Mr. Lerma?

09:17:14 4 A. My name is Jose Lerma.

09:17:17 5 Q. And you are the designee for this 30(b)(6)

09:17:24 6 deposition that was noticed for the Navajo County

09:17:33 7 Recorder, correct?

09:17:34 8 A. Correct.

09:17:34 9 Q. I did a little Googling.

09:17:35 10 Are you, are you also an assistant county

09:17:37 11 attorney for Navajo County?

09:17:38 12 A. No. I, I -- prior to this I worked for the

09:17:41 13 Navajo County child support, which is under the county

09:17:46 14 attorney's office.

09:17:46 15 Q. Okay.

09:17:46 16 A. But, no --

09:17:47 17 Q. So are you, are you an attorney, I guess is --

09:17:50 18 A. No. No, no.

09:17:52 19 Q. All right. Well, that would have made the

09:17:55 20 introduction a little bit simpler. That's why I was

09:17:58 21 asking.

09:17:59 22 So let me just go over some basic ground rules.

09:18:06 23 And, first, as you know, we're all separated. We're all

09:18:09 24 conducting this deposition by Zoom. And I understand that

09:18:14 25 your attorney is not in the room with you. Is that right?

09:18:17 1 A. Correct.

09:18:18 2 Q. All right. So a standard instruction that
09:18:26 3 witnesses always receive in a deposition is to pause
09:18:29 4 before they answer to make sure people aren't talking over
09:18:32 5 one another so we can have a clear record. That's
09:18:36 6 especially important when we're conducting a deposition
09:18:39 7 over the internet by Zoom because often there's a delay.
09:18:44 8 So if you would try and wait till you perceive I have
09:18:49 9 finished my question, and I'll try and do the same for
09:18:52 10 you. I'll wait until it's clear that you provide an
09:18:55 11 answer. Okay?

09:18:56 12 A. Okay.

09:18:57 13 Q. If you don't understand one of my questions,
09:19:07 14 please let me know. I want to make sure you're not
09:19:07 15 confused. And if you don't tell me, I'll assume you
09:19:10 16 understood the question. Is that fair?

09:19:12 17 A. Sounds good.

09:19:14 18 Q. Good. If at any time you need a break, let me
09:19:22 19 know. It's not an endurance contest. I probably won't
09:19:26 20 allow a break if we're in the middle of a line of
09:19:29 21 questioning or question, but, in general, if you need a
09:19:34 22 break, just ask and, and I'll try and accommodate.

09:19:39 23 The oath that you just took is the same oath
09:19:43 24 that you would give in a courtroom, should be treated as
09:19:47 25 seriously as you would an oath given in open court.

09:19:54 1 Do you understand that?

09:19:55 2 A. Yes, I do.

09:19:57 3 Q. Another introductory point. Because this is a
09:20:02 4 Zoom deposition, we need to make sure that the answers are
09:20:05 5 your own. And so I just want to make sure -- I'm not
09:20:09 6 suspicious of anything, but just for the record -- that
09:20:12 7 you're not receiving texts or emails from anybody
09:20:16 8 suggesting, you know, what the right answer ought to be.
09:20:20 9 Is that, is that correct?

09:20:21 10 A. That's correct.

09:20:22 11 Q. Great.

09:20:26 12 If, if when I'm asking you a question you need
09:20:30 13 to review some document, let me know, and I may say yes,
09:20:37 14 please do, but, since we don't know what's on your screen,
09:20:42 15 please don't rely on some document without at least
09:20:46 16 letting us know that we're no longer getting your memory
09:20:51 17 but we're getting testimony based on something you're
09:20:54 18 looking at. Okay?

09:20:56 19 A. Okay.

09:20:57 20 Q. Great. Thanks.

09:21:00 21 So we mentioned that you're here as a 30(b)(6)
09:21:09 22 designee. Let me ask you to take a look at what we
09:21:18 23 designated in advance as Document E.

09:21:27 24 Can you pull that up?

09:21:30 25 A. Document E.

09:21:33 1 Q. Yes. It's the notice of deposition.

09:21:36 2 A. Yes.

09:21:36 3 Q. All right. And I think we're at deposition
09:21:46 4 Exhibit 36.

09:21:47 5 One thing we didn't discuss amongst counsel
09:21:50 6 ahead of time is how we are going to mark deposition
09:21:53 7 exhibits, but my proposal is, to the extent possible, I
09:21:56 8 know we may have some double tracking, but let's try and
09:21:59 9 do it sequentially.

09:22:01 10 So, unless anyone objects, I suggest we, we mark
09:22:05 11 this document as Exhibit 36.

09:22:12 12 All right. So hearing no objection, what you're
09:22:17 13 looking at we've, we've marked as Exhibit 36 to your
09:22:21 14 deposition.

09:22:21 15 Do you recognize that document as the 30(b)(6)
09:22:29 16 deposition notice for your deposition?

09:22:31 17 A. Yes, I do.

09:22:36 18 Q. And you understand that you've been designated
09:22:39 19 to testify on all of the 28 topics that are listed there?

09:22:45 20 A. Yes.

09:22:46 21 Q. All right. Topic No. 27 is the first thing that
09:22:55 22 I want to touch on, which has to do with discovery
09:23:00 23 responses produced by the Navajo County Recorder's Office
09:23:09 24 in this case. So let me ask you to open up Document A.

09:23:23 25 A. Okay.

09:23:25 1 Q. Do you recognize that -- and, actually, you're
09:23:29 2 faster than I am; I'm opening up Document A now -- as the
09:23:42 3 Navajo County Recorder's response to discovery requests
09:23:45 4 that were served by the Equity Coalition plaintiffs in
09:23:52 5 this case?

09:23:53 6 A. Yes.

09:23:53 7 Q. All right. Let me ask you to turn to request
09:23:59 8 No. 7, and that request asks for documents and
09:24:11 9 communications regarding the actual, or potential
09:24:15 10 implementation of House Bill 2492 and/or House Bill 2243.

09:24:25 11 Do you see that?

09:24:26 12 A. Yes, I do.

09:24:27 13 Q. All right. And there's a two paragraph response
09:24:34 14 provided below that by the Navajo County Recorder's
09:24:45 15 Office, and I want to ask you specifically about the last
09:24:51 16 two sentences in the second paragraph. It reads as
09:24:56 17 follows, quote:

09:24:58 18 The most substantive guidance the Secretary's
09:25:01 19 Office has provided to date regarding implementation was
09:25:05 20 in an email from Kori Lorick dated December 30, 2022. It
09:25:13 21 and the attachment thereto are hereby disclosed to
09:25:19 22 plaintiff with these responses. Navajo County intends to
09:25:24 23 follow this guidance until more substantive and final
09:25:28 24 procedures are memorialized in a new procedures manual.

09:25:35 25 Is that response still accurate, still the

09:25:42 1 position of the Navajo County Recorder's Office?

09:25:46 2 A. That's correct.

09:25:47 3 Q. And so there has been no more substantive

09:25:56 4 guidance received since the Kori Lorick communication of

09:26:02 5 December 30, 2022?

09:26:03 6 A. Not as of yet.

09:26:05 7 Q. Okay. I hope I found that communication. So I

09:26:14 8 have got to ask you whether I succeeded.

09:26:17 9 If you would open up documents S and T. T is an

09:26:31 10 email, and, and I, I believe S may be the attachment, but

09:26:40 11 that's the question I have for you.

09:26:42 12 A. S and T. I don't -- okay. Okay.

09:26:56 13 Okay. Yes, I see it.

09:26:58 14 Q. Is T the email referenced in Response No. 7 to

09:27:07 15 the Equity Coalition request for production?

09:27:12 16 A. Yes. It is.

09:27:14 17 Q. Okay. I'll mark that as Exhibit 38. Is that

09:27:22 18 what we are up to? I think so.

09:27:30 19 And then is T the attachment to the email?

09:27:33 20 A. No.

09:27:36 21 Q. It is not?

09:27:37 22 A. Give me one --

09:27:40 23 Q. Sure.

09:27:54 24 A. Yes. T is the -- or T is the email, I believe.

09:27:58 25 Correct? And S is the attachment.

09:27:59 1 Q. S is the attachment. Thank you.

09:28:02 2 A. Yes.

09:28:04 3 Q. Yes. And so let's mark S as Exhibit 39.

09:28:11 4 All right. I and others who examine you may ask

09:28:15 5 you about those exhibits in more detail later. I just

09:28:19 6 wanted to make sure we knew the documents that were

09:28:22 7 referenced in that request for production response.

8 MR. MORGAN: Hey, David.

9 MR. ROSENBAUM: Yes.

10 MR. MORGAN: So we're on the same page, S is the

11 VRAC that was attached to --

12 (The Reporter requested clarification.)

13 MR. MORGAN. This is Craig Morgan.

14 MR. ROSENBAUM: State your name, Craig.

15 MR. MORGAN: Yeah, sorry. Craig Morgan.

09:28:36 16 David, S is the VRAC paper that was attached to

09:28:41 17 the email?

09:28:42 18 MR. ROSENBAUM: Yes. Correct. Yes, the first

09:28:45 19 line is entitled VRAC Legislative Policy Updates.

09:28:51 20 BY MR. ROSENBAUM:

09:28:53 21 Q. All right. If you could now open what was

09:29:02 22 labeled as Document C. Do you --

09:29:15 23 Let me know when you're there.

09:29:17 24 A. I have to download it.

09:29:23 25 Q. Sure.

09:29:24 1 A. Okay. I'm there.

09:29:26 2 Q. Do you recognize that as the Navajo County

09:29:35 3 Recorder response to another set of requests for

09:29:37 4 production? This was served by the consolidated

09:29:40 5 plaintiffs.

09:29:41 6 A. Yes.

09:29:41 7 Q. All right. And I want to ask you about the

09:29:46 8 request No. 1, the response to request No. 1.

09:29:55 9 And that -- you can read the question to

09:29:59 10 yourself. I'm not going to read the whole thing. But it

09:30:03 11 relates to communications and documents concerning to use

09:30:09 12 of birthplace and the citizenship, citizenship checkbox on

09:30:17 13 the state form.

09:30:22 14 If you look at the response, Subpart 1 reads,

09:30:30 15 quote:

09:30:31 16 If an applicant was using a state form to

09:30:35 17 register, he or she would have been required to provide a

09:30:41 18 birthplace or complete the citizenship checkbox in order

09:30:44 19 to be registered to vote in state and federal

09:30:50 20 reelections -- elections.

09:30:52 21 Is that response still accurate to this date?

09:30:54 22 A. It is.

09:30:55 23 Q. All right. In other words, one, one could be

09:31:01 24 registered by either checking the, the citizen checkbox

09:31:07 25 without providing a, a document, or could provide

09:31:16 1 documentation and not complete the citizenship checkbox.

09:31:29 2 Let me back up. Completion of the citizenship

09:31:34 3 checkbox was not, and is not to this date, a requirement

09:31:39 4 so long as there's documentation provided.

09:31:43 5 A. So you're asking if I would accept a proof of

09:31:50 6 citizenship with a registration form not checked?

09:31:55 7 Q. Yes.

09:31:56 8 A. Correct.

09:31:56 9 Q. Okay. And then Subpart II to the question

09:32:01 10 reads, quote:

09:32:03 11 The majority of voter registration applicants

09:32:07 12 would have provided a birthplace or check the citizenship

09:32:12 13 box, but the voter registration database is unable to

09:32:19 14 provide any kind of report on how many applicants provided

09:32:22 15 such information.

09:32:24 16 Is that still true to this date?

09:32:26 17 A. That's correct.

09:32:27 18 Q. You don't have information in a database that

09:32:33 19 would be able to break out who --

09:32:37 20 A. No. Voter regis -- oh, sorry.

09:32:39 21 Q. Yeah, go ahead.

09:32:40 22 A. The voter registration system doesn't track who

09:32:46 23 checked what box.

09:32:47 24 Q. And Subpart III stated, quote:

09:32:52 25 The County Recorder is unable to state how many

09:32:57 1 applicants provided a correct or incorrect birth --

09:33:00 2 provided a correct or incorrect birthplaces because the

09:33:05 3 County Recorder and his staff do not have personal

09:33:07 4 knowledge of where any particular applicant was born and

09:33:12 5 the voter registration database has no information about

09:33:16 6 either.

09:33:16 7 Is that still the case today?

09:33:18 8 A. That is.

09:33:20 9 Q. All right. Let me ask you to go down to the

09:33:23 10 response to request for production No. 6. And, again, you

09:33:35 11 can read the request to yourself, but it deals with the

09:33:42 12 use of a map in Box 3 of the registration form in order to

09:33:52 13 describe where an individual resided.

09:33:55 14 Do you see that?

09:33:56 15 A. I do.

09:33:58 16 Q. And the response to that request reads, quote:

09:34:09 17 The Recorder has received 20,664 new voter

09:34:14 18 registration forms since January 1, 2020 to the present

09:34:18 19 day. There's no automated system in place to identify

09:34:22 20 voter registration forms where a voter drew a map in

09:34:27 21 Box 23 as opposed to providing a standard address.

09:34:32 22 Is that still the case today?

09:34:34 23 A. That still is the case.

09:34:36 24 Q. All right. And if you look at the last sentence

09:34:41 25 of the response, it reads, quote:

09:34:45 1 We can state that Navajo County probably
09:34:48 2 receives a higher portion of voter registration forms
09:34:53 3 utilizing Box 23 than other counties in Arizona due to the
09:34:58 4 prevalence of a greater amount of tribal lands and
09:35:04 5 peoples.

09:35:05 6 Do you agree with that?

09:35:05 7 A. Yes.

09:35:06 8 Q. And can you extrapolate? Can you explain in a
09:35:10 9 little more detail why, in your experience, the prevalence
09:35:17 10 of tribal lands and tribal peoples, as that states, would
09:35:22 11 lead to a higher portion of voter registration forms that
09:35:28 12 use Box 23?

09:35:29 13 A. Well, on the Navajo reservation there's no
09:35:35 14 addressing system, so a lot of them would need to give us
09:35:39 15 directions. And by filling out Box 23 with a map, that
09:35:44 16 helps us perceive them correctly.

09:35:49 17 Q. And are there not existing documents, drivers
09:35:58 18 licenses, utility bills, anything that would provide that
09:36:04 19 information? Or does one need to draw a map?

09:36:08 20 A. There's not. They would need to draw a map or
09:36:14 21 give a description.

09:36:15 22 Q. And you mentioned the Navajo Reservation, the
09:36:22 23 Navajo Nation. Are there other federally recognized
09:36:27 24 Indian tribes who also are located within the borders of
09:36:36 25 Navajo County?

09:36:37 1 A. There are two others. There is the Hopi
09:36:44 2 Reservation and the White Mountain Apache Tribe.
09:36:44 3 Q. And you described the lack of street addresses
09:36:48 4 for many members of the Navajo Nation. How about for the
09:36:54 5 other two tribes that are located within Navajo County?
09:36:58 6 A. It's pretty much the same. The Hopi land is in
09:37:04 7 the Navajo Nation, and the White Mountain Apache Tribe is
09:37:16 8 the same.
09:37:17 9 Q. Let me ask you to open --
09:37:22 10 Oh, by the way, did I, did I mark -- I don't
09:37:26 11 think I did -- what would have been premarked as document
09:37:32 12 C, let's mark that as deposition Exhibit 40.
09:37:43 13 So the document marked in advance as B we will
09:37:55 14 mark as deposition Exhibit 41.
09:38:05 15 And do you recognize this document as the Navajo
09:38:14 16 County Recorder's response to the interrogatories served
09:38:18 17 by the Equity Coalition?
09:38:27 18 A. Yes, it is.
09:38:28 19 Q. All right. And, by the way, the interrogatories
09:38:36 20 were verified by your boss, by Michael Sample.
09:38:44 21 Did you have any, any role in preparing the
09:38:51 22 responses?
09:38:52 23 A. I did help.
09:38:53 24 Q. Okay. Interrogatory 1 asks about plans for the
09:39:07 25 actual or prospective implementation of H.B. 2492. And I

09:39:16 1 think we touched on this when we looked at the Lorick
09:39:21 2 email document, but if you would read the response to that
09:39:24 3 interrogatory -- I'm not going to take the time to read it
09:39:28 4 out loud -- and let me know if that's still true.

09:39:47 5 A. Yes.

09:39:47 6 Q. All right. And the reference there to the
09:39:50 7 response to plaintiffs' request for production No. 7,
09:39:54 8 that's what we looked at earlier, right? That was the
09:39:57 9 Lorick letter, or email? Yeah.

09:40:00 10 A. Yes.

09:40:09 11 Q. And let's, now if you could, if you could look
09:40:16 12 at what was marked as Document D in advance, and we'll
09:40:22 13 mark that as deposition Exhibit 42.

09:40:29 14 Let me know when you have that open.

09:40:31 15 A. Okay. Okay.

09:40:37 16 Q. All right. Do you recognize that Navajo
09:40:44 17 County's response to the consolidated plaintiffs' first
09:40:47 18 set of interrogatories?

09:40:48 19 A. Yes.

09:40:48 20 Q. And let me ask you to scroll down to
09:40:57 21 interrogatory No. 7.

09:41:04 22 And this relates to the types of documents that
09:41:21 23 A.R.S. 16-123 -- which is part of the new law that you
09:41:29 24 have yet to implement, right -- types of documents that
09:41:35 25 are permitted to prove the location of residents.

09:41:46 1 Do you see that?

09:41:47 2 A. I do.

09:41:48 3 Q. All right. Why don't you read through your
09:41:58 4 answer and then I'll ask you some questions about it.

09:43:16 5 A. Okay.

09:43:16 6 Q. About four, five paragraphs from the end of the
09:43:26 7 answer, at lines, between lines 9 and 10, it states,
09:43:35 8 quote:

09:43:35 9 The Navajo County Recorder has never expressed a
09:43:39 10 belief that all individuals with nonstandard addresses who
09:43:44 11 submit applications for registration for vote will
09:43:47 12 necessarily have documents that sufficiently establish
09:43:53 13 DPOR, documentary proof of residence, as required by
09:43:57 14 16-123 and the upcoming EPM --

09:44:00 15 That's elections procedures manual, correct?

09:44:04 16 A. Correct.

09:44:04 17 Q. It is possible some will not.

09:44:11 18 Is that your current personal belief -- well, is
09:44:20 19 that, forget about personal for the moment, is that still
09:44:22 20 the belief of the County Recorder's Office that some
09:44:29 21 individuals with nonstandard addresses may lack
09:44:35 22 documentary proof of residence as required under 16-123
09:44:43 23 should that law be implemented?

09:44:45 24 A. That's correct.

09:44:47 25 Q. And we touched on this a little earlier, but can

09:44:51 1 you elaborate, explain why that is the County Recorder's
09:44:59 2 belief?

09:44:59 3 MR. LANGHOFER: This is Kori Langhofer for
09:45:01 4 the -- object to form.

09:45:06 5 BY MR. ROSENBAUM:

09:45:07 6 Q. Go ahead. You can answer. If a lawyer objects,
09:45:10 7 that's for the record, but unless your lawyer tells you
09:45:13 8 not to answer, you should still answer the question.

09:45:17 9 A. Sounds good.

09:45:19 10 Yes that is still the belief, yeah.

09:45:21 11 Q. And, and then I asked you to elaborate. What --

09:45:26 12 A. Oh, okay.

09:45:26 13 Q. -- what forms the basis of, of that belief?

09:45:31 14 A. Because they do not have an addressing system.

09:45:44 15 Q. And I think the next paragraph explains historic
09:45:49 16 and current practices. Does it not? Where it talks about
09:45:54 17 prior to the adoption of H.B. 2492?

09:45:58 18 A. Correct.

09:45:58 19 Q. And it reads, quote:

09:46:00 20 Prior to the adoption of H.B. 2492, the County
09:46:06 21 Recorder could simply rely upon the description provided
09:46:08 22 by the voter of where he or she lives and the map provided
09:46:12 23 in Box 23 of the Arizona Voter Registration Form.

09:46:19 24 Right?

09:46:19 25 A. Yes.

09:46:20 1 Q. And in, in your personal experience -- and we'll
09:46:31 2 need to back up and talk about exactly what you do; we
09:46:36 3 haven't done that yet -- but has there ever been an
09:46:40 4 instance where the residence of a registrant to vote, as
09:46:49 5 drawn on the map in Box 23, proved to be fraudulent?

09:46:56 6 A. No. Not for the --

09:47:01 7 Q. And any instance where it proved to be
09:47:04 8 inaccurate, even if not intentionally so, but that it
09:47:09 9 depicted a residence that was inaccurate such that the
09:47:18 10 person was registered in the wrong precinct and would have
09:47:25 11 received the wrong ballot at an upcoming election?

09:47:31 12 DEFENSE COUNSEL: Form.

09:47:33 13 THE WITNESS: No. I don't see any, no.

09:47:36 14 BY MR. ROSENBAUM:

09:47:37 15 Q. Who were the individuals who, in your office,
09:47:42 16 who review the Box 23s? Who is responsible in the County
09:47:52 17 Recorder's office for that?

09:47:53 18 A. On a daily?

09:47:55 19 Q. Yes.

09:47:55 20 A. Myself, and I have an assistant. Her name is
09:48:01 21 Karen Hobert.

09:48:02 22 Q. And how long have you been involved in that
09:48:07 23 review process?

09:48:08 24 A. Myself, over five years.

09:48:11 25 Q. And how about Ms. Hobert?

09:48:14 1 A. Almost four years.

09:48:16 2 Q. I may be showing my Maricopa County bias here,
09:48:26 3 but Navajo County is relatively small compared to
09:48:32 4 Maricopa, right?

09:48:33 5 A. Correct.

09:48:34 6 Q. Do you and Ms. Hobert often know, personally,
09:48:39 7 these individuals who are drawing maps in Box 23?

09:48:42 8 A. No.

09:48:43 9 Q. Okay. Is there anyone else in the office who is
09:48:50 10 involved in this process that is reviewing the Box 23s?

09:48:56 11 A. Not on a daily, no.

09:48:57 12 Q. And what does your office, then, do? Somebody
09:49:02 13 draws a map that, you know, has certain descriptions,
09:49:08 14 where geographically the person is resided. How do you
09:49:13 15 then go about assigning a, a place of residence so that
09:49:19 16 ultimately the correct ballot is issued to that
09:49:23 17 individual?

09:49:25 18 A. We use maps, and our voter registration system
09:49:29 19 has a mapping program, and then we dot them, and that's
09:49:33 20 how we get the precinct part.

09:49:43 21 Q. How many precincts, if you know off the top of
09:49:47 22 your head, are in Navajo County?

09:49:49 23 A. 14 precincts.

09:49:51 24 Q. And what's the name of the mapping system?

09:49:53 25 A. It's called Total Address.

09:50:00 1 Q. Do you know if that's used by other counties?

09:50:03 2 A. It's through the Secretary of State's Office's

09:50:13 3 system. So, yes, other counties do use it.

09:50:21 4 Q. All right. Let me back up and go a little more

09:50:24 5 detail into your personal roles and responsibilities at

09:50:24 6 the County Recorder's Office.

09:50:31 7 What is your job title?

09:50:32 8 A. Voter registration coordinator.

09:50:35 9 Q. And to whom do you reporter?

09:50:37 10 A. The County Recorder.

09:50:39 11 Q. Nobody has the title elections director in

09:50:45 12 Navajo County?

09:50:45 13 A. There is an elections director. She is under

09:50:49 14 the board of supervisors, though.

09:50:51 15 Q. I see. So she doesn't -- what are, what are --

09:50:53 16 what's her name and what are her responsibilities?

09:50:58 17 A. I can give you her name, it's Rayleen Richards,

09:51:01 18 but I can't give you, I wouldn't know her

09:51:03 19 responsibilities.

09:51:03 20 Q. Does she and her, and the persons who report to

09:51:12 21 her have any role in the registration of new voters?

09:51:18 22 A. No.

09:51:19 23 Q. If you still have it in front of you, the

09:51:28 24 interrogatory response No. 7, there's some names listed

09:51:32 25 there.

09:51:34 1 A. Hmm hmm.

09:51:34 2 Q. If you could run through those names and
09:51:37 3 identify their titles and/or responsibilities. We've
09:51:41 4 covered Michael Sample. He is the County Recorder.

09:51:45 5 What about Donna Hurstrom?

09:51:47 6 A. Donna Hurstrom? Yeah, she is the chief deputy.
09:51:51 7 And then you have myself. You have Isaura Nez, and she is
09:51:55 8 our voter outreach.

09:51:56 9 Q. And then, for the court reporter, Isaura is
09:52:00 10 I-S-A-U-R-A?

09:52:01 11 A. Yes.

09:52:02 12 Q. Right? Okay.

09:52:04 13 A. And then you have Karen Hobert, which she is my
09:52:09 14 assistant. And then you have Sabrina James who works
09:52:20 15 under the Recorders; Nanette Donahue, who also works under
09:52:22 16 the Recorders; and Hanna Yazzie who works under the
09:52:26 17 Recorders.

09:52:27 18 Q. And, in general, how do you receive voter
09:52:37 19 registration applications? How do they come into your
09:52:39 20 office?

09:52:39 21 A. We get them two different ways. We get them
09:52:42 22 through EZ Voter, which is through MVD, through our voter
09:52:47 23 registration system, and those are done daily. And then
09:52:50 24 we also get them in the mail and over the counter, here in
09:52:54 25 the office.

09:52:55 1 Q. And, and when, when voter registrations are
09:53:01 2 processed and approved, how do you then -- I assume you
09:53:08 3 add them to a database so you have those records. Tell me
09:53:12 4 about that process.

09:53:13 5 A. The Secretary of State's Office has a program
09:53:17 6 called AVID, and that is where we register new
09:53:24 7 registrants. And then we scan in the voter registration
09:53:27 8 form to that system as well.

09:53:29 9 Q. And then when it comes to actual voting, either
09:53:33 10 in person or early voting and by mail, do you personally
09:53:38 11 have any responsibility for that activity?

09:53:41 12 A. Voting by mail, yes. Not on election day,
09:53:47 13 though.

09:53:47 14 Q. Okay. So tell me, first of all, the process.
09:53:50 15 What types of early voting are available in
09:53:58 16 Navajo County?

09:54:02 17 A. So we have early ballots that go out, and those
09:54:05 18 are sent out through the post. We also have in-person
09:54:09 19 early voting here at the Recorder's Office where they can
09:54:13 20 come in and actually vote a ballot, a paper ballot or on
09:54:17 21 the machine. And then our voter outreach, Isaura Nez, she
09:54:21 22 is in charge of early voting out on the Reservation, out
09:54:25 23 in different cities and towns.

09:54:28 24 Q. Okay. So in terms of in-person early voting
09:54:31 25 location, besides the County Recorder's Office, there are

09:54:36 1 also locations out, further out on the reservations?

09:54:41 2 A. Yes. And they differ every election.

09:54:44 3 Q. Are there drop boxes, as well, in Navajo County?

09:54:49 4 A. We do have drop boxes.

09:54:52 5 Q. And where are those located?

09:54:55 6 A. They are everywhere. I believe we have 16 drop
09:54:59 7 boxes and they're throughout the county.

09:55:01 8 Q. And the people within your office, who is
09:55:10 9 responsible for administering the early voting?

09:55:14 10 A. Our office.

09:55:16 11 Q. Okay. And you have a role in that?

09:55:18 12 A. Correct.

09:55:19 13 Q. And election day, you say you don't have any
09:55:24 14 role.

09:55:24 15 Who, who is responsible for staffing and
09:55:27 16 organizing that?

09:55:28 17 A. The elections director.

09:55:31 18 Q. And the County Recorder's Office is not involved
09:55:38 19 in that?

09:55:38 20 A. Not on election day. We work here in the office
09:55:41 21 answering questions, but we don't have any dealing with
09:55:44 22 the election.

09:55:45 23 Q. Okay. Let me ask you to open what was

09:55:59 24 identified to you as Petty 6, and that's the previously

09:56:04 25 marked deposition Exhibit 6 from the Petty deposition.

09:56:08 1 A. Okay. I'm sorry. Give me one second. I'm
09:56:39 2 trying to -- it looks like my -- okay. I have a lot of
09:56:50 3 Pettys.

09:56:50 4 Q. Right. You should have 1 through 34.

09:56:53 5 A. Okay.

09:56:54 6 Q. And this is No. 6.

09:56:56 7 A. Okay. Okay. All right.

09:57:04 8 Q. Do you recognize this as the first chapter of
09:57:09 9 the 2019 elections procedures manual?

09:57:11 10 A. Yes.

09:57:12 11 Q. We saw reference to the EPM in prior discovery
09:57:18 12 responses that we looked at.

09:57:19 13 Is this the EPM, or at least Chapter 1 of it?

09:57:24 14 A. This is the one, yes.

09:57:25 15 Q. Okay. It's dated 2019. Is this the operative
09:57:31 16 version?

09:57:32 17 A. This is the current one, yes.

09:57:33 18 Q. And I take it from your prior testimony this is
09:57:38 19 the version that you were following.

09:57:40 20 A. This is the version.

09:57:44 21 Q. Okay. And do you know, or is your office
09:57:46 22 legally required to follow at least Chapter 1 of the EPM?

09:57:52 23 A. Are we legal -- yes.

09:57:58 24 Q. Yes.

09:57:58 25 A. I do believe so.

09:58:01 1 Q. All right. Are you, are you aware of any other,
09:58:05 2 any counties that aren't following EPM Chapter 1?

09:58:10 3 A. I do not know.

09:58:11 4 Q. Okay. Do you know what is the Voter
09:58:19 5 Registration Advisory Committee?

09:58:24 6 A. Yes. VRAC.

09:58:29 7 Q. Yeah. And we looked at the attachment to the
09:58:32 8 Lorick, December 30 email. That, that's the same entity,
09:58:36 9 right? VRAC?

09:58:36 10 A. Right. Correct.

09:58:40 11 Q. Do you personally have any role in VRAC?

09:58:43 12 A. I attend the meetings, yes.

09:58:46 13 Q. All right. And are you, are you the designee
09:58:49 14 from Navajo County, or do other of your colleagues also
09:58:54 15 attend?

09:58:54 16 A. That would be the County Recorder.

09:58:58 17 Q. Okay. So sometimes Mr. Sample also attends?

09:59:01 18 A. Yes. He has to be present for a vote.

09:59:05 19 Q. I see. And how often does VRAC meet?

09:59:09 20 A. It's not set. It changes. It's been a few
09:59:17 21 weeks since the last VRAC meeting.

09:59:20 22 Q. Can you give an estimate, in general, what's the
09:59:26 23 frequency? Every week? Every couple weeks? Every month?

09:59:31 24 A. Maybe, maybe every month, but it could change.

09:59:37 25 Q. Are you familiar with the AVID Enhancement

09:59:46 1 Committee? Maybe --

09:59:46 2 A. I am.

09:59:47 3 Q. -- you pronounce it AVID. Yes?

09:59:49 4 Is it AVID or AVID?

09:59:50 5 A. I say AVID.

09:59:52 6 Q. Okay. And what is that committee?

09:59:54 7 A. We create enhancements for the AVID voter
10:00:01 8 registration system.

10:00:01 9 Q. And that's the database that you were referring
10:00:04 10 to earlier.

10:00:05 11 A. Correct.

10:00:05 12 Q. And so are, are you the Navajo County designee
10:00:14 13 to that committee?

10:00:15 14 A. I am.

10:00:16 15 Q. And do you have any roles at the committee,
10:00:21 16 other than as a member, subcommittees or that sort of
10:00:27 17 thing?

10:00:27 18 A. Yeah, I don't have any roles.

10:00:29 19 Q. So I want to now turn to a subject we have
10:00:42 20 already touched on which is implementation of the, the new
10:00:50 21 laws. And I want to focus on H.B. 2492 at first.

10:00:59 22 Have you been involved at all, has your office,
10:01:06 23 I should ask, in efforts to interpret the provisions of
10:01:16 24 2492?

10:01:16 25 A. No. We have not.

10:01:18 1 Q. And how about 2243? Has your office been
10:01:22 2 involved in efforts to interpret that --

10:01:27 3 A. No.

10:01:28 4 Q. -- legislation?

10:01:32 5 A. No. We have not.

10:01:33 6 Q. I think we've covered this already, but are

10:01:39 7 there any portions of H.B. 2492 or H.B. 2243 that Navajo

10:01:48 8 County is currently enforcing?

10:01:51 9 A. Not at the moment.

10:01:53 10 Q. We discussed before the, you know, potential for
10:02:22 11 a new election procedures manual that might create new
10:02:27 12 requirements that you would need to start to follow.

10:02:29 13 Do you know the status of potential revisions to
10:02:35 14 the election procedures manual?

10:02:37 15 A. I do not.

10:02:38 16 Q. Has your office received any drafts of proposed,
10:02:48 17 a proposed new election procedures manual?

10:02:51 18 A. New drafts, no.

10:02:54 19 Q. At least you personally have not seen any
10:03:01 20 communications, for example, from the Secretary of State's
10:03:04 21 Office circulating a, you know, potential new election
10:03:11 22 procedures manual or new portions of an election
10:03:15 23 procedures manual?

10:03:15 24 A. New portions, no.

10:03:19 25 Q. And do you know, unless and until there's a new

10:03:30 1 election procedures manual, what you are supposed to
10:03:34 2 follow?

10:03:34 3 A. Not as of yet, no.

10:03:37 4 Q. Okay. Well, bad question. I think I was
10:03:41 5 repeating a prior question. I want to make sure now that
10:03:46 6 it's, that what you said before still holds.

10:03:49 7 Unless and until there's a new election

10:03:54 8 procedures manual, what election procedures manual do you
10:03:58 9 follow?

10:03:58 10 A. The 2019 elections procedure manual.

10:04:03 11 Q. So we talked earlier about the voter
10:04:22 12 registration process, that you receive voter registrations
10:04:29 13 from the MVD. And, in fact, there are two ways to
10:04:33 14 register through MVD, right?

10:04:36 15 A. Correct.

10:04:36 16 Q. What are those?

10:04:37 17 A. You can go in in person in MVD, or you can go on
10:04:43 18 to Servicearizona.com, and that is also through MVD.

10:04:45 19 Q. And how about MVD now, are you familiar with
10:04:49 20 that?

10:04:49 21 A. I am. It's not up and running yet, but it's
10:04:53 22 going to take place of ServiceArizona.

10:04:56 23 Q. Good. I'm not talking about voter registration.
10:05:03 24 I'm talking about my own experience trying to get new
10:05:06 25 licenses and pay bills through ServiceArizona.

10:05:11 1 And then, in terms of paper methods, we talked
10:05:18 2 about the Box 23. That's on the state form, right?
10:05:25 3 A. That is.
10:05:26 4 Q. Are there other paper forms that individuals can
10:05:31 5 use?
10:05:31 6 A. There is, there's a federal registration form,
10:05:36 7 and there is also a federal postcard application.
10:05:48 8 Q. Does your office provide forms, either state
10:05:54 9 form, federal form, to any third party groups to assist in
10:06:00 10 registration efforts?
10:06:01 11 A. We do.
10:06:02 12 Q. Describe that effort, if you would.
10:06:05 13 A. We have a certain form that's coded differently
10:06:09 14 than normal, and we give those out to voter registration
10:06:09 15 drives.
10:06:13 16 Q. What do you mean it's coded differently?
10:06:18 17 A. The form has a code that, when I receive it, I
10:06:22 18 know it's received by a third party voter registration
10:06:26 19 drive.
10:06:26 20 Q. I see. So if you would, if you would open Petty
10:06:30 21 Exhibit 16.
10:06:43 22 A. Okay.
10:06:44 23 Q. Do you recognize that document?
10:06:46 24 A. I see these, yes.
10:06:47 25 Q. Okay. Is that the state form?

10:06:48 1 A. That one is the state form, correct.

10:06:50 2 Q. All right. So what -- I apologize. I'm not

10:06:54 3 sure I have seen the, the coded form that you're talking

10:06:57 4 about.

10:06:58 5 Would it be the, the form that contains the

10:07:03 6 same, you know, 24 boxes but had some additional

10:07:08 7 information added somewhere to it?

10:07:10 8 A. It is the same.

10:07:11 9 Q. Okay. So where is the code added that let's you

10:07:15 10 know that this came through a third party drive?

10:07:18 11 A. Yeah. So if you see question No. 1, to the

10:07:21 12 right, there is a box that says, box for office use only.

10:07:21 13 Q. Yes.

10:07:25 14 A. That is where the code would go.

10:07:27 15 Q. I see. Okay. And is it coded by particular

10:07:31 16 third party organization?

10:07:35 17 A. No.

10:07:36 18 Q. Or -- so whoever the organization is they're

10:07:42 19 going to get the same code?

10:07:43 20 A. Everybody gets -- for Navajo County, everybody

10:07:46 21 gets the same code.

10:07:47 22 Q. Okay. If you would open Document K.

10:08:04 23 A. Okay.

10:08:04 24 Q. And let's mark that as the next deposition

10:08:04 25 exhibit --

10:08:12 1 Is that 43? Karen, is 43 the right number?

10:08:33 2 THE REPORTER: Yes.

10:08:33 3 MR. ROSENBAUM: Great.

10:08:33 4 BY MR. ROSENBAUM:

10:08:35 5 Q. All right. This is, this is not a document
10:08:36 6 produced by Navajo County. I found it online, so it
10:08:42 7 doesn't have a production number.

10:08:43 8 But are you familiar with this document?

10:08:45 9 A. I am not.

10:08:47 10 Q. It appears to be a Navajo Nation voter
10:08:57 11 registration document, and it seems to list various places
10:09:08 12 where folks could go to try and register to vote. And
10:09:13 13 among the locations listed is the Navajo County Recorder's
10:09:24 14 Office, and your name is listed there.

10:09:26 15 Do you see that?

10:09:27 16 A. I do.

10:09:28 17 Q. All right. Who is Karen Lerma? Is she related
10:09:30 18 to you?

10:09:30 19 A. No.

10:09:31 20 Q. Anyway, the reason I flagged this document is it
10:09:37 21 suggested to me that there is some cooperation,
10:09:41 22 coordination, at least with the Navajo Nation in terms of
10:09:46 23 voter registration efforts, but maybe I'm wrong.

10:09:49 24 Is there any such efforts that your office is
10:09:55 25 engaged in with the Navajo Nation?

10:09:57 1 A. We do register Navajo Nation voters, but that's
10:10:05 2 all we do.

10:10:05 3 Q. Okay. And in terms of internal Navajo Nation
10:10:10 4 elections for their counsel, for their leaders, your
10:10:14 5 office has no role. Is that right?

10:10:15 6 A. Yes. Correct.

10:10:17 7 Q. Correct. Okay.

10:10:20 8 Are their election days coordinated with yours,
10:10:24 9 or do they schedule separately?

10:10:28 10 A. They have the same dates.

10:10:30 11 Q. If somebody was voting in person in your office
10:10:38 12 in Holbrook, would they, would they be able to also vote a
10:10:43 13 Navajo Nation ballot?

10:10:47 14 A. No.

10:10:48 15 Q. How about with the White Mountain Apache? Any,
10:10:52 16 do you have any outreach and coordination in terms of
10:10:56 17 voter registration with that tribe?

10:11:00 18 A. No, we don't.

10:11:02 19 Q. And how about the Hopi Tribe? Any coordination
10:11:04 20 with the Hopi Tribe?

10:11:06 21 A. No.

10:11:07 22 Q. Does your office distribute the federal form if
10:11:17 23 voters ask for it?

10:11:18 24 A. No. We do not.

10:11:20 25 Q. Are there any NVR agencies from whom you receive

10:11:32 1 forms?

10:11:32 2 A. We do. We receive them from DES. That's all

10:11:44 3 the ones, the only ones I have seen come through.

10:11:47 4 Q. So when a new application comes in -- let's

10:11:57 5 assume it's a state form for purposes of these

10:11:59 6 questions -- you mentioned you make an entry into the AVID

10:12:04 7 database. Is there any other processing, checking

10:12:11 8 verification, that your office would undertake before

10:12:19 9 confirming that this registrant, in fact, is a valid

10:12:24 10 Arizona voter?

10:12:24 11 A. Arizona voter?

10:12:28 12 Q. Well, for example, checking signatures, checking

10:12:35 13 with the Motor Vehicle Department. Tell us what processes

10:12:42 14 you go through in order to --

10:12:44 15 A. Okay. Yeah.

10:12:44 16 Q. -- verify the new voter.

10:12:46 17 A. Right. The system has a thing called HAVA

10:12:50 18 checks, and it runs them through the MVD to verify

10:12:56 19 citizenship. We also, you have to check signatures, make

10:13:00 20 sure they match. We check date of birth, social, make

10:13:06 21 sure they match.

10:13:08 22 Q. And what if your office finds that there's

10:13:13 23 something that didn't match? What is the next step?

10:13:18 24 A. I mean, it depends on what didn't match, but we

10:13:21 25 would contact the voter. And then give them ways to

10:13:31 1 correct it.

10:13:32 2 Q. And if you would look at, in Document C, which
10:14:02 3 we have marked as a deposition exhibit. These were
10:14:07 4 responses to the consolidated plaintiffs' request for
10:14:11 5 production, response No. 5. It says:

10:14:17 6 If we cannot verify an address on a voter
10:14:22 7 registration form we send out the attached letter -- which
10:14:25 8 is described as RFP.A.

10:14:34 9 I thought I had that premarked. Let's see. Ah,
10:14:46 10 yes. So Exhibit R, Document R, could you open that?

10:14:58 11 A. Yep. That's it.

10:14:59 12 Q. Is that the letter that is referenced in the RFP
10:15:06 13 response that we just looked at?

10:15:08 14 A. Yes.

10:15:08 15 Q. Okay. And then so when, when the recipient of
10:15:25 16 that letter responds, what do you next?

10:15:30 17 A. For this one, specifically, we correct their
10:15:34 18 residential address, get them precincted correctly, and
10:15:38 19 then update their registration to active. And then they
10:15:46 20 also get a voter ID card sent to them.

10:15:50 21 Q. And we talked earlier about what happens if a
10:15:53 22 voter lacks a standard residential address. I want to, I
10:16:00 23 want to ask you to open up Document I.

10:16:17 24 And, while you're doing that, let's mark the
10:16:22 25 prior document as Exhibit --

10:16:25 1 Karen, now, I'm sorry, I lost track. Help me.

10:16:36 2 THE REPORTER: The next one would be 44.

10:16:36 3 BY MR. ROSENBAUM:

10:16:37 4 Q. Okay. So that will be 44, the letter that we

10:16:38 5 marked, and then this document will be 45.

10:16:49 6 And do you recognize this document, Exhibit 45,

10:16:53 7 which is, is I --

10:16:53 8 A. I do.

10:16:57 9 Q. -- to you.

10:16:59 10 What is it?

10:17:00 11 A. These are the -- gosh, I'm wearing a blank --

10:17:09 12 the rosters for election day.

10:17:11 13 Q. And, by the way, I don't see a confidentiality

10:17:23 14 stamp on this, but I assume that you and everybody else

10:17:29 15 believe this should be marked as confidential, because you

10:17:35 16 see it gives individual voter names and other information

10:17:39 17 about them.

10:17:42 18 MR. MORGAN: Yeah, Craig Morgan for the

10:17:44 19 Secretary of State. I agree, David.

10:17:49 20 MR. MOORE: And, counsel, I think that this is

10:17:50 21 covered by the terms and conditions of the protective

10:17:53 22 order that's been entered for the protection of voter

10:17:54 23 registration data, so, yes.

10:17:57 24 MR. ROSENBAUM: Yeah. I'm just, I'm noting for

10:17:59 25 the record, and I appreciate that. I think we all agree.

10:18:04 1 So, Karen, this document is confidential, and I
10:18:09 2 think our discussion about it is confidential, at least to
10:18:14 3 the extent we talk, discuss some of the details.

10:18:20 4 BY MR. ROSENBAUM:

10:18:22 5 Q. So is this a complete roster of all voters?

10:18:29 6 It's about 814 pages and -- let me just ask you.

10:18:35 7 What voters are depicted in, in this exhibit --

10:18:35 8 A. All voters --

10:18:42 9 Q. -- Exhibit 45?

10:18:44 10 A. Yeah. All voters in Precinct 1 in the area of

10:18:44 11 Chilchinbeto.

10:18:53 12 You see the polling place at the top.

10:18:56 13 Q. Yes. And where is Chilchinbeto located?

10:19:07 14 A. It is up near towards the top of the Navajo

10:19:13 15 County, closer to Utah. It's on the Navajo Reservation.

10:19:18 16 Q. The entirety of it is on the Reservation?

10:19:22 17 A. Yes. Yes. The whole, hundred percent.

10:19:27 18 Q. So under residential address, slash, mailing

10:19:35 19 address, do you see that column?

10:19:37 20 A. Yes.

10:19:37 21 Q. I want to ask you just some examples and see how

10:19:52 22 this relates to our discussion of drawing a map on Box 23.

10:19:57 23 So if you look at the voter No. 2.

10:19:59 24 A. Okay.

10:20:00 25 Q. For purposes of this examination I won't mention

10:20:03 1 the name, but the address says, 7 M SW Pinon Chapter,
10:20:14 2 Pinon 86510.
10:20:17 3 What does 7 M SW mean?
10:20:20 4 A. So that would be seven miles southwest of the
10:20:23 5 Pinon Chapter house.
10:20:26 6 Q. The Pinon Chapter house?
10:20:28 7 A. Yes. Yes. Right.
10:20:28 8 Q. So I take it there's no street address?
10:20:37 9 A. There is no street --
10:20:39 10 Q. This is a location that would have been
10:20:43 11 geolocated in order to determine what precinct that voter
10:20:48 12 should vote at?
10:20:49 13 A. Right.
10:20:51 14 Q. There is a PO box noted, PO Box 1171.
10:20:59 15 A. Hmm hmm.
10:21:00 16 Q. Who, who owns that PO box, or who, what, what
10:21:06 17 person or entity is affiliated with that PO box?
10:21:10 18 A. The United States Postal Service, I believe.
10:21:14 19 Q. Well, I guess, here's what I meant.
10:21:17 20 Is this the Pinon Chapter's --
10:21:17 21 A. No.
10:21:19 22 Q. -- Chapter House PO box? Or is this the
10:21:22 23 individual's PO box?
10:21:23 24 A. This is the individual's PO box.
10:21:25 25 Q. And is that at their residence address, or at

10:21:31 1 some post office location elsewhere?

10:21:33 2 A. That's a post office.

10:21:35 3 Q. And if -- skip down to voter 4, because voter 3

10:21:44 4 appears to be related to voter 2, same location, right?

10:21:49 5 A. Yeah.

10:21:49 6 Q. This is Coral Court Kayenta.

10:21:59 7 What is Coral Court? Is that an actual street

10:22:02 8 address?

10:22:02 9 A. It's just the street. They don't have -- a lot

10:22:06 10 of the houses out there aren't numbered.

10:22:09 11 Q. And the PO box there, would that be at their

10:22:13 12 residence or at a post office somewhere?

10:22:15 13 A. That would be at a post office.

10:22:17 14 Q. Okay. And let's jump down to voter 10.

10:22:24 15 Is that voter's location 18 miles north of

10:22:29 16 Highways 160/163?

10:22:32 17 A. Correct.

10:22:32 18 Q. And that, again that's, that's a location you

10:22:40 19 would have geolocated in order to determine the precinct?

10:22:44 20 A. Correct.

10:22:45 21 Q. And the PO box there, is that at the resident's

10:22:49 22 address, or is that a separate post office location?

10:22:52 23 A. It's at a post office.

10:22:54 24 Q. Using voter No. 10 as an example, are you aware

10:23:05 25 of any documentary proof of residence that would identify

10:23:13 1 a location for that voter at 18 miles north of

10:23:18 2 Highway 160/163?

10:23:21 3 DEFENSE COUNSEL: Foundation.

10:23:24 4 THE WITNESS: I wouldn't know of any.

10:23:26 5 BY MR. ROSENBAUM:

10:23:34 6 Q. No voter, when registering to vote, where you

10:23:42 7 were personally involved, has ever presented documentary

10:23:46 8 proof of that kind of location. Is that right?

10:23:51 9 A. Correct.

10:23:52 10 DEFENSE COUNSEL: Form.

10:23:52 11 MR. ROSENBAUM: Karen, did you get the answer?

10:23:52 12 THE REPORTER: I did.

10:23:53 13 Correct.

10:23:53 14 BY MR. ROSENBAUM:

10:23:58 15 Q. And the answer was -- yes, so you were agreeing
10:24:02 16 with me that no voter had ever presented documentary proof
10:24:08 17 at that kind of residence, correct?

10:24:09 18 A. Right.

10:24:10 19 Q. And I take it the county does not assign an
10:24:27 20 address for voters such as the ones we've looked at. Is
10:24:34 21 that right?

10:24:34 22 A. Correct. Yes.

10:24:38 23 Q. Is there any outreach effort that Navajo County
10:24:55 24 is involved in to attempt to increase registration of
10:25:04 25 Native American voters?

10:25:07 1 A. We have a voter outreach person in our office,
10:25:11 2 Isaura Nez, and she goes out and does voter registration
10:25:14 3 drives weekly.

10:25:15 4 Q. And -- go ahead.

10:25:18 5 A. On the Reservation and off.

10:25:21 6 Q. And can you describe what that entails?

10:25:27 7 A. We have a trailer and a truck that we take out,
10:25:32 8 and it's, it says voter registration on it. And we go out
10:25:38 9 to the flea markets. We go out -- or pick a spot
10:25:43 10 somewhere out on res -- the community it tends to a lot,
10:25:46 11 and then we try to get some registrations.

10:25:50 12 Q. And why do that outreach, outreach, targeted to
10:26:02 13 Native Americans?

10:26:02 14 A. Why?

10:26:03 15 Q. Yes.

10:26:04 16 A. We just know it's a long drive from all the way
10:26:08 17 at the top of the Reservation to come into Holbrook to
10:26:12 18 fill out a form. We know a lot of the people out there
10:26:15 19 don't have vehicles, so we try to help.

10:26:19 20 Q. And just so it's clear on the record, Holbrook
10:26:23 21 is the county seat, that's where your office is?

10:26:25 22 A. It is.

10:26:26 23 Q. In your knowledge and experience, is the voter
10:26:37 24 registration rate lower for the Native communities in your
10:26:40 25 county than non-Native voters?

10:26:45 1 A. Yeah, I would say so.

10:26:49 2 Q. And you mentioned Holbrook. What are the other
10:26:56 3 towns and communities within Navajo County where one might
10:27:01 4 find the congregation of non-Native voters?

10:27:10 5 A. Off the Reservation, you mean?

10:27:12 6 Q. Yeah. Off reservation, you know, towns.

10:27:18 7 A. I don't understand the question.

10:27:20 8 DEFENSE COUNSEL: Foundation.

10:27:22 9 BY MR. ROSENBAUM:

10:27:23 10 Q. Yeah, so what are the, what are the towns within
10:27:25 11 Navajo County that, you know, Arizonans might recognize,
10:27:30 12 those who like to vacation, for example, in the mountains?

10:27:33 13 A. Oh, I see. So we have Show Low, Arizona;
10:27:37 14 Pinetop, Arizona; here; Winslow, Arizona. And then we
10:27:45 15 also have Heber and Overgaard.

10:27:52 16 Q. Do you run registration drives or efforts in,
10:27:57 17 for example, Show Low as well?

10:27:58 18 A. We do. We do.

10:28:00 19 Q. Okay. Do you know if H.B. 2492, the documentary
10:28:17 20 proof of residence requirement, becomes effective whether
10:28:24 21 it will also apply to voters who use the federal form?

10:28:30 22 DEFENSE COUNSEL: Form.

10:28:30 23 THE WITNESS: I don't know off the top of my
10:28:33 24 head.

10:28:33 25 BY MR. ROSENBAUM:

10:28:33 1 Q. Okay. Let me ask you to open Petty Exhibit 24.

10:28:55 2 A. Okay.

10:28:56 3 Q. This is a document -- it's not a Navajo County
10:29:02 4 document, but the question at the top is, what constitutes
10:29:07 5 documentary proof of residency.

10:29:13 6 Have you seen this before?

10:29:17 7 A. I have not seen this, no.

10:29:20 8 Q. And do any of the documents listed here include
10:29:39 9 geolocation information on them, the sort we were talking
10:29:43 10 about, that somebody lives, you know, X number of miles
10:29:47 11 southwest of some feature?

10:29:50 12 A. You said Petty --
10:29:57 13 (Simultaneous speakers.)

10:29:57 14 BY MR. ROSENBAUM:

10:29:57 15 Q. Petty 24.

10:29:57 16 A. Oh, I'm sorry.

10:29:57 17 Q. Okay.

10:30:01 18 (The Reporter requested clarification.)

10:30:01 19 MS. BOUGHTON: There was a form and foundation
10:30:03 20 objection.

10:30:04 21 BY MR. ROSENBAUM:

10:30:05 22 Q. And I'm withdrawing the question because the
10:30:07 23 witness didn't have the right document open, so...

10:30:13 24 A. All right. Now I have it open.

10:30:15 25 Q. All right. So let me start where I was before.

10:30:19 1 Is this a document that you've seen before?

10:30:22 2 A. I have.

10:30:24 3 Q. And do you recall in what context you saw this?

10:30:30 4 A. I -- no. I can't tell you how I saw it. I

10:30:40 5 don't...

10:30:41 6 Q. So, and I can tell you, based on, you know,

10:30:44 7 other information, it appears to be an effort to delineate

10:30:48 8 the types of documents that are described under the

10:30:58 9 statutes, if and when the documentary proof of residency

10:31:04 10 requirement becomes effective.

10:31:06 11 A. Okay.

10:31:07 12 Q. And so let me just go through these -- but the

10:31:10 13 question is, to your knowledge and experience, do these

10:31:14 14 documents include the kind of nonstandard address

10:31:20 15 geolocation information that we've been talking about?

10:31:25 16 Okay?

10:31:25 17 A. No. No, I don't think it would.

10:31:28 18 Q. All right. And that's true for every one of the

10:31:31 19 categories of documents on this, on this chart, right?

10:31:35 20 A. Yes. I was going through them all.

10:31:45 21 MR. ROSENBAUM: All right. We've gone an hour

10:31:49 22 and a half. I think I am about done. So why don't we

10:31:54 23 take a break. I will confirm whether I am done, and then

10:31:58 24 we'll hand the questioning off to, I think, Alex, you

10:32:04 25 wanted to go next.

10:32:10 1 THE VIDEOGRAPHER: Standby please.

10:32:12 2 We are off the record. Time on the video

10:32:15 3 monitor is 10:32. This ends Media 1.

10:32:20 4 (Recess taken from 10:32 a.m. 10:47 a.m.)

10:47:07 5 THE VIDEOGRAPHER: We are on the record. The

10:47:21 6 time on the video monitor is 10:47. This begins Media

10:47:25 7 No. 2.

10:47:25 8 BY MR. ROSENBAUM:

10:47:29 9 Q. Mr. Lerma, there's one more document I wanted

10:47:31 10 you to identify if you would. If you could open what was

10:47:36 11 previously identified as Document Q, which we will then

10:47:40 12 mark as deposition Exhibit 45.

10:47:52 13 A. Okay.

10:47:53 14 Q. Can you identify this document for us?

10:48:00 15 A. That is the notice we send out to voters when

10:48:08 16 they need to provide more citizenship.

10:48:11 17 Q. And the letter starts out saying:

10:48:16 18 Based on a recent court decision, we have

10:48:20 19 reviewed your latest voter registration application and

10:48:24 20 determined that you are eligible to vote for federal

10:48:28 21 offices only.

10:48:31 22 Do you see that?

10:48:31 23 A. Yes.

10:48:32 24 Q. All right. And is it -- would, would this

10:48:40 25 letter go to somebody who applied on, using the state

10:48:48 1 form, but failed to prove documentary, to submit

10:48:56 2 documentary proof of citizenship? Or would this only go

10:48:59 3 to people who applied on the federal form? Or would it go

10:49:02 4 to both?

10:49:02 5 A. We used it for both.

10:49:04 6 Q. Okay. And this is the form letter that's still

10:49:08 7 in use?

10:49:09 8 A. Correct.

10:49:09 9 Q. And if you, if you open up, again, what was

10:49:19 10 Document C, responses to the consolidated plaintiffs'

10:49:23 11 request for production, and look at request for production

10:49:30 12 No. 4, the answer that's provided there.

10:49:36 13 Do you see that?

10:49:37 14 A. I do.

10:49:37 15 Q. Is Document Q, Exhibit 46, the form letter that

10:49:48 16 is referenced in response to that request for production?

10:49:52 17 A. It is.

10:49:54 18 MR. ROSENBAUM: All right. Well, thank you very

10:49:57 19 much. I appreciate your time and attention. Those are

10:50:00 20 all of my questions. And I'll turn it over to Mr. Atkins.

10:50:06 21 MR. ATKINS: Thanks, David.

10:50:06 22

10:50:09 23 EXAMINATION

10:50:09 24 BY MR. ATKINS:

10:50:11 25 Q. Hello, Mr. Lerma. Again, my name is Alex

10:50:14 1 Atkins, and I represent Plaintiffs Mi Familia Vota and
10:50:19 2 Voto Latino.

10:50:20 3 I mostly have questions about various parts of
10:50:24 4 the voter registration applications and requirements of
10:50:28 5 those forms.

10:50:30 6 A. Okay.

10:50:31 7 Q. So I understand that your office hasn't really
10:50:38 8 begun interpreting or enforcing any aspects of H.B. 2492,
10:50:44 9 but could you just tell me, to the best of your knowledge,
10:50:49 10 any additional requirements that that new law includes
10:50:55 11 when it comes to voter registration forms.

10:50:58 12 DEFENSE COUNSEL: Form.

10:50:59 13 THE WITNESS: I can't think of any at the
10:51:07 14 moment.

10:51:17 15 BY MR. ATKINS:

10:51:18 16 Q. That's fine.

10:51:19 17 So one piece of information that's requested on
10:51:22 18 the state form that David spoke with you about is
10:51:26 19 birthplace, and I just wanted to confirm.

10:51:31 20 When it comes to the state form, state form

10:51:36 21 applicants are required to provide documentary proof of

10:51:40 22 citizenship, right?

10:51:41 23 A. Yes.

10:51:42 24 Q. And so if a state form applicant provides DPOC,

10:51:52 25 but they do not provide their birthplace, your office will

10:51:59 1 still register them to vote, correct?

10:52:01 2 A. Correct.

10:52:01 3 Q. And does your office have any way of

10:52:05 4 independently confirming whether birthplace information is

10:52:10 5 correct or incorrect?

10:52:11 6 A. No, we do not.

10:52:13 7 Q. What use, if any, does your office make of an

10:52:22 8 applicant's birthplace information?

10:52:25 9 A. What use?

10:52:27 10 Q. Correct.

10:52:28 11 A. Is that what you said?

10:52:30 12 It's just another way to help us verify that

10:52:33 13 that's the correct voter when registering.

10:52:41 14 Q. But, to confirm, you don't have a means of

10:52:44 15 determining whether the birthplace provided is correct or

10:52:48 16 incorrect, right?

10:52:49 17 A. No, we don't.

10:52:51 18 Q. So if, under the new laws, birthplace became a

10:52:59 19 mandatory piece of information provided on the state form,

10:53:06 20 do you have any insights into how your office's use of

10:53:11 21 that information would change?

10:53:17 22 DEFENSE COUNSEL: Form.

10:53:17 23 THE WITNESS: At the moment, no.

10:53:19 24 BY MR. ATKINS:

10:53:19 25 Q. Are you aware of any state, other than Arizona,

10:53:22 1 that requires voter registration applicants to provide

10:53:29 2 their birthplace?

10:53:30 3 DEFENSE COUNSEL: Foundation.

10:53:33 4 THE WITNESS: I do not.

10:53:34 5 BY MR. ATKINS:

10:53:38 6 Q. If we could please pull up what's already been
10:53:42 7 marked as Exhibit 40, Mr. Lerma. I think for you this
10:53:49 8 might be labeled as Document C. This is the county's
10:53:57 9 responses to consolidated plaintiffs' requests for
10:54:01 10 production.

10:54:01 11 A. Okay.

10:54:02 12 Q. And if I can direct you to the first request for
10:54:12 13 production.

10:54:12 14 Do you see that?

10:54:16 15 A. Yes, I do.

10:54:19 16 Q. All right. So just to make sure we are on the
10:54:23 17 same page, request for production No. 1 asks for:

10:54:26 18 All documents and communications from January 1,
10:54:30 19 2017 to the present relating to the use of birthplace and
10:54:36 20 citizenship checkbox on the state form, including but not
10:54:39 21 limited to whether voter registration applicants were
10:54:42 22 required to provide birthplace or complete the citizenship
10:54:47 23 checkbox to be registered to vote, whether voter
10:54:51 24 registration applicants actually did provide such
10:54:53 25 information, how frequently voter registration applicants

10:54:57 1 provided correct birthplace, failed to provide birthplace,
10:55:01 2 complete or failed to complete the citizenship checkbox,
10:55:04 3 or make errors in completing the citizenship checkbox, and
10:55:09 4 whether voter registration applicants were rejected for
10:55:12 5 failing to provide this information and/or the number of
10:55:14 6 voter registration applicants who cured their applications
10:55:17 7 for these errors or omissions pertaining to birthplace
10:55:21 8 and/or the citizenship checkbox?

10:55:25 9 If I can just direct you to Subpart I of the
10:55:30 10 county's response. That says, Subpart I, quote:

10:55:36 11 If an applicant was using a state form to
10:55:40 12 register, he or she would have been required to provide a
10:55:43 13 birthplace or complete the citizen checkbox in order to be
10:55:48 14 registered to vote in state and local elections.

10:55:52 15 And I believe you confirmed earlier that that
10:55:55 16 statement is still accurate?

10:55:58 17 A. Yes.

10:55:59 18 Q. And am I correct that this statement is speaking
10:56:04 19 to what the new law, H.B. 2492, would require, as opposed
10:56:12 20 to what is currently required?

10:56:16 21 DEFENSE COUNSEL: Form.

10:56:17 22 THE WITNESS: No. This is what we currently do.

10:56:21 23 BY MR. ATKINS:

10:56:25 24 Q. So it's currently the case that any state form
10:56:30 25 registrant is required to provide either their birthplace

10:56:34 1 or complete the citizenship checkbox?

10:56:38 2 A. That is what we do, yes, currently.

10:56:41 3 Q. Are you aware of a provision of the election
10:56:50 4 procedures manual that imposes that requirement?

10:56:54 5 A. Not, no, not off the top of my head.

10:57:06 6 Q. So switching gears to the checkbox specifically.

10:57:11 7 A. Okay.

10:57:12 8 Q. Similarly, if an applicant submits a state

10:57:18 9 registration form and provides documentary proof of

10:57:23 10 citizenship, you wouldn't reject the application if the

10:57:30 11 applicant failed to check the citizenship checkbox. Is

10:57:34 12 that correct?

10:57:34 13 A. That's correct.

10:57:35 14 Q. And is it fair to say that that's because you're

10:57:41 15 able to confirm that the applicant is a citizen due to

10:57:45 16 their having provided DPOC?

10:57:48 17 A. Correct.

10:57:49 18 DEFENSE COUNSEL: Form.

10:57:51 19 BY MR. ATKINS:

10:57:51 20 Q. If an applicant, if an applicant submits a

10:57:55 21 federal registration form, and completes the federal

10:58:00 22 form's affirmation of citizenship at the bottom of the

10:58:04 23 form, is it correct that you don't reject the application

10:58:09 24 if the applicant fails to complete the checkbox on the

10:58:13 25 federal form?

10:58:14 1 A. Correct.

10:58:14 2 Q. On either the state or federal form, what use,

10:58:24 3 if any, does your office make of an applicant having

10:58:28 4 checked the box indicating that they are a citizen?

10:58:34 5 A. What use?

10:58:35 6 Q. Correct.

10:58:36 7 A. Is that what you said?

10:58:38 8 I, I, I don't know -- in our office, what use it

10:58:57 9 is for, seeing as though we use the HAVA checks to verify

10:59:02 10 citizenship.

10:59:14 11 Q. I'm sorry. Was that your complete answer?

10:59:16 12 A. Yeah. Hmm hmm.

10:59:17 13 Q. Okay. If I can change gears a bit.

10:59:29 14 In general, are there laws or policies or

10:59:33 15 guidelines, that you're aware of, that currently prohibit

10:59:39 16 individuals who are not eligible to vote from registering?

10:59:44 17 A. No.

10:59:45 18 Q. If I can direct you to what's been marked as

10:59:54 19 Exhibit 42. This may be labeled as Document D. These are

11:00:03 20 the county's responses to consolidated plaintiffs'

11:00:09 21 interrogatories that we looked at previously.

11:00:11 22 A. Okay.

11:00:12 23 Q. Do you have that document in front of you?

11:00:15 24 A. I do.

11:00:16 25 Q. If I can please ask you to scroll down to

11:00:22 1 interrogatory No. 9.

11:00:28 2 A. Okay.

11:00:29 3 Q. So interrogatory No. 9 asks the county to:

11:00:35 4 Identify and describe each instance in which you

11:00:40 5 have established that a non-U.S. citizen or non-county

11:00:43 6 resident has registered to vote or has voted in your

11:00:47 7 county from January 1st, 2013 to the present, including

11:00:52 8 but not limited to any supporting evidence thereof and any

11:00:55 9 documents and communications related to such instance,

11:00:59 10 whether such instance involved misconduct, fraud, or

11:01:04 11 mistake, and in any instances in which your office

11:01:07 12 informed such non-U.S. citizen they were eligible to vote

11:01:11 13 in the county and later determined they were actually

11:01:14 14 ineligible. Your answer should identify by name any

11:01:20 15 witness -- any witnesses who have or are likely to have

11:01:24 16 knowledge or information related to any such instances of

11:01:27 17 a non-U.S. citizen or non-county resident registering or

11:01:31 18 voting in your county.

11:01:33 19 If I can just ask you to read over your

11:01:41 20 response.

11:01:46 21 A. Correct. I did.

11:01:48 22 Q. So is it correct that in Navajo County there

11:01:53 23 have been no reported instances of misconduct, fraud, lack

11:01:57 24 of voter confidence, election security, or any other

11:02:01 25 problem related to citizenship, resident's location, proof

11:02:06 1 of citizenship, or residential address?

11:02:09 2 DEFENSE COUNSEL: Form.

11:02:10 3 THE WITNESS: That's correct for Navajo County.

11:02:15 4 BY MR. ATKINS:

11:02:24 5 Q. What does your -- sorry. Strike that.

11:02:28 6 And did Navajo County identify any

11:02:37 7 non-U.S. citizens or non-county residents that registered

11:02:41 8 or voted during the period of time asked about in the

11:02:45 9 interrogatory?

11:02:55 10 DEFENSE COUNSEL: Object to form. Form.

11:02:59 11 THE WITNESS: I don't understand that question.

11:03:02 12 BY MR. ATKINS:

11:03:02 13 Q. So interrogatory No. 9 asked you to identify and

11:03:05 14 describe instances where the county established that a

11:03:08 15 non-citizen or a non-resident had registered or voted.

11:03:14 16 So my question is, is it correct that Navajo

11:03:19 17 County did not identify any non-citizens or non-residents

11:03:24 18 who registered or voted during this period of time?

11:03:27 19 A. That's correct.

11:03:28 20 DEFENSE COUNSEL: Form.

11:03:29 21 BY MR. ATKINS:

11:03:43 22 Q. What does your office do, if anything, to

11:03:47 23 identify instances of voter fraud?

11:03:52 24 DEFENSE COUNSEL: Form, foundation.

11:03:54 25 THE WITNESS: What do we -- to verify instances?

11:03:58 1 BY MR. ATKINS:

11:03:58 2 Q. To identify instances of voter fraud.

11:04:02 3 A. Nothing, nothing as of yet. We have not seen it

11:04:11 4 come across us.

11:04:12 5 Q. Are citizens able to submit allegations of

11:04:17 6 potential voter fraud to your office?

11:04:20 7 A. They are.

11:04:21 8 Q. And has this happened, in your experience?

11:04:25 9 A. It has not.

11:04:26 10 Q. Do you agree that these new laws will make voter

11:04:46 11 registration more difficult for voters?

11:04:49 12 DEFENSE COUNSEL: Form.

11:04:53 13 THE WITNESS: I don't have any position.

11:04:56 14 BY MR. ATKINS:

11:04:56 15 Q. Do you have a position on whether the new laws

11:04:59 16 will make facilitating voter registration more difficult

11:05:04 17 for election officials?

11:05:06 18 A. I don't have any --

11:05:07 19 DEFENSES COUNSEL: Form.

11:05:08 20 THE WITNESS: -- any position.

11:05:15 21 MR. ATKINS: All right. That's, that's all the

11:05:16 22 questions I have, so happy to hand it over to Mr. Hindley.

11:05:23 23 MR. HINDLEY: Thank you, Alex.

EXAMINATION

BY MR. HINDLEY:

Q. Mr. Lerma, my name is John Hindley. I'm one of the attorneys for Plaintiffs Poder Latinx, Chicanos Por La Causa, and Chicanos Por La Causa Action Fund. I'm just going to ask you a couple of questions about election procedure manual --

A. Okay.

Q. -- some of the databases you might be utilizing, and then some of your views on H.B. 2243 and H.B. 2492.

So, with that, I believe, so earlier Mr. Rosenbaum showed you the 2019 elections procedure manual.

Do you remember that?

A. I do.

Q. And do you mind pulling that up. That was Petty 6?

MR. HINDLEY: Madam Court Reporter, do you remember what Exhibit that was?

THE REPORTER: I do not know which one.

BY MR. HINDLEY:

Q. Okay. So if you go to Petty 6, do you mind scrolling down to page i on the document, page six of the PDF, the first page of the table of contents.

A. Okay.

11:06:41 1 Q. Let me know.

11:06:42 2 And what is the subject of Chapter 1?

11:06:46 3 A. Voter registration.

11:06:49 4 Q. Thank you.

11:06:50 5 And so you might have addressed this with

11:06:54 6 Mr. Rosenbaum, but is the election procedures manual

11:06:57 7 legally binding on the Navajo County Recorder's Office?

11:07:06 8 A. It is.

11:07:08 9 Q. So, in other words, you're legally bound to

11:07:10 10 follow what is in the election procedures manual?

11:07:12 11 A. We do.

11:07:13 12 Q. And that includes all chapters and parts of the

11:07:16 13 EPM?

11:07:16 14 A. Yes.

11:07:17 15 Q. So now I'm going to -- could you turn your

11:07:23 16 attention to Document U? And I will represent to you this

11:07:34 17 is a filing in this case from former attorney general,

11:07:43 18 Mark Brnovich.

11:07:46 19 Have you seen this before?

11:07:47 20 A. I do not believe so.

11:07:49 21 Q. I'd like to introduce this as Exhibit 47, I

11:07:57 22 believe.

11:08:01 23 And could you please turn to page 24, per the

11:08:06 24 top of the page. It's page 11 on the bottom of the page.

11:08:12 25 A. Okay.

11:08:19 1 MR. MOORE: Counselor, what document are we
11:08:21 2 looking at?

11:08:23 3 MR. HINDLEY: Document U.

11:08:25 4 MR. MOORE: Got it. Thank you.

11:08:25 5 MR. HINDLEY: You're welcome.

11:08:26 6 BY MR. HINDLEY:

11:08:26 7 Q. And do you mind taking a look at the last
11:08:31 8 paragraph of that page, starting with Mecinas v. Hobbs.

11:08:37 9 A. Okay.

11:08:37 10 Q. And I'll read two of the sentences into the
11:08:54 11 record. It states that:

11:08:58 12 The Secretary promulgates the election procedure
11:09:02 13 manual, which County Recorders are bound to follow. But
11:09:07 14 unlike ballot order, registration procedures are not a
11:09:11 15 proper subject for the EPM, and their inclusion in such
11:09:15 16 would be improper and not bind the County Recorders.

11:09:20 17 Mr. Lerma, did I read that correctly?

11:09:23 18 A. Yes.

11:09:24 19 Q. And, specifically the second sentence, starting
11:09:29 20 with, unlike ballot order.

11:09:33 21 Do you agree with the attorney general's
11:09:36 22 position?

11:09:36 23 DEFENSE COUNSEL: Form objection.

11:09:39 24 MR. MOORE: Form.

11:09:42 25 And, Mr. Lerma, this involves a legal

11:09:44 1 conclusion, and I'm going to instruct you not to answer
11:09:47 2 the question. You're not an attorney, and you're not
11:09:49 3 qualified to answer the question.

11:09:53 4 MR. HINDLEY: I'm not asking legal conclusion.
11:09:56 5 I'm asking his views on whether he agrees with that
11:09:56 6 statement.

11:09:57 7 MR. MOORE: Which requires a legal conclusion.

11:10:00 8 MR. HINDLEY: I would disagree with that. It's
11:10:02 9 not a legal conclusion. It's whether he believes that is
11:10:05 10 true.

11:10:13 11 MR. MOORE: You're looking at a legal brief,
11:10:16 12 counsel, and a position previously taken by the attorney
11:10:19 13 general, by the previous attorney general, and asking his
11:10:22 14 personal opinion, whether or not he agrees with the legal
11:10:24 15 position of the prior attorney general. I mean, what is
11:10:28 16 it?

11:10:29 17 MR. HINDLEY: It's a question on his view on the
11:10:32 18 position, and I'm not asking for anything privileged, so I
11:10:36 19 believe it's --

11:10:37 20 MR. MOORE: All right.

11:10:38 21 MR. HINDLEY: -- appropriate for Mr. Lerma to
11:10:40 22 answer that.

11:10:42 23 MR. MOORE: Mr. Lerma, we have noted the
11:10:43 24 objection for the record. Go ahead and provide any answer
11:10:45 25 if you happen to have one.

11:10:48 1 THE WITNESS: I don't have any.

11:10:49 2 BY MR. HINDLEY:

11:10:50 3 Q. And has the Secretary of State's office ever
11:10:53 4 communicated to you whether it believes that the voter
11:10:57 5 registration rules and procedures in the EPM are legally
11:11:02 6 binding?

11:11:03 7 DEFENSE COUNSEL: Form. Form.

11:11:05 8 THE WITNESS: Not that I know.

11:11:06 9 BY MR. HINDLEY:

11:11:07 10 Q. Okay. So, Mr. Lerma, I'm going to discuss with
11:11:13 11 you some questions about the, from the databases that you
11:11:18 12 might be interacting with in your role.

11:11:23 13 So do you have access to the Arizona Department
11:11:26 14 of Transportation databases?

11:11:30 15 A. No.

11:11:30 16 Q. Does your office have access to those databases?

11:11:35 17 A. No.

11:11:35 18 Q. Does it have access to the, now -- scratch that.

11:11:43 19 When I say ADOT, is that the proper acronym for
11:11:48 20 the Arizona Department of Transportation?

11:11:50 21 A. Yes.

11:11:51 22 Q. Okay. So do you have access, or does your
11:11:55 23 office have access to ADOT's Motor Vehicle Division driver
11:12:01 24 license or non-operating license databases?

11:12:04 25 A. No.

11:12:04 1 Q. And do you -- I think you mentioned this
11:12:13 2 before -- but can you describe what AVID is?
11:12:17 3 A. AVID is the Arizona Voter Registration System.
11:12:22 4 Q. And, now, do you use AVID to perform citizenship
11:12:28 5 checks?
11:12:29 6 A. We do.
11:12:30 7 Q. And can you describe how your office uses AVID
11:12:33 8 to perform those citizenship checks?
11:12:35 9 A. We run, it's called HAVA checks, and the system
11:12:42 10 runs that through the Motor Vehicle Department.
11:12:47 11 Q. And does the Navajo County have an agreement
11:12:51 12 with -- scratch that.
11:13:01 13 And who runs AVID?
11:13:13 14 A. Secretary of State.
11:13:14 15 Q. And do you have an agreement with the Secretary
11:13:19 16 of State's office to use AVID?
11:13:21 17 A. That I would not know.
11:13:25 18 Q. In other words, do you know whether there's like
11:13:29 19 a memorandum of understanding or memorandum of agreement
11:13:33 20 concerning the use of AVID?
11:13:35 21 A. That I do not know.
11:13:39 22 Q. And do you -- is it your understanding that the
11:13:50 23 use of AVID is covered for the uses to implement
11:13:58 24 A.B. 2492?
11:14:00 25 DEFENSE COUNSEL: Form.

11:14:01 1 THE WITNESS: I don't understand your question.

11:14:03 2 BY MR. HINDLEY:

11:14:05 3 Q. I will retract that.

11:14:07 4 Do you find that AVID is an accurate tool to
11:14:17 5 check citizenship?

11:14:19 6 A. I believe so.

11:14:20 7 Q. And why is that the case?

11:14:24 8 A. Because it runs it through, like I said, again,
11:14:30 9 the HAVA checks through MVD.

11:14:32 10 Q. And do you recall any issue, incident with the
11:14:39 11 database matching -- scratch that.

11:14:44 12 Do you recall any incident of database matching
11:14:47 13 for citizenship verification that produced erroneous
11:14:53 14 results?

11:14:54 15 A. No.

11:14:55 16 Q. So I'm going to show you another document.

11:15:02 17 First I want to show you Document Y. It's an
11:15:12 18 email from AVID Help, then to multiple people to, that
11:15:20 19 work for the Navajo County Recorder's Office. It looks
11:15:27 20 like you're part of this email.

11:15:30 21 Can you state for the record what date this
11:15:32 22 email was sent?

11:15:34 23 A. Looks like October 17th, 2022.

11:15:37 24 Q. And do you recognize this email?

11:15:41 25 A. I don't remember it, no.

11:15:48 1 Q. Do you recall anyone -- so I want to give you an
11:15:58 2 opportunity to first review the document. Let me know
11:17:10 3 when you've reviewed the document.

11:17:22 4 A. Okay.

11:17:23 5 Q. I'd like to introduce this as Exhibit 48.

11:17:32 6 Now, do you recall an incident from October 2022
11:17:36 7 concerning the Motor Vehicle Division database matching
11:17:40 8 problem?

11:17:40 9 A. I don't.

11:17:41 10 Q. And has your office encountered instances where
11:17:47 11 a voter registration applicant who was a U.S. citizen was
11:17:52 12 flagged erroneously as a non-citizen by way of search of
11:17:58 13 the Motor Vehicle database?

11:17:59 14 A. No.

11:18:00 15 Q. And has your office encountered instances where
11:18:06 16 a currently registered naturalized citizen was flagged
11:18:13 17 erroneously as a non-citizen by way of a search of a Motor
11:18:16 18 Vehicle Division database?

11:18:21 19 A. No.

11:18:21 20 Q. And what would your office do in the event you
11:18:31 21 cannot match the voter registration applicant to any
11:18:35 22 record in the Motor Vehicle Division database?

11:18:38 23 A. They would be sent a notice of citizenship, to
11:18:42 24 provide citizenship.

11:18:43 25 Q. And what would you do in the instance where your

11:18:50 1 office cannot match a registered voter to any record in
11:18:57 2 the Motor Vehicle database?
11:18:59 3 A. The same thing. They would be sent a notice to
11:19:02 4 provide citizenship.
11:19:03 5 Q. And has your office communicated with the
11:19:08 6 Arizona Department of Transportation concerning H.B. 2492?
11:19:14 7 A. No, we have not.
11:19:15 8 DEFENSE COUNSEL: Form.
11:19:16 9 BY MR. HINDLEY:
11:19:16 10 Q. And, similarly, has your office ever
11:19:20 11 communicated with the Arizona Department of Transportation
11:19:23 12 concerning H.B. 2243?
11:19:24 13 A. No, we have --
11:19:24 14 DEFENSE COUNSEL: Form.
11:19:25 15 THE WITNESS: -- not.
11:19:26 16 BY MR. HINDLEY:
11:19:33 17 Q. And is it feasible to use the ADOT, or the Motor
11:19:39 18 Vehicle Division's databases to determine a voter
11:19:43 19 registration applicant's current U.S. citizenship status?
11:19:51 20 MR. LANGHOFER: I'm sorry. Could you repeat the
11:19:53 21 question?
11:19:54 22 MR. HINDLEY: Sure.
11:19:55 23 BY MR. HINDLEY:
11:19:56 24 Q. Now, is it feasible to use the ADOT or the Motor
11:19:59 25 Vehicle Division's databases to determine a voter

11:20:02 1 registration applicant's current U.S. citizenship status?

11:20:05 2 A. I don't understand.

11:20:10 3 Q. So if you were to use the Motor Vehicle

11:20:14 4 Division's databases, could you use that to determine

11:20:17 5 whether an individual is a U.S. citizenship -- citizen or

11:20:21 6 not?

11:20:21 7 A. That I would not know.

11:20:25 8 Q. And, similarly, could you use the Motor Vehicle

11:20:31 9 Division's database to determine whether a registered

11:20:36 10 voter is a U.S. citizen?

11:20:38 11 A. That I would not know.

11:20:40 12 Q. And to kind of take into consideration like your

11:20:51 13 office's resources and access and training, do you believe

11:20:54 14 it's practical to use either the ADOT or the Motor Vehicle

11:20:59 15 Division's databases for citizenship verification?

11:21:06 16 DEFENSE COUNSEL: Form.

11:21:06 17 THE WITNESS: I couldn't speak on that. I don't

11:21:09 18 know.

11:21:09 19 BY MR. HINDLEY:

11:21:10 20 Q. And, just very quickly, I'd like to turn to

11:21:14 21 Document Z.

11:21:20 22 A. Okay.

11:21:20 23 Q. And if you could see, these are, is the email

11:21:24 24 chain following the email that you saw in Document Y,

11:21:30 25 which is Exhibit 48.

11:21:34 1 If you could, could you go to the bottom of page
11:21:38 2 one. I believe this is an email from you.

11:21:41 3 A. Okay.

11:21:42 4 Q. It's sent October 19th. If you could review
11:21:51 5 that email you sent at 11:07 a.m.

11:21:56 6 A. Okay.

11:21:57 7 Q. So when you say, so you say:

11:21:59 8 For years here it was a practice that no FED
11:22:03 9 voter received a ballot in the mail and were told to go
11:22:07 10 vote in person. I now know that's incorrect, but for this
11:22:11 11 matter no FED voter was sent a ballot.

11:22:15 12 Did I read that correctly?

11:22:17 13 A. That's correct.

11:22:18 14 Q. Just the clarification, when you say, you now
11:22:22 15 know now, did you realize that independent and before the
11:22:28 16 email that was sent by AVID Help, or did you find that out
11:22:36 17 as a result of the email from AVID Help?

11:22:44 18 A. I don't even know what this pertains to. I
11:22:48 19 would need to know more.

11:22:50 20 Q. So when you -- about the practice concerning
11:22:55 21 requiring a FED voter to go in person to vote, and you
11:23:02 22 figured that out that they could be, that they could be
11:23:07 23 sent a ballot.

11:23:08 24 A. Okay.

11:23:09 25 Q. Do you find -- knowing that, your error in the

11:23:14 1 Navajo County's policy, did you find out that was an error
11:23:18 2 as a result of the initial email that was sent from AVID
11:23:23 3 Help, or did you find that out before that email?

11:23:27 4 A. I do not know.

11:23:28 5 Q. Okay. Now I want to kind of turn to the, one of
11:23:43 6 the statutes, particularly 2492. I believe that is
11:23:54 7 Petty 19.

11:23:59 8 A. Okay.

11:24:00 9 Q. And now under subsection D on page four, it
11:24:13 10 says: The County Recorder shall use all available
11:24:16 11 resources to verify the citizenship of an applicant.

11:24:22 12 And so my question is if a law tells your office
11:24:25 13 to use all available resources to perform MVD database
11:24:32 14 searches, what do you think that means?

11:24:33 15 DEFENSE COUNSEL: Form.

11:24:34 16 THE WITNESS: It's on Petty, Petty 19, section
11:24:37 17 D?

11:24:37 18 BY MR. HINDLEY:

11:24:38 19 Q. Yes. On page four of the document.

11:24:40 20 A. I'm getting about homeless, page four. The
11:24:56 21 actual page four?

11:24:57 22 Q. The actual page four.

11:24:59 23 A. Oh, okay.

11:25:00 24 Q. At the bottom.

11:25:01 25 A. Section D.

11:25:12 1 And what was your question again? I'm sorry.

11:25:14 2 Q. No, not a problem.

11:25:15 3 So when the, when H.B. 2492 says that your

11:25:21 4 office has to use all available resources to perform MVD

11:25:31 5 database searches, what do you think, use all available

11:25:34 6 resources, means?

11:25:34 7 DEFENSE COUNSEL: Form.

11:25:35 8 THE WITNESS: Run through the HAVA checks.

11:25:37 9 BY MR. HINDLEY:

11:25:38 10 Q. And when you see all available resources, do you

11:25:41 11 think that encompasses human financial and technological

11:25:46 12 resources?

11:25:47 13 A. I would not know.

11:25:49 14 Q. And so when you do a HAVA check, can you just

11:26:08 15 explain how that works?

11:26:09 16 A. It's done through the AVID system when we

11:26:13 17 register somebody. It's a button that we press, and it

11:26:17 18 searches through Motor Vehicle to verify citizenship.

11:26:22 19 Q. And looking at -- I'll probably be going back

11:26:44 20 and forth a little bit, but Petty 21.

11:26:50 21 A. Okay.

11:26:51 22 Q. And if you go to page four at the bottom.

11:27:02 23 A. Okay.

11:27:05 24 Q. And Section 10, if you want to review that.

11:27:15 25 A. Okay. You said D?

11:27:21 1 Q. No. Section 10.

11:27:23 2 A. Okay.

11:27:42 3 Q. So in the Section 10, the first sentence says:
11:27:45 4 When the County Recorder obtains information
11:27:48 5 pursuant to this section and confirms that the person
11:27:50 6 registered is not a United States citizen.

11:27:54 7 My question is can you use the Motor Vehicle
11:28:00 8 Division database to confirm that a registered voter is
11:28:05 9 not a U.S. citizen?

11:28:07 10 A. Hmm hmm.

11:28:08 11 Q. And how do you do that?

11:28:10 12 A. We run the HAVA checks.

11:28:17 13 Q. So now I want to turn to the SAVE system run by
11:28:28 14 the United States Citizenship and Immigration Services, or
11:28:32 15 USCIS.

11:28:33 16 Are you familiar with the SAVE system?

11:28:36 17 A. Yes. I have heard of it.

11:28:38 18 Q. And have you used it before?

11:28:40 19 A. I don't believe so.

11:28:42 20 Q. Does your office have access to the SAVE system?

11:28:48 21 A. I don't believe so.

11:28:49 22 Q. So at no, at no point anyone in the Navajo
11:29:03 23 County Recorder's office has used the SAVE system to, to
11:29:07 24 verify citizenship?

11:29:11 25 DEFENSE COUNSEL: Foundation, form.

11:29:17 1 THE WITNESS: I don't believe so.

11:29:19 2 BY MR. HINDLEY:

11:29:19 3 Q. Have you discussed the use of the SAVE system in
11:29:29 4 your office?

11:29:30 5 A. Off the top of my head, no.

11:29:38 6 Q. And is there a particular reason why the Navajo
11:29:42 7 County Recorder is not using the SAVE system?

11:29:46 8 DEFENSE COUNSEL: Form.

11:29:47 9 THE WITNESS: There is no reason, that I'm aware
11:29:54 10 of.

11:29:54 11 BY MR. HINDLEY:

11:30:10 12 Q. But do you know whether the use of the SAVE
11:30:15 13 system can be used to verify U.S. citizenship of a voter
11:30:20 14 applicant?

11:30:21 15 A. I do not.

11:30:22 16 DEFENSE COUNSEL: Foundation.

11:30:23 17 BY MR. HINDLEY:

11:30:25 18 Q. And do you know if you can use, your office can
11:30:28 19 use the SAVE system to verify citizenship of a registered
11:30:34 20 voter?

11:30:34 21 A. I do not.

11:30:35 22 DEFENSE COUNSEL: Foundation.

11:30:37 23 BY MR. HINDLEY:

11:30:38 24 Q. Are you familiar with the Social Security
11:30:44 25 Administration database?

11:30:46 1 A. I am not.

11:30:47 2 Q. Do you know whether your office has access to

11:30:50 3 the Social Security Administration database?

11:30:53 4 A. We do not.

11:30:54 5 Q. I say -- just to clarify.

11:30:59 6 Your office does not have access to the SSA

11:31:02 7 database?

11:31:03 8 A. Not the database, no.

11:31:05 9 Q. Okay. Now, have you ever heard of NAPHSIS?

11:31:14 10 It's an acronym for the National Association For Public

11:31:18 11 Health Statistics and Information Systems? Have you heard

11:31:21 12 of that before?

11:31:22 13 A. I have never heard of it.

11:31:23 14 Q. So you don't have any familiarity with NAPHSIS's

11:31:30 15 databases?

11:31:31 16 A. No. Not, not off the top of my head, no.

11:31:36 17 Q. Do you know if anyone at the, at your, at the

11:31:42 18 Navajo County Recorder's Office has used the NAPHSIS

11:31:46 19 database?

11:31:47 20 A. No, we have not.

11:31:48 21 Q. Have you ever heard of ERIC, the Electronic

11:32:00 22 Registration Information Center?

11:32:01 23 A. I have.

11:32:02 24 Q. Have you, has you or anyone in your office

11:32:08 25 communicated with ERIC about H.B. 2492?

11:32:11 1 A. No, we have not.

11:32:13 2 Q. How about 24 -- H.B. 2243?

11:32:20 3 A. No, we have not.

11:32:20 4 Q. Have you, has the Secretary of State's Office

11:32:31 5 communicated with the County Recorder's office about ERIC?

11:32:35 6 A. Yes.

11:32:36 7 Q. And when was that?

11:32:37 8 A. It's done monthly.

11:32:40 9 Q. Okay.

11:32:41 10 A. I believe.

11:32:42 11 Q. And could you describe those discussions?

11:32:45 12 A. We receive emails in regards to ERIC.

11:32:53 13 Q. And could you -- oh, sorry.

11:32:55 14 A. And they usually just include a list of, of

11:33:00 15 voters.

11:33:02 16 Q. Was there any like substantive discussions about

11:33:09 17 ERIC?

11:33:09 18 A. What do you mean?

11:33:12 19 Q. About like the actual, like the actual

11:33:21 20 organization. Or is it just they send you a list of

11:33:25 21 voters from ERIC?

11:33:26 22 A. No, we have spoken about the actual ERIC.

11:33:31 23 Q. And what was the nature of those discussions?

11:33:36 24 A. Just explaining what ERIC was and how they

11:33:40 25 function.

11:33:41 1 Q. And what did they, what did the Secretary of
11:33:45 2 State's Office, how did they describe that?

11:33:47 3 A. They just let us know what states are --

11:33:53 4 DEFENSE COUNSEL: Form.

11:33:54 5 THE WITNESS: -- included in there and how we
11:33:55 6 send information to ERIC and how we get the information
11:33:58 7 back.

11:33:59 8 BY MR. HINDLEY:

11:33:59 9 Q. Okay. And have you discussed ERIC among other
11:34:08 10 County Recorder's offices?

11:34:08 11 A. Yes.

11:34:08 12 Q. And what are the nature of those discussions?

11:34:15 13 A. Pretty much the same, same stuff I explained
11:34:18 14 earlier.

11:34:18 15 Q. Thank you. Just to be clear, what was --

11:34:21 16 A. Just how it works, how it works and who is
11:34:25 17 included in ERIC, what states.

11:34:27 18 Q. Hmm hmm. And do you remember who, specifically,
11:34:31 19 like which County Recorder's Office you spoke with about
11:34:35 20 ERIC?

11:34:35 21 A. No. I don't know specifically.

11:34:37 22 Q. Okay. And is it feasible to use ERIC to conduct
11:34:43 23 citizenship verification?

11:34:46 24 A. That I would not know.

11:34:52 25 Q. Do you know if there's anyone in your office

11:34:56 1 that would know?

11:34:57 2 A. Not in our office.

11:34:58 3 Q. Okay. So have, have you used ERIC to conduct

11:35:06 4 citizenship verification?

11:35:09 5 A. No.

11:35:10 6 Q. And do you know whether ERIC can be used to

11:35:17 7 confirm that a registered voter is a U.S. -- is not a U.S.

11:35:23 8 citizen?

11:35:23 9 DEFENSE COUNSEL: Foundation.

11:35:24 10 THE WITNESS: Not that I know of.

11:35:29 11 BY MR. HINDLEY:

11:35:30 12 Q. So do you have access to any other government

11:35:33 13 databases with U.S. citizenship data?

11:35:35 14 A. No, we don't.

11:35:36 15 Q. And, just to be clear, do you exclusively use

11:35:44 16 HAVA to conduct citizenship checks?

11:35:46 17 A. That's correct.

11:35:47 18 Q. And has your office communicated with any other

11:36:03 19 persons or entities regarding the use of other databases

11:36:06 20 to verify citizenship?

11:36:08 21 A. Not that I'm aware of.

11:36:19 22 Q. And can you describe the process of verifying

11:36:34 23 citizenship?

11:36:35 24 A. Through, verify through --

11:36:39 25 Q. Through HAVA.

11:36:41 1 A. Yeah. So we use the AVID system when
11:36:49 2 registering a person. It's a check, it's box that we
11:36:53 3 check, and it runs through the MVD records.

11:37:02 4 Q. And --

11:37:04 5 A. And --

11:37:04 6 Q. Oh, sorry. You continue.

11:37:06 7 A. No, and it will find citizenship or not.

11:37:08 8 Q. And who makes the, the preliminary judgment of
11:37:14 9 whether an individual is a citizen or not?

11:37:17 10 A. The system.

11:37:18 11 Q. Does the County Recorder make any sort of
11:37:26 12 judgment on whether an individual is a citizen?

11:37:29 13 A. Did you say third judgment, or first judgment?

11:37:30 14 Q. Any sort of judgment.

11:37:32 15 A. No, we don't.

11:37:38 16 Q. And how, in determining whether an individual is
11:37:41 17 how do you ensure accuracy?

11:37:47 18 A. We depend on the AVID system --

11:37:47 19 Q. Okay.

11:37:50 20 A. -- and the HAVA checks.

11:37:53 21 Q. Is there any sort of like criteria to determine
11:37:56 22 whether the determination by HAVA is accurate?

11:38:02 23 A. That is something I would not know.

11:38:04 24 Q. Okay. So I want to turn back to Petty 19. If
11:38:33 25 you go to page five.

11:38:38 1 A. Okay.

11:38:38 2 Q. And can you just review the first sentence of

11:39:10 3 section E?

11:39:12 4 A. Okay. First sentence.

11:39:27 5 Q. Yep. And so can you explain how you could

11:39:31 6 ascertain from the database you can use that an applicant

11:39:35 7 is not currently a U.S. citizen?

11:39:39 8 DEFENSE COUNSEL: Form.

11:39:40 9 THE WITNESS: Can you rephrase that?

11:39:48 10 BY MR. HINDLEY:

11:39:48 11 Q. Sure. So based on your review of the databases,

11:39:52 12 how is it determined whether an individual is not a

11:39:56 13 U.S. citizen?

11:39:57 14 A. How do we determine?

11:40:00 15 Q. Yeah.

11:40:01 16 A. They don't provide proof of citizenship.

11:40:04 17 Q. So when you like use like the AVID system --

11:40:12 18 A. Hmm hmm.

11:40:12 19 Q. -- subsequent to that, how do you determine

11:40:15 20 whether someone is not a U.S. citizen?

11:40:18 21 A. The system will tell us.

11:40:23 22 Q. And what does it specifically tell you on the

11:40:29 23 system?

11:40:29 24 A. That they did not find citizenship and it will

11:40:35 25 not, it will not allow us to register them.

11:40:38 1 Q. Okay. And has your office ever been given a
11:40:51 2 specific list of means by which a voter registration
11:40:55 3 applicant can be deemed or proven a noncitizen?

11:41:00 4 A. The election procedures manual.

11:41:04 5 Q. And do you recall what that says?

11:41:06 6 A. I don't off the top of my head.

11:41:09 7 Q. Okay. And looking back at 224 -- 2492, if you
11:41:22 8 can review section F.

11:41:49 9 A. Okay.

11:41:51 10 Q. And so, as you can see, the statute said that
11:41:58 11 the County Recorder will have to record their efforts to
11:42:03 12 verify citizenship.

11:42:03 13 A. Hmm hmm.

11:42:05 14 Q. How would you describe, how would you record the
11:42:08 15 efforts?

11:42:09 16 DEFENSE COUNSEL: Form.

11:42:10 17 THE WITNESS: How would we?

11:42:14 18 BY MR. HINDLEY:

11:42:14 19 Q. Yes.

11:42:14 20 A. I wouldn't know.

11:42:16 21 Q. Has your office determined like a process for
11:42:23 22 recording efforts?

11:42:24 23 A. No. We would follow the procedures manual.

11:42:30 24 Q. And do you recall what the procedures manual
11:42:32 25 says about recording efforts?

11:42:33 1 A. I do not.

11:42:37 2 Q. What steps do you take to record your efforts to

11:42:42 3 verify citizenship?

11:42:43 4 A. Well, we do not record them.

11:42:46 5 Q. So you don't record your efforts at all?

11:42:52 6 A. No, we do not.

11:42:53 7 Q. Okay. And what are the impact of the criminal

11:43:03 8 provisions of this section?

11:43:05 9 DEFENSE COUNSEL: Form.

11:43:06 10 BY MR. HINDLEY:

11:43:06 11 Q. You see the last letter, the letter that says,

11:43:07 12 the County Recorder or other officer in charge of

11:43:11 13 elections could be guilty of, you know, a class 6 felony

11:43:14 14 if they don't follow it.

11:43:16 15 Has that had any effect on your office?

11:43:20 16 DEFENSE COUNSEL: Form.

11:43:20 17 THE WITNESS: I would not know.

11:43:21 18 BY MR. HINDLEY:

11:43:21 19 Q. Okay. And going back to some of my previous

11:43:25 20 questions.

11:43:26 21 Now, you said the HAVA system will let you know

11:43:30 22 if someone is not a citizen.

11:43:32 23 Is there any other steps following that initial

11:43:37 24 data point from the HAVA system?

11:43:45 25 A. No.

11:43:45 1 Q. There is no other steps to verify whether or not

11:43:47 2 the individual is a citizen?

11:43:49 3 A. No.

11:43:53 4 Q. Okay. And on the same document, if you could
11:44:01 5 turn to page seven.

11:44:08 6 A. Okay.

11:44:08 7 Q. If you can review section A.

11:44:24 8 A. Okay.

11:44:25 9 Q. So the statute basically says that on or before
11:44:30 10 October 31st, 2022 you have to provide a list of
11:44:34 11 individuals who did not provide satisfactory evidence of
11:44:39 12 citizenship.

11:44:40 13 A. Hmm hmm.

11:44:40 14 Q. Did you provide that report?

11:44:42 15 A. No. We provide a number to the Secretary of
11:44:44 16 State, but we don't provide a list of individuals.

11:44:48 17 Q. And so when you reviewed that section, what do
11:45:00 18 you think it means to provide the applications of these
11:45:04 19 individuals?

11:45:05 20 DEFENSE COUNSEL: Form, foundation.

11:45:06 21 THE WITNESS: I do not know.

11:45:16 22 BY MR. HINDLEY:

11:45:20 23 Q. And because the, the deadline has passed, the
11:45:27 24 October 31, '22 deadline, is your office no longer
11:45:30 25 required to submit to the attorney general a list of

11:45:34 1 registered voters who have not shown satisfactory DPOC?

11:45:39 2 DEFENSE COUNSEL: Form.

11:45:40 3 THE WITNESS: I would not know.

11:45:41 4 BY MR. HINDLEY:

11:45:41 5 Q. Okay. So I have a couple of other questions
11:45:53 6 concerning the statute.

11:45:57 7 Looking at both 2492 and 2243. If you look at,
11:46:07 8 oh, section D, which you previously looked at.

11:46:13 9 MS. BOUGHTON: Sorry, counsel, which bill?

11:46:16 10 MR. HINDLEY: First 2492, section D, on page,
11:46:24 11 between pages four and five. And then if you look at
11:46:29 12 2243, page four, it's section A, A(10).

11:46:38 13 THE WITNESS: Pages four and five, you said?

11:46:41 14 BY MR. HINDLEY:

11:46:41 15 Q. Hmm hmm.

11:46:42 16 A. And then I need -- oh, man. I would need to
11:46:54 17 know what --

11:46:57 18 Q. Petty 21.

11:47:01 19 A. Okay. 21.

11:47:05 20 Q. So the, so on section D on page four to five for
11:47:13 21 2492. And then section A(10) on page 4 of 2243, it refers
11:47:20 22 to information.

11:47:22 23 What do you think information constitutes?

11:47:26 24 DEFENSE COUNSEL: Form.

11:47:26 25 THE WITNESS: I, I don't -- I'm still not

11:47:44 1 finding what you're talking about. You said section D,
11:47:48 2 right, for 2492?

11:47:51 3 BY MR. HINDLEY:

11:47:52 4 Q. Yes. On page, between pages four and five.

11:47:54 5 A. Hmm hmm. And where are you reading the
11:48:01 6 information?

11:48:08 7 I guess I'm not understanding what you're
11:48:10 8 asking.

11:48:11 9 Q. So let's look at 2243 on page four --

11:48:11 10 A. Okay.

11:48:19 11 Q. -- section 10. It says, when the County
11:48:20 12 Recorder obtains information pursuant to this section,
11:48:26 13 information --

11:48:26 14 A. Okay.

11:48:26 15 Q. -- concerning whether an individual is a U.S.
11:48:30 16 citizen.

11:48:30 17 A. Okay.

11:48:30 18 Q. I just -- my question is what do you believe
11:48:33 19 constitutes information?

11:48:35 20 DEFENSE COUNSEL: Form.

11:48:36 21 THE WITNESS: Proof of citizenship, which --

11:48:42 22 BY MR. HINDLEY:

11:48:43 23 Q. Continue. Sorry.

11:48:44 24 A. Which there's a list of proof of citizenships.

11:48:47 25 Q. Is -- would that constitute any other

11:48:56 1 information?

11:48:57 2 A. As far as our office goes, no.

11:49:00 3 Q. Okay. So my question is, is data in a

11:49:08 4 government database showing non-citizenship 30 years ago

11:49:12 5 information that someone is not a U.S. citizen in the year

11:49:18 6 2023? So in other words --

11:49:20 7 DEFENSE COUNSEL: Form.

11:49:21 8 BY MR. HINDLEY:

11:49:21 9 Q. -- information that an individual is not a

11:49:26 10 citizen 30 years ago, could that, would that be used to

11:49:31 11 determine whether someone is a U.S. citizen in 2023?

11:49:35 12 A. That I would not know.

11:49:36 13 DEFENSE COUNSEL: Form.

11:49:37 14 BY MR. HINDLEY:

11:49:41 15 Q. And do you know who would know in your office?

11:49:44 16 A. No. I would not know.

11:49:53 17 Q. What about data from 20 years ago? Could that

11:49:57 18 be used to determine whether someone is a U.S. citizen in

11:50:01 19 2023?

11:50:01 20 DEFENSE COUNSEL: Form. Form and foundation.

11:50:07 21 THE WITNESS: A database from 20 years ago, I

11:50:10 22 would not know.

11:50:11 23 BY MR. HINDLEY:

11:50:11 24 Q. No. Data from 20 years ago.

11:50:13 25 A. Data from 20 years ago?

11:50:15 1 Q. Hmm hmm.

11:50:16 2 A. I would not know.

11:50:20 3 DEFENSE COUNSEL: Form.

11:50:25 4 MR. HINDLEY: If you don't mind, could we go off
11:50:28 5 the record and take about a 10-minute break?

11:50:28 6 MR. ROSENBAUM: Fine with me.

11:50:36 7 MR. HINDLEY: Great.

11:50:36 8 THE VIDEOGRAPHER: We are off the record. Time
11:50:38 9 on the video monitor is 10:50. This ends Media 2.

11:50:46 10 (Recess taken from 11:50 a.m. to 12:03 p.m.)

12:03:51 11 THE VIDEOGRAPHER: We are on the record. Time
12:03:58 12 on the video monitor is 12:03. This begins Media No. 3.

12:04:05 13 Correction on the read-off of the last media
12:04:08 14 clip. It was actually 11:50.

12:04:11 15 Please continue.

12:04:13 16 MR. HINDLEY: Great. Thank you very much.

12:04:15 17 BY MR. HINDLEY:

12:04:16 18 Q. So, Mr. Lerma, before we went off the record, we
12:04:21 19 were talking about information as described in the
12:04:25 20 statute. Before I get to that -- I don't think this has
12:04:29 21 been done yet, but I would like to offer Petty 19 as
12:04:35 22 Exhibit 49 and Petty 21 as Exhibit 50.

12:04:44 23 Also, if you can, Mr. Lerma, if you can go to
12:04:47 24 Petty 19, page five.

12:04:48 25 MR. ROSENBAUM: Hey, John, may I interrupt for a

12:04:51 1 second, because I thought that this is what we agreed at
12:04:55 2 the outset, that we are just going to use the same exhibit
12:04:58 3 numbers. There's no need to reintroduce -- those Petty
12:05:04 4 exhibits are the exhibits that were used and introduced in
12:05:10 5 the Maricopa County --

12:05:10 6 MR. HINDLEY: Okay.

12:05:11 7 MR. ROSENBAUM: -- deposition.

12:05:13 8 I don't mean to interfere, but I thought those
12:05:15 9 were the suggestions, at least I articulated and nobody
12:05:20 10 disagreed with it at the outset.

12:05:23 11 MR. HINDLEY: That all makes sense.

12:05:32 12 BY MR. HINDLEY:

12:05:33 13 Q. So going to Petty 19, page five, section E. If
12:05:35 14 you can read lines 14 through 16.

12:05:57 15 A. Okay.

12:05:58 16 Q. So, so before -- just to reiterate. What do you
12:06:04 17 believe, when you read that, what do you believe
12:06:06 18 information means, match up an applicant with information
12:06:12 19 that they're not a U.S. citizen?

12:06:15 20 DEFENSE COUNSEL: Form.

12:06:22 21 THE WITNESS: All the information we get back
12:06:23 22 from the HAVA checks.

12:06:25 23 BY MR. HINDLEY:

12:06:25 24 Q. Is it only the HAVA check, or is there any other
12:06:29 25 information that could be used to determine whether

12:06:32 1 someone is a U.S. citizen?

12:06:34 2 DEFENSE COUNSEL: Form. Form.

12:06:36 3 THE WITNESS: Not at the moment, no.

12:06:35 4 BY MR. HINDLEY:

12:06:40 5 Q. So if you found out that someone had an F type

12:06:45 6 license 20 years ago, would that be evidence that that

12:06:50 7 individual is not a citizen in 2023?

12:06:53 8 DEFENSE COUNSEL: Form.

12:06:55 9 THE WITNESS: That I don't, I do not know.

12:06:57 10 BY MR. HINDLEY:

12:07:04 11 Q. Do you know who would know?

12:07:05 12 A. I do not.

12:07:07 13 Q. Do you know -- so you don't know anyone in your

12:07:11 14 office who would be able to answer that question?

12:07:14 15 A. Nobody in our office would be able.

12:07:17 16 Q. Okay. So I want to know -- can I ask you a

12:07:24 17 question about kind of sources of information.

12:07:27 18 What if you get a phone call and someone says

12:07:30 19 that an individual is not a U.S. citizen, would that be

12:07:33 20 considered information?

12:07:34 21 A. No.

12:07:35 22 Q. What if you received an email that someone was

12:07:40 23 not a U.S. citizen, would that be information?

12:07:44 24 A. When you say someone, it's just a third party?

12:07:44 25 Q. Yeah. A third, a third -- yeah, exactly. Yeah,

12:07:50 1 if a third party emails your office and says someone is
12:07:53 2 not a U.S. citizen, would that be information?
12:07:56 3 A. No.
12:07:57 4 Q. What if your office received a signed letter
12:08:02 5 from a third party saying someone is not a U.S. citizen,
12:08:05 6 would that be information?
12:08:06 7 A. No.
12:08:09 8 DEFENSE COUNSEL: Form, foundation.
12:08:13 9 BY MR. HINDLEY:
12:08:13 10 Q. What if your office received a phone call from a
12:08:17 11 third party saying someone was not a U.S. citizen, would
12:08:21 12 that be information?
12:08:23 13 A. No.
12:08:26 14 DEFENSE COUNSEL: Form and foundation.
12:08:29 15 BY MR. HINDLEY:
12:08:29 16 Q. If your office received a phone call from law
12:08:32 17 enforcement in Arizona that someone is not a U.S. citizen,
12:08:34 18 would that be considered information?
12:08:37 19 A. No.
12:08:37 20 DEFENSE COUNSEL: Form and foundation.
12:08:40 21 BY MR. HINDLEY:
12:08:41 22 Q. And what if you received a phone call from law
12:08:46 23 enforcement, from outside, from law enforcement in a state
12:08:50 24 outside of Arizona, would that be considered information?
12:08:55 25 A. No.

12:08:57 1 DEFENSE COUNSEL: Form and foundation.

12:08:58 2 BY MR. HINDLEY:

12:08:59 3 Q. Say that again, Mr. Lerma. I didn't hear you.

12:09:01 4 A. No.

12:09:06 5 DEFENSE COUNSEL: Form and foundation.

12:09:08 6 BY MR. HINDLEY:

12:09:08 7 Q. What if a third party organization provided you

12:09:11 8 information that someone is not a U.S. citizen, would that

12:09:14 9 be information?

12:09:23 10 DEFENSE COUNSEL: Form and foundation.

12:09:24 11 THE WITNESS: No.

12:09:24 12 BY MR. HINDLEY:

12:09:24 13 Q. Has the Secretary of State's office ever given

12:09:27 14 you, given your office a list of information that would

12:09:30 15 constitute evidence of a lack of citizenship?

12:09:35 16 DEFENSE COUNSEL: Form, foundation.

12:09:38 17 THE WITNESS: Possibly. In the procedures

12:09:42 18 manual.

12:09:44 19 BY MR. HINDLEY:

12:09:45 20 Q. Do you recall what the information might be?

12:09:47 21 A. Not off the top of my head, no.

12:09:50 22 Q. And do you know how your office would confirm

12:09:57 23 the authenticity of information?

12:10:02 24 DEFENSE COUNSEL: Form.

12:10:03 25 THE WITNESS: How would we confirm it?

12:10:07 1 BY MR. HINDLEY:

12:10:09 2 Q. Yes.

12:10:09 3 A. Through the HAVA checks.

12:10:12 4 Q. So, Mr. Lerma, if you can go to Petty 21.

12:10:44 5 A. Okay.

12:10:45 6 Q. Page six. You can look at section J, lines 20

12:10:51 7 to 23.

12:10:52 8 A. Okay. Okay.

12:11:05 9 Q. So how would, so is the only way to confirm

12:11:12 10 information concerning cancelation, does it have to be

12:11:16 11 from a database?

12:11:18 12 DEFENSE COUNSEL: Form. Form, foundation.

12:11:20 13 THE WITNESS: I don't know.

12:11:22 14 BY MR. HINDLEY:

12:11:26 15 Q. How else would you confirm citizenship prior to

12:11:32 16 cancelation?

12:11:33 17 DEFENSE COUNSEL: Form and foundation.

12:11:38 18 THE WITNESS: Through HAVA checks.

12:11:40 19 BY MR. HINDLEY:

12:11:42 20 Q. Okay. So if you could turn to Petty 19 again.

12:12:39 21 I apologize. Turn back to Petty 21, page six --

12:12:44 22 A. Okay.

12:12:44 23 Q. -- section H. If you can review that.

12:13:13 24 A. Okay.

12:13:14 25 Q. So my question is what would give your office a

12:13:21 1 reason to believe a person is not a U.S. citizen?

12:13:27 2 DEFENSE COUNSEL: Form.

12:13:28 3 THE WITNESS: They aren't cleared to the HAVA

12:13:37 4 checks.

12:13:38 5 BY MR. HINDLEY:

12:13:38 6 Q. Would anything else, besides a HAVA check, would

12:13:42 7 anything else give your office a reason to believe a

12:13:45 8 person is not a U.S. citizen?

12:13:48 9 A. Not that I know of.

12:13:49 10 DEFENSE COUNSEL: Form and foundation.

12:13:56 11 BY MR. HINDLEY:

12:13:57 12 Q. Has the Secretary of State's office provided

12:13:59 13 your office with a list of what would give you a valid

12:14:03 14 reason to believe someone is not a U.S. citizen?

12:14:08 15 DEFENSE COUNSEL: Form.

12:14:09 16 THE WITNESS: If they have, it would be in the

12:14:11 17 procedures manual.

12:14:12 18 BY MR. HINDLEY:

12:14:12 19 Q. Do you recall what that is, what the procedure

12:14:17 20 manual says?

12:14:17 21 A. Not off the top of my head.

12:14:19 22 Q. So is your testimony that the only way you can

12:14:25 23 figure out -- the only way your office would have a reason

12:14:28 24 to believe someone is not a U.S. citizen is through a HAVA

12:14:32 25 check?

12:14:34 1 DEFENSE COUNSEL: Form. Form.

12:14:35 2 THE WITNESS: At the moment, yes.

12:14:37 3 BY MR. HINDLEY:

12:14:40 4 Q. So what if someone's birthplace was outside of

12:14:45 5 the United States, would that give you reason to believe

12:14:49 6 someone is not a U.S. citizen?

12:14:53 7 DEFENSE COUNSEL: Form and foundation.

12:14:55 8 THE WITNESS: No.

12:14:57 9 BY MR. HINDLEY:

12:15:01 10 Q. If someone had, at one point, had an F type

12:15:08 11 license at some point, would that give you a reason to

12:15:14 12 believe someone is not a U.S. citizen?

12:15:18 13 A. No.

12:15:18 14 Q. Has the Secretary of State's Office given you a

12:15:28 15 list of things that would not give you a reason to believe

12:15:31 16 someone is not a U.S. citizen?

12:15:34 17 DEFENSE COUNSEL: Form.

12:15:36 18 THE WITNESS: I, I don't believe so.

12:15:37 19 BY MR. HINDLEY:

12:15:42 20 Q. Are there, so -- scratch that.

12:15:46 21 What would you say should never give a person a

12:15:50 22 reason to believe someone is not a U.S. citizen?

12:15:54 23 DEFENSE COUNSEL: Form, foundation.

12:15:56 24 THE WITNESS: I, I don't understand the question

12:16:02 25 you're asking.

12:16:02 1 BY MR. HINDLEY:

12:16:03 2 Q. So is there certain forms of information that
12:16:05 3 would never give you a reason to believe someone is not a
12:16:10 4 U.S. citizen?

12:16:11 5 A. No. I don't know.

12:16:16 6 Q. So if a registered voter is removed from the
12:16:33 7 rolls under -- actually, scratch that.

12:16:39 8 Mr. Lerma, if you can go back to Petty 21.

12:17:31 9 A. Okay.

12:17:32 10 Q. Page four, section A(10).

12:17:43 11 A. You said page four, section A(10)?

12:17:46 12 Q. Yeah, 10. So lines 5 through 19.

12:17:53 13 A. Page four. Okay.

12:18:17 14 Q. So a couple more questions and I think we'll be
12:18:22 15 wrapped up.

12:18:22 16 But if a registered voter is removed under this
12:18:26 17 section, 165(A)(10), based on an erroneous determination
12:18:33 18 that they're not a U.S. citizen, can that voter be added
12:18:38 19 back to the rolls if the registration deadline has already
12:18:42 20 passed?

12:18:44 21 DEFENSE COUNSEL: Form, foundation.

12:18:45 22 THE WITNESS: I'm sorry. I thought I had the
12:18:57 23 right spot on Petty 19, but apparently not.

12:19:01 24 You said page, section --

12:19:03 25 BY MR. HINDLEY:

12:19:03 1 Q. Oh, sorry. Petty 21.

12:19:06 2 A. Oh. That makes more sense.

12:19:09 3 Q. Page four, Petty 21.

12:19:26 4 A. And now you're asking can they reregister?

12:19:30 5 Q. So if they were erroneously taken off the roll

12:19:34 6 by erroneous determination that they were not a

12:19:40 7 U.S. citizen, could they be added back to the rolls if the

12:19:44 8 registration, if the registration deadline has passed?

12:19:48 9 A. I believe so.

12:19:50 10 DEFENSE COUNSEL: Form and foundation.

12:19:51 11 BY MR. HINDLEY:

12:19:51 12 Q. Can you repeat that?

12:19:53 13 A. I believe so.

12:19:54 14 Q. And how would the county do this?

12:19:59 15 A. They would need a --

12:20:01 16 DEFENSE COUNSEL: Form and foundation.

12:20:04 17 THE WITNESS: They would need to provide proof

12:20:07 18 of citizenship.

12:20:08 19 BY MR. HINDLEY:

12:20:12 20 Q. And what would the -- so they provide the proof

12:20:15 21 of citizenship.

12:20:16 22 What would be the next steps after that?

12:20:18 23 A. Then we would reactivate them.

12:20:28 24 MR. HINDLEY: Okay. Mr. Lerma, that's all the

12:20:31 25 questions I have, and I really appreciate it and thank you

12:20:34 1 for your time.

12:20:36 2 THE WITNESS: Thank you.

12:20:40 3 MR. HERRERA: I do have -- I don't know if any
12:20:42 4 other plaintiffs do, but I do have a couple of follow-up
12:20:46 5 questions there. I don't know if you can hear me.

12:20:49 6 THE WITNESS: Yeah.

12:20:49 7

12:20:49 8 EXAMINATION

12:20:49 9 BY MR. HERRERA:

12:20:53 10 Q. So my name is Ernest Herrera, and I represent
12:20:54 11 two of the plaintiffs in this organiz -- in this lawsuit.
12:20:57 12 So I just have a couple of questions for you. One
12:21:01 13 question is along the lines of what Mr. Hindley was asking
12:21:05 14 you.

12:21:06 15 Has it ever been the case that when you do a
12:21:09 16 HAVA check and then find information that makes you think
12:21:16 17 that someone is not a U.S. citizen, that that person later
12:21:20 18 provides documentary proof of citizenship?

12:21:24 19 DEFENSE COUNSEL: Form.

12:21:25 20 THE WITNESS: Was that a question?

12:21:27 21 BY MR. HERRERA:

12:21:27 22 Q. Yeah. So have you ever had a -- so you've had
12:21:33 23 instances where you do a HAVA check and it shows that that
12:21:35 24 person is not a citizen, right?

12:21:37 25 A. Okay.

12:21:37 1 Q. Okay. Have you ever had an instance in one of
12:21:40 2 those cases where someone later provides documentary proof
12:21:44 3 of citizenship?
12:21:44 4 A. Yes.
12:21:45 5 DEFENSE COUNSEL: Form.
12:21:47 6 BY MR. HERRERA:
12:21:47 7 Q. That's a yes?
12:21:48 8 A. That's a yes. I'm sorry.
12:21:49 9 Q. Okay. And do you know, approximately, in how
12:21:54 10 many instances that's happened in the last five years?
12:21:57 11 A. I would not know.
12:22:06 12 Q. And what happens once you get that documentary
12:22:10 13 proof of citizenship from someone who initially showed up
12:22:14 14 in a HAVA check as not being a U.S. citizen?
12:22:18 15 A. We would activate them, make them active, and a
12:22:23 16 regular voter, a full voter.
12:22:25 17 Q. Okay. And have, in those instances where that's
12:22:32 18 happened, did the person show up in the HAVA check as
12:22:36 19 having an F type license or a foreign type license?
12:22:41 20 A. I couldn't tell you --
12:22:42 21 DEFENSE COUNSEL: Form.
12:22:42 22 THE WITNESS: -- off the top of my head.
12:22:44 23 BY MR. HERRERA:
12:22:50 24 Q. Do you recall, in those instances, typically,
12:22:53 25 what was the information that made you think that that

12:22:56 1 person was not a U.S. citizen?

12:22:59 2 A. The HAVA check.

12:23:00 3 Q. Right. But what piece of evidence? What does

12:23:03 4 it say when you look in the HAVA check?

12:23:06 5 DEFENSE COUNSEL: Form.

12:23:07 6 THE WITNESS: That they could not find any, it

12:23:10 7 didn't come back with any information.

12:23:13 8 MR. HERRERA: Okay. Those are all my questions.

12:23:26 9 Thank you.

12:23:26 10 MS. BOUGHTON: Do any other plaintiffs have

12:23:28 11 questions? Okay.

12:23:33 12 I have a few, if you're all right, Mr. Lerma.

12:23:38 13 Do you need a break or -

12:23:39 14 THE WITNESS: No, I'm good.

12:23:41 15 MS. BOUGHTON: Okay. Great.

12:23:41 16

12:23:44 17 EXAMINATION

12:23:44 18 BY MS. BOUGHTON:

12:23:46 19 Q. So my name is Kathryn Boughton. I know there's

12:23:47 20 a lot of people on the call. I represent the state and

12:23:49 21 attorney general in this matter. And I just have a couple

12:23:51 22 of clarification questions.

12:23:53 23 A. Okay.

12:23:54 24 Q. So first, I'd like to go back to Exhibit 42,

12:23:57 25 which is marked D in your packet. And I just want to

12:24:03 1 clarify something.

12:24:04 2 So plaintiffs' counsel asked you some questions

12:24:06 3 about interrogatory No. 9, which is on page eight and nine

12:24:10 4 of the PDF.

12:24:12 5 A. Okay.

12:24:14 6 Q. And this is the interrogatory that asks about

12:24:16 7 instances of establishing non-U.S. citizen or non-county

12:24:21 8 residents registering to vote or voting. And I note that

12:24:26 9 the request asks from January 1st, 2013 to present, but I

12:24:29 10 read the response, quote, the Navajo County Recorder's

12:24:34 11 Office has not had any situation arise since January 1st,

12:24:38 12 2023 in which it established that a non-U.S. citizen or

12:24:44 13 non-county resident has registered to vote, end quote.

12:24:47 14 Do you know if the information was pulled from

12:24:49 15 January 23, 2023 or January 2013?

12:24:54 16 A. Let me reread it really quick.

12:25:00 17 Q. Yeah. Sorry. That was a mouth of a question,

12:25:03 18 so...

12:25:05 19 A. It's not tracked in our system, so it would just

12:25:13 20 have to be in memory. And it's never happened since we

12:25:18 21 have been here.

12:25:20 22 Q. Okay. So you think that the answer could have

12:25:25 23 been for, it could have been a typo, and this maybe should

12:25:29 24 say since January 1st, 2013?

12:25:31 25 A. Yes. Yes.

12:25:50 1 Q. Okay. And can you remind me, when did you start
12:25:55 2 at the Recorder's Office?

12:25:57 3 A. It's been -- in 2017.

12:26:02 4 Q. Okay. Thank you.

12:26:08 5 A. Hmm hmm.

12:26:08 6 Q. I'd like to talk briefly about some of the
12:26:19 7 documentary proof of residency questions that you were
12:26:22 8 asked, some of the kind of nonstandard address questions
12:26:24 9 that we talked about way back at the beginning of the
12:26:28 10 depo.

12:26:29 11 And I was just wondering, generally, you know,
12:26:32 12 based on your experience and, at the Recorder's Office,
12:26:36 13 what kind of documents, generally, do people have that
12:26:40 14 show where they live in your county.

12:26:42 15 A. The only one I have seen is an, maybe an ID. I
12:26:50 16 have seen some IDs come across that are, they have a
12:26:55 17 direction for their address, had the directional address
12:27:07 18 on it.

12:27:08 19 Q. Would that be a tribal ID?

12:27:13 20 A. An Arizona ID.

12:27:15 21 Q. An Arizona ID. Okay.

12:27:46 22 Switching gears slightly to documentary proof of
12:27:50 23 citizenship, just to clarify your process for me.

12:27:54 24 So if a voter submits a form, a state form with
12:28:00 25 DPOC, do you scan that DPOC into the AVID system?

12:28:06 1 A. We do, yes.

12:28:07 2 Q. Do you at the Recorder's Office do anything

12:28:11 3 independently to verify the document?

12:28:13 4 A. No.

12:28:15 5 Q. No. Okay.

12:28:17 6 Still on citizenship, but on the federal form.

12:28:32 7 Do you think the citizenship checkbox provides you

12:28:35 8 information about whether a voter is a citizen?

12:28:39 9 A. Does it provide me information?

12:28:43 10 Q. Hmm hmm.

12:28:44 11 A. No, it doesn't provide. They just check it.

12:28:48 12 Q. And same answer -- same question for the state

12:28:53 13 form.

12:28:53 14 Do you think the checkbox provides you

12:28:55 15 information about whether the voter is a citizen?

12:28:58 16 A. No. They just check the box.

12:29:00 17 Q. Okay. So if they check no, does that raise a

12:29:04 18 red flag for you at all?

12:29:07 19 A. If they check no, yes.

12:29:09 20 Q. So if they check no that they're not a

12:29:15 21 U.S. citizen, but they come back in the AVID system with

12:29:20 22 no hits, would that -- how would your office handle that

12:29:22 23 kind of a situation?

12:29:23 24 A. We would send them a letter.

12:29:28 25 Q. Send them a letter.

12:29:28 1 I think you said send them a letter. Is that
12:29:31 2 right?

12:29:31 3 A. Yeah. Yes.

12:29:32 4 Q. Okay. If they checked no on a citizenship box
12:29:43 5 on the state form but they did attach, say, a birth
12:29:46 6 certificate, would you still send them a letter?

12:29:49 7 A. No.

12:29:50 8 Q. No. Okay.

12:29:56 9 Has your office ever had situations in which
12:29:59 10 someone submitted a proof of citizenship, so a birth
12:30:04 11 certificate or a copy of a passport, and the document was
12:30:10 12 defective in some way or blurry? Have you ever had
12:30:15 13 situations like that?

12:30:16 14 A. Off the top of my head, no.

12:30:18 15 Q. Okay. So normally you don't have issues with
12:30:23 16 the photocopies that are provided?

12:30:24 17 A. No. Yeah, they're usually clear.

12:30:27 18 Q. Okay. If, theoretically, if you were presented
12:30:33 19 with an application that had a bad photocopy, say of a
12:30:37 20 birth certificate, would you find it helpful to look and
12:30:41 21 see if they have checked the citizenship box yes?

12:30:46 22 A. Yes.

12:30:46 23 Q. A few more questions.

12:31:03 24 So this is on what's been marked as Exhibit 40,
12:31:10 25 it's Document C, and you were asked about this a little

12:31:13 1 bit earlier. It's your responses to the request for
12:31:18 2 document production.

12:31:20 3 And so I'm looking at request No. 1, and your
12:31:25 4 response, Subpart I. Let me know when you're there.

12:31:29 5 A. I'm there.

12:31:29 6 Q. Okay. So I just wanted to clarify your meaning,
12:31:35 7 my understanding of this response.

12:31:37 8 So I see that you respond that:

12:31:41 9 If an applicant was using a state form to
12:31:43 10 register, he or she would have been required to provide a
12:31:46 11 birthplace or complete the citizenship checkbox in order
12:31:50 12 to be registered to vote in state or local elections.

12:31:55 13 So do I understand this, that if an applicant
12:32:00 14 provides a birthplace in the United States that that's
12:32:03 15 accepted as proof of citizenship by itself?

12:32:06 16 A. No.

12:32:06 17 Q. No. Okay.

12:32:08 18 And I understand that there's no easy way to
12:32:15 19 determine if someone did provide birthplace on the state
12:32:18 20 form, but generally, in your experience, is it common for
12:32:23 21 an applicant to list birthplace on a state form?

12:32:27 22 A. Yes, it's common.

12:32:29 23 Q. Okay. So I have a hypothetical for you, a quick
12:33:05 24 one, and then I'll let you go.

12:33:07 25 So if a registrant were to write on their form

12:33:11 1 that they were born in New York, for example, but they
12:33:15 2 provided a birth certificate from Florida, what would your
12:33:19 3 office do in that situation?

12:33:21 4 A. Ooh. We would verify that stuff matches, their
12:33:34 5 name and date of birth. It hasn't happened yet, that I
12:33:42 6 know of, so I would get the guidance from the County
12:33:50 7 Recorder.

12:33:50 8 Q. Okay. But, generally, it would give you guys
12:33:54 9 pause and you would do some additional investigation?

12:33:58 10 A. Correct.

12:34:11 11 MS. BOUGHTON: All right. Just one moment. I'm
12:34:13 12 just checking all my notes.

12:34:36 13 All right. That is all I have for you today.
12:34:38 14 Thank you so much for your time. I really appreciate it.

12:34:41 15 I don't know if any of the other representatives
12:34:43 16 have questions.

12:34:46 17 MR. LANGHOFER: I do, but I'll defer to Craig if
12:34:49 18 he would like to go first.

12:34:52 19 MR. MORGAN: I have no questions. Thanks. At
12:34:54 20 least not right now.

12:34:54 21

12:34:54 22 EXAMINATION

12:34:57 23 BY MR. LANGHOFER:

12:35:01 24 Q. Mr. Lerma, thank you for your time. I'll be
12:35:01 25 relatively quick here.

12:35:02 1 I represent the Republican Intervenors, so we're
12:35:06 2 generally defending the laws. I just had a few follow-up
12:35:11 3 questions, mostly in the way of clarification.

12:35:14 4 Why don't we start with location of birth, which
12:35:16 5 is what Ms. Boughton was just asking you about.

12:35:23 6 If you have, if someone tries to register with a
12:35:25 7 very common name, let's say, you know, Joe Smith, or
12:35:27 8 something like that -- maybe there's a more common name in
12:35:29 9 your county -- and there is already someone registered
12:35:35 10 with that name, and, let's even say, with that date of
12:35:38 11 birth, what do you do in that circumstance to determine
12:35:42 12 whether they're already registered?

12:35:52 13 A. What do we do?

12:35:56 14 There is a verification system in AVID that
12:36:01 15 looks for duplicates. And if the date of birth matches,
12:36:03 16 social matches, and the name matches, then we link it.

12:36:13 17 Q. And, if you don't have a social, could you use
12:36:15 18 the location of birth or birthplace in order to confirm
12:36:20 19 or, confirm or disprove that it's a duplicate?

12:36:25 20 A. We do use it sometimes.

12:36:27 21 Q. Okay. In order to avoid duplicate
12:36:32 22 registrations, you mean?

12:36:33 23 A. Correct.

12:36:34 24 Q. And is that information in the AVID system?

12:36:38 25 A. It is.

12:36:39 1 Q. The -- in your experience, when you send out a
12:36:48 2 notification telling a voter that they're not qualified to
12:36:52 3 register to vote, for whatever reason, how often do they
12:36:57 4 respond and, you know, sort of correct the record and
12:36:59 5 provide the information you need to conclude that they
12:37:02 6 are, in fact, qualified to register?

12:37:04 7 A. In my experience, not often.

12:37:08 8 Q. Can you give us a rough percentage?

12:37:11 9 A. I'd say maybe one out of 20.

12:37:23 10 Q. And, in those cases, I take it that you do, in
12:37:30 11 fact, update the registration or give them a proper
12:37:34 12 registration?

12:37:34 13 A. Correct.

12:37:35 14 Q. Final question.

12:37:41 15 Mr. Rosenbaum had asked you whether you had seen
12:37:44 16 any fraudulent or incorrect applications come through your
12:37:49 17 office. And, if your office hasn't concluded that any
12:37:54 18 registrations were fraudulent or had inaccurate
12:37:57 19 information, am I correct in assuming that you guys
12:38:01 20 haven't gone out and sort of personally checked each of
12:38:03 21 the addresses that come through because it would just be
12:38:07 22 too much work for your office?

12:38:08 23 A. Yeah. It's also not required.

12:38:10 24 Q. Right. Yeah. I didn't mean to suggest that it
12:38:13 25 would be required.

12:38:14 1 So when you say that you haven't seen a
12:38:17 2 fraudulent or inaccurate registration come through, do you
12:38:21 3 mean that you haven't been able to conclude it's
12:38:24 4 fraudulent or inaccurate based on the face of the
12:38:27 5 documents, or based on any, you know, sort of
12:38:28 6 extracurricular research you guys have done?

12:38:31 7 A. Yeah. Just based off the document.

12:38:37 8 MR. LANGHOFER: Okay. I don't have any other
12:38:40 9 questions. Thank you.

12:38:56 10 MR. ATKINS: If no one else for defendants has
12:38:58 11 questions, I have just one follow-up question, I think.

12:38:58 12

12:39:01 13 FURTHER EXAMINATION

12:39:01 14 BY MR. ATKINS:

12:39:02 15 Q. Just to clarify something. I had thought that
12:39:05 16 earlier in today's deposition you had told us that
12:39:11 17 birthplace information isn't a piece of data that's
12:39:16 18 reported in AVID, and I'm just wondering is birthplace
12:39:23 19 reported in AVID?

12:39:23 20 A. Birthplace? Is that what you said? Is
12:39:29 21 birthplace recorded?

12:39:32 22 Q. Yeah. Place of birth or birthplace information.

12:39:40 23 A. Place of birth is recorded.

12:39:49 24 MR. ATKINS: Okay. That's my remaining
12:39:51 25 question.

12:39:51 1 The only other, I guess, point of clarification
12:40:00 2 is Ms. Boughton had brought up the lack of clarity as to
12:40:05 3 the interrogatory response regarding instances of
12:40:13 4 non-citizen or non-resident voter fraud.

12:40:22 5 Mr. Moore, I assume you're the one to ask about
12:40:24 6 this, but I think it would be helpful if you or your
12:40:28 7 client could provide us all with a clear statement of
12:40:32 8 whether those response was referring to the time in
12:40:36 9 question starting in January of 2013.

12:40:41 10

DEFENSE COUNSEL: Form.

12:40:52 11

MR. ATKINS: You're on mute.

12:41:01 12

MR. ROSENBAUM: Jason, we can't hear you.

12:41:02 13

You're muted.

12:41:02 14

MR. MOORE: I apologize.

12:41:03 15

Mr. Atkins, I'm sorry. Yeah, that was a

12:41:07 16

typographical in that document. It should have said 2013

12:41:09 17

rather than 2023.

12:41:12 18

MR. ATKINS: Okay. Great. Appreciate that.

12:41:16 19

That's all I have. Thanks again, Mr. Lerma.

12:41:19 20

THE WITNESS: Thank you.

12:41:27 21

MR. ROSENBAUM: Well, I have nothing further.

12:41:32 22

John, I don't know if you do, but, if not, I

12:41:37 23

think this concludes.

12:41:38 24

MR. HINDLEY: I don't have any further

12:41:40 25

questions.

LYDIA DURST,
a witness herein, having been first duly sworn by the
Certified Reporter to speak the truth and nothing but the
truth, was examined and testified as follows:

EXAMINATION

BY MS. DIBRELL:

Q. Good morning, Ms. Durst. As you just heard, I'm
Mollie DiBrell. I'm from Elias Law Group, and I represent
the Plaintiffs Mi Familia Vota and Voto Latino in this
lawsuit.

As I'm sure you know, there are various
plaintiff groups who have brought legal challenges against
a series of new laws who were enacted by the legislature
under H.B. 2492 and 2243. Those cases have been
consolidated into one lawsuit.

I am going to begin the questioning today, but
when I'm done, some of the counsel for the other
plaintiffs may have questions for you as well.

Does that make sense?

A. Yes.

Q. Could you please state your full name for the
record and spell your last name?

A. Lydia Durst, D-U-R-S-T.

Q. And have you been deposed before?

10:13:58 1
10:13:58 2

10:14:53 24
10:14:55 25

A. No.

Q. Okay. So I just want to go over some ground rules so that we are on the same page.

So you understand that Ms. Locker is the court reporter and that she is typing down everything that we say today so that we have a complete and accurate record of what is being said, right?

A. Correct.

Q. And so she can get a complete and accurate record, if you could please just answer questions audibly and clearly.

A. Okay.

Q. Does that -- perfect.

And then, as we agreed off the record, but I'll just state it for the record, the defendants are going to have one objection, so you may hear your counsel object. Let your counsel object so it can be on the record, and then, once they're done, you may answer my question unless they have instructed you otherwise.

Does that make sense?

A. Yes.

Q. And then if you could also agree to wait and let me finish my question before answering so we don't talk over each other. I know it's a bit difficult with Zoom.

So does that sound good?

10:14:59 1 A. Yes.

10:14:59 2 Q. If any of my questions are unclear, will you
10:15:05 3 please let me know that you don't understand the question
10:15:07 4 or that you need me to repeat any part of it?

10:15:10 5 A. Yes.

10:15:10 6 Q. And if you do answer my question I will assume
10:15:15 7 that you understood the question.

10:15:15 8 Does that make sense?

10:15:22 9 A. Yes.

10:15:22 10 Q. If at any time you need a break, please let me
10:15:25 11 know. The only thing I ask is if there is a question
10:15:28 12 pending that you finish answering and then we can take a
10:15:31 13 break.

10:15:32 14 Do you understand?

10:15:32 15 A. Yes.

10:15:33 16 Q. And you just took an oath, correct?

10:15:38 17 A. Correct.

10:15:38 18 Q. And do you agreed to provide truthful and
10:15:42 19 complete testimony to the best of your ability today?

10:15:44 20 A. I do.

10:15:45 21 Q. And is there any reason you can't fully and
10:15:48 22 truthfully testify today?

10:15:49 23 A. No.

10:15:50 24 Q. And did you bring any materials into the
10:15:59 25 deposition with you?

10:16:00 1
10:16:01 2
10:16:03 3
10:16:12 4
10:16:20 5

10:16:27 7
10:16:30 8

10:16:36 11
10:16:36 12
10:16:44 13
10:16:46 14
10:16:47 15
10:16:49 16
10:16:52 17
10:16:57 18
10:17:01 19
10:17:05 20
10:17:11 21
10:17:14 22

10:17:16 24
10:17:18 25

A. Yes.

Q. And what are they?

A. Just the notice of the deposition, our responses, and our discovery, as well as, when we submitted to our board of supervisors, our agreement for our SAVE program.

MR. DAVIS: Counsel, that's the discovery from February.

MS. DIBRELL: I see. And when you say discovery, do you mean the discovery responses or the actual production?

MR. DAVIS: These were the requests for productions from the February discovery.

BY MS. DIBRELL:

Q. And you have the answers to the requests and the actual productions in front of you?

MR. DAVIS: We have the answers to the ones that are narrative in nature. Some of them were sent over as Excel sheets, so we don't have those. But this one is narrative, so I have it for her to reference if necessary.

MS. DIBRELL: Thank you for clarifying.

BY MS. DIBRELL:

Q. And do you have any other notes in front of you or any notes on the documents?

A. No.

10:17:18 1 Q. Okay. So I just want to talk a little bit about
10:17:23 2 your background.

10:17:25 3 So that you are currently employed by the Mohave
10:17:31 4 County Recorder's Office, correct?

10:17:31 5 A. Correct.

10:17:31 6 Q. And you are the Chief Deputy County Recorder?

10:17:35 7 I'm sorry. I can't hear your audio. Would you say that
10:17:38 8 again?

10:17:41 9 A. I am the Chief Deputy Recorder for Mohave
10:17:41 10 County.

10:17:51 11 Q. How long have you been the Chief Deputy County
10:17:54 12 Recorder for Mohave County?

10:17:55 13 A. Three years.

10:17:56 14 Q. And what are your responsibilities as the Chief
10:18:00 15 Deputy County Recorder?

10:18:01 16 A. I act on behalf of our County Recorder. I
10:18:04 17 complete tasks in the voter registration department, as
10:18:08 18 well as the Recorder's office.

10:18:09 19 Q. And what are those tasks you complete in the
10:18:13 20 voter, with respect to voter registration?

10:18:15 21 A. It could be hiring, permanent employee,
10:18:20 22 employer -- employees, early voting temps, setting up
10:18:24 23 early voting sites, registering people to vote, any duty
10:18:29 24 as assigned.

10:18:30 25 Q. And have you held any other positions in the

10:18:37 1 Mohave County Recorder's Office?

10:18:37 2 A. I have.

10:18:38 3 Q. What were those positions?

10:18:40 4 A. I was the administrative assistant to the County

10:18:46 5 Recorder.

10:18:46 6 Q. And when were you the administrative assistant

10:18:49 7 to the County Recorder?

10:18:51 8 A. From October of 2017 to February of 2020. I'm

10:18:57 9 sorry. I misspoke that.

10:19:02 10 Q. So what years were you the administrative

10:19:07 11 assistant?

10:19:07 12 A. October of 2018 to February of 2020.

10:19:09 13 Q. Perfect. And can you please briefly describe

10:19:14 14 what your responsibilities were in that role?

10:19:16 15 A. I completed all deposits; I recorded documents

10:19:25 16 to be made of public record; I did memos for the County

10:19:30 17 Recorder; and did mild assistance with the voter

10:19:30 18 registration.

10:19:36 19 Q. Based on your time with the Mohave County

10:19:39 20 Recorder's Office, is it fair to say you're familiar with

10:19:42 21 Arizona's election administration?

10:19:44 22 A. Yes.

10:19:45 23 Q. And is it fair to say that, based on your

10:19:46 24 experience, you're familiar with Arizona's voter

10:19:50 25 registration processes?

10:19:51 1 A. Yes.

10:19:52 2 Q. And do you understand that you are here today as

10:19:56 3 a representative to testify on behalf of the Mohave County

10:19:59 4 Recorder?

10:19:59 5 A. Yes.

10:19:59 6 Q. Do you understand that your answers may be

10:20:04 7 based, not only on your personal knowledge, but also

10:20:06 8 information known or available to the Mohave County

10:20:10 9 Recorder?

10:20:10 10 A. Yes.

10:20:10 11 Q. And so, I want to clarify, this is not a memory

10:20:14 12 test. So if I ask a question and you don't know the

10:20:17 13 answer, can you agree to tell me if you think someone else

10:20:20 14 in the office may know the answer?

10:20:22 15 A. Yes.

10:20:23 16 Q. So I would like to show you a document that will

10:20:30 17 be marked as Exhibit 49, and it's actually the deposition

10:20:33 18 notice that you already have in front of you, but I can

10:20:36 19 pull it up to share it with all of the groups.

10:21:30 20 Can you see my screen?

10:21:31 21 A. Yes.

10:21:33 22 Q. And do you recognize this document?

10:21:34 23 A. I do.

10:21:35 24 Q. And this is the 30(b)(6) deposition notice for

10:21:40 25 your deposition, correct?

10:21:41 1 A. Yes.

10:21:42 2 Q. I'm going to scroll to Schedule A, and I'm going

10:21:48 3 to represent to you that this is a list of the topics that

10:21:52 4 we may discuss today, in today's deposition.

10:21:55 5 Have you reviewed Schedule A previously?

10:21:58 6 A. Just briefly, prior to.

10:22:02 7 Q. Have you reviewed all 20 topics that are listed

10:22:06 8 in Schedule A?

10:22:21 9 I'm sorry. Could you state that again? I can't

10:22:23 10 hear you.

10:22:23 11 A. I didn't go through all the topics, no.

10:22:25 12 Q. Are there any topics in Exhibit A of your

10:22:33 13 deposition notice that you are not prepared to answer

10:22:35 14 questions about today?

10:22:37 15 A. Not that I'm aware of.

10:22:54 16 Q. Would it be helpful to go through each topic?

10:23:05 17 Or are you prepared to speak to all 28 topics today in

10:23:09 18 your deposition notice?

10:23:13 19 A. I believe I can speak to them.

10:23:17 20 Q. And what did you do to prepare for today's

10:23:23 21 deposition?

10:23:23 22 A. I didn't prepare anything from this necessarily.

10:23:36 23 Q. Did you meet with anyone in your office to

10:23:39 24 prepare for today's deposition?

10:23:41 25 A. I spoke with County Recorder Kristi Blair

10:23:52 1
10:23:53 2
10:23:56 3
10:24:01 4
10:24:07 5
10:24:12 6
10:24:13 7
10:24:31 8
10:24:33 9
10:24:38 10
10:24:39 11
10:24:39 12
10:24:42 13
10:24:43 14
10:24:51 15
10:24:51 16
10:24:55 17
10:24:59 18
10:25:00 19
10:25:01 20
10:25:07 21
10:25:10 22
10:25:11 23
10:25:13 24
10:25:18 25

briefly.

Q. And what did you speak about?

A. She's the one that received this, and we just discussed the data that was provided in response.

Q. What do you mean by the data that was provided in response?

A. Where, like from the discovery that we provided, that she provided.

Q. And how many times did you speak with County Recorder Kristi Blair?

A. Just once.

Q. And when was this?

A. Yesterday.

Q. And how long did you meet with County Recorder Kristi Blair?

A. Less than 15 minutes.

Q. Was anyone else present at that meeting with Kristi Blair?

A. No.

Q. Without going into the substance of any of the conversations, did you meet with your counsel to prepare for today's deposition?

A. Yes.

Q. How many times?

A. Twice.

10:25:19 1 Q. And did you meet with Mr. Davis?

10:25:23 2 A. Yes.

10:25:25 3 Q. When?

10:25:30 4 A. This morning and yesterday.

10:25:32 5 Q. And about how long were those meetings with

10:25:36 6 Mr. Davis?

10:25:36 7 A. Yesterday was very brief, and this morning,

10:25:45 8 30 minutes.

10:25:46 9 Q. And for yesterday's meeting with Mr. Davis, if

10:25:54 10 you had to ballpark it, how long was that meeting?

10:25:58 11 A. Less than 15 minutes.

10:26:02 12 Q. And did you review any documents to prepare for

10:26:07 13 today's deposition?

10:26:08 14 A. Just the documents I have this morning.

10:26:10 15 Q. And, to be clear, the documents that you have

10:26:17 16 this morning are the Mohave County's responses to Equity's

10:26:28 17 RFPs?

10:26:29 18 A. Yes.

10:26:30 19 Q. What other documents did you look at in

10:26:32 20 preparation for this deposition?

10:26:34 21 A. Briefly reviewed the Rule 30(b)(6).

10:26:42 22 Q. By the Rule 30(b)(6), you mean the Rule 30(b)(6)

10:26:48 23 deposition notice that I'm sharing on my screen?

10:26:52 24 A. Yes.

10:26:52 25 Q. Did you review anything else in preparation for

10:26:55 1 today's deposition?

10:26:56 2 A. No.

10:26:58 3 Q. So, to clarify, you reviewed the Mohave's RFP
10:27:08 4 responses to Equity's requests for production that were
10:27:12 5 served in February of 2023, correct?

10:27:16 6 A. Yes. And the most recent.

10:27:22 7 Q. And, can you clarify the most recent, were in
10:27:26 8 response to the consolidated plaintiff's request for
10:27:30 9 production?

10:27:30 10 A. Yes.

10:27:35 11 MS. DIBRELL: And, just to make it clear for the
10:27:38 12 record, I'm marking the Mohave amended 30(b)(6) deposition
10:27:44 13 notice as Exhibit 49.

10:27:56 14 BY MS. DIBRELL:

10:28:10 15 Q. So I would like to discuss the Mohave County
10:28:18 16 Recorder's responsibilities with respect to elections with
10:28:18 17 you.

10:28:18 18 A. Okay.

10:28:19 19 Q. So what are the Mohave County Recorder's
10:28:22 20 Office's responsibilities when it comes to elections?

10:28:24 21 A. We receive voter registration forms to register
10:28:29 22 people to vote. We complete, complete those. We set up
10:28:36 23 early voting sites, hire temporary employees, work early
10:28:40 24 voting sites 27 days before an election. We mail ballots
10:28:45 25 to registered voters that request them. We signature

10:28:49 1 verify returned early ballots, and we provide them to the
10:28:54 2 elections department.

10:28:56 3 Q. You said that you receive voter registration
10:29:01 4 forms?

10:29:01 5 A. Yes.

10:29:01 6 Q. And you said that you complete those.

10:29:03 7 Could you explain what you mean by you complete
10:29:06 8 those?

10:29:07 9 A. So if a voter registration form is paper, we
10:29:10 10 would do the data entry on that, complete a HAVA check,
10:29:14 11 run them through the HAVA program, and they would then
10:29:18 12 either be, come up with their status for voter
10:29:23 13 registration. We also receive them from the Motor Vehicle
10:29:27 14 Division as an EZ Voter, and we process those as well.

10:29:34 15 Q. So let's take each one of those in turn.

10:29:37 16 So you said for paper registrations you enter
10:29:41 17 the data from the voter registration forms, correct?

10:29:45 18 A. Yes.

10:29:45 19 Q. What do you enter that data from paper voter
10:29:50 20 registration forms into?

10:29:51 21 A. The Arizona voter information database, known as
10:29:57 22 AVID.

10:29:57 23 Q. And what does that entail?

10:29:59 24 A. That is the entire voter database, or what
10:30:05 25 does -- I'm sorry. I may not understand your question.

10:30:09 1 Q. Thanks for telling me. That's perfect.

10:30:12 2 What does it entail when you say you enter that

10:30:15 3 data into AVID? What do you do?

10:30:18 4 A. So we scan the image. From the image we would

10:30:21 5 type in their last name, their first name, and then any

10:30:24 6 identifying information, their Arizona driver's license,

10:30:27 7 their date of birth, and their social, last four of their

10:30:30 8 social security number. That would then pop up if they

10:30:34 9 already have a record in Arizona, most likely Mohave

10:30:37 10 County. And if it's a hard match, depending on what

10:30:41 11 information is already on our record, we would match them,

10:30:45 12 and then we would update the record from the paper into

10:30:47 13 that database. So if they change their party, if they

10:30:52 14 change their address, their mailing information, or be

10:30:55 15 removed or added from the active early voting list.

10:30:59 16 Q. What do you mean when you say if it's a hard

10:31:02 17 match? What is that?

10:31:03 18 A. So if the voter's name and their date of birth

10:31:09 19 or social security or Arizona driver's license match them

10:31:12 20 to an already registered voter.

10:31:15 21 Q. And if it matches an already registered voter,

10:31:19 22 you update their registration?

10:31:21 23 A. Yes.

10:31:22 24 Q. What if it doesn't match an already registered

10:31:28 25 voter? Then what do you do?

10:31:30 1 A. They would become a new registered voter.

10:31:34 2 Q. And who in the office is responsible for this

10:31:37 3 process?

10:31:37 4 A. All voter registration specialists.

10:31:40 5 Q. Who are the voter registration specialists?

10:31:43 6 A. We have currently three, Monique, Jamie, and

10:31:48 7 Erma.

10:31:49 8 Q. Do you know those three voter registration

10:31:54 9 specialists' full names, first and last?

10:31:57 10 A. I do. It's -- I'm sorry -- Monique Martinez,

10:32:03 11 Jamie Risher, and Erma Allen.

10:32:07 12 Q. Thank you.

10:32:13 13 You also said that for the paper voter

10:32:16 14 registration forms, after you enter the data there's a

10:32:20 15 HAVA check, correct?

10:32:22 16 A. Correct.

10:32:22 17 Q. Can you explain what that entails? What is the

10:32:26 18 HAVA check?

10:32:26 19 A. The HAVA check is on top of the voter -- it's a

10:32:31 20 large button on the top of the screen in the Arizona voter

10:32:35 21 information database, and that runs them through the HAVA

10:32:39 22 program for their, with their Arizona driver's license

10:32:43 23 information, to come back for a status of valid or if they

10:32:51 24 need to be a federal and provide further information.

10:32:55 25 Q. What is the HAVA check checking against?

10:32:58 1 A. My belief it would be the Motor Vehicle Division

10:33:05 2 information.

10:33:07 3 Q. And under what circumstances would a HAVA check

10:33:27 4 come back not a match?

10:33:29 5 A. If the voter didn't provide any information to

10:33:38 6 the MVD showing that they are a U.S. citizen.

10:33:42 7 Q. So before we get into the specifics of what the

10:34:01 8 voter can show for their citizenship, I also wanted to

10:34:06 9 briefly talk, or touch on, the other ways that voters can

10:34:10 10 register to vote. So you also mentioned they can register

10:34:13 11 to vote using the Motor Vehicle's database, an EZ form?

10:34:17 12 A. It's called EZ Voter. It's electronic.

10:34:23 13 Q. And how does that work?

10:34:24 14 A. So it's through, either in person at the MVD

10:34:27 15 and, or you can do it online through the Motor Vehicle

10:34:33 16 Division, ServiceArizona. It would take the information

10:34:37 17 from your driver's license, your signature. You can

10:34:41 18 update your registration, pick your political party, and

10:34:45 19 it would take all of that data, it puts it on to an

10:34:49 20 electronic form that then comes to us.

10:34:51 21 Q. What do you do once that electronic data comes

10:34:56 22 to you?

10:34:57 23 A. It's on the dashboard in AVID, our voter

10:35:01 24 registration database, and then we select the first

10:35:06 25 person, work in order that they're received. We verify

10:35:09 1 that what is on the form is inputted, so it's like two
10:35:15 2 screens. What's on the form is what's showing in the
10:35:19 3 voter information record and then you would need to click
10:35:24 4 on their address for it to verify the address, do a HAVA
10:35:28 5 check, and it would then marry that, if they are already
10:35:33 6 registered, to their file or make them a new registered
10:35:43 7 voter.

10:35:44 8 Q. Do the three voter registration specialists that
10:35:46 9 you mentioned previously, are they also responsible for
10:35:49 10 processing these EZ Voter application forms?

10:35:54 11 A. Yes. But not all of them complete it on a daily
10:35:58 12 basis.

10:35:58 13 Q. Does anyone else process any voter registration
10:36:02 14 applications?

10:36:02 15 A. I do typically when it's a deadline to register
10:36:07 16 to vote and there's a lot of them.

10:36:09 17 Q. Does anyone else help process voter registration
10:36:15 18 forms?

10:36:15 19 A. No.

10:36:16 20 Q. Is it also part of your responsibilities to
10:36:26 21 conduct list maintenance processes?

10:36:29 22 A. It is.

10:36:30 23 Q. Do you -- are you responsible for this in the
10:36:34 24 office, or is someone else responsible for maintaining
10:36:38 25 voter registration lists?

10:36:42 1 A. Could I ask for clarification on that?

10:36:48 2 Q. Of course.

10:36:49 3 So when it comes to maintaining the voter

10:36:52 4 registration rolls, who in your office is responsible for

10:36:55 5 doing that?

10:36:56 6 A. So if we received mail back and we need to mark

10:37:00 7 that as a returned, it's the three gals in the office that

10:37:04 8 do that. Or if we receive notice that someone has moved,

10:37:11 9 it would just be the office staff. All of them can

10:37:16 10 complete any mail returned or provide a correspondence to

10:37:21 11 the voter to clean up the rolls.

10:37:23 12 Q. And when you refer to the three gals, you're

10:37:27 13 referring to the three voter registration specialists,

10:37:30 14 right?

10:37:31 15 A. Yes. Sorry.

10:37:32 16 Q. That's fine.

10:37:33 17 And then who else, who are the other staff, the

10:37:36 18 office staff?

10:37:37 19 A. The three main voter registration specialists

10:37:42 20 are just Monique, Jamie, and Erma. I do assist in voter

10:37:48 21 registration as well, but not on a daily basis.

10:37:51 22 Q. You also mentioned administering early voting.

10:37:58 23 So who in the office is responsible for that?

10:38:01 24 A. All staff members will take ballot requests from

10:38:10 25 voters, by mail or over the phone, for a one-time mailing,

10:38:15 1 but it would be the chief deputy, myself, or the County
10:38:22 2 Recorder to run the report to send to the vendor for
10:38:26 3 mailings.

10:38:27 4 Q. You've refer to all the staff. Could you just
10:38:33 5 clarify for me, who are the staff in the Mohave County
10:38:39 6 Recorder's Office?

10:38:39 7 A. So for voter registration, it would be Jamie,
10:38:42 8 Monique, and Erma.

10:38:44 9 Q. And so when you say all the staff, that's, those
10:38:46 10 are the only people you're referring to?

10:38:49 11 A. Yes.

10:38:49 12 Q. For Mohave voters who vote early, how can they
10:38:58 13 submit their ballots?

10:38:59 14 A. They can place it back in the mail by USPS, or
10:39:04 15 they can bring it to our office at 700 West Beale Street,
10:39:08 16 or take it to an early voting site that is open Monday
10:39:12 17 through Friday, 10:00 a.m. to 4:00 p.m., for 27 days.

10:39:15 18 Q. Are those early voting sites the same as the
10:39:19 19 drop boxes?

10:39:20 20 A. Inside the early voting site there is a ballot
10:39:24 21 box, but we do not necessarily have drop box locations.

10:39:28 22 Q. How do you process submitted early votes?

10:39:36 23 A. Like when it is received to our office?

10:39:41 24 Q. Yes. So once a Mohave voter submits an early
10:39:45 25 ballot, how do you process that?

10:39:47 1 A. If they're coming from the post office they come
10:39:51 2 in mail trains. We then go through and count them into
10:39:55 3 batches of 50, removing any affidavit envelope that is not
10:40:01 4 signed. Then once they're placed into batches of 50, the
10:40:05 5 signature verified personnel in the office would then beep
10:40:10 6 those ballots, essentially accepting them, but if they
10:40:13 7 don't, are not able to verify the signature, they would
10:40:16 8 place it into, what we call, a second-look bin, which then
10:40:21 9 goes to another person for them to review the signature.

10:40:25 10 After that, you complete a ballot of 50, or I'm
10:40:29 11 sorry, a batch of 50, and then it would go into a tote for
10:40:33 12 the elections department.

10:40:35 13 Q. Who manages that process?

10:40:40 14 A. The County Recorder.

10:40:43 15 Q. The County Recorder also is not the same person
10:40:49 16 as the county elections director, correct?

10:40:52 17 A. Correct.

10:40:52 18 Q. So -- and who is the current County Recorder?

10:40:56 19 A. Kristi Blair.

10:40:58 20 Q. Did Ms. Blair recently submit her resignation?

10:41:07 21 A. She did.

10:41:08 22 Q. Do you know why Ms. Blair has resigned?

10:41:11 23 A. Due to medical issues.

10:41:13 24 Q. Do you know who will replace Ms. Blair as the
10:41:18 25 Mohave County Recorder?

10:41:18 1 A. Not at this time.

10:41:19 2 Q. And who is the current county elections
10:41:24 3 director?

10:41:24 4 A. Allen Tempert.

10:41:31 5 Q. How are the election-related responsibilities
10:41:35 6 divided between the Mohave County Recorder and the
10:41:38 7 elections director?

10:41:39 8 A. So the Mohave County Recorder does early voting,
10:41:46 9 by mail and in person, and then the elections director
10:41:50 10 does election day in-person voting and tabulation.

10:41:56 11 Q. Do the Mohave County Recorder and elections
10:42:01 12 director work together at all?

10:42:03 13 A. Yes.

10:42:03 14 Q. So how do they work together?

10:42:06 15 A. By ballot design -- the elections department
10:42:13 16 does our ballot design. We then use those ballots for our
10:42:17 17 early voting, in person and by mail, and we work together
10:42:22 18 in the chain of command -- or chain of custody for the
10:42:29 19 voted ballots to them.

10:42:31 20 Q. When you say, the chain of custody of the voted
10:42:36 21 ballots to them, who is the them in that answer?

10:42:39 22 A. So from the voter registration department, when
10:42:42 23 we package the voted accepted ballots from signature
10:42:48 24 verification, we then provide them to the elections
10:42:50 25 department for their duties.

10:42:53 1 Q. And, just to clarify, you provide the ballots to
10:42:58 2 the elections director to tabulate the votes?

10:43:01 3 A. So we provide them to the elections department.
10:43:04 4 They would then have to have an early board that takes the
10:43:09 5 ballot and affidavit to separate ends of the tables, and
10:43:14 6 then they would tabulate.

10:43:16 7 Q. As the chief deputy County Recorder, who do you
10:43:29 8 report to?

10:43:29 9 A. The County Recorder herself, Kristi Blair.

10:43:33 10 Q. Do you supervise anyone as the chief deputy
10:43:37 11 County Recorder?

10:43:37 12 A. I do.

10:43:38 13 Q. Who reports to you?

10:43:39 14 A. All Recorder and voter registration staff.

10:43:43 15 Q. And all Recorder and voter registration staff,
10:43:48 16 who is that?

10:43:49 17 A. Do you want everyone's first and last name?

10:43:53 18 Q. If we could just run through a list of --

10:43:57 19 How many people are there?

10:43:59 20 A. I believe 17.

10:44:04 21 Q. Of those 17 people, could you just give a brief
10:44:16 22 description of what their job titles are?

10:44:19 23 A. Yes. So we have the administrative assistant.
10:44:24 24 She is the executive assistant to the Recorder but also
10:44:28 25 assists me in duties.

10:44:30 1 Then on the Recorder side, we have Liz. She's a
10:44:35 2 senior office assistant. She records documents, makes
10:44:41 3 them of public record. We have Linda, senior. She does
10:44:45 4 the same duties as Liz. Then we have two Kimberlys.
10:44:49 5 Everyone on the Recorder side records documents to make
10:44:53 6 them of public record on a separate floor than ours. And
10:44:58 7 then we also have, with that, Ryan, Meg, and Sidney.

10:45:06 8 And then we have two satellite offices of staff
10:45:10 9 members. They work for the assessor and the Recorder.
10:45:15 10 They, for the Recorder's office, record documents as well.
10:45:19 11 We also have a records manager and a micrographics
10:45:23 12 technician.

10:45:24 13 And then we have the voter registration division
10:45:27 14 of the three staff members, Monique, Erma, and Jamie.

10:45:35 15 Q. Do all 17 staff members that you just mentioned,
10:45:39 16 do they, in the Mohave County Recorder's Office, work in
10:45:43 17 elections?

10:45:43 18 A. No, they do not.

10:45:46 19 Q. Beyond the duties we already discussed, and
10:45:50 20 you've already mentioned this a bit, but, broadly, what
10:45:53 21 are their duties that you have not yet mentioned?

10:45:57 22 A. For the Recorder's office staff that don't work
10:46:01 23 in voter registration?

10:46:02 24 Q. Correct.

10:46:02 25 A. So we record documents by mail or over the

10:46:05 1 counter. We scan them, make them of record, index them,
10:46:10 2 microfilm them, return them to the person that recorded
10:46:14 3 the document, and then make it of public record to be
10:46:18 4 searched in office or online by anyone in the United
10:46:22 5 States.

10:46:22 6 Q. Are you responsible for interpreting Arizona
10:46:35 7 election law?

10:46:36 8 A. Yes.

10:46:37 9 Q. Could you please explain?

10:46:39 10 A. We follow Arizona Revised State Statutes for
10:46:45 11 recording documents and for voter registration needs.

10:46:48 12 Q. The Mohave County Recorder's Office interprets
10:47:01 13 those state statutes to perform its election
10:47:08 14 administration duties?

10:47:09 15 A. Yes.

10:47:10 16 DEFENSE COUNSEL: Form.

10:47:10 17 BY MS. DIBRELL:

10:47:11 18 Q. Does the Arizona Secretary of State's Office
10:47:13 19 give the County Recorders guidance on the election laws?

10:47:19 20 A. Yes.

10:47:19 21 Q. How?

10:47:21 22 A. They provide the EPM, election procedures
10:47:26 23 manual.

10:47:28 24 Q. Do they provide guidance in any other form
10:47:32 25 related to the interpretation of Arizona's election laws?

10:47:38 1 A. No.

10:47:40 2 Q. Do they provide -- does the Arizona Secretary of
10:47:45 3 State's Office provide guidance in emails to the County
10:47:51 4 Recorders?

10:47:51 5 A. Not that I'm aware of.

10:47:59 6 Q. Does the Secretary of State's Office provide
10:48:10 7 guidance on the implementation of election laws?

10:48:16 8 A. Well, like following the EPM.

10:48:28 9 Q. So the guidance that you rely on from the
10:48:30 10 Arizona Secretary of State's Office is solely the EPM?

10:48:34 11 A. Yes.

10:48:38 12 Q. So I would actually like to introduce my next
10:48:46 13 exhibit, which is the 2019 EPM, an excerpt of it.

10:49:17 14 MR. LANGHOFER: This is Kory Langhofer for the
10:49:17 15 RNC.

10:49:19 16 We object to using partial exhibits at trial. I
10:49:22 17 think it's fine for purposes of the deposition, though.

10:49:30 18 BY MS. DIBRELL:

10:49:32 19 Q. Ms. Durst, do you recognize this document?

10:49:33 20 A. I do.

10:49:34 21 Q. What is it?

10:49:35 22 A. It's the front page of the 2019 elections
10:49:39 23 procedure manual.

10:49:40 24 Q. And, as you'll see, there's a sticker on the
10:49:43 25 bottom left corner. Can you see that?

10:49:45 1 A. I do.

10:49:46 2 Q. And it says, Petty Exhibit No. 6. So this was,

10:49:51 3 I'll represent to you, it was introduced as an exhibit

10:49:54 4 during the Maricopa 30(b)(6) deposition.

10:50:05 5 Could you explain to me what the EPM is?

10:50:08 6 A. The EPM is a manual that's put together from the

10:50:14 7 elected Secretary of State to provide procedures to each

10:50:18 8 state statute or function of the voter registration

10:50:24 9 department.

10:50:25 10 Q. How does your office rely on the EPMs?

10:50:29 11 A. To be sure that we complete all tasks aligned

10:50:33 12 with the secretary -- or I'm sorry -- with state statute

10:50:40 13 for the State of Arizona.

10:50:42 14 Q. How do you rely on it? Do you read the EPM?

10:50:45 15 A. We do.

10:50:45 16 Q. And you follow what's in the EPM?

10:50:48 17 A. For procedures of things, yes.

10:50:51 18 Q. What do you mean by for procedures of things?

10:50:56 19 A. So if we needed guidance on a procedure for

10:51:04 20 voter registration, we could go to the EPM and see what is

10:51:10 21 outlined of what we should follow.

10:51:14 22 Q. Is the 2009 EPM the operative version?

10:51:22 23 A. The 2019 is the operative version.

10:51:26 24 Q. And Exhibit 6 that we're looking at right now,

10:51:30 25 is this the operative version of the EPM?

10:51:33 1 A. Yes, that is.

10:51:34 2 Q. Does this mean there was no revised or updated

10:51:39 3 EPM -- there was not an updated EPM in 2021?

10:51:43 4 A. That's correct.

10:51:43 5 Q. Do you recall why there was no revised EPM in

10:51:48 6 2021?

10:51:50 7 A. I believe it wasn't accepted from the governor

10:51:55 8 or attorney general's office.

10:51:57 9 Q. Do you know why?

10:51:58 10 A. Not exactly.

10:52:00 11 Q. Do you have, do you have any idea or -- sorry.

10:52:10 12 Strike that.

10:52:10 13 When you say, not exactly, do you have any idea

10:54:01 23 legally binding?

10:54:03 24 A. I don't know.

10:54:16 25 Q. Are you aware of any Arizona counties that do

10:54:19 1 not follow the EPM, Chapter 1, on voter registration?

10:54:25 2 A. No.

10:54:25 3 Q. What is the Voter Registration Advisory
10:54:46 4 Committee?

10:54:46 5 A. I am not sure.

10:54:47 6 Q. Have you ever heard of the Voter Registration
10:54:56 7 Advisory Committee?

10:54:56 8 A. No.

10:54:57 9 Q. Do you know anything about the Voter

10:55:07 11 A. No.

10:55:09 12 Q. Is there someone else in the Mohave County
10:55:15 13 Recorder's Office who may know the answer to this?

10:55:18 14 A. County Recorder Kristi Blair.

10:55:26 15 Q. Why do you think that Ms. Blair would know the
10:55:30 16 answer to what the Voter Registration Advisory Committee
10:55:33 17 is?

10:55:33 18 A. As the elected official, she attends meetings
10:55:36 19 that I do not attend.

10:55:44 20 Q. Are there documents that you could review to
10:55:51 21 learn about the Voter Registration Advisory Committee?

10:55:58 22 A. Not in front of me.

10:55:59 23 Q. Are there documents that you don't have today
10:56:06 24 that you could review to learn about the Voter
10:56:12 25 Registration Advisory Committee?

10:56:12 1 A. Not that I'm aware of. There are documents I
10:56:29 2 could review.

10:56:29 3 Q. Do you know who has those documents?

10:56:32 4 A. No, I don't know.

10:56:43 5 Q. Do you know what the AVID Enhancement Committee
10:56:57 6 is?

10:56:57 7 A. Yes, I do.

10:56:58 8 Q. What is that?

10:56:59 9 A. That is a cog that goes over any tickets in,
10:57:05 10 placed for the AVID database that could be enhanced for
10:57:10 11 county use.

10:57:11 12 Q. What's your role on the AVID Enhancement
10:57:18 13 Committee?

10:57:19 14 A. I recently just started attending them.

10:57:22 15 Q. When did you start attending the AVID
10:57:27 16 Enhancement Committee meetings?

10:57:28 17 A. In the past two months.

10:57:30 18 Q. Who attended the AVID Enhancement Committee
10:57:35 19 meetings before you?

10:57:37 20 A. A prior staff member.

10:57:39 21 Q. Who is that prior staff member?

10:57:43 22 A. The voter registration supervisor, Natalie.

10:57:46 23 Q. Do you know Natalie's last name?

10:57:50 24 A. Natalie Collings.

10:57:53 25 Q. What's your role on the AVID Enhancement

10:57:59 1 Committee?

10:57:59 2 A. I listen, take note of what could potentially
10:58:07 3 change in the AVID system.

10:58:08 4 Q. How often does it meet?

10:58:11 5 A. At minimum, once a month.

10:58:16 6 Q. At most, how much does -- how many times a month
10:58:24 7 does the AVID Enhancement Committee meet?

10:58:27 8 A. Could be twice, biweekly.

10:58:31 9 Q. Are there any key projects that the AVID
10:58:42 10 Enhancement Committee works on?

10:58:44 11 A. Not currently, to my knowledge.

10:58:51 12 Q. To your knowledge, were there any previous
10:58:55 13 projects that the AVID Enhancement Committee worked on?

10:58:58 14 A. Do you have any clarification on an enhancement?

10:59:06 15 Q. I guess, I'm just trying to get a better sense
10:59:10 16 of what the AVID Enhancement Committee does.

10:59:14 17 So do you know any working groups or projects
10:59:17 18 that it has had in the past?

10:59:19 19 A. I believe it was through the Enhancement
10:59:32 20 Committee when we changed just verbiage from like
10:59:37 21 permanent early voting list to the active early voting
10:59:41 22 list, anything that would need to be changed in AVID.

10:59:44 23 Q. So any time there are changes in AVID, does the
10:59:47 24 AVID Enhancement Committee work on those changes?

10:59:50 25 A. I believe so.

10:59:51 1 Q. And what do they work on? Do they create
10:59:56 2 guidance for those changes?
11:00:00 3 A. Guidance and, eventually, implementation.
11:00:04 4 Q. And who do they give that guidance to for
11:00:07 5 changes to the AVID system?
11:00:10 6 A. Are you asking who would be on the call?
11:00:21 7 Q. I guess, let's take a step back.
11:00:24 8 So who maintains the AVID system?
11:00:28 9 A. The Secretary of State with -- I don't know who
11:00:35 10 he works for, but his name is "Ashish".
11:00:40 11 Q. And when there, when there need to be changes to
11:00:45 12 the AVID system, the AVID Enhancement Committee meets.
11:00:50 13 A. Correct.
11:00:51 14 Q. And during those meetings, the AVID Enhancement
11:00:55 15 Committee comes up with ideas for how to push through
11:00:58 16 those changes in the AVID system?
11:01:00 17 A. Per implementation, yeah.
11:01:03 18 Q. And per implementation, does the AVID
11:01:09 19 Enhancement Committee draft papers? How does it record
11:01:10 20 what needs to be changed?
11:01:15 21 A. I'm not sure.
11:01:17 22 Q. Does the AVID Enhancement Committee put together
11:01:24 23 emails about what needs to change in AVID?
11:01:27 24 A. I believe there's an Excel sheet for what is,
11:01:34 25 like topics of things that would need to be changed or

11:01:37 1 requested.

11:01:38 2 Q. Once the AVID Enhancement Committee identifies
11:01:41 3 what needs to be changed in AVID, do they send what they
11:01:47 4 have identified to the Secretary of State?

11:01:50 5 A. I don't know.

11:01:56 6 Q. Does the AVID Enhancement Committee send any
11:02:03 7 changes in AVID it identifies need to be implemented to
11:02:03 8 "Ashish"?

11:02:13 9 DEFENSE COUNSEL: Form, foundation.

11:02:19 10 THE WITNESS: I don't know.

11:02:19 11 BY MS. DIBRELL:

11:02:21 12 Q. Is there someone else at the Mohave County
11:02:24 13 Recorder's Office who may know the answer?

11:02:26 14 A. If anyone, the County Recorder.

11:02:33 15 Q. Why do you think that the County Recorder,
11:02:39 16 Ms. Blair, would know the answer to what the AVID
11:02:44 17 Enhancement Committee does?

11:02:44 18 A. As she's the elected official and may attend
11:02:55 19 other meetings.

11:02:56 20 Q. Do you know what the weekly super users meeting
11:03:05 21 is?

11:03:05 22 A. I have heard of it.

11:03:06 23 Q. What is it, based on what you've heard?

11:03:09 24 A. My understanding is it's for someone that is a
11:03:15 25 super user, uses AVID excessively, and they meet on that,

11:03:22 1 on those topics.

11:03:23 2 Q. So we have discussed voter registration a bit
11:03:38 3 already, and I just want to walk through the process and
11:03:41 4 make sure that I understand how it works.

11:03:44 5 So you mentioned that voters can register to
11:03:48 6 vote online?

11:03:50 7 A. Hmm hmm.

11:03:50 8 Q. They can also register to vote through the Motor
11:03:54 9 Vehicle Department?

11:03:56 10 A. Well, that would be online. Well, it's through
11:03:59 11 in person at the Motor Vehicle or online through Motor
11:04:06 12 Vehicle.

11:04:06 13 Q. And voters can register to vote filling out the
11:04:14 14 state form that is prescribed by the Arizona Secretary of
11:04:17 15 State?

11:04:17 16 A. Correct.

11:04:18 17 Q. Does your office provide those state forms to
11:04:23 18 third party groups through registered voters?

11:04:26 19 A. Yes, we do.

11:04:27 20 Q. Are there any special markings on those state
11:04:30 21 forms?

11:04:31 22 A. There's like a coding, letter and numbers.

11:04:40 23 Q. What are those coding letters and numbers for?

11:04:44 24 A. Where those forms could be found, political,
11:04:49 25 like political parties, or it could be in our office, the

11:04:57 1 post office, DES.

11:04:59 2 Q. Voters can also register to vote using the

11:05:03 3 federal forms, correct?

11:05:07 4 A. Hmm hmm.

11:05:09 5 Q. And do you understand the federal form to mean

11:05:10 6 the voter registration form that's issued by the U.S.

11:05:10 7 Elections Assistance Commission pursuant to the National

11:05:17 8 Voter Registration Act of 1993?

11:05:18 9 A. Correct.

11:05:25 10 Q. Can voters also register through NVRA agencies?

11:05:38 11 A. An NVRA agency?

11:05:41 12 Q. At agencies -- can voters also register to vote

11:05:44 13 through agencies that Arizona has designated?

11:05:50 14 A. Would that be like DES? Yes.

11:05:56 15 Q. And then voters can also register to vote using

11:06:00 16 the UOCAVA Federal Post Card and Federal Write-in Absentee

11:06:07 17 Ballot?

11:06:08 18 A. Correct.

11:06:09 19 Q. When is the deadline for registration?

11:06:11 20 A. 29 days before an election.

11:06:13 21 Q. So we walked through some of the processes

11:06:22 22 already. And, just to clarify, so after -- first you said

11:06:27 23 you enter an application into the AVID database, correct?

11:06:31 24 A. Correct.

11:06:32 25 Q. And then you run the HAVA check, right?

11:06:36 1 A. Correct.

11:06:37 2 Q. And that's a check against the Arizona

11:06:41 3 Department of Motor Vehicle database?

11:06:43 4 A. Correct.

11:06:44 5 Q. Do you also conduct signature matching when you

11:06:49 6 receive voter applications?

11:06:51 7 A. Not typically.

11:06:53 8 Q. Once -- what are the reasons for denying a voter

11:07:05 9 registration application?

11:07:06 10 A. If it is like not legible or incomplete, they

11:07:18 11 would receive a notice.

11:07:21 12 Q. What is the notice that the voter registrant

11:07:26 13 would receive if their application is denied?

11:07:30 14 A. The reason for. Like if we put it as an invalid

11:07:37 15 address if what is listed isn't verified or they don't

11:07:41 16 have a date of birth, saying it's incomplete with a new

11:07:45 17 form.

11:07:46 18 Q. For the notice letters, what language is in the

11:07:51 19 notice letters? Is that based on the examples in the 2019

11:07:56 20 EPM?

11:08:03 21 A. Most likely, but I can't currently picture the

11:08:07 22 exact notice.

11:08:08 23 Q. Do you know if Mohave County produced the notice

11:08:11 24 letters for denials of voter registration applications?

11:08:17 25 A. We have created correspondence in the AVID

11:08:28 1 system to be sent.

11:08:28 2 Q. So, to clarify, in this litigation, do you know,
11:08:31 3 in the documents that you sent to the plaintiffs in
11:08:33 4 response to our requests for productions, if you produced
11:08:36 5 any of these notice letters that you sent to registrants
11:08:41 6 whose applications are denied?

11:08:48 7 A. I, I don't know.

11:08:56 8 MS. DIBRELL: Mr. Davis, perhaps we could just
11:08:59 9 check during a break if we've received those notice
11:09:02 10 letters, as they would be responsive to the RFPs.

11:09:06 11 MR. DAVIS: That sounds good. And, if not, we
11:09:09 12 can send a supplemental.

11:09:11 13 MS. DIBRELL: Perfect. Thank you.

11:09:12 14 BY MS. DIBRELL:

11:09:13 15 Q. There's a voter registration -- excuse me -- if
11:09:16 16 a voter registrant's application is denied, how do they
11:09:22 17 cure their denied application?

11:09:24 18 A. Typically by resubmitting a completed
11:09:29 19 application.

11:09:30 20 Q. And how do they know to resubmit a completed
11:09:37 21 application?

11:09:38 22 A. So if a paper form is submitted to our office
11:09:44 23 and it doesn't have the required information on it, we
11:09:48 24 would send it back to them saying what is missing. They
11:09:52 25 would receive notice of that.

11:09:54 1 Q. And who sends out those notice letters?

11:09:59 2 A. Voter registration staff.

11:10:03 3 MS. DIBRELL: So before we move to our next
11:10:05 4 topic, I think this would be a good time for a 10 to 15
11:10:10 5 minute break, if that works for you, Ms. Durst.

11:10:13 6 THE WITNESS: Yes.

11:10:13 7 MS. DIBRELL: Perfect. So if we could go off
11:10:15 8 the record, please.

11:10:17 9 THE VIDEOGRAPHER: We are off the record. Time
11:10:19 10 on the video monitor is 11:10 a.m.

11:15:57 11 (Recess taken from 11:10 a.m. to 11:33 a.m.)

11:33:02 12 THE VIDEOGRAPHER: We are on the record. Time
11:33:09 13 on the video monitor is 11:33 a.m.

11:33:13 14 Please continue.

11:33:14 15 BY MS. DIBRELL:

11:33:17 16 Q. Ms. Durst, I want to turn to H.B. 2492 and H.B.

11:33:24 17 2243. But, first, I was just going to establish a few

11:33:26 18 terms to make sure that we are on the same page.

11:33:29 19 Let's see, are you aware that H.B. 2492 requires

11:33:34 20 that to be a qualified elector and to vote in all

11:33:37 21 elections and by mail a person must provide satisfactory

11:33:41 22 evidence of citizenship as prescribed by A.R.S. 16-166?

11:33:47 23 DEFENSE COUNSEL: Form and foundation.

11:33:51 24 THE WITNESS: Yes.

11:33:52 25 BY MS. DIBRELL:

11:33:52 1 Q. If I refer to that as the documentary proof of
11:33:56 2 citizenship, or documentary proof of citizenship
11:34:00 3 requirement, can we agree to, or can you agree to
11:34:03 4 understand me to be asking about this new requirement
11:34:08 5 under H.B. 2492?

11:34:11 6 A. Yes.

11:34:11 7 Q. H.B. 2492 also requires that voter registrants
11:34:19 8 provide proof of location of residence as prescribed by
11:34:23 9 A.R.S. 16-123 to be properly registered.

11:34:28 10 Are you familiar with that requirement?

11:34:29 11 A. Yes.

11:34:30 12 Q. If I refer to that as the documentary proof of
11:34:35 13 residency requirement, or DPOR requirement, can we agree
11:34:39 14 to understand me to be asking about this new requirement
11:34:39 15 from H.B. 2492?

11:34:41 16 A. Yes.

11:34:42 17 Q. H.B. 2492 requires that voter registrants
11:34:50 18 provide their place of birth when they register to vote
11:34:56 19 using the state form.

11:34:57 20 Are you familiar with that requirement?

11:34:57 21 A. Yes.

11:34:57 22 Q. If I refer to that as the birthplace
11:35:00 23 requirement, can we agree to understand me to be asking
11:35:03 24 about this new requirement from H.B. 2492?

11:35:05 25 A. Yes.

11:35:05 1 Q. H.B. 2492 also requires that voter registrants
11:35:12 2 submitting either the federal form or the state form mark
11:35:14 3 yes in the box indicating that they are a citizen.
11:35:17 4 Are you familiar with that requirement?
11:35:18 5 A. Yes.
11:35:21 6 Q. If I refer to it as the citizenship, citizenship
11:35:27 7 checkbox requirement, or the checkbox requirement, can we
11:35:30 8 agree to understand me to be asking about this new
11:35:32 9 requirement from H.B. 2492?
11:35:34 10 A. Yes.
11:35:34 11 Q. Has your office discussed how to interpret any
11:35:40 12 of the provisions of H.B. 2492 with anyone?
11:35:44 13 A. Yes.
11:35:47 14 Q. Who did you discuss this with?
11:35:50 15 A. I believe the County Recorder has discussed it
11:35:59 16 with our counsel.
11:36:06 17 Q. Has the County Recorder discussed how to
11:36:10 18 interpret any of the provisions of H.B. 2492 with anyone
11:36:13 19 else?
11:36:14 20 A. Our, our internal staff.
11:36:21 21 Q. Has the County Recorder, or anyone else in
11:36:29 22 Mohave County Recorder's Office, discussed how to
11:36:31 23 interpret any of the provisions of H.B. 2492 with the
11:36:35 24 Secretary of State?
11:36:35 25 A. I believe so.

11:36:38 1 Q. What was discussed in those meetings with the

11:36:45 2 Secretary of State?

11:36:47 3 DEFENSE COUNSEL: Form, foundation.

11:36:53 4 THE WITNESS: Well, at this time we are not

11:36:59 5 requiring those things for the litigation.

11:37:02 6 BY MS. DIBRELL:

11:37:04 7 Q. What do you mean by you're not requiring those

11:37:06 8 things for the litigation?

11:37:07 9 A. The DPOR, the residency, and the additional

11:37:15 10 proof of citizenship, and it's not currently on the voter

11:37:21 11 registration form for the citizenship box.

11:37:27 12 Q. Taking a step back.

11:37:31 13 When did your office discuss how to interpret

11:37:37 14 any of these provisions of H.B. 2492 with the Secretary of

11:37:40 15 State?

11:37:40 16 A. I'm sorry. Did you ask when?

11:37:43 17 Q. Yes.

11:37:44 18 A. I'm not sure of a certain date. I would say

11:37:54 19 early in the year.

11:37:55 20 Q. And by early in the year, you mean early in

11:38:02 21 2023?

11:38:03 22 A. Correct.

11:38:03 23 Q. Has your office had ongoing discussions with the

11:38:26 4 H.B. 2492?

11:38:29 5 A. I'm not sure how many.

11:38:32 6 Q. I am going to show you a document produced by
11:38:40 7 Mohave.
11:38:52 8 Can you see my screen?

11:39:05 12 A. Correct.

11:39:06 13 Q. And I'll represent to you that this was produced
11:39:10 14 by Mohave County in this litigation.
11:39:14 15 And is this an email from former Secretary of
11:39:20 16 State Kori Lorick?

11:39:23 17 A. Yes.

11:39:24 18 Q. And it's dated December 30th, 2022, correct?

11:39:28 19 A. Correct.

11:39:29 20 Q. And the subject is 2492/2243 Reminders, correct?

11:39:39 21 A. Correct.

11:39:40 22 Q. Did the County Recorder's Office -- excuse me.
11:39:44 23 Strike that.
11:39:45 24 Did the Mohave County Recorder's Office receive
11:39:48 25 this email from Kori Lorick?

11:39:53 1 A. I, I, I can't confirm that.

11:40:02 2 Q. Do you know if the documents that Mohave County
11:40:11 3 produced in this litigation were emails that, that are in
11:40:17 4 Mohave County, Mohave County Recorder's email system?

11:40:27 5 A. I, I don't know.

11:40:32 6 Q. Do you know, does the Mohave County Recorder's
11:40:39 7 Office receive emails like this from the Secretary of
11:40:44 8 State's Office?

11:40:44 9 A. Yes.

11:40:45 10 Q. So is it fair to say since Mohave County
11:40:49 11 produced this document, that it was a recipient of this
11:40:52 12 email from the Secretary of State?

11:40:54 13 DEFENSE COUNSEL: Form; asked and answered.

11:41:03 16 Q. So I'm going to zoom in a bit so you can read
11:41:07 17 this. If you could please just review this section. You
11:41:13 18 can just read it to yourself.

11:41:26 19 A. Okay.

11:41:30 20 Q. In this email from Ms. Lorick, she wrote:

11:41:34 21 I have noted which provisions we interpret as
11:41:37 22 conflicting with federal law.

11:41:39 23 Correct?

11:41:39 24 A. Correct.

11:41:40 25 Q. And she is referring to the provisions of

11:41:44 1 H.B. 2492 and H.B. 2243, correct?

11:41:48 2 A. Yes.

11:41:49 3 DEFENSE COUNSEL: Form.

11:42:01 8 of residency for the federal form, place of birth

11:42:05 9 requirement, citizenship checkbox requirement, if an

11:42:13 11 based on the provided information, documentary proof of

11:42:17 12 citizenship for federal elections.

11:42:20 13 Correct?

11:42:20 14 A. Yes.

11:42:21 15 Q. Does your office agree with Ms. Lorick's

11:42:45 2 law?

11:42:46 3 A. Yes.

11:42:47 4 Q. I am going to show you Mohave County responses,
11:43:11 5 RFP responses, to Equity's RFPs that we've discussed
11:43:18 6 previously.

11:43:44 7 Oh, and I'm sorry. For the record, I would like

11:43:46 8 to mark the previous document, MOHAVE-000336, as

11:44:14 16 Production of Documents?

11:44:15 17 A. Yes.

11:44:16 18 Q. Do you recognize this as the request that the
11:44:20 19 Mohave County Recorder's Office sent to plaintiffs in this
11:44:22 20 litigation?

11:44:23 21 A. Yes.

11:45:28 9 The Mohave County Recorder has no documents

11:45:31 10 responsive to this request.

11:45:32 11 Correct?

11:45:32 12 A. Correct.

11:45:33 13 Q. Is it still true that you have no documents

11:46:14 21 the person registered is not a United States citizen? Do

11:46:18 22 you have any documents related to that request?

11:46:23 23 A. We send a notice if they didn't provide like an

11:46:28 24 Arizona driver's license, and we would send them a notice

11:46:33 25 for how their status came back in the AVID system.

11:46:36 1 Q. And those are the documents that your counsel
11:46:41 2 just sent to plaintiffs, correct?

11:46:43 3 A. Yes.

11:46:44 4 Q. So is it still true you have no other documents,
11:46:49 5 other than those notice letters, that are responsive to
11:46:53 6 request for production No. 10?

11:46:56 7 A. Other than those, correct, to my knowledge.

11:47:02 8 Q. I'm going to turn to request for production No.
11:47:06 9 12 that was sent to Mohave County by Equity Coalition.
11:47:13 10 Can you see request for production No. 12?

11:47:15 11 A. Yes.

11:47:16 12 Q. And request for production No. 12 requests:
11:47:22 13 All documents and communications regarding how
11:47:24 14 you determine or will determine whether the information
11:47:28 15 acquired through A.R.S. Section 16-121.01 is sufficient to
11:47:35 16 match the applicant with information that verifies the
11:47:37 17 applicant is a United States citizen, pursuant to A.R.S.
11:47:42 18 Section 16-121.01, as amended by H.B. 2492.

11:47:49 19 Correct?

11:47:50 20 A. Correct.

11:47:50 21 Q. And the Mohave County Recorder's response was:
11:47:55 22 The Mohave County Recorder has no documents
11:47:58 23 responsive to this request.

11:47:59 24 Right?

11:48:01 25 A. Yes.

11:48:01 1 Q. Is it still true that you have no responsive
11:48:05 2 documents in response to this request for production
11:48:07 3 No. 12?

11:48:08 4 A. Could I have clarification, please?

11:48:27 5 Q. Sure. Request for production No. 12 requests:
11:48:33 6 All documents and communication regarding how
11:48:36 7 you determine or will determine whether the information
11:48:39 8 acquired through A.R.S. Section 16-121.01 is sufficient to
11:48:46 9 match the application -- the applicant -- excuse me --
11:48:48 10 with information that verifies the applicant is a United
11:48:56 11 States citizen, pursuant to A.R.S. 16-121.01, as amended
11:48:57 12 by H.B. 2492.

11:49:01 13 Right?

11:49:02 14 A. Correct.

11:49:03 15 Q. And previously you responded:

11:49:04 16 The Mohave County Recorder has no documents
11:49:06 17 responsive to this request.

11:49:08 18 Right?

11:49:08 19 A. Yes.

11:49:09 20 Q. Sitting here today, is it still true that Mohave
11:49:16 21 County has no documents or communications that are
11:49:19 22 responsive to this request?

11:49:21 23 A. I believe it could be the same notice that we
11:49:34 24 uploaded.

11:49:36 25 Q. Other than the notice that you uploaded, does

11:49:40 1 Mohave County have any other documents today that are
11:49:43 2 responsive to this request?

11:49:44 3 A. Not to my knowledge.

11:49:52 4 Q. Previously you mentioned that the state form has
11:50:07 5 not been updated to include DPOC, DPOR, or birthplace,
11:50:13 6 correct?

11:50:13 7 A. Correct.

11:50:13 8 Q. Do you have any reason to believe that the state
11:50:16 9 form will be updated to include these elements any time
11:50:23 10 soon?

11:50:24 11 DEFENSE COUNSEL: Objection; calls for
11:50:26 12 speculation.

11:50:27 13 THE WITNESS: I don't know if we have had a
11:50:37 14 discussion when we will have new forms.

11:50:42 15 BY MS. DIBRELL:

11:50:43 16 Q. The instructions for the federal form have also
11:50:46 17 not been updated to include the new requirements regarding
11:50:50 18 documentary proof of citizenship, correct?

11:50:52 19 A. Correct.

11:50:56 20 Q. Do you have any reason to believe that those
11:50:58 21 federal form instructions will be updated anytime soon?

11:51:02 22 A. I don't know.

11:51:03 23 Q. Is the Mohave County Recorder's Office currently
11:51:11 24 enforcing H.B. 2492's documentary proof of citizenship
11:51:16 25 requirement?

11:51:16 1 A. No.

11:51:17 2 Q. Is the Mohave County Recorder's Office currently

11:51:23 3 enforcing H.B. 2492's documentary proof of residency

11:51:28 4 requirement?

11:51:29 5 A. No.

11:51:29 6 Q. Is the Mohave County Recorder's Office currently

11:51:33 7 enforcing H.B. 2492's birthplace requirement?

11:51:40 8 A. Could I have clarification on that, please?

11:51:48 9 Q. Which part do you need clarification for?

11:51:53 10 A. The text of the bill for the birthplace.

11:52:05 11 Q. So when I refer to the birthplace requirement,

11:52:12 12 I'm referring to the requirement that voter registrants

11:52:20 13 provide their place of birth when they register to vote

11:52:22 14 using the state form, and that's codified as A.R.S.

11:52:24 15 Section 16-121.01, as amended by H.B. 2492.

11:52:32 16 A. I don't believe at this time we are requiring

11:52:37 17 that.

11:52:40 18 Q. So at this time you are not enforcing the

11:52:44 19 birthplace requirement?

11:52:46 20 A. Not to my knowledge.

11:52:49 21 Q. Are you currently enforcing H.B. 2492's

11:52:55 22 citizenship checkbox requirements?

11:52:56 23 A. No. It's not on the form.

11:52:58 24 Q. The citizenship -- is there a checkbox on the

11:53:07 25 form to mark that you are a citizen?

11:53:09 1 A. Yes.

11:53:15 2 Q. Is your office requiring voter registrants to
11:53:33 3 mark yes in that form in order to process their voter
11:53:37 4 registration application?

11:53:38 5 A. Yes. It's a required field.

11:53:41 6 Q. The checkbox indicating that you are a citizen
11:53:46 7 is a required field to be registered as a voter?

11:53:50 8 A. On the form, yes.

11:53:51 9 Q. Ms. Durst, I am going to show you Mohave
11:54:45 10 County's responses to consolidated plaintiff's
11:54:46 11 interrogatories.

11:55:02 12 Can you see my screen?

11:55:03 13 A. Yes.

11:55:04 14 Q. And do you see this caption titled, Mohave
11:55:14 15 County Recorder's Answers to Consolidated Plaintiff's
11:55:16 16 First Set of Interrogatories?

11:55:17 17 A. Yes.

11:55:17 18 Q. Are these -- and you are familiar with these
11:55:23 19 interrogatory responses?

11:55:25 20 A. Yes.

11:55:28 21 MS. DIBRELL: I would like to mark this as
11:55:31 22 Exhibit 52.

11:55:31 23 BY MS. DIBRELL:

11:55:45 24 Q. Interrogatory No. 3 asks Mohave County to:
11:55:49 25 Identify and describe each way in which a voter

11:55:54 1 registration applicant's failure to check the citizenship
11:55:59 2 box on the state form affects or would affect your ability
11:56:02 3 to determine whether that person is eligible to register
11:56:05 4 and vote in Arizona, including but not limited to cases
11:56:08 5 where you have DPOC for the voter registration applicant.
11:56:11 6 Correct?
11:56:12 7 A. Correct.
11:56:13 8 Q. And Mohave County responded:
11:56:15 9 Failure to check the citizenship box is not
11:56:19 10 grounds for our office to reject a voter registration
11:56:23 11 application unless we are unable to prove citizenship
11:56:26 12 through the methods mentioned above.
11:56:29 13 Correct?
11:56:29 14 A. Yes.
11:56:30 15 Q. Is it still true that your office does not
11:56:34 16 reject voter registration application forms if the
11:56:41 17 citizenship checkbox is not marked if you are able to
11:56:44 18 prove citizenship through other methods?
11:56:48 19 A. Could you ask that again, please?
11:56:53 20 Q. Does your office reject state voter registration
11:57:04 21 forms if the citizenship box is not checked if you are
11:57:07 22 able to prove the citizenship of the voter registrant
11:57:12 23 through other methods?
11:57:20 24 Sorry. I couldn't hear your response.
11:57:23 25 A. I -- can I have a moment?

11:57:31 1 Q. Sure.

11:57:36 2 MR. DAVIS: Can I have a minute to confer with
11:57:40 3 my client, counsel?

11:57:42 4 MS. DIBRELL: Well, there's a question pending.

11:57:52 5 THE WITNESS: So if a form is completed in
11:57:54 6 office, if someone comes to the voter registration
11:57:59 7 department and asks to register to vote, we would provide
11:58:03 8 them the Arizona voter registration form. It's listed on
11:58:07 9 the form that it is required to be completed. So when
11:58:12 10 they're in front of us, we ask them to check yes or no on
11:58:17 11 that box, whichever applies to them, above their
11:58:23 12 signature.

11:58:23 13 If we received that form by mail, and they were
11:58:28 14 still able to clear the HAVA check, I don't believe that
11:58:31 15 form would be rejected.

11:58:37 16 BY MS. DIBRELL:

11:58:37 17 Q. If they clear the HAVA check is that because
11:58:49 18 they have confirmed, you have confirmed that they are a
11:58:51 19 citizen?

11:58:52 20 A. Yes. On the form they would also have,
11:58:59 21 typically, their Arizona driver's license, their date of
11:59:03 22 birth, and the last four of their social for the HAVA
11:59:06 23 check.

11:59:07 24 Q. So if a registrant forgets to check that box,
11:59:12 25 but they pass the HAVA check, which confirms their

11:59:16 1 citizenship, currently you do not reject their voter
11:59:20 2 registration application form?
11:59:21 3 A. Correct. To my knowledge.
11:59:24 4 Q. If an applicant submits a federal form,
11:59:44 5 registration form, and they forget to mark the citizenship
11:59:52 6 checkbox, you don't reject the application, right?
11:59:57 7 A. I don't have much knowledge with the federal
12:00:04 8 voter registration form.
12:00:05 9 Q. Do you know who in your office would know the
12:00:10 10 answer to that?
12:00:11 11 A. I believe any voter registration specialist, but
12:00:22 12 I don't believe they're very common.
12:00:28 13 Q. For voter applicants who submit a state voter
12:00:57 14 registration form, are you rejecting applications that
12:01:00 15 fail to list their place of birth?
12:01:04 16 A. No.
12:01:05 17 Q. Your office is still waiting for guidance from
12:01:18 18 the Secretary of State on how to implement H.B. 2492?
12:01:22 19 A. Yes.
12:01:23 20 Q. Are you still processing voter registration
12:01:28 21 applications and adding registered voters to the rolls
12:01:32 22 while you wait for that guidance?
12:01:34 23 A. Yes.
12:01:35 24 Q. Are you currently enforcing any part of
12:01:41 25 H.B. 2243?

12:01:43 1 A. No.

12:01:45 2 Q. Are you checking citizenship status against any

12:01:57 3 databases for purposes of removing voters from the rolls?

12:02:01 4 A. Could you please explain?

12:02:09 5 Q. H.B. 2243 outlines various database checks to

12:02:15 6 remove voters from the rolls.

12:02:17 7 Are you familiar with that?

12:02:18 8 A. Yes.

12:02:19 9 Q. Are you enforcing any of these database checks

12:02:24 10 as outlined in H.B. 2243?

12:02:28 11 A. Would that be like the HAVA check and the SAVE

12:02:35 12 program?

12:02:43 13 Q. Are those checks that are mandated by H.B. 2243?

12:02:51 14 A. I'm not sure. I don't have that in front of me.

12:02:58 15 Q. Are you currently receiving information from the

12:03:04 16 Secretary of State about purported noncitizens for

12:03:09 17 purposes of removing those voters from the rolls?

12:03:16 18 A. Not to my knowledge.

12:03:18 19 Q. Are you currently checking the citizenship

12:03:23 20 status against summary reports from jury commissioners or

12:03:27 21 the jury manager for purposes of removing voters from the

12:03:31 22 rolls as required by H.B. 2243?

12:03:33 23 A. No.

12:03:34 24 Q. Are you still waiting for guidance from the

12:03:40 25 Secretary of State regarding how to interpret H.B. 2243?

12:03:45 1 A. Yes.

12:03:46 2 Q. If you don't receive guidance from the Secretary

12:03:54 3 of State regarding how to interpret H.B. 2492 or

12:04:01 4 H.B. 2243, who at the county, at the Mohave County

12:04:07 5 Recorder's Office would be responsible for interpreting

12:04:10 6 how to enforce those laws?

12:04:13 7 A. The County Recorder with counsel.

12:04:21 8 Q. Would the County Recorder, Mohave County

12:04:31 9 Recorder -- excuse me. Strike that.

12:04:32 10 Would the County Recorder draft guidance on how

12:04:36 11 to implement H.B. 2243 and H.B. 2492 for your office?

12:04:43 12 DEFENSE COUNSEL: Form.

12:04:44 13 THE WITNESS: Yes.

12:04:46 14 BY MS. DIBRELL:

12:04:48 15 Q. Has the Mohave County Recorder drafted guidance

12:04:53 16 regarding how to interpret other laws and issued them to

12:04:58 17 your office in the past?

12:05:00 18 A. Do you have an example?

12:05:12 19 Q. Has the Mohave County Recorder ever sent an

12:05:15 20 email to your office explaining how to interpret an

12:05:19 21 Arizona law that pertains to elections?

12:05:23 22 A. I believe so.

12:05:24 23 Q. Would the County Recorder provide email guidance

12:05:32 24 to your office regarding how to interpret H.B. 2492 or

12:05:40 25 H.B. 2243 if you don't have guidance from the Secretary of

12:05:45 1 State?

12:05:45 2 A. I don't know that it would be written guidance,

12:05:49 3 but I believe she would give us guidance.

12:05:52 4 Q. How would she give you that guidance?

12:05:55 5 A. Could be verbal.

12:06:00 6 Q. Would you have a meeting with all of the staff

12:06:07 7 in the County Recorder's Office to receive this guidance?

12:06:13 8 A. Most likely an informal voter registration

12:06:17 9 meeting.

12:06:18 10 Q. You mentioned that the County Recorder would
12:06:23 11 work with the county attorney regarding how to interpret
12:06:29 12 these laws, right?

12:06:30 13 A. Yes.

12:06:30 14 Q. So without disclosing the substance of those
12:06:34 15 conversations, do you know whether the County Recorder has
12:06:38 16 worked with the county attorney regarding how to interpret
12:06:43 17 H.B. 2492 to date?

12:06:45 18 A. Not that I'm fully aware of.

12:06:48 19 Q. Again, without disclosing the substance of those
12:06:53 20 conversations, do you know if the county, the Mohave
12:06:56 21 County Recorder has worked with the county attorney
12:06:59 22 regarding how to interpret and enforce H.B. 2243?

12:07:09 23 A. I'm sorry. Are you asking if she's worked with
12:07:14 24 them already to interpret it?

12:07:18 25 Q. Yes.

12:07:19 1 A. I'm not sure.

12:07:19 2 Q. Who would know the answer to that question?

12:07:29 3 A. Kristi Blair, if she has had that conversation.

12:07:47 4 Q. I would like to show you another document

12:07:50 5 produced by the Mohave County Recorder in this litigation.

12:08:13 6 This document, as you'll see, in the bottom right-hand

12:08:17 7 corner is Bates stamped MOHAVE-000119 on the first page.

12:08:23 8 Do you see that?

12:08:24 9 A. Yes.

12:08:24 10 Q. And this is an email from Kristi Blair to

12:08:32 11 Natalie Collings, correct?

12:08:34 12 A. Yes.

12:08:35 13 Q. And this email is dated September 21st, 2022,

12:08:40 14 right?

12:08:41 15 A. Yes.

12:08:41 16 MS. DIBRELL: So I would like to mark this email

12:08:43 17 as Exhibit 53.

12:08:43 18 BY MS. DIBRELL:

12:08:52 19 Q. On the first page of this email there is a

12:08:54 20 bullet for H.B. 2243, correct?

12:08:58 21 A. Yes.

12:08:59 22 Q. The third bullet, related to H.B. 2243, states:

12:09:15 23 The SOS recommends we get our county attorney's

12:09:20 24 opinion on phrasing in the new law regarding citizenship

12:09:23 25 we must have "on file" since the retention period for DPOC

12:09:27 1 is only two years.

12:09:33 2 Do you see that?

12:09:44 3 MR. LANGHOFER: I'm sorry. Did you say the

12:09:47 4 third bullet point?

12:09:49 5 MS. DIBRELL: Yes. I can zoom in.

12:09:49 6 BY MS. DIBRELL:

12:09:50 7 Q. Can you see that, Ms. Durst?

12:09:52 8 A. Yes.

12:09:54 9 Q. I can highlight the third bullet for you.

12:09:58 10 This third bullet and email from the County

12:10:00 11 Recorder for Mohave County, refers to H.B. 2243, right?

12:10:04 12 A. I believe it's from Natalie -- is it from

12:10:09 13 Natalie to Kristi?

12:10:16 14 Q. Oh, you're correct. It's from Natalie to

12:10:19 15 Kristi. Thank you.

12:10:21 16 And you're copied on this email, correct,

12:10:24 17 Ms. Durst?

12:10:24 18 A. Yes.

12:10:24 19 Q. And who is Natalie Collings again?

12:10:31 20 A. She no longer works for our office. She was the

12:10:35 21 voter registration supervisor.

12:10:40 22 Q. And Ms. Collings wrote to the County Recorder,

12:10:43 23 referring to H.B. 2243:

12:10:45 24 The SOS recommends we get our county attorney's

12:10:50 25 opinion on phrasing in the new law regarding citizenship

12:10:53 1 we must have "on file" since the retention period for DPOC
12:10:57 2 is only two years.
12:10:59 3 Do you see that?
12:11:01 4 A. Yes.
12:11:01 5 Q. Do you know what the "on file" language is
12:11:13 6 referring to?
12:11:14 7 A. Not fully.
12:11:22 8 Q. Are you aware that you must retain documentary
12:11:39 9 proof of citizenship information for two years, per the
12:11:47 10 EPM?
12:11:48 11 A. Yes.
12:11:48 12 Q. Is the "on file" language that this is referring
12:11:52 13 to, that citizenship, documentary proof of citizenship
12:11:54 14 that you must retain for two years?
12:12:00 15 DEFENSE COUNSEL: Form.
12:12:02 16 THE WITNESS: I believe so.

12:12:05 18 Q. Did anyone in your office ever seek the county

12:12:13 20 must have on file when the documentary proof of
12:12:16 21 citizenship retention period is only two years?
12:12:21 22 A. I'm not sure.
12:12:22 23 Q. Do you know who would know if those
12:12:28 24 conversations occurred?
12:12:30 25 A. County Recorder Kristi Blair.

12:12:34 1 Q. All right. Do you know if the county attorney
12:12:42 2 ever provided an opinion on this issue regarding retaining
12:12:46 3 citizenship, documentary proof of citizenship for two
12:12:49 4 years as it pertains to H.B. 2243?

12:12:53 5 A. I'm not aware.

12:12:59 6 Q. I understand that you have not yet implemented
12:13:36 7 H.B. 2492, but I just want to discuss what your
12:13:40 8 understanding of what, of what implementing H.B. 2492
12:13:45 9 would require you to do.

12:13:47 10 A. Okay.

12:13:47 11 Q. H.B. 2492 revised A.R.S. 16-101 to include
12:14:03 12 documentary proof of citizenship as a voter qualification
12:14:06 13 for voting, right?

12:14:09 14 DEFENSE COUNSEL: Form.

12:14:09 15 (The Reporter indicated an inability to hear the
12:14:11 16 answer.)

12:14:11 17 THE WITNESS: I said yes. Sorry.

12:14:24 18 BY MS. DIBRELL:

12:14:27 19 Q. Under H.B. 2492, documentary proof of
12:14:31 20 citizenship is required as a qualification for voting,
12:14:37 21 correct?

12:14:38 22 A. Yes.

12:14:40 23 DEFENSE COUNSEL: Form.

12:14:41 24 BY MS. DIBRELL:

12:14:43 25 Q. Under H.B. 2492, to be a qualified elector, does

12:14:48 1 the voter have to provide documentary proof of
12:14:51 2 citizenship?
12:14:52 3 DEFENSE COUNSEL: Form.
12:14:53 4 THE WITNESS: Regarding that, yes, but we
12:15:03 5 haven't implemented that.
12:15:04 6 BY MS. DIBRELL:
12:15:06 7 Q. When you do implement the documentary proof of
12:15:10 8 citizenship requirement, will it apply retroactively for
12:15:18 9 voters who registered without providing documentary proof
12:15:22 10 of citizenship?
12:15:24 11 DEFENSE COUNSEL: Calls for speculation.
12:15:30 12 THE WITNESS: I don't know.
12:15:30 13 BY MS. DIBRELL:
12:15:36 14 Q. Do you know who would, do you know who would
12:15:40 15 provide guidance regarding whether the documentary proof
12:15:43 16 of citizenship requirement applies retroactively?
12:15:50 17 A. The county attorney.
12:15:52 18 Q. And the county attorney would work with Mohave
12:16:00 19 County's County Recorder to provide that guidance?
12:16:03 20 A. Correct.
12:16:04 21 Q. Currently, when you register voters who do not
12:16:22 22 provide documentary proof of citizenship, you acquire
12:16:26 23 documentary proof of citizenship from the Motor Vehicle
12:16:31 24 Department, right?
12:16:32 25 A. Through HAVA check, yes.

12:16:35 1 Q. Would that process be impacted by implementation
12:16:42 2 of H.B. 2492?

12:16:45 3 DEFENSE COUNSEL: Calls for speculation.

12:16:53 4 THE WITNESS: I'm not sure. I'm sorry. Could
12:16:58 5 you repeat the question?

12:16:59 6 BY MS. DIBRELL:

12:17:01 7 Q. Would you still acquire documentary proof of
12:17:05 8 citizenship for the Motor Vehicle Department for
12:17:09 9 applicants who do not submit it with their voter
12:17:12 10 registration forms under H.B. 2492?

12:17:19 11 DEFENSE COUNSEL: Speculation.

12:17:22 12 THE WITNESS: Would that -- for clarification --
12:17:23 13 would that be if they registered like through the Motor
12:17:27 14 Vehicle, if we would then still ask for citizenship proof?

12:17:31 15 BY MS. DIBRELL:

12:17:32 16 Q. If they submit a registration form and they
12:17:35 17 don't provide documentary proof of citizenship, under
12:17:38 18 H.B. 2492 would you still try to acquire the documentary
12:17:44 19 proof of citizenship through the Motor Vehicle database?

12:17:48 20 DEFENSE COUNSEL: Form.

12:17:48 21 THE WITNESS: I believe so.

12:17:49 22 BY MS. DIBRELL:

12:18:22 23 Q. For state form applicants who do not submit
12:18:28 24 documentary proof of citizenship with their registration,
12:18:32 25 for who you do acquire, or you can acquire documentary

12:18:37 1 proof of citizenship through the Motor Vehicle database,
12:18:40 2 under H.B. 2492, would you register that as federal only
12:18:45 3 voters, as that's defined by H.B. 2492?

12:18:49 4 DEFENSE COUNSEL: Form; speculation.

12:18:55 5 THE WITNESS: I don't know.

12:19:04 6 BY MS. DIBRELL:

12:19:48 7 Q. So I'm going to show you, again, Mohave County
12:19:52 8 Recorder's response to the consolidated plaintiff's
12:19:57 9 interrogatories, which I previously marked as Exhibit 52.

12:20:12 10 Can you see my screen, Ms. Durst?

12:20:16 11 A. Yes.

12:20:16 12 Q. And, again, this is Mohave County Recorder's
12:20:21 13 answers to consolidated plaintiff's first set of
12:20:24 14 interrogatories, correct?

12:20:25 15 A. Correct.

12:20:25 16 Q. Currently, if a voter applicant submits a state
12:20:48 17 registration form and provides documentary proof of
12:20:48 18 citizenship but does not provide their birthplace
12:20:51 19 information, do you still register them to vote?

12:20:54 20 A. Yes.

12:20:55 21 Q. Do you have any way of independently confirming
12:21:07 22 birthplace information provided on the state form?

12:21:11 23 A. No.

12:21:12 24 Q. Turning to interrogatory 1, plaintiffs requested
12:21:30 25 that you:

12:21:31 1 Identify and describe each way that your office
12:21:35 2 uses or would use information related to the birthplace of
12:21:39 3 a voter registration applicant -- including applicants for
12:21:42 4 whom you already have DPOC -- to verify such person's
12:21:47 5 eligibility to vote, including but not limited to each way
12:21:50 6 in which a voter registration applicant's failure to
12:21:53 7 provide their birthplace affects or would affect your
12:21:56 8 ability to confirm the voter registration applicant's
12:22:00 9 identity or determine whether that person is eligible to
12:22:03 10 register and vote in Arizona.

12:22:04 11 Correct?

12:22:05 12 A. Correct.

12:22:07 13 Q. You responded that:

12:22:13 14 The Mohave County Recorder understands that this
12:22:17 15 is part of the current lawsuit and following guidance from
12:22:21 16 the Secretary of State, we currently are using a voter's
12:22:23 17 place of birth as a method to identify the voter over the
12:22:28 18 phone if we lack other information. We current --

12:22:32 19 Correct?

12:22:33 20 A. Yes.

12:22:35 21 Q. And then you go on to say:

12:22:37 22 We currently do not use it to verify citizenship
12:22:40 23 or identity for a person registering to vote.

12:22:43 24 Right?

12:22:43 25 A. Yes.

12:22:44 1 Q. So you use a voter's place of birth to identify
12:22:59 2 them over the phone if you lack other information, but you
12:23:03 3 do not use birthplace to verify citizenship or identity
12:23:08 4 for a person registering to vote.

12:23:10 5 A. Correct.

12:23:11 6 Q. That's just to confirm that the person on the
12:23:16 7 phone is the person who completed the registration form,
12:23:19 8 right?

12:23:19 9 A. Yes.

12:23:20 10 Q. So do you use birthplace similar to a security
12:23:26 11 code question?

12:23:27 12 A. Yes.

12:23:27 13 Q. Do you actually confirm that the birthplace that
12:23:33 14 the voter on the phone tells you is where that person was
12:23:37 15 actually born?

12:23:38 16 A. No.

12:23:40 17 Q. And you don't use the birthplace listed on the
12:23:48 18 firm -- on the form, excuse me, to determine if the person
12:23:50 19 is qualified to vote?

12:23:52 20 A. Correct.

12:23:53 21 Q. So, really, you're just concerned that you want
12:24:02 22 to make sure the person you're talking to is the person
12:24:05 23 who filled out the form?

12:24:06 24 A. Yes.

12:24:07 25 Q. Could you use other personal identifying

12:24:12 1 information to confirm that the person you're talking to
12:24:15 2 is the person who filled out the form?
12:24:17 3 A. Yes.
12:24:18 4 Q. What other information could you use?
12:24:21 5 A. Their registered residence address, their date
12:24:30 6 of birth, the last four of their social, mother's maiden
12:24:35 7 name.
12:24:41 8 Q. If the person who submitted the application form
12:24:45 9 did not provide their birthplace on the form, do you use
12:24:48 10 that other information to identify who they are on the
12:24:51 11 phone?
12:24:51 12 A. Yes.
12:24:52 13 Q. If birthplace becomes mandatory for state form
12:25:28 14 registrants under H.B. 2492, if that goes into effect, do
12:25:32 15 you have any planned changes for how you would use the
12:25:36 16 birthplace?
12:25:37 17 A. Not to my knowledge.
12:26:13 18 MS. DIBRELL: Ms. Durst, if it's okay with you,
12:26:15 19 we can take another 15-minute break.
12:26:19 20 THE WITNESS: Sure.
12:26:22 21 THE VIDEOGRAPHER: We are off the record. Time
12:26:26 22 on the video monitor is 12:26 p.m.
12:26:31 23 (Recess taken from 12:26 p.m. to 12:48 p.m.)
12:48:01 24 THE VIDEOGRAPHER: We are on the record. Time
12:48:03 25 on the video monitor is 12:48 p.m. This begins Media 2.

12:48:10 1 Please continue.

12:48:11 2 BY MS. DIBRELL:

12:48:20 3 Q. Ms. Durst, during this deposition your counsel

12:48:24 4 sent us some notice letters, right?

12:48:27 5 A. Yes.

12:48:27 6 Q. I just wanted to confirm, there are no other

12:48:33 7 notice letters.

12:48:40 8 A. For anything?

12:48:42 9 Q. Are there any other notice letters on these

12:48:49 10 topics?

12:48:50 11 A. These topics, I don't believe so.

12:48:55 12 Q. Do you have these notice letters in other

12:49:01 13 languages?

12:49:01 14 A. No.

12:49:03 15 Q. In implementing the challenge provisions, would

12:49:22 16 you keep the same practice of sending similar notice

12:49:26 17 letters to voter applicants?

12:49:32 18 DEFENSE COUNSEL: Speculation.

12:49:35 19 THE WITNESS: I'm not sure.

12:49:38 20 BY MS. DIBRELL:

12:49:52 21 Q. So are you aware that under H.B. 2492 and 2243,

12:50:01 22 you have to confirm information, excuse me, that the

12:50:06 23 applicant is not a United States citizen?

12:50:13 24 A. I need to confirm?

12:50:16 25 Q. Oh, information indicating that the applicant is

12:50:19 1 not a United States citizen.

12:50:21 2 A. Yes.

12:50:25 3 Q. If, in confirming this information, if the data
12:50:54 4 in the government database shows that the applicant was a
12:50:58 5 non-citizen 25 years ago, is that information that that
12:51:02 6 person is not a citizen today?

12:51:05 7 DEFENSE COUNSEL: Form.

12:51:14 8 THE WITNESS: Could you ask that again? I'm
12:51:18 9 sorry.

12:51:18 10 BY MS. DIBRELL:

12:51:19 11 Q. When you're confirming information that the
12:51:22 12 voter applicant is not a U.S. citizen, if a government
12:51:26 13 database has information that they weren't a citizen
12:51:30 14 25 years ago would that be information that they are not a
12:51:33 15 U.S. citizen today?

12:51:36 16 DEFENSE COUNSEL: Form.

12:51:37 17 THE WITNESS: I don't know.

12:51:37 18 BY MS. DIBRELL:

12:51:41 19 Q. When you run your HAVA checks, if that reflects
12:51:46 20 that the voter applicant was issued an F-type license
12:51:50 21 20 years ago, is that information showing that they are
12:51:53 22 not a U.S. citizen today?

12:51:55 23 DEFENSE COUNSEL: Form.

12:51:56 24 THE WITNESS: The HAVA check is current
12:52:04 25 information. Well, as current as it could be.

12:52:17 1 BY MS. DIBRELL:

12:52:17 2 Q. What do you mean by as current as it could be?

12:52:20 3 A. You're asking if it was 25 years ago. So if a

12:52:27 4 voter is registering now and they got that license 25

12:52:30 5 years ago and that's all that's in the database, that's

12:52:33 6 all we would have to go off of.

12:52:36 7 Q. What is an F-type license?

12:52:38 8 A. I can't currently think of the exact definition

12:52:50 9 of an F-type license.

12:52:52 10 Q. Generally, do you know what an F-type license

12:52:55 11 is?

12:52:55 12 A. Usually they need to show proof of citizenship a

12:53:00 13 federal license.

12:53:03 14 Q. Would it refresh your recollection of what an

12:53:23 15 F-type license is to look at the 2019 EPM?

12:53:28 16 A. Yes.

12:53:28 17 Q. So, Ms. Durst, I'm showing you, again, what was

12:53:43 18 previously marked as Petty Exhibit 9, and this is page

12:53:48 19 four of the 2019 EPM.

12:53:51 20 A. Hmm hmm.

12:53:54 21 Q. And I have zoomed in here so you can see, if you

12:53:59 22 just want to review this document.

12:54:13 23 Tell me when you're done.

12:54:15 24 A. I'm done.

12:54:16 25 Q. So what is an F-type license?

12:54:18 1 A. When a registrant needs to prove their
12:54:23 2 citizenship, when they are non-citizen.

12:54:31 3 Q. And, to be clear, they were a non-citizen at the
12:54:36 4 time they received their F-type license?

12:54:39 5 A. Correct.

12:54:41 6 DEFENSE COUNSEL: Form.

12:54:43 7 BY MS. DIBRELL:

12:54:49 8 Q. So if an applicant received an F-type license
12:54:53 9 20 years ago, that means 20 years ago they weren't a
12:54:57 10 citizen.

12:54:57 11 A. Correct.

12:54:59 12 Q. When you run the HAVA checks, if it comes back
12:55:07 13 and says that the applicant received an F-type license
12:55:11 14 20 years ago, do you use that as information that present
12:55:16 15 day they are not citizens?

12:55:18 16 A. Yes.

12:55:20 17 Q. What procedures do you follow after seeing that?

12:55:26 18 A. I believe it's in the EPM, and they would
12:55:37 19 receive a notice that they would need to provide
12:55:40 20 documentation.

12:55:42 21 Q. And documentation of what?

12:55:45 22 A. Of citizenship to vote a full ballot.

12:55:50 23 Q. When confirming information that a voter
12:56:07 24 registrant is not an applicant, if you use another
12:56:10 25 database, if that information was from 20 years ago, would

12:56:15 1 you use that to show that they presently are not a
12:56:20 2 U.S. citizen?

12:56:21 3 DEFENSE COUNSEL: Form.

12:56:22 4 THE WITNESS: I'm sorry. Can you repeat that?

12:56:26 5 BY MS. DIBRELL:

12:56:28 6 Q. So under the challenge provisions, if you're
12:56:31 7 using another database to confirm the citizenship of the
12:56:37 8 voter registrant, and it shows that they weren't a citizen
12:56:40 9 20 years ago, is that information showing that presently,
12:56:46 10 present day, they are not a U.S. citizen for voter
12:56:50 11 registration purposes?

12:56:53 12 DEFENSE COUNSEL: Form?

12:56:56 13 THE WITNESS: Correct.

12:57:47 4 of information that you can use to determine that the

12:57:56 6 DEFENSE COUNSEL: Form.

12:57:57 7 THE WITNESS: I'm sorry. I don't know that I

12:58:04 8 fully understand. If it would come back that they're not

12:58:08 9 a citizen, what form do they provide to be?

12:58:12 10 BY MS. DIBRELL:

12:58:12 11 Q. I can provide, I can provide some examples.

12:58:14 12 Maybe that will clarify.

12:58:15 13 A. Thank you.

12:58:16 14 Q. So if your office received, for example, an

12:58:20 15 email about a voter, an anonymous email, and the email

12:58:25 16 said that that voter was not a U.S. citizen, would that be

12:58:29 17 information that you would use to confirm that they are

12:58:34 18 not a U.S. citizen?

12:58:36 19 A. Not at this time.

12:58:39 20 Q. Under H.B. 2243?

12:58:45 21 A. Well, with the current litigation, we're not

12:59:05 22 following that H.B. 2243.

12:59:10 23 Q. If H.B. 2243 goes into effect, do you know what

12:59:17 24 you would do if you received an email stating that someone

12:59:21 25 was not a citizen?

12:59:23 1 DEFENSE COUNSEL: Speculation.

12:59:25 2 THE WITNESS: I have an idea of what we could

12:59:29 3 do, but I'm not sure if that's what we would do.

12:59:32 4 BY MS. DIBRELL:

12:59:32 5 Q. What is your idea of what you could do?

12:59:35 6 A. If it came like from the voter themselves, if

12:59:46 7 they were reregistering, you would be a HAVA check again,

12:59:51 8 going through the same procedure as registering someone to

12:59:56 9 vote.

12:59:57 10 Q. Would you use any other databases to confirm the

01:00:02 11 voter's citizenship?

01:00:08 12 DEFENSE COUNSEL: Speculation, form.

01:00:11 13 THE WITNESS: I'm not sure.

01:00:14 14 BY MS. DIBRELL:

01:00:52 15 Q. Under H.B. 2243, what would give your office a

01:00:57 16 reason to believe that a person is not a United States

01:01:05 17 citizen?

01:01:05 18 DEFENSE COUNSEL: Form, foundation.

01:01:10 19 THE WITNESS: If they were not passing a HAVA

01:01:15 20 check.

01:01:15 21 BY MS. DIBRELL:

01:02:25 25 A. Yes.

01:02:25 1 Q. Let me scroll to the top so you can see the

01:02:30 3 So this says that it's A.R.S. Section 16-165,
01:02:37 4 correct?
01:02:37 5 A. Yes.
01:02:38 6 Q. And that's titled, Causes For Cancellation?
01:02:42 7 A. Yes.
01:02:48 8 MS. DIBRELL: And I'd like to mark this copy of
01:02:51 9 the statute as Exhibit 54.
01:02:51 10 BY MS. DIBRELL:

01:03:14 12 16-165(I) says:
01:03:16 13 To the extent practical, each month the County

01:03:23 15 in that county and who the County Recorder has reason to
01:03:25 16 believe are not United States citizens and persons who are
01:03:30 17 registered to vote without satisfactory evidence of
01:03:33 18 citizenship as prescribed by section 16-166 with the
01:03:38 19 systematic alien verification for entitlements program
01:03:38 20 maintained by the United States Citizenship and
01:03:44 21 Immigration Services to verify the citizenship status of
01:03:46 22 the persons registered.
01:03:48 23 Is that correct?
01:03:48 24 A. Yes.
01:03:49 25 Q. So this language here:

01:03:55 1 Voters who the County Recorder has reason to
01:03:57 2 believe are not United States citizens and who are
01:04:02 3 registered to vote.
01:04:05 4 What would give you a reason to believe that
01:04:07 5 that voter is not a United States citizen?
01:04:11 6 DEFENSE COUNSEL: Form and foundation.
01:04:19 7 THE WITNESS: Their status of the registration.
01:04:22 8 BY MS. DIBRELL:
01:04:30 9 Q. Is there anything else that would give you a
01:04:32 10 reason to believe that they are not a United States
01:04:35 11 citizen? \
01:04:38 12 DEFENSE COUNSEL: Form and foundation. Calls
01:04:41 13 for legal conclusion.
01:04:46 14 THE WITNESS: Not that I'm currently aware of.
01:04:48 15 BY MS. DIBRELL:
01:04:51 16 Q. And so I'm not asking for a legal interpretation
01:04:54 17 of H.B. 2243. I'm just wondering what would give your
01:04:59 18 office a reason to believe that someone wasn't a citizen.
01:05:02 19 A. Well, the status of their voter registration.
01:05:12 20 If they needed to provide something for full ballot, we
01:05:18 21 could review that, but nothing -- I'm not sure.
01:05:44 22 Q. Has the Secretary of State's Office provided you
01:05:47 23 with any guidance of what would give your staff a valid
01:05:52 24 reason to believe that someone was not a United States
01:05:55 25 citizen?

01:05:56 1 A. That could be in the EPM, but I'm not sure.

01:06:05 2 Q. If the Secretary of State's Office does not give

01:06:11 3 you guidance on what is a valid reason to believe that

01:06:16 4 someone is not a United States citizen, how would you know

01:06:19 5 how to implement this?

01:06:23 6 DEFENSE COUNSEL: Form.

01:06:33 7 THE WITNESS: I would seek assistance from our

01:06:35 8 county attorney.

01:06:45 9 BY MS. DIBRELL:

01:06:45 10 Q. Do you have -- or how would you implement this

01:06:51 11 reason to believe requirement if you are required to do

01:06:56 12 so?

01:06:56 13 DEFENSE COUNSEL: Speculation; form.

01:07:05 14 THE WITNESS: I don't know.

01:07:07 15 BY MS. DIBRELL:

01:07:35 16 Q. What if the registered voter made a mistake on

01:07:41 17 their application form and they mixed up their first and

01:07:44 18 last name, would that give you a reason to believe that

01:07:46 19 they're not a U.S. citizen?

01:07:48 20 DEFENSE COUNSEL: Form.

01:07:50 21 THE WITNESS: I don't believe so.

01:07:55 22 BY MS. DIBRELL:

01:08:09 23 Q. If you identify a registered voter who has

01:08:13 24 already satisfied the documentary proof of citizenship

01:08:17 25 requirement, but they still hold an F-type license, as

01:08:22 1 reflected in the ADOT Motor Vehicle Division's records,
01:08:30 2 would -- do you consider that information that the
01:08:34 3 registered voter is not a U.S. citizen?

01:08:36 4 DEFENSE COUNSEL: Form.

01:08:37 5 THE WITNESS: Could you repeat the beginning of
01:08:39 6 that, please?

01:08:40 7 BY MS. DIBRELL:

01:08:40 8 Q. If you have a registered voter, who gave you
01:08:43 9 documentary proof of citizenship, but they have an F-type
01:08:47 10 license, as reflect in the DMV's database, do you consider
01:08:54 11 that information that that voter is not a U.S. citizen?

01:08:57 12 A. No.

01:08:58 13 Q. Why not?

01:09:03 14 A. If they provided their own citizenship
01:09:08 15 paperwork.

01:09:08 16 Q. What about for voters who registered without
01:09:37 17 documentary proof of citizenship, but were covered by
01:09:42 18 section 16-166(G), safe harbor?

01:09:49 19 A. I'm sorry?

01:09:50 20 Q. Sure. So you're aware that there are voters who
01:09:55 21 registered to vote before documentary proof of citizenship
01:09:58 22 was a requirement, right?

01:10:00 23 A. Correct.

01:10:01 24 Q. And that there is a safe harbor provision,
01:10:08 25 16-166(G), for those voters.

01:10:14 1 Are you aware of that?

01:10:16 2 A. Could we review that?

01:10:19 3 Q. Sure. It's so that they can -- they're still
01:10:24 4 registered to vote without providing their documentary
01:10:28 5 proof of citizenship. I'm happy to pull it up.

01:10:32 6 Really, my question is if they initially
01:10:35 7 registered without documentary proof of citizenship and
01:10:38 8 they have been registered this whole time, is that
01:10:41 9 information that you would consider reason to believe that
01:10:44 10 they are not a U.S. citizen?

01:10:49 11 DEFENSE COUNSEL: Form.

01:10:50 12 THE WITNESS: So someone has, for clarification,
01:10:56 13 they've been registered to vote but they haven't proven, I
01:11:01 14 would still -- you're asking if I would still accept them
01:11:05 15 as a full valid voter.

01:11:08 16 BY MS. DIBRELL:

01:11:09 17 Q. They are already a registered voter. So we
01:11:11 18 could take a step back.

01:11:13 19 So if you have a registered voter, who
01:11:15 20 registered without documentary proof of citizenship,
01:11:18 21 because at the time it was not required, right?

01:11:22 22 A. Hmm hmm.

01:11:23 23 Q. Okay. So if you have that registered voter who
01:11:26 24 registered without documentary proof of citizenship, they
01:11:30 25 never had to do that, they were currently a registered

01:11:33 1 voter, but they never provided that documentary proof of
01:11:39 2 citizenship, is that reason to believe that they are not a
01:11:43 3 U.S. citizen?
01:11:45 4 A. I don't know.
01:11:48 5 DEFENSE COUNSEL: Form.
01:11:52 6 BY MS. DIBRELL:
01:11:52 7 Q. How would you know? I guess -- strike that.
01:11:56 8 Who, who would you seek guidance from on how to
01:12:01 9 implement that?
01:12:02 10 A. My county attorney.
01:12:04 11 Q. And your county attorney would work with you on
01:12:11 12 the guidance?
01:12:13 13 A. The County Recorder and the county attorney
01:12:17 14 would work together.
01:12:19 15 Q. Has the Secretary of State's Office provided
01:12:28 16 your office with a list of what will not give your staff a
01:12:33 17 valid reason to believe that someone is not a United
01:12:37 18 States citizen?
01:12:38 19 DEFENSE COUNSEL: Form. Calls for privileged
01:12:45 20 communications.
01:12:46 21 MS. DIBRELL: From the Secretary of State's
01:12:52 22 Office?
01:12:52 23 MR. LANGHOFER: I'm sorry. I misunderstood the
01:12:52 24 question. I'll withdraw that latter half of the objection
01:12:52 25 then.

01:12:56 1 THE WITNESS: Could you ask that again, please?

01:12:58 2 BY MS. DIBRELL:

01:12:58 3 Q. Has the Secretary of State's Office provided
01:13:01 4 your office with a list of what will not give you or your
01:13:01 5 staff a valid reason to believe someone is not a United
01:13:05 6 States citizen?

01:13:07 7 A. Not that I'm aware of.

01:13:09 8 Q. Are you aware of any guidance from the Secretary
01:13:13 9 of State's Office on this reason to believe language?

01:13:17 10 A. Not that I recall, no.

01:13:19 11 Q. Do you know if anyone else in your office would
01:13:23 12 know if they received guidance from the Secretary of State
01:13:26 13 on this language?

01:13:28 14 A. The County Recorder, Kristi Blair.

01:13:31 15 Q. So we have talked about citizenship for a while,
01:13:43 16 and I'd like to switch gears to residency, if that sounds
01:13:48 17 good to you.

01:13:50 18 A. Awesome.

01:13:52 19 Q. So under your current practices, in order to
01:13:57 20 register to vote, applicants also are required to provide
01:14:00 21 their residential address, or, if they don't have an
01:14:03 22 address, a description or drawing of the location of their
01:14:07 23 residence, right?

01:14:08 24 A. Correct.

01:14:09 25 Q. Okay. And a PO box can be used to meet that

01:14:12 1 requirement?

01:14:13 2 A. That is correct.

01:14:16 3 Q. How do you use a residence address, or location

01:14:21 4 information for voter registration?

01:14:24 5 A. We use our Mohave County Assessor's website, and

01:14:31 6 we have a GIS mapping within the AVID system.

01:14:39 7 Q. And who checks that information, or who uses

01:14:48 8 that information?

01:14:51 9 A. The voter registration specialists.

01:14:54 10 Q. So, just to better understand the process, when

01:15:02 11 someone provides a residential address, how does your

01:15:06 12 county use that information to locate the residence?

01:15:09 13 A. When someone registers to vote and they write

01:15:18 14 their residence address on the form, we type it into the

01:15:22 15 database. If it doesn't autopopulate with that specific

01:15:27 16 address, we would go to the county assessor's website. If

01:15:31 17 it's a new build you might have to then pin that address

01:15:35 18 from their location into our database.

01:15:39 19 Q. And when you say, when you type it into the

01:15:42 20 database, you're referring to AVID?

01:15:45 21 A. Yes.

01:15:45 22 Q. And what do you mean when you say that you would

01:15:49 23 pin the location to your database?

01:15:52 24 A. So with current growth in our community, if

01:15:59 25 there is a new subdivision, they may not have each house

01:16:03 1 in our total address in AVID. You may need to place a
01:16:09 2 pin, dropping a pin at that location for that residential
01:16:13 3 address.

01:16:16 4 Q. Based on the process you just described, is it
01:16:19 5 ever the case that a residential address, that you're not
01:16:23 6 able to locate it using the database?

01:16:26 7 A. There can be times, yes.

01:16:34 8 Q. Can you please explain?

01:16:38 9 A. If it's a brand new address to that house and
01:16:48 10 it's not online, we wouldn't know exactly where that
01:16:54 11 residence is.

01:16:56 12 Q. Are there any other cases where you would not be
01:17:00 13 able to locate someone's residential address through this
01:17:04 14 process that you've discussed?

01:17:06 15 A. Do you have like an example?

01:17:17 16 Q. No. I'm just wondering if there are other cases
01:17:22 17 where this has come up.

01:17:28 18 A. I think that could go as -- if we can locate it
01:17:32 19 but it's not a named place, like they give us their
01:17:37 20 longitude and latitude location, we can pin it with a plus
01:17:42 21 code. So it's not a -- it doesn't appear to be an actual
01:17:47 22 residential address, but it can be verified. It is
01:17:53 23 residential for them to live there, reside there, but it
01:17:57 24 would be a plus code.

01:17:59 25 Q. And this plus code, you would be adding them to

01:18:03 1 the database?

01:18:03 2 A. Yes.

01:18:04 3 Q. So, to clarify, so one reason, an example, is if

01:18:14 4 someone lives in new residential area, that's one example

01:18:19 5 of where their address might not show up in AVID?

01:18:24 6 A. Correct.

01:18:25 7 Q. Are there other examples, are there -- where

01:18:29 8 their address would not show up in AVID?

01:18:31 9 A. Addresses do change through planning and zoning.

01:18:37 10 If they're registering at a new address and the number had

01:18:42 11 changed, it may need to be researched to then be modified

01:18:46 12 in the AVID system.

01:18:47 13 Q. Are there any other instances where this occurs?

01:18:53 14 A. Not that I can think of.

01:18:56 15 Q. How common is it for someone to provide a

01:19:03 16 residential address that isn't in AVID?

01:19:06 17 A. Are you looking for a percentage, or --

01:19:11 18 Q. Just based on your general experience. Does

01:19:15 19 this happen a lot, not at all?

01:19:17 20 A. Not too often, but Mohave County is rural. So I

01:19:33 21 don't know how to necessarily give an exact percentage,

01:19:36 22 but maybe two a day, maybe.

01:19:41 23 Q. Two a day out of how many applications?

01:19:51 24 A. I could say an average of 80 applications a day.

01:19:55 25 Q. And you mentioned that Mohave County is rural.

01:20:00 1 How does that affect the ability to identify applicants'
01:20:07 2 address in the, in AVID?

01:20:10 3 A. We would most likely do the same process as
01:20:27 4 looking on the Mohave County Assessor website to find it
01:20:32 5 by owner name, the parcel number, or address that they're
01:20:37 6 giving, giving us, to then put that in longitude,
01:20:43 7 latitude, or find it in the AVID Total Address system.

01:20:48 8 Q. Because Mohave County is rural, do you run into
01:20:53 9 this issue more often?

01:20:57 10 I'm just trying understand the relevance when
01:21:00 11 you said Mohave County is a rural county. So how does
01:21:04 12 that play into identifying residential addresses in AVID?

01:21:08 13 A. We have tribal land which is not, their land is
01:21:14 14 not on the Mohave County Assessor's website by address
01:21:20 15 because of the way the tax bill is paid. And we also
01:21:23 16 have, our northern part of the county, it's known as
01:21:27 17 Colorado City, most of them don't own their property.
01:21:32 18 It's owned by the UEP. So to find their exact address
01:21:38 19 without street signs that they're provided can be
01:21:41 20 difficult.

01:21:45 21 Q. Is it more common for residential addresses used
01:21:50 22 on tribal land to not be located in AVID?

01:21:53 23 A. I'm sorry. Can you say that again?

01:21:59 24 Q. Sure. So you mentioned that there's a
01:22:04 25 significant amount of tribal land in Mohave County.

01:22:07 1 Is it common for residential addresses on Native
01:22:16 2 American Reservations to not be located in AVID?
01:22:20 3 A. Yes.
01:22:20 4 Q. And you also mentioned an area called Colorado
01:22:27 5 City?
01:22:28 6 A. Yes.
01:22:28 7 Q. And is it more common for residential addresses
01:22:30 8 in Colorado City to not be located in AVID?
01:22:43 9 A. I would say the address they're giving may not
01:22:52 10 match that address we have. Addresses in Colorado City
01:22:55 11 are just typically a standard four or five digit number
01:23:01 12 with a street name. It would be, for an example, like
01:23:06 13 2800 North, 3200 South Arizona. So it's not a typical
01:23:13 14 address.
01:23:15 15 Q. So you describe the process you used to locate
01:23:19 16 these addresses.
01:23:20 17 What does the county do when the residential
01:23:24 18 address can't be located?
01:23:27 19 A. Would send a notice to the voter that we need
01:23:30 20 additional information from them.
01:23:32 21 Q. If you can't locate the voter applicant's
01:23:40 22 address, do you register the voter?
01:23:42 23 A. They go into a suspend status awaiting
01:23:49 24 information.
01:23:49 25 Q. So it's my understanding there's also a process

01:23:52 1 where the voter registration applicant can provide a
01:23:57 2 residence location description or drawing. Is that right?
01:24:02 3 A. Yes.
01:24:02 4 Q. This is what applicants are asked to do if they
01:24:06 5 live in a residence that doesn't have a residential
01:24:10 6 address, or if their residential address can't be located?
01:24:13 7 A. Yes. It's a very small portion on the Arizona
01:24:18 8 voter registration form that they could draw their home
01:24:24 9 on.
01:24:26 10 Q. How does your office use residence location
01:24:32 11 descriptions or drawings to locate a residence?
01:24:38 12 A. We don't receive a lot of them that way. We
01:24:49 13 would typically try to contact the voter to get a better
01:24:56 14 understanding of their surroundings from using the
01:25:01 15 assessor's website as a map.
01:25:06 16 Q. Other than using the assessor's website or
01:25:10 17 calling the voter, do you try to look up the information
01:25:13 18 in any database?
01:25:15 19 A. From where they drew on the map for their
01:25:26 20 location?
01:25:27 21 Q. Hmm hmm.
01:25:31 22 A. Not that I'm aware of.
01:25:33 23 Q. Are applicants who live on a Native American
01:25:42 24 Reservation in Mohave County more likely to provide a
01:25:48 25 residence location description or drawing as opposed to

01:25:49 1 residential address?

01:25:52 2 A. I don't believe so.

01:25:54 3 Q. Which voters submit applications with a

01:26:02 4 residence location description or drawing, in your

01:26:04 5 experience?

01:26:05 6 A. I would think an off-grid voter or someone that

01:26:30 7 doesn't have a residential address.

01:26:36 8 Q. What do you mean by an off-grid voter?

01:26:38 9 A. They, that they wouldn't own the residence

01:26:49 10 address. They may live on state land. They may live in a

01:26:54 11 motorhome type of location.

01:26:59 12 Q. Can you provide a few examples of what a

01:27:07 13 residence location description sounds like?

01:27:11 14 A. Like if they live -- I'm sorry.

01:27:43 15 You're asking what they would write on their

01:27:46 16 voter registration form of describing their home?

01:27:48 17 Q. Yes. I'm just trying to get a better

01:27:51 18 understanding of what a residence location description

01:27:55 19 would be.

01:27:55 20 A. Well, if someone was homeless they could write

01:27:59 21 that they live under the I-40 underpass.

01:28:11 22 Q. What is an example of -- you mentioned people

01:28:14 23 who live on state land -- what would they, what's an

01:28:17 24 example of what their location description might be?

01:28:20 25 A. They could give you a milepost. They live

01:28:24 1 20 miles from milepost 68 on, off of 68.

01:28:31 2 Q. How often do these kinds of location

01:28:42 3 descriptions appear on identification documents?

01:28:46 4 A. I don't think very often.

01:28:48 5 Q. In your experience do any Mohave County voters

01:28:55 6 have a map to their residence on their identification

01:28:59 7 documents?

01:28:59 8 A. No.

01:29:01 9 Q. Does your county provide addresses for homes in

01:29:07 10 the county?

01:29:07 11 A. Yes.

01:29:11 12 Q. What department provides those addresses?

01:29:16 13 A. Development services through planning and

01:29:29 14 zoning, then it would go to the assessor's office.

01:29:38 15 Q. So it goes to the assessor's office -- I guess,

01:29:43 16 could you describe in more detail what the process is for

01:29:46 17 providing addresses within your county?

01:29:48 18 A. I'm not a hundred percent sure of that process.

01:30:04 19 But if someone came to voter registration and they needed

01:30:08 20 the address, we would refer them to that process through

01:30:13 21 development services.

01:30:14 22 Q. Do you know who would know more about this

01:30:18 23 process for providing an address in your county?

01:30:22 24 A. The County Recorder might.

01:30:49 25 Q. Why do you think the County Recorder would know

01:30:51 1 more about this process?

01:30:53 2 A. She has worked for the county longer than I

01:31:22 3 have.

01:31:22 4 Q. Do you know if your county provides addresses

01:31:24 5 for homes in Mohave County that are located on a Native

01:31:30 6 American Reservation?

01:31:30 7 A. If they provide addresses to homes? Not to my

01:31:38 8 knowledge.

01:31:38 9 Q. So, to your knowledge, the county does not

01:31:42 10 provide addresses for homes on Native American

01:31:45 11 Reservations located within Mohave County?

01:31:49 12 A. Correct.

01:31:49 13 Q. What does your office do to increase

01:31:56 14 registration of Native voters?

01:32:05 15 A. Specific to Native voters?

01:32:08 16 Q. Yes.

01:32:13 17 A. I don't, I don't know anything specific to them,

01:32:16 18 but we do voter registration and register anyone eligible

01:32:20 19 to vote.

01:32:20 20 Q. When you say you do voter registration, do you

01:32:26 21 hold voter registration drives?

01:32:30 22 A. During some times of the year, yes.

01:32:33 23 Q. Do you hold any of those voter registration

01:32:40 24 drives on Native American Reservations?

01:32:43 25 A. Not to my knowledge.

01:32:46 1 Q. What challenges do Native voters face when
01:32:56 2 trying to register to vote?
01:32:58 3 DEFENSE COUNSEL: Foundation; speculation.
01:33:09 4 THE WITNESS: Typically, it would just be able
01:33:11 5 to know where their residential address is located for
01:33:21 6 precincting.
01:33:23 7 BY MS. DIBRELL:
01:33:23 8 Q. Based on your experience in the Mohave County
01:33:29 9 Recorder's Office, are there any other challenges Native
01:33:33 10 voters face when trying to register to vote?
01:33:36 11 DEFENSE COUNSEL: Form and foundation.
01:33:38 12 THE WITNESS: Not to my knowledge.
01:33:39 13 BY MS. DIBRELL:
01:33:39 14 Q. Is voter registration lower in Native
01:33:42 15 communities than the county average?
01:33:45 16 A. I'm not sure.
01:33:46 17 Q. Do you know who would know that?
01:33:48 18 A. The, it could be pulled from the database,
01:34:00 19 registered voters by precinct.
01:34:05 20 Q. And the database you're referring to is AVID?
01:34:13 21 A. Correct.
01:34:14 22 Q. Is that information that you would be able to
01:34:21 23 pull from AVID?
01:34:23 24 A. Yes.
01:34:26 25 Q. What does your office do to accommodate Native

01:34:33 1 voters who live at a residence without an address?

01:34:49 2 A. We provide all voters the notice to provide

01:34:52 3 additional information for residential address, and if we

01:34:55 4 needed to, if we couldn't pin it according to the address

01:35:03 5 they're giving, we would give them a plus code in the AVID

01:35:03 6 system.

01:35:07 7 Q. And, just so I'm clear, what happens when you

01:35:10 8 give them a plus code?

01:35:12 9 A. You're pinning the address, you're pinning an

01:35:18 10 address at a specific location that you've determined is

01:35:21 11 where they live but it doesn't have a given address, or

01:35:25 12 they may call it their own address. A plus code is

01:35:34 13 through the USPS.

01:35:36 14 Q. And why does your office accommodate Native

01:35:41 15 voters who live at a residence without an address in this

01:35:44 16 way?

01:35:44 17 A. It would be for any voter.

01:35:48 18 Q. Does this happen more often with Native voter

01:35:57 19 applicants, this process?

01:36:00 20 DEFENSE COUNSEL: Form and foundation.

01:36:09 21 THE WITNESS: Not, not to my knowledge.

01:36:10 22 BY MS. DIBRELL:

01:36:51 23 Q. So, turning to H.B. 2492's requirements that

01:36:57 24 applicants provide documentary proof of residency with the

01:37:04 25 registration, I'd like to discuss A.R.S. Section 16-123.

01:37:12 1 Are you familiar with this statutory provision?

01:37:17 2 A. 123?

01:37:21 3 Q. Yes. 16-123.

01:37:25 4 A. I can briefly review it to refresh.

01:37:30 5 Q. Sure. Would it be helpful -- I can pull it up

01:37:34 6 on my screen.

01:37:35 7 A. I have it here.

01:37:50 8 Q. Let me know when you're done.

01:37:51 9 A. Okay. I'm ready.

01:37:53 10 Q. 16-123 requires that a person who registers to

01:38:05 11 vote must provide an identifying document that establishes

01:38:10 12 proof of location of residence, right?

01:38:14 13 A. Yes.

01:38:14 14 Q. Will this apply to voters registering using the

01:38:20 15 federal form?

01:38:23 16 DEFENSE COUNSEL: Form. Calls for a legal

01:38:25 17 conclusion

01:38:29 18 THE WITNESS: I'm not sure.

01:38:30 19 BY MS. DIBRELL:

01:38:34 20 Q. Has your office received any guidance from the

01:38:36 21 Secretary of State on whether this provision would apply

01:38:40 22 to voters registering using the federal form?

01:38:50 23 A. For H.B. 2492, I'm not sure.

01:38:54 24 Q. Are you aware of any requests to update the

01:39:01 25 election systems commission's instructions for the federal

01:39:05 1 form?

01:39:09 2 A. I'm sorry?

01:39:09 3 Q. So the federal form comes with instructions for

01:39:13 4 the voter when they're filling it out, right? Are you

01:39:17 5 aware of any requests to update those instructions that

01:39:20 6 come with the federal form?

01:39:21 7 A. Not at this time.

01:39:22 8 Q. The current instructions for the federal form do

01:39:30 9 not ask for documentary proof of residency, correct?

01:39:35 10 A. Right. Correct.

01:39:36 11 Q. Would your office reject federal form voters who

01:39:54 12 do not provide documentary proof of residency?

01:39:59 13 DEFENSE COUNSEL: Speculation.

01:40:03 14 THE WITNESS: We currently don't follow

01:40:07 15 H.B. 2492 with the litigation.

01:40:08 16 BY MS. DIBRELL:

01:40:14 17 Q. If H.B. 2492, if you do enforce H.B. -- excuse

01:40:21 18 me. Strike that.

01:40:21 19 If you do enforce H.B. 2492's documentary proof

01:40:25 20 of residency requirement, who would provide guidance on

01:40:29 21 whether you would reject federal forms that do not include

01:40:33 22 proof of residency?

01:40:35 23 A. I believe our county attorney.

01:40:38 24 Q. And that would be your county attorney would

01:40:41 25 work with the County Recorder?

01:40:42 1 A. Yes.

01:40:43 2 Q. Have you begun drafting any guidance to that

01:40:50 3 effect about how to treat federal forms that do not

01:40:53 4 include proof of residency?

01:40:54 5 A. Not to my knowledge.

01:40:56 6 Q. Have you received any guidance from the

01:40:59 7 Secretary of State on how you would treat federal forms

01:41:03 8 that do not include proof of residency?

01:41:06 9 A. I don't believe so.

01:41:07 10 Q. Do you know if there would be a two track system

01:41:13 11 for this requirement, similar to the dual track system for

01:41:18 12 documentary proof of citizenship?

01:41:21 13 DEFENSE COUNSEL: Form.

01:41:22 14 THE WITNESS: I don't know.

01:41:22 15 BY MS. DIBRELL:

01:41:25 16 Q. Do you know if anyone else would know this in

01:41:28 17 your office?

01:41:30 18 A. The County Recorder.

01:41:33 19 Q. What types of documents qualify for proof of

01:41:40 20 residency?

01:41:43 21 DEFENSE COUNSEL: Form. Calls for legal

01:41:43 22 conclusion.

01:41:51 23 THE WITNESS: We currently don't require proof

01:41:54 24 of residency.

01:41:55 25 BY MS. DIBRELL:

01:41:55 1 Q. Ms. Durst, I'm going show you a document that
01:42:16 2 was previously marked as Exhibit 24 during the Maricopa
01:42:24 3 deposition.

01:42:32 4 Can you see my screen, Ms. Durst?

01:42:34 5 A. Yes.

01:42:34 6 Q. And you see the sticker here that says Exhibit
01:42:39 7 24, Petty July 24, 2023?

01:42:43 8 A. Yes.

01:42:43 9 Q. Have you ever seen this document? You can take
01:42:47 10 a moment to review it.

01:42:56 11 A. I don't believe so.

01:42:58 12 Q. Has the Secretary shared any guidance with you
01:43:08 13 about what documents would be acceptable under the
01:43:11 14 documentary proof of residency requirement?

01:43:15 15 A. Not to my knowledge.

01:43:17 16 Q. Has the Secretary shared any draft guidance with
01:43:26 17 your office regarding what documents would be acceptable
01:43:30 18 under the documentary proof of residency requirement?

01:43:33 19 A. Not to my knowledge.

01:43:34 20 Q. Are you familiar with the Gonzalez stipulation?

01:43:51 21 A. No.

01:43:55 22 Q. So walking through this document, it's titled,
01:45:01 23 What Constitutes Documentary Proof of Residency, correct?

01:45:06 24 A. Hmm hmm. Correct.

01:45:07 25 Q. So previously you discussed individuals who are

01:45:17 1 homeless proving residency. Is there any, is there --
01:45:33 2 strike that.

01:45:33 3 Can someone who is homeless provide a
01:45:41 4 declaration as proof of their residency?

01:45:50 5 A. Typically it's just written on the registration
01:45:55 6 form.

01:45:59 7 Q. Is that, is that how your office would treat
01:46:09 8 applications under H.B. 2492 for individuals who are
01:46:15 9 homeless?

01:46:18 10 DEFENSE COUNSEL: Speculation.

01:46:20 11 THE WITNESS: I don't, I don't know.

01:46:23 12 BY MS. DIBRELL:

01:46:31 13 Q. At the bottom of this chart, do you see it says:
01:46:34 14 Written confirmation signed by the registrant.
01:46:37 15 They qualify to register pursuant 16-166(B) providing an
01:46:44 16 address for the homeless center.

01:46:47 17 Correct? Do you see that?

01:46:50 18 A. Yes.

01:46:53 19 Q. Are you aware of any versions of this written
01:47:01 20 confirmation that have been drafted?

01:47:03 21 A. No.

01:47:04 22 Q. Will a template be provided?

01:47:09 23 A. I'm not sure.

01:47:11 24 Q. Do you know how this will be communicated?

01:47:19 25 A. Could you please clarify? Who would communicate

01:47:29 1 that?

01:47:29 2 Q. How would your office communicate to individuals

01:47:33 3 who are homeless how they can prove their residency?

01:47:43 4 A. We haven't developed a plan for the 2492.

01:47:52 5 Q. Who would develop that plan?

01:47:54 6 A. I believe the Secretary of State, county

01:48:01 7 attorney, and Recorders.

01:48:07 8 Q. You said you are not familiar with the Gonzalez

01:48:24 9 stipulation?

01:48:24 10 A. Correct.

01:48:25 11 Q. Do you know who would be familiar with this,

01:48:27 12 with the Gonzalez stipulation?

01:48:30 13 A. It could be the County Recorder, Kristi Blair.

01:48:35 14 Q. So walking through the types of proof of

01:49:09 15 residency in this chart, do you see the first, the first

01:49:17 16 box at the top?

01:49:20 17 A. Yes. Valid/unexpired Arizona driver's license.

01:49:25 18 That one?

01:49:26 19 Q. Yes.

01:49:27 20 A. Hmm hmm.

01:49:28 21 Q. And based on this chart, it says that:

01:49:32 22 A valid and unexpired Arizona driver license or

01:49:37 23 nonoperating identification number that is properly

01:49:40 24 verified by the County Recorder satisfies the requirements

01:49:43 25 of this section.

01:49:44 1 Right?

01:49:44 2 A. Yes.

01:49:45 3 Q. And then the next row down provides another
01:50:00 4 example. It says:
01:50:04 5 A copy of valid/unexpired Arizona driver license
01:50:08 6 or identification.
01:50:10 7 Correct?

01:50:10 8 A. Yes.

01:50:11 9 Q. And that driver's license may list a PO box as
01:50:17 10 the address?
01:50:22 11 A. Correct.

01:50:23 12 Q. And the residential address, according to this,
01:50:33 13 does not need to match the address listed on the voter
01:50:37 14 registration form, right?
01:50:42 15 A. Yes. It states that.

01:50:44 16 Q. Then the next type of proof of residency listed
01:50:52 17 is tribal identification card, which includes a census
01:50:58 18 card, tribal ID card, tribal enrollment card, right?
01:51:03 19 A. Hmm hmm. Yes.

01:51:04 20 Q. And based on this chart, pursuant to 16-123:
01:51:09 21 Any of the identifying documents prescribed in
01:51:12 22 section 16-579, subsection a, paragraph 1 constitutes
01:51:18 23 satisfactory proof of location and residence.
01:51:20 24 Right?
01:51:20 25 A. Yes.

01:51:21 1 Q. And that corresponds to the tribal
01:51:23 2 identification card.

01:51:24 3 A. Yes.

01:51:25 4 Q. And then the next row says:

01:51:28 5 Pursuant to Gonzalez, the tribal ID does not
01:51:32 6 require an address be listed.

01:51:36 7 A. Correct.

01:51:37 8 Q. So -- but you are unfamiliar with this Gonzalez
01:51:44 9 stipulation?

01:51:44 10 A. That's correct.

01:51:45 11 Q. The next row lists, a utility bill, bank
01:51:58 12 statement, Arizona insurance card, Arizona vehicle
01:52:03 13 registration, property tax statement, Recorder's
01:52:05 14 certification, voter ID card, federal or state issued ID
01:52:10 15 card as proof of residency, correct?

01:52:12 16 A. Yes.

01:52:13 17 Q. And that row sites to A.R.S. 16-123, correct?

01:52:22 18 A. Yes.

01:52:30 19 MR. LANGHOFER: Ms. DiBrell, if I might. I
01:52:32 20 don't want to step on toes here. It's your deposition.
01:52:34 21 You can, obviously, ask the questions you want. But, as I
01:52:35 22 understand it, the authenticity of this document is not
01:52:39 23 really at issue. It was attached to the motions for
01:52:42 24 summary judgment. I think there was actually a
01:52:45 25 stipulation or agreement that judgment should be entered

01:52:49 1 as concerns this document. Moreover, the document says
01:52:51 2 what it says.

01:52:54 3 So you can spend your deposition time anyway you
01:52:57 4 want, but I think there's really nothing in dispute here,
01:53:01 5 so...

01:53:04 6 MS. DIBRELL: That's fair.

01:53:04 7 BY MS. DIBRELL:

01:53:05 8 Q. I just want to, Ms. Durst, based on your
01:53:09 9 experience, the documents that are listed here, that are
01:53:12 10 not in dispute, are there certain populations that will
01:53:16 11 struggle to provide this document?

01:53:19 12 DEFENSE COUNSEL: Speculation.

01:53:26 13 THE WITNESS: I'm not sure.

01:53:27 14 BY MS. DIBRELL:

01:53:32 15 Q. Do you know how the documents can be submitted?

01:53:42 16 A. How a document of proof of residency can be
01:53:47 17 submitted to our office?

01:53:49 18 Q. Yes.

01:53:50 19 A. At this time it's not being required, but I
01:53:52 20 believe it could come from the voter in person, via USPS,
01:53:56 21 or email or faxed.

01:54:01 22 Q. Thank you, Ms. Durst.

01:54:22 23 Are you aware, excuse me, of laws, policies or
01:54:27 24 guidelines that currently prohibit a person, who is not
01:54:30 25 eligible, from registering to vote in Arizona?

01:54:33 1 A. That prohibit them?

01:54:38 2 Q. Hmm hmm.

01:54:39 3 A. If they have a felony charge, that would

01:54:47 4 prohibit someone from registering to vote.

01:54:51 5 Q. So there are laws in place already in Arizona

01:54:54 6 that prohibit a person, who is not eligible, from

01:54:58 7 registering to vote?

01:54:59 8 A. Correct.

01:54:59 9 Q. So, in addition to the law that you just

01:55:07 10 mentioned, related, those with a felony, are you aware of

01:55:13 11 any others?

01:55:15 12 A. Not that I can think of.

01:55:19 13 Q. Are you aware that A.R.S. 16-183 makes it a

01:55:34 14 class 6 felony to knowingly register more than once?

01:55:39 15 A. Yes. Yes, if you are registering in multiple

01:55:47 16 states, or voting.

01:55:48 17 Q. And so generally you are aware that it's a crime

01:55:57 18 to register as an elector if you are unqualified.

01:56:01 19 A. Yes.

01:56:01 20 Q. So I'm going to return to the interrogatory

01:56:12 21 responses that you provided to consolidated plaintiffs.

01:56:51 22 Can you see my screen, Ms. Durst?

01:56:54 23 A. I can.

01:56:55 24 Q. And, again, I will show you the front page. So

01:56:59 25 this first page says it's Mohave County Recorder's Answers

01:57:01 1 to Consolidated Plaintiff's First Set of Interrogatories,

01:57:05 2 correct?

01:57:05 3 A. Yes.

01:57:06 4 Q. So turning to interrogatory No. 9.

01:57:20 5 Interrogatory No. 9 requested that you: Identify and

01:57:25 6 describe each instance in which you have established that

01:57:30 7 a non-U.S. citizen or non-county resident has registered

01:57:30 8 to vote or has voted in your county from January 1st, 2013

01:57:34 9 to present.

01:57:37 10 Correct?

01:57:37 11 A. Yes.

01:57:38 12 Q. And Mohave County, your response was:

01:57:49 13 The Mohave County Recorder does not have an

01:57:51 14 applicable answer relating to the above interrogatory.

01:57:56 15 Right?

01:57:56 16 A. Correct.

01:57:57 17 Q. You did not identify any instances in which any

01:58:02 18 non-U.S. citizen or non-county resident registered to vote

01:58:09 19 or voted in Mohave County since January 1st, 2013?

01:58:12 20 A. Can you clarify your question? I'm sorry.

01:58:32 21 Q. I just want to confirm that, in responding to

01:58:35 22 this interrogatory, you did not identify any instances in

01:58:39 23 which a non-citizen or non-county residence registered to

01:58:44 24 vote or voted in Mohave County since January 1st, 2013.

01:58:49 25 A. Correct. I'm not sure how that would be

01:59:01 1 tracked.

01:59:01 2 Q. What do you mean by you're not sure how it would
01:59:07 3 be tracked?

01:59:07 4 A. I'm not sure which data would be pulled from the
01:59:12 5 system for that date range if they were a non-U.S. citizen
01:59:17 6 or non-county resident.

01:59:23 7 Q. In responding to the interrogatory, you're not
01:59:33 8 sure how the data would have been pulled?

01:59:36 9 A. We -- like the AVID system is a live system. So
01:59:56 10 if you search for someone from 2013 to current, would we
02:00:03 11 be looking for someone that wasn't eligible but they
02:00:23 12 voted? Is that correct?

02:00:27 13 Q. So let's take a step back. So can you con -- or
02:00:37 14 are you aware, or -- sorry. Strike that.

02:00:42 15 Your office, in responding to these
02:00:44 16 interrogatories, which were verified, did not identify
02:00:47 17 anyone who committed non-citizen, who registered to vote
02:00:53 18 as a non-citizen or voted in Mohave County since 2013,
02:01:00 19 right?

02:01:00 20 A. Correct.

02:01:00 21 Q. And you can confirm that, in responding to these
02:01:06 22 interrogatories, your county did not identify anyone, any
02:01:12 23 non-residents who registered to vote or voted in Mohave
02:01:17 24 County since 2013.

02:01:28 25 A. Correct. Kristi Blair did that.

02:01:30 1 Q. So turning to your, the Mohave County Recorder's
02:02:01 2 responses to consolidated plaintiff's RFPs. I will share
02:02:13 3 my screen with you.

02:02:16 4 Are you familiar with this document?

02:02:16 5 A. Yes.

02:02:25 6 Q. I'm sorry. I couldn't hear you.

02:02:26 7 A. Yes.

02:02:27 8 Q. And the title is, it's called the Mohave County
02:02:31 9 Recorder's Response to Consolidated Plaintiff's First
02:02:34 10 Request For Production of Documents, correct?

02:02:36 11 A. Yes.

02:02:36 12 Q. And I'd like to mark this as the next exhibit.

02:02:47 13 All right. So turning to your response to

02:02:51 14 RFP 7. Request for production No. 7 asks for:

02:03:08 15 All documents and communications concerning

02:03:10 16 actual or alleged misconduct, fraud, a lack of voter

02:03:13 17 confidence, election security, or other problems related

02:03:16 18 to citizenship, residence location, or proof of

02:03:20 19 citizenship or residential addresses in voter

02:03:23 20 registration, including but not limited to bulletins,

02:03:27 21 memoranda, training manuals, policies and procedures, and

02:03:31 22 complaints or reports received from citizens and the

02:03:32 23 county's response or other documents (including internal

02:03:35 24 and external communications) evidencing the investigation

02:03:38 25 and resolution of each communication or complaint?

02:03:40 1 Right?

02:03:41 2 A. Yes.

02:03:42 3 Q. And the Mohave County Recorder's response was:

02:03:46 4 The Mohave County Recorder does not have any

02:03:48 5 documents responsive to this request.

02:03:51 6 Correct?

02:03:51 7 A. Correct.

02:03:51 8 Q. Is it still true that you have no responsive

02:03:56 9 documents in response to this request for production

02:04:00 10 No. 7?

02:04:01 11 A. To my knowledge, yes.

02:04:03 12 Q. What does your office do to identify any

02:04:12 13 instances of voter fraud?

02:04:14 14 A. If -- could I have an example of that, please?

02:04:31 15 Q. What does your office do -- I guess, I don't

02:04:39 16 have an example. I'm wondering what do you do to identify

02:04:43 17 voter fraud.

02:04:44 18 A. We, Mohave County, well, Arizona uses the ERIC

02:04:56 19 database as well so for like cross-state voters, if that's

02:05:03 20 reported to us that we have a voter and they have the same

02:05:06 21 voter, we would meet with them, but then that would be

02:05:09 22 turned over to the attorney general's office.

02:05:13 23 Q. Do you do anything else to identify instances of

02:05:16 24 voter fraud?

02:05:17 25 A. Not to my knowledge.

02:05:22 1 Q. And when you identify instances of voter fraud,
02:05:27 2 do you report them to the attorney general?

02:05:29 3 A. Yes.

02:05:30 4 Q. Are you legally required to do anything to
02:05:37 5 identify voter fraud?

02:05:43 6 A. Not that I'm aware of.

02:05:45 7 Q. What does your office do if you suspect that
02:05:48 8 voter fraud has been committed?

02:05:51 9 A. Seek legal advice from our county attorney.

02:05:56 10 Q. Other than seeking legal advice, do you conduct
02:06:03 11 any investigations into the suspected fraud?

02:06:07 12 A. If it were to be during the verification process
02:06:18 13 of signatures for an election it could also be provided to
02:06:22 14 our local law enforcement.

02:06:27 15 Q. So if you identify any suspected voter fraud,
02:06:32 16 you report it to who?

02:06:36 17 A. Typically Mohave County Sheriff's Office, and
02:06:40 18 then we would seek assistance from our county attorney.

02:06:43 19 Q. And that's in addition to, excuse me, reporting
02:06:48 20 it to the attorney general?

02:06:49 21 A. I haven't been involved in the whole process of
02:07:00 22 that. I believe it would eventually go to the Attorney
02:07:03 23 General, but I'm not sure if the findings from the
02:07:07 24 sheriff's office, where that would go if they didn't find
02:07:13 25 anything.

02:07:13 1 Q. Regardless, you report the suspected voter fraud
02:07:20 2 to someone outside of the county, the Mohave County
02:07:24 3 Recorder's Office?

02:07:25 4 A. Correct.

02:07:25 5 Q. Can citizens submit allegations about potential
02:07:33 6 voter fraud to your office?

02:07:34 7 A. Yes.

02:07:35 8 Q. How do they do that?

02:07:37 9 A. Citizens will call or send an email or a letter
02:07:44 10 by USPS.

02:07:49 11 Q. Has this happened before?

02:07:51 12 A. A time I can think of is someone received a
02:08:08 13 piece of mail to their PO box by mistake on a voter's
02:08:16 14 registration form.

02:08:19 15 Q. In that instance that you can think of, they
02:08:23 16 received -- I'm sorry.

02:08:25 17 What did they receive by mistake?

02:08:27 18 A. So a voter registered to vote at their
02:08:32 19 residential address with a mailing address of a PO box,
02:08:35 20 and they put their PO box number wrong. It then went to
02:08:42 21 someone else's PO box, and that voter then thought the
02:08:45 22 person was registering in the same location as them with
02:08:50 23 their PO box. But it was an error on the voter by making
02:08:56 24 the wrong post office number.

02:09:01 25 Q. And that error was uncovered because the person

02:09:05 1 who mistakenly received the application sent, or reported

02:09:10 2 it to your office?

02:09:12 3 A. Correct.

02:09:13 4 Q. On average, how many complaints about potential

02:09:22 5 voter fraud does your office receive per election?

02:09:25 6 A. I don't think many. Do you need a number?

02:09:45 7 Maybe ten reports per election. But that could vary of

02:09:52 8 their reasoning.

02:09:56 9 Q. What do you do when you receive these reports?

02:09:59 10 A. Typically, it depends on what it is. If they

02:10:05 11 received mail to their house for someone else, they -- if

02:10:24 12 there's found to be any wrong activity it would be turned

02:10:31 13 over to the Attorney General. But we look into it in our

02:10:35 14 office as well.

02:10:36 15 Q. And who in your office reviews these complaints

02:10:41 16 of potential voter fraud?

02:10:42 17 A. The County Recorder.

02:10:44 18 Q. Does anyone else review the complaints?

02:10:47 19 A. Not typically.

02:10:48 20 Q. Are you legally required to do anything when you

02:10:53 21 receive these complaints about potential voter fraud from

02:10:58 22 citizens?

02:10:59 23 A. I'm not sure.

02:11:02 24 Q. In addition to reporting any credible

02:11:15 25 allegations of voter fraud to the sheriff, do you report

02:11:18 1 it to the county attorney?

02:11:20 2 A. Yes.

02:11:20 3 Q. Why?

02:11:22 4 A. So they are aware of the voter information we
02:11:34 5 could be providing to the sheriff's office.

02:11:40 6 Q. What steps do you do to prevent -- or excuse
02:11:50 7 me -- what steps do you take to prevent voter fraud?

02:11:58 8 DEFENSE COUNSEL: Asked and answered.

02:12:00 9 THE WITNESS: We, well we send 90 day notices
02:12:08 10 90 days before an election. So if that mail comes back to
02:12:12 11 us, the person could eventually go inactive and not
02:12:15 12 receive the ballot by mail for an election. We also do
02:12:23 13 additional mailings, and we'll see if that mail is
02:12:28 14 returned to us from USPS or residents at the address that
02:12:32 15 that voter doesn't live there.

02:12:34 16 BY MS. DIBRELL:

02:12:35 17 Q. Are you legally required to take these steps to
02:12:39 18 prevent voter fraud?

02:12:40 19 A. Per a 90-day notice, yes.

02:12:43 20 Q. Are there any other steps you take to prevent
02:12:46 21 voter fraud?

02:12:47 22 A. Not that I'm aware of.

02:12:49 23 Q. Who is responsible for implementing these steps
02:12:54 24 to prevent voter fraud?

02:12:56 25 A. The County Recorder.

02:12:59 1 Q. Is there anything else your office does to
02:13:02 2 prevent voter fraud?
02:13:04 3 A. We do a HAVA check to be sure they're eligible,
02:13:11 4 and then on early ballots, ballots by mail we do signature
02:13:18 5 verification.
02:13:21 6 Q. And does your office do anything else to prevent
02:13:25 7 voter fraud in addition to those steps?
02:13:27 8 A. We encourage any voters to return mail to our
02:13:33 9 office if it's not addressed to them.
02:13:45 10 Q. Is there anything else that your office does to
02:13:48 11 prevent voter fraud?
02:13:49 12 A. Not that I can think of.
02:13:51 13 Q. So I'm going to show you a document that the
02:13:57 14 county produced to plaintiffs.
02:14:31 15 Can you see my screen, Ms. Durst?
02:14:33 16 A. Yes.
02:14:34 17 Q. And do you see this criminal indictment?
02:14:42 18 A. I do.
02:14:43 19 Q. Are you familiar with this document?
02:14:50 20 A. Not recently, no.
02:14:53 21 Q. Well, I'll represent to you that it was produced
02:14:57 22 to us in the production, and the first page of the
02:14:59 23 document is MOHAVE-000751.
02:15:11 24 If you would like to take a few minutes to
02:15:14 25 review this first page.

02:15:19 1 A. I've reviewed that.

02:15:21 2 Q. Is this a criminal indictment concerning a
02:15:28 3 Mohave resident who voted more than once?

02:15:31 4 A. Yes.

02:15:32 5 Q. And it's dated December 9th, 2021, correct?

02:15:34 6 A. Correct.

02:15:35 7 MS. DIBRELL: I would like to mark this as
02:15:38 8 Exhibit 56.

02:15:38 9 BY MS. DIBRELL:

02:15:44 10 Q. And, Ms. Durst, I'm going to show you another
02:15:47 11 related document. This was also produced to plaintiffs by
02:15:52 12 Mohave County, and it is Bates stamped, the first page, as
02:15:56 13 MOHAVE-000754.

02:15:58 14 Do you see that?

02:15:59 15 A. I do.

02:16:00 16 Q. And I'll scroll down so you can see the
02:16:05 17 document. If you could just please take a moment to
02:16:08 18 review that.

02:16:09 19 A. I have reviewed that.

02:16:24 20 Q. And this is a court judgment for, for the
02:16:27 21 criminal indictment that you just reviewed, correct?

02:16:30 22 A. Yes.

02:16:31 23 Q. And it notes that the defendant entered a guilty
02:16:38 24 plea, right?

02:16:38 25 A. Yes.

02:16:39 1 Q. And it is -- they entered a guilty plea on
02:16:47 2 December 9th, 2021, correct?

02:16:48 3 A. That's correct.

02:16:50 4 MS. DIBRELL: I'd like to mark this exhibit as
02:16:53 5 Exhibit 57.

02:16:56 6 BY MS. DIBRELL:

02:16:56 7 Q. Do you know how this voter fraud was discovered?

02:16:58 8 A. I believe this is during signature verification.

02:17:03 9 Q. Do you know who discovered it?

02:17:05 10 A. I believe this was discovered by 90-day notices
02:17:16 11 for signature verification, and it was provided to me from
02:17:19 12 a staff member.

02:17:20 13 Q. Ms. Durst, I'm going show you another, an email
02:17:37 14 that's related to this indictment that was also produced
02:17:40 15 to plaintiffs.

02:17:46 16 Do you see this email?

02:17:48 17 A. I do.

02:17:49 18 Q. And it is Bates stamped at the bottom right,
02:17:54 19 MOHAVE-000759, correct?

02:17:56 20 A. Correct.

02:17:57 21 Q. And this is an email from Lydia Glentz to Kristi
02:18:04 22 Blair, right?

02:18:05 23 A. Yes. That's me.

02:18:13 24 Q. Oh, it's, your previous last name was Glentz?

02:18:18 25 A. Previous last name was Glentz, correct.

02:18:21 1 Q. Okay. Thank you for the clarification.

02:18:23 2 And this email from you to Ms. Blair is dated

02:18:28 3 June 8th, 2020, right?

02:18:29 4 A. Yes.

02:18:30 5 Q. And, based on this email, you received an email
02:18:47 6 from an FBI special agent with the Phoenix field office?

02:18:53 7 A. That's correct.

02:18:54 8 Q. And they had received an information regarding
02:18:56 9 an allegation of voting fraud.

02:18:59 10 A. Yes.

02:18:59 11 Q. And he was the one who requested the records at
02:19:05 12 issue in this criminal indictment and charges that we have
02:19:09 13 been discussing, correct?

02:19:10 14 A. That is correct.

02:19:11 15 Q. And, again, this was discovered based on a
02:19:18 16 90-day check?

02:19:20 17 A. I believe they were 90-day notices that we
02:19:25 18 mailed to the residence.

02:19:29 19 Q. I see.

02:19:29 20 And so do you know who submitted the complaint
02:19:31 21 to the FBI agent?

02:19:33 22 A. I don't recall.

02:19:37 23 Q. So I better understand what happened, can you
02:19:45 24 describe how the FBI, FBI agent would have received the
02:19:49 25 complaint?

02:19:50 1 A. I don't recall if I contacted the FBI agent for
02:20:02 2 this, or if they contacted us. I don't recall.

02:20:14 3 Q. But the current 90-day notice process that your
02:20:24 4 office use, uses caught this instance of voter fraud.

02:20:28 5 A. I believe so.

02:20:29 6 Q. Is there anything to suggest that this person
02:20:34 7 was a non-citizen?

02:20:36 8 A. I don't believe so.

02:20:38 9 Q. Is there any -- do you have any reason to
02:20:45 10 believe that anything in H.B. 2492 or H.B. 2243 would have
02:20:51 11 prohibited this conduct?

02:20:53 12 A. Not to my knowledge.

02:21:01 13 Q. And this individual, this instance of voter
02:21:11 14 fraud that your county identified, she had voted on behalf
02:21:14 15 of her deceased father?

02:21:16 16 A. Yes.

02:21:17 17 Q. Is there anything in H.B. 2492 or H.B. 2243
02:21:24 18 which would have made it easier to detect this type of
02:21:28 19 voter fraud?

02:21:29 20 A. Not that I'm aware of.

02:21:39 21 Q. Have you received any other requests from an FBI
02:21:47 22 special agent concerning other complaints about potential
02:21:51 23 voter fraud?

02:21:52 24 A. Not that I can recall at this moment.

02:22:00 25 Q. You can't recall any other instances in which

02:22:08 1 you received a request from the FBI special, FBI special
02:22:13 2 agent about potential voter fraud?

02:22:16 3 A. I spoke with the special agent numerous times.
02:22:20 4 I don't recall if it was always for the same voter or if
02:22:24 5 there were additional.

02:22:26 6 Q. Has this happened on other occasions?

02:22:29 7 A. Not that I recall.

02:22:33 8 Q. Is this something that happens often?

02:22:38 9 A. It wouldn't specify as often, but we will reach
02:23:00 10 out to local law enforcement or the FBI for signatures at
02:23:07 11 times. If the voter is not able to say that they did sign
02:23:11 12 that or, when you contact the phone number listed, if the
02:23:16 13 voter is never available to come to the phone, we have
02:23:20 14 contacted them for those kinds of situations.

02:23:23 15 Q. And in those situations you reach out about the
02:23:26 16 suspected voter fraud?

02:23:28 17 A. Yes.

02:23:29 18 Q. Is there anything in H.B. 2492 or H.B. 2243 that
02:23:35 19 would make those instances of suspected voter fraud easier
02:23:42 20 to detect?

02:23:46 21 A. I don't -- not to my knowledge.

02:23:47 22 Q. Has your office received any other inquiries
02:23:51 23 from other government officials concerning complaints
02:23:55 24 about voter fraud?

02:23:56 25 A. Not that I can currently recall.

02:23:58 1 Q. Has your office received any other requests on
02:24:02 2 behalf of the federal government about suspected voter
02:24:06 3 fraud?

02:24:09 4 A. Not that I can currently recall. They would
02:24:15 5 typically contact the County Recorder.

02:24:17 6 Q. Are there any documents that you could look at
02:24:19 7 to determine whether you received any inquiries from other
02:24:22 8 government officials or the federal government about
02:24:26 9 suspected voter fraud?

02:24:28 10 A. Not that I can think of.

02:24:33 11 Q. Has your office received any inquiries from the
02:24:42 12 State of Arizona about potential voter fraud in Mohave --
02:24:47 13 voter fraud in Mohave County?

02:24:47 14 A. Not that I can think of.

02:24:52 15 Q. So I'll represent to you that these documents
02:25:11 16 were produced in response to Equity RFP No. 15.

02:25:41 17 THE VIDEOGRAPHER: Excuse me, counsel. This is
02:25:44 18 Dennis Woods, the videographer. We are getting,
02:25:47 19 approaching the end of our media. Is this a good time to
02:25:50 20 swap media?

02:25:51 21 MS. DIBRELL: I just have a few more questions
02:25:53 22 on this topic and then it would be a good time for a
02:25:56 23 break.

02:25:56 24 THE VIDEOGRAPHER: Okay. Thank you.

02:25:58 25 BY MS. DIBRELL:

02:25:59 1 Q. So, Ms. Durst, I'm going show you request for
02:26:03 2 production 15. And request for production No. 15
02:26:03 3 requests:
02:26:18 4 Documents sufficient to identify all voter fraud
02:26:20 5 cases in your county since 2010, including but not limited
02:26:23 6 to identification of those cases involving allegations of
02:26:27 7 fraud based on a non-citizen voting.
02:26:31 8 Correct?
02:26:31 9 A. Yes.
02:26:32 10 Q. And the criminal indictment that we just
02:26:38 11 discussed and the guilty plea, that is the only criminal
02:26:46 12 charge of voter fraud, that is the only instance, rather,
02:26:49 13 of voter fraud that you were able to identify in your
02:26:51 14 county since 2010.
02:26:56 15 A. To my knowledge, yes.
02:26:57 16 Q. So, to your knowledge, from 2010 to present,
02:27:04 17 you've identified only one case involving voter fraud?
02:27:08 18 A. Yes.
02:27:14 19 Q. And that one case of voter fraud since 2010 did
02:27:21 20 not involve a non-citizen voting, or a non-resident
02:27:27 21 voting.
02:27:27 22 A. To my knowledge, correct.
02:27:29 23 Q. So I quickly -- and this will be my last
02:27:33 24 question on this topic -- want to turn to your response to
02:27:41 25 consolidated plaintiff's interrogatory No. 9. And

02:27:50 1 interrogatory No. 9 requested that you:

02:27:52 2 Identify and describe each instance in which you

02:27:53 3 have established that a non-U.S. citizen or non-county

02:27:56 4 resident has registered to vote or has voted in your

02:27:58 5 county from January 1, 2013 to present, including but not

02:28:01 6 limited to any supporting evidence thereof, any documents

02:28:04 7 and communications related to such instance, whether such

02:28:08 8 instance involved misconduct, fraud, or mistake, and any

02:28:11 9 instance in which your office informed such non-U.S.

02:28:11 10 citizen or non-county resident that they were eligible to

02:28:18 11 vote in the county and later determined they were actually

02:28:20 12 ineligible.

02:28:21 13 Correct?

02:28:22 14 A. Correct.

02:28:23 15 Q. And you answered that:

02:28:23 16 The Mohave County Recorder does not have an

02:28:27 17 applicable answer relating to the above interrogatory.

02:28:30 18 Right?

02:28:30 19 A. Yes.

02:28:31 20 Q. You are not aware of any other instances of

02:28:33 21 voter fraud that have occurred in Mohave County since

02:28:39 22 2013?

02:28:39 23 DEFENSE COUNSEL: Form.

02:28:40 24 THE WITNESS: Not that I can recall, besides

02:28:47 25 what we just discussed, that have been found.

02:28:47 1 BY MS. DIBRELL:

02:28:54 2 Q. Do you have any reason to believe there are

02:28:56 3 other instances of voter fraud that have not been found?

02:29:00 4 A. No.

02:29:08 5 MS. DIBRELL: All right. We can take a break.

02:29:10 6 I think this is a good time.

02:29:11 7 THE WITNESS: Okay.

02:29:12 8 THE VIDEOGRAPHER: We are off the record. Time

02:29:14 9 on the video monitor is 2:29 p.m. This ends Media No. 2.

02:29:20 10 (Recess taken from 2:29 p.m. to 2:45 p.m.)

02:45:05 11 THE VIDEOGRAPHER: We are on the record. Time

02:45:11 12 on the video monitor is 2:45 p.m. This begins Media

02:45:17 13 No. 3.

02:45:20 14 BY MS. DIBRELL:

02:45:22 15 Q. Ms. Durst, I just have a few more questions for

02:45:25 16 you.

02:45:26 17 What is your understanding for how H.B. 2492 and

02:45:31 18 2243, how it will make voter registration more difficult

02:45:36 19 for election officials.

02:45:39 20 DEFENSE OBJECTION: Form.

02:45:41 21 Speculation -- strike that. Withdraw objection.

02:45:49 22 THE WITNESS: I don't believe we currently have

02:45:50 23 a process, but it will make voters provide more

02:46:00 24 information.

02:46:01 25 BY MS. DIBRELL:

02:46:01 1 Q. Your office will have to process that additional
02:46:05 2 information?
02:46:06 3 A. Yes.
02:46:09 4 Q. Will that -- I'm sorry. Go on.
02:46:11 5 A. Or have to send notification to the voters to
02:46:16 6 get the additional information.
02:46:18 7 Q. So that will be more work for your office when
02:46:22 8 you enforce H.B. 2492 and H.B. 2243?
02:46:31 9 A. That would be correct.
02:46:32 10 Q. And voter registrants themselves will have to
02:46:35 11 submit more information with their forms?
02:46:37 12 A. Yes.
02:46:37 13 Q. Will that make it harder for them to register to
02:46:42 14 vote since they have to provide more information?
02:46:45 15 A. I believe it could be difficult.
02:46:46 16 Q. Do you know if Mohave County provided any
02:46:55 17 feedback on either one of the challenge provisions?
02:47:01 18 A. I'm not sure.
02:47:02 19 Q. Ms. Durst, I'm going show you another document
02:47:06 20 that was produced to us.
02:47:15 21 Can you see my screen?
02:47:17 22 A. Yes.
02:47:17 23 Q. This was produced as MOHAVE-000358.
02:47:24 24 Do you see that?
02:47:25 25 A. Yes.

02:47:26 1 Q. And please take a moment to review this
02:47:29 2 document. And let me know when you're ready.

02:47:41 3 A. I have reviewed it.

02:47:48 4 Q. And is this an email confirmation from the
02:47:54 5 Arizona Association of Counties regarding a comment from
02:47:59 6 Mohave County Recorder Kristi Blair on H.B. 2492?

02:48:03 7 A. It is.

02:48:04 8 Q. And what is the Arizona Association of Counties?

02:48:07 9 A. It's an association for all 15 counties to
02:48:15 10 assist them in the legislative process.

02:48:21 11 Q. What do they do?

02:48:23 12 A. They will be lobbyists for the County Recorders
02:48:26 13 and speak on their behalf to the legislation.

02:48:32 14 Q. So, as lobbyists for the County Recorders, do
02:48:35 15 they solicit feedback on legislative bills?

02:48:38 16 A. Typically, yes.

02:48:39 17 Q. Does Mohave County typically provide feedback on
02:48:43 18 legislative bills?

02:48:44 19 A. That's sent to the County Recorder, and it would
02:48:49 20 be to her discretion.

02:48:51 21 Q. And the County Recorder did provide feedback on
02:48:58 22 H.B. 2492, correct?

02:49:01 23 A. Yes.

02:49:02 24 Q. And, based on the date of the document, she
02:49:05 25 submitted this feedback on January 18, 2022, right?

02:49:09 1 A. Yes.

02:49:10 2 Q. And Ms. Blair's feedback on 2492, she suggested

02:49:23 3 opposing H.B. 2492. Is that correct?

02:49:27 4 A. Yes.

02:49:28 5 Q. And Ms. Blair submitted a comment regarding the

02:49:35 6 projected impact of H.B. 2492.

02:49:38 7 Do you see that?

02:49:39 8 A. I do.

02:49:39 9 Q. And Ms. Blair stated, regarding H.B. 2492:

02:49:45 10 It's difficult to get past the part where we are

02:49:49 11 charged with a felony if an error is made.

02:49:52 12 Correct?

02:49:53 13 A. Yes.

02:49:53 14 Q. Can you explain to me how H.B. 2492 puts

02:49:59 15 election officials for registering voters at risk of

02:50:03 16 facing criminal charges?

02:50:06 17 DEFENSE COUNSEL: Form.

02:50:07 18 THE WITNESS: Could we review the House Bill

02:50:11 19 2492?

Q. And let me know when you're ready.

DEFENSE COUNSEL: I'll object because it calls for a legal conclusion.

THE WITNESS: I don't know that I'm able to locate it in the printout I have of H.B. 2492. And I don't recall a specific language that says we would be charged with a felony.

BY MS. DIBRELL:

Q. That's okay.

Do you know why Ms. Blair was concerned that she could face felony charges if an error was made under H.B. 2492?

A. I'm not sure why.

Q. Has this issue been discussed at all in the Mohave County Recorder's Office?

A. Not that I recall.

Q. Did the Mohave County Recorder's Office oppose H.B. 2492 for any other reasons?

A. Not that I'm aware of.

Q. Who would know if the County Recorder opposed H.B. 2492 for other reasons?

A. The County Recorder herself, Kristi Blair.

02:53:49 12 And I would like to mark MOHAVE-000358 as

02:54:01 14 And, then, Ms. Durst, I'm going to show you
02:54:04 15 another document that was produced to plaintiffs. It's
02:54:10 16 MOHAVE-000709. Do you see that? That's the first page of
02:54:14 17 the document.

02:54:15 18 A. I do.

02:54:22 19 Q. And please take a moment to review it.

02:54:48 20 A. Okay. I have reviewed that.

02:54:49 21 Q. Okay. And is this a weekly update from the
02:54:54 22 Arizona Association of Counties to the County Recorders?

02:54:58 23 A. Yes.

Q. And this weekly update from the Arizona Association of Counties to the County Recorders includes a bullet on H.B. 2492. Is that correct?

A. Yes.

Q. And here, I can zoom in for you. Can you see that bullet?

A. Yes.

Q. And it states, regarding H.B. 2492 Registration Verification Steps: (Jen): This bill has many of the same issues as 2617 and how we would access the database as the bill requires. This bill was heard late Wednesday night and the committee passed it along party lines. Is that correct?

A. Yes.

Q. What issues concerning how County Recorders would access databases is this email referring to?

A. I'm sorry?

Q. The issues -- the email says that there would be issues accessing the databases that the bill requires, correct?

A. Yes.

02:57:28 18 A. Yes.

02:57:28 19 Q. And it's dated January 14th, 2022.

02:57:32 20 A. Correct.

02:57:34 21 MS. DIBRELL: I'd like to mark this as

02:57:39 24 Q. Now, in this email Ms. Blair asked Natalie
02:57:43 25 Collings to give her feedback on the bill, correct?

02:57:46 1 A. Yes.

02:57:47 2 Q. And Ms. Blair states, quote, I'll share with you
02:57:50 3 that there are some real crazy ones. I've been keeping up
02:57:54 4 with them, end quote. Is that correct?

02:57:55 5 A. Yes.

02:57:56 6 Q. Do you know which real crazy bills she was
02:58:01 7 referring to?

02:58:02 8 A. I don't.

02:58:03 9 Q. Did you ever have any conversations with
02:58:07 10 Ms. Blair about the bills that she was keeping track of?

02:58:11 11 A. Not that I recall.

02:58:13 12 Q. And would -- who in your office would know what
02:58:19 13 Ms. Blair was referring to here?

02:58:22 14 A. I would think just her.

02:58:33 15 MS. DIBRELL: Ms. Durst, that is the end of my
02:58:35 16 questions. I think some of my colleagues would also have
02:58:41 17 a few follow-up questions as well. But thank you for your

02:58:46 21 EXAMINATION

02:58:46 22 BY MS. McCABE:

02:58:51 23 Q. Hi, Ms. Durst. My name is Erica McCabe. I
02:58:51 24 represent Poder Latinx and Chicanos Por La Causa.

02:58:51 25 (Audio difficulty.)

02:58:51 1 (A brief off-the-record discussion with the
02:58:51 2 Reporter ensued.)
02:59:22 3 BY MS. McCABE:
02:59:22 4 Q. Let me know, Ms. Durst, if there's ever any
02:59:22 5 problem hearing me and I will repeat my question.
02:59:23 6 I'd like to briefly circle back to the DPOC
02:59:27 7 requirements for new voter registration applicants?
02:59:30 8 Has your office ever been given a specific list
02:59:33 9 of means by which a voter registration applicant can be
02:59:37 10 deemed or proven a non-citizen?
02:59:41 11 A. To clarify, if we have been given a list that
02:59:49 12 they have been deemed a non-citizen?
02:59:51 13 Q. A list of ways by which your office might deem
02:59:55 14 someone a non-citizen.
02:59:57 15 A. Not to my knowledge.
03:00:01 16 Q. Has your office ever been given a specific list
03:00:04 17 of means by which a currently registered Arizona voter
03:00:09 18 could be deemed or proven a non-citizen?
03:00:12 19 A. Not to my knowledge.
03:00:14 20 Q. If implemented, the A.R.S. 16-121.01(E) requires
03:00:27 21 the County Recorder to, sorry, the County Recorder to
03:00:35 22 reject a voter registration application if it matches that
03:00:37 23 applicant with information that the applicant is not a
03:00:41 24 United States citizen, correct?
03:00:42 25 A. Yes.

03:00:43 1 Q. If information from a government or voter
03:00:48 2 registration database suggested that a voter registration
03:00:51 3 applicant was not a U.S. citizen, would you consider that
03:00:56 4 information valid?

03:00:57 5 A. I'm sorry. Can you say that again?

03:00:59 6 Q. Sure.

03:01:00 7 If information from a government, or a voter
03:01:04 8 registration database suggested that a voter registration
03:01:07 9 applicant was not a U.S. citizen, would you consider that
03:01:11 10 information valid?

03:01:13 11 A. If that would be known as like a HAVA check,
03:01:19 12 yes.

03:01:20 13 Q. Are there any -- well, let me get to that in a
03:01:31 14 second.

03:01:31 15 Would you -- is data from a government database,
03:01:34 16 showing non-citizenship from two decades ago, information
03:01:40 17 that a person is not a citizen today?

03:01:43 18 DEFENSE COUNSEL: Objection; calls for a legal
03:01:48 19 conclusion. Form.

03:01:48 20 BY MS. McCABE:

03:01:48 21 Q. I'll restate that question.

03:01:54 22 A. Okay.

03:01:54 23 Q. Is data or information that you received from a
03:01:57 24 government database that shows a voter registration
03:02:00 25 applicant is a non-citizen, but that information is two

03:02:03 1 decades old, would your office, when determining whether
03:02:07 2 or not to accept or reject the application, deem that two
03:02:12 3 decades old information as proof or evidence that the
03:02:16 4 applicant is not a U.S. citizen today?

03:02:19 5 DEFENSE COUNSEL: Speculative. Speculation.

03:02:26 6 THE WITNESS: I believe we would notify the
03:02:29 7 voter asking for more information by a notice.

03:02:39 8 BY MS. McCABE:

03:02:40 9 Q. Would that notice reject the application or put
03:02:42 10 it in a pending status?

03:02:44 11 A. It would be in a suspense status, awaiting
03:02:49 12 verification.

03:02:49 13 Q. And what does that process entail, sending the
03:02:53 14 notice?

03:02:55 15 A. You would input all the data into the voter
03:02:59 16 registration database, and then when that would come back
03:03:02 17 you would put them into suspense reason for awaiting
03:03:10 18 verification. And then a notice to them would be mailed
03:03:14 19 within ten days stating the status of their voter
03:03:19 20 registration and what we need from them, in order to be
03:03:21 21 eligible to vote.

03:03:23 22 Q. Is there ever a period in which that application
03:03:26 23 would then be rejected?

03:03:29 24 A. For a voter to go from a suspense status to a
03:03:36 25 canceled status, we follow Arizona State statute, but it's

03:03:43 1 a very long time.

03:03:45 2 Q. Do you know how --

03:03:45 3 A. I want to say it's two federal election cycles.

03:03:51 4 Q. Okay. So, aside from those government
03:03:53 5 databases, what are other sources of information that you
03:03:58 6 would consider valid for the purposes of determining that
03:04:01 7 a voter registration applicant was not a U.S. citizen?

03:04:09 8 DEFENSE COUNSEL: Calls for a legal conclusion.

03:04:14 9 THE WITNESS: I don't -- I'm not sure.

03:04:14 10 BY MS. McCABE:

03:04:17 11 Q. Would you accept a phone call from a law
03:04:25 12 enforcement agency in a different state suggesting that an
03:04:28 13 applicant is not a U.S. citizen as information valid for
03:04:32 14 showing a lack of citizenship?

03:04:43 15 A. I don't know.

03:04:51 16 Q. Would you accept an anonymous letter to your
03:04:59 17 office suggesting that a voter registration applicant was
03:05:02 18 not a U.S. citizen as valid information for the purposes
03:05:05 19 of determining that registrant, or that applicant's
03:05:09 20 citizenship?

03:05:10 21 A. I don't know.

03:05:18 22 Q. What about a list provided by a third party
03:05:24 23 organization like True the Vote? If you received
03:05:33 24 information from a third party organization suggesting
03:05:36 25 that a voter registration applicant was not actually a

03:05:39 1 U.S. citizen, would your office consider that information
03:05:42 2 valid for determining if that applicant was or was not a
03:05:46 3 U.S. citizen?

03:05:47 4 A. I don't believe so at this time.

03:05:49 5 Q. By what means can you confirm the authenticity
03:05:57 6 of such information that a voter registration applicant is
03:06:01 7 not a U.S. citizen?

03:06:03 8 A. When someone registers to vote and it's inputted
03:06:17 9 into the database and the HAVA check is completed, it
03:06:21 10 typically doesn't revert back to them not being a citizen
03:06:25 11 after they're already a valid registrant.

03:06:29 12 Q. What about, what, what if a person called in
03:06:51 13 saying they're the voter in question, identifying
03:06:54 14 themselves and suggesting, and providing information about
03:06:56 15 their citizenship status one way or the other? Would you
03:07:01 16 consider that valid information under the statute?

03:07:05 17 DEFENSE COUNSEL: Speculation.

03:07:07 18 THE WITNESS: If a voter was calling to provide
03:07:10 19 their DPOC, we would have to have a form of that. We
03:07:13 20 could not take it over the phone.

03:07:24 21 BY MS. McCABE:

03:07:24 22 Q. What if they called to tell you they were not a
03:07:28 23 citizen? Is it the same? That you would need to --

03:07:31 24 DEFENSE COUNSEL: Speculation.

03:07:32 25 THE WITNESS: If a voter called saying they were

03:07:35 1 not eligible to be a voter any longer for any reason, we
03:07:38 2 would need their signature and identifying information to
03:07:42 3 cancel their voter registration.

03:07:42 4 BY MS. McCABE:

03:07:50 5 Q. Under House Bill 2243 by what means can you
03:07:54 6 confirm the accuracy of information that a registered
03:07:57 7 voter is not a U.S. citizen?

03:08:03 8 DEFENSE COUNSEL: Calls for a legal conclusion.

03:08:05 9 THE WITNESS: We don't currently follow the
03:08:07 10 House Bill.

03:08:09 11 BY MS. McCABE:

03:08:10 12 Q. Okay. If implemented, by what means would your
03:08:14 13 office use to confirm the accuracy of information that a
03:08:18 14 registered voter is not a U.S. citizen?

03:08:23 15 DEFENSE COUNSEL: Form.

03:08:24 16 THE WITNESS: If it's implemented, they would
03:08:35 17 need to provide the DPOC.

03:08:41 18 BY MS. McCABE:

03:08:42 19 Q. For already registered voters.

03:08:45 20 A. I'm sorry, then, could you ask the question
03:08:47 21 again?

03:08:49 22 Q. Sure. If implemented, House Bill 2243 requires
03:08:56 23 a County Recorder to confirm whether registered voters are
03:09:03 24 citizens.

03:09:04 25 By what means would you confirm the accuracy of

03:09:08 1 information that a registered voter is not a citizen?

03:09:15 2 A. I don't know.

03:09:15 3 Q. What is the database relating to voter
03:09:20 4 registration?

03:09:20 5 A. Could you clarify that?

03:09:26 6 Q. Sure. Under A.R.S. 16-121.01, section D(5), the
03:09:37 7 statute provides that, any other state, town, county, or
03:09:40 8 federal database and any other database relating to voter
03:09:45 9 registration which the County Recorder or officer in
03:09:49 10 charge of the election has access, including an electronic
03:09:52 11 registration information center or a database.

03:09:55 12 DEFENSE COUNSEL: Calls for legal conclusion.

03:10:00 13 BY MS. McCABE:

03:10:00 14 Q. How does your office define a database relating
03:10:04 15 to voter registration?

03:10:06 16 DEFENSE COUNSEL: Same objection.

03:10:08 17 THE WITNESS: Well, we use the Arizona voter
03:10:11 18 information database provided by the Secretary of State.

03:10:16 19 BY MS. McCABE:

03:10:18 20 Q. Are there any other databases that you would
03:10:21 21 consider in your capacity -- sorry -- that your office
03:10:24 22 would consider as a database relating to voter
03:10:31 23 registration?

03:10:31 24 A. I don't know that they would be considered a
03:10:45 25 database.

03:10:48 1 Q. What do you mean?

03:10:49 2 A. Like the Motor Vehicle Division, how people can
03:10:53 3 submit an online registration form, but then that comes,
03:11:00 4 essentially, to our database.

03:11:02 5 Q. Would you consider, or would your office
03:11:10 6 consider information received from another state's
03:11:13 7 government agency, say California county sheriff's office,
03:11:18 8 as valid information for determining U.S. citizenship of
03:11:24 9 Arizona voter registration applicants?

03:11:27 10 DEFENSE COUNSEL: Asked and answered and
03:11:29 11 speculative.

03:11:34 12 THE WITNESS: I don't believe so.

03:11:36 13 BY MS. McCABE:

03:11:36 14 Q. I'm going to ask some questions now about the
03:11:40 15 Motor Vehicle Division that we were just speaking of.

03:11:43 16 Is your office able to interface with the
03:11:45 17 Arizona Department of Transportation's Motor Vehicle
03:11:50 18 Division's driver license or nonoperating license
03:11:54 19 database?

03:11:56 20 A. Could you explain that, please?

03:11:58 21 Q. Do you have access to the, let's just call it
03:12:01 22 the MVD's driver license or nonoperating license database?

03:12:07 23 A. Their database, no.

03:12:10 24 Q. How do you use the MVD, then, for the purposes
03:12:14 25 of U.S. citizenship verification?

03:12:19 1 A. We would use it through a HAVA check, the Help
03:12:26 2 America Vote Act, and that would then pop-up the voter's
03:12:31 3 name, address, their driver's license number, date of
03:12:34 4 birth, last four of their social, in compared to what
03:12:38 5 we've entered from the form received.

03:12:44 6 Q. You don't have access to look within the MVD
03:12:49 7 driver license or non-operating license databases,
03:12:52 8 independent of a HAVA check?

03:12:55 9 A. Correct.

03:12:55 10 Q. Okay. Do you also use that process for
03:13:03 11 investigating the citizenship status of already registered
03:13:07 12 voters?

03:13:08 13 A. We don't currently check the citizen status of
03:13:16 14 this House Bill.

03:13:17 15 Q. If this law is implemented, how will you, or
03:13:28 16 will you, use these same protocols to investigate the
03:13:31 17 citizenship status of already registered voters?

03:13:42 18 DEFENSE COUNSEL: Speculative.

03:13:46 19 THE WITNESS: We don't currently have procedures
03:13:47 20 to follow for this.

03:13:57 21 BY MS. McCABE:

03:13:57 22 Q. You also testified that you use the Access Voter
03:14:01 23 Information Database to investigate citizenship, correct,
03:14:04 24 the AVID database?

03:14:07 25 A. We use -- yes. HAVA is within AVID.

03:14:13 1 Q. How do you perform citizen checks using AVID?

03:14:20 2 A. Well, AVID is the voter registration database

03:14:24 3 that has HAVA check within it. We input the data into

03:14:29 4 AVID and then it's ran against HAVA.

03:14:32 5 Q. Understood.

03:14:32 6 Do you use AVID for any reason other than the

03:14:35 7 HAVA check?

03:14:37 8 A. It's the voter registration database.

03:14:41 9 Q. I apologize. That question wasn't clear.

03:14:45 10 For the purposes of investigating citizenship,

03:14:48 11 are there any other tools within AVID, beyond the HAVA

03:14:53 12 check, that you use to investigate citizenship of voter

03:14:56 13 registration applicants or -- well, let's leave it there.

03:14:58 14 A. Not within AVID, but we, we can also use the

03:15:03 15 SAVE program.

03:15:04 16 Q. Okay. Before we jump into the SAVE program.

03:15:13 17 Does your county have a memoranda of

03:15:15 18 understanding, or a memorandum of agreement with the MVD

03:15:20 19 to govern the sharing of data?

03:15:25 20 A. I'm not sure.

03:15:26 21 Q. Is there someone who would know?

03:15:32 22 A. The County Recorder may know that or the

03:15:38 23 Secretary of State.

03:15:39 24 Q. Has your office encountered any instances where

03:15:44 25 a voter registration applicant who is a U.S. citizen was

03:15:48 1 flagged erroneously as a non-citizen by way of search
03:15:52 2 through the MVD databases or through a HAVA check?
03:15:56 3 A. There was a time that was an error.
03:16:05 4 Q. When was that?
03:16:06 5 A. I don't know a specific date. It was alerted to
03:16:20 6 us from the Secretary of State.
03:16:24 7 Q. What, what did your office do in that situation?
03:16:27 8 A. We did not provide, we didn't -- we stopped
03:16:33 9 doing voter registration forms until it was fixed.
03:16:40 10 Q. You stopped accepting voter registrations?
03:16:43 11 A. We held off until, yes, the HAVA was fixed
03:16:50 12 through the MVD for the citizenship verification.
03:16:54 13 Q. How long of a period was that?
03:16:56 14 A. Less than a week.
03:17:04 15 Q. Would this have been in October of 2022?
03:17:09 16 A. I believe it was prior to 2022.
03:17:13 17 Q. Okay. Do you recall an incident from October of
03:17:20 18 '22 of a database matching, or when database matching
03:17:25 19 produced erroneous results and caused a downgrading of
03:17:30 20 thousands of voters to a federal only voting status?
03:17:36 21 A. Not that comes to the forefront of my mind.
03:17:41 22 Q. So I want to go back to the time when the
03:17:54 23 Secretary of State alerted you to an erroneous citizenship
03:17:59 24 determination.
03:18:00 25 A. Hmm hmm.

03:18:01 1 Q. Can you give me any more detail on that
03:18:04 2 particular incident?

03:18:06 3 A. In the voter registration database you, you can
03:18:16 4 place a ticket to them for any errors that are happening,
03:18:22 5 and it was alerted to the Secretary of State by many
03:18:25 6 counties, and then they had sent out an email notifying
03:18:29 7 us, and it was that we would hold off on voter
03:18:33 8 registration forms until it was completed.

03:18:36 9 Q. What circumstances alerted the multiple counties
03:18:41 10 to this issue?

03:18:42 11 A. It's typically when someone is a valid
03:18:47 12 registered voter and you've already matched their new
03:18:50 13 registration form that they are submitting to their
03:18:53 14 current form, you're marrying those. You don't go from an
03:18:58 15 active valid registered voter to a not eligible, or you
03:19:03 16 need to provide citizenship.

03:19:04 17 Q. About how many voters were impacted during this
03:19:08 18 incident?

03:19:08 19 A. I'm not sure.

03:19:10 20 Q. Do you have any, an estimation?

03:19:17 21 A. I don't.

03:19:18 22 Q. Would it have been five voters?

03:19:22 23 A. I believe when we received the notice we hadn't
03:19:28 24 processed many, so we could say less than ten.

03:19:31 25 Q. Less than ten.

03:19:34 1 And I know you mentioned this was before 2022.

03:19:38 2 Do you recall how many years before 2022?

03:19:41 3 A. I would, I would say it happened in the past

03:19:59 4 three years, in that time frame, from 2020 to current.

03:20:06 5 Q. When you said less than ten, was that less than

03:20:09 6 ten in Mohave County, or less than ten statewide?

03:20:12 7 A. Mohave County.

03:20:13 8 Q. Do you know how many voters were impacted across

03:20:17 9 the state?

03:20:17 10 A. I don't.

03:20:18 11 Q. And -- well, I guess I should ask.

03:20:19 12 Was this is a statewide problem, or was it only

03:20:22 13 certain counties?

03:20:23 14 A. 13 out of the 15 counties use AVID directly, so

03:20:32 15 I believe it would be for us 13 counties directly it was

03:20:37 16 an error.

03:20:43 17 Q. So with this error, it's possible that if people

03:20:47 18 are erroneously identified as not having shown DPOC,

03:20:52 19 including up to shortly before an election, that they

03:20:56 20 could be erroneously identified as non-citizens under the

03:21:00 21 new House Bills 2492 and 2243, right?

03:21:05 22 DEFENSE COUNSEL: Form.

03:21:08 23 THE WITNESS: Could you say that one more time?

03:21:12 24 I'm sorry.

03:21:14 25 BY MS. McCABE:

03:21:15 1 Q. Well, I'll say that a different way.

03:21:17 2 Does this error, that you have identified, give
03:21:22 3 you any pause about the accuracy of these systems in use
03:21:29 4 for identifying the voter's citizenship status?

03:21:37 5 DEFENSE COUNSEL: Form.

03:21:39 6 THE WITNESS: No.

03:21:41 7 BY MS. McCABE:

03:21:42 8 Q. What does your office do in the event that you
03:21:45 9 can't match the voter registration applicant or the
03:21:49 10 registered voter to any record in the MVD database or the
03:21:53 11 HAVA database?

03:21:54 12 A. They would receive a notice. But it depends how
03:21:59 13 the form is received. If they register to vote through
03:22:03 14 the MVD they would already have an Arizona driver's
03:22:06 15 license. If they registered on the form and they didn't
03:22:09 16 list that, they would receive a notification that we need
03:22:12 17 additional information for their voter registration
03:22:16 18 record.

03:22:16 19 Q. Are there any alternative verification processes
03:22:21 20 beyond the HAVA check or the MVD database?

03:22:24 21 A. Not that I'm aware of.

03:22:26 22 Q. If you identify a registration applicant who
03:22:31 23 still holds an F-type license and that person is -- I'm
03:22:34 24 sorry. Let me restate that.

03:22:35 25 If you identify a registration applicant who

03:22:38 1 still holds an F-type license, that person is required to
03:22:41 2 present their naturalization certificate or naturalization
03:22:46 3 certificate number or other form of DPOC. Is that
03:22:48 4 correct?

03:22:48 5 A. Yes.

03:22:48 6 Q. And do you check that naturalization certificate
03:22:52 7 number against a database?

03:22:54 8 A. I'm not sure.

03:22:58 9 Q. Is there someone who would know?

03:23:01 10 A. The County Recorder, Kristi Blair.

03:23:05 11 Q. What do you do if you cannot match a
03:23:29 12 naturalization certificate number, or an alien
03:23:37 13 registration number?

03:23:40 14 A. We would provide their information to the County
03:23:44 15 Recorder, and, I believe, she would go to the SAVE
03:23:47 16 program.

03:23:54 17 Q. If you identify a registered voter who has
03:23:59 18 already satisfied the DPOC requirement but still holds an
03:24:02 19 F-type license, is that information that the registered
03:24:06 20 voter is not, in fact, a U.S. citizen?

03:24:08 21 A. I'm sorry. Could you say that one more time?

03:24:10 22 Q. Sure.

03:24:12 23 If you identify a registered voter who already
03:24:14 24 satisfied the DPOC requirement but still holds an F-type
03:24:18 25 license, so this is a registered voter, is that

03:24:21 1 information that the registered voter is not, in fact, a
03:24:23 2 U.S. citizen?

03:24:26 3 DEFENSE COUNSEL: Calls for legal conclusion.

03:24:29 4 BY MS. McCABE:

03:24:31 5 Q. For the purposes of their voter registration
03:24:35 6 status.

03:24:36 7 A. I don't believe so.

03:24:38 8 Q. Okay. Let's get into the SAVE system.

03:24:45 9 What is the SAVE database, or the SAVE system?

03:24:49 10 A. It's the Systematic Alien Verification for
03:25:05 11 Entitlements.

03:25:05 12 Q. Do you have access to the SAVE system?

03:25:08 13 A. I personally do not.

03:25:10 14 Q. Does your office have access?

03:25:12 15 A. The County Recorder does.

03:25:14 16 Q. And, just to confirm, as the 30(b)(6)
03:25:22 17 deposition, or deponent, you are speaking on behalf of
03:25:25 18 your whole office. So these questions will be directed to
03:25:28 19 the office of the County Recorder and not just you in your
03:25:31 20 personal capacity. Okay?

03:25:33 21 A. Okay.

03:25:33 22 Q. Do you currently, you as in the County
03:25:37 23 Recorder's Office, currently use the SAVE system for the
03:25:39 24 purposes of U.S. citizenship verification?

03:25:43 25 A. Yes.

03:25:43 1 Q. In what circumstances do you use the SAVE
03:25:47 2 system?

03:25:49 3 A. I'm not sure on all circumstances.

03:25:52 4 Q. Are you -- could you identify some circumstances
03:25:56 5 in which you use the SAVE system?

03:25:58 6 A. We just give the information we receive or find
03:26:05 7 to the Recorder and she makes that determination.

03:26:11 8 Q. Who is we?

03:26:12 9 A. Anyone processing the voter registration form,
03:26:14 10 the office specialist, voter registration specialists or
03:26:14 11 myself.

03:26:20 12 Q. What kind of information would you pass out to
03:26:23 13 the County Recorder?

03:26:30 14 A. The voters, if they're already registered, they
03:26:30 15 would have an AVID ID number, their name, typically
03:26:35 16 provide their form to her.

03:26:36 17 Q. And sitting here today, you do not know what
03:26:38 18 circumstances then she would use the SAVE system, under
03:26:42 19 which she would use the SAVE system?

03:26:44 20 A. Correct.

03:26:45 21 Q. Do you know how frequently your office uses the
03:26:51 22 SAVE system?

03:26:52 23 A. I don't know.

03:26:52 24 Q. Do you know how long Mohave County has been
03:26:57 25 using the SAVE system?

03:26:58 1 A. I believe since at least 2018.

03:27:27 2 Q. When you pass information on to the County

03:27:40 3 Recorder, do you include the A number, or the certificate

03:27:45 4 of naturalization number?

03:27:48 5 A. It would typically be on the voter registration

03:27:51 6 form completed by the citizen.

03:27:58 7 Q. Is it, is it feasible to use the SAVE system to

03:28:11 8 determine a voter registration applicant's current U.S.

03:28:17 9 citizenship status?

03:28:18 10 A. I'm not sure.

03:28:19 11 Q. Is it feasible to use a SAVE system to determine

03:28:27 12 a registered voter's current -- oh, no, I'm so sorry.

03:28:30 13 Is it feasible to use the SAVE system to

03:28:33 14 conclusively determine a lack of U.S. citizenship?

03:28:59 24 Q. Can the SAVE system be used to confirm that a

03:29:03 25 registered voter is not a U.S. citizen?

03:29:06 1 A. Yes.

03:29:07 2 Q. What's your basis for that? What is your basis

03:29:16 3 for saying that?

03:29:19 4 A. My understanding is you would be putting in

03:29:23 5 information and it would come back to you if that, if

03:29:28 6 they're a citizen or not.

03:29:32 7 Q. Your office would use SAVE as like the

03:29:36 8 conclusive evidence of citizenship then?

03:29:39 9 A. Yes.

03:29:39 10 Q. What -- does that UCIS have an alternate

03:29:56 11 verification process -- USCIS have an alternate

03:30:02 12 verification process?

03:30:03 13 DEFENSE COUNSEL: Form and foundation.

03:30:05 14 THE WITNESS: I'm sorry. Who?

03:30:09 15 BY MS. McCABE:

03:30:10 16 Q. The United States Citizenship and Immigration

03:30:13 17 Services.

03:30:14 18 A. Hmm hmm.

03:30:14 19 Q. Do they have any alternate verification

03:30:21 20 processes aside from the SAVE?

03:30:23 21 A. I don't know.

03:30:23 22 Q. Has your office ever communicated with the USCIS

03:30:32 23 about H.B. 29 -- oh, sorry -- 2492 or 2243?

03:30:35 24 A. Not that I'm aware of.

03:30:37 25 Q. In terms of resources and access and training,

03:30:40 1 is it practical for your office to use the SAVE system for
03:30:45 2 citizenship verification?

03:30:51 3 A. I'm not sure.

03:31:01 4 Q. House Bill 2492 instructs your office to use all
03:31:04 5 available resource to perform these MVD database searches.
03:31:08 6 Is that possible?

03:31:09 7 A. Is it possible?

03:31:14 8 Q. Hmm hmm. Yes.

03:31:17 9 A. Well, we don't currently have a process for
03:31:26 10 that.

03:31:33 11 Q. I will ask it another way.

03:31:39 12 What would be the cost of using all of your
03:31:43 13 office's available resources for citizenship verification?

03:31:48 14 A. I'm not sure.

03:31:56 15 Q. Does your office have capacity to dedicate all
03:32:01 16 of its resources to citizenship verification and still
03:32:05 17 complete the other tasks required of it?

03:32:08 18 DEFENSE COUNSEL: Form.

03:32:09 19 THE WITNESS: I'm not sure.

03:32:17 20 BY MS. McCABE:

03:32:29 21 Q. Jumping back up.

03:32:29 22 Does your office have A numbers or certificates
03:32:33 23 of naturalization for all registered voters in Mohave
03:32:33 24 County?

03:32:44 25 A. I'm sorry. Do they have --

03:32:46 1 Q. A numbers or naturalization certificate numbers
03:32:50 2 for all registered voters in Mohave County?

03:32:53 3 A. I'm not sure.

03:33:03 4 Q. Who would know?

03:33:05 5 A. The County Recorder or data from the database.

03:33:22 6 Q. House Bill 2243 requires you to compare the
03:33:41 7 county's voters to the SAVE system monthly.

03:33:44 8 Is that a practical requirement for your office?

03:33:47 9 A. I'm not sure.

03:34:00 10 Q. What would you need to know to be sure?

03:34:03 11 A. Well, for like personnel time, how long that
03:34:17 12 would take, the reports we would run to get the data to
03:34:22 13 then input into the SAVE program. We would need more
03:34:28 14 access to the SAVE program for our staff.

03:34:31 15 Q. You currently use the Social Security
03:34:36 16 Administration databases for U.S. citizenship
03:34:42 17 verification?

03:34:43 18 A. I'm not sure.

03:34:46 19 Q. Who in your office would know whether you use
03:34:56 20 the social security database as a tool to verify
03:35:04 21 citizenship for applicants?

03:35:11 22 A. The County Recorder herself.

03:35:13 23 Q. Do you know whether the Social Security
03:35:16 24 Administration database can be use for U.S. citizenship
03:35:21 25 verification?

03:35:21 1 A. I don't know.

03:35:21 2 Q. Do you know whether it's feasible to use a

03:35:29 3 Social Security Administration database for the

03:35:33 4 citizenship verification?

03:35:35 5 A. I'm not sure.

03:35:36 6 Q. Have you ever heard of the NAPHSIS, or the

03:35:40 7 National Association for Public Health Statistics and

03:35:43 8 Information Systems?

03:35:44 9 A. I have not.

03:35:45 10 Q. Do you have any familiarity with a database --

03:35:56 11 well, do you have any familiarity with the NAPHSIS

03:36:01 12 database?

03:36:02 13 A. I do not.

03:36:03 14 Q. Or a database call the Electronic Verification

03:36:07 15 of Vital Events, or the EVVE database?

03:36:17 16 A. I don't think so.

03:36:18 17 Q. Are you familiar with the Electronic

03:36:20 18 Registration Information Center, or ERIC?

03:36:24 19 A. Yes.

03:36:24 20 Q. What is that?

03:36:25 21 A. We receive information from the Secretary of

03:36:29 22 State from the ERIC program for deceased voters and

03:36:40 23 cross-state match voters.

03:36:41 24 Q. Do you currently use ERIC for U.S. citizenship

03:36:45 25 verification?

03:36:45 1 A. Not to my knowledge.

03:36:46 2 Q. Can ERIC be used for U.S. citizenship

03:36:46 3 verification?

03:36:53 4 DEFENSE COUNSEL: Form.

03:36:54 5 THE WITNESS: I don't know.

03:36:54 6 BY MS. McCABE:

03:36:54 7 Q. Has your office had any conversations about
03:37:07 8 which databases it could use for citizenship verification
03:37:13 9 beyond the MVD and SAVE databases?

03:37:17 10 A. Not to my knowledge.

03:37:20 11 Q. Would you be involved in those conversations
03:37:23 12 within the Mohave County Recorder's Office?

03:37:26 13 A. Potentially, yes.

03:37:30 14 Q. And have there been any conversations about
03:37:35 15 additional databases to use for citizenship verification?

03:37:39 16 A. No.

03:37:39 17 Q. Do you have the ability to search or interface
03:37:46 18 with any other government databases or U.S. citizenship
03:37:51 19 data? And by you, I mean the Mohave County Recorder's
03:37:58 20 Office.

03:37:58 21 A. Not that I'm aware of.

03:38:00 22 Q. Has your office been communicating with any
03:38:05 23 other person or entity regarding the use of any other
03:38:09 24 database for citizenship verification?

03:38:12 25 A. I don't think so.

03:38:13 1 Q. Can any of the databases we have discussed be
03:38:32 2 used to confirm that a registered voter is not a U.S.
03:38:37 3 citizen?

03:38:38 4 DEFENSE COUNSEL: Form.

03:38:39 5 THE WITNESS: I'm sorry?

03:38:40 6 BY MS. McCABE:

03:38:40 7 Q. Can any of the databases that we just discussed
03:38:44 8 be used to confirm that a registered voter is not a U.S.
03:38:49 9 citizen?

03:38:56 10 DEFENSE COUNSEL: Form.

03:38:57 11 THE WITNESS: I'm not sure.

03:38:58 12 BY MS. McCABE:

03:38:59 13 Q. What happens if you receive conflicting data
03:39:01 14 from, say, the Motor Vehicle Division and the SAVE
03:39:05 15 databases?

03:39:07 16 DEFENSE COUNSEL: Speculation.

03:39:10 17 THE WITNESS: I don't know what we would do.

03:39:12 18 BY MS. McCABE:

03:39:14 19 Q. Has that ever happened before?

03:39:17 20 A. Not to my knowledge.

03:39:18 21 Q. Does the County Recorder's Office have a system
03:39:23 22 in place by which it would resolve conflicts in
03:39:27 23 information received from different government databases?

03:39:31 24 A. Potentially the EPM, but I'm not sure.

03:39:42 25 Q. Is the verification process, or the steps that

03:39:47 1 have to be followed, described in detail anywhere for your
03:39:52 2 office, the citizenship verification -- I'll restate that.

03:39:56 3 Is Mohave County's, County Recorder's Office
03:40:00 4 citizenship verification process, or the steps that you
03:40:02 5 follow to verify citizenship, are those described in
03:40:05 6 detail anywhere?

03:40:06 7 A. Most likely in the EPM.

03:40:13 8 Q. Does the County Recorder's Office have its own
03:40:15 9 internal policies described anywhere?

03:40:17 10 A. Not that I can think of.

03:40:19 11 Q. If a voter registration application filed before
03:40:39 12 the registration deadline is denied under A.R.S.

03:40:45 13 16-121.01, subsections D and E, based on erroneous
03:40:51 14 determination that the applicant was not a U.S. citizen,
03:40:54 15 can that applicant still be added to the rolls if the
03:40:58 16 registration deadline has passed?

03:41:01 17 DEFENSE COUNSEL: Form. Calls for legal
03:41:02 18 conclusion and speculation.

03:41:06 19 THE WITNESS: Could you say that one more time?

03:41:09 20 BY MS. McCABE:

03:41:09 21 Q. Based on your office's policies, if a voter
03:41:16 22 registration applicant who filed before the registration
03:41:20 23 deadline is denied registration, based on an erroneous
03:41:24 24 determination that they were not a U.S. citizen, can that
03:41:28 25 applicant still be added to the voter rolls if the

03:41:33 1 registration deadline has passed?

03:41:37 2 DEFENSE COUNSEL: Same objection.

03:41:38 3 THE WITNESS: If the voter registered to vote
03:41:43 4 prior to the deadline, they would be in the database. If
03:41:48 5 they needed to provide DPOC, they would have time to do so
03:41:54 6 during the election time frame. We follow that by state
03:42:01 7 statute and the EPM.

03:42:06 8 BY MS. McCABE:

03:42:07 9 Q. How much time do they have? I'll strike the
03:42:07 10 question.

03:42:18 11 If a registered voter is removed from the rolls
03:42:20 12 under A.R.S. Section 16-165, subsection A(10), based upon
03:42:26 13 erroneous determination that they are not a U.S. citizen,
03:42:29 14 can that voter be added back to the rolls if the
03:42:34 15 registration deadline has already passed?

03:42:38 16 DEFENSE COUNSEL: Same objection.

03:42:41 17 THE WITNESS: Well, if someone was registered to
03:42:50 18 vote, they can't be canceled 90 days prior to an election.

03:43:12 19 Maybe I didn't understand your question.

03:43:15 20 BY MS. McCABE:

03:43:16 21 Q. Yeah. Let me, let me ask it another way.

03:43:22 22 In a federal election, specifically, if a
03:43:26 23 registered voter were moved from the rolls, based upon an
03:43:29 24 erroneous determination they are not a U.S. citizen, can
03:43:32 25 that voter be added a back to the rolls if the

03:43:36 1 registration deadline has already passed?

03:43:40 2 DEFENSE COUNSEL: Same objection.

03:43:45 3 THE WITNESS: I'm not sure.

03:43:48 4 BY MS. McCABE:

03:43:49 5 Q. If House Bill 2243 were to take effect, would

03:43:55 6 that impact whether or not an erroneously removed voter

03:44:00 7 could be put back onto the voter rolls after the

03:44:02 8 registration deadline?

03:44:05 9 DEFENSE COUNSEL: Same objection. Form.

03:44:08 10 THE WITNESS: We haven't begun any procedures

03:44:11 11 for that House Bill.

03:44:14 12 MS. McCABE: If we can take a quick five-minute

03:44:19 13 break, I think I can be done, but I just want to check

03:44:22 14 with some colleagues first.

03:44:24 15 THE VIDEOGRAPHER: We are off the record. Time

03:44:29 16 on the video monitor 3:44 p.m. This ends Media No. 3.

03:44:32 17 (Recess taken from 3:44 p.m. to 3:49 p.m.)

03:49:25 18 THE VIDEOGRAPHER: We are on the record. Time

03:49:36 19 on the video monitor is 3:49 p.m. This begins Media

03:49:42 20 No. 4.

03:49:46 21 MS. McCABE: Ms. Durst, I don't have any

03:49:49 22 additional questions. Thank you so much for your time

03:49:51 23 today.

03:49:51 24 THE WITNESS: Thank you.

03:49:59 25 MS. McCABE: I'll defer to any other plaintiff

03:50:23 10 MS. BOUGHTON: If we can go back on the record.

03:50:25 11 THE VIDEOGRAPHER: We are on the record.

03:50:26 12 MS. BOUGHTON: Okay. Thank you.

03:50:27 14 EXAMINATION

03:50:27 15 BY MS. BOUGHTON:

03:50:29 16 Q. Hi, Ms. Durst. My name is Kathryn Boughton, and

03:50:31 17 I'm representing the State of Arizona and Attorney General

03:50:33 18 in this case. I just have a few questions for you, and

03:50:36 19 thank you so much for all your time today. I know it's

03:50:39 20 been a long day.

03:50:41 21 I just wanted to touch base on some of the areas

03:50:45 22 that plaintiffs' counsel had asked you about.

03:50:48 23 So awhile back we talked about, or you talked

03:50:50 24 about the citizen checkbox on the state form.

03:50:54 25 A. Yes.

03:50:55 1 Q. And I wanted to ask you, on the state form, do
03:50:59 2 you think that the citizen checkbox provides you
03:51:03 3 information about whether the voter is a citizen?

03:51:05 4 A. No.

03:51:11 5 Q. No.

03:51:14 6 So in your view the box doesn't provide any
03:51:17 7 information?

03:51:18 8 A. Well, most voters mark all boxes.

03:51:30 9 Q. Including the citizenship checkbox?

03:51:32 10 A. Well, we don't currently have the --- well, do
03:51:39 11 you mean the question like are you a citizen of the United
03:51:42 12 States that's on all current forms, all old forms?

03:51:45 13 Q. Yes. Yes.

03:51:46 14 A. Then I'm sorry. What is the question again?

03:51:49 15 Q. If that box provides your office information
03:51:56 16 about whether the voter is a citizen?

03:51:57 17 A. Yes.

03:51:57 18 Q. And did I understand your testimony correctly
03:52:01 19 that if somebody is in the office and filling it out in
03:52:05 20 person and they miss it, you would ask them to fill it
03:52:07 21 out, or point it out to them in person?

03:52:10 22 A. Correct. And the question below it as well,
03:52:14 23 will you be 18 by election day.

03:52:18 24 Q. Great. Thank you.

03:52:19 25 If somebody, if you received a form via mail,

03:52:23 1 the state form via mail, and someone had marked no in that
03:52:28 2 citizen checkbox but they also provided a copy of their
03:52:33 3 passport, for example, what would your office do in that
03:52:36 4 situation?

03:52:37 5 A. We would input all the data from the voter
03:52:41 6 registration form into AVID and run their HAVA check if
03:52:47 7 that then came back with an Arizona license, if that was
03:52:51 8 provided. If not, we would then review the DPOC of the
03:52:56 9 passport provided.

03:52:57 10 Q. So you would first rely on the HAVA check?

03:53:02 11 A. Yes.

03:53:02 12 Q. Okay. If that box was marked no -- withdraw
03:53:12 13 that.

03:53:12 14 If a voter provided a photocopy of their birth
03:53:22 15 certificate with their state form but the photocopy was
03:53:26 16 really blurry and hard to read, would it be helpful for
03:53:30 17 your office to know how they marked the citizenship
03:53:36 18 checkbox?

03:53:36 19 A. Can you say that one more time?

03:53:39 20 Q. Sure.

03:53:40 21 So if a voter submitted their state form and
03:53:45 22 they attached a photocopy of their birth certificate as
03:53:49 23 proof of citizenship but that photocopy was blurry and
03:53:52 24 hard to read and you couldn't tell what it said, in that
03:53:56 25 situation, would it help your office to know whether or

03:53:59 1 not the individual marked yes in the citizenship checkbox?

03:54:03 2 A. I don't believe so.

03:54:07 3 Q. Okay. And is that because you would look to the

03:54:11 4 HAVA check?

03:54:12 5 A. We always run HAVA check first when you regis --

03:54:16 6 placing the registrant's information in the database, but

03:54:19 7 if it's not legible, the DPOC provided, or if they didn't,

03:54:27 8 if they're married and they're registering under a married

03:54:31 9 name but they are supplying their birth certificate that

03:54:34 10 has a different name, but it's not legible, we would ask

03:54:38 11 for further information from the voter.

03:54:40 12 Q. Thank you.

03:54:45 13 You also talked earlier today with plaintiffs'

03:54:52 14 counsel about an instance in which the Secretary of State

03:54:54 15 flagged that there was an error in completing HAVA checks,

03:54:59 16 and you indicated that you suspended processing voter

03:55:02 17 registrations for a week.

03:55:04 18 Did I understand that right?

03:55:05 19 A. Less than a week, yes.

03:55:07 20 Q. Less than a week. Thank you.

03:55:10 21 And I just wanted to confirm, did I understand

03:55:12 22 your testimony correctly that, despite that instance, you

03:55:16 23 still believe that the HAVA citizenship checks generally

03:55:21 24 provide accurate information regarding citizenship to your

03:55:24 25 office?

03:55:24 1
03:55:25 2
03:55:27 3
03:55:43 4
03:55:47 5
03:55:50 6

03:56:50 22
03:56:50 23
03:56:51 24
03:56:55 25

A. Yes.

Q. Thank you.

Generally -- switching topics to discuss birthplace now. I know the birthplace isn't currently required on the state form, but I wanted to ask, in your experience processing voter registrations, is that form normally completed by applicants?

A. It can be.

Q. Would you say more often than not it's completed?

A. Typically it's completed, yes.

Q. And is that information, if it is on the form, do you input it into AVID?

A. We do.

MS. BOUGHTON: One moment.

That's all I have for today, Ms. Durst. Thank you so much for your time.

THE WITNESS: Thank you.

MS. BOUGHTON: There may be one more counsel with questions for you.

EXAMINATION

BY MR. LANGHOFER:

Q. Good afternoon, Ms. Durst. My name is Kory Langhofer, and I represent the Republican National

03:56:56 1 Committee. I don't have a whole lot of questions for you.
03:56:58 2 Everything has been covered in excruciating detail.

03:57:02 3 I do have a few questions for you. Most of the,
03:57:06 4 many of the questions stayed focused on three databases,
03:57:08 5 the HAVA check database, AVID, and SAVE. And one of the
03:57:16 6 things I wanted to know from you is do you all have access
03:57:19 7 to better databases than those that you guys are not
03:57:23 8 using?

03:57:24 9 A. We receive data, as well, from ERIC, but there's
03:57:31 10 no others besides those, that I'm aware of.

03:57:33 11 Q. So it's not -- do you have, for example, more
03:57:36 12 accurate databases, or set of databases that you're
03:57:40 13 failing to use?

03:57:41 14 A. Not to my knowledge.

03:57:43 15 Q. Do you have access to a more current or up to
03:57:46 16 date databases or set of databases that you're failing to
03:57:52 17 use?

03:57:52 18 A. Not to my knowledge.

03:57:54 19 Q. If someone, if it appears they have an F-type
03:58:05 20 driver's license, and there's no DPOC in the system for
03:58:10 21 them, is that an instance where you guys would use the
03:58:13 22 SAVE database to determine whether the person is
03:58:17 23 naturalized?

03:58:18 24 A. Yes.

03:58:18 25 Q. You were asked a question awhile ago, this has

03:58:28 1 been a couple hours now so I may be missing something
03:58:32 2 here, but I think the question was whether you were
03:58:34 3 getting any information from the Secretary of State about
03:58:39 4 voter fraud or the qualifications of voters, and I think
03:58:44 5 you said no. But this has been, again, a couple of hours
03:58:47 6 and my memory may be failing.

03:58:48 7 So I guess my question is, are you still getting
03:58:51 8 ERIC reports from the Secretary of State?

03:58:53 9 A. We do receive ERIC reports.

03:58:56 10 Q. And you guys process those in a sort of a
03:58:59 11 customary manner?

03:59:01 12 A. Yes.

03:59:02 13 Q. Okay. And what about information on responses
03:59:10 14 to jury questionnaires or adjudications of, you know,
03:59:14 15 felony status or incompetency? I think those are subsumed
03:59:18 16 in the ERIC reports, but I'm not quite sure about that.
03:59:21 17 So do you all still get that information through ERIC or
03:59:25 18 otherwise?

03:59:25 19 A. We receive that information, yes.

03:59:26 20 Q. And you're still processing that as it comes in?

03:59:30 21 A. So we receive different reports now from the
03:59:39 22 jury questionnaires. We receive the report if they had
03:59:42 23 returned mail or forwardable mail, we receive that from
03:59:46 24 the courts, and we act on that behalf of mailing them a
03:59:50 25 notice if they're out of jurisdiction or have moved, to

03:59:53 1 update their registration.

03:59:56 2 The other report we get are for these House
04:00:00 3 Bills, and we currently don't activate, do anything with
04:00:06 4 those.

04:00:07 5 Q. Gotcha.

04:00:08 6 So the ERIC report you do receive directly from
04:00:10 7 the Secretary of State, though, right?

04:00:13 8 A. Correct.

04:00:13 9 Q. You were asked a question awhile ago about the
04:00:28 10 usefulness of birthplace information. And I think you had
04:00:32 11 said that you can use that on phone calls to confirm
04:00:35 12 identity.

04:00:37 13 Am I remembering that correctly?

04:00:39 14 A. Yes.

04:00:39 15 Q. And she had asked you what other information you
04:00:44 16 might use to confirm identity. I think you said, for
04:00:49 17 example, the voter's address.

04:00:50 18 The voter's address, though, is a publicly
04:00:53 19 available information, correct?

04:00:54 20 A. Yes. So typically that is a last resort, but if
04:00:59 21 they -- so usually it's your date of birth, the last four
04:01:03 22 of your social, mother's maiden name, it can be your place
04:01:09 23 of birth, as those questions. And then --

04:01:13 24 Q. Go ahead.

04:01:14 25 A. I was going to say, on the address, that would

04:01:17 1 be like a second to also know if they're still residing
04:01:23 2 where they're registered.

04:01:25 3 Q. And on these telephone calls we need to confirm
04:01:31 4 identity, you're trying to use information that's not
04:01:34 5 publicly available, right?

04:01:36 6 A. Correct.

04:01:36 7 Q. And the birthplace is one of the fields that is
04:01:42 8 not publicly available?

04:01:44 9 A. I'm not sure.

04:01:48 10 Q. Is it in the voter file?

04:01:50 11 A. Yes.

04:01:51 12 Q. The birthplace is?

04:01:55 13 A. It's -- if someone places that on their form it
04:01:59 14 is implemented into the database.

04:02:02 15 Q. Okay. You were asked a long series of questions
04:02:15 16 about all the evidence that your office had voter fraud or
04:02:19 17 voter registration fraud happening in Mohave County, and I
04:02:23 18 want to make sure that your testimony in that was clear.

04:02:27 19 As I understood it, you all had reported, or
04:02:30 20 produced documents, showing that there was an instance of
04:02:35 21 voter fraud in Mohave County that was eventually
04:02:38 22 prosecuted. But you were saying -- I don't want to, I
04:02:40 23 don't want to mischaracterize you here, but I think you
04:02:44 24 were saying there is not a database you can check to
04:02:46 25 answer this question about voter fraud.

04:02:49 1 What did you mean by that exactly?

04:02:51 2 A. With that FBI agent, we would like speak over
04:03:01 3 the phone on things.

04:03:08 4 Q. Do you guys maintain a list of all the
04:03:10 5 fraudulent voters in Mohave County?

04:03:13 6 A. It would, he would only receive anything from me
04:03:17 7 via email if he did believe it was, it could be
04:03:23 8 fraudulent.

04:03:25 9 Q. So the, I guess the -- maybe another way of
04:03:34 10 thinking about this problem would be, when you guys run
04:03:38 11 checks on voter registration applications -- so I think
04:03:44 12 you talked about running the GIS search on addresses to
04:03:57 13 make sure they are real residential addresses. Am I
04:04:01 14 getting that correct?

04:04:02 15 A. Yes.

04:04:03 16 Q. And you look for DPOC or HAVA checks. Is that
04:04:10 17 right?

04:04:10 18 A. We run the GIS if the address isn't pined in
04:04:16 19 AVID for them to be a registered voter at that address.

04:04:21 20 Q. Gotcha.

04:04:23 21 And you routinely check, you run the HAVA check
04:04:26 22 to make sure that there is some proof in Arizona databases
04:04:29 23 of citizenship, right?

04:04:31 24 A. In order to update a record you have to run HAVA
04:04:36 25 check.

04:04:36 1 Q. So, is it fair to say, then, that, that these
04:04:46 2 fraud checks are sort of baked into the county's voter
04:04:50 3 file? Like a person wouldn't be in the voter file if they
04:04:55 4 failed those checks.

04:04:57 5 A. Correct.

04:04:58 6 Q. The instance that you were asked about, the
04:05:08 7 woman, or the gentleman, I'm not sure which it was, was
04:05:12 8 prosecuted for voter fraud. What were the facts? Like
04:05:17 9 what actually happened?

04:05:18 10 A. If I recall correctly, it was 90-day notices
04:05:27 11 that were mailed from a third party to that address to be
04:05:32 12 added to the active early voting list, and that same
04:05:36 13 person signed numerous of them for her father. We
04:05:40 14 received them in office, noticing that they were in
04:05:45 15 different colored markers and they didn't appear to be the
04:05:48 16 same signature on signature verification, and then that
04:05:56 17 was given to the FBI.

04:05:58 18 Q. Okay. So was it multiple registrations or
04:06:05 19 multiple ballots that was the problem there?

04:06:07 20 A. So the, both voters were already registered to
04:06:11 21 vote. A third party had mailed a mailing for them to be
04:06:14 22 on the active -- at the time it was called a permanent
04:06:17 23 early voting list, receive ballots by mail.

04:06:21 24 Q. Okay. So the, the prob -- so there were two
04:06:28 25 people -- in fact there were two people, or there just

04:06:31 1 appeared to be two people on paper? Which one?

04:06:36 2 A. So it was, it ended up being the daughter

04:06:39 3 signing the father's, but they were all returned together

04:06:43 4 from that same residence address.

04:06:47 5 Q. I see. So she was trying to sign him up for the

04:06:49 6 permanent early voting list, but he didn't sign it

04:06:53 7 himself?

04:06:53 8 A. Correct.

04:06:54 9 Q. So this, this instance, this prosecution doesn't

04:07:03 10 really have anything to do with proof of residency or

04:07:06 11 citizenship. It's just a different issue entirely.

04:07:09 12 A. Yes.

04:07:09 13 Q. Bear with me one second. I just want to check

04:07:16 14 my notes to make sure I'm not missing anything. That

04:07:20 15 might be everything.

04:07:21 16 A. Okay.

04:07:25 17 Q. I have one more.

04:07:26 18 You were shown an email -- and this is my last

04:07:28 19 one -- you were shown an email from Kori Lorick where she

04:07:33 20 had commented that they thought certain of the challenge

04:07:37 21 provisions were inconsistent with federal law. And I

04:07:40 22 think the question you were asked was whether you agree

04:07:42 23 with Kori Lorick, that these challenge provisions are

04:07:47 24 inconsistent with federal law.

04:07:48 25 If I recall correctly, you said yes, but I'm not

04:07:52 1 sure that there wasn't some miscommunication there. I
04:07:54 2 just want to make sure that we're clear.

04:07:55 3 Does your office take the position that Kori
04:07:59 4 Lorick was right, that some of these challenge provisions
04:08:04 5 are inconsistent with federal law?

04:08:06 6 A. In regards to the current House Bills that are
04:08:11 7 in litigation, yes.

04:08:14 8 Q. Okay. And are you guys taking the position that
04:08:17 9 she's, you agree with her on -- I think she had three or
04:08:21 10 four points there where she thought it was inconsistent --
04:08:26 11 you're agreeing with her on each of those points?

04:08:28 12 A. I don't recall all three points.

04:08:32 13 MR. LANGHOFER: All right. Those are my
04:08:34 14 questions. Thanks again for your time, Ms. Durst.
04:08:47 15 Anything else from the plaintiffs' side?

04:08:52 16 MS. DIBRELL: Nothing from me, Ms. Durst, but I
04:08:55 17 just want to thank you again for your time today. I know
04:08:57 18 it was very long, and I do appreciate it.

04:08:59 19 THE VIDEOGRAPHER: One moment please.
04:09:00 20 We are off the record. Time on the video
04:09:00 21 monitor is 4:08 -- I'm sorry, 4:09 p.m.

09:12:14 16 A. That's fair.

09:12:16 17 Q. Thank you.

09:13:32 4 MR. SNOW: Mr. Jurkowitz, is that -- can
09:13:34 5 you confirm that?

09:13:35 6 MS. SORENSON: I'm sorry. Regina Sorenson
09:13:37 7 for Pima County Attorney's Office. I'm listening as
09:13:37 8 well.

09:13:43 9 MR. SNOW: Thank you.

09:13:43 10 BY MR. SNOW:

09:13:43 11 Q. And since this testimony must be yours and
09:13:45 12 yours alone and the record must be clear as to the
09:13:47 13 source of your testimony, do you agree not to refer to
09:13:50 14 any e-mails or communications or documents or other
09:13:52 15 sources of information except those that have been
09:13:54 16 entered into the record?

09:13:55 17 A. Yes, I agree to that.

09:13:58 18 Q. Thank you. And if you do at any time need to
09:14:01 19 refer to something and want to refer to something, just
09:14:04 20 let us know, and we can enter it in the record, okay?

09:14:08 21 A. Okay.

09:14:09 22 Q. And if at any time you would like to take a
09:14:10 23 break, please let us know. The only thing I ask is that
09:14:13 24 if I've already asked a question, that you finish
09:14:16 25 answering that pending question before taking a break.

09:14:18 1 Does that sound good?

09:14:19 2 A. That's fine.

09:14:20 3 Q. Great.

09:14:22 4 Have you ever been deposed before?

09:14:23 5 A. No.

09:14:27 6 I've testified in a court setting, but I've

09:14:29 7 never been deposed.

09:14:30 8 Q. And what was the -- what was the nature of that

09:14:32 9 matter?

09:14:34 10 A. I testified in two election-related cases.

09:14:34 11 Q. And what was it?

09:14:40 12 A. A candidate challenge case for candidate

09:14:47 13 petitions and then a criminal election case through the

09:14:51 14 Arizona Attorney General's Office.

09:14:53 15 Q. Thank you.

09:14:55 16 And when were those?

09:15:04 17 A. Fall of '22 and spring of '23. I don't quite

09:15:12 18 remember the exact dates.

09:15:16 19 Q. Thank you.

09:15:19 20 Did you bring any materials with you today?

09:15:22 21 A. To today's meeting?

09:15:24 22 Q. Today's deposition.

09:15:24 23 A. No.

09:15:27 24 Q. And do you have any documents in front of you?

09:15:30 25 A. I have the statutes up and the Dropbox with all

09:15:37 1 of the exhibits and copies of the House Bills and what
09:15:50 2 we provided to you guys through the interrogatories.

09:15:53 3 Q. Thank you.

09:15:54 4 And then just as a reminder, if you need to
09:15:56 5 refer to those, just make sure that you state clearly
09:15:59 6 for the record that you're referring to a document, and
09:16:02 7 we can enter it in the record.

09:16:03 8 A. Okay.

09:16:04 9 Q. Thank you.

09:16:08 10 So can you please briefly describe your
09:16:11 11 professional and educational background?

09:16:12 12 A. So I have a Bachelor's in political science and
09:16:16 13 sociology. I have a Master's in public administration.
09:16:21 14 I am a certified election -- Arizona election officer.
09:16:25 15 I am a certified Arizona municipal election official,
09:16:30 16 and I am a certified municipal court -- municipal clerk.
09:16:35 17 I have worked as a deputy town clerk and
09:16:41 18 filing -- election filing officer for the town of Marana
09:16:44 19 for a little over nine years. And I have been with the
09:16:49 20 Pima County Recorder's Office since September of 2021,
09:16:53 21 where I was originally hired as the assistant chief
09:16:57 22 deputy recorder and then was promoted to chief deputy
09:17:03 23 recorder in June of 2022. I have been in this position
09:17:07 24 for a year.

09:17:09 25 Q. Thank you.

09:17:10 1 And where, again, were you before Pima?

09:17:12 2 A. The town of Marana, Arizona.

09:17:15 3 Q. For nine years?

09:17:16 4 A. Yes.

09:17:17 5 Q. And that was also in an election administration

09:17:21 6 capacity?

09:17:21 7 A. Yes.

09:17:21 8 Q. Thank you.

09:17:23 9 And, briefly, why do you -- why do you like to

09:17:27 10 work in your profession?

09:17:32 11 A. Why do I like to work in my profession. Well,

09:17:34 12 it's always changing. It's interesting. Elections are

09:17:40 13 where democracy hits the ground running. So we provide

09:17:44 14 services to allow people to exercise their voice to

09:17:49 15 determine who they want to represent them, what, you

09:17:55 16 know, initiatives they want to see put forward.

09:18:01 17 At the local level it's really focused

09:18:03 18 specifically on what we're doing for our community, so

09:18:08 19 friends, neighbors. As a municipal clerk, you're

09:18:11 20 oftentimes looking at what are the things that the

09:18:17 21 jurisdiction is doing to provide services for the people

09:18:19 22 that it serves. And as an election, particularly for

09:18:23 23 like ballot measures or candidates, that's the

09:18:26 24 opportunity for the community to tell a jurisdiction

09:18:29 25 what it wants.

09:18:31 1 So I take that job very seriously to make sure
09:18:35 2 that what I'm doing is providing a clear, transparent
09:18:40 3 process so people have faith in the result that they
09:18:42 4 get.

09:18:45 5 Q. Thank you for --

09:18:46 6 A. Does that -- does that answer your question?

09:18:47 7 Q. That it does, and thank you very much for your
09:18:50 8 work.

09:18:52 9 A. Okay.

09:18:52 10 Q. And would you please give a brief description
09:18:55 11 of your core responsibilities in your current position?

09:18:59 12 A. As the chief deputy recorder, I am responsible
09:19:03 13 for the operations of the department. So the Pima
09:19:08 14 County Recorder is an elected position. The Recorder
09:19:12 15 creates and designates the overall scope, mission,
09:19:16 16 vision, and policies for the department, and I take
09:19:20 17 those and implement them at an operational level.

09:19:23 18 So I have -- the voter registration unit
09:19:31 19 ultimately reports up to me through our chain of
09:19:34 20 command. Our recording division ultimately reports up
09:19:37 21 to me, as does our IT unit and our community and
09:19:45 22 outreach and development unit.

09:19:47 23 So we have four main functions in the office.
09:19:51 24 The recording function is our consistent function. It's
09:19:57 25 the one that provides revenue to the department for

09:20:00 1 recording land transactions and other legal instruments
09:20:03 2 as it relates to real property here in Pima County.
09:20:08 3 And then we have the voter registration unit,
09:20:10 4 which is responsible for doing voter registration,
09:20:17 5 registering new voters, and maintaining the voter
09:20:21 6 registration roll, and then during an election cycle
09:20:23 7 that unit is also responsible for early voting services,
09:20:27 8 so identifying early voting locations that will be
09:20:31 9 operational before election day and providing the early
09:20:38 10 ballot packets that are sent to every voter that's
09:20:42 11 registered on the active early voting list, otherwise
09:20:47 12 known as AEVL. So that's the bulk of what that unit
09:20:50 13 does.
09:20:50 14 In addition to the voter registration and
09:20:52 15 maintaining the voter registration roll, that unit also
09:20:56 16 goes out into the community for outreach, trying to make
09:21:01 17 connections with community organizations. We provide
09:21:05 18 training to organizations that are looking to register
09:21:08 19 voters. So we provide voter registration training, how
09:21:11 20 to fill out the forms correctly, what's the information
09:21:14 21 that we need to be able to successfully process those
09:21:17 22 forms.
09:21:19 23 And then we're constantly reviewing the voter
09:21:22 24 registration roll, making sure that every voter is
09:21:25 25 active. We will receive updates on a daily basis from

09:21:29 1 various sources, from the Secretary of State's Office to
09:21:34 2 ERIC reports to EZ Voter, which comes from the
09:21:38 3 Department of Motor Vehicle. It can be new
09:21:41 4 registrations, changes of registrations, updates to
09:21:44 5 registrations. It's an ongoing daily process.

09:21:47 6 And then on our IT side of the house, they
09:21:50 7 provide support to our recording functions, so we have
09:21:55 8 specific applications as it relates to recording, and
09:21:58 9 then they provide the bulk of support to our voter
09:22:03 10 registration application.

09:22:04 11 Our voter registration application is built
09:22:06 12 uniquely for Pima County. It is built in-house, and we
09:22:10 13 maintain a developer and additional support to maintain
09:22:15 14 the voter registration roll for Pima County. So we're
09:22:18 15 constantly making sure that that application is
09:22:21 16 functional and it reflects the true and correct
09:22:24 17 information of the voters at that time.

09:22:30 18 Do you need more information or less
09:22:32 19 information?

09:22:34 20 I think you're on mute, sir.

09:22:37 21 Q. Yeah, that's very helpful.

09:22:40 22 A couple follow-up questions. So you
09:22:42 23 mentioned -- so, first, how often do you interact with
09:22:44 24 voters directly?

09:22:45 25 A. How does our office interact with voters

09:22:47 1 directly?

09:22:48 2 Q. You personally and then your office.

09:22:50 3 A. I do not interact with the voters very often
09:22:53 4 directly. Sometimes during an election I will be
09:22:56 5 stationed at our ballot processing facility, which is
09:23:01 6 where we do the signature verification of early ballots
09:23:05 7 returned by mail, and I will oftentimes be there to have
09:23:10 8 conversations and assist political observers who are
09:23:14 9 there.

09:23:15 10 I have occasionally taken phone calls from
09:23:17 11 voters who have been transferred up to me, who have
09:23:21 12 questions regarding a voter registration that a line
09:23:26 13 staff or supervisor doesn't feel comfortable asking --
09:23:30 14 or answering, so they will transfer them to me and we'll
09:23:32 15 discuss the issue.

09:23:35 16 And then I will also on election days,
09:23:38 17 depending on where I'm located, I am sometimes at a --
09:23:43 18 at our downtown location ushering people into our office
09:23:48 19 so they can drop off their ballots, and I have also been
09:23:52 20 stationed at our early voting locations, and I've also
09:23:55 21 issued ballots, and I've done signature verification of
09:24:01 22 ballots, so -- but I don't speak to voters on a daily
09:24:05 23 basis.

09:24:08 24 Q. You said your office goes out into the
09:24:12 25 community to speak to voters and -- a little bit more.

09:24:20 1 A. I'm sorry, could you repeat the question?

09:24:23 2 THE COURT REPORTER: Yeah, Ryan, you're

09:24:23 3 not coming through very clearly.

09:24:25 4 BY MR. SNOW:

09:24:25 5 Q. Sorry. Can you hear me?

09:24:25 6 A. Yes.

09:24:26 7 Q. Okay. You mentioned that your office -- excuse

09:24:26 8 me.

09:24:28 9 You mentioned that your office at times will go

09:24:29 10 out into the community to speak with voters. Can you

09:24:33 11 describe that a little bit more?

09:24:34 12 A. Sure.

09:24:35 13 We have two designated voter outreach

09:24:39 14 coordinators, one for the Tohono O'odham Nation and one

09:24:43 15 for the Pascua Yaqui Tribe. Each of those coordinators

09:24:48 16 do outreach efforts both on the Nation and at the Tribe,

09:24:52 17 but they also do outreach efforts at community events

09:24:56 18 throughout Pima County.

09:24:59 19 Outreach efforts entail we will set up -- they

09:25:02 20 also -- I'm sorry. Let me backtrack just a moment.

09:25:05 21 In addition to outreach efforts for each of

09:25:07 22 those communities, we also do outreach efforts at the

09:25:13 23 naturalization ceremonies. So our two voter outreach

09:25:17 24 coordinators will go to the District Court and provide

09:25:21 25 voter registration packets and information to newly

09:25:26 1 naturalized citizens, to be there to answer questions.

09:25:29 2 And then for the just general community
09:25:33 3 outreach, if there are particular community events
09:25:38 4 occurring around Pima County, they will go out and have
09:25:42 5 a table to set up with our voter registration
09:25:45 6 information, to teach people about voter registration
09:25:51 7 and provide information for the public to be able to
09:25:55 8 research voter registration and perhaps also turn in
09:26:01 9 voter registration applications.

09:26:03 10 Q. Thank you.

09:26:04 11 And you mentioned that you have someone who's
09:26:07 12 dedicated to coordinating with the Tohono O'odham
09:26:10 13 Nation?

09:26:10 14 A. Yes. We have a specific voter outreach clerk
09:26:14 15 for that.

09:26:16 16 Q. And is that their sole responsibility?

09:26:19 17 A. That is one of their primary responsibilities,
09:26:22 18 but one of their additional responsibilities is general
09:26:25 19 voter outreach. So they do focus on the Tohono O'odham
09:26:30 20 Nation, but they also provide outreach to the community
09:26:32 21 at large and to particular rural areas that surround the
09:26:37 22 Nation.

09:26:39 23 Q. And can you discuss a little bit more what that
09:26:42 24 entails?

09:26:43 25 A. For that particular voter outreach clerk one of

09:26:47 1 her consistent monthly tasks is, is that she does meet
09:26:50 2 on a monthly basis with all of the districts in the
09:26:53 3 Tohono O'odham Nation.

09:26:56 4 As you might understand, the Nation has
09:26:58 5 different districts within the Nation as a whole. She
09:27:02 6 does visit those districts and provide outreach services
09:27:07 7 at their monthly meetings, in addition to also working
09:27:10 8 with the Tribal Nation's government as well, providing
09:27:16 9 outreach services at any meetings that impact the Nation
09:27:20 10 as a whole.

09:27:23 11 Q. And what was the title, again, of this
09:27:25 12 position?

09:27:25 13 A. She's a voter outreach clerk, or I guess
09:27:29 14 that's -- we're going through some -- a class and
09:27:34 15 compensation change here at Pima County, so we're all
09:27:35 16 getting a bunch of new titles in September. So the
09:27:41 17 title that she will be getting will be voter outreach, I
09:27:45 18 think we're going to go with voter outreach clerk or
09:27:48 19 voter outreach specialist. I'm not entirely sure.

09:27:51 20 Q. What is her name?

09:27:53 21 A. Stephanie Homewytewa. She recently got married
09:27:58 22 and changed her last name, and it escapes me at the
09:28:01 23 moment as to what it is.

09:28:03 24 Q. Again, how long has she been working in that
09:28:05 25 position?

09:28:07 1 A. I think she's been with Pima County Recorder's
09:28:12 2 Office since -- I think she's been there since 2020.

09:28:17 3 Q. And has she always been in that position?

09:28:19 4 A. As far as I know, yes.

09:28:22 5 Q. And how long has that position --

09:28:25 6 A. How -- I'm sorry. One more time?

09:28:27 7 Q. How long has that position existed?

09:28:29 8 A. I'm sorry, I don't quite understand your
09:28:31 9 question.

09:28:31 10 Q. How long have you had somebody who's dedicated
09:28:34 11 to coordinating with the Tohono O'odham Nation?

09:28:37 12 A. Since 2020, so..
09:28:43 13 You cut out again.

09:28:46 14 MR. JURKOWITZ: Mr. Snow, if you could
09:28:47 15 move closer to your microphone. It's really difficult
09:28:50 16 for us to hear.

09:28:51 17 BY MR. SNOW:

09:28:51 18 Q. Thank you, and apologies. I am on a laptop.
09:28:54 19 And please let me know if you can't understand
09:28:57 20 something, and I'll repeat myself.

09:28:59 21 It sounded like you were going to add on to
09:29:01 22 your last answer, and I didn't want to interrupt. But
09:29:04 23 my question was who did -- was there somebody
09:29:11 24 responsible for coordinating with the Tohono O'odham
09:29:14 25 Nation prior to the position being created in 2020?

09:29:16 1 A. I don't know, sir.

09:29:19 2 Q. And then you also mentioned coordination with
09:29:21 3 the Pascua Yaqui Tribe; is that correct?

09:29:24 4 A. Yes.

09:29:25 5 Q. And can you describe the nature of that?

09:29:27 6 A. It's almost exactly the same as Stephanie's
09:29:30 7 position, only that's a different voter outreach clerk,
09:29:34 8 Reyes. And so he works specifically with the Pascua
09:29:39 9 Yaqui Tribe, and then he does the exact same thing as
09:29:42 10 she does, only on the Pascua Yaqui Tribal lands. And
09:29:47 11 then, again, they both go out into the community as a
09:29:50 12 whole and do voter registration education.

09:29:55 13 Q. And then what is his name?

09:29:57 14 A. Reyes. You're putting me on the spot to know
09:30:01 15 everyone's first and last names in my office. I'm
09:30:03 16 sorry. It is Reyes. I'd have to get you his full name
09:30:09 17 at a later date. I apologize. I don't know his last
09:30:11 18 name off the top of my head.

09:30:14 19 Q. Okay. And then are either of the voter
09:30:18 20 outreach clerks a Tribal member?

09:30:19 21 A. They are.

09:30:24 22 Q. Corresponding with the Tribe that they're
09:30:25 23 working with?

09:30:26 24 A. They are.

09:30:26 25 Q. Thank you.

09:30:27 1 And what are some of the challenges that you've
09:30:31 2 heard from either of them?

09:30:37 3 A. Challenges in what respect?

09:30:40 4 Q. Challenges facing voters.

09:30:47 5 A. Well, they're -- I don't think that they
09:30:51 6 discussed challenges facing the voters that they've
09:30:54 7 interacted with, as their position is providing voter
09:30:58 8 education opportunities to the communities that they
09:31:03 9 serve.

09:31:03 10 So they go out and they provide -- they
09:31:09 11 describe the services that our office provide. They,
09:31:13 12 you know, remind the districts or the Tribe as to when
09:31:16 13 elections are. They provide, you know, voter
09:31:20 14 registration forms for people to complete should they
09:31:24 15 choose to do so. I don't know what other challenges
09:31:30 16 that you might be intimating.

09:31:32 17 Q. Well, I guess I'm curious on what kinds of
09:31:36 18 issues, specifically with voter registration, what kinds
09:31:38 19 of issues that you're aware of with Tribal members --

09:31:38 20 A. I'm sorry, you cut out again.

09:31:50 21 THE COURT REPORTER: I'm sorry, we're
09:31:50 22 going to need to take a little break. Ryan, do you mind
09:31:53 23 if we go off the record?

09:31:54 24 MR. SNOW: Sure.

09:31:56 25 THE VIDEOGRAPHER: We are off the record.

09:31:57 1 The time on the video monitor is 9:31 a.m.

09:33:11 2 (A recess was taken.)

09:34:36 3 THE VIDEOGRAPHER: We are on the record.

09:34:38 4 The time on the video monitor is 9:34 a.m.

09:34:43 5 MR. SNOW: Thank you.

09:34:43 6 And, Jody, would you mind reading back the

09:34:45 7 last question?

09:34:58 8 (The record was read by the court

09:34:58 9 reporter as follows:

09:31:33 10 QUESTION: Well, I guess I'm curious on

09:31:35 11 what kinds of issues, specifically with voter

09:31:37 12 registration, what kinds of issues that you're

09:31:43 13 aware of with Tribal members --)

09:34:59 14 THE COURT REPORTER: And that's when you

09:35:00 15 cut out.

09:35:01 16 BY MR. SNOW:

09:35:01 17 Q. Now, so just to -- thank you.

09:35:03 18 Just to redirect that question, what kind of

09:35:05 19 issues are you aware of or is your office aware of or

09:35:10 20 that has been reported to you in terms of Tribal members

09:35:17 21 attempting --

09:35:18 22 THE COURT REPORTER: You cut out again.

09:35:20 23 BY MR. SNOW:

09:35:20 24 Q. What kinds of issues are you aware of that have

09:35:22 25 been expressed to you or your office in terms of Tribal

09:35:24 1 members attempting to register to vote?

09:35:27 2 A. I have not had anybody express any issues as it
09:35:30 3 relates to that to me.

09:35:34 4 Q. Thank you.

09:35:34 5 And other than those two Tribal Nations, the
09:35:42 6 Tohono O'odham Nation and Pascua Yaqui, what other
09:35:45 7 federally recognized Indian Tribes are located within
09:35:48 8 Pima County?

09:35:48 9 A. I believe those are the only two Tribes that
09:35:50 10 are federally recognized within Pima County, but we do
09:35:53 11 have Tribal members from other Tribes that do reside
09:35:57 12 within Pima County.

09:35:59 13 Q. And do you do any coordination with other
09:36:02 14 Tribal Nations?

09:36:02 15 A. No. Just the two aforementioned ones.

09:36:06 16 Q. Thank you.

09:36:08 17 So let's go ahead and introduce our first
09:36:11 18 exhibit, which I believe is going to be Exhibit 62.

09:36:18 19 It's labeled A. It's the deposition notice.

09:36:30 20 A. Okay, I have it on the screen.

09:36:32 21 Q. Thank you.

09:36:35 22 And are you familiar with this document?

09:36:38 23 A. Yes, I am.

09:36:41 24 Q. And what is it?

09:36:43 25 A. It's the deposition notice provided to our

09:36:46 1 office, and it's a fairly long document, a lot of
09:36:56 2 definitions, a lot of topics.

09:36:58 3 Q. And who provided that to you?

09:37:00 4 A. That was provided by our counsel, Dan
09:37:06 5 Jurkowitz.

09:37:06 6 Q. Do you understand that you have been designated
09:37:08 7 as the representative to testify on behalf of the County
09:37:12 8 Recorder?

09:37:12 9 A. I do.

09:37:14 10 Q. So turning to Page 5.

09:37:14 11 A. Okay.

09:37:20 12 Q. There's some topics, and continuing down to
09:37:25 13 Page 10, this lists 28 topics, correct?

09:37:29 14 A. Yes.

09:37:30 15 Q. And are you prepared to address each of these
09:37:33 16 today?

09:37:33 17 A. To the best of my ability.

09:37:37 18 Q. What did you do to prepare for today's
09:37:40 19 deposition?

09:37:43 20 A. I did not prepare as well as I probably should
09:37:46 21 have.

09:37:46 22 Q. How do you mean?

09:37:48 23 A. We're right in the middle of an election for
09:37:50 24 the City of Tucson. It's a primary. So my -- I have
09:37:57 25 been working on election items. And it's the end of the

09:38:02 1 fiscal year, so I've been working on the end of the
09:38:05 2 budget and wrapping up our fiscal year expenditures and
09:38:09 3 revenues.

09:38:10 4 So, no, I have not taken the time to review the
09:38:14 5 information that we've provided.

09:38:18 6 Q. So just briefly, what all did you do to prepare
09:38:21 7 for today's deposition?

09:38:25 8 A. I looked at the Dropbox that was sent out and
09:38:30 9 quickly looked through the items in the Dropbox.

09:38:37 10 Q. Did you meet with anyone from your office to
09:38:39 11 prepare for today's deposition?

09:38:40 12 A. No, I did not.

09:38:45 13 Q. Did you discuss today's deposition with anyone
09:38:47 14 else outside your office?

09:38:49 15 A. Not outside the office, no. I did remind the
09:38:53 16 Recorder that I would be doing a deposition today in
09:38:56 17 regards to this lawsuit, and I did remind my team that I
09:38:59 18 would be doing a deposition today in regards to this
09:39:02 19 lawsuit.

09:39:07 20 Q. From -- I'm sorry.

09:39:09 21 What were the nature of those discussions?

09:39:11 22 A. I would be out of the office today doing a
09:39:14 23 deposition. I will be back in the office on Friday.
09:39:17 24 Please let me know if you need me for anything in
09:39:20 25 particular.

09:39:21 1 Q. Thank you.

09:39:22 2 A. You're welcome.

09:39:23 3 Q. And apart from the Dropbox potential exhibits,
09:39:27 4 did you review any other documents to prepare for this
09:39:29 5 deposition?

09:39:30 6 A. I did not.

09:39:35 7 Q. What is your understanding, briefly, of this
09:39:36 8 lawsuit?

09:39:38 9 A. I'm sorry, you are breaking up again.

09:39:40 10 Q. What is your understanding, briefly, of this
09:39:42 11 lawsuit?

09:39:44 12 A. My understanding of this lawsuit is, is that it
09:39:48 13 is maintaining that two particular bills passed in a
09:39:51 14 previous legislative session create an issue as it
09:39:54 15 relates to the constitutionality of voter registration,
09:39:59 16 and there's a conflict of laws between the state of
09:40:03 17 Arizona's passage of these bills and federal law as
09:40:07 18 well.

09:40:11 19 Q. Thank you.

09:40:11 20 Turning now to what will be marked as
09:40:14 21 Exhibit 63. It's labeled Exhibit B in the folder.

09:40:25 22 A. Yes. I have that up on the screen.

09:40:27 23 Q. Thank you.

09:40:28 24 And do you recognize this document?

09:40:29 25 A. I do.

09:40:30 1 Q. And what is it?

09:40:32 2 A. It is the requests for documentation from our
09:40:36 3 office.

09:40:41 4 Q. So this is your office's response to
09:40:44 5 plaintiffs' first set of requests for document
09:40:46 6 production, correct?

09:40:47 7 A. Correct.

09:40:53 8 Q. And going down all the way to the bottom, this
09:40:55 9 is dated February 13th, 2023, correct?

09:40:58 10 A. Yes.

09:41:03 11 Q. Now, did you participate in the creation of
09:41:05 12 this document?

09:41:06 13 A. Yes, I did.

09:41:08 14 Q. And what was your role?

09:41:10 15 A. I managed the review and identified the team
09:41:17 16 members who would be able to assist me in getting the
09:41:19 17 documents that were responsive to it.

09:41:25 18 Q. And in conferring with colleagues in producing
09:41:30 19 this -- sorry. Scratch that.

09:41:34 20 Let's put that aside. Let's mark as Exhibit 64
09:41:42 21 the document labeled Exhibit C in the Dropbox.

09:41:52 22 A. I have that up on my screen.

09:41:55 23 Q. Thank you.

09:41:55 24 And are you familiar with this document?

09:41:57 25 A. I am.

09:41:58 1 Q. And what is this document?

09:42:00 2 A. Again, it is requests for additional
09:42:03 3 information from our office.

09:42:07 4 Q. So this is your office's response to
09:42:10 5 plaintiffs' consolidated first set of requests for
09:42:13 6 production?

09:42:17 7 A. Yes.

09:42:18 8 Q. And turning down to the bottom, it's dated
09:42:21 9 June 30th, 2023, correct?

09:42:27 10 A. Yes.

09:42:30 11 Q. Thank you.

09:42:33 12 Turning to Page 5, request for production
09:42:38 13 number 3, please briefly review the request for
09:42:46 14 production.

09:42:56 15 So this request for production concerns
09:43:00 16 registered voters whose registrations were canceled,
09:43:03 17 suspended, removed, or placed on congressional only or
09:43:06 18 federal only status, or restricted in any manner for any
09:43:09 19 reason and voter registration applicants whose
09:43:12 20 registration applications were denied, challenged,
09:43:15 21 placed on congressional only or federal only status, or
09:43:15 22 otherwise not granted in any manner for any reason; is
09:43:20 23 that correct?

09:43:20 24 A. Yes.

09:43:20 25 Q. From January 1st, 2022; is that correct?

09:43:23 1 A. Yes.

09:43:23 2 Q. And then turning down to Page 6, the second

09:43:29 3 paragraph of your office's response states that, in

09:43:33 4 part, the Pima County Recorder's Office does not

09:43:36 5 actively track this information; is that correct?

09:43:38 6 A. That is correct.

09:43:39 7 Q. And is that still -- is that still true?

09:43:41 8 A. Yes.

09:43:45 9 Q. Do you have -- do you have any sense of the

09:43:49 10 numbers of voters who would fall into either of the

09:43:53 11 categories described in the request for production?

09:43:57 12 A. I do not.

09:44:03 13 Q. Does your office have any plans to track that

09:44:06 14 information?

09:44:09 15 A. Our office will track whatever information is

09:44:13 16 deemed appropriate to track once the litigation

09:44:16 17 regarding these two bills have been settled.

09:44:27 18 Q. Are you aware of any other counties that track

09:44:31 19 this information?

09:44:31 20 A. I do not know.

09:44:41 21 Q. Okay. Let's move on to what I believe will be

09:44:47 22 Exhibit 65, and that will be -- it's labeled D in the

09:44:54 23 folder.

09:45:06 24 A. Okay. It's up on my screen.

09:45:08 25 Q. Thanks.

09:45:08 1 And are you familiar with this document?

09:45:09 2 A. I am.

09:45:11 3 Q. And what is this document?

09:45:13 4 A. It is our responses to your questions.

09:45:25 5 Q. Thank you.

09:45:26 6 So this is your office's response to

09:45:28 7 plaintiffs' first set of interrogatories dated

09:45:31 8 February 13th, 2023, correct?

09:45:32 9 A. It is.

09:45:33 10 Q. And were you involved in putting this document

09:45:36 11 together?

09:45:36 12 A. Yes, I was.

09:45:41 13 Q. Thank you.

09:45:45 14 Turning to Page 2, which asks you to describe

09:45:55 15 your plans for prospective implementation of H.B. 2492,

09:46:03 16 and the response states that -- Kelly is in the planning

09:46:03 17 stages of determining how to best implement --

09:46:03 18 THE COURT REPORTER: Sorry, you cut out.

09:46:03 19 BY MR. SNOW:

09:46:11 20 Q. Your response on Page 2, your office's response

09:46:13 21 on Page 2, states that the County Recorder is in the

09:46:19 22 planning stages of determining how to best implement

09:46:23 23 H.B. 2492; is that correct?

09:46:25 24 A. That is correct.

09:46:25 25 Q. And is that -- is that still the case?

09:46:27 1 A. It is.

09:46:32 2 Q. And what would you describe as the planning
09:46:35 3 stages?

09:46:36 4 A. We are waiting on information and direction
09:46:40 5 from the Secretary of State's Office, and we are also
09:46:43 6 waiting on a finalization of this litigation.

09:46:47 7 Q. Have you received -- previously, have you
09:46:50 8 received guidance from the Secretary of State's Office?

09:46:54 9 A. We have requested guidance from the Secretary
09:46:58 10 of State's Office. The guidance that has been provided
09:47:00 11 to us is the Secretary of State's Office is also waiting
09:47:03 12 for conclusion of litigation to this.

09:47:09 13 Q. Thank you.

09:47:10 14 And it also states, also on Page 2, that
09:47:13 15 Recorder Cázares-Kelly has begun drafting initial system
09:47:16 16 changes to modify the current voter record system to
09:47:20 17 meet H.B. 2492's requirements; is that correct?

09:47:24 18 A. That's correct.

09:47:24 19 Q. And is that still the case today?

09:47:26 20 A. It is.

09:47:28 21 Q. So, briefly, what would be -- what would be
09:47:30 22 those system changes?

09:47:32 23 A. At the resolution of this litigation we would
09:47:37 24 change our system to either create a -- there was draft
09:47:44 25 guidance provided by the Secretary of State's Office as

09:47:46 1 it relates to these two particular bills; and should
09:47:49 2 these bills be found constitutional by the court, we
09:47:54 3 would implement the changes through that draft guidance
09:47:57 4 from the Secretary of State's Office, which would create
09:48:00 5 programming changes on our end for the voter
09:48:02 6 registration system.

09:48:05 7 Q. Thank you.

09:48:06 8 And it also states on Page 2 that these draft
09:48:14 9 changes are in their infancy stages and have not been
09:48:19 10 approved. What would -- what would approval consist of?

09:48:22 11 A. An approval would consist of a final resolution
09:48:26 12 and adjudication of this case.

09:48:30 13 Q. What would be necessary -- thank you.

09:48:32 14 What would be necessary for system changes to
09:48:35 15 be approved? Does that refer to your office or the
09:48:39 16 Secretary of State granting approval?

09:48:43 17 A. Because the Pima County voter registration
09:48:45 18 database is built and maintained by Pima County, we
09:48:48 19 would have to make programming changes to the system to
09:48:51 20 comply with the requirements of these bills and the
09:48:58 21 changes that the Secretary of State's Office would
09:49:00 22 have to make with the AVID system, which is the
09:49:03 23 Arizona voter information database. I think that's the
09:49:07 24 acronym. That's the statewide voter registration
09:49:12 25 information.

09:49:12 1 We have to make changes to our system to be
09:49:16 2 able to interface with the AVID system, so it's
09:49:20 3 programming changes to be able to have information
09:49:24 4 upload and download between our two systems.

09:49:30 5 Q. And so who would be providing the approval of
09:49:32 6 the system changes?

09:49:33 7 A. Ultimately, I would.

09:49:38 8 Q. What would -- what would -- what would be the
09:49:41 9 basis of your decision to approve or not approve a
09:49:43 10 system change?

09:49:46 11 A. What the statute says I'm supposed to do, and
09:49:51 12 as this is currently under litigation, what a court
09:49:53 13 would tell me I'm supposed to do.

09:49:57 14 Q. So your role in approving would be determining
09:50:00 15 whether the system change comports with a directive from
09:50:03 16 a court or another authority?

09:50:06 17 A. Correct.

09:50:09 18 Q. Do you seek -- do you seek legal guidance in
09:50:13 19 terms of interpreting a directive or another source of
09:50:18 20 authority?

09:50:18 21 A. Absolutely.

09:50:19 22 Q. And who would that -- who would you seek
09:50:21 23 guidance from?

09:50:22 24 A. Daniel Jurkowitz.

09:50:23 25 Q. Thank you.

09:50:28 1 Turning to what I believe will be marked

09:50:29 2 Exhibit 66. It's labeled E in the folder.

09:50:36 3 A. Did you say E, as in echo?

09:50:38 4 Q. Edward, yeah, or echo.

09:50:47 5 A. Yes, I have that up on the screen.

09:50:47 6 Q. Are you -- this document?

09:51:10 7 A. I believe your question is are you familiar

09:51:12 8 with the document?

09:51:14 9 THE COURT REPORTER: Yeah, I didn't -- you

09:51:16 10 cut out.

09:51:16 11 BY MR. SNOW:

09:51:16 12 Q. I'm sorry. I don't know what's going on with

09:51:18 13 my equipment.

09:51:19 14 Are you familiar with this document?

09:51:19 15 A. I am.

09:51:21 16 Q. And what is this document?

09:51:22 17 A. These are, again, responses from our office

09:51:25 18 regarding the interrog -- I can't say that word

09:51:28 19 correctly. So our responses to your questions, okay.

09:51:30 20 Q. And this is -- this is dated June 30th, 2023,

09:51:37 21 correct?

09:51:37 22 A. It is.

09:51:39 23 Q. And that's your signature on Page 12?

09:51:49 24 That's your signature on Page 12?

09:51:51 25 A. I'm getting it.

09:51:54 1 Yes, it is.

09:51:58 2 Q. Thank you.

09:52:00 3 So you had a role in putting this together?

09:52:02 4 A. I did.

09:52:05 5 Q. And just briefly, what was your process in
09:52:10 6 responding to these interrogatories?

09:52:11 7 A. The same as our process previously. So we
09:52:14 8 reviewed the questions. I reached out to the
09:52:18 9 appropriate team members to be able to gather the
09:52:20 10 information for the responses, and then we provided them
09:52:26 11 to counsel.

09:52:28 12 Q. Thank you.

09:52:35 13 Let's see. Turning to Page 6, and you see
09:52:52 14 interrogatory number 7?

09:52:56 15 A. Yes.

09:53:03 16 Q. I'm sorry. Scratch that.
09:53:04 17 Turning to Page 3, interrogatory number 4.

09:53:15 18 A. Okay.

09:53:27 19 Q. And so this interrogatory refers to -- or asks
09:53:45 20 you to identify sources, documents, communications, or
09:53:50 21 agreements pertaining to the process to confirm DPOC,
09:53:55 22 documentary proof of citizenship, or DPOR, documentary
09:54:00 23 proof of residence.

09:54:01 24 And then in your response, the Recorder's
09:54:06 25 Office uses the United States Immigration SAVE database,

09:54:10 1 also relies on the Arizona Department of Motor Vehicle
09:54:14 2 Motor Vehicle Recorders Request System, and has access
09:54:16 3 to the AVID voter registration system.

09:54:21 4 Is that all correct?

09:54:22 5 A. That is.

09:54:23 6 Q. Are there any other sources of information that
09:54:25 7 you use to confirm DPOC or DPOR?

09:54:31 8 A. Should a voter choose to provide us
09:54:35 9 documentation, copies of birth certificates, passports,
09:54:39 10 we will accept those as well, but that's provided by
09:54:42 11 the -- if it's provided by the voter.

09:54:51 12 Q. Okay. Turning to Page 6, interrogatory
09:55:00 13 number 7 refers to types of documents a person who
09:55:06 14 resides in a location with only a nonstandard address
09:55:08 15 can use to prove the location of their residence.

09:55:12 16 And the response is to review to the Pima
09:55:19 17 County Recorder's Office internal voter registration
09:55:22 18 instructions; is that correct?

09:55:24 19 A. That is correct.

09:55:27 20 Q. Briefly, can you describe your familiarity with
09:55:30 21 those instructions?

09:55:33 22 A. Those instructions are an outline to our voter
09:55:38 23 registration clerks as they process through our voter
09:55:40 24 registration forms. We try to provide as much detail as
09:55:42 25 possible to answer their questions so they can

09:55:45 1 successfully process forms.

09:55:47 2 So it's fairly detailed, the voter
09:55:52 3 registration. It's basically standard operating
09:55:54 4 procedures is what we use both as a training tool and as
09:55:57 5 a reference tool for our experienced staff.

09:56:04 6 Q. Thanks. All right, we can put aside that
09:56:16 7 exhibit. Moving on.

09:56:23 8 Discussing the Recorder's Office operations and
09:56:27 9 specifically responsibilities with respect to elections,
09:56:31 10 the Recorder's Office processes voter registration
09:56:34 11 applications; is that correct?

09:56:35 12 A. That is correct.

09:56:38 13 Q. And conducts list maintenance processes; is
09:56:43 14 that correct?

09:56:43 15 A. Correct.

09:56:44 16 Q. Administers early voting in person, by mail,
09:56:49 17 via drop boxes, or processing early votes, correct?

09:56:52 18 A. We do early voting. We do not have drop boxes
09:56:56 19 here in Pima County. We have early voting locations
09:57:00 20 that are staffed by our Recorder's staff that also have
09:57:05 21 drop boxes there available to voters to drop off their
09:57:10 22 ballots should they choose not to mail it.

09:57:13 23 But they are not -- when you say drop box, I
09:57:16 24 instinctively think of the fixed drop boxes that do not
09:57:20 25 have staff associated with them that are used in other

09:57:23 1 counties, such as Maricopa. We do not have those types
09:57:26 2 of drop boxes in Pima County.

09:57:30 3 Q. Thank you.

09:57:31 4 And how do you divide responsibilities and
09:57:34 5 coordinate with the elections director?

09:57:36 6 A. So here in Pima County the Recorder is
09:57:41 7 responsible for all of the items that you indicated,
09:57:45 8 voter registration, list maintenance, early voting. And
09:57:48 9 the elections director is responsible for same, like,
09:57:52 10 election day voting and the tabulation of ballots.

09:57:59 11 And so I guess the best example would be we
09:58:01 12 will mail out the ballot packet to the voter. The
09:58:06 13 returned ballot packet will come back to us. We will
09:58:09 14 signature verify that and then determine whether or not
09:58:13 15 we believe that signature was written by the voter, and
09:58:16 16 then we will turn all of those verified early ballots
09:58:20 17 over to the elections department.

09:58:24 18 The elections department will then have their
09:58:25 19 early wards open up those ballots, remove those ballots,
09:58:28 20 and then take those ballots over to tabulation. And
09:58:32 21 then the elections department will man I think it's like
09:58:38 22 130 vote centers in Pima County on election day. And
09:58:43 23 during early voting we will operate 15 -- we operated 15
09:58:49 24 early voting centers in the '22 cycle. We will be
09:58:53 25 operating 18 early voting locations in the '24 cycle.

09:58:59 1 Q. Thank you.

09:59:00 2 And specific to voter registration and list

09:59:04 3 maintenance activities, can you describe the staff and

09:59:10 4 the organizational staff who are responsible for voter

09:59:17 5 registration and list maintenance?

09:59:19 6 A. So as I previously mentioned, we have a voter

09:59:22 7 registration unit. We have a voter registration manager

09:59:27 8 and we have -- we now have three voter registration

09:59:30 9 supervisors, who report to the manager; and we have

09:59:33 10 three voter registration specialists, who act as leads;

09:59:37 11 and then we have voter clerk positions.

09:59:42 12 We've had several internal promotions recently,

09:59:44 13 so our voter clerk positions, I believe we have five

09:59:51 14 vacancies right now for voter clerks. The voter clerks

09:59:55 15 would be the individuals who would be doing the daily

09:59:58 16 processing of voter registration forms and general list

10:00:03 17 maintenance.

10:00:05 18 The voter registration specialists would be

10:00:08 19 leads so they would be -- they could do the more complex

10:00:13 20 things. There's some, you know, unique -- sometimes we

10:00:16 21 come across unique voter registration issues. The

10:00:19 22 specialist would be the person that would be -- would

10:00:21 23 take the lead on resolving those issues. The voter

10:00:26 24 registration specialists would also take the lead during

10:00:28 25 an early voting period working at our -- working at our

10:00:39 1 ballot processing center.

10:00:41 2 So we have two sides of the house, the

10:00:44 3 signature verification side and then the ballot

10:00:47 4 processing side and then the early voting side. So each

10:00:51 5 supervisor would be assigned during an election. So we

10:00:54 6 would have a supervisor and a specialist assigned to the

10:00:58 7 signature verification side of the house. We would have

10:01:01 8 a supervisor and specialist assigned to the ballot

10:01:04 9 processing side of the house, and then we would have a

10:01:06 10 supervisor and specialist at our downtown location

10:01:12 11 managing daily operations and early voting site

10:01:16 12 operations.

10:01:17 13 And then the voter manager is the individual

10:01:19 14 who makes sure that all the pieces are in place and is

10:01:24 15 providing support and resources to the team.

10:01:28 16 Q. Thank you.

10:01:33 17 Let us turn to an exhibit that's already marked

10:01:37 18 as Exhibit 6. It's labeled F in the Dropbox.

10:01:48 19 A. Okay, it's up on the screen.

10:01:51 20 Q. Thanks.

10:01:55 21 Are you familiar with this document?

10:01:56 22 A. Yes, I am.

10:01:58 23 Q. And what is it?

10:01:59 24 A. It's the 2019 Arizona elections procedures

10:02:02 25 manual.

10:02:02 1 Q. -- important about this document?

10:02:12 2 THE COURT REPORTER: Your mouth was moving

10:02:13 3 an extensive amount of time and nothing was coming out.

10:02:15 4 BY MR. SNOW:

10:02:15 5 Q. What is important about this document?

10:02:19 6 A. The elections procedures manual or the EPM is

10:02:23 7 one of our foundational documents on how we do our job.

10:02:26 8 So we refer to this on a daily basis for any particular

10:02:32 9 task of our office.

10:02:34 10 In this particular version of the EPM the very

10:02:38 11 first chapter is related to voter registration, so we're

10:02:41 12 constantly referring back to that, in addition to the

10:02:45 13 statutes, as support for our daily operations. So the

10:02:52 14 information contained in this document is what creates

10:02:55 15 the foundational support to our internal operations.

10:03:02 16 Q. And who provides you with this document?

10:03:05 17 A. The Arizona Secretary of State.

10:03:10 18 Q. And so you say that you refer to this document

10:03:15 19 directly when making decisions about how to administer

10:03:19 20 elections?

10:03:21 21 A. This does have outlines on how to administer

10:03:24 22 elections in general, in broad terms. So the

10:03:27 23 information contained in this document ensures that all

10:03:30 24 15 counties are -- have the same end result, so we're

10:03:36 25 all following the same rules.

10:03:38 1 The particularities of how we do it in a county
10:03:41 2 may be a little different from county to county. A lot
10:03:45 3 of that has to do with our size and number of staff.
10:03:50 4 But this is the foundational document that ensures that
10:03:52 5 we all come out with the same results because we're all
10:03:55 6 following the same rules.

10:03:58 7 Q. And you said you also refer to -- directly to
10:04:01 8 statutes?

10:04:03 9 A. Correct.

10:04:03 10 Q. So when would you refer to the EPM versus the
10:04:06 11 statute?

10:04:07 12 A. We would refer to them both simultaneously.

10:04:17 13 Q. In referring to the election procedures manual,
10:04:20 14 does your office create, you know, versions of the
10:04:25 15 election procedures manual or some, you know, pared-down
10:04:28 16 version or guidance document based on the election
10:04:30 17 procedures manual, but not the election procedures
10:04:32 18 manual itself?

10:04:33 19 A. No.

10:04:37 20 We have a lot of people who have highlighted
10:04:39 21 and dog-eared it and put a lot of tabs on it, but we do
10:04:45 22 not pare it down.

10:04:46 23 Q. And do you provide training in your office on
10:04:51 24 the EPM?

10:04:53 25 A. Not on the EPM, no. We are all required to go

10:04:56 1 to the Arizona elections officers training. So if you
10:05:02 2 have not been certified, you go to the initial training.
10:05:05 3 All of our staff who has not done their initial training
10:05:08 4 will be doing that next week. If you are certified,
10:05:10 5 like I am, and your certification is coming up for
10:05:14 6 renewal, then you go to the renewal training, and --

10:05:18 7 Q. Who con --

10:05:18 8 Sorry. Go ahead.

10:05:19 9 A. I was going to say that everybody who works in
10:05:21 10 elections in our office and that is designated as one of
10:05:24 11 their primary responsibilities, they all undergo that
10:05:27 12 training.

10:05:29 13 Q. Who conducts that training?

10:05:30 14 A. The Secretary of State.

10:05:34 15 Q. How often does the training occur?

10:05:37 16 A. It is supposed to occur odd-numbered years. So
10:05:42 17 we don't do them during a federal elections cycle, but
10:05:46 18 we will do it on an odd-numbered year. So we will have
10:05:49 19 it -- the initial training has been going on piecemeal
10:05:53 20 across the state for the past month and a half. Pima
10:05:57 21 County is going to have our training, and I believe
10:06:02 22 Santa Cruz and Greenlee are going to be with Pima County
10:06:07 23 starting next week.

10:06:11 24 Q. Thank you.

10:06:12 25 And so this version of the election procedures

10:06:16 1 manual is dated 2019, correct?

10:06:18 2 A. Correct.

10:06:20 3 Q. And how often is the election procedures manual
10:06:23 4 updated?

10:06:25 5 A. It is supposed to be updated before every
10:06:28 6 federal election cycle.

10:06:31 7 Q. Was it updated in 2021?

10:06:34 8 A. It was not.

10:06:36 9 Q. So this is still the operative version, the
10:06:39 10 2029 version?

10:06:40 11 A. It is.

10:06:41 12 Q. And have there been changes in law since
10:06:44 13 2029 -- or, sorry, 2019?

10:06:46 14 A. Yes.

10:06:48 15 Q. And so what do you do when you are concerned or
10:06:54 16 confused about a change in law that might not be
10:06:56 17 reflected in the election procedures manual?

10:06:59 18 A. The Secretary of State provided us -- in 2021
10:07:06 19 the Secretary of State provided us an annotated version
10:07:09 20 of the EPM reflecting changes in law up to that point.
10:07:17 21 So we will reference the annotated and the full
10:07:21 22 version depending on, you know, which one supersedes the
10:07:28 23 other. So not all aspects of the 2019 EPM were changed
10:07:34 24 due to statutory changes, but some aspects were, and so
10:07:37 25 we do have that annotated version for reference

10:07:39 1 purposes. If there are changes in law, again, we always
10:07:45 2 defer to the Secretary of State's Office for guidance as
10:07:49 3 to what are the next steps that we need to do to be
10:07:53 4 compliant.

10:07:59 5 Q. And what would be -- what would be the source
10:08:02 6 of information or guidance on the next steps you need to
10:08:05 7 take to be compliant?

10:08:08 8 A. I don't quite understand your question.

10:08:10 9 Q. So in determining what you would need to do to
10:08:13 10 comply with the change in law, you would refer to the
10:08:17 11 annotated version of the election procedures manual; is
10:08:17 12 that right?

10:08:21 13 A. If it is referenced in there, yes.

10:08:24 14 Q. And if it's not referenced, how would you --
10:08:26 15 how would you deal with that?

10:08:28 16 A. Well, if it's not referenced and it's --
10:08:31 17 obviously we would speak with our attorney first, but we
10:08:33 18 also reach out to the Secretary of State's Office and
10:08:36 19 ask them for their guidance.

10:08:39 20 Q. So is the election procedures manual legally
10:08:42 21 binding?

10:08:45 22 A. It does have the -- it does have the force of
10:08:49 23 law, I believe.

10:08:54 24 Q. Would the annotated version of the election
10:08:58 25 procedures manual also have the force of law?

10:09:00 1 A. I don't believe it does.

10:09:04 2 Q. When receiving guidance directly from the

10:09:07 3 Secretary of State, would that have the force of law?

10:09:11 4 A. It is only guidance.

10:09:14 5 MR. LANGHOFER: Objection, calls for a
10:09:15 6 legal conclusion.

10:09:15 7 And I'm sorry for the interruption here.
10:09:17 8 Ryan, this is Kory Langhofer with the RNC. Maybe this
10:09:21 9 is a good time to put on the record our agreement that
10:09:23 10 objections by defendants will be good for all the
10:09:26 11 defendants, we don't all have to repeat each other's
10:09:29 12 objections, if that's all right.

10:09:32 13 I'm not sure I heard you.

10:09:37 14 Still no audio.

10:09:40 15 MR. SNOW: Thank you.

10:09:43 16 MR. LANGHOFER: Is that -- have I
10:09:45 17 correctly stated the stipulation about objections for
10:09:47 18 one defendant being objections for all?

10:09:50 19 MR. SNOW: Yes.

10:09:55 20 MR. LANGHOFER: Jody, did you get that?

10:09:56 21 All right, she's nodding yes. Thanks.

10:09:58 22 I'll stop now.

10:10:01 23 BY MR. SNOW:

10:10:01 24 Q. Would there ever be a circumstance under which
10:10:03 25 you would not follow a guidance that you received from

10:10:07 1 the Secretary of State's Office?

10:10:20 2 A. I don't -- I don't know. I'm sure there might

10:10:23 3 be, particularly if it puts Pima County in a position of

10:10:28 4 liability or would put the Recorder in a precarious

10:10:32 5 legal position. We would follow the guidance of our

10:10:35 6 attorney.

10:10:45 7 Q. So the Chapter 1 of the election procedures

10:10:55 8 manual follows that, that chapter?

10:10:58 9 A. Yes.

10:11:06 10 Q. -- follow that chapter?

10:11:08 11 A. I'm sorry, I didn't catch that.

10:11:09 12 Q. Are you aware of any counties that don't follow

10:11:11 13 that chapter?

10:11:13 14 A. Not that I'm aware of, no.

10:11:18 15 Q. Let's turn to the next exhibit, which is

10:11:20 16 labeled G.

10:11:25 17 MR. SNOW: And are we up to 68?

10:11:34 18 THE COURT REPORTER: 67.

10:11:36 19 MR. SNOW: 67. Okay. Thank you.

10:11:38 20 BY MR. SNOW:

10:11:38 21 Q. What is this document?

10:11:39 22 A. It's the draft EPM for this year.

10:11:39 23 Q. -- document?

10:12:07 24 MS. STUART: Ryan, if you said a question,

10:12:08 25 we couldn't hear you.

10:12:09 1 BY MR. SNOW:

10:12:09 2 Q. Oh, I'm sorry.

10:12:10 3 Are you familiar with this document?

10:12:11 4 A. Yes.

10:12:15 5 Q. Did your office provide comments on this
10:12:18 6 document?

10:12:20 7 A. We've provided mostly verbal comments on this
10:12:22 8 document during our meetings. I think we provided --
10:12:27 9 for the very first meeting we provided some comments as
10:12:30 10 it related to Chapter -- I think we provided comments
10:12:40 11 for Chapter 2, but it was the comments of why was this
10:12:47 12 removed? This was in the 2019 EPM. Is there a way to
10:12:52 13 put this back that makes sense to us? Those types of
10:12:55 14 comments.

10:12:58 15 Q. And so, briefly, what is your understanding of
10:13:00 16 how Chapter 1, voter registration, of the draft EPM
10:13:06 17 differs from Chapter 1, voter registration, from the
10:13:08 18 2019 EPM?

10:13:12 19 A. There weren't anything of substantive issues
10:13:17 20 that we had issues with. There were some issues that
10:13:22 21 were brought up during our meeting with the Secretary of
10:13:26 22 State's Office, but when we discussed that, Maricopa
10:13:31 23 County had some points that we agreed with, but we did
10:13:37 24 not have any particular -- we didn't provide a lot of
10:13:41 25 feedback verbally on that particular section.

10:13:47 1 The Recorder, Gabriella Cázares-Kelly,
10:13:52 2 participated in that meeting and she also noted some
10:13:55 3 things that she had some concerns with. The Secretary
10:13:59 4 of State's Office made note of those for clarification
10:14:04 5 on the report.

10:14:06 6 So we were all just kind of waiting for the
10:14:08 7 version, the full version, to be released so we could
10:14:13 8 all review it again.

10:14:22 9 Q. And, to your knowledge, does this -- does this
10:14:25 10 draft EPM reflect the challenged laws in this case?

10:14:34 11 MR. LANGHOFER: Calls for a legal
10:14:36 12 conclusion.

10:14:36 13 BY MR. SNOW:

10:14:36 14 Q. You may answer.

10:14:40 15 A. I believe that we have had the Secretary of
10:14:44 16 State indicate that there is language in there should
10:14:48 17 litigation -- should these particular bills be found
10:14:53 18 constitutional, there is language in there to
10:14:56 19 incorporate them into our processes.

10:15:07 20 Q. So you mentioned receiving guidance outside of
10:15:11 21 the EPM from the Secretary of State's Office, and how
10:15:15 22 was that communicated?

10:15:18 23 A. We will often e-mail the Secretary of State's
10:15:21 24 Office with particular questions, get their
10:15:25 25 interpretations on things. We usually reach out to the

10:15:27 1 state election director or the assistant state election
10:15:32 2 director on that, and it's e-mail or phone calls.
10:15:36 3 Q. Does it ever include some kind of official
10:15:40 4 document?
10:15:41 5 A. No.
10:15:42 6 Q. It's always the body of an e-mail?
10:15:46 7 A. Usually, yes, or a phone call.
10:15:49 8 Q. What is the voter registration advisory
10:15:52 9 committee?
10:15:55 10 A. Voter registration advisory committee, or VRAC,
10:15:59 11 that is the committee of all 15 counties get together
10:16:03 12 where we identify uniformed processes for inputting
10:16:13 13 voter registration forms. So VRAC papers are forms that
10:16:19 14 kind of take specific aspects of the voter registration
10:16:23 15 process, break them down on how to do them, so we can
10:16:26 16 kind of create uniformity, so if you were
10:16:32 17 notification -- like jury notifications, cancellations
10:16:37 18 due to death notices, things like that.
10:16:39 19 So they're usually short papers that are put
10:16:45 20 out by the Secretary of State's Office, but are written
10:16:50 21 in kind of a group setting with input from all of the
10:16:59 22 County Recorders, and then they reflect operations.
10:17:03 23 It's mostly dependent upon how the 13 other
10:17:08 24 counties use the AVID system; and then Maricopa and
10:17:13 25 Pima, because we have our own systems, we will use the

10:17:16 1 VRAC papers as guidance to make changes in our system to
10:17:20 2 conform so our information will be able to be processed
10:17:25 3 the same way and received by the AVID system. So it's
10:17:29 4 another way to try to create uniformity among all of us.

10:17:36 5 Q. What is your role in the VRAC?

10:17:40 6 A. So I provide participation for the VRAC papers,
10:17:46 7 input questions, but I am also -- when the Recorder
10:17:52 8 chooses to designate me as a proxy, I can provide voting
10:17:58 9 on behalf of the Recorder to approve or not approve a
10:18:02 10 VRAC paper.

10:18:06 11 Q. And what is needed for approval of a VRAC
10:18:10 12 paper?

10:18:12 13 A. Well, we would get together in a committee. We
10:18:16 14 would discuss the pros and cons. We would put together
10:18:20 15 the final recommendations, and then usually the County
10:18:27 16 Recorders would approve those recommendations, and then
10:18:29 17 the Secretary of State would finalize them and we would
10:18:33 18 send a VRAC paper. It's by consensus.

10:18:41 19 Q. And are those papers binding?

10:18:48 20 MR. LANGHOFER: Calls for a legal
10:18:49 21 conclusion.

10:18:51 22 THE WITNESS: They're --

10:18:54 23 BY MR. SNOW:

10:18:54 24 Q. You can answer.

10:18:54 25 A. They're advisory, so they're another way for us

10:18:58 1 to create uniformity, so we do use them as -- they do

10:19:03 2 inform our processes.

10:19:08 3 Q. Would there ever be a circumstance where you

10:19:11 4 wouldn't follow a VRAC paper?

10:19:13 5 A. I cannot think of one.

10:19:17 6 Q. And how often does VRAC convene?

10:19:24 7 A. During '21 and '22 it wasn't very often, but

10:19:28 8 the VRAC committee is convening a little bit more

10:19:35 9 frequently. I think we've had three VRAC meetings where

10:19:40 10 we've reviewed drafts of certain VRAC papers as a group,

10:19:45 11 but none of them have been finalized.

10:19:54 12 Q. And under what circumstances -- scratch that.

10:20:00 13 Who decides when VRAC issues -- who decides

10:20:11 14 when VRAC should issue a paper?

10:20:16 15 A. When we, as a committee, come together and find

10:20:19 16 that there's some sort of -- not a disagreement, but an

10:20:25 17 unknown, and we need clarification. So if one county

10:20:33 18 does something in a process and another county does

10:20:35 19 something different in a process, that usually means

10:20:38 20 that we need to come together to create a VRAC paper so

10:20:43 21 we can create sort of uniformity within the actual

10:20:47 22 processing of that particular issue.

10:20:49 23 The EPM -- excuse me. The EPM provides the

10:20:57 24 foundation and kind of like the structure that we

10:21:02 25 operate in. The VRAC paper provides us more detail and

10:21:08 1 gives us more uniformity within those operations. Like
10:21:16 2 the EPM is the house and the VRAC paper is the drywall.
10:21:27 3 Q. And does the Secretary of State approve VRAC
10:21:32 4 papers?
10:21:35 5 A. That's a little -- it's a little unclear about
10:21:40 6 that at the moment. The Secretary of State puts the
10:21:44 7 VRAC paper together, and then we, as the County
10:21:49 8 Recorders, come and review it and we make changes; and
10:21:52 9 then the County Recorders, once the VRAC paper is set
10:21:57 10 the way we think it's going to be most efficient
10:22:02 11 operational and we agree on it, then the Secretary of
10:22:05 12 State finalizes the VRAC paper.
10:22:14 13 Q. And then the VRAC paper is sent out to all the
10:22:16 14 counties?
10:22:16 15 A. It is.
10:22:20 16 Q. What is the Arizona Association of Counties?
10:22:24 17 A. The Arizona Association of Counties is the
10:22:28 18 lobbying organization that all the counties pay
10:22:33 19 membership to to be able to advocate for our needs at
10:22:43 20 the State Capitol.
10:22:48 21 Q. What is -- what is Pima County's involvement?
10:22:53 22 A. We're a member.
10:22:55 23 Q. Do you recall what the Arizona Association of
10:22:59 24 Counties' position was on the challenged laws in this
10:23:00 25 case?

10:23:03 1 A. I do not.

10:23:10 2 Q. Do you recall what your office's position was
10:23:14 3 on the challenged laws?

10:23:18 4 A. We're opposed to the bills as written when they
10:23:23 5 were first introduced because it would make our job
10:23:25 6 difficult.

10:23:33 7 Q. How would they make your job difficult?

10:23:36 8 A. The bills are very vague and they provide a lot
10:23:41 9 of conflicting requirements for us as it relates to
10:23:44 10 certain aspects of voter registration. Without clear
10:23:50 11 guidance, we're not entirely sure how to implement them.

10:23:58 12 Q. Thank you.

10:23:59 13 What is the AVID enhancement committee?

10:24:03 14 A. The AVID enhancement committee is the statewide
10:24:08 15 voter registration database committee. So AVID is used
10:24:15 16 by the 13 counties other than Maricopa and Pima, and
10:24:18 17 that is where they -- it is a statewide voter
10:24:24 18 registration program that is the responsibility of the
10:24:26 19 Secretary of State's Office.

10:24:28 20 The AVID enhancement committee is where the
10:24:31 21 13 counties that use AVID work with the Secretary of
10:24:36 22 State's Office and the Secretary of State's Office
10:24:38 23 vendor to make the program more functional for their
10:24:42 24 needs. So it's -- they put in tickets if something
10:24:47 25 doesn't quite work or if there is some sort of issue,

10:24:50 1 and then they talk about changes that they'll make to
10:24:52 2 the AVID to meet their functional needs; and then they
10:24:58 3 also discuss changes that AVID needs to make to conform
10:25:02 4 to any new changes in the laws that have occurred.

10:25:12 5 Q. And what is your role?

10:25:15 6 A. As a -- I participate in the enhancement
10:25:18 7 committees only from the perspective of hearing what the
10:25:23 8 other counties are putting forward as changes, because
10:25:27 9 those changes will have an impact on our system.

10:25:32 10 So both Maricopa and Pima County, we
10:25:35 11 participate in those meetings and discuss how those
10:25:40 12 changes can impact our systems or what our understanding
10:25:48 13 is of that. Maricopa really is a lot more active in
10:25:53 14 those meetings than Pima County is.

10:25:56 15 We have -- there are -- there are four AVID
10:26:00 16 committees. There is the AVID enhancement committee,
10:26:07 17 which you've just asked me about. There's the AVID
10:26:10 18 superuser committee, which is just a review of all the
10:26:12 19 things that the AVID enhancement committee has done and
10:26:15 20 is kind of like a this is what's coming up and here's
10:26:18 21 what we've accomplished.

10:26:20 22 There is the AVID -- it is the AVID -- it's
10:26:28 23 like the advisory committee, and that's made up of all
10:26:31 24 the County Recorders. So that committee will discuss
10:26:38 25 policy and policy implications.

10:26:41 1 And then there is the AVID Maricopa/Pima
10:26:46 2 interface committee. The AVID Maricopa/Pima interface
10:26:51 3 committee is the one that our office is active in, for
10:26:54 4 the most part, because it is a special meeting between
10:26:58 5 Pima, Maricopa, the Secretary of State's Office, and the
10:27:02 6 vendor for AVID, where we discuss each of our voter
10:27:07 7 registration systems, what changes we need to make to
10:27:10 8 them to be able to put information into AVID and to
10:27:17 9 have -- be able to extract information from AVID. So we
10:27:20 10 work directly with the SOS and the vendor, because it
10:27:25 11 involves a lot of programming.

10:27:30 12 Q. So Pima County has its own separate voter
10:27:33 13 registration system or database?

10:27:34 14 A. We do.

10:27:36 15 Q. And that interfaces with AVID, correct?

10:27:39 16 A. It does.

10:27:40 17 Q. So how would you describe how your system
10:27:44 18 interfaces with AVID?

10:27:46 19 A. Kind of like a link. We upload information and
10:27:50 20 we download information, so any changes that we make on
10:27:52 21 a daily basis, we will upload those changes through the
10:27:56 22 AVID system so it populates the statewide, because a
10:28:00 23 voter can review their voter registration information
10:28:04 24 specifically at the local level with us or they can also
10:28:07 25 go through the Secretary of State. Then if AVID has

10:28:11 1 received any updates and changes, we will download
10:28:15 2 information from AVID to update our voter registration
10:28:17 3 files.

10:28:19 4 Q. And does this happen in real-time; when an
10:28:23 5 update is made, it updates to both systems?

10:28:26 6 A. Not real real-time, but very close to it. So
10:28:30 7 once information is updated in our voter registration
10:28:33 8 system, we run a script, and that script is running in
10:28:38 9 the background pulling information through the interface
10:28:43 10 or -- we are either pushing information through the
10:28:46 11 interface or we are pulling information down from the
10:28:48 12 interface.

10:28:51 13 Q. And how often do you run that script?

10:28:53 14 A. It is running continuously.

10:28:56 15 Q. So what would you say is the lag time?

10:29:03 16 A. I don't know. That's a technical question
10:29:05 17 that's kind of outside the scope of my knowledge.

10:29:08 18 Q. And what do you call your county system?

10:29:11 19 A. Voter.

10:29:14 20 Q. Just Voter?

10:29:15 21 A. Yep.

10:29:17 22 Q. How do the database fields differ in Voter from
10:29:23 23 AVID, if at all?

10:29:24 24 A. They don't. We actually track a little bit
10:29:27 25 more information than AVID tracks, but because we're

10:29:32 1 pushing information up into AVID, we have to have the
10:29:36 2 same fields so they can be mapped to AVID, otherwise
10:29:41 3 AVID wouldn't be able to read the information and we
10:29:43 4 wouldn't be able to read AVID's information if it came
10:29:47 5 down.

10:29:47 6 Q. So what information does your system track that
10:29:50 7 AVID doesn't?

10:29:52 8 A. Well, we have a change history log, every time
10:29:55 9 we've changed something on the voter registration form.
10:30:02 10 We have images of all of the voter registration
10:30:05 11 documents we've ever received. We have the ability
10:30:12 12 to -- we have a breakdown of the voting history based
10:30:17 13 off of whether or not the voter got voting credit for
10:30:24 14 voting at a polling place or an early ballot.

10:30:27 15 If they have voted early ballots, we have the
10:30:31 16 log of who verified the ballot, what batch it was in,
10:30:37 17 when it was turned over to elections for tabulation. We
10:30:40 18 have images of the voter -- the early ballot affidavit.

10:30:49 19 We have just a -- we have the ability to look
10:30:54 20 at the -- so we have a voter that has multiple voters at
10:31:02 21 a house, right. So, you know, we can bring one voter up
10:31:06 22 on our screen, and then we have a household button where
10:31:08 23 we can click and see the other voters at that address.

10:31:15 24 So it just -- it has a lot of information in it
10:31:20 25 that we have designed and developed to meet the needs of

10:31:27 1 Pima County.

10:31:28 2 Q. Is there any difference in the status or the
10:31:31 3 reason codes between the two systems?

10:31:32 4 A. No.

10:31:35 5 Q. Do you have a specific reason code for
10:31:38 6 documentary proof of citizenship issues?

10:31:41 7 A. For DPOC? We --

10:31:42 8 Q. Yes.

10:31:43 9 A. It's just DPOC.

10:31:46 10 Q. And do you have a specific reason code for
10:31:49 11 documentary proof of residency?

10:31:51 12 A. That would be something that would require
10:31:55 13 change, and we are waiting on the conclusion of this
10:31:57 14 litigation to create those changes, if necessary.

10:32:02 15 Q. So for DPOC, under what circumstances would you
10:32:07 16 assign the DPOC reason code to a voter?

10:32:14 17 A. So we would assign it if we didn't have proof
10:32:18 18 of citizenship. So as our current operations are, we
10:32:22 19 would get a voter registration form. Everything that's
10:32:27 20 on it we would put it into the system. If there is a
10:32:32 21 Arizona driver's license, you know, we would, you know,
10:32:35 22 go through the MVD. MVD has -- can show us if
10:32:41 23 citizenship has been provided to them, so we would
10:32:43 24 accept it. If a naturalization number is on there, we
10:32:47 25 would use the SAVE database to determine citizenship.

10:32:50 1 If we don't have any of those particular pieces
10:32:54 2 of information on the form and we're not able to use
10:32:58 3 those particular databases, we would register the voter
10:33:01 4 as a federal only voter and we would send them a letter
10:33:06 5 indicating that they need to provide us documentary
10:33:09 6 proof of citizenship.

10:33:15 7 Q. Thank you.

10:33:19 8 And does your system track the method by which
10:33:24 9 a voter provides documentary proof of citizenship?

10:33:30 10 A. It's a dropdown screen that the Voter clerk
10:33:35 11 would pick what that dropdown screen is. Without having
10:33:42 12 Voter open right now, I can't tell you specifically what
10:33:45 13 that is, but it is a dropdown screen and it has a list
10:33:49 14 of things, like passport, birth certificate, things like
10:33:53 15 that.

10:33:55 16 Q. Thank you.

10:33:57 17 Are you aware of any issues that your office
10:34:03 18 has experienced in terms of reconciling AVID with Voter?

10:34:09 19 A. What kind of issues would --

10:34:12 20 Q. Any issues that would -- that would affect your
10:34:17 21 office's ability to use your system or that would --
10:34:21 22 that would cause the system to not be reflecting the
10:34:25 23 same information.

10:34:28 24 A. Not to my knowledge; but we do have a dedicated
10:34:31 25 developer, who's constantly working with the Secretary

10:34:38 1 of State's Office and the AVID development team. So
10:34:40 2 they're constantly monitoring those issues.

10:34:44 3 So we do make changes and tweaks to our system
10:34:47 4 to be able to ensure that the interface is functional.
10:34:54 5 We make changes to our system based off of what changes
10:34:58 6 AVID is going to have.

10:35:03 7 Q. Thank you.

10:35:07 8 So has your office discussed how to implement
10:35:10 9 the provisions of H.B. 2492?

10:35:14 10 A. No. We had a discussion back in January with
10:35:19 11 the guidance provided by the Secretary of State's
10:35:25 12 Office. It was kind of like their -- it was a flowchart
10:35:28 13 provided to them about each of the bills and what that
10:35:31 14 meant. We reviewed that. We had some internal
10:35:37 15 discussion that to be able to do -- comply with that
10:35:40 16 would require quite a lot of development changes to our
10:35:45 17 Voter system to be able to do the things that it was
10:35:47 18 requesting.

10:35:52 19 Q. And has your office received any guidance on
10:35:55 20 how to interpret the provisions of H.B. 2492?

10:36:06 21 A. We've just had discussions with our attorney on
10:36:08 22 that.

10:36:14 23 Q. All right. Let's pull up another exhibit.
10:36:17 24 This is marked H from the Dropbox.

10:36:22 25 MS. STUART: Ryan, I don't want to

10:36:24 1 interrupt your flow, but we've been going for like an
10:36:26 2 hour and a half, a little over.

10:36:28 3 MR. SNOW: Sure.

10:36:29 4 MS. STUART: You don't have to take a
10:36:30 5 break right now, but if we could just keep in mind maybe
10:36:34 6 a break sometime soon.

10:36:53 7 MR. SNOW: Sure. So I think maybe go for
10:36:54 8 another half an hour or so. Is that good for everyone,
10:36:59 9 and then take a break?

10:37:04 10 Another half an hour before break?

10:37:07 11 THE WITNESS: Sure.

10:37:10 12 MR. SNOW: Okay. So let's mark -- we're
10:37:12 13 marking this as 68, correct, Exhibit 68?

10:37:21 14 THE COURT REPORTER: Right.

10:37:22 15 BY MR. SNOW:

10:37:22 16 Q. So please take a moment to review Exhibit 68.

10:37:26 17 A. And you said it was H, hotel?

10:37:28 18 Q. H, yeah.

10:37:36 19 So turning down to the second e-mail, that's an
10:37:43 20 e-mail from Kori Lorick at AZSOS.gov. Who is Kori
10:37:50 21 Lorick?

10:37:50 22 A. Kori Lorick was the former elections director
10:37:53 23 under the previous Secretary of State.

10:38:01 24 Q. And this e-mail is dated December 30th, 2022,
10:38:08 25 and it lists a couple of people in the cc, but who

10:38:12 1 received this e-mail?

10:38:14 2 A. All the County Recordors.

10:38:19 3 Q. And just looking at the body of the e-mail,
10:38:22 4 which is subject 2492/2243 reminders, the e-mail is
10:38:31 5 discussing implementation of 2492 and 2243, both of
10:38:36 6 which go into effect January 1st, 2023.

10:38:40 7 It says, "If you'll recall, we met several
10:38:42 8 times throughout the year to review implementation and
10:38:44 9 the resulting impacts to the VR system as well as voter
10:38:48 10 registration procedures."

10:38:52 11 Correct?

10:38:52 12 A. Yes.

10:38:55 13 Q. And then the second paragraph states, "Having
10:38:57 14 thoroughly analyzed the changes that both bills require,
10:39:00 15 the Secretary of State's Office believes that there is
10:39:02 16 no way to implement certain requirements without
10:39:05 17 conflicting with federal law. So our office will not be
10:39:09 18 implementing those provisions."

10:39:12 19 Correct?

10:39:12 20 A. Correct.

10:39:15 21 Q. And then it says, you know, "For your
10:39:20 22 reference, I'm including the policy document that we
10:39:22 23 discussed at prior meetings."

10:39:23 24 And then it notes the provisions that they
10:39:25 25 interpret as conflicting with federal law, including the

10:39:27 1 documentary proof of residence for the federal form,
10:39:30 2 place of birth requirement, citizenship checkbox
10:39:34 3 requirement if an applicant otherwise provides DPOC or
10:39:38 4 if DPOC can be acquired, then DPOC for federal
10:39:43 5 elections.

10:39:43 6 Is that correct?

10:39:44 7 A. Correct.

10:39:46 8 Q. And then it says, "I'm including detailed notes
10:39:48 9 in the attached document that we have previously
10:39:50 10 reviewed together."

10:39:51 11 So do you recall receiving this e-mail?

10:39:53 12 A. Yes.

10:39:55 13 Q. And do you recall the meetings that are
10:39:57 14 referenced in the e-mail?

10:39:58 15 A. Yes.

10:40:00 16 Q. And do you recall reviewing the document that's
10:40:03 17 referred to in the e-mail?

10:40:04 18 A. Yes. It's that flowchart that I mentioned
10:40:07 19 earlier.

10:40:07 20 Q. Okay, great.

10:40:10 21 And then looking to the top of the e-mail, it
10:40:14 22 looks like you forwarded this e-mail to several
10:40:20 23 individuals or lists; Voter-Supervisors, Jane Carter,
10:40:25 24 and Alexa Venegas.

10:40:27 25 And so who are those people that you forwarded

10:40:29 1 this to?

10:40:30 2 A. The Voter-Supervisors are all of our Voter

10:40:35 3 supervisors who -- the chain of authority that I

10:40:39 4 described, the Voter supervisors, the specialists. At

10:40:46 5 this time the Voter supervisors included two

10:40:49 6 individuals. Jane Carter is the assistant chief deputy

10:40:54 7 recorder; and Alexa Venegas has been the acting Voter

10:40:58 8 manager, appointed into that position by Recorder

10:41:05 9 Cázares-Kelly.

10:41:10 10 Q. And why did you forward this e-mail?

10:41:12 11 A. I wanted them to be aware of all of the

10:41:16 12 conversations as it related to those two pieces of

10:41:18 13 legislation. We have been tracking them pretty

10:41:21 14 consistently throughout the legislative process.

10:41:24 15 We had a lot of questions about what their

10:41:27 16 implementation was, and we have constantly been looking

10:41:29 17 for guidance from the Secretary of State's Office. So

10:41:33 18 this was my attempt to keep my team in the loop about

10:41:37 19 all of the information that I was receiving.

10:41:42 20 Q. And do you recall discussing this e-mail or the

10:41:47 21 substance with anyone else in your office?

10:41:49 22 A. The Recorder.

10:41:52 23 Q. And what was the substance of that, those

10:41:58 24 discussions?

10:41:59 25 A. We had discussed that it didn't provide us the

10:42:02 1 guidance that we had hoped. And I believe that we also
10:42:06 2 had conversations with our attorney, Dan Jurkowitz.
10:42:13 3 Q. And in what way did this not provide the
10:42:16 4 guidance that you had hoped?
10:42:19 5 A. So as the County Recorder and as the Recorder's
10:42:24 6 Office, we're responsible for complying with the
10:42:28 7 statutes for voter registration.
10:42:32 8 So this was telling us not to comply with the
10:42:35 9 statutes based off the Secretary of State -- the
10:42:40 10 previous Secretary of State's understanding of it. So
10:42:46 11 it was -- it's been a difficult situation for us to try
10:42:55 12 to navigate. The best that we've been able to do is
10:43:00 13 just continue to do the job that we've been doing in the
10:43:05 14 same respect. So we haven't changed any of our
10:43:09 15 operations because we're just simply waiting for some
10:43:11 16 sort of resolution.

10:43:25 17 Q. And so you said you also discussed this with
10:43:29 18 your legal counsel?

10:43:31 19 A. Correct.

10:43:34 20 Q. And without divulging anything privileged, what
10:43:39 21 was the nature of those conversations?

10:43:46 22 A. Well, I think if I talked about the nature of
10:43:49 23 the conversations, it would be divulging privileged
10:43:53 24 information.

10:43:53 25 Q. Well, you can divulge the substance, general

10:43:59 1 substance. I'll ask the question a different way.

10:44:01 2 So you sought guidance from your counsel on the

10:44:07 3 e-mail that's in Exhibit 68?

10:44:10 4 A. Yes, as we do with anything as it relates to

10:44:13 5 these two bills.

10:44:16 6 Q. And did that include guidance as to whether to

10:44:19 7 follow the directive in this e-mail?

10:44:29 8 MR. LANGHOFER: Objection, calls for --

10:44:34 9 BY MR. SNOW:

10:44:34 10 Q. You can answer.

10:44:38 11 A. We are always eager to know the advice of our

10:44:42 12 counsel, so we are always -- our default blanket

10:44:49 13 question to him is always what do you think, what's your

10:44:52 14 advice?

10:44:56 15 Q. So did you view this, this e-mail, as legally

10:45:02 16 binding?

10:45:02 17 MS. STUART: Form.

10:45:06 18 MR. LANGHOFER: Objection.

10:45:08 19 BY MR. SNOW:

10:45:08 20 Q. You may answer.

10:45:12 21 A. I think we viewed it as guidance.

10:45:22 22 Q. And did you follow this guidance?

10:45:27 23 A. Because we didn't have any particular guidance

10:45:30 24 as to what to do, we just continued, like I said, to

10:45:33 25 maintain our operations as is.

10:45:36 1 Q. Thank you.

10:45:42 2 So the voter registration form has not been

10:45:44 3 updated to include the new requirements from H.B. 2492

10:45:49 4 or 2243, correct?

10:45:51 5 A. Correct.

10:45:54 6 Q. Do you have any reason to believe that the form

10:45:56 7 will be updated to include these elements anytime soon?

10:46:00 8 A. I do not.

10:46:03 9 Q. And so are you currently enforcing any aspect

10:46:06 10 of H.B. 2492 or H.B. 2243?

10:46:09 11 A. As I've previously stated, without exact

10:46:13 12 guidance as to what to do, we have just continued to

10:46:15 13 operate as normal.

10:46:19 14 Q. Okay. Let's turn to what will be marked

10:46:23 15 Exhibit 69, and it's labeled J.

10:46:37 16 So this is an e-mail thread dated February 1st,

10:46:42 17 2023, and it involves -- includes yourself, Alexa

10:46:52 18 Venegas, Mali Manjarrez-Bautista, David Greenwood, and

10:46:57 19 Voter-Supervisors, correct?

10:47:00 20 A. Correct.

10:47:03 21 Q. And scrolling down to the second page, where

10:47:14 22 it's an e-mail from you in response to another e-mail,

10:47:18 23 you state, "These are great questions. Unfortunately,

10:47:21 24 since the SOS has not provided us the updated voter reg

10:47:25 25 form that complies with the new laws (that are currently

10:47:27 1 under litigation but not enjoined) we still have a duty
10:47:30 2 to register voters. Please use the forms we have on
10:47:32 3 hand and explain to voters at the counter that they need
10:47:35 4 to provide DPOC and DPOR."

10:47:37 5 Is that correct?

10:47:39 6 A. Yes, that is what's written; but that's not
10:47:43 7 quite what the conversation I had, so -- but, yes,
10:47:48 8 that's what's in the e-mail.

10:47:49 9 Q. What was the conversation you had?

10:47:52 10 A. This conversation occurred specifically when an
10:47:56 11 individual came picking up forms from one of the voter
10:47:59 12 registration groups at the counter.

10:48:04 13 We have all been discussing these bills.
10:48:07 14 Everyone on our staff was aware of their implementation.
10:48:10 15 There has been a lot of questions as to what does that
10:48:13 16 mean for day-to-day operations. So the Voter
10:48:20 17 supervisors had been asking for clear guidance on what
10:48:23 18 to do. Because we have not been receiving clear --
10:48:27 19 we've not received clear guidance, we have just simply
10:48:31 20 said continue to operate as normal.

10:48:35 21 In this particular instance an individual had
10:48:38 22 come to the counter. They had requested voter
10:48:40 23 registration forms. The person assisting them had
10:48:44 24 discussed the implementation of this law and what that
10:48:50 25 meant. The conversation occurred with one of our line

10:48:55 1 staff, who then requested support from one of the Voter
10:48:59 2 supervisors, who ultimately requested support from me.

10:49:02 3 So I came out and spoke with that particular
10:49:07 4 representative from one of the groups, and I said that
10:49:10 5 there was legislation that was passed, that is correct;
10:49:13 6 that that legislation was under litigation. We were not
10:49:16 7 aware as to when the litigation would be resolved and
10:49:19 8 what impact that would be. And so I said if you're
10:49:24 9 doing voter registration and people ask and they are
10:49:27 10 aware of this legislation, you can say -- you can
10:49:31 11 recommend to them that they can also provide some sort
10:49:33 12 of proof of residency should they want to.

10:49:36 13 We provided that person the list that we would
10:49:39 14 have at our early voting locations, which is a list of
10:49:43 15 documentary proof of residency that we would use to
10:49:48 16 determine identity at a polling location to issue a
10:49:53 17 provisional ballot, which happens to be the same list of
10:49:57 18 information that is covered under this bill when it says
10:50:01 19 documentary proof of residency.

10:50:03 20 We did explain to the representative from the
10:50:08 21 voter group that the bill as is doesn't discuss what to
10:50:13 22 do with people who do not have a fixed residential
10:50:16 23 address or a houseless individual or -- and that was
10:50:20 24 very confusing. So that is the full context of that
10:50:26 25 particular e-mail.

10:50:28 1 Q. Thank you.

10:50:29 2 And so just to confirm, your office was not
10:50:33 3 instructing voters that they need to provide DPOC or
10:50:37 4 DPOR?

10:50:38 5 A. No. They can -- the D -- for DPOC, if it's
10:50:44 6 not -- as I previously stated, if we can't look you up
10:50:47 7 through the MVD and you've provided a driver's license,
10:50:50 8 where it shows that MVD has received DPOC on a voter,
10:50:56 9 and if you've not provided us a naturalization number
10:50:58 10 that we can use through the SAVE database, then we will
10:51:02 11 send out a notice saying we still need documentary proof
10:51:06 12 of citizenship and give them a list of documents that
10:51:09 13 they can provide to our office to do that.

10:51:11 14 We do not have any instructions to staff or to
10:51:14 15 voters on the need to provide us documentary proof of
10:51:17 16 residency. That is what we have been waiting for the
10:51:22 17 conclusion of this litigation and specifically what it
10:51:27 18 is that we're -- how do we change that going forward.

10:51:31 19 So people have asked do I need to provide
10:51:34 20 documentary proof of residency, and we've said if you
10:51:37 21 want to provide it to us, we'll be happy to take it, if
10:51:40 22 that is going to be helpful, if that's going to make you
10:51:44 23 feel better about the processing of your voter
10:51:47 24 registration. But we don't ask people for it. Some
10:51:51 25 people do provide it to us, just as another form of

10:51:54 1 ensuring that their registration is successfully
10:51:57 2 registered. But we do not ask.

10:52:00 3 Q. And what do you do with that information when
10:52:02 4 it's provided to you?

10:52:04 5 A. Usually we'll just make a note of it on the
10:52:07 6 voter registration file, you know, voter provided a copy
10:52:10 7 of a utility bill with an address on it or something.
10:52:13 8 We don't -- that's not a consistent. That's really kind
10:52:17 9 of a discretion of the person who's receiving that
10:52:19 10 information.

10:52:23 11 Q. Thank you.

10:52:24 12 And then turning back to --

10:52:26 13 A. And I would just want to clarify that, to my
10:52:30 14 knowledge, I don't believe anybody has actually provided
10:52:32 15 that to our voter registration clerks, but I do not see
10:52:36 16 our daily work, so I don't exactly know for sure that
10:52:40 17 they have or have not received that.

10:52:42 18 Q. Thank you.

10:52:48 19 But as far as the information provided by your
10:52:49 20 office to voters, you're not -- you're not asking for
10:52:59 21 or -- or stating that there's a need to provide DPOR?

10:53:03 22 A. No.

10:53:04 23 Q. Okay. And then turning up to Page 1 of this
10:53:09 24 same exhibit, Alexa Venegas refers to -- it says, "Did
10:53:16 25 Dan have a response to any of the questions we gave

10:53:18 1 you?" And you say, "Not a clear response. I will
10:53:21 2 forward you the last detail email."

10:53:21 3 So what were those questions?

10:53:24 4 A. They had asked questions on the implementation
10:53:26 5 of these bills.

10:53:28 6 Q. And for the record, who is Alexa referring to
10:53:32 7 when they say Dan?

10:53:33 8 A. Dan Jurkowitz, our attorney.

10:53:35 9 Q. Okay. And when you say "Not a clear response,"
10:53:50 10 what do you -- what do you mean by that?

10:53:53 11 A. I think that would cover attorney-client
10:53:55 12 privilege, the scope of that interaction.

10:54:03 13 Q. Well, so when you -- when you provided the
10:54:08 14 questions to Dan, you could say those are about
10:54:12 15 implementation of these two laws?

10:54:16 16 A. Implementation and interpretation, probably.

10:54:22 17 Q. Would that include, you know, whether to
10:54:25 18 implement the two laws?

10:54:27 19 A. Again, I think that would cover attorney-client
10:54:29 20 privilege.

10:54:36 21 Q. Okay. That's fine.

10:54:47 22 Let's look at what's going to be marked as
10:54:49 23 Exhibit 70, and it's labeled K.

10:54:59 24 So this is an e-mail dated January 10, 2023,
10:55:04 25 and it's between Mali Manjarrez-Bautista and Alexa

10:55:13 1 Venegas and Voter emails.

10:55:19 2 And looking at the lower e-mail, it states --

10:55:24 3 the subject is new registrations and states, "Staff, All

10:55:27 4 registration forms dated on or after January 1, 2023,

10:55:30 5 should not be processed. We have labeled a basket new

10:55:35 6 registrations and placed it on the very top, above the

10:55:38 7 entry basket. So, for all voters who will be processed

10:55:40 8 with a new registration date before or after January 1,

10:55:43 9 2023, please place these in this basket until instructed

10:55:47 10 otherwise. This includes voters new to our system and

10:55:51 11 voters currently in a cancellation status."

10:55:54 12 So what is Alexa referring to in that e-mail?

10:55:56 13 A. So January 1 was when the bills went into

10:55:58 14 effect. So we weren't quite sure what we were supposed

10:56:00 15 to do with them, so rather than register them, we held

10:56:03 16 off on them until we could determine our best course of

10:56:06 17 action.

10:56:08 18 That would have been discussions with our

10:56:12 19 attorney regarding how to go about it, and then we made

10:56:15 20 an internal decision to go ahead and process those voter

10:56:19 21 registrations as is, following our standard processes.

10:56:24 22 Q. And do you recall -- excuse me.

10:56:27 23 Do you recall when the internal decision was

10:56:29 24 made to process those forms?

10:56:33 25 A. Probably within a week or two of this e-mail

10:56:37 1 chain.

10:56:39 2 Q. And then moving forward, you didn't continue to

10:56:44 3 set aside those voter registration forms?

10:56:46 4 A. We did not. We just continued as is.

10:56:52 5 Q. Did you communicate anything publicly about

10:56:54 6 your decision to process the forms as is?

10:57:00 7 A. Publicly to the residents of Pima County?

10:57:03 8 Q. Yes.

10:57:04 9 A. No, we did not.

10:57:09 10 Q. Did you -- who all did you communicate with in

10:57:12 11 making your decision to process the forms as is?

10:57:17 12 A. Our attorney and our voter registration

10:57:19 13 leadership team and the County Recorder.

10:57:23 14 Q. And did you communicate with the Secretary of

10:57:27 15 State's Office?

10:57:27 16 A. We had reached out to the Secretary of State's

10:57:29 17 Office regarding their interpretations and guidance and

10:57:35 18 we -- that flowchart that we had previously discussed,

10:57:38 19 we used that and reviewed it as not particularly -- we

10:57:48 20 couldn't figure out how to operationalize it, and so the

10:57:53 21 decision was made internally among Pima County staff.

10:57:57 22 Q. Did you communicate about that decision with

10:58:00 23 other County Recorders' Offices?

10:58:04 24 A. Yes. Other counties, specifically, we reach

10:58:09 25 out and work with Maricopa County frequently, given that

10:58:13 1 we're both the two largest jurisdictions in the state.

10:58:16 2 We did ask Maricopa what they were doing. Maricopa was

10:58:21 3 also still moving forward with their same procedures, so

10:58:25 4 we followed suit.

10:58:29 5 Q. Are you aware of any other counties that did

10:58:33 6 not come to the same decision?

10:58:34 7 A. Not that I'm aware of, no.

10:58:53 8 Q. So to your knowledge, neither Pima County's

10:58:57 9 system nor Maricopa County's system nor AVID have been

10:59:06 10 updated to accommodate the new requirements in the new

10:59:09 11 laws?

10:59:12 12 A. That is my understanding, yes.

10:59:25 13 Q. And to your knowledge, did any of the other

10:59:29 14 counties similarly hold new voter registration forms

10:59:35 15 without processing for any period of time?

10:59:38 16 A. I do not know what the other counties did.

10:59:48 17 MR. SNOW: Okay. So I've got some more

10:59:51 18 questions, not that many, and I believe there was a

10:59:53 19 request for a break, so maybe now is a good time to take

10:59:55 20 a break.

11:00:03 21 MR. JURKOWITZ: How long do you want to

11:00:03 22 break for?

11:00:07 23 THE COURT REPORTER: Chris, can you take

11:00:08 24 us off?

11:00:09 25 THE VIDEOGRAPHER: We are off the record.

11:00:10 1 The time on the video monitor is 11:00 a.m. This ends
11:00:13 2 Media 1.

11:14:34 3 (A recess was taken.)

11:19:04 4 THE VIDEOGRAPHER: We are on the record.
11:19:05 5 The time on the video monitor is 11:19 a.m. This begins
11:19:09 6 Media 2.

11:19:12 7 BY MR. SNOW:

11:19:12 8 Q. Thank you.

11:19:13 9 So let's just walk through the voter
11:19:18 10 registration process generally. What are the methods
11:19:21 11 that a potential voter can use to register to vote?

11:19:25 12 A. Well, there's the traditional paper form that
11:19:28 13 the voter can use to come into our office, drop it off,
11:19:32 14 mail it to us. There's through Service Arizona. That's
11:19:38 15 the online voter registration portal operated by the
11:19:42 16 Department of Motor Vehicles.

11:19:44 17 And then we can register someone to vote from a
11:19:50 18 provisional ballot if the provisional -- here in Pima
11:19:56 19 County our provisionals have a voter registration form
11:20:00 20 as part of the provisional envelope, so we can use that
11:20:03 21 to update people's voter registration, and then we
11:20:09 22 can -- if they were not registered at the time of the
11:20:12 23 election, then we can use that provisional to register
11:20:15 24 them after the close of the election. And I would just
11:20:20 25 want to point out that those provisionals, if they were

11:20:23 1 not registered at the time of an election, those
11:20:25 2 provisionals do not count and are not tabulated, but we
11:20:29 3 do use that form to register voters after the election.

11:20:32 4 Q. And as far as the paper form, you're referring
11:20:36 5 to both the state form and the federal form?

11:20:38 6 A. Correct.

11:20:40 7 Q. Does your office provide forms to third-party
11:20:46 8 voter registration groups?

11:20:47 9 A. We do.

11:20:47 10 Q. And would that be the state form or the federal
11:20:49 11 form or both?

11:20:49 12 A. We provide the state form.

11:20:52 13 Q. Are there any special markings on the forms you
11:20:55 14 provide?

11:20:57 15 A. No. Each form has a code on it to identify
11:21:02 16 where the form came from. So there's a coded list for
11:21:07 17 forms and a letter that corresponds with the type of --
11:21:11 18 where the form came from, so like a public assistance
11:21:14 19 agency, a voter registration group. So we will look at
11:21:19 20 those, that code, and track the form that way when we're
11:21:24 21 doing the input into the system.

11:21:28 22 Q. And can you run through the various codes?

11:21:30 23 A. Not off the top of my head, no. They're -- I
11:21:41 24 think we have at least five to nine. They correspond
11:21:47 25 with the way that -- after the end of every federal

11:21:51 1 election we have to provide what's called an EAVS
11:21:54 2 report, which documents all of the voter registration,
11:21:57 3 all of the election information. And the EAVS report
11:22:01 4 identifies the voter registration, where voter
11:22:07 5 registration information comes from, and that's based
11:22:09 6 off of that, those forms.

11:22:11 7 I can tell you right off the top, though, that
11:22:14 8 G is the form that we give out to the voter registration
11:22:18 9 groups.

11:22:23 10 Q. And you mentioned that there are -- there's
11:22:26 11 another -- scratch that.

11:22:26 12 So your office can track -- when the voter
11:22:29 13 returns the form, your office can track where they
11:22:32 14 received it from or how they received the form?

11:22:34 15 A. Based off the code that's on the form.

11:22:39 16 Q. And you mentioned public assistance agencies.
11:22:45 17 What are the NVRA, National Voter Registration Act,
11:22:49 18 agencies in Arizona?

11:22:51 19 A. People like DES. We provide -- well, we --
11:22:59 20 locally DES has never requested forms of us, but they
11:23:02 21 would have forms; libraries, Department of Motor
11:23:10 22 Vehicles. Those are the ones that come to mind right
11:23:12 23 now.

11:23:16 24 Q. And what is DES?

11:23:18 25 A. Department of Economic Security.

11:23:24 1 Q. Do you know, do -- does your office work with
11:23:28 2 schools in providing voter registration opportunities?

11:23:33 3 A. Not in the past. I think we are tentatively
11:23:36 4 seeking a relationship with the Pima County
11:23:39 5 Superintendent's Office to try to pilot a voter
11:23:44 6 registration outreach to high school students.

11:23:47 7 In Arizona you can register to vote a little
11:23:51 8 before your 18th birthday, as long as the -- as long as
11:23:55 9 you will be 18 at the time of the election. But that is
11:24:00 10 a pilot program that's currently in -- we have -- I mean
11:24:06 11 we're talking like we're discussing it. We don't even
11:24:09 12 have a plan for it yet.

11:24:12 13 Q. And we touched on this earlier, but how do
11:24:15 14 you -- how does your office work with the Tribal Nations
11:24:19 15 in providing voter registration services?

11:24:20 16 A. Through our voter outreach clerks.

11:24:23 17 Q. And so they provide forms?

11:24:26 18 A. They can. They do drop off forms to various
11:24:31 19 district offices.

11:24:35 20 Q. And do they do public education on Tribal land?

11:24:38 21 A. They do.

11:24:40 22 Q. And that would be through the monthly meetings
11:24:42 23 that you mentioned earlier?

11:24:43 24 A. Uh-huh. Yes.

11:24:44 25 Q. Are there any other forms of public education

11:24:48 1 of voter registration on Tribal land?

11:24:51 2 A. If there -- you know, if there's community
11:24:54 3 events that they've signed up for to table at, they
11:24:57 4 would do that as well.

11:24:58 5 Q. And at those tabling events they would be
11:25:01 6 assisting voters with filling out and submitting their
11:25:04 7 voter registration forms?

11:25:06 8 A. They would be answering questions about the
11:25:08 9 voter registration forms, and then should a voter choose
11:25:13 10 to return the voter registration form to our outreach
11:25:18 11 folks, they would accept that; but normally, from my
11:25:22 12 understanding from the -- they usually provide the forms
11:25:27 13 and tell them how to return them. I don't think that
11:25:30 14 they're bringing forms back, completed forms back.

11:25:36 15 Q. Thanks.
11:25:37 16 And what is the deadline for voter
11:25:40 17 registration?

11:25:40 18 A. It is 29 days before an election.

11:25:45 19 Q. And if -- if a voter registration form is
11:25:50 20 returned by the deadline, but is somehow incomplete,
11:25:58 21 does the voter have an opportunity to complete the voter
11:26:00 22 registration form to comply with the deadline and vote
11:26:02 23 in that election?

11:26:04 24 A. When you say incomplete, what do you mean?

11:26:06 25 Q. Missing some information.

11:26:10 1 A. Well, if it's missing information and can't be
11:26:13 2 fully registered, we'll contact the voter, usually with
11:26:19 3 a mailing, to say we received a voter registration form
11:26:21 4 from you and we're missing X, Y or Z, please contact our
11:26:26 5 office.

11:26:27 6 If there's a phone number, we will usually make
11:26:30 7 contact with the voter and say, hey, we've received a
11:26:32 8 voter registration form from you and are missing
11:26:35 9 something or we can't -- so we do make contact with the
11:26:38 10 voter in those instances!

11:26:41 11 If there's no contact ways for us to make
11:26:43 12 contact with them, like phone or e-mail, then we will
11:26:47 13 send a letter; and then that form would be considered --
11:26:51 14 because we can't fully -- depending on what the issue
11:26:54 15 is, we can't necessarily fully process it. It can go in
11:26:57 16 a suspended status, which internally we call the trouble
11:27:01 17 file. Not that the form itself is a trouble. It's just
11:27:04 18 it requires additional follow-up.

11:27:07 19 Q. So if you have enough information to create an
11:27:10 20 entry for a voter and they go in the trouble file before
11:27:16 21 the deadline, and then they're later able to provide
11:27:20 22 information sufficient to resolve whatever issue there
11:27:23 23 was, will they be permitted to vote in that election?

11:27:26 24 A. Yes. And then we also -- when we're processing
11:27:32 25 the provisional ballots that are cast on election day,

11:27:35 1 one of the processes that we do when we're going through
11:27:37 2 is we review our trouble file.

11:27:42 3 That's what we call it internally. I have to
11:27:46 4 emphasize that the Recorder does not like the name of
11:27:49 5 that internal file, so we are workshopping some new ways
11:27:55 6 to discuss it; but for the purposes of this deposition,
11:27:58 7 it is the trouble file.

11:28:01 8 We review the trouble file if we have a
11:28:04 9 provisional and say, hey, we don't know if this person
11:28:08 10 registered or didn't register. So if we can match a
11:28:11 11 provisional up with a trouble file voter registration
11:28:15 12 form, then we can make the necessary resolutions there
11:28:19 13 to be able to ensure that the voter is up-to-date and
11:28:25 14 that they're able to cast their ballot.

11:28:29 15 However, it's really dependent upon us being
11:28:33 16 able to reach out to the voter. So, like I said, our
11:28:36 17 preferred is a phone call. Our second preferred is an
11:28:40 18 e-mail, and then we always send a letter. The letters
11:28:43 19 do not always result in contact to the voter.

11:28:49 20 Q. Thank you.

11:28:54 21 So when your office receives a voter
11:28:57 22 registration application, you would first enter that
11:29:00 23 into the database?

11:29:04 24 A. Yeah. So the process is we have a first
11:29:10 25 check/second check. So a voter registration clerk would

11:29:12 1 do the first check entry, put the information in there;
11:29:16 2 and then a second voter registration clerk would do the
11:29:20 3 second check entry, basically seeing if anything was
11:29:25 4 missed. And then once both our -- you know, both clerks
11:29:31 5 are good with the information provided, then the voter
11:29:34 6 registration is activated.

11:29:37 7 Q. And that would be unless there was an issue, in
11:29:40 8 which case it would go to the trouble file?

11:29:43 9 A. If there is an ultimate issue that couldn't be
11:29:46 10 resolved and needs further follow-up, yes, it would go
11:29:48 11 to the trouble file. But if there is an issue in that
11:29:51 12 process between first and second check, the voter clerk
11:29:55 13 would contact the voter registration specialist or the
11:29:58 14 voter supervisor to discuss how to address the issue.

11:30:03 15 Q. And the first check/second check process, that
11:30:08 16 just refers to internal to your office checking to make
11:30:11 17 sure the information was entered correctly?

11:30:13 18 A. Correct.

11:30:13 19 Q. What other kind of checks happen for a new
11:30:18 20 entry for a new voter that's not in the trouble file?

11:30:21 21 A. The first check/second check process.

11:30:25 22 Q. Do you interface with MVD database as part of
11:30:30 23 entering a new voter registration?

11:30:32 24 A. If they provide us a driver's license, yes, we
11:30:36 25 can. We will have an interface that will give us

11:30:40 1 information on that. If they provide us a
11:30:43 2 naturalization number, we'll use the SAVE database. The
11:30:46 3 SAVE database is only used upon an initial voter
11:30:53 4 registration application. So it's the very first time
11:30:54 5 someone is registering to vote, if they provide a
11:30:57 6 naturalization number, that's the only time we can use
11:30:59 7 the SAVE database for cross-checking on citizenship.
11:31:06 8 For voter registration forms that provide
11:31:09 9 driver's license numbers we can access the Motor Vehicle
11:31:14 10 database. It's part of the -- it's part of the program.

11:31:18 11 Q. Does your process involve any kind of signature
11:31:21 12 match?

11:31:22 13 A. For an initial?

11:31:24 14 Q. Yeah.

11:31:24 15 A. No. No, because it would be the very first
11:31:28 16 form that we would have from a voter. We wouldn't have
11:31:30 17 anything to match it with.

11:31:32 18 Q. And what about when a voter updates their
11:31:35 19 registration?

11:31:36 20 A. Yeah, the signature verification is just a
11:31:39 21 standard process for any time that we have mailings to
11:31:43 22 voters. So every voter registration form that comes
11:31:47 23 back to us or every piece of voter mail that has the
11:31:51 24 voter's signature on it that creates sort of a change,
11:31:54 25 whether it's a 90-day notice or something like that, we

11:31:57 1 capture those signatures as exemplar signatures for the
11:32:01 2 voter. Should they choose to do voter -- should they
11:32:04 3 choose to vote by mail and cast an early ballot, we will
11:32:07 4 use those exemplar signatures for verification purposes.

11:32:13 5 Q. And you mentioned if there's an issue with
11:32:16 6 someone's form or registration such that it's
11:32:21 7 incomplete, they're then contacted. What options then
11:32:24 8 do they have to complete their application?

11:32:27 9 A. It depends on why we're making the contact, but
11:32:29 10 usually it's to provide an updated form or provide
11:32:33 11 additional materials.

11:32:36 12 Q. And how would they be able to provide that
11:32:39 13 information and materials?

11:32:40 14 A. For anything changing the voter record we need
11:32:42 15 to have something in writing. So usually it's an
11:32:45 16 updated voter registration form. If it's for
11:32:49 17 documentary proof of citizenship, we'll take copies of,
11:32:54 18 you know, birth certificates. They can also come into
11:32:56 19 us in person at our office and do everything in person
11:33:00 20 and provide that information if they don't want to mail
11:33:04 21 copies, things like that.

11:33:05 22 Q. Can they e-mail you a scanned copy of a form?

11:33:10 23 A. I suppose they could. I don't see why we
11:33:14 24 wouldn't accept that, as long as we -- as long as there
11:33:17 25 was some sort of information on there that would

11:33:20 1 correspond.

11:33:27 2 Q. So in order to register to vote, applicants are

11:33:30 3 required to provide their residential address, or if

11:33:32 4 they don't have a residential address, a description or

11:33:35 5 drawing of the location of their residence, correct?

11:33:37 6 A. Correct.

11:33:38 7 Q. And a P.O. Box can't be used to meet that

11:33:41 8 requirement?

11:33:41 9 A. Not as a residential address. That can be used

11:33:44 10 as a mailing address.

11:33:47 11 Q. And why is residence address or location

11:33:51 12 information important for your office in voter

11:33:53 13 registration?

11:33:53 14 A. It determines the ballot style that a voter

11:33:57 15 gets. So if you, say, live -- say you live at the --

11:34:03 16 you're a houseless individual and your particular area

11:34:07 17 of Pima County is I-10 and Grant. You're still eligible

11:34:17 18 to vote. So let's say you want to find a -- you want to

11:34:22 19 vote. We need to know what is the area of town that

11:34:25 20 you're normally in so we can get the correct ballot

11:34:29 21 style, so you can vote for the correct representatives

11:34:31 22 for where you are.

11:34:34 23 Specifically, this oftentimes for the Tohono

11:34:41 24 O'odham Nation, as I stated earlier, they live in

11:34:43 25 districts, but all of the Nation just has a general

11:34:47 1 address of cells, but within each of the districts. So
11:34:52 2 when we are registering people in those areas, we tell
11:34:55 3 them to put the district that they live in and even, you
11:35:00 4 know, the village that they live in, so we can determine
11:35:03 5 which precinct they are, because we have it set up in
11:35:07 6 the voter registration database for what we would
11:35:10 7 consider non-standardized addresses. So we can map it
11:35:15 8 out as to where they -- would be the appropriate area.
11:35:19 9 So a lot of times you can have a mailing
11:35:21 10 address that's different from where you physically are
11:35:25 11 located, particularly if you do not have a fixed
11:35:28 12 residence. You might have a mailing address that is
11:35:30 13 just a general delivery address at your nearest Post
11:35:34 14 Office.
11:35:35 15 We have people who are RVers, and they have a
11:35:39 16 particular area of town that they park their RV in and
11:35:42 17 then they get their mail at a UPS store. So they can
11:35:48 18 say, you know, maybe they have -- they are parked at the
11:35:53 19 parking lot of Walmart at Grant and Alvernon. That
11:35:58 20 descriptive address would be a commercial address, but
11:36:02 21 because they're an RVer, that's where they park their
11:36:07 22 vehicle, so that's where we consider their voting area.
11:36:12 23 Q. And so how do that get represented in your
11:36:14 24 database?
11:36:16 25 A. For areas like that it would be -- if it's a

11:36:21 1 commercial area, like someone parking their RV in
11:36:25 2 something, they would normally give us the address of
11:36:27 3 where they're at and we would put that in there.
11:36:29 4 That requires an override by a supervisor
11:36:31 5 because the system recognizes commercial addresses, so
11:36:36 6 it will default not want to register because it's a
11:36:40 7 commercial address. So we would override it from a
11:36:42 8 supervisor and then indicate that it's a nonstandard
11:36:49 9 address.

11:36:57 10 Q. And so that but it's still represented in the
11:36:59 11 system as a street address?

11:37:00 12 A. For some areas it could also just be
11:37:04 13 represented as cross streets.

11:37:08 14 Q. How about a geolocation or a set of
11:37:12 15 coordinates?

11:37:12 16 A. For the system to be able to get the correct
11:37:16 17 ballot style we'd have to have those translated into
11:37:19 18 cross streets.

11:37:21 19 Q. And you mentioned for registrants who live on
11:37:28 20 Tohono O'odham Nation land, those are coordinated via
11:37:32 21 Tohono O'odham Nation districts?

11:37:35 22 A. Correct.

11:37:42 23 So most of the districts fall within Pima
11:37:46 24 County, but there is one district that straddles Pima
11:37:51 25 County, Maricopa County, and Pinal. So that particular

11:37:56 1 area, it really depends on which side of the county line
11:38:02 2 the person's house is in on the district to determine if
11:38:05 3 they're a Pima County voter or a Pinal voter or a
11:38:10 4 Maricopa voter.

11:38:14 5 Q. Do you ever have an issue where you can't
11:38:17 6 locate a residential address through that process?

11:38:25 7 A. We have a pretty robust investigative arm that
11:38:29 8 we, you know, we will use. The Pima County has the GIS
11:38:34 9 mapping so we can cross-reference with the GIS layers,
11:38:41 10 and then we also have the ability to use the county's
11:38:46 11 mapping system.

11:38:47 12 We've also been known to Google addresses and
11:38:51 13 take a look at street views to see if there's buildings
11:38:54 14 and things like that. So we do a substantial amount of
11:38:57 15 investigation for what we consider nonstandard addresses
11:39:02 16 to ensure that we're getting the most accurate
11:39:05 17 information.

11:39:11 18 Q. And so through that process and through that
11:39:16 19 investigative process, are you aware of instances where
11:39:21 20 a voter's address that they provided simply couldn't be
11:39:24 21 located?

11:39:28 22 A. Not to my knowledge, no.

11:39:33 23 Q. Do you ever -- as part of that location
11:39:37 24 process, do you ever follow up with the voter to get
11:39:39 25 more information?

11:39:41 1 A. That's one of our standards, should we ever
11:39:44 2 have any issues with the voter registration form, if
11:39:47 3 there is a way to follow up with the voter, make
11:39:50 4 contact. The voter registration form has many different
11:39:56 5 boxes on it. Not all of them are required to be filled
11:39:59 6 out by the voter.

11:40:00 7 One of the things that's not required to be
11:40:02 8 filled out is an e-mail and phone number. We would love
11:40:06 9 it if everyone filled those out, because it would make
11:40:09 10 it very easy for us to contact people. So we try to
11:40:13 11 provide as much contact to the voter as possible, but
11:40:18 12 always we will mail them a letter, given the address
11:40:22 13 that has been provided.

11:40:23 14 Now, we have had occasion where the address
11:40:28 15 that has been provided to us has been returned as
11:40:31 16 non-deliverable, address not known by the Post Office.
11:40:38 17 So that would start the NVRA process on that particular
11:40:43 18 voter registration record.

11:40:46 19 Q. And what was that process you just referred to?

11:40:50 20 A. I'm sorry. The NVRA process. It's the process
11:40:52 21 where when we get notification of a possible address
11:40:56 22 change, we will kind of put the voter in an inactive
11:41:01 23 status and reach out to them again saying we have
11:41:07 24 received notice that you may or may not be at this
11:41:09 25 address, please contact our office.

11:41:11 1 So we will start to do the mailing to say
11:41:13 2 please update your voter registration or please make
11:41:15 3 contact with us to let us know where you're at.

11:41:18 4 If we get multiples of those back, then that
11:41:21 5 creates -- we'll put the voter as a cancellation. But
11:41:27 6 for the most part, when someone is in a NVRA process,
11:41:30 7 they've gone from an active to an inactive status.

11:41:36 8 Q. And so for somebody who resides at an address
11:41:39 9 that can't receive mail, how does that process work for
11:41:44 10 them?

11:41:45 11 A. So for anybody who can't receive mail, they are
11:41:48 12 instructed to provide a mailing address, so whether that
11:41:50 13 is a general delivery address to the closest Post Office
11:41:53 14 of where they receive mail, whether it's a P.O. Box of
11:41:57 15 someone else who can receive mail on their behalf, or an
11:42:00 16 agency who receives mail on their behalf, but we need to
11:42:04 17 have a mailing address to be able to mail things.

11:42:14 18 Q. So for somebody who submits location of
11:42:17 19 residence via a description or a drawing, without an
11:42:20 20 address, how does that process differ for someone who
11:42:22 21 registers using that method?

11:42:25 22 A. It doesn't really differ in terms of the
11:42:28 23 registration process.

11:42:30 24 Q. So specifically with respect to determining --
11:42:35 25 your office determining the location of residence, how

11:42:38 1 do they go about doing that with a description or a
11:42:42 2 drawing?
11:42:42 3 A. Again, depending on the description and
11:42:44 4 drawing, we would try to locate the closest cross
11:42:48 5 streets to determine precinct.
11:42:51 6 Q. And then --
11:42:52 7 A. So --
11:42:53 8 Q. And then how is that represented in the system?
11:42:57 9 A. Via cross streets and a description.
11:43:01 10 Q. So it always has to be cross streets or an
11:43:04 11 address?
11:43:05 12 A. For the system to be able to assign a precinct,
11:43:05 13 yes.
11:43:10 14 Q. And then I think you stated earlier that copies
11:43:15 15 of the voter registration form are then attached to the
11:43:18 16 voter's file?
11:43:19 17 A. Yes. Every single voter registration form that
11:43:22 18 has been submitted to the office is attached to the
11:43:26 19 voter record as a digital image.
11:43:29 20 Q. And that's persistent with the voter's record?
11:43:33 21 A. Correct.
11:43:35 22 Q. And that would include a -- that would include
11:43:37 23 the drawing or description that's provided by the voter?
11:43:40 24 A. Uh-huh. The whole form is scanned if it's a
11:43:47 25 paper form, and so we have a digital image of the entire

11:43:50 1 form.

11:43:52 2 Q. Do you have a sense of how common it is for

11:43:54 3 your office to receive a voter registration form with

11:43:56 4 either a nonstandard address or a description or

11:44:00 5 depiction of an address?

11:44:01 6 A. It's not very common, but we have encountered

11:44:04 7 it. That's why we have specific guidance on how to

11:44:07 8 process those.

11:44:09 9 Q. To your knowledge, is it more common for

11:44:12 10 residential addresses used on Native American

11:44:15 11 reservations to be nonstandard?

11:44:20 12 A. It is for the Tohono O'odham Nation, for those

11:44:25 13 addresses to be nonstandard. It is not the same for the

11:44:28 14 Pascua Yaqui Tribe.

11:44:31 15 Q. And how would you describe the difference?

11:44:33 16 A. The Pascua Yaqui Tribe has a grid system on

11:44:37 17 Tribal land with actual addresses and street names. The

11:44:42 18 Tohono O'odham, as I stated earlier, they live in

11:44:45 19 districts and then they have just single routes, you

11:44:52 20 know, you take Ajo and take the left exit after -- so

11:44:56 21 they will describe that, and then we will then ask them

11:44:59 22 which district that is within, and then we will identify

11:45:02 23 the closest. That's how we determine precincting for

11:45:07 24 them.

11:45:07 25 Q. And so that would still go into the system as a

11:45:10 1 cross-street or a street address of some kind?

11:45:13 2 A. For the Tohono O'odham Nation it would be

11:45:17 3 districts. We have in the system the district names.

11:45:25 4 Q. And if the voter doesn't provide the district

11:45:28 5 name, but they provide some other description, then your

11:45:30 6 office would use that description to find which district

11:45:33 7 they're in?

11:45:33 8 A. We would do our best to investigate, and then

11:45:35 9 we would probably also follow up with the voter and ask

11:45:37 10 them some key questions as to which districts do you

11:45:40 11 live in and what are some of the key landmarks that

11:45:44 12 you're near, you know, how far away are you from this

11:45:48 13 area, so we can kind of pinpoint on which district

11:45:51 14 they're in.

11:45:53 15 Q. Would you ever follow up with the Tribal

11:45:55 16 government itself?

11:45:59 17 A. I mean I suppose we could, but because voter

11:46:02 18 registration is specific to an individual, we would

11:46:05 19 specifically speak with the voter.

11:46:13 20 Q. Let's pull up an exhibit briefly. It's labeled

11:46:16 21 M, as in Mary, and I believe this is Exhibit 71.

11:46:26 22 So looking at that first page, what is this

11:46:30 23 document?

11:46:30 24 A. This is our internal instructions regarding

11:46:33 25 incomplete voter registrations or what we internally

11:46:36 1 call the trouble file.

11:46:38 2 Q. So this is internal guidance provided by your

11:46:41 3 office to its staff?

11:46:42 4 A. Correct.

11:46:44 5 Q. And what is the source of this guidance?

11:46:50 6 A. Statute is always the foundational source, any
11:46:56 7 sort of information that we can glean from the EPM, and
11:47:00 8 then the rest of this is based off of how we internally
11:47:04 9 process forms and how our voter registration system
11:47:11 10 takes information in.

11:47:15 11 Q. So this is something -- this is guidance that
11:47:17 12 your office puts together from a number of sources. Is
11:47:23 13 it -- is it approved by anyone outside your office or
11:47:26 14 reviewed by anyone outside your office?

11:47:27 15 A. No, it's not.

11:47:32 16 Q. Turning to Page 4 of this document, where it
11:47:43 17 says "Send a trouble letter to the voter," this is the
11:47:49 18 section dealing with a letter that is sent to a voter
11:47:55 19 after your office has already investigated and attempted
11:47:58 20 to resolve whatever issue there is with the form; is
11:48:02 21 that correct?

11:48:02 22 A. That is correct.

11:48:05 23 Q. And then turning to the next page, 5, there's a
11:48:08 24 series of checkboxes, and this would be for a voter
11:48:15 25 registration form that is incomplete in some way?

11:48:17 1 A. Correct.

11:48:20 2 Q. And turning down to the last checkbox, which is
11:48:26 3 labeled include community or district as your
11:48:29 4 residential address to identify your precinct, for
11:48:31 5 residents of Tohono O'odham Nation only.

11:48:34 6 So this is what you're referring to when -- if
11:48:37 7 a Tohono O'odham Nation voter submits their voter
11:48:43 8 registration form and does not indicate their community
11:48:45 9 or district name, they would receive a form with this
11:48:50 10 box checked; is that correct?

11:48:51 11 A. Yes.

11:48:59 12 Q. How would a Tohono O'odham Nation resident know
11:49:04 13 to provide that information on their initial voter
11:49:08 14 registration form?

11:49:11 15 A. Well, I would -- if they had met one of our
11:49:16 16 voter outreach clerks at a tabling event, I would hope
11:49:20 17 that we would have provided them that information.

11:49:24 18 We do provide that information to the Nation,
11:49:30 19 their government, so we would hope that maybe that
11:49:32 20 information is also trickled down. But that is why we
11:49:35 21 go to these district meetings to talk about the
11:49:38 22 information that we need to be able to successfully
11:49:42 23 process voter registration forms. So we make an active
11:49:45 24 effort to try to get that information out there as much
11:49:47 25 as possible.

11:49:53 1 Q. And -- but, again, if somebody doesn't provide
11:50:02 2 that information, the district name, but they do provide
11:50:05 3 a description of their address, your office is typically
11:50:08 4 able to use that description to determine their district
11:50:11 5 name without having to contact the voter; is that
11:50:14 6 correct?

11:50:14 7 A. We would investigate it first. We would be --
11:50:17 8 if our investigation is unsuccessful, then we would send
11:50:19 9 this form out.

11:50:26 10 Q. Thank you.

11:50:35 11 So are you aware of any kind of nonstandard
11:50:39 12 address or description of a residence appearing on any
11:50:45 13 kind of documentation or identification documents?

11:50:50 14 A. Not that I'm aware of, no.

11:50:58 15 Q. But your office is able to determine the
11:51:01 16 location of residence for registrants who don't
11:51:06 17 provide -- or who have a nonstandard address and don't
11:51:09 18 provide any documentation of that; is that correct?

11:51:13 19 A. I don't know if I understand your question.

11:51:15 20 Q. Sorry. I'll rephrase it.

11:51:17 21 And, you know, is it -- is it correct that
11:51:22 22 you've stated that you -- scratch this.

11:51:27 23 Are you aware of any incidents where an
11:51:29 24 individual's location of residence was not -- is not
11:51:33 25 able to be determined by your office upon providing a

11:51:37 1 nonstandard address or a description of their residence?

11:51:42 2 A. Yes. That would be considered a trouble.

11:51:46 3 Q. But so somebody gets in the trouble file and

11:51:49 4 then that triggers an investigation or the investigation

11:51:53 5 happens prior to them going to the trouble file?

11:51:54 6 A. Well, it's all part of the same process. So if

11:51:58 7 we are -- excuse me for a moment.

11:52:08 8 So if we are processing a voter registration

11:52:13 9 form and we encounter an issue with the voter

11:52:16 10 registration form, the previously mentioned process,

11:52:20 11 first check/second check, you have a question, go to the

11:52:23 12 supervisor, and if the supervisor doesn't have the

11:52:26 13 answer, the form goes to the trouble file, an individual

11:52:29 14 is assigned to the trouble file for follow-up. So it's

11:52:33 15 during that first check/second check process that we

11:52:37 16 will try to investigate where that address is.

11:52:41 17 Q. And are you aware of any incidents where that

11:52:45 18 address was not able to be determined in the

11:52:47 19 investigation process?

11:52:50 20 A. Personally, I am not; but I do know that we

11:52:53 21 have -- the trouble file is an ongoing -- it's the

11:52:59 22 normal part of the process for voter registration clerks

11:53:01 23 and we do reference the trouble file for -- at an

11:53:07 24 election time for reviewing provisional ballots.

11:53:12 25 Q. Do you have any idea of the numbers of folks

11:53:15 1 who are in the trouble file for reason of an inability
11:53:20 2 to determine their location of residence?

11:53:22 3 A. I do not.

11:53:36 4 Q. Do you know -- are you aware of the process by
11:53:39 5 which your county assigns addresses?

11:53:46 6 A. I'm -- by which my county assigns addresses,
11:53:50 7 like how addressing works in Pima County, is that the
11:53:52 8 question?

11:53:52 9 Q. Yes.

11:53:54 10 A. I have a rudimentary understanding of the
11:53:57 11 addressing process.

11:54:00 12 Q. What is that understanding?

11:54:03 13 A. Addressing is based off of development. So
11:54:07 14 development is identified by parcels, and then parcels
11:54:12 15 then have a -- kind of like a working address until they
11:54:17 16 have a permanent address. Once a street has been named,
11:54:22 17 depending on the jurisdiction, there's -- you know, you
11:54:27 18 can have ordinances defining the names of streets.

11:54:32 19 All that information is then provided to Pima
11:54:36 20 County. We put that in the GIS system. That's how we
11:54:39 21 get the addressing. So you could have -- addressing can
11:54:45 22 certainly change, particularly if you have parcel
11:54:49 23 splits. So vacant land obviously doesn't have an
11:54:54 24 address. It just has a parcel number until it becomes
11:54:57 25 developed and then it has an address related to it. But

11:55:00 1 it's part of the development process.

11:55:01 2 Q. And does that process take place in the same
11:55:06 3 manner on Native American land, reservation?

11:55:08 4 A. To my knowledge, it does not take place like
11:55:10 5 that on the Tohono O'odham Nation. I do believe it has
11:55:15 6 a similar process to that on the Pascua Yaqui Tribe.

11:55:22 7 Q. Generally speaking, how would you describe your
11:55:24 8 office's efforts to increase voter registration for
11:55:28 9 Native voters?

11:55:31 10 A. I think we're actively trying to register all
11:55:37 11 voters and people -- all eligible individuals in Pima
11:55:40 12 County, and we provide additional support and outreach
11:55:44 13 to each of the -- each of the Tribal Nations here in
11:55:50 14 Pima County.

11:55:53 15 Q. Do you know whether voter registration rates
11:55:54 16 are lower in Native communities than throughout the rest
11:55:57 17 of the county?

11:56:04 18 A. Anecdotally, I believe that they are lower, but
11:56:07 19 we do track them and they have been increasing.

11:56:18 20 Q. To your knowledge, if the DPOR requirement were
11:56:21 21 to be implemented, what effect do you expect it will
11:56:25 22 have on Native voters attempting to register to vote?

11:56:29 23 A. I don't know.

11:56:33 24 Q. Let's look at what will be marked as

11:56:40 25 Exhibit 72. That's labeled N, as in Nancy.

11:56:50 1 A. I have it on the screen.

11:56:52 2 Q. Great.

11:56:54 3 So this is an e-mail chain of e-mails taking

11:56:58 4 place on March 29, 2022 within your office; is that

11:57:06 5 correct?

11:57:06 6 A. It is.

11:57:10 7 Q. And the subject of the e-mail is veto letter.

11:57:14 8 Do you recall the substance of these communications?

11:57:24 9 A. Yeah. I mean not in great detail, but I do

11:57:26 10 recall that time frame.

11:57:29 11 Q. So what was the veto letter that the e-mails

11:57:35 12 refer to?

11:57:36 13 A. The Recorders Association had discussed this

11:57:41 14 particular bill. The Recorders were not in favor of

11:57:46 15 this particular bill, so some of the Recorders were

11:57:54 16 sending letters to the Governor's Office as a -- to ask

11:57:59 17 for veto. The implications of the bill would make it

11:58:04 18 difficult for us to do our job because of the vague

11:58:07 19 nature of the bill.

11:58:10 20 I believe this particular one was spearheaded

11:58:17 21 by Pima County Recorder Cázares-Kelly and Maricopa

11:58:24 22 County Recorder Steve Richer. So the -- pretty well

11:58:31 23 everyone -- from my recollections of that time frame, we

11:58:33 24 were all -- found this particular piece of legislation

11:58:37 25 difficult to implement and were opposed to it for

11:58:41 1 varying reasons. Each Recorder had their own reason as
11:58:44 2 to why they were opposed to it, but for the most part,
11:58:48 3 most of the Recorders were opposed to it.

11:58:51 4 Q. And so these e-mails refer to a public
11:58:56 5 statement that's going to accompany the veto letter; is
11:58:59 6 that correct?

11:58:59 7 A. Yes.

11:59:00 8 Q. And so just looking at the top there, this is
11:59:03 9 an e-mail from County Recorder Cázares-Kelly. She
11:59:10 10 writes "How about this: Recorder Cázares-Kelly has
11:59:14 11 asked Arizona Governor Doug Ducey to veto H.B. 2492. In
11:59:19 12 addition to this bill being particularly harmful to
11:59:21 13 Native American voters and the possibility of
11:59:24 14 criminalizing our staff due to errors, this bill also
11:59:27 15 violates federal law."

11:59:28 16 Is that correct?

11:59:28 17 A. That is correct.

11:59:30 18 Q. And so why did County Recorder Cázares-Kelly
11:59:36 19 believe that H.B. 2492 would be particularly harmful to
11:59:41 20 Native American voters?

11:59:44 21 MR. LANGHOFER: Calls for speculation.

11:59:47 22 BY MR. SNOW:

11:59:48 23 Q. To your knowledge, you may answer.

11:59:53 24 A. As I previously stated, our office is
11:59:58 25 particularly -- our office is making great strides to

12:00:05 1 try to ensure that every eligible individual within Pima
12:00:10 2 County who wants to be able to register to vote can be
12:00:14 3 able to register to vote.

12:00:16 4 We have a particular internal goal to be more
12:00:23 5 open and accessible to communities that have
12:00:28 6 historically seen -- have been not represented or have
12:00:35 7 not had the same outreach efforts for them. That is
12:00:43 8 Recorder Cázares-Kelly's personal and political and
12:00:47 9 policy decision for the office. That is what her
12:00:51 10 commitment is to the residents of Pima County.

12:00:58 11 Q. So this is a public position of your office; is
12:01:03 12 that correct?

12:01:03 13 A. It is the public position of the County
12:01:12 14 Recorder.

12:01:12 15 Q. Is that statement about the bill being
12:01:14 16 particularly harmful to Native American voters, does
12:01:17 17 that refer to the documentary proof of residence
12:01:21 18 provision?

12:01:21 19 A. I do not recall specifically which provision
12:01:23 20 the Recorder was referring to. Our office, upon
12:01:28 21 reviewing that particular bill, deemed the entire bill
12:01:32 22 to be very difficult to enforce and difficult in terms
12:01:36 23 of to operationalize. The County Recorder is an elected
12:01:42 24 individual and has particular positions. This would be
12:01:45 25 one of those. From an operational standpoint we cannot

12:01:50 1 operationalize this bill without more clarification.

12:01:56 2 Q. So turning to the next exhibit, which will be

12:02:01 3 marked 73, and it's labeled O.

12:02:13 4 A. Can I take a brief moment to -- just a moment,

12:02:19 5 please, five minutes?

12:02:21 6 MR. SNOW: Sure.

12:02:22 7 THE WITNESS: Thanks.

12:02:22 8 THE VIDEOGRAPHER: Counsel, would you like

12:02:30 9 to go off the record?

12:02:33 10 MR. SNOW: May as well.

12:02:37 11 THE VIDEOGRAPHER: We are off the record.

12:02:38 12 The time on the video monitor is 12:02 p.m.

12:02:44 13 (A recess was taken.)

12:04:58 14 THE VIDEOGRAPHER: We are on the record.

12:04:59 15 The time on the video monitor is 12:04 p.m.

12:05:03 16 BY MR. SNOW:

12:05:04 17 Q. Thank you.

12:05:05 18 So turning back to Exhibit 73. Do you have

12:05:11 19 that in front of you?

12:05:11 20 A. Yes, I do.

12:05:13 21 Q. So this is an e-mail dated March 25, 2022 from

12:05:23 22 Cinthia Garcia to a number of individuals, and in the

12:05:31 23 body of the e-mail is a letter dated March 24, 2022,

12:05:35 24 addressed to the Governor, signed by County Recorder

12:05:45 25 Cázares-Kelly; is that correct?

12:05:46 1 A. That is correct.

12:05:46 2 Q. And so this is the veto letter that we were
12:05:50 3 discussing, correct?

12:05:51 4 A. It is.

12:05:53 5 Q. So just turning down to the bottom of the first
12:05:59 6 page, the fourth bullet, where it says, "Proof of
12:06:03 7 residence when registering is also now included in the
12:06:06 8 bill. This is unnecessary. Applicants have provided
12:06:08 9 their address and residence is determined when they
12:06:11 10 vote."
12:06:12 11 What is that referring to?

12:06:19 12 A. I can't speak for Recorder Cázares-Kelly
12:06:22 13 specifically, but I would -- as I previously stated, our
12:06:28 14 current operations are is that the information is
12:06:31 15 already provided on the voter registration form, and
12:06:34 16 based off of our processes of -- our robust ability to
12:06:40 17 connect with the county GIS system and our ability to
12:06:44 18 investigate nonstandard addresses, we do this already.

12:06:52 19 Q. So you would agree that it's unnecessary to
12:06:54 20 provide documentary proof of residence when registering?

12:06:59 21 MR. LANGHOFER: Objection to the extent it
12:07:01 22 calls for a legal conclusion.

12:07:04 23 BY MR. SNOW:

12:07:04 24 Q. Well, let me rephrase.
12:07:06 25 You would agree from an elections

12:07:08 1 administration standpoint that it's unnecessary for a
12:07:10 2 voter to provide documentary proof of residence for your
12:07:13 3 office to complete their registration; is that correct?

12:07:17 4 A. The way the form is currently written and our
12:07:20 5 current procedures, I am confident in our ability to be
12:07:24 6 able to identify the appropriate precinct for a newly
12:07:29 7 registered voter.

12:07:30 8 Q. Thank you.

12:07:45 9 So if you were required to implement the DPOR
12:07:51 10 provision, is it your understanding that this would
12:07:57 11 apply to both the federal and the state form?

12:08:03 12 A. That is what we've tentatively understood,
12:08:06 13 based off of the information we were provided by the
12:08:08 14 Secretary of State's Office.

12:08:11 15 Q. So would there be a two-track system for this
12:08:14 16 requirement, like there is for DPOC currently?

12:08:20 17 MR. LANGHOFER: Objection.

12:08:21 18 MS. STUART: Form.

12:08:24 19 BY MR. SNOW:

12:08:24 20 Q. I can ask a different question.

12:08:28 21 So what types of documents, to your knowledge,
12:08:30 22 would qualify to satisfy the DPOR requirement?

12:08:35 23 A. Well, the --

12:08:35 24 MR. LANGHOFER: Calls for a legal
12:08:36 25 conclusion.

12:08:39 1 BY MR. SNOW:

12:08:40 2 Q. You can go ahead.

12:08:45 3 A. The statute that the bill references has a list

12:08:49 4 of forms that would be -- that we use for proof of

12:08:55 5 residency for what we're doing when a voter comes to an

12:09:02 6 early ballot location or to a vote center to verify who

12:09:07 7 they are. So we would use that particular statute and

12:09:13 8 that list.

12:09:18 9 Without referring to the specific statute and

12:09:19 10 seeing what it says, I can't say whether or not that's

12:09:22 11 exhaustive or not.

12:09:26 12 Q. So let's take a look at what will be marked

12:09:29 13 Exhibit 74, and that's labeled P.

12:09:45 14 A. I have it on the screen.

12:09:48 15 Q. Great.

12:09:48 16 And so what is this document?

12:09:50 17 A. That is the Secretary of State's flowchart and

12:09:55 18 information that we discussed earlier.

12:09:58 19 Q. So when it says "VRAC Legislative Policy

12:10:02 20 Updates" at the top, that refers to the voter

12:10:09 21 registration advisory committee?

12:10:10 22 A. It refers to the voter registration advisory

12:10:14 23 committee that would update the VRAC papers that we

12:10:17 24 would use. So this was a policy update paper provided

12:10:20 25 to us by the SOS discussing the bills and their impacts

12:10:28 1 to certain aspects of voter registration.

12:10:33 2 Q. So turning down to Page 11.

12:10:49 3 MS. STUART: What's the Bates number,

12:10:51 4 Ryan?

12:10:52 5 MR. SNOW: Sorry. The Bates number is 27.

12:10:53 6 MS. STUART: Thank you.

12:10:57 7 BY MR. SNOW:

12:10:58 8 Q. The section titled Documentary Proof of

12:11:02 9 Residency, where it says, "DPOR must accompany the state

12:11:05 10 form but does not need to accompany the federal form.

12:11:09 11 Requiring DPOR conflicts with the National Voter

12:11:12 12 Registration Act and Arizona v. Inter Tribal Council of

12:11:15 13 Arizona."

12:11:18 14 So this is the Secretary's interpretation of

12:11:22 15 the law?

12:11:23 16 MS. STUART: Form, foundation.

12:11:27 17 BY MR. SNOW:

12:11:27 18 Q. So this was provided to you by the Secretary's

12:11:31 19 Office; is that correct?

12:11:31 20 A. It is correct.

12:11:32 21 Q. Okay. And you would treat this as guidance

12:11:37 22 from the Secretary's Office, correct?

12:11:39 23 A. We would.

12:11:41 24 Q. So you would follow this, this guidance?

12:11:46 25 A. I believe we also provided this to our counsel

12:11:50 1 for review as well.

12:12:02 2 Q. So but just, you know -- just confirming that

12:12:05 3 this is the only guidance you've received about

12:12:09 4 implementing this provision?

12:12:10 5 A. That is correct.

12:12:12 6 Q. From the Secretary and then from your legal

12:12:14 7 counsel?

12:12:14 8 A. Correct.

12:12:15 9 Q. Okay. So looking at the list of documents in

12:12:31 10 that table.

12:12:43 11 A. Okay.

12:12:44 12 Q. Are you familiar with -- are you familiar with

12:12:49 13 these forms of documentation?

12:12:52 14 A. Yes, I am.

12:12:54 15 Q. And do you know, to your knowledge, which, if

12:13:00 16 any, of these documents -- scratch that.

12:13:10 17 Looking at the third, the third row, Tribal

12:13:14 18 identification card, are you familiar with Tribal

12:13:17 19 identification cards from -- submitted with voter

12:13:21 20 registration forms currently?

12:13:23 21 A. I don't believe that they have submitted them

12:13:26 22 with the voter registration forms. We usually encounter

12:13:28 23 the Tribal identification cards at early voting sites

12:13:31 24 and vote centers as a form of secondary ID to have a

12:13:35 25 ballot issued.

12:13:36 1 Q. And so you're familiar with -- you've seen them
12:13:40 2 before?

12:13:40 3 A. Yes.

12:13:42 4 Q. Do they typically contain an address or other
12:13:45 5 description of location of residence?

12:13:47 6 A. Not normally, no.

12:14:01 7 Q. And looking at the last row, written
12:14:06 8 confirmation signed by the registrant, this would --
12:14:09 9 this would be -- this would refer to folks who don't
12:14:12 10 have a -- don't have a fixed home location; is that
12:14:18 11 correct?

12:14:18 12 A. That would be correct.

12:14:23 13 Q. Do those individuals currently need to sign
12:14:25 14 anything when they submit the form containing a
12:14:29 15 depiction or description of their -- of their location
12:14:33 16 of residence?

12:14:33 17 MR. LANGHOFER: Objection. Sorry.
12:14:36 18 form.

12:14:40 19 BY MR. SNOW:

12:14:41 20 Q. You can go ahead and answer.

12:14:42 21 A. The voter registration application itself is
12:14:47 22 when a voter is signing to it, they're -- it's a --
12:14:51 23 they're attesting to the information being correct. So
12:14:57 24 once they sign it, that's -- they're attesting to their
12:15:02 25 correct information.

12:15:05 1 Q. So for individuals registering and having to
12:15:12 2 comply with the documentary proof of residence
12:15:19 3 provision, how can those individuals submit their
12:15:22 4 documents?

12:15:31 5 A. I would -- I don't quite understand your
12:15:32 6 question.

12:15:33 7 Q. So do they need to submit an original document
12:15:35 8 or would they be able to submit a copy, would they be
12:15:38 9 able to submit it -- well, we'll just leave that
12:15:41 10 question first.

12:15:42 11 Would they be able to submit a copy or would
12:15:44 12 they need to submit an original?

12:15:46 13 A. Well, I mean if we were implementing this, we
12:15:50 14 would probably just have them, you know, provide us --
12:15:52 15 if they were in person, they could just show it to us,
12:15:55 16 and that would be enough. If they were doing this
12:15:57 17 responding to us via mailing, then they could send us a
12:16:01 18 copy.

12:16:04 19 Q. And would this information become part of the
12:16:08 20 voter's file, a scanned version of it, similar to the --

12:16:18 21 A. I don't know. That would be a programming
12:16:20 22 change.

12:16:32 23 Q. So what does it add to your knowledge about a
12:16:37 24 voter's location of residence for them to submit a
12:16:40 25 document proving that?

12:16:48 1 A. I don't understand what you mean by --

12:16:50 2 Q. Does it assist you to have a document, a

12:16:52 3 physical document, containing their location of

12:16:55 4 residence in determining their location of residence for

12:16:58 5 the purposes of voter registration?

12:17:02 6 A. Again, as I previously stated, we have a very

12:17:05 7 robust system that relies on the county GIS system, and

12:17:12 8 we have a very established way to investigate addresses.

12:17:16 9 So I mean it would neither hurt nor help, I guess. It's

12:17:20 10 just a neutral thing.

12:17:29 11 Q. Thanks.

12:17:37 12 MR. SNOW: All right. I think I'm good,

12:17:42 13 and I think my colleagues have questions that they would

12:17:45 14 like to ask, so I think I'm going to turn it over to Jon

12:17:49 15 Sherman next.

12:17:50 16 And thanks so much, Ms. Hiser. I really

12:17:52 17 appreciate your work and your time.

12:17:54 18 THE WITNESS: You're welcome.

12:18:01 19 MR. SHERMAN: So do we want to consider

12:18:01 20 taking a -- I know it's noon, afternoon in Arizona.

12:18:05 21 Ms. Hiser, do you want to take a lunch break now? Do

12:18:07 22 you want to go for a bit more before we do a lunch

12:18:11 23 break?

12:18:14 24 THE WITNESS: Let's break for lunch, Jon.

12:18:16 25 It seems like that would be a nice thing.

12:18:19 1 MR. SHERMAN: Okay. How long? Does a
12:18:21 2 half hour, 30 minutes, 45 minutes? What seems --
12:18:25 3 THE WITNESS: Let's do 45, please.
12:18:27 4 MR. SHERMAN: Okay. Is that fine with all
12:18:30 5 parties, we break for 45 and come back? I'm just
12:18:33 6 mindful that we on the East Coast, it's 3:18, and folks
12:18:37 7 in Arizona are hitting lunchtime.
12:18:40 8 MR. LANGHOFER: How long are you planning
12:18:41 9 on going this afternoon, Jon?
12:18:44 10 MR. SHERMAN: We are just getting started
12:18:46 11 on many other sections involving the citizenship-related
12:18:49 12 questions, so this could, you know, take, you know, the
12:18:53 13 full seven hours, just to be frank.
12:18:53 14 MS. STUART: Do you want to get off the
12:18:53 15 record?
12:18:58 16 MR. SHERMAN: Not just with me, but --
12:18:59 17 excuse me?
12:18:59 18 MS. STUART: Do we want to get off the
12:19:01 19 record to continue this conversation?
12:19:02 20 MR. SHERMAN: Oh, for sure. Yeah.
12:19:04 21 THE VIDEOGRAPHER: We are off the record.
12:19:06 22 The time on the video monitor is 12:19 p.m.

01:04:49 1 EXAMINATION

01:04:49 2 BY MR. SHERMAN:

01:04:50 3 Q. Good afternoon, Ms. Hiser. My name is Jon

01:04:53 4 Sherman. I'm with Fair Elections Center, and I

01:04:56 5 represent the Poder Latinx plaintiffs in Mi Familia

01:05:02 6 Vota v. Fontes, this consolidated litigation.

01:05:04 7 I wanted to begin by just rehearsing a 30(b)(6)

01:05:09 8 deposition. Because this is a 30(b)(6) deposition under

01:05:12 9 the Federal Rules, you understand that you're testifying

01:05:16 10 on behalf of the whole County Recorder's Office,

01:05:21 11 including the County Recorder herself, correct?

01:05:22 12 A. I do.

01:05:23 13 Q. Okay, great.

01:05:27 14 And can we just reiterate the stipulation I

01:05:30 15 think that was agreed to earlier, where if I say you, I

01:05:33 16 mean your office; can we agree to that?

01:05:34 17 A. Yes.

01:05:35 18 Q. Okay, great.

01:05:38 19 Earlier this morning you were talking about the

01:05:42 20 election procedures manual, specifically the 2019

01:05:45 21 election procedures manual. I just wanted to clear up

01:05:48 22 the record on a few points.

01:05:52 23 Is your office legally required to follow the

01:05:55 24 election procedures manual?

01:05:55 25 MR. LANGHOFER: Calls for a legal

01:05:56 1 conclusion.

01:06:00 2 BY MR. SHERMAN:

01:06:00 3 Q. I'm sorry, I didn't hear the response.

01:06:03 4 A. I believe someone objected.

01:06:08 5 Q. You can -- you can answer after they object,

01:06:09 6 unless someone -- unless someone instructs you not to

01:06:12 7 answer.

01:06:14 8 A. Yes, we are required to follow the EPM.

01:06:19 9 Q. Great. And all parts of the EPM?

01:06:22 10 A. Yes.

01:06:26 11 Q. Has the Secretary of State's Office ever

01:06:28 12 communicated to you whether it believes the voter

01:06:31 13 registration rules and procedures in the EPM are legally

01:06:35 14 binding?

01:06:35 15 MS. STUART: Form.

01:06:36 16 THE WITNESS: I don't think they've ever

01:06:37 17 communicated that to us. That has been our

01:06:39 18 understanding of the EPM.

01:06:42 19 BY MR. SHERMAN:

01:06:42 20 Q. Has any County Recorder ever suggested to you,

01:06:45 21 any County Recorder's Office, ever suggested to you that

01:06:47 22 the voter registration guidance in the EPM is not

01:06:51 23 legally binding?

01:06:52 24 A. Not to my knowledge, no.

01:06:57 25 Q. Can legally binding guidance be conveyed by the

01:07:00 1 Secretary of State's Office to your office by any other
01:07:03 2 means outside of the EPM?
01:07:05 3 MR. LANGHOFER: Calls for a legal
01:07:08 4 conclusion.
01:07:08 5 MS. STUART: Form.
01:07:09 6 THE WITNESS: I don't really understand
01:07:10 7 your question.
01:07:13 8 BY MR. SHERMAN:
01:07:13 9 Q. Sure. I can give some other examples.
01:07:17 10 Can you be legally -- are you legally required
01:07:20 11 to follow a memorandum issued by the Secretary of
01:07:23 12 State's Office to your office?
01:07:25 13 MR. LANGHOFER: Same objection.
01:07:28 14 THE WITNESS: No. We would just -- the
01:07:31 15 EPM is a guide, as it's stated in statute, that the
01:07:37 16 Secretary of State's Office produces that we follow. It
01:07:40 17 defines election administration and voting task
01:07:47 18 responsibilities for County Recorders and election
01:07:49 19 directors.
01:07:49 20 BY MR. SHERMAN:
01:07:49 21 Q. So the EPM is binding, but not a separate
01:07:51 22 memorandum that the Secretary of State's Office issues?
01:07:55 23 MS. STUART: Form.
01:07:56 24 MR. LANGHOFER: Same objection.
01:07:57 25 THE WITNESS: I would say that we would

01:08:00 1 consider separate memorandums from the Secretary of
01:08:03 2 State's Office as guidance, not binding.

01:08:05 3 BY MR. SHERMAN:

01:08:06 4 Q. Okay. That's just what I wanted to clarify.
01:08:07 5 If the Secretary of State's Office's lawyers
01:08:10 6 write a legal brief and send it to your office, is that
01:08:14 7 legally binding guidance?

01:08:15 8 MS. STUART: Form.

01:08:17 9 MR. LANGHOFER: Calls for a legal
01:08:19 10 conclusion.

01:08:19 11 THE WITNESS: If the SOS's attorneys were
01:08:21 12 to send us a legal brief, I would give it to my attorney
01:08:24 13 and wait for direction from my attorney.

01:08:26 14 BY MR. SHERMAN:

01:08:27 15 Q. Okay. And if your attorney said this is
01:08:30 16 legally binding, then you would follow it, you would
01:08:33 17 believe it's legally binding?

01:08:34 18 MR. LANGHOFER: Same objection.

01:08:35 19 THE WITNESS: I always follow the advice
01:08:36 20 of my attorney.

01:08:38 21 BY MR. SHERMAN:

01:08:40 22 Q. All right. If someone, a staff member of the
01:08:42 23 Secretary of State's Office, sends your office an
01:08:43 24 e-mail, is that -- would you be legally required to
01:08:46 25 follow that?

01:08:46 1 MS. STUART: Form.

01:08:48 2 THE WITNESS: Again, I would consider that

01:08:50 3 to be guidance, and if it were something of in question,

01:08:56 4 again, we would provide that information to our attorney

01:08:58 5 and seek input from counsel.

01:09:01 6 BY MR. SHERMAN:

01:09:01 7 Q. Okay. So anything that comes to your office

01:09:04 8 outside of the EPM, whether it's a letter, an e-mail, a

01:09:08 9 phone call, text message, any other means, that would be

01:09:14 10 subject to further review by your attorney, but not

01:09:16 11 per se legally binding on your office?

01:09:18 12 MR. LANGHOFFER: Form.

01:09:19 13 MS. STUART: Form.

01:09:22 14 THE WITNESS: Yes. I would consider that

01:09:23 15 to be guidance.

01:09:26 16 BY MR. SHERMAN:

01:09:26 17 Q. Okay. And just to clarify, earlier we were

01:09:28 18 talking about the VRAC papers. Are those legally

01:09:32 19 binding on your office?

01:09:32 20 MS. STUART: Form.

01:09:35 21 THE WITNESS: They are not legally

01:09:36 22 binding, but it is a way for us to create uniformity

01:09:40 23 among procedures across all 15 counties.

01:09:43 24 BY MR. SHERMAN:

01:09:43 25 Q. But a VRAC paper, right, can't contradict the

01:09:48 1 EPM or statutes, right?

01:09:50 2 MS. STUART: Form.

01:09:50 3 MR. LANGHOFER: Same.

01:09:51 4 MS. STUART: And, also, I don't want to

01:09:52 5 interrupt you, so if you could just give me a bit more

01:09:55 6 of a pause before you answer his questions. Thank you.

01:10:03 7 BY MR. SHERMAN:

01:10:03 8 Q. I can re -- I can repeat.

01:10:05 9 A. So the VRAC paper would be considered

01:10:09 10 supplementary guidance to information from the EPM or

01:10:13 11 statute. The VRAC papers are -- the foundation for them

01:10:19 12 is the EPM and the statute. They are just further

01:10:25 13 discussing operations as it relates to certain tasks as

01:10:28 14 already outlined in the EPM.

01:10:31 15 Q. Okay. But just to clarify it, VRAC papers

01:10:34 16 can't contradict statutes?

01:10:37 17 MR. LANGHOFER: Form.

01:10:40 18 THE WITNESS: Correct. The VRAC papers

01:10:42 19 are based on statute and statutory interpretation from

01:10:50 20 the Secretary of State's Office.

01:10:51 21 BY MR. SHERMAN:

01:10:51 22 Q. And VRAC papers can't contradict the EPM,

01:10:55 23 correct?

01:10:55 24 MR. LANGHOFER: Form.

01:10:55 25 MS. STUART: Form.

01:10:58 1 THE WITNESS: They do not contradict the

01:11:02 2 EPM. They supplement the EPM and provide the EPM with

01:11:07 3 more clarity.

01:11:08 4 BY MR. SHERMAN:

01:11:08 5 Q. Okay. Thanks very much.

01:11:10 6 So earlier you testified that you consult the

01:11:12 7 EPM and statutes simultaneously; is that correct?

01:11:14 8 A. Correct.

01:11:16 9 Q. What if there's a conflict between the EPM and

01:11:18 10 the statutes; what do you do?

01:11:21 11 MS. STUART: Form.

01:11:21 12 THE WITNESS: I talk to my attorney.

01:11:25 13 BY MR. SHERMAN:

01:11:25 14 Q. Okay. So there might be circumstances where

01:11:28 15 you're not bound to follow the EPM and would follow the

01:11:31 16 statutes if there is a conflict between the two?

01:11:34 17 MR. LANGHOFER: Form.

01:11:39 18 THE WITNESS: If we've identified a

01:11:40 19 conflict, we would discuss with our legal counsel how

01:11:43 20 best to proceed.

01:11:45 21 BY MR. SHERMAN:

01:11:45 22 Q. And the statutes supersede the EPM, right?

01:11:48 23 MS. STUART: Form.

01:11:48 24 MR. LANGHOFER: Form.

01:11:50 25 THE WITNESS: Our understanding is, is

01:11:53 1 that the statute's in effect, so the statute is the
01:11:56 2 foundation. The EPM supports the operation of the
01:12:02 3 statute. The VRAC papers further detail specifics about
01:12:06 4 operations.

01:12:08 5 BY MR. SHERMAN:

01:12:08 6 Q. All right. Maybe I'll ask it a different way.
01:12:10 7 Can the EPM contradict what's in the statute?

01:12:13 8 MS. STUART: Form.

01:12:14 9 MR. LANGHOFER: Form.

01:12:16 10 THE WITNESS: As the current EPM that is
01:12:19 11 currently still in effect is the 2019 EPM, there are
01:12:22 12 several contradictions in its current form to what has
01:12:26 13 passed the Arizona state legislature in previous
01:12:30 14 legislative sessions.

01:12:32 15 BY MR. SHERMAN:

01:12:32 16 Q. So leaving aside updates between the two
01:12:36 17 revisions of the EPM between, say, 2019 and the next
01:12:40 18 revision, whenever that happens, the EPM has to be
01:12:45 19 consistent with statutes, right?

01:12:46 20 MS. STUART: Form.

01:12:46 21 MR. LANGHOFER: Form.

01:12:47 22 THE WITNESS: Correct.

01:12:53 23 MR. SHERMAN: Okay.

01:12:53 24 MR. LANGHOFER: Mr. Sherman, is there some
01:12:55 25 dispute about the hierarchy of legal authorities in

01:12:57 1 Arizona? I mean don't we all agree on what trumps what?

01:13:04 2 MR. SHERMAN: Is there -- I mean are you
01:13:06 3 disputing the relevance of the question? I'm just not
01:13:07 4 sure what the objection is.

01:13:09 5 MR. LANGHOFER: Yeah. I mean it's your
01:13:10 6 deposition. You can spend your time the way you want,
01:13:12 7 but I don't think there's any question about which legal
01:13:16 8 authorities are more authoritative in Arizona.

01:13:19 9 MR. SHERMAN: Okay. Is there an
01:13:20 10 objection?

01:13:21 11 MR. LANGHOFER: I'll object on the grounds
01:13:22 12 of relevance.

01:13:25 13 MR. SHERMAN: Okay. Thanks.

01:13:31 14 BY MR. SHERMAN:

01:13:31 15 Q. So just to revisit, you reviewed the statutes
01:13:34 16 and EPM simultaneously, and have there been instances in
01:13:38 17 the past where you've been -- in consultation with your
01:13:42 18 legal counsel, you've had to follow the statute over
01:13:47 19 what's in the EPM?

01:13:55 20 A. I don't believe so. But the statutes
01:13:59 21 themselves, depending on which particular statute would
01:14:03 22 be considered in conflict, some of the statutes are very
01:14:06 23 short and vague, and the procedures in the elections
01:14:09 24 procedures manual can be very detailed, taking a -- the
01:14:16 25 statute that lacks some detail and some clarity and

01:14:20 1 providing more detail to operations.

01:14:22 2 Q. Is it your testimony that you consult the

01:14:25 3 statute to fill in gaps in the EPM?

01:14:30 4 A. No. I consult the statute in conjunction with

01:14:33 5 the EPM because that's best practice.

01:14:37 6 Q. And why is that best practice, just to be

01:14:39 7 clear?

01:14:39 8 A. Because as an elections officer, I'm bound to

01:14:42 9 follow the statutes of the state of Arizona when

01:14:45 10 enforcing election administration.

01:14:46 11 Q. Okay. Thanks very much.

01:14:48 12 You mentioned, also, the annotated version of

01:14:52 13 the EPM. The annotation in that version of the EPM is

01:14:55 14 not legally binding on your office, correct?

01:14:58 15 MS. STUART: Form.

01:14:59 16 MR. LANGHOFER: Form.

01:15:00 17 THE WITNESS: Our understanding is, no, it

01:15:02 18 is not legally binding. It is an annotated version

01:15:05 19 referencing changes in statute for a particular

01:15:08 20 legislative session.

01:15:10 21 BY MR. SHERMAN:

01:15:14 22 Q. Okay. Is that all the annotation contains is
01:15:17 23 legal changes?

01:15:19 24 A. Yes.

01:15:21 25 Q. Okay. I just wanted to clarify. Thanks very

01:15:24 1 much.

01:15:24 2 So just to confirm, earlier you had testified

01:15:38 3 that you're not enforcing any part of H.B. 2492; is that

01:15:44 4 correct?

01:15:44 5 A. That is correct. We are currently waiting on a

01:15:47 6 decision regarding this litigation to be able to move

01:15:50 7 forward. The guidance that we have been provided has

01:15:54 8 not been as clear as we would like, so we are continuing

01:15:58 9 operations as normal.

01:16:02 10 Q. And just to confirm, you're not enforcing any

01:16:04 11 part of H.B. 2243 at the moment, correct?

01:16:08 12 MR. LANGHOFFER: Asked and answered.

01:16:12 13 THE WITNESS: That is correct. We are

01:16:14 14 still waiting on the outcome of litigation in regards to

01:16:17 15 these bills.

01:16:18 16 BY MR. SHERMAN:

01:16:18 17 Q. Great. Thank you.

01:16:19 18 And to your knowledge, are all counties

01:16:25 19 following suit, following the same protocol that your

01:16:29 20 office is?

01:16:30 21 A. As far as I know, yes.

01:16:45 22 Q. And you have reviewed the draft 2023 EPM?

01:16:48 23 A. I have.

01:16:49 24 Q. Have you offered comments yet? I forget if you

01:16:52 25 testified as to that.

01:16:53 1 A. We offered some preliminary comments in the
01:16:55 2 very first meeting as it related to Chapter 2. We had
01:17:00 3 requested why some things had been removed that were
01:17:02 4 previously referenced in the 2019 EPM. We felt that
01:17:06 5 some of those guidances were -- provided some detail and
01:17:12 6 clarity, so we asked for them to be put back in.

01:17:16 7 And the majority of our input going forward has
01:17:19 8 been verbal through our meetings with the Recorder and
01:17:23 9 the Secretary's Office as we discussed each section of
01:17:27 10 the EPM.

01:17:27 11 Q. Great.

01:17:28 12 I just want to be clear on how many meetings
01:17:31 13 there have been with the Secretary of State's Office
01:17:33 14 about the challenged laws. Could you speak to that?
01:17:37 15 How many meetings have there been since they were
01:17:39 16 enacted, essentially?

01:17:41 17 A. About the challenged laws themselves?

01:17:43 18 Q. Yes, about H.B. 2492 and H.B. 2243.

01:17:50 19 A. Well, we've had many meetings with the
01:17:52 20 Secretary of State's Office, from discussion of VRAC
01:17:56 21 papers to AVID enhancement to the EPM draft, and these
01:18:05 22 challenged laws play a factor in those conversations
01:18:08 23 always. So too many -- too numerous to count.

01:18:14 24 Q. Understood.

01:18:14 25 So in each of these meetings you've shared

01:18:17 1 feedback on your office's concerns with the challenged
01:18:22 2 laws?

01:18:22 3 A. Not at each of these meetings. Some of them
01:18:25 4 has just -- some of the meetings are updates as to where
01:18:30 5 we stand on litigation. Some of them can be what are
01:18:36 6 the next steps in terms of updating systems. It's not a
01:18:41 7 discussion of the legality of the laws. It's a
01:18:44 8 discussion of these laws are under litigation and here
01:18:49 9 would be next steps and here's what we're waiting for.

01:18:52 10 Q. Understood.

01:18:54 11 Could I ask you to take a look at what's
01:18:56 12 Exhibit Q? It's Bates stamp number AZSOS-21416.

01:19:09 13 Just let me know when you have the document
01:19:11 14 open.

01:19:17 15 A. And which tab would that be? Is that the
01:19:22 16 Mi Familia Vota?

01:19:23 17 Q. It's Pima County Recorder 30(b)(6) deposition
01:19:29 18 potential exhibits.

01:19:31 19 MS. STUART: I don't think there's an
01:19:32 20 Exhibit Q. What was the Bates number, again?

01:19:36 21 MR. SHERMAN: AZSOS-21416.

01:19:43 22 MS. STUART: Thank you.

01:19:55 23 MR. SHERMAN: I modified it in the
01:19:57 24 Dropbox, but perhaps it doesn't update for everyone, I
01:20:00 25 guess, if it was separately sent to you.

01:20:09 1 THE WITNESS: I'll try refreshing and see
01:20:11 2 if it --
01:20:15 3 I refreshed so I'm able to --
01:20:20 4 Yes, I have it.
01:20:20 5 BY MR. SHERMAN:
01:20:20 6 Q. Do you see it now, Exhibit Q?
01:20:21 7 A. I do.
01:20:22 8 Q. Okay, great.
01:20:23 9 And you can see -- what is this document?
01:20:28 10 A. That's an e-mail from the previous chief
01:20:31 11 deputy, Pamela Franklin, to Kori Lorick, who was the
01:20:37 12 previous elections director for the Secretary of State
01:20:40 13 under Secretary Hobbs.
01:20:41 14 Q. And who is cc'd on this e-mail?
01:20:45 15 A. Just the County Recorder.
01:20:48 16 Q. And could you just read for the record -- it's
01:20:52 17 a short e-mail. Could you just read for the record what
01:20:54 18 it says?
01:20:55 19 A. "Hi, Kori. I'd like to chat with you about
01:20:57 20 some of the problems/issues we see in implementing and
01:21:01 21 interpreting H.B. 2492. Is there a time that would be
01:21:05 22 good for you to talk?"
01:21:08 23 Q. And was there a meeting that took place with
01:21:12 24 the Secretary of State's Office in response to this
01:21:14 25 e-mail?

01:21:15 1 A. I do not know.

01:21:16 2 Q. Okay. You were with the County Recorder's

01:21:21 3 Office at the time, correct?

01:21:22 4 A. I was. I was the assistant chief deputy at the

01:21:26 5 time.

01:21:26 6 Q. Right. And was there a meeting -- whether or

01:21:29 7 not this meeting ultimately occurred, was there a

01:21:32 8 meeting with the County Recorder and Pamela Franklin

01:21:34 9 where you discussed the problems and issues that the

01:21:39 10 County Recorder's Office saw in implementing and

01:21:41 11 interpreting H.B. 2492?

01:21:43 12 A. We would have had a standing meeting on a

01:21:48 13 weekly basis reviewing legislation and the impact of

01:21:52 14 legislation, so we would most likely have discussed it

01:21:55 15 during that meeting.

01:21:57 16 Q. Was there a lawyer present during that meeting?

01:21:59 17 A. No. That would have been an internal meeting

01:22:02 18 of County Recorder staff only.

01:22:08 19 Q. Okay. Could you recount -- in a minute I'm

01:22:10 20 going to ask you to take a look at H.B. 2492, but for

01:22:14 21 now, could I have you just recount the substance of what

01:22:16 22 was discussed at that meeting?

01:22:20 23 A. I'm sorry. That was over a year ago. I don't

01:22:23 24 remember the substance.

01:22:24 25 I do recall that we would discuss bills that we

01:22:27 1 had concerns about because we were internally tracking
01:22:30 2 them and discuss what the implications of that would be.
01:22:36 3 At the time of this particular legislative session we
01:22:41 4 had two legislative liaisons that we had hired in our
01:22:44 5 department, two second-year law students, who were
01:22:49 6 assisting us as we were reviewing the legislation kind
01:22:55 7 of impacting.

01:22:58 8 Those legislative liaisons were assigned to me.
01:23:00 9 They were my direct reports. I did have them follow
01:23:05 10 bills that would have an operational impact, including
01:23:09 11 this one, on our office, and to identify issues with the
01:23:15 12 bill and kind of discuss if there were any conflicts of
01:23:19 13 laws, that should the bill be passed, what that would
01:23:23 14 implicate, what that would -- what that would mean for
01:23:26 15 our office, just so we could get kind of a full
01:23:30 16 understanding of the bills.

01:23:35 17 Q. Okay. So to refresh your memory of the
01:23:37 18 conversation, I do understand it was more than a year
01:23:39 19 ago, could we take a look at H.B. 2492. This is Petty
01:23:46 20 Exhibit 19.

01:23:48 21 MR. LANGHOFER: And, Jon?

01:23:48 22 MR. SHERMAN: Yes.

01:23:50 23 MR. LANGHOFER: Just before you move on,
01:23:51 24 maybe I missed it, but it may make sense to make sure we
01:23:51 25 have a --

01:23:51 1 MR. SHERMAN: Oh, yeah.

01:23:54 2 MR. LANGHOFER: -- exhibit number

01:23:55 3 associated with the last one.

01:23:57 4 MR. SHERMAN: I apologize. We should mark

01:23:59 5 Exhibit Q, and I forget sequentially where we're at.

01:24:08 6 THE COURT REPORTER: 75.

01:24:10 7 MR. SHERMAN: 75? Thanks very much.

01:24:17 8 BY MR. SHERMAN:

01:24:18 9 Q. So if you have -- do you have H.B. 2492, Petty

01:24:22 10 Exhibit 19, up before you?

01:24:23 11 A. I do have a copy of the bill, yes, the

01:24:25 12 chaptered version.

01:24:26 13 Q. The chapter version, Chapter 99?

01:24:30 14 A. Yes.

01:24:30 15 Q. Great.

01:24:31 16 So the e-mail we were just looking at described

01:24:35 17 problems and issues with interpreting and implementing

01:24:41 18 H.B. 2492. I'd like to ask you to take a minute to -- a

01:24:45 19 couple minutes even, as long as you need, to walk

01:24:47 20 through H.B. 2492, and for the record, talk through what

01:24:55 21 your office sees as the problems and issues with

01:25:00 22 interpreting -- let's start with just interpreting

01:25:03 23 H.B. 2492. Well, we'll do it together, problems and

01:25:08 24 issues interpreting and implementing H.B. 2492.

01:25:11 25 A. Sure. Give me a moment. I have it on the

01:25:13 1 screen, and I'd like to take a moment just to refresh
01:25:16 2 my --

01:25:16 3 Q. Yes, for sure. Take as long as you need.

01:26:26 4 And you don't have to give them to us all at
01:26:28 5 once. We can go page by page here. That might be
01:26:31 6 easier to do.

01:26:32 7 A. Sure.

01:26:33 8 Q. And maybe to do this most efficiently, because
01:26:36 9 I want to be as efficient as possible, let me sort of
01:26:39 10 combine this with another question. You can answer them
01:26:42 11 simultaneously.

01:26:43 12 Earlier you testified that there are vague,
01:26:48 13 quote, vague provisions in both of the challenged laws
01:26:53 14 that would -- that your office cannot implement until
01:26:57 15 you have clear guidance from the Secretary of State's
01:27:00 16 Office; is that correct?

01:27:01 17 A. That is correct.

01:27:03 18 Q. While we're going through H.B. 2492, if you
01:27:07 19 could simultaneously point to the provisions or language
01:27:09 20 or phrases in the Act that your office sees as vague and
01:27:17 21 could not implement without clear guidance from the
01:27:20 22 Secretary of State's Office. So why don't we start just
01:27:24 23 with Page 1 of H.B. 2492.

01:27:30 24 A. Are you asking about Section 1 or --

01:27:34 25 Q. I'm asking just anything on Page 1, anything on

01:27:37 1 Page 1 of -- we could do it by section. That might be
01:27:43 2 easier. Let's start with Section 1.

01:27:45 3 A. So for Section 1, 16-101, we didn't have any
01:27:53 4 particular issues, other than with the additional
01:27:58 5 language, and has provided satisfactory evidence of
01:28:00 6 citizenship as prescribed. I believe we considered that
01:28:05 7 to be a redundancy.

01:28:10 8 But the information specifically, the included
01:28:16 9 language was and has provided satisfactory evidence of
01:28:20 10 citizenship as prescribed in Section 16-166. That
01:28:24 11 section, 16-166, was the section that underwent the
01:28:31 12 extensive amount of rewrite by the legislature at the
01:28:41 13 time.

01:28:41 14 So the references to proof of residency and
01:28:44 15 then the references to which statutes it's prescribing,
01:28:50 16 16-123, we felt that those were -- the inclusion of that
01:29:00 17 information was not as clear as it could have been for
01:29:02 18 us. And the reference to 16-123 we felt was a vague
01:29:09 19 statute as well.

01:29:11 20 Q. Okay.

01:29:15 21 A. We also identified that that could be some
01:29:17 22 issues with when receiving federal only ballots. The
01:29:28 23 notification requirements --

01:29:34 24 Q. Are you still just on Section 1, just to --

01:29:36 25 A. I'm sorry. I've moved to Section 16-166.

01:29:51 1 And then for Section 4 of 16-121.01, the
01:30:10 2 included language in Section A, I think we had some
01:30:15 3 issues with that.

01:30:17 4 Q. What were your issues with the language in
01:30:20 5 Subsection A under 16-121.01?

01:30:31 6 A. The language as it related to the federal
01:30:34 7 ballot and federal voters, eligibility to vote federal
01:30:39 8 voters and federal ballots.

01:30:41 9 Q. Are you referring to vagueness, a problem of
01:30:44 10 interpretation, or problem of implementation?

01:30:47 11 A. All three.

01:30:53 12 Q. Anything else in Subsection A?

01:31:14 13 A. Not at the moment, no.

01:31:18 14 Q. Okay. My colleagues may have additional
01:31:20 15 questions about that.

01:31:21 16 Moving to Page 4 and the other sections that
01:31:26 17 were added, other subsections that were added to
01:31:31 18 16-121.01, let's stick with just problems, problems of
01:31:36 19 interpretation and implementation that your office saw
01:31:40 20 in this section.

01:31:49 21 A. Well, I believe we had issues with C, "Except
01:32:13 22 for a form produced by the United States Elections
01:32:17 23 Assistance Commission, any application for registration
01:32:19 24 shall be accompanied by satisfactory evidence of
01:32:21 25 citizenship as prescribed in Section 16-166,

01:32:25 1 Subsection F, and the County Recorder or other officer
01:32:29 2 in charge of elections shall reject any application for
01:32:33 3 registration that is not accompanied by satisfactory
01:32:35 4 evidence of citizenship."

01:32:38 5 Our current practice is, when a registration
01:32:43 6 comes and lacks proof of citizenship, we register that
01:32:47 7 individual as a federal only voter, meaning they are
01:32:50 8 only eligible to vote a federal ballot. We reach out to
01:32:53 9 them and let them know that they need to provide us
01:32:56 10 proof of citizenship; and once we have that proof of
01:32:59 11 citizenship, we move their status to a full ballot
01:33:03 12 voter.

01:33:03 13 With this particular section our interpretation
01:33:06 14 was, is that we wouldn't even be able to do that. We
01:33:09 15 would just simply have to reject a voter. Then we
01:33:17 16 would -- by the -- by having to reject a voter, rather
01:33:20 17 than being able to say, like, put the voter -- continue
01:33:23 18 to register the voter as a federal only or to suspend
01:33:26 19 the voter registration until we received additional
01:33:30 20 forms, it was just -- operationally it makes -- it makes
01:33:33 21 it difficult for us. We would basically be duplicating
01:33:36 22 work over and over again.

01:33:44 23 Q. Any other problems with interpretation or --

01:33:48 24 A. Well, we had some --

01:33:48 25 Q. -- implementation you see?

01:33:48 1 A. It would be safe to say that we had some
01:33:56 2 heartburn with the language of "A County Recorder or
01:34:00 3 other officer in charge of elections who knowingly fails
01:34:04 4 to reject an application for registration as prescribed
01:34:06 5 by this subsection is guilty of a Class 6 felony."
01:34:11 6 That made our -- gave us pause, as our standard
01:34:20 7 is we are registering people to vote, and this is
01:34:27 8 telling us that if we did not reject people to vote, we
01:34:30 9 would be charged with a felony, was our interpretation
01:34:32 10 with it. We did not feel that -- we were concerned that
01:34:42 11 our staff might feel that their job was criminalized if
01:34:47 12 they made a mistake.

01:34:55 13 Q. If there's nothing else on Subsection C, I
01:34:58 14 wanted to direct your attention to Subsection D and
01:35:00 15 stick with that for a bit.

01:35:02 16 What were the problems with interpretation and
01:35:06 17 implementation that your office saw in Subsection D?
01:35:12 18 And we can include the vagueness issues under problems
01:35:15 19 of interpretation.

01:35:33 20 A. So under D there are five access database, you
01:35:46 21 know. Some of those -- so number 5 in particular, "Any
01:35:48 22 other state, city, town, county or federal database or
01:35:52 23 any other database relating to the voter registration to
01:35:55 24 which the County Recorder or officer in charge of
01:35:58 25 elections has access, including an electronic

01:36:01 1 registration information center database," we don't
01:36:04 2 really know what that means.
01:36:08 3 That's, you know -- you know, is that a permit
01:36:10 4 for a building permit, which doesn't provide
01:36:14 5 citizenship. We just -- I don't -- I don't know what
01:36:16 6 that means. I don't know how to access that should
01:36:21 7 we --
01:36:21 8 A National Association for Public Health
01:36:25 9 Statistics and Information Systems Electronic
01:36:29 10 Verification of Vital Events, here in the state of
01:36:32 11 Arizona health records and vital statistics are not
01:36:35 12 accessible to anybody other than the Health Department.
01:36:39 13 So even if I wanted to get confirmation of a death
01:36:44 14 notification of a Pima County resident, I could not go
01:36:47 15 to the Pima County Health Department and have them
01:36:49 16 confirm that for me. They have to provide that
01:36:51 17 information up through the Social Security
01:36:54 18 Administration, who then provides a master death file to
01:36:57 19 the Secretary of State's Office, who then provides it
01:36:59 20 back to me. So that's just not doable. There's no way
01:37:03 21 for us to be able -- it's not a possibility.
01:37:11 22 You know, the -- I've already discussed the
01:37:13 23 SAVE program, and we do use that to -- for first-time
01:37:17 24 registrants to verify a naturalization number.
01:37:21 25 Q. I'll get into the SAVE system later.

01:37:21 1 A. Okay.

01:37:24 2 Q. Maybe I can identify some specific language in
01:37:26 3 here and just ask you about it.

01:37:29 4 A. Sure.

01:37:29 5 Q. So the phrase shall use all available
01:37:33 6 resources, do you understand -- does your office understand
01:37:35 7 what that means?

01:37:36 8 A. We consider that to be vague.

01:37:40 9 Q. Okay. Do you understand the phrase provided
01:37:42 10 the county has access?

01:37:47 11 A. Yes, we understand that provided the county has
01:37:51 12 access; but, again, as I previously stated, the things
01:37:55 13 that they are having as examples are not things the
01:38:00 14 county would have access to.

01:38:02 15 Q. Understood.

01:38:06 16 Under Subsection C, where it references the
01:38:08 17 SAVE system, you see at the end there it says "if
01:38:11 18 practicable"? Do you understand the phrase if
01:38:15 19 practicable?

01:38:15 20 A. I do.

01:38:16 21 Q. And what does it mean in context here?

01:38:19 22 A. If we have access to the SAVE system, we have a
01:38:25 23 registration with them, and so we are able to run it;
01:38:27 24 and if we have a naturalization number, we can run it
01:38:33 25 through the SAVE system or an INS number.

01:38:36 1 Q. Does the term practicable here include your
01:38:42 2 office's resources, time, staff resources, et cetera?

01:38:48 3 A. I guess in one interpretation you could say
01:38:52 4 that. It's simply part of our daily process, so we
01:38:56 5 would be doing it anyway. So, yes, time, staff and
01:38:59 6 resources would cover that.

01:39:04 7 Q. Do you understand Subsection 5 here, "Any other
01:39:06 8 state, city, town, county or federal database and any
01:39:10 9 other database relating to voter registration to which
01:39:13 10 the County Recorder or officer in charge of elections
01:39:16 11 has access"?

01:39:17 12 A. Yeah, I -- yes, I understand it. It's very
01:39:21 13 vague and it's not --

01:39:24 14 Q. How can you -- how can you understand it if
01:39:26 15 it's vague?

01:39:27 16 A. I can understand the words specifically of what
01:39:30 17 they mean. I can read the sentence. But the
01:39:35 18 implication of any other databases that would be held,
01:39:39 19 what are those databases?

01:39:42 20 Q. Is the state legislature telling your office to
01:39:45 21 spend all of its hours consulting every government
01:39:48 22 database under the sun?

01:39:50 23 A. Certainly seems that way with that wording.

01:39:55 24 Q. I want to direct -- there's a lot in
01:39:57 25 Subsection E here, so I want to direct your attention

01:40:00 1 just to the second sentence, which reads, "If the County
01:40:06 2 Recorder or other officer in charge of elections matches
01:40:09 3 the applicant with information that the applicant is not
01:40:12 4 a United States citizen, the County Recorder or other
01:40:16 5 officer in charge of elections shall reject the
01:40:19 6 application, notify the applicant that the application
01:40:22 7 was rejected because the applicant is not a United
01:40:29 8 States citizen and forward the application to the County
01:40:32 9 Attorney and Attorney General for investigation."

01:40:34 10 Does your office understand what is meant by
01:40:36 11 information that the applicant is not a United States
01:40:38 12 citizen?

01:40:39 13 A. Yes.

01:40:40 14 Q. And what does it mean to your office?

01:40:42 15 A. It means that we have run them through our
01:40:44 16 systems and they have not returned -- we have had a
01:40:48 17 notice returned that they are not a citizen from either
01:40:51 18 the SAVE database or the MVD or...

01:40:56 19 Q. So when you do a HAVA check, right, that's
01:40:59 20 through the AVID system, correct?

01:41:00 21 A. Correct.

01:41:01 22 Q. And you'll -- the user will see on the screen
01:41:06 23 whether or not -- what does the user see on the screen?

01:41:09 24 A. I have not run a HAVA check through the AVID
01:41:12 25 system and I do not have access to AVID, so I don't

01:41:17 1 exactly know what it is that they see on the screen.

01:41:19 2 So --

01:41:19 3 Q. Is your understand -- sorry. Go ahead.

01:41:21 4 A. The system, the AVID system, has keys, and
01:41:26 5 those keys are assigned to staff members. So only a
01:41:29 6 certain number of staff members have a key to be able to
01:41:32 7 use that system.

01:41:35 8 Q. Understood.

01:41:42 9 If you -- when you run the AVID -- when you run
01:41:44 10 the HAVA check and if the HAVA check reflects that the
01:41:50 11 applicant was issued an F-Type license, what do you do?

01:41:53 12 A. If it's an F-Type license, well, we would -- if
01:42:05 13 they've already been registered, we would inactivate
01:42:09 14 them and send them a letter.

01:42:12 15 Some of the F-Type licenses, it just means that
01:42:18 16 an individual may have already gone through the
01:42:20 17 naturalization ceremony and that information has not
01:42:23 18 updated through MVD, and so their license would change
01:42:28 19 once they were -- showed proof of citizenship through
01:42:34 20 the MVD as well.

01:42:41 21 Q. These laws concern database matching separate
01:42:46 22 and apart from the DPOC process, correct?

01:42:50 23 A. Yes.

01:42:51 24 Q. So using information in the HAVA check, which
01:42:57 25 interfaces with the MVD database, does that tell you how

01:43:02 1 old that information is; do you see that on the screen?

01:43:05 2 A. Again, I don't do this and I have not
01:43:07 3 personally seen that screen. The information is -- I
01:43:14 4 don't think it does, but I don't know that for sure.

01:43:17 5 Q. Okay, well, leaving aside how the HAVA check
01:43:21 6 interface looks, if your office learned that someone was
01:43:25 7 issued an F-Type license 25 years ago, would that be
01:43:28 8 information that they are not a United States citizen?

01:43:32 9 MR. LANGHOFER: Calls for a legal
01:43:36 10 conclusion.

01:43:36 11 BY MR. SHERMAN:

01:43:36 12 Q. And I'm not calling for, you know, you to
01:43:39 13 interpret the statute. Just what would your office
01:43:41 14 think of that information? Would that be information
01:43:43 15 that they're not a United States citizen in the present
01:43:46 16 day?

01:43:46 17 A. I think in that instance they would probably
01:43:49 18 speak to a supervisor and we would do an investigation.
01:43:53 19 We would kind of ask for more information.

01:43:58 20 Q. What if they were issued an F-Type license one
01:44:02 21 week ago?

01:44:05 22 A. Again, we would send them notice.

01:44:13 23 Q. Okay. I'm just trying to assess out how old --

01:44:18 24 how old information would be treated by your office. So

01:44:20 25 if information is 10 years old, 15 years old, if someone

01:44:24 1 was issued an F-Type license back in the year 2000 or
01:44:31 2 2005, how would that be construed as information that
01:44:35 3 they're not a United States citizen in the present day?
01:44:40 4 A. I don't know. I think that would be one of
01:44:44 5 those issues that we would have concerns with on how to
01:44:49 6 operationalize this.
01:44:50 7 Q. And does that lead you to -- does that lead
01:44:52 8 your office to believe that this phrase information that
01:44:55 9 the applicant is not a United States citizen in
01:44:59 10 H.B. 2492 is vague?
01:45:01 11 A. Yes.
01:45:02 12 Q. Okay. Thank you
01:45:12 13 What are -- what are some valid sources of
01:45:15 14 information that someone is not a United States citizen?
01:45:18 15 Anything beyond the government or voter registration
01:45:21 16 database?
01:45:22 17 MR. LANGHOFER: Object to the extent it
01:45:25 18 calls for a legal conclusion.
01:45:29 19 THE WITNESS: Those are the primary
01:45:31 20 sources. We do receive jury notifications. It's
01:45:36 21 surprising, quite a number of people, to get out of jury
01:45:39 22 duty, say they're not U.S. citizens. And we get those
01:45:42 23 notifications and then we have to call them and say
01:45:45 24 we've been notified that you're not a U.S. citizen, and
01:45:49 25 then they tell us that they are.

01:45:51 1 So I don't know if that's the source that
01:45:53 2 you're referring to, but that is another source we get
01:45:56 3 regarding if someone is a citizen or not.
01:45:59 4 BY MR. SHERMAN:
01:45:59 5 Q. Okay. So that would be information that
01:46:01 6 someone's not a United States citizen?
01:46:03 7 A. It would. It would be coming from another
01:46:06 8 government agency, so we would con -- we would do
01:46:09 9 follow-up with the voter on that.
01:46:12 10 Q. What about a phone call or an e-mail from the
01:46:15 11 voter saying I was registered somehow, I'm not a United
01:46:21 12 States citizen?
01:46:21 13 A. If it was a phone call or e-mail, we would have
01:46:24 14 to do -- we cannot change a voter registration form or
01:46:29 15 cancel a voter registration form without some sort of
01:46:31 16 written consent from the voter or some other indication,
01:46:35 17 like a death notice.
01:46:37 18 So if someone were to call us and say, hey, I
01:46:40 19 was reg -- I got registered to vote, but I'm not
01:46:42 20 actually a U.S. citizen, we would verify that person's
01:46:46 21 identity and then we would cancel their voter
01:46:51 22 registration upon voter request.
01:46:54 23 Q. So on its own, that contact is not
01:46:56 24 information that a person is not a United States
01:46:59 25 citizen, correct?

01:47:02 1 A. In and of itself, no; but if you were to call
01:47:05 2 me right now and say I got registered to vote and I'm
01:47:08 3 not a United States citizen, it would work -- we would
01:47:13 4 do some -- I would determine you are who you say you are
01:47:16 5 by asking you some security questions, and then I would
01:47:19 6 do a cancellation of your voter registration at your
01:47:25 7 request. So the notation in the system would say voter
01:47:28 8 cancellation by request.

01:47:31 9 Q. And you can do this over the phone?

01:47:33 10 A. For certain ones, yes.

01:47:36 11 Q. What kind of security questions do you ask?

01:47:40 12 A. The information that is on the voter
01:47:42 13 registration record. We will ask the last four digits
01:47:45 14 of a social security number. We will ask about your
01:47:52 15 mother's maiden name. The voter registration form has
01:47:57 16 many fields on it. Some of those fields are what we use
01:48:02 17 for security purposes, particularly the last four of a
01:48:05 18 social security number, maiden name, any change of name,
01:48:13 19 confirmation of a mailing address if there's a mailing
01:48:15 20 address and a residential address.

01:48:18 21 Q. And if the person on the other end of the line
01:48:21 22 can answer those security questions correctly, then your
01:48:24 23 office can take that as information that they're not a
01:48:28 24 United States citizen and they should be removed from
01:48:30 25 the rolls?

01:48:32 1 A. We can use that. We will make a notation in
01:48:34 2 it, and then we will send them out an official form for
01:48:38 3 them to sign and return back to us.

01:48:39 4 Q. Got it.

01:48:40 5 A. It still has to be done -- we still have to
01:48:43 6 have written confirmation, but if we can verify, we'll
01:48:46 7 say, hey, thank you for the information, and we'll make
01:48:49 8 note in the system and send out what we consider to be a
01:48:52 9 note code.

01:48:54 10 Q. Okay. And so for purposes of -- I just want to
01:48:57 11 be clear. For purposes of like removal under H.B. 2243,
01:49:04 12 which also references the term information, right, you
01:49:06 13 need written confirmation from the registered voter
01:49:09 14 before you could remove that person from the rolls,
01:49:12 15 correct?

01:49:12 16 A. Correct.

01:49:13 17 MR. LANGHOFER: Object to form, calls for
01:49:13 18 a legal conclusion.

01:49:13 19 BY MR. SHERMAN:

01:49:26 20 Q. How about a phone call from a member of the
01:49:28 21 voter's family saying this member of my family is not a
01:49:32 22 United States citizen; is that information that the
01:49:33 23 person is not a U.S. citizen?

01:49:36 24 A. No.

01:49:37 25 MR. LANGHOFER: Same objection.

01:49:37 1 BY MR. SHERMAN:

01:49:38 2 Q. A letter from a neighbor?

01:49:39 3 A. No.

01:49:40 4 Q. A phone call from law --

01:49:42 5 MR. LANGHOFER: Same objection.

01:49:42 6 BY MR. SHERMAN:

01:49:42 7 Q. A phone call from law enforcement in Arizona?

01:49:45 8 MR. LANGHOFER: Same.

01:49:50 9 THE WITNESS: No, but we might -- we might

01:49:56 10 speak to counsel on that one.

01:49:59 11 BY MR. SHERMAN:

01:49:59 12 Q. And why is that different?

01:50:02 13 A. Law enforcement has access to certain records

01:50:05 14 that we do not, so we would discuss with our counsel if

01:50:13 15 we needed to do something additional with this

01:50:15 16 information.

01:50:17 17 Q. So that phone call from law enforcement might

01:50:21 18 on its own be information that the person is not a U.S.

01:50:25 19 citizen?

01:50:25 20 A. It certainly might be information that we would

01:50:28 21 follow up on with our legal counsel.

01:50:32 22 Q. Okay. What additional steps would you take to

01:50:36 23 confirm that information, beyond what you've just said?

01:50:44 24 A. I don't know. I would have to confer with my

01:50:47 25 legal counsel and take the advice of my attorney.

01:50:50 1 Q. Fair enough.

01:50:51 2 A phone call from law enforcement in another

01:50:54 3 state?

01:50:58 4 A. Again, I would have to speak with my attorney

01:51:00 5 on that one.

01:51:02 6 Q. Okay. So you're not sure?

01:51:06 7 A. I'm not, no.

01:51:07 8 Q. Okay. And the same would be true for any kind

01:51:13 9 of written correspondence, e-mail or letter, from law

01:51:16 10 enforcement in Arizona or law enforcement in another

01:51:17 11 state?

01:51:19 12 A. Again, I --

01:51:19 13 MR. LANGHOFER: Form.

01:51:20 14 THE WITNESS: Again, I would say I would

01:51:24 15 need to speak with my attorney.

01:51:25 16 BY MR. SHERMAN:

01:51:26 17 Q. Okay. But on your own you're not sure whether

01:51:28 18 that would constitute information that someone's not a

01:51:32 19 United States citizen, right?

01:51:35 20 A. I -- I don't know if that would constitute

01:51:37 21 information.

01:51:39 22 Q. What about an anonymous call or an anonymous

01:51:42 23 e-mail?

01:51:42 24 A. No.

01:51:44 25 MR. LANGHOFER: Same objection.

01:51:48 1 BY MR. SHERMAN:

01:51:48 2 Q. And, lastly, what about lists provided by

01:51:50 3 third-party organizations? You get a list from True the

01:51:53 4 Vote or Arizona Border Recon saying this is a list of

01:51:57 5 people who are not United States citizens. Would that

01:52:00 6 be information that those folks are not U.S. citizens?

01:52:04 7 A. No.

01:52:04 8 MR. LANGHOFER: Same objection.

01:52:16 9 BY MR. SHERMAN:

01:52:16 10 Q. Okay. Is the -- are you limited to database

01:52:19 11 checks in confirming citizenship?

01:52:22 12 A. We are.

01:52:27 13 Q. There's no other means to confirm the

01:52:31 14 authenticity of such information beyond the database

01:52:34 15 check, correct?

01:52:34 16 MR. LANGHOFER: Same objection.

01:52:37 17 THE WITNESS: Unless the voter wants to

01:52:44 19 naturalization certificates.

01:52:50 20 BY MR. SHERMAN:

01:52:50 21 Q. And that's -- and your response there is true

01:52:53 22 for both voter registration on the front end and also

01:52:56 23 for evaluating the citizenship of anyone already on the

01:53:00 24 rolls under H.B. 2243, correct?

01:53:06 25 MR. LANGHOFER: Same objection.

01:53:07 1 THE WITNESS: I'm sorry. Are you
01:53:07 2 asking -- are we going retroactively back and looking at
01:53:12 3 everyone's citizenship status on our voter registration
01:53:14 4 roll?

01:53:15 5 BY MR. SHERMAN:

01:53:15 6 Q. Well, we'll get -- I guess we'll -- we'll get
01:53:16 7 to 2243.

01:53:17 8 I guess I'm just asking generally for both of
01:53:18 9 these challenged laws, the only way you can confirm the
01:53:22 10 authenticity of information that someone is not a U.S.
01:53:27 11 citizen is through database checks; is that correct?

01:53:29 12 MR. LANGHOFER: Same objection.

01:53:30 13 THE WITNESS: Correct, at the initial
01:53:31 14 registration.

01:53:39 15 BY MR. SHERMAN:

01:53:39 16 Q. We'll get -- okay.

01:53:40 17 Has the Secretary of State's Office ever given
01:53:41 18 your office a list of information that constitutes
01:53:44 19 evidence of a lack of U.S. citizenship?

01:53:47 20 A. Not to my knowledge, no.

01:53:54 21 Q. Have you ever discussed with the Secretary of
01:53:57 22 State's Office the means by which you would conclusively
01:54:01 23 establish that someone is not a U.S. citizen?

01:54:04 24 A. Not to my knowledge, no.

01:54:18 25 Q. Okay. Going back to H.B. 2492, while we have

01:54:25 1 it open. I'm trying to be efficient here, and I'm going
01:54:28 2 out of order. So thanks for bearing with me.
01:54:32 3 Down in Section 7, do you see Page -- it's on
01:54:39 4 Page 7 as well; do you see that?
01:54:41 5 A. Could you reference the section number or
01:54:45 6 statute number?
01:54:45 7 Q. Section 7 on Page 7. It's, I believe, newly
01:54:50 8 created Section 16-143. Do you see that?
01:54:52 9 A. Yes.
01:54:55 10 Q. Okay, great.
01:54:56 11 Maybe just take a second to refresh your memory
01:54:59 12 as to what this section is.
01:55:24 13 Now that the deadlines listed in Subsection A
01:55:28 14 have passed, does your office still believe it has to
01:55:34 15 comply with this section?
01:55:37 16 MS. STUART: Form.
01:55:38 17 MR. LANGHOFER: Calls for a legal
01:55:42 18 conclusion.
01:55:42 19 THE WITNESS: As this particular bill is
01:55:43 20 still under litigation, we are waiting on a court's
01:55:46 21 decision as to whether or not this bill will stand.
01:55:52 22 BY MR. SHERMAN:
01:55:55 23 Q. Okay. It's unclear, yes?
01:55:58 24 MS. STUART: Form.
01:55:58 25 MR. LANGHOFER: Same.

01:56:01 1 THE WITNESS: I would say that we're
01:56:03 2 unsure of what to do in this instance.
01:56:06 3 BY MR. SHERMAN:
01:56:07 4 Q. Okay. That's all I wanted to know.
01:56:08 5 I forgot one other phrase. Bear with me. Back
01:56:15 6 on Page -- we were talking about this provision before,
01:56:21 7 back on Page 5. This is Subsection D5. We read this
01:56:27 8 section before, but I forgot to ask you about it. This
01:56:32 9 is, again, any other state, city, town, county or
01:56:36 10 federal database --
01:56:37 11 MR. SHERMAN: Sorry. Was there an
01:56:40 12 objection?
01:56:40 13 BY MR. SHERMAN:
01:56:42 14 Q. Any other state, city, town, county or federal
01:56:45 15 database and any other database relating to voter
01:56:50 16 registration.
01:56:50 17 Does your office understand the phrase any
01:56:52 18 other database relating to voter registration?
01:56:55 19 MR. LANGHOFER: Calls for a legal
01:56:56 20 conclusion.
01:56:56 21 THE WITNESS: We do.
01:56:57 22 BY MR. SHERMAN:
01:56:57 23 Q. And what does it mean?
01:56:58 24 A. We believe that they're referring to the AVID
01:57:01 25 system.

01:57:07 1 Q. Isn't the AVID system referenced in Sub 1, the
01:57:10 2 Department of Transportation databases of Arizona driver
01:57:13 3 licenses or nonoperating identification licenses?

01:57:16 4 A. No, the AVID --

01:57:17 5 Q. I see.

01:57:18 6 A. -- system is the Arizona voter registration
01:57:21 7 database maintained by the Secretary of State's Office.

01:57:24 8 Q. Right. I'm sorry. I apologize. I thought you
01:57:26 9 were referring to the HAVA check. My bad.

01:57:29 10 Could this phrase refer to a list of voters you
01:57:36 11 receive from another Arizona agency?

01:57:38 12 MR. LANGHOFER: Calls for a legal
01:57:46 13 conclusion.

01:57:46 14 THE WITNESS: I mean what agency, what
01:57:49 15 would be the context of receiving them?

01:57:53 16 BY MR. SHERMAN:

01:57:53 17 Q. Let me ask it this way. Could a list of
01:57:55 18 registered voters provided to your office by anyone
01:58:01 19 constitute a database relating to voter registration?

01:58:04 20 MR. LANGHOFER: Same.

01:58:06 21 THE WITNESS: No.

01:58:10 22 BY MR. SHERMAN:

01:58:10 23 Q. And if it's from a private citizen or a group,
01:58:13 24 then would it constitute a database relating to voter
01:58:19 25 registration?

01:58:19 1 A. No.

01:58:19 2 MR. LANGHOFER: Calls for a legal

01:58:51 3 conclusion.

01:58:51 4 BY MR. SHERMAN:

01:58:51 5 Q. Let me back up a sec. I want to just clarify a

01:58:54 6 few points on citizenship verification before we

01:58:57 7 continue.

01:59:04 8 The DPOC requirement lists out specific means

01:59:07 9 by which a new voter registration applicant can prove

01:59:10 10 their U.S. citizenship, correct?

01:59:12 11 A. Yes.

01:59:12 12 Q. I just want to review the acceptable forms of

01:59:15 13 DPOC with you and just make sure we have the mechanics

01:59:20 14 down. I'm not going to go into a great detail here

01:59:23 15 because we've covered some of this. But a driver's

01:59:25 16 license number or non-driver state ID number, that can

01:59:28 17 be valid if it's from October 1st, 1996 or after,

01:59:32 18 correct?

01:59:32 19 A. Correct.

01:59:36 20 Q. If you can't verify that number, what happens?

01:59:44 21 A. If that's the only information provided to us

01:59:46 22 and we can't verify it, we would send out a letter

01:59:49 23 saying that we needed verification of citizenship.

01:59:54 24 Q. Maybe for purposes of this I'll ask you to look

01:59:57 25 at Exhibit I believe it's T, Pima County Bates number

02:00:05 1 156. Just let me know when you've got that open.

02:00:09 2 A. I have it open.

02:00:10 3 Q. Great.

02:00:12 4 And what is this document?

02:00:13 5 A. It's one of our note code letters.

02:00:17 6 Q. Could we mark this as Exhibit 76, I want to

02:00:25 7 say.

02:00:26 8 Great.

02:00:27 9 Could you describe this document in a bit more

02:00:30 10 detail?

02:00:33 11 A. The system is designed to auto-generate letters

02:00:37 12 based on particular codes we put into the system when

02:00:41 13 creating a -- inputting a voter registration. Those

02:00:46 14 codes are called note codes.

02:00:49 15 This would have been system-generated when we

02:00:54 16 were not able to verify proof of citizenship. So the

02:00:57 17 system generates these and then we send them out in

02:01:02 18 batches based off of the note code.

02:01:05 19 Q. Understood.

02:01:07 20 And this particular notice letter -- I know

02:01:10 21 there's a variety of these, but this particular one,

02:01:12 22 this would go out when?

02:01:14 23 A. It would most likely go out within a day or

02:01:19 24 possibly two of trying to put the information into the

02:01:23 25 system.

02:01:23 1 Q. Sorry. Let me rephrase.

02:01:24 2 Under what circumstances would this particular

02:01:27 3 notice letter be sent out?

02:01:28 4 A. It would be sent out if we didn't have

02:01:31 5 documentary proof of citizenship.

02:01:33 6 Q. Okay. And then at the bottom there's a list of

02:01:36 7 potential DPOC, acceptable DPOC, that the applicant can

02:01:40 8 provide, correct?

02:01:41 9 A. Correct.

02:01:42 10 Q. Okay. So just backing up a bit, if during the

02:01:50 11 HAVA check in the AVID system you see that it returns

02:01:56 12 information that the person was not a citizen at the

02:02:00 13 time they acquired their Arizona driver's license or ID,

02:02:03 14 that's an F-Type license, correct; that's what's meant

02:02:06 15 by an F-Type license?

02:02:07 16 A. Yes.

02:02:08 17 Q. Okay. And that only tells you the citizenship

02:02:13 18 of the individual at the time they obtained their

02:02:15 19 driver's license or ID, correct?

02:02:17 20 A. Yes, that's correct.

02:02:19 21 Q. How long are Arizona driver's licenses valid

02:02:22 22 for, if you know offhand?

02:02:26 23 A. I'm sorry. Our licenses are valid for a very

02:02:31 24 long time. I think it's 40 years. It's an insanely

02:02:38 25 long period of time our licenses are valid for.

02:02:42 1 Q. How often during this process does your office
02:02:45 2 encounter people who have an F-Type license, but who
02:02:50 3 subsequently naturalized as U.S. citizens?

02:02:53 4 A. That's not something that we track. I'm sure
02:02:55 5 that we have encountered voters like that, but that's
02:02:59 6 not something that we've tracked.

02:03:02 7 Q. But you're aware that it happens?

02:03:04 8 A. Yes.

02:03:05 9 Q. Could you say ballpark; frequently,
02:03:07 10 infrequently?

02:03:09 11 A. I wouldn't even know where to begin on that
02:03:11 12 one.

02:03:12 13 Q. Fair enough.
02:03:13 14 Who in your office would know?

02:03:15 15 A. As it's something we don't track, I don't know
02:03:17 16 if anyone would know that.

02:03:21 17 Q. Ballpark, though, front-line -- people who are
02:03:24 18 doing front-line voter registration processing would
02:03:27 19 probably have some sense?

02:03:28 20 A. I'm sure they could give you an anecdotal
02:03:31 21 number, yes.

02:03:36 22 Q. Okay. And those individuals can then provide
02:03:38 23 one of the acceptable forms of DPOC listed in
02:03:43 24 Exhibit 76, correct, and become registered?

02:03:45 25 A. Yes.

02:03:46 1 Q. Okay. What if a driver's license or ID is
02:03:58 2 expired?
02:04:02 3 A. That's not valid for proof of citizenship.
02:04:07 4 Q. Has there been any discussion with the
02:04:09 5 Secretary of State's Office on how to deal with expired
02:04:13 6 driver's licenses or IDs?
02:04:16 7 A. Not to my knowledge, no.
02:04:18 8 Q. It's not valid proof of citizenship. How would
02:04:21 9 it be -- would it be -- strike that. I'll just ask a --
02:04:28 10 A. It would also not be valid proof of identity at
02:04:31 11 a poll.
02:04:35 12 Q. If H.B. 2492 and -- if H.B. 2492 and H.B. 2243
02:04:44 13 go into effect, if they're implemented, would an F-Type
02:04:50 14 license -- excuse me. Sorry. Let me back up.
02:04:52 15 A driver's license -- oh, strike that.
02:04:54 16 An Arizona driver's license or state ID that's
02:04:57 17 issued on or after October 1st, 1996, but has
02:05:01 18 subsequently expired and is associated with DPOC,
02:05:09 19 documentary proof of citizenship, in the MVD database,
02:05:13 20 would that constitute -- would that still be valid for
02:05:18 21 purposes of the new challenged laws?
02:05:21 22 MR. LANGHOFER: Form, calls for a legal
02:05:23 23 conclusion.
02:05:23 24 MS. STUART: Form.

02:05:37 1 BY MR. SHERMAN:

02:05:37 2 Q. It's unclear?

02:05:39 3 MR. LANGHOFER: Same.

02:05:41 4 THE WITNESS: I mean the voter

02:05:45 5 registration form, as it is right now, has a space for

02:05:49 6 the driver's license number. It does not have a space

02:05:52 7 for the expiration of the driver's license number. And

02:05:57 8 if we were processing a voter registration form and it

02:06:02 9 was a new voter registration form, they've never

02:06:03 10 registered to vote, we would input all of that

02:06:07 11 information into the system. Whether or not that

02:06:10 12 driver's license was expired on the form, that wouldn't

02:06:14 13 have an impact on us registering someone to vote.

02:06:17 14 They would not be able to use that expired

02:06:20 15 driver's license to prove identification at a polling

02:06:23 16 location on election day, but I don't know how --

02:06:34 17 whether or not the driver's license or state ID being

02:06:37 18 expired or not expired would impact the ability for us

02:06:39 19 to process a voter registration form.

02:06:43 20 BY MR. SHERMAN:

02:06:43 21 Q. All right. So that's on the front end with

02:06:47 22 H.B. 2492.

02:06:48 23 With respect to H.B. 2243, which requires --

02:06:51 24 would require your office to do these monthly

02:06:53 25 comparisons against databases like ADOT's MVD database,

02:06:59 1 would an expired license that nevertheless was
02:07:03 2 associated with DPOC, would that be an indication that
02:07:08 3 the person was not a citizen?
02:07:11 4 MR. LANGHOFER: Form.
02:07:13 5 THE WITNESS: I don't know. I'd need --
02:07:16 6 that's one of those questions up in the air.
02:07:21 7 BY MR. SHERMAN:
02:07:22 8 Q. Out-of-state driver's licenses can satisfy the
02:07:24 9 DPOC requirement, right?
02:07:26 10 A. No. Certain out-of-state driver's license can
02:07:29 11 if they have a certificate of endorsement for U.S.
02:07:34 12 citizenship. I only -- I believe only two states in the
02:07:37 13 United States have that. It's a little American flag on
02:07:42 14 the driver's license showing that they have provided
02:07:45 15 citizenship as verification.
02:07:48 16 Other U.S. driver's licenses may have the
02:07:50 17 little star on it. That means that they have been --
02:07:56 18 they've presented enough information to be able to get
02:07:58 19 through travel requirements through TSA and enter
02:08:03 20 federal buildings, but we would not consider a star
02:08:06 21 driver's license to be proof of citizenship.
02:08:08 22 We would only use a driver's license that has
02:08:11 23 the American flag on it as documentary proof of
02:08:16 24 citizenship from another state. Again, to the best of
02:08:19 25 my knowledge, there are only two states that currently

02:08:20 1 do that.

02:08:21 2 Q. Which states?

02:08:25 3 A. I think it's the state of Washington and I
02:08:29 4 think New York, or it might be Wisconsin. I believe
02:08:34 5 it's states that border the Canadian border to be able
02:08:39 6 to allow residents to go through the border at those
02:08:44 7 points of entry.

02:08:46 8 Q. Understood.

02:08:47 9 Does the county voter registration system,
02:08:49 10 which I think you testified is just called Voter, have a
02:08:52 11 log of what DPOC the applicant submitted and images of
02:08:56 12 it?

02:08:57 13 A. We do not have images. We have a dropdown menu
02:09:00 14 that we pick from to show what has been provided for
02:09:03 15 DPOC.

02:09:06 16 Q. If the citizenship proof is invalid, is the
02:09:11 17 status code called invalid citizenship proof?

02:09:18 18 A. Would you explain what you mean by an invalid
02:09:20 19 citizenship?

02:09:23 20 Q. If your -- yeah. I'll rephrase.

02:09:26 21 If the DPOC that the applicant provides is
02:09:29 22 deemed to be invalid DPOC, for whatever reason, what's
02:09:33 23 the status code that you assign to it?

02:09:44 24 A. I think we just simply say it's missing DPOC.

02:09:47 25 Q. Just missing DPOC?

02:09:48 1 A. Uh-huh.

02:09:48 2 Q. Are there any other related status or reason
02:09:51 3 codes?

02:09:52 4 A. Oh, there's many.

02:09:55 5 Q. Right. On that particular issue.

02:09:59 6 A. Like I said, it's a dropdown menu, and it would
02:10:03 7 have things like MVD-verified or SAVE, naturalization
02:10:08 8 certificate, birth certificate, passport presented.
02:10:15 9 Those are the status reasons; those are the internal
02:10:17 10 status reasons we use.

02:10:19 11 Q. Got it.

02:10:20 12 So you can also show a birth certificate to
02:10:25 13 show DPOC, right?

02:10:25 14 A. Correct.

02:10:26 15 Q. And a U.S. passport?

02:10:30 16 A. Correct.

02:10:30 17 Q. And Tribal ID, a Tribal ID number?

02:10:34 18 A. Yes.

02:10:35 19 Q. And so this form that we've marked as
02:10:37 20 Exhibit 76 also allows someone to supply a copy of their
02:10:42 21 naturalization certificate or provide certificate number
02:10:46 22 which begins with the letter A. I read that correctly,
02:10:49 23 yes?

02:10:49 24 A. Yes.

02:10:50 25 Q. Okay. And so in -- a person can supply a copy

02:10:55 1 of their naturalization certificate. They can also
02:10:58 2 supply a number from the certificate. Aren't there two
02:11:03 3 numbers on a naturalization certificate?

02:11:05 4 A. You know, I don't know the answer to that
02:11:07 5 question. I've never seen one.

02:11:09 6 Q. Okay. And the letter A, are you familiar with
02:11:14 7 an alien registration number?

02:11:17 8 A. I am.

02:11:19 9 Q. Okay. And that's what known as an A-Number?

02:11:24 10 A. I haven't heard it referred to as that, but it
02:11:26 11 may very well be.

02:11:27 12 Q. Fair enough. I'll refer to it as the alien
02:11:31 13 registration number.

02:11:31 14 Is that -- and, to your knowledge, do you know
02:11:34 15 if that's different from the naturalization certificate
02:11:36 16 number?

02:11:37 17 A. Again, I don't know.

02:11:38 18 Q. Okay. So when someone returns this form and
02:11:44 19 supplies the alien registration number on it, what do
02:11:47 20 you do with that A-Number; excuse me, alien registration
02:11:52 21 number?

02:11:52 22 A. For this instance we would run it through SAVE.

02:11:55 23 Q. And what does SAVE tell you when you do that?

02:11:58 24 A. I have not run a number through SAVE, but it
02:12:01 25 would bring back citizenship status from the federal

02:12:05 1 government.

02:12:05 2 Q. And is that conclusive?

02:12:09 3 A. We treat it as conclusive, as it's from the

02:12:13 4 Department of Homeland Security.

02:12:18 5 Q. I'll ask a few more questions about that later.

02:12:20 6 But just sticking with the mechanics here, is it common

02:12:23 7 for people to put down their alien registration number

02:12:26 8 on the state voter registration form?

02:12:30 9 A. I don't know.

02:12:31 10 Q. You don't know? Okay.

02:12:33 11 A. I don't process the voter registration forms

02:12:35 12 personally, so I don't know how common that would be.

02:12:38 13 Q. And you don't have data on that?

02:12:42 14 A. I'm sure we could query the system, but that

02:12:45 15 would take some programming.

02:12:54 16 Q. Just to ask -- back up one question and ask

02:12:56 17 about HAVA checks more broadly, the HAVA check is to

02:12:59 18 check identity, right, not citizenship, correct?

02:13:02 19 A. That's my understanding, yes.

02:13:06 20 Q. Okay. And in the course of running that HAVA

02:13:09 21 check for the MVD, right, if you have an Arizona

02:13:13 22 driver's license or ID number, then you can check -- you

02:13:18 23 can run a citizenship check, correct?

02:13:20 24 A. Yes, that's my understanding of our process.

02:13:23 25 Q. If the person doesn't put down an Arizona

02:13:26 1 driver's license or ID number, but instead puts the last
02:13:28 2 four of their social security number, what do you do
02:13:32 3 with the last four of that social security number?
02:13:34 4 A. That would be used as a security question only.
02:13:37 5 Q. You don't try to match that against the Social
02:13:42 6 Security Administration databases?
02:13:42 7 A. We have no access to the Social Security
02:13:45 8 Administration databases.
02:13:45 9 Q. Okay.
02:13:49 10 A. And people -- a social security number can be
02:13:52 11 issued to noncitizens as well as citizens, so it is not
02:13:56 12 a determination of citizenship.
02:13:58 13 Q. Right. But for purposes of just the HAVA
02:14:01 14 identity check, what do you do with someone who just
02:14:03 15 puts down the last four of their social?
02:14:05 16 A. Again, we would use that as a security code --
02:14:09 17 Q. Okay. Fair enough.
02:14:10 18 A. -- security check with the voter.
02:14:12 19 Q. Okay. So no -- you're not able to perform a
02:14:16 20 HAVA check with someone who puts down just the last four
02:14:18 21 of their social?
02:14:20 22 A. To my knowledge, no.
02:14:26 23 Q. And do you know when -- back on the SAVE
02:14:29 24 system, do you know if your office is checking both an
02:14:36 25 alien registration number and a naturalization

02:14:38 1 certificate number against the SAVE system?

02:14:42 2 A. I think it's one or the other, whichever one is
02:14:44 3 provided. The naturalization number we will not check
02:14:48 4 if we were at the naturalization ceremony and they've
02:14:53 5 completed their voter registration form and then
02:14:56 6 returned it to us. So we will just simply review their
02:15:00 7 form at that point in time and make a note on it that we
02:15:03 8 have verified.

02:15:05 9 Q. Right, and that's a particular case; but if
02:15:08 10 you're not at the naturalization ceremony and someone's
02:15:12 11 providing it through this form that we're looking at,
02:15:14 12 Exhibit 76, then you're comparing the A-Number and/or
02:15:19 13 the naturalization certificate number to the -- in a
02:15:24 14 SAVE query, correct?

02:15:25 15 A. That's correct.

02:15:25 16 Q. And if you use both numbers, does that have an
02:15:27 17 impact on the accuracy of the query?

02:15:29 18 A. I don't know.

02:15:31 19 Q. Okay. Do you know if it as an impact on the
02:15:33 20 likelihood of finding a match in the SAVE system?

02:15:36 21 A. I don't know.

02:15:42 22 Q. And if the voter truly provides no DPOC
02:15:45 23 whatsoever, what do you do; do you send a notice letter
02:15:50 24 like this?

02:15:50 25 A. We would register them as a federal only voter,

02:15:53 1 meaning that they would only be eligible for federal
02:15:55 2 offices. We would send them a notice saying that we
02:16:00 3 needed documentary proof of citizenship; and once we
02:16:04 4 receive the documentary proof of citizenship, we would
02:16:06 5 move them to a full ballot status voter.

02:16:16 6 Q. And all of these procedures apply regardless of
02:16:19 7 the type of registration submitted, state or federal
02:16:22 8 form?

02:16:22 9 A. Correct.

02:16:31 10 Q. And how frequently do -- do you have any data
02:16:35 11 showing how frequently people cure a registration form
02:16:39 12 that comes in without DPOC?

02:16:44 13 A. What do you -- what do you mean, cure the
02:16:46 14 registration form?

02:16:47 15 Q. By cure I just mean complete the registration
02:16:51 16 by supplying valid DPOC.

02:16:55 17 A. That's not something that we track.

02:16:58 18 Q. Okay.

02:16:58 19 A. So I mean we, again, would have to query the
02:17:02 20 system to see any changes of voter -- any change to a
02:17:06 21 voter registration. So if we previously registered you
02:17:08 22 as a federal only voter and then we received the
02:17:11 23 necessary DPOC and we moved you to a full ballot voter,
02:17:18 24 the system makes a note of that. It's part of the
02:17:21 25 change histories. But, again, we could query the

02:17:25 1 system. It would take some development to do that,
02:17:28 2 though. It's not a readily available report.

02:17:34 3 Q. And have you ever had trouble linking the DPOC
02:17:37 4 to the right voter?

02:17:39 5 A. Not to my knowledge, no.

02:17:50 6 Q. Are there any processes to cure after a federal
02:17:53 7 only ballot is sent to the voter?

02:17:57 8 A. Again, what do you mean by cure a federal
02:18:00 9 ballot?

02:18:01 10 Q. Not cure the federal ballot. Complete their
02:18:03 11 voter registration so they can become a full ballot
02:18:06 12 voter.

02:18:07 13 A. Oh, that's just the standard. Anybody who we
02:18:10 14 register as a federal only voter, we send them a
02:18:13 15 notification saying that you're a federal only voter.
02:18:15 16 Here's what we're missing. Please provide this
02:18:18 17 information so you can vote a full ballot.

02:18:22 18 Some people choose just to stay federal only
02:18:25 19 and they don't respond back to us, and some people do.
02:18:27 20 It's really dependent on the voter.

02:18:30 21 Q. Understood.

02:18:36 22 Is there something separate and apart from the
02:18:39 23 2023 election procedures manual draft that the County
02:18:44 24 Recorders have been sent as sort of draft guidance to
02:18:48 25 implement 2492 and 2243?

02:18:54 1 A. Well, your colleague previously discussed the
02:18:59 2 guidance given to us by the Secretary of State's Office
02:19:02 3 in that legislative review and flowchart. That's the
02:19:06 4 guidance that we refer back to.

02:19:07 5 Q. Anything since then?

02:19:09 6 A. No.

02:19:18 7 Q. It's possible that there will be no revised and
02:19:20 8 updated EPM this year, correct?

02:19:28 9 MS. STUART: Form and foundation.

02:19:29 10 THE WITNESS: Do you know something I
02:19:30 11 don't know? I thought we were doing a pretty good job.

02:19:33 12 BY MR. SHERMAN:

02:19:33 13 Q. Let me rephrase.

02:19:35 14 Back in 2021, right, there was a proposed draft
02:19:37 15 by the Secretary -- by then Secretary of State Hobbs,
02:19:41 16 and that wasn't adopted, correct?

02:19:43 17 A. That is correct.

02:19:43 18 Q. So it's at least possible that there won't be
02:19:47 19 agreement on a new revised EPM, correct?

02:19:49 20 A. Yes, that is always possible.

02:19:52 21 Q. If there's no approved revised EPM by this time
02:19:55 22 next year, will your office nevertheless be obligated to
02:19:59 23 enforce the portions of H.B. 2492 and H.B. 2243 that are
02:20:04 24 directed at County Recorders?

02:20:06 25 MS. STUART: Form.

02:20:08 1 MR. LANGHOFER: Form.

02:20:10 2 THE WITNESS: We will wait until

02:20:11 3 litigation has concluded and do what the court has

02:20:16 4 determined is necessary.

02:20:19 5 BY MR. SHERMAN:

02:20:19 6 Q. So as a matter of federal law, right, the

02:20:22 7 Federal Courts will say what in these two challenged

02:20:27 8 laws violates the U.S. Constitution or federal law; but

02:20:31 9 as far as interpretation of the state law, right, there

02:20:34 10 needs to be an EPM, right?

02:20:36 11 MS. STUART: Form.

02:20:37 12 MR. LANGHOFER: Form.

02:20:38 13 THE WITNESS: Correct.

02:20:40 14 BY MR. SHERMAN:

02:20:40 15 Q. Okay. So notwithstanding what the Federal

02:20:43 16 Courts decide, if there's no EPM that's adopted this

02:20:49 17 year and into next year, your office will be obligated

02:20:53 18 to enforce -- interpret and implement the statute

02:20:57 19 directly, correct?

02:20:58 20 MR. LANGHOFER: Form.

02:20:58 21 MS. STUART: Form.

02:21:01 22 THE WITNESS: Our office will follow the

02:21:03 23 2019 EPM and seek any additional guidance from the

02:21:10 24 Secretary of State's Office and legal counsel as it

02:21:12 25 relates to these bills and their implementation should

02:21:16 1 litigation not have concluded by then.

02:21:20 2 BY MR. SHERMAN:

02:21:21 3 Q. Okay. Just to rehearse your testimony from

02:21:24 4 earlier, right, there's no way for the Secretary of

02:21:27 5 State's Office to issue legally binding guidance on your

02:21:30 6 office outside the EPM, correct?

02:21:32 7 MR. LANGHOFER: Asked and answered.

02:21:33 8 MS. STUART: Form, misstates testimony.

02:21:37 9 THE WITNESS: Yes, that is correct.

02:21:40 10 BY MR. SHERMAN:

02:21:40 11 Q. Thank you.

02:21:51 12 If you could pull up the -- if I could trouble

02:21:54 13 you to pull up I think it's Petty Exhibit 21. This is

02:21:58 14 H.B. 2243.

02:22:09 15 A. My left or your left? This left? Sorry.

02:22:20 16 2243 House Bill, Chapter Version 370, is that

02:22:23 17 what we're talking about?

02:22:25 18 Q. Yes.

02:22:25 19 A. Okay. Great then.

02:22:27 20 Q. Yeah, it's Petty Exhibit 21 if you have the

02:22:29 21 Petty exhibits in front of you.

02:22:34 22 So there's a lot here, but I wanted to ask

02:22:37 23 which pieces of -- and if we could -- I could direct

02:22:43 24 your attention to Page 4, starting at the top of Page 4.

02:22:52 25 A. Could you cite the section, please?

02:22:56 1 Q. Yeah. This is Section -- Bill Section 2,
02:23:02 2 Arizona Revised Statute Section 16-165, and I'd like to
02:23:08 3 direct your attention just to the statutory language for
02:23:14 4 A10 that starts at the top of Page 4.

02:23:20 5 If you could take a minute to just review this
02:23:24 6 language, and as we were doing before with H.B. 2492, I
02:23:32 7 understand the previous e-mail we were rehearsing was
02:23:35 8 only talking about 2492, but what problems or issues
02:23:40 9 with interpretation and implementation has your office
02:23:44 10 identified in H.B. 2243, starting with the section I've
02:23:50 11 pointed you to?

02:24:23 12 A. Sorry. What was your question?

02:24:24 13 Q. So let's -- let me ask it this way. What --
02:24:29 14 let's start with problems of interpretation. And you've
02:24:34 15 testified previously that there were vagueness issues in
02:24:38 16 this statute as well, correct?

02:24:40 17 A. Yes.

02:24:41 18 Q. Could you identify which parts of H.B. 2243,
02:24:48 19 starting at the top of Page 4, your office has seen as
02:24:52 20 so vague you can't implement them without clear guidance
02:24:56 21 from the Secretary of State?

02:25:29 22 A. I don't necessarily think that this particular
02:25:31 23 section of this bill was something that we considered to
02:25:33 24 be vague. I think that our original issues with this
02:25:39 25 particular bill were specifically the -- I think our

02:25:52 1 original issues with this bill were specifically that a
02:25:56 2 requirement that we notify the County Attorney and the
02:25:59 3 Attorney General for possible investigation after
02:26:01 4 cancellation of a voter registration as a noncitizen.

02:26:09 5 Q. Well, let's take this language at the top of
02:26:11 6 Page 4, "When the County Recorder obtains information
02:26:13 7 pursuant to this section and confirms that the person
02:26:17 8 registered is not a United States citizen."

02:26:23 9 Do you understand what's meant by confirms that
02:26:25 10 the person registered is not a United States citizen?

02:26:30 11 MR. LANGHOFER: Calls for a legal
02:26:31 12 conclusion.

02:26:31 13 BY MR. SHERMAN:

02:26:32 14 Q. I didn't hear the response. Sorry.

02:26:33 15 A. Yes, I understand what the wording says.

02:26:36 16 Q. What does confirms that the person registered
02:26:39 17 is not a United States citizen mean?

02:26:43 18 A. I think for us that we would be taking the
02:26:47 19 notice from the jury commissioner and then sending out
02:26:53 20 information to the voter and waiting for a response
02:26:56 21 back.

02:26:59 22 Q. Okay. Does this part of A10 refer to the
02:27:04 23 database matching requirements below, beginning with F
02:27:09 24 and ending with J at the bottom of Page 5 and onto
02:27:16 25 Page 6?

02:27:26 1 A. I guess it might.

02:27:29 2 Q. It's unclear, right?

02:27:31 3 A. Yeah, I wouldn't...

02:27:33 4 Q. Are you supposed to -- do you think you're

02:27:35 5 supposed to obtain the information or confirm the

02:27:37 6 information using these database matching requirements

02:27:41 7 in Subsections F through J?

02:27:44 8 MS. STUART: Form.

02:27:47 9 THE WITNESS: I don't -- I don't know what

02:27:48 10 the legislators' intent was. I think we -- our

02:27:53 11 understanding is that we would be trying to use those

02:27:56 12 resources to confirm what the jury commission report had

02:28:00 13 stated.

02:28:03 14 BY MR. SHERMAN:

02:28:03 15 Q. So your view of the statute is the only way you

02:28:05 16 obtain information that someone's not a United States

02:28:09 17 citizen is through the jury questionnaire, and then

02:28:11 18 these are the means in Subsection F through J by which

02:28:15 19 one confirms that information?

02:28:16 20 MR. LANGHOFER: Form.

02:28:18 21 THE WITNESS: I would say that that's

02:28:20 22 probably how we would initially interpret it, unless we

02:28:23 23 were directed otherwise.

02:28:25 24 BY MR. SHERMAN:

02:28:25 25 Q. But you'd agree that this is unclear and vague,

Mi Familia Vota vs. Adrian Fontes
Hilary Hiser

August 3, 2023

2:22-cv-00509-SRB
182

02:28:25 1 correct?

02:28:29 2 A. Oh, yes.

02:28:29 3 MS. STUART: Form.

02:28:29 4 MR. LANGHOFER: Form.

02:28:30 5 THE WITNESS: I agree, it's vague.

02:28:44 6 BY MR. SHERMAN:

02:28:45 7 Q. A number of these provisions, like

02:28:48 8 Subsection G, Subsection H, and Subsection J, all have

02:28:51 9 the phrase to the extent practicable.

02:28:57 10 Do you understand those terms to be giving your

02:29:00 11 office clear direction as to when to apply them?

02:29:03 12 MR. LANGHOFER: Form.

02:29:05 13 THE WITNESS: I do not. I don't know what

02:29:07 14 they understand practicable to mean to us. As we do not

02:29:17 15 have access to most of the information that they are

02:29:19 16 telling us to check, I would say that that is the extent

02:29:21 17 practicable, but I don't think that's what they

02:29:23 18 intended.

02:29:25 19 BY MR. SHERMAN:

02:29:26 20 Q. And I'll say just for the record, so the record

02:29:28 21 is clear, that F through J are all codified one up as --

02:29:35 22 in this Arizona Revised Statute as G through K, for

02:29:39 23 whatever that's worth.

02:29:40 24 But in this H.B. 2243 I want to direct your

02:29:45 25 attention, Ms. Hiser, to Subsection H, which says, "To

02:29:49 1 the extent practicable, each month the County Recorder
02:29:52 2 shall compare persons who are registered to vote in that
02:29:55 3 county and who the County Recorder has reason to believe
02:29:58 4 are not United States citizens."

02:30:03 5 Do you understand this phrase reason to believe
02:30:05 6 are not United States citizens?

02:30:07 7 MR. LANGHOFER: Form.

02:30:10 8 THE WITNESS: I do not. This particular
02:30:14 9 section, we viewed it as are we supposed to run on a
02:30:18 10 monthly basis everyone on the voter roll back through to
02:30:22 11 determine that no one has skipped out on providing us
02:30:27 12 citizenship. I -- this particular portion of the bill
02:30:33 13 is operationally difficult to implement.

02:30:39 14 BY MR. SHERMAN:

02:30:39 15 Q. Do you even have alien registration numbers for
02:30:42 16 every voter in your county?

02:30:43 17 A. I do not.

02:30:46 18 Q. Sticking just specifically with the phrase
02:30:49 19 reason to believe are not United States citizens, do you
02:30:55 20 understand what that particular phrase means?

02:30:57 21 MR. LANGHOFER: Form.

02:30:57 22 THE WITNESS: I do not.

02:30:59 23 BY MR. SHERMAN:

02:30:59 24 Q. What would give your office -- leaving the
02:31:01 25 statute aside, what would give your office a reason to

02:31:03 1 believe a person is not a United States citizen?

02:31:06 2 MR. LANGHOFER: Form.

02:31:08 3 THE WITNESS: I would have no -- no idea

02:31:11 4 what would give us reason to believe. We're not in the

02:31:14 5 habit of investigating people further than the

02:31:17 6 information provided to us.

02:31:19 7 BY MR. SHERMAN:

02:31:19 8 Q. And when you say information provided to you,

02:31:21 9 you mean in -- what do you mean by that?

02:31:23 10 A. The voter registration form.

02:31:26 11 Q. So outside of the voter registration form, your

02:31:30 12 office's view is nothing should give your office a

02:31:33 13 reason to believe that someone's not a United States

02:31:37 14 citizen; is that correct?

02:31:38 15 A. Again --

02:31:39 16 MR. LANGHOFER: Form.

02:31:39 17 THE WITNESS: -- as the voter registration

02:31:41 18 form has an attestation on it and the voter is declaring

02:31:46 19 that they are presenting true and accurate information,

02:31:49 20 we believe that it is on the voter. If they are not

02:31:52 21 eligible to register to vote and they choose to register

02:31:56 22 to vote, that that's on them. We are not an enforcement

02:31:59 23 agency.

02:32:08 24 BY MR. SHERMAN:

02:32:08 25 Q. Has the Secretary of State's Office provided

02:32:10 1 your office with a list of what would give you and your
02:32:13 2 staff a valid reason to believe someone is not a United
02:32:16 3 States citizen?

02:32:17 4 A. They have not.

02:32:24 5 Q. You would agree, though, that this provision
02:32:26 6 seems to command your office to perform an extra
02:32:32 7 citizenship check against the SAVE system if you have a
02:32:35 8 reason to believe someone is not a United States
02:32:39 9 citizen, correct?

02:32:39 10 MR. LANGHOFER: Form.

02:32:39 11 MS. STUART: Form.

02:32:40 12 THE WITNESS: Yes, I can see that reading
02:32:42 13 of the statute.

02:32:58 14 BY MR. SHERMAN:

02:32:59 15 Q. In the -- just to rehearse some of these
02:33:00 16 again, would a phone call from a voter or an e-mail
02:33:02 17 from the voter in question, would that give you reason
02:33:06 18 to believe that the person's not a United States
02:33:08 19 citizen?

02:33:09 20 MR. LANGHOFER: Asked and answered and
02:33:09 21 form.

02:33:12 22 THE WITNESS: Again, if they -- if we
02:33:17 23 determined through our security questions that we were
02:33:19 24 speaking to the voter in question, we would send them
02:33:21 25 information.

02:33:22 1 BY MR. SHERMAN:

02:33:22 2 Q. Are all of your responses -- well, let me --
02:33:26 3 I'll strike that.

02:33:27 4 These are -- I asked these previously with
02:33:29 5 respect to the language information. I'm going to ask
02:33:31 6 the same questions now with respect to the reason to
02:33:33 7 believe provision.

02:33:34 8 Would a signed letter from the voter, written
02:33:41 9 confirmation, would that constitute reason to believe
02:33:45 10 they're not a United States citizen?

02:33:47 11 MR. LANGHOFER: Calls for a legal
02:33:48 12 conclusion.

02:33:48 13 THE WITNESS: Yes.

02:33:49 14 MR. LANGHOFER: Asked and answered.

02:33:51 15 BY MR. SHERMAN:

02:33:51 16 Q. A phone call from a member of the voter's
02:33:54 17 family?

02:33:54 18 A. No.

02:33:56 19 Q. Someone in your county tells your office that a
02:34:00 20 registered voter is not a citizen?

02:34:02 21 MR. LANGHOFER: Same objection.

02:34:03 22 THE WITNESS: No.

02:34:06 23 BY MR. SHERMAN:

02:34:06 24 Q. Can it be a letter from a neighbor of the voter
02:34:09 25 in question?

02:34:10 1 MR. LANGHOFER: Same objection.

02:34:11 2 THE WITNESS: No.

02:34:13 3 BY MR. SHERMAN:

02:34:13 4 Q. What about a phone call from law enforcement in

02:34:16 5 Arizona, would that give your office reason to believe

02:34:18 6 the person was not a U.S. citizen?

02:34:21 7 MR. LANGHOFER: Same objection.

02:34:21 8 THE WITNESS: It might.

02:34:22 9 BY MR. SHERMAN:

02:34:22 10 Q. Would a phone call from law enforcement in

02:34:24 11 another state?

02:34:27 12 MR. LANGHOFER: Same objection.

02:34:28 13 THE WITNESS: It might.

02:34:30 14 BY MR. SHERMAN:

02:34:30 15 Q. Unclear, though?

02:34:32 16 A. We would have to speak to our counsel.

02:34:35 17 Q. An e-mail or letter from law enforcement in

02:34:38 18 Arizona or any state?

02:34:40 19 MR. LANGHOFER: Same objection.

02:34:42 20 THE WITNESS: Again, we would have to

02:34:43 21 speak to our counsel, but we -- it might.

02:34:46 22 BY MR. SHERMAN:

02:34:46 23 Q. But it's unclear?

02:34:48 24 MR. LANGHOFER: Same objection.

02:34:50 25 THE WITNESS: Again, it might.

02:34:53 1 BY MR. SHERMAN:

02:34:53 2 Q. Unclear, okay.

02:34:54 3 How about an anonymous call?

02:34:56 4 MR. LANGHOFER: Mischaracterizes the

02:34:58 5 testimony.

02:34:59 6 THE WITNESS: No.

02:35:04 7 BY MR. SHERMAN:

02:35:04 8 Q. An anonymous e-mail?

02:35:06 9 MR. LANGHOFER: Same objection.

02:35:08 10 THE WITNESS: No.

02:35:10 11 BY MR. SHERMAN:

02:35:11 12 Q. Lists provided by third-party organizations,

02:35:12 13 like True the Vote?

02:35:14 14 MR. LANGHOFER: Same objection.

02:35:15 15 THE WITNESS: No.

02:35:17 16 BY MR. SHERMAN:

02:35:17 17 Q. If I could ask you to look at -- this is -- may

02:35:24 18 only be listed in yours as Bates stamp YC 136-137. I

02:35:32 19 have it as Exhibit V.

02:35:46 20 A. Okay.

02:35:46 21 Q. And what is this document?

02:35:55 22 A. It looks like an e-mail chain from one of the

02:35:57 23 other counties.

02:36:01 24 Q. And I know you've not seen this, you weren't

02:36:04 25 cc'd, but does this appear to be authentic to you?

02:36:08 1 MR. LANGHOFER: Foundation.

02:36:16 2 BY MR. SHERMAN:

02:36:16 3 Q. I'll strike that.

02:36:17 4 You can see -- you can see the Bates stamp

02:36:19 5 number in the bottom right?

02:36:22 6 A. Yes.

02:36:24 7 Q. Okay. Can we mark this as Exhibit 77, I

02:36:30 8 believe.

02:36:30 9 Thank you.

02:36:30 10 And if you could scroll down to Page 2, under

02:36:34 11 Item 10(H), do you see that, where the chief deputy

02:36:41 12 recorder, I believe your counterpart in Yavapai County,

02:36:45 13 wrote "What would give us reason to believe they were

02:36:47 14 not a U.S. --" excuse me, I misread.

02:36:50 15 "What would give us reason to believe they are

02:36:51 16 not a citizen? An anonymous tip? Also how are we to

02:36:56 17 compare all of our registered voters to a federal

02:36:59 18 database of millions upon millions?"

02:37:02 19 Do you see -- did I read that correctly?

02:37:03 20 A. You did.

02:37:04 21 Q. Do you share your counterpart's reaction to

02:37:08 22 this provision, the reason to believe provision?

02:37:14 23 A. I do.

02:37:14 24 Q. Thank you.

02:37:16 25 What if the registered voter transposed the

02:37:18 1 first and last names on the registration application

02:37:21 2 form, would that give your office reason to believe they

02:37:24 3 are not a U.S. citizen?

02:37:25 4 MR. LANGHOFER: Form, speculation.

02:37:28 5 THE WITNESS: Are you asking if they put

02:37:30 6 their last name first and first name last?

02:37:32 7 BY MR. SHERMAN:

02:37:33 8 Q. Yes, yes.

02:37:34 9 A. Oh. No, that wouldn't give us any cause.

02:37:38 10 Q. What if the registered voter recorded a foreign

02:37:42 11 place of birth on their form?

02:37:42 12 MR. LANGHOFER: Form.

02:37:47 13 THE WITNESS: No, because you can be a

02:37:48 14 U.S. citizen and born abroad.

02:37:50 15 BY MR. SHERMAN:

02:37:50 16 Q. What if the registered voter has an F-Type

02:37:55 17 license, driver's license, as reflected in the MVD's

02:37:58 18 databases?

02:37:58 19 MR. LANGHOFER: Form.

02:38:02 20 THE WITNESS: Again, in that instance we

02:38:03 21 probably would send a letter for follow-up.

02:38:09 22 BY MR. SHERMAN:

02:38:09 23 Q. Would it give you reason to believe, under this

02:38:11 24 provision of H.B. 2243, that would justify putting them

02:38:16 25 through an extra SAVE system verification?

02:38:19 1 MR. LANGHOFER: Form.

02:38:21 2 THE WITNESS: No.

02:38:24 3 BY MR. SHERMAN:

02:38:24 4 Q. Has the Secretary of State's Office provided

02:38:27 5 your office with a list of what will not give you or

02:38:31 6 your staff a valid reason to believe someone is not a

02:38:34 7 U.S. citizen?

02:38:34 8 A. No, they have not.

02:38:36 9 Q. And is there anything you think should be on

02:38:39 10 such a list?

02:38:42 11 A. No, I do not.

02:38:46 12 Q. If I could ask you to take a look at, this is

02:38:49 13 Petty Exhibit 20. It's between the two statutes.

02:39:07 14 Just let me know when you have that up.

02:39:23 15 A. It's up.

02:39:26 16 Are you referencing an e-mail for Petty

02:39:30 17 Exhibit 20?

02:39:31 18 Q. Yeah, this -- well, tell me what you're seeing,

02:39:34 19 if we're looking at the same thing.

02:39:35 20 A. I'm seeing an e-mail from Recorder Richer dated

02:39:39 21 Wednesday June 15th, 2022.

02:39:42 22 Q. Yes. And if you could just read -- so what

02:39:44 23 does this appear to be?

02:39:46 24 A. This looks like one of our e-mail chains for

02:39:49 25 the Recorders Association with our lobbyist, Jennifer

02:39:57 1 Marson with AACo.

02:40:01 2 Q. And could I trouble you to read -- this is a

02:40:04 3 pretty short e-mail. Could I trouble you to read it?

02:40:06 4 A. Sure.

02:40:08 5 Do you want the chain --

02:40:14 6 Q. You can leave off the "Caution: This e-mail

02:40:17 7 originated from outside of Navajo County."

02:40:20 8 A. Okay. So it appears that Steve -- it appears

02:40:23 9 that Recorder Richer says, "Does this get rid of the

02:40:26 10 situation whereby any person can submit us lists that we

02:40:29 11 then have to check? E.g., quote, Hi. I used my super

02:40:34 12 secret research program to figure out that these 300,000

02:40:38 13 people are not citizens. Please check the citizenship

02:40:41 14 of every single one of them right now, end quote."

02:40:48 15 Q. This was about H.B. 2617, correct?

02:40:52 16 A. Yes.

02:40:52 17 Q. Which was vetoed, correct?

02:40:54 18 A. Yes.

02:40:56 19 Q. Do you believe H.B. 2243's reason to believe

02:41:00 20 provision keeps the possibility that Stephen Richer is

02:41:05 21 worried about open --

02:41:06 22 MR. LANGHOFER: Form.

02:41:07 23 BY MR. SHERMAN:

02:41:08 24 Q. -- in 2243?

02:41:11 25 A. I think it certainly could be a possibility,

02:41:15 1 but the language in the bills themselves specifically
02:41:20 2 reference government agencies.

02:41:29 3 Q. Well, if we could just look back, perhaps, at
02:41:32 4 Exhibit 21, excuse me, Petty Exhibit 21, and the reason
02:41:38 5 to believe provision, which I believe is on Page 5.

02:41:47 6 A. Just so I'm following, we're back on House
02:41:50 7 Bill 2243?

02:41:51 8 Q. Correct. Yeah.

02:41:52 9 A. Okay.

02:41:53 10 Q. Petty Exhibit 21, H.B. 2243, what was enacted
02:41:58 11 as Subsection H, and I'll read it for the record.
02:42:01 12 "To the extent practicable, each month the
02:42:04 13 County Recorder shall compare persons who are registered
02:42:06 14 to vote in that county and who the County Recorder has
02:42:09 15 reason to believe are not United States citizens."
02:42:13 16 Could a third-party group supply a list of
02:42:16 17 hundreds of thousands of registered voters to your
02:42:19 18 office, and could that be construed by a County
02:42:25 19 Recorder's Office as a reason to believe that those
02:42:29 20 folks are not U.S. citizens?

02:42:31 21 MR. LANGHOFER: Form.

02:42:32 22 THE WITNESS: I suppose it could.

02:42:34 23 BY MR. SHERMAN:

02:42:34 24 Q. But it's un -- it's vague and it's unclear,
02:42:34 25 correct?

02:42:37 1 A. I --

02:42:37 2 MR. LANGHOFER: Form.

02:42:39 3 THE WITNESS: I would say that I would be

02:42:41 4 unclear. I would not know what to do with this.

02:42:46 5 BY MR. SHERMAN:

02:42:46 6 Q. So even in H.B. 22 -- H.B. 220 -- excuse me.

02:42:51 7 Strike that.

02:42:51 8 This language in H.B. 2243 creates the same

02:42:59 9 risk that Stephen Richer was worried about in that

02:43:02 10 e-mail we just discussed, correct?

02:43:03 11 MR. LANGHOFER: Form.

02:43:07 12 THE WITNESS: I think that's certainly a

02:43:10 13 possibility.

02:43:13 14 MR. SHERMAN: Thank you.

02:43:15 15 We've been going for some time. Should we

02:43:16 16 take a five or ten-minute break?

02:43:16 17 THE WITNESS: Yes, please.

02:43:19 18 MR. SHERMAN: I'll do my best to de-dup

02:43:22 19 this outline.

02:43:23 20 THE WITNESS: Thank you. Ten minutes

02:43:24 21 sounds great.

02:43:25 22 MR. SHERMAN: All right. Thanks very

02:43:27 23 much.

02:43:27 24 THE VIDEOGRAPHER: We are off the record.

02:43:28 25 The time on the video monitor is 2:43 p.m. This ends

02:43:31 1 Media 2.

02:43:33 2 (A recess was taken.)

02:56:45 3 THE VIDEOGRAPHER: We are on the record.

02:56:48 4 The time on the video monitor is 2:56 p.m. This begins

02:56:50 5 Media 3.

02:56:54 6 BY MR. SHERMAN:

02:56:54 7 Q. Ms. Hiser, I just have a handful of questions

02:56:56 8 to follow up on the MVD searches, the HAVA checks, and

02:57:01 9 then we can move to the SAVE system, and then I'll try

02:57:04 10 to wrap up as quickly as possible.

02:57:06 11 Does your existing agreement with MVD cover the

02:57:11 12 uses outlined in H.B. 2492 and H.B. 2243?

02:57:20 13 A. It's a template agreement that we have with

02:57:22 14 them to provide -- they give us certain categories of

02:57:29 15 access and we request certain categories of access, so

02:57:32 16 it's sort of limited.

02:57:35 17 Q. So you're not sure whether it covers the

02:57:38 18 requirements under the new -- the required operations

02:57:41 19 under the new laws?

02:57:44 20 A. I don't -- I don't know if it does.

02:57:46 21 Q. Okay. Do you know what's meant by an ADOT

02:57:50 22 customer number, quote/unquote? Is that different from

02:57:55 23 a driver's license number or a state ID number?

02:57:59 24 A. I have not heard that term before, so I don't

02:58:03 25 know.

02:58:03 1 Q. Has your office encountered instances where a
02:58:07 2 voter registration applicant who is a United States
02:58:10 3 citizen was flagged erroneously as a noncitizen by way
02:58:15 4 of a search of MVD databases?

02:58:20 5 A. I don't think so, but I'm sure that is a
02:58:23 6 possibility that can exist.

02:58:26 7 Q. If the applicant subsequently naturalizes, but
02:58:30 8 doesn't update MVD of that fact, then they will show as
02:58:34 9 still having an F-Type license, correct?

02:58:38 10 A. That would be correct.

02:58:41 11 MR. SHERMAN: Can I ask the court
02:58:42 12 reporter, because I just did not catch, what was the
02:58:45 13 responses to interrogatories propounded by plaintiffs,
02:58:50 14 plaintiffs' consolidated first set of interrogatories,
02:58:52 15 what did we mark that as?

02:59:00 16 THE COURT REPORTER: I haven't had time to
02:59:01 17 do any kind of descriptions of these exhibits. I'm
02:59:04 18 sorry.

02:59:04 19 BY MR. SHERMAN:

02:59:05 20 Q. I know we marked this, so if you could just
02:59:06 21 call up what's Exhibit E in the Pima County. I know
02:59:09 22 this has been marked, so I won't mark it again.

02:59:12 23 If you could scroll down to the response to
02:59:15 24 interrogatory number 5. And I'll just read the response
02:59:29 25 on -- this is Page 5 in response to interrogatory

02:59:32 1 number 5.

02:59:33 2 "The Pima County Recorder's Office does not

02:59:36 3 actively track this information; however, voter

02:59:39 4 registration staff occasionally encounter situations

02:59:41 5 when a naturalized citizen has not yet updated their

02:59:44 6 citizenship status with the Motor Vehicle Division

02:59:48 7 (MVD). Their record will be listed in the Pima County

02:59:52 8 Recorder's AVID system as a noncitizen with MVD."

02:59:56 9 Did I read that correctly?

02:59:56 10 A. You did.

02:59:59 11 Q. And what do you do in such situations?

03:00:08 12 A. Well, if the voter has provided us their

03:00:11 13 naturalization information, but the record isn't updated

03:00:16 14 in MVD, we'll take the naturalization information. That

03:00:20 15 trumps it. So we would process the voter and use that

03:00:25 16 for a DPOC.

03:00:27 17 Q. And if they did not give -- if they do not

03:00:30 18 provide their naturalization documentation to the Pima

03:00:35 19 County Recorder's Office, right, the last sentence here

03:00:37 20 reflects, quote, they are canceled and sent a notice

03:00:40 21 letting them know how to update and provide DPOC; is

03:00:45 22 that correct?

03:00:45 23 A. That is correct.

03:00:47 24 Q. Okay. How often does this happen?

03:00:52 25 A. Not very frequently, to the best of my

03:00:57 1 knowledge.

03:00:57 2 Q. H.B. 2243, though, would require more checks

03:01:00 3 like this and could potentially lead to more instances

03:01:04 4 where a citizen is required to provide DPOC a second

03:01:07 5 time?

03:01:07 6 MR. LANGHOFER: Form.

03:01:10 7 THE WITNESS: Yes, that's our

03:01:11 8 understanding of it.

03:01:12 9 BY MR. SHERMAN:

03:01:12 10 Q. And it could lead to instances where a citizen

03:01:15 11 is referred to the Attorney General's Office or County

03:01:19 12 Attorney for prosecution, correct?

03:01:20 13 MR. LANGHOFER: Form.

03:01:21 14 THE WITNESS: Yes, it could.

03:01:27 15 BY MR. SHERMAN:

03:01:28 16 Q. Do you recall an incident in October 2022

03:01:33 17 concerning the downgrading of several thousand voters to

03:01:38 18 federal only status?

03:01:42 19 A. In Pima County?

03:01:45 20 Q. Why don't we look at a document I'll refer to

03:01:49 21 to refresh. This hasn't been marked yet. It's

03:01:56 22 Exhibit R, Bates stamp AZSOS-338826. I believe we're

03:02:09 23 marking this as Exhibit -- well, let me -- I'll ask the

03:02:12 24 witness about it first.

03:02:12 25 What does this document appear to be?

03:02:16 1 A. This is an e-mail from the AVID support team at
03:02:22 2 the SOS's office to our office.

03:02:26 3 Q. And you were sent this e-mail, correct?

03:02:30 4 A. Yes, I am on the to line.

03:02:34 5 Q. And you can take a minute to refresh yourself
03:02:41 6 on this e-mail, and I'll ask you a few questions on it.

03:02:45 7 But could the court reporter please mark it as
03:02:50 8 Exhibit 78.

03:03:45 9 Do you recall the incident that's described in
03:03:48 10 this e-mail?

03:03:48 11 A. Yes, I do.

03:03:49 12 Q. And what happened?

03:03:53 13 A. We were notified that the MVD's records, there
03:03:56 14 was a technical issue, causing our checks so a number of
03:04:03 15 records were incorrectly -- were incorrectly identified
03:04:08 16 for federal when they were indeed citizens.

03:04:13 17 Q. And these were registered voters who had
03:04:16 18 already shown DPOC, correct?

03:04:17 19 A. That is correct.

03:04:19 20 Q. And they were downgraded to federal only status
03:04:21 21 and sent federal only ballots?

03:04:24 22 A. That is correct.

03:04:25 23 Q. Do you know on a technical level how this
03:04:28 24 happened?

03:04:29 25 A. I do not understand the technical aspects

03:04:32 1 behind the issue. It was something to do with the
03:04:35 2 database on MVD's side with the way the AVID system
03:04:44 3 and queries -- my IT staff would be better able to
03:04:52 4 explain the technical details of this. I would refer
03:04:57 5 to them.

03:04:58 6 Q. Understood.

03:04:59 7 Do you know how many registered voters in Pima
03:05:01 8 County were affected by this incident?

03:05:05 9 A. It looks like we had -- looks like we had at
03:05:12 10 least 558 hard matches and possibly up to 1,336 soft
03:05:22 11 matches.

03:05:23 12 Q. And those over 600 people were all sent federal
03:05:28 13 only ballots in the mail before this issue was
03:05:30 14 corrected?

03:05:30 15 A. They were.

03:05:32 16 Q. And what did you have -- what did your office
03:05:35 17 have to do after that point in time?

03:05:37 18 A. We contacted those voters, let them know that
03:05:40 19 there was an error in the information we had received.
03:05:47 20 And for those that we could, we sent them full ballots
03:05:50 21 so they could vote an early ballot; and for those that
03:05:53 22 we could not, we instructed them to go to a polling
03:05:56 23 location or an early voting location so they could vote
03:05:59 24 a full ballot. We did adjust their voter registration
03:06:02 25 records to reflect that so they would get the full

03:06:05 1 ballot at those voting centers.

03:06:07 2 Q. Do you know how many voters were affected

03:06:09 3 statewide by this incident?

03:06:12 4 A. I believe Maricopa and Pima were the largest

03:06:17 5 affected ones, but there were others in some of the

03:06:21 6 smaller counties as well.

03:06:23 7 Q. In light of this incident, what does this say

03:06:25 8 to you about the reliability of database matching to

03:06:27 9 assess a person's current U.S. citizenship status?

03:06:30 10 MR. LANGHOFER: Form.

03:06:31 11 MS. STUART: Form.

03:06:36 12 THE WITNESS: I trust the information in
03:06:38 13 the database that we maintain here in Pima County, and I

03:06:44 14 would hope that the other jurisdictions that maintain

03:06:46 15 databases did as much work as we did to make sure that

03:06:49 16 the information in there was accurate and correct.

03:06:52 17 BY MR. SHERMAN:

03:06:53 18 Q. Well, leaving aside AVID and what's in AVID and

03:06:56 19 leaving aside what's in Voter, the Pima County voter

03:07:00 20 registration system, what does this say to you about the

03:07:03 21 reliability of using MVD data to assess a person's

03:07:07 22 current U.S. citizenship status?

03:07:09 23 MR. LANGHOFER: Form, foundation.

03:07:15 24 THE WITNESS: It is not as reliable as we

03:07:16 25 had thought it was.

03:07:35 1 BY MR. SHERMAN:

03:07:35 2 Q. So for voters who are grandfathered in by the
03:07:39 3 safe harbor provision in the -- let me back up a step.

03:07:42 4 Do you recall the safe harbor provision from
03:07:47 5 the DPOC requirement?

03:07:51 6 A. I believe that's the provision for people who
03:07:55 7 registered previously, to just assume that their
03:08:01 8 information was correct and not go back and do rechecks
03:08:05 9 on them.

03:08:08 10 It also -- I think it has a relationship to one
03:08:12 11 of the previously passed propositions. Governor Ducey
03:08:18 12 signed a letter explaining why older registrations would
03:08:24 13 not be impacted by this law.

03:08:28 14 Q. So, essentially, registered voters who had
03:08:32 15 registered prior to the implementation of DPOC, they
03:08:35 16 didn't -- they were exempt from the DPOC requirement; is
03:08:38 17 that your testimony?

03:08:39 18 MR. LANGHOFER: Form.

03:08:44 19 THE WITNESS: Yes, that's my
03:08:45 20 understanding. Yes.

03:08:45 21 BY MR. SHERMAN:

03:08:47 22 Q. So such voters who were subject to that safe
03:08:51 23 harbor in the DPOC law, if they never subsequently
03:08:53 24 obtained an Arizona driver's license or state ID after
03:08:56 25 October 1st, 1996, is the fact that they've never shown

03:09:00 1 DPOC information showing that they're not U.S. citizens?

03:09:05 2 MR. LANGHOFER: Form.

03:09:09 3 THE WITNESS: Sorry. Your question was a
03:09:10 4 little complex. Could you restate it?

03:09:12 5 BY MR. SHERMAN:

03:09:12 6 Q. Well, sure.

03:09:12 7 For those voters who have been grandfathered
03:09:15 8 into DPOC, right, they've -- for those voters who are
03:09:19 9 exempt from the DPOC requirement because they registered
03:09:21 10 to vote prior to 2005, when it took effect, is the fact
03:09:27 11 that they've never shown DPOC information or reason to
03:09:31 12 believe that they're not U.S. citizens?

03:09:35 13 MR. LANGHOFER: Form.

03:09:39 14 THE WITNESS: No.

03:09:52 15 BY MR. SHERMAN:

03:09:52 16 Q. In terms of resources, access, and training, is
03:09:55 17 it practicable for your office to use MVD driver's
03:09:57 18 license and nonoperating ID databases for citizenship
03:10:01 19 verification?

03:10:05 20 A. It's certainly another resource that if we
03:10:09 21 didn't have, it would -- we would be limited, again, to
03:10:15 22 the voter simply providing us proof themselves, at least
03:10:22 23 for the MVD, and it gives us some opportunities to kind
03:10:27 24 of make the process of registering people faster and
03:10:29 25 more efficient if those individuals have already proven

03:10:34 1 citizenship with DMV.

03:10:36 2 Q. You testified earlier this morning that there

03:10:38 3 would be quite a lot of developmental changes in

03:10:41 4 response to these laws if they took -- if they were

03:10:44 5 implemented, correct?

03:10:45 6 A. Correct.

03:10:46 7 Q. How long do you think that would take?

03:10:53 8 A. Programming development changes to the Voter

03:10:56 9 system can take months.

03:11:01 10 Q. Years?

03:11:04 11 A. I don't know about years, but it certainly

03:11:06 12 would take months. We have one full-time dedicated

03:11:10 13 developer and then we have a backup developer, and

03:11:15 14 because this is an -- because this is a proprietary

03:11:19 15 system specific to Pima County, it takes some time for

03:11:24 16 us to do development changes on it. You have to go

03:11:27 17 through our testing environment. We have to make sure

03:11:31 18 that it can speak to AVID. It's not a -- it's certainly

03:11:36 19 not an easy lift.

03:11:39 20 Q. Under 2243 you'd be required to compare the

03:11:42 21 county's voters to the MVD databases every month. Is

03:11:45 22 that practicable?

03:11:46 23 A. No.

03:11:48 24 Q. Is it practicable to use all available

03:11:51 25 resources to engage in monthly MVD database comparisons?

03:11:57 1 MR. LANGHOFER: Form.

03:11:59 2 THE WITNESS: No. Pima County has over

03:12:03 3 630 active registered voters, and we have just shy of

03:12:08 4 700,000 voters total on the voter registration roll.

03:12:14 5 BY MR. SHERMAN:

03:12:14 6 Q. Understood.

03:12:19 7 ADOT currently provides a database of customers

03:12:22 8 to the Secretary of State each month; is that correct?

03:12:28 9 MS. STUART: Form, foundation.

03:12:31 10 THE WITNESS: When you say a customer -- a

03:12:34 11 database of customers to the SOS, I don't know what

03:12:37 12 you're referring to.

03:12:40 13 BY MR. SHERMAN:

03:12:40 14 Q. I'll strike this question.

03:12:41 15 Is it possible for more than one ADOT record to

03:12:47 16 match a voter file record; do you know?

03:12:53 17 A. I guess it's possible if the information is in

03:12:57 18 the database twice.

03:13:01 19 Q. Do you have any idea how that would happen?

03:13:06 20 A. Human error, I would assume. I mean you can

03:13:11 21 maybe -- are you talking about on the voter -- on Pima

03:13:15 22 County's side or the State's side?

03:13:18 23 Q. On the ADOT side, more than one ADOT record

03:13:22 24 associated with a registered voter.

03:13:25 25 MS. STUART: Form, foundation.

03:13:28 1 THE WITNESS: Yeah, I -- I would -- I
03:13:30 2 guess it could happen.

03:13:31 3 BY MR. SHERMAN:

03:13:32 4 Q. But you don't know the circumstances in which
03:13:33 5 it would happen?

03:13:35 6 MS. STUART: Form, foundation.

03:13:41 7 BY MR. SHERMAN:

03:13:41 8 Q. Okay. I'll strike -- I'll strike this
03:13:43 9 question. We can move on.

03:13:44 10 So we were speaking earlier about USCIS's SAVE
03:13:55 11 system, and your office currently uses the SAVE system
03:13:58 12 for purposes of U.S. citizenship verification, correct?

03:14:01 13 A. Correct.

03:14:03 14 Q. And you use the SAVE system either when you get
03:14:08 15 an alien registration number on the voter registration
03:14:12 16 form or in response to that notice letter, correct?

03:14:15 17 A. Correct.

03:14:16 18 Q. And you could also use a naturalization
03:14:18 19 certificate number?

03:14:20 20 A. That is correct.

03:14:21 21 Q. How frequently do you use the SAVE system for
03:14:25 22 citizenship verification?

03:14:28 23 A. Maybe a handful of times a month.

03:14:33 24 Q. What's a handful, ballpark? Like less than 50
03:14:36 25 or less than a hundred or --

Mi Familia Vota vs. Adrian Fontes
Hilary Hiser

03:14:38 1 A. So the SAVE database is a -- we pay them a
03:14:43 2 monthly flat fee. On the invoice it shows how many
03:14:47 3 times we've accessed the system. I think the last
03:14:49 4 invoice I saw said nine.

03:14:53 5 Q. And if you don't have an alien registration
03:14:57 6 number or a naturalization certificate number, you can't
03:14:59 7 use the SAVE system for citizenship verification
03:15:02 8 purposes, correct?

03:15:02 9 A. That's my understanding, yes.

03:15:04 10 Q. Is there any other number that your office
03:15:07 11 routinely obtains from applicants or registered voters
03:15:10 12 that you could use with the SAVE system?

03:15:12 13 A. Not that I know of.

03:15:17 14 Q. Does your office directly have an agreement
03:15:19 15 with USCIS?

03:15:21 16 A. We do.

03:15:23 17 Q. Is that through the SOS or is that directly for
03:15:26 18 Pima County and the Pima County Recorder's Office?

03:15:29 19 A. It's directly with Pima County.

03:15:31 20 Q. Okay. How long have you had that agreement?

03:15:35 21 A. We renew it on a yearly basis.

03:15:37 22 Q. Does it cover the uses of SAVE outlined in
03:15:40 23 H.B. 2492?

03:15:44 24 A. I don't -- I don't know.

03:15:46 25 Q. All right. Do you know if it covers the uses

03:15:48 1 of SAVE outlined in H.B. 2243?

03:15:52 2 A. I don't know.

03:15:54 3 Q. For voter registration applicants not born in
03:15:57 4 the U.S., is it feasible to use the SAVE system to
03:16:00 5 determine their current U.S. citizenship status?

03:16:05 6 A. Without any additional information, like a
03:16:09 7 naturalization number or --

03:16:12 8 Q. Sorry. I'll rephrase the question.

03:16:14 9 If you query the SAVE system using an alien
03:16:19 10 registration number or a naturalization certificate
03:16:21 11 number, is it feasible to use that SAVE query to
03:16:25 12 determine the person's current U.S. citizenship status?

03:16:29 13 A. Yes.

03:16:33 14 Q. What's your basis for saying that?

03:16:36 15 A. That's the purpose of the SAVE system, is you
03:16:39 16 put the information in there and they return back to us
03:16:42 17 as to whether or not they are a citizen.

03:16:46 18 Q. So it can confirm citizenship, you've
03:16:49 19 testified, correct?

03:16:49 20 A. Correct.

03:16:51 21 Q. If you get a nonmatch or if it returns
03:16:57 22 information saying that this person's not a U.S.
03:17:00 23 citizen, what's the next step?

03:17:05 24 A. Well, we would send out a letter to the
03:17:09 25 registrant saying --

03:17:10 1 Q. And what does the letter say?

03:17:12 2 A. It would be that note code letter requiring

03:17:15 3 them to provide DPOC.

03:17:22 4 Q. Does USCIS have an alternative verification

03:17:25 5 process?

03:17:28 6 A. Not that I'm aware of.

03:17:32 7 Q. Has your office ever used an alternative

03:17:35 8 verification process for voter registration applicants?

03:17:39 9 A. Not that I'm aware of.

03:17:42 10 Q. Who in your office would know whether the Pima

03:17:47 11 County Recorder's Office has ever used USCIS's

03:17:51 12 alternative verification process?

03:17:56 13 A. The prior Recorder, the prior -- the former

03:18:02 14 chief deputy under the prior Recorder.

03:18:07 15 Q. And sorry to make you repeat this, but how long

03:18:10 16 have you been with the office, again?

03:18:11 17 A. Since September of 2021.

03:18:18 18 Q. If the SAVE system search returns no match, is

03:18:21 19 that treated as evidence that the person is not a U.S.

03:18:24 20 citizen?

03:18:25 21 A. No, it's not. It's just, again, it would

03:18:29 22 require a note code, so we would send out a letter.

03:18:44 23 Q. So would you say that while the SAVE system can

03:18:47 24 be used to confirm that someone is a U.S. citizen, it

03:18:50 25 cannot be used to confirm a lack of U.S. citizenship?

03:18:55 1 MR. LANGHOFER: Form.

03:19:03 2 THE WITNESS: Yeah, I would say that's

03:19:04 3 true. We would -- we only use the SAVE system for the

03:19:09 4 initial registration if a number is provided to us, so

03:19:15 5 like a naturalization number or an alien ID.

03:19:19 6 If we get -- if a hit does not come back

03:19:23 7 that's saying that they are a citizen, we wouldn't --

03:19:26 8 that registration we wouldn't continue with the

03:19:29 9 registration. We would send the letter saying you need

03:19:32 10 to provide us citizenship, documentary proof, DPOC.

03:19:38 11 BY MR. SHERMAN:

03:19:39 12 Q. So it's a basis, in your view, to deny someone

03:19:42 13 a complete voter registration and deny them -- to reject

03:19:45 14 them, to reject that application; but it's not a basis

03:19:48 15 to remove them from the rolls?

03:19:52 16 MR. LANGHOFER: Form.

03:19:53 17 THE WITNESS: That is correct.

03:20:09 19 Q. Has your office been communicating with USCIS

03:20:11 20 about the challenged laws in this case?

03:20:15 21 A. No, we have not.

03:20:16 22 Q. Do you know whether the Secretary of State's

03:21:12 14 BY MR. SHERMAN:

03:21:13 15 Q. So in terms of the Social Security

03:21:16 16 Administration databases, you testified earlier today

03:21:19 17 that your office isn't comparing any voter registration

03:21:23 18 data against SSA databases; isn't that correct?

03:21:27 19 A. We have no access to those databases.

03:21:29 20 Q. Do you interface in any way with their

03:21:33 21 databases?

03:21:33 22 A. We do not.

03:21:34 23 Q. Okay. Do you have any knowledge of whether SSA

03:21:38 24 databases contain citizenship information?

03:21:41 25 A. I do not.

03:21:43 1 Q. And so, therefore, no knowledge of whether that
03:21:46 2 citizenship information is reliable for purposes of
03:21:49 3 citizenship verification?

03:21:51 4 A. That is correct.

03:21:54 5 Q. And I believe you testified earlier that your
03:21:58 6 office doesn't have any familiarity with the National
03:22:01 7 Association Public Health -- for Public Health
03:22:07 8 Statistics and Information Systems Electronic
03:22:10 9 Verification of Vital Events database, does it?

03:22:11 10 A. Again, that's not something that we have access
03:22:13 11 to.

03:22:14 12 Q. Okay. Do you have any familiarity with it?

03:22:17 13 A. I know that they exist, and I know that the
03:22:22 14 Pima County Health Department can provide information to
03:22:24 15 it.

03:22:26 16 Q. Do you know what their databases contain or
03:22:28 17 what people use it for?

03:22:32 18 A. Birth and death notices.

03:22:35 19 Q. Do you know what state agencies around the
03:22:39 20 country might use it for?

03:22:42 21 A. I think it just depends on the state agency.

03:22:45 22 Q. Have you ever heard of any voter registration
03:22:50 23 officials using it for any purpose?

03:22:52 24 A. Not in the state of Arizona.

03:22:56 25 Q. Are you familiar with the Electronic

03:22:59 1 Registration Information Center or ERIC?

03:23:00 2 A. Yes, I am.

03:23:01 3 Q. And what is it?

03:23:02 4 A. It is a group of participating states who

03:23:08 5 provide information to the ERIC system to keep their

03:23:15 6 rolls up-to-date within their states, to provide

03:23:20 7 cross-state mover reports and double voting reports.

03:23:25 8 It's a way for us to be able to get information

03:23:29 9 from other states in a centralized method. That

03:23:37 10 information is fed through the Secretary of State's

03:23:41 11 Office of those participating states and then is

03:23:43 12 received by the Secretary of State's Office and then

03:23:46 13 pushed down to the counties.

03:23:48 14 Q. Do you use ERIC for U.S. citizenship

03:23:52 15 verification purposes?

03:23:52 16 A. I do not.

03:23:52 17 Q. Does ERIC even contain U.S. citizenship data?

03:23:56 18 A. Not that I'm aware of.

03:23:58 19 Q. Has your office been communicating with ERIC at

03:24:01 20 all about the challenged laws in this lawsuit?

03:24:03 21 A. We do not communicate with ERIC. We

03:24:06 22 communicate with the Secretary of State's Office, and

03:24:07 23 the Secretary of State's Office communicates with ERIC.

03:24:13 24 Q. Lastly, in both -- in this -- I'm almost done.

03:24:17 25 Do you have the ability to search or interface

03:24:21 1 with any other government databases with U.S.

03:24:24 2 citizenship data?

03:24:25 3 A. I do not.

03:24:26 4 Q. And just to be clear, when you say you, you

03:24:29 5 mean your office, correct?

03:24:30 6 A. I mean our office, that is correct.

03:24:33 7 Q. Okay. And has your office been communicating

03:24:34 8 with any other person or entity regarding the use of any

03:24:36 9 other database for citizenship verification?

03:24:40 10 A. No, we have not.

03:24:42 11 Q. If I could trouble you to just look quickly at

03:24:45 12 what's marked as Exhibit U. This has not been

03:24:47 13 introduced yet. It's YC 135.

03:25:00 14 What is this document?

03:25:04 15 A. Looks like it is an e-mail from Former Recorder

03:25:09 16 Hoffman.

03:25:14 17 Q. Does it appear to be authentic?

03:25:18 18 MR. LANGHOFER: Foundation.

03:25:19 19 THE WITNESS: It does.

03:25:20 20 BY MR. SHERMAN:

03:25:20 21 Q. Could we mark this as Exhibit 79, I believe.

03:25:27 22 If I could just ask you to take a look at the

03:25:30 23 last bullet, and I'll just read it for the record.

03:25:32 24 "What city, town and federal databases are they talking

03:25:34 25 about that we are supposed to run our voter rolls

03:25:37 1 against? Do they know something about people keeping
03:25:40 2 track of us and citizenship status that we don't?"
03:25:44 3 Do you share the sentiment expressed in this
03:25:47 4 last bullet point?
03:25:48 5 MR. LANGHOFER: Form.
03:25:50 6 THE WITNESS: I do.
03:25:52 7 BY MR. SHERMAN:
03:25:52 8 Q. Thank you.
03:26:04 9 To the extent you're checking multiple
03:26:07 10 databases, how do you think you would deal with
03:26:10 11 conflicting data if one database showed a person was a
03:26:14 12 citizen and another showed they were not a citizen at
03:26:16 13 some point in the past?
03:26:19 14 A. We would reach out to the voter and confirm.
03:26:20 15 MR. LANGHOFER: Foundation.
03:26:26 16 BY MR. SHERMAN:
03:26:26 17 Q. Is that process currently laid down in the
03:26:30 18 draft EPM or anywhere else?
03:26:33 19 A. Not that I know of. That would just be an
03:26:36 20 internal best practice.
03:26:39 21 Q. Okay. But it might vary from county to
03:26:41 22 county?
03:26:41 23 A. It might.
03:26:46 24 Q. How do you ensure an accurate match is made?
03:26:52 25 I'll strike that. I'll just skip it.

03:26:54 1 So last question I think I have is just about
03:26:59 2 curing. So if a registered voter is removed from the
03:27:02 3 rolls under H.B. 2243, which we've been discussing,
03:27:08 4 based upon an erroneous determination that they are not
03:27:10 5 a U.S. citizen, can that voter be added back to the
03:27:13 6 rolls after the registration deadline has already
03:27:17 7 passed?

03:27:17 8 MR. LANGHOFER: Form.

03:27:25 9 THE WITNESS: Yes, I mean if they provided
03:27:26 10 us the documentary proof of citizenship. If it's
03:27:32 11 something that we made a mistake on, we can certainly,
03:27:36 12 you know, fix our issues if it's brought to our
03:27:39 13 attention by the voter.

03:27:40 14 BY MR. SHERMAN:

03:27:40 15 Q. Even after vote closing?

03:27:46 16 MR. LANGHOFER: Form.

03:27:52 17 THE WITNESS: I think we would be able to
03:27:54 18 do that from a pragmatic perspective, yes.

03:27:59 19 BY MR. SHERMAN:

03:27:59 20 Q. Is that clearly set forth in the currently
03:28:02 21 operative EPM?

03:28:03 22 MR. LANGHOFER: Form.

03:28:06 23 THE WITNESS: No. I think that would be
03:28:07 24 something that we would determine internally after
03:28:09 25 speaking with our counsel.

03:28:10 1 BY MR. SHERMAN:

03:28:11 2 Q. Okay. And it might vary from county to county?

03:28:12 3 A. It might.

03:28:13 4 MR. LANGHOFER: Foundation.

03:28:16 5 MR. SHERMAN: Thank you very much for your
03:28:17 6 time, Ms. Hiser. Thank you for your service.

03:28:23 7 I believe one of my colleagues is going to
03:28:24 8 take over and ask questions.

03:28:27 9 MR. DODGE: Would it be nice for Ms. Hiser
03:28:28 10 to take maybe a five-minute break before we continue?

03:28:33 11 THE WITNESS: Sure. Thank you.

03:28:35 12 MR. LANGHOFER: Jon, when you say one of
03:28:36 13 your colleagues is taking over, do you mean --

03:28:38 14 MR. DODGE: This is Mr. Dodge. I'll be
03:28:39 15 asking questions after the break, and I think we can go
03:28:41 16 off the record now.

03:28:42 17 THE VIDEOGRAPHER: We are off the record.
03:28:44 18 The time on the video monitor is 3:28 p.m.

03:28:56 19 (A recess was taken.)

03:37:37 20 THE VIDEOGRAPHER: We are on the record.

03:37:42 23 EXAMINATION

03:37:43 25 Q. Good afternoon, Ms. Hiser. My name is Chris

03:37:45 1 Dodge. I represent the Mi Familia Vota plaintiffs in
03:37:47 2 this case. Thank you for your time this afternoon. I
03:37:50 3 know it's a long day.
03:37:52 4 I'd like to start by asking you some additional
03:37:54 5 questions about requirements imposed by H.B. 2492. And
03:38:00 6 you understand that under H.B. 2492 a state registration
03:38:05 7 form applicant must include their place of birth on the
03:38:08 8 application form or it cannot be accepted by a Recorder,
03:38:14 9 right?
03:38:14 10 A. Yes, that's what the guidance was indicated
03:38:17 11 from the Secretary of State's Office.
03:38:18 12 Q. Okay. I'm going to ask some questions about
03:38:21 13 that; but before, I'd like to ask about your office's
03:38:24 14 current practices with respect to birthplace
03:38:29 15 information.
03:38:29 16 If an applicant submits a state registration
03:38:31 17 form and provides adequate documentary proof of
03:38:35 18 citizenship, but no birthplace information, at present
03:38:38 19 you would still register that voter, correct?
03:38:40 20 A. Correct.
03:38:42 21 Q. If we could please pull up Exhibit 73, which
03:38:47 22 was previously in the Dropbox folder as Exhibit 0.
03:38:53 23 Let me know when you have that in front of you,
03:39:02 24 Ms. Hiser.
03:39:02 25 A. The letter from the Recorder to Governor Ducey?

03:39:06 1 Q. That's correct.

03:39:07 2 A. Okay.

03:39:07 3 Q. And you looked at this a bit earlier today,

03:39:09 4 right?

03:39:09 5 A. Yes.

03:39:09 6 Q. Okay. I'm not going to ask questions about

03:39:11 7 what's already been discussed on this letter, but if I

03:39:15 8 could direct your attention to the final bullet on the

03:39:17 9 first page of this letter; do you see that?

03:39:21 10 A. "Requiring a birthplace when registering

03:39:27 11 (16-121.01) is irrelevant. There is no way to verify

03:39:32 12 the information and it has no bearing on the ability to

03:39:36 13 vote nor does it verify identity."

03:39:39 14 Q. Yeah, exactly that. And as you said, this is

03:39:41 15 an e-mail that was signed by the Pima County Recorder

03:39:44 16 and sent to the Governor, correct?

03:39:46 17 A. Correct.

03:39:47 18 Q. And the bullet that you just read out loud,

03:39:51 19 that lays out the position of the Pima County Recorder

03:39:54 20 with respect to H.B. 2492's birthplace requirement?

03:39:58 21 A. Yes, it does.

03:39:59 22 Q. And what use, if any, does your office

03:40:02 23 currently make of birthplace information supplied on a

03:40:05 24 state registration form?

03:40:06 25 A. We would use that as a security question.

Mi Familia Vota vs. Adrian Fontes
Hilary Hiser

August 3, 2023

2:22-cv-00509-SRB
220

03:40:11 1 Q. And for no other purpose?

03:40:13 2 A. No, for no other purpose.

03:40:16 3 Q. So you don't actually use that information to

03:40:19 4 confirm where a person is born, right?

03:40:23 5 A. That is correct.

03:40:25 6 Q. And you also don't use birthplace information

03:40:28 7 on a state registration form to determine if the person

03:40:30 8 is qualified to vote under Arizona law, right?

03:40:33 9 A. That is also correct.

03:40:39 10 Q. And I think you said earlier as well that there

03:40:41 11 is all sorts of other information on the state

03:40:44 12 registration form that you could also use as a security

03:40:46 13 question on the phone with the voter, right?

03:40:48 14 A. Yes.

03:40:49 15 Q. And could you just list a few of those?

03:40:54 16 A. Mother's maiden name, father's name, the place

03:40:59 17 of birth, last four digits of a social security number.

03:41:05 18 We could use an e-mail address if they provided that,

03:41:08 19 although we also like to use the e-mail address as a way

03:41:11 20 to contact the voter.

03:41:15 21 Q. And I think you said earlier that you typically

03:41:17 22 start by asking for the last four digits of the social

03:41:21 23 security number; is that right?

03:41:21 24 A. If that has been provided, that's our first

03:41:24 25 preferred security check.

03:41:27 1 Q. Got it. Thank you.

03:41:33 2 And I know you've testified a couple times
03:41:36 3 today that the Pima County Recorder is not currently
03:41:39 4 implementing H.B. 2492, right?

03:41:41 5 A. Correct.

03:41:41 6 Q. And so specifically with regards to the bill's
03:41:45 7 birthplace requirement, your office is not
03:41:49 8 implementing -- sorry. Strike that.

03:41:50 9 So with respect to the birthplace requirement,
03:41:53 10 the fact that you are not implementing H.B. 2492 means
03:41:57 11 that the Pima County Recorder's Office is still
03:41:59 12 accepting voter registration forms that omit place of
03:42:04 13 birth information, correct?

03:42:05 14 A. We are.

03:42:05 15 Q. But if Pima County were to implement the law,
03:42:07 16 it would mean that it would have to reject voter
03:42:10 17 registration forms that omit birthplace, right?

03:42:12 18 A. As we understand the implementation of that
03:42:15 19 law, yes.

03:42:20 20 Q. And the Recorder explained in her veto request
03:42:24 21 to Governor Ducey that place of birth has no bearing on
03:42:28 22 qualification to vote, right?

03:42:29 23 A. She did.

03:42:30 24 Q. And the Recorder also said in her veto
03:42:33 25 request to Governor Ducey that your office has no

03:42:35 1 way of actually verifying place of birth information,
03:42:39 2 correct?

03:42:39 3 A. That is correct.

03:42:41 4 Q. So if H.B. 2492 were to go into effect, your
03:42:44 5 office would not actually use required birthplace
03:42:47 6 information to verify a person's identity or their
03:42:49 7 qualification to vote, right?

03:42:52 8 A. Correct. I think as I've stated previously, a
03:42:55 9 U.S. citizen can be born abroad, and the place of birth
03:43:01 10 doesn't say -- doesn't control as to whether or not they
03:43:05 11 are or are not a U.S. citizen.

03:43:08 12 Q. That's right. And it's also the case that you
03:43:11 13 have no reliable way to check that the birthplace
03:43:14 14 information is accurate to begin with, right?

03:43:15 15 A. Correct.

03:43:16 16 Q. So it can't be used by your office to verify
03:43:19 17 the identity of a person as they claim it on their
03:43:22 18 registration form, right?

03:43:23 19 A. Correct.

03:43:27 20 Q. So is it correct to say that you would not use
03:43:30 21 birthplace information in any new manner if H.B. 2492
03:43:34 22 went into effect?

03:43:36 23 MR. LANGHOFER: Objection, calls for
03:43:39 24 speculation.

03:43:39 25 THE WITNESS: Yeah, I'm sorry, I don't

03:43:40 1 quite understand what your question is.

03:43:44 2 BY MR. DODGE:

03:43:44 3 Q. Let me try it again.

03:43:51 4 Can you think of any new manner in which you
03:43:54 5 would use birthplace information if H.B. 2492 were to go
03:43:56 6 into effect?

03:43:58 7 A. No, I can think of no additional ways we would
03:44:01 8 use that information.

03:44:02 9 Q. Have you received any guidance from the
03:44:05 10 Secretary of State's Office about how to implement the
03:44:09 11 birthplace requirement if it were to go into effect?

03:44:12 12 A. Only the information from the legislative
03:44:14 13 updates and flowchart that they provided our office at
03:44:16 14 the start of the -- January.

03:44:20 15 Q. So if H.B. 2492 were to go into effect, the
03:44:23 16 only use for birthplace information on the state
03:44:26 17 registration form would be as a basis for rejecting an
03:44:29 18 application, right?

03:44:32 19 MR. LANGHOFER: Form. Objection, calls
03:44:36 20 for speculation.

03:44:36 21 THE WITNESS: I think it would. I would
03:44:39 22 have to go back and see what the -- I'd have to look at
03:44:42 23 the guidance of the legislative updates to see if that
03:44:47 24 was what the Secretary of State's Office interpreted it
03:44:49 25 to be.

03:44:54 1 BY MR. DODGE:

03:44:54 2 Q. Are you aware of any other state that requires
03:44:56 3 birthplace information to register to vote?

03:44:59 4 MR. LANGHOFER: Form.

03:45:02 5 THE WITNESS: I don't know. There's
03:45:04 6 50 states. There's 50 different sets of laws.

03:45:06 7 BY MR. DODGE:

03:45:07 8 Q. But to the best of your knowledge, you're not
03:45:08 9 aware of one?

03:45:09 10 MR. LANGHOFER: Form.

03:45:10 11 THE WITNESS: To the best of my knowledge,
03:45:11 12 I'm not aware.

03:45:14 13 BY MR. DODGE:

03:45:15 14 Q. Okay, I'd like to move on to some questions
03:45:16 15 about the citizen checkbox form that appears on both the
03:45:21 16 state registration form and the federal form.

03:45:24 17 The citizenship checkbox is not new on either
03:45:29 18 of those forms, right?

03:45:31 19 A. That is correct.

03:45:32 20 Q. It's been on both of them for at least about a
03:45:35 21 couple decades, right?

03:45:37 22 A. It's been on both of them for at least ten
03:45:39 23 years, if not longer.

03:45:42 24 Q. And the Pima County Recorder's Office has not
03:45:44 25 historically rejected a voter application form simply

03:45:49 1 because a person failed to check a citizen checkbox,
03:45:53 2 right?

03:45:53 3 A. To the best of my knowledge, that is
03:45:57 4 correct.

03:45:57 5 Q. But you understand that under H.B. 2492 an
03:46:02 6 applicant using either the state form or the federal
03:46:04 7 form must affirmatively check the box confirming that
03:46:06 8 they are a citizen or it cannot be accepted by a
03:46:09 9 Recorder's Office, right?

03:46:11 10 A. That is correct.

03:46:12 11 Q. And I think you testified previously that
03:46:14 12 that's another part of H.B. 2492 that Pima County is not
03:46:19 13 currently implementing, right?

03:46:21 14 A. That is correct.

03:46:21 15 Q. And so at present, if an applicant submits a
03:46:24 16 state registration form and provides documentary proof
03:46:27 17 of citizenship, Pima County does not reject the
03:46:29 18 application if the applicant fails to complete the
03:46:32 19 checkbox, right?

03:46:33 20 A. That is correct.

03:46:36 21 Q. And state form applicants are required to
03:46:38 22 provide documentary proof of citizenship under Arizona
03:46:41 23 law, right?

03:46:45 24 MR. LANGHOFER: Calls for a legal
03:46:46 25 conclusion.

03:46:46 1 BY MR. DODGE:

03:46:47 2 Q. To be fully registered.

03:46:49 3 A. So, yes, we need to have DPOC to have someone

03:46:54 4 be fully registered for a full ballot; but as I've

03:46:57 5 stated previously, we can determine that based off of

03:47:02 6 the MVD or the SAVE, and if an individual provides us

03:47:11 7 documentary proof of citizenship, we will take that as

03:47:14 8 well.

03:47:14 9 Q. Got it.

03:47:15 10 But it's fair to say that completing the

03:47:17 11 checkbox is not necessary to confirm that a state form

03:47:21 12 registrant is a citizen, right?

03:47:23 13 A. Correct. Yes, that is correct.

03:47:29 14 Q. And if we could pull up a document labeled

03:47:31 15 PIMA COUNTY 2826 in the Dropbox.

03:47:35 16 MR. DODGE: And, Madame Reporter, could

03:47:38 17 you tell me what exhibit we're up to now?

03:47:45 18 THE COURT REPORTER: 80.

03:47:45 19 BY MR. DODGE:

03:47:47 20 Q. Okay. I'll introduce PIMA COUNTY 2826 as

03:47:49 21 Exhibit 80.

03:47:55 22 Do you have that up in front of you, Ms. Hiser?

03:47:57 23 A. Yes, I do.

03:47:58 24 Q. Are you familiar with this document?

03:47:59 25 A. I am.

03:48:03 1 Q. And if you could turn to Page -- well, first,
03:48:06 2 could you tell me what this document is?

03:48:08 3 A. This is our internal instructions for voter
03:48:12 4 registration data entry.

03:48:14 5 Q. What's this document used for?

03:48:16 6 A. This is used to train our Voter technicians,
03:48:22 7 our Voter clerks, on how to enter information into our
03:48:25 8 database. So it's a fairly comprehensive training
03:48:29 9 manual and procedures, data entry instructions. So it's
03:48:36 10 a standard operating procedures. It's an SOP.

03:48:40 11 Q. Got it.

03:48:41 12 Could you turn to Page 15 of this document,
03:48:41 13 please?

03:48:47 14 And just let me know when you get there.

03:48:52 15 A. Sure.

03:49:02 16 Okay, I'm there.

03:49:03 17 Q. Do you see the bottom paragraph, which reads,
03:49:07 18 "However, if an applicant provides a date of birth that
03:49:09 19 confirms that they will be at least 18 years old on or
03:49:12 20 before election day, accept the form. Similarly, if an
03:49:15 21 applicant provides documentary proof of citizenship, or
03:49:18 22 DPOC can be acquired based on the provided information,
03:49:21 23 you should accept the form. We do not deny the right to
03:49:24 24 register to vote eligible Arizonans who accidentally
03:49:29 25 omit these checkmarks from their voter registration

03:49:33 1 application."

03:49:33 2 Did I read that correctly?

03:49:34 3 A. You did.

03:49:34 4 Q. Is that an accurate summary of your office's

03:49:37 5 current policy with respect to state form registrants

03:49:39 6 who provide DPOC, but did not complete a citizenship

03:49:43 7 checkbox?

03:49:43 8 A. It is.

03:49:46 9 Q. Okay. You can set that document aside. I'm

03:49:49 10 going to ask some questions about the federal form now.

03:49:52 11 Could you turn back to Exhibit 73, which we

03:50:00 12 just had up, which is the County Recorder's veto request

03:50:05 13 to Governor Ducey?

03:50:10 14 In the middle of that page --

03:50:11 15 A. Could you reference the exhibit one more time,

03:50:15 16 please?

03:50:15 17 Q. I believe it's 73.

03:50:24 18 A. Does it have a letter associated with it?

03:50:26 19 Q. Yes. O, as in Oscar.

03:50:31 20 A. All right. Thank you.

03:50:32 21 Q. And if you look in the middle of the first

03:50:34 22 page, there are a few paragraphs that begin "The bill's

03:50:38 23 unconstitutionality is clear in that it conflicts with

03:50:41 24 the 2013 Supreme Court ruling that determined that an

03:50:43 25 affirmation of citizenship meets the standards of

03:50:46 1 federal law. In Arizona v. Inter Tribal Council of
03:50:49 2 Arizona, the court ruled that an Arizona law requiring
03:50:52 3 voters to provide a document for proof of citizenship,"
03:50:55 4 and it lists some, "violated federal law. Because the
03:50:58 5 National Voter Registration Act only requires an
03:51:01 6 affirmation of citizenship under the penalty of perjury,
03:51:04 7 federal law prevails."

03:51:05 8 Did I read that correctly?

03:51:07 9 A. You did.

03:51:08 10 Q. So is it correct that in the Pima County
03:51:10 11 Recorder's Office an applicant completing the federal
03:51:14 12 registration form adequately establishes their
03:51:16 13 citizenship if they affirm their citizenship under
03:51:19 14 penalty of perjury on the form?

03:51:22 15 MR. LANGHOFER: Calls for a legal
03:51:24 16 conclusion.

03:51:24 17 THE WITNESS: In that instance we would
03:51:26 18 register them as a federal only voter, and we would
03:51:29 19 still send them a letter requesting documentary proof of
03:51:34 20 citizenship, with an explanation that they have been
03:51:36 21 registered as a federal only and are not eligible to
03:51:40 22 vote a full ballot at that time.

03:51:41 23 BY MR. DODGE:

03:51:42 24 Q. But for purposes of voting in federal elections
03:51:45 25 only, their affirmation suffices for establishing their

03:51:50 1 qualification to vote in those elections, right?

03:51:53 2 A. For federal elections, yes.

03:51:58 3 Q. So Pima County's practice has been that if an

03:52:01 4 applicant submits a federal registration form, to accept

03:52:04 5 that application if the applicant signs the citizenship

03:52:07 6 affirmation, even if they do not complete the checkbox,

03:52:12 7 right?

03:52:12 8 A. We do.

03:52:13 9 Q. And that's because they've sworn under penalty

03:52:15 10 of perjury and the threat of deportation that they're

03:52:19 11 citizens, correct?

03:52:20 12 A. Correct.

03:52:25 13 Q. So what use, if any, does your office make on

03:52:28 14 either the state or federal form of an applicant having

03:52:32 15 checked the box that they're a citizen?

03:52:38 16 A. It doesn't play an impact in the way that we

03:52:41 17 register voters.

03:52:46 18 Q. If Pima County were to implement H.B. 2492,

03:52:51 19 however, it would mean that it would have to reject both

03:52:54 20 state form and federal form registrations where a voter

03:52:57 21 forgot to check the citizenship box, correct?

03:52:59 22 A. That is our understanding, yes.

03:53:03 23 Q. And that's the case even though Pima County's

03:53:06 24 current policy is to not deny any eligible Arizona

03:53:09 25 voter's registration for failure to check the box where

03:53:12 1 the applicant provides DPOC or where DPOC can be
03:53:15 2 acquired, right?

03:53:16 3 A. Correct.

03:53:17 4 Q. And that's also the case even though Pima
03:53:21 5 County Recorder's current policy for federal form
03:53:24 6 registrants is that their affirmation of citizenship
03:53:26 7 satisfies showing they are a citizen for purposes of
03:53:29 8 federal elections, right?

03:53:30 9 A. That is correct.

03:53:34 10 Q. So if H.B. 2492 were to go into effect, the
03:53:38 11 only purpose served by the citizenship checkbox would be
03:53:40 12 as a basis for rejecting a registration form, right?

03:53:43 13 A. That is correct.

03:53:49 14 Q. And if the checkbox were to become mandatory,
03:53:53 15 you have no planned additional uses for how your office
03:53:56 16 would use the checkbox?

03:53:58 17 A. Not at this time, no.

03:54:05 18 Q. Okay. I'd like if you could pull up
03:54:08 19 Exhibit 72, which is labeled Exhibit N in the Dropbox.

03:54:17 20 And I know you discussed this document
03:54:19 21 previously with counsel as well, so I'm going to only
03:54:23 22 ask one or two more questions about it.

03:54:25 23 You testified earlier that in these e-mails the
03:54:31 24 Pima County Recorder made clear her view that H.B. 2492
03:54:35 25 violated federal law, right?

Mi Familia Vota vs. Adrian Fontes
Hilary Hiser

03:54:37 1 A. That is correct. These do reflect the
03:54:41 2 Recorder's view on this bill.
03:54:42 3 Q. And that e-mail was sent on March 29th, 2022?
03:54:47 4 A. It was, yes.
03:54:48 5 Q. And to your knowledge, were any changes made to
03:54:52 6 H.B. 2492 between the time this e-mail was sent and the
03:54:56 7 law was signed into effect by Governor Ducey?
03:54:59 8 MR. LANGHOFER: Form.
03:55:02 9 THE WITNESS: I'm not aware of any
03:55:03 10 changes.
03:55:07 11 BY MR. DODGE:
03:55:08 12 Q. Could you scroll down to the top of the second
03:55:09 13 page of this document?
03:55:15 14 And do you see where the County Recorder in an
03:55:17 15 e-mail says, "A small group of Recorders, Elections
03:55:21 16 Directors, and an AACO representative just met with a
03:55:24 17 representative from the Governor's Office and he's
03:55:26 18 shared our letters with the Governor, but the clock is
03:55:29 19 ticking and there's no commitment that the Governor will
03:55:33 20 veto the bill"? Do you see that?
03:55:35 21 A. I do.
03:55:36 22 Q. Beyond the Pima County Recorder, do you know
03:55:38 23 who attended that meeting with the Governor's
03:55:40 24 representative?
03:55:44 25 A. I don't know. I could hazard a guess, but I

03:55:49 1 might be incorrect.

03:55:51 2 Q. What's your best recollection, understanding
03:55:54 3 that this occurred over a year ago?

03:56:01 4 A. I would -- I think Recorder Richer of Maricopa
03:56:06 5 was most likely there, Recorder Hoffman, Recorder
03:56:18 6 Hansen, probably the election directors from some of
03:56:20 7 those smaller counties. The AACo representative most
03:56:28 8 likely was Jennifer Marson, our lobbyist.

03:56:36 9 Q. Great. Thank you. I appreciate that. You can
03:56:37 10 set that aside now. I'm going to change gears a little
03:56:42 11 bit.

03:56:43 12 You would agree that prior to H.B. 2492 and
03:56:47 13 H.B. 2243 it was not legal for a person who was not a
03:56:49 14 U.S. citizen to register to vote in Arizona, correct?

03:56:54 15 A. Yes. Correct.

03:56:56 16 Q. And would you agree, also, that there were
03:56:58 17 policies, laws, and procedures in place in Arizona and
03:57:01 18 in Pima County to prevent noncitizens from registering
03:57:05 19 to vote?

03:57:05 20 A. Yes.

03:57:08 21 Q. And in Arizona it's a felony for a person to
03:57:11 22 register as an elector when they know they're not
03:57:14 23 entitled to register as one, correct?

03:57:15 24 A. That is correct.

03:57:19 25 Q. What does the Pima County Recorder's Office do

03:57:21 1 to identify any instances of voter fraud?

03:57:30 2 A. Instances of voter fraud or instances of false

03:57:34 3 registration? We consider those to be slightly

03:57:37 4 different.

03:57:38 5 Q. Why don't you give me your answer as to both.

03:57:44 6 A. For registration, if we deemed that the

03:57:46 7 registration is absolutely fraudulent, we would refer to

03:57:54 8 the County Attorney's Office for investigation or the

03:57:57 9 Attorney General's Office. We would not register that

03:58:02 10 voter. That would certainly be something that we would

03:58:06 11 not put into the system.

03:58:10 12 Voter fraud is something different. Voter

03:58:12 13 fraud is someone who, you know, might vote twice, you

03:58:19 14 know, vote across multiple jurisdictions. Those are

03:58:24 15 instances of what we would consider voter fraud.

03:58:28 16 Q. Got it.

03:58:28 17 So you see those as different acts happening at

03:58:31 18 different stages of the voting process, right?

03:58:33 19 A. Correct.

03:58:33 20 Q. And if you suspect someone's trying to register

03:58:40 21 fraudulently, you refer that to the County Attorney?

03:58:43 22 A. If we believe that to be the case, yes.

03:58:46 23 Q. Can citizens submit allegations of potential

03:58:50 24 registration fraud to your office?

03:58:58 25 A. I suppose they could. We wouldn't personally

03:59:01 1 do anything about it. We would direct them to the
03:59:03 2 Arizona Attorney General's Office or the County
03:59:06 3 Attorney's Office for those allegations. Fraud is a
03:59:09 4 criminal allegation, so we would refer them to
03:59:13 5 prosecuting agencies.

03:59:15 6 Q. In practice, do citizens ever refer those sorts
03:59:18 7 of allegations to your office?

03:59:32 8 A. Sometimes.

03:59:33 9 Q. Can you tell me what sometimes means there?

03:59:40 10 A. There is an individual who is known to several
03:59:42 11 of the Recorders here in the state of Arizona, who is an
03:59:46 12 out-of-state individual who investigates our rolls and
03:59:50 13 identifies people on our rolls who he suspects should be
03:59:56 14 removed, for whatever reason, and alerts us to those
04:00:04 15 individuals, requesting that we do follow-up.

04:00:09 16 Q. Could you tell me that individual's name?

04:00:11 17 A. His name is Ian Camacho.

04:00:15 18 Q. And in your experience, are his allegations
04:00:18 19 typically credible or based in fact?

04:00:24 20 A. Sometimes he peppers us with so many we -- we
04:00:29 21 don't -- well, we don't really investigate them. And a
04:00:32 22 lot of the times is he provides us Facebook posts
04:00:35 23 showing that people have moved or property sale
04:00:42 24 notices from the County Assessor's Office or a LinkedIn
04:00:48 25 thing, so I mean...

04:00:52 1 He also will list a number of voters and say
04:00:54 2 that the addresses do not -- are invalid and that we
04:01:00 3 should remove them. For those we can do a little bit
04:01:02 4 more investigation. For the ones where people are
04:01:04 5 sending us things like Facebook posts and LinkedIn
04:01:09 6 profiles, that's not anything that I can do, so we
04:01:12 7 let...
04:01:14 8 If he chooses to think that that's something
04:01:15 9 that we should investigate, we always refer them. We've
04:01:21 10 told Mr. Camacho and his associates that those should be
04:01:26 11 referred to the Attorney General's Office.
04:01:29 12 Q. And do you refer those sorts of allegations to
04:01:33 13 the Attorney General's Office when they're just based on
04:01:36 14 a Facebook post or a LinkedIn update?
04:01:39 15 A. No.
04:01:39 16 Q. And that's because they don't really give you a
04:01:41 17 sufficiently credible basis to follow up, right?
04:01:45 18 A. We would not consider that to be credible. If
04:01:49 19 we had a -- if another county in another state were to
04:01:54 20 contact us and say, you know, we have a voter that's
04:01:58 21 registered here, we would take that with more
04:02:01 22 credibility and work with that county because it's
04:02:04 23 another government agency, to be able to follow up and
04:02:07 24 do what we would need to do, whether it's removing them
04:02:12 25 from our roll or confirming that they should be on their

04:02:15 1 roll; but that would be between another election

04:02:20 2 official.

04:02:22 3 Q. So it wouldn't become a criminal matter?

04:02:24 4 A. No, not unless it was determined that the voter

04:02:29 5 in question had voted across two states.

04:02:33 6 Q. Understood.

04:02:34 7 Beyond Mr. Camacho, does your office sometimes

04:02:41 8 receive allegations of improper voter registration from

04:02:44 9 citizens?

04:02:48 10 A. Not consistently, no.

04:02:50 11 Q. Maybe just a handful of times a year or a

04:02:53 12 month?

04:02:55 13 A. Few and far between. It's probably more of a

04:03:01 14 call of I think this person shouldn't be registered to

04:03:05 15 vote, you know, what are you going to do about it type

04:03:09 16 of thing. We don't get direct referrals.

04:03:16 17 There are several people who like to go in

04:03:18 18 front of the Board of Supervisors and do calls to the

04:03:21 19 public regarding our maintenance of the voter

04:03:27 20 registration rolls, but I wouldn't consider that a -- I

04:03:31 21 wouldn't consider them contacting our office.

04:03:35 22 Q. Understood.

04:03:36 23 And beyond just your office's ordinary

04:03:40 24 registration processes, are there any steps that your

04:03:42 25 office takes to prevent voter registration fraud?

04:03:51 1 A. Other than what we've already outlined, no.

04:04:00 2 Q. And beyond those steps you take to prevent

04:04:04 3 voter registration fraud, are there any actions that we

04:04:07 4 haven't discussed today that your office takes to

04:04:09 5 prevent what you've described as voter fraud itself?

04:04:15 6 A. Other than referring things to the County

04:04:22 7 Attorney or to the Attorney General's for investigation,

04:04:22 8 no.

04:04:32 9 Q. What determines whether something's referred to

04:04:34 10 the County Attorney or the Attorney General's Office?

04:04:37 11 A. It would have to be, from our instance, a

04:04:41 12 fairly clear and compelling view. For the last election

04:04:49 13 cycle we had a handful of people who cast both a

04:04:53 14 provisional ballot and a ballot by mail. We would

04:04:57 15 consider that to be an instance of double voting, so we

04:05:01 16 would -- we had referred that to the County Attorney's

04:05:04 17 Office for additional investigation and follow-up for

04:05:07 18 the County Attorney to be able to make a determination

04:05:11 19 as to whether or not to prosecute.

04:05:15 20 Q. To your knowledge -- sorry. Finish.

04:05:18 21 A. And then we've had some instances of double

04:05:21 22 voting across state lines that where we've noticed from

04:05:26 23 the ERIC cross-state voter match reports, and in those

04:05:30 24 instances we would work with the other state, determine

04:05:32 25 who had jurisdiction, and then refer to either our

04:05:36 1 County Attorney or the state would refer to their -- I'm
04:05:39 2 sorry, our Attorney General's Office, and they would
04:05:41 3 refer to their Attorney General's Office.

04:05:43 4 Q. I see. So you tend to elevate it to the
04:05:46 5 Attorney General when there's an interstate component?

04:05:49 6 A. Correct.

04:05:50 7 Q. Got it.

04:05:51 8 You mentioned some instances of people
04:05:53 9 potentially double voting in the 2020 general election.
04:05:57 10 To your knowledge, were any of those individuals
04:05:59 11 noncitizens?

04:06:00 12 A. It was during the '22 election that I was
04:06:03 13 making that reference to. And, no, those were all
04:06:06 14 registered voters.

04:06:07 15 Q. And to your knowledge, they were all actual
04:06:12 16 residents of Pima County as well, right?

04:06:13 17 A. They were.

04:06:21 18 Q. Does your office believe that there's a problem
04:06:23 19 of voting by noncitizens in Pima County?

04:06:26 20 MR. LANGHOFER: Form.

04:06:31 21 THE WITNESS: I think that our office does
04:06:33 22 an exceptional job of maintaining the voter registration
04:06:37 23 rolls, and we have very talented and dedicated staff who
04:06:42 24 do that on a daily basis. I trust in their -- I trust
04:06:48 25 in their work.

04:06:50 1 BY MR. DODGE:

04:06:50 2 Q. So, in other words, just by following your
04:06:54 3 Recorder's Office's current protocols for registering
04:06:58 4 voters, that mitigates any concern about a problem of
04:07:01 5 noncitizen voting in Pima County, right?

04:07:04 6 A. Correct.

04:07:08 7 Q. And is the same true for voting by nonresidents
04:07:13 8 in Pima County?

04:07:16 9 A. Again, I trust the work of our team. They have
04:07:24 10 a wonderful attention to detail. Our first check/second
04:07:29 11 check/supervisor review structure provides necessary
04:07:32 12 oversight. So, again, I trust their work.

04:07:37 13 Q. And to be clear, all those procedures you just
04:07:40 14 described existed prior to H.B. 2492 and H.B. 2243,
04:07:44 15 right?

04:07:44 16 A. They do.

04:07:48 17 Q. Is it plausible to you that tens of thousands
04:07:52 18 of noncitizens vote in Arizona's elections?

04:07:56 19 MR. LANGHOFER: Form, foundation.

04:08:02 20 THE WITNESS: No, I don't think that's
04:08:21 21 plausible.

04:08:21 22 BY MR. DODGE:

04:08:21 23 Q. Do you agree that H.B. 2492 and H.B. 2243 will
04:08:25 24 make voter registration more difficult for voters in
04:08:28 25 Pima County?

04:08:32 1 A. I don't know if it will make it more difficult
04:08:34 2 for voters to register. It will make it more difficult
04:08:37 3 for us to process voter registration forms.

04:08:45 4 Q. If you could pull up -- I promise I'm getting
04:08:48 5 near the end. If you could pull up what's been marked
04:08:51 6 Exhibit 63, which I believe was B, as in boy, in the
04:09:00 7 Dropbox. Then if you could turn to Page 16 of that
04:09:05 8 document.

04:09:09 9 A. Is it the requests for production that you're
04:09:13 10 referring to?

04:09:13 11 Q. That's right.

04:09:18 12 And let me know when you get to Page 16.

04:09:30 13 A. Okay.

04:09:31 14 Q. So looking at request for production number 15,
04:09:35 15 it asks for documents sufficient to identify all voter
04:09:39 16 fraud cases in your county since 2010, including but not
04:09:42 17 limited to identification of those cases involving
04:09:45 18 allegations of fraud based on noncitizen voting,
04:09:48 19 correct?

04:09:50 20 A. Yes.

04:09:52 21 Q. And if you go to the next page and sort of
04:09:56 22 skirt past the legalese and just go to the last
04:09:59 23 sentence, your office's response was, "Pima County
04:10:02 24 Recorder has nothing responsive as this data is not
04:10:07 25 currently tracked."

04:10:08 1 Did I get that right?

04:10:09 2 A. That is correct.

04:10:11 3 Q. And what does it mean that this data is not
04:10:13 4 currently tracked?

04:10:15 5 A. It's just we don't track that. I wouldn't even
04:10:19 6 begin to know how we would track that.

04:10:23 7 Q. Is it fair to say that if your office did have
04:10:25 8 documents regarding noncitizens voting during this time
04:10:28 9 period from 2010 to the present, it would have produced
04:10:31 10 them in response to this request, right?

04:10:33 11 A. If we had them, yes.

04:10:35 12 Q. And so sitting here today, it's still the case
04:10:37 13 that your office has no documents regarding any
04:10:40 14 noncitizen voting in Pima County since 2010, correct?

04:10:43 15 A. That is correct.

04:10:45 16 Q. If we could pull up Exhibit 66, which was
04:10:48 17 marked as E, as in excellent, in the Dropbox. And if we
04:10:59 18 could then look at interrogatory number 9, which begins
04:11:02 19 on Page 8.

04:11:06 20 Let me know when you have that.

04:11:14 21 A. Okay.

04:11:14 22 Q. So this interrogatory asks for you to identify
04:11:18 23 and describe each instance in which you have established
04:11:20 24 that a non-U.S. citizen or non-county resident has
04:11:24 25 registered to vote or has voted in your county from

Mi Familia Vota vs. Adrian Fontes

243

04:11:27 1 January 1, 2013 to the present, right?

04:11:29 2 A. Yes.

04:11:31 3 Q. And sitting here today, it's still correct that

04:11:33 4 your office has no information regarding any instance in

04:11:37 5 which a noncitizen has registered to vote or voted in

04:11:40 6 Pima County over the past decade?

04:11:41 7 A. That is correct. It's just not something we

04:11:43 8 track.

04:11:45 9 Q. Okay. You can set that aside.

04:11:54 10 And if you could pull up I believe it's

04:11:57 11 Exhibit 64, which is C, as in Charlie, in the Dropbox.

04:12:05 12 And then look at RFP number 7, which begins on Page 10.

04:12:19 13 Do you see that?

04:12:22 14 A. One second.

04:12:22 15 Q. Sure. Take your time.

04:12:29 16 A. Okay.

04:12:30 17 Q. And so that request for production asks for all

04:12:34 18 documents and communications concerning actual or

04:12:36 19 alleged misconduct, fraud, a lack of voter confidence,

04:12:40 20 election security, or other problems related to

04:12:42 21 citizenship, residence location, or proof of citizenship

04:12:46 22 or residential addresses in voter registration, right?

04:12:49 23 A. Yes.

04:12:51 24 Q. And your response was, "Pima County Recorder's

04:12:53 25 Office does not have any such records," correct?

04:12:57 1 A. Correct.

04:12:58 2 Q. And so sitting here today, you still have no
04:13:01 3 documents or information regarding any of the topics
04:13:04 4 called for in this request for production, correct?

04:13:06 5 A. Correct.

04:13:09 6 Q. Okay. You can set that aside.
04:13:10 7 I just have a few more questions on voting by
04:13:13 8 mail in Arizona.

04:13:14 9 In Arizona absentee ballots are called early
04:13:22 10 ballots, right?

04:13:22 11 A. That is correct.

04:13:23 12 Q. And Arizona presently allows all registered
04:13:26 13 voters to vote by early ballot, correct?

04:13:29 14 A. We do. You can request to vote an early ballot
04:13:31 15 or you can request to be on the active early voting
04:13:35 16 list, or AEVL, and that is -- it was previously called
04:13:37 17 the permanent early voting list, PEVL if you're down in
04:13:41 18 Pima County, PEVL if you're any other county.

04:13:44 19 Q. For not the first time today you've anticipated
04:13:47 20 some of our questions.

04:13:49 21 How long has it been the case, to your
04:13:52 22 recollection, that any registered voter in Arizona can
04:13:55 23 request an early ballot?

04:13:59 24 A. At least 20 years, if not more.

04:14:06 25 Q. And a person can request an early ballot

Mi Familia Vota vs. Adrian Fontes
Hilary Hiser

August 3, 2023

2:22-cv-00509-SRB
245

04:14:08 1 regardless of the form they use to register, right?

04:14:11 2 A. Yes.

04:14:14 3 Q. And a person who's on the active early voting

04:14:16 4 list that you just mentioned, that means that they're

04:14:19 5 automatically sent a ballot for each election and don't

04:14:21 6 have to request it each time, right?

04:14:23 7 A. That is correct.

04:14:24 8 Q. And they stay on that list unless they don't

04:14:26 9 vote in two subsequent elections, right?

04:14:31 10 A. That's new legislation. Prior to that it

04:14:35 11 didn't matter whether or not you would -- as long as you

04:14:38 12 were on AEVL, we would send you a ballot. Whether or

04:14:42 13 not you returned it, that was on the voter.

04:14:46 14 If we sent a ballot and it came back to us,

04:14:49 15 that would start the NVRA process. But now there's

04:14:57 16 legislation that says after two federal election cycles,

04:15:02 17 if they have not used the early ballot that is sent to

04:15:07 18 them, then they are removed from AEVL.

04:15:09 19 Q. I appreciate that clarification. Thank you.

04:15:13 20 Is it fair to say that voting an early ballot

04:15:17 21 by mail is popular in Arizona?

04:15:19 22 A. Yes, it's extremely popular in Arizona.

04:15:24 23 Q. And so most Arizona voters vote an early ballot

04:15:29 24 by mail, right?

04:15:29 25 A. I would say that the predominant number do.

04:15:32 1 Here in Pima County we have -- the majority of our
04:15:37 2 voters are on AEVL and the majority of our voters return
04:15:40 3 an AEVL ballot, an early ballot.

04:15:42 4 Q. Do you have a rough guess as to what percentage
04:15:45 5 of Pima County voters voted by early ballot in the 2022
04:15:49 6 general election?

04:15:50 7 A. I believe it was about 80 percent.

04:15:54 8 Q. And is that typical for an election in Pima
04:16:01 9 County?

04:16:01 10 A. For people to return an early ballot?

04:16:01 11 Q. Yes.

04:16:04 12 A. Yes, that is typical. It has increased as the
04:16:07 13 years have gone up, but that is typical.

04:16:10 14 Q. And I'm going to introduce my final exhibit.
04:16:14 15 It's in the Dropbox. It begins with the word release.
04:16:17 16 I believe it's at the bottom of the Dropbox. And I'll
04:16:21 17 mark this as Exhibit 81.

04:16:30 18 Do you recognize this document?

04:16:31 19 A. I do.

04:16:33 20 Q. And can you tell me what it is?

04:16:35 21 A. It's one of our media releases as it related to
04:16:41 22 the '22 election.

04:16:42 23 Q. And it reflects that in the 2022 primary
04:16:46 24 election early voting accounted for 86 percent of
04:16:51 25 ballots cast, right?

04:16:51 1 A. Correct.

04:16:52 2 Q. And that's basically in line with sort of the
04:16:54 3 estimate you gave for the general election as well,
04:16:57 4 right?

04:16:57 5 A. Yes.

04:16:58 6 Q. What benefits are there for a voter in casting
04:17:01 7 an early ballot?

04:17:04 8 A. There's many. You don't have to stand in line
04:17:12 9 at a vote center. You don't have to take time off of
04:17:15 10 work to go vote on a single day. For a lot of people
04:17:19 11 they like to do research on their ballot and make an
04:17:25 12 informed decision, so they can do that in the comfort of
04:17:27 13 their home. They can take the time to do that. They
04:17:33 14 can return it to us and we can, you know, verify the
04:17:38 15 signature and get it over to tabulation, so we can
04:17:42 16 actually start tabulating ballots before election day.

04:17:53 17 There's a myriad of reasons as to why an early
04:17:56 18 ballot is a very easy, functional, and preferred method
04:18:02 19 of Arizona voters as to why they choose to do that.

04:18:06 20 Q. Got it. Thank you.

04:18:07 21 And the return envelopes for those ballots have
04:18:11 22 prepaid postage, correct?

04:18:13 23 A. They do.

04:18:14 24 Q. So a voter can just drop it in the mail and
04:18:16 25 it's taken care of?

04:18:17 1 A. Uh-huh, or they can drop it off at any of our
04:18:19 2 early voting locations that are open in the 27 days
04:18:24 3 before election or they can drop it off at any of our
04:18:27 4 emergency voting locations on the Saturday and Monday
04:18:30 5 before election day, and they can also drop it off at a
04:18:34 6 vote center on election day.

04:18:37 7 Q. You just gave me a very comprehensive answer,
04:18:40 8 but if I could just ask a couple more possible benefits.
04:18:43 9 It's also the case that somebody who casts an
04:18:45 10 early ballot does not have to arrange transportation to
04:18:47 11 a voting center, right?

04:18:48 12 A. Yes, absolutely.

04:18:53 13 Q. They also don't have to figure out where their
04:18:56 14 voting center is, right?

04:18:57 15 A. That is correct. But here in Pima County we
04:19:01 16 have a vote center model, which is different than a
04:19:03 17 precinct-based model. So voters can actually go to any
04:19:07 18 vote center within Pima County and cast a ballot. They
04:19:10 19 don't have to be within their precinct to do that.

04:19:13 20 Q. Got it.

04:19:16 21 But with an early ballot, they don't even have
04:19:17 22 to figure out where any vote centers are, right?

04:19:20 23 A. That is correct.

04:19:20 24 Q. And they also don't have to figure out what the
04:19:23 25 voting hours for a vote center are, right?

04:19:24 1 A. That is also correct.

04:19:26 2 Q. There are also probably some voters in Arizona,
04:19:29 3 in Pima County, who might have mobility issues that make
04:19:33 4 getting to a voting center inconvenient, right?

04:19:35 5 A. It does assist people with mobility issues to
04:19:38 6 be able to cast an early ballot. We also provide on
04:19:43 7 election day and during early voting time team voting,
04:19:49 8 where we send two staff members of opposite parties out
04:19:54 9 to locations to help voters who are housebound or in a
04:19:58 10 facility that they are not able to leave to be able to
04:20:02 11 cast a ballot.

04:20:03 12 Q. Just a couple more.

04:20:06 13 When your office prepares election
04:20:09 14 infrastructure for election day, does it account for the
04:20:11 15 fact that most voters will have likely voted an early
04:20:15 16 ballot by mail?

04:20:16 17 A. So we do not prepare for election day here in
04:20:19 18 Pima County. The Recorder's Office is responsible for
04:20:23 19 early voting services and mailing out the early ballots.
04:20:28 20 It is the elections department's responsibility to
04:20:30 21 prepare for election day voting specifically.

04:20:35 22 Q. Does the fact that most Arizona voters cast an
04:20:38 23 early ballot by mail impact any of the infrastructure
04:20:41 24 you prepare for early in person voting at vote centers?

04:20:46 25 A. Yes, it does.

04:20:47 1 Q. And how so?

04:20:48 2 A. To be able to accommodate the large volume, as
04:20:54 3 I think I previously stated, our voter registration --
04:20:57 4 our active voter registration roll is somewhere north
04:21:00 5 of 630,000 registered voters. Of those registered
04:21:06 6 voters I believe maybe 490,000 of them are on AEVL.
04:21:13 7 so we will send out just shy of half a million
04:21:17 8 ballots to voters, and then we will have to -- as
04:21:20 9 those ballots come back, we need to signature verify
04:21:23 10 them. So we will have an extensive staffing for
04:21:28 11 signature verification.

04:21:30 12 We have extensive staffing for the ballot
04:21:33 13 processing center, getting the ballot, when the ballots
04:21:36 14 are returned to our office, scanned into our system,
04:21:40 15 basically checked in, back into our custody.

04:21:46 16 Then we have -- in the '22 election cycle we
04:21:49 17 had 15 early voting locations. In the '24 election
04:21:52 18 cycle we will have 18 early voting locations. Those all
04:21:56 19 have to be staffed. We keep those open -- three
04:22:01 20 locations will be open for the entire 27 days of
04:22:05 21 early voting. One location will be open for two weeks.
04:22:09 22 The rest of them will be open for a week. So people
04:22:11 23 have to be there for a week to be able to accommodate
04:22:16 24 voters. It's a huge lift. I mean the amount of
04:22:20 25 staffing that we increase just to be able to do that is

04:22:25 1 extremely large.

04:22:27 2 Q. Is it fair to say that because of the
04:22:28 3 popularity of mail voting, you tend to allocate your
04:22:32 4 resources towards mail voting and away from, you know,
04:22:37 5 additional in person options?

04:22:39 6 A. Again, we at the -- Pima County is separate in
04:22:43 7 terms of election day operations. That is the
04:22:46 8 responsibility of the elections director, who reports to
04:22:48 9 the county administrator.

04:22:52 10 The Pima County Recorder is an independent
04:22:55 11 elected office, and we just do early voting.

04:22:59 12 Q. Okay. Got it. Thank you.

04:23:02 13 You understand that under H.B. 2492 voters who
04:23:04 14 do not supply documentary proof of citizenship will not
04:23:07 15 be permitted to vote by mail with an early ballot,
04:23:11 16 correct?

04:23:11 17 A. Correct.

04:23:12 18 Q. And so you'd agree that those voters would lose
04:23:15 19 the benefits that you've just described with respect to
04:23:18 20 voting an early ballot by mail?

04:23:21 21 A. They would.

04:23:26 22 MR. DODGE: Okay. I have no further
04:23:27 23 questions.

04:23:27 24 Thank you for your time and for all the
04:23:29 25 hard work you do for people in Pima County.

04:23:38 1

EXAMINATION

04:23:38 2

BY MR. JOHNSON:

04:23:38 3

Q. Hi, Ms. Hiser. Would you like to take a break or are you good to go? I don't have that many questions, probably like 15 minutes, if you'd like to power through.

04:23:42 4

04:23:44 5

04:23:47 6

04:23:48 7

A. Sure.

04:23:49 8

04:23:52 9

04:23:55 10

Q. Okay. Thanks. And I'll echo the thanks for giving us your time today, especially during the busy part of the year for you all.

04:23:57 11

04:23:59 12

I just wanted to go back. And to enter my appearance, Hayden Johnson for the LUCHA plaintiffs.

04:24:02 13

04:24:04 14

04:24:07 15

04:24:10 16

04:24:12 17

04:24:15 18

So I wanted to go back to some questions you were asked earlier about state forms versus federal forms. Can you give me a sense, like what is the relative breakdown between the number of state form applications and federal form applications that your office receives?

04:24:17 19

04:24:20 20

04:24:31 21

04:24:34 22

04:24:41 23

04:24:44 24

04:24:48 25

A. I don't think that we actually track the differences between those forms. I think we would -- we receive state forms more frequently than we do federal forms, but we have seen federal forms. Federal forms will increase during voter registration peak periods before election cycles from the groups if they cannot get a state form.

Mi Familia Vota vs. Adrian Fontes
Hilary Hiser

August 3, 2023

04:24:51 1 We will provide state forms. The Secretary of
04:24:52 2 State's Office can provide state forms. You can print
04:24:55 3 off a state form. It just depends. Like I said, we'll
04:25:01 4 see an influx of them during voter registration time
04:25:05 5 frames before a major election.
04:25:08 6 Q. Okay. And so I guess you said more state forms
04:25:12 7 than federal forms. Would you say like substantially
04:25:15 8 more --
04:25:15 9 A. Yes.
04:25:15 10 Q. -- state forms than federal forms?
04:25:16 11 A. Yes.
04:25:19 12 Q. Okay. And you spoke earlier with Mr. Snow
04:25:21 13 about some of the NVRA agencies, designated agencies in
04:25:27 14 Pima County. Are you aware of any of those NVRA
04:25:31 15 agencies that use a federal form to provide their voter
04:25:35 16 registration services?
04:25:36 17 A. I don't know what they provide. We will
04:25:38 18 provide forms to any agency that contacts us. So should
04:25:42 19 a local office of DES want forms, we would provide them
04:25:47 20 the appropriate state form that would have the -- it's
04:25:53 21 an identifying -- it's an A or a B or a C or a D. So it
04:25:57 22 would have that on there, so we would know what type --
04:26:00 23 where the form came from.
04:26:04 24 Q. Okay.
04:26:04 25 A. But I don't know if other agencies are just

04:26:07 1 printing out the federal forms.

04:26:09 2 Q. But in all cases when you provide the form,

04:26:12 3 it's a state form to the state agencies, right?

04:26:15 4 A. Correct.

04:26:17 5 Q. And you just mentioned, you know, third-party

04:26:19 6 groups. Is that the same case with third-party groups;

04:26:22 7 that any time you provide voter registration forms, it's

04:26:25 8 the state forms?

04:26:27 9 A. We do, yes.

04:26:30 10 Q. To your knowledge, do you know of any Pima

04:26:34 11 County voter registration organizations that use the

04:26:37 12 federal form over the state form?

04:26:39 13 A. I don't. I'm sorry.

04:26:44 14 Q. I'd like to talk a little bit about just once

04:26:46 15 the form's returned, any differences between state form

04:26:50 16 and federal form.

04:26:51 17 So under current practice, does your office

04:26:54 18 process state form applications any differently in any

04:26:58 19 way from federal form applications?

04:27:00 20 A. No.

04:27:03 21 Q. And so to clarify, under current procedures,

04:27:07 22 when you're verifying documentary proof of citizenship,

04:27:09 23 that's the same regardless of whether the applicant uses

04:27:12 24 a federal form or a state form, right?

04:27:14 25 A. That is correct.

04:27:16 1 Q. Is there any information that you receive on a
04:27:20 2 state form that would have a bearing on your
04:27:22 3 determination of someone's citizenship that is not on
04:27:25 4 the federal form?

04:27:29 5 A. No, I don't think so. I think both forms -- I
04:27:36 6 think the federal form has a spot on it for like a
04:27:40 7 driver's license number, just like the state form
04:27:43 8 does. So there's a lot of similarities between the two
04:27:48 9 forms.

04:27:49 10 The state form has more information that it
04:27:54 11 requests, like occupation, e-mail, phone number, last
04:28:01 12 four digits of a social security number, you know,
04:28:05 13 mother's maiden name, father's name, place of birth.
04:28:11 14 All of those particular pieces of information we would
04:28:16 15 use as security questions. Those are not all reflected
04:28:19 16 on the federal form.

04:28:20 17 Q. But those are for security questions, not for
04:28:24 18 determining citizenship, right?

04:28:26 19 A. That is correct.

04:28:29 20 Q. Can you think of any reason why a voter
04:28:31 21 submitting a state form instead of a federal form would
04:28:34 22 be any less qualified to vote in federal elections in
04:28:38 23 Pima County?

04:28:39 24 MR. LANGHOFER: Form.

04:28:44 25 THE WITNESS: No.

04:28:48 1 BY MR. JOHNSON:

04:28:50 2 Q. Okay. We've talked about this document several

04:28:52 3 times. It's marked as Exhibit 73. It's Doc 0 from

04:28:59 4 the -- it's the veto letter that we've talked about a

04:29:01 5 few times. Do you mind pulling that up again?

04:29:09 6 And just let me know once you have that up.

04:29:11 7 A. I have it up.

04:29:13 8 Q. Okay. Thanks.

04:29:14 9 If you scroll down to about halfway down the

04:29:17 10 first page, the second bullet, do you see that line?

04:29:23 11 And this is the part of the veto letter that

04:29:26 12 says, "The bill creates again the situation where the

04:29:31 13 form a person uses to register will determine whether

04:29:35 14 that person is actually registered. It allows the

04:29:37 15 Recorder to obtain proof of citizenship only for those

04:29:40 16 who use the federal form to register. Anyone submitting

04:29:42 17 a state form without proof of citizenship is

04:29:45 18 automatically not registered. This had been eliminated

04:29:47 19 by the consent decree in the LULAC case so that

04:29:51 20 currently all voters are treated the same."

04:29:53 21 Did I read that correctly?

04:29:55 22 A. You did.

04:29:55 23 Q. Can you elaborate a little bit from your

04:29:57 24 understanding what that bullet point means?

04:30:00 25 A. Our understanding of the bill was, is that we

04:30:04 1 could reach out for the federal form for DPOC, but if
04:30:12 2 the state form didn't have DPOC, we would just have to
04:30:15 3 reject it out of hand, just immediately. So there
04:30:19 4 wouldn't be the ability for us to do the follow-up that
04:30:23 5 we're currently doing.

04:30:26 6 Q. And what do you think the effect of that would
04:30:28 7 be?

04:30:34 8 A. Well, it would definitely make registering --
04:30:44 9 an individual who wants to register to vote, if we had
04:30:48 10 to reject them because of this and we couldn't register
04:30:51 11 them as a federal only voter and then have them provide
04:30:53 12 us additional information, they would just have to
04:30:56 13 re-register again, so they'd have to go through the
04:30:59 14 entire process again.

04:31:01 15 That seems onerous on the voter and an
04:31:06 16 unnecessary amount of red tape and bureaucracy, where we
04:31:10 17 can easily just register them and then do the necessary
04:31:15 18 follow-up, rather than have to have them register again
04:31:19 19 or have to have them provide a registration application
04:31:22 20 a second time, because there really wasn't anything
04:31:26 21 wrong with their first registration application, they
04:31:28 22 just simply needed to provide some additional
04:31:31 23 supplemental information.

04:31:35 24 Q. If you scroll up a little bit in the same
04:31:37 25 letter, the first full paragraph. And once you're

04:31:41 1 there, let me know.

04:31:42 2 Do you see that paragraph?

04:31:45 3 A. Are you referring to paragraph -- "The bill

04:31:49 4 creates unnecessary barriers" paragraph?

04:31:51 5 Q. Yes. So that says, "The bill creates

04:31:53 6 unnecessary barriers for voters."

04:31:55 7 Is what we just discussed about the different

04:31:58 8 treatment of federal and state form voters, would you

04:32:01 9 say that's one of the unnecessary barriers?

04:32:03 10 A. Yes.

04:32:08 11 Q. All right. And then you spoke a little bit

04:32:11 12 about the burden that might be imposed on voters. I'm

04:32:15 13 wondering what that differential treatment of state form

04:32:19 14 and federal form applicants, what would be the burdens

04:32:22 15 on your office?

04:32:27 16 A. Well, I mean it would require programming

04:32:30 17 changes to the voter application. We would have to

04:32:36 18 provide, you know, rewrites of our internal procedures.

04:32:42 19 Just the mere fact of organizing the -- operationally it

04:32:50 20 would take a big lift.

04:32:54 21 Q. Understood.

04:32:55 22 I'd like to pull up one other document. It's a

04:32:59 23 new document here. This is Exhibit Z on the Dropbox,

04:33:03 24 but we'll mark it as Exhibit 81 here. The Bates number

04:33:08 25 is PIMA 0610. If you don't mind letting me know when

04:33:16 1 you have that up.

04:33:16 2 THE COURT REPORTER: It's 82.

04:33:17 3 BY MR. JOHNSON:

04:33:17 4 Q. Oh, 82. My apologies. 82. Now I've got to

04:33:21 5 renumber everything.

04:33:34 6 Do you have that up?

04:33:38 7 A. Yes, I do.

04:33:39 8 Q. All right. What is this document?

04:33:44 9 A. This is internal communications between the

04:33:52 10 County Recorder, the former chief deputy, Pamela

04:33:55 11 Franklin, myself, my two legislative liaisons, the

04:34:05 12 County Recorder's executive assistant, and our

04:34:09 13 communications person.

04:34:14 14 Q. Okay. And the first e-mail originates from Jen

04:34:21 15 Marson, right, who we know is the lobbyist for the

04:34:24 16 Association of Counties; is that right?

04:34:26 17 A. That is correct.

04:34:26 18 Q. Okay. And there it's urging a veto letter like

04:34:30 19 the one we've been discussing; is that right?

04:34:33 20 A. Correct.

04:34:33 21 Q. And so if you look at Page 1 there, that

04:34:36 22 appears to be an e-mail from you; is that right? The

04:34:42 23 bottom of Page 1.

04:34:43 24 A. Yes, it is.

04:34:44 25 Q. And what does that e-mail say?

04:34:47 1 A. "Hello Mike, We need to craft a statement in
04:34:49 2 opposition to this bill to ensure it is vetoed. Please
04:34:53 3 see below."

04:34:54 4 Q. And then up above your e-mail there's a
04:34:57 5 response; do you see that, from someone in your office
04:35:00 6 named Andrea?

04:35:01 7 A. Yes. She was the -- my legislative liaison.

04:35:05 8 Q. And what does that e-mail say?

04:35:08 9 A. "Hi Team, Another not so great aspect of this
04:35:11 10 bill is that it makes it a class 6 felony against the
04:35:14 11 recorder or elections director if anyone registers a
04:35:17 12 voter who was not a citizen at the time of registration.
04:35:22 13 This is regardless of intent, so a mistake would also be
04:35:25 14 a felony. Thanks, Andrea."

04:35:28 15 Q. And so was your office concerned about this
04:35:32 16 differential treatment of state forms and federal forms
04:35:35 17 regarding this Class 6 felony that Andrea references?

04:35:38 18 A. Absolutely.

04:35:40 19 Q. And other provisions of the laws we've been
04:35:43 20 talking about today, also concerned about criminal
04:35:46 21 prosecution?

04:35:47 22 A. Yes.

04:35:54 23 Q. From your experience, will the instructions
04:35:58 24 that have different processing for state form

04:36:01 25 applications versus federal form applications increase

04:36:04 1 the likelihood that eligible applicants will be
04:36:08 2 rejected?
04:36:09 3 MR. LANGHOFER: Form.
04:36:11 4 THE WITNESS: I think that's certainly a
04:36:13 5 possibility.
04:36:18 6 BY MR. JOHNSON:
04:36:18 7 Q. So voters under the current system that you
04:36:22 8 could obtain DPOC if they don't provide it on the state
04:36:25 9 form, you won't be able to do that if the challenged
04:36:28 10 laws are implemented; is that right?
04:36:31 11 A. That is correct.
04:36:31 12 MR. LANGHOFER: Calls for a legal
04:36:32 13 conclusion.
04:36:32 14 THE WITNESS: That's correct. We would
04:36:35 15 just have to reject the voter registration.
04:36:40 16 BY MR. JOHNSON:
04:36:41 17 Q. Okay. Thank you.
04:36:45 18 I have another document that we'll mark as
04:36:48 19 exhibit eighty -- what did we just do? We did 82. Now
04:36:54 20 this is 83, and it's titled 2A on the Dropbox. The
04:37:00 21 Bates number are PIMA 0062.
04:37:02 22 Do you see that document?
04:37:10 23 A. Are you referring to one of our form letters?
04:37:13 24 Q. Yeah.
04:37:14 25 What is this letter?

04:37:16 1 A. This would be one of our note code letters
04:37:20 2 regarding DPOC.

04:37:22 3 Q. And the bottom of Page 62, or Bates 62, it says
04:37:28 4 "Revised 5-2021," right?

04:37:32 5 A. Yes, that is correct.

04:37:33 6 Q. That just means that it was -- it's active
04:37:35 7 since May 2021; is that right?

04:37:38 8 A. That is correct.

04:37:40 9 Q. And what is this form doing? What's the
04:37:43 10 purpose of this form?

04:37:44 11 A. We would send this out to a voter that we had
04:37:48 12 registered as a federal only, asking them to provide us
04:37:52 13 proof of citizenship so they would be eligible to vote a
04:37:55 14 full ballot.

04:37:56 15 Q. If you scroll down to the next page,
04:38:02 16 Bates 0063, is that the same letter, but in Spanish?

04:38:05 17 A. It is.

04:38:06 18 Q. Okay. Are there copies of this letter in any
04:38:07 19 other languages that you use?

04:38:10 20 A. No. We use Spanish because we have a high
04:38:16 21 Spanish-speaking population in Pima County. We do not
04:38:23 22 translate into other languages unless specifically
04:38:28 23 asked, but no one has asked us to translate into another
04:38:31 24 specific language. So we do always translate to
04:38:34 25 Spanish.

04:38:35 1 Q. Is that the case for all the form letters that
04:38:37 2 your office sends?

04:38:39 3 A. Yes. They will always go out in English and
04:38:42 4 Spanish.

04:38:43 5 Q. And no other language, right, unless requested?

04:38:45 6 A. Correct.

04:38:49 7 Q. Would your office have to change its practices
04:38:51 8 outlined in this notice letter if H.B. 2492 is
04:38:57 9 implemented?

04:39:01 10 A. Well, if it were implemented, this letter
04:39:04 11 wouldn't go out to people who had registered with a
04:39:08 12 state form.

04:39:10 13 Q. Okay. You just wouldn't send this notice
04:39:12 14 letter for a state form applicant without DPOC, right?

04:39:16 15 A. Yes. We would continue to send this letter to
04:39:19 16 people who register with the federal only form.

04:39:24 17 Q. Okay. But as you said, that's fewer applicants
04:39:26 18 in Pima County, right?

04:39:28 19 A. Correct. It's more likely that we would
04:39:34 20 have -- it's more likely that we would receive a state
04:39:36 21 form that didn't have information on it for us to be
04:39:40 22 able to check citizenship. And so the default right now
04:39:44 23 is, is we register them as federal only. We send them
04:39:48 24 this letter. We let them know that they've been
04:39:51 25 registered as federal only. Please provide us this

04:39:54 1 additional documentation so you can vote a full ballot
04:39:58 2 at the next election.
04:40:03 3 Q. Okay. And then the last document and last
04:40:06 4 question here. It's -- we'll mark it as Exhibit 83.
04:40:14 5 It's titled 2C on the Dropbox, Bates number PIMA 1704.
04:40:20 6 Do you see that document?
04:40:20 7 THE COURT REPORTER: It's 84.
04:40:20 8 BY MR. JOHNSON:
04:40:31 9 Q. 84.
04:40:36 10 A. I'm sorry. One more time on what it's --
04:40:40 11 Q. Yeah. I had to recycle the numbers back. So
04:40:43 12 it's 2C. PIMA 1704 is the Bates number. You may have
04:40:49 13 to refresh.
04:40:57 14 A. Yes, I know this document.
04:40:59 15 Q. All right. What is this document?
04:41:00 16 A. This is the annotated version of the 2019
04:41:08 17 elections procedures manual reflecting the --
04:41:11 18 Q. Is this the -- oh, sorry to cut you off.
04:41:13 19 A. It's reflecting the legislative changes.
04:41:16 20 Q. Okay. And this is the same annotated manual
04:41:22 21 that you were speaking to Mr. Snow about earlier; is
04:41:24 22 that right?
04:41:24 23 A. That is correct.
04:41:30 24 MR. JOHNSON: Okay. No further questions.
04:41:31 25 Thank you.

04:41:38 1 MS. BRAILEY: Would you like a break or
04:41:39 2 would you like to power through? I probably have max
04:41:42 3 ten minutes.

04:41:46 4 THE WITNESS: Could we take just a
04:41:47 5 five-minute break?

04:41:52 6 MS. BRAILEY: Yes. Let's go off the
04:41:52 7 record.

04:41:55 8 THE WITNESS: Thank you.

04:41:55 9 THE VIDEOGRAPHER: We are off the record.
04:41:56 10 The time on the video monitor is 4:41 p.m.

04:42:00 11 (A recess was taken.)

04:50:29 12 THE VIDEOGRAPHER: We are on the record.

04:50:36 14

04:50:37 15 EXAMINATION

04:50:37 16 BY MS. BRAILEY:

04:50:37 17 Q. Hi, Ms. Hiser. My name is Emily Brailey, and I
04:50:40 18 am here on behalf of the United States.

04:50:42 19 I'm going to bounce around just a few topics
04:50:44 20 that we've already discussed, just to get a little bit
04:50:46 21 more clarity.

04:50:51 22 So I have a couple questions about the trouble
04:50:53 23 file. If H.B. 2492 goes into effect, that would mean
04:51:00 24 that applicants would be required to provide their
04:51:04 25 birthplace and check the citizenship box; that's your

04:51:07 1 understanding, right?

04:51:08 2 A. That is my understanding, yes.

04:51:09 3 Q. And so if H.B. 2492 were implemented and you

04:51:13 4 received applications without that information, so

04:51:15 5 without the birthplace or missing the checkbox, would

04:51:19 6 those applications go into the trouble file or would

04:51:21 7 they be rejected outright?

04:51:24 8 A. From our understanding of the bill, they would

04:51:27 9 be rejected outright.

04:51:30 10 Q. Okay. And in the beginning of this deposition

04:51:32 11 I believe you described there were several different

04:51:35 12 units in your office. Will you remind me, which is the

04:51:39 13 unit that is responsible for handling the early ballots?

04:51:43 14 A. So our voter registration unit does voter

04:51:48 15 registration and early voting services. So we have a

04:51:55 16 voter manager. We have three voter registration

04:51:59 17 supervisors. One would be responsible for a signature

04:52:03 18 verification team, one would be responsible for the

04:52:06 19 ballot processing team, and one supervisor would be

04:52:09 20 responsible for the daily operations at our downtown

04:52:13 21 location and the operations of our early voting sites.

04:52:18 22 Q. And how did it come to be that the registration

04:52:21 23 unit handles the early ballots and not the elections

04:52:24 24 director or the unit that would handle, you know,

04:52:28 25 post-registration and election issues?

04:52:31 1 A. In the state of Arizona the Pima County
04:52:35 2 Recorder is responsible for the maintenance of the voter
04:52:38 3 registration roll, the voter registration database.
04:52:44 4 Because Pima County and the rest of the state of
04:52:48 5 Arizona, we have AVID, the ability to vote early by
04:52:50 6 mail, the Pima County Recorder's Office is the one that
04:52:54 7 sends out early ballots. So that's the differentiation
04:52:57 8 between our functions.

04:52:59 9 Because we are the entity responsible for
04:53:02 10 putting together the ballot packets and sending them out
04:53:05 11 to people on AEVL or sending them out to voters who are
04:53:08 12 requesting to vote early, that's why it's our
04:53:10 13 responsibility to take care of that. And we do not do
04:53:14 14 day of election voting and we do not do tabulation.

04:53:22 15 Q. And who is Mary Martinson?

04:53:24 16 A. Mary Martinson was an employee with the Pima
04:53:30 17 County elections department, but she has since retired.

04:53:32 18 Q. And was she at any of the -- any of the
04:53:37 19 meetings where -- you had discussed earlier in this
04:53:42 20 deposition that there had been several meetings where
04:53:44 21 people from your office would come together, also, with
04:53:48 22 the Secretary's Office and potentially others to discuss
04:53:52 23 concerns about the new laws, H.B. 2492 being one of
04:53:56 24 them. Was Mary ever at those meetings to express her
04:53:59 25 concerns, or was she ever at those meetings, I should

04:54:04 1 say?

04:54:06 2 A. She might have been part of the -- so Mary was

04:54:15 3 the interim elections director for Pima County. Our

04:54:24 4 previous elections director retired. Mary was interim

04:54:28 5 for a while, until we hired a permanent replacement.

04:54:32 6 Mary would have attended meetings with the

04:54:35 7 Secretary of State's Office. The Secretary of State's

04:54:38 8 Office has meetings with the Recorders and elections

04:54:42 9 directors with the state of Arizona, so she would have

04:54:44 10 attended in her capacity as the interim election

04:54:46 11 director.

04:54:47 12 Q. Okay. And do you remember -- so do you have

04:54:50 13 any memory of her at those meetings and what she would

04:54:55 14 have said about the new laws?

04:55:00 15 A. No. I'm sorry.

04:55:02 16 Q. No, that's okay.

04:55:05 17 Okay. We've also previously talked about the

04:55:12 18 2023 draft EPM, and for ease we could pull it up. It's

04:55:19 19 Petty Exhibit 6. It's F in the list here.

04:55:31 20 A. The draft or the 2019?

04:55:34 21 Q. Oh, I'm sorry, that's the wrong one. The

04:55:37 22 draft, which was G. I apologize. Not Petty Exhibit 6.

04:55:42 23 G, which I think was maybe Exhibit 67. I'm not sure.

04:55:47 24 A. Yes, I have that on the screen.

04:55:49 25 Q. Okay, great.

04:55:50 1 And I believe that you previously told us that
04:55:52 2 you were offering comments on Chapter 2; is that
04:55:59 3 correct?

04:55:59 4 A. Correct.

04:56:01 5 Q. And what's the subject matter of Chapter 2?

04:56:05 6 A. Subject matter for Chapter 2 is early voting.

04:56:09 7 Q. Okay. And did anyone else -- I guess,
04:56:13 8 specifically, did the elections director also comment on
04:56:17 9 Chapter 2 or just the registration, the election
04:56:24 10 director that was --

04:56:24 11 A. Because us being the Recorder's Office, we
04:56:27 12 would be responsible for early voting.

04:56:38 13 Q. Okay. And I understand your -- what you've
04:56:41 14 said about the use of birthplace in the office; but if a
04:56:46 15 voter does provide the information of place of birth, do
04:56:52 16 you input that into Voter?

04:56:55 17 A. Yes, that's a field that we could fill out in
04:56:59 18 Voter if the information is provided.

04:57:01 19 Q. And is there a uniform procedure in place in
04:57:04 20 the office on how that's -- how that information is put
04:57:08 21 into Voter?

04:57:11 22 A. If a -- if any box on the voter registration
04:57:15 23 form has information, that information is translated
04:57:18 24 into the voter registration data input. So whatever is
04:57:23 25 on the paper form that we receive, whether it's the

04:57:27 1 paper form through the mail or whether it is the form
04:57:30 2 through EZ Voter, whatever information is on those forms
04:57:35 3 in those boxes, they will correspond to the information
04:57:39 4 in Voter.

04:57:41 5 Q. And so it's translated exactly; it's not like
04:57:44 6 somebody puts ARIZ for Arizona as their place of birth
04:57:48 7 and then you translate it to AZ, or somebody puts
04:57:52 8 Nogales and you translate it to something else; it goes
04:57:57 9 exactly -- whatever they put in that box, it goes
04:57:59 10 exactly into Voter?

04:58:02 11 A. For boxes that don't have dropdown menus, yes.
04:58:07 12 So the Voter application, as I stated, you know, it's a
04:58:11 13 database, so we can create the fields and define the
04:58:14 14 fields. So some of them are dropdown menus.

04:58:19 15 So, you know, obviously a state, we would use
04:58:22 16 the abbreviation. That's easier to program in that
04:58:26 17 dropdown menu. But for fields where we have to input
04:58:29 18 information that is unique, that would be a field that
04:58:32 19 would have a parameter of how many characters could go
04:58:35 20 in there. So like you would set it to say you can have,
04:58:42 21 you know, 15 characters in this field if you were -- or
04:58:45 22 this field can only have numbers in it if it's related
04:58:48 23 to a date or a phone number or something like that.

04:58:51 24 Q. And how is it currently programmed, the field
04:58:54 25 in Voter for place of birth?

04:58:57 1 A. I believe it's a character field, so you can

04:59:00 2 type in there.

04:59:02 3 Q. Got it.

04:59:04 4 And does that mean that if applicants were
04:59:09 5 required to provide place of birth, would that field
04:59:12 6 have to be reprogrammed to make a more uniform way of
04:59:19 7 entering that information?

04:59:22 8 A. For consistency purposes we probably would do
04:59:25 9 some program changes to make it more uniform. We might
04:59:32 10 input -- you know, much like what we have for addresses
04:59:38 11 in Pima County, where we have the GIS layers and we
04:59:43 12 basically pull the addressing information into the
04:59:46 13 system so what's in our system will reflect what's on
04:59:50 14 the GIS, we would probably have to have a particular
04:59:53 15 standard of information that we would pull in, like a
04:59:57 16 world directory of the names of countries and proper
05:00:02 17 spellings and, you know, agreed-upon abbreviations,
05:00:05 18 things like that. We would have to program it for that
05:00:07 19 if we needed to provide that information.

05:00:13 20 Q. Thank you. That's very helpful to understand
05:00:15 21 that.

05:00:19 22 MS. BRAILEY: Okay, I think that is all I
05:00:20 23 needed to ask. So if anybody else has questions, I will
05:00:25 24 leave this on the record, since it's only been a few
05:00:27 25 minutes, but if nobody does -- oh, okay.

05:00:29 1 Thank you so much.

05:00:34 2 MR. LANGHOFER: All right. This is Kory
05:00:36 3 Langhofer. Tim, I'm happy to defer to you since you're
05:00:39 4 with the State and a little more higher on the totem
05:00:42 5 pole than me.

05:00:42 6

05:00:42 7 EXAMINATION

05:00:59 8 BY MR. HORLEY:

05:00:59 9 Q. I don't know about higher on the totem pole,
05:00:45 10 but, yes, I did have a few questions for you, Ms. Hiser.
05:00:48 11 So thank you again for your time. I really appreciate.
05:00:50 12 I know it's been a long day, so hopefully this part will
05:00:53 13 go quickly. Again, just a few things.

05:00:59 14 So to start out with, I wanted to touch on some
05:01:03 15 of what you talked about about guidance and, you know,
05:01:07 16 wishing to receive more guidance from the Secretary of
05:01:10 17 State and things like that before having to implement
05:01:15 18 these laws.

05:01:18 19 So the first thing I was curious about is, in
05:01:26 20 essence, you mentioned that like you generally, when
05:01:28 21 you're implementing voter laws, you have guidance from
05:01:31 22 the Secretary of State to do so, correct?

05:01:38 23 A. Yes, we would often -- we'll often refer to the
05:01:41 24 Secretary of State's Office for guidance; just as we
05:01:44 25 will have within the VRAC committees the intention of

05:01:52 1 Recorders across the state is to ensure that our
05:01:56 2 operations are as uniform as possible to make sure that
05:01:58 3 we're not doing things that are different from our peers
05:02:03 4 and to try to make it as uniform and seamless across
05:02:07 5 every state. It helps us to avoid voter confusion.

05:02:12 6 Q. Right. Okay. And that's true for voting laws
05:02:15 7 generally, not just the laws that are challenged here,
05:02:18 8 correct?

05:02:18 9 A. That is correct.

05:02:22 10 Q. And so, so far you mentioned a few times that,
05:02:26 11 you know, you lack good guidance on this; is that right,
05:02:30 12 on the laws that are being challenged here?

05:02:32 13 A. Correct.

05:02:36 14 Q. So, you know, if the laws are eventually
05:02:39 15 implemented, right, would further guidance that you
05:02:42 16 receive be helpful to implementing these laws?

05:02:46 17 A. Yes.

05:02:50 18 Q. Okay. Great. Thank you.

05:02:52 19 And then I wanted to turn to the topic of
05:02:57 20 confirming citizenship. So the first question is -- and
05:03:02 21 we may have covered this partially, but I think there's
05:03:05 22 still a few things I just wanted to clear up. So does
05:03:08 23 your office do anything to verify DPOC when it is
05:03:11 24 received?

05:03:14 25 A. What do you mean by verify the DPOC when it's

05:03:16 1 received?

05:03:18 2 Q. So, for example, if someone does provide you a

05:03:22 3 birth certificate or a passport, is there any step you

05:03:26 4 take to verify that document?

05:03:29 5 A. No. The presentation of the information is

05:03:33 6 sufficient for us to be able to confirm citizenship.

05:03:41 7 Q. Okay. All right. And then I was curious about

05:03:44 8 federal forms. So we talked about the checkbox a little

05:03:48 9 bit, and I wanted to circle back to that. So do you

05:03:50 10 think the citizenship checkbox provides you with

05:03:53 11 information about whether a voter is a citizen?

05:04:02 12 A. I guess it does. I've also seen people --

05:04:09 13 Q. Why is that?

05:04:11 14 A. Well, I mean it's a form, and so people are --

05:04:17 15 they, you know, have the possibility of creating an

05:04:20 16 error, and the absence of a checkbox not being completed

05:04:30 17 doesn't -- it provides us no more information than -- it

05:04:37 18 just -- it is what it is.

05:04:38 19 I'm sorry. That doesn't really answer your

05:04:40 20 question, I don't think, but that's my answer.

05:04:44 21 Q. Okay. Well, I'll ask you the same question for

05:04:47 22 state forms. So do you think the citizenship checkbox

05:04:50 23 provides any information about whether they're a citizen

05:04:53 24 when it's on a state form?

05:04:55 25 A. No, I don't. The state form has the

05:04:59 1 affirmation. They're attesting to the information that
05:05:01 2 they're providing. And because the state form is
05:05:05 3 specifically saying that the responsibility is on the
05:05:09 4 person signing that they have met the requirements for
05:05:12 5 voter registration, we take them at the face value.
05:05:17 6 So a checkbox being checked or not checked
05:05:21 7 wouldn't prevent us from being able to start the process
05:05:25 8 of starting the data entry for the voter registration
05:05:30 9 form.
05:05:33 10 The absence of something to do with
05:05:38 11 citizenship, so like a driver's license number that we
05:05:40 12 could run through DMV or a naturalization number or an
05:05:44 13 alien ID number, the absence of that type of information
05:05:48 14 would prevent us from registering them as a full ballot
05:05:52 15 voter, but we wouldn't reject them just because of a
05:05:56 16 lack of a check.
05:06:02 17 Q. Okay. Understood.
05:06:04 18 And then so continuing with state forms, so if
05:06:07 19 a registrant were to mark no in the citizenship
05:06:10 20 checkbox, but also provided a copy of a citizenship
05:06:14 21 document, like a birth certificate, how would your
05:06:17 22 office handle that?
05:06:22 23 A. So is your hypothetical that someone filled out
05:06:27 24 a form, they checked no on citizenship, but they also
05:06:29 25 provided us a copy of their U.S. birth certificate?

05:06:33 1 Q. Yes, or other DPOC.

05:06:39 2 A. Well, the copy of the DPOC would be the

05:06:42 3 controlling document, so we would take the DPOC and

05:06:46 4 register them as a full ballot voter.

05:06:51 5 Q. Could that raise like a red flag that maybe

05:06:54 6 that DPOC they've provided is inaccurate, given that

05:07:00 7 they checked no on the checkbox?

05:07:08 8 A. I mean -- I don't know.

05:07:18 9 Q. Okay. And one other question about how people

05:07:23 10 submit DPOC. So is it possible for a registered voter

05:07:27 11 to submit a purported copy of a citizenship document,

05:07:30 12 like, again, like a birth certificate, that is defective

05:07:33 13 in some way; like, for example, it's blurry, hard to

05:07:36 14 read, seems like it may have been photo-shopped?

05:07:44 15 A. I mean I suppose someone could do that.

05:07:52 16 Q. And in those situations, would it be helpful to

05:07:55 17 know how someone checked the checkbox, whether they said

05:07:58 18 yes or no on the checkbox?

05:08:00 19 A. I think if the copy of the DPOC was -- if we

05:08:04 20 had a -- if the copy provided to us on DPOC was not in a

05:08:10 21 form or format that we could easily identify, we would

05:08:15 22 just reach back out to the voter and inform them that

05:08:18 23 the supplementary information that they have provided to

05:08:22 24 us we really couldn't read, can they provide us a

05:08:25 25 cleaner copy of it.

05:08:28 1 Q. Okay. So you wouldn't consult the checkbox
05:08:31 2 before making that determination, or --
05:08:35 3 A. No, that wouldn't be the -- that would not be
05:08:38 4 the first thing that we would look at.
05:08:41 5 Q. Okay. And then, now I wanted to turn again
05:08:44 6 about confirming citizenship, but sort of more looking
05:08:47 7 at the databases that you all use. I know you've talked
05:08:51 8 about this quite a bit. So I just wanted to confirm
05:08:53 9 that, you know, when you're checking for citizenship
05:08:57 10 now, do you use the HAVA system to do that?
05:09:02 11 A. We do.
05:09:07 12 Q. Okay. And then the MVD system, do you use that
05:09:10 13 database?
05:09:11 14 A. We do.
05:09:14 15 Q. And you use the SAVE system as well?
05:09:17 16 A. We do.
05:09:21 17 Q. And do you consider the MVD data to be
05:09:25 18 generally reliable?
05:09:30 19 A. Generally, yes.
05:09:38 20 Q. Okay. And if a naturalized citizen's status
05:09:42 21 has not yet been updated with the MVD, they can easily
05:09:46 22 reconcile the matter by providing your office with
05:09:51 23 documentation of the naturalization, correct?
05:09:53 24 MR. HERRERA: Objection, form, for Promise
05:09:55 25 Arizona Plaintiffs.

Mi Familia Vota vs. Adrian Fontes
Hilary Hiser

05:09:56 1 THE WITNESS: If it is not updated with
05:09:58 2 MVD or DMV, we would accept their documentary proof from
05:10:03 3 their naturalization forms, yes.

05:10:03 4 BY MR. HORLEY:

05:10:07 5 Q. Right. And that's -- as you mentioned, you
05:10:09 6 would send them a notice. Then they could send you
05:10:12 7 those materials; is that right?

05:10:12 8 A. Yes.

05:10:12 9 MR. HERRERA: Objection, form, Promise
05:10:12 10 Arizona.

05:10:18 11 THE WITNESS: Yes, we would send them a
05:10:20 12 notice.

05:10:22 13 BY MR. HORLEY:

05:10:22 14 Q. Okay. And then does the Recorder's Office
05:10:25 15 consider the SAVE data to be generally reliable?

05:10:28 16 A. We do.

05:10:34 17 Q. So just to clarify, if an individual fails to
05:10:37 18 provide DPOC, but does check the citizenship box, are
05:10:41 19 they registered as a full ballot voter?

05:10:44 20 A. If they've failed to provide DPOC, they are
05:10:48 21 registered as federal only.

05:10:49 22 Q. Okay. And then your office would send them a
05:10:54 23 notice?

05:10:55 24 A. Correct.

05:11:03 25 Q. Okay. Now I just wanted to ask you a few

05:11:05 1 questions about birthplace. So for the state form your
05:11:10 2 office does not actively track whether voters provide
05:11:13 3 correct or incorrect birthplaces, right?

05:11:15 4 A. That's correct.

05:11:19 5 Q. And I understand that there's no easy way to
05:11:21 6 determine how many individuals noted birthplace on the
05:11:25 7 state form; but generally, in your experience, do voters
05:11:28 8 commonly include birthplace on their state forms?

05:11:36 9 A. It's really -- it's really up to the discretion
05:11:40 10 of the voter. Some people prefer not to pro -- the
05:11:46 11 voter registration form has specific areas that do say
05:11:49 12 required. Those forms have to be filled out. There
05:11:55 13 needs to be information in those minimum fields for us
05:11:59 14 to be able to successfully input the voter registration
05:12:02 15 system into the -- input the voter registration
05:12:07 16 application into the system. Because the other boxes on
05:12:12 17 the form are voluntary, it just depends on the comfort
05:12:16 18 of the voter filling that information out.

05:12:24 19 Q. Okay. So it's -- you know, would you say most
05:12:27 20 voters do include the information or not?

05:12:33 21 A. I really -- I couldn't -- I couldn't tell you.
05:12:36 22 That's a very -- for 630,000-plus voters, I have no
05:12:43 23 idea.

05:12:45 24 Q. Okay. Understood.

05:12:46 25 And then so you did mention that you use

05:12:51 1 birthplace sometimes as like a security question to
05:12:54 2 confirm people's identity over the phone --

05:12:56 3 A. Correct.

05:12:57 4 Q. -- is that right?

05:12:58 5 And so suppose that there was a discrepancy

05:13:04 6 between two applicants, two applications, who have the

05:13:07 7 same name, same address, but they listed two different

05:13:10 8 places of birth. How would the county address that?

05:13:16 9 A. Well, I think we would probably -- if

05:13:23 10 there's -- the first thing to do would be we would

05:13:26 11 contact the voter, the person on the registration form,

05:13:30 12 and call them and ask them some questions and get some

05:13:34 13 information.

05:13:37 14 That would be considered a unique situation.

05:13:40 15 We would put that in the troubles for additional

05:13:44 16 follow-up and review by a supervisor to determine next

05:13:50 17 steps. That's an out of the ordinary process, so we

05:13:54 18 would treat it a little differently than just a normal

05:13:58 19 data entry.

05:14:02 20 Q. Okay. Understood.

05:14:04 21 And if the Secretary of State issued guidance

05:14:07 22 that the county should change how it uses its birthplace

05:14:11 23 information, would you follow that guidance?

05:14:16 24 A. We would probably take it under advisement and

05:14:20 25 review it with our attorney, and if we didn't have any

05:14:25 1 issues, we would probably follow that advisement and
05:14:27 2 guidance.

05:14:32 3 Q. Okay. And if a registrant were to write on his
05:14:35 4 or her form that he or she was born in state one, say,
05:14:40 5 for example, New York, but also provided a copy of a
05:14:42 6 birth certificate from state two, for example, Florida,
05:14:45 7 right, so DPOC says one thing, place of birth says
05:14:48 8 something else, what would your office do in that
05:14:50 9 situation?

05:14:54 10 A. I think that's an unusual hypothetical. Again,
05:14:57 11 that would be something that we would probably put to
05:15:00 12 our troubles and do follow-up with a supervisor. It's
05:15:05 13 something out of the ordinary as to what we do.

05:15:08 14 Obviously we would contact -- our default is
05:15:13 15 always to start with contact with the voter on the form.
05:15:21 16 So, you know, maybe the voter says that they're from New
05:15:27 17 York or maybe they interpret it as from, rather than,
05:15:30 18 you know, born. I don't know. We would first start off
05:15:34 19 with contacts with the voter, and then we would take it
05:15:36 20 from there. That would be a case-by-case basis.

05:15:41 21 Q. Okay. But it would raise a question of needing
05:15:44 22 to resolve that somehow and verify that information?

05:15:50 23 A. Yes. We would -- we would do some sort of
05:15:54 24 follow-up with it.

05:15:57 25 Q. Okay, great.

05:15:58 1 Last question on the birthplace issue. So
05:16:04 2 suppose a dispute arises about whether a registered
05:16:08 3 voter is a citizen; for example, suppose the voter
05:16:11 4 claims she was born in the United States, but the
05:16:14 5 voter's sister claims she was born in another country
05:16:17 6 and is not a citizen, right.

05:16:18 7 Could it be useful to know which state the
05:16:20 8 voter claims she was born in?

05:16:24 9 A. No, not really, not unless they have a birth
05:16:29 10 certificate from the state.

05:16:34 11 Q. Right. Okay. So if the voter claims that she
05:16:37 12 was born in New York, it might be useful if there was
05:16:42 13 like records that you could perhaps call New York and
05:16:44 14 ask them do you have records of this person?

05:16:47 15 A. We would not call another state and request
05:16:50 16 records on that.

05:16:53 17 Q. Okay. Understood.

05:16:55 18 All right, I had one question. I actually
05:16:58 19 wanted to introduce another exhibit here and a document
05:17:01 20 that we haven't looked at yet.

05:17:03 21 MR. HORLEY: I don't believe that I have
05:17:04 22 access to the Dropbox to upload things. So I'm not sure
05:17:10 23 what people feel is the easiest way. I think perhaps
05:17:13 24 just screen sharing, and then we can e-mail it to
05:17:15 25 everybody after this; but if anybody has a problem with

05:17:18 1 that, let me know.

05:17:23 2 MR. LANGHOFER: I'm good.

05:17:29 3 BY MR. HORLEY:

05:17:29 4 Q. Okay. All right. I'm going to try and screen

05:17:31 5 share this here.

05:17:36 6 Okay, Ms. Hiser, do you see this document that

05:17:42 7 I've put up on the screen share?

05:17:45 8 A. I have, yes. Could you enlarge it just a

05:17:48 9 little bit, please?

05:17:50 10 Q. Yes. Let me see if I can zoom in a bit here.

05:17:55 11 Does that help?

05:17:56 12 A. Yes. Thank you.

05:17:59 13 Q. Okay, great. Thank you.

05:18:00 14 So this document, do you see this number here

05:18:06 15 down in the right-hand corner?

05:18:08 16 A. Uh-huh.

05:18:11 17 Q. Yeah. So Pima County produced this document in

05:18:16 18 response to requests for productions?

05:18:18 19 A. We did.

05:18:22 20 Q. Yes. Okay.

05:18:22 21 And can you tell me, based on what you see

05:18:25 22 here, what we're looking at?

05:18:29 23 A. This is a query of the voter registration

05:18:34 24 database for involuntary cancellation as a status

05:18:40 25 reason, and it's showing the MVD record check time and

05:18:46 1 date. That's the voter registration county number.

05:18:53 2 I'm sorry. If you go start from left, the

05:18:57 3 first column, MVD record check, there is a date and

05:19:01 4 time.

05:19:01 5 Q. Yes.

05:19:01 6 A. That would have been the date and time that we

05:19:04 7 used the system. Then there's the Pima County ID number

05:19:08 8 right there.

05:19:10 9 Yep.

05:19:11 10 And then there is the registration date.

05:19:19 11 Q. Okay.

05:19:19 12 A. And then the effective date of the

05:19:23 13 registration.

05:19:26 14 Q. Okay.

05:19:27 15 A. And the last name, first name, middle name, if

05:19:32 16 provided, and additional suffix of what the voter

05:19:38 17 provided on their voter registration form. And then the

05:19:45 18 status is canceled. That's the second to last column.

05:19:49 19 And then the final column is the status reason for the

05:19:54 20 cancellation, so involuntary cancellation.

05:20:00 21 Q. Okay. So are these people -- I'm sorry.

05:20:02 22 Is this a list of people who have had their

05:20:05 23 voter registration involuntarily canceled?

05:20:08 24 A. It is.

05:20:12 25 Q. And can -- is there a way to tell why their

05:20:16 1 registration was involuntarily canceled?

05:20:19 2 A. We would have to go back into every single
05:20:22 3 record and look at the change history. This is just
05:20:25 4 simply a query.

05:20:28 5 Q. Got it. Understood.

05:20:30 6 And so, you know, I understand there may be no
05:20:33 7 way to tell, certainly not from this document, why
05:20:36 8 someone was involuntarily canceled; but based on your
05:20:40 9 experience with the Recorder's Office, what is the most
05:20:43 10 common reason that someone would be involuntarily
05:20:46 11 canceled?

05:20:48 12 A. They could be involuntarily canceled based off
05:20:52 13 of information provided by the jury report. They can be
05:20:57 14 involuntarily canceled based off of a cross-state mover
05:21:04 15 report from ERIC. They could be notification from
05:21:10 16 another county that the cancellation is moved, that the
05:21:14 17 voter has moved, so to cancel the record.

05:21:18 18 It can be from the NVRA process. They went
05:21:25 19 inactive. We didn't hear back from them to update their
05:21:28 20 voter registration information. They received another
05:21:31 21 notification. They met the time frame for inactivity
05:21:35 22 and then, therefore, we canceled them.

05:21:38 23 It could be a variety of different reasons.
05:21:42 24 Without opening the voter record and looking at the
05:21:45 25 exact change history as to why the -- every activity

05:21:54 1 that's done in the voter registration database, any
05:21:57 2 change done to it is tracked by the operator who is
05:22:01 3 making any changes or modifications, and that is part of
05:22:05 4 the change history.

05:22:06 5 So a Voter clerk or a supervisor had to have
05:22:11 6 gone in to make the change to this to cancel the record,
05:22:18 7 and the change history would provide additional
05:22:21 8 information to that.

05:22:25 9 Q. Okay. So that information exists somewhere,
05:22:27 10 but it's just not on this document?

05:22:31 11 A. Correct.

05:22:33 12 Q. Okay. And so -- sorry. One moment.

05:22:41 13 So could it be the case that someone was
05:22:44 14 canceled after going through the process of having their
05:22:48 15 registration put into what you've been calling the
05:22:51 16 trouble file, and then, like you said, they don't
05:22:53 17 respond to notices, so after the time period they get
05:22:57 18 removed?

05:22:58 19 A. No. So these are voter registrations that were
05:23:01 20 active. So the trouble is to -- the way to think about
05:23:05 21 the trouble file is kind of like a suspended status. So
05:23:10 22 they have never been active voter registrations. These
05:23:13 23 were all active voter registrations that we've canceled
05:23:18 24 based off of this MVD check, based off of these time
05:23:25 25 frames.

05:23:27 1 So I'm moving a mouse that you cannot see on
05:23:31 2 the screen. So column one of the -- column one on your
05:23:39 3 left-hand side of the page, where it says "MVD Record
05:23:42 4 Check," that indicates --

05:23:46 5 Q. Yeah.

05:23:46 6 A. -- that that record went through the MVD
05:23:51 7 process for a check. The reason for that check I don't
05:23:54 8 know, but it went and went through that MVD check, and
05:23:59 9 then for whatever reason it came back as requiring a
05:24:02 10 cancellation.

05:24:06 11 Q. Okay. Understood.

05:24:07 12 Is it possible that that cancellation could
05:24:10 13 happen as a result of lack of DPOC?

05:24:27 14 A. I mean that's kind of a technical question
05:24:30 15 between the two databases. I don't know if it could
05:24:38 16 result in a DPOC because it -- we would register people
05:24:45 17 who do not provide DPOC as federal only. So without
05:24:53 18 pulling up one of these voter registration numbers to
05:24:55 19 see if they were a federal only voter, I don't know. I
05:24:58 20 can't answer that question.

05:25:03 21 Q. Okay. Understood. I think let's move on.

05:25:08 22 MR. HORLEY: And, oh, before I move on,
05:25:09 23 I'm not sure. Did I mark that as an exhibit? I believe
05:25:12 24 it should be number 85?

05:25:22 25 THE COURT REPORTER: Right.

05:25:23 1 MR. HORLEY: Okay, great. Thank you. All
05:25:28 2 right, so...

05:25:28 3 THE COURT REPORTER: Can you take the
05:25:29 4 screen down if you're done?

05:25:31 5 BY MR. HORLEY:

05:25:32 6 Q. Oh, yes. I have one more document that I would
05:25:33 7 like to discuss quickly, and then I will be done. So
05:25:38 8 one more screen share. I believe if I just click here,
05:25:42 9 we should be able to see it.

05:25:44 10 Ms. Hiser, can you see this document?

05:25:47 11 A. I can.

05:25:49 12 Q. Okay. Let's see. And do you see here this
05:25:56 13 number PIMA COUNTY 0584?

05:26:02 14 A. I do.

05:26:02 15 Q. So Pima County produced this document in
05:26:04 16 response to a request for production?

05:26:06 17 A. Yes.

05:26:09 18 Q. Yes. Okay.

05:26:10 19 And then I see here at the top it is addressed
05:26:15 20 from Stephanie, and I'm trying to recall. I know you
05:26:18 21 pronounced her name at the beginning. It was
05:26:21 22 Homewytewa, I believe?

05:26:22 23 A. Homewytewa, yes.

05:26:26 24 Q. Homewytewa, okay.

05:26:28 25 And so this e-mail is from Mrs. Homewytewa to

05:26:32 1 Recorder-admin; is that right?

05:26:34 2 A. It is.

05:26:39 3 Q. And do you know who would receive an e-mail
05:26:40 4 that was addressed to Recorder-admin?

05:26:43 5 A. Myself, the Pima County Recorder, the assistant
05:26:48 6 chief deputy, one of our program managers who is a --
05:27:00 7 does our outreach for the department, our communications
05:27:06 8 point of contact, our special staff assistant, who is
05:27:17 9 currently acting as the voter manager, and the
05:27:24 10 Recorder's personal assistant.

05:27:29 11 Q. Okay. So I would like to mark this as
05:27:33 12 Exhibit No. 85, or I'm sorry, 86. Should be Exhibit 86.

05:27:42 13 So have you -- do you recognize this document?

05:27:44 14 A. Would you give me a minute to read it to
05:27:47 15 refresh my memory?

05:27:50 16 Q. Yes, absolutely.

05:28:10 17 A. Thank you.

05:28:42 18 Q. Yes, and just let me know when you're ready,
05:28:47 19 Ms. Hiser.

05:29:31 20 A. Okay, I'm ready.

05:29:33 21 Q. All right. Thank you.

05:29:34 22 So I just wanted to confirm. So the first
05:29:37 23 sentence here -- well, actually, stepping back. So we
05:29:41 24 talked before about how Mrs. Homewytewa is an outreach
05:29:47 25 specialist for the Tohono O'odham Nation; is that

05:29:50 1 correct?

05:29:50 2 A. That is correct.

05:29:54 3 Q. Okay. And she works for your office, correct?

05:29:56 4 A. She does.

05:29:59 5 Q. Okay. And so she notes here -- I'll just read

05:30:04 6 directly from it. Quote, I have a VR training tomorrow

05:30:07 7 with Mi Familia Vota.

05:30:08 8 Have I read that correctly?

05:30:09 9 A. You have.

05:30:11 10 Q. Yes. So, and does VR stand for voter

05:30:15 11 registration?

05:30:15 12 A. It does.

05:30:17 13 Q. Okay. Great.

05:30:19 14 And is Mi Familia Vota, is that a voter

05:30:22 15 outreach group?

05:30:23 16 A. It is one of the voter outreach groups.

05:30:26 17 Q. And they do voter registration drives?

05:30:29 18 A. They do.

05:30:32 19 Q. Okay. Great.

05:30:33 20 And to your knowledge, are they a party to this

05:30:35 21 litigation?

05:30:37 22 A. They are.

05:30:40 23 Q. Yes. Okay.

05:30:41 24 So then turning to the next sentence, here

05:30:45 25 Mrs. Homewytewa says, "I am finding --" I'm sorry. So

05:30:51 1 she's saying that, quote, I was planning to also mention
05:30:54 2 some housekeeping items, and one of them is a reminder
05:30:57 3 to make sure that people are writing down their actual
05:31:00 4 driver's license numbers, as I am finding many that are
05:31:03 5 fake numbers or numbers that belong to someone else.

05:31:05 6 Did I read that correctly?

05:31:06 7 A. You did.

05:31:09 8 Q. Okay. So can you describe what this issue is
05:31:14 9 that she's encountering here?

05:31:18 10 A. This is in reference to the voter registration
05:31:21 11 forms that we received from many of the groups during
05:31:25 12 the last federal election cycle. We were receiving
05:31:31 13 large numbers of voter registration forms that as we
05:31:34 14 were processing them, we encountered a variety of
05:31:42 15 issues. We were not able to process the forms because
05:31:44 16 the information on there we determined to be invalid or
05:31:50 17 fake, as Stephanie's e-mail identifies.

05:32:00 18 So we encountered several forms that would
05:32:06 19 be -- some voters would have 14, 15 forms submitted on a
05:32:11 20 weekly basis for them, and there would be just single
05:32:14 21 changes to the forms, like a -- one number changed to
05:32:23 22 a -- a date of birth or a phone number, a driver's
05:32:26 23 license that had, you know, too many numbers or numbers
05:32:29 24 that belonged to somebody else, signatures that did not
05:32:35 25 match the signatures that we had on file for the voter.

05:32:41 1 So they would come in large -- they would
05:32:46 2 just -- there was just hundreds of these forms that were
05:32:54 3 very difficult to process, and most of them we would
05:33:00 4 enter them in the troubles as having received something
05:33:03 5 and they are not registered. They were not registered.
05:33:08 6 We would send letters out to addresses that we could.
05:33:12 7 Oftentimes we'd get letters back for addresses that
05:33:15 8 didn't exist.

05:33:16 9 Our voter registration system has the ability
05:33:19 10 to -- we have a very robust system that works with the
05:33:25 11 county's GIS, so we have -- we pretty much know every
05:33:28 12 single address within Pima County. So addresses would
05:33:33 13 come as not a valid address because it wouldn't -- it
05:33:39 14 literally would be an address this doesn't exist.

05:33:43 15 So she's referring to those issues that we were
05:33:46 16 having with the voter outreach groups.

05:33:53 17 Q. Okay. Great.

05:33:53 18 And then just scrolling back up to the top of
05:33:56 19 this, so this was sent on June 29th, 2022; is that
05:34:01 20 correct?

05:34:01 21 A. That is correct.

05:34:05 22 Q. And do you know when the effective date of
05:34:13 23 H.B. 2492 was?

05:34:15 24 A. It was January 1 of '23.

05:34:19 25 Q. Okay. And at this stage your office hadn't

05:34:25 1 been implementing H.B. 2492, correct?

05:34:27 2 A. No. It was not effective yet.

05:34:31 3 Q. Okay. Right.

05:34:32 4 And as you've said many times before, you're
05:34:34 5 not implementing it now, correct?

05:34:36 6 A. Correct.

05:34:38 7 Q. Yes.

05:34:38 8 So I just wanted to draw your attention to this
05:34:41 9 last sentence of this paragraph. She notes that, quote,
05:34:45 10 It occurred to me that maybe they are doing this in
05:34:47 11 response to H.B. 2492, where proof of citizenship needs
05:34:53 12 to be presented or the form cannot be accepted or
05:34:56 13 processed.

05:34:58 14 I'm sorry about that. My light just went off.
05:35:00 15 Okay, here we go.

05:35:02 16 So let me start over again. So let me just
05:35:06 17 read this out to you again. So she says, "It occurred
05:35:09 18 to me that maybe they're doing this in response to
05:35:12 19 H.B. 2492, where proof of citizenship needs to be
05:35:15 20 presented or the form cannot be accepted or processed."

05:35:18 21 Do you understand why she would think that they
05:35:22 22 might be doing this in response to H.B. 2492?

05:35:30 23 A. At -- so the -- at the time that the
05:35:33 24 legislation was signed into law there was a lot of
05:35:40 25 misunderstanding as to what it means and the

05:35:42 1 implications of it, more so out in the general public
05:35:49 2 than even with the Recorders and how we would
05:35:57 3 operationalize it.

05:35:57 4 So the information that the voter registration
05:36:04 5 groups rely on may sometimes present particular bills in
05:36:12 6 a particular way. So I think that Stephanie was -- I
05:36:18 7 think she was making an assumption. I don't know if her
05:36:22 8 assumption was correct. It simply appears to be that --
05:36:27 9 I think we were trying to understand the issues that we
05:36:29 10 were experiencing with the groups and seeing if maybe
05:36:33 11 there was a causal relationship. I don't know
05:36:36 12 specifically what she was referring -- what her thought
05:36:40 13 process was, but I could see that she was making --
05:36:43 14 trying to put two and two together.

05:36:50 15 Q. Okay. And you mentioned before kind of how
05:36:52 16 your office handled this issue. So I just want to be
05:36:56 17 clear. So if someone is providing something that is a
05:37:00 18 fake number, they wouldn't be registered to vote, right;
05:37:04 19 they would go into the trouble file?

05:37:06 20 A. Correct.

05:37:09 21 Q. And the same thing if they provided a driver's
05:37:11 22 license number that belonged to someone else?

05:37:14 23 A. Yes. We would -- particularly if there's --
05:37:20 24 particularly if the driver's license number is attached
05:37:23 25 to a voter that is already registered. You know, we

05:37:29 1 would not register that form that we received, and we
05:37:35 2 would contact the other voter and ask if they were
05:37:41 3 making changes to their voter registration form and
05:37:45 4 things like that. It just depends.

05:37:51 5 During this time frame that this was occurring,
05:37:54 6 this is June of '22, we started receiving -- the influx
05:38:03 7 of voter registration forms that our office started to
05:38:07 8 receive steadily picked up starting from April of '22 up
05:38:14 9 until the general election of '22.

05:38:22 10 There -- at this point in time I think we were
05:38:24 11 on a daily basis providing 500 preprinted forms or more
05:38:32 12 to the groups coming in asking for voter registration
05:38:35 13 forms, and they would, you know, drop off, you know,
05:38:39 14 three or 400 a day to us. It's just the volume was
05:38:46 15 absolutely intense.

05:38:54 16 Q. So in response to that heavy volume of
05:38:56 17 documents, some of which, as you pointed out, were
05:38:59 18 having this issue with fake numbers or other, you know,
05:39:02 19 incorrectly filled out forms, basically your response
05:39:06 20 was still the same that you would do for any other voter
05:39:11 21 registration form; you would go through the double-check
05:39:13 22 that you have, and if something is amiss, it goes into
05:39:16 23 the trouble file?

05:39:20 24 A. Yes.

05:39:20 25 Q. Yes. Okay.

05:39:21 1 And so apart from this sort of time period, is
05:39:24 2 this a common thing for people to put down someone
05:39:26 3 else's driver's license number or a fake number?

05:39:33 4 A. Fake numbers, yes. That happens more
05:39:37 5 frequently than we'd like to see.

05:39:40 6 Q. Why do you think people do that?

05:39:44 7 A. I don't know.

05:39:49 8 Q. And the fake number is something you can detect
05:39:51 9 through checks that you run, like a HAVA check, for
05:39:56 10 example?

05:39:56 11 A. Correct.

05:39:56 12 Q. Okay.

05:40:02 13 MR. HORLEY: Well, I don't think I will
05:40:03 14 have any more questions. If it's all right, Ms. Hiser,
05:40:05 15 I'd like to take just a maybe quick five-minute break
05:40:08 16 and just check my notes and --

05:40:13 17 MR. JURKOWITZ: Can we get a time
05:40:15 18 check?

05:40:16 19 How much time do we have left?

05:40:20 20 THE VIDEOGRAPHER: One moment.

05:40:34 21 We're at 6 hours and 53 minutes.

05:40:38 22 MR. JURKOWITZ: Okay.

05:40:38 23 MR. LANGHOFER: I'm going to have a couple
05:40:42 24 of questions, and so why don't I go through mine while
05:40:46 25 he's still looking, Tim's still looking at his.

05:40:46 1 EXAMINATION

05:40:46 2 BY MR. LANGHOFER:

05:40:50 3 Q. All right, let's just dive in here, in the

05:40:54 4 interest of time.

05:40:55 5 Your organization -- I'm with the Republican

05:40:58 6 National Committee. Kory Langhofer is my name.

05:41:00 7 Your office and the other County Recorders'

05:41:04 8 Offices lobbied against these bills, correct?

05:41:06 9 A. Correct.

05:41:06 10 Q. So it's fair to say that you didn't want to see

05:41:08 11 them passed or implemented?

05:41:10 12 A. They were certainly difficult for operational

05:41:13 13 purposes, yes.

05:41:14 14 Q. You, in fact, opposed their passage?

05:41:16 15 A. We did.

05:41:17 16 Q. And you opposed their implementation?

05:41:20 17 A. We did.

05:41:22 18 Q. You do; you haven't implemented them, correct?

05:41:24 19 A. That is correct.

05:41:25 20 Q. And you've done that without a court order

05:41:27 21 authorizing it?

05:41:30 22 A. We are either in violation of state law or we

05:41:33 23 are in violation of federal law.

05:41:36 24 Q. So that's yes?

05:41:39 25 A. We have continued to operate as is, so we have

05:41:42 1 not enforced these, no.

05:41:44 2 Q. So you have no court order authorizing a
05:41:49 3 nonenforcement or nonimplementation?

05:41:51 4 A. I do not have a court order, that is correct.

05:41:53 5 Q. One of your concerns with these laws was that
05:41:55 6 it would duplicate work at your office. Did you ever
05:41:58 7 raise that concern with the legislature?

05:41:59 8 A. We did.

05:42:00 9 Q. Did a majority of legislators agree with you?

05:42:03 10 A. They did not.

05:42:04 11 Q. Another one of your concerns was that there
05:42:06 12 might be liability for your office registering people to
05:42:10 13 vote who weren't qualified. Did you raise that concern
05:42:12 14 with the legislature?

05:42:13 15 A. We did.

05:42:14 16 Q. Did a majority of the legislators agree with
05:42:17 17 you?

05:42:17 18 A. They did not.

05:42:18 19 Q. You were concerned that some of these
05:42:20 20 provisions weren't clear. Are there any other state
05:42:25 21 statutes that are clarified by the EPM?

05:42:32 22 A. Some, yes. Off the top of my head, which ones
05:42:35 23 they are, I don't know, but --

05:42:38 24 Q. The process, though, of a statute that's
05:42:41 25 facially unclear, but clarified by the EPM, is something

05:42:43 1 that has worked for your office before?

05:42:45 2 A. That is correct.

05:42:51 3 Q. You had said earlier that it was possible that
05:42:53 4 the statute requiring you to put all of your resources
05:42:56 5 into confirming voter eligibility might require, I think
05:42:59 6 the quote was, you to put all hours under the sun
05:43:05 7 searching databases.

05:43:07 8 Do you believe that's actually the way this
05:43:09 9 statute would affect your office?

05:43:11 10 A. I think that is certainly an extreme
05:43:14 11 possibility, yes.

05:43:15 12 Q. Can you think of any other statute that has
05:43:18 13 been interpreted to require the truly all of the
05:43:21 14 resources of an office to go towards one purpose like
05:43:24 15 that?

05:43:26 16 A. Off the top of my head, I cannot.

05:43:28 17 Q. Do you think it's likely that it's going to be
05:43:30 18 interpreted that way?

05:43:32 19 A. I think it is possible, yes.

05:43:38 20 Q. The question was whether you thought it was
05:43:39 21 likely.

05:43:40 22 A. I think possibilities and likely are the same
05:43:43 23 thing. So I would say that, yes, I think the
05:43:46 24 possibility is yes.

05:43:48 25 Q. Do you think a 1 percent chance is likely to

05:43:50 1 happen?

05:43:52 2 A. I think that is within the realm of
05:43:55 3 possibility, yes.

05:43:55 4 Q. So you do appreciate the difference in
05:43:57 5 likelihood between a 1 percent and a 99 percent chance,
05:44:00 6 don't you?

05:44:00 7 A. I do.

05:44:01 8 Q. Okay. I was asking you whether you thought it
05:44:03 9 was likely to be interpreted that way, by that I meant
05:44:06 10 more than 50 percent. Does that help understand the
05:44:08 11 question?

05:44:08 12 A. Sure.

05:44:09 13 Q. Do you think it's likely to be interpreted that
05:44:11 14 way?

05:44:11 15 A. I do.

05:44:13 16 Q. Do you think it's more than --

05:44:15 17 MR. HERERRA: Objection to form and
05:44:15 18 foundation.

05:44:16 19 BY MR. LANGHOFER:

05:44:16 20 Q. Do you think it's more than 50 percent likely
05:44:18 21 that the statute be interpreted to require literally
05:44:26 22 every resource in your office?

05:44:27 23 MR. MAKKER: Objection, asked and
05:44:27 24 answered.

05:44:31 25 THE WITNESS: Yes, I do.

05:44:34 1 BY MR. LANGHOFER:

05:44:34 2 Q. Okay. If there are two -- if there's someone
05:44:40 3 registered with a common name, let's say John Smith, and
05:44:43 4 his birthday is, let's say, January 1st, 1950, and then
05:44:48 5 someone else named John Smith with the same birthday
05:44:51 6 registers to vote, could you use additional information,
05:44:56 7 like a birthplace, to determine whether it's the same
05:44:58 8 John Smith?

05:44:59 9 A. If we received the voter registration forms at
05:45:03 10 the same time, yes, that would be a way that we could
05:45:06 11 identify. That wouldn't be the only way, though.

05:45:10 12 Q. So what if you received them at different
05:45:13 13 times; let's say they were years apart, and the first
05:45:15 14 one had a birthplace of Chicago and the second one had a
05:45:20 15 birthplace of, say, Miami. Could you use that
05:45:22 16 information to determine whether those were duplicate
05:45:25 17 registrations?

05:45:26 18 A. I mean we could, sure. We could. But for
05:45:31 19 fully common names we would do additional investigation,
05:45:37 20 particularly because we have found that here even in
05:45:41 21 Pima County people who have the same name and very close
05:45:48 22 dates of birth and they're still two separate people, we
05:45:52 23 still reach out to both of them.

05:45:58 24 Q. Is that true even when both of them have a
05:46:00 25 place of birth in the database?

05:46:03 1

A. Yes.

05:46:04 2

05:46:08 3

Q. Okay. And what's the -- what function does the phone call serve if they have different places of birth in your records?

05:46:10 4

05:46:13 5

05:46:15 6

05:46:20 7

05:46:23 8

05:46:28 9

05:46:34 10

A. I guess it depends on why we were reaching out to them. Is your question would we -- if I receive a voter registration form from John Smith Chicago and then I receive a voter registration form John Smith Miami and then they have the exact same address, date of birth, and signature?

05:46:36 11

Q. No. Address is changed, naturally.

05:46:39 12

A. Okay.

05:46:39 13

05:46:41 14

Q. And the signatures can -- there can be some variability in there.

05:46:42 15

05:46:45 16

05:46:49 17

05:46:52 18

05:46:56 19

But your birthday and your name -- or your name changes very little. Your birthday doesn't change. And your birthplace doesn't change at all. You're kind of, like your birthday, relying on what people told you for that.

05:46:56 20

A. Sure.

05:46:56 21

05:46:58 22

Q. But my point is that some of these pieces of information are more static and reliable than others.

05:47:01 23

05:47:03 24

05:47:06 25

Let's say you've got a John Smith with a certain birthday from Chicago in your system. You get a voter registration form from John Smith with a birthday

05:47:10 1 from Miami. You're trying to determine are we updating
05:47:13 2 registration or are we creating a new registration.

05:47:16 3 Can't you use the date of birth information to
05:47:18 4 answer that question?

05:47:21 5 MR. MAKKER: Objection, incomplete
05:47:23 6 hypothetical. It's Amit Makker.

05:47:25 7 THE WITNESS: Yeah, I don't -- I don't
05:47:25 8 really understand what you're trying to get at, because
05:47:27 9 you're giving me the -- you're stating I'm looking at a
05:47:33 10 name and a date, and the name and the date are -- date
05:47:36 11 of birth are the same, and you're asking me for whether
05:47:40 12 or not I would treat the two of them as a duplicate.

05:47:44 13 BY MR. LANGHOFER:

05:47:44 14 Q. Right. If you know that they have different --

05:47:46 15 MR. HERRERA: Objection. Or not
05:47:48 16 objection. Sorry. This is Ernest Herrera for the
05:47:51 17 Promise Arizona Plaintiffs. I'll note for the record
05:47:53 18 that we're just at about seven hours, judging by the
05:47:55 19 last time count.

05:47:59 20 BY MR. LANGHOFER:

05:47:59 21 Q. So the question is whether they're duplicates,
05:48:01 22 right. The name and the date of birth are the same.

05:48:03 23 My question is, can't you use the location of
05:48:06 24 birth to determine whether they're, in fact, duplicates?

05:48:10 25 MR. MAKKER: Objection, calls for

05:48:13 1 speculation. Objection, incomplete hypothetical. It's
05:48:15 2 Amit Makker.

05:48:17 3 BY MR. LANGHOFER:

05:48:17 4 Q. You can answer the question.

05:48:17 5 A. Yeah, I suppose we could use it. We would
05:48:20 6 contact the voter first, though.

05:48:22 7 Q. Last question. This -- I guess, sorry, two
05:48:28 8 more questions.

05:48:28 9 You had mentioned earlier you testified in
05:48:30 10 connection with a criminal trial. What was that
05:48:32 11 criminal trial?

05:48:40 12 MR. JURKOWITZ: Yeah, Kory, that's beyond
05:48:43 13 the scope.

05:48:44 14 MR. LANGHOFER: It came up in her
05:48:48 15 questions from the plaintiffs, and I want to understand
05:48:52 16 the answer to the question she gave to the plaintiffs.

05:48:56 17 THE WITNESS: I testified in a criminal
05:48:57 18 trial for the Arizona Attorney General's Office for an
05:49:01 19 individual who was incarcerated and was a convicted
05:49:08 20 felon who voted after having a conviction. So he was on
05:49:12 21 trial for voting as a registered felon and then voting
05:49:16 22 in the election as a convicted felon.

05:49:18 23 BY MR. LANGHOFER:

05:49:18 24 Q. Was it for the act of voting or the act of
05:49:23 25 registering as a felon?

05:49:24 1 A. It was for both.

05:49:27 2 Q. So the last question is, these Mi Familia Vota
05:49:31 3 forms that you were having trouble with, am I to
05:49:34 4 understand that the information on those forms was
05:49:36 5 false?

05:49:38 6 A. Some of the forms, yes.

05:49:43 7 MR. LANGHOFER: That's all. Thanks very
05:49:50 8 much.

05:49:50 9 MR. JURKOWITZ: Thanks, folks.

05:49:53 10 THE VIDEOGRAPHER: Counsel, do you have
05:49:54 11 any further questions?

05:49:55 12 MS. BRAILEY: Can I just ask --

05:50:00 13 MR. HORLEY: No further questions.

05:50:01 14 MS. BRAILEY: Oh. Can I ask just a quick
05:50:03 15 follow-up on some of these?

05:50:04 16 MR. JURKOWITZ: I don't think so. I think
05:50:05 17 we're beyond our time and --

05:50:05 18 MS. BRAILEY: Okay.

05:50:07 19 MR. JURKOWITZ: -- my witness has to go
05:50:08 20 home. So I'm sorry.

05:50:09 21 MS. BRAILEY: Okay.

05:50:11 22 MR. JURKOWITZ: Have a good evening.

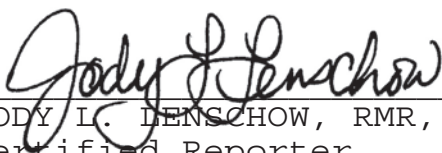

05:50:12 23 THE VIDEOGRAPHER: We are off the record.
05:50:13 24 The time on the video monitor is 5:50 p.m. This ends
05:50:17 25 Volume 1, Media No. 3 in the 30(b)(6) deposition of Pima

09:41:14 20 oath today?

09:41:15 21 A. I do.

09:41:16 22 Q. Do you understand the court reporter is
09:41:19 23 transcribing this deposition?

09:41:21 24 A. I do.

09:41:22 25 Q. With that in mind, please answer questions audibly

09:41:26 1 and clearly. Please let me know if you do not understand a
09:41:30 2 question or need me to repeat any part of it. And if I ask
09:41:34 3 a question and you answer the question, I will assume that
09:41:38 4 you understood the question.

09:41:39 5 Do you understand all three of those points?

09:41:41 6 A. I do.

09:41:42 7 Q. Great. Thank you.

09:41:44 8 Any reason you can't testify truthfully
09:41:48 9 today?

09:41:49 10 A. No.

09:41:50 11 Q. Is there any reason that you can't give full,
09:41:53 12 complete, and accurate testimony today?

09:41:56 13 A. No.

09:41:57 14 Q. Are you on any medications or experiencing any
09:42:00 15 condition that would prevent you from giving full and
09:42:04 16 truthful testimony today?

09:42:06 17 A. No.

09:42:06 18 Q. If at any time you would like to take a break,
09:42:08 19 just please let me know. The only thing I ask is that if I
09:42:12 20 have already asked a question that's pending, that you
09:42:15 21 please answer the question before we -- we take a break.
09:42:18 22 Is that okay?

09:42:19 23 A. Absolutely.

09:42:21 24 Q. Great.

09:42:23 25 Have you ever been deposed before?

09:42:24 1 A. No, sir.

09:42:25 2 Q. Okay. For today's deposition, where are you
09:42:30 3 physically located?

09:42:32 4 A. 31 North Pinal Street, Building E, my office.

09:42:39 5 Q. Okay. Great.

09:42:40 6 And what city and state, just for the record?

09:42:43 7 A. Florence, Arizona 85130.

09:42:46 8 Q. Okay. Great. And who else -- I can see your

09:42:51 10 Who else is in the room?

09:42:53 11 A. Co-counsel, Scott M. Johnson and James Mitchell.

09:43:01 12 Q. Great. Thank you.

09:43:01 13 Did you bring any materials with you to the

09:43:05 15 A. Just the ones you provided for me to review.

09:43:09 16 Q. Okay. Do you have any documents in front of you?

09:43:13 17 A. The ones you provided for me to review.

09:43:17 18 Q. Okay. Just checking. All standard questions.

09:43:21 19 So could you take a look at the first
09:43:26 20 document, Exhibit A, in what we provided. And just let me
09:43:34 21 know when you've got that up.

09:43:39 22 A. It's up.

09:43:41 23 Q. Great.

09:44:09 7 Q. Have you seen this before today, Ms. Lewis?

09:44:11 8 A. Yes, sir.

09:44:12 9 Q. Great.

09:44:13 10 And do you understand you have been

09:44:14 11 designated as a representative to testify on behalf of the

09:44:18 12 Pinal County Recorder's Office, not in your individual

09:44:22 13 capacity?

09:44:22 14 A. I do.

09:44:25 15 Q. Great. Thank you.

09:44:26 16 And can we stipulate that whenever I say

09:44:27 17 "you" or "your," that would be the equivalent of saying

09:44:31 18 "your office" or "your offices"?

09:44:33 19 A. Yes, sir.

09:44:33 20 Q. Great. Thank you.

09:44:36 21 If you could just scroll down to the list of

09:44:52 24 Have you reviewed these topics in preparation

09:44:54 25 for today?

09:44:55 1 A. Yes, sir.

09:44:56 2 Q. Great.

09:44:57 3 And are you prepared to address each of these

09:45:01 5 A. Yes, sir.

09:45:03 6 Q. Great. Thank you.

09:45:05 7 What did you do to prepare for today's

09:45:15 10 Q. Anything else?

09:45:21 12 MR. CAMERON: For the purpose of the
09:45:22 13 deposition, the attorneys did sit down with her to discuss
09:45:26 14 it, but that would be privilege.

09:45:31 15 MR. SHERMAN: Definitely not -- yeah,
09:45:31 16 definitely not asking for the substance of those
09:45:34 17 communications.

09:45:34 18 BY MR. SHERMAN:

09:45:34 19 Q. Just wanted to know what else -- what else you did

09:45:42 21 Did you discuss today's deposition with
09:45:44 22 anyone else outside your office besides your counsel in
09:45:44 23 this case?

09:45:44 24 A. No.

09:45:50 25 Q. Okay. Did you review any doc- -- did you review

09:45:55 1 any documents beyond the ones we provided?

09:45:58 2 A. No, sir.

09:46:00 3 Q. Okay. And -- all right.

09:46:57 10 this discovery?

09:46:59 11 A. This right here? It's freezing. Oh, there?

09:47:06 12 That is correct, sir. Apologies.

09:47:08 13 Q. No worries. Thank you very much.

09:47:11 14 MR. SHERMAN: Can we mark this as Exhibit 90.

09:47:11 15 THE COURT REPORTER: You want 90? You don't

09:47:11 17 MR. SHERMAN: Yes. Yeah. If we could mark

happen again?

A. I don't have an opinion.

MR. MORGAN: Foundation.

BY MR. SHERMAN:

Q. Fair enough.

If there's no approved revised EPM by this time next year, will you nevertheless be obligated to enforce the portions of HB 2492 and HB 2243 that are directed at county recorders?

MR. LANGHOFER: Form. Calls for a legal conclusion.

THE WITNESS: Can I --

BY MR. SHERMAN:

Q. I see you nodding, but I didn't hear --

A. Can I concur with that statement, whoever just said that? We have not implemented nor do we intend to implement any part of HB 2492 or 2243.

Q. Let me -- let me ask it again just so the record -- the question is clear.

If there's no approved revised Election Procedures Manual by this time next year, will you nevertheless be obligated to enforce the portions of HB 2492 and HB 2243 that are directed at county recorders?

MR. LANGHOFER: Same objection.

MR. CAMERON: Form, foundation.

09:59:47 1 THE WITNESS: I'm -- I will be required to
09:59:50 2 follow the EPM of 2019.

09:59:53 3 BY MR. SHERMAN:

09:59:54 4 Q. So if that -- so is your testimony if the 2019 EPM
09:59:59 5 contains -- and it does -- so your testimony is that you
10:00:05 6 can't follow and can't enforce HB 2492 and HB 2243 until
10:00:11 7 there's a revised EPM, including implementation guidance on
10:00:15 8 those two challenged laws; correct?

10:00:19 9 MR. LANGHOFER: Calls for a legal conclusion.

10:00:24 10 MR. MORGAN: Objection.

10:00:25 11 THE WITNESS: I don't have an answer for that
10:00:27 12 question, sir.

10:00:28 13 BY MR. SHERMAN:

10:00:34 14 Q. Okay. So you don't know?

10:00:37 15 A. Yeah, we'll say I don't know.

10:00:39 16 Q. Okay. So I want to direct your attention to the
10:00:43 17 two statutes. I just want to focus on a few provisions in
10:00:47 18 the two statutes. These have been previously marked as
10:00:51 19 Exhibits 19 and 21 in the Petty exhibits, so Petty
10:00:57 20 Exhibit 19 and 21.

10:01:00 21 A. Do I have those?

10:01:04 22 Q. We circulated them.

10:01:08 23 MR. CAMERON: G and H for this deposition?

10:01:10 24 MR. SHERMAN: No. We circulated an
10:01:13 25 additional link for all of the marked -- previously marked

10:01:13 1 exhibits. If you don't have that up, why don't we go off
10:01:17 2 the record for a minute and you can pull them up.

10:01:20 3 Let's do that. Let's go off the record for a
10:01:23 4 minute, and we can make sure you have those in front of
10:01:25 5 you.

10:01:29 6 THE VIDEOGRAPHER: We are off the record at
10:01:39 7 10:01.

10:01:42 8 (A recess ensued.)

10:14:01 9 THE VIDEOGRAPHER: We are back on the record.
10:14:11 10 Time on the video monitor is 10:14.

10:14:16 11 BY MR. SHERMAN:

10:14:19 12 Q. Okay. Thank you, Ms. Lewis.

10:14:21 13 I want to ask you about HB 2492 and HB 2243.

10:14:26 14 The phrase -- the term "information" is used repeatedly in

10:14:31 15 both statutes, information that a person is not a U.S.

10:14:35 16 citizen.

10:14:36 17 What is information that a person is not a

10:14:38 18 United States citizen?

10:14:41 19 MR. CAMERON: Form.

10:14:41 20 MR. LANGHOFER: Object; form. Calls for a
10:14:43 21 legal conclusion.

10:14:48 22 MR. CAMERON: You can answer.

10:14:48 23 THE WITNESS: I don't know.

10:14:50 24 BY MR. SHERMAN:

10:14:51 25 Q. Okay. Just so we're clear, you can answer unless

10:14:55 1 your counsel instructs you not to answer. People are going
10:14:57 2 to object repeatedly, but you can answer after those
10:15:01 3 objections.

10:15:01 4 Is data in a current database showing
10:15:05 5 noncitizenship 20 years ago information that the person is
10:15:09 6 not a U.S. citizen today?

10:15:11 7 MR. LANGHOFER: Same objection.

10:15:12 8 THE WITNESS: I wouldn't make that
10:15:14 9 conclusion.

10:15:14 10 BY MR. SHERMAN:

10:15:15 11 Q. You run HAVA checks through the AVID system;
10:15:15 12 correct?

10:15:21 13 A. Yes, sir.

10:15:23 14 Q. And when you run that HAVA check, if it reflects
10:15:25 15 that the applicant was issued an F-type license 20 years
10:15:28 16 ago, that just means they weren't a citizen 20 years ago;
10:15:32 17 right?

10:15:32 18 A. Correct.

10:15:33 19 Q. What procedure does your office follow after
10:15:36 20 seeing that that person still holds an F-type license in
10:15:41 21 the MVD database?

10:15:44 22 A. I don't know. I legitimately don't know, because
10:15:53 23 we run the HAVA check.

10:15:56 24 Q. Is that just conclusive that they're not a U.S.
10:15:59 25 citizen?

10:16:00 1 A. I would not say that, sir.

10:16:03 2 Q. Do you follow up with the voter?

10:16:05 3 A. Absolutely.

10:16:06 4 Q. What do you do?

10:16:08 5 A. We send a letter.

10:16:09 6 Q. Okay.

10:16:11 7 A. It's in my attachment.

10:16:13 8 Q. Right. We'll -- we'll get back to that letter a
10:16:17 9 little bit later on.
10:16:18 10 If some other database -- not the MVD
10:16:22 11 database -- contains data showing that the person was not a
10:16:24 12 U.S. citizen 20 years ago, same answer as you gave before?
10:16:34 13 MS. BOUGHTON: Form.
10:16:35 14 THE WITNESS: Yes. "Some database" doesn't
10:16:37 15 tell me much, sir. Sorry.
10:16:39 16 BY MR. SHERMAN:
10:16:40 17 Q. Okay. Thanks.
10:16:41 18 When would you consider information too old
10:16:45 19 to be information that someone is not a United States
10:16:48 20 citizen in the present day? Is there a line?
10:16:51 21 A. I don't have an answer for that.
10:16:54 22 Q. If the information is somewhat more recent,
10:17:00 23 though, say a month ago, is that information that the
10:17:02 24 person is not a United States citizen?
10:17:06 25 MR. MORGAN: Form, foundation.

10:17:07 1 MR. LANGHOFER: Objection; legal conclusion.

10:17:08 2 THE WITNESS: Please repeat the question.

10:17:10 3 BY MR. SHERMAN:

10:17:11 4 Q. If your office encounters information that's
10:17:15 5 somewhat more recent, like a government transaction showing
10:17:18 6 the person was not a U.S. citizen two months ago, is that
10:17:23 7 information that the person is not a U.S. citizen
10:17:25 8 currently?

10:17:26 9 MR. LANGHOFER: Same objection.

10:17:28 10 MR. MORGAN: Form, foundation.

10:17:30 11 THE WITNESS: I can't answer that question.
10:17:32 12 I don't know.

10:17:33 13 BY MR. SHERMAN:

10:17:35 14 Q. Okay. You're not sure?

10:17:39 15 A. I don't know.

10:17:42 16 Q. Okay. I'm going to ask you what -- about valid
10:17:46 17 sources of information that someone is not a U.S. citizen.

10:17:50 18 Would your office consider anything beyond a
10:17:53 19 government or voter registration database information that
10:17:55 20 someone is not a U.S. citizen?

10:17:59 21 MR. MORGAN: Form.

10:18:00 22 MR. LANGHOFER: Form. Calls for legal
10:18:02 23 conclusion.

10:18:02 24 THE WITNESS: I'm not an attorney, and I
10:18:04 25 don't know how to answer that question.

10:18:07 1 BY MR. SHERMAN:

10:18:07 2 Q. Okay.

10:18:12 3 MR. SHERMAN: Craig and Kory, do you want to
10:18:13 4 enter -- I have 13 questions that are all scenarios here.

10:18:16 5 Do you want to enter a global form and calls
10:18:19 6 for a legal conclusion objection to each of them?

10:18:22 7 MR. LANGHOFER: That -- that sounds good. I
10:18:24 8 don't -- I don't like interrupting with objections, so as
10:18:26 9 long as you're good with that, let's do it.

10:18:28 10 MR. MORGAN: Yeah. I'm sorry. Are we doing
10:18:30 11 this for the rest of the deposition -- which is fine with
10:18:32 12 me -- or just for the next, like, 18 questions? I don't
10:18:36 13 know -- I need a little more precision.

10:18:38 14 MR. SHERMAN: Just -- just for this series of
10:18:39 15 questions where I'm asking different scenarios about what
10:18:42 16 constitutes a valid source of information.

10:18:45 17 MR. MORGAN: I'll tell you what -- I'm okay
10:18:45 18 with it. Do me a solid, Jon; when you get to the point
10:18:49 19 where you no longer want the global objection to be
10:18:54 20 automatically applied, let us know.

10:18:55 21 MR. SHERMAN: Yep.

10:18:57 22 MR. MORGAN: Thank you.

10:18:57 23 MR. SHERMAN: Okay.

10:18:57 24 MR. LANGHOFER: Thank you.

10:18:58 25 MR. SHERMAN: Just trying to make things more

10:18:58 1 efficient.

10:19:01 2 BY MR. SHERMAN:

10:19:01 3 Q. Can a phone call from the voter constitute a --

10:19:07 4 information that someone is not a U.S. citizen?

10:19:10 5 A. No.

10:19:11 6 Q. Can an email or call from the voter in question

10:19:16 7 constitute information that that person is not a U.S.

10:19:18 8 citizen?

10:19:19 9 A. No.

10:19:21 10 Q. How about a phone call from a member of the voter

10:19:25 11 or voter registration applicant's family?

10:19:28 12 A. No.

10:19:28 13 Q. Can it be a letter from a neighbor of the voter or

10:19:34 14 voter registration applicant?

10:19:35 15 A. No.

10:19:35 16 Q. What about a phone call from law enforcement in

10:19:39 17 Arizona?

10:19:40 18 A. No. No.

10:19:47 19 Q. Okay. An email or letter from law enforcement in

10:19:50 20 Arizona?

10:19:52 21 A. No.

10:19:53 22 Q. An email or letter from law enforcement in another

10:19:56 23 state?

10:19:57 24 A. No.

10:19:58 25 Q. How about an anonymous call?

10:20:04 1 A. No.

10:20:06 2 Q. An anonymous email address -- excuse me -- an
10:20:09 3 anonymous email?

10:20:10 4 A. No.

10:20:12 5 Q. What about lists provided by third-party
10:20:16 6 organizations like True the Vote, would that constitute a
10:20:19 7 valid source of information that someone is not a U.S.
10:20:21 8 citizen?

10:20:21 9 A. No.

10:20:22 10 Q. Okay.

10:20:25 11 MR. SHERMAN: So that's the end of the
10:20:28 12 stipulated global objection. So we're just returning to
10:20:32 13 normal.

10:20:33 14 BY MR. SHERMAN:

10:20:34 15 Q. By what means can you confirm the authenticity of
10:20:37 16 such information that a voter registration applicant or a
10:20:41 17 registered voter is not a U.S. citizen?

10:20:48 18 A. Say that one more time, please.

10:20:50 19 Q. Sure.

10:20:51 20 By what means can you confirm the
10:20:53 21 authenticity of information that a voter or voter
10:20:58 22 registration applicant is not a U.S. citizen?

10:21:01 23 A. We don't have the ability to confirm authenticity.
10:21:06 24 Like, are you talking about the authenticity of a document?
10:21:08 25 We don't have that ability in the registration department.

10:21:14 1 We run HAVA checks. That's done above us.

10:21:19 2 Q. So if you obtain information or data from any

10:21:23 3 source other than the HAVA check that suggests a person was

10:21:28 4 not a U.S. citizen at some point in the past, you have no

10:21:32 5 ability to confirm the authenticity of that information.

10:21:36 6 Is that your testimony?

10:21:38 7 A. Yes.

10:21:40 8 Q. Okay. Has the Secretary of State's Office ever

10:21:44 9 given you a list of information that constitutes evidence

10:21:46 10 of a lack of U.S. citizenship?

10:21:48 11 A. No, I don't believe so.

10:21:55 12 Q. What if you identify a registered voter who has

10:21:58 13 already satisfied the DPOC requirement -- and when I say

10:22:02 14 "DPOC requirement," I mean the documentary proof of

10:22:03 15 citizenship --

10:22:03 16 A. Proof of citizenship. I know what DPOC is.

10:22:05 17 Q. Right.

10:22:06 18 -- but still holds an F-type license, is that

10:22:09 19 information that the registered voter is not, in fact, a

10:22:13 20 U.S. citizen?

10:22:16 21 I'll strike this. I think you've already

10:22:17 22 answered this. You've already answered this.

10:22:19 23 A. Thank you, sir.

10:22:20 24 Q. What if you had -- of course. I'm not -- I'm not

10:22:24 25 here to ask it twice, to be duplicative.

10:22:27 1 What if you identify a registered voter who

10:22:29 2 is exempt from the DPOC requirement and has never shown

10:22:32 3 DPOC because they registered prior to when DPOC went into

10:22:37 4 effect, is the fact that they've never shown DPOC

10:22:41 5 information showing that they're not a U.S. citizen?

10:22:43 6 A. I don't know how to answer that question. I don't

10:22:45 7 know.

10:22:47 8 Q. But your office wouldn't draw a -- wouldn't draw

10:22:53 9 the conclusion that someone who was grandfathered into the

10:22:58 10 DPOC requirement -- they were exempt from the DPOC

10:23:01 11 requirement is per se suspect as a noncitizen?

10:23:08 12 A. We can go with that.

10:23:11 13 Q. I want to direct your attention to Exhibit 19,

10:23:19 14 which you pulled up, Petty Exhibit 19. If you scroll down

10:23:24 15 to -- this is top of page 5. This is in Subpart D, which

10:23:39 16 lists out a few of the databases your office would have to

10:23:43 17 consult.

10:23:52 18 You're at the top of page 5?

10:23:59 19 A. Starting with number 3, "The United States

10:24:01 20 Citizenship and Immigration" --

10:24:03 21 Q. Correct.

10:24:03 22 A. Okay.

10:24:04 23 Q. Correct. So under Number 5, it says -- and I'll

10:24:07 24 just read it -- "Any other state, city, town, county or

10:24:10 25 federal database and any other database relating to voter

10:24:14 1 registration to which the county recorder or officer in
10:24:16 2 charge of elections has access."
10:24:19 3 Do you have any idea what a database relating
10:24:21 4 to voter registration could be beyond the AVID system? Can
10:24:27 5 it be anything beyond the AVID system?
10:24:29 6 A. I don't know.
10:24:30 7 Q. Could it be a list of registered voters you
10:24:33 8 received from another Arizona agency?
10:24:36 9 A. I don't know.
10:24:38 10 MS. BOUGHTON: Form.
10:24:40 11 BY MR. SHERMAN:
10:24:40 12 Q. Could it be a list provided by a private group or
10:24:43 13 private citizen?
10:24:47 14 MR. LANGHOFER: Form. Calls for a legal
10:24:48 15 conclusion.
10:24:55 16 THE WITNESS: No.
10:24:56 17 BY MR. SHERMAN:
10:24:56 18 Q. You can -- you can answer.
10:24:56 19 A. No.
10:24:59 20 Q. Okay. Your response was "no"?
10:25:01 21 A. Correct.
10:25:02 22 Q. Okay. If we could just switch gears for one
10:25:08 23 moment to look at Exhibit G, also in the folder of
10:25:15 24 potential exhibits.
10:25:17 25 This is KEY -- Bates-stamped KEY 043. What

10:25:28 1 is this document?

10:25:30 2 A. This appears to be an email between a previous
10:25:34 3 recorder, Virginia Ross, and Jen Marson.

10:25:38 4 Q. And it appears to be authentic; yes?

10:25:42 5 MR. LANGHOFER: Form, foundation.

10:25:46 6 THE WITNESS: Sure. I don't know.

10:25:52 7 MR. SHERMAN: Can we mark this as Exhibit 93.

10:25:52 8 (The document was marked as Exhibit 93
10:25:52 9 for identification.)

10:25:59 10 BY MR. SHERMAN:

10:25:59 11 Q. And what's -- what's the substance of this email
10:26:02 12 exchange?

10:26:03 13 A. Question regards to an amendment change to HB 2617
10:26:13 14 if the amendment would change position.

10:26:16 15 Q. And do you recall HB 2617?

10:26:21 16 A. There's a lot of numbers in my world.

10:26:27 17 Q. Fair enough.

10:26:28 18 We could call this up, but do you recall that
10:26:36 19 Governor Ducey vetoed this bill prior to HB 2243 being
10:26:39 20 enacted?

10:26:40 21 A. I do not recall that.

10:26:42 22 Q. Okay. And I assume, then, you don't -- you don't
10:26:45 23 recall why Virginia Ross opposed HB 2617?

10:26:51 24 A. That would be BD, Before Dana. I do not know.

10:26:55 25 Q. Got it.

10:26:57 1 Were you -- you weren't in the office at that
10:27:00 2 time?

10:27:00 3 A. I was.

10:27:02 4 Q. But you weren't part of meetings about HB 2617?

10:27:06 5 A. I do not recall this.

10:27:08 6 Q. Okay. Fair enough.

10:27:10 7 If we could go back to -- actually, if we
10:27:14 8 could go to Exhibit -- Petty Exhibit 21, which we've
10:27:19 9 dropped in the Dropbox.

10:27:23 10 And you'll recognize this as HB -- the
10:27:25 11 chaptered version of the HB 2243?

10:27:28 12 A. You've just got to give me a second because now
10:27:31 13 I'm --

10:27:31 14 Q. Oh, yeah, yeah. I'll give you -- just let me know
10:27:35 15 when you're -- when you're there.

10:27:35 16 A. Okay.

10:27:46 17 Q. And if you could scroll up -- scroll down to the
10:27:48 18 top of page 4.

10:27:48 19 A. Page again, sir?

10:28:04 20 Q. Page 4 -- top of page 4. This is
10:28:09 21 Subsection 16-165(A)(10).

10:28:11 22 A. Proceed.

10:28:14 23 Q. So Subsection (A)(10) -- and I'll just read it for
10:28:14 24 the record.

10:28:17 25 It says, "When the county recorder obtains

10:28:20 1 information pursuant to this section and confirms that the
10:28:24 2 person registered is not a United States citizen."

10:28:28 3 Do you understand that phrase in HB 2243?

10:28:34 4 A. I'm not sure that we would be able to confirm. I
10:28:47 5 don't know.

10:28:50 6 Q. Down below in Subsections F through J -- I'll
10:28:58 7 stipulate for the record these were actually codified one
10:29:02 8 letter up, but here in the chaptered version it's F through
10:29:05 9 J. These are the database matching provisions in HB 2243;
10:29:16 10 correct?

10:29:16 11 MR. CAMERON: Objection; foundation. If you
10:29:20 12 know.

10:29:20 13 THE WITNESS: I don't know.

10:29:23 15 Q. Do you want to take a second to review them?
10:29:24 16 It's --

10:29:24 17 A. Would you please? Because it's been a really long
10:29:28 18 time since we've been through any of these since we weren't
10:29:30 19 going to do anything with them. So to go back to this now
10:29:34 20 is -- you're going to have to give me a second to read
10:29:37 21 through this.

10:29:37 22 Q. Yeah. If you could just look through the bottom
10:29:40 23 of page 5, which is subsection -- Subpart F through J,
10:29:45 24 because I have a few questions on these. Thank you.

through J.
A. Please proceed.
Q. Okay. Thank you.
Do you think the provision we read before on
obtaining information requires you to use these database
matching procedures to obtain information of
noncitizenship?
MR. LANGHOFER: Form. Calls for a legal
conclusion.
THE WITNESS: That's correct. I don't know
how to answer that, so I don't know.
BY MR. SHERMAN:
Q. Is it unclear?
A. It is unclear.
Q. Do you think that you're supposed to use these
database matching provisions in Subparts F through J in the
statute to confirm information that you obtained through
other means?
MR. LANGHOFER: Same objection.
THE WITNESS: That's leading, because I don't
have the ability to review other databases. I only have
the ability to review what is put into the AVID dashboard.
BY MR. SHERMAN:
Q. Assuming these laws were -- went into effect and
were implemented, would you understand the statute to be

10:31:46 1 requiring you to use Subparts F through J, those database
10:31:50 2 matching procedures, to confirm information of
10:31:54 3 noncitizenship that you would obtain through other sources,
10:31:58 4 other means?

10:32:00 5 MR. LANGHOFER: Same objection.

10:32:01 6 THE WITNESS: Well, I won't assume. But I
10:32:03 7 could say that, again, I don't have the ability to post
10:32:07 8 anything into the voter registration database. That is all
10:32:09 9 done by the Secretary of State's Office from their ability
10:32:12 10 from other databases, I believe.

10:32:18 11 BY MR. SHERMAN:

10:32:19 12 Q. Okay. Do -- do you understand that each of these
10:32:21 13 provisions in F through J would require your office to do a
10:32:25 14 monthly comparison of the voter registration database to
10:32:29 15 the enumerated databases in these provisions?

10:32:35 16 MR. LANGHOFER: Objection; foundation.

10:32:36 17 THE WITNESS: I -- I can't answer that
10:32:38 18 because you're asking me to say something that I wasn't
10:32:41 19 intending to do so . . .

10:32:44 20 BY MR. SHERMAN:

10:32:44 21 Q. Okay. Do you under -- in -- in Subparts G, H, and
10:32:49 22 J, they each begin with the phrase "To the extent
10:32:53 23 practicable." Do you understand what the Arizona
10:32:59 24 legislature meant by that phrase?

10:33:01 25 MR. CAMERON: Objection. Legal conclusion.

10:33:03 1 MR. LANGHOFER: Same objection.

10:33:04 2 THE WITNESS: How am I to assume what someone
10:33:07 3 else is trying to accomplish?

10:33:09 4 BY MR. SHERMAN:

10:33:09 5 Q. Would it be practicable to engage in a monthly
10:33:14 6 comparison of all of your county's voters against all of
10:33:18 7 the databases listed here?

10:33:20 8 MR. MORGAN: Form.

10:33:22 9 THE WITNESS: I can't answer that. I don't
10:33:24 10 know.

10:33:24 11 BY MR. SHERMAN:

10:33:30 12 Q. Would you struggle with that? Would your office
10:33:33 13 struggle with that?

10:33:34 14 MR. LANDHOFER: Relevance.

10:33:35 15 THE WITNESS: I don't know.

10:33:36 16 MR. MORGAN: Form.

10:33:37 17 BY MR. SHERMAN:

10:33:38 18 Q. Okay. So in Subpart H here, it says, "To the
10:33:42 19 extent practicable, each month the county recorder shall
10:33:46 20 compare persons who are registered to vote in that county
10:33:49 21 and who the county recorder has reason to believe are not
10:33:53 22 United States citizens . . . as prescribed" with -- "with
10:34:03 23 the Systematic Alien Verification For Entitlements program
10:34:06 24 maintained by the United States Citizenship and Immigration
10:34:09 25 Services to verify the citizenship status of the persons

10:34:14 1 registered."

10:34:15 2 What would give your office a reason to

10:34:16 3 believe a person is not a United States citizen?

10:34:22 4 A. The only ability we have right now is the HAVA

10:34:26 5 check.

10:34:27 6 Q. Right.

10:34:28 7 But going forward, if these laws were to be

10:34:32 8 implemented, what would give --

10:34:32 9 A. Again, I had no intention to implement 2492 or

10:34:36 10 2243. So to speak about what might happen in the future

10:34:41 11 seems neglectful on my part.

10:34:44 12 Q. Do you understand this phrase: "reason to believe

10:34:47 13 are not United States citizens"?

10:34:50 14 MR. LANGHOFER: Form. Calls for legal

10:34:51 15 conclusion.

10:34:51 16 THE WITNESS: I do not.

10:34:51 17 BY MR. SHERMAN:

10:34:51 18 Q. Okay. Is it unclear?

10:34:52 19 A. It is unclear.

10:34:54 20 Q. Has the Secretary of State's Office provided your

10:34:58 21 office with a list of what would give you and your staff a

10:35:01 22 valid reason to believe someone is not a United States

10:35:04 23 citizen?

10:35:04 24 A. No.

10:35:08 25 MR. SHERMAN: I'm going to ask the same

10:35:10 1 series of scenarios that I asked before.

10:35:12 2 Kory and Craig, do you want to enter the same
10:35:18 3 objection -- calls for a legal conclusion and form -- for
10:35:20 4 all of these 13 scenarios?

10:35:23 5 MR. LANGHOFER: Yes. Thanks, Jon.

10:35:24 6 MR. MORGAN: Yeah. Just let us know when
10:35:27 7 you're done so we know when to start objecting.

10:35:30 8 MR. SHERMAN: For sure.

10:35:31 9 BY MR. SHERMAN:

10:35:34 10 Q. Could anything beyond a government or voter
10:35:37 11 registration database give your office reason to believe
10:35:39 12 that someone is not a United States citizen?

10:35:45 13 A. I don't know.

10:35:48 14 Q. Could a phone call from the voter themselves
10:35:53 15 constitute reason to believe that that voter is not a
10:35:56 16 United States citizen?

10:35:57 17 A. No.

10:35:58 18 Q. Could an email from that voter in question
10:36:02 19 constitute a reason to believe that that voter is not a
10:36:06 20 United States citizen?

10:36:07 21 A. No.

10:36:07 22 Q. Could a signed letter from the voter give you
10:36:12 23 reason to believe that that voter is not a U.S. citizen?

10:36:15 24 A. Depends on the letter.

10:36:24 25 Q. How do you mean?

10:36:28 1 A. Well, anytime you're doing anything with voter
 10:36:31 2 registration, what -- signatures are required. So it
 10:36:33 3 depends on the format of the letter and if it meets current
 10:36:36 4 statutes in 6166. So as far as your question, I would say
 10:36:45 5 no.

10:36:47 6 Q. Okay. Is it possible that a signed formal letter
 10:36:54 7 from the voter in question could give you reason to believe
 10:36:57 8 that they're not a U.S. citizen if they're saying, "I'm not
 10:37:00 9 a U.S. citizen," in that letter?

10:37:04 10 A. I don't know.

10:37:06 11 Q. Okay.

10:37:06 12 A. I would defer --

10:37:06 13 Q. Okay. It's --

10:37:06 14 THE COURT REPORTER: I'm sorry. What was the
 10:37:06 15 end of that?

10:37:07 16 THE WITNESS: I would defer to my counsel on
 10:37:12 17 that.

10:37:13 18 BY MR. SHERMAN:

10:37:13 19 Q. Is it unclear?

10:37:16 20 A. It is unclear.

10:37:18 21 Q. How about a phone call from a member of the
 10:37:22 22 voter's family --

10:37:22 23 A. No.

10:37:22 24 Q. -- would that give you reason to believe --

10:37:25 25 Okay. How about a letter from a -- a

10:37:26 1 neighbor of the voter?

10:37:27 2 A. No.

10:37:28 3 Q. Would a phone call from law enforcement in Arizona

10:37:32 4 give your office reason to believe that someone's not a

10:37:35 5 U.S. citizen?

10:37:36 6 A. No.

10:37:37 7 Q. Would a phone call from law enforcement in another

10:37:40 8 state?

10:37:42 9 A. No.

10:37:43 10 Q. Would an email or letter from law enforcement in

10:37:46 11 Arizona give your office reason to believe that a

10:37:49 12 registered voter is not a U.S. citizen?

10:37:50 13 A. No.

10:37:51 14 Q. Would any email or letter from law enforcement in

10:37:55 15 another state?

10:37:57 16 A. No.

10:37:59 17 Q. How about an anonymous call?

10:38:01 18 A. No.

10:38:02 19 Q. An anonymous email?

10:38:04 20 A. No.

10:38:07 21 Q. What about lists provided by third-party

10:38:09 22 organizations like True the Vote, would that give your

10:38:12 23 office reason to believe that a registered voter was not a

10:38:15 24 U.S. citizen?

10:38:15 25 A. No.

10:38:16 1 Q. What if the registered voter transposed the first
10:38:20 2 and last name on the registration application so that their
10:38:23 3 first name was in the last-name field and the last name was
10:38:26 4 in the first-name field, would that give your office reason
10:38:29 5 to believe that they were not a U.S. citizen?

10:38:30 6 A. No.

10:38:32 7 Q. What if the registered voter recorded a foreign
10:38:35 8 place of birth on their form?

10:38:40 9 A. No.

10:38:42 10 Q. What if you identify a registered voter who has
10:38:48 11 already satisfied the DPOC requirement but still holds an
10:38:49 12 F-type license in the MVD database, is that reason to
10:38:53 13 believe they're not in fact a U.S. citizen?

10:38:56 14 A. No.

10:38:57 15 Q. And registered voters who are exempt from the DPOC
10:39:03 16 requirement because they registered before it took effect,
10:39:06 17 would that failure to show DPOC under this exemption give
10:39:10 18 your office a reason to believe they are not U.S. citizens?

10:39:20 19 A. I don't know the answer to that.

10:39:23 20 Q. It's unclear?

10:39:25 21 A. Yes.

10:39:26 22 Q. Okay.

10:39:29 23 MR. SHERMAN: Okay. That -- that should
10:39:30 24 conclude the end of our stipulated global objections, so
10:39:33 25 back to normal now.

10:39:36 1 BY MR. SHERMAN:

10:39:37 2 Q. Has the Secretary of State's Office provided your

10:39:40 3 office with a list of what will not give you or your staff

10:39:43 4 a valid reason to believe someone is not a U.S. citizen?

10:39:47 5 A. No.

10:39:49 6 Q. Thank you, Ms. Lewis.

10:39:51 7 If we could go back just to Exhibit 19 for

10:39:56 8 one minute. This is, again, HB 2492, for the record.

10:40:11 9 If you could scroll down to 16-143. This is

10:40:21 10 on page -- page 7.

10:40:27 11 A. Okay.

10:40:28 12 Q. Section -- you've got it already? Oh, great.

10:40:33 13 If you want to take a second just to refresh

10:40:36 14 your memory on what this section says, particularly in

10:40:38 15 Subpart A of 16-143.

10:40:58 16 And the list of registered voters that's

10:41:01 17 described in Subpart A, you didn't provide this list on or

10:41:05 18 before October 31st of 2022, did you?

10:41:09 19 A. You cut out as you were asking that question, sir.

10:41:09 20 Q. Oh.

10:41:13 21 A. Please repeat it.

10:41:13 22 Q. I apologize. I apologize.

10:41:14 23 Did you provide the list of registered voters

10:41:19 24 described in Subpart A on or before October 31st, 2022?

10:41:23 25 A. No.

10:41:24 1 Q. Okay. Because the deadlines of October 31st,
10:41:30 2 2022, and March 31st, 2023, noted in this provision have
10:41:34 3 come and gone, is your office no longer required by this
10:41:38 4 provision to submit to the attorney general a list of
10:41:40 5 registered voters who have not shown satisfactory DPOC?
10:41:45 6 MR. LANGHOFER: Objection.
10:41:47 7 MS. BOUGHTON: Calls for a legal conclusion.
10:41:51 8 MR. LANGHOFER: If you know.
10:41:51 9 THE WITNESS: I don't know.

10:41:53 11 Q. Is it unclear?
10:41:54 12 A. It is unclear.
10:41:55 13 Q. Okay. Thank you, Ms. Lewis.
10:42:01 14 I'm -- go back now. I'm going to ask you
10:42:02 15 about each of the databases that these laws require --
10:42:05 16 would require your office to consult, starting with ADOT's
10:42:11 17 MVD driver license or nonoperating ID li- -- databases.
10:42:16 18 A. Where are we at now?
10:42:18 19 Q. Oh, we're not on any document. I was just --
10:42:20 20 A. Okay.
10:42:21 21 Q. And I don't have many documents left. I
10:42:26 22 appreciate it.
10:42:27 23 Currently, how do you use the MVD databases?
10:42:35 24 A. We don't use the MVD database.
10:42:41 25 Q. You perform HAVA checks, though; right?

10:42:44 1 A. We do, but that's built into our AVID system.

10:42:48 2 Q. Okay. And the HAVA check built into the AVID
10:42:50 3 system interfaces with the MVD driver license or ID
10:42:54 4 databases for purposes of identity and U.S. citizenship
10:42:58 5 verification; is that right?

10:43:01 6 A. I believe that's an accurate statement.

10:43:02 7 Q. Okay. Do you know what the user sees on screen
10:43:05 8 when they perform a HAVA check? Do you know what it --
10:43:08 9 what -- how it appears to them when they run the HAVA
10:43:11 10 check?

10:43:12 11 A. It's been a while since I've had to personally
10:43:16 12 accomplish this task, but yes.

10:43:18 13 Q. What does it show you if the person is a U.S.
10:43:22 14 citizen -- confirmed as a U.S. citizen?

10:43:28 15 A. It just gives us a checkmark, I believe. I want
10:43:32 16 to say I don't know because it has been that long since
10:43:35 17 I've --

10:43:35 18 Q. Fair enough.

10:43:35 19 A. -- actually administered that -- that part.

10:43:40 20 Q. Fair enough.

10:43:41 21 If you -- if you're not able to verify the
10:43:44 22 person as a U.S. citizen using the HAVA check, what do you
10:43:49 23 do at that point?

10:43:52 24 A. I don't know.

10:43:55 25 Q. I think we talked about this before; right?

10:43:58 1 Do you send them a notice letter?

10:44:00 2 A. We do.

10:44:02 3 Q. Okay. Can I direct you --

10:44:03 4 A. I had to think back to what the next proc- -- part

10:44:05 5 of that process is, and that is exactly what happens.

10:44:09 6 Q. Could I direct you to Exhibit I. This is PINAL 3.

10:44:15 7 It's just Bates-stamped 000003.

10:44:19 8 A. One moment as I toggle.

10:44:22 9 Q. Of course.

10:44:27 10 A. Did you say "I"?

10:44:29 11 Q. Exhibit I, yes.

10:44:36 12 A. Yes, sir, I recognize this form.

10:44:38 13 Q. What -- what is this form?

10:44:41 14 A. This would be the one that we were just previously

10:44:43 15 discussing.

10:44:45 16 Q. Could you -- could you just give a bit more

10:44:48 17 description as to what it -- what it is?

10:44:52 18 A. When there is -- when it comes up with a HAVA

10:44:54 19 check that it cannot be matched, this is the letter that is

10:44:57 20 then submitted to the registrant.

10:45:01 21 MR. SHERMAN: Could we mark this as, I

10:45:02 22 believe, Exhibit 93.

10:45:02 23 THE COURT REPORTER: 94.

10:45:04 24 MR. SHERMAN: Do I have that correct?

10:45:04 25 THE COURT REPORTER: 94.

10:45:07 1 MR. SHERMAN: 94. My apologies.

10:45:07 2 (The document was marked as Exhibit 94

10:45:20 3 for identification.)

10:45:20 4 BY MR. SHERMAN:

10:45:20 5 Q. How often do you encounter folks with F-type
10:45:24 6 licenses in the MVD database?

10:45:27 7 A. I don't know.

10:45:30 8 Q. Okay. Do you know how often your office receives
10:45:34 9 DPOC, confirming that that person has subsequently
10:45:38 10 naturalized?

10:45:40 11 A. Can you please repeat the question?

10:45:42 12 Q. Sure.

10:45:43 13 So for a person -- a voter registration
10:45:47 14 applicant who -- whose HAVA check shows that they had an
10:45:52 15 F-type license at some point and still has an F-type
10:45:54 16 license in the system, do you know how many of those folks
10:45:56 17 later submit DPOC, completing their registration and
10:46:02 18 becoming full-ballot voters?

10:46:04 19 A. I do not know and cannot give you numbers on that.

10:46:06 20 Q. Okay. Is there any effect if the driver's license
10:46:11 21 or ID is expired? Does that have any effect on the
10:46:15 22 process?

10:46:17 23 A. I don't know.

10:46:18 24 Q. What do you do if there's no match whatsoever in
10:46:22 25 the HAVA check? Do they also get a notice letter like

10:46:26 1 this?

10:46:27 2 A. Yes.

10:46:28 3 Q. So even if you can't identify the person

10:46:31 4 whatsoever, they get a notice letter like this?

10:46:33 5 A. That is correct.

10:46:35 6 Q. Okay. There's not a separate notice letter for

10:46:38 7 that scenario?

10:46:43 8 A. I don't believe so.

10:46:44 9 Q. Okay.

10:46:45 10 A. This covers everything.

10:46:47 11 Q. Got it.

10:46:51 12 Down below where -- under "Documentary Proof

10:46:55 13 of Citizenship Form," do you see where it lists as one of

10:46:59 14 the options "Legible Copy of Naturalization or Citizenship

10:47:03 15 Certificate or Certificate number"?

10:47:08 16 A. I don't know -- when you read in, I lose some of

10:47:11 17 your words.

10:47:12 18 Can you say that again?

10:47:12 19 Q. Sorry.

10:47:13 20 In Exhibit I -- excuse me -- Exhibit 94,

10:47:17 21 which we've been talking about, the notice letter that you

10:47:21 22 sent out after the unverified HAVA check, do you see down

10:47:25 23 below under "Acceptable Documentary Proof of Citizenship"

10:47:28 24 where it says, "Legible Copy of Naturalization or

10:47:32 25 Citizenship Certificate or Certificate number"?

10:47:35 1 A. Yes, sir.

10:47:36 2 Q. What do you do with the -- is this calling for an

10:47:42 3 alien registration number or a naturalization certificate

10:47:46 4 number or both?

10:47:50 5 A. I don't know. I know we can use natural- -- I

10:47:59 6 don't know.

10:48:00 7 Q. So for nat- -- what do you do with naturalization

10:48:03 8 certificate numbers?

10:48:05 9 A. It goes in -- is it Box 19 of the form?

10:48:10 10 Q. Leaving -- leaving aside the state -- leaving

10:48:12 11 aside the state voter registration form for a second, what

10:48:15 12 do you -- what do you do when someone puts down their

10:48:17 13 naturalization certificate number on this notice letter and

10:48:20 14 returns it to your office?

10:48:25 15 A. We update it.

10:48:28 16 Q. Update -- update what?

10:48:30 17 A. AVID.

10:48:32 18 Q. You put the naturalization certificate number into

10:48:35 19 AVID?

10:48:35 20 A. Yes.

10:48:36 21 Q. Do you do anything else with the naturalization

10:48:38 22 certificate number?

10:48:39 23 A. I don't know.

10:48:41 24 Q. So does a naturalization certificate number

10:48:48 25 constitute valid DPOC?

10:48:59 1 A. Yes.

10:48:59 2 Q. Did your counsel give you the answer to that one?

10:49:05 3 A. No. Actually, I don't even know what he's
10:49:07 4 writing.

10:49:07 5 Q. Okay. The -- so what -- do you -- do you accept
10:49:16 6 that -- does the naturalization certificate number just on
10:49:19 7 its own constitute DPOC, or do you have to verify it in
10:49:22 8 some way?

10:49:26 9 A. There's a process that occurs that I cannot speak
10:49:29 10 through effectively because I don't do that process on a
10:49:32 11 daily basis.

10:49:34 12 Q. Who -- who does that process for your office?

10:49:37 13 A. Staff.

10:49:42 14 Q. Who in particular? Could you give us a name?

10:49:46 15 Just because this is a 30(b)(6) deposition,
10:49:48 16 we were expecting that someone -- the designees would be
10:49:51 17 able to testify to this process.

10:49:59 18 A. My registrars.

10:50:04 19 Q. Okay. So all -- all of the registrars engaged in
10:50:05 20 this -- in this process?

10:50:06 21 A. Yes.

10:50:08 22 Q. Okay. And all of your registrars have access to
10:50:14 23 USCIS's SAVE system?

10:50:14 24 A. No.

10:50:15 25 Q. Who -- who in your office has access to USCIS's

10:50:21 1 SAVE system?

10:50:24 2 A. Nicole Gillespie, Holly Robinson, and I'm sure a
10:50:38 3 few other staff that I -- I don't know exactly who all has
10:50:41 4 access to that.

10:50:43 5 Q. Okay. But you -- but you don't have access to the
10:50:45 6 USCIS SAVE system?

10:50:48 7 A. No.

10:50:49 8 Q. Okay. And you've not actually engaged in the SAVE
10:50:56 9 system verification process?

10:50:56 10 A. I have not.

10:50:57 11 MR. SHERMAN: Okay. We'll just note that for
10:51:03 12 the record as something that was relevant to the 30(b)(6)
10:51:07 13 deposition topics but the designee can't speak to. But
10:51:11 14 we'll move on.

10:51:11 15 BY MR. SHERMAN:

10:51:13 16 Q. Does your existing agreement --

10:51:13 17 MR. MORGAN: Jon, which topic? Which topic?

10:51:17 18 MR. SHERMAN: At least Topic 1 on
10:51:20 19 interpretation and implementation of HB 2492 and 2243 but
10:51:28 20 likely others, but I don't have it in front of me at the
10:51:31 21 moment.

10:51:31 22 BY MR. SHERMAN:

10:51:31 23 Q. Does your existing agreement with ADOT's Motor
10:51:37 24 Vehicle Division cover the uses outlined in HB 2492 and HB
10:51:40 25 2243?

10:51:41 1 A. Say it one more time, please, sir.

10:51:43 2 Q. Does -- does your existing agreement with the MVD
10:51:47 3 cover the uses outlined in HB 2492 and HB 2243?

10:51:54 4 A. Can you rephrase?

10:51:56 5 Q. Sure.

10:51:58 6 Do you -- do you have an agreement with MVD
10:52:01 7 to use their data for purposes of HAVA checks?

10:52:05 8 A. I do not.

10:52:05 9 Q. I mean your office. When you're testifying,
10:52:08 10 you're testifying on behalf of your office?

10:52:10 11 A. Right. But our office doesn't. It goes through
10:52:12 12 the AVID system --

10:52:13 13 Q. Okay.

10:52:14 14 A. -- and the Secretary of State's Office.

10:52:17 15 Q. And do you know whether that agreement between the
10:52:19 16 Secretary of State's Office and MVD covers the uses
10:52:23 17 outlined in HB 2492 and HB 2243?

10:52:26 18 A. I do not.

10:52:29 19 MR. MORGAN: Form.

10:52:30 20 BY MR. SHERMAN:

10:52:30 21 Q. Has your office encountered instances where a
10:52:33 22 voter registration applicant who is a United States citizen
10:52:36 23 was flagged erroneously as a noncitizen by way of a
10:52:42 24 search -- by way of a HAVA check?

10:52:43 25 A. I do not know.

10:52:44 1 Q. Okay. Do you recall an incident from last year
10:52:48 2 where database matching produced erroneous results and
10:52:52 3 caused the downgrading of thousands of voters to
10:52:56 4 federal-only voting status?

10:52:59 5 A. Say that one more time.

10:53:01 6 Q. Do you recall an incident from last year where
10:53:05 7 database matching produced errors and caused the
10:53:09 8 downgrading of thousands of voters to federal-only voting
10:53:13 9 status?

10:53:13 10 A. I do recall that.

10:53:15 11 Q. What happened?

10:53:17 12 A. There was a systematic issue with the --

10:53:25 13 Q. Sorry. Could you just -- could you just repeat
10:53:27 14 your answer? Someone wasn't on mute.

10:53:30 15 A. Oh. The question was about -- repeat it.

10:53:36 16 Q. Sure.
10:53:38 17 What happened in that incident we were just
10:53:40 18 talking about?

10:53:43 19 A. Are we talking about the incident where this was a
10:53:45 20 systematic error with the AVID system that downgraded --
10:53:48 21 downgraded people to fed-only ballots?

10:53:51 22 Q. That's correct.

10:53:53 23 A. We were notified by the Secretary of State's
10:53:55 24 Office that this situation had occurred. We were given
10:53:59 25 direction as to how to proceed and contacted the voters,

10:54:06 1 canceled ballots that were erroneously issued, and then
10:54:11 2 reissued a correct ballot.
10:54:13 3 Q. And how many voters in your county did this
10:54:16 4 affect?
10:54:17 5 A. I do not remember.
10:54:19 6 Q. Do you know how many voters statewide it affected?
10:54:24 7 A. I do not remember.
10:54:26 8 Q. Can we take a look quickly at Exhibit K. This is
10:54:34 9 marked -- Bates-stamped AZSOS-239148.
10:54:44 10 A. Yes.
10:54:44 11 Q. Do you recognize this document?
10:54:47 12 A. I do.
10:54:49 13 Q. And this was sent to you; right? You're in
10:54:53 14 the "to" line?
10:54:54 15 A. That's me.
10:54:55 16 Q. Great. Thank you.
10:54:57 17 MR. SHERMAN: And could we mark this as
10:55:00 18 Exhibit 95.
10:55:00 19 (The document was marked as Exhibit 95
10:55:03 20 for identification.)
10:55:03 21 BY MR. SHERMAN:
10:55:04 22 Q. Do you want to take a minute just to refresh your
10:55:08 23 memory, and particularly paragraph 3, which has some data?
10:55:10 24 A. Which would say that our county had 27 records
10:55:13 25 that returned a hard match, and 230 separate records might

10:55:19 1 be a soft match, out of which 19 received an early ballot

10:55:24 2 associated with them.

10:55:27 3 Q. Could you just say in layman's terms what all of

10:55:31 4 that means?

10:55:33 5 A. That about 237 people were potentially put into a

10:55:39 6 fed status that should not have been, so we had to reach

10:55:41 7 out to those voters. We had to cancel the incorrect ballot

10:55:47 8 style and then reissue ballots.

10:55:49 9 Q. Do you -- do you understand on a technical level

10:55:52 10 how this happened?

10:55:54 11 A. I do not understand the intricacies of the

10:56:01 12 development of their database system, no, sir.

10:56:03 13 Q. In light of this incident, what does this say to

10:56:08 14 you about the reliability of using database matching to

10:56:10 15 assess a person's current U.S. citizenship status?

10:58:08 3 Can you use MVD databases to confirm that a
10:58:20 4 registered voter is not a U.S. citizen?

10:58:34 11 Can you use HAVA checks to confirm that
10:58:38 12 someone is not a United States citizen?

10:58:39 13 A. We do perform HAVA checks.

10:58:41 14 Q. Can you use HAVA checks to confirm they are not a
10:58:45 15 United States citizen?

10:58:46 16 A. I don't know.

10:58:47 17 Q. You have a process -- right? -- where you send out
10:58:50 18 a notice letter that we were discussing before; right?

10:58:53 19 So --

10:58:53 20 A. Yes, sir.

10:59:00 23 U.S. citizen and that they were not a U.S. citizen in the
10:59:03 24 past. Doesn't that mean that you can't use HAVA checks to
10:59:07 25 conclusively determine that someone is not a U.S. citizen

10:59:10 1 in the present day?

10:59:13 2 A. That is --

10:59:17 6 A. Would you please ask the question again?

10:59:20 7 Q. Sure.

10:59:22 8 Because you have a process to follow up with
10:59:24 9 the voter after the HAVA check indicates that they were not
10:59:29 10 a U.S. citizen at some point in the past, doesn't that mean

10:59:57 21 Q. That's okay. I think we've covered it already.

11:00:00 22 In terms of resources, access, and training,
11:00:03 23 is it practicable for your office to use MVD driver license

11:00:42 11 BY MR. SHERMAN:

11:00:42 12 Q. Right.

11:00:52 15 databases on a monthly basis. Is it practicable for your
11:00:55 16 office to do that?

11:00:56 17 A. I don't know.

11:00:58 18 Q. Okay. Have you had any discussions with your

11:01:06 20 A. No.

11:01:07 21 Q. HB 2492 instructs your office to use -- quote,
11:01:17 22 "Use all available resources to perform these MVD database
11:01:22 23 searches." Is that possible?

11:01:24 24 MR. LANGHOFER: Form.

11:01:47 8 A. I don't know.

11:01:49 9 Q. Has your office ever been given a specific list of
11:01:52 10 means by which a currently registered Arizona voter can be
11:01:56 11 deemed or proven a noncitizen?

11:01:58 12 A. No.

11:02:00 13 Q. Do you know what the SAVE system is?

11:02:05 14 I know we were talking about it before. Do
11:02:07 15 you know what it is?

11:02:10 16 A. I know it's something that exists.

11:02:16 17 Q. And you know it's something that your staff is
11:02:18 18 using?

11:02:19 19 A. That is correct.

11:02:20 20 Q. And do you know what they're using it for?

11:02:23 21 A. Yes.

11:02:33 22 Q. What are they using it for?

11:02:36 23 A. I thought a "yes" was going to be good enough.
11:02:42 24 They use it when they have to identify alien registration
11:02:46 25 numbers.

11:02:49 1 Q. And can they also use the naturalization
11:02:53 2 certificate number?
11:02:55 3 A. I don't know.
11:02:58 4 Q. The form we were looking at before called for a
11:03:04 5 naturalization certificate number, didn't it?
11:03:05 6 A. Yes it did, sir.
11:03:07 7 Q. Okay. Did -- did the form we were looking at
11:03:09 8 before, Exhibit 94 -- did it -- it's Exhibit I or
11:03:17 9 Exhibit 94 -- did it call for alien registration numbers?
11:03:21 10 A. Ask the question one more time.
11:03:43 11 Q. Does this form -- this notice letter, does it ask
11:03:46 12 the voter registration applicant for an alien registration

11:03:56 15 Q. Does your office know that a certificate of
11:04:01 16 naturalization number is different from an alien
11:04:04 17 registration number?
11:04:07 18 A. Yes.
11:04:09 19 Q. If you searched both an alien registration number
11:04:13 20 and a naturalization certificate number, do you know
11:04:16 21 anything about whether that increases the accuracy or
11:04:20 22 likelihood of a match in the SAVE system?
11:04:23 23 A. I don't know.
11:04:24 24 Q. Okay. Do you have -- how common is it for someone
11:04:33 25 to put down an alien registration number or a

11:04:36 1 naturalization certificate number on the Arizona voter

11:05:27 20 Q. What is this document?

11:05:31 21 A. It appears to be an email from Leslie Hoffman to
11:05:38 22 Jen Marson.

11:05:39 23 Q. And those are both staff members in the Yavapai
11:05:45 24 County Recorder's Office?

11:05:45 25 A. That is not correct, sir.

11:05:48 1 Q. Who are they?

11:05:51 2 A. Leslie Hoffman was the previous recorder for
11:05:54 3 Yavapai, and Jen Marson works for HO. And I don't know who
11:05:54 4 Mike Gordon is.

11:05:54 5 MR. SHERMAN: Okay. Thank you.

11:06:03 6 Could we mark this email as Exhibit 96.

11:06:03 7 (The document was marked as Exhibit 96
11:06:10 8 for identification.)

11:06:10 9 BY MR. SHERMAN:

11:06:11 10 Q. Could you take a look at the fourth bullet down.

11:06:18 11 The fourth bullet down in this email reads,
11:06:20 12 "When we check alien registration numbers for
11:06:22 13 naturalization through DHS, we supply the number to check
11:06:26 14 against their database. They don't just provide their
11:06:29 15 whole database to us and I highly doubt that they would."
11:06:32 16 Do you have any way to speak to the veracity
11:06:36 17 or accuracy of this claim?

11:06:38 18 A. I'm not going to speak to somebody else's
11:06:40 19 statement, no.

11:06:41 20 Q. Okay. But you don't have access to the entire
11:06:44 21 contents of the SAVE system that USCIS administers; right?

11:06:49 22 A. I don't believe so.

11:06:50 23 Q. Okay. You -- all you can do is just -- if you
11:06:55 24 have an alien registration number, your office can query
11:06:58 25 that in the USCIS SAVE system; right?

11:07:02 1 A. That is correct.

11:07:02 2 Q. Do you have alien registration numbers for all
11:07:06 3 registered voters in Pima County?

11:07:10 4 A. I don't have anything in Pima County.

11:07:12 5 Q. Oh, I'm sorry. My bad. We're doing a lot of
11:07:17 6 these depositions. That is one edit that did not make it.
11:07:20 7 I will ask the question again.

11:07:21 8 Do you have alien registration numbers for
11:07:23 9 all registered voters in Pinal County?

11:07:26 10 A. That would be no.

11:07:28 11 Q. Do you have naturalization certificate numbers for
11:07:31 12 all registered voters in Pinal County?

11:07:34 13 A. No.

11:07:35 14 Q. Does the existing agreement with US -- do you
11:07:40 15 have an agreement directly with USCIS?

11:07:47 16 A. I don't believe so. I believe that we work with
11:07:50 17 the Secretary of State on that.

11:07:52 18 Q. Does the agreement between the USCIS and the
11:07:57 19 Arizona Secretary of State's Office cover the uses of the
11:08:01 20 SAVE system outlined in HB 2492 and HB 2243?

11:08:05 21 MR. MORGAN: Form, foundation.

11:08:07 22 THE WITNESS: I don't know.

11:08:09 23 BY MR. SHERMAN:

11:08:11 24 Q. Okay. Do you know if it's feasible to use the
11:08:13 25 SAVE system to determine a voter registration applicant's

11:08:17 1 current U.S. citizenship status?

11:08:19 2 A. I don't know.

11:08:20 3 Q. Same answer for registered voters' current U.S.

11:08:26 4 citizenship status?

11:08:26 5 A. Yes.

11:08:26 6 MR. MORGAN: Form.

11:08:29 7 BY MR. SHERMAN:

11:08:30 8 Q. Is it feasible to use the SAVE system to

11:08:33 9 conclusively determine a lack of U.S. citizenship?

11:08:38 10 A. I don't know.

11:08:42 11 Q. Can the SAVE system be used to confirm that a

11:08:44 12 registered voter is not a U.S. citizen?

11:08:48 13 A. I don't know.

11:08:48 14 Q. What does your office do if the SAVE system search

11:08:52 15 returns no match?

11:08:56 16 A. We would send them a letter.

11:09:02 17 Q. Okay. Do you engage in any follow-up process with

11:09:08 18 USCIS?

11:09:11 19 A. I don't know.

11:09:13 20 Q. Has your office ever engaged in an alternative

11:09:17 21 verification process with USCIS?

11:09:21 22 A. Repeat the question.

11:09:22 23 Q. Has -- surely.

11:09:24 24 Has your office ever engaged in an

11:09:27 25 alternative verification process with USCIS when you either

11:09:31 1 can't match someone or they are returned -- the information

11:09:37 2 shows that they're not a citizen?

11:09:40 3 A. No.

11:09:43 4 Q. Okay. Do you know if the memorandum of agreement

11:09:47 5 between the Arizona Secretary of State's Office and USCIS

11:09:52 6 requires county recorders to engage in an alternative

11:09:57 7 verification process?

11:09:59 8 MR. LANGHOFER: Form.

11:10:00 9 THE WITNESS: I don't know.

11:10:03 10 MR. LANGHOFER: Calls for a legal conclusion.

11:10:03 11 BY MR. SHERMAN:

11:10:04 12 Q. Could I have you look at --

11:10:10 13 THE COURT REPORTER: I'm sorry. If you could

11:10:10 14 just pause, Ms. Lewis, so I can hear the objections, that

11:10:11 15 would be great.

11:10:11 16 THE WITNESS: Apologies.

11:10:14 17 BY MR. SHERMAN:

11:10:15 18 Q. Could I have you look at Exhibit J in the folder.

11:10:27 19 The main thing I want to ask you about is the first email

11:10:30 20 in this series, which is, of course, sequential -- the

11:10:32 21 sequentially first email, which is at the bottom of page 2.

11:10:35 22 But if you could just take a look at the

11:10:37 23 chain and tell me what this document appears to be.

11:10:45 24 A. It appears to be an email between Kevin Fisher and

11:10:56 25 Janine Petty.

11:10:58 1 Q. And what is the subject matter of this?
11:11:04 2 Generally, what's the subject matter of this email chain?
11:11:08 3 A. "SAVE case response corrections."
11:11:13 4 MR. SHERMAN: Could we mark this as
11:11:15 5 Exhibit 97.
11:11:15 6 (The document was marked as Exhibit 97
11:11:19 7 for identification.)
11:11:19 8 BY MR. SHERMAN:
11:11:20 9 Q. If you could read through the chain -- scan
11:11:23 10 through the chain. But the main thing I'd ask you to read
11:11:26 11 is the bottom of this chain that was written by Kevin
11:11:29 12 Fisher at the SAVE program at USCIS to Janine Petty.
11:11:36 13 A. And Janine Petty is not an employee of mine.
11:11:41 14 Q. I understand. I just -- I'm going to ask you a
11:11:43 15 question about -- about this.
11:11:45 16 A. Okay.
11:11:47 17 Q. So the email at the bottom of this email chain
11:11:53 18 says, "Hi Janine, I left you a voicemail but wanted to
11:11:56 19 follow up by email. SAVE recently updated the way we
11:11:58 20 process cases. During that update we noticed that between
11:12:02 21 December 19, 2018 and January 10, 2019, we may have
11:12:07 22 inadvertently returned some inaccurate responses for some
11:12:10 23 of your cases. We can send you a list of those cases for
11:12:13 24 your review. If you would like to create a new case based
11:12:16 25 on this new information to ensure that your records are

11:12:18 1 accurate, I encourage you to do so. We are sorry for any
11:12:22 2 inconvenience."

11:12:23 3 Does this email indicate that the USCIS SAVE
11:12:29 4 system was returning inaccurate data for some queries for
11:12:34 5 the period of about a month?

11:12:36 6 MR. MORGAN: Form, foundation.

11:12:43 7 THE WITNESS: So you're asking me to respond
11:12:45 8 on an email that was sent to the Secretary of State's
11:12:49 9 Office from somebody from Department of Homeland Security
11:12:52 10 about what he wrote?

11:12:56 11 BY MR. SHERMAN:

11:12:56 12 Q. Just asking, yeah, for the subject matter of what
11:12:58 13 I just read.

11:13:00 14 Does it indicate -- does it indicate that
11:13:01 15 SAVE was returning erroneous data between December 19,
11:13:07 16 2018, and January 10, 2019?

11:13:09 17 MR. LANGHOFER: Same objection.

11:13:13 18 THE WITNESS: It says "may."

11:13:19 19 BY MR. SHERMAN:

11:13:19 20 Q. Okay. Do you recall -- were you -- were you with
11:13:23 21 the office back in February 12th, 2019?

11:13:26 22 A. That was BD, Before Dana.

11:13:28 23 Q. Okay. That's also B -- BD.

11:13:30 24 So you're not familiar with the user Sandra
11:13:37 25 Tapia in Pinal County?

11:13:37 1 A. May her memory be a blessing, and she is no longer
11:13:40 2 with us.

11:13:42 3 Q. Sorry to hear.

11:13:44 4 Okay. We can -- we can move on.

11:13:55 5 So just to confirm, you're not familiar with
11:13:58 6 USCIS's alternative verification process?

11:14:00 7 A. I am not.

11:14:02 8 Q. Okay. Would you agree that SAVE can be used to
11:14:10 9 confirm U.S. citizenship but cannot be used to confirm a
11:14:13 10 lack of U.S. citizenship?

11:14:14 11 MR. LANGHOFER: Form.

11:14:15 12 THE WITNESS: I don't know.

11:14:16 13 BY MR. SHERMAN:

11:14:17 14 Q. Has your office been communicating with USCIS
11:14:19 15 about HB 2492 or HB 2243?

11:14:24 16 A. No.

11:14:25 17 Q. Do you know whether the secretary -- Secretary of
11:14:28 18 State's Office has?

11:14:32 19 A. I don't know.

11:14:34 20 Q. Okay. HB 2243 requires you to compare the
11:14:40 21 county's voters. I think we've covered this already.

11:14:41 22 So on the Social Security Administration
11:14:47 23 databases, which are also referenced in both of the
11:14:49 24 challenged laws, do you have any knowledge of the Social
11:14:53 25 Security Administration's databases?

11:14:56 1 A. Are you asking me if I know that it exists?

11:15:00 2 Q. I'll ask a more specific question. I'll retract

11:15:03 3 that.

11:15:03 4 Do you have any knowledge of whether the

11:15:05 5 Social Security Administration's databases can be used for

11:15:09 6 U.S. citizenship verification?

11:15:11 7 A. I don't know.

11:15:12 8 Q. Can SSA databases be used to confirm a lack of

11:15:16 9 U.S. citizenship?

11:15:17 10 A. I don't know.

11:15:20 11 Q. You don't know any -- do you know anything about

11:15:22 12 the reliability of citizenship information in the SSA's

11:15:26 13 databases?

11:15:26 14 A. I do not know.

11:15:30 15 Q. Do you use SSA databases or interface with them

11:15:32 16 for any other purpose?

11:15:34 17 A. We interface with AVID.

11:15:37 18 Q. Does the HAVA check, through AVID, interface with

11:15:41 19 SSA databases in any way?

11:15:43 20 A. I do not know.

11:15:46 21 Q. Okay. Do you know who in your office would know?

11:15:51 22 A. Anything from outside databases would be pushed to

11:15:55 23 the AVID system through the Secretary of State's Office,

11:15:58 24 and we would have access to it through our dashboard in

11:16:01 25 AVID.

11:16:02 1 Q. Understood.

11:16:04 2 So I have only a little bit left on my
11:16:07 3 outline. I know we've been going for a bit. And I have
11:16:09 4 some other questions on documentary proof of residence,
11:16:14 5 which is relatively short, that I was going to ask.

11:16:17 6 Can I finish just these last -- this last
11:16:19 7 page and a half, take a break for 10, 15 minutes, and then
11:16:23 8 I'll do the DPOR questions and then turn it over to one my
11:16:27 9 colleagues? Does that sound like a plan?

11:16:31 10 A. Let's rock and roll.

11:16:32 11 Q. All right. Would it be practicable to compare all
11:16:35 12 of your county's voters to Social Security Administration
11:16:40 13 databases on a monthly basis if you had access?

11:16:47 14 A. I don't know.

11:16:49 15 Q. Have you ever heard of the National Association
11:16:52 16 for Public Health Statistics and Information Systems?

11:17:00 17 A. Department of Public Health and Human Services?

11:17:06 18 Q. No. This is a different entity.

11:17:10 19 The National Association for Public Health
11:17:15 20 Statistics and Information Systems, have you ever heard of
11:17:17 21 them?

11:17:17 22 A. Doesn't ring a bell.

11:17:19 23 Q. Do you have any familiarity with their database:
11:17:21 24 the Electronic Verification of Vital Events database?

11:17:28 25 A. Not by that name.

11:17:30 1 Q. Okay. And so no knowledge of whether it contains
11:17:36 2 U.S. citizenship data or not?

11:17:38 3 A. That would be an accurate statement.

11:17:41 4 Q. Okay. We can skip the rest of this then.

11:17:44 5 You're familiar with the Electronic
11:17:50 6 Registration Information Center, or ERIC?

11:17:52 7 A. Yes.

11:17:52 8 Q. And what is it?

11:17:55 9 A. It is a system that is subscribed to by the
11:18:00 10 Arizona Secretary of State's Office.

11:18:03 11 Q. And what's its purpose -- sorry. Go ahead.

11:18:08 12 A. To -- sorry. Apologies. To identify cross-state
11:18:13 13 voter matches.

11:18:17 14 Q. Do you use it for U.S. citizenship verification?

11:18:22 15 A. No.

11:18:23 16 Q. Can it be used for U.S. citizenship verification?

11:18:26 17 A. I don't know.

11:18:28 18 Q. Do you know if ERIC contains any U.S. citizenship
11:18:32 19 data whatsoever?

11:18:35 20 A. I don't know.

11:18:36 21 Q. Okay. Do you have the ability to search or
11:18:40 22 interface with any other government databases with U.S.
11:18:44 23 citizenship data?

11:18:46 24 A. Other than the ones we've previously addressed?

11:18:48 25 Q. Correct.

11:18:49 1 A. No, I don't.

11:18:51 2 Q. Other than the HAVA check, is there anything --

11:18:54 3 A. Other than the HAVA check or the SAVE system,
11:18:58 4 there are no other -- no others that we interface with.

11:18:58 5 Q. Understood.

11:19:00 6 Has your office been communicating with any
11:19:02 7 other person or entity regarding the use of any other
11:19:04 8 database for citizenship verification?

11:19:08 9 A. No.

11:19:08 10 Q. If you were compelled by one of these new laws --
11:19:27 11 if you were required to use multiple databases at once to
11:19:33 12 conduct citizenship verification, what would your office do
11:19:36 13 with conflicting information between those databases?

11:19:43 14 MR. LANGHOFER: Form. Calls for speculation.

11:19:44 15 MR. MORGAN: Form.

11:19:49 16 THE WITNESS: I can't answer that.

11:19:52 17 BY MR. SHERMAN:

11:19:52 18 Q. Okay. There's no guidance yet on that; right?

11:19:55 19 A. Correct.

11:20:02 20 Q. Just one last question on this out- -- on this
11:20:04 21 outline, then we can take a break.

11:20:07 22 If a registered voter is removed from the
11:20:10 23 rolls under HB 2243 based on an erroneous determination
11:20:15 24 that they are not a U.S. citizen, can that voter be added
11:20:19 25 back to the rolls if the registration deadline has already

11:20:22 1 passed?

11:20:25 2 MR. LANDHOFER: Form, foundation

11:20:26 3 MS. BOUGHTON: Form.

11:20:32 4 THE WITNESS: I'm trying, Cindy.

11:20:32 5 Well, since we have not had the intention to
11:20:38 6 implement anything with 2492 or 2243, I can't answer that.

11:20:41 7 BY MR. SHERMAN:

11:20:41 8 Q. All right. So I'll ask it separate and apart from
11:20:44 9 HB 2243.

11:20:46 10 Currently, if you determined after the book
11:20:51 11 closing -- after the registration deadline that someone was
11:20:54 12 erroneously removed from the rolls, can you add that person
11:20:57 13 back to the rolls?

11:21:00 14 MR. LANGHOFER: Form.

11:21:01 15 THE WITNESS: I guess I can't answer that.

11:21:02 16 Because how would we erroneously remove somebody from the
11:21:05 17 rolls?

11:21:07 18 BY MR. SHERMAN:

11:21:09 19 Q. Say you relied on incorrect information that they
11:21:13 20 had been convicted of a felony and removed them from the
11:21:18 21 rolls on that basis but then a government agency --
11:21:23 22 Department of Corrections, et cetera -- contacted you and
11:21:25 23 said, "Actually, that was a mistake. We had the wrong
11:21:28 24 person," and this all happened and that came to light after
11:21:32 25 the registration deadline, what would happen with that

11:21:35 1 registered voter?

11:21:36 2 MR. MORGAN: Form.

11:21:40 3 THE WITNESS: I can't answer that. I can't
11:21:47 4 imagine in a million years that -- I don't know.

11:21:50 5 BY MR. SHERMAN:

11:21:51 6 Q. Is it laid out clearly anywhere in the currently
11:21:54 7 operative Election Procedures Manual?

11:21:57 8 MR. LANGHOFER: Form.

11:22:02 9 THE WITNESS: You had several questions in
11:22:04 10 there that were conflicting to each other. So if you would
11:22:06 11 ask those again one at a time, I might be able to address
11:22:09 12 them.

11:22:10 13 BY MR. SHERMAN:

11:22:11 14 Q. Sure.

11:22:12 15 I just want to know what your current
11:22:14 16 practice is if your office learns that someone was removed
11:22:18 17 in error and you don't learn of that until after the book
11:22:22 18 closing, after the registration deadline. What do you do
11:22:25 19 with that erroneously removed registered voter?

11:22:40 20 A. I can't answer that because you're asking for a
11:22:44 21 process. That's dual-faceted. You're putting a word in
11:22:50 22 there that is a bit confusing, because when you're talking
11:22:52 23 about books closing and our ability to deal with live data,
11:22:56 24 that's conflicting.

11:22:58 25 Q. Okay. I -- I'll restate it just one more time

11:23:02 1 without "book closing" if that's --

11:23:05 2 A. That would be better.

11:23:05 3 Q. -- confusing.

11:23:06 4 A. Thank you.

11:23:06 5 Q. Okay. If you learned that a registered voter was

11:23:09 6 removed in error and you learn of that information after

11:23:14 7 the registration deadline, what do you do next? Can you

11:23:21 8 reinstate that registered voter?

11:23:24 9 MR. LANGHOFER: Form.

11:23:29 10 THE WITNESS: It all depends where we're at

11:23:34 11 with stuff. And they just changed AVID, so I -- I'm not

11:23:40 12 comfortable answering that question because there's --

11:23:40 13 BY MR. SHERMAN:

11:23:40 14 Q. Fair enough.

11:23:40 15 A. -- complications there.

11:23:40 16 THE COURT REPORTER: "Because there's" what?

11:23:47 17 THE WITNESS: There's complications to the

11:23:47 18 question in which -- the way it's being stated and the

11:23:49 19 processes that are currently in place.

11:23:52 20 BY MR. SHERMAN:

11:23:52 21 Q. It may depend on the circumstances or timing --

11:23:55 22 A. Absolutely. Absolutely.

11:23:57 23 Q. Okay. And so it might vary from circumstance to

11:24:00 24 circumstance?

11:24:01 25 A. That is correct.

11:24:02 1 Q. Is it laid out in the EPM anywhere?

11:24:06 2 MR. LANGHOFER: Form.

11:24:09 3 THE WITNESS: I can't answer that. I
11:24:12 4 don't -- I don't --

11:24:14 5 BY MR. SHERMAN:

11:24:14 6 Q. Fair enough.

11:24:15 7 MR. SHERMAN: Thank you, Ms. Lewis. I have
11:24:18 8 some additional questions, not too many, on documentary
11:24:20 9 proof of residence, but would now be a good time for a
11:24:25 10 break? Would 10 or 15 minutes work?

11:24:28 11 THE WITNESS: Sure.

11:24:30 12 MR. SHERMAN: Can we take 15 minutes and come
11:24:32 13 back at what should be 11:39 a.m. Arizona time?

11:24:40 14 THE WITNESS: Works for me.

11:24:42 15 MR. SHERMAN: Okay. All right. Thank you so
11:24:43 16 much.

11:24:47 17 THE VIDEOGRAPHER: This has ended and we're
11:24:53 18 off the record. Time on monitor is 11:24. This will end
11:24:59 19 Media 1.

11:25:16 20 (A recess ensued.)

11:40:37 21 THE VIDEOGRAPHER: Okay. We are on -- we are
11:40:44 22 back on record. Time on the monitor is 11:40. And we
11:40:52 23 are -- this begins Media 2.

11:40:57 24 MR. SHERMAN: So, Ms. Lewis, thank you for
11:40:59 25 your time today. I'm done. I'm going to turn it over to

11:41:03 1 my colleagues to ask you further questions.

11:41:05 2 Again, thank you for your time.

11:41:06 3 THE WITNESS: Thank you, sir.

11:41:09 4

11:41:09 5 EXAMINATION

11:41:09 6 BY MS. KELTY:

11:41:09 7 Q. Hi, Ms. Lewis.

11:41:13 8 A. Hello, Ms. Kelty.

11:41:14 9 Q. I'm Samantha Kelty. I'm an attorney with the
11:41:17 10 Native American Rights Fund in D.C., and I represent two
11:41:21 11 tribes -- the Tohono O'odham and Gila River -- as well as
11:41:24 12 three individual plaintiffs. So I'll have a few questions
11:41:27 13 for you about the DPOR requirement. So let's start by
11:41:32 14 talking about the current residential address provisions.

11:41:37 15 In order to register to vote, applicants are
11:41:39 16 required to provide their residential address, or if they
11:41:43 17 don't have a residential address, a description or a
11:41:47 18 drawing of the location of their address -- location of
11:41:50 19 their residence; is that right?

11:41:53 20 A. Yes, ma'am.

11:41:53 21 Q. And a post office box cannot be used to meet that
11:41:59 22 requirement; correct?

11:42:00 23 A. Correct.

11:42:03 24 Q. Okay. You sound like you're questioning your
11:42:09 25 answer.

11:42:09 1 Did you have a follow-up there?

11:42:10 2 A. With nonstandard addresses, there are other tasks

11:42:15 3 that are accomplished. So if they do not have a standard

11:42:20 4 address, we are able to use the P.O. box, understanding it

11:42:30 5 is not a residential address.

11:42:32 6 Q. And how would you do that?

11:42:34 7 A. Guidelines from the Gila River Indian Community.

11:42:42 8 Q. Okay. Yeah, I definitely want to talk about those

11:42:45 9 guidelines here in a second.

11:42:47 10 How do you use residence address or location

11:42:53 11 information for voter registration?

11:42:57 12 A. Can you explain the question, please?

11:42:59 13 Q. So when applicants provide their residential

11:43:06 14 address or a description or a drawing of the location of

11:43:09 15 their residence, how do you use that information to then

11:43:13 16 register them to vote?

11:43:18 17 A. We use it.

11:43:23 18 Q. What is the information used for?

11:43:31 19 A. I don't understand.

11:43:34 20 Q. Why is it important that you have a residence

11:43:38 21 address or location information for voter registration?

11:43:42 22 A. To send them documentation.

11:43:45 23 Q. What documentation?

11:43:47 24 A. Early ballots, if they're signed up for the active

11:43:52 25 early voting or request a ballot by mail, voter ID cards.

11:43:56 1 Q. Is that it?

11:44:02 2 A. That I can recall at this point.

11:44:05 3 Q. Okay. Well, let's talk about those two different
11:44:08 4 options -- a residential address or a description or a
11:44:12 5 drawing -- in turn. So first I'll ask you about the
11:44:15 6 process when someone provides a residential address, and
11:44:17 7 then I'll ask you about the process when some- -- about the
11:44:21 8 process when someone provides a residence location
11:44:24 9 description or a drawing.

11:44:26 10 So if someone provides an address, a
11:44:29 11 residential address, how does the county use the
11:44:32 12 information to locate the residence?

11:44:32 13 A. They're --

11:44:42 14 Q. Does the county --

11:44:43 15 A. Please proceed, Samantha.

11:44:44 16 Q. No, you go ahead. Sorry.

11:44:46 17 A. We enter it into the AVID system.

11:44:52 18 Q. And is it ever the case that a residential address
11:44:58 19 is not able to be located using AVID?

11:45:02 20 A. Yes.

11:45:02 21 Q. When does that happen?

11:45:06 22 A. Usually with new developments.

11:45:10 23 Q. And what would you do then?

11:45:15 24 A. We send them a letter stating that we have not
11:45:21 25 been able to verify the address. Typically, there's

11:45:28 1 difficulties with the assessor's office or community

11:45:32 2 development being behind, and we wait for that process to

11:45:35 3 catch up.

11:45:38 4 Q. How long does that typically take?

11:45:41 5 A. I don't know.

11:45:44 6 Q. If you have to guess a range, would it be more

11:45:48 7 than six months?

11:45:49 8 A. I'm not comfortable guessing.

11:45:52 9 Q. How common is that that someone would have a

11:45:57 10 residential address that you're not able to locate, for

11:46:01 11 example, because of a new development?

11:46:02 12 A. I don't know.

11:46:05 13 Q. Did you encounter that in the last election?

11:46:09 14 A. I don't know.

11:46:11 15 Q. Who would know in your office?

11:46:19 16 A. I don't believe that that's an answer that could

11:46:21 17 be provided. You're asking for a summation and I'm -- I

11:46:30 18 can't provide that.

11:46:33 19 Q. Okay. Fair enough.

11:46:34 20 Is it more common for residential addresses

11:46:38 21 used on Native American reservations to not be located in

11:46:42 22 the database?

11:46:47 23 A. I wouldn't say that.

11:47:03 24 Q. [Indiscernible] reservations intersect with Pinal

11:47:03 25 County?

11:47:03 1 THE COURT REPORTER: I think we missed the
11:47:03 2 beginning.

11:47:03 3 BY MS. KELTY:

11:47:06 4 Q. What reservations intersect with Pinal County?

11:47:06 5 A. We have Gila -- we have Gila River, Tohono

11:47:16 6 O'odham. What other reservations do we have? Those are

11:47:20 7 the two that come to mind right now.

11:47:22 8 Q. Does Ak-Chin also interact with Pinal County?

11:47:26 9 A. That is correct.

11:47:27 10 Q. What does the county do when a residential address
11:47:30 11 can't be located?

11:47:35 12 MR. MORGAN: Form.

11:47:38 13 THE WITNESS: You asked: What does the
11:47:39 14 county do when a residential address cannot be located?

11:47:45 15 BY MS. KELTY:

11:47:45 16 Q. Yes.

11:47:47 17 A. I don't know what the county does.

11:47:50 18 Q. Your office.

11:47:52 19 A. Okay. Our office -- when a residential address
11:47:55 20 does not pop with the checks in HA- -- in AVID, we are able

11:48:00 21 to run the situs check through our GIS system. Total

11:48:08 22 Address -- Total Address is a process used in AVID. And

11:48:11 23 when we can't confirm due to various reasons, we send a

11:48:15 24 letter.

11:48:20 25 Q. Okay. And you mentioned earlier that Gila River

11:48:24 1 has guidelines that your office uses as a reference as
11:48:36 2 well?

11:48:36 3 A. Correct.

11:48:37 4 Q. What are those guidelines?

11:48:38 5 A. I don't have access to those right now. It's --
11:48:43 6 it's for addressing. So if somebody has a nonstandard
11:48:48 7 address for their ability to be able to receive mail, such
11:48:51 8 as their voter registration card, they're given -- if they
11:48:56 9 live in this section, then they use this -- this district
11:49:00 10 service center address to be able to get their mail.

11:49:05 11 Q. So does your office keep a copy of those
11:49:09 12 guidelines?

11:49:11 13 A. I do believe so.

11:49:13 14 Q. Okay. Were they produced in the discovery?

11:49:17 15 A. I don't know.

11:49:23 16 Q. Okay.

11:49:27 17 MS. KELTY: That is something I believe may
11:49:29 18 be responsive. If I could ask your attorney just to follow
11:49:32 19 up on that.

11:49:32 20 BY MS. KELTY:

11:49:33 21 Q. And then, Ms. Lewis, you mentioned the situs
11:49:34 22 check. What is that?

11:49:35 23 A. Situs is a check that we use with our GIS
11:49:40 24 department.

11:49:44 25 Q. How does it work?

11:49:46 1 A. We type the address into the system. If the
11:49:50 2 address does not populate, my experience has been that it
11:49:56 3 hasn't been marked yet with community development, so it's
11:49:58 4 one of those addresses that we're waiting to play catch-up
11:50:02 5 with.

11:50:03 6 Q. Unless it's on Gila River, for example; correct?

11:50:07 7 A. Yes.

11:50:10 8 Q. Okay. So can situs check be used for addresses on
11:50:15 9 Gila River?

11:50:16 10 A. It's used for all addresses.

11:50:18 11 Q. And then what is Total Address?

11:50:22 12 A. It's a system in the AVID system.

11:50:26 13 Q. How does it work?

11:50:28 14 A. The same way.

11:50:30 15 Q. And could you type in a nonstandard address into
11:50:40 16 Total Address and situs check?

11:50:45 17 A. I believe that they -- I don't know.

11:50:56 18 Q. And the Gila River guidelines, is that something
11:51:08 19 that the tribe produces and then sends to your office to
11:51:14 20 assist with locating voters?

11:51:16 21 A. It's a document that they provided to us in the
11:51:19 22 past.

11:51:21 23 Q. And how long is the document?

11:51:24 24 A. It's in a binder about this thick [indicating].

11:51:30 25 Q. Okay. Maybe a couple hundred pages?

11:51:34 1 A. I don't know that it's quite that many. It's in
11:51:37 2 document protectors. But I would say it's, you know, more
11:51:40 3 than 25 pages.

11:51:45 4 Q. And is it updated periodically?

11:51:49 5 A. I don't believe that it has been updated in the
11:51:51 6 last eight years.

11:51:54 7 Q. Is it useful when your office refers to it?

11:51:58 8 A. My staff has told me that it is.

11:52:03 9 Q. Will your office register a voter whose address
11:52:08 10 can't be located?

11:52:08 11 A. Yes.

11:52:10 12 Q. How would it do that?

11:52:20 13 A. They would be in a suspense. And then we would
11:52:29 14 send them documentation explaining that we need the
11:52:31 15 validation for the address.

11:52:35 16 Q. And how would you deliver the documentation?

11:52:40 17 A. To whatever mailing address that they had
11:52:42 18 provided.

11:52:45 19 Q. Are those typically returned?

11:52:47 20 A. I don't know.

11:52:50 21 Q. Okay. So now let's talk about when a voter
11:52:54 22 registration applicant provides a residence location
11:52:57 23 description or a drawing.

11:52:59 24 And this is what applicants are asked to do
11:53:01 25 if they live at a residence that doesn't have a residential

11:53:04 1 address or if the residential address they provide can't be
11:53:08 2 located; is that right?

11:53:09 3 A. Correct.

11:53:10 4 Q. How does your office use residence location
11:53:15 5 descriptions or drawings to locate a residence?

11:53:22 6 A. We scan them into the system. They're there. And
11:53:30 7 then we use the GRIC book to compare to see if we can
11:53:36 8 identify which district that person resides in.

11:53:40 9 Q. And I'm sorry. The what book?

11:53:42 10 A. The GRIC, the Gila River -- Gila River Indian
11:53:45 11 Community book. We call it the GRIC book.

11:53:52 12 Q. Okay. So the GRIC book is your primary go-to in
11:53:59 13 that situation?

11:53:59 14 A. Yes.

11:54:02 15 Q. And do you -- have you used the GRIC book to
11:54:10 16 locate a residence?

11:54:11 17 A. I have not personally.

11:54:14 18 Q. Do you know -- can you give me an example of what
11:54:18 19 might happen when your staff members look in the GRIC book
11:54:21 20 to find a residence?

11:54:28 21 A. I don't know. I have not -- I've watched them
11:54:39 22 run -- so they do the voter registration in AVID. They run
11:54:42 23 the HAVA check. They will then try to map with -- or look
11:54:47 24 at the address using situs or Total Address. If they don't
11:54:51 25 find it that way and it appears to be a nonstandard

11:54:54 1 address, then they will refer, then, to the GRIC guideline
11:54:58 2 book. If they find somewhere to point the -- to drop the
11:55:03 3 point there, then they're able to get a supervisor to what
11:55:10 4 we call dropping a point, and then they can send mail to
11:55:16 5 the voter.

11:55:18 6 Did that answer the question?

11:55:20 7 Q. That's helpful. Thank you.

11:55:23 8 Is there a contact at Gila River that your
11:55:30 9 office could get a hold of if they don't understand how to
11:55:34 10 translate the -- where the residence may be located and how
11:55:39 11 to drop the point?

11:55:43 12 A. Yes.

11:55:44 13 Q. Who is that?

11:55:48 14 A. I don't know.

11:55:50 15 Q. Do you know what the --

11:55:52 16 A. My AVID department, voter registration department
11:55:55 17 have communications with all of the nations actively
11:56:00 18 because we also accomplish voter outreach and education.

11:56:15 19 Q. Are applicants on Gila River, Ak-Chin, Tohono
11:56:21 20 O'odham in Pinal County more likely to provide a
11:56:25 21 description or a drawing as opposed to a residential
11:56:28 22 address?

11:56:31 23 A. You're asking for an opinion, and I won't -- I
11:56:34 24 don't have an opinion about that.

11:56:38 25 Q. Could you provide us an example of a residence

11:56:46 1 location description that you have seen on a voter
11:56:51 2 registration form?

11:56:54 3 A. No.

11:56:57 4 Q. What do they typically look like?

11:57:02 5 A. They will have landmarks describing locations.

11:57:23 6 Q. So how often does this kind of location
11:57:32 7 description -- for example, a landmark describing a
11:57:35 8 location --

11:57:36 9 A. I don't know.

11:57:38 10 Q. Let me finish my question

11:57:40 11 A. Sorry.

11:57:41 12 Q. How often -- that's okay. Thank you for being
11:57:45 13 eager to answer.

11:57:46 14 How often do these kinds of location
11:57:49 15 descriptions, such as landmarks, appear on identification
11:57:52 16 documents in Arizona?

11:57:57 17 A. On identification documents?

11:58:02 18 Q. Correct.

11:58:04 19 A. I don't know.

11:58:07 20 Q. Are you aware of any identification documents --
11:58:13 21 driver's license, IDs, utility statements -- that contain
11:58:17 22 landmarks describing locations?

11:58:21 23 A. I don't know.

11:58:22 24 Q. Are you aware of any identification documents that
11:58:37 25 have a map, for example, to a residence located on the

11:58:42 1
11:58:43 2
11:58:46 3
11:58:49 4
11:58:51 5
11:58:53 6
11:58:56 7
11:59:01 8
11:59:03 9
11:59:08 10
11:59:11 11
11:59:16 12
11:59:19 13
11:59:23 14
11:59:25 15
11:59:25 16
11:59:28 17
11:59:35 18
11:59:44 19
11:59:46 20
11:59:49 21
11:59:52 22
11:59:55 23
11:59:58 24
12:00:02 25

document?
A. I have heard about it. I've never seen it.
Q. What types of identification documents contain maps to a residence?
A. I don't know.
Q. What have you heard of?
A. You hear all kinds of stories.
Q. What are you referring to there?
A. You know what? I take that back. When you are coming up in this world, you hear all kinds of things. Have I seen anything firsthand? Absolutely not.
Q. Does Pinal County provide addresses for homes in the county?
A. Can you please clarify the question?
Q. Sure.
Is there a department in the county that's responsible for addressing residences in the county?
A. I don't know. I'm assuming that there is.
Q. Like, earlier, you were talking about new developments and sometimes the assessor is behind. So I assumed there was assessor's department that --
A. I don't know who I -- I don't know who in the department -- I know there's a department. I know it's a multifaceted process. But I don't know whose responsibility it is to actually assign the address.

12:00:07 1 Q. What do you know about that process?

12:00:11 2 A. Little.

12:00:14 3 Q. When you say it's multifaceted, what do you mean?

12:00:17 4 A. There's the assessor's office; there's community

12:00:21 5 development; facility -- there's several departments that I

12:00:31 6 know have a part in that process.

12:00:35 7 Q. Do you know how long it takes approximately?

12:00:38 8 A. I do not.

12:00:40 9 Q. Do you know if those various offices are involved

12:00:46 10 in providing addresses for homes on Gila River?

12:00:51 11 A. I don't know.

12:00:53 12 Q. Does your office take any type of extra steps to

12:01:06 13 increase voter registration for native voters in the

12:01:09 14 county?

12:01:11 15 A. Can you please explain your question?

12:01:14 16 Q. You mentioned earlier that you were in constant

12:01:17 17 communication with -- with the tribal nations.

12:01:21 18 And is -- is one of those communication

12:01:25 19 pieces to increase voter registration for tribal members?

12:01:34 20 A. Absolutely.

12:01:34 21 Q. What do -- what does the county do? What does

12:01:37 22 your office do?

12:01:38 23 A. We have a voter outreach program coordinator and

12:01:42 24 communications team that works -- we have identified all of

12:01:45 25 their annual events and we do our best to make sure we have

12:01:50 1 a presence at those events for voter registration,

12:01:53 2 education, and outreach.

12:01:56 3 Q. And those are events on Gila River?

12:02:00 4 A. Yes, ma'am.

12:02:00 5 Q. And on Tohono O'odham?

12:02:03 6 A. Yes, ma'am.

12:02:03 7 Q. And on Ak-Chin?

12:02:06 8 A. Yes, ma'am.

12:02:08 9 Q. And in your experience, what challenges do native
12:02:14 10 voters in Pinal County face when trying to register to
12:02:17 11 vote?

12:02:20 12 MR. LANGHOFER: Form.

12:02:21 13 THE WITNESS: I -- I'm not comfortable
12:02:22 14 answering that question because you're asking me to express
12:02:27 15 somebody else's views.

12:02:29 16 BY MS. KELTY:

12:02:31 17 Q. When your office saw that there was a need to do
12:02:36 18 voter outreach on the three tribal nations intersecting
12:02:40 19 with the county, what -- what was -- what is your
12:02:46 20 understanding of that need?

12:02:48 21 A. I did not say that we --

12:02:50 22 MR. MORGAN: Form.

12:02:51 23 THE WITNESS: I apologize, Cindy.

12:02:54 24 I did not say that we identified that there
12:02:59 25 was a need. They have reached out to us for active

12:03:02 1 participation, and we have met them halfway.

12:03:05 2 BY MS. KELTY:

12:03:07 3 Q. Understood.

12:03:08 4 Do native voters in your county face extra
12:03:14 5 challenges when trying to register to vote?

12:03:17 6 A. I don't know.

12:03:19 7 Q. Is voter registration lower in native communities
12:03:24 8 in Pinal County than the county average?

12:03:27 9 A. I don't know.

12:03:34 10 Q. In addition to using the GRIC book and the AVID
12:03:44 11 situs check and Total Address, does your office do anything
12:03:48 12 else to accommodate native voters who live at a residence
12:03:51 13 without an address?

12:03:55 14 A. I don't know.

12:03:57 15 Q. Okay. Let's talk about HB 2492 and its
12:04:11 16 requirement that documentary proof of residence be provided
12:04:15 17 with voter registration.

12:04:16 18 It is your -- is it your understanding that
12:04:18 19 this requirement will apply to voters registering using the
12:04:22 20 federal form?

12:04:25 21 A. Can you repeat the question?

12:04:27 22 Q. Sure.

12:04:28 23 The requirement to provide DPOR, is it your
12:04:31 24 understanding that it will apply to registrants using the
12:04:37 25 federal form?

12:04:37 1 A. I don't know.

12:04:38 2 MR. LANGHOFER: Asks for a legal conclusion.

12:04:40 3 BY MS. KELTY:

12:04:42 4 Q. Are you aware of any request to update the EAC

12:04:46 5 instructions?

12:04:47 6 A. I don't know.

12:04:49 7 Q. The current instructions do not ask for DPOR; is

12:04:57 8 that correct?

12:04:57 9 A. Correct.

12:04:58 10 Q. Would there be, in your understanding, a two-track

12:05:09 11 system for this requirement, like documentary proof of

12:05:15 12 citizenship; for example, not applying to federal

12:05:18 13 elections?

12:05:20 14 A. I don't understand the question.

12:05:22 15 Q. Well, actually, I'll strike that. Let's move to

12:05:27 16 the next question.

12:05:28 17 What types of documents do you understand

12:05:32 18 would qualify as documentary proof of residence?

12:05:36 19 A. I don't know.

12:05:42 20 Q. Were you able to open the currently marked

12:05:44 21 exhibits -- previously marked exhibits? Do you have those?

12:05:50 22 I wanted to pull up Exhibit 24.

12:05:55 23 A. I don't have those. He was able to drop 21 and

12:05:59 24 19.

12:06:00 25 Q. Okay. Let's see. I'm going to share my screen if

12:06:04 1 I can.

12:06:07 2 MR. SHERMAN: I did drop that in the Pinal
12:06:09 3 County deposition exhibits, Samantha, so she should --
12:06:14 4 Ms. Lewis should have that.

12:06:16 5 MS. KELTY: Oh, great. Thank you, Jon.

12:06:22 6 MR. SHERMAN: Are you not seeing it there?

12:06:24 7 THE WITNESS: I'm working it.

12:07:00 8 MR. CAMERON: Jon, it's not a lettered
12:07:01 9 exhibit, is it?

12:07:05 10 MS. KELTY: Ms. Lewis, let's do this. I'll
12:07:06 11 just share my screen.

12:07:09 12 BY MS. KELTY:

12:07:14 13 Q. Okay. Can you see this, Ms. Lewis?

12:07:15 14 A. Yes, ma'am.

12:07:17 15 Q. Okay. This is Petty Exhibit 24.

12:07:20 16 A. Okay.

12:07:26 17 Q. Have you ever seen this document?

12:07:27 18 A. No.

12:07:29 19 Q. Okay. Are you familiar -- about halfway down, it
12:07:35 20 refers to Gonzalez.

12:07:37 21 Are you familiar with the Gonzalez
12:07:38 22 stipulation?

12:07:40 23 A. No, ma'am.

12:07:44 24 Q. Okay.

12:07:50 25 A. I do know that, though [indicating].

12:07:52 1 Q. What's that?

12:07:52 2 A. That a tribal ID does not require an address be

12:07:55 3 listed.

12:07:57 4 Q. Okay. What is your understanding of that?

12:08:00 5 A. What it says: A tribal ID does not require an

12:08:03 6 address be listed.

12:08:05 7 Q. And did you understand that that was part of the

12:08:09 8 Gonzalez stipulation, or you just understood that as a

12:08:12 9 requirement?

12:08:12 10 A. I just understood that as a requirement.

12:08:14 11 Q. So you are currently implementing that in that

12:08:17 12 manner; correct?

12:08:21 13 A. Implementing what?

12:08:23 14 Q. You are currently not requiring tribal IDs to have

12:08:26 15 an address listed?

12:08:28 16 A. I don't have any authority over that whatsoever.

12:08:32 17 Q. Okay. So if a --

12:08:38 18 A. I don't -- Samantha, I don't make tribal IDs.

12:08:42 19 Q. And so -- I'm sorry. Yes. No, you don't.

12:08:45 20 In order to register to vote --

12:08:51 21 A. Okay. Can you clarify your question?

12:08:59 22 MR. MORGAN: Form. I'm lost.

12:09:02 23 MS. KELTY: I'm sorry. Craig, can you repeat

12:09:04 24 that?

12:09:05 25 MR. MORGAN: Yeah. I object to form. I'm

12:09:07 1 totally lost at this point. I don't even know what
12:09:11 2 question is pending.

12:09:13 3 BY MS. KELTY:

12:09:14 4 Q. Ms. Lewis, what do you use tribal IDs for in your
12:09:18 5 office?

12:09:20 6 A. They may utilize it as a proof when they're
12:09:27 7 registering to vote.

12:09:31 8 Q. Okay. And do you commonly see tribal IDs as proof
12:09:35 9 when registering to vote?

12:09:40 10 A. I don't know.

12:09:41 11 Q. Do you know if the tribes that intersect with your
12:09:50 12 county have tribal IDs that their members use as proof when
12:09:55 13 registering to vote?

12:09:58 14 A. Yes.

12:09:59 15 Q. Okay. And is that -- are those acceptable IDs
12:10:07 16 even if they don't list a residential address?

12:10:10 17 A. Yes.

12:10:10 18 Q. Are you familiar with a declaration that the
12:10:24 19 homeless population can use as proof when registering to
12:10:29 20 vote?

12:10:32 21 A. That's vague. Can you clarify?

12:10:37 22 Q. For individuals that lack an address, are you --
12:10:43 23 are they able to use a declaration as proof that they are
12:10:51 24 qualified?

12:10:54 25 A. Yes.

12:10:56 1 Q. Is there a version of that declaration that has
12:11:02 2 been drafted?

12:11:06 3 A. I don't know.

12:11:08 4 Q. Okay.

12:11:20 5 MS. KELTY: I don't think I have any more
12:11:22 6 questions for you. I'm going to stop my share here. But
12:11:25 7 hang tight because Ms. Yun may have questions for you.

12:11:31 8 THE WITNESS: Okay.

12:11:31 9

12:11:31 10 EXAMINATION

12:11:32 11 BY MS. YUN:

12:11:32 12 Q. Hi, Ms. Lewis. My name is Jennifer Yun, and I
12:11:38 13 represent the United States in this case.

12:11:40 14 I have just a -- are you having trouble
12:11:43 15 hearing my voice?

12:11:45 16 A. Yes. There is a delay.

12:11:50 17 Q. Okay. I will try to speak somewhat slowly. And
12:11:57 18 just let me know if you're having trouble understanding my
12:12:00 19 questions or hearing me. Okay?

12:12:01 20 A. Thank you.

12:12:03 21 Q. So I just have a few more questions, and hopefully
12:12:08 22 we can let you go and have lunch soon.

12:12:12 23 So I just wanted to follow up on something
12:12:14 24 that you spoke to Mr. Sherman about earlier today.

12:12:18 25 So you stated that your office is not

12:12:22 1 indefinitely holding registration forms currently. Do you
12:12:27 2 remember saying that?

12:12:28 3 A. Yes.

12:12:29 4 Q. What is your office doing with the registration
12:12:34 5 forms right now if you're not holding them?

12:12:39 6 You said you're not holding them. So what
12:12:41 7 are you doing with them right now? Are you just processing
12:12:43 8 them?

12:12:45 9 A. I think I need you to clarify the question, ma'am.

12:12:52 10 Q. Sure.

12:12:53 11 Earlier, Mr. Sherman asked -- and this is not
12:12:57 12 verbatim -- whether -- I think it was in the context of
12:13:01 13 implementing HB 2492's requirements, and you said you're
12:13:07 14 not implementing. Do you remember that?

12:13:09 15 A. I do.

12:13:10 16 Q. And I think after that, Mr. Sherman asked, "Is
12:13:15 17 your office indefinitely holding the registration forms
12:13:18 18 that are coming into your office right now?" And I believe
12:13:22 19 your answer was "No."

12:13:27 20 Do you remember that?

12:13:28 21 A. I do. But the way in which you're asking and how
12:13:31 22 it pertains to the question, I think maybe I am confused
12:13:35 23 about because as far as how long we hold voter registration
12:13:39 24 forms for retention versus processing for this situation,
12:13:45 25 there could be confusion there that --

12:13:50 1 Q. I see.

12:13:50 2 So was your answer earlier about retention?

12:13:54 3 A. We do hold registration forms for retention. I

12:13:59 4 believe it is indefinitely.

12:14:01 5 Q. Okay. And are you processing registration forms

12:14:06 6 as they are coming in right now without regards to

12:14:10 7 HB 2492's requirements?

12:14:11 8 A. Absolutely.

12:14:13 9 Q. Understood. Thank you.

12:14:15 10 I want to now ask about birthplace

12:14:23 11 information on Arizona's voter registration form. So we

12:14:25 12 are switching topics.

12:14:26 13 A. Okay.

12:14:26 14 Q. So birthplace has been an optional field on the

12:14:33 15 state voter registration form; is that right?

12:14:36 16 A. Correct.

12:14:38 17 Q. And has your office used a voter's birth --

12:14:45 18 birthplace information for any purpose when you're

12:14:47 19 processing the registration applications?

12:14:52 20 A. I don't know. I don't believe so.

12:14:58 21 Q. So you enter it into the AVID system; is that

12:15:01 22 right?

12:15:01 23 A. Yes, ma'am.

12:15:02 24 Q. But you don't -- you don't believe that you --

12:15:05 25 your office uses it for --

12:15:08 1 A. Correct.

12:15:09 2 Q. -- any other purpose? Okay. Thank you.

12:15:11 3 And do you -- and we talked about -- you

12:15:16 4 talked about some databases and -- or databases that you

12:15:19 5 don't have access to or have access to earlier.

12:15:23 6 Do you have any access to any databases that

12:15:26 7 would allow you to verify someone's birthplace?

12:15:33 8 A. No.

12:15:35 9 Q. Do you have any other ways to verify someone's

12:15:39 10 birthplace information?

12:15:40 11 A. No.

12:15:41 12 Q. And I'm now asking about not just about birthplace

12:15:48 13 but about looking up a voter in general in the AVID system.

12:15:52 14 When you -- when you are trying to look up a

12:15:55 15 voter in the AVID system, what fields on the registration

12:16:00 16 form do you use to look up a -- look up a voter?

12:16:04 17 A. Can you clarify your question, ma'am?

12:16:13 18 Q. Sure.

12:16:14 19 So when you get a -- when you get an

12:16:18 20 application and you want to make sure that this voter

12:16:21 21 doesn't already exist, you know, there is already a file on

12:16:24 22 the -- on the database -- on the registration voter file.

12:16:29 23 What -- which information from that registration form do

12:16:32 24 you input into the AVID system to look up -- look -- to see

12:16:36 25 if that person already exists?

12:16:38 1 A. Are you referring -- are you referring to a search
12:16:42 2 query?

12:16:43 3 Q. Yes.

12:16:45 4 A. We can utilize several aspects found on the form:
12:16:49 5 first name, middle name, last name, date of birth, address.
12:16:59 6 Those are the ones that I'm aware of.

12:17:01 7 Q. Okay. Thank you.

12:17:05 8 I want to move on to ask you about the
12:17:10 9 citizenship checkbox. Do you know what I'm referring to
12:17:13 10 when I say that?

12:17:14 11 A. Yes, ma'am.

12:17:15 12 Q. On the -- on the state's registration form?

12:17:19 13 A. Yes, ma'am.

12:17:19 14 Q. And -- sorry. Let me back up.

12:17:33 15 And -- and I'm actually asking about
12:17:34 16 something slightly different, which is documentary proof of
12:17:37 17 citizenship.

12:17:38 18 Are you aware of any instance in your county
12:17:41 19 where a voter submits documentary proof of citizenship and
12:17:45 20 the copy is illegible?

12:17:48 21 A. Yes.

12:17:49 22 Q. What do you do when that is the case? What does
12:17:54 23 your office do?

12:17:55 24 A. We send them a letter that says the documentation
12:17:59 25 that they have provided is illegible.

12:18:03 1 Q. And it req- -- it asks them to provide a legible

12:18:09 2 copy?

12:18:10 3 A. That is correct.

12:18:11 4 Q. Would you ever use the fact that some -- someone

12:18:17 5 checked the citizenship checkbox as proof of citizenship

12:18:23 6 when the -- when they didn't provide legible documentary

12:18:27 7 proof of citizenship?

12:18:28 8 A. No.

12:18:33 9 MS. YUN: Okay. I do not have any further
12:18:35 10 questions. I believe some defense attorneys might have
12:18:39 11 questions for you, though.

12:18:43 12 THE WITNESS: Thank you.

12:18:45 13 MR. LANGHOFER: I've got a few questions, but
12:18:47 14 I'll defer to Kathryn and Craig first.

12:18:47 15 MS. BOUGHTON: Craig, why don't you go first.
12:18:54 16 That's fine.

12:18:54 17 MR. MORGAN: At this point, I don't have any
12:18:55 18 questions. I'll let you know if that changes.

12:19:03 19 MR. LANGHOFER: Sounds good. So, Kathryn,
12:19:04 20 did you say you're okay with me going first? I don't want
12:19:07 21 to step on toes.

12:19:08 22 MS. BOUGHTON: No, that's fine. Go ahead.

1 EXAMINATION

2 BY MR. LANGHOFER:

12:19:11 3 Q. Good afternoon, I guess it is. I don't have a
12:19:14 4 whole lot of -- my name is Kory Langhofer. I work for the
12:19:16 5 Republican National Committee. And I don't have a whole
12:19:18 6 lot of questions for you, but there are some things that I
12:19:21 7 wanted to just walk through and make sure that we're, you
12:19:24 8 know, understanding it all properly.

12:19:27 9 So let's start with the birthplace, which was
12:19:31 10 something that the United States was just asking you about.

12:19:35 11 If someone puts the birth -- birthplace on
12:19:39 12 the forms currently, the registration forms, does your
12:19:43 13 office enter that information into the voter file?

12:19:48 14 A. Yes.

12:19:49 15 Q. And imagine a situation where you have two people
12:19:56 16 with the same name and, coincidentally, the same birthday,
12:20:01 17 so something common like John Smith. And then, you know,
12:20:05 18 the birthdays, I guess, are equally common; let's say
12:20:08 19 January 1st, 1950.

12:20:11 20 If you had a new registration form -- so, you
12:20:15 21 know, John Smith Number 1 from, let's say, Chicago,
12:20:18 22 Illinois, was in the database. He's already registered.
12:20:21 23 Then you get a new registration form for John Smith
12:20:24 24 Number 2, same birthday.

12:20:26 25 In that sort of situation, could you use the

12:20:29 1 birthplace to help determine whether this is a duplicate

12:20:33 2 registrant or a new registrant?

12:20:37 3 A. I don't know, sir.

12:20:40 4 Q. And do you mean that you haven't done it before,

12:20:46 5 or you don't know whether that would be permissible?

12:20:48 6 A. Exactly. I've never run into that scenario before

12:20:51 7 where I would have needed direction as I'm learning. So I

12:20:55 8 can't speak to that process effectively.

12:20:58 9 Q. Okay. You do agree that birthplace is a way of

12:21:02 10 distinguishing between people, though?

12:21:04 11 A. Yes.

12:21:04 12 Q. All right. Does your office have access to any

12:21:14 13 databases other than AVID and SAVE and the HAVA checks that

12:21:19 14 are more accurate than the databases you're currently

12:21:22 15 using?

12:21:24 16 A. Not that I know of.

12:21:25 17 Q. Does it have access to any databases other than

12:21:27 18 those that are more current or up to date?

12:21:34 19 A. No. We have AVID.

12:21:37 20 Q. There was a question earlier -- I'm not -- I'm

12:21:42 21 just not sure I heard the answer to this. You may have

12:21:45 22 answered already.

12:21:46 23 But if you send out letters to registrants

12:21:50 24 saying, "Hey, we -- we need your DPOC because you didn't

12:21:53 25 attach it to the state form," roughly what percentage of

12:21:56 1 those folks do you hear back from with the DPOC?

12:22:00 2 A. I don't know.

12:22:03 3 Q. The October 2022 incident where the MVD database
12:22:14 4 was providing wrong information, did you follow the steps
12:22:18 5 that the secretary of state told you guys to follow to make
12:22:22 6 sure that voters weren't prejudiced?

12:22:24 7 A. Absolutely.

12:22:26 8 Q. Do you know whether anyone was unable to vote as a
12:22:30 9 result of this?

12:22:31 10 A. I do not.

12:22:33 11 Q. Have you ever received registration forms with
12:22:43 12 false information?

12:22:44 13 A. Yes.

12:22:46 14 Q. Could you tell me about those?

12:22:49 15 A. We had an issue where we received information
12:22:54 16 creating a duplicate. We sent a letter explaining to the
12:23:00 17 registrant that it appeared we had received a duplicate
12:23:05 18 registration, asking them to confirm information. They
12:23:08 19 then got back in touch with our office. They filed a
12:23:12 20 police report. And then it went to the AG's office.

12:23:17 21 Q. Is that the only time you can think of where you
12:23:20 22 received a registration form with false information?

12:23:31 23 A. We had a few of them. Yeah, we had a few of them
12:23:36 24 prior to the general election in 2022 where we sent out
12:23:41 25 information to registrants that it appeared that some of

12:23:45 1 their information had been transposed and we needed them to
12:23:49 2 clarify the information with us. Come to find out that
12:23:53 3 they had not filled out that voter registration form, and
12:23:58 4 then they were instructed to contact law enforcement and --
12:24:01 5 and then they take it from there.

12:24:03 6 Q. So how -- you said their information was
12:24:09 7 transposed. Just walk me through that. I want to
12:24:09 8 understand that a little bit better.

12:24:13 9 A. The -- they were lacking information on the form,
12:24:15 10 hadn't provided, you know, the full date of birth, or
12:24:19 11 instead of the address being 2005 South Clubhouse Drive, it
12:24:24 12 was 5002 South Clubhouse Drive and same name. So it
12:24:31 13 creates a situation where we have to send a letter in the
12:24:35 14 system.

12:24:35 15 So we notify the voter that it appears that
12:24:38 16 maybe they made a mistake on their form. They then
12:24:41 17 followed up with us and said that they had not updated
12:24:43 18 their voter registration. And then they asked what they do
12:24:47 19 next. We asked them to please contact law enforcement, and
12:24:50 20 then it's out of our hands.

12:24:52 21 Q. How long have you been with the Pinal County
12:24:57 22 Recorder's Office or -- yeah, Pinal County recorder?

12:24:57 23 A. I was appointed August 5th of 2022. Just over a
12:25:01 24 year now -- or just about at a year.

12:25:03 25 Q. So are you familiar with the case of Roberto

12:25:09 1 Garcia, who was criminally prosecuted for registering and
12:25:13 2 voting in your county?

12:25:16 3 A. There are some of the words that you are saying
12:25:18 4 I'm losing on your mic. So can you say that again?

12:25:21 5 Q. Yeah. I'm sorry. I'm going to speak up just a
12:25:23 6 little bit.

12:25:24 7 I asked whether you're familiar with the case
12:25:25 8 of Roberto Garcia, who was criminally prosecuted in your
12:25:29 9 county for registering and voting?

12:25:33 10 A. It does not ring a bell, sir.

12:25:35 11 Q. Okay. Are you aware of criminal prosecutions in
12:25:39 12 your county generally for voter fraud?

12:25:41 13 A. I am not.

12:25:43 14 Q. Okay. Bear with me one second here. I just want
12:25:48 15 to check my notes to make sure I'm not missing something.

12:26:00 16 MR. LANGHOFER: All right. I think -- I
12:26:02 17 think that's all the questions I have, but there might be
12:26:02 18 some other questions from the secretary of state or from
12:26:04 19 the Attorney General's Office. Thanks for your time.

12:26:06 20 THE WITNESS: Thank you, sir.

12:26:07 21

12:26:08 22 EXAMINATION

12:26:08 23 BY MS. BOUGHTON:

12:26:08 24 Q. Hi. Good afternoon, Ms. Lewis. I just have a few
12:26:11 25 quick questions for you. My name, again, is Kathryn

12:26:14 1 Boughton. I represent the state and attorney general in
12:26:16 2 this. Thanks for your time today.
12:26:18 3 First, I just wanted to ask if you know
12:26:22 4 generally -- when processing the state form, we've talked
12:26:26 5 about how birthplace is an optional field. Do you know if
12:26:29 6 voter applicants usually fill out that field?

12:26:32 7 A. I do not know.

12:26:34 8 Q. Okay. And then I just wanted to draw your
12:26:39 9 attention to one quick thing. It's going to be exhibit --
12:26:42 10 it's labeled as C in your folder, the RFP responses. We
12:26:53 11 are going to go to RFP 15, which is at the bottom of --
12:27:01 12 looks like page 10, the very last one.

12:27:09 13 Let me know when you get there.

12:27:11 14 A. What page -- okay. RFP Number 15, ma'am?

12:27:22 15 Q. Yes.

12:27:22 16 A. Yes, ma'am.

12:27:23 17 Q. Okay. So this request asks for documents
12:27:27 18 regarding voter fraud cases in your county.

12:27:30 19 And your response reads in part, "Defendant
12:27:32 20 Lewis is neither a law enforcement nor prosecutorial agency
12:27:36 21 and does not determine who commits 'voter fraud,' and such
12:27:39 22 request is better suited for the Arizona Attorney General's
12:27:42 23 Office, which investigates and prosecutes allegations of
12:27:46 24 voter fraud."

12:27:47 25 Is that response still accurate today?

12:27:49 1 A. Yes, ma'am.

12:27:52 2 MS. BOUGHTON: Thank you so much. That's all
12:27:54 3 the questions I have for you. I'm not sure if Mr. Morgan
12:27:56 4 has anything.

12:27:57 5 MR. MORGAN: As much as I'd love to talk with
12:28:00 6 you, Dana, I've got nothing.

12:28:03 7 THE WITNESS: Thank you, Mr. Morgan.

12:28:06 8 MR. MORGAN: You bet.

12:28:12 9 Are we done?

12:28:12 10 MS. BOUGHTON: Before we go off the record --
12:28:14 11 sorry. I just want to clarify, Cindy, was the defendants'
12:28:17 12 counsels' agreement that an objection by one be deemed an
12:28:20 13 objection joined by all defense counsel ever? Did that
12:28:23 14 make it on the record?

12:28:29 15 THE COURT REPORTER: You may have said it at
12:28:29 16 the beginning.

12:28:29 17 MR. MORGAN: It did now.

12:28:29 18 THE COURT REPORTER: Do you want to repeat
12:28:29 19 it? Or you just did.

12:28:31 20 MS. BOUGHTON: I want to --

12:28:31 21 MR. MORGAN: Yeah, I think that's the
12:28:32 22 agreement, Kathryn. Everyone agree or -- let's put it this
12:28:35 23 way: Does anyone disagree?

12:28:38 24 MR. SHERMAN: We -- we agreed to that at the
12:28:40 25 beginning of the deposition today.

12:28:42 1 MS. BOUGHTON: Oh, thanks. I just wanted to
12:28:44 2 confirm it was on the record.

12:28:50 3 MR. CAMERON: Okay. I have a few questions
12:28:51 4 with Pinal County. And I'm going to move forward here,
12:28:56 5 maybe a little closer.

12:28:56 6

12:28:56 7 EXAMINATION

12:28:56 8 BY MR. CAMERON:

12:28:58 9 Q. Dana, did you answer all the questions the best
12:29:01 10 you could?

12:29:02 11 A. Yes, sir.

12:29:02 12 Q. Or were there any questions that you found
12:29:04 13 confusing?

12:29:05 14 A. In my ability to answer?

12:29:09 15 Q. In the way they were asked?

12:29:13 16 A. Some.

12:29:14 17 Q. Do you rely not only on the audible stimulus or
12:29:21 18 audible questions but you also look at the person's face to
12:29:26 19 try to track the questions?

12:29:27 20 A. That is correct.

12:29:28 21 MR. MORGAN: Form.

12:29:28 22 BY MR. CAMERON:

12:29:32 23 Q. And did you have trouble tracking some of the
12:29:34 24 people's faces in those questions at times?

12:29:40 25 A. Yes.

12:29:41 1 Q. Okay.

12:29:43 2 MR. CAMERON: Nothing further.

12:29:55 3 THE WITNESS: Are they going to ask me more
12:29:57 4 questions about that, being deaf?

12:29:58 5 MR. CAMERON: No.
12:29:58 6 Okay. Anybody else?

12:30:01 7 MR. MORGAN: I'm sorry. Ms. Lewis, did you
12:30:04 8 just say you were deaf?

12:30:05 9 THE WITNESS: In my -- partially in my one
12:30:11 10 ear.

12:30:11 11 MR. MORGAN: Okay. Which ear?

12:30:12 12 THE WITNESS: This ear [indicating].

12:30:13 13 MR. MORGAN: Can you tell us -- I think
12:30:14 14 you're pointing to your left ear, but I'm looking at the
12:30:16 15 screen. I don't know which ear you're pointing at.

12:30:18 16 THE WITNESS: It's my left ear. So that's
12:30:20 17 why I had to turn in several times when they were doing the
12:30:22 18 objections because then, what happens is I can't hear the
12:30:26 19 information coming, so I had to turn. So that's why I
12:30:30 20 apologized to Cindy. I jumped in to answer before the
12:30:34 21 objections were happening. So yeah, sometimes it can be
12:30:37 22 difficult.

12:30:39 23 MR. MORGAN: Okay. Well, thank you.
12:30:47 24 And do the plaintiffs have any more
12:30:48 25 questions, or can we go off the record?

12:30:53 1 MR. SHERMAN: We can go off the record.
12:30:55 2 Thank you very much.
12:30:56 3 MR. MORGAN: Fantastic.
12:30:57 4 THE VIDEOGRAPHER: Okay. We are off the
12:30:59 5 record. Time on the video monitor is 12:31. This ends
12:31:07 6 Volume 1, Media Number 2 of 30(b)(6) deposition of Pinal
12:31:16 7 County Recorder by Dana Lewis.
12:31:20 8 (The following occurred off the video
12:31:20 9 record.)
12:31:20 10 THE COURT REPORTER: Could I get the orders
12:31:20 11 for any defendants who would like to order a copy or a
12:31:28 12 rough draft?
12:31:28 13 MR. MORGAN: This is Craig Morgan. I'll
12:31:30 14 order a copy of the transcript, please.

09:13:55 21 was examined and testified as follows:

09:13:55 22
09:14:02 23 EXAMINATION

09:14:02 24 BY MR. HERRERA:

09:14:06 25 Q. Hi. Good morning, Ms. Moreno. My name is Ernest

09:14:10 1 Herrera, and I'm an attorney at the Mexican American Legal
09:14:16 2 Defense and Educational Fund. I represent plaintiffs
09:14:17 3 Promise Arizona and Southwest Voter Registration Education
09:14:21 4 Project in this litigation.

09:14:23 5 Can you please state and spell your name?

09:14:27 6 A. My legal name is Ana, A-n-a. I go by Anita,

09:14:32 7 A-n-i-t-a, Moreno, M-o-r-e-n-o.

09:14:36 8 Q. Thank you.

09:14:37 9 And before we go further, I have -- our
09:14:40 10 building, we have, like, window units -- old window units
09:14:43 11 for AC. And I know we're on Zoom, so please let me know if
09:14:48 12 you can't hear me or if I'm not coming through clearly and
09:14:51 13 I'll make some adjustments here.

09:14:53 14 A. I understand. Thank you.

09:14:56 15 Q. Have you been known by any other names?

09:15:00 16 A. No. Just Anita.

09:15:03 17 Q. Are you represented by an attorney today?

09:15:06 18 A. Christina and -- and Justin introduced themselves.

09:15:14 19 Q. And for today's deposition, where are you
09:15:21 20 physically located?

09:15:23 21 A. The Santa Cruz County Complex, 2150 North Congress
09:15:29 22 Drive, Suite 101, Nogales, Arizona 85621.

09:15:33 23 Q. Have you ever had your deposition taken before?

09:15:37 24 A. Yes, I have.

09:15:38 25 Q. Okay. And what was the -- what kind of case was

09:15:41 1 that?

09:15:42 2 A. I was a real estate agent and the seller -- there
09:15:50 3 was a -- the seller was an LLC. And what the seller did,
09:15:58 4 prior to closing made changes on his LLC that wasn't
09:16:05 5 approved by his son and we all got in. We all were called
09:16:11 6 in to -- as part of the case of his son suing his father.

09:16:17 7 Q. Was it just the deposition in that case?

09:16:22 8 A. Right. Yes.

09:16:23 9 Q. Okay. Have you had your deposition taken at any
09:16:26 10 other times?

09:16:28 11 A. Prior to that, it might have been seven years ago.

09:16:35 12 Q. And what was the nature of that case?

09:16:40 13 A. I was the escrow agent for a local title company,
09:16:49 14 and there was some disbursement of funds that I made a
09:16:53 15 decision on which brought in a dissatisfied contractor.
09:17:08 16 And, you know, it all worked out at the end just like the
09:17:11 17 most recent one, but we all -- again, the title, escrow
09:17:18 18 agents, we were all brought into a lawsuit.

09:17:25 19 Q. Thank you. And let me go over a few ground rules.

09:17:30 20 First, I should ask: Were there any other
09:17:33 21 depositions that you've had taken of you before besides
09:17:38 22 those two cases?

09:17:46 23 A. Prior to the one about 7 years ago, there was --
09:17:50 24 there was one 20 years, possibly 22 years, prior to the one
09:18:01 25 that was seven 7 ago.

09:18:03 1 Q. Okay. Let me go over a few ground rules.

09:18:09 2 Before I go further, I don't need to know too
09:18:12 3 many details about the case, but was that also a real
09:18:14 4 estate case?

09:18:15 5 A. It had to do, yes, with a real estate transaction.

09:18:19 6 Q. Okay. Let me go over a few ground rules here so
09:18:23 7 that we're on the same page about how we're going to
09:18:25 8 conduct this deposition.

09:18:27 9 The court reporter has put you under oath,
09:18:30 10 which means that you are obligated to tell the truth.

09:18:32 11 Do you understand that?

09:18:33 12 A. I do.

09:18:34 13 Q. And although we are conducting this deposition via
09:18:38 14 Zoom, that oath has the same force and effect as if you
09:18:41 15 were testifying in a court of law in front of a judge or
09:18:44 16 jury.

09:18:44 17 Do you understand that?

09:18:45 18 A. I do.

09:18:45 19 Q. During this deposition, I'm going to ask you some
09:18:51 20 questions and you will be answering my questions. Because
09:18:54 21 the court reporter is taking down everything we're saying,
09:18:57 22 it is important that you provide audible answers to my
09:19:00 23 questions; for example, no uh-huhs or shaking your head.

09:19:04 24 Do you understand?

09:19:05 25 A. I do.

09:19:06 1 Q. If you do not understand a question, please tell
09:19:09 2 me that you don't understand and I will rephrase the
09:19:11 3 question. Also feel free to ask me to repeat the question.
09:19:15 4 Okay?

09:19:15 5 A. I understand.

09:19:33 6 (An off-the-record discussion ensued.)

09:19:33 7 BY MR. HERRERA:

09:19:35 8 Q. Are we on the same page as to not speaking over
09:19:39 9 each other?

09:19:43 10 Please let me know that the court reporter --
09:19:45 11 well, please know that the court reporter can only write
09:19:48 12 what one person is saying at a time, so let's try to
09:19:51 13 help -- help her out. Okay?

09:19:53 14 A. I understand.

09:19:54 15 Q. Okay. If I ask a question and you answer a
09:19:57 16 question -- let me -- oh, during this deposition, attorneys
09:20:02 17 may make objections. Even if they make objections, unless
09:20:06 18 your attorney specifically instructs you not to answer the
09:20:08 19 question, you must still answer the question.

09:20:11 20 Do you understand?

09:20:12 21 A. Yes.

09:20:13 22 Q. And sometime after we complete your deposition,
09:20:18 23 you will receive a typed transcript of this deposition.
09:20:21 24 And unless you waive that, you'll have an opportunity to
09:20:24 25 review the transcript and correct any errors that you see

09:20:29 1 and then you will sign it under penalty of perjury.

09:20:32 2 However, I will warn you that if you make
09:20:35 3 anything more than clerical changes, like correcting typos,
09:20:38 4 attorneys in this case will be able to comment on those
09:20:41 5 changes at trial, which could affect your credibility
09:20:44 6 before the judge in the future. So please try to give your
09:20:47 7 best test- -- the best testimony you can here today.

09:20:49 8 Do you understand that?

09:20:50 9 A. Yes.

09:20:51 10 Q. If you need to take a break for any reason, please
09:20:54 11 let me know and we can take a break. However, if there is
09:20:57 12 a question pending that you have not finished answering, I
09:21:00 13 will ask you to answer the question first and then we can
09:21:02 14 take a break. Okay?

09:21:04 15 A. Yes.

09:21:04 16 Q. Okay. Now, is there any reason that you cannot
09:21:10 17 give your best testimony here today?

09:21:12 18 A. No.

09:21:26 19 Q. Have you -- have you consumed any substances in
09:21:31 20 the last 24 hours that would prevent you from giving your
09:21:34 21 best testimony here today?

09:21:36 22 A. No.

09:21:38 23 Q. And I sensed a little bit of hesitation about the
09:21:47 24 best testimony question.

09:21:48 25 Is there -- is -- was there any reason for

09:21:51 1 that?

09:21:54 2 A. So for the past three days and the weekend, I was
09:22:01 3 preparing for the election officers -- I mean, the election
09:22:06 4 certification training for Monday, Tuesday, and yesterday.
09:22:11 5 So that's where my mind was.

09:22:13 6 But no, I'm fine. I'm fine.

09:22:15 7 Q. Okay. And -- so my next question is related to
09:22:20 8 that.

09:22:21 9 So what, if anything, did you do to prepare
09:22:23 10 for this deposition?

09:22:26 11 A. I think that -- my conversation with Justin and
09:22:32 12 Christina to -- to prepare me for the deposition. And I
09:22:43 13 wish I had more time to have gotten all the details of --
09:22:50 14 of the --

09:22:51 15 Q. And I should add -- sorry -- you don't need to
09:22:54 16 give me any details about the details of what you've talked
09:22:56 17 about with the attorneys.

09:22:57 18 But anything else, please?

09:23:01 19 A. Just the preparation that I had in a conversation
09:23:06 20 with Christina and Justin.

09:23:07 21 Q. And you were saying, I think, you -- that you
09:23:12 22 wished you had more time and I interrupted you.

09:23:19 23 A. I need a -- I'm so new to what I'm doing with
09:23:28 24 this -- my new position here with the county, that -- time
09:23:31 25 is -- more time is always good for me.

09:23:36 1 Q. Okay. And you mentioned your new position at the
09:23:39 2 County.

09:23:39 3 Can you -- can you tell me about that a
09:23:41 4 little bit?

09:23:42 5 A. So I was appointed December 20th and I took office
09:23:49 6 January 3rd. So it's -- what? A little over seven --
09:23:54 7 eight months that I've been here. And I -- like I said,
09:24:05 8 time would -- more time possibly would have been better, I
09:24:13 9 suppose.

09:24:14 10 Q. And by "position," is that -- what is the title?

09:24:20 11 A. County recorder.

09:24:22 12 Q. Okay. And -- well, congratulations first, by the
09:24:29 13 way.

09:24:29 14 A. Thank you.

09:24:30 15 Q. A little bit late, but congratulations.

09:24:34 16 Before that, did you work in the county?

09:24:39 17 A. No.

09:24:40 18 Q. Okay. All right. Well, in preparation for your
09:24:46 19 deposition today, did you review any documents besides
09:24:50 20 communications from your attorneys?

09:24:54 21 A. Not being -- not being familiar with the questions
09:25:01 22 but based on the information of the topics of that -- that
09:25:06 23 notice of deposition, I was going through and reading up on
09:25:15 24 the house bills and those areas that you might be asking
09:25:22 25 about.

09:25:29 1 Q. And in terms of documents related to those topics,
09:25:38 2 did you happen to look at any documents related to
09:25:43 3 elections, voting, or Santa Cruz's voting -- voting
09:25:50 4 administration?

09:25:51 5 A. Yes.

09:25:52 6 Q. Okay. And what -- what were those documents?

09:25:55 7 A. The process, the -- the reason why I'm here. So
09:26:03 8 it's -- it's the main -- the maintenance of the voter
09:26:06 9 registration list, the -- the -- you know, to facilitate
09:26:12 10 early voting and ballot mail, signature affidavit. So this
09:26:20 11 is -- I'm training myself for this position or educating
09:26:27 12 myself.

09:26:32 13 Q. Did you review, for example, for -- for voter
09:26:38 14 registration, what -- what kinds of documents did you
09:26:39 15 review there?

09:26:42 16 A. Items that are required to -- for the voter
09:26:56 17 registration.

09:26:56 18 Q. The documents someone would need to submit if they
09:26:59 19 were registering to vote?

09:27:00 20 A. Yes.

09:27:01 21 Q. Okay. Well, we'll get to some of those documents,
09:27:13 22 but what I wanted to ask was: Did you happen to review any
09:27:17 23 election procedure manuals?

09:27:20 24 A. Yes.

09:27:20 25 Q. Okay. Did you review any documents having to do

09:27:32 1 with -- internal documents for Santa Cruz County having to
09:27:38 2 do with elections?

09:27:46 3 A. Yes.

09:27:53 4 Q. Okay. And what were those documents?

09:27:57 5 A. Excuse me. As -- as the days go and there's
09:28:09 6 matters or issues that come up, I look at the documents,
09:28:13 7 whether it's a registration form that was not completely
09:28:18 8 signed, then the process of what is done to -- to advise
09:28:25 9 the voter of what is missing. So there's a schedule of
09:28:33 10 events with --

09:28:43 11 Q. Did you -- did you speak with anyone from the
09:28:52 12 Santa Cruz Recorder's Office in preparation for your
09:28:54 13 deposition today besides the attorneys?

09:28:59 14 A. The staff is fairly new, but I do have one staff
09:29:08 15 member that's been here possibly -- a little over a year.
09:29:13 16 So as I just -- if I have a concern even with the -- with
09:29:19 17 how I'm not understanding the question or I -- I -- I have
09:29:26 18 asked him, you know, twice, as a matter of fact, to clarify
09:29:33 19 some -- some questions that I wasn't -- or potential
09:29:40 20 question that I may have.

09:29:41 21 Q. And that person who's been there over a year,
09:29:44 22 what's his name?

09:29:46 23 A. Angel Aguilar.

09:29:50 24 Q. And what is his job title there?

09:29:53 25 A. He is a recorder clerk, and he's also an election

09:30:02 1 clerk.

09:30:06 2 And just to mention that the other gal,

09:30:09 3 Saibet Gastelum, who was very new -- I think she -- she

09:30:17 4 might have been here maybe eight months. And through the

09:30:23 5 2022 election, they sort of caught on, but three months

09:30:28 6 ago, she moved on to the county attorney's office.

09:30:43 7 Q. Now, besides reviewing the documents that you
09:30:45 8 mentioned and then speaking with Mr. Aguilar, did you do
09:30:51 9 anything else to prepare for your deposition today?

09:31:07 10 Is that a no?

09:31:08 11 A. I'm thinking. So prepared -- having the
09:31:17 12 opportunity again when I received the notification that I
09:31:21 13 was going to be deposed, I -- I tried my best to -- to
09:31:35 14 familiarize myself with -- with the case. But it's just --
09:31:39 15 again, I'll just say no.

09:31:42 16 Q. And do you know what this litigation is about?

09:31:58 17 You don't have to know the claims. Just
09:32:01 18 generally what it's about.

09:32:06 19 A. I just -- I'm -- it is about the voting procedures
09:32:16 20 and the assumption of failure within the process.

09:32:23 21 Q. Now, I'm going to ask you a few questions about

09:32:29 22 your -- your background or your work background, training.

09:32:35 23 Can you tell me about your educational

09:32:36 24 background a little bit?

09:32:38 25 A. So I graduated from Nogales High School, and I

09:32:41 1 went to Pima College for two years. So it was just general
09:32:47 2 studies. But I did not -- I was short two -- two or four
09:32:51 3 credits to get an associate's.

09:32:55 4 Q. Do you have any certifications or licenses?

09:33:01 5 A. So throughout -- I retired from the title and
09:33:08 6 escrow industry in December of 2019. So for 30-some years,
09:33:14 7 there was always trainings; there was always certificates
09:33:17 8 being -- being issued.

09:33:25 9 Q. And I -- I think I asked you already, but have you
09:33:37 10 ever worked anywhere within Santa Cruz County before?

09:33:42 11 A. No.

09:33:48 12 Q. Okay. So before becoming county recorder, you did
09:33:52 13 not have any other role at Santa Cruz -- at the Santa Cruz
09:34:01 14 County Recorder's Office?

09:34:01 15 A. That's correct.

09:34:02 16 Q. Okay. What is your prior experience with
09:34:09 17 elections; have you ever run for office or anything like
09:34:12 18 that?

09:34:14 19 A. So when I retired in 2019, that same January I
09:34:21 20 decided to go to real estate school and get my real estate
09:34:25 21 license. At the same time, I decided to run for county
09:34:32 22 recorder. So for -- for the 2020 election, I didn't go
09:34:42 23 through -- past the primary.

09:34:45 24 Q. And when you worked on that campaign, did you ever
09:34:47 25 have to do anything having to do with helping people

09:34:53 1 register to vote?

09:34:56 2 A. The world was shut down at the time, so everything
09:35:00 3 was so limited -- so limited that I want to say yes, but
09:35:11 4 I'll say no --

09:35:12 5 Q. Okay.

09:35:13 6 A. -- because it was so limited.

09:35:16 7 Q. Sure.

09:35:19 8 And what was the -- the result of that --
09:35:21 9 what was the result of that election in 2020?

09:35:25 10 A. So I was short by, I believe, 80-some votes.

09:35:31 11 Q. Every -- every vote counts; right?

09:35:33 12 A. Correct.

09:35:35 13 Q. Okay. And so you -- you didn't -- well, before --
09:35:51 14 before that run for office, had you ever been involved in
09:35:55 15 elections or county politics or anything like that?

09:36:03 16 A. For a brief three, four years in my young life,
09:36:13 17 when I came back home from living in Tucson, I started -- I
09:36:19 18 worked for the City of Nogales for about ten months when
09:36:24 19 the city attorneys offered me a job with them. And the
09:36:28 20 city attorneys were very, very, very, very close to the
09:36:36 21 Democratic party. And with that, I -- I was very, very
09:36:42 22 young but I knew how involved they were and -- with the
09:36:47 23 state, not -- not -- of course with local government, but
09:36:52 24 they were very, very well into it with the state government
09:36:55 25 too.

09:36:57 1 So did I get familiar? No. Was I living
09:37:02 2 in -- in the campaign process? Yes. But I didn't run any
09:37:10 3 particular -- basically, what I was doing was picking up
09:37:14 4 donation checks.

09:37:17 5 Q. I see. Okay.

09:37:18 6 So you were -- you weren't doing any, say,
09:37:22 7 voter registration drives, for example?

09:37:23 8 A. No. No.

09:37:26 9 Q. All right.

09:37:26 10 MR. HERRERA: Well, I'm going to ask our --
09:37:32 11 Mr. Rohan if we can pull up the -- or I don't know who
09:37:39 12 handles the exhibits, but if we could pull up the first
09:37:42 13 exhibit. I believe it's Exhibit A in our folder.

09:37:55 14 THE COURT REPORTER: Do you want to mark this
09:37:59 15 Exhibit 89 -- I mean 98?

09:38:06 16 MR. HERRERA: I was going to say 98. Thank
09:38:07 17 you. Yes, please.

09:38:07 18 (The document was marked as Exhibit 98
09:38:09 19 for identification.)

09:38:09 20 BY MR. HERRERA:

09:38:10 21 Q. So this is an exhibit we've marked as Exhibit 98.

09:38:13 22 And do you recognize this document,

09:38:15 23 Ms. Moreno?

09:38:16 24 A. Yes.

09:38:22 25 Q. Okay. And do you -- I should say before we go

09:38:29 1 further, do you have any documents with you right now on
09:38:32 2 your desk?

09:38:34 3 A. I've got that document.

09:38:36 4 Q. Okay. Is that the only document you have in front
09:38:38 5 of you?

09:38:39 6 A. I've got my -- my 2019 EPM annotated notebook.

09:38:55 7 Q. Okay. And is that -- is that open in front of
09:38:57 8 you -- the annotated 2019 EPM?

09:39:01 9 A. Yes, it is.

09:39:02 10 Q. And when you say "annotated," is that -- are those
09:39:05 11 your annotations or -- or it has annotations on it?

09:39:08 12 A. What I understood, it was never approved. It
09:39:11 13 never went past -- or the governor never approved it, so
09:39:18 14 we're using the -- it was for 2022 but it's for the 2019
09:39:24 15 annotated form. I guess in 2022 it did not -- it was not
09:39:34 16 approved.

09:39:35 17 Q. I see. Well, let's -- looking at this exhibit
09:39:42 18 that's up on the screen here, this is not the only page.
09:39:46 19 I'll represent that to you. But if we can go to the second
09:39:58 20 page, please.

09:40:03 21 Do you recognize these -- I'm sorry. Can we
09:40:11 22 go to the fifth page.

09:40:18 23 And do you recognize the topics here -- that
09:40:25 24 begin here?

09:40:25 25 A. Yes.

09:40:25 1 Q. And do you understand that you, Ms. Moreno, have
09:40:32 2 been designated as the representative to testify -- to
09:40:36 3 testify on behalf of the Santa Cruz County Recorder's
09:40:42 4 Office?

09:40:42 5 A. Yes.

09:40:42 6 Q. Okay. And you -- you have not been -- you are not
09:40:46 7 testifying in your individual capacity but as an -- as a
09:40:49 8 representative of the recorder's office?

09:40:53 9 A. Correct.

09:40:55 10 Q. Okay. And can we stipulate that whenever I say
09:40:58 11 "you" or "your," that -- for the most part, unless I
09:41:02 12 specify, that will be the equivalent of me saying "your
09:41:06 13 office" or "your offices"?

09:41:10 14 A. I understand.

09:41:14 15 Q. Now, looking at this topic list, I believe you
09:41:23 16 mentioned this earlier but you reviewed these topics;
09:41:28 17 correct?

09:41:28 18 A. Yes.

09:41:29 19 Q. And are you prepared to address each of these
09:41:33 20 topics today?

09:41:34 21 A. I can try.

09:41:46 22 Q. Okay. Let me ask it this way: Were there any
09:41:50 23 topics, as you read through them, that you feel as though
09:41:54 24 you do not have much knowledge about?

09:42:03 25 A. Yes.

09:42:04 1 Q. Okay. And which ones would those be?

09:42:08 2 And we can -- we can -- you can refer to your
09:42:10 3 paper copy, or we can scroll through if we -- if we need
09:42:38 4 to.

09:43:09 5 A. Number 1.

09:43:10 6 Q. Okay. And what part of Number 1 might you not be
09:43:14 7 able to be prepared to address?

09:43:22 8 A. What -- with -- with the house bills and senate
09:43:31 9 bills, that's what we work -- on the election end of it,
09:43:37 10 that's what we work a lot with. And I just don't have them
09:43:41 11 down pat, so every time there's a senate bill or a house
09:43:44 12 bill, I have to go back and read on it because I just --
09:43:49 13 there's just so many of them that I just don't know them.

09:43:53 14 Q. Sure. I understand. And I don't expect that of
09:43:56 15 you. I have to go look at them every time too.

09:44:00 16 So what I'm asking is: In terms of the
09:44:06 17 County's interpretation and implementation of those bills
09:44:11 18 listed there, would you be able to testify about that?

09:44:15 19 A. You know, I can certainly try.

09:44:29 20 Q. Okay. Are there any other topics that stick out
09:44:36 21 to you as ones that you may not be prepared to testify
09:44:39 22 about today?

09:45:22 23 A. 19 really sticks out only because -- well, 19.

09:45:28 24 Q. Can we go to page 8, please.

09:45:40 25 So Topic 19 is about your county voter

09:45:49 1 registration system -- your county's voter registration
09:45:52 2 system and how your personnel interacts with these systems;
09:45:55 3 right?

09:45:57 4 A. Yes.

09:45:57 5 Q. Okay. And you mentioned Mr. Aguilar earlier.

09:46:05 6 Would he be more familiar with these topics
09:46:09 7 for Santa Cruz --

09:46:15 8 MR. PIERCE: Object -- object to foundation.

09:46:15 9 BY MR. HERRERA:

09:46:17 10 Q. Okay. Is there anyone in your office more
09:46:19 11 knowledgeable than Mr. Aguilar about these things, if you
09:46:25 12 know?

09:46:29 13 A. It would be -- it would be Angel.

09:46:32 14 Q. And who is Angel?

09:46:34 15 A. Aguilar.

09:46:35 16 Q. Okay. Sorry. I missed his first name earlier.

09:46:54 17 Does -- does Mr. Aguilar -- if you know, does
09:47:01 18 Mr. Aguilar train other voter clerks and election workers
09:47:07 19 in your office?

09:47:09 20 A. It would be me. And I just hired my new -- or I
09:47:22 21 just hired my chief deputy recorder.

09:47:30 22 Q. Okay. And does -- who is your chief deputy
09:47:34 23 recorder?

09:47:34 24 A. Yolanda Kory.

09:47:36 25 Q. What was the last name again? I'm sorry.

09:47:37 1 A. Kory, K-o-r-y.

09:47:41 2 Q. And does Ms. Kory have -- if you know, have

09:47:47 3 experience with election procedures and voter registration?

09:47:52 4 A. No, she doesn't.

09:47:54 5 Q. Okay. How many people work in the election side

09:47:59 6 of the Santa Cruz County Recorder's Office?

09:48:02 7 A. Three.

09:48:09 8 Q. And does Santa Cruz County or -- or does the --

09:48:13 9 does your office contract with any outside companies or --

09:48:19 10 or agencies to do the work of election administration or

09:48:24 11 voter registration?

09:48:27 12 A. No.

09:48:31 13 Q. Okay. So it's just you and the three people you

09:48:35 14 mentioned who do the voter registration; right?

09:48:38 15 A. Yes.

09:48:38 16 Q. Have you attended any -- you personally, have you

09:48:52 17 attended any trainings on voter registration put on by the

09:48:56 18 state or anyone else?

09:48:58 19 A. Yes.

09:48:59 20 Q. Okay. And when was that?

09:49:01 21 A. This past Monday, Tuesday, and Wednesday.

09:49:06 22 Q. Okay. And before that, had you attended any

09:49:10 23 trainings for voter registration put on by the Secretary of

09:49:14 24 State's Office or anyone else?

09:49:17 25 A. There was an election officers' conference in June

09:49:33 1 that I went to and, of course, the training of this past
09:49:40 2 week.

09:49:45 3 Q. And who put on the training this past week?

09:49:48 4 A. The secretary of state.

09:50:04 5 Q. And did anyone -- did anyone else from your office
09:50:07 6 accompany you to that training?

09:50:09 7 A. Yes. The five of us went.

09:50:15 8 Q. So you, the three people who work on elections,
09:50:20 9 and then who else went?

09:50:22 10 A. It was Monica Gutierrez. She was a temp from last
09:50:28 11 fall, and she just -- we just turned her to permanent
09:50:31 12 employee. And Rosa Anna Fajardo. She's been in this
09:50:38 13 department for maybe 18 months, maybe a little bit longer.
09:50:43 14 And she is also a recurring clerk/election clerk.

09:50:55 15 Q. All right. Well, let's -- let's see how far we
09:51:01 16 can get on some of these questions. And if you don't know,
09:51:04 17 you know, please explain that.

09:51:07 18 Now, let's go to -- if we can please go to,
09:51:37 19 in the folder, Exhibit C -- I'm sorry, Exhibit B. Sorry
09:51:49 20 about that.

09:52:04 21 And do you recognize this first page of this
09:52:07 22 document, Ms. Moreno?

09:52:10 23 A. I might have come across it. I can't say for
09:52:21 24 sure.

09:52:22 25 Q. Okay. And from the title, as you can see, it

09:52:27 1 says, "Defendant's Responses to Plaintiff's First Set of
09:52:31 2 Requests for Production."

09:52:34 3 And well, you can see there on the first
09:52:38 4 sentence of -- in the body of the document that these are
09:52:42 5 the requests for production of the Santa Cruz County
09:52:46 6 Recorder's Office in this case.

09:52:49 7 Did you help in gathering documents to answer
09:52:52 8 these requests for production?

09:52:55 9 A. With the help of Saibet Gastelum and Angel
09:53:01 10 Aguilar, we were able to produce those documents.

09:53:04 11 Q. Okay. Can we go to Request For Production
09:53:08 12 Number 10 on page 6.

09:53:09 13 THE COURT REPORTER: Do you want to mark this
09:53:12 14 as Exhibit 99?

09:53:13 15 MR. HERRERA: Yes, please.

09:53:13 16 (The document was marked as Exhibit 99
09:53:16 17 for identification.)

09:53:16 18 BY MR. HERRERA:

09:53:27 19 Q. Okay. And this RFP Number 10 in Exhibit 99 asks
09:53:33 20 for "All documents and communications regarding A.R.S.
09:53:39 21 Section 16-165, as amended by H.B. 2243"; right?

09:53:46 22 A. Yes.

09:53:47 23 Q. Okay. And based on your response, your office had
09:53:52 24 no responsive documents to this request; is that right?

09:53:57 25 MR. PIERCE: Object to the form and

09:54:00 1 foundation.

09:54:02 2 BY MR. HERRERA:

09:54:02 3 Q. Okay. Is that still the case that you don't have

09:54:04 4 any -- is that still the case that you don't have any

09:54:16 5 responsive documents to that request?

09:54:18 6 A. Correct.

09:54:45 7 MR. HERRERA: Now, can we go to Exhibit C in

09:54:47 8 the folder. And can we mark this as Exhibit 100, please.

09:55:03 9 BY MR. HERRERA:

09:55:03 10 Q. Now, Ms. Moreno, we're showing you on the screen

09:55:06 11 here another exhibit that has been marked as Exhibit 100.

09:55:13 12 And -- or actually, I'm sorry.

09:55:16 13 MR. HERRERA: Let's not mark -- can we strike

09:55:18 14 that and not do this Exhibit 100. This has been previously

09:55:21 15 marked as Exhibit 6 in a prior deposition.

09:55:21 16 BY MR. HERRERA:

09:55:33 17 Q. Do you recognize this document from its first

09:55:36 18 page, Ms. Moreno?

09:55:39 19 A. Yes.

09:55:41 20 Q. Okay. And what is it, based on the first page?

09:55:46 21 A. It's a 2019 Elections Procedures Manual.

09:55:52 22 Q. And what is the purpose of the Elections

09:55:58 23 Procedures Manual?

09:55:58 24 MR. PIERCE: Object; foundation.

09:56:00 25 THE WITNESS: It's -- it's our bible per se

09:56:06 1 as to -- to follow policies and procedures.

09:56:13 2 BY MR. HERRERA:

09:56:13 3 Q. And by "policies and procedures," is that with

09:56:20 4 regard to election administration?

09:56:22 5 A. Yes.

09:56:23 6 Q. Okay. Is this version -- or rather, is the 2019

09:56:35 7 Elections Procedures Manual still currently the one that

09:56:39 8 you use to guide your office in administering elections?

09:56:46 9 A. As I mentioned to you, what I have is the -- is

09:56:54 10 the 2019 EPM manual, parentheses, 22 -- 2022 annotated.

09:57:02 11 Q. And so do you use the 2022 annotated?

09:57:06 12 A. Yes.

09:57:07 13 Q. Okay. And is that something that your office uses

09:57:11 14 as well to guide you in administering elections?

09:57:16 15 A. Yes.

09:57:16 16 Q. Do you know what month that 2022 Election

09:57:23 17 Procedures Manual was created?

09:57:25 18 A. No.

09:57:28 19 MR. HERRERA: And I'll ask counsel, since

09:57:31 20 Ms. Moreno has that in front of her, if we can get a copy

09:57:34 21 of that later.

09:57:37 22 MR. PIERCE: That shouldn't be a problem.

09:57:39 23 MR. HERRERA: Thank you, Mr. Pierce.

09:57:44 24 BY MR. HERRERA:

09:57:49 25 Q. And in the annotated version, what does -- what

09:57:53 1 does the annotated version have in it that's different from
09:57:58 2 this 2019 version?

09:58:00 3 A. I don't know.

09:58:17 4 Q. And when you say that it's annotated, are -- are
09:58:21 5 the annotations in line or kind of in comment bubbles on
09:58:28 6 the side? How does that look?

09:58:38 7 A. It -- since -- I could see, for example, there are
09:58:47 8 some line items, like, drawn with a -- like, not slashed
09:58:55 9 out but with just a line across them, and then there could
09:59:01 10 be a word inserted. Some other items could be in a
09:59:10 11 different color. But I can't compare it to the 2019
09:59:16 12 because I don't have -- I haven't worked with the 2019.

09:59:20 13 Q. Okay. So have you reviewed the 2019 Elections
09:59:26 14 Procedures Manual, the one that's in front of you -- or
09:59:29 15 rather, on the screen?

09:59:30 16 A. Yes.

09:59:33 17 Q. Okay. And is your office, if you know, legally
09:59:38 18 required to follow the 2019 Elections Procedures Manual?

09:59:43 19 MR. PIERCE: Object; foundation.

09:59:46 20 MR. LANGHOFER: Object to form.

09:59:46 21 MR. PIERCE: Form.

10:00:05 22 MR. LANGHOFER: Calls for a legal conclusion.

10:00:05 23 THE WITNESS: All I've worked with since I
10:00:09 24 came in was with the 2022 annotated version. And when I
10:00:16 25 make reference to the staff, it's based on -- on this EPM.

10:00:35 1 BY MR. HERRERA:

10:00:36 2 Q. And so you don't know if there is a version of the

10:00:41 3 Elections Procedures Manual that's legally binding on your

10:00:44 4 office?

10:00:45 5 MR. LANGHOFER: Object to form. Calls for a

10:00:52 6 legal conclusion.

10:00:52 7 THE WITNESS: I'm sure -- I'm sure there is.

10:00:55 8 I just -- like I said, I -- this is what I have and this is

10:00:58 9 what I've been using.

10:01:00 10 BY MR. HERRERA:

10:01:08 11 Q. Can legally binding guidance be conveyed by the

10:01:11 12 Secretary of State's Office to your office by any other

10:01:13 13 means outside of the Elections Procedures Manual, if you

10:01:18 14 know?

10:01:18 15 MR. LANGHOFER: Same objection.

10:01:21 16 MS. STUART: Form.

10:01:22 17 THE WITNESS: I don't know.

10:01:24 18 BY MR. HERRERA:

10:01:25 19 Q. Do you ever get -- and without telling me the

10:01:29 20 contents, do you ever get any memoranda from the Secretary

10:01:34 21 of State's Office about election procedures?

10:01:48 22 A. Not that I can recall.

10:02:14 23 MR. HERRERA: Now, let's go to another

10:02:16 24 exhibit that has been marked in a previous deposition. And

10:02:21 25 for the court reporter, that's Exhibit D in our folder.

10:02:29 1 Now this -- this exhibit was marked as Exhibit 35 in a
10:02:34 2 prior deposition.

10:02:34 3 BY MR. HERRERA:

10:02:34 4 Q. It says -- down there, it says "Petty," Ms. Moreno
10:02:37 5 because Ms. Petty is -- was the designee for Maricopa
10:02:37 6 County.

10:02:45 7 So this -- I'll represent to you -- and you
10:02:47 8 can kind of see at the very top -- it's a little small --
10:02:50 9 that it says, "2023 Elections Procedures Manual, June 2023
10:02:55 10 Draft."

10:02:57 11 Have you ever reviewed this document before,
10:03:01 12 a 20 -- a 2023 draft of the Elections Procedures Manual?

10:03:05 13 A. We've been involved in -- in changes that may
10:03:15 14 occur, deletion of certain items. And so I have been
10:03:31 15 involved with that. I have seen it. I have read it.

10:03:33 16 Q. Okay. And you mentioned changes and deletions
10:03:37 17 that your office may have been involved in. Can you tell
10:03:39 18 me about the changes that your office has been involved in
10:03:43 19 with regard to the draft 2023 Elections Procedures Manual?

10:03:47 20 A. Nothing in specific. There's just -- there could
10:03:51 21 be a comment or a suggestion and that involves all the
10:03:59 22 county recorders.

10:04:03 23 Q. Are there any comments that you or your office has
10:04:08 24 submitted to the secretary of state on this June 2023
10:04:13 25 draft?

10:04:15 1 A. No.

10:04:17 2 Q. Have you communicated any suggestions verbally to
10:04:23 3 the Secretary of State's Office about the June 2023 draft
10:04:26 4 Elections Procedures Manual?

10:04:28 5 A. No.

10:04:30 6 Q. You mentioned deletions.

10:04:38 7 What are the deletions that you're referring
10:04:40 8 to with regard to the June 2023 draft of the Elections
10:04:48 9 Procedures Manual?

10:04:48 10 A. I couldn't say precisely what they -- what they
10:04:51 11 might be. You know, just at the end of the day, I don't
10:04:57 12 know what the end result is or will be. I'd have to go
10:05:05 13 back to maybe some notes or past meetings, but I couldn't
10:05:12 14 tell you.

10:05:16 15 Q. Now, have you -- have you actually read some of
10:05:24 16 the changes that are shown in this June 2023 draft of the
10:05:28 17 Elections Procedures Manual?

10:05:30 18 A. At the time that we had meetings, you know, we --
10:05:36 19 we -- I had read as to what the comments may be or
10:05:42 20 suggestions may be, but like I said, I haven't seen the
10:05:48 21 final version if -- no, I just don't know what the final
10:05:57 22 version will be.

10:05:57 23 Q. Are -- are there any thoughts that you had or
10:06:05 24 opinions that you had about some of the changes suggested
10:06:09 25 to the June 2023 draft of the Elections Procedures Manual?

A. No.

Q. Now I want to -- you've mentioned the training that you attended put on by the secretary of state recently, and I think you said it was on -- it started on Monday?

A. Yes.

Q. So it would be Monday, the 7th?

A. Yes.

Q. August 7, 2023?

A. Yes.

Q. Okay. And what was the training about?

A. It -- elections, voter registration, early voting, the early ballot.

Q. How much of the training was about voter registration, in terms of the portion of it?

A. Probably 45 minutes.

Q. 45 minutes of the whole three days was about voter registration?

A. Well, the process of voter registration, but you also have the early ballots, the mail-out ballots, the -- you know, different steps, and, you know, like, what they try to do is they would take a topic and -- and there's discussion -- there's presentation, discussion within those 45 minutes.

Q. And was -- were there any presentations or

10:08:16 1 discussions of maintaining the list of voters who are
10:08:24 2 registered to vote?

10:08:27 3 A. Yes.

10:08:29 4 Q. Okay. And do -- what do you recall about that?

10:08:37 5 A. That would be the -- the AVID program where
10:08:43 6 there's a list of voter registration.

10:08:46 7 Q. Okay. And as far as -- as far as you understand,
10:08:51 8 what is the AVID program?

10:08:53 9 A. It's the access voter registration or Arizona
10:09:03 10 voters' registration -- I'm sorry. I need to see it.

10:09:07 11 Q. You don't have to -- you don't have to tell me the
10:09:08 12 acronym, but what's -- what is your understanding of what
10:09:12 13 it is?

10:09:13 14 A. Well, it's just -- it's access to the voters'
10:09:18 15 information database where -- our office has the
10:09:28 16 information on the voter, all the information pertinent to
10:09:37 17 providing that voter with, you know, voting information in
10:09:42 18 the future, and for us to also verify that we have a
10:09:48 19 legitimate registrant.

10:09:53 20 Q. And when you say "legitimate registrant," do you
10:10:02 21 mean someone eligible to vote?

10:10:03 22 A. That's correct.

10:10:04 23 Q. Is there anything else you meant by that?

10:10:08 24 A. No.

10:10:30 25 MR. HERRERA: For the court reporter, can we

10:10:35 1 pull up Exhibit I in the folder.

10:10:49 2 BY MR. HERRERA:

10:10:50 3 Q. Ms. Moreno, this was an exhibit marked in a prior
10:10:54 4 deposition as Exhibit 19.

10:10:56 5 And as you can see from the bold letters
10:10:59 6 there, this is a copy of House Bill 2492 from 2022 from the
10:11:07 7 Arizona legislature.

10:11:08 8 Are you familiar with this house bill at all?

10:11:12 9 A. So when it first came up, again, I went to visit
10:11:18 10 and read up on it but . . .

10:11:30 11 Q. When you say "it first came up," when did it first
10:11:35 12 come up?

10:11:35 13 A. I don't remember. I know that prior to the topics
10:11:42 14 that were outlined on this deposition notice, I had -- I
10:11:47 15 had -- I needed to go and see that house bill or at least
10:11:52 16 read up on it, but I couldn't -- I couldn't tell you what
10:11:55 17 it is.

10:11:58 18 Q. Do you know generally what kinds of changes that
10:12:02 19 this bill made -- makes to the law?

10:12:29 20 And can we go to --

10:12:29 21 THE COURT REPORTER: I didn't hear an answer.
10:12:31 22 I'm sorry.

10:12:32 23 THE WITNESS: No.

10:12:35 24 BY MR. HERRERA:

10:12:36 25 Q. Can we go to Exhibit G in the -- in our folder.

10:12:46 1 Ms. Moreno, I'm showing you an exhibit that
10:12:48 2 was marked in a prior deposition as Exhibit 21. And as you
10:12:52 3 can see from the first page here, it says, "House
10:12:56 4 Bill 2243."

10:12:58 5 Are you familiar with House Bill 2243 from
10:13:03 6 2022?

10:13:05 7 A. No.

10:13:10 8 Q. Okay. Have you ever reviewed that bill?

10:13:16 9 A. I might have. I might have.

10:13:21 10 Q. Do you -- do you happen to recall what that bill
10:13:27 11 is about?

10:13:37 12 A. No.

10:13:45 13 Q. Okay. Would it -- would it ring a bell if I said
10:13:49 14 that it has to do with the cancellation of voter
10:13:57 15 registration?

10:13:57 16 A. Yes.

10:13:58 17 Q. Okay. And what do you recall -- what does that
10:14:03 18 help you remember?

10:14:03 19 A. We had discussed it. We had discussed it with --
10:14:08 20 with the Association of County Recorders. So there's house
10:14:14 21 bills that -- that are presented to us for suggestions or
10:14:20 22 comments. So --

10:14:24 23 Q. And --

10:14:25 24 A. -- so depending on the structure of the bill or
10:14:30 25 what is changing, what's omitted, there are suggestions,

10:14:36 1 comments from the association.

10:14:42 2 Q. And what do you recall about those comments at the
10:14:48 3 association or with the association regarding this House
10:14:53 4 Bill 2243?

10:14:55 5 A. Well, because you did mention it has to do with
10:15:01 6 cancellation of voters, I do know that we've had several
10:15:08 7 discussions about that, but I can't pinpoint exactly what
10:15:14 8 was talked about.

10:15:15 9 Q. And is that something -- is that something that --
10:15:23 10 would anything help you remember what those discussions
10:15:26 11 were about?

10:15:30 12 A. No. I'd have to go back to . . .

10:15:51 13 Q. Do -- do you -- do you recall any discussions with
10:15:54 14 the association you mentioned regarding implementing House
10:16:00 15 Bills 2243 and 2492?

10:16:08 16 A. I'm -- I'm sure -- I don't recall, but I'm sure
10:16:11 17 there was discussions.

10:16:12 18 Q. Okay. And when you say you don't recall, is
10:16:19 19 that -- do you just not recall the substance of them?

10:16:23 20 A. The discussion -- the substance and the
10:16:27 21 discussion.

10:16:28 22 Q. Okay. Do you know generally what these bills mean
10:16:39 23 for how Santa Cruz County runs voter registration?

10:16:47 24 A. They would affect or change the implementation
10:16:59 25 of -- of the process.

10:17:01 1 Q. Okay. And I'm not trying to do an exam here.
10:17:06 2 I've -- I'm just trying to ask, what do you -- what do you
10:17:09 3 know about what these bills do to change how Santa Cruz
10:17:13 4 runs elections?

10:17:20 5 A. Can you repeat that, please?

10:17:21 6 Q. Sure.

10:17:21 7 So what do you know about these bills or how
10:17:25 8 these bills change how Santa Cruz County does voter
10:17:34 9 registration?

10:17:34 10 A. How -- I -- I'm here to make sure that any change
10:17:48 11 with regards to the process that is -- that passes -- that
10:17:57 12 the house bill passes, that we have to implement and we
10:18:01 13 have to go with that process. We have to go with that
10:18:04 14 procedure.

10:18:06 15 Q. And do you know what some of those -- those
10:18:07 16 changes are?

10:18:09 17 A. I can't remember.

10:18:11 18 Q. Would someone else in your office -- who works in
10:18:16 19 your office know about those changes in terms of the
10:18:21 20 everyday application of them?

10:18:25 21 A. I don't know.

10:18:31 22 Q. Would -- would Mr. Aguilar know, perhaps, how
10:18:35 23 these bills have changed -- how your office runs voter
10:18:45 24 registration?

10:18:45 25 A. I don't know.

10:18:47 1 Q. And why -- would it help if you spoke with
10:18:54 2 Mr. Aguilar to determine that?

10:18:57 3 A. I can, yes.

10:19:09 4 Q. Have you ever actually handled a voter
10:19:21 5 registration application that comes into Santa Cruz County
10:19:28 6 Recorder's Office?

10:19:28 7 A. No. In a sense where I have looked over the
10:19:34 8 shoulder of Saibet or Angel to see what they're doing, but
10:19:42 9 I myself have not done it. Whatever is coming in, whatever
10:19:46 10 is -- they're doing on the voters' end, I'm looking over
10:19:51 11 their shoulder so that I can get to know the process.

10:19:55 12 Q. And what have you learned by doing that?

10:19:59 13 A. Well, the information that is required by the
10:20:02 14 registrant in order for him to be -- or for that person to
10:20:08 15 be part of the registration list.

10:20:12 16 Q. Okay. And are you familiar with the requirements
10:20:21 17 of your office in processing that voter registration
10:20:27 18 application when it comes in?

10:20:31 19 A. We're a small office, so if there is a
10:20:41 20 conversation, I can just leave my office and inquire about
10:20:45 21 what's going on. So I try to do my best to be aware of --
10:20:56 22 if there's no conversation, the process is moot.

10:21:02 23 Q. Well, I'm about to go into -- oh, go ahead. I'm
10:21:06 24 sorry.

10:21:06 25 A. So for me to be aware of -- of the process, I

10:21:15 1 believe I -- I'm getting there, yes.

10:21:19 2 Q. Okay.

10:21:19 3 MR. HERRERA: And I think I'm at a good point
10:21:21 4 where I'm going to move on to a new topic here. And I
10:21:25 5 think we can take maybe a ten-minute break so that everyone
10:21:30 6 can get some water and get some rest.

10:21:33 7 Is that okay? Is that okay with everybody?

10:21:37 8 We're off the record -- or can we go off the
10:21:39 9 record, please.

10:21:41 10 THE VIDEOGRAPHER: We are off the record.

10:21:43 11 Time on the video monitor is 10:21 a.m.

10:33:21 12 (A recess ensued.)

10:33:21 13 THE VIDEOGRAPHER: We are on the record.

10:33:25 14 Time on the video monitor is 10:33 a.m.

10:33:29 15 BY MR. HERRERA:

10:33:36 16 Q. Ms. Moreno, Arizona has a documentary proof of

10:33:40 17 citizenship requirement for new voter registration

10:33:43 18 applications; correct?

10:33:44 19 A. Yes.

10:33:45 20 Q. Okay. And I'll refer to the requirement as the

10:33:51 21 "DPOC requirement."

10:33:53 22 Is that -- will you understand that if I say

10:33:55 23 "DPOC"?

10:33:56 24 A. Yes.

10:33:56 25 Q. Okay. Are you familiar with the documents or

10:34:04 1 materials that would constitute -- or that would be
10:34:07 2 satisfactory DPOC in Arizona?
10:34:11 3 A. Yes.
10:34:11 4 Q. Okay. So if I -- you know, if I said Arizona
10:34:22 5 driver's license and ID cards, out-of-state driver's
10:34:26 6 licenses or ID cards, birth certificate, U.S. passport,
10:34:30 7 citizenship and immigration documents, and tribal
10:34:34 8 identification numbers and documents, those things would --
10:34:38 9 would be familiar to you as documentary proof of
10:34:42 10 citizenship?
10:34:42 11 A. Yes.
10:34:43 12 Q. Okay. Now, what can happen if a person registers
10:34:46 13 to vote and they do not supply their voter registration
10:34:50 14 form with DPOC?
10:34:54 15 MR. LANGHOFER: Form.
10:34:58 16 THE WITNESS: A letter is sent to them
10:35:02 17 requesting proof.
10:35:08 18 BY MR. HERRERA:
10:35:09 19 Q. Okay. And so Santa Cruz County would send that
10:35:12 20 person a letter asking for proof of citizenship?
10:35:15 21 A. Correct.
10:35:16 22 Q. And what happens after you send that letter?
10:35:24 23 A. I believe they need to respond within 30 days or
10:35:32 24 that registrant goes to suspense.
10:35:41 25 Q. Suspense. Okay.

10:35:44 1 A. Go ahead.

10:35:44 2 Q. And by "suspense," can you explain what you mean

10:35:48 3 by that?

10:35:49 4 A. They're put on hold. It's just like a -- they're

10:35:56 5 they are put on hold until proof of citizenship -- or proof

10:36:01 6 of -- the proper document is provided.

10:36:07 7 Q. Now, do you know what happens if someone submits a

10:36:13 8 federal voter registration form but does not submit

10:36:18 9 documentary proof of citizenship?

10:36:23 10 A. He's a fed-only voter.

10:36:27 11 Q. And what is a fed-only voter?

10:36:29 12 A. That person can only vote on federal elections.

10:36:33 13 Q. Okay. And if someone submits an Arizona state

10:36:39 14 voter registration application and does submit the

10:36:43 15 documentary proof of citizenship, what -- what kind of

10:36:48 16 voter is that person going to be?

10:36:51 17 A. My god --

10:37:07 18 Q. Would it be full-ballot -- full-ballot voter?

10:37:10 19 A. Full ballot. Correct.

10:37:11 20 Q. Now, do you -- what is the difference between a

10:37:16 21 fed-only and a full-ballot voter?

10:37:20 22 A. Well, the full ballot is you have the candidates,

10:37:26 23 whether it be local, statewide, or nationwide, the federal

10:37:35 24 candidates. You'd have that for the full -- full

10:37:44 25 registrant, while the federal will only be limited to those

10:37:49 1 federal candidates who are running for office.

10:37:55 2 Q. Now, I want to get a sense of the databases that
10:38:01 3 your office has access to in term -- and this is in the
10:38:05 4 context of voter registration.

10:38:07 5 Does your office use the Arizona Motor
10:38:13 6 Vehicles Division databases at all?

10:38:18 7 A. I do know that we do receive registration forms
10:38:28 8 from -- from MVD.

10:38:35 9 Q. And what do you do with those voter registration
10:38:37 10 forms from MVD?

10:38:40 11 A. We go ahead and input all that information in a
10:38:48 12 voter registration list.

10:38:52 13 Q. Okay. And do you use the -- do you have any
10:39:02 14 access to Arizona MVD -- that's Motor Vehicle Division, MVD
10:39:09 15 -- data in your office?

10:39:14 16 A. I don't believe so. That -- what we receive is
10:39:22 17 just the registrant's form completed, and that is uploaded
10:39:30 18 to his profile once that -- the voter's -- registrant's
10:39:39 19 information is inputted.

10:39:41 20 Q. Do you ever use the Arizona MVD database for
10:39:48 21 verification of a voter when they submit a registration
10:39:54 22 application?

10:40:04 23 A. I don't know.

10:40:05 24 Q. Let me ask it a little bit more broadly.

10:40:09 25 When you get a voter registration

10:40:10 1 application, do you do anything in your office to verify
10:40:17 2 that person's identity or eligibility?

10:40:28 3 A. I don't know.

10:40:42 4 Q. Okay. What -- just walk me through -- when you
10:40:46 5 get a voter registration application in your office, you
10:40:50 6 look at the form and then you look at what that person
10:40:56 7 submitted; right? We've talked about documentary proof of
10:41:00 8 citizenship.

10:41:02 9 Is there anything else you do after receiving
10:41:05 10 those materials from the voter?

10:41:14 11 A. If the voter registration form is complete and the
10:41:22 12 profile is -- is produced or -- or -- I'm trying to find
10:41:31 13 that word. If there's anything missing, there is a --
10:41:50 14 there is a letter that is sent to that registrant to
10:41:56 15 provide us with that information.

10:42:00 16 Q. Okay. Do you go -- does your office go look up
10:42:03 17 someone's name or -- using their name or numbers associated
10:42:08 18 with that person and go look them up in any state or
10:42:11 19 federal databases?

10:42:14 20 A. Based on my experience -- and while I'm answering
10:42:18 21 you, for instance, there was one that the address did not
10:42:22 22 make sense, but since I know the County -- not very well,
10:42:30 23 but to know what he might have meant as the address, that
10:42:39 24 we -- I had Angel look at the county records to see if that
10:42:46 25 particular voter owned that particular residence and just

10:42:59 1 to confirm the address. If there is no confirmation, it's
10:43:05 2 hard to provide them with a notice because the address is
10:43:10 3 wrong anyway.

10:43:12 4 Q. So you used your -- your title skills for that --
10:43:16 5 for that one?

10:43:18 6 A. Yes.

10:43:19 7 Q. Are there -- do you go -- have you ever used

10:43:26 8 any -- gone and looked someone up in the Motor Vehicle

10:43:33 9 Division data to verify anything about someone who's

10:43:37 10 applying to vote?

10:43:41 11 A. No.

10:43:41 12 Q. Okay. Do you know if your office -- anyone at

10:43:44 13 your office does that ever?

10:43:45 14 A. No.

10:43:45 15 Q. You don't know?

10:43:47 16 A. I don't know.

10:43:48 17 Q. Okay. Is it possible that they do?

10:43:50 18 A. It's possible.

10:43:52 19 Q. Do you recall anything from that secretary of
10:43:57 20 state training that began on August 7th, this week, that
10:44:02 21 would have explained how to verify someone -- someone's
10:44:08 22 information using the Motor Vehicle Division's data?

10:44:13 23 A. Yes.

10:44:13 24 Q. What do you -- what do you recall about that?

10:44:20 25 A. I don't remember.

10:44:24 1 Q. But people -- people from your office were there
10:44:28 2 at that training; right?

10:44:29 3 A. Yes. Uh-huh.

10:44:30 4 Q. Okay.

10:44:31 5 A. Yes.

10:44:32 6 Q. So they -- they might have remembered that?

10:44:36 7 A. Yes.

10:44:37 8 MR. PIERCE: Objection; form.

10:44:39 9 BY MR. HERRERA:

10:44:39 10 Q. Okay. Yeah.

10:44:40 11 MR. HERRERA: Sorry, Justin. I'm just trying
10:44:42 12 to figure out who might know this information.

10:44:47 13 BY MR. HERRERA:

10:44:48 14 Q. So has your office ever used -- have you heard of
10:45:01 15 the Systematic Alien Verification for Entitlements program?

10:45:09 16 A. Yes. I mean, I -- yes.

10:45:12 17 Q. Okay. And what do you know about it?

10:45:17 18 A. I know that -- that -- I'm -- that it has to do
10:45:32 19 with the registration number that's provided to that
10:45:40 20 individual. I don't know.

10:45:48 21 Q. Does -- does your office use the Systematic Alien
10:46:02 22 Verification for Entitlements program at all for voter
10:46:04 23 purposes?

10:46:06 24 A. I don't know.

10:46:11 25 Q. You might also have seen it as SAVE, S-A-V-E?

10:46:16 1 A. I've seen that, SAVE. I -- I know -- when you
10:46:20 2 mentioned that -- I know the acronym for it, but I don't
10:46:23 3 know.

10:46:25 4 Q. You don't know if your office uses that for voter
10:46:29 5 registration purposes?

10:46:30 6 A. No, I don't.

10:46:31 7 Q. Okay. Have you ever heard of a HAVA check,
10:46:37 8 H-A-V-E -- I'm sorry, H-A-V-A?

10:46:40 9 A. Yes.

10:46:40 10 Q. Okay. And what is that?

10:46:43 11 A. It's the Help -- Help America Vote Act.

10:46:52 12 Q. Okay. And what is a -- what is a HAVA check?

10:46:57 13 A. Can you repeat the question.

10:47:30 14 Q. Sure.

10:47:35 15 So what is -- just what is a HAVA check?
10:47:37 16 Because you seem to have heard of it. But do you know what
10:47:41 17 it is?

10:47:45 18 A. I think it's -- it's helping America vote, exactly
10:47:54 19 what it stands for.

10:47:57 20 Q. Does anyone in your office perform HAVA checks on
10:48:06 21 people registering to vote or trying to register to vote?

10:48:11 22 A. It's my understanding that there is a connection
10:48:17 23 with the AVID, the Active Early Voting List that is
10:48:27 24 connected to HAVA.

10:48:33 25 Q. And what do you mean by that, to the extent

10:48:36 1 it's --

10:48:37 2 A. There is -- I mean, there is some connection.

10:48:45 3 Maybe not intertwined with each other, but there's

10:48:49 4 something -- one has to do with the other.

10:48:54 5 Q. Okay. Is it that someone might not get to be on

10:49:02 6 the early voting list if they don't have a HAVA check,

10:49:05 7 something like that?

10:49:07 8 A. No, I don't think so. I don't think that's

10:49:10 9 affected.

10:49:11 10 Q. Okay.

10:49:12 11 A. I'm not sure.

10:49:13 12 Q. Is it -- do you know if it's something that any of

10:49:15 13 the people who work at your office use -- a HAVA -- the

10:49:19 14 HAVA check?

10:49:23 15 A. I'm sure.

10:49:26 16 Q. Okay. Do you -- are you familiar with what they

10:49:28 17 do to perform a HAVA check?

10:49:33 18 A. No.

10:49:34 19 Q. Okay. And do you -- do you know -- if you -- is

10:49:44 20 that because you don't recall or you just -- you just don't

10:49:47 21 know?

10:49:48 22 A. I just don't recall.

10:49:57 23 Q. Okay. Would it help if you talked to someone who

10:50:00 24 performs -- who might perform HAVA checks or someone who

10:50:03 25 works in the office?

10:50:07 1 A. So as I am -- yes. Yes, yes.

10:50:13 2 Q. And who -- who might know about that, about HAVA

10:50:18 3 checks, at your office?

10:50:19 4 A. Angel.

10:50:21 5 Q. Okay. Angel Aguilar?

10:50:24 6 A. Correct.

10:50:31 7 Q. Is it possible that he knows what your office does

10:50:34 8 with regard to SAVE, if -- if anything?

10:50:37 9 A. Yes.

10:50:38 10 Q. Is there anything that your office does when they

10:50:51 11 get a voter registration -- when you get a voter

10:50:53 12 registration application to make sure you know that that

10:50:56 13 person's a U.S. citizen?

10:51:05 14 A. The -- with the use of the Arizona driver's

10:51:09 15 license.

10:51:09 16 Q. Okay. And how -- how does that tell you that

10:51:12 17 someone's a U.S. citizen?

10:51:17 18 A. If the voter registration is coming from MVD, MVD

10:51:22 19 has already made that determination.

10:51:26 20 Q. I see.

10:51:28 21 So you're -- so you're just talking about

10:51:32 22 when you get a -- an application through the MVD?

10:51:37 23 A. Yes.

10:51:37 24 Q. Okay. Does -- do you use -- do you ever use MVD

10:51:42 25 to tell you or to confirm that someone is a -- or is a U.S.

10:51:47 1 citizen besides from when you get a -- an application from
10:51:51 2 them?

10:51:55 3 A. I don't know.

10:51:56 4 Q. And just to clarify, to your knowledge, someone
10:52:06 5 can have a -- an Arizona driver's license and not be a U.S.
10:52:11 6 citizen; right?

10:52:16 7 MR. LANGHOFER: Form. Calls for a legal
10:52:16 8 conclusion.

10:52:16 9 BY MR. HERRERA:

10:52:19 10 Q. If you know.

10:52:21 11 A. Yes.

10:52:22 12 Q. Okay. And I'm asking you -- I mean, you're in
10:52:27 13 Nogales. I'm from a place closer to the border too. There
10:52:31 14 are -- you might know. I'm just asking if you know if
10:52:34 15 people might have a driver's license and they're not a U.S.
10:52:37 16 citizen.

10:52:38 17 It's possible; right?

10:52:39 18 A. It is possible.

10:52:39 19 Q. Okay.

10:53:09 20 MR. HERRERA: Can we go back -- could we
10:53:11 21 bring up the folder that's Petty Exhibit 19 from the
10:53:16 22 folder, or -- I think we labeled it Exhibit I in the
10:53:20 23 folder. Could we go to page -- bear with me one moment.
10:54:35 24 I'm kind of moving my questions around here.

10:54:50 25 Can we go to page 5, please. One more page

10:55:00 1 down, page 6.

10:55:05 2 BY MR. HERRERA:

10:55:05 3 Q. And, Ms. Moreno, I'm showing you -- this is a few

10:55:09 4 pages down in the House Bill 2492 that I was showing you

10:55:13 5 earlier. And it -- that was marked as an exhibit in a

10:55:16 6 prior deposition, Exhibit 19. And on the sixth page of

10:55:22 7 this document -- or it's page 5 of the bill -- there is a

10:55:27 8 section here that starts with E.

10:55:31 9 Do you see that, the letter E?

10:55:39 10 MR. HERRERA: You can zoom in a little bit,

10:55:39 11 maybe.

10:55:41 12 THE WITNESS: I see it. I see it. I'm

10:55:43 13 sorry, yes.

10:55:43 14 BY MR. HERRERA:

10:55:43 15 Q. And it says, "After complying with Subsection D of

10:55:46 16 this section, if the county recorder or other officer in

10:55:51 17 charge of elections matches the applicant with information

10:55:54 18 that verifies the applicant is a United States citizen" --

10:56:01 19 and do you see -- have you reviewed this section before?

10:56:04 20 A. I'm sure I have, yes.

10:56:08 21 Q. Okay. Well, I want to zoom in a little bit or go

10:56:10 22 farther -- not zoom in, sorry. I want to look farther down

10:56:13 23 in this -- in this paragraph here.

10:56:16 24 And in the middle, it says -- I believe it's

10:56:27 25 the second sentence -- "If the county recorder or other

10:56:34 1 officer in charge of elections matches the applicant with
10:56:37 2 information that the applicant is not a United States
10:56:39 3 citizen, the county recorder or other officer in charge of
10:56:46 4 elections shall reject the application."
10:56:49 5 And then it continues. Do you see that?
10:56:49 6 Do you know, Ms. Moreno --
10:57:01 7 THE COURT REPORTER: I didn't hear an answer.
10:57:01 8 BY MR. HERRERA:
10:57:04 9 Q. Do you see what I -- what I was reading?
10:57:06 10 A. You said it was the second sentence?
10:57:12 11 Q. Yes. I think it starts on line 14.
10:57:19 12 A. Okay. Yes.
10:57:20 13 Q. Okay. Now you -- now you can see what I was
10:57:29 14 reading; right?
10:57:30 15 A. Yes. Uh-huh.
10:57:30 16 Q. And I want you to think about that part that
10:57:37 17 says "matches the applicant with information that the
10:57:40 18 applicant is not a United States citizen."
10:57:42 19 Now, what is information that a voter is
10:57:50 20 not -- or that an applicant is not a United States citizen?
10:57:57 21 A. Can you repeat that, please?
10:57:58 22 Q. Yeah. Sure.
10:57:59 23 So as far as you -- as far as you know, what
10:58:03 24 is information that the applicant is not a United States
10:58:07 25 citizen?

10:58:09 1 MR. LANGHOFER: Calls for a legal conclusion.

10:58:12 2 THE WITNESS: I don't know.

10:58:28 3 BY MR. HERRERA:

10:58:29 4 Q. Do you -- does anyone in your office know what

10:58:31 5 that -- what information would indicate someone is not a

10:58:36 6 United States citizen?

10:58:39 7 MR. LANGHOFER: Foundation.

10:58:39 8 MR. PIERCE: Form.

10:58:51 9 THE WITNESS: It's the lack of providing

10:58:55 10 evidence that they are a United States citizen.

10:59:06 11 BY MR. HERRERA:

10:59:06 12 Q. So you're saying -- so one thing might be the

10:59:10 13 lack -- so by "lack" -- what do you mean by "lack of

10:59:12 14 information"?

10:59:13 15 A. By not providing evidence that they are a U.S.

10:59:18 16 citizen.

10:59:18 17 Q. Okay. Is there some -- would there ever be

10:59:24 18 something -- to you, do you read this at all to mean that

10:59:28 19 there is some piece of information that will tell you that

10:59:31 20 they are not a United States citizen?

10:59:37 21 MS. STUART: Form.

10:59:41 22 THE WITNESS: I don't know.

10:59:44 23 BY MR. HERRERA:

10:59:44 24 Q. Okay. Now, as you are the designee for Santa Cruz

10:59:53 25 County Recorder's Office and you are the county recorder,

11:00:01 1 do you have any idea of how your office will apply this
11:00:06 2 part of the law?

11:00:13 3 MR. LANGHOFER: Form.

11:00:14 4 THE WITNESS: It is my understanding that if
11:00:20 5 you are not able to provide with proof of citizenship or
11:00:26 6 you have not provided proof of citizenship, then you are
11:00:31 7 placed in the federal-only list.

11:00:40 8 BY MR. HERRERA:

11:00:41 9 Q. And it says, "If the county recorder or other
11:00:43 10 officer in charge of elections matches the applicant with
11:00:46 11 information that the applicant is not a United States
11:00:49 12 citizen, the county recorder or other officer in charge of
11:00:53 13 elections shall reject the application."

11:00:56 14 Is -- is there anything that would make you
11:01:00 15 reject the application if you -- if you saw information --
11:01:07 16 let me ask this again.

11:01:09 17 Is there anything that you -- that you would
11:01:13 18 see -- not lack of something, but is there anything -- does
11:01:16 19 this law make sense to you in terms of something you can
11:01:20 20 see that tells you that that person is not a U.S. citizen?

11:01:24 21 MR. PIERCE: Form.

11:01:24 22 MR. LANGHOFER: Form.

11:01:44 23 THE WITNESS: I don't know.

11:01:49 24 BY MR. HERRERA:

11:01:49 25 Q. Now, if you -- if you saw information in, say, a

11:01:56 1 database that showed you that someone 20 years ago was not
11:02:01 2 a U.S. citizen, would that indicate to you that that person
11:02:06 3 is still not a U.S. citizen today?
11:02:17 4 MR. LANGHOFER: Form.
11:02:18 5 MR. HORLEY: Objection.
11:02:18 6 THE WITNESS: No.
11:02:20 7 BY MR. HERRERA:
11:02:21 8 Q. And why not?
11:02:23 9 A. You're looking at 20 years ago, not now.
11:02:33 10 Q. Okay. So it -- someone could have become a
11:02:36 11 citizen in the last 20 years; right?
11:02:39 12 A. Yes.
11:02:39 13 Q. So if some -- if some database like the MVD
11:02:49 14 database showed you that someone was a citizen -- sorry --
11:02:53 15 let me start again.
11:02:54 16 If some database like the Motor Vehicles
11:02:58 17 Division database showed you that someone was not a U.S.
11:03:01 18 citizen 20 years ago, then it's possible that that
11:03:09 19 information does not tell you whether someone's a U.S.
11:03:12 20 citizen today; right?
11:03:15 21 A. Right.
11:03:17 22 MR. HORLEY: Form, foundation.
11:03:19 23 BY MR. HERRERA:
11:03:25 24 Q. Now, what about if you saw information in a
11:03:30 25 database that shows you someone was a U.S. citizen -- or

11:03:33 1 rather was not a U.S. citizen in 2010 -- the year 2010 --

11:03:33 2 MR. LANGHOFER: Form.

11:03:33 3 BY MR. HERRERA:

11:03:40 4 Q. -- would that -- would that tell you or constitute

11:03:49 6 MR. LANGHOFER: Form.

11:03:50 7 MR. HORLEY: Form.

11:03:55 8 THE WITNESS: No.

11:03:56 9 BY MR. HERRERA:

11:03:57 10 Q. And why not?

11:04:04 11 A. It applies to that individual with -- with not

11:04:12 12 being a U.S. citizen 20 years ago. It would apply to the

11:04:17 13 person that, you know, came across on the database that was

11:04:26 14 not a U.S. citizen 10 years ago.

11:04:29 15 Q. Okay. And for you, what would -- what would the

11:04:33 16 line be in terms of the age of the information to show you

11:04:38 17 that someone's not a U.S. citizen --

11:04:41 18 MR. LANGHOFER: Form. Calls for a legal

11:04:42 19 conclusion.

11:04:42 20 BY MR. HERRERA:

11:04:43 21 Q. -- in order to approve their voter registration

11:04:45 22 application under this law?

11:04:47 23 MR. LANGHOFER: Same objection.

11:04:50 24 THE WITNESS: Given the opportunity, you

11:04:57 25 would reach out via mail for that individual to provide you

11:05:02 1 with proof of citizenship.

11:05:05 2 BY MR. HERRERA:

11:05:09 3 Q. Right.

11:05:09 4 But is there -- well, to you -- or as -- as

11:05:19 5 you understand it, what would be a valid source of

11:05:23 6 information as the law here -- it says, "information in the

11:05:28 7 law."

11:05:29 8 What would be a valid source of information

11:05:31 9 that someone is not a U.S. citizen?

11:05:34 10 MR. LANGHOFER: Form Calls for a legal

11:05:39 13 THE WITNESS: I don't know.

11:05:43 14 BY MR. HERRERA:

11:05:48 15 Q. Is there anything -- did -- now, with this piece

11:05:54 16 of the law in mind about information that someone is not a

11:05:57 17 United States citizen, do you recall anything from the

11:06:02 18 secretary of state's training this week that would explain

11:06:05 19 to you how to -- to determine if something is information

11:06:13 20 that someone is not a U.S. citizen?

11:06:18 21 A. I don't remember.

11:06:20 22 MR. LANGHOFER: Form.

11:06:20 23 BY MR. HERRERA:

11:06:22 24 Q. Would -- do you think someone in your office might

11:06:30 2 THE WITNESS: I don't know.

11:06:32 3 BY MR. HERRERA:

11:06:48 4 Q. Would -- if -- if some -- if some voter called or

11:06:52 5 some person in the county called and said, "My neighbor is

11:06:57 6 not a United States citizen," would you take that as

11:07:01 7 information that someone is not a United States citizen for

11:07:05 8 purposes of rejecting their voter application?

11:07:08 9 MR. LANGHOFER: Form.

11:07:10 10 MR. HORLEY: Foundation.

11:07:23 11 THE WITNESS: I think I would look to my

11:07:46 16 person and that person, they're not United States

11:07:49 17 citizens," would that be information in your mind that

11:07:54 18 would allow you to reject that person -- those people's

11:07:59 19 voter registration applications on the basis of not being

11:08:02 20 U.S. citizens?

11:08:04 21 MR. HORLEY: Objection; form, foundation.

11:08:13 22 THE WITNESS: Again, I would have to go

11:08:14 23 through -- to legal counsel for that.

11:08:19 24 BY MR. HERRERA:

11:09:48 18 MR. LANGHOFER: Form. Calls for a legal

11:10:02 19 conclusion.

11:10:02 20 THE WITNESS: I don't know.

11:10:06 21 BY MR. HERRERA:

11:10:07 22 Q. I mean, you don't -- why don't you know?

11:10:12 23 MR. PIERCE: Form.

11:10:15 24 THE WITNESS: I just don't -- I just don't

11:10:26 25 know what I should do.

11:10:35 1 BY MR. HERRERA:

11:10:35 2 Q. Okay. Has the Secretary of State's Office ever
11:10:39 3 given your office a list of information that constitutes
11:10:44 4 evidence that someone is not a U.S. citizen for the
11:10:49 5 purposes of this law?

11:10:52 6 A. What I -- what I do recall is to check the status
11:11:10 7 of a voter -- of a registrant's citizenship due to the --
11:11:18 8 the inquiry in the jur- -- juror's questionnaire where they
11:11:25 9 may have answered "noncitizen" when their actual voter
11:11:39 10 registration, they answered that they were. That, I have
11:11:43 11 come across from the Secretary of State's Office. But the
11:11:51 12 experience of -- of an individual not being a U.S. citizen,
11:12:00 13 I haven't -- I haven't experienced that. I can't recall.

11:12:04 14 Q. Okay. So in -- do you recall an instance where
11:12:09 15 you saw evidence that a registrant for voter registration
11:12:17 16 was not a U.S. citizen?

11:12:23 17 A. Yes. That's something that -- that we have talked
11:12:27 18 about within the staff, yes.

11:12:31 19 Q. Okay. So you -- you've talked about with the
11:12:34 20 staff that you got a -- an application and someone was not
11:12:38 21 a U.S. citizen?

11:12:40 22 A. Correct. That -- yes.

11:12:43 23 Q. Okay. And what was the -- without disclosing the
11:12:48 24 names of anyone, what did you do in that situation or what
11:12:53 25 did your staff do?

11:12:58 1 A. If my memory serves me correctly, I think that --

11:13:03 2 let me rephrase that.
