# *State of Nevada - Initiative Petition – Constitutional Amendment*

The People of the State of Nevada do enact as follows:

## **FULL TEXT OF THE PROPOSED MEASURE**

Article 2 of the Nevada Constitution is hereby amended by adding thereto new sections to be designated as Section 1B and Section 1C, to read as follows:

**Sec 1B. Photo Identification.** Each voter in Nevada shall present photo identification to verify their identity when voting in person at a polling place during early voting or on election day before being provided a ballot. To be considered valid, the photo identification must be current or expired for no more than four years. If the voter is 70 years old or more, the identification can be expired for any length of time, so long as it is otherwise valid. Acceptable forms of identification include:

1. Nevada driver's license.
2. Identification card issued by the State of Nevada, any other State, or the US Government.
3. Employee photo identification card issued by the US government, Nevada government, or any county, municipality, board, authority, or other Nevada government entity.
4. US passport.
5. US military identification card.
6. Student photo identification card issued by a Nevada public college, university, or technical school.
7. Tribal photo identification.
8. Nevada concealed firearms permit.
9. Other form of government-issued photo identification that the Legislature may approve.

**Sec 1C. Voter Verification.** Each voter in Nevada who votes by mail-in ballot shall enter one of the following in the block provided next to the voter's signature for election officials to use in verifying the voter's identity:

1. The last four digits of their Nevada driver's license number.
2. If the voter does not possess a Nevada driver's license, the last four digits of their Social Security number.
3. If the voter has neither a Nevada driver's license or a Social Security number, the number provided by the county clerk when the voter registered to vote.

**The remainder of this page intentionally left blank.**

## DESCRIPTION OF EFFECT

If passed, this initiative would amend the State Constitution to require that all persons voting in person present an approved photo identification before being provided a ballot. It also requires that voters submitting a mail-in ballot provide additional verification of their identity when completing their mail-in ballot using the number provided on their voter registration form when they registered to vote. This amendment will increase voter integrity by ensuring that any person casting a ballot in Nevada is, in fact, the duly registered voter. It will also improve and speed up the mail-in ballot verification process by providing a second, more secure means of verifying that the mail-in ballot was completed by the registered voter. Nevadans want confidence that all ballots submitted during an election are cast only by eligible voters.
