CERTIFICATE OF CONFERENCE

Pursuant to Local Rule 7.1(a)–(b), I hereby certify that, on October 29, 2026, I conferred via email with counsel for Defendant, Scott Brumley who advised that he and his client are **unopposed** to relief being requested.

I also hereby certify that, on October 29, 2026, I emailed all counsel for Plaintiffs regarding this motion and the relief being requested. I also discussed the motion and the relief being requested by telephone with one of the Plaintiffs' counsel, Daniel Bates, who advised that they were not yet in a position to advise whether they and their clients were opposed or unopposed to the motion but that they would advise the undersigned as soon as possible. Because of the potentially time-sensitive nature of the relief being requested by Plaintiffs, this motion is being filed as **opposed** by Plaintiffs. However, the undersigned will update the Court as soon as Plaintiffs are able to state a formal position on the motion.
