PROCEEDINGS

The Court held a Status Conference via Zoom Video Conference.

The Court requested the parties jointly propose a briefing schedule for the remedial phase of the trial by the close of business tomorrow, May 7, 2024.

The State of Louisiana will file a brief by close of business tomorrow, May 7, 2024, explaining the feasibility of the Louisiana Legislature enacting a new Congressional map in time for the 2024 Congressional election. Among the other items discussed, the brief shall clearly state whether there is a legislative vehicle to enact a new congressional districting map during the 2024 regular session.

Defendant, Nancy Landry, Secretary of State, was directed to file a brief by the end of the day outlining and explaining the applicable deadlines for the upcoming Congressional election.

The Court will consider the briefing and the parties' scheduling proposals and enter a scheduling order forthwith.
