**ORDER DENYING TEMPORARY
RESTRAINING ORDER**

This matter is before the Court on the Plaintiffs' October 10, 2022, filing of a Verified Complaint for Declaratory Relief, Temporary Restraining Order, and further Injunctive Relief.

The Court finds the Plaintiffs have not met their burden under TR 65(B) for issuance of an *ex parte* Temporary Restraining Order without notice to the adverse parties and therefore the request for a TRO is **DENIED**.

SO ORDERED, as of the date
