**RE: AVII v. THURSTON
ARK. SUP. CT. CASE NO.: CV-23-755
LETTER REQUESTING ORAL ARGUMENT**

Dear Mr. Clerk:

I am requesting oral argument in this case.

Having said that, if the mindset of the court is something like, "I don't need oral arguments, I see the issues clearly and can resolve the case straightaway" (or something like that), then oral arguments are not necessary, and I ask that the court just move forward with its process of writing an opinion.

Thank you for your consideration.

Sincerely

Clinton W. Lancaster
