Re: Citation of Supplemental Authority, *Minnesota Alliance for Retired Americans Educational Fund v. Simon* (No. A24-1134)

Dear Ms. Rutherford-Block:

Pursuant to Minnesota Rule of Civil Appellate Procedure 128.05, Petitioners write to notify the Minnesota Supreme Court of the attached ruling in *Get Loud Arkansas v. Jester*, No. 24-2810, 2026 WL 881736 (8th Cir. Mar. 31, 2026). There, the Eighth Circuit affirmed the district court's preliminary injunction against an Arkansas Board of Election Commissioners rule requiring wet signatures on voter registration applications and prohibiting digital signatures, concluding that it likely violates the Materiality Provision of the Civil Rights Act. *See id.* at *5. This authority relates to Petitioners' argument that Minnesota's witness requirement is immaterial in determining a voter's qualifications and therefore violates the Civil Rights Act. *See* Petitioners' Br. 37–39; Petitioners' Reply Br. 22–26.

Very truly yours,
