Petitioners,

Civil Case NO. 2:22-cv-02366-JWB-ADM

Judge: Honorable Judge Crabtree

Vs.

BRYAN CASKEY,
SCOTT SCHWAB,
DEREK SCHMIDT,
LAURA KELLY,

Respondents,

MOTION FOR COURT TO STRIKE DEFENDANTS RESPONSE

Petitioners hereby compel the Honorable Court to strike the defendants response (Dkt 18) pursuant to Rule 12(f) in part or whole due to scandalous terms (pg 2) used to describe the plaintiffs allegations as “conspiracy laden” which is hearsay and slanderous. While the claims the plaintiffs allege with actual evidence does not favor the defendants, the claims are backed up with evidence, therefore the term “conspiracy laden” is used by the defendants to deliberately attempt to discredit the plaintiffs to the Court. The term “conspiracy” is defined as “a secret plan by a group to do something unlawful or harmful.” This action the defendants are claiming against the plaintiffs could be a mere projection, as the plaintiffs simply seek truth and for the defendants to prove their claims to be false through evidence.

In addition, the plaintiffs compel the Honorable Court to strike the defendants response (Dkt 18) due to false statements to mislead the Court. Defendants claim the court lacks jurisdiction to handle election matters with State Officials, however according to KS 25-4406(m), mandatory requirements for electronic or electromechanical systems electronic voting shall meet the requirements of the help America vote act of 2002 and **other federal statutes** and regulations governing voting equipment.

Furthermore, on January 6, 2017, Elections became a matter of National Security and were federalized¹ when Jeh Johnson declared so. In fact, the Kansas Secretary of State, defendant Scott Schwab, holds a federal government Top Secret Security Clearance to work with CISA & DHS that support this critical infrastructure.
