CIVIL ACTION

FILE NO. 1:17-cv-2989-AT

**NOTICE OF FILING REGARDING COFFEE COUNTY EQUIPMENT**

This Court has directed additional discovery regarding the access of election equipment in Coffee County. [Docs. 1477]. The Coffee County incidents are also under investigation by the State Election Board, Secretary of State, and Georgia Bureau of Investigation (GBI). *See generally* [Doc. 1476 at 30].

The Secretary's office has determined that it should replace the election equipment in Coffee County. To that end, the Secretary's office will be replacing the following components of Coffee County's election system on Monday, September 26, 2022:

1. All ballot-marking devices;
2. All printers used with ballot-marking devices;
3. All precinct scanners;

4. All flash cards; and
5. All thumb drives.

The existing equipment or forensic images of the existing equipment will be maintained for law-enforcement purposes in coordination with the GBI. A copy of the press release announcing the replacement is attached as Ex. A.

Given the nature of the ongoing discovery in this case, counsel for Plaintiffs and Plaintiffs are free to attend in person on Monday when the equipment is being replaced. State Defendants are available for any other questions this Court has regarding the investigation and steps taken by the Secretary's office.

Respectfully submitted this 23rd day of September, 2022.
