FOR THE DISTRICT OF NEW JERSEY

ANDY KIM, *et al.*,

Plaintiffs,

v.

CHRISTINE GIORDANO HANLON, in
her official capacity as Monmouth County
Clerk, *et al.*,

Defendants.

Case No. 3:24-CV-1098-ZNQ-TJB

Civil Action

COURT ORDER
APPROVING SETTLEMENT AND
DISMISSAL AS TO DEFENDANT
NANCY PINKIN

Pursuant to Fed. R. Civ. P. 41(a)(2), Defendant Nancy Pinkin ("Middlesex County Clerk"),
(1) agrees she will no longer contest Plaintiffs' claims in this litigation (No. 3:24-cv-1098); and
(2) agrees:

1. Middlesex County Clerk will not prepare, disseminate, use, display, or count any primary election ballot, in any form, whether on paper or electronic, that:
 - a. Is designed by columns or rows, rather than by office sought;
 - b. Positions candidates on the primary election ballot automatically based upon a ballot draw among candidates for a different office;
 - c. Places candidates such that there is an incongruous separation from other candidates running for the same office;

- d. Places candidates underneath another candidate running for the same office, where the rest of the candidates are listed horizontally, or to the side of another candidate running for the same office, where the rest of the candidates are listed vertically; and
 - e. Brackets candidates together on the ballot such that candidates for different offices are featured on the same column (or row) of the ballot;
 2. Middlesex County Clerk agrees that it will not conduct draws for primary ballot positions that do not include a separate drawing for every office and candidate, and where every candidate running for the same office has an equal chance at the first ballot position.
 3. Middlesex County Clerk agrees that it will use a single primary election ballot for all voters, whether mail-in, at a polling site, or otherwise, that is organized by office sought (commonly known as "office-block ballot,") rather than by column or row, and which implements for each office on the ballot, a randomized ballot order system (e.g. random draw) which affords each candidate for the same office an equal chance at obtaining the first ballot position.
 4. The Plaintiffs and Middlesex County Clerk agree to be subject to the jurisdiction of this Court for the purpose of ensuring compliance, and/or seeking guidance on any potential conflicting court orders relating to ballot design, and/or interpretation or application of Section 7 of this agreement.
 5. Middlesex County Clerk will honor any directives of the court as it relates to ballot design;
 6. Pursuant to 42 U.S.C. § 1988 and the New Jersey Civil Rights Act, the parties have agreed to an award of counsel fees and costs in favor of Plaintiffs, and payable by the Middlesex

County Clerk of \$32,532.90 to Weissman & Mintz, LLC, to be paid within thirty (30) days of the date this court order goes into effect;

7. Middlesex County Clerk is relieved from its obligations under this agreement if:
 - a. A subsequent court order from a court of competent jurisdiction rules that, this order notwithstanding, the Middlesex County Clerk does not have the discretion to enter into this agreement and / or ignore bracketing¹ requests of political parties. The Middlesex County Clerk is obligated to provide any court hearing a case related to the same subject matter of this litigation with a copy of this Order.
 - b. A subsequent court order from a court of competent jurisdiction rules that, this order notwithstanding, failing to honor bracketing requests of political parties will result in a constitutional violation. The Middlesex County Clerk is obligated to provide any court hearing a case related to the same subject matter of this litigation with a copy of this Order.
 - c. The New Jersey legislature passes new legislation that supersedes, amends, or replaces the statutory provisions that are the subject of this litigation, such that compliance with such new legislation and terms of this order would be impossible. However, if such new legislation is subject to an injunction or otherwise ruled invalid, then Middlesex County Clerk will comply with this Order.
8. If any dispute arises by or among the parties of this agreement regarding its interpretation/application, this Court retains jurisdiction to decide the dispute.

1. Nothing in this agreement prevents the Clerk from honoring requests for a common slogan among multiple candidates seeking the same or different offices. By "bracketing," this order refers to positioning candidates together in a non-office block format, or any other form of presenting candidate names or grouping candidate names which prevents a separate, equal, and randomized draw and/or equal presentation of each candidate for each office.

9. In the event that the Plaintiffs enter into a settlement agreement or consent order with another County Clerk's Office whose terms are different from this order, other than any term in Paragraph 6 or otherwise relating to the attorneys' fees and costs payable to Plaintiffs, Plaintiffs agree to provide the Middlesex County Clerk with notice of such an agreement within ten (10) business days of its approval, and the Middlesex County Clerk shall then have ten (10) business days to notify Plaintiffs if the Middlesex County Clerk desires to have any such agreed upon terms apply to this order. Upon such notification, the amended terms shall apply to this order.

10. If any of the conditions of section 7 of this agreement are met, and this agreement is invalidated, then Defendant Middlesex County Clerk will not renew efforts to intervene in this litigation.

Based on the foregoing, it is stipulated and agreed between Plaintiffs and the Middlesex County Clerk, and subject to the Court's approval below, that this matter is dismissed with prejudice and without costs (subject to Section 6 hereof) as against the Middlesex County Clerk only, and no other party.
