We have a reimbursable agreement with the agencies. Volunteers use their normal travel operations, and I am not sure how ATF is designating travel for election monitoring. CRT reimburses the cost.

Hi- I am ATF- is there any guidance on the travel funding codes for my agency for this project? Does my division (Houston) pay for the hotel, or does DOJ CRT?
Thank-you.

Subject: Election Monitoring Assignment for (b)(5), (b)(7)(A), (b)(7)(E)

Dear (b)(6), (b)(7)(C)
(b)(6), (b)(7)(C)

Thank you again for agreeing to serve as an election monitor. We plan for you to monitor in the (b)(5), (b)(7)(A), (b)(7)(E) area. (b)(6) is the regional coordinator for that area and is cc'd here. Your team lead on Election Day is T (b)(6) also cc'd. Here are some important things to know:

If you have completed your initial training and must travel to your jurisdiction, you are free to book your travel now. (You should have received a link to the 43-miniute video training last week. It must be completed by Monday, October 19. The link is provided again below.)

Your second training will be via Teams with your regional coordinator and team lead regarding the specifics of your jurisdiction. That training will occur the week of October 26. The third training will be held the Monday before the election (November 2) to go over last-minute reminders and team assignments, hand out reports, and practice using the status update on your phone.
