No. CV2024-001942

27 **MOTION FOR STAY**  
28 **PENDING APPEAL**

(Assigned to Hon. Scott Blaney)

29 Defendant Secretary of State Adrian Fontes respectfully requests that the Court stay  
30 a portion of the judgment in this case pending appeal. In particular, the Secretary seeks a  
31 stay of the portion of the judgment permanently enjoining compliance with Chapter 1,  
32 § 9(C)(1) of the 2023 Arizona Elections Procedures Manual (the "EPM"). As explained

1 below, Defendant is likely to succeed on appeal, and Defendant, along with Arizona county  
2 recorders and voters, will be irreparably harmed absent a stay.

### 3 INTRODUCTION

4 Defendants ask the Court to stay only one portion of the judgment here—that part  
5 declaring void and enjoining enforcement of EPM Chapter 1, § 9(C)(1)—which sets forth  
6 procedures for county recorders to follow when implementing A.R.S. § 16-165(A)(9)(b)  
7 that comply with the National Voter Registration Act (“NVRA”). Specifically, Chapter 1,  
8 § 9(C)(1) provides that if a voter informs a jury commissioner that the voter is not a resident  
9 of the county and then does not respond to a notice from the county recorder, the recorder  
10 should move the voter to the inactive voter list pursuant to the process required by 52  
11 U.S.C. § 20507(d)(1)(B)(i)-(ii). *See* [EPM](#), at 41-42. The requested stay would preserve  
12 the status quo and continue the practice that has been in place since the effective date of  
13 A.R.S. § 16-165(A)(9)(b). A practice that comports with the NVRA and protects against  
14 ineligible voters casting a ballot, because any voter on the inactive voter list must affirm  
15 their residence within the county before receiving a ballot. *See* A.R.S. § 16-583(A).

16 Without the requested stay, the Secretary and Arizona’s fifteen county recorders  
17 will be required to change the current practice, which would include engaging the vendor  
18 for the statewide voter registration database to make changes to the system—changes that  
19 would need to be reversed at further cost should the Secretary succeed on appeal.  
20 Moreover, without a stay, a voter who truthfully informs a jury commissioner that the voter  
21 is not at the time of completing the jury questionnaire a resident of the county, but who  
22 then reestablishes residency before the next election, may be disenfranchised if the voter  
23 failed to receive or respond to the notice required by A.R.S. § 16-165(A)(9)(b). Such voters  
24 who have their voter registration immediately cancelled may be disenfranchised if they do  
25 not learn of the cancellation of their voter registration sufficiently in advance of the next  
26 election (including many local elections occurring this year) to re-register. Such  
27 disenfranchisement irreparably harms voters. It is in the public interest to prevent such  
28

1 loss of the right to vote and preserve government resources while the appeal of this matter  
2 is pending. Accordingly, this Court should grant the Motion for Stay Pending Appeal.

### 3 ARGUMENT

4 This Court has authority to stay the enforcement or effect of a judgment while an  
5 appeal is pending. *See* Ariz. R. Civ. P. 54(a) (defining “judgment” as “any order from  
6 which an appeal lies”); Ariz. R. Civ. P. 62(e) (courts may “suspend ... an injunction”  
7 during an appeal “from . . . a final judgment that grants an injunction”); *see also* Ariz. R.  
8 Civ. P. 62(g)(2) (courts “may not require a bond, obligation, or other security” when  
9 granting a stay of a nonmonetary judgment against “the State of Arizona or one of its  
10 agencies or political subdivisions”). The Court should do so here.

11 When analyzing requests to stay the enforcement or effect of a judgment or order  
12 pending appeal, courts apply the same four-factor test used to analyze preliminary  
13 injunction requests. *Smith v. Ariz. Citizens Clean Elections Comm’n*, 212 Ariz. 407, 410,  
14 ¶ 10 (2006). “A party seeking a stay on appeal must . . . establish the following elements:  
15 (1) a strong likelihood of success on the merits; (2) irreparable harm if the stay is not  
16 granted; (3) that the harm to the requesting party outweighs the harm to the party opposing  
17 the stay; and (4) that public policy favors granting of the stay.” *Id.* (parentheses added).  
18 The Secretary meets the requirements for a stay pending appeal on the limited basis sought  
19 here.

#### 20 **A. The Secretary is likely to succeed on the merits of this appeal.<sup>1</sup>**

21 As an initial matter, the Secretary believes that he is likely to succeed on appeal with  
22 respect to the argument that Plaintiffs lack standing. In view of this Court’s recent  
23 consideration of that question, the Secretary does not repeat the standing discussion here,  
24 but instead incorporates by reference the arguments he made in the preliminary injunction  
25 and motion to dismiss briefing, including the supplemental briefing concerning the effect

---

26 <sup>1</sup> Defendant recognizes that the Court recently concluded that the Plaintiffs succeeded on  
27 the merits. But Defendant must make this request nonetheless. *See* Ariz. R. Civ. App. P.  
28 7(c) (“A party requesting a stay from an appellate court under this Rule must first request  
the stay in the superior court.”).

1 of the Court of Appeals’ decision in *Toma v. Fontes*, 553 P.3d 881 (Ariz. App. 2024),  
2 *review granted* (Jan. 7, 2025). Beyond the question of standing, however, the Secretary  
3 is likely to succeed on appeal because the NVRA preempts A.R.S. § 16-165(A)(9)(b) and  
4 the summary jury reports that county recorders receive from jury commissioners are  
5 insufficient to constitute written confirmation that a voter has changed residence to a place  
6 outside the county under the cases that have interpreted 52 U.S.C. § 20507(d)(1)(A).

7 In its December 19, 2024 ruling (the “Ruling”), this Court concluded that the  
8 Secretary lacks authority to promulgate rules in the EPM that conflict with state law, even  
9 when the rule promulgated complies with federal law that preempts the state law. (Ruling,  
10 at 8 (“The Secretary does not have the authority to overrule and rewrite state law, even in  
11 part, on his mere belief that a conflict exists between state and federal law.”)). This portion  
12 of the Court’s Ruling is at odds with the Supremacy Clause and A.R.S. § 16-142(A)(1),  
13 which provides that the Secretary is “[t]he chief state election officer who is responsible  
14 for coordination of state responsibilities under [NVRA].” *See Ariz. All. for Retired Ams.*  
15 *v. Mayes*, 117 F.4th 1165, 1171 (9th Cir. 2024) (stating that “Arizona’s election laws must  
16 comply with federal voting laws, including the NVRA”). Indeed, taken to its logical  
17 extreme, this Court’s conclusion would require the Secretary to include in the EPM even  
18 blatantly unconstitutional state laws, such as one stating that persons could be barred from  
19 registering to vote if they have not paid a voter registration fee. *See U.S. Const., Amend.*  
20 24 (“The right of citizens of the United States to vote . . . shall not be denied or abridged  
21 by the United States or any State by reason of failure to pay any poll tax or other tax”).  
22 And while not so stark an example, the weight of authority demonstrates that the immediate  
23 cancellation requirement in A.R.S. § 16-165(A)(9)(b) similarly conflicts with federal law.  
24 The Secretary, consistent with his statutory duty to coordinate state NVRA responsibilities,  
25 appropriately recognized the conflict between the state law and the NVRA in the EPM.  
26 *See A.R.S. § 16-142(A)(1).*

1 This Court concluded that the NVRA does not conflict with state law because it  
2 permits cancellation of a voter’s registration if the person “confirms in writing that he or  
3 she has changed residence to a place outside the county.” (Ruling, at 9). But both as a  
4 matter of fact and law, the summary report from the jury commissioner that is provided to  
5 county recorders does not constitute written confirmation of change of county residence  
6 sufficient to comply with the NVRA.

7 In particular, federal appellate courts that have ruled on similar conflicts between  
8 state laws and the NVRA require the written confirmation described in 52 U.S.C.  
9 § 20507(d)(1)(A) to come directly from the registered voter to the county recorder. *See*  
10 *League of Women Voters of Ind., Inc. v. Sullivan*, 5 F.4th 714, 723 (7th Cir. 2021) (“*LWW*  
11 *Ind.*”) (describing the NVRA provision at issue as “it says that a state may not remove a  
12 voter from its voter rolls without either (1) receiving a direct communication from the voter  
13 that she wishes to be removed or (2) going through the NVRA-prescribed process of (a)  
14 notifying the voter, (b) giving her an opportunity to respond, and (c) then waiting two  
15 inactive election cycles before removing her”); *Common Cause Ind. v. Lawson*, 937 F.3d  
16 944, 961 (7th Cir. 2019) (holding that state could not immediately cancel a voter’s  
17 registration when it obtained information from another state that the voter had registered  
18 there because the NVRA states that “[a] State shall not remove the name of a registrant . . .  
19 unless the registrant confirms in writing that the registrant has changed residence”)  
20 (emphasis in original; quoting 52 U.S.C. § 20507(d)(1)(A)).

21 The Arizona law in question here does not provide for such direct communication.  
22 Instead, (1) a prospective juror answers a question on a juror questionnaire about county  
23 of residence, (2) the jury commissioner then creates a summary report of those potential  
24 jurors who asserted that they do not reside within the county, which the jury commissioner  
25 then (3) sends to the county recorder. *See* A.R.S. §§ 16-165(A)(9)(b), 21-314. Because of  
26 the inclusion of the jury commissioner in the chain of events and because the recorder does  
27 not receive the jury questionnaire completed by the juror, the county recorder does not  
28

1 receive the “direct communication from the voter” necessary for immediate cancellation  
2 of a voter registration. *LWV Ind.*, 5 F. 4th at 723-24 (holding that information from voter  
3 registration officials in other states did not constitute the voter communication required to  
4 cancel a voter’s registration without the two-election-cycle inactive period).

5 Following the NVRA process is particularly important here because there is no  
6 standard form of juror questionnaire and voters receive unclear messages about the  
7 potential effect of their answers on their voter registration. Some county jury  
8 commissioners use a form that informs prospective jurors that their voter registration will  
9 be canceled if they state that they do not live within the county. (*See* Exhibit 1, at 3, 9).<sup>2</sup>  
10 Others indicate that the voter registration may be cancelled. (*Id.* at 6, 9, 12, 29, 43, 49, 52).  
11 While the remaining six counties make no mention at all of how the juror questionnaire  
12 responses may affect voter registration. (*Id.* at 14, 16, 36, 39, 45, 55). In addition, many  
13 of the counties’ juror questionnaire forms also state that the information in the juror  
14 questionnaire shall “be limited to use for the purpose of jury selection only, except as  
15 required by Arizona statutes,” but do not otherwise explain A.R.S. § 16-165(A)(9)(b). (*Id.*  
16 at 9, 16). As such, it is far from clear to a prospective juror that by completing the juror  
17 questionnaire he or she is asking the county recorder to cancel the juror’s voter registration.  
18 As such, A.R.S. § 16-165(A)(9)(b) conflicts with the NVRA, which preempts the state law,  
19 and the Secretary is likely to succeed on appeal on this issue.

20 **B. Defendant (and Arizona voters) face irreparable harm absent a stay.**

21 The harm to the Secretary (and to county recorders and the public) is clear if the  
22 Court declines to stay the injunctive relief granted to Plaintiffs. Absent a stay, the Secretary  
23 will need to reprogram the statewide voter registration system to provide for immediate  
24 cancellation of the voter registrations of those who inform jury commissioners that they  
25 are not county residents, instead of moving those voters to inactive for the two-election-

27 <sup>2</sup> This Court may take judicial notice of the content of these court records. *See* Ariz. R.  
28 Evid. 201; *In re Sabino R.*, 198 Ariz. 424, 425, ¶ 4 (App. 2000).

1 cycle period required by the NVRA. The initial programming of the system following  
2 enactment of A.R.S. § 16-165(A)(9)(b) cost an estimated \$ 47,648. (*See Ex. 2*). Additional  
3 funds will be required to reprogram the system to immediately cancel voter registrations,  
4 and even more public money will need to be spent if the Secretary succeeds on appeal to  
5 revert to the current procedures. In addition, the repeated reprogramming will require  
6 investment of time of the Secretary’s staff that cannot be recouped.<sup>3</sup> *See N.Y. v. United*  
7 *States Dep’t of Homeland Security*, 969 F.3d 42, 86 (2d Cir. 2020) (concluding that “costly  
8 revisions to [Medicaid] eligibility systems” supported a finding of irreparable harm).

9 In addition, as explained above, immediately cancelling voter registrations pursuant  
10 to A.R.S. § 16-165(A)(9)(b) violates the NVRA. The Secretary and Arizona’s fifteen  
11 county recorders are thus at risk of actions under 52 U.S.C. 20510—either by the Attorney  
12 General of the United States or a person aggrieved by cancellation of their registration  
13 before the expiration of the two-election-cycle inactive period. This is additional  
14 irreparable harm that may to occur absent a stay.

15 Most important, however, is the likelihood of disenfranchisement of eligible voters.  
16 Any voter disenfranchisement is irreparable harm. *E.g., Ariz. All. for Retired Americans*  
17 *v. Hobbs*, 630 F. Supp. 3d 1180, 1197–98 (D. Ariz. 2022) (“The denial of the opportunity  
18 to cast a vote that a person may otherwise be entitled to cast—even once—is an irreparable  
19 harm.”) (citation omitted). A voter who truthfully informs a jury commissioner that the  
20 voter is not at the time of completing the jury questionnaire a resident of the county, but  
21 who then reestablishes residency before the next election, would be disenfranchised if the  
22 voter failed to receive or respond to the notice required by A.R.S. § 16-165(A)(9)(b). Such  
23 disenfranchisement could affect those who temporarily reside outside their county of  
24 residence for any number of reasons, such as attending college, working as a wildland

---

25  
26  
27 <sup>3</sup> In addition to the statewide voter registration database, Maricopa and Pima Counties  
28 maintain their own voter registration databases that will also need reprogramming.

1 firefighter, or caring for an ailing relative. This alone is sufficient to warrant the stay  
2 pending appeal requested here.

3 **C. The balance of hardships favors the Secretary.**

4 Weighed against the foregoing irreparable harm is the complete lack of harm to  
5 Plaintiffs. As such, the balance of hardships tips sharply in favor of granting a stay. Indeed,  
6 Plaintiffs are not harmed if voters stay on the inactive list. A voter who is moved to the  
7 inactive list for two election cycles before their registration is cancelled because they  
8 reported no longer living within their county of registration can only vote if they first affirm  
9 to election officials their address within the county. *See* A.R.S. § 16-583(A). In short, a  
10 voter who has been moved to the inactive list because they may no longer be a county  
11 resident is only permitted to vote if the voter first confirms their eligibility to vote within  
12 the county. Accordingly, there simply is no harm to Plaintiffs from the requested stay.

13 **D. Public policy favors the requested stay.**

14 Finally, public policy favors a stay. It is the policy of this state to provide for “the  
15 free exercise of the right of suffrage” and also to “to secure the purity of elections and  
16 guard against abuses of the elective franchise.” Ariz. Const. art. 2, § 21, art. 7, § 12. As  
17 explained above, the requested stay will not lead to ineligible voters voting but will guard  
18 against mistaken disenfranchisement of ineligible voters. Moreover, the requested stay  
19 will prevent the waste of government resources that would come from changing the state’s  
20 voter registration system, only to have to change it back if the Secretary succeeds on appeal.  
21 Finally, a stay will prevent the type of judicially-created confusion caused by “conflicting  
22 orders, [that] can themselves result in voter confusion and consequent incentive to remain  
23 away from the polls.” *Purcell v. Gonzalez*, 549 U.S. 1, 4-5 (2006).

24 **CONCLUSION**

25 For the reasons set forth above, each of the *Smith* factors favors the Secretary. A  
26 stay pending appeal is not only warranted, but it also makes good sense given the need to  
27 avoid confusion among election officials and the cost of implementing successive changes  
28

1 to the statewide voter system, the potential to disenfranchise eligible voters, and the fact  
2 that there is no risk of harm to Plaintiffs if this Court grants the requested stay. The Court  
3 should grant this Motion and stay the portion of the judgment that granted declaratory and  
4 injunctive relief regarding EPM Chapter 1, § 9(C)((1) pending appeal.

# JUROR INFORMATION

Please visit the Jury Commissioner's Office web page at [www.sc.pima.gov/jury](http://www.sc.pima.gov/jury) for information of jury service, including answers to frequently asked questions.

## JURY SERVICE

The right of a trial by jury is guaranteed by the U.S. Constitution and the Arizona Constitution. **FAILURE TO APPEAR AS DIRECTED MAY SUBJECT YOU TO PENALTIES PROVIDED BY LAW.**

## LENGTH OF SERVICE

Your jury service is for **ONE DAY OR ONE TRIAL**, so if you report be prepared to stay at the courthouse for the entire day, passibly from 7:30 a.m. until 5:00 p.m. If you are excused on your first day, your jury service will be over. If sworn as a trial juror, your jury service will continue until the trial is completed. The average trial lasts two to three days, but could be longer.

## COMPENSATION

If you are not chosen as a trial juror, you will be compensated only for the mileage rate for one day. If you are selected to be a juror, you will receive \$12.00 per day of service plus the mileage rate per day. Employers are not required by law to pay employees their regular salary or wage while on jury service, but many do. Please check your employer's policy. If you or your employer have questions about your jury service, please contact the jury office. You can be reimbursed for lost income.

## COURTROOM ATTIRE

The temperature of the jury assembly areas and courtrooms can be unpredictable. Jurors are encouraged to dress accordingly. Miniskirts, shorts, skorts, tank tops, halter tops, and flip flops are not permitted. If you appear wearing these items, you may be required to return home at your own expense to change or you may be given a new report date.

You may be sent to another building for your service, so please wear comfortable shoes and dress appropriately for the weather.

## DIRECTIONS AND PARKING

Pima County Superior Courthouse is located at 110 W. Congress Street, on the northwest corner of Church and Congress streets in downtown Tucson. Pima County Consolidated Justice Court is located at 240 N. Stone, just north of Alameda.

For a detailed map of the downtown area showing the courthouse and available parking, please visit the Jury Commissioner's Office web page at [www.sc.pima.gov/jury](http://www.sc.pima.gov/jury).

The County does not provide free parking for jurors and there is no designated juror parking area.

Reduced rate parking is available at the Public Works Garage, 50 W. Alameda Street, which is on the north side of Alameda Street between Stone and Church. Please bring your Public Works Garage parking ticket to the jury room to be validated.

Because you may be at the courthouse all day, please do not park at a meter or in short term lots.

If you live near a bus route, you may wish to take a bus to the downtown area. Call Sun Tran at (520) 792-9222 for route information.

## SECURITY

The Court has a security system consisting of metal detectors and x-ray machines. Anything considered to be a weapon or that is deemed unacceptable by the security officers will be confiscated and/or dealt with appropriately. Certain common household items such as glass containers, metal utensils, crochets, needles, scissors, metal nail files, tape measures and tools are **NOT PERMITTED**. For a more complete list of prohibited items visit the Security Restrictions section of the courthouse website at [www.sc.pima.gov](http://www.sc.pima.gov).

## MISCELLANEOUS

Due to the nature of jury service and the court process itself, there are often periods of waiting. We suggest bringing something to help pass the time, such as reading material. There are brief recesses throughout the day, and you will have at least one hour for lunch. Restaurants are located within walking distance or you may bring your lunch.

## JURY OFFICE

If after reading both sides of this Jury Summons you still have questions about your jury service, please visit the jury website at [www.sc.pima.gov/jury](http://www.sc.pima.gov/jury) or call the jury office at (520) 724-4222 Monday through Friday, from 7:00 a.m. to 5:00 p.m., except holidays. Hearing impaired jurors may call 7-1-1 to reach Arizona Relay Service.

DETACH AT PERFORATION - KEEP TOP PORTION
