PURSUANT TO NRS 34.160 FOR CLARK
COUNTY REGISTRAR OF VOTERS TO
DETERMINE WHETHER COMMERCIAL
ADDRESSES ON VOTER ROLL ARE
ACCURATE AS REQUIRED BY NRS
293.530**

Exempt from Arbitration

- Action for Declaratory Relief

- Action Seeks Equitable or Extraordinary Relief
- Action Presents Unusual Circumstances that Constitute Good Cause for Removal from Arbitration Program

Petitioners Frederick H. Kraus (Kraus), Joey Paulos (Paulos) and Public Interest Legal Foundation (the "Foundation") submit this Petition for Writ of Mandamus to compel the Clark

1 County Registrar of Voters to perform her duties as required by NRS 293.675 and NRS 293.530 to
2 determine whether commercial addresses on the voter roll are accurate and, if not, make
3 corrections.

4 NATURE OF THE CASE

5
6 1. Nevada law mandates that “[e]ach county clerk shall use the database created by the
7 Secretary of State pursuant to this subsection to collect and maintain all records of preregistration
8 and registration to vote.” NRS 293.675. That list must, in relevant part, “[be] regularly maintained
9 to ensure the integrity of the registration process and the election process.” NRS 293.675(3)(i).

10 2. Pursuant to Nevada law, “County clerks may use any reliable and reasonable means
11 available to correct the portions of the statewide voter registration list which are relevant to the
12 county clerks and to determine whether a registered voter’s current residence is other than that
13 indicated on the voter’s application to register to vote.” NRS 293.530(1)(a).

14
15 3. Petitioners brought to Respondent’s attention evidence concerning whether
16 residential addresses listed on the statewide voter registration list are accurate as there is no
17 indication that individuals reside at the specific locations identified. Petitioners sought
18 Respondent’s compliance with state law regarding the accuracy of the statewide voter list through
19 investigations of specific addresses for accuracy. Respondent has not acted. Petitioners have no
20 other remedy at law and herein seeks a writ of mandamus ordering Respondent to investigate
21 possible commercial addresses.
22

23 PARTIES

24 4. Petitioner Kraus is an individual registered to vote in Nevada.

25 5. Petitioner Paulos is an individual registered to vote in Nevada.

26 6. Petitioner Public Interest Legal Foundation, Inc., (the “Foundation”) is a non-
27 partisan, public interest organization incorporated and based in Alexandria, Virginia. The
28

1 Foundation seeks to promote the integrity of elections in Nevada and other jurisdictions nationwide
2 through research, education, remedial programs, and litigation. The Foundation regularly analyzes
3 the programs and activities of state and local election officials to determine whether lawful efforts
4 are being made to keep voter rolls current and accurate. The Foundation also uses records and data
5 to produce and disseminate reports, articles, blog and social media posts, and newsletters to advance
6 the public education aspect of its organizational mission.
7

8 7. The Foundation has devoted significant resources to analyzing Nevada's statewide
9 voter list. In conducting its analysis, it identified numerous addresses listed as residential that
10 appeared to be commercial buildings. The Foundation conducted a similar analysis in the past and
11 documented its findings in a video. *See* "Voting from Nevada Businesses," Public Interest Legal
12 Foundation, <https://vimeo.com/465165902>.
13

14 8. The Foundation is especially concerned with the accuracy of Respondent's voter
15 roll given that Nevada has recently expanded voting by mail. The Foundation has studied the effects
16 of errors on Nevada's statewide voter list in terms of mail ballots being sent to incorrect addresses.
17 *See* "223 Clark County NV Mail Ballots Went to Wrong Addresses in 2020 Primary,"

22

23 9. Respondent Portillo is the Clark County Registrar of Voters. "The registrar of
24 voters...shall assume all of the powers and duties vested in and imposed upon the county clerk of
25 the county with respect to elections..." NRS 244.164(2). "The county clerk shall maintain records
26 of any program or activity that is conducted within the county to ensure the accuracy and currency
27 of the statewide voter registration list for not less than 2 years after creation." NRS 293.503(3).
28

10. Respondent Portillo's responsibilities as to the accuracy of the voter roll are heightened by Nevada's expansion of voting by mail.

11. Respondent Portillo is named in her official capacity only.

JURISDICTION AND VENUE

12. This Court has jurisdiction to issue writs of mandamus pursuant to Article 6, Section 6 of the Nevada Constitution and NRS 34.160. "A writ of mandamus is available to compel the performance of an act that the law requires as a duty resulting from an office, trust, or station or to control an arbitrary or capricious exercise of discretion." *Int'l Game Tech., Inc. v. Second Judicial Dist. Court*, 124 Nev. 193, 197, 179 P.3d 556, 558 (2008).

13. This Court is the proper venue as it is where the Respondent is located.

GENERAL FACTUAL ALLEGATIONS

Nevada Law Requires Respondent to Maintain the Voter Roll

14. NRS 293.675 states, in relevant part:

NRS 293.675 Establishment and maintenance of centralized database of voter registration information; creation of statewide voter registration list; duties of Secretary of State; requirements for list; duties of county and city clerks and Department of Motor Vehicles; verification of information with Social Security Administration; agreements with state agencies to provide information necessary for list; exchange of information with chief election officers of other states.

1. The Secretary of State shall establish and maintain a centralized, top-down database that collects and stores information related to the preregistration of persons and the registration of electors from all the counties in this State. The Secretary of State shall ensure that the database is capable of storing preregistration information separately until a person is qualified to register to vote. Each county clerk shall use the database created by the Secretary of State pursuant to this subsection to collect and maintain all records of preregistration and registration to vote.

2. The Secretary of State shall use the voter registration information collected in the database created pursuant to subsection 1 to create the official statewide voter registration list, which may be maintained on the Internet, in consultation with each county and city clerk.

1 3. The statewide voter registration list must:

2 (a) Be a uniform, centralized and interactive computerized list;

3 (b) Serve as the single method for storing and managing the official list of registered
4 voters in this State;

5 (c) Serve as the official list of registered voters for the conduct of all elections in this
6 State;

7 (d) Contain the name and registration information of every legally registered voter in
8 this State;

9 (e) Include a unique identifier assigned by the Secretary of State to each legally
10 registered voter in this State;

11 (f) Except as otherwise provided in subsection 9, be coordinated with the appropriate
12 databases of other agencies in this State;

13 (g) Be electronically accessible to each state and local election official in this State at
14 all times;

15 (h) Except as otherwise provided in subsection 10, allow for data to be shared with
16 other states under certain circumstances; and

17 (i) Be regularly maintained to ensure the integrity of the registration process and the
18 election process.

19 4. Each county and city clerk shall:

20 (a) Electronically enter into the database created pursuant to subsection 1 all
21 information related to voter preregistration and registration obtained by the county or city
22 clerk at the time the information is provided to the county or city clerk; and

23 (b) Provide the Secretary of State with information concerning the voter registration
24 of the county or city and other reasonable information requested by the Secretary of State
25 in the form required by the Secretary of State to establish or maintain the statewide voter
26 registration list.

27 15. NRS 293.530 states, in relevant part:

28 NRS 293.530 Authority of county clerk to correct statewide voter registration list,
determine whether residence is accurate and make investigations of registration;
duty of county clerk to cancel registration under certain circumstances, maintain
records regarding notices of cancellation and designate voter as inactive;
regulations; required notices after certain changes to statewide voter registration list.

1 1. Except as otherwise provided in NRS 293.541:

2 (a) County clerks may use any reliable and reasonable means available to
3 correct the portions of the statewide voter registration list which are relevant to the
4 county clerks and to determine whether a registered voter's current residence is other
5 than that indicated on the voter's application to register to vote.

6 **Nevada Does Not Allow Business Addresses in the "Home Address" Field of the Voter
7 Registration Application**

8 16. Nevada law states, "for the purposes of preregistering or registering to vote, the
9 address at which the person actually resides is the street address assigned to the location at which
10 the person actually resides." NRS 293.486(1). Further, "if the person does not reside at a location
11 that has been assigned a street address, the address at which the person actually resides is a
12 description of the location at which the person actually resides." NRS 293.486(2).

13 17. Nevada law states that the application to register to vote shall include:

14 (b) A line on which to enter the address at which the applicant actually resides, as set
15 forth in NRS 293.486.

16 (c) A notice that the applicant may not list a business as the address required pursuant to
17 paragraph (b) unless the applicant actually resides there.

18 NRS 293.507(4).

19 18. Indeed, the voter registration form for the State of Nevada includes a space for the
20 registrant's residential address. The instructions specifically state as follows:

21 **Box 3 – ADDRESS WHERE YOU LIVE:** Required. Your home address is the street address assigned
22 to the location at which you actually reside. If you reside at a location that has not been assigned
23 a street address, a description of the location at which you actually reside must be provided. A
P.O. Box or business address cannot be listed as a home address.

24 Voter Registration Form, available at <https://www.nvsos.gov/sosvoterregform/>.

25 19. Nevada states that a county clerk shall not knowingly "Preregister or register a
26 person who fails to provide satisfactory proof of identification and the address at which the person
27 actually resides." NRS 293.505(12)(b).
