15:15:51 25 A. I can speak to my experience that since that time,

15:15:54 1 we have not prosecuted any of these, so the anticipated
15:15:59 2 increased workload turned out to be nothing.

15:16:05 3 Q. You testified earlier that you're not aware of the
15:16:10 4 secretary of state ever providing a list of registered
15:16:13 5 voters who had not provided satisfactory proof of
15:16:16 6 citizenship; is that right?

15:16:17 7 A. In terms of it being a complaint under this
15:16:19 8 section, I'm not aware of any recorder or secretary of
15:16:24 9 state complaint that made it to me. It doesn't necessarily
15:16:28 10 mean that a complaint didn't go to Ms. Wright or that a
15:16:32 11 complaint didn't go to investigations, but I'm not aware of
15:16:36 12 any such complaint coming at least in terms of up for
15:16:40 13 criminal prosecution review.

15:16:41 14 Q. Did your office ever respond to the question about
15:16:44 15 the anticipated increase in workload due to HB 2492?

15:16:48 16 A. Before today, I wasn't even aware there was a
15:16:50 17 request, so I cannot speak to whether there was any
15:16:54 18 response.

15:16:57 19 Q. I'm going to hand you what I'll ask to be marked
15:17:06 20 as Exhibit 213 -- 223.

15:17:06 21 (The document was marked as Exhibit 223
15:17:14 22 for identification.)

15:17:14 23 BY MR. DODGE:

15:17:14 24 Q. 223.

15:17:15 25 A. Yes, sir.

15:17:16 1 Q. And this is Number 5 in the Dropbox.

15:17:24 2 A. Yes. This is the Jennifer Wright email I think I
15:17:27 3 was referring to earlier.

15:17:29 4 Q. And looking at the bottom of this document first,
15:17:34 5 you see that this is the same March 9, 2022, email from
15:17:38 6 Ms. Selby to Ms. Gonzalez and Ms. Morgan; right?

15:17:42 7 A. I do believe I see that in there. You are
15:17:47 8 correct.

15:17:47 9 Q. So this is just a different chain stemming from
15:17:49 10 that same email; correct?

15:17:51 11 A. It would appear to be, yes.

15:17:53 12 Q. And looking at the second page of this document,
15:18:04 13 about halfway down, do you see that Ms. Selby sends another
15:18:07 14 email to Ms. Gonzalez and Ms. Morgan on March 21, 2022, at
15:18:12 15 11:36 a.m., in which she writes, "I just wanted to see if
15:18:15 16 you had any check in and see what information you had on
15:18:17 17 the impact HB2492 would have on the AG's office"?

15:18:20 18 Did I get that right?

15:18:21 19 A. I see that there, yes.

15:18:23 20 Q. So fair to say that Ms. Selby had not received a
15:18:29 21 response to her March 9 email as of March 21?

15:18:39 22 MR. LANGHOFER: Foundation.

15:18:40 23 THE WITNESS: I --

15:18:41 24 MR. LANGHOFER: Document speaks --

15:18:43 25 THE WITNESS: I can't speak to that. My

15:18:46 1 answer would be speculative.

15:18:47 2 BY MR. DODGE:

15:18:48 3 Q. Is that a fair inference to draw for any
15:18:51 4 reasonable person reading this email thread?

15:18:53 5 A. I'll go back to the document speaks for itself.

15:18:56 6 Q. No indication in this email that Ms. Morgan --
15:19:02 7 pardon me -- that Ms. Selby had received a response as of
15:19:05 8 March 21st?

15:19:06 9 MR. LANGHOFER: Same objection.

15:19:08 10 THE WITNESS: I can't speak to what response
15:19:10 11 may or may not have happened. I am not aware of any.

15:19:13 12 BY MR. DODGE:

15:19:14 13 Q. At the top of the second page, Ms. Lefevre
15:19:17 14 forwards this email to Mr. Roysden; is that right?

15:19:21 15 A. It does appear to be that that's correct.

15:19:24 16 Q. And then looking at the first page, Mr. Roysden --
15:19:34 17 Mr. Roysden forwards the document to Michael Catlett and
15:19:40 18 Jennifer Wright?

15:19:40 19 A. Correct. That's what it appears to do.

15:19:43 20 Q. And then above that, Ms. Wright offers some
15:19:45 21 thoughts in response to Ms. Selby's questions; right?

15:19:47 22 A. I do see that.

15:19:49 23 Q. And the first section of her response is titled
15:19:54 24 "Databases"; right?

15:19:55 25 A. I do see that.

15:19:57 1 Q. She indicates she's not sure whether the Attorney
15:20:04 2 General's Office has access to the Social Security
15:20:06 3 database; is that right?

15:20:09 4 A. It does say that, correct.

15:20:14 5 Q. She also indicates that the Attorney General's
15:20:18 6 Office lacks access to a public health database; is that
15:20:23 7 right?

15:20:23 8 A. It does say that in the second line there, yes.

15:20:26 9 Q. Do you know what public health database she's
15:20:29 10 referring to there?

15:20:30 11 A. I'm referring back to Exhibit 19, which says, in
15:20:44 12 line 33 of page 7, "a National Association for Public
15:20:53 13 Health Statistics and Information Systems Electronic
15:20:56 14 Verification of Vital Events system. I believe she may
15:20:59 15 have been referring to that."

15:21:01 16 Q. And her response indicates she's not sure if the
15:21:11 17 attorney general has access to that particular database;
15:21:15 18 right?

15:21:15 19 A. That's what it says.

15:21:16 20 Q. And, then, in the last sentence of this portion of
15:21:23 21 her email she says, "Whether or not ERIC information is
15:21:27 22 readily available will depend entirely on who is elected
15:21:32 23 SOS."

15:21:32 24 Did I get that right?

15:21:34 25 A. That is what it says.

15:21:35 1 Q. Do you know what ERIC is?

15:21:37 2 A. Election Registration Information Center.

15:21:46 3 Q. That is correct.

15:21:48 4 A. All right. I need to buy a lottery ticket later.

15:21:51 5 Q. Do you know what it means when Ms. Wright says

15:21:53 6 "access to ERIC information will depend on who is SOS"?

15:21:59 7 A. I may have an idea, but I don't want to speculate

15:22:04 8 as to her exact meaning.

15:22:07 9 Q. Why don't you give me your best guess as you

15:22:10 10 understand it.

15:22:10 11 A. My understanding is that ERIC information is

15:22:13 12 shared on a case-by-case basis with us at the Attorney

15:22:18 13 General's Office, and if they refer something to us, it is

15:22:21 14 their discretion to do so. And if they choose either not

15:22:25 15 to participate in ERIC or not to refer material to us, that

15:22:28 16 would be within the -- the secretary of state's discretion.

15:22:33 17 Q. And she's indicating that whether or not that

15:22:35 18 sharing of information will happen will depend on who the

15:22:39 19 secretary of state is?

15:22:39 20 A. I think she's more concisely saying what I just

15:22:42 21 said.

15:22:43 22 Q. Do you know if Arizona is currently a member of

15:22:46 23 ERIC?

15:22:49 24 A. To my knowledge, yes. But I am not responsible

15:22:57 25 for that sort of determination. That would be a secretary

15:23:00 1 of state function.

15:23:02 2 Q. Are you aware whether there are any efforts in
15:23:03 3 Arizona to remove the state from ERIC?

15:23:08 4 A. In Arizona, no.

15:23:12 5 THE COURT REPORTER: Kory did you object?

15:23:17 6 MR. LANGHOFER: Yes. Scope and relevance.

15:23:17 7 MR. DODGE: Yeah. And, Kory, your last
15:23:17 8 couple objections have been a little hazy on the record,
15:23:17 9 just as an FYI.

15:23:17 10 THE COURT REPORTER: Make sure you completely
15:23:20 11 unmute before you talk.

15:23:20 12 BY MR. DODGE:

15:23:29 13 Q. You recall in the prior exhibit that Ms. Selby
15:23:32 14 asked for an estimate for what it would take the AG's
15:23:35 15 office to complete a report regarding the citizenship
15:23:38 16 status of individuals registered to vote in Arizona but who
15:23:44 17 had not supplied satisfactory proof of citizenship?

15:23:47 18 A. Counselor, you're going to have to tell me which
15:23:49 19 prior exhibit. I've got six of them here.

15:23:52 20 Q. I believe it's Exhibit 222.

15:23:53 21 A. All right.

15:23:57 22 Q. I'm looking at 222, Ms. Selby's email, the first
15:24:06 23 two sentences of it, the largest paragraph.

15:24:09 24 A. Yes.

15:24:10 25 Q. You want take a moment to familiarize with that

15:24:12 1 again?

15:24:12 2 A. You're referring to the question in the third line
15:24:14 3 of that paragraph that begins "HB2492. Does the Attorney
15:24:20 4 General's office have access to the databases?" I'm sorry.
15:24:22 5 The previous question.

15:24:23 6 Q. Exactly.

15:24:23 7 A. "Do you have an estimate for what it would take
15:24:25 8 for -- to complete this report?" That's the question
15:24:29 9 you're asking me?

15:24:32 10 Q. Correct.

15:24:34 11 Do you recall discussing that?

15:24:35 12 A. I have never been involved with discussions
15:24:37 13 regarding that.

15:24:38 14 Q. I mean here today between us. We --

15:24:43 15 Do you recall discussing Exhibit 222?

15:24:45 16 A. Earlier today, yes.

15:24:46 17 Q. You recall I asked some questions about the
15:24:48 18 language you just read from that email?

15:24:49 19 A. I was here, yes.

15:24:50 20 Q. Okay. Returning to Exhibit 223 and looking at the
15:24:54 21 portion of Ms. Wright's email titled "Analysis," she
15:24:57 22 writes, "This bill would give us 151 days (but only 103
15:25:01 23 business days) to conduct the analysis. Based on the
15:25:04 24 latest data from county recorder websites, there are
15:25:06 25 approximately 22,000 federal only voters throughout

15:25:10 1 Arizona. Accordingly, SIS would have to investigate
15:25:13 2 upwards to 214 names each business day. That said, SIS may
15:25:17 3 be able to quickly pare down that number based on
15:25:20 4 electronic database compares, but we should check with
15:25:20 5 SIS."

15:25:24 6 Did I get that correct?

15:25:25 7 A. I do see that.

15:25:26 8 Q. Do you know whether the Attorney General's Office
15:25:30 9 ever did, in fact, investigate the citizenship of
15:25:35 10 federal-only voters in Arizona?

15:25:39 11 A. Can you clarify your question, please?

15:25:41 12 Q. Ms. Wright indicates that there are approximately
15:25:43 13 22,000 federal-only voters throughout Arizona; correct?

15:25:46 14 A. Yes.

15:25:46 15 Q. Does the phrase "federal-only voters" mean
15:25:50 16 anything to you?

15:25:50 17 A. It does.

15:25:51 18 Q. She subsequently says that to review those voters
15:26:02 19 in a 151-day time period, referring to the March deadline
15:26:06 20 to submit a report to the legislature, she says, "SIS would
15:26:11 21 have to investigate upwards to 214 names each business
15:26:15 22 day"; right?

15:26:15 23 A. I see her math, yes.

15:26:17 24 Q. Did the Attorney General's Office, in fact, ever
15:26:20 25 engage in an investigation of those 22,000 federal-only

15:26:25 1 voters to determine their citizenship?

15:26:26 2 A. To my knowledge, no.

15:26:27 3 Q. But as we discussed today, it did produce the
15:26:34 4 report to the legislature referenced by Ms. Selby; correct?

15:26:37 5 A. Yes. I believe counsel seated to my left is the
15:26:40 6 one who signed it.

15:26:41 7 Q. Do you know if Ms. Wright's response here was ever
15:26:45 8 conveyed to Ms. Selby?

15:26:47 9 A. I do not.

15:26:49 10 Q. Did anyone from your office ever discuss the
15:26:53 11 challenged laws with the Secretary of State's Office while
15:26:57 12 the bills were pending before the legislature?

15:27:00 13 A. To my knowledge, no.

15:27:01 14 Q. Did anyone from your office discuss the challenged
15:27:03 15 laws with any third-party organizations while the bills
15:27:06 16 were pending before the legislature?

15:27:08 17 A. To my knowledge, no. Again, to -- I think it's
15:27:11 18 important to caveat, because this is my first time speaking
15:27:14 19 ever as a representative of the organization, and so I want
15:27:16 20 to make sure that my answer is clear, I was not involved in
15:27:21 21 the responses that we've talked about here in terms of
15:27:23 22 Number 223, Number 222. These are all things that are
15:27:27 23 communications between executive staff and, to some extent,
15:27:31 24 Ms. Wright. I was not aware of any of these communications
15:27:35 25 before they were provided to me as exhibits for this

15:27:38 1 deposition.

15:27:40 2 MR. DODGE: Why don't we go off the record
15:27:43 3 and take a short break.

15:27:44 4 THE VIDEOGRAPHER: We're off the record.
15:27:46 5 Time on the video monitor is 3:27 p.m. This ends Media 2.

15:45:05 6 (A recess ensued.)

15:45:05 7 THE VIDEOGRAPHER: We're on the record. Time
15:45:30 8 on the video monitor is 3:45 p.m.

15:45:33 9 MR. DODGE:

15:45:34 10 Q. Mr. Lawson, I'd like to ask you some questions
15:45:37 11 about your office's prosecution of election crimes since
15:45:42 12 2010. Are you prepared to speak to that today?

15:45:44 13 A. I am.

15:45:45 14 Q. There should be -- could you actually hand me the
15:45:50 15 exhibits in front of you.

15:45:51 16 A. I have written my initials on the ones that you
15:45:54 17 handed me.

15:45:54 18 Q. Are there additional exhibits up there?

15:45:56 19 A. No, sir. Each one I've written the number unless
15:46:04 20 it was already written, and I put my initials on it.

15:46:10 21 Q. I'm going to --

15:46:10 22 (An off-the-record discussion ensued.)

15:46:35 23 BY MR. DODGE:

15:46:35 24 Q. I'm going to hand you what has previously been
15:46:38 25 marked as Exhibit 212 and which is in the Dropbox as

15:46:42 1 Number 6.

15:46:45 2 A. Yes, sir.

15:46:46 3 Q. Okay. And can you tell me what this document is?

15:46:55 4 A. I have seen what may be a version of this document

15:46:59 5 before. I'm not sure if I've seen this one, but it is a

15:47:02 6 response to a set of interrogatories apparently served on

15:47:05 7 this agency.

15:47:07 8 Q. And did you review this document in preparation

15:47:09 9 for your deposition today?

15:47:10 10 A. I reviewed what may be a version of this document.

15:47:13 11 I'm not sure if I reviewed this exact one.

15:47:17 12 Q. Could you turn to page 7 --

15:47:21 13 A. Yes, sir.

15:47:21 14 Q. -- of this document.

15:47:24 15 Actually, why don't you start by looking at

15:47:33 16 page 4 and reviewing Interrogatory Number 1.

15:47:41 17 A. Page 4. Yes, sir.

15:47:56 18 Q. Okay. And you see that in your office's response

15:47:59 19 to Interrogatory Number 1, you've broken up the response in

15:48:03 20 subparts?

15:48:03 21 A. I do see that that was counsel's way of addressing

15:48:06 22 it, yes.

15:48:07 23 Q. And turning to page 5, could you review Subpart 2

15:48:23 24 as well as your response to that subpart.

15:48:28 25 A. I see the response which begins on page 5 and

15:48:34 1 carries over to page 6.

15:48:37 2 Q. And, in fact, carries on a little further on
15:48:39 3 page 7 as well; right?

15:48:40 4 A. You are correct.

15:48:41 5 Q. Subpart 2, as characterized by your office, is
15:48:48 6 "Identify all evidence that supports the contention that
15:48:51 7 the challenged laws further the interests identified above,
15:48:53 8 including any evidence of voter fraud committed by
15:48:56 9 noncitizens in Arizona since January 1, 2016."

15:48:59 10 Did I get that right?

15:49:01 11 A. I see that, yes.

15:49:02 12 Q. Okay. And turning to the top of page 7 and
15:49:07 13 looking at line 1, your response states here "The Attorney
15:49:12 14 General's Office also prosecutes some crimes related to
15:49:14 15 voting in elections. A list of such prosecutions, as of
15:49:18 16 April 2023, has been produced as AG000349. This list does
15:49:25 17 not include prosecutions by other enforcing authorities,
15:49:27 18 such as county attorneys."

15:49:30 19 Did I get correct?

15:49:31 20 A. That is what the document says.

15:49:35 21 Q. I'm going to hand you what I will asked to be
15:49:38 22 marked as Exhibit 224.

15:49:38 23 (The document was marked as Exhibit 224
15:49:46 24 for identification.)

15:49:46 25 BY MR. DODGE:

15:49:46 1 Q. Can you tell me what this document is?

15:49:49 2 A. I will know it based on the last page which, if it

15:49:55 3 is what I think it is -- yes, it is a version of the

15:49:57 4 document. So if I could direct you to page 8, you'll see

15:50:03 5 that document number that begins 499. That is the document

15:50:07 6 that I have essentially continuously maintained back to the

15:50:10 7 previous decade-plus. This is Version 23 of that document

15:50:14 8 as of April 4 of 2023.

15:50:18 9 This is the -- what we referred to earlier as

15:50:20 10 the document which for a while I was no longer maintaining

15:50:23 11 when it was in a public form. This is a document -- I

15:50:27 12 maintained this version. So yes, I am familiar with this

15:50:30 13 document.

15:50:30 14 Q. Okay. And I'll note for the record that this is

15:50:32 15 Number 24 in the Dropbox.

15:50:37 16 As you just indicated, this is a more

15:50:38 17 up-to-date version of a list of prosecutions we were

15:50:41 18 discussing earlier; correct?

15:50:42 19 A. That is correct.

15:50:43 20 Q. Based on page 8, it appears this is recent as of

15:50:46 21 April 4th, 2023?

15:50:48 22 A. That's correct.

15:50:48 23 Q. Is this the most recent version of this document?

15:50:50 24 A. I believe I have not done an update since then,

15:50:53 25 although I've been asked to do so. I've been busy doing

15:50:55 1 other things.

15:50:56 2 Q. You -- you have not updated this document because

15:51:02 3 of other duties associated with your job and not because of

15:51:05 4 this litigation?

15:51:05 5 A. That's correct.

15:51:06 6 Q. And the version of this document we're looking at

15:51:13 7 is one that you, yourself, have prepared; correct?

15:51:17 8 A. As of April 4, everything on this document is

15:51:21 9 accurate. Several things on this document have changed

15:51:25 10 since it was prepared. And I'm familiar with a few of

15:51:28 11 those as we're sitting here today, because I knew you would

15:51:31 12 be asking about some of them.

15:51:33 13 But I cannot -- like, for example, there are

15:51:35 14 certain statistics and numbers in here that have

15:51:37 15 undoubtedly changed. And do I have the current

15:51:40 16 information? No. What I can tell you is that this

15:51:42 17 document was accurate as of April 4.

15:51:45 18 Q. You testified earlier that under Attorney General

15:51:53 19 Brnovich, communications staff would sometimes edit this

15:51:55 20 document without consulting you?

15:51:57 21 A. Correct.

15:51:58 22 Q. Does this version of the document contain any

15:52:01 23 edits or language or verbiage that was not approved of by

15:52:06 24 you?

15:52:14 25 A. I do not think so. I think essentially I was

15:52:21 1 given free reign to rewrite this document and I
15:52:26 2 restructured it, if you can tell, so that I thought it
15:52:30 3 better addressed some of the questions that we had. So I
15:52:34 4 believe everything in here I would be comfortable saying I
15:52:38 5 authored, or if I wasn't the author, it's something that
15:52:41 6 I'm comfortable adopting as an accurate statement of those
15:52:44 7 cases.

15:52:46 8 Q. And this document covers prosecutions from 2010
15:52:49 9 through April 4th, 2023; correct?

15:52:50 10 A. The 2010 election cycle. You'll see the first
15:52:54 11 cases are from 2011, but they arise from the 2010 election.

15:52:58 12 Q. And setting aside nonpublic records that your
15:53:02 13 office is not able to disclose, is this document a complete
15:53:09 14 list of election-related prosecutions since the 2010
15:53:12 15 election cycle?

15:53:13 16 A. It is, as of April 4. And I notice -- for
15:53:23 17 example, you'll note on page 5 there's a reference to the
15:53:26 18 Proodian case at the bottom. That is a case that was
15:53:29 19 dismissed.

15:53:30 20 The previous iterations that were maintained
15:53:32 21 by the Brnovich administration omitted the reference to
15:53:35 22 this case, but I included it because I believe it's fair to
15:53:38 23 say that we pursued a case but that we dismissed the case.

15:53:45 24 Q. I just want to make sure I have an answer to my
15:53:49 25 question.

15:53:49 1 But you agree that this list is complete as

15:53:51 2 of April 4th, 2023, excepting any nonpublic information?

15:53:55 3 A. Correct.

15:53:58 4 Q. What records do you use to compile and maintain

15:54:02 5 this document?

15:54:04 6 A. You're basically looking at it. This is -- and I

15:54:09 7 will speak to the process and -- we don't have a good

15:54:14 8 agency database or case tracking system. And I was getting

15:54:18 9 repeated inquiries from members of the media that were

15:54:21 10 being directed to my supervisor and me saying, "Can you

15:54:24 11 please provide us with what you have done?"

15:54:27 12 And so in response, I began preparing this

15:54:31 13 document and keeping track of it so that I would have a

15:54:36 14 canned response when we would get repeated inquiries. And

15:54:39 15 we did get -- for over a decade, I've gotten repeated

15:54:44 16 inquiries for this exact information. And so when we would

15:54:48 17 get those requests, we would update the document and then

15:54:52 18 provide it to people. And then we started doing periodic

15:54:55 19 updates to the document, and the last of those was in April

15:54:58 20 of this year.

15:55:02 21 Does that answer your question?

15:55:03 22 Q. It does.

15:55:06 23 A. This is a reactive document that I maintain

15:55:09 24 myself.

15:55:10 25 Q. If others in your office become aware of

15:55:12 1 election-related prosecutions, do they know to refer those
15:55:17 2 prosecutions to you so they can be included on this list?

15:55:20 3 A. Generally, yes. And if there were other cases
15:55:25 4 that were public that I was aware of, I would include them
15:55:28 5 here. But I believe I'm the prosecutor for all of these
15:55:32 6 cases.

15:55:33 7 And again, there's one case that I'm aware of
15:55:35 8 that was -- is being pursued by our Tucson office that is
15:55:40 9 not listed here, but it's not public. So that is why it
15:55:44 10 wouldn't be listed here.

15:55:45 11 Q. Can you read aloud the title of Section A at the
15:55:48 12 top of this document?

15:55:49 13 A. These are "Prosecutions Related to Illegal Voting
15:55:52 14 By Individuals Since 2010."

15:55:54 15 Q. And I know you're familiar with the section, but
15:55:57 16 can you take just a moment to review it?

15:56:01 17 A. Sure. What would you like to know?

15:56:04 18 Q. You would agree that Section A indicates that
15:56:08 19 there have been 38 prosecutions of illegal voting in
15:56:12 20 Arizona since the 2010 election; right?

15:56:13 21 A. That is accurate as of April 4. I believe that is
15:56:17 22 correct, with the caveat there -- below there of there was
15:56:21 23 the additional case of Ms. Hannah that was overturned by
15:56:24 24 the court of appeals and Mr. Proodian, who was dismissed.

15:56:28 25 Q. So including those two cases that did not

15:56:31 1 ultimately result in convictions, there have been 40

15:56:33 2 prosecutions?

15:56:34 3 A. 40 matters filed unsealed and at least proceeded

15:56:37 4 to arraignment, yes.

15:56:38 5 Q. How many elections have been held in Arizona since
15:56:41 6 the 2010 election cycle?

15:56:43 7 A. Counting special elections or --

15:56:45 8 Q. Any election.

15:56:47 9 A. Could I say dozens?

15:56:49 10 Q. You can.

15:56:49 11 A. I would say dozens.

15:56:51 12 Q. How many ballots have been cast in Arizona since
15:56:56 13 the 2010 election cycle?

15:56:58 14 A. Undoubtedly, millions.

15:57:02 15 Q. Fair to say over 10 million?

15:57:06 16 A. I would not dispute that number if you have a
15:57:08 17 basis for it, Counsel.

15:57:11 18 Q. Do any of the cases listed in Section A involve
15:57:17 19 illegal registration or voting by a noncitizen?

15:57:20 20 A. By a noncitizen, no.

15:57:23 21 Q. Is it fair to say that many of these -- I think
15:57:28 22 you testified to this earlier -- appear to reflect
15:57:31 23 instances of double voting by persons in Arizona and in
15:57:34 24 another state or within multiple counties within Arizona?

15:57:38 25 A. Could I answer the question by saying -- I would

15:57:41 1 refer you back to the title, which says, "Prosecutions
15:57:44 2 Related to Illegal Voting." That's actually a reference to
15:57:49 3 the illegal voting statute, which is 16-1016.

15:57:53 4 There are a number of ways you can violate
15:57:55 5 that statute, which include double voting and also voting
15:57:58 6 more than once either -- and voting when you are not
15:58:02 7 eligible to vote. So this list includes -- is primarily
15:58:07 8 double voting. And you can see that in terms of the
15:58:09 9 notations on the cases. But is it exclusively double
15:58:13 10 voting? It is not.

15:58:17 11 I hope that addresses your question.

15:58:18 12 Q. So it's a large number of double voting, but it's
15:58:20 13 not exclusively instances of double voting?

15:58:22 14 A. Correct.

15:58:23 15 Q. Casting multiple ballots was already illegal in
15:58:27 16 Arizona prior to the enactment of HB 2492 and 2243;
15:58:31 17 correct?

15:58:31 18 A. I believe the statute dates backs to the '70s,
15:58:34 19 yes.

15:58:35 20 Q. And the challenged laws at issue in this
15:58:38 21 litigation do not concern double voting; correct?

15:58:40 22 A. I'm not aware that they do.

15:58:42 23 Q. A handful of the cases in Section A also appear to
15:58:47 24 concern illegally registering to vote with a felony
15:58:49 25 conviction without rights restored?

15:58:51 1 A. Correct.

15:58:52 2 Q. A couple also appear to concern voting under the
15:58:56 3 name of a deceased person?

15:58:57 4 A. Correct. Those are the primary ways that
15:59:01 5 violations of 16-1016 have occurred in our caseload.

15:59:05 6 Q. But none concern voting by noncitizens; correct?

15:59:08 7 A. I am not aware of one that is public.

15:59:14 8 Q. Is there any indication in this document that
15:59:17 9 those who double voted were not residents of Arizona or the
15:59:21 10 county they voted in at the time they registered to vote?

15:59:24 11 A. So I had -- I have to answer this question in a
15:59:31 12 slightly different manner than it's phrased. And I want to
15:59:34 13 make sure that you understand why.

15:59:39 14 The statute that we prosecute under talks
15:59:42 15 about whether a person votes on the same day in two
15:59:47 16 different states, which is something that you legally
15:59:51 17 cannot do, because you can only be a resident of one state
15:59:54 18 at a time. And we do not make the determination in terms
15:59:58 19 of criminal pursuit which state you are a resident of.

16:00:03 20 And so could I say that, for example, any
16:00:08 21 given case on this -- like, for example Mr. Sack, who is
16:00:15 22 Number 20, he illegally voted in the state of Colorado and
16:00:18 23 the state of Arizona in 2012. Could I say that Mr. Sack
16:00:22 24 had no valid claim to Arizona residency or had no valid
16:00:25 25 claim to Colorado residency? That was not an issue that we

16:00:29 1 got to the bottom of because our statute only required us
16:00:32 2 to prove that he voted in both states on the same day.

16:00:35 3 Q. I understand your testimony to be that your office
16:00:39 4 does not make a determination of where a person is actually
16:00:42 5 a resident at the time they -- they double vote?

16:00:47 6 A. And that is because it's not required under the
16:00:50 7 statute and there's -- the statute that determines
16:00:55 8 residency is somewhat ill-defined in terms of excluding a
16:01:02 9 place. You are allowed to have an intent to remain in a
16:01:08 10 place with a tie to residency there in order to qualify,
16:01:11 11 and it's a fairly easy standard that someone could qualify
16:01:14 12 in more than one state at one time.

16:01:16 13 Q. I appreciate your response.

16:01:19 14 My original question is slightly different,
16:01:22 15 which is that rather than focusing on the time of casting
16:01:25 16 the ballots, I'm curious about the time an individual
16:01:29 17 registers to vote prior to that.

16:01:29 18 A. Sure.

16:01:32 19 Q. In a double-voting case, does your office make any
16:01:35 20 determination about whether or not a person was a resident
16:01:38 21 at the time they registered to vote?

16:01:42 22 A. Residency, for purposes of these cases -- and I'll
16:01:46 23 speak in general terms -- is something that is claimed
16:01:51 24 through a voter registration document, and a person would
16:01:53 25 make an avowal that they were a resident on that day.

16:01:57 1 The fact pattern that we look for in
16:01:59 2 double-voting cases essentially is a timeline where a
16:02:03 3 person registers in one state, registers in another, votes
16:02:06 4 in either state, and then votes in either state so that
16:02:11 5 they are acting on both registrations at the same time and
16:02:15 6 when there is a single election day for those two votes.
16:02:19 7 And the -- essentially it's perjury by inconsistent
16:02:23 8 statement. You cannot be a resident of two places at once.
16:02:27 9 And 16-101 says that. And so one of those declarations is
16:02:33 10 false, and we don't know which. And for purposes of our
16:02:36 11 statute, we aren't required to prove which.

16:02:40 12 Does that -- does that make sense? I'm not
16:02:41 13 trying to duck your question. What I'm saying is the
16:02:44 14 standard for residency is so loose that the legislature has
16:02:50 15 given us a statute where we are not required to prove it in
16:02:53 16 order to make our criminal case.

16:02:55 17 Q. Is it fair to say that a double-voting
16:02:57 18 investigation or prosecution -- is it focused on the time
16:03:03 19 the ballots are cast?

16:03:04 20 A. We do primarily focus on double voting in a same
16:03:09 21 election on the same election day, yes.

16:03:11 22 Q. And regardless of whether or not it's necessary
16:03:13 23 for a prosecution, as a matter of fact, your office does
16:03:17 24 not actually determine whether or not a registration form
16:03:24 25 or avowal is accurate at the time it is made?

16:03:27 1 A. Because it's such a subjective standard, we will
16:03:32 2 take essentially the statement on the form as
16:03:37 3 authoritative, but what we look for are people acting on
16:03:40 4 more than one registration on the same election day, which
16:03:44 5 is legally impermissible.

16:03:44 6 Q. And that acting is subsequent to the act of
16:03:44 7 registration?

16:03:48 8 A. Correct.

16:03:50 9 Q. So further regulations regarding the time of
16:03:52 10 registration would not be likely to bear on that
16:03:54 11 investigation on what a person subsequently did?

16:03:59 12 MR. WHITAKER: Foundation.

16:04:03 13 THE WITNESS: It's a hypothetical I have not
16:04:05 14 considered, but generally, we are not investigating illegal
16:04:13 15 registration complaints because the registration standard
16:04:19 16 is generally "this is where I am, and this is where I
16:04:23 17 intend to remain." And it is a very subjective standard
16:04:27 18 that is very difficult to disprove.

16:04:31 19 Not in this context, but I have had
16:04:33 20 hypothetical, you know, cases brought to us for review over
16:04:36 21 the years where making a determination of residency -- for
16:04:42 22 example, Representative Epstein's family member, who, by
16:04:47 23 allegation, appears to spend the bulk of his time in New
16:04:51 24 York City but his intent to remain is in Tempe, and that's
16:04:54 25 where he's registered to vote, he's allowed to do that.

16:04:57 1 And so what we look for, hypothetically,
16:05:02 2 would be if Representative Epstein's son also registered to
16:05:06 3 vote in New York and then voted in both places at the same
16:05:10 4 time. That would be a crime that we would review. The
16:05:13 5 idea that he was registered in Arizona but living in New
16:05:17 6 York is not something that we would be prepared to pursue
16:05:20 7 as a criminal charge.

16:05:22 8 Q. You mentioned that because -- because residency is
16:05:26 9 such a matter of subjective intent, your office tends not
16:05:29 10 to pursue illegal registration cases; is that right?

16:05:31 11 A. Correct.

16:05:32 12 Q. In fact, in Section A of this exhibit, none of
16:05:36 13 these cases involved convictions for illegal registration
16:05:41 14 as a nonresident; correct?

16:05:44 15 A. Let me review them very briefly.

16:06:18 16 So there is a group of people towards the end
16:06:22 17 of this list -- Mr. Clark, Number 26; Ms. Smith, Number 27;
16:06:29 18 Mr. Nelson, Number 28 -- who were convicted felons who
16:06:36 19 should not have registered to vote, but then they also
16:06:38 20 illegally voted. My recollection as I sit here is that I
16:06:41 21 did not have them enter guilty pleas to 16-182 offenses,
16:06:48 22 but they may have been charged with those violations as
16:06:51 23 being not able to register to vote as not eligible, but
16:06:55 24 they would be U.S. citizens.

16:06:58 25 So sometimes that charge did -- was charged,

16:07:01 1 and it may have been a charge that we enter -- had somebody
16:07:04 2 enter a guilty plea to as part of a plea resolution, but I
16:07:12 3 cannot think of any offhand where that was the case.

16:07:14 4 Q. So your best awareness, then, the only cases in
16:07:17 5 Section A that even plausibly, as a factual matter,
16:07:22 6 involved situations where someone illegally registered, it
16:07:25 7 was due to their status as a convicted felony rather than
16:07:28 8 anything to do with their residency; is that right?

16:07:30 9 A. Yes. It's because, as a criminal prosecutor, it's
16:07:33 10 readily provable to prove that someone does not have legal
16:07:37 11 status to register to vote as a -- as -- because they're
16:07:41 12 not eligible as opposed to a very subjective "this is where
16:07:45 13 I intend to be a resident."

16:07:46 14 MR. WHITAKER: Foundation as to that last
16:07:48 15 question.

16:07:49 16 BY MR. DODGE:

16:07:49 17 Q. Looking at page 5 of this document, the additional
16:07:53 18 note section, which we've already looked at a little bit.

16:07:56 19 A. Yes, sir.

16:07:56 20 Q. I'd like to ask you questions about the first
16:07:58 21 bullet --

16:07:59 22 A. Yes.

16:07:59 23 Q. -- which says, "Four additional cases have been
16:08:02 24 charged and are sealed pending the arrest of defendants."

16:08:04 25 A. Yes.

16:08:05 1 Q. Can you tell me anything about the status of those
16:08:06 2 four cases?

16:08:07 3 A. One has since been arrested and is now public,
16:08:12 4 although I haven't updated this document to list that case.
16:08:16 5 It's in Pima County Superior Court. The last name on it is
16:08:21 6 Verdugo.

16:08:23 7 One of the three that remains is a noncitizen
16:08:27 8 case that I thought you -- that we've talked about and
16:08:31 9 apparently is referenced in some of the documents that were
16:08:33 10 turned over.

16:08:34 11 And then I'm aware of another case that
16:08:37 12 involves a noncitizen. Those are both sealed pending
16:08:42 13 service.

16:08:43 14 So that's -- that is -- what that bullet
16:08:47 15 point is referring to is matters that are sealed pending
16:08:48 16 service. Ms. Verdugo has now been served, so I can talk
16:08:51 17 about her, but the other parties I cannot.

16:08:53 18 Q. So to be clear, your testimony here is that the
16:08:56 19 two of these four additional cases involve allegations of a
16:08:59 20 noncitizen registering or voting?

16:09:01 21 A. I'm aware of two. At this time, when I was
16:09:03 22 counting four in April, I'm not sure I was aware of the
16:09:06 23 other ones. So I think accurate -- it may have been
16:09:08 24 accurate to say there was a fifth one that I wasn't aware
16:09:11 25 of at the time. But of the four that I was referring to on

16:09:14 1 April 4, one has been arrested and has been served and is
16:09:20 2 now public, but the other three are not.

16:09:23 3 Q. So referring specifically to the allegation of a
16:09:28 4 noncitizen registering or voting that you are aware of at
16:09:32 5 the time, is there any additional information you can
16:09:36 6 provide about the status of this case at this time?

16:09:39 7 A. As to the status, the case has been presented to a
16:09:45 8 grand jury. There has been a warrant issued for the
16:09:50 9 defendant's arrest. And beyond that, I can't comment.

16:09:53 10 Q. Presumably, no conviction has yet been obtained in
16:10:00 11 that case?

16:10:00 12 A. That is accurate.

16:10:00 13 Q. And your office isn't able to provide any further
16:10:07 14 details on that case; correct?

16:10:08 15 A. I can speak in broad outlines. This is -- my
16:10:11 16 concern here is the limits of ER 3.8 which talk about my
16:10:16 17 ability to comment on things without holding someone up to
16:10:20 18 public scorn. I'm concerned about commenting on somebody
16:10:23 19 who hasn't been served with their warrant.

16:10:26 20 I am prepared to speak in broad outlines
16:10:29 21 about what the allegations were in that case, because I
16:10:32 22 think they may be pertinent to you, without compromising
16:10:35 23 the secrecy of that case.

16:10:37 24 Q. Why don't you provide me those details to the
16:10:39 25 extent you feel able.

16:10:40 1 MR. WHITAKER: And I'm going to just -- I'm
16:10:41 2 going to designate this part of the deposition
16:10:45 3 confidential, for counsels' eyes only -- well,
16:10:50 4 confidential. That may not resolve your concerns, but that
16:10:53 5 at least provides some -- some protections.

16:10:57 6 THE WITNESS: And I guess to the extent that
16:10:58 7 I'm speaking to a record here, the concerns that I have are
16:11:04 8 based on ER 3.8 and also A.R.S. 13-2812, which talk about
16:11:08 9 confidentiality of grand jury proceedings. I'm going to
16:11:12 10 attempt to accommodate your questions without compromising
16:11:15 11 the secrecy of these matters.

16:11:18 12 The two cases that I'm aware of, one which I
16:11:21 13 handled, and the other was handled by a separate attorney
16:11:24 14 general in Tucson -- the case I handled involved an
16:11:29 15 individual who was apprehended by local police in a
16:11:36 16 jurisdiction in southern Arizona. That individual
16:11:40 17 indicated that he was a noncitizen and asked to be turned
16:11:44 18 over to ICE for removal.

16:11:48 19 At the time he was searched, they found a
16:11:51 20 voter registration card on his person. And ICE contacted
16:11:55 21 our agency and referred the matter for further
16:11:58 22 investigation.

16:12:00 23 When his photo registration records and his
16:12:02 24 voting records were researched, it was determined that he
16:12:07 25 had voted in numerous elections under an identity that he

16:12:12 1 had assumed many years prior when he entered the United
16:12:18 2 States and that he had continued to vote under that until
16:12:24 3 he had a falling out with the people who had provided him
16:12:28 4 with that information.

16:12:30 5 And then they had sought to get him
16:12:35 6 criminally charged for something else. And when he was
16:12:37 7 arrested on that charge, he decided to own up to his true
16:12:41 8 identity and asked for removal. And in the course of that,
16:12:45 9 his past conduct came to light.

16:12:48 10 And I -- I have tried to sanitize that best I
16:12:52 11 can without providing any specifics about the individual,
16:12:56 12 but at the same time, I'm trying to cooperate with your
16:12:58 13 question.

16:12:58 14 BY MR. DODGE:

16:12:58 15 Q. Are you able to state how long the individual
16:13:04 16 lived under that false identity?

16:13:06 17 A. To do so accurately would be difficult. I believe
16:13:11 18 it was at least five election cycles, so over a decade.

16:13:17 19 Q. Do you think it's fair to say that this ability --
16:13:21 20 this individual's ability to assume a false identity for
16:13:23 21 that long was a very elaborate act of deception?

16:13:29 22 A. I think, actually, in the grand scheme of things,
16:13:32 23 it may have been fairly simple --

16:13:34 24 MR. LANGHOFER: Form.

16:13:35 25 THE WITNESS: -- in that he was provided an

16:13:38 1 identity by people who had a child die young and that the
16:13:44 2 family had not -- somehow the death had not been recorded
16:13:48 3 through some -- either the death occurred in Mexico or
16:13:51 4 outside the jurisdiction. There was nothing that turned
16:13:55 5 off that record, and so they passed it to this individual
16:14:01 6 with -- you know, essentially, consensually, and he entered
16:14:05 7 as if he was the person who had died and lived under that
16:14:09 8 person's name for a lengthy period of time.

16:14:12 9 BY MR. DODGE:

16:14:13 10 Q. Are you aware --

16:14:13 11 A. Do you have any other questions about that one?

16:14:16 12 Because I can --

16:14:16 13 Q. Maybe just one.

16:14:17 14 Are you aware, in your experience as a law
16:14:21 15 enforcement individual, of any other persons assuming the
16:14:25 16 identity of a deceased person like that regardless of
16:14:34 17 whether they voted?

16:14:34 18 A. I'm not a big True Crime fan, so I -- I can't say
16:14:37 19 that I watch a lot of TV about those sorts of cases, but I
16:14:41 20 assume it is possible to do that in terms of if you come
16:14:48 21 in --

16:14:49 22 Q. You're not -- I'm asking about your knowledge.

16:14:51 23 You're not familiar of any other instance of
16:14:54 24 someone doing that in the state of Arizona during the time
16:14:56 25 you've been at the Attorney General's Office?

16:14:58 1 A. I prosecuted -- I had a caseload of identity theft
16:15:02 2 before I came over this. I'm aware of several people who
16:15:06 3 stole identities and used them for lengthy periods of time.
16:15:09 4 And so this does not -- is not out of the question in terms
16:15:12 5 of --

16:15:12 6 Q. My question is specific.

16:15:14 7 Are you aware of any other instances during
16:15:15 8 your time at the Attorney General's Office of a person
16:15:19 9 living under an assumed identity based on someone's death
16:15:24 10 occurring and not being recorded by the relevant
16:15:26 11 authorities in Arizona?

16:15:28 12 A. Offhand, that specific set of circumstances, I'm
16:15:32 13 not. Other than the -- the other case that we're aware of
16:15:37 14 where there's a similar allegation where an individual was
16:15:43 15 investigated federally, they made a determination that
16:15:46 16 there was a substantial amount of AHCCCS benefits that had
16:15:50 17 been paid to that person, who was a noncitizen, as
16:15:54 18 determined in the federal case.

16:15:55 19 They -- that person was turned over to AHCCCS
16:15:58 20 for an investigation, and AHCCCS uncovered a voter
16:16:05 21 registration component to that individual. And then the
16:16:10 22 case -- the second case that I only recently learned of was
16:16:13 23 filed based upon that. It's primarily an AHCCCS fraud
16:16:17 24 prosecution, but there is a charge involving illegal voting
16:16:21 25 and registration that is part of that case. That's the

16:16:29 1 second matter.

16:16:29 2 Q. Okay. I'd like to introduce an exhibit that,
16:16:33 3 unfortunately, did not make it into my box. It's Number 39
16:16:36 4 in the Dropbox. I'm going to try pulling it up on the Zoom
16:16:39 5 again with share screen.

16:16:41 6 MS. DODGE: If you could admit me to the Zoom
16:16:42 7 room, Madam Court Reporter.

16:16:46 8 THE WITNESS: There is somebody sitting in
16:16:48 9 your waiting room, by the way.

16:16:49 10 MR. DODGE: It's probably me.

16:16:50 11 THE WITNESS: Oh, it is you.

16:17:19 12 MR. DODGE: False alarm, everyone. We do
16:17:21 13 have it printed out.

16:17:21 14 BY MR. DODGE:

16:17:22 15 Q. I'm going to hand you what I'll ask to be marked
16:17:25 16 as Exhibit 225, which is in the Dropbox as 6A.

17 (The document was marked as Exhibit 225
18 for identification.)

19 BY MR. DODGE:

20 Q. Are you familiar with this document?

21 A. Yes.

16:17:51 22 Q. Did you assist in your office's response to this
16:17:57 23 document?

16:17:57 24 A. I believe I did.

16:17:59 25 Q. Okay. Could you turn to the second page and

16:18:01 1 briefly review Interrogatory Number 1.

16:18:04 2 A. Yes, sir.

16:18:29 3 Q. Okay. And, then, your supplemental response to

16:18:32 4 Subpart 2 reads, "The office is aware of two cases

16:18:34 5 involving a charge of voting by a non-citizen. In both

16:18:36 6 cases, the non-citizen used the identity of another

16:18:39 7 individual to vote. Because both cases are sealed, the

16:18:42 8 Attorney General's Office refrains from saying anything

16:18:43 9 more about these cases at this time."

16:18:45 10 Did I read that correctly?

16:18:47 11 A. You are reading that correctly.

16:18:49 12 Q. You have alluded to these two cases already in

16:18:52 13 your testimony today; correct?

16:18:53 14 A. Yeah. My interest here today was to provide you

16:18:56 15 some more information beyond what this limited response

16:18:59 16 says.

16:19:00 17 Q. Setting aside the two cases you've alluded to

16:19:03 18 today in your testimony, are you aware of any other pending

16:19:08 19 investigations or prosecutions in Arizona involving a

16:19:12 20 charge of illegal registration or voting by a noncitizen?

16:19:15 21 A. By the Attorney General's Office?

16:19:16 22 Q. Yes.

16:19:17 23 A. I am not.

16:19:17 24 Q. And the two pending cases you are aware of have

16:19:24 25 not yet resulted in convictions?

16:19:25 1 A. They have not. Both are currently on warrant
16:19:29 2 status and they're not public.

16:19:30 3 Q. And you have no knowledge of if or when those
16:19:37 4 cases will go to trial; correct?

16:19:38 5 A. They cannot proceed to trial until the individuals
16:19:41 6 are located.

16:19:42 7 Q. So they may never proceed to trial?

16:19:44 8 A. They may not.

16:19:45 9 Q. They may never result in convictions?

16:19:47 10 A. Correct. If the individuals are never located.

16:19:53 11 Q. They could also result in -- not result in
16:19:56 12 convictions even if they were located?

16:19:58 13 A. True.

16:20:00 14 Q. Can you tell me which units at the Attorney
16:20:08 15 General's Office are overseeing these two cases?

16:20:10 16 A. My -- one is assigned to me. So I am assigned to
16:20:15 17 the Fraud & Special Prosecution Section of the Criminal
16:20:18 18 Division.

16:20:18 19 The other is SAWCCE, which is the southern
16:20:23 20 Arizona white collar -- what are those two Es for? --
16:20:27 21 enforcement -- I'm not good at government bureaucracy
16:20:33 22 alphabetical soup, but it's the -- our Tucson unit --
16:20:39 23 southern Arizona white collar enforcement.

16:20:39 24 Q. Is there a reason that unit of your office is
16:20:43 25 handling that prosecution instead of you?

16:20:46 1 A. It comes from the origination of the case. That
16:20:48 2 case originated as an AHCCCS fraud complaint, and that was
16:20:53 3 the driving force behind that case. The election issue was
16:20:58 4 secondary. That's why it wasn't assigned to me. And I
16:21:02 5 didn't even learn of it until we started preparing for
16:21:05 6 this.

16:21:06 7 MR. WHITAKER: Can you spell "AHCCCS" for the
16:21:08 8 court reporter?

16:21:08 9 THE WITNESS: Oh, yes. Okay. She's got it.

16:21:13 10 MR. WHITAKER: Okay.

16:21:13 11 BY MR. DODGE:

16:21:14 12 Q. Returning to Exhibit 212.

16:21:18 13 A. Yes, sir.

16:21:19 14 Q. And specifically to your response to Interrogatory
16:21:25 15 Number 3, at the bottom of page 16, could you just take a
16:21:32 16 moment to review Interrogatory Number 3.

16:21:57 17 A. Yes. And this is what I discussed earlier, that
16:22:00 18 at the time I prepared the April 2023 thing, I was only
16:22:07 19 aware of one matter, and that was what this answer related
16:22:12 20 to. I think we revised that to say there were two. So I'm
16:22:15 21 familiar with this.

16:22:17 22 Q. Setting aside the two matters you referred to,
16:22:21 23 does your office's response to Interrogatory Number 3
16:22:24 24 anywhere identify a noncitizen convicted for registering to
16:22:30 25 vote or casting a ballot in Arizona since 2016?

16:22:34 1 A. It does not.

16:22:35 2 Q. So is it fair to say that your office has not
16:22:38 3 convicted a single individual registering to vote or
16:22:41 4 casting a ballot as a noncitizen since 2016?

16:22:44 5 A. I believe that is a fair statement.

16:22:47 6 Q. Are you aware of whether your office has convicted
16:22:55 7 an individual of registering to vote or casting a ballot as
16:22:58 8 a noncitizen since you joined the Attorney General's
16:23:05 9 Office?

16:23:05 10 A. That's difficult to say, because I joined the
16:23:14 11 Attorney General's Office over 20 years ago, and I did not
16:23:17 12 become responsible for this caseload until 2010.

16:23:20 13 Q. Okay. So since -- same question but since 2010.

16:23:24 14 A. Since I became assigned to it -- and again, as we
16:23:27 15 discovered with the case that's being prosecuted out of
16:23:30 16 Tucson, if voting was a secondary charge on an indictment
16:23:35 17 that led with an AHCCCS fraud charge or a -- a fraud, it's
16:23:40 18 possible there may have been a conviction there that
16:23:43 19 another attorney did that I'm not aware of, but
16:23:46 20 specifically as to things that I am aware of, no, I'm not
16:23:50 21 aware of any other noncitizen cases from 2010 onward.

16:23:57 22 Q. And is there any individual in the Attorney
16:24:00 23 General's Office who more familiar -- who would be more
16:24:04 24 familiar with a case concerning a prosecution concerning
16:24:11 25 illegal voting over that time period?

16:24:13 1 A. I don't believe so, but I only know what I know.

16:24:17 2 Q. So sitting here today as the most knowledgeable
16:24:20 3 person in the Attorney General's Office regarding
16:24:22 4 prosecutions for illegal voting, you agree you are not able
16:24:25 5 to identify a single conviction since 2010 of an individual
16:24:29 6 for registering to vote or casting a ballot as a
16:24:32 7 noncitizen?

16:24:33 8 A. I am not aware of any such matters, according to
16:24:38 9 what you're saying there.

16:24:42 10 Q. How many investigations has your office conducted
16:24:46 11 into election crimes by voters since 2010?

16:24:51 12 A. So I need to caveat my answer because I sit as
16:24:59 13 prosecutor, and so only matters that are referred to me are
16:25:03 14 matters that have -- a certain level of investigation has
16:25:07 15 been done of complaints and they've been determined to be
16:25:09 16 merit worthy of prosecution. I would say that number is
16:25:14 17 somewhere in the 2- to 300 range.

16:25:19 18 In terms of number of investigations that
16:25:23 19 have been conducted, I would assume it's slightly larger
16:25:27 20 than that. In terms of the number of complaints we
16:25:30 21 received, it's an order of magnitude bigger than that.

16:25:33 22 Q. Thousands of complaints?

16:25:36 23 A. Just from 2020 alone.

16:25:41 24 Q. And how many convictions has your office obtained
16:25:47 25 since 2010 for election crimes committed by voters?

16:25:50 1 A. That's what the list is intended to document.

16:25:55 2 Q. Sitting here today, are you able to identify an

16:25:59 3 instance where another prosecuting authority in Arizona has

16:26:02 4 convicted a noncitizen of registering to vote or casting a

16:26:06 5 ballot in Arizona?

16:26:07 6 A. Since when?

16:26:09 7 Q. Since 2010.

16:26:14 8 A. No, I don't believe so. But I know there is such

16:26:18 9 a list that exists, and I believe it's been turned over to

16:26:22 10 you.

16:26:24 11 Q. From the Attorney General's Office?

16:26:26 12 A. Yes.

16:26:30 13 Q. But you're not able to identify any such case

16:26:35 14 since 2010?

16:26:37 15 A. The list that I have seen goes back pretty far.

16:26:43 16 And I know there are cases on there that -- where the

16:26:45 17 Attorney General's Office is not the prosecuting agency.

16:26:48 18 They are prosecutions of individuals who are not U.S.

16:26:51 19 citizens for registering to vote. And I cannot recall off

16:26:58 20 the top of my head what year they were from, but I know

16:26:59 21 some of them predate 2010. I just don't know whether some

16:27:02 22 of them are after as well.

16:27:04 23 Q. Are you aware of any -- if any of the prosecutions

16:27:06 24 on that list relate to the 2020 election?

16:27:10 25 A. I don't believe they do, but again, I'm a

16:27:15 1 spokesperson for the agency here, so to the extent that I'm
16:27:19 2 speaking on behalf of other agencies, I know -- I know
16:27:21 3 generally of some of those things, but I -- I can't really
16:27:25 4 speak authoritatively to what the U.S. Attorney's Office
16:27:27 5 has done or Maricopa County Attorney's Office has done.

16:27:31 6 Q. Looking back at Exhibit 224, turning to page 6,
16:27:39 7 this is a continuation of the additional note's bullets?

16:27:45 8 A. Yes.

16:27:45 9 Q. First bullet at the top of this page says, "There
16:27:49 10 are approximately 174 allegations of illegal voting
16:27:52 11 currently under investigation arising from the 2020
16:27:52 12 election cycle."

16:27:56 13 Do I have that right?

16:27:56 14 A. You do.

16:27:57 15 Q. The first sub-bullet there says, "Approximately
16:27:59 16 two involved ballots cast by individuals who are not
16:28:01 17 eligible to vote."

16:28:02 18 A. Correct.

16:28:02 19 Q. Do you know the basis on which those individuals
16:28:07 20 are not eligible to vote allegedly?

16:28:08 21 A. So I'm going to just stop here and say I did not
16:28:12 22 fully prepare encyclopedia knowledge of the crosscuts of
16:28:16 23 this part for this here today. I can tell you from my best
16:28:23 24 recollection, but if I get my actual statistics and cases
16:28:26 25 out in front, I may want to revise some of the -- the basis

16:28:26 1 for this.

16:28:32 2 I will tell you generally the two that I
16:28:36 3 believe this is referring to are going to be individuals
16:28:38 4 who are most likely convicted felons. I don't believe that
16:28:42 5 these are going to be noncitizen allegations.

16:28:44 6 Q. Okay. And there are other bases on which an
16:28:47 7 individual might not be eligible to vote beyond being
16:28:51 8 convicted of a felony or not being a citizen; correct?

16:28:53 9 A. Correct. One of our convictions is a person who
16:28:56 10 simply was not registered to vote even though they were
16:28:58 11 eligible to.

16:28:59 12 Q. A person could also be under the age of 18, for
16:29:03 13 example?

16:29:03 14 A. Yes.

16:29:04 15 Q. Okay. This next sub-bullet says, "Approximately
16:29:07 16 27 involved ballots cast in the names of deceased
16:29:10 17 individuals."

16:29:10 18 A. Correct.

16:29:10 19 Q. Do I have that right?

16:29:12 20 And the bullet after that says,
16:29:14 21 "Approximately 145 involved individuals alleged to have
16:29:18 22 cast ballots in more than one state."

16:29:18 23 Do I have that right?

16:29:20 24 A. You see it.

16:29:20 25 Q. And none of these 174 cases, as you understand it,

16:29:28 1 involve allegations of registration or voting by a
16:29:32 2 noncitizen; correct?

16:29:33 3 A. No, they do not.

16:29:39 4 Q. A few bullets down, fourth from the top of the
16:29:42 5 list, says, "Approximately 65 of the pending investigations
16:29:45 6 were referred by the Public Interest Legal Foundation."

16:29:47 7 A. That's correct.

16:29:48 8 Q. Do you regularly receive referrals from the Public
16:29:53 9 Interest Legal Foundation?

16:29:53 10 A. I did not before the 2020 general election. And
16:29:57 11 I'll tell you -- you see here this and the category that
16:30:01 12 follows it -- we don't have a tracking system for cases.
16:30:08 13 And so I'm -- I'm -- you're looking at the tracking system.
16:30:13 14 I noted that a number of our complaints which
16:30:17 15 were referred to me for opening criminal investigations
16:30:19 16 indicated their source on them as being the Public Interest
16:30:24 17 Legal Foundation. And because we did get numerous media
16:30:27 18 complaints for "Where are your complaints coming from?" I
16:30:31 19 began just to take a tick of, okay, here's one from Public
16:30:34 20 Interest Legal, and I had a tick mark for that.

16:30:36 21 And so when I hit -- you know, I hit 65 at
16:30:42 22 this point, and so that's why I indicated that there is so
16:30:45 23 that if we got a media request for how many came from
16:30:48 24 there, we would be able to answer it.

16:30:50 25 Q. But you didn't receive referrals from them prior

16:30:54 1 to the 2020 election?

16:30:54 2 A. I can't say that I had ever even heard of them
16:30:57 3 before the 2020 general election.

16:30:59 4 Q. Would you say 65 is a large number of referrals?

16:31:01 5 A. It is.

16:31:02 6 Q. Did any of the referrals from the Public Interest
16:31:05 7 Legal Foundation every lead to a conviction?

16:31:06 8 A. I can't speak to that here today. I would need to
16:31:12 9 trace before I could make something -- a determinative
16:31:15 10 statement like that.

16:31:17 11 I can tell you that when complaints came into
16:31:21 12 our office, there was a process in place where they were
16:31:24 13 supposed to be initially vetted for -- just to make sure
16:31:28 14 that the data lined up across the various states and that
16:31:33 15 the ones from the Public Interest Legal Foundation met that
16:31:36 16 first test. It didn't mean they were eventually going to
16:31:41 17 be prosecuted. It just meant they made it through the
16:31:43 18 first stage of review.

16:31:44 19 Q. But you can't recall specifically if any of the
16:31:47 20 cases they referred to you resulted in a conviction?

16:31:49 21 A. I cannot, as I sit here today.

16:31:51 22 Q. And based on your prior testimony, it's fair to
16:31:53 23 say that even if any of them did lead to a conviction, they
16:31:58 24 could not be for voting by either a noncitizen or a
16:32:00 25 nonresident?

16:32:01 1 A. I don't remember the basis of the Public Interest
16:32:06 2 Legal Foundation's complaints other than to say my
16:32:10 3 recollection of them as I sit here today -- and I could be
16:32:15 4 contradicted by my own documents if I could review them --
16:32:18 5 the bulk of their complaints were matching state
16:32:25 6 registration and voting records. The bulk of their
16:32:29 7 complaints were, as I recall, between the state of a
16:32:33 8 Washington and the state of Arizona -- was the number --
16:32:36 9 was a large source of their complaints.

16:32:38 10 Q. The bullet below that says, "Approximately 22 of
16:32:42 11 the pending investigations were referred by former
16:32:45 12 Representative Mark Finchem."

16:32:47 13 Did I get that right?

16:32:48 14 A. You did.

16:32:48 15 Q. Did you routinely receive criminal referrals from
16:32:53 16 Mr. Finchem?

16:32:53 17 A. No. But I received enough and -- received enough
16:32:57 18 complaint -- excuse me -- media requests for are we working
16:33:00 19 with complaints from Representative Finchem, that I began
16:33:04 20 tracking it because I was getting requests for what we were
16:33:08 21 doing on those.

16:33:11 22 So is 22 significant? I mean, you can see
16:33:14 23 the overall number here. 22 is a percentage of it.
16:33:18 24 Whether that's significant or not, I'll leave that up to
16:33:21 25 you. But it was something where I was getting the

16:33:23 1 question, and so I wanted to be able to answer it.

16:33:25 2 Q. Did any of the referrals from Mr. Finchem ever
16:33:28 3 lead to a conviction?

16:33:29 4 A. To my knowledge, one did, but I'm hard pressed as
16:33:37 5 I sit here to say which one it was.

16:33:39 6 Q. You don't recall any facts of that conviction?

16:33:41 7 A. It's one of the very late ones. Perhaps Mr. Zia,
16:33:48 8 Number 37. I want to say it's that one. I'm about
16:33:58 9 75 percent sure it's that one.

16:34:02 10 Q. And looking back at page 5, that case that you're
16:34:07 11 referring to, appears to indicate that the individual was
16:34:10 12 convicted of voting an early ballot that had, in fact, been
16:34:15 13 issued to his son and without his son's permission, while
16:34:18 14 also casting his own ballot, in the 2020 general election;
16:34:21 15 correct?

16:34:21 16 A. So this update as of April 4 shows it in progress.
16:34:24 17 He's -- Mr. Zia has since been convicted, so I can talk
16:34:28 18 about this in greater detail.

16:34:30 19 Q. Was my characterization of the charge there
16:34:32 20 accurate?

16:34:33 21 A. Could you restate it?

16:34:36 22 Q. Based on the description in this document, it
16:34:39 23 appears that the defendant was alleged to have voted an
16:34:43 24 early ballot issued to his son without his son's permission
16:34:46 25 while also casting his own ballot in the 2020 general

16:34:48 1 election.

16:34:49 2 A. The summary that I have written here is accurate.
16:34:51 3 There's a larger story there which kind of was the nature
16:34:56 4 of the complaint, but that is what -- ultimately, what
16:34:58 5 Mr. Zia was convicted of was voting his son's ballot
16:35:01 6 without permission.

16:35:04 7 Q. And you can't think of any other cases referred by
16:35:07 8 Mr. Finchem that resulted in a conviction?

16:35:10 9 A. I cannot. And I believe -- and as I sit here, I
16:35:15 10 would put it about 75 percent accuracy. I believe
16:35:17 11 Mr. Zia's complaint was originally a Finchem source
16:35:21 12 complaint.

16:35:22 13 Q. Did you find most of Mr. Finchem's referrals to be
16:35:26 14 credible?

16:35:28 15 A. At a basic level -- let me answer your question by
16:35:31 16 saying the overwhelming number of our complaints never got
16:35:36 17 to the end. So the number of complaints that failed to get
16:35:45 18 to filing I would say is well in excess of 80 percent.

16:35:50 19 And so the fact that Mr. Finchem's complaints
16:35:54 20 did not result in a number of convictions is not unusual.
16:35:57 21 Most of our complaints didn't result in complaint -- in
16:36:01 22 convictions. So if any one agency has a good track record
16:36:06 23 with us, it's probably the secretary of state.

16:36:08 24 Q. In general, are referrals from another government
16:36:12 25 office more likely to be credible and result in conviction

16:36:15 1 than referrals from private individuals?

16:36:20 2 A. In my experience, probably yes.

16:36:24 3 Q. When I say "private individuals," I include
16:36:26 4 Mr. Finchem. Same answer?

16:36:28 5 A. Yes, I would agree with that. Generally, you are
16:36:32 6 correct.

16:36:33 7 Q. The next bullet on this list says, quote, "6
16:36:37 8 matters opened as a result of the Arizona State
16:36:39 9 Senate/Cyber Ninjas Audit were closed without the filing of
16:36:42 10 charges."

16:36:42 11 A. Yes.

16:36:42 12 Q. Did I read that correctly?

16:36:43 13 So fair to say that no referral to your
16:36:45 14 office, based on the Cyber Ninjas audit, resulted in filing
16:36:50 15 of charges?

16:36:50 16 A. That is accurate. And we did have repeated
16:36:52 17 questions about that. And that's exactly why this bullet
16:36:55 18 point exists.

16:36:57 19 And I did review those six here today because
16:37:00 20 I knew you would be asking about citizen and residency
16:37:04 21 questions. And so if I could just make sure that you have
16:37:09 22 enough information -- and I don't want to hide something
16:37:11 23 under a bullet point here. Two of these cases of these six
16:37:16 24 are -- involved allegations that I think may be pertinent
16:37:18 25 to you. One is a residency allegation where an individual

16:37:22 1 was alleged not to be a resident of Arizona; was alleged to
16:37:25 2 have been a resident of Texas. That -- that case was
16:37:28 3 closed without filing of charges.

16:37:31 4 And the other was a person who was alleged to
16:37:33 5 be a noncitizen; was alleged to be a citizen of Israel; and
16:37:38 6 was determined not to be a criminal charge because he voted
16:37:42 7 legally in the United States through UOCAVA. And both of
16:37:46 8 those matters were closed without the filing of criminal
16:37:49 9 charges.

16:37:50 10 Q. How were those matters from the Cyber Ninjas'
16:37:54 11 audit referred to?

16:37:55 12 A. They were -- the process that was in place was
16:37:57 13 that the Cyber Ninjas' audit was treated as a criminal
16:38:02 14 complaint and was investigated by the investigation
16:38:06 15 section. And if, in their review, they determined in that
16:38:09 16 review that any crimes were committed, those matters were
16:38:13 17 spun off into separate cases and they were referred for
16:38:16 18 prosecution. There were six such spin-off cases that I
16:38:21 19 handled, and none of them were charged.

16:38:26 20 Q. So fair to say that the allegations referred to
16:38:28 21 your office from the Cyber Ninjas' audit regarding
16:38:31 22 allegations of nonresident and noncitizen voting were
16:38:35 23 ultimately found baseless?

16:38:37 24 A. I believe that -- none of them merited criminal
16:38:40 25 prosecution would be the metric that I looked at them

16:38:43 1 under. None of them were provable to our charging
16:38:47 2 standard.

16:38:48 3 Q. The final bullet in this list says, "There are 3
16:38:50 4 allegations of illegal voting currently under investigation
16:38:52 5 arising from the 2022 cycle."

16:38:55 6 Did I read that right?

16:38:56 7 A. Correct.

16:38:56 8 Q. What's the current status of those investigations?

16:39:00 9 A. I did not prepare on that topic here today. So

16:39:07 10 I --

16:39:07 11 Q. Do you know whether --

16:39:08 12 A. -- I cannot offer you that information at this
16:39:09 13 time.

16:39:10 14 Q. Do you know whether any concerned allegations of
16:39:13 15 registration or voting by a noncitizen?

16:39:17 16 A. I -- I'm -- I'm sorry. I am not prepared to tell
16:39:20 17 you which three those are. I would want to look at those
16:39:23 18 and be able to give you more specificity.

16:39:26 19 I specifically prepared on any issues related
16:39:30 20 to citizenship or registration. Those didn't come up in my
16:39:32 21 review, and so I don't want to say no, but I don't believe
16:39:36 22 that they do.

16:39:37 23 Q. But just for the record, then, sitting here today,
16:39:40 24 you are not able to state that any of those pending
16:39:42 25 investigations concern allegations of noncitizen

16:39:45 1 registration or voting or nonresident registration or
16:39:49 2 voting?

16:39:49 3 A. I'm not prepared to make that statement, but,
16:39:52 4 Counsel, what I will do is I will go back and verify those
16:39:56 5 and then provide that information to our counsel. And if
16:39:58 6 there's any change to that answer, I -- I want to make sure
16:40:02 7 that my statement here today is correct.

16:40:05 8 I don't believe they do, but I want to make
16:40:07 9 sure of that before I set it in concrete. Is that okay?

16:40:13 10 Q. Turning to Section B of this document, it's titled
16:40:19 11 "Prosecutions Related to Elections Since 2010"; right?

16:40:22 12 A. Yes.

16:40:22 13 Q. These cases do not involve allegations of illegal
16:40:29 14 registration or illegal voting by individual voters;
16:40:32 15 correct?

16:40:32 16 A. That's correct. And that's -- why I broke this
16:40:34 17 out the way I did is that the public document was often
16:40:38 18 confused among these two types of cases.

16:40:41 19 Q. Okay. I'm going to shift gears and ask about the
16:40:52 20 state's interest in passing the challenged legislation.

16:40:55 21 A. Sure.

16:40:56 22 Q. Can you return to Exhibit 212.

16:40:59 23 A. Yes, sir.

16:41:01 24 Q. And again, briefly review Interrogatory

16:41:05 25 Number 1 --

16:41:05 1 A. Number 1.

16:41:05 2 Q. -- on page 4. This is Dropbox Number 6.

16:41:15 3 A. Yes.

16:41:22 4 Q. Okay. Your office characterized Subpart 1 of

16:41:28 5 Interrogatory Number 1 as "Identify all state interests

16:41:31 6 that you believe are furthered by the challenged laws . . .

16:41:34 7 Your answer should specify which alleged state interest(s)

16:41:38 8 support each challenged provision of the Challenged Laws

16:41:39 9 and the connection between the alleged state interests and

16:41:43 10 challenged provisions."

16:41:43 11 Did I get that correct?

16:41:44 12 A. That is what it says.

16:41:45 13 Q. Okay. Could you take a moment to review your

16:41:52 14 office's response to Subpart 1.

16:41:55 15 A. How can I help you? I did that earlier. I'm

16:41:58 16 sorry.

16:41:58 17 Q. Okay. Your response indicates that HB 2492 and

16:42:04 18 HB 2243 ensure that voter registration is limited to those

16:42:07 19 who are eligible to vote; correct?

16:42:09 20 A. That is the statement here. I think that that is

16:42:12 21 the general overall concern of -- that appears to be behind

16:42:17 22 these laws is that voter registration be limited to

16:42:22 23 eligible individuals.

16:42:23 24 Q. And how do these laws do that?

16:42:26 25 MR. WHITAKER: Objection. Calls for a legal

16:42:26 1 conclusion.

16:42:28 2 And I'm not remembering the exact details of
16:42:32 3 our emails before this, but it may be outside the scope,
16:42:36 4 depending on our email correspondence.

16:42:38 5 THE WITNESS: I'm a person who enforces the
16:42:40 6 law. I'm not a person who creates the law. I'm sure you
16:42:44 7 can go and find records that I have filed in my cases in
16:42:48 8 terms of sentencing recommendations that say we are -- the
16:42:51 9 state has an interest in making sure that elections are
16:42:54 10 fairly conducted and that only individuals who are eligible
16:42:58 11 to vote are voting and only -- they're only voting once.

16:43:02 12 And so I think that is an overriding state
16:43:06 13 interest, and I think that is something that may have been
16:43:09 14 of work here, but I can't say specifically.

16:43:11 15 BY MR. DODGE:

16:43:11 16 Q. So you're not able to testify today to how HB 2492
16:43:15 17 and HB 2243 help to ensure that voter registration is
16:43:19 18 limited to those who are eligible to vote; right?

16:43:22 19 MR. WHITAKER: Objection. Legal conclusion
16:43:24 20 and scope issues as explained in email correspondence with
16:43:28 21 opposing counsel.

16:43:30 22 THE WITNESS: I am not a legislator. I don't
16:43:32 23 know what other -- what else they were thinking at the time
16:43:36 24 they brought -- they brought this into law.

16:43:39 25 BY MR. DODGE:

16:43:43 1 Q. You would agree with me that prior to the
16:43:44 2 enactment of the challenged laws, it was illegal in Arizona
16:43:48 3 to register to vote or to cast a ballot when ineligible to
16:43:52 4 do so; correct?

16:43:53 5 A. Correct.

16:43:54 6 Q. In fact, those are felonies?

16:43:55 7 MR. LANGHOFER: Calls for legal conclusion.

16:43:58 8 THE WITNESS: I think it's correct, so . . .

16:44:02 9 BY MR. DODGE:

16:44:02 10 Q. Those were -- those were felonies under Arizona
16:44:04 11 law prior to enactment of the challenged laws; correct?

16:44:06 12 MR. LANGHOFER: Same objection.

16:44:07 13 THE WITNESS: 16-1182. Yes.

16:44:13 14 BY MR. DODGE:

16:44:22 15 Q. You referred earlier today to two pending cases
16:44:27 16 involving allegations of a noncitizen voting; correct?

16:44:29 17 A. Correct.

16:44:30 18 Q. Are you able to explain today how the challenged
16:44:33 19 laws might have prevented those individuals from
16:44:37 20 registering or voting?

16:44:39 21 MR. WHITAKER: Objection. Legal conclusion.
16:44:45 22 Same scope concerns.

16:44:49 23 THE WITNESS: I'm not sure how I track is
16:44:52 24 preventing. Criminal law is reactive. People do things
16:45:00 25 that violate the law and then we prosecute them for it. I

16:45:04 1 can't say how we would have prevented anything.

16:45:07 2 BY MR. DODGE:

16:45:08 3 Q. Do you have any view on whether those individuals
16:45:12 4 would have been able to successfully cast ballots if the
16:45:16 5 challenged laws had been in place at the time?

16:45:18 6 MR. WHITAKER: Same objections and
16:45:21 7 foundation.

16:45:22 8 THE WITNESS: I cannot speculate as to that.
16:45:30 9 There are a number of intervening circumstances in the
16:45:33 10 cases that would be speculative as to how anything would
16:45:38 11 have impacted them.

16:45:38 12 BY MR. DODGE:

16:45:41 13 Q. You indicated earlier that you are not aware of a
16:45:45 14 single conviction by your office of a noncitizen for
16:45:48 15 registering to vote or casting a ballot in Arizona going
16:45:51 16 back to 2010; correct?

16:45:53 17 A. I believe that's accurate, correct.

16:45:55 18 Q. So in your view, was voting by noncitizens a
16:45:59 19 problem in Arizona prior to the enactment of the challenged
16:46:02 20 laws?

16:46:04 21 A. I can only speak to --

16:46:05 22 MR. LANGHOFER: Form.

16:46:06 23 THE WITNESS: I can only speak to what we can
16:46:08 24 prove to beyond a reasonable doubt standard that no
16:46:12 25 allegations like that were brought to us that were provable

16:46:17 1 and to the beyond a reasonable doubt standard. As to
16:46:22 2 the -- whether the problem exists, I just don't know.

16:46:25 3 BY MR. DODGE:

16:46:27 4 Q. Would you agree with me that whether or not a
16:46:29 5 person is a citizen is a binary question? A person either
16:46:35 6 is a citizen or they're not?

16:46:37 7 A. I'd say that you're beyond my scope of expertise.
16:46:40 8 We can talk about the rules of criminal procedure, but
16:46:43 9 citizenship is a thing that I know is super complex, and it
16:46:48 10 is something conveyed by a federal law that I do not
16:46:52 11 practice in regular --

16:46:53 12 Q. A person can be a U.S. citizen; right?

16:46:56 13 A. I believe that is correct.

16:46:57 14 Q. A person can also not be a U.S. citizen; correct?

16:47:00 15 A. I believe that is also correct.

16:47:01 16 Q. A person can't be both?

16:47:04 17 A. A dual citizenship is a thing.

16:47:07 18 Q. In that case, they would be a U.S. citizen; right?

16:47:09 19 A. Potentially. I don't -- I don't pretend to be an
16:47:13 20 expert in citizenship.

16:47:49 21 MR. WHITAKER: How much longer do you
16:47:50 22 anticipate with this witness?

16:47:52 23 MR. DODGE: Do you want to go off the record?

16:47:55 24 MR. WHITAKER: Well, in a sense no, because
16:47:59 25 I'd like to use record time.

16:48:02 1 MR. DODGE: Why don't we go off the record.

16:48:06 2 MR. WHITAKER: Sure.

16:48:07 3 THE VIDEOGRAPHER: We are off the record.

16:48:09 4 Time on the video monitor is 4:48 p.m.

16:48:14 5 (A recess ensued.)

16:55:33 6 THE VIDEOGRAPHER: We are on the record.

16:55:49 7 Time on the video monitor is 4:55 p.m.

16:55:53 8 BY MR. DODGE:

16:55:55 9 Q. Mr. Lawson, I'm going to ask you to look back at

16:55:58 10 Exhibit 212 and again at your office's response to

16:56:02 11 Subpart 1 of Interrogatory Number 1.

16:56:05 12 A. Yes, sir.

16:56:06 13 Q. Your response indicates as well that the

16:56:11 14 challenged laws help to promote public trust in elections;

16:56:14 15 is that correct?

16:56:15 16 A. To the extent that I am not a legislator, I can

16:56:22 17 think that that was probably what motivated them, but

16:56:27 18 again, I -- beyond that, I can't speak to the specifics.

16:56:31 19 Q. Are you able to explain how the challenged laws

16:56:35 20 promote public trust in elections?

16:56:39 21 MR. WHITAKER: Same objections as before on

16:56:40 22 this subpart.

16:56:41 23 THE WITNESS: I am not.

16:56:43 24 BY MR. DODGE:

16:56:43 25 Q. Your response states that, quote, "Some members of

16:56:46 1 the public may feel doubt about election results, rightly
16:56:49 2 or wrongly"; correct?

16:56:50 3 A. Is that in our -- is that in here?

16:56:56 4 Q. That's at page 5, line 11.

16:57:01 5 A. Yes.

16:57:01 6 Q. Does your office have a view as to whether these
16:57:05 7 doubts are right or wrong?

16:57:08 8 A. I think that's -- our job is to --

16:57:09 9 MR. WHITAKER: Compound.

16:57:10 10 THE WITNESS: -- to determine if they're
16:57:11 11 right or wrong. That's what we had a complaint line for
16:57:14 12 and -- so that people could complain their doubts to us and
16:57:18 13 we would look into them.

16:57:19 14 THE COURT REPORTER: Did someone object in
16:57:22 15 the middle?

16:57:22 16 MR. WHITAKER: I said compound.

16:57:26 17 BY MR. DODGE:

16:57:27 18 Q. Can you explain why you believe the challenged
16:57:30 19 laws may help to alleviate such doubt?

16:57:32 20 MR. WHITAKER: Same objections as to the
16:57:33 21 subpart voiced previously. Go ahead.

16:57:35 22 THE WITNESS: I cannot speak to the intent of
16:57:39 23 the legislature. I can speak to -- a number of people have
16:57:43 24 issues, and one of the things our unit attempted to do was
16:57:50 25 to investigate and pursue righteous complaints and to

16:57:55 1 determine which ones had no merit and to explain why they
16:57:58 2 had no merit.

16:57:58 3 BY MR. DODGE:

16:57:58 4 Q. Your response here states that some members of the
16:58:01 5 public may feel doubt about election results, rightly or
16:58:04 6 wrongly.

16:58:05 7 Would you agree with me that the term "may"
16:58:06 8 suggests speculation as to whether individuals feel such
16:58:13 9 doubts?

16:58:14 10 A. You are correct.

16:58:15 11 Q. So your response is not categorically stating that
16:58:22 12 the public may feel doubt -- strike that.

16:58:25 13 Your response is not categorically stating
16:58:27 14 that the public feels doubt about election results, rightly
16:58:30 15 or wrongly?

16:58:31 16 A. No, sir.

16:58:31 17 Q. And the next sentence says, "The Challenged Laws
16:58:37 18 may help alleviate such doubt."

16:58:40 19 That also is a speculative statement;
16:58:43 20 correct?

16:58:43 21 A. Correct.

16:58:44 22 Q. So your response does not categorically state that
16:58:47 23 the challenged laws will help to alleviate such doubt; is
16:58:50 24 that right?

16:58:50 25 A. I think that's accurate.

16:58:52 1 Q. Has your office -- does your office have any
16:58:56 2 evidence that the challenged laws have helped to alleviate
16:58:59 3 such doubt among the public?

16:59:02 4 A. I'm hesitant to answer because I don't think we've
16:59:07 5 ever had the challenged laws activated. We've never
16:59:09 6 received a complaint which would activate them. So I don't
16:59:13 7 know that the challenged laws have done a thing other than
16:59:16 8 a single-page report.

16:59:18 9 Q. They're on the books; right?

16:59:19 10 A. Correct.

16:59:20 11 Q. Does your office -- does your office have any
16:59:23 12 evidence that the enactment of the challenged laws,
16:59:28 13 including them in the Arizona Revised Statutes, has done
16:59:34 14 anything to alleviate public doubt about election results?

16:59:38 15 MR. WHITAKER: Same objections. Go ahead.

16:59:40 16 THE WITNESS: I think any answer to that
16:59:42 17 question would be speculative. You'd have to talk to an
16:59:44 18 awful lot of people.

16:59:45 19 BY MR. DODGE:

16:59:49 20 Q. Speaking of those people, has your office
16:59:51 21 identified any members of the public whose doubts about
16:59:55 22 election results have been alleviated by the enactment of
16:59:57 23 the challenged laws?

16:59:59 24 MR. WHITAKER: Foundation. Go ahead.

17:00:00 25 THE WITNESS: I don't have any people who I

17:00:03 1 know are happy with this law. I'm not a -- can't speak to
17:00:08 2 that.

17:00:08 3 BY MR. DODGE:

17:00:10 4 Q. Has your office identified what percentage of
17:00:12 5 Arizona voters have doubts about election results?

17:00:17 6 A. I'm not aware of any such efforts by our office to
17:00:21 7 poll or survey individuals about this law. I don't have
17:00:25 8 any information to answer your question.

17:00:26 9 Q. Is it your office's position that it is
17:00:30 10 appropriate to legislate to address unfounded doubts about
17:00:33 11 election results even if that legislation makes it harder
17:00:37 12 for some lawful Arizona citizens to vote?

17:00:40 13 MR. WHITAKER: Same objection as before.

17:00:42 14 MR. LANGHOFER: Form. Scope.

17:00:46 15 THE WITNESS: Mr. Dodge, I -- I'm not a
17:00:51 16 policymaker for the agency. There is an elected attorney
17:00:57 17 general who makes those sorts of decisions. I am not that
17:00:59 18 person.

17:01:00 19 My job is to prosecute cases that are before
17:01:03 20 me with prosecutorial merit. And I can't make those sorts
17:01:06 21 of conclusions.

17:01:07 22 BY MR. DODGE:

17:01:08 23 Q. If otherwise eligible voters have their voter
17:01:11 24 registrations rejected or canceled due to the challenged
17:01:13 25 laws, do you think that could erode public trust in

17:01:17 1 elections?

17:01:17 2 MR. WHITAKER: Foundation and similar
17:01:20 3 objections.

17:01:21 4 MR. LANGHOFER: Scope.

17:01:21 5 THE WITNESS: I don't have any basis to
17:01:24 6 indicate whether that is occurring or not, so I can't
17:01:25 7 really speak to it. I think it's too speculative.

17:01:27 8 BY MR. DODGE:

17:01:27 9 Q. More generally, do you think that if eligible
17:01:30 10 voters have their voter registrations rejected or canceled,
17:01:34 11 despite being eligible, that that might erode public trust
17:01:37 12 in elections?

17:01:39 13 MR. WHITAKER: Same objections.

17:01:41 14 THE WITNESS: I think we could talk a number
17:01:46 15 of hypotheticals here today about what could erode public
17:01:50 16 trust in elections, and you can come up with any number of
17:01:54 17 them that would erode public trust. I can't speak one way
17:01:59 18 or another to them in terms of from where I sit as a
17:02:04 19 representative of this agency.

17:02:06 20 BY MR. DODGE:

17:02:10 21 Q. Your office identified two possible state
17:02:14 22 interests that the legislature may have had in enacting the
17:02:19 23 challenged laws. Is that fair to say?

17:02:19 24 A. That's the answer that we've -- that you've
17:02:21 25 referred to here.

17:02:23 1 Q. As a representative of the Attorney General's
17:02:28 2 Office, the state interests in that interrogatory response
17:02:31 3 are the only ones that the office has identified that it
17:02:38 4 believes the challenged laws may help to advance or
17:02:43 5 promote; correct?

17:02:44 6 MR. WHITAKER: Same objections.

17:02:45 7 THE WITNESS: And I think the word "may" is
17:02:47 8 doing a lot of work in that sentence, but yes, that's
17:02:49 9 correct.

17:02:49 10 BY MR. DODGE:

17:02:54 11 Q. Your office has not supplemented its response to
17:02:56 12 this interrogatory; correct?

17:02:59 13 A. Did we? Exhibit 225.

17:03:13 14 Q. Let me be more specific.

17:03:19 15 Has your office amended its response to
17:03:23 16 Subpart 1 of Interrogatory Number 1?

17:03:28 17 A. Counsel, here's where I have to play -- I'm not
17:03:32 18 counsel in this case, so if there has been more than one
17:03:36 19 response or supplement to this, I'm not aware of anything
17:03:38 20 more than Exhibit 225.

17:03:40 21 Q. If I represented to you that Exhibit 225 is the
17:03:44 22 only amended response your office has provided in this
17:03:47 23 litigation, would you take that representation?

17:03:49 24 A. Sounds good to me.

17:03:50 25 Q. And in those amended responses, there is no

17:03:54 1 amendment to your office's response to Subpart 1 of
17:03:58 2 Interrogatory Number 1; correct?

17:03:58 3 A. And I would agree with that -- if what you're
17:04:01 4 telling me is correct, I'm not aware of any other change to
17:04:03 5 it.

17:04:04 6 Q. Okay.

17:04:09 7 MR. DODGE: Can we go off the record for one
17:04:12 8 minute.

17:04:14 9 THE VIDEOGRAPHER: We're off the record. The
17:04:16 10 time on the video monitor is 5:04 p.m. This ends Media 3.

17:04:23 11 (A recess ensued.)

17:05:50 12 THE VIDEOGRAPHER: We are on the record.
17:06:05 13 Time on the video monitor is 5:06 p.m. This begins
17:06:09 14 Media 4.

17:06:10 15 MR. DODGE: Mr. Lawson, I have no further
17:06:16 16 questions for you.

17:06:17 17 Before we bring in Mr. Thomas, I'm going to
17:06:22 18 open the floor for redirect from defendants and
17:06:26 19 intervenors.

17:06:28 20 MR. WHITAKER: I have no redirect.

17:06:29 21 Mr. Langhofer, go for it.

17:06:29 22 MR. LANGHOFER: Thanks, Josh.

17:06:29 23

17:06:31 24 EXAMINATION

17:06:32 25 BY MR. LANGHOFER:

17:06:36 1 Q. I'm Kory Langhofer, and I'm representing the RNC.
17:06:39 2 And, Mr. Lawson, I believe we've spoken a few times. It's
17:06:44 3 nice to put a face to a voice and a name finally.

17:06:47 4 One thing I learned about you over time is
17:06:52 5 that you have what I have described to other people as an
17:06:52 6 appropriate view of the world of political prosecutions and
17:07:03 7 the standard of proof in these cases. And I think you
17:07:05 8 mentioned this probably 45 minutes or so ago.

17:07:11 9 You were talking about readily provable
17:07:13 10 defenses. What did you mean by that?

17:07:17 11 A. I think that came up in reference to determining
17:07:22 12 residency or eligibility to vote. Is that what you're
17:07:26 13 recalling?

17:07:27 14 Q. I think that sounds right.

17:07:29 15 So in your mind, is there a difference
17:07:31 16 between cases in which there's probable cause and cases
17:07:35 17 that are readily provable?

17:07:36 18 A. Our charging standard is a reasonable likelihood
17:07:39 19 of conviction, which means that there's a -- more likely
17:07:43 20 than not, that a jury at trial would find the defendant
17:07:46 21 guilty to a beyond a reasonable doubt standard.

17:07:49 22 That takes into account a number of
17:07:51 23 circumstances, including the provability of the
17:07:56 24 allegations, the availability of witnesses, and, obviously,
17:08:00 25 the availability of ready defenses to the charges and the

17:08:04 1 allegations that are made.

17:08:07 2 Having reviewed a number of residency

17:08:10 3 allegations over the course of my time with this caseload

17:08:14 4 and the Attorney General's Office, proving residency or --

17:08:19 5 as the condition of eligibility that causes somebody to be

17:08:23 6 brought before us for criminal review is a very slippery

17:08:28 7 standard that readily -- it has a ready defense of "I

17:08:34 8 believed I was a resident, and this is why I believe I'm a

17:08:37 9 resident; or I'm -- this is why I'm eligible, and this is

17:08:39 10 why I believe I'm eligible." And that's why we've been

17:08:42 11 very hesitant to pursue eligibility cases when there is not

17:08:49 12 readily available concrete proof.

17:08:52 13 And the two contexts that I think are most

17:08:55 14 obvious here in this caseload that we've talked about in

17:08:57 15 terms of Exhibit 224 are instances where people have voted

17:09:04 16 in more than one state on one day and have completed

17:09:08 17 conflicting declarations in writing in two different states

17:09:11 18 in one day and for people who are not eligible to vote but

17:09:16 19 are convicted felons where we have records that show they

17:09:20 20 are convicted, and we have a lack of records showing that

17:09:23 21 their rights have been restored.

17:09:25 22 When you have allegations like I referred to

17:09:28 23 in Mr. Dodge's questions, there was an individual who was

17:09:32 24 alleged to have been a resident of Texas and illegally

17:09:37 25 voted in Arizona. And I indicated that our fact pattern we

17:09:42 1 look for was register, register, vote, vote. That case, it
17:09:48 2 was register, vote, register, vote, which is a lawful
17:09:51 3 pattern.

17:09:52 4 And the idea that they want to say that the
17:09:56 5 vote happened when he was already eligible to register to
17:09:59 6 vote in Texas, yes, but he was also registered -- or
17:10:03 7 able -- he was previously registered in Arizona and
17:10:06 8 subjectively believed he could continue to vote in Arizona
17:10:09 9 and had a factual basis to do so.

17:10:12 10 So yes, we stay away from cases that exist
17:10:15 11 where the proof of the offense exists entirely in the
17:10:18 12 defendant's mind, because the defendant could subjectively
17:10:23 13 take the stand and say what they need to in order to obtain
17:10:25 14 an acquittal.

17:10:28 15 Does that address your question?

17:10:31 16 Q. It does. Thank you.

17:10:32 17 Is it fair to say, then, that the number of
17:10:35 18 cases in which there's probable cause is larger than the
17:10:38 19 number of cases that are readily provable?

17:10:44 20 A. So the standard by which -- I'm sorry. I think
17:10:48 21 you have -- you have them backwards. Let me make -- let me
17:10:51 22 make sure that I'm understanding your question.

17:10:53 23 We have a number of complaints that come in
17:10:56 24 that don't even get off the first stage -- get through that
17:11:00 25 first stage. There needs to be a reasonable suspicion that

17:11:03 1 there's an actual crime alleged.

17:11:06 2 And once there's that sort of basis that a

17:11:09 3 crime has occurred, then an investigation can occur. And

17:11:12 4 then there needs to be a reasonable suspicion for things

17:11:16 5 such as search warrants or subpoenas and things like that

17:11:18 6 to get further in the process.

17:11:21 7 To get onto my side of the equation for

17:11:25 8 charging, I -- my metric is a reasonable likelihood of

17:11:28 9 conviction, that being a higher standard than reasonable

17:11:32 10 suspicion and then probable cause and then the higher

17:11:37 11 standard of reasonable likelihood of conviction.

17:11:40 12 Does that make sense?

17:11:41 13 Q. So --

17:11:42 14 A. I thought you had the first two switched.

17:11:44 15 Q. I said it backwards by exhaustion, in which case I

17:11:52 16 apologize. Let me try it again.

17:11:53 17 If I understand it correctly, the number of

17:11:54 18 cases with probable would be greater than the number of

17:11:59 19 cases in which there's a ready -- readily provable offense.

17:12:02 20 Basically, readily provable offense is a subset of cases of

17:12:06 21 probable cause?

17:12:06 22 A. Yes. You could say that a number of complaints,

17:12:09 23 there's probably cause to believe that offense was

17:12:12 24 committed, but I can't prove it beyond a reasonable doubt.

17:12:14 25 That is correct. There's a smaller group of those and then

17:12:18 1 an even smaller group that we actually carry through and
17:12:21 2 make the discretion to act on and then ultimately get --
17:12:27 3 obtain a conviction for it. It's a gradually reducing
17:12:30 4 number.

17:12:41 5 Q. And in your mind, the -- if we were to think about
17:12:50 6 a preponderance standard, you know, more likely than not to
17:12:54 7 be true, is that also a larger group of cases than cases
17:12:59 8 that are readily provable, the ones that are actually
17:13:02 9 charged?

17:13:03 10 A. See, now you're taking me back to which standard
17:13:05 11 is higher than which standard, preponderance being higher
17:13:13 12 than probable cause, I believe. This is things I did not
17:13:17 13 prepare for today.

17:13:19 14 I think these are all gradually reducing
17:13:22 15 numbers that you're talking about here. The further you
17:13:25 16 get along in the process, there -- the cases become more
17:13:30 17 difficult to prove to the higher standards, yes, and that
17:13:34 18 number reduces.

17:13:35 19 Q. So there -- there's a conversation you and I
17:13:39 20 had -- you and I had years ago, which I will not ask you to
17:13:41 21 recall, but I guess what I'm getting at is, is there a
17:13:46 22 difference between believing something to be true and being
17:13:50 23 so confident that it is readily provable and you feel
17:13:55 24 comfortable charging?

17:13:55 25 A. Very much so. Having done this job for a long

17:13:59 1 time, there are a number of things where I can look at the
17:14:04 2 pattern and say this is almost certainly what happened, but
17:14:06 3 it's what I can prove that matters.

17:14:08 4 And it's not my job to have a gut and -- and
17:14:12 5 my gut feelings don't obtain convictions. I need to be
17:14:15 6 able to prove things. And you have to be able to separate
17:14:18 7 those two to do your job correctly in this position.

17:14:23 8 Q. I want to shift gears a little bit. Let's talk
17:14:29 9 about that online summary of election prosecutions.

17:14:29 10 A. Yes.

17:14:31 11 Q. And I've learned today from you that there are
17:14:35 12 apparently different versions of that document.

17:14:35 13 A. That's correct.

17:14:36 14 Q. You had some concerns about the description in the
17:14:40 15 version that was made publicly available. But if we limit
17:14:44 16 our focus to just the one that was publicly available on
17:14:47 17 the website, were all those cases at least real?

17:14:50 18 A. Yes.

17:14:53 19 Q. And were they, in fact, prosecutions for election
17:14:56 20 crimes?

17:14:56 21 A. Yes.

17:14:57 22 Q. Do you believe that any of those were materially
17:15:02 23 inaccurate in their summary of the cases?

17:15:06 24 A. I don't believe so, but I'd want to go through and
17:15:09 25 review the draft with a fine-tooth comb and probably go

17:15:15 1 back and review and see if I have my emails that I
17:15:17 2 exchanged at the time about the changes I was requesting.
17:15:20 3 A number of the changes I was requesting were
17:15:22 4 due to things that were inaccurate. And then I would
17:15:26 5 request changes, and then the following month I would
17:15:29 6 submit my requested changes for what had changed in that
17:15:34 7 month and was also requesting the same changes from
17:15:37 8 previous months again.

17:15:39 9 Q. I see.

17:15:43 10 You had -- one of the issues in this case is
17:15:49 11 whether there's some value in citizens or -- or proposed
17:15:59 12 registrants checking a box and saying that they're, in
17:16:02 13 fact, a citizen -- a citizen of the United States before
17:16:03 14 registering. And I want to ask you about that,
17:16:06 15 particularly in the context of -- you had talked about the
17:16:09 16 defenses that people raise and saying, you know, reasonable
17:16:13 17 mistake -- essential defenses; reasonable mistake; I
17:16:16 18 thought I was, but, you know, turns out there's some sort
17:16:20 19 of paperwork error.

17:16:23 20 In going through the complaints that come
17:16:28 21 into your office and thinking about whether cases could be
17:16:32 22 charged, has the fact that the recitations -- the factual
17:16:39 23 recitations a proposed will registrant make at the bottom
17:16:42 24 of the form before they sign under penalty of perjury are,
17:16:46 25 you know, in small print, the bottom of the document, not

17:16:49 1 called out individually -- has that ever been a concern for
17:16:54 2 you in deciding whether to move forward with criminal
17:16:58 3 prosecution?

17:16:58 4 MR. DODGE: Objection; form, foundation.

17:17:00 5 THE WITNESS: I'm sorry. Could I restate
17:17:02 6 your question as saying -- are you -- have I ever been
17:17:05 7 concerned about the size of the type on a voter
17:17:07 8 registration form?

17:17:09 9 BY MR. LANGHOFER:

17:17:10 10 Q. Yeah, I -- I guess that's part of my question.
17:17:14 11 But perhaps I should word it more clearly.

17:17:16 12 You know, for now, let me -- let me just --
17:17:20 13 assume that at the bottom of the standard registration form
17:17:23 14 there's a series of recitations about what it takes to be
17:17:26 15 qualified to register to vote -- I'm a felon; I'm a
17:17:30 16 citizen; I'm, in fact, a resident; and so on -- and small
17:17:34 17 type, sort of listed in summary form, a little bit of
17:17:38 18 legalese. Someone could sign that and then conceivably
17:17:42 19 later on say -- I'm just hypothesizing here -- later on
17:17:45 20 say that "I signed it, but I didn't read it carefully; it
17:17:47 21 was just, you know, honest -- you know, honest mistake."

17:17:51 22 So has -- have you ever come across that sort
17:17:54 23 of scenario where someone made a false statement but
17:17:57 24 because it was in a contract of adhesion-like scenario,
17:18:01 25 you're worried about enforceability -- criminal

17:18:04 1 enforceability?

17:18:05 2 MR. DODGE: Objection; foundation, form.

17:18:08 3 Calls for speculation.

17:18:10 4 THE WITNESS: Contract of adhesion stopped --
17:18:13 5 makes me want to think the last time I heard that was
17:18:16 6 probably in the ASU law school in terms of a concept
17:18:22 7 applying to something like this.

17:18:25 8 I can't speculate on that. I would say just
17:18:33 9 generally, there are references on here to a case. It is
17:18:50 10 Number 26: Mr. Clark.

17:18:54 11 BY MR. LANGHOFER:

17:18:55 12 Q. Okay.

17:18:55 13 A. Mr. Clark was convicted in Pima -- Pima County
17:18:59 14 Superior Court earlier this summer, and he was a convicted
17:19:02 15 felon who registered to vote and voted while in custody in
17:19:06 16 the Pima County jail. And he was not eligible to do so as
17:19:09 17 a convicted felon.

17:19:12 18 He essentially claimed that he was told he
17:19:15 19 was eligible to do so and -- but he could not identify who
17:19:19 20 told him that, and that he signed the form, essentially
17:19:23 21 ignoring the language which was there in plain sight,
17:19:27 22 because somebody told him to. I had no issue and the jury
17:19:33 23 had no issue with holding him accountable to the language
17:19:37 24 he agreed to.

17:19:38 25 I would say, in my experience since 2010,

17:19:41 1 voter registration forms have come in numerous formats and
17:19:45 2 type faces and print sizes. And ServiceArizona is an
17:19:49 3 entirely different animal altogether from physical forms.
17:19:55 4 The size of the type or the nature of the declaration has
17:19:59 5 never really been anything that has been a significant
17:20:02 6 impact on a charging decision.

17:20:11 7 I would say the larger issue, which I would
17:20:14 8 just -- again, speaking generally -- and I'm not referring
17:20:16 9 to any particular case here, setting Mr. Clark aside --
17:20:20 10 mental capacity of the individuals who are involved is
17:20:24 11 always a factor that goes into the calculus. And if you
17:20:27 12 told me my facts that I'm reviewing are someone who is
17:20:31 13 96 years old and didn't understand what they were doing,
17:20:34 14 that might be a factor, but I -- we could spend all day
17:20:38 15 here talking about hypotheticals.

17:20:40 16 Q. Have you seen -- you've seen cases where someone
17:20:49 17 lied about whether they were a felon when registering to
17:20:51 18 vote?

17:20:51 19 A. Yes. There's a number of these cases in the list
17:20:55 20 here. I don't need to refer to them by number beyond
17:20:57 21 they're here.

17:20:58 22 Q. And you've seen cases in which someone lied about
17:21:02 23 voting only once?

17:21:03 24 A. Yes.

17:21:04 25 Q. And you've apparently seen two cases recently

17:21:10 1 where someone lied about being a citizen?

17:21:15 2 A. There are two cases that we referred to earlier --
17:21:17 3 they're both older cases -- that are on warrant status
17:21:21 4 where that is the allegation. They were essentially people
17:21:26 5 who had been engaged in systematic identity theft over a
17:21:29 6 period of years, and one aspect of that was illegally
17:21:34 7 registering to vote and voting.

17:21:37 8 Q. Did I understand correctly that you have not seen
17:21:40 9 a case where someone lied about their residence, like
17:21:43 10 they -- someone said they're a resident of Maricopa County
17:21:45 11 when, in fact, it was Apache County?

17:21:49 12 A. No. And, in fact, I could say that Number 36 on
17:21:57 13 the list, Mr. Luttrell, he registered to vote twice in the
17:22:04 14 same day: once was in Maricopa County; one was in Coconino
17:22:09 15 County. It was not caught between the two counties. And
17:22:13 16 essentially, he made a false claim to residency in two
17:22:16 17 different counties, and he was convicted of that, illegally
17:22:21 18 voting, based on that he eventually voted in both counties.

17:22:24 19 So it is -- it is exceedingly rare, though,
17:22:29 20 because of the subjective nature of residency -- like,
17:22:32 21 could I tell you here today where is Mr. Luttrell actually
17:22:35 22 a resident of? Subjectively, I believe that he was a
17:22:40 23 resident of Maricopa County. But did he actually own
17:22:42 24 property in Coconino County and fill out a form that says
17:22:46 25 he's entitled to register there? Yeah, he did.

17:22:50 1 And because the standard is so loose, that's
17:22:53 2 why the law is the way it is. I'm not required to prove
17:22:56 3 one or the other, because it's subjective. What I prove is
17:23:00 4 the inconsistent statements; that he voted in both places
17:23:03 5 on the same day, and that can't be true.

17:23:10 6 MR. LANGHOFER: Mr. Lawson, I appreciate your
17:23:11 7 time. And I promised I wouldn't keep you long. Those are
17:23:14 8 all the questions I have for you this evening. Thank you.

17:23:16 9 MR. DODGE: I have just one or two more.

17:23:16 10

17:23:20 11 FURTHER EXAMINATION

17:23:20 12 BY MR. DODGE:

17:23:20 13 Q. Mr. Lawson, Mr. Langhofer just asked you some
17:23:20 14 questions about the difference between the beyond
17:23:23 15 reasonable doubt standard and a preponderance standard. Do
17:23:26 16 you recall that?

17:23:26 17 A. I'm going to be embarrassed if I got that wrong,
17:23:29 18 so I hope I got it right.

17:23:30 19 Q. I promise I don't have a law school pop quiz for
17:23:33 20 you.

17:23:33 21 Are you aware of any cases alleging
17:23:37 22 registration or voting by noncitizens that were referred to
17:23:41 23 you for prosecution that you felt could meet a
17:23:45 24 preponderance standard but not a beyond a reasonable doubt
17:23:48 25 standard?

17:23:48 1 A. You're going to -- you're going to go into a lot
17:23:50 2 of detail that I don't have. We've had a number of cases
17:23:55 3 that are referred to us for review that involve any number
17:23:59 4 of allegations, some of which are noncitizen, non- -- like,
17:24:03 5 for example, the case I referred to involving the UOCAVA
17:24:06 6 voter from Israel, that was a noncitizen allegation. It
17:24:11 7 did come to my side. It was opened. And we did eventually
17:24:14 8 close it because it can't be sustained. I believe that
17:24:19 9 that made the initial review.

17:24:21 10 So there was a finding by an agent that there
17:24:23 11 was at least a reasonable suspicion that an offense
17:24:27 12 occurred. Whether there was a probable cause finding
17:24:32 13 there, I don't know. That would have been made by the
17:24:34 14 agent.

17:24:36 15 My metric is whether I have something I can
17:24:40 16 charge. And I'm -- so I'm primarily focused on the beyond
17:24:44 17 a reasonable doubt standard and whether there's a
17:24:46 18 reasonable likelihood of conviction. So whether the
17:24:50 19 investigators -- Mr. Thomas may be able to speak to that or
17:24:53 20 Mr. Knuth can speak to that, whether they made individual
17:24:56 21 findings on that. In order for those -- those cases to be
17:24:59 22 passed across to me and to come to me for review, that's on
17:25:03 23 them.

17:25:04 24 Q. Okay. In response to a question from
17:25:07 25 Mr. Langhofer right now, you referred to the two pending

17:25:11 1 cases regarding alleged voting by noncitizens as older
17:25:15 2 cases; is that right?

17:25:15 3 A. They are.

17:25:16 4 Q. Can you tell me what -- can you tell me anything
17:25:20 5 about the time period of those cases, including when any
17:25:24 6 indictment was issued in those cases?

17:25:26 7 A. Emails that we discussed -- so my case I'm much
17:25:33 8 more familiar with --

17:25:33 9 Q. Why don't we start with that.

17:25:34 10 A. -- than the case out of -- out of Tucson. My
17:25:38 11 recollection is that my case was filed in 2019 and predates
17:25:45 12 the formation of the EIU. Its allegation which -- when it
17:25:50 13 opens to me, it gets a number with a year in it. It was a
17:25:53 14 2017 when it got to me. And so it took a couple years for
17:25:57 15 us to finish and file.

17:25:59 16 The case out of Tucson I want to say is in a
17:26:04 17 similar time frame; that it was something that was filed in
17:26:07 18 2019. But I -- honestly, I would want to refresh before I
17:26:12 19 gave you a specific case. None of them are 2020 cases, and
17:26:17 20 none of them are 2022 cases. So to me, that's older.

17:26:20 21 Q. So none of them resulted from a referral to the
17:26:24 22 Election Integrity Unit?

17:26:24 23 A. No. They predate.

17:26:25 24 Q. And the details of those cases would not have been
17:26:33 25 known by the legislature at the time they considered the

17:26:35 1 challenged laws; right?

17:26:36 2 A. The people who know about them are here in this
17:26:39 3 room and on this call and the members of the grand jury who
17:26:41 4 heard them. That's it.

17:26:43 5 MR. DODGE: I don't think I have any other
17:26:46 6 questions for Mr. Lawson.

17:26:47 7 MR. WHITAKER: Anything else from any other
17:26:49 8 defendants? Hearing none, let's --

17:26:54 9 MR. DODGE: Let's go off the record.

17:26:56 10 THE VIDEOGRAPHER: We are off the record.

17:27:00 11 Time on the video monitor is 5:26 p.m.

17:27:07 12 (A recess ensued.)

17:29:34 13 THE VIDEOGRAPHER: We are on the record.

17:29:49 14 Time on the video monitor is 5:29 p.m.

17:29:49 15

17:29:53 16 EXAMINATION

17:29:53 17 BY MR. DODGE:

17:29:54 18 Q. Hello, Mr. Thomas.

17:29:56 19 Could you please state your name for the
17:29:58 20 record.

17:29:58 21 A. Yes. My name is Keith Ross Thomas.

17:30:01 22 Q. I'm just going to go over some deposition ground
17:30:05 23 rules very briefly.

17:30:06 24 You understand that we have a court reporter
17:30:07 25 here whose job it is to make a complete and accurate record

17:30:10 1 of what we're saying here today?

17:30:11 2 A. I do.

17:30:13 3 Q. And so that the reporter can accurately record
17:30:14 4 today's deposition, can we agree that you will answer my
17:30:17 5 questions audibly and clearly?

17:30:18 6 A. Yes.

17:30:19 7 Q. If you do not understood a question or if a
17:30:22 8 question is confusing, please let me know and I will repeat
17:30:24 9 it or try to ask it in a different way. Does that make
17:30:27 10 sense?

17:30:27 11 A. Yes.

17:30:28 12 Q. If I do ask a question and you answer it, I will
17:30:31 13 assume that you understood the question. Make sense?

17:30:33 14 A. Yes.

17:30:33 15 Q. If you need to take a break, please just let me
17:30:36 16 know, but please finish answering any pending question
17:30:40 17 before doing so. Fair enough?

17:30:41 18 A. Yes.

17:30:41 19 Q. The court reporter asked you to take an oath just
17:30:45 20 a moment ago; correct?

17:30:47 21 A. No.

17:30:48 22 MR. DODGE: Then why don't we do that now.

23 ///

24 ///

25 KEITH THOMAS,

1 the witness herein, being first duly sworn,
2 was examined and testified as follows:

3

4 BY MR. DODGE:

17:31:03 5 Q. So just a moment ago you took an oath to
17:31:05 6 administered by the court reporter; correct?

17:31:07 7 A. I did.

17:31:07 8 Q. And you agreed to provide truthful and complete
17:31:11 9 testimony today; correct?

17:31:11 10 A. Yes.

17:31:11 11 Q. Any reason why you can't testify fully and
17:31:15 12 truthfully today?

17:31:15 13 A. No.

17:31:16 14 Q. Mr. Thomas, have you been deposed before?

17:31:19 15 A. I have.

17:31:20 16 Q. About how many times?

17:31:22 17 A. I don't know -- I don't know exactly how many.

17:31:25 18 I've been deposed criminally, civilly in other suits that
17:31:33 19 are nonrelated to the state. I would say, ballpark, maybe
17:31:39 20 a dozen, two dozen at least.

17:31:41 21 Q. Have any of these depositions concerned elections?

17:31:44 22 A. No.

17:31:46 23 Q. What's your current role at the Arizona Attorney
17:31:49 24 General's Office?

17:31:49 25 A. I'm a supervising special agent.

17:31:52 1 Q. And how long have you been in that role?

17:31:53 2 A. Approximately four years now.

17:32:00 3 Q. What are your responsibilities in that role?

17:32:02 4 A. My responsibilities right now are administrative.

17:32:06 5 So I'm in charge of training, purchasing, other

17:32:10 6 administrative duties to make sure that the Special

17:32:13 7 Investigations Section is operating, functioning correctly.

17:32:15 8 Q. And who do you report to in your current role?

17:32:18 9 A. Chief Agent James Cope.

17:32:21 10 Q. And does anyone report to you in your role?

17:32:23 11 A. No.

17:32:24 12 Q. How long have you been at the Attorney General's

17:32:28 13 Office generally?

17:32:29 14 A. Ten years.

17:32:30 15 Q. You understand that today you're here as a

17:32:33 16 representative on behalf of the Attorney General's Office;

17:32:35 17 correct?

17:32:35 18 A. Yes.

17:32:36 19 Q. And so if I refer to "you" or "your," you

17:32:38 20 understand that I'll be referring to the Attorney General's

17:32:41 21 Office as a whole and not to you personally; correct?

17:32:43 22 A. Correct.

17:32:44 23 Q. So you understand that your answers can be based

17:32:47 24 not just on your personal knowledge but also information

17:32:49 25 known or available to the Attorney General's Office;

17:32:52 1 correct?

17:32:52 2 A. Correct.

17:32:52 3 Q. Okay. I'm going to ask you to look at what has
17:33:05 4 been has previously been marked as Petty Exhibit 19, which
17:33:16 5 is 7 in the Dropbox. Let me mark it. Sorry.

17:33:20 6 A. And to correct how long I've been a supervisor --
17:33:20 7 I just did the math -- it's longer than that.

17:33:20 8 THE COURT REPORTER: Can you repeat that?

17:33:20 9 THE WITNESS: To correct how long I've been a
17:33:27 10 supervisor, it's been since 2016. So seven years. Sorry.

17:33:31 11 BY MR. DODGE:

17:33:31 12 Q. Can you tell me what this document is?

17:33:33 13 A. This is House Bill 2492.

17:33:38 14 Q. And are you familiar with this document?

17:33:40 15 A. I am.

17:33:41 16 Q. Did you review this document in preparation for
17:33:44 17 today's deposition?

17:33:45 18 A. I did.

17:33:46 19 Q. Could you please turn to page 4 and review
17:33:52 20 Section D at the bottom of that page.

17:34:03 21 A. You just want Section D? Not all --

17:34:29 22 Q. There's fine. That's fine.

17:34:30 23 A. Okay.

17:34:31 24 Q. Section D says, "Within ten days after receiving
17:34:34 25 an application for registration on a form produced by the

17:34:36 1 United States Election Assistance Commission that is not
17:34:39 2 accompanied by satisfactory evidence of citizenship, the
17:34:41 3 county recorder or other officer in charge of elections
17:34:44 4 shall use all available resources to verify the citizenship
17:34:47 5 status of the applicant and at a minimum shall compare the
17:34:50 6 information available on the application for registration
17:34:52 7 with the following, provided the county has access."

17:34:55 8 Did I get that right?

17:34:56 9 A. That is correct.

17:34:57 10 Q. When this bill uses the term an "application for
17:35:02 11 registration on a form produced by the United States
17:35:05 12 Election Assistance Commission," do you understand that to
17:35:06 13 be referring to something commonly called "the federal
17:35:08 14 form"?

17:35:12 15 MR. WHITAKER: Objection. Legal conclusion
17:35:15 16 and, I think, scope.

17:35:16 17 MR. LANGHOFER: Legal conclusion.

17:35:20 18 THE WITNESS: My -- my interpretation is a
17:35:23 19 voter registration form.

17:35:25 20 BY MR. DODGE:

17:35:26 21 Q. One prescribed by a federal agency; namely, the
17:35:31 22 United States Election Assistance Commission?

17:35:33 23 A. I would believe so. The only one I've ever seen
17:35:36 24 is the one that is filled out here in Arizona, I guess.
17:35:40 25 I'm not sure if there's a federal form or a -- or a state

form.

Q. Would you agree this section requires county recorders to search through a number of databases upon receiving a federal -- upon receiving the registration form described in the section when it's not accompanied by documentary proof of citizenship?

MR. WHITAKER: Legal conclusion and scope.

THE WITNESS: To verify a form, I would say yes, they would have to if there was no documentation.

BY MR. DODGE:

Q. And the databases that the county recorders are required to search include the Arizona Department of Transportation driver's license database?

MR. WHITAKER: Same objections.

THE WITNESS: I believe that could be one of them, yes.

BY MR. DODGE:

Q. Why don't you take a moment and review the numerals in Subsection D, beginning on line 42 of page 4 and ending at line 8 of page 5. Let me know when you're ready to proceed.

A. I'm ready.

Q. So based on your review of this text, the databases the county recorders must search under this part of the law include the Arizona Department of Transportation

17:37:09 1 database?

17:37:09 2 A. Yes.

17:37:10 3 Q. The Social Security Administration database?

17:37:13 4 A. Yes.

17:37:14 5 Q. The United States Citizenship and Immigration

17:37:16 6 Services database?

17:37:16 7 A. Yes.

17:37:17 8 Q. The National Association for Public Health

17:37:22 9 Statistics and Information Systems database?

17:37:22 10 A. Correct.

17:37:23 11 Q. The ERIC database?

17:37:25 12 A. Correct.

17:37:26 13 Q. And any other database the recorder or election

17:37:30 14 officer has access to, correct?

17:37:31 15 A. Correct.

17:37:32 16 MR. WHITAKER: Same objections to those

17:37:33 17 questions.

17:37:34 18 BY MR. DODGE:

17:37:34 19 Q. Can you now take a moment to review Subsection E,

17:37:38 20 beginning at line 9.

17:37:45 21 A. Okay.

17:38:20 22 Q. Beginning at line 14, it says, "If the county

17:38:24 23 recorder or other officer in charge of elections matches of

17:38:26 24 the applicant with information that the applicant is not a

17:38:28 25 United States citizen, the county recorder or other officer

17:38:31 1 in charge of elections shall reject the application, notify
17:38:34 2 the applicant that the application was rejected because the
17:38:37 3 applicant is not a United States citizen, and forward the
17:38:40 4 application to the county attorney and attorney general for
17:38:43 5 investigation."

17:38:44 6 Did I get that right?

17:38:44 7 A. That is correct.

17:38:45 8 Q. Who in your office would be responsible for
17:38:47 9 performing such an investigation?

17:38:50 10 A. If it was a criminal violation, it would come to
17:38:53 11 the Special Investigations Section.

17:38:56 12 Q. And would Mr. Knuth be responsible for
17:38:58 13 investigating it at that point?

17:38:59 14 A. Yes. I believe he would be the one that would be
17:39:02 15 assigned that case.

17:39:03 16 Q. Have any county recorders' offices referred
17:39:07 17 applications to you since the enactment of HB 2492 that
17:39:11 18 appear to match an applicant with information that they are
17:39:13 19 not a citizen?

17:39:15 20 A. Not that I'm aware of.

17:39:19 21 Q. Has your office made any plans to comply with the
17:39:22 22 requirement that it, quote, investigate any applications
17:39:25 23 that it received from county recorder offices under this
17:39:28 24 provision?

17:39:29 25 MR. WHITAKER: Objection. I think

17:39:30 1 mischaracterizes the record.

17:39:34 2 BY MR. DODGE:

17:39:34 3 Q. You can answer.

17:39:35 4 A. I'm not aware of any, no.

17:39:37 5 Q. Has your office drafted any policies or procedures

17:39:45 6 related to how it intends to enforce this provision of

17:39:47 7 HB 2492?

17:39:50 8 A. Not that I'm aware of.

17:39:51 9 Q. Do you know if your office has any plans to create

17:39:54 10 such policies or procedures?

17:39:55 11 A. Not that I'm aware of.

17:39:57 12 Q. Has your office created any training or guidance

17:40:01 13 materials related to how it intends to enforce this

17:40:03 14 provision of HB 2492?

17:40:05 15 A. Not that I'm aware of.

17:40:05 16 Q. Does your office have any plans to create any

17:40:07 17 training or guidance materials?

17:40:08 18 A. Not that I'm aware of.

17:40:09 19 Q. Okay. Can you please refer to -- let me hand you

17:40:16 20 what's previously been marked as Exhibit 212, which, again,

17:40:21 21 is Number 6 in the Dropbox.

17:40:28 22 Can you tell me what this document is?

17:40:29 23 A. This is the interrogatories, plaintiffs' first set

17:40:34 24 of.

17:40:37 25 Q. And did you review this document in preparation

17:40:40 1 for today's deposition?

17:40:41 2 A. I did.

17:40:42 3 Q. Did you help at all with the preparation of this
17:40:45 4 document?

17:40:45 5 A. No.

17:40:46 6 Q. Could you please turn to page 23 and review
17:40:50 7 Interrogatory Number 6.

17:40:53 8 Could you read aloud the first sentence of
17:40:55 9 that interrogatory.

17:41:00 10 A. 23 and Interrogatory Number 6?

17:41:03 11 Q. Yes. Page 23. It's right at the top,
17:41:06 12 Interrogatory Number 6.

17:41:06 13 A. "Identify all databases or other sources of
17:41:10 14 citizenship information that are accessible to you or that
17:41:14 15 you anticipate will become accessible to you, and which of
17:41:17 16 those are practicable to use in ways required by the
17:41:21 17 Challenged Laws. Your answer should identify by name any
17:41:26 18 witness who have or likely to have knowledge or information
17:41:31 19 related to the identified databases."

17:41:35 20 Q. You see below that your office responded to this
17:41:38 21 interrogatory in a number of subparts; is that correct?

17:41:40 22 A. That is correct.

17:41:41 23 Q. Could you take a moment to review your resp- --
17:41:44 24 Subpart 1 and your response to Subpart 1.

17:41:48 25 A. Okay.

17:42:40 1 Q. Looking at line 22, your response states, quote,
17:42:43 2 "If investigators in the Attorney General's Office need to
17:42:46 3 verify an individual's social security number, they can
17:42:48 4 make a formal request to the federal Social Security
17:42:51 5 Administration. However, investigators do not have direct
17:42:53 6 access to the Social Security Administration's database."

17:42:56 7 Did I get that right?

17:42:57 8 A. That's correct.

17:42:58 9 Q. It's correct to say that your office does not have
17:43:00 10 direct access to the Social Security Administration's
17:43:03 11 database?

17:43:03 12 A. We do not.

17:43:04 13 Q. Instead, your office has to make a formal request
17:43:07 14 to the Social Security Administration?

17:43:09 15 A. Correct. In the past, it's been by fax.

17:43:13 16 Q. Does it continue to be by fax?

17:43:15 17 A. I don't know if it's changed. As of about a year
17:43:18 18 ago, it still was a fax.

17:43:20 19 Q. Does your office use fax for any other business it
17:43:24 20 conducts?

17:43:25 21 A. We used to use them for the search warrant center,
17:43:29 22 but we converted over to emails, I believe.

17:43:31 23 Q. So outdated method for communicating with the
17:43:35 24 Social Security Administration?

17:43:36 25 A. It is.

17:43:37 1 Q. How does your office make a formal request to the
17:43:42 2 Social Security Administration?

17:43:44 3 A. It is usually on a letterhead, when it's by fax,
17:43:48 4 asking to verify the Social Security number to -- to find
17:43:51 5 out if it matches a particular individual. The Social
17:43:56 6 Security Administration will just either verify it matches
17:43:58 7 the person or does not match the person. They don't give
17:44:01 8 us the name that it actually matches.

17:44:03 9 Q. What information do you need to provide to the
17:44:05 10 Social Security Administration when you make such a
17:44:08 11 request?

17:44:08 12 A. Generally, we just include that it's a criminal
17:44:11 13 investigation. I've always added, at least when I was an
17:44:15 14 investigator, a case number that's associated with that for
17:44:18 15 tracking and auditing purposes.

17:44:21 16 Q. Who in your office is responsible for making such
17:44:26 17 requests?

17:44:27 18 A. All agents. If they are assigned the case, they
17:44:30 19 actually do the work.

17:44:31 20 Q. Does the Social Security Administration ever not
17:44:35 21 respond to a request?

17:44:36 22 A. I think at times they are very slow because they
17:44:41 23 go to one point of contact that I'm aware of that they all
17:44:45 24 trickle into. And they handle them for all law enforcement
17:44:49 25 agencies. I would hope it's not nationwide. Maybe just

17:44:54 1 Arizona.

17:44:55 2 Q. How long does it typically take to receive a
17:44:58 3 response?

17:45:01 4 A. I would estimate maybe a day or two. It -- as
17:45:06 5 long as they're not inundated with responses. I know
17:45:09 6 during this last election investigations that we went
17:45:13 7 through, the 2020 -- I'm sure they received quite a bit.

17:45:18 8 Q. And that one-day estimate is when you make a
17:45:20 9 request for a single Social Security number?

17:45:23 10 A. Correct.

17:45:24 11 Q. Would it take longer if you made a request for
17:45:27 12 many Social Security numbers all at once?

17:45:29 13 A. Absolutely.

17:45:29 14 Q. Would it take longer to fax a list of numerous
17:45:33 15 Social Security numbers to the Social Security
17:45:36 16 Administration?

17:45:36 17 A. Yes.

17:45:37 18 Q. I think you testified to this earlier, but the
17:45:40 19 Social Security Administration's response is usually either
17:45:43 20 indicating a match or a not match; is that right?

17:45:46 21 A. Correct.

17:45:46 22 Q. They don't provide any additional information?

17:45:49 23 A. Not that I'm aware of.

17:45:50 24 Q. So the response would not include anything with
17:45:54 25 respect to whether or not any given individual is a U.S.

17:45:56 1 citizen; right?

17:45:58 2 A. Correct.

17:45:58 3 Q. Looking at line 26 of your response, it states,

17:46:04 4 "If investigators in the Attorney General's Office need to

17:46:08 5 verify whether an individual was born in Arizona, they can

17:46:10 6 ask the Arizona Department of Health Services (Vital

17:46:14 7 Records) for a birth certificate. If Investigators need to

17:46:16 8 verify whether an individual was born in a different state,

17:46:19 9 they generally can ask an equivalent agency of that state."

17:46:21 10 Did I get that right?

17:46:22 11 A. That is correct.

17:46:23 12 Q. Is your office able to directly access the Arizona

17:46:26 13 Department of Health Services' records?

17:46:27 14 A. No.

17:46:28 15 Q. So you need to make a request of that agency?

17:46:31 16 A. Yes.

17:46:32 17 Q. How do you make such a request?

17:46:35 18 A. I believe now they email all requests over to

17:46:38 19 Vital Records.

17:46:39 20 Q. When you say "they," you're referring to

17:46:43 21 investigators in your office?

17:46:43 22 A. Investigators. Yes, sir.

17:46:44 23 Q. What sort of information needs to be included in

17:46:47 24 that request?

17:46:47 25 A. I believe it's very similar to the Social Security

17:46:50 1 request. They would have to include case number,
17:46:54 2 indicating that they have an investigation, and then all
17:46:59 3 the particulars of the involved individual. I believe that
17:47:02 4 Vital Records actually provided the investigators a form at
17:47:06 5 one point that they filled out, and they would transmit
17:47:10 6 that.

17:47:10 7 Q. They no longer need to complete a form?

17:47:13 8 A. As far as I know, they still need to. There's --
17:47:17 9 there's -- there used to be, at least when I was
17:47:20 10 conducting, verifications years ago. We would have to
17:47:24 11 check a box for what it was for, or else then they would
17:47:28 12 charge the agency if you didn't say it was for a criminal
17:47:31 13 investigation or some form of an investigation.

17:47:34 14 Q. Does that agency ever not respond to a request?

17:47:38 15 A. I would not say that they don't respond, but
17:47:42 16 they're very slow.

17:47:44 17 Q. Slower than the Social Security Administration?

17:47:46 18 A. Much slower.

17:47:47 19 Q. So how long does it typically take to receive a
17:47:50 20 response?

17:47:53 21 A. Some of the agents that work for me within the
17:47:57 22 past year or so complained that it was taking two, three
17:48:00 23 weeks at minimum.

17:48:02 24 Q. And that's when requesting a birth certificate for
17:48:05 25 just one individual; right?

17:48:05 1 A. Yes. That's -- that's just from Arizona. I know
17:48:09 2 other states, they didn't even receive responses back.

17:48:12 3 Q. Presumably, it would take longer for them to
17:48:14 4 respond if an investigator made a request for numerous
17:48:17 5 individuals at one time; right?

17:48:19 6 A. I will assume it would take longer, yes --
17:48:22 7 workload.

17:48:23 8 Q. And when the agency does respond to a request,
17:48:24 9 what information do they provide your office?

17:48:27 10 A. That I don't know. I have not seen those requests
17:48:31 11 come back as of recent. When I used to submit them a long
17:48:35 12 time ago, they would give back, like, a birth certificate
17:48:40 13 basically or a death certificate, you know, regarding --

17:48:44 14 Q. If the -- if the agency responded indicating it
17:48:47 15 lacked a birth certificate -- an Arizona birth certificate
17:48:49 16 for that individual, do they ever issue responses like
17:48:52 17 that?

17:48:53 18 A. They would say there's no record found.

17:48:55 19 Q. Would that indicate to your office that the
17:48:57 20 individual was not a United States citizen?

17:48:59 21 A. No.

17:49:01 22 Q. You alluded to this a moment ago with respect to
17:49:07 23 requests to other states.

17:49:08 24 How frequently do investigators in your
17:49:11 25 office make requests to similar agencies in other states?

17:49:15 1 A. I believe you had Special Agent Knuth in here. I
17:49:20 2 believe he's emailed numerous states, California being one.
17:49:25 3 I don't think he's ever received a birth certificate back
17:49:28 4 from them.

17:49:30 5 Q. California is probably a state where a lot of
17:49:34 6 individuals in Arizona not born in Arizona are from; right?

17:49:38 7 A. Yes.

17:49:39 8 Q. Probably have to reach out to the California
17:49:42 9 agency more often than other states? Fair to say?

17:49:45 10 A. Not necessarily. We have a lot of transplants.

17:49:50 11 Q. Do -- do most states fail to respond to requests
17:49:56 12 for birth certificates?

17:49:57 13 A. I think it just depends on the state. Some states
17:50:01 14 are more open to public records than others. Arizona is
17:50:06 15 one of those that is very open. California is not. I
17:50:12 16 think it just depends on each state.

17:50:15 17 Q. Looking at line 3 of page 24, your response
17:50:19 18 states, "Investigators in the Attorney General's Office
17:50:21 19 can [sic] access Arizona Department of Transportation
17:50:24 20 databases."

17:50:25 21 Did I get that right?

17:50:26 22 A. That's correct.

17:50:27 23 Q. How do investigators in your office access DOT
17:50:27 24 databases?

17:50:27 25 A. So we have access through the Arizona Criminal

17:50:38 1 Justice Information System, which is linked to the
17:50:38 2 national -- national database, which is managed by the FBI.
17:50:44 3 They're all interconnected. They have direct access
17:50:49 4 through five terminals that are located within this
17:50:50 5 building.

17:50:51 6 Q. Are all investigators in your office familiar with
17:50:56 7 the DOT database?

17:50:57 8 A. Yes.

17:50:59 9 Q. How would investigators in your office use that
17:51:02 10 database to determine if someone was a U.S. citizen?

17:51:05 11 A. They would -- they would log into it. They could
17:51:09 12 pull up a driver's license. That would give them a
17:51:13 13 photograph, a series of signatures. It actually will give
17:51:18 14 them a historic listing of all the photographs and
17:51:22 15 signatures that are associated with that license.

17:51:25 16 Now, that is related, you know, basically to
17:51:30 17 any driver's license or identification card that -- that
17:51:36 18 ADOT has on file.

17:51:38 19 Q. Is the ADOT database information always up to
17:51:46 20 date?

17:51:46 21 A. I think I need more -- a little more
17:51:49 22 clarification. You mean, like, current addresses?

17:51:52 23 Q. Is the information contained in that database
17:51:55 24 usually up to date?

17:51:57 25 A. It -- our access to it, yes, is -- is whatever

17:52:02 1 they have updated with, but it's -- to say everybody's
17:52:06 2 information is always accurate -- is not. Having worked as
17:52:09 3 a patrol officer for 15 years, working the road, I know
17:52:13 4 people don't update their driver's license address within
17:52:16 5 ten business days. So I would say no.

17:52:21 6 Q. And an individual might not update the Department
17:52:26 7 of Transportation on whether or not they became a
17:52:27 8 naturalized citizen, for example; right?

17:52:31 9 MR. WHITAKER: Form, foundation.

17:52:32 10 THE WITNESS: I'm not sure if they're
17:52:33 11 required to notify them.

17:52:35 12 BY MR. DODGE:

17:52:35 13 Q. In which case, they wouldn't; right?

17:52:38 14 MR. WHITAKER: Foundation.

17:52:39 15 THE WITNESS: Yeah, I -- I don't know if I
17:52:41 16 could answer that. I don't know if they're required to.

17:52:43 17 BY MR. DODGE:

17:52:45 18 Q. Noncitizens are able to obtain driver's licenses
17:52:47 19 in Arizona; correct?

17:52:48 20 A. That is correct.

17:52:49 21 Q. And if a noncitizen obtained a driver's license in
17:52:52 22 Arizona and subsequently became a naturalized citizen,
17:52:55 23 would the Department of Transportation's database reflect
17:52:58 24 that information?

17:52:59 25 MR. WHITAKER: Foundation.

17:53:01 1 THE WITNESS: I don't think it would. At
17:53:03 2 least the access that we see, we would not know of the
17:53:06 3 difference.

17:53:06 4 BY MR. DODGE:

17:53:07 5 Q. And I believe you just testified that you're not
17:53:08 6 aware of any requirement that an individual who becomes a
17:53:10 7 naturalized citizen is required to update their status with
17:53:13 8 the Department of Transportation; correct?

17:53:15 9 MR. WHITAKER: Slightly misconstrued
17:53:17 10 testimony.

17:53:19 11 THE WITNESS: Correct.

17:53:19 12 BY MR. DODGE:

17:53:21 13 Q. Do you know how many individuals in the Department
17:53:25 14 of Transportation's databases currently have an unexpired
17:53:30 15 foreign authorized driver's license but are now naturalized
17:53:33 16 citizens?

17:53:33 17 A. I do not.

17:53:35 18 Q. Does your office consider it conclusive proof that
17:53:39 19 a person is not a U.S. citizen if they are listed as a
17:53:41 20 noncitizen in the Department of Transportation's database?

17:53:44 21 A. That I can't answer. Again, we don't -- when you
17:53:49 22 view the screen, it doesn't tell you if they're a citizen,
17:53:52 23 a noncitizen, or a legal resident or here legally.

17:53:58 24 Q. Looking at line 5 on page 24, your response
17:54:01 25 states, quote, "Investigators in the Attorney General's

17:54:03 1 Office cannot (as far as they know) access USCIS
17:54:07 2 databases."

17:54:07 3 Did I get that right?

17:54:09 4 A. Correct.

17:54:09 5 Q. So to your knowledge, investigators in your office
17:54:13 6 cannot access the USCIS database; right?

17:54:15 7 A. No.

17:54:15 8 Q. Has an investigator in your office ever needed to
17:54:18 9 access the USCIS database?

17:54:22 10 MR. WHITAKER: Foundation.

17:54:22 11 THE WITNESS: I have, yes. I would say
17:54:23 12 others have, yes.

17:54:24 13 BY MR. DODGE:

17:54:24 14 Q. Were you ultimately able to access that database?

17:54:26 15 A. No.

17:54:27 16 Q. Did you try to access it?

17:54:29 17 A. No.

17:54:30 18 Q. Why not?

17:54:32 19 A. That's a federal database. We usually have to
17:54:35 20 send our request to a federal agent for them to access the
17:54:40 21 database and then send us the information back.

17:54:43 22 Q. So it's not practical or convenient for
17:54:47 23 investigators in your office to access that database?

17:54:50 24 A. No.

17:54:51 25 MR. WHITAKER: Foundation.

17:54:52 1 BY MR. DODGE:

17:54:53 2 Q. It's difficult or even impossible?

17:54:57 3 A. It's difficult and it's slow.

17:55:02 4 Q. Line 7 of your response states, quote,

17:55:05 5 "Investigators in the Attorney General's Office are unsure
17:55:08 6 whether they can access the National Association for Public
17:55:13 7 Health Statistics and Information Systems databases."

17:55:13 8 Did I get that right?

17:55:15 9 A. Correct.

17:55:16 10 Q. Are you aware of an investigator in your office
17:55:19 11 ever trying to access a database maintained by that agency?

17:55:23 12 A. No, I'm not.

17:55:24 13 Q. Is that a resource that investigators in your
17:55:26 14 office have ever needed to consult?

17:55:28 15 A. Not that I'm aware of; nor would I advise them to
17:55:32 16 use it.

17:55:32 17 Q. Why not?

17:55:33 18 A. Because it's an "org," a ".org." It's not a
17:55:37 19 government address.

17:55:38 20 Q. And because of that, you would have doubts as to
17:55:44 21 its reliability?

17:55:45 22 A. Correct.

17:55:46 23 Q. Do you know whether that database allows you
17:55:50 24 reliably match an Arizona voter record to a database record
17:55:54 25 in that database?

17:55:55 1 A. I don't know.

17:55:57 2 Q. Do you know whether that database provides
17:56:02 3 information about a person's citizenship?

17:56:05 4 A. I don't know.

17:56:06 5 Q. Line 9 of your response states, "quote,
17:56:14 6 "Investigators in the Attorney General's Office do not have
17:56:17 7 direct access to voter registration databases maintained by
17:56:20 8 County Recorders or to the Electronic Registration
17:56:24 9 Information Center database."

17:56:24 10 Did I get that right?

17:56:26 11 A. Yes.

17:56:26 12 Q. So correct that your office did not have access to
17:56:30 13 ERIC?

17:56:31 14 A. No.

17:56:31 15 Q. Has your office ever requested access to ERIC?

17:56:35 16 A. I don't know.

17:56:36 17 Q. And has an investigator in your office ever needed
17:56:39 18 to use ERIC in the course of their duties?

17:56:43 19 A. Not that I'm aware of.

17:56:45 20 Q. Turning to Subpart 2, can you just briefly review
17:56:54 21 your response there.

17:57:25 22 A. Okay.

17:57:33 23 Q. Looking at the top of page 25, at line 1, your
17:57:48 24 response here indicates, quote, "The Attorney General notes
17:57:51 25 that A.R.S. Section 16-143 directs another party to provide

17:57:54 1 the Attorney General access to a USCIS database. However,
17:57:58 2 investigators in the Attorney General's Office are
17:58:00 3 currently unaware of such access having been granted."

17:58:03 4 Did I get that right?

17:58:03 5 A. Correct.

17:58:04 6 Q. To your knowledge, has your office yet been
17:58:06 7 granted access to any USCIS database that contains
17:58:10 8 citizenship information?

17:58:10 9 A. No.

17:58:11 10 Q. Who would be able to grant such access?

17:58:13 11 A. Only the federal government.

17:58:15 12 Q. Does any official within the State of Arizona have
17:58:17 13 the power to grant that access?

17:58:19 14 A. No.

Q. Is it fair to say, then, that your office does not have access to several of the databases that HB 2492 requires it to consult when investigating an alleged noncitizen?

A. Correct.

MR. LANGHOFER: Legal conclusion.

BY MR. DODGE:

Q. Is it also fair to say that several of the databases that HB 2492 requires you to consult are not the databases that investigators in your office would ordinarily consult in their duties?

MR. WHITAKER: Legal conclusion.

THE WITNESS: Not ordinarily check into? I don't know if I could answer that. I would say they would like to be able to, but they can't.

BY MR. DODGE:

Q. And there you're referring to USCIS? Or which databases are you referring to?

A. ERIC, USCIS.

Q. But there are databases in that list -- for example, the one that you noted ended in .org -- that are not databases your investigators would ordinarily consult in their duties; right?

A. No. Those would be considered what I call

17:59:37 1 intelligence leads.

17:59:40 2 Q. And by that, you mean something that might be

A. I believe that the USCIS --

managed by Homeland Security investigations.
BY MR. DODGE:
Q. Any other databases?
MR. LANGHOFER: Foundation.
THE WITNESS: U.S. State Department.
BY MR. DODGE:
Q. So fair to say that the only databases that you
believe that contain reliable and up-to-date citizenship
information are those that your office generally does not
have access to?
A. Correct.
MR. LANGHOFER: Foundation.
BY MR. DODGE:
Q. In view of these limitations, does your office
have plans about how it intends to comply with HB 2492?
A. I do not know the answer to that.
Q. Turning to Subpart 3, that states, "Identify which
of the databases or other sources of citizenship
information that are accessible to you or that you
anticipate will become accessible to you are practicable to
use in the ways required by the Challenged Laws."

18:01:34 1 Did I get that right?

18:01:35 2 A. Correct.

18:01:35 3 Q. Turning to the top of page 26, line 1, part of
18:01:44 4 your response to that interrogatory states, quote, "As
18:01:47 5 stated above, investigators in the Attorney General's
18:01:49 6 Office can access Arizona Department of Transportation
18:01:51 7 databases. However, these databases are only as reliable
18:01:54 8 as the information put in and may not be decisive about
18:01:58 9 U.S. citizenship."

18:01:58 10 Did I get that right?

18:01:59 11 A. That's correct.

18:01:59 12 Q. Is there a reason your office included that caveat
18:02:03 13 specifically for the Arizona Department of Transportation
18:02:05 14 but not for other databases?

18:02:09 15 A. The Department of Transportation does not
18:02:13 16 designate citizenship, if that's what you're asking.
18:02:16 17 That's why we could not -- we couldn't use that database to
18:02:20 18 verify citizenship.

18:02:22 19 You could have non-USCs that are here legally
18:02:27 20 that have driver's licenses or ID cards, and it -- it
18:02:31 21 wouldn't look different than you and I having a driver's
18:02:35 22 license or ID card.

18:02:35 23 Q. What type of evidence would your office consider
18:02:44 24 sufficient probable cause to believe that an applicant is
18:02:46 25 not a citizen?

18:02:48 1 MR. LANGHOFER: Speculation.

18:02:50 2 THE WITNESS: I think it would just have to
18:02:52 3 depend on the complaint itself. Every -- every one is
18:02:56 4 reviewed for its own merits. I couldn't give you a
18:02:59 5 specific template for that, because they're all different.

18:02:59 6 BY MR. DODGE:

18:03:03 7 Q. Would an individual coming to your office and
18:03:05 8 stating that they think their neighbor is not a citizen
18:03:08 9 constitute probable cause?

18:03:11 10 MR. LANGHOFER: Legal conclusion.

18:03:13 11 THE WITNESS: It may. Depends on the
18:03:15 12 information they provide.

18:03:17 13 BY MR. DODGE:

18:03:19 14 Q. Would a Facebook post from an individual stating
18:03:22 15 that they believe an individual is not a citizen and is
18:03:24 16 voting in Arizona constitute probable cause?

18:03:29 17 A. No.

18:03:29 18 MR. WHITAKER: Speculation.

18:03:29 19 MR. LANGHOFER: Legal conclusion.

18:03:30 20 THE WITNESS: No. That's -- I mean, the
18:03:31 21 highest you could get is reasonable suspicion. You could
18:03:36 22 never get to probable cause on that.

18:03:38 23 BY MR. DODGE:

18:03:38 24 Q. What -- what does your office do once it has
18:03:41 25 reasonable suspicion that someone is not a citizen and is

18:03:45 1 voting in Arizona?

18:03:47 2 MR. WHITAKER: Speculation.

18:03:49 3 THE WITNESS: For me personally and the other
18:03:51 4 investigators, we would look in to see, you know, how long
18:03:55 5 their standing was, if -- we could use other databases that
18:04:02 6 could show addresses, potentially where they were born, and
18:04:09 7 it -- generally -- so on some of those complaints, we were
18:04:12 8 able to determine that they actually had been here and had
18:04:15 9 family here for quite a while, so we didn't need to go any
18:04:19 10 further.

18:04:19 11 BY MR. DODGE:

18:04:20 12 Q. So a Facebook post might be sufficient to have one
18:04:24 13 of your investigators further investigate an individual?
18:04:27 14 Is that fair?

18:04:29 15 A. Yes. We would call that, like, a cursory.

18:04:35 16 Q. Do you know whether applicants with certain
18:04:38 17 surnames are more likely to be mistakenly matched in a
18:04:41 18 database with a noncitizen?

18:04:44 19 MR. LANGHOFER: Foundation.

18:04:45 20 MR. WHITAKER: Yeah, and compound.

18:04:47 21 THE WITNESS: That I don't know. I think I
18:04:49 22 would have to -- I'd have to see the name itself.

18:04:52 23 BY MR. DODGE:

18:04:53 24 Q. Does your office consider a person's birthplace to
18:04:57 25 be reliable evidence of U.S. citizenship?

18:04:58 1 A. Yes.

18:04:58 2 Q. In what context?

18:05:00 3 A. If they're born in the United States and they have

18:05:04 4 a birth certificate that is issued by a state department of

18:05:10 5 Vital Records or someone that was -- a birth certificate

18:05:14 6 that was issued that -- if they were born abroad, like, on

18:05:17 7 a U.S. military installation, those verify citizenship.

18:05:24 8 Doesn't mean they couldn't have had their civil rights

18:05:26 9 taken away, but for citizen purposes -- citizenship

18:05:30 10 purposes, yes.

18:05:31 11 Q. Does your office consider the fact that a person's

18:05:34 12 birthplace is outside of the United States to be reliable

18:05:37 13 evidence that they are not a United States citizen?

18:05:40 14 A. No.

18:05:41 15 Q. I'm going to -- I'm going to take a hard-right

18:05:49 16 turn to a different subject here. And I'm -- these

18:05:54 17 questions relate to claims made in the wake of the 2020

18:05:57 18 election.

18:13:18 7 Q. Welcome back, Mr. Thomas. I'd like to ask you
18:13:23 8 some questions about the Election Integrity Unit, if that's
18:13:24 9 okay.
18:13:25 10 A. Yes, sir.
18:13:26 11 Q. It was created in 2019; is that right?
18:13:28 12 A. I believe that's correct.
18:13:29 13 Q. And was it created by the legislature or by the
18:13:31 14 Attorney General's Office?
18:13:32 15 A. That I don't know.
18:13:33 16 Q. What was its purpose when it was first created?
18:13:38 17 A. It was to be able to conduct investigations on
18:13:42 18 cases that were referred to us on voter fraud. I know
18:13:48 19 initially when I started with this agency in 2013, that we
18:13:56 20 received cases from the Clean Elections, and they would
18:14:00 21 just be randomly assigned to different investigators. And
18:14:04 22 I thought it was a great idea that they designated one
18:14:08 23 individual that was the point of contact. Made it more
18:14:12 24 efficient.
18:14:14 25 Q. And the Election Integrity Unit was funded by the

18:14:17 1 legislature at the time it was created; correct?

18:14:20 2 A. I believe so.

18:14:20 3 Q. It was -- it was led by Ms. Wright from 2019 to
18:14:24 4 2023, thereabouts?

18:14:26 5 A. I don't know if it was -- well, I would say it was
18:14:29 6 led by her on the civil side, not on the criminal side.

18:14:33 7 Q. Okay. Do you know whether the Election Integrity
18:14:35 8 Unit was modeled on similar units in attorney generals'
18:14:40 9 offices in other states?

18:14:42 10 A. I don't know the answer to that.

18:14:46 11 Q. Can you tell me what the current mission of the
18:14:52 12 Election Integrity Unit is?

18:14:53 13 A. I believe it's to investigate voter fraud and to
18:14:56 14 try to reestablish integrity within the election system.

18:15:03 15 Q. I'm going to hand you what I'll ask to be marked
18:15:11 16 as Exhibit 226, which is 12.1 in the Dropbox.

18:15:19 17 This appears to be a January 23, 2023,
18:15:21 18 article in the New York Times. Do I have that right?

18:15:21 19 A. Yes.

18:15:21 20 (The document was marked as Exhibit 226
18:15:26 21 for identification.)

18:15:26 22 BY MR. DODGE:

18:15:28 23 Q. And the title of this article is "Voter Fraud Unit
18:15:31 24 in Arizona Will Shift Focus to Voter Rights." Did I get
18:15:34 25 that right?

18:15:35 1 A. Yes.

18:15:39 2 Q. And right below that title is -- states, "Kris
18:15:44 3 Mayes, the state's Democratic attorney general, is shifting
18:15:46 4 gears on election issues in an office her Republican
18:15:50 5 predecessor created."

18:15:50 6 Did I get that right?

18:15:51 7 A. Correct.

18:15:52 8 Q. Okay. And then the first three sentences of this
18:15:55 9 article state, "Arizona's new Democratic attorney general,
18:15:59 10 Kris Mayes, is redirecting an election integrity unit her
18:16:02 11 Republican predecessor created, focusing its work instead
18:16:04 12 on addressing voter suppression. The shift by Ms. Mayes is
18:16:08 13 one of her first acts since she took office this month.

18:16:11 14 "The unit's former leader, Jennifer Wright,
18:16:11 15 meanwhile, has joined a legal effort to invalidate
18:16:16 16 Ms. Mayes's narrow victory in the November election.
18:16:17 17 'Under my predecessor's administration, the election
18:16:21 18 integrity unit searched widely for voter fraud and found
18:16:23 19 scant evidence of it occurring in Arizona,' Ms. Mayes said
18:16:27 20 in a statement provided by her office on Monday. 'That's
18:16:29 21 because instances of voter fraud are exceedingly rare.'"

18:16:32 22 Did I get all that right?

18:16:34 23 A. Correct.

18:16:34 24 Q. So fair to say that one of Ms. Mayes's first acts
18:16:37 25 in office as attorney general was to refocus the election

18:16:41 1 Election Integrity Unit's mission?

18:16:42 2 A. Correct.

18:16:46 3 Q. And --

18:16:47 4 MR. LANGHOFER: Scope and relevance.

18:16:48 5 BY MR. DODGE:

18:16:48 6 Q. The quote in the third paragraph is attributed

18:16:51 7 directly to Attorney General Mayes; is that right?

18:16:54 8 A. Correct.

18:16:55 9 Q. Any reason to doubt that Ms. Mayes said that?

18:16:59 10 A. No.

18:17:00 11 Q. So is it the attorney general's view that

18:17:03 12 instances of voter fraud in Arizona are exceedingly rare?

18:17:09 13 A. Correct.

18:17:10 14 Q. Has the Arizona legislature made the decision to

18:17:18 15 stop funding the Election Integrity Unit?

18:17:21 16 A. I don't know the answer to that.

18:17:22 17 Q. Could you pull up Exhibit 212 again and turn to

18:17:28 18 page 9.

18:17:39 19 And you see your response to Subpart 5 here

18:17:48 20 states, "Identify by name any witnesses who have or are

18:17:51 21 likely to have knowledge or information related to how the

18:17:53 22 Challenged Laws are likely to interact with the state

18:17:56 23 interests identified in this answer."

18:17:57 24 Did I get that right?

18:17:58 25 A. Yes.

18:17:58 1 Q. Looking at Footnote 3 on the next page, it
18:18:01 2 states -- well, above that, you see that Jennifer Wright is
18:18:06 3 identified as an individual, quote, "likely to have
18:18:08 4 information about complaints submitted through the Election
18:18:12 5 Integrity Unit's online intake portal other complaints";
18:18:13 6 right?

18:18:14 7 A. Correct.

18:18:15 8 Q. Then there's a note associated with Ms. Wright.

18:18:18 9 It says, "Jennifer Wright left the Attorney
18:18:18 10 General's Office in January 2023. Since then, the
18:18:20 11 Legislature has discontinued funding for the office's
18:18:24 12 Election Integrity Unit."

18:18:26 13 Did I get that right?

18:18:26 14 A. That's correct.

18:18:27 15 Q. Any reason to doubt the accuracy of that
18:18:29 16 statement?

18:18:30 17 A. No.

18:18:34 18 Q. Are you aware of an investigation launched by the
18:18:46 19 Arizona State Senate into the conduct-- that's not a
18:18:51 20 word. Strike that.

18:18:51 21 Are you aware of an investigation launched by
18:18:54 22 the Arizona State Senate into the 2020 general election in
18:18:58 23 Maricopa County?

18:18:58 24 A. Yes.

18:19:00 25 Q. Are you familiar with a company called Cyber

18:19:03 1 Ninjas?

18:19:03 2 A. Yes.

18:19:04 3 Q. Can you tell me generally what Cyber Ninjas?

18:19:08 4 A. Cyber Ninjas was formed by Doug Logan, who is kind
18:19:12 5 of a tech individual that started this Cyber Ninjas, LLC.
18:19:20 6 He tried to pull in some individuals to assist him on
18:19:23 7 conducting an audit of the 2020 election in Arizona.

18:19:32 8 I know he evaluated the computer systems or
18:19:35 9 the voting systems that were used in Maricopa County.
18:19:41 10 Also, they reviewed the paper ballots themselves, some
18:19:45 11 other documents.

18:19:49 12 They used the colosseum to do it. They hired
18:19:53 13 a bunch of volunteers to do work, which was kind of scary.
18:19:59 14 And --

18:20:02 15 Q. What was scary about it?

18:20:04 16 A. Well, so I manage our -- our evidence room, and we
18:20:08 17 believe in chain of custody on documents. Anything that's
18:20:14 18 seized in evidence, you have to have a chain of custody.
18:20:16 19 And you always want to make sure and maintain that chain of
18:20:18 20 custody for the integrity of the evidence.

18:20:20 21 From what I could see in the news media on
18:20:24 22 videos that were -- that I viewed, chain of custody was not
18:20:28 23 extremely tight down there. So any evidence, as far as I'm
18:20:33 24 concerned as an expert, that was obtained through that, I
18:20:38 25 think I would attack its chain of custody just based on

18:20:41 1 what I could see as an evidence custodian.

18:20:44 2 Q. In March 2021, State Senate President Karen Fann
18:20:49 3 retained Cyber Ninjas to conduct an audit of the 2020
18:20:53 4 general election in Maricopa County; correct?

18:20:54 5 A. That's correct.

18:20:55 6 Q. Was your office kept apprised of the Cyber Ninjas'
18:20:58 7 audit while it was occurring?

18:21:00 8 A. No.

18:21:00 9 Q. Did your office ask to be kept apprised of the
18:21:04 10 audit while it was occurring?

18:21:06 11 A. That I don't know.

18:21:07 12 Q. Was your office ultimately asked to investigate
18:21:12 13 the findings of that audit?

18:21:15 14 A. Yes.

18:21:15 15 Q. Did that require your office to investigate voting
18:21:24 16 by noncitizens or nonresidents in Arizona?

18:21:31 17 A. I would say that would be part of it, yes. But it
18:21:37 18 wasn't -- it was -- I don't think that was specifically the
18:21:41 19 things that they were looking at. They were looking at
18:21:43 20 more, like, people that technically didn't exist, dead
18:21:48 21 voters, people that moved out of county, potentially
18:21:53 22 nonresidents, but I didn't believe that that was a
18:21:56 23 citizenship issue.

18:21:57 24 Q. Can you describe the effort your office undertook
18:21:59 25 to investigate the claims made in the Cyber Ninjas' audit

18:22:04 1 in response to Ms. Fann's request?

18:22:06 2 A. Absolutely. We started out with two
18:22:10 3 investigators, which was Bill Knuth and Roger Geisler. And
18:22:15 4 then we received a big push from our executive office where
18:22:21 5 we -- our former chief agent took every special agent --
18:22:28 6 and there's 72 of us -- and made all 72 of us work these
18:22:32 7 investigations.

18:22:34 8 Q. Did that come at the expense of other work
18:22:38 9 investigators in your office do?

18:22:40 10 A. Absolutely.

18:22:40 11 Q. Those are important cases?

18:22:43 12 A. Yes.

18:22:44 13 Q. Cases related to the enforcement of criminal laws
18:22:46 14 in the state of Arizona?

18:22:47 15 A. Yes.

18:22:48 16 Q. And how long were those 72 special agents
18:22:53 17 reassigned to conduct this investigation?

18:22:57 18 A. I believe we started in October of 2022. We ran
18:23:04 19 all agents until approximately March or April. I would say
18:23:17 20 until April, then we tapered them off.

18:23:20 21 Q. And fair to say that thousands of man- and
18:23:24 22 woman-hours were put into those efforts?

18:23:26 23 A. Yes.

18:23:26 24 Q. Hours that would have been put towards other
18:23:30 25 criminal investigations, had they been not diverted to the

18:23:34 1 Cyber Ninjas audit?

18:23:34 2 A. Yes.

18:23:48 3 MR. DODGE: Go off the record for a minute.

18:23:51 4 THE VIDEOGRAPHER: We're off the record.

18:23:52 5 Time on the video monitor is 6:23 p.m.

18:23:58 6 (An off-the-record discussion ensued.)

18:25:57 7 THE VIDEOGRAPHER: We are on the record.

18:26:04 8 Time on the video monitor is 6:26 p.m.

18:26:10 9 BY MR. DODGE:

18:26:11 10 Q. Mr. Thomas, we were discussing your office's very

18:26:17 11 significant efforts to investigate claims made in the Cyber

18:26:21 12 Ninjas audit in the fall of 2022. Do I have that right?

18:26:26 13 A. Correct.

18:26:26 14 Q. What came of your office's efforts to investigate

18:26:30 15 the claims made in that audit?

18:26:33 16 A. We only had one dead-voter case that I'm aware of.

18:26:39 17 We had a few -- very few off-cases that it -- came out of

18:26:44 18 that.

18:26:44 19 Q. So a small handful of prosecutions were generated

18:26:48 20 by that work?

18:26:49 21 A. I believe so. I want to say there was probably

18:26:51 22 less than a dozen that came out of that.

18:26:54 23 Q. That's a pretty small number for 72 investigators

18:26:59 24 working for six months, thousands and thousands hours?

18:27:02 25 Fair to say?

18:27:02 1 A. Yes.

18:27:03 2 MR. LANGHOFER: Argumentative.

18:27:03 3 BY MR. DODGE:

18:27:04 4 Q. Very small?

18:27:06 5 A. Very small.

18:27:07 6 MR. LANGHOFER: Argumentative.

18:27:07 7 BY MR. DODGE:

18:27:08 8 Q. A misallocation of this office's resources?

18:27:11 9 MR. WHITAKER: Foundation.

18:27:12 10 MR. LANGHOFER: Argumentative.

18:27:12 11 THE WITNESS: I don't know if I could answer

18:27:13 12 that. We're at the mercy of the attorney general.

18:27:17 13 BY MR. DODGE:

18:27:19 14 Q. The small handful of prosecutions that did result,

18:27:22 15 none of those involved voting by noncitizens, to your

18:27:25 16 knowledge; correct?

18:27:27 17 A. To my knowledge, correct.

18:27:28 18 Q. None of them involved voting by nonresidents;

18:27:33 19 correct?

18:27:33 20 A. That I don't know.

18:27:36 21 Q. I'm going to hand you what I will ask to be marked

18:27:42 22 as Exhibit 227, which is in the Dropbox as 29.

18:27:42 23 (The document was marked as Exhibit 227

18:27:51 24 for identification.)

18:27:51 25 BY MR. DODGE:

18:27:51 1 Q. Are you familiar with this document?

18:27:54 2 A. I don't remember if I read this or not.

18:28:03 3 Q. Does this appear to be a press release from the
18:28:06 4 Attorney General's Office?

18:28:07 5 A. I believe so, yes.

18:28:08 6 Q. It's dated February 22, 2023?

18:28:14 7 A. Yes.

18:28:15 8 Q. And it states, "Today, Arizona Attorney General
18:28:18 9 Kris Mayes released documents related to the investigations
18:28:19 10 into the handling of the 2020 election in Arizona";
18:28:23 11 correct?

18:28:23 12 A. Correct.

18:28:29 13 Q. This press release refers to documents generated
18:28:33 14 by your office that had not previously been released to the
18:28:36 15 public; correct?

18:28:36 16 A. That is correct.

18:28:37 17 Q. Who made the decision to release those documents?

18:28:41 18 A. Ms. Mayes.

18:28:42 19 Q. In the box in the middle of this page, there's of
18:28:48 20 a quote attributed to Ms. Mayes that reads, "'The results
18:28:51 21 of this exhaustive and extensive investigation showed we
18:28:54 22 have suspected for over two years -- the 2020 election in
18:28:57 23 Arizona was conducted fairly and accurately by election
18:29:01 24 officials,' said Attorney General Kris Mayes. 'The ten
18:29:03 25 thousand plus hours spent diligently investigating every

18:29:06 1 conspiracy theory under the sun distracted this office from
18:29:09 2 its core mission of protecting the people of Arizona from
18:29:11 3 real crime and fraud.'" "

18:29:13 4 Did I get that right?

18:29:14 5 A. Yes.

18:29:15 6 Q. This quote is from the current attorney general;
18:29:19 7 correct?

18:29:19 8 A. Yes.

18:29:20 9 Q. And to your knowledge, remains her official
18:29:23 10 position?

18:29:23 11 A. Yes.

18:29:23 12 Q. Any reason to doubt that quote is attributable to
18:29:26 13 Ms. Mayes?

18:29:28 14 A. No.

18:29:29 15 Q. Then there's another quote from her at the bottom
18:29:31 16 of this page that says, "'Voter fraud is rare, and
18:29:34 17 instances should be handled according to applicable laws
18:29:34 18 when they do occur,' continued Attorney General Mayes.
18:29:40 19 'But it is time to work together to defend American
18:29:41 20 democracy and uphold the rule of law. It's time for the
18:29:45 21 divisiveness to stop, and it's time for our country to
18:29:45 22 heal.'" "

18:29:47 23 Did I get that correct?

18:29:48 24 A. Yes.

18:29:49 25 Q. Any reason to doubt that quote is from Ms. Mayes?

18:29:51 1 A. No.

18:29:51 2 Q. And so it's the position of the attorney general
18:29:54 3 that prosecutions of voter fraud are -- not only that
18:29:58 4 prosecutions of voter fraud are rare but that actual
18:30:01 5 instances of voter fraud are rare as well; correct?

18:30:04 6 A. Correct.

18:30:17 7 MR. DODGE: No further questions.

18:30:21 8 MR. WHITAKER: Anyone else from plaintiffs'
18:30:24 9 side with the remaining time we have?

18:30:29 10 MR. DODGE: Jen, I left you 90 seconds. I
18:30:35 11 don't think she's asking questions.

18:30:38 12 MR. WHITAKER: Okay.

18:30:41 13 MS. YUN: Nothing from us. Thanks.

18:30:42 14 MR. WHITAKER: Okay. I have no redirect.

18:30:45 15 Mr. Langhofer, do you have any redirect?

18:30:49 16 MR. LANGHOFER: No. Thank you.

18:30:53 17 (An off-the-record discussion was held.)

18:31:06 18 THE VIDEOGRAPHER: We're off the record.

18:31:08 19 Time on the video monitor is 6:31 p.m. This ends Volume 1,
18:31:13 20 Media Number 4, in the deposition of Bill Knuth, Keith
18:31:19 21 Thomas, Todd Lawson, 30(b)(6) deposition of the Arizona

RETRIEVED FROM DEMOCRACYDOCKET.COM

09:04:18 1 THE VIDEOGRAPHER: We are now on the record.

09:04:21 2 Time on the monitor is 9:04. Here begins Volume 1, Media

09:04:33 3 No. 1 of the deposition of Richard Garcia in the matter of

09:04:33 4 Mi Familia Vota, et al. vs. Adrian Fontes and Ben Toma and

09:04:48 5 Warren Petersen, in the United States District Court,

09:04:53 6 District of Arizona, case No. 2:22-cv-00509-SRB.

09:05:05 7 Today's date is August 30th, 2023.

09:05:10 8 Our court reporter is Karen Locker. I am Jimmie

09:05:15 9 Sullivan, a certified legal videographer. We both

09:05:22 10 represent Coash Court Reporting & Video.

09:05:25 11 This deposition is taking place in Mr. Garcia's

09:05:28 12 office at 1112 Joshua Avenue, Parker, Arizona.

09:05:35 13 And, counsel, would you please identify

09:05:39 14 yourselves.

09:05:39 15 MS. RIZZONI: Good morning. Oh, go ahead.

09:05:41 16 MR. MITCHELL: Sorry. Yeah, good morning, Jason

09:05:43 17 Mitchell on behalf of Richard Garcia.

09:05:46 18 MS. RIZZONI: Good morning. This is Cat Rizzoni

09:05:48 19 on behalf of Plaintiff Asian American Native Hawaiian

09:05:48 20 Pacific Islander for Equity Coalition.

09:06:15 21 THE VIDEOGRAPHER: Okay. Does --

09:06:15 22 MR. ATKINS: Alexander Atkins of Elias Law Group

09:06:18 23 representing Plaintiffs Mi Familia Vota and Voto Latino.

09:06:18 24 MS. CERVANTES: Erika Cervantes with the Mexican

09:06:18 25 American Legal Defense and Educational Fund representing

09:06:28 1 Promise Arizona Plaintiffs.

09:06:33 2 MS. MOTZKIN: Leah Motzkin representing Poder
09:06:33 3 Latinx, Chicanos Por La Causa, and Chicanos Por La Causa
09:06:40 4 Action Fund.

09:06:40 5 MS. LANG: Danielle Lang representing the LUCHA
09:06:43 6 plaintiffs.

09:06:44 7 MS. NESWOOD: Allison Neswood representing
09:06:44 8 Tohono O'odham Nation, Gila River Indian Community, and
09:06:50 9 three Native American individuals.

09:06:54 10 MR. HORLEY: Tim Horley representing the State
09:06:54 11 of Arizona and the Arizona Attorney General.

09:06:54 12 MR. MORGAN: Craig Morgan for Sherman & Howard
09:07:02 13 representing the Secretary of State.

09:07:02 14 MR. LANGHOFER: Kory Langhofer for the RNC.

09:07:10 15 MS. FITZGIBBONS: Liv Fitzgibbons with Gallagher
09:07:13 16 & Kennedy for Speaker Toma and President Peterson.

09:07:23 17 MR. HEMSTREET: Robbie Hemstreet also here on
09:05:51 18 behalf of plaintiff Asian American Native Hawaiian and
09:07:29 19 Pacific Islander for Equity Coalition.

09:07:31 20 MS. RIZZONI: I think that's everyone.

09:07:38 21 So welcome, Mr. -- oh, did I miss someone?

09:07:38 22 THE VIDEOGRAPHER: Yeah, we need to swear in the
09:07:41 23 witness.

09:07:41 24 MS. RIZZONI: Oh, got it.

09:07:46 25 THE VIDEOGRAPHER: And, Ms. Locker, could you

09:08:38 1 is G-A-R-C-I-A.

09:08:38 2 Q. Thank you.

09:08:39 3 And what is your current title, Mr. Garcia?

09:08:42 4 A. County Recorder.

09:08:44 5 Q. County Recorder for La Paz County?

09:08:47 6 A. For La Paz County. La Paz County Recorder.

09:08:47 7 Q. And how long have you served in the role?

09:08:50 8 A. I was elected in 2020.

09:08:52 9 Q. Okay. And, just for today's deposition, I want

09:08:55 10 to make sure the record is clear on a couple of points.

09:08:58 11 So do you understand that you're testifying

09:09:00 12 under oath today?

09:09:01 13 A. Yes.

09:09:02 14 Q. Okay. And is there any reason that you can't

09:09:06 15 give full, complete, and accurate testimony today?

09:09:09 16 A. I'm sorry. What was your question again?

09:09:11 17 Q. Is there any reason that you cannot give full,

09:09:15 18 complete, and accurate testimony today?

09:09:17 19 A. No. As best as I can, but, no.

09:09:21 20 Q. Okay. And you understand that a court reporter

09:09:24 21 will be transcribing today's deposition, correct?

09:09:27 22 A. Yes.

09:09:27 23 Q. Okay. And, just for the sake of the court

09:09:30 24 reporter, I want to just make sure a couple of things are

09:09:33 25 clear.

09:09:33 1 So to make sure Karen can do her job, I'd ask
09:09:36 2 that you let me finish my question before answering, and I
09:09:39 3 will make sure that you finish your answer before I ask
09:09:41 4 the next question.

09:09:43 5 Does that make sense?

09:09:44 6 A. Yes.

09:09:44 7 Q. Okay. And because she will be transcribing
09:09:49 8 everything, it's important that you answer questions
09:09:51 9 audibly and clearly instead of using things like head
09:09:55 10 shakes, nods, et cetera.

09:09:57 11 Does that make sense?

09:09:58 12 A. Yes.

09:09:59 13 Q. Okay. Will you let me know if you don't
09:10:01 14 understand a question or need me to repeat it?

09:10:03 15 A. Yes. I will let you know.

09:10:06 16 Q. Okay. So, with that, if ask a question and you
09:10:09 17 answer, I will assume that you understood the question.

09:10:11 18 Does that make sense?

09:10:12 19 A. Yes.

09:10:12 20 Q. Okay. And, if at any time you would like to
09:10:19 21 take a break, that's fine. Please let me know. The only
09:10:22 22 thing I'd ask is that if a question is pending that you
09:10:25 23 answer the question before we take a break.

09:10:27 24 Does that make sense?

09:10:28 25 A. Yes.

09:10:28 1 Q. And since this is taken remotely -- I see that
09:10:32 2 Mr. Mitchell is in the room with you.
09:10:34 3 Is there anyone else who is in the room with you
09:10:37 4 today?
09:10:37 5 A. No.
09:10:37 6 Q. And, again, because this is remote, I just want
09:10:44 7 to make sure that your answers that you're giving are your
09:10:48 8 own today. So, for the record, can you confirm that you
09:10:51 9 are not and will not be receiving, you know, text
09:10:53 10 messages, notes, emails, or anything during the deposition
09:10:57 11 suggesting what your answer should be?
09:10:59 12 A. Yes.
09:11:00 13 Q. And last point is that, you know, from time to
09:11:05 14 time, Mr. Mitchell may object to one of my questions,
09:11:08 15 other attorneys here may object to one of my questions.
09:11:11 16 Unless Mr. Mitchell or someone else specifically instructs
09:11:15 17 you not to respond, you're expected to answer the question
09:11:17 18 posed.
09:11:18 19 Does that make sense?
09:11:19 20 A. Yes.
09:11:19 21 Q. Okay. Mr. Garcia, have you ever been deposed
09:11:24 22 before?
09:11:24 23 A. No. This is the first time.
09:11:26 24 Q. Okay. Well, very exciting. We'll try to make
09:11:31 25 it as quick and painless as possible.

09:11:33 1 Did you bring any materials to your deposition
09:11:35 2 today?

09:11:35 3 A. Just what was provided to me by Mr. Mitchell.

09:11:39 4 Q. And the materials provided to you from
09:11:44 5 Mr. Mitchell, was that a, like a zip drive of documents?

09:11:47 6 A. Yes.

09:11:48 7 Q. Okay. Called La Paz depo exhibits?

09:11:51 8 A. Yes.

09:11:52 9 Q. Okay. Fabulous.

09:11:55 10 And do you have those in front of you today?

09:11:57 11 A. Yes.

09:11:58 12 Q. Great. And besides those documents, do you have
09:11:59 13 anything else sitting in front of you today?

09:12:07 14 A. Those and some of the RFPs that we had provided.

09:12:14 15 Q. Okay. That works.

09:12:15 16 All right. Well, then, with that in mind, I
09:12:17 17 think we can jump in.

09:12:20 18 The first thing I'd like you to open is the
09:12:20 19 document labeled document A. And let me know when you
09:12:25 20 have that open in front of you.

09:12:43 21 A. I got it open.

09:12:45 22 Q. Great. And have you seen this document before?

09:12:48 23 A. When it was given to me.

09:12:50 24 Q. Okay. And can you tell me what this document
09:12:52 25 is?

09:13:02 1 A. I mean, not off the top of my head. I mean, I
09:13:04 2 still have to read it. I didn't get to read a lot of this
09:13:08 3 stuff, but kind of skimmed through it, and...

09:13:10 4 Q. On the first glance, does it appear to be an
09:13:13 5 August 11th, 2023 amended deposition notice sent to your
09:13:17 6 office?

09:13:17 7 A. Yes, it is dated August 11, 2023.

09:13:20 8 Q. Okay. And do you understand that you've been
09:13:24 9 designated as a representative to testify on behalf of the
09:13:30 10 La Paz County Recorder's Office?

09:13:31 11 A. Yes.

09:13:32 12 Q. So, with that in mind, can we stipulate that
09:13:35 13 when I ask a question that uses you or your, that will be
09:13:38 14 the equivalent of asking a question to the La Paz County
09:13:42 15 Recorder's Office?

09:13:42 16 A. Yes.

09:13:43 17 Q. Let's turn to page five of that document, and at
09:13:51 18 the top should be a bolded header called topics.

09:13:55 19 Do you see that?

09:14:01 20 A. Yes.

09:14:01 21 Q. And then there should be a list of 28 separate
09:14:04 22 topics following.

09:14:05 23 A. Hmm hmm. Yes.

09:14:05 24 Q. Do you see that?

09:14:06 25 A. Yes.

09:14:06 1 Q. And are you prepared to address these topics
09:14:09 2 today?

09:14:09 3 A. As best as I can.

09:14:11 4 Q. Okay. And did you do anything to prepare for
09:14:14 5 today's deposition?

09:14:16 6 A. I read through it, read up on, a little bit on
09:14:20 7 the bills.

09:14:21 8 Q. You read through the bills, and what else?

09:14:24 9 A. Just the paperwork that was provided to me.

09:14:27 10 Q. And the paperwork, again, that was provided to
09:14:32 11 you was just this list of exhibits?

09:14:32 12 A. This particular one, yes, I recall getting it.

09:14:35 13 Q. Okay.

09:14:36 14 A. (Indiscernible.)

09:14:36 15 (The Reporter asked for clarification.)

09:14:40 16 THE WITNESS: I recall getting this one earlier
09:14:42 17 than I -- because I received it again today, but, by
09:14:44 18 Mr. Mitchell, but I did have it already, so I did look
09:14:48 19 through it.

09:14:48 20 Q. Besides looking through the documents that were
09:14:51 21 provided to you from Mr. Mitchell, did you do anything
09:14:53 22 else to prepare for today's deposition?

09:14:54 23 A. Just read through the EPM a little bit, and,
09:14:59 24 like I said, just read through this document.

09:15:01 25 Q. Okay. All right. So the next couple of

09:15:14 1 questions I'm going to ask relate to documents B through
09:15:16 2 F. So just to make sure we marked them, real quickly go
09:15:17 3 ahead and open each of those, and then we'll just start
09:15:19 4 with document -- oh, I'm sorry, actually, can we go back?

09:15:21 5 Document A we need to mark that for the record,
09:15:24 6 as exhibit, I believe the last exhibit is document --

09:15:29 7 Was that 228 is the next one, Karen?

09:15:29 8 THE REPORTER: Yes.

09:15:36 9 MS. RIZZONI: Okay. So let's mark document A,
09:15:38 10 the amended deposition notice as Exhibit 228.

09:15:38 11 BY MS. RIZZONI:

09:15:42 12 Q. And then, Mr. Garcia, if you can go ahead and
09:15:47 13 open B through F. And let me know when you have them
09:15:51 14 open.

09:16:14 15 A. Okay. I got them open.

09:16:17 16 Q. Great. All right. Let's start with document B.
09:16:18 17 Do you recognize that document?

09:16:20 18 A. Like I said, I just, I'm -- yes, yes, I do.

09:16:24 19 Yeah.

09:16:24 20 Q. Okay. And can you tell me what that document
09:16:27 21 is?

09:16:27 22 A. It was a request for production, some questions
09:16:33 23 that were being asked and my responses to them.

09:16:35 24 Q. Does this appear to be the February 13th, 2023,
09:16:41 25 responses from your office to the Equity Coalition's

09:16:46 1 request for document production?

09:16:48 2 A. I don't see a date on here, so I couldn't say if
09:16:58 3 it was that date or not.

09:17:01 4 Q. If you turn to the very last page, Mr. Garcia --

09:17:06 5 A. Oh, yes. Yeah, 13th day of February.

09:17:10 6 Q. Okay. So, for the record, these are the

09:17:12 7 February 13th, 2023 responses from La Paz County

09:17:17 8 Recorder's Office to Equity Coalition's request for

09:17:21 9 production of documents.

09:17:21 10 And let's mark this as Exhibit 229.

09:17:30 11 Okay. And could you take a look at document C.

09:17:33 12 And let me know when that's open.

09:17:35 13 A. It's open.

09:17:35 14 Q. Great. And do you recognize that document?

09:17:38 15 A. Yes.

09:17:38 16 Q. And what is that document?

09:17:41 17 A. These are just the objections and, objections

09:17:44 18 and responses to the, what was being produced, or

09:17:50 19 fulfilling the request for productions.

09:17:52 20 Q. Okay. For the record, these are the June 30th,

09:17:57 21 2023 responses from the La Paz County Recorder's Office to

09:18:01 22 the consolidated plaintiff's request for production of

09:18:03 23 documents.

09:18:05 24 And, Mr. Garcia, were you involved in preparing

09:18:07 25 your office's responses to these two sets of requests for

09:18:10 1 production of documents?

09:18:12 2 A. I was.

09:18:13 3 Q. Okay. Was anyone else involved in preparing

09:18:16 4 your responses?

09:18:17 5 A. My chief deputy.

09:18:19 6 Q. And who might that be?

09:18:21 7 A. Matthew Aguilar.

09:18:24 8 Q. Okay. Anyone else?

09:18:25 9 A. That was it.

09:18:26 10 Q. Okay. And what steps did your office take to

09:18:31 11 prepare La Paz County's responses to these two sets of

09:18:35 12 document requests?

09:18:37 13 A. Just looking through the procedures manual

09:18:40 14 and -- basically it. Just looking through the procedures

09:18:44 15 manual.

09:18:44 16 Q. So, to be clear, these documents B and C, which

09:18:52 17 are Exhibits 229 and 230, requested that your office

09:18:58 18 produce certain documentation.

09:19:00 19 Did you look through certain documentation to

09:19:02 20 decide what to produce?

09:19:04 21 A. Well, like I said, we looked at the EPM.

09:19:11 22 Anything that was provided would have been either copied

09:19:16 23 from a, you know, made a copy from, you know, certain

09:19:22 24 information that we already had printed out that we knew

09:19:25 25 that we could make it available.

09:19:28 1 Q. Okay. Besides the EPM, did you -- well, strike
09:19:37 2 that. That's fine.

09:19:40 3 Okay. Did you have any updates to make today to
09:19:42 4 these two sets of responses to plaintiff's document
09:19:46 5 requests?

09:19:47 6 A. I don't believe so.

09:19:49 7 Q. Okay. All right. Let's move on to document D.
09:19:54 8 Let me know when that is open.

09:19:58 9 A. I have it open.

09:19:59 10 Q. Okay. And do you recognize that document?

09:20:01 11 A. Yes.

09:20:02 12 Q. Okay. And what is that document?

09:20:04 13 A. These are just the responses to interrogatories.

09:20:06 14 Q. Okay. And, for the record, these are the
09:20:10 15 January 27th, 2023, La Paz County Recorder's responses to
09:20:16 16 Equity Coalition's interrogatories. And let's mark these
09:20:20 17 as Exhibit 231.

09:20:25 18 And then can you take a look at document E.
09:20:30 19 And do you recognize that document?

09:20:31 20 A. Yes.

09:20:33 21 Q. And do these appear to be the June 30th, 2023
09:20:37 22 responses from the La Paz County Recorder to the
09:20:41 23 consolidated plaintiff's interrogatories?

09:20:42 24 A. Yes. June 30th. Yes.

09:20:44 25 Q. Okay. Let's mark this as Exhibit 232.

09:20:51 1 And then last one, document F.

09:20:54 2 Do you recognize that document?

09:20:56 3 A. Yes.

09:20:58 4 Q. And do those appear to be the August 8th, 2023

09:21:08 5 supplemental responses of La Paz County Recorder's Office

09:21:09 6 to the consolidated plaintiff's interrogatories?

09:21:13 7 A. Yes.

09:21:14 8 Q. And let's mark that as Exhibit 233.

09:21:23 9 Mr. Garcia, were you involved in preparing your

09:21:23 10 office's responses to these sets of interrogatories?

09:21:24 11 A. I was involved.

09:21:24 12 Q. Okay. And, in fact, you verified your office's

09:21:27 13 responses to these interrogatories. Is that right?

09:21:29 14 A. Yes.

09:21:30 15 Q. And what steps did your office take to prepare

09:21:34 16 these responses to interrogatories?

09:21:40 17 A. As I said before, just referred to the EPM, any

09:21:45 18 copies of any kind of report that we may have. That's

09:21:52 19 pretty much about it.

09:21:52 20 Q. And were -- so who else -- was anyone else

09:21:55 21 involved in preparing these response to interrogatories?

09:21:59 22 A. As I stated before, my chief deputy, Matthew

09:22:06 23 Aguilar was also involved.

09:22:07 24 Q. Anyone else besides you and Mr. Aguilar?

09:22:10 25 A. No. I mean, there's only three, or two of us

09:22:12 1 here in the office. It was only me and him.

09:22:15 2 Q. Okay. Do you have any updates to make today to
09:22:18 3 your office's responses to these sets of interrogatories?

09:22:21 4 A. No.

09:22:21 5 Q. Okay. So sitting here today, each of La Paz
09:22:21 6 County's responses to plaintiff's document requests and
09:22:31 7 interrogatories remain complete, true, and accurate, to
09:22:34 8 the best of your knowledge?

09:22:35 9 A. To the best of my knowledge, yes.

09:22:37 10 Q. Okay. All right. I'd like to shift gears to
09:22:42 11 the elections procedures manual, which you've alluded to.

09:22:44 12 So I take it you're familiar with the elections
09:22:47 13 procedures manual. Is that right?

09:22:49 14 A. Yeah.

09:22:49 15 Q. And if I shorten that to EPM, you'll understand
09:22:52 16 that that means elections procedures manual?

09:22:53 17 A. Yes.

09:22:54 18 Q. Okay. Good. All right. The 2019 version of
09:23:00 19 the EPM is still the currently operative version. Is that
09:23:02 20 right?

09:23:02 21 A. Yes.

09:23:04 22 Q. And your office is legally required to follow
09:23:07 23 the EPM?

09:23:10 24 DEFENSE COUNSEL: Calls for legal conclusion.

09:23:10 25 MR. HORLEY: Also, could we state on the

09:23:15 1 record -- this is Tim Horley for the State of Arizona and
09:23:18 2 the Arizona Attorney General -- that an objection by one
09:23:19 3 lawyer from one side is an objection for all lawyers, per
09:23:22 4 our usual stipulation?

09:23:25 5 MR. MORGAN: Secretary of State is fine with
09:23:28 6 that.

09:23:28 7 MS. RIZZONI: As are we.

09:23:31 8 MR. HORLEY: Great. Thank you.

09:23:34 9 BY MS. RIZZONI:

09:23:34 10 Q. So, Mr. Garcia, again, you're expected to answer
09:23:37 11 unless specifically instructed not to. So I'll repeat my
09:23:41 12 question, which is, is your office legally required to
09:23:43 13 follow the EPM?

09:23:51 14 DEFENSE COUNSEL: Calls for legal conclusion.

09:23:53 15 THE WITNESS: To my knowledge, yes. It's, it's
09:23:59 16 a guide and it's helpful to us to, you know, to follow the
09:24:02 17 statutes, so...

09:24:05 18 BY MS. RIZZONI:

09:24:05 19 Q. Are you aware of any rule that would allow you
09:24:08 20 to deviate from the EPM?

09:24:12 21 DEFENSE COUNSEL: Same objection.

09:24:14 22 THE WITNESS: Could you clarify the answer
09:24:18 23 again -- could you ask the question again?

09:24:20 24 BY MS. RIZZONI:

09:24:20 25 Q. Right. So I'm trying to understand your

09:24:22 1 understanding of the, like the binding nature of the EPM
09:24:29 2 on your office.

09:24:31 3 So are you, do you understand, like is there
09:24:35 4 a -- I guess, what is your basis -- scratch that.

09:24:40 5 Do you -- is there any basis under which you
09:24:49 6 could deviate from the EPM?

09:24:53 7 DEFENSE COUNSEL: Same objection.

09:25:00 8 THE WITNESS: So to not follow it? Is that what
09:25:11 9 you're asking me?

09:25:12 10 BY MS. RIZZONI:

09:25:12 11 Q. Yes.

09:25:13 12 A. I mean, I could follow the statute but, go
09:25:19 13 straight to the statute, but EPM has always been a guide
09:25:23 14 and helpful, so, I mean, we always refer to it and use it.

09:25:26 15 Q. When you say a guide, is it a discretionary
09:25:29 16 guide, to your understanding, or is it required that your
09:25:32 17 office follows the EPM?

09:25:35 18 DEFENSE COUNSEL: Same, same objection.

09:25:38 19 THE WITNESS: I have never been told that we had
09:25:40 20 to use it, but it's always been helpful for us to use it.
09:25:44 21 So we have, we've always used it, and we will continue to
09:25:46 22 use it.

09:25:47 23 BY MS. RIZZONI:

09:25:47 24 Q. If not the EPM, what would you consider legally
09:25:51 25 binding guidance on your office when it comes to how you

09:25:55 1 administer elections in your county?

09:25:58 2 DEFENSE COUNSEL: Same, same objection.

09:25:59 3 THE WITNESS: Well, if it wasn't the EPM it
09:26:01 4 would just be the statute book, the Arizona Revised
09:26:08 5 Statutes book.

09:26:09 6 BY MS. RIZZONI:

09:26:09 7 Q. To clarify, however, it's your practice that you
09:26:12 8 will follow the EPM. Is that right?

09:26:15 9 A. Yes.

09:26:15 10 Q. Okay. And the Secretary of State is the office
09:26:23 11 who is responsible for promulgating the EPM. Is that
09:26:26 12 right?

09:26:26 13 A. Yes.

09:26:27 14 Q. And can the Secretary of State convey legally
09:26:33 15 binding guidance to your office by any means outside of
09:26:36 16 the EPM?

09:26:38 17 DEFENSE COUNSEL: Same objection.

09:26:39 18 Form, foundation, calls for legal conclusion.

09:26:42 19 THE WITNESS: Sorry. Can you ask, repeat the
09:26:45 20 question, clarify it?

09:26:47 21 BY MS. RIZZONI:

09:26:47 22 Q. Sure. Can the Secretary of State's office
09:26:51 23 convey legally binding guidance to your office by any
09:26:54 24 means outside of the EPM?

09:26:56 25 DEFENSE COUNSEL: Same objections.

09:26:57 1 THE WITNESS: So, in other words, you're asking
09:27:06 2 if they can give us legal counsel outside of that? Is
09:27:09 3 that what -- am I understanding you correctly?

09:27:11 4 BY MS. RIZZONI:

09:27:12 5 Q. I'm trying to understand. So if, for example,
09:27:13 6 the Secretary of State was to email you information about
09:27:16 7 how to administer elections, would that be legally binding
09:27:23 8 on your office?

09:27:25 9 DEFENSE COUNSEL: Same objection.
09:27:26 10 Foundation, calls for legal conclusion.

09:27:29 11 THE WITNESS: I would say no.

09:27:31 12 DEFENSE COUNSEL: Calls for speculation.

09:27:34 13 BY MS. RIZZONI:

09:27:34 14 Q. What about if they were, if the Secretary of
09:27:37 15 State's Office was to communicate with your office over
09:27:39 16 the phone? Would that be legally binding guidance?

09:27:44 17 DEFENSE COUNSEL: Calls for legal -- same
09:27:47 18 objections.

09:27:47 19 THE WITNESS: No.

09:27:49 20 BY MS. RIZZONI:

09:27:49 21 Q. Are you familiar with the Voter Registration
09:27:56 22 Advisory Committee?

09:27:56 23 A. No.

09:27:56 24 Q. No. So would you agree, then, that a Voter
09:28:01 25 Registration Advisory Committee proposal would not be

09:28:04 1 legally binding guidance on your office?

09:28:07 2 DEFENSE COUNSEL: Same objections.

09:28:08 3 THE WITNESS: I would say no.

09:28:09 4 BY MS. RIZZONI:

09:28:10 5 Q. Is your office aware of a draft EPM for 2023?

09:28:15 6 A. Yes.

09:28:15 7 Q. And have you provided any comments to the
09:28:20 8 Secretary of State on that draft EPM for 2023?

09:28:27 9 A. I don't believe I made any comments to it.

09:28:32 10 Q. To your understanding, does the draft EPM for
09:28:38 11 2023 include guidance for how to implement H.B. 2492
09:28:46 12 and/or H.B. 2243?

09:28:48 13 A. I believe there is something written out about
09:28:55 14 it, but it just depends on what the outcome of this
09:28:59 15 litigation, it should be included in there. But as of
09:29:03 16 right now I don't think it, it's probably part of it.

09:29:07 17 Q. You said that you --

09:29:09 18 A. To my knowledge.

09:29:12 19 Q. Sorry. I interrupted you. Go ahead.

09:29:13 20 A. To my knowledge, you know.

09:29:16 21 Q. To your knowledge it does, the draft EPM does
09:29:23 22 include guidance for how to implement these two laws?

09:29:27 23 A. There, there is something written out about
09:29:29 24 it --

09:29:29 25 Q. Okay.

09:29:29 1 A. -- yes.

09:29:29 2 Q. Okay. And you said you haven't provided

09:29:32 3 comments on the draft 2023 EPM.

09:29:35 4 Do you intend to provide comments at any point?

09:29:38 5 A. Possibly.

09:29:44 6 Q. Have you discussed the contents of the draft EPM

09:29:48 7 with staff at your office?

09:29:50 8 A. So my chief deputy, he's on some of those calls,

09:29:57 9 so, I mean, he is aware of it. So, like I said, there is

09:30:00 10 only three of us, so he's aware of that.

09:30:03 11 Q. Okay. And do you understand -- or strike that.

09:30:10 12 If you were to provide comments, do you

09:30:12 13 currently have an idea of what comments you might make to

09:30:15 14 the draft guidance?

09:30:17 15 DEFENSE COUNSEL: Calls for speculation.

09:30:18 16 THE WITNESS: Not at the time, no.

09:30:20 17 BY MS. RIZZONI:

09:30:20 18 Q. Okay. Besides the draft EPM for 2023, have you

09:30:24 19 received any other guidance from the Secretary of State

09:30:27 20 about how to implement H.B. 2492 and H.B. 2243?

09:30:32 21 A. Not to my knowledge.

09:30:35 22 Q. All right. Let's take a look at document G.

09:30:38 23 Let me know when you have that up.

09:30:50 24 A. I have it up.

09:30:51 25 Q. Great. Do you recognize this document?

09:30:55 1 A. Yes.

09:30:57 2 Q. Okay. And what is this document?

09:31:01 3 A. Just an email between my chief deputy and Kori
09:31:12 4 Lorick, who used to be the SOS office in the last
09:31:16 5 administration, in regards to implementation of the two
09:31:22 6 bills.

09:31:23 7 Q. And then, if I can direct your attention to the
09:31:27 8 very top of the document, it looks like this email from
09:31:30 9 Kori Lorick is being forwarded from your deputy,
09:31:37 10 Mr. Aguilar, to Mr. Mitchell CCing you. Is that correct?

09:31:43 11 A. Yes.

09:31:44 12 Q. Okay. And you do you know what prompted
09:31:49 13 Mr. Aguilar to forward this message from Ms. Lorick to
09:31:53 14 Mr. Mitchell copying you?

09:31:56 15 A. Maybe he was probably on a phone call where it
09:32:03 16 was maybe possibly discussed.

09:32:05 17 Q. Were you on a phone call where this was
09:32:08 18 discussed?

09:32:09 19 A. I would say probably not.

09:32:12 20 Q. Do you, do you know why this email may have been
09:32:20 21 discussed during a phone call between Mr. Aguilar and
09:32:25 22 Mr. Mitchell?

09:32:25 23 A. I don't think it was just between two people.
09:32:28 24 It may have been a joint call between, you know, other
09:32:32 25 recorder's offices and elections departments and -- that's

09:32:35 1 what I'm thinking.

09:32:36 2 Q. Did you have calls with other recorder's offices
09:32:41 3 about implementing these two bills?

09:32:45 4 A. I'm sure there must have been.

09:32:50 5 Q. Were you present for any of those calls?

09:32:53 6 A. Not to my knowledge.

09:32:58 7 Q. Would Mr. Aguilar be the person who would have
09:33:02 8 participated in those calls?

09:33:03 9 A. He's been on the calls more than I have. Since
09:33:06 10 we're a small office I can't, you know, be --

09:33:10 11 Q. So, to be clear, have you been on any of these
09:33:13 12 calls with other County Recorder's Offices about
09:33:16 13 implementing the bills?

09:33:17 14 A. I can't recall anything recent.

09:33:23 15 Q. Can you recall anything at all?

09:33:25 16 A. This started since last year, so, I mean, this
09:33:30 17 email is from, looks like it was from last year -- well,
09:33:35 18 actually, at the beginning of the year -- and now I can't
09:33:40 19 recall.

09:33:41 20 Q. Okay. We'll come back to that, but I want to
09:33:44 21 just ask a couple of questions about this email in
09:33:46 22 particular first.

09:33:47 23 So you said Ms. Lorick, she used to work for the
09:33:51 24 Secretary of State's Office as the elections director. Is
09:33:56 25 that right?

09:33:56 1 A. That is correct.

09:33:56 2 Q. Okay. And I want to direct your attention to
09:34:01 3 the very beginning of Ms. Lorick's email, which is at the
09:34:10 4 bottom of page one, beginning of page two. And she
09:34:10 5 writes:

09:34:16 6 It's been several weeks since we last discussed
09:34:19 7 implementation of H.B. 2492 and H.B. 2243, both of which
09:34:23 8 go into effect January 1st, 2023. If you'll recall, we
09:34:27 9 met several times throughout the year to review
09:34:30 10 implementation and the resulting impacts to the VR system,
09:34:35 11 as well as voter registration procedures. Several
09:34:35 12 questions remained as to whether we could implement
09:34:38 13 requirements that would conflict with the NVRA, federal
09:34:38 14 settlements, and court cases.

09:34:41 15 Having thoroughly analyzed the changes that both
09:34:45 16 bills require, the Secretary of State's Office believes
09:34:46 17 that there is no way to implement certain requirements
09:34:49 18 without conflicting with federal law. Given the Supremacy
09:34:53 19 Clause in the United State's Constitution, U.S.
09:34:54 20 Constitution article VI, clause 2, federal law should
09:34:55 21 prevail in these instances, so our office will not be
09:34:59 22 implementing those provisions.

09:35:01 23 Do you see that?

09:35:01 24 A. Yes.

09:35:03 25 Q. Okay. And then in her next paragraph she goes

09:35:05 1 on to note which provisions her office interprets as
09:35:10 2 conflicting with federal law.

09:35:11 3 Do you see that?

09:35:12 4 A. Yes.

09:35:13 5 Q. Okay. And does your office agree that these
09:35:18 6 provisions of the bills conflict with federal law?

09:35:22 7 DEFENSE COUNSEL: Calls for legal conclusion.

09:35:25 8 THE WITNESS: Yes.

09:35:25 9 BY MS. RIZZONI:

09:35:30 10 Q. Is guidance from any other entity beyond the
09:35:33 11 Secretary of State about how to implement these two laws,
09:35:36 12 legally binding on County Recorders.

09:35:41 13 DEFENSE COUNSEL: Same objection.

09:35:44 14 THE WITNESS: Not that I can recall, no.

09:35:46 15 BY MS. RIZZONI:

09:35:46 16 Q. Not that you're currently aware of either?

09:35:49 17 A. Right.

09:35:49 18 Q. Okay. Are you currently implementing any part

09:35:58 19 H.B. 2492?

09:36:01 20 A. No.

09:36:01 21 Q. And are you currently implementing any part of

09:36:07 22 the H.B. 2243?

09:36:09 23 A. No.

09:36:10 24 Q. And from the email we just looked at -- which,
09:36:15 25 by the way, I'm not sure we marked that, but if we

09:36:18 1 haven't, that's Exhibit 234.

09:36:24 2 So besides discussing with the Secretary of
09:36:26 3 State's Office have you discussed implementation of
09:36:29 4 H.B. 2492 and H.B. 2243 with anyone else?

09:36:34 5 A. No.

09:36:34 6 Q. Have you discussed implementation of these two
09:36:38 7 laws internally?

09:36:39 8 A. We discuss it, but I mean, whether we follow it
09:36:45 9 or not will be determined on what is decided after this
09:36:48 10 case.

09:36:49 11 Q. Can you tell me a little bit more about what you
09:36:52 12 discussed about implementing these two laws?

09:36:55 13 A. I mean, it's not, not, not a whole lot, other
09:37:00 14 than, you know, just kind of, not so much -- I mean, we'll
09:37:18 15 implement it as whatever is decided, but, you know, we
09:37:20 16 just kind of talk about as far as, you know, what is
09:37:25 17 mentioned here, having voters, you know, filling out,
09:37:31 18 making sure they fill out their voter registration form
09:37:36 19 completely and make sure that they don't miss any, any of
09:37:39 20 the required fields.

09:37:42 21 Q. So besides discussing ensuring that voter
09:37:49 22 applicants fill out their voter registration forms
09:37:52 23 completely, have you had any other internal discussions
09:37:54 24 with your staff about implementing these two laws?

09:37:57 25 A. No. There's just kind of basic as far as the

09:38:03 1 voter form.

09:38:03 2 Q. Okay.

09:38:05 3 A. Making sure that it's filled out completely.

09:38:07 4 Q. Let's turn back to document, document D, La Paz

09:38:27 5 County Recorder's response to the Equity Coalition

09:38:31 6 interrogatories. And can you take a look at your response

09:38:33 7 to interrogatory 1. Let me know when you're there.

09:38:40 8 A. I'm here.

09:38:41 9 Q. Okay. Your response is:

09:38:46 10 At this time the La Paz County Recorder's Office

09:38:48 11 has no plans, policies, procedures, or training materials

09:38:51 12 regarding the actual or prospective implementation of H.B.

09:38:55 13 2492. The La Paz County Recorder and his staff have

09:38:55 14 engaged in discussions regarding the prospective

09:39:02 15 implementation of H.B. 2243; however, they are waiting to

09:39:05 16 receive further guidance from the Arizona Secretary of

09:39:07 17 State regarding the new law.

09:39:08 18 Did I read that correctly?

09:39:09 19 A. Yes.

09:39:10 20 Q. Okay. And then can you tell me what you mean

09:39:13 21 here by prospective implementation of H.B. 2243?

09:39:19 22 A. Kind of what I was just saying earlier. I mean,

09:39:23 23 that's kind of more of discussion that we would have to

09:39:25 24 make sure, you know, that voters fill out, you know, the

09:39:30 25 form completely.

09:39:32 1 Q. And when with you say the form, what are you
09:39:35 2 referring to?

09:39:35 3 A. The voter registration form.

09:39:37 4 Q. Okay. And why were you discussing the need to
09:39:41 5 ensure that voters are filling out the voter registration
09:39:46 6 form completely in the context of prospective
09:39:47 7 implementation of H.B. 2243?

09:39:50 8 A. Just because we want them to be registered
09:39:55 9 properly and, you know, abide by what this by, you know,
09:40:00 10 what's required by the voter registration forms to make
09:40:04 11 sure that they're registered properly.

09:40:06 12 Q. Was your office concerned about H.B. 2243 was
09:40:10 13 going to cause issues with voters not being able to
09:40:14 14 complete the form properly?

09:40:15 15 A. Maybe a little bit. Not so much filling out the
09:40:21 16 form, but just, you know, providing a, the residency and,
09:40:32 17 and proper DPOC, the documentary proof of citizenship.

09:40:32 18 Q. So your office was concerned that voters may
09:40:43 19 have difficulty providing the documentary proof of
09:40:46 20 citizenship and information about their residency. Is
09:40:50 21 that correct?

09:40:50 22 A. Not so much trouble providing it, just, you
09:40:54 23 know, maybe not realizing that they would have to provide
09:40:59 24 that information.

09:41:00 25 Q. Okay. Okay. Before H.B. 2492 was passed into

09:41:14 1 law, did your office oppose the passage of that bill?

09:41:17 2 A. I can't, I can't recall.

09:41:26 3 Q. And what about H.B. 2243? Was your office
09:41:31 4 opposed to the passage of that bill?

09:41:34 5 A. I can't recall if we were opposed or not opposed
09:41:38 6 to it.

09:41:39 7 Q. Are you familiar with the Arizona Association of
09:41:42 8 Counties?

09:41:43 9 A. Yes.

09:41:44 10 Q. Okay. And are you a member of the Arizona
09:41:50 11 Association of Counties?

09:41:51 12 A. Yes.

09:41:53 13 Q. And can you tell me a little bit about what the
09:41:54 14 Arizona Association of Counties does with respect to, I
09:41:59 15 guess, the legislative docket and bill that it supports or
09:42:03 16 doesn't support?

09:42:04 17 A. Well, you know, they, they give us the language
09:42:09 18 to the bill and ask us for just feedback on it, and any
09:42:19 19 concerns or -- that's kind of basically it. I mean, we
09:42:22 20 just kind of give our thoughts on it.

09:42:24 21 Q. Did the Arizona Association of Counties ever
09:42:28 22 reach out to your office for feedback about either of
09:42:32 23 these bills?

09:42:33 24 A. I mean, emails circulate sometimes asking, you
09:42:39 25 know, if we like something or don't like it, but, but I

09:42:45 1 can't recall how many times, or anything like that.

09:42:50 2 Q. Do you recall if the Arizona Association of
09:42:56 3 Counties ever emailed you at all about either of these
09:42:58 4 bills?

09:42:58 5 A. I recall some emails probably going around about
09:43:04 6 it, I'm sure.

09:43:05 7 Q. And did they ask you whether or not you had
09:43:08 8 feedback on either bill?

09:43:10 9 A. Well, they asked us all, and whether I responded
09:43:15 10 to it or not I can't recall, and, if I did, I mean, it
09:43:18 11 must have been a while back. So I can't recall.

09:43:21 12 Q. So you don't currently recall responding to any
09:43:24 13 request for feedback from the Arizona Association of
09:43:27 14 Counties about either H.B. 2492 or H.B. 2243?

09:43:33 15 A. Like I said, it may be in the past, several
09:43:37 16 months ago, maybe last year, but not recent.

09:43:44 17 Q. Did you ever provide feedback to Arizona
09:43:47 18 Association of Counties about either bill?

09:43:49 19 A. I can't recall.

09:43:53 20 Q. Okay. What about H.B. 2617? Do you recall that
09:43:59 21 bill?

09:43:59 22 A. Not too much. I think the 2243 and the 2492 has
09:44:11 23 been kind of more out there more than the 2617 that you
09:44:15 24 just said.

09:44:16 25 Q. Do you recall that 2617 was the predecessor bill

09:44:21 1 to 2243?

09:44:23 2 A. I can't remember. I don't recall. There's too

09:44:28 3 much, too many bills in it, you know, to keep up with them

09:44:33 4 sometimes.

09:44:33 5 Q. Okay.

09:44:33 6 A. It's challenging.

09:44:34 7 Q. Let's take a look at document J then. Maybe

09:44:38 8 this will jog your memory. Let me know when you have it

09:44:41 9 open.

09:44:41 10 A. Which one?

09:44:42 11 Q. Document J.

09:44:58 12 A. Yeah, I got it up.

09:45:00 13 Q. Great. Okay. I'd like to first direct your

09:45:06 14 attention to the middle of the page, the email from

09:45:10 15 Jennifer Marson.

09:45:11 16 Do you see that?

09:45:12 17 A. Hmm hmm. Yes.

09:45:13 18 Q. And Jennifer Marson, she works at AA -- I'm

09:45:18 19 sorry -- at the Arizona Association of Counties, correct?

09:45:21 20 A. Correct.

09:45:22 21 Q. She is their executive director. Is that right?

09:45:26 22 A. That is correct.

09:45:27 23 Q. Okay. And this email which is from March 14th,

09:45:31 24 2022, from Ms. Marson is sent to, what looks like, all of

09:45:34 25 the County Recorders, including yourself. Is that right?

09:45:38 1 A. Yes. Yes.

09:45:38 2 Q. And the subject line is: H.B. 2617 - Does the
09:45:38 3 amendment change your position?

09:45:48 4 There's a typo, but I assume she means position.
09:45:49 5 Is that right?

09:45:49 6 A. Yeah.

09:45:50 7 Q. Okay. So she writes:

09:45:55 8 Dear Recorders: Please review H.B. 2617.

09:45:59 9 Originally this bill required your offices to review a
09:45:59 10 bunch of different databases (state, federal, local) to
09:45:59 11 try and verify someone's citizenship. Many of them are
09:46:13 12 databases to which counties do not have that kind of
09:46:13 13 access. As a result a floor amendment was added to
09:46:13 14 include the phrases "if practicable" or "if the county has
09:46:13 15 access".

09:46:14 16 Do you see that?

09:46:15 17 A. Yes.

09:46:16 18 Q. Okay. And then she asks on the beginning of
09:46:21 19 next page: Does this change your position?

09:46:23 20 Do you see that?

09:46:24 21 A. Yes.

09:46:25 22 Q. Okay. And at the very top much of the email, it
09:46:28 23 looks like you respond the next day, and you write:

09:46:32 24 Opposed. Agree with comments made.

09:46:34 25 Is that right?

09:46:34 1 A. Right.

09:46:35 2 Q. So it's fair to say then that you were opposed
09:46:38 3 to the H.B. 2617 bill?

09:46:41 4 A. Well, yes. Since it was, I wrote it down there,
09:46:51 5 yeah.

09:46:52 6 Q. And does this refresh your memory at all about
09:46:56 7 maybe some of the conversations you had with Arizona
09:46:59 8 Association of Counties about the other two bills?

09:47:00 9 A. That I -- no, I can't recall.

09:47:03 10 Q. So if you were opposed to 2617, were you opposed
09:47:12 11 to 2243 as passed?

09:47:17 12 A. No. I mean, like I said, I mean, whatever, I'm
09:47:25 13 nominal on this, so whatever is decided, that's what we'll
09:47:30 14 do.

09:47:38 15 Q. Are you aware of any changes that are made to
09:47:41 16 the H.B. 2617 bill that were made to the 2243 bill that
09:47:48 17 would have changed your position on whether you opposed
09:47:51 18 the bill?

09:47:52 19 A. After this email --

09:47:58 20 Q. Right.

09:47:58 21 A. -- no. And if I had opposed it, I can't recall
09:48:03 22 exactly what was said, and maybe because we wouldn't have
09:48:06 23 access to certain databases. But that's pretty much all I
09:48:12 24 can remember.

09:48:12 25 Q. Okay. We will come back to that language, but I

09:48:17 1 appreciate you taking a look at that.

09:48:20 2 All right. Let's shift gears to -- oh, I'm

09:48:24 3 sorry. No, one more question on that.

09:48:26 4 So you mentioned that you were opposed to 2617
09:48:32 5 because it required you to review databases that you may
09:48:35 6 not have access to. Is that right?

09:48:37 7 A. That's correct.

09:48:38 8 Q. Is there any other reason you were opposed to
09:48:41 9 H.B. 2617?

09:48:42 10 A. Not that I can recall, no.

09:48:44 11 Q. Okay. All right. We can shift gears now.

09:48:50 12 Let's talk more about the voter registration
09:48:55 13 process in La Paz County generally.

09:48:58 14 So can you tell me, Mr. Garcia, what methods a
09:49:02 15 potential voter can use to register to vote in your
09:49:06 16 county?

09:49:06 17 A. Can you clarify that? Are you talking about
09:49:12 18 like citizenship verifica -- citizenship proof? Are
09:49:15 19 you --

09:49:15 20 Q. First, I just want to talk about generally. So
09:49:17 21 like I'm talking about things like, you know, online, the
09:49:17 22 Motor --

09:49:17 23 A. Oh.

09:49:17 24 Q. -- Vehicle Division --

09:49:17 25 A. Oh.

09:49:20 1 Q. -- form, the state form, the federal forms?

09:49:20 2 A. Yeah.

09:49:21 3 Q. I just want you to you walk me through how
09:49:25 4 long a person --

09:49:25 5 A. Yeah. So, yeah, a voter can utilize the
09:49:31 6 Servicearizona.com, register electronically that way
09:49:34 7 through the MVD. They can use paper form, whether it's a
09:49:38 8 state form or federal form. They can either pick those up
09:49:45 9 somewhere, you know, either at a post office or library,
09:49:48 10 or they can come in here in the office and do it.

09:49:50 11 Q. What about NVRA agencies? Are you familiar with
09:49:58 12 those?

09:49:59 13 A. Are you, is that like, what, like DES or
09:50:05 14 something? Is that what you're referring to?

09:50:08 15 Q. I'm referring to, yeah, any agency that you work
09:50:10 16 with that may help with voter registration.

09:50:12 17 A. What was your question again, I'm asking? What
09:50:19 18 was your question again? Can you repeat it?

09:50:21 19 Q. Yeah. Well, maybe I will just ask it this way.

09:50:23 20 So, besides ServiceArizona, electronic
09:50:27 21 registration, the MVD, the state or federal paper form,
09:50:30 22 are there any other ways that a potential voter can use to
09:50:35 23 register to vote in your county?

09:50:36 24 A. Probably the, through DES is what I can think
09:50:36 25 of.

09:50:42 1 Q. And what is DES?

09:50:44 2 A. Department of Economic Security. There is an
09:50:51 3 office here, so, I mean, somebody could register through
09:50:55 4 there.

09:50:56 5 Q. And what about -- are you familiar with the
09:51:06 6 UOCAVA, federal postcard and federal write-in absentee
09:51:11 7 ballots?

09:51:13 8 A. Is that the FWABs, I think, the FWAB form,
09:51:20 9 federal write-in absentee? Is that what you said?

09:51:21 10 Q. Federal postcard and federal write-in absentee
09:51:21 11 ballot.

09:51:26 12 A. Oh, FPCA card. Yeah, that's for uniformed and
09:51:29 13 overseas citizens, military, could register using that
09:51:35 14 card, their FPCA card applications, yes.

09:51:38 15 Q. Okay. So any other means, besides those we just
09:51:41 16 discussed could an applicant use to register to vote in
09:51:49 17 your county?

09:51:49 18 A. Right. What we just mentioned, yes, yes, they
09:51:52 19 would utilize those methods.

09:51:55 20 Q. Okay. Great. Okay. Let's talk about
09:51:58 21 citizenship verification. I want to just direct your
09:52:01 22 attention first to document H. If you could open that and
09:52:04 23 let me know when it's open.

09:52:17 24 A. I have it open.

09:52:18 25 Q. Great. Have you seen this document before?

09:52:20 1 A. Yes.

09:52:23 2 Q. And what is it?

09:52:24 3 A. An email from Mr. Aguilar to Mr. Mitchell in
09:52:33 4 regards of how we verify citizenship.

09:52:35 5 Q. Okay. Sorry. I keep forgetting to mark exhibit
09:52:38 6 numbers. So let me just go back and say document J should
09:52:43 7 be Exhibit 235. And then we are going to mark this,
09:52:50 8 document H, as 236. Okay?

09:52:57 9 Okay. All right. So do you know what prompted
09:53:03 10 Mr. Aguilar to email this to Mr. Mitchell copying you?

09:53:08 11 A. Could have been the litigation.

09:53:21 12 Q. Can you be more specific about that?

09:53:25 13 A. Well, the lawsuit that we're, that we're in
09:53:29 14 right now. I'm assuming that it would have had to have
09:53:32 15 been in related, in relation to that.

09:53:35 16 Q. Okay. Okay. So it says:

09:53:40 17 Jason, the way we verified citizenship is
09:53:42 18 through the AVID system using HAVA, and if it is not
09:53:42 19 verified through HAVA we send letter asking the voter for
09:53:51 20 proof of citizenship according to statute and we also have
09:53:52 21 access to the SAVE program.

09:53:54 22 Did I read that right?

09:53:55 23 A. Yes, you did.

09:53:57 24 Q. Okay. Great. And AVID here refers to the
09:54:03 25 Access Voter Information Database, correct?

09:54:08 1 A. That is correct.

09:54:08 2 Q. And HAVA is the Help America Vote Again Act?

09:54:12 3 A. Correct.

09:54:12 4 Q. And SAVE is the Systematic Alien Verification
09:54:16 5 for Entitlements program?

09:54:16 6 A. That is correct.

09:54:17 7 Q. Great. Okay. So the process described in this
09:54:20 8 email, does it relate to how La Paz County verifies
09:54:25 9 citizenship of voter applicants who do not provide
09:54:30 10 documentary proof of citizenship?

09:54:32 11 A. So it's more of when somebody registers to vote,
09:54:39 12 the AVID system will verify that through the system
09:54:44 13 itself, matching information on the voter, whether it's
09:54:49 14 through their SSA, obviously, their date of birth, MVD
09:54:54 15 crossmatches with MVD, SSA, other government offices like
09:55:05 16 DHS, but mainly MVD as far as the citizenship is, you
09:55:12 17 know, concerned.

09:55:12 18 Q. Okay. Let's take that in just slightly more
09:55:17 19 bite-size pieces going step-by-step through that.

09:55:20 20 So how, how, how does your office use the AVID
09:55:23 21 system to verify an applicant's citizenship?

09:55:26 22 A. So, so we enter them into the system and it
09:55:32 23 crossmatches with MVD. So that clears out, that would
09:55:36 24 confirm their, it would confirm their citizenship through
09:55:39 25 MVD based off of their driver's license.

09:55:42 1 Q. Okay. So the MVD database has information about
09:55:48 2 an applicant's citizenship. Is that right?

09:55:50 3 A. That's correct.

09:55:51 4 Q. And are you aware of any other databases that
09:55:55 5 are accessible through AVID that also include citizenship
09:55:59 6 information?

09:56:00 7 A. Through AVID, as far as citizenship, no, not to
09:56:08 8 my knowledge. That's mainly, mainly through MVD.

09:56:11 9 Q. Okay. Are you familiar with HAVA checks?

09:56:15 10 A. Yes. So that's part of when we enter into the
09:56:19 11 system it does, what we call, the HAVA checks, which when
09:56:23 12 it does crossmatch with MVD, but it also does through SSA.
09:56:27 13 So I guess SSA would be another one, SSA and also DHS and
09:56:32 14 the court system.

09:56:33 15 Q. And what was the last one?

09:56:35 16 A. The courts.

09:56:36 17 Q. Courts.

09:56:37 18 A. Yeah.

09:56:38 19 Q. Okay. Okay. So, just to be clear, you enter
09:56:42 20 the registration form information into AVID.

09:56:46 21 A. Correct.

09:56:46 22 Q. AVID -- then what does AVID do?

09:56:49 23 A. It crossmatches, it does the HAVA checks.

09:56:54 24 Q. Okay. Then it does the HAVA check.

09:56:54 25 A. Right.

09:56:56 1 Q. And through the HAVA check, it consults these
09:56:59 2 different databases, the Motor Vehicle Division, the SSA,
09:57:04 3 the DHS, and the courts. Is that right?

09:57:05 4 A. That's correct.

09:57:06 5 Q. Okay. The MVD database we have already
09:57:09 6 discussed. That has information about an applicant's
09:57:11 7 citizenship.

09:57:12 8 The SSA database, is that the Social Security
09:57:18 9 Administration database?

09:57:18 10 A. That is correct.

09:57:18 11 Q. Okay. And does that have information about an
09:57:21 12 applicant's citizenship?

09:57:21 13 A. I mean, I would assume that the SSA would have
09:57:30 14 specific numbers for a person who is maybe a legal
09:57:34 15 permanent resident, but, you know, it wouldn't necessarily
09:57:36 16 tell us as far as citizenship, to my knowledge, when it
09:57:39 17 crosschecks with the SSA. It's, as far as citizenship it
09:57:44 18 would be through the MVD.

09:57:46 19 Q. Okay. And the DHS, that's the Department of
09:57:51 20 Homeland Security. Is that right?

09:57:53 21 A. Department of Health Services.

09:57:55 22 Q. Department of Health Services. Thank you.

09:57:59 23 And would that have information about an
09:58:01 24 applicant's citizenship?

09:58:02 25 A. No. That's more for deceased people.

09:58:05 1 Q. Okay. And when it accesses the courts, is that
09:58:11 2 like a particular court system it's accessing? Or what do
09:58:14 3 you mean by that?

09:58:15 4 A. Well, the court system, the statewide court
09:58:20 5 system, and that's for felony checks.

09:58:23 6 Q. So that, the court system that runs through the
09:58:26 7 HAVA check, would that have information about citizenship?

09:58:32 8 A. Not to my knowledge, no. It's, like I said,
09:58:35 9 it's more of a felony check.

09:58:38 10 Q. Okay. So sitting here today, it's the Motor
09:58:41 11 Vehicle database that would have the information about an
09:58:44 12 applicant's citizenship?

09:58:45 13 A. Yes.

09:58:46 14 Q. Okay. Okay. And are HAVA checks run for every
09:59:00 15 voter applicant?

09:59:02 16 A. Yes.

09:59:02 17 Q. And when you're running a HAVA check, what
09:59:09 18 information does it show you about the applicant's
09:59:13 19 citizenship?

09:59:13 20 A. So it would show DMV, the MVD information. It
09:59:26 21 would basically tell you if there was a legal permanent
09:59:31 22 resident maybe that may have, maybe would have -- if a
09:59:34 23 legal permanent resident would have used, or tried to
09:59:38 24 register, they would have, you know, an F number, I
09:59:41 25 believe, is what it would be. So it's a, they have a

09:59:45 1 different number, as opposed to someone who is actually a
09:59:49 2 citizen, to my knowledge.

09:59:50 3 Q. And by F number, are you referring to F-type
09:59:53 4 licenses?

09:59:54 5 A. Yes. F-type licenses, yes.

09:59:57 6 Q. Okay. And F-type licenses are used for people
10:00:01 7 who, at the time of registering, are lawful permanent
10:00:06 8 residents but not citizens. Is that right? I'm sorry.
10:00:09 9 Scratch that.

10:00:11 10 At the time that the person registers for their
10:00:13 11 driver's license, that means that they're not a citizen;
10:00:19 12 they're a lawful permanent resident.

10:00:20 13 A. Correct.

10:00:21 14 Q. Okay. Okay. So if the HAVA check matches to
10:00:32 15 information saying that the applicant is a citizen, do you
10:00:35 16 register that applicant as a full-ballot voter?

10:00:39 17 A. Yes.

10:00:40 18 Q. Okay. And if HAVA does not match the citizen's
10:00:45 19 information, what does your office do then?

10:00:48 20 A. So if they didn't, so if, if they didn't provide
10:00:58 21 their driver's license we run HAVA checks, and if MVD
10:01:03 22 provides it, we'll make them a full-ballot voter. If we
10:01:06 23 can't get any kind of citizenship verification, we would
10:01:18 24 place them as a didn't provide any citizenship
10:01:24 25 verification, we would put them as a fed-only voter,

10:01:34 1 federal-only voter. If they didn't provide any kind of
10:01:37 2 citizenship when they register to vote we would mark them
10:01:41 3 as a fed-only voter.

10:01:41 4 Q. Can you tell me what it means --

10:01:42 5 A. If that's what you're asking.

10:01:45 6 Q. Well, there's a couple of questions there.

10:01:47 7 So can you tell me what that means to be a
10:01:49 8 fed-only voter?

10:01:51 9 A. It means they would only be able to vote in
10:01:56 10 federal races.

10:01:57 11 Q. So if the HAVA check returns, you know, no match
10:02:05 12 to citizenship information, or it says they're a lawful
10:02:11 13 permanent resident because they have an F-type license --

10:02:13 14 A. Oh, if it comes back as an F-type license then
10:02:16 15 we will follow up with correspondence. We won't register
10:02:20 16 them. We'll put them as a not eligible, invalid
10:02:26 17 citizenship proof, and send them a letter and, asking them
10:02:30 18 to, you know, correct it if that's not accurate. Because
10:02:35 19 I would think that there could be occasions where somebody
10:02:39 20 could, you know, become a citizen, and within that time
10:02:44 21 frame, maybe they didn't, just didn't update their
10:02:48 22 driver's license to reflect that they're a citizen now and
10:02:49 23 they still have their F-type license.

10:02:49 24 Q. Got it.

10:02:51 25 A. So we follow up with a correspondence letting

10:02:53 1 them know, you know, the results of their, after we
10:02:58 2 process their application and letting them know what they
10:03:00 3 need to do as far as curing or correcting it.

10:03:03 4 Q. Okay. So you send a notice to voter applicants
10:03:08 5 who come back with an F-type license inviting them to
10:03:13 6 cure. Is that correct?

10:03:14 7 A. Yes. They can correct, if, if they are actually
10:03:17 8 a citizen.

10:03:18 9 Q. Of course.

10:03:18 10 A. Right.

10:03:20 11 Q. Do you send these notices to voter applicants
10:03:23 12 for any other reason?

10:03:24 13 A. We will send, probably not the same
10:03:30 14 correspondence, but we will send correspondence to people
10:03:34 15 that, you know, maybe didn't provide the citizenship
10:03:36 16 proof, and we end up registering them as a federal-ballot
10:03:42 17 voter only and letting them know how they can correct
10:03:45 18 that.

10:03:45 19 Q. Okay. So if you run the HAVA check and it
10:03:50 20 doesn't match the citizenship information, your office
10:03:52 21 will send them a notice letting them know that they have
10:03:55 22 been enrolled as a federal-only voter and how to cure so
10:03:59 23 that they can be restored to a full-ballot voter. Is that
10:04:02 24 right?

10:04:02 25 A. If they didn't provide citizenship --

10:04:05 1 Q. Okay.

10:04:05 2 A. -- with their application. Now, a lot of times
10:04:08 3 the HAVA checks may come back and actually provide that
10:04:11 4 information for us, which we'll then make them a
10:04:15 5 full-ballot voter, if MVD comes back with citizenship
10:04:20 6 verification to where maybe the voter just didn't put it
10:04:23 7 on their application.

10:04:23 8 Q. Got it.

10:04:24 9 A. Yes.

10:04:27 10 Q. So let's talk quickly about the F-type licenses.
10:04:37 11 So you mentioned that there are situations where
10:04:39 12 a person may just not have updated their driver's license
10:04:43 13 information but between the time they got the F-type
10:04:47 14 license and the time that they are trying to register to
10:04:49 15 vote they have been naturalized.

10:04:51 16 Have you had any personal experience at your
10:04:53 17 office with those sorts of voters?

10:04:56 18 A. Possibly. I mean, if there was, like I said, we
10:05:08 19 would follow up with correspondence and asking them to fix
10:05:14 20 it. So I mean at that point I would assume they would
10:05:19 21 either maybe show you with their naturalization
10:05:22 22 certificate. But I can't recall if we actually had a
10:05:29 23 scenario exactly like that.

10:05:29 24 Q. Okay. But you can't recall either, if you had
10:05:31 25 done that, whether or not the applicant cured by sending

10:05:34 1 in naturalization information?

10:05:37 2 A. Right off the top of my head no, but, I mean,
10:05:40 3 that's what we would do in a scenario like that if they,
10:05:44 4 you know, if that did happen.

10:05:45 5 Q. Got it.

10:05:46 6 A. We'd follow up with correspondence letting them
10:05:49 7 know what they need to do to fix it.

10:05:52 8 Q. Okay. And these notices that you send out
10:06:01 9 asking, you know, letting people know sort of the, the
10:06:04 10 status of these checks and asking them to cure, what do
10:06:09 11 these notices say?

10:06:14 12 A. I mean, I don't got the letter in front of me.
10:06:17 13 I mean, I'd have to get that from my chief deputy. He is
10:06:23 14 usually the one that sends out the correspondence, so I
10:06:25 15 mean, he has copies of the letter. But, yeah, I don't
10:06:30 16 have it in front of me, but it would be something along
10:06:32 17 the lines of them just asking them to, giving them the
10:06:38 18 methods as to how they can cure their, the DPOC
10:06:43 19 requirement.

10:06:43 20 Q. Do you know if the notices are in English or any
10:06:45 21 other languages too?

10:06:47 22 A. I mean, it's in English. Like I said, I'd have
10:06:52 23 to see if it's, if it's, the full thing is in Spanish as
10:06:57 24 well, or usually a lot of times there's a statement on
10:06:59 25 there in Spanish saying, you know, if you need this letter

10:07:03 1 or notice in Spanish, please notify our office and we can
10:07:08 2 always provide them one.

10:07:09 3 Q. Do you know if La Paz produced any notices in
10:07:16 4 this litigation?

10:07:17 5 A. I'm sorry. Can you ask that again?

10:07:19 6 Q. Are you aware whether or not your office
10:07:21 7 produced any copies of these notices?

10:07:24 8 A. The letters? Is that what you're asking?
10:07:29 9 The -- is that what you're asking, the letters if we
10:07:32 10 produced any kind of --

10:07:33 11 Q. Well, so I reviewed your productions and I
10:07:35 12 didn't see any sample notices produced by your office, so
10:07:39 13 I was just wondering whether or not you're planning on
10:07:45 14 supplementing a production with those notices.

10:07:48 15 A. I mean, we can.

10:07:50 16 Q. Okay. Maybe I can talk to Mr. Mitchell about
10:07:54 17 that on a break.

10:07:55 18 A. Okay.

10:07:56 19 MS. RIZZONI: I do think we've gone about an
10:07:58 20 hour on the record, so I want to offer if you wanted to
10:08:01 21 take a five-minute break or if you want to just keep
10:08:05 22 chugging along.

10:08:07 23 THE WITNESS: I'll take a little break.

10:08:09 24 MS. RIZZONI: Okay. Great. Well, then let's
10:08:11 25 reconvene in about five if that works, unless you need a

10:08:15
10:08:16
10:08:16

1 longer break.

2 THE WITNESS: Okay. Five minutes is good

3 enough.

4 MS. RIZZONI: Okay. Great.

5 THE VIDEOGRAPHER: Okay. We are off the record.

6 Time on the monitor is 10:08.

7 (Recess taken from 10:08 a.m. to 10:16 a.m.)

8 THE VIDEOGRAPHER: Okay. We are on the record.

9 Time on the monitor is 10:16. And you may proceed.

10 BY MS. RIZZONI:

11 Q. Great. Welcome back, Mr. Garcia.

12 Just a few more questions about these database

13 checks before we can move on to something new.

14 So before we broke for the five minutes we were

15 talking about, I guess, the potential for voters who were

16 lawful permanent residents at the time, but they got their

17 driver's license returning a, you know, non-citizen match

18 through the MVD database because of their F-type license,

19 and then later curing, after being served with a notice,

20 you know, showing that they've since become naturalized.

21 Do you remember talking about that?

22 A. Yes.

23 Q. Okay. So would you agree, then, that the MVD

24 database cannot conclusively determine that a person is or

25 is not a U.S. citizen?

10:17:15 1 A. Well, they can determine that based off of their
10:17:20 2 driver's license.

10:17:20 3 Q. If, for example, the driver's license is an
10:17:22 4 F-type license but the voter applicant has since
10:17:26 5 naturalized and become a citizen, then the database would
10:17:29 6 show that they're not a citizen although they really were.
10:17:34 7 That's correct?

10:17:35 8 A. That is correct. Unless, until they maybe renew
10:17:39 9 their driver's license, then they would probably get a,
10:17:41 10 I'm assuming they would get a different number identifying
10:17:43 11 them being a citizen.

10:17:44 12 Q. But you would agree, then, that the Motor
10:17:55 13 Vehicle database does not conclusively determine that a
10:17:57 14 person is not a U.S. citizen.

10:17:59 15 DEFENSE COUNSEL: Objection; misstates
10:18:01 16 testimony, leading.

10:18:03 17 THE WITNESS: So you're saying the MVD cannot
10:18:07 18 determine if they are a U.S. citizen. Is that what you're
10:18:09 19 asking me?

10:18:10 20 BY MS. RIZZONI:

10:18:10 21 Q. I'm asking you if the MVD can conclusively
10:18:13 22 determine whether or not an applicant is not a U.S.
10:18:15 23 citizen.

10:18:16 24 A. Well, they can.

10:18:23 25 Q. What do you mean by that?

10:18:25 1 A. Well, based off of their driver's license. I
10:18:29 2 mean, they would fulfill the citizenship requirement when
10:18:35 3 they register to vote. When they register with the DMV
10:18:39 4 they would have the driver's license number that would
10:18:41 5 determine that they are a citizen.

10:18:44 6 Q. Right. So the driver's license could determine
10:18:47 7 that a person is a citizen. I'm asking the inverse,
10:18:50 8 whether or not the database could determine conclusively
10:18:53 9 whether or not a person is not a citizen.

10:18:55 10 A. Oh.

10:18:56 11 DEFENSE COUNSEL: Asked and answered.

10:18:59 12 THE WITNESS: Well, they could get an F-type
10:19:02 13 license, which would mean they are not a citizen.

10:19:04 14 BY MS. RIZZONI:

10:19:04 15 Q. That would mean that they were not a citizen at
10:19:07 16 the time that they acquired the license.

10:19:08 17 A. Right.

10:19:09 18 Q. But they could have naturalized in the time
10:19:12 19 since. Is that right?

10:19:12 20 A. They could have, they could.

10:19:14 21 Q. Okay. So my question, then, is whether the MVD
10:19:18 22 database can conclusively determine whether or not a
10:19:20 23 person is not a U.S. citizen.

10:19:23 24 DEFENSE COUNSEL: Asked and answered.

10:19:24 25 THE WITNESS: I mean, unless they, like I said,

10:19:27 1 unless they update their driver's license they would

10:19:30 2 probably just be still considered not a citizen.

10:19:36 3 BY MS. RIZZONI:

10:19:36 4 Q. Okay. All right. One more database to talk
10:19:40 5 about with respect to this email and then we can, we can
10:19:42 6 move along.

10:19:52 7 So the SAVE program, that's a database that's
10:19:55 8 run by the United States Citizenship and Immigration
10:19:59 9 Services. Is that right?

10:19:59 10 A. Yes.

10:20:00 11 Q. And I'm probably going to refer to that as
10:20:07 12 USCIS. Does that work for you?

10:20:08 13 A. Yes.

10:20:08 14 Q. And it sounds like, from this email, your office
10:20:10 15 has access to the SAVE database.

10:20:13 16 A. Yes.

10:20:14 17 Q. And your office uses SAVE to perform citizen
10:20:17 18 checks for voter applicants. Is that right?

10:20:19 19 A. We have the ability to do so, but I never recall
10:20:25 20 having a need to use it.

10:20:29 21 Q. And then is it correct that SAVE is used to
10:20:33 22 verify the citizenship of naturalized voters only?

10:20:37 23 A. To my knowledge, yes.

10:20:39 24 Q. And do you know whether or not you can use the
10:20:45 25 SAVE system for citizenship verification purposes without

10:20:51 1 having an alien registration number or naturalization
10:20:54 2 certificate number?

10:20:56 3 A. That I don't know.

10:20:56 4 Q. And if an applicant provides their
10:21:02 5 naturalization certificate is that enough to satisfy the
10:21:05 6 DPOC requirement? Or do you also check the alien
10:21:09 7 registration number or their naturalization certificate
10:21:12 8 number using the SAVE system?

10:21:17 9 A. If they provided a number then we would use that
10:21:21 10 number. If they provided, you know, that number on the
10:21:26 11 registration form then we would utilize that number. But,
10:21:31 12 as I said, I never had to have a need to utilize the SAVE.

10:21:37 13 Q. So, just to be clear, when you say the number,
10:21:41 14 is that the alien registration number or naturalization
10:21:45 15 certificate number?

10:21:45 16 A. Sorry. Naturalization number.

10:21:47 17 Q. Okay. And when you say you've never had a need
10:21:53 18 to use SAVE, I guess, tell me then, under what
10:21:57 19 circumstances would your office need to use the SAVE
10:21:59 20 database to verify ones citizenship?

10:22:02 21 A. We got the form with their naturalization number
10:22:10 22 on it, and maybe didn't provide the driver's license
10:22:16 23 number, and maybe that driver's license number came back
10:22:19 24 as an F-type but yet there was a naturalization number on
10:22:23 25 there, then I'm assuming in that scenario we would

10:22:25 1 probably utilize the SAVE program.

10:22:27 2 Q. So would you use the SAVE program for

10:22:31 3 applicants, every applicant that includes an A number or a

10:22:34 4 naturalization certificate number on their registration

10:22:36 5 form?

10:22:36 6 A. If they provided a naturalization number.

10:22:42 7 Q. And, in that case, would you always consult SAVE

10:22:45 8 or only when they don't also provide some other

10:22:45 9 information indicating citizenship?

10:22:49 10 A. Only if there was no information and just that

10:22:52 11 naturalization number. But usually the HAVA checks would

10:22:56 12 clear that, would suffice that, that DPOC. This would

10:23:00 13 only be if we didn't have any result from the HAVA checks

10:23:05 14 and the, but we did have a naturalization number, then we

10:23:10 15 would utilize the SAVE with that.

10:23:12 16 Q. Okay. So just to clarify sort of the order of

10:23:16 17 operations at your office.

10:23:17 18 So you first access AVID, that runs the HAVA

10:23:20 19 check. If the HAVA check doesn't return something back

10:23:24 20 about the applicant's citizenship and they have provided

10:23:28 21 either an alien registration number or a naturalization

10:23:32 22 certificate number, then you would use SAVE. Is that

10:23:36 23 right?

10:23:36 24 A. That is correct.

10:23:37 25 Q. So I think I already know the answer to this

10:23:45 1 just because you said you haven't, you don't recall any
10:23:47 2 uses of the SAVE program, but, as a general practice, do
10:23:51 3 you know whether your office would search SAVE with the
10:23:55 4 alien registration number, the naturalization certificate
10:23:58 5 number, or both numbers?

10:23:59 6 A. Pending the number is provided. I mean, if they
10:24:05 7 provided a number, I mean, we would use it.

10:24:07 8 Q. If they provided both numbers, the alien
10:24:11 9 registration number and the naturalization number would
10:24:11 10 you use both.

10:24:11 11 (Simultaneous speakers.)

10:24:11 12 MS. RIZZONI: Sorry.

10:24:17 13 THE WITNESS: I, if they provided an A number we
10:24:21 14 would use that, I mean, or the naturalization number.
10:24:28 15 Again, I'm not, never had a need to utilize it, so I'm not
10:24:32 16 sure what kind of results would be, what it would be like
10:24:36 17 for an A number. But, but if they provided it we would
10:24:41 18 use it.

10:24:42 19 BY MS. RIZZONI:

10:24:42 20 Q. Do you know if a SAVE check is more accurate if
10:24:46 21 you enter both numbers into the system?

10:24:48 22 A. That I don't know.

10:24:50 23 DEFENSE COUNSEL: Foundation.

10:24:51 24 BY MS. RIZZONI:

10:24:54 25 Q. All right. So if SAVE indicates that the voter

10:24:57 1 has been naturalized, you would register them as a
10:25:01 2 full-ballot voter, correct?

10:25:03 3 A. If it came back as being that they were a
10:25:05 4 citizen, yeah.

10:25:06 5 Q. And then what happens at your office if the SAVE
10:25:10 6 system search returns either no match or a record
10:25:14 7 reflecting a lack of citizenship?

10:25:16 8 A. We would just follow up with a letter letting
10:25:21 9 them know that, you know, of our, the results of their
10:25:25 10 application and anyway for them to correct it.

10:25:29 11 Q. Okay. Do you know whether or not USCIS has an
10:25:38 12 alternative or an additional verification process?

10:25:42 13 A. Yeah, I don't know that.

10:25:44 14 Q. Okay. So safe to say that you've never used
10:25:51 15 USCIS's alternative or additional verification procedures?

10:25:55 16 A. Correct.

10:25:55 17 Q. Okay. Okay. And beyond AVID, the HAVA check,
10:26:05 18 which looks at the MVD database, and the SAVE, does your
10:26:09 19 office have access to any other databases that could be
10:26:13 20 used to verify citizenship information, to your knowledge?

10:26:19 21 A. No, not to my knowledge.

10:26:21 22 Q. And these procedures that we just talked about,
10:26:29 23 you know, using AVID, HAVA checks, SAVE, does La Paz
10:26:33 24 County follow those procedures regardless of the manner in
10:26:36 25 which the voter registered, meaning the state form, the

10:26:39 1 federal form, online, et cetera?

10:26:42 2 A. That's correct.

10:26:43 3 Q. And who in your office is responsible for
10:26:46 4 verifying voter applicant citizenship status?

10:26:51 5 A. Well, that would be my chief deputy who is also,
10:26:55 6 does the voter registration part of the office because we
10:26:59 7 are a small office.

10:27:00 8 Q. Okay. So Mr. Aguilar would be the person
10:27:03 9 responsible for verifying voter applicant citizenship
10:27:06 10 status?

10:27:06 11 A. Yes.

10:27:07 12 Q. Okay. And do you happen to know how long it
10:27:11 13 takes to run a check to verify an applicant citizenship
10:27:16 14 status?

10:27:17 15 A. I mean, it probably does that in a matter of
10:27:26 16 seconds, less than a minute. It runs the checks and DMV
10:27:31 17 will give us results within a few seconds.

10:27:34 18 Q. Does it make a difference to your answer whether
10:27:38 19 or not, what results are returned by the different
10:27:41 20 database checks?

10:27:43 21 A. I'm sorry. Can you ask that again?

10:27:46 22 Q. Like, for example, if you get no conclusive
10:27:52 23 information from the HAVA check, then you need to access
10:27:56 24 SAVE, I would assume that takes longer than just running a
10:28:00 25 HAVA check?

10:28:01 1 A. I don't know how long SAVE would take, because,
10:28:04 2 again, I haven't used it for that, but, I mean, if we
10:28:07 3 didn't get any result back from MVD, again, we would still
10:28:11 4 follow up with a letter letting them know how to correct
10:28:15 5 it and that we didn't have, you know, to suffice the DPOC
10:28:19 6 requirement. And then, again, depending on what kind of
10:28:22 7 information, you know, if they gave us a number, we would
10:28:25 8 utilize it for SAVE, but, again, I don't know how long it
10:28:27 9 would take for SAVE to, you know, to verify that
10:28:30 10 information, whether it takes a couple of seconds or a
10:28:34 11 minute or a day. I don't know.

10:28:35 12 Q. And you said there are three people in your
10:28:38 13 office, that's you, Mr. Aguilar, and then who is the
10:28:40 14 third?

10:28:40 15 A. That is our recording clerk, front desk.

10:28:44 16 Q. Okay. And Mr. Aguilar's duties include
10:28:47 17 verifying the applicant's citizenship, voter registration.
10:28:52 18 What else does he do?

10:28:54 19 A. Well, he is my chief deputy, but, you know, like
10:28:58 20 I said we're a small office, so he does do the voter
10:29:00 21 registration part of it as well.

10:29:02 22 Q. Okay. Besides voter registration and verifying
10:29:05 23 citizenship, does he have any other job responsibilities?

10:29:08 24 A. Well, he oversees the front, the front of the
10:29:12 25 office. I mean, as far as voter registration, processing

10:29:19 1 of the applicants, the applications, sending out voter ID
10:29:24 2 cards, early voting, when early voting is going on, I
10:29:28 3 mean, he's involved in that, but I'm involved in that as
10:29:30 4 well.

10:29:31 5 Q. You guys are busy, I take it?

10:29:33 6 A. Yeah.

10:29:34 7 Q. Okay. Great. Okay. Once a voter is
10:29:47 8 registered, under what circumstances, if any, does your
10:29:50 9 office reverify a registered voter's citizenship?

10:29:53 10 A. Are you asking me if they come back as being a
10:30:00 11 citizenship, citizen, if we follow up with that? Is that
10:30:02 12 what you're asking me?

10:30:03 13 Q. No. I'm asking if a voter is, it passes all the
10:30:07 14 checks, you register them, as, you know, a voter, do you
10:30:12 15 ever go back and recheck them?

10:30:15 16 A. No.

10:30:18 17 Q. Okay. All right. Let's turn to the laws. So
10:30:25 18 I'd ask you to open what is premarked as Petty Exhibit 19.
10:30:36 19 Let me know when you have that open.

10:30:41 20 A. I have it open.

10:30:43 21 Q. And this is House Bill 2492, correct?

10:30:47 22 A. Correct.

10:30:47 23 Q. Okay. So I'd like to direct your attention to
10:30:51 24 page four near the bottom, line 35, section D. Let me
10:30:58 25 know when you're there.

10:31:05 1 A. Section D you said?

10:31:06 2 Q. Yes. Line 35.

10:31:08 3 A. Yes.

10:31:09 4 Q. Okay. So H.B. 2492 says:

10:31:15 5 Within ten days after receiving an application
10:31:17 6 for registration on a form produced by the United States
10:31:23 7 Election Assistance Commission that is not accompanied by
10:31:24 8 satisfactory evidence of citizenship, the County Recorder
10:31:26 9 or other officer in charge of elections shall use all
10:31:30 10 available resources to verify the citizenship status of
10:31:33 11 the applicant and at a minimum shall compare the
10:31:36 12 information available on the application for registration
10:31:39 13 with the following, provided the county has access.

10:31:44 14 Do you see that?

10:31:45 15 A. Yes.

10:31:45 16 Q. And then H.B. 2492 goes on to list a number of
10:31:50 17 databases, right?

10:31:51 18 A. Right.

10:31:52 19 Q. Okay. And the first database it lists is the
10:31:55 20 Department of Transportation databases of Arizona driver
10:31:59 21 licenses or nonoperating identification licenses, right?

10:32:02 22 A. Yes.

10:32:03 23 Q. And is this the same database that is accessible
10:32:08 24 to your office through the HAVA check, or is this
10:32:08 25 referring to something different?

10:32:10 1 A. I'm assuming it's the same, MVD, through the
10:32:10 2 HAVA checks.

10:32:21 3 Q. Okay. And we discussed this before. You use
10:32:24 4 the information through the ADOT MVD database to verify
10:32:29 5 citizenship information as part of the HAVA check?

10:32:32 6 A. Yeah, if it's part of MVD, I would say yes,
10:32:34 7 but...

10:32:38 8 Q. Okay. Does your county have a memorandum of
10:32:42 9 understanding or memorandum of agreement with the ADOT MVD
10:32:48 10 to govern their use of information in that database?

10:32:56 11 A. I would think it's probably something through
10:33:00 12 the state.

10:33:02 13 Q. Okay. So currently it's your belief that that
10:33:04 14 memoranda would be something through the Secretary of
10:33:07 15 State's Office and not specific to your office?

10:33:08 16 A. Yes. To my understanding, to my knowledge,
10:33:11 17 yes --

10:33:11 18 Q. Okay.

10:33:11 19 A. -- that's correct.

10:33:12 20 Q. Okay. So do you know whether or not that
10:33:14 21 existing agreement would cover the use cases outlined in
10:33:18 22 H.B. 2492?

10:33:18 23 DEFENSE COUNSEL: Foundation.

10:33:28 24 THE WITNESS: Yeah, I don't know.

10:33:28 25 BY MS. RIZZONI:

10:33:28 1 Q. Hold on one second.

10:34:06 2 Okay. Do you recall an incident from last year
10:34:12 3 where database matching with the MVD database produced
10:34:16 4 erroneous results that caused thousands of voters to be
10:34:20 5 downgraded to federal-only voting status?

10:34:23 6 A. Rings a bell, but I can't entirely remember all
10:34:30 7 the details about it.

10:34:32 8 Q. Can you tell me what you do remember?

10:34:35 9 A. Just basically that. I mean, I remember
10:34:38 10 something happening, but I don't know in detail, I can't
10:34:41 11 remember in detail what it actually, what actually went
10:34:44 12 down.

10:34:44 13 Q. Okay. It's your understanding, though, that
10:34:47 14 there was an error with the MVD database that caused the
10:34:51 15 downgrading of these voters to federal-only status?

10:34:54 16 A. If I recall correctly, I remember something
10:34:57 17 happening like that. But, again, I don't know in detail.

10:34:59 18 Q. Okay. Let's take a look at document I. We'll
10:35:03 19 just quickly take a look. Hopefully that will refresh
10:35:07 20 your recollection.

10:35:11 21 Let me know when it's open.

10:35:12 22 A. I got it open.

10:35:15 23 Q. Okay. And I'm sorry. I'm so bad with the
10:35:17 24 exhibit numbers. We are on 230 -- no, wait, what are we
10:35:24 25 on? I think we're on 237. So let's mark this as

10:35:35 1 Exhibit 237. Thank you. Okay.

10:35:44 2 Okay. Have you ever seen this document before?

10:35:45 3 A. I don't recall. Maybe I have, but I just don't
10:35:53 4 remember, but...

10:35:55 5 Q. I'm going to direct your attention to the to
10:36:00 6 line. It says, Rgarcia@lapazcountyz.org.

10:36:04 7 That's your email. Is that right?

10:36:05 8 A. Yeah, that is correct.

10:36:06 9 Q. All right. This is an email, for the record,
10:36:11 10 AZSOS-239292, and it's from the AVID help desk to Richard
10:36:18 11 Garcia and Mr. Aguilar, and the subject line is MVD HAVA
10:36:24 12 checks follow up. And I'd like to direct your attention
10:36:30 13 to the second paragraph. It says:

10:36:32 14 Following the MVD's investigation, we learned
10:36:35 15 that the HAVA check was reviewing MVD records that did not
10:36:38 16 have an authorized presence value. This led the HAVA
10:36:41 17 check to review extraneous records in addition to the
10:36:44 18 state-issued ID record, if it existed. As a secondary
19 issue, the HAVA check did not consistently prioritize the
20 state-issued ID when returning an authorized presence
21 value.

22 (The Reporter requested Ms. Rizzoni to slow
23 down.)

24 MS. RIZZONI: Sorry. Yes.

25 BY MS. RIZZONI:

10:36:58 1 Q. As a secondary issue, the HAVA check did not
10:37:01 2 consistently prioritize the state-issued ID when returning
10:37:05 3 an authorized presence value. This meant that some voter
10:37:09 4 records were incorrectly receiving a null value for
10:37:11 5 authorized presence, which resulted in the voter being
10:37:15 6 placed in fed-only status when they should have been
10:37:19 7 full-ballot voters.

10:37:19 8 Do you see that, Mr. Garcia?

10:37:22 9 A. Yes.

10:37:23 10 Q. Okay. Does that refresh your recollection about
10:37:25 11 what happened last year with the MVD database?

10:37:28 12 A. Yeah, a little bit.

10:37:32 13 Q. Okay. Do you recall whether this issue affected
10:37:39 14 voters in La Paz County?

10:37:40 15 A. I would, I mean, at that time we have, we have
10:37:50 16 less than 20 that are -- oh, wait a minute. I'm sorry.
10:38:00 17 So these are -- yeah, I can't recall if we had many people
10:38:08 18 affected by that or not.

10:38:09 19 Q. Do you recall whether any people in La Paz
10:38:14 20 County were affected by this error?

10:38:16 21 A. Yeah, I'm sorry. I don't recall if any or how
10:38:21 22 many. I mean, we all -- if there was just maybe a day
10:38:25 23 that that happened, which maybe it sounds like, it
10:38:29 24 probably wouldn't have been many, if it did, but I can't
10:38:33 25 give you a number.

10:38:49 1 Q. Okay. Do you recall whether or not your office
10:38:52 2 was concerned about this database error occurring so close
10:38:57 3 to the November 2022 election?

10:38:59 4 A. I mean, something like that would be concerning.

10:39:07 5 Q. You'd be concerned that the database error would
10:39:12 6 have caused maybe the disenfranchisement of people who
10:39:18 7 were previously registered as full-ballot voters?

10:39:21 8 A. I mean, yeah. I mean, if that's what was going
10:39:22 9 to happen it would be concerning.

10:39:33 10 DEFENSE COUNSEL: Question mischaracterizes the
10:39:35 11 record.

10:39:37 12 BY MS. RIZZONI:

10:39:38 13 Q. All right. So the, let's just go back to
10:39:41 14 H.B. 2492, that's Petty Exhibit 19. Same spot, which is
10:39:44 15 page four. We are now at line 44. Okay.

10:39:54 16 Are you there?

10:39:55 17 A. Yes.

10:39:58 18 Q. Okay. So the second database that H.B. 2492
10:40:04 19 asks County Recorders to access is the Social Security
10:40:09 20 Administration databases.

10:40:11 21 Do you see that?

10:40:11 22 A. Yes.

10:40:12 23 Q. And we are already sort of briefly talked about
10:40:16 24 this. So La Paz County has access to the Social Security
10:40:20 25 Administration database?

10:40:21 1 A. Through the HAVA checks.

10:40:23 2 Q. Through the HAVA check.

10:40:24 3 And I believe it was your testimony that you do

10:40:28 4 not use it to verify citizenship status?

10:40:31 5 A. That's just to verify their social. I don't

10:40:35 6 think it's connected with citizenship verification.

10:40:41 7 Q. Okay.

10:40:41 8 A. Although I -- at least to my knowledge.

10:40:44 9 Q. Fair enough.

10:40:46 10 Okay. So I'll ask you to flip the page to page

10:40:49 11 five, the first line, No. 3, is the United States

10:40:56 12 Citizenship and Immigration Services Systematic Alien

10:41:01 13 Verification for Entitlements Program, if practicable.

10:41:03 14 Do you see that?

10:41:04 15 A. Yes.

10:41:04 16 Q. So we have already talked about SAVE at length,

10:41:07 17 which your office would use to verify voter applicants who

10:41:12 18 provide an A number or a naturalization certificate

10:41:16 19 number, right?

10:41:17 20 A. Yes.

10:41:17 21 Q. And at the end of No. 3, it says, if

10:41:26 22 practicable.

10:41:27 23 Do you have an understanding of what that means?

10:41:32 24 DEFENSE COUNSEL: Calls for legal conclusion.

10:41:34 25 THE WITNESS: No.

10:41:36 1 BY MS. RIZZONI:

10:41:36 2 Q. No.

10:41:39 3 Do you have, does your county, I'm sorry, have
10:41:42 4 an agreement with the USCIS that governs the use of your,
10:41:49 5 of the data in the SAVE program?

10:41:51 6 A. I would think so. Since we have access to it, I
10:41:55 7 would think yes.

10:41:56 8 Q. Do you know if your, if that agreement would
10:41:59 9 being directly with your county, or is that through the
10:42:02 10 Secretary of State?

10:42:03 11 A. My thought would be through the Secretary of
10:42:10 12 State.

10:42:10 13 Q. Okay. Do you know whether that existing
10:42:16 14 agreement with USCIS covers the use cases outlined in
10:42:22 15 H.B. 2492?

10:42:26 16 A. I do not know.

10:42:27 17 Q. And what about the use cases in H.B. 2243?

10:42:31 18 A. I don't know that either.

10:42:32 19 Q. Okay. So No. 4, the fourth database, is a
10:42:39 20 National Association For Public Health Statistics and
10:42:43 21 Information Systems Electronic Verification of Vital
10:42:47 22 Events System.

10:42:47 23 Do you see that?

10:42:49 24 A. Yes.

10:42:49 25 Q. Are you familiar with that database?

10:42:51 1 A. No.

10:42:52 2 Q. Okay. So safe to say you've never used that

10:42:56 3 database to verify citizenship?

10:42:59 4 A. That is correct.

10:43:00 5 Q. Okay. Do you know if you have access to that

10:43:03 6 database?

10:43:03 7 A. I do not.

10:43:06 8 Q. You do not know or you do not have access?

10:43:09 9 A. I do not know.

10:43:10 10 Q. Okay. Do you know whether -- oh, I'm sorry.

10:43:17 11 Scratch that.

10:43:20 12 Do you know whether or not you can use this

10:43:27 13 database to verify citizenship of a voter applicant?

10:43:31 14 DEFENSE COUNSEL: Foundation.

10:43:32 15 THE WITNESS: I do not know.

10:43:34 16 BY MS. RIZZONI:

10:43:35 17 Q. Okay.

10:43:35 18 A. And I think the fact that I don't know, I would

10:43:38 19 say I don't have access to it.

10:43:39 20 Q. Okay. I don't want you to speculate, so if you

10:43:43 21 don't know that's a perfectly fine answer too.

10:43:46 22 A. Okay.

10:43:47 23 Q. Okay. So the last database is No. 5, that's on

10:43:51 24 line five of page five. And it says:

10:43:52 25 The County Recorder should consult any other

10:43:56 1 state, city, town, county, or federal database and any
10:44:00 2 other database relating to voter registration to which the
10:44:05 3 County Recorder or officer in charge of elections has
10:44:08 4 access, including an electronic registration information
10:44:11 5 center database.

10:44:13 6 Do you see that?

10:44:14 7 A. Yes.

10:44:14 8 Q. Okay. Do you have any idea what databases that
10:44:17 9 might be referring to?

10:44:20 10 DEFENSE COUNSEL: Calls for legal conclusion.

10:44:22 11 THE WITNESS: I don't.

10:44:22 12 BY MS. RIZZONI:

10:44:24 13 Q. Are you aware of any other database that you are
10:44:26 14 not currently using that would be useful in carrying out
10:44:30 15 your office's voter registration duties?

10:44:33 16 A. No, I don't.

10:44:34 17 Q. Okay. Let's flip back a page to page four
10:44:40 18 again. And I'll direct your attention to line 38. And
10:44:46 19 let me know when you're there.

10:44:49 20 A. I'm there.

10:44:50 21 Q. So H.B. 2492 states that your office must use,
10:44:57 22 quote: All available resources to verify the citizenship
10:45:00 23 status of the applicant of the applicant.

10:45:03 24 Do you see that?

10:45:04 25 A. Yes.

10:45:04 1 Q. What do you understand use all available
10:45:09 2 resources to mean?

10:45:11 3 DEFENSE COUNSEL: Calls for legal conclusion.

10:45:14 4 THE WITNESS: Anything that's being made
10:45:20 5 available to, anything that's given access to us to use.
10:45:24 6 That's what I'm thinking.

10:45:26 7 BY MS. RIZZONI:

10:45:27 8 Q. And when you say anything, are you referring to
10:45:29 9 databases to which you may have access?

10:45:31 10 A. Yes, sorry, databases. If we are given access,
10:45:35 11 that's what I'm assuming that's what it means.

10:45:40 12 Q. All right. Let's go to page five, the next
10:45:43 13 page, and I'll direct your attention to lines 14, to line
10:45:48 14 14. And starting on line 14, on page 5, on H.B. 2492, it
10:45:58 15 says:

10:45:59 16 If the County Recorder or other officer in
10:46:01 17 charge of elections matches the applicant with the
10:46:04 18 information that the applicant is not a U.S. citizen the
10:46:08 19 County Recorder or other officer in charge of elections
10:46:11 20 shall reject the application.

10:46:13 21 Do you see that?

10:46:14 22 A. Yes.

10:46:14 23 Q. What information can be used to confirm a voter
10:46:21 24 is not a U.S. citizen?

10:46:23 25 DEFENSE COUNSEL: Same objection.

10:46:25 1 THE WITNESS: Sorry. Can you ask that again?

10:46:29 2 BY MS. RIZZONI:

10:46:30 3 Q. Yeah. What information could be used to confirm
10:46:33 4 a voter is not a U.S. citizen?

10:46:37 5 DEFENSE COUNSEL: Same objection.

10:46:41 6 THE WITNESS: The only thing I can think of is
10:46:46 7 depending on the results of our HAVA checks.

10:46:49 8 BY MS. RIZZONI:

10:46:49 9 Q. Could the information be anything beyond the
10:46:52 10 information that you gleaned from a HAVA check?

10:46:55 11 DEFENSE COUNSEL: Same objection.

10:46:57 12 THE WITNESS: I mean, outside of that, or --
10:46:59 13 like I said, we have access to SAVE. I mean, we didn't
10:47:02 14 get any -- out of that I don't think anything else.

10:47:06 15 BY MS. RIZZONI:

10:47:07 16 Q. So could the information be something beyond
10:47:12 17 information from a government or voter registration
10:47:15 18 database?

10:47:17 19 DEFENSE COUNSEL: Same objection.

10:47:18 20 THE WITNESS: I mean, that's all I have access
10:47:22 21 to, so, I mean, I couldn't say. I mean, that's all I have
10:47:27 22 access to is just through the HAVA checks and SAVE.

10:47:31 23 BY MS. RIZZONI:

10:47:31 24 Q. So if a person called up your office and said, I
10:47:35 25 don't think my neighbor is a citizen and he is voting,

10:47:36 1 that wouldn't be information that would confirm a person
10:47:39 2 is not a U.S. citizen?

10:47:40 3 DEFENSE COUNSEL: Same objection. Calls for
10:47:42 4 legal conclusion.

10:47:44 5 THE WITNESS: I mean, if somebody did that, no,
10:47:47 6 I mean, that's not -- I wouldn't take somebody's word for
10:47:52 7 it just because they said it.

10:47:55 8 BY MS. RIZZONI:

10:47:55 9 Q. Okay. Just to clarify.

10:47:57 10 So has your office ever been given a specific
10:48:00 11 list of means by which a voter applicant can be determined
10:48:03 12 or proven to be a not citizen?

10:48:06 13 A. I think -- so that's receiving a list of people
10:48:27 14 that are not citizens? Is that what you're asking?

10:48:29 15 Q. No. I'm asking about whether you have ever been
10:48:33 16 given a specific list of means by which a voter applicant
10:48:36 17 can be determined or proven to be a non-citizen.

10:48:40 18 A. I don't recall anything like that, having
10:48:42 19 received something.

10:48:42 20 Q. Has the Secretary of State's Office ever given
10:48:45 21 your office a list of information that would constitute
10:48:48 22 evidence of a lack of U.S. citizenship?

10:48:53 23 A. Non-U.S. citizen. I mean, I can't recall. I
10:49:12 24 mean, my chief deputy would be the one to receive it, so
10:49:17 25 I'd have to say I can't recall.

10:49:19 1 Q. Sitting here today, you're not aware of any
10:49:22 2 Secretary of State guidance about --

10:49:22 3 A. Right.

10:49:24 4 Q. -- the needing of information that would
10:49:25 5 constitute evidence that a person is not a U.S. citizen,
10:49:29 6 right?

10:49:29 7 A. I don't recall anything like that.

10:49:31 8 Q. All right. Now, it says, information that the
10:49:36 9 applicant is not a United States citizenship -- or is not
10:49:39 10 a U.S. citizen. I want to ask about the age of that
10:49:47 11 information.

10:49:47 12 Is there -- when would information be too old to
10:49:53 13 qualify as information that someone is not a United States
10:49:56 14 citizen today?

10:50:00 15 DEFENSE COUNSEL: Calls for legal conclusion.

10:50:03 16 THE WITNESS: I'm not sure. Other than maybe it
10:50:13 17 was a passport or, you know, if there was an expiration
10:50:16 18 date on it. I guess something like that.

10:50:21 19 BY MS. RIZZONI:

10:50:21 20 Q. Would an expired passport show that someone is
10:50:27 21 not a United States citizen today?

10:50:29 22 DEFENSE COUNSEL: Same objection.

10:50:31 23 THE WITNESS: Yeah, I'm not, I'm not, I'm not
10:50:33 24 entirely sure. I mean, other than it's expired, so I
10:50:39 25 don't think they would be able to use an expired passport.

10:50:43 1 BY MS. RIZZONI:

10:50:44 2 Q. So, sitting here today, you're not aware of like
10:50:47 3 an age cutoff for the information that could be used to
10:50:50 4 confirm whether or not someone is a U.S. citizen?

10:50:54 5 A. That's correct.

10:50:56 6 DEFENSE COUNSEL: Same objection.

10:50:58 7 BY MS. RIZZONI:

10:50:58 8 Q. Okay. All right. Let's move on to what is
10:51:02 9 premarked as Petty Exhibit 21, which is H.B. 2243.

10:51:11 10 Let me know when you have that open.

10:51:12 11 A. I've got it open.

10:51:14 12 Q. Okay. And I'm going to ask you some similar
10:51:17 13 questions about this bill.

10:51:19 14 So I'd like to direct your attention to page
10:51:21 15 four, line five, which is section 10.

10:51:27 16 Do you see that?

10:51:28 17 A. Yes.

10:51:32 18 Q. Okay. And under H.B. 2243, the County Recorder
10:51:38 19 shall cancel a registration, quote:

10:51:41 20 When the County Recorder obtains information
10:51:43 21 pursuant to this section and confirms that the person
10:51:48 22 registered is not a United States citizen.

10:51:50 23 Do you see that?

10:51:51 24 A. Line 10, you said, right?

10:51:54 25 Q. Line 10?

10:51:56 1 A. Could you say that again? I kind of lost it.

10:51:58 2 Q. Hmm hmm.

10:51:59 3 When the County Recorder obtains information
10:52:01 4 pursuant to this section and confirms that the person
10:52:05 5 registered is not a United States citizen.

10:52:07 6 Do you see that?

10:52:07 7 A. Okay. Yes.

10:52:08 8 Q. Okay. So we talked a little bit about
10:52:12 9 information and confirmations with respect to 2492. I
10:52:16 10 just wanted to see if you had a sense of what information
10:52:20 11 can be used to confirm a voter is not a citizen in the
10:52:24 12 context of H.B. 2243.

10:52:27 13 DEFENSE COUNSEL: Calls for legal conclusion.

10:52:29 14 THE WITNESS: Can you clarify the question a
10:52:33 15 little bit?

10:52:33 16 BY MS. RIZZONI:

10:52:33 17 Q. Yeah. So earlier we talked about with respect
10:52:35 18 to 2492 that you, you know, had never received, for
10:52:41 19 example, guidance from the Secretary of State about what
10:52:44 20 information could be used to confirm a person is not a
10:52:49 21 United States citizen. And so I just have a similar
10:52:51 22 question here, which is, A, to get a sense of what you
10:52:54 23 understand that information to mean, and, I'm going to
10:52:58 24 also ask questions about whether you received any guidance
10:53:00 25 on it.

10:53:01 1 So let's just start with whether you have an
10:53:04 2 understanding and what that understanding is about what
10:53:07 3 information could be used to confirm a voter is not a
10:53:11 4 citizen for purposes of this bill.

10:53:13 5 A. Yeah, I don't think we received any kind of
10:53:15 6 guidance on any of these two bills.

10:53:17 7 Q. Okay. And beyond guidance, do you have an
10:53:22 8 understanding of what information could be used to confirm
10:53:26 9 a voter is not a United States citizen?

10:53:28 10 DEFENSE COUNSEL: Same objection.

10:53:29 11 THE WITNESS: Is not a citizen?

10:53:31 12 BY MS. RIZZONI:

10:53:32 13 Q. Correct.

10:53:33 14 A. Again, I would have to refer to results of HAVA
10:53:37 15 checks.

10:53:40 16 Q. Okay. So for purposes of H.B. 2243, like with
10:53:48 17 H.B. 2492, it's the understanding that the information
10:53:52 18 that this is referring to would be exclusive to the
10:53:55 19 databases that you have access to.

10:54:00 20 DEFENSE COUNSEL: Same objection.

10:54:01 21 THE WITNESS: Yeah.

10:54:02 22 BY MS. RIZZONI:

10:54:07 23 Q. All right. Let's flip to page six, line six,
10:54:14 24 section H. Let me know when you're there.

10:54:22 25 A. Did you say line eight?

10:54:25 1 Q. Page six, line six, section H.

10:54:28 2 A. Yes. I'm there.

10:54:29 3 Q. Okay. It says:

10:54:30 4 To the extent practicable, each month the County
10:54:35 5 Recorder shall compare persons who are registered to vote
10:54:38 6 in that county and who the County Recorder has reason to
10:54:42 7 believe are not U.S. citizens and persons who are
10:54:45 8 registered to vote without satisfactory evidence of
10:54:48 9 citizenship as prescribed by Section 16-166 with the
10:54:54 10 Systematic Alien Verification for Entitlements Program
10:54:57 11 maintained by the United States Citizenship and
10:54:59 12 Immigration Services to verify the citizenship status of
10:55:02 13 the persons registered.

10:55:04 14 Do you see that?

10:55:04 15 A. Yes.

10:55:05 16 Q. Okay. And what is your understanding of what
10:55:09 17 would give your office a reason to believe a person is not
10:55:13 18 a United States citizen?

10:55:16 19 DEFENSE COUNSEL: Calls for a legal conclusion.

10:55:18 20 THE WITNESS: Again, I mean, if something came
10:55:23 21 back as not being verified through the HAVA checks.

10:55:26 22 BY MS. RIZZONI:

10:55:30 23 Q. So beyond the HAVA check, anything else that
10:55:33 24 would give your office reason to believe a person is not a
10:55:36 25 United States citizen?

10:55:38 1 DEFENSE COUNSEL: Same objection.

10:55:42 2 THE WITNESS: No.

10:55:44 3 BY MS. RIZZONI:

10:55:48 4 Q. Has your office ever been given specific
10:55:51 5 guidance about what would give rise to a reason to believe
10:55:55 6 a person is not a U.S. citizen?

10:55:58 7 A. Not that I can recall.

10:56:03 8 Q. And what about the converse? Has your office
10:56:06 9 ever been provided with specific guidance regarding what
10:56:09 10 is not a valid reason to believe someone is not a U.S.
10:56:13 11 citizen?

10:56:15 12 A. Not to my knowledge.

10:56:19 13 Q. Okay. Last question about H.B. 2243. If we can
10:56:27 14 just scooch down to line 20, section J.

10:56:32 15 Let me know when you're there.

10:56:34 16 A. I'm sorry. Which page?

10:56:35 17 Q. I'm sorry. Page six, line 20, section J.

10:56:40 18 A. I see it.

10:56:41 19 Q. Okay. It says:

10:56:44 20 To the extent practicable, the County Recorder
10:56:47 21 shall review relevant city, town, county, state, and
10:56:50 22 federal databases to which the County Recorder has access
10:56:54 23 to confirm information obtained that requires cancelation
10:56:58 24 of registrations pursuant to this section?

10:57:01 25 Do you see that?

10:57:01 1
10:57:02 2
10:57:07 3
10:57:10 4
10:57:11 5
10:57:12 6
10:57:12 7
10:57:16 8

10:57:22 11
10:57:30 12
10:57:32 13
10:57:34 14
10:57:36 15
10:57:37 16
10:57:47 17
10:57:51 18
10:57:56 19

10:58:18 21
10:58:22 22
10:58:25 23
10:58:37 24
10:59:01 25

A. Yes.

Q. Okay. And do you have any idea what databases this language might be referring to?

DEFENSE COUNSEL: Same objection.

THE WITNESS: No.

BY MS. RIZZONI:

Q. And are you aware of any database that you're not currently using that would be useful in carrying out your office's list maintenance duties?

A. No.

Q. And the, the preparatory language for this section J is to the extent practicable.

Do you know what that means in this context?

DEFENSE COUNSEL: Same objection.

THE WITNESS: No.

BY MS. RIZZONI:

Q. Let's turn quickly back to document F, which are the supplemental responses to the consolidated plaintiff interrogatories. And I'll direct your attention to interrogatory 9, which is on, I guess, the third page of this document. There are no page numbers, though. And I'll let you quickly read interrogatory 9 to yourself.

Let me know when you're done.

A. I read it.

Q. Great. And then if you can flip to the next

10:59:04 1 page to your response. It reads:

10:59:07 2 Recorder Garcia has been in his position since
10:59:09 3 2020, and, to the best of his knowledge and the
10:59:12 4 information available to him, he believes that there have
10:59:16 5 not -- there has not been an instance of a non-citizen
10:59:19 6 registering to vote or voting in La Paz County.

10:59:22 7 Do you see that?

10:59:23 8 A. Yes.

10:59:23 9 Q. And sitting here today is it still true that
10:59:26 10 your office is not aware of any non-citizen registering to
10:59:30 11 vote or voting in La Paz County?

10:59:32 12 A. To my knowledge, you know, that still stands.

10:59:36 13 Q. Okay. Now prior to the passage of H.B. 2492 and
10:59:42 14 H.B. 2243, it was not legal for a non-citizen to register
10:59:46 15 to vote. Is that right?

10:59:49 16 DEFENSE COUNSEL: Calls for legal conclusion.

10:59:51 17 THE WITNESS: Right. Non-citizen would not be
10:59:55 18 registered to vote.

10:59:56 19 BY MS. RIZZONI:

10:59:58 20 Q. And prior to the passage of these laws there
11:00:01 21 were, in fact, policies, laws, and procedures in place in
11:00:03 22 Arizona to prevent non-citizens from voting?

11:00:08 23 DEFENSE COUNSEL: Same objection.

11:00:11 24 THE WITNESS: I mean, right. I mean, if they
11:00:13 25 didn't provide the citizenship proof we wouldn't be able

11:00:17 1 to -- if they weren't citizens, yeah, they wouldn't be
11:00:20 2 able to be registered. They wouldn't have the, the DPOC,
11:00:25 3 but again --

11:00:26 4 BY MS. RIZZONI:

11:00:26 5 Q. My question was slightly different. It's about
11:00:28 6 whether or not it was legal for non-citizens to try to
11:00:32 7 register to vote in Arizona prior to the passage of these
11:00:35 8 laws.

11:00:35 9 A. It wasn't legal, no.

11:00:38 10 DEFENSE COUNSEL: Same objection.

11:00:41 11 MS. RIZZONI: All right. I have hit a natural
11:00:46 12 breaking point, so would you be interested in taking a
11:00:51 13 five-minute break?

11:00:54 14 THE WITNESS: Yeah. That's fine.

11:00:55 15 MS. RIZZONI: Great. So, I guess, we'll
11:01:02 16 reconvene around 11:05.

11:01:05 17 THE WITNESS: Okay.

11:01:09 18 MS. RIZZONI: I think Jimmy might need to sign
11:01:11 19 us off, though.

11:01:12 20 THE VIDEOGRAPHER: I apologize. Yes.

11:01:15 21 We are off the record at 11:01, and this will
11:01:24 22 end Media No. 1.

11:01:27 23 (Recess taken from 11:01 a.m. to 11:12 a.m.)

11:12:40 24 THE VIDEOGRAPHER: Okay. We are back on the
11:12:44 25 record. Time on the monitor is 11:12. This will begin

11:12:54 1 Media No. 2.

11:12:55 2 BY MS. RIZZONI:

11:12:56 3 Q. Welcome back, Mr. Garcia. Like I previewed off
11:12:59 4 the record, just one more module for me before I'll turn
11:13:03 5 it over to anyone else who wants to jump in.

11:13:05 6 But I'd like to just shift gears to talk a bit
11:13:09 7 about the documentary proof of residency requirements from
11:13:16 8 H.B. 2492, but wanted to start off with how your county
11:13:19 9 currently uses voter applicant residence information.

11:13:21 10 So in order to register to vote is it the case
11:13:24 11 that applicants are currently required to provide their
11:13:27 12 residential address, or if they don't have a residential
11:13:30 13 address, a description or drawing of the location of the
11:13:33 14 residence?

11:13:34 15 A. That's correct.

11:13:35 16 Q. Okay. And do you know whether or not a PO box
11:13:40 17 can be used to meet that requirement?

11:13:42 18 A. Not to my knowledge, not a PO box.

11:13:48 19 Q. Okay. So a PO box cannot be used to meet the
11:13:52 20 residency requirement?

11:13:53 21 A. Correct. It would have to be their physical
11:13:55 22 residence or them drawing a map of where they live,
11:13:58 23 basically what you stated.

11:14:00 24 Q. Okay. And why is residence information or
11:14:03 25 location information important for voter registration?

11:14:07 1 A. Well, that's how we would determine which area
11:14:11 2 in the county they live in, or precinct split or part, and
11:14:17 3 each precinct split or part is associated with different
11:14:22 4 districts, fire districts, water district, school
11:14:22 5 district. So it's important for them to register with
11:14:26 6 their physical residence. That way they're eligible to
11:14:30 7 vote, you know, if it's a town election, they're, they
11:14:32 8 would be eligible to vote for that, or if they don't live
11:14:35 9 within the town limits then they would, you know, they
11:14:37 10 wouldn't get, they wouldn't get the ballot for that
11:14:37 11 particular election.

11:14:40 12 So it would determine what they're allowed to
11:14:44 13 vote in, and if, you know, if it's a district election, or
11:14:46 14 if that makes sense.

11:14:47 15 Q. Yeah, that's helpful.

11:14:49 16 Okay. So let's talk about each of those two
11:14:52 17 options. So first I'll ask about the process when someone
11:14:56 18 provides a residential address and then I'll ask about the
11:14:59 19 process about when someone provides a residence location,
11:15:02 20 description, or drawing.

11:15:03 21 So, first, if someone provides a residential
11:15:06 22 address, how does the county use the information to locate
11:15:09 23 the residence?

11:15:10 24 A. So if somebody registers we enter their address
11:15:17 25 into the voter registration database. I would say about

11:15:28 1 95 percent of the time that address is probably already
11:15:33 2 within our database, so we'll be able to locate that
11:15:36 3 address within our system to make sure which precinct
11:15:41 4 splits to register them in. That's how we would verify
11:15:45 5 it. If, for some reason, it wasn't in our -- maybe, we
11:15:48 6 didn't have an address point for that specific address, we
11:15:52 7 would utilize other, other means to locate where that
11:15:57 8 address is.

11:15:59 9 Q. And what would those other means be that you
11:16:03 10 described to --

11:16:05 11 A. So based off of that, we would, you know, we
11:16:07 12 would access the county assessor's website, enter that
11:16:13 13 information in, the situs address would, you know, more
11:16:16 14 likely come up. We would utilize any parcel maps, 911
11:16:22 15 address from the county to verify, you know, the address,
11:16:25 16 if for some reason we weren't able to locate it. That
11:16:28 17 would help us to properly precinct them.

11:16:33 18 Q. You said about 95 percent of the time when you
11:16:36 19 enter the information through AVID it results in a match?

11:16:39 20 A. Yeah. Usually we will be able to find an
11:16:43 21 address that the person is using.

11:16:44 22 Q. Okay. And then 5 percent of the time what
11:16:49 23 happens?

11:16:49 24 A. I mean, like I said, if they give us an address
11:16:57 25 and it's maybe not in our system, then we would have to

11:17:00 1 research it and we were able to locate it based off of
11:17:04 2 parcel maps, assessor situs addresses to be able to locate
11:17:09 3 it and properly precinct them in their proper precinct
11:17:14 4 part.

11:17:14 5 Q. And what happens if you can't locate an address
11:17:17 6 using these alternative means?

11:17:20 7 A. Yeah, at that point, I don't know. I mean, I
11:17:31 8 don't recall a time where we haven't been able to locate
11:17:34 9 somebody. Yeah, I mean, usually it works out. We're able
11:17:42 10 to actually locate them.

11:17:44 11 Q. Do you know whether in the case of the 5 percent
11:17:49 12 where there is no match and you have to look up things
11:17:51 13 alternatively and you can't locate the address, would you,
11:17:55 14 would your office send a notice to that applicant?

11:17:58 15 A. Yeah, I guess if -- yeah, if there was no other
11:18:01 16 way to connect it, I mean, yeah, we would follow up with
11:18:04 17 an address, or excuse me, a letter asking them to clarify
11:18:11 18 their address.

11:18:12 19 Q. And does your office register voters whose
11:18:16 20 address can't be located?

11:18:18 21 A. Not that I'm aware of, no. I mean, again, I
11:18:29 22 don't process them, so I can't, wouldn't be able to say or
11:18:35 23 clar -- you know, confirm that, you know. But, you know,
11:18:41 24 like I said, most of the time, I mean, their address is,
11:18:45 25 is in the system, so --

11:18:46 1 Q. Okay.

11:18:47 2 A. -- we are able to utilize that to precinct them.

11:18:51 3 Q. Now, does La Paz County have any Native American

11:18:56 4 Reservations?

11:18:56 5 A. Yeah. We are surrounded by Indian Reservation,

11:19:03 6 yes, Native American Reservation.

11:19:04 7 Q. And how many Native American Reservations are

11:19:07 8 located within La Paz County?

11:19:08 9 A. I mean, it's just the one, the Colorado River

11:19:14 10 Indian Tribes.

11:19:15 11 Q. And, in your experience, is it more common for

11:19:18 12 residential addresses used in the Colorado River Tribe to

11:19:22 13 not be located in the AVID database?

11:19:24 14 A. Again, we would use means, like if it's on a

11:19:34 15 tribal reservation, we would use like the Colorado River

11:19:42 16 Indian Tribe's Fire Department. We would, we would

11:19:47 17 contact the CRIT Fire Department to verify an address,

11:19:54 18 location.

11:19:54 19 Q. Okay. That's helpful.

11:20:00 20 A. Yeah, if we weren't able to locate it, I mean,

11:20:03 21 if we didn't know, I mean, we do have those means to

11:20:06 22 verify, just to be able to precinct them correctly.

11:20:10 23 Q. Right. My question is slightly different, which

11:20:13 24 is about, I guess, when you're talking about a voter

11:20:17 25 applicant from the Colorado River Reservation, is it more

11:20:22 1 common for them to fall in the 95 percent bucket that is
11:20:25 2 matched to the AVID database? Or is it more common for
11:20:30 3 them to fall within the 5 percent that needs the
11:20:33 4 alternative means to verify their address?

11:20:36 5 A. I may even have the percentages wrong, but, I
11:20:38 6 mean, they fall -- we are able to locate them and precinct
11:20:40 7 them.

11:20:41 8 Q. Right. But is that generally, in your
11:20:44 9 experience, through the AVID database or is that through
11:20:48 10 the alternative means like contacting their fire
11:20:52 11 department?

11:20:52 12 A. I would say most of the time it's already in the
11:20:56 13 AVID, AVID system.

11:20:58 14 Q. All right. So let's talk now about when a voter
11:21:05 15 registration applicant provides a residence location,
11:21:08 16 description, or drawing.

11:21:11 17 Is that what applicants are asked to do if they
11:21:14 18 live at a residence that doesn't have a residential
11:21:16 19 address or if the address they provide can't be located?

11:21:19 20 A. I think it's more of an option, you know. I
11:21:28 21 just know that on the voter form it does request them, ask
11:21:32 22 them to draw a map if they're not, I guess, if they didn't
11:21:38 23 know their address. I'm not sure. I mean, we haven't
11:21:41 24 seen any come through there like that where they're
11:21:44 25 drawing maps on the voter forms, but, I mean, they do have

11:21:47 1 that option to, you know, to describe where they're
11:21:51 2 located.

11:21:52 3 Q. And in the event that a voter includes a
11:22:00 4 description or drawing of their residence location, how
11:22:03 5 does your office use that to confirm their location?

11:22:14 6 A. I guess it depends on how good their map is. I
11:22:20 7 mean, if they use cross streets, probably utilize maybe
11:22:25 8 some parcel maps, usually parcel maps. We would use
11:22:43 9 parcel maps to try to verify their location.

11:22:48 10 Q. Just want to sort of clear this up.

11:22:51 11 So for the percentage of people whose addresses
11:22:54 12 don't, can't be located using AVID, you use parcel maps,
11:23:00 13 you use the county assessor -- I'm sorry, the county
11:23:04 14 assessor parcel maps, and for the Colorado River Tribe you
11:23:07 15 might contact their fire department.

11:23:10 16 Besides those means, do you use anything else to
11:23:12 17 verify addresses that can't be located through the AVID
11:23:16 18 system?

11:23:17 19 A. Our community development has 911 addresses, the
11:23:22 20 address listing, so, I mean, we can also use that. But,
11:23:26 21 you know, whatever the voter puts on there, I mean,
11:23:29 22 they're, you know, we're taking it that that's a good
11:23:32 23 address. So we'll register them if we can locate it.

11:23:37 24 Q. Right. I just want to make sure for the record
11:23:40 25 that we have a clear sort of description from you of all

11:23:43 1 of the different alternative means besides AVID that you
11:23:46 2 can use to confirm.

11:23:47 3 So we have currently the county assessor parcel
11:23:51 4 maps, the 911 addresses, for the Colorado River Tribe, in
11:23:56 5 particular their fire department.

11:23:57 6 What else would you use, maps?

11:24:00 7 A. Yeah, I mean, yeah, if we had any maps. I mean,
11:24:03 8 that's basically what I can think of off the top of my
11:24:06 9 head what we would use.

11:24:09 10 Q. Do you know how long the county has used --
11:24:33 11 strike that.

11:24:42 12 Do you know what applicants who live on the
11:24:45 13 Colorado River Tribe Reservation are more likely to
11:24:49 14 provide a residence location, description, or drawing as
11:24:52 15 opposed to residential address?

11:24:54 16 DEFENSE COUNSEL: Asked and answered.

11:24:56 17 THE WITNESS: To my knowledge, they have always
11:24:58 18 given an address. Like I said, I, again, I don't process
11:25:03 19 the forms, but I can't recall a time where, you know, I
11:25:10 20 have seen an actual drawing on a voter registration form,
11:25:13 21 you know, as a map to their location. I mean, an address
11:25:18 22 has always, you know, has always been provided.

11:25:20 23 BY MS. RIZZONI:

11:25:30 24 Q. All right. Shifting gears slightly.

11:25:33 25 Does your office do anything to try to increase

11:25:37 1 registration of Native American voters?

11:25:41 2 A. Are you asking like voter outreach?

11:25:43 3 Q. Could be anything. Voter outreach, just wanted

11:25:47 4 to --

11:25:47 5 A. I mean, we, we do set up voter registration

11:25:54 6 drives in different areas of the county for everybody,

11:25:59 7 so...

11:26:00 8 Q. Do you do any voter outreach or registration

11:26:04 9 drives that are specifically targeted toward Native

11:26:10 10 American voters?

11:26:10 11 A. We have. We set up the early voting sites, but

11:26:13 12 ever since COVID that's kind of been a, we weren't allowed

11:26:18 13 to at that, during that time, and we have not heard

11:26:21 14 anything back from them.

11:26:22 15 Q. And what was the impetus for these targeted

11:26:27 16 outreach programs toward the Native American voters in

11:26:31 17 your community?

11:26:32 18 A. Could you clarify your question again? I'm

11:26:35 19 sorry.

11:26:35 20 Q. Yeah. So for these, these, these, these

11:26:40 21 outreach efforts toward the Native Americans in your

11:26:44 22 community, I'm wondering what the impetus was for

11:26:49 23 targeting those, those groups.

11:26:58 24 A. What do you -- I'm sorry.

11:26:58 25 Q. Yeah. That's fine. So what I'm basically

11:27:01 1 getting at is whether or not your office thinks there are
11:27:05 2 special challenges that that demographic might face when
11:27:09 3 it comes to registering to vote and whether that might be
11:27:13 4 the motivation behind the special outreach programs that
11:27:17 5 your office does?

11:27:18 6 A. I don't think it's that. I mean, it's just
11:27:21 7 something that we do. I mean, like I said, we do that for
11:27:25 8 everyone. Other than, like I said, with COVID, I mean,
11:27:29 9 the Tribes were pretty strict on all that kind of stuff so
11:27:35 10 we weren't allowed to set up.

11:27:37 11 Q. But I think you testified just a little earlier
11:27:39 12 that you may have done some outreach programs that were
11:27:43 13 specific to the tribes. So there was no particular reason
11:27:45 14 that you targeted that group?

11:27:49 15 A. Not a particular -- other than just to provide,
11:27:51 16 you know, the ability for them to register or to vote
11:27:54 17 early or, you know, not a particular reason targeting them
11:27:57 18 or anything like that, no.

11:27:59 19 Q. Do you think that Native American voters in your
11:28:02 20 community face any particular challenges when trying to
11:28:06 21 register to vote?

11:28:07 22 A. I don't think so.

11:28:08 23 Q. Okay. Do you know whether voter registration is
11:28:13 24 lower in the Native communities in La Paz County than your
11:28:16 25 county average?

11:28:17 1 A. Possibly.

11:28:25 2 Q. Why do you say that?

11:28:26 3 A. I'm not sure, because we don't track, you know,

11:28:30 4 we don't track, you know, race or anything like that. So,

11:28:37 5 I mean, there is one particular area that is on the Res

11:28:47 6 and, I mean, when you look at the numbers, I mean, it is

11:28:50 7 less than other areas, but, I mean, I wouldn't, I wouldn't

11:29:01 8 be able to tell you, I mean, because we don't track any

11:29:04 9 kind of race or anything like that.

11:29:06 10 Q. But you're aware of that at least one part of

11:29:14 11 the reservation where the registration is lower the county

11:29:19 12 average?

11:29:19 13 A. It's not lower than -- it's lower than some

11:29:21 14 areas but then it's higher than other areas, so...

11:29:26 15 Q. What can you tell me about the DPOR requirement

11:29:38 16 of H.B. 2492?

11:29:40 17 A. The DPOR, is that -- you're talking about proof

11:29:45 18 of residency?

11:29:47 19 Q. Correct.

11:29:48 20 A. So what specific are you asking? Just --

11:29:50 21 Q. Wondering your understanding of the new

11:29:52 22 requirements under the law.

11:29:55 23 DEFENSE COUNSEL: Calls for legal conclusion.

11:29:57 24 THE WITNESS: Not much, other than they would

5 different than what is currently required under the law?
6 DEFENSE COUNSEL: Same objection.
7 THE WITNESS: I mean, I'd have to read, I'd have
8 to read the bill again.
9 MS. RIZZONI: Okay. All right. I think I'm
10 done. I think others may jump in with some questions. I
11 don't know if they are prepared to jump in now or if we
12 want to take a break, but that is all for me.
13 I thank you very much for your time, Mr. Garcia.
14 THE WITNESS: Thank you.
15 MS. RIZZONI: And we'll let my colleagues jump
16 in.
17 MS. MOTZKIN: Hi, Mr. Garcia. Are you ready to
18 move through about ten more minutes of questioning, or
19 would you like a break at this point?
20 THE WITNESS: We can keep going.
21 MS. MOTZKIN: Okay. Wonderful.

23 EXAMINATION
24 BY MS. MOTZKIN:
25 Q. MY name is Leah Motzkin. Nice to meet you.

11:31:06 1 And I'll just jump in. Some of these will seem
11:31:08 2 a little bit random or repetitive because we are just
11:31:12 3 jumping in, so thanks for bearing with me.

11:31:14 4 My first question is if there's no approved or
11:31:16 5 revised EPM by this time next year, will you, never the
11:31:16 6 less, be obligated to enforce the portions of H.B. 2492
11:31:26 7 and H.B. 2243 that are directed at County Recorders?

11:31:29 8 DEFENSE COUNSEL: Objection. Calls for
11:31:31 9 speculation. Speculation and legal conclusion.

11:31:34 10 THE WITNESS: I mean, I will, whatever is
11:31:36 11 decided, that's what we need to do.

11:31:39 12 BY MS. MOTZKIN:

11:31:43 13 Q. Okay. You testified earlier that the MVD
11:31:48 14 database has information about citizenship and that you
11:31:49 15 access that data through HAVA checks, correct?

11:31:51 16 A. That's correct.

11:31:51 17 Q. Is there any other way that you access that
11:31:54 18 database?

11:31:56 19 A. No. It's just through, just through our AVID
11:31:59 20 system, the voter registration database.

11:32:02 21 Q. Okay. And is old government data, such as MVD
11:32:04 22 records from ten years ago, indicative of a lack of U.S.
11:32:08 23 citizenship today?

11:32:10 24 DEFENSE COUNSEL: Calls for legal conclusion.

11:32:12 25 THE WITNESS: Not to my knowledge.

11:32:15 1 BY MS. MOTZKIN:

11:32:19 2 Q. Okay. Quickly looking at the text of H.B. 2492,
11:32:23 3 which is Petty Exhibit 19. I'm looking at page seven,
11:32:28 4 line six, line 16, which is -- or I'm sorry -- it is
11:32:34 5 16-143. This provision lays out for federal-only voters,
11:32:41 6 I'm looking at line 17, that, the Secretary of State and
11:32:46 7 each County Recorder shall make available to the attorney
11:32:47 8 general a list of all individuals who are registered to
11:32:51 9 vote and who have not provided satisfactory evidence of
11:32:53 10 citizenship pursuant to Section 16-166 -- and it continues
11:33:00 11 -- on or before October 31st, 2022.

11:33:03 12 Since that deadline has passed, is your office
11:33:06 13 no longer required by this provision to submit to the
11:33:10 14 attorney general a list of registered voters who have not
11:33:14 15 shown satisfactory DPOC?

11:33:15 16 DEFENSE COUNSEL: Form. Calls for legal
11:33:18 17 conclusion

11:33:18 18 THE WITNESS: Not to my knowledge. I mean, it's
11:33:20 19 part of this bill, so, I mean, whatever is decided, that's
11:33:23 20 what we'll do.

11:33:23 21 BY MS. MOTZKIN:

11:33:23 22 Q. Thanks.

11:33:29 23 And we discussed previously in, with both 2492
11:33:32 24 and 2243 what is information that a person is not a U.S.
11:33:35 25 citizen, correct?

11:33:37 1 A. I'm sorry. Can you say that again?

11:33:39 2 Q. We discussed, you discussed previously with Cat
11:33:43 3 what information, about information that a person is not a
11:33:47 4 U.S. citizen in the context of both bills, correct?

11:33:50 5 A. Right.

11:33:50 6 Q. Okay. So I just have a few questions about
11:33:53 7 that.

11:33:53 8 If the HAVA check reflects that the applicant
11:33:56 9 was issued an F-type license 20 years ago, is that
11:34:00 10 information showing a present day lack of U.S.
11:34:03 11 citizenship?

11:34:05 12 DEFENSE COUNSEL: Objection; calls for legal
11:34:07 13 conclusion and asked and answered.

11:34:09 14 THE WITNESS: So are you asking me if it would
11:34:16 15 show citizenship today?

11:34:16 16 BY MS. MOTZKIN:

11:34:19 17 Q. Yes. Would it show a present day lack of U.S.
11:34:22 18 citizenship?

11:34:23 19 DEFENSE COUNSEL: Same objection.

11:34:24 20 THE WITNESS: I can't -- I, I don't know. If
11:34:32 21 they were a non-citizen ten years ago and if they
11:34:38 22 preregistered or reapplied through the DMV and they became
11:34:43 23 a citizen since then, you know, I would say it would come
11:34:49 24 through as being, you know, satisfactory DPOC. If they
11:34:52 25 already became a citizen, they reregistered and went and

11:34:56 1 got a new driver's license, I can only assume the new
11:35:01 2 license would reflect citizenship.

11:35:03 3 BY MS. MOTZKIN:

11:35:05 4 Q. But what if they haven't gotten a new license?

11:35:05 5 DEFENSE COUNSEL: Same objection.

11:35:09 6 THE WITNESS: If they never changed that, I can
11:35:12 7 only assume that it would be the same.

11:35:14 8 BY MS. MOTZKIN:

11:35:14 9 Q. What do you mean by that?

11:35:17 10 A. Well, if they were, if they were not, if they
11:35:20 11 weren't a citizen and they're still not a citizen today, I
11:35:29 12 mean, that's what I mean. That's my answer. I mean, if
11:35:31 13 they weren't a citizen then and they're still not a
11:35:34 14 citizen now, I don't, at least I don't -- I'm assuming
11:35:36 15 that their driver's license wouldn't reflect anything
11:35:39 16 different.

11:35:40 17 Q. Okay. And if some other database showed from
11:35:44 18 20 years ago that someone wasn't a U.S. citizen at that
11:35:47 19 point, would that be information showing a present day
11:35:50 20 lack of U.S. citizenship?

11:35:52 21 DEFENSE COUNSEL: Same objections.

11:35:55 22 THE WITNESS: It wasn't ten years ago, I mean, I
11:35:59 23 don't think it would be different.

11:35:59 24 BY MS. MOTZKIN:

11:36:05 25 Q. So you're saying it would, avenge the present

11:36:10 1 lack of U.S. citizenship?

11:36:13 2 A. I'm assuming that's how it would be in the
11:36:17 3 system. If that's what you're asking.

11:36:22 4 MS. MOTZKIN: Okay. I'm going run through a few
11:36:25 5 different scenarios of what are valid sources of
11:36:27 6 information that someone is not a U.S. citizen. If
11:36:29 7 opposing counsel wants to enter standing objections at
11:36:32 8 this point, we could do that to move things quickly.

11:36:35 9 MR. MORGAN: Yeah, Leah, are you thinking about
11:36:37 10 the same objections we did for Beaugregard as to form and
11:36:41 11 speculation, calls for legal conclusion?

11:36:42 12 MS. MOTZKIN: I am.

11:36:44 13 MR. MORGAN: Yeah, that's cool with me.

11:36:47 14 MR. HORLEY: Same here.

11:36:51 15 MR. MORGAN: Thanks for being proactive.

11:36:51 16 MS. MOTZKIN: Thanks.

11:36:52 17 BY MS. MOTZKIN:

11:36:52 18 Q. So, Mr. Garcia, we already discussed what are
11:36:53 19 some valid sources of information that someone is not a
11:36:55 20 U.S. citizen.

11:36:55 21 Could it also be a phone call from a voter?

11:37:00 22 A. Somebody calling me and telling me someone is
11:37:05 23 not a citizen?

11:37:05 24 Q. Sorry. Someone is calling to you tell that they
11:37:09 25 themselves are not a citizen.

11:37:11 1 A. They themselves are not a citizen? Are you
11:37:19 2 asking what we would do or --

11:37:20 3 Q. Yes. Is that a valid source of information that
11:37:24 4 someone is not a U.S. citizen?

11:37:25 5 A. I'm just trying to understand your question.
11:37:37 6 Are you saying if somebody calls us, notifies us
11:37:40 7 that they are not a citizen, right?

11:37:42 8 Q. Correct.

11:37:43 9 A. What we would do?

11:37:47 10 Q. Yes. But also is that a valid source of
11:37:50 11 information that that person is not a citizen?

11:37:52 12 A. If they themselves, I mean -- I mean, we just
11:38:08 13 don't take people's words for it.

11:38:11 14 Q. How about an email from the voter?

11:38:14 15 A. I mean, any time anybody calls us or emails us,
11:38:19 16 we always verify identity, so...

11:38:23 17 Q. So you would say the same, no, that for a signed
11:38:27 18 letter from the voter?

11:38:29 19 A. That they're not a citizen? We would, we would
11:38:32 20 need to research.

11:38:34 21 Q. Okay. And would the same be true for a phone
11:38:37 22 call from a member of the voter's family?

11:38:42 23 A. We won't change somebody's voter registration
11:38:48 24 because, you know, some other member of their family
11:38:52 25 called us. I mean, we would need to ver -- any, any, any

11:38:55 1 communication over phone we verify people's identity.

11:38:58 2 Q. Okay. And I'm assuming that would be true,
11:39:05 3 then, for a phone call from law enforcement in Arizona or
11:39:09 4 elsewhere?

11:39:10 5 A. If it was law enforcement? Are you saying
11:39:17 6 that -- I'm not understanding your question about the law
11:39:19 7 enforcement.

11:39:19 8 Q. If a law enforcement officer from Arizona or
11:39:23 9 elsewhere, called with information that someone is not a
11:39:28 10 U.S. citizen, would that be a valid source of information
11:39:31 11 under the laws?

11:39:32 12 A. I'm not sure.

11:39:35 13 Q. Okay. What about lists provided by third party
11:39:41 14 organizations like True the Vote?

11:39:46 15 A. Yeah, we would -- we wouldn't just take their
11:39:54 16 word for it. I mean, there's, has to be some research on
11:39:58 17 our part.

11:39:59 18 Q. But you would look into that?

11:40:02 19 A. I would say, yeah, we would look into it, but
11:40:06 20 not, you know, act on it right away or do anything to
11:40:10 21 somebody's voter registration information --

11:40:14 22 Q. I'm sorry.

11:40:14 23 (The Reporter indicated an inability to hear
11:40:14 24 what was said.)

11:40:21 25 THE WITNESS: I just said, if that's what she

11:40:23 1 was asking if we would actually, you know, change
11:40:26 2 someone's voter registration just based off of someone
11:40:29 3 just giving us information like that.

11:40:30 4 BY MS. MOTZKIN:

11:40:30 5 Q. What if you identify a registered voter who has
11:40:36 6 already satisfied the DPOC requirement, but still holds an
11:40:39 7 F-type license? Is that information that the registered
11:40:41 8 voter is not, in fact, a U.S. citizen?

11:40:48 9 A. So you're saying if they registered -- if they
11:40:54 10 already suffice the DPOC requirement but they still had an
11:41:00 11 F-type license?

11:41:01 12 Q. Correct. Would that be information that the
11:41:05 13 registered voter is not a U.S. citizen?

11:41:07 14 A. I mean, we would need, I mean, the F-type
11:41:10 15 license wouldn't suffice the DPOC requirement, so we would
11:41:13 16 need some other form of verification on his, on the
11:41:17 17 person's DPOC.

11:41:20 18 Q. Okay. And if you identify a registered voter
11:41:25 19 who is exempt from the DPOC requirement and has never
11:41:28 20 shown it because they registered prior to when that went
11:41:31 21 into effect, is that information that they are not a U.S.
11:41:35 22 citizen?

11:41:35 23 A. Is what not --
11:41:39 24 Can you clarify the question?

11:41:40 25 Q. Yeah. Thanks.

11:41:42 1 Is identifying a registered voter, the fact that
11:41:45 2 they are exempt from the DPOC requirement and have never
11:41:50 3 shown that DPOC, is that information that they are not a
11:41:52 4 U.S. citizen?

11:41:54 5 A. I mean, if they register to vote they need to
11:42:01 6 show DPOC.

11:42:02 7 Q. Okay. By what means can you confirm the
11:42:07 8 authenticity of information that a voter, that a
11:42:12 9 registered voter applicant is not a United States citizen?
11:42:15 10 Both 2492 and 2243 kind of discuss confirming that
11:42:24 11 information that a voter was not a United States citizen,
11:42:26 12 so we talked about that already in both cases. Sorry.
11:42:30 13 That was a little unclear. But I'm just going to ask you
11:42:33 14 two quick questions related to that, this idea of
11:42:33 15 obtaining information and confirming information.

11:42:39 16 So quickly looking at 2243, which --

11:42:41 17 MR. HORLEY: Hi, Leah, sorry. Just before we
11:42:43 18 jump in. Our standing objections will still apply here,
11:42:43 19 yes?

11:42:51 20 MS. MOTZKIN: Thanks. Can we take off the
11:42:51 21 standing objections currently?

11:42:54 22 MR. HORLEY: Oh, take them off. Okay. Thank
11:42:56 23 you.

11:42:56 24 MS. MOTZKIN: Thanks.

11:42:56 25 BY MS. MOTZKIN:

11:42:57 1 Q. So, quickly, jumping into 2243, I'm looking at
11:43:09 2 section 16-165 F through J.

11:43:22 3 Will you please take just one moment to review
11:43:24 4 that? So I'm looking at page six.

11:43:35 5 A. Okay.

11:43:35 6 Q. And page five, looking at, starting on page
11:43:39 7 five, line 41, and looking through line 23 on page six,
11:43:48 8 there are a number of different provisions that list
11:43:52 9 databases. And my question for you, based on that --

11:43:57 10 And can you let me know when you've taken a
11:44:00 11 moment to review that?

11:44:01 12 A. Give me a minute.

11:44:03 13 Q. Thanks.

11:44:43 14 A. Okay.

11:44:43 15 Q. So are the database matching procedures
11:44:47 16 enumerated here, the means by which County Recorders are
11:44:50 17 to obtain information of a lack of U.S. citizenship?

11:44:55 18 DEFENSE COUNSEL: Calls for legal conclusion.

11:44:57 19 THE WITNESS: I mean, we run HAVA checks on the
11:45:07 20 people that register to vote, so that's what we utilize.

11:45:12 21 BY MS. MOTZKIN:

11:45:12 22 Q. Okay. And are these, are these database
11:45:15 23 matching procedures the means by which County Recorders
11:45:18 24 are to confirm information of a lack of U.S. citizenship?

11:45:23 25 DEFENSE COUNSEL: Same objection.

11:45:24 1 THE WITNESS: I mean, if somebody registered to
11:45:26 2 vote then the HAVA checks will confirm residency or not --
11:45:31 3 or not the residency, excuse me -- DPOC or not.

11:45:33 4 BY MS. MOTZKIN:

11:45:34 5 Q. Okay. And are these provisions clear or
11:45:37 6 unclear?

11:45:38 7 DEFENSE COUNSEL: Same objection.

11:45:38 8 BY MS. MOTZKIN:

11:45:53 9 Q. Okay.

11:45:57 10 A. I mean, we just -- all I can tell you is we run
11:46:00 11 the DPOC through HAVA, if it confirms it, you know, we
11:46:05 12 suffice the citizenship requirement.

11:46:08 13 MS. MOTZKIN: Okay. I'm going to run through
11:46:10 14 some of the similar scenarios as we went through before,
11:46:13 15 so I'm going allow folks to enter that standing objection
11:46:18 16 again if they would like to.

11:46:20 17 MR. HORLEY: Yes, please. Thank you.

11:46:20 18 BY MS. MOTZKIN:

11:46:23 19 Q. Okay. And we discussed earlier the language of
11:46:25 20 reason to believe, and I'm going to ask you a few
11:46:27 21 different scenarios would give you a reason to believe
11:46:28 22 that a person is not a U.S. citizen.

11:46:30 23 So what about a phone call from the voter
11:46:33 24 themselves?

11:46:33 25 A. Like I said, I mean, we get any phone calls or

11:46:45 1 any emails or letters, I mean, everything is, we confirm a
11:46:49 2 person's resident -- identity.

11:46:53 3 Q. Okay. How about a signed letter from the voter?

11:46:56 4 A. Again, some, there need to be some confirmation
11:47:04 5 that the person contacting us is the actual person.

11:47:07 6 That's just, just what we do.

11:47:10 7 Q. Okay. Would a phone call from a member of the
11:47:14 8 voter's family give you a reason to believe that a person
11:47:17 9 is not a U.S. citizen?

11:47:19 10 A. Again, we wouldn't take somebody's word for it
11:47:34 11 just because they are calling us and telling us that. I
11:47:38 12 mean, we would need something proving that.

11:47:40 13 Q. Okay. And what about a letter from a neighbor?
11:47:44 14 Would that give you the reason to believe that a voter is
11:47:47 15 a non-citizen?

11:47:49 16 A. I mean, again, you know, we're not going to just
11:47:53 17 act on it because someone is contacting us. We would need
11:47:56 18 some type of proof and, you know, confirmation of identity
11:47:59 19 of the person, the actual voter.

11:48:01 20 Q. So, similarly, it would be no for anything from
11:48:06 21 law enforcement? And, by anything, I mean a phone call, a
11:48:08 22 letter, an email from law enforcement?

11:48:10 23 A. I mean, we would need something documented.

11:48:19 24 Q. What about lists provided -- go ahead.

11:48:22 25 A. I mean, just something telling us, yeah, I mean,

11:48:27 1 some type of proof. What that proof would be, I don't
11:48:31 2 know. I just know that when somebody registers, you know,
11:48:34 3 we put them through the system, it goes through, you know,
11:48:36 4 goes through the HAVA checks. If it clears out with the
11:48:39 5 DPOC, I mean, we'll register them.

11:48:41 6 Q. Okay. What about lists provided by third party
11:48:44 7 organizations, like True the Vote?

11:48:47 8 A. I mean, I don't ever recall getting any kind of
11:48:52 9 list from them as far as non-citizens, that I'm aware of,
11:48:58 10 but, again, I mean, we're -- we won't just act just
11:49:03 11 because someone is contacting us and telling us things. I
11:49:07 12 mean, we have to do our own research on it.

11:49:11 13 MS. MOTZKIN: Okay. Got it.

11:49:13 14 And we can reinstate the standard operating
11:49:16 15 procedures and move through some final questions.

11:49:16 16 BY MS. MOTZKIN:

11:49:23 17 Q. In 2492 it mentions any other database relating
11:49:27 18 to voter register, which you discussed earlier, correct?

11:49:30 19 A. Yes.

11:49:31 20 Q. Could that be a list of voters you receive from
11:49:35 21 another Arizona agency?

11:49:38 22 DEFENSE COUNSEL: Calls for legal conclusion.

11:49:40 23 THE WITNESS: I'm sorry. The list of voters you
11:49:42 24 were saying?

11:49:42 25 BY MS. MOTZKIN:

11:49:42 1 Q. That you would receive from another Arizona
11:49:45 2 agency.

11:49:45 3 DEFENSE COUNSEL: Same objection.

11:49:49 4 THE WITNESS: Getting the list, getting the list
11:49:50 5 of voters that are not citizens.

11:49:53 6 BY MS. MOTZKIN:

11:49:53 7 Q. Yeah. Is that a database relating to voter
11:49:53 8 registration?

11:49:58 9 DEFENSE COUNSEL: Same objection.

11:49:59 10 THE WITNESS: I don't recall ever getting
11:50:00 11 anything like that.

11:50:00 12 BY MS. MOTZKIN:

11:50:00 13 Q. Okay. But if you did get that, would that be a
11:50:04 14 database relating to voter registration?

11:50:06 15 A. Just receiving a list?

11:50:09 16 DEFENSE COUNSEL: Same objection.

11:50:10 17 THE WITNESS: Yeah, I don't know if that would
11:50:12 18 be considered a database to -- I mean, we wouldn't have
11:50:14 19 access to it. It's just being given to us, so I don't
11:50:17 20 know, I mean...

11:50:18 21 BY MS. MOTZKIN:

11:50:18 22 Q. Okay. What about from a private individual, or
11:50:21 23 a list from a private group or a private citizen?

11:50:26 24 DEFENSE COUNSEL: Same objection.

11:50:27 25 THE WITNESS: Say the same thing, I mean...

11:50:35 1 BY MS. MOTZKIN:

11:50:35 2 Q. Okay. And my final question is if a registered
11:50:38 3 voter is removed from the rolls under H.B. 2243, based
11:50:43 4 upon an erroneous determination that they are not a U.S.
11:50:47 5 citizen, can that voter be added back to the rolls if the
11:50:52 6 registration deadline has already passed?

11:50:55 7 A. If they were a non-citizen?

11:51:09 8 Q. Yes. If they were erroneously determined to be
11:51:13 9 a non-citizen.

11:51:14 10 A. Oh. But they were a citizen?

11:51:17 11 Q. Correct.

11:51:17 12 A. I'd probably have to get some type of guidance
11:51:24 13 on that, but, I mean -- yeah, I'm not sure how that would
11:51:33 14 work. Wouldn't want to -- I would have to get some type
11:51:36 15 of counsel on that.

11:51:39 16 MS. MOTZKIN: Okay. Thank you. I have no more
11:51:41 17 questions.

11:51:45 18 Is there anyone else in our group who is asking
11:51:49 19 questions?

11:51:54 20 THE VIDEOGRAPHER: Okay. If no one is wanting
11:51:59 21 to come on, we'll go off the record.

11:52:02 22 MR. HORLEY: Sorry, Jimmy, I think the defense
11:52:04 23 might want to ask some questions. I'm not sure, you know,
11:52:07 24 if the plaintiffs want to discuss that first, or if we're
11:52:10 25 just ready to go into that. Sounds like no one from the

11:52:15 1 plaintiffs' side has any more questions.

11:52:21 2 Yeah, we can go off the record quickly. Thanks.

11:52:24 3 THE VIDEOGRAPHER: Okay. Are we going to end
11:52:26 4 the deposition?

11:52:28 5 MS. RIZZONI: Let's quickly go off the record so
11:52:31 6 week confirm if defendants want to take any.

11:52:33 7 THE VIDEOGRAPHER: Okay. We are going to go off
11:52:35 8 the record. Time on the monitor is 11:52.

11:52:44 9 (Recess taken from 11:52 a.m. to 11:53 a.m.)

11:53:39 10 THE VIDEOGRAPHER: We are back on the record.
11:53:53 11 Time on the monitor is 11:53.

11:53:53 12

11:53:53 13 EXAMINATION

11:53:53 14 BY MR. HORLEY:

11:54:03 15 Q. All right. Good morning, Mr. Garcia. My name
11:54:05 16 is Tim Horley. I represent the State of Arizona and the
11:54:08 17 Arizona Attorney General in this case.

11:54:09 18 So thank you for your patience and answering all
11:54:12 19 these questions so far. I will try not to take up too
11:54:15 20 much of your time. I just have a few, sort of a handful
11:54:18 21 of questions to get through here.

11:54:20 22 So first question is will your office adhere to
11:54:24 23 whatever a court orders regarding the implementation of
11:54:28 24 these laws?

11:54:29 25 A. Yes.

11:54:29 1 Q. And then I wanted to ask a little bit about
11:54:35 2 verifying citizenship.

11:54:39 3 So does your office do anything to verify DPOC
11:54:43 4 when it is received?

11:54:45 5 A. I mean, if we receive DPOC, I mean, I mean,
11:54:49 6 that, they sufficed already the requirement. I don't, I
11:54:55 7 don't see a need for follow-up, to my knowledge.

11:54:58 8 Q. So if you get -- oh, I'm sorry.

11:55:01 9 A. To my knowledge. That's what I said.

11:55:03 10 Q. Okay. So if you got, for example, a photocopy
11:55:06 11 of a birth certificate, there is nothing you would do to
11:55:09 12 verify the authenticity of that document?

11:55:11 13 A. No. Because, I mean, that's, that's one of the
11:55:16 14 things that the voter can do. They can, you know, submit
11:55:20 15 their application with the copy of, you know, the birth
11:55:22 16 certificate or copy of a valid U.S. passport, you know,
11:55:27 17 copy of their driver's license.

11:55:31 18 Q. Okay. And I wanted to ask you a few questions
11:55:35 19 about the citizenship checkbox that appears on the state
11:55:38 20 form.

11:55:39 21 Are you familiar with that checkbox I'm
11:55:41 22 referring to?

11:55:42 23 A. Yeah. Where it asks them to swear -- excuse
11:55:46 24 me -- to affirm they're, if they're a U.S. citizen, right,
11:55:51 25 above the age require -- the age question?

11:55:55 1 Q. Yes, right. And then that appears on federal
11:55:57 2 forms as well. Is that right?

11:56:00 3 A. Yes. Yes.

11:56:01 4 Q. And for a federal form, do you think that the
11:56:07 5 citizenship checkbox provides you with information about
11:56:10 6 whether a voter is a citizen?

11:56:11 7 A. Just the fact that they're marking it doesn't
11:56:18 8 give us information to confirm it.

11:56:21 9 Q. Okay. So if they said, yes, I am a citizen in
11:56:25 10 the checkbox, that wouldn't give you information on
11:56:28 11 whether that person is a citizen?

11:56:30 12 A. I mean, to my understanding, no. I mean, we
11:56:35 13 would have nothing to compare, I mean, the check mark --
11:56:40 14 we don't compare the check mark against the database.

11:56:44 15 Q. Okay. And what if that check mark was entered
11:56:48 16 and signed, you know, they signed under it saying, I
11:56:50 17 attest that this is accurate, sort of under penalty of
11:56:55 18 perjury? Would that provide you with information?

11:56:57 19 A. I mean, they're just, they're just stating that
11:57:01 20 they are. Again, I mean, if they did that, didn't provide
11:57:08 21 DPOC, whether they didn't give us their driver's license
11:57:12 22 number, I mean, we process the application that way and it
11:57:15 23 comes back with a driver's license information through
11:57:20 24 MVD, I mean, we would probably register that person as a
11:57:24 25 full-ballot voter.

11:57:27 1 Q. Understood. What if they checked no on the
11:57:31 2 checkbox?
11:57:34 3 A. What we would do?
11:57:41 4 Q. Yeah. Well, more so what, you know, does that
11:57:44 5 provide you with information about whether that person is
11:57:47 6 a citizen?
11:57:48 7 A. I mean, it's just, they're just checking no. I
11:57:53 8 mean, they could have done it mistakenly too. I mean,
11:57:57 9 there would have to be more information, I think, for us
11:57:59 10 to really verify if they are really are or not.
11:58:03 11 Q. So, regardless of what they check, you would do
11:58:07 12 a HAVA check to determine whether they were a citizen?
11:58:10 13 A. Yeah. We still, we still process it.
11:58:13 14 Q. Okay. And then I'm going to ask you just the
11:58:18 15 same basic set of questions about state form.
11:58:20 16 So do you think the citizenship checkbox on the
11:58:23 17 state form provides information about whether someone is a
11:58:28 18 U.S. citizen?
11:58:29 19 A. I mean, I don't, I don't see it any different.
11:58:32 20 I mean --
11:58:33 21 Q. So --
11:58:34 22 A. -- there would need to be more information for
11:58:36 23 us to verify other than just the check mark.
11:58:39 24 Q. Okay. Understood.
11:58:42 25 What if the person does not provide DPOC and

11:58:46 1 they just check the checkbox? Would the checkbox help
11:58:51 2 provide information in that case?

11:58:52 3 A. If they did provide DPOC?

11:58:59 4 Q. If they did not provide DPOC.

11:59:01 5 A. But they did check mark it?

11:59:04 6 Q. Yeah.

11:59:05 7 A. I mean, with the cross-check with the MVD, the
11:59:12 8 HAVA checks, it may give us the DPOC for that person to
11:59:22 9 confirm their --

11:59:23 10 Q. Okay.

11:59:23 11 A. -- citizenship, running through HAVA checks.

11:59:27 12 Q. Okay. Understood.

11:59:30 13 And we talked a little bit before about someone
11:59:35 14 submitting a DPOC document, like for example, a copy of a
11:59:39 15 birth certificate.

11:59:39 16 Is it possible that they could submit a copy
11:59:43 17 like that that was defective in some way, for example,
11:59:48 18 it's blurry or difficult to read?

11:59:51 19 A. I guess anything is possible. I don't recall us
11:59:55 20 ever getting one where we cannot read.

11:59:59 21 Q. Okay. Understood. Or what if it had a name
12:00:03 22 that was a very common name, like John Smith or something,
12:00:06 23 so it matched another person on the voter list? Could
12:00:12 24 that happen?

12:00:12 25 A. Well, I mean, it also has their date of birth,

12:00:19 1 social security number.

12:00:25 2 Q. Okay. And in those situations where you got a
12:00:28 3 blurry copy, or it might match with some other voter's
12:00:32 4 information, would it be helpful to verifying citizenship
12:00:36 5 to know how they answer the citizenship checkbox?

12:00:40 6 A. Could you clarify your question again?

12:00:43 7 Q. So in those situations where you got some DPOC
12:00:47 8 that might have been difficult to verify, would it be
12:00:51 9 helpful to know how they answered the question, the
12:00:57 10 citizenship checkbox?

12:01:02 11 A. I don't know how helpful that would be just
12:01:07 12 because they marked it. Again, I mean, we process them
12:01:13 13 and, you know, they can still go through the HAVA checks
12:01:16 14 and, you know, if we're able to obtain DPOC through that
12:01:19 15 way, in that manner, I mean, I think we're okay to accept
12:01:26 16 that.

12:01:27 17 Q. Okay. Thank you.

12:01:29 18 Does your office consider MVD data to be
12:01:33 19 generally reliable?

12:01:42 20 A. I would say so, yes.

12:01:46 21 Q. And if you had a situation where there was a
12:01:49 22 naturalized citizen, whose status hadn't yet been updated
12:01:54 23 with the MVD, they could fix that by providing your office
12:01:58 24 with documentation of their naturalization, correct?

12:02:02 25 A. Correct. Again, we would follow up, in a

12:02:06 1 scenario like that, we would follow up with some, a
12:02:08 2 letter, correspondence to them, letting them know the
12:02:12 3 situation and how to correct it.

12:02:13 4 Q. Okay. And do you consider SAVE data to be
12:02:19 5 generally reliable?

12:02:21 6 A. I would think, yes. Again, like I stated
12:02:27 7 earlier, I haven't had a need to use SAVE, so I mean, I'll
12:02:33 8 leave it at that. I mean, I would hope so. I would think
12:02:36 9 so.

12:02:37 10 Q. And you mentioned before that social security
12:02:42 11 numbers couldn't necessarily be used to confirm whether
12:02:45 12 someone is a citizen, because someone who is a permanent
12:02:49 13 resident might have a social security number. Is that
12:02:51 14 right?

12:02:51 15 A. I mean, they could. I'm not entirely sure, I
12:02:55 16 mean, if they could or couldn't. I mean, my thought is
12:03:01 17 no. It would be hard for me to say for 100 percent sure
12:03:04 18 if they could or couldn't. I mean, I know through the
12:03:08 19 DMV, I mean, they got that F-type license that would
12:03:12 20 differentiate as far as the driver's license. I'm not --
12:03:14 21 maybe possibly the social security maybe. I'm not sure on
12:03:18 22 that entirely.

12:03:20 23 Q. Okay. Understood.

12:03:21 24 But if someone did not have a social security
12:03:24 25 number, could that indicate that that person was not a

12:03:27 1 citizen?

12:03:27 2 A. If they didn't have one?

12:03:31 3 Q. Yeah.

12:03:34 4 A. Meaning they didn't put it on their form?

12:03:44 5 Q. Yes. Or the check showed no social security

12:03:47 6 number for that person.

12:03:48 7 A. Well, I mean, like I said, we run the HAVA

12:03:51 8 check, so it does cross-check with SSA, so there's always

12:03:56 9 that, that it could, you know, that it would come back

12:04:00 10 with the match through there and give us their, verify

12:04:05 11 their SSA through there, if the form didn't have it.

12:04:08 12 Q. Okay. Got it.

12:04:10 13 All right. I wanted to ask you quickly about

12:04:13 14 reports from jury commission with the questionnaire that

12:04:18 15 folks fill out when they do jury duty that asks them

12:04:22 16 whether they're a citizen or not.

12:04:24 17 Are you aware of those kind of reports?

12:04:26 18 A. Yeah. I know we, we do receive it from the

12:04:30 19 courts.

12:04:31 20 Q. Okay. And can you explain what you receive.

12:04:34 21 A. Just, you know, lists of people that fill out

12:04:44 22 the -- it's basically a copy of the jury questionnaire,

12:04:46 23 and, you know, it has those questions on there if they're

12:04:52 24 a citizen, if they're a resident, if they're a felon. It

12:04:55 25 has their information on there.

12:04:59 1 Q. So if, if you received a report that showed that
12:05:03 2 someone wrote on that questionnaire, I am not a U.S.
12:05:07 3 citizen, would you consider that reason to believe that
12:05:09 4 that person is not a U.S. citizen?

12:05:12 5 A. Again, I guess, we could, but we would still
12:05:26 6 follow up and send out some correspondence.

12:05:32 7 Q. Okay. Understood.

12:05:35 8 And then I wanted to ask you a little bit about
12:05:39 9 birthplace. And so you're aware that on the state form
12:05:44 10 there's an optional box where a person can list their
12:05:49 11 place of birth. Is that right?

12:05:51 12 A. Yeah. I believe, yeah.

12:05:52 13 Q. And your office doesn't actively track whether
12:05:58 14 people put their birthplace down on that form, correct?

12:06:03 15 A. Correct.

12:06:04 16 Q. So I know there's probably no easy way to
12:06:08 17 determine the answer to this question, but do you know how
12:06:12 18 many people typically include that information?

12:06:14 19 A. I mean, yeah, it's hard to determine. I mean,
12:06:27 20 usually people that actually fill it out here at the
12:06:30 21 office, from what I can see, generally fill that
12:06:32 22 information in.

12:06:34 23 Q. So do you say most people fill in that
12:06:38 24 information?

12:06:39 25 A. From what I can see when they come in and fill

12:06:44 1 in the paper, the actual application, paper application.
12:06:47 2 Now, if you look at the EZ Voter ones, the ones that come
12:06:51 3 in electronically, then that probably won't have it. But
12:06:55 4 it's hard to say how many do or don't. I would say
12:06:58 5 probably the most probably don't.

12:07:01 6 Q. Most probably don't. Okay.

12:07:03 7 And in your interrogatories, you noted that your
12:07:09 8 office uses birthplace as a security question sometimes
12:07:12 9 when someone calls in on the phone, like to verify that
12:07:16 10 the person who is calling in is who they say they are. Is
12:07:20 11 that right?

12:07:20 12 A. I mean, as far as their date of birth, you know,
12:07:25 13 that's for the social, DL number, we do use that.

12:07:33 14 Q. And do you use birthplace as well?

12:07:45 15 A. Hard for me to say, because I, I usually use
12:07:51 16 that, that kind of information to confirm their identity.
12:07:58 17 But, as far as their birthplace, I mean, we could, and
12:08:02 18 maybe my chief deputy has.

12:08:05 19 Q. Okay. I would like to just turn really quick to
12:08:09 20 the document that was labeled document E, and I believe it
12:08:14 21 was marked as Exhibit No. 232.

12:08:17 22 And if you don't mind just looking at the second
12:08:20 23 page of that document.

12:08:23 24 A. Which number?

12:08:33 25 Q. So it was document E.

12:08:41 1 A. Okay. Which page?

12:08:44 2 Q. Second page. Where it says, interrogatory

12:08:47 3 No. 1.

12:08:48 4 A. Yeah.

12:08:49 5 Q. So if you wouldn't mind just taking a moment to

12:08:54 6 just read through that interrogatory and your response and

12:08:57 7 let me know when you're finished.

12:09:29 8 A. Okay.

12:09:30 9 Q. Okay. So is the response that you gave there

12:09:35 10 still accurate?

12:09:36 11 A. Well, I think -- well, no, not 100 percent.

12:09:45 12 Like I said, I mean, I think DOB, last four social,

12:09:50 13 driver's license numbers, are more of a better way to

12:09:57 14 identify that, the identity.

12:10:03 15 Q. Okay. So your office does not use birthplace to

12:10:07 16 verify someone's identity?

12:10:08 17 A. Like I said, maybe, maybe my chief deputy also

12:10:12 18 goes to that, but to my understanding, as far as when I

12:10:16 19 have done it, I usually go with the other ones that I

12:10:20 20 mentioned.

12:10:20 21 Q. Okay. Understood.

12:10:22 22 So if there was a discrepancy between two

12:10:26 23 applications, so let's say they had the same name, the

12:10:28 24 same address, but they listed two different places of

12:10:31 25 birth, how would you your office handle that situation?

12:10:34 1 A. Two different -- same person, two different
12:10:37 2 places of birth, right?

12:10:39 3 Q. Yeah. Same information but looks like two
12:10:42 4 different places of birth.

12:10:44 5 A. How we would handle it as far as?

12:10:50 6 Q. Any -- would you do -- you know, would that
12:10:52 7 raise any issue? Would they been registered as separate
12:10:55 8 voters?

12:10:55 9 A. Oh.

12:10:56 10 Q. Would they be treated as different people?

12:10:57 11 A. Well, I mean, if they had two different birth
12:11:00 12 places in the same -- I mean, definitely want to look at
12:11:07 13 the date of birth. I mean, it could always be a junior
12:11:10 14 and a senior.

12:11:11 15 I'm not sure if that's answering your question
12:11:14 16 or not. I mean, if we would follow up we would, yeah, we
12:11:18 17 would follow up with it.

12:11:20 18 Q. Yeah. So suppose that all of their other
12:11:24 19 information that was on the form appeared to be identical,
12:11:28 20 but the one thing that was different was place of birth.

12:11:31 21 A. Place of birth. Okay. Yeah, wouldn't be able
12:11:40 22 to say, I mean, at this time. I mean, I don't know. If
12:11:44 23 it was just their place of birth would be the indicator
12:11:48 24 for us to -- I mean, I guess, everything else matches, is
12:11:57 25 identical. It's kind of hard for me to say, because we

12:12:06 1 never had to deal with their birthplace.

12:12:09 2 Q. Understood.

12:12:09 3 So would you follow up with the voter in that
12:12:12 4 situation?

12:12:18 5 MS. LANG: Objection; speculation.

12:12:23 6 THE WITNESS: I mean, if that's what the
12:12:27 7 decision on this base requires us to do, to pay attention
12:12:34 8 to the place of birth, I mean, that's what we'll do.

12:12:38 9 BY MR. HORLEY:

12:12:38 10 Q. Okay. Great. And that sort of anticipates my
12:12:42 11 next question. So if the court or the Secretary of State
12:12:46 12 issued guidance that changed how your office should use
12:12:51 13 birthplace information on the form, you would follow that
12:12:54 14 guidance, correct?

12:12:55 15 A. I mean, any guidance we would definitely use.

12:13:11 16 Q. Okay. I just have a few more questions. Thanks
12:13:14 17 again for your time.

12:13:15 18 So we talked a little bit, or you talked a
12:13:18 19 little bit earlier in your testimony about an October 2022
12:13:22 20 incident where there was an AVID glitch that led to some
12:13:26 21 voters getting downgraded to being fed-only voters.

12:13:30 22 Do you recall that?

12:13:33 23 A. Yes.

12:13:33 24 MS. RIZZONI: Objection to form.

12:13:33 25 BY MR. HORLEY:

12:13:40 1 Q. And, to your knowledge, were any voters
12:13:42 2 disenfranchised by that incident?

12:13:45 3 A. Not to my knowledge.

12:13:46 4 Q. Okay. And do you ever receive registration
12:13:50 5 forms from third party voter registration organizations
12:13:54 6 that conduct registration drives?

12:13:57 7 A. Registration drives? Yeah.

12:14:00 8 Q. Okay. And we've heard from some other County
12:14:04 9 Recorders that they have received large numbers of voter
12:14:09 10 registration forms from such drives that have false
12:14:11 11 information. For example, it might have like a totally
12:14:14 12 false name or a false identity, false driver's license
12:14:18 13 numbers.

12:14:18 14 Has your office experienced anything like that?

12:14:21 15 A. To my knowledge, no. Fortunately, no, we have
12:14:26 16 not.

12:14:27 17 Q. Okay. Great. And last little set of questions
12:14:31 18 here.

12:14:31 19 Your office does not investigate cases of
12:14:34 20 potential voter fraud, correct?

12:14:36 21 A. If anything like that would come up, we would,
12:14:41 22 anything would be referred to the AG's office.

12:14:43 23 Q. Right. Because your office is not responsible
12:14:46 24 for investigating voter fraud?

12:14:48 25 A. No. We're not police, you know.

12:14:52 1 Q. All right.

12:14:52 2 A. Yeah.

12:14:53 3 Q. And so you don't keep any records on potential
12:14:57 4 voter fraud. Is that right?

12:15:00 5 A. I mean, if it went to the AG's office and the AG
12:15:04 6 contacted us for some type of assistance, then we would,
12:15:08 7 you know, we would definitely have something on record on
12:15:10 8 our file.

12:15:12 9 Q. Okay. Understood.

12:15:14 10 Are you aware of any instances of voter fraud in
12:15:17 11 your county?

12:15:17 12 A. Not that I'm aware of, no.

12:15:20 13 Q. Okay. So you've never sent that kind of
12:15:23 14 information over to the attorney general's office?

12:15:26 15 A. I mean, anything to do with anything like this,
12:15:40 16 in regards to these two bills or anything like that, no.

12:15:44 17 MR. HORLEY: Okay. That is all the questions I
12:15:47 18 have. Thank you very much, Mr. Garcia. I really
12:15:50 19 appreciate it.

12:15:50 20

12:15:50 21 EXAMINATION

12:15:50 22 BY MR. LANGHOFER:

12:15:52 23 Q. Good afternoon now, Mr. Garcia. My name is Kory
12:15:55 24 Langhofer, and I represent the RNC. So the questions I
12:16:02 25 had on my list have been almost entirely covered. There's

12:16:03 1 literally only one that hasn't been asked. And so my only
12:16:07 2 question for you is this.

12:16:08 3 When you receive a state registration form right
12:16:12 4 now and the voter hasn't attached DPOC, and your office
12:16:17 5 sends them a notification letter saying, hey, we can't,
12:16:21 6 and you can't find -- let me, let me back up.

12:16:23 7 You receive a voter register form, state form,
12:16:26 8 DPOC isn't attached, and you can't confirm, you know,
12:16:29 9 prior instances of DPOC using the MVD database. So your
12:16:34 10 office sends the voter a notification letter saying, hey,
12:16:38 11 we don't have your DPOC, we need in that in order to
12:16:41 12 register you.

12:16:42 13 Do you know what percentage of those, roughly,
12:16:44 14 the voter responds and provides DPOC?

12:16:50 15 A. I don't know the percentage.

12:16:54 16 So you're saying if somebody registers to vote
12:16:59 17 and they didn't give us the DPOC, meaning, they didn't
12:17:03 18 even write -- you're saying they didn't even write the
12:17:08 19 driver's license number on their application?

12:17:10 20 Is that what you're also saying?

12:17:15 21 Q. No. So this is -- what I have in mind is maybe
12:17:16 22 they wrote the driver's license number down, maybe they
12:17:19 23 wrote their A number down, or naturalization number, but
12:17:22 24 you -- they didn't provide documents themselves.

12:17:25 25 A. Oh.

12:17:27 1 Q. And using your systems, you can't find where
12:17:30 2 they've previously provide DPOC. Like in searching the
12:17:36 3 MVD database or the SAVE database, sounds like you don't
12:17:37 4 use that, but if you did.

12:17:37 5 A. Hmm hmm.

12:17:38 6 Q. So you've got to send them a notification letter
12:17:40 7 that says, hey, we can't see that you're a citizen, you've
12:17:43 8 got to send this information back to us in order for us to
12:17:46 9 register you. So in one of those instances where you're
12:17:48 10 sending out the notification letter asking for DPOC.

12:17:51 11 I'm just wondering how many people, who get that
12:17:54 12 sort of letter, end up responding with the DPOC?

12:17:58 13 MS. RIZZONI: Lack of foundation.

12:18:02 14 THE WITNESS: You know, I don't know off the top
12:18:04 15 of my head. I mean, my chief deputy would be the one to
12:18:09 16 see that kind of stuff more than I would. But as far as
12:18:14 17 to my understanding or knowledge, I don't think we have
12:18:17 18 any, hardly, if any, hardly any at all that are possibly
12:18:25 19 in that scenario.

12:18:25 20 BY MR. LANGHOFER:

12:18:29 21 Q. Hardly any at all where you send the
12:18:31 22 notification letter, or hardly any at all that respond
12:18:34 23 with the DPOC?

12:18:36 24 A. Usually people are pretty good as far as
12:18:38 25 responding when we send them stuff, but in that scenario

12:18:42 1 it's hard for me to say how many or a percentage, because,
12:18:46 2 again, I don't, I don't see that kind of stuff as much as
12:18:48 3 my chief deputy does, but -- it's hard for me to say. I,
12:18:54 4 I wouldn't have a percentage for you.

12:18:56 5 Q. Do you know whether it's more or less than half
12:18:59 6 of them who respond?

12:19:00 7 A. It's hardly -- I would say we hardly get a
12:19:04 8 scenario even like that.

12:19:05 9 Q. Okay.

12:19:05 10 A. Usually when we run the HAVA checks, we usually
12:19:09 11 get, I would say, we always get some type of, you know,
12:19:12 12 result from it --

12:19:13 13 Q. I see, yeah.

12:19:15 14 A. -- but...

12:19:16 15 MR. LANGHOFER: I promised I wouldn't have you
12:19:16 16 for long and I'm not going to repeat the questions you've
12:19:19 17 already been asked. Thanks very much for your time.

12:19:22 18 Craig, do you have any questions or anyone for
12:19:27 19 the senate, president, and speaker of the house?

12:19:27 20 MR. MORGAN: I have got nothing. Thanks for
12:19:29 21 your time.

12:19:32 22 MS. FITZGIBBONS: I have got nothing either.
12:19:33 23 Thank you.

12:19:36 24 MR. LANGHOFER: Cat, anything more from your
12:19:37 25 side?

MS. RIZZONI: Nothing more from me.

Thank you so much Mr. Garcia. Really been very helpful. We appreciate you taking the time, and hopefully you get to have a nice lunch now.

THE WITNESS: Thank you. Likewise.

THE VIDEOGRAPHER: Okay. We are going to go off the record. Time on the monitor is 12:19. This ends Volume 1, Media No. 2 of the deposition 30(b)(6), Richard Garcia.

Thank you very much.

(The deposition concluded at 12:19 p.m.)

22
23 EXAMINATION
24 BY MS. RILEY-SWANBECK:
25 Q. Okay. Ms. Milheiro, could you please state your

09:39:23 1 full name for the record?

09:39:24 2 A. Sharie Milheiro.

09:39:26 3 Q. And just a few preliminary questions for you
09:39:30 4 about today's deposition.

09:39:32 5 Do you understand that you are testifying under
09:39:34 6 oath?

09:39:34 7 A. Yes.

09:39:35 8 Q. And do you understand that a court reporter is
09:39:38 9 transcribing this deposition?

09:39:40 10 A. Yes.

09:39:41 11 Q. So, with that in mind, please answer questions
09:39:46 12 fully rather than nodding, shaking your head, or saying
09:39:49 13 uh-huh or huh-uh. Is that okay?

09:39:52 14 A. Okay.

09:39:53 15 Q. So please let me know if you do not understand
09:39:57 16 one of my questions. I'm happy to repeat any part of it.
09:40:01 17 All right?

09:40:02 18 A. Okay.

09:40:02 19 Q. And so if I do ask a question and you answer it,
09:40:05 20 I will assume that you understood what I have asked. Is
09:40:09 21 that all right?

09:40:09 22 A. Right.

09:40:09 23 Q. And if at any time you would like for us to take
09:40:14 24 a break, just let me know. The only thing I would ask is
09:40:17 25 that if I have a question and you haven't answered it yet,

09:40:20 1 please answer the question and then ask to take a break.
09:40:23 2 Okay?
09:40:24 3 A. Okay.
09:40:24 4 Q. Is there anyone else in the room with you right
09:40:29 5 now?
09:40:29 6 A. My attorney.
09:40:31 7 Q. Anyone else?
09:40:32 8 A. That's it.
09:40:33 9 Q. Did you bring any materials with you today?
09:40:38 10 A. I brought the paperwork that was given to my
09:40:42 11 attorney to be printed out, and I brought the procedures
09:40:45 12 manual.
09:40:45 13 Q. Is there any reason that you can't give complete
09:40:51 14 and accurate testimony today?
09:40:52 15 A. No.
09:40:53 16 Q. So you understand that you're here in your
09:40:58 17 capacity as the Greenlee County Recorder, right?
09:41:00 18 A. Right.
09:41:01 19 Q. So you're not here in your individual capacity?
09:41:06 20 A. That's correct.
09:41:07 21 Q. So if I say you or your, can we both agree that
09:41:14 22 I mean your office or your offices?
09:41:16 23 A. Right.
09:41:16 24 Q. How long have you been the Greenlee County
09:41:21 25 Recorder?

09:41:21 1 A. I be -- I was appointed in 2019.

09:41:25 2 Q. Have you held any other roles in the office?

09:41:29 3 A. I was an administrative assistant beginning in
09:41:35 4 April of, I believe it's April 2018.

09:41:38 5 Q. As an administrative assistant, was that an
09:41:45 6 election administration role?

09:41:47 7 A. Yes.

09:41:48 8 Q. What were your responsibilities?

09:41:49 9 A. I helped with voter registration. I helped with
09:41:56 10 the elections during the 2018 election season. We also do
09:42:04 11 the recordings, so we are, we are, we are part of the
09:42:08 12 recorder functions as well. So we do the recorded
09:42:13 13 documents and that kind of stuff.

09:42:15 14 Q. So it's both elections and the other recording
09:42:19 15 responsibilities?

09:42:19 16 A. Right.

09:42:20 17 Q. Let's look at a few documents.
09:42:25 18 Can you look at what we've labeled as document
09:42:28 19 No. 1. It's the amended deposition notice. And let me
09:42:31 20 know when you have that in front of you.

09:42:33 21 A. I do have that in front of me, I believe.

09:42:36 22 Q. Have you seen this document before?

09:42:39 23 A. Yes.

09:42:43 24 Q. What is it?

09:42:44 25 A. It was just amending the deposition for my

09:42:48 1 office.

09:42:52 2 Q. Can you turn to page four of that document,
09:42:55 3 where it says topics?

09:42:57 4 A. Okay.

09:42:58 5 Q. So there's a pretty long list of topics there,
09:43:01 6 but did you review this list before the deposition?

09:43:03 7 A. I did.

09:43:04 8 Q. And are you prepared to address each of these
09:43:07 9 today?

09:43:08 10 A. Yes.

09:43:08 11 Q. Great. Thank you.

09:43:12 12 I'm going to have you turn to what we labeled as
09:43:15 13 document No. 2. It says, Defendant Greenlee County
09:43:20 14 Recorder Response to Request For Production.

09:43:22 15 Do you have that?

09:43:22 16 A. I do, yes.

09:43:24 17 Q. Do you recognize this document?

09:43:25 18 A. Yes.

09:43:28 19 Q. What is it?

09:43:29 20 A. It's my responses, I believe, to the first set
09:43:34 21 of request for production.

09:43:37 22 Q. You can take a second to look through, but do
09:43:43 23 you have any updates to your responses?

09:43:45 24 A. Not at this time, no.

09:43:46 25 Q. We'll move to what is --

09:43:51 1 And, excuse me. I'm so sorry, Karen. Could we
09:43:54 2 mark the deposition notice as Exhibit 238, and then the
09:44:04 3 RFP responses as 239. Apologies for that.

09:44:12 4 I'll have you look at what we've marked as
09:44:14 5 No. 3, which we will mark for identification as
09:44:20 6 Exhibit 240.

09:44:20 7 Do you have that in front of you?

09:44:22 8 A. Am I looking at the third document that was
09:44:29 9 presented?

09:44:30 10 Q. Yes.

09:44:30 11 A. Okay. That was the response to the consolidated
09:44:36 12 plaintiff's first set of requests for production.

09:44:40 13 Q. And do you recognize this document?

09:44:41 14 A. Yes, I do.

09:44:43 15 Q. Do you have any updates to your office's
09:44:46 16 responses?

09:44:49 17 A. No. Not at this time.

09:44:50 18 Q. And just one more. We are going to go to the
09:44:54 19 document that we have called No. 4, which --

09:44:58 20 A. Okay.

09:44:59 21 Q. -- I'll mark as Exhibit 241.

09:45:09 22 And do you recognize this document?

09:45:10 23 A. Yes, I do.

09:45:10 24 Q. What is it?

09:45:12 25 A. The response to consolidated plaintiff's first

09:45:16 1 set of interrogatories.

09:45:17 2 Q. You can take a look, but do you have any updates
09:45:22 3 to your office's response?

09:45:24 4 A. I don't believe so, no.

09:45:25 5 Q. Thank you.

09:45:29 6 You mentioned that you have the elections
09:45:34 7 procedure manual with you.

09:45:35 8 A. Yes.

09:45:35 9 Q. Can I assume that you're familiar with the
09:45:38 10 elections procedures manual?

09:45:40 11 A. Yes.

09:45:40 12 Q. Is the 2019 EPM, or elections procedures manual,
09:45:48 13 still the currently operative EPM?

09:45:54 14 A. It is.

09:45:55 15 Q. Does your office follow the EPM?

09:45:57 16 A. We do.

09:45:58 17 Q. Do you understand the EPM to be legally binding
09:46:02 18 on your office?

09:46:03 19 A. That is my understanding.

09:46:05 20 DEFENSE COUNSEL: Calls for legal conclusion.

09:46:09 21 BY MS. RILEY-SWANBECK:

09:46:09 22 Q. Does your office receive guidance from the
09:46:12 23 Secretary of State in any way other than through the EPM,
09:46:16 24 for example, via legal memoranda or emails?

09:46:20 25 DEFENSE COUNSEL: Form.

09:46:21 1 THE WITNESS: We do get emails from the
09:46:23 2 Secretary of State's Office occasionally.

09:46:25 3 BY MS. RILEY-SWANBECK:

09:46:25 4 Q. When you receive those emails do you follow the
09:46:28 5 guidance from the Secretary of State's Office?

09:46:32 6 A. We try to follow the guidance from the Secretary
09:46:35 7 of State, yes.

09:46:36 8 Q. Has your office seen the 2023 draft EPM?

09:46:42 9 A. We, we have, but we haven't really dove in real
09:46:53 10 deeply into it. We have viewed it.

09:46:56 11 Q. Have you provided any comments to the Secretary
09:47:00 12 of State's Office on the EPM?

09:47:01 13 A. No, I have not.

09:47:01 14 Q. Do you intend to provide comments?

09:47:08 15 A. At this time, no.

09:47:10 16 Q. We talked about the 2023 EPM, but in 2021 the
09:47:16 17 draft EPM was not approved as official by the Secretary of
09:47:21 18 State, right?

09:47:22 19 A. Right.

09:47:24 20 DEFENSE COUNSEL: Foundation.

09:47:26 21 BY MS. RILEY-SWANBECK:

09:47:27 22 Q. You understand that this litigation challenges
09:47:31 23 changes to Arizona law made by House Bills 2492 and 2243,
09:47:39 24 right?

09:47:39 25 A. Right.

09:47:39 1 Q. In general terms, what is your understanding of
09:47:42 2 what H.B. 2492 provides?

09:47:48 3 A. 2492 is requesting documentary proof of
09:47:54 4 citizenship as well as documentary proof of residency.

09:48:02 5 Q. And does it impose any obligations on your
09:48:05 6 office?

09:48:06 7 DEFENSE COUNSEL: Calls for legal conclusion.

09:48:10 8 BY MS. RILEY-SWANBECK:

09:48:10 9 Q. You can answer.

09:48:11 10 A. Okay. It does call for us to request proof of
09:48:15 11 citizenship or proof of residency to register to vote.

09:48:21 12 Q. In general terms, what's your understanding of
09:48:25 13 what H.B. 2243 does?

09:48:29 14 A. My general understanding is that it calls for
09:48:36 15 causes for cancelation, the different reasons for
09:48:39 16 canceling a voter from our voter rolls.

09:48:43 17 Q. Greenlee County is a part of the Arizona
09:48:51 18 Association of Counties, correct?

09:48:54 19 A. That is correct.

09:48:55 20 Q. And as a member your office can weigh in on
09:48:57 21 whether the association supports or opposes bills
09:49:01 22 introduced in the Arizona legislature, right?

09:49:04 23 A. Right.

09:49:05 24 Q. Will you please pull up what we have labeled as
09:49:09 25 Document 6, and we will introduce as Exhibit 242.

09:49:16 1 A. Okay.

09:49:17 2 Q. Are you familiar with this document?

09:49:20 3 A. Yes, I am.

09:49:21 4 Q. It's addressed to you, right?

09:49:25 5 A. Right.

09:49:25 6 Q. So in the body of the email it says, your name,
09:49:31 7 and then your analysis of H.B. 2492, voter registration,
09:49:40 8 verification, citizenship is displayed below.

09:49:44 9 Did I read that correctly?

09:49:46 10 A. Yes.

09:49:46 11 Q. And then near the bottom, next to recommended
09:49:49 12 position, it says, opposed, correct?

09:49:52 13 A. That is correct.

09:49:54 14 Q. Does that mean that your office opposed
09:49:59 15 H.B. 2492 at the time of this email?

09:50:00 16 A. At the time of that email, yes, we opposed.

09:50:04 17 Q. Why did your office oppose 2492 at that time?

09:50:08 18 A. From what I recall it was because the
09:50:14 19 citizenship requirements were in conflict with the federal
09:50:20 20 laws.

09:50:20 21 Q. Do you recall which federal laws you were
09:50:24 22 concerned about?

09:50:25 23 A. I believe it was the NAVRA laws, that this was
09:50:30 24 requiring more information for proof of citizenship.

09:50:37 25 Q. And then right above recommended position, it

09:50:41 1 says, projected impact, agree with other comments.

09:50:45 2 Did I read that right?

09:50:46 3 A. Yes.

09:50:47 4 Q. Do you recall what other comments you agreed
09:50:51 5 with?

09:50:52 6 A. I don't recall.

09:50:53 7 Q. Okay. Are you currently enforcing any part of
09:51:00 8 22 -- or excuse me -- 2492?

09:51:03 9 A. We've just been following the 2019 procedures
09:51:09 10 manual.

09:51:10 11 Q. So does that mean that you are not currently
09:51:13 12 enforcing H.B. 2492?

09:51:16 13 A. I mean, yeah, if that's -- right. Because we
09:51:24 14 are going by the 2019 procedures manual.

09:51:27 15 Q. Are you currently enforcing any parts of 2243?

09:51:33 16 A. No.

09:51:33 17 Q. So is your office currently holding any voter
09:51:41 18 registration applications in an indefinite pending status
09:51:45 19 until you receive guidance from the Secretary of State
09:51:47 20 about how to implement 2492 or 2243?

09:51:51 21 A. At this time, no.

09:51:52 22 Q. Other than the draft EPM that we talked about,
09:51:59 23 has your office received any guidance from any government
09:52:04 24 entity, including the Secretary of State, that addresses
09:52:07 25 the implementation of 2492 or 2243?

09:52:12 1 A. We have gotten guidance from the Secretary of
09:52:18 2 State's Office, but it is all pending litigation, and some
09:52:22 3 guidance is just a draft; it's not definite.

09:52:25 4 Q. What guidance have you received?

09:52:28 5 A. A basic -- from what I recall, some of the
09:52:34 6 guidance was that some of the laws could not be
09:52:40 7 implemented due to the federal laws that they would, that
09:52:45 8 they would break, from my recollection.

09:52:49 9 Q. Do you remember when you received that guidance?

09:52:52 10 A. I don't remember the date, no.

09:52:55 11 Q. Was it this year? Do you recall?

09:53:02 12 A. I believe it might have been at the end of last
09:53:05 13 year, but I can't remember.

09:53:06 14 Q. Do you recall any other communications with the
09:53:12 15 Secretary of State about the implementation of 2492?

09:53:19 16 A. There may have been some meetings that, where
09:53:23 17 they have talked about it, but I can't recall the details
09:53:26 18 of any of those.

09:53:27 19 Q. Has your office been a part of any discussions
09:53:32 20 with the Secretary of State about the implementation of
09:53:37 21 2243?

09:53:37 22 A. Yes.

09:53:39 23 Q. What were those communications?

09:53:45 24 A. Again, I don't recall the specifics. I'm sure
09:53:52 25 we had conversations through meetings, and potentially

09:53:56 1 through emails, but I do not recall the specifics.

09:53:59 2 Q. Do you remember maybe when those communications
09:54:04 3 were?

09:54:05 4 A. I believe a lot of was done towards the end of
09:54:10 5 2022, and then, you know, in between January and now
09:54:16 6 there's probably been a few as well.

09:54:22 7 Q. So you mentioned that your office is following
09:54:24 8 the 2019 EPM, right?

09:54:27 9 A. Right.

09:54:28 10 Q. Do you have plans to enforce the portions of
09:54:34 11 2492 and 2243 directed at County Recorders even if a new
09:54:38 12 EPM is not approved?

09:54:40 13 A. I would be going by the guidance of my attorney
09:54:50 14 at that point.

09:54:52 15 Q. Let's discuss your office's use of some of the
09:54:55 16 databases in the voter registration process.

09:54:59 17 Are you familiar with the Arizona Voter
09:55:01 18 Information Database, or AVID?

09:55:04 19 A. Yes, I am.

09:55:05 20 Q. What is AVID?

09:55:07 21 A. That is our voter registration program that is
09:55:12 22 facilitated by the state through 13 counties.

09:55:17 23 Q. So does your office use AVID, then, as a part of
09:55:20 24 your voter registration efforts?

09:55:25 25 A. Yes, we do.

09:55:26 1 Q. Can you describe how you use AVID?

09:55:28 2 A. We use AVID to register our voters, make changes
09:55:35 3 to voter records when necessary, and to send out our early
09:55:43 4 ballots.

09:55:44 5 Q. So the information that an applicant provides on
09:55:50 6 their voter registration form, does that -- do you enter
09:55:54 7 that into AVID?

09:55:55 8 A. Yes, we do.

09:55:56 9 Q. Is AVID used at all in determining, or in
09:56:01 10 verifying whether a registrant is a U.S. citizen?

09:56:06 11 A. Yes, it is.

09:56:07 12 Q. How is AVID, how is AVID used?

09:56:12 13 A. There's a function of AVID called a HAVA check,
09:56:17 14 which runs the driver's license number and the social,
09:56:22 15 last four of the social security number against the Motor
09:56:28 16 Vehicle database and, I believe, the, through the Social
09:56:35 17 Security Administration to verify identity or citizenship.

09:56:39 18 Q. Let's look at H.B. 2492. So this is No. 7 of
09:56:45 19 the documents I sent, and it has previously been marked in
09:56:52 20 another deposition as Exhibit 19. And so if you'll turn
09:56:58 21 to page four, near the bottom there, at line 35.

09:57:04 22 A. Okay.

09:57:05 23 Q. And do you see subsection D?

09:57:10 24 A. On line 35? Yes.

09:57:14 25 Q. So this section says:

09:57:17 1 Within ten days after receiving an application
09:57:20 2 for registration on a form produced by the United States
09:57:25 3 Election Assistance Commission that is not accompanied by
09:57:29 4 satisfactory evidence of citizenship, the County Recorder
09:57:32 5 or other officer in charge of elections shall use all
09:57:35 6 available resources to verify the citizenship status of
09:57:38 7 the applicant and, at minimum, shall compare the
09:57:42 8 information available on the application for registration
09:57:45 9 with the following, provided the county has access.

09:57:49 10 Did I read that right?

09:57:50 11 A. Yes.

09:57:51 12 Q. And then it goes on to list a number of
09:57:53 13 databases, correct?

09:57:55 14 A. Correct.

09:57:55 15 Q. The first listed database is the Department of
09:58:02 16 Transportation databases of Arizona driver licenses or
09:58:04 17 nonoperating identification licenses.

09:58:07 18 Are you familiar with the Arizona Department of
09:58:11 19 Transportation databases?

09:58:12 20 A. I don't have direct access to the Motor Vehicle.
09:58:21 21 I have access through the AVID program.

09:58:24 22 Q. So your office uses AVID to match registrants
09:58:29 23 with data in the databases, correct?

09:58:32 24 A. Correct.

09:58:33 25 Q. And so does your office use, I'll say ADOT,

09:58:39 1 rather than going through the whole term, but does your
09:58:42 2 office use ADOT data to confirm a registrant's driver's
09:58:49 3 license information?

09:58:50 4 A. Through the AVID program, yes.

09:58:51 5 Q. Are driver's license the most common form of
09:58:55 6 documentary proof of citizenship, or DPOC, that your
09:59:00 7 office receives?

09:59:01 8 A. Yes, it is.

09:59:02 9 Q. So, but what happens if an applicant's driver's
09:59:08 10 license cannot be verified in the ADOT databases?

09:59:13 11 A. We look to other ways to identify the voter
09:59:19 12 through the social security, last four of the social
09:59:24 13 security number.

09:59:28 14 Q. So is that the only way that you could then
09:59:31 15 identify the voter, through the use of the social security
09:59:34 16 database?

09:59:35 17 A. We could potentially also use the SAVE program,
09:59:39 18 with enough information on the voter registration record.

09:59:44 19 Q. Okay. What would you, what information would
09:59:47 20 you need for the SAVE program?

09:59:48 21 A. Honestly, I have not used the SAVE program in
09:59:55 22 quite some time, so I can't recall exactly what all I
10:00:01 23 would need.

10:00:02 24 Q. Okay. Are there driver's licenses that would be
10:00:08 25 too old to be looked up through AVID and the ADOT

10:00:22 6
10:00:27 7
10:00:27 8

10:00:35 10
10:00:40 11
10:00:41 12

10:00:55 15
10:00:59 16
10:00:59 17
10:01:01 18
10:01:05 19
10:01:09 20
10:01:13 21

databases?

A. Not that I'm aware of.

Q. Are you aware that there are different types of driver's license in Arizona?

A. Yes.

Q. Are you familiar with the F-type license?

A. Yes.

Q. What is an F-type license?

A. My understanding, the F-type license is an individual who is not a citizen but is authorized to be in the state.

Q. So when you're attempting to match registrant's with the ADOT system, if the database shows that an applicant has a driver's license that is an F-type license, is the assumption that that person is a non-citizen?

A. That would be the assumption.

Q. But an F-type license can only provide information about the person's citizenship as of the time that they receive the license, right?

DEFENSE COUNSEL: Form.

THE WITNESS: That was my understanding.

BY MS. RILEY-SWANBECK:

Q. Do you know how long Arizona driver's licenses are valid?

10:01:24 1 A. I do not.

10:01:25 2 Q. Do you know if it's more than, more or less than
10:01:33 3 ten years?

10:01:34 4 A. I do not know.

10:01:35 5 Q. Okay. Has your office ever encountered an
10:01:40 6 individual with an F-type license who is a citizen?

10:01:44 7 A. Not that I'm aware of.

10:01:46 8 Q. Okay. If an applicant's driver's license is
10:01:52 9 expired, are you still able to use that information to
10:01:56 10 verify their citizenship?

10:01:58 11 A. We would run their information back through a
10:02:04 12 HAVA check.

10:02:04 13 Q. And that would tell you whether or not they're a
10:02:10 14 citizen?

10:02:11 15 A. That would tell me if the expired license has
10:02:16 16 been, is still expired. And, if it's not, it would, it
10:02:22 17 would identify whether the person was a citizen.

10:02:25 18 Q. But if the license is expired, would that
10:02:30 19 provide you with any information one way or the other?

10:02:33 20 A. I, I'm not sure. I, I have not come across that
10:02:40 21 scenario.

10:02:42 22 Q. What if an applicant provides an out-of-state
10:02:46 23 driver's license as their documentary proof of
10:02:50 24 citizenship? What does your office do then?

10:02:51 25 A. I, from what I recall, some states have an

10:02:54 1 identifier that they have been verified as a citizen on
10:02:59 2 the driver's license, and we would check for that.

10:03:02 3 Q. So, in that case, you are not using the
10:03:09 4 databases, you're just looking to whatever is on the face
10:03:13 5 of the license?

10:03:13 6 A. If we have it in front of us, yes.

10:03:16 7 Q. If a person is from a state that does not say on
10:03:22 8 the driver's license whether or not they're a citizen,
10:03:25 9 what do you do with that out-of-state license?

10:03:28 10 A. We notate the driver's license, but we can't
10:03:35 11 really do anything with that.

10:03:36 12 Q. So you would need additional information from
10:03:39 13 that person?

10:03:39 14 A. Right.

10:03:40 15 Q. Does your office use ADOT data in ways other
10:03:47 16 than by looking up driver's license numbers?

10:03:50 17 A. No.

10:03:51 18 Q. Can you use the data to confirm a registrant's
10:03:57 19 identity and eligibility if they don't provide a driver's
10:04:01 20 license number at all?

10:04:02 21 A. We can run them through the social security.

10:04:06 22 Q. But you can't use the ADOT data, right?

10:04:12 23 A. If it's not provided, right.

10:04:14 24 Q. Has your office encountered instances where a
10:04:21 25 voter registration applicant who was a U.S. citizen was

10:04:24 1 wrongly flagged as a non-citizen by a search of the ADOT
10:04:29 2 or MVD driver's license databases?

10:04:31 3 A. We were made aware by the Secretary of State's
10:04:35 4 Office that this had happened.

10:04:37 5 Q. When did that happen?

10:04:41 6 A. I believe it was sometime at the beginning of
10:04:45 7 this year, but I can't recall certain dates. I'm not
10:04:49 8 certain on that.

10:04:50 9 Q. Are you familiar with the term, fed voter or
10:04:57 10 federal-only voter?

10:04:58 11 A. Yes.

10:04:59 12 Q. What does it mean if a voter has a federal-only
10:05:03 13 voter status?

10:05:04 14 A. If the voter is a fed-only voter, typically it
10:05:09 15 is because they have not provided proof of citizenship but
10:05:13 16 have sworn that they are a citizen.

10:05:15 17 Q. You mentioned that you were made aware of a
10:05:21 18 situation from the Secretary of State. Is that the
10:05:26 19 incident last year where the database matching software
10:05:31 20 caused thousands of voters to be downgraded to
10:05:35 21 federal-only status? Is that what you're talking about?

10:05:39 22 DEFENSE COUNSEL: Form.

10:05:39 23 THE WITNESS: I'm not, I'm not sure how many
10:05:42 24 voters were affected. I only know what was for Greenlee
10:05:48 25 County. I'm assuming, or I -- I'm not sure if that was

10:05:52 1 the same incident or not, but I --

2 DEFENSE COUNSEL: The question was -- I'm sorry.

3 Go ahead.

4 (The Reporter requested clarification.)

5 MR. LANGHOFER: It's Kory Langhofer. I was

6 going to say the question mischaracterizes the evidence.

10:06:04 7 But I didn't mean to cut off your answer, ma'am. Go

10:06:07 8 ahead.

10:06:07 9 THE WITNESS: No, I, I, I was done.

10:06:09 10 BY MS. RILEY-SWANBECK:

10:06:13 11 Q. Turn to what we marked as No. 8, which we will

10:06:17 12 mark as Exhibit 243. And you can take a second to read

10:06:26 13 this document.

10:06:30 14 Do you recognize this document? I know the font

10:06:38 15 is a little small.

10:06:59 16 A. Yes, I do recall this.

10:07:01 17 Q. What is, what is this document?

10:07:04 18 A. This was an email from the representative from

10:07:10 19 the Secretary of State's Office, I believe, regarding the

10:07:17 20 MVD record, or the malfunction of MVD to our AVID program

10:07:25 21 listing voters as fed-only.

10:07:31 22 Q. Is this what you were referring to when you

10:07:33 23 answered my question about the databases erroneously

10:07:38 24 marking people as non-citizens?

10:07:41 25 A. Yes.

10:07:41 1 Q. And so, in this incident, already registered
10:07:49 2 voters who had shown proof of citizenship were downgraded
10:07:53 3 to federal-only status, right?

10:07:56 4 A. That is my understanding.

10:07:58 5 Q. Does this say anything to you about the
10:08:01 6 reliability about the database matching process to assess
10:08:06 7 a person's citizenship status?

10:08:09 8 DEFENSE COUNSEL: Form and foundation.

10:08:12 9 THE WITNESS: Are you asking whether the Motor
10:08:19 10 Vehicle program is reliable?

10:08:22 11 BY MS. RILEY-SWANBECK:

10:08:25 12 Q. Do you believe that the Motor Vehicle program is
10:08:27 13 reliable to assess a person's current citizenship status?

10:08:34 14 DEFENSE COUNSEL: Form, foundation.

10:08:37 15 THE WITNESS: I believe the program is not full
10:08:44 16 proof, but overall has been reliable.

10:08:50 17 BY MS. RILEY-SWANBECK:

10:08:51 18 Q. Do you think it's possible that if people could
10:08:55 19 erroneously be identified as not having shown DPOC, as
10:09:00 20 they were here, that they could be erroneously identified
10:09:04 21 as non-citizens under 2492 and 2243's procedures?

10:09:14 22 DEFENSE COUNSEL: Form, foundation. Calls for
10:09:15 23 speculation.

10:09:18 24 THE WITNESS: Can you repeat the question,
10:09:19 25 please?

10:09:19 1 BY MS. RILEY-SWANBECK:

10:09:19 2 Q. Of course.

10:09:20 3 Is it possible that if people could be
10:09:22 4 erroneously identified as not having shown DPOC, as they
10:09:26 5 did in this incident, that they could also be erroneously
10:09:29 6 identified as non-citizens under H.B. 2492 and 2243's
10:09:36 7 requirements?

10:09:38 8 A. Because I don't know Motor Vehicle's system, I
10:09:44 9 can't really respond to the reliability of their system,
10:09:49 10 other than, according to this incident, I feel like it
10:09:54 11 could happen again.

10:09:56 12 Q. Are you familiar with the Electronic
10:09:58 13 Registration Information Center, or ERIC?

10:10:02 14 A. Yes.

10:10:03 15 Q. What is ERIC?

10:10:04 16 A. ERIC is a list maintenance program.

10:10:11 17 Q. Does your office use ERIC?

10:10:13 18 A. We do.

10:10:13 19 Q. Can you describe your office's use of ERIC?

10:10:17 20 A. We use ERIC to compare registrations to see if
10:10:26 21 voters are registered in another state that are also
10:10:30 22 registered within Greenlee County.

10:10:35 23 Q. Do you use ERIC at all to determine whether a
10:10:40 24 registrant is a U.S. citizen?

10:10:41 25 A. No. Not that I'm aware of, no.

10:10:43 1 Q. Do you think that you could use ERIC to
10:10:46 2 determine whether someone is a U.S. citizen?

10:10:49 3 A. I believe ERIC is a list maintenance program and
10:10:54 4 is not intended for verifying citizenship.

10:10:57 5 Q. Let's go back to 2492, so that's No. 7, I
10:11:07 6 believe. We're still on page four at the very bottom.

10:11:13 7 The second listed database is the Social
10:11:18 8 Security Administration database.

10:11:19 9 Do you see that?

10:11:19 10 A. Yes.

10:11:20 11 Q. Are you familiar with the Social Security
10:11:24 12 Administration, or SSA, database?

10:11:26 13 A. As it relates to AVID, yes.

10:11:29 14 Q. So you said earlier that you use the SS database
10:11:36 15 with AVID? Is that correct?

10:11:37 16 A. Through AVID. That is correct.

10:11:39 17 Q. So do you have any independent access to the
10:11:43 18 database, apart from AVID?

10:11:46 19 A. I do not.

10:11:47 20 Q. Could it be used to verify citizenship status?

10:11:52 21 A. I believe so.

10:11:56 22 Q. Do you know how?

10:11:58 23 A. It would run the, through AVID it would run
10:12:05 24 social security number against the Social Security
10:12:08 25 Administration database verifying the identity of that

10:12:12 1 voter.

10:12:15 2 Q. So if a person did not provide a social security
10:12:19 3 number, would you be able to use that system?

10:12:21 4 A. No.

10:12:22 5 Q. Let's turn the page on 2492. We'll be at the
10:12:28 6 top of page five. And the third database listed is the
10:12:34 7 United States Citizenship and Immigration Service's
10:12:39 8 Systematic Alien Verification for Entitlements Program. A
10:12:42 9 little bit of a mouthful, but I think we've talked about
10:12:46 10 that as SAVE. Is that right?

10:12:48 11 A. Right.

10:12:48 12 Q. Are you familiar with SAVE?

10:12:50 13 A. Vaguely familiar with SAVE, yes.

10:12:54 14 Q. Can you explain what SAVE, what the SAVE
10:12:57 15 database is?

10:12:58 16 A. From my understanding the SAVE database would
10:13:05 17 verify if somebody has become a naturalized citizen.

10:13:13 18 Q. And earlier, did you say that your office does
10:13:16 19 have access to the SAVE database?

10:13:18 20 A. Yes.

10:13:19 21 Q. How do you, how do you use SAVE?

10:13:23 22 A. We haven't had to use SAVE in, probably, several
10:13:33 23 years, to my recollection, but we would use the SAVE
10:13:37 24 program if we had somebody that we could not verify
10:13:41 25 whether they were a citizen, and the information would

10:13:46 1 then be run against the SAVE program.

10:13:52 2 Q. Are there processes for using SAVE that you must
10:13:55 3 follow?

10:13:55 4 A. I, I'm sure there is, but I'm not sure what the
10:14:03 5 processes would be. We haven't used it.

10:14:06 6 Q. Do you know where the processes come from?

10:14:10 7 A. We would access that through the Secretary of
10:14:15 8 State.

10:14:15 9 Q. And that's through the Arizona Secretary of
10:14:21 10 State?

10:14:21 11 A. Right.

10:14:23 12 Q. When you say you would access it through the
10:14:27 13 Secretary of State, does that mean through a system that
10:14:30 14 the Secretary of State has provided?

10:14:32 15 A. From my recollection, they gave us access
10:14:38 16 through, to the SAVE program, so I, again, we have not
10:14:44 17 used that system. I'm, I'm guessing that that would be
10:14:49 18 some sort of a web link that we would have to access it.

10:14:53 19 Q. Do you recall whether your office has entered
10:15:00 20 into any agreements with USCIS about the SAVE database?

10:15:07 21 A. We entered into agreements through the Secretary
10:15:11 22 of State's Office to have access to that program.

10:15:13 23 Q. Do you know if those existing agreements would
10:15:16 24 cover the use of SAVE that 2492 requires?

10:15:23 25 DEFENSE COUNSEL: Calls for legal conclusion.

10:15:26 1 BY MS. RILEY-SWANBECK:

10:15:27 2 Q. You can answer.

10:15:28 3 A. Okay. Yeah, I would imagine it would, we would
10:15:33 4 be able to use the SAVE program.

10:15:36 5 Q. And so you can use SAVE to look up whether an
10:15:39 6 applicant is a naturalized citizen, right?

10:15:42 7 A. Right.

10:15:42 8 Q. And, in order to look up an applicant, you would
10:15:47 9 need their alien registration number, or their A number,
10:15:51 10 right?

10:15:52 11 A. That is my understanding.

10:15:53 12 Q. Or you could use their, the number on their
10:15:59 13 naturalization certificate, right?

10:16:01 14 A. That is to my understanding.

10:16:04 15 Q. And I understand that you said that it's been a
10:16:08 16 while, so...

10:16:10 17 Do you recall how you would obtain an
10:16:12 18 applicant's A number or their naturalization certificate
10:16:16 19 number?

10:16:16 20 A. I believe they are allowed to write that on the
10:16:20 21 voter registration form.

10:16:23 22 Q. Could you look up an applicant's information if
10:16:27 23 you did not have their A number or their naturalization
10:16:32 24 certificate number through SAVE?

10:16:33 25 A. Because I haven't used SAVE in that I don't know

10:16:40 1 what is required. I would have to view the program to see
10:16:45 2 what it requires.

10:16:46 3 Q. Do you know what your office would do if SAVE
10:16:50 4 returned no matches to a record?

10:16:55 5 A. If it did not, if it did not have a match, I
10:16:59 6 believe we would send notification to the, to the
10:17:05 7 registrant to provide more information.

10:17:09 8 Q. So then are you familiar with SAVE's alternative
10:17:18 9 verification procedures?

10:17:19 10 A. No.

10:17:20 11 Q. So the SAVE database cannot be used to verify
10:17:32 12 the citizenship status of someone who is a natural born
10:17:36 13 citizen, correct?

10:17:37 14 A. That's my understanding.

10:17:38 15 Q. So it could only confirm naturalization or
10:17:44 16 derivative citizenship from a parent, right?

10:17:47 17 A. That is what I understand, yes.

10:17:49 18 Q. Does your office currently use the ADOT or SAVE
10:17:57 19 database to check existing registrant's citizenship
10:18:00 20 status?

10:18:02 21 A. If they are an existing registrant, we wouldn't
10:18:07 22 run it again without reason.

10:18:10 23 Q. Back to our list of databases in 2492.

10:18:18 24 The fourth is a National Association For Public
10:18:23 25 Health Statistics and Information Systems Electronic

10:18:28 1 Verification of Vital Events System, right?

10:18:31 2 A. Right.

10:18:31 3 Q. Have you ever heard of the National Association
10:18:35 4 For Public Health Statistics and Information System, or
10:18:44 5 NAPHSIS?

10:18:44 6 A. I have not.

10:18:45 7 Q. So does that mean you are not familiar with
10:18:48 8 NAPHSIS's electronic verification of vital events, or EVVE
10:18:53 9 database?

10:18:54 10 A. I'm not aware -- I never use that. I am not
10:18:58 11 aware of that.

10:18:59 12 Q. Are there any other databases that your office
10:19:02 13 uses to look up voter registrants or verify their
10:19:06 14 citizenship status?

10:19:07 15 A. No.

10:19:07 16 Q. Are you aware that 2492 states that your office
10:19:15 17 must use any other state, city, town, county, or federal
10:19:20 18 database, and any other database relating to voter
10:19:25 19 registration?

10:19:26 20 A. I understood that that was in the bill. My
10:19:32 21 understanding was that if it was applicable, which we
10:19:38 22 don't have, that I'm aware of, we don't have access to.

10:19:43 23 Q. And is that you don't have access to any other
10:19:48 24 databases?

10:19:48 25 A. That I'm aware of, no.

10:19:50 1 Q. Do you know what databases that language is
10:19:54 2 referring to, or might be referring to?

10:19:58 3 DEFENSE COUNSEL: Calls for legal conclusion.

10:20:02 4 BY MS. RILEY-SWANBECK:

10:20:02 5 Q. You can go ahead.

10:20:03 6 A. I'm assuming it's regarding, maybe like the
10:20:13 7 health department, through their records.

10:20:15 8 Q. Would that be the Arizona Health Department?

10:20:19 9 A. Right.

10:20:19 10 Q. Are you familiar with what records they have
10:20:25 11 available that would be useful for determining
10:20:28 12 citizenship?

10:20:29 13 A. I believe they are the vital statistics, so they
10:20:35 14 would be able to provide a birth certificate.

10:20:37 15 Q. But you do not currently have access to that
10:20:43 16 database?

10:20:43 17 A. Not that I'm aware of, no.

10:20:45 18 Q. Are you aware that H.B. 2492 states that your
10:20:50 19 office must use all available resources to verify
10:20:55 20 citizenship of a federal form applicant who fails to
10:20:58 21 provide proof of, documentary proof of citizenship?

10:21:04 22 A. I did read that, yes.

10:21:05 23 Q. If a law tells your office to use all available
10:21:10 24 resources to perform, to perform these database searches,
10:21:15 25 what do you understand that to mean?

10:21:16 1 A. I understand that --

10:21:19 2 DEFENSE COUNSEL: Calls for legal conclusion.

10:21:25 3 BY MS. RILEY-SWANBECK:

10:21:26 4 Q. And you can go ahead and answer.

10:21:27 5 A. I -- I'm sorry. Can you repeat the question?

10:21:31 6 Q. Of course. If a law tells your office to use

10:21:34 7 all available resources to perform these database

10:21:39 8 searches, what do you understand that to mean?

10:21:41 9 DEFENSE COUNSEL: Same objection.

10:21:43 10 THE WITNESS: I understand that to mean any

10:21:47 11 resource that we have available to us.

10:21:49 12 BY MS. RILEY-SWANBECK:

10:21:53 13 Q. We're going to go back to 2492. And can you go

10:21:56 14 to line 14. Same page that we're on, so page five. And

10:22:05 15 it reads:

10:22:06 16 If the County Recorder or other officer in

10:22:09 17 charge of elections matches the applicant with information

10:22:12 18 that the applicant is not a United States citizen, the

10:22:16 19 County Recorder or other officer in charge of elections

10:22:19 20 shall reject the application.

10:22:22 21 Did I read that right?

10:22:23 22 A. Yes.

10:22:24 23 Q. What is your understanding of the phrase,

10:22:27 24 information that the applicant is not a United States

10:22:30 25 citizen?

10:22:32 1 DEFENSE COUNSEL: Calls for a legal conclusion.

10:22:43 2 THE WITNESS: I would imagine that any other
10:23:04 3 information would, would be the SAVE program where it
10:23:09 4 might say that they are something other than a citizen.
10:23:15 5 And, in that case, it says we should reach out to that.

10:23:23 6 BY MS. RILEY-SWANBECK:

10:23:23 7 Q. So if I understood you correctly, information
10:23:25 8 that the applicant is not a United States citizen would be
10:23:29 9 information from the SAVE database? Is that correct?

10:23:31 10 A. That's the way I understand it.

10:23:34 11 Q. Are there other valid sources of information
10:23:41 12 that someone is not a United States citizen?

10:23:44 13 DEFENSE COUNSEL: Same objection.

10:23:47 14 THE WITNESS: I don't know what other sources
10:23:50 15 would, would be able to validate that information.

10:23:55 16 BY MS. RILEY-SWANBECK:

10:23:56 17 Q. Has the Secretary of State's office ever given
10:23:59 18 your office a list of the types of information that would
10:24:03 19 constitute evidence of a lack of U.S. citizenship?

10:24:07 20 A. The only one that I can recall is part of that
10:24:12 21 SAVE program where it would indicate that the person was
10:24:16 22 not a citizen, or the F-type license would also indicate
10:24:30 23 the voter is not a citizen.

10:24:33 24 Q. So the Secretary of State's Office has provided
10:24:37 25 you with a list that includes the SAVE database and the

10:24:43 1 F-type license as evidence?

10:24:46 2 A. That would be through the 2019 procedures
10:24:49 3 manual, right.

10:24:50 4 Q. Have they ever provided you with any other
10:24:55 5 guidance about what types of information constitute
10:24:59 6 evidence that an applicant is not a U.S. citizen?

10:25:04 7 A. I would imagine if there's anything more it
10:25:07 8 would be in the procedures manual, which I cannot recall
10:25:10 9 at this time.

10:25:10 10 Q. If a database like SAVE stated that a person was
10:25:18 11 not a citizen at some point in the past, would your office
10:25:22 12 treat that as information that the person is not is a
10:25:25 13 United States citizen today for purposes of implementing
10:25:30 14 2492?

10:25:31 15 DEFENSE COUNSEL: Same objection.

10:25:34 16 THE WITNESS: If I understand this correctly,
10:25:39 17 the, if the voter has since become a citizen, the SAVE
10:25:47 18 results that were done in the past would not -- the SAVE
10:25:53 19 results that indicated that it was not, the person was not
10:25:56 20 a citizen would not be relevant if they have since become
10:26:00 21 a citizen and we were able to verify that.

10:26:02 22 BY MS. RILEY-SWANBECK:

10:26:04 23 Q. How would you verify that a person has since
10:26:07 24 become a citizen if the databases are not updated?

10:26:11 25 A. If, well, if the database is not updated, I

10:26:16 1 don't see how we would be able to validate that.

10:26:19 2 Q. Let me give you another specific example.

10:26:23 3 So if a HAVA check reflects that an applicant
10:26:26 4 was issued an F-type license 20 years ago, would your
10:26:32 5 office consider that information that today that person is
10:26:34 6 not a U.S. citizen?

10:26:36 7 DEFENSE COUNSEL: Same objection.

10:26:42 8 THE WITNESS: No.

10:26:42 9 BY MS. RILEY-SWANBECK:

10:26:42 10 Q. I'm sorry. Could you repeat your answer?

10:26:44 11 A. No.

10:26:45 12 Q. And why not?

10:26:46 13 A. Because we would be able to validate citizenship
10:26:50 14 through the current HAVA check.

10:26:52 15 Q. How would you verify citizenship through the
10:26:56 16 current HAVA check?

10:26:57 17 A. Through the current HAVA check we would have a
10:27:01 18 driver's license and social security number to verify.

10:27:04 19 Q. And so even if the person still has an F-type
10:27:12 20 license, you would be able to verify that they are today a
10:27:18 21 citizen?

10:27:19 22 A. If they have, if they still have an F-type
10:27:22 23 license, I would not be able to verify citizenship.

10:27:26 24 Q. If they still have an F-type license what
10:27:31 25 procedures would your office follow after you received

10:27:33 1 that information?

10:27:33 2 A. We would follow the 2019 procedures manual in
10:27:41 3 regards to the F-type license.

10:27:43 4 Q. Do you currently recall what the procedures
10:27:49 5 manual says?

10:27:50 6 A. From what I recall, for an F-type license we
10:27:53 7 would mark them as unregistered.

10:27:57 8 Q. What happens when a person has been marked as
10:28:03 9 unregistered?

10:28:04 10 A. They would not, they would not be registered
10:28:07 11 into the system.

10:28:08 12 Q. So if some other database, so not your AVID
10:28:12 13 database, contains data showing a person was not a U.S.
10:28:19 14 citizen 20 years ago, would that be information that today
10:28:22 15 that person is not a citizen?

10:28:24 16 DEFENSE COUNSEL: Same objection.

10:28:25 17 THE WITNESS: I'm sorry. Can you repeat the
10:28:27 18 question?

10:28:27 19 BY MS. RILEY-SWANBECK:

10:28:28 20 Q. Of course.

10:28:28 21 So if some other database, so not the MVD or
10:28:33 22 AVID database, contains data showing that a person was not
10:28:38 23 a U.S. citizen 20 years ago, would that, is that
10:28:41 24 information showing that today the person is not a U.S.
10:28:47 25 citizen?

10:28:48 1 DEFENSE COUNSEL: Same objection.

10:28:49 2 THE WITNESS: I don't believe that would be
10:28:53 3 information that today the person is not a citizen. It
10:28:58 4 only reflects what was done back then.

10:29:02 5 BY MS. RILEY-SWANBECK:

10:29:05 6 Q. I'd like to discuss voting by mail with you for
10:29:14 7 a little bit.

10:29:16 8 In Arizona, absentee ballots are called early
10:29:20 9 ballots, correct?

10:29:20 10 A. That's correct.

10:29:21 11 Q. And Arizona currently allows all registered
10:29:25 12 voters to vote by early ballot, correct?

10:29:29 13 A. Not all early voters. If --

10:29:36 14 Q. Go ahead.

10:29:36 15 A. If a voter has not provided proof of identity or
10:29:42 16 citizenship, and we cannot verify that information, they
10:29:48 17 would, if I remember correctly, they would then have to
10:29:54 18 present some form of identification to be able to be on
10:30:02 19 the early vote list.

10:30:03 20 Q. And is that under 2492?

10:30:07 21 A. I actually believe that is part of the 2019
10:30:12 22 procedures manual.

10:30:12 23 Q. Okay. Is it fair to say that early ballot
10:30:19 24 voting is common in Greenlee County?

10:30:23 25 A. Yes.

10:30:24 1 Q. Do you know what percentage of Greenlee County
10:30:26 2 voters voted by early ballot in the 2022 general election?
10:30:30 3 A. I can't recall a percentage.
10:30:32 4 Q. Do you know if it was a majority?
10:30:34 5 A. I, I cannot recall.
10:30:38 6 Q. Based on your experience as an election
10:30:43 7 official, are there benefits to voters being able to use
10:30:47 8 an early ballot?
10:30:48 9 A. I believe that it can be a benefit for people
10:30:55 10 that are not able to go to the polling locations.
10:31:00 11 Q. And the early ballots that Greenlee County sends
10:31:05 12 out have prepaid return postage, right?
10:31:08 13 A. Right.
10:31:08 14 Q. So a voter can just complete the ballot and drop
10:31:12 15 it in the mail, right?
10:31:13 16 A. Right.
10:31:13 17 Q. And that voter would not need to arrange
10:31:19 18 transportation to a polling location, right?
10:31:22 19 A. Right.
10:31:22 20 Q. A voter who uses an early ballot to vote does
10:31:25 21 not have to plan on going to the polling place around
10:31:29 22 work.
10:31:30 23 A. Right.
10:31:30 24 Q. And an early ballot voter does not need to stand
10:31:37 25 in line to vote.

10:31:37 1
10:31:38 2
10:31:45 3
10:31:49 4
10:31:51 5
10:31:51 6
10:31:56 7
10:32:02 8
10:32:07 9
10:32:07 10
10:32:08 11
10:32:12 12
10:32:16 13
10:32:19 14
10:32:23 15
10:32:24 16
10:32:28 17
10:32:34 18
10:32:35 19
10:32:38 20
10:32:41 21
10:32:44 22
10:32:45 23
10:32:54 24
10:32:57 25

A. Right.

Q. Sometimes voters who live in Greenlee County are outside of Arizona or outside of the county on election day, right?

A. Right.

Q. But you understand that under H.B. 2492, voters who do not supply documentary proof of citizenship will not be permitted to vote by mail with an early ballot, right?

A. Right.

Q. You agree that these voters impacted by 2492 would lose the benefits that we just discussed about voting an early ballot by mail?

A. Meaning, voters who do not provide citizenship?

Q. Yes.

A. They would lose the ability to vote early by mail, yes.

MS. RILEY-SWANBECK: Thank you, Ms. Milheiro. I have no further questions, but I think it might be a good time for us to take a quick break, and I believe some of the other plaintiffs will have a few questions for you.

THE WITNESS: Okay.

10:42:07 4 EXAMINATION

10:42:07 5 BY MR. DIAZ:

10:42:12 6 Q. Okay. Good morning, Ms. Milheiro. My name is
10:42:15 7 Jonathan Diaz. I represent one of the other plaintiff
10:42:18 8 groups in this case. I have a few questions for you about
10:42:21 9 the documentary proof of residence requirement in the laws
10:42:27 10 that we are talking about today.

10:42:28 11 So, in order to register to vote, an applicant
10:42:31 12 is required to provide their residential address or, if
10:42:35 13 they don't have a residential address, a description or
10:42:38 14 drawing of the location of their residence. Is that
10:42:38 15 right?

10:42:41 16 A. Right.

10:42:42 17 Q. And can a PO box be used to meet that
10:42:46 18 requirement?

10:42:46 19 A. No.

10:42:46 20 Q. And how does your office use resident address or
10:42:53 21 the location information for voter registration?

10:42:55 22 A. We use that information to put them in the right
10:43:05 23 voting precinct.

10:43:09 24 Q. Okay. So let's talk about that in a little more
10:43:12 25 detail.

10:43:12 1 If someone provides you with a residential
10:43:15 2 street address, how do you use that information to locate
10:43:18 3 where the residence is?

10:43:19 4 A. Well, we would, we would use that information
10:43:26 5 off of -- and compare it to the location for the, where
10:43:34 6 the district or precinct lies.

10:43:37 7 Q. Can you look up the address in a database?

10:43:40 8 A. In our AVID program it does have an address
10:43:47 9 database.

10:43:47 10 Q. Is it ever the case that you put in a
10:43:50 11 residential address and you aren't able to locate it in
10:43:53 12 the AVID database?

10:43:54 13 A. That I'm aware of, no.

10:43:56 14 Q. Okay. Would your office register a voter whose
10:44:05 15 address couldn't be located in that database?

10:44:07 16 A. Umm --

10:44:11 17 Q. Assuming they provided a street address?

10:44:13 18 A. If they provided a street address, we would
10:44:17 19 attempt to put them in the correct precinct based on that
10:44:21 20 address.

10:44:22 21 Q. I mean, if you just couldn't locate it. If
10:44:25 22 they, you know, gave you an address that didn't exist.

10:44:28 23 A. If they gave us an address we would request more
10:44:28 24 information.

10:44:32 25 Q. And how would you make that request?

10:44:35 1 A. We would either call the voter or send them a
10:44:41 2 notice, or by email, whatever means we have available to
10:44:46 3 contact the voter.

10:44:46 4 Q. And when you say send a notice, do you mean by
10:44:51 5 physical mail?

10:44:51 6 A. Right.

10:44:51 7 Q. Okay. And when a voter or registration
10:44:58 8 applicant provides a resident location, description, or
10:45:00 9 drawing, how do you use that to locate the voter?

10:45:03 10 A. We have not had that scenario within Greenlee
10:45:15 11 County.

10:45:15 12 Q. Okay. Are you aware of any voter registration
10:45:19 13 applicants in Greenlee County who lack a residential
10:45:24 14 street address?

10:45:24 15 A. I am not aware of a voter that does not have a
10:45:28 16 residential address.

10:45:31 17 Q. Does the county assign addresses to homes or
10:45:39 18 buildings in the county, to your knowledge?

10:45:41 19 A. We don't assign the address.

10:45:44 20 Q. That's not something your office does?

10:45:46 21 A. Right. We don't.

10:45:47 22 Q. Do you know if there is another county
10:45:49 23 government office that would do something like that?

10:45:51 24 A. I would imagine maybe our planning and zoning.

10:45:56 25 Q. Okay. That's, it's all right if you don't know.

10:46:00 1 That's not in your job description.

10:46:03 2 Are there any Native American reservations in
10:46:09 3 Greenlee County?

10:46:09 4 A. There are not.

10:46:10 5 Q. But there are still, presumably, Native American
10:46:15 6 voters in Greenlee County. Is that right?

10:46:16 7 A. I would presume so, yes.

10:46:18 8 Q. Okay. Does your office do anything in
10:46:21 9 particular to increase registration among Native voters?

10:46:25 10 A. We don't do anything different than what we
10:46:29 11 would do for anybody else.

10:46:31 12 Q. Does your office do anything in general to
10:46:35 13 increase voter registration in the county.

10:46:37 14 A. Occasionally we go to different locations within
10:46:40 15 the county to attempt to register voters.

10:46:50 16 Q. Okay. I'm going to ask you to look at the
10:46:55 17 document we've numbered as No. 12 in the exhibits that you
10:46:58 18 were sent.

10:47:04 19 A. I, I don't actually have No. 12.

10:47:10 20 Q. That one was sent later than the others, so it
10:47:14 21 may not have made it into your printed packet.

10:47:20 22 That's okay. I actually don't think we need it.

10:47:24 23 So you're aware of the documentary proof of
10:47:29 24 residence requirement in H.B. 2492. Is that right?

10:47:32 25 A. Right.

10:47:33 1 Q. And does the documentary proof of residence
10:47:36 2 requirement apply to voters who register using the federal
10:47:39 3 form?

10:47:44 4 DEFENSE COUNSEL: Calls for legal conclusion.

10:47:46 5 THE WITNESS: Using the federal form, I don't
10:47:49 6 believe so.

10:47:49 7 BY MR. DIAZ:

10:47:49 8 Q. So if a voter applied to register using the
10:47:53 9 federal form, and did not provide documentary proof of
10:47:57 10 residence, how would you handle that application?

10:47:59 11 A. We would register the voter.

10:48:02 12 Q. Would you register them as a full-ballot voter
10:48:06 13 or a federal-only voter?

10:48:09 14 A. A full-ballot voter.

10:48:11 15 Q. Okay. And if someone registered to vote using
10:48:17 16 the state form and didn't provide documentary proof of
10:48:21 17 residence, how would you process that application?

10:48:24 18 A. If they don't provide documentary proof of
10:48:28 19 residency we have been following the 2019 procedures
10:48:33 20 manual; however, we, we, we have had an instance where a
10:48:45 21 voter had the proof of residency and then -- so we accept
10:48:55 22 anything where they voluntarily provide it.

10:48:59 23 Q. Has your office encountered an instance where
10:49:02 24 someone applied using the state form without providing
10:49:06 25 documentary proof of residence?

10:49:08 1 A. Not that I'm aware of.

10:49:09 2 Q. Okay. I'm going to ask you now to look at

10:49:15 3 document No. 11, which has been previously marked as

10:49:23 4 Exhibit 24 in a different deposition.

10:49:29 5 A. Okay.

10:49:30 6 Q. And on the second page you should see a chart.

10:49:33 7 A. Yes.

10:49:33 8 Q. Okay. Have you seen this chart before?

10:49:36 9 A. Yes.

10:49:36 10 Q. And what is that?

10:49:38 11 A. This is what constitutes the documentary proof

10:49:44 12 of residency.

10:49:46 13 Q. And do you know where this chart came from?

10:49:50 14 A. I believe that was a draft from the previous

10:49:53 15 Secretary of State's administration.

10:49:56 16 Q. And when you say a draft, what do you mean by

10:50:00 17 that?

10:50:00 18 A. This was draft guidance that they had provided

10:50:06 19 at one point, I believe it was towards the end of last

10:50:12 20 year.

10:50:12 21 Q. And so if it was draft guidance, does that mean

10:50:16 22 it was not officially adopted?

10:50:18 23 A. Right.

10:50:19 24 Q. Okay. Going down to the last row of that chart,

10:50:25 25 the box beginning with written confirmation. I'll give

10:50:31 1 you a second to look at that.

10:50:36 2 A. Okay.

10:50:39 3 Q. Is there a form or other declaration that, you
10:50:48 4 know, a template that your office has created for voters
10:50:53 5 seeking to use this option to establish their residence?

10:50:56 6 A. Our office at this time has not come up with a
10:50:56 7 template.

10:51:00 8 Q. Do you know if the Secretary has developed a
10:51:03 9 form or template for voters using this option?

10:51:07 10 A. I don't recall.

10:51:10 11 Q. Have you encountered any instances in your
10:51:16 12 county of a voter attempting to register to vote using an
10:51:23 13 address at a homeless shelter, courthouse, or other
10:51:26 14 location authorized by 16-166(B)?

10:51:30 15 A. No.

10:51:30 16 Q. Are there any documents, that you can think of,
10:51:36 17 not on this list that you would accept as documentary
10:51:39 18 proof of residence for voter registration?

10:51:41 19 A. Off the top of my head, no.

10:51:49 20 Q. Would your office accept an affidavit, a sworn
10:51:55 21 affidavit attesting to a voter's residence as proof of
10:51:59 22 their residence in the county?

10:52:00 23 A. Under the, under the new law, I don't think that
10:52:05 24 would be acceptable.

10:52:09 25 Q. Are you familiar with the Gonzalez stipulation

10:52:17 1 related to voter ID?

10:52:20 2 A. I'm, I'm not familiar with that.

10:52:21 3 Q. Okay. Is a tribal ID an acceptable form of
10:52:28 4 voter ID for living in Arizona.

10:52:31 5 A. Yes.

10:52:32 6 DEFENSE COUNSEL: Calls for legal conclusion.

10:52:33 7 BY MR. DIAZ:

10:52:33 8 Q. Is that the case even if it does not list a
10:52:36 9 residential address on it?

10:52:38 10 DEFENSE COUNSEL: Same objection.

10:52:41 11 THE WITNESS: It that a valid form of ID?

10:52:44 12 BY MR. DIAZ:

10:52:44 13 Q. For voting in Arizona?

10:52:45 14 A. Yes.

10:52:45 15 Q. If your office required a voter to provide
10:52:57 16 documentary proof of residence or citizenship, how could a
10:53:01 17 voter submit those documents to your office, in what form?

10:53:05 18 A. They could bring them into our office or mail
10:53:09 19 those documents to us.

10:53:10 20 Q. Would they be able to send a document by fax, a
10:53:16 21 copy of a document?

10:53:17 22 A. We have a fax machine, so we could accept it
10:53:20 23 that way.

10:53:21 24 Q. Would your office accept a scanned copy by
10:53:26 25 email?

10:53:26 1 A. Yes.

10:53:33 2 MR. DIAZ: I think that those are all of my
10:53:36 3 questions. Thank you very much.

10:53:36 4 THE WITNESS: Thank you.

10:53:37 5 MR. DIAZ: I think one of my colleagues will
10:53:39 6 take it from here.

10:53:49 7 (Brief pause due to audio issue.)

10:53:49 8 MR. HIRSCHTEL: Okay. I'll start that over.

10:53:49 9

10:53:49 10 EXAMINATION

10:53:49 11 BY MR. HIRSCHTEL:

10:54:08 12 Q. Good morning, Ms. Milheiro. My name is Andrew
10:54:08 13 Hirschtel. I'm from the law firm Arnold & Porter and I
10:54:08 14 represent Poder Latinx.

10:54:14 15 My questions are going to follow up on some of
10:54:19 16 the earlier questions that you were asked, and just go
10:54:21 17 into a little bit more detail, but I'll try not to take up
10:54:26 18 too much of your time with them.

10:54:28 19 The first question is about the EPM. You
10:54:31 20 mentioned earlier that your office views the EPM as
10:54:34 21 legally binding. Do you recall that?

10:54:36 22 A. Right.

10:54:38 23 Q. I just want to clarify that that applies to all
10:54:41 24 parts of the EPM, including Chapter 1 on voter
10:54:46 25 registration?

10:54:46 1 DEFENSE COUNSEL: Calls for legal conclusion.

10:54:50 2 THE WITNESS: Right.

10:54:50 3 BY MR. HIRSCHTEL:

10:54:54 4 Q. Okay. And now I want to talk about this word,
10:54:57 5 information, that appears in both 2492 and 2243.

10:55:03 6 Are you familiar with their references to
10:55:06 7 information that someone is not a United States citizen?

10:55:09 8 A. I'm familiar with that term in those bills.

10:55:12 9 Q. So I want to ask you about a few specific
10:55:19 10 examples and whether your office would view them as
10:55:22 11 information that someone is not a United States citizen,
10:55:26 12 as you understand it.

10:55:29 13 Could, if a voter called your office and told
10:55:32 14 you that they themselves were not a United States citizen,
10:55:36 15 would that be information that they're not a citizen?

10:55:40 16 DEFENSE COUNSEL: Calls for legal conclusion.

10:55:42 17 Can we get the stipulation that we'll just
10:55:45 18 object to this entire line of questioning?

10:55:48 19 MR. HIRSCHTEL: Yeah. I'm okay with that.

10:55:53 20 THE WITNESS: Do I still answer, or --

10:55:53 21 BY MR. HIRSCHTEL:

10:55:57 22 Q. Yeah. Please.

10:55:58 23 A. Okay. And, I'm sorry, can you just, one more
10:56:00 24 time --

10:56:02 25 Q. Yeah. If a voter called your office and said,

10:56:05 1 I'm not a United States citizen, or I'm not sure whether
10:56:08 2 I'm a United States citizen, would that be information
10:56:10 3 that that person is not a United States citizen?

10:56:13 4 A. I would, I would say that would be information.

10:56:20 5 Q. And how about if they emailed you that same
10:56:24 6 information?

10:56:24 7 A. I mean, yeah, that would be information that we
10:56:31 8 would use.

10:56:31 9 Q. And what if they sent you a letter?

10:56:34 10 A. Yes.

10:56:34 11 Q. And what if you got a phone call from a family
10:56:39 12 member of a voter saying, my brother or my dad is not a
10:56:42 13 United States citizen, would that be information that that
10:56:45 14 person is not a citizen?

10:56:46 15 A. To my understanding of that, yes.

10:56:50 16 Q. How about a letter from a neighbor?

10:56:52 17 A. It's my understanding that that would be an
10:56:57 18 information, yes.

10:57:00 19 Q. What if you got a phone call from Arizona law
10:57:04 20 enforcement saying, we, we don't think this particular
10:57:06 21 person is a United States citizen, would that be
10:57:09 22 information that a person is not a United States citizen?

10:57:11 23 A. It's my understanding, yes, that is considered
10:57:16 24 information.

10:57:16 25 Q. What about an email or a letter from law

10:57:20 1 enforcement in Arizona?

10:57:20 2 A. Again, it's my understanding that would be
10:57:26 3 considered information.

10:57:27 4 Q. And what about an email or a letter from law
10:57:29 5 enforcement in another state about a voter?

10:57:34 6 A. I, I -- to my understanding, that would still be
10:57:38 7 considered information.

10:57:39 8 Q. Just a couple more.

10:57:41 9 What if you received an anonymous phone call
10:57:45 10 that a particular person is not a United States citizen,
10:57:49 11 would that constitute information that the person isn't?

10:57:54 12 A. I mean, I would -- the way I understand it, that
10:57:56 13 is information. Whether it's valid or not, I don't know.

10:57:59 14 Q. Same thing for an anonymous email?

10:58:04 15 A. My answer would be the same.

10:58:06 16 Q. And last one.

10:58:07 17 What about a list of names provided by a third
10:58:10 18 party organization like True the Vote?

10:58:13 19 A. Yeah. My -- I would consider that a form of
10:58:20 20 information.

10:58:20 21 Q. Are you familiar with the fact that --

10:58:26 22 I think we can end the stipulation as to the
10:58:30 23 continuing objection.

10:58:34 24 MR. LANGHOFER: Sounds good.

10:58:34 25 BY MR. HIRSCHER:

10:58:37 1 Q. Are you familiar, Ms. Milheiro, with the fact
10:58:39 2 that some voters are exempt from the DPOC requirement, the
10:58:42 3 DPOC requirement, because they registered before it went
10:58:45 4 into effect?

10:58:45 5 A. I remember hearing that, yes.

10:58:48 6 Q. And if you identify a registered voter who is
10:58:54 7 exempt from that requirement and has never shown DPOC
10:58:58 8 because they registered before that requirement went into
10:59:02 9 effect, would any of that constitute information that that
10:59:06 10 person is not a U.S. citizen?

10:59:11 11 DEFENSE COUNSEL: Same objection.

10:59:12 12 THE WITNESS: I don't believe so.

10:59:12 13 BY MR. HIRSCHER:

10:59:18 14 Q. Okay. The statutes -- still talking about
10:59:22 15 information -- describe obtaining information, for
10:59:29 16 example -- well, let me just ask. Strike that.

10:59:46 17 If you, if you look at 2243 -- is that something
10:59:52 18 that you have in front of you, as previously labeled
10:59:55 19 Exhibit 21?

10:59:59 20 A. I do not have Exhibit 21. Was there, could it
11:00:06 21 be labeled something else?

11:00:08 22 Q. I think it was referenced earlier, but we can
11:00:13 23 avoid putting any more documents on the screen. I
11:00:19 24 think --

11:00:19 25 When the statutes refer to obtaining

11:00:23 1 information, excuse me, are there, how would your office
11:00:28 2 obtain information that a person is not a United States
11:00:32 3 citizen?

11:00:33 4 DEFENSE COUNSEL: Same objection.

11:00:35 5 THE WITNESS: I'm not sure I understand the
11:00:39 6 question. Are you talking about how we would physically
11:00:41 7 obtain that information?

11:00:41 8 BY MR. HIRSCHER:

11:00:45 9 Q. Yeah. Well, yes.

11:00:50 10 A. I mean, if we were to physically obtain that
11:00:52 11 information, that would be through mail. Fax would be a
11:01:01 12 phys -- we would have a physical paper to receive with
11:01:05 13 that information.

11:01:06 14 Q. And the statutes also discuss confirming
11:01:13 15 information that a person is not a United States citizen,
11:01:17 16 if you, once you obtain some information you would go
11:01:22 17 about confirming it.

11:01:23 18 Do you know how you would go about confirming
11:01:26 19 that someone is not a United States citizen?

11:01:29 20 A. I don't know how we would confirm that they were
11:01:34 21 not a citizen.

11:01:37 22 Q. Would it be through the database matching
11:01:43 23 requirements that you discussed earlier today?

11:01:46 24 A. Through that database, we could confirm whether
11:01:50 25 they were a citizen.

11:01:52 1 Q. Okay. But if I understand correctly, you're
11:01:55 2 saying you could not confirm that they are not a citizen
11:01:58 3 that way?

11:01:59 4 A. Through the database, if it doesn't come back
11:02:04 5 with any information then, yes, I would say that that
11:02:07 6 would confirm that they're not a citizen.

11:02:10 7 Q. Is there any other way that you might confirm
11:02:13 8 that a person is not a citizen?

11:02:15 9 A. That would be my only, my only way to, to verify
11:02:23 10 whether they were a citizen is to go through that
11:02:26 11 database.

11:02:27 12 Q. In your view, are the requirements in these
11:02:31 13 statutes about confirming information that a person is not
11:02:35 14 a United States citizen, are those requirements clear?

11:02:40 15 DEFENSE COUNSEL: Calls for legal conclusion.

11:02:42 16 THE WITNESS: The requirements for us to
11:02:45 17 confirm?

11:02:45 18 BY MR. HIRSCHER:

11:02:46 19 Q. Yes.

11:02:46 20 A. From what I read, it seems clear what they're
11:02:57 21 requiring.

11:02:58 22 Q. Okay. And last question about information.
11:03:04 23 You spoke earlier a little bit about 20 year old
11:03:12 24 driver's licenses coming up in the MVD database. I want
11:03:15 25 to ask if there's a point at which information might be so

11:03:20 1 old that you no longer consider it information that a
11:03:25 2 person is not a United States citizen?

11:03:29 3 A. I would have no reason to go back through those
11:03:34 4 records.

11:03:34 5 Q. Could you explain what you mean?

11:03:36 6 A. If -- there would be no reason for me to look up
11:03:41 7 to see if a voter registered 20 plus years ago, unless
11:03:48 8 they were trying to register to vote again.

11:03:51 9 Q. So if -- we mentioned some different ways that
11:03:57 10 you might receive information earlier. We talked about
11:04:01 11 letters and emails and phone calls. If, for example,
11:04:05 12 someone called and said, well, I don't know about today,
11:04:09 13 but I know that ten years ago this person was not a
11:04:13 14 citizen, would you reject that information as too old, or
11:04:18 15 would that still be information that they are not a
11:04:21 16 citizen today?

11:04:22 17 DEFENSE COUNSEL: Speculation. Calls for legal
11:04:25 18 conclusion.

11:04:25 19 THE WITNESS: I would not reject that
11:04:27 20 information. I think we would have to, to research the
11:04:33 21 information that we were given.

11:04:33 22 BY MR. HIRSCHER:

11:04:35 23 Q. So is that to say that no matter how old the
11:04:38 24 information might be, you would, you would still feel that
11:04:43 25 you have to research it?

11:04:44 1 A. If, if that information is newly discovered,
11:04:53 2 that we have been made aware of it, then we would check to
11:04:58 3 see if we have already done that verification for that
11:05:04 4 voter.

11:05:04 5 Q. And if you hadn't?

11:05:06 6 A. If we hadn't, we would, we would do
11:05:12 7 verification. We would send notice to the voter.

11:05:14 8 Q. Okay. Moving on from information.

11:05:19 9 You also spoke earlier about the language in the
11:05:23 10 statutes referring to any other database.

11:05:27 11 If, if a agency from another state, like a
11:05:34 12 California county sheriff, for example, had a list of
11:05:39 13 voter names, would you consider that to fall within any
11:05:44 14 other database relating to voter registration?

11:05:48 15 DEFENSE COUNSEL: Calls for legal conclusion.

11:05:50 16 THE WITNESS: I guess I'm not understanding the
11:05:54 17 question as far as the database is concerned.

11:05:54 18 BY MR. HIRSCHER:

11:05:58 19 Q. So you were discussing earlier what that
11:06:01 20 language in the statute might mean as far as consulting
11:06:04 21 other databases related to voter registration. And I
11:06:08 22 believe you testified about other state agencies.

11:06:12 23 Do you remember that?

11:06:14 24 A. Oh, the only thing I recall is the SAVE
11:06:16 25 program --

11:06:16 1 Q. I think --

11:06:16 2 (The Reporter indicated an inability to hear
11:06:16 3 what was said.)

11:06:25 4 THE WITNESS: The SAVE program, and our AVID
11:06:31 5 program that runs through the Social Security
11:06:35 6 Administration, and the ADOT or Motor Vehicle Department.

11:06:35 7 BY MR. HIRSCHTEL:

11:06:39 8 Q. I believe you also talked about the possibility
11:06:42 9 of other databases like the Arizona Health Department.

11:06:47 10 Do you recall talking about that?

11:06:48 11 A. Yes, I do. And that would be if we have access
11:06:51 12 to that.

11:06:52 13 Q. So I'm, I'm following that line of questioning
11:06:55 14 here.

11:06:56 15 Besides Arizona Department of Health, could a
11:07:00 16 California government agency constitute another database
11:07:06 17 that you might have to consult?

11:07:10 18 DEFENSE COUNSEL: Same objection.

11:07:11 19 THE WITNESS: If we're talking about trying to
11:07:16 20 prove citizenship?

11:07:16 21 BY MR. HIRSCHTEL:

11:07:16 22 Q. Yeah.

11:07:22 23 A. I don't know that I would have access to that,
11:07:28 24 so I don't really want to speculate on that one.

11:07:31 25 Q. What about, would you consider any source of

11:07:35 1 information outside of government agencies to possibly be
11:07:42 2 a database relating to voter registration? Can you think
11:07:47 3 of anything?

11:07:47 4 A. If it's, if it's to provide proof of
11:07:51 5 citizenship, I can't think of anything else that would
11:07:54 6 provide proof.

11:07:54 7 Q. Okay. The statutes also use language where they
11:08:02 8 talk about giving you a reason to believe that a person is
11:08:07 9 not a U.S. citizen.

11:08:08 10 Are you familiar with that language?

11:08:09 11 A. I have heard that, yes.

11:08:11 12 Q. So I want to ask you the same examples as before
11:08:19 13 and whether they could give you a reason to believe that a
11:08:22 14 person is not a U.S. citizen. So we are just going to go
11:08:28 15 through those.

11:08:31 16 MR. LANGHOFER: Counsel, why don't we just
11:08:33 17 stipulate to the same objection, that way so we don't
11:08:38 18 interrupt you.

11:08:38 19 MR. HIRSCHER: That would be great.

11:08:38 20 BY MR. HIRSCHER:

11:08:40 21 Q. So if you received a phone call from a voter in
11:08:40 22 which the voter said, I am not sure I'm a United States
11:08:44 23 Citizen or I'm not a United States citizen, would that
11:08:47 24 give you reason to believe that voter is not a U.S.
11:08:50 25 citizen?

11:08:50 1 A. Coming from the voter themselves, I would say
11:08:53 2 yes.

11:08:53 3 Q. How about an email from the voter themselves?

11:08:55 4 A. Yes.

11:08:56 5 Q. Or a signed letter from the voter?

11:08:59 6 A. Yes.

11:08:59 7 Q. How about a phone call from a member of the
11:09:03 8 voter's family?

11:09:04 9 A. I don't know that gives me a reason to believe,
11:09:14 10 but it would be something that we should research, I
11:09:20 11 suppose.

11:09:20 12 Q. How about a letter from a neighbor?

11:09:23 13 A. I would have the same response. I don't know
11:09:26 14 that that gives me a reason to believe that it's true.

11:09:33 15 Q. How about a phone call from Arizona law
11:09:36 16 enforcement?

11:09:36 17 A. Again, same. I don't feel that that, that that
11:09:44 18 would give me a reason to believe that it is true.

11:09:48 19 Q. How about an email or letter from Arizona law
11:09:51 20 enforcement?

11:09:51 21 A. Same response.

11:09:52 22 Q. How about an email or letter from law
11:09:56 23 enforcement in another state?

11:09:58 24 A. Same response.

11:10:00 25 Q. How about an anonymous phone call?

11:10:04 1 A. It's the same. I don't...

11:10:07 2 Q. Or an anonymous email address?

11:10:10 3 A. Same response.

11:10:11 4 Q. And how about a list provided by a third party
11:10:17 5 organization like True the Vote? Could that give you a
11:10:21 6 reason to believe that people on that list are not United
11:10:24 7 States citizens?

11:10:24 8 A. I, I don't know that that's reason to believe
11:10:28 9 that it's true.

11:10:31 10 Q. How about if a voter registered but put their
11:10:39 11 first name in the last name box and put their last name in
11:10:43 12 the first name box on their registration application form?
11:10:47 13 Would that create a reason to believe that they're not a
11:10:51 14 United States citizen?

11:10:52 15 A. No.

11:10:53 16 Q. What if they recorded as their place of birth a
11:10:57 17 foreign country? Is that reason to believe they are not a
11:11:01 18 United States citizen?

11:11:02 19 A. No. Because they could have proven their
11:11:13 20 citizenship since then.

11:11:13 21 Q. And what if you identify a registered voter who
11:11:16 22 has satisfied the DPOC requirement but has an F-type
11:11:20 23 driver's license still? Might that be a reason to believe
11:11:24 24 they are not a United States citizen?

11:11:27 25 A. If they provided proof of citizenship but they

11:11:31 1 still have an F-type license?

11:11:34 2 Q. Right.

11:11:35 3 A. If they provided proof, then I would say they
11:11:39 4 are a citizen.

11:11:39 5 Q. And how about those voters who are exempt from
11:11:43 6 the DPOC requirement because of when they registered?
11:11:47 7 Would their failure to provide DPOC give you a reason to
11:11:51 8 believe they are not citizens?

11:11:53 9 A. Because that wasn't a law at the time, I, I
11:12:01 10 would not have reason to believe that they are not a
11:12:04 11 citizen.

11:12:04 12 Q. Okay. And then that's it for my questions about
11:12:11 13 reason to believe. Thank you.

11:12:13 14 I want to ask you about the provisions in the
11:12:19 15 statute that, that obligate your office to do things to
11:12:24 16 the extent that they are, quote, practicable.

11:12:30 17 Are you familiar with the statutes requiring
11:12:35 18 your office to do things to the extent they're
11:12:36 19 practicable?

11:12:37 20 A. Yes.

11:12:37 21 Q. Who in your office would determine whether
11:12:40 22 something is practicable?

11:12:42 23 A. That would be myself or my chief deputy.

11:12:46 24 Q. Do you feel that it's clear what the statutes
11:12:50 25 mean by, to the extent practicable?

11:12:53 1 DEFENSE COUNSEL: Calls for legal conclusion.

11:12:55 2 THE WITNESS: I don't necessarily -- to the

11:13:02 3 extent practicable that we could do it, that is fairly

11:13:08 4 clear.

11:13:08 5 BY MR. HIRSCHTEL:

11:13:16 6 Q. Okay. In one part in H.B. 2492, it says that:

11:13:28 7 Secretary of State and each County Recorder

11:13:31 8 shall make available to the Attorney General a list of all

11:13:34 9 individuals who are registered to vote and who have not

11:13:38 10 provided satisfactory evidence of citizenship pursuant to

11:13:42 11 Section 16-166, and shall provide on or before

11:13:46 12 October 31st, 2022 applications of individuals who are

11:13:51 13 registered to vote and who have not provided satisfactory

11:13:54 14 evidence of citizenship.

11:13:56 15 Since October 31st, 2022 has already past, is it

11:14:03 16 your understanding that your office is no longer required

11:14:05 17 to submit to the Attorney General a list of registered

11:14:09 18 voters who have not shown satisfactory DPOC?

11:14:13 19 DEFENSE COUNSEL: Same objection.

11:14:16 20 THE WITNESS: I didn't -- when I read that, I

11:14:27 21 did not believe that it amounts to just the one occasion

11:14:31 22 to submit that information.

11:14:31 23 BY MR. HIRSCHTEL:

11:14:35 24 Q. So what did you understand it to mean, then?

11:14:38 25 A. I understood it that from that date we should be

11:14:42 1 sending the Attorney General information regarding our
11:14:49 2 federal voters.

11:14:50 3 Q. But am I correct in understanding that you have
11:14:53 4 not been doing that up to this point?

11:14:58 5 A. Up to this point we did not.

11:15:00 6 Q. Gosh. Sorry.

11:15:09 7 If a registered voter is removed from the rolls,
11:15:14 8 based on a determination that they're not a U.S. citizen,
11:15:19 9 but then you subsequently discover that that was in error
11:15:24 10 and they are, in fact, a U.S. citizen, but you discover
11:15:28 11 that after the registration deadline, can that voter be
11:15:33 12 added back to the rolls?

11:15:35 13 DEFENSE COUNSEL: Same objection.

11:15:36 14 THE WITNESS: I believe so, because we would
11:15:40 15 revert that back to the date of registration.

11:15:40 16 BY MR. HIRSCHER:

11:15:45 17 Q. What would be the process for adding the voter
11:15:47 18 back to the rolls in that situation?

11:15:49 19 A. We would find their voter registration and make
11:15:54 20 them an active voter.

11:15:56 21 Q. Is, is that process laid out in the EPM?

11:16:06 22 A. I, I'm not sure. I don't recall reading that
11:16:14 23 process.

11:16:15 24 Q. Would it be possible for how you deal with this
11:16:22 25 sort of situation to vary from county to county?

11:16:26 1 A. I'm sorry. Say that again.

11:16:27 2 Q. Thinking about this situation where someone,
11:16:31 3 where you learned that someone is a citizen and that they
11:16:34 4 were removed from the rolls and now the deadline has
11:16:38 5 passed, but they are a citizen. Could the process for
11:16:40 6 dealing with that situation vary from county to county?

11:16:45 7 DEFENSE COUNSEL: Speculation.

11:16:48 8 THE WITNESS: I don't know how the other
11:16:50 9 counties handle that situation.

11:16:50 10 BY MR. HIRSCHER:

11:16:57 11 Q. But would you say that the way your county would
11:17:00 12 handle that situation is not something that you're doing
11:17:04 13 because it's been explicitly told to you by the Secretary
11:17:10 14 of State somewhere?

11:17:10 15 A. Right. I don't recall that being specifically
11:17:16 16 stated anywhere. But if they were already a registered
11:17:22 17 voter, and it was an error, we would correct the error.

11:17:33 18 MR. HIRSCHER: That's all my questions,
11:17:35 19 Ms. Milheiro. Thank you so much for your time.

11:17:38 20 THE WITNESS: Thank you.

11:17:38 21

11:17:38 22 EXAMINATION

11:17:38 23 BY MR. ATKINS:

11:17:42 24 Q. Hello, Ms. Milheiro. My name is Alex Atkins. I
11:17:46 25 represent Plaintiffs Mi Familia Vota and Voto Latino. And

11:17:50 1 I have very small number of questions for you.

11:17:53 2 Are you good to continue without taking a break
11:17:56 3 at this time?

11:17:57 4 A. Yes.

11:18:00 5 Q. Great, so I'd like to talk a bit about your
11:18:03 6 office's current practices for applicants who register
11:18:07 7 using the state form.

11:18:10 8 First, am I correct that there's a box on the
11:18:13 9 state form for an applicant to provide birthplace
11:18:17 10 information?

11:18:17 11 A. Yes.

11:18:17 12 Q. But your office doesn't reject an applicant's
11:18:24 13 state voter registration form for failing to include their
11:18:29 14 birthplace, correct?

11:18:29 15 A. At this time that is correct.

11:18:31 16 Q. And your office doesn't use an applicant's
11:18:38 17 birthplace information to verify that applicant's
11:18:41 18 citizenship, right?

11:18:42 19 A. That is correct.

11:18:43 20 Q. And, to be clear, your office doesn't use
11:18:49 21 birthplace information to determine if they are qualified
11:18:54 22 to vote, correct?

11:18:55 23 A. That is correct.

11:18:56 24 Q. Does your office have any means of determining
11:19:03 25 the accuracy of birthplace information provided by an

11:19:08 1 applicant?

11:19:09 2 A. The only means I could see would be if the voter
11:19:14 3 provided a birth certificate that we would have access to
11:19:20 4 where they were, to the location of where they were born.

11:19:22 5 Q. So, so with the exception of a voter providing
11:19:28 6 documentation of their place of birth, does your office
11:19:32 7 have any other means of confirming the accuracy of
11:19:36 8 birthplace information?

11:19:36 9 A. Not that I'm aware of, no.

11:19:39 10 Q. Has your office received any guidance from the
11:19:44 11 Secretary of State about how to implement the birthplace
11:19:49 12 information requirements of the H.B. 2492?

11:19:55 13 A. If they have given guidance, I do not recall
11:19:58 14 what that guidance was.

11:20:03 15 Q. Shifting gears a little bit.

11:20:06 16 Are you familiar with the, what's referred to as
11:20:09 17 the citizenship checkbox that appears on both the state
11:20:14 18 and federal registrations forms?

11:20:15 19 A. Yes.

11:20:16 20 Q. And that citizenship checkbox is not a new
11:20:22 21 element of those forms. It's been on there for a while,
11:20:26 22 right?

11:20:26 23 A. Right.

11:20:26 24 Q. And am I correct that your office does not
11:20:33 25 reject voter application forms simply for failure to check

11:20:39 1 the citizenship checkbox?

11:20:40 2 A. At this time that is correct.

11:20:43 3 Q. So thinking about state form registrant's in
11:20:53 4 particular, if an applicant submits a state registration
11:20:57 5 form and provides DPOC but does not complete the
11:21:04 6 citizenship checkbox, your office would still register
11:21:09 7 that voter, correct?

11:21:10 8 A. That is correct. If they have proven
11:21:12 9 citizenship and did not mark that, we would still register
11:21:12 10 them.

11:21:17 11 Q. And they would be registered as a full-ballot
11:21:20 12 voter, right?

11:21:20 13 A. Right.

11:21:21 14 Q. And in the case of federal form applicants, am I
11:21:28 15 correct that federal form applicants adequately establish
11:21:34 16 their citizenship if they affirm their citizenship under
11:21:39 17 the penalty of perjury when they sign the federal form?

11:21:43 18 A. According to what I saw in the procedures
11:21:48 19 manual, that is correct.

11:21:49 20 Q. So if an applicant submits a federal
11:21:52 21 registration form and signs the citizenship affirmation,
11:21:55 22 your office would accept that application even if they
11:21:59 23 failed to complete the citizenship checkbox, right?

11:22:02 24 A. We would accept that application.

11:22:04 25 Q. Shifting gears away from registration

11:22:12 1 applications, would you agree that prior to the passage of
11:22:19 2 H.B. 2492 and 2243, that it was illegal for a person who
11:22:26 3 is not a U.S. citizen to register to vote in Arizona?

11:22:29 4 A. Yes.

11:22:30 5 Q. And would you also agree that Arizona, prior to
11:22:37 6 those two laws, had policies and procedures in place to
11:22:43 7 prevent non-citizens from registering or voting?

11:22:48 8 DEFENSE COUNSEL: Calls for legal conclusion.
11:22:49 9 You can answer.

11:22:52 10 THE WITNESS: Yes.

11:22:53 11 BY MR. ATKINS:

11:22:53 12 Q. And are you aware that in Arizona it's a felony
11:22:56 13 for a person to register when they know they're not
11:23:00 14 entitled to register?

11:23:03 15 A. Yes.

11:23:03 16 DEFENSE COUNSEL: Same objection.

11:23:04 17 THE WITNESS: Sorry. Yes.

11:23:06 18 BY MR. ATKINS:

11:23:08 19 Q. And, to confirm, it was a felony to register if
11:23:12 20 you're not eligible prior to H.B. 2492 and 2243, right?

11:23:22 21 DEFENSE COUNSEL: Same objection.

11:23:24 22 THE WITNESS: Right.

11:23:25 23 BY MR. ATKINS:

11:23:26 24 Q. Am I correct that your office is not aware of
11:23:29 25 any time when a non-U.S. citizen or non-county resident

11:23:36 1 registered to vote or voted in your county?

11:23:38 2 A. That is correct.

11:23:44 3 MR. ATKINS: Thanks so much. Those are all my
11:23:47 4 questions.

11:23:47 5 THE WITNESS: Thank you.

11:24:08 6 MR. LANGHOFER: Anyone else for the plaintiffs?

11:24:08 7 MR. ATKINS: I think that's it.

11:24:08 8

11:24:08 9 EXAMINATION

11:24:08 10 BY MS. BOUGHTON:

11:24:14 11 Q. Okay. Good afternoon, Ms. Milheiro. My name is
11:24:18 12 Kathryn Boughton, and I represent the State in this case
11:24:20 13 and I have a few questions for you.

11:24:22 14 Would you like to take a quick break or keep
11:24:26 15 going?

11:24:26 16 A. Let's keep going.

11:24:28 17 Q. Let's keep going. Okay. Great. Thank you.

11:24:30 18 And thanks for your time today.

11:24:31 19 I wanted to talk to you about an incident that
11:24:34 20 we discussed in which the MVD and Secretary of State
11:24:38 21 alerted you to two voters who had been marked as fed-only
11:24:44 22 in the system.

11:24:45 23 Do you recall talking about that with
11:24:47 24 plaintiff's counsel?

11:24:47 25 A. Yes.

11:24:48 1 Q. Okay. And so I know that we talked about that
11:24:52 2 that information incorrectly flagged them as fed-only
11:24:59 3 voters. But was it your testimony that, kind of despite
11:25:02 4 that instance you generally felt that the HAVA check was
11:25:05 5 reliable as to citizen information?

11:25:07 6 A. Right.

11:25:07 7 Q. So you feel confident that the voters in
11:25:16 8 Greenlee County are properly registered to vote and
11:25:19 9 eligible to vote?

11:25:20 10 A. Yes.

11:25:20 11 Q. Did your office reach out to those two voters?

11:25:26 12 A. We did.

11:25:27 13 Q. Were they able to vote, to your knowledge?

11:25:31 14 A. They, to my knowledge, they would have been able
11:25:38 15 to vote. I don't know if they did.

11:25:39 16 Q. And this instance in which those two voters were
11:25:46 17 flagged by the Secretary and MVD, is that the only
11:25:50 18 instance that you can recall in which the database
11:25:53 19 returned incomplete information?

11:25:55 20 A. Yes.

11:25:56 21 Q. Okay. Thank you.

11:26:02 22 We talked a little bit about what your office
11:26:05 23 might do if you received an application from an applicant
11:26:10 24 who had an F-type license and didn't provide proof of
11:26:14 25 citizenship. And I believe you said that you would mark

11:26:16 1 them as unregistered. Is that right?

11:26:18 2 A. Or they would not be registered. It would be
11:26:23 3 marked as not registered.

11:26:24 4 Q. Okay. If somebody submits a voter application
11:26:28 5 and you determine that they are not eligible, do you
11:26:31 6 inform the applicant that you're not registering them?

11:26:34 7 A. Yes.

11:26:34 8 Q. Is that via letter? Or how do you contact them?

11:26:39 9 A. We send a notice, a letter.

11:26:41 10 Q. Okay. And do you say the, why you think they're
11:26:46 11 not eligible to be registered?

11:26:47 12 A. We do.

11:26:48 13 Q. And not -- okay. So if you determine that we
11:26:53 14 don't think your a citizenship, you would send a letter to
11:26:56 15 the voter to say that, and then would you invite the voter
11:27:00 16 to contact your office if they felt the information is
11:27:02 17 incorrect?

11:27:03 18 A. Yes, we would.

11:27:07 19 Q. Thank you.

11:27:15 20 Counsel before me asked you a few questions
11:27:18 21 about the citizenship checkbox on the state form and the
11:27:21 22 federal form. And I understand your testimony to be that
11:27:24 23 if the bark -- pardon me -- if the box is not marked you
11:27:28 24 still process the form. Is that right?

11:27:30 25 A. If we have been able to provide, or prove

11:27:35 1 citizenship in another means, yes.

11:27:37 2 Q. Yes. Thank you for that clarification.

11:27:42 3 I wanted to ask you. If you receive a form and
11:27:45 4 the box is marked no, does that raise a red flag for you
11:27:49 5 at all while you're processing?

11:27:51 6 A. I would say that that would raise a red flag if
11:27:54 7 it's marked no.

11:27:55 8 Q. Okay. You were asked a series of questions
11:28:16 9 about what might constitute information about whether a
11:28:21 10 voter is or is not a citizen. Do you recall that?

11:28:23 11 A. Yes.

11:28:24 12 Q. Okay. And I guess I generally wanted to ask
11:28:29 13 you, we talked about the EPM and the guidance that it
11:28:33 14 provides your office.

11:28:33 15 Is it your understanding that all counties
11:28:36 16 follow the EPM?

11:28:38 17 A. Yes.

11:28:39 18 Q. So it provides consistency across the state in
11:28:46 19 voter registration procedures?

11:28:48 20 A. Yes.

11:28:48 21 Q. And so if the EPM were to address what is
11:28:51 22 appropriately considered information would your county
11:28:54 23 follow that guidance?

11:28:56 24 A. We would.

11:28:56 25 Q. We discussed that birthplace is a space on the

11:29:17 1 state form, right?

11:29:18 2 A. Right.

11:29:18 3 Q. Does your county ever use birthplace to identify
11:29:24 4 a voter over the phone?

11:29:26 5 A. We would, yes, use that to verify if somebody
11:29:31 6 was calling, or if we were calling a voter to, say, verify
11:29:38 7 a signature on an affidavit envelope, we would use that as
11:29:44 8 identifying information.

11:29:45 9 Q. And if birthplace is provided by the voter, you
11:29:48 10 input that into AVID when processing the registration, the
11:29:53 11 application for registration?

11:29:55 12 A. Yes.

11:29:56 13 Q. Thank you.

11:29:56 14 I believe you testified that you're not aware of
11:30:05 15 any non-U.S. citizen or nonresident registering or voting
11:30:10 16 in your county. Is that correct?

11:30:11 17 A. That is correct.

11:30:12 18 Q. Does your office generally receive reports about
11:30:18 19 voter fraud directly?

11:30:20 20 A. Reports of voter fraud? Like, so somebody
11:30:30 21 just -- of the public asking for that, or, or telling us?
11:30:35 22 Is that -- or report --

11:30:38 23 Q. Yeah. Oh, sorry. Go ahead.

11:30:40 24 A. Or say a report from, for example, the Secretary
11:30:46 25 of State's office?

11:30:48 1 Q. I guess if a constituent was concerned about
11:30:53 2 voter fraud or they might have evidence of voter fraud, do
11:30:57 3 they normally report those instances to you, or would they
11:30:59 4 report them, say, to a sheriff's department or your county
11:31:04 5 attorney's office?

11:31:05 6 A. I mean, I would assume that option would be up
11:31:07 7 to them how they would want to report it. We don't
11:31:10 8 typically see those.

11:31:12 9 MS. BOUGHTON: Okay. Thank you.

11:31:21 10 That's all the questions I have for you. I
11:31:23 11 believe another defense counsel may have a few quick
11:31:27 12 questions for you. Well, I shouldn't say quick. May have
11:31:29 13 some questions for you.

11:31:29 14 THE WITNESS: Thank you.

11:31:29 15

11:31:29 16 EXAMINATION

11:31:29 17 BY MR. LANGHOFER:

11:31:32 18 Q. My name is Kory Langhofer, and I will, in fact,
11:31:32 19 be quick.

11:31:36 20 I represent the Republican National Committee in
11:31:37 21 this case, and I think I have only got two questions that
11:31:40 22 haven't been covered so far.

11:31:42 23 We have heard reports from some counties that
11:31:44 24 they have these large voter registration drives by outside
11:31:47 25 groups, and that sometimes, in connection with those

11:31:50 1 drives, they received significant numbers of voter
11:31:54 2 registration forms that appear to be, not related to real
11:32:04 3 people. That the forms are trying to register someone who
11:32:07 4 either doesn't exist or is entirely duplicative of a form
11:32:13 5 that's already been submitted by a real person but the
11:32:15 6 most recent form they receive wasn't submitted by the same
11:32:19 7 person.

11:32:20 8 So, essentially, they have these voter
11:32:23 9 registration drives that result in a bunch of bad forms
11:32:26 10 being submitted.

11:32:27 11 Have you all seen anything like that in Greenlee
11:32:30 12 County?

11:32:30 13 A. I have not.

11:32:31 14 Q. Okay. My second question is when someone
11:32:38 15 registers on the state form and they don't provide DPOC,
11:32:42 16 and you can't confirm their citizenship with your database
11:32:47 17 checks, so you have to send them the notification letter
11:32:51 18 and ask for DPOC, how many of those folks end up
11:32:55 19 responding and providing the DPOC?

11:32:57 20 A. We, we really don't have that issue here in
11:33:06 21 Greenlee County. We have not -- we have only had a couple
11:33:12 22 recently that they provided a social security number, we
11:33:17 23 sent them a notice, and I don't know, to my recollection,
11:33:21 24 I'm not sure if they responded or not.

11:33:26 25 MR. LANGHOFER: I see.

11:33:27 1 Well, I promised I would only have two
11:33:30 2 questions, and those were them. Thank you very much for
11:33:30 3 your time.

11:33:33 4 Is there anyone else on the defense side who
11:33:34 5 wants to ask questions? Shayna, maybe you or Hannah?

11:33:40 6 MS. STUART: No, none from the Secretary,
11:33:40 7 thanks.

11:33:44 8 MS. PORTER: No questions. Thank you.

11:33:46 9 MR. LANGHOFER: All right. Anyone on the
11:33:48 10 plaintiff side who wants to redirect?

11:33:50 11 MR. ATKINS: I have just a couple additional
11:33:53 12 questions for you Ms. Milheiro.

11:33:56 13 THE WITNESS: Okay.

11:33:56 14

11:33:57 15 FURTHER EXAMINATION

11:33:57 16 BY MR. ATKINS:

11:33:58 17 Q. A moment ago you were asked whether a voter
11:34:03 18 registration applicant checking no on the citizenship
11:34:08 19 checkbox would be what she called a red flag.

11:34:11 20 Do you remember that?

11:34:11 21 A. Yes.

11:34:12 22 Q. Even if someone marks no on the citizenship
11:34:19 23 checkbox, that doesn't invalidate their application,
11:34:22 24 right?

11:34:22 25 A. That is correct.

11:34:24 1 Q. And if the applicant provides DPOC, that would,
11:34:33 2 essentially, outweigh the no check in the checkbox, right?

11:34:36 3 A. That's correct.

11:34:37 4 Q. And, similarly, if on the federal form they sign
11:34:42 5 the affirmation of citizenship, that would also outweigh
11:34:44 6 the no in the checkbox, right?

11:34:46 7 A. That's correct.

11:34:47 8 Q. And is it possible that if someone checks no it
11:34:53 9 could just be a mistake?

11:34:55 10 A. Yes.

11:34:57 11 DEFENSE COUNSEL: Speculation.

11:35:01 12 BY MR. ATKINS:

11:35:02 13 Q. You were also asked about using birthplace
11:35:05 14 information to identify voters over the phone.

11:35:08 15 Do you remember that?

11:35:08 16 A. Yes.

11:35:09 17 Q. And if I understand correctly, someone calls up
11:35:16 18 and says, my name is John Smith and I have a question
11:35:20 19 about my registration or my ballot, using their birthplace
11:35:26 20 is sort of like a security code that your office uses to
11:35:31 21 confirm they are who they say they are. Is that right?

11:35:33 22 A. It would be an option to use that, yes.

11:35:36 23 Q. So are there other pieces of information that
11:35:39 24 you similarly use for that purpose?

11:35:42 25 A. Yes. We would use last four of social and the

11:35:47 1 actual date of birth.

11:35:48 2 Q. Are there any other pieces of information that
11:35:52 3 you use that way?

11:35:54 4 A. Those are the two that we generally use.

11:35:58 5 Q. And is there any special significance to
11:36:01 6 birthplace in that situation that makes it a better piece
11:36:07 7 of information to use than the other two options?

11:36:09 8 A. No.

11:36:14 9 MR. ATKINS: Okay. I have no further questions.
11:36:16 10 Thanks again for your time today.

11:36:18 11 THE WITNESS: Thank you.

11:36:21 12 MR. LANGHOFER: Anyone else on the plaintiff
11:36:24 13 side?

11:36:25 14 MS. RILEY-SWANBECK: No further questions from
11:36:27 15 the DNC.

11:36:31 16 MR. DIAZ: None from LUCHA.

11:36:36 17 MR. HIRSCHER: Nothing from me.

11:36:36 18 MR. LANGHOFER: All right, Sharie, I think that
11:36:38 19 means you're off the hook for the day. Thanks very much
11:36:41 20 for your time.

11:36:42 21 THE WITNESS: Thank you.

11:36:43 22 THE VIDEOGRAPHER: We are off the record. Time
11:36:43 23 on the video monitor is 11:36 a.m.

11:36:52 24 This ends Volume 1, Media No. 1 in the 30(b)(6)
11:36:52 25 deposition of Greenlee County recorder by Sharie Milheiro.

01:03:23 1 THE VIDEOGRAPHER: We are on the record.
01:03:24 2 Time on the video monitor is 1:03 p.m. Here begins
01:03:29 3 Volume 1, Media No. 1 in the 30(b)(6) deposition of
01:03:34 4 Apache County Recorder by Annalee Shreeve in the matter
01:03:39 5 of Mi Familia Vota, et al. v. Adrian Fontes, et al. in
01:03:44 6 the United States District Court, District of Arizona,
01:03:46 7 Case No. 2:22-cv-00509-PHX-SRB.

01:03:55 8 Today's date is August 31st, 2023. Our
01:03:58 9 court reporter is Jody Lenschow. I am Daniel Rohan,
01:04:03 10 certified legal videographer. We both represent Coash
01:04:08 11 Court Reporting & Video. This video deposition is
01:04:09 12 taking place at the Apache County Attorney's Office,
01:04:13 13 245 West 1st Street South, St. Johns, Arizona, 85936.

01:04:19 14 Counsel, please identify yourselves and
01:04:20 15 state whom you represent.

01:04:21 16 MR. FERGUSON: My name is Brent Ferguson
01:04:25 17 of the Campaign Legal Center, and I represent the LUCHA
01:04:28 18 plaintiffs.

01:04:31 19 MS. ROBERTSON: In the room is Celeste
01:04:36 20 Robertson, and I represent Apache County Recorder Larry
01:04:38 21 Noble.

01:04:46 22 MR. HERRERA: Ernest Herrera, and I
01:04:48 23 represent Promise Arizona Plaintiffs.

01:04:50 24 MR. SNOW: Ryan Snow for Tohono O'odham
01:04:54 25 plaintiffs.

01:04:55 1 MR. DODGE: Christopher D. Dodge on behalf
01:04:56 2 of the MFV plaintiffs.

01:04:59 3 MR. VOLCHOK: Daniel Volchok for the
01:05:01 4 Democratic National Committee and the Arizona Democratic
01:05:04 5 Party.

01:05:07 6 MR. PATTERSON: Beauregard Patterson on
01:05:09 7 behalf of Poder Latinx and CPLC.

01:05:15 8 MR. WHITAKER: Josh Whitaker, joined by my
01:05:18 9 colleague, Kathryn Boughton, on behalf of the Arizona
01:05:22 10 Attorney General.

01:05:24 11 MS. STUART: Shayna Stuart on behalf of
01:05:26 12 the Arizona Secretary of State Adrian Fontes.

01:05:30 13 MR. LANGHOFER: Kory Langhofer for the
01:05:32 14 RNC.

01:05:39 15 THE VIDEOGRAPHER: Will the court reporter
01:05:40 16 please swear in the witness.

18

19 ANNALEE SHREEVE,
20 called as a witness herein, having been first duly sworn
21 by the Certified Court Reporter to speak the truth and
22 nothing but the truth, was examined and testified as
23 follows:

24

01:05:54 24 MR. FERGUSON: Great. Thanks. The first
01:05:55 25 thing, we've been doing a stipulation where one

01:05:58 1 defendant's objection will apply to all defendants, and
01:06:01 2 same thing for the plaintiffs. One plaintiff's
01:06:03 3 objection will apply to all. So I would like to put
01:06:06 4 that on the record right now. Let us know if anyone has
01:06:10 5 a problem with that.

01:06:10 6 Great.

01:06:10 7

01:06:16 8 EXAMINATION

01:06:16 9 BY MR. FERGUSON:

01:06:19 10 Q. Good afternoon, Ms. Shreeve. Thanks for being
01:06:21 11 here with us. I'm just going to go over some basics of
01:06:26 12 the deposition and how it will work today right at the
01:06:29 13 beginning here. So if you could start off just by
01:06:32 14 stating your name for the record and spelling your last
01:06:34 15 name, please.

01:06:36 16 A. Annalee Shreeve, S-H-R-E-E-V-E.

01:06:42 17 Q. Great. Thanks so much.

01:06:44 18 And I know that you have a few people in the
01:06:46 19 room with you today. Could you tell me who that is?

01:06:51 20 A. We have the Chief Deputy Recorder, Craig
01:06:55 21 Tsosie, and --

01:06:58 22 MS. ROBERTSON: Co-counsel, Kody
01:07:00 23 Richardson, from the Apache County Attorney's
01:07:01 24 Office.

01:07:01 25 THE WITNESS: Sorry.

01:07:04 1 BY MR. FERGUSON:

01:07:04 2 Q. Great. And your attorney, Celeste Robertson,

01:07:06 3 is there as well, correct?

01:07:09 4 A. That is correct.

01:07:10 5 Q. Thank you. Appreciate it.

01:07:12 6 Okay. Just a little bit more about how the

01:07:15 7 deposition will work. Do you understand that you're

01:07:18 8 testifying under oath today?

01:07:20 9 A. Yes.

01:07:21 10 Q. And do you understand that a court reporter is

01:07:23 11 transcribing the deposition?

01:07:26 12 A. Yes.

01:07:27 13 Q. Great.

01:07:28 14 So just so we can make it easier for the court

01:07:32 15 reporter, can I ask you when you answer my questions,

01:07:34 16 can you do it audibly by saying things like yes or no,

01:07:39 17 rather than nodding or shaking your head, just so she is

01:07:41 18 able to get anything down?

01:07:44 19 A. Yes.

01:07:45 20 Q. Great.

01:07:45 21 And then if you don't understand a question I

01:07:47 22 ask, then please let me know, and I'll repeat it or

01:07:51 23 rephrase; and so if you do answer the question, I'll

01:07:55 24 assume that you understood what I asked. Do you

01:07:59 25 understand that?

01:08:00 1
01:08:01 2
01:08:02 3
01:08:06 4
01:08:10 5
01:08:14 6
01:08:17 7
01:08:22 8
01:08:23 9
01:08:26 10
01:08:26 11
01:08:30 12
01:08:33 13
01:08:35 14
01:08:38 15
01:08:41 16
01:08:45 17
01:08:46 18
01:08:48 19
01:08:51 20
01:08:53 21
01:08:57 22
01:09:00 23
01:09:04 24
01:09:06 25

A. Yes.

Q. Okay. Great.

And then, also, you might hear your attorney or other attorneys object to a question I ask. So if that happens, please let them finish the objection, and then after that you can still answer the question, unless you're directed by your attorney not to answer that. Is that -- do you understand that?

A. Understood.

Q. Great. Thank you.

Is there is any reason that you can't give full, complete and truthful testimony today?

A. No.

Q. And have you taken any substances or medications or anything like that in the last 24 hours that would affect your ability to testify?

A. No.

Q. Great.

And so if you would like to take a break at any point, just let me know, and we can go off the record and take a break. I'll just ask that if you do want to take a break, if I've already asked a question and it's pending, please answer that question before we take the break.

A. Understood.

01:09:07 1 Q. Great. Thank you.

01:09:07 2 Have you ever been deposed before?

01:09:11 3 A. No.

01:09:12 4 Q. This is your first time? Okay.

01:09:14 5 A. Very first time, yes.

01:09:16 6 Q. Great.

01:09:18 7 And did you bring any materials with you to the

01:09:21 8 deposition?

01:09:22 9 A. A notebook and pen and copies of the documents

01:09:26 10 provided by my attorney.

01:09:28 11 Q. Okay. And those are the documents that I've

01:09:31 12 shared in a Dropbox; is that correct?

01:09:33 13 A. That's correct.

01:09:34 14 Q. Okay. Excellent.

01:09:36 15 And so you have all of those in front of you in

01:09:40 16 paper form right now?

01:09:42 17 A. That is correct, yes.

01:09:43 18 Q. Okay. Excellent.

01:09:44 19 So I'll be sharing my screen for some, but,

01:09:47 20 also, I'll just refer to some of them sometimes so we

01:09:50 21 can just make sure that we're on the same page when we

01:09:53 22 get to those.

01:09:56 23 Now I'd like to ask just a little bit about

01:09:59 24 your background. So, first, can you tell me some about

01:10:04 25 your educational background? Do you have any schooling

01:10:08 1 or degrees after high school?

01:10:11 2 A. I do. I have a Bachelor's in small business
01:10:16 3 management. I am a veteran of the Air Force. Other
01:10:23 4 than that, I've been with the Apache County Recorder's
01:10:26 5 Office since November of 2023. So I am still new to
01:10:32 6 this job, so there are going to be some questions that I
01:10:35 7 can't answer because I am still being trained for the
01:10:38 8 position, so...

01:10:39 9 Q. Okay. Sure. We can talk about that in a
01:10:42 10 little bit.

01:10:42 11 Did you say November 2022 that you started?

01:10:47 12 A. 2022, yes, that's correct.

01:10:49 13 Q. Just making sure.

01:10:50 14 A. Sorry. I'll correct myself.

01:10:52 15 Q. Yeah, no problem.

01:10:52 16 So you've been in the job a little bit less
01:10:57 17 than a year?

01:10:57 18 A. Yes.

01:10:59 19 Q. Okay. Excellent. That's helpful.

01:11:00 20 And can you tell me what your current title is
01:11:04 21 in the Recorder's Office?

01:11:06 22 A. Yes. I'm the voter registration supervisor.

01:11:10 23 Q. Okay. And has that been your title since you
01:11:12 24 started there?

01:11:14 25 A. No. I was actually hired as a temporary. I

01:11:21 1 got this position, I believe, in January of 2023.

01:11:26 2 Q. Okay. So you were temporary for a couple
01:11:29 3 months and then became the voter registration supervisor
01:11:33 4 this last January?

01:11:35 5 A. That's correct, yes.

01:11:37 6 Q. Great. And can you just briefly tell me a
01:11:41 7 little bit about your work before you got to the County
01:11:44 8 Recorder's Office, the job you had immediately before
01:11:47 9 that?

01:11:47 10 A. My last position was in the Air Force.

01:11:52 11 Q. Okay.

01:11:52 12 A. I was a staff sergeant. I was a stay-at-home
01:11:55 13 mom for about ten years before I got this position at
01:11:57 14 the Recorder's Office.

01:12:01 15 Q. Okay. And have you ever previously held a job
01:12:04 16 dealing with voter registration or anything similar
01:12:08 17 before this?

01:12:09 18 A. No, I have not. No.

01:12:10 19 Q. Okay. And have you previously used any names
01:12:14 20 other than the one you use right now?

01:12:17 21 A. I was Annalee Hammond, was my previous married
01:12:22 22 name. Annalee Shreeve is my maiden name.

01:12:27 23 Q. Okay. Thank you. You said Hammond was your
01:12:30 24 previous last name?

01:12:31 25 A. Hammond, yes, H-A-M-M-O-N-D.

01:12:33 1 Q. Great. Thank you.

01:12:36 2 A. Uh-huh.

01:12:36 3 Q. Okay. Now we're going to talk for a couple
01:12:38 4 minutes just about what you mentioned previously about
01:12:41 5 preparing for the deposition and your experience with
01:12:44 6 these topics. I'd like you to take a look at what's
01:12:49 7 been labeled as Document A, which is the amended
01:12:52 8 deposition notice.

01:12:53 9 And I believe we're on Exhibit 244, so if we
01:12:58 10 could mark that as Exhibit 244, please.

01:13:04 11 Do you have that document in front of you?

01:13:05 12 A. I do.

01:13:06 13 Q. Okay. And do you recognize this as the amended
01:13:13 14 deposition notice?

01:13:14 15 A. I do.

01:13:15 16 Q. And you've seen it before?

01:13:17 17 A. I have, yes.

01:13:20 18 Q. Great.

01:13:23 19 And do you recognize that for purposes of this
01:13:27 20 deposition you've been designated as a representative of
01:13:31 21 the Apache County Recorder's Office?

01:13:34 22 A. I do.

01:13:35 23 Q. Okay. Great.

01:13:37 24 And could you take a look at Page 5 of that
01:13:45 25 document, where it says "Topics" at the top?

01:13:49 1 A. Okay.

01:13:50 2 Q. And have you seen that part of the document

01:13:52 3 before?

01:13:55 4 A. Yes, I have.

01:13:56 5 Q. Great.

01:13:57 6 And are you prepared to talk about the topics

01:14:01 7 listed there that's Pages 5 through 8?

01:14:06 8 A. I am.

01:14:07 9 Q. Okay. Great.

01:14:08 10 Are there any specific topics that you don't

01:14:11 11 feel prepared to address?

01:14:14 12 A. No.

01:14:19 13 Q. Okay. Now I guess I'd like to talk, aside from

01:14:22 14 looking at that notice, talk a little bit about how you

01:14:24 15 prepared for the deposition today, so I'm going to ask

01:14:28 16 about conversations you've had. So if you've discussed

01:14:30 17 anything with your attorneys, please don't tell me the

01:14:33 18 content or substance of that conversation; but you can

01:14:38 19 mention that you have met with them, just not what you

01:14:41 20 talked about. If it's anyone else, it's fine to say.

01:14:44 21 So can you tell me who in your office you've

01:14:49 22 met with to prepare for the deposition?

01:14:54 23 A. Angela Gatchell --

01:14:54 24 Q. Okay.

01:14:58 25 A. -- our project coordinator, and that's it.

01:15:04 1 Q. And that's the only person? Okay.

01:15:05 2 A. That's it. We're a small office. There's not

01:15:07 3 too many of us.

01:15:09 4 Q. Sure.

01:15:10 5 And how long did you meet with her, about?

01:15:15 6 A. Not very long. I would say probably about an

01:15:19 7 hour --

01:15:20 8 Q. Okay.

01:15:20 9 A. -- total.

01:15:21 10 Q. And what did you talk about with her?

01:15:25 11 A. We mostly went through when we were producing

01:15:29 12 the documents and reports to, you know, find out which

01:15:33 13 ones were requested and what, you know -- reviewed this

01:15:40 14 Document A and went and, you know, ran the reports that

01:15:46 15 were requested, so...

01:15:47 16 Q. Okay. Great.

01:15:49 17 A. And that's it.

01:15:50 18 Q. So you played a role with her in finding the

01:15:52 19 documents to produce and answering the interrogatories?

01:15:56 20 A. That's correct, yes.

01:16:01 21 Q. And have you met with your attorneys about the

01:16:03 22 deposition?

01:16:04 23 A. I have, yes.

01:16:05 24 Q. Okay. How many times was that?

01:16:09 25 A. Once.

01:16:11 1 Q. Okay. And about how long was that meeting?

01:16:15 2 A. A little over an hour.

01:16:18 3 Q. Okay. And do you have a general sense of what
01:16:23 4 this lawsuit is about? You know, I'm not asking for a
01:16:28 5 lot of specifics, but if you have a general impression
01:16:30 6 or understanding of it, could you tell me what that is?

01:16:34 7 A. I do. General understanding is that the
01:16:41 8 lawsuit is about voters' rights in regards to the
01:16:50 9 addressing and citizenship proof, proof of citizenship,
01:16:54 10 so...

01:16:56 11 Q. Okay. Great. Thank you.

01:16:58 12 And then I'd just like to know a little about
01:17:03 13 your operations in the Recorder's Office. You mentioned
01:17:07 14 that it's a small office. Could you tell me, apart from
01:17:12 15 the County Recorder, who else within your office works
01:17:18 16 on voter registration?

01:17:21 17 A. It is myself and one other employee, Austin
01:17:26 18 King, and Alyssa Wahl also assists in some of the voter
01:17:38 19 registration. We also have two outreach employees that
01:17:41 20 work on the Navajo Reservation. That's Esther Kirk and
01:17:47 21 Brenda Wilson.

01:17:49 22 Q. Okay. That's helpful. Thank you. And --
01:17:54 23 sorry about that.

01:17:55 24 Could you tell me what those two employees that
01:17:59 25 do outreach on the Navajo Reservation, could you tell me

01:18:02 1 in a little bit more detail what they do?

01:18:05 2 A. So in compliance with the NRAF with that they
01:18:11 3 do outreach on the Navajo Reservation to high schools,
01:18:16 4 chapter houses, and other residents up there to educate
01:18:22 5 them on voter registration, get them registered and that
01:18:26 6 sort of thing, so...

01:18:28 7 Q. Okay. So do they hold voter registration
01:18:31 8 drives and things like that?

01:18:32 9 A. They do, yes.

01:18:34 10 Q. Okay. Great.

01:18:37 11 A. And they also help out with, you know,
01:18:39 12 translation and that sort of thing as well.

01:18:42 13 Q. Excellent.

01:18:44 14 And so you mentioned Angela Gatchell before.

01:18:49 15 Does she work on voter registration as well or in a
01:18:52 16 different department?

01:18:54 17 A. She is the project coordinator for the
01:18:57 18 Recorder's Office, so she does pretty much everything.
01:19:04 19 Yeah. She is my backup for most of the tasks that are
01:19:08 20 in regards to voter registration, so she'll assist me if
01:19:14 21 I'm not in the office.

01:19:18 22 Q. Okay. Excellent.

01:19:18 23 And then you mentioned Mr. Tsosie, who is in
01:19:22 24 the room with you, I believe. Could you tell me a
01:19:24 25 little bit about his role?

01:19:26 1 A. Mr. Tsosie is our Chief Deputy Recorder. He's
01:19:32 2 been with us --

01:19:32 3 MR. TSOSIE: Since June.

01:19:34 4 THE WITNESS: -- since June, yeah. He's
01:19:36 5 pretty new to the position, so he's still training,
01:19:36 6 yeah.

01:19:36 7 BY MR. FERGUSON:

01:19:42 8 Q. But he works on voter registration issues as
01:19:44 9 well?

01:19:44 10 A. Yes.

01:19:47 11 Q. Okay. Okay. Excellent.

01:19:50 12 I'd like to move on now, and if you could take
01:19:55 13 a look at Document F. I can pull that up on the screen,
01:20:01 14 if you need, but if you have it in front of you, you
01:20:03 15 could just take a look at the paper version.

01:20:07 16 A. I do not have the F.

01:20:11 17 MS. ROBERTSON: I don't think we have F,
01:20:12 18 Brent, if you could pull that one up.

01:20:12 19 THE WITNESS: Yeah.

01:20:15 20 BY MR. FERGUSON:

01:20:15 21 Q. Yeah, I can share my screen. You have a screen
01:20:17 22 that you can see, right?

01:20:19 23 A. Yes.

01:20:19 24 Q. Okay. Great.

01:20:21 25 I'm going to share now. It's Petty 6.

01:20:43 1 Can you see that document on the screen?

01:20:49 2 A. No, not yet.

01:20:52 3 Q. Is anything coming up?

01:20:54 4 A. No. I just see your file folder.

01:20:58 5 Q. Sorry about that. All right.

01:21:00 6 A. That's okay.

01:21:17 7 Okay, I can see it now.

01:21:19 8 Q. Okay. Excellent.

01:21:19 9 Do you recognize this document?

01:21:21 10 A. I do.

01:21:23 11 Q. Okay. Can you tell me what it is?

01:21:25 12 A. It's the elections procedures manual.

01:21:29 13 Q. Okay. And what do you use the EPM for?

01:21:36 14 A. It is all of the statutes that are in regards

01:21:40 15 to voter registration and elections. So if I need to

01:21:44 16 know, you know, timelines or guidelines or what the

01:21:49 17 statute says, I refer back to this. So...

01:21:53 18 Q. Excellent.

01:21:55 19 And I'll just note for the record here that

01:21:57 20 this is already introduced as Exhibit 6.

01:22:01 21 And you see on the top that it says 2019?

01:22:09 22 A. Yes.

01:22:09 23 Q. Is the 2019 version still the one that you use

01:22:13 24 in your office?

01:22:17 25 A. I believe so.

01:22:19 1 Q. Okay.

01:22:19 2 A. I know that they're in the works of updating it

01:22:23 3 now.

01:22:24 4 Q. Okay.

01:22:25 5 A. So the new one won't be out yet.

01:22:27 6 Q. But this is the one that you refer to?

01:22:29 7 A. This is the most current, yes.

01:22:31 8 Q. Okay. Excellent.

01:22:33 9 And, to your knowledge, is this EPM binding on

01:22:40 10 your office?

01:22:41 11 A. Yes, it is.

01:22:42 12 Q. Okay. Great.

01:22:46 13 MR. WHITAKER: Calls for a legal

01:22:47 14 conclusion.

01:22:53 15 BY MR. FERGUSON:

01:22:54 16 Q. All right. Now, I would just like to talk a

01:22:57 17 little bit about the two laws that are challenged in

01:23:00 18 this lawsuit, and that's H.B. 2492 and H.B. 2243. Are

01:23:10 19 you aware of those two laws?

01:23:13 20 A. Vaguely, yes.

01:23:15 21 Q. Okay. And, again, I'm not asking for a lot of

01:23:20 22 specifics or a full description, but could you give me a

01:23:25 23 general sense or your understanding of what's contained

01:23:30 24 in H.B. 2492?

01:23:34 25 A. I actually can't, so...

01:23:39 1 Q. Okay. And is that the same with H.B. 2243?

01:23:43 2 A. That's correct. I'm not that familiar
01:23:46 3 specifically with them. Yeah.

01:23:48 4 Q. Sure.

01:23:52 5 Is your office implementing any parts of
01:23:58 6 H.B. 2492?

01:24:01 7 A. Yes.

01:24:03 8 Q. Okay. Can you tell me which parts?

01:24:10 9 A. Which -- so I know that we follow all the
01:24:13 10 statutes and laws regarding voter registration and
01:24:18 11 elections. I can't specifically say which one.

01:24:24 12 Q. Okay.

01:24:28 13 MS. ROBERTSON: Brent, could I just
01:24:30 14 clarify for a second?

01:24:31 15 MR. FERGUSON: Sure.

01:24:32 16 MS. ROBERTSON: So, Annalee, those are the
01:24:36 17 laws that are the subject of the litigation.

01:24:37 18 THE WITNESS: Okay. So then that's the
01:24:44 19 citizenship and the voter registration, the addressing
01:24:48 20 part of it, correct? Am I --

01:24:52 21 MS. ROBERTSON: They address some of that,
01:24:54 22 yes.

01:24:54 23 THE WITNESS: Okay. All right.

01:24:57 24 Yeah. I'm just not that versed on the
01:25:01 25 specifics of those, so...

01:25:03 1 BY MR. FERGUSON:

01:25:03 2 Q. Yeah, that's fine, and certainly, you know, if
01:25:06 3 you're not sure, that's totally fine, and you can tell
01:25:09 4 me you don't know.

01:25:11 5 A. Okay.

01:25:12 6 Q. So I'll ask again. Are you currently
01:25:16 7 implementing any parts of the law, to your awareness?

01:25:23 8 A. As far as I know, our office follows all of the
01:25:26 9 statutes and laws, so, yes, I would assume so, yeah.

01:25:32 10 Q. Okay. I will -- I'm going to pull up
01:25:39 11 Document E right now. Do you have that in front of you,
01:25:46 12 or should I put it on the screen?

01:25:47 13 A. Can you put it on the screen, please?

01:25:49 14 Q. Yeah, happy to.

01:25:50 15 A. Oh, you do have it, okay.

01:25:53 16 Q. You've got it?

01:25:54 17 A. Yes, I do have it.

01:25:56 18 Q. Okay. Let's take a look at -- so do you see at
01:26:01 19 the top, the first page, it says "Apache County
01:26:05 20 Recorder's Answers to First Set of Interrogatories,"
01:26:07 21 just to make sure we're --

01:26:09 22 A. Yes.

01:26:09 23 Q. -- looking at the same thing?

01:26:11 24 A. Uh-huh.

01:26:11 25 Q. Okay. Let's go to the second page, and then if

01:26:18 1 you look at where it says "Answer" right in the middle
01:26:20 2 of the second page of the document; do you see that?
01:26:23 3 A. Yes, I do.
01:26:24 4 Q. Okay. Could you just read aloud the first
01:26:32 5 sentence of that?
01:26:34 6 A. Of the answer portion?
01:26:36 7 Q. Yes, please.
01:26:38 8 A. "The Apache County Recorder has not made or
01:26:42 9 implemented any plans, policies or procedures regarding
01:26:44 10 the actual or prospective implementation of H.B. 2492,
01:26:52 11 and the Apache County Recorder will not do so until
01:26:55 12 further guidance is received from the Secretary of
01:26:58 13 State. Should additional guidance be received, the
01:27:01 14 Apache County Recorder will supplement this response."
01:27:04 15 And, yes, this refreshes my memory. Thank you.
01:27:07 16 Q. Okay. That's just what I was going to --
01:27:08 17 A. Yes.
01:27:09 18 Q. Okay. Excellent.
01:27:10 19 So it refreshes your memory that you're not
01:27:18 20 implementing that law, your office is not?
01:27:20 21 A. That's correct. Yes, I do know that -- yeah,
01:27:23 22 I'm aware that the Secretary of State is still working
01:27:25 23 on giving us clarification on this --
01:27:28 24 Q. Okay.
01:27:28 25 A. -- before we implement anything.

01:27:29 1 Q. Excellent. Thank you.

01:27:30 2 And one thing, just generally, I forgot to

01:27:34 3 mention before. Since you're representing your office,

01:27:37 4 sometimes I'll use the word you or your, and when I say

01:27:41 5 that, I'll usually mean your office as a whole, unless I

01:27:45 6 say otherwise. Does that work for you?

01:27:48 7 A. I understand. Yes.

01:27:51 8 Q. I don't mean you personally, yeah. Okay,

01:27:53 9 great.

01:27:54 10 So let's just, to save time, let's move on to

01:27:56 11 H.B. 2243, the other law at issue here. And if you'll

01:28:07 12 look at the next page of that document, Page 3, you

01:28:12 13 don't need to read it aloud, but if you could read where

01:28:14 14 it says "Answer" at the top of Page 3.

01:28:19 15 A. Yes. Would you like me to read it aloud?

01:28:23 16 Q. You don't need to read it aloud, but -- and I'd

01:28:28 17 just ask if your office is implementing any portion of

01:28:31 18 H.B. 2243 at this time?

01:28:35 19 A. At this time, no. We're waiting on direction

01:28:38 20 from the Secretary of State's Office --

01:28:41 21 Q. Okay.

01:28:41 22 A. -- before we implement any of those.

01:28:44 23 Q. Excellent. Okay. I appreciate that. I don't

01:28:46 24 think we've yet marked this as an exhibit, but I think

01:28:48 25 we're on Exhibit 245. So if we could mark that as 245

01:28:55 1 right now.

01:28:55 2 Thanks very much.

01:29:06 3 Okay. So I'd like to look at one more document

01:29:10 4 now, which is Document B. Do you have that one

01:29:18 5 available or should I pull it --

01:29:21 6 A. Yes, I do have that available.

01:29:24 7 Q. Great. And so let's mark that one as

01:29:27 8 Exhibit 246.

01:29:32 9 And could you tell me what this document is?

01:29:36 10 A. This is the -- our responses to the

01:29:42 11 interrogatories for the lawsuit.

01:29:45 12 Q. Great. Thank you.

01:29:48 13 And you said before that you worked on

01:29:55 14 providing these responses; is that correct?

01:29:56 15 A. I did.

01:29:57 16 Q. Okay. Excellent.

01:29:58 17 So I'd like to go to the top of Page 6 of that

01:30:06 18 document. I'll give you a second to get there.

01:30:11 19 A. Okay. I'm there.

01:30:16 20 Q. Great.

01:30:17 21 Do you see where it says "Response" there

01:30:19 22 starting on Line 6 of Page 6?

01:30:22 23 A. I do.

01:30:23 24 Q. Okay. I'll just give you a second to take a

01:30:26 25 look. Could you just read that response? I'll give you

01:30:29 1 a second to do that.

01:30:39 2 A. Okay.

01:30:40 3 Q. Okay. Thank you.

01:30:41 4 So I'll read the first part of that into the
01:30:44 5 record. It says, "Should a voter registration applicant
01:30:49 6 fail to provide proof of citizenship or fail to check
01:30:52 7 the citizenship box on the Arizona voter registration
01:30:55 8 form will be sent a notice from the Apache County
01:31:00 9 Recorder's Office."

01:31:02 10 Did I read that correctly there?

01:31:04 11 A. That is correct, yes.

01:31:05 12 Q. Okay. So I'm just trying to figure out exactly
01:31:10 13 what your process is in this situation. So does this
01:31:14 14 answer mean that if someone fills out a voter
01:31:18 15 registration application without the citizenship box
01:31:21 16 checked, but they have provided documentary proof of
01:31:26 17 citizenship, then you contact them and notify them to
01:31:31 18 resubmit the form with the box checked?

01:31:36 19 A. At this time, no. That -- yes, we would rely
01:31:43 20 on using our HAVA checks and, you know, visually looking
01:31:48 21 at their documentation as well.

01:31:51 22 Q. Okay.

01:31:53 23 A. Yeah. And that kind of supersedes checkmarking
01:31:57 24 that box. If they provide the proof and it goes through
01:31:59 25 the HAVA check correctly, even if they haven't

01:32:03 1 checkmarked that box, they should be fine.

01:32:05 2 Q. Okay. So --

01:32:06 3 A. If they don't do either one of those, then,
01:32:09 4 yes, we would send them a letter.

01:32:11 5 Q. I see. Okay. So if someone applies and they
01:32:16 6 provide proof of citizenship, but they haven't checked
01:32:19 7 the box, then they are registered; is that correct?

01:32:25 8 A. That is -- that is correct.

01:32:28 9 Q. Okay.

01:32:28 10 A. As long as their information makes it through
01:32:30 11 the HAVA checks and all of that and those documents are,
01:32:34 12 you know, legitimate, then, yes, that would be -- they
01:32:38 13 would be registered.

01:32:40 14 Q. Okay. Great. Thank you.

01:32:43 15 And what if they submit the application and the
01:32:46 16 box is checked, but they have not provided proof of
01:32:50 17 citizenship; what do you do with that application?

01:32:54 18 A. Then they would be placed on suspense and sent
01:32:58 19 a letter to provide proof for citizenship.

01:33:03 20 Q. Okay.

01:33:04 21 A. So, yeah, the proof of citizenship, the
01:33:07 22 documents provided by the voter or the registrant
01:33:11 23 supersedes that checkmarked box.

01:33:14 24 Q. Okay. Excellent.

01:33:16 25 So I just want to clarify the first sentence of

01:33:21 1 this response here that I read, saying that if they
01:33:27 2 failed to check the citizenship box, they will be sent a
01:33:31 3 notice. That is not intended to mean that they will be
01:33:37 4 sent a notice if they've provided proof of citizenship;
01:33:45 5 is that correct?

01:33:45 6 A. That's correct. It probably needs to be
01:33:47 7 clarified, yes.

01:33:48 8 Q. Okay. Thank you. Thanks for clarifying that.
01:33:50 9 I appreciate it.

01:33:51 10 And then we've talked a little bit about
01:33:57 11 implementing these two laws that we've been discussing.
01:34:04 12 Has your office had any communications with the
01:34:07 13 Secretary of State's Office about implementing either
01:34:10 14 H.B. 2492 or H.B. 2243?

01:34:14 15 A. I have -- I am aware that the Secretary of
01:34:18 16 State's Office is working on those. I've been a party
01:34:21 17 to meetings where they've discussed it.

01:34:24 18 Q. Okay.

01:34:24 19 A. So, yeah.

01:34:25 20 Q. And can you tell me a little bit more about
01:34:27 21 those meetings, rough ballpark of how many and when they
01:34:35 22 were?

01:34:35 23 A. Probably maybe three or four. Yeah. But it's
01:34:45 24 more when we're -- we're waiting on clarification from
01:34:51 25 them. I believe they're working on a VRAC paper in

01:34:56 1 order for those. So, you know, when questions arise
01:34:58 2 around these topics, they'll say we're still working on
01:35:02 3 that.

01:35:02 4 Q. Okay. And so those few meetings, have those
01:35:08 5 all been within -- between January and today?

01:35:13 6 A. Yes.

01:35:15 7 Q. Okay. And do you remember any specific topics
01:35:18 8 you discussed about things like the citizenship checkbox
01:35:23 9 or providing someone's birthplace or anything else?

01:35:29 10 A. Vaguely, but mostly in regards to the AVID
01:35:33 11 system. I'm on those calls for having the AVID system
01:35:38 12 updated and those sorts of things. So we cannot make
01:35:43 13 any changes to the AVID system and all of that until the
01:35:48 14 VRAC papers come down with more direction from the
01:35:52 15 Secretary of State. So that's usually where my
01:35:55 16 meetings -- where this comes into play for myself.

01:35:57 17 Q. Okay. And so we'll talk some more about the
01:35:59 18 AVID system later, but maybe we can just clarify now.
01:36:06 19 So you mentioned potential updates to the AVID system,
01:36:09 20 and is that -- can you tell me what those potential
01:36:14 21 updates are intended to do?

01:36:17 22 A. To comply with the laws, so to make sure that
01:36:22 23 our system is allowing for those things to be recorded
01:36:27 24 correctly.

01:36:28 25 Q. Okay. And that would be -- do you know what

01:36:33 1 specific parts of the law would require changes to AVID?

01:36:40 2 A. I think it's in the functionality of AVID.

01:36:44 3 We're wanting to make sure that it provides all of the

01:36:46 4 functionality that it needs in order to comply with the

01:36:49 5 law once it's fully, you know, fully enacted, I guess --

01:36:56 6 Q. Okay.

01:36:57 7 A. -- from the Secretary of State. So...

01:36:58 8 Q. Great. Thank you.

01:36:59 9 And so are you aware of any specific changes to

01:37:07 10 the AVID system, you know, any specific functionality

01:37:12 11 that it might have or anything like that?

01:37:17 12 A. At this point, no, we have not -- I know that

01:37:20 13 as part of that advisory board, we haven't made any

01:37:24 14 changes yet until we hear more from the Secretary of

01:37:28 15 State.

01:37:28 16 Q. Okay. And you mentioned the VRAC papers.

01:37:31 17 Could you tell me what VRAC stands for?

01:37:35 18 A. Oh, my gosh. Actually, no, I can't.

01:37:40 19 Q. Is it voter registration advisory committee; is

01:37:44 20 that correct?

01:37:44 21 A. Yes, yes. Yeah. Sorry.

01:37:46 22 Q. No problem.

01:37:49 23 A. I'm still new to the position, so I'm like I

01:37:52 24 don't know all of the lingo yet.

01:37:53 25 Q. Yeah.

01:37:54 1 A. I know what it means, but I don't --

01:37:56 2 Q. There's a lot of acronyms, for sure. No
01:37:59 3 problem.

01:37:59 4 And so what is -- are you on that; are you a
01:38:03 5 member of that?

01:38:03 6 A. I'm not on the advisory committee, but I am
01:38:07 7 part of the user group that suggests the changes that
01:38:14 8 need to be made to AVID. So I'm part of one of the
01:38:18 9 users that, you know, sees problems, asks for upgrades,
01:38:23 10 and that sort of thing.

01:38:26 11 Q. All right. Okay. And as part of that group,
01:38:28 12 are there specific upgrades that that group has
01:38:34 13 suggested?

01:38:37 14 A. I can't speak to any specifically. I know that
01:38:41 15 it's come up, but none of them -- none of those
01:38:44 16 suggestions have come from the Apache County Recorder's
01:38:48 17 Office, from us, so...

01:38:51 18 Q. Okay. And so there are employees of other
01:38:55 19 County Recorder's Office that are in that group with
01:38:57 20 you?

01:38:57 21 A. That's correct, yes.

01:38:59 22 Q. Okay. But you don't have any recollection of
01:39:03 23 requests that those members have made?

01:39:06 24 A. Not specifically, no.

01:39:09 25 Q. Okay. And so is that the only role you play on

01:39:12 1 VRAC is just with the AVID update system?

01:39:15 2 A. Yes, that's correct.

01:39:19 3 Q. And do you -- have you heard from the Secretary
01:39:22 4 of State's Office or anyone else when these updates will
01:39:26 5 likely be made?

01:39:30 6 A. All I know -- all I've heard is that they won't
01:39:33 7 be made until after we get direction and the finalized
01:39:38 8 VRAC paper from the Secretary of State.

01:39:40 9 Q. Okay.

01:39:41 10 A. And I don't know when that will be, so...

01:39:44 11 Q. Okay.

01:39:45 12 A. Yeah.

01:39:46 13 Q. Great.

01:39:47 14 So I'd like to move on now to a specific
01:39:51 15 provision of H.B. 2492. So, let's see. That's going to
01:39:58 16 be Document I. Do you have that, or would you like me
01:40:02 17 to pull that one up?

01:40:03 18 A. I do.

01:40:05 19 Q. You have that?

01:40:05 20 A. I do. I have it.

01:40:06 21 Q. Okay. Great.

01:40:13 22 Okay. And this has been introduced as
01:40:19 23 Document -- or, sorry, as Exhibit 19 already.

01:40:30 24 Sorry. Just one second.

01:40:31 25 MR. FERGUSON: Jody, did we mark the

01:40:35 1 Document B as Exhibit 246?

01:40:35 2 THE COURT REPORTER: (Nodded.)

01:40:40 3 MR. FERGUSON: Okay. I just wanted to

01:40:41 4 double-check that we had that, and thank you.

01:40:41 5 BY MR. FERGUSON:

01:40:44 6 Q. Okay. So you've seen this Document I before,

01:40:50 7 H.B. 2492?

01:40:51 8 A. This is my first time looking at it as a whole.

01:40:54 9 Q. Okay. Okay. Sure.

01:41:02 10 So let's look at Page 3 of Document I.

01:41:18 11 Do you have Page 3 there?

01:41:20 12 A. I do.

01:41:21 13 Q. And if you could look down starting at Line 29

01:41:24 14 of that document, if you could just take a couple

01:41:28 15 moments to read Lines 29 through 33.

01:41:52 16 A. Okay.

01:41:53 17 Q. Okay. Thank you.

01:41:54 18 I'll just read it into the record. "A person

01:41:59 19 is presumed to be properly registered to vote on

01:42:02 20 completion of a registration form as prescribed by

01:42:06 21 Section 16-152 that contains at least the name, the

01:42:10 22 residence address or location, proof of location of

01:42:13 23 residence as prescribed by Section 16-123, the date and

01:42:19 24 place of birth."

01:42:20 25 A. Uh-huh.

01:42:21 1 Q. Are you aware of the requirement in H.B. 2492
01:42:24 2 that voter registration applicants list their place of
01:42:29 3 birth on an application form?

01:42:33 4 A. Yes.

01:42:34 5 Q. Okay. And is your office requiring applicants
01:42:39 6 to list their place of birth right now?

01:42:45 7 A. They can't -- I wouldn't say we require it.

01:42:50 8 Q. Okay.

01:42:52 9 A. As far as like proof of residency, that -- the
01:42:57 10 place of birth does not play into their proof of
01:43:02 11 citizenship at all, so...

01:43:05 12 Q. Okay. So if someone --

01:43:06 13 A. But it is an item -- it is an item that is
01:43:09 14 filled out on the voter registration form, but...

01:43:11 15 Q. Right. So -- right, there's a space for it on
01:43:15 16 the form.

01:43:15 17 If you receive an application that's missing
01:43:20 18 the place of birth, but it has everything else that's
01:43:23 19 required, is that person registered?

01:43:28 20 A. Yes, they are.

01:43:30 21 Q. Okay. And does your office have access to any
01:43:36 22 kind of database that would confirm a person's identity
01:43:41 23 just by using their place of birth?

01:43:46 24 A. By just place of birth by itself?

01:43:52 25 Q. Or in combination with their name, for example.

01:43:55 1 I mean, yes, not submitting solely the place of birth,
01:43:58 2 but do you -- let me rephrase it.

01:44:01 3 Is there any database you have where you could
01:44:04 4 submit their registration information and confirm their
01:44:09 5 identity by matching their place of birth to the place
01:44:14 6 of birth in that database?

01:44:18 7 A. Not that I'm aware of. It's not one of the --
01:44:21 8 it's usually, you know, social security number, driver's
01:44:24 9 license number, name, date of birth, those items.

01:44:29 10 Q. Okay. Thank you.

01:44:31 11 Moving on to a different provision, are you
01:44:36 12 aware that H.B. 2492 also requires voter registration
01:44:41 13 applicants to provide documentary proof of residency or
01:44:47 14 DPOR?

01:44:48 15 A. Yes.

01:44:50 16 Q. Okay. So I'll point you to that same document,
01:44:56 17 Document I that we were looking at, and the bottom of
01:45:02 18 Page 5.

01:45:07 19 A. Okay.

01:45:10 20 Q. And if you could take a look at starting with
01:45:13 21 Line 40 near the bottom of Page 5, and I'll just read
01:45:18 22 that. "Proof of location of residence. Except for
01:45:23 23 persons who register pursuant to Section 16-103, a
01:45:27 24 person who registers to vote shall provide an
01:45:30 25 identifying document that establishes proof of location

01:45:32 1 of residence."

01:45:34 2 A. Uh-huh.

01:45:35 3 Q. Did I read that correctly?

01:45:37 4 A. Yes, you did.

01:45:38 5 Q. Okay. And is your office implementing that

01:45:45 6 requirement that people provide DPOR?

01:45:50 7 A. We do have to have like a physical address in

01:45:54 8 order to register them; but as far as like them

01:45:59 9 providing a document that proves that they live there,

01:46:02 10 no, we do not.

01:46:02 11 Q. Okay.

01:46:02 12 A. Other than we send out letters and they can

01:46:06 13 write their description, you know, their address, a

01:46:10 14 Google Plus Code, that sort of thing. It has to have a

01:46:13 15 signature.

01:46:13 16 Q. Okay.

01:46:14 17 A. But it doesn't require further documents to

01:46:16 18 prove that they live at that location.

01:46:18 19 Q. Okay. Thank you. That's helpful.

01:46:22 20 So let's talk a little bit about what you just

01:46:26 21 mentioned, how people show where they live.

01:46:30 22 So, basically, your last answer means that they

01:46:34 23 don't have to have any kind of document, like an ID with

01:46:39 24 their address or a utility bill or anything like that --

01:46:43 25 A. That's correct.

01:46:43 1 Q. -- but they have to provide some kind of
01:46:46 2 address on the registration form; is that correct?

01:46:50 3 A. That is correct.

01:46:53 4 Q. Okay. And can you tell me, once you get that
01:46:59 5 application form and it has an address on it, how do you
01:47:03 6 go about verifying that address in your system?

01:47:08 7 A. So in the AVID system, once they give us an
01:47:11 8 address, we type it in. If there is a location point
01:47:18 9 saved in the Total Address system, then we can link it
01:47:23 10 to that location.

01:47:25 11 Q. Okay.

01:47:26 12 A. And that's how we would verify it.

01:47:30 13 Apache County is definitely very unique in our
01:47:35 14 addressing on the Navajo Nation and, you know, in the
01:47:40 15 southern part of the county as well. So if we are able
01:47:44 16 to find -- if they can provide like a Google Plus Code
01:47:48 17 or something like that, we can add a point when we find
01:47:51 18 their residence, we can add a point to Total Address and
01:47:55 19 verify it that way.

01:47:57 20 Q. Okay. Let's talk a little bit more about that
01:48:01 21 process. So you're saying if someone provides an
01:48:07 22 address and you put it into the Total Address system and
01:48:11 23 nothing comes up or there's no point, then you will
01:48:15 24 contact them for more information; is that correct?

01:48:19 25 A. That's correct, yes.

01:48:20 1

Q. Okay.

01:48:20 2

A. So they can draw a map, you know, on the voter

01:48:24 3

registration form. They can provide other descriptions

01:48:28 4

of where they live.

01:48:30 5

Q. Okay.

01:48:30 6

A. And if we can locate their residence, we can

01:48:33 7

add that point to Total Address and have them verified.

01:48:38 8

Q. Okay.

01:48:38 9

A. If we still need more information, we would put

01:48:41 10

them in suspense and send them an address verification

01:48:44 11

letter for them to provide more information.

01:48:47 12

Q. Okay. So let's talk about that letter in a

01:48:50 13

moment. But when you're describing asking for more

01:48:58 14

information that you just did, if you haven't yet sent

01:49:00 15

the letter, then what's your process of doing that? Is

01:49:04 16

this when someone's registering in person?

01:49:09 17

A. Yes, and usually it even happens, you know,

01:49:12 18

through the MVD, all of that. So if we do have any

01:49:18 19

questions, as long as -- we can contact the registrant

01:49:24 20

and speak with them over the phone, as long as they're

01:49:27 21

describing that same address that they put on that form

01:49:31 22

and we can locate that same address. It might have a

01:49:34 23

new -- they may need to give more descriptors or that

01:49:38 24

sort of thing. If they're trying to completely change

01:49:41 25

it and put it, you know, somewhere else in a different

01:49:43 1 town, we cannot change that address until we have their
01:49:46 2 signature or a new voter registration form, if that
01:49:50 3 makes sense.

01:49:51 4 Q. Okay. Let's get to the letter you're
01:49:57 5 mentioning, which is, I believe, Document L. Do you
01:50:05 6 have that in front of you?

01:50:07 7 A. No.

01:50:08 8 Yeah, our address verification letter.

01:50:15 9 Q. Okay. So this is what you send if someone
01:50:18 10 provides an address that can't be located in the Total
01:50:23 11 Address system, is that -- that's correct?

01:50:25 12 A. That's correct.

01:50:27 13 Q. Okay. And then if you could go down to the
01:50:34 14 bottom of that document, under where it says
01:50:37 15 "Signature," and there's a couple sentences in
01:50:42 16 parentheses; do you see that?

01:50:46 17 A. Yes, I do.

01:50:49 18 Q. Okay. So I'll read that for the record. "Use
01:50:52 19 information such as north, south, east, west and mile
01:50:55 20 markers of State Highways, apartment complex names, NHA
01:51:01 21 housing names," and then it gives some examples.

01:51:05 22 Did I read that correctly?

01:51:08 23 A. Yes, you did.

01:51:10 24 Q. Okay. And so if someone -- if you send this
01:51:12 25 letter to someone and they respond by providing a

01:51:20 1 description like one of these examples, so one example
01:51:24 2 is one and a half miles southwest of KTNN radio
01:51:29 3 station --

01:51:29 4 A. Uh-huh.

01:51:30 5 Q. -- can you tell me how you would use that
01:51:34 6 description to get their address properly entered in the
01:51:40 7 Total Address system?

01:51:42 8 A. Uh-huh. So normally, because we do have quite
01:51:46 9 a few of these addresses like this, they may just be
01:51:49 10 directionally, you know, southwest of a major, you know,
01:51:55 11 point. If we -- if there is a residence there and it
01:52:01 12 fits their description, then we can add a Total Address
01:52:05 13 point to that description, to that point, and then
01:52:11 14 assign them that address.

01:52:15 15 Q. Okay.

01:52:15 16 A. But if that -- if that point puts them in the
01:52:18 17 middle of a lake or someplace where there is not a
01:52:20 18 residence, using Google Earth or Google Maps, there is
01:52:25 19 not something there, then we would probably contact the
01:52:30 20 registrant again for more clarification.

01:52:32 21 Q. Okay. So let's assume on this example, again,
01:52:39 22 1.5 miles southwest of the radio station, you would take
01:52:43 23 that and then look at a map online, like Google Maps or
01:52:48 24 something, and drop a point, and then that would be the
01:52:51 25 person's official address under the system?

01:52:56 1 A. That is correct.

01:52:58 2 Q. Okay. Okay. But then I think you said if it
01:53:02 3 looks like it's not a location where someone could live,
01:53:06 4 then you will follow up with them again to try to get
01:53:09 5 more specific information?

01:53:12 6 A. That is correct.

01:53:14 7 Q. And aside from descriptions, sometimes people
01:53:18 8 provide drawings of where they live on the voter
01:53:25 9 registration application as well; is that correct?

01:53:27 10 A. That is correct.

01:53:28 11 Q. Okay. And can you tell me the same thing, your
01:53:33 12 process for trying to match that with a specific point
01:53:38 13 in the Total Address system?

01:53:42 14 A. Yes. I would just follow their direction,
01:53:45 15 follow that drawing as much as I can. Sometimes they're
01:53:48 16 upside down. Sometimes they're sideways. But we do our
01:53:53 17 absolute best to, you know, follow the description that
01:53:55 18 the registrant has put there and then find the location.
01:53:59 19 And it's the same with the other, is if that description
01:54:03 20 does not locate an actual residence on the map or we're
01:54:07 21 still not sure, then we would contact the registrant
01:54:11 22 again --

01:54:12 23 Q. Okay.

01:54:12 24 A. -- for more clarification.

01:54:15 25 Q. And if that situation comes up where you can't

01:54:19 1 get an exact location, then how -- how would you send
01:54:25 2 the incomplete address letter if you don't have -- if
01:54:29 3 you just have a drawing or a description or something
01:54:34 4 like that?

01:54:36 5 A. So we would send the letter to their mailing
01:54:38 6 address, which is usually different than that physical
01:54:42 7 address.

01:54:43 8 Q. Okay.

01:54:45 9 A. There are instances where they do not provide a
01:54:49 10 mailing address that is different from that description.
01:54:52 11 In that case we would try to contact them via phone,
01:54:57 12 e-mail, if that is provided on the registration form.

01:55:04 13 So other than that, if they -- like let's say
01:55:07 14 they just give a physical address that we can't verify
01:55:10 15 and they don't give us any other, you know, contact
01:55:14 16 information. Then, you know, we do -- we do try to send
01:55:19 17 it out to that physical address, and normally it will
01:55:22 18 probably come back to us undeliverable.

01:55:24 19 Q. Okay. And in the situation where you try to do
01:55:32 20 followup as you've described, so if you send that letter
01:55:36 21 or you try to contact them in a different way and you're
01:55:40 22 unable to do so, what happens to that person's
01:55:45 23 registration?

01:55:48 24 A. They would more than likely stay in suspense,
01:55:52 25 waiting verification.

01:55:53 1 Q. Okay.

01:55:55 2 A. This is part of it where I'm still getting
01:55:59 3 training.

01:55:59 4 Q. Okay.

01:56:00 5 A. I do know that there are, you know, certain
01:56:03 6 rules about how long they can stay in suspense, and I
01:56:06 7 think they have to go through a cycle of not voting
01:56:10 8 during so many, you know, elections and that sort of
01:56:13 9 thing. I am still training on that.

01:56:17 10 Q. Okay.

01:56:17 11 A. But in Apache County, since I've been in this
01:56:20 12 position, I haven't canceled anybody or anything in that
01:56:24 13 status because I'm still working with the Secretary of
01:56:27 14 State on training how to do that.

01:56:29 15 Q. Okay. Sure. And if they're in that suspense
01:56:35 16 category, are they able to vote in the -- in any
01:56:41 17 elections?

01:56:43 18 A. If they did try to vote, we would have to have
01:56:46 19 them verify that address. More than likely they would
01:56:49 20 have to vote provisionally.

01:56:51 21 Q. Okay.

01:56:53 22 A. Yes. But they are able to still vote if
01:56:56 23 they're in suspense provisionally, yeah.

01:57:00 24 Q. Okay. They'll vote a provisional ballot.

01:57:05 25 And you started this job, I know, in November

01:57:09 1 of 2022. Were there situations after the November '22
01:57:17 2 election where people voted provisionally?

01:57:21 3 A. Yes.

01:57:22 4 Q. Okay. And do you know about how many people?

01:57:28 5 A. I don't know that number. Like I said, I
01:57:30 6 started about maybe three days before the election.

01:57:35 7 Q. Okay.

01:57:35 8 A. So, you know, started as a temp just helping
01:57:37 9 out and whatever. So I don't know the specifics about
01:57:40 10 the November '22 election.

01:57:43 11 Q. Okay. And I'm not asking for specific numbers
01:57:49 12 here, but do you have a sense of those people who do
01:57:55 13 vote provisionally because they're on the suspense list,
01:57:59 14 about what proportion are able to have their vote
01:58:05 15 counted after follow-up?

01:58:09 16 A. Like I said, my only experience was with this
01:58:12 17 past election. I do not know the numbers from that
01:58:15 18 election myself. I don't believe the number's super
01:58:21 19 high, but I don't want to speak to that if I don't know
01:58:24 20 the answer.

01:58:25 21 Q. Okay. Fair.

01:58:27 22 And you mentioned the Navajo Reservation a few
01:58:32 23 minutes ago. Can you tell me which other Native
01:58:35 24 American Reservations are in Apache County?

01:58:41 25 A. I believe that's the only one, as far as I

01:58:46 1
01:58:46 2
01:58:46 3
01:58:54 4
01:58:54 5
01:58:59 6
01:59:03 7
01:59:09 8
01:59:10 9
01:59:11 10
01:59:13 11
01:59:18 12
01:59:22 13
01:59:24 14
01:59:29 15
01:59:36 16
01:59:40 17
01:59:46 18
01:59:52 19
01:59:55 20
01:59:57 21
02:00:01 22
02:00:02 23
02:00:06 24
02:00:11 25

know.
Q. Okay.
A. I don't think any others come into the Apache
County.
Q. And are there areas or -- strike that.
Do you know of areas on the Navajo Reservation
or any Reservations that lack a numbered street address?
A. Yes, many.
Q. Okay.
A. Many.
Q. And would you say it's more likely that a home
on a Reservation would lack a street address than a home
elsewhere?
A. Yes. I know that the southern part of the
county as well we've got a lot of addresses that do not
have 911 addresses, I guess, that are not assigned an
actual address that are very, very rural. So I would
say more likely, yes, on the Navajo Nation they have
fewer addresses; but I do come in contact with that in
the other part of the county as well.
Q. And when you say no 911 address, what does that
mean?
A. That would be like an address that is assigned,
that the county would assign to that residence --
Q. Okay.

02:00:13 1 A. -- that's on the record. So if you Googled it,
02:00:16 2 you would be able to find it.

02:00:17 3 Q. Okay. And so you've seen voter registration
02:00:26 4 applications from a Reservation that lack a standard
02:00:29 5 street address; is that correct?

02:00:32 6 A. Yes, I would say a high proportion --

02:00:35 7 Q. Okay.

02:00:35 8 A. -- that are on the Navajo Nation are -- lack a
02:00:38 9 standard address, yeah.

02:00:39 10 Q. But would you say over half?

02:00:43 11 A. Oh, yeah. Yes.

02:00:45 12 Q. Okay. And do you know if voter registration
02:00:53 13 rates are lower for people who live on a Reservation
02:00:59 14 than people who live elsewhere in Apache County?

02:01:05 15 MR. LANGHOFER: Foundation.

02:01:11 16 THE WITNESS: Am I able to answer?

02:01:12 17 BY MR. FERGUSON:

02:01:12 18 Q. Yeah, go ahead.

02:01:17 19 A. Okay. I wouldn't know. I wouldn't know that.

02:01:19 20 Q. Okay. Let's move back a little bit to
02:01:27 21 documentary proof of residence that we were talking
02:01:30 22 about and how that applies to people who lack a standard
02:01:33 23 street address.

02:01:37 24 Do you know how someone who lacks a standard
02:01:39 25 street address would be able to provide DPOR?

02:01:46 1 MR. LANGHOFER: Calls for a legal
02:01:47 2 conclusion.

02:01:56 3 THE WITNESS: As far as that, they can,
02:01:58 4 you know, draw the map, give a more descriptive of where
02:02:05 5 the house is located. They can provide a Google Plus
02:02:13 6 Code. We do send out, you know, instructions on how to
02:02:15 7 find a Google Plus Code to all of those people. We can
02:02:21 8 call them, speak to them and that sort of thing. We can
02:02:25 9 also -- I know that we can have our outreach employees
02:02:29 10 go and try to locate the house that way as well.

02:02:33 11 BY MR. FERGUSON:

02:02:33 12 Q. Okay. Thank you.

02:02:40 13 So let's move back to that requirement we were
02:02:42 14 discussing in H.B. 2492. The applicants provide some
02:02:49 15 kind of document that proves their residency separately
02:02:54 16 from just providing a verified address. And can you
02:03:04 17 take a look at Document J? Do you have that in front of
02:03:06 18 you?

02:03:06 19 A. No, I do not.

02:03:11 20 Q. Okay. I'll pull it up on the screen.

02:03:21 21 Okay. Do you see that?

02:03:24 22 A. I do.

02:03:25 23 Q. Great. So this has been marked as Exhibit 24
02:03:28 24 already.

02:03:28 25 Have you ever seen this document before?

02:03:32 1 A. I have not, no.

02:03:33 2 Q. Okay. So I'll represent to you that the State
02:03:38 3 of Arizona has submitted this document in this case and
02:03:42 4 has indicated that it's a chart created by the Secretary
02:03:46 5 of State about DPOR.

02:03:50 6 A. Okay.

02:03:50 7 Q. So, to your knowledge, this document has not
02:03:52 8 been sent to your office or the office of any other
02:04:05 9 County Recorders?

02:04:05 10 A. I do not know.

02:04:06 11 Q. And if -- on the second page here you'll see in
02:04:09 12 green it says "What constitutes Documentary Proof of
02:04:13 13 Residency?" If you look at the third box down, it says,
02:04:18 14 "Tribal identification card." Do you see that?

02:04:21 15 A. Yes.

02:04:22 16 Q. Would your office accept that as valid
02:04:26 17 documentary proof of residency?

02:04:28 18 A. Yes, we would.

02:04:30 19 Q. Okay. And then now down to the fifth box,
02:04:34 20 where it says "Utility bill, bank statement, Arizona
02:04:38 21 insurance card," would your office accept those
02:04:43 22 documents as acceptable documentary proof of residency?

02:04:49 23 A. Yes, we would.

02:04:51 24 Q. And would you accept an affidavit from the
02:04:55 25 applicant saying that they're qualified to register?

02:05:02 1 A. We would have to have other checks and balances
02:05:07 2 in place. We can't just take their word for it, I
02:05:10 3 guess.

02:05:11 4 Q. Okay.

02:05:12 5 A. Yeah.

02:05:12 6 Q. Sure. Okay. I'll stop sharing my screen now.

02:05:17 7 Are you familiar with the National Voter

02:05:25 8 Registration Act or NVRA?

02:05:27 9 A. Yes.

02:05:30 10 Q. Okay. And are there agencies in Apache County
02:05:33 11 that provide voter registration services pursuant to the
02:05:38 12 NVRA?

02:05:41 13 A. Yes, there are.

02:05:42 14 Q. Okay. Do you know which agencies those are?

02:05:47 15 I'm not asking you to list all of them, but are you

02:05:49 16 aware of a few?

02:05:52 17 A. So like that would be like DES, public -- you
02:05:58 18 know, public assistance programs, that sort of thing.

02:06:00 19 Q. Okay. Excellent.

02:06:01 20 And are you aware of any effort to educate

02:06:04 21 those agencies on the DPOR requirement we've been

02:06:12 22 discussing in H.B. 2492?

02:06:15 23 A. I am not aware.

02:06:17 24 Q. Okay.

02:06:17 25 A. I can't answer that.

02:06:18 1 Q. Okay. I'd like to turn now to Document D. Do
02:06:26 2 you have that one?

02:06:27 3 A. I do.

02:06:28 4 Q. Okay. Great. So let me pull that up as well.
02:06:35 5 Have you seen this document before?

02:06:37 6 A. I have, yes.

02:06:38 7 Q. Okay. Can you describe what it is?

02:06:42 8 A. It is an e-mail thread between the Secretary of
02:06:52 9 State's Office, the AVID group, in regards to unverified
02:07:02 10 addresses in AVID and Total Address.

02:07:06 11 Q. Okay. And have you seen this e-mail as part of
02:07:11 12 your job or have you seen it just in preparing for the
02:07:15 13 deposition today?

02:07:17 14 A. Just in preparing for the deposition today.

02:07:22 15 Q. Okay. So I'm going to read just a portion of
02:07:29 16 this first page for the record. And if we can mark this
02:07:36 17 document as Exhibit 247, please.

02:07:46 18 So this is -- I'm going to read from the first
02:07:50 19 paragraph. "These are addresses that are neither
02:07:53 20 connected to a standard point nor have an actual point
02:07:57 21 dropped in TA." Do you see that part?

02:08:00 22 A. I do.

02:08:01 23 Q. Okay. And TA, is that Total Address that we've
02:08:04 24 been talking about?

02:08:06 25 A. It is, yes.

02:08:08 1 Q. Okay. And then at the bottom of the e-mail it
02:08:12 2 says "Apache" and then the number 15,019; is that
02:08:22 3 correct?

02:08:22 4 A. That is correct.

02:08:23 5 Q. Okay. So to your understanding, is this e-mail
02:08:26 6 saying that as of March 2022, there are 15,019 voters in
02:08:32 7 Apache County whose address was not connected to a point
02:08:36 8 in the TA system?

02:08:38 9 A. That is correct.

02:08:39 10 Q. Okay. And so were you -- before you saw this
02:08:43 11 e-mail, were you aware of this problem?

02:08:49 12 A. Yes, I was.

02:08:50 13 Q. Okay.

02:08:51 14 A. Uh-huh.

02:08:51 15 Q. And I know that you started about six months
02:08:55 16 after this e-mail was sent, but can you tell me, to your
02:09:00 17 knowledge, what the office has done to address this
02:09:03 18 problem?

02:09:05 19 A. We've actually been working very hard to get
02:09:09 20 this number down. We are now in the 8,000s,
02:09:14 21 approximately.

02:09:16 22 Q. Okay.

02:09:18 23 A. When I started, I think we were at around
02:09:22 24 30,000. So this has been kind of my personal big goal
02:09:27 25 to get this completed, and I have been in contact with

02:09:32 1 Russ Smith from the Secretary of State's Office and the
02:09:37 2 AVID -- in the AVID department to get this reconciled --
02:09:42 3 Q. Okay.
02:09:43 4 A. -- as quickly as possible.
02:09:45 5 Q. Okay. So that number was at 15,000 in March
02:09:49 6 and then it went up to 30,000 --
02:09:53 7 A. It was at 30,000 last November when I first
02:10:00 8 started.
02:10:01 9 Q. Okay.
02:10:01 10 A. So I don't know --
02:10:03 11 Q. Right.
02:10:03 12 A. -- a date on this
02:10:05 13 Q. Okay.
02:10:07 14 A. Okay.
02:10:07 15 Q. So this e-mail says March 2022. Sorry. I
02:10:12 16 should have said the year.
02:10:14 17 A. Yeah. So it did go up, apparently.
02:10:18 18 Q. Okay. And now you said it's down to about
02:10:20 19 8,000.
02:10:21 20 A. Uh-huh.
02:10:21 21 Q. Can you tell me how -- how you have lowered the
02:10:26 22 number?
02:10:27 23 A. We've manually had to go in to each individual
02:10:32 24 record and reconcile their address in Total Address. So
02:10:37 25 it's been a big endeavor.

02:10:39 1 Q. Okay. And is that normally done without
02:10:45 2 contacting the voter or applicant?

02:10:50 3 A. For the most part, yes, because some of them
02:10:53 4 are as simple as taking out a space that was in there
02:10:57 5 and then it suddenly will recognize the address and --

02:11:01 6 Q. I see.

02:11:01 7 A. -- we just update it and reconcile it. Some
02:11:05 8 are not so easy. We can't find the address. So what we
02:11:08 9 would do is put them in suspense and send them a letter
02:11:11 10 for verification.

02:11:13 11 Q. Okay. So some of the -- some of that 15,000 or
02:11:18 12 later 30,000 were just because of things like typos?

02:11:23 13 A. Yes. Yes.

02:11:29 14 Q. Okay. And then some portion of them were also
02:11:31 15 because the description or address couldn't be located
02:11:35 16 even if it -- even if there was no typo?

02:11:39 17 A. That's correct, yes.

02:11:42 18 Q. Okay. And can you tell me what -- so the
02:11:45 19 voters on that list that were at 15,000 in March of
02:11:55 20 2022, were they all on the suspense list that you
02:11:58 21 mentioned before?

02:12:01 22 A. No, they were not. Some --

02:12:02 23 Q. Okay.

02:12:02 24 A. And where these originated, for the most part,
02:12:07 25 was when we migrated from the old voter registration

02:12:13 1 system to AVID --

02:12:15 2 Q. Okay.

02:12:16 3 A. -- and started using Total Address. That's
02:12:19 4 where most of many them were originated from. Most of
02:12:24 5 the counties had those reconciled I believe it was
02:12:27 6 2020 --

02:12:28 7 Q. Okay.

02:12:28 8 A. -- when that migration happened. So they were
02:12:33 9 still active and everything in the system. We just --
02:12:37 10 they were just still showing in AVID that they were not
02:12:41 11 reconciled. So a lot of them, yes, are active. They
02:12:44 12 could vote, everything. We just have to verify those
02:12:48 13 addresses.

02:12:49 14 Q. Okay. Thank you.

02:12:51 15 And that -- so do you have a ballpark idea of
02:12:56 16 what proportion of those voters, of the 15,000, were
02:13:02 17 active and able to vote at that time?

02:13:08 18 A. I would say a majority of them. There were not
02:13:12 19 so many that, you know, did not -- were not assigned a
02:13:15 20 precinct part because of the unverified address.

02:13:20 21 Q. I see.

02:13:20 22 A. Yeah, that's a small portion of them.

02:13:23 23 Q. And so the -- that's what I was going to get to
02:13:26 24 next. If someone doesn't have a specific point in TA,
02:13:33 25 it could link that voter to the wrong precinct; is that

02:13:40 1 correct?

02:13:40 2 A. It could, yes.

02:13:41 3 Q. Okay. Or would it sometimes not assign them to
02:13:44 4 a precinct?

02:13:45 5 A. So it would either assign them to no precinct.

02:13:50 6 Q. Okay.

02:13:50 7 A. In that case, you know, they wouldn't -- they
02:13:52 8 would not be able to vote because they are not assigned
02:13:56 9 a precinct. For the most part, they -- when that
02:14:02 10 migration happened -- I'm still trying to understand the
02:14:05 11 AVID system.

02:14:06 12 Q. Sure.

02:14:07 13 A. But from what I understand is that they still
02:14:12 14 maintained the same precinct that they were assigned in
02:14:16 15 the previous system. So they were still able to vote.
02:14:19 16 But once we go and reconcile them, sometimes it -- their
02:14:23 17 house really isn't there. It's over here. So it may
02:14:26 18 put them in a different precinct.

02:14:29 19 Q. Okay.

02:14:29 20 A. Yeah.

02:14:33 21 Q. Thank you.

02:14:34 22 And so the people out of this 15,000 and then
02:14:38 23 the later 30,000, the ones that are on the suspense
02:14:46 24 list, is that because they would be in the wrong
02:14:48 25 precinct or not assigned to a precinct?

02:14:51 1 A. So the ones that are being put in the suspense
02:14:54 2 list, as we go through, you know, this 15,000 whatever,
02:14:59 3 they have to manually be put on the suspense list.

02:15:02 4 Q. Okay.

02:15:02 5 A. So we've reviewed it, we haven't been able to
02:15:05 6 reconcile their address in Total Address, and we put
02:15:08 7 them on suspense and send them a letter. So none of
02:15:12 8 them were automatically put in suspense --

02:15:14 9 Q. I see. I see.

02:15:15 10 A. -- by the system. So if they had an unverified
02:15:19 11 address left over from that merge --

02:15:22 12 Q. Uh-huh.

02:15:23 13 A. -- then they were still able to vote based on
02:15:27 14 that precinct that they were assigned from before --

02:15:29 15 Q. Okay.

02:15:29 16 A. -- if they were assigned one.

02:15:30 17 Q. So the suspense list is only for people who
02:15:34 18 you've gone in to manually look at the address and you
02:15:36 19 cannot confirm or pinpoint it, and then someone in your
02:15:41 20 office puts them on that list; is that correct?

02:15:44 21 A. That's correct, yes.

02:15:46 22 Q. Okay.

02:15:46 23 A. Uh-huh.

02:15:47 24 Q. Thank you.

02:15:48 25 Do you know about how many voters out of that

02:15:58 1 15,000 lived on a Reservation?

02:16:06 2 A. I can't say for sure, but I would say the
02:16:08 3 majority were from -- were on the Reservation, yes.

02:16:12 4 Q. Okay. And you provided a document as part of
02:16:20 5 the discovery in this case, Request for Production 3,
02:16:23 6 that had a suspense list; do you remember that?

02:16:28 7 A. I do.

02:16:29 8 Q. Okay. And is that the same list that we've
02:16:34 9 been talking about just now?

02:16:39 10 A. Yes.

02:16:39 11 Q. Okay.

02:16:40 12 A. Obviously it's changed since that production.

02:16:42 13 Q. Sure.

02:16:42 14 A. Because we've added more to it.

02:16:48 15 Q. Okay. But every person on that list is on
02:16:50 16 there because of some kind of problem with their
02:16:55 17 address; is that correct?

02:16:59 18 A. I believe so. I'm trying to remember. Because
02:17:05 19 you can run that -- you can put voters on suspense for
02:17:10 20 more than just address verification. But I believe I
02:17:14 21 had run that report, the suspense list, based on the
02:17:18 22 unverified addresses.

02:17:19 23 Q. Okay. And do you --

02:17:23 24 A. If I remember.

02:17:24 25 Q. Sure.

02:17:26 1 Do you remember about how many people were on
02:17:28 2 that list when you sent it? Again, I'm not asking for
02:17:32 3 exact numbers.

02:17:34 4 A. I do not.

02:17:35 5 Q. Okay.

02:17:36 6 A. I do not remember.

02:17:37 7 Q. If it says "Waiting Verification" on that
02:17:42 8 suspense list, does that refer to the waiting for
02:17:46 9 verification of their address?

02:17:48 10 A. Yes. There would be a further, other
02:17:53 11 specification. It would be you put them in suspense,
02:17:56 12 they're waiting verification, and then you would choose
02:17:58 13 the reason why. Some of those could be citizenship.
02:18:01 14 Some of it could be address verification. There's
02:18:04 15 multiple choices there. But I believe the one that I
02:18:09 16 sent you was based on missing or incomplete address.

02:18:14 17 Q. Okay. Thank you.

02:18:16 18 And then just going back to you mentioned the
02:18:28 19 county providing addresses for homes, and I think you
02:18:32 20 mentioned that with regard to the southern part of
02:18:35 21 Apache County. Do you know what agency or division of
02:18:41 22 the county government provides those addresses?

02:18:47 23 A. Our Apache County Engineering provides those.

02:18:50 24 Q. Okay. And do they -- do they also provide
02:18:55 25 addresses for homes on Reservations or not?

02:19:01 1 A. I do not believe so, no.

02:19:03 2 Q. Okay. If you'll just give me one moment.

02:19:15 3 MS. ROBERTSON: Brent, perhaps we could

02:19:16 4 take just a five-minute break, if this is a good time.

02:19:18 5 MR. FERGUSON: Yeah, that's good with me.

02:19:20 6 Is that good with everyone else?

02:19:23 7 THE WITNESS: That's fine.

02:19:24 8 THE VIDEOGRAPHER: We are off the record.

02:19:25 9 Time on the video monitor is 2:19 p.m.

02:19:30 10 (A recess was taken.)

02:26:20 11 THE VIDEOGRAPHER: We are on the record.

02:26:21 12 Time on the video monitor is 2:26 p.m.

02:26:26 13 BY MR. FERGUSON:

02:26:27 14 Q. Great. Thank you.

02:26:28 15 So we've been talking a little bit about how

02:26:34 16 voters were placed on the suspense list. Has Apache

02:26:41 17 County ever removed voters from the rolls because their

02:26:47 18 address couldn't be verified?

02:26:51 19 A. In the time that I have been here, no, because

02:26:54 20 I know that it needs to be done. Like I said, I'm still

02:26:59 21 being trained on that procedure and policy. But I do

02:27:03 22 have a list. I know that, you know, we have to wait

02:27:08 23 35 days from the time that their notice goes out and

02:27:12 24 that sort of thing. We have to wait so many election

02:27:15 25 cycles before we can actually cancel them. That has not

02:27:19 1 happened since I've been here, because I'm waiting --
02:27:22 2 I'm working with the Secretary of State's Office to get
02:27:25 3 trained on doing that.

02:27:27 4 Q. Sure.

02:27:28 5 A. But I do know that there is a policy on when
02:27:30 6 you can cancel voters on that suspense list.

02:27:35 7 Q. Okay.

02:27:36 8 A. There is a time limit, yeah.

02:27:39 9 Q. So they could be on the suspense list for some
02:27:42 10 certain period of time and then removed.

02:27:46 11 Is there any situation you're aware of where
02:27:48 12 voters were simply removed without being placed on a
02:27:52 13 suspense list?

02:27:54 14 A. The only time we would do that is if they are
02:27:59 15 deceased or we have proof that they have moved out of
02:28:02 16 the county.

02:28:03 17 Q. Okay.

02:28:03 18 A. But not for -- not for unverified addresses,
02:28:07 19 no.

02:28:07 20 Q. Okay. Okay. Thank you.

02:28:07 21 And then we've talked some about the documents
02:28:15 22 that someone might be able to provide for proof of
02:28:25 23 residency, and you mentioned before that a Tribal
02:28:30 24 identification card or utility bill would be acceptable;
02:28:38 25 is that correct?

02:28:38 1 A. That is correct, yes.

02:28:40 2 Q. Okay. If you'll give me just one moment.

02:28:57 3 Do you ever refer to documents like that when
02:29:00 4 going through the process of locating voters, or do you
02:29:06 5 just use their description and the map that you
02:29:10 6 mentioned?

02:29:15 7 A. So I will run usually like the HAVA check, like
02:29:19 8 if they -- let's say they gave me a drawing and a
02:29:23 9 description and I still can't figure it out. I can run
02:29:26 10 a HAVA check and see what's on their driver's license.
02:29:29 11 Usually it's the same exact thing that they've given me,
02:29:32 12 so it's not very helpful. And I also have looked on
02:29:36 13 past voter registration forms if they've done one before
02:29:40 14 to see if they have a similar description or other, you
02:29:44 15 know, that sort of thing. But --

02:29:47 16 Q. Okay.

02:29:48 17 A. I wouldn't -- I wouldn't refer to like their
02:29:50 18 Tribal ID, because all we have is the ID number. We
02:29:53 19 don't necessarily have those on file; or like a utility
02:29:58 20 bill, we wouldn't keep that on file with us to refer to,
02:30:03 21 so...

02:30:05 22 Q. Okay. Thank you.

02:30:06 23 So moving on, could you just describe in
02:30:13 24 general how the office works to protect against voter
02:30:18 25 fraud?

02:30:22 1 A. For the most part, it is reviewing the voter
02:30:29 2 registration form to make sure that signatures match,
02:30:32 3 the handwriting matches. And then once we enter it into
02:30:37 4 the AVID system, we do like a HAVA check. It will also
02:30:43 5 double-check to make sure if there's any other voters
02:30:45 6 with that same social, date of birth, and name. It will
02:30:49 7 tell us if there's other matches. The system does that
02:30:53 8 for us automatically, so -- yeah.

02:30:58 9 Q. And --

02:30:58 10 A. And --

02:30:59 11 Q. Sorry. Go ahead.

02:31:01 12 A. No, I just know that there's cases like if we
02:31:05 13 get voter registration forms and they look like they
02:31:08 14 haven't been filled out like or they've been filled out
02:31:11 15 by someone other than the person that signed it, you can
02:31:15 16 kind of tell. We go through training and certification
02:31:18 17 for like signature verification.

02:31:20 18 Q. Okay.

02:31:21 19 A. That sort of thing, so...

02:31:25 20 Q. Sure. And let's talk about -- a little bit
02:31:27 21 more about that, about the steps you would take if you
02:31:30 22 believe there might be an instance of fraud. You
02:31:33 23 mentioned the signature matching. What would your next
02:31:39 24 steps be there?

02:31:42 25 A. I would probably be consulting our County

02:31:45 1 Attorney or the Secretary of State's Office if I found
02:31:47 2 anything like that --

02:31:48 3 Q. Okay.

02:31:49 4 A. -- and, you know, before I moved forward.

02:31:51 5 Q. Okay. Great.

02:31:52 6 And so are you essentially the leader of any
02:31:58 7 investigation into that in your office?

02:32:01 8 A. In our office, yes, I would be the person that
02:32:03 9 would investigate that, yeah.

02:32:06 10 Q. Okay. And do you think overall your office's
02:32:11 11 work has been effective in preventing fraud?

02:32:15 12 A. I believe so. I haven't had to deal with
02:32:20 13 any -- I've been made aware of past situations before I
02:32:24 14 took the position of that, but I personally haven't had
02:32:29 15 to deal with any possible voter fraud myself.

02:32:33 16 Q. Okay. So you haven't yourself witnessed or
02:32:40 17 known about any instances of fraud in Apache County?

02:32:47 18 MR. LANGHOFER: Foundation.

02:32:49 19 THE WITNESS: Yeah, did you want me to
02:32:50 20 answer?

02:32:51 21 BY MR. FERGUSON:

02:32:51 22 Q. Yes, you can go ahead. Sorry.

02:32:54 23 A. Okay. No, it's okay.

02:32:57 24 I have been aware of some possible situations
02:33:00 25 where there have been voter fraud, yes.

02:33:03 1 Q. Okay.

02:33:03 2 A. But that was before I was the person in the
02:33:05 3 position.

02:33:06 4 Q. Okay.

02:33:06 5 A. So I do know that it has happened.

02:33:08 6 Q. Okay. And can people submit allegations about
02:33:14 7 fraud to your office?

02:33:18 8 A. Yes, they can.

02:33:19 9 Q. Okay. And has that happened since you started
02:33:23 10 in your job there?

02:33:25 11 A. No, it has not.

02:33:29 12 Q. Okay. Have you engaged in any meetings or
02:33:34 13 discussions since you've been in the office about
02:33:42 14 preventing fraud with people outside the Apache County
02:33:45 15 Recorder's Office?

02:33:49 16 A. I personally have -- I know that they do
02:33:52 17 provide those trainings and meetings through the
02:33:55 18 Secretary of State's Office. I wasn't the one to attend
02:33:59 19 that specific meeting. I believe another person from
02:34:02 20 our office was the one to attend that.

02:34:06 21 Q. Okay.

02:34:06 22 A. But they are made available through the
02:34:09 23 Secretary of State's Office.

02:34:10 24 Q. Sure.

02:34:11 25 And those are general trainings and not

02:34:19 1 specific meetings about things that --

02:34:19 2 A. Oh, like a --

02:34:23 3 Q. -- things specific to Apache County?

02:34:26 4 A. Yeah, that's correct. Yeah. I haven't heard
02:34:30 5 of any specific meeting about any possible fraud in
02:34:33 6 Apache County.

02:34:36 7 Q. Okay. And we talked about AVID and the MVD
02:34:40 8 database before. So it's correct that your office uses
02:34:45 9 that database?

02:34:46 10 A. That's correct.

02:34:48 11 Q. Okay. And what do you use that for?

02:34:51 12 A. To -- we run -- or the HAVA checks go through
02:34:54 13 the MVD and the Social Security Administration to let us
02:34:59 14 know if there's anything on that person's record that
02:35:02 15 would keep them from being a registered voter.

02:35:05 16 Q. Okay.

02:35:07 17 A. Yeah.

02:35:07 18 Q. Let's talk about those two databases
02:35:13 19 separately. So with the MVD system, can you just walk
02:35:17 20 me through how that process happens when you enter the
02:35:22 21 person's information?

02:35:24 22 A. Yeah. So we enter their information into the
02:35:28 23 AVID system and then we just click a button that says
02:35:33 24 HAVA checks and it does -- I don't know the
02:35:35 25 interworkings of it on their end, but it does bounce

02:35:39 1 back with that -- with those two databases.

02:35:43 2 If there is an issue, it would pop back with a
02:35:47 3 button that says this person does not have proof of
02:35:52 4 citizenship. They would be a federal ID only voter,
02:35:58 5 which means that they could only vote in federal
02:36:00 6 elections. They would not be able to participate in the
02:36:03 7 others.

02:36:07 8 Q. And you're describing the HAVA check system; is
02:36:10 9 that correct?

02:36:10 10 A. That's correct, yes.

02:36:13 11 Q. And you're saying that the back end of it uses
02:36:15 12 the MVD database and the SSA database; is that correct?

02:36:21 13 A. That's correct.

02:36:22 14 Q. Okay.

02:36:22 15 A. Yes.

02:36:23 16 Q. You don't have any way to access the SSA
02:36:32 17 database directly; is that correct?

02:36:34 18 A. That's correct.

02:36:37 19 Q. Okay. And when you get a result from that HAVA
02:36:43 20 check system, do you have any -- is there any indication
02:36:49 21 of where the information came from, which back end
02:36:53 22 database it came from?

02:36:56 23 A. The only time is it will specify either SSA or
02:37:02 24 MVD.

02:37:03 25 Q. Okay.

02:37:04 1 A. But I don't know -- I wouldn't know if it's
02:37:06 2 because of a suspended license or lack of social
02:37:11 3 security number. I would not know the reason behind it,
02:37:17 4 if that makes -- is that what you're asking?

02:37:19 5 Q. Yes. Thank you.

02:37:20 6 A. Okay. Okay.

02:37:21 7 Q. And then aside from that, if you get a result,
02:37:26 8 will it just tell you eligible or ineligible, or will it
02:37:30 9 give you more detailed information?

02:37:34 10 A. No, it would just tell me that this person came
02:37:36 11 up with data from either the MVT or SSA, they will be a
02:37:41 12 federal ID only voter, and then processed accordingly.

02:37:49 13 Q. Okay.

02:37:49 14 A. And it would automatically put them in fed
02:37:52 15 only.

02:37:53 16 Q. I see.

02:37:54 17 And would it -- would it also show whether that
02:37:58 18 applicant has an F-Type license?

02:38:01 19 A. It would not tell me which, no.

02:38:03 20 Q. Okay. Do you know what an F-type license is?

02:38:08 21 A. I actually do not, no.

02:38:10 22 Q. Okay. If I told you it was a foreign
02:38:16 23 authorized presence license or a license that indicates
02:38:18 24 that a person was not a U.S. citizen when they received
02:38:24 25 the license, does that refresh your recollection?

02:38:29 1
02:38:32 2
02:38:36 3
02:38:37 4
02:38:40 5
02:38:47 6
02:38:49 7
02:38:58 8
02:39:02 9
02:39:05 10
02:39:08 11
02:39:08 12
02:39:09 13
02:39:13 14
02:39:15 15
02:39:15 16
02:39:20 17
02:39:20 18
02:39:23 19
02:39:23 20
02:39:36 21
02:39:41 22
02:39:47 23
02:39:50 24
02:39:54 25

A. Yes.

Q. Okay. And have you encountered that before or --

A. I have not, no.

Q. Okay. Do you -- sorry. Just going back to that previous question, do you know if anyone else in your office has encountered that, dealt with F-type licenses, or can you tell me who --

A. As far as I know, no. The majority of our voter registrations are usually through the MVD or Service Arizona --

Q. Okay.

A. -- that sort of thing. We don't get a lot of verifications at the window in office --

Q. Okay.

A. -- per se. So, no, I don't.

Q. Okay.

A. And I haven't come across too many of them, so...

Q. Okay. And if you -- so if someone is deemed ineligible or a federal only voter after you do the HAVA check, do you contact that voter or that applicant?

A. Yes. There would be an automatic notice created to inform them that they would be a federal ID only and give them the opportunity to bring the

02:39:57 1 proper -- the proper documents in to prove citizenship.

02:40:04 2 Q. Okay. And does that happen, where people later
02:40:09 3 provide that documentation; have you seen it happen?

02:40:11 4 A. I have, yes, uh-huh.

02:40:13 5 Q. Okay. So it's the case that the HAVA check
02:40:17 6 doesn't always have the most up-to-date data on
02:40:20 7 someone's citizenship status; is that correct?

02:40:24 8 A. That's correct. I mean I wouldn't say it's
02:40:27 9 like super -- that doesn't happen a lot; but, yes,
02:40:33 10 that's correct. I have had a few people come in and
02:40:35 11 verify their citizenship when it came up as federal ID
02:40:39 12 only before, so...

02:40:44 13 Q. Okay. And about -- so in your nine, ten months
02:40:50 14 in the office, can you tell me generally how many
02:40:59 15 federal only applications you received or -- sorry.
02:41:04 16 Strike that. Let me rephrase it.

02:41:06 17 How many people have been deemed federal only
02:41:12 18 in your time in the office? And once again, not a
02:41:16 19 specific number, but if you can give me some kind of
02:41:19 20 ballpark, that would be helpful.

02:41:21 21 A. I would say less than 30 --

02:41:25 22 Q. Okay.

02:41:25 23 A. -- that I've come across.

02:41:27 24 Q. Okay. So that's less than 30 federal only, and
02:41:30 25 then some people who have later provided proof of

02:41:35 1 citizenship after being deemed that?

02:41:41 2 A. Yeah.

02:41:41 3 Q. Okay. Thank you.

02:41:41 4 A. And that's probably three or four for that.

02:41:45 5 Q. Okay.

02:41:45 6 A. Yeah.

02:41:48 7 Q. And I'd like to move now to Document K. Do you

02:41:50 8 have that one?

02:41:55 9 A. I do not, no.

02:41:56 10 Q. Okay. Let me pull that up on the screen.

02:42:08 11 Okay. Can you see that one?

02:42:09 12 A. I can.

02:42:10 13 Q. Okay. And this has been marked Exhibit 133

02:42:13 14 already.

02:42:14 15 Do you recognize this?

02:42:16 16 A. I have not seen this one yet, no.

02:42:22 17 Q. Okay. So I'm going to read from near the

02:42:26 18 bottom of the page, the press release from the Secretary

02:42:30 19 of State, and I see it's dated October 18th, so it must

02:42:33 20 have been issued shortly before you joined the office.

02:42:38 21 The press release, I'm going to read from the

02:42:42 22 middle of it. "My office found and corrected a database

02:42:45 23 error in concert with the Motor Vehicle Division, which

02:42:48 24 led to less than a quarter of one percent of voters to

02:42:51 25 be registered as federal only voters when they should

02:42:54 1 have been registered as full ballot voters."

02:42:59 2 Did I read that correctly?

02:43:01 3 A. You did.

02:43:03 4 Q. Okay. Are you aware of this incident
02:43:06 5 happening?

02:43:07 6 A. I am. I know that we were sent a file of these
02:43:14 7 fed ID onllys that we were supposed to review and make
02:43:19 8 sure that they were done correctly. I don't believe
02:43:22 9 that Apache County had very many. I think there was
02:43:24 10 like eight or -- I don't -- I can't tell you the number,
02:43:28 11 but it was -- but we did go through and verify those --

02:43:33 12 Q. Okay.

02:43:33 13 A. -- to ensure that they were --

02:43:35 14 Q. Sorry.

02:43:36 15 A. Yeah, we made sure that they were correctly
02:43:40 16 designated as federal ID only.

02:43:45 17 Q. Okay. So it affected some voters in Apache
02:43:50 18 County?

02:43:50 19 A. It did.

02:43:51 20 Q. Okay. I'm going to take that document off the
02:44:01 21 screen.

02:44:01 22 Okay. So let's move on to the SAVE database or
02:44:08 23 Systematic Alien Verification for Entitlements. Are you
02:44:13 24 familiar with that program?

02:44:17 25 A. I have just learned about it. They will be

02:44:20 1 doing a training this summer that I -- or next month, I
02:44:25 2 believe.

02:44:25 3 Q. Okay.

02:44:25 4 A. That -- yeah.

02:44:26 5 Q. Sorry.

02:44:26 6 A. So I'm not super familiar with it. I know it
02:44:29 7 exists, but I haven't had that training yet.

02:44:32 8 Q. Okay. So you've never used it?

02:44:34 9 A. No, I have not.

02:44:36 10 Q. Okay. Are you aware that SAVE is used for when
02:44:46 11 people use an A-Number to provide citizenship
02:44:52 12 verification?

02:44:55 13 A. Yes, I'm generally aware of that, yes.

02:44:59 14 Q. Okay. And do you know about how often that
02:45:01 15 happens in Apache County?

02:45:05 16 A. I think personally I've come across one.

02:45:10 17 Q. Okay.

02:45:10 18 A. One myself. So it's not very often.

02:45:12 19 Q. So it's rare?

02:45:14 20 A. Yeah.

02:45:16 21 Q. Do you know if there's any way to use the SAVE
02:45:19 22 program if someone hasn't provided a number like that?

02:45:25 23 A. I do not know how it works. Like I said, I
02:45:28 24 haven't had the training yet, so...

02:45:30 25 Q. Okay. Sure.

02:45:32 1 So you're not aware of the results that the
02:45:36 2 SAVE system could give you if you enter someone's number
02:45:44 3 into it?

02:45:44 4 A. Yes, that's correct. I'm not aware of that.

02:45:46 5 Q. Okay. And is there anyone else in your office
02:45:49 6 who's dealt with SAVE checks like that, that you're
02:45:53 7 aware of?

02:45:55 8 A. No. We're all pretty much new, so...

02:45:58 9 Q. Okay.

02:45:58 10 A. Yeah, no.

02:46:03 11 Q. Fair enough.

02:46:03 12 Are there any databases other than the ones
02:46:11 13 we've discussed thus far that you use for voter
02:46:18 14 registration in any way?

02:46:23 15 A. As far as for verifying citizenship?

02:46:27 16 Q. Yes.

02:46:29 17 A. I think that we've covered all of them that I'm
02:46:32 18 aware of, yeah.

02:46:34 19 Q. Okay. And have you heard of the EVVE database,
02:46:40 20 which stands for Electronic Verification of Vital Events
02:46:43 21 database?

02:46:45 22 A. I have not, no.

02:46:49 23 Q. To your knowledge, your office doesn't have any
02:46:51 24 access to that database?

02:46:54 25 A. They may have access. I just -- I personally

02:47:01 1 do not know that.

02:47:02 2 Q. And the same question with ERIC, the Electronic
02:47:06 3 Registration Information Center. Are you aware of that
02:47:07 4 one?

02:47:08 5 A. Yes, I am.

02:47:09 6 Q. Okay. And does your office use that?

02:47:12 7 A. Yes, we do.

02:47:14 8 Q. Okay. What do you use that for?

02:47:17 9 A. From what I've utilized it for, usually it's to
02:47:21 10 verify deceased records and that sort of thing. I'm not
02:47:26 11 super adept at it yet, and normally it's automatic
02:47:33 12 through AVID and the Secretary of State's Office. I --
02:47:36 13 you know, I don't have to -- they'll send me the
02:47:39 14 results. I don't usually have to go search that
02:47:42 15 database.

02:47:42 16 Q. I see. So you don't normally access it
02:47:49 17 yourself?

02:47:50 18 A. No, I do not. Yeah, there's usually not a need
02:47:55 19 for that.

02:47:57 20 Q. Okay. And are you aware of it ever being used
02:48:01 21 for verification of citizenship status?

02:48:06 22 A. From what I've used it for, no, I haven't
02:48:10 23 utilized it for that purpose, no.

02:48:14 24 Q. Okay. Great.

02:48:15 25 I just want to talk for a couple minutes about

02:48:17 1 the federal voter registration form, and then shortly
02:48:24 2 after that I will be finished with questioning for now
02:48:28 3 and I'll pass it on to one of my colleagues.

02:48:31 4 So are you aware of the federal voter
02:48:36 5 registration form?

02:48:38 6 A. Yes.

02:48:40 7 Q. Okay. And can you give me just a general idea
02:48:43 8 of the relative breakdown between the number of state
02:48:46 9 form applications versus federal form applications that
02:48:49 10 your office receives?

02:48:53 11 A. We don't receive hardly any federal application
02:48:58 12 forms. I mean it's maybe -- it's a very small number.

02:49:03 13 Q. Okay.

02:49:03 14 A. Very, very small number. Most of them are the
02:49:06 15 state, state forms.

02:49:07 16 Q. So almost all state form?

02:49:11 17 A. Yes. Yeah.

02:49:14 18 Q. Okay. Great.

02:49:15 19 And we talked a little bit before about those
02:49:18 20 agencies that provide voter registration services under
02:49:21 21 the NVRA. Are you aware of any of those agencies that
02:49:27 22 use the federal form when they provide those services?

02:49:34 23 A. Not specifically, no, I'm not.

02:49:36 24 Q. Okay. And your office also provides blank
02:49:44 25 registration forms to third-party groups that register

02:49:47 1 voters; is that correct?

02:49:49 2 A. That is correct, yes.

02:49:51 3 Q. And just to your knowledge, do you know whether
02:49:55 4 those groups use the state form more often than the
02:50:02 5 federal form?

02:50:03 6 A. It would be the state form that we would give
02:50:07 7 if they come and request some directly from our office.
02:50:10 8 It would be the state form.

02:50:11 9 Q. Okay. And are you aware of any of those groups
02:50:13 10 that use the federal form?

02:50:17 11 A. No. As far as I know, no.

02:50:20 12 Q. Okay. Does your office, when you receive those
02:50:25 13 forms, do you process the state form applications any
02:50:29 14 differently from the federal forms?

02:50:33 15 A. There's a designation that we have to give it,
02:50:37 16 the source of registration, when we process those. So,
02:50:41 17 yes, there would -- there's a difference in AVID on how
02:50:44 18 we process those.

02:50:44 19 Q. Okay. Thank you.

02:50:45 20 A. But it's mostly the same. It's just a couple
02:50:48 21 different things that are different.

02:50:50 22 Q. Okay. But other than just entering what type
02:50:51 23 of form it is, you don't process or review them
02:50:55 24 differently in substance?

02:50:57 25 A. No.

02:50:59 1 Q. Okay. Thank you.

02:51:02 2 MR. FERGUSON: Okay. That's all the
02:51:03 3 questions that I have right now. Thank you so much for
02:51:06 4 your time.

02:51:07 5 THE WITNESS: Thank you.

02:51:10 6 MR. FERGUSON: I'm going to yield the
02:51:13 7 floor to Mr. Patterson, who is going to ask a few
02:51:15 8 questions. I don't know if he or if anyone else would
02:51:17 9 like to take a short break before then, but let me know
02:51:21 10 if so.

02:51:21 11

02:51:21 12 EXAMINATION

02:51:43 13 BY MR. PATTERSON:

02:51:43 14 Q. If no one wants to take a break, I'm ready to
02:51:47 15 go ahead.

02:51:52 16 Okay, I'll take that silence as to continue.

02:52:01 17 Thank you, Ms. Robertson. I have a few more
02:52:07 18 questions, and hopefully we'll be on our way here.

02:52:13 19 So earlier in your testimony you had said that
02:52:17 20 the EPM is legally binding guidance from the Arizona
02:52:24 21 Secretary of State. Can the Arizona Secretary of State
02:52:28 22 convey legally binding guidance to your office by any
02:52:33 23 other means than the EPM?

02:52:36 24 MR. LANGHOFER: Calls for a legal
02:52:40 25 conclusion.

02:52:41 1 BY MR. PATTERSON:

02:52:42 2 Q. You can answer.

02:52:43 3 A. Yes.

02:52:45 4 Q. And even if there is no EPM update, will your
02:52:50 5 county be obligated to enforce H.B. 2492 and H.B. 2243?

02:52:57 6 MR. LANGHOFER: Calls for a legal
02:52:59 7 conclusion.

02:53:05 8 BY MR. PATTERSON:

02:53:05 9 Q. You can answer.

02:53:06 10 A. Okay. Sorry.

02:53:09 11 As far as I know, I take the direction from the
02:53:14 12 Secretary of State if -- before any of that
02:53:18 13 implementation happens. I'm waiting for that before we
02:53:21 14 do that.

02:53:23 15 Q. Okay. Thank you.

02:53:23 16 Regarding the types of information that your
02:53:35 17 office considers when reviewing a registered person's
02:53:47 18 citizenship status, is old government data such as MVD
02:53:59 19 records from ten years ago indicative of a lack of U.S.
02:54:04 20 citizenship today?

02:54:07 21 MR. LANGHOFER: Same objection.

02:54:11 22 BY MR. PATTERSON:

02:54:12 23 Q. You can answer.

02:54:14 24 A. Yeah, so if it's like an old -- like an old
02:54:18 25 driver's license that they're trying to provide, even

02:54:21 1 though it's ten years old, is that what you're asking,
02:54:24 2 would that still be --

02:54:26 3 Q. So what I'm asking is, during a database check,
02:54:31 4 if you find a document from a number of years ago that
02:54:37 5 indicates that a registered voter is not a citizen,
02:54:42 6 would that be information indicative of a lack of
02:54:46 7 citizenship; does your office consider that information
02:54:49 8 would be indicative of a lack of citizenship?

02:54:52 9 MR. LANGHOFER: Same objection.

02:54:54 10 Beauregard, should we just stipulate that
02:54:55 11 we'll be objecting to this whole line?

02:55:01 12 MR. PATTERSON: Yes, absolutely.

02:55:02 13 THE WITNESS: And do you want me to still
02:55:03 14 answer?

02:55:03 15 BY MR. PATTERSON:

02:55:04 16 Q. Yes.

02:55:05 17 A. Okay. So I mean that voter could have provided
02:55:09 18 proof since that point in time, so we go by the latest
02:55:14 19 information, the newest information that we have on that
02:55:17 20 voter, so -- to prove the citizenship. But let's say
02:55:24 21 that's the only proof that they have or the only
02:55:27 22 information I have, then that's what I would have to go
02:55:29 23 by.

02:55:31 24 Q. Thank you very much.

02:55:32 25 What are valid sources of information that your

02:55:43 1 office considers -- sorry. Scratch that.

02:55:47 2 What are valid sources of information that
02:55:53 3 someone is not a U.S. citizen?

02:55:57 4 A. That they're not a U.S. citizen?

02:56:00 5 Q. Yes.

02:56:04 6 A. So like an ID that says that they're not a U.S.
02:56:11 7 citizen, that sort of thing. Like normally someone's
02:56:15 8 not going to show me information saying that they're not
02:56:17 9 a U.S. citizen when they try to show -- try to register
02:56:21 10 to vote, if that makes sense. They're usually trying to
02:56:24 11 prove that they're a citizen. So --

02:56:27 12 Q. Absolutely. Absolutely.

02:56:30 13 A. -- you know. Yeah.

02:56:33 14 Q. Let me ask you a few more specific questions as
02:56:37 15 to whether or not these types or sources of information
02:56:44 16 are valid sources for identifying whether or not someone
02:56:48 17 is a U.S. citizen.

02:56:51 18 Are there sources beyond a government or voter
02:56:59 19 registration database in which you may find information
02:57:05 20 that is valid that someone is not a U.S. citizen?

02:57:17 21 MR. WHITAKER: Ambiguous.

02:57:18 22 THE WITNESS: Yeah.

02:57:19 23 BY MR. PATTERSON:

02:57:19 24 Q. I'm sorry. I need to rephrase that question.

02:57:23 25 Is there anything beyond a government or voter

02:57:28 1 registration database that you consider a valid source
02:57:29 2 of information when considering whether or not someone
02:57:33 3 is a U.S. citizen?

02:57:35 4 A. We would only use -- or like I said, we use the
02:57:40 5 HAVA checks, we use the Secretary of State guidelines
02:57:44 6 and, you know, the EPM when we're verifying that. So I
02:57:48 7 would not go outside of those sources unless they were
02:57:53 8 approved sources.

02:57:56 9 Q. Okay. Thank you.

02:57:56 10 If the registered voter were to call your
02:58:04 11 office and say that they were not a citizen, would that
02:58:11 12 be a valid source of information?

02:58:17 13 A. We could take that, but like I said, it would
02:58:20 14 have to be in writing. Like everything that -- any
02:58:23 15 changes made to a voter's record has to include a
02:58:26 16 signature and be in writing and be accompanied by
02:58:29 17 documentation before we can change that voter's status.

02:58:33 18 So if somebody called me and said I'm not a
02:58:36 19 citizen, I can't just go cancel their voter
02:58:39 20 registration. I have to have documented proof and a
02:58:42 21 signature and all of that before I can cancel them.

02:58:44 22 Q. Thank you.

02:58:45 23 You may have answered the -- you have likely
02:58:50 24 answered these next pair of questions, but for the sake
02:58:55 25 of clarity, how about an e-mail or a signed letter from

02:58:58 1 the voter?

02:59:03 2 A. So an e-mail, no, because it does not include
02:59:07 3 an actual signature. If they sent in a letter -- but
02:59:11 4 then again, I'm not going to -- I would need legal proof
02:59:18 5 documentation along with their personal word of that.
02:59:22 6 Does that make sense?

02:59:24 7 Q. Yes, it does.

02:59:25 8 A. I can't just have, yeah, John Smith telling me
02:59:28 9 I'm not a -- you know, and here's my signature that I'm
02:59:30 10 not a citizen. I would not take that as proof, no.

02:59:34 11 Q. Thank you.

02:59:36 12 How about a phone call from a member of the
02:59:39 13 voter's family?

02:59:40 14 A. Definitely not, no.

02:59:43 15 Q. What about a letter from a neighbor?

02:59:46 16 A. Definitely not, no.

02:59:48 17 Q. What about a phone call that you receive from
02:59:53 18 law enforcement in Arizona?

02:59:57 19 A. Law enforcement probably would not notify us in
03:00:02 20 that manner. They would send us, you know, legal
03:00:07 21 documentation in order to prove that. Yeah, it would
03:00:12 22 not go through a telephone call.

03:00:14 23 Q. Okay. Again, for the sake of clarity, but what
03:00:19 24 about a phone call from law enforcement in another
03:00:21 25 state?

03:00:24 1 A. Absolutely not, no.

03:00:26 2 Q. What about an e-mail or a letter from law
03:00:29 3 enforcement in Arizona or from another state?

03:00:34 4 A. No. It would have to be accompanied by legal
03:00:37 5 documentation.

03:00:39 6 Q. And what about an anonymous call or an
03:00:43 7 anonymous e-mail?

03:00:46 8 A. No.

03:00:48 9 Q. And what about lists provided by third-party
03:00:53 10 organizations like True the Vote?

03:00:57 11 A. If we did receive something like that from an
03:01:00 12 organization, we would have to do further investigation,
03:01:03 13 and I would probably notify the Secretary of State's
03:01:06 14 Office to that information and follow, you know, their
03:01:11 15 guidance on how to handle that, because I do know that
03:01:13 16 there are, you know, people that go out and do that,
03:01:17 17 so...

03:01:19 18 Q. Thank you.

03:01:20 19 What if you identify a registered voter who has
03:01:23 20 already satisfied the documentary proof of citizenship
03:01:27 21 requirement, but still holds an F-type license? Is the
03:01:33 22 fact that they hold an F-type license information that
03:01:36 23 the registered voter is not, in fact, a U.S. citizen?

03:01:40 24 A. If we verified -- because people can keep an ID
03:01:45 25 card for a really long time. If they've already

03:01:48 1 satisfied and proven that they're a citizen through, you
03:01:51 2 know, our HAVA checks, the MVD, Social Security Office
03:01:54 3 and everything, if they have an old ID that's an F-Type,
03:01:58 4 it -- yeah, they're fine.

03:02:01 5 Q. Thank you.

03:02:01 6 A. And if they're already registered and already
03:02:04 7 validated, if that makes sense.

03:02:07 8 Q. Yes. Thank you.

03:02:07 9 This next question is a bit of a mouthful. So
03:02:11 10 I apologize in advance.

03:02:12 11 A. Okay.

03:02:13 12 Q. What if you identify a registered voter who is
03:02:18 13 exempt from documentary proof of citizenship
03:02:21 14 requirements and has never shown DPOC because they
03:02:26 15 registered prior to when DPOC went into effect? Is that
03:02:30 16 information showing that they are not a U.S. citizen?

03:02:37 17 A. So I'm not personally aware of a situation
03:02:39 18 where they would be exempt. And like I said, I'm new to
03:02:44 19 my job. So if there is somebody that is verified in the
03:02:47 20 system previously, I don't have an issue. Does that
03:02:53 21 make sense? Like they've already been -- they'd be
03:02:56 22 grandfathered in, I guess.

03:02:58 23 Q. Yes, that makes sense. Thank you.

03:03:00 24 A. Yeah.

03:03:00 25 Q. By what means can you confirm the authenticity

03:03:09 1 of such information that a voter registrant/applicant is
03:03:15 2 not a United States citizen?

03:03:22 3 MR. WHITAKER: Ambiguous.

03:03:24 4 THE WITNESS: Yeah, that's kind of the
03:03:25 5 same answer as before. Usually they're trying to prove
03:03:32 6 citizenship, so they're not going to bring me -- I mean
03:03:35 7 I guess you're asking if I can recognize documents that
03:03:40 8 prove that they're not a citizen, such as like a
03:03:45 9 passport from a different country or that sort of thing?

03:03:53 10 BY MR. PATTERSON:

03:03:55 11 Q. I am asking in -- so if we could go to
03:04:03 12 ARS 16-165(A)(10).

03:04:11 13 A. Uh-huh.

03:04:11 14 Q. It says in the statute, "When the County
03:04:14 15 Recorder obtains information pursuant to this section
03:04:16 16 and confirms that the person registered is not a United
03:04:20 17 States citizen, including when the County Recorder
03:04:22 18 receives a summary report from the jury commissioner or
03:04:26 19 jury manager pursuant to Section 21-314 indicating that
03:04:30 20 a person who is registered to vote has stated that the
03:04:33 21 person is not a United States citizen."

03:04:35 22 And in the case where the County Recorder's
03:04:40 23 Office confirms that a person is not a United States
03:04:44 24 citizen, I'm asking how do you confirm the authenticity
03:04:51 25 or the accuracy of the information that you have found

03:05:01 1 that indicates that an applicant is not a United States
03:05:06 2 citizen?

03:05:08 3 A. Okay.

03:05:11 4 MR. WHITAKER: Same objection.

03:05:12 5 THE WITNESS: I understand what you're
03:05:13 6 asking. I would just -- we go by what the HAVA checks
03:05:15 7 go by, even if like -- if someone were to bring me their
03:05:20 8 passport from France, it's not -- like I don't have to
03:05:25 9 really -- they still have to go through that HAVA check.
03:05:29 10 So I rely upon what the HAVA check comes back as in
03:05:35 11 order for my determination. It's not me personally that
03:05:39 12 decides that.

03:05:41 13 BY MR. PATTERSON:

03:05:41 14 Q. All right. Thank you.

03:05:42 15 A. So I don't know what they're using. Does that
03:05:44 16 make sense? Does that answer the question?

03:05:46 17 Q. Yes, that makes sense.

03:05:47 18 And I have another follow-up question, hitting
03:05:53 19 at the same topic, just slightly different. So by what
03:05:58 20 means can you confirm the accuracy of information that a
03:06:02 21 registered voter is not a U.S. citizen? So instead of a
03:06:05 22 voter registration applicant, I'm asking the same
03:06:08 23 question, but for a registered voter.

03:06:11 24 MR. WHITAKER: Same objection.

03:06:15 25 THE WITNESS: Yeah, there wouldn't be --

03:06:16 1 they wouldn't be a registered voter. Like we don't go
03:06:19 2 back through and audit the registrants per se, if that's
03:06:28 3 what you're asking. We don't -- once they have provided
03:06:33 4 proof of citizenship, they can be registered. If they
03:06:36 5 have not, then they would not be registered. So the
03:06:43 6 chances of somebody being a registered voter means that
03:06:45 7 they must have previously shown proof of citizenship.

03:06:49 8 We don't audit those again, unless we get
03:06:54 9 notification let's say from another country that that
03:06:57 10 country -- that they've been, you know, naturalized to
03:07:01 11 another country and we receive documentation of that,
03:07:05 12 that they're no longer -- if they left the country and
03:07:08 13 are no longer citizens in the United States. But
03:07:13 14 that -- like I said, that situation doesn't really
03:07:15 15 happen with Apache County, so...

03:07:22 16 BY MR. PATTERSON:

03:07:22 17 Q. All right. Thank you.

03:07:23 18 Moving on to a different topic. What else
03:07:25 19 beyond AVID can constitute a database relating to voter
03:07:34 20 registration?

03:07:34 21 A. That's what the Apache County and most of the
03:07:39 22 state of Arizona uses AVID. So I wouldn't -- there's no
03:07:42 23 other -- I mean other than old records that we keep on
03:07:46 24 file in the Recorder's Office, like old microfilms and
03:07:51 25 logbooks and that sort of thing. But there is not

03:07:55 1 another database that I would consult, because AVID is
03:08:00 2 the one that is approved by the Secretary of State for
03:08:03 3 maintaining records.

03:08:06 4 Q. Could a list of registered voters provided by
03:08:09 5 another Arizona agency constitute a database related to
03:08:14 6 voter registration?

03:08:19 7 A. I don't know that they would -- I would take
03:08:23 8 the AVID information over what they gave me, because
03:08:26 9 AVID is what is approved and what is used. So I don't
03:08:30 10 know -- I can't verify where their information is coming
03:08:33 11 from, because we are tasked with maintaining those
03:08:36 12 records.

03:08:37 13 Q. All right. Thank you.

03:08:38 14 And could a list of registered voters provided
03:08:42 15 by another state government's agency constitute a
03:08:46 16 database relating to voter registration?

03:08:52 17 A. No. I mean unless that other state is
03:08:55 18 saying -- because we do this often. The other state
03:08:57 19 will say this person is now registered in our state.
03:09:01 20 But there's -- yeah. The AVID system is what I would
03:09:05 21 refer to --

03:09:06 22 Q. Okay.

03:09:07 23 A. -- above all, yeah.

03:09:09 24 Q. And, finally, could a list of registered voters
03:09:12 25 provided by a private individual or private group

03:09:15 1 constitute a database relating to voter registration?

03:09:20 2 A. No. Again, I would refer to the AVID database
03:09:24 3 before them.

03:09:27 4 Q. All right. Thank you.

03:09:29 5 Can we take a moment to review the statutes
03:09:33 6 enumerated in ARS 16-165(F) through (J), which is also
03:09:41 7 H.B. 2243 (H) through (K).

03:09:51 8 Once you've had a chance to look at it, let me
03:09:53 9 know, please.

03:09:54 10 A. Yeah. Just give me a moment. Is it --

03:10:08 11 MR. FERGUSON: Document H is 2243.

03:10:11 12 THE WITNESS: And can you repeat?

03:10:15 13 BY MR. PATTERSON:

03:10:16 14 Q. Do you -- the sections are different depending
03:10:18 15 on what document you have before you. So do you have --

03:10:21 16 A. Gotcha.

03:10:21 17 Q. -- H.B. 2243 in front of you or do you have the
03:10:24 18 Arizona statutes in front of you?

03:10:29 19 A. I have Exhibit 19, the House Bill 2492.

03:10:29 20 Q. Okay. That --

03:10:33 21 A. Oh, wait. Sorry.

03:10:35 22 I've got it now. Celeste just pulled it up on
03:10:39 23 her laptop for me. Okay. Yes.

03:10:44 24 All right. And which portion did you want me
03:10:51 25 to review?

03:10:55 1 Q. The section would be (F) through (J).

03:11:13 2 A. Sorry, I'm having technical difficulties.

03:11:17 3 Q. That's all right.

03:11:19 4 A. All right.

03:11:31 5 Okay. Go ahead.

03:11:37 6 Q. Okay. Are the database matching procedures

03:11:40 7 enumerated in these sections the means by which County

03:11:44 8 Recorders are to obtain information on a lack of U.S.

03:11:49 9 citizenship?

03:11:51 10 MR. LANGHOFER: Same objection.

03:11:59 11 THE WITNESS: I would say for our office,

03:12:05 12 yes, we use the HAVA checks, the MVDs, the Social

03:12:11 13 Security Administration databases in order -- and what

03:12:14 14 that comes back to us as is what we use, whether -- to

03:12:21 15 prove whether or not they are a citizen or not.

03:12:27 16 BY MR. PATTERSON:

03:12:27 17 Q. And are these database matching procedures

03:12:32 18 which are enumerated in these statutes the means by

03:12:36 19 which your office confirms information of a lack of U.S.

03:12:45 20 citizenship?

03:12:47 21 A. That is correct.

03:12:50 22 Q. And is this clear or unclear -- I'm sorry.

03:12:55 23 Scratch that.

03:12:56 24 Is it clear or unclear to your office how to

03:13:04 25 use these databases?

03:13:08 1 MR. LANGHOFER: Calls for a legal
03:13:12 2 conclusion.
03:13:12 3 BY MR. PATTERSON:
03:13:12 4 Q. You can answer.
03:13:16 5 A. It's -- we are clear on how to use them. I do
03:13:19 6 not know their processes through the HAVA checks
03:13:21 7 specifically, but like I said, it's a button in AVID
03:13:25 8 that we click, and it runs the test through those
03:13:28 9 databases and gives us a result.
03:13:33 10 Q. Excellent. Thank you.
03:13:34 11 A. And so I rely on that result, yeah.
03:13:40 12 Q. And one more follow-up, actually, on that. And
03:13:44 13 is it -- actually, no, scratch that.
03:13:50 14 What would give your office a reason to believe
03:13:55 15 a person is not a U.S. citizen?
03:13:59 16 MR. LANGHOFER: Same objection.
03:14:05 17 BY MR. PATTERSON:
03:14:05 18 Q. You can answer.
03:14:08 19 A. So a -- when we run it through the HAVA checks,
03:14:13 20 if it pops up and says that there's no proof of
03:14:18 21 citizenship, that would cause our office to believe that
03:14:20 22 they're not a citizen, and that's what we rely upon.
03:14:27 23 It's not, you know, based on a person's judgment or
03:14:31 24 anything like that. So we rely upon the results from
03:14:35 25 that check through HAVA in order to make that

03:14:39 1 determination.

03:14:41 2 Q. Thank you.

03:14:44 3 I'm going to give you some of the same
03:14:48 4 scenarios that we went through before, but in the
03:14:50 5 context of reason to believe.

03:14:54 6 Would anything beyond a government or voter
03:14:58 7 registration database give your office reason to believe
03:15:00 8 that a registered voter is not a U.S. citizen?

03:15:04 9 MR. LANGHOFER: Same objection.

03:15:05 10 I'll just note that I think that
03:15:08 11 stipulation's still in place, Beauregard, until you tell
03:15:11 12 us otherwise, so...

03:15:14 13 MR. PATTERSON: Yes, absolutely.

03:15:15 14 THE WITNESS: No, that's what we would
03:15:16 15 base it upon. We wouldn't base it upon any other
03:15:20 16 information.

03:15:23 17 BY MR. PATTERSON:

03:15:23 18 Q. And can a call from a voter give your office
03:15:28 19 reason to believe that a registered voter is not a U.S.
03:15:34 20 citizen?

03:15:42 21 MR. WHITAKER: Calls for speculation.

03:15:44 22 THE WITNESS: They can call us and let us
03:15:45 23 know, but it still would not change that voter's status
03:15:48 24 until there was an investigation done or if there's like
03:15:53 25 documentation provided. So we would not just go cancel

03:15:57 1 somebody based on so-and-so's phone call about that. We
03:16:00 2 would still go through the proper channels to verify
03:16:03 3 their citizenship.

03:16:06 4 BY MR. PATTERSON:

03:16:06 5 Q. Thank you. Sorry, I was not clear in my
03:16:10 6 question.

03:16:10 7 In this case if the voter himself or herself
03:16:15 8 called your office and indicated that they were not a
03:16:19 9 citizen, would that give you reason to believe that they
03:16:22 10 were not a citizen?

03:16:25 11 A. It would, but it still wouldn't change their
03:16:28 12 voting status until we had documentation. So --

03:16:33 13 Q. Sorry.

03:16:33 14 A. Yeah, it would give me reason to -- it would
03:16:36 15 give me reason to maybe investigate and get more
03:16:39 16 answers, but I would not just go cancel their voter
03:16:42 17 registration based on their word through a phone call.

03:16:46 18 Q. What about an e-mail or signed letter from the
03:16:51 19 voter?

03:16:54 20 A. And same situation. They would not
03:16:56 21 automatically get canceled. We would have to go through
03:17:00 22 verification processes, and we would need proper
03:17:04 23 documentation before we made changes to the voter
03:17:07 24 record.

03:17:07 25 Q. How about a phone call from a member of the

03:17:10 1 voter's family?

03:17:11 2 A. Same. Absolutely not. Yeah.

03:17:14 3 Q. How about a letter from a neighbor?

03:17:17 4 A. Same.

03:17:19 5 Q. What about a phone call from law enforcement in

03:17:23 6 Arizona or from another state?

03:17:27 7 A. Same.

03:17:29 8 Q. How about an e-mail or letter from law

03:17:32 9 enforcement in Arizona or another state?

03:17:36 10 A. Same. Until there's actual proof that -- you

03:17:40 11 know, if the letter included documented proof that they

03:17:43 12 are not a citizen, I would -- me personally, being so

03:17:48 13 new to the position, I would still reach out to the

03:17:50 14 Secretary of State's Office before I made any changes to

03:17:53 15 the voter record, so...

03:17:56 16 Q. How about an anonymous call or e-mail?

03:18:00 17 A. There's -- yeah, no.

03:18:02 18 Q. And how about lists provided by third-party

03:18:06 19 organizations?

03:18:07 20 A. Same.

03:18:10 21 Q. What if the registered voter transposed, so

03:18:14 22 mixed up their first and last name on their registration

03:18:18 23 application form; would that give you a reason to

03:18:22 24 believe that they're not a U.S. citizen?

03:18:26 25 A. No.

03:18:26 1 MR. WHITAKER: Ambiguous.

03:18:26 2 THE WITNESS: Yeah. It wouldn't change
03:18:29 3 their -- yeah, I see what you're saying. But no.

03:18:35 4 BY MR. PATTERSON:

03:18:35 5 Q. What if the registered voter recorded a foreign
03:18:39 6 place of birth on their form?

03:18:41 7 A. That wouldn't change the status because they
03:18:45 8 could still have become a U.S. citizen. So we go by
03:18:49 9 those HAVA checks.

03:18:53 10 Q. What if you identify a registered voter who has
03:18:56 11 already satisfied the documentary proof of citizenship
03:19:02 12 requirement, but still holds an F-type license; is that
03:19:06 13 a reason to believe they are not, in fact, a U.S.
03:19:08 14 citizen?

03:19:11 15 A. No. If they've already satisfied their proof
03:19:15 16 of citizenship and they had that license, no, that
03:19:17 17 wouldn't change anything.

03:19:22 18 Q. What about registered voters who were exempt
03:19:25 19 from DPOC under the safe harbor provision because they
03:19:29 20 registered prior to the DPOC requirement going into
03:19:31 21 effect in 2005; would that failure to show DPOC under
03:19:36 22 this exemption give your office a reason to believe they
03:19:39 23 are not U.S. citizens?

03:19:43 24 A. No. They would be grandfathered in, yeah,
03:19:49 25 and...

03:19:49 1 Q. Has your office received any guidance on when
03:19:52 2 your office would have reason to believe that a
03:19:56 3 registered voter is not a U.S. citizen?

03:20:02 4 A. I don't understand that question.

03:20:04 5 Q. Has your office received any guidance from the
03:20:07 6 Secretary of State's Office on when to -- scratch that.
03:20:18 7 Have you received any guidance from the
03:20:23 8 Secretary of State's Office on what amounts to a reason
03:20:30 9 to believe that a registered voter is not a U.S.
03:20:33 10 citizen?

03:20:39 11 A. In my knowledge, no. I mean I'm sure that they
03:20:42 12 have, but I haven't personally. Yeah.

03:20:46 13 Q. Thank you.

03:20:47 14 A number of provisions in both -- scratch that.

03:20:57 15 Actually, I'm going to move on to something
03:20:59 16 else. ARS 16-143(A) states that the Secretary of State
03:21:16 17 and each County Recorder shall make available to the
03:21:19 18 Attorney General a list of all individuals who are
03:21:21 19 registered to vote and who have not provided
03:21:24 20 satisfactory evidence of citizenship pursuant to
03:21:28 21 Section 16-166 and shall provide, on or before
03:21:32 22 October 31, 2022, the applications of individuals who
03:21:36 23 are registered to vote and who have not provided
03:21:40 24 satisfactory evidence of citizenship pursuant to
03:21:42 25 Section 16-166.

03:21:46 1 A. Okay. Uh-huh.

03:21:47 2 Q. Since the October 31 deadline has passed, are
03:21:52 3 you still obligated to send this data to the Arizona
03:21:56 4 Attorney General's Office?

03:21:59 5 MR. WHITAKER: Legal conclusion.

03:22:04 6 THE WITNESS: Yes. But by the deadline.
03:22:06 7 So, yeah.

03:22:14 8 BY MR. PATTERSON:

03:22:14 9 Q. Do you use the SAVE program's additional
03:22:19 10 verification procedures -- wait. Scratch that.

03:22:26 11 If a -- scratch that.

03:22:29 12 When you run a SAVE verification check and it
03:22:36 13 comes back as inconclusive, do you do any additional
03:22:44 14 verification under SAVE?

03:22:50 15 A. So in regards to the SAVE program, I have not
03:22:54 16 personally attended that training yet. I am not
03:22:58 17 familiar with how it works or anything like that. So
03:23:03 18 I'm going to have to say I can't answer that question in
03:23:06 19 regards to any of the SAVE program.

03:23:09 20 Q. Got it. Thank you. I only have two more
03:23:12 21 questions for you.

03:23:15 22 If a registered voter is removed from the rolls
03:23:24 23 under H.B. 2243 based upon an erroneous determination
03:23:29 24 that they are not a U.S. citizen, can that voter be
03:23:32 25 added back to the rolls if the registration deadline has

03:23:36 1 already passed?

03:23:38 2 MR. LANGHOFER: Same objection.

03:23:43 3 THE WITNESS: So you're asking if -- if,
03:23:45 4 let's say, they were removed when they shouldn't have
03:23:51 5 been, can they be added back to the system even though
03:23:55 6 like that -- you know what, I don't know the answer to
03:23:59 7 that question, and me personally, I would have to reach
03:24:01 8 out to the Secretary of State before I go -- because,
03:24:05 9 like I said, I am new and have not come across that
03:24:08 10 situation, so I wouldn't -- me personally, I wouldn't do
03:24:12 11 anything with that voter's record until I get more
03:24:14 12 direction.

03:24:17 13 BY MR. PATTERSON:

03:24:18 14 Q. Okay. Thank you.

03:24:19 15 And a number of provisions in both H.B. 2243
03:24:24 16 and H.B. 2492 only obligate your office to the extent
03:24:35 17 they are practicable. Do you understand what is meant
03:24:37 18 by practicable in these laws?

03:24:40 19 MR. LANGHOFER: Same objection.

03:24:44 20 THE WITNESS: I understand the word, yes,
03:24:45 21 and I understand, you know, generally what that means.

03:24:53 22 BY MR. PATTERSON:

03:24:54 23 Q. Do you understand what that standard means in
03:24:58 24 terms of these statutes?

03:25:02 25 MR. LANGHOFER: Same objection.

03:25:09 1 THE WITNESS: So I have not gone through
03:25:12 2 these statutes in depth personally, so I can't -- I
03:25:18 3 understand what it means to know practicably, whatever,
03:25:23 4 but I haven't studied them enough to know the specifics
03:25:26 5 of what it's talking about.

03:25:27 6 BY MR. PATTERSON:

03:25:27 7 Q. Who in your office --

03:25:27 8 A. Oh.

03:25:30 9 Q. Oh, I'm sorry.

03:25:30 10 A. Go ahead.

03:25:31 11 Q. I'll let you finish.

03:25:32 12 A. No, I'm done.

03:25:33 13 Q. Okay. Who in your office is responsible for
03:25:39 14 determining when it is practicable to follow the
03:25:51 15 procedures in these laws?

03:25:54 16 A. I would go by the direction of my County
03:25:58 17 Recorder and the Secretary of State's Office.

03:26:00 18 Q. Okay. Thank you.

03:26:03 19 MR. PATTERSON: That wraps up my line of
03:26:05 20 questioning. I'm not certain if anyone else has any
03:26:10 21 other questions. If they do, they can speak up; but,
03:26:20 22 otherwise, we on the plaintiff side have wrapped up.

03:26:27 23 THE VIDEOGRAPHER: Counsel, can we take
03:26:28 24 five minutes, please?

03:26:30 25 MR. LANGHOFER: Sounds good.

03:26:31 1 THE VIDEOGRAPHER: We are off the record.

03:26:34 2 Time on the video monitor is 3:26 p.m. This ends

03:26:38 3 Media 1.

03:29:37 4 (A recess was taken.)

03:32:20 5 THE VIDEOGRAPHER: We're on the record.

03:32:45 6 Time on the video monitor is 3:23 p.m. This begins

03:32:48 7 Media 2.

03:32:55 8 I'm sorry, 3:32 p.m.

03:32:59 9 MR. WHITAKER: This is Josh Whitaker for
03:33:00 10 the Attorney General. Did any other plaintiffs have
03:33:02 11 questions for the witness?

03:33:11 12 MR. FERGUSON: I don't think so.

03:33:11 13

03:33:11 14 EXAMINATION

03:33:11 15 BY MR. WHITAKER:

03:33:15 16 Q. Okay. Then I think I'll -- if you don't mind,
03:33:17 17 ma'am, I'll ask you a few follow-ups. And, first of
03:33:19 18 all, thank you very much for your time here today.

03:33:24 19 I'll start with birthplace. I understand that
03:33:27 20 birthplace, there's a spot on the state form for
03:33:33 21 birthplace, a registrant -- an applicant's birthplace
03:33:36 22 right now; is that right?

03:33:37 23 A. That is correct.

03:33:39 24 Q. And am I correct that right now your office
03:33:44 25 doesn't require that spot on the form to be filled out

03:33:50 1 as a condition for registering the applicant?

03:33:54 2 A. That is correct.

03:33:56 3 Q. And is that because the EPM says that that part
03:34:01 4 of the form is optional?

03:34:03 5 A. That is correct.

03:34:07 6 Q. If the EPM were to change and say that that
03:34:10 7 part of the form is required, would your office treat it
03:34:15 8 as required for registration?

03:34:19 9 A. Yes, we would.

03:34:23 10 Q. If there were a law passed that requires
03:34:26 11 birthplace to be on the form and if a court upholds that
03:34:31 12 requirement, would your office require that spot on the
03:34:35 13 form to be filled out to register the applicant?

03:34:38 14 A. Yes, we would.

03:34:43 15 Q. I'd like to turn a little bit into the existing
03:34:47 16 EPM, the 2019 EPM, about birthplace. Let me see if I
03:34:52 17 can share my screen with you.

03:35:02 18 Can you see that?

03:35:03 19 A. I can.

03:35:07 20 Q. Let's go to Page -- well, let's see.

03:35:13 21 And for the record, this was earlier shown the
03:35:17 22 witness. I think it's Document F. It was previously
03:35:20 23 marked as Exhibit 6. Let's go to Page 3 of this EPM.
03:35:27 24 Subsection A there says "Citizenship Requirement." Do
03:35:32 25 you see that?

03:35:32 1 A. I do.

03:35:34 2 Q. And then the heading number 1 under that says

03:35:38 3 "Valid Forms of DPOC." Do you see that?

03:35:41 4 A. I do.

03:35:43 5 Q. Okay. And then on the next page, Page 4,

03:35:47 6 letter B says "Birth Certificate." Do you see that?

03:35:50 7 A. I do.

03:35:52 8 Q. All right. And then the last paragraph there,

03:35:55 9 I'll just read it for you. This is the bottom of Page 4

03:35:59 10 going onto the top of Page 5.

03:36:02 11 It says, "The registrant must supply supporting

03:36:05 12 legal documentation (such as a marriage certificate or

03:36:09 13 court-documented name change) if the name on the birth

03:36:12 14 certificate or document is not the registrant's current

03:36:15 15 legal name. If the registrant cannot provide supporting

03:36:19 16 legal documentation to account for a different last

03:36:22 17 name, a County Recorder must accept the birth

03:36:25 18 certificate or document if at least the following

03:36:28 19 information matches on both the birth certificate or

03:36:33 20 document and the registration form."

03:36:35 21 And then it says, "First name, Middle name,

03:36:38 22 Place of birth, Date of birth and Parents' names."

03:36:43 23 Did I read that right?

03:36:44 24 A. You did.

03:36:46 25 Q. So am I understanding this correctly that in

03:36:48 1 some situations your office will be comparing what's on
03:36:54 2 the registration form with what's on the copy of the
03:36:58 3 birth certificate, and one important piece of
03:37:02 4 information in that comparison is place of birth?

03:37:05 5 A. That is correct.

03:37:11 6 Q. In those situations, would it be important that
03:37:14 7 the registrant have filled out the place of birth form
03:37:17 8 on the registration form?

03:37:20 9 A. In that case, yes, it would.

03:37:27 10 Q. Let's go to Part C below that, "U.S. Passport."
03:37:32 11 I'll read the first two paragraphs there. It says, "A
03:37:36 12 registrant may submit a legible copy of the pertinent
03:37:40 13 pages of the registrant's U.S. passport or passport
03:37:44 14 card, or present the registrant's U.S. passport or
03:37:47 15 passport card to the County Recorder, as DPOC.
03:37:51 16 ARS 16-166(F)(3). The pertinent pages of a U.S.
03:37:56 17 passport are those that contain the photo, passport
03:37:59 18 number, name, nationality, date of birth, gender, place
03:38:03 19 of birth, and signature (if applicable). A U.S.
03:38:07 20 passport card also may be accepted, which does not
03:38:09 21 contain a signature."

03:38:10 22 Did I read that right?

03:38:12 23 A. You did.

03:38:16 24 Q. In your capacity so far this year as the voter
03:38:20 25 registration supervisor, have you had occasion to review

03:38:22 1 U.S. passports?

03:38:25 2 A. I have not ever had to -- had anybody use a
03:38:29 3 passport as their form of identification, no.

03:38:34 4 Q. What's the most common form of identification
03:38:36 5 that you see?

03:38:38 6 A. Usually a driver's license, Tribal ID card,
03:38:42 7 especially for here in Apache County, and then usually
03:38:49 8 it's through the HAVA checks. Like we don't -- I don't
03:38:52 9 have to do too many over-the-counter verifications for
03:38:59 10 initial voters myself personally.

03:39:04 11 Q. If you were to get a U.S. passport as a form of
03:39:08 12 identification, based on this second paragraph that I
03:39:12 13 read to you, would place of birth be an important piece
03:39:16 14 of information you would be looking for on the passport?

03:39:20 15 A. Yes.

03:39:26 16 Q. Let's go to Page 34 of this EPM. Scrolling
03:39:32 17 down now.

03:39:36 18 So, actually, let's go to Page 33. This is
03:39:40 19 Roman numeral VIII, "Voter Registration List
03:39:45 20 Maintenance." Do you see that?

03:39:46 21 A. I do.

03:39:46 22 Q. And then looking at Subsection A, "Deceased,
03:39:53 23 Felon, and Incapacitated Registrants," and then
03:39:56 24 Sub-Subsection 1, "Deceased Registrants," and then on
03:39:59 25 the next page Sub-Sub-Subsection C, "Other Sources of

03:40:05 1 Information on Deceased Registrants."

03:40:09 2 Do you see that?

03:40:09 3 A. I do.

03:40:11 4 Q. Okay. I'll read the first couple sentences

03:40:13 5 here. It says, "A County Recorder may also cancel a

03:40:17 6 registrant's record if the County Recorder determines

03:40:19 7 that the registrant is deceased based on other reliable

03:40:23 8 sources, see ARS 16-165(A)(2), including, but not

03:40:28 9 limited to, death notices received by the County

03:40:31 10 Recorder's Office and an affidavit of death from the

03:40:33 11 registrant's next of kin. A County Recorder should

03:40:36 12 match as much information as possible (including first

03:40:39 13 name, last name, maiden name (if applicable), year of

03:40:44 14 birth, place of birth, and city or town of residence)

03:40:48 15 and be reasonably certain that a true match exists

03:40:52 16 before canceling a registrant."

03:40:54 17 Did I read that right?

03:40:56 18 A. You did.

03:40:57 19 Q. Based on that second sentence, when it says

03:41:00 20 place of birth, in this situation when your office would

03:41:04 21 be trying to match information on this source of

03:41:10 22 information on a deceased registrant, would place of

03:41:12 23 birth be an important piece of information in that

03:41:15 24 context?

03:41:17 25 A. Yes.

03:41:20 1 Q. Would it be important in that context for the
03:41:23 2 registrant to have filled out the place of birth form on
03:41:26 3 the registration form?

03:41:29 4 A. For this purpose, yes.

03:41:42 5 Q. I'll stop sharing my screen.

03:41:45 6 If there were a situation where a registrant
03:41:51 7 wrote on their form that they were born in one state,
03:41:55 8 let's say Nevada, but then they provided a copy of a
03:41:59 9 birth certificate from a different state, let's say
03:42:03 10 Colorado, would that be an indication to your office
03:42:08 11 that something's wrong with the application?

03:42:14 12 A. It definitely -- especially if that's their
03:42:17 13 sole identification that they're providing and then they
03:42:23 14 write a different state, yes, we would need more
03:42:25 15 verification then in order to register that voter.

03:42:33 16 Q. Suppose there's a dispute that arises about
03:42:37 17 whether a registered voter is a citizen. Suppose the
03:42:40 18 voter says that they were born in the United States,
03:42:43 19 let's say Colorado, but you get some sort of credible
03:42:49 20 information from someone else that the voter was born in
03:42:53 21 another country. In that sort of situation, would it be
03:42:58 22 useful to know what the voter said on their form about
03:43:03 23 the state or country of birth they were -- their state
03:43:06 24 or country of birth?

03:43:11 25 A. It would be important to know, yes, but for me

03:43:17 1 personally, I would want more direction, either from my
03:43:21 2 County Attorney or the Secretary of State's Office,
03:43:22 3 before I went forward with any actions on that.

03:43:28 4 Q. Would you say that a person's place of birth,
03:43:33 5 namely the state or country in which they are born, is
03:43:37 6 information that can be used to verify someone's
03:43:42 7 identity?

03:43:45 8 MR. FERGUSON: Objection, calls for a
03:43:46 9 legal conclusion.

03:43:50 10 THE WITNESS: Yes, you could use that as
03:43:52 11 information to determine who they are, yes.

03:43:52 12 BY MR. WHITAKER:

03:43:59 13 Q. Is it important during the registration process
03:44:01 14 to make sure that the person who's submitting the form
03:44:04 15 is actually who they say they are?

03:44:06 16 A. Yes, it is.

03:44:15 17 Q. I'll switch gears a little bit and talk about
03:44:18 18 the prevention of voter fraud. You were asked a few
03:44:21 19 questions about that, and I think one of your answers
03:44:23 20 said something like you can kind of tell when a
03:44:28 21 registration form is being filled out by someone else.
03:44:31 22 Do you remember that answer?

03:44:34 23 A. Yes, I do.

03:44:36 24 Q. Could you explain a little bit what you meant
03:44:38 25 by that?

03:44:40 1 A. So I can tell based on like handwriting, and we
03:44:49 2 do also -- like if someone is assisting another person
03:44:52 3 filling out that form, there is a space at the bottom
03:44:55 4 where that assisting person has to sign. So if you can
03:45:00 5 tell that the handwriting is different from the
03:45:03 6 signature or if we -- if we compared the handwriting on
03:45:08 7 this new form to the other -- the old form, another old
03:45:12 8 form of that person, you can kind of tell if it's them
03:45:16 9 or not based on handwriting and if it's not certified by
03:45:20 10 another person that's assisting them with a signature at
03:45:23 11 the bottom.

03:45:27 12 Those are some of the things that we look for.
03:45:31 13 You know, if we get a new voter registration form for an
03:45:34 14 existing voter and the handwriting on the new form is
03:45:41 15 considerably different than previous forms and other
03:45:45 16 handwriting samples that we have for that voter, and
03:45:49 17 let's say they're leaving out certain information that a
03:45:53 18 per -- you know, there's little things that you can look
03:45:56 19 for to kind of point you in that direction, that it
03:46:01 20 might be fraudulent.

03:46:05 21 Q. What if -- what if you don't have -- what if
03:46:08 22 there's a situation where you, for example, don't have
03:46:11 23 other handwriting to compare to and you don't have any
03:46:15 24 information of that signature at the bottom that
03:46:18 25 indicates it was filled out by someone else? Is it

03:46:20 1 possible that there would be situations that could slip
03:46:23 2 past you?

03:46:25 3 A. Uh-huh, absolutely.

03:46:26 4 Q. I guess I'm asking --

03:46:26 5 A. Yes.

03:46:27 6 Q. -- is it a foolproof system?

03:46:29 7 A. It's not a foolproof system, no. No.

03:46:40 8 Q. On the HAVA check I think your testimony was
03:46:42 9 that you do the HAVA check and then you get back a
03:46:45 10 response that either says citizen or no proof of
03:46:48 11 citizenship, and that's based on running through MVD and
03:46:52 12 Social Security databases; is that a fair summary?

03:46:56 13 A. That's, yes, what I testified, yes.

03:47:04 14 Q. Do you know how often the MVD or Security
03:47:10 15 Social databases yield a false positive, that is, they
03:47:14 16 say that someone is a citizen when, in fact, they're
03:47:16 17 not?

03:47:18 18 A. I don't know that statistic, no.

03:47:30 19 Q. I'll turn a little bit -- turn gears just a
03:47:35 20 little bit to the citizenship checkbox, and by that I
03:47:38 21 mean that box on the form that says "Are you a citizen,"
03:47:40 22 "Yes" or "No." Do you know what I'm talking about?

03:47:43 23 A. Yes, I do.

03:47:50 24 Q. Okay. And here I'll pull up the EPM again and
03:48:02 25 I'll go to Page 20. So I'm on Page 20, a heading that

03:48:12 1 says, "4. Failure to Properly Answer Citizenship
03:48:15 2 Question." Do you see that?

03:48:16 3 A. I do.

03:48:18 4 Q. Okay. And right now the guidance is, "A
03:48:22 5 registrant's failure to answer the citizenship question
03:48:25 6 or no answer to the citizenship question on the state or
03:48:29 7 federal form does not invalidate the form so long as
03:48:31 8 there is some other appropriate indicator that the
03:48:34 9 registrant is a U.S. citizen, ARS 16-121.01(A)."

03:48:39 10 Did I read that part right?

03:48:41 11 A. You did.

03:48:43 12 Q. Okay. If the EPM were to change and say,
03:48:49 13 actually, the applicant needs to answer yes on the
03:48:55 14 checkbox, even if they also provide DPOC, would the
03:49:03 15 Recorder's Office follow that guidance?

03:49:06 16 A. We would. We would follow the latest current
03:49:09 17 guidance and EPM, yes.

03:49:14 18 Q. If there were to be a statute passed that says
03:49:17 19 you need to have a yes in that checkbox in addition to
03:49:22 20 DPOC and that requirement were upheld in court, would
03:49:27 21 the Recorder's Office follow that requirement?

03:49:31 22 A. Yes, we would.

03:49:35 23 Q. Okay. Let's imagine that -- imagine for a
03:49:39 24 moment that there is no EPM. It just never existed.

03:49:46 25 And you get a registration form where someone checks the

03:49:50 1 box "No" on the question of whether they are a citizen.

03:49:55 2 They say, no, I'm not. Is that information that you

03:50:00 3 think would be material to your determination of whether

03:50:03 4 that person is a citizen?

03:50:07 5 A. Yes.

03:50:09 6 Q. And why is that?

03:50:12 7 A. If they're saying no, they're not a citizen,

03:50:15 8 I'm taking them at their word, and if I don't have any

03:50:18 9 other guidance, then I would have to take their answer

03:50:22 10 on that, and they also sign the bottom too.

03:50:27 11 Q. Would you -- oh, go ahead. What were you

03:50:29 12 saying about the signing?

03:50:30 13 A. No, that's fine. That's fine.

03:50:32 14 Q. Okay.

03:50:33 15 A. I'm good.

03:50:35 16 Q. Do you think that a registrant is one of the

03:50:39 17 most reliable sources possible on whether the registrant

03:50:43 18 himself or herself is a citizen?

03:50:49 19 A. I do, but I would rely upon other verification

03:50:57 20 because sometimes people are not truthful.

03:51:02 21 Q. And what do you mean by --

03:51:04 22 A. I'm sure that --

03:51:05 23 Q. Go ahead.

03:51:06 24 A. No. So I know that that person is probably the

03:51:10 25 best source of information about themselves, but

03:51:14 1 sometimes people can be deceitful. So when it comes to
03:51:17 2 verifying citizenship, it's better to go based off of
03:51:23 3 like the HAVA checks or verification of, you know,
03:51:27 4 identification and that sort of thing, rather than take
03:51:30 5 someone's word for it.

03:51:35 6 Q. I want you to imagine a situation where the
03:51:38 7 DPOC provided raises a question in your mind. Maybe
03:51:44 8 it's blurry. Maybe you can't quite tell what the name
03:51:48 9 is. Maybe you suspect Photoshop or something like that.

03:51:48 10 A. Uh-huh.

03:51:56 11 Q. In that situation, do you think it would be
03:51:57 12 important to know whether that registrant marked "No" in
03:52:04 13 the citizenship checkbox?

03:52:11 14 A. Yes, but then again, it's -- I would probably
03:52:16 15 ask for better proof or clearer, you know, like clearer
03:52:21 16 documentation, that sort of thing. But yes. But like I
03:52:24 17 said, normally people are trying to verify their
03:52:32 18 citizenship, rather than not verify their citizenship,
03:52:37 19 so -- but that would be something to look at, yes.

03:52:52 20 Q. You mentioned earlier that there are -- there
03:52:55 21 may be ways in which people can be citizens, but then no
03:53:01 22 longer be citizens, I think. Can you explain what you
03:53:04 23 meant by that? I think you used as an example someone
03:53:08 24 who permanently leaves the country. Can you explain
03:53:11 25 what you meant by that?

03:53:11 1 A. Yeah. Like so if, you know, you're born and
03:53:15 2 raised here, but you move to Brazil and you become a
03:53:18 3 Brazilian citizen and you relinquish your American
03:53:23 4 citizenship rights, that sort of thing. So unless that
03:53:29 5 new proof of citizenship in a different country is
03:53:34 6 provided to our Recorder's Office, we may not know that
03:53:43 7 you are no longer a citizen, unless there were checks
03:53:46 8 like through the MVD or that sort -- or Social Security
03:53:49 9 Office that came back and told us, oh, they're no longer
03:53:52 10 a citizen. So...

03:53:56 11 Q. Let's suppose a person like that comes --
03:54:03 12 visits the United States and then gives you their birth
03:54:07 13 certificate because they were born in the United States,
03:54:10 14 but checks "No" in the citizenship checkbox when asked
03:54:15 15 whether they are a U.S. citizen.

03:54:18 16 A. Okay.

03:54:19 17 Q. Would it be important in your mind that they
03:54:21 18 checked "No" in that circumstance to determine whether
03:54:25 19 they are --

03:54:26 20 A. Yes, it would.

03:54:28 21 Q. Oh, go ahead.

03:54:28 22 A. Yes. No, that would be important. I would
03:54:31 23 probably ask further, you know, or so what do you mean
03:54:35 24 by this? You were born here, but you're saying you're
03:54:38 25 not a citizen. And then, you know, ask them to provide

03:54:40 1 proof. More than likely, like in my scenario, they
03:54:45 2 would provide their Brazilian citizenship, that sort of
03:54:49 3 thing. So by them marking no in that case would give me
03:54:54 4 pause for more verification.

03:55:04 5 Q. I'll stop sharing my screen. I should have
03:55:07 6 done that already.

03:55:08 7 There is another document, and I don't know if
03:55:11 8 you were involved in the preparation of this or not, but
03:55:14 9 it seems like one of the documents produced by the
03:55:19 10 County Recorder's Office here was a large PDF. It was
03:55:23 11 like a 1,000-page PDF of voter registration rows. Are
03:55:31 12 you familiar with what I'm talking about?

03:55:35 13 A. Not really, unless that was our suspense list,
03:55:39 14 maybe, but...

03:55:43 15 Q. I'm not quite sure, to be honest, so I'll
03:55:48 16 share. What I'm going to do is -- it was roughly a
03:55:50 17 1,200-page document. I've only done the first 25 pages
03:55:55 18 of it to make it manageable.

03:55:58 19 A. Okay.

03:55:58 20 Q. I'll show it to you now, and maybe you know
03:56:00 21 what it is, maybe you don't. I'm not sure.

03:56:04 22 A. Okay.

03:56:17 23 Q. Okay. Do you see my screen here?

03:56:20 24 A. I do.

03:56:22 25 Q. And what -- do you know what this document is?

03:56:30 1 A. I do not believe I was the one that ran this
03:56:33 2 report, but it looks like it's showing all of our county
03:56:44 3 voters with their source of registration and date and
03:56:48 4 then whether or not their citizenship is verified, so...

03:56:59 5 Q. Okay. Well, I'll ask you a couple of questions
03:57:00 6 about this document and --

03:57:00 7 A. Uh-huh.

03:57:06 8 Q. Yeah, I'll ask you a couple of questions about
03:57:08 9 it.

03:57:08 10 Let's go to Page -- and, again, this is not the
03:57:11 11 full document. This is just the first 25 pages of a
03:57:14 12 much larger document.

03:57:16 13 A. Okay.

03:57:17 14 Q. I'm going to Page 3 of the document and I'm
03:57:20 15 going near the bottom. I'm interested in this row here.
03:57:27 16 Do you see the one I've highlighted?

03:57:29 17 A. Okay. I do.

03:57:31 18 Q. Okay. Now, so as I read this document, this
03:57:34 19 says registration date April 5th, 2022; citizenship
03:57:39 20 verified, no.

03:57:42 21 Can you explain what that means?

03:57:46 22 A. So what that would have been -- and it looks
03:57:49 23 like they were in person. I was not working for the
03:57:53 24 county at this time, but I'm familiar with the data. So
03:57:59 25 it more than likely means someone came into the office,

03:58:03 1 registered to vote, did not provide proper -- like a
03:58:08 2 driver's license, that sort of thing, and then when they
03:58:12 3 were entered into the AVID system and ran the HAVA
03:58:16 4 check, it came back as not a citizen.

03:58:16 5 Q. Okay.

03:58:21 6 A. So they can still be on our rolls that way,
03:58:28 7 but -- and if you notice in the other column under
03:58:32 8 Federal-ID Only, they are a federal only voter.

03:58:36 9 Q. I see. You're referring to this column that my
03:58:39 10 cursor is over --

03:58:39 11 A. Yes.

03:58:40 12 Q. -- where it says -- right?

03:58:42 13 A. Yes.

03:58:49 14 Q. Let's go down to Page 14 near the top here. So
03:59:00 15 this is, I think, the fourth row on Page 14. I see
03:59:04 16 registration date March 18th, 2020; citizenship
03:59:08 17 verified, no.

03:59:11 18 Is that right?

03:59:13 19 A. That is correct, yes.

03:59:15 20 Q. Okay. But this one, it doesn't say federal
03:59:19 21 only voter. Do you know why that is?

03:59:23 22 A. So to the best of my knowledge, I don't -- I
03:59:28 23 really don't know why it would do that, because in AVID,
03:59:31 24 if I'm running that -- it looks like someone manually
03:59:36 25 changed that federal ID only and didn't fix the

03:59:44 1 citizenship. Because you can do that manually. But so
03:59:48 2 that's what it looks like to me, that somebody probably
03:59:51 3 manually made that change.

03:59:54 4 Q. Manually made which change?

03:59:57 5 A. To make them -- I don't -- honestly, that is
04:00:03 6 the strangest situation. It was probably not processed
04:00:06 7 correctly, in my opinion, because if citizenship was not
04:00:13 8 verified, they should not -- they should be a fed only.

04:00:19 9 And if they provided proof and they only
04:00:21 10 switched the federal ID only status and didn't correct
04:00:25 11 the citizenship checkmark box, then that means one of
04:00:33 12 our employees did not process it correctly.

04:00:39 13 Q. Is it possible -- employees are human. Humans
04:00:42 14 make mistakes, of course.

04:00:43 15 A. Yes, yes. Yes.

04:00:44 16 Q. Is it possible that human error could lead to
04:00:47 17 someone who is -- who has not provided proof of
04:00:51 18 citizenship and is not a federal only voter and
04:00:56 19 nevertheless is registered and votes?

04:00:59 20 A. Yes, absolutely. There's always human error.
04:01:03 21 Yeah.

04:01:06 22 Q. How about -- we'll go down to Page 22. Let's
04:01:15 23 go to the middle, roughly, of this page. This is --
04:01:23 24 this is one it seems similar to me. You've got a
04:01:27 25 registration date of June 27th, 2022; citizenship

04:01:31 1 verified, no; and then not a federal only voter. Is
04:01:37 2 this another possible human error situation?
04:01:41 3 A. It could be. It could be.
04:01:46 4 Q. Oh, and I'm reminded that I have --
04:01:46 5 A. Because --
04:01:48 6 Q. Go ahead.
04:01:49 7 A. No, so when you enter it into AVID and if that
04:01:52 8 citizenship is not verified, AVID automatically puts
04:01:57 9 them in federal ID only, so that answer would
04:02:00 10 automatically be yes in that column. So this means that
04:02:04 11 somebody went and manually changed that federal ID only
04:02:09 12 status, because AVID is designed to automatic -- at that
04:02:18 13 point in time for sure. I think that they're updating
04:02:21 14 that now. But it will automatically put them into
04:02:24 15 federal ID only for you. So it had to have been a human
04:02:30 16 that changed it.
04:02:34 17 Q. And I'm realizing I didn't mark this as an
04:02:37 18 exhibit, and I don't know what exhibit we're on.
04:02:43 19 MR. WHITAKER: Jody, do you know what
04:02:44 20 exhibit number we're on?
04:02:48 21 THE COURT REPORTER: 248.
04:02:51 22 MR. WHITAKER: Okay. This is just the
04:02:52 23 first 25 pages of a larger document, but I think for
04:02:59 24 manageability purposes that's fine. We'll mark -- can
04:03:05 25 we mark this as 228?

04:03:07 1 THE COURT REPORTER: 248.

04:03:09 2 MR. WHITAKER: Oh, 248. Thanks. And I
04:03:11 3 can e-mail all parties a copy of this 25-page excerpt.

04:03:17 4 I think that's all the questions I have
04:03:19 5 for now. Thank you very much for your time.

04:03:23 6 THE WITNESS: Thank you.

04:03:44 7 MS. STUART: The Secretary doesn't have
04:03:45 8 any questions. Thank you so much for your time today.
04:03:48 9 I'm not sure if someone from the RNC, Kory, if you have
04:03:51 10 questions or not?

04:03:52 11 MR. LANGHOFER: Thanks. I might have -- I
04:03:53 12 think I've got just one.

04:03:53 13
04:03:55 14 EXAMINATION

04:03:55 15 BY MR. LANGHOFER:

04:03:56 16 Q. Thanks for your time this afternoon, ma'am. I
04:03:59 17 just have one question for you, and that is, we've heard
04:04:01 18 from some other counties that they occasionally have big
04:04:04 19 voter registration drives in their county and they'll
04:04:07 20 get stacks of voter registration forms, and a number of
04:04:12 21 the forms that they get in those drives end up having
04:04:16 22 false information on them or appeared that they're, you
04:04:20 23 know, hunting.

04:04:21 24 Have you seen anything like that in Apache
04:04:24 25 County?

04:04:24 1 A. Yes, we have. It was kind of when I first took
04:04:27 2 over. They were forwarded from the Secretary of State's
04:04:31 3 Office to Apache County, but I have seen that there were
04:04:40 4 some that the Secretary of State's Office was concerned
04:04:44 5 about and gave them back to us to review and do what we
04:04:50 6 needed to, but that's kind of when I first got the job,
04:04:54 7 so it's -- yeah.

04:04:59 8 Q. Did your office --

04:04:57 9 A. I was still in transition then. Uh-huh.

04:04:59 10 Q. Did your office end up concluding those weren't
04:05:03 11 authentic or not legitimate?

04:05:06 12 A. So we had to be very careful when processing
04:05:10 13 them. Of course, we have to assume that they are
04:05:12 14 legitimate. But, of course, there were several that we
04:05:17 15 could not process because they either were missing the
04:05:22 16 current information that we have to have, which is kind
04:05:25 17 of why we assumed that they were being collected

04:05:28 18 fraudulently, is because they all came from the same
04:05:31 19 source and they were not filled out correctly, lots of
04:05:37 20 missing signatures or that sort of thing on those, so...

04:05:45 21 Q. I want to make sure I understand what you said
04:05:46 22 a moment ago. Did you all conclude that some of them
04:05:50 23 were, in fact, fraudulent forms?

04:05:52 24 A. Yes, some of them were fraudulent forms.

04:05:56 25 Q. Did you refer those to the County Attorney for

04:05:59 1 prosecution?

04:06:02 2 A. I do not believe so. Like I said, it's kind of

04:06:05 3 when I was first taking over, and that was the -- that

04:06:09 4 responsibility would have been our previous Chief Deputy

04:06:13 5 Recorder who was handling that. I was just kind of

04:06:16 6 researching each of them and that sort of thing for her.

04:06:19 7 So I don't know what happened with those.

04:06:22 8 Q. Okay. I take it then you also wouldn't know if

04:06:24 9 they were referred to the Attorney General for

04:06:25 10 prosecution?

04:06:27 11 A. I do not know. No, I have no idea.

04:06:31 12 Q. Do you know about that happening -- apparently

04:06:34 13 you remember this time when you first got there. Have

04:06:36 14 you heard about that happening before you got to the

04:06:37 15 office?

04:06:39 16 A. No. No, I haven't heard of any instances of

04:06:43 17 that, but.

04:06:45 18 Q. Any idea how many forms you felt that were

04:06:49 19 fraudulent from that incident when you first got to the

04:06:51 20 office?

04:06:55 21 A. I can give you kind of a ballpark. There was

04:06:57 22 in total probably around 50 from that same organization

04:07:03 23 source. I would say that we could determine that were

04:07:10 24 probably more than likely fraudulent was probably --

04:07:14 25 that we could prove were fraudulent, if that makes any

04:07:18 1 sense, was probably, you know, 10, 15 percent of those

04:07:23 2 50.

04:07:24 3 Q. Which organization was it that turned those in?

04:07:29 4 A. Oh, gosh. I cannot remember the name of the

04:07:32 5 organization. They changed it. Changed their name,

04:07:36 6 apparently. So I honestly don't remember off the top of

04:07:38 7 my head. Like I said, it's like when I first took over

04:07:41 8 the job and it -- yeah.

04:07:41 9 Q. Well, I said I --

04:07:44 10 A. I definitely didn't retain that information.

04:07:48 11 MR. LANGHOFER: And I told you I had one

04:07:49 12 question, but it turned into about ten with follow-ups,

04:07:51 13 so I'm sorry about that.

04:07:51 14 THE WITNESS: That's okay. It got

04:07:54 15 interesting. That's okay.

04:07:54 16 MR. LANGHOFER: So I think that's all the

04:07:56 17 questions for the defense, unless Hannah's got

04:07:58 18 something.

04:08:02 19 Not seeing Hannah speak up, any redirect

04:08:04 20 from the plaintiffs?

04:08:12 21 MS. YUN: Hi. This is Jennifer Yun on

04:08:15 22 behalf of the United States. I'm not sure if Brent

04:08:21 23 or -- is planning on doing any redirect. If not, I have

04:08:24 24 a few questions.

04:08:27 25 MR. FERGUSON: You can go ahead.

04:08:31 1 MS. YUN: Okay.

04:08:31 2

04:08:31 3 EXAMINATION

04:08:31 4 BY MS. YUN:

04:08:31 5 Q. Okay. Thank you. Just a few more questions.

04:08:34 6 I'm so sorry for keeping you for so many hours.

04:08:38 7 Mr. Whitaker from the Attorney General's Office

04:08:40 8 asked you a few questions about birthplace from the --

04:08:47 9 and was referencing the EPM. Do you remember that?

04:08:50 10 A. I do.

04:08:51 11 Q. Do you have the 2019 EPM in front of you or

04:08:55 12 should -- I can also share the screen if that's -- share

04:08:57 13 my screen if --

04:08:59 14 A. I do have -- yeah, I do have it.

04:09:02 15 Q. Okay, great.

04:09:04 16 I -- you can take look at it or I'm referring

04:09:08 17 to Page 4 of the EPM where Mr. Whitaker referenced with

04:09:17 18 regards to inspecting birth certificates.

04:09:20 19 A. Okay.

04:09:23 20 Q. So this inspecting of birth certificates, that

04:09:27 21 would only happen only if the name on the birth

04:09:32 22 certificate is not the registrant's current legal name

04:09:35 23 and they can't provide any documentation explaining why;

04:09:35 24 is that right?

04:09:45 25 A. Let me just review it real quick.

04:09:47 1 Q. Sure. It's towards the end of the -- the
04:09:51 2 bottom of Page 4, going onto the next page.

04:10:01 3 A. And yes. So with the way that it's worded, the
04:10:06 4 only time is if they don't have the supporting document,
04:10:09 5 like a marriage certificate or a legal name change
04:10:12 6 document, is the only time that we would be referencing
04:10:16 7 those other items.

04:10:19 8 Q. And how often does your office encounter birth
04:10:24 9 certificates as a way to verify someone's citizenship
04:10:26 10 status?

04:10:28 11 A. I personally have yet to ever have somebody
04:10:31 12 bring their birth certificate in, so...

04:10:34 13 Q. And so that's within the last, say, nine, ten
04:10:39 14 months of working there?

04:10:41 15 A. That's correct.

04:10:43 16 Q. And how -- do you know -- do you know, based on
04:10:49 17 your colleagues or your predecessors, how often your
04:10:53 18 office encounters a situation where the registrant
04:10:56 19 cannot provide any documentation showing why they have a
04:10:59 20 different last name from what is reflected on the birth
04:11:04 21 certificate?

04:11:04 22 A. As far as I know, that hasn't been an issue. I
04:11:09 23 would also point out that most of our voter
04:11:14 24 registrations, like initial voter registrations, which
04:11:17 25 is when they have to provide that documentation, most of

04:11:20 1 them are done through like probably the DMV, where the
04:11:25 2 DMV is also giving them a driver's license or ID, and
04:11:29 3 they are verifying those documents.

04:11:32 4 So the Recorder's Office doesn't necessarily --
04:11:36 5 we're not always the one that is recording the -- or
04:11:39 6 checking those documents.

04:11:42 7 Q. Understood.

04:11:43 8 MS. YUN: I have no further questions.
04:11:45 9 Thank you.

04:11:47 10 THE WITNESS: Okay.

04:11:50 11 MR. LANGHOFER: Anything else from the
04:11:51 12 plaintiffs?

04:11:53 13 All right, Celeste, are you guys going to
04:11:55 14 read and sign?

04:11:58 15 MS. ROBERTSON: I'm sorry. What was that,
04:11:59 16 Kory?

04:11:59 17 MR. LANGHOFER: You guys are going to read
04:12:01 18 and sign the transcript, I assume?

04:12:02 19 MS. ROBERTSON: Yes. Yes, we will.

04:12:05 20 MR. LANGHOFER: I guess that's it. Ma'am,
04:12:06 21 thanks again for your time.

04:12:08 22 And, Dan, do you want to take us off the
04:12:10 23 record.

04:12:10 24 THE VIDEOGRAPHER: We are off the record.
04:12:11 25 Time on the video monitor is 4:12 p.m. This ends

POLLY MERRIMAN,
called as a witness herein, having been first duly sworn
by the Certified Court Reporter to speak the truth and
nothing but the truth, was examined and testified as
follows:
EXAMINATION
BY MR. HEMSTREET:
Q. Good morning, Ms. Merriman. My name is Robbie
Hemstreet. I'm an attorney for Latham & Watkins. I
represent the Plaintiff Arizona Asian American Native

09:16:45 1 Hawaiian and Pacific Islander for Equity Coalition in
09:16:47 2 this matter. That's quite a mouthful, so if I refer to
09:16:50 3 it as Equity Collation, will you understand that's who
09:16:52 4 I'm referring to?

09:16:53 5 A. Okay.

09:16:55 6 Q. Can you please state and spell your full name
09:17:00 7 for the record?

09:17:00 8 A. My full legal name is Pauline, P-A-U-L-I-N-E,
09:17:05 9 Merriman, M-E-R-R-I-M-A-N. I hold office as Polly,
09:17:10 10 P-O-L-L-Y, M-E-R-R-I-M-A-N.

09:17:17 11 Q. And what is your title?

09:17:18 12 A. I am the Graham County Recorder.

09:17:20 13 Q. And how long have you been in that role?

09:17:22 14 A. Since March 27th of 2023.

09:17:26 15 Q. And prior to March 27th, 2023, Wendy John was
09:17:33 16 the Graham County Recorder, correct?

09:17:35 17 A. Correct.

09:17:35 18 Q. Do you know how long she was in that role?

09:17:37 19 A. 24 years.

09:17:40 20 Q. Okay. So for today's deposition I want to make
09:17:42 21 the record clear on just a couple of points at the
09:17:45 22 outset. First, you understand that you are testifying
09:17:47 23 under oath today?

09:17:48 24 A. Yes.

09:17:49 25 Q. You understand the court reporter is

09:17:52 1 transcribing this deposition?

09:17:54 2 A. Correct.

09:17:55 3 Q. And with that in mind, please answer questions
09:17:58 4 audibly and clearly. You're doing a great job with yes,
09:18:01 5 but no head shakes, nods. Does that make sense?

09:18:04 6 A. Yeah.

09:18:09 7 Q. To allow the court reporter to do their job,
09:18:11 8 please let me complete my sentence and question before
09:18:13 9 you respond, and I'll try to do the same and let you
09:18:15 10 finish your answer before asking the next question.
09:18:17 11 Make sense?

09:18:18 12 A. Oh. Okay.

09:18:19 13 Q. Will you let me know if you don't understand
09:18:21 14 any part of a question or need me to repeat it?

09:18:23 15 A. Yes.

09:18:27 16 Q. And if I ask a question and you answer it, I
09:18:30 17 will assume that you understand the question. Is that
09:18:31 18 fair?

09:18:32 19 A. Fair.

09:18:35 20 Q. Is there any reason you can't give full,
09:18:37 21 complete, and accurate testimony today?

09:18:40 22 A. I'm sorry, I didn't hear what you said. Can I
09:18:42 23 just make one statement?

09:18:44 24 I'm hard of hearing, and I do have my hearing
09:18:47 25 aids in at full volume, but if you can speak closer to

09:18:51 1 your microphone, that might help me hear clearer.

09:18:58 2 Q. Will do. Is that any better?

09:19:00 3 A. Yeah. Yes.

09:19:02 4 Q. Is there any reason today that you can't give
09:19:04 5 full, complete, and accurate testimony today?

09:19:07 6 A. Not that I'm aware of.

09:19:12 7 Q. All right. You're not on any medications or
09:19:13 8 experiencing any condition that would prevent you from
09:19:16 9 giving full and truthful testimony today?

09:19:17 10 A. No.

09:19:18 11 Q. Now, if at any time you need a break, please
09:19:20 12 let me know, or anyone on your end. The only thing I
09:19:24 13 ask is that if I've already asked a question and it's
09:19:27 14 pending, that you finish answering that question before
09:19:29 15 taking a break. Is that fair?

09:19:30 16 A. Fair.

09:19:31 17 Q. All right. And since this deposition is being
09:19:33 18 taken remotely, can you please confirm who is in the
09:19:35 19 room with you?

09:19:36 20 A. It's myself and Jean Roof.

09:19:39 21 Q. All right. Nobody else?

09:19:43 22 A. Nobody else is in here.

09:19:44 23 Q. Okay. And if anyone enters, will you please
09:19:45 24 let me know?

09:19:46 25 A. I will.

09:19:49 1 Q. And just one last sort of introductory point,
09:19:52 2 because this is a Zoom deposition, can you please
09:19:55 3 confirm that you will not be receiving any texts,
09:19:58 4 e-mails, or other notes during the deposition from
09:20:00 5 anybody else suggesting how you answer?

09:20:03 6 A. Yes.

09:20:08 7 Q. Have you been deposed before?

09:20:09 8 A. Yes.

09:20:09 9 Q. How many times?

09:20:11 10 A. Once.

09:20:14 11 Q. When was that?

09:20:15 12 A. 1992.

09:20:20 13 Q. Do you remember the circumstances?

09:20:21 14 A. It was a personal matter.

09:20:22 15 Q. Personal matter. Personal injury or what --

09:20:26 16 MS. ROOF: I don't -- objection. I don't
09:20:28 17 think that's relevant.

09:20:31 18 BY MR. HEMSTREET:

09:20:32 19 Q. Did you bring any materials to the deposition
09:20:34 20 today?

09:20:35 21 A. I brought the election procedures manual in
09:20:38 22 case I have to refer to it, and I brought notes of like
09:20:43 23 how many voters and things like that, in case you asked
09:20:46 24 for that, and I have the interrogatories printed out,
09:20:54 25 mine and Wendy's, and also our production printed out.

09:20:59 1 Q. Okay. Those -- are all those documents part of
09:21:03 2 the documents that were sent yesterday?

09:21:04 3 A. Correct.

09:21:06 4 Q. Okay.

09:21:06 5 A. No. I'm sorry.

09:21:10 6 Q. Do all those documents come from the
09:21:13 7 productions of Graham County?

09:21:15 8 A. The printouts are from the court case. The
09:21:19 9 paper with the voter totals is something I wrote on a
09:21:22 10 notepad.

09:21:27 11 Q. Well, can you pull up -- and probably be faster
09:21:30 12 this way if you have, actually, the exhibits in front of
09:21:33 13 you. If you can go to the documents marked A,
09:21:36 14 Document A.

09:21:39 15 MS. ROOF: She's just showing you her
09:21:40 16 notes.

09:21:41 17 BY MR. HEMSTREET:

09:21:41 18 Q. Okay. Great.

09:21:42 19 A. Oh, I'm sorry. Is that what --

09:21:45 20 Q. Document A, do you have that in front of you?

09:21:50 21 MS. ROOF: Yes. We have it on a third
09:21:52 22 screen, so she's going to be turning her head, but it's
09:21:54 23 a larger screen, so it will be more easy for her to see
09:21:57 24 it.

09:21:58 25 MR. HEMSTREET: Fair.

09:21:58 1 BY MR. HEMSTREET:

09:21:59 2 Q. Have you seen this document before?

09:22:02 3 A. Yes.

09:22:12 4 Q. All right. Can you tell me what it is?

09:22:13 5 A. It's the notice of deposition that has the

09:22:16 6 topics.

09:22:19 7 Q. All right. And so for the record, this is the

09:22:21 8 amended Graham County Recorder deposition notice, dated

09:22:24 9 August 21st, 2023.

09:22:26 10 MR. HEMSTREET: And, Jody, do you know

09:22:27 11 where the exhibit numbers left off?

09:22:33 12 THE COURT REPORTER: The next number is

09:22:35 13 249.

09:22:35 14 BY MR. HEMSTREET:

09:22:35 15 Q. All right. We'll mark this as Exhibit 249.

09:22:41 16 Ms. Merriman, so do you understand you've been

09:22:42 17 designated to testify on behalf of Graham County

09:22:45 18 Recorder's Office on these topics?

09:22:46 19 A. Yes.

09:22:47 20 Q. Can we stipulate that whenever I use you, your,

09:22:50 21 or your office in a question, that will be the

09:22:52 22 equivalent of saying the Graham County Recorder's

09:22:56 23 Office?

09:22:56 24 A. Yes.

09:23:00 25 Q. All right. And then quickly turning to Page 5

09:23:02 1 of the Exhibit 249. Do you see where it says "Topics"?

09:23:09 2 A. Yes.

09:23:10 3 Q. All right. Are you prepared to address each of
09:23:12 4 these topics today?

09:23:15 5 A. Yes.

09:23:15 6 Q. What did you do to prepare for today's
09:23:17 7 deposition?

09:23:20 8 A. I looked over the topics, and if needed, I
09:23:25 9 looked through my voter AVID system and any e-mails,
09:23:34 10 anything that could pertain to anything that was
09:23:38 11 requested.

09:23:40 12 Q. Did you meet with anyone?

09:23:42 13 A. Jean Roof.

09:23:45 14 Q. Okay. Anybody else?

09:23:45 15 A. No.

09:23:48 16 Q. All right. And so you said you reviewed
09:23:51 17 e-mails, the AVID system, some of these documents. Were
09:23:55 18 there any other documents that you reviewed?

09:23:59 19 A. Not that I recall.

09:24:03 20 Q. If you could turn to the document marked B. B,
09:24:08 21 as in boy.

09:24:09 22 MS. ROOF: B? Okay. Sorry.

09:24:09 23 BY MR. HEMSTREET:

09:24:17 24 Q. And can you let me know if you recognize this
09:24:19 25 document?

09:24:19 1 A. Yes.

09:24:21 2 Q. All right. And what is it?

09:24:24 3 A. This is Defendant Wendy John's responses.

09:24:31 4 Q. So can we mark this as Exhibit 250. For the

09:24:37 5 record, this is Graham County responses to the Equity

09:24:40 6 Coalition's interrogatories dated February 13th, 2023.

09:24:46 7 And we'll just quickly go through several of

09:24:48 8 these. If you could go to Document C.

09:24:54 9 When you have that up, can you let me know if

09:24:56 10 you recognize this document?

09:25:00 11 A. This is my responses to the interrogatories.

09:25:04 12 Q. All right. Thank you. So for the record, this

09:25:06 13 is Graham County responses to the consolidated

09:25:10 14 plaintiffs' interrogatories dated July 10th, 2023; is

09:25:10 15 that right?

09:25:15 16 A. Yes.

09:25:16 17 Q. Okay. And we'll mark this as Exhibit 251.

09:25:23 18 And then could you turn to Document Q.

09:25:33 19 When you have that up, can you let me know what

09:25:35 20 that document is?

09:25:36 21 A. That's supplemental responses, my supplemental

09:25:43 22 responses to the interrogatories.

09:25:45 23 Q. All right. And this is the Graham County

09:25:48 24 supplemental responses to Equity Coalition's

09:25:50 25 interrogatories dated yesterday, August 31st, 2023. And

09:25:55 1 can we mark that as Exhibit 252.

09:26:02 2 Now, were you involved in preparing your

09:26:04 3 office's responses to these interrogatories?

09:26:06 4 A. Yes.

09:26:10 5 Q. To all three of these interrogatories?

09:26:13 6 A. I'm sorry, can you repeat?

09:26:15 7 Q. To all three sets of interrogatories, all three

09:26:18 8 responses?

09:26:20 9 A. No. I was not involved with Wendy John's

09:26:24 10 responses.

09:26:27 11 Q. Okay. Was anyone else involved in any of the

09:26:30 12 responses to these interrogatories?

09:26:31 13 A. No.

09:26:33 14 Q. So just Wendy John and yourself?

09:26:36 15 A. Correct. Yes.

09:26:39 16 Q. What steps did your office take to prepare

09:26:42 17 Graham County's responses to all of these

09:26:44 18 interrogatories?

09:26:47 19 A. If I knew the answer, I gave the answer. If it

09:26:51 20 was something I needed to look up, I utilized the AVID

09:26:54 21 system to look up any information that was needed.

09:26:59 22 Q. Okay. So your answer reflects how you prepared

09:27:02 23 for today's deposition?

09:27:05 24 A. Correct.

09:27:06 25 Q. Sort of looking at the same sets of documents?

09:27:12 1 A. I'm sorry, I'm not understanding what you mean.

09:27:15 2 Q. I just want to establish for the record just
09:27:17 3 all the various steps that you took to answer these
09:27:21 4 interrogatories and try and understand if there's any
09:27:24 5 difference in the documents that you looked at versus
09:27:28 6 preparing for today's deposition, if that's the same
09:27:32 7 thing.

09:27:32 8 A. No, there were no -- no, there were no
09:27:34 9 differences.

09:27:36 10 Q. Okay. Do you have any updates to make to the
09:27:38 11 responses to plaintiffs' interrogatories today?

09:27:40 12 A. No.

09:27:43 13 Q. If you could go to Document D.
09:27:52 14 When you have that up, can you tell me what
09:27:54 15 this is?

09:27:55 16 A. This is Defendant Wendy John's responses to the
09:28:00 17 first request for production of documents.

09:28:03 18 Q. And then can we mark this as Exhibit 253.

09:28:10 19 This is the Graham County responses to Equity
09:28:14 20 Coalition's RFPs dated February 13th, 2023.

09:28:17 21 And then if you could also go to Document E for
09:28:19 22 me.

09:28:27 23 And when you have that up, can you tell me what
09:28:28 24 this is?

09:28:29 25 A. Yes. This is my responses to the first set of

09:28:34 1 requests for production.

09:28:36 2 Q. And this is the responses to the consolidated
09:28:40 3 plaintiffs' RFPs; is that right?

09:28:42 4 A. Oh, yes, it is.

09:28:45 5 Q. Okay. And can we mark this as Exhibit 254.

09:28:53 6 Were you involved in preparing your office's
09:28:55 7 responses to all these sets of RFPs?

09:28:58 8 A. All of the sets that were my responses and my
09:29:05 9 interrogatories. I was not involved in Wendy's.

09:29:08 10 Q. All right. Was anyone else involved in either
09:29:12 11 yours or Wendy's?

09:29:15 12 A. No.

09:29:16 13 Q. So it was just -- sorry. For the record, only
09:29:19 14 Wendy John and yourself were involved in responding to
09:29:21 15 these RFPs?

09:29:23 16 A. Yes.

09:29:27 17 Q. Did you take any other steps other than what
09:29:30 18 we've previously discussed in preparing Graham County's
09:29:33 19 responses to these RFPs?

09:29:35 20 A. None that I recall.

09:29:38 21 Q. Do you have any updates to make to these
09:29:40 22 document requests at this time?

09:29:42 23 A. None at this time.

09:29:49 24 Q. We can set those aside for a second.

09:29:51 25 So are you familiar with the election

09:29:54 1 procedures manual?

09:29:58 2 A. I'm sorry, can you repeat?

09:30:00 3 Q. Are you familiar with the election procedures

09:30:03 4 manual?

09:30:03 5 A. Yes.

09:30:04 6 Q. If I shorten that to EPM, you'll understand I'm

09:30:07 7 referring to the elections procedures manual?

09:30:10 8 A. Yes.

09:30:10 9 Q. The 2019 version of the EPM is still currently

09:30:14 10 operative; is that right?

09:30:15 11 A. Yes.

09:30:17 12 Q. Is your office legally required to follow the

09:30:20 13 EPM?

09:30:20 14 A. Yes.

09:30:22 15 MR. HORLEY: Calls for a legal conclusion.

09:30:24 16 This is Tim Horley.

09:30:26 17 BY MR. HEMSTREET:

09:30:26 18 Q. So you consider the EPM to be legally binding?

09:30:29 19 MR. HORLEY: Same objection.

09:30:32 20 MS. ROOF: You can answer, Polly.

09:30:35 21 MR. LANGHOFER: Robbie, can we get on the

09:30:36 22 record our stipulation that an objection by one

09:30:37 23 defendant is an objection by all?

09:30:39 24 MR. HEMSTREET: Yes.

09:30:39 25 MR. LANGHOFER: Great. Thanks.

09:30:41 1 MR. MORGAN: Yeah, we join in that.

09:30:44 2 Thanks. Thank you.

09:30:46 3 Sorry, Mrs. Roof. Sometimes we're going
09:30:48 4 to have objections. So that doesn't mean you shouldn't
09:30:51 5 answer the question, okay?

09:30:54 6 THE WITNESS: Okay. My answer is yes.

09:30:54 7 MS. ROOF: I instructed her to answer, so
09:30:57 8 I apologize. I think she was just waiting for everyone
09:31:01 9 to be done.

09:31:02 10 MR. MORGAN: Oh, no, that's fine. The
09:31:04 11 audio is kind of wonky today. I can barely hear folks
09:31:06 12 myself, and I'm sure you're having the same issue.

09:31:09 13 Sorry, Mr. Hemstreet.

09:31:10 14 MR. HEMSTREET: No worries.

09:31:10 15 BY MR. HEMSTREET:

09:31:10 16 Q. I'll repeat.

09:31:11 17 Do you consider the EPM to be legally binding?

09:31:14 18 A. I do.

09:31:15 19 MR. HORLEY: Same.

09:31:16 20 THE WITNESS: Yes.

09:31:16 21 BY MR. HEMSTREET:

09:31:16 22 Q. And does that include Chapter 1 regarding voter
09:31:20 23 registration?

09:31:20 24 MR. LANGHOFER: Same objection.

09:31:20 25 THE WITNESS: Yes.

09:31:25 1 BY MR. HEMSTREET:

09:31:25 2 Q. So the Secretary of State promulgates the EPM;

09:31:25 3 is that right?

09:31:29 4 A. Yes.

09:31:30 5 Q. Can the Secretary of State's Office convey

09:31:34 6 legally binding guidance to your office by means outside

09:31:37 7 of the EPM?

09:31:39 8 MR. LANGHOFER: Same objection.

09:31:40 9 MR. HORLEY: Same objection.

09:31:43 10 THE WITNESS: I am not able to answer

09:31:44 11 that. I'm not sure if they can.

09:31:49 12 BY MR. HEMSTREET:

09:31:49 13 Q. So you're not sure one way or the other whether

09:31:52 14 or not the Secretary of State can convey legally binding

09:31:55 15 guidance to your office by different means other than

09:31:57 16 the EPM?

09:31:59 17 A. Correct.

09:32:02 18 Q. Are you familiar with the voter registration

09:32:04 19 advisory committee?

09:32:05 20 A. Yes.

09:32:09 21 Q. And I'll refer to them as VRAC; is that okay?

09:32:12 22 A. Yes.

09:32:12 23 Q. Are VRAC proposals or papers legally binding on

09:32:15 24 your office?

09:32:17 25 MR. HORLEY: Same objection.

09:32:20 1 THE WITNESS: I am not sure that they're
09:32:23 2 legally binding.
09:32:26 3 BY MR. HEMSTREET:
09:32:26 4 Q. Is your office aware of a draft EPM for 2023?
09:32:31 5 A. Yes.
09:32:32 6 Q. Have you provided comments regarding that draft
09:32:34 7 EPM to the Secretary of State?
09:32:37 8 A. No.
09:32:38 9 Q. Do you intend to?
09:32:39 10 A. No.
09:32:42 11 Q. Does the draft EPM for 2023, to your knowledge,
09:32:45 12 include guidance for how to implement H.B. 2492 and
09:32:50 13 H.B. 2243?
09:32:51 14 A. Yes.
09:32:54 15 Q. If there's no approved revised EPM by this time
09:32:58 16 next year, will you nevertheless be obligated to enforce
09:33:02 17 the portions of H.B. 2492 and H.B. 2243 that are
09:33:07 18 directed at the County Recorders?
09:33:09 19 MR. LANGHOFER: Same objection.
09:33:10 20 MR. HORLEY: Calls for --
09:33:12 21 THE WITNESS: I'm uncertain what the
09:33:15 22 question was exactly.
09:33:17 23 BY MR. HEMSTREET:
09:33:17 24 Q. I'll rephrase.
09:33:18 25 I'm trying to understand if -- if there's no

09:33:24 1 approved new draft, so the 2023 draft EPM is not
09:33:27 2 approved, are you still going to be obligated to enforce
09:33:31 3 H.B. 2492 and H.B. 2243 regardless?

09:33:38 4 MR. HORLEY: Same objection.

09:33:38 5 THE WITNESS: It would be pending the
09:33:40 6 outcome of the litigation and any changes to the 2019
09:33:46 7 EPM that would reflect having to implement those.

09:33:51 8 BY MR. HEMSTREET:

09:33:51 9 Q. Other than the draft EPM for 2023, have you
09:33:54 10 received any other guidance from the Secretary of State
09:33:56 11 on how to implement those laws?

09:33:59 12 A. No.

09:34:04 13 Q. So has your office been a part of any
09:34:11 14 communications with the Secretary of State's Office
09:34:13 15 regarding the implementation or interpretation of those
09:34:16 16 laws?

09:34:17 17 A. Nothing outside of the preliminary EPM.

09:34:24 18 Q. Has your office received guidance from the
09:34:27 19 Secretary of State's Office indicating that portions of
09:34:29 20 H.B. 2492 violate federal law?

09:34:33 21 A. Yes.

09:34:38 22 Q. What guidance did you receive?

09:34:41 23 A. In December of 2022 the Secretary of State
09:34:48 24 Katie Hobbs' staff member had advised that we were not
09:34:52 25 to implement it. There was litigation and we were to

09:34:55 1 hold off. And she did make a statement that it did
09:35:00 2 contradict federal law.

09:35:06 3 Q. Do you know which provisions the Secretary of
09:35:08 4 State's Office indicated violated federal law?

09:35:12 5 A. I do not, no.

09:35:16 6 Q. And that guidance, that was directed to
09:35:19 7 Ms. John?

09:35:19 8 A. It was directed to Ms. John.

09:35:25 9 Q. Does your office today agree that these
09:35:27 10 provisions violate federal law?

09:35:31 11 MR. HORLEY: Calls for a legal conclusion.

09:35:33 12 THE WITNESS: Yes.

09:35:35 13 BY MR. HEMSTREET:

09:35:36 14 Q. Why?

09:35:40 15 MR. HORLEY: Same objection.

09:35:41 16 THE WITNESS: Well, there was a lawsuit,
09:35:44 17 and I believe it was in 2018 or 2019, that was referred
09:35:49 18 to as the LULAC consent agreement or something like
09:35:55 19 that, and it changed the way that we processed voters.
09:36:00 20 And in implementing the new bills, it would override
09:36:07 21 what that lawsuit -- the outcome of that lawsuit, to my
09:36:14 22 knowledge.

09:36:14 23 BY MR. HEMSTREET:

09:36:30 24 Q. All right. If you could go to Document F.
09:36:40 25 Do you recognize this document?

09:36:42 1 A. We're getting it up right now. Sorry.

09:36:51 2 This is the e-mail from Kori Lorick.

09:36:56 3 Q. And this was on December 30th, 2022?

09:37:00 4 A. Correct.

09:37:02 5 Oh, sorry.

09:37:05 6 Q. Who is Ms. Lorick?

09:37:10 7 A. She worked in the Secretary of State's Office

09:37:13 8 under Katie Hobbs.

09:37:15 9 Q. In the bcc field, do you see an e-mail with the

09:37:18 10 name Gwyn Villescas, Villescas?

09:37:21 11 A. Yes.

09:37:22 12 Q. All right. And who is Gwyn?

09:37:26 13 A. Gwyn Villescas was Wendy John's chief deputy

09:37:31 14 and is now currently my chief deputy.

09:37:33 15 MR. HEMSTREET: And could we mark this as

09:37:35 16 Exhibit 250, are we on 5 now?

09:37:35 17 THE COURT REPORTER: (Nodded.)

09:37:35 18 BY MR. HEMSTREET:

09:37:43 19 Q. All right. And the first two paragraphs there

09:37:47 20 reads, "It's been several weeks since we last discussed

09:37:50 21 implementation of H.B. 2492 and H.B. 2243, both of which

09:37:56 22 go into effect January 1st, 2023. If you'll recall, we

09:38:02 23 met several times throughout the year to review

09:38:04 24 implementation and the resulting impacts to the VR

09:38:06 25 system as well as voter registration procedures.

09:38:09 1 Several questions remained as to whether we could
09:38:12 2 implement requirements that would conflict with the
09:38:14 3 NVRA, federal settlements, and court cases. Having
09:38:18 4 thoroughly analyzed the changes that both bills require,
09:38:20 5 the Secretary of State's Office believes that there is
09:38:22 6 no way to implement certain requirements without
09:38:24 7 conflicting with federal law."

09:38:26 8 Did I read that correctly?

09:38:28 9 A. Yes.

09:38:32 10 Q. All right. Then Ms. Lorick goes on in the next
09:38:35 11 paragraph to note, quote, which provisions we interpret
09:38:37 12 as conflicting with federal law.

09:38:39 13 Do you see that?

09:38:40 14 A. Yes.

09:38:41 15 Q. Are these the provisions that your office
09:38:44 16 agrees violate federal law?

09:38:46 17 A. Yes.

09:38:48 18 MR. HORLEY: Calls for a legal conclusion.

09:38:51 19 BY MR. HEMSTREET:

09:38:51 20 Q. Are you currently implementing any part of
09:38:54 21 H.B. 2492?

09:38:56 22 A. No, I am not.

09:38:58 23 Q. Are you currently implementing any part of

09:39:00 24 H.B. 2243?

09:39:02 25 A. No, I am not.

09:39:05 1 Q. Besides the Secretary of State, has your office
09:39:09 2 discussed the implementation of H.B. 2492 and H.B. 2243
09:39:12 3 with anyone else?

09:39:14 4 A. No.

09:39:16 5 Q. Have you discussed the implementation of either
09:39:19 6 law internally?

09:39:23 7 A. Do you mean with my staff?

09:39:25 8 Q. Correct.

09:39:26 9 A. No.

09:39:28 10 Q. Has your office discussed the implementation of
09:39:30 11 either law with other County Recorders?

09:39:33 12 A. No.

09:39:35 13 Q. Could we actually go to Document B, which --

09:39:43 14 MS. RCOF: B, as in boy?

09:39:44 15 BY MR. HEMSTREET:

09:39:45 16 Q. B, as in boy, which should already be marked as
09:39:48 17 Exhibit 251. I think.

09:39:54 18 And on Page 3, Line 21 through 24, this is in
09:39:58 19 response to Interrogatory 2.

09:40:11 20 Let me know when you're there.

09:40:14 21 A. Yes, we're there.

09:40:16 22 Q. It says, "John has been engaged in discussions
09:40:19 23 with other County Recorders and staff regarding the
09:40:22 24 prospective implementation of H.B. 2243."

09:40:26 25 Do you see that?

09:40:27 1 A. Yes.

09:40:30 2 Q. Do you know with which County Recorders those
09:40:34 3 discussions took place?

09:40:35 4 A. I am not aware who Wendy John spoke with.

09:40:41 5 Q. All right. And so you don't know what was
09:40:44 6 discussed?

09:40:44 7 A. No, I do not.

09:40:45 8 Q. Or when?

09:40:46 9 A. I do not, no.

09:40:49 10 Q. I take it you have not had any discussions with
09:40:51 11 the Arizona Association of Counties regarding the
09:40:55 12 implementation of either law?

09:40:56 13 A. I have not.

09:40:58 14 Q. Was your office opposed to passage of
09:41:02 15 H.B. 2492?

09:41:03 16 A. Yes.

09:41:04 17 Q. Why?

09:41:06 18 A. In lay terms, we felt that it was going to be
09:41:13 19 more difficult for the voter and more difficult for us
09:41:16 20 to process a voter.

09:41:20 21 Q. Was your office opposed to the passage of
09:41:24 22 H.B. 2243?

09:41:26 23 A. Yes.

09:41:27 24 Q. And can you tell me why?

09:41:30 25 A. The same reasons. We felt it would be harder

09:41:35 1 for some voters and it would be harder for us to process
09:41:40 2 voters.

09:41:42 3 Q. When you say harder, did you believe that any
09:41:46 4 voters would potentially be disenfranchised by these
09:41:49 5 laws?

09:41:50 6 MR. LANGHOFER: Calls for speculation.

09:41:53 7 THE WITNESS: That would be possible.

09:41:54 8 BY MR. HEMSTREET:

09:41:54 9 Q. I'm sorry, I think there was some cross-talk.
09:41:57 10 You said you believed it would be possible that --

09:41:58 11 A. It would be pos -- it would possibly be harder
09:42:01 12 for voters to register, and it would disenfranchise
09:42:05 13 some.

09:42:10 14 Q. And could you just elaborate a little more on
09:42:14 15 what makes it harder for them to register? We'll start
09:42:18 16 with H.B. 2492, if you --

09:42:22 17 A. 2492? Can I look at that real quick? I get
09:42:29 18 them confused over which one does which.

09:42:32 19 Q. We'll actually get into the laws a little
09:42:34 20 later. So perhaps now more generally, what are your
09:42:38 21 office's thoughts on what would make it harder, what
09:42:41 22 about these laws makes it harder for voters to register?

09:42:46 23 A. So in dealing with the addressing, there are
09:42:50 24 going to be some voters that would have a difficult time
09:42:53 25 providing proof of residency; that if they have to check

09:43:02 1 the citizenship checkbox in along with providing the
09:43:06 2 DPOC, they may fail to checkmark the box; or answering
09:43:14 3 where their place of birth, if they failed to do that,
09:43:18 4 then we would have to seek out the voter.

09:43:20 5 It just would create more potential problems
09:43:25 6 and more times that we would have to reach out to the
09:43:28 7 voter for that information if that became mandatory
09:43:33 8 fields.

09:43:37 9 Q. Are you familiar with H.B. 2617?

09:43:44 10 A. A little. I'm not real familiar with it. I
09:43:47 11 was under the impression it was vetoed. I didn't
09:43:50 12 research it very much.

09:43:53 13 Q. Did your office support or oppose H.B. 2617?

09:43:59 14 A. I believe it was opposed.

09:44:09 15 Q. If you could open Document J.

09:44:25 16 A. We have it open.

09:44:26 17 Q. And can you tell me what this document is?

09:44:29 18 A. It's an e-mail from Wendy John to multiple
09:44:36 19 entities, looks like some Recorders and AACo, and it's
09:44:43 20 regarding an amendment change to H.B. 2617.

09:44:49 21 Q. And this was sent on March 14th, 2022?

09:44:54 22 A. Correct. Yes.

09:44:56 23 Q. And the subject is "Regarding: H.B. 2617 -
09:45:01 24 Does the Amendment Change Your Position," question mark?

09:45:06 25 A. Yes.

09:45:09 1 Q. Do you see on Page 2 where Stallworth Pouquette
09:45:16 2 writes, "Here is the amended bill. Does this change
09:45:19 3 your position?"

09:45:21 4 A. Yes, I see that.

09:45:23 5 Q. Okay. And then up on Page 1, in response Wendy
09:45:27 6 John replied "I'm still opposed"?

09:45:29 7 A. Yes, she did.

09:45:33 8 Q. And do you know why your office opposed
09:45:37 9 H.B. 2617 as amended?

09:45:41 10 MR. HORLEY: Foundation, calls for
09:45:52 11 speculation.

09:45:52 12 THE WITNESS: Wendy John or -- well, I
09:45:54 13 don't know who wrote that. Robyn, I believe, wrote that
09:46:00 14 the bill had some issue -- would cause some issues with
09:46:05 15 databases to which counties do not have access to, and
09:46:09 16 they were opposed because of that.

09:46:15 17 BY MR. HEMSTREET:

09:46:15 18 Q. Is that issue with access to databases a
09:46:18 19 concern with either H.B. 2492 or H.B. 2243 for your
09:46:23 20 office?

09:46:24 21 A. No.

09:46:30 22 Q. Changing gears slightly, I want to talk about
09:46:33 23 the voter registration process generally. What are the
09:46:36 24 methods that a potential voter can use to register to
09:46:39 25 vote in Graham County?

09:46:43 1 A. Do you mean the type of ways they can register?

09:46:46 2 Q. Yes, the various methods and forms.

09:46:50 3 A. Okay. They can utilize a federal form, a state

09:46:55 4 registration form. They can also register to vote

09:46:58 5 through the Arizona Motor Vehicle Service Arizona

09:47:04 6 currently, and in the future it will be AZ MVD Now.

09:47:08 7 Q. Are you familiar with NVRA agencies?

09:47:15 8 A. MVRA? Oh, NVRA, NVRA.

09:47:20 9 Q. Yes.

09:47:20 10 A. Yes.

09:47:20 11 Q. Are there any in Graham County where voters can

09:47:24 12 register?

09:47:24 13 A. Yes.

09:47:26 14 Q. What form do those NVRA agencies use?

09:47:32 15 A. They use the state form.

09:47:35 16 Q. Besides the federal form, the state form

09:47:39 17 through the MVD and through the NVRA agencies, are there

09:47:46 18 any other ways a potential voter can register to vote in

09:47:50 19 Graham County?

09:47:50 20 A. Not that I can think of at this time.

09:47:56 21 Q. How about the federal postcard, the federal

09:48:03 22 postcard application, FPA?

09:48:06 23 A. Yes, our military and overseas citizens can

09:48:09 24 utilize the FPCA and the FWAB. I apologize. I forgot

09:48:15 25 those. Those are for those individuals.

09:48:24 1 Q. And are there other ways; are there any other
09:48:25 2 ways that you can think of?

09:48:31 3 A. Not that I can think of.

09:48:37 4 Q. So can you take me through how a voter
09:48:40 5 applicant's citizenship is verified today in Graham
09:48:44 6 County?

09:48:44 7 A. So we enter the voter -- the voter's -- or the
09:48:49 8 applicant's registration information into the AVID
09:48:53 9 system, which is our voter registration system that we
09:48:58 10 utilize. And we enter the voter data and we have a box
09:49:03 11 that's called HAVA, Help America Vote Act, and when we
09:49:08 12 click on that, it checks the voter's information through
09:49:12 13 the database of the Arizona Motor Vehicle, the Social
09:49:20 14 Security, and I think it also runs a check through the
09:49:24 15 Death Index, but I am not positive on that.

09:49:30 16 Q. Thank you. I want to break that down a little.
09:49:32 17 So you began with AVID at first; is that
09:49:38 18 correct?

09:49:38 19 A. Yes.

09:49:39 20 Q. And then that runs the HAVA check through AVID?

09:49:43 21 A. Yes, it's through the AVID.

09:49:45 22 Q. And then that HAVA check accesses the MVD
09:49:50 23 database?

09:49:54 24 A. Correct.

09:49:55 25 Q. And then the MVD database contains information

09:49:57 1 about the applicant's citizenship?

09:49:59 2 A. Correct.

09:50:01 3 Q. And you mentioned the Social Security database;
09:50:06 4 is that correct?

09:50:06 5 A. Yes.

09:50:08 6 Q. And so HAVA connects to that database?

09:50:11 7 A. Yes.

09:50:12 8 Q. Does it connect to any other databases?

09:50:16 9 A. As I stated, I think that it connects to a

09:50:21 10 Death Index or like a -- you know, the death records;

09:50:26 11 but I am not absolutely certain. I know that that gets

09:50:32 12 checked at some point in the AVID system, the death

09:50:36 13 records, but I'm not sure if it's during voter

09:50:40 14 registration process.

09:50:43 15 Q. Okay. And then just to make the record clear,

09:50:48 16 beyond the Motor -- the MVD, Social Security, and

09:50:53 17 potentially that death certificate database, there are

09:50:56 18 no other databases you're aware of that HAVA checks?

09:50:59 19 A. No, not that I'm aware of.

09:51:04 20 Q. Are HAVA checks run for each voter applicant or
09:51:07 21 just some?

09:51:08 22 A. All.

09:51:11 23 Q. If HAVA matches to citizenship information, is
09:51:16 24 the voter registered as a full ballot voter?

09:51:19 25 A. Yes.

09:51:20 1 Q. If HAVA does not match to citizenship
09:51:23 2 information, what happens?

09:51:25 3 A. If it does not match any information or
09:51:30 4 partial? Can you tell me which part you're talking
09:51:34 5 about?

09:51:35 6 Q. Well, so first -- thank you.

09:51:38 7 So there's a distinction if it comes back
09:51:42 8 partial information versus no information; is that
09:51:42 9 right?

09:51:45 10 A. Yes.

09:51:46 11 Q. So let's walk through if it comes back with no
09:51:48 12 information. What happens?

09:51:50 13 A. Okay. So if it comes back with no information,
09:51:53 14 the voter is registered as a fed-no ID and they are sent
09:52:00 15 a letter, along with a new voter registration form and a
09:52:04 16 fed-ID only -- or I'm sorry, a federal only ID card.
09:52:10 17 And so they're registered and they can vote, but they
09:52:15 18 will have to provide their proof of citizenship before
09:52:21 19 voting.

09:52:25 20 Q. So -- and you said they were registered as a
09:52:27 21 federal only voter?

09:52:28 22 A. If it matches no information, they're what's
09:52:32 23 called a fed-no ID. So they would not be eligible to
09:52:36 24 receive a ballot by mail, and they would have to provide
09:52:39 25 proof of citizenship before they could vote on election

09:52:42 1 day.

09:52:44 2 Q. And that would include in federal elections
09:52:46 3 they would need to provide that information to the --

09:52:49 4 A. Yes.

09:52:51 5 Q. And if -- let's go through the other scenario,
09:52:54 6 if it comes back with partial information.

09:52:57 7 A. Partial information would allow the voter to be
09:53:00 8 a fed only voter. So they would be eligible to receive
09:53:05 9 a ballot by mail, and they are also sent a letter along
09:53:10 10 with their federal only ID card and a voter
09:53:17 11 registration.

09:53:17 12 The letter lists ways that they can provide
09:53:20 13 proof of citizenship that would allow them to become a
09:53:24 14 full voter, but if they do not, a federal only voter is
09:53:28 15 allowed to be on the AEVL and get their ballot by mail
09:53:32 16 because they did provide proof of citizenship. They
09:53:35 17 just didn't match our Motor Vehicle. So they matched
09:53:40 18 the Social Security, but not the Motor Vehicle.

09:53:44 19 Q. You were anticipating where I was going. Can
09:53:49 20 you perhaps elaborate on the partial information
09:53:51 21 necessary to go from that first scenario we talked about
09:53:53 22 where they come back as a fed-no ID, but what -- what
09:53:58 23 partial information would then allow them to be a
09:53:59 24 federal only, but is short of what's required to become
09:54:03 25 a full ballot voter?

09:54:06 1 A. Okay. If they include their last four of their
09:54:09 2 social on their voter registration form and the system
09:54:13 3 can match Social Security with that number, then the
09:54:17 4 voter becomes a fed only voter.

09:54:21 5 Q. And is that the only scenario, if there's the
09:54:23 6 match on the social security number, that they are able
09:54:26 7 to become a fed only?

09:54:28 8 A. Yes.

09:54:40 9 Q. So the citizenship data from these HAVA checks,
09:54:46 10 those come from the MVD database, right?

09:54:51 11 A. The driver's license information comes from the
09:54:54 12 Motor Vehicle -- Arizona Motor Vehicle.

09:54:56 13 Q. And is that where the citizenship data
09:54:58 14 specifically for the HAVA checks comes from?

09:55:02 15 A. The driver's license. I believe the Social
09:55:05 16 Security runs through the Social Security Index, but I'm
09:55:11 17 absolutely not certain. That is just how I always
09:55:14 18 perceived it.

09:55:17 19 Q. And I want to clarify my question. The
09:55:22 20 citizenship data specifically, are you saying that
09:55:25 21 you're not sure if that comes from the Social Security
09:55:30 22 database?

09:55:30 23 A. If a person puts their social security number
09:55:34 24 on their voter registration form, but they do not
09:55:36 25 include an Arizona driver's license, when I click on

09:55:39 1 HAVA check, it runs through the Social Security and it
09:55:42 2 will match or it may match, but it will run a check
09:55:46 3 through the Arizona Motor Vehicle. If it finds their
09:55:50 4 driver's license, then they're processed and made a full
09:55:53 5 voter. If it cannot locate the driver's license through
09:55:55 6 the Arizona MVD, then that would be considered a no
09:55:59 7 match to the driver's license, and they would be
09:56:03 8 registered still with the federal only, but just with
09:56:05 9 the Social Security match. And if there was no match,
09:56:08 10 then they would be a fed-ID only. I'm sorry. Yeah,
09:56:13 11 fed-no ID. I apologize.

09:56:15 12 Q. There are different types of driver's licenses,
09:56:18 13 correct?

09:56:18 14 A. Correct.

09:56:19 15 Q. And are you familiar with the F-type license?

09:56:23 16 A. Yes.

09:56:24 17 Q. What is that?

09:56:25 18 A. That is a foreign driver's license. So it
09:56:28 19 would be a driver's license that is a -- that belongs to
09:56:33 20 a non-U.S. citizen.

09:56:36 21 Q. When you're attempting to match registrants
09:56:38 22 with the MVD database, what happens if the applicant's
09:56:44 23 driver's license is an F-Type?

09:56:47 24 A. So if it's an F-type license, then the voter
09:56:50 25 would be made fed-no ID, and we would reach out to them

09:56:54 1 to see if they went through naturalization, and if they
09:56:58 2 have their certificate of citizenship or -- and if they,
09:57:06 3 you know, have that information, they could bring it in
09:57:08 4 and we could make them a full voter.

09:57:12 5 Q. Okay. So if you identify an applicant who has
09:57:15 6 that F-type license, you send them a notice, and then
09:57:20 7 they're required to present their naturalization
09:57:23 8 certificate or A-Number or some other form of DPOC?

09:57:28 9 A. Correct.

09:57:31 10 Q. And then do you check that naturalization
09:57:34 11 number or A-Number against a database?

09:57:40 12 A. I do not. I have not.

09:57:43 13 Q. Okay. Are you aware one way or the other if
09:57:45 14 there's a database to check that number against?

09:57:48 15 A. Yes, there is the SAVE database.

09:57:53 16 Q. Does your office have access to the SAVE
09:57:57 17 database?

09:57:58 18 A. We do have access to it.

09:58:01 19 Q. And the SAVE database, is that run by the
09:58:03 20 United States Citizenship and Immigration Services?

09:58:08 21 A. I would be speculating, because I have not
09:58:11 22 utilized that system to run a check. So I'm not exactly
09:58:18 23 sure who is in control of that system. I have not used
09:58:25 24 it, so I'm not really aware. I know it's a website.

09:58:31 25 Q. It's fine if you don't know. So you don't know

09:58:34 1 one way or the other who runs the SAVE database?

09:58:37 2 A. I do not.

09:58:39 3 Q. And your office or you've never used it?

09:58:43 4 A. I logged on when I very first started in 2016
09:58:47 5 at the Graham County Recorder's Office to -- I had to
09:58:53 6 get credentials in order to log in, and that is all that
09:58:56 7 I've done on that program.

09:59:00 8 Q. So we talked through a little bit if someone
09:59:03 9 has an F-type license, they are then required to provide
09:59:07 10 a naturalization number or some other form of
09:59:11 11 documentary proof of citizenship to become registered.

09:59:18 12 What would be the result, though, if someone
09:59:20 13 had an F-type license that was ten years old? Would
09:59:25 14 that be the same result that we just discussed, where
09:59:27 15 they would need to still provide proof of citizenship?

09:59:31 16 A. Yes.

09:59:34 17 Q. Do you treat that dated F-type license,
09:59:40 18 something that's that old, to be conclusive evidence
09:59:43 19 that someone is not a citizen?

09:59:46 20 A. Yes.

09:59:50 21 And I'm going to have to retract what I said a
09:59:53 22 minute ago, because I said they would be registered as a
09:59:55 23 fed voter, but they would not be.

09:59:58 24 An F-Type license, they would actually be in
10:00:00 25 the system as not eligible, invalid citizenship, and we

10:00:06 1 would send them the information letting them know that
10:00:07 2 if they did go through the naturalization process and
10:00:13 3 have their certificate, they could bring that in and we
10:00:15 4 could get them registered to vote. Because an F-Type
10:00:21 5 license does inform us that the person that is applying
10:00:23 6 to register to vote is a noncitizen.

10:00:29 7 Q. But would you agree that them having an F-type
10:00:33 8 license doesn't mean that they haven't naturalized since
10:00:36 9 obtaining that license?

10:00:37 10 A. Yes.

10:00:39 11 Q. So someone with an F-Type license could be a
10:00:42 12 citizen that's just not in the database; is that right?

10:00:45 13 A. Yes.

10:00:50 14 Q. So you'd agree with me that the MVD database is
10:00:53 15 not infallible in terms of its ability to accurately
10:00:57 16 verify a person's citizenship status?

10:01:01 17 MR. HORLEY: Objection, leading.

10:01:04 18 MS. ROOF: You can answer, Polly.

10:01:05 19 THE WITNESS: Okay. I would -- I would
10:01:07 20 agree in the sense that I don't believe that any program
10:01:11 21 is infallible.

10:01:16 22 BY MR. HEMSTREET:

10:01:17 23 Q. Has your office ever sent out a notice to a
10:01:19 24 person for lack of citizenship after the applicant
10:01:22 25 failed to match with citizenship information in one of

10:01:25 1 these databases?

10:01:28 2 A. I'm sorry, can you repeat that?

10:01:33 3 Q. Have you ever had to send out one of these
10:01:36 4 notices that we've discussed where someone failed to
10:01:38 5 match with citizenship information?

10:01:41 6 A. Yes.

10:01:43 7 Q. How many times has your office sent out a
10:01:45 8 notice that they could not be verified for citizenship?

10:01:51 9 A. I wouldn't know off the top of my head. Well,
10:01:53 10 I can tell you as of right now today, Graham County has
10:01:59 11 47 fed voters. So I've sent at least 47 letters.

10:02:06 12 Q. Has any applicant cured after receiving one of
10:02:09 13 these notices?

10:02:11 14 A. Not these 47, but in the past I have had a
10:02:16 15 person bring a birth certificate in. I've had them
10:02:19 16 bring in an enhanced out-of-state driver's license and
10:02:22 17 present that to become a full ballot voter.

10:02:28 18 Q. And so then if the voter fails to cure, what
10:02:32 19 happens then?

10:02:33 20 A. They remain a fed voter.

10:02:36 21 Q. So their registration is just federal only?

10:02:40 22 A. Correct, or fed-no ID.

10:02:43 23 Q. Or fed-no ID?

10:02:44 24 A. Correct.

10:02:47 25 Q. And once a voter is registered, are there any

10:02:51 1 circumstances where your office will reverify that
10:02:54 2 registered voter's citizenship?

10:02:56 3 A. Only if they resubmit a new form.

10:03:00 4 Q. And is the process about the same as the one we
10:03:04 5 discussed?

10:03:04 6 A. Yes.

10:03:09 7 Q. And then who at your office is responsible for
10:03:12 8 verifying voter applicants' citizenship status?

10:03:15 9 A. Myself.

10:03:17 10 Q. Anybody else?

10:03:18 11 A. No.

10:03:20 12 Q. Okay.

10:03:21 13 A. Not at this time.

10:03:24 14 MR. HEMSTREET: I'm at a natural
10:03:25 15 stopping point if we would like to take a short break
10:03:28 16 right now.

10:03:34 17 MR. MORGAN: Fine by me.

10:03:37 18 MR. LANGHOFER: Same here.

10:03:41 19 MR. HEMSTREET: Well, if we can go off the
10:03:42 20 record, and let's say about five minutes.

10:03:44 21 THE VIDEOGRAPHER: We're off the record.

10:03:45 22 Time on the video monitor is 10:03 a.m.

10:03:47 23 (A recess was taken.)

10:17:38 24 THE VIDEOGRAPHER: We're on the record.

10:17:39 25 Time on the video monitor is 10:17 a.m.

10:17:43 1 BY MR. HEMSTREET:

10:17:44 2 Q. All right. Is anyone else in the room with you
10:17:48 3 besides Jean now?

10:17:49 4 A. No, just Jean and I.

10:17:52 5 Q. Great. I'd like to turn to the challenged laws
10:17:55 6 now. If you could open what's been premarked as Petty
10:17:59 7 Exhibit 19.

10:18:04 8 When you have that up, can you tell me what
10:18:05 9 that document is?

10:18:12 10 A. That is the House Bill 2492.

10:18:16 11 Q. Okay. Can you please turn to Page 4 at the
10:18:20 12 bottom, Line 35?

10:18:31 13 A. Okay.

10:18:33 14 Q. And there it says, "Within ten days after
10:18:37 15 receiving an application for registration on a form
10:18:41 16 produced by the United States Election Assistance
10:18:44 17 Commission that is not accompanied by satisfactory
10:18:46 18 evidence of citizenship, the County Recorder or other
10:18:50 19 officer in charge of elections shall use all available
10:18:54 20 resources to verify the citizenship status of the
10:18:57 21 applicant and at a minimum compare the information
10:19:00 22 available on the application for registration with the
10:19:03 23 following, provided the county has access."

10:19:06 24 Did I read that correctly?

10:19:08 25 A. Yes.

10:19:10 1 Q. Okay. It then goes on to list a number of
10:19:12 2 databases, and the first is the Department of
10:19:16 3 Transportation databases of Arizona driver's licenses or
10:19:19 4 nonoperating identification licenses.

10:19:24 5 Are you familiar with the Arizona Department of
10:19:26 6 Transportation databases?

10:19:27 7 A. Yes.

10:19:28 8 Q. Is that the same as we've been discussing and
10:19:31 9 calling MVD?

10:19:32 10 A. Yes.

10:19:37 11 Q. And you used the information from the ADOT or
10:19:40 12 MVD database to confirm citizenship as we discussed
10:19:43 13 earlier, right?

10:19:44 14 A. Yes.

10:19:46 15 Q. Does your county have a memorandum of
10:19:48 16 understanding or agreement with the Arizona Department
10:19:54 17 of Transportation's MVD to govern the sharing of this
10:19:58 18 data?

10:19:59 19 A. No.

10:20:02 20 Q. Okay. Do you know if the State or Secretary of
10:20:05 21 State's Office has an agreement?

10:20:06 22 A. I believe so.

10:20:10 23 Q. Do you know whether that existing agreement
10:20:13 24 covers the uses outlined in H.B. 2492?

10:20:17 25 A. I'm not aware.

10:20:20 1 Q. Do you recall an incident last year where
10:20:24 2 database matching with the MVD database produced
10:20:27 3 erroneous results and caused downgrading of voters to
10:20:31 4 federal only voting status?

10:20:36 5 A. I did not remember that, but I was reminded in
10:20:41 6 looking over the items that you guys provided, and then
10:20:47 7 I recalled that, yes, there was a time last year that
10:20:51 8 there was a problem.

10:20:54 9 Q. If we could quickly go to Document M, as in
10:21:04 10 ma'am.

10:21:04 11 A. Okay.

10:21:06 12 Q. Is this the document that you were referring
10:21:08 13 to?

10:21:09 14 A. Yes.

10:21:11 15 Q. And so this is an e-mail; is that right?

10:21:14 16 A. Yes.

10:21:15 17 Q. And it's from AVID Help?

10:21:19 18 A. Yes.

10:21:21 19 Q. And it's to Wendy John at Graham; is that
10:21:21 20 right?

10:21:25 21 A. Yes.

10:21:27 22 Q. Okay. And the first line of it, "As we
10:21:32 23 discussed on our call today, this information
10:21:35 24 provides -- or this e-mail provides information and
10:21:37 25 action items about the MVD issues that we have been

10:21:39 1 investigating," and then the last sentence of the
10:21:44 2 first -- the next paragraph, "This meant that some voter
10:21:47 3 records were incorrectly receiving a null value for
10:21:52 4 authorized presence, which resulted in the voter being
10:21:55 5 placed in fed only status when they should have been --"

10:22:01 6 MS. ROOF: Do you want it opened?

10:22:02 7 THE WITNESS: Yeah. I'm sorry.

10:22:02 8 MS. ROOF: That's okay.

10:22:02 9 THE WITNESS: Let me get to that.

10:22:05 10 And you're talking about the paragraph

10:22:07 11 "To ensure that no incorrectly-issued federal only

10:22:10 12 ballots," that paragraph?

10:22:11 13 BY MR. HEMSTREET:

10:22:12 14 Q. I'm sorry. No, the -- it's the second
10:22:14 15 paragraph of the e-mail that begins with "Following the
10:22:19 16 MVD's investigation."

10:22:20 17 A. Oh, I see. Okay.

10:22:22 18 Q. Read that last --

10:22:21 19 A. Sorry about that.

10:22:21 20 Q. Can you just confirm that that last sentence
10:22:25 21 says that voters were placed in fed only status when
10:22:29 22 they should have been full ballot voters?

10:22:32 23 A. Yes.

10:22:34 24 Q. Okay. And if you see the Bates number in the
10:22:40 25 bottom right-hand corner of that document, starts with

10:22:43 1 AZ?

10:22:44 2 A. Yes.

10:22:45 3 Q. I'll represent this was produced by the
10:22:48 4 Secretary of State in this litigation.

10:22:51 5 MR. HEMSTREET: Can we mark this first as
10:22:55 6 Exhibit 256, I believe, Jody.

10:23:02 7 MR. LANGHOFER: Hasn't this one been
10:23:04 8 marked several times already?

10:23:05 9 MR. HEMSTREET: Okay.

10:23:10 10 BY MR. HEMSTREET:

10:23:10 11 Q. So your office is aware that there was a
10:23:12 12 database error that's referred to in this e-mail from
10:23:15 13 October of 2022?

10:23:17 14 A. Yes.

10:23:18 15 Q. Did this error affect any voters in Graham
10:23:23 16 County?

10:23:23 17 A. I do not recall. I know that we reached out to
10:23:28 18 the voters that they notified us that could potentially
10:23:30 19 be affected, and I know that we did send letters to
10:23:34 20 them, and I do believe we ran them back through the
10:23:39 21 database to make sure -- like to check for a rematch.

10:23:44 22 If it matched it, we notified the voter and
10:23:47 23 told them that they were a full ballot voter and not a
10:23:51 24 fed voter and provided them with a full ballot, a full
10:23:57 25 voter ballot.

10:24:00 1 Q. Was your office concerned about this error
10:24:03 2 being so close to the November 2022 election?

10:24:08 3 A. I don't recall if we were concerned pertaining
10:24:11 4 to the election.

10:24:13 5 Q. In light of this, what does this say to you
10:24:16 6 about the reliability of the data matching to assess a
10:24:20 7 person's citizenship status?

10:24:22 8 MR. LANGHOFER: Form.

10:24:26 9 MS. ROOF: You can answer.

10:24:28 10 THE WITNESS: I can't really say what I
10:24:30 11 felt about it at the time.

10:24:38 12 BY MR. HEMSTREET:

10:24:38 13 Q. Going back to 2492 and the databases listed
10:24:45 14 there, it then says the Social Security Administration
10:24:54 15 database; do you see that in --

10:24:56 16 A. Yes.

10:24:57 17 Q. -- what's been marked Exhibit 19?

10:25:00 18 Is this the same database we were discussing
10:25:02 19 earlier?

10:25:03 20 A. Yes.

10:25:03 21 Q. And so you have access to that?

10:25:08 22 A. I'm sorry, can you say that again?

10:25:09 23 Q. So your office has access to that?

10:25:12 24 A. Through the HAVA check. We don't have
10:25:15 25 individual access to any of these databases. Just that

10:25:21 1 when we click on that HAVA check, it checks both the
10:25:26 2 Department of Transportation database and the Social
10:25:33 3 Security.

10:25:33 4 Q. Do you know if this Social Security
10:25:36 5 Administration database can verify citizenship status at
10:25:40 6 all?

10:25:41 7 A. I know that it can for Social Security.

10:25:46 8 Q. Okay. But you don't know one way or the other
10:25:48 9 on citizenship status?

10:25:50 10 A. I do not know.

10:25:53 11 Q. The next database on the lists in the law is
10:25:56 12 SAVE. We've already discussed SAVE.

10:26:00 13 A. Yes.

10:26:01 14 Q. And is this, again, only used to verify
10:26:04 15 citizenship of naturalized voters?

10:26:08 16 A. As far as I'm aware of. I don't utilize it for
10:26:14 17 any other -- like for just a -- for any voter
10:26:21 18 registration form, I don't utilize SAVE.

10:26:24 19 Q. So it's only used if someone presents a
10:26:27 20 naturalization number or A-Number?

10:26:30 21 A. I believe so.

10:26:33 22 Q. It also says if practicable, using this
10:26:39 23 database if practicable. Is that language if
10:26:42 24 practicable clear to you?

10:26:43 25 MR. LANGHOFER: Calls for a legal

10:26:44 1 conclusion.

10:26:44 2 MR. HORLEY: Calls for a legal conclusion.

10:26:46 3 THE WITNESS: I would interpret that to
10:26:49 4 mean if it makes sense to utilize it. I guess I really
10:26:54 5 should not even say, because I don't really know what
10:26:58 6 they're meaning by if practicable.

10:27:02 7 BY MR. HEMSTREET:

10:27:03 8 Q. Is there an agreement specifically with your
10:27:06 9 county to use this database?

10:27:09 10 A. Yes.

10:27:12 11 Q. And so is that existing agreement with the
10:27:16 12 USCIS, or who is that with?

10:27:18 13 A. I believe it is. It's -- well, I know it's --
10:27:23 14 we just refer to it as SAVE. Again, I have not used the
10:27:28 15 database. I am not certain who is in control of it.

10:27:34 16 Q. Do you know if that agreement covers the uses
10:27:36 17 outlined in H.B. 2492?

10:27:39 18 A. I do not know.

10:27:43 19 Q. The next database on here is NAPHSIS, the
10:27:48 20 National Association of Public Health Statistics and
10:27:51 21 Information System. Have you heard of NAPHSIS?

10:27:54 22 A. That might be what I think -- what I thought
10:27:57 23 was called the Death Index, I think, but I think that's
10:28:02 24 what it checks is the death records.

10:28:09 25 Q. Could your office, I guess, use -- or are you

10:28:13 1 familiar with the Electronic Verification of Vital
10:28:15 2 Events database that NAPHSIS operates?

10:28:21 3 A. I am not familiar with that.

10:28:23 4 Q. So you don't know if your office could use the
10:28:26 5 EVVE, the Electronic Verification of Vital Events,
10:28:30 6 database for citizenship verification?

10:28:33 7 A. I do not have access to that, no.

10:28:38 8 Q. And then Line 5 -- or Page 5, Line 5 states
10:28:42 9 that your office must or shall also utilize any other
10:28:47 10 state, city, town, county, or federal database or any
10:28:52 11 other database relating to voter registration.

10:28:54 12 Do you see that?

10:28:55 13 A. I do, yes.

10:28:57 14 Q. Do you have any idea what other databases that
10:29:00 15 language may refer to?

10:29:01 16 MR. LANGHOFER: Same objection.

10:29:04 17 THE WITNESS: No, I do not.

10:29:07 18 BY MR. HEMSTREET:

10:29:07 19 Q. Are you aware of any other databases that
10:29:09 20 you're not currently using that could be useful in
10:29:13 21 carrying out your office's voter registration duties?

10:29:16 22 A. No.

10:29:19 23 Q. And then earlier you said that you access all
10:29:22 24 these databases through HAVA. Is that true for all the
10:29:27 25 databases we just discussed or just the Social Security

10:29:32 1 Administration database and the Motor Vehicle Department
10:29:36 2 database?

10:29:37 3 A. I am only aware of the Social Security, the
10:29:41 4 Motor Vehicle, and possibly the death record.

10:29:45 5 Q. And my question is a little different. Do you
10:29:47 6 access all those through HAVA or are any of them through
10:29:51 7 a separate means of accessing them?

10:29:54 8 A. So we access them through the AVID system in
10:29:59 9 doing the voter process. There's just a button. So
10:30:02 10 when we click on that button, it does a background
10:30:07 11 process that I -- so I don't know where it is or what
10:30:10 12 it's accessing. I just know that it comes back with a
10:30:14 13 match or it doesn't. But I'm not -- you know, so it's
10:30:18 14 literally a button. We don't see what it's checking.
10:30:22 15 It's just called HAVA checks.

10:30:24 16 Q. So you never like open up a different database
10:30:28 17 at any point?

10:30:29 18 A. No.

10:30:31 19 Q. And that's true for all of these?

10:30:33 20 A. True. Yes.

10:30:37 21 Q. Page 4, Line 38, the law states that your
10:30:42 22 office must use all available resources to verify the
10:30:49 23 citizenship of a federal form applicant who fails to
10:30:53 24 provide DPOC.

10:30:54 25 Do you see that?

10:30:55 1 A. Yes.

10:31:01 2 Q. Do you understand use all available resources;
10:31:07 3 do you understand what that means to you?

10:31:09 4 MR. LANGHOFER: Same objection.

10:31:10 5 MR. HORLEY: Calls for a legal conclusion.

10:31:11 6 THE WITNESS: To me that means the HAVA
10:31:14 7 check that's provided through the AVID voter system.

10:31:19 8 BY MR. HEMSTREET:

10:31:19 9 Q. So there are no other resources come to mind
10:31:22 10 that are available to you pursuant to that law?

10:31:28 11 A. Nothing else --

10:31:29 12 MR. HORLEY: Same objection.

10:31:30 13 THE WITNESS: -- other than the SAVE.

10:31:36 14 BY MR. HEMSTREET:

10:31:36 15 Q. And then Page 5, Lines 14 through 17 says, "If
10:31:42 16 the County Recorder or other officer in charge of
10:31:45 17 elections matches the applicant with information that
10:31:48 18 the applicant is not a United States citizen, the County
10:31:53 19 Recorder or other officer in charge of elections shall
10:31:55 20 reject the application."

10:31:57 21 Do you see that?

10:31:57 22 A. I see that, yes.

10:32:01 23 Q. What information could be used to determine an
10:32:05 24 applicant is not a citizen?

10:32:09 25 MR. HORLEY: Same objection.

10:32:11 1 THE WITNESS: I would say just running the
10:32:15 2 HAVA checks and it coming back with hypothetically an
10:32:21 3 F-type license that would confirm that the person was a
10:32:24 4 noncitizen.

10:32:27 5 BY MR. HEMSTREET:

10:32:28 6 Q. And you said would confirm someone is a
10:32:30 7 noncitizen. But earlier we discussed that someone with
10:32:34 8 an F-type license could have naturalized since obtaining
10:32:38 9 that F-type license; is that right?

10:32:40 10 A. Yes, which would require further information
10:32:42 11 from the voter.

10:32:44 12 Q. But in that hypothetical, that information that
10:32:49 13 you receive from the HAVA check would be inaccurate as
10:32:52 14 to their actual citizenship status; is that right?

10:32:56 15 A. It could possibly be.

10:33:05 16 Q. Has your office ever been given a specific list
10:33:07 17 of means by which a voter applicant can be deemed or
10:33:12 18 proven to be a noncitizen?

10:33:17 19 A. Not that I'm aware of.

10:33:19 20 Q. And has the Secretary of State's Office ever
10:33:22 21 given your office a list of the information under this
10:33:25 22 law that constitutes evidence of lack of U.S.
10:33:30 23 citizenship?

10:33:30 24 A. Not to my knowledge.

10:33:35 25 Q. And pursuant to this law and information under

10:33:39 1 it, is there anything beyond a government or voter
10:33:43 2 registration database that you would consider to be
10:33:46 3 information?

10:33:48 4 MR. HORLEY: Same objection.

10:33:49 5 THE WITNESS: No.

10:33:52 6 BY MR. HEMSTREET:

10:33:52 7 Q. I'd like to have you now open what's been
10:33:55 8 premarked as Petty Exhibit 21.

10:34:06 9 When you have that up, can you please tell me
10:34:08 10 what that is?

10:34:09 11 A. That's the House Bill 2243.

10:34:13 12 Q. Great.

10:34:14 13 And on Page 4, Line 5, Section 10, it says that
10:34:21 14 the County Recorder shall cancel a registration, quote,
10:34:25 15 When the County Recorder obtains information pursuant to
10:34:29 16 this section and confirms that the person registered is
10:34:32 17 not a United States citizen.

10:34:36 18 Under this provision, what information could be
10:34:42 19 used to confirm a voter is not a citizen?

10:34:45 20 MR. LANGHOFER: Same objection.

10:34:51 21 THE WITNESS: I'm not certain of what that
10:34:55 22 would mean other than, again, running them through the
10:34:59 23 AVID system and doing the HAVA citizenship checking.

10:35:06 24 BY MR. HEMSTREET:

10:35:06 25 Q. So all the things that we just discussed would

10:35:09 1 apply here?

10:35:10 2 A. Yes.

10:35:13 3 Q. Going to Page 6, Line 6, Section H.

10:35:21 4 A. I'm sorry, that was Page 6?

10:35:23 5 Q. Yes. Line 6.

10:35:25 6 A. Line 6? Okay.

10:35:26 7 Okay, I have it.

10:35:32 8 Q. And here it says, "To the extent practicable,

10:35:37 9 each month the County Recorder shall compare persons who

10:35:39 10 are registered to vote in that county and who the County

10:35:43 11 Recorder has reason to believe are not United States

10:35:47 12 citizens."

10:35:48 13 What would give your office a reason to believe

10:35:51 14 a person is not a U.S. citizen?

10:35:53 15 MR. LANGHOFER: Same objection.

10:35:55 16 MR. HORLEY: Legal conclusion.

10:35:56 17 THE WITNESS: I would not have a reason to

10:35:58 18 believe a person -- let me rephrase that.

10:36:01 19 I can't think of anything that would cause

10:36:06 20 me to think somebody wasn't a U.S. citizen if the system

10:36:11 21 had already matched them.

10:36:13 22 BY MR. HEMSTREET:

10:36:13 23 Q. If the system had matched them.

10:36:16 24 Would the return of an F-type license give your

10:36:19 25 office reason to believe they're not a U.S. citizen

10:36:22 1 under this law?

10:36:24 2 MR. HORLEY: Same objection.

10:36:26 3 THE WITNESS: It would create a reason to
10:36:28 4 reach out to the voter to inquire if they have a
10:36:32 5 naturalization certificate.

10:36:51 6 BY MR. HEMSTREET:

10:36:51 7 Q. And I believe I asked this, but for the wrong
10:36:54 8 law. So has your office ever been given specific
10:36:58 9 guidance on what would give rise to reason to believe a
10:37:01 10 person is not a U.S. citizen?

10:37:06 11 A. No.

10:37:07 12 Q. And how about the converse; has your office
10:37:10 13 ever been provided with specific guidance regarding what
10:37:12 14 is not a valid reason to believe someone is a U.S.
10:37:15 15 citizen?

10:37:16 16 A. No.

10:37:21 17 Q. Page 6, Line 20, Section J, it says, "To the
10:37:28 18 extent practicable, the County Recorder shall review
10:37:32 19 relevant city, town, county, state and federal databases
10:37:36 20 that you have access to to confirm information obtained
10:37:41 21 that requires cancellation of registrations pursuant to
10:37:44 22 this section."

10:37:46 23 Beyond the databases we've already discussed,
10:37:48 24 do you have any idea what databases that language is
10:37:50 25 referring to?

10:37:52 1 MR. HORLEY: Same objection.

10:37:53 2 THE WITNESS: I do not. No.

10:37:57 3 BY MR. HEMSTREET:

10:37:58 4 Q. If a registered voter is removed from the rolls
10:38:01 5 under H.B. 2243 based on an erroneous determination that
10:38:05 6 they are not a U.S. citizen, can that person be added
10:38:08 7 back to the rolls if the registration deadline has
10:38:11 8 passed?

10:38:14 9 A. I believe so. I believe that if there was an
10:38:19 10 error and the voter provided proof and it matched in the
10:38:22 11 system, it would retro back to the date that they first
10:38:26 12 registered.

10:38:27 13 Q. Can you walk through how your county would do
10:38:29 14 that?

10:38:31 15 A. So in the system we just go in and open up the
10:38:36 16 voter's record and we would input the new information
10:38:41 17 into their record and run the HAVA check again. And if
10:38:45 18 it matched it, then, you know, you're done.

10:38:51 19 If, however, it was, say, a birth certificate
10:38:53 20 that they bring in, then we go into the voter's record
10:38:56 21 and we note that the voter has a -- has provided a U.S.
10:39:01 22 birth certificate, and we go in and we change the
10:39:06 23 registrant status to make them a full ballot voter.

10:39:11 24 Q. Okay. If H.B. 2243 were to take effect, would
10:39:15 25 you still be able to add that erroneously removed voter

10:39:20 1 back onto the rolls after the registration deadline?

10:39:24 2 MR. HORLEY: Calls for a legal conclusion,
10:39:25 3 calls for speculation.

10:39:30 4 THE WITNESS: And I would be speculating,
10:39:31 5 because I am not absolutely familiar with exactly
10:39:39 6 what -- how these processes would take place, because
10:39:42 7 we're not -- we didn't -- we have not ever implemented
10:39:46 8 these, so we have not changed our processes.

10:39:49 9 BY MR. HEMSTREET:

10:39:49 10 Q. So you don't know one way or the other whether
10:39:52 11 H.B. 2243 would change your ability to correct that
10:39:57 12 erroneous removal of a voter?

10:39:59 13 A. I think it --

10:40:01 14 MR. HORLEY: Same objection.

10:40:02 15 THE WITNESS: I think if it was erroneous,
10:40:05 16 we would still be able to make the change. If not, we
10:40:11 17 would just create a new record, I would believe, and
10:40:14 18 retro it back to their date of registration.

10:40:18 19 BY MR. HEMSTREET:

10:40:18 20 Q. Do you know if this is laid out in the draft
10:40:21 21 2023 EPM?

10:40:23 22 A. I do not believe so.

10:40:27 23 Q. Do you know whether or not this practice could
10:40:29 24 vary from county to county?

10:40:32 25 MR. HORLEY: Same objection.

10:40:33 1 THE WITNESS: I do not believe so.

10:40:34 2 MR. HORLEY: Calls for speculation.

10:40:37 3 BY MR. HEMSTREET:

10:40:37 4 Q. I'm sorry, you said you're not clear?

10:40:39 5 A. I don't think so. In my -- to my knowledge,

10:40:43 6 every county processes the same, and it is based on the

10:40:47 7 EPM 2019 currently.

10:40:51 8 Q. And apologies to belabor this point, but on

10:40:58 9 Page 4, Line 5 of 2243 where it says "When the County

10:41:03 10 Recorder obtains information pursuant --"

10:41:09 11 A. Page 4, and that was Line 5?

10:41:15 12 Q. Yes, Section 10.

10:41:17 13 A. Okay.

10:41:21 14 Q. Was it your testimony that you would consider

10:41:23 15 the F-Type license to be information under that law?

10:41:30 16 MR. HORLEY: Calls for a legal conclusion.

10:41:32 17 THE WITNESS: Can you repeat that, please?

10:41:36 18 BY MR. HEMSTREET:

10:41:36 19 Q. Yeah.

10:41:36 20 So the law, you know, asks County Recorders,

10:41:39 21 when they obtain information that someone is not a U.S.

10:41:43 22 citizen or has reason to believe that they're not a U.S.

10:41:46 23 citizen, and we've been discussing F-type licenses, and

10:41:52 24 so I just want to understand. Would your office

10:41:54 25 consider an F-type license to be information that gives

10:41:59 1 your office reason to believe that someone is not a U.S.
10:42:01 2 citizen?

10:42:03 3 MR. HORLEY: Same objection.

10:42:05 4 THE WITNESS: Again, initially we would
10:42:07 5 have to process the voter as a non-U.S. citizen because
10:42:11 6 that is how it returns on an F-type license. So we
10:42:15 7 would reach out to the voter and confirm whether they
10:42:18 8 have or have not done their naturalization and then
10:42:25 9 proceed from that.

10:42:26 10 BY MR. HEMSTREET:

10:42:27 11 Q. And would you then send them notices?

10:42:29 12 A. Yes. We would send them a letter informing
10:42:32 13 them that they would need to provide that certificate.

10:42:37 14 Q. And then if that person doesn't respond in
10:42:40 15 35 days, under this law, are you required to remove them
10:42:43 16 from the rolls?

10:42:48 17 MR. HORLEY: Calls for a legal conclusion,
10:42:49 18 calls for speculation.

10:42:50 19 THE WITNESS: I'm not familiar with what
10:42:52 20 would happen after the 35 days.

10:42:58 21 BY MR. HEMSTREET:

10:42:59 22 Q. If you could, sorry, go to Line 11 through 14,
10:43:06 23 also on Page 4 there.

10:43:07 24 A. Uh-huh.

10:43:08 25 Q. "The County Recorder shall send the person

10:43:11 1 notice by forwardable mail that the person's
10:43:14 2 registration will be canceled in 35 days unless the
10:43:17 3 person provides satisfactory evidence of United States
10:43:21 4 citizenship."

10:43:21 5 Did I read that right?

10:43:25 6 A. Yes, you did.

10:43:26 7 Q. So earlier this morning you said that these
10:43:31 8 laws may disenfranchise voters, potentially. Is this an
10:43:36 9 example of how H.B. 2243 could disenfranchise a citizen?

10:43:41 10 MR. HORLEY: Same objection.

10:43:42 11 THE WITNESS: This could be.

10:43:50 12 BY MR. HEMSTREET:

10:43:51 13 Q. I'm going to change gears slightly. If you
10:43:55 14 could turn back to Document C, which are the Graham
10:44:01 15 County responses to the consolidated plaintiffs'
10:44:03 16 interrogatories.

10:44:13 17 A. Yes, we have it.

10:44:14 18 Q. And if you take a look at interrogatory
10:44:17 19 number 9 and your office's response.

10:44:38 20 Do you see where it says, "Subject to and
10:44:40 21 without waiving these objections, to Merriman's
10:44:43 22 knowledge there has been no case where the county has
10:44:46 23 personally determined that a non-U.S. citizen or
10:44:48 24 non-county resident has registered to vote or voted
10:44:53 25 since she joined the Recorder's Office in February

10:44:55 1 2016"?

10:44:57 2 A. Yes.

10:44:59 3 Q. What do you mean by -- determined?

10:45:06 4 THE COURT REPORTER: You cut out, Robbie.

10:45:08 5 BY MR. HEMSTREET:

10:45:08 6 Q. What does your office mean when it says has not
10:45:10 7 personally determined?

10:45:13 8 A. I don't personally determine anybody's
10:45:15 9 citizenship.

10:45:19 10 Q. Is your office aware of any noncitizen
10:45:21 11 registering to vote or voting in Graham County since
10:45:25 12 February 2016?

10:45:27 13 A. No.

10:45:29 14 Q. How about at any time?

10:45:33 15 A. Not that I'm aware of.

10:45:36 16 Q. And just to be clear for the record, you're not
10:45:38 17 aware of any incidents where a noncitizen registered to
10:45:42 18 vote in Graham County?

10:45:44 19 A. Right, a noncitizen, I'm not aware of any.

10:45:48 20 Q. And you're not aware of any incident in which a
10:45:51 21 noncitizen actually voted in Graham County?

10:45:54 22 A. No, I'm not aware of that.

10:46:01 23 Q. If we could also briefly turn to the document
10:46:04 24 marked N.

10:46:16 25 A. Okay, we're there.

10:46:17 1 Q. Do you recognize this document?

10:46:21 2 A. It is a Sent (Printed) Notices. It is a report

10:46:26 3 that comes out of the AVID system.

10:46:30 4 Q. And does this look like reports that come to

10:46:32 5 your office out of the AVID system?

10:46:35 6 A. Yes, that would be ours.

10:46:38 7 Q. And it says "Graham" there on the left, above

10:46:41 8 the far left column? Sorry.

10:46:44 9 A. Yes.

10:46:45 10 Q. Okay. And then this was produced by your

10:46:50 11 office. There's a Bates number in the far right. Do

10:46:54 12 you see that?

10:46:54 13 A. Yes.

10:46:56 14 Q. Okay.

10:46:56 15 MR. HEMSTREET: And could we mark this as

10:46:57 16 Exhibit 257; is that right, Jody?

10:46:57 17 THE COURT REPORTER: (Nodded.)

10:47:07 18 BY MR. HEMSTREET:

10:47:07 19 Q. Does this reflect all voter register applicants

10:47:10 20 who are placed on federal only status in Graham County

10:47:13 21 from January 1, 2022 to June 14th, 2023?

10:47:20 22 A. Can you go to the bottom of the page, please?

10:47:20 23 MS. RUTH: Yes.

10:47:29 24 THE WITNESS: Can you repeat that

10:47:32 25 question?

10:47:32 1 BY MR. HEMSTREET:

10:47:32 2 Q. Yeah.

10:47:33 3 I'm trying to understand if this reflects all
10:47:36 4 applicants who were placed on fed only status in the
10:47:42 5 dates at the top there?

10:47:44 6 A. No, it does not reflect all of the voters that
10:47:47 7 are registered as a fed voter. It represents all of the
10:47:53 8 printed notices that were sent from January 1st of 2022
10:47:58 9 through June 14th of 2023. This is just a sent notice
10:48:02 10 report.

10:48:05 11 Q. So within those dates this doesn't capture
10:48:09 12 everyone who has attempted to register who's fed only;
10:48:13 13 it just captures those who have been sent notice in that
10:48:16 14 period?

10:48:17 15 A. Yes.

10:48:20 16 Q. And then in the Notice Name column, the very
10:48:25 17 first row or actual entry, it has "F Type License"
10:48:31 18 there; do you see that?

10:48:32 19 A. On Page 1?

10:48:33 20 Q. On Page 1.

10:48:36 21 A. Can you scroll up?

10:48:40 22 Yes, "Registration - F Type License."

10:48:44 23 Q. So that's an example of someone who registered
10:48:48 24 with an F-type license?

10:48:50 25 A. Yes.

10:48:51 1 Q. And so would they be just unable to vote in any
10:48:57 2 election unless they provide DPOC?

10:48:59 3 A. Yes.

10:49:01 4 Q. The rest of the registrations on that first
10:49:06 5 page say "Fed ID Only," correct?

10:49:09 6 A. Yes.

10:49:10 7 Q. And so for all those individuals, they are able
10:49:13 8 to vote, but only in federal elections; is that right?

10:49:18 9 A. And the fed ID stands for that they have to
10:49:21 10 provide proof of citizenship in order to vote.

10:49:25 11 Q. Okay. And then on Page 2 there are a few at
10:49:30 12 the bottom that say "Fed No ID." Can you explain the
10:49:35 13 distinction between "Fed ID Only" and "Fed No ID"?

10:49:41 14 A. I believe they are the same. It was just a
10:49:44 15 change. So there's two different types of notices in
10:49:48 16 our AVID system, and they are actually the same letter.
10:49:52 17 It was just that when we created the notices, we listed
10:49:56 18 the notice under "Registration - Fed ID Only" and then
10:50:00 19 we changed the notice and changed it to "Registration -
10:50:03 20 Fed No ID."

10:50:06 21 Q. Okay. You --

10:50:07 22 A. But it is the same letter.

10:50:09 23 Q. The same letter. And do they have the same --

10:50:11 24 A. The same outcome.

10:50:14 25 I'm sorry?

10:50:16 1 Q. I'm sorry. I believe you said they have the
10:50:17 2 same outcome, they mean the same thing?

10:50:19 3 A. Yes. "Fed ID Only" and "Fed No ID" are the
10:50:23 4 same. They provided -- or they did not provide -- they
10:50:26 5 didn't match or something to that effect.

10:50:31 6 Q. And you said they're unable to vote unless they
10:50:34 7 provide proof of citizenship. Does that apply to
10:50:37 8 federal elections as well?

10:50:39 9 A. Yes. They present -- they will have to
10:50:45 10 present -- I say citizenship. I guess it would be they
10:50:47 11 would have to present a driver's license, some form of
10:50:53 12 proof of citizenship.

10:50:55 13 Q. So is there any difference practically between
10:51:00 14 these "Fed ID Only" and the F-type license?

10:51:05 15 A. So the fed only, they are -- they've proven
10:51:09 16 that they're a citizen and they're allowed to receive a
10:51:13 17 ballot by mail. And so that would be the difference, is
10:51:18 18 that they matched the social, but they may have an
10:51:22 19 out-of-state driver's license, and so they did not match
10:51:26 20 the Arizona MVD system. And so since their social
10:51:31 21 matched, they become a fed only voter with the right to
10:51:34 22 receive a ballot by mail.

10:51:37 23 Q. So they have the right to receive it, but they
10:51:40 24 can't actually vote unless they provide citizenship
10:51:42 25 information?

10:51:43 1 A. The fed only can receive the early ballot and
10:51:48 2 vote that early ballot without any other restriction.

10:51:52 3 Q. But only for federal elections; is that right?

10:51:55 4 A. Right. They will only -- they will receive a
10:51:58 5 federal only ballot.

10:52:00 6 Q. Okay.

10:52:02 7 A. Only, yeah, the federal and congressional
10:52:05 8 races.

10:52:06 9 Q. Whereas in that first row the person with the
10:52:10 10 F-type license, they would not receive a ballot at all?

10:52:13 11 A. They would not. And the "Fed ID Only" or
10:52:17 12 "Fed No ID," they are not eligible to receive a ballot
10:52:20 13 by mail.

10:52:22 14 Q. I'm sorry, I'm confused. I thought you just
10:52:24 15 said that they did receive a ballot by mail, fed only?

10:52:28 16 A. Okay, so there are -- in this sent notice
10:52:30 17 report there are three types of fed -- actually, four.
10:52:34 18 "F Type License," they're not a citizen. They do not
10:52:37 19 get a ballot and they are not registered until they've
10:52:41 20 proven citizenship.

10:52:42 21 A "Fed ID Only" and a "Fed No ID" are people
10:52:47 22 that registered to vote, they provided data, but it did
10:52:51 23 not match the system, maybe, or they didn't provide any
10:52:55 24 citizenship data. They were registered in that
10:52:57 25 retrospect and they are eligible to go to a polling

10:53:01 1 location on election day and vote contingent upon
10:53:06 2 providing proof that they are a citizenship, that they
10:53:09 3 are a citizen.

10:53:10 4 And then there is the "Fed Only," who provided
10:53:14 5 us Social Security, it matched the system, and so we can
10:53:19 6 confirm that they are a citizen. They just did not
10:53:23 7 provide the second part where a driver's license or a
10:53:26 8 birth certificate, but they are eligible to receive a
10:53:30 9 ballot by mail.

10:53:31 10 Q. I understand. So the distinction is basically
10:53:34 11 ID, "Fed ID Only" versus "Fed Only"?

10:53:37 12 A. Correct.

10:53:45 13 Q. I'd like to shift gears again and discuss
10:53:50 14 H.B. 2492's documentary proof of residence requirements.
10:53:56 15 Can we start with how Graham County currently uses
10:54:01 16 voter -- applicants' residence information?

10:54:03 17 So in order to register to vote, applicants are
10:54:07 18 currently required to provide an address, or if they
10:54:10 19 don't, a description or drawing of the location of their
10:54:13 20 residence; is that right?

10:54:14 21 A. Yes.

10:54:16 22 Q. Can a P.O. Box be used to meet that
10:54:18 23 requirement?

10:54:19 24 A. It cannot, no.

10:54:22 25 Q. And why is residence address or location

10:54:25 1 information important for voter registration?

10:54:28 2 A. That is how we precinct the voter and how we
10:54:33 3 know what type of ballot and what type of races they get
10:54:35 4 to vote in.

10:54:39 5 Q. So I want to talk about the two options the
10:54:41 6 voters have in turn. First, the process by which they
10:54:45 7 provide an actual address. If someone provides an
10:54:48 8 address, does the county use -- or how does the county
10:54:51 9 use that address to actually locate the residence?

10:54:55 10 A. So when we input the data into AVID, AVID has a
10:55:01 11 GIS mapping link to Total Address. So when we put that
10:55:05 12 address in, it will match with that. It's a Shake file
10:55:12 13 that belongs to Graham County that got imported into
10:55:15 14 Total Address. So if it matches, then there's no issue
10:55:21 15 currently.

10:55:21 16 Q. Okay.

10:55:23 17 A. If it does not match, then myself, I will
10:55:28 18 utilize the Graham County GIS maps, the Assessor's and
10:55:33 19 Treasurer's either tax or -- either the tax bill
10:55:40 20 information or the property record information, locate
10:55:45 21 the address, and then I can go and pin drop that GIS
10:55:49 22 information into the Total Address system and match the
10:55:52 23 voter. I also utilize that when they do the drawing for
10:55:56 24 the nonstandard address. We can locate that drawing
10:56:01 25 through the GIS map system and we create a pinpoint for

10:56:05 1 that drawing.

10:56:10 2 Q. How common is it for someone who provides an
10:56:12 3 address that you're not able to locate?

10:56:18 4 A. It would be hard to say. We get people that
10:56:23 5 register addresses that are not in our Total Address
10:56:25 6 system because it is a new home build and that
10:56:29 7 information wasn't provided to us to add.

10:56:33 8 So that's why we utilize as many databases as
10:56:37 9 we can to find the address. But as far as not finding
10:56:41 10 an address at all through all of the databases, I would
10:56:45 11 say probably that's occurred maybe once or -- you know,
10:56:53 12 maybe once a month max, once every six months. It's
10:56:57 13 speculating. I don't have any voters currently that are
10:57:00 14 nonstandard addresses or that I cannot locate an address
10:57:04 15 for.

10:57:05 16 Q. In those very rare instances, what does your
10:57:08 17 office do to locate them?

10:57:10 18 A. So we will reach out to the voter and see if
10:57:14 19 they can give us any further information. In the past,
10:57:18 20 when I couldn't locate an address, it actually was not
10:57:21 21 in our county, and so the voter record was transferred
10:57:25 22 to the county it belonged to.

10:57:28 23 We do have one voter that registered, I believe
10:57:33 24 it was back in 2018, who made up an address just because
10:57:39 25 he was homeless, and so we were not able to match that

10:57:42 1 address and, therefore, we had to create an address for
10:57:46 2 the homeless.

10:57:49 3 Q. And was that individual ultimately able to be
10:57:51 4 registered?

10:57:52 5 A. Yes, he was.

10:57:56 6 Q. And so you sort of mentioned this, but when
10:57:59 7 your office doesn't locate them, you said you reach out
10:58:02 8 to the voter. Do you send a notice?

10:58:03 9 A. Yes, if we have a mailing address. We reach
10:58:07 10 out to the voter in any way that they provided contact
10:58:12 11 information. So e-mail, phone, letter, all three, one
10:58:17 12 or all three of them we will reach out to them for the
10:58:19 13 further information.

10:58:23 14 Q. And you also mentioned the new -- a new home
10:58:26 15 build might present an instance where you're unable to
10:58:30 16 locate them in a database. Are there any other
10:58:33 17 residential addresses where it's like more common than
10:58:38 18 other types of residences where you're not able to
10:58:40 19 locate them in the database?

10:58:42 20 A. Not that I can recall right now.

10:58:47 21 Q. Would -- is it any more common to have trouble
10:58:50 22 locating a residence on a Reservation?

10:58:56 23 A. So that would be probably more common that we
10:58:58 24 wouldn't have the tree west of the store, you know. So
10:59:09 25 they'll give us a description. We're not going to have

10:59:11 1 that in our system, so we will have to locate that
10:59:16 2 location and pin drop it into our files to create the
10:59:21 3 address so we can precinct them.

10:59:23 4 One thing that is nice with the Reservations
10:59:27 5 are there's just one precinct in our Peridot residence
10:59:34 6 locations and then one in Bylas. So it's not like it's
10:59:38 7 in -- you know, there's a whole bunch of different
10:59:41 8 choices. So it's not quite difficult, but it is -- it's
10:59:44 9 common.

10:59:46 10 Q. I think and you said slightly more common at
10:59:49 11 least than other residences to have those issues?

10:59:52 12 A. Yes.

10:59:55 13 Q. Beyond the databases you listed, GIS, I believe
10:59:58 14 you said the Assessor's, are there any other methods
11:00:02 15 that you use to locate or any other services you use to
11:00:06 16 locate a residence?

11:00:09 17 A. Google Maps.

11:00:10 18 Q. Google Maps?

11:00:12 19 Would you ever use like the Fire Department or
11:00:17 20 911 information?

11:00:18 21 A. That information is in our GIS maps.

11:00:22 22 Q. Oh, it's in the GIS maps? Okay.

11:00:24 23 A. Yes.

11:00:26 24 Q. And then for the second option, where folks
11:00:30 25 draw a description of their residence, how often do you

11:00:35 1 encounter that?

11:00:38 2 A. I wouldn't say it's very often, and I really
11:00:42 3 couldn't tell you what the amount is, because we don't
11:00:46 4 really have a way of knowing how many have done that and
11:00:50 5 that we've located the address from a drawing. There's
11:00:54 6 no way for me to find that data without searching
11:00:57 7 through every paper registration that was ever turned
11:01:03 8 in.

11:01:05 9 Q. In the example we were discussing where the
11:01:08 10 individual was homeless, do you know if they used a
11:01:10 11 drawing or that option?

11:01:13 12 A. No, they typically will put in an address
11:01:16 13 either at the -- we have two locations. They'll either
11:01:21 14 utilize the Post Office address, like the physical
11:01:24 15 location of the Post Office, or the physical location of
11:01:26 16 our local park.

11:01:31 17 Q. And would it be any more common for folks
11:01:33 18 living on a Reservation to use that option?

11:01:39 19 A. To -- oh. They actually do utilize an address
11:01:44 20 for their local Post Office. There are some that have.

11:01:50 21 Q. There are some that have?

11:01:51 22 A. Yes.

11:01:52 23 Q. And my question is, is it any more common or
11:01:56 24 not than folks not on a Reservation to use that option?

11:02:02 25 A. I wouldn't say it's any -- any more or less

11:02:05 1 common.

11:02:08 2 Q. And then speaking of Native American voters in

11:02:12 3 Graham County, does your office do anything specific to

11:02:15 4 try to increase registration with these voters?

11:02:19 5 A. I'm sorry, to try to what?

11:02:21 6 Q. Increase registration with such voters.

11:02:27 7 A. Nothing that I can think of, other than making

11:02:31 8 sure that we, you know, locate where their residence is,

11:02:37 9 what they've drawn on, and, you know, be able to process

11:02:40 10 them and get them registered.

11:02:44 11 We occasionally will do voter registration

11:02:48 12 drives out on the Reservations. It's not very fruitful,

11:02:52 13 so it sometimes just isn't worth the time and effort.

11:03:00 14 But we do everything that we can to make sure that what

11:03:02 15 they provide on a form is acceptable and that we can

11:03:06 16 register them.

11:03:08 17 Q. Are those voter registration drives, are

11:03:14 18 there -- does your office take any specific efforts to

11:03:17 19 make sure that they're targeting Native American voters,

11:03:20 20 or are those drives evenly spread out throughout the

11:03:23 21 county?

11:03:23 22 I'm trying to understand if there are any

11:03:25 23 specific things that your office does to try and

11:03:29 24 increase the registration in that demographic.

11:03:32 25 A. Okay. So, typically, outside of the

11:03:35 1 Reservation areas we get a lot of voter registration
11:03:39 2 drives from other entities, political parties, high
11:03:43 3 schools, things like that. So we don't really reach out
11:03:47 4 too much to the city, like inside the city limit type
11:03:52 5 people.

11:03:53 6 But when we're talking about the Reservation,
11:03:57 7 there's not so many registration drives that are
11:04:00 8 provided out there outside of like candidates, and so in
11:04:05 9 the past there have been voter registration drives in
11:04:08 10 those areas for that reason.

11:04:13 11 Q. Okay. Do you know if voter registration is any
11:04:15 12 lower in Native communities than the county average?

11:04:20 13 A. I'm sorry, can you repeat that?

11:04:22 14 Q. Yeah.

11:04:23 15 Do you know if the registration in Native
11:04:27 16 communities is any lower than the county average?

11:04:31 17 A. I don't believe it's any lower, but I'm -- I
11:04:34 18 would be speculating.

11:04:38 19 Q. If the DPOR, the documentary proof of
11:04:43 20 residence, is implemented by H.B. 2492 and H.B. 2243,
11:04:50 21 what affect do you expect that will have on Native
11:04:54 22 voters attempting to register to vote, if any?

11:04:59 23 MR. HORLEY: Calls for speculation.

11:05:03 24 THE WITNESS: I really don't know what the
11:05:04 25 effect would be because I'm not quite sure what I would

11:05:08 1 be able to do. You know, I don't understand the bill
11:05:12 2 enough to know whether I could still continue to address
11:05:16 3 them the way that I currently do. So I really don't
11:05:23 4 know.

11:05:23 5 BY MR. HEMSTREET:

11:05:23 6 Q. If those requirements are implemented, does
11:05:26 7 your office have any plans currently to have any
11:05:30 8 different drives than you currently do to reach out to
11:05:33 9 the Tribes to educate them on the new requirements?

11:05:38 10 A. I have not looked forward to even assessing
11:05:43 11 that information or -- I have not made any plans.

11:05:49 12 MR. HEMSTREET: I think this is a good
11:05:50 13 time to take a quick break and go off the record.

11:05:57 14 MS. RUTH: Out of curiosity, how much
11:05:58 15 longer do you think it's going to be? Because I'm going
11:06:01 16 to need to feed my daughter again in about probably the
11:06:03 17 next 40 minutes or so, within the next 40 minutes.

11:06:08 18 MR. HEMSTREET: Yeah, so I've --

11:06:08 19 THE COURT REPORTER: Would you like to go
11:06:09 20 off the record first?

11:06:10 21 THE VIDEOGRAPHER: We're off the record.
11:06:10 22 Time on the video monitor is 11:06 a.m. This ends
11:06:16 23 Media 1.

11:06:18 24 (A recess was taken.)

11:15:54 25 THE VIDEOGRAPHER: We're on the record.

11:15:55 1 Time on the video monitor is 11:15 a.m. This begins
11:15:58 2 Media 2.

11:16:01 3 BY MR. HEMSTREET:

11:16:02 4 Q. I'll thank you again for your time,
11:16:05 5 Ms. Merriman. I just have a few items.

11:16:08 6 First, at the beginning you had notes that you
11:16:10 7 showed me. What are those notes, again, that you had?

11:16:18 8 A. So it has the total number of Graham County
11:16:20 9 voters, active and inactive, how many fed voters, which
11:16:26 10 ones are no ID and which ones are fed, how many are
11:16:29 11 active, how many are inactive, how many new voters I've
11:16:33 12 had since January, how many are -- have a residential
11:16:42 13 address that was different than their driver's license,
11:16:46 14 and how many did not report their birthplace. I just
11:16:50 15 was trying to think of things you guys might ask.

11:16:53 16 Q. How did you prepare those; where did you get
11:16:57 17 that information?

11:16:57 18 A. This information is in the AVID system.

11:17:00 19 Q. All of that information was pulled from AVID?

11:17:03 20 A. Yes.

11:17:06 21 MR. HEMSTREET: Well, that is all that I
11:17:08 22 actually have. I don't know if any other plaintiffs.
11:17:13 23 Leah, if you're ready to jump in or --

11:17:18 24 MS. MOTZKIN: Yeah, I am. Thank you.

EXAMINATION

BY MS. MOTZKIN:

Q. Hi. Thank you. I'm Leah. I appreciate you answering just a few more questions, and they might feel a little bit out of order, as I'm just jumping in and asking a few questions, so I appreciate you bearing with me.

First, is old government data, such as MVD records from ten years ago, indicative of a lack of current U.S. citizenship?

MR. LANGHOFER: Calls for a legal conclusion.

THE WITNESS: Can you repeat that?

BY MS. MOTZKIN:

Q. Yeah, absolutely.

Is old government data, such as MVD records from ten years ago, is that indicative of a lack of U.S. citizenship today?

A. I'm not sure that I understand your question.

Q. Okay. Is data from the MVD, perhaps that someone has an F-type license, which I know we've talked about in a few contexts, from ten years, is that still indicative of a lack of citizenship currently?

MR. LANGHOFER: Same objection.

THE WITNESS: I'm not really sure how to

11:18:26 1 answer this, because somebody that registered to vote
11:18:29 2 ten years ago, if they haven't updated their voter
11:18:32 3 registration, we would have no reason to rerun their
11:18:37 4 information through the databases, so it would just
11:18:40 5 remain whatever it was ten years ago.

11:18:42 6 BY MS. MOTZKIN:

11:18:43 7 Q. Yeah, I'm sorry. Not voter registration, but
11:18:46 8 MVD records. So is old government data from kind of the
11:18:49 9 MVD records evidence and indicative of a lack of
11:18:55 10 citizenship today?

11:18:57 11 MR. LANGHOFER: Same objection.

11:19:01 12 THE WITNESS: I don't know. I don't know
11:19:03 13 how to answer that. I don't understand what you're
11:19:06 14 saying. I'm sorry.

11:19:09 15 BY MS. MOTZKIN:

11:19:09 16 Q. Okay. When is information too old to qualify
11:19:13 17 as information that someone is not a U.S. citizen today?

11:19:15 18 MR. LANGHOFER: Same objection.

11:19:17 19 THE WITNESS: I'm not aware of a time
11:19:19 20 frame or a time limit.

11:19:24 21 BY MS. MOTZKIN:

11:19:24 22 Q. Okay. And we discussed a little bit about this
11:19:26 23 earlier, but we discussed some of the valid sources of
11:19:30 24 information per both rules that someone is not a U.S.
11:19:34 25 citizen. I'm going to go through and run through a few

11:19:37 1 different hypotheticals to make it a little more
11:19:40 2 concrete.

11:19:40 3 MS. MOTZKIN: If opposing counsel wants to
11:19:42 4 put in any standing objections, now would be a good time
11:19:44 5 on that.

11:19:45 6 MR. LANGHOFER: That's great. Yeah, let's
11:19:47 7 just have a standing objection to calling for a legal
11:19:49 8 conclusion. Thanks.

11:19:51 9 MS. MOTZKIN: Thanks.

11:19:53 10 BY MS. MOTZKIN:

11:19:54 11 Q. Okay. So is anything beyond a government or
11:19:56 12 voter registration database a valid source of
11:19:59 13 information that someone is not a U.S. citizen?

11:20:04 14 A. Outside of Motor Vehicle, Social Security, and
11:20:09 15 the SAVE, I don't have any access to any other database.

11:20:14 16 Q. What about a phone call from the voter?

11:20:19 17 A. To declare that they're a noncitizen?

11:20:21 18 Q. Yeah. Would that be considered a valid source
11:20:23 19 of information that someone is not a U.S. citizen?

11:20:29 20 A. I would have to -- I've never encountered
11:20:35 21 anybody that called and said, hey, I'm not a U.S.
11:20:37 22 citizen. If they did, I would actually have to confirm
11:20:41 23 that I was speaking to the voter.

11:20:51 24 THE COURT REPORTER: We've got some
11:20:52 25 background noise.

11:20:55 1 BY MS. MOTZKIN:

11:20:55 2 Q. How about an e-mail from the voter?

11:20:59 3 A. If a voter e-mailed me and said they were not a
11:21:01 4 U.S. citizen --

11:21:02 5 Q. Uh-huh.

11:21:03 6 A. -- I would still have to -- I would still have
11:21:06 7 to contact that voter, and especially if they're in my
11:21:12 8 system as a U.S. citizen and their citizenship matched
11:21:16 9 our databases, I would be very, very suspicious of
11:21:22 10 receiving an e-mail or a phone call, and I would not
11:21:25 11 process or make any changes without speaking to that
11:21:29 12 voter.

11:21:33 13 And, honestly, they would have to come in and
11:21:34 14 sign a form saying they didn't want to be registered,
11:21:37 15 because if they're in my system as a citizen, they would
11:21:39 16 have to come fill out a form requesting to cancel their
11:21:43 17 voter registration.

11:21:44 18 Q. What about a signed letter from the voter?

11:21:50 19 A. If it was notarized, maybe, but --

11:21:55 20 Q. How about a phone -- oh, I'm sorry.

11:21:56 21 A. Or if it was -- if I was able to verify that
11:22:00 22 signature with the signature that's in their record,
11:22:04 23 which we do that on a canceled request; but, again, that
11:22:10 24 would be very -- that would be very awkward and
11:22:13 25 suspicious.

11:22:15 1 Q. Uh-huh. How about a phone call from a member
11:22:18 2 of the voter's family?

11:22:22 3 A. That they were not a U.S. citizen?

11:22:24 4 Q. Yeah. Would that be considered a valid source
11:22:27 5 of information that someone is not a U.S. citizen?

11:22:30 6 A. I would not consider that a valid source of
11:22:33 7 information that would create me to change anything
11:22:37 8 without, again, reaching out to that voter and making
11:22:40 9 certain that I'm speaking with that voter. And once
11:22:45 10 again, if the voter registration came back that they
11:22:48 11 were a U.S. citizen, I would not change anything based
11:22:52 12 on what somebody else said.

11:22:56 13 Q. Can it be a letter from a neighbor?

11:23:00 14 A. No.

11:23:02 15 Q. What about a phone call from law enforcement in
11:23:04 16 Arizona, would that be a valid source of information
11:23:07 17 that someone is not a U.S. citizen?

11:23:12 18 A. I could maybe consider the information; but,
11:23:15 19 again, I would not do any processes without reaching out
11:23:18 20 to the voter.

11:23:20 21 Q. What about an e-mail or a letter from a law
11:23:25 22 enforcement in -- I'm sorry, a law enforcement officer
11:23:26 23 in another state?

11:23:29 24 A. I would have the same process. I would still
11:23:32 25 have to reach out with the voter. That law office would

11:23:36 1 have to -- or law officer would have to provide a lot of
11:23:41 2 proof matching the voter information for me to even
11:23:45 3 reach out to the voter and question any information.

11:23:49 4 Again, if the database came back saying they're a U.S.
11:23:51 5 citizen, I have no reason to believe that's inaccurate.

11:23:56 6 Q. And I assume that would be the same for a phone
11:23:59 7 call from an officer in another state?

11:24:00 8 A. Correct. Yes.

11:24:02 9 Q. And what about an e-mail from an officer in
11:24:04 10 Arizona?

11:24:05 11 A. The same.

11:24:06 12 Q. The same? Great.
11:24:09 13 How about an anonymous call?

11:24:12 14 A. The same. I would not -- I don't -- I would
11:24:18 15 not make any changes to a voter based on anything like
11:24:22 16 that. If I felt like there was a need to reach out to
11:24:26 17 the voter, I would do so, and I would actually request a
11:24:29 18 meeting with the voter, if possible.

11:24:31 19 Q. Is it fair to say that's the same for an
11:24:34 20 anonymous e-mail?

11:24:35 21 A. That would be the same.

11:24:37 22 Q. Okay. And what about lists provided by
11:24:39 23 third-party organizations like True the Vote?

11:24:44 24 A. I'm sorry, like who?

11:24:45 25 Q. True the Vote is one example of a third-party

11:24:48 1 organization, a list.

11:24:50 2 A. No. I, again, would not process any changes
11:24:55 3 based on any outside data or person.

11:25:00 4 Q. Thank you.

11:25:01 5 Jumping quickly into H.B. 2492, I'm looking at
11:25:05 6 Page 7, Lines 15 through 23, which is also
11:25:14 7 Section 16-143. This provision discusses reporting
11:25:19 8 obligations, the first of which was on or before
11:25:25 9 October 31st, 2022, and that is that the Secretary of
11:25:31 10 State and each County Recorder shall make available to
11:25:34 11 the Attorney General a list of all individuals who are
11:25:36 12 registered to vote and who have not provided
11:25:38 13 satisfactory evidence of citizenship.

11:25:41 14 So since that deadline has passed, is your
11:25:46 15 office no longer required by this provision to submit to
11:25:49 16 the AG a list of its registered voters who have not
11:25:53 17 shown satisfactory DPOC?

11:25:59 18 MR. HORLEY: Calls for a legal conclusion.

11:26:02 19 THE WITNESS: I'm not aware of -- I
11:26:05 20 wouldn't -- I wouldn't know if that is still a
11:26:07 21 requirement. I don't know. I'm going to have to say I
11:26:12 22 have no idea.

11:26:14 23 BY MS. MOTZKIN:

11:26:15 24 Q. Thank you.

11:26:15 25 A. I do know quarterly we report our fed voters

11:26:19 1 like, but that's with our voter statistics, so, you
11:26:23 2 know, all registered voters and then those that are fed
11:26:26 3 only, and that is also placed on our website. Other
11:26:31 4 than that, I don't know of any list.

11:26:34 5 Q. Got it.

11:26:35 6 So jumping in now to 2243, I'm looking at
11:26:41 7 Page 5 and Line 41 and onto Page 6. In ARS 16-165(F)
11:26:52 8 through (J) within H.B. 2243 there are a bunch of
11:26:55 9 enumerated database matching procedures. Do you see
11:27:03 10 those?

11:27:03 11 A. And that was Line 41?

11:27:07 12 Q. Yeah, starting at Line 41, which is (F),
11:27:10 13 Section (F).

11:27:21 14 A. And then what was the question?

11:27:23 15 Q. Yeah. Do you see those?

11:27:25 16 A. Yes.

11:27:26 17 Q. Okay. Are the database matching procedures
11:27:29 18 enumerated here the means by which County Recorders are
11:27:33 19 to obtain information of a lack of U.S. citizenship?

11:27:38 20 MR. HORLEY: Calls for a legal conclusion.
11:27:39 21 I'm not sure whether our standing objection is still in
11:27:41 22 place. We've jumped around a little bit.

11:27:43 23 MS. MOTZKIN: Oh, I'm sorry. Let's take
11:27:45 24 them off.

11:27:45 25 MR. HORLEY: Okay. Thank you.

11:27:46 1 MS. MOTZKIN: And then I hear your
11:27:47 2 objection.

11:27:48 3 BY MS. MOTZKIN:

11:27:49 4 Q. So are these the means by which County
11:27:51 5 Recorders are to obtain information of a lack of U.S.
11:27:55 6 citizenship?

11:27:56 7 MR. HORLEY: Same objection.

11:27:59 8 THE WITNESS: I'm reading it again. Just
11:28:01 9 a minute.

11:28:02 10 BY MS. MOTZKIN:

11:28:02 11 Q. Please.

11:28:13 12 A. I'm not aware that that is currently happening,
11:28:19 13 because each county processes their own voters through
11:28:24 14 AVID and we check our own voters through the databases
11:28:28 15 that are listed in the HAVA checks. I've never been
11:28:32 16 notified with a list that is described there in that.
11:28:38 17 So I don't know what that is.

11:28:41 18 Q. Okay. Are the database matching procedures
11:28:43 19 enumerated in these same 16-165(F) through (J) in
11:28:49 20 H.B. 2243 the means by which County Recorders are to
11:28:52 21 confirm information of a lack of U.S. citizenship?

11:28:57 22 MR. HORLEY: Same objection.

11:28:58 23 THE WITNESS: Can you scroll down?

11:29:18 24 So I currently do not run any kind of -- I
11:29:25 25 don't -- where it says "Each month the County Recorder

11:29:27 1 shall compare persons who are registered to vote in that
11:29:29 2 county and who the County Recorder has reason to believe
11:29:32 3 are not U.S. citizens," I don't currently practice
11:29:38 4 anything like that. I don't process anything monthly.

11:29:40 5 I process voters upon registration forms
11:29:45 6 being received, and that is the only time I access their
11:29:51 7 citizenship database. So if that is something -- that
11:29:55 8 must be something new to this bill, because I'm not
11:29:58 9 aware of that, and I don't process -- I don't do that
11:30:01 10 currently.

11:30:02 11 BY MS. MOTZKIN:

11:30:03 12 Q. Okay. Is this clear or unclear?

11:30:05 13 MR. HORLEY: Same objection.

11:30:07 14 THE WITNESS: To me it's unclear.

11:30:12 15 BY MS. MOTZKIN:

11:30:12 16 Q. Thanks.

11:30:12 17 A. I -- I don't -- yeah, I'm not quite sure what
11:30:15 18 they're referring to.

11:30:17 19 Q. Okay. And we're going to jump back into some
11:30:20 20 of the hypotheticals we did before, but kind of focused
11:30:23 21 instead on this language in 2243, which is reason to
11:30:28 22 believe. So I'm going to ask you a few questions about
11:30:30 23 whether certain information would constitute or certain
11:30:33 24 things would constitute a reason to believe.

11:30:37 25 MS. MOTZKIN: Opposing Counsel, do we want

11:30:39 1 to enter the standing objections?

11:30:41 2 MR. LANGHOFER: Yeah, for calling for a
11:30:43 3 legal conclusion. Thanks.

11:30:44 4 MS. MOTZKIN: Thanks.

11:30:44 5 BY MS. MOTZKIN:

11:30:45 6 Q. Okay. Would anything beyond a government or
11:30:49 7 voter registration database constitute a reason to
11:30:52 8 believe under 2243?

11:30:55 9 A. I do not believe so.

11:30:58 10 Q. Can it be a phone call from the voter?

11:31:03 11 A. Pertaining to which part?

11:31:06 12 Q. Would a phone call from the voter, could
11:31:09 13 anything in a phone call give you a reason to believe
11:31:12 14 that a person is not a U.S. citizen?

11:31:16 15 A. No. My answer's going to be the same. I would
11:31:18 16 not make any process or make any change to a voter with
11:31:26 17 any phone call, any -- any information from outside
11:31:30 18 sources. Like I said, if I had reason, I would reach
11:31:34 19 out to the voter.

11:31:36 20 Q. Okay. What if a registered voter transposed
11:31:39 21 their first and last name on their registration
11:31:41 22 application form?

11:31:44 23 A. We actually have had that happen, and we reach
11:31:46 24 out to the voter when a system doesn't match. Sometimes
11:31:51 25 it will come back on a social with a soft match, and the

11:31:55 1 soft match will show the name being transposed, and
11:31:58 2 we'll reach out to the voter and say, you know, did you
11:32:01 3 inadvertently put your last name first and your first
11:32:05 4 name -- you know, and mix them up. We'll reach out to
11:32:08 5 the voter, again, with all the ways that we have contact
11:32:10 6 information.

11:32:12 7 Q. And what if a registered voter recorded a
11:32:15 8 foreign place of birth on their form; could that give
11:32:18 9 you a reason to believe that the voter is a noncitizen?

11:32:22 10 A. No.

11:32:24 11 Q. What if you identify a registered voter who has
11:32:28 12 already satisfied DPOC requirements, but still holds an
11:32:32 13 F-type license; is that a reason to believe they're not,
11:32:35 14 in fact, a U.S. citizen?

11:32:39 15 A. Can you -- can you resay that?

11:32:42 16 Q. Yeah.

11:32:44 17 If you identify a registered voter who has
11:32:47 18 already satisfied the DPOC requirement, but with an
11:32:51 19 F-type license, is that a reason to believe that they
11:32:53 20 are not a U.S. citizen?

11:32:55 21 A. Okay, so the F-type license does not satisfy
11:32:58 22 the requirement, and so if the voter provided, like
11:33:04 23 previously spoken about, the naturalization
11:33:08 24 certification, they would then become a full voter.
11:33:13 25 Their proof of citizenship would have been satisfied.

11:33:17 1 So the F-type license is no longer factored.

11:33:21 2 Q. What if the registered voter has never provided
11:33:24 3 DPOC because they are exempt from the requirement due to
11:33:28 4 when they registered?

11:33:35 5 A. I'm not certain what I -- I don't understand
11:33:37 6 what you mean.

11:33:38 7 Q. Yeah. So if they registered prior to the DPOC
11:33:43 8 requirement going into effect in 2005, would the failure
11:33:47 9 to show DPOC under this exemption give your office a
11:33:51 10 reason to believe that they are not U.S. citizens?

11:33:57 11 A. I'm sorry, I still don't understand the
11:34:00 12 question.

11:34:02 13 Q. Thanks. Are there -- is it true that there are
11:34:05 14 certain voters who are exempt from the DPOC requirements
11:34:08 15 under a safe harbor provision because they registered
11:34:11 16 prior to the DPOC requirement going into effect in 2005?

11:34:19 17 A. I'm not aware of that. If somebody registered
11:34:23 18 back then and they haven't registered currently, the
11:34:28 19 only time, again, that we will run a voter through the
11:34:32 20 system is if they provide a new voter registration. So
11:34:37 21 we would have no reason to look at old records and run
11:34:42 22 them through the system to check if they are or are not
11:34:44 23 a U.S. citizen. If they registered prior and it says
11:34:48 24 that they are, then I mean that stands.

11:34:54 25 Q. Thanks.

11:34:54 1 MS. MOTZKIN: And we can take away the
11:34:56 2 standing objection, if that's okay with everyone.

11:34:59 3 BY MS. MOTZKIN:

11:34:59 4 Q. I have just a few more questions. Thank you
11:35:01 5 for bearing with me.

11:35:03 6 A. Okay.

11:35:03 7 Q. We discussed earlier how H.B. 2492 states that
11:35:08 8 your office must also utilize any other state, city,
11:35:11 9 town, county, or federal database and any other database
11:35:13 10 relating to voter registration, correct, that we already
11:35:19 11 spoke about that?

11:35:20 12 A. Yes, I remember.

11:35:21 13 Q. Okay. Could a list of registered voters
11:35:25 14 provided by another Arizona agency constitute a database
11:35:29 15 relating to a voter registration?

11:35:32 16 MR. HORLEY: Calls for a legal conclusion.

11:35:33 17 THE WITNESS: No.

11:35:35 18 BY MS. MOTZKIN:

11:35:35 19 Q. Could a list of registered voters provided by
11:35:37 20 another state's government agency constitute a database
11:35:40 21 relating to voter registration?

11:35:45 22 MR. HORLEY: Same objection.

11:35:45 23 THE WITNESS: No.

11:35:46 24 BY MS. MOTZKIN:

11:35:46 25 Q. Okay. And what about from a private group or a

11:35:48 1
11:35:50 2
11:35:51 3
11:35:53 4
11:35:54 5

private citizen?

MR. HORLEY: Same objection.

THE WITNESS: No.

MS. MOTZKIN: Thank you so much. I have
no further questions.

THE WITNESS: Thank you.

MR. ATKINS: I have maybe five or ten
minutes of questions, but I wanted to check with you,
Ms. Merriman and Ms. Ruth, if a break is needed at this
time.

MS. ROOF: It will probably -- I have told
my husband to bring her in about ten minutes,
potentially, so I'll touch base with him and let you
know, but I anticipate within the next 10 to 20 minutes
that a break will be needed.

MR. ATKINS: Okay. If it's all right, I
should be able to conclude my questions within that
time.

EXAMINATION

BY MR. ATKINS:

Q. So good morning, Ms. Merriman. My name is Alex
Atkins. Once again, I represent Plaintiffs Mi Familia
Vota and Voto Latino. I appreciate the time you've
given all of us this morning.

11:36:47 1 Just have a few questions about various
11:36:52 2 requirements on voter registration forms. So you've
11:36:58 3 spoken a bit about applicants providing information
11:37:00 4 about their place of birth, and I believe just a moment
11:37:05 5 ago you stated that a foreign place of birth would not
11:37:10 6 present a reason to believe that someone's not a U.S.
11:37:13 7 citizen; is that right?

11:37:15 8 A. That's right.

11:37:16 9 Q. Can you explain why that is?

11:37:20 10 A. We actually have citizens that were born in
11:37:24 11 another country due to their family, their parent or
11:37:28 12 something, being in the military. The voter was born in
11:37:36 13 the other country, but they were born as a U.S. citizen
11:37:39 14 and they have the U.S. citizenship to -- you know, the
11:37:45 15 check for U.S. citizenship comes back as a match.

11:37:50 16 I'm sure there's other reasons why somebody
11:37:52 17 would have a birth outside of -- you know, outside of
11:37:56 18 the U.S. But, no, that is not a reason for us to
11:37:59 19 automatically assume that they're not a U.S. citizen.

11:38:02 20 Q. Understood.

11:38:04 21 And I guess as another potential example,
11:38:08 22 naturalized citizens would theoretically have a foreign
11:38:12 23 place of birth, but would nonetheless be citizens,
11:38:16 24 right?

11:38:16 25 A. Right.

11:38:16 1 Q. And your office doesn't reject voter
11:38:19 2 registration forms for failure to include place of
11:38:22 3 birth, right?

11:38:23 4 A. Right, we do not currently reject.

11:38:28 5 Q. And is it correct that your office doesn't use
11:38:31 6 birthplace information to verify an applicant's
11:38:34 7 citizenship?

11:38:35 8 A. Correct. That's true.

11:38:39 9 Q. And just to be clear then, your office doesn't
11:38:43 10 use birthplace information to determine if an applicant
11:38:46 11 is eligible to vote, right?

11:38:49 12 A. Yes.

11:38:54 13 Q. Do you understand that under H.B. 2492 state
11:39:00 14 form voter registration applicants must include their
11:39:03 15 place of birth or the application cannot be processed?

11:39:07 16 MR. HORLEY: Calls for a legal conclusion.

11:39:07 17 THE WITNESS: Yes.

11:39:09 18 BY MR. ATKINS:

11:39:10 19 Q. Does your office have any means of accurately
11:39:14 20 confirming that a place of birth provided by a voter
11:39:19 21 registration applicant is correct?

11:39:22 22 A. No.

11:39:25 23 Q. And does your office have any ability to verify
11:39:29 24 an applicant's citizenship using their place of birth?

11:39:32 25 A. No.

11:39:34 1 Q. Have you received any guidance from the
11:39:37 2 Secretary of State about how to implement the birthplace
11:39:41 3 requirement in H.B. 2492?

11:39:44 4 A. No.

11:39:51 5 Q. Am I correct that in one of your interrogatory
11:39:55 6 responses you stated that your office may use a voter's
11:40:00 7 birthplace to confirm their identity when speaking to
11:40:04 8 them over the phone?

11:40:06 9 A. Yes.

11:40:08 10 Q. Now, we can look at the rog response, if
11:40:13 11 needed, but I believe you also said that you only do
11:40:17 12 that if the voter willingly provides such information.
11:40:23 13 Does that sound right to you?

11:40:24 14 A. Yes.

11:40:27 15 Q. Can you explain, is that if the voter willingly
11:40:31 16 provides their birthplace information on their
11:40:34 17 application or over the phone or both?

11:40:37 18 A. On their application and over the phone. If
11:40:41 19 they provided it on their application, we may say -- you
11:40:44 20 know, we will confirm we're speaking with the voter by
11:40:47 21 requesting their last four of their social, their date
11:40:51 22 of birth, and we'll ask their place of birth if it is
11:40:53 23 listed in the system.

11:40:58 24 Q. And so it sounds like there's other pieces of
11:41:01 25 information about the voter that you would also use to

11:41:05 1 confirm identity over the phone?

11:41:07 2 A. Yes.

11:41:08 3 Q. And just for the record, what other pieces of
11:41:12 4 information are those?

11:41:14 5 A. Their full date of birth, the last four of
11:41:17 6 their social. We will even occasionally ask their
11:41:22 7 mother's maiden name or their father's name, because
11:41:25 8 that is an optional information that the voter can
11:41:30 9 provide, and we'll use that sometimes when speaking with
11:41:33 10 the voter. But mainly it will be their full name, full
11:41:37 11 date of birth, the last four of their social, and
11:41:40 12 possibly place of birth.

11:41:42 13 Q. And does place of birth have any special
11:41:46 14 significance as compared to those other pieces of
11:41:49 15 information when it comes to confirming a voter's
11:41:51 16 identity over the phone?

11:41:52 17 A. No.

11:41:57 18 Q. Shifting gears, I'd like to ask a few questions
11:42:00 19 about the citizenship checkbox that appears on both the
11:42:05 20 state and federal registration form.

11:42:09 21 A. Okay.

11:42:12 22 Q. So, first of all, the citizenship checkbox has
11:42:16 23 been on both voter registration forms for quite some
11:42:18 24 time, right?

11:42:20 25 A. As far as I'm aware.

11:42:23 1 Q. And am I correct that your office does not
11:42:26 2 reject voter registration applicants simply because a
11:42:30 3 person fails to complete the checkbox?

11:42:34 4 A. Yes.

11:42:40 5 Q. So speaking about state form registrants in
11:42:45 6 particular, if a state form applicant provides
11:42:50 7 documentary proof of citizenship, but does not complete
11:42:53 8 the citizenship checkbox, your office would still accept
11:42:57 9 that application, correct?

11:42:59 10 A. Yes.

11:43:00 11 Q. And am I correct that that applicant would be
11:43:03 12 registered as a full ballot voter?

11:43:07 13 A. Yes, if they came back with a match.

11:43:11 14 Q. Now, turning to federal form applicants, am I
11:43:17 15 correct that federal form applicants are able to
11:43:22 16 adequately establish their citizenship by affirming
11:43:25 17 citizenship under the penalty of perjury on the federal
11:43:30 18 form?

11:43:38 19 A. I'm not certain I understand what you're
11:43:41 20 asking.

11:43:42 21 Q. Sure.

11:43:44 22 So I guess I'm alluding to information from the
11:43:53 23 election procedures manual, which I believe says that an
11:43:59 24 appropriate indicator of U.S. citizenship includes
11:44:01 25 swearing or affirming that the applicant is a U.S.

11:44:04 1 citizen on the federal form. I believe it's Box 9 on
11:44:09 2 the federal form, asks the voter to sign their name
11:44:15 3 after an affirmation of eligibility, including
11:44:18 4 citizenship.

11:44:18 5 Does that sound familiar?

11:44:22 6 A. They -- both federal and the state form are
11:44:24 7 processed the same.

11:44:30 8 Q. So if an applicant submits a federal form and
11:44:32 9 signs that citizenship affirmation, but does not
11:44:36 10 complete the citizenship checkbox, does your office
11:44:40 11 still register that voter?

11:44:42 12 A. Yes.

11:44:52 13 MR. ATKINS: That's all the questions I
11:44:53 14 have. Really appreciate it. Thank you.

11:44:55 15 THE WITNESS: Thank you.

11:45:04 16 MR. HORLEY: I'm not sure whether any of
11:45:06 17 the other plaintiffs have questions or, Jean, if now is
11:45:11 18 a good time for us to take the break that you discussed.

11:45:14 19 MS. ROOF: Yeah, let me -- can you give me
11:45:16 20 just a minute. Can you mute us? And I'll let you know,
11:45:19 21 if you just give me a minute.

11:45:21 22 MR. HEMSTREET: We'll go off the record.

11:45:23 23 THE VIDEOGRAPHER: We are off the record.

11:45:24 24 Time on the video monitor is 11:45 a.m.

12:02:47 25 (A recess was taken.)

12:33:25 1 THE VIDEOGRAPHER: We are on the record.
12:33:26 2 Time on the video monitor is 12:33 p.m.

12:33:32 3

12:33:33 4 EXAMINATION

12:33:33 5 BY MR. HORLEY:

12:33:33 6 Q. All right. Hello, Ms. Merriman. My name is
12:33:35 7 Tim Horley, and I am representing the State of Arizona
12:33:38 8 and the Arizona Attorney General in this case. Thanks
12:33:41 9 for your time. I may have just said good morning. I
12:33:44 10 think it's now afternoon. So I do have just a set of
12:33:50 11 questions, hopefully won't go too long. We're going to
12:33:53 12 look at a couple documents, but we'll try to have us out
12:33:56 13 of here expeditiously.

12:33:59 14 So my first set of questions is about sort of
12:34:04 15 implementing laws and how you understand these laws, as
12:34:07 16 plaintiffs asked you a lot about that.

12:34:10 17 So the first question is, will your office
12:34:12 18 adhere to whatever the court orders regarding the
12:34:16 19 implementation of these laws?

12:34:17 20 A. Yes.

12:34:20 21 Q. And you mentioned that some phrases in the
12:34:23 22 challenged laws are unclear; is that right?

12:34:27 23 A. To me.

12:34:29 24 Q. Would guidance from the Secretary of State be
12:34:32 25 helpful in resolving that?

12:34:36 1 A. I would -- yeah, I -- yeah, I think so, and I
12:34:39 2 would also utilize my County Attorney, if needed.

12:34:42 3 Q. Okay. And could that guidance from the
12:34:45 4 Secretary of State come in the form of an updated EPM?

12:34:48 5 A. Yes.

12:34:50 6 Q. And the EPM provides guidance on a lot of
12:34:53 7 voting laws, including laws on topics other than the
12:34:56 8 ones we've been talking about today, correct?

12:34:58 9 A. Yes.

12:35:00 10 Q. And you generally rely on the EPM to help
12:35:03 11 implement those other laws?

12:35:05 12 A. Yes.

12:35:07 13 Q. And would it be easy to implement all of those
12:35:10 14 laws without the EPM?

12:35:15 15 A. On my own?

12:35:18 16 Q. Yeah, if you didn't have the EPM guidance.

12:35:23 17 A. Well, as far as I know, I don't go outside the
12:35:29 18 EPM. So I rely on that to know how I'm supposed to be
12:35:34 19 processing. So I actually would have a hard time doing
12:35:36 20 it outside of the EPM, to be honest.

12:35:40 21 Q. Yes. So other voting laws might be difficult
12:35:44 22 to implement without guidance from the Secretary of
12:35:47 23 State, not just these laws, correct?

12:35:49 24 A. Correct.

12:35:52 25 Q. So the same thing is true for these laws that

12:35:55 1 is true for a lot of other voting laws?

12:35:56 2 A. Yes.

12:36:00 3 Q. Okay. Now, I want to talk a little bit about
12:36:04 4 verifying citizenship and the citizenship checkbox that
12:36:07 5 we talked about.

12:36:10 6 Does your office do anything to verify DPOC
12:36:13 7 when it is received?

12:36:17 8 A. Just the same as I had spoke before. We put
12:36:20 9 them through the AVID voter registration process and
12:36:23 10 click on the HAVA checks.

12:36:27 11 Q. So if there's a photocopy of a birth
12:36:29 12 certificate or a passport, does your office do anything
12:36:32 13 to verify the authenticity of that document?

12:36:36 14 A. We require the original document, and we will
12:36:43 15 utilize that too, but that's outside of like -- so we
12:36:50 16 verify that that is the person and we will use those
12:36:54 17 forms as ways to prove citizenship.

12:36:58 18 Q. Okay. And so I just want to be clear. You
12:37:00 19 require an original, not a photocopy; is that right?

12:37:07 20 A. I'm actually not certain. I would have to look
12:37:09 21 at the EPM, if it says we could accept a copy of it.
12:37:14 22 Most of the time people bring in their birth certificate
12:37:17 23 and we just make a copy of it from the original, if we
12:37:21 24 need to. So I would have to refer to the EPM if a copy
12:37:26 25 is acceptable.

12:37:30 1 Q. Okay. Understood. Thanks.

12:37:32 2 A. Oh --

12:37:33 3 Q. Yes. Go ahead.

12:37:34 4 A. I'm sorry. I actually believe that a copy of

12:37:38 5 the birth certificate is acceptable form.

12:37:43 6 Q. Okay. Understood.

12:37:44 7 And we talked a little bit or you spoke with

12:37:47 8 Mr. Atkins a little bit about the citizenship checkbox

12:37:50 9 that is on the state and federal forms. Do you think

12:37:54 10 that that information, the checkbox, provides you with

12:37:58 11 information on whether a voter is a citizen?

12:38:01 12 A. No.

12:38:05 13 Q. Why not?

12:38:07 14 A. Because the checkbox is just somebody saying.

12:38:12 15 Like it doesn't provide any way for me to check

12:38:16 16 anything. You know, so it's not providing any

12:38:18 17 information. The person is just checkmarking that box

12:38:21 18 saying that they are a citizen, but it's not verifiable.

12:38:28 19 Q. Okay. So if the person does not provide DPOC,

12:38:32 20 would it provide any information in that case?

12:38:35 21 A. No.

12:38:38 22 Q. What about if you ran a HAVA check and it was

12:38:43 23 unclear based on that whether that person was a citizen;

12:38:47 24 would it be helpful to know the answer to the checkbox

12:38:49 25 in that situation?

12:38:50 1 A. No.

12:38:57 2 Q. Okay. If someone were to mark no in the

12:39:01 3 citizenship checkbox, but also provided a copy of a

12:39:05 4 citizenship document, what would you do in that case?

12:39:13 5 A. I am not -- I've never had that happen. I

12:39:17 6 can't speak from experience. I would have to look at

12:39:19 7 the EPM and see if it has -- I don't know if it even has

12:39:23 8 any instructions on if they checkmark no. I would

12:39:27 9 confirm that they meant to checkmark that no.

12:39:32 10 Q. So is it fair to say that that would raise sort

12:39:35 11 of a red flag for your office?

12:39:38 12 A. It would pose a question for sure.

12:39:41 13 Q. And you would want to follow up with the voter

12:39:43 14 to understand why they marked no, correct?

12:39:47 15 A. Yes.

12:39:50 16 Q. Are there situations where someone could

12:39:53 17 renounce their U.S. citizenship?

12:39:56 18 A. Yes.

12:39:59 19 Q. So like, for example, maybe a person was born

12:40:02 20 in the United States, then moves to a different country,

12:40:05 21 let's say Canada, and then once they're in Canada they

12:40:09 22 renounce their United States citizenship.

12:40:12 23 So imagining that scenario, let's suppose that

12:40:15 24 that person comes to Graham County and fills out a voter

12:40:19 25 registration form and then that person provides a birth

12:40:24 1 certificate as DPOC showing a birthplace in the United
12:40:29 2 States, but also checks no on the citizenship checkbox.
12:40:33 3 In that case, would the citizenship checkbox be
12:40:36 4 material to determining whether the registrant is
12:40:39 5 eligible to vote?

12:40:41 6 A. I would probably have to refer to my County
12:40:45 7 Attorney and probably the Secretary of State's Office on
12:40:47 8 how to go forward with that. I've never had that
12:40:52 9 happen. I'm not really certain what the procedure would
12:40:56 10 be in that case.

12:40:59 11 Q. But would you agree that in that situation, you
12:41:03 12 know, that person does have DPOC, but they are, in fact,
12:41:06 13 not a citizen?

12:41:09 14 A. Right. So I would reach out to the voter to
12:41:11 15 ask why they answered that question as no.

12:41:17 16 Q. Right. And so in that case, answering that
12:41:20 17 question no might tell you, oh, this person isn't a U.S.
12:41:24 18 citizen, even though there might be some other data that
12:41:27 19 suggests they are a U.S. citizen?

12:41:30 20 A. Correct. But I would imagine that they still
12:41:32 21 would not come up in the system, in the HAVA checks.

12:41:38 22 Q. Yes, and I think that's -- I was also curious
12:41:41 23 to ask you about that. So if they came up in the HAVA
12:41:46 24 system, but they also had -- you know, and in the HAVA
12:41:48 25 check let's suppose that they were once had a driver's

12:41:51 1 license in Arizona or something when they were a U.S.
12:41:54 2 citizen. In that situation they've now renounced their
12:41:58 3 citizenship. So you run a HAVA check. It says they
12:42:00 4 still have this citizenship, but they've renounced.
12:42:03 5 Would it be helpful in that situation to see, oh,
12:42:06 6 they've marked no in the citizenship checkbox?
12:42:09 7 A. I would still have to handle it the same way
12:42:12 8 and refer to the County Attorney, contact the voter. I
12:42:19 9 would think if they renounced their citizenship, they
12:42:22 10 would no longer have a driver's license or a social
12:42:26 11 security in the system. Just my thought.
12:42:30 12 Q. Okay. But do you --
12:42:30 13 A. But I don't know.
12:42:31 14 Q. Yes, that's fair.
12:42:32 15 So do you know whether that kind of thing would
12:42:35 16 be updated in the system when they renounce their
12:42:38 17 citizenship?
12:42:39 18 A. I don't have knowledge of that.
12:42:42 19 Q. Okay. Thank you.
12:42:44 20 Now I want to ask a few questions about a
12:42:49 21 rather large spreadsheet that your office produced. So
12:42:55 22 I'm just going to pull that up. It's not in the folder
12:42:57 23 that was shared with you, but if it's all right with
12:42:59 24 everybody, I will just share the screen and then I can
12:43:02 25 send it around through the chat after, after I'm done

12:43:06 1 asking questions. Is that all right with you,
12:43:06 2 Ms. Merriman?

12:43:09 3 THE WITNESS: Is that okay?

12:43:10 4 MS. ROOF: Yeah, that's fine. I might
12:43:11 5 have -- is it what we produced as 375?

12:43:16 6 MR. HORLEY: That's right. Yeah.

12:43:18 7 MS. ROOF: Do you mind, just so she can
12:43:20 8 see it on a bigger screen, can I -- I think I have that,
12:43:23 9 but it will just take me a second to get it pulled up.
12:43:26 10 Is that okay?

12:43:28 11 MR. HORLEY: Yeah, absolutely. And we
12:43:28 12 could do it -- I could share the screen at the same
12:43:31 13 time, if that's helpful, or I could not, if that makes
12:43:33 14 sense.

12:43:34 15 MS. ROOF: Let's try just sharing the
12:43:36 16 screen and see if she's able to see it sufficiently, and
12:43:38 17 if she isn't, then I have another alternative to have
12:43:41 18 her see it, though.

12:43:43 19 MR. HORLEY: Okay. Thanks.

12:43:43 20 MR. MORGAN: I'd ask that you share the
12:43:44 21 screen anyway just so we can all see it too.

12:43:48 22 Thanks.

12:43:48 23 BY MR. HORLEY:

12:43:49 24 Q. Yeah, so it should be up now. Are you able to
12:43:50 25 see that, Ms. Merriman?

12:43:53 1 A. Yes.

12:43:54 2 Q. Okay, great. And do you recognize this

12:43:59 3 document?

12:44:00 4 A. I did not produce this document, but it looks

12:44:03 5 like it would be a status report out of AVID's system.

12:44:12 6 Q. Okay. And I'm not sure if you can see it on

12:44:17 7 the screen share, but do you see up here it says

12:44:20 8 GRAHAM000375?

12:44:22 9 A. Yes.

12:44:26 10 Q. Okay. Great.

12:44:27 11 MR. HORLEY: I would like to mark this as

12:44:28 12 Exhibit, I believe we're at number 258; is that right,

12:44:38 13 Jody?

12:44:38 14 THE COURT REPORTER: It is.

12:44:40 15 BY MR. HORLEY:

12:44:41 16 Q. So I see here there's a column for "Status" and

12:44:46 17 then a column for "Status Reason." Am I reading that

12:44:50 18 correctly?

12:44:51 19 A. Yes.

12:44:53 20 Q. So that shows what's someone's registration

12:44:56 21 status and the reason why; is that right?

12:44:59 22 A. Yes.

12:45:00 23 Q. And then over here there's a column that says

12:45:03 24 "Citizenship Verified," is that right?

12:45:05 25 A. Yes.

12:45:06 1 Q. And so if it says "Yes," that means they've
12:45:09 2 been verified as a U.S. citizen; "No," they have not
12:45:11 3 been verified as a U.S. citizen?

12:45:14 4 A. Yes.

12:45:14 5 Q. Okay. And then we talked a lot about the
12:45:18 6 different categories of federal voters. So there's
12:45:21 7 "Federal-ID Only" and "Federal-No ID." So these columns
12:45:25 8 tell us whether that person falls into one of those two
12:45:29 9 categories; is that right?

12:45:30 10 A. Yes.

12:45:33 11 Q. And then over here I see some dates. So it
12:45:37 12 shows a "Registration Date" in these two columns and
12:45:40 13 then the "Date of Change," is that right?

12:45:42 14 A. Yes.

12:45:44 15 Q. And does that "Effective Date of Change" tell
12:45:47 16 us when their status was updated?

12:45:51 17 A. Not always. There are certain times that a
12:45:57 18 status reason would not change the effective date. Say
12:46:02 19 the voter called or filled out a form to change a phone
12:46:07 20 number. That date might not have gotten changed.

12:46:14 21 Q. Okay. Understood. Okay.
12:46:16 22 So I am going to take us down to one of these
12:46:21 23 rows. I'm going to draw your attention to Row 258.

12:46:29 24 A. Okay.

12:46:29 25 Q. Do you see this row, Ms. Merriman?

12:46:32 1 A. Yes, I do.

12:46:34 2 Q. And it says that the person's status is not

12:46:38 3 eligible, and the reason is invalid citizenship proof;

12:46:38 4 is that right?

12:46:41 5 A. Yes.

12:46:43 6 Q. So can you explain what that means?

12:46:46 7 A. So that means that the person registered to

12:46:48 8 vote and they did not -- either they did not provide

12:46:53 9 proof of citizenship or the system could not match their

12:46:58 10 citizenship.

12:47:01 11 So back in -- that happened in 2014. That was

12:47:06 12 prior to my time in the Recorder's Office, but I'm aware

12:47:09 13 that in 2014 there were different rules in processing

12:47:13 14 voters that had unmatched citizenship.

12:47:18 15 Q. Okay. Understood.

12:47:18 16 And so in that case, was this person's

12:47:21 17 registration rejected?

12:47:24 18 A. So we don't reject. They're just not eligible

12:47:31 19 until they provide further proof.

12:47:35 20 Q. Okay. And in these situations, like you said,

12:47:37 21 you would provide notice to the voter and then give them

12:47:39 22 a chance to provide that proof, correct?

12:47:40 23 A. Yes.

12:47:43 24 Q. Okay. All right. Now I'm going to take a look

12:47:47 25 at another row. Row 566 here, do you see that,

12:48:04 1 Ms. Merriman?

12:48:04 2 A. Five-six -- yes.

12:48:07 3 Q. Okay. And then this is sort of the same thing

12:48:10 4 here; is that right?

12:48:11 5 A. Yes, that's going to be the same reason for

12:48:13 6 that.

12:48:18 7 Q. Okay. And here -- well, I'm sorry. I got a

12:48:25 8 little lost.

12:48:25 9 So I'm noticing that in this one, in the

12:48:30 10 "Citizenship Verified" column -- sorry, let me get us

12:48:33 11 back there.

12:48:40 12 In the "Citizenship Verified" column it says

12:48:43 13 the citizenship was verified; is that right?

12:48:49 14 A. Yeah, it says that in that column.

12:48:51 15 Q. Can you explain why it would say that if there

12:48:55 16 was invalid citizenship proof?

12:48:56 17 A. I cannot say why that says "Yes."

12:49:01 18 Q. So does that seem like there may have been

12:49:04 19 perhaps an error in inputting the data here?

12:49:08 20 A. Or there was an error in processing this

12:49:11 21 report.

12:49:15 22 Q. Okay. Understood. All right. So now I've got

12:49:21 23 one more row here. It's way down.

12:49:37 24 Okay. So this row, it's Row 6272; do you see

12:49:41 25 that?

12:49:41 1 A. Yes.

12:49:41 2 Q. Oh, and I see that this person is listed as
12:49:44 3 active and valid registration; is that right?

12:49:47 4 A. Yes.

12:49:49 5 Q. And then I see again in the "Citizenship
12:49:51 6 Verified" column it says "No." So could you explain why
12:49:55 7 that is?

12:49:57 8 A. Again, it could be just something in the way
12:50:03 9 that the report was processed or -- I don't know. I
12:50:10 10 could think of a time like so if the -- if they were not
12:50:17 11 eligible at some point, like the system didn't match
12:50:19 12 them and we sent a letter and the voter provided a
12:50:24 13 certificate of birth, we may have failed to mark that
12:50:30 14 box to "Yes," they were citizenship verified, because
12:50:34 15 you -- I mean you have to checkmark that when you
12:50:36 16 manually process. So that could have been missed.

12:50:42 17 Q. Okay. Understood.

12:50:43 18 So could it also have been the case that this
12:50:46 19 person did not provide DPOC or their citizenship
12:50:50 20 otherwise wasn't verified, but they were nonetheless
12:50:53 21 registered as an active voter?

12:50:56 22 A. That's very unlikely. I'm not saying that we
12:51:00 23 don't make errors, but it's very unlikely that they
12:51:03 24 would be active valid without any kind of citizenship
12:51:07 25 proof.

12:51:10 1 Q. Okay. And I see here in these -- the columns
12:51:13 2 that deal with whether they're a fed -- a fed only voter
12:51:17 3 it also --

12:51:17 4 A. Right.

12:51:18 5 Q. So that would mean that they were registered as
12:51:20 6 a full ballot voter; is that right?

12:51:22 7 A. Correct.

12:51:23 8 Q. So this could have been a situation where
12:51:26 9 someone's citizenship was not verified, but they were
12:51:28 10 registered as a full ballot voter?

12:51:32 11 A. Again, I would say that's not likely. I would
12:51:35 12 believe it was more like they provided a different type
12:51:40 13 form of proof, like a birth certificate or an
12:51:43 14 out-of-state enhanced driver's license, and the user
12:51:47 15 failed to checkmark the citizenship box as verified.

12:51:53 16 Q. Okay. Understood. Thank you.

12:51:55 17 And then just for the record, I just want to
12:51:56 18 make clear that it looks like the "Registration Date"
12:51:59 19 was October 8th, 2018, and then the "Date of Change" is
12:52:04 20 also October 8th, 2018; is that right?

12:52:07 21 A. Yes.

12:52:08 22 Q. Okay. Great. That's all I have on that
12:52:10 23 document. So I'm going to close out of that.

12:52:18 24 Okay. And I have a few questions about some of
12:52:27 25 the databases that we've talked about today. Does your

12:52:30 1 office consider the MVD data that the AVID system uses

12:52:35 2 to be generally reliable?

12:52:37 3 A. Generally. Yes.

12:52:41 4 Q. Yes.

12:52:42 5 And we talked a little bit about a situation

12:52:44 6 where a naturalized citizen's information hasn't been

12:52:49 7 updated in the AVID database yet, so when you check it,

12:52:53 8 it shows that they're not a citizen, even though they

12:52:56 9 are, in fact, a citizen.

12:52:58 10 In that situation, can that voter easily fix

12:53:02 11 the situation by sending you a copy of the

12:53:04 12 naturalization certificate?

12:53:09 13 MR. ATKINS: Objection, form.

12:53:10 14 THE WITNESS: I believe they could provide

12:53:12 15 a copy of the naturalization, but I don't know if -- if

12:53:16 16 it had to be the original, then they would have to bring

12:53:20 17 the original in.

12:53:22 18 BY MR. HORLEY:

12:53:22 19 Q. Okay. But either way, in that situation you

12:53:24 20 mentioned that you would send them a notice, so then

12:53:27 21 they could fix that situation by providing you all with

12:53:30 22 the necessary documents?

12:53:33 23 A. Yes.

12:53:34 24 Q. Okay. Thank you.

12:53:37 25 And you mentioned that your office uses SAVE

12:53:40 1 sometimes, but you don't have a lot of familiarity with
12:53:44 2 using it. Do you consider the SAVE system to be
12:53:47 3 generally reliable?

12:53:50 4 A. I don't have any experience using it, but I
12:53:53 5 would assume that it would be a reliable source.

12:53:59 6 Q. Okay. And then you also mentioned -- I just
12:54:01 7 wanted to be clear. We talked a little bit about Social
12:54:04 8 Security and the fact that the HAVA check also checks
12:54:07 9 whether someone has a social security number. So in
12:54:10 10 your view, does someone having a social security number
12:54:13 11 demonstrate that that person is a U.S. citizen?

12:54:17 12 A. If it comes back with a match, I believe so.

12:54:22 13 Q. Okay. And if someone did not have a social
12:54:26 14 security number, would that indicate that they are not a
12:54:29 15 U.S. citizen?

12:54:30 16 A. If they didn't provide it?

12:54:35 17 Q. Yes, or if there was no match on the social
12:54:39 18 security.

12:54:40 19 A. Not necessarily. If it doesn't match, we just
12:54:44 20 reach out to the voter.

12:54:48 21 Q. Okay. And is it possible that someone who is
12:54:51 22 not a U.S. citizen, maybe they're a green card holder,
12:54:55 23 they would still have a social security number?

12:55:03 24 A. I'm -- I don't have any knowledge of that. I'm
12:55:07 25 not sure whether they get a social security card or not.

12:55:11 1 Q. Okay. Understood. All right.

12:55:13 2 Now, I wanted to ask you some questions about

12:55:17 3 birthplace. So if you have a place where voters can

12:55:24 4 fill out the optional birthplace field, your office does

12:55:27 5 not actively track whether someone enters that

12:55:31 6 information, correct?

12:55:32 7 A. Correct. Yes.

12:55:36 8 Q. In your experience, though, do voters usually

12:55:39 9 include their birthplace on their form?

12:55:43 10 A. It's a 50/50.

12:55:48 11 Q. 50/50? Okay.

12:55:51 12 And now I want to look at another document that

12:55:55 13 you all produced, and this is the 2019 EPM, and I'm

12:56:01 14 aware that we've already had this as an exhibit, but I

12:56:03 15 think that the version you all produced is a little bit

12:56:08 16 larger, so I think it might just be easier if I enter

12:56:10 17 the version that your office shared. So if it's all

12:56:14 18 right with everybody, I'm just going to screen share

12:56:16 19 this one again as well. Does that work for you,

12:56:20 20 Ms. Merriman?

12:56:20 21 A. Yes.

12:56:23 22 Q. Okay.

12:56:29 23 Okay. Can you see that?

12:56:29 24 A. Yes.

12:56:33 25 Q. Okay. And do you recognize this document?

12:56:35 1 A. Yes.

12:56:37 2 Q. And so this is the 2019 EPM that your office
12:56:41 3 produced in discovery in this case?

12:56:44 4 A. Yes.

12:56:46 5 Q. Okay. I would like to mark this as
12:56:48 6 Exhibit 259.

12:56:53 7 So I want to draw your attention here to the
12:56:58 8 bottom of Page 4, top of Page 5. So do you see where it
12:57:05 9 says "Birth Certificate" here?

12:57:06 10 A. Yes.

12:57:09 11 Q. Okay. And then it says, "A registrant may
12:57:12 12 submit a legible copy of the registrant's birth
12:57:16 13 certificate from any U.S. state or territory as
12:57:18 14 satisfactory DPOC. ARS 16-166(F)(2). For U.S. citizens
12:57:26 15 born abroad, a Certificate of Report of Birth or
12:57:28 16 Consular Report of Birth Abroad issued by a consular
12:57:29 17 officer from the U.S. Department of State will suffice
12:57:32 18 for a birth certificate."

12:57:33 19 Did I read that correctly?

12:57:34 20 A. Yes.

12:57:35 21 Q. And then it goes on. "The registrant must
12:57:37 22 supply supporting legal documentation (such as a
12:57:40 23 marriage certificate or court-documented name change) if
12:57:42 24 the name on the birth certificate or document is not the
12:57:45 25 registrant's current legal name."

12:57:45 1 Is that right?

12:57:48 2 A. Right. Yes.

12:57:49 3 Q. Okay. And then it says, "If the registrant

12:57:51 4 cannot provide supporting legal documentation to account

12:57:54 5 for a different last name, a County Recorder must accept

12:57:58 6 the birth certificate or document if at least the

12:58:01 7 following information matches on both the birth

12:58:04 8 certificate or document and the registration form."

12:58:06 9 Is that right?

12:58:07 10 A. Yes.

12:58:09 11 Q. And then it lists the things to match, and it

12:58:12 12 says "First name; Middle name; Place of birth; Date of

12:58:17 13 birth; and Parents' names."

12:58:21 14 Did I read that right?

12:58:23 15 A. Yes.

12:58:24 16 Q. So in this situation it would be important to

12:58:28 17 know the registrant's place of birth; is that right?

12:58:32 18 A. Yes.

12:58:34 19 Q. And so it would be helpful if the person filled

12:58:38 20 in their place of birth information on their voter

12:58:40 21 registration form?

12:58:41 22 A. Yes.

12:58:43 23 Q. And that would be material to you being able to

12:58:46 24 tell whether that person was eligible to vote?

12:58:52 25 MR. ATKINS: Objection, form.

12:58:54 1 THE WITNESS: It would be helpful in
12:58:55 2 matching the information on the birth certificate if the
12:58:59 3 registrant's last name did not match.

12:59:08 4 BY MR. HORLEY:

12:59:08 5 Q. Okay. And, now, next I'm going to look at the
12:59:10 6 same page here where it says "U.S. Passport." Do you
12:59:13 7 see that?

12:59:13 8 A. Yes.

12:59:16 9 Q. Okay. And then I'm just going to read this
12:59:17 10 quickly as well. So it says, "A registrant may submit a
12:59:21 11 legible copy of the pertinent pages of the registrant's
12:59:24 12 U.S. passport or passport card, or present the
12:59:28 13 registrant's U.S. passport or passport card to the
12:59:29 14 County Recorder, as DPOC. ARS 16-166(F)(3)."

12:59:35 15 Is that right?

12:59:35 16 A. Yes.

12:59:36 17 Q. And then it says, "The pertinent pages of a
12:59:39 18 U.S. passport are those that contain the photo, passport
12:59:42 19 number, name, nationality, date of birth, gender, place
12:59:48 20 of birth and signature (if applicable)."

12:59:50 21 Is that right?

12:59:51 22 A. Yes.

12:59:54 23 Q. So in that situation, when you're looking at
12:59:57 24 someone's passport as DPOC, is it helpful to know what
01:00:00 25 their place of birth is?

01:00:03 1 A. We could utilize it to match, yes.

01:00:10 2 Q. Okay. All right. And now I want to look at

01:00:16 3 another page lower down here.

01:00:23 4 So here on Page 34 I'm looking at where it says

01:00:27 5 "C. Other Sources of Information on Deceased

01:00:30 6 Registrants." Do you see that?

01:00:31 7 A. Yes.

01:00:32 8 Q. Okay. So and then it says, "A County Recorder

01:00:34 9 may also cancel a registrant's record if the County

01:00:38 10 Recorder determines that the registrant is deceased

01:00:40 11 based on other reliable sources, see ARS 16-165(A)(2),

01:00:46 12 including, but not limited to, death notices received by

01:00:48 13 the County Recorder's Office and an affidavit of death

01:00:52 14 from the registrant's next of kin. A County Recorder

01:00:55 15 should match as much information as possible (including

01:00:58 16 first name, last name, maiden name (if applicable), year

01:01:02 17 of birth, place of birth, and city or town of residence)

01:01:06 18 and be reasonably certain that a true match exists

01:01:09 19 before canceling a registrant."

01:01:12 20 Did I read that correctly?

01:01:13 21 A. Yes.

01:01:15 22 Q. And so in that situation, would it be helpful

01:01:18 23 to know what the voter's place of birth is?

01:01:26 24 A. I'm not certain, because I don't believe that

01:01:29 25 our affidavit that the next of kin fills out has that

01:01:33 1 information; but if it's there, it would be utilized.

01:01:37 2 It could be utilized.

01:01:40 3 Q. So in that situation it would be helpful if the

01:01:43 4 person included their place of birth on a voter

01:01:45 5 registration form?

01:01:46 6 A. It could be.

01:01:49 7 Q. Would you say it would be important that they

01:01:51 8 did so?

01:01:54 9 A. I wouldn't say it would be important. I feel

01:01:56 10 like we would verify the other items.

01:02:01 11 Q. Okay. But you could --

01:02:03 12 A. That we do currently. Sorry.

01:02:06 13 Q. No, go ahead.

01:02:07 14 A. We currently verify the other items.

01:02:12 15 Q. And you -- do you verify place of birth as

01:02:15 16 well?

01:02:15 17 A. No.

01:02:18 18 Q. Okay. All right. One more page on this.

01:02:21 19 Thank you for bearing with me as we go through this.

01:02:24 20 So on Page 48, I'm looking at where it says,

01:02:30 21 "5. Minimum Requirements for Requesting a

01:02:34 22 Ballot-by-Mail." Do you see that?

01:02:35 23 A. Yes.

01:02:36 24 Q. And then it says, "In order for the County

01:02:39 25 Recorder to process a ballot-by-mail request, the

01:02:42 1 request must contain at least the following information:
01:02:45 2 The voter's name; The voter's residential address; The
01:02:48 3 voter's date of birth; at least one of the following:
01:02:54 4 The voter's state or country of birth; or Another piece
01:02:58 5 of information that, if compared to the voter's record,
01:03:01 6 would confirm the voter's identity, such as the AZDL/ID
01:03:05 7 number or SSN4, father's name, or mother's maiden name."
01:03:09 8 Is that right?
01:03:10 9 A. Yes.
01:03:14 10 Q. So in this situation where you're looking at
01:03:16 11 the requirements for requesting a ballot by mail, would
01:03:19 12 it be helpful if the person had filled in their
01:03:22 13 birthplace on their registration form?
01:03:25 14 A. Not necessarily, because we process the ballot
01:03:30 15 request separately, and our ballot request might
01:03:34 16 actually -- it is one of the items that we put on there,
01:03:39 17 that the voter could provide their state or country of
01:03:42 18 birth, but they do not have to provide it if they
01:03:46 19 provide the other items. So as far as like we'll
01:03:51 20 compare the place of birth on a ballot request versus
01:03:56 21 the voter's registration record. So it's just not
01:03:59 22 something that we would compare, probably. But if it
01:04:02 23 was there and we could utilize it, we might likely
01:04:07 24 utilize it.
01:04:09 25 Q. Okay. And that's because the EPM instructs

01:04:12 1 that that is one of the things that could be used to
01:04:16 2 ensure that they have a valid ballot by mail request; is
01:04:16 3 that right?

01:04:22 4 A. Right.

01:04:26 5 Q. Okay. All right. Thank you.

01:04:31 6 So that is all I have for --

01:04:33 7 MR. HORLEY: Oh, and I'm not sure if I
01:04:34 8 marked this document. This would be Exhibit 259.

01:04:40 9 THE COURT REPORTER: We did.

01:04:42 10 MR. HORLEY: Okay. Thank you.

01:04:47 11 BY MR. HORLEY:

01:04:48 12 Q. All right. So if there was a discrepancy
01:04:50 13 between two applications who had the same name, same
01:04:54 14 address, but listed two different places of birth, how
01:04:57 15 would your office address that?

01:05:02 16 A. In the past, if we've had that, we just put
01:05:06 17 whatever they put on their current form. We don't look
01:05:10 18 into why they put one state over a different state. You
01:05:18 19 know, we don't question why they changed their state of
01:05:21 20 birth.

01:05:23 21 Q. Okay. So you would treat that as a single
01:05:26 22 registrant, not as multiple people?

01:05:28 23 A. Right. Right. If all the other information
01:05:32 24 matched, we would just enter the new state of birth on
01:05:35 25 the new registration form in the current record.

01:05:40 1 Q. Okay. Understood.

01:05:42 2 And if a court or the Secretary of State issued
01:05:46 3 guidance that the county should change how it uses
01:05:49 4 birthplace information, would you follow that guidance?

01:05:52 5 A. If he -- if the Secretary of State put it in
01:05:55 6 the EPM?

01:05:57 7 Q. Yes.

01:05:57 8 A. Yes.

01:05:59 9 Q. Or if a court ordered that you change how you
01:06:02 10 use it, you would follow that guidance as well?

01:06:05 11 A. Yes.

01:06:06 12 Q. Okay. Almost towards the end. Just a few more
01:06:12 13 questions. Thank you again.

01:06:13 14 So I wanted to ask a little bit about
01:06:16 15 third-party voter registration drives. Do you ever
01:06:21 16 receive registration forms from third-party voter
01:06:24 17 registration organizations that conduct registration
01:06:27 18 drives?

01:06:27 19 A. Yes.

01:06:28 20 Q. I'm sorry, what was -- okay.

01:06:31 21 And we've heard from some of the other County
01:06:34 22 Recorders that they've received large numbers of voter
01:06:37 23 registration forms from such drives that have false
01:06:40 24 information; for example, totally false names,
01:06:45 25 identities, false driver's license numbers or things

01:06:48 1 like that.

01:06:49 2 Has your office experienced that?

01:06:51 3 A. We did in 2022.

01:06:56 4 Q. Okay. And could you just describe what
01:06:59 5 happened in 2022 with that?

01:07:02 6 A. So we received it was about 17 or 18 voter
01:07:10 7 registration forms that were turned in to Maricopa
01:07:14 8 County through a third-party registration drive, and in
01:07:19 9 looking at the voter registration forms, they were
01:07:23 10 either already registered and the data was completely
01:07:28 11 off or it matched some of the data, but not all of the
01:07:31 12 data. The signature would be completely different or
01:07:36 13 like the first name would be the middle name and the
01:07:38 14 middle name would be the first name. So there were like
01:07:40 15 differences.

01:07:41 16 And so we did reach out to some of the voters
01:07:44 17 and found that they did not fill out that form. So we
01:07:48 18 sent all those forms on to the County Attorney's Office
01:07:51 19 and we set them aside and did not process them.

01:07:55 20 Q. Okay. Understood.

01:07:56 21 And I just wanted to double-check. You said at
01:07:58 22 the beginning, I think -- I may have misheard you. You
01:08:01 23 said they turned it in to Maricopa County, but did they
01:08:03 24 turn it in to Graham County?

01:08:05 25 A. So they turned them -- the third-party

01:08:08 1 submitter sent all those forms in to Maricopa County.
01:08:11 2 Then Maricopa County took all of the forms that belonged
01:08:14 3 to each of the counties and sent them, you know,
01:08:18 4 forwarded them on to the correct counties. That's why
01:08:21 5 I'm not sure. We had 17 or 18. One of them was not our
01:08:24 6 county, and we had to forward it on to Cochise. So they
01:08:30 7 were turned in to Maricopa, but the forms were all sent
01:08:33 8 to us to be processed.

01:08:36 9 Q. Okay. Understood.

01:08:39 10 So you said that you referred that to the
01:08:44 11 County Attorney's Office. Can you explain why you did
01:08:47 12 that?

01:08:49 13 A. Because we realized that there was -- they were
01:08:52 14 fraudulent, and we weren't certain how to handle it, so
01:08:55 15 Wendy felt like we should advise the County Attorney
01:08:59 16 that it was happening and that we were putting those
01:09:02 17 forms off to the side and we were not processing them.

01:09:08 18 Q. Okay. And would you consider that, those
01:09:11 19 forms, as being fraudulent attempts to register to vote?

01:09:15 20 A. I actually think those were forms filled out by
01:09:19 21 people that were paid to turn in voter registration
01:09:21 22 forms. I do not believe that the voter was creating
01:09:25 23 fraud. I believe that there was a third-party person
01:09:28 24 that was committing fraud by filling out those forms.

01:09:32 25 Q. Okay. Understood.

01:09:33 1 And do you recall which organization it was
01:09:36 2 that turned in those forms?

01:09:39 3 A. I do not recall the organization. I don't
01:09:41 4 think it was one single organization, as it was like
01:09:47 5 voter registration drives. I know each one of the forms
01:09:50 6 had some sort of code stamp on them which told who in
01:09:58 7 that -- I guess in Maricopa County the code meant
01:10:02 8 something to them over who that third-party submitter
01:10:06 9 was, but I am not aware of who it was.

01:10:12 10 Q. Okay. Thanks.

01:10:14 11 And then I wanted to ask a little bit more
01:10:15 12 about the HAVA checks on AVID. So when you are checking
01:10:20 13 a registrant's identity on AVID, is it possible that
01:10:25 14 there could be a false positive match?

01:10:29 15 A. I'm not aware of it.

01:10:33 16 Q. But is it possible that that could happen?

01:10:38 17 A. In my recollection, no. I don't think that it
01:10:42 18 could falsely match it.

01:10:48 19 Q. Okay. And then the last set of questions.

01:10:53 20 Your office does not investigate potential cases of
01:10:56 21 voter fraud, correct?

01:10:58 22 A. We do not, no.

01:11:01 23 Q. Your office isn't responsible for prosecuting
01:11:03 24 cases of voter fraud?

01:11:04 25 A. No.

01:11:07 1 Q. And so you don't keep any records on whether
01:11:10 2 there is or is not voter fraud in Graham County?

01:11:15 3 A. If -- like pertaining to those 17 or 18
01:11:19 4 registration forms, we kept them on hand in case
01:11:22 5 anything came out of it statewide, we could provide
01:11:25 6 those forms, if necessary; but that is all that we do.

01:11:31 7 Q. Okay. And so do you recall any instances of
01:11:34 8 voter fraud of any kind in Graham County since you've
01:11:37 9 been there?

01:11:38 10 A. No.

01:11:40 11 Q. Okay. And that could be because that is not
01:11:42 12 something that your office tracks or is responsible for
01:11:45 13 tracking; is that right?

01:11:47 14 A. Right.

01:11:50 15 Q. Okay.

01:11:51 16 MR. HORLEY: All right. Those are all my
01:11:52 17 questions. Thank you very much, Ms. Merriman.
01:11:53 18 Appreciate your time.

01:11:55 19 THE WITNESS: Thank you.

01:11:55 20

01:11:57 21 EXAMINATION

01:11:57 22 BY MR. LANGHOFER:

01:11:57 23 Q. Good afternoon, ma'am. My name is Kory
01:12:00 24 Langhofer, and I represent the RNC. I think I have just
01:12:02 25 three questions for you, because, mercifully, most of

01:12:06 1 the questions I had have been asked by people that came
01:12:08 2 before me.

01:12:09 3 The first thing I'm going to do is show you
01:12:16 4 a -- the EPM. I think it's already been marked as
01:12:19 5 Exhibit 259.

01:12:23 6 Here we go. And you can see that okay?

01:12:26 7 A. Yes.

01:12:27 8 Q. All right. And I'm on Page 206 of the EPM
01:12:31 9 here, and just for context I'll scroll back up to 205.
01:12:35 10 You can see where in this section it talks about
01:12:37 11 verifying provisional ballot status.

01:12:40 12 You're familiar with provisional ballots, I
01:12:42 13 take it?

01:12:42 14 A. Yes.

01:12:44 15 Q. So I want to look at the last paragraph here.
01:12:48 16 Is that big enough on your screen for you to read it?
01:12:50 17 You don't have to read it out loud. I just want to see
01:12:53 18 if you can read it.

01:12:53 19 A. I can, except like the right side is blocked
01:12:57 20 from the --

01:12:58 21 Q. Oh, I'm sorry. Is that any better?

01:13:00 22 A. -- all the videos.

01:13:04 23 I don't know how to -- how do I get that off?
01:13:08 24 Do I just minimize?

01:13:10 25 Q. Is that better?

01:13:11 1 A. Oh, there. I can read it all there, yeah.

01:13:19 2 Q. Let me know when you're done.

01:13:35 3 A. Okay.

01:13:36 4 Q. All right. And you would agree with me that

01:13:38 5 this paragraph gives you another instance in which it

01:13:44 6 would be appropriate for your office to use birthplace?

01:13:47 7 A. Yes.

01:13:52 8 Q. All right. Let me try to take off my screen

01:13:53 9 share, if I can manage that technologically.

01:13:57 10 So the second question I have for you is, when

01:14:03 11 someone fills out the state form and they don't attach

01:14:06 12 to that DPOC and the HAVA check doesn't return --

01:14:12 13 doesn't show they've previously proven their

01:14:15 14 citizenship, so you have to send a notification to the

01:14:18 15 voter saying, hey, we don't -- we can't confirm your

01:14:21 16 citizenship and so you need to send it in to us in order

01:14:24 17 to register. In those circumstances, how common is it

01:14:30 18 for the voter to respond and actually provide

01:14:34 19 documentary proof of their citizenship?

01:14:36 20 A. Uncommon.

01:14:37 21 Q. Okay. Less than half?

01:14:42 22 A. It's less than an eighth.

01:14:44 23 Q. Okay. Do you know why that is?

01:14:48 24 A. I don't. I have 47 fed voters right now, and

01:14:51 25 every single one of them have received a letter, have

01:14:55 1 the ability to provide the information. Several of them
01:14:59 2 I know are citizens. They just have out-of-state
01:15:04 3 driver's license because they're -- they don't want to
01:15:06 4 change their driver's license, and for whatever reason
01:15:09 5 they don't bring it in or provide a copy.

01:15:12 6 Q. Okay. You say you know they're citizens. How
01:15:16 7 do you know that they're citizens?

01:15:19 8 A. Through church.

01:15:20 9 Q. Does your church check passports?

01:15:23 10 A. Well, no. I shouldn't say that I know that
01:15:26 11 they're citi -- I mean I know that they've been in -- I
01:15:28 12 shouldn't say that. I should strike that. I don't know
01:15:31 13 that they're a U.S. citizen. I know that they've been
01:15:34 14 in the U.S. for a very long time.

01:15:42 15 Q. Last question I've got for you is a
01:15:48 16 hypothetical. So another example about how you might be
01:15:52 17 able to use the birthplace. On the state form the
01:15:58 18 required information includes birth date, but not place
01:16:03 19 of birth or social security, correct?

01:16:05 20 A. Correct.

01:16:07 21 Q. So if you received on -- let's just say on a
01:16:12 22 given day. On, you know, Tuesday, since Monday's a
01:16:15 23 holiday, you receive two voter registration forms. Same
01:16:18 24 name, as it happens. The address could be the same or
01:16:21 25 it could be different. Let's go with different, because

01:16:24 1 Tim's already asked you about the same address. And
01:16:26 2 funny enough, the birth date is the same. But they
01:16:30 3 provided different places of birth.

01:16:34 4 Would you determine that that's the same person
01:16:36 5 or two different people?

01:16:39 6 A. I would likely treat them as two different
01:16:42 7 people and send the letter to each person at each
01:16:48 8 individual address.

01:16:49 9 Q. Based on the different places of birth?

01:16:54 10 A. Well, based on that I don't have a whole lot
01:16:57 11 other information to go off of that they would be the
01:16:59 12 same person, unless you're saying in this hypothetical
01:17:02 13 question that they have the same social, same date of
01:17:05 14 birth, same name, but a different birthplace. I would
01:17:09 15 treat them as the same person. But if all the data is
01:17:13 16 different, I would treat them as individuals.

01:17:16 17 Q. Yeah, I'm imagining a situation where someone
01:17:20 18 just leaves their social off, because it's an optional
01:17:22 19 field and they may not want to give it for one reason or
01:17:27 20 another. Does that change your answer?

01:17:28 21 A. Same name, but different birthplace?

01:17:30 22 Q. (Nodded.)

01:17:31 23 A. Same date of birth?

01:17:32 24 Q. Yes, ma'am.

01:17:33 25 A. I would likely think they were the same person.

01:17:37 1 Q. I'm sorry, different -- you might have just
01:17:40 2 said the same place of birth. I'm saying the name's the
01:17:43 3 same, the birth date's the same, but the place of birth
01:17:46 4 is different.

01:17:49 5 A. I would still have reason to believe that's the
01:17:51 6 same person, and so I would reach out to the most recent
01:17:57 7 voter registration form and send a letter.

01:18:03 8 Q. And you would think it's the same -- what if
01:18:05 9 it's a common name, like Joe Smith?

01:18:10 10 A. And you said different addresses?

01:18:12 11 Q. Correct.

01:18:13 12 A. Okay. Different addresses, I would treat them
01:18:16 13 as individual voters, and I would send a letter to each
01:18:19 14 person at the address that they listed. If I found that
01:18:23 15 they were one and the same, then I would merge the
01:18:26 16 record.

01:18:27 17 Q. Okay.

01:18:29 18 MR. LANGHOFER: That's all the questions I
01:18:30 19 had for you. I really appreciate your time.

01:18:32 20 Any other questions on the defense
01:18:33 21 side?

01:18:39 22 Hearing none, Robbie, any more questions
01:18:41 23 on the plaintiff side?

01:18:43 24 MR. HEMSTREET: I have just one
01:18:44 25 question.

01:18:45 1 RE-EXAMINATION

01:18:45 2 BY MR. HEMSTREET:

01:18:48 3 Q. Regarding, Ms. Merriman, the fed only voters

01:18:50 4 that you know personally through church, do you know if

01:18:53 5 any of those individuals were born in the U.S.?

01:18:56 6 A. I believe they're born in the U.S. They have

01:18:59 7 church records that date back to -- like they date back

01:19:04 8 a ways. What they said is they just don't want to

01:19:07 9 change their driver's license.

01:19:09 10 Whether they're going to bring in their stuff

01:19:11 11 prior to the election? They might. Right now nobody's

01:19:14 12 really worried about it because there isn't an election

01:19:17 13 this year.

01:19:19 14 Q. Fair enough.

01:19:20 15 And from those church records, though, do you

01:19:21 16 have reason -- do the church records --

01:19:23 17 A. I'm sorry?

01:19:24 18 Q. I'm sorry. Do the church records indicate,

01:19:26 19 though, that they were born in the U.S.?

01:19:29 20 A. I believe they would. I don't know. I just

01:19:33 21 know these -- I know two people that recently voted, and

01:19:36 22 they're fed voters that have been here for a long time,

01:19:39 23 but they've maintained their out-of-state driver's

01:19:44 24 license.

01:19:44 25 MR. HEMSTREET: And, Alex, I saw you come

01:19:46 1 on. Do you have any other questions?

01:19:48 2 MR. ATKINS: Yeah, I just have a few
01:19:50 3 follow-up questions.

01:19:50 4

01:19:53 5 RE-EXAMINATION

01:19:53 6 BY MR. ATKINS:

01:19:54 7 Q. Ms. Merriman, can you just remind us all how
01:19:57 8 long you've worked in election administration in Graham
01:20:01 9 County?

01:20:01 10 A. Okay. So I started at the Graham County
01:20:04 11 Recorder's Office in February of 2016.

01:20:08 12 Q. Okay. And in your time working for the Graham
01:20:12 13 County Recorder's Office, have you ever encountered a
01:20:15 14 voter who renounced their citizenship?

01:20:18 15 A. No.

01:20:23 16 Q. Are you able to say approximately how often
01:20:26 17 applicants provide a birth certificate as DPOC?

01:20:35 18 A. Typically, not often, but we do get high school
01:20:39 19 voter registration forms from junior/senior students,
01:20:43 20 and the teacher will always have the student provide a
01:20:47 21 birth certificate, a copy of the birth certificate to
01:20:51 22 go along with the form, just so that we have that
01:20:55 23 information if it is necessary.

01:20:58 24 Q. Have you ever encountered the situation that
01:21:01 25 you discussed with Mr. Horley where someone submitted

01:21:05 1 their birth certificate but had changed their name?

01:21:11 2 A. I don't recall having anyone with a different
01:21:14 3 name than their birth certificate, no.

01:21:17 4 Q. So is it fair to say that you've never had to
01:21:19 5 use someone's place of birth to confirm the validity of
01:21:27 6 a birth certificate because of a name change?

01:21:30 7 A. No, I have not.

01:21:34 8 Q. Have you ever had to use place of birth to
01:21:39 9 confirm the validity of an applicant's passport?

01:21:44 10 A. No, I have not.

01:21:47 11 Q. Have you ever used place of birth to assist you
01:21:52 12 in canceling a registration of a voter being deceased?

01:21:58 13 A. No, I have not.

01:22:00 14 MR. ATKINS: Those are all the questions I
01:22:01 15 have. Really appreciate your time today. Thank you.

01:22:04 16 MR. LANGHOFER: I've got a couple
01:22:05 17 clarification points, unless there's more from the
01:22:06 18 plaintiffs.

01:22:12 19

01:22:12 20 RE-EXAMINATION

01:22:12 21 BY MR. LANGHOFER:

01:22:13 22 Q. So you said a moment ago you've not seen
01:22:15 23 someone submit a birth certificate as documentary proof
01:22:18 24 of citizenship where the birth certificate name was
01:22:22 25 different from their current name. Most women in Graham

01:22:25 1 County change their last name when they get married; is
01:22:27 2 that fair?

01:22:29 3 A. Pretty fair.

01:22:31 4 Q. And some percentage of women in Graham County
01:22:34 5 use their birth certificate as DPOC, right?

01:22:37 6 A. We don't typically have a lot of people that
01:22:40 7 provide a birth certificate for their DPOC.

01:22:43 8 Q. What do they provide?

01:22:46 9 A. A driver's license.

01:22:50 10 Q. And the driver's license, though, in getting
01:22:53 11 their driver's license they could have used their birth
01:22:56 12 certificate at the MVD?

01:23:01 13 A. I'm sorry, I guess I don't understand what
01:23:02 14 you're asking.

01:23:04 15 Q. So Arizona has for a long time required you to
01:23:06 16 prove citizenship or legal status in order to get a
01:23:09 17 driver's license. So you're saying people show their
01:23:13 18 driver's license to establish citizenship most of the
01:23:16 19 time in Graham County.

01:23:18 20 A. They will.

01:23:19 21 Q. But those driver's licenses could themselves
01:23:21 22 have been based on using a birth certificate to prove
01:23:26 23 citizenship?

01:23:27 24 MR. ATKINS: Objection, calls for
01:23:30 25 speculation.

01:23:30 1 THE WITNESS: I would imagine they had to
01:23:31 2 provide their birth certificate to get the Arizona
01:23:33 3 driver's license.

01:23:37 4 BY MR. LANGHOFER:

01:23:37 5 Q. I think you're -- you have not -- speaking of
01:23:40 6 your church records, you've not actually seen any church
01:23:42 7 records that show that these people that you expect are
01:23:44 8 citizens, you've not seen church records proving they're
01:23:47 9 citizens?

01:23:48 10 A. No, I have not, but they do have a
01:23:50 11 state-enhanced driver's license.

01:23:53 12 Q. Okay. From a different state?

01:23:55 13 A. Right.

01:23:58 14 Q. Have they -- have you seen their driver's
01:24:04 15 licenses?

01:24:04 16 A. One of them I've seen.

01:24:09 17 Q. So --

01:24:10 18 A. Not in my work capacity, but outside of my work
01:24:14 19 capacity.

01:24:16 20 Q. I see. So -- and where was that driver's
01:24:20 21 license issued?

01:24:23 22 MS. ROOF: That's not relevant.

01:24:23 23 THE WITNESS: Yeah, I mean --

01:24:26 24 MR. LANGHOFER: Well, I mean I'll explain
01:24:27 25 the relevance. I don't think I'm obligated to, but I

01:24:30 1 think I will.

01:24:33 2 MS. ROOF: I just want to be careful here
01:24:35 3 because I know that this transcript itself hasn't been
01:24:37 4 designated confidential, if we need to designate it in
01:24:39 5 this portion, but this is a small county with only 47
01:24:42 6 people, and I just -- I'm concerned that we're starting
01:24:44 7 to get into information that could disclose the identity
01:24:46 8 of a voter.

01:24:47 9 MR. LANGHOFER: That's fair. I'm not
01:24:48 10 going to ask any names. I'll explain the relevance. I
01:24:51 11 mean --

01:24:51 12 MS. ROOF: But I'm saying even without a
01:24:53 13 name, absent a name, if there's enough information
01:24:55 14 disclosed, I feel like we're to the point where we might
01:24:57 15 be able to ascertain specific voters, and that concerns
01:25:00 16 me.

01:25:01 17 BY MR. LANGHOFER:

01:25:01 18 Q. Okay. Let me ask the question a different way
01:25:03 19 that I think will avoid the sort of individual
01:25:06 20 identifications issue.

01:25:06 21 When you say enhanced driver's license, you
01:25:09 22 mean it's from a state that requires proof of
01:25:11 23 citizenship in order to get a driver's license,
01:25:13 24 correct?

01:25:13 25 A. So an enhanced has the actual stamp that says

01:25:17 1 "USA," which means that they had to verify citizenship
01:25:22 2 in order to acquire that. It's kind of like our travel
01:25:25 3 ID thing that we have to -- that we can do in Arizona.
01:25:31 4 So an enhanced driver's license is an acceptable form.
01:25:35 5 They can provide a copy of an enhanced driver's license
01:25:37 6 to become a full ballot voter.

01:25:40 7 Q. Okay. So it seems to you then this person
01:25:43 8 could prove that he or she is a citizen if he or she
01:25:46 9 wanted to?

01:25:46 10 A. Yes, if they want to.

01:25:49 11 Q. And your office has given this person the
01:25:51 12 option of getting a full ballot by proving
01:25:56 13 citizenship?

01:25:56 14 A. Yep. Yes, as we have all of them.

01:26:04 15 Q. Yeah, of course.

01:26:05 16 MR. LANGHOFER: That's all I've got.
01:26:07 17 Anything else from anyone?

01:26:10 18 Thank you, ma'am, for your time. I really
01:26:13 19 appreciate it.

01:26:14 20 I guess, Dan, do you want to take us off
01:26:16 21 the record.

01:26:16 22 THE VIDEOGRAPHER: You got it.

01:26:17 23 We are off the record. Time on the video
01:26:19 24 monitor is 1:26 p.m. This ends Volume 1, Media 2 in the

08:25:59 1 THE VIDEOGRAPHER: We are on the record.
08:26:00 2 The time on the video monitor is 8:25 a.m. Here begins
08:26:04 3 Volume 1, Media No. 1 in the 30(b)(6) deposition of
08:26:09 4 Arizona Secretary of State by Colleen Connor in the
08:26:13 5 matter of Mi Familia Vota, et al. versus Adrian Fontes
08:26:16 6 in his official capacity as Arizona Secretary of State,
08:26:19 7 et al., in the United States District Court, District of
08:26:23 8 Arizona, Case No. 2:22-cv-00509-SRB.

08:26:31 9 Today's date is September 7th, 2023. Our
08:26:34 10 court reporter is Jody Lenschow. My name is Christopher
08:26:37 11 Parkinson, certified legal videographer. We both
08:26:40 12 represent Coash Court Reporting & Video. This video
08:26:42 13 deposition is taking place at 40 North Central Avenue,
08:26:47 14 Suite 1800, Phoenix, Arizona, 85004.

08:26:50 15 Counsel, please identify yourselves and
08:26:52 16 state whom you represent.

08:26:53 17 MS. BRAILEY: Emily Brailey on behalf of
08:26:55 18 the United States.

08:26:58 19 MS. JHAVERI: Sejal Jhaveri on behalf of
08:26:58 20 the United States.

08:26:59 21 MR. DELLHEIM: Richard Dellheim for the
08:27:02 22 United States.

08:27:02 23 MS. LANG: Danielle Lang for the LUCHA
08:27:04 24 plaintiffs.

08:27:05 25 NIYATI SHAH: Niyati Shah for the Equity

08:27:06 1 Coalition plaintiffs.

08:27:07 2 MS. KANTER COHEN: Michelle Kanter Cohen
08:27:08 3 for Poder Latinx plaintiffs.

08:27:10 4 MR. HERRERA: Ernest Herrera for the
08:27:12 5 Promise Arizona plaintiffs.

08:27:13 6 MR. LANGHOFER: Kory Langhofer for the
08:27:15 7 RNC.

08:27:16 8 MR. MORGAN: Craig Morgan and Shayna
08:27:19 9 Stuart from Sherman & Howard on behalf of the Secretary
08:27:21 10 of State.

08:27:22 11 MR. LANGHOFER: And before we start I'd
08:27:24 12 like to put on the record the stipulation that an
08:27:28 13 objection by one will be an objection for all; is that
08:27:31 14 right, Emily?

08:27:31 15 MS. BRAILEY: Yes, we agree.

08:27:33 16 MR. LANGHOFER: And while we're at it, in
08:27:35 17 the interest of efficiency, I know there's been some
08:27:38 18 conversation before we went on the record about the --

08:27:38 19 MR. MORGAN: She can't hear you.

08:27:40 20 MR. LANGHOFER: -- about the length of
08:27:41 21 time that we'll go today, and the RNC objects to
08:27:44 22 extending the deposition beyond seven hours.

08:27:51 23 MS. BRAILEY: Good morning, Ms. Connor.

08:27:51 24 THE WITNESS: Good morning.

08:27:54 25 MR. WHITAKER: Well, sorry, everyone.

08:27:55 1 Hang on.

08:27:55 2 My appearance, Josh Whitaker for the
08:27:58 3 Arizona Attorney General.

08:27:59 4 And, Craig, I can hear you fine, but at
08:28:02 5 least some people, especially Kory, you're really far
08:28:05 6 away from a mike. I can barely detect that you're
08:28:09 7 talking at all.

08:28:12 8 MR. MORGAN: You know, the mike's right
08:28:13 9 there.

08:28:13 10 MS. BRAILEY: That doesn't work with that.

08:28:13 11 MR. MORGAN: Oh, that doesn't work with
08:28:15 12 that? Okay, got it. Yeah, Sorry, Josh. We'll work on
08:28:18 13 that.

08:28:19 14 MR. WHITAKER: Okay.

08:28:20 15 MS. PORTER: And, sorry, also, Hannah
08:28:21 16 Porter from Gallagher & Kennedy on behalf of Speaker
08:28:24 17 Toma and President Petersen.

08:28:30 18 MR. MORGAN: Anybody else entering
08:28:32 19 appearances on the line?

08:28:34 20 MS. FROST: Elisabeth Frost and Chris
08:28:36 21 Dodge for Mi Familia Vota plaintiffs.

08:28:39 22 MR. BABBITT: Christopher Babbitt for the
08:28:41 23 Arizona Democratic Party and the DNC.

08:28:51 24 THE VIDEOGRAPHER: Would the court
08:28:52 25 reporter please swear in the witness.

08:28:52 1 COLLEEN CONNOR,
08:28:52 2 called as a witness herein, having been first duly sworn
08:28:52 3 by the Certified Court Reporter to speak the truth and
08:28:52 4 nothing but the truth, was examined and testified as
08:29:00 5 follows:

08:29:00 6

08:29:00 7

EXAMINATION

08:29:00 8

BY MS. BRAILEY:

08:29:02 9

Q. Good morning, Ms. Connor. Please state your

08:29:04 10

full name for the record and please spell your last

08:29:06 11

name.

08:29:06 12

A. My full name is Mary Colleen Connor. Connor is

08:29:10 13

spelled C-O-N-N-O-R.

08:29:11 14

Q. And have you been deposed before?

08:29:12 15

A. Yes.

08:29:14 16

Q. Do you understand that the court reporter is

08:29:16 17

transcribing this deposition?

08:29:17 18

A. Yes.

08:29:18 19

Q. And to make the record clear and to help the

08:29:22 20

court reporter, I'm going to lay some ground rules.

08:29:24 21

Let's try to not speak over each other like we might in

08:29:27 22

a normal conversation. It just means I'd like you to

08:29:29 23

let me finish my question before you answer, and I'm

08:29:31 24

going to try my best to make sure you finish your answer

08:29:33 25

before I ask another question. Can we agree to that?

08:29:36 1 A. Yes.

08:29:38 2 Q. And for the same reason, do you agree to please
08:29:42 3 avoid answers like uh-huh, huh-uh, or shaking your head,
08:29:46 4 and answer yes or no for the record?

08:29:48 5 A. Yes.

08:29:48 6 Q. And do you understand that you're testifying
08:29:49 7 under oath today?

08:29:50 8 A. I do.

08:29:51 9 Q. Is there any reason that you cannot give full
08:29:53 10 and true testimony today?

08:29:54 11 A. No.

08:29:56 12 Q. Are you taking any medications or have any
08:29:58 13 conditions that might impact your memory today?

08:30:00 14 A. No.

08:30:01 15 Q. And I'm going to try to ask you whether you
08:30:03 16 need breaks, but if I fail to ask you in time and you
08:30:06 17 need a break, that's fine, we'll take a break. I just
08:30:09 18 would appreciate if you would answer my question before
08:30:13 19 we take the break. Can you agree to that?

08:30:14 20 A. Yes.

08:30:15 21 Q. And you may hear attorneys in the room,
08:30:18 22 including your own counsel, object after I ask
08:30:20 23 questions, but unless your attorney explicitly directs
08:30:24 24 you not to answer, go ahead and answer my question after
08:30:26 25 the objection. Does that work for you?

08:30:27 1 A. That works for me, yes.

08:30:29 2 Q. And can we also agree that unless I specify
08:30:31 3 otherwise, when I say you in a question, I'm referring
08:30:34 4 to the Office of the Secretary of State?

08:30:37 5 A. Uh-huh.

08:30:38 6 Q. And I'll note you nodded your head. I think
08:30:41 7 that's a yes?

08:30:41 8 A. Yes. Sorry. I've already broken the rule.

08:30:45 9 Q. No worries. It's good practice.

08:30:45 10 MR. MORGAN: We're okay with the
08:30:46 11 stipulation, as long as you'll stipulate that when she
08:30:47 12 answers a question, it's for the office and not on her
08:30:50 13 own personal behalf.

08:30:51 14 MS. BRAILEY: Absolutely, yeah.

08:30:52 15 MR. MORGAN: Okay, great.

08:30:53 16 BY MS. BRAILEY:

08:30:54 17 Q. And so you mentioned that you've been deposed
08:30:55 18 before. How many times have you been deposed?

08:30:58 19 A. Oh, less than five.

08:31:00 20 Q. Okay. And in what capacity were you deposed?

08:31:06 21 A. In this capacity as the state elections
08:31:09 22 director and, also, when I was the executive director of
08:31:13 23 the Citizens Clean Elections Commission.

08:31:16 24 Q. Do you remember which cases that was -- those
08:31:18 25 depositions were for?

08:31:19 1 A. Well, the most recent was for -- gosh, I don't
08:31:25 2 know the name of the case, but it had to do with
08:31:28 3 Arizona's early voting list.

08:31:30 4 MR. MORGAN: It's the other --

08:31:32 5 THE WITNESS: I think it's the other
08:31:33 6 Mi Familia case.

08:31:34 7 MR. MORGAN: The other Mi Familia case,
08:31:34 8 yeah.

08:31:35 9 BY MS. BRAILEY:

08:31:35 10 Q. And were there other cases as well?

08:31:36 11 A. There were. I don't know the names.

08:31:38 12 Q. Did you bring any materials with you to the
08:31:41 13 deposition today?

08:31:41 14 A. I just brought a notepad to doodle, otherwise I
08:31:48 15 will doodle on the exhibits.

08:31:54 16 Q. Great. And for the record, what are the
08:31:56 17 documents in front of you?

08:31:57 18 A. Oh. This is a copy of H.B. 2492 and this is a
08:32:00 19 copy of the memorandum of agreement between the U.S.
08:32:04 20 Citizenship and Immigration Services versus -- and
08:32:07 21 Maricopa County.

08:32:07 22 Q. Wonderful.

08:32:09 23 A. I can put them away, if you'd like.

08:32:11 24 Q. No, that's perfectly fine.

08:32:14 25 So let's get to know you a little bit. Can you

08:32:16 1 give me a brief summary of your educational background,
08:32:18 2 including any certifications that you've acquired for
08:32:20 3 your current position?

08:32:21 4 A. Sure. I graduated from college 1987. No, no,
08:32:29 5 I'm sorry, 1991. Graduated from law school in 1994 and
08:32:35 6 moved to Arizona, passed the bar, and have been a member
08:32:40 7 of the bar almost 30 years now.

08:32:45 8 Q. And tell us about your work history.

08:32:48 9 A. I worked at the Arizona Attorney General's
08:32:52 10 Office in the late '90s, and the Citizens Clean
08:32:58 11 Elections Act was passed via a voter-approved initiative
08:33:01 12 in the 1998 election, and in January of 2000 I was hired
08:33:05 13 as the executive director, and that was through -- I
08:33:08 14 worked there through July of 2005. And then I started
08:33:15 15 working at the Maricopa County Attorney's Office
08:33:19 16 August 1st of 2005, and worked there through January of
08:33:28 17 2020. And then from 2020 to December of 2022 I worked
08:33:38 18 briefly at the Pinal County Attorney's Office and then
08:33:42 19 at the Yavapai County Attorney's Office, and then I
08:33:45 20 started as the state elections director January 4th of
08:33:51 21 2023.

08:33:53 22 Q. And what were your roles while you were at
08:33:57 23 Maricopa County?

08:33:58 24 A. At Maricopa County I was a deputy county
08:34:02 25 attorney in the government advice group from 2005

08:34:07 1 through 2011. Bill Montgomery was elected County
08:34:14 2 Attorney in 2010, and then in 2011 I was promoted to be
08:34:18 3 the practice group leader at the government advice
08:34:22 4 practice group, and then I held that position until I
08:34:25 5 left.

08:34:26 6 Q. And what were your roles in Pinal and Yavapai
08:34:32 7 Counties?

08:34:32 8 A. I was deputy county attorney. I represented
08:34:37 9 the Board of Supervisors, the County Recorder, elections
08:34:41 10 department, also did a great deal of public health,
08:34:44 11 probably like most attorneys in that time frame, and
08:34:48 12 there's a free clinic in Yavapai County, a federally
08:34:54 13 qualified health clinic, and I did a lot of work for
08:34:56 14 them.

08:34:56 15 Q. And so you're currently the elections director
08:34:58 16 for the Arizona Secretary of State now?

08:35:00 17 A. That's correct.

08:35:01 18 Q. Describe that role a little bit more, what your
08:35:04 19 responsibilities are, just generally what this role
08:35:06 20 entails.

08:35:07 21 A. The state elections director reports to the
08:35:12 22 Assistant Secretary of State, Keely Varvel, who reports
08:35:15 23 to the Secretary of State, Adrian Fontes, and I oversee
08:35:23 24 the various divisions within the elections department
08:35:29 25 for the Secretary of State's Office, including voter

08:35:33 1 registration, the filing office, the compliance, also
08:35:40 2 called compliance, and enforcement for any late filings,
08:35:47 3 such as lobbyist filings or campaign finance.

08:35:50 4 Q. And how many people report to you?

08:35:54 5 A. I have two people that report directly to me,
08:35:58 6 and I think our department is approximately 20 people
08:36:04 7 all together.

08:36:06 8 Q. I'm going to mark as Exhibit 260, I believe
08:36:09 9 we're at 260, plaintiffs' notice of deposition. And
08:36:22 10 because we don't have the Dropbox in front of you yet,
08:36:25 11 I'm just going to hand you a paper copy for me.

08:36:25 12 A. Uh-huh.

08:36:28 13 Q. Have you seen this document?

08:36:30 14 A. Yes.

08:36:30 15 Q. Who provided it to you?

08:36:31 16 A. My attorney.

08:36:31 17 Q. And do you see the list of topics on Exhibit A?
08:36:34 18 It should be like Page 3 of the document, I believe.

08:36:42 19 A. Exhibit A, yes. Starting with "Definitions"?

08:36:44 20 Q. Uh-huh.

08:36:44 21 A. Yes, I see that.

08:36:45 22 Q. And did you review all of the definitions and
08:36:47 23 topics in Exhibit A?

08:36:48 24 A. Yes.

08:36:49 25 Q. Are you prepared to discuss all of the topics?

08:36:52 1 A. Yes.

08:36:54 2 MR. MORGAN: Well, with the exception of
08:36:55 3 those that we've designated Yolanda for.

08:36:58 4 MS. BRAILEY: Right.

08:36:58 5 BY MS. BRAILEY:

08:37:00 6 Q. Did you meet with anyone in your office to
08:37:01 7 prepare for today's deposition?

08:37:02 8 A. Yes.

08:37:03 9 Q. Who did you meet with?

08:37:05 10 A. I met with -- well, I've had numerous meetings.
08:37:10 11 I can't even count how many meetings. But with the
08:37:15 12 Secretary of State, the Assistant Secretary of State,
08:37:17 13 our general counsel; our outside counsel, Craig Morgan
08:37:21 14 and Shayna Stuart; also, members of the staff,
08:37:26 15 specifically the AVID team, which includes Yolanda
08:37:29 16 Morales, who will be testifying as well, Russ Smith, our
08:37:33 17 election technologies manager, Jason Fountain. I've
08:37:42 18 also met with -- I'm trying to think.

08:37:50 19 MR. MORGAN: Trevor?

08:37:55 20 THE WITNESS: There perhaps are other
08:37:57 21 people, and I was trying to think of it last night, and
08:37:59 22 I just -- so perhaps I will add on to that. But, yes,
08:38:02 23 I've met with many people about this.

08:38:04 24 BY MS. BRAILEY:

08:38:05 25 Q. Sure. For about how long were all of these

08:38:07 1 meetings each?

08:38:09 2 A. Well, yesterday's meeting was all day, but our
08:38:13 3 meetings can last usually two hours.

08:38:20 4 Q. How many times did you meet with your
08:38:23 5 attorneys?

08:38:24 6 A. I don't know.

08:38:26 7 Q. And was anybody else with you during those
08:38:29 8 meetings with the attorneys?

08:38:31 9 A. Other members of the staff, yes.

08:38:34 10 Q. Did you meet with anyone in the Governor's
08:38:36 11 Office?

08:38:36 12 A. Yes. That's who I met with also.

08:38:39 13 Q. Okay. And who did you meet with there?

08:38:40 14 A. I met with Bo Dul, general counsel to the
08:38:44 15 Governor; Kori Lorick, assistant general counsel; and
08:38:50 16 Christine Dyster, and her title is director of board
08:39:00 17 appointments, something to that effect.

08:39:02 18 Q. Did you meet with them all separately or this
08:39:04 19 was one big meeting?

08:39:05 20 A. I met with them all at the same time.

08:39:07 21 Q. And how long was that meeting?

08:39:08 22 A. A half an hour.

08:39:10 23 Q. Only the one time?

08:39:13 24 A. Our meeting, yes, was just the one time last
08:39:17 25 Thursday, but since the transition I have talked to them

periodically.

Q. But not about the deposition, just about the --

A. Not -- yes, correct. Yes, not specifically about the deposition.

Q. Right.

Did anyone else come to mind yet that you met with?

A. Not yet.

Q. Okay. Anybody in the AG's Office?

A. No.

Q. Okay. Any of the counties?

A. You know, it might have come up in passing --

Q. Okay.

A. -- as far as just scheduling purposes. I think that probably is the other category of meeting or talking to people about this, simply just for scheduling, letting people know where I am --

Q. Sure.

A. -- all of that.

Q. Did you review documents to prepare for today's deposition?

A. Yes, I did.

Q. What did you review?

A. I reviewed all of the documents listed in the notice of deposition.

08:40:24 1 Q. Did you do anything else to prepare for today?

08:40:27 2 A. Not that I can think of at this point.

08:40:29 3 Q. And, generally speaking, you understand why
08:40:32 4 you're here; you understand the purpose of your
08:40:35 5 deposition today?

08:40:35 6 A. Yes.

08:40:38 7 Q. Okay. I'm going to mark as Exhibit 261 the
08:40:45 8 Secretary of State's response to the Equity Coalition's
08:40:49 9 first set of production of documents.

08:40:55 10 For those following along on the Dropbox, I
08:40:59 11 believe this is -- it starts with a B.

08:41:05 12 MR. MORGAN: Madam Court Reporter, would
08:41:06 13 it be helpful to you if I write on a Post-It note the
08:41:14 14 numbers?

08:41:14 15 THE COURT REPORTER: I'm going to do it
08:41:15 16 digitally later.

08:41:17 17 MR. MORGAN: Okay, gotcha.

08:41:17 18 BY MS. BRAILEY:

08:41:17 19 Q. Have you seen this document before?

08:41:18 20 A. Yes.

08:41:18 21 Q. Can you describe just very briefly the steps
08:41:21 22 that the office took to respond to the requests?

08:41:23 23 A. The office did --

08:41:27 24 MR. MORGAN: If you know, given what
08:41:29 25 you're --

08:41:29 1 THE WITNESS: Yeah, to the extent that I
08:41:31 2 know --

08:41:31 3 MR. MORGAN: Yeah.

08:41:31 4 THE WITNESS: -- yeah, the office did
08:41:34 5 searches through the IT department for certain keywords
08:41:38 6 in response to the requests for production.

08:41:41 7 BY MS. BRAILEY:

08:41:41 8 Q. Were you involved in those searches?

08:41:44 9 A. No. This was under the former administration.

08:41:51 10 Q. Are there any additional documents that your
08:41:53 11 office plans to produce regarding these requests?

08:41:56 12 A. Not that I'm aware of.

08:41:58 13 Q. Okay. I'm going to mark as Exhibit 262 the
08:42:07 14 Secretary's response to the consolidated plaintiffs'
08:42:10 15 first set of interrogatories.

08:42:10 16 A. Okay.

08:42:13 17 Q. Same question. Have you seen this document
08:42:15 18 before?

08:42:17 19 A. Yes, I have.

08:42:19 20 Q. And can you describe briefly the steps that
08:42:22 21 your office took to respond to this document?

08:42:29 22 A. The office appears to have taken steps to make
08:42:49 23 certain objections, legal objections, to what is being
08:42:53 24 requested, as well as identifying certain individuals
08:43:02 25 with knowledge and explaining what is being disclosed.

08:43:10 1 Q. Were you involved in preparing the responses to
08:43:13 2 these interrogatories?

08:43:14 3 A. I personally was not.

08:43:15 4 Q. Okay. At the end of the document there's a
08:43:19 5 verification page, and it appears that it was signed by
08:43:22 6 Amy Chan; do you see that at the very end of the
08:43:26 7 document?

08:43:28 8 A. Yes, I do.

08:43:30 9 Q. Who is Amy Chan?

08:43:32 10 A. Amy Chan is the general counsel.

08:43:35 11 Q. Great.

08:43:36 12 And I'm going to mark as Exhibit 263 the
08:43:40 13 Secretary's response to the consolidated plaintiffs'
08:43:43 14 first request for production.

08:43:48 15 People following along, I believe that's D at
08:43:50 16 the beginning there.

08:43:51 17 Have you seen this document before?

08:43:52 18 A. Yes, I have.

08:43:55 19 Q. Were you involved in -- or, rather, strike
08:43:55 20 that.

08:43:58 21 Can you describe very briefly the steps the
08:44:00 22 office took to respond to these requests?

08:44:03 23 A. The office did certain word searches, inquiries
08:44:10 24 through the IT department at the Secretary of State's
08:44:15 25 Office, provided the information to our general counsel,

08:44:22 1 Amy Chan, as well as our outside counsel.

08:44:25 2 Q. Were you involved in the search for those
08:44:28 3 documents?

08:44:28 4 A. I was not personally involved.

08:44:30 5 Q. And are there any additional documents
08:44:32 6 that your office plans to produce regarding these
08:44:35 7 requests?

08:44:35 8 A. Not that I'm aware of.

08:44:41 9 Q. Okay. You can put that one away.

08:44:41 10 A. Okay.

08:44:43 11 Q. I'm going to mark as Exhibit 264 -- is that
08:44:47 12 where we're at, 264?

08:44:49 13 MR. MORGAN: Yes.

08:44:50 14 BY MS. BRAILEY:

08:44:50 15 Q. Okay, 264. And people following along, this is
08:44:55 16 E. It's called E, Secretary of State Org Chart on the
08:44:59 17 Dropbox.

08:44:59 18 I'm going to hand you the document.

08:45:05 19 Do you recognize this document?

08:45:06 20 A. Yes. It's an organizational chart for the
08:45:10 21 Secretary of State's Office.

08:45:10 22 Q. And this is for the fiscal year 2023?

08:45:14 23 A. I'm going to look through and --

08:45:16 24 Q. Yes, please. Take a minute, yes.

08:45:18 25 A. -- respond.

08:46:24 1 Okay, I've looked through the document and
08:46:51 2 I've -- just focusing on the page regarding election
08:46:56 3 services. So at this point, could you repeat your
08:46:58 4 question?

08:46:59 5 Q. Is this -- this is an accurate representation
08:47:04 6 of the organizational chart for fiscal year 2023 for the
08:47:06 7 office?

08:47:07 8 A. That's correct, with the exception that some of
08:47:11 9 the employees have changed.

08:47:12 10 Q. Okay. Let's talk about that. So you're on --
08:47:15 11 to be clear, you're on the page, I believe it's Page 14
08:47:18 12 of the document, and this is a representation of the
08:47:20 13 structure of your department, of the election services
08:47:24 14 department?

08:47:28 15 A. Yes.

08:47:30 16 Q. So tell me what is different now.

08:47:35 17 A. Okay. So as far as the two reports to me, the
08:47:38 18 information security officer is the same. The assistant
08:47:43 19 elections director is actually the -- we refer to that
08:47:47 20 position as the deputy elections director, and that's
08:47:49 21 since been filled by Lisa Marra.

08:47:54 22 And then on the -- below Lisa Marra, reporting
08:47:58 23 to her, Jesus Galvan, he has since left the office, and
08:48:04 24 the position for campaign finance supervisor is being
08:48:07 25 filled by Raven Padilla.

08:48:14 1 The next box, the vacant one for outreach
08:48:18 2 coordinator, the information in the parenthetical,
08:48:22 3 that's correct. That position's been moved to the
08:48:26 4 Assistant Secretary of State. Russ Smith, that's
08:48:32 5 correct. His direct report is Jason Fountain.

08:48:37 6 The next box, program coordinator, that
08:48:41 7 position is now called election filing manager, and
08:48:44 8 that's filled by Hope Olguin. Olguin is spelled
08:48:51 9 O-L-G-U-I-N. And so the three -- there are three
08:49:00 10 positions that report -- excuse me. There are now four
08:49:06 11 positions that report to the election filing manager.
08:49:10 12 We moved the campaign finance position to the election
08:49:15 13 filing manager position. And then since then the help
08:49:24 14 desk analyst, she has left, and that position has been
08:49:30 15 filled just within the last week or so, and I don't
08:49:38 16 recall the name of the person.

08:49:39 17 Q. That's no problem.

08:49:40 18 A. But Yolanda Morales is still a direct report to
08:49:49 19 Lisa Marra, but the fellow, Zoe Myers, has left; and
08:49:53 20 then Tanner Robinson is our customer service supervisor.
08:49:56 21 So otherwise correct.

08:49:57 22 Q. Great. Thank you. That's helpful.

08:49:59 23 Which responsibilities fall within your
08:50:02 24 department related to voting and elections?

08:50:08 25 A. Russ Smith and Yolanda Morales, as well as

08:50:16 1 Jason Fountain. So Russ Smith, his title has changed;
08:50:26 2 election information supervisor or something like that.
08:50:31 3 And Yolanda Morales, her title is senior policy advisor,
08:50:38 4 something to that effect.

08:50:42 5 Q. Okay. That's helpful. You can put that away
08:50:44 6 now.

08:50:44 7 A. Okay.

08:50:45 8 Q. So let's talk about the responsibilities as in
08:50:51 9 duties and what your division does related to voting and
08:50:57 10 elections.

08:50:58 11 A. Okay.

08:50:58 12 Q. Can you outline for me those responsibilities
08:51:00 13 and duties?

08:51:02 14 A. Yes. So the Secretary of State is charged as
08:51:06 15 the chief election officer to ensure the implementation
08:51:12 16 of the National Voter Registration Act, as well as any
08:51:15 17 other federal laws, such as the Help America Vote Act.

08:51:21 18 Likewise, the Secretary of State is the chief
08:51:24 19 election officer and oversees and coordinates with the
08:51:30 20 15 County Recorders, County Boards of Supervisors,
08:51:35 21 county elections department to implement Arizona's laws.

08:51:39 22 The Secretary of State also every two years is
08:51:42 23 charged with the duty of drafting an election procedures
08:51:46 24 manual to ensure impartiality, correctness and
08:51:52 25 uniformity of the implementation of Arizona's election

08:51:58 1 laws.

08:52:00 2 Q. And what are your specific responsibilities as
08:52:04 3 the elections director?

08:52:06 4 A. My specific responsibilities are to ensure the
08:52:12 5 Secretary of State's responsibilities are fulfilled,
08:52:15 6 that I keep the Secretary of State apprised of events,
08:52:21 7 as well as the Assistant Secretary of State. Also, to
08:52:25 8 hire capable people, qualified people to the various
08:52:36 9 positions within the office.

08:52:38 10 Many of the staff members that were previously
08:52:42 11 in the elections department have left and moved on to
08:52:45 12 other things. Most people went to the Governor's
08:52:50 13 Office. But there were other issues. There were many
08:52:53 14 individuals who were fellows or interns and their
08:52:56 15 position only lasted a year, so those positions. But
08:52:59 16 that's a big part of my position now, especially in the
08:53:02 17 first year, is to hire people.

08:53:06 18 Q. What do you mean by events when you say you
08:53:08 19 make sure that the Secretary is aware of events?

08:53:13 20 A. Oh, for example, the Secretary of State is
08:53:17 21 kept apprised of the schedule for drafting the
08:53:23 22 procedures manual. That has been a big chunk of my
08:53:26 23 position, and I established a calendar in February of
08:53:34 24 setting forth five different dates by which certain
08:53:39 25 chunks of the election procedures manual would be

08:53:44 1 completed to ensure we hit an August 1st date of an
08:53:49 2 initial draft being done and ready for publication to
08:53:56 3 allow for public comment.

08:53:59 4 The goal being the Secretary of State would
08:54:03 5 meet the October 1st statutory deadline to have a final
08:54:08 6 draft of the election procedures manual, also referred
08:54:12 7 to as the EPM, to submit to the Attorney General and the
08:54:15 8 Governor. So throughout that process I've kept the
08:54:19 9 Secretary of State and Assistant Secretary of State
08:54:22 10 apprised of how things are going.

08:54:26 11 Q. As part of your responsibilities, are you ever
08:54:27 12 asked to provide input on pending legislation?

08:54:34 13 A. I have been periodically. I don't --
08:54:40 14 unfortunately, with limited time, I don't recall
08:54:44 15 providing that much feedback.

08:54:48 16 Q. Uh-huh. And so are all of the registration and
08:54:50 17 election-related issues the responsibility of the
08:54:52 18 election services department?

08:54:54 19 MR. MORGAN: Form.

08:54:58 20 THE WITNESS: They are, generally.

08:55:01 21 I will add, though, the voter registration
08:55:06 22 database was created and is programmed by a third-party
08:55:13 23 vendor. Their name is INEXL, I-N-E-X-L. And so INEXL
08:55:23 24 and their representatives have a great deal of
08:55:27 25 involvement in that process as well.

08:55:30 1 BY MS. BRAILEY:

08:55:30 2 Q. But internal to the Secretary's Office the
08:55:34 3 voter registration and election-related issues fall
08:55:37 4 within your department?

08:55:39 5 A. Yes.

08:55:39 6 Q. And so there's no other department that has
08:55:42 7 those responsibilities?

08:55:43 8 A. That's correct.

08:55:44 9 Q. Okay. And so you mentioned for the EPM, as a
08:55:47 10 big part of your -- as a big part of your
08:55:49 11 responsibilities, that you have these lists of
08:55:52 12 deadlines; and so did you -- were you successful in
08:55:55 13 meeting your August 1st deadline?

08:55:56 14 A. Yes.

08:55:58 15 Q. And have you been successful in the other
08:56:01 16 deadlines that you've met? I'm sorry, that you laid
08:56:04 17 out?

08:56:05 18 A. Yes. I mean there were a few exceptions. Like
08:56:08 19 the 4th of July I think fell on a Tuesday.

08:56:11 20 Q. Uh-huh.

08:56:12 21 A. So I'll just -- generally, the deadlines were
08:56:15 22 established as follows, if you can indulge me.

08:56:18 23 Q. Sure.

08:56:18 24 A. So starting in March, the first Tuesday of the
08:56:21 25 month I would release a section, two, three chapters at

08:56:26 1 a time, and distribute that section, which I also called
08:56:33 2 parts, that first part to the counties, as well as,
08:56:40 3 frankly, cities, towns, other stakeholders, to the
08:56:44 4 Attorney General's Office, to the Governor's Office.

08:56:50 5 And then by the second Tuesday of each month
08:56:53 6 was the deadline I requested, and so it was kind of a
08:56:56 7 soft deadline, by which the county would have comments,
08:57:03 8 corrections, suggestions.

08:57:05 9 And then by the third Tuesday of each month we
08:57:08 10 would have a meeting with the county election officials,
08:57:13 11 which would include the elections directors, Boards of
08:57:17 12 Supervisors, as well as a few other individuals who
08:57:20 13 might be interested and stakeholders, such as the
08:57:23 14 Attorney General's Office or the Governor's Office.

08:57:25 15 So that was the -- that was the roadmap,
08:57:30 16 essentially, done in five different parts.

08:57:35 17 Q. Are you on track to deliver a draft to the AG
08:57:40 18 and the Governor by October 1st?

08:57:42 19 A. Yes.

08:57:45 20 Q. And do you plan to?

08:57:46 21 A. Yes.

08:57:46 22 Q. Okay. We'll speak about the EPM in a little
08:57:49 23 bit, so...

08:57:49 24 A. Okay.

08:57:50 25 Q. That's not all.

08:57:51 1 What is the BPC task force? I've seen in the
08:57:57 2 documents, in e-mails with you, that you've referenced
08:57:59 3 the BPC task force.

08:58:02 4 A. There's the bipartisan policy center. That's
08:58:06 5 not -- but that's a national policy group.

08:58:06 6 Q. Uh-huh.

08:58:10 7 A. And there could be another one, but I don't
08:58:13 8 know.

08:58:13 9 Q. Okay.

08:58:13 10 A. We deal with abbreviations a lot.

08:58:15 11 Q. Uh-huh.

08:58:16 12 A. So I'm not sure.

08:58:17 13 Q. Okay. So I'd like to speak about the Secretary
08:58:20 14 vis-à-vis the County Recorders now, just divisions of
08:58:23 15 responsibilities.

08:58:24 16 So does the Secretary of State interpret the
08:58:27 17 election laws for the state; is that the duty --

08:58:27 18 MR. WHITAKER: Calls for a legal
08:58:27 19 conclusion.

08:58:37 20 BY MS. BRAILEY:

08:58:37 21 Q. Is that the duty of the Secretary's Office?

08:58:41 22 MR. LANGHOFER: Same objection.

08:58:42 23 THE WITNESS: The Secretary of State
08:58:44 24 interprets elections laws, state election laws, but I
08:58:51 25 wouldn't characterize it as for the state, because, of

08:58:55 1 course, we have County Recorders, County Boards of
08:58:58 2 Supervisors, who are duly elected constitutional
08:59:02 3 officers, who are charged with their separate duties;
08:59:06 4 and, therefore, the Secretary of State cannot tell them
08:59:09 5 what to do.

08:59:14 6 BY MS. BRAILEY:

08:59:14 7 Q. So what if the Secretary has an interpretation
08:59:16 8 of an election law and the county has a different
08:59:21 9 interpretation and those interpretations conflict; what
08:59:25 10 should the county do in that situation?

08:59:29 11 MR. MORGAN: Calls for a legal conclusion.

08:59:32 12 BY MS. BRAILEY:

08:59:32 13 Q. And -- uh-huh.

08:59:35 14 A. Well, that has happened. Many election laws --
08:59:40 15 I mean you can't separate elections from politics. So
08:59:45 16 different counties might have a different interpretation
08:59:48 17 of how to implement or execute certain laws.

08:59:55 18 Nevertheless, the election procedures manual
09:00:00 19 does mandate that the Secretary of State establish
09:00:03 20 rules, in consultation with the county election
09:00:06 21 officials, that will provide a manual to the best degree
09:00:16 22 possible for correctness, uniformity, and impartiality.

09:00:20 23 So to the extent that the Secretary of State
09:00:24 24 has the statutory authority to include certain subjects
09:00:29 25 within the procedures manual, it is limited, to that

09:00:34 1 extent the Secretary of State does have a level of
09:00:38 2 control to establish what the interpretation is of
09:00:43 3 Arizona election laws.

09:00:45 4 Q. And so you mentioned that, you know, you, by
09:00:50 5 you obviously I mean the office, drafts the EPM in
09:00:54 6 consultation with the counties; and so are there times,
09:00:58 7 you know, despite the consultation with all the
09:01:00 8 counties, that you are aware that a county has a
09:01:03 9 different interpretation that conflicts with the EPM and
09:01:08 10 does not operate in the uniform way that the EPM might
09:01:13 11 mandate?

09:01:14 12 MR. MORGAN: Object to form.

09:01:19 13 THE WITNESS: If I can make sure I
09:01:21 14 understand your question, are you asking if the counties
09:01:25 15 during this consultation process have an interpretation
09:01:28 16 that conflicts with the Secretary of State's idea of
09:01:34 17 what should happen?

09:01:35 18 BY MS. BRAILEY:

09:01:35 19 Q. And what maybe ends up drafted into the EPM?

09:01:40 20 A. Well, with the consultation with the counties,
09:01:45 21 usually it's -- there are various interpretations. And
09:01:49 22 I'll cite just one very simple example, and, you know,
09:01:55 23 it's one of those items that for some reason, you know,
09:02:02 24 certain people blew it out of proportion, because it was
09:02:04 25 one comment by one county.

09:02:06 1 But, nevertheless, one of the specific duties
09:02:08 2 of the Secretary of State to include in the election
09:02:12 3 procedures manual are procedures related to early
09:02:16 4 voting. So during our very first discussion, because we
09:02:20 5 discussed the early voting chapter, we discussed also
09:02:24 6 the contents of -- content of the early ballot request
09:02:30 7 form, the written request form.

09:02:33 8 And one of the counties, and I can't remember
09:02:37 9 which county, suggested that the voter's date of birth
09:02:45 10 was not required on the early ballot request form. Many
09:02:49 11 counties disagreed. We all read through the sentence,
09:02:55 12 and, you know, it's one of those sentences where there
09:02:58 13 are commas and ands, and it, you know --

09:02:58 14 Q. Uh-huh.

09:03:01 15 A. -- had been amended over the years and it kind
09:03:04 16 of -- you could see how someone could read it to not
09:03:09 17 include the date of birth as a requirement. But I did
09:03:16 18 not and most of the counties did not.

09:03:17 19 So in the end we included the date of birth as
09:03:21 20 being a requirement for an early ballot request, a
09:03:25 21 written request. And that could be the active early
09:03:31 22 voting list request. Nevertheless, we're getting to the
09:03:34 23 same end.

09:03:34 24 Q. Yes.

09:03:35 25 A. There was just a difference of opinion about

09:03:37 1 whether the date of birth was required.

09:03:39 2 So things like that did happen periodically;

09:03:47 3 and, you know, in the end the Secretary of State has to

09:03:49 4 make the final judgment call.

09:03:51 5 Q. And what do you mean by that, the final

09:03:53 6 judgment call?

09:03:55 7 A. As far as what is going to be in the final

09:04:00 8 draft of the election procedures manual. And that issue

09:04:04 9 that I just --

09:04:04 10 Q. Uh-huh.

09:04:05 11 A. That example simply came down to what we

09:04:11 12 believe was the legal requirement.

09:04:14 13 Q. And so in the end the Secretary, if I'm

09:04:16 14 understanding this correctly, the Secretary interpreted

09:04:19 15 the statutory requirements for the early ballot form as

09:04:28 16 requiring a date of birth. The county disagreed. And

09:04:33 17 so in the end that ended up -- that requirement is in

09:04:38 18 the -- is in the EPM and requires counties to reject

09:04:44 19 forms that don't have the date of birth; is that the

09:04:48 20 correct understanding of the events?

09:04:50 21 A. Well, the way the section is written is the

09:04:55 22 minimum requirements, and, you know, and I'm

09:04:59 23 simplifying. I simplified it.

09:05:00 24 Q. Of course.

09:05:00 25 A. You know, because the county who suggested a

09:05:04 1 date of birth was optional, based on the way the
09:05:06 2 sentence was written in statute, it appeared that this
09:05:11 3 individual believed that other elements, even if date of
09:05:16 4 birth wasn't required, if there were sufficient number
09:05:18 5 of other elements included that clearly identified this
09:05:22 6 was the voter, even if the voter had omitted the date of
09:05:27 7 birth, we would still be able to identify the voter.

09:05:31 8 And then we also agreed on the other elements
09:05:35 9 that had to be included in the early ballot request, but
09:05:38 10 in the end the Secretary of State decided the date of
09:05:45 11 birth had to be included.

09:05:47 12 Q. And so earlier when we were discussing the
09:05:50 13 responsibilities of interpreting election statutes in
09:05:54 14 Arizona, as split between the Secretary has its
09:05:59 15 interpretations and the counties have their own, in a
09:06:01 16 situation like this where one county might disagree with
09:06:05 17 an interpretation on the vote by mail form and then it
09:06:10 18 ends up in the EPM, is that county permitted to still
09:06:16 19 form their own interpretation that might differ from the
09:06:19 20 EPM?

09:06:22 21 MR. LANGHOFER: Calls for a legal
09:06:24 22 conclusion.

09:06:26 23 MR. WHITAKER: Calls for a legal
09:06:29 24 conclusion.

09:06:29 25 THE WITNESS: The county -- okay, so for

09:06:31 1 early voting it's the County Recorder that's
09:06:33 2 specifically charged with the duty to undertake early
09:06:38 3 voting, and a County Recorder could have a different,
09:06:44 4 you know, determination or come to a different legal
09:06:47 5 conclusion.
09:06:48 6 Nevertheless, they're required to follow
09:06:50 7 the election procedures manual, and because it has the
09:06:54 8 force and effect of law, and failure to do so could be
09:06:58 9 punished as a Class 2 misdemeanor.

09:07:07 10 BY MS. BRAILEY:

09:07:07 11 Q. And so who in the office specifically actually
09:07:11 12 develops the guidance with the counties, you know, who
09:07:14 13 from -- I guess who from the office is in the meetings
09:07:17 14 when you're developing the guidance for the EPM?

09:07:22 15 A. From my office in the meetings I was present,
09:07:26 16 as well as the AVID team, so Russ Smith, Yolanda
09:07:32 17 Morales, and Jason Fountain. I believe almost all the
09:07:35 18 meetings, unless they were on vacation or something.

09:07:39 19 I think -- there were other members of the
09:07:41 20 staff that joined. I remember Angie Cloutier, she's the
09:07:45 21 security advisor, she was present at one, Lisa Marra,
09:07:53 22 Amy Chan, Hope Olguin. You know, it depended on the
09:07:59 23 content.

09:08:03 24 And, actually, going back to the very first
09:08:05 25 meeting, Secretary Fontes and Assistant Secretary Keely

09:08:11 1 Varvel attended, but remotely, for the very first part
09:08:16 2 of the meeting.

09:08:17 3 Q. Understood.

09:08:19 4 Is there a role for the Attorney General or the
09:08:23 5 Governor in developing the EPM?

09:08:30 6 A. Well, this is a hard answer -- hard question to
09:08:34 7 answer. I think in a normal situation any other year
09:08:41 8 the answer would be a definitive yes, but in this past
09:08:46 9 year the answer was -- is no. The legislature
09:08:53 10 prohibited the Attorney General from giving any legal
09:08:57 11 advice to the Secretary of State through June 30th of
09:09:04 12 2023.

09:09:06 13 So our interactions with the Attorney General
09:09:11 14 have been very limited, and we are prohibited from
09:09:18 15 spending money on outside counsel, and we also -- the
09:09:25 16 Secretary of State's Office was limited to having one
09:09:35 17 in-house attorney. So our -- to a great extent, our
09:09:42 18 hands have been tied. And to the extent that there has
09:09:46 19 been criticism, we have been severely restricted on how
09:09:54 20 much legal advice and from whom we can get that legal
09:09:58 21 advice, and it's been very, very difficult.

09:10:01 22 Q. So what did the situation look like before with
09:10:05 23 the Attorney General in the process of developing the
09:10:07 24 EPM?

09:10:09 25 A. Well, before, there would be discussions with

09:10:13 1 the Attorney General, whoever was assigned to represent
09:10:16 2 the Attorney General, and I think in recent years it's
09:10:21 3 been someone from the Solicitor General's Office. And
09:10:28 4 there would -- through any attorney-client dynamic there
09:10:31 5 could be interactions, especially with new legislation,
09:10:33 6 such as the legislation we're going to talk about today.

09:10:37 7 Q. Uh-huh. Is there a role for the Governor in
09:10:39 8 the drafting process of the EPM?

09:10:47 9 A. I'm not sure if there has traditionally been a
09:10:51 10 role. However, this year I have provided -- you know, I
09:11:01 11 have included them on the distribution list, so...

09:11:03 12 Q. Uh-huh.

09:11:04 13 A. Although, we kind of got off to a rocky start
09:11:08 14 as far as compiling the distribution list,
09:11:12 15 because through a hundred percent fault of my own, I
09:11:16 16 established these deadlines myself, so in meeting the
09:11:19 17 deadlines, I was -- it was very, very hard. And,
09:11:25 18 unfortunately, the very first meeting, that very first
09:11:28 19 Tuesday, I did not release the initial draft until just
09:11:35 20 before the meeting, maybe a day or two before the
09:11:38 21 meeting, so -- but, nevertheless, I digress.

09:11:44 22 The Governor's Office has been included in the
09:11:47 23 distribution list, and I know representatives from the
09:11:53 24 Governor's Office have attended some of those meetings
09:11:55 25 with the counties.

09:11:56 1 Q. And have they commented or added their own
09:12:01 2 insight into how the new draft of the EPM should look?

09:12:09 3 A. The Governor's Office has not, as far as I can
09:12:12 4 recall, weighed in or provided any comments during that
09:12:17 5 five-month period. But to the extent that periodically
09:12:23 6 I might have called or texted -- not texted. Probably
09:12:28 7 called somebody from the Governor's Office with a
09:12:31 8 question. But I can't specifically recall any item
09:12:40 9 about the EPM. There have been other issues, but not
09:12:43 10 the EPM.

09:12:43 11 Q. Uh-huh.

09:12:44 12 A. So, for example, I know today we're going to
09:12:47 13 talk about the first three draft VRAC papers, and I did
09:12:54 14 call Kori Lorick to discuss those papers.

09:13:00 15 Q. Got it.

09:13:03 16 And so just to make sure I understood correctly
09:13:07 17 then, so the Governor's Office hasn't quite -- it
09:13:10 18 doesn't seem that they've weighed in, even though
09:13:13 19 they're on the distribution list, but you've had calls.
09:13:16 20 And was your testimony that those calls were not
09:13:20 21 directly about the EPM drafting, they were about other
09:13:22 22 issues, or were any of those calls directly about EPM
09:13:29 23 drafting or issues within the 2023 draft EPM?

09:13:34 24 A. There -- okay. There was one call specifically
09:13:37 25 about the EPM, and there have -- there have been many

09:13:43 1 calls. So I specifically recall only one discussion,
09:13:48 2 you know, aside from the VRAC paper, to the extent that
09:13:51 3 it's included in the EPM.

09:13:52 4 The one call dealt with a sentence in the voter
09:13:57 5 registration chapter, which the 2021 draft submission
09:14:03 6 had referred to the five-year archive period of
09:14:10 7 incomplete voter registration forms. So an incomplete
09:14:16 8 voter registration form is kept in suspense for five
09:14:21 9 years.

09:14:22 10 And I called Christine Dyster, who was the
09:14:26 11 deputy elections director under the Hobbs administration
09:14:29 12 and shortly under the Fontes administration, and I asked
09:14:33 13 her some historical, you know, the historical
09:14:38 14 perspective; was that kept in to allow a voter or an
09:14:46 15 applicant to use that original incomplete voter
09:14:52 16 registration form to supply the additional information
09:14:54 17 that was needed through that -- throughout that
09:14:57 18 five-year period, or was there some other reason.

09:15:05 19 And she really wasn't exactly sure. You know,
09:15:11 20 understandably, you know, it had been years since the
09:15:14 21 2021 submission. And she said she thought it was to the
09:15:20 22 degree that it would be most advantageous or helpful to
09:15:24 23 voters to have that. She thought that was probably the
09:15:30 24 reason. But something to that effect.

09:15:32 25 Q. I understand.

09:15:33 1 A. But I took it out.

09:15:38 2 Q. And so what is the process for approval of the
09:15:42 3 EPM when we get to October 1st, what's the process?

09:15:46 4 A. And if you don't mind if I just add a little
09:15:50 5 additional information?

09:15:50 6 Q. Please. Please do.

09:15:51 7 A. So to the last question, that five-year archive
09:15:54 8 period of the five -- of the incomplete voter
09:15:58 9 registration form, I took it out following the meeting
09:16:01 10 with the counties.

09:16:04 11 The County Recorders preferred to have language
09:16:09 12 in the EPM that said the incomplete voter registration
09:16:13 13 form shall be retained in suspense until the most -- you
09:16:22 14 know, next general election period, and then it would
09:16:27 15 effectively be archived and not revived if a voter later
09:16:32 16 wanted to supplement the information.

09:16:34 17 Q. Right.

09:16:35 18 A. So because of the preference of the County
09:16:38 19 Recorders --

09:16:38 20 Q. Right.

09:16:38 21 A. -- that five-year archive period was removed.

09:16:43 22 Q. I understand.

09:16:45 23 A. Okay. And so --

09:16:45 24 Q. Thank you for that.

09:16:46 25 A. And, I'm sorry, you asked the next question.

09:16:50 1 Q. Just what is the process for approval of the
09:16:52 2 EPM?

09:16:57 3 MR. LANGHOFER: Calls for a legal
09:17:01 4 conclusion.

09:17:03 5 THE WITNESS: The election procedures
09:17:04 6 manual has to be drafted in consultation with the county
09:17:08 7 election officials and, by October 1st, submitted to the
09:17:12 8 Attorney General and Governor's Office for approval; and
09:17:18 9 that approval shall be issued by December 31st of this
09:17:24 10 year.

09:17:27 11 BY MS. BRAILEY:

09:17:27 12 Q. And so there's no other interaction once you
09:17:29 13 submit the EPM; it's out of your hands; you just wait to
09:17:33 14 find out if the AG and the Governor will approve the
09:17:37 15 final?

09:17:38 16 A. There's no statutorily required interaction. I
09:17:44 17 hope, I really do, I really hope if there are issues,
09:17:47 18 that we -- and I anticipate there will be. I mean I
09:17:51 19 think we all want to have a new EPM. And I hate to make
09:17:57 20 an assumption, but I think anyone that, you know, knows
09:18:01 21 what's in the 2019 EPM and what's in the draft 2023 EPM
09:18:06 22 and what's best for election administrators, especially
09:18:10 23 the high turnover of election administrators, I think
09:18:13 24 it's in everyone's best interest to have an updated
09:18:18 25 election procedures manual.

09:18:19 1 So I think everyone involved, so the Secretary
09:18:25 2 of State, the Attorney General, and the Governor's
09:18:29 3 Office, in good faith want an updated EPM. And I'm
09:18:35 4 emphasizing that simply because of what happened two
09:18:38 5 years ago. There was the politics involved and the EPM
09:18:43 6 was not approved. I want to do everything within my
09:18:46 7 power and control to make sure that does not happen.

09:18:51 8 So hopefully if there is some issue, some
09:18:53 9 obstacle, some discussion that's needed, I really hope
09:18:59 10 that we can have that discussion and work through any
09:19:03 11 problem.

09:19:03 12 Q. Are you aware of about whether during the 2021
09:19:08 13 cycle of drafting the EPM, aside from political issues,
09:19:14 14 if there were open communications about substantive
09:19:19 15 issues that the AG or the Governor had about the EPM?

09:19:30 16 A. Generally, it was not a relationship where
09:19:38 17 there was open dialogue and discussion. There was a
09:19:42 18 very tense relationship. And I know that there was a
09:19:49 19 response provided by the Attorney General's Office in
09:19:54 20 December at some point that essentially stated that the
09:20:04 21 EPM would only be approved by the Attorney General if
09:20:07 22 certain demands were met. And so long story short,
09:20:12 23 there was no EPM.

09:20:13 24 Q. Right. Right.

09:20:17 25 Okay. I'm going to mark as Exhibit 265 this

09:20:25 1 document, which says that it is the 2019 EPM-Annotated
09:20:29 2 (2022) document. You do not need to review that large
09:20:36 3 stack of papers right now.

09:20:36 4 A. Okay.

09:20:37 5 Q. For everyone following online, this should be F
09:20:43 6 with the numbers 288763.

09:20:47 7 What is the annotated version?

09:21:05 8 A. My understanding is that the Secretary of
09:21:11 9 State, because there was no new election procedures
09:21:15 10 manual, wanted to make sure there was information
09:21:19 11 provided to the counties that to help guide them and
09:21:25 12 to help establish some sort of uniformity, clarity,
09:21:28 13 correctness. And so the 2021 EPM, which was not
09:21:38 14 approved, there was this draft guidance document
09:21:45 15 provided to the counties.

09:21:49 16 Q. To your knowledge, are there any material
09:21:51 17 differences between the annotated version of the 2019
09:21:54 18 EPM and the -- I guess can we call it the regular
09:21:58 19 version of the 2019 EPM?

09:22:02 20 A. Okay, I'll premise this by saying, personally,
09:22:05 21 this is the first time I've ever seen this document.

09:22:07 22 Q. Got it. Okay.

09:22:08 23 A. I've heard of it.

09:22:09 24 Q. I understand.

09:22:10 25 A. And then in my capacity, during this time frame

09:22:13 1 I was a deputy county attorney --

09:22:16 2 Q. Right.

09:22:16 3 A. -- I had no reason to look at it. So I have
09:22:20 4 not compared this document to the 2019 EPM.

09:22:24 5 Q. I understand.

09:22:27 6 So with that in mind, based on your knowledge,
09:22:30 7 do you know why some counties would use the annotated
09:22:33 8 version and some counties would not?

09:22:36 9 A. I don't know.

09:22:38 10 Q. Okay. Do you know if -- so just so I
09:22:48 11 understand your testimony correctly, the -- you were
09:22:51 12 aware that so the Secretary wanted some kind of updated
09:22:55 13 version for the counties, and so that's why the
09:22:57 14 annotated version exists; is that correct?

09:22:59 15 A. That's my understanding, yes. I was not with
09:23:02 16 the Secretary of State's Office at the time, but that's
09:23:03 17 to the best of my knowledge.

09:23:05 18 Q. Uh-huh. So at this period in time, you were at
09:23:07 19 Maricopa still?

09:23:08 20 A. In 2022 --

09:23:10 21 Q. No, you were --

09:23:10 22 A. -- I worked at Yavapai County.

09:23:13 23 Q. You were at Yavapai County.

09:23:16 24 And so you heard about the annotated version at
09:23:18 25 Yavapai County?

09:23:21 1 A. I don't know. I just don't remember. You
09:23:24 2 know, I --

09:23:24 3 Q. Uh-huh.

09:23:25 4 A. Just so that we understand the dynamic, there's
09:23:28 5 a civil deputy county attorneys group that met
09:23:32 6 quarterly. We also had many conversations, and perhaps
09:23:39 7 through the civil deputies group, because I was very
09:23:42 8 active in that, I think that's a more likely way that I
09:23:49 9 learned of this.

09:23:50 10 Q. I see. That's helpful.

09:23:54 11 One more sort of technical question about the
09:23:59 12 draft 2023 EPM. I noticed that a lot of the different
09:24:06 13 drafts, the file names have different version numbers,
09:24:09 14 but they all sort of seem to repeat over time within the
09:24:13 15 office. So I see Version 512, Version 1024,
09:24:18 16 Version 2048.

09:24:19 17 Are these like identification numbers or
09:24:23 18 document organization numbers, or do you know what these
09:24:27 19 different version numbers mean and why they repeat?

09:24:30 20 A. I'm sorry, I have no -- are you talking about
09:24:31 21 the electronic file number?

09:24:33 22 Q. Yeah. Uh-huh, I am. I'm just wondering if you
09:24:37 23 know.

09:24:37 24 A. I don't know, but if it was -- if it was my
09:24:40 25 file, I identify documents almost a hundred percent of

09:24:48 1 the time I provide a date.

09:24:52 2 Q. Uh-huh.

09:24:53 3 A. So perhaps it's a date. But if it was provided
09:24:58 4 pursuant to disclosure, there could have been some other
09:25:01 5 system used.

09:25:05 6 Q. All right. Okay. So as we speak about the
09:25:08 7 2023 draft EPM, can you tell me about -- you know, we
09:25:17 8 went over some of these questions with sort of process
09:25:19 9 in the drafting, but can you tell me about any specific
09:25:22 10 discussions there have been with the AG on this draft?

09:25:27 11 MR. MORGAN: One second.

09:25:28 12 MR. LANGHOFER: Object to the extent it
09:25:29 13 calls for legal advice.

09:25:31 14 MR. MORGAN: Yeah, I was thinking about
09:25:32 15 whether to make that objection, so...

09:25:34 16 BY MS. BRAILEY:

09:25:34 17 Q. Without telling me any privileged information.

09:25:37 18 MR. MORGAN: Now I don't need to.

09:25:41 19 THE WITNESS: I'm not aware of any
09:25:43 20 discussion with the Attorney General.

09:25:45 21 BY MS. BRAILEY:

09:25:45 22 Q. Okay. And how about with the Governor's
09:25:47 23 Office?

09:25:47 24 A. About the 2023 draft?

09:25:49 25 Q. Uh-huh.

09:25:52 1 A. I had a meeting with the Governor's Office last
09:25:55 2 Thursday for a half hour.

09:25:55 3 Q. Uh-huh.

09:26:00 4 A. And that -- for the -- actually, that was more
09:26:02 5 in anticipation of this deposition.

09:26:05 6 Q. Right.

09:26:08 7 A. And there could have been something discussed
09:26:10 8 about the EPM, but that really wasn't the intent of the
09:26:13 9 meeting.

09:26:14 10 Q. Okay. And based on what you've told me about
09:26:18 11 just the normal drafting process, my understanding then
09:26:20 12 is that you would have had lots of discussions with the
09:26:23 13 counties already regarding the draft EPM?

09:26:25 14 A. Yes. And those discussions, I will say, those
09:26:29 15 discussions happened the third Tuesday of each month;
09:26:34 16 but there were frequent discussions essentially
09:26:39 17 one-on-one either with me or some other person in my
09:26:45 18 office with the counties, because we're dealing with
09:26:48 19 15 different counties, 15 different elections directors
09:26:52 20 or County Recorders.

09:26:55 21 So I know sometimes those meetings -- those big
09:26:58 22 meetings, you know, there were more than a hundred
09:27:00 23 people on the invitation list and there were -- I think
09:27:03 24 the smallest turnout was -- you know, on any of the
09:27:07 25 meetings was about 50 people. So there were a large

09:27:10 1 number of people on those calls, and I can see that
09:27:14 2 having somewhat of a chilling effect, especially the
09:27:19 3 newer people to elections.

09:27:20 4 Q. Yeah.

09:27:21 5 A. We have, I think, had 12 in the last two years,
09:27:25 6 12 new recorders, chief deputy recorders, or elections
09:27:30 7 directors. And fortunately, you know, we have a lot of
09:27:35 8 people with experience, and some of the people that have
09:27:39 9 been around for many years tended to contribute more,
09:27:43 10 and then a lot of other people did not really talk
09:27:48 11 during those calls; but we reached out and talked
09:27:52 12 one-on-one with those counties, even met with them in
09:27:58 13 person.

09:28:00 14 We, we meaning the Secretary of State, Deputy
09:28:04 15 Elections Director Lisa Marra and I, have been to 13 of
09:28:08 16 the 15 counties personally and visited their Recorders,
09:28:13 17 Boards of Supervisors, elections directors, and
09:28:16 18 sometimes those discussions happen during those visits.

09:28:19 19 And I will say the only reason we haven't been
09:28:21 20 to the other two counties is because we had scheduled
09:28:27 21 it, but the airplane, state airplane, had mechanical
09:28:31 22 problems, so it was canceled at the last minute. And,
09:28:36 23 unfortunately, the logistics of setting that up, we just
09:28:40 24 have not been able to get to those two counties. But
09:28:43 25 it's not for any sleight to the counties. I really -- I

09:28:46 1 really hope we get to them soon.

09:28:48 2 Q. And so all these additional discussions, you
09:28:51 3 know, outside of the meetings, are they memorialized in
09:28:54 4 some way?

09:28:56 5 A. No. I have a good memory.

09:29:04 6 Q. Clearly.

09:29:07 7 And so the 2023 draft EPM was posted for public
09:29:12 8 comment, right?

09:29:12 9 A. Yes, that's correct.

09:29:13 10 Q. And you received several public comments,
09:29:17 11 right?

09:29:17 12 A. We received well over 600 comments.

09:29:22 13 Q. Uh-huh. And have you incorporated or updated
09:29:24 14 the draft based on those comments?

09:29:28 15 A. The EPM draft is a work-in-progress, and I am
09:29:34 16 looking at every single comment, and it's -- actually,
09:29:38 17 it's been very helpful.

09:29:40 18 And, Mr. Langhofer, I appreciate all the
09:29:43 19 comments you've provided, and everyone else. There were
09:29:46 20 some very helpful, you know, thoughtful comments. You
09:29:51 21 know, there were, I don't know, anywhere between 20,
09:29:55 22 25 percent of the comments were copy/paste, you know,
09:30:00 23 comments, maybe not so helpful.

09:30:01 24 Q. Uh-huh. Right.

09:30:04 25 A. But there were some very helpful, thoughtful

09:30:07 1 comments, and I greatly appreciate it because, by and
09:30:10 2 large, sometimes I felt like I was the only one looking
09:30:12 3 at it, other than, you know, the counties.

09:30:15 4 Q. Right.

09:30:16 5 A. So I really -- and, of course, the people in my
09:30:19 6 office. But it really was helpful.

09:30:24 7 Statutorily the Secretary of State was not
09:30:27 8 required to do a public comment period, and the former
09:30:30 9 administration, the Hobbs administration, had a
09:30:34 10 brilliant idea coming up with the public comment period.

09:30:37 11 Their public comment period was 30 days, so we
09:30:40 12 got some criticism on that, but I didn't know how to do
09:30:43 13 a 30-day public comment period and possibly get all the
09:30:46 14 work done by the October 1st deadline. So we had a
09:30:50 15 two-week public comment period and received, like I
09:30:54 16 said, hundreds of comments.

09:30:58 17 Q. Do you -- if plaintiffs succeed in this lawsuit
09:31:05 18 and there are portions of the draft EPM that require
09:31:12 19 updating or editing, would there -- in that scenario,
09:31:17 20 would there be another public comment period if a new
09:31:20 21 version of the draft came out?

09:31:22 22 MR. MORGAN: Objection to the extent it
09:31:23 23 calls for a legal conclusion and speculation.

09:31:28 24 THE WITNESS: Could you repeat the
09:31:29 25 question, please?

09:31:30 1 BY MS. BRAILEY:

09:31:30 2 Q. Sure, and I will rephrase.

09:31:34 3 Actually, we'll come back to that another --
09:31:37 4 later.

09:31:38 5 Just very briefly and just generally, can you
09:31:41 6 describe the updates, the sort of major updates that
09:31:45 7 were made to the 2023 EPM?

09:31:52 8 MR. MORGAN: Form.

09:31:53 9 THE WITNESS: Well, okay, I will -- I'll
09:31:56 10 start with one of the major updates due to case law --

09:31:56 11 BY MS. BRAILEY:

09:31:56 12 Q. Uh-huh.

09:32:03 13 A. -- that has happened since the 2019 EPM was
09:32:09 14 issued.

09:32:10 15 So prior to the 2019 EPM the last one was
09:32:15 16 published in 2014. So there was a great deal to update.

09:32:18 17 Q. Right.

09:32:19 18 A. So included in the 2019 -- it was very
09:32:24 19 thorough, very comprehensive. There have been two or
09:32:28 20 three Supreme Court decisions addressing the issue of
09:32:32 21 whether statutorily certain subjects could be included
09:32:36 22 or should be included and to the degree that those
09:32:42 23 topics were mandatory that the counties follow those
09:32:48 24 requirements in the EPM or were they more of guidance to
09:32:54 25 the counties.

09:32:57 1 For example, in the McKenna v. Soto case, that
09:33:01 2 dealt with whether a nomination -- candidate nomination
09:33:04 3 petition signature was acceptable or not, and one of the
09:33:07 4 arguments in the case was based on the Secretary of
09:33:12 5 State's 2019 EPM, the signature was acceptable or not.
09:33:16 6 I don't recall.

09:33:18 7 But the Supreme Court and the gist of their,
09:33:23 8 you know, holding was the -- statutorily 16 ARS -- I'm
09:33:30 9 sorry, ARS 16-452 does not include candidate nomination
09:33:35 10 petition challenges as one of the areas to be included;
09:33:39 11 and, therefore, that chapter dedicated to nomination
09:33:44 12 petition challenges was more of a guidance to litigants,
09:33:49 13 candidates.

09:33:52 14 For that reason Secretary Fontes requested that
09:33:56 15 I remove those chapters. So the candidate nomination
09:34:01 16 petition challenge chapter was removed. It will be
09:34:04 17 published in a separate guidance document. As well as
09:34:08 18 the chapter regarding new political party recognition.
09:34:12 19 There was not statutory authority to keep that in, and
09:34:16 20 there will be a separate document.

09:34:18 21 And I should add, the separate documents are
09:34:22 22 guidance documents, but they're still very helpful; and
09:34:27 23 on a positive note, they can also be updated more
09:34:30 24 frequently than every two years, as needed.

09:34:34 25 Q. What are those guidance documents called?

09:34:37 1 A. Guide -- they don't have a name yet.

09:34:37 2 Q. Oh. Got it.

09:34:39 3 A. I know. We've been talking about names, but we
09:34:40 4 don't have a name.

09:34:41 5 Q. And where are they located?

09:34:43 6 A. Currently, we haven't finalized those
09:34:49 7 documents, and the best reference as far -- if someone's
09:34:53 8 looking for what will be included, is what was in the
09:34:57 9 2021 submission.

09:34:58 10 Q. Got it.

09:35:00 11 Do you know how those guidance documents will
09:35:02 12 be distributed?

09:35:06 13 A. They'll likely be posted on our website and
09:35:12 14 available on the website, but not distributed in
09:35:15 15 traditional sense of a paper copy.

09:35:18 16 Q. Sure.

09:35:22 17 A. If I can elaborate on that, because Secretary
09:35:24 18 Fontes has made a point.

09:35:26 19 Q. Yes, please.

09:35:26 20 A. So internally just a couple of weeks ago the
09:35:30 21 next step is to have more of a public-facing document.
09:35:37 22 And so this is -- the EPM is for election
09:35:42 23 administrators. The next guidance document or
09:35:45 24 publication will be more of a public-facing document to
09:35:49 25 help members of the public understand how elections

09:35:54 1 work.

09:35:54 2 Q. I understand.

09:35:55 3 A. Without getting into so much of the, you know,
09:35:57 4 footnotes and legalese.

09:36:00 5 Q. Uh-huh.

09:36:01 6 A. But, likewise, we will have additional, you
09:36:06 7 know, more internal election administrator guidance
09:36:10 8 documents as well.

09:36:10 9 Q. I understand.

09:36:12 10 And so my understanding of the 2023 draft EPM
09:36:16 11 is that it includes several of the requirements from the
09:36:23 12 two challenged laws that this lawsuit is about, so it
09:36:27 13 includes the requirements in H.B. 2492 and in 2243; is
09:36:33 14 that correct?

09:36:33 15 A. Yes.

09:36:37 16 Q. And my understanding, based on the documents
09:36:40 17 I've seen, is that the Secretary of State's Office
09:36:44 18 previously took the position that several of these
09:36:46 19 provisions were potentially violating different laws,
09:36:52 20 including federal laws. Are you aware of that position
09:36:55 21 that the Secretary took?

09:36:56 22 A. Yes.

09:37:01 23 Q. And so is the Secretary -- by including -- by
09:37:04 24 including these provisions in the draft, the new draft
09:37:08 25 EPM, what does that mean about the Secretary's position

09:37:12 1 on these provisions?

09:37:14 2 MR. MORGAN: Objection to form, but I

09:37:15 3 think you can fix it. When you say the Secretary's, you

09:37:18 4 mean the office?

09:37:20 5 MS. BRAILEY: Correct.

09:37:20 6 MR. MORGAN: She's not testifying about

09:37:22 7 Mr. Fontes' personal opinion.

09:37:24 8 MS. BRAILEY: Absolutely not, no.

09:37:24 9 MR. MORGAN: Okay. Okay.

09:37:25 10 MS. BRAILEY: About the office.

09:37:26 11 MR. MORGAN: With that clarification,

09:37:26 12 please.

09:37:26 13 THE WITNESS: Yeah.

09:37:26 14 BY MS. BRAILEY:

09:37:26 15 Q. Yeah.

09:37:29 16 A. So as I had indicated, the rollout of the EPM

09:37:36 17 happened very quickly, and so essentially each draft --

09:37:41 18 each part, each segment, we had a maximum of two weeks

09:37:47 19 to draft. We saved the voter registration chapter. You

09:37:53 20 know, it was out of order and, admittedly, it kind of

09:37:58 21 got confusing, but we wanted to save it for the very

09:38:01 22 last one, hoping, praying that we would have some

09:38:07 23 determination, maybe even a settlement among the

09:38:11 24 parties, but some resolution to at least part of this,

09:38:18 25 part of these issues being litigated.

09:38:22 1 Well, that has not happened. So I essentially,
09:38:31 2 me, I knew I -- I knew I didn't have resolution, and I
09:38:38 3 copied and pasted the statutes to the best degree
09:38:43 4 possible, as sterile as possible, the statutes that were
09:38:49 5 amended in the legislation and put them in there as a
09:38:54 6 placeholder where I thought they would fit, knowing that
09:38:58 7 it was subject to change, again, hoping, praying that by
09:39:02 8 October 1st there would be some resolution and some of
09:39:07 9 these provisions could be altered to comport with
09:39:12 10 whatever court ruling we have or if there was some
09:39:14 11 settlement.

09:39:15 12 Q. And so if there is no court ruling or
09:39:17 13 settlement by October 1st, then those placeholders will
09:39:21 14 be in the draft that will go to the AG and the Governor
09:39:25 15 by October 1st?

09:39:26 16 A. That's not accurate, no.

09:39:28 17 Q. Oh. Can you correct me?

09:39:29 18 MR. MORGAN: Objection to the extent that
09:39:32 19 it calls for the revelation of legal advice,
09:39:37 20 particularly things that we've discussed.

09:39:37 21 THE WITNESS: Uh-huh.

09:39:38 22 MR. MORGAN: So just be careful not to
09:39:40 23 give that information.

09:39:45 24 THE WITNESS: Thank you.

09:39:45 25 You know, as far as what will eventually

09:39:47 1 be in the voter registration chapter and the litigation
09:39:51 2 here has taken up -- has, I guess, led to many
09:40:00 3 discussions, has prompted many comments in the public
09:40:04 4 comment period, and they are issues that keep me up at
09:40:08 5 night. And I don't know ultimately what will be in the
09:40:14 6 draft October 1st, and I'm not trying to be coy. It's
09:40:20 7 hard. There are many -- there are options, and we have
09:40:25 8 to choose the best of not so great options.

09:40:29 9 BY MS. BRAILEY:

09:40:30 10 Q. I understand. So let's say that -- strike
09:40:30 11 that.

09:40:38 12 Is it going to be the -- is it going to be the
09:40:47 13 process that draft EPMs will always be followed by a
09:40:51 14 public comment period before being finalized?

09:40:54 15 MR. MORGAN: Object to form, speculation.

09:40:58 16 BY MS. BRAILEY:

09:40:59 17 Q. Let me rephrase.

09:40:59 18 You had mentioned that there's no statutory
09:41:02 19 requirement to having a public comment period, but prior
09:41:06 20 administrations had thought this would be a good idea.
09:41:08 21 You've continued that practice.

09:41:11 22 Is this a practice that you would want to
09:41:13 23 employ every time there's a draft EPM?

09:41:15 24 A. As far as the public comment period, I'm only
09:41:18 25 aware of the Hobbs administration --

09:41:18 1 Q. Uh-huh.

09:41:21 2 A. -- of having that public comment period. I'm
09:41:24 3 not familiar with any other administration having a
09:41:29 4 public comment period.

09:41:33 5 As far as what will happen in the future, it
09:41:35 6 will depend on who is the particular office holder.

09:41:39 7 Q. So let's say that you need to revise this EPM
09:41:43 8 based on whatever the court decides in this case.
09:41:48 9 Because there would be, you know, revisions to the
09:41:52 10 current draft, would you hold another public comment
09:41:57 11 period so that the public sees that new draft?

09:41:59 12 A. No.

09:42:00 13 Q. Okay. And why not?

09:42:01 14 A. Because this procedures manual is a manual for
09:42:08 15 the administration of elections by election officials.
09:42:13 16 These are guidance documents, requirements, for election
09:42:20 17 administrators.

09:42:21 18 Q. Right.

09:42:22 19 A. So to the extent that the public is not pleased
09:42:27 20 with what's in there, we simply do not have the luxury
09:42:33 21 of time to allow for another public comment period.

09:42:39 22 MS. BRAILEY: Okay. So we've been going
09:42:41 23 for not quite an hour and a half. How are -- do you
09:42:45 24 need a break?

09:42:46 25 MR. MORGAN: Yeah, can we take a quick

09:42:48 1 break?

09:42:48 2 MS. BRAILEY: Okay. Yeah, can we take

09:42:50 3 five minutes?

09:42:50 4 THE WITNESS: Okay.

09:42:50 5 MS. BRAILEY: Off the record, please.

09:42:50 6 THE VIDEOGRAPHER: We are off the record.

09:42:51 7 The time on the video monitor is 9:42 a.m.

09:42:55 8 (A recess was taken.)

09:54:29 9 THE VIDEOGRAPHER: We are on the record.

09:54:31 10 The time on the video monitor is 9:54 a.m.

09:54:34 11 BY MS. BRAILEY:

09:54:37 12 Q. So we are here to talk about some things in

09:54:41 13 2492, so let's get to those. So let's talk about

09:54:48 14 establishing identity and citizenship for applicants who

09:54:52 15 are registering to vote in Arizona.

09:54:56 16 So in general, based on the information that's

09:54:57 17 required on the state form -- and when I say state form,

09:55:03 18 you know I'm referring to the Arizona voter registration

09:55:06 19 application?

09:55:06 20 A. Yes.

09:55:07 21 Q. Okay. So in general, based on the information

09:55:10 22 required on the state form and any databases that the

09:55:14 23 counties or the Secretary has access to, does Arizona

09:55:17 24 have issues establishing the identity of voter

09:55:22 25 registration applicants?

09:55:22
09:55:29
09:55:32
09:55:37
09:55:37
09:55:37
09:55:43

09:56:04
09:56:04
09:56:10
09:56:10
09:56:10
09:56:10
09:56:11
09:56:15
09:56:22
09:56:25
09:56:32
09:56:32
09:56:37

1 MR. MORGAN: Form.
2 THE WITNESS: I'm not sure what -- I'm not
3 sure to the degree how Arizona would have trouble
4 establishing identity.
5 BY MS. BRAILEY:
6 Q. I guess in general, are there widespread issues
7 with making sure that those who register to vote and
8 become registered to vote are who -- are who they say
9 they are and are eligible to vote?
10 A. Well, the vast majority of voters --
11 MR. WHITAKER: Form and foundation.
12 MS. LANG: What?
13 MR. MORGAN: Mr. Whitaker said form and
14 foundation, I believe.
15 MS. BRAILEY: Oh.
16 THE WITNESS: The vast ma --
17 MR. MORGAN: I have kids.
18 THE WITNESS: The vast majority of voters
19 register through the Motor Vehicles Department, the MVD,
20 and through that process the AVID system is able to
21 check documentary proof of citizenship, as well as
22 identification of the voters.
23 BY MS. BRAILEY:
24 Q. So let's walk through. How is a voter
25 registration applicant's identity confirmed?

09:56:42 1 A. If an applicant registers through the MVD, it's
09:56:48 2 confirmed by establishing that person has a driver's
09:56:51 3 license or a nonoperating license identification.

09:56:57 4 Q. So what goes into a HAVA check?

09:56:59 5 A. And I'm sorry. Excuse me. The Social Security
09:57:04 6 Administration check is also part of the process.

09:57:10 7 Q. Is the -- tell me about the process. What goes
09:57:13 8 into a HAVA check?

09:57:14 9 A. So a HAVA check, in my understanding, is that
09:57:17 10 it includes the process by which AVID, the access voter
09:57:23 11 information database, that AVID -- well, excuse me. The
09:57:30 12 County Recorder submits information via AVID and -- or
09:57:37 13 the voter directly, and that information is then sent to
09:57:43 14 the MVD to check documentary proof of citizenship or
09:57:49 15 DPOC, or D-P-O-C is what it's also referred to, as well
09:57:55 16 as checking identification and checking the Social
09:58:02 17 Security Administration database.

09:58:04 18 Q. Is AVID automated with the Social Security
09:58:07 19 Administration database?

09:58:08 20 MR. MORGAN: Foundation.

09:58:09 21 THE WITNESS: I don't know.

09:58:14 22 BY MS. BRAILEY:

09:58:14 23 Q. Do you -- based on your experience in both
09:58:19 24 Maricopa, Yavapai, and now with the Secretary, do you
09:58:23 25 know what fields are necessary for a HAVA check?

09:58:26 1 MR. MORGAN: Foundation.

09:58:28 2 THE WITNESS: That would be something for
09:58:32 3 Yolanda to answer.

09:58:34 4 BY MS. BRAILEY:

09:58:34 5 Q. Okay. So I have a series of hypotheticals, and
09:58:39 6 I'm going to go through them, and if you don't know and
09:58:42 7 it's for somebody else, you let me know.

09:58:44 8 A. Okay.

09:58:45 9 Q. So if we have an applicant and they're using
09:58:47 10 the state form to register to vote, they've provided the
09:58:51 11 last four digits of their social security number. They
09:58:54 12 don't provide a driver's license number. So we have
09:58:58 13 their name, their date of birth, and the last four of
09:59:01 14 their social.

09:59:01 15 Has this applicant established their
09:59:04 16 citizenship?

09:59:06 17 MR. MORGAN: Calls for a legal conclusion.

09:59:10 18 THE WITNESS: Okay. Yeah, yeah, these are
09:59:12 19 questions --

09:59:13 20 BY MS. BRAILEY:

09:59:14 21 Q. These are all for Yolanda? Okay.

09:59:14 22 A. -- probably for Yolanda, but I'll say generally
09:59:16 23 the practice is to submit any applicant through the
09:59:22 24 system to check for DPOC.

09:59:24 25 Q. Okay. So, again, based on all your experience,

09:59:39 1 what is a utility of the citizen checkbox for the
09:59:43 2 counties?

09:59:50 3 A. I'm not aware of any.

09:59:52 4 Q. Okay. Can an applicant's answer to the
09:59:56 5 checkbox question override the presence or absence of
10:00:01 6 DPOC?

10:00:03 7 MR. LANGHOFER: Calls for a legal
10:00:07 8 conclusion.

10:00:07 9 THE WITNESS: I'll answer the question by
10:00:09 10 phrasing it that if an applicant submits DPOC, it's
10:00:14 11 irrelevant whether the checkbox is checked or not.

10:00:20 12 BY MS. BRAILEY:

10:00:21 13 Q. Uh-huh. And can election officials use the
10:00:24 14 checkbox to detect whether a noncitizen attempted to
10:00:29 15 register to vote?

10:00:30 16 MR. MORGAN: Calls for a legal conclusion.

10:00:31 17 MR. LANGHOFER: Same.

10:00:33 18 MR. WHITAKER: And speculation.

10:00:35 19 THE WITNESS: I'm not sure I understand
10:00:35 20 the question.

10:00:39 21 BY MS. BRAILEY:

10:00:39 22 Q. I'm wondering if there's any relationship
10:00:41 23 between how somebody might check or not check the
10:00:48 24 citizenship box and whether that information would help
10:00:53 25 a county know whether there's a noncitizen attempting to

10:00:58 1 vote?

10:00:59 2 MR. LANGHOFER: Same objections.

10:00:59 3 MR. MORGAN: Objection, calls for a legal
10:01:01 4 conclusion, speculation.

10:01:04 5 THE WITNESS: Not that I'm aware of.

10:01:05 6 BY MS. BRAILEY:

10:01:09 7 Q. Okay. And so prior to H.B. 2492 counties --
10:01:15 8 or, rather, were counties able to confirm an applicant's
10:01:18 9 citizenship status before registering them to vote as a
10:01:22 10 full ballot voter?

10:01:23 11 MR. MORGAN: Foundation.

10:01:25 12 THE WITNESS: So prior to the checkbox
10:01:28 13 being required, was DPOC --

10:01:33 14 BY MS. BRAILEY:

10:01:34 15 Q. Well, did counties have what they needed to
10:01:38 16 confirm voter eligibility?

10:01:39 17 A. Yes.

10:01:39 18 MR. MORGAN: Foundation.

10:01:40 19 MR. LANGHOFER: Form.

10:01:50 20 BY MS. BRAILEY:

10:01:50 21 Q. Okay. So my understanding, under the
10:01:53 22 pre-H.B. 2492 procedures, is that if a person submits a
10:01:56 23 state form without DPOC, but all the other required
10:02:00 24 information on the form, that person could be registered
10:02:03 25 to vote as a federal only voter. Is that -- was my

10:02:07 1 understanding correct?

10:02:09 2 A. Well, if someone applies through the, well, MVD
10:02:16 3 or any registrant, there's an attempt to check whether
10:02:23 4 DPOC has been provided by running the names through the
10:02:29 5 Motor Vehicles Department system to see if the system's
10:02:30 6 able to catch a voter who, for whatever reason, was --
10:02:36 7 did not supply citizenship proof. I'm not sure if that
10:02:41 8 answers your question.

10:02:42 9 Q. No, that's very helpful.

10:02:44 10 But let's say they're run through the system
10:02:47 11 and no DPOC appears for that person, and so all you have
10:02:50 12 is their completed state form --

10:02:52 13 A. Okay.

10:02:52 14 Q. -- and no DPOC. So my understanding is that
10:02:55 15 person could be registered to vote as a federal only
10:02:58 16 voter --

10:02:58 17 A. Yes.

10:02:58 18 Q. -- before the new laws?

10:03:00 19 A. That's correct, yes.

10:03:01 20 Q. Okay. So if that person then provides DPOC
10:03:04 21 later in time, whether it's weeks or months, but they've
10:03:06 22 made the deadline before the election, but they've now
10:03:09 23 provided their DPOC, has this person changed their
10:03:12 24 registration status from federal only to full ballot?

10:03:17 25 MR. MORGAN: Form, foundation.

10:03:22 1 MR. WHITAKER: Form.

10:03:24 2 THE WITNESS: If someone provides DPOC
10:03:26 3 prior to the election, by the Thursday before the
10:03:28 4 election, they will be made a full ballot voter.

10:03:30 5 BY MS. BRAILEY:

10:03:30 6 Q. And so is that a change in voter registration
10:03:33 7 status?

10:03:35 8 A. And I'll just -- for my last answer I'll just
10:03:39 9 caveat that with assuming that the only limitation on
10:03:46 10 becoming a full ballot voter was the DPOC, that person
10:03:50 11 will become a full ballot voter.

10:03:53 12 Now, I'm sorry, could you rephrase the question
10:03:55 13 that you asked me?

10:03:57 14 Q. Yes.

10:03:57 15 So we have the applicant who is a federal only
10:03:59 16 voter because they did not submit DPOC, but their state
10:04:02 17 form was complete.

10:04:03 18 A. Yes.

10:04:03 19 Q. And then weeks, maybe months later they submit
10:04:08 20 DPOC by the deadline.

10:04:10 21 A. Okay.

10:04:10 22 Q. They submit DPOC before an election.

10:04:13 23 A. Okay.

10:04:14 24 Q. Does their registration status change, their
10:04:17 25 voter registration status?

10:04:21 1 A. I'm not sure what you mean by status. I
10:04:24 2 usually think of that as active or inactive.

10:04:27 3 Q. Oh, I see. I see. So I'm thinking about do
10:04:30 4 they switch from being a federal only voter to a full
10:04:33 5 ballot voter?

10:04:34 6 A. If they provide DPOC and all of the other
10:04:37 7 elements that are required are provided.

10:04:40 8 Q. And I guess is a full ballot or a federal only
10:04:47 9 voter, if that's not a registration status, what would
10:04:50 10 you call that?

10:04:54 11 A. Full ballot or federal only, we usually refer
10:04:57 12 to them.

10:04:57 13 Q. Okay. Okay.

10:05:00 14 Let's talk a little bit about the birthplace
10:05:03 15 requirement. So what information does birthplace, the
10:05:06 16 information on where voters are born, what information
10:05:10 17 does that provide -- strike that. Let me try this
10:05:14 18 again.

10:05:15 19 What information does birthplace provide to the
10:05:18 20 Secretary of State?

10:05:18 21 MR. MORGAN: Form.

10:05:21 22 THE WITNESS: I'm not aware of the
10:05:23 23 significance of the birthplace.

10:05:26 24 BY MS. BRAILEY:

10:05:26 25 Q. Does the office use that information for any

10:05:29 1 purpose?

10:05:30 2 A. No.

10:05:31 3 Q. Any administrative purpose?

10:05:32 4 A. No.

10:05:41 5 Q. Has the Secretary of State's Office developed
10:05:43 6 guidance for county election officials for entering
10:05:47 7 birthplace data into AVID?

10:05:51 8 A. There's a working document that is a reflection
10:06:00 9 of many, many, many meetings with the counties about the
10:06:05 10 various requirements under this new legislation, and so
10:06:10 11 the issue of birthplace has been discussed. So to the
10:06:15 12 extent that it's a working draft, there's, I guess,
10:06:23 13 consensus that birthplace doesn't -- is not relevant for
10:06:27 14 purposes of registering to vote.

10:06:31 15 Q. So just so I understand, that's the conclusion
10:06:34 16 that's coming from that group who's creating that
10:06:37 17 working draft?

10:06:38 18 A. That's correct.

10:06:39 19 But as far as entering that information into
10:06:42 20 the AVID system, we're currently shifting to the
10:06:55 21 development of our priorities on what programs are being
10:06:59 22 created to implement the -- this legislation. And we
10:07:07 23 have not yet prioritized, you know, which part of that,
10:07:13 24 part of this legislation, will be programmed first; but
10:07:17 25 I don't anticipate birthplace being at the top of the

10:07:20 1 list.

10:07:21 2 Q. And what's the programmatic changes that the
10:07:25 3 group has discussed for that birthplace requirement?

10:07:27 4 MR. MORGAN: Foundation. If it's
10:07:32 5 something for Yolanda, you don't have to speculate.

10:07:34 6 THE WITNESS: Yeah, I'm not -- yeah, I'm
10:07:36 7 not sure what has and has not been discussed about that.

10:07:43 8 BY MS. BRAILEY:

10:07:51 9 Q. Sorry. So just to back up, the group that you
10:07:53 10 were just talking about who's creating the working
10:07:55 11 document and these programmatic changes, is that the --
10:08:00 12 one of the AVID working groups that you discussed
10:08:03 13 earlier? Is there a name for that group?

10:08:10 14 MR. LANGHOFER: Compound.

10:08:11 15 THE WITNESS: Okay, so just to make sure
10:08:12 16 we're on the same page, it's a document that's
10:08:15 17 approximately 20 pages, but it's not numbered, and it
10:08:19 18 does refer to the VRAC legislative changes document. It
10:08:27 19 has draft across it. And so it refers to H.B. 2492 and
10:08:31 20 2243 and then the effective dates. But that -- that
10:08:42 21 specific group does not have a name. It's not the VRAC
10:08:46 22 name.

10:08:47 23 BY MS. BRAILEY:

10:08:47 24 Q. It's not the VRAC?

10:08:47 25 A. Yeah.

10:08:48 1 Q. Oh, okay. So who is in that group?

10:08:50 2 A. To my understanding, and that's a document that
10:08:53 3 I discussed with the -- well, Kori Lorick, Bo Dul, and
10:08:59 4 Christine Dyster in our meeting last week. I asked them
10:09:02 5 about it, and it was a document that was evolving, and
10:09:07 6 they said it felt like they were having meetings daily
10:09:10 7 about this legislation; but I don't know if it was
10:09:14 8 daily. But they at the time did not mention any name
10:09:19 9 attributed to that group.

10:09:19 10 Q. I see. So they were meeting in the group; and
10:09:23 11 from your discussions, do you know if they were drafting
10:09:26 12 the document, those three, also --

10:09:29 13 A. Yes.

10:09:29 14 Q. -- or was somebody else?

10:09:30 15 A. No, I believe it was Kori Lorick drafting that.

10:09:35 16 Q. And this 20-page document that you're referring
10:09:38 17 to, was that produced as part of the discovery requests
10:09:44 18 in this case?

10:09:45 19 A. Yes, it was.

10:09:48 20 Q. And to the extent you can remember, can you
10:09:54 21 tell me again what the title of the document is?

10:09:58 22 A. I might have a copy of it with me, if I could.

10:10:01 23 Q. Oh, that would be great. Let's --

10:10:06 24 MS. STUART: A previously marked exhibit,
10:10:09 25 I believe is what she's referring to.

10:10:09 1 THE WITNESS: Yeah. Yeah, it looks like
10:10:10 2 this. It was Lerma Exhibit -- and I've written on this
10:10:11 3 one. Lerma Exhibit 39.

10:10:12 4 MR. MORGAN: Yeah, it's Lerma Exhibit 39.

10:10:12 5 BY MS. BRAILEY:

10:10:16 6 Q. Got it. That's very helpful. Thank you.

10:10:42 7 Okay. Thank you. That's all very, very
10:10:44 8 helpful.

10:10:48 9 And so forgive me if I ask you questions about
10:10:51 10 something that's in that document, but the guidance
10:10:57 11 about the birthplace requirement specifically, is that
10:11:04 12 guidance about instructing counties on a uniform way to
10:11:10 13 enter birthplace information into a voter registration
10:11:12 14 database?

10:11:14 15 A. Well, let me -- I guess I should just clarify.
10:11:17 16 My understanding of that document is that it was like a
10:11:21 17 working document. There were these ongoing meetings
10:11:24 18 with the counties, and Kori Lorick or Christine Dyster
10:11:29 19 would continue to add notes as they went through some of
10:11:33 20 the concerns or issues or challenges based with
10:11:39 21 implementing the legislative changes.

10:11:43 22 And to that extent, the Secretary of State's
10:11:48 23 Office, perhaps through the discussions or perhaps
10:11:51 24 through their own counsel, reached the conclusion that
10:11:56 25 the birthplace requirement could violate -- could be a

10:12:01 1 violation of the Civil Rights Act.

10:12:04 2 Q. Right. I'm actually pulling up the document
10:12:07 3 now so I can be more on the same page with you.

10:12:10 4 MR. MORGAN: Well, if you're going to do
10:12:12 5 that, is it all right if she refers to the copy she has?

10:12:15 6 MS. BRAILEY: Absolutely. Yeah.

10:12:16 7 MR. MORGAN: Cool.

10:12:17 8 THE WITNESS: Thanks.

10:12:19 9 MR. MORGAN: Thank you.

10:12:20 10 BY MS. BRAILEY:

10:12:21 11 Q. Okay. So at this point in time there is no
10:12:27 12 standardized data entry guidance for counties for how to
10:12:31 13 enter birthplace into a voter registration database; is
10:12:33 14 that correct?

10:12:33 15 A. Well, at this point we are starting
10:12:40 16 discussions. And I'll back up. So these changes will
10:12:45 17 require a great deal of work to be made into the AVID
10:12:48 18 system to automate this or to incorporate it so it's not
10:12:53 19 all done manually. Now, for the 13 counties. Maricopa
10:12:58 20 and Pima Counties have their own database, and they'll
10:13:01 21 have to sync all of those changes with the AVID changes.

10:13:08 22 But these legislative changes were not funded,
10:13:12 23 and in the initial budget request, I think that was
10:13:17 24 submitted maybe February of 2023, there was
10:13:21 25 approximately \$500,000 requested to make the changes.

10:13:28 1 Q. Right.

10:13:28 2 A. And as I indicated, we have a third-party
10:13:31 3 vendor, and they want to be paid, you know, so they need
10:13:34 4 to --

10:13:34 5 Q. Right. Right.

10:13:36 6 A. They need to be paid to make their -- this
10:13:38 7 money. Now, they have a standard retainer, essentially,
10:13:41 8 for maintenance and operation; but these are referred to
10:13:46 9 sometimes as enhancements or special purchase orders.
10:13:53 10 You know, they just sometimes go by various names, but I
10:13:57 11 think of them as the enhancements --

10:13:58 12 Q. Right.

10:13:58 13 A. -- in addition to the monthly retainer.

10:14:00 14 So this is going to be quite expensive, over
10:14:05 15 \$500,000.

10:14:05 16 Q. Uh-huh.

10:14:08 17 A. So when the budget, the appropriations bill was
10:14:11 18 approved by the legislature, signed by the Governor, it
10:14:14 19 did not include that 500,000.

10:14:19 20 Our budget team, including Secretary Fontes,
10:14:25 21 Assistant Secretary of State Keely Varvel, continued to
10:14:30 22 push for funding. And in mid June of 2023 the
10:14:34 23 legislature did say, okay, you can have the 500,000.
10:14:41 24 This is the gist of it. I was not present. But you can
10:14:44 25 have the 500,000, but you have to spend it by July 1st.

10:14:48 1 So we tried to scramble, see how -- to what
10:14:50 2 extent could we implement anything. And I thought maybe
10:14:53 3 to the extent -- my thinking at the time was maybe to
10:14:55 4 the extent that we could somehow develop a process just
10:15:01 5 to even meet the reporting requirements. There's a
10:15:05 6 quarterly reporting requirement on the number of death
10:15:09 7 records, you know, all of that information. But we
10:15:12 8 weren't able to even get that done in just that two-week
10:15:17 9 period we had to spend 500,000.

10:15:19 10 So our budget director went back to the -- and
10:15:25 11 our legislative liaison, they went back to the budget
10:15:31 12 appropriations group, I think it might be JLBC, or a
10:15:35 13 certain number of legislators that were handling this,
10:15:39 14 and again said, "We need this money. We need at least
10:15:44 15 \$500,000 or some money to start making these changes.
10:15:48 16 We can't do it without money."

10:15:50 17 So finally we -- the legislature approved that
10:15:57 18 \$500,000 appropriation. Then the information technology
10:16:04 19 office within the Arizona Department of Administration
10:16:09 20 has a rule by which any IT change that exceeds \$25,000
10:16:14 21 has to go through a vetting process, and it's referred
10:16:20 22 to as PIJ, P-I-J, which stands for something. I can't
10:16:25 23 tell you what it is.

10:16:25 24 Q. Sure.

10:16:26 25 A. It has to go through this approval process,

10:16:32 1 so -- and that approval process, what I gather, is more
10:16:34 2 like a project summary, how it meets the strategic goals
10:16:38 3 of it.

10:16:38 4 Q. Yeah.

10:16:39 5 A. And we received approval from the Arizona
10:16:42 6 Department of Administration last week, so we can
10:16:47 7 actually start -- so we couldn't really even start
10:16:51 8 realistic discussions until we got the okay.

10:16:55 9 We have the okay. So we are going to start
10:16:59 10 launching those meetings, and we're doing it as a
10:17:03 11 collaborative process and -- but we haven't gotten to
10:17:07 12 the point where we've set up calendars or tried to sync
10:17:14 13 even priorities with what the counties want to
10:17:17 14 prioritize.

10:17:18 15 Q. Right. So this is only the beginning of the
10:17:20 16 process of starting to talk about how to reprogram AVID
10:17:26 17 for the new legislation; is that the gist of what's
10:17:30 18 going on?

10:17:30 19 A. Yeah. Yeah, because we've -- we've been held
10:17:34 20 up because there just wasn't any money.

10:17:40 21 Q. Right, right.

10:17:41 22 And so even in this document, in the Lerma 39,
10:17:50 23 this doesn't speak to what kind of even programmatic
10:18:01 24 changes this group has -- the group who's creating this
10:18:04 25 document has been thinking could be developed in AVID

10:18:08 1 for birthplace entries; is that correct?

10:18:11 2 A. It looks like it was referenced in passing, and
10:18:19 3 I marked the pages as Page 10, just because --

10:18:22 4 Q. Sure. Yep. I'm on the same page as you.
10:18:24 5 Absolutely.

10:18:24 6 A. Yeah, Voter Registration Updates, that the
10:18:27 7 birthplace, that this provision specifically was not
10:18:33 8 going to be implemented because it violated -- in
10:18:36 9 conflict with the Civil Rights Act of 1964.

10:18:44 10 Q. Uh-huh. And so at this point in time, any
10:18:47 11 entry on a state form by an applicant in the birthplace
10:18:51 12 field is entered as is into AVID?

10:18:55 13 MR. MORGAN: Form.

10:18:56 14 Do you mean this point in time as in today
10:18:58 15 or at the time the memo was created?

10:19:00 16 MS. BRAILEY: Today.

10:19:00 17 MR. MORGAN: Okay. Got it.

10:19:01 18 BY MS. BRAILEY:

10:19:02 19 Q. So as of today, when somebody completes their
10:19:06 20 state form, whatever they write into the birthplace
10:19:08 21 field, that is just entered as is into AVID; is that
10:19:13 22 your understanding?

10:19:15 23 A. I don't know how that works.

10:19:17 24 Q. Okay. Okay. So that might be a question for
10:19:19 25 Yolanda.

10:19:27 1 So let me pull up Petty Exhibit 12.

10:19:31 2 And this is Petty Exhibit 12. I don't need you
10:19:43 3 to look at the whole thing. If you go to just Page 4,
10:19:47 4 the bottom should say 882 as the last three numbers.
10:19:52 5 This was produced by Maricopa County.

10:19:57 6 A. Okay.

10:19:57 7 Q. And I'm just wondering, based on your
10:19:59 8 experience at Maricopa County, if you recognize the
10:20:04 9 instructions on entering birthplace, if any of this came
10:20:07 10 into your purview while you were at Maricopa County?

10:20:14 11 A. Yeah, I see the --

10:20:18 12 Q. The instructions for --

10:20:19 13 A. -- the instructions that you're referring to,
10:20:20 14 but this is not something I ever dealt with.

10:20:23 15 Q. Okay. You can put that away.

10:20:23 16 A. Okay.

10:20:39 17 Q. Based on your experience and your knowledge,
10:20:43 18 have the County Recorders been instructed to use
10:20:46 19 birthplace information for any purposes related to voter
10:20:51 20 registration?

10:20:51 21 A. Not that I'm aware of.

10:20:53 22 Q. And, again, based on your experience and your
10:20:55 23 knowledge, are there any administrative uses for
10:20:59 24 collecting birthplace information that would be
10:21:01 25 important for the counties?

10:21:04 1 A. I can't think of anything.

10:21:07 2 Q. And have the counties or any county informed
10:21:11 3 your office that they need birthplace information to be
10:21:14 4 a mandatory field on the state form?

10:21:16 5 A. Not that I'm aware of.

10:21:25 6 Q. I'm realizing some of my questions might
10:21:28 7 be better for Yolanda, so I won't burden you with
10:21:31 8 them.

10:21:38 9 So you can see the instructions from the
10:21:46 10 Petty 12 Exhibit, the instructions for birthplace, what
10:21:49 11 you just reviewed quickly, it said that there's a
10:21:51 12 dropdown menu.

10:21:52 13 A. Yes.

10:21:53 14 Q. And for those who don't have the exhibit in
10:21:55 15 front of you, it just says that there's a dropdown menu
10:21:59 16 where you can choose a state or country of birth.

10:22:03 17 If somebody -- based on, again, your experience
10:22:09 18 and your knowledge with these -- strike that. Let me
10:22:16 19 start at a different place.

10:22:18 20 Under H.B. 2492, if somebody does not put their
10:22:22 21 state or country of birth, is your understanding that
10:22:24 22 that application should be rejected?

10:22:26 23 MR. LANGHOFER: Calls for a legal
10:22:31 24 conclusion.

10:22:31 25 THE WITNESS: Based on H.B. 2492 --

10:22:33 1 BY MS. BRAILEY:

10:22:34 2 Q. Uh-huh.

10:22:34 3 A. -- that legislation, my understanding is that
10:22:38 4 the legislation would limit that registrant from
10:22:47 5 becoming registered. And I use that language
10:22:52 6 deliberately because rejected is not a field.

10:22:54 7 Q. I understand.

10:22:56 8 So that person would not be registered?

10:22:58 9 A. They would not be registered, yeah.

10:23:00 10 Q. Okay. Let's say under the current law somebody
10:23:03 11 wrote a city or a county, so Phoenix or Maricopa, so
10:23:08 12 they did not put a state or a country.

10:23:10 13 A. Uh-huh.

10:23:11 14 Q. Would that applicant be registered?

10:23:17 15 MR. LANGHOFER: Calls for a legal
10:23:18 16 conclusion.

10:23:18 17 THE WITNESS: I don't know how they would
10:23:19 18 handle that, yeah.

10:23:19 19 BY MS. BRAILEY:

10:23:31 20 Q. Do you know how or whether the Secretary will
10:23:37 21 offer guidance to counties about how they should enter
10:23:43 22 the birthplace data in light of the new laws?

10:23:52 23 A. So I can't say any guidance issued by the
10:24:01 24 Secretary of State --

10:24:01 25 Q. Uh-huh.

10:24:02 1 A. -- that's going to be any different from
10:24:04 2 what --

10:24:05 3 Q. I see.

10:24:06 4 A. -- has already been prepared in this document.

10:24:08 5 Q. I see.

10:24:11 6 A. And that we would issue guidance consistent
10:24:14 7 with this information.

10:24:16 8 Nevertheless, we have not had any official
10:24:19 9 meetings with the counties, so I don't know if there is
10:24:23 10 dissent or how that would be handled. There is the VRAC
10:24:27 11 committee, the voter registration advisory committee.

10:24:27 12 Q. Uh-huh.

10:24:32 13 A. And presumably the VRAC committee would make
10:24:35 14 that kind of decision, and that the membership of that
10:24:41 15 committee is all 15 County Recorders --

10:24:44 16 Q. Uh-huh.

10:24:45 17 A. -- plus the Secretary of State. So ultimately
10:24:50 18 what was a VRAC paper will come out of the VRAC
10:24:56 19 committee, and so it's hard to predict what that will
10:24:59 20 look like.

10:25:00 21 Q. Right. And who is the Secretary of State's
10:25:03 22 representative in the VRAC committee?

10:25:05 23 A. That's me.

10:25:05 24 Q. Got it.

10:25:10 25 And so considering you'll be the

10:25:13 1 representative, have you thought about what new guidance
10:25:22 2 or implementation or programs, what should exist for
10:25:26 3 this birthplace field, whether it's a dropdown menu like
10:25:30 4 we saw here or whether it's another way of entering the
10:25:34 5 data?

10:25:34 6 A. Well, okay, so let me just back up, because the
10:25:39 7 VRAC committee has ruffled some feathers, or I have
10:25:42 8 ruffled, frankly, some feathers about my approach to the
10:25:46 9 VRAC committee.

10:25:46 10 So by way of background, this current
10:25:53 11 administration, we are made up mostly of people that
10:25:56 12 have worked at the county level. You know, Secretary of
10:25:59 13 State Fontes was a County Recorder. I was with Maricopa
10:26:06 14 County I think 14 years and then with Pinal and Yavapai.
10:26:11 15 Lisa Marra was the elections director for Cochise
10:26:15 16 County. Hope Olguin was an assistant deputy director
10:26:18 17 for Maricopa County. You know, so we are -- we know
10:26:22 18 county administration.

10:26:23 19 Q. Right.

10:26:23 20 A. So I know historically the Secretary of State
10:26:28 21 has been the drafter of these VRAC papers, and, you
10:26:34 22 know, my first couple of months I was being inundated
10:26:37 23 with we need a VRAC paper. Oh, and, Colleen, you know,
10:26:41 24 you're drafting it.

10:26:43 25 So I was like, wait a minute, I've never even

10:26:46 1 used AVID. We're not --

10:26:46 2 Q. Oh, okay.

10:26:49 3 A. The counties, not the Secretary of State, is
10:26:52 4 the primary user --

10:26:54 5 Q. Yeah.

10:26:54 6 A. -- of AVID. Why in the world -- well, first of
10:26:58 7 all, why would I draft it if I don't have that
10:27:01 8 knowledge. And the first thing is experience. And this
10:27:03 9 will be something that the counties implement, and they
10:27:07 10 are the 15 out of the 16 members.

10:27:10 11 Q. Right.

10:27:11 12 A. And they have some great ideas. They kept
10:27:13 13 telling me about them. But so I said why don't you guys
10:27:17 14 draft them. I mean it sounds like a great idea. And
10:27:20 15 this was completely unrelated to this legislation. So
10:27:26 16 some people were okay with it. Many very vocal members
10:27:31 17 of the VRAC committee were not.

10:27:33 18 But with that said, Secretary Fontes and I have
10:27:40 19 said we are not issuing VRAC papers on this, on these
10:27:45 20 issues related to this legislation --

10:27:47 21 Q. I see.

10:27:47 22 A. -- at this time. However, if any of the County
10:27:51 23 Recorders would like to offer up a VRAC paper, we'd be
10:27:54 24 happy to help organize a VRAC meeting and let's get the
10:27:58 25 ball started, let's get the ball rolling or let's get

10:28:01 1 the meeting started.

10:28:03 2 Q. Right.

10:28:03 3 A. So far that has not happened.

10:28:05 4 Q. I understand. So at this point in time, and by
10:28:08 5 that I mean today --

10:28:09 6 A. Yes.

10:28:10 7 Q. -- there is no current plan for guidance on how
10:28:17 8 applicants should complete the potentially mandatory
10:28:25 9 birthplace field; is that correct?

10:28:27 10 MR. MORGAN: Form.

10:28:27 11 You mean beyond the EPM?

10:28:29 12 MS. BRAILEY: Correct.

10:28:30 13 MR. MORGAN: Okay.

10:28:30 14 THE WITNESS: Well, currently there's no
10:28:31 15 guidance, simply because of the practical part of the
10:28:34 16 money and we couldn't.

10:28:34 17 BY MS. BRAILEY:

10:28:35 18 Q. Right, right.

10:28:35 19 A. We were prohibited under the PIJ thing. But,
10:28:39 20 yeah, there's -- we have no -- no guidance per se.

10:28:43 21 Q. Right. And just to confirm -- I'm so sorry.
10:28:48 22 To make it really clear, because I think what I just
10:28:50 23 asked, I realize I asked about applicants filling in the
10:28:53 24 field. So let me now frame that as there's also no
10:28:57 25 planned guidance for how counties should enter

10:29:01 1 birthplace information into a voter registration
10:29:03 2 database?

10:29:05 3 A. Not that I'm aware of.

10:29:06 4 Q. Right. So taking into consideration all of the
10:29:14 5 changes for H.B. 2492 -- strike that. Let me back up.

10:29:19 6 Is it true that you have read and understood
10:29:26 7 and dealt with all of the H.B. 2492 law, so not just the
10:29:33 8 issues we've talked about today, but you've sort of --
10:29:35 9 you have experience with the whole law, with all of the
10:29:39 10 portions of the bill that passed?

10:29:42 11 A. I'd say generally, yes. Yes, I do.

10:29:45 12 Q. Okay. So taking into consideration H.B. 2492
10:29:48 13 in its totality, including changes in requirements
10:29:52 14 beyond those that we're discussing today or even in the
10:29:56 15 lawsuit, does birthplace now provide necessary
10:30:01 16 information that it hadn't provided before?

10:30:05 17 MR. LANGHOFER: Calls for a legal
10:30:11 18 conclusion.

10:30:11 19 MS. PORTER: Form.

10:30:12 20 THE WITNESS: I'm not aware of any.

10:30:29 21 BY MS. BRAILEY:

10:30:29 22 Q. So I have a few more questions, and I'm -- I
10:30:32 23 understand if, again, you end up telling me these are
10:30:34 24 for Yolanda later, but we'll try.

10:30:39 25 Is it possible for -- based on the databases

10:30:48 1 that exist and are available --

10:30:52 2 A. Uh-huh.

10:30:52 3 Q. -- to the counties, is it possible for election
10:30:55 4 officials to confirm registrants' birthplace
10:30:59 5 information?

10:30:59 6 MR. MORGAN: Form, foundation.

10:31:04 7 THE WITNESS: Okay. So is it possible for
10:31:06 8 a county or the state to confirm some --

10:31:10 9 BY MS. BRAILEY:

10:31:10 10 Q. Uh-huh.

10:31:10 11 A. Not that I'm aware of.

10:31:13 12 Q. So there's no, for example, no database where
10:31:17 13 an official from the county or the state could
10:31:20 14 cross-check a birthplace that somebody entered onto the
10:31:23 15 form?

10:31:23 16 MR. MORGAN: Same objection.

10:31:25 17 THE WITNESS: Yeah, I don't -- I don't
10:31:27 18 know. I just don't know if there's a database that
10:31:30 19 exists. Could be. But, yeah, I'm not aware of any.

10:31:36 20 BY MS. BRAILEY:

10:31:36 21 Q. Do you know what might be necessary for either
10:31:40 22 a county official or the state to be able to confirm a
10:31:44 23 voter applicant's -- voter registration applicants'
10:31:48 24 birthplace?

10:31:48 25 MR. LANGHOFER: Same objection.

10:31:49 1 THE WITNESS: I do not know.

10:31:53 2 BY MS. BRAILEY:

10:31:53 3 Q. Is the Secretary of State's Office planning to
10:31:57 4 create new state forms -- actually, period. Is the
10:32:07 5 Secretary of State's Office planning to create new state
10:32:13 6 forms?

10:32:13 7 MR. MORGAN: Form.

10:32:14 8 THE WITNESS: We have discussed updating
10:32:17 9 the voter registration form, and sitting here today, I
10:32:23 10 can't recall the components. I know certain changes
10:32:25 11 have to be made in the instructions and so forth.

10:32:28 12 BY MS. BRAILEY:

10:32:28 13 Q. Uh-huh.

10:32:28 14 A. But I know we've talked about it I guess
10:32:32 15 generally.

10:32:33 16 Q. Do you know -- or, rather, is there a timeline
10:32:37 17 for creating the state form?

10:32:40 18 A. Well, the timeline will be a part of our
10:32:43 19 discussion as far as, you know, to -- it has to be
10:32:47 20 collaborative with the changes to the AVID process.

10:32:49 21 Q. Right.

10:32:50 22 A. And also sync with the Maricopa/Pima changes as
10:32:54 23 well.

10:32:54 24 Q. Right.

10:32:54 25 And what group is responsible for, I guess,

10:32:58 1 updating the state form?

10:33:05 2 A. Well, it's the elections department division.

10:33:07 3 Q. Are there specific individuals who might be

10:33:10 4 tasked with that project?

10:33:13 5 A. Well, I mean it's understood that it will be

10:33:17 6 the AVID team that works with it, and then I will be

10:33:24 7 involved, as well as the deputy elections director.

10:33:32 8 Q. Do you know whether there will be any kind of

10:33:35 9 public campaign to inform voters about the new state

10:33:39 10 form, if there is one?

10:33:41 11 A. I don't -- I don't know. I don't know if there

10:33:43 12 had even been discussions, and I say that just because

10:33:46 13 the outreach part that used to be part of the elections

10:33:50 14 department has been moved to a different part of the

10:33:53 15 office.

10:33:54 16 Q. I see. So the very general early discussions

10:33:59 17 about updating the state form, what aspects of the, I

10:34:04 18 guess, process of updating have been discussed in that;

10:34:08 19 like what are the actual discussions about for the state

10:34:10 20 form?

10:34:10 21 A. We really haven't gotten into discussions.

10:34:12 22 We've gotten into discussions about discussions.

10:34:15 23 Q. Got it.

10:34:16 24 So is my understanding that it would just be

10:34:18 25 we've all discussed that it has to be on the to-do list?

10:34:22 1 A. Yes, yes.

10:34:24 2 Q. Okay.

10:34:24 3 A. We have like a mile-long to-do list.

10:34:24 4 Q. Great.

10:34:27 5 A. And, yes, that's on it.

10:34:28 6 Q. Okay. Can we please -- oh, one moment. I'm
10:34:33 7 sorry. No, I got ahead of myself.

10:34:38 8 Does the Secretary of State's Office track
10:34:41 9 noncitizen voter -- strike that.

10:34:51 10 Is there any mechanism within the Secretary of
10:34:53 11 State's Office that is tracking whether there are
10:34:56 12 noncitizens registering to vote or have registered to
10:34:59 13 vote?

10:35:00 14 A. Not that I'm aware of.

10:35:04 15 Q. Uh-huh. Is there anyone else, any other entity
10:35:06 16 in the state, and by that I mean it could be a county or
10:35:09 17 the Attorney General, is there any other entity that's
10:35:12 18 made the Secretary of State's Office aware of any
10:35:15 19 noncitizen voter registration?

10:35:21 20 A. Not that I'm aware of. I mean there's the
10:35:26 21 Attorney General's integrity unit that existed. It
10:35:30 22 could still exist. But I think that group was charged
10:35:37 23 with anything to deal with voter fraud or some --
10:35:42 24 something that compromised elections or voting.

10:35:45 25 Q. Right.

10:35:45 1 A. But that's -- just off the top of my head,
10:35:47 2 that's the only group that possibly would.

10:35:50 3 Q. Okay.

10:35:53 4 MS. BRAILEY: If everyone doesn't mind,
10:35:54 5 can we take a five-minute break?

10:35:56 6 Off the record.

10:35:58 7 THE VIDEOGRAPHER: We are off the record.
10:35:59 8 The time on the video monitor is 10:35 a.m. This ends
10:36:02 9 Media 1.

10:36:04 10 (A recess was taken.)

10:48:49 11 THE VIDEOGRAPHER: We are on the record.
10:48:50 12 The time on the video monitor is 10:48 a.m. This begins
10:48:53 13 Media 2.

10:48:55 14 BY MS. BRAILEY:

10:48:55 15 Q. Okay. So now that we have that working, the
10:48:58 16 iPad, please open the document labeled J, it starts with
10:49:02 17 a J, and then the last numbers are 10355.

10:49:12 18 A. Okay.

10:49:12 19 Q. Okay. And when you open that document, I'll
10:49:15 20 represent to you that your office produced this to us.
10:49:18 21 I am marking the exhibit as 266. And if you can scroll
10:49:29 22 down to Page --

10:49:31 23 MR. MORGAN: I want to hand her the paper
10:49:33 24 copy too, if that's all right.

10:49:35 25 MS. BRAILEY: That's great.

10:49:35 1 BY MS. BRAILEY:

10:49:36 2 Q. So scroll to where you see at the bottom 10360.

10:49:42 3 A. Are you talking about the Bates stamp?

10:49:44 4 Q. The Bates stamp, yeah.

10:49:46 5 A. Okay.

10:49:46 6 Q. Wonderful. That's right, we can all use the

10:49:50 7 same verbiage.

10:49:54 8 So just take a second to just review this page.

10:50:18 9 A. Okay.

10:50:18 10 Okay.

10:50:18 11 Q. Okay. And so do these look like instructions

10:50:24 12 for the voting by mail process?

10:50:29 13 A. Yes, they do.

10:50:31 14 Q. Okay. And so do you see that there's a bold

10:50:33 15 paragraph that does say "How is Arizona securing the

10:50:36 16 vote by mail process?"

10:50:38 17 A. Yes.

10:50:39 18 Q. Great.

10:50:47 19 So prior to H.B. 2492, if a voter requested a

10:50:51 20 mail ballot, the processes in this paragraph would apply

10:50:56 21 to them; is that correct; they would receive this tamper

10:51:02 22 evident envelopes, they would have signature

10:51:05 23 verification?

10:51:05 24 A. And you said prior to --

10:51:07 25 Q. Prior to H.B. 2492.

10:51:09 1 A. Yes.

10:51:10 2 Q. Okay. It's possible during, but I believe this
10:51:12 3 document is from prior.

10:51:15 4 A. Okay.

10:51:15 5 Q. So, you know, that's the world.

10:51:19 6 If a federal only voter requested a vote by
10:51:23 7 mail ballot, would these same processes apply to that
10:51:26 8 voter?

10:51:26 9 A. Yes.

10:51:28 10 Q. And so they would receive a tamper evident
10:51:32 11 envelope?

10:51:34 12 A. That's correct.

10:51:34 13 Q. And their signature would go through the
10:51:36 14 signature verification process?

10:51:37 15 A. Yes.

10:51:43 16 MS. BRAILEY: Okay. I'm going to thank
10:51:44 17 you so much for your time, and my colleague is going to
10:51:47 18 ask you some questions.

10:52:02 19

10:52:03 20 EXAMINATION

10:52:03 21 BY MS. LANG:

10:52:20 22 Q. Okay. Thank you so much. For the record, my
10:52:24 23 name is Danielle Lang, and I represent the LUCHA
10:52:27 24 plaintiffs in this matter, and thank you so much for
10:52:28 25 your time today.

10:52:29 1 A. You're welcome.

10:52:31 2 Q. I'm going to try to cover most of the
10:52:34 3 questioning for you for all of the non-U.S. plaintiffs.
10:52:38 4 There may be some follow-up from my colleagues that are
10:52:41 5 here today, but the goal is primarily for you not to
10:52:45 6 face a whole slew of questioners, okay?

10:52:48 7 A. Okay.

10:52:48 8 Q. All right. So I want to start by talking just
10:52:52 9 a little bit about the Secretary's Office's role in the
10:52:59 10 legislative process and then as it applies specifically
10:53:03 11 to the bills that were passed last -- that we're here
10:53:08 12 about today.

10:53:08 13 Who in your office handles legislative affairs?

10:53:14 14 A. George Diaz, D-I-A-Z.

10:53:23 15 Q. And I assume he's not within the elections
10:53:26 16 department?

10:53:27 17 A. No. He's within administration.

10:53:29 18 Q. When there are legislative matters that relate
10:53:33 19 to elections, does Mr. Diaz kind of confer with the
10:53:37 20 elections department in establishing a position or
10:53:42 21 providing input on that legislation?

10:53:47 22 A. Mr. Diaz confers with a large group of people,
10:53:52 23 anyone with election experience and anyone that
10:53:56 24 Secretary Fontes or Assistant Secretary Varvel directs
10:53:59 25 him to talk to.

10:54:00 1 Q. Okay. And I would like you to look at -- let
10:54:12 2 me refer you to there's a folder kind of within the
10:54:16 3 folder that you're looking at that's SOS Exhibits 2.

10:54:16 4 A. Okay.

10:54:21 5 Q. And that's primarily where the exhibits are
10:54:24 6 that we'll talk about today. And there's one labeled
10:54:28 7 H.B. 2492 veto letter, if you could pull that up. And
10:54:33 8 we'll mark that as Exhibit 267.

10:54:43 9 And have you seen this document before?

10:54:45 10 A. Let me just take a look here.

10:54:47 11 Q. Sure. And take a moment to review its
10:55:02 12 contents.

10:55:02 13 A. Yes, I've seen this before.

10:55:03 14 Q. Okay. And this is the veto letter sent by the
10:55:07 15 Former Secretary of State Secretary Hobbs to Governor
10:55:12 16 Ducey about H.B. 2492; is that right?

10:55:17 17 A. I think it's the letter requesting that the
10:55:20 18 legislation be vetoed.

10:55:22 19 Q. Okay. And with respect to the second
10:55:29 20 paragraph, Secretary Hobbs writes that among other
10:55:32 21 things, H.B. 2492 would require voters, including those
10:55:35 22 registering with a federal form, to submit proof of
10:55:38 23 location of residence along with their voter
10:55:41 24 registration form, and she explains that she believes
10:55:48 25 that this is unlawful under the NVRA and directly

10:55:53 1 addressed by a prior Supreme Court decision; do you see
10:55:57 2 that?

10:55:57 3 A. I do.

10:55:59 4 Q. And does the Secretary's Office continue to
10:56:02 5 concur with that position as outlined in that paragraph?

10:56:05 6 MR. LANGHOFER: Form, calls for a legal
10:56:21 7 conclusion.

10:56:21 8 THE WITNESS: I think -- I don't disagree.
10:56:23 9 I think to the extent that the proof of residence was
10:56:31 10 enforced to require a federal form user to provide proof
10:56:36 11 of residence, yes.

10:56:38 12 BY MS. LANG:

10:56:41 13 Q. Okay. I understand.

10:56:41 14 A. Okay.

10:56:41 15 Q. And I think we'll get to kind of questions
10:56:44 16 about its application.

10:56:45 17 A. I see. Okay.

10:56:48 18 Q. And then the next paragraph says, "What's more,
10:56:50 19 the bill creates new criminal penalties aimed at
10:56:53 20 election officials, sets arbitrary rules that will lead
10:56:56 21 to voter confusion, and dictates non-discretionary
10:57:00 22 enforcement requirements for prosecutors."

10:57:01 23 Is that sentence consistent with the
10:57:04 24 Secretary's current position on the new restrictions in
10:57:06 25 H.B. 2492?

10:57:08 1 MR. LANGHOFER: Same objections.

10:57:09 2 MR. MORGAN: Caveat. By Secretary, you
10:57:10 3 mean the office?

10:57:11 4 MS. LANG: Whenever I say the Secretary, I
10:57:13 5 do mean the office.

10:57:13 6 MR. MORGAN: Thank you.

10:57:13 7 MS. LANG: And we can put that on the
10:57:15 8 record. Thank you.

10:57:18 9 THE WITNESS: Yes.

10:57:21 10 BY MS. LANG:

10:57:21 11 Q. Could you describe what you believe are the
10:57:25 12 aspects of H.B. 2492 that set arbitrary rules?

10:57:31 13 MR. LANGHOFER: Same objections.

10:57:34 14 MR. WHITAKER: Calls for a legal
10:57:36 15 conclusion.

10:57:43 16 THE WITNESS: The proof of residence,
10:57:46 17 location of residence requirement is challenging,
10:57:49 18 especially with individuals who are homeless,
10:57:59 19 individuals such as younger individuals or college
10:58:02 20 students that don't have documentary proof of residence.

10:58:09 21 It's just a challenging standard and one
10:58:15 22 that still faces the challenge of being programmed
10:58:20 23 within the AVID system.

10:58:23 24 I don't know. I think you'd have to be
10:58:24 25 more specific about --

10:58:25 1 BY MS. LANG:

10:58:26 2 Q. Fair enough.

10:58:26 3 A. -- the legislation.

10:58:28 4 Q. And I think we'll get into some of those
10:58:30 5 details later.

10:58:31 6 I know that this is your -- related to the
10:58:36 7 prior administration, but I know that you've also had
10:58:38 8 some discussions with the Governor's Office. Other than
10:58:42 9 this letter to the Governor, do you know if the
10:58:44 10 Secretary communicated the office's position on
10:58:48 11 H.B. 2492 during the legislative process?

10:58:54 12 A. I'm not aware of any, but I -- I wouldn't be
10:59:01 13 surprised if there were many discussions about this.

10:59:04 14 Q. Would it typically be the role of Mr. Diaz to
10:59:08 15 engage with legislators about this type of legislation?

10:59:13 16 A. Mr. Diaz would have engaged with legislators
10:59:16 17 during this legislative session, but in 2022 there was a
10:59:21 18 different legislative liaison.

10:59:22 19 Q. And who was that?

10:59:24 20 A. I don't know that person's name.

10:59:26 21 Q. Fair enough.

10:59:27 22 Would it typically be their role to engage on
10:59:31 23 this type of legislation?

10:59:32 24 A. Yes.

10:59:32 25 Q. And make legislators aware of the Secretary's

10:59:36 1 concerns about such legislation?

10:59:37 2 A. Yes.

10:59:43 3 Q. Okay. If we can look at the veto letter for

10:59:59 4 H.B. 2243, which is labeled AZSOS-0371375.

11:00:10 5 A. Okay. It's in that same folder?

11:00:12 6 Q. It is.

11:00:13 7 A. Okay.

11:00:15 8 MR. MORGAN: What was the Bates number,

11:00:16 9 again?

11:00:18 10 MS. LANG: 0371375, and then it says

11:00:22 11 H.B. 2243 veto letter.

11:00:27 12 MR. MORGAN: Here, let me help you out.

11:00:29 13 THE WITNESS: Yeah. It went to the top.

11:00:41 14 MR. MORGAN: H.B. 22 --

11:00:43 15 MS. LANG: 43 veto letter.

11:00:45 16 And we'll mark that as Exhibit 268.

11:00:51 17 BY MS. LANG:

11:00:51 18 Q. And take a moment to read over this letter.

11:01:07 19 MR. WHITAKER: I'm sorry, what was the

11:01:09 20 Bates number, again?

11:01:10 21 MS. LANG: 0371375.

11:01:42 22 THE WITNESS: Okay.

11:01:43 23 BY MS. LANG:

11:01:44 24 Q. Okay. And while I know that this letter was

11:01:47 25 drafted by the prior Secretary of State, do the

11:01:50 1 positions outlined here reflect the current
11:01:55 2 administration's view on H.B. 2243?

11:02:00 3 MR. LANGHOFER: Form, calls for a legal
11:02:03 4 conclusion.

11:02:03 5 THE WITNESS: The letter reflects concerns
11:02:07 6 that are -- that continue to be concerns.

11:02:12 7 BY MS. LANG:

11:02:12 8 Q. Okay. In looking at the second page, in
11:02:14 9 particular, the first sentence says that this bill, like
11:02:18 10 H.B. 2617 before it, requires unreasonable investigation
11:02:22 11 into registered voters, who have already fulfilled
11:02:25 12 citizenship requirements. Anyone, without evidence,
11:02:30 13 could submit a list of voters suspected not to be United
11:02:35 14 States citizens for the county to investigate.

11:02:36 15 Do you see that?

11:02:37 16 A. I do see that, yes.

11:02:40 17 Q. Do you -- does the office continue to consider
11:02:42 18 one of the problems with H.B. 2243 that anyone could
11:02:45 19 submit a list of voters suspected not to be U.S.
11:02:48 20 citizens for the county to investigate?

11:02:50 21 A. Yes.

11:02:52 22 Q. And do you think that every County Recorder
11:02:54 23 would respond in the same way to that kind of list?

11:02:58 24 MR. LANGHOFER: Speculation.

11:02:59 25 THE WITNESS: Yeah, I can't speculate.

11:03:08 1 BY MS. LANG:

11:03:08 2 Q. Okay. And the next -- or one sentence later
11:03:14 3 there's a sentence that begins "And once again, there is
11:03:17 4 no guidance on what constitutes when a county would be,
11:03:22 5 quote, reasonable to believe that investigation is
11:03:26 6 warranted."

11:03:26 7 Do you see that?

11:03:27 8 A. I do, yes.

11:03:28 9 Q. Does the office continue to have concerns that
11:03:31 10 there is no guidance in the statute about what
11:03:33 11 constitutes reason to believe?

11:03:35 12 A. Yes.

11:03:36 13 MR. LANGHOFER: Form, calls for a legal
11:03:43 14 conclusion.

11:03:43 15 BY MS. LANG:

11:03:43 16 Q. And then the following sentence, it says that
11:03:47 17 bad faith actors could call in or submit claims
11:03:51 18 anonymously against their neighbors as much as they
11:03:53 19 like, and counties would still have to investigate
11:03:55 20 the person complained against, whether fairly or
11:03:58 21 unfairly.

11:03:59 22 Does that reflect a concern that your office
11:04:03 23 continues to have?

11:04:05 24 MR. LANGHOFER: Same objections.

11:04:12 25 THE WITNESS: Yes.

BY MS. LANG:

Q. And in your experience, is it the case that sometimes bad faith actors do submit such claims?

MR. LANGHOFER: Foundation.

THE WITNESS: I would say generally there are bad faith actors that file complaints.

BY MS. LANG:

Q. Are you aware of instances where bad faith actors have sent in lists of voters that those actors believe are suspicious in some way?

A. Not that I'm aware of.

Q. Okay. Are you aware of whether the Secretary's Office communicated these positions to the legislators during the process for H.B. 2243?

A. I'm not aware of it, but like I said before, I would be surprised if they had not.

Q. I noticed a document in the production, and perhaps we'll look at it, but I just had a quick question, which is are you familiar with the Arizona Commission on African Affairs?

A. No.

Q. Okay. So, to your knowledge, the Secretary of State doesn't have any role on that commission?

A. You know, I just -- I personally just don't know. I'm really --

11:06:12 1 MR. MORGAN: Yeah, beyond the scope of the
11:06:14 2 topics.

11:06:15 3 THE WITNESS: Yeah, I'm really just
11:06:16 4 election-focused.

11:06:18 5 BY MS. LANG:

11:06:18 6 Q. That's fair enough.

11:06:19 7 The only reason I asked is because there is a
11:06:21 8 document specifically about the bill from that
11:06:23 9 commission; but to the extent you don't know about the
11:06:26 10 commission, it doesn't make sense to ask you questions
11:06:28 11 about it. So we'll move on.

11:06:30 12 If you could look at the document labeled
11:06:48 13 AZSOS-22176.

11:06:53 14 A. AZSOS-22176?

11:06:56 15 Q. Yes.

11:06:57 16 A. Pima Notes?

11:06:58 17 Q. Yes.

11:06:59 18 A. Okay.

11:07:04 19 Okay.

11:07:04 20 Q. And this e-mail is dated April 25, 2022. You
11:07:09 21 may or may not be able to answer this, but the way this
11:07:11 22 document was produced, this is all we have and no
11:07:16 23 additional information about it.

11:07:19 24 Have you seen this document before, to your
11:07:22 25 knowledge?

11:07:22 1 A. Let me read through it here.

11:07:24 2 Q. Thank you.

11:07:26 3 And we can mark that as Exhibit 269.

11:08:04 4 A. Yes. I've read the document, but I've never
11:08:07 5 seen it before.

11:08:08 6 Q. Okay. So you wouldn't be able to tell me, you
11:08:11 7 know, who drafted this document or what it reflects?

11:08:18 8 A. Well, as far as who drafted it, I don't know;
11:08:23 9 but what it reflects, it seems to be consistent with
11:08:28 10 some of the discussion that we've had today.

11:08:31 11 Q. Okay. So someone drafted this document that
11:08:34 12 reflects many of the concerns about the bills that we
11:08:38 13 have been talking about today; is that right?

11:08:39 14 A. Correct.

11:08:39 15 Q. Okay. And I think we've already talked
11:08:50 16 about -- and we can put that away. -- that your office
11:08:56 17 has begun discussions about the various steps that would
11:08:59 18 need to be taken to implement these bills; is that
11:08:59 19 right?

11:09:03 20 A. That's correct.

11:09:04 21 Q. Okay. Has your office actually implemented, as
11:09:13 22 in put into place for current use, any parts of
11:09:19 23 H.B. 2492?

11:09:20 24 MR. MORGAN: Form.

11:09:25 25 THE WITNESS: Well, implementation

11:09:28 1 requires programming of AVID, and so to create the
11:09:34 2 programs within AVID we need money. So we've acquired
11:09:38 3 money. So to that extent, we've started implementing.
11:09:45 4 And then discussions with the County Recorders, who are
11:09:47 5 actually the ones that are charged with most of these
11:09:51 6 duties, those have begun as well.

11:09:54 7 BY MS. LANG:

11:09:54 8 Q. Yes. And that's the fault of my questioning.

11:10:00 9 The kind of process that goes into
11:10:06 10 implementation I do understand has begun. Sitting here
11:10:08 11 today, are there any parts of H.B. 2492 that are being
11:10:15 12 enforced by the County Recorders or the Secretary of
11:10:20 13 State's Office?

11:10:20 14 MR. MORGAN: Foundation.

11:10:20 15 MR. LANGHOFER: Foundation.

11:10:23 16 MR. MORGAN: As it relates to others.

11:10:24 17 THE WITNESS: Yeah, I'm not aware of
11:10:27 18 any -- of whether any counties are enforcing it. I'm
11:10:31 19 not sure specifically what you mean by what the
11:10:35 20 Secretary of State would be doing.

11:10:36 21 BY MS. LANG:

11:10:36 22 Q. Has the Secretary provided any guidance to
11:10:39 23 County Recorders to begin enforcing any components of
11:10:42 24 H.B. 2492?

11:10:46 25 A. Okay. As far as the Secretary of State's role

11:10:50 1 in providing guidance, there is the VRAC committee,
11:10:53 2 which is made up of 16 members, one of whom is the
11:10:58 3 Secretary of State. So the Secretary of State would not
11:11:04 4 unilaterally establish guidance without consultation
11:11:10 5 with the 15 County Recorders through the VRAC process.

11:11:14 6 Q. And sitting here today, there's no kind of
11:11:17 7 final guidance through VRAC or otherwise to begin
11:11:21 8 implementation of any component of H.B. 2492; is that
11:11:21 9 right?

11:11:25 10 A. That's correct.

11:11:26 11 Q. Okay. Is the same true for H.B. 2243?

11:11:34 12 A. Refresh my memory. Is that the one about the
11:11:39 13 juror questionnaire and --

11:11:39 14 Q. And various other list maintenance requirements
11:11:42 15 related to checking databases for citizenship and
11:11:45 16 whatnot.

11:11:46 17 A. To the extent there have been discussions,
11:11:52 18 that -- to the extent that's implementation, there have
11:11:54 19 been discussions and draft VRAC papers.

11:11:57 20 Q. Yes. I will get to that.

11:11:58 21 I really am only talking about kind of if
11:12:00 22 there's been any kind of decision point from the
11:12:06 23 Secretary's Office on moving forward with enforcement of
11:12:10 24 any of those provisions yet?

11:12:11 25 MR. MORGAN: Form.

11:12:11 1 THE WITNESS: Yeah, you know, if I can
11:12:12 2 just lay the groundwork too.
11:12:14 3 BY MS. LANG:
11:12:14 4 Q. Yeah, please.
11:12:15 5 A. Because this took me a while with -- you know,
11:12:17 6 it was -- it's just a lot. But the implementation of
11:12:20 7 any change just -- it's a very lengthy one.
11:12:24 8 So there is an enhancement committee that
11:12:29 9 discusses changes to AVID. There's the VRAC, you know,
11:12:33 10 the advisory committee, to make sure all the counties
11:12:36 11 are on the same page with the Secretary of State. And
11:12:40 12 then there's the AVID steering committee made up of the
11:12:46 13 County Recorders, the Secretary of State, and the
11:12:49 14 elections director that is the final committee to
11:12:54 15 approve or not to approve any major changes such as
11:12:59 16 this.
11:12:59 17 So any changes would not -- it would take weeks
11:13:03 18 to months to implement changes, the type of changes to
11:13:08 19 which you're addressing.
11:13:09 20 Q. Exactly. And I think all I'm trying to get at
11:13:12 21 is that we haven't gotten to the end point of those
11:13:15 22 processes --
11:13:16 23 A. Correct.
11:13:17 24 Q. -- for any of these provisions?
11:13:18 25 A. That's correct.

11:13:21 1 Q. Okay. If you could open AZSOS-1, which is
11:13:28 2 labeled December 2022 Guidance, and we'll mark that as
11:13:33 3 270.

11:13:37 4 A. Can you repeat that?

11:13:38 5 Q. Yes. It's AZSOS-1.

11:13:38 6 A. AZSOS-1.

11:13:40 7 Q. And then it says December 2022 Guidance.

11:13:44 8 A. Okay.

11:13:47 9 Q. And this is an e-mail from Kori Lorick, I
11:13:50 10 believe to the various County Recorders, on
11:13:54 11 December 30th, 2022; is that right?

11:13:56 12 A. Yes.

11:13:56 13 Q. And have you seen this e-mail before?

11:13:58 14 A. Yes.

11:14:03 15 Q. Okay. And if you could read through the e-mail
11:14:09 16 briefly. I'll give you a moment to do that.

11:14:21 17 MR. MORGAN: I'm sorry. Did you direct us
11:14:22 18 to a page?

11:14:25 19 BY MS. LANG:

11:14:25 20 Q. The first page, the e-mail itself.

11:14:28 21 A. Okay.

11:14:32 22 Q. And the Secretary's Office here outlines a
11:14:36 23 number of provisions that they have determined conflict
11:14:40 24 with federal law; is that right?

11:14:42 25 A. Yes.

11:14:43 1 Q. And is the Secretary's current position
11:14:47 2 consistent with the position outlined in this e-mail?

11:14:49 3 MR. LANGHOFER: Calls for a legal
11:14:50 4 conclusion.

11:14:50 5 THE WITNESS: Yes.

11:14:56 6 BY MS. LANG:

11:14:56 7 Q. And based on that conclusion, the e-mail says
11:15:03 8 that the office will not be implementing those
11:15:07 9 provisions; is that right?

11:15:10 10 A. That's what the e-mail says, yes.

11:15:12 11 Q. And I understand that various efforts are in
11:15:17 12 place to prepare for potential implementation of these
11:15:22 13 provisions; but sitting here today, does the position in
11:15:26 14 this e-mail about actual implementation and enforcement
11:15:30 15 remain the same for the office?

11:15:36 16 A. So to clarify, I don't know exactly what
11:15:42 17 Ms. Lorick meant by implementing those provisions; but
11:15:51 18 we are taking the steps necessary to develop the changes
11:15:55 19 in AVID, to get the counties together, and to start
11:15:59 20 these discussions.

11:16:02 21 The actual implementation will not be a
11:16:05 22 unilateral decision, but, rather, a decision made with
11:16:09 23 the counties, as well as legal advice and any court
11:16:15 24 ruling that may come.

11:16:17 25 Q. Okay. And have the counties received any

11:16:21 1 subsequent guidance that's contrary to this e-mail from
11:16:27 2 the Secretary of State's Office?

11:16:27 3 A. No.

11:16:53 4 Q. Okay. So I'd like to go into a little more
11:16:56 5 detail on the various enforcement steps -- or strike
11:17:02 6 that. The various steps of preparing for implementation
11:17:05 7 that your office has taken.

11:17:06 8 A. Okay.

11:17:07 9 Q. So one, one thing you mentioned is preparing
11:17:11 10 for AVID enhancements; is that right?

11:17:17 11 Or let me rephrase.

11:17:18 12 Working on the potential AVID enhancements that
11:17:22 13 will be necessary to implement these bills; is that
11:17:22 14 right?

11:17:25 15 A. Well, I think there's been discussions, but the
11:17:33 16 AVID enhancements would be kind of at the end of many
11:17:37 17 other events that had to take place prior. So we
11:17:40 18 haven't gotten into the depth of what enhancements would
11:17:44 19 be made because we haven't had those preliminary
11:17:46 20 meetings.

11:17:48 21 Q. I think I understand you. That there's been
11:17:51 22 some initial discussions, but, really, you can't make
11:17:54 23 final decisions about AVID enhancements until kind of
11:17:57 24 more policy-based decisions have been made about how
11:18:01 25 implementation will go forward; is that fair to say?

11:18:02 1 A. That's right. Yes.

11:18:06 2 Q. And you've mentioned a couple of times the
11:18:09 3 drafting of VRAC papers; is that right?

11:18:11 4 A. Yes.

11:18:12 5 Q. And my understanding is that there are some
11:18:15 6 preliminary drafts of VRAC papers related to these
11:18:20 7 bills; is that right?

11:18:22 8 A. Yes.

11:18:23 9 Q. Okay. And if I recall correctly, and we can
11:18:30 10 look at the documents, if necessary, there are three
11:18:34 11 that -- the first three kind of covered jury list
11:18:39 12 maintenance and out-of-state records list maintenance;
11:18:39 13 is that right?

11:18:43 14 A. That's correct.

11:18:44 15 Q. Did you draft -- I know that we had some
11:18:46 16 discussion about kind of the various hubbub about who is
11:18:51 17 going to draft VRAC papers going forward. Who drafted
11:18:55 18 those first three very initial drafts?

11:18:59 19 A. I did.

11:19:00 20 Q. Okay. But it's your position that kind of
11:19:05 21 going forward, it will not be the Secretary's role to be
11:19:10 22 the primary drafter of those papers; is that right?

11:19:12 23 A. Well, going forward, it might be the
11:19:15 24 Secretary's role. But, you know, assuming the Secretary
11:19:21 25 wants to take a particular position, we just want to

11:19:26 1 make clear that we're not the only -- like I said, the
11:19:30 2 Secretary is not going to make a unilateral decision to
11:19:34 3 impose certain policy decisions.

11:19:37 4 These duties are duties of the County
11:19:42 5 Recorders, and so collectively the County Recorders
11:19:45 6 should have a voice and should be the ones initiating
11:19:48 7 some of these documents, especially because they know
11:19:51 8 exactly what needs to be done. They're the ones, the
11:19:54 9 first -- you know, the front-line users of AVID, not the
11:19:58 10 Secretary of State.

11:20:01 11 Q. Entirely understood.

11:20:05 12 If we can briefly look at -- you have to kind
11:20:08 13 of go back out of this folder.

11:20:11 14 MR. MORGAN: I gotcha. I'll take care of
11:20:13 15 it. Don't worry about it.

11:20:14 16 BY MS. LANG:

11:20:14 17 Q. I apologize, to look at AZSOS-305914. I think
11:20:27 18 it's marked N, starts with the letter N.

11:20:32 19 MR. MORGAN: You can hold it too, if
11:20:34 20 that's easier.

11:20:34 21 THE WITNESS: Oh, okay.

11:20:36 22 MS. LANG: Yeah, you can take it off of
11:20:38 23 that.

11:20:38 24 MR. MORGAN: Yeah, you can take it off of
11:20:39 25 that and just hold it. Either way is fine.

11:20:39 1 THE WITNESS: Okay.

11:20:46 2 Okay.

11:20:46 3 BY MS. LANG:

11:20:47 4 Q. Are you familiar with these documents?

11:20:54 5 A. Yes.

11:20:55 6 Q. Okay. And can you let me know kind of in your
11:20:59 7 own words what these documents are? I see there's one
11:21:03 8 that's VRAC 2023-04 and then there's 05 and 06.

11:21:09 9 A. Yes. This is so funny that these were
11:21:15 10 produced.

11:21:15 11 Anyway, yeah, these did not -- these documents
11:21:19 12 were not distributed beyond -- well, other than
11:21:24 13 disclosure in this case, of course. But these were just
11:21:28 14 internal documents that I don't think I even shared with
11:21:31 15 the AVID team, that I just started drafting.

11:21:35 16 Q. So these are some very early drafts --

11:21:37 17 A. Yeah.

11:21:37 18 Q. -- that just you put together?

11:21:38 19 A. Yeah, and I don't have the metadata or the
11:21:42 20 properties, but this is probably February. Yeah, it
11:21:46 21 doesn't look like I even have a date.

11:21:49 22 Q. I think that's correct.

11:21:52 23 So I think you've already said this, but these
11:21:54 24 are documents you drafted?

11:21:55 25 A. Yes, that's correct.

11:21:56 1 Q. And outside of distribution in this case, you
11:21:59 2 know, have not left your desk?

11:22:01 3 A. Yes.

11:22:04 4 Q. Okay. And are there any kind of updated
11:22:09 5 versions of these drafts that are on your desk, or is
11:22:14 6 this kind of where they've been left at the moment?

11:22:17 7 A. There are absolutely no updated versions of
11:22:19 8 these drafts, I'll say that.

11:22:21 9 Q. Okay. And I see this first one, VRAC 2023-004,
11:22:30 10 seems to deal specifically with the documentary proof of
11:22:35 11 residence requirement and place of birth and the
11:22:41 12 checkmark requirement; is that right?

11:22:42 13 A. That's correct.

11:22:43 14 Q. Okay. Going forward, if I say DPOR, will you
11:22:46 15 understand that to mean documentary proof of residence?

11:22:49 16 A. Yes.

11:22:55 17 Q. Okay. Other than, you know, this very internal
11:22:57 18 early draft, are there any VRAC papers in the works with
11:23:03 19 the committee that would address these components of the
11:23:06 20 law?

11:23:10 21 A. No.

11:23:12 22 Q. Okay. And looking at 2023-005, which is Bates
11:23:20 23 stamp 305916, this appears to me to be, you know, a
11:23:26 24 draft that addresses, you know, changes in how
11:23:35 25 documentary proof of citizenship will be dealt with

11:23:38 1 under H.B. 2492; is that correct?

11:23:42 2 A. Yeah. You know, I'll just say these really
11:23:46 3 aren't VRAC papers even, even what I've learned, come to
11:23:50 4 learn to understand what they are. I mean these are
11:23:52 5 really, again, just copying and pasting the statutes.
11:23:58 6 There was no policy. You know, and at the time, of
11:24:03 7 course, we didn't -- we could not utilize the Attorney
11:24:08 8 General's Office for legal advice. We could not pay for
11:24:12 9 an attorney.

11:24:14 10 Q. Yeah.

11:24:14 11 A. And our counsel was very busy with litigation,
11:24:18 12 our outside counsel. So I should elaborate on the VRAC
11:24:24 13 papers too. We have one general counsel, and she's very
11:24:28 14 busy with the -- as we saw the org chart with the 12
11:24:32 15 pages and the 140 employees.

11:24:37 16 So I was the only attorney in the office, and I
11:24:41 17 was by no means going to draft these papers and try to
11:24:48 18 provide legal advice and try to understand the dynamics
11:24:52 19 of AVID. I was working in a vacuum, and it was very
11:24:55 20 frustrating, when I know the county -- so even the
11:25:01 21 smallest county in Arizona has more legal counsel than
11:25:05 22 the Secretary of State. So that's why I tossed it out
11:25:10 23 to the counties, here you go, and I -- you know,
11:25:12 24 practically begging them, again, you guys, we don't have
11:25:16 25 counsel. We don't have money.

11:25:17 1 So this is definitely a point of frustration
11:25:19 2 for me and why -- I'm not trying to dump work on them.
11:25:22 3 I don't know how AVID works, as far as to that granular
11:25:27 4 level.

11:25:27 5 Q. Completely understand. And I also understand
11:25:30 6 how it must not be all that fun to have kind of very
11:25:36 7 initial drafts out there in the world. So it's
11:25:40 8 certainly no judgment. I'm just trying to understand
11:25:43 9 kind of where you all are in that process. So this is
11:25:46 10 very -- you know, the detail you've provided is very
11:25:49 11 helpful.

11:25:50 12 Since you mentioned it about the Attorney
11:25:53 13 General's Office, I think you said that that restriction
11:25:57 14 on communication with the AG's Office expired earlier
11:26:01 15 this summer; is that right?

11:26:03 16 A. It expired June 30th, yes.

11:26:09 17 Q. And has the Secretary of State's Office in any
11:26:12 18 way started to change its relationship with the AG's
11:26:15 19 Office?

11:26:15 20 MR. MORGAN: Objection, form. It's also
11:26:17 21 outside the scope. I'm not going to let her go on the
11:26:19 22 record and talk about her relationship -- our Office's
11:26:21 23 relationship with the Attorney General. It's just not
11:26:24 24 appropriate for a deposition on these issues. And I'm
11:26:28 25 going to instruct her not to answer.

11:26:38 1 MS. LANG: Just to be clear on the record,
11:26:40 2 the witness has referred to this restriction as key.

11:26:42 3 MR. MORGAN: I have no problem with the
11:26:44 4 restriction being discussed in general as it existed,
11:26:46 5 but I'm not going to let -- in this deposition with the
11:26:50 6 topics that I'm aware are being testified about today or
11:26:53 7 that were noticed, we're not going to have a discussion
11:26:56 8 on the record about anything that the Secretary of
11:27:00 9 State's Office is doing vis-à-vis its relationship with
11:27:04 10 the Attorney General's Office as a lawyer and counsel.
11:27:06 11 I'm just not going to let that -- that's not
11:27:09 12 appropriate. It has no business in this case.

11:27:14 13 MS. LANG: Well, I'm trying to understand
11:27:15 14 if the Secretary now has access to more legal resources
11:27:18 15 to interpret these laws, which she has said has been a
11:27:23 16 barrier to implementation. So I understand.

11:27:25 17 MR. MORGAN: I am the only counsel of
11:27:26 18 record to the Secretary for these issues. So the answer
11:27:30 19 to that would be, you know, I'm her lawyer, and she's
11:27:34 20 not going to talk about out conversations either.

11:27:37 21 MS. LANG: That's not what I'm getting at,
11:27:39 22 but we can move on.

11:27:40 23 MR. MORGAN: Good.

11:27:44 24 BY MS. LANG:

11:27:46 25 Q. Would you agree that -- let me back up.

11:27:55 1 Based on kind of your testimony about the
11:27:57 2 challenges in developing guidance on these laws without
11:28:03 3 access to more legal -- internal legal resources, would
11:28:10 4 you agree that the Secretary really needs those
11:28:13 5 additional legal resources in order to be able to
11:28:17 6 interpret these laws?

11:28:20 7 MR. LANGHOFER: Form.

11:28:25 8 MR. MORGAN: Form. Again, I'm going to
11:28:26 9 object to scope. I'm not sure what that has to do with
11:28:30 10 anything.

11:28:31 11 MS. LANG: I mean it's a question about
11:28:32 12 how they're going to go about implementation and how
11:28:35 13 they're going to go about interpretation of the laws.

11:28:38 14 MR. MORGAN: I don't have a problem with
11:28:39 15 questions about that. Where I'm getting, maybe it's my
11:28:42 16 disconnect, is I don't think it's appropriate for her to
11:28:44 17 testify whether she believes she needs access to broader
11:28:50 18 legal resources to be able to do her job. I just -- I
11:28:53 19 don't see how that has anything to do with any of the
11:28:55 20 topics. Point me to the topic.

11:28:59 21 MR. LANGHOFER: Or the case.

11:29:00 22 MR. MORGAN: Well, that goes without
11:29:02 23 saying.

11:29:02 24 MR. LANGHOFER: Leading to relevant
11:29:03 25 information.

11:29:05 1 MR. MORGAN: I mean if you're getting at
11:29:07 2 something, maybe just ask that, because I'm going to be
11:29:10 3 very sensitive to issues related to legal relationships
11:29:14 4 and the need for legal resources.

11:29:16 5 MS. LANG: Nobody is asking for questions
11:29:18 6 related to privileged conversations with lawyers.

11:29:20 7 MR. MORGAN: I understand that.

11:29:21 8 MS. LANG: It is important. Several times
11:29:24 9 now the witness has testified about the limitations on
11:29:28 10 ability to interpret and provide guidance on these laws
11:29:33 11 based on limited access to legal resources, and I think
11:29:38 12 it's important to understand the Secretary's need for
11:29:44 13 substantial legal advice in order to be able to
11:29:47 14 interpret.

11:29:48 15 MR. MORGAN: She didn't say she needed
11:29:50 16 substantial legal advice. That misstates the record.

11:29:53 17 MS. LANG: Well, that is the question I'm
11:29:54 18 asking.

11:29:54 19 MR. MORGAN: That's not the question you
11:29:57 20 asked. So just ask the question, and I'll determine
11:29:59 21 whether I'm going to object again, because I think we've
11:30:00 22 gotten too far afield to even remember what you asked.
11:30:07 23 So just please ask the question again.

11:30:09 24 BY MS. LANG:

11:30:09 25 Q. Okay. Let me try and come at it a different

11:30:11 1 way.

11:30:12 2 Would you agree that these laws seek to make
11:30:21 3 substantial and many different changes to the voter
11:30:26 4 registration process in Arizona?

11:30:28 5 A. Yes.

11:30:30 6 Q. And would you agree that there are a number of
11:30:33 7 components within the law that require interpretation
11:30:43 8 for implementation?

11:30:47 9 MR. WHITAKER: Calls for a legal
11:30:48 10 conclusion.

11:30:56 11 MS. PORTER: Form.

11:30:56 12 THE WITNESS: I think it requires an
11:31:00 13 analysis from the counties' perspective and the state's
11:31:04 14 perspective, including consultation with counsel.

11:31:08 15 BY MS. LANG:

11:31:12 16 Q. Okay.

11:31:12 17 A. And I'm not -- let me just say this. But as
11:31:15 18 far as those papers that we referenced, I'm not going
11:31:17 19 to -- I'm not going to pick up where I left off even if
11:31:21 20 I had counsel or not. That -- my days of drafting, of
11:31:27 21 being a scrivener, are done on these VRAC papers. So I
11:31:33 22 guess if that -- to the extent that that puts an end on
11:31:37 23 the legal counsel issue.

11:31:44 24 Q. Fair enough, and I hear you there.

11:31:46 25 Your office would still have a role with the

11:31:52 1 County Recorders in developing what the guidance in VRAC
11:31:56 2 papers should be on how to implement these laws; is that
11:31:56 3 right?

11:31:59 4 A. Yes.

11:32:00 5 Q. Okay. And I think you've answered this
11:32:13 6 already, but it's really the question I'm trying to get
11:32:15 7 at, which is would it be possible to fully implement
11:32:20 8 these laws without having legal counsel guidance to help
11:32:26 9 understand what they require?

11:32:28 10 MR. LANGHOFER: Calls for a legal
11:32:30 11 conclusion.

11:32:30 12 MS. PORTER: Form.

11:32:32 13 MR. MORGAN: Form.

11:32:32 14 THE WITNESS: There are so many obstacles,
11:32:36 15 I don't even know. I don't even know if I could
11:32:40 16 possibly list them all at this point.

11:32:43 17 BY MS. LANG:

11:32:43 18 Q. And that would be one of them?

11:32:45 19 A. Yeah.

11:32:46 20 Q. Okay. And so I think that we have this on the
11:32:56 21 record already, but -- well, let me back up.

11:33:01 22 Outside of the first kind of six VRAC drafts
11:33:07 23 that I have seen at least, the first three we talked
11:33:10 24 about are the jury questionnaire and out-of-state and
11:33:13 25 then these additional ones, are there any other drafts

11:33:17 1 of VRAC papers related to these challenged laws in
11:33:22 2 existence right now?

11:33:22 3 MR. MORGAN: Well, to be clear, her
11:33:23 4 testimony was that what she's looking at now weren't
11:33:26 5 actually VRAC drafts, notwithstanding the title at the
11:33:29 6 top.

11:33:29 7 THE WITNESS: Exactly.

11:33:29 8 MR. MORGAN: So I don't want you to fall
11:33:31 9 into that trap.

11:33:31 10 THE WITNESS: Exactly. Yes, exactly. I
11:33:34 11 never thought anyone would even see those and...

11:33:37 12 But regardless, there is one other VRAC
11:33:40 13 paper that has been discussed among the VRAC committee,
11:33:45 14 and it has to do with a change, anytime someone goes in
11:33:52 15 to change something on a voter's registration, so, for
11:33:59 16 example, if the street number's transposed and it has to
11:34:02 17 be corrected, you know, little things like that.

11:34:08 18 There has been discussion, apparently for
11:34:10 19 a long while, prior to this administration starting, but
11:34:17 20 the Office of the Secretary of State has had many
11:34:21 21 discussions about whether, you know, simple changes like
11:34:22 22 that are administrative changes or whether they're
11:34:26 23 substantive changes that would require the -- you know,
11:34:30 24 the whole HAVA check process to kick in. There are
11:34:37 25 discussions, and I'm not -- I was a part of a few, but

11:34:39 1 I'm not a part of it. I don't know the status of that
11:34:41 2 now.
11:34:42 3 BY MS. LANG:
11:34:42 4 Q. Are those about kind of what you might call
11:34:45 5 administrative use of --
11:34:47 6 A. Yeah, like administrative changes, so --
11:34:48 7 Q. Yeah.
11:34:49 8 A. -- just, yeah, if someone had a typo or
11:34:53 9 something.
11:34:53 10 Q. Yeah, I had seen some discussions of kind of
11:34:55 11 what the limitation should be on administrative
11:34:59 12 changes --
11:34:59 13 A. Yeah.
11:35:00 14 Q. -- versus other types of changes in the system.
11:35:02 15 A. Yes.
11:35:03 16 Q. Okay. Other than that additional paper, any
11:35:06 17 other kind of VRAC papers that are currently in
11:35:12 18 development as it pertains to these challenged laws?
11:35:14 19 A. No.
11:35:15 20 Q. Okay. So as of now, there's no kind of VRAC
11:35:20 21 paper in development about what would be valid sources
11:35:23 22 of information that someone is not a United States
11:35:27 23 citizen?
11:35:28 24 A. No.
11:35:29 25 Q. Or that, you know, what it means to obtain and

11:35:32 1 confirm -- obtain information and confirm that a person
11:35:36 2 who is registered to vote is not a U.S. citizen?

11:35:40 3 A. There are just no more VRAC papers.

11:35:42 4 Q. Yeah.

11:35:43 5 A. That's it.

11:35:43 6 Q. Yeah. And if you could look at -- go back to
11:35:52 7 the folder that we were at.

11:35:55 8 A. I need that ID.

11:36:01 9 Q. Okay.

11:36:01 10 MR. MORGAN: What folder?

11:36:04 11 MS. LANG: The folder SOS Exhibits 2, and
11:36:07 12 if we could go to AZSOS-357 --

11:36:10 13 MR. MORGAN: Wait. I've still got to find
11:36:12 14 the folder.

11:36:13 15 MS. BRAILEY: Okay, okay. Yeah, yeah,
11:36:14 16 yeah.

11:36:14 17 MR. MORGAN: Wait. I think we're out of
11:36:15 18 wherever you want us to be, because I don't know that
11:36:17 19 baby.

11:36:37 20 MS. LANG: Here you go, and now we just
11:36:38 21 need to find AZSOS-357613.

11:36:46 22 MR. MORGAN: Here you go.

11:36:53 23 THE WITNESS: Okay.

11:36:53 24 BY MS. LANG:

11:36:53 25 Q. And this appears to have an e-mail chain from

11:36:56 1 you dated April 5, 2023; is that correct?

11:37:02 2 A. April 5th --

11:37:05 3 Q. Yes.

11:37:06 4 A. -- 2023?

11:37:07 5 Q. Yes.

11:37:08 6 A. Yeah.

11:37:08 7 Q. And can we mark that as 271.

11:37:16 8 And if you could take a moment just to review
11:37:17 9 your e-mail there.

11:37:26 10 MR. WHITAKER: Are we on Exhibit 271?

11:37:28 11 MS. LANG: Yes.

11:37:32 12 THE WITNESS: Okay.

11:37:32 13 BY MS. LANG:

11:37:35 14 Q. Okay. So you wrote "We have now confirmed that
11:37:37 15 there will not be a stipulated injunction on H.B. 2243."

11:37:42 16 I, of course, do not want to get into kind of
11:37:45 17 the conversations that you had that maybe led you to
11:37:50 18 that understanding; but is it fair to say, based on this
11:38:08 19 e-mail, that in early April, based on your understanding
11:38:13 20 of the status of this litigation, it was the Secretary's
11:38:17 21 plan to try to move forward with the VRAC committee on
11:38:19 22 at least some components of implementation for
11:38:24 23 H.B. 2243?

11:38:28 24 MR. MORGAN: You can answer to the extent
11:38:29 25 it doesn't require or reflect discussions with counsel.

11:38:31 1 THE WITNESS: Yeah, it appears to be
11:38:34 2 saying that, but around this time -- so as I referenced
11:38:38 3 in the e-mail, the super user call -- or, no, no, it
11:38:42 4 would not have been the super user call.

11:38:45 5 So sometime in April was when Secretary
11:38:47 6 Fontes said to all of the County Recorders and elections
11:38:54 7 director on a county call that we're focusing on the
11:39:02 8 budget aspect, and this piecemeal VRAC approach, we're
11:39:09 9 not going to continue with that. We have to get the
11:39:11 10 money first, or something. I can't remember his exact
11:39:15 11 words, but he, you know, pretty much said there are so
11:39:19 12 many VRAC committees that are -- or VRAC papers, we just
11:39:24 13 need to focus on -- you know, we need to start from
11:39:28 14 square one.

11:39:29 15 BY MS. LANG:

11:39:29 16 Q. Okay. And thank you for that.

11:39:30 17 So was this conversation after you sent this
11:39:35 18 e-mail?

11:39:37 19 A. Absolutely, yeah. I wouldn't have sent it
11:39:40 20 otherwise.

11:39:40 21 Q. Okay. So there was a plan to try to move
11:39:42 22 forward with some of these VRAC papers, and there was a
11:39:46 23 decision to stop that; is that fair to say?

11:39:50 24 A. You know, I'm not -- let me just clarify,
11:39:53 25 because I'm not clear on whether the juror questionnaire

11:39:59 1 issue is part of this litigation. Is it?

11:40:01 2 Q. Yes.

11:40:02 3 A. Okay. And I only ask because my -- I haven't
11:40:06 4 read all of the complaints.

11:40:07 5 Q. Fair.

11:40:08 6 A. Because I was -- I was a deputy county attorney
11:40:12 7 and I had only read the ones that the counties were
11:40:16 8 involved.

11:40:17 9 But as far as the juror questionnaire, the line
11:40:22 10 of thinking was that we could weave in the statutory
11:40:26 11 requirements within the federal requirements. So, yeah,
11:40:34 12 at the time that's what -- that's what our goal was, to
11:40:37 13 thread that needle.

11:40:39 14 Q. Okay. So sometime after that Secretary Fontes
11:40:46 15 on a call kind of communicated that he'd like to take a
11:40:50 16 different approach; is that -- is that right?

11:40:55 17 A. Well --

11:40:56 18 Q. Rather -- let me back up. Let's just -- let's
11:40:59 19 back up.

11:41:01 20 Okay. So do you recall when Secretary Fontes
11:41:04 21 kind of came on a call with the County Recorders and
11:41:07 22 kind of discussed how he wanted to prioritize moving
11:41:11 23 forward on these implementation plans?

11:41:14 24 MR. MORGAN: Form.

11:41:15 25 THE WITNESS: So let me just put it this

11:41:17 1 way. I would have not -- I am not empowered or was not
11:41:24 2 empowered or was not comfortable with making that
11:41:28 3 decision. But Secretary Fontes did reach that
11:41:31 4 conclusion, like this is taking up a certain amount of
11:41:36 5 bandwidth and we need to focus on the budget, because
11:41:40 6 regardless of what these VRAC papers say or do or what
11:41:43 7 people, you know, reach the conclusion on on how to do
11:41:47 8 it, we need the money. So the county calls I believe
11:41:52 9 are once a month. It probably was the April call.
11:41:55 10 That's my best guess.

11:41:57 11 BY MS. LANG:

11:42:00 12 Q. Okay. And so based on that decision from
11:42:04 13 Secretary Fontes, did the work at least from the
11:42:06 14 Secretary's Office on these VRAC papers largely stop?

11:42:11 15 A. Yes.

11:42:12 16 Q. Okay. And my understanding is that you finally
11:42:16 17 have gotten some approval for the budgetary issues
11:42:19 18 involved; is that right?

11:42:21 19 A. Yes.

11:42:21 20 Q. Okay. Is the plan to now pick up those
11:42:24 21 processes with the VRAC committee, now that the
11:42:27 22 budgetary issues have been resolved?

11:42:29 23 A. No. So to clarify, we need to internally
11:42:36 24 establish what we're going to do, because we're not
11:42:39 25 going to go into a meeting with 15 County Recorders and

11:42:44 1 all of these changes that need to be implemented without
11:42:48 2 an internal plan. So we're not going to even initiate a
11:42:53 3 VRAC call until we internally are in agreement.

11:42:58 4 Q. Okay. And is the process in place now for you
11:43:03 5 all, for the Secretary of State's Office, internally to
11:43:07 6 start to create that internal plan?

11:43:10 7 A. That's our next step, yes.

11:43:14 8 Q. Okay. Is there an initial meeting set for
11:43:17 9 starting that plan?

11:43:21 10 A. Well, you know, summers are challenging in
11:43:24 11 Arizona, in Phoenix, and we just got the PIJ process
11:43:31 12 approved last week, but many people are on vacation. So
11:43:38 13 it's -- frankly, it's just futile sometimes trying to
11:43:41 14 plan summer meetings.

11:43:44 15 Q. Fair enough. Some sometime this fall you'll
11:43:47 16 move forward with that, is that the current thinking?

11:43:49 17 A. Yeah. I can't say when. You know, we could do
11:43:52 18 something remotely. I don't know. We just don't have
11:43:56 19 that formalized.

11:43:57 20 Q. It's not set yet?

11:43:58 21 A. Yeah.

11:43:59 22 Q. That was my only question.

11:44:01 23 So during the Maricopa County Recorder's
11:44:06 24 deposition, the County Recorder there had said that the
11:44:08 25 kind of VRAC paper, the jury questionnaire VRAC paper,

11:44:15 1 had been revoked. I don't know if that's the right
11:44:17 2 terminology, and we need not go into it; but is the kind
11:44:20 3 of reason for the stoppage that the County Recorder's
11:44:25 4 Office identified the same one that we just talked
11:44:27 5 about, that Secretary Fontes' decision about how to kind
11:44:31 6 of proceed with implementation plans?

11:44:33 7 MR. MORGAN: Form.

11:44:35 8 MS. PORTER: Form, foundation.

11:44:41 9 THE WITNESS: The Maricopa County
11:44:43 10 Recorder's Office was not happy that the Secretary of
11:44:45 11 State was no longer going to be the sole drafter of the
11:44:50 12 VRAC papers, so if she character -- Janine Petty
11:44:56 13 characterized it as revoked, that was her
11:45:00 14 interpretation. Someone can very well -- I hand the
11:45:02 15 baton off to them. That's how it -- that's what
11:45:09 16 happened.

11:45:09 17 BY MS. LANG:

11:45:10 18 Q. Fair enough. I think we might be talking about
11:45:12 19 two different things, and that's my fault.

11:45:14 20 You know, there's the question about who is
11:45:15 21 going to do -- you know, do the drafting of the VRAC
11:45:20 22 papers, and I entirely understand that.

11:45:22 23 And then there is the kind of -- there was, you
11:45:25 24 know, substantial move forward on the jury questionnaire
11:45:28 25 item and then there was a decision to not move forward

11:45:32 1 on that. And I understood you to be saying that was
11:45:35 2 because the Secretary determined that that wasn't the
11:45:37 3 kind of most efficient way to move forward with
11:45:41 4 implementation plans; is that fair?

11:45:43 5 A. Yeah. Well, okay, so, again, VRAC is a
11:45:47 6 16-member committee. We're one member. So we don't
11:45:50 7 have to even initiate a meeting. Any county can run --
11:45:55 8 we can have 20 VRAC papers going and we don't even have
11:45:58 9 to vote on it. So there's nothing holding them back.
11:46:06 10 You know, the Secretary of State announced his position,
11:46:10 11 and that's -- it is what it is.

11:46:12 12 Q. I understand.

11:46:13 13 So it's the Secretary of State's position that
11:46:17 14 your office will not be leading that VRAC work, but that
11:46:19 15 is not an indication to VRAC generally that they are not
11:46:23 16 permitted to move forward on this, and they would be
11:46:25 17 free to do so?

11:46:27 18 A. The Secretary of State is charged with, I think
11:46:32 19 in the mission statement, you know, coordinating and
11:46:37 20 collaborating with the counties, just to get things
11:46:40 21 going.

11:46:40 22 Q. Yeah.

11:46:41 23 A. And then to incorporate any of the
11:46:45 24 recommendations or whatever's adopted in a VRAC paper
11:46:48 25 into the EPM. But any of the 16 members can draft it.

11:46:54 1 So the Secretary of State is not saying you can't draft
11:46:57 2 it. He's just saying we're not doing it.

11:47:00 3 Q. Right. And I think you testified earlier that
11:47:02 4 it's not even that you will never do it, but at least
11:47:05 5 right now that's not what you're doing on these items,
11:47:07 6 because you're focused on different parts of your
11:47:11 7 process?

11:47:11 8 A. Well, yeah, we're focused on the budget, and,
11:47:15 9 frankly, my focus as the elections director is on the
11:47:19 10 EPM.

11:47:21 11 Q. 100 percent. And that's what I'm going to move
11:47:25 12 on to is talking about the EPM.

11:47:29 13 We mentioned that there is a version of the EPM
11:47:36 14 out for public comment, and that was posted on August 1;
11:47:36 15 is that right?

11:47:39 16 A. Yes.

11:47:40 17 Q. And I have seen and others have seen the draft
11:47:45 18 EPM version that you've given to the counties of the
11:47:47 19 voter registration chapter, and that was released in
11:47:49 20 July to them; is that correct?

11:47:54 21 A. The last part of the EPM.

11:47:56 22 Q. Yes.

11:47:56 23 A. That was, yes, in July.

11:47:59 24 Q. With respect to the registration chapter alone,
11:48:09 25 did your office make changes between the draft that was

11:48:13 1 sent to the counties and the draft that was published on
11:48:18 2 August 1, you know, for the public to view?

11:48:22 3 A. Yes.

11:48:24 4 Q. Okay. And I think I understood this from your
11:48:29 5 testimony earlier, but are you the person who's
11:48:31 6 primarily responsible for that drafting?

11:48:33 7 A. Yes.

11:48:34 8 Q. Okay. And were those changes primarily kind of
11:48:38 9 in response to county comments?

11:48:41 10 A. Yes.

11:48:41 11 Q. Okay. And you kind of volunteered this
11:48:54 12 earlier, so let me just make sure I'm clear about it.
11:48:57 13 There are components of H.B. 2492 and H.B. 2243 that are
11:49:04 14 included in the 2023 EPM that went out for public
11:49:10 15 comment, correct?

11:49:10 16 A. Correct.

11:49:12 17 Q. Okay. And -- but I think I understood your
11:49:13 18 testimony to be that the approach you took with respect
11:49:17 19 to those bills was to put in the statutory language, but
11:49:23 20 not provide any kind of additional guidance or policy
11:49:28 21 around those new statutory changes; is that true?

11:49:32 22 A. Yeah, that's correct. I think the only change
11:49:35 23 that I made was to the statute that provided a voter
11:49:45 24 registration form shall be rejected, whatever. I can't
11:49:49 25 even remember. But where they used the word rejected,

11:49:51 1 the county said that's not a word, a status code, and so
11:49:55 2 I put -- I changed that to not registered. But that's
11:49:59 3 it. Otherwise, I kept it verbatim.

11:50:03 4 Q. Yeah. Generally, one of the goals and purposes
11:50:11 5 of the EPM is to not only outline the bare statutory
11:50:21 6 language, but to fill in the gaps for implementation; is
11:50:23 7 that correct?

11:50:23 8 A. That's correct.

11:50:24 9 Q. Okay. But for this draft in this moment, your
11:50:32 10 office has not taken that approach for these challenged
11:50:36 11 provisions; is that right?

11:50:39 12 MR. MORGAN: Form.

11:50:42 13 BY MS. LANG:

11:50:42 14 Q. And I just want to be clear that it's not a
11:50:44 15 critique. I just want to be clear about kind of what
11:50:49 16 the current approach is to these provisions in the EPM.

11:50:52 17 A. So to the degree that any of this legislation
11:50:55 18 will be in the final EPM, that decision has not been
11:51:01 19 made.

11:51:02 20 Q. Okay. Yes. But the draft that's out there in
11:51:04 21 the world right now, the approach that was taken was to
11:51:07 22 only include the statutory -- kind of clear statutory
11:51:11 23 language, and not do that kind of gap filling exercise
11:51:15 24 yet?

11:51:17 25 A. Yeah. Exactly.

11:51:22 1 Q. Okay. And I think you testified earlier at
11:51:25 2 some point, in some form, County Recorders will need
11:51:30 3 additional guidance to implement these laws in a way
11:51:33 4 that would be uniform; is that right?

11:51:36 5 MR. LANGHOFER: Calls for a legal
11:51:40 6 conclusion.

11:51:40 7 MR. WHITAKER: Speculation.

11:51:41 8 THE WITNESS: Yeah, guidance from whom?

11:51:43 9 BY MS. LANG:

11:51:44 10 Q. That's a good question.

11:51:47 11 Based on the statutory language itself, without
11:51:55 12 any VRAC papers or EPM -- scratch that.

11:52:04 13 In order to achieve uniformity in implementing
11:52:12 14 these laws, is it your view that additional guidance to
11:52:20 15 the County Recorders from whomever it may come, whether
11:52:23 16 it be the VRAC committee or the Secretary or whatnot,
11:52:26 17 would be necessary to create uniformity?

11:52:29 18 MR. LANGHOFER: Vague, calls for a legal
11:52:34 19 conclusion.

11:52:34 20 THE WITNESS: Well, any implementation of
11:52:36 21 any of these laws the counties should consult with their
11:52:42 22 Deputy County Attorney or County Attorney. That's it.

11:52:56 23 BY MS. LANG:

11:52:56 24 Q. With respect to the registration chapter, I
11:52:59 25 understand it was released to the County Recorders in

11:53:02 1 July and then you had an initial call with them?

11:53:05 2 A. Yes.

11:53:05 3 Q. Is that right?

11:53:06 4 A. Yes.

11:53:06 5 Q. Okay. And what kind of feedback did you
11:53:11 6 receive from the County Recorders during that call?

11:53:16 7 A. So the second Tuesday of the month was the date
11:53:19 8 by which I requested comments, and so Matt Webber from
11:53:25 9 Yavapai County was the only county that had submitted
11:53:29 10 written comments, and then the day before our meeting
11:53:34 11 with the county Janine Petty sent Maricopa County's
11:53:41 12 comments. So, yeah, the call entailed going through the
11:53:45 13 comments from Maricopa and Yavapai Counties.

11:53:52 14 Q. Okay. Since that call, have you received any
11:53:55 15 additional comments from other counties on that chapter?

11:54:03 16 A. I don't know. I can't remember specifically.

11:54:06 17 Q. Okay. And you mentioned having kind of
11:54:10 18 one-on-one conversations with some of the counties.

11:54:13 19 Have you had any one-on-one conversations with the
11:54:16 20 counties about that part of the EPM?

11:54:23 21 A. I talked to different counties, the county
11:54:27 22 elections directors, County Recorders, deputy county
11:54:30 23 recorder -- I'm sorry, chief deputies. I can't say
11:54:33 24 exactly when, like in what sequence or who I talked to
11:54:38 25 about what. Nothing jumps out at me, I guess, at this

11:54:43 1 point.

11:54:43 2 Q. So you don't recall any specific conversations
11:54:45 3 one-on-one with County Recorders about the voter
11:54:48 4 registration part of the manual?

11:54:51 5 A. I can't recall.

11:55:11 6 Q. You've testified that there's no final decision
11:55:14 7 about whether the parts of the EPM that currently -- let
11:55:19 8 me restate the question.

11:55:20 9 I believe you've testified there's no decision
11:55:26 10 about whether or not the draft EPM that you submit on
11:55:30 11 October 1 will include provisions related to the
11:55:34 12 challenged laws in this case, is that right?

11:55:36 13 A. There's no final decision, right.

11:55:39 14 Q. Okay. You'll have to make that decision by
11:55:42 15 October 1st; is that fair to say?

11:55:44 16 A. Yes.

11:55:45 17 Q. Okay. Putting aside any conversations you've
11:55:48 18 had with counsel, do you have kind of any process
11:55:53 19 outlined for how you're going to get to that decision by
11:55:55 20 October 1? I know you said it's causing you to lose
11:55:59 21 sleep, and I understand that. It's -- I understand
11:56:02 22 that.

11:56:03 23 If you could just let me know what process, if
11:56:06 24 any, do you envision for how you will kind of come to
11:56:09 25 that decision?

11:56:13 1 MR. MORGAN: Calls for speculation.

11:56:15 2 To the extent you have a process.

11:56:16 3 THE WITNESS: Yeah, there's just no
11:56:18 4 established process. I mean it's -- how do you go about
11:56:21 5 doing that? I mean I've read the comments. I continue
11:56:23 6 to read the comments. The comments are posted, if you
11:56:26 7 want to read the comments.

11:56:27 8 BY MS. LANG:

11:56:27 9 Q. I have.

11:56:27 10 A. And you'll see they are all over the place on
11:56:30 11 this very topic.

11:56:32 12 Q. Yes.

11:56:33 13 A. And we're going to pick, have to make a
11:56:36 14 decision, and it's not going to be an easy one.

11:56:39 15 Q. Is that a decision that the Secretary will be
11:56:41 16 involved in?

11:56:42 17 A. Absolutely.

11:56:44 18 Q. Okay. And will he be the ultimate
11:56:47 19 decision-maker?

11:56:48 20 A. Yes. It's his manual. Yes.

11:56:49 21 Q. And I have it, if we need it, but I don't know
11:56:58 22 that we do. One comment that caught my eye when I was
11:57:01 23 reviewing the public comments was from Senators
11:57:04 24 Hernandez and Sundareshan. Do you recall seeing a
11:57:09 25 comment from the Senators?

11:57:11 1 A. I don't. I know a lot of legislators submit
11:57:14 2 comments, but I can't say specifically those
11:57:16 3 legislators.

11:57:18 4 Q. So they wrote -- they wrote in favor of
11:57:23 5 removing these components from the EPM, given the
11:57:28 6 pending litigation, and wrote in particular, quote,
11:57:31 7 Should these components remain in the 2023 EPM, it could
11:57:35 8 lead to confusion and, comma, more concerningly, comma,
11:57:39 9 voters being denied the ability to register or vote a
11:57:43 10 full ballot based on a law that may ultimately be
11:57:45 11 rejected by the courts, end quote.

11:57:48 12 Does the concerns raised by the Senators kind
11:57:57 13 of reflect some of the concerns that are perhaps keeping
11:58:01 14 you up at night?

11:58:03 15 MR. MORGAN: Form.

11:58:07 16 MR. LANGHOFER: Calls for a legal
11:58:08 17 conclusion.

11:58:08 18 THE WITNESS: You know, the comments are
11:58:08 19 all over the place. Many of the comments are to that
11:58:13 20 effect. Many of the comments are that the entire voter
11:58:17 21 registration chapter should be removed. Many of the
11:58:20 22 comments say you have to start enforcing documentary
11:58:25 23 proof of citizenship, which has been the law nearly
11:58:28 24 20 years now. So there are a vast number of comments.
11:58:35 25 Yes, we received more than one comment about removing

11:58:39 1 the subject matter of this litigation.

11:58:43 2 BY MS. LANG:

11:58:43 3 Q. Yeah.

11:58:44 4 MR. MORGAN: So just for those keeping
11:58:46 5 track at home, it's noon. I'm starving. So whenever
11:58:50 6 you guys are prepared to break, I'd love a break.

11:58:56 7 MS. LANG: I have just a couple questions
11:58:57 8 left on this topic, and then why don't we break.

11:58:59 9 MR. MORGAN: Okay.

11:59:00 10 BY MS. LANG:

11:59:00 11 Q. Okay. You testified earlier that there are a
11:59:05 12 few options on the table about how to approach the
11:59:09 13 challenged provisions in this law and the EPM and that,
11:59:12 14 you know, none of them are perfect; is that fair to say?

11:59:15 15 A. Yeah, none of them are perfect. None of them
11:59:18 16 are going to please everyone.

11:59:20 17 Q. Yeah. Can you outline kind of what those
11:59:22 18 options on the table are right now?

11:59:25 19 A. I can't. I just don't even know where to
11:59:29 20 begin. I just can't. I can't. The EPM is an
11:59:33 21 overwhelming document. It's nearly 300 pages that's
11:59:37 22 consumed the last five months of my life. I can't
11:59:40 23 possibly start to say what -- you know, and
11:59:42 24 differentiate between the voter registration, fairly
11:59:45 25 differentiate between the many other topics that are

11:59:49 1 very important too.

11:59:51 2 For example, the hand count audit, the
11:59:54 3 certification of an election all are subject of
11:59:57 4 different litigations. So it just wouldn't be fair to
11:59:59 5 even try to go through the deliberative process.

12:00:02 6 Q. That's fair, and I'm not asking you to do that.

12:00:06 7 With respect to whether to include the
12:00:08 8 provisions of the law here or not, I imagine there's a
12:00:14 9 limited set of options. Like what are the options that
12:00:16 10 you kind of see before you right now? I know that
12:00:18 11 making those decisions will be incredibly hard and
12:00:22 12 require a lot of considerations, but kind of what are
12:00:25 13 the options as you see them?

12:00:27 14 MR. MORGAN: Objection, asked and
12:00:29 15 answered.

12:00:29 16 If you have a different answer.

12:00:30 17 THE WITNESS: I don't have a different
12:00:31 18 answer.

12:00:33 19 BY MS. LANG:

12:00:33 20 Q. Is one of the options to remove references to
12:00:37 21 the challenged provisions altogether?

12:00:39 22 A. I'm not going to speculate. I'm not. I mean
12:00:42 23 I'm just not going to speculate. There's not -- there's
12:00:44 24 not an answer I can give you right now that's going to
12:00:47 25 satisfy you.

12:01:10 1 Q. Given your testimony, is it your position that
12:01:12 2 kind of all options are on the table right now?

12:01:14 3 MR. MORGAN: Objection, asked and
12:01:21 4 answered.

12:01:21 5 THE WITNESS: As I said, there are many
12:01:24 6 options. I could not give you an exhaustive list of
12:01:27 7 what the options are.

12:01:28 8 BY MS. LANG:

12:01:28 9 Q. Could you give me some examples of options?

12:01:30 10 A. No, I'm not going to.

12:01:32 11 MR. MORGAN: She's been asked the same
12:01:33 12 question. She's not going to answer it any differently.

12:01:33 13 MS. LANG: You know --

12:01:37 14 MR. MORGAN: It's not happening. She's
12:01:37 15 not answering the question any differently.

12:01:44 16 THE WITNESS: I'm also speaking on behalf
12:01:45 17 of the office, so I -- it really wouldn't be fair of me
12:01:49 18 to even delve into that without at least engaging the
12:01:55 19 Secretary. I mean it's --

12:01:56 20 MR. MORGAN: You're on the record, so
12:01:56 21 let's not do it on the record.

12:01:58 22 On the record she's answered the question.
12:02:01 23 She said she's not going to speculate about what options
12:02:03 24 could be available to the office. I think that's a fair
12:02:05 25 answer. We need to move on. And I'm starving.

12:02:10 1 MS. LANG: We can take a break. We are
12:02:12 2 probably going to revisit this question, so --

12:02:13 3 MR. MORGAN: We're not. You can take it
12:02:14 4 to the judge. We're not talking about it anymore.
12:02:16 5 She's given you her answer. If you have a different
12:02:19 6 question, you can ask it. These questions, we're done.

12:02:23 7 MR. LANGHOFER: I'm sorry to belabor this
12:02:25 8 because we all want to go to lunch, but is the question
12:02:27 9 what they're going to do in deciding whether to
12:02:31 10 implement this in the next EPM?

12:02:33 11 MS. LANG: The question is simply what
12:02:35 12 options are being considered about whether and how these
12:02:39 13 provisions will be included in the EPM.

12:02:41 14 MR. LANGHOFER: Okay.

12:02:42 15 MS. LANG: I kind of think it's a question
12:02:43 16 that you may also be interested in the answer to, and I
12:02:49 17 think it's squarely in the scope. But let's go off the
12:02:53 18 record and take a lunch break.

12:02:55 19 MR. LANGHOFER: Thanks.

12:02:56 20 MS. LANG: Thank you.

RETRIEVED FROM DEMOCRACYDOCKET.COM

12:57:31 1 THE VIDEOGRAPHER: We are on the record. The
12:57:32 2 time on the video monitor is 12:57 p.m.

12:57:36 3 BY MS. LANG:

12:57:42 4 Q. Okay. Thank you.

12:57:46 5 So I think when we left off we were talking
12:57:49 6 about the difficult decisions you all are going to have to
12:57:53 7 make about how to format the EPM, given the ongoing
12:57:58 8 challenges to some of the provisions at issue in this
12:58:01 9 litigation.

12:58:02 10 A. Yes.

12:58:02 11 Q. Okay. Can you describe for me -- and I understand
12:58:06 12 that it will not be an exhaustive list -- some of the
12:58:10 13 considerations that go into making that decision about
12:58:15 14 whether or not to include provisions that are currently
12:58:18 15 being challenged in court in the EPM?

12:58:22 16 MR. MORGAN: Form and object to the extent it
12:58:26 17 calls for speculation.

12:58:33 18 If you understand the question, you can
12:58:34 19 answer.

12:58:34 20 THE WITNESS: I do, yes. I have a hard time
12:58:44 21 responding, you know, how I -- I know you want me to give
12:58:47 22 you some definitive list or some examples. I am reluctant
12:58:53 23 to say anything because I don't want to preclude or
12:58:56 24 foreclose Secretary Fontes from making a decision or
12:59:00 25 feeling locked into a decision. And I don't think I could

12:59:06 1 articulate the options very well at this point.

12:59:14 2 MS. PORTER: I'm sorry. Has the deposition
12:59:15 3 started? Because I cannot hear anything from anyone on the
12:59:20 4 Coash line.

12:59:24 5 MR. MORGAN: It has. Can you hear me at all?

12:59:27 6 MR. WHITAKER: I can hear, Hannah, but it's
12:59:28 7 fainter -- much fainter than it was before. I don't know
12:59:31 8 if others are having that experience.

12:59:34 9 THE COURT REPORTER: Do you want to go off
12:59:34 10 the record?

12:59:36 11 MR. MORGAN: Let's go off the record.

12:59:36 12 MS. LANG: Let's go off the record.

12:59:39 13 THE VIDEOGRAPHER: We are off the record.

12:59:46 14 The time on the video monitor is 12:59 p.m.

12:59:54 15 (An off-the-record discussion ensued.)

13:02:33 16 THE VIDEOGRAPHER: We are on the record. The
13:04:30 17 time on the video monitor is 1:04 p.m.

13:04:37 18 BY MS. LANG:

13:04:38 19 Q. I apologize. I'm going to try to get us back
13:04:40 20 again.

13:04:42 21 Prior to our larger break, we had discussed
13:04:48 22 the decision facing the secretary and the secretary's
13:04:54 23 office about how to include or not include provisions that
13:04:56 24 are challenged in this lawsuit in the EPM. And that
13:05:00 25 decision has to be made by October 1; is that right?

13:05:03 1 A. Yes.

13:05:03 2 Q. Okay. And you said there's, you know, many
13:05:07 3 considerations that have to go into that. Is that fair to
13:05:11 4 say?

13:05:11 5 A. Yes.

13:05:11 6 Q. Okay. Without being in any way exhaustive, what
13:05:15 7 are some of the considerations that go into making that
13:05:19 8 choice?

13:05:20 9 A. The considerations are -- involve any potential
13:05:32 10 violations of federal law, the supremacy clause, any cases,
13:05:40 11 historical procedures.

13:05:45 12 Q. The uncertainty about the outcome of this lawsuit;
13:05:48 13 is that fair to say?

13:05:48 14 A. That's correct, yes.

13:05:49 15 Q. Okay. Moving on from the EPM, if the provisions
13:06:05 16 of these laws go into effect and need to be fully
13:06:09 17 implemented, that will require some changes to the state
13:06:13 18 voter registration form as well; is that correct?

13:06:15 19 A. Yes.

13:06:15 20 Q. Okay. Those changes have not yet been made in the
13:06:21 21 form that is available to the public. Is that also
13:06:23 22 correct?

13:06:23 23 A. Yes.

13:06:24 24 Q. Okay. Are there any drafts yet of new state voter
13:06:30 25 registration forms that would include the requirements of

13:06:32 1 the HB 2492?

13:06:33 2 A. No.

13:06:34 3 Q. Okay. I believe one of the requirements of a
13:06:46 4 piece of legislation from 2022 -- not a law at issue in
13:06:53 5 this case, but SB 1013 required the Secretary of State's
13:06:57 6 Office to ask the Election Assistance Commission to change
13:07:01 7 the instructions about documentary proof of citizenship on
13:07:07 8 the federal form. Are you aware of that?

13:07:10 9 A. Yes.

13:07:10 10 Q. Okay. Could you open AZSOS 533 that says, "EAC
13:07:17 11 letter." And we'll mark that as 272.

13:07:17 12 (The document was marked as Exhibit 272
13:07:26 13 for identification.)

13:07:26 14 THE WITNESS: EAC letter.

13:07:29 15 BY MS. LANG:

13:07:30 16 Q. Yes. Okay.

13:07:45 17 A. Is it in one of the folders perhaps?

13:07:48 18 Q. Yes. Apologies. It's in the SOS Exhibits 2
13:07:50 19 folder, AZSOS 533.

13:07:55 20 A. Okay.

13:07:55 21 Q. EAC letter.

13:07:57 22 A. All righty.

13:08:01 23 Q. Have you seen this document before?

13:08:12 24 A. Yes.

13:08:15 25 Q. And is this the letter that Secretary Hobbs sent

13:08:21 1 pursuant to that statute we just discussed requesting
13:08:24 2 updated -- or requesting these different instructions about
13:08:29 3 documentary proof of citizenship on this -- on the federal
13:08:31 4 form?

13:08:32 5 A. Yes.

13:08:32 6 Q. Okay. And do you know if the office has received
13:08:38 7 a response to this letter?

13:08:42 8 A. Not that I'm aware of.

13:08:44 9 Q. Have there been any discussions with the Election
13:08:48 10 Assistance Commission about this request?

13:08:51 11 A. Not that I'm aware of.

13:08:52 12 Q. Okay. And it's correct that these updated
13:08:59 13 instructions have not been included in the federal form;
13:09:04 14 correct?

13:09:04 15 A. That's correct.

13:09:05 16 Q. Okay. One of the steps in preparing to implement
13:09:23 17 these challenged laws, I imagine, will be the creation of
13:09:27 18 template notice letters to voters. Is that -- is that fair
13:09:35 19 to say?

13:09:37 20 A. You know, I don't know. I -- that's something I
13:09:46 21 don't know if we will -- the Secretary of State's Office
13:09:48 22 will continue the practice of drafting template letters.

13:09:52 23 Q. Okay. Historically, has the Secretary of State's
13:09:56 24 Office kind of provided template notice letters to the
13:10:00 25 county recorders that they can then use for various

13:10:02 1 election mail purposes?

13:10:04 2 A. Yes.

13:10:04 3 Q. Okay. But you're not sure if Secretary Fontes's
13:10:10 4 office will continue that practice?

13:10:11 5 A. Yeah, I don't know if we will.

13:10:14 6 Q. Okay. Is it fair to say that your office has not
13:10:19 7 yet drafted any template notice letters related to the
13:10:25 8 challenged provisions?

13:10:25 9 A. There were a few template letters drafted for the
13:10:30 10 first three draft VRAC papers that we discussed.

13:10:34 11 Q. Okay. Were any of those finalized or no?

13:10:37 12 A. No.

13:10:38 13 Q. Okay. Because the VRAC papers themselves have not
13:10:41 14 been finalized; right?

13:10:45 15 A. That was one reason.

13:10:48 16 Q. Okay. Any other reasons?

13:10:51 17 A. There -- there was. I -- which is a legal
13:10:57 18 question that I don't know the answer to. But the NVRA
13:11:04 19 process of whether the initial letter sent out by the jury
13:11:09 20 commissioner satisfies the first NVRA letter notice to the
13:11:17 21 voter -- because the secretary of state's VRAC paper picked
13:11:24 22 up the process kind of in the middle; whereas, there was
13:11:29 23 only one letter being sent to the voter by -- via
13:11:34 24 forwardable mail. And I had some reservations because it
13:11:38 25 didn't seem as though it complied with the two step -- or

13:11:44 1 the two letters in two consecutive elections because -- if
13:11:51 2 the juror commissioner letter satisfied the first letter
13:11:54 3 requirement, if that makes sense.

13:11:55 4 Q. It does.

13:11:56 5 And I think you answered this question, but
13:11:59 6 so far, your office has not kind of resolved that question
13:12:02 7 or set of concerns; correct?

13:12:04 8 A. We've not resolved it. We would need to seek
13:12:08 9 legal advice on that.

13:12:10 10 Q. Okay. Okay. You mentioned that the kind of
13:12:25 11 outreach coordinator role has kind of moved outside of the
13:12:30 12 elections department; is that correct?

13:12:31 13 A. Yes, it has.

13:12:32 14 Q. And does that include any kind of voter education
13:12:36 15 that the Secretary of State's Office will do, or is it a
13:12:40 16 more limited scope?

13:12:42 17 MR. MORGAN: Form.

13:12:43 18 THE WITNESS: Well, the voter outreach
13:12:46 19 employee has moved outside of the elections department, but
13:12:53 20 that person will still be involved in election-related
13:12:56 21 matters. For example, the assistant -- excuse me -- the
13:13:02 22 deputy assistant secretary of state has already scheduled
13:13:08 23 certain outreach events.

13:13:09 24 We've had meetings on the EPM with the Inter
13:13:15 25 Tribal Council of Arizona. We've had a meeting with the

13:13:17 1 Navajo Nation Tribal Council and the Navajo Nation
13:13:21 2 Department of Justice on the EPM. So that process has
13:13:25 3 started in collaboration with the outreach director.

13:13:29 4 BY MS. LANG:

13:13:30 5 Q. Okay. And were you involved in those meetings
13:13:32 6 that you just mentioned?

13:13:34 7 A. Yes.

13:13:34 8 Q. Okay. And so is it fair to say that kind of
13:13:40 9 members of the elections department will continue to work
13:13:42 10 with the outreach coordinator to implement voter education
13:13:47 11 plans?

13:13:47 12 A. Absolutely. Yes.

13:13:48 13 Q. Okay. Based on your testimony today, it seems as
13:13:55 14 though this may be a few steps ahead --

13:13:57 15 A. Okay.

13:13:58 16 Q. -- but have there been yet any discussions or
13:14:04 17 plans as to what the voter education or outreach would need
13:14:07 18 to look like if the challenged laws are fully implemented?

13:14:13 19 A. Well, let me first back up. The voter -- or the
13:14:17 20 outreach coordinator was only recently hired -- I would say
13:14:23 21 maybe six or eight weeks ago. So fairly recently.

13:14:28 22 Q. Yes.

13:14:28 23 A. But any outreach will be done through her as well
13:14:33 24 as the assistant Secretary of State's Office.

13:14:36 25 Q. Are you aware of any plans yet as to how voter

13:14:43 1 outreach would be conducted if these new requirements are
13:14:48 2 put in -- into effect?

13:14:51 3 A. I'm not privy to any scheduled voter outreach at
13:14:56 4 this point.

13:14:57 5 Q. Is it fair to say that some amount of voter
13:15:08 6 education and outreach will be necessary if the challenged
13:15:14 7 provisions are fully implemented?

13:15:16 8 MR. LANGHOFER: Form.

13:15:17 9 MR. MORGAN: Speculation.

13:15:20 10 THE WITNESS: Can you be more specific about
13:15:20 11 what part of the challenges?

13:15:22 12 BY MS. LANG:

13:15:22 13 Q. Yes.

13:15:23 14 For example -- as an example, if the
13:15:24 15 documentary proof of residency requirement were to be fully
13:15:29 16 implemented, would some amount of voter education and
13:15:34 17 outreach be necessary to ensure that voters understand
13:15:37 18 those new requirements and -- and can comply with them?

13:15:40 19 A. Yes, I agree.

13:15:42 20 MR. LANGHOFER: Same objections.

13:15:50 21 BY MS. LANG:

13:16:08 22 Q. Okay. Beyond the legal issues at -- at play in
13:16:13 23 this case, what are the secretary's greatest concerns about
13:16:17 24 implementation of the challenged laws?

13:16:20 25 MR. MORGAN: Form.

13:16:21 1 MR. LANGHOFER: Form. Calls for legal
13:16:25 2 conclusion.
13:16:25 3 MS. LANG: I'm sorry. Can you clarify what
13:16:27 4 legal conclusion?
13:16:28 5 MR. LANGHOFER: I'm not sure what --
13:16:28 6 THE COURT REPORTER: Can you speak up?
13:16:31 7 MR. LANGHOFER: I'm not sure what her answer
13:16:32 8 is going to be, but you've been asking about the secretary
13:16:36 9 and his predecessor's legal concerns about it, so I think
13:16:39 10 you're still mining that vein. If I'm wrong --
13:16:43 11 MS. LANG: I said "beyond the legal issues."
13:16:45 12 MR. LANGHOFER: Oh. In that case, it doesn't
13:16:47 13 apply.
13:16:47 14 MS. LANG: Okay. That -- I just wanted to
13:16:48 15 understand.
13:16:49 16 BY MS. LANG:
13:16:50 17 Q. Beyond the legal issues, what are the kind of
13:16:51 18 practical or other impact concerns that the secretary has
13:16:59 19 about implementation of the challenged laws?
13:17:01 20 MR. MORGAN: You mean -- you mean the office?
13:17:02 21 MS. LANG: The office. Always the office.
13:17:04 22 MR. MORGAN: Okay.
13:17:05 23 MS. LANG: But thank you.
13:17:08 24 THE WITNESS: Well, I'll just start with the
13:17:11 25 issue you just brought up: documentary proof of residency.

13:17:21 1 As far as what will satisfy that requirement, that has been
13:17:26 2 a concern that we've discussed many times.

13:17:29 3 BY MS. LANG:

13:17:31 4 Q. Is it a concern that these provisions might be
13:17:34 5 particularly onerous on certain communities of voters?

13:17:40 6 MR. LANGHOFER: Foundation.

13:17:43 7 THE WITNESS: There's concern about
13:17:45 8 identification that doesn't have someone's name or address.
13:17:52 9 There are the special provisions for the Native American
13:17:56 10 communities for the tribal identification, but there still
13:18:01 11 remains a concern about individuals that do not have a
13:18:05 12 standard mailing address -- or residential address. Excuse
13:18:05 13 me.

13:18:05 14 BY MS. LANG:

13:18:13 15 Q. And I think we talked about this a little bit with
13:18:15 16 respect to the veto letters, but does the secretary also
13:18:19 17 have concerns about potential arbitrary treatment under the
13:18:22 18 challenged laws?

13:18:26 19 A. We haven't -- we haven't really discussed the
13:18:28 20 arbitrary, just the general concern about whether people
13:18:36 21 that are otherwise eligible to vote being able to satisfy
13:18:40 22 the DPOR requirement.

13:18:46 23 Q. We had talked about budgetary concerns before, and
13:18:58 24 I know it sounds like some of those budgetary concerns have
13:19:03 25 been alleviated.

13:19:05 1 Has -- have the secretary's budgetary
13:19:08 2 concerns related to implementation been fully alleviated
13:19:12 3 based on this allocation?

13:19:13 4 A. No.

13:19:15 5 Q. Can you elaborate on kind of the continued
13:19:17 6 concerns about, you know, the budgetary implications of
13:19:22 7 implementation?

13:19:24 8 MR. MORGAN: Object to scope.

13:19:26 9 THE WITNESS: So one -- well, one budgetary
13:19:29 10 concern that has been a topic of recent conversations with
13:19:32 11 the counties is funding AVID -- aside from this
13:19:37 12 legislation, funding AVID and the proportion being paid by
13:19:46 13 the counties.

13:19:48 14 So in the past, the counties paid under a
13:19:54 15 million dollars collectively for AVID. And the formula was
13:20:00 16 based on the percentage of voters. And Maricopa County,
13:20:06 17 for example, has not paid -- at a certain time. I think
13:20:14 18 they're paid in full for this year -- well, to a certain
13:20:17 19 extent, I think there's still an outstanding balance of
13:20:21 20 \$90,000. Pima County, I believe there's an outstanding
13:20:27 21 balance of \$15,000.

13:20:28 22 And that gets a little -- you know, there's
13:20:33 23 just tension there because, understandably, Maricopa and
13:20:38 24 Pima Counties have their own voter registration database,
13:20:41 25 so they have an argument as to why they should pay, you

13:20:46 1 know, a certain proportion.

13:20:50 2 So the HAVA funding, it was very
13:20:54 3 disappointing this year. The proportion of the HAVA
13:20:58 4 funding that was being given to the secretary of state --
13:21:02 5 only 25 percent was going to the secretary of state. And
13:21:08 6 the request was for more. But in the end, it works out so
13:21:13 7 the 75 percent of the HAVA funding will go to the counties.

13:21:21 8 Also, even with the amount that the counties
13:21:24 9 paid based on that formula, it still doesn't satisfy the
13:21:30 10 costs of -- just the maintenance and operation cost is
13:21:36 11 approximately 1.3 million.

13:21:40 12 And so the secretary has proposed that from
13:21:46 13 that HAVA funding, you know, 100 percent of the HAVA
13:21:51 14 funding, before it's distributed to the counties at the
13:21:55 15 25/75 percent formula, that from the top, from the gross,
13:22:00 16 that the 1.3 million is satisfied. And then from there we
13:22:05 17 divvy up the money.

13:22:08 18 But in any event, there's -- there's concern
13:22:11 19 about just funding AVID as a whole. We also requested
13:22:17 20 certain new positions be created given the amount of work
13:22:22 21 and the demands on the office. We requested expanding our
13:22:30 22 legal -- in-house legal services and other positions. But
13:22:37 23 yeah, I mean, budget will -- unfortunately, the secretary
13:22:42 24 was not provided the funding that he requested.

13:22:46 25 BY MS. LANG:

13:22:46 1 Q. So you were not successful in getting the budget
13:22:50 2 that would kind of cover those new positions; is that
13:22:52 3 right?

13:22:52 4 A. Yes.

13:22:53 5 Q. Okay. I think you testified already that fully
13:22:57 6 implementing these challenged laws is going to require an
13:23:00 7 enormous amount of work; is that right?

13:23:01 8 A. That's correct.

13:23:02 9 Q. Okay. As you mentioned earlier, Arizona has had a
13:23:19 10 documentary proof of citizenship requirement for
13:23:22 11 registration for quite some time; correct?

13:23:24 12 A. Yes.

13:23:24 13 Q. Okay. So that's nothing new; correct?

13:23:27 14 A. That's right.

13:23:34 15 MR. WHITAKER: Well, calls for a legal
13:23:35 16 conclusion, I think.

13:23:40 17 BY MS. LANG:

13:23:40 18 Q. Can you just describe the impact of this
13:23:42 19 documentary proof of citizenship requirement on -- on
13:23:47 20 voters?

13:23:47 21 MR. MORGAN: Foundation. Calls for
13:23:49 22 speculation.

13:23:52 23 BY MS. LANG:

13:23:52 24 Q. The existing impact based on the existing law.

13:23:55 25 MR. MORGAN: Same objection.

13:23:57 1 THE WITNESS: You know, that's hard to say.
13:23:59 2 It's been the law for so long, I'm not familiar with,
13:24:07 3 necessarily, how it impacts. You know, I just don't have
13:24:09 4 any really comparison.

13:24:14 5 BY MS. LANG:

13:24:14 6 Q. Has the secretary's office kind of looked at the
13:24:17 7 list of federal-only voters and identified any kind of
13:24:22 8 trends in who tends to fall on the federal-only list?

13:24:28 9 MR. MORGAN: Form.

13:24:29 10 THE WITNESS: The Secretary of State's Office
13:24:30 11 may have. It's not anything I'm familiar with, though.

13:24:33 12 BY MS. LANG:

13:24:34 13 Q. Okay. If you could look in -- it's in the SOS
13:24:39 14 Exhibits 2 folder, which I think you may already be in, at
13:24:42 15 AZSOS 8789.

13:24:46 16 A. Hang on a sec, please.

13:24:47 17 Q. Yes.

13:25:04 18 A. Okay. So it's in the SOS folder.

13:25:06 19 Q. SOS 2 folder. AZSOS 8789.

13:25:25 20 A. 8789. Okay.

13:25:27 21 Q. Yes.

13:25:31 22 A. Okay. It's an email from Christine Dyster,
13:25:35 23 1/28/22?

13:25:36 24 Q. That's correct.

13:25:39 25 I imagine you have not necessarily reviewed

13:25:41 1 this particular email. Have you?

13:25:43 2 A. No. This doesn't look familiar.

13:25:45 3 Q. I know that Christine Dyster -- I think you
13:25:49 4 testified to this -- now is at the governor's office. Is
13:25:57 5 that right?

13:25:57 6 A. Yes, she is. She's -- she's going to be leaving
13:25:59 7 soon. I just don't know exactly when.

13:26:02 8 Q. Fair enough.

13:26:02 9 What role did Christine Dyster have at the
13:26:06 10 Secretary of State's Office?

13:26:07 11 A. She was the deputy elections director.

13:26:11 12 Q. Okay. And she writes in this email, "In my
13:26:17 13 experience no proof of citizenship was two things."

13:26:20 14 And then she identifies two kind of
13:26:23 15 possibilities: "1 - New to AZ and hasn't updated DL.
13:26:27 16 Usually younger folks. 2 - Senior Citizens who have no
13:26:33 17 birth certificate and no passport and therefore couldn't
13:26:36 18 verify citizenship at the MVD OR isn't planning on driving
13:26:38 19 so hasn't gone to the MVD." Is that right?

13:26:41 20 A. I see that, yes.

13:26:42 21 Q. Okay. Is that consistent with kind of your
13:26:45 22 understanding of any trends among those who have not
13:26:49 23 provided documentary proof of citizenship?

13:26:52 24 MR. MORGAN: Form. And to the extent we're
13:26:54 25 saying she stated an understanding, she didn't.

13:26:58 1 THE WITNESS: You know, there are anecdotal
13:27:01 2 stories about that, like kids that -- I guess kids -- or
13:27:06 3 kids, you know, people that are younger, they aren't as
13:27:11 4 eager to get driver's licenses or -- yeah. And I think in
13:27:16 5 the trial, in the Gonzalez case or ITC case, there was a
13:27:20 6 senior citizen that was one of the witnesses.

13:27:25 7 BY MS. LANG:

13:27:25 8 Q. Okay.

13:27:26 9 MS. LANG: I'd like to mark that as Exhibit
13:27:31 10 272.

13:27:31 11 THE COURT REPORTER: 273.

13:27:33 12 MS. LANG: 273. Sorry.

13:27:33 13 (The document was marked as Exhibit 273
13:27:37 14 for identification.)

13:27:37 15 BY MS. LANG:

13:27:52 16 Q. I'm not going to go over most of the kind of
13:27:55 17 specifics of how the documentary proof of citizenship
13:27:58 18 system works now because I think that's pretty well
13:28:00 19 established, but I did have one question, which is about
13:28:05 20 expired licenses.

13:28:08 21 I know that there has been -- there have been
13:28:11 22 some questions about whether or not expired MVD licenses
13:28:14 23 can satisfy the DPOC requirement; is that right?

13:28:17 24 A. Yes.

13:28:17 25 Q. Can you tell me kind of what the status of that

13:28:21 1 issue is right now?

13:28:24 2 MR. LANGHOFER: Calls for a legal conclusion.

13:28:26 3 THE WITNESS: The Motor Vehicles Department
13:28:31 4 has said under their AZ MVD Now system and their legacy
13:28:36 5 system they would -- the MVD would be able to run a search
13:28:43 6 and obtain -- potentially obtain DPOC for a voter whose
13:28:50 7 license was suspended or -- or just no longer active, like
13:28:55 8 if they had moved out of Arizona, moved back.

13:28:59 9 However, that scenario where the Secretary of
13:29:05 10 State's Office simply can't implement it without rolling
13:29:08 11 out changes to AVID and going through the process of the
13:29:14 12 enhancement committee, then the steering committee. So
13:29:18 13 there is potential, but it's not something that will
13:29:23 14 automatically happen.

13:29:24 15 BY MS. LANG:

13:29:24 16 Q. Okay. So the current status is that expired
13:29:28 17 licenses cannot satisfy the DPOC requirement right now?

13:29:35 18 A. Correct.

13:29:36 19 Q. But there's a possibility of making that happen in
13:29:39 20 the future?

13:29:39 21 A. There's a possibility. And there's one caveat
13:29:42 22 that the DPOC requirement would be satisfied but the HAVA
13:29:50 23 identification requirement would not because it was not a
13:29:53 24 valid ID.

13:29:55 25 Q. Got it.

13:29:56 1 So I understand that so far, there's at least
13:30:01 2 been a conversation with MVD about the kind of ability to
13:30:04 3 do this; is that right?

13:30:05 4 A. Yes. We have quarterly meetings with MVD.

13:30:09 5 Q. Have any other steps been taken yet to kind of
13:30:12 6 implement that as a reality?

13:30:19 7 MR. MORGAN: Form.

13:30:19 8 THE WITNESS: No. There are a lot of issues
13:30:23 9 that are being worked out and tested. And I can't remember
13:30:27 10 the most recent, but one AVID update, I think it was the
13:30:32 11 8.5. And Yolanda will know more about this, but they're
13:30:35 12 continuing certain testing and working through some issues.

13:30:39 13 BY MS. LANG:

13:30:39 14 Q. Okay. And it's also my understanding that the
13:30:45 15 current process for DPOC is if a voter turns in a voter
13:30:50 16 registration form, they don't put down a driver's license
13:30:52 17 number. That -- the -- through the HAVA check, county
13:31:00 18 recorders can still acquire the documentary proof of
13:31:04 19 citizenship if they get a match with the MVD database; is
13:31:07 20 that right?

13:31:07 21 A. Yes.

13:31:09 22 MR. MORGAN: Form.

13:31:09 23 BY MS. LANG:

13:31:10 24 Q. And --

13:31:16 25 MR. MORGAN: Sorry. Someone's unmuted

13:31:18 1 themselves. Is everything okay?

13:31:26 2 (An off-the-record discussion ensued.)

13:31:26 3 BY MS. LANG:

13:31:27 4 Q. That process of acquiring DPOC even when a
13:31:30 5 driver's license number is not provided is a result of the
13:31:35 6 LULAC consent decree; correct?

13:31:38 7 A. Yes.

13:31:38 8 Q. If the match with the DMV database provides a
13:31:51 9 result indicating noncitizen, what is your understanding of
13:31:56 10 what that reflects -- what information that reflects?

13:32:00 11 MR. LANGHOFER: Foundation.

13:32:00 12 MR. MORGAN: Form.

13:32:03 13 THE WITNESS: Well, I don't know if the MVD
13:32:06 14 results will show noncitizen. I don't think it proves a
13:32:10 15 negative. I think it shows only if there was proof of
13:32:14 16 citizenship.

13:32:16 17 That's my understanding, but that's another
13:32:18 18 one where Yolanda Morales would probably have a better or
13:32:22 19 more thorough answer.

13:32:40 20 BY MS. LANG:

13:33:01 21 Q. If you could open in that same folder what is
13:33:05 22 labeled "11 Petty Exhibit." I think it's the very first
13:33:10 23 document.

13:33:13 24 A. Okay. All right. I'm in the SOS Exhibits 2 and
13:33:33 25 Petty Exhibit --

13:33:34 1 Q. 11.

13:33:34 2 A. 11. Okay. Got it. All righty.

13:33:53 3 Q. And this is an email that includes meeting recap
13:33:58 4 notes from a meeting between the secretary of state and the
13:34:00 5 counties; is that right?

13:34:03 6 A. You know, I'm having trouble scrolling. Oh, I can
13:34:07 7 touch it.

13:34:08 8 Q. You can.

13:34:08 9 A. There you go.

13:34:11 10 Yes. It's a recap.

13:34:14 11 Q. And it's for the May 11th meeting; is that right?

13:34:17 12 A. Yes, that's right.

13:34:18 13 Q. Are you typically in those meetings?

13:34:20 14 A. Yes.

13:34:20 15 Q. And to your recollection, were you in this meeting
13:34:24 16 in particular?

13:34:26 17 A. Yes.

13:34:26 18 Q. Okay. And if you could scroll down actually to
13:34:35 19 the very last page.

13:34:38 20 A. Okay.

13:34:38 21 Q. There's a bullet point there that says, "DPOC:
13:34:44 22 Proof of citizenship and IDs."

13:34:46 23 Do you see that?

13:34:51 24 A. The last bullet point?

13:34:52 25 Q. Yes.

13:34:52 1 A. Yes.

13:34:52 2 Q. And then it says, "The Secretary will compare
13:34:55 3 LULAC litigation to new statute and report back to the
13:34:57 4 group. Enhanced IDs are in the 2019 EPM. Community
13:35:02 5 organizations that register voters want to know if the gold
13:35:05 6 star on drivers licenses is enough to prove citizenship."

13:35:09 7 I was just wondering if you might be able to
13:35:14 8 provide some context as to what the issue was that was
13:35:16 9 being discussed related to proof of citizenship and IDs
13:35:22 10 here.

13:35:25 11 A. It appears that it was the open floor and one of
13:35:30 12 the recorders posed the question, and that's about all I
13:35:38 13 could tell from the notes.

13:35:39 14 Q. Do you know if there's been any kind of follow-up
13:35:44 15 about this question?

13:35:48 16 A. There -- there might have been. I don't attend
13:35:52 17 all of the meetings with -- well, I don't attend all of the
13:35:58 18 voter registration meetings that happen throughout the
13:36:01 19 week. So if it didn't happen in one of the county
13:36:06 20 meetings, I just -- I don't know.

13:36:07 21 Q. Are you aware if the gold star is kind of
13:36:11 22 sufficient for out-of-state driver's licenses to -- to
13:36:17 23 satisfy DPOC?

13:36:19 24 MR. LANGHOFER: Calls for a legal conclusion.

13:36:21 25 THE WITNESS: Yeah, I'm not aware of the gold

13:36:23 1 star --

13:36:25 2 BY MS. LANG:

13:36:25 3 Q. Okay.

13:36:26 4 A. -- satisfying DPOC.

13:36:33 5 Q. We've been talking about what we call the MVD
13:36:37 6 match or the HAVA match throughout today. That match where
13:36:44 7 the voter's information -- the voter registration
13:36:47 8 applicant's information is matched against the MVD database
13:36:50 9 or the SSA database, that happens at the point of a
13:36:56 10 registration; correct?

13:36:57 11 MR. MORGAN: Objection. Scope and
13:36:59 12 foundation.

13:37:00 13 THE WITNESS: That -- that starts the
13:37:06 14 process, assuming it's not an administrative change. So I
13:37:09 15 think that's one of those tension points there. But if
13:37:13 16 it's a voter registration submission, it will initiate the
13:37:18 17 HAVA check SSA process.

13:37:20 18 BY MS. LANG:

13:37:20 19 Q. And after that initial, you know -- a voter
13:37:26 20 registers, they go through that matching process. After
13:37:29 21 that matching process is complete at the point of
13:37:32 22 registration, is there any system in place that kind of
13:37:35 23 continuously checks registered voters against the MVD
13:37:38 24 database?

13:37:39 25 A. No.

13:37:40 1 Q. Okay. So that match only happens at the time of
13:37:44 2 registration, or at the time of an update on registration,
13:37:48 3 that would -- that would trigger a new match?

13:37:50 4 A. Yes.

13:37:54 5 Q. And under the current operative procedures, all
13:38:02 6 voter registration forms are treated equally with respect
13:38:06 7 to documentary proof of citizenship; is that correct?

13:38:08 8 A. That's correct.

13:38:08 9 Q. And that is a result of the LULAC consent decree;
13:38:12 10 correct?

13:38:12 11 A. That's correct.

13:38:13 12 Q. Do you know what the practice was for treatment of
13:38:16 13 state forms versus federal forms with respect to DPOC prior
13:38:20 14 to the LULAC consent decree?

13:38:22 15 MR. MORGAN: Form.

13:38:23 16 THE WITNESS: Yes.

13:38:23 17 BY MS. LANG:

13:38:24 18 Q. Can you describe that process?

13:38:27 19 A. Prior to that process, only a federal form would
13:38:34 20 be submitted through the MVD HAVA check process to provide
13:38:41 21 DPOC, had the voter not submitted it with the federal form.

13:38:47 22 Q. And -- thank you.

13:38:54 23 And the other change there too is that if a
13:38:57 24 state form applicant didn't provide DPOC, that person did
13:39:02 25 not become a federal-only voter; correct?

13:39:06 1 MR. MORGAN: Form and foundation.

13:39:06 2 THE WITNESS: At the time, a voter using the

13:39:09 3 state form and who had failed to provide DPOC, that was the

13:39:16 4 end of the process.

13:39:17 5 BY MS. LANG:

13:39:25 6 Q. Okay. Okay. If you could refer now to Petty

13:39:38 7 Exhibit 19. They're actually labeled with the number

13:39:43 8 first, so 19 Petty Exhibit.

13:39:48 9 A. Okay. It's House Bill 2492?

13:39:56 10 Q. That's correct.

13:40:00 11 A. Okay.

13:40:01 12 Q. All right. So I'll spend some time looking at the

13:40:06 13 statute and talking through some of these changes with you.

13:40:10 14 If you could look at page 2, bottom of page 2

13:40:20 15 to beginning of page 3, there's a change to A.R.S. 16-121.

13:40:27 16 Do you see that?

13:40:27 17 A. I do, yes.

13:40:28 18 Q. And that's the section that defines qualified

13:40:31 19 elector; is that correct?

13:40:32 20 A. Yes.

13:40:32 21 Q. And there's language in here that adds the

13:40:38 22 provision of satisfactory evidence of citizenship as a

13:40:42 23 qualification for an elector; is that right?

13:40:43 24 A. That's right.

13:40:44 25 Q. Okay. By making documentary proof of citizenship

13:40:53 1 a voter qualification, does your office have a position on
13:40:57 2 how this would affect voters that registered prior to the
13:41:01 3 implementation of the DPOC requirement?

13:41:04 4 MR. LANGHOFER: Form. Calls for a legal
13:41:06 5 conclusion.

13:41:10 6 THE WITNESS: The -- okay. With -- your
13:41:14 7 question is: With this new legislation, does it apply
13:41:18 8 retroactively?

13:41:19 9 BY MS. LANG:

13:41:20 10 Q. Yes.

13:41:20 11 A. The answer is no.

13:41:21 12 Q. Okay.

13:41:26 13 MR. WHITAKER: I'm sorry. I don't know if
13:41:28 14 it's just me, but I've gotten kind of intermittently out --
13:41:32 15 going out internet connection.

13:41:35 16 Is anyone else on Zoom experiencing that?

13:41:41 17 MS. CERVANTES: Yeah, same here.

13:41:41 18 MS. PORTER: Yes, it's been a little spotty
13:41:45 19 for me for the last minute or two.

13:41:51 20 MR. BABBITT: Same here.

13:41:51 21 MR. WHITAKER: Maybe can we -- can we at
13:41:53 22 least repeat that last question and answer? I totally
13:41:55 23 missed it.

13:41:56 24 MS. LANG: Yes, we can certainly do that.

25 Can you read it back.

1 MR. MORGAN: Thanks.

2 MS. LANG: Thank you.

3 (The record was read by the reporter as
4 follows:

5 QUESTION: Okay. By making documentary proof
6 of citizenship a voter qualification, does your office have
7 a position on how this would affect voters that registered
8 prior to the implementation of the DPOC requirement?

9 THE COURT REPORTER: There was an objection.

10 ANSWER: The -- okay. With your question --
11 your question is: With this new legislation, does it apply
12 retroactively?

13 QUESTION: Yes.

13:42:33 14 ANSWER: The answer is no.)

13:42:33 15 MR. WHITAKER: Thank you.

13:42:36 16 BY MS. LANG:

13:42:53 17 Q. Are you aware that, you know, when the HB 2492
13:42:57 18 first passed, there was confusion about whether or not this
13:43:06 19 provision would mean that folks who had not provided DPOC
13:43:10 20 prior to that law would be affected? Do you recall that?

13:43:15 21 MR. LANGHOFER: Form.

13:43:15 22 MR. MORGAN: Form. Foundation.

13:43:20 23 THE WITNESS: I'm familiar with the fact that
13:43:22 24 that was an issue raised, but I can't say I have a thorough
13:43:28 25 familiarity.

13:43:28 1 BY MS. LANG:

13:43:29 2 Q. Fair enough.

13:43:29 3 But it is the secretary's position that it

13:43:34 4 does not apply retroactively to those individuals?

13:43:37 5 A. That's correct.

13:43:39 6 MR. LANGHOFER: Calls for a legal conclusion.

13:43:43 7 BY MS. LANG:

13:43:46 8 Q. Okay. And if you could scroll down to page 4 and
13:43:53 9 the section that is started by the letter C on line 24. Do
13:44:02 10 you see that?

13:44:02 11 A. I do, yes.

13:44:03 12 Q. Okay. And it indicates, "Except for a form
13:44:08 13 produced by the United States Election Assistance
13:44:11 14 Commission, any applicant for registration shall be
13:44:14 15 accompanied by satisfactory evidence of citizenship" -- has
13:44:17 16 the citation -- "and the county recorder or other officer
13:44:21 17 in charge of elections shall reject any application for
13:44:24 18 registration that is not accompanied by satisfactory
13:44:27 19 evidence of citizenship"; is that right?

13:44:28 20 A. I see that, yes.

13:44:29 21 Q. Okay. So is this your understanding that it --
13:44:34 22 this would require county recorders to treat applicants
13:44:38 23 differently based on whether or not they submitted a state
13:44:41 24 form for registration or federal form for registration?

13:44:44 25 MR. LANGHOFER: Same objection.

13:44:46 1 THE WITNESS: That's my understanding, yes.

13:44:46 2 BY MS. LANG:

13:44:48 3 Q. Okay. And in that sense, it would unroll -- roll
13:44:52 4 back the LULAC consent decree?

13:44:55 5 MR. LANGHOFER: Same objection.

13:44:57 6 THE WITNESS: Yes.

13:44:57 7 BY MS. LANG:

13:44:58 8 Q. This would not be consistent with the LULAC
13:45:00 9 consent decree; correct?

13:45:02 10 MR. LANGHOFER: Same objection. Asked and
13:45:04 11 answered.

13:45:04 12 THE WITNESS: Assuming the LULAC consent
13:45:08 13 decree is still in effect and the court has jurisdiction,
13:45:10 14 yes.

13:45:14 15 MR. WHITAKER: I assume Kory objected to all
13:45:17 16 those questions, but I can't really hear Kory. So if he
13:45:19 17 didn't --

13:45:19 18 MR. MORGAN: That's a fair assumption, yes.

13:45:22 19 MS. LANG: He did.

13:45:27 20 BY MS. LANG:

13:45:38 21 Q. Can you think of any reason why a voter submitting

13:45:45 23 federal elections than someone submitting a federal form?

13:45:48 24 MR. LANGHOFER: Form. Calls for speculation.

Q. Okay. Is there any election integrity interest served by treating voters differently based on whether or not they use the state or federal form?

MR. MORGAN: Foundation.

MR. LANGHOFER: Calls for a legal conclusion.

THE WITNESS: What do you mean by "election integrity"?

MR. MORGAN: Form.

BY MS. LANG:

Q. It's a good question.

Is -- is there any kind of anti-fraud interest in treating voters differently based on whether or not they submit the state form or the federal form?

MR. LANGHOFER: Same objections.

MR. MORGAN: Form.

THE WITNESS: No, not that I'm aware of.

BY MS. LANG:

Q. Thank you.

Do you know what the impact would be on the federal-only list if all the users that submitted state forms were removed from that list?

MR. LANGHOFER: Speculation.

THE WITNESS: I do not.

BY MS. LANG:

13:47:14 1 Q. Okay. Earlier we talked about the process by
13:47:18 2 which county recorders can acquire documentary proof of
13:47:21 3 citizenship through the MVD match.

13:47:23 4 A. Yes.

13:47:23 5 Q. What is the secretary's position on whether
13:47:28 6 election officials can still go through that process of
13:47:31 7 acquiring DPOC for state form registration applicants under
13:47:37 8 HB 2492?

13:47:39 9 MR. LANGHOFER: Calls for a legal conclusion.

13:47:44 10 THE WITNESS: Well, this law would preclude a
13:47:52 11 state form from being submitted for the HAVA checks.

13:47:56 12 However, that is another area where development and
13:48:01 13 programming and meetings and committees and, you know, the
13:48:07 14 policy process would have to -- to ensue in order to make
13:48:12 15 that change.

13:48:13 16 BY MS. LANG:

13:48:14 17 Q. But it is your understanding that the law would
13:48:16 18 require that change so that DPOC can no longer be acquired
13:48:21 19 for state form applicants?

13:48:24 20 MR. LANGHOFER: Same objection.

13:48:24 21 THE WITNESS: That's my understanding.

13:48:26 22 BY MS. LANG:

13:48:26 23 Q. Okay. Is there any justification for not
13:48:51 24 acquiring -- let me back up.

13:48:53 25 In the office's view, is there any legitimate

13:49:00 1 justification for not acquiring DPOC for state form
13:49:04 2 applicants while doing so for federal form applicants?

13:49:07 3 MR. LANGHOFER: Same objection.

13:49:11 4 THE WITNESS: For not attempting to acquire
13:49:14 5 DPOC? Not that I'm aware of.

13:49:18 6 BY MS. LANG:

13:49:42 7 Q. Earlier you talked about, as an example of a
13:49:46 8 change you went through with the EPM, the removal of the
13:49:50 9 five-year period before something is archived.

13:49:53 10 A. Yes.

13:49:54 11 Q. Okay. And so I did have a question about that.

13:49:57 12 So if we could look at the -- the draft EPM
13:50:04 13 that is labeled "2023 Arizona Secretary of State Elections
13:50:09 14 Procedures Manual draft for public comment."

13:50:20 15 A. 2023.

13:50:22 16 Q. Yes. We'll have to scroll down to page 8 of the
13:50:27 17 EPM.

13:50:36 18 MS. LANG: And yes, I'd like to mark that as
13:50:40 19 274.

13:50:40 20 (The document was marked as Exhibit 274
13:50:48 21 for identification.)

13:50:48 22 THE WITNESS: Okay.

13:50:49 23 BY MS. LANG:

13:51:05 24 Q. So I think Number 3 at the top of this page -- and
13:51:10 25 it refers back to the section titled "Procedures for

13:51:13 1 Registrations With . . . Non-Citizen AZDL/ID#." Do you see
13:51:19 2 that? That section title is on page 7, and then I want to
13:51:23 3 look at Subsection 3.

13:51:26 4 A. Okay.

13:51:28 5 Q. And I think this is the section -- or one of the
13:51:35 6 sections that used to have a sentence about kind of a
13:51:38 7 five-year archive process for applicants who had not
13:51:40 8 provided valid DPOC; is that right?

13:51:44 9 A. Yes, I believe so.

13:51:45 10 Q. And that five-year process has been removed, and I
13:51:49 11 think you testified as to the reasons for that earlier; is
13:51:53 12 that right?

13:51:53 13 A. The consensus among the counties during our phone
13:51:57 14 call to fulfill the requirement for the EPM, the consensus
13:52:02 15 of the counties was to remove that and to restore the
13:52:05 16 language that the person's incomplete registration would be
13:52:14 17 held until the next general election and then purged.

13:52:19 18 Q. So this is not to nitpick in any way, shape, or
13:52:22 19 form. I wanted to make sure I was clear about what the
13:52:25 20 what the potential plan is here.

13:52:26 21 I didn't see that language about until the
13:52:29 22 next general election in the section. Is that -- is it
13:52:33 23 your intent to kind of edit this so that it will have that
13:52:37 24 language about until the next general election?

13:52:39 25 A. That's my intent, yes.

13:52:44 2
13:52:47 3
13:52:47 4
13:52:49 5

Q. Okay.

THIS WITNESS: Yolanda, you hear that?

BY MS. LANG:

Q. I just wanted to make sure I understood kind of what the new policy might be. And so that's very helpful.

A. Yeah, actually, Yolanda is on top of it. She's provided language.

Q. Great.

One of the other -- within both HB 2492 and HB 2243, there are a number of requirements that county recorders check against numerous databases in search for evidence of proof of citizenship; is that correct?

A. Yes, that's correct.

Q. Okay. And in the secretary's answer to one of the complaints in this case, the secretary has described these, you know, database sources as, quote, "potentially outdated, unreliable, faulty, or not accurately reflect current U.S. citizenship status."

Does that continue to reflect the secretary's view of the databases included in HB 2492 and 2243?

MR. LANGHOFER: Foundation.

THE WITNESS: So I'll start with the naturalization database, the SAVE database. There are limitations on the use of that database for the initial applicant and the -- the registration process. The current

13:54:30 1 memorandum of understanding, or whatever the agreement is
13:54:34 2 called with USCIS, does not allow for a continue --
13:54:39 3 continuing, ongoing submission to SAVE. Only -- it only
13:54:44 4 allows for the initial submission for a new registrant.

13:54:48 5 So to the extent that that section -- that
13:54:56 6 legislation requires it, we would be in conflict with
13:55:02 7 the -- what's permitted in that agreement.

13:55:04 8 BY MS. LANG:

13:55:05 9 Q. Okay. I'm going to go over some of the other
13:55:08 10 databases as well.

13:55:09 11 A. Okay.

13:55:10 12 Q. So for the MVD database or the ADOT database, my
13:55:19 13 understanding -- is it correct that that database can
13:55:36 14 only -- strike that.

13:55:38 15 With respect to the ADOT or MVD database, I
13:55:44 16 think you testified earlier that that match can only kind
13:55:48 17 of affirm citizenship where MVD has DPOC, but it cannot
13:55:54 18 provide a negative -- it cannot prove a negative or prove
13:55:58 19 that someone is not a citizen; is that correct?

13:56:00 20 A. I'm not aware of any part of that process that
13:56:04 21 would prove a negative.

13:56:05 22 Q. And is part of that reason because that database
13:56:09 23 can only reflect the information that ADOT received at the
13:56:12 24 time the person got a driver's license?

13:56:14 25 A. You know what? I have to correct myself.

13:56:16 1 Actually, it will show that someone is
13:56:20 2 legally in the United States but not -- you know, so I have
13:56:24 3 to correct myself there. It has -- the system provides for
13:56:30 4 authorized presence values as opposed to what used to be
13:56:34 5 referred to as the F-type license. So certain codes show
13:56:41 6 someone has citizenship and certain codes show someone is a
13:56:48 7 foreign national but legally here in the U.S.

13:56:51 8 Q. And that information about someone who's a foreign
13:56:53 9 national who's legally here indicates the information that
13:56:57 10 MVD had at the time the person got their driver's license;
13:57:01 11 correct?

13:57:01 12 MR. LANGHOFER: Foundation.

13:57:01 13 MR. MORGAN: Foundation.

13:57:02 14 THE WITNESS: That's my understanding, yes.

13:57:03 15 BY MS. LANG:

13:57:03 16 Q. Okay. And is it also your understanding that
13:57:08 17 sometimes people naturalize after they get their driver's
13:57:11 18 license and then register to vote?

13:57:13 19 A. Yes.

13:57:14 20 Q. Okay. And so is it sometimes the case that when
13:57:18 21 people get notifications because, you know, they've been
13:57:22 22 rejected through the MVD database match, they come in
13:57:26 23 and -- to county recorders and provide the documentary
13:57:31 24 proof of citizenship?

13:57:31 25 MR. LANGHOFER: Foundation.

13:57:33 1 THE WITNESS: So after they're naturalized,
13:57:38 2 do they -- well, at naturalization ceremonies, there are
13:57:46 3 many efforts to update that information at the time to
13:57:50 4 ensure that situation doesn't preclude someone who's been
13:57:56 5 recently naturalized from being registered to vote.

13:58:00 6 BY MS. LANG:

13:58:00 7 Q. Yes. And I do know that county recorders in the
13:58:07 8 office work on kind of registration efforts at
13:58:09 9 naturalization ceremonies and whatnot.

13:58:11 10 My only question is -- well, let me back up
13:58:16 11 and lay some foundation.

13:58:17 12 If a voter registers or seeks to register to
13:58:25 13 vote, they go through the MVD check and it returns a kind
13:58:26 14 of authorized presence value rather than a citizenship
13:58:30 15 value, that voter will not be registered -- correct? -- at
13:58:37 16 that time?

13:58:37 17 A. Yes. You know, I have to say, though, just
13:58:43 18 generally, this area of questioning, I'm not -- probably
13:58:47 19 not familiar enough, and I probably should stop from trying
13:58:50 20 to answer the questions and Ms. Morales would be a better
13:58:55 21 person to answer the questions.

13:58:57 22 Q. Thank you.

13:58:59 23 And that may be the case for a couple more
13:59:01 24 here, so I'm going to move past that, and let me know if
13:59:07 25 the same applies.

13:59:08 1 A. Okay.

13:59:08 2 Q. With respect to the Social Security Administration
13:59:11 3 database, that is another database that's used for identity
13:59:15 4 confirmation for HAVA purposes; correct?

13:59:19 5 A. Yes.

13:59:19 6 Q. Okay. Do you know if the access that election
13:59:25 7 officials have to the SSA database provides any information
13:59:28 8 about citizenship?

13:59:29 9 A. Not that I'm aware of, but that will be a question
13:59:35 10 I'll defer to Ms. Morales.

13:59:37 11 Q. Okay. With respect to the SAVE database, which is
13:59:54 12 the USCIS database, I think you already testified that one
14:00:00 13 of the problems you see with implementing HB 2243 is that
14:00:07 14 the memorandum of understanding or whatever its title is
14:00:13 15 would not permit a kind of list maintenance use of SAVE; is
14:00:16 16 that correct?

14:00:16 17 A. That's correct.

14:00:21 18 Q. All right. I wanted to talk through a couple
14:00:23 19 other limitations of SAVE. And you let me know if they're
14:00:26 20 not in your purview.

14:00:27 21 MR. MORGAN: Just for the record, we
14:00:28 22 designated Ms. Morales for Topic 11. So I'm just making
14:00:32 23 sure that that's stated openly.

14:00:38 24 MS. LANG: Thank you.

14:00:47 25 Some of the trouble is the, you know, overlap

14:00:48 1 in topics between Topic 4 and later topics but -- but I
14:00:54 2 understand, and we will save some of this for Ms. Morales.

14:01:16 3 MR. MORGAN: And we also designated
14:01:18 4 Ms. Morales for 4(I), 4(C).

14:01:28 5 MS. LANG: Okay.

14:01:37 6 BY MS. LANG:

14:01:38 7 Q. In addition to the specific databases that are
14:01:40 8 identified in HB 2492 and HB 2243, there's a catchall term
14:01:48 9 in the statute that says that the county recorder should
14:01:53 10 refer to any other databases that they have access to to
14:01:57 11 confirm citizenship.

14:02:00 12 Has the secretary identified any other
14:02:04 13 databases not specifically named in the statute that would
14:02:08 14 be appropriate for this purpose?

14:02:10 15 MR. LANGHOFER: Calls for a legal conclusion.

14:02:11 16 THE WITNESS: Not that I'm aware of.

14:02:12 17 BY MS. LANG:

14:02:13 18 Q. Okay. Has there been any guidance provided to the
14:02:18 19 county recorders so far on kind of what databases should be
14:02:22 20 relied on beyond the ones identified in this the statute?

14:02:26 21 MR. MORGAN: Foundation.

14:02:29 22 THE WITNESS: Well, again, as far as
14:02:33 23 guidance, we have not had a meeting among the counties to
14:02:37 24 discuss how to implement that particular provision. And so
14:02:43 25 collectively, we would come up with guidance.

14:02:47 1 BY MS. LANG:

14:02:47 2 Q. It would be your intent, presuming that you have
14:02:50 3 to move forward with implementation, that there would be
14:02:55 4 discussions with the county recorders in order to formulate
14:03:00 5 guidance on that question?

14:03:01 6 A. Well, more broadly, there are going to be
14:03:04 7 discussions with the county recorders on all of the topics
14:03:07 8 being discussed.

14:03:08 9 Q. Okay. But that question of databases that should
14:03:14 10 be used would be part of that?

14:03:15 11 A. Presumably, yes.

14:03:17 12 Q. Okay. So in HB 2492, I think we've talked about
14:03:56 13 the state form applicants. If they don't provide
14:04:00 14 documentary proof of citizenship, they just are not
14:04:03 15 registered.

14:04:04 16 For federal form applicants, county recorders
14:04:07 17 are required to look in these various databases; is that
14:04:12 18 correct?

14:04:12 19 A. I'll have to look back at the legislation to make
14:04:16 20 sure I answer that correctly.

14:04:20 21 Q. Let me try to refer you. It's page 4 and 5.

14:04:29 22 MR. MORGAN: Of exhibit?

14:04:30 23 MS. LANG: Petty Exhibit 19.

14:04:36 24 THE WITNESS: So any application using the
14:04:40 25 federal form, the USEAC, the legislation directs the county

14:04:49 1 recorder to reject any application not accompanied with
14:04:53 2 evidence of citizenship.

14:04:54 3 BY MS. LANG:

14:04:54 4 Q. And then Section D says, for those who do use the
14:04:58 5 federal form, county recorders shall, quote, "use all
14:05:04 6 available resources to verify the citizenship status of the
14:05:07 7 applicant."

14:05:09 8 Do you see that?

14:05:09 9 A. I do, yes.

14:05:10 10 Q. Okay. Then it lists the various databases that
14:05:12 11 need to be used; is that correct?

14:05:16 12 A. Let me just double-check here.

14:05:23 13 It does, yes.

14:05:24 14 Q. And then if we can look at Subsection E on page 5,
14:05:38 15 line 9, it indicates that after reviewing these databases,
14:05:44 16 quote, "If the county recorder or other officer in charge
14:05:47 17 of elections matches the applicant with information that"
14:05:50 18 verifies the applicant is a -- oh, let me strike that.

14:05:55 19 So if there's a match for U.S. citizenship
14:05:58 20 the person is registered. But I want to direct you
14:06:01 21 particularly to the sentence on section -- on line 14 that
14:06:08 22 says, "If the county recorder or other officer in charge of
14:06:12 23 elections matches the applicant with information that the
14:06:14 24 applicant is not a United States citizen, the county
14:06:17 25 recorder or other officer in charge of elections shall

14:06:19 1 reject the application, notify the applicant that the
14:06:23 2 application was rejected because the applicant is not a
14:06:26 3 United States citizen and forward the application to the
14:06:29 4 county attorney and Attorney General for investigation."

14:06:32 5 Do you see that?

14:06:32 6 A. I do, yes.

14:06:34 7 Q. Okay. And so is it your understanding that that
14:06:38 8 means that if -- well, let me back up.

14:06:44 9 What does it mean for -- when would it be the
14:06:53 10 case that a county recorder has matched the applicant with
14:06:57 11 information that the applicant is not a United States
14:06:59 12 citizen?

14:07:00 13 MR. MORGAN: Form. Speculation.

14:07:02 14 MR. LANGHOFER: Calls for a legal conclusion.

14:07:05 15 MR. WHITAKER: Legal conclusion.

14:07:12 16 THE WITNESS: I don't know when a county
14:07:20 17 recorder would come across citizenship status other than
14:07:27 18 those authorized presence values.

14:07:30 19 BY MS. LANG:

14:07:30 20 Q. And so if one of those authorized presence values
14:07:33 21 came up, would that be sufficient information that an
14:07:38 22 applicant is not a United States citizen, that the person
14:07:41 23 would have to forward it to a prosecutor?

14:07:46 24 MR. WHITAKER: Same objection.

14:07:47 25 THE WITNESS: I don't -- I don't know if it

14:07:49 1 would be sufficient. I don't know the standard that would
14:07:50 2 be applied for sufficiency.

14:07:53 3 BY MS. LANG:

14:07:53 4 Q. And we don't have any -- there's not any guidance
14:07:56 5 yet on that question of what information would be
14:07:59 6 sufficient to match as a non-U.S. citizen?

14:08:04 7 MR. MORGAN: Form. Foundation.

14:08:07 8 THE WITNESS: I agree that the statutory
14:08:09 9 change does not impose a standard.

14:08:11 10 BY MS. LANG:

14:08:11 11 Q. Okay. And I think this is plain from kind of your
14:08:17 12 testimony about where you all are in the process, but there
14:08:20 13 hasn't been development of the standard by your office or
14:08:23 14 by the county recorders or anything of that nature; is that
14:08:27 15 correct?

14:08:27 16 MR. MORGAN: Foundation.

14:08:35 17 THE WITNESS: I -- well, as far as
14:08:39 18 development, I think we would need legal advice first and
14:08:43 19 then any standard would have to follow.

14:08:47 20 BY MS. LANG:

14:08:47 21 Q. Okay. And none of that has come to pass yet; is
14:08:51 22 that correct?

14:08:51 23 A. That's my understanding, yes.

14:08:52 24 MR. MORGAN: Form.

14:08:54 25 BY MS. LANG:

14:09:02 1 Q. Okay. To the extent that these data -- databases
14:09:05 2 potentially rely on faulty, unreliable, or out-of-date
14:09:11 3 information, does the office have any concerns that those
14:09:14 4 databases could lead individuals to be forwarded for
14:09:18 5 criminal investigation?

14:09:23 6 MS. PORTER: Form.

14:09:27 7 THE WITNESS: Well, as indicated, we haven't
14:09:32 8 gotten into discussions to the level of detail that you're
14:09:37 9 asking, but that's certainly something that would be
14:09:42 10 discussed among the counties.

14:09:45 11 BY MS. LANG:

14:09:46 12 Q. And this statute imposes a kind of mandatory
14:09:52 13 referral for criminal investigation on county recorders; is
14:09:57 14 that correct?

14:09:57 15 MR. LANGHOFER: Calls for a legal conclusion.

14:10:00 16 MR. WHITAKER: Legal-- jinx.

14:10:06 17 BY MS. LANG:

14:10:06 18 Q. It says, "The county recorder . . . Shall reject
14:10:08 19 the application, notify the applicant that the application
14:10:11 20 was rejected because the applicant is not a United States
14:10:13 21 citizen and forward the application to the county attorney
14:10:17 22 and Attorney General for investigation"; is that right?

14:10:19 23 MR. MORGAN: Form.

14:10:20 24 MR. LANGHOFER: Same objection.

14:10:21 25 THE WITNESS: The language appears to require

14:10:26 1 referral to law enforcement.

14:10:27 2 BY MS. LANG:

14:10:32 3 Q. In the statute, is there kind of any time limit on
14:10:36 4 the age of the data that can be used to refer somebody for
14:10:41 5 criminal prosecution?

14:10:42 6 MR. LANGHOFER: Same objection.

14:10:44 7 MR. MORGAN: Form.

14:10:47 8 MR. WHITAKER: Legal conclusion.

14:10:49 9 THE WITNESS: Well, I mean, that gets into an
14:10:56 10 issue probably outside, like, a statute of limitation or
14:10:59 11 something, so I don't know.

14:11:01 12 BY MS. LANG:

14:11:06 13 Q. Let me put it another way.

14:11:08 14 There's nothing in the statute as far as you
14:11:10 15 know that kind of says that if data is a certain number of
14:11:14 16 years old, it should not be relied upon for this purpose?

14:11:17 17 MR. MORGAN: Form objection.

14:11:20 18 THE WITNESS: I don't see anything in the
14:11:22 19 statute that says that.

14:11:23 20 BY MS. LANG:

14:11:24 21 Q. And again, I do apologize because I know some of
14:11:26 22 this is repetitive based on your testimony, but there's no
14:11:29 23 guidance yet available on kind of any time limitations on
14:11:33 24 the age of data that should be used for this purpose?

14:11:35 25 MR. MORGAN: Form.

14:11:37 1 MR. LANGHOFER: Asked and answered.

14:11:38 2 MR. MORGAN: Foundation.

14:11:39 3 THE WITNESS: Ultimately, we're seeking
14:11:42 4 guidance from the Court in this case. And ultimately,
14:11:48 5 we'll get that sooner than -- or hopefully we'll get that
14:11:52 6 sooner than later, yes.

14:11:53 7 BY MS. LANG:

14:12:03 8 Q. Please do let --

14:12:04 9 MS. LANG: I'm trying to trek through as much
14:12:07 10 as possible, but if anybody needs a break, please do let me
14:12:10 11 know.

14:12:10 12 BY MS. LANG:

14:12:17 13 Q. Do you know what county recorders should do under
14:12:21 14 the statute if there's an in- -- if there's inconsistent
14:12:25 15 information from these databases that one database
14:12:27 16 indicates citizen and another database indicates
14:12:31 17 noncitizen, for example?

14:12:32 18 MR. MORGAN: Objection. Calls for a legal
14:12:35 19 conclusion. Speculation.

14:12:38 20 THE WITNESS: The county recorders should be
14:12:41 21 talking to their county attorney.

14:12:43 22 BY MS. LANG:

14:12:53 23 Q. Just to circle back, you kind of discussed that in
14:12:59 24 order to flesh out some of these questions, there will have
14:13:04 25 to be additional meetings with the county recorders; is

14:13:09 1 that right?

14:13:09 2 MR. MORGAN: Form.

14:13:10 3 BY MS. LANG:

14:13:10 4 Q. Let me rephrase.

14:13:12 5 In order to flesh out some of the questions
14:13:13 6 about how -- what type of guidance is needed and what that
14:13:18 7 guidance should be for implementation, that there would
14:13:21 8 need to be additional meetings with the counties; is that
14:13:23 9 right?

14:13:23 10 A. Well, let's start with the word
14:13:26 11 "guidance" because -- let's not assume that the secretary
14:13:30 12 of state is the one issuing guidance. The -- as I said,
14:13:34 13 the county recorders are duly elected constitutional
14:13:38 14 officers. The county recorders themselves, through the
14:13:42 15 steering committee, can make that decision after seeking
14:13:47 16 legal advice from the county attorney. So the guidance
14:13:52 17 might be coming from the county attorney -- I mean --
14:13:54 18 sorry -- county attorneys and county recorders.

14:13:56 19 Also, we're seeking guidance through this
14:14:00 20 litigation from a federal district court. But there are
14:14:07 21 many questions, I guess, and that goes without saying that
14:14:11 22 we are hoping for guidance and not just guidance from the
14:14:16 23 secretary of state.

14:14:19 24 Q. Understood.

14:14:19 25 I think I was just trying to go to a process

14:14:21 1 question, which is that you talked about earlier kind of
14:14:24 2 consulting with the counties about, you know, these
14:14:29 3 unanswered questions, and I just wanted to know if there
14:14:32 4 are any kind of scheduled meetings with the counties to
14:14:36 5 start kind of fleshing some of these questions out?

14:14:41 6 MR. MORGAN: Form.

14:14:41 7 THE WITNESS: I think I've previously
14:14:43 8 answered that question.

14:14:45 9 BY MS. LANG:

14:14:46 10 Q. Can you remind me what the answer is?

14:14:48 11 A. We only recently received funding. I believe it
14:14:52 12 was last Friday.

14:14:54 13 Q. Yes.

14:14:55 14 A. And we were precluded from starting any process
14:14:58 15 before the PIJ was approved, so it's -- it would be
14:15:02 16 premature to have scheduled anything prior to that
14:15:05 17 approval. But that any -- any planning, any scheduling of
14:15:12 18 meetings, if necessary, would occur in the future.

14:15:24 19 Q. Thank you.

14:15:25 20 If the county recorders are required to
14:16:00 21 engage in all of the database matching that is required
14:16:03 22 both by HB 2492 and HB 2243, do you know what kind of
14:16:09 23 impact that will have on the county recorders' resources?

14:16:13 24 MR. MORGAN: Foundation. Speculation.

14:16:15 25 MR. LANGHOFER: Speculation.

14:16:17 1 THE WITNESS: I have no idea.

14:16:18 2 BY MS. LANG:

14:16:26 3 Q. One of the requirements within the statute is that
14:16:29 4 the county recorders document their efforts to check all of
14:16:33 5 these databases. Has there been any -- is there any
14:16:47 6 guidance that you're aware of on how county recorders
14:16:52 7 should document those efforts?

14:16:56 8 A. Well, the county recorders, they run their own
14:17:00 9 offices and they -- they certainly could establish guidance
14:17:03 10 for themselves.

14:17:05 11 Q. Yes. Let me -- let me try to clarify something
14:17:07 12 about my question about guidance, because I do understand
14:17:10 13 your point about certainly the county recorders are going
14:17:14 14 to have their own internal processes and guidance.

14:17:19 15 My questions with respect to guidance are
14:17:22 16 about guidance that would apply across counties and
14:17:26 17 therefore provide some level of uniformity. And I do
14:17:29 18 understand that that could also not come from the Secretary
14:17:33 19 of State's Office. It could come through the VRAC
14:17:36 20 committee from the counties themselves.

14:17:39 21 So can we understand that when I ask about
14:17:41 22 guidance, I am asking about whether or not you're aware of
14:17:45 23 the existence of guidance that would apply cross-county,
14:17:49 24 whether issued by the guid- -- the secretary or not?

14:17:52 25 MR. MORGAN: I think Ms. Connor is testifying

14:17:53 1 definitely based on her personal knowledge or lack thereof,
14:17:57 2 and if she's not aware -- I think her point is that she's
14:17:58 3 just not aware of it. I don't think she's restrict -- I
14:18:02 4 have certainly not instructed her to restrict it to, you
14:18:04 5 know, anything in specific.

14:18:06 6 I understand your question to be very broad
14:18:08 7 and is she aware of any guidance whatsoever. And I do
14:18:11 8 believe that's how she's answering it.

14:18:15 9 Fair?

14:18:16 10 THE WITNESS: Yep, that's fair.

14:18:16 11 MS. LANG: 100 percent. I just wanted to
14:18:17 12 make sure that we were all on the same page about the
14:18:19 13 terminology and --

14:18:19 14 MR. MORGAN: All good.

14:18:39 15 MS. LANG: All right. Would you like to take
14:18:42 16 a break?

14:18:43 17 MR. MORGAN: Yeah, let's take a break.

14:18:46 18 THE VIDEOGRAPHER: We are off the record.

14:18:48 19 Time on the video monitor is 2:18 p.m. This ends Media 2.

14:31:30 20 (A recess ensued.)

14:31:30 21 THE VIDEOGRAPHER: We are on the record.

14:31:50 22 Time on the video monitor is 2:31 p.m. This begins

14:31:57 23 Media 3.

14:31:57 24 BY MS. LANG:

14:31:58 25 Q. Okay. I'm going to try to ask you a universal

14:32:01 1 question here so that I can try to speed through some more
14:32:04 2 particular questions I had, which is: I think we talked
14:32:08 3 about the status of the various VRAC papers, and there's
14:32:12 4 nothing finalized on the VRAC papers with respect to the
14:32:16 5 challenged laws; correct?

14:32:16 6 A. Yes.

14:32:17 7 Q. Okay. And we've talked about the EPM and that
14:32:21 8 your goal in the EPM was to put in statutory language
14:32:28 9 requirements into the EPM as to the challenged laws, as to
14:32:32 10 the public draft that exists right now, but not any
14:32:36 11 additional kind of gap-filling guidance. Is that also
14:32:40 12 correct?

14:32:40 13 A. The intent was to have a placeholder essentially.

14:32:44 14 Q. Yes.

14:32:45 15 And that placeholder is only the statutory
14:32:48 16 language and not kind of gap-filling guidance or policy?

14:32:54 17 A. Yes. And -- but I will say, I think I mentioned
14:32:57 18 that the rejected, that wasn't an acceptable status. And
14:33:02 19 also the qualified elector definition, I -- I think I
14:33:09 20 omitted the part about having proved DPOC.

14:33:16 21 Q. Okay. But with -- other than those two
14:33:20 22 exceptions, it was not kind of a -- you didn't add any kind
14:33:23 23 of policy or gap-filling guidance; you just included the
14:33:27 24 statutory requirements?

14:33:30 25 A. That's correct.

14:33:31 1 Q. Okay. And so I just want to clarify that given
14:33:35 2 where you are in the process, so early in this process,
14:33:40 3 there is not any other statewide guidance on how these
14:33:50 4 challenged provisions will apply?

14:33:56 5 MR. WHITAKER: Speculation.

14:33:56 6 THE WITNESS: Yeah, given that we're only a
14:33:58 7 week out of approval to move forward, I'm not aware of any
14:34:04 8 statewide guidance.

14:34:08 9 BY MS. LANG:

14:34:09 10 Q. Okay. If we could look at Petty Exhibit 21.

14:34:26 11 A. Okay. Danielle, it's saying your AirPods
14:34:41 12 are . . .

14:34:59 13 I'm there.

14:34:59 14 Q. Okay.

14:35:00 15 A. Could you remind me again where?

14:35:01 16 Q. Yes. So we're looking at Petty Exhibit 21, and
14:35:08 17 I'm looking at page -- page 6.

14:35:37 18 A. Okay.

14:35:57 19 Q. On line 6, page 6, there's a section titled "H."
14:36:01 20 Do you see that?

14:36:03 21 A. Yes.

14:36:03 22 Q. Okay. And here it says, "To the extent
14:36:06 23 practicable, each month the county recorder shall compare
14:36:09 24 persons who are registered to vote in that county and who
14:36:12 25 the county recorder has reason to believe are not United

14:36:15 1 States citizens and persons who are registered to vote
14:36:17 2 without satisfactory evidence of citizenship as prescribed
14:36:22 3 by Section 16-166 with the Systematic Alien Verification
14:36:29 4 for Entitlements program maintained by the United States
14:36:32 5 Citizenship and Immigration Services to verify the
14:36:34 6 citizenship status of the person registered."

14:36:37 7 Do you see that?

14:36:38 8 A. I do.

14:36:38 9 Q. Do you know if this -- these portion -- or this
14:36:42 10 portion of 2243 is in the EPM, the draft EPM that was
14:36:49 11 submitted for public comment?

14:36:51 12 A. I don't recall if I included that.

14:36:54 13 Q. Okay.

14:36:58 14 A. So if I could just back up.

14:36:59 15 Q. Yes.

14:36:59 16 A. For the EPM too, you know, the -- it's -- it's not
14:37:06 17 going to contain everything on elections. It can't
14:37:10 18 possibly contain everything. So that doesn't mean it --
14:37:18 19 it's not going to be in effect. The law is still the law,
14:37:22 20 but it certainly can't be an exhaustive manual.

14:37:26 21 Q. Absolutely. And it bears repeating that none of
14:37:30 22 these questions are meant as a critique and more to clarify
14:37:33 23 kind of what exists out in the world and doesn't yet. And
14:37:37 24 so I just want to make that super clear.

14:37:43 25 A. Okay.

14:37:44 1 MS. LANG: And so I think we've already
14:37:50 2 marked the 2023 draft manual that was put out for public
14:37:57 3 comment. Does anybody know what the exhibit number was?
14:38:12 4 Either 273 or 274.

14:38:12 5 MS. SHAH: I don't think we have.

14:38:12 6 MS. LANG: We haven't marked it yet?

14:38:12 7 MS. SHAH: No.

14:38:12 8 MS. LANG: Okay.

14:38:39 9 BY MS. LANG:

14:38:39 10 Q. But do you see the 2023 Arizona Secretary of State
14:38:44 11 Elections Procedures Manual in the folder? Can you open
14:38:48 12 that for me?

14:38:49 13 A. Are we on SSO -- I'm sorry -- SOS Exhibits 2?

14:38:52 14 Q. Yes. And it's 2023 Arizona Secretary of State
14:38:56 15 Elections Procedures Manual draft.

14:38:57 16 A. Yes, I see.

14:38:59 17 MS. LANG: And we'll mark that as 275.

14:38:59 18 (The document was marked as Exhibit 275
14:39:17 19 for identification.)

14:39:17 20 BY MS. LANG:

14:39:18 21 Q. I'll represent to you that, you know, I've done a
14:39:20 22 search of this document and the only place where the
14:39:23 23 language "reason to believe" appears is on page 86 with
14:39:32 24 respect to equipment decertification.

14:39:34 25 Would that refresh your recollection that

14:39:36 1 perhaps this -- that reason to believe someone's not a U.S.
14:39:40 2 citizen list maintenance requirement was not specifically
14:39:43 3 included in -- in this draft version?

14:39:45 4 MR. MORGAN: We'll allow her to answer it but
14:39:47 5 only with the caveat that she's assuming what you said is
14:39:50 6 true but not checking it.

14:39:52 7 MS. LANG: Fair.

14:39:54 8 THE WITNESS: Well, and I think "reason to
14:39:57 9 believe" is a phrase used in campaign finance, so I'm
14:40:03 10 not -- I'd be surprised if that wasn't used, but perhaps.
14:40:08 11 I don't have any reason to disagree with what you're
14:40:10 12 saying.

14:40:10 13 BY MS. LANG:

14:40:10 14 Q. Okay. Do you have any specific recollection of
14:40:15 15 including these restrictions or these rules about list
14:40:21 16 maintenance and checking all of these databases in the EPM?

14:40:28 17 A. I do not, no.

14:40:30 18 Q. And perhaps we could just look at -- page 34 is
14:40:33 19 where the section on list maintenance begins.

14:40:35 20 A. Okay.

14:40:36 21 Q. And you could just review the kind of headers and
14:40:39 22 see if there's any inclusion there about the standard of
14:40:45 23 checking databases for people county recorders have reason
14:40:49 24 to believe are not U.S. citizens.

14:41:10 25 A. Okay. "Voter Registration List Maintenance"?

14:41:13 1 Q. Yes.

14:41:14 2 A. Okay.

14:41:14 3 Q. Starting on page 34.

14:41:16 4 A. Okay. And I'm sorry. Is there a question?

14:41:24 5 Q. The question is whether or not you see anything in

14:41:28 6 there that specifically discusses the use of these various

14:41:36 7 databases for list maintenance where a county recorder has

14:41:39 8 reason to believe a registrant is not a U.S. citizen.

14:41:43 9 A. Yeah, as indicated and flipping through this, I

14:41:47 10 don't see any reference to that.

14:41:48 11 Q. Great.

14:41:50 12 If we could go back to Petty Exhibit 19.

14:41:57 13 A. Okay.

14:41:59 14 Q. Page 7.

14:42:09 15 A. Okay.

14:42:10 16 Q. There's a requirement here under 16-143 that the

14:42:17 17 secretary provide a list of individuals who are "registered

14:42:20 18 to vote and who have not provided satisfactory evidence of

14:42:24 19 citizenship" to the Attorney General's Office.

14:42:28 20 Do you see that there?

14:42:29 21 A. I do, yes.

14:42:29 22 Q. Okay. And did your office provide that list to

14:42:34 23 the Attorney General's Office?

14:42:36 24 A. Yes. That's my recollection.

14:42:38 25 Q. Okay. Do you know when that was done?

14:42:41 1 A. I do not.

14:42:43 2 Q. And who in your office was in charge of compiling
14:42:50 3 and sending that list?

14:42:53 4 A. I believe it was Kori Lorick who would have, but I
14:43:03 5 -- perhaps Yolanda could answer that.

14:43:09 6 Q. Do you know if any of the county recorders
14:43:16 7 provided those lists? Because there's language in here
14:43:21 8 about each county recorder providing it as well.

14:43:23 9 A. I'm not aware.

14:43:25 10 Q. Okay. Is it your understanding that that would --
14:43:29 11 that list would include all federal-only voters?

14:43:35 12 MR. MORGAN: Form. Which list?

14:43:37 13 MS. LANG: The list that --

14:43:38 14 MR. MORGAN: Her list or the county's list?

14:43:41 15 MS. LANG: Your -- the secretary of state's
14:43:43 16 list.

14:43:43 17 THE WITNESS: Yeah, presumably that would
14:43:45 18 include all federal-only voters.

14:43:47 19 BY MS. LANG:

14:43:47 20 Q. And do you know if it would also include people
14:43:49 21 who haven't provide DPOC because they registered before
14:43:53 22 that requirement was in place?

14:43:55 23 A. I don't know.

14:44:02 24 Q. Would you look at Petty Exhibit 21 again. And
14:44:55 25 that's House Bill 2243.

14:44:58 1 A. Okay.

14:45:00 2 Q. When you get there, I'm looking at page 4.

14:45:06 3 A. Okay.

14:45:07 4 Q. So the section I'm looking at has to do with the

14:45:12 5 jury questionnaires. And so now jury questionnaire summary

14:45:16 6 reports will be sent to the county recorders indicating

14:45:19 7 folks who have said that they're not a citizen. And

14:45:24 8 Subsection 10, line 5 on that page says, "When the county

14:45:28 9 recorder obtains information pursuant to this section and

14:45:32 10 confirms that the person registered is not a United States

14:45:34 11 citizen," that's listed as a cause for cancellation; is

14:45:49 12 that correct?

14:45:49 13 A. Yes, I see that.

14:45:50 14 Q. Okay. Do you know what it -- what that second

14:45:57 15 part of the clause there, "and confirms that the person

14:46:01 16 registered is not a United States citizen," what -- what it

14:46:06 17 would mean to kind of -- you receive the information

14:46:08 18 pursuant to this section. What else would the county

14:46:12 19 recorders need to do to confirm that the person registered

14:46:15 20 is not a United States citizen?

14:46:17 21 MR. LANGHOFER: Calls for a legal conclusion.

14:46:19 22 THE WITNESS: One way to confirm someone's

14:46:22 23 not a citizen is to ask the person if they're a citizen.

14:46:27 24 BY MS. LANG:

14:46:30 25 Q. And so would that be something that the county

14:46:33 1 recorders would be required to do before they act further
14:46:36 2 on that information?

14:46:38 3 MR. LANGHOFER: Same objection.

14:46:41 4 THE WITNESS: Part of the process is to send
14:46:44 5 a letter to the individual based on the summary report from
14:46:50 6 the jury commissioner or jury manager, and within that
14:46:53 7 letter, the individual can state whether that person is or
14:47:00 8 is not a citizen.

14:47:01 9 BY MS. LANG:

14:47:03 10 Q. Okay. So is it your view that confirming that the
14:47:08 11 person registered is not a U.S. citizen would basically
14:47:11 12 mean there was a true match between the summary report and
14:47:17 13 the registered individual and there was no DPOC on file and
14:47:24 14 that there was no response from the voter?

14:47:26 15 MR. LANGHOFER: Same objection.

14:47:29 16 MR. WHITAKER: Legal conclusion.

14:47:31 17 THE WITNESS: No. If there was no response,
14:47:35 18 there was no response. The proving of someone not being a
14:47:41 19 citizen or confirming would only be if the voter did
14:47:46 20 respond and say that the voter is not a citizen, not -- not
14:47:50 21 if the voter did not respond.

14:47:53 22 BY MS. LANG:

14:47:53 23 Q. Okay. So is it your view that if there's no
14:47:56 24 response, there's no confirmation that the person is not a
14:47:59 25 U.S. citizen?

14:48:01 1 MR. LANGHOFER: Same objection.

14:48:03 2 MR. WHITAKER: Same objection.

14:48:03 3 THE WITNESS: I'm sorry. Would you rephrase

14:48:05 4 that?

14:48:05 5 BY MS. LANG:

14:48:06 6 Q. Yeah.

14:48:06 7 I guess -- I understand -- so one cause for

14:48:10 8 cancellation is when the county recorder obtains

14:48:12 9 information pursuant to this section about the jury

14:48:15 10 questionnaires and -- quote, "and confirms that the person

14:48:19 11 registered is not a United States citizen," and further

14:48:24 12 kind of instructs to send that notice that you mentioned

14:48:27 13 and if there's no response, there's a requirement for

14:48:31 14 cancellation.

14:48:32 15 A. Uh-huh.

14:48:33 16 Q. And so I'm trying to understand kind of what

14:48:36 17 additional steps, if any, the language about, "and confirms

14:48:41 18 that the person registered is not a United States

14:48:44 19 citizen" entails?

14:48:45 20 MR. LANGHOFER: Same objection.

14:48:47 21 MR. WHITAKER: Same objection.

14:48:48 22 THE WITNESS: So this section is -- is one

14:48:53 23 where I would seek legal advice because we never received

14:49:01 24 the source document. We never received the questionnaire

14:49:04 25 itself where the voter designates that he or she is not a

14:49:10 1 citizen. We instead get a summary report from the jury
14:49:17 2 manager, jury commissioner, and then my understanding is
14:49:24 3 that that juror questionnaire itself, so the source
14:49:27 4 document, can be destroyed within 90 days.
14:49:32 5 So I would -- without having the firsthand
14:49:38 6 response from the voter, I would seek legal advice as to
14:49:42 7 what authority the county recorder or anyone had to cancel
14:49:50 8 the voter.
14:49:52 9 BY MS. LANG:
14:49:52 10 Q. So sitting here right now, you're not sure?
14:49:56 11 MR. LANGHOFER: Same objection.
14:49:57 12 THE WITNESS: I'm not sure without getting
14:49:58 13 legal advice, correct.
14:50:00 14 BY MS. LANG:
14:50:27 15 Q. Do you know if there's any time limitation on the
14:50:33 16 use of these jury summary reports?
14:50:36 17 For example, is there any limitation that the
14:50:39 18 summary reports are only -- can only be used if the jury
14:50:43 19 questionnaire was filled out after someone had registered
14:50:46 20 to vote rather than before?
14:50:49 21 A. I'm not aware of any time limitation.
14:51:00 22 MR. WHITAKER: Calls for a legal conclusion.
14:51:05 23 MR. MORGAN: Mr. Whitaker said, "Calls for a
14:51:05 24 legal conclusion."
14:51:05 25 Josh, if you could, I think you're getting

14:51:07 1 caught in the spacebar game. If you could wait a second
14:51:11 2 before you object and then object a little louder, I think
14:51:14 3 the court reporter would be in a better position to hear
14:51:16 4 you.

14:51:17 5 MR. WHITAKER: I'll try. Thank you.

14:51:19 6 MR. MORGAN: Thank you.

14:51:27 7 BY MS. LANG:

14:51:33 8 Q. You mentioned a moment ago that the only
14:51:38 9 information received from the jury questionnaire -- from
14:51:41 10 the -- from the courts about the jury questionnaires is a
14:51:44 11 summary report and not the actual questionnaires
14:51:47 12 themselves; is that right?

14:51:48 13 A. That's my understanding.

14:51:49 14 Q. Okay. And that seems to have raised some concern
14:51:54 15 for you. Is that fair to say?

14:51:58 16 A. Yes.

14:51:59 17 Q. Okay. And why is that?

14:52:01 18 A. And -- well, I'll first start by saying, I
14:52:08 19 understand why the juror questionnaires are not just handed
14:52:11 20 over readily.

14:52:11 21 Q. Sure.

14:52:12 22 A. But regardless of that, it gives me pause to take
14:52:18 23 action on a document that's -- that would not be the
14:52:21 24 source -- from the registrant himself or herself.

14:52:25 25 Q. And there could potentially be errors in kind of

14:52:29 1 transcription or kind of in translation since it's not the

14:52:32 2 source document itself?

14:52:34 3 A. Yes. We're all human. There could be a mistake.

14:52:37 4 Q. Looking down at -- we had already looked at -- one
14:53:26 5 moment.

14:53:36 6 On page 6 of this document, Section J, which
14:53:41 7 is on line 20. Do you see that?

14:53:45 8 A. Page 6, J, yes I see that.

14:53:52 9 Q. And this section says, "To the extent practicable,
14:53:55 10 the county recorder shall review relevant city, town,
14:53:59 11 county, state and federal databases to which the county
14:54:01 12 recorder has access to confirm information obtained that
14:54:05 13 requires cancellation of registrations pursuant to this
14:54:08 14 section."

14:54:08 15 Do you see that?

14:54:08 16 A. I do, yes.

14:54:10 17 Q. Would it be your view that the jury questionnaires
14:54:14 18 or the summary reports of the jury questionnaires would
14:54:18 19 fall under this kind of catchall provision?

14:54:21 20 MR. LANGHOFER: Same objection.

14:54:21 21 MR. WHITAKER: Legal conclusion.

14:54:31 22 THE WITNESS: Until you said that, I -- I did
14:54:37 23 not consider the summary reports to be a database. So
14:54:41 24 that's -- that's not anything I'd really put thought into.

14:54:46 25 BY MS. LANG:

14:54:46 1 Q. Looking at Subsection L, starting on line 29, this
14:54:53 2 subsection outlines a number of reports that the secretary
14:54:56 3 of state is required to provide to the legislature at the
14:55:00 4 end of each quarter.

14:55:01 5 A. Yes.

14:55:02 6 Q. Has the secretary of state started providing those
14:55:04 7 reports, to your knowledge?

14:55:07 8 A. Yes, we have. The reports do reflect some numbers
14:55:17 9 but can't provide all of the information and state in the
14:55:22 10 reports that some of the information cannot be provided
14:55:25 11 because of the development -- the AVID development that's
14:55:29 12 needed. And some information could not be obtained because
14:55:34 13 it's information that Maricopa and Pima County, they --
14:55:39 14 they have within their database.

14:55:44 15 Q. It's very understandable if you don't know the
14:55:47 16 answer to this question given the volume of documents in
14:55:50 17 this case, but do you know if those reports have been
14:55:52 18 produced in this case?

14:55:57 19 MR. MORGAN: If you don't know, you don't
14:55:58 20 know.

14:56:00 21 THE WITNESS: Yeah, I just don't know.

14:56:00 22 MR. MORGAN: They wouldn't be introduced
14:56:00 23 unless they were in a relevant custodian that you -- you
14:56:03 24 identified and hit a search term. But if you still want
14:56:06 25 them, send me an email and we'll see if we can get them.

14:56:09 1 MS. LANG: Thank you very much. I appreciate
14:56:11 2 it.

14:56:16 3 THE WITNESS: And if I can add, the second
14:56:18 4 quarter report would have just been submitted within a few
14:56:22 5 weeks ago.

14:56:26 6 MR. MORGAN: And I don't know what the
14:56:28 7 reports would look like. So to the -- I'm not waiving,
14:56:30 8 like, confidentiality or privacy issues. We'll have to
14:56:33 9 deal with that if it becomes an issue.

14:56:35 10 MS. LANG: Understood. And I appreciate it.
14:56:37 11 We'll follow up on that. I'm sure we'll be able to figure
14:56:40 12 it out.

14:56:44 13 BY MS. LANG:

14:56:44 14 Q. Moving on. I have a couple kind of mishmash of
14:56:52 15 questions about birthplace and checkbox.

14:56:58 16 The birthplace requirement only applies to
14:57:01 17 state form applicants; correct?

14:57:04 18 MR. MORGAN: Calls for a legal conclusion.

14:57:06 19 THE WITNESS: That's my understanding, yes.

14:57:08 20 BY MS. LANG:

14:57:08 21 Q. Okay. Do you know what the -- I have seen some
14:57:20 22 documents that refer to ServiceArizona.

14:57:23 23 A. Yes.

14:57:23 24 Q. Can you tell me what that means?

14:57:25 25 MR. MORGAN: Form. Do you mean what is

14:57:27 1 ServiceArizona?

14:57:29 2 BY MS. LANG:

14:57:29 3 Q. What is ServiceArizona, yeah.

14:57:32 4 A. Yolanda Morales would definitely provide -- be
14:57:35 5 able to provide more information. But generally,
14:57:38 6 ServiceArizona is the website that people can go to to
14:57:43 7 register to vote. And currently, the only thing they can
14:57:45 8 do on that is voter registration still. Used to be the MVD
14:57:50 9 website and people could do all sorts of things, but that's
14:57:55 10 transitioning over to a new website: AZ MVD Now.

14:57:58 11 Q. Okay. And is that run by the Secretary of State's
14:58:03 12 Office or by MVD?

14:58:04 13 A. MVD.

14:58:06 14 Q. Okay.

14:58:06 15 A. That's my understanding. So I think any more
14:58:09 16 questions on that we should save for Yolanda.

14:58:11 17 Q. Fair enough. I think this is a policy question,
14:58:13 18 but it might be for Yolanda nonetheless.

14:58:17 19 Is -- is it your understanding that the
14:58:19 20 birthplace requirement is going to apply to ServiceArizona
14:58:22 21 applications or only to state paper form applications?

14:58:30 22 MR. WHITAKER: Legal conclusion.

14:58:34 23 MR. MORGAN: Form and foundation.

14:58:35 24 THE WITNESS: So including the birthplace?

14:58:35 25 BY MS. LANG:

14:58:39 1 Q. Requiring birthplace, yes.

14:58:42 2 A. I think -- I think that would be across the board
14:58:44 3 for any state application or registration.

14:58:51 4 Q. Okay. Can you think of any reason why you would
14:59:06 5 need birthplace information for state app -- applicants
14:59:10 6 using the state application form and not for those using
14:59:15 7 the federal form?

14:59:16 8 A. No.

14:59:16 9 MR. LANGHOFER: Legal conclusion.

14:59:18 10 BY MS. LANG:

14:59:28 11 Q. Moving on to talking about the documentary proof
14:59:33 12 of cit- -- residence requirement, the DPOR requirement.
14:59:36 13 And we've touched on it a bit, but I'm going to go into a
14:59:44 14 little more detail now.

14:59:46 15 As some background, applicants are required
14:59:49 16 to provide their residential address or some sort of
14:59:52 17 description or drawing of their residence when they
14:59:55 18 register to vote; correct?

14:59:56 19 A. Yes.

14:59:57 20 Q. Okay. Is -- I have a line of questions that I
15:00:06 21 think, actually based on your testimony so far, is going to
15:00:09 22 be for Yolanda. Let me just ask the one and we'll see.

15:00:12 23 If someone provides a residential address, do
15:00:17 24 you know if the AVID system does something to kind of match
15:00:21 25 that address with a precinct automatically?

15:00:27 1 A. I'm not sure how that works.

15:00:29 2 Q. All right. Do you know if there's anything in the
15:00:52 3 2019 EPM or in the current draft EPM that kind of addresses
15:00:58 4 what counties should do if a voter's address -- if they
15:01:03 5 can't determine the precinct for a voter's address?

15:01:07 6 A. I'm not aware of any.

15:01:11 7 Q. Are you aware of any kind of guidance on this
15:01:14 8 topic outside of the EPM?

15:01:17 9 A. No.

15:01:18 10 Q. Another option for folks who don't have kind of
15:01:31 11 standard addresses is for them to provide some sort of
15:01:33 12 description of their location of residence; correct?

15:01:36 13 A. Yes.

15:01:36 14 Q. That could be a map; is that correct?

15:01:38 15 A. Yes.

15:01:39 16 Q. Could it also be kind of a description with
15:01:44 17 coordinates or landmarks?

15:01:45 18 A. Yes.

15:01:47 19 Q. Do you know if there's anything in the EPM that
15:01:50 20 kind of helps describe how counties should use those
15:01:54 21 descriptors to properly precinct voters?

15:02:01 22 A. No.

15:02:02 23 Q. Are you aware of any of other guidance --
15:02:06 24 statewide guidance on that topic?

15:02:10 25 A. No. And I think that's uniquely a county issue

15:02:17 1 based on the dynamics of a particular county. I don't know
15:02:23 2 if a statewide document or application would be
15:02:27 3 appropriate.

15:02:29 4 Q. Fair.

15:02:30 5 Are you aware of kind of the circumstances
15:02:33 6 under which a voter is more likely to not have a standard
15:02:37 7 address and rely on a kind of a description or map?

15:02:40 8 A. Yes.

15:02:42 9 MR. LANGHOFER: Foundation.

15:02:42 10 BY MS. LANG:

15:02:43 11 Q. Can you provide kind of some of those
15:02:45 12 circumstances?

15:02:48 13 A. Nonstandard addresses are more common in rural
15:02:52 14 areas or reservation lands.

15:02:57 15 Q. Okay. Is it also more common for students to not
15:03:02 16 have standard addresses that match the precincting system?

15:03:07 17 MR. MORGAN: Form.

15:03:08 18 THE WITNESS: I don't know.

15:03:09 19 BY MS. LANG:

15:03:12 20 Q. Is it more common that people experiencing
15:03:15 21 homelessness might use the option of drawing their
15:03:18 22 residence?

15:03:19 23 A. Not that I'm aware of.

15:03:25 24 Q. So I think we've established under HB 2492, if
15:03:54 25 this was fully implemented, voters would now have to

15:03:57 1 provide some documentary proof of their residence location
15:04:00 2 to register to vote; correct?

15:04:03 3 A. The statutory changes would require DPOR, yes.

15:04:12 4 Q. And it is -- is it the position of the secretary's
15:04:18 5 office, notwithstanding any potential violations of federal
15:04:22 6 law, that the statute requires that documentary proof of
15:04:26 7 residence even for federal form voters?

15:04:33 8 MR. WHITAKER: Calls for a legal conclusion.

15:04:34 9 THE WITNESS: Yeah, that -- I would have
15:04:34 10 to --

15:04:34 11 MR. WHITAKER: Form.

15:04:35 12 THE WITNESS: I would have to get legal
15:04:36 13 advice on that. I don't know the answer.

15:04:38 14 BY MS. LANG:

15:04:48 15 Q. Okay. The instructions for registration in
15:04:53 16 Arizona on the federal form currently don't require --
15:04:56 17 don't discuss documentary proof of residence; is that
15:05:00 18 correct?

15:05:00 19 A. That's correct.

15:05:01 20 Q. Okay. And we looked earlier at the EAC that the
15:05:06 21 secretary's office sent in 2022 requesting an update on the
15:05:10 22 instructions; is that right?

15:05:11 23 A. Yes, we did.

15:05:12 24 Q. And that included some requested instructions
15:05:15 25 about DPOC but did not include any instructions about DPOR;

15:05:21 1 is that correct?

15:05:21 2 A. I'll have to look it up again.

15:05:23 3 Q. Yeah, let's look at it. It's AZSOS 533, the EAC

15:05:33 4 letter.

15:05:33 5 A. Yeah, just a second. Let me log in.

15:05:42 6 Okay. Where is the file, the SOS?

15:05:43 7 Q. SOS Exhibits 2 and AZSOS 533.

15:06:07 8 And the question is kind of whether or not

15:06:08 9 this request adds any request about instructions for

15:06:11 10 documentary proof of residence. So go ahead and take a

15:06:15 11 look and then you can answer.

15:06:16 12 A. I'm not finding the document. Okay. So it's --

15:06:20 13 under the SOS 2, AZSOS.

15:06:22 14 Q. 533. It's right under AZSOS 1.

15:06:32 15 A. Okay. Great. Thank you.

15:06:34 16 Q. No problem. Thank you for bearing with me.

15:06:50 17 A. Okay. So the question is whether there's a

15:06:53 18 request for DPOR to be in the federal form instructions?

15:06:57 19 Q. That's correct, yes.

15:06:59 20 A. This letter does not request that.

15:07:01 21 Q. And are you aware of any other requests to the EAC

15:07:04 22 to add that set of instructions about DPOR?

15:07:07 23 A. Not that I'm aware of.

15:07:08 24 Q. Okay. Do you know whether the DPOR requirement

15:07:14 25 would -- would apply to federal postcard applicants or

15:07:18 1 federal write-in absentee ballot applicants?

15:07:25 2 MR. WHITAKER: Calls for a legal conclusion.

15:07:31 3 THE WITNESS: Yeah, I don't think so. I

15:07:33 4 think that was an error in the draft EPM but -- okay. So

15:07:37 5 some of the federal postcard information and the FWAB stuff

15:07:45 6 need to be corrected in the draft. So just in all candor,

15:07:51 7 you know, I -- I'm -- I'm not sure if that's where that

15:07:55 8 question is coming from.

15:07:56 9 BY MS. LANG:

15:07:57 10 Q. It's not. Just a genuine question of curiosity.

15:08:01 11 I don't know the answer --

15:08:02 12 A. Okay.

15:08:02 13 Q. -- as to whether or not it should apply to those

15:08:05 14 applicants or not.

15:08:07 15 Do you know if it should?

15:08:08 16 A. I don't know right off the top of my head.

15:08:10 17 Q. Okay. Do you know if voters will need to provide

15:08:40 18 a new document proving residence with any address update

15:08:45 19 that they make to their voter registration?

15:08:48 20 MR. MORGAN: Form. Speculation.

15:08:50 21 MR. LANGHOFER: Legal conclusion.

15:08:51 22 THE WITNESS: Not that I'm aware of.

15:08:53 23 MR. WHITAKER: And I think calls for a legal

15:08:54 24 conclusion.

15:08:54 25 MR. MORGAN: Yeah. Mr. Langhofer made that

15:08:59 1 objection.

15:09:54 2 MS. LANG: And please excuse my pause. If it
15:09:56 3 gives anyone comfort, it's because I'm trying to pare down
15:10:00 4 on the questions and see what we need to cover.

15:10:32 5 MR. MORGAN: While we're waiting, can the
15:10:34 6 videographer tell us how long we've been on the record?

15:10:37 7 THE VIDEOGRAPHER: Five hours and eight
15:10:39 8 minutes.

15:10:40 9 MR. MORGAN: Thank you.

15:10:40 10 BY MS. LANG:

15:10:52 11 Q. Okay. If you could open Petty Exhibit 24.

15:11:08 12 A. I think I went into a file that is not the
15:11:12 13 exhibits. Sorry about that.

15:11:48 14 MS. LANG: Let's take a break brief.

15:11:50 15 THE VIDEOGRAPHER: We are off the record.

15:11:52 16 The time on the video monitor is 3:11 p.m.

15:11:57 17 (A recess ensued.)

15:18:33 18 THE VIDEOGRAPHER: We are on the record. The
15:18:50 19 time on the video monitor is 3:18 p.m.

15:18:55 20 MS. LANG: Okay. So thank you all for the
15:18:55 21 indulgence.

15:18:55 22 BY MS. LANG:

15:18:58 23 Q. If we can look at Petty Exhibit 24.

15:19:01 24 A. Okay.

15:19:04 25 Q. Do you recognize this document?

15:19:10 1 A. I do, yes.

15:19:11 2 Q. And can you describe what it is for me?

15:19:14 3 A. It's a table that lists "What constitutes
15:19:22 4 Documentary Proof of Residency."

15:19:22 5 Q. And this is what would constitute DPOR under the
15:19:25 6 HB 2492; correct?

15:19:27 7 A. Yes.

15:19:27 8 Q. Okay. Who drafted this, to your knowledge?

15:19:34 9 A. I don't know.

15:19:35 10 Q. Okay. Does this chart still reflect the
15:19:40 11 secretary's position on what documents would satisfy the
15:19:44 12 DPOR requirement under HB 2492?

15:19:47 13 MR. LANGHOFER: Calls for a legal conclusion.

15:19:50 14 THE WITNESS: Without comparing it to the
15:19:55 15 579(A)(1), it's hard to say. But I think that was the
15:20:01 16 intent of the document, to provide a list, but maybe not an
15:20:05 17 exhaustive list.

15:20:06 18 BY MS. LANG:

15:20:06 19 Q. Okay. Is it a list of at least some documents
15:20:11 20 that would be acceptable DPOR?

15:20:13 21 MR. LANGHOFER: Same objection.

15:20:13 22 THE WITNESS: That's my understanding, yes.

15:20:14 23 BY MS. LANG:

15:20:14 24 Q. Do you know if this document has been sent out to
15:20:17 25 the counties?

15:20:19 1 A. Not that I'm aware of.

15:20:20 2 Q. Okay.

15:20:23 3 MR. MORGAN: Other than as produced in the
15:20:25 4 lawsuit?

15:20:26 5 MS. LANG: Yes.

15:20:26 6 MR. MORGAN: Okay.

15:20:27 7 MS. LANG: Sent out to the county recorders
15:20:29 8 by the secretary of state.

15:20:30 9 MR. MORGAN: Okay. Got it. Yep.

15:20:32 10 Same answer?

15:20:34 11 THE WITNESS: Yes. It looks like it's
15:20:36 12 attached to a filing, though. I'm not sure what the filing
15:20:39 13 was.

15:20:40 14 BY MS. LANG:

15:20:41 15 Q. Yes. It was attached to a filing in this case.

15:20:44 16 And has been produced in this case.

15:20:45 17 A. Okay.

15:20:46 18 Q. But my question --

15:20:47 19 MS. LANG: And thank you for the
15:20:49 20 clarification, Craig.

15:20:49 21 BY MS. LANG:

15:20:49 22 Q. -- is just whether or not the secretary has kind
15:20:53 23 of affirmatively sent this out to the counties.

15:20:55 24 A. Yeah, I'm not aware.

15:20:58 25 Q. Okay. This chart is not in the draft EPM;

15:21:08 1 correct?

15:21:08 2 A. Correct.

15:21:09 3 Q. If it's not in the EPM, would a chart like this
15:21:19 4 providing examples of DPOR be binding on the county
15:21:24 5 recorders?

15:21:26 6 A. No.

15:21:27 7 MR. LANGHOFER: Calls for a legal conclusion.

15:21:31 8 BY MS. LANG:

15:21:33 9 Q. At the bottom here of this chart, there is a --
15:21:39 10 there's an option for one form of DPOR to be "Written
15:21:46 11 confirmation signed by the registrant that they qualify to
15:21:49 12 register pursuant to 16-166(B) (providing an address at a
15:21:54 13 homeless center; USPS General Delivery; Courthouse)."

15:22:03 14 Are you aware of any kind of draft template
15:22:06 15 for a written confirmation of this kind?

15:22:12 16 A. So I read that to be the written confirmation as
15:22:16 17 in the registrant who could be homeless and the residential
15:22:24 18 address, in lieu of a standard residential address, would
15:22:29 19 provide the general delivery address of a post office or a
15:22:34 20 courthouse.

15:22:36 21 So I didn't read this as a separate document.
15:22:40 22 I assumed it would be included in the registration form
15:22:43 23 itself.

15:22:44 24 Q. Okay. That's very -- that's a very helpful
15:22:47 25 clarification.

15:22:48 1 So your understanding of this is that where
15:22:52 2 someone registers to vote and provides as their address a
15:22:55 3 homeless center or USPS general delivery or courthouse
15:22:59 4 under this statute, they wouldn't have to provide any
15:23:02 5 additional documents providing proof of residence?

15:23:06 6 A. Yes, that's correct.

15:23:08 7 Q. Okay.

15:23:10 8 MR. WHITAKER: Calls for a legal conclusion.

15:23:13 9 BY MS. LANG:

15:23:16 10 Q. And if we can return to Petty Exhibit 19, which is
15:23:22 11 HB 2492.

15:23:30 12 A. Okay.

15:23:31 13 Q. Turn to page 6.

15:23:46 14 A. All right.

15:23:47 15 Q. Rather, page 5. I apologize. At the bottom of
15:23:58 16 page 5.

15:23:58 17 A. Okay.

15:23:59 18 Q. And this is the Section 16-123, starting at
15:24:03 19 line 40 on page 5 that requires a proof of DPOR; is that
15:24:13 20 right?

15:24:13 21 A. Yes.

15:24:14 22 Q. Okay. And the language here says that "Except for
15:24:18 23 persons who register pursuant to" 16- -- "Section 16-103, a
15:24:23 24 person who registers to vote shall provide an identifying
15:24:27 25 document that establishes proof of location of residence."

15:24:33 1 Do you see that?

15:24:33 2 A. I do.

15:24:34 3 Q. And would you agree with me that the language "an
15:24:37 4 identifying document" is broad?

15:24:42 5 MR. LANGHOFER: Legal conclusion.

15:24:44 6 THE WITNESS: Yes.

15:24:45 7 MR. WHITAKER: I missed the question, but I
15:24:48 8 think it calls for a legal conclusion.

15:24:51 9 MS. LANG: Kory did --

15:24:53 10 MR. MORGAN: Kory made the objection.

15:24:54 11 MS. LANG: Made the objection. And the
15:24:55 12 question, because it's only fair to you, is whether --
15:25:00 13 whether the witness would agree that the language "an
15:25:05 14 identifying document" is broad.

15:25:09 15 THE WITNESS: The answer was yes.

15:25:11 16 MS. LANG: And there was an objection and --

15:25:12 17 THE WITNESS: The answer was yes.

15:25:14 18 BY MS. LANG:

15:25:15 19 Q. In -- would a declaration from a voter of their
15:25:20 20 location of residence qualify as an identifying document
15:25:26 21 that establishes proof of location of residence?

15:25:29 22 MR. LANGHOFER: Same objection.

15:25:32 23 THE WITNESS: I'm not in a position to answer
15:25:36 24 that without legal advice and without consultations with
15:25:44 25 county recorders.

15:25:44 1 BY MS. LANG:

15:02:57 2 Q. Okay. Do you know if there's any plan to create
15:25:47 3 such a declaration option for voters who would otherwise
15:25:50 4 have difficulty providing other -- another document proving
15:25:55 5 location of residence?

15:25:56 6 A. Not that I'm aware of.

15:25:59 7 Q. You earlier testified that if the DPOR requirement
15:26:44 8 goes into effect, it would require some public education to
15:26:49 9 ensure that voters understand how to comply with it. Would
15:26:56 10 you agree that the new DPOR requirement would also require
15:27:01 11 training for election officials to implement it?

15:27:04 12 MR. MORGAN: Form. Foundation. And the form
15:27:06 13 objection, just for the record, is I'm not sure that's what
15:27:08 14 she said earlier. So just for what it's worth, I'm not
15:27:11 15 disputing it; I just don't know that I agree.

15:27:13 16 MR. LANGHOFER: And legal conclusion.

15:27:13 17 BY MS. LANG:

15:27:15 18 Q. Okay. So let's back up.

15:27:16 19 If the DPOR requirement needs to be fully
15:27:22 20 implemented, would you agree that public education would be
15:27:28 21 an important component of ensuring that voters know how to
15:27:31 22 comply with it?

15:27:33 23 MR. LANGHOFER: Legal conclusion.

15:27:39 24 THE WITNESS: I don't know. I think that
15:27:41 25 would be something that the county recorders would have to

15:27:45 1 weigh in on.

15:27:47 2 BY MS. LANG:

15:27:47 3 Q. Okay. Would implementation require training?

15:27:54 4 MR. LANGHOFER: Same objection.

15:27:55 5 MR. MORGAN: Yeah, form.

15:27:57 6 THE WITNESS: If the county recorders
15:27:59 7 implemented the DPOR, yes, they would have to train people.

15:28:03 8 BY MS. LANG:

15:28:03 9 Q. Okay. Would it also -- would implementation of
15:28:08 10 the DPOR requirement also require some training for the
15:28:12 11 NVRA mandated agencies that provide voter registration
15:28:16 12 services?

15:28:17 13 MR. LANGHOFER: Same objection.

15:28:29 14 THE WITNESS: Yes.

15:28:33 15 BY MS. LANG:

15:28:40 16 Q. During the deposition of the county recorder in
15:28:43 17 Cochise County, there was some discussion that the Cochise
15:28:47 18 County recorder was beginning to implement and enforce the
15:28:51 19 DPOR requirement. Do you have any knowledge of that?

15:28:54 20 A. No.

15:28:55 21 MR. MORGAN: Wait, of the deposition or the
15:28:58 22 implementation?

15:28:59 23 MS. LANG: Of the implementation.

15:29:01 24 THE WITNESS: I'm not aware of that, no.

15:29:03 25 BY MS. LANG:

15:29:03 1 Q. Were you aware of that during the deposition, the
15:29:06 2 county recorder had made that representation?

15:29:09 3 A. No. This is news to me.

15:29:11 4 Q. Okay. I'm going to move on to a different topic.
15:29:22 5 Some additional questions about any concerns about voter
15:29:26 6 fraud.

15:29:27 7 As the state elections chief election
15:29:37 8 officer, does the Secretary of State's Office have any role
15:29:40 9 to play in safeguarding the state elections against fraud?

15:29:43 10 MR. MORGAN: Form.

15:29:49 11 THE WITNESS: The secretary of state, of
15:29:51 12 course, is definitely -- I don't even know how to phrase
15:29:58 13 that. Is -- wants to ensure that there are fair, honest
15:30:04 14 elections.

15:30:05 15 BY MS. LANG:

15:30:06 16 Q. And I imagine there's any number of ways in which
15:30:08 17 the secretary works with election officials to safeguard
15:30:12 18 against fraud; is that accurate?

15:30:14 19 MR. MORGAN: Foundation.

15:30:15 20 THE WITNESS: So I have a little issue with
15:30:17 21 "fraud." I mean, that's -- it's a very broad term. I
15:30:23 22 don't -- I think we need to get more specific as far as
15:30:26 23 that question goes.

15:30:27 24 BY MS. LANG:

15:30:27 25 Q. Fair.

15:30:33 1 So there is a variety of -- there are
15:30:41 2 different types of, you know, fraud, quote/unquote, "fraud"
15:30:46 3 that could occur in elections; correct?

15:30:51 4 MR. MORGAN: Form.

15:30:52 5 BY MS. LANG:

15:30:52 6 Q. For example, there could be fraud committed by
15:30:54 7 election officials or by voters or by candidates, and those
15:30:59 8 would all have different implications; is that fair to say?

15:31:02 9 MR. MORGAN: Form.

15:31:04 10 Having done this before, for what it's worth,
15:31:06 11 I think she is hung up on what kind of fraud you're talking
15:31:09 12 about. So if you have a specific example, I think she'd be
15:31:13 13 in a better position to answer the question.

15:31:13 14 MS. LANG: Yeah.

15:31:15 15 MR. MORGAN: It's a nasty word in the
15:31:17 16 election world these days.

15:31:19 17 MS. LANG: Trust me, I do know.

15:31:26 18 BY MS. LANG:

15:31:29 19 Q. Can we agree that if I -- if I refer to the term
15:31:33 20 "voter fraud" in particular, what I'm referring to is a
15:31:38 21 voter casting a ballot who is ineligible to do so.

15:31:45 22 A. Okay.

15:31:46 23 Q. And that could be for any number of reasons. It
15:31:48 24 could be because they've already voted; because they don't
15:31:51 25 meet the qualifications; because they're not who they say

15:31:55 1 they are.

15:31:56 2 A. Okay.

15:31:57 3 Q. Okay. Do you believe that Arizona has strong
15:32:06 4 safeguards in place to protect against voter fraud?

15:32:09 5 MR. MORGAN: Form.

15:32:09 6 THE WITNESS: Yes.

15:32:12 7 MR. WHITAKER: Foundation.

15:32:10 8 BY MS. LANG:

15:32:13 9 Q. As the state's chief election official, if there
15:32:16 10 was significant voter fraud taking place in Arizona, would
15:32:21 11 the secretary's office be aware of it?

15:32:24 12 MR. MORGAN: Form, foundation.

15:32:26 13 MR. WHITAKER: Foundation.

15:32:28 14 THE WITNESS: So the Secretary of State's
15:32:29 15 Office is not a policing agency; it's not a law enforcement
15:32:32 16 agency. But in general, the secretary of state should be
15:32:40 17 aware and would be aware of any issue involving elections,
15:32:47 18 just in a broad sense.

15:32:49 19 BY MS. LANG:

15:32:57 20 Q. And to hone in for a second on the issue of
15:32:59 21 noncitizen voting in particular, there was an interrogatory
15:33:03 22 given to your office that asked the secretary to identify
15:33:07 23 any evidence they had of noncitizen voting, and your office
15:33:12 24 didn't identify any incidents; is that correct?

15:33:16 25 MR. LANGHOFER: Form.

15:33:16 1 MR. MORGAN: Foundation. If you need to see
15:33:18 2 the document.
15:33:19 3 MS. LANG: Happy to look at the document.
15:33:22 4 MR. MORGAN: Yeah. Please. Thank you.
15:33:25 5 Feels like a lifetime ago we answered this.
15:33:30 6 MS. LANG: So I think it's not in that
15:33:33 7 subfolder.
15:33:39 8 MR. WHITAKER: Might have been marked as
15:33:40 9 Exhibit 262 already.
15:33:43 10 MS. LANG: Yeah. I believe that's right.
15:33:50 11 MR. MORGAN: Is it-- is it the response to
15:33:52 12 the consolidated plaintiffs' first set of interrogatories?
15:33:52 13 MS. LANG: Yes.
15:33:54 14 MR. MORGAN: I've got a copy. What number?
15:33:57 15 What rog?
15:34:01 16 MS. LANG: Yeah. Let's see.
15:34:10 17 MR. WHITAKER: And it was letter C, I think,
15:34:12 18 in the Dropbox.
15:34:13 19 MR. MORGAN: Yeah, it's Exhibit 263. Nope.
15:34:18 20 262 for today.
15:34:23 21 So I've handed the witness Exhibit 262.
15:34:39 22 MS. LANG: Looking for the -- it's
15:34:39 23 Interrogatory Number 6 on page 10. The response -- the
15:34:49 24 substantive response begins on page 12.
15:34:54 25 MR. MORGAN: I take offense to that. I think

15:34:56 1 it was a wholly substantive response.

15:34:59 2 MS. LANG: The non-objections response begins
15:35:02 3 on page 12.

15:35:07 4 MR. MORGAN: Are you talking about line 15
15:35:09 5 through 23?

15:35:10 6 MS. LANG: Yes.

15:35:13 7 BY MS. LANG:

15:35:14 8 Q. And there's a discussion of the existence of these
15:35:16 9 jury summary reports, but your response did not actually
15:35:19 10 identify any specific evidence of any particular instances
15:35:22 11 of noncitizen voting; is that correct?

15:35:25 12 A. I'm sorry. You're going to have to let me read
15:35:27 13 this first.

15:35:28 14 Q. Yes, of course.

15:35:57 15 A. Okay. What was your question?

15:35:59 16 Q. So my question is whether or not your
15:36:01 17 interrogatory response identified any specific instances of
15:36:09 18 alleged noncitizen voting.

15:36:11 19 A. It did not.

15:36:12 20 Q. Okay. Sitting here today, are you aware of any
15:36:17 21 specific instances of alleged noncitizen voting?

15:36:21 22 A. Not that to my knowledge.

15:36:23 23 MR. WHITAKER: Foundation.

15:36:26 24 BY MS. LANG:

15:36:33 25 Q. Are you aware of the secretary's office ever

15:36:35 1 receiving credible evidence related to noncitizen voting?
15:36:40 2 MR. MORGAN: Form.
15:36:42 3 MR. WHITAKER: And foundation.
15:36:49 4 THE WITNESS: Well, I'll premise that by -- I
15:36:50 5 don't know why the Secretary of State's Office would
15:36:51 6 receive that. I mean, it would -- the administration of
15:36:54 7 elections are done at the county level, so county recorders
15:36:59 8 or county election officials would know. But I'm not aware
15:37:04 9 of any specific case brought to the attention of the
15:37:06 10 secretary of state.

15:37:06 11 BY MS. LANG:

15:37:07 12 Q. That's my only question.

15:37:23 13 In recent years, there has been a great deal
15:37:27 14 of -- I'm trying to think of a good way to phrase this --
15:37:36 15 rhetoric about alleged voter fraud in the State of Arizona;
15:37:41 16 is that correct?

15:37:41 17 A. Yes.

15:37:41 18 MR. MORGAN: Form.

15:37:42 19 I'm sorry. I didn't hear the -- what was the
15:37:44 20 question again.

15:37:44 21 BY MS. LANG:

15:37:45 22 Q. The questions was: In the past -- in recent
15:37:47 23 years, there has been a great deal of public rhetoric about
15:37:52 24 the subject of alleged voter fraud in Arizona?

15:37:55 25 MR. MORGAN: Thank you.

15:37:59 1 BY MS. LANG:

15:37:59 2 Q. And are you aware that in 2020, the Republican
15:38:09 3 presidential candidate claimed that 36,000 noncitizens
15:38:12 4 voted in Arizona?

15:38:14 5 MR. MORGAN: Form. Hearsay.

15:38:24 6 MS. PORTER: Scope.

15:38:29 7 THE WITNESS: I'm not aware of that
15:38:31 8 particular claim.

15:38:34 9 BY MS. LANG:

15:38:34 10 Q. Okay. Are you aware of any credible evidence that
15:38:37 11 thousands of noncitizens voted in the 2020 election?

15:38:41 12 A. No.

15:38:42 13 Q. Would you agree that in recent years, some --
15:39:01 14 there has been a -- that in recent years there have been
15:39:07 15 many allegations by public figures about alleged voter
15:39:12 16 fraud in Arizona?

15:39:12 17 MR. MORGAN: Form. Foundation. Hearsay.

15:39:18 18 THE WITNESS: You know, I can't say with
15:39:20 19 particularity if that's occurred.

15:39:22 20 BY MS. LANG:

15:39:22 21 Q. Okay. What I'm trying to get at, for what it's
15:39:30 22 worth, is kind of the impact on the -- on election
15:39:33 23 officials in the secretary's office of the current
15:39:35 24 political climate around issues related broadly to what
15:39:40 25 people might say is election integrity. So to the extent

15:39:44 1 that's useful to you in kind of framing my questions, I'm
15:39:50 2 only trying to lay foundation for that kind of set of
15:39:54 3 questions about the impact.

15:39:55 4 So would -- would you agree that there has
15:39:59 5 been kind of very heated political rhetoric around how
15:40:02 6 elections are conducted in Arizona?

15:40:05 7 MR. LANGHOFER: Scope.

15:40:07 8 MR. WHITAKER: Form. Outside the scope.

15:40:10 9 MR. MORGAN: Yeah, we've got a scope
15:40:11 10 objection, Josh. Thanks. Sorry.

15:40:14 11 THE WITNESS: I believe there's definitely
15:40:17 12 misinformation out there, and it has led to heated rhetoric
15:40:23 13 as you expressed and false allegations, unfair allegations
15:40:31 14 against election officials.

15:40:32 15 BY MS. LANG:

15:40:33 16 Q. Okay. And in recent years, have election
15:40:37 17 officials in Arizona experienced harassment?

15:40:41 18 MR. MORGAN: Same objection. Particularly as
15:40:44 19 to scope, I feel like I've been as generous as I can on
15:40:50 20 these things. I just -- I'm warning you that if we get too
15:40:53 21 far afield of the scope and you can't point to me where in
15:40:56 22 the topics we are, I might have to shut it down because she
15:41:01 23 really does have other things to do. And talking about
15:41:04 24 this, it doesn't seem appropriate to me. I can't link it
15:41:08 25 to the issues left in the case, but maybe you can.

15:41:12 1 MS. LANG: I can. I -- I would be happy to
15:41:15 2 have that discussion off the record. I don't think it's
15:41:17 3 proper to instruct the witness not to answer questions.
15:41:20 4 We're within our seven hours.

15:41:20 5 MR. MORGAN: I don't care.

15:41:21 6 MS. LANG: If you want to say that it's
15:41:22 7 outside the scope.

15:41:23 8 MR. MORGAN: It is outside the scope. And I
15:41:26 9 stand by what I said. So I'm giving you an opportunity to
15:41:28 10 link it.

15:41:30 11 If we need to get to the Judge and I need to
15:41:32 12 get a protective order this afternoon, I'll try. I
15:41:34 13 represent the Secretary of State's Office. This isn't a
15:41:37 14 small po dunk company that sells widgets. These statements
15:41:40 15 have meaning, and we need to stay within the scope.

15:41:51 16 MS. LANG: Okay.

15:43:08 23 MR. MORGAN: Form to the extent it misstates
15:43:12 24 the actual law.

15:43:13 25 MR. LANGHOFER: Legal conclusion.

15:43:18 1 You can answer, if you remember.

15:43:20 2 THE WITNESS: Yes.

15:43:21 3 MR. WHITAKER: Vague as to ambiguous. I'm

15:43:24 4 not sure what parts of the law we're talking about.

15:43:28 5 MS. LANG: Okay. I'm trying to move things

15:43:31 6 along.

15:43:31 7 BY MS. LANG:

15:43:31 8 Q. But let's -- Exhibit 19 -- Petty Exhibit 19.

15:43:46 9 MR. WHITAKER: While the witness is turning,

15:43:48 10 Danielle, I wasn't trying to suggest you're delaying.

15:43:52 11 MS. LANG: I understand.

15:44:00 13 THE WITNESS: Petty Exhibit 19?

15:44:02 14 BY MS. LANG:

15:44:02 15 Q. Yes. This is HB 2492.

15:44:24 16 A. There's a reference to criminal penalties on

15:44:29 17 page 5 in reference to a county recorder and efforts made

15:44:37 18 to verify citizenship.

15:44:44 19 Q. Correct.

15:44:50 20 On page 4 as well, Section C and line 32, do

15:44:57 21 you see there's another felony penalty if an election

15:45:03 22 official fails to reject an application for lack of DPOC?

15:45:08 23 A. Yes.

15:45:09 24 Q. Okay. And -- okay.

15:45:32 25 Have election officials expressed any

15:45:34 1 concerns to the Secretary of State's Office about the

conclusion.

THE WITNESS: No.

MR. WHITAKER: These questions, I think, are also calling for legal conclusions. I can't hear Kory.

MS. LANG: He's got you. Thank you.

BY MS. LANG:

Q. For voters who use paper forms to register, are you -- do the majority of those voters use the state voter registration form?

MR. MORGAN: Foundation, form.

THE WITNESS: I'm not aware of that.

BY MS. LANG:

Q. Okay. Do you know if the federal form is available on county recorder websites?

A. I don't know.

MR. MORGAN: Foundation.

BY MS. LANG:

Q. How about the secretary of state's website?

A. Yes.

Q. The federal form?

A. To the best of my knowledge, it is available, yes.

Q. I'm not doubting you, to be clear. I just wanted to make sure.

You'll be happy to know we're winding down.

A. All right. Sounds good.

15:49:00 1 Q. At least for myself.

15:49:03 2 What is your office's role in facilitating
15:49:10 3 voter registration at the NVRA mandated agencies?

15:49:18 4 A. To make sure the public agencies provide an
15:49:25 5 opportunity for individuals seeking services to register to
15:49:29 6 vote.

15:49:30 7 Q. Okay. And who currently is the Arizona secretary
15:49:36 8 of state NVRA coordinator?

15:49:38 9 A. Yolanda Morales.

15:49:40 10 Q. Okay. Is one of the responsibilities of the
15:49:45 11 secretary of state to provide training to county recorders
15:49:48 12 on how to process NVRA agency applications?

15:49:56 13 A. You know, I'm not sure. I think that would be a
15:49:59 14 Yolanda question.

15:50:00 15 Q. If we could -- if we could look back at
15:51:56 16 Exhibit 2 -- back at the draft procedures manual for 2023,
15:52:03 17 2023 Arizona Secretary of State Elections Procedures
15:52:07 18 Manual.

15:52:07 19 A. The one for public comment?

15:52:10 20 Q. Yes.

15:52:11 21 A. Okay.

15:52:21 22 Q. Turn to page 16. There's a section that begins on
15:52:36 23 page 15 about "Designated Voter Registration Assistance
15:52:40 24 Agencies," and it goes onto page 16. So just let me know
15:52:44 25 when you're there.

15:52:51 1 A. Yes, I see that.

15:52:52 2 Q. In the 2019 version of this manual, there was
15:52:55 3 language that said, "The Secretary of State's Office will
15:52:58 4 publish guidance for voter registration assistance agencies
15:53:02 5 on complying with state statutory requirements," and that
15:53:07 6 language was deleted from this manual. Could you explain
15:53:12 7 why?

15:53:13 8 A. Yeah. So -- and this goes back to your question
15:53:16 9 about the NVRA Section 7 training. And that was required
15:53:22 10 under a settlement agreement with the League of Women
15:53:27 11 Voters who challenged the public assistance agencies and
15:53:33 12 the provision of an opportunity to register to vote. And
15:53:38 13 under that agreement, there, in fact, was a training
15:53:40 14 requirement for the secretary of state and the NVRA
15:53:48 15 coordinator. That settlement agreement has since expired.

15:53:55 16 Q. Was there previously published guidance under that
15:54:07 17 language from the 2019 Election Procedures Manual?

15:54:13 18 A. Was there guidance about training?

15:54:17 19 Q. Yes.

15:54:18 20 So the 2019 EPM said, quote, "The Secretary
15:54:22 21 of State's Office will publish guidance for voter
15:54:24 22 registration assistance agencies on complying with federal
15:54:27 23 and state statutory requirements, which will be made
15:54:30 24 available at <https://azsos.gov/elections>."

15:54:38 25 And so I guess my question is whether or not

15:54:38 1 that guidance was ever published.

15:54:42 2 A. Presumably. I have no reason to doubt that it was
15:54:44 3 published.

15:54:45 4 Q. Are you aware of whether or not that guidance
15:54:48 5 still exists on the website?

15:54:52 6 A. I can't say sitting here today if that is
15:54:54 7 available on the website.

15:54:55 8 Q. Are you familiar with that guidance one way or
15:54:59 9 another?

15:54:59 10 A. There are definitely training documents
15:55:02 11 specifically on the Section 7, but I just don't know if
15:55:08 12 it's still published on the website.

15:55:10 13 Q. Okay. Since that settlement has expired, does the
15:55:21 14 secretary plan to continue to provide any training to the
15:55:23 15 NVRA agencies?

15:55:26 16 MR. MORGAN: Form.

15:55:28 17 THE WITNESS: We have not had that
15:55:31 18 discussion. But the training has continued specifically to
15:55:39 19 keep the county recorders apprised of their duties as far
15:55:43 20 as the data entry regarding the source code for voter
15:55:49 21 registration applications.

15:55:49 22 BY MS. LANG:

15:55:49 23 Q. And is it the case that one thing that the
15:55:52 24 secretary of state does is provide to the NVRA agencies
15:55:56 25 specially coded voter registration applications for them to

15:55:59 1 use?

15:56:00 2 A. Yes.

15:56:00 3 Q. Okay. And are those the state voter registration
15:56:04 4 form but with that special code?

15:56:06 5 A. Yes.

15:56:07 6 Q. Okay. Are you currently aware of any substantive
15:56:37 7 disagreements between your office, the county recorders, or
15:56:41 8 the attorney general on how to implement the challenged
15:56:46 9 provisions here?

15:56:47 10 MR. LANGHOFER: Foundation.

15:56:49 11 MR. MORGAN: Form. Asked and answered.

15:56:50 12 MR. LANGHOFER: Speculation.

15:56:52 13 THE WITNESS: No.

15:56:52 14 MS. LANG: Let's go off the record.

15:57:09 15 THE VIDEOGRAPHER: We are off the record.

15:57:12 16 The time on the video monitor is 3:57 p.m.

16:05:07 17 (A recess ensued.)

16:05:07 18 THE VIDEOGRAPHER: We are on the record. The
16:05:54 19 time on the video monitor is 4:05 p.m.

16:05:59 20 MS. LANG: Ms. Connor, I don't have any
16:06:01 21 further questions for you. So I just wanted to say thank
16:06:04 22 you so much for your time.

16:06:04 23 THE WITNESS: Thank you.

16:06:04 24 MS. LANG: We really appreciate it.

16:06:06 25 I'm going to pass it off to my colleague,

16:06:07 1 Ms. Kanter Cohen, who does have a few additional questions
16:06:10 2 for you.

16:06:11 3

16:06:16 4 EXAMINATION

16:06:17 5 MS. KANTER COHEN:

16:06:17 6 Q. Good afternoon. My name is Michelle Kanter Cohen,
16:06:19 7 and I represent the Poder Latinx plaintiffs.

16:06:23 8 A. Nice to meet you.

16:06:23 9 Q. Nice to meet you. Thank you.

16:06:25 10 I'll return to the EPM. Can legally binding
16:06:31 11 interpretation or guidance be conveyed by the Secretary of
16:06:35 12 State's Office to county recorders by any means other than
16:06:38 13 the EPM?

16:06:39 14 MR. LANGHOFER: Legal conclusion.

16:06:41 15 MR. WHITAKER: Calls for a legal conclusion.

16:06:44 16 THE WITNESS: Not that I'm aware of.

16:06:45 17 BY MS. KANTER COHEN:

16:06:47 18 Q. Have any Arizona legislators informed your office
16:06:51 19 they believe that the voter registration chapter should be
16:06:53 20 removed?

16:06:55 21 MR. MORGAN: Hearsay.

16:06:56 22 THE WITNESS: I know we've received a lot of
16:07:00 23 comments from legislators. As far as moving the voter --
16:07:05 24 removing the voter registration chapter entirely, I do
16:07:09 25 believe it was the senate president who suggested that, but

16:07:16 1 I could be mistaken. It could be another legislator, but I
16:07:19 2 know that suggestion has been made.

16:07:19 3 BY MS. KANTER COHEN:

16:07:21 4 Q. And that was in the written comments?

16:07:25 5 MR. MORGAN: Form.

16:07:26 6 THE WITNESS: Yes. I think there was also a
16:07:28 7 press release or a tweet or something.

16:07:31 8 BY MS. KANTER COHEN:

16:07:41 9 Q. I wanted to turn to back to some of the provisions
16:07:44 10 in HB 2492 and 2243.

16:07:49 11 What is the secretary of state's position --
16:07:52 12 the office's position on what are valid sources of
16:07:55 13 information that someone is not a U.S. citizen?

16:07:59 14 MR. LANGHOFER: Legal conclusion.

16:08:02 15 MR. MORGAN: Form.

16:08:06 16 Just so we're clear, are you asking her to
16:08:08 17 provide examples of valid -- I may have misunderstood the
16:08:12 18 question.

16:08:12 19 BY MS. KANTER COHEN:

16:08:13 20 Q. What is that -- what does that phrase mean? What
16:08:16 21 are valid sources of, quote, "information"?

16:08:17 22 MR. MORGAN: Form.

16:08:19 23 THE WITNESS: That prove that someone is not
16:08:22 24 a citizen.

16:08:22 25 BY MS. KANTER COHEN:

16:08:23 1 Q. That someone is not a U.S. citizen, as the wording
16:08:28 2 is used in HB 2492 --

16:08:31 3 A. So --

16:08:34 4 Q. -- 2243?

16:08:34 5 MR. WHITAKER: Calls for legal conclusion.

16:08:37 6 THE WITNESS: -- the only information that
16:08:40 7 I'm aware of to -- to prove a negative like that would be
16:08:45 8 the authorized presence codes used by the Motor Vehicle
16:08:53 9 Department.

16:08:54 10 BY MS. KANTER COHEN:

16:08:55 11 Q. So if a person has an ADOT record but no
16:08:58 12 confirmation of citizenship one way the other, would that
16:09:01 13 be information they're not a citizen?

16:09:04 14 MR. MORGAN: Form.

16:09:04 15 MR. LANGHOFER: Legal conclusion.

16:09:07 16 MR. WHITAKER: And I think calls for a legal
16:09:10 17 conclusion.

16:09:11 18 THE WITNESS: Yeah, that would be a question
16:09:12 19 I would seek legal advice about.

16:09:14 20 BY MS. KANTER COHEN:

16:09:16 21 Q. How about for a person with a SAVE record but no
16:09:19 22 confirmed response from the SAVE system as to either
16:09:23 23 citizenship or noncitizenship?

16:09:25 24 MR. LANGHOFER: Legal conclusion.

16:09:26 25 MR. MORGAN: Yeah, form.

16:09:28 1 THE WITNESS: Yeah, I'm not familiar with how
16:09:30 2 the SAVE system even works. I know Yolanda Morales is more
16:09:36 3 familiar with it, but as far as operating it and getting
16:09:40 4 information, my understanding is that the county recorders
16:09:46 5 receive those -- that type -- they receive that type of
16:09:48 6 information. I'm not aware of the secretary of state
16:09:51 7 receiving it.

16:09:51 8 BY MS. KANTER COHEN:

16:09:55 9 Q. Does the secretary of state have a position on
16:09:55 10 what a -- what a person with a SAVE record but no confirmed
16:10:01 11 response in the system would mean as to whether they had,
16:10:04 12 you know, citizenship or noncitizenship confirmed?

16:10:08 13 MR. LANGHOFER: Legal conclusion.

16:10:09 14 MR. MORGAN: Form.

16:10:10 15 THE WITNESS: I'm not aware of any.

16:10:12 16 BY MS. KANTER COHEN:

16:10:22 17 Q. How should county recorders interpret an absence
16:10:26 18 of citizenship information in a database one way or the
16:10:29 19 other under 16-165?

16:10:30 20 MR. MORGAN: Form and foundation. Calls for
16:10:32 21 a legal conclusion.

16:10:34 22 THE WITNESS: An absence of any information
16:10:37 23 regarding citizenship?

16:10:39 24 BY MS. KANTER COHEN:

16:10:39 25 Q. Right.

16:10:40 1 A. I don't think there can be a conclusion if there's
16:10:45 2 no information.

16:10:49 3 Q. Under 16-165, in the view of the Secretary of
16:11:05 4 State's Office, what would give a county recorder a reason
16:11:09 5 to believe a registered voter is not a U.S. citizen?

16:11:12 6 MR. LANGHOFER: Same objections.

16:11:17 7 MR. MORGAN: And speculation.

16:11:18 8 THE WITNESS: So that would be a decision for
16:11:21 9 the county recorders to make.

16:11:22 10 BY MS. KANTER COHEN:

16:11:33 11 Q. Can you recall any conversations regarding the
16:11:37 12 meeting -- sorry.

16:11:39 13 Can you recall any conversations specific to
16:11:41 14 the EPM as to what would give a county recorder a reason to
16:11:48 15 believe a registered voter is not a U.S. citizen or what
16:11:50 16 should go in the EPM with respect to that provision?

16:11:53 17 MR. MORGAN: Form. Hearsay.

16:11:56 18 MR. LANGHOFER: Compound.

16:11:59 19 THE WITNESS: I can't recall any discussions
16:12:03 20 about that.

16:12:04 21 BY MS. KANTER COHEN:

16:12:08 22 Q. Would an anonymous tip be something that could
16:12:16 23 give a county recorder a reason to believe a registered
16:12:18 24 voter is not a citizen?

16:12:20 25 MR. MORGAN: Form. Foundation. Speculation.

16:12:24 1 Calls for legal conclusion.

16:12:24 2 MR. LANGHOFER: Can we stipulate to --

16:12:25 3 MR. MORGAN: Yeah. If you're going to go

16:12:27 4 down that line of questioning, we can just stipulate the

16:12:28 5 objection and stop interrupting you. Is that cool?

16:12:30 6 MS. KANTER COHEN: That's fine.

16:12:31 7 MR. MORGAN: All right. You'll let us know

16:12:33 8 when you're done with that line of questioning and you want

16:12:33 9 us to withdraw the objection?

16:12:33 10 MS. KANTER COHEN: Sure.

16:12:35 11 MR. MORGAN: All right. Cool. Thanks.

16:12:37 12 THE WITNESS: Could you repeat the question,

16:12:38 13 please?

16:12:39 14 BY MS. KANTER COHEN:

16:12:40 15 Q. Sure.

16:12:40 16 Would an anonymous tip provide a county

16:12:45 17 recorder with a reason to believe a registered voter is not

16:12:47 18 a U.S. citizen?

16:12:51 19 A. That would be up to the county recorder.

16:12:55 20 Q. How about a letter from a neighbor? Same

16:12:58 21 question. Would it give the county -- could it give a

16:13:00 22 county recorder a reason to believe the registered voter is

16:13:02 23 not a U.S. citizen?

16:13:03 24 A. That would be up to the county recorder.

16:13:10 25 MR. MORGAN: I close my eyes, I see

16:13:17 1 Beauregard.

16:13:17 2 BY MS. KANTER COHEN:

16:13:17 3 Q. What about lists provided by third-party
16:13:22 4 organizations to the county recorder?

16:13:24 5 A. That would be a decision of the county recorder.

16:13:30 6 Q. How about if a person had an ADOT record but no
16:13:34 7 confirmation of citizenship?

16:13:37 8 A. Would that be reason to believe?

16:13:40 9 Q. Yes.

16:13:41 10 A. That would be a decision for the county recorder.

16:13:44 11 Q. Do you recall any conversations about whether you
16:13:59 12 would include specific gap filling, as we discussed
16:14:03 13 before -- or as Ms. Lang discussed before, gap-filling
16:14:08 14 interpretations outside statutory language in the EPM?

16:14:16 15 MS. KANTER COHEN: Oh, I'm sorry. I'm moving
16:14:16 16 on to a different line of --

16:14:18 17 MR. MORGAN: So the objections, you want us
16:14:20 18 to make them now?

16:14:21 19 MS. KANTER COHEN: Go for it.

16:14:21 20 MR. MORGAN: You want to ask it again because
16:14:22 21 I don't remember the question. I get to zone out when my
16:14:25 22 objections are made.

16:14:26 23 BY MS. KANTER COHEN:

16:14:27 24 Q. Do you recall any conversations about whether you
16:14:30 25 would include specific gap-filling interpretations of the

16:14:35 1 challenged laws outside the statutory language in the EPM?

16:14:38 2 MR. MORGAN: Form. Hearsay. Calls for a
16:14:42 3 legal conclusion.

16:14:42 4 MR. LANGHOFER: Yep.

16:14:44 5 THE WITNESS: I can't specifically recall
16:14:50 6 conversations to that effect.

16:14:51 7 BY MS. KANTER COHEN:

16:14:53 8 Q. Do you generally --

16:14:54 9 MR. MORGAN: You're doing great, by the way.
16:14:56 10 You're killing it.

16:14:58 11 BY MS. KANTER COHEN:

16:14:58 12 Q. Can you generally recall any conversations to that
16:15:00 13 effect?

16:15:01 14 A. So the EPM --

16:15:02 15 MR. MORGAN: Same objections.

16:15:03 16 THE WITNESS: -- is a massive document. I
16:15:08 17 mean, it covers so many topics. I -- I do get lots of
16:15:16 18 recommendations about it. But specifically about this
16:15:23 19 litigation or these laws, I simply can't recall if that
16:15:29 20 request was made.

16:15:30 21 BY MS. KANTER COHEN:

16:15:33 22 Q. Can you recall any specific conversations or
16:15:38 23 discussions to leave out that kind of gap-filling
16:15:45 24 interpretive explanation?

16:15:47 25 MR. MORGAN: Same objections.

16:15:49 1 THE WITNESS: I -- I don't recall
16:15:53 2 conversations or any comment prior to the July 31st draft,
16:16:02 3 but of course, as we've discussed, there have been comments
16:16:08 4 across the board as far as what -- what should be or should
16:16:12 5 not be in the EPM.

16:16:14 6 BY MS. KANTER COHEN:

16:16:15 7 Q. Did any of the -- those comments or conversations
16:16:20 8 since July 31st include county recorders seeking guidance
16:16:26 9 from your office on how to interpret gaps in the challenged
16:16:30 10 laws?

16:16:30 11 MR. MORGAN: Form

16:16:33 12 THE WITNESS: I don't -- I don't think a
16:16:38 13 county recorder has submitted comments, you know, via the
16:16:43 14 portal on the EPM.

16:16:47 15 BY MS. KANTER COHEN:

16:16:49 16 Q. And have you received any questions like that in
16:16:53 17 any other means -- email, phone, et cetera -- other than
16:16:57 18 through the public comments?

16:16:59 19 A. There have been discussions about guidance, and
16:17:04 20 that's the broader issue about the role of the VRAC
16:17:11 21 committee, more specifically the role of the Secretary of
16:17:17 22 State's Office in being the one to generate that guidance.
16:17:21 23 Since it's the county recorders who are the custodians of
16:17:25 24 the voter registration databases or their own records, and
16:17:28 25 they are the first-line users of the AVID database, it has

16:17:34 1 generally been discussed that those ideas or suggestions be
16:17:39 2 generated more from the county recorders. It's odd for the
16:17:47 3 secretary of state, the non-primary users, to dictate what
16:17:52 4 the county recorders should or should not be doing
16:17:55 5 specifically.

16:17:56 6 Q. So outside the role, though, you don't recall any
16:17:58 7 conversations about the substance?

16:18:00 8 MR. MORGAN: Form. Hearsay.

16:18:02 9 THE WITNESS: I'm sorry. About guidance
16:18:05 10 about -- you know, I have to say the word "guidance" is
16:18:09 11 thrown around a lot. And we have many meetings -- many,
16:18:13 12 many, many meetings every week with different election
16:18:18 13 officials. Perhaps there were comments made during one of
16:18:24 14 those meetings, but sitting here today, I do not recall
16:18:28 15 anything.

16:18:29 16 BY MS. KANTER COHEN:

16:18:31 17 Q. All right. I'll move on.

16:18:34 18 A number of provisions in both laws only
16:18:36 19 obligate county recorders to take action with particular
16:18:38 20 information or databases to the extent they're practicable.
16:18:43 21 Who makes that call as to what is practicable?

16:18:45 22 MR. MORGAN: Form and foundation.

16:18:46 23 MR. LANGHOFER: Legal conclusion.

16:18:48 24 MR. MORGAN: Speculation.

16:18:48 25 THE WITNESS: Okay. So --

16:18:50 1 MR. WHITAKER: I think legal conclusion.

16:18:58 2 THE WITNESS: Yeah, so it's -- the duty is on
16:19:01 3 the county recorder to check the database; is that correct?

16:19:04 4 BY MS. KANTER COHEN:

16:19:05 5 Q. Well, so I'm asking specifically about the term
16:19:06 6 "practicable." Do you understand what practicable means in
16:19:12 7 these laws?

16:19:12 8 A. Yeah.

16:19:13 9 MR. MORGAN: Form.

16:19:14 10 BY MS. KANTER COHEN:

16:19:14 11 Q. What do you believe that practical means?

16:19:17 12 MR. LANGHOFER: Legal conclusion.

16:19:18 13 MR. MORGAN: You mean "practicable"?

16:19:20 14 MS. KANTER COHEN: Practicable.

16:19:21 15 THE WITNESS: I think it means if it's
16:19:23 16 feasible.

16:19:24 17 BY MS. KANTER COHEN:

16:19:27 18 Q. Would you expect all county recorders would find
16:19:30 19 the same databases equally practicable?

16:19:30 20 THE COURT REPORTER: I'm sorry. Say that
16:19:30 21 again.

16:19:30 22 BY MS. KANTER COHEN:

16:19:32 23 Q. Would you expect that all county recorders across
16:19:37 24 the 15 counties would find the same databases equally
16:19:41 25 practicable to use?

16:19:43 1 A. Well --

16:19:44 2 MR. MORGAN: I'm sorry.

16:19:45 3 Form. Foundation. Calls for speculation.

16:19:49 4 THE WITNESS: As we've discussed earlier, the
16:19:51 5 SAVE database, the USCIS has restricted how the counties
16:20:03 6 can use it for a check of original voter registration
16:20:12 7 applications. It does not permit the monthly running of
16:20:20 8 names through. So to that extent, it would not be
16:20:24 9 practicable because it would violate the terms of the
16:20:27 10 agreement.

16:20:29 11 BY MS. KANTER COHEN:

16:20:30 12 Q. Anything else?

16:20:31 13 A. I -- I think the Social Security Administration
16:20:35 14 database too is -- that's to prove someone's identity, that
16:20:42 15 they're a person. I don't know if that would be feasible
16:20:48 16 either because it -- that it would elicit the information
16:20:52 17 that is being sought.

16:20:55 18 But yeah, that -- that would be up to the
16:21:01 19 county recorders, ultimately, on how they handle that.

16:21:04 20 Q. What else besides AVID can -- AVID -- sorry --

16:21:08 21 A. That's okay.

16:21:08 22 Q. -- can constitute a database relating to voter
16:21:12 23 registration?

16:21:12 24 MR. MORGAN: Form.

16:21:13 25 MR. LANGHOFER: Legal conclusion.

16:21:14 1 THE WITNESS: Well, Maricopa County has their
16:21:18 2 database. It's VRAZ, V-R-A-Z. And then Pima County has
16:21:24 3 its database. I don't know if Pima County has a name for
16:21:27 4 it, though.

16:21:28 5 BY MS. KANTER COHEN:

16:21:29 6 Q. Are you familiar with ERIC, the Electronic
16:21:32 7 Registration Information Center?

16:21:32 8 A. Yes.

16:21:34 9 Q. You're a board member of ERIC in your capacity as
16:21:36 10 a state elections director. Do I have that right?

16:21:38 11 A. Yes.

16:21:38 12 Q. And ERIC is referenced in the revised 16-121.01.

16:21:44 13 A. That's correct.

16:21:45 14 Q. Does ERIC provide citizenship information in
16:21:48 15 Arizona?

16:21:48 16 A. No.

16:21:50 17 Q. You talked a little bit before about, beyond the
16:22:20 18 legal issues, what are the practical impacts, concerns with
16:22:24 19 implementation of these laws. And I believe you had a
16:22:28 20 discussion with Ms. Lang about the documentary proof of
16:22:28 21 residence.

16:22:30 22 So I wanted to ask you: With respect to the
16:22:33 23 citizenship investigations, beyond the -- same question.
16:22:36 24 Beyond the legal issues, what are the practical impact or
16:22:39 25 concerns with implementation?

16:22:43 1 MR. LANGHOFER: Asked and answered.

16:22:44 2 MR. MORGAN: Yeah. Asked and answered.

16:22:52 3 THE WITNESS: I don't know. I just don't.

16:22:57 4 BY MS. KANTER COHEN:

16:23:05 5 Q. Have you discussed contingency planning for
16:23:08 6 implementation in the event courts did not rule for
16:23:11 7 plaintiffs on the challenged laws?

16:23:14 8 MR. MORGAN: Form.

16:23:16 9 THE WITNESS: So -- so given the fact that we
16:23:21 10 only recently received funding and that we got the green
16:23:25 11 light from the Arizona Department of Administration to
16:23:28 12 start planning the implementation, we have not -- or I
16:23:36 13 guess I should say execution of the statutes, we have not
16:23:41 14 discussed contingencies.

16:23:48 15 BY MS. KANTER COHEN:

16:23:51 16 Q. Are you familiar generally with extracts
16:23:54 17 created -- different topic.

16:23:55 18 Are you familiar generally with extracts
16:23:57 19 created by ADOT in relation to HB 2243?

16:24:04 20 MR. MORGAN: Form. Did you say "extracts"?

16:24:07 21 MS. KANTER COHEN: Extracts.

16:24:08 22 MR. MORGAN: Yeah, form.

16:24:09 23 THE WITNESS: I'm not familiar with what an
16:24:11 24 extract is.

16:24:11 25 BY MS. KANTER COHEN:

16:24:12 1 Q. Okay. Do you recall any conversations about
16:24:21 2 planning to use ADOT data or customer database information
16:24:27 3 to implement the challenged laws?

16:24:29 4 MR. MORGAN: Form. Hearsay.

16:24:32 5 THE WITNESS: I'm sorry. To implement what
16:24:34 6 clause?

16:24:34 7 MR. MORGAN: The challenged laws.

16:24:35 8 THE WITNESS: Oh.

16:24:35 9 BY MS. KANTER COHEN:

16:24:42 10 Q. And these --

16:24:42 11 A. Yeah, I've only been a part of one conversation
16:24:46 12 with ADOT, but there might have been conversations with
16:24:52 13 other members of my -- the current administration's office.
16:24:57 14 And if that occurred, perhaps Ms. Morales would know.

16:25:01 15 Q. So the conversation that you were a part of, what
16:25:03 16 was the nature of that?

16:25:06 17 A. It was more or less a meet and greet,
16:25:10 18 introductions, just a general discussion. I don't recall
16:25:15 19 any specific issue.

16:25:17 20 Q. If a registered voter is removed from the rolls
16:25:26 21 under HB 2243 based on erroneous determination that
16:25:31 22 they're -- that they're not a citizen, has your office
16:25:34 23 provided any interpretation as to whether that person has
16:25:38 24 to be added back to the rolls if the deadline to register
16:25:43 25 has already passed?

16:25:49 1 MR. WHITAKER: Form.

16:25:54 2 THE WITNESS: Well, the county recorders are
16:25:56 3 the only officials that can remove someone. So it wouldn't
16:26:01 4 be the secretary of state that removes anyone from the
16:26:04 5 voter registration database.

16:26:06 6 But with that said, every precaution would be
16:26:09 7 taken before someone's registration is canceled. So I'm
16:26:16 8 not aware of any discussions that go beyond that as far as
16:26:19 9 if this was an error and whether someone would be eligible
16:26:21 10 to vote in an election. Or added back in to that extent.

16:26:42 11 MR. MORGAN: Is ADOT a party to this case?

16:26:46 12 MS. KANTER COHEN: Yes.

16:26:47 13 MR. MORGAN: Okay. Thought so. That's why I
16:26:50 14 didn't object to hearsay. Just making sure.

16:26:52 15 MR. WHITAKER: Nominal party.

16:26:56 16 MR. MORGAN: Nominal party. Okay. Thanks.

16:26:56 17 MS. KANTER COHEN:

16:27:07 18 Q. Double-checking. I think I'm probably done.

16:27:12 19 I'm sorry. I have probably two more
16:27:13 20 questions.

16:27:15 21 In your view, is there a difference between
16:27:17 22 a, quote, "reason to believe," which is the language in HB
16:27:21 23 2243, that a person is not a citizen and a reasonable
16:27:25 24 belief they are not a citizen?

16:27:27 25 MR. LANGHOFER: Legal conclusion.

16:27:36 1 THE WITNESS: I don't know. I would have to
16:27:37 2 seek legal advice on that.

16:27:39 3 MS. KANTER COHEN: All right. That's all I
16:27:44 4 have. Thank you very much.

16:27:46 5 THE WITNESS: Thank you.

16:28:02 6 (An off-the-record discussion ensued.)

16:28:02 7 MS. KANTER COHEN: I have one more thing. I
16:28:03 8 know this is going to get a vociferous objection, but we're
16:28:06 9 going to reserve the right on the record to hold the
16:28:09 10 deposition open pending the EPM, specifically given the
16:28:12 11 October 1st deadline.

16:28:14 12 MR. MORGAN: I don't understand, but you've
16:28:15 13 made your record. I disagree with keeping anything open at
16:28:19 14 all.

16:28:19 15 MS. KANTER COHEN: Okay. Yeah. We can talk
16:28:20 16 about it at some other time. I totally understand.

16:28:21 17 MR. MORGAN: So I've made my record. I
16:28:24 18 disagree.

16:28:26 19 THE WITNESS: Yeah, I'm ready to go.

16:28:31 20 MR. MORGAN: Where are we on the record right
16:28:32 21 now timewise?

16:28:34 22 THE VIDEOGRAPHER: 6 hours and 11 minutes.

16:28:34 23 MR. MORGAN: All right.

16:28:38 24 MS. KANTER COHEN: Can we just put on the
16:28:39 25 record the same stipulation for plaintiffs that an

16:28:40 1 objection from --

16:28:42 2 MR. MORGAN: Yes.

16:28:42 3 Are we still on the record?

16:28:44 4 MS. STUART: Just so we know, Josh, do you
16:28:49 5 plan on asking any questions?

16:28:51 6 MR. WHITAKER: I do. But I assume Kory will
16:28:57 7 too. And I'm happy to let him do that first. He's in the
16:29:00 8 room.

16:29:01 9 MR. MORGAN: Yeah, Kory -- that's fine.

16:29:02 10 And I don't know if you heard, Josh, but I'll
16:29:06 11 just remind you and remind Kory. You know, we're at
16:29:07 12 6 hours, 11 minutes on the record. Colleen's day and this
16:29:13 13 deposition ends at the earlier of seven hours, or 6:00 p.m.
16:29:17 14 So luckily, we won't get to the 6:00 p.m. part, I think.
16:29:20 15 So I'm just letting everyone know that.

16:29:39 16 (An off-the-record discussion ensued.)

16:29:39 17

16:29:39 18 EXAMINATION

16:29:54 19 BY MR. LANGHOFER:

16:30:03 20 Q. All right. Ms. Connor, thanks so much for your
16:30:09 21 professionalism and putting up with all these questions and
16:30:12 22 giving us your time. Not just in this, the professional --
16:30:15 23 I mean just generally. Thanks for that.

16:30:17 24 All right. I've got some questions for you.

16:30:19 25 Some of this is in the -- most of it's in the nature of

16:30:23 1 clarification.

16:30:24 2 You've testified a little bit about how some
16:30:27 3 of the EPM comments were that -- comments on the draft EPM
16:30:31 4 were that the secretary of state is not authorized to
16:30:35 5 regulate voter registration. And are you -- do you recall
16:30:43 6 Section 452, the statute that authorizes publication of the
16:30:46 7 EPM?

16:30:47 8 A. I do.

16:30:47 9 Q. And do you recall that it authorizes the EPM to
16:30:53 10 provide uniform procedures for early voting and voting?

16:30:58 11 A. Yes.

16:30:58 12 Q. Do you know of any language in that statute that
16:31:03 13 authorized EPM to regulate voter registration?

16:31:08 14 MS. LANG: Objection. Calls for a legal
16:31:09 15 conclusion.

16:31:09 16 MS. BRAILEY: Kory, I'm sorry. Can you speak
16:31:09 17 up?

16:31:15 18 MR. LANGHOFER: Yeah, I'll do my best.

16:31:15 19 THE WITNESS: Well, there's authorization
16:31:19 20 to -- or a directive to provide rules on UOCAVA,
16:31:25 21 U-O-C-A-V-A. Also, voter registration is the foundation of
16:31:32 22 an election. So therefore, voter registration implicitly
16:31:41 23 should be included in the EPM.

16:31:44 24 BY MR. LANGHOFER:

16:31:44 25 Q. Okay. So I want to make sure I've got this.

16:31:46 1 So the -- I think the theory, if I'm
16:31:48 2 understanding correctly, is that by authorizing regulation
16:31:51 3 of voting, it implicitly authorizes things that are
16:31:54 4 upstream of that. Is that the argument?

16:31:56 5 MS. LANG: Objection. Calls for a legal
16:31:58 6 conclusion.

16:31:58 7 THE WITNESS: I don't know -- I don't know if
16:31:59 8 I would say "upstream." I think to have an election, you
16:32:05 9 need a system of establishing who is qualified to vote in
16:32:09 10 that election. And certainly, the EPM authorizes rules on
16:32:14 11 early voting and voting, as you said. And therefore, it
16:32:18 12 would be necessary to understand who was eligible to vote
16:32:23 13 via a voter registration chapter.

16:32:25 14 BY MR. LANGHOFER:

16:32:25 15 Q. Got it.

16:32:27 16 You talked a little bit on direct about the
16:32:31 17 prohibitions on outside funding -- or on funding outside
16:32:35 18 counsel for your office.

16:32:37 19 A. Yes.

16:32:37 20 Q. While those restrictions were in place, where was
16:32:40 21 your office getting funding for outside counsel?

16:32:43 22 MR. MORGAN: Scope.

16:32:47 23 MS. BRAILEY: Objection; form.

16:32:48 24 THE WITNESS: The Attorney General's Office
16:32:50 25 appointed outside counsel. And my understanding is that

16:32:54 1 the Attorney General's Office has a fund, essentially, to
16:32:56 2 pay for outside counsel in those situations.

16:33:01 3 BY MR. LANGHOFER:

16:33:02 4 Q. I see. Okay.

16:33:03 5 You were asked on direct whether the
16:33:07 6 birthplace information on the voter registration form would
16:33:09 7 add any value to the job that the counties are doing in the
16:33:15 8 voter registration. I'm paraphrasing somewhat. And I
16:33:17 9 think that your answer was, not as far as you could tell.

16:33:21 10 Do you still have the EPM in front of you,
16:33:26 11 either the 2019 or the draft version?

16:33:28 12 A. I could pull it up.

16:33:29 13 Q. Yeah, let's do that. I guess I'm indifferent as
16:33:34 14 to which one you pull up because the portions I --

16:33:37 15 MR. MORGAN: Take this.

16:33:38 16 Do you mind if she uses the 2019 EPM
16:33:40 17 annotated?

16:33:42 18 MR. LANGHOFER: Actually, I'm not sure that
16:33:44 19 would work because I think the pagination gets messed up.

16:33:46 20 MR. MORGAN: Fair enough.

16:33:50 21 BY MR. LANGHOFER:

16:33:50 22 Q. Why don't we go with -- well, whichever one is
16:33:53 23 easier for you to pull up we'll work with.

16:33:55 24 A. All right. I'll pull up the 2023 --

16:34:03 25 Q. Draft?

16:34:03 1 A. -- draft, yeah.

16:34:04 2 Q. Great. Let's start on page 5 of that. And -- all

16:34:27 3 right. So I think that's PDF page 14 but marked page 5.

16:34:30 4 A. Okay.

16:34:31 5 Q. And for the -- actually, I'm sorry. It starts on

16:34:42 6 marked page 4 and goes onto page 5.

16:34:45 7 A. Okay.

16:34:46 8 Q. At the top of page 5, you see those five bullet

16:34:55 9 points?

16:34:55 10 A. I do, yes.

16:34:56 11 Q. Okay. The middle one says, "Place of birth." Why

16:34:59 12 don't you take a moment, read this section, and familiarize

16:35:02 13 yourself with that.

16:35:07 14 A. Yes, I see it.

16:35:17 15 Q. Okay. Would you agree this is one way that the

16:35:19 16 county recorders could use birthplace information?

16:35:23 17 MS. LANG: Objection; form.

16:35:24 18 THE WITNESS: Yes. Yes.

16:35:26 19 BY MR. LANGHOFER:

16:35:26 20 Q. Let's look in the next section, the "U.S.

16:35:28 21 Passport" section. And the middle paragraph there also

16:35:32 22 says, "place of birth." Why don't you take a moment and

16:35:37 23 read that paragraph.

16:35:37 24 A. What page is that?

16:35:38 25 Q. Same page actually, page -- marked page 5.

16:35:41 1 A. Okay. Yes, I see it.

16:35:53 2 Q. Would you agree this is another way that the

16:35:56 3 county could use birthplace information?

16:35:59 4 MS. LANG: Objection; form.

16:36:00 5 THE WITNESS: Yes.

16:36:01 6 BY MR. LANGHOFER:

16:36:01 7 Q. All right. Let's look at marked page 35. I'll

16:36:04 8 just note that the -- in the current version of the EPM,

16:36:11 9 this is marked page 34, but there's no need for us to

16:36:15 10 overcomplicate this by looking at two exhibits.

16:36:17 11 A. Okay.

16:36:18 12 Q. I think it's PDF page 44.

16:36:28 13 A. Okay. I'm there.

16:36:29 14 Q. All right. So the middle section, letter C,

16:36:32 15 "Other Sources of Information on Deceased Registrants."

16:36:35 16 The fourth line down, it says, "place of birth." That's

16:36:39 17 what I'm getting at ultimately. But take a moment and just

16:36:40 18 read the whole section before I ask you about it, please.

16:36:49 19 A. Okay.

16:36:59 20 Q. Would you agree this is another way that the

16:37:01 21 county recorders could use birthplace information?

16:37:05 22 MS. LANG: Objection; form.

16:37:05 23 THE WITNESS: Yes.

16:37:06 24 BY MR. LANGHOFER:

16:37:07 25 Q. Okay. Let's look next at marked page 48. I think

16:37:11 1 it's PDF page 57, if my math doesn't fail me.

16:37:18 2 A. Okay. PDF page 57 or page 57?

16:37:33 3 Q. PDF page 57. It's -- the page number is 48.

16:37:36 4 A. Okay. Yeah, I'm there.

16:37:37 5 Q. Okay. So part 6(3)(e) also mentions "state or

16:37:46 6 county of birth," but take a moment and familiarize

16:37:49 7 yourself with that language, please.

16:37:58 8 A. Yes, I see it.

16:37:59 9 Q. So same question. Is this another way in which

16:38:01 10 the county recorders could use birthplace information?

16:38:04 11 A. Yes.

16:38:05 12 Q. Okay. Finally, let's look at page -- marked

16:38:09 13 page 206, but it should be PDF page 215. Let me know when

16:38:30 14 you're there.

16:38:37 15 A. Okay.

16:38:38 16 Q. All right. So right before -- near the end of the

16:38:41 17 page, right before -- the paragraph before Subsection (e),

16:38:45 18 in the third line, it says "state or country of birth," but

16:38:48 19 take a moment to read the paragraph or the whole section,

16:38:51 20 whatever you think you need to read.

16:38:57 21 A. Okay. Yes.

16:38:59 22 Q. Would you agree this is another way that the

16:39:01 23 county recorders could use birthplace?

16:39:03 24 A. Yes.

16:39:04 25 Q. Okay. What about when -- let's say during the

16:39:17 1 cure period for early ballot signature matching, if your --
16:39:27 2 if the county recorder concludes that the signature in the
16:39:31 3 voter record and the signature on the early ballot envelope
16:39:35 4 don't apparently match and they try to contact the voter to
16:39:41 5 say, "Did you really sign this?" could the county
16:39:47 6 recorder's office use the voter's birthplace in order to
16:39:51 7 confirm that they're talking to the correct person over the
16:39:54 8 phone?

16:39:55 9 MS. LANG: Objection. Speculation. Form.
16:40:00 10 Foundation.

16:40:00 11 THE WITNESS: The county recorders during the
16:40:03 12 cure period do question the voter about certain personal
16:40:09 13 information to verify the voter did, in fact, sign an early
16:40:16 14 ballot. And yes, that would include birthplace.

16:40:19 15 BY MR. LANGHOFER:

16:40:19 16 Q. Okay. I want to talk about the checkbox for a
16:40:23 17 minute and perhaps in less length than we've talked
16:40:26 18 birthplace.

16:40:27 19 And I want to start by thinking about what
16:40:33 20 problems there might be if the county recorders relied
16:40:38 21 exclusively on the current version of the state form that
16:40:41 22 has, you know, the signature at the bottom saying "I meet
16:40:44 23 all the requirements and" -- but there's no checkbox, of
16:40:47 24 course. And then you do the MVD checks to look for prior
16:40:51 25 evidence of DPOC. So what -- I'm just -- kind of want to

16:40:54 1 think through together the flaws in that system.

16:40:57 2 MS. LANG: Objection. Kory, can you clarify,
16:40:59 3 are you saying that the state form doesn't currently have a
16:41:01 4 checkbox?

16:41:02 5 MR. LANGHOFER: It's not mandatory, I should
16:41:03 6 say.

16:41:04 7 MS. LANG: Okay. Yeah.

16:41:06 8 MR. LANGHOFER: Yeah.

16:41:06 9 BY MR. LANGHOFER:

16:41:08 10 Q. So -- but the -- I haven't asked the question yet.

16:41:15 11 MS. LANG: I understand. I just --

16:41:16 12 BY MR. LANGHOFER:

16:41:18 13 Q. So the MVD database is imperfect because all the
16:41:24 14 databases are imperfect; is that fair?

16:41:26 15 A. That's fair.

16:41:28 16 Q. And do you have any reason to believe that the
16:41:32 17 errors in the MVD database would all be what I would call
16:41:39 18 false negative, where it incorrectly says that someone is
16:41:41 19 not a citizen or indicates no one's yet proven their DPOC,
16:41:49 20 as opposed to an error that would give a false positive
16:41:52 21 incorrectly indicates that someone has already established
16:41:57 22 their citizenship by providing DPOC?

16:41:59 23 MS. LANG: Objection; form. Speculation.

16:42:00 24 MR. MORGAN: Form.

16:42:02 25 MS. LANG: Foundation.

16:42:05 1 MR. MORGAN: Form.

16:42:05 2 BY MR. LANGHOFER:

16:42:05 3 Q. I can ask it in a different way, because I do

16:42:05 4 think that was a long and complicated question.

16:42:07 5 A. Yeah, I just don't know --

16:42:08 6 MR. MORGAN: We'll stipulate to that.

16:42:10 7 THE WITNESS: I'm not familiar enough with

16:42:12 8 databases to be able to address that.

16:42:14 9 BY MR. LANGHOFER:

16:42:15 10 Q. Do -- I want to make sure the question is clear.

16:42:19 11 And if that ends up being your answer, then so it is. But

16:42:22 12 let's make sure my question is clear.

16:42:23 13 You understand the -- the database could

16:42:28 14 incorrectly indicate DPOC has been provided or incorrectly

16:42:32 15 indicate that DPOC has not been provided. Those are both

16:42:36 16 possibilities, just theoretically?

16:42:37 17 A. That's possible, correct.

16:42:38 18 Q. The question is: Do you know whether errors in

16:42:41 19 the MVD database would always about go one way or the

16:42:44 20 other?

16:42:44 21 A. I don't --

16:42:46 22 MS. LANG: Objection; foundation.

16:42:46 23 Speculation.

16:42:48 24 MS. BRAILEY: Form.

16:42:48 25 MR. MORGAN: Calls for a legal conclusion.

16:42:52 1 I withdraw the objection.

16:42:55 2 BY MR. LANGHOFER:

16:42:56 3 Q. Do you know whether the MVD database was built
16:42:58 4 with voter registration in mind?

16:43:02 5 MS. LANG: Objection; foundation.

16:43:05 6 THE WITNESS: I really don't know.

16:43:06 7 BY MR. LANGHOFER:

16:43:07 8 Q. Okay. Same type of question for the SAVE
16:43:10 9 database. Do you know whether the errors in that database
16:43:12 10 would all go one way and not the other?

16:43:15 11 MS. LANG: Objection; foundation.

16:43:16 12 Speculation.

16:43:17 13 THE WITNESS: I don't know.

16:43:19 14 BY MR. LANGHOFER:

16:43:27 15 Q. If someone had provided DPOC when getting their
16:43:31 16 driver's license, and so the MVD database correctly
16:43:36 17 indicates that they have shown DPOC, but after that point
16:43:41 18 in time, their citizenship is either renounced or revoked
16:43:46 19 through denaturalization proceedings, wouldn't the county
16:43:54 20 recorders have the possibility of getting a false
16:43:58 21 indication that this person is a citizen?

16:44:00 22 MR. MORGAN: Form.

16:44:01 23 MS. LANG: Objection. Speculation.

16:44:03 24 MS. BRAILEY: Foundation.

16:44:04 25 MR. MORGAN: Form.

16:44:06 1 THE WITNESS: Yeah, I -- I think to your
16:44:09 2 question, yes, the running of the HAVA checks and checking
16:44:15 3 for DPOC is made at one point in time. Any changes
16:44:20 4 thereafter would not necessarily reflect reality.

16:44:27 5 BY MR. LANGHOFER:

16:44:32 6 Q. Without speaking of any particular cases, you're
16:44:34 7 aware of some prosecutions in Arizona for people who file
16:44:40 8 false voter registration forms?

16:44:43 9 MS. LANG: Objection; foundation.

16:44:46 10 THE WITNESS: Yes.

16:44:47 11 BY MR. LANGHOFER:

16:44:48 12 Q. Okay. And the -- would you agree that one of the
16:44:58 13 defenses in such a case could be, "I didn't read the
16:45:01 14 language closely, it was -- the writing was small and it
16:45:05 15 seemed pretty standard to me"?

16:45:07 16 MS. LANG: Objection. Speculation.

16:45:08 17 THE WITNESS: Yeah, I don't have enough
16:45:11 18 knowledge about those cases.

16:45:12 19 BY MR. LANGHOFER:

16:45:12 20 Q. Okay. You had expressed some concerns about the
16:45:21 21 documentary proof of citizenship requirement.

16:45:22 22 A. Yes.

16:45:23 23 Q. And I think, if I understand correctly, your
16:45:26 24 concern was just generally that it could be difficult for
16:45:28 25 some people to provide that documentation?

16:45:30 1 A. That's correct.

16:45:31 2 Q. If one of the ways of satisfying that requirement

16:45:38 3 were not to provide government issued ID, for example,

16:45:43 4 which could be hard for some people to get, or utility bill

16:45:47 5 which could be difficult if you live with your parents, for

16:45:50 6 example, you could just provide an affidavit that says, "I

16:45:53 7 live in the district at this address."

16:45:57 8 Would that address your concerns about the

16:46:00 9 difficulty of meeting that requirement?

16:46:04 10 A. It could. It -- ideally the legislature would

16:46:10 11 provide for that. But yeah, a declaration from the voter

16:46:14 12 would -- could satisfy the DPOR.

16:46:18 13 Q. Okay. And do you know of anyone who would be

16:46:25 14 unable to provide such a declaration?

16:46:31 15 MR. MORGAN: Foundation.

16:46:32 16 Well, I withdraw that.

16:46:34 17 THE WITNESS: No. Not that I'm aware of

16:46:36 18 specifically.

16:46:37 19 BY MR. LANGHOFER:

16:46:38 20 Q. You had expressed concerns about bad faith actors

16:46:41 21 filing election complaints.

16:46:43 22 A. Yes.

16:46:43 23 Q. I think we all agree that happens.

16:46:47 24 Could we also agree, though, that people file

16:46:49 25 bad faith complaints outside the election context, in

16:46:53 1 criminal law, bad police reports, for example?

16:46:57 2 MS. BRAILEY: Objection.

16:46:58 3 MS. LANG: Objection; foundation.

16:47:00 4 THE WITNESS: Yes.

16:47:20 9 MR. MORGAN: Do you want to add anything

16:47:24 11 MR. WHITAKER: No, I can hear Kory now.

16:47:28 12 BY MR. LANGHOFER:

16:47:28 13 Q. The --

16:47:32 15 grouped around him

16:47:33 16 BY MR. LANGHOFER:

16:47:33 17 Q. The HAVA and the SAVE systems that are available
16:47:36 18 to the county recorders, do you know of any more up-to-date
16:47:42 19 systems that are available to the county recorders but not
16:47:45 20 used by them to check citizenship status?

16:47:50 21 MS. BRAILEY: Foundation.

16:47:51 22 THE WITNESS: I'm not aware of any, no.

16:47:52 23 BY MR. LANGHOFER:

16:47:54 24 Q. Are you aware of any more accurate databases that
16:47:56 25 are available to them to check citizenship status?

16:48:02 1 A. I'm not aware of any.

16:48:03 2 Q. We've discussed in a different context the -- a
16:48:14 3 couple of scenarios in which the county recorders receive
16:48:18 4 voter registration forms with false information -- or maybe
16:48:22 5 we discussed it in the context of early ballot envelopes.
16:48:25 6 So let's just sort of go through what those -- we'll start
16:48:29 7 with early ballot envelopes.

16:48:34 8 In your time working in elections
16:48:36 9 administration in Arizona, are you familiar with situations
16:48:41 10 in which early ballots are received ostensibly from voters
16:48:48 11 and with investigation, it turns out that someone other
16:48:50 12 than the voter signed those early ballot envelopes?

16:48:54 13 MS. LANG: Objection; form.

16:48:55 14 THE WITNESS: Yes.

16:48:56 15 BY MR. LANGHOFER:

16:48:56 16 Q. Can you tell us about where you learned about
16:48:59 17 these situations?

16:49:00 18 A. Well, this is, of course, anecdotal but situations
16:49:08 19 while I was a deputy county attorney. So I didn't work in
16:49:11 20 the Criminal Division, and it was just through not
16:49:18 21 attorney-client privileged communications. But just that
16:49:21 22 it periodically happened where a parent will receive a
16:49:25 23 child's ballot and feel confident that the parent knows how
16:49:30 24 the child would vote and has signed an early ballot.

16:49:35 25 Q. And what happens with those in those situations?

16:49:42 1 Let me be more specific. What does the
16:49:44 2 county recorder do in those situations?

16:49:48 3 A. So in 2020, when one -- one of those cases came
16:49:53 4 up, it was a young lady who called because there was a --
16:49:56 5 such a frenzy for people to make sure your ballot counted
16:50:00 6 to post-election call or submit information via the
16:50:04 7 website.

16:50:04 8 And this young lady called the election
16:50:08 9 department and said, "It says I voted, but I didn't," or
16:50:11 10 something like that. And the county recorder inquired and
16:50:18 11 was able to find the copy of the ballot signature, provided
16:50:24 12 it to the voter, and the voter subsequently said, "Oh,
16:50:27 13 never mind" kind of thing. So it's -- it was one of those
16:50:31 14 kind of situations.

16:50:32 15 So that's just anecdotal. I don't know if
16:50:35 16 there was any criminal referral.

16:50:36 17 Q. Do you have a sense of how often this happens in
16:50:41 18 Maricopa County?

16:50:42 19 MS. LANG: Objection; foundation.

16:50:45 20 THE WITNESS: So while I was at Maricopa
16:50:49 21 County, I think maybe three or four times that came up.

16:50:54 22 BY MR. LANGHOFER:

16:50:54 23 Q. In how many years?

16:50:55 24 A. That was 14 years.

16:50:57 25 Q. Okay. And do you have a sense of how often this

16:51:01 1 happens outside of Maricopa County?

16:51:03 2 A. No.

16:51:04 3 Q. Okay. We've heard some testimony from some of the

16:51:08 4 county recorders that occasionally, they'll have voter

16:51:12 5 registration drives where an outside group will bring in a

16:51:15 6 bunch of voter registration forms and, on inspection, it

16:51:19 7 seems that some of those forms are not honest or authentic.

16:51:24 8 A. Yes.

16:51:24 9 Q. Are you familiar with this situation?

16:51:27 10 MS. LANG: Objection; form.

16:51:28 11 THE WITNESS: I'm familiar with the fact that

16:51:34 12 voter registration forms are sometimes submitted,

16:51:38 13 especially when there's an incentive -- monetary incentive

16:51:41 14 for people to gather voter registration forms. And also,

16:51:45 15 if it's tied to an initiative petition gathering, that it

16:51:51 16 periodically comes up when false voter registration forms

16:51:56 17 are submitted.

16:51:56 18 BY MR. LANGHOFER:

16:51:57 19 Q. What do you mean by "false"?

16:52:00 20 A. That whoever is circulating or gathering the voter

16:52:05 21 registration forms will complete one in an effort to get

16:52:09 22 the monetary reward.

16:52:11 23 Q. Okay. So complete it and -- when there's not a

16:52:15 24 real registrant? Is that what you mean?

16:52:17 25 A. That's correct, yes.

16:52:19 1 Q. Complete it in someone else's name?

16:52:20 2 A. Yes.

16:52:20 3 Q. Okay. Do you know about how many of these forms

16:52:24 4 may be received by -- let's start with Maricopa County.

16:52:28 5 MS. LANG: Objection; foundation.

16:52:30 6 Speculation.

16:52:30 7 THE WITNESS: I don't. And also just -- I

16:52:33 8 have never been a part of the Criminal Division in any

16:52:37 9 county attorney's office. So again, this is all just

16:52:40 10 anecdotal information that I heard.

16:52:40 11 BY MR. LANGHOFER:

16:52:42 12 Q. Do you know how many of those may be received

16:52:44 13 outside of Maricopa County every year?

16:52:46 14 MS. LANG: Objection; foundation.

16:52:47 15 Speculation.

16:52:47 16 THE WITNESS: I do not.

16:52:50 17 MR. LANGHOFER: I think that's all the

16:52:50 18 questions I have. Thank you.

16:52:53 19 MR. MORGAN: Thanks.

16:52:53 20 Mr. Whitaker, do you have any questions?

16:52:57 21 MR. WHITAKER: I do. And, Colleen, I first

16:53:00 22 want to say you have a hard job both generally and -- today

16:53:04 23 and very appreciated. Your time is always appreciated.

16:53:07 24 MR. MORGAN: Before we go, it's -- just so

16:53:12 25 you know, we're -- we've got about 25 minutes --

16:53:16 1 25 minutes.

16:53:25 2 MR. WHITAKER: Okay. Thanks for letting me
16:53:26 3 know.

16:53:26 4

16:53:26 5 EXAMINATION

16:53:27 6 BY MR. WHITAKER:

16:53:30 7 Q. You testified earlier when talking about how a
16:53:34 8 recorder might confirm someone isn't a citizen is that they
16:53:39 9 would ask the person. Do you remember that?

16:53:42 10 A. I do, yes.

16:53:43 11 Q. And why -- why would that be a good way to figure
16:53:47 12 out whether someone's a citizen?

16:53:51 13 A. Because I don't see any reason why someone would
16:53:58 14 not give accurate information, especially to corroborate
16:54:07 15 some other information that the person inquiring might
16:54:08 16 have.

16:54:10 17 Q. Is it fair to say that people generally know
16:54:13 18 whether they are citizens?

16:54:14 19 A. Yes.

16:54:15 20 Q. The citizenship checkbox on the registration form,
16:54:25 21 that's a way of asking someone whether they are a citizen;
16:54:28 22 right?

16:54:28 23 A. That's true, yes.

16:54:29 24 Q. And, in fact, it's under penalty of perjury
16:54:34 25 because it's on the registration form; is that right?

16:54:36 1 A. That's correct.

16:54:38 2 Q. If someone were to check "no" on the citizenship

16:54:44 3 checkbox, would that give information about whether that

16:54:47 4 person is a citizen?

16:54:49 5 MS. LANG: Objection. Calls for a legal

16:54:53 6 conclusion.

16:54:53 7 MR. WHITAKER: What's the legal conclusion

16:54:54 8 about whether it gives information?

16:54:59 9 THE WITNESS: Umm --

16:54:59 10 MR. MORGAN: You don't answer.

16:55:00 11 MS. LANG: That's a question to me.

16:55:03 12 MR. MORGAN: That's -- you -- you don't have

16:55:06 13 to give legal conclusions.

16:55:06 14 MS. LANG: There were objections --

16:55:09 15 MR. WHITAKER: I'll repeat the question. You

16:55:10 16 can have the objection.

16:55:12 17 MS. LANG: Okay.

16:55:12 18 BY MR. WHITAKER:

16:55:14 19 Q. If someone marks "no" on the citizenship checkbox,

16:55:17 20 what information does that give about their citizenship?

16:55:23 21 MS. LANG: Objection; form.

16:55:27 22 THE WITNESS: It would indicate that the

16:55:29 23 person self-declared himself or herself not to be a

16:55:36 24 citizen.

16:55:37 25 BY MR. WHITAKER:

16:55:40 1 Q. Do you generally trust what people say on the
16:55:43 2 registration form under penalty of perjury?

16:55:45 3 A. Yes.

16:55:47 4 Q. Suppose, then, you have a registration form where
16:55:56 5 someone says "no" on the citizenship checkbox but also
16:56:04 6 submits DPOC that appears to be valid. Would you say,
16:56:09 7 then, that you have conflicting information about whether
16:56:12 8 that person is a citizen?

16:56:13 9 A. Yes.

16:56:16 10 Q. Okay. Would you say that in that situation --
16:56:22 11 well, strike that.

16:56:23 12 Are there situations where someone can be a
16:56:33 13 citizen, say, from birth but then change or renounce their
16:56:39 14 citizenship later in life?

16:56:41 15 MR. MORGAN: Form.

16:56:43 16 THE WITNESS: Yes.

16:56:45 17 BY MR. WHITAKER:

16:56:51 18 Q. Let's imagine, for example, someone submits a copy
16:56:55 19 of a birth certificate with their registration form but
16:57:01 20 also marks "no" on the citizenship checkbox. Would you
16:57:08 21 agree that in that situation, there's conflicting
16:57:10 22 information about whether that person is a citizen?

16:57:14 23 MS. BRAILEY: Speculation.

16:57:15 24 THE WITNESS: Yes.

16:57:15 25 BY MR. WHITAKER:

16:57:18 1 Q. Would you contact that -- do you think one way to
16:57:22 2 try to resolve that conflict would be to reach out to the
16:57:26 3 applicant to ask them whether they intended to check "no"
16:57:29 4 on the checkbox?

16:57:31 5 MS. LANG: Objection; foundation. Form.

16:57:35 6 THE WITNESS: Well, it would be the county
16:57:39 7 recorder that could follow up with the registrant to see if
16:57:44 8 it was an inadvertent check of the noncitizenship status
16:57:51 9 and try to resolve the conflict.

16:57:53 10 BY MR. WHITAKER:

16:57:58 11 Q. I think you mentioned in response to
16:58:00 12 Mr. Langhofer's questions that the MVD data check isn't
16:58:05 13 perfect. Do you recall that?

16:58:08 14 A. I -- yes. To the extent that data in -- you know,
16:58:14 15 it only reflects the accuracy of the data being put in. So
16:58:20 16 yes, there's -- there's potential for erroneous
16:58:23 17 information.

16:58:24 18 Q. And the data being put in is data by humans?

16:58:28 19 A. Yes.

16:58:29 20 Q. Is that right?

16:58:30 21 A. Yes.

16:58:31 22 Q. So is it possible to have a situation where
16:58:39 23 someone has what appears to be DPOC and passes the MVD
16:58:44 24 check, but the voter checked "no" on the citizen checkbox
16:58:48 25 and actually isn't currently a citizen?

16:58:52 1 MS. LANG: Objection. Speculation.

16:58:54 2 THE WITNESS: Yes.

16:58:55 3 BY MR. WHITAKER:

16:59:12 4 Q. Mr. Langhofer asked you a series of questions

16:59:15 5 about birthplace, and he walked you through some parts of

16:59:20 6 the EPM about birthplace. Do you remember that?

16:59:22 7 A. I do, yes.

16:59:23 8 Q. Based on those questions, would you agree that

16:59:29 9 there are at least some situations where birthplace is

16:59:33 10 useful for county recorders in the registration context?

16:59:38 11 A. It's useful, yes, to corroborate information.

16:59:44 12 Correct.

16:59:46 13 Q. I'd like to turn your attention to some

17:00:01 14 interrogatory responses. I'll try to share my screen here,

17:00:05 15 but I think they've been marked as Exhibit 262.

17:00:08 16 A. Yes, I have that exhibit in front of me.

17:00:15 17 Q. Okay. Let's start with the response to

17:00:26 18 Interrogatory Number 9. Part of that response says, "The

17:00:38 19 checkbox has always been required under the Help America

17:00:42 20 Vote Act of 2002 ('HAVA')."

17:00:46 21 Could you explain what that -- what the

17:00:48 22 office meant by that?

17:00:56 23 MR. MORGAN: It's page 18.

17:00:58 24 THE WITNESS: Okay.

17:00:59 25 MR. MORGAN: Page 18, line 9 through 15.

17:01:02 1 He's specifically talking about lines 10 and 11.

17:01:06 2 THE WITNESS: It -- the checkbox has always
17:01:13 3 been a required field since HAVA. It's --

17:01:26 4 BY MR. WHITAKER:

17:01:26 5 Q. And by that, do you mean the federal government
17:01:27 6 has required it on the federal form?

17:01:32 7 A. You know, without checking state statute, I think
17:01:36 8 it's also required -- a required field -- excuse me -- it's
17:01:39 9 a field required to be on the form, but it's not a
17:01:43 10 requirement as far as the minimum standards for someone to
17:01:47 11 be a registered voter.

17:01:50 12 Q. Okay. So is that -- did you mean that the federal
17:01:56 13 government requires that the checkbox be checked or that
17:02:01 14 the federal government requires that the checkbox exists on
17:02:04 15 the form?

17:02:06 16 MS. LANG: Objection. Calls for a legal
17:02:07 17 conclusion.

17:02:09 18 THE WITNESS: The latter, that it be provided
17:02:14 19 on the form.

17:02:15 20 BY MR. WHITAKER:

17:02:18 21 Q. Okay. Do you have a view on whether the
17:02:22 22 federal -- whether HAVA also requires that it be checked,
17:02:25 23 or is that something you would need to research --

17:02:29 24 A. Yeah, I would have to --

17:02:30 25 Q. -- or get legal advice on?

17:02:33 1 MS. LANG: Objection. Calls for a legal
17:02:34 2 conclusion.

17:02:34 3 THE WITNESS: I would have to get legal
17:02:36 4 advice on that.

17:02:38 5 BY MR. WHITAKER:

17:02:45 6 Q. Okay. Let's go a little bit earlier in this same
17:02:49 7 document. Interrogatory Number 6. You were asked about
17:02:54 8 this a little bit ago, but I had some follow-ups.

17:02:58 9 A. Okay.

17:02:58 10 Q. So I'm on page 12. And for context, this is that
17:03:03 11 summary report about the juror questionnaire that we're
17:03:10 12 discussing here.

17:03:11 13 A. Okay.

17:03:12 14 Q. And the interrogatory says in part, starting on
17:03:17 15 line 15, "The Secretary provides that it receives a jury
17:03:21 16 summary report from each county which identifies jurors who
17:03:25 17 have self-identified as 'non-citizens.' Sometimes this
17:03:28 18 information is an accurate representation of their
17:03:31 19 citizenship status, while other times, this is a method
17:03:35 20 commonly suspected to be used by individuals who are in
17:03:39 21 fact citizens, but do not want to report for jury duty."

17:03:43 22 Did I get that -- did I read that right,
17:03:44 23 first of all?

17:03:45 24 A. Yes.

17:03:46 25 Q. Okay. What -- what did the office mean by saying,

17:03:56 1 "Sometimes this information is an accurate representation
17:03:59 2 of their citizenship status"?

17:04:06 3 A. Let me make sure I refresh my memory on the
17:04:16 4 question --

17:04:18 5 Q. Yeah.

17:04:18 6 A. -- and the interrogatory itself.

17:04:21 7 Q. Yeah.

17:04:25 8 A. Okay. So the question was about incidents of
17:04:34 9 voter fraud and if it occurred and whether -- but not
17:04:40 10 discovered.

17:04:40 11 Okay. So I think to your question, it's that
17:04:50 12 the summary report is only as good as the information
17:04:56 13 provided by the juror that may or may not be accurate or --
17:05:05 14 excuse me -- the summoned juror.

17:05:08 15 Q. And as we discussed earlier, a good source of
17:05:12 16 whether someone is a citizen is that person. Would you
17:05:17 17 agree?

17:05:17 18 A. I agree.

17:05:20 19 Q. So do you know how -- can you say something any
17:05:25 20 more specific about how often the jury summary reports
17:05:34 21 represent -- scratch that.

17:05:39 22 How often does the -- does your office
17:05:42 23 receive these summary reports?

17:05:44 24 A. The summary reports are sent to our office and the
17:05:52 25 county recorders, and it's supposed to be on a monthly

17:05:57 1 basis.

17:05:59 2 Q. And do you know whether those reports have been
17:06:02 3 produced?

17:06:05 4 A. Yes, I do know that they have been produced. My
17:06:11 5 understanding is that maybe not all jurisdictions have been
17:06:16 6 providing them, or if they're just -- I remember that
17:06:20 7 question coming up. Perhaps municipal courts weren't all
17:06:26 8 -- all providing them. But to -- to the -- to the best of
17:06:30 9 my knowledge, that's no longer an issue or has not been
17:06:34 10 raised at least.

17:06:36 11 MS. LANG: Josh, can we clarify --

17:06:39 12 MR. MORGAN: Yeah -- can I? Josh, on the
17:06:40 13 jury reports, there's no way she would know -- remember
17:06:42 14 that the way we produced documents in case was with an
17:06:46 15 agreement with the plaintiffs that, because of the onerous
17:06:51 16 amount -- just the vast amount of documents, we weren't
17:06:54 17 going to review them document by document.

17:06:56 18 I will tell you that if they were found in
17:07:01 19 the custodians identified by the plaintiffs and the search
17:07:04 20 terms used, they would have been produced. I don't think
17:07:08 21 anyone sitting here can say unequivocally whether they've
17:07:11 22 been produced.

17:07:12 23 If it's something that you think you want and
17:07:15 24 it hasn't been produced, we can definitely talk offline
17:07:18 25 about getting you what you need. I just want to make sure

17:07:21 1 the record is clear on that. Because Colleen has not
17:07:24 2 reviewed all of the documents that have been produced by
17:07:27 3 agreement.

17:07:28 4 MR. WHITAKER: Nor could -- nor could any
17:07:30 5 human.

17:07:32 6 MR. MORGAN: Right.

17:07:33 7 MR. WHITAKER: What were you going to say?

17:07:35 8 MR. MORGAN: That's where she was headed,
17:07:37 9 so . . .

17:07:37 10 MS. LANG: I wanted to clarify that I think
17:07:39 11 Colleen's answer was about whether or not the counties have
17:07:43 12 been producing the jury summary reports to the secretary
17:07:47 13 and the county recorders, whereas I understood your
17:07:49 14 question to be about whether or not those reports had been
17:07:52 15 produced in this case.

17:07:54 16 THE WITNESS: Oh, okay. I see what you're
17:07:56 17 saying.

17:07:56 18 MS. LANG: And so I wanted to make
17:07:57 19 clarification on the record that Colleen, I think your
17:08:00 20 answer was about whether or not those documents are being
17:08:03 21 produced to you, not whether or not they've been kind of
17:08:07 22 put forward in discovery.

17:08:08 23 THE WITNESS: Yes, that's accurate. I didn't
17:08:10 24 even think of the discovery part of it.

17:08:12 25 MR. MORGAN: Yeah, I figured.

17:08:13 1 And while we're at it, Josh. The official
17:08:16 2 record is we've got about ten minutes left for Colleen.

17:08:20 3 MR. WHITAKER: Thank you.

17:08:22 4 And thank you, Danielle, for clarifying.

17:08:24 5 BY MR. WHITAKER:

17:08:26 6 Q. Do you have a sense for how many individuals have
17:08:32 7 self-identified as noncitizens, say, in the past few months
17:08:38 8 based on those reports?

17:08:42 9 A. I do not.

17:08:47 10 Q. All right. Do you -- have you ever seen those
17:08:58 11 reports when they've come into your office?

17:09:01 12 A. No.

17:09:06 13 Q. All right. Who -- who would be the right person
17:09:09 14 in the office to ask about those reports?

17:09:11 15 A. Yolanda Morales.

17:09:15 16 MR. MORGAN: I'm going to object to scope.

17:09:17 17 BY MR. WHITAKER:

17:09:17 18 Q. Okay. All right. Oh, one question I had: You
17:09:32 19 mentioned that the secretary's office, to the best of your
17:09:37 20 memory, did provide the Attorney General's Office the list
17:09:43 21 that's required by one of the laws about, you know, the
17:09:47 22 people who are on the fed-only list -- people who have
17:09:53 23 provide -- registered but haven't provided proof of
17:09:56 24 citizenship. Do you remember that testimony?

17:09:59 25 A. I do. And that's -- to the best of my knowledge,

17:10:03 1 that was produced. I'll make a note of it and
17:10:06 2 double-check.

17:10:07 3 MR. MORGAN: I'm going to object to form in
17:10:09 4 so much as I'm not entirely sure, Josh, that she said it
17:10:13 5 that way. I feel that -- my recollection -- and this
17:10:15 6 record will say what it says -- is that she testified that
17:10:19 7 she -- her office had been complying with the legislative
17:10:24 8 report requirement and the statute. But I'm not trying to
17:10:28 9 split hairs. I'm just trying to make sure that we don't
17:10:30 10 back her into a corner that she didn't mean to be in.

17:10:32 11 MR. WHITAKER: Yeah. And I'm not trying --
17:10:34 12 this question is purely information seeking. Because --
17:10:40 13 well . . .

17:10:41 14 MR. MORGAN: Aren't they all?

17:10:43 15 MR. WHITAKER: I know.

17:10:44 16 BY MR. WHITAKER:

17:10:45 17 Q. Do you know to whom in the Attorney General's
17:10:50 18 Office that list of voters was given, if it was given?

17:10:53 19 MR. MORGAN: You don't -- don't speculate.

17:10:54 20 THE WITNESS: Yeah, I -- I don't know. It
17:10:56 21 was before I started. It would have been done before I
17:11:00 22 started. But -- and that's to the best of my recollection.
17:11:03 23 But I will, like I said, go back and double-check on that.

17:11:08 24 BY MR. WHITAKER:

17:11:09 25 Q. And that was going to be my follow-up question,

17:11:11 1 which is how -- how positive are you that that list
17:11:14 2 actually was sent?

17:11:17 3 And to be transparent, part of reason I'm
17:11:19 4 asking is I am unaware of that list having been sent. So
17:11:23 5 I'm trying to -- trying to figure that out.

17:11:26 6 A. Okay. Understood.

17:11:27 7 MR. MORGAN: Objection. Asked and answered.
17:11:29 8 To the best of her recollection is what she said.

17:11:35 9 MR. WHITAKER: All right I won't ask any
17:11:41 10 more questions. I think that's it.

17:11:42 11 MR. MORGAN: Deal.

17:11:43 12 MS. LANG: Let's go off the record.

17:11:45 13 MR. MORGAN: Well --

17:11:50 14 MR. WHITAKER: Thank you for your -- -

17:11:50 15 THE WITNESS: Thank you.

17:11:50 16 MR. MORGAN: You can go ahead.

17:11:52 17 THE VIDEOGRAPHER: We are off the record.

17:11:52 18 The time on the video monitor is 5:11 p.m. This ends
17:11:56 19 Media 3.

17:11:58 20 (A recess ensued.)

17:18:07 21 THE VIDEOGRAPHER: We are on the record. The
17:18:16 22 time on the video monitor is 5:18 p.m. This begins
17:18:20 23 Media 4.

17:18:20 24

17:18:21 25 FURTHER EXAMINATION.

17:18:21 1 BY MS. BRAILEY:

17:18:22 2 Q. In your role as a state election director, is
17:18:25 3 birthplace in any way necessary to establishing a
17:18:28 4 registrant's age?

17:18:33 5 Sorry. We're not going to -- I'll look at
17:18:35 6 that in a minute. I'm just going to ask you a few
17:18:37 7 questions and then we'll go -- I'm going to go to that.

17:18:39 8 A. That's okay.

17:18:40 9 So a place of birth to establish someone's
17:18:42 10 age?

17:18:44 11 Q. Let me -- okay.

17:18:45 12 As your role as the state election director,
17:18:46 13 is birthplace in any way necessary to establishing a
17:18:50 14 registrant's age?

17:18:52 15 A. So in my role as state elections director, we do
17:18:58 16 not process voter registration forms. The secretary of
17:19:03 17 state oversees the statewide voter registration database.
17:19:07 18 But if there is any connection between place of birth and
17:19:13 19 someone's age, I'm not familiar with it, but perhaps a
17:19:18 20 county recorder would be.

17:19:19 21 Q. Okay. In -- in your experience working in
17:19:22 22 elections in the counties that you've worked in and at the
17:19:26 23 state level, based on your knowledge and expertise, is
17:19:31 24 birthplace in any way necessary to establishing a
17:19:33 25 registrant's citizenship?

17:19:38 1 MR. WHITAKER: Form.

17:19:42 2 MR. LANGHOFER: Legal conclusion.

17:19:45 3 THE WITNESS: Well, I -- I guess -- well, I
17:19:51 4 guess it -- I'm thinking of the U.S. territories, but I
17:19:55 5 don't know.

17:19:55 6 BY MS. BRAILEY:

17:19:56 7 Q. Why would the U.S. territories?

17:19:57 8 A. Well, if someone is considered -- but I just don't
17:20:01 9 know as far as documentary proof of citizenship. That was
17:20:04 10 just the first thing that came to my mind.

17:20:06 11 Q. And so would -- would birthplace be necessary to
17:20:10 12 establishing a registrant's citizenship?

17:20:14 13 MR. WHITAKER: Form.

17:20:16 14 THE WITNESS: I -- I'm not familiar with how
17:20:22 15 place of birth would be necessary.

17:20:27 16 BY MS. BRAILEY:

17:20:28 17 Q. Is birthplace necessary to establishing a
17:20:31 18 registrant's residence?

17:20:38 19 A. No.

17:20:39 20 Q. Could it be necessary to establishing whether a
17:20:43 21 registrant has committed a certain felony that would
17:20:48 22 disenfranchise them?

17:20:51 23 MR. LANGHOFER: Legal conclusion.

17:20:52 24 THE WITNESS: I don't know how it would be.

17:20:56 25 BY MS. BRAILEY:

17:20:57 1 Q. Could birthplace be necessary to establishing
17:21:00 2 whether an applicant has been adjudicated mentally
17:21:07 3 incompetent or unable to make a mark or sign their name?

17:21:12 4 A. Not that I'm familiar with.

17:21:14 5 Q. Okay. So now if you would pull up the 2023
17:21:16 6 procedures manual. And I believe you're on the correct
17:21:19 7 page.

17:21:21 8 So Mr. Langhofer discussed some portions of
17:21:26 9 this document with you where the document has references to
17:21:32 10 either place of birth or state or country of birth. And
17:21:36 11 the first one was the one in front of you, which is
17:21:39 12 somebody's birth certificate.

17:21:41 13 I believe this portion is -- is describing a
17:21:46 14 way that an applicant can establish citizenship by
17:21:52 15 presenting their birth certificate. Is that your
17:21:55 16 understanding of this portion of the document that you're
17:21:57 17 looking at?

17:21:58 18 A. Let me just take --

17:22:01 19 Q. At the bottom of page 4 where it says, "b. Birth
17:22:05 20 Certificate."

17:22:19 21 A. Yes, I see that.

17:22:20 22 Q. And so a birth certificate is sufficient to
17:22:29 23 establish somebody's citizenship; is that correct?

17:22:32 24 MR. LANGHOFER: Legal conclusion.

17:22:32 25 BY MS. BRAILEY:

17:22:41 1 Q. A U.S -- apologies.

17:22:41 2 A U.S. birth certificate is sufficient to
17:22:44 3 establish that a person is a United States citizen; is that
17:22:49 4 correct?

17:22:49 5 MR. LANGHOFER: Legal conclusion.

17:22:50 6 MR. WHITAKER: Same objection.

17:22:54 7 THE WITNESS: Yeah, I -- I'm not familiar
17:22:57 8 enough with this process as far as it specifically relates
17:23:03 9 to --

17:23:04 10 BY MS. BRAILEY:

17:23:04 11 Q. Okay.

17:23:05 12 A. -- this question.

17:23:06 13 Q. Let's go to the top of next page, page 5, where we
17:23:09 14 see the five things that are listed there in bullet points.

17:23:18 15 A. Okay.

17:23:19 16 Q. So you just read this with Mr. Langhofer, but
17:23:24 17 essentially, my understanding of this is that the only time
17:23:29 18 you might look to one of these five bullet points is if an
17:23:37 19 applicant has presented a U.S. birth certificate but can't
17:23:43 20 prove that the birth certificate is theirs because now they
17:23:47 21 have an a different last name. Is that how -- is that the
17:23:51 22 correct understanding of the utility of those five bullet
17:23:58 23 points?

17:23:59 24 MR. WHITAKER: Form.

17:24:00 25 THE WITNESS: Yeah.

17:24:02 1 BY MS. BRAILEY:

17:24:02 2 Q. Okay. And so specifically, all a person must do
17:24:07 3 to verify their birth certificate is to match at least one
17:24:15 4 of these; correct?

17:24:17 5 MR. LANGHOFER: Legal conclusion.

17:24:19 6 MR. WHITAKER: Form.

17:24:20 7 THE WITNESS: Yes, that's my understanding.

17:24:22 8 BY MS. BRAILEY:

17:24:28 9 Q. The next section, Section "c. U.S. Passport"
17:24:32 10 begins right after that.

17:24:35 11 And Mr. Langhofer spoke to you about the
17:24:39 12 middle paragraph. And there, the middle paragraph
17:24:43 13 essentially says that if somebody is using their passport
17:24:48 14 to prove their U.S. citizenship -- if they're using their
17:24:53 15 U.S. passport to prove their U.S. citizenship, that they
17:24:56 16 must show the page in the passport that has all of their
17:24:58 17 identifying information; is that correct?

17:25:00 18 A. Yes.

17:25:01 19 MR. WHITAKER: Form.

17:25:04 20 BY MS. BRAILEY:

17:25:05 21 Q. And for both of these examples -- so for the birth
17:25:08 22 certificate and for the U.S. passport -- does the EPM
17:25:18 23 advise counties that they must match the place of birth to
17:25:22 24 be able to register the person to vote?

17:25:26 25 A. No.

17:25:26 1 MR. WHITAKER: Form.

17:25:27 2 BY MS. BRAILEY:

17:25:35 3 Q. Apologies.

17:26:21 4 On page 48 of this document, which is page 57
17:26:27 5 in the EPM -- as you go to it, I'll talk to you. This is
17:26:34 6 about the ballot-by-mail request form. And it is
17:26:39 7 instructing the county recorders what must be contained
17:26:42 8 within the ballot-by-mail request form. And it includes
17:26:46 9 the mandate that there must be entry fields for certain
17:26:52 10 information, and one of those is "The voter's state or
17:26:56 11 country of birth or another piece of information" that
17:26:59 12 could confirm their identity.

17:27:01 13 So if somebody presents a different kind of
17:27:04 14 information that proves their identity, have they
17:27:12 15 successfully completed a ballot-by-mail form and they can
17:27:15 16 vote by mail?

17:27:16 17 A. Yes.

17:27:17 18 MR. WHITAKER: Form.

17:27:18 19 BY MS. BRAILEY:

17:27:18 20 Q. In addition, is a ballot-by-mail form used to
17:27:22 21 register a person to vote?

17:27:25 22 A. It can be if it provides all of the necessary
17:27:34 23 information that's required of a voter registration form.

17:27:38 24 Q. And is birthplace a necessary piece of information
17:27:40 25 on a voter registration form?

17:27:43 1 MR. WHITAKER: Form and calls for a legal
17:27:48 2 conclusion.

17:27:48 3 THE WITNESS: Well, I think that's one of the
17:27:50 4 issues in this case. So the legislation will -- does
17:27:57 5 require it.

17:27:59 6 BY MS. BRAILEY:

17:28:00 7 Q. But is it necessary to determining whether
17:28:03 8 somebody's eligible to vote?

17:28:05 9 MR. LANGHOFER: Same objections.

17:28:06 10 MR. WHITAKER: Form.

17:28:06 11 THE WITNESS: Not that I'm aware of.

17:28:09 12 MR. WHITAKER: Yeah, same --

17:28:09 13 BY MS. BRAILEY:

17:28:10 14 Q. And when we're talking about place of birth, we're
17:28:12 15 also talking about state or country of birth; is that
17:28:15 16 correct?

17:28:15 17 A. That's correct.

17:28:16 18 Q. So we're not talking about a smaller jurisdiction
17:28:18 19 like a city or a town; is that correct?

17:28:22 20 A. You know, I think it's open to interpretation.

17:28:26 21 MR. MORGAN: For what it's worth, my clock
17:28:29 22 has us at 10 minutes. We started at 5 -- 5:18.

17:28:36 23 MS. BRAILEY: Okay. One moment. Okay.

17:28:46 24 Thank you so much, Ms. Connor. We appreciate
17:28:48 25 all of your time today and all of the work you've been

17:28:50 1 doing in the state. Thank you so much.

17:28:52 2 Go off the record.

17:28:53 3 THE VIDEOGRAPHER: We are off the record.

17:28:56 4 The time on the video monitor is 5:28 p.m. This ends
17:29:00 5 Volume 1, Media Number 4, in the 30(b)(6) deposition of
17:29:04 6 Arizona Secretary of State, by Colleen Connor.

1 YOLANDA MORALES,
 2 the witness herein, being first duly sworn,
 3 was examined and testified as follows:
 4

08:05:33 5 EXAMINATION

08:05:33 6 BY MS. SHAH:

08:05:34 7 Q. Good morning, Ms. Morales. My name is Niyati
 08:05:36 8 Shah, and I'm an attorney with Asian Americans Advancing
 08:05:40 9 Justice, AAJC. And as I mentioned, I represent the Equity
 08:05:44 10 Coalition plaintiffs, which is short for the Asian American
 08:05:47 11 Native Hawaiian Pacific Islander for Equity Coalition in
 08:05:48 12 this matter, but I'm going refer to them as Equity
 08:05:52 13 Coalition to make it easier and not a mouthful.

08:05:54 14 Could you just please state your name and
 08:05:56 15 spell your full name for the record.

08:05:58 16 A. So my legal full name is Yolanda Esther Morales
 08:06:05 17 Rios.

08:06:05 18 And do you want me to spell each one?

08:06:07 19 Q. Yes, please.

08:06:08 20 A. Okay. So Yolanda is Y-o-l-a-n-d-a; Esther is
 08:06:14 21 E-s-t-h-e-r; Morales, M-o-r-a-l-e-s; Rios, R-i-o-s.

08:06:22 22 Q. And could you please state what your title is?

08:06:25 23 A. I'm the senior elections policy manager for the
 08:06:28 24 Secretary of State's Office.

08:06:29 25 Q. And how long have you been in that role?

08:06:31 1 A. I was promoted to this role in October of 2021.

08:06:35 2 Q. And were you -- were you at the Secretary of
08:06:41 3 State's Office before this role?

08:06:41 4 A. Yes.

08:06:42 5 Q. In what role was that?

08:06:44 6 A. I've had multiple roles. I started with the
08:06:46 7 office in 2008 so . . .

08:06:53 8 Q. Okay. That's fine.

08:06:54 9 For today's deposition, I want to make sure
08:06:57 10 that the record is clear on a couple of points.

08:07:00 11 You do understand that you are testifying
08:07:01 12 under oath today; correct?

08:07:03 13 A. Yes, I do.

08:07:04 14 Q. And you know that the court reporter is
08:07:07 15 transcribing this deposition; correct?

08:07:09 16 A. I do.

08:07:10 17 Q. Okay. And so with that in mind, could you please
08:07:13 18 answer questions audibly and clearly. No head shakes,
08:07:17 19 nods, uh-huhs. Will that be okay?

08:07:21 20 A. Absolutely. Yes.

08:07:22 21 Q. Okay. Great.

08:07:23 22 And to allow the court reporter to do their
08:07:24 23 job, I'm going to ask that you let me finish my question
08:07:27 24 completely before you respond. And of course I will do the
08:07:30 25 same with you to finish your answer before asking another

08:07:34 1 question. Does that work?

08:07:35 2 A. Yes, it does.

08:07:36 3 Q. And will you let me know if you do not understand
08:07:39 4 a question or need me to repeat any part of it?

08:07:43 5 A. Yes. I'll do that.

08:07:44 6 Q. Great.

08:07:45 7 And if I ask a question and you answer the
08:07:48 8 question, I will assume that you understood the question.
08:07:50 9 Is that all right?

08:07:51 10 A. Yes.

08:07:53 11 Q. Okay. And is there any reason that you can't give
08:07:55 12 a full, complete, and accurate testimony today?

08:07:57 13 A. No, not that I'm aware of.

08:08:01 14 Q. Are you on any medications or experiencing any
08:08:03 15 conditions that would prevent you from giving full and
08:08:06 16 truthful testimony today?

08:08:07 17 A. No.

08:08:07 18 Q. If at any time you would like to take a break,
08:08:07 19 please let me know. The only thing I will ask is that if I
08:08:18 20 have already asked the question, that you finish answering
08:08:18 21 that question before taking a break. Does that sound fair?

08:08:20 22 A. It does sound fair.

08:08:22 23 Q. Okay. And have you been deposed before?

08:08:24 24 A. I've been deposed before.

08:08:26 25 Q. How many times?

08:08:28 1 A. It was in 2016 or '17. Just once.

08:08:33 2 Q. And under what circumstances was that deposition?

08:08:37 3 A. I was a witness for the Secretary of State's

08:08:40 4 Office.

08:08:40 5 Q. Okay. Do you remember the case?

08:08:43 6 A. I don't remember the case. It had to do with

08:08:47 7 circumstances surrounding the publicity pamphlet.

08:08:52 8 Q. And did you bring any materials with you to this

08:08:56 9 deposition?

08:08:56 10 A. Materials, no. Well, I'm in front of my computer

08:09:00 11 but . . .

08:09:01 12 Q. Are you going to be using the computer to answer

08:09:04 13 any questions other than being on the Zoom?

08:09:07 14 MR. MORGAN: She's going to use the computer

08:09:09 15 to access exhibits you show her.

08:09:11 16 THE WITNESS: Right. Exactly.

08:09:12 17 BY MS. SHAH:

08:09:12 18 Q. Okay. Great.

08:09:13 19 And so there's nothing else that you're going

08:09:16 20 to be using to participate in this deposition?

08:09:18 21 A. No.

08:09:20 22 Q. And because, again, we're on Zoom, I just have to

08:09:22 23 clarify: Is anybody else in the room with you?

08:09:25 24 A. No. This room is only me in it.

08:09:31 25 Q. Wonderful.

08:09:32 1 And then -- so you mentioned that you have
08:09:32 2 some documents that you -- we provided you with. And I'm
08:09:36 3 going to introduce you -- refer you to what has been
08:09:40 4 previously marked as Exhibit 260, which is Document A in
08:09:46 5 that folder. It says, "30(b)(6) SOS Revised Deposition
08:09:51 6 Notice."

08:09:52 7 A. Okay. Tell me the number again.

08:09:54 8 Q. It's -- it should have the letter A and a period
08:09:58 9 after it. It should be in --

08:10:01 10 A. Yes. 30(b)(6), yeah.

08:10:03 11 Q. Exactly. Okay.

08:10:04 12 So have you seen this document before?

08:10:08 13 A. Let me scroll through it. This is the topics to
08:10:18 14 be discussed for this deposition; right?

08:10:20 15 Q. Exactly.

08:10:21 16 A. Yes.

08:10:22 17 Q. Okay. And you understand that you've been
08:10:25 18 designated as a representative to testify on behalf of the
08:10:28 19 Arizona Secretary of State's Office for certain topics
08:10:31 20 listed in this notice?

08:10:32 21 A. Yes. That was made clear.

08:10:34 22 Q. Okay. And can we stipulate that whenever I use
08:10:37 23 the word "you" or "your" or "your office" in a question,
08:10:41 24 that will be the equivalent of saying the Arizona Secretary
08:10:44 25 of State's Office?

08:10:44 1 A. Yes.

08:10:46 2 Q. And then turning to, I think, page 6 of this
08:10:50 3 exhibit, where it says "Topics" and continuing onto
08:10:56 4 page 13, this is a list of 30 topics; correct?

08:11:00 5 A. Yes.

08:11:05 6 Q. And are you prepared to address what are
08:11:10 7 Topic 4(c), (d), (g), and (h), and (i) as they pertain to
08:11:17 8 the AVID databases as well as Topics 5 through 12 and 15?

08:11:23 9 A. I'll do it to the best of my ability.

08:11:26 10 Q. And what did you do to prepare for today's
08:11:28 11 deposition?

08:11:30 12 A. We had some prep sessions with legal counsel.

08:11:35 13 Q. Okay. And other than legal counsel, was there
08:11:39 14 anybody else?

08:11:41 15 A. Colleen Connor was present.

08:11:45 16 Q. Anybody else?

08:11:45 17 A. Any Chan.

08:11:48 18 Q. Anybody else?

08:11:48 19 A. And then it was Shayna and Craig.

08:11:52 20 Q. And anybody else?

08:11:53 21 A. And then Russ joined in the afternoon briefly --
08:11:57 22 Russ Smith.

08:11:58 23 Q. Okay.

08:11:58 24 A. He's with our office. And that's it.

08:12:02 25 Q. And how long did you meet?

08:12:05 1 A. The last time we met for about six hours. And
08:12:11 2 then we -- before that -- that was in person. Before that,
08:12:14 3 we had a brief phone call the day before, maybe like an
08:12:19 4 hour, an hour and a half.

08:12:21 5 Q. Any other times?

08:12:24 6 A. I can't think of any other times.

08:12:26 7 Q. Okay. And did you review any documents in
08:12:29 8 preparation for this deposition today?

08:12:31 9 A. Shayna presented to me some possible exhibits that
08:12:36 10 could be presented to me and then this document that we're
08:12:41 11 referring to right now.

08:12:44 12 Q. Anything else?

08:12:46 13 A. I'm sorry?

08:12:47 14 Q. Anything else?

08:12:48 15 A. No.

08:12:50 16 Q. So can you tell me what is AVID -- or is it AVID?

08:12:55 17 A. It doesn't matter. It's our -- it's our Arizona
08:13:00 18 voter registration --

08:13:01 19 MR. MORGAN: Nayati, Niyati.

08:13:04 20 MS. SHAH: Hey. There is a correct way. It
08:13:07 21 is Niyati.

08:13:07 22 MR. MORGAN: True.

08:13:10 23 THE WITNESS: We do have a member in La Paz
08:13:14 24 County that refuses to say "AVID," so he always makes a
08:13:17 25 point to annoy everyone and say "EVID."

08:13:23 1 BY MS. SHAH:

08:13:23 2 Q. I'm sorry.

08:13:24 3 So did you say -- tell --

08:13:24 4 MR. MORGAN: She asked you, "What is AVID?"

08:13:27 5 "What is AVID?" was the question.

08:13:30 6 THE WITNESS: It's the -- it's the Arizona
08:13:31 7 voter registration database.

08:13:33 8 BY MS. SHAH:

08:13:33 9 Q. Okay. And who created AVID?

08:13:37 10 A. Created? Well, it's a system that we bought from

08:13:43 11 BPro, who is now owned by KNOWiNK. So it's a database

08:13:48 12 created by them that was called TotalVote at one point.

08:13:52 13 And then when we acquired that system, it was customized to

08:13:56 14 fit Arizona's laws. And that was done in conjunction with

08:14:02 15 the counties, our administration.

08:14:05 16 Q. And by --

08:14:07 17 A. It's kind of hard to answer.

08:14:08 18 Q. And by "we," you mean the Secretary of State's

08:14:11 19 Office?

08:14:11 20 A. Our Secretary of State's Office, yes.

08:14:12 21 Q. And who maintains it currently?

08:14:17 22 A. It's maintained by the Secretary of State's

08:14:19 23 Office. And then we have a vendor in Excel that helps us

08:14:23 24 -- the project managers.

08:14:24 25 Q. And can you tell me, how is a record created

08:14:31 1 initially in AVID?

08:14:34 2 A. What record?

08:14:35 3 Q. Am I correct that AVID has records in it?

08:14:38 4 A. It does have records, but it has different types
08:14:40 5 of records. There's ballots. There's street addressing.
08:14:44 6 There's voter registration records. There's many records.

08:14:48 7 Q. Okay. Let's -- let's focus on the voter
08:14:51 8 registration records.

08:14:51 9 Can you tell me how a -- and when I say
08:14:54 10 record in this line of questioning, I'm going to refer to
08:14:56 11 that.

08:14:57 12 Can you tell me how a record for voter
08:15:00 13 registration is created initially?

08:15:02 14 A. Okay. So it all starts in two points. It could
08:15:07 15 be by an applicant mailing a voter registration form that
08:15:11 16 is received by the county, or it could be done initially
08:15:15 17 electronically by an applicant going to ServiceArizona to
08:15:20 18 register to vote.

08:15:21 19 So I'm sorry. I'm going to be very specific
08:15:23 20 as to my answers just to be clear. So I'll address the one
08:15:29 21 that has to do with the paper form.

08:15:31 22 So a paper form is mailed. It's received by
08:15:34 23 the county recorder. And that user will have the form in
08:15:38 24 front of them. And they would go into the "Add Registrant"
08:15:42 25 module of the system, and they would input all the

08:15:45 1 information that's on that paper form into the system.

08:15:50 2 Is that sufficient for that part of it?

08:15:52 3 Q. Yes. Absolutely.

08:15:53 4 A. Okay.

08:15:54 5 Q. But I would like to follow up.

08:15:56 6 Other than mail, there are other ways that a
08:16:00 7 county recorder can get a paper voter registration form; is
08:16:04 8 that correct?

08:16:04 9 A. If it's mail?

08:16:07 10 Q. Other than it being mailed by the applicant
08:16:10 11 directly, the county recorder can get a paper voter
08:16:14 12 registration form; is that correct?

08:16:15 13 A. Well, we don't know who puts it in the mail, but
08:16:20 14 it's a paper form that was signed by the applicant.

08:16:23 15 Q. Could another, let's say a voter registration
08:16:26 16 agency like a public assistance agency, send paper
08:16:30 17 applications to a county recorder?

08:16:31 18 A. Yes.

08:16:32 19 Q. Okay.

08:16:33 20 A. Uh-huh. Yeah.

08:16:34 21 Q. What about through naturalization ceremonies?

08:16:40 22 A. That's possible, yeah.

08:16:41 23 Q. Okay. And when a county recorder gets that voter
08:16:48 24 registration application, you said they add -- what is it
08:16:51 25 that you said they do? They add a registrant or add a

08:16:54 1
08:16:55 2
08:16:59 3
08:16:59 4
08:17:01 5
08:17:04 6
08:17:07 7
08:17:09 8
08:17:16 9
08:17:21 10
08:17:24 11
08:17:26 12
08:17:30 13
08:17:31 14
08:17:37 15
08:17:43 16
08:17:45 17
08:17:47 18
08:17:47 19
08:17:47 20
08:17:50 21
08:17:56 22
08:17:57 23
08:17:58 24
08:17:58 25

record?

A. They go into the add -- they go into "Add Registrant" module in the system.

Q. Understood. Okay.

And are any data fields mandatory for a county recorder to fill in for AVID to create that record in the first instance?

A. I'm sure there are. The name, address is critical, date of birth. I would have to look at what the mandatory ones -- it's not a function that the secretary of state does. But I can tell you that, yes, there are going to be mandatory fields that are needed for the record to be complete.

Q. Okay. So is there a difference between a complete record and a record that is -- that exists in AVID?

MR. MORGAN: Form.

THE WITNESS: Can you repeat the question?

BY MS. SHAH:

Q. Sure.

Is there a difference between a complete record versus a record that has just been created or exists in AVID?

A. So when the --

MR. MORGAN: Form.

THE WITNESS: When the county recorder enters

08:18:01 1 the information, they have to assign a status to that
08:18:05 2 information, the status to the voter, which could be
08:18:08 3 "active," "not eligible," "in suspense." So they have to
08:18:15 4 create the record and assign a status.

08:18:19 5 BY MS. SHAH:

08:18:20 6 Q. Okay. So would it be correct to say, if I
08:18:22 7 understood you correctly, that in order for there to be a
08:18:27 8 voter registrant record in AVID, there has to be a status
08:18:30 9 associated with that record?

08:18:33 10 A. Yes. And they'll input all the information that's
08:18:35 11 on that paper form into the system.

08:18:39 12 Q. And when we say "status," that means -- what does
08:18:46 13 it mean by "status"?

08:18:47 14 A. Those are called source codes -- I'm sorry.
08:18:51 15 Statuses are "active," "canceled," "suspense," "inactive,"
08:18:56 16 "not eligible." There's quite a few. They're all outlined
08:19:01 17 in a VRAC document.

08:19:04 18 Q. Okay. And are the mandatory fields different by
08:19:15 19 county, or will they be the same?

08:19:16 20 A. They'll be the same.

08:19:18 21 Q. So is it fair to say that a record in AVID shows
08:19:22 22 information about the current status of an individual's
08:19:25 23 voter registration?

08:19:26 24 A. Yes.

08:19:27 25 Q. And does the secretary of state provide county

08:19:32 1 recorders with access to data from ADOT?

08:19:38 2 A. From MVD?

08:19:39 3 Q. Yes.

08:19:40 4 A. Yes.

08:19:40 5 Q. And just for the clarification of the record, is

08:19:44 6 it okay if we use "MVD" or "ADOT" data interchangeably, or

08:19:50 7 is that different?

08:19:50 8 A. That would be fine now that we've discussed it.

08:19:53 9 Q. Okay.

08:19:53 10 A. "MVD" is more accurate.

08:19:55 11 Q. Okay. Great.

08:19:58 12 So in the first instance -- so I want to go

08:20:03 13 back just to clarify.

08:20:04 14 So it is correct that the Secretary of

08:20:07 15 State's Office provides MVD data to county recorders?

08:20:11 16 A. Yes.

08:20:12 17 Q. And how does the secretary of state get this data

08:20:17 18 from MVD?

08:20:18 19 A. It's an interface with the system.

08:20:21 20 Q. Is this interface called the API?

08:20:25 21 A. It's an API, yes.

08:20:26 22 Q. Okay. And so the API is through which the

08:20:33 23 secretary of state gets this data -- correct? -- from MVD?

08:20:37 24 A. It sends data to them, and it receives data back.

08:20:42 25 MR. WHITAKER: Objection; form.

08:20:44 1 BY MS. SHAH:

08:20:44 2 Q. Can you please clarify what you mean "it sends
08:20:47 3 data and gets data back"?

08:20:48 4 A. So when the county user is entering the registrant
08:20:52 5 in the system, once all that information that's on that
08:20:55 6 paper form has been entered, there's a step called the HAVA
08:21:00 7 check which then utilizes those APIs to send the
08:21:04 8 information to MVD in order to be able to receive a match
08:21:08 9 on the record.

08:21:10 10 Q. Okay. Thank you. I want to come back to that in
08:21:10 11 a minute.

08:21:16 12 But I guess my first question to you is: The
08:21:17 13 secretary of state gets data from MVD through this API, or
08:21:22 14 is it through a different format?

08:21:24 15 A. No. It's through -- it's through the API; it's an
08:21:27 16 API.

08:21:27 17 Q. Okay. So -- so --

08:21:30 18 A. It's not -- I'm sorry. If I can clarify. It's
08:21:33 19 not the secretary of state. It's the system, the AVID
08:21:35 20 system.

08:21:36 21 Q. The AVID system directly receives data from MVD?

08:21:41 22 A. Sends and receives data.

08:21:43 23 Q. Sends and receives data.

08:21:45 24 So how often does MVD provide data to AVID?

08:21:52 25 A. Every time that HAVA check request is made by the

08:21:58 1 county user --

08:21:58 2 Q. Okay. So --

08:22:01 3 A. -- record by record.

08:22:04 4 Q. And every time they do that, is it correct that
08:22:06 5 that is giving -- so this data is current at that point, or
08:22:12 6 has this data been entered at a specific point
08:22:15 7 intermittently?

08:22:17 8 A. It's a live exchange.

08:22:21 9 MR. WHITAKER: Form.

08:22:22 10 BY MS. SHAH:

08:22:22 11 Q. So -- so when you say it's a live -- the AVID
08:22:24 12 database connects directly to a source in MVD?

08:22:30 13 A. It transmits the data to MVD in order to receive
08:22:34 14 data back.

08:22:36 15 Q. Okay. Understood.

08:22:38 16 And MVD, it's going to whatever is their live
08:22:45 17 database? Is that your understanding?

08:22:46 18 A. Yes. It would make what we call a call into their
08:22:51 19 database in order to receive information.

08:22:53 20 Q. Okay. And so it is -- was there ever a -- how
08:22:59 21 long has AVID been doing this function?

08:23:02 22 A. Since -- since we developed it in and went live in
08:23:06 23 late 2019.

08:23:07 24 Q. Okay. And so to confirm, is it a real-time check
08:23:13 25 of whatever is contained in MVD records at that time?

08:23:17 1 A. Yes, that is my understanding.

08:23:19 2 Q. Okay.

08:23:22 3 MR. LANGHOFER: This is Kory. I think we
08:23:24 4 should get on the record our -- I think it's an ongoing
08:23:27 5 stipulation that an objection by one is an objection by all
08:23:30 6 since it's the same 30(b)(6). Is that right?

08:23:31 7 MS. SHAH: Yes.

08:23:32 8 MR. MORGAN: Yep.

08:23:34 9 BY MS. SHAH:

08:23:35 10 Q. So are you aware of any arrangement with MVD
08:23:43 11 providing the secretary of state monthly data extracts?

08:23:48 12 MR. MORGAN: Form.

08:23:50 13 THE WITNESS: So as part of 2243, there was a
08:23:55 14 requirement for them to send us a monthly file that I
08:24:00 15 believe lists people that have -- that have moved to
08:24:03 16 another state.

08:24:06 17 BY MS. SHAH:

08:24:07 18 Q. And anything else?

08:24:09 19 A. That's all I'm aware of that we receive on a
08:24:12 20 monthly basis right now.

08:24:13 21 Q. Okay. And that is different than the process that
08:24:17 22 you just described about checking through AVID?

08:24:20 23 A. Two separate --

08:24:23 24 Q. Two separate?

08:24:23 25 A. -- activities. Uh-huh.

08:24:25 1 Q. Okay. Great.

08:24:28 2 And when there is an entry of information by
08:24:37 3 the county recorders and they send that data to MVD for a
08:24:43 4 match to come back, has there been problems receiving or
08:24:49 5 matching that data?

08:24:53 6 MR. WHITAKER: Form.

08:24:57 7 THE WITNESS: Not that I'm aware of, no. I
08:24:59 8 mean, no. I mean, they get -- they get results back every
08:25:03 9 time a call is made.

08:25:04 10 BY MS. SHAH:

08:25:05 11 Q. Okay. And when they get results back, what
08:25:10 12 happens? Is that information entered automatically onto
08:25:13 13 AVID from MVD, or is it some sort of manual entry by the
08:25:18 14 county recorder?

08:25:18 15 A. So once they get the match from MVD, they are
08:25:23 16 presented a list of soft matches or hard matches. And then
08:25:28 17 they review the list and select a record.

08:25:33 18 Q. Okay. And when they select a record, what
08:25:41 19 happens?

08:25:41 20 A. Then they are accepting that match in order to --
08:25:45 21 because part of the HAVA check, when they make the call to
08:25:48 22 MVD, is to get their authorized presence value, which tells
08:25:53 23 the county user whether that applicant is a naturalized
08:25:59 24 citizen or a citizen in order to be able to register them
08:26:03 25 as a full-ballot voter.

08:26:05 1 Q. And is that information transferred automatically
08:26:11 2 through the HAVA check, or is it something that the county
08:26:15 3 recorder enters manually into the AVID record?

08:26:18 4 A. Once they select the match, then they're accepting
08:26:21 5 that authorized presence value to be associated with that
08:26:25 6 record.

08:26:29 7 Q. So perhaps I'm misunderstanding you.

08:26:33 8 Is it -- once they select a record, that
08:26:39 9 authorized value -- presence value is entered by the county
08:26:46 10 recorders themselves, or is it just automatically filled
08:26:49 11 out?

08:26:49 12 A. It becomes -- it becomes part of the record. It
08:26:51 13 -- every record has multiple tabs. And one of the tabs is
08:26:56 14 called the validation tab. And so that match will go into
08:27:00 15 that validation tab for historical purposes to confirm that
08:27:04 16 there was a match and information received from MVD. That
08:27:08 17 then becomes part of the record.

08:27:09 18 Q. Okay. And so is any field outside the validation
08:27:14 19 tab completed as a result of this HAVA check in AVID?

08:27:21 20 A. No. I mean, the data is made part of the record.

08:27:26 21 Q. Okay. We'll come back to that.

08:27:28 22 A. Yeah, it's an electronic transfer of information.

08:27:31 23 Q. Understood.

08:27:33 24 When -- when you say -- you mentioned earlier
08:27:38 25 that there could be a soft match where there will be

08:27:41 1 multiple options versus a hard match; is that correct?

08:27:44 2 A. Depending on the number of records that MVD was
08:27:48 3 able to find a match, it will present one, two -- three
08:27:53 4 matches. And they'll have a category of soft or hard
08:27:57 5 match.

08:27:58 6 Q. What is -- what is -- what does it mean when
08:28:01 7 there's a soft match?

08:28:02 8 A. A soft match means that only some of the
08:28:05 9 information matched, not all of it. If all the information
08:28:08 10 matched, then it would be a hard match.

08:28:11 11 Q. And the information is -- when you say
08:28:17 12 "information," is that the information that the county
08:28:20 13 recorder has entered into AVID as part of the voter
08:28:24 14 registration application record?

08:28:25 15 A. Yes.

08:28:26 16 Q. And what other information is it checking against
08:28:33 17 with the MVD record?

08:28:34 18 A. It's using the information that was entered by the
08:28:37 19 county user based on the information on the paper form,
08:28:41 20 sending that information over through the API to MVD to
08:28:44 21 produce a match. And then that match can be either soft or
08:28:48 22 hard match.

08:28:50 23 Q. And so a hard match, you said all the fields match
08:28:55 24 up. And would there be multiple hard matches?

08:29:01 25 A. No. There should only be one MVD record that has

08:29:04 1 a hard match.

08:29:05 2 Q. Okay. And can you -- you mentioned multiple

08:29:10 3 fields for discussing authorized presence. What fields are

08:29:14 4 those?

08:29:16 5 A. It's not fields. It's data.

08:29:22 6 Q. Okay. What data?

08:29:24 7 A. Like, what type of authorized presence value we

08:29:27 8 can receive back?

08:29:28 9 Q. Uh-huh. That's correct.

08:29:29 10 A. I would have to refer to a spreadsheet if you

08:29:32 11 allow me to.

08:29:33 12 Q. Please. Please.

08:29:35 13 And can you just tell me what you're

08:29:36 14 referring to when you do that?

08:29:37 15 A. Yeah. You might have it as part of an exhibit.

08:29:40 16 Q. Okay.

08:29:42 17 A. It's a spreadsheet, and it's called "Authorized

08:29:45 18 Presence Values." And then we get -- sorry. MVD assigns a

08:29:52 19 code -- a type ID, they call it -- from 1 through 6.

08:29:57 20 Authorized presence ID 1 stands -- represents

08:29:59 21 a naturalized citizen; 2 represents a resident permanent

08:30:06 22 alien; 3, a temporary visa; 4 represents a U.S. citizen; 5,

08:30:13 23 Canadian; and 6 is U.S. territory or possessions [verbatim]

08:30:19 24 that don't grant citizenship.

08:30:21 25 Q. Okay. And then other than those values for

08:30:26 1 authorized presence, is there any other information from
08:30:29 2 MVD transferred or provided to the county recorder?

08:30:33 3 A. It would -- besides that, it will transfer the
08:30:37 4 name that it found in the system. So everything that hard
08:30:40 5 matched against the voter record would also come with the
08:30:45 6 authorized presence value information.

08:30:47 7 Q. Okay. And what -- what could possibly be provided
08:30:55 8 in addition to the name? What other information would be
08:30:58 9 provided?

08:30:59 10 A. The driver's license and the authorized presence
08:31:01 11 value --

08:31:02 12 Q. Anything else?

08:31:03 13 A. -- and a name.

08:31:05 14 That's all I can -- I can remember right now.
08:31:07 15 It's not a function that I do. It's a county function.
08:31:09 16 But I -- I've had visibility to what it looks like, but
08:31:13 17 it's not something that I do. It's not a function that I
08:31:16 18 carry on to a day-to-day basis so . . .

08:31:18 19 Q. Okay. And you mentioned that that information
08:31:21 20 gets put in what is called a validation tab; is that right?

08:31:24 21 A. Uh-huh. Yeah, that's my recollection.

08:31:26 22 Q. Is that the full record that is obtained from MVD,
08:31:31 23 or is it just -- what is -- what is contained in that
08:31:34 24 validation tab?

08:31:35 25 A. The name that it matched to, the driver's license,

08:31:39 1 and the authorized presence value. It also confirms the
08:31:42 2 day that the match -- that that call was made.

08:31:45 3 Q. Okay. What about any underlying immigration
08:31:50 4 documents?

08:31:50 5 A. No, no.

08:31:52 6 Q. All right. And other than that API interface data
08:32:06 7 during the HAVA checks, can county recorders obtain
08:32:11 8 authorized presence -- authorized presence information from
08:32:15 9 ADOT through any other mechanism?

08:32:18 10 A. No.

08:32:20 11 MR. MORGAN: Foundation.

08:32:21 12 THE WITNESS: Only through the HAVA check.

08:32:25 13 The counties can only do it through the HAVA check.

08:32:29 14 BY MS. SHAH:

08:32:30 15 Q. Okay. So can you tell me, in order for a voter
08:32:50 16 registration application to be considered complete, what
08:32:53 17 information must currently be provided before 2492 was
08:32:58 18 enacted?

08:33:00 19 A. Okay. So it's not a function that I do on a daily
08:33:04 20 basis, so it's -- it's something that is better asked of a
08:33:11 21 county user.

08:33:13 22 But I know that without a doubt, at a
08:33:15 23 minimum, they're going to need the name. They're going to
08:33:18 24 need a date of birth, their address. They must have
08:33:25 25 answered the yes-or-no questions in the bottom of the form

08:33:33 1 attesting to the truthfulness of the document being

08:33:36 2 presented and if they're a citizen or not.

08:33:40 3 Q. Okay. So if you wouldn't mind going to what is in
08:33:53 4 your document -- if you go and you'll see a folder that
08:33:55 5 says, "SOS docs."

08:34:05 6 A. Okay. It's, like, a folder at the bottom. Okay.

08:34:06 7 Q. And then if you open that folder, you should see
08:34:08 8 an exhibit that says -- that says, "06 Petty Exhibit."

08:34:13 9 A. Okay.

08:34:14 10 Q. If you can open that.

08:34:17 11 MR. MORGAN: Niyati, is that Petty 6?

08:34:20 12 MS. SHAH: That's correct. That is correct.

08:34:24 13 MR. MORGAN: I'm just following along with
08:34:27 14 Coash's exhibits, so thank you.

08:34:27 15 MS. SHAH: Exactly.

08:34:28 16 BY MS. SHAH:

08:34:28 17 Q. So now that you have it open, what has been
08:34:31 18 previously marked as Petty Exhibit 6 -- if you see -- at
08:34:33 19 the bottom there are some demarcations which say page or it
08:34:42 20 has, like, MC 0001 at the front. So if you could maybe go
08:34:47 21 down to MC 31 of that.

08:34:47 22 A. Sure. Scrolling.

08:34:59 23 Q. And it's page 17, if that's easier.

08:35:07 24 A. On the MC, you want me to go to 36; right?

08:35:10 25 Q. 31.

08:35:11 1 A. Oh, 31. Okay. 31. Okay. So it's page 31 of the
08:35:15 2 PDF, and it says page 17 in the bottom of the document.

08:35:19 3 Q. Exactly.

08:35:19 4 A. Okay.

08:35:20 5 Q. And do you see where it says, "Minimum Required
08:35:23 6 Information on Voter Registration Forms"?

08:35:25 7 A. Yes.

08:35:26 8 Q. And I'm going to paraphrase what it says there,
08:35:29 9 but it says that, you know, "must contain the following
08:35:32 10 minimum information" of name, residence, date of birth,
08:35:36 11 signature, and citizenship affirmation.

08:35:40 12 A. Yes.

08:35:40 13 Q. Okay. And if -- if that information is provided
08:35:47 14 with nothing else on a voter registration application, do
08:35:50 15 you know how that would be coded as a status in AVID?

08:35:55 16 A. It would be an active status if they provide all
08:36:00 17 the minimum requirements.

08:36:01 18 Q. Okay. And they would -- so in that situation --
08:36:07 19 and what would be the status reason?

08:36:10 20 A. Valid registration.

08:36:12 21 Q. And then how about after HB 2492 is implemented
08:36:22 22 and they're using a state form, what would be the status
08:36:26 23 code in AVID in that situation?

08:36:30 24 MR. WHITAKER: Foundation. I think
08:36:32 25 speculation also.

08:36:34 1 THE WITNESS: I would have to refer to that
08:36:36 2 legislation. It's not something that I have committed to
08:36:39 3 memory.

08:36:41 4 BY MS. SHAH:

08:36:42 5 Q. Okay. Can we go to what is marked as -- in that
08:36:50 6 same folder, it's marked as Document AZSOS 035421?

08:36:59 7 A. Okay.

08:37:03 8 Q. Let me know when you have opened it.

08:37:05 9 MS. SHAH: And can we mark that, I believe,
08:37:08 10 as Exhibit 276.

08:37:08 11 (The document was marked as Exhibit 276
08:37:11 12 for identification.)

08:37:11 13 THE WITNESS: It's titled "2492 notes for
08:37:14 14 VRAC call"?

08:37:17 15 BY MS. SHAH:

08:37:18 16 Q. Yes.

08:37:18 17 A. Okay.

08:37:21 18 Q. Okay. And then would you go to what is -- what
08:37:23 19 would be -- what I'm going to call page AZSOS 42 -- 035422.

08:37:34 20 A. Okay.

08:37:34 21 Q. And then you will see at the bottom it says
08:37:40 22 16-121.01(A) "outlines requirements for what must be on VR
08:37:48 23 form to consider it complete."

08:37:51 24 Do you see that?

08:37:52 25 A. At the very, very bottom? 16-121?

08:37:56 1 Q. Yes.

08:37:56 2 A. Okay.

08:37:57 3 Q. And then if you go -- yeah. Then if you go to the
08:38:00 4 next page, it says -- then there's a paragraph A. And then
08:38:06 5 below it says "what is required to determine a VR form is
08:38:11 6 complete."

08:38:12 7 Do you see that?

08:38:13 8 A. Uh-huh.

08:38:14 9 Q. So do you -- can you -- would you agree based on
08:38:20 10 this that you need for a state form to be considered
08:38:24 11 complete a DPOC?

08:38:28 12 MR. WHITAKER: Foundation.

08:38:31 13 THE WITNESS: It says that for state forms
08:38:33 14 only.

08:38:33 15 BY MS. SHAH:

08:38:34 16 Q. Correct?

08:38:34 17 A. DPOC is needed, yes.

08:38:36 18 Q. So in this circumstance, what would be -- if a
08:38:42 19 voter registration form, straight form, was provided after
08:38:47 20 2492 is implemented, what would be the code in status code
08:38:52 21 in AVID without a DPOC?

08:38:56 22 MR. WHITAKER: Foundation.

08:38:57 23 THE WITNESS: Well, I don't have any
08:38:59 24 discussions to refer to to see what has been agreed to by
08:39:02 25 the counties. But I imagine more than likely it's not

08:39:10 1 going to be active valid registration in that case. I'm
08:39:15 2 just not sure what other status they would designate it at
08:39:18 3 this time.

08:39:19 4 BY MS. SHAH:

08:39:20 5 Q. And so your testimony sitting here today is that
08:39:23 6 that status code has not been decided?

08:39:26 7 A. Not that I'm aware of.

08:39:28 8 Q. And to use that same set of examples of -- in a
08:39:35 9 federal form, would there be any changes in status code if
08:39:39 10 no DPOC was provided?

08:39:42 11 MR. WHITAKER: Foundation.

08:39:44 12 THE WITNESS: I -- I don't have that
08:39:45 13 committed to memory. I'm sorry.

08:39:47 14 BY MS. SHAH:

08:39:57 15 Q. And so going back to that document below. And do
08:40:00 16 you see where it says "What" status code -- "status
08:40:05 17 reason/code to use in AVID if we receive an incomplete
08:40:08 18 form"?

08:40:09 19 A. Uh-huh.

08:40:10 20 Q. Right?

08:40:13 21 Has that -- and you see it says, "including
08:40:16 22 failing to provide DPOC with state form"?

08:40:19 23 A. Let me zoom in a little bit. The font is very
08:40:25 24 small.

08:40:25 25 Q. Sure. Take your time.

08:40:27 1 A. Okay. So now we are right below where it says,
08:40:29 2 "what status/reason code to use in AVID if we receive an
08:40:30 3 incomplete form"?

08:40:31 4 Q. Yes.

08:40:32 5 A. Is that where we're reading?

08:40:34 6 Q. Yes.

08:40:34 7 "Including failing to provide DPOC with state
08:40:37 8 form." It says, "Suspense, registrant waiting
08:40:43 9 verification; then follow the," quote, "not
08:40:47 10 registered/pending expired' procedure."

08:40:50 11 Did I read that correctly?

08:40:51 12 A. Yes.

08:40:52 13 Q. Has -- has that been implemented yet?

08:40:58 14 A. No.

08:40:59 15 Q. Okay.

08:41:00 16 MR. WHITAKER: Foundation.

08:41:01 17 BY MS. SHAH:

08:41:03 18 Q. When will it be implemented?

08:41:06 19 A. I guess it would depend on the outcome of
08:41:09 20 litigation.

08:41:11 21 Q. Anything else?

08:41:12 22 MR. WHITAKER: Same.

08:41:13 23 THE WITNESS: Nothing else that I'm aware of.

08:41:15 24 BY MS. SHAH:

08:41:23 25 Q. So then can we go back to what had been previously

08:41:26 1 marked as Petty Exhibit 6. And then we want to go to
08:41:31 2 page 37 of that.

08:41:43 3 A. Scrolling.

08:41:44 4 Q. And by -- I mean, 37 in the document. It would be
08:41:50 5 page 23 in -- as it's written, but it would be 37 of the
08:41:55 6 document, MC 0037.

08:41:57 7 A. Okay.

08:41:59 8 Q. And?

08:42:01 9 A. I'm not there yet. One second.

08:42:03 10 Q. Sure. When you're ready, you let me know.

08:42:05 11 MR. MORGAN: Sorry, Niyati. What page on
08:42:08 12 the -- of the PDF? Because it's loading.

08:42:11 13 MS. SHAH: Yeah. So in the electronic PDF,
08:42:14 14 it would be page 37. Of the document itself, it will be, I
08:42:19 15 believe, page 23.

08:42:22 16 MR. MORGAN: All right. Thank you.

08:42:24 17 THE WITNESS: Okay. I'm there now.

08:42:25 18 BY MS. SHAH:

08:42:25 19 Q. All right. And do you see at the top it says,
08:42:28 20 "Electronic Verification Procedures"?

08:42:32 21 A. Hang on. It froze and it went black.

08:42:35 22 Q. Totally okay. You let me know when you're ready.

08:42:38 23 A. Oh, and then it jumped somewhere else. Hang on.
08:42:47 24 I had it perfect a second ago. Okay.

08:42:49 25 MC 37. And then at the top -- it keeps

08:42:58 1 jumping. "Electronic Verification Procedures," letter G.

08:43:03 2 Okay. I'm there.

08:43:05 3 Q. All right. So is that what we discussed earlier
08:43:11 4 and you called HAVA checks?

08:43:16 5 A. Let's see. Yes, that is the HAVA check.

08:43:29 6 Q. Okay. Great.

08:43:31 7 Now if I could direct your attention back
08:43:34 8 into that folder to what is called AZSOS-182040.

08:43:48 9 A. Okay. And looks like a screenshot of the system.

08:43:53 10 Q. Okay. So great. Let's --

08:43:56 11 MS. SHAH: And can we mark that as
08:43:58 12 Exhibit 277, I believe.

08:43:58 13 (The document was marked as Exhibit 277
08:44:03 14 for identification.)

08:44:03 15 BY MS. SHAH:

08:44:04 16 Q. And at the top, you will see that it says, "Add
08:44:08 17 Registrant." And that's what you were referring to earlier
08:44:10 18 when you said that's where CR, county recorder, would start
08:44:13 19 when they got a paper voter registration application?

08:44:16 20 A. Yes. That's the screen where they would input
08:44:19 21 everything.

08:44:19 22 Q. Great.

08:44:22 23 What information from -- would a county
08:44:27 24 recorder need to ascertain whether there is a duplicate
08:44:32 25 existing record in AVID?

08:44:35 1 A. They would need to pay attention to the screens
08:44:38 2 that are being presented by the system. If it does find --
08:44:43 3 sorry.

08:44:44 4 If it finds a match to an existing record,
08:44:47 5 they're going to receive a pop-up like the one on the
08:44:50 6 screen letting them know that there's been a hard match
08:44:53 7 and that the system is not going to create a new record.
08:44:55 8 It's going to merge the information into that record.

08:45:00 9 Q. But in order for the system to -- to have that
08:45:05 10 response of a duplicate record, what fields must a county
08:45:09 11 recorder fill in before the system can generate this
08:45:12 12 report?

08:45:15 13 A. As much information as was available on the paper
08:45:18 14 form.

08:45:20 15 Q. Okay. But there's no minimum requirement of
08:45:24 16 information?

08:45:26 17 A. If it's not sufficient, it may not be able to
08:45:29 18 produce a match.

08:45:30 19 Q. Okay.

08:45:31 20 A. So then the system --

08:45:32 21 Q. Oh, no. Please finish. I didn't mean to
08:45:35 22 interrupt you.

08:45:35 23 A. No, I was going to say if -- if it -- if it has
08:45:38 24 enough information to find a hard match, it will let you
08:45:40 25 know that there's a hard match.

08:45:42 1 But if it wasn't sufficient information, then
08:45:44 2 it's potentially possible that a new record will be created
08:45:48 3 because there was not enough information to find an
08:45:50 4 existing match with a record in the system.

08:45:53 5 Q. Okay. Understood.

08:45:54 6 And will the duplicates be limited to the
08:46:00 7 records that exist within a county?

08:46:06 8 A. No.

08:46:07 9 Q. So it would be statewide?

08:46:09 10 A. Correct.

08:46:10 11 Q. And if there is a duplicate record or one that
08:46:15 12 matches, how is that application treated?

08:46:22 13 A. If a match is found?

08:46:23 14 Q. Yes.

08:46:25 15 A. It would override the information on the existing
08:46:28 16 record with the new information provided in the voter
08:46:32 17 registration form.

08:46:33 18 Q. And how would that override be reflected? Would
08:46:38 19 it be as, like, an updated record, or is there some sort of
08:46:42 20 demarcation in AVID that says that this record was --

08:46:46 21 A. Yeah.

08:46:46 22 Q. -- overridden? I'm not sure of the right
08:46:50 23 terminology.

08:46:51 24 A. Yeah, I don't blame you.

08:46:54 25 So every activity -- we call it activity

08:46:56 1 that's done in a record -- has history that assigns a date
08:47:03 2 of when it was done, who made the changes, what changes
08:47:07 3 were made. So that's all existing in the activity tab.

08:47:12 4 I think I mentioned earlier that there --
08:47:14 5 every record has different tabs. So this will go in the
08:47:17 6 activity tab. But also on the main tab, it would update
08:47:21 7 the effective day of the change to match the date of that
08:47:24 8 change.

08:47:25 9 And if, by chance, that person used to be in
08:47:28 10 one county and moved to another county, it would also
08:47:31 11 update the county registration date to reflect that date as
08:47:36 12 well.

08:47:39 13 Q. So would -- other than the date changes of the --
08:47:46 14 from one county to another, would there be any other -- and
08:47:52 15 the activity tab, would there be something that says this
08:47:54 16 is an updated registration or, like, a -- you know, county
08:48:00 17 -- moved from one county to the other outside of that? Is
08:48:03 18 there, like, a specific field, or is it just in the
08:48:05 19 activity tab?

08:48:07 20 A. It's -- yeah, there's no fields in AVID that say
08:48:09 21 this record has been updated. You have to look at the date
08:48:15 22 of registration, which is the very first date that person
08:48:17 23 ever registered to vote in the state.

08:48:20 24 There's another field called the county
08:48:22 25 registration date, which is the date that they became a

08:48:24 1 voter in that county.

08:48:26 2 And then thirdly, there's the date called the
08:48:28 3 effective date of change. And that is the date of the most
08:48:31 4 recent change on the record.

08:48:34 5 Q. And going back to Exhibit 277, which was that
08:48:39 6 screenshot. And you can see it's -- at the -- it's a
08:48:45 7 little faded, but you can see right at the top center, it
08:48:50 8 says "Run HAVA Checks" that we talked about earlier. But
08:48:54 9 do you see that where it says on the document "Run HAVA
08:48:58 10 Check"?

08:48:58 11 A. I want to make sure that we're still on the
08:49:01 12 AZSOS-182040.

08:49:04 13 Q. Yes. Exactly.

08:49:05 14 A. Okay.

08:49:06 15 Q. It is hard to see. But if you see at the very top
08:49:09 16 center, it says, "Add Registrant." Below, it says -- and
08:49:13 17 you see "Run HAVA Checks"? That's the third line.

08:49:16 18 A. I see that, yes.

08:49:17 19 Q. Okay. So does a county recorder affirmatively
08:49:23 20 select or click on that, or is that done automatically?

08:49:27 21 A. The county has to select "Run HAVA Checks" when
08:49:30 22 they're ready.

08:49:33 23 Q. Is there a particular time when they would be
08:49:35 24 ready?

08:49:37 25 A. Well, they need to complete entering all the

08:49:39 1 information on the paper form before they are ready.

08:49:44 2 Q. Okay. And that's when they would --

08:49:47 3 A. Yes.

08:49:48 4 Q. -- click on that?

08:49:49 5 A. That would be the ideal process, yeah.

08:49:51 6 Q. And is a HAVA check always conducted every time a
08:50:01 7 new record is added?

08:50:04 8 A. Yes. The system won't allow them to add the
08:50:08 9 record if the "Run HAVA Check" has not been selected.

08:50:11 10 Q. Okay. What about when we just talked about where
08:50:16 11 -- when a -- when there's an existing record that pops up.
08:50:21 12 Right? But there is a change from one county or some other
08:50:25 13 change. Right? Will they have to -- when there's a record
08:50:29 14 being updated, will they have to run a HAVA check at that
08:50:33 15 point as well?

08:50:33 16 A. Yes. Every time that you are making an update to
08:50:38 17 a record or adding a record for the first time, the system
08:50:43 18 requires the HAVA check to be ran as part of the process.

08:50:46 19 Q. Why does the system need to do that when there is
08:50:50 20 an update?

08:50:52 21 A. It's the way the system was built to run. It
08:50:56 22 doesn't treat an update and a new addition any differently.

08:51:02 23 Q. And so if -- okay.

08:51:06 24 And so when the county recorder selects "Run
08:51:13 25 HAVA Checks," what is the first thing that happens in the

08:51:16 1 system?

08:51:19 2 A. Well, the system is behind the scenes making that
08:51:21 3 call to MVD through the API and waiting to receive the
08:51:25 4 results.

08:51:26 5 Q. Okay. And so the county -- what will the county
08:51:33 6 recorder see?

08:51:36 7 A. When the information has been transmitted and
08:51:38 8 received back, they'll receive a pop-up similar to the one
08:51:41 9 that's on that screen.

08:51:43 10 Q. Okay.

08:51:43 11 A. And it would --

08:51:45 12 Q. Sorry. I didn't mean to cut you off.

08:51:48 13 A. No. Go ahead with your question.

08:51:49 14 Q. No. You said they would get a pop-up, and then
08:51:53 15 they would what?

08:51:53 16 A. Then that's when MVD would tell them what the
08:51:57 17 authorized presence value is for the match.

08:52:03 18 Q. Would they see anything else?

08:52:12 19 A. With the match?

08:52:13 20 Q. With the pop-up, like, other than the authorized
08:52:16 21 presence, is there any other information --

08:52:17 22 A. It will show them the name so that they can be
08:52:20 23 aware that this presence -- authorized presence value is
08:52:23 24 for this name so they can compare it to the record and the
08:52:27 25 driver's license number.

08:52:28 1 Q. If -- and that is in the case of a hard match; am
08:52:35 2 I correct?

08:52:36 3 A. Yes.

08:52:36 4 Q. What would it --

08:52:37 5 A. It's the same. It's the same with a soft match.
08:52:40 6 Because if we back up for a minute, every time they do a
08:52:43 7 "Run HAVA Checks," there's always a possibility that what
08:52:47 8 they get in return from MVD is one match or multiple
08:52:51 9 matches. And like I had mentioned before, some of them can
08:52:55 10 be a soft or it could be a hard match.

08:52:57 11 So at that point, the county user needs to
08:52:59 12 make a selection based on what's been presented to them.
08:53:03 13 Then when that selection is made, then they get a pop-up
08:53:07 14 similar to the one that's on the screen that then presents
08:53:10 15 to them the authorized presence value along with the name
08:53:13 16 and the driver's license.

08:53:14 17 Q. Okay. And where they have soft matches where
08:53:20 18 there's multiple matches, what criteria would a county
08:53:26 19 recorder use to make a choice between the soft matches?

08:53:30 20 MR. MORGAN: Foundation.

08:53:31 21 THE WITNESS: It's a -- it's a county
08:53:32 22 function, so I -- I don't do that function. I would have
08:53:37 23 to refer to the EPM, if it's there, to be able to answer
08:53:41 24 the question.

08:53:43 25 BY MS. SHAH:

08:53:56 1 Q. And is it possible for there to be a hard match
08:54:02 2 but the corresponding information from the MVD record does
08:54:07 3 not match the information provided on the voter
08:54:10 4 registration application?

08:54:14 5 A. These are computer systems, so everything is
08:54:16 6 possible. So the county user has to be very attentive to
08:54:21 7 the information being received.

08:54:22 8 And if there's a mismatch, they -- they are
08:54:25 9 instructed to open a ticket and submit a ticket for us to
08:54:30 10 evaluate the situation.

08:54:33 11 MR. MORGAN: Just noting for the -- noting
08:54:35 12 for the record, by the way, it's 00 it's 8:55, and I know
08:54:37 13 Mr. Langhofer has a 9:00 for a break. So just want to let
08:54:41 14 you know. So if I were you, I would be monitoring the
08:54:44 15 time.

08:54:47 16 MS. SHAH: Okay. We'll assume that Kory will
08:54:49 17 speak up as he needs to.

08:54:53 18 MR. LANGHOFER: I'll drop just, you know,
08:54:56 19 four or five minutes from now. We'll all suspend, not just
08:55:01 20 me drop out.

08:55:03 21 MS. SHAH: Let us know, Kory.

08:55:05 22 BY MS. SHAH:

08:55:06 23 Q. So it is possible for there to be a match with an
08:55:10 24 Arizona driver's license or ID number, but there may not be
08:55:16 25 a match with a name potentially?

08:55:19 1 A. I mean, that's not expected. I mean, the system
08:55:22 2 is matching apple to apples and it should only be returning
08:55:26 3 apples back, to put it in layman's terms.

08:55:28 4 Q. So you said in those circumstances a county
08:55:31 5 recorder is instructed to create a ticket?

08:55:33 6 A. Yeah. That would be the first initial reaction,
08:55:37 7 I'm sure, to let us know that something is not providing
08:55:42 8 the expected results or is providing a mismatch if it were
08:55:46 9 to happen.

08:55:47 10 Q. And what would be the status of that voter
08:55:51 11 registration in that circumstance?

08:55:53 12 A. If they were not able to receive any proper
08:55:57 13 information with MVD, more than likely they would have to
08:56:00 14 put them in suspense, I would imagine, until the -- until
08:56:04 15 it's resolved.

08:56:05 16 Q. So until the -- the lack of matched information is
08:56:12 17 resolved, they would be in suspense?

08:56:13 18 A. So let me think about this. So MVD is used to
08:56:17 19 acquire DPOC. So if for some reason MVD failed to produce
08:56:23 20 the proper match, the system also will move into getting
08:56:31 21 verification from the SSA.

08:56:34 22 But in this case, it's not going to move
08:56:36 23 forward because the system thinks they found a match. So
08:56:38 24 this is like a very tricky question that I would rather --
08:56:43 25 in order for me to answer the question, I would have to run

08:56:45 1 through a real scenario to see the system behavior to
08:56:49 2 evaluate what the county may do in that case. It's a very
08:56:53 3 tricky situation.

08:56:56 4 Q. So if -- if there was a match provided and -- but
08:57:07 5 the county recorder sees some discrepancies in that match,
08:57:12 6 the system -- what would be the status of that record?

08:57:20 7 A. I'm -- well, at that point, DPOC is not proven
08:57:29 8 unless they also provided DPOC outside of relying on the
08:57:32 9 system. So it's a hypothetical that it's very hard to
08:57:35 10 answer without an actual case for us to evaluate in this
08:57:39 11 scenario.

08:57:40 12 Q. I understand that.

08:57:42 13 I'm just trying to get to -- but if it was a
08:57:49 14 -- we discussed earlier what a complete registration would
08:57:54 15 be. And I understand that the DPOC hasn't been provided.
08:57:58 16 But other than that, would they be considered an active
08:58:02 17 voter? Would that be a status at that point?

08:58:05 18 A. Yeah, it -- it should because if the voter --
08:58:08 19 other than the DPOC not being able to be validated
08:58:11 20 accurately at that moment, if they did provide their full
08:58:14 21 name, date of birth, address, signed everything, provided a
08:58:18 22 signature, they should be able to bring that record into an
08:58:22 23 active valid registration.

08:58:24 24 But in that case, more than likely they will
08:58:26 25 need to be -- at least for the moment, for the time being,

08:58:30 1 be considered a federal-only voter.

08:58:34 2 Q. And would that -- would that record be considered
08:58:39 3 as having been provided -- like, that the record has shown
08:58:44 4 and verified their identity as well?

08:58:49 5 MR. WHITAKER: Foundation.

08:58:50 6 THE WITNESS: That's a tricky part because
08:58:52 7 the system only makes a call to SSA if there is no match
08:58:56 8 whatsoever in MVD.

08:58:57 9 So in the scenario that you presented, in the
08:59:00 10 hypothetical that you presented, you asked if there could
08:59:05 11 be a chance that MVD provides a match that doesn't match
08:59:08 12 the record. And so in that case, it's a unique situation
08:59:15 13 where they more than likely might have to be a fed-only
08:59:18 14 voter -- what we call a fed voter and not a fed-I. Fed-I
08:59:22 15 is when there's no DPOC, but we're able to confirm their
08:59:27 16 personhood, their identity, by way of SSA.

08:59:29 17 Q. Okay.

08:59:31 18 MR. LANGHOFER: Apologies for interrupting.
08:59:33 19 I think I need to break for this other call.

08:59:38 20 MR. MORGAN: We'll be back -- what, Kory --
08:59:39 21 9:45?

08:59:41 22 MR. LANGHOFER: That would be great.

08:59:43 23 MS. SHAH: We're going off the record.

08:59:44 24 MR. MORGAN: Yes, please.

08:59:46 25 THE VIDEOGRAPHER: We're off the record.

08:59:52 1 Time on the video monitor is 8:59 a.m.

09:00:18 2 (A recess ensued.)

09:47:03 3 THE VIDEOGRAPHER: We are on the record.

09:47:56 4 Time on the video monitor is 9:47 a.m.

09:48:00 5 BY MS. SHAH:

09:48:02 6 Q. Okay. Ms. Morales, let's pick up where we left.

09:48:05 7 And I want to put this -- just want to get a few more

09:48:09 8 details about the soft and hard matches, and then we can

09:48:12 9 move on.

09:48:12 10 With the soft match, the fields that have
09:48:16 11 been entered in AVID by a county recorder, do they have to
09:48:18 12 match exactly with the corresponding information with MVD?

09:48:29 13 A. In order to get a hard match, everything needs to
09:48:33 14 match.

09:48:34 15 Q. Understood.

09:48:34 16 A. For a soft match, not everything.

09:48:37 17 Q. Okay. So -- and by that, I want to just drill
09:48:39 18 down on this.

09:48:40 19 So if my first name is spelled N-i-y-a-t-i,
09:48:44 20 my last name is spelled S-h-a-h, if there is an exact match
09:48:48 21 with my last name field but my first name is trans- --
09:48:54 22 like, one or two letters are transposed, would that yield a
09:48:58 23 soft match?

09:49:00 24 A. I would have to rely on the technical specs of the
09:49:05 25 match and how it works because in some cases it's just the

09:49:07 1 first three letters of the first name and last name. And
09:49:11 2 it's not my area of expertise to drill it down to that
09:49:14 3 level.

09:49:16 4 Q. So --

09:49:18 5 A. So what I'm trying to say is I'm not sure, without
09:49:21 6 looking further into the technical specs, of how that
09:49:24 7 interface works for me to confirm if it's just looking at
09:49:29 8 the first three letters of the first name and last name in
09:49:32 9 order to produce matches of any kind.

09:49:33 10 Q. All right. Thank you. We may follow up with that
09:49:37 11 afterwards.

09:49:39 12 And then do you know if there is what they're
09:49:43 13 calling a flattening of names when there is a comparison of
09:49:48 14 fields or data between AVID and MVD?

09:49:52 15 MR. MORGAN: Form.

09:49:54 16 THE WITNESS: A flat name of names? Is that
09:49:57 17 the question?

09:49:57 18 BY MS. SHAH:

09:49:57 19 Q. Flattening.

09:49:58 20 So if there's, like, an apostrophe or
09:50:00 21 anything like that, that's removed when AVID and MVD --

09:50:04 22 A. I see.

09:50:05 23 Q. -- engage --

09:50:07 24 A. Sorry. Didn't mean to speak over you.

09:50:10 25 I would have to look at the technical specs

09:50:11 1 to be able to confirm that. It's just not something that I
09:50:13 2 do as a policy manager.

09:50:15 3 Q. Understood.

09:50:16 4 And then when you do get soft matches, do
09:50:21 5 county recorders get any sort of reliability score by any
09:50:24 6 chance?

09:50:26 7 MR. MORGAN: Foundation.

09:50:28 8 THE WITNESS: I don't know. I would have to
09:50:32 9 see an example to see what's presented to them. But I have
09:50:35 10 never heard of a reliability score.

09:50:38 11 BY MS. SHAH:

09:50:38 12 Q. Who would know if not you?

09:50:41 13 A. We would have to go into the technical aspects of
09:50:44 14 the system, so perhaps Russell Smith.

09:50:48 15 Q. Okay. And then am I correct that when there's a
09:50:55 16 hard match, you would only get one match from MVD?

09:50:59 17 A. If it's a hard match?

09:51:01 18 Q. Yes.

09:51:01 19 A. I mean, yeah, it should only be one hard match
09:51:05 20 unless for some reason MVD has two records for the same
09:51:09 21 person.

09:51:11 22 Q. Well, I just want to clarify. The match is being
09:51:14 23 done by what has been entered into AVID by a county
09:51:18 24 recorder; correct?

09:51:18 25 A. Uh-huh.

09:51:18 1 Q. And so if -- if there's limited information, can
09:51:23 2 there be two hard matches based on that information that's
09:51:26 3 entered by the county recorder into AVID?

09:51:32 4 MR. WHITAKER: Form.

09:51:33 5 THE WITNESS: I cannot say that there's not a
09:51:35 6 possibility that MVD may have two separate records with the
09:51:39 7 same name, but that would be a huge exception. Is it
09:51:44 8 possible? I can't tell you with certainty if it could be
09:51:46 9 or not.

09:51:47 10 BY MS. SHAH:

09:51:48 11 Q. And you can get a hard match without putting in a
09:51:52 12 driver's license or ID number into AVID?

09:51:57 13 A. I would have to look at the hard match criteria to
09:52:00 14 tell with certainty.

09:52:02 15 Q. Okay. What about if there is just the last four
09:52:07 16 digits of the Social Security number but not the driver's
09:52:11 17 license? Could you get a match from MVD based on that
09:52:16 18 information?

09:52:19 19 A. Again, I would have to rely on the hard match
09:52:21 20 criteria. I don't know if there's an exhibit that we can
09:52:23 21 go look to --

09:52:25 22 Q. Could you get --

09:52:26 23 A. -- to refer to it but . . .

09:52:29 24 Q. Sorry. Also didn't mean to cut you off. My
09:52:31 25 apologies.

09:52:32 1 Could you get a soft match with just a Social
09:52:37 2 Security entry?

09:52:38 3 MR. MORGAN: Form. Foundation.

09:52:41 4 THE WITNESS: I would have to rely on looking
09:52:42 5 at the hard and soft match criterias to tell with
09:52:46 6 certainty.

09:52:46 7 BY MS. SHAH:

09:52:46 8 Q. Okay. And then you mentioned that when you're
09:52:50 9 doing a HAVA check, the -- would you -- would a county
09:52:55 10 recorder be able to access a Social Security -- the Social
09:53:01 11 Security database if there was a match with MVD?

09:53:06 12 MR. MORGAN: Foundation.

09:53:10 13 THE WITNESS: So this is primarily a county
09:53:14 14 function. I know some aspects of how the system is
09:53:19 15 programmed to work. And to the best of my -- to my best
09:53:23 16 understanding -- and again, I'm a policy manager, not a
09:53:25 17 technical manager.

09:53:26 18 My understanding is that when there is a
09:53:29 19 match with MVD and MVD can confirm a match that includes
09:53:34 20 the Social Security number, there's no additional call to
09:53:38 21 the SSA for further verification of that person's identity.

09:53:42 22 BY MS. SHAH:

09:53:42 23 Q. And do you know if the Social Security database
09:53:46 24 provides information on an individual's citizenship?

09:53:50 25 A. No. Absolutely not. This is strictly to confirm

09:53:54 1 identity.

09:53:55 2 Q. Okay. Then we talked about the -- you know, when

09:54:01 3 the record is updated -- when a registration record is

09:54:04 4 updated and a HAVA check is run, if there was a -- with

09:54:10 5 that record, there was -- if you actually go back to tab --

09:54:14 6 sorry. If we go back to AZSOS-182040.

09:54:25 7 A. I'm there.

09:54:26 8 Q. Yep.

09:54:27 9 And -- and at the bottom, do you see there is

09:54:31 10 a -- a field called "Citizenship Verified"?

09:54:38 11 A. Uh-huh. I see it.

09:54:40 12 Q. When is that field used?

09:54:46 13 A. So when the "Run HAVA Checks" button is selected

09:54:52 14 and the call is made to MVD, depending on the authorized

09:54:56 15 presence value confirmation that is received back from MVD,

09:55:01 16 if it was confirmed that the authorized presence value was

09:55:03 17 a 1 or a 4, then that checkbox would be automatically

09:55:08 18 marked as "yes." If it's not one of those, then it would

09:55:12 19 default to "no." But --

09:55:13 20 Q. What if -- I didn't realize you were not done.

09:55:17 21 Please continue.

09:55:18 22 A. What I was going to point out on this screen, that

09:55:22 23 pop-up that you have in front of you, it's not an MVD

09:55:27 24 pop-up. It's a hard match. It's a duplicate match pop-up,

09:55:31 25 so it's -- this comes after the other one, I'm pretty sure.

09:55:35 1 Q. That I understand. I was just -- just talking
09:55:38 2 about the field generally, not in this specific record.

09:55:40 3 A. Okay.

09:55:41 4 Q. But can this field be selected if there is a
09:55:50 5 documentary proof of citizenship provided with the voter
09:55:55 6 registration application?

09:55:55 7 A. Yes. So if for some reason there was no match
09:55:59 8 with MVD, and it's going to then in that case default to
09:56:02 9 "no" because there was no match, the county still has the
09:56:07 10 overriding factor of that because they could have DPOC that
09:56:11 11 was provided with the voter registration form in terms of a
09:56:17 12 birth certificate or passport, et cetera.

09:56:19 13 So they still have the ability to change it
09:56:21 14 based on what was presented by the applicant.

09:56:24 15 Q. Understood.

09:56:25 16 So when the county recorder does that
09:56:29 17 overriding, would -- what -- do they have to do anything
09:56:34 18 else to do that overriding, like, any other steps that they
09:56:41 19 have to follow or they just click it to "yes"?

09:56:43 20 A. Yeah. I mean, they have the proof in front of
09:56:45 21 them. So they're going to proceed based on the information
09:56:49 22 that was provided.

09:56:50 23 Q. Do they have to document that proof in any way
09:56:53 24 into AVID, like scan the document in or anything like that?

09:56:59 25 A. I don't know what their procedures are. It's a

09:57:02 1 county function.

09:57:04 2 Q. But there's no requirement that AVID will --
09:57:08 3 they'll just let them override it without any additional
09:57:13 4 steps?

09:57:13 5 A. AVID doesn't have any built-in expectations for
09:57:16 6 them to do anything further.

09:57:18 7 Q. Okay. Understood.

09:57:20 8 Then when there's an update to a record where
09:57:23 9 that "Citizenship Verified" field is marked "yes" and that
09:57:30 10 update runs an MVD -- or sorry -- a HAVA check and the MVD
09:57:37 11 match results in a, you know, foreign authorized presence
09:57:42 12 value, will that "Citizenship Verified" field get
09:57:51 13 overridden by the HAVA check at that point?

09:57:55 14 A. I did not follow --

09:57:56 15 Q. Okay.

09:57:57 16 A. -- what you just said. Sorry.

09:57:59 17 MR. MORGAN: Form.

09:57:59 18 BY MS. SHAH:

09:58:00 19 Q. Okay. I -- I -- if you have a existing record
09:58:05 20 that is being updated where the "Citizenship Verified" has
09:58:09 21 been marked as "yes" and then when that record is being
09:58:14 22 updated and a HAVA check is run and matched to a MVD record
09:58:22 23 showing a foreign authorized presence, will the
09:58:28 24 "Citizenship Verified" checkbox automatically turn to "no"
09:58:33 25 in that situation under the update?

09:58:40 1 A. I would have to rely on looking at this -- what we
09:58:43 2 call the specs of how the system is programmed to behave.
09:58:47 3 Going by memory right now, I'm pretty sure
09:58:49 4 that the outcome is it defaults to "no," but the county
09:58:54 5 knows to look at the record further to see if it had been
09:58:58 6 "Citizenship Verified" yes, if they made a note on the
09:59:02 7 record that it already been previously verified so that
09:59:05 8 they can default to what it was before based on other
09:59:10 9 methods of DPOC they may have been provided by the
09:59:14 10 applicant in the past.

09:59:19 11 Q. So can we --

09:59:20 12 A. May I go off record for just one moment so I can
09:59:24 13 blow my nose?

09:59:25 14 Q. Of course. Please.

09:59:28 15 A. Okay. One moment.

09:59:45 16 Okay. Thank you for giving me that, Grace.

09:59:50 17 Q. Of course.

09:59:54 18 I just -- and would any other field get
09:59:59 19 changed automatically during that update?

10:00:03 20 A. During the MVD HAVA check update?

10:00:07 21 Q. Uh-huh.

10:00:12 22 A. If the -- if the return is that the voter is not a
10:00:17 23 naturalized citizen or citizen, my understanding is that
10:00:20 24 both the "Citizenship" box would say "no" and then the fed
10:00:25 25 flag will say "yes."

10:00:27 1 Q. Okay. But that is after the HAVA check overrode
10:00:35 2 the previous information --
10:00:36 3 A. Uh-huh.
10:00:37 4 Q. -- that was entered?
10:00:38 5 So where -- what you said -- and I'm
10:00:41 6 paraphrasing your prior testimony. So if I misrepresent,
10:00:44 7 correct me.
10:00:46 8 But if that has happened, the county recorder
10:00:48 9 is supposed to look and go back and change it. Where would
10:00:52 10 they look to see if the "Citizenship Verified" information
10:00:56 11 -- like what field would that have been recorded
10:00:59 12 previously?
10:01:00 13 A. Well, this is in the -- in the instance that
10:01:03 14 they're doing an update; right? We're still talking about
10:01:06 15 an update?
10:01:06 16 Q. Uh-huh.
10:01:07 17 A. Again, it's a county function. So they should be
10:01:10 18 paying attention to what the record looked like prior to
10:01:13 19 running the HAVA check so that they know what it was before
10:01:17 20 in order to move accordingly.
10:01:20 21 Q. But there's no other tab or field that would have
10:01:28 22 information for the county recorder to go back to after the
10:01:34 23 HAVA check is run?
10:01:37 24 A. Well, there's a tab called the activity tab. But
10:01:41 25 at that point, that activity tab hasn't been updated

10:01:44 1 because they're in the process of making an update.

10:01:50 2 Q. I'm not sure I understand.

10:01:51 3 A. So when they receive a form and if it's an update

10:01:55 4 and they're in the process of making that update, there's

10:01:59 5 nothing in that update that's going to be presented in the

10:02:03 6 activity tab until they're done with that update. It

10:02:06 7 doesn't become a history until the history is completed.

10:02:09 8 So what I'm saying is they should be paying

10:02:12 9 attention to what the current status was of the record

10:02:16 10 before they ran the HAVA check so that they are aware of

10:02:19 11 what it was before the HAVA check was run.

10:02:24 12 But again, I want to go on record and say

10:02:26 13 this is not a function that I do. So I'm --

10:02:31 14 Q. I understand.

10:02:32 15 A. That's the most I can -- I can bring to the

10:02:34 16 conversation.

10:02:35 17 Q. I absolutely understand. And I appreciate that.

10:02:39 18 I guess my question was a little different.

10:02:42 19 A. Okay.

10:02:42 20 Q. I appreciate they were supposed to keep track of

10:02:45 21 it before they did the HAVA check. But for whatever reason

10:02:51 22 they didn't or forgot; right? Because we're all doing

10:02:54 23 multitasking, for whatever reason. And the HAVA check

10:02:57 24 overrides the "Citizenship Verified" field. Would there be

10:03:06 25 any other place in that AVID record or tabs that they could

10:03:11 1 go back to see what the citizenship status was or the
10:03:16 2 immigration status was?
10:03:18 3 A. Well, they can back out and start over. Or they
10:03:22 4 can make the change, look at the activity, and revert it to
10:03:26 5 what it was before.

10:03:27 6 Q. Okay. Thank you. That's helpful.

10:03:30 7 So if -- if there's no match with MVD and --
10:03:50 8 but there is a match with SSA, what -- what would happen to
10:03:54 9 that AVID record at that point?

10:03:57 10 A. And this is a new record?

10:03:59 11 Q. Yes.

10:04:00 12 A. Okay. So --

10:04:02 13 Q. Thank you.

10:04:02 14 A. Yeah. So there was no DPOC acquired from MVD. So
10:04:06 15 the record would -- it will indicate citizenship "no." And
10:04:09 16 if there was a match with SSA, then that person -- we
10:04:14 17 were -- the county recorder was able to confirm the
10:04:16 18 identity, personhood.

10:04:17 19 So it would be in the category of fed-I,
10:04:21 20 meaning it's a federal voter with the identity provided or
10:04:25 21 confirmed as opposed to a fed voter that hasn't provided
10:04:33 22 DPOC nor there's any proof of identity.

10:04:35 23 Q. And is there any source -- well, actually let me
10:04:49 24 back up.

10:04:50 25 Under what circumstances would a county

10:04:53 1 recorder utilize the SAVE database?

10:04:56 2 MR. MORGAN: Foundation.

10:05:02 3 You can answer if you know. You're muted.

10:05:05 4 THE WITNESS: Sorry. I hit that by mistake.

10:05:07 5 So the SAVE system is not part of --

10:05:12 6 MR. MORGAN: You're muted again.

10:05:16 7 THE WITNESS: So the SAVE system is not part
10:05:18 8 of AVID. It's a separate platform -- web-based platform.

10:05:26 9 And it's used in cases where in the application the person
10:05:30 10 has provided an alien registration number or some
10:05:35 11 naturalization papers that they can run through -- through
10:05:39 12 SAVE.

10:05:41 13 BY MS. SHAH:

10:05:43 14 Q. So when you have a new registration and there is
10:05:48 15 an alien number or naturalization or citizenship document
10:05:53 16 presented, at what point in the process would the county
10:06:02 17 recorder run that through SAVE? Would it be during the
10:06:07 18 HAVA check process? Or how would that work?

10:06:10 19 A. I don't know what their steps and procedures are
10:06:14 20 in terms of that. It's a function that they -- they carry.
10:06:17 21 It might vary from county to county. I don't want to
10:06:20 22 speculate.

10:06:21 23 Q. And can you look at what is in the folder Document
10:06:30 24 AZSOS 3- -- 0330610.

10:06:40 25 A. 0330610?

10:06:42 1 Q. 0330610.

10:06:46 2 A. Okay. Email?

10:06:50 3 Q. Yes.

10:06:51 4 A. Okay.

10:06:52 5 MS. SHAH: And I -- can we mark that as an

10:06:54 6 exhibit. I believe we're at 278, Cindy.

10:06:59 7 THE COURT REPORTER: Correct.

10:06:59 8 (The document was marked as Exhibit 278

10:07:01 9 for identification.)

10:07:01 10 BY MS. SHAH:

10:07:02 11 Q. So looking at -- let me know when you've had a

10:07:08 12 chance to look at it.

10:07:13 13 A. Do you want me to read the entire thing or do

10:07:15 14 you --

10:07:15 15 Q. That's okay.

10:07:17 16 A. Okay.

10:07:18 17 MR. MORGAN: You can read the entire thing if

10:07:20 18 it will help you, Yolanda.

10:07:21 19 THE WITNESS: Okay. I guess it would depend

10:07:22 20 on the question.

10:07:24 21 BY MS. SHAH:

10:07:24 22 Q. Yeah. Okay. Why don't we go through it together.

10:07:26 23 A. Okay.

10:07:26 24 Q. Why don't we do that.

10:07:28 25 A. Sure.

10:07:28 1 Q. So is -- do you see the second full paragraph?

10:07:39 2 A. The one starting with "We appreciate your asking
10:07:42 3 yesterday"?

10:07:42 4 Q. Yes.

10:07:43 5 A. Okay.

10:07:44 6 Q. And which provides -- and then you say, "We
10:07:47 7 appreciate your asking yesterday about whether the existing
10:07:50 8 SAVE Memorandum of Agreement (MOA) (attached), which
10:07:54 9 provides for verification of citizenship information by
10:07:58 10 Arizona county recorders at point of registration, would
10:08:01 11 also permit your office to grant the Arizona Attorney
10:08:06 12 General's Office access to SAVE per HB 2492."

10:08:11 13 Did I read that correctly?

10:08:12 14 A. Yes.

10:08:12 15 Q. And then it says -- if you go to the next
10:08:17 16 paragraph, it's the second full sentence, I believe, which
10:08:26 17 says, "In addition, you indicated that the County Recorder
10:08:29 18 Offices may begin using SAVE, also under authority of a
10:08:33 19 recently enacted HB 2492, to verify citizenship information
10:08:38 20 of registered voters who previously registered to vote
10:08:41 21 using the Federal National Voter Registration Form but did
10:08:44 22 not provide documentary proof of citizenship at time of
10:08:47 23 registration. This is also not consistent with the
10:08:50 24 authority currently provided in the SAVE MOA which limits
10:08:53 25 the use of SAVE to verification of citizenship information

10:08:57 1 of registrants," quote, "'when they register to vote,'"
10:09:00 2 unquote.

10:09:02 3 Did I read that correctly?

10:09:02 4 A. Yes.

10:09:04 5 Q. So is it correct that SAVE can only be used
10:09:13 6 when -- when a county recorder is being -- entering a new
10:09:19 7 registration -- voter registration application into AVID?

10:09:21 8 MR. MORGAN: Foundation.

10:09:25 9 MR. LANGHOFER: Legal conclusion.

10:09:26 10 THE WITNESS: I'm not an expert of what the
10:09:27 11 agreement entails.

10:09:31 12 BY MS. SHAH:

10:09:32 13 Q. Based on this email --

10:09:33 14 A. I mean, taking it at face value --

10:09:37 15 MR. LANGHOFER: Same objection.

10:09:38 16 THE WITNESS: -- I would have no reason to
10:09:40 17 disagree.

10:09:41 18 BY MS. SHAH:

10:09:42 19 Q. Okay. And based on this email, would county
10:10:01 20 recorders be able to use SAVE to verify citizenship if they
10:10:09 21 have reason to believe that an individual does not -- like,
10:10:13 22 an already registered voter does not have a DPOC on file?

10:10:16 23 MR. MORGAN: Form.

10:10:20 24 MR. WHITAKER: Legal conclusion.

10:10:21 25 THE WITNESS: My understanding is that SAVE

10:10:23 1 is currently used when the voter provides those numbers
10:10:26 2 without the actual documentation to back it up in order to
10:10:31 3 confirm if the number being provided is valid and matches
10:10:36 4 the voter's record.

10:10:38 5 BY MS. SHAH:

10:10:40 6 Q. But if there was an AVID record of a registered
10:10:43 7 voter who does not have any DPOC information on file but
10:10:52 8 they're actively registered, can SAVE be used to verify
10:10:56 9 that at a later date?

10:10:59 10 A. SAVE requires a combination of the person's name
10:11:06 11 and, I think, the date of birth, along with that number.
10:11:08 12 So you can't run a search without a combination of
10:11:12 13 information being presented.

10:11:15 14 Q. But I'm asking more specifically in light of the
10:11:20 15 memorandum of agreement that the secretary of state has
10:11:23 16 entered into.

10:11:24 17 Can county recorders do that under this as
10:11:27 18 we've just discussed in this email?

10:11:30 19 MR. LANGHOFER: Legal conclusion.

10:11:31 20 MR. MORGAN: Foundation. She's already said
10:11:34 21 she's not familiar with the memo.

10:11:36 22 THE WITNESS: I don't know the details. I've
10:11:37 23 never read the Memorandum of Agreement.

10:11:40 24 BY MS. SHAH:

10:11:41 25 Q. Okay. And then just one other question.

10:11:55 1 Is there -- outside of the three databases
10:12:00 2 that we've talked about -- the MVD, the secretary of state
10:12:02 3 -- I mean the Social Security Administration -- goodness --
10:12:06 4 and the SAVE database -- is there -- along with those
10:12:14 5 databases, do you know of any other database that can
10:12:18 6 verify the birthplace of a registrant?

10:12:24 7 MR. LANGHOFER: Asked and answered.

10:12:26 8 MS. SHAH: I didn't ask this question.

10:12:29 9 MR. LANGHOFER: It was yesterday, not this
10:12:31 10 witness. Same depo, though.

10:12:35 11 MR. WHITAKER: Well, that raises a -- I'm not
10:12:39 12 sure -- possible scope objection. I can't remember who was
10:12:42 13 designated for what.

10:12:46 14 MS. SHAH: So my understanding is that
10:12:49 15 Ms. Morales has been designated for databases here. And
10:12:53 16 that's why I'm asking her that.

10:12:53 17 BY MS. SHAH:

10:12:57 18 Q. So Ms. Morales?

10:13:00 19 A. Can you repeat the question?

10:13:02 20 Q. Sure.

10:13:02 21 Are there any databases that can verify the
10:13:08 22 birthplace of a registrant?

10:13:11 23 MR. WHITAKER: Form.

10:13:12 24 THE WITNESS: No, that I'm aware of.

10:13:17 25 BY MS. SHAH:

10:13:17 1 Q. Thank you.

10:13:18 2 Could you please go to Document AZS0S-267015.

10:13:41 3 A. Yes. I'm looking at an email.

10:13:44 4 MS. SHAH: And I believe we are at 278 or --

10:13:50 5 THE COURT REPORTER: 279.

10:13:54 6 MS. SHAH: 279. Thank you.

10:13:54 7 (The document was marked as Exhibit 279

10:13:56 8 for identification.)

10:13:56 9 BY MS. SHAH:

10:13:57 10 Q. And if you go towards the end of that document,

10:14:02 11 which is what I believe is starting at 267017. Let me know

10:14:15 12 when you're there.

10:14:15 13 A. Okay. So you want me to go to the one that says

10:14:18 14 17. Okay.

10:14:19 15 Q. Then going through to the end of that document.

10:14:26 16 When you're done just taking a quick look at it, let me

10:14:31 17 know. Do you -- when you're ready.

10:14:41 18 A. Yeah. Give me one moment. I may have to go up

10:14:50 19 further to understand what they were talking about.

10:14:52 20 Q. Okay. Let's -- let's just -- I think we may not

10:14:55 21 need to do that. But if we do, we can do that.

10:14:58 22 A. Okay.

10:14:58 23 Q. So you're on 267017; right?

10:15:03 24 A. Uh-huh.

10:15:03 25 Q. Do you see towards the bottom where it says,

10:15:11 1 "Monthly OOS Credential Cancellations"?

10:15:15 2 A. Yes. On Number 1?

10:15:17 3 Q. Yes.

10:15:18 4 A. Uh-huh.

10:15:18 5 Q. Okay. And then there's a list of some details
10:15:27 6 like (a) through (r), and then Number 2, "SOS Customer
10:15:32 7 Extract"?

10:15:33 8 A. Yes, I see that.

10:15:34 9 Q. Okay. Are -- just based on this information, are
10:15:39 10 these the two monthly extracts that MVD has been providing
10:15:42 11 the secretary of state?

10:15:45 12 A. I know that there is a file that we receive
10:15:48 13 currently on a monthly basis, only one. I've never looked
10:15:52 14 at the file nor can I corroborate if those fields are in
10:15:56 15 those files. It's not in my scope of work.

10:16:00 16 Q. All right. Thank you.

10:16:02 17 And then I just have one other question.
10:16:06 18 Going back to AZSOS-182040 again.

10:16:19 19 A. Okay.

10:16:19 20 Q. Would it be accurate to say that if the fed or
10:16:37 21 fed-I fields are marked that that, either one, that
10:16:44 22 practice would mean that that person is a federal-only
10:16:49 23 voter currently?

10:16:49 24 A. Yes.

10:16:50 25 MR. MORGAN: Form.

10:16:51 1 THE WITNESS: Yes. If those flags are
10:16:55 2 checked, they're not considered a full-ballot voter.
10:16:58 3 They're a fed-only voter.

10:16:59 4 BY MS. SHAH:

10:17:00 5 Q. Is there any other field or fields that would
10:17:06 6 indicate a federal-only ballot voter in AVID?

10:17:11 7 A. No. It's only by using those flags.

10:17:13 8 Q. Okay. All right. Great.

10:17:14 9 MS. SHAH: Can we take a -- literally a
10:17:18 10 five-minute break, please.

10:17:21 11 MR. MORGAN: Of course.

10:17:23 12 MS. SHAH: Thank you. We'll be back at --
10:17:26 13 when it's, like, 1:22 --

10:17:30 14 THE VIDEOGRAPHER: We are off the record.
10:17:31 15 Time on the video monitor is 10:17 a.m. This ends Media 1.

10:17:39 16 (A recess ensued.)

10:25:12 17 THE VIDEOGRAPHER: We are on the record.
10:25:40 18 Time on the video monitor is 10:25 a.m. This begins
10:25:45 19 Media 2.

10:25:46 20 BY MS. SHAH:

10:25:50 21 Q. Ms. Morales, I want to just go back to that
10:25:53 22 document that was 267015.

10:26:04 23 MR. MORGAN: Do you want to go to that page
10:26:05 24 of it?

10:26:06 25 MS. SHAH: I just -- well, first, I was

10:26:07 1 making sure that she has that document in front of her.

10:26:09 2 Then I will get into the specifics, Craig.

10:26:12 3 THE WITNESS: I'm still in the same email,
10:26:14 4 yes.

10:26:15 5 BY MS. SHAH:

10:26:15 6 Q. Great. Okay.

10:26:16 7 And I -- again, I'm paraphrasing your earlier
10:26:23 8 testimony, but do correct me if I'm wrong?

10:26:25 9 But you said that you were -- you were not
10:26:28 10 aware of getting these two extracts; you were just getting
10:26:31 11 one file from MVD; am I correct?

10:26:34 12 A. I'm aware that we're receiving one file currently
10:26:39 13 per month.

10:26:40 14 Q. Okay. And then if you look at what is marked
10:26:48 15 as -- in that Document AZS0S-267016.

10:26:56 16 A. Okay.

10:26:57 17 Q. And do you see an email from Christy Hood to,
10:27:04 18 among others, yourself?

10:27:08 19 A. I see the email.

10:27:10 20 Q. And that had this chain through it; am I correct?

10:27:17 21 A. Yes.

10:27:18 22 MR. MORGAN: Form.

10:27:19 23 BY MS. SHAH:

10:27:19 24 Q. So were you involved in the creation of these
10:27:25 25 credentials?

10:27:28 1 MR. WHITAKER: Form.

10:27:29 2 MR. MORGAN: Form.

10:27:31 3 THE WITNESS: I don't understand the
10:27:36 4 question.

10:27:36 5 BY MS. SHAH:

10:27:36 6 Q. Exactly. So I will rephrase.

10:27:38 7 So as I said, that -- the email chain that
10:27:41 8 includes you has listed these extracts -- the two extracts
10:27:47 9 that we just went over; that is, the monthly OOS Credential
10:27:50 10 Extract and the SOS Customer Extract.

10:27:55 11 So were you involved in the exchange of these
10:28:02 12 two extract creations?

10:28:05 13 MR. MORGAN: Form.

10:28:06 14 THE WITNESS: No. I was included for
10:28:09 15 awareness in these emails, but I was not directly involved
10:28:12 16 in working with ADOT MVD.

10:28:17 17 BY MS. SHAH:

10:28:17 18 Q. Do you know who was from the Secretary of State's
10:28:20 19 Office?

10:28:20 20 A. I'm pretty sure this conversation was between
10:28:22 21 Russell Smith and ADOT.

10:28:25 22 Q. Okay. Great.

10:28:28 23 And do you know if AVID communicates with the
10:29:07 24 database in Maricopa County?

10:29:09 25 A. We have an interface to receive their data into

10:29:14 1 AVID and API.

10:29:17 2 Q. And what about for Pima?

10:29:19 3 A. Same.

10:29:20 4 Q. And is it -- do you know which fields from Pima
10:29:30 5 and Maricopa come into AVID?

10:29:33 6 A. I couldn't list them all. The majority of them
10:29:38 7 do. There are certain modules that we don't get data for.

10:29:46 8 Q. And what about the DPOC? Does that get
10:29:51 9 transferred?

10:29:53 10 A. What do you mean by DPOC?

10:29:55 11 Q. So if a voter has entered -- or provided DPOC in
10:30:03 12 Pima, would that get reflected into AVID?

10:30:06 13 A. The citizenship box would say "yes" or "no."

10:30:11 14 Q. In AVID from Pima?

10:30:16 15 A. Yes. Correct.

10:30:17 16 Q. And Maricopa as well?

10:30:18 17 A. Yes.

10:30:20 18 Q. Ms. Morales, could I ask you to please go to
10:32:00 19 AZSOS-269052.

10:32:07 20 A. Yes.

10:32:08 21 Q. Okay.

10:32:09 22 MS. SHAH: And can we please mark that as an
10:32:14 23 exhibit.

10:32:14 24 MR. MORGAN: I'm sorry. 06 -- what was the
10:32:16 25 number again?

10:32:16 1 MS. SHAH: Sure. AZSOS-269052. 269052.

10:32:16 2 (The document was marked as Exhibit 280

10:32:24 3 for identification.)

10:32:24 4 MR. MORGAN: Thank you.

10:32:27 5 BY MS. SHAH:

10:32:28 6 Q. And go to -- for example, you will see that this

10:32:42 7 document, on the -- starting at page 269055, starts with

10:32:55 8 "HB 2243." Do you see that heading in the center of the

10:33:00 9 page?

10:33:00 10 A. Yes, I see it.

10:33:03 11 Q. Great.

10:33:03 12 And if we were to go to the following page

10:33:13 13 where at 269058, it says, "Action Items."

10:33:27 14 A. Okay. I'm there.

10:33:28 15 Q. And then it says, "Causes for Cancellation: ADOT

10:33:32 16 Process (Out-of-State license list)."

10:33:35 17 A. Okay. I see that.

10:33:36 18 Q. Then there's another heading that says, "AVID/VR

10:33:40 19 Process."

10:33:42 20 A. Yes.

10:33:43 21 Q. Has that enhancement been completed?

10:33:53 22 A. So you want to know if we're receiving that

10:33:55 23 out-of-state license list from MVD?

10:33:59 24 Q. No. I'm asking if it says AVID and VR process,

10:34:03 25 the subheading. And it says, "We will need an AVID

10:34:08 1 enhancement for this import."

10:34:10 2 Do you see that?

10:34:10 3 A. No. There's been no updates in AVID in order
10:34:14 4 to -- for the counties to do the function using AVID.

10:34:18 5 Q. Okay. And then do you see where it says "Juror
10:34:24 6 Questionnaire" below, if you keep going down?

10:34:26 7 A. Yes.

10:34:26 8 Q. It says again, the "AVID/VR Process." Has that
10:34:31 9 been done, the development as needed?

10:34:34 10 A. That --

10:34:36 11 MR. MORGAN: Form.

10:34:36 12 THE WITNESS: -- development hasn't -- that
10:34:41 13 has not been -- it's not functional.

10:34:43 14 BY MS. SHAH:

10:34:43 15 Q. Okay. And then if you go to the next page, it
10:35:00 16 says -- if you go to 3, it says, "ADOT/VR Database
10:35:05 17 Comparison "

10:35:06 18 Do you see that?

10:35:07 19 A. Yes.

10:35:08 20 Q. And the second sentence, it says, "Their database
10:35:14 21 is too large to do a comparison through the API. (For
10:35:18 22 example, we'd need to break it up and run 1/30th every
10:35:23 23 night, ETA unknown.) "

10:35:27 24 A. I see that.

10:35:27 25 Q. What does that mean?

10:35:32 1 MR. MORGAN: Foundation.

10:35:33 2 THE WITNESS: I can only repeat what's there.

10:35:38 3 I cannot expand on that.

10:35:41 4 BY MS. SHAH:

10:35:42 5 Q. Who would be able?

10:35:43 6 A. It's a technical question that would be --

10:35:45 7 MR. MORGAN: Well, you don't need to -- you
10:35:47 8 don't need to speculate at all, Yolanda.

10:35:49 9 And I'll remind counsel this is a document we
10:35:52 10 went over ad nauseam with Ms. Connor, who, I believe, is
10:35:56 11 the drafter of this document. And I think that question
10:35:58 12 might have been better directed toward her.

10:35:58 13 MR. HERRERA: I'll object to instructing the
10:35:58 14 witness [indiscernible].

10:36:07 15 MR. MORGAN: I'm sorry. I didn't hear that.

10:36:07 16 THE COURT REPORTER: Mr. Herrera, can you
10:36:09 17 repeat that?

10:36:12 18 MR. HERRERA: I'll withdraw it.

10:36:14 19 MS. SHAH: I think, actually, Ms. Connor
10:36:16 20 referred it to Ms. Morales in this situation, Craig.

10:36:18 21 MR. MORGAN: Yeah. I don't remember.

10:36:20 22 MS. SHAH: Exactly. So I'm going to ask my
10:36:22 23 question.

10:36:22 24 BY MS. SHAH:

10:36:22 25 Q. And I don't want to -- you know, so, like, if --

10:36:25 1 and my question is -- Ms. Morales, I appreciate if you
10:36:27 2 don't know, but then I'm asking you who would.

10:36:32 3 A. Within our office, it would be a question better
10:36:35 4 suited for Russell Smith.

10:36:36 5 Q. Okay. Thank you.

10:36:39 6 Okay. Finally, if we can go to page
10:36:56 7 AZSOS-269064. Do you see --

10:37:10 8 A. I don't see a 269064. Maybe it's in a different
10:37:15 9 folder than the one I'm in.

10:37:16 10 Q. I'm sorry. 269064 is not on there?

10:37:20 11 A. No. The next number it jumps to is 329462.

10:37:26 12 Q. Okay. Well --

10:37:34 13 MS. KANTER COHEN: To be clear, it's in the
10:37:35 14 same document we've been looking at.

10:37:35 15 MS. SHAH: Yeah.

10:37:36 16 MS. KANTER COHEN: It's just further down.

10:37:36 17 THE WITNESS: Oh, okay. Tell me the number
10:37:40 18 that I was in.

10:37:40 19 BY MS. SHAH:

10:37:40 20 Q. Sure.

10:37:40 21 A. I moved out of it.

10:37:40 22 Q. That's okay.

10:37:41 23 So the original document is 269052. And then
10:37:49 24 if you go to --

10:37:50 25 A. I'm back in there. Okay.

10:37:51 1 Q. 269064.

10:37:53 2 A. Okay. I'm following. One second.

10:37:56 3 Q. When you're there, let me know.

10:38:06 4 A. Okay. I'm at the section where it says,
10:38:10 5 "Documentary Proof of Citizenship."

10:38:12 6 Q. Yes. But right above that, do you see "Action
10:38:15 7 Items"? And --

10:38:15 8 A. Yes.

10:38:16 9 Q. -- it says, "add DPOR flag in AVID."

10:38:19 10 A. Yes.

10:38:19 11 Q. Has that been done?

10:38:22 12 A. No. That's not functional.

10:38:27 13 MS. SHAH: All right. So with that,
10:38:29 14 Ms. Morales, I am going to stop my questioning. And I'm
10:38:33 15 going to hand it over to my colleague.

10:38:35 16 But if you want to go off the record, folks,
10:38:37 17 let me know.

10:38:39 18 MS. LANG: I don't need to.

10:38:42 19 MS. SHAH: Okay.

10:38:42 20

10:38:43 21 EXAMINATION

10:38:43 22 BY MS. LANG:

10:38:44 23 Q. Thank you so much, Ms. Morales. My name is
10:38:46 24 Danielle Lang, and I represent the LUCHA plaintiffs. I'm
10:38:48 25 just going to have very few questions for you, and then I

10:38:51 1 believe the Department of Justice will have a few questions
10:38:54 2 as well.

10:38:55 3 My questions are going to focus entirely on
10:38:58 4 issues around residency and AVID.

10:39:02 5 So I think you mentioned earlier that, you
10:39:04 6 know, part of AVID's functionality has to do with
10:39:07 7 addressing systems. So what I want to understand is when a
10:39:12 8 county recorder puts in an address into AVID, is there a
10:39:17 9 kind of a system or database or whatnot that -- in AVID
10:39:22 10 that allows that -- that address to be kind of matched to a
10:39:26 11 location that then can precinct that voter?

10:39:31 12 MR. MORGAN: Form.

10:39:32 13 THE WITNESS: Yes, there is.

10:39:33 14 BY MS. LANG:

10:39:33 15 Q. And can you describe to me briefly kind of what --
10:39:36 16 what that system is?

10:39:38 17 MR. MORGAN: Form.

10:39:40 18 THE WITNESS: There is a subsystem on AVID
10:39:47 19 called TotalAddress where it has all the geographical
10:39:53 20 location that's on record and can be confirmed as a valid
10:39:56 21 address.

10:39:57 22 So when the county user is typing the address
10:40:00 23 in the system, it's automatically looking to see that
10:40:04 24 address matches so that it can be validated as a valid
10:40:11 25 address and a precinct assignment completed.

10:40:13 1 BY MS. LANG:

10:40:13 2 Q. Great.

10:40:13 3 And are there some circumstances where an
10:40:16 4 address that was provided by a voter might not match in
10:40:18 5 TotalAddress?

10:40:20 6 A. Yes, I'm sure that can happen.

10:40:21 7 Q. Okay. Are you aware of kind of the circumstances
10:40:25 8 under which that's most common?

10:40:30 9 A. It's a county function. So they're the ones who
10:40:32 10 will be better -- that deal with that on a daily basis.

10:40:37 11 Q. Fair enough.

10:40:38 12 Do you know how many voters in the AVID
10:40:40 13 system are currently not registered due to a status related
10:40:44 14 to an invalid address?

10:40:49 15 A. What do you mean by "not registered"?

10:40:51 16 Q. That are not in an active-voter status because
10:40:56 17 their address could not be validated.

10:40:59 18 A. So I can tell you that I know there are some, but
10:41:01 19 I don't know the total.

10:41:03 20 Q. Okay. What are -- what is the kind of status
10:41:07 21 reason that will appear when there's a problem because of
10:41:10 22 an address not matching the TotalAddress?

10:41:15 23 A. Sorry. I didn't mean to speak over.

10:41:18 24 On memory right now, I would say it would be
10:41:22 25 status, suspense; status reason, waiting verification.

10:41:29 1 Q. And can voters, also in lieu of an address,
10:41:33 2 provide a drawing or some other explanation of their
10:41:37 3 location of residence to register?

10:41:39 4 A. Yes. That is provided as an option.

10:41:42 5 Q. Okay. And under those circumstances, how do
10:41:46 6 county -- how is that recorded in AVID and allowing that
10:41:54 7 voter to become precincted and validated for their
10:41:59 8 residence?

10:41:59 9 MR. MORGAN: Form.

10:41:59 10 THE WITNESS: I don't know the steps the
10:42:00 11 counties follow for that.

10:42:02 12 BY MS. LANG:

10:42:04 13 Q. Do you know how TotalAddress -- the AVID system
10:42:07 14 accounts for nonstandard addresses?

10:42:13 15 A. My understanding is that it doesn't. It can only
10:42:17 16 list what's inputted in the system as a valid address.

10:42:21 17 Q. And so do you know kind of how the AVID system
10:42:24 18 will precinct someone if they are not able to be matched to
10:42:28 19 a standard address in TotalAddressing?

10:42:31 20 MR. MORGAN: Form.

10:42:33 21 THE WITNESS: I don't know the steps. I'm
10:42:35 22 aware that there is a process to be able to do that, but I
10:42:39 23 would not be able to break it down for you.

10:42:39 24 BY MS. LANG:

10:42:41 25 Q. Do you know who in the secretary's office would

10:42:45 1 know about the AVID functionality component of that issue?

10:42:49 2 A. The best person would be Russell Smith.

10:42:53 3 MS. LANG: I don't have any further
10:42:55 4 questions. Thank you so much for your time, Ms. Morales.

10:42:57 5 THE WITNESS: You're welcome.

10:42:58 6

10:42:58 7 EXAMINATION

10:42:58 8 BY MS. YUN:

10:42:58 9 Q. Good morning, Ms. Morales. My name is Jennifer
10:43:04 10 Yun. And as my colleague said, I represent the United
10:43:08 11 States. I'm from the Department of Justice. I just have a
10:43:14 12 few questions about the use of birthplace information
10:43:17 13 provided on the state form.

10:43:21 14 So I'm going to pose a couple of
10:43:23 15 hypotheticals. And let me know if you need any other
10:43:26 16 information or if you don't -- if you need me to clarify,
10:43:30 17 I'll be happy to do that.

10:43:31 18 So let's say that there is a -- that an
10:43:34 19 election official encounters two records with the same name
10:43:41 20 and date of birth on AVID. If those records have a
10:43:46 21 matching place of birth, is that information enough for
10:43:51 22 county officials to determine whether the records are for
10:43:53 23 the same voter?

10:43:56 24 MR. WHITAKER: Form. Foundation.

10:43:57 25 THE WITNESS: We don't have a field in AVID

10:44:00 1 to indicate a place of birth that I'm aware of.

10:44:12 2 BY MS. YUN:

10:44:12 3 Q. Okay. My -- my understanding was that the -- that
10:44:16 4 the date of -- the place of birth information is inputted
10:44:20 5 into AVID. But your testimony today is that you're not
10:44:23 6 aware of that; is that right?

10:44:25 7 MR. MORGAN: Form.

10:44:26 8 THE WITNESS: Yeah, I'm --

10:44:27 9 MR. MORGAN: Wait. Wait. Wait. Form and
10:44:29 10 foundation as to what your understanding may be. You can
10:44:30 11 go ahead and answer, Yolanda.

10:44:36 12 THE WITNESS: I can't confirm right now if
10:44:38 13 that is a field that we receive information from the voter
10:44:42 14 to be able to input in AVID. I would -- I would have to
10:44:49 15 look in AVID to see if there is such a field. If it's a
10:44:56 16 field, it's not one that's commonly used. I just -- I'm
10:44:59 17 not recalling right now.

10:45:00 18 BY MS. YUN:

10:45:01 19 Q. Okay. So it's not something -- it's not something
10:45:04 20 you can answer without checking with the system or other
10:45:08 21 folks in your office; is that right?

10:45:10 22 A. Right. Or better suited for a county user.

10:45:14 23 Q. Understood.

10:45:18 24 Do you have any reason to believe that --
10:45:21 25 that birthplace information is -- sorry. Let me back up.

10:45:29 1 So before HB 2492, county officials were --
10:45:37 2 or AVID users, county users, were able to establish a
10:45:40 3 potential registrant's identity without having to input any
10:45:45 4 birthplace information; is that right?

10:45:49 5 MR. WHITAKER: Form. Foundation.

10:45:54 6 THE WITNESS: Can you repeat the question?

10:45:55 7 BY MS. YUN:

10:45:56 8 Q. Sure.

10:45:56 9 Prior to HB 2492, county officials were able
10:46:00 10 to establish a potential registrant's identity without
10:46:05 11 using their birthplace information; is that right? That's
10:46:08 12 what AVID is used for?

10:46:11 13 MR. LANGHOFER: Same objections.

10:46:12 14 MR. MORGAN: Foundation. And I think this is
10:46:16 15 Topic 16, which I thought was more Ms. Connor.

10:46:19 16 MR. LANGHOFER: And asked and answered.

10:46:23 17 BY MS. YUN:

10:46:24 18 Q. You can answer.

10:46:25 19 A. The place of birthplace is not used for matching a
10:46:29 20 voter or looking for duplicate voters in the system.

10:46:34 21 Q. Okay. And do you have any reason to believe that
10:46:39 22 that statement would change after HB 2492?

10:46:44 23 MR. WHITAKER: Same objections.

10:46:47 24 THE WITNESS: I don't know. I would have to
10:46:54 25 review all the house bill details. I don't have all that

10:46:58 1 information committed to memory right now.

10:47:09 2 BY MS. YUN:

10:47:10 3 Q. And I'm going to ask you a couple more questions
10:47:12 4 about the citizenship checkbox on the state form.

10:47:20 5 So when -- if an applicant, using the state
10:47:24 6 voter registration form, provides either their driver's
10:47:27 7 license number or the last four digits of their social and
10:47:32 8 the MVD database returns a match and says that that person
10:47:36 9 is a citizen, is that -- has that registrant established
10:47:42 10 citizenship?

10:47:44 11 MR. WHITAKER: Same objection.

10:47:44 12 MR. MORGAN: Foundation. Calls for a legal
10:47:47 13 conclusion.

10:47:49 14 BY MS. YUN:

10:47:50 15 Q. You can answer.

10:47:51 16 A. Yes.

10:47:51 17 MR. MORGAN: If you know the answer.

10:47:51 18 THE WITNESS: Sure. So if DPOC is confirmed
10:47:56 19 with the MVD information returning the fact that the
10:48:00 20 authorized presence value is a one or a four, that
10:48:03 21 information is assumed to be correct and the citizenship
10:48:06 22 flag will be marked "yes."

10:48:11 23 BY MS. YUN:

10:48:11 24 Q. And if that same person whose MVD results came
10:48:15 25 back as one or four did not complete the citizenship

10:48:19 1 checkbox, does that mean that the registrant -- registrant
10:48:23 2 is not a citizen?

10:48:25 3 MR. WHITAKER: Same objections.

10:48:27 4 THE WITNESS: Are we talking about the
10:48:29 5 current situation or if the bill was to be implemented?

10:48:33 6 BY MS. YUN:

10:48:35 7 Q. Why don't you just actually answer both the first
10:48:38 8 and the second.

10:48:38 9 A. Okay.

10:48:39 10 MR. MORGAN: Well, why don't you ask -- wait.
10:48:40 11 Wait. Wait.

10:48:41 12 So she has it clear on her answer, why don't
10:48:43 13 you ask her each question so she can answer and we have a
10:48:46 14 clear record.

10:48:47 15 BY MS. YUN:

10:48:47 16 Q. Sure.

10:48:48 17 Prior to HB 2492, if that same person who was
10:48:53 18 -- whose citizenship flag was raised as "yes," if that
10:48:58 19 person checked -- did not complete the citizenship
10:49:01 20 checkbox, does that mean that the registrant is not a
10:49:03 21 citizen?

10:49:05 22 MR. WHITAKER: Same objections.

10:49:09 23 THE WITNESS: Currently, we are allowed to
10:49:10 24 acquire DPOC by way of MVD in order to confirm citizenship,
10:49:15 25 yes.

10:49:17 1 BY MS. YUN:

10:49:19 2 Q. So if there was no checkbox mark, that wouldn't
10:49:25 3 override the fact that the MVD result came back as a
10:49:30 4 citizen; is that right?

10:49:32 5 A. Right.

10:49:32 6 MR. MORGAN: Form.

10:49:33 7 MR. WHITAKER: Same objection. And I think
10:49:34 8 these were asked and answered by the more appropriate
10:49:37 9 designee yesterday, if I recall.

10:49:43 10 BY MS. YUN:

10:49:43 11 Q. And, Ms. Morales, you asked whether my -- my
10:49:48 12 previous question was about before or after HB 2492. Would
10:49:53 13 your answer be different if it was after HB 2492 was
10:49:58 14 implemented?

10:49:59 15 MR. WHITAKER: Same objection.

10:50:00 16 MR. MORGAN: Form. Calls for speculation.

10:50:02 17 THE WITNESS: I would have to consult with
10:50:05 18 our legal team.

10:50:09 19 BY MS. YUN:

10:50:16 20 Q. In your experience, can election officials use the
10:50:19 21 checkbox -- the citizenship checkbox, that is -- to detect
10:50:23 22 whether a noncitizen is attempting to register to vote?

10:50:27 23 MR. MORGAN: Form.

10:50:28 24 MR. LANGHOFER: Same.

10:50:29 25 MR. MORGAN: Foundation. Also, I think this

10:50:31 1 is more -- we're retreading ground we covered with
10:50:35 2 Ms. Connor, who was designated for those issues.

10:50:37 3 But that's just my objection, Yolanda. You
10:50:39 4 can answer the question if you know the answer.

10:50:41 5 THE WITNESS: Okay. Can you ask me again,
10:50:44 6 please?

10:50:46 7 BY MS. YUN:

10:50:46 8 Q. In your experience, can election officials use the
10:50:48 9 citizenship checkbox to detect whether a noncitizen is
10:50:52 10 attempting to register to vote?

10:50:55 11 MR. WHITAKER: Same objections.

10:50:55 12 THE WITNESS: No.

10:50:58 13 BY MS. YUN:

10:51:03 14 Q. So if the MVD database establishes someone's
10:51:07 15 citizenship status, does the checkbox -- checkbox --
10:51:12 16 citizenship checkbox add anything to the election
10:51:18 17 official's knowledge about the applicant's citizenship?

10:51:20 18 MR. MORGAN: Same objection. Also, calls for
10:51:23 19 speculation as it relates to what other election officials
10:51:31 20 know.

10:51:35 21 BY MS. YUN:

10:51:35 22 Q. You can answer.

10:51:36 23 A. Okay. I'll ask you to repeat the question.

10:51:39 24 Q. So if the MVD database establishes someone's
10:51:44 25 citizenship status based on their DPOC information, does

10:51:48 1 the citizenship checkbox add anything to the election
10:51:52 2 official's knowledge about the applicant's citizenship?

10:51:55 3 MR. MORGAN: Same objections.

10:51:57 4 THE WITNESS: It's confirming DPOC in order
10:52:01 5 to be able to indicate on the voter's record that their
10:52:04 6 citizenship has been verified.

10:52:07 7 BY MS. YUN:

10:52:07 8 Q. What is confirming DPOC?

10:52:13 9 MR. WHITAKER: Same objection.

10:52:13 10 THE WITNESS: The information that we get
10:52:15 11 from MVD, if we receive a one or four authorized presence
10:52:18 12 value, is used in order to be able to confirm that DPOC has
10:52:24 13 been confirmed and verified in the system.

10:52:26 14 BY MS. YUN:

10:52:26 15 Q. I see.

10:52:27 16 So in that case, does the citizenship
10:52:31 17 checkbox add anything to someone's citizenship status?

10:52:35 18 MR. MORGAN: Same objections.

10:52:37 19 MR. WHITAKER: Same.

10:52:37 20 BY MS. YUN:

10:52:42 21 Q. Sorry. I didn't catch that, Ms. Morales. I'm
10:52:42 22 sorry.

10:52:46 23 A. The phrasing is confusing, but I can --

10:52:53 24 MR. MORGAN: Don't answer a question you
10:52:55 25 don't understand. And don't speculate, Yolanda. She can

10:52:58 1 ask another question.

10:52:59 2 THE WITNESS: Okay. Fair.

10:53:00 3 BY MS. YUN:

10:53:01 4 Q. Can you explain to me what's confusing?

10:53:04 5 A. I -- the way you're asking the question is --
10:53:10 6 doesn't describe the system behavior or --

10:53:14 7 Q. Okay. So would it be fair to say that the MVD
10:53:18 8 database confirms someone's citizenship status and that's
10:53:21 9 what -- that's the function of the AVID system -- is that
10:53:24 10 right? -- as it interfaces with the MVD data?

10:53:27 11 MR. MORGAN: Form.

10:53:28 12 MR. WHITAKER: Same objection. And leading.

10:53:34 13 THE WITNESS: I don't agree with your
10:53:36 14 phrasing.

10:53:36 15 BY MS. YUN:

10:53:37 16 Q. Okay. Then could you -- could you just repeat
10:53:39 17 that in your own phrasing?

10:53:41 18 MR. MORGAN: No, no. She's not going to ask
10:53:43 19 herself questions. You can ask her questions. She'll give
10:53:45 20 you answers.

10:53:48 21 BY MS. YUN:

10:53:49 22 Q. Do you have -- would you say that the MVD
10:53:54 23 database's information is more accurate than the presence
10:53:59 24 or absence of a checkmark on the registration form in terms
10:54:03 25 of that person's citizenship status?

10:54:05 1 MR. WHITAKER: Same objections.

10:54:09 2 MR. LANGHOFER: Speculation.

10:54:14 3 THE WITNESS: I'm not in a position to draw
10:54:17 4 those kind of conclusions.

10:54:19 5 BY MS. YUN:

10:54:21 6 Q. So under the current EPM, county recorders are
10:54:25 7 supposed to treat the MVD HAVA check results as
10:54:31 8 establishing someone's citizenship eligibility; is that
10:54:34 9 right?

10:54:34 10 MR. MORGAN: Foundation. Also, scope as it
10:54:37 11 relates to she wasn't designated to talk about the EPM.

10:54:42 12 But you can answer, though, Ms. Morales, if
10:54:46 13 you know.

10:54:46 14 THE WITNESS: So when the HAVA checks are ran
10:54:49 15 and we receive information back from MVD, if the authorized
10:54:55 16 presence code that we get back is a one or a four, it is
10:54:59 17 accepted as acceptable DPOC in order to mark citizenship
10:55:04 18 "yes" on the voter record.

10:55:06 19 BY MS. YUN:

10:55:06 20 Q. Okay. And one question. So in -- we're going
10:55:11 21 back to the birthplace information.

10:55:15 22 So do you have any -- does your office have
10:55:23 23 any plans to create any data entry rules for birthplace to
10:55:30 24 be entered into AVID?

10:55:34 25 MR. MORGAN: Form.

10:55:38 1 THE WITNESS: We would -- we would --

10:55:40 2 MR. MORGAN: You can answer to the extent it
10:55:42 3 doesn't call for you to reveal any communications between
10:55:44 4 you and your lawyers.

10:55:46 5 THE WITNESS: Uh-huh. We would -- we would
10:55:49 6 do everything to follow the law.

10:55:55 7 BY MS. YUN:

10:55:56 8 Q. Which law?

10:55:59 9 A. Well, the law right now is in litigation. So
10:56:04 10 depending on the outcome of litigation, we would follow the
10:56:11 11 law.

10:56:12 12 Q. Okay. So if there is no law in -- if there is no
10:56:16 13 provision in HB 2492, for example, that says you need to
10:56:21 14 have uniform entry rules for birthplace, then is -- so if
10:56:26 15 -- if the -- if there is no legal provision providing for
10:56:29 16 that, is your office planning on implementing something
10:56:34 17 like that on its own?

10:56:38 18 MR. MORGAN: Form. Foundation. And again,
10:56:41 19 she was not designated to talk about these issues.

10:56:44 20 But if you have the answer, Yolanda, you can
10:56:48 21 respond.

10:56:48 22 THE WITNESS: These --

10:56:49 23 MS. YUN: These are asking -- just for
10:56:50 24 clarification, these are asking about AVID data entry
10:56:55 25 rules.

10:56:55 1 MR. MORGAN: Well, you need to be clear,
10:56:56 2 then, so she knows that. But my same objection.

10:57:02 3 THE WITNESS: We would implement whatever we
10:57:05 4 receive as guidance or directive in order to move forward
10:57:12 5 with any changes in AVID. I don't make those decisions; I
10:57:16 6 act on decisions. So I don't know where those decisions
10:57:21 7 lie right now.

10:57:22 8 BY MS. YUN:

10:57:22 9 Q. Who -- who would make that kind of decision about
10:57:26 10 data entry rules in your office?

10:57:30 11 MR. MORGAN: Form, Form.

10:57:36 12 THE WITNESS: We would have meetings to
10:57:37 13 receive information, but I don't know exactly where it
10:57:39 14 would all start from, like, who would be the one. It's --
10:57:45 15 your question is outside my scope of work.

10:57:49 16 MR. MORGAN: Form.

10:57:50 17 You don't have to speculate, Ms. Morales.

10:57:50 18 BY MS. YUN:

10:57:53 19 Q. I think that's -- I'm mean, that's a perfectly
10:57:54 20 good answer if you don't know.

10:57:55 21 A. I don't know.

10:57:57 22 MS. YUN: I do not have any further questions
10:57:59 23 at this time. Thank you for your time.

10:58:03 24 THE WITNESS: Thank you.

10:58:08 25 MR. MORGAN: Before -- before we bring up

10:58:12 1 Mr. Smith, does anybody have any questions for Ms. Morales
10:58:14 2 on the plaintiffs' side? Okay.

10:58:20 3 Anybody on the defense or intervenor side?

10:58:27 4 MR. WHITAKER: I did. But, Kory, do you want
10:58:28 5 to go first?

10:58:30 6 MR. LANGHOFER: I've never been happier to
10:58:32 7 say I have no questions for this witness. You did a great
10:58:34 8 job. No reflection on you.

10:58:37 9 THE WITNESS: Okay. Thank you.

10:58:38 10

10:58:41 11 EXAMINATION

10:58:41 12 BY MR. WHITAKER:

10:58:41 13 Q. Very quickly, Ms. Morales. First of all, thank
10:58:44 14 you for your time.

10:58:46 15 A. You're welcome.

10:58:47 16 Q. Yesterday, Ms. Connor indicated that you would be
10:58:51 17 the more appropriate person to ask about the juror

10:58:53 18 questionnaire summary reports the secretary of state

10:58:57 19 receives. Is that something that you had knowledge on?

10:59:01 20 A. Yes.

10:59:03 21 Q. Okay. I'll try to keep this very short.

10:59:10 22 My understanding is that these new laws

10:59:13 23 require the summary reports to be sent to the secretary of

10:59:19 24 state and county recorders. Is that your understanding?

10:59:22 25 A. Yes.

10:59:22 1 Q. Has your office been receiving summary reports
10:59:28 2 pursuant to these laws about the juror questionnaire
10:59:31 3 information?

10:59:32 4 A. Yes.

10:59:33 5 Q. For roughly how long has your office been
10:59:37 6 receiving these reports?

10:59:40 7 A. They have been providing reports that date back to
10:59:45 8 January of 2023.

10:59:48 9 Q. And how are these reports stored in your office?

10:59:52 10 A. So they are transmitted to us via an encrypted
10:59:56 11 email. And then the attachments are saved in a folder in
11:00:02 12 our shares drive for reference.

11:00:06 13 Q. I don't expect you to know whether you -- your
11:00:09 14 office has produced those already. But do you happen to
11:00:12 15 know whether your office has produced those?

11:00:16 16 A. Produced them for this litigation?

11:00:17 17 Q. Yes.

11:00:18 18 A. I don't know.

11:00:22 19 Q. Would it be easy to grab those from that folder
11:00:25 20 and produce those?

11:00:26 21 MR. MORGAN: If you're asking if we'll
11:00:28 22 produce them, Josh, if we have them, the answer is yes.
11:00:32 23 But we can talk about that offline.

11:00:35 24 MR. WHITAKER: Sure. Okay. I'll stop with
11:00:37 25 that line of questions. Actually, I think that's it. I

11:00:40 1 won't ask any further questions.

11:00:42 2 MR. MORGAN: All right. Okay. Any follow-up
11:00:49 3 from the plaintiffs? Good.

11:00:53 4 Yolanda, thank you so very much. You are
11:00:55 5 free to go about your day.

11:00:59 6 Yeah, I think we've got -- we're pulling --
11:01:02 7 we're pulling Russ in now. So let's go off the record for
11:01:05 8 five minutes so we can transition. And then we'll bring
11:01:07 9 him on.

11:01:09 10 THE WITNESS: All right. Thank you.

11:01:10 11 MR. MORGAN: Is that okay with you?

11:01:12 12 MS. SHAH: Yes.

11:01:13 13 THE VIDEOGRAPHER: We're off the record.

EXAMINATION

11:05:26 24

BY MS. SHAH:

11:05:29 25

Q. Good afternoon, Mr. Smith. My name is Niyati

11:05:31 1 Shah, and I represent the Equity Coalition plaintiffs
11:05:35 2 today.

11:05:36 3 Could you just please state and spell your
11:05:38 4 name for the record.

11:05:40 5 A. Are you looking for my full name?

11:05:44 6 Q. Yes.

11:05:45 7 A. My full name is Russell Orin Lamont Smith, IV,
11:05:51 8 which is R-u-s-s-e-l-l, O-r-i-n, L-a-m-o-n-t, S-m-i-t-h,
11:06:01 9 IV.

11:06:01 10 Q. And what is your title?

11:06:04 11 A. I am the elections technology manager for the
11:06:06 12 Arizona Secretary of State's Office.

11:06:08 13 Q. And how long have you been in this role?

11:06:11 14 A. I've been in this role since close to
11:06:17 15 December 2021.

11:06:18 16 Q. And how long have you been at the Secretary of
11:06:21 17 State's Office?

11:06:21 18 A. That was when I started as well.

11:06:24 19 Q. Okay. Great.

11:06:25 20 I'm just going to make a few things clear for
11:06:28 21 us as we move along in this deposition.

11:06:31 22 Do you understand that you are testifying
11:06:32 23 under oath today?

11:06:34 24 A. Yes, I do.

11:06:35 25 Q. And do you understand that a court reporter is

11:06:38 1 transcribing this deposition?

11:06:40 2 A. Yes.

11:06:42 3 Q. And so with that in mind, please answer questions
11:06:46 4 audibly and clearly. No head shakes, nods, uh-huhs. Does
11:06:51 5 that make sense?

11:06:53 6 A. I'll try my best.

11:06:55 7 Q. And to allow the court reporter to do their job,
11:06:59 8 I'm going to ask that you let me finish asking my questions
11:07:02 9 fully before you respond. And I will do the same and let
11:07:06 10 you finish your answers completely before asking another
11:07:09 11 question. Is that all right?

11:07:12 12 A. Yes. Understood.

11:07:14 13 Q. Yes. Just a reminder about the head nodding right
11:07:16 14 there.

11:07:17 15 A. Yeah.

11:07:17 16 Q. And will you let me know if you don't understand a
11:07:20 17 question or need me to repeat it at any point?

11:07:25 18 A. Yes. I'll be sure to let you know.

11:07:27 19 Q. Great.

11:07:28 20 And if I ask a question and you do answer the
11:07:30 21 question, I will assume that you understood the question.
11:07:32 22 Is that all right?

11:07:35 23 A. Yes.

11:07:37 24 Q. Is there any reason that you can't give a full,
11:07:40 25 complete, and accurate testimony today?

11:07:42 1 A. Not that I'm aware of.

11:07:46 2 Q. Are you on any medications or experiencing any
11:07:48 3 conditions that would prevent you from giving a full and
11:07:51 4 truthful testimony today?

11:07:53 5 A. No.

11:07:54 6 Q. Okay. If at any time you would like to take a
11:08:00 7 break, please let me know. The only thing I ask is that if
11:08:03 8 I've already asked a question, that you finish answering
11:08:04 9 the question before we go and take a break. Does that
11:08:07 10 sound fair?

11:08:09 11 A. That sounds fair.

11:08:10 12 Q. Can you tell me what you did to prepare for this
11:08:15 13 deposition?

11:08:17 14 A. I met with my legal counsel earlier in the week as
11:08:23 15 well as my team, who you've spoken with: Colleen and
11:08:27 16 Yolanda.

11:08:29 17 Q. Anybody else?

11:08:31 18 A. No. I -- I spoke with other members of my team
11:08:35 19 just to let them know for scheduling and logistic purposes
11:08:38 20 that I wouldn't be available. But nothing in regards to
11:08:41 21 details.

11:08:42 22 Q. Okay. And can we stipulate that whenever I use
11:08:47 23 the term "you" or "your" or "your office" in a question,
11:08:51 24 that it will be the equivalent of saying the Arizona
11:08:54 25 Secretary of State's Office?

11:08:57 1 A. Yes. I think that's fair.

11:08:59 2 Q. Okay. Great. All right.

11:09:02 3 So I would like to just first draw your
11:09:04 4 attention to what we previously marked an exhibit. But do
11:09:10 5 you have access, first of all, to the list of documents?

11:09:13 6 A. I do have a list of documents that are in a
11:09:17 7 Dropbox. I have not opened any yet, so I don't know if I
11:09:21 8 actually have full access to open them. But I can see a
11:09:25 9 list.

11:09:25 10 Q. Please go ahead and open it. Let me know when
11:09:28 11 you've done that.

11:09:29 12 A. I am at the list.

11:09:31 13 Is there a specific exhibit you would like me
11:09:32 14 to open?

11:09:33 15 Q. Yes. If you could please actually go first to a
11:09:36 16 folder that is called "SOS docs."

11:09:41 17 A. Okay. "SOS docs"; is that correct?

11:09:46 18 Q. Yes.

11:09:48 19 A. Okay. I am there. It's loading.

11:09:50 20 Q. And then in that -- in that folder, there is a
11:09:54 21 document called AZSOS-267015. Do you see that document?

11:10:03 22 A. 267015?

11:10:07 23 Q. 267015. That is correct.

11:10:11 24 A. Yes, I am opening that right now.

11:10:13 25 Q. Great. Let me know when you --

11:10:20 1 A. It is open on my screen.

11:10:21 2 Q. Okay. Could we -- perhaps if you could turn to --

11:10:35 3 towards the second to last page of that document, which is

11:10:40 4 267017. Do you see that?

11:10:46 5 A. 267- -- yes.

11:10:52 6 Q. And towards the -- I guess three-quarters of the

11:11:02 7 way down, you can see Number 1, "Monthly OOS Credential

11:11:02 8 Cancellations." Do you see that?

11:11:10 9 A. Can you repeat that? What am I looking for again?

11:11:12 10 Q. Yeah.

11:11:12 11 It says Number 1, "Monthly OOS Credential

11:11:16 12 Cancellations."

11:11:16 13 A. Yes. I see that, yes.

11:11:20 14 Q. Okay. So if you could just quickly review that

11:11:24 15 through the end of the document and see if you see Number 2

11:11:28 16 on the next page "SOS Customer Extract."

11:11:35 17 A. I do see Number 2, "SOS Customer Extract."

11:11:39 18 Q. Do you know what Number 1 and Number 2 are in this

11:11:47 19 document?

11:11:48 20 MR. MORGAN: Form.

11:11:54 21 THE WITNESS: I do not recall what these are

11:11:58 22 specifically. This appears to be -- by looking at this

11:12:02 23 email again -- a header or field types that are inside the

11:12:14 24 MVD system, I would assume, since this is an email from

11:12:18 25 their MVM operations manager.

BY MS. SHAH:

Q. If I told you that these were monthly extracts that MVD sent to the Secretary of State's Office, would that ring a bell?

MR. WHITAKER: Form.

THE WITNESS: I'm sorry. Can you repeat that question?

BY MS. SHAH:

Q. Sure.

If I were to say that these two -- Number 1, Number 2 -- are monthly extracts provided by MVD to the secretary of state, would that sound accurate to you?

A. This appears that that is what this is in reference to, yes.

Q. Okay. And so have you been involved in -- in obtaining extracts from MVD each month?

MR. MORGAN: Form.

THE WITNESS: I'm sorry. I want to go back to what we had previously stated.

Are you saying have I personally been involved, or are you stating has the SOS been involved in receiving documents?

BY MS. SHAH:

Q. Have you personally been involved?

A. I have not been personally involved as far as I've

11:13:36 1 been included on the emails overseeing the project. So I
11:13:40 2 guess I have an oversight. But this is all work that has
11:13:43 3 been done through our vendor and the MVD.

11:13:43 4 Q. So --

11:13:50 5 A. And the information that is delivered is delivered
11:13:52 6 through an automated process that I don't have visibility
11:13:56 7 of.

11:13:57 8 Q. So -- but the information that is delivered, who
11:14:01 9 decided what that information would be from the Secretary
11:14:05 10 of State's Office?

11:14:07 11 MR. MORGAN: Form

11:14:09 12 THE WITNESS: I don't recall who had made a
11:14:13 13 decision on what information would be delivered.

11:14:16 14 BY MS. SHAH:

11:14:18 15 Q. But it was not you?

11:14:21 16 A. I don't recall. I may have played a part, but I
11:14:26 17 don't have any recollection.

11:14:28 18 Q. So who -- who would know this information?

11:14:32 19 A. My assumption would be possibly someone from our
11:14:36 20 previous administration, such as maybe Kori Lorick, who I
11:14:42 21 know was working on this project as well.

11:14:47 22 Q. Okay. Once this information is received, though,
11:15:00 23 would you have knowledge of how this information would be
11:15:05 24 used to match with data in AVID?

11:15:15 25 A. I'm sorry. I don't know if I understand your

11:15:16 1 question. Can you can you ask that one more time?

11:15:20 2 Q. Sure. I will paraphrase your earlier testimony.

11:15:24 3 So if I paraphrase it wrong, definitely correct me.

11:15:26 4 But you said that, you know, this information
11:15:28 5 is delivered to the Secretary of State's Office; is that
11:15:34 6 right?

11:15:34 7 A. That is correct, yes.

11:15:35 8 Q. Will this information be matched to information
11:15:41 9 that is in AVID?

11:15:44 10 A. Once -- to my understanding, if I recall properly,
11:15:48 11 is once there is work that needs to be completed for our
11:15:51 12 system to adequately receive this information.

11:15:57 13 Q. So your testimony is, yes, once additional work is
11:16:02 14 done?

11:16:04 15 MR. MORGAN: Form.

11:16:08 16 THE WITNESS: As long as that -- I guess I
11:16:12 17 don't know if I understand that question. Can you rephrase
11:16:14 18 that?

11:16:15 19 BY MS. SHAH:

11:16:15 20 Q. Sure. I'm just trying to understand your response
11:16:17 21 about how this information will be used. I'm trying to
11:16:21 22 understand whether this information will be matched to
11:16:24 23 information in AVID.

11:16:25 24 And your response was? Do you just want to
11:16:30 25 repeat it? I don't want to speak for you.

11:16:32 1 A. Most certainly. I mean, I guess what I would say
11:16:34 2 is that would be its intent. But there has been no
11:16:39 3 development, or the development is not there currently, so
11:16:44 4 those files are not being [indiscernible] --

11:16:46 5 THE COURT REPORTER: "Those files are not"
11:16:49 6 what?

11:16:49 7 THE WITNESS: -- is my understanding.

11:16:49 8 THE COURT REPORTER: You cut out.

11:16:49 9 THE WITNESS: They're not being implemented
11:16:50 10 in -- those files are not being imported into the system,
11:16:54 11 to my recall.

11:16:56 12 BY MS. SHAH:

11:16:58 13 Q. And so there have been no -- has there been --
11:17:02 14 well, let me ask -- I'll strike that. Let me rephrase.

11:17:06 15 What would be the criteria to match the
11:17:13 16 information delivered to information that is currently in
11:17:16 17 AVID?

11:17:20 18 MR. MORGAN: Form.

11:17:22 19 THE WITNESS: I wouldn't have that criteria
11:17:28 20 directly in front of me as far as what development would
11:17:30 21 require, but my understanding would be most likely it would
11:17:34 22 have to be matching the information that is contained in
11:17:36 23 the MVD system as shared in these files to the information
11:17:38 24 that we have stored in AVID to an extent.

11:17:42 25 BY MS. SHAH:

11:17:42 1 Q. So have you provided the -- the draft criteria
11:17:51 2 that you just mentioned in your response?

11:17:53 3 MR. MORGAN: Form.

11:17:58 4 THE WITNESS: I don't know if I understand
11:17:59 5 the question.

11:18:00 6 Are you saying have I personally or has the
11:18:02 7 Secretary of State's Office?

11:18:02 8 BY MS. SHAH:

11:18:03 9 Q. The secretary of state.

11:18:06 10 A. Provided -- I'm sorry.

11:18:08 11 Can you repeat it one more time? Have we
11:18:10 12 provided what?

11:18:11 13 Q. The -- the criteria used to match this information
11:18:13 14 from MVD to the information in AVID.

11:18:18 15 MR. MORGAN: Form.

11:18:19 16 THE WITNESS: Not that I can recall or am
11:18:24 17 aware of. I know that there have been development tickets,
11:18:26 18 I believe, that have been created, but I don't believe
11:18:31 19 anything other than that has been done.

11:18:33 20 BY MS. SHAH:

11:18:34 21 Q. Thank you.

11:18:34 22 MS. SHAH: Craig, we'll follow up on that
11:18:37 23 about what has been -- the tickets that have been
11:18:39 24 developed.

11:18:41 25 BY MS. SHAH:

11:18:41 1 Q. Okay. And do you know who Jason Fountain is?

11:18:48 2 A. Yes. Jason Fountain is my direct report.

11:18:51 3 Q. And do you know if he was involved in determining
11:18:55 4 which information -- what information from MVD would be
11:19:01 5 provided in these extracts to the Secretary of State's
11:19:09 6 Office?

11:19:09 7 A. I don't recall his -- I don't recall his
11:19:13 8 involvement.

11:19:13 9 Q. Okay. Thank you. I appreciate that.

11:19:22 10 I can move us to a different document, if you
11:19:27 11 would, please. It is in that same file. The document will
11:19:32 12 be AZSOS-0330610.

11:19:39 13 A. Give me one second to find it.

11:19:41 14 Q. Absolutely.

11:19:42 15 A. 0330610?

11:19:46 16 Q. Exactly.

11:19:47 17 A. All right. Okay. I have found that document. I
11:19:57 18 have it open.

11:19:57 19 Q. Okay. We'll get to the document specifically.
11:20:02 20 But one preliminary question.

11:20:04 21 Do you know how -- do county recorders access
11:20:09 22 the SAVE database through an interface provided by the
11:20:12 23 Secretary of State's Office?

11:20:14 24 MR. MORGAN: Foundation.

11:20:16 25 THE WITNESS: That I am not sure how they

11:20:20 1 utilize the SAVE information. That's something that my
11:20:25 2 counterpart, Yolanda, manages.

11:20:27 3 BY MS. SHAH:

11:20:28 4 Q. Okay. All right. But -- but do you -- okay. So
11:20:35 5 I guess let me -- my question was a little different, not
11:20:38 6 about how they utilize the information from SAVE but how
11:20:41 7 they actually access that database.

11:20:45 8 Do you -- do you know -- is it through the
11:20:47 9 secretary of state --

11:20:48 10 A. I have no visibility -- I don't know. I'm not the
11:20:52 11 best person to ask that. That's not one of the systems
11:20:55 12 that I oversee.

11:20:56 13 Q. Who would be the person to ask?

11:20:59 14 A. Yolanda Morales.

11:21:01 15 MS. SHAH: All right. Thank you.

11:21:05 16 So I think those are my questions. I don't
11:21:12 17 know if any of my colleagues have any follow-up questions.

11:21:19 18 MR. HERRERA: I might have a couple for
11:21:21 19 Promise Arizona.

11:21:21 20 THE VIDEOGRAPHER: Excuse me one moment,
11:21:21 21 Counsel.

11:21:22 22 Mr. Smith, if you wouldn't mind for the video
11:21:24 23 just pushing your screen back away from you a little bit so
11:21:27 24 you're not cut off at the top. I want you full frame,
11:21:31 25 please.

11:21:31 1 Pardon the interruption.

11:21:31 2

11:21:31 3

EXAMINATION

11:21:33 4 BY MR. HERRERA:

11:21:33 5 Q. Hello, Mr. Smith. My name is Ernest Herrera. I
11:21:38 6 represent plaintiffs in this case known as the Promise
11:21:41 7 Arizona plaintiffs. Thanks for your time today.

11:21:44 8 I have a couple of quick questions. And we
11:21:46 9 can pull up the relevant documents if you need them, but
11:21:50 10 I'll just try to ask you really quickly.

11:21:52 11 In -- well, first of all, I think we
11:21:55 12 established you worked with ADOT on developing the customer
11:21:59 13 extracts that Ms. Shah was just asking you about; right?

11:22:04 14 A. Yes. I was on the project during that time, yes.

11:22:09 15 Q. Okay. And in developing those -- specifically the
11:22:12 16 "NonCitizen" field that is a part of the noncitizen
11:22:16 17 customer extract, did you have anything to do with helping
11:22:21 18 -- or working with ADOT on developing that field?

11:22:27 19 A. Not that I have any recollection, no. That was
11:22:33 20 nothing that I can recall, no.

11:22:35 21 Q. Did you make specific requests to ADOT in
11:22:39 22 developing that noncitizen customer extract in terms of
11:22:43 23 what kinds of data the secretary's office wanted?

11:22:49 24 A. I may have been involved. I would have to take a
11:22:54 25 look at forwarding information, but I did not have any

11:22:58 1 formal drafts or anything that I worked on personally. Not
11:23:03 2 that I recall.

11:23:03 3 Q. Sure. Let me just ask it perhaps more simply or
11:23:07 4 in plainer terms.

11:23:09 5 When working on that noncitizen customer
11:23:13 6 extract with ADOT, did you -- were there certain things
11:23:19 7 that -- that you wanted on behalf of the secretary's
11:23:23 8 office?

11:23:27 9 A. Not that I can recall in the specifics.

11:23:31 10 Q. What would help you recall that?

11:23:35 11 A. I would probably have to go back and take a look
11:23:38 12 at our emails that had gone through at that time. But I
11:23:46 13 don't have those in front of me right now, so I can't
11:23:49 14 recall the specifics of.

11:23:54 15 Q. Did you ever ask -- let me just -- so in the --

11:24:04 16 MR. HERRERA: Is someone talking? Sorry. Or
11:24:08 17 am I getting feedback?

11:24:09 18 MR. WHITAKER: Richard, I think you're
11:24:11 19 unmuted.

11:24:18 20 MR. HERRERA: Are we good? All right.

11:24:19 21 BY MR. HERRERA:

11:24:20 22 Q. Sorry about that, Mr. Smith.

11:24:26 23 So let me just try to pull up one of the
11:24:29 24 exhibits, if I can find it.

11:24:49 25 Are you familiar with the "NonCitizen" field

11:24:51 1 that is in the noncitizen customer extracts from ADOT?

11:24:58 2 A. I am not familiar with that field specifically,

11:25:01 3 no.

11:25:03 4 Q. It's the one that says "N" for -- or it's one that
11:25:09 5 has a value for if someone is supposedly a non-U.S. citizen
11:25:15 6 and then otherwise the field is null. Do you recall that?

11:25:22 7 A. I don't recall that specifically, but that sounds
11:25:26 8 logical.

11:25:27 9 Q. Okay. And do you recall working on developing
11:25:33 10 that field with ADOT?

11:25:40 11 A. Not -- not that I recall. I've had so many
11:25:43 12 projects with ADOT, I can't remember the specifics of them.
11:25:46 13 My apologies.

11:25:46 14 Q. So you'd have to see the actual document in front
11:25:49 15 of you?

11:25:50 16 A. That would be ideal, yes.

11:25:52 17 Q. Bear with me one moment while I try to find this.

11:26:24 18 A. Most certainly.

11:26:24 19 Is it in the exhibits? Should I have that
11:26:27 20 pulled up as well?

11:26:29 21 Q. Yes.

11:26:30 22 MR. HERRERA: Does anyone remember which one
11:26:32 23 was the ADOT -- was it exhibit -- the ADOT extracts?

11:26:41 24 MS. KANTER COHEN: The list of fields or the
11:26:43 25 ADOT exhibit?

11:26:44 1 MR. HERRERA: The list of fields. My
11:26:46 2 apologies. I'm doing this on the fly a little bit.
11:26:49 3 MS. KANTER COHEN: You could use 267.
11:26:52 4 MR. HERRERA: Sorry?
11:26:53 5 MS. KANTER COHEN: You could use 2- -- 267 --
11:26:59 6 sorry.
11:27:02 7 MR. WHITAKER: I think it's Exhibit 279. Is
11:27:05 8 that what you're referring to? The email that listed
11:27:08 9 the --
11:27:08 10 MS. KANTER COHEN: [Indiscernible] Jorgensen
11:27:08 11 113.
11:27:08 12 THE COURT REPORTER: Ms. Kanter Cohen, can
11:27:16 13 you repeat that? I didn't hear what you said.
11:27:16 14 MS. KANTER COHEN: I think Jorgensen 113 in
11:27:19 15 the Dropbox or the one that was already used that, I think,
11:27:24 16 someone was just mentioning the number.
11:27:26 17 MR. HERRERA: Oh, yeah. I'll pull that one
11:27:28 18 up here.
11:27:33 19 MR. MORGAN: Which one are you pulling up,
11:27:35 20 Ernest?
11:27:36 21 MR. HERRERA: Exhibit 113 from the deposition
11:27:40 22 of Mr. Jorgensen.
11:27:43 23 MR. MORGAN: Thank you.
11:27:46 24 MR. HERRERA: One moment.
11:27:46 25 BY MR. HERRERA:

11:27:48 1 Q. Okay. Mr. Smith, I am now showing you on the
11:27:52 2 screen share in Zoom Jorgensen Exhibit 113.

11:28:00 3 And I'm going to scroll down to a portion at
11:28:04 4 the top -- do you see that there's an email from you to
11:28:06 5 various parties on December 19, 2022?

11:28:10 6 A. Yes.

11:28:11 7 Q. Okay. So we went over -- Ms. Shah went over this
11:28:14 8 a little bit with you; right?

11:28:19 9 A. Yes, I believe this was something that we had
11:28:21 10 talked about previous.

11:28:23 11 Q. I'm going to go to the -- I'm going to the fourth
11:28:32 12 page of the exhibit -- of the document. And it's
11:28:35 13 Bates-stamped AZSOS-267127.

11:28:44 14 And do you see that it says that there's an
11:28:47 15 -- it says, "SOS Customer Extract." And then underneath,
11:28:51 16 there's the -- there's a list of fields that begin; right?

11:28:56 17 A. Yes.

11:28:57 18 Q. And then I'm going to continue onto the next page,
11:29:00 19 which is AZSOS-267128. Do you see that?

11:29:08 20 A. Yes. I see this next page, yes.

11:29:13 21 Q. Okay. Do you see Item U?

11:29:17 22 A. Yep.

11:29:18 23 Q. And in Item U in this email, it says "noncitizen,"
11:29:23 24 all one word, and then it has a parenthetical; right?

11:29:31 25 A. Yes. Let me -- I can't read the parenthetical on

11:29:34 1 my screen. Give me one second because I have -- the
11:29:36 2 cameras are covering it.

11:29:39 3 No. Sorry. If you could zoom back out to
11:29:42 4 where it was before. I just had to move my windows around.

11:29:45 5 Q. I see. How about that?

11:29:46 6 A. This is perfect. Thank you.

11:29:51 7 Right. I do see there's a parenthetical,
11:29:54 8 yes, which is referencing that it would be blank.

11:29:58 9 Q. Okay. And so in that parenthetical, it says, "The
11:30:00 10 noncitizen" -- referring to the "NonCitizen" field in the
11:30:03 11 extract, it says "will be marked 'Y'" -- the letter Y --
11:30:11 12 "if ADOT records -- records indicate the person is a
11:30:15 13 noncitizen; this will otherwise be blank"; right?

11:30:21 14 A. Yes. That's what it states, yes. Correct.

11:30:24 15 Q. Do you recall if this is what is reflected in the
11:30:29 16 current customer extract from ADOT that the SOS receives?

11:30:34 17 A. Not that I recall because I don't have visibility
11:30:38 18 of those. So I have not actually seen the extract as they
11:30:44 19 have come into the FTP server.

11:30:47 20 Q. Okay. Do you know who does look at them in the
11:30:51 21 FTP server as they come in every month?

11:30:54 22 A. So who -- who would have visibility of that would
11:30:57 23 be our vendor who maintains those interfaces. But I don't
11:31:02 24 think that the files are actively being looked at, as they
11:31:08 25 are just being received in the system. We don't have any

11:31:11 1 logic to import them.

11:31:13 2 Q. So no one in the secretary's office is looking at
11:31:16 3 those extracts in the FTP server every month?

11:31:22 4 A. That would be through extension of our vendor. So
11:31:25 5 our vendor is the one -- I believe in this email, if you
11:31:30 6 scroll up -- I think it was to the third page -- you can
11:31:33 7 see what they're referring to right here. Sorry. If you
11:31:36 8 scroll back down. Right there.

11:31:38 9 That's -- yeah. So "On behalf of the SOS, I
11:31:41 10 have checked on these files and can confirm that we can
11:31:43 11 access and download them."

11:31:46 12 So that is the file that you're seeing right
11:31:47 13 there. So on behalf of the SOS, that is from Kevin Kumpf
11:31:51 14 from INEXL.

11:31:51 15 Q. And is anyone --

11:31:55 16 THE WITNESS: Give me one moment. I'm sorry.
11:31:57 17 Give me one moment. I just need to grab my chair that's
11:32:01 18 right behind me. So I just need a five-second break. I'm
11:32:04 19 going to step out of frame.

11:32:05 20 MR. HERRERA: No problem.

11:32:13 21 THE WITNESS: All right. I am back. Thank
11:32:14 22 you.

11:32:17 23 MR. HERRERA: No problem.

11:32:17 24 BY MR. HERRERA:

11:32:20 25 Q. So INEXL -- that's spelled I-N-E-X-L. I think it

11:32:24 1 was discussed yesterday -- is the -- is the vendor; right?

11:32:30 2 A. INEXL is our vendor, yes.

11:32:33 3 Q. Now, is anyone from the secretary's office, as far
11:32:37 4 as you know, communicating with INEXL about these monthly
11:32:43 5 customer extracts from ADOT?

11:32:46 6 A. No, not that I'm aware of.

11:32:50 7 Q. Now, going back to the last page of Exhibit 113
11:32:57 8 and looking again at Item U, the "NonCitizen" field or
11:33:00 9 proposed field as it was at that time. Does looking at
11:33:06 10 this help you recall working with ADOT in designing this
11:33:11 11 customer extract?

11:33:15 12 A. I mean, I recall these emails that went on about
11:33:18 13 it, but I didn't have a -- I don't have any recollection of
11:33:24 14 having a personal level of picking these fields. My
11:33:30 15 understanding is that these fields are being provided by
11:33:34 16 ADOT and what's in their system.

11:33:39 17 Q. And did the secretary's office ask for this field
11:33:49 18 to be created?

11:33:53 19 A. That I -- I don't recall. I don't recall how this
11:34:00 20 field came about. It was already there [indiscernible].

21 THE COURT REPORTER: Can you repeat the end
22 of it? "It was already there" what?

23 THE WITNESS: I'm sorry. Are you asking me
24 to repeat my answer?

25 THE COURT REPORTER: You cut out at the end.

1 You said, "It was already there" --

11:34:17 2 THE WITNESS: No. What I had said is -- I
11:34:20 3 said, I don't recall if this was something that had to be
11:34:22 4 created or if this was a field that was already in their
11:34:26 5 system previously.

11:34:30 6 Can you -- did you -- did you hear me better?

11:34:31 7 THE COURT REPORTER: Yes.

11:34:34 8 BY MR. HERRERA:

11:34:39 9 Q. Now, do you know how ADOT fills or comes up with
11:34:49 10 the -- let me start that again.

11:34:51 11 Do you know how ADOT produces the value in
11:34:56 12 this "NonCitizen" field in the customer extract?

11:35:05 13 A. I -- I don't.

11:35:07 14 Q. Do you know if the "NonCitizen" field -- please go
11:35:12 15 ahead.

11:35:12 16 A. I was going to say I don't -- I don't recall --
11:35:19 17 yeah, I -- not at this moment.

11:35:24 18 Q. Okay. And is this something that you -- did you
11:35:28 19 go and review this in preparation for the deposition?

11:35:33 20 A. I did not review this particular list, no. I had
11:35:41 21 discussions with my counsel about these files, but I don't
11:35:48 22 recall going through this particular list.

11:35:53 23 Q. Do you do you know if, in producing this customer
11:36:03 24 extract on a monthly basis, if ADOT cross-references
11:36:09 25 certain data to come up with a value to put in the

11:36:13 1 "NonCitizen" field?

11:36:17 2 A. I don't know. I don't have visibility of how they
11:36:20 3 gather their data in their system.

11:36:23 4 Q. Besides this "NonCitizen" field, did the
11:36:28 5 secretary's office, in developing the customer extract from
11:36:31 6 ADOT for the purpose of implementing 2243, request any
11:36:37 7 other fields or data concerning MVD customers' citizenship
11:36:47 8 or immigration status?

11:36:52 9 MR. LANGHOFER: Asked and answered.

11:36:55 10 THE WITNESS: Can you repeat the question?

11:36:58 11 BY MR. HERRERA:

11:36:59 12 Q. Sure.

11:37:00 13 So besides this "NonCitizen" field that we're
11:37:02 14 looking at in this ADOT customer extract, the one that goes
11:37:07 15 to the secretary's office every month, besides that field,
11:37:13 16 did the secretary's office request any other data or fields
11:37:17 17 concerning citizenship or immigration status?

11:37:22 18 MR. LANGHOFER: Same objection.

11:37:23 19 THE WITNESS: I -- I don't recall. I would
11:37:25 20 have to look at the emails and what may have been
11:37:30 21 requested.

11:37:31 22 BY MR. HERRERA:

11:37:32 23 Q. So you'd have to go back and review your own
11:37:34 24 emails to answer that question?

11:37:36 25 A. To feel confident in answering it, yeah. I don't

11:37:40 1 recall the details about that.

11:37:46 2 Q. Besides -- besides you at the secretary's office,
11:37:52 3 was anyone else involved in working with ADOT on the
11:37:56 4 development of this customer extract?

11:38:01 5 A. Yes. Our previous director was heavily involved.
11:38:06 6 Kori Lorick is who that was.

11:38:10 7 Yolanda, my counterpart, she was also
11:38:14 8 involved as well as my direct report Jason Fountain was
11:38:20 9 involved to an extent, but I don't recall him having --
11:38:24 10 other than just being cc'd in the conversation.

11:38:27 11 And then through extension of the SOS, it was
11:38:30 12 also a direct partnership with our vendor as well helping
11:38:34 13 design that.

11:38:38 14 Q. Do you recall who from the secretary's office made
11:38:44 15 the decision to request certain data from ADOT as a part of
11:38:50 16 the customer extract?

11:38:55 17 A. I don't recall specifically, but my assumption
11:38:59 18 would be that would be something that would be under the
11:39:02 19 director and their initiatives.

11:39:06 20 Q. Would it help you to recall the answer to that if
11:39:09 21 you looked at some certain emails?

11:39:12 22 A. Most certainly, yeah.

11:39:13 23 Q. Is there anything else that you might review in
11:39:16 24 order to help refresh your recollection on -- on that point
11:39:19 25 about who decided what data to request from ADOT for the

11:39:24 1 customer extract?

11:39:26 2 A. I would say email would be the primary form of
11:39:30 3 communication between our two agencies.

11:39:50 4 Q. Now, in -- Ms. Shah asked you a little bit about
11:39:55 5 the matching that perhaps would have to be done in order to
11:40:00 6 implement 2243. Do you recall those questions?

11:40:04 7 A. I'm sorry. Can you can you repeat that? I heard
11:40:09 8 2243.

11:40:10 9 Q. Specifically thinking about implementing House
11:40:15 10 Bill 2243, do you recall questions about having to do
11:40:19 11 certain matching between MVD data and voter registration
11:40:26 12 data in order to comply with that law?

11:40:30 13 A. I don't recall that specifically, but, I mean, it
11:40:35 14 sounds like that would be a conversation that would have to
11:40:38 15 have been had. I don't recall the specifics at this time.

11:40:42 16 Q. You don't recall your testimony from a few minutes
11:40:45 17 ago?

11:40:48 18 MR. MORGAN: Form. Argumentative.

11:40:50 19 THE WITNESS: Which part were you -- I'm
11:40:56 20 sorry. I must not completely understand.

11:40:59 21 BY MR. HERRERA:

11:40:59 22 Q. Are you aware that under -- under one of the new
11:41:02 23 challenged laws -- that the new law requires the Secretary
11:41:10 24 of State's Office to compare MVD driver's license data to

A. Yes.

Q. -- there are certain voters who may not be U.S. citizens?

MR. MORGAN: Form. Calls for legal conclusion.

THE WITNESS: Yes.

BY MR. HERRERA:

Q. Okay. And as a part of -- are you aware of that creating the customer extract from ADOT is a part of potentially complying with that law?

MR. MORGAN: Form. Foundation.

MR. LANGHOFER: Legal conclusion.

THE WITNESS: Yes.

BY MR. HERRERA:

Q. Okay. Now, given your background and your work with the secretary's office, what information would you ideally want from ADOT in terms of citizenship or immigration status in order to perform that comparison?

A. Well, I would --

MR. WHITAKER: Form.

THE WITNESS: -- need to have a -- I would assume that we would need to have something similar to what we referred to before, the "NonCitizen" field or a way that we can identify that on the record that is in the MVD system.

A. Right.

Q. -- any other information in order to implement that requirement of the law?

MR. LANGHOFER: Mischaracterizes --

MR. MORGAN: Form.

MR. LANGHOFER: -- prior testimony.

MR. MORGAN: Yeah. Form. Mischaracterizes prior testimony.

THE WITNESS: I don't know. I would -- I don't know the answer to that.

BY MR. HERRERA:

Q. Okay.

MR. HERRERA: Those are all my questions for now.

MR. MORGAN: Anybody else on the plaintiffs' side have any questions?

(An off-the-record discussion ensued.)

EXAMINATION

BY MS. KANTER COHEN:

Q. Hello, Mr. Smith. My name is Michelle Kanter

11:43:33 1 Cohen. I represent the Poder Latinx plaintiffs in this
11:43:36 2 matter.

11:43:38 3 I wanted to turn to the subject of HAVA
11:43:41 4 checks.

11:43:41 5 Are you familiar with HAVA checks?

11:43:45 6 A. I am familiar with HAVA checks, the systematic
11:43:48 7 process, yes.

11:43:51 8 Q. And generally, can you describe for the record
11:43:53 9 what your understanding is of what a HAVA check is?

11:43:58 10 MR. LANGHOFER: Scope.

11:43:59 11 THE WITNESS: A HAVA check is something
11:44:00 12 that -- a HAVA check is something that's performed inside
11:44:03 13 of our system on every voter record update, voter
11:44:11 14 registration so that -- it goes through a series of steps.

11:44:14 15 And the HAVA process -- or the HAVA check
11:44:17 16 itself identifies different things. So the first thing it
11:44:23 17 does is it will help identify citizenship. So it looks to
11:44:28 18 the MVD to find a record in their system to make a
11:44:33 19 one-on-one match.

11:44:37 20 It will also look for duplicates inside of
11:44:39 21 our system as well to make sure that the record is not
11:44:43 22 already existing in our system and we're -- and that record
11:44:47 23 needs to be updated.

11:44:49 24 And then it also has the ability to reach out
11:44:51 25 to the SSA to identify persons. So it's a series of

11:44:58 1 systematic checks that the record goes through.

11:45:03 2 BY MS. KANTER COHEN:

11:45:03 3 Q. And am I correct that there are hard matches that
11:45:06 4 can be made between the AVID and the MVD data?

11:45:14 5 A. Yes, that's correct. There are hard matches and
11:45:16 6 soft matches.

11:45:17 7 Q. What are the criteria to make a hard match?

11:45:23 8 MR. LANGHOFER: Asked and answered. Scope.

11:45:25 9 THE WITNESS: I don't have the direct
11:45:27 10 criteria right in front of me, but it has to do with
11:45:33 11 meeting a certain number of personal identifying
11:45:35 12 information, such as, like - I'm trying to recall.

11:45:37 13 Like, the first three letters of the first
11:45:41 14 name, last name. The last four of Social Security number
11:45:46 15 is included. Driver's license number is included. Date of
11:45:50 16 birth is included.

11:45:51 17 So as long as the record meets the proper
11:45:55 18 number of those values, it is considered a hard match.

11:45:59 19 BY MS. KANTER COHEN:

11:45:59 20 Q. And what is a soft match?

11:46:04 21 MR. LANGHOFER: Same objection.

11:46:05 22 THE WITNESS: A soft match would mean that it
11:46:07 23 meets some of those but not enough to be identified as
11:46:10 24 hard. So it doesn't quite reach that threshold. And it
11:46:14 25 would require a county user to make a determination on

11:46:21 1 whether or not those records are of the same person.

11:46:30 2 BY MS. KANTER COHEN:

11:46:31 3 Q. Can a county recorder in the system decide that
11:46:34 4 none of the soft matches are the same person as the
11:46:38 5 applicant?

11:46:40 6 A. Yeah. If it's a soft match, they can go on and
11:46:44 7 create a new record, yes. My understanding, they can do
11:46:50 8 that.

11:46:50 9 Q. And what information for a soft match is the user
11:46:55 10 able to view?

11:47:00 11 A. I'm sorry. I didn't quite hear that question.

11:47:03 12 Q. What information -- or I should say what fields
11:47:09 13 are -- can the users see when they're looking at the soft
11:47:15 14 match options in the system?

11:47:18 15 A. I don't recall exactly what fields they can see,
11:47:25 16 but they can see that personal identifying information.

11:47:30 17 I'm sorry. Are you asking what can they see
11:47:33 18 in the -- on the voter registration when it's being
11:47:39 19 processed?

11:47:40 20 Q. Maybe it would be better to do it by example.

11:47:43 21 So if -- if I have a list -- I'm the county
11:47:47 22 recorder using the system. And I have a list of soft
11:47:49 23 matches. Am I seeing the full name for those potential
11:47:56 24 soft matches?

11:47:58 25 A. Yes. It's my understanding that when you're

11:48:00 1 comparing those records, if I recall, you're seeing the
11:48:04 2 full criteria information of what record is in the MVD
11:48:08 3 system and what record is in the AVID system, so yes.

11:48:13 4 Q. When the fields are compared between the MVD
11:48:24 5 system and the AVID system, does -- do -- does either
11:48:33 6 system take -- make changes such as eliminating spaces in a
11:48:41 7 -- in a name, apostrophes, hyphens, things like that?

11:48:50 8 A. Sorry. Can you repeat that one more time?

11:48:53 9 Q. So -- actually, I'll use my last name as an
11:48:57 10 example. My last name is Kanter Cohen.

11:48:58 11 A. Okay.

11:48:58 12 Q. There is no hyphen between Kanter and Cohen. That
11:49:02 13 is my legal last name. If I -- if I were a registered -- a
11:49:07 14 registration applicant and I had a driver's license in
11:49:10 15 Arizona, would my name be Kanter Cohen with the space in
11:49:17 16 the system? Would it be Kanter Cohen with no space
11:49:19 17 condensed? Would it be no -- a hyphen inserted? What
11:49:24 18 would -- what would that look like in the system?

11:49:27 19 A. It -- it would match the -- like, if it was coming
11:49:27 20 from the MVD, like through an EZ Voter transaction, it
11:49:38 21 would match the field on how it was entered in their
11:49:40 22 system. So our system has the ability to -- to process all
11:49:48 23 of those examples.

11:49:50 24 Q. So would the system understand that Kanter Cohen
11:49:53 25 without a space was the same as Kanter Cohen with a space

11:49:56 1 or no?

11:49:58 2 MR. WHITAKER: Form.

11:49:59 3 THE WITNESS: As long as that was entered in
11:50:00 4 when it was submitted in the last name field that way, then
11:50:04 5 yes, the system would be able to identify that there can be
11:50:07 6 multiple names in one field.

11:50:10 7 BY MS. KANTER COHEN:

11:50:12 8 Q. I guess what I'm asking is: When it's being
11:50:14 9 matched between the MVD system and whatever was entered,
11:50:17 10 say, from a paper form in the AVID system, does the system
11:50:23 11 understand -- can the system process variations in the
11:50:29 12 name, such as spacing, misspellings, apostrophes, things
11:50:36 13 like that, or does it have to be exact between the last
11:50:39 14 name entered in AVID and the last name, for example,
11:50:42 15 entered in MVD?

11:50:43 16 MR. MORGAN: Form.

11:50:44 17 THE WITNESS: Thank you for the
11:50:46 18 clarification. I have a better understanding of what
11:50:48 19 you're asking.

11:50:50 20 No, it is looking for identical matches. So
11:50:53 21 if there is a misspelling in the name, that would
11:50:56 22 potentially cause issues --

11:50:58 23 BY MS. KANTER COHEN:

11:50:58 24 Q. So that field --

11:50:59 25 A. -- in identifying a match.

11:51:02 1
11:51:02 2
11:51:04 3
11:51:06 4
11:51:08 5
11:51:10 6
11:51:11 7
11:51:13 8
11:51:14 9
11:51:17 10
11:51:20 11
11:51:24 12
11:51:25 13
11:51:27 14
11:51:28 15
11:51:29 16
11:51:31 17
11:51:32 18
11:51:35 19
11:51:39 20
11:51:43 21
11:51:48 22
11:51:48 23
11:51:48 24
11:51:49 25

Q. I'm sorry.

You said it would cause issues identifying the match; right?

MR. WHITAKER: Mischaracterizes testimony.

THE WITNESS: Yes.

BY MS. KANTER COHEN:

Q. I'm sorry.

I did -- did I -- I hear you incorrectly? I was just trying to make sure that the court reporter was able to hear the end of your response because I didn't realize you were done. Did I get that right, what you said?

MR. MORGAN: He said "yes" to your question.

THE WITNESS: Are you asking me --

MR. MORGAN: Russ, it's okay.

He said "yes."

MS. KANTER COHEN: Thank you.

BY MS. KANTER COHEN:

Q. So for that field, in this example name, it wouldn't be a match?

A. It would not show as a match, no. Those would be seen as [indiscernible].

THE COURT REPORTER: "Those would be seen as" what?

THE WITNESS: I'm sorry. To -- to -- I just

11:51:51 1 want to make sure that I'm understanding.

11:51:53 2 Are you talking about if someone misspelled

11:51:54 3 your name, your --

11:51:54 4 BY MS. KANTER COHEN:

11:51:54 5 Q. Right.

11:51:58 6 A. Is that what you're referencing in that example?

11:51:58 7 Q. Yes.

11:52:01 8 A. Yeah, so if there is a misspelling in the name,
11:52:03 9 that's going to be seen as a -- as a different value.

11:52:07 10 Q. So for example -- another example, if I entered --
11:52:11 11 if someone entered Cohen as the last name instead of Kanter
11:52:18 12 Cohen on the registration side but the MVD record has a
11:52:22 13 last name as Kanter Cohen, that would also be a nonmatch
11:52:27 14 for a last name?

11:52:29 15 A. Well, depending on the other criteria, but yes.

11:52:32 16 So -- so sorry. So to answer your question, yes, that

11:52:37 17 would be a nonmatch for that last name. But depending on

11:52:41 18 the other personal identifying information that could go

11:52:46 19 into what we call the soft match; right? So that would be

11:52:49 20 up to the determination of the county recorder's office to

11:52:53 21 investigate further.

11:52:58 22 Q. Understood.

11:52:58 23 So the different set of questions about the

11:53:01 24 HAVA check. If someone provides the last four digits of

11:53:04 25 their Social Security number and no driver's license number

11:53:08 1 is provided on a -- talking about a paper form -- can the
11:53:15 2 system still check driver's license records with MVD?

11:53:21 3 A. Yeah. The HAVA check will still perform its
11:53:23 4 process. It will go back looking at that other personal
11:53:26 5 identifying information using date of birth, first name,
11:53:29 6 last name, last four of the social to try and identify a
11:53:32 7 match.

11:53:35 8 Q. Including potentially an MVD match or no?

11:53:40 9 A. Correct. Yeah, yeah, an MVD match, yes.

11:53:45 10 Q. Just a minute.

11:54:06 11 Do you have a sense of how often people have
11:54:11 12 -- voter registration applicants line up with a hard match
11:54:14 13 during a HAVA check process versus how often they -- the
11:54:19 14 county recorder has to go to the soft match process?

11:54:24 15 A. No, I don't have any direct experience in that.
11:54:33 16 At the state level, we don't actually process any of the
11:54:35 17 actual records. So I don't have any direct knowledge of
11:54:41 18 that.

11:54:58 19 Q. Just to clarify, do you know offhand or would you
11:55:01 20 have to look at the technical specs as far as whether you
11:55:05 21 can use the first few letters of a field, such as last name
11:55:08 22 or first name, as far as that match between the AVID and
11:55:18 23 the MVD records?

11:55:19 24 MR. MORGAN: Form.

11:55:19 25 THE WITNESS: I would have to --

11:55:22 1 MR. MORGAN: Wait. Wait. Wait. Form and
11:55:23 2 calls for speculation with regard to what you mean by
11:55:26 3 "technical specs."

11:55:30 4 BY MS. KANTER COHEN:

11:55:30 5 Q. You can answer if you understand the question.

11:55:33 6 A. Thank you.

11:55:34 7 I would have to take a look at those specs.
11:55:37 8 I was not a part of the secretary of state's team when
11:55:42 9 those were actually developed, so I would have to go back
11:55:45 10 and look at the specs. I have seen the specs, but I
11:55:48 11 haven't committed them to memory.

11:55:51 12 Q. Thank you.

11:55:56 13 I want to switch briefly to a new topic.

11:55:59 14 When new laws are passed in Arizona that
11:56:02 15 affect technological processes for voter registration,
11:56:05 16 what's the process for making changes to AVID?

11:56:10 17 A. So the process for making changes to AVID is it
11:56:14 18 will go through a series of approvals. So mostly what it
11:56:23 19 goes through is it goes through a control access board,
11:56:27 20 which is like what we would call a change access board, a
11:56:32 21 -- which we call our enhancement committee, which is
11:56:35 22 comprised of all of the counties. It's ultimately their
11:56:40 23 system that they're paying for.

11:56:40 24 And they help drive the development and the
11:56:45 25 approval process for any enhancements or future logic

11:56:49 1 that's going to be implemented into the system. And then
11:56:51 2 what we do is we partner with them and our vendor; right?
11:56:55 3 So -- and we work on the details of what needs to be
11:56:59 4 designed and what that will look like.

11:57:00 5 And then given their approval, we then go
11:57:03 6 into the development stages.

11:57:05 7 Q. Who in the Secretary of State's Office gives
11:57:08 8 direction to the vendor when decisions need to be made?

11:57:11 9 A. That would be myself.

11:57:22 10 MS. KANTER COHEN: All right. That's all the
11:57:23 11 questions I have for Mr. Smith.

11:57:24 12 Thank you, Mr. Smith. I appreciate your
11:57:26 13 time.

11:57:28 14 THE WITNESS: I guess, one -- I guess to go
11:57:29 15 back to that last question, Michelle, if we may. I guess
11:57:32 16 it's primarily myself. But any leadership position above
11:57:37 17 me who outranks me can also give direction.

11:57:43 18 There have been instances where things have
11:57:45 19 been directed all the way up from the secretary or the
11:57:49 20 deputy secretary in our office. So it's not just me, but
11:57:53 21 that's my primary -- primary role primarily.

11:57:58 22 MS. KANTER COHEN: Understood.

11:58:00 23 THE WITNESS: Okay.

11:58:01 24 MS. KANTER COHEN: Thank you for the
11:58:03 25 clarification.

11:58:06 1 MR. MORGAN: Any other plaintiffs who have
11:58:08 2 not asked questions that have any questions?

11:58:08 3

11:58:08 4 EXAMINATION

11:58:08 5 BY MS. LANG:

11:58:10 6 Q. I have just a couple for you, Mr. Smith. And I
11:58:13 7 appreciate your patience. My name is Danielle Lang. I
11:58:18 8 represent the LUCHA plaintiffs.

11:58:19 9 Very quickly, there was some mention from
11:58:21 10 both you and Ms. Morales about the kind of technical
11:58:25 11 specifications that go into hard- and soft-match criteria
11:58:29 12 for the HAVA check. Do you remember that?

11:58:34 13 A. Yes.

11:58:34 14 Q. Is that a document that you have in your
11:58:36 15 possession or in the office's possession?

11:58:38 16 A. I'm sorry. Are you referring to the technical
11:58:43 17 specs that how we identify hard and soft matching?

11:58:46 18 Q. Yes.

11:58:47 19 Is there a --

11:58:48 20 A. Yes, that is a document that --

11:58:49 21 Q. -- document that --

11:58:49 22 THE COURT REPORTER: One at a time, please.

11:58:50 23 MR. MORGAN: Yeah, let's let him finish the
11:58:53 24 -- the answer.

11:58:54 25 THE WITNESS: Yes, there -- there is a

11:58:57 1 document that lists those specs from when it was originally
11:59:00 2 developed.

11:59:01 3 BY MS. LANG:

11:59:03 4 Q. Excellent. Thank you.

11:59:05 5 And then my only other questions are a little
11:59:08 6 bit about the addressing system within AVID.

11:59:10 7 So sometimes voters are able to provide, you
11:59:13 8 know, a standard address that matches with the
11:59:18 9 TotalAddressing system, and I'm not talking about that
11:59:19 10 situation.

11:59:20 11 Are you familiar with the fact that some
11:59:23 12 voters don't have kind of standard addresses?

11:59:28 13 A. Yes, I am. I am familiar with that process.

11:59:33 14 Q. And voters have the option of trying to provide
11:59:36 15 some other kind of description of their location of
11:59:39 16 residence or a drawing; is that right?

11:59:43 17 A. They can provide that description to the county
11:59:45 18 recorder's office, yes.

11:59:46 19 Q. Can you describe to me kind of how the AVID
11:59:49 20 functionality allows -- scratch that.

11:59:54 21 Can you describe the process by which someone
11:59:57 22 who provides a nonstandard address, like a description or a
12:00:02 23 drawing, can be assigned a precinct and a location of
12:00:09 24 residence within the AVID system?

12:00:14 25 A. Yes, I can.

12:00:16 1 Q. Please, go ahead.

12:00:18 2 A. Okay. Sorry. It's a little bit of a lengthy

12:00:23 3 answer. So I wanted to make sure that that's where we want

12:00:25 4 to go.

12:00:26 5 So the way that the system works is the best

12:00:29 6 way that I would like to describe it to people who haven't

12:00:31 7 seen the system is it would look something very similar to

12:00:35 8 your other mapping softwares that you may be familiar with,

12:00:37 9 like Google Maps.

12:00:39 10 Are you familiar with Google Maps?

12:00:41 11 Q. I am, yeah.

12:00:43 12 A. Okay. Sorry. I know you're the one asking the

12:00:46 13 questions. So -- but, yeah, Google Maps.

12:00:48 14 So the way that it works is that the counties

12:00:51 15 will receive a list of instructions or directions.

12:00:57 16 Sometimes there's like an actual field. I can't do hand

12:01:00 17 gestures, so I'm going to try and describe this.

12:01:01 18 But in the bottom of the registration form,

12:01:02 19 there's like a little -- looks like a cross -- like a plus.

12:01:05 20 And they can use that to actually draw or notate where they

12:01:09 21 live.

12:01:10 22 And then the county recorders can then use,

12:01:12 23 to their investigative ability, where exactly on a map --

12:01:17 24 like a virtual map, like Google Maps, right, is kind of

12:01:22 25 like what our system would look like -- and they can drop a

12:01:24 1 point; right? Or they can create a point, I guess I should

12:01:27 2 say.

12:01:28 3 And then using what's called a

12:01:30 4 latitude/longitude value, that point can then be set to

12:01:33 5 that geographical location so then that voter lives there

6 [indiscernible] --

7 THE COURT REPORTER: "Geographical location."

8 THE WITNESS: So that's the first part of
9 your question.

10 THE COURT REPORTER: You cut out again.

11 You said "that geographical location so" --

12:01:44 12 THE WITNESS: That's where they can then

12:01:46 13 place a spot on the map, a marker, where that is -- that

12:01:52 14 geographical location -- that latitude and longitude point

12:01:55 15 is where that voter resides.

12:01:59 16 BY MS. LANG:

12:01:59 17 Q. And then that information --

12:01:59 18 A. Now, the --

12:01:59 19 Q. Go ahead.

12:02:04 20 A. Sorry.

12:02:04 21 And then I believe there was a second part of

12:02:06 22 your question which was: Now, how is that information

12:02:08 23 actually assigned a precinct value -- right? -- or a

12:02:12 24 precinct part value?

12:02:15 25 So the way that that works is that on this

12:02:15 1 map, inside this system is what we call TotalAddress. The
12:02:19 2 counties can upload a shapefile, and that shapefile is then
12:02:25 3 consumed. It's not stored. But our system reads that
12:02:28 4 shapefile and will then draw precinct part shapes on the
12:02:35 5 map.

12:02:36 6 And that shape itself, as long as any of
12:02:39 7 those points that we referred to before, as long as they
12:02:43 8 reside inside that shape, our system knows that is the
12:02:48 9 precinct part that those registered voters that are
12:02:51 10 registered to that point belong to that person.

12:02:51 11 MR. LANGHOFER: Danielle, I think you're
12:02:51 12 muted.

12:02:51 13 THE WITNESS: Danielle, I saw --

12:02:51 14 MS. LANG: Yeah. That was enormously
12:03:02 15 helpful.

12:03:02 16 MR. LANGHOFER: I'll point that it's 12:03.
12:03:04 17 I've got to leave in 12 minutes, guys. It's a hard stop
12:03:07 18 and so --

12:03:09 19 MS. LANG: I'm almost done, Kory. And I
12:03:12 20 think that I'm the last one, unless the DOJ has anything.

12:03:15 21 BY MS. LANG:

12:03:16 22 Q. So that was all very helpful. Thank you very
12:03:22 23 much, Mr. Smith.

12:03:24 24 How -- do you have any sense of how common it
12:03:30 25 is that folks need to resort to that kind of mapping system

12:03:33 1 as opposed to a standard address?

12:03:37 2 A. I would say it's varying. So it would be hard to
12:03:43 3 answer that specifically without having data in front of
12:03:48 4 me. But I would say every county in Arizona has some
12:03:53 5 number of, you know, nonstandardized addresses. And
12:03:58 6 depending on that county and their, I guess I should say,
12:04:05 7 their makeup of nonstandardized addresses, it can be
12:04:09 8 varying. Some counties have a lot more in percentage
12:04:13 9 nonstandardized addresses than others.

12:04:16 10 Q. Just two more questions on this, and then I'm
12:04:19 11 done.

12:04:19 12 One is when a voter file is produced, you
12:04:25 13 know, and it has all these various fields for each record
12:04:29 14 and one of those fields is address. Right? How is that
12:04:33 15 going to appear in kind of a spreadsheet voter file in the
12:04:38 16 circumstance where a nonstandard address has been used?

12:04:42 17 A. It's going to be the value that the county
12:04:46 18 recorder has saved in that actual address field in the
12:04:49 19 system. So -- and which I'm -- I'm not 100 percent sure.
12:04:57 20 I guess that's -- as far as my visibility goes, that's --
12:05:00 21 that -- how the county recorder makes that determination, I
12:05:04 22 wouldn't be the best person to ask under the residential
12:05:10 23 values.

12:05:11 24 Q. Fair enough. And then --

12:05:13 25 MS. LANG: Actually, that's my last question.

12:05:18 1 So thank you very much.

12:05:21 2 And I'll just pass it off to see if any other
12:05:23 3 plaintiffs have questions.

12:05:30 4 MR. MORGAN: All right. Any of the
12:05:31 5 defendants have questions?

12:05:37 6 MR. WHITAKER: I don't.

12:05:38 7 MR. MORGAN: Okay. Great. Nor do we.

12:05:41 8 With that, let's go off the record. Thanks,
12:05:43 9 Mr. Smith.

12:05:45 10 THE VIDEOGRAPHER: We are off the record.
12:05:53 11 Time on the video monitor is 12:05 p.m. This ends
12:05:56 12 Volume 1, Media Number 2, in the 30(b)(6) depositions of
12:06:00 13 the Secretary of State's Office, by Yolanda Morales and
12:06:04 14 Russ Smith.
