Civil Action File No. _____

APPLICATION FOR WRIT OF MANDAMUS

Plaintiffs file this Application for Writ of Mandamus pursuant to O.C.G.A. § 9-6-20,
respectfully showing the Court as follows:

JURISDICTION AND VENUE

1.

This Court has jurisdiction over this mandamus action as it concerns Defendants' refusal
to perform duties mandated by state law.

2.

Venue is proper because the DeKalb Board of Voter Registration and Elections office,
including each of its individual staff offices, is in DeKalb County, Georgia.

PARTIES AND JURISDICTION

3.

Plaintiff William Henderson is a DeKalb County Elector with pending vote challenges before the Dekalb County Board of Registrations and Elections.

4.

Plaintiff Dekalb County Republican Party, Inc. (DBA DeKalb GOP) is a political party affiliated with the Republican National Committee and committed to election integrity and electing Republicans in DeKalb County.

5.

Defendants Vasu Abhiraman, Nancy Jester, Anthony Lewis, Susan Motter, and Karli Swift are members of the Board of Registration and Elections (together “DeKalb BRE”) with the responsibility to process election challenges brought under § 21-2-230. Defendants may be served at 1300 Commerce Drive, Decatur, GA 30030, or wherever else they may be found.

FACTUAL BACKGROUND

6.

The State of Georgia has instituted a procedure by which an elector may challenge another elector for individualized removal from voter rolls in certain circumstances. § 21-2-230.

7.

§ 21-2-230 (a) states that “[A]ny elector of the county or municipality may challenge the right of any other elector of the county or municipality, whose name appears on the list of electors, to vote in an election.” It also provides a list of appropriate challenge criteria. § 21-2-230 (b) states that “[u]pon the filing of such a challenge, the board of registrars *shall immediately consider such challenge* and determine whether probable cause exists to sustain such challenge.” § 21-2-230(b) (emphasis added). The only exception to the general rule that board of registrars “immediately consider” challenges, is found in § 21-2-230(b)(1) which states: “[a]ny challenge of an elector within 45 days of a primary, run-off primary, election, or run-off election shall be postponed until the certification of such primary, election, or runoff is completed.”

8.

On August 19, 2024, August 26, 2024 and August 28, 2024, Plaintiff Henderson filed three separate voter challenges under O.C.G.A. § 21-2-230 (“§ 21-2-230”).

9.

Henderson filed his first set of challenges on August 19, 2024, for “electors being registered at a nonresidential address.” § 21-2-230(b). Specifically, the challenges were for electors that used addresses of U.S. Post Offices, UPS Stores, or other Mail Center businesses, not residential addresses. A true and correct copy of Plaintiff Henderson’s challenges for non-residential addresses as found on the DeKalb County Board of Registration and Elections website is attached to this complaint as Exhibit A.

10.

Henderson filed his second set of challenges on August 26, 2024, for registrations where voters have filed a permanent address change with the NCOA system, registered to vote at the new address, and in fact did vote at their new address. A true and correct copy of Plaintiff Henderson's challenges for change of residence as found on the DeKalb County Board of Registration and Elections website is attached to this complaint as Exhibit B.

11.

Henderson filed his third set of challenges on August 28, 2024, for registrations that should have already been removed from the voter rolls under the requirements of O.C.G.A. 21-2-234 and 21-2-235. A true and correct copy of Plaintiff Henderson's challenges for non-compliance with O.C.G.A. 21-2-234 and 21-2-235 as found on the DeKalb County Board of Registration and Elections website is attached to this complaint as Exhibit C.

12.

On September 12, 2024, the DeKalb BRE held a regularly scheduled meeting.

13.

At the September 12, 2024, meeting, the DeKalb BRE did not consider any of Henderson's challenges.

14.

Instead, the DeKalb BRE passed a resolution titled "Resolution Of The Dekalb County Board Of Registration And Elections Relating To The Scheduling Of Voter Challenges Received Less Than Ninety Days Prior To The Date Of A Primary Or General Election" ("DeKalb BRE

Resolution”). The Resolution confirmed that DeKalb BRE would not hear any of William’s challenges despite the statutory obligation to do so.

15.

The DeKalb BRE Resolution referenced language from the National Voter Registration Act (NVRA) that prohibits the State of Georgia or a county Board of Registrars from conducting any program to “systematically remove the names of ineligible voters from the official lists of eligible voters within (90) days of the date of a primary or general election.”

16.

The DeKalb BRE Resolution then went on to state that individual voter challenges were “a program of systematic removal” prohibited by the NVRA if the challenges:

- a. Do not rely upon individualized information or investigation to determine the validity of the individual challenges; or
- b. Use a mass computerized data-matching process to compare the voter rolls with other state and federal databases; or
- c. Lack unique identifiers, indicia of reliability, or evidence of authenticity; or
- d. Lack reliable first-hand evidence specific to individual voters

(together “DeKalb BRE Criteria”).

17.

While the DeKalb BRE Resolution admitted that the NVRA prohibited *states and county Boards of Registrars* from conducting a “systemic removal” program, the DeKalb BRE Resolution then went on to say that it would refuse to process § 21-2-230 challenges from

individual electors if the individual electors did not meet the DeKalb BRE Criteria when making their § 21-2-230 challenges.

18.

The DeKalb BRE Criteria are extra statutory requirements that are not included in state or federal law.

19.

As of the date of filing, Henderson's three § 21-2-230 challenges (Exhibits A-C) have yet to receive a hearing.

20.

There is no constitutional basis by which the NVRA could be deemed to restrict individual efforts to ensure accurate voter rolls.

21.

As noted by the Eleventh Circuit, the NVRA's "90 Day Provision" by its terms only applies to programs which 'systematically' remove the names of ineligible voters." *Arcia v. Florida Secretary of State*, 772 F.3d 1335, 1348 (11th Cir. 2014).

22.

§ 21-2-230 challenge challenges do not remove voters from the voter rolls, so the NVRA provisions prohibiting systematic removal do not apply.

23.

Here, DeKalb BRE would simply conducting a hearing under § 21-2-230 to determine if there is “probable cause” that Plaintiff Henderson’s challenged electors are registered at a nonresidential address, should have already been removed from the voter rolls pursuant to Georgia law, have registered at a new address, or already voted at their new address.

24.

Should DeKalb BRE determine that there is probable cause, the challenged elector remains on the voter rolls and may vote if they refute the grounds of the challenge.

25.

Even if this Court were to determine that a § 21-2-230 challenge is a removal from the voter rolls and thus the NVRA is applicable to this case (a decision that would not comport with the plain reading of the NVRA), a § 21-2-230 challenge is not a systematic removal since the § 21-2-230 challenge is a response to individual information being provided by electors.

26.

The court in *Arcia* made clear that the “90 Day Provision would not bar a state from investigating potential [ineligible voters] and removing them on the basis of individualized information, even within the 90-day window.” *Id.*

27.

A Montana Federal District court further found that, while the state could not conduct a systematic review of the voter rolls, nothing in the NVRA prohibited a political party from conducting a systematic review and such a review “is not necessarily a violation of federal law

by the State of Montana.” *Montana Democratic Party v. Eaton*, 581 F.Supp.2d 1077, 1082 (Mont. 2008).

28.

Thus, DeKalb BRE Criteria are not required by the NVRA and directly violate the statutory mandates of § 21-2-230.

COUNT I

Mandamus

(Failure of Defendants to follow State Law)

29.

The allegations of paragraphs 1 to 22 are incorporated by reference as if fully set forth here.

30.

“All official duties should be faithfully performed, and whenever, from any cause, a defect of legal justice would ensue from a failure to perform or from improper performance, the writ of mandamus may issue to compel a due performance if there is no other specific legal remedy for the legal rights.” O.C.G.A. § 9-6-20

31.

Where the question is one of public right and the object is to procure the enforcement of a public duty, no legal or special interest need be shown, but it shall be sufficient that a plaintiff is interested in having the laws executed and the duty in question enforced. O.C.G.A. § 9-6-24.

32.

Plaintiffs have no other adequate legal remedy available to effectuate the relief sought.

33.

Plaintiffs have a clear legal right to have election challenges heard as § 21-2-230 states that, when an individual elector files a § 21-2-230 challenge, “the board of registrars *shall* immediately consider such challenge and determine whether probable cause exists to sustain such a challenge.” (emphasis added).

34.

§ 21-2-230 then further details what constitutes probable cause, including “an elector who is deceased; an elector voting or registering to vote in a different jurisdiction; an elector obtaining a homestead exemption in a different jurisdiction; or an elector being registered at a nonresidential address as confirmed or listed by or in a government office, data base, website, or publicly available sources derived solely from such governmental sources.”

35.

The DeKalb BRE Resolution directs the DeKalb BRE to violate § 21-2-230 by refusing to consider challenges if the challenges do not meet artificial criteria not included in the statute and not required by any federal law.

36.

The DeKalb BRE has refused to follow the processes mandated by § 21-2-230 in regard to Plaintiff Henderson’s § 21-2-230 voter challenges *See* Exhibits A, B, and C.

PRAYER FOR RELIEF

WHEREFORE, Plaintiffs request relief as follows:

- A. Grant a mandamus nisi, Ga. Code Ann., § 9-6-27, setting this matter for a hearing not less than ten (10) and not more than thirty (30) days after the filing of this Petition;
- B. Upon hearing, issue a mandamus absolute requiring Defendants to immediately process electoral challenges under the express written provisions of § 21-2-230;
- C. Award Plaintiffs their reasonable attorneys' fees and costs in this action pursuant to O.C.G.A. § 13-6-11;
- D. Any other relief this Court deems just and proper.

Respectfully submitted this 17th day of September, 2024.

Exhibit A

RETRIEVED FROM DEMOCRACYDOCKET.COM

**Post Office and UPS Store/ Mail Center addresses used as Residence Addresses.
21-2-230 Challenge**

Honorable DeKalb County Election Board:

As a citizen of Georgia and a resident of DeKalb County, I hereby challenge the attached registrations under GA Code 21-2-230 as having probable cause to indicate they are invalid/illegal under GA Code 21-2-561. These registrations, according to the August 13th, 2024 DeKalb County Voter Roll, have RESIDENTIAL ADDRESSES that are the addresses of either U.S. Post Offices, UPS Stores or other Mail Center businesses that are stand-alone structures. These addresses cannot be used as residential addresses.

It can reasonably be assumed that these addresses contain PO Boxes to which mail can be delivered. While these boxes may belong to a valid elector, it is impossible to determine in which Municipal, State Senate, State House, US Congressional districts, or possibly even what State the elector truly should be qualified to cast a vote.

The image shows a Georgia State Voter Registration form. At the top, there is a 'REQUIREMENT' section stating that if you are submitting the form by mail and you are registering for the first time in Georgia, you are required to submit proof of residence. Below this, there are instructions for where to place a copy of an ID. The form is divided into several sections: 1. LAST NAME, FIRST NAME, MIDDLE OR MAIDEN NAME, SUFFIX. 2. RESIDENCE ADDRESS (House No. and street name), APT. NO., CITY, COUNTY, STATE (GA), ZIP CODE. 3. MAILING ADDRESS (If different from residence address, PO Box or route), CITY, STATE, ZIP CODE. 4. TELEPHONE NUMBER, DATE OF BIRTH, GENDER (Male/Female), RACE/ETHNICITY (Asian, Black, Hispanic/Latino, American Indian, Other). 5. VALID GA DRIVER'S LICENSE OR GA I.D. NO., If no GA Driver's License or GA I.D. No., must provide last 4 digits of your Social Security Number. 6. I SWEAR OR AFFIRM: (Your answer is required under federal law). Are you a citizen of the United States of America? Check 1 line. Yes [] No []. Will you be 18 years of age on or before election day? Check 1 line. Yes [] No []. If you checked 'No' in response to either of these questions, do not complete this form. I SWEAR OR AFFIRM THAT: I reside at the address listed above. I am not serving a sentence for having been convicted of a felony involving moral turpitude. I have not been judicially declared to be mentally incompetent. A WARNING box states: Any person who registers to vote knowing that such person does not possess the qualifications required by law, who registers under any name other than such person's own name, or who knowingly gives false information in registering shall be guilty of a felony. O.C.G.A. § 21-2-561. The form is dated 2024 AUG 19 PM 1:53 and has a watermark 'OFFICE OF DEMOCRACY DOCKET.COM'.

Evidence:

According to the official Georgia State Voter Registration form, shown above, Box 2 is labeled RESIDENCE ADDRESS. Box 3 is labeled MAILING ADDRESS. The MAILING ADDRESS is accompanied by the instructions "If different from residence address. PO Box or route." This reasonably indicates that if the elector chooses to receive mail at a different address, or a PO box, they should list that address in Box 3, Not Box 2.

In addition, Box 6 requires the elector to swear or affirm that they RESIDE at the address listed above. They cannot reside in a Post Office, UPS Store or standalone Mail Center, much less in a box at that location. The WARNING states that any person who knowingly gives false information when

21-2-230 Challenge**

using this form is guilty of a felony (O.C.G.A 21-2-561). It can only be assumed that these stipulations apply to any method in which the elector is registered to vote.

I, as the challenger, am not accusing anyone of committing a felony. However, these registrations, as they are published in the DeKalb County Voter Roll, are illegal on their face. As such, I am challenging these registrations under GA code 21-2-230. These registrations should be marked as CHALLENGED. If any of these electors attempts to vote in the next election, either in person or by absentee, the elector should be required to show proof of their DeKalb County RESIDENCE ADDRESS and amend the registration in accordance with the procedures set forth in GA Code 21-2-230.

To be clear, GA Code 21-2-230 does NOT entail any registrations or electors to be removed from the voter roll. So, the NVRA 90-day rule does not apply. GA Code 21-2-230 states a 45-day rule for submission of this type of challenge. This challenge is well outside that period. The Elections Board must determine whether probable cause exists to sustain this challenge.

In determining probable cause, GA Code 21-2-230 states: "Probable causes shall include, but not be limited to, an elector who is deceased; an elector voting or registering to vote in a different jurisdiction; an elector obtaining a homestead exemption in a different jurisdiction; or an elector being registered at a nonresidential address as confirmed or listed by or in a government office, data base, website, or publicly available sources derived solely from such governmental sources."

I have compiled a list of the official addresses of US Post Offices in DeKalb County from the website: <https://postofficepage.com/unitedstates/georgia>

I have compiled a list of UPS Stores and related Mail Centers in DeKalb County from the website: <https://locations.theupsstore.com/ga>

In addition, GA SB189, passed and signed into law states (Section 4 (a) (2) (C)): "Proof of ownership or rental of a post office box or private mailbox service address within a particular jurisdiction shall not constitute sufficient grounds to establish a person's residency within that particular jurisdiction."

I have verified those addresses by searching Google Maps to show the structures that exist at those addresses. I would be glad to furnish my complete lists upon request.

All of the registrations I have listed in this challenge have an EXACT MATCH to the addresses of either a USPS address or a UPS Store or Mailing Center. This is NOT a 'systematic search'.

I further testify that I do not personally know any of these electors, nor have I tried to contact any of them. All of the research done for this challenge was carried out by me alone.

So, in conclusion, there exists substantial 'probable cause' for each one of these registrations to be verified and corrected via a 21-2-230 challenge. Each one lists an invalid and potentially illegal address. It is verified by a list of addresses from valid public websites that have no reason to misinform their customers, and by locating and showing photographs of the structures that exist at these addresses from the Google Map website, which millions of people rely on for accurate information. These structures are either free standing buildings or part of a commercial property

with no apparent residential units. Since these structures are not residential buildings, it is impossible to determine where and in what precinct, district, jurisdiction or even state the elector actually resides. These registrations must be corrected before a vote can be cast by them.

Elector Registration Challenge – Expired Registrations

Pursuant to 21-2-230

August 22, 2024

TO: DeKalb County Board of Registrations and Elections

FROM: William Henderson, Registration ID 03183834, Resident of DeKalb County

Honorable Board Members:

The purpose of this letter is to challenge, according to O.C.G.A. 21-2-230, the registrations of DeKalb County electors who have had NO CONTACT with the election system for 10 years or more, according to the Secretary of State's own database.

According to state laws 21-2-234 and 21-2-235, these registrations should have been removed from the county's voter roll in 2023 for reasons of inactivity, as part of the mandated list maintenance procedures.

If this probable cause hearing is sustained, the registrations shall be processed in the manner set forth in GA Code 21-2-230.

Relevant Georgia Code Citations

§ 21-2-234. Electors Who Have Failed to Vote and With Whom There Has Been No Contact in Three Years;¹ Confirmation Notice Requirements and Procedure; Time for Completion of List Maintenance Activities

Section (a) (1) states: *"As used in this Code section and Code Section 21-2-235, the term "no contact" shall mean that the elector has not filed an updated voter registration card, has not filed a change of name or address, has not signed a petition which is required by law to be verified by the election superintendent of a county or municipality or the Secretary of State, has not signed a voter's certificate, has not submitted an absentee ballot application or voted an absentee ballot, and has not confirmed the elector's continuation at the same address during the preceding five calendar years."*

The column in the Secretary of State's Voter roll, which is available to the general public, titled **'DATE_OF_LAST_CONTACT'** is assumed to be the elector's last official contact date according to the criteria listed above.

Section (a) (2) states: *"In the first six months of each odd-numbered year, the Secretary of State shall identify all electors whose names appear on the list of electors with whom there has been no contact during the preceding five calendar years and who were not identified*

¹ **The 2019 amendment**, effective April 2, 2019, substituted "five" for "three" near the end of paragraph (a)(1) and in the first sentence of paragraph (a)(2) and inserted "has not submitted an absentee ballot application or voted an absentee ballot," in the middle of paragraph (a)(1). This challenge is using the 5 year rule.

Elector Registration Challenge – Expired Registrations

Pursuant to 21-2-230

as changing addresses under Code Section 21-2-233. The confirmation notice described in this Code section shall be sent to each such elector during each odd-numbered year. Such notices shall be sent by forwardable, first-class mail.”

The list of registrations submitted in this challenge all have a **DATE_OF_LAST_CONTACT** before Jan 1, 2014. Based on that **DATE_OF_LAST_CONTACT**, GA Code 21-2-234 mandated that these registrations were required to be on the list the Secretary of State was mandated to compile in the first 6 months of the year 2019. All these registrations would have had no contact in the preceding 5 years.

In addition, considering the reference to changing addresses:

There is a column titled “**LAST_MODIFIED_DATE**” in the SOS’s Voter Roll. That would seem to indicate the last date on which there was a change in the data related to that registration. The changes to the registration may not be in the categories of changes that require contact from the elector. However, the contents of this column cannot be relied on to indicate whether the elector’s address has changed in the course of the 10 years they have made no contact. Many systematic ‘modifications’ to the Voter Roll have caused this ‘LAST_MODIFIED_DATE’ to have been updated for unknown reasons. In fact, all of the entries have been updated at some point in 2024 for whatever reason.

To verify this data, we checked our list against the earliest version of the Georgia State Voter Roll that is available to us, dated 01/21/2020. To confirm that no change of address had occurred on these registrations, the street addresses from 01/21/2020 were matched with the street addresses on the most current Voter Roll, 08/13/2024, indicating there was no change of address on these registrations from Jan 2020 until the present. The match performed was an EXACT Match, not a systematic search.

In addition, only those registrations whose ‘**DATE_CHANGED**’ column (the equivalent in the 2020 voter roll to the current ‘**LAST_MODIFIED_DATE**’ column) indicated there was no change made to the registration since Jan 1, 2014 were included in the list of registrations for this challenge.

Also, according to **GA Code 21-2-234**, a process was mandated to be carried out by the Secretary of State’s office. (**21-2-234 Sections (b) through (g)**). It seems very unlikely that this process was complied with, as every registration in this list is in **ACTIVE (A)** status on 01-21- 2020, with a **DATE OF LAST CONTACT** more than 5 years old, and none have had any **DATE_CHANGED** in that same period of time. It seems more likely that this process was delayed by two years, since every one of these registrations was changed to **INACTIVE (I)** on the 11-17-2021 Voter Roll.

So, the list of challenged registrations includes the registrations that SHOULD have been changed to **INACTIVE** status in the first 6 months of the year 2019 according to **GA Code 21-2-234**. According to the records, none of them were. It seems apparent that **GA Code 21-2-234** was not complied with in 2019.

¹ **The 2019 amendment**, effective April 2, 2019, substituted "five" for "three" near the end of paragraph (a)(1) and in the first sentence of paragraph (a)(2) and inserted "has not submitted an absentee ballot application or voted an absentee ballot," in the middle of paragraph (a)(1). This challenge is using the 5 year rule.

Elector Registration Challenge – Expired Registrations

Pursuant to 21-2-230

§ 21-2-235. Inactive list of electors

Section (b) states: *“An elector placed on the inactive list of electors shall remain on such list until the day after the second November general election held after the elector is placed on the inactive list of electors. If the elector makes no contact, as defined in **Code Section 21-2-234**, during that period, the elector shall be removed from the inactive list of electors. Not less than 30 nor more than 60 days prior to the date on which the elector is to be removed from the inactive list of electors, the board of registrars shall mail a notice to the address on the elector's registration record.”*

Based on the mandates stated in **GA CODE 21-2-234**, the registrations in the submitted challenge list SHOULD have been changed to **INACTIVE** status in the year 2019. Therefore, these registrations should have been processed according to the procedures laid out in **GA Code 21-2-235** in the period after the November 2022 general election, which would have been the second general election after 2019. These procedures state the registrations should be **REMOVED FROM THE INACTIVE LIST OF ELECTORS**.

CONCLUSION

The failure of the Secretary of State to comply with **GA CODE 21-2-234** in 2019 has consequences for the 2024 election. According to just the **DATE_OF_LAST_CONTACT** alone, there are currently 7899 registrations in DeKalb County alone that have not had any contact with the election system since 12/31/2013. In doing due diligence to eliminate any registrations that may have moved since 2019, that list was culled to a total of 4861. Statewide the numbers are 82,093 and 44,265.

Whether the board agrees that there is documented evidence that registrations that are unlikely to be used to cast votes are targeted by bad actors to use for fraudulent purposes or not, these registrations are, according to State Law, not supposed to be on the list of qualified, eligible voters for the 2024 general election.

Georgia State Law also, I believe, gives the counties the ultimate responsibility for maintaining their voter rolls to be true and accurate. They are also responsible for carrying out State Laws pertaining to maintaining their eligible voter list.

This hearing is conducted to determine whether ‘probable cause’ exists to challenge the right of the listed electors to vote in the election. The probable cause, in this case, is that according to the Laws of the State of Georgia, the listed electors should not currently be on the list of eligible electors due to inactivity. At any time during the past 10 years, these electors could have made contact with the election system in any of the ways listed in **Ga Code 21-2-234** Section (a) (1), but they have not.

It is also apparent by examining the 11-17-2021 DeKalb County Voter Roll, that the process for **21-2-234** was delayed by 2 years, since every one of the challenged registrations was changed from ACTIVE to INACTIVE status sometime between 01-21-2020 and 11-17-2021. So, it seems apparent that the process mandated by **21-2-234** was carried out, but 2 years later than mandated. The electors seemed to have been notified 2 years late that they were to be moved to **INACTIVE** status,

¹ **The 2019 amendment**, effective April 2, 2019, substituted "five" for "three" near the end of paragraph (a)(1) and in the first sentence of paragraph (a)(2) and inserted "has not submitted an absentee ballot application or voted an absentee ballot," in the middle of paragraph (a)(1). This challenge is using the 5 year rule.

Elector Registration Challenge – Expired Registrations

Pursuant to 21-2-230

but they still have not initiated any contact with the DeKalb election officials in the almost 3 years since then.

As such, I am petitioning the DeKalb County Elections office to ensure that the inactive registrations on this list be marked as CHALLENGED as per **GA CODE 21-2-230** to ensure that any electors that use these inactive registrations, that should not, by law, be on the qualified voter list, have their identities properly verified and confirmed before casting a vote in Georgia.

I affirm under penalty of perjury that the information presented on this document is true to the extent of my knowledge and that I have submitted evidence specific to this list of registrations to support this challenge.

Sincerely,

William Henderson

Honorable Board Members:

The purpose of this letter is to challenge, according to O.C.G.A. 21-2-230, the registrations of DeKalb County electors who have filed a permanent address change with the NCOA system, registered to vote in another state at the new address indicated on the NCOA form, and subsequently voted in that foreign state.

If this probable cause hearing is sustained, the registrations shall be processed in the manner set forth in GA Code 21-2-230.

Elector Registration Challenge

Pursuant to 21-2-230

- (a) . . . If a challenged elector's name appears on the National Change of Address data base, as maintained by the United States Postal Service, as having changed such elector's residence to a different jurisdiction, the presence of such elector's name on such data base shall be insufficient cause to sustain the challenge against the elector **unless additional evidence would indicate that the elector has lost his or her residence as determined pursuant to Code Section 21-2-217**

NVRA 1993

Section 8(d) REMOVAL OF NAMES FROM VOTING ROLLS.

- (1) A State shall not remove the name of a registrant from the official list of eligible voters in elections for Federal office on the ground that the registrant has changed residence **unless the registrant---**

- (A) Confirms in writing that the registrant has changed residence to a place outside the registrar's jurisdiction in which the registrant is registered;

REASONING: When a registered voter applies to vote in another state, he is asserting in writing that he has changed his address and is a legal resident of the state in which he is applying to vote. (Note, this challenge, under GA Code 21-2-230, does not mandate, request or require the removal of any registrant from the list of eligible voters.)

Confirmation from the foreign Secretary of State's website that the person has registered to vote in its state proves that his/her eligibility to vote is in the new state. If the person also votes in that state, it is double proof that he/she now resides in the new state and is no longer an eligible elector in Georgia.

This hearing is to determine 'probable cause' that the elector is ineligible to vote in the upcoming election(s) because they currently reside, have registered to vote and may have voted in another state, rendering their eligibility to vote in Georgia invalid. If this probable cause hearing is sustained, no further hearing by the board of registrars is required until **after the election**, and the processes defined in GA Code 21-2-230 shall be applied:

GA Code 21-2-230 (f): *If the challenged elector does not cast an absentee ballot and does not appear at the polling place to vote and the challenge is based on the grounds that the elector is not qualified to remain on the list of electors, the board of registrars shall proceed to hear the challenge pursuant to Code Section 21-2-229.*

This challenge, if sustained, is valid through both the general election and any runoffs:

GA Code 21-2-230 (k) *Any challenge of an elector that occurs during a primary or general election shall continue through the run-off primary or run-off election of such primary or general election.*

It is to be further noted:

Elector Registration Challenge

Pursuant to 21-2-230

GA Code 21-2-230 (j) *Failure to comply with the provisions of this Code section by the board of registrars shall subject such board to sanctions by the State Election Board.*

I believe the evidence submitted provides more than sufficient "probable cause" for the challenges to go forward for the general election cycle and will help ensure that only qualified resident citizens of Georgia will vote in the election. As you know, sustaining these challenges does not remove them from the list of voters; it merely requires proof of Georgia residency upon an attempt to vote.

The importance of this process cannot be understated. None of the listed electors in this challenge will be deprived of their Constitutional right to vote. However, if any one of these electors is subsequently found to have voted in Georgia in conflict with established election laws, that will deprive another voter of their Constitutional right to have their vote counted, and will therefore require an additional voter to reinstate the balance of the vote in general. This possible situation therefore, in theory, deprives two valid, legal voters of their Constitutional rights. This challenge helps minimize the chances for that situation to occur.

Sincerely,

William Henderson
