22 BE IT ENACTED BY THE GENERAL ASSEMBLY OF GEORGIA:

23 **SECTION 1.**

24 (a) The General Assembly finds that:

25 (1) The state's current system for sharing criminal case data is not adequate to provide  
26 to all appropriately interested parties, including, but not limited to, law enforcement  
27 agencies and officers, courts, crime victims and other impacted individuals, housing  
28 providers, and employers, complete criminal case data;

29 (2) One recent report indicates there may be as many as 7 million criminal charges  
30 without a final disposition indicated, and, of those, as many as 5.4 million criminal  
31 charges have languished for years;

32 (3) Georgia's citizens and businesses are harmed by incomplete criminal case data. For  
33 example, in thousands of cases, as a result of incomplete criminal case data, citizens'  
34 employability and housing opportunities have been negatively impacted; and

35 (4) A more uniform, modern system and framework for handling criminal case data will  
36 support the state in meeting its obligations to victims to keep them informed as their  
37 perpetrators make their way through the criminal justice system.

38 (b) It is the intent of the General Assembly that criminal case data be complete and  
39 accurately reported to the appropriate state data base and be accessible to state and local  
40 criminal justice agencies, employers, housing providers, victims, and all citizens.

41 **SECTION 2.**

42 This Act shall be known and may be cited as the "Criminal Records Responsibility Act."
